

Sank Ramey, Apostle of Truth (Hereford Water Division,) is more convinced than ever that the water from "the town without a toothache" is the world's finest. Sank reports that while in Dallas playing nursemaid to the Deaf Smith County exhibit at the State Fair he ran out of Hereford water and had to take a couple of drinks of the Dallas municipal supply. As a direct result of this contamination, Sank claims, he had to have a tooth pulled immediately after returning to Hereford. Not even three heavy slugs of Hereford's famous flourinated water could save the molar after exposure to the Tripley River!

A letter from Newburgh, New York, addressed simply to: JUST AN OL' CATTLE THIEF TOWN WITHOUT A TOOTHACHE TEXAS was delivered promptly the other day to Beryl Elliston.

The letter was from Dr. David Overton, one of a pair of New York doctors who were in Hereford recently representing the New York State Board of Health and investigating the mineral properties of Deaf Smith county water. Overton was retesting his thank-yous for a pair of dinosaur teeth from Palo Duro Canyon which were presented to him during his trip here. The prehistoric relics, estimated to be 165 million years old, were presented as a token of the fine qualities of soil and water in this area in preserving teeth!

Hereford schools will close on Thursday and Friday next week in observance of the Thanksgiving holidays, and Supt. Graham also announces that the schools will close on Friday December 20, and re-open on January 2 for the Christmas holidays.

Mrs. W. S. Fluit, chairman of the Garden Club committee on the Deaf Smith County Living Memorial project, has asked The Brand to announce that the committee will announce, through these columns next week, the price of pyracantha shrubs, which have been chosen for the Living Memorial project. The shrubs will be ordered early in December, and Mrs. Fluit wants all persons who are interested in planting them to place their orders as soon as the price is announced.

Jim Clark, who recently returned from a deer hunt with a party in New Mexico, is no amateur. (Continued on Page 5)

## Hearing on Bus Route to Lamesa Set at Lubbock

A hearing before the Texas Railroad Commission on a proposed bus route between Hereford and Lamesa will be conducted at the Hilton Hotel in Lubbock on December 10.

Jess C. Levens, vice president and general manager of the Texas, New Mexico, and Oklahoma Coaches, Inc., applicants for the bus route, advised Chamber of Commerce Secretary E.B. Posey this week that the date for the hearing had been set at Lubbock, and requested that representatives from Hereford join delegations from other towns on the route at the hearing.

The T-N-M. & O. application for a permit to operate passenger motor buses on this route was filed with the Railroad Commission last month. Petitions signed by heads of Hereford business, firms and civic organizations setting forth the need for the proposed route have been forwarded to Levens and are being presented to the Railroad Commission.

The proposed route would establish passenger bus service serving Hereford, Dimmitt, Littlefield, Levelland, Brownfield, and Lamesa, with Hereford and Lamesa as the northern and southern terminals.

A local delegation is expected to attend the Lubbock hearing, Posey said yesterday, and the members will be guests of Levens at a luncheon at the Hilton Hotel at noon on that date.

## Annual Election of ACA Committeemen Will Be Held December 12; Changes Announced

### Amarillo Special Good Will Train To Visit Hereford

A special "Good Will" train, sponsored by the Amarillo Chamber of Commerce, will visit Hereford on the afternoon of December 5, according to an announcement just received from the secretary of the Amarillo Chamber of Commerce.

More than 100 Amarillo businessmen, including wholesalers, jobbers, manufacturers and professional men, will make the trip.

The West Texas State College Band will accompany the train and give band concerts at every stop, and if time permits, the entire personnel of the special will stage a parade.

Henry Reisman, branch manager of the International Harvester company, is chairman of the good will committee. The delegation will be headed by Pinky Vineyard, president of the Amarillo Chamber of Commerce.

The train is scheduled to leave Amarillo on Monday, December 2, on a four-day trip. It will arrive in Hereford at 4:35 on the afternoon of Thursday, December 5, for a one-hour visit. A 20-minute stop in Friona is scheduled at 3:50 o'clock on that afternoon.

