

SIGHTS, FACES SEEN

Around Town

Hereford girl softballers, the Ramblers, have a game with the Dimmitt girls' team Thursday night at 8 p.m.

The Deaf Smith County Chamber of Commerce has a king-sized housing problem on its hands—finding housing accommodations for 60 persons engaged in administrative work for the new Troutman Brothers vegetable operation coming to Hereford soon. Cecil Massey, Chamber manager, said the units, some for single persons and some for families, must be secured by September 10. Anyone with units vacant are asked to call the C of C's office at 267.

All Hereford golfers are reminded of the inter-city match with Portales here Sunday beginning at 1 p.m. All who wish to participate are asked to contact Pro Bud Posey at the golf club.

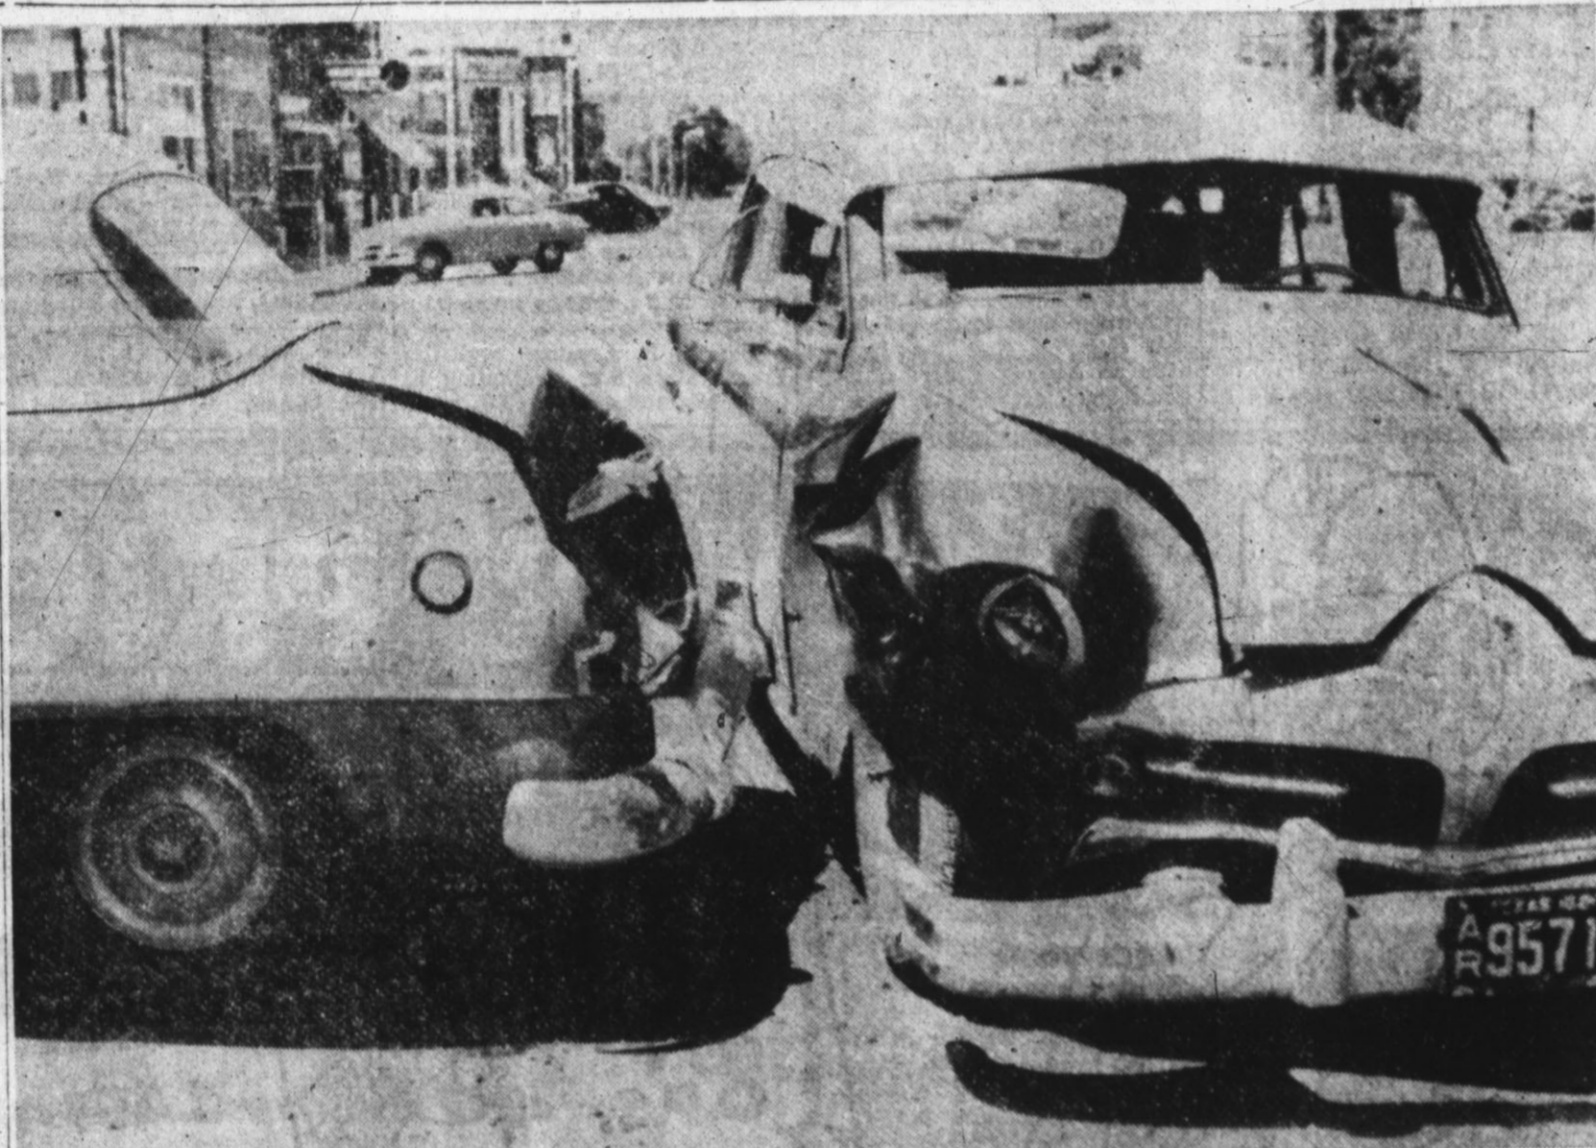

If you are planning on attending a college or university this fall, send your name and the names of your parents and the school you will attend to the society editor, Mrs. John McLean, 243 W. 5th St. or phone your information to 181 and your name will be included in the list of students who are going away to school now being prepared for The Sunday Brand.

Alex Thompson has a "throw-back" to the early days. In his office at the courthouse, he has a handsome picture of Franklin Delano Roosevelt in a glass frame with a small calendar at the bottom of it. The calendar has never been torn. The year—1934.

