Hereford products are famous, but some of the fame is undeserved; and the Chamber of Commerce would like to correct at least one wrong idea which is being circulated up in Seattle, Wash., where brown rice "raised at Hereford, Texas" is being offered for sale at a Health Food Store.

Harvest always means a big boom in the ice business; and this year is no exception—but added complications have come with the shortage of labor. This week Lineman Carroll Hagar has been shifted from his regular job with the Southwestern Public Service, to driving the truck for the ice department—and Hap Wiseman is holding down the line department by himself.

All American and Legion Auxiliary business and social meetings have been postponed until Sept. 19, it was announced this week by Post Commander R. C. McGilvary, who says that legion activities will get off to a fresh start in September after the summer's rest.

Rex Tynes wasn't left exactly "dewy eyed" by the proceedings of the Republican Convention but he says, "I would have enjoyed Mrs. Claire Luce's speech—if I'd been a Republican."

Little Bobby Jane Sick was just about the happiest kid in town Monday when her bicycle, which was stolen from in front of the picture show last Wednesday, was found by the sheriff on a vacant lot near the high school. Nothing was missing except the rubber handlebar grips.

Scrap lumber—left-overs from the original construction at the Hereford P. O. W. Camp—is now being offered for sale at \$1 a truck load, it was announced this week. The lumber is located (Continued on Page 12)

Error in Report Fangman Missing

Good news was received this week by Mr. and Mrs. Henry Fangman, when they learned that earlier reports that their son, Staff Sgt. Sylvester A. Fangman, was missing in action over Austria on May 29, were in error. According to later reports received here, Staff Sgt. Fangman was only slightly injured in the raid—and the family will be kept informed of his condition.

Fangman, an engineer on a Liberator bomber, has taken part in numerous combat missions.

Marine Writes of Roberts' Death In Assault on Eniwetok Stronghold

Pfc. Macyl Roberts, son of Mr. and Mrs. H. W. Roberts of the Messenger Community, met his death in February on Eniwetok Atoll, while trying to aid his mortally wounded squad leader, according to details received last week by the Marine private's mother from the captain of his company.

On Feb. 18, 1944, according to the captain's letter, Roberts' squad was pushing forward to ward a strongly defended Jap pillbox. The squad leader was badly hit and lay wounded in plain view of the Japanese fire when young Roberts advanced, firing, to give assistance to his wounded corporal. Roberts fell, mortally wounded, and the corporal was killed instantly as he attempted to crawl to his buddy.

Mrs. Roberts has also received a letter from another Marine buddy of her son, and because it tells of the courage and bravery of American boys in the face of death, we are reprinting part of it.

Dear Mrs. Roberts: "I received a letter from my own mother this morning along

County Lags on Schedule for 5th War Loan; Just 16 Days Remain

With approximately 33 1-3 per cent of the bond goal cleared, Deaf Smith County today has just 16 more days to go before the July 15 deadline for the Fifth War Loan deadline is reached. These figures, it is pointed out by War Finance Chairman J. C. Ricketts, mean simply one thing—the county must pick up speed if the \$375,000 goal is to be reached on schedule.

Have you bought your LIMIT of bonds in the Fifth War Loan?

If you haven't—or even if you have—read the letter printed in this week's Brand from the Marine Corps buddy of a Deaf Smith County boy, Pfc. Macyl Roberts, who has already oversubscribed his debt of loyalty and devotion to his country.

Read that letter—and then buy ANOTHER bond to end the war sooner—and insure an earlier homecoming for other boys like Macyl Roberts and his buddies.

Total sales to date are \$123,744.50, and this leaves \$251,255.50 to be bought by Deaf Smith County citizens within the next 16 days. Of the total sales to date, \$70,987.50 are in the basic Series E Bond, and a gap of \$99,012.50 must be bridged to reach the Series E quota.

"We have oversubscribed all previous quotas," Mr. Ricketts says, "and there is no doubt but that we are able to oversubscribe this quota. Let's do the job—right now."

with the one you had written her. I've sat here all morning (in the San Diego Naval Hospital) trying to form a letter in my mind and am now forced to write as I feel. In my own way I know how you feel, for I shall never be the same again since Bob (Macyl) has gone.

"We had been together since the day Bob came out of boot camp, and just before going overseas became fast friends. Finally we were even closer than own brothers, and for well over a year one of us never left camp unless the other was along. We had stood together through everything that came along, and there was never even the slightest misunderstanding between us.

"I carried him to safety when he was hit, as the three of us (our other buddy from Dallas who was killed at the same time) were assaulting a pillbox. Although I can't even realize it yet that he is gone, it has been the hardest blow of my life. Perhaps I should tell you how proud you should be that he died for his country, but I'm not a politician.

Hereford Products Have Wide Demand

Hereford products are in demand all over the United States and large files in the Hereford Chamber of Commerce office give a realistic evidence of the way in which people from all sections of the country have become "sold" on the health value of foods produced in Deaf Smith County.

E. B. Posey, secretary of the chamber of commerce, this week told of a woman from Port Blakely, Wash., who has been in correspondence with Dr. G. W. Heard and the local chamber of commerce for more than two years. She first sent \$25 for a sample of as many products of this territory as possible and has since received other samples, including a sample of Deaf Smith County water, which (together with an improved diet) she believes is of great value in improving her children's health. The Washington woman has now made regular arrangements for shipment of Hereford water to her home—and she is also making plans to have meat shipped from here.

The Hereford Locker and Cold Storage Company, Mr. Posey says, has been most cooperative in helping to arrange for the meat shipments.

Bradly Announces For Post of Hide and Animal Inspector

The Brand to announce his candidacy for the office of hide and animal inspector of Deaf Smith County, subject to the action of the Democratic Primary.

"Because of the gas and tire shortage, I will not be able to do much 'chasing around,'" Mr. Bradly states; "But I want the people of Deaf Smith County to know that I will put out my best effort to do a good job and I will really appreciate your vote."

Shamrock Man Opens Plumbing Shop Here

T. L. Reeves this week announced the opening of the Reeves Plumbing Shop in Hereford, in the building formerly occupied by Jack's Shoe Shop, just east of the First National Bank Building.