Included in the four-day itinerary are Canyon Happy, Tulla, Plainview, Hale Center, Abertonia and Lubbock on the first day out; Littlefield, Muleshoe, Farwell and Clovis on the second day; Carlsbad, Artesia, Hagerman, Dexter and Roswell, New Mexico, on the third day, and Portales, Bovina, Friona, and Hereford on the fourth.

### Daddy Day Has Situation Well in Hand

The future flag-pole sitter in the picture at the left is young Clayton Day, Jr., of Friona, son of Rev. and Mrs. Clayton Day. At the time the picture was made, young Clayton was only 6 months old, and he's been performing this balancing stunt since he was 5 months of age—with rest stops in between, of course. His dad, who provides the supporting hand, is pastor of the First Baptist Church of Friona, and vouches for this fact.

## Tulla-Phillips Battle Slated At Tulla Thanksgiving Day

The Tulla Hornets, representing District 1-A, will meet the powerful Phillips Blackhawks, champions of District 2-A, and defending Region 1 titlists, in a Thanksgiving Day football game on Younger Field at Tulla for the Bi-District championship.

Supt. I. H. Turney of Tulla High school announced the decision this morning. Temporary bleachers are being built at Younger Field to accommodate an additional 1800 people, Turney said today. A crowd of between three and four thousand fans is expected for the big game, he announced.

The Hornets, winners over Hereford's Whitefaces last Friday night in a 14-13 gridiron thriller, are co-champions of District 1 with the Hereford eleven, but represent the district in the bi-district championship play-off.

The Phillips Blackhawks ran rough-shod over all opposition in District 2-A to annex the title without difficulty. The two teams have already met once this season in a non-flip of a coin. Tulla won the toss.

## Schools and Business to Close for Thanksgiving Day; One Special Church Service Planned; Carnival at St. Anthony

### Two Communities Plan Dinners on Wednesday Night

Only one local church has announced special Thanksgiving Day services next Thursday. Rev. R. W. Ford, pastor of the First Christian Church, has announced that he will conduct a Thanksgiving Day service Thursday morning at 10 o'clock. The public is invited to attend.

### Christmas Gifts for War Veterans In Hospital Asked by Legionnaires

The Hereford Post of the American Legion is making plans to provide Christmas boxes again this year for American servicemen still in Veterans hospitals. A joint committee from the American Legion and Auxiliary will be appointed to organize the program, Frank Cogdell, Legion Commander, announced this week.

## FHA Takes Over Duties of FSA; Burch Named Loan Supervisor

Credit facilities and services formerly provided by the Farm Security Administration and the Emergency Crop and Feed Loan Division of Farm Credit Administration are available to eligible farmers through the Deaf Smith county office of the Farmers' Home Administration, Lester J. Cappelman, Texas State Director of FHEA announced today.

### Nine Community Committees To Be Eliminated

The annual election of Deaf Smith County ACA committeemen will be held on Thursday, December 12, F. G. Collier, secretary of the committee, announced this week.

Drastic changes in the organization of the Agriculture Conservation Association in this county will be completed with the elections in December. The county committee, governing board for the farm program in the county, will be elected this year in a county-wide vote, instead of by community committeemen.

The nine 3-man community committees which have functioned in the past will be eliminated. Permission has been granted by the State Production Marketing Administration to make this a one-community county, thus permitting the county committee to serve as the sole governing body for the farm program in the county.

The County Committee has set December 12 as the local election date, and has appointed a four-man nominating committee composed of one man from each of the four commissioners precincts in the county.

The names of five candidates will be presented by the nominating committee. Three members and two alternates are to be elected. These names will appear on the ballot, which will also have a blank line on which the name of any other candidate may be written in.

## Elliston Quarter Horse Sale Draws Big Crowd on Tuesday

Buyers from as far away as California, Wyoming, and Montana were in Hereford Tuesday to attend a public auction of 39 head of registered Palomino and Quarter horses, offered by R. W. and M. G. Elliston, local breeders, at the County Sales Pavilion.

The auction brought a gross sale total of well over \$10,000. The top 20 head sold brought an average price of \$716.85, the Ellistons reported.

This was a new type of sale, they reported, in that every head of horses offered in the ring was registered stock. Most horses were registered in both the National and American associations.

