

The Bench Warmer

Whiteface fans are preparing to journey en masse to Tulia tomorrow night to cheer the Herd over its final hurdle in the District 1-A title race. The game promises to be the hardest and best of the season.

The Hornets are cocked and primed for this battle, and will be making a last-ditch fight for a share in the District Championship. Defeated only by the Canyon Eagles in conference competition, they have overruled other District teams by top-heavy scores, defeating Dumas 26-6, Dimmitt 33-14, Friona 24-0 and Dalhart 27-6. The Hornets lost a hard-fought battle on a muddy field to the Canyon Eagles 10-14 for their only conference set-back.

Operating behind a powerful forward wall, the Hornet's backfield quartet of Simpson, Love, Stark and Webb, has run up a total of 168 points this season in 9 games, against 73 points for their opponents. Simpson is rated an ace blocking back, and Love is one of the shiftest ball carriers in the business. Sims and Griffith are the outstanding linemen. These are the men to watch Friday night.

The Hornets are going to need everything they can muster if they stop the Whitefaces, however. The Herd, after losing an early-season game to the District 2-A Panhandle Panthers has developed winning ways and is (Continued on Page 8)

Phillips Blackhawks Look Like Sure Shots To Repeat Championship in District 2-A

Free Again

Mrs. Philip D'Aquino, nee Ikuko Toguri, but "Tokyo Rose" to GIs who listened during the war in the Pacific, is free again. She was held on treason charges in connection with her wartime propaganda broadcasts, then freed for lack of evidence on which to prosecute.

"Too Much Love" Is Wolf Verdict On Hornet Win

"Too Much Love" was the verdict of the Dalhart Texan reporting on the 27-6 victory scored by the Tulia Hornets over Dalhart's Wolves at Dalhart last Friday night.

Hornet Halfback Love, who showed his heels to the Wolves twice on touchdown sprints in the early minutes of the game, was the chief thorn in the flesh for the Wolves, according to The Texan.

Love trekked 39 yards down the sidelines to rack up the first Hornet score in the opening offensive of the game; and was loose a few minutes later for 71 yards and another touchdown, leaving a trail of Wolfpack tacklers sprawled on the gridiron.

Love scored again early in the second half on another long touchdown sprint from the Hornet 34-yard line; and raked up the final touchdown late in the third quarter when he snared a pass from Stark.

The Wolves finally scored late in the final period after a 50-yard touchdown march against the Hornet reserves.

The Tulia line was rated by the Wolves as the toughest forward wall they have run into this season.

The Wolves led the Hornets 13 to 7 on first downs; but the Tulia backs piled up an impressive 277 yards gained from scrimmage to 220 for Dalhart. The Dalhartans, however, outgained the Hornets on passes, 81 yards to 31, and averaged 31 yards on 6 punts to 25 on three by the Hornets.

According to statistics, the game was much closer than the

The conference grid race is almost over in District 2-A, where the Phillips Blackhawks are expected to sew up the title this week-end with a victory over the plucky Canadian Wildcats.

Perryton's Rangers, in second place with only one conference loss—and that to the loop leading Hawks—still have a mathematical chance at a tie if the Wildcats can rise to new heights and down the powerful Blackhawks.

Chester Walker's Blackhawks, however, are strong favorites to move into the king row. The Wildcats, although they have had flashes of brilliance this season, are sporting only a .500 average for the year.

The Blackhawks last week crushed the White Deer Bucks 45-0 in a conference game; while Perryton's Rangers wound up their conference season with a tough 12-7 victory over the Panhandle Panthers.

Canadian was idle last week-end, and according to reports from the Wildcat camp, spent the time dreaming up new medicine to try on the Hawks.

Phillips had a breather with the outclassed White Deer eleven last Friday, after spending two battering week-ends fighting off the determined onslaughts of the other two members of the District 2-A Big Three—Perryton and Panhandle.

Winner of the 2-A crown will meet the District 1-A champions in bi-district play. The Blackhawks edged out Hereford's Whitefaces on penetrations after a 14-14 standoff last year, and fans are looking forward to a renewal of the famous rivalry this month.

score indicates; but in this district, championships are made on touchdowns scored, and in this department, the Tulia Hornets were quite proficient.

SPORTS

Dumas Upsets Canyon; Tulia And Hereford in Title Bout

Highlight of the District 1-A grid scramble last week-end was Dumas' thundering triumph over the high-flying Canyon Eagles on the Dumas gridiron Friday night.

While the game had little bearing on the District Championship, which will be settled between Hereford and Tulia this week-end, it did knock the Eagles out of any mathematical chance of sharing in the title, and kicked the dope bucket a mile high.

The Eagles had been red-hot title contenders until their defeat by Hereford's Whitefaces two weeks ago, and the Demons had a bare .500 average for their season's campaign. The light but speedy Dumas eleven, however, was un-awed by Eagle power and slashed their way to a 14-0 shut out.

Other games in the district went according to form, with the loop-leading Whitefaces adding Dimmitt to their victory-string with a 41-0 landslide; and Tulia's powerful Hornets smashing Dalhart 27-6. Friona's Chieftains were idle.

The Hornets, who have lost only to Canyon in conference competition, and the Whitefaces, undefeated in district play, will settle the title fust at Tulia this week-end in what is expected to be an epic battle.

A Hornet victory would toss the league into a two-way tie between Tulia and Hereford; while a Whiteface victory would put the crown on ice for the defending champs.

The District 1-A champions will have the doubtful privilege of meeting the Phillips Blackhawks, perennial Regional champions, in the bi-district tussle. The Blackhawks have already clinched their own District 2-A title.

In other district games this week-end, Dimmitt's Bobcats will meet the Dumas Demons, and Dalhart's Wolves play Friona at Friona. The Canyon Eagles have completed their regular season, and the week-end games will wind up the regular season for other district 1-A teams.