Mr. Reeves, who comes here from Shamrock, is a master plumber with many years of experience in the work, and he invites Hereford people to come in and get acquainted.

The Reeves shop will also feature a complete line of plumbing supplies, including all types of fixtures, pipe and fittings.

Tents Provide Labor Housing For Harvest

Hopes of securing migratory labor to aid in the big harvest job now getting underway in Deaf Smith County were bolstered this week by the announcement from Congressman Gene Worley's office that 75 small tents, each to accommodate two workers, will be delivered in Hereford by the Army not later than Saturday, July 1. With housing provided, it is believed that sufficient Mexican and other labor will come into Hereford to take care of the potato, onion and row crop harvest; and the lack of prison labor will not be severely felt in the territory.

Erection of a "tent city" will be under the direction of County Agent A. R. Bateman, county manager of the Extension Service's farm labor program.

The tents will be put up in the county park, it was announced this week by County Judge Fred W. Baird, who says that the site will be just west of the grain bins now erected along the north boundary of the park; and the city will pipe water to central outlets in the tent town location. "This housing is of entirely temporary nature," Judge Baird points out. "The tents will be used only through the harvest season in order to provide the housing necessary to get transient labor into our county."

Truckers Urged Observe City Traffic Laws

Hereford City Officials, pointing out the unusual traffic hazards posed by harvest and the continual traffic through town of the big wheat trucks, this week urged caution and the careful observance of all city traffic regulations by truckers.

Truckers are requested to slow up as soon as they reach the city limits and to be especially careful at crossings and intersections; and drivers in town are also reminded to take extra precautions in view of the unusually heavy traffic.

G. G. Heard Takes Over Management of Farms

G. G. Heard, son of Dr. and Mrs. G. W. Heard, arrived Thursday and has taken over the management of the Heard farms. Mr. Heard for the past several years has been establishing chemical laboratories in eastern cities for the U. S. government with headquarters in Chicago, and for the past year has also been supervising testing facilities in chemical laboratories.

Mr. Heard, who is employed in the chemical laboratory at the University of Chicago, will join her husband here later in the summer for a visit and if he decides to remain in Hereford, she and their two children will move from their home in Chicago.

Cartons Available for P. O. W. Packages

Carton containers of exactly the right size in which to mail packages to prisoners of war will be available within the next few days at the office of the Deaf Smith County Chapter of the American Red Cross, it was announced this week by Mrs. Dyalitha Bradly, executive secretary.

The cartons will be given free to the next-of-kin of the American prisoner of war, Mrs. Bradly said, pointing out that use of these containers will eliminate confusion concerning the exact size of packages which may be mailed to prisoners.

High Yields, Tests Reported As Harvest Activity Mounts

Cox, Hallum Receive Air Medal Awards

Lieutenants Jack R. Cox and Lynn Hallum of Hereford have both recently received the Air Medal for duty with the Army Air Corps in the Southwest Pacific.

Hallum's medal was awarded for meritorious service while participating in flights in the Southwest Pacific area from June 26 to Dec. 2, 1943. Cox received his medal for similar duties performed in the period from Sept. 18 to Dec. 16, 1943.

Letters were received this week by Mr. and Mrs. E. M. Cox and Mrs. F. S. Smith from Lt. Gen. George C. Kenney, commander of the Fifth Air Force, who outlined their sons' achievements, stating that they took part in "sustained operational flight missions during which hostile contact was probable and expected. These missions included bombing runs against (Continued on Page 12)

Auto Tax Stamps Must Be Displayed by July 1

New Federal Tax stickers are supposed to be displayed on all automobile windshields by Saturday, July 1; and although sales have been better than they were at this time last year, there are still many motorists in the county who have not yet purchased their new tax stamps.

Rockwell Household Sale Set for Saturday

A sale of household furnishings and equipment will be held Saturday afternoon, July 1, beginning at 3:30 o'clock at the C. C. Rockwell home, 404 Miles Avenue. The Rockwells are moving to Mexico City and are selling their entire list of household furnishings, including many items of pre-war manufacture which are no longer on the regular market.

In addition to furniture and household equipment, the sales listing includes shop equipment and some good power tools.

A complete listing of the sale is published on page 8 of The Brand.

Slight Change in Shelf Arrangement at Library

The "seven day shelf" together with the separate shelves for new non-fiction, have been eliminated at the Deaf Smith County Library, it was announced this week by Mrs. Clara McLean, librarian, who says that the change has been made primarily to provide a little additional shelf space.

Jackets for the new books will continue to be displayed and library patrons can find the books in the regular classified arrangement on the shelves. Mrs. McLean said, pointing out that the new system may also result in acquainting more patrons with holder books in the library.

D. H. Alexander Is Hurt by Truck

D. H. Alexander is able to be up and out again after a painful accident which occurred last week. Mr. Alexander was measuring a truck bed when another truck backed into him pinning him between the two trucks and cutting his left limb below the knee in two places.

He was confined to his home for three days but, according to reports, is coming along fine now.

Dr. Cooke Guest Speaker at M. E. Church, Sunday

Dr. Harold G. Cooke, president of McMurry College, Abilene, will be the guest speaker at the Methodist Church next Sunday morning at the regular worship hour.

Dr. Cooke is one of the most dynamic speakers in his church in Texas and has held many responsible positions in Texas, Tennessee and elsewhere in the south.

Members of the local Methodist congregation and any other interested friends are cordially invited to hear the visiting speaker.

Ella Broadwell To Report to WAVES

Miss Ella Broadwell, daughter of Mrs. H. L. Broadwell and the late Mr. Broadwell has signed for duty with the WAVES and will report for training at Hunter College, N. Y., the latter part of July.

Miss Broadwell is a graduate of Hereford High School and of the University of Texas. For the past two years she has been employed with the U. S. Employment Service in Amarillo. Prior to that time she was a member of the Georgetown public school faculty.

She is spending a few days here with her mother this week but will return to her work in Amarillo and will leave for New York from there.

June 30 Deadline Date For Sugar Application

The first period for application for canning sugar will close tomorrow, June 30, it was announced this week at the local rationing office, where spokesmen stated that the second period for canning sugar applications will be announced soon from the OPA district office in Lubbock.

