Mr. and Mrs. Wm. McGehee attended Floyd County's 56th anniversary Pioneer Reunion at Floydada last week-end, and were introduced by Editor Homer Steen of Floydada as a pair of "newly-weds." Mr. McGehee is a former county judge of Floyd county.

Curtis Traweck, who has a farm 6 miles south of Hereford, was around last weekend exhibiting a stalk of Johnson grass with a genuine Irish potato growing on one of the roots. The Chamber of Commerce has pictures to prove it.

Since that story began to get around, tho, a lot of local spud growers have come through with tales of bigger and better spuds nourished on Johnson grass. How long has this been going on? If somebody would just figure out a way to make spuds grow on all Johnson grass roots, this would be the biggest potato growing country in the world. Or is it already?

Back-to-Normalcy Note: Local stores are selling (or offering to sell) genuine G. I. gas masks for the kids to play with. If we have a few more dust storms like that one Monday, everybody'll be buying them.

Hereford Invited To Join Special Train to Clovis

Citizens of Hereford have been extended an invitation to join Amarillo boosters on a special train to Clovis on Friday, June 7, to attend the Clovis Pioneer Day and Rodeo.

The invitation was extended by the Amarillo Chamber of Commerce through the Hereford Chamber.
A special train will leave Amarillo at 8 o'clock on the morning of the Pioneer Day celebration, and will arrive in Hereford at about 9 a. m. for a 30-minute stop. Hereford is the only scheduled stop for the special between Amarillo and Clovis.

The Amarillo Sandie band will play a number of selections saluting Hereford when the train stops here, and local citizens, who are interested in attending the Pioneer Day show, are invited to join the special at that time.

Cost of tickets for the round trip from Hereford to Clovis will be \$2.19. E. B. Posey, secretary of the Hereford Chamber of Commerce, is accepting reservations on the special. Tomorrow night (Friday) is the deadline for reserving tickets.

The special train will leave Clovis at 6 o'clock in the afternoon for the return trip after the rodeo.
"The City of Amarillo hopes that a number of Hereford citizens will find it possible to join the Amarillo delegation in making the trip to Clovis," Joe Sutton, of the Amarillo C of C, said in extending the invitation.

Mr. Posey said that he hopes to have a good representation from Hereford to join the special, since Clovis has been generous in the past in supporting similar activities in Hereford.

Mayor Marshalls Forces for Clean-Up Campaign

Plan Survey Of Property Valuations

At a joint meeting of the City Commission, the Board of trustees of the Hereford Independent School district, and the County Commissioners Court last Thursday night, an agreement was reached to employ a firm of valuation engineers to make a tax survey of Hereford and the school district this summer.

G. C. McKinney and Company, valuation engineers, of Fort Worth were employed to make the survey.

Purpose of the survey will be to make a thorough and scientific assessment of property values for tax purposes.

The firm employed has recently completed a similar job for the city of Lubbock, and is thoroughly experienced in this type of work, according to Mayor W. E. Dameron.

The cost for that portion of the survey inside the city limits will be split three ways, between city, county, and school district; and for the remainder of the independent school district, the cost will be borne jointly by county and district.

No agreement has been reached by the County Commissioners to have the remainder of the county included in the survey. (Continued on Page 8)

Low Water Rates Effective Now; Supply Plentiful

Reduced summer water rates go into effect on the billing for the current month, Mayor W. E. Dameron announced this week, and will continue through the summer months.

There will be an adequate supply of water this summer, the Mayor said, and local citizens are encouraged to use as much water as they may need for lawns and gardens.

The water supply last summer was extremely short, and everyone in the city was asked to conserve water supplies as much as possible, but with the new city well in service now, no water shortage is in prospect.

The summer rates on water represent a 20 percent reduction over normal rates. The minimum of \$1.50 for the first 2,000 gallons remains the same, and after that, rates are scaled downward at 19 cents for the next 3,000 gallons, 12 cents for the next 5,000 gallons, 10 cents for the next 10,000, and 9 cents for the next 10,000. All over 30,000 gallons is billed at 7 cents per thousand.

These low rates, the city believes, should permit every citizen to use ample water to beautify lawns and gardens this summer.