Newly elected officers in the American Legion Auxiliary will be installed Tuesday evening at Legion Home in Amarillo at the regular zone meeting. Those elected were: President, Mrs. Ira Ott; First V. P., Mrs. Cecil Parker; Second V. P., Mrs. Carlos Vaughn; Sect. Mrs. Monroe Parker; Treasurer, Mrs. Jim Childers; Chaplain, Mrs. Harold Pettyjohn; Historian, Mrs. Charlie Crowell.

Mrs. Ira Ott, Mr. and Mrs. G. H. Logan, Mr. and Mrs. Charley Crowell, Mr. and Mrs. Carlos Vaughn will attend the State American Legion Convention over the coming week-end in Dallas. The ladies will attend the Auxiliary meeting while the men will attend the Legion meeting. Carlos Vaughn is a candidate for State Sergeant-at-arms for the Legion.

Rev. Westoff of Tulsa will be the speaker at the First Presbyterian church here on August 10 and August 17 in the absence of Rev. Russell Wingert.

DAMAGES TOTALING about \$275 were inflicted on these two cars on Main street Tuesday afternoon. The car on the left was backing out of a diagonal parking place and the one

Brother Of Two Local Men Dies In Car Wreck

Purvis McCutcheon, brother of John I. McCutcheon and Leon McCutcheon of Hereford, was killed late Sunday night when his car hit a cow and overturned in a ditch six miles west of Altus, Okla.