Persons who have not yet received their first ten pound allotment of sugar for home canning may make application through June 30 on the special application form, to which the applicant should attach spare stamp 37 from the ration book of every person for whom canning sugar is desired. Details of application for the second allotment will be announced later.

HOSPITAL NOTES

Mrs. E. W. Miller, maternity, June 25. Elwood Thompson, surgery, June 29. Joan Rosson, medical, admitted June 28. Mrs. Lois Smith, maternity, dismissed June 28.

A steady stream of golden grain is beginning to move toward Deaf Smith County elevators this week as the wheat harvest swings into high gear. Though some wheat is still green, harvest has begun in fields in all sections of the county and by the middle of next week, farmers expect the big rush to be on.

As the combines began to run, earlier forecasts of record yields were justified, with the prediction of an almost 30 bushel average on the early crop appearing probable. Tests continue to be high, ranging between 60 and 62; and with the best wheat price in 25 years, income from the 1944 crop is expected to set a record high.

High Yields Reported Highest yield reported thus far was by J. L. Click of Progressive, who averaged 45 bushels per acre on the first thousand bushels cut at his place. A forty bushel average has been reported for some of J. T. Gilbreath's wheat, and a high of 40 and 2-3 bushels per acre was made by Joe Brorman on 60 acres at his place eight miles northeast of Hereford. Brorman's wheat is testing between 60 and 62 and at \$1.33 a bushel, the market price in Hereford Tuesday, he averaged \$54.10 per acre on the 60 acre wheat field.

According to reports from Summerfield, farmers have been making averages as high as 35 bushels per acre in that area; and country correspondents in all sections of the Hereford territory are unanimous in their description of high yields and high tests.

Rainfall in Hereford last night totaled .05 of an inch, and though heavier rains fell in scattered areas throughout the territory, the rainfall is not believed to have been heavy enough to cause any serious slow-up in (Continued on Page 12)

Few Businesses To Close July 4

For the most part, July 4th will be just another harvest day in Hereford but some business houses and offices will remain closed next Tuesday, according to announcement this week.

Included will be the banks, beauty shops and dry cleaning shops and perhaps a few other businesses.

Small Cyclone Damages Building at Melton Farm

A small tornado Sunday afternoon at about six o'clock destroyed two outbuildings and partially damaged one other on the H. W. Melton farm, 20 miles northwest of Hereford.

"We could see the storm approaching," Mrs. Melton said, "and it simply picked two buildings off their foundations." The houses were heavily shaken up and several chickens were killed. No other damage to property or livestock has been reported in the area.

Do You Remember?

A Heavy Loss

On last Friday night as Finis Blair, accompanied by two young ladies was returning from an entertainment at Boom, the buggy struck a telephone post and in Mr. Blair's efforts to take care of the young ladies, the horse got away, leaving the young people about midway between Boom and Hereford. The horse, belonging to Carter Bros., and known as Rose Bud, was found the next morning loose from the buggy and in a dying condition. It is not known just how the horse was killed.

On Friday afternoon of last week the editor, accompanied by his wife, sister, Miss Maggie Ray and Mrs. T. S. Barnett, took an outing to Boom and adjacent country.

Boom, as the name would indicate, is a prosperous little village consisting of two residences, I believe, a school house and post office. These residences are owned by J. J. Anderson and Postmaster Laughlin.

On last Saturday, Claude Norton had the misfortune to get too near one of the untamed horses on the farm, the result of which being a severe blow from the animal, which broke one of the bones in his left arm. While the wound was somewhat painful, the broken bone was properly reset and will soon be whole again.

"Having sold my interest in the Brand to Messrs. Charles B. Googer and T. S. Barnett, I take this occasion to thank the public of Hereford and vicinity for their generous patronage and warm friendship extended to me during the three and one-half years that I have been in Hereford . . ." JUNE 17, 1924

Charles G. Dawes of Illinois, the "Hell and Maria General," was nominated for the vice-presidency by the Republican National Convention after it had once nominated Frank O.

Lowden, former governor of Illinois, who had refused to accept the place.

Rev. Timothy Tinsley and Miss Louise Oberthier were united in marriage Thursday, June 12, in Lexington, Ky.

Helen Wills, 18-year-old California wonder-girl, modest, sweet and typifying all that is best in American womanhood, is picked by all to win the Olympic championship at Paris and also the English title in National play.

In 1924 Hereford citizens were beginning to get the idea of a big rural electric line, and at a meeting of the Hereford Chamber of Commerce, 12 speakers discussed the question. At that time, the General Electric Co. was toying with the idea of constructing the lines from a central power plant located somewhere in the Panhandle gas fields.

A farewell party given last Friday evening at the home of Mr. and Mrs. Joe Huckert in honor of the Mr. and Mrs. R. J. Ness' family was attended by a large number of friends.

The Ford touring car (price \$295, F. O. B. Detroit) was advertised as "helping millions to enjoy their vacations."

JUNE 24, 1924

The Hereford House has again changed hands, the purchaser this time being W. J. Gilliland of Dimmitt. G. A. F. Parker owned the hotel and we understand the consideration was \$4500 cash. The deal was negotiated by W. H. Rayzor.

It has been definitely settled that Rev. James O. Reavis, the pastor of the First Presbyterian Church at Dallas, will assist Rev. A. H. Crawford in a meeting in Hereford, beginning Friday night before the 4th Sunday in September (the 23rd.) instead of in August as mentioned some weeks ago in The Brand.

On last Saturday, W. T. Smith and family, Will Womble and family, Homer Bryant and Miss Irene Fewell enjoyed an outing about 9 miles down the river and spent several hours fishing for the celebrated "black bass." Mr. Smith reported 15 bass, and 23 cats.

"... IT HAS EVERYTHING" — and that's not just build-up talk when applied to "Cover Girl" next Sunday and Monday at the Star. With Rita Hayworth and Gene Kelly in the leads, a fine supporting cast, and the most beautiful models in America, the film also boasts Jerome Kern music, headed by the popular "Long Ago and Far Away" and several other songs destined for the Hit Parade.