Postal Note New Substitute For Money Orders

Something new in the way of postal money orders at the Hereford Post Office is the Postal Note, available in any amount from one cent to ten dollars, for a five cent fee.

According to Postmaster Jim Lipscomb, the Postal Note has been available here since it was first issued last October, but there has been little demand for them here—because few people knew of their existence.

Cheaper and more convenient than the regular Postal Money Order, the Note saves 1 cent in fees on amounts up to \$2.50, 3 cents on amounts between \$2.50 and \$5.00, and 5 cents on amounts between \$5 and \$10. There are no application blanks to fill out.

The Postal Note was issued to replace the Money Order on amounts under ten dollars.

HEREFORD SENIORS HOLD GRADUATION PARTY IN JAIL

Hereford High School Seniors held an all-night graduation party at the Deaf Smith County jail last Friday night... and apparently enjoyed it hugely. At the left, with Virgil Young at the piano, and Bobby Carnahan leading the singing, the class indulges in some barbershop harmony. Principal source of interest during the evening was food, and food was plentiful (center). At the right, Deputy Sheriff and Mrs. C. S. Davis, hosts at the party, bring on re-inforcements in the form of a huge platter of sandwiches. (Photos by Alex Thompson)

Seniors Spend Graduation Night in County Jail... But It's A Party!

Thirty-two members of the Hereford High School graduating class spent the night at the county jail following their graduation exercises at the high school auditorium last Friday night.

The youngsters were not under arrest however. The occasion was a graduation party given by Deputy Sheriff and Mrs. C. S. Davis, whose daughter, Charlene, was a member of the graduating class.

An informal midnight lunch and a five o'clock breakfast highlighted the all-night frolic as the group celebrated their final get-together as a class unit.

Photographer Alec Thompson

son was along with camera and flash-gun to record the scenes for posterity. See his pictures above.

The party began immediately following graduation exercises. Attending were J. R. Euler, Virgil Young, Nolle Killston, Benny Joe Staats, Karl Hutcheson, Marie Williams, Helen Tucker, Duane Williams, J. B. Sowell, Johnny Sowell, Betty Craig, Bobby Carnahan, Ruth Moreman, Lyla Robbins, Ethel Gebanczyk, David Sowell, Pauline Loerwald, Bobbie Boyd, Lois Rettman, Jessie Ann Buckner, Joe Smith, Don Bookout, Wendell Roberson, Joan Smith, Bob Davis, Elizabeth Benson, Ralph

4-H CLUB BOYS TO MEET IN COURTROOM SATURDAY

All 4-H Club boys in the county are asked to meet Saturday afternoon at 1:30 o'clock in the county courtroom, County Agent Hugh Clearman announced today. The meeting has been called to decide what boys will go to the 4-H Club encampment this summer, and to discuss the feeding program now underway.

W. H. Russell Is Candidate For County Judge

W. H. Russell this week authorized The Brand to announce his candidacy for the office of County Judge and ex-officio county superintendent of schools, subject to the Democratic primary in July. His announcement follows:

In making this announcement as a candidate for the office of County Judge, Deaf Smith County, I feel that I can say, with all due modesty, that I know how to administer the affairs of the office; having attended the University of Texas, and being a graduate of the Law School of that institution; and have practiced law in Deaf Smith and adjoining counties for years. I was also your County Judge when the present court house was built.

I assure the voters and all the people that I will give my full attention to the office, if elected.

I have often thought it would be a refreshing innovation for a candidate to announce for office and let it rest there and not bore the public with too much solicitation; for, when it is all said and done, all I can tell you is that I want the office. I think I am qualified, will give the office my full attention and will appreciate your vote and support.

This office being a local one, all of you voters and people know who you want for judge and are thoroughly capable of making up your own minds; most of you know me, and those who do not will likely seek information, probably from other sources than the candidate in person; as the candidate would support.

Couple Injured in Wreck at Bovina Monday Night

Billie Joe Ebertine, 20, and Geraldine Niece, 17, both of Bovina, were injured last Monday night when their car crashed into a parked truck on Bovina's Main Street.

The accident occurred about 10:30 p. m., shortly after graduation exercises at Bovina High School where the Niece girl had received her diploma.