McCutcheon, 46, was operator of a shoe repair store in Wellington. He was returning from a week-end visit with relatives.

Funeral services were held at 4 p.m. Tuesday from the Church of Christ in Wellington with J. P. Lusby, pastor, officiating. Interment was in the Wellington cemetery with Keso Funeral home in charge of the arrangements.

McCutcheon, who came to Wellington in 1942 from Duke, Okla., was born at Cooper, Texas, on February 15, 1906. He married Miss Mabel Young at Dodson on November 6, 1926.

Survivors include his wife, four sons, Herman of Shamrock, and Bobby, Joe and Jimmy, all of Wellington; three brothers, Roscoe of Beckville, and John I. and Leon both of Hereford; three sisters, Mrs. Jim Brawley of Eldorado, Okla., Mrs. Vera Dickson of Modesto, Calif., and Mrs. Flossie Fore of Amarillo.

Mr. and Mrs. Bill Kelly who live on a ranch near Del Norte, Colo., are here for a visit with her parents, Rev. and Mrs. R. H. Cagle.

Civil, Criminal Trial Dates Set

The docket for the August term of district court was set Monday by District Judge Harry Schultz for both criminal and civil cases. Dates for pre-trial of the jury cases were set for August 30 and trial of the cases on their merits was set for the week of September 30.

Three damage suits will be heard during the two periods listed above. Two criminal cases will also be heard. They are the cases against Texas Joe Lovett and Arthur Miller Morris of Amarillo for cow theft and against Tracy Bosley for assault with intent to commit rape.

The grand jury was impaneled and met but returned no bills and no indictments.

Jurors Empaneled
Paul Harvey was named foreman of the jury. Other members are: W. H. Andrews, Dock Robertson, George K. Muse, Otto Massey, S. R. Suit, Lloyd Sharp, E. G. Reinauer, W. L. Davis Jr., Byron Campbell, C. B. Womble and S. L. Harman Jr.

Civil cases to be heard in pre-trial August 30 and in jury trial September 30 are:

F. H. Oberthier vs. Ray Downey, et al, suit for damages; Pat Ranspot vs. H. M. Beach, damages; C. H. West vs. D. W. Finlan et al, suit for damages; and Zemula C. Farley et al vs. Lucian P. Parks, et vir, trespass to try title.

Cases dismissed were:

L. A. Putrell and Travis Jones, a partnership, vs Jack France and O. H. France, suit on pavement lien, dismissed on motion of the plaintiff and costs taxed against plaintiff;

City of Hereford vs. J. N. Wooten, trespass to try title, dismissed on motion of plaintiff, costs taxed against plaintiff.

Disposition of other cases on the docket made August 4 by Judge Schultz includes:

Fraser Milling company vs. Elise Pletzsch, passed for service; Minnie Earle Twiner vs. Jess S. Twiner, motion for contempt of court, passed for service; One divorce case passed for service;

Fraser Milling company vs. C. C. Casey, suit on note and mortgage, passed for the present;

Robert A. Singer vs. Thomas Cardwell, no service; J. G. Evans vs. L. W. Dennis et al, suit on note, passed for the present;

John P. Gallagher vs. J. O. Crawford et al, suit on no service.

Triplets Join In Birthday Event Tuesday

Four brothers and sisters—three of them triplets—celebrated their birthdays Tuesday in the home of Mrs. Tom J. Clay of Hereford.

The triplets—Mrs. Tom J. Clay, Mrs. Sumner Comer of Lockney and G. C. Adams of Ardmore, Okla., were 65 years old. Another sister, Mrs. Ella Easley of Ardmore, who also had her birthday Tuesday, was 70 years of age.

Born in Collins county, Texas, in 1887, the triplets moved to Ardmore, Okla., with their parents when a year old. They grew up in Ardmore and separated only when the two girls married and left.

Mr. Adams is a teacher and has been a member of the Ardmore school system for the past 41 years.

"Triplets were quite a curiosity in those days," Mr. Adams said. "Cleveland was president of the United States at that time and he sent congratulations and a picture of himself to our parents. When we were six weeks old we were taken to the Dallas fair and people came from all over to see the little triplets."

The trio plans, if at all possible, to attend the Texas state fair again together this fall.

