FIRST COME — FIRST SERVED — FIRST NYLONS

Scenes above are of the opening day crowds at the C. R. Anthony store here last Friday. Men and women joined the rush (lower left) in about equal numbers; and Margie Carthel (right) stops in the shoe department to don her Nylons after a successful run on the hosiery counter.

Whitetails Meet Whitedeer In First Home Game Here Friday

Whitetail Field will be the scene of the first home grid battle of the season Friday night when the Hereford Herd meets the Whitedeer Bucks in a non-conference game. Both teams will be employing the T-formation. The Whitefaces will be seeking their first victory over the Bucks since Coach Stanton has been in charge of the team; and the Coach is by no means overconfident of the outcome. The Bucks came from behind last week to smash the McLean Tigers, a fact which is of little comfort to fans who remember that the Panhandle Panthers were fresh from a victory over McLean when they (Continued on Page 8)

Cafe Robbed Again; Hungry Burglar Makes Sandwich, Rifles Juke Box

The Elite Cafe was robbed for the second time in little more than a week Sunday night. The thief, who had an appetite as well as a taste for music, stopped on his way through the kitchen to eat a ham and cheese sandwich and drink a bottle of milk before rifling the nickelodeon of an estimated \$20, officers report. The cafe was entered through a ventilator shaft in the rear of the building. One blade was broken from the large exhaust fan, leaving a space large enough for a fairly large man to crawl through. Jay Johnson, owner of the cafe, had been slugged and robbed a week before, on Saturday night, by two men who were believed to have followed him into the cafe when he returned, after closing hour, to look for his dog. Johnson reported the loss of more than \$300 in cash on this occasion. No arrests have been made in either case.

American Legion Auxiliary Installs New Officers at Banquet Thursday

Outgoing and incoming officers of the Auxiliary to the American Legion were entertained at a banquet given at the American Legion Hall Thursday night. Mrs. Henry Cusick, district president from Amarillo, acted as installing officer and Mrs. J. M. Johnson of Amarillo served as sergeant at arms. Mrs. Gladys Graham, outgoing president was presented with a pin and Mrs. C. D. Kelton, outgoing secretary-treasurer was presented with a gift.

Pullman Car Reserved for Fair Trippers

A Pullman car has been reserved by the Hereford Chamber of Commerce to transport a Hereford delegation to Dallas for the opening of the Texas State Fair a week from Saturday, Wayne Evans, president, announced yesterday. Arrangements have been made to reserve up to four Pullmans for the trip if they are required, Evans said. Local boosters who plan to make the trip should make reservations as soon as possible by phoning Wayne Evans at 51.

The special car, or cars, will leave Amarillo at 12:21 a. m. on the morning of October 5, and will arrive in Dallas at 8 a. m. The cars will be available in Dallas on the night of the 5th and again on the night of the 6th, making hotel reservations unnecessary. The train will leave Dallas at 9:15 p. m. Sunday night, arriving in Amarillo early Monday morning.

Twenty-seven trippers can be accommodated in one Pullman, Evans said, and up to four cars will be available if a sufficient number of people want to make the trip. One car has already been reserved, and others will be obtained if needed, but reservations should be made at once. An effort is being made by the Chamber of Commerce to have a large Hereford delegation present for opening day.

A number of local people, specialists in various phases of Deaf Smith county agriculture and industry, are expected to attend the Fair and assist in presenting an educational program on Hereford and Deaf Smith County through the Deaf Smith exhibit at the Agriculture building. J. B. Elliston and Sank Ramey are in charge of the exhibit. Others who are expected to be present during the two-weeks fair were D. L. McDonald, specialist on water; Fred Barrett and Howard Gault, potatoes; John Paetzold, carrots; Dan Finlan, vegetables and onions; Homer Brumley, meat and feeding; Dr. G. W. Heard, and Dr. Edward Taylor of Austin, foods and health; Miss Sadie Lee Oliver, county home demonstration agent; Hugh Clearman, county agriculture agent; Alton Fraser, F. A. Gyles and J. A. Pittman, wheat, flour, and cereals; Wayne Evans, president of the Hereford Chamber of Commerce; and W. E. Dameron, Mayor of Hereford and cattle breeder.

Permission has been granted the Hereford Lions and Rotary Clubs to re-model Firemen's Hall in the City Hall for use in serving the weekly luncheons for each club. Action of the City Commission in approving the application of the two clubs was granted prior to approval by both the American Legion and the Hereford Fire Department, who have used the hall jointly. These two organizations will continue to have the use of the hall for their own affairs. Lions and Rotary Clubs, acting jointly in the matter, have secured approval from the city of plans to install kitchen facilities in the hall, and to construct a service entrance at the rear, so that meals can be served there. Both service clubs have been faced with the necessity of finding a meeting place. Lions Club has been meeting at the First Christian Church, and the Rotary Club has used the basement of the First Methodist Church.

Lions and Rotary Clubs Will Meet At City Hall

Wayne Evans chairman of the Lions Club committee, and Henry Sears of the Rotary, said yesterday that the necessary work on the hall will be done as rapidly as possible, and predicted that the clubs might be able to use the new dining hall within a couple of weeks.