Both young people were taken to the Clovis Memorial Hospital at Clovis. Ebertine, driver of the car, suffered a possible skull fracture and had both jaw bones broken. Miss Niece was suffering from cuts and bruises. Neither was believed to be in a critical condition.

The accident occurred, according to State Highway Patrolman Bill Fowler, when the car driven by Ebertine crashed into the rear of a trailer truck which was parked in the middle of the street. Fowler said center parking was a local custom in Bovina, and since the street is a county road, the State patrol had no authority to order a change. The truck was uncoupled.

Summerfield and High School Lead Muny Softball League

Summerfield and High school teams emerged this week as the only remaining undefeated teams in the Municipal softball league, and one of them is due to drop out of the top bracket when the two teams clash tomorrow night. Each has played two games, won two.

The Firemen and VFW teams are tied for third place in the league standings, each with two games won, one lost. The Sunday School nine is securely in fifth place with one game won, one lost; and DeMolay is sixth with two losses, one win. The Lions Club and Knights of Columbus share the cellar with no victories. Lions have lost three games, KC's two.

In the past week's games, VFW dropped a 11-9 decision to Summerfield Wednesday night of last week, although the Veterans out-hit and out-fielded the winners. Balse, pitcher for Summerfield, allowing 10 hits, while Buster Bell, pitcher for the VFW, held the Summerfield battery to 7 bingles. The vets had 5 errors chalked against them to 10 marked up against the Summerfield team.

Thursday night the Firemen bowled over the KC's 19 to 4, scoring 16 hits to 10 for the Knights. Clayton pitched for the firemen, Loerwald and Fowler hurling for KC.

Saturday night Veterans defeated DeMolay 16 to 13 in a fast game. Ingman pitched the route for the Vets, allowing only five hits, while Whitaker and Simmons, hurling for the DeMolay, gave up 15 hits.

Tuesday night the Firemen ran roughshod over the Lion's Club to knock out a 18 to 8 victory. Clayton pitched for the Firemen, allowing 11 hits, and Springer held the mound for the Lions, giving up 15 hits. The Lions made 17 errors to 5 for the Firemen.

Memorial Service Held Sunday At Westway Church

WESTWAY, May 28—More than 100 persons attended Memorial services and a dinner honoring returned servicemen of this community Sunday at the church.

Baskets of flowers and potted plants were used to decorate the auditorium, with the Christian Flag and the National Flag flanking a white cross.

The servicemen marched to their places as the army, navy, and air corps songs were played. There were no marines present.

Miss Doris Goldston of Hereford read the Gettysburg Address. Marcia Robbins read poems to the Navy and Air Corps, and Bobbie Boyd read a poem dedicated to the boys who did not return.

Katherine Ridgeway sang "Taps" while wreaths were placed on the cross in memory of Leon Hartman, Bob Wolfington, Claude and Wade Goldston, and John Weaver, soldiers from this community who died in service. The servicemen present stood at salute while "Taps" was sounded.

Singing of "Onward Christian Soldiers" completed the program.

Servicemen present were Roy Landers, Vernon Wilson, Kenneth Rudd, Raymond Rudd, Junior Wilson, Rea Cox, Wayne Little, George Turrentine, Howard Gore, Mark Goldston, James Edmonson, S. J. Cook, Jack Allison, and Leland McMarney.

Many former residents of this community were present from Hereford and surrounding communities.

Half Holiday To Be Ordered On June 11th

Organization is being completed this week under the direction of Mayor W. E. Dameron and a committee appointed by the Board of Directors of the Hereford Chamber of Commerce to carry out a sweeping city-wide one-day clean-up campaign in Hereford on June 11. The plan was proposed by Mayor Dameron at a meeting of the Board of Directors of the Chamber of Commerce last Monday night, and received enthusiastic and unanimous support.

Half-Holiday, June 11
A half-holiday will be proclaimed by the Mayor on the afternoon of Tuesday, June 11, and every business establishment in the city will be asked to close its doors at that time and take active part in the drive.

A meeting of the women of the city has been called by Mayor Dameron for tomorrow afternoon (Friday) at four o'clock at the District Courtroom, and a permanent organization will be formed at that time to direct a continuing campaign of cleanliness and beautification in Hereford.