Rev. M. E. Hawkins, pastor of the M. E. church at Claude, and brother of Prof. D. W. and H. H. Hawkins, who live west of town, arrived in Hereford Saturday and is conducting the revival at the Methodist Church this week.

Misses Anna Mauk and Zula Vanderburgh left Tuesday afternoon for Clarendon, where they will spend five weeks in the Summer Normal.

JUNE 24, 1924

Wallace C. Cox and Miss Bobbie Aston were united in marriage last Wednesday evening at 8:30 o'clock at the home of the bride, the home of Mr. and Mrs. A. A. Foster, where she has been making her home since coming to Hereford.

Gaston Doumergue is new president of France and says he will continue to hold onto the Ruhr until the German situation clears up.

Sheriff C. S. Purcell Tuesday announced his withdrawal from the race for re-election leaving Claude Benton the only candidate on the ticket.

Mesdames Henry Wilkinson, Clifford Acker, John Williams, Ray Barber and Fred Oberthier party and shower Tuesday afternoon were hostesses with a delightful party and shower Tuesday afternoon complimentary to Mrs. J. A. Pitman, who before her recent marriage was Miss Douglas Wilson.

Miss Dorothy Boardman, a junior-senior student at Trinity University, received a cash prize of \$25 for the best essay, offered by one of the leading educators of the state. Her subject was "Divorce."

An especially interesting feature of the national Democratic Convention which opened in New York City Tuesday, from the Hereford standpoint, is the fact that Senator Pat Harrison, of Mississippi was scheduled to keynote the convention; and Senator Harrison appeared on a Chautauqua program in Hereford a few years ago.

Rae Cox, who is expecting a call to the navy any time, was honored with a party Saturday night at the schoolhouse. Included among the guests were Jack Clark, who has been in the South Pacific combat area and now is stationed in Oregon, and S. J. Cook stationed at the Dalhart Air Base. Miss Gertrude Stephenson of Claude played piano music and party games were played.

This community extends sympathy to the Fangman family. They received a message last week stating that their son Sylvester was missing in action in Italy.

The north edge of this community received a heavy rain and in places severe hail two weeks ago. The rain measured 1-3-4 in. at the Phillip Miller home, nearly 3 inches at the M. S. Roe home and 4 inches fell in 40 minutes at the Charley Burk home. Wheat in the storm area was damaged by hail ranging from 75 per cent to 100 per cent loss. C. F. Rickels reports heavy rain Friday afternoon with hail which damaged 200 acres of wheat 80 per cent.

Mrs. Wilburn Smith underwent a major operation at the

hospital at Hereford last Tuesday. Her sister, Mrs. Henry Rich of Tuttle, Okla., arrived Tuesday to be with her and plans to remain most of the summer.

Mrs. Albert Wolfington and baby came from California last week for a visit in the home of her husband's parents, Mr. and Mrs. L. B. Wolfington.

Mrs. Edna Holman of Portageville, Mo., was a guest of Mrs. Phillip Miller several days last week.

Mr. and Mrs. C. F. Rickels spent last week end in Spur at the home of Mr. Rickel's brother Louis Rickels.

Mr. and Mrs. Tom Robinson and Tommie Kay were supper guests of Mr. and Mrs. Phillip Miller and Bonnie Thursday night.

Mrs. P. B. Sowell spent several days last week at the home of her parents, Mr. and Mrs. Henry Tiefel at Hereford. She has been ill and was under observation and treatment while in town.

Several from here called on Mrs. Frank Vassios at the hospital last week.

Mrs. Pauline Dunn and Larry Don Bird of Amarillo were guests in the Earl Little home Thursday night and Friday. Larry's father, Tommy Bird of Amarillo brought them down and came for them in a plane.

Mr. and Mrs. Edgar Skypala and children and Mr. and Mrs. H. D. Blythe and daughters of Hereford were visitors Sunday night in the V. Skypala home.

Bow Your Heads

THIS is Invasion! Now in the hearts, brains and muscles of our American Youth lies the future of our country.

Bow your heads. Pray with millions of mothers the country over, as their hearts reach out over the seas, each one seeking out her boy, to protect him with the shield of her love.

Believe that in this world there is definite strength in decency and honor. Believe that in our devotion there is moral force. Believe that our will to victory will aid that victory.

Seek and ye shall find!

Let us seek added strength and fortitude for our men in our own sacrifice and devotion.

Let us focus every thought, every action, and every prayer on the boys fighting for us.

And, while each one bends to his task with ever-growing fervor and energy, let us adopt a common symbol as our faith in Victory.

Let that Symbol be War Bonds. Let us pour our money in a gigantic flood of good will toward our sons and brothers, as a spiritual shield for them.

This is the Invasion. The lives of our boys are at stake. Let them see that the Soul of America is with them.

Let it not be too late . . . not next month, next week, or tomorrow, but today . . . now.

Many sent gifts who were unable to attend the party.

EVENING PARTY IS GIVEN BY MRS. IRELAND

Mrs. Woodrow Ireland entertained members of the Tuesday Bridge Club with an evening party at her home on North Main St. on Tuesday evening. Paul Scarlet roses and red tapers in candelabra were used on the buffet table and larkspur provided accessory blossoms.

Four-out-of-town guests complimented at the party included Mrs. Ted Houston of Boise, Ida, who is visiting her parents, Mr. and Mrs. F. H. Oberthier, Miss Aline Walker and Miss Rena Counts of Dallas who are guests in the Knox Kinard home, and Mrs. Jack Lester of Pueblo, Colo., who is visiting her mother, Mrs. W. B. Dameron.

Prizes in contract games went to Mrs. Travis Dameron for the club and Mrs. Houston, guest.

Others playing were Mesdames C. H. Dyar, Knox Kinard, Glenn Snyder and Henry Benson.

H-D Club News

Progressive Club

Progressive Home Demonstration Club met in the home of Mrs. Howard Higgins last week with roll call featuring ways of entertaining young people in the home.

Outdoor fireplaces, their construction and many uses, was the subject of a discussion given by Mrs. T. J. Parsons and Mrs. A. C. Hershey told about outdoor cooking. Plans were made for a family picnic which will be held sometime in August.