Mrs. Ben B. Herbert of Beaumont is visiting her sisters, Mrs. Seth B. Holman and Mrs. H. C. Baird.

Dallas Pastor Will Conduct Baptist Revival Services

Rev. Odell Jameson, pastor of the Forest Avenue Baptist Church in Dallas, will open a revival meeting at the First Baptist Church in Hereford on Wednesday, October 9.

The fall revival was announced this week by Rev. R. H. Cagle, pastor of the local church. The meeting will continue through October 20, Rev. Cagle said.

Services will be held twice daily, at 10:30 a. m. and 8 p. m., on week-days, and at the regular hours on Sunday. In addition, one or more early morning services may be scheduled.

Rev. Jameson has been pastor of Churches at Houston and Austin prior to going to Dallas, and is especially noted for his work with young people, according to Rev. Cagle.

Sermon subjects for the revival were announced from Dallas by Rev. Jameson this week. Topic for the opening sermon, on Wednesday evening, October 9, will be "Answering the Call."

Other subjects scheduled during the revival include "The Second Coming of Christ," "Fourth Down and One to Go," "The New Birth: What It Means," and "God's Preparation for Man's Salvation."

Hereford Chapter of Reserve Officers Association Formed

The Hereford Chapter of the Reserve Officers Association was organized and activated at a meeting of reservists at the county courtroom in Hereford Tuesday night.

O. P. (Pete) Cowart was elected president of the chapter; Earl Stagner vice-president; and Ben R. Ezzell, secretary-treasurer. Twelve reserve officers, representing Hereford, Summerfield, and Friona, were present at the meeting.

A charter for the Hereford Chapter was issued two weeks ago by the National Reserve Officers Association after an application, signed by ten officers, had been filed.

Purpose of the organization will be to keep local reservists informed regarding new legislation affecting the reserve corps, and various phases of the reserve training program which may be set up.

Membership in the chapter is open to all U. S. Army Reserve officers in the area including Hereford, Vega, Friona, Bovina, and Dimmitt.

Traweck Reports on Results Of Washington Spud Parley

EDITOR'S NOTE: The following article was written for The Brand by Curtis Traweck, who represented Deaf Smith county potato growers at the Department of Agriculture Conference in Washington last week.

BY CURTIS TRAWECK

On the eighteenth and nineteenth of September, a committee of the American Farm Bureau Federation was invited to meet with representatives of the United States Agriculture Department for discussions on the Department's proposed acreage allotments for potato production in 1947. Delegates from thirteen states were present, representing the majority of states growing early potatoes. It was felt that these particular states should be heard first as the greatest acreage reduction will be among states producing early potatoes.

As explained by St. Smith, Director, Fruit and Vegetable Branch of the USDA, the department's goal for 1947 potato acreage is 2,631,000 acres compared with a 1946 acreage of 2,788,000. This proposed goal for 1947 represents a total reduction of 155,000 acres, and includes 101,000 acres reduction in the early potato states.

The proposed acreage reduction, according to Al Mercker, Acting Chief, Potato Division, will follow the same formula as the USDA formula for arriving at state quotas. It will be determined by the counties what provisions will be made for new growers.

The Department of Agriculture was very careful to point out that the proposals for the 1947 acreage reductions would be completely voluntary so far (Continued on Page 8)

Additions To Faculty Will Be Necessary

Plans were announced yesterday by Supt. George Graham and President of the Board of Trustees, Leo Forrest, to utilize two buildings from the Hereford Prisoner of War Camp to establish a Junior High School as a part of the Hereford public school system.

Release of the two buildings, for which the schools had made application months ago, was received from Washington this week; and permission has been granted to move them from the POW camp site.

The two buildings, each measuring 150 by 26 feet, will be divided into nine classrooms, according to tentative plans, and will be used to house the sixth, seventh, and probably eighth grades, relieving the overcrowding both in Central School and the High School buildings.

Select Site At a meeting of the board of trustees last night, the decision was made to locate the new Junior High on the grounds north of the High School building. Construction is slated to get underway within a few days.

School officials had originally negotiated for a more central location for the new department, and had hoped to secure temporary use of the triangle of land at the east end of Lake Park.

City officials had agreed to allow the schools the use of the land on a temporary basis, but discovered that the American Legion had a prior claim to the site.

While no title to the property had ever been given to the Legion, the City Administration many years ago had made a verbal agreement to turn the property over to the Legion as the site for a Veterans Home, and the agreement had been confirmed by two subsequent city commissioners, records show.

A meeting of Legionnaires was called yesterday afternoon at Coddell Motor Company to hear a plea by Supt. Graham for the Legion to relinquish their claims to the school on a temporary basis. Legion officers, however, said that no binding decision could be made until the regular meeting of the Legion is held next Tuesday, and Legionnaires present at the called session yesterday were generally lukewarm to the proposal.

Faced with the necessity of an immediate decision, the School Board, meeting last night, decided to place the buildings on school property north of the high school. This site had originally been opposed by the school for the reasons that it (Continued on Back Page)

Last Rites For Jerry Keenan Held Wednesday

Funeral services for Hamilton Farlow (Jerry) Keenan, 72, were conducted Wednesday afternoon at 2:30 o'clock at the First Baptist Church. Rev. R. H. Cagle, pastor, was in charge of the rites, assisted by Sam Allen, who directed the music.