Other guests at the celebration were Mrs. Zona Jones of Ardmore, Mrs. W. G. Hathaway of Lone Grove, Okla., Mr. and Mrs. T. J. Clay, Jr., and daughter, Pamela and Tom Clay, Sr.

No Charges In Accident Tues.

No charges were filed in a two-car collision in the 300 block of Main street at 2 p.m. Tuesday afternoon.

Damage estimated at \$150 was sustained by a 1951 Frazier driven by R. L. Layman when it collided with a 1950 Plymouth being backed out of a diagonal parking space in front of Harman's.

Driver of the Plymouth, which suffered about \$125 to the rear end, was Dorris Marie Brooks.

Layman was driving south on Main street after turning onto Main from West Fourth. The right front fender of the Frazier suffered the most damage on the Layman car.

No injuries were reported from the accident, according to J. C. Mays, who investigated.

Ike Wilcox is owner of the Plymouth and E. E. Layman is the owner of the other car.

Criswell Resigns Coaching Berth

Acceptance of the resignation of Dalton Criswell as coach was announced Thursday by Supt. George Graham. The board officially accepted the resignation Tuesday night. Graham said that no steps have been taken toward making a replacement, but that the board hoped to have a head coach employed by September 1, when spring training is scheduled to open.

Mr. Criswell this week became associated with Ray Downey in the implement and appliance business and says that he plans to devote his entire time to the business. Mrs. Criswell will continue as librarian in the Hereford schools.

Greater Opportunity
"I appreciate the cooperation always shown me as coach," Criswell said, "this includes the faculty, the students and the community in general. I hate to leave, but it seems to me that opportunities are much greater in business."

Mr. Criswell came to Hereford in 1946 and served three years as assistant coach under H. V. Stanton. In 1949 he was promoted to the position of head coach and has a record of more the 50 per cent wins during the past three years with six wins and four losses in 1949, seven wins and four losses in 1950 and four wins and six losses in 1951. In 1951, Criswell's boys won the district championship following a sensational upset of the Phillips squad.

They lost to Shamrock by a close margin in the bi-district game at Pampa.

Labs Remodeled
Remodeling of the science laboratories at the high school was also reported as completed by Mr. Graham. The laboratory equipment has been completely renovated and re-arranged for more practical use and to gain room. Floors have also been refinished and members during the summer months.

The board also said regular meetings will in the future be held on the second Tuesday of each month, rather than the second Thursday as in the past.

CRISWELL

August 31 Is Summerfield Reunion Date

Mrs. Ray Johnson was named chairman of the general committee to plan for Summerfield's annual homecoming celebration to be held August 31 at the community house in Summerfield.

Invitations will be mailed to all out-of-town former residents. A box will be placed in the Summerfield store for the placing of names for mailing invitations. Anyone wishing a friend or relative to receive an invitation, drop the name in the box for that purpose at the Summerfield store.

Charge Theft

Clyde Brummett was charged in county court on August 5 with the theft of 25 gallons of gasoline on August 1 from F. N. Lumbert.

Lumbert is the contractor for the Dawn F-M road.

Hereford School System One Of 20 In Nation Named For Study

The Hereford school system is one of 20 throughout the nation being studied by Clarence F. Amsden, superintendent of schools at Woodstock, Vt., for the Vermont State Department of Education.

Amsden was in Hereford for a few hours Monday morning when he conferred with Hereford school officials and quizzed them on policies, curriculum, salary schedule, practices and general policies of the local system.

State Recommended
Hereford was recommended to the Vermonter by the commissioner of education in Texas as the best for study in this school population group. The Vermont system of which Amsden is superintendent has 400 students in the high school.

The study is being made in 20 states, with one school in each state being selected for the paper.

In passing, Amsden made a few comments about Texas and Vermont systems. The salary sche-

dule, he said, is somewhat lower in Vermont than here. Whereas starting salaries here are \$2400, they begin at \$1800 in Vermont systems. Increments vary, however, and with experience, an educator may raise his income the same as here.

Hereford will be the only study point in the state of Texas for the Vermont educator. He came here from the West coast and is scheduled to go to Tulsa next.