Barracuda, a sorrell quarter horse stallion, brought the top price at the sale, going at auction for \$1,000.

Population, a 15-year old registered Palomino mare, was sold for \$820 to bring the top price for mares.

Barracuda was bought by Duke Purdum of Stephenville, one of the biggest buyers at the sale. Population went to Elgin Miller of Arvada, Wyoming, who, with his brother, Bob Miller, was active in the bidding.

The sale attracted a large crowd of sightseers and buyers from Wyoming, Montana, California, Southern Texas, New Mexico and Oklahoma.

All stock was in range condition, the Ellistons reported, and none had been groomed for show.

Among the buyers were J. L. Rhoades of Odessa, Rhodes and Meeks of Sundown, Fischer of Albuquerque, Stovall of Panhandle, Hawkins of Belen, N.M., H. M. Duke of Amarillo, L. H. Hammonds of Crowell, Elgin and Bob Miller of Sheridan and Arvada, Wyoming, C. P. Warren of Bovina, Duke Purdum of Stephenville, Nancy Jean Manford of Vega (a ribbon winner at the last Amarillo quarter-horse show), Louis Cain of Hot Springs, N. M., Bill Queen of the LS Ranch, and Gordon H. Mead of Los Angeles.

President Fischer of the Palomino Association of New Mexico, was present for the sale. Other bidders included P. G. Newkirk of Clinton, Oklahoma, the Wharton Brothers of Dalhart, Jerry Hays of Stephenville, Red Foster of Roswell, and J. B. Frye of Woodward, Oklahoma.

The last public sale of Elliston horses was held here two years ago. Auctioneer for the sale Tuesday was Col. Meals of Memphis, Tennessee, the nation's foremost quarter horse auctioneer. Meals has the reputation of having sold more horses and mules than any man in the United States.

No outside horses were accepted at the sale, and no private sales were allowed.

### NEW PASTOR

Rev. Uel D. Crosby (above) is the new pastor of the First Methodist Church in Hereford, succeeding Rev. Marvin Boyd. Rev. Crosby comes to Hereford from the First Methodist Church at Seymour.

## Hereford B&PW Club Members At District Meeting

Seven members of the Hereford Business & Professional Women's Club attended the two-day District 9 Meeting of B & PW Clubs in Plainview.

The meeting opened Saturday, November 16, with registration at the Hilton Hotel. Those registering from Hereford were: Corinne Jennings, president; Dyalithia Brady, Ethel Robinson, Cecil Williams, Lilye London, Marcy Koelzer, and Frances Young.

Miss Marguerite Anderson of Abilene, president-elect of Texas Federation of B. & P. W. Clubs, spoke at the banquet on Saturday evening on the subject "Jobs-Justice-Peace," urging the elimination of the word "foreigner" from our vocabulary. She pointed out that we must erase from our thinking the myth of national sovereignty and destroy the ideology that war is inevitable. She asked that we remember that "an enemy is a friend that we have yet to meet."

A fun frolic was held after the banquet. Breakfast was at 7:30 on Sunday morning, after which reports were made from various committees from the nine clubs represented, Amarillo, Borger, Dimmitt, Dumas, Lubbock, Pampa, Panhandle, Plainview, and Hereford. The group was dismissed at 10:30 in order that those present might attend the church of their choice.

The conference was adjourned at 3:00 p. m. by Mrs. Adella S. Drew, district director, who presided.

## County H.D. Club Annual Christmas Party Is Planned

Members of the County Home Demonstration Club council, meeting Saturday at the County Court room, made plans for the annual Christmas party for the Home Demonstration club members of Deaf Smith County.

The party will be held at the County Club House on Saturday afternoon, December 14, at 2:30 o'clock. Mrs. Merlin Kaul, council chairman, announced this week.

Mrs. Y. E. Dodson of the Progressive club was appointed as chairman of a committee to arrange a program.

All past and present club members are invited to attend. Mrs. Kaul said, and past council chairmen and the English brides in this county will be special.

## School Faculty Honored With Banquet by Band Association

Faculty members of Hereford Public Schools were entertained by members of the Band Association at a banquet given in the dining room of the First Christian Church Tuesday night.