Interment was at West Park Cemetery, with local members of the Odd Fellows and Masonic Lodges conducting joint services at the graveside. Members of the Rebekah Lodge were flower bearers at the service.

Mr. Keenan died at the Community Hospital in Culver City, California, on September 22. He had gone to California a short time before to visit a niece, Mrs. Margaret Kennedy, at Los Angeles.

He had been an employee of Deaf Smith County for the past 18 years. He was born at Clarinda, Iowa, on April 2, 1874. A bachelor, he is survived only by two sisters, Viola Gorham of South Dakota, and Minnie Cluge of Washington state, and several nieces.

Mrs. Kennedy accompanied the body to Hereford to attend the funeral services here. Mr. Keenan was a member of the First Baptist Church, and of both the Masonic Lodge and the Y. O. F.

COMMUNITY BUILDERS: Mr. and Mrs. J. L. Lookingbill

Former Summerfield Couple Hold Golden Wedding Anniversary Open House Here Sunday Afternoon

Honoring Mr. and Mrs. J. L. Lookingbill on their golden wedding anniversary, their daughters and daughters-in-law entertained informally at an open house held Sunday afternoon in the home of the honored couple.

Mr. and Mrs. Lookingbill were married one Sunday morning on September 20, 1896 at ten o'clock in the home of her parents by a Primitive Baptist preacher, and then went to church to hear the same preacher deliver a sermon. After church a dinner and reception was held for relatives and it was the next day before they took their wedding trip which consisted of a buggy ride in the pouring rain to a little log cabin where they were to live on a farm near Paradise, Texas, home-town of her parents.

In recalling the events of that long-ago time, Mrs. Lookingbill said with an easy, slow smile, "It wasn't any thing like the way young folks do today but we were very happy. I saw right away that we had a lot of work to do—the house was run down, the fences were gone and I was always pretty cranky about a clean yard. We had it looking like a home pretty soon and it was there our twin sons Loyd and Loys were born. I learned to cook in the little lean-to kitchen and all the furniture we had was two wooden beds, 1 trunk, 4 chairs, 1 table and a cook stove. I had all my belongings in a quilt box."

They moved to another farm the next year and moved to Memphis in 1907. In 1917 they moved to another farm in Floyd County and later bought a farm near Tulla, but lived in town. That was an unsatisfactory arrangement for Mr. and Mrs. Lookingbill thought the children should be on a farm. In the fall of 1920 they came to Summerfield and as Mrs. Lookingbill remarked "We'd had enough moving by that time and we wanted to stay there the rest of our lives, but after the children were gone we couldn't do the farm work so we made up our minds to like living in town—and we do like it here in Hereford." They moved here in 1944.

Mr. Lookingbill who is 75 is a native Texan. She is 71, and was born in Athens Tennessee.

They have been in good health all their lives and still maintain their home, raise a garden and can the surplus, and raise a good many chickens. She said her hobby might be flowers for she had always been a "flower-crank" but Mr. Lookingbill shook his head, when asked if he had a hobby, and said he left his hobbies behind when he moved from the farm.

They are proud of their eight children, all of whom are living, "but they are not quite so old-fashioned as we" she said, and then they both smiled when she shyly confessed to using face-powder, a thing she would never have dared to do before she was married.

The children include Loyd and Loys of Summerfield, Mrs. Effie Crow, Tulla, Cecil L. of Amarillo, Frank and Harry of Hereford, Alton of Twin Falls, Idaho, and a daughter, Miss Ruth Lookingbill, who with her brother Herry, makes her home with her parents. They have 16 grandchildren.

ment table was centered with an arrangement of yellow dahlias and tall yellow tapers encircled with matrimony vine blossoms. The three tiered wedding cake was decorated with tiny yellow rosebuds and white wedding bells. Written across the cake in gold icing were the words "Fiftieth Anniversary." Mrs. H. Lookingbill Jr. and Mrs. John Winkler poured punch and Mrs. Ray Johnson served the cake.

All of the children attended the celebration except one son, Alton of Twin Falls, Idaho, and approximately 85 guests called to extend congratulations to the honored couple between the calling hours of 3 to 6.

Out-of-town guests attending were Lon Kelly of Paradise, Mr. and Mrs. Cecil Lookingbill and son of Amarillo, Mrs. Homer Crow and Mr. and Mrs. Carroll Kreig of Tulla.

Dr. and Mrs. L. B. Woods and son of Lubbock were visitors here in the home of his brother, Dr. John E. Woods, at 605 W. 3rd street, over the week-end.

Study Club Has First Meeting At Summerfield

SUMMERFIELD, Sept. 24.—The Summerfield Study club held its first meeting of the year at the home of Mrs. Charlie Noland on Thursday, September 19.

Yearbooks were distributed, and explained, by Mrs. Britt Clark. On the year book committee were Mrs. Clark, chairman; Mrs. Charlie Noland, and Mrs. Kenneth Nellie.