Along with ten thousand technical instruments used to measure the effect of the atomic bomb on ships of the United States Navy, beer cans and gasoline drums were used to show the degree of crushing pressure the bomb exerted at certain points.

He's Never Next

Schoolmates gather around 12-year-old Jimmy Garvin, Washington, to tease him about those long, golden tresses. But he doesn't mind, knowing they think he's a regular guy. He hasn't had a haircut since age 2—what a savant!

Texas Tech and Hardin-Simmons Lead Border Loop

The West Texas State Buffaloes, mowed down last week-end by Hardin-Simmons undefeated Cowboys 28-7, will end their 1946 home schedule Friday when they entertain the Wichita (Kansas) University Shockers in an inter-sectional game.

The Buffs will wind up their conference season on November 23 at Tempe, Arizona, in a meeting with Tempe State College; but there will be little at stake in the game as far as the Border conference is concerned, since both teams are well out of the fight.

Hardin-Simmons and Texas Tech, both undefeated in conference play, will square off for the Border loop title next week. This week-end Tech meets Oklahoma A & M in a inter-sectional game, and the Cowboys will play Texas Mines.

Tech's Raiders rolled up a 27-0 Border Conference triumph over New Mexico University Saturday.

The greatest sustained demand for Navy fuel oil was during the Okinawa campaign where for a period of one month, the daily consumption of the Pacific fleet averaged about 290,000 barrels.

Close, Worrell Split Scoring Honors! Bobcat Line Is Tough

The Hereford Whitefaces overcame a stiff defensive stand to defeat the Dimmitt Bobcats 41-0 in a conference game on Whiteface Field last Friday night.

Held off by a determined Bobcat forward wall during the opening quarter, the Herd came back in the second period to push across three touchdowns; then scored twice in the third and again in the fourth to round out the top-heavy score.

Jim Worrell and Freddie Close divided scoring honors for the evening, each accounting for three touchdowns. Worrell kicked goal for three conversions, passed to Lueb and Owens for two, and flubbed the sixth.

Fumbles were frequent and costly to both sides. The Herd lost the ball twice on fumbles in the opening period, then capitalized on a well-engineered Dimmitt fumble to start the scoring drive which paid off in the second quarter.

Higgins, crashing into the Dimmitt backfield as Rice fadded back to pass, knocked the ball from the hands of the Bobcat quarterback and dived after it

to give the Herd possession on the Bobcat 37. From that point, Close, Worrell, and Hennington teamed to smash the leather to the 1-yard stripe as the period ended, and Worrell crashed through to score on the second play of the new quarter.

The Whitefaces counted again after forcing the Bobcats to punt from deep in their own territory. Worrell took the kick at mid-field and raced down to the Dimmitt 22 yard line. From there the Herd scored on six powerful thrusts through the Bobcat line, with Close carrying the ball over from the 1 yard line.

The third Whiteface counter came late in the period after Worrell had run back another Bobcat punt from midfield to the Dimmitt 24. Two-plays put the leather across, with Worrell carrying it on an end run to the 9, and Close taking a lateral from Rogers to score. Worrell passed to Lueb for the conversion.

The Herd scored early in the second half after a sustained drive from the Dimmitt 22 yard (Continued on Page 8)

1946 Polio Epidemic Greatest Since 1916, Says National Foundation Head in Annual Report

Infantile paralysis struck the nation a staggering blow this summer. Just how serious the epidemic really has been was revealed this week in a report on the 1946 Polio Epidemic by Basil O'Connor, President of the National Foundation for Infantile Paralysis, received by W. B. (Woody) Wilson, Deaf Smith county chairman of the 1946 March of Dimes drive.

The epidemic this year is second only in severity to the polio nightmare of 1916, when 27,363 cases were reported in 28 states, O'Connor reported.

Up to October 12, a total of 20,681 instances of polio infection had been reported throughout the country—almost doubling last year's total. Deaths from polio this year, however, will average less than 5 per cent, O'Connor predicted; as compared with 25 per cent in 1916.

"It was like a shot gun blast," O'Connor said. "There was no telling where it would break out next. And wherever polio struck, it spread in ever increasing concentric circles, like the ripples from a stone splashing in a pool."

Pre-seasonal incidence—epidemics usually break out from late June through September—occurred in Texas and Alabama, as well as in Florida. By the end of June, the number of cases began rising in Minnesota and Colorado, and by the middle of July, the entire Mississippi Valley was experiencing a major increase in the number of cases.

The eastern seaboard states, where the 1916 epidemic struck most heavily, were relatively free of polio this year.

Virtually every epidemic in the country this summer has been studied first hand by scientists working under March of Dimes grants through the National Foundation, O'Connor reports.

A new field service unit, consisting of a truck and trailer containing laboratory equipment, was put in use this summer by the National Foundation.

Interchange of equipment between all sections of the country greatly aided the polio fight this year. Equipment such as iron lungs and hot pack machines were sent out to trouble spots by the Foundation, and were shifted rapidly around the country as the need arose.

So far this year, up to October 18, national headquarters had sent \$3,532,335 in epidemic aid alone to chapters whose local funds were exhausted by demands of the epidemic.

Ex-Summerfield Boy Quarterback On Tech Eleven

Coach Dell Morgan of the Texas Tech Red Raiders may have found the solution to a major problem in the Tech backfield in the person of Ernest Hawkins, former Summerfield boy.

The 6-foot, 160-pound sophomore, who graduated from La-

mesa High school, is plugging the all-important Quarterback hole in Tech's T-running backfield.

The ball-handling during early season games has been a constant worry to the Tech coaching staff, but Hawkins, who took over the assignment in the Baylor game, showed a lot of talent.

Hawkins' quarterbacked the 1944 Tech team, and also lettered in basketball that year. He later served 18 months in the Navy, returning to Tech this fall.