Elementary System
Amsden talked with Supt. George Graham and also discussed the elementary school situation at some length with Miss Della Stagner, coordinator. He was traveling throughout the nation on behalf of this study with his family—a wife and four children.

Graham said the visitor was about 45.

In line with the lower salaries paid teachers in Vermont, Amsden said a five-room home there rented for \$55 a month.

FOUR BROTHERS and sisters, three of them triplets, are shown above in front of the birthday cake honoring their birthdays Tuesday. They are Mrs. H. G. Hathaway, Lena Grove Okla., and the triplets, Mrs. Sumner Comer of Lockney, G. C. Adams of Ardmore, Okla., and Mrs. Tom Clay, Hereford. Staff Photo.

Pitch and Putt

By J. M. Posey
 Does anyone know what hap-
 pened to the match between the
 new city champion and Old
 Streu? Probably they are going to
 wait and give an exhibition match
 during our invitation tournament
 in September. Sure thought
 that would have been played by
 now, wonder if someone is trying
 to back out? Looks like both have
 had plenty of time to get in con-
 dition.

Speaking of the Invitational in
 September, we must all get to-
 gether and work out some plans,
 as it is going to take co-operation
 from all of us to make a
 success of it. If any of you have
 any ideas, do not hesitate to
 voice them. Tell them to Bud and
 we can pass them on to the Tour-
 nament committee. We should
 have players from Tulla, Dal-
 wart, Friona, Clovis and Possibly
 Amarillo. Channer and myself
 went over to Amarillo last Sat-
 urday to take in the partnership
 tournament, but they did not get
 our score set down so we ended
 up by caddyng for Phillips and
 Davis. We got them through their
 first match alright, but ran into a
 little difficulty in the second, in
 the person of one by the name of
 Harvey who was one under par
 when Phillips and Davis were
 closed out. (That reminds me, I
 don't remember collecting any
 caddy fees, guess it must have
 slipped their mind). Better check
 with Bud on any activities for
 Sunday, as I have not talked to
 him, so don't know what is on
 tap. See you around.

League Champs Win First Of Final Playoffs

Hereford Hardware overcame
 an early-inning Dawn barrage to
 win the first game of the Here-
 ford Softball league playoffs
 Tuesday night, 13-7.

A big fourth, fifth and seven-
 th inning helped the defending
 champions take their first of
 three needed games from Dawn,
 the third-place team over the sea-
 son play.

Blue Turpin held the Dawn bats
 to 10 hits while his mates picked
 up an even dozen. They com-
 mitted three errors while Dawn
 fielders were guilty of only one.

Walt Lemons went all the way
 for the losing Dawners.

The second game of the series
 will be played tonight at Vets
 park beginning at 8:30 p.m.

The box score for the game
 was:

Buryl Fish Tells Lions Of Life At AL Boys State

Experiences at the annual
 American Legion Boys State,
 held this year at Austin June
 8-14, were recounted for mem-
 bers of the Hereford Lions club
 last week by Buryl Fish, who
 attended as representative of the
 local American Legion.

Buryl, who was chosen from
 a group of four junior students
 recommended by Hereford high
 school faculty members, was
 one of 461 boys of all races and
 religions representing all sec-
 tions of Texas at Boys State.

At Boys State, Buryl told the
 group, the youths get a better
 understanding of governmental
 affairs by taking an active part
 in a model government.

The youths had two political
 parties with nominees in the
 primary election. They elected
 officials at all levels of govern-
 ment, local and state-wide. Fish
 was elected senator.

Recreation activities for the
 boys included sports under the
 direction of Texas Tech coaches
 and a sightseeing trip to the
 state capital.

Fish will be a senior at Here-
 ford High school in 1953. He
 is active in school and church
 activities. He is the son of Mr.
 and Mrs. J. H. Fish.

Bob Higginses Visit Indians

Mr. and Mrs. Bob Higgins re-
 turned from Casa Blanca, N. M.,
 where they visited with Laguna
 and Yaccima Indians who have
 been buying registered cattle
 from Mr. Higgins for several
 years. In addition to observing
 three different Indian villages,
 they also saw uranium fields dis-
 covered in the vicinity a few
 months ago by a shepherd.