The course of study for the year is "The Atomic Year." Books to be reviewed include "Burma Surgeon Returns," "The Peacock Sheds His Tail," "State of the Union," "Maverick Town," "Peace of Mind," "No Time for Tears," and "Skinny Angel."

Mrs. Earl Lance Sr. and Mrs. Earl Lance Jr. and Mrs. J. E. Larrick were welcomed as new members.

After the business meeting, Rev. Ralph McLean made a talk. Special social events for the year include family evenings, a Christmas Party, annual Easter Egg Hunt, Guest Day, and the closing luncheon.

Refreshments were served to Mesdames L. L. Cannon, Ray Johnson, Earl Lance Sr., Earl Lance Jr., J. E. Larrick, L. H. Lookingbill, J. B. Noland, Mack Noland, Lynn Powelson, B. E. Roberson, Guy Walsler, D. C. Walsler, Britt Clark, and the hostess, and Rev. and Mrs. McLean.

L'Allegro Club Studies "The Home"

The first regular study program of the fall season for the L'Allegro Club was presented at a meeting held Thursday afternoon in the home of Mrs. Elvin Wilson. Mrs. Grady Wilson Jr. was cohostess.

The program which was the first of three to be presented on "Decoration of the Home" consisted of two parts. Mrs. James Edmonson discussed "Furnishings" mentioning both period and modern furniture in relation to style and type of home. Mrs. Marlin Pierce gave descriptions of "Arrangements" discussing balance and line in the arranging of different types of furniture.

The next program will deal

Those attending were Mesdames; Jack Brown, Bartley Dowell, James Edmonson, Paul Foster, Gerald Gollehon, P. E. Hagans, Wayne Little, Otho Noland, Marlin Pierce, W. B. Wieman, and the hostesses.

Hereford Lutheran Church Will Hear New Minister

Rev. E. W. Lichtsinn, new pastor of the Immanuel Lutheran Church in Hereford and Friona, will conduct his first regular services here Sunday morning.

Sunday school will begin at 10:15 a. m., and divine worship services will be held, starting at 11 o'clock. Subject of the initial sermon will be "We Preach Christ Crucified!"

Rev. Lichtsinn was ordained and installed as new pastor of the Hereford Church, and the church at Friona last Sunday.

Pioneer Club Studies Civic Problems

Pioneer Study Club opened study programs of the year with two topics dealing with their course of study on "Patterns."

The meeting was held Tuesday afternoon at the home of Mrs. A. G. Bell with Mrs. Fred Barrett as assistant hostess.

Mrs. Homer Brunley was guest speaker and was introduced by Mrs. Bob Higgins. Using the theme "New Civic Patterns for Hereford" the speaker who is president of the newly organized civic organization, dealt mainly with sanitation and beautification mentioning parks, schools and recreation facilities as starting points in the program now being worked out for Hereford.

Mrs. F. M. Kester spoke on "Food Relief" using questions and answers brought out by La Guardia in his recent work with UNRA.

Round table discussions were conducted after both topics were discussed.

The next meeting of the club will be held with Mrs. A. L. Manjeot on Oct. 8 and "Medicine" will be the program theme.

Those present were Mesdames; Burl France, N.E. Gass, J. M. Gilliland, P. H. Gilliland, Bob Higgins, H. A. Close, O. G. Hill, E. S. Ireland, Ray Johnson, F. M. Kester, A. L. Manjeot, Wirt Phillips, B. E. Roberson, O. M. Dickie, Noah Ewton, T.E. Seigler Sr. and the hostesses.

Announcement is being made of the marriage of Ana Beth Carter and Barney Cardwell on September 6 at the home of Rev. and Mrs. M. M. Beavers with Rev. Beavers performing the marriage ceremony.

Mrs. Cardwell is the daughter of Mr. and Mrs. A. R. Carter and attended Hereford High School.

Mr. Cardwell is a graduate of Seymour High School and is the son of Mr. and Mrs. D. R. Cardwell of Seymour. He was a petty officer in the Navy and served three years overseas. He received his discharge in December 45.

The couple will make their home in Canyon where they will both be students at West Texas State College.

Mr. and Mrs. Lee Hopson and Mr. and Mrs. V. C. Hopson were weekend vacationers in Springer, New Mexico.

"The Negro" Is Subject For Lone Star Club

"The Negro" and his achievements in science and literature provided subject topics for the Lone Star Study Club program at a meeting held Tuesday afternoon in the home of Mrs. R. G. Blue. Mrs. Coy Phillips was assistant hostess.

Mrs. Buren Sowell told of Negro scientists and educators mentioning George Washington Carver and others.

Mrs. Homer Henslee gave interesting accounts of Negro writers and entertainers.

Members of the club attending the meeting were Mesdames; Lyle Blanton, O.L. Click, Roger Corbett, W. S. Flutt, Leo Forrest, Homer Henslee, Jim Higgins, Berry Jacobsen, John Jacobsen Jr., Joe Kendall, Nelson McRight, G. W. Newsom, Earl Phillips, Buren Sowell, Robert Thompson, Ed Warren, Forrest Minton, Tom Major, and the hostesses.