He is the son of Mr. and Mrs.

W. E. Hawkins, of Lamesa, formerly of Hereford, and grandson of Mr. and Mrs. B. A. Atchley of Summerfield. He attended school at Summerfield in 1934 and 1935.

"There Will Be Spud Production Goals for 1947," State PMA Chief Advised Collier

"There will definitely be production goals on potatoes next year."

That was the word passed on by E. A. McBride, assistant State Director of the Production Marketing Administration, in a telephone conversation with F. G. Collier, secretary of the Deaf Smith county PMA committee, last week-end.

Goals will be based on production figures for the year 1944, 1945, and 1946, McBride said.

That decision will be a break for local producers, since those three years were the biggest, from a potato production standpoint, in this area.

McBride told Collier that the state committee hoped to be able to assign state and county goals for 1947 production by November 20. Texas production figures have been compiled and sent to Washington for approval, he said, and the state office is waiting on the capitol.

The 1947 potato program had

been hanging fire while agriculture department and PMA officials debated with congressional committee leaders about the legality of setting production goals and withholding government support for non-compliance.

The latest decision, according to the word from Collier's Station, is that goals will be set, and farmers producing over their assigned goals will not be permitted to take advantage of the government's price support program.

The Deaf Smith County Committee is ready to begin the work of assigning individual goals in this county as soon as the State PMA officials set the county's collective goal.

Announcement of the 1947 production goals was characterized by Collier as "urgent," since local growers are anxious to complete their plans for next year's planting. Many are waiting to buy seed and select acreage for 1947 planting.

Murder Trial On

Big interest at Las Vegas, Nev., right now is Mrs. Bridget Waters, above, Irish war bride on trial in murder of her husband, from whom she was separated. Townspeople are pulling for her.

LEGAL NOTICE

THE STATE OF TEXAS

TO: ROSE PEARL FRENCH

GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of December, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Deaf Smith County, at the Court House in Hereford, Said plaintiff's petition was filed on the 7th day of November, 1946. The file number of said suit being No. 2822. The names of the parties in said suit are:

LAWRENCE D. FRENCH as Plaintiff,

Hereford Boy Is Aboard USS Estes

Alfred A. Hoffman, seaman, second class, USN, son of Mrs. Elizabeth Ann Hoffman, Hereford, Texas, is serving aboard the USS Estes, headquarters of Admiral Charles M. Cooke, Jr., Commander of the 7th Fleet.

The Estes, operating out of Tsingtao, China, is one of the new type of amphibious force flagships. Commissioned late in 1944, she saw action as a communications center for the Iwo Jima and Okinawa campaigns.

World's newest postwar luxury car!

NOW HERE!

Studebaker's far advanced new 1947 Commander

FOR the second time in a few months, Studebaker amazes and thrills the nation with something absolutely revolutionary in a postwar automobile. This latest and finest Studebaker is the long-awaited, big, powerful, completely new 1947 Commander model.

A new kind of car! Here's a low, long, amazingly roomy new kind of car—superbly finished—richly appointed—a breath-taking revelation of postwar motoring luxury! This dramatically different new Commander climaxes years of Studebaker planning, months and hundreds of thousands of miles of testing. Here's a restful, relaxing, new kind of ride—a new-day miracle of motoring comfort. And Studebaker's advanced engineering makes this postwar Commander the easiest handling car you ever drove.

At your dealer's now! Your dealer's welcome sign is out. Go at once and see this latest Studebaker achievement in really luxurious postwar motoring—watch how fast you decide that this distinctive 1947 Studebaker Commander is America's stand-out quality car.

Texas Tech Gets AAU Approval

LUBBOCK, Nov. 11.—Texas Technological College has been approved for inclusion on the accepted list of the Association of American Universities, according to word just received by Pres. W. M. Whyburn of Tech from Frank H. Bowles, secretary of the association committee on classification of universities and colleges.

Graduates from Texas Tech, the youngest major educational institution in the state, may now enter graduate schools of any leading university in the nation without penalty, Pres. Whyburn said. He also pointed out that many organizations carrying national recognition make membership in the AAU a prerequisite to forming chapters on a college campus.

Dr. Whyburn stated: "Approval by the Association of American Universities represents the result of twenty years of careful thought and closely coordinated effort on the part of all members of the college organization. It constitutes a recognition of our college, particularly with reference to activities in the field of scholarship, which is of highest significance."

Of the 1,725,000 tons of major warships lost by the Japanese in the last war, American carrier-based aircraft accounted for most with 680,000 tons sunk. Submarines destroyed 507,000 tons and surface ships 257,000 tons, and-based aircraft accounted for only 62,500 tons.

Legionnaires of Panhandle to Meet Saturday In Amarillo for 18th District Convention

AMARILLO, Nov. 12.—Ed Riedel, Austin, Chief de Gare of the 40 and 8, Grand Vulture of Texas, and past Department Commander of The American Legion, will be one of the chief speakers at the combined 18th District Convention and Grande Promenade Saturday and Sunday, November 16-17, at Amarillo.

James R. Moore, Amarillo, 18th District Commander, will preside with Hanson Post No. 54, Amarillo, as host.

Registration of delegates will begin at 9 a. m. Saturday at the Herring and Amarillo Hotels. Convention Headquarters will be at the Herring. At 1 p. m. the 40 and 8, Legion fun and honor organization, will convene for the District promenade. Otto Landis, Amarillo, 18th District Chief de Gare will preside. Chief business on the agenda is the election of a new Chief de Gare and other District officers. At 2 p. m. an initiation "wreck" will be held with Vulture 689, Amarillo, in charge of ceremonies.