Mr. Higgins said that the gov-
 ernment already has machinery
 on the grounds in the new uran-
 ium field and that extensive de-
 velopment is expected in the area
 within the next few months. He
 also reported that the Indians
 have an excellent herd of high
 grade stock cattle.

Dimmitt Junior Baseballers Here Friday Night

Dimmitt's junior baseball play-
 ers will be in Hereford Friday for
 a game with an All-Star team of
 the Hereford junior league start-
 ing at 6 p.m.

The game will be played at the
 Central School athletic field.

Dimmitt will bring a good team
 with them, as they have been
 competing with the Lubbock ju-
 nior league. The game will be a
 five-inning affair.

H. V. Stanton and D. C. Mar-
 tin will be the umpires for the
 contest. The public is invited.

PMA Elections During August

The annual election of PMA county and community committeemen will be held this year during the last two weeks of August and the newly-elected committeemen will take office September 1, 1952. It was announced this week by Faust Collier, secretary of the Deaf Smith county PMA.

To be elected in each community are three PMA community committeemen and two alter-

nates and a delegate and an alternate delegate to the county PMA convention.

The county committee consisting of a chairman, vice-chairman and member as well as two members will be named at the county convention.

The earlier election and convention dates have been made necessary by new PMA procedure which requires that farmers' intention sheets, showing proposed ACP work for 1953, be completed by January 1, 1953.

As a result of the earlier date for completion of intention sheets, it is felt the date for com-

mitteemen to take office should be moved forward in order to allow sufficient time for training newly elected committeemen and also sufficient time for them to review and approve farmers' requests for ACP assistance prior to the beginning of the program year.

The vote for community committeemen and delegates to the county convention will be conducted during the period August 18-23. Voting may be done by mail or at polling places.

County conventions must be held not later than August 30 with newly elected committeemen taking office September 1.

Mrs. Walt Beavers and Walteen left Friday for Oklahoma. Mrs. Beavers returned Monday while Walteen remained for a longer visit.

Attending the Stewart-Payne reunion at Sulphur, Okla., over the week-end were: Mr. and Mrs. Zed Stewart and Mr. and Mrs. Clifford Stewart and children.

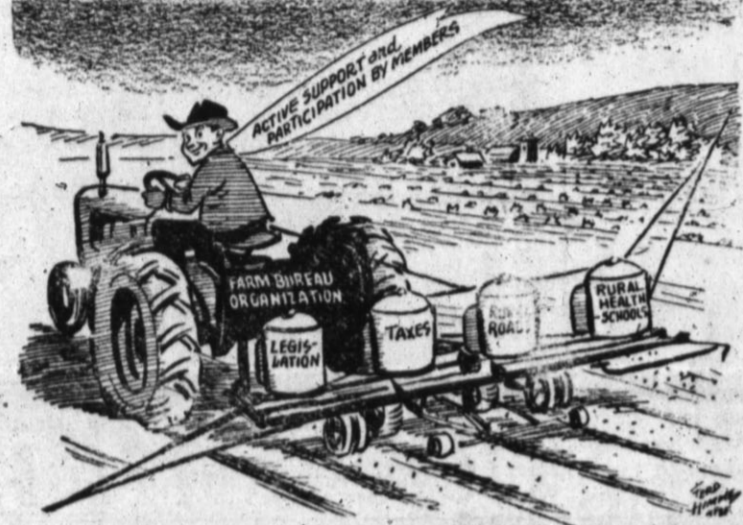

Mr. and Mrs. Wesley Cox and son are on a trip to Alaska. They are traveling by car and house trailer.

Mr. and Mrs. Roy Lee of Moebette were week-end guests of Mr. and Mrs. J. W. Dart.

Mr. and Mrs. J. G. Gandy of Capulin, N. M., spent Thursday through Saturday in the homes of Mr. and Mrs. Reece Stewart, Mr. and Mrs. Ray T. Stewart, and Mr. and Mrs. J. B. Caraway.

Mrs. J. B. Caraway entertained with a party Tuesday afternoon in honor of her son, Robert Eldon's sixth birthday. Helping him celebrate were: Larry and Tarry Gill, Charles Carathers, Rosamary and Linda Stewart.