Guests were greeted by Mrs. Urline Stree, general chairman of the banquet, and Mrs. Tom Boyd, entertainment chairman. A "Get-Acquainted-Before-Dinner" game created an atmosphere of gaiety for the party with Miss Ethel Womble, Mrs. Geo. Graham and G. G. Heard receiving the prizes.

The Thanksgiving motif was carried out with candlelighting and varied decorations featuring fruits, nuts and fall leaves. Place markers for the guests were in the shape of autumn leaves in all of Fall's bright colors. Mrs. C. R. Lady, chairman of the decoration committee, assisted by Mrs. Earl Springer, chairman of food, and her committee, were in charge of the tables.

Superintendent of Schools Geo. Graham, gave the invocation. Mrs. Urline Stree introduced Mrs. Urline Stree, president of the High School Band Association, who welcomed the teachers and guests.

## Another Amarillo Basso to Sing in Civic Chorus

Paul Ellis, former Dean of Music at Amarillo College, who has recently returned from service with the armed forces, will sing one of the arias in the Christmas production of "The Messiah" which will be presented on December 8 in Hereford by the Civic Chorus.

Ellis will join the local chorus for the program to sing one of the major bass solos in the oratorio, Miss Mattie Mae Swisher, director, announced this week. Fifty-five singers were present for the rehearsal last Monday—the largest number to attend to date.

New members of the chorus present were Mrs. Minnie Jones, who has just returned from a visit to Minneapolis; Mrs. Ray Conover, Florence Wilhelm, Robert Thompson, Rev. Uel D. Crosby, and his daughter, Nancy Crosby.

## City Marshall Presents Plan At Lions Club

A proposal to re-vamp Hereford's traffic ordinances, provide traffic lights for main street, and parallel parking throughout the city received hearty endorsement by local business men yesterday when the plan was presented to members of the Hereford Lions Club by City Marshall Bruce Wooddell.

The suggested changes in local traffic laws had already been endorsed by the boards of directors of both Hereford Lions Club and Hereford Rotary Club.

Wooddell discussed the plan before the entire membership of the Lions Club Wednesday, and plans to present it to the Rotarians, and possibly to other civic organizations, for their suggestions and approval.

Wooddell proposes that the city commission adopt ordinances providing for parallel parking on Main street, and on other streets throughout the city; and that traffic lights be installed at all intersections on Main street from First (Highway 60) to Fifth Streets.

The present system of angle parking on Main street leaves only two narrow lanes for traffic, he pointed out. Parallel parking on Main would leave space for three 13 foot-8 inch traffic lanes, and would eliminate much of the (Continued on Page 5)

## State NAA Yearly Convention Held in Lubbock

LUBBOCK, November 12.—The annual convention of the Texas State Council of the National Aeronautics Association will meet in Lubbock November 22, 23 and 24, according to Fred H. Lindall, San Angelo, president of the council.

Among the topics to be discussed by the convention is the establishment of a state headquarters for the Council with a paid manager to coordinate the activities and efforts of, and to serve the local groups. Adequate financing of such a comprehensive program will also be taken up. Other topics which will be brought before the gathering are examination of proposed state legislation pertaining to aeronautics, adoption of a policy of action of the part of the council in this legislation, discussion and formulation of plans for a proposed State Aviation organization designed to combine the activities and strength of all Texas aviation organizations, promulgation of a uniform aviation effort for the common good, and election of new State council officers for the coming year.

A cash prize of \$50.00 will be awarded the chapter having the greatest number of members registered with the attendance committee by November 18. All registrations should be sent to M. D. Fanning, Lubbock Chamber of Commerce, Lubbock, Texas.

## Streu's Diary

DEAR DIARY:

It seems a bit difficult to start decorating the store for Xmas in the middle of November—or to display all the toys and dolls and things. I can remember the stores used to wait until December to start all that. Then some smart merchant thought about starting a little earlier so as to get ahead of his competition—so the competition started a little earlier to beat his competition—and—first thing we know every store will be Xmas decorated the year 'round—and, by every day contact with the things that used to mean Xmas, we will lose the spirit of the thing.