The Child Welfare Banquet for all registered delegates will be at 7 p. m. at the Crystal Ball Room of the Herring Hotel with a dance scheduled for 9:30 p. m. Sunday morning all Commanders, Adjutants, and Reha-

Ed Deidel of Austin, Chief de Gare of the American Legion 40 & 8 Grand Vulture of Texas (left), will be one of the principal speakers at the Legion convention in Amarillo Saturday and Sunday. Jimmy Moore (right) is 18th District Commander.

ilitation officers will breakfast at the Herring as guests of Commander Moore. A band concert at the City Auditorium by the Sam Houston Junior High School Band will follow the breakfast at 8:00 a. m.

A joint session of the Legion, Ladies Auxiliary, and 40 and 8 will convene at 9:30 a. m. to hear

led because of snow with prices and demand dull.

Poultry and egg prices held about steady at southwest markets last week despite slow demand and increased supplies of red meats. However, movement was light due to rain. Turkeys were weaker with Ft. Worth quoting toms at 25 to 27 cents a pound.

Demand for wool was slow last week due to the election which is expected to be the turning point in the trend of business since the trade see easing of controls by new Congress.

Most lambs were steady to stronger last week compared with the previous week but some aged sheep were off. Broad demand cleared light hog receipts at stronger prices last week. Top butchers were quoted at \$24.50 per hundred, San Antonio; \$25, Ft. Worth and Oklahoma City; \$23.75, Wichita and \$26, Denver.

Cattle prices turned upward last week as receipts declined around the market circle and trading continued active. Houston sold common and medium steers and yearlings at \$12 to \$15 a hundred pounds and good cows at \$12.25 to \$13. San Antonio moved medium grass steers at \$17 to \$20 and medium and good cows at \$11.50 to \$14.50. At Ft. Worth medium and good beef steers and yearlings brought \$16 to \$22 and medium and good cows \$11.50 to \$14.50. Medium and good steers realized \$18 to

Amarillo Rotarians and Boys Ranch Lads Present Program

Eight members of the Amarillo Rotary Club, accompanied by three youngsters from Boys Ranch, were guests of the Here-Rotary Club last Friday afternoon and presented the Rotary program.

Dutch Vahue, chairman of the Inter-Club Relations Committee of the Amarillo Rotary Club, was in charge of the group, and Irvin Tolzien of Amarillo arranged the program.

The three Boys Ranch youngsters presented a brief program, re-creating for the Rotarians a Sunday afternoon at Boys Ranch.

Jim Farwell, until recently \$20 at Oklahoma City and \$19 to \$25 Denver. Medium and good light steers sold at \$17 to \$20 a hundred, Wichita.

treasurer for Boys Ranch, then spoke on the progress and accomplishments at Boys Ranch, and told briefly of its origin and history.

The Ranch is supported, in part, by the Rotary Clubs of the Texas Panhandle, under leadership of Amarillo Rotarians.

Boys Ranch is the realization of a dream of Cal Farley, prominent Amarillo business man, who made the statement to a small group of Amarillo friends one day that he could start a ranch for boys in the Panhandle on a dime—and was promptly given the dime.

From this small beginning, under the guiding genius of Farley and with generous aid of people of the Panhandle, including the Rotary Clubs, Boys Ranch has grown to its present status, Far-

well told the group.

Seventy boys are now living at the Ranch, he said. The Ranch is now in excellent financial condition, Farwell said, having reaped considerable cash benefit from the production and showing of the movie, "Boys Ranch" by Metro-Goldwyn-Mayer.

Members of the Amarillo Rotary delegation visiting the Ranch club Friday were Vahue, Farwell, Tolzien, Ed Broome, Fred Coster, Bill Gunn, H. W. Allen and C. W. Whittington Jr.

With New Fleischmann's Fast Rising you can start baking any time... finish baking in "jig-time." It's ready for action when you need it. Get New Fleischmann's Fast Rising Dry Yeast at your grocer's.

MARKETS

Cotton and corn continued to sag last week in contrast to higher prices for livestock and peanuts and mostly steady prices for other southwest farm products, according to USDA's Production and Marketing Administration.

Cotton prices dropped more than \$11 per bale last week as early gains were erased by later declines. Domestic and foreign demand was dull. Farmers offered little cotton for sale and put more under government loan.

Peanut prices to farmers advanced to about \$5 to \$10 per ton above the CCC support price. However, some trading continued at this level. Growers began to store more of their peanuts for selling later in the season.

Rice markets held firm at maximum OPA levels influenced by continued urgent demand and limited offerings. Farmers reported heavy losses due to last week's floods.

Wheat and oats remained unchanged but corn moved steadily downward with barley in tow. Sorghums called last mid-week but later dropped to the lowest level of the season. Feed demand slackened as the trade began to fill its needs. Prices were still higher than former ceilings. However, wheat millfeeds and soybean meal showed signs of weakness.

Increased movement of southwest fruits and vegetables met with fair demand at generally steady prices last week. Texas producing areas reported slightly stronger markets for beans, cucumbers and tomatoes, but somewhat weaker for peppers, eggplant and spinach. New Mexico carrots and Louisiana sweet potatoes held about steady as did Texas citrus. Colorado potato and onion sales were stym-

Chief de Gare Riedel. A mass initiation of new members into the Legion is scheduled for 11:00 a. m. followed by a Memorial Service.

The main business session of the Convention will get under way at 1:30 p. m. at the City Auditorium with the Hon. Eugene Worley, United States Congressman, 18th District, scheduled to deliver the principal address. The delegates will consider and formulate plans for the ensuing year, Commander Moore has announced.

Relief At Last For Your Cough

HOTELS for LIVESTOCK

The central livestock market is as American as the "hot dog." No other country has the like of it. European sellers and buyers haggle over individual animals. In South America most of the dealing is done right on the estancias, where the livestock is raised. But here in the leading livestock nation of the world, for 75 years central markets have played a big part in the job of moving meat toward dinner tables of the United States.