Mrs. C. L. Johnson of Hedley has been a guest in the home of Mr. and Mrs. P. L. Dishman. Mrs. Johnson and Mrs. Dishman spent the past weekend in Lubbock with their sons, Billy Clifford Johnson and Paul Dishman, both students at Texas Technological College.

Gift Party Given For Newly-Weds

To compliment Mr. and Mrs. Gwen Owen, recently wedded couple, Mesdames A. O. Thompson, E. W. Young, D. C. Kinsey, H. G. Conkwright, F. A. Tucker, Jack Roberson and Louie LeGrand hosted a gift party at the Baptist Church Tuesday evening.

Gifts were presented in the form of a wishing well with the honorees visiting the well to find a bucket of treasures waiting to be drawn to view.

The refreshment table was in green and white and pink with pink and white dahlias form-

ing the centerpiece. Mrs. H. G. Conkwright presided at the silver coffee service.

An informal program was presented. Louise Young and Betty Katherine sang a duet with Joan Jett accompanying; Sam Allen entertained with vocal selections with Mrs. Allen accompanying and Cecelia Guseman gave a musical reading with piano accompaniment by Barbara Burney.

Those attending were Messrs. and Mesdames; Sam Allen, Owen Stagner, Jack Kirksey, G. P. Owen, Gerald Wilson and baby, A. O. Thompson. Mesdames; Lora Long, R. H. Cagle, W. C. Fowler, Velma Hodges, J. B. Harlin, J. R. Allison, Allen Powelson, Walter Easter, Harry

Lomas, Malcolm Cassels, Lloyd Crume, George L. LeGrand, Misses; Cecelia Guseman, Barbara Burney, Louise Young, Betty Katherine Hodges, Joan Jett, Frances Young, Lilly London, Juanita Kelley.

ATTENDS SCHOOL
Daniel Russell has enrolled at San Diego State College in San Diego, California and will study pre law. He is the son of Mr. and Mrs. W. H. Russell.

Mr. and Mrs. W. J. Smith went to Roswell, N. M. the past weekend to visit their daughter, Mrs. Howard Turner and family. Mrs. Turner and baby returned to Hereford with her parents for a week's visit.

Daily Rodeo To Be Feature Of State Fair

A rip-snortin' rodeo reminiscent of the hard-riding, bronco-busting days when the Texas cowboy was unchallenged king of the range will recreate one of the most colorful chapters of Southwestern history for those who visit the State Fair of Texas from October 5 to 20. This fact was assured when W. H. Hitzelberger, executive vice president and general manager of the Fair association, announced that Pat Hamilton and his famous Hell's Half Acre contingent have been signed as a featured Fair attraction, to present two action-packed rodeos a day on the Fair grounds. All of the robust stunts the early, untamed West will be re-staged in this fast-moving show, presenting in a modern setting such a holiday celebration as might have been enjoyed a half century ago by the pioneers of the new frontier, Mr. Hitzelberger said. Among the outstanding attractions to be held are wild bronco riding, both with saddle and on bareback; calf roping, wild mare milking, steer riding, clown's performances, bull fighting and other special rodeo acts. Prize money to winners of these various events will total close to \$16,000, rodeo officials have announced. A Grand Champion Cowboy of the rodeo will be crowned and will be presented a silver-mounted saddle as a token of his supremacy. To be eligible for the title, cowhands must compete in at least three events, which must include one roping and one riding contest. The award will be on point system, high man over the duration of the rodeo to be crowned.

champion. Special attractions planned for the exhibition of wild west events include a tee-pee village of full-blooded Cherokee Indians and a herd of buffalo. Arrangements have been made to house all contestants on the Fair grounds and stalls are available for competitor's horses. Signing of the Fargo, Oklahoma outfit to stage the wild west show gives the State Fair a well-rounded program with events to please every taste, declared Mr. Hitzelberger.

The Hell's Half Acre outfit is made up of cowpunchers who ride for the love of thrills and danger, full-blooded Indians, untamed broncos, wild steers and other performers who might have stepped right out of the pages of a gripping Western novel.

Lubbock Veterans Office Is Snowed Under by GI Requests, Says Sisson

The great number of West Texas veterans who are taking advantage of the G. I. Bill and other benefits offered by the Veterans administration, has overwhelmed the VA regional office at Lubbock, Robert W. Sisson, regional manager said today.

"With our present personnel ceilings, we are doing our very best, by working a 48 hour week and overtime nights, to render service to the veterans of our 81 county area.

"Our regional office receives on an average of 5,000 pieces of correspondence daily. There are 58,000 veterans' case files on record here.

"Approximately 15,000 new case folders have been added to our records in the last three months," Sisson explained.

"We are not offering excuses, we do not believe in excuses, but by way of explanation, we want the veterans who have recently enrolled in college and on-the-job training to know the reasons for the delay in their VA subsistence checks.

There are 3,019 reasons at present to be exact. Of this, 1,908 applications for training are pending issuance of a certificate of eligibility and entitlement, and 2, 111 are pending return of this signed certificate and further certification to the finance officer for payment.

I want to emphasize that these figures do not include the avalanche of requests for subsistence payments which we expect to receive as soon as the colleges and schools have processed the veterans enrollment for the Fall term.