Looks like there might be plenty of turkeys for Thanksgiving and Christmas this year—and we are ready with heavy aluminum roasters in two good sizes—and lots of other fine cooking utensils as well. Just received a shipment of Wear-Ever pressure pans. These the ladies have been waiting for.

For the hunters we have a few shot gun shells, hunting license, cleaning rods, gun oil, gun cases, and a few double barrel shot guns.

A small allotment of gas heaters arrived today—the low priced asbestos backed variety—no butane stoves. Oil ranges are on display, and we have one oil heater left. Little hope of getting gas or butane ranges soon.

Just received: Rotary egg beaters—good rubber garden hose—all sizes pipe wrenches—all sizes Crescent type wrenches—new styled hassocks with storage space for Dad's slippers and favorite book—Christmas cards in singles or assorted boxes—novelty candles for outstanding Thanksgiving and Christmas decorating, and too many other new items in gift goods to list here.

Wonder what has become of all the agitation for a swimming pool—and better parks—and paved streets and alleys in Hereford? I wonder.

STREU.

## Annual Thanksgiving Banquet Held Honoring Husbands Of Club Members

LaPlata Club members entertained husbands and friends at the annual Thanksgiving banquet Monday evening at the First Methodist Church fellowship hall. Mesdames Homer Beasley, Liston Wilson, Palmer Norton and Dalton Criswell acted as official hostesses for the party.

The Thanksgiving affair began with the club's organization in 1933 and has been one of the highlights of the club's activities each succeeding year. The Thanksgiving theme was emphasized in decorations with a harvest-time centerpiece of

ruddy-toned fruit, pine cones and lighted tapers. A program of singing and bingo games entertained the group after the banquet.

Those attending were Messrs. and Mesdames; Bill Blood, Homer Brunley, Clyde Cave, Dalton Criswell, Willis Edelman, Jack Gilliland, Troy Moore, Gaylord Newell, J. R. Johnson, Palmer Norton, Elmer Patterson, A. J. Schroeter, Urlin Streu, Liston Wilson, W. J. Wilson, Mrs. Wayne Evans, Mrs. Bill Wolfe, Mrs. N. E. Milburn, Miss Marjorie Alderson, Miss Genevieve Eberle and Mac Pitman.

### SOUTH HEREFORD H. D. CLUB MEETS

South Hereford Home Demonstration Club held its regular meeting in the home of Mrs. Noah Shockley on November 19. The meeting was in the form of an all-day affair with a turkey dinner at noon honoring birthdays of several members.

Miss Sadie Lee Oliver conducted a lesson on "Nutritious Foods" and during the business meeting members voted to conduct a food sale on December 7.

Mrs. Clyde Cocanougher was welcomed as a new member and plans were made for the annual Christmas party on December 10 in the home of Miss Evelyn Bell.

Those attending were Miss Oliver, Miss Evelyn Bell, Mesdames; S. S. Williams, Julia So-well, John Draper, Ethel Layman, W. H. Goetsch, J. E. Dyer, R. M. Cantrell, Clarence Hol-labaugh, A. C. Flowers, Clyde Cocanougher, Ronald Matthews and the hostess.

## More Milk Needed In Adult Diets Say Scientists

Science is finding out that it takes more than a pint a day to keep the doctor away.

This is the substance of a disclosure today by the department of nutrition service of the National Dairy Council, on the basis of reports issued by nationally known scientists who are determining the amount of calcium required to maintain good health.

Calcium is necessary for the formation and maintenance of bones and teeth, for coagulation of the blood, for normal heart action and for the proper functioning of all muscles and nerves. Of all foods, milk is un-

Tulia Friday night were Mr. and Mrs. Robert Boyd, Mr. and Mrs. Earl Scott, Donald Dean Wilson, L. T. Hawks, Glen Wilson, Alex Bateman, Homer Rudd, and Ann and Robert Bateman.

equaled as the best provider of calcium in the human diet.

The findings were made public by President Milton Hunt of the National Dairy Council in the November issue of the Dairy Council Digest.