When a carload of livestock rolls off the prairies or out of the mountains into one of the 65 or more great central markets, the animals are "greeted" and "registered" at the unloading dock, much as travelers are received and registered in hotels. From there they are sent to their "rooms"—the pens assigned to the commission man to whom the owner has shipped his animals. There these hogs, cattle, calves and lambs are rested and given food and drink.

Just as hotels compete for guests, so these central markets compete with each other for the business of accommodating the 88 million head of livestock which come in each year. Thousands of livestock buyers and order buyers bid against each other and the sale is made to the highest bidder. With 26,000 meat packers and other commercial slaughterers active in livestock

buying, it is easy to see that the American livestock marketing system is the most competitive in the world.

These "livestock hotels" are a separate branch of the livestock-meat industry. They are privately owned. Swift & Company does not own a single share of any stockyards company.

Thanksgiving

In this Thanksgiving month, the people of our nation—and of many other nations—owe a debt of gratitude to the ranchers and farmers of America. All through the war, in spite of its tremendous requirements, our people ate well. And in spite of sharing with the earth's hungry, our people are still eating well. Today, to be sure, not all the meat they would like to have... but a quantity of nutritious food to keep them well and strong. That is because for long years millions of farm and ranch men, women and children have kept the food supply up, working harder than ever before, overcoming shortages of help and machinery and many other obstacles. Yes, Americans may well offer thanks this month to all those who produce our food.

OUR CITY COUSIN

City Cousin on the farm
Thought that there was little harm in eating apples by the dozen...
Now he is our sickly cousin!

FERTILITY OF RANGE BEEF CATTLE

by A. L. Baker and J. R. Quisenberry
United States Department of Agriculture

Cows in the western ranch states drop from a 40 to a 70 percent calf crop with an average of 63 percent. This means that for every 100 cows the average rancher can expect to get only 63 calves.

However, the following recommendations, based on a study made, should aid the rancher in increasing his production:

1. Cows should be identified by proper markings so that shy breeders can be culled from the herd at an early age. Good producing cows may be kept until at least ten years of age without loss of fertility.

SPREAD

When visiting with livestock producers on farms or ranches, or at meetings, the subject of "spread" often comes up for discussion. Then I give them an explanation of the difference between the price they get for the meat we sell.

To me it is a source of continual surprise that the spread is not greater than it is. During my years of experience in the livestock-meat industry, here is what I have learned about spread. We at Swift & Company have been paying farmers and ranchers approximately 76¢, on the average, out of every dollar we receive from those to whom we sell, for all products we process and handle, including hides, glands, and all by-products. That leaves us 24¢ to cover the cost of processing and marketing.

Out of the 24¢ comes the cost of buying livestock and other agricultural products. The cost of preparation and refrigeration. The cost of loading them into cars and trucks. The cost of transporting them to our branch houses or to retailers. The cost of branch house operation and of selling and delivering the products to the retail dealers. In addition, we have taxes to pay; plus insurance and all the other necessary costs of doing business. When all these expenses have been paid, we make a profit, which over a period of years has averaged a fraction of a cent a pound on the 6 1/4 billion pounds of products we handle annually.

There is no other business in the country that does so much for so little.

1. Cows that fail to produce calves in two successive years should be culled from the herd.
2. Where practical, it is advisable to test bulls for semen quality before breeding season in order to eliminate the partly sterile bulls.
3. There is an advantage in using bulls four years old or over, of proven breeding ability.
4. The establishment of small breeding pastures capable of maintaining herds of about 30 cows is recommended as a means of increasing the calf crop.
5. Even some larger ranches would do well to resort to pasture breeding if they could thus obtain even the 6 percent raise in calf crop obtained in this U.S.D.A. study.

WINTER DRIVING IS HARD ON YOUR CAR!

Have it checked now—and regularly—by our service department

Before cold weather begins, drive in to the Kinsey Motor Company and make sure that your car is in condition for dependable, trouble-free operation.

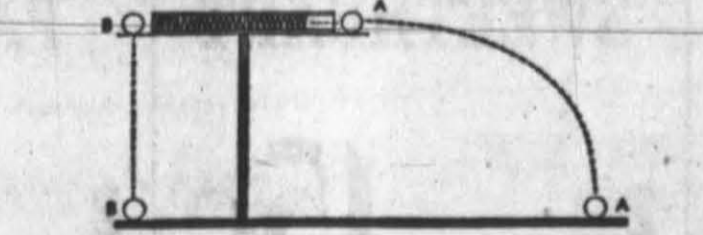

We will be glad to check your car completely at no charge, and make recommendations for any service you may require.

Our expert mechanics replace with genuine Chevrolet parts whenever repairs are necessary.

KINSEY MOTOR CO.
Hereford, Texas

Soda Bill Sex:
... to be a success at farming, you have to dig in.
... if you want to realize that cattle in the air, you had better get down to earth first.

Things Are NOT Always as They Seem

The mechanical device pictured above shoots the ball marked A and at the same instant drops the ball marked B straight down. It certainly looks as if B will hit the ground first, since ball A has so much farther to go. But the fact is that they will both strike the ground at precisely the same instant.

In our business, too, things are not always as they seem. On September 1, 1946, the U. S. Dept. of Agriculture reported that in the entire country there were 356 million pounds of meat stocks in cold storage. That is a lot of pounds. But actually it is the lowest on record for that date... and compares with 626 million a year ago and a 631-million average for 1941-1945. Here in America we eat about 50 million pounds of meat a day, so the September 1 supply of meat in cold storage was barely enough to feed us for seven days.