Those present were Mesdames H. Griffith, D. Y. Edwards, C. V. Burgess, Ira Ricketts, H. L. Hershey, P. L. Carmichael, A. S. Higgins, F. J. Walterscheid, T. J. Parsons, V. E. Dodson, the hostess and Miss Wilma Higgins.

Rance H. D. Club

Mrs. L. A. Beavers was hostess to the Rance Home Demonstration Club at her home on Wednesday last week. Happy incidents from childhood memories were given in answer to roll call. The program on "Juvenile Delinquency" was led by Mrs. Jack Streun. "What We Can Do to Prevent Juvenile Delinquency" was discussed by Mrs. Lowery Walker and Mrs. Raymond Palmer talked on Good Habits For Children.

Refreshments were served to Mesdames Jack Streun, L. J. Counselman, Lowery Walker, H. G. Behrens, W. L. Steakly, Geo. DeLozier, Raymond Palmer, A. F. Blakemore, A. H. Ferguson, Claude Duran, A. H. Ferguson Jr., Harry Smith and the hostess.

BRIDGE CLUB MEETS

FOR BETTER SERVICE — BIGGER DIVIDENDS

Truckers

Be CAREFUL — PLEASE

During the Harvest rush, all will be inclined to "get there and back" as quickly as possible; but we must not overlook the fact that DANGER lurks at every street corner, so when you reach the city limits, please slow down. You may lose a few moments, but your caution might save a human life.

Observance of the ordinary Traffic Rules is expected, and your co-operation will be appreciated.

City of Hereford

HEREFORD

BULL

The Chamber of Commerce is about ready to announce the winner in their "WHAT TO DO and HOW TO DO IT" Contest. The other day they let me look through the entries, which had some excellent ideas on ways to improve Hereford and the Community.

I was impressed with the fact that practically every one of the entries stressed a need to eliminate double parking on Main Street. For a long, long time this double parking has been a menace in Hereford. In addition to the many other objections, it is also a dangerous practice. All of us have seen strings of traffic more than a block long, just because some person was inconsiderate enough to double park; pulling out and passing a double-parked car throws the passer into the wrong lane. This is something we can do now—even if a few traffic tickets have to be handed out to get the job done. Too many business men park on Main Street, when they could just as well park in the alleys or on side streets. This would certainly help create more parking space.

Next in popularity among the entries was a need for house numbers over the residential district. Quite a few also favored more rent houses and the proposed recreation center was a most popular subject. Several people wanted an archway which said "Welcome" and one advanced the need for an organization to greet "New-comers."

There were a lot more ideas in the entries. Some of them could and should be carried out now; others will have to wait until war restrictions permit. A decided lack of adequate recreational facilities was advanced in many of the letters. This one item seems to be Hereford's greatest weakness, according to the writers. Anyway, the Chamber of Commerce is really finding out what the people think and want. It's too late to enter the contest now, but you can still write them a letter and tell them what YOU think. This is an excellent way to get your ideas presented—and they are really interested in finding out.

High schoolers overheard in a drug store:
"Do you know what the terms M. D., D. D., and L. L. D. means?"
"College degrees," answered a boy.
"No. It means 'Marsie Dotes, Dottie Dotes, and Little Lambste Divie.'"

All of you girls who have fellows in England can stop worrying about those English girls, at least if the following verse which Dean Dunlap recently sent back is correct:

INVASION

OR
THE ENGLISH GIRL'S LAMENT
Dear old England's not the same,
We dreaded invasion—well it came,
But no, it's not the beastly Hun,

The G-- D-- Yankee Army's come.

You see them in the train and bus,
There isn't room for both of us,
We walk to let them have our seats,
Then get run over by their Jeeps.

They moan about our luke warm beer,
Think beer's like water over here,
But after drinking two or more,
You find them lying on the floor.

And you should see them try to dance,
They get a partner—start to prance,
When you're half dead they stop and smile,
"How about that my Honey Chile?"

We see they try to jitterbug,
They twist and turn and pull and hug,
It's enough to make Red Indians jealous,
Yet Yanks are civilized—so they tell us.

Yankee officers cause us smiles,
With light colored pants you can see for miles,
We wonder if they're mice or men,
Decide they're wolves so avoid the den.

With admiration we would stare,
At all the ribbons that they wear,
And think of deeds, so bold and daring,
That won the medals they are wearing.

Alas, they haven't fought the Hun,
No glorious battles have they won,
That pretty ribbon just denotes,
They crossed the sea—brave men—in boats.

We speak to them they just look hazy,
They think we're nuts, we think they're crazy,
Yet they're our allies, we must be nice,
They love us—yes, like cats love mice.

They laugh at us for drinking tea,
Yet a funnier sight you'll never see,
Than a gum-chewing Yank with a dumb looking face;
He'd raise a laugh most any place.

They say that they can shoot and fight,
It's true they can fight—yes, when they're tight,
I must admit their shooting's fine,
They sure can shoot a B--line!

They tell you you've got teeth like pearls,
They love your hair—the way it curls,
Your eyes would dim the brightest star,
You're competition for Miss Lamar.

You are their love, their life, their all,
And for no other could they fall,
They'll love you dearly 'till death do part',
If you leave them you'll break their heart.

And then they leave you—broken hearted,
The camp has moved, your love departed,
You wait for mail that doesn't come,
Then realize you're awfully dumb.

In a different town, a different place,
To a different girl, a different face,
"I love you darling, please be mine,"
It's the same old Yank—the same old line.

What's all this business about table-tilting? From what I hear, it is becoming quite a fad. Otherwise sane, sensible people are asking table questions and really believe in the answers. Some of them say the invasion was predicted in this manner; others have dates for the 'end of the war.

Our boys must keep on fighting—we must keep on buying WAR BONDS until victory is won. Keep on BACKING THE ATTACK.

Prescription for SYNTHETIC RUBBER

THE MAJOR INGREDIENT, approximately 75 percent, of synthetic rubber is Butadiene. The name sounds like medicine, and the product is truly a great healing compound for the rubber ailments on both the war and home fronts.