The Chamber of Commerce has appropriated a considerable sum of money to be administered by the women's organization in a manner to be decided by them, to be used in encouraging the beautification and sanitation program.

Block-by-Block Organization
Urlin Streu was appointed chairman of a Chamber of Commerce committee to organize the clean-up drive. On the committee are Harold Close, who will be in charge of mobilizing the business district, Ben Essel, in charge of publicity, and R. C. McGilvary, who will organize transportation and act as truck dispatcher. Streu will work on organization of the campaign in the residential areas through the Women's committee which will be formed Friday.

Spring Cleaning For Every City Doctor's Orders

A good old-fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state, according to Dr. Geo. W. Cox, State Health Officer, who said in Austin today, "From a practical standpoint the old adage that 'Cleanliness is next to Godliness' is still well worth emphasizing."

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include surface cleaning, drainage, the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be," said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentery, typhoid, and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases, and insure good health protection throughout the State."

Dr. Cox stressed the fact that many dangerous diseases are fly-borne, and the only possible way to control them is to eliminate the insanitary conditions responsible for their spread.

Women of Hereford Asked to Attend Meeting at Courthouse Tomorrow

How many ladies in our community want better sanitary conditions? How many ladies would really like to see Hereford clean one time—and a program set up to keep our city that way? How many of our ladies desire, not only a sanitary program as better protection to health and life, but a civic program of beautification for our home town? How many ladies want these things (and here is the test of your sincerity) badly enough to do something about them?

We will just about have the answer to all of the above questions next Friday afternoon, May 31st, at 4:00 o'clock in the District Court room, where a meeting will be held to determine that very thing—the number of interested women.

Before coming to the meeting take a look at the alley behind you, the street in front, the block you live in, your section of town, then step back and take a good look at Hereford, including the parks, by that time you will be pretty unhappy and in a state of mind to do something about these problems.

Those who are interested will be at the meeting—for we do what we want to do. This is an important matter. You will make an important decision. Do you prefer to live in a dirty unattractive town, or in a clean and attractive city?

Your choice will be made by what you do and not what you say. Use pay phones, call your church members, club members, friends and neighbors, fill your cars and come in numbers. The purpose of the meeting is worthy of our best effort, we must not do less.

—W. E. Dameron, Mayor

County Home Demonstration Council Holds Regular Meeting Saturday

The regular meeting of the Deaf Smith County Home Demonstration Club Council was held last Saturday afternoon at the county courtroom at the courthouse in Hereford.

Ten of the twelve clubs in the county were represented, and two clubs, Westway and Progressive, had perfect attendance. Bippus and Ford clubs were not represented at the meeting.

Mrs. Merlin Kaul showed the savel which was presented to the council by West Texas State College at the District Convention at Childress last month.

Three clubs, Westway, Heselmann, and Fairview, reported membership completed in the Blue Cross Hospitalization program.

Reports were heard from the

marketing and exhibit committees, and the three delegates to the district convention, Mrs. Merlin Kaul, Mrs. W. H. Rawlings, and Mrs. T. J. Parsons reported on that meeting.

The State meeting of the Texas Home Demonstration Association will be held at Amarillo August 14, 15, and 16, and three delegates from Deaf Smith County clubs will be named at the June council meeting.

North Hereford and Progressive clubs reported that they each have ready a case of food for famine relief.

According to Miss Sadie Lee Oliver, County Home Demonstration Agent, other clubs will be contributing, and all donations are to be brought to the county office in

the courthouse to be shipped at one time.

The clubs are also planning shipment of clothing to the Philippines. Mrs. A. E. Jury, whose son has been on duty with the armed forces in the Philippines, reported that he had asked for Singer sewing machine needles and thread to be given to friends there. These items are greatly in demand in the islands.

The Sims club reported a banquet held honoring husbands of members and Bippus club sold food at a farm sale to raise funds for the club treasury.