Martha Logan Recipe for APPLE TORTE

Yield: 6 servings

1 tablespoon melted butter	1/2 cup sifted flour
1 egg	2 teaspoons baking powder
4 tart cooking apples	1/2 cup nuts
1 cup sugar	1/2 cup chopped raisins or dates
1/2 teaspoon vanilla	

Parse and chop apples. Sift dry ingredients together. Combine all ingredients. Spread in a 9-inch square buttered cake pan. Bake in a moderate oven (350° F.) about 30 minutes, or until apples are soft. Serve hot or cold with foamy or hard sauce.

Hereford Whitefaces Smother Dimmitt Grid Team Under 41-0 Landslide Friday Night

PLAY-BY-PLAY

First Quarter
Dimmitt kicks off, Rogers taking the ball on the 25 and getting back to the Hereford 41 yard line. Hennington fumbles on a line buck, and Martin recovers for Dimmitt on the Hereford 44. Mooney rounds end for 4 yards. Dowell fails to gain, and the

Bobcats draw a 15-yard penalty for holding. Mooney rounds end for 6 yards. Rice passes incomplete, and Mooney kicks. Close taking the ball on the 10 yard line and running it back to the 45, where the Herd takes over.

Worrell goes off tackle for 8 yards. Close crashes through guard for 5, but the Whitefaces draw a 5 yard penalty for offside on the play. Worrell makes 2 yards off tackle. The Whitefaces fumble, and Dimmitt recovers on the Hereford 43.

Mooney hits tackle for no gain. Rice is stopped by Higgins for no gain at end. Mooney's pass is intercepted by Close on the 35, and

he is dropped on the 37 yard line. Worrell hits center for no gain. The Herd is penalized 15 yards for holding. Worrell picks up 10 yards at tackle, and Close goes through guard for 3. Worrell kicks, Mooney taking the ball on the 30, where he is dropped.

Simmons crashes through the Dimmitt line to drop Mooney for a 5 yard loss. Mooney is stopped at end by Lueb for no gain. Mooney passes to Jowell for a first down on the Hereford 47 yard line. Jowell, on an end around, loses 5 yards. Rice picks up 2 yards around end. Rice attempts a pass, is rushed by Higgins, who knocks the ball from his hands and recovers the fumble for the Herd on the Dimmitt 37.

Worrell rounds end for 15 yards to the 22. Close crashes off tackle for another 15 to the Bobcat 7. Worrell smashes over guard for 8. Hennington goes off tackle for 1 yard as the quarter ends, with the Whitefaces in possession on the 1 yard line.

Second Quarter
Worrell strikes at the end, advances the ball to the 1-foot line. Worrell crashes over guard to score, and kicks goal for the extra point. Score: Hereford 7, Dimmitt 0.

Worrell kicks off, Mooney taking the ball on the 5 and handing it off to Wilder, who gets back to the 11 yard line. Hereford is penalized 5 yards. Rice passes

Accuses Tito

Ballet dancer Jacqueline Sainte Anne looks very earnest on arriving back in America at Mobile, Ala., after a year in Yugoslavia, as she tells reporters that under the Tito regime "Merely for a citizen to remark that he would like to go to the United States would be enough for him to be jailed or killed."

Increase in R. A. Officers Corps Is Authorized Now

Congress has authorized an increase in size of the Regular Army Officer Corps from 25,000 to 50,000. Applications for regular Army commissions will be received until 31 December 1946. These applications must, however, be postmarked prior to 31 December 1946, to receive consideration.

Former officers of World War II, whether now on active duty or who have returned to a civilian status, may apply. Application forms and detailed information may be obtained at any Army post, camp, station, airbase, recruiting office, or from Organized Reserve Corps Area Headquarters 115 E. 4th St., Amarillo, Texas.

The Adjutant General has mailed letters requesting additional information to those officers who applied for a RA commission under the first integration program. In case an officer who applied under the first program has not received a letter from The Adjutant General, he may write The Adjutant General

direct, Attention: AGSO-R, War Department, Washington, D. C., giving his present address and requesting the supplemental information form. The submission of this supplemental information form must be completed, forwarded or postmarked prior to 30 November 1946 for an applicant's consideration under the second integration program.

In the invasion of Northern Europe a large part of the oil demand was transported by sixteen petroleum lines laid along the floor of the English Channel from Dungeness thirty miles to Boulogne and four lines from the Isle of Wight seventy miles to Cherbourg. Continental requirements were met on a ten day basis.

Of 7,000 Sea Scouts who volunteered for the Navy during World War II, 6,082 were commissioned in the Naval Reserve. More than half of the 285,000 Naval Reserve officers were former Boy Scouts.

The Navy estimated that the Women's Reserve replaced more than 50,000 men for sea duty in World War II, enough to man a major task force.

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a new life—with interesting work, sports, entertainment and travel opportunities—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 6th, 7th, 24th or 25th Infantry Divisions.

What an opportunity... what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss! See your nearest Army Recruiting Officer for full details.

Southland Life INSURANCE CO. W. G. McCORD, President Home Office: Dallas

to Mooney, complete on the 29 yard line for a first down. Rice hits tackle for no gain. Mooney picks up 5 yards on an end run. Stevenson, attempting an end run, loses 3 yards. Mooney's pass is incomplete. Mooney kicks out to midfield, where Worrell takes the ball and gets back to the Dimmitt 22.

Close makes a yard at tackle, and Worrell crashes through for 6. Close goes over guard for 3 yards. Worrell smashes over center for 4 yards and a first down on the Dimmitt 9. Hennington crashes off tackle for 8 yards, is downed on the 1 yard stripe. Close goes through tackle to score, and Worrell's kick is good. Hereford 14 — Dimmitt 0.

Worrell's kick-off goes to Stevenson, who lets the ball bounce off his chest and out of bounds on the 4 yard line. Dimmitt is penalized half the distance to the goal line (2 yards.) Rice kicks, Worrell taking the ball on the Dimmitt 40 and getting back to the 24 yard line.