The Digest declares after discussing the findings:

"It seems obvious that the recommendation commonly made that the average adult should have, in addition to other items of an adequate mixed diet, at least one pint of milk daily to satisfy his calcium need now rests on even firmer foundation of scientific fact than in former years. It should be emphasized that such a quantity of milk would provide for maintenance only and not for a 'margin of safety.'"

"There is need, evidently for a reconsideration of calcium allowances for the post-adolescent period. Since bone development continues for a number of years beyond adolescence—it seems obvious that the customary pint-a-day adult milk recommendation falls short of providing adequate amounts of calcium during the half-decade or so immediately preceding full adulthood."

## Army Quartermaster Tests Indicate Sausage Keeps Better Minus Salt

Tests conducted at the Quartermaster Food and Container Institute for the Armed Forces at Chicago over a period of nine months have disclosed that fresh frozen pork sausage prepared without salt keeps better than the same product prepared with salt.  
 The tests were to determine a satisfactory method of preparing sausage for freezing to provide maximum stability, appearance, and palatability. It had been found that fresh frozen pork sausage developed rancidity after relatively short periods of storage at temperatures of 0 and 15 degrees F.  
 Three lots of sausage from the same initial stock were identically prepared except for seasoning ingredients. One lot was seasoned with sage, pepper, sugar, and salt. Another contained sage, pepper, and sugar only, and the third contained no seasoning. Samples were prepared from all lots, frozen at zero degrees, placed in storage at that temperature, and every 30 days portions were removed from each lot and submitted to chemical as well as taste tests.  
 At the end of three months it was noted that the sausage which contained salt had deteriorated in appearance, flavor, and odor. Taste tests indicated similar deterioration, and chemical examinations confirmed these indications.  
 After each succeeding month of storage and subsequent examinations, the samples containing salt continued to deteriorate in all respects and became so gray in color that it was necessary to taste test the three types under red lights to eliminate the ease of detecting the salt-seasoned sample from the two types prepared without salt.  
 The tests indicated that seasonings other than salt had little effect on the development of rancidity in the sausage during freezing, storage, and cooking. On the contrary, the type to which sugar, sage, and pepper had been added were slightly more acceptable and had lower deterioration values than the type which no seasoning had been added.

## Juanita Upton, Floyd Coker Marry In Ceremony Tuesday Afternoon

In a ring ceremony read before the altar in the First Baptist Church, Juanita Upton, daughter of Mr. and Mrs. Bill Upton of Summerfield, became the bride of Floyd Veldon Coker, son of Mr. and Mrs. Roy Coker, at 3 o'clock Tuesday afternoon. The altar was decorated with baskets of flowers and illuminated by white tapers in candelabra. Mrs. T. W. Roberson gave a short prelude preceding the ceremony, playing "To a Wild Rose (McDowell)" and "Because (D'Hardelot)" and the bridal chorus from Lohengrin as the wedding party entered. During the ceremony Mrs. Roberson played "I Love You Truly" and "Ah, Sweet Mystery of Life." Paul Coker lighted the candles. Rev. Marvel Upton, pastor of the First Baptist Church of

Whitdeer, and brother of the bride, read the ceremony in the presence of members of the two families and close friends.

Attendants were Mrs. Vernon Wilson, who wore a grey gaberdine dress with carnation corsage, and Bob Coker, brother of the bridegroom, who served as best man.

The bride was attractive in a winter-white wool Jersey frock featuring a short peplum and gold sequin trim. She wore a matching off-the-face hat and a shoulder bouquet of gardenias.

After the wedding a reception was held at the home of the bride's parents, after which the couple left on a short wedding trip. For traveling the bride chose a grey three piece woolen suit with gardenia corsage.

## Westway Home Demonstration Club Names Demonstrator for New Year

WESTWAY, Nov. 19.—Mrs. Joe Landers, home improvement demonstrator for the Westway Home Demonstration club, was hostess to members of the club and several visitors at a meeting Wednesday afternoon of last week at her home.

During the business session, demonstrators for 1947 were elected. Mrs. Landers was elected home food supply demonstrator; Mrs. M. S. Roe and Mrs. Joe Wagoner were named Landscaping demonstrators; and Mrs. Merlin Kaul was elected home improvement demonstrator.