Council members present were Mrs. E. W. Shugart of Fairview; Mrs. W. A. Springer, Frio; Mrs. Tom Fields and Mrs. E. N. Jacobson of Heselmann; Mrs. F. J. Walterscheid, Mrs. Horace Hershey, Mrs. T. J. Parsons, and Mrs. V. E. Dodson of Progressive; Mrs. S. S. Williams and Mrs. Clarence Hollabaugh of South Hereford; Mrs. W. H. Rawlings, Mrs. R. A. Fullwood, and Mrs. Earl DeHart of North Hereford; Mrs. E. M. Cox and Mrs. Archie Scott of West Hereford; Mrs. Paul Rudd, Mrs. Merlin Kaul, Mrs. Manuel Hawks, and Mrs. N. D. Bartlett Jr. of Westway; Mrs. J. A. Crofford and Mrs. Orville Geoneman of Sims; and Mrs. A. E. Jury and Mrs. Florence Trawick.

Mrs. D. W. Hawkins and her son, Wm. Dean Hawkins of Anthony, N. M. and his family went to Amarillo Sunday where they visited with Mrs. Hawkins' daughter, Mrs. Barry Wheelless and a son, Donald Hawkins and their families. They were joined there by Mrs. Cosette Ross of Wichita Falls who has been visiting in the Wheelless home.

Increase YOUR POTATO YIELD THIS YEAR

By Using the PROPER INSECT and DISEASE Controls

- 1 Don't wait until Insects are here before you make application.
- 2 Use Cuprocid Dusts for increase in yield as well as protection.

- 3 Apply in large enough quantities.
- 4 Apply early and at regular intervals.

A 15% to 35% increase in yield can be obtained by the proper uses of insecticides. Leading State Experiment stations have proven this.

Streus' Diary

DEAR DIARY:

Business is good—but could be a lot better if Labor would quit pushing the Government and the People around and go to work.

However, it could be much worse—we still have lots of merchandise—just got in a dozen hedge trimmers—first come—first served. Also several other new items—the term, we believe is "too numerous to mention".

Have one very nice table model battery radio—it is a nice piece of merchandise.

Looks like the citizens of Hereford have made two mistakes—they elected a wide awake City Commission, and then hollered about how dirty Hereford had become.

So—the Mayor and Commission taking the folks literally have set a date for a Clean-up—not a half way clean-up involving half a dozen city employees to dig out what little dirt a few folks have hidden away—but a full fledged, complete, and final clean-up to

end all clean-ups—But here is the joker—the City has no available funds to employ a hundred or more men to do the job—and the payoff is that the people (who have been wanting a clean-up) will be given the opportunity to do the job. Serves them right!!!

A committee has been set up to organize the entire city into districts and blocks with leaders to be appointed right away—you and you will be expected to do a job and everyone will benefit.

We have all been doing a lot of talking—now, lets see if we will back our talk with a little work.

To the Mayor and the Commission, we say "We're with you an even hundred percent".

Guests of Mr. and Mrs. Wm. Betzen for a couple of days last week were Mike Mohr and three daughters, Mrs. Margaret Strunk, Mrs. Josephine Strunk and Miss Katherine Mohr, all of Colwich, Kansas. They were accompanied by Mr. Mohr's grandson, Johnny Strunk.

Mrs. Clem Schumacher of Sunray is visiting her daughters, Mrs. Ed Loerwald and Mrs. Gene Loerwald in Hereford.

Mr. and Mrs. E. B. Posey, E. B. Posey, Jr., Mrs. Pink H. Gilliland, Mrs. Reber Howton, Miss Margaret Barrett, and Mrs. A. L. Majest went to Canyon Sunday to attend a cantata presented by the Choral Club and Orchestra at West Texas State College. Four Hereford students are members of the College orchestra. They are Mary Ruth Russell, Ellen Posey, Gerald Smith, and Carl Hennington. Herman Ford and sons made a trip to Plainview Monday to visit his parents.

David Neal Beavers, son of Mr. and Mrs. Hall Beavers, is home from the Navy.

Summerfield

BY MRS. GUY WALSER

Sunday school and church had 82 persons present last Sunday morning. Corsages were presented to the Summerfield graduates present Sunday morning. Virginia Lookingbill, Bonnie Larick, Wendell Roberson, and Weldon Stephan were the seniors present, and Joan Walsler and Gayle Roberson were graduates from elementary school. Three new classes were or-

ganized in the Sunday school. The Junior and Intermediate and Homemakers Classes were divided.

Most of the farmers who lost wheat in the hail storm last week are plowing up their fields. Some men are planning to put in black-eye peas for the canning plant that is being built in Hereford.