Worrell sweeps end for 15 yards to the Dimmitt 8. Close takes a lateral from Rogers, rounds end to score. Worrell passes to Lueb in the end zone for the extra point, and the Herd leads 21-0.

The kick-off goes to Mooney on the 8 yard line, and he gets back to the 35. Rice goes through tackle for 5, fumbles, and Simmons recovers on the Dimmitt 41.

Lueb takes the ball from Rogers on an attempted end run for no gain. Rogers goes off tackle for 7 yards. Rogers fumbles, and the Bobcats recover on the 27.

Rice passes to Jowell who laterals to Mooney for a first down on the Dimmitt 39. Mooney is dropped by Simmons for a 5 yard loss as the half ends.

3rd Quarter
Worrell kicks off, Mooney taking the ball on the 20 and getting back to the 29. Rice passes incomplete. Mooney, on a reverse, picks up 2 yards. Stevenson loses three yards on a double reverse. Mooney kicks to Close, who takes the long boot on the 18 yard line, gets back to the 22.

Worrell goes off tackle for 8. Rogers cracks through left tackle for 4 and a first down on the 35. Close makes 8 yards at tackle, and then rounds end for 6 yards and a first down on the 49. Worrell hits center for 3. Worrell rounds left end for 5 yards, then goes off tackle for another 5 and a first down on the Dimmitt 40. Close was hurt on the play, and Hennington came in at halfback. Worrell went through guard for 9. Hennington hit center for 2 and a first down on the 29. Wilson picked up a yard at guard, and Worrell rounded left end for 28 yards and a touchdown. Worrell's kick was good, and the Herd led 28-0.

Hereford's kick-off was taken by Mooney on the 20 and run back to the 38. Mooney picked up a yard at left end. Rice passed, incomplete. Rice passed to Jowell complete on the Hereford 49. Rogers was hurt on the play and left the game. Rice passed to Mooney for no gain. Rice fumbles and recovers for a 4 yard loss. Hennington intercepts Rice's pass on the 35 and ran it back 52 yards to the Dimmitt 13

yard line. Worrell rounded end for 3 yards, and Hennington picked up 1 at tackle. Close crashed off tackle to score. Worrell's kick was no good, and the Herd led 34-0.

Worrell kicks off to Stevenson, who took the ball on the 15 and got back to the 33 as the period ended.

Fourth Quarter
Rice went off tackle for 8 yards, then hit center for 9 and a first down. Rice makes a yard at center and Stevenson is dropped for no gain at end. Rice picks up 5 yards through guard. Rice's pass is intercepted by Worrell on the 40 and returned to the 45.

Worrell passes incomplete to Rogers. Another pass to Rogers loses 4 yards, and a third is incomplete. Worrell kicks to the Dimmitt 11 yard line where the ball is kicked.

Rice hits center for 1. Mooney picks up 5 yards at end. Rice gets a yard at guard, and Mooney kicks, Worrell taking the ball on the 46.

Hereford is penalized 5 yards. Worrell recovers a fumble at line of scrimmage. Worrell's pass to Wilson is incomplete. Worrell kicks to Rice on the goal line, and he gets back to the 17. Penalty is called on the play, however, and the Bobcats take over on the Hereford 43 yard line.

Mooney fails to gain at end. A pass drops incomplete, and Mooney goes off tackle for 9 yards. Rice makes it first down on the 39. Rice loses 3 at end. Worrell intercepts another Bobcat pass on the 20 yard line, and runs 80 yards to score. Worrell passes to Owens for the extra point, and the Herd leads 41-0.

Carlyle kicks off for the Herd, and the ball is downed on the Dimmitt 44. Rice gains at end. Rice's pass is almost intercepted by Ensey. Rice picks up 7 on an end run as the game ends.

And even though we can't tell you exactly when we can make delivery of your new Chevrolet, we can tell you that we are delivering cars as fast as we receive them from the factory—that we'll make delivery of your new Chevrolet at the earliest possible date—and that your patience will be well rewarded when you experience its Big-Car quality at lowest cost.

The new Chevrolet lists for \$100 to \$140 less than any other car in its field—enough to pay for many a service check-up on your present car!

KINSEY MOTOR CO. Hereford, Texas

WTCC Directors Hold Stormy One-Day Session At Abilene Friday; Close Represents Hereford

West Texas Chamber of Commerce directors, meeting in a one-day referendum convention at Abilene last Friday, held a stormy session over that body's 1947 program.

After spirited debate on some issues, the convention voted down one of the proposed planks, approved the other seven.

Biggest issue of the convention was the plank which proposed that the WTCC support a constitutional amendment to divide the University of Texas land fund revenues with other state colleges, and opposed an alternate plan set up by the presidents of Texas colleges to levy a 5-cent ad valorem tax for the support of these colleges.

The convention voted almost two to one against the ad valorem levy, and favored division of revenue from wealthy U. of T.

The convention voted in favor of abolishing the ad valorem tax in Texas, and opposed a resolution to divert state non-highway gasoline taxes to rural aid.

Harold Close attended the convention as delegate from the Hereford Chamber of Commerce. Close, accompanied by Jesse Wofford, local pilot, flew to Abilene Friday morning.

The 29th convention of the West Texas Chamber of Commerce, and the fifth of the directors' assembly type, will be held Friday at Abilene, headquarters city of the organization. Predicted is a record breaking

attendance of directors and delegates from the 145 affiliated towns, at the one-day all-business session.

Governor-elect Beauford Jester will be among the 200 expected attendants. He will speak at the chamber's annual luncheon session at Hotel Wooten, given in his honor and for the West Texas delegation of 58 senators and representatives who will serve in the 50th Legislature.

This year's WTCC referendum ballot contains 8 proposals for 1947 policies and activities. All were submitted in advance at the chamber's district meetings in October for study and debate by town affiliates and were finally voted on Friday. Generally the proposed program has aroused unprecedented interest and discussion around the territory, and on two issues active opposition has arisen.