Long Time Ago

45 Years Ago
(August 2, 1907)

The first concert to be given by the Hereford Cornet Band will be held on the courthouse lawn tomorrow night, beginning at 8:30. At the meeting of the Commercial club Monday night the band gave a few numbers which were highly appreciated by all present and convinced everyone that the band would meet the expectations of the people at their first regular performance.

W. G. Broyles, who lives near Arney, a Plains village about 15 miles southeast of Hereford, so far as reports go, has taken the prize this year in raising wheat according to scientific methods. He planted a small field of eight acres, and used his good judgment and sensible methods of preparing the ground, planting the seed and in cultivation, the result of which is shown in the yield. The wheat tests over 62 pounds and by weight made 23 bushels to the acre. The threshing was done by R. G. Stewart who says that the berry is of fine quality.

The secretary of the Commercial club is working to interest some out-of-town capitalists in the establishment of a flax thread and also a broom factory for Hereford. These two factories are some of the early possibilities for the city. That the Panhandle can produce the flax has long been demonstrated. That broom corn can be grown here is known to everyone. The quality, color and strength of the straw will insure a good article when manufactured into brooms.

What proved to be a most delightful performance was had in the piano recital by the talented boy, Joe Wynne, at the Presbyterian church last Tuesday evening. Though only 13 years old his playing was a revelation and a wonder.

25 Years Ago
(August 4, 1927)

Quite in line with the general apathy in evidence over the entire state, less than 200 Deaf Smith voters went to the polls Monday at a special election and added their bit to the landslide of opposition that completely snowed under the four proposed amendments to the constitution of the state.

Only two places of business failed to receive the "o.k." of state fire inspector Root who with Fire Marshall Charlie Bennett,

inspected the business section of Hereford, Friday.

"The business section of Hereford presents an unusually well-kept appearance" said Mr. Root, "and only in two cases was it necessary for me to order a clean-up."

A recent survey of Hereford made by T. E. Moss, secretary of the Chamber of Commerce, shows that there are 600 residences within the city limits.

All of these residence buildings are occupied at the present time which would indicate that the population of Hereford was at least 3,000.

The official census taken in the county in 1920 showed Hereford with a population of 1,600 and the county with a population of 3,700. The recent survey clearly evidences the steady development here during the past six years.

Plans to secure natural gas for Hereford have not been abandoned by local men who have been interested for some time in promoting the project.

Nothing in the way of a definite announcement can be made at the present time, according to May or E. S. Ireland, but it is not unlikely that such an announcement will be forthcoming within the next month.

Castro County Soldier Flies To Africa Duty

Lt. and Mrs. Andrew Behrends left Sunday night from Amarillo for New York where they will spend a week or 10 days before flying to Africa for Lt. Behrends new duty station.

Behrends, 22, is a graduate of Spring Lake high school and Texas Tech in 1951. Shortly after graduation, he volunteered for duty in the Air Force and was in training at Lackland Air Force base for six months, following which he was sent to Denver, Colo., for three more months' training.

He is going to Libya with three other Texans, all of whom were in training together. Mrs. Behrends will join him later.

Behrends is the son of Mr. and Mrs. Andrew L. Behrends of Castro county. He is the grandson of Mr. and Mrs. J. D. Story of Hereford.

Plans Being Made For Youth Revival At Church August 27

By Mrs. Owen Andrews Plans are being made for a Youth revival at the Frio Baptist church to begin on August 27 (Wednesday night) with night services each night and concluding with Sunday services. Dan McLallen will preach and Wade Thompson will direct the music. A Youth Choir will have a part in the services. This revival will be for everyone with the Young People directing it. All who are interested are urged to attend. Several people in this community attended the funeral, Friday, for J. S. Smith of the Easter community. Among his children who live away and came home for funeral services were: Claud Smith, who now lives near Roseburg, Ore.; and also two of Mr. Smith's daughters from California. They flew here and expected to return by air the first of this week. Claud is among the younger of the children and grew up here. Recent visitors in the H. E. Robbins home were his cousins, Mr. and Mrs. J. R. Luna of Ft. Sumner, N. M., and sister-in-law, Mrs. Jeanette Robbins of Canyon. Mr. and Mrs. J. H. Denson of Anton were here visiting her sister, Mrs. W. O. Wilson and Rev. Wilson, during the week. On Monday, they and the Wilsons planned to visit Mr. Denson's relatives in Tucumcari. Mr. and Mrs. E. H. Little, Lyla and Betty Robbins were shopping in Amarillo Thursday. Mrs. Herbert Hathaway and children of Belton, N. M., spent Sunday night and Monday in the home of her uncle H. D. Robbins. The W. H. Thompsons visited the M. B. Odoms south of Dimmitt Sunday afternoon, and with Mrs. Thompson's sister, Mrs. W. L. Fisher of Oklahoma City, who was visiting in the Odom home. Mr. and Mrs. Lester Irwin are announcing the birth of a daughter, whom they have named Connie Nell, on August 1 at the Dimmitt hospital. They came to the Leonard Irwin home on Sunday