"Vocational Rehabilitation and Education division has received more than 18,000 applications for training in the last three months, of these 4,200 have been entered in training. It is expected that the total number of applications will reach 30,000 by December 1.

There are 916 businesses, shops, etc awaiting survey, and subsequent approval by the State Approving Committee, to conduct on-the-job training. With the seven facility survey officers allocated to this region, we are getting the job done just as fast as it is humanly possible.

For the month of August our finance division had on its payroll 14,499 veterans receiving disability compensation in the total amount of \$640,160; while 8,443 veterans were receiving \$882,240 as subsistence for schooling or on-the-job-training.

We are diligently working at the job, and striving at all times to render the best service, fairly and equally to all," Sisson concluded.

M-Sgt. Hutcheson Now in Korea

SEOUL, KOREA, Aug. 30—Master Sgt. Radford R. Hutcheson, of Clovis, New Mexico, now on duty with Military Government in Korea, is assigned as chief clerk in the Bureau of Production, Department of Agriculture.

A graduate of Hereford High School in Texas, Sgt. Hutcheson entered the Army in November 1944 and trained at the Field Artillery Replacement Training Center, Ft. Sill, Oklahoma. He left the States the following April and served with the 40th Division Artillery in the Philippines. It was while serving in Hq. Battery in the outfit that he was awarded the Army Commendation Ribbon, the non-combat equivalent of the Bronze Star.

The award, presented by Brigadier General D. J. Myers, was made for the exemplary performance of duties entrusted to him as operations Sergeant of his headquarters. Hutcheson's capabilities are shown further by the fact that he was promoted from Pfc to his present rank as master Sergeant within 8 months.

Sgt. Hutcheson is the son of Mr. and Mrs. R. A. Hutcheson of Belview and Clovis, New Mexico.

Bumper crops of apples, peaches, plums, and grapes are now available, giving homemakers an opportunity to save money on food bills by preserving these and other fruit and garden crops.

The longer-time phase of the famine emergency is expected to continue at least until 1947 crops are harvested.

Among the foods that are expected to be plentiful in October are potatoes, onions, lemons, canned citrus juices, fall apples, pears, celery, and turkeys.

One million of the World War II veterans who left farms already have or will return to the farms, the Veterans Administration reports. Ninety per cent of these expect to be farm operators.

Voters of Texas to Ballot on Amendment Allowing Veterans to Purchase State Land

A constitutional amendment which will be presented to the voters of Texas at a special election on November 7 sets up the necessary machinery authorizing the purchase of land and sale to Texas Veterans of World War II through a Veterans Land Board.

In a letter to Ralph Smith, county veterans service officer, Bascom Giles, Commissioner of the General Land Office, set out provisions of the proposed amendment, which has been approved by both VFW and American Legion; and requested the names of addresses of local veter-

ans "to make it possible for them to receive listings on tracts to be offered as soon as such is available following ratification of the amendment."

Voting on the amendment will be held two days following the general election on November 5.

The amendment, which was approved by unanimous vote of both House and Senate in the Texas Legislature, specifies that members of the Veterans Land Board shall be composed of the Governor, the Commissioner of the General Land Office, and the Attorney General.

The amendment would permit purchase of lands by the Veterans Board, for re-sale to Texas veterans, effective as soon as the legislation becomes law, and extends the life of the Land Board for eight years.

The Board is authorized to set up a maximum revolving fund of \$25,000,000 in bonds for the creation of a Veterans Land Fund. Preferential right of purchase of bonds is to be given to administrators of the teacher retirement funds, permanent university and permanent free school funds. Interest rate is not to exceed three percent.

Funds are to be used solely for the purchase, by the Board, of agricultural and ranch lands from the federal government, state prison system, or any other state agency or private owners as far as practical.

Land Office Commissioner Giles has recommended the following plan as a means of providing approximately 10,000 Texas veterans of World War II an opportunity to become owners of Texas lands in plots varying in size from 50 to 2500 acres.

Giles proposes to acquire Federal surplus real property (estimated 850,000 acres in Texas), prison and other state owned land, and 500,000 acres of the 1,500,000 acres of public free school land, together with such other privately owned lands as may be had.

Conveyance of lands to veterans would be by competitive bidding by Texas Veterans only.

No land, according to Giles plan, would be disposed of until six months after the formal cessation of hostilities, and none for less than the state purchase price. The maximum purchase would be limited to one tract, not to exceed \$5,000 state valuation, to any one veteran.

The land would be sold for cash, or for as low as a ten percent downpayment, with notes to run 40 years and bearing four percent interest.

Fractional mineral rights would go with the title to land.

Listing of location of the land will not be available, Giles pointed out, until it can be acquired by the proposed Veterans Land Board. It is proposed to acquire land in the various geographical divisions of the state so as to afford a wide variety in crop production in keeping with the desires of veterans to carry on a balanced farm or ranching program.

USDA Offers Weekly Report on Farm Markets Through Columns of Brand

ED. NOTE: A weekly report on the trend of farm market prices in the southwest is offered by the U. S. Department of Agriculture. This feature is produced for the first time this week in The Brand. If a sufficient number of readers desire it, it will be continued as a regular feature. If you want this weekly market service, let The Brand know. Phone 30, or write The Hereford Brand.