Woman's Missionary Society met at the church last Tuesday afternoon with the Bible Quiz program.

School dismissed last Wednesday for the summer. A picnic was enjoyed by the pupils at the creek at Hereford. Mrs. Tandy Legg and Mrs. Fritz Christman, the teachers, and Mrs. O. B. Sumner, Mrs. J. B. Noland, Mrs. Lee Curry, Mrs. Charlie Noland, Mrs. L. H. Lookingbill, Mrs. L. B. Lookingbill, Mrs. Jim Clark, Mrs. Elbert DeLozier, Mrs. Guy Walsler, Mrs. B. E. Roberson, Mrs. D. C. Walsler, and Rev. and Mrs. Ralph McLean planned and served the picnic lunch. The pu-

pils froze four and a half gallons of ice cream. Pupils returned to school Friday to receive their report cards.

Miss Dorothy Councilman of Amarillo spent the week end with her parents, Mr. and Mrs. Councilman.

Mrs. L. B. Lookingbill, Jimmy, Freddy, and Ana went to Clovis Friday after her brother, Jim Noland, who was a brakeman on the railroad and when the strike was called, was left at Clovis. His home is in Amarillo.

Carl Lee was taken to the Hereford hospital Monday.

Lynn Powelson is putting down a new irrigation well.

Mr. Henry Clark and Jowell and Roland Clark left last week for Arkansas where they will make their home.

Mr. and Mrs. B. E. Roberson and Wendell and Gayle and Mrs. Charlie Noland were Amarillo visitors Monday.

Mr. and Mrs. L. H. Lookingbill have received word that their son, L. H. Jr., is in Hon-

olulu and expects to be home soon.

Mr. and Mrs. Carl Benzer and daughters of Friona were Sunday guests in the home of Mr. and Mrs. L. L. Cannon.

Former Resident Passes Away Word has been received here of the death of Anell Shinn, former resident of Hereford, who died on a vacation trip back to Texas from Charleston, West Virginia where he had made his home for the past few years.

Mr. and Mrs. Shinn stopped at Houston May 5 when he became

ill, enroute to Rockport where they intended to spend their vacation fishing. He died at a hotel before a physician could be summoned. He was buried in Charleston, May 10.

Mr. and Mrs. Shinn came to Hereford from Berger, moving to their new farm home six miles northwest of the city. In 1940 they moved to Corpus Christi for his health and later went to West Virginia.

After moving to West Virginia they sold their home here to Mr. and Mrs. William Betzen.

Africa, who is a guest of Mrs. J. F. Ward.

Miss Forman told of the inspiration gained when she was in Mrs. Ward's Sunday School class at Dumas and of the encouragement Mrs. Ward has given her through the years. She told of her work in Africa, how the people live, their fight to combat malaria and other sicknesses and gave humorous accounts of her own way of traveling about—which is on bicycle.

The missionary who has devoted her life to the work since 1913 is now a leper nurse. She will be in the states about six months before returning to Africa.

John Garfield and Lana Turner dream of a happy future together in this scene from "The Postman Always Rings Twice", showing at the Star Sunday, Monday and Tuesday matinee.

Oliver was in charge of the demonstration for the afternoon. Refreshments were served to Mesdames Elmer Cook, Edd Thomas, Jack Johnson, Glenn Hetzler, Orville Gronerman, Homer Brooks, J. A. Farm Home Near Friona Destroyed By Fire Sunday

The farm home of J. W. Beattie, two and a half miles north of Friona, was destroyed by fire Sunday afternoon.

The house and all furnishings were completely destroyed. The Friona Fire Department made the run to the scene, but the fire was out of control and the house nearly destroyed by the time the firemen arrived.

Mrs. Beattie was cooking on an oil or gas stove when the fuel tank ran dry, and in pouring more fuel into the tank, the vapor ignited and the fire spread so rapidly that she had just time to get herself and the children out of the house.

Mr. Beattie was not at home at the time, and one of the small girls ran to the home of a neighbor a quarter of a mile

away for help. Mrs. Beattie's hair was singed but none of the family was injured. The people of Friona went to the aid of the family with clothing, food and other needed articles.