Club members approved a family night party for Thanksgiving night, with a supper and games at the school house.

Miss Sadie Lee Oliver directed the completion of annual reports. The Home Improvement Demonstrator, Mrs. Landers, reported the following improvements to the Landers home during the year: two rooms added, two closets built in, new cabinet and sink in kitchen, re-papering and re-painting of the entire house, new curtains, new desk, four pictures and mirror added, two chairs upholstered and covered, and a chair and divan re-covered.

The next meeting of the club will be at the home of Mrs. Bess Wemer on Wednesday, November 27.

Visitors present at the meeting were Mrs. Roy Landers and Mrs. Guy Lawrence of Hereford, and Mrs. Nathan Thomas and Mrs. Ralph Johnson.

Upon their return the couple will make their home in Sumnerfield.

Mrs. Coker graduated from Hereford High School with the class of 1945. Mr. Coker attended Hereford High School and spent 21 months with the Navy in the Pacific Theater of War.

## Husbands Are Feted

Farm and Ranch Club members entertained their husbands at an Armistice Day buffet-party in the home of Mr. and Mrs. A. J. Walker. Mr. and Mrs. Walker's thirteenth wedding anniversary.

The buffet table was beautifully arranged with white chrysanthemums, ivy and red candles. Games of forty-two and dominoes were enjoyed with Mrs. A. J. Walker and Henry Melton high in forty-two and Miss Helen Seed and Chas. Burk making the high scores in dominoes.

Gifts were presented to Mr. and Mrs. Phillip Miller, Mr. and Mrs. Henry Melton, Mr. and Mrs. Roy Pruitt, Mr. and Mrs. Chas. Burk, Mr. and Mrs. G. S. Solomon, Miss Helen Seed, Waldron Melton, Billy Dameron, Bob Hadley, and the hosts.

Mr. and Mrs. D. C. Kinsey were in Amarillo Sunday visiting relatives. They were accompanied by Mrs. T. W. Roberson who visited her son, Hicks, who is a patient in the Veteran's Hospital.

Mr. and Mrs. Arlie Dean are spending several days with their son Jack Dean, and his family at their ranch home. Mr. and Mrs. Dean who formerly owned the ranch home here, are now making their home at Nara Vista, N. M.

Members present included Mesdames Jim Bookout, J. B. Coanougher, Elmer Combs, R. M. Gunn, Merlin Kaul, Joe Landers, Grace Little, Hughes Millard, M. S. Roe, Carl Schroeder, Earl Scott, and Joe Wagoner, and Miss Sadie Lee Oliver.

### BARNUM WAS RIGHT! C-C Secretary Urges Merchants Demand Solicitors Credentials

Barnum was right! The old adage that "there's a sucker born every minute" has been demonstrated again in Hereford and Chamber of Commerce secretary E. B. Posey, after listening to the walls of outraged business men, has about decided that the birth rate on suckers in this particular locality is above the national average.

The latest scheme for separating the merchants from their money was the sale of advertising space, at not-so-modest rates, on some "book covers" which were to be distributed in the county schools. The "book covers" turned out to be manila folders of the type used by some students as dividers for notebooks, and at least one school reports that a similar set, delivered last year, is still gathering dust on the shelves. The 1946 edition will doubtless suffer the same fate.

It should be made plain at this point that no school or school official in Hereford or Deaf Smith county had anything whatever to do with the scheme.

The two salesladies who promoted the deal were allegedly representing the schools at Dawn, but Carl Wimberley, former member of the county board of trustees from Dawn, reports that the ladies were not only unknown in that community, but had no connection whatever, either with the Dawn school or community.

Mr. Wimberley is still looking for some song books which were to have been delivered to a Dawn church some time ago as a result of another advertising sales scheme. The books have not materialized.

The "book covers," however, have undeniably been printed, since samples have been mailed to the subscribing merchants from a Lubbock printing firm which turned out the job.

Seventeen prominent Hereford business firms are represented in the advertisements on the folder. No. 18 has already been in to complain that the advertisement, for which he paid out good hard cash, was not even included. Mr. Posey reports.