From the USDA

Poultry and eggs, cotton and some grains went up last week, livestock remained steady to firm, but some vegetables showed weaker prices, reported USDA's Production and Marketing Administration.

Rains hampered grain shipments last week and helped improve prices. Oats, barley and corn gained one to three cents a bu. Wheat held steady. Sorghums lost around two cents a cwt. early in the week but later regained these losses.

Cotton advanced two to three dollars a bale last week. Spot market activity increased. Sales in the 10 spot markets totaled 129,300 bales compared with 92,300 bales the week before and 103,600 bales for the corresponding week last year.

Hog receipts totaled 6375 head at southwest markets this past week compared with 5525 head the previous week. Hungry demand quickly cleared all classes and weights at rising prices. Stocker and feeder pigs were generally scarce and good kinds brought \$17 to \$18 a cwt.

Sheep and lamb receipts were heavy with ewes at most southwest markets last week. Prices were up 25 to 50 cents a cwt. with most medium to choice ewes bringing \$7.25 to \$8.25. Trading was active and prices steady to strong for light supplies of spring lambs. San Antonio quoted medium spring lambs at \$14.50 a cwt. Medium and good spring lambs brought \$14 to \$16, Fort Worth and \$18 to \$17.25, Denver. Oklahoma City moved good and choice springers at \$17 to \$17.50.

More cattle arrived at southwest markets last week than the week before, but supplies were still light and made up largely of stockers and feeders. Most slaughter grades were scarce and brought steady to stronger prices. Stockers and feeders were firm to stronger at Texas markets but some weakness showed up at other terminals. Medium to good stocker calves brought \$13 to \$14.50, Houston; \$13.50 to \$15.50, San Antonio and Oklahoma City. Fort Worth sold common and medium stocker and feeder steers, yearlings and calves at \$11.50 to \$14. Denver quoted common and medium stocker cows \$8 to \$10.25. Medium and good light stock steers and yearlings realized \$14 to \$16, Wichita.

Continued shortage of red meats increased demand for scarce supplies of eggs and poultry last week. Eggs, hens and fryers were up one to three cents above the previous week's close. Straight run current receipt eggs brought up to 43 cents a doz. at some places. Heavy hens realized 23 to 25 cents a lb., Denver; 26 to 28, Dallas; 27 to 30, Fort Worth and 40, New Orleans.

Light shipments of southwest apples and cantaloups brought steady to stronger prices last week, but onions and potatoes were dull and slightly weaker. Louisiana and Texas sweetpotatoes remained about steady but were down from the previous week's top. Cooler weather moved more sweetpotatoes into storage.

Peanuts sold near ceiling levels. Milk and butter held firm.

Miss Roberta Campbell and Buddy Bob returned last week from a ten day vacation trip in the mountains near Colorado Springs, Colo.

DEAR DIARY:

Something new for the housewife — SCRAP TRAPS . . . they hang on cabinet door or drawer—a waterproof bag is attached in a jiffy. Wet garbage can be placed in the bag—then a flick of the finger and the trap closes, keeping out flies and keeping in odors. When the bag is full, a lever is flipped, the bag is instantly released for dropping intact into the outdoor garbage can. The Scrap Traps sell for \$1.49 and a month's supply of waterproof bags for 49c. These comply in every way with sanitation regulations.

with a knee injury in the Sudan game, is due to return to his guard slot within a couple of weeks; but big John Dyer, the Herd's hard-charging pivot man, will probably be out for the season as a result of a knee injury in the Panhandle game last week. Doctors report that a torn cartilage may keep his leg in a cast for some time to come.

Coach Stanton's biggest headache, just now, is finding a man to fill Dyer's shoes at center. Bobby Owens, 148 pound candidate for one of the wing posts, is the most likely starting choice Friday night at Center. Buddy Corbett will be back in the lineup at guard, where he replaced Millard last week.

The game will start at eight o'clock.

Season tickets to Whiteface home games are now on sale by school students. Ticket sales are in charge of the high school classes, which are conducting a contest to name the Football Queen.

at the Star Theatre Saturday morning, they'll have plenty of parking space for their bikes. Fred Pierce, manager of the Theater, has had two new steel bicycle racks installed in front of the theater—for two reasons, we understand. One of course is to give the kids a place to park their bicycles—the other, to discourage parking of automobiles in the no-parking safety zone in front of the theater.

Two names were omitted from the list of committees for the Flower show, which appears on page 7 in Section 2. Mrs. Lyle Woodford was appointed to the Classification Committee, Section 10-11; and Mrs. Tom Boyd had been added to the Hospitality committee.

Mr. and Mrs. J. E. Beyer returned yesterday from a trip to Kansas and Oklahoma. In Sterling, Kansas they attended golden wedding anniversary celebrations for his sister and her husband, Mr. and Mrs. Lewis Eibl. They also visited his brothers in Wichita and stopped in Mooreland, Okla. where they once made their home.

Isbell Resigns Position as High School Principal

Resignation of High School Principal A. V. Isbell was announced yesterday by Supt. George Graham.