In the vast Plains Butadiene Plant, (owned by Defense Plant Corporation) designed and built by Phillips :: utilizing Phillips own patented processes :: Phillips is headed for an annual production of 90,000,000 pounds of Butadiene.

This is just another illustration of the growing importance of the chemical values now being extracted from petroleum raw materials: It highlights the fact that Phillips refineries producing gasoline, lubricants, and fuel oils, are also gigantic chemical plants, today, pouring out weapons for victory; tomorrow, producing new and better things for you from petroleum and petroleum gases:

Nearer and nearer draws the day when synthetic tires will be generally available :: when you can drive into any Phillips 66 Service Station and buy as many tires as you want: Yet the uncertainties of war make definite prediction impossible: That is why it is just as important as ever for you to coax every last bit of travel from your tires:

To help you do that, call on your Phillips 66 Service Man: His Tire-Saving Service includes: checking air pressures at least once a week :: inspecting for nail holes, cuts, and bruises :: examination of the tire carcass to warn you when re-capping is necessary :: and crisscrossing with the spare, every 3,000 miles:

Leon Welch and Stub Jones and Miss Pauline Cunningham of Dimmitt visited in the Welch home Friday night.

Miss Joyce Carr and Miss Wilma Jean Miller entertained with a birthday farewell party honoring Jo-Jed Miller in the

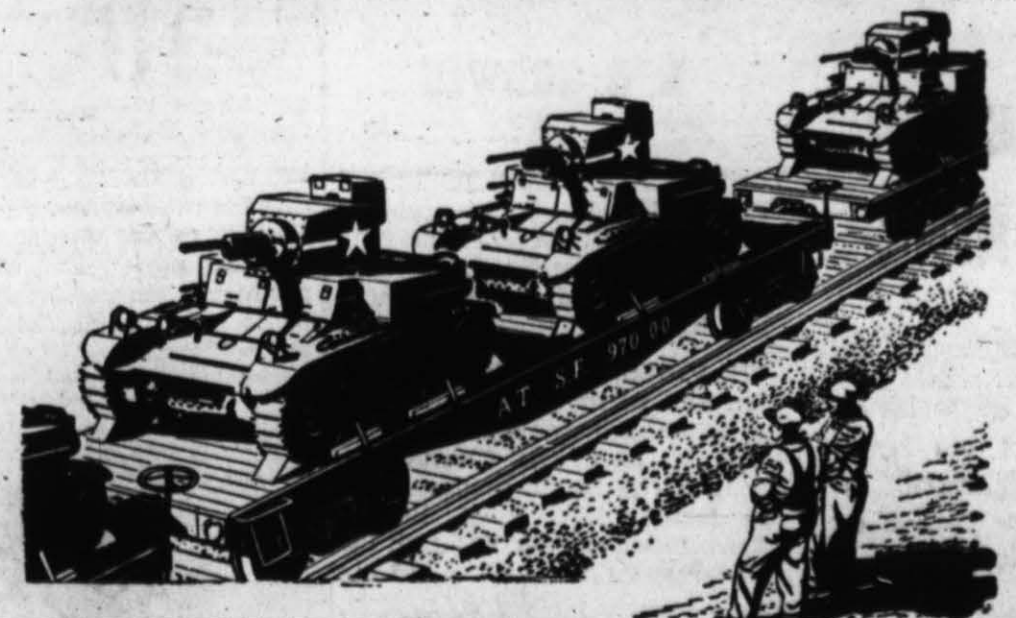

H. E. Miller home Saturday night. The guests were, Mr. and Mrs. Lonnie Byers, Mrs. Carr and Mrs. Ray Campbell of Canyon, Misses Jane Campbell, Betty Ruth Cox, Billie Byers, Lynn Riley, Joyce and Evelyn Carr of Canyon, Misses Sarah Smith, Ann McCabe, Doris Smith, Helen Oglesby, Mary Olive Frye and Mary Jo Tomlinson of Dawn, and Willard Spicer, Tom Knighton, Billy Miller, Karl Michelle, Garland Campbell, Herschell Lowe and C. M. Campbell of Canyon and Jim McCabe, Stanley McKenzie, Bill McCabe, Johnnie B. Caraway, Harold Franklin, Ted Fain and Mr. and Mrs. H. B. Fain and Wynell of Dawn.

A "queer quirk" in the Dawn news this week. Last Wednesday Mrs. I-A. Leake called her five-

year-old son, Eddie, and he didn't answer. She looked everywhere she could think of and then went to the neighbors. Everyone began to look for him but he could not be found. Mrs. Leake decided to return home and look once more, she found him under the bed asleep with a bar of candy. He had played quite a lot and was so tired he couldn't even eat the candy.

Why we're buying WAR BONDS

In addition to seeing that train movements essential to Victory come first—

Santa Fe employs in pay roll deductions alone are buying well over \$1,000,000 of War Bonds every month!

We know there is no better way for us to back up those who have the toughest job of all in this dirty war—those millions of men and women in our fighting forces. 10,000 of them are former Santa Fe employees.

By buying War Bonds and keeping "Loaded for War" trains rolling, we know we are helping to bring our victorious forces home quicker—and providing ourselves with savings for the days of peace to come.

No matter where you work let's all dig a little deeper and buy more War Bonds now.

Former Hereford Man Marries Florida Girl

Announcement has been made here of the marriage of Miss Doris Mildred McKinney and Lt. Goldman Taylor Brashear, son of Mr. and Mrs. George Brashear, formerly of Hereford and now of Corpus Christi. The wedding took place June 13, in Starke, Fla., where Lt. Brashear is stationed at Camp Blanding, at the home of Mr. and Mrs. S. E. Sparks on Lafayette street. Rev. A. E. Lightfoot, pastor of the Greenwood Baptist Church, Jacksonville, officiated.

Cut flowers decorated the Sparks home throughout with Shasta Galistes predominating. An improvised altar before the fireplace was formed of palms and tall baskets filled with daisies and fern.

Prior to the ceremony Mrs. A. L. Canova played "O Promise Me" Mrs. Ethel Biggs and Mrs. W. G. Proctor sang "The Sweetest Story Ever Told" and "I Love You Truly." During the ceremony Mrs. Canova played Liebestraum softly and also played the wedding marches.