Mayor Marshalls

(Continued from page 1)
A block-by-block organization will be formed throughout the city. Under the direction of Harold Close, the business district will be divided into four sections, with a leader appointed for each, and in each section, three block leaders will be named. The same plan will be carried out through the residential section. It will be the duty of sec-

tion leaders to survey their districts before the day set for the campaign, determine how much waste material is to be moved and how many trucks will be required to handle it.

Trucks Are Needed
All available trucks and pickups will be marshalled under McGilvary's direction, and on the afternoon set for the drive, he will act as dispatcher sending transportation where it is needed and when it is needed.

"With this organization functioning properly, we should be able to clean up the entire city in half a day's time," Chairman Streu said.

If there is too much trash to be hauled away on one afternoon, Mayor Dameron promised, the city's trucks will operate during the following day clearing away whatever is left.

All individuals who will have trucks or pickups available for use on the afternoon of the 14th are requested to report as soon as possible to Secretary E. B. Posey at the Chamber of Commerce office, advising the type of truck, when it will be available and for how long, and whether or not a driver is required.

Sanitation Major Object
"The two immediate objectives of this drive are Sanitation and Civic Improvement," Mayor Dameron said. "Once the city is thoroughly cleaned up, we will make every effort to keep it that way."

The Mayor hopes to form a permanent civic organization among the women at the meeting tomorrow to carry out the civic beautification program over an extended period.

Spring Cleaning Needed
This program is in line with an appeal made by Dr. George W. Cox, state health officer, to all cities of the state to clean-up in order to halt the spread of epidemic disease now sweeping Texas.

"A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state," Cox said.

And a good old-fashioned spring cleaning is what the civic committee promises for Hereford in the June 11 clean-up.

much of the property in the city and school district have not been changed since the depression years of the mid-thirties, when valuations on all property were lowered.

Mayor Dameron estimates that present valuations in the city are based on approximately 25 percent of actual value. The valuation engineers will try to arrive at property values based on 1941 values, he said, and not at the current inflated levels.

When the survey is completed, the local tax agencies will be able to determine what percent of the valuation is to be used for tax purposes. Taxes will probably be based on 60 percent to 65 percent of actual property value.

"The firm employed is highly recommended by both school and city authorities in Lubbock," Mayor Dameron said.

Three men will be assigned to the job in Hereford. One will set the values on land; another on improvements and buildings; and a third is a specialist on utilities and industry.

They will make a thorough survey and try to arrive at fair and equal valuations on all property.

"We feel that the taxing program should be as nearly uniform and equal as it is possible to make it," Dameron said.

The necessity for increasing property valuations in the city was brought sharply to the attention of the city commission recently when it was discovered that the city could not float a \$50,000 Parks Improvement Bond issue, which was voted in April,

year's tax program. Purpose of the survey is to enable county, city, and school district tax assessors to equalize property valuations and bring them more nearly in line with current values. Valuations on

to think twice before building a swimming pool. "We need a new and larger school," says Betty Jane. "The old one is tumbling down. So think maybe the third time before building a swimming pool." Betty Jane is absolutely right about the school, but a little confused about government (and who isn't these days?) The old schoolhouse isn't exactly tumbling down, but it's certainly bulging at the seams, and we understand that the school district intends to build a new one as soon as something is available to build it with. But don't confuse the school district and the city, Betty Jane. They are two different governments, and the City Government doesn't build schools. Building a swimming pool won't have any effect at all on when Hereford may get a new school building. But the town needs both.

Frank Veters has lost his chair, and is considerably disturbed about the whole thing. It has his brand, FV, on it, so please, somebody, take it back.

The County Home Demonstration clubs thought that a lot of people might be interested to know that, if they want to contribute food for famine relief, they can bring those contributions to Miss Oliver's office in the courthouse, where a shipment is being prepared. This isn't limited just to Home Demonstration clubs, Miss Oliver advises us. Anybody who wants to can contribute canned food. A lot of people are starving in Europe these days, and every little bit will help.

Jack Kirksey, Newt and Marlin Gilliland, and D. C. Kinsey spent last weekend fishing at Eagle Nest, New Mexico, and report that the fish were really biting. Didn't bring in the evidence, tho. It'll take an X-ray to prove it.