President H. Y. Overstreet, Farwell, and the elections committee headed by C. B. Downing of Albany conducted Friday's floor vote as cast by directors or their proxies. Vote counting was restricted to towns having delegates present. The 8 policy planks were taken up in consecutive order and explained by chairmen of sponsoring committees, and other delegated spokesmen, as follows:

The proposed planks, and decisions on each, follows:

Plank 2, on making need the basis for eligibility for old age assistance and on widening ben-

efit coverage in the federal old age insurance program. By M.O. Ulmer, Midland, approved.

Plank 3, on using the state gasoline tax refund for improving rural life. By Gilbert Smith, Anson, and Harley Sadler. Opposition has developed to this proposal that the 4 c refund be remitted one-fourth to the rural school aid fund, one-fourth to counties for exclusive use on farm-to-market roads, and one-half to counties to be earmarked for soil conservation programs only. Disapproved by vote 2,642 to 388.

Plank 4, on permanently abolishing the state ad valorem tax for general revenue purposes. By Jas. D. Hamlin, Farwell, approved by vote 1,606 to 1,302.

Plank 5, for continuing the WTCC's current modest campaign of national industrial advertising and authorizing cooperation with the Texas Association of Commerce in advocating a statewide and state financed campaign restricted to industrial copy. By J. E. Cunningham, Amarillo, approved.

Plank 6 authorizing cooperation with the Chemurgic and Industrial Research Committee of Texas in a program of research into industrial marketing possibilities of agricultural products and other raw materials. By R. E. Wertz, Amarillo, approved.

Plank 7, proposing that in allocations for farm-to-market roads equal weight be given to county-to-state ratios of rural population, area, miles of rural and star routes, and vehicle ton miles traveled in delivering agricultural and livestock products. By W. R. Cusenbary, Sonora, approved.

Plank 8, on providing building funds for all state institutions of higher learning. This plank more than any other had brought lengthy debate at the district meetings and was opposed by the administration heads and boards of the 16 colleges. In it the WTCC committee, W. G. Alderson of Lubbock, chairman, recommends, first, "that we oppose any constitutional 5c ad valorem tax to create a building fund for state colleges," and second, "that we support a constitutional amendment for dividing revenues from

The House That 'Jack' Built

Benchwarmer

(Continued from Page 1)

rolling in high gear. The Whitefaces have racked up 221 points this season, to 55 for their opponents.

The Benchwarmer hasn't seen the Hornets in action, but the Whiteface line, from end to end, tops anything else in the district; and should be represented in at least four positions on the All-District eleven. Weak in reserve strength at the start of the season, Coach Stanton has developed at least two capable substitutes in the person of Bobby Owens at center, and James Corbett at guard. With Dyer and Millard back in harness to take over the starting berths, the Herd now has two experienced relief-men for the forward wall.

In the backfield, the combination of Rogers, Close and Worrell, with Whitaker and Hennington alternating in the other half-back slot, has developed into a smooth-running machine. Hennington who has been somewhat eclipsed by older heads in the backfield this season may be a standout star next year.

The Whitefaces should be recovered from the bruises sustained in the Canyon game by Friday night, and ought to be in top condition for the Tulla tilt. They'll need to be.

However, the Benchwarmer is going to string along with the Whitefaces on this one, despite the formidable opposition, and predict a Hereford victory. In other District games, Dumas should take the Dimmitt Bobcats handily, and Dalhart is favored to win over the Friona Chiefs, but don't bet any 95-cent shirts on that one.

The BW learned one reason for the Herd's outstanding performances on Whiteface Field when he attended a dinner given by the Football Mothers Club for the team at the Clubhouse after the game Friday night. With food like that to look forward to, the boys have a real incentive to play football.

By scrapping ships not slated for the active fleet, the Navy would realize less than one per cent of their original cost. Instead, the Navy will preserve 2,200 ships to two inactive fleets for 20 years at approximately the same cost as their scrap value.

the University Land Fund on basis of 40 % to the University of Texas and the Agricultural & Mechanical College of Texas, and 60 % to the remainder of the state colleges." There are 14 of these, 7 in the West Texas area, approved.

Whitefaces

(Continued from page 1)

line, climaxed by a 28-yard touchdown run by Worrell. Worrell kicked goal for the extra point, and the Herd led 28-0.

Halfback Hennington set up the next Whiteface counter when he intercepted Rice's pass on his own 35 and ran it back 52 yards to the Dimmitt 13. Close scored with an off-tackle smash on the third play, and Worrell's attempted conversion failed.

The final Whiteface score came late in the fourth quarter when Worrell intercepted a Bobcat pass on the 20 yard line and dashed 80 yards downfield to score. Worrell passed to Bobby Owens for the extra point, and the Herd led 41-0 as the game ended.

The Bobcats took to the air in a desperate attempt to find a scoring punch, with frequently disastrous results. Thirteen passes were attempted, three completed, and four intercepted.

The Bobcat forward wall made a gallant stand, and through most of the game held the Whitefaces to short but steady gains.

A Word of Sincere Appreciation

In announcing my resignation in the post office, I wish to take this means of telling you that it has been a genuine pleasure to serve you during the 27 years I have been associated with the Hereford office.

Naturally, during this period there has been times when everything has not gone smoothly, but even with these trials and tribulations, I want to say that the people have been extremely nice to me during the years I was privileged to serve you.

It is all of these little thoughtful deeds, a smile here, a remembrance and a kindness there and always a spirit of cooperation which prompts me to extend this word of Thanks.

Maybe it's "Western Hospitality" and certainly we do have an exceptionally fine group of people in Hereford. Anyway, I want you to know that I like it and that I shall always treasure the association which I have enjoyed with you during my service in the post office.

Mrs. Cecil Williams