The Hereford Chamber of Commerce, as a service to its members, offers to investigate all such sales schemes, and to certify all solicitors who are "on the level" but, Posey points out, the service is of no value unless merchants will demand credentials of solicitors and report them to the Chamber of Commerce before paying out any

### Traffic Ordinance

(Continued from page 1) traffic congestion and hazardous driving conditions which now exist.

To compensate for the loss in parking space, Woodell proposes that the city secure the use of at least three large vacant plots in the business section and maintain them as free parking lots.

With the present angle parking, he pointed out, it is theoretically possible to park 28 cars to the block on each side of Main street. However, with many drivers parking at odd angles, there is seldom space for more than 24 cars.

Parallel parking would provide space for 13 cars to the side in each block if 22-foot spaces are provided or 14 cars if the minimum 20-foot space is used. All day parkers would be urged to use the parking lots which would be provided. Hereford business men who drive their cars to work and leave them parked during the working day use at least 50 percent of the available parking space on Main street, Woodell estimated.

"The proposed parking lots would make it possible for anyone to park within less than one block of any business house on Main street," he said.

The parking lots, he estimated, would more than compensate

for the 50 percent reduction in parking space on Main street. Traffic lights would be installed at the highway, and at the Main street intersections of second, third, fourth and fifth streets if the plan is adopted.

U-turns on Main street would be eliminated.

A ten-minute parking zone around the Post office during business hours would also be a feature of the plan.

Parking along Highway 60 between the Santa Fe Depot and the Freight Office would be prohibited.

Members of the Lions Club gave unanimous endorsement to the plan as it was presented by Woodell Wednesday.

### Schools And

(Continued from page 1) program, followed by a box supper at Frlo community schoolhouse Wednesday night. Proceeds from the box supper will be used to buy light fixtures and for wiring the schoolhouse for electricity.

At Wyche, the annual Thanksgiving Dinner sponsored by the Wyche Home Demonstration Club, will be given on Wednesday evening at the Wyche schoolhouse at 7 p. m. A basket dinner will be served, with special entertainment to follow. The public is invited. Several social events during

the past few days have commemorated the Thanksgiving holiday. The LaPlata Club entertained husbands and friends with their annual Thanksgiving banquet last Monday evening at the First Methodist Church, and members of the Win One Class of the First Methodist Church were entertained at a Thanksgiving party last Tuesday afternoon.

### Annual Election

(Continued from page 1)

The County ACA office will mail these ballots to each eligible voter before the date set for the election, and either the farmer or his wife, or both, may cast a ballot.

To be eligible to vote in the election, farmers must have qualified for payment under one or more conservation practices during 1946, or he must have participated in some loan or insurance or related program of the Production Marketing Administration during 1946.

Between 600 and 700 Deaf Smith county farmers will be eligible to vote in the election this year Collier said.

All voting will be done at the ACA office in the courthouse in Hereford. Ballots may be filled in person or may be mailed, but all ballots must be in the office before 7 p. m. on the evening of December 12.

money.

"Nothing short of absolute cooperation on the part of business people can stop these sucker-plays," Posey says. "The holiday season will bring on an unusual number of solicitors for various causes. Be sure of what you are contributing to—call the Chamber of Commerce office for confirmation, and demand a certifying letter from all out-of-town salesmen."

The present County ACA committee consists of N. E. Gass as chairman; Paul Mathers, vice chairman, and J. T. Gilbreath, member; with Hartland Caraway as first alternate and J.C. McCracken as second alternate.

Elimination of the nine individual communities in the county ACA organization was requested Collier said, in order to streamline the county set-up and improve services by the committee.

Election of community committees in the widely scattered communities has long been a problem, since there were few meeting places and frequently little interest in the isolated elections. Also creating difficulties has been the problem of getting 27 committeemen together for meetings to decide matters of policy.

Deaf Smith county agriculture is so well integrated, Collier said, that there has been little necessity for having the organization spread over nine community committees. By securing state approval of the plan to make this a one-community county, the county committee, elected from the county at large, can form a central governing body for the farm program and eliminate the former unwieldy organization.