The bride entered on the arm of her uncle, S. E. Sparks, wearing a powder blue street length dress with white accessories. Her orange was of white gladioli and tuberoses. Miss Seleta Sparks dressed in white crepe with corsage of pink roses acted as bridesmaid. Lt. Horace Oseder was best man.

After the wedding a reception was held for the wedding party after which the couple left on a short trip to St. Augustine.

Mrs. Brashear was reared in Archer, Fla., and graduated from the E. K. Yonge School in Gainesville. She is now a member of the senior class of Student Nurses at Orange Hospital, Orlando. She is the daughter of the late Ernest Ray McKinney and Mrs. Estye Sparks Cannard.

Lt. Brashear was commissioned in December, 1941 at Fort Benning, Ga.

Mrs. Dime Grimes and daughter have returned from a two week stay in San Antonio where they visited their daughter and sister, Mrs. Woodrow Sellars, and family. Mrs. Grimes' granddaughter, little Paddy Hyde, returned with them for a visit here.

Card of Thanks
For every expression of sympathy, for every deed of kindness and thoughtfulness in our dark hour of sorrow, we are deeply grateful.
Mrs. D. W. Hawkins and family.

Garden Club Meeting Is Held

An interesting lesson on "Ground Covers" with Mrs. C. D. Carnahan as leader, was presented at the Garden Club meeting held at the club rooms Friday afternoon. The leader discussed what to do about shady places on the lawn and about the grasses, naming plants and flowers suitable for full, light and half shade.

Mrs. E. W. Harrison discussed "Ground Covers for Exposed Places," mentioning different plants and shrubs suitable for grouping in prominent places about the lawn and premises. A demonstration of foliage was presented by Mrs. E. Ramey who showed miniature arrangements of foliage material using

different types of foliage and containers.

In preparation for the fall chrysanthemum show, Mrs. J. P. Slaton told something of the proper method of grooming chrysanthemums, mentioning the care and cultivation during the summer months.

Hostesses for the meeting were Mrs. F. G. Collier and Mrs. James R. Allison.

OKLAHOMA VISITOR IS ENTERTAINED AT LUNCHEON-PARTY

Among former residents who have been complimented recently while vacationing in and near Hereford, was Mrs. M. H. Burum of Pauls Valley, Okla., who spent last week with friends in Dawn.

Mrs. Baker Womble and Mrs. J. M. White entertained with an informal luncheon at the White home in Canyon on Wednesday last week. Red roses predominated in table decorations and clever place cards using individual themes marked places for guests.

A three course menu was served and conversation entertained the guests in the afternoon. Attending the luncheon were Mesdames Iverson Leake, August Frye, Johnnie Womble, Floyd Tomlinson, the honoree and the hostesses.

INFORMAL PARTIES COMPLIMENT GUESTS

Cool, informal parties in back yards and flower gardens mark last week's social calendar with out-of-town guests named as honorees.

Mr. and Mrs. L. H. Shore were hosts with an informal get-together complimenting former Hereford residents Saturday evening. The honorees included Mrs. O. M. Shore and her daughter, Mrs. Howard Saunders and baby of Amarillo, also Mrs. N. Scrutens who is Mrs. O. M.

THE WEST WAS REALLY WILD—"In Old Oklahoma" and this starring trio—John Wayne, Martha Scott and Albert Dekker—bring the days of wildcat oil and wilder fights to exciting life in the picture which shows next Sunday, Monday and Tuesday at the Texas.

Shore's mother, and Miss Billie Hermon of Amarillo.

Neighbors and old-time friends included in the party were Mr. and Mrs. H. D. Reed and daughter Bertella Kay, Mrs. O. G. Hill, Mrs. R. A. Daniel and baby, Mr. and Mrs. Jack Rose, Mrs. Glenn Snyder, Mrs. D. C. Laird, Jr., and the hosts.

BREAKFAST IS ENTERTAINMENT FOR WEDNESDAY CLUB

An informal breakfast was the order of the day for members and guests of the Wednesday Luncheon Club last week when Mrs. C. C. Acker entertained at her home on McKinley Ave.

Guests were seated at quartet tables where roses and day lilies were used in decorations. After the breakfast games of contract bridge were played with Mrs. Alton Fraser winning the club high-award and Mrs. J. A. Pitman playing for the guest high-award.

Those attending were Mesdames W. L. Davis, Oscar Easley, Homer Fox, Alton Fraser, J. A. Pitman, W. C. Pitman, Seth B. Holman, Miss Eloyse Pitman and the hostess.

Employment Within County Not Subject To U. S. Emp. Service

Employers in Deaf Smith County will be permitted to hire male workers without referral by the United States Employment Service under authority of the Area-Director of the War Manpower Commission and the Amarillo Area Management-Labor Committee. This constitutes a special arrangement under the Priority Referral Program of the War Manpower Commission, which goes into effect at midnight, June 30, F. A. Wells, area manpower director, said, and is subject to change if operating experience and national manpower needs dictate.

No local office of the United States Employment Service is located in Deaf Smith County, he said, and undue hardship would be imposed upon workers if they were required to make a trip to Amarillo to secure a job.

It was emphatically pointed out, however, that while these arrangements permitted a worker to seek employment within the county without having to be channeled through the employment service, that the employment stabilization regulations were still in effect and that any worker now employed or employed during the preceding 60 days in an essential industry could

not be hired except upon referral by the United States Employment Service or upon the presentation of a statement of availability. Mr. Wells also said that while workers would not be required to go through the USES when seeking a job inside the county that they should understand that no such arrangement exists in counties in which an office of the USES was located and that in those counties no employer should hire a male worker except upon referral of the USES.

One of the objectives of the Priority Referral Program is to keep essential workers on their present jobs, he continued, and he urgently requested less-essential employers to refrain from hiring essential workers, pointing out that such practice was in violation of the stabilization plan and could, if allowed to reach proportions detrimental to the war effort be a reason for

remanding the arrangement on the priority referral program in Deaf Smith County.

No restriction whatever has been placed on agricultural workers, so long as they remain in agricultural work, he said.