Mrs. Isbell, who has been an instructor in mathematics at the high school, has also resigned, Graham said. Their resignations will become effective tomorrow. Mr. Isbell will become field manager for the Curtis Pub-

lishing Company in the Oklahoma and Texas Panhandles and for part of New Mexico. Mr. and Mrs. Isbell will make their home in Friona, where he recently accepted the pastorate of the Sixth Street Church of Christ.

In addition to his ministry, he will work with the schools in this district for the Curtis Company.

Mr. and Mrs. Isbell came to Hereford last year from Mission, Texas.

Their successors on the faculty have not been chosen.

Miss Thornton Shirley plans to leave today for the west coast where she will visit with relatives in Long Beach and with relatives and friends in other California cities.

Coach Tyson Cox' Bucks are being viewed with respect by the local gridgers, at any rate, and the Herd has been going through some strenuous preparations during the past few days.

The Hereford squad is looking that old injury jinx squarely in the eye again, having lost two first-string linemen during the first two games of the season.

the Farm-to-Market road program, under which Federal aid could be secured, is tied up for the remainder of the current three-year program, which ends on June 30, 1948.

District Engineer Lott voiced the opinion that there was little chance of getting state action until Farm-to-Market appropriations are available.

However, county officials and members of the Chamber of Commerce committee plan to continue working on the project, with a view to getting the paving accomplished at the earliest possible date.

was not centrally located and playground space is inadequate. Tentative plans are to face the buildings to the west on Avenue F and at the corner of the Avenue and 11th street directly south of Whiteface Field.

Under One Roof The two buildings will be placed under a single roof, with a 10-foot corridor between them. If sufficient classroom space can be arranged, the sixth, seventh and eighth grades will be housed in these temporary quarters.

Such an arrangement will necessitate additions to the present facility, including a Junior High School principal.

The sixth grade is, at present, being taught at Central School. The seventh is in temporary classrooms at the First Baptist Church, and the eighth is at the high school. Both Central and High school buildings are overcrowded, and it is believed that establishment of the Junior High School in the new buildings will relieve the crowded condition of the local schools until new school buildings can be erected.

as the individual grower was concerned. In other words there would be no penalty for over-planting as was the case with wheat, cotton and other such programs of recent years. However, an individual grower who over-plants his allotted acreage will not be eligible for the government support price under the USDA proposals, but must take his chances with the open market.

The committee of the American Farm Bureau Federation is in complete agreement for acreage reduction for 1947, but recommended instead of the years 1942 thru 1946 being used as the formula basis, that the years 1942 thru 1945 be taken. This recommendation was caused in part by the huge increase in California in 1946 of 32,000 acres above the 1945 acreage. The committee's reaction to the discussions as a whole, was that the US Department of Agriculture was sending out feeders for farmer reaction to their proposals; and that the Department was attempting to devise a program for the over-all agriculture program which so many feel will be inevitable within a short time if this country is to maintain its high standard of farm income.

In spite of publicity to the contrary there is nothing definitely established for a 1947 potato program, for the Department of Agriculture can only make recommendations and only Congress can make laws. That there is a need of acreage reduction there is no doubt, but in spite of this, the USDA is definitely committed to the provisions of the Steagall Amendment, which guarantees a support price for certain farm commodities for a period of two

Blue Cross Ends Community Group Enrollment Here

Enrollment under the Community Group plan in the Blue Cross Hospitalization Service closed yesterday afternoon, and while the enrollment in the community group fell far short of the goal set, a large number of business groups have been formed, pushing the total number protected by the service above the 1,000 mark.

Individual enrollment in the community group had totaled only 50 to 60 members by mid-day yesterday, and H. L. Miller, district representative of the Group Hospitalization Service, estimated that between three and four hundred persons were covered as dependents.

Figures were approximate, as the total enrollment had not been checked. However, Miller reported, twenty local business firms had enrolled their employees under the Group Hospitalization plan, representing approximately 600 individual members and dependents; and other group enrollments are pending.

A preliminary goal of 3,000 members had been set in the Hereford area.

Enrollment under the Community Group plan opened on September 16 and closed yesterday. W. R. Derr of Abilene, regional director of the Texas Group Hospital Service, and Miller from the Amarillo area of office were in Hereford during the entire enrollment period.

Dues under the Community Group plan are payable semi-annually, and all payments will be handled by the First National Bank, Miller said. The next payment will be due on April 1, 1947.

No bills will be mailed to individual members when the payment becomes due, he pointed out, but each individual will be expected to pay his dues at the Bank before the deadline. Semi-annual payments will be due on April 1 and October 1 of each year.

Hospitalization insurance for enrollees in the community group is now closed for an indefinite period. However, local business firms employing five or more people are always eligible for membership under the business and industrial group plan, Miller pointed out.

On the advisory council for the Hereford Community Group are County Judge Fred W. Baird, chairman; H. E. Henslee, Bob Wilson, Miss Sadie Lee Oliver, B.C. Roberson, N.E. Gass, J.M. Gilentine, R.Rev. Marvin Boyd, Dr. Lewis Barnett, W.E. Dam-

years following a signing of the peace treaty, and also no state acreage goals have been announced.