THIS WEEK... AT THE USO

Since the publication of last week's column, there have been two USO parties. On Thursday night Mr. and Mrs. W. E. Dunlap and Elizabeth entertained. Nine girls and 12 men reported a very good time. On Friday night the home of Mr. and Mrs. Ray Conway was the scene of a hamburger fry. Fifteen girls and 20 men enjoyed the occasion.

Don't forget the game night at the football field, Friday, June 30. Mr. and Mrs. Urlin Streu are in charge of the games, and after the games there will be group singing. It promises an entertaining evening, so plan now to attend.

Fourth of July in the Panhandle of Texas is just another harvest day but the USO plans to have a Fourth of July Dance on the night of the third

CAN YOU TELL IF YOU SUFFER FROM a Vitamin Deficiency?

You can't be sure—unless you're a doctor. But you can do the most best thing. Insure yourself from suffering such B-Complex deficiency symptoms as lack of pep, nervousness, constipation or skin disorders. Take B-VYTS which do TWO things for you. 1. By giving you the full adult minimum daily requirements of B-Complex in each tiny capsule B-VYTS PREVENT B deficiencies. 2. B-VYTS, along with your normal food, help CORRECT lack of pep, nervousness, constipation and skin disorders due to lack of B-Complex. What's more, you get a full 30 day supply of B-VYTS for only \$1.00. Think of the savings, when similar products cost as much as \$1.95. Take this thrifty 2 way step, get B-VYTS today. BETTY GRABLE IS GUEST STAR — in "Four Jills in a Jeep", the song and star-studded picture which details the real life adventures of Kay Francis (pictured above with Miss Grable) and Mitzi Mayfair, Martha Raye and Carole Landis who pioneered the fighting front circuit with top talent entertainment for soldiers. The picture is a special July 4th attraction at The Star.

as our own particular celebration. It will be held at camp, and the camp orchestra will again furnish the music. Get your tickets at the USO.

Many thanks to Mrs. Myrtle Witherspoon and all the other volunteers who took over the USO duties last week on such short notice. Mrs. Olson hopes to be back on the job the first of next week and promises that she will never have any more operations. She is very grateful for all the cards, flowers, gifts and other expressions of sympathy received from her friends and has even thought of having a party for everyone who has ever had an operation. What an "organ recital" that would be!

We have received cards from Pfc. Cress at Camp Howze and from Sgt. Nicosia in Ft. Lewis, Wash.—from Cpl. Harold Rhea at Camp Ellis, Ill. and a letter from I. Rubin, who has been transferred from Camp Robinson, Ark. to Camp Ellis. Also there was a fine letter from Cpl. Robert Karpen, now stationed in England. They all wanted to be remembered to their many friends in Hereford.

Muzzy, our USO baby, and his mother, Nancy, left Tuesday for their home in New Rochelle, N. Y. Johnny will be back when his furlough is over but Muzzy and Nancy will remain in New York. We surely are going to miss them—we enjoyed knowing them and watching Muzzy grow up. Hurry back, y'all!

Calling all cribbage players! Something is going to have to be done to Sgt. Phipps. He thinks that just because he invented the game he should win ALL the time. We have seen him beaten several times and even done it once ourselves—haven't we, Jim? Let's all gang up on Phipps.

NEWS ABOUT FOOD

from local W. F. A. Committee

The chicken canning season has started; and the following information prepared by Miss Winifred Jones, extension specialist in Food Preservation, should be helpful to Deaf Smith County housewives:

CONTAINERS: Enamel cans are best when packing chicken raw. Plain cans sometimes cause poultry meat to be a little dark. Glass jars (preferably no larger than pint size) may be used; but due to slower handling the meat canned in glass is sometimes over-cooked.

PREPARE MEAT: Clean and cut chicken for cooking. Remove bone from thigh, leg, breast and large joint of wing. The bony pieces should be used for broth and ground chicken. Chicken may be packed with bone if desired.

SALT: Put salt in container first. Use 1-2 tsp. for No. 2 cans and pints; 1-4 tsp. for No. 1 cans and half pints.

PACK: Raw meat may be packed in tightly, leaving about 1-2 inch above rim of can or jar. After steaming meat is pressed down below rim of can or jar.

STEAM BEFORE SEALING: May be done in either water bath or pressure cooker. Water should be about two inches below top of can and should not be allowed to boil so rapidly as to bubble into container. Water may be boiling hot if steaming is done in cans; but for jars, water should not be too hot to start with. Use lid to keep steam in if water bath method is used. If using pressure cooker the cans or small jars may be stacked. Fasten two opposite lugs or the ring on the cooker. Leave pet cock open. As soon as steam barely escapes, start counting time and leave pet cock open all the time while steaming. A small, steady jet of steam is better than a forceful steam, because it might cause the water to boil into cans or draw out too much liquid from meat. Time for steaming is 30 min. for No. 1 cans and half pints; 60 minutes for No. 2 cans and pints; 90 minutes for No. 3 cans and 80 minutes for quart jars.

SEAL: If cans are steamed in pressure cooker, leave cooker on the fire to keep water hot while cans are being sealed. If glass is used, remove cooker, but not necessary to cool it. Take cans out of cooker immediately and press meat down so that juices will cover pieces. If pack is too full, remove some meat or broth. There should be 1-4 inch headspace in cans and about 1-2 inch headspace in jars. Wipe off rims of containers well and seal air tight.

PROCESS: Place containers in pressure cooker (which is hot for cans but warm for jars). Fasten cooker securely and leave pet cock open until a steady stream of steam issues from pet cock or until pressure has come up 1-2 to one pound, indicating no air remains inside. Then close pet cock, process at 15 lbs. pressure, 40 minutes for No. 1 cans and half pints; 80 minutes for No. 2 cans and pints; 75 minutes for No. 3 cans and 65 minutes for quart jars.

COOL: When No. 1 or No. 2 cans are in the cooker, the pet cock can gradually be opened, letting the steam out until the dial registers zero. Open cooker and cool cans immediately. For No. 3 cans or glass jars the

He had Dewey stickers and Bricker stickers, and when the ticket was announced he just combined the two.