to a wheel chair. Sunday afternoon callers in the Arthur Blackburn home were Mr. and Mrs. Adam Flowers and Neida, and Mr. and Mrs. Ralph Paul and Mildred, all of Hereford, and Rev. Wilson. The Blackburns were guests in the home of her brother, Carlyle near Summerfield Monday night for an ice cream supper. Miss Evelyn Benson returned home Saturday from St. Louis where she has taken a summer course in a music school. Mrs. T. L. Sparkman Jr. and children and Miss Alma Andrews spent Thursday night and Friday in the home of their sister, Mrs. Charles King in Amarillo. While there, they helped Mrs. King paper part of the King house. Miss Alma Andrews took Sunday dinner with the Misses Robbins. Mr. and Mrs. F. Y. Moreman of Hereford visited the home of their daughter, Mrs. Frank Robbins Thursday night. Spicer Gripp has returned from a trip to Cheyenne, Wyo., where he took part in the big rodeo. He placed, winning a cash prize. Mrs. Gripp and Nancy visited relatives at Panhandle while Spicer was away. Mrs. Dennis Carter of Perryton, daughter of Mrs. and Mrs. Leroy Aven, spent the week-end in the home of her parents.

Lettuce Coming Up, Spraying As Protection; Row Crops Develop

By Mrs. R. C. Childers
The lettuce which was recently planted in this community is up and is being sprayed this week as a precautionary measure for insects. It is so small that it is barely visible to the eye, but is very tender and at a very delicate stage.
The maize on the Pat Ranspot farm has already headed. It is a beautiful sight, as it is so perfect and uniform in size.
The corn is beginning to tassel and is about seven feet tall on the R. C. Childers farm.
The showers which fell Sunday evening and Monday night were a welcome relief to the dry and suffering row crops and pastures. Farmers are irrigating day and night trying to cover their land.
LeRoy Packard had the spare tire stolen off his pickup Saturday night in Hereford. The tire was new and had never been on the ground. He notified the officers of the theft but as yet he has not had any report of its whereabouts.
Patsy Jackson of Hereford and Mr. and Mrs. J. H. Babcock and their daughter Sweetie of Kermit spent the week-end in the R. C. Childers home.
Mr. and Mrs. Wayne Johnson and Mrs. R. C. Childers-Raymen and Patsy, Mrs. J. H. Babcock of Kermit, and Patsy Jackson were all guests in the home of Mr. and Mrs. John Johnson of Pampa, Sunday.
Other guests there were Mr. and Mrs. A. H. Inman of Plainview and Mrs. Allie McNeill of Wayside, Texas.
Raymond Childers Jr. left Monday morning with his uncle and aunt, Mr. and Mrs. John Johnson of Pampa, for Harrison, Ark., where he will visit his grandparents, Mr. and Mrs. Earl Johnson. They were accompanied by Mrs. Allie McNeill of Wayside, who is Raymond's aunt.
Mrs. Lyle Rickman reports that Larry is doing fine. He recently returned from Dallas where he

Labor Surplus Right Now, TEC Office Reports

With a spud harvesting and processing completed and cotton hoeing nearing an end, Deaf Smith county is faced with a surplus of field-laborers, according to Tom Bourland, manager of the Texas Employment Commission office in Hereford.
There isn't much in sight for laborers, the TEC manager said, although he expects to have orders for about 35 lettuce-thinners shortly.
As of the close of business Friday night Bourland estimated about 1,000 laborers in the county as being unemployed temporarily. "That situation could change drastically within a very few hours, however," he added.
Many of the one-time labor force of 3,500 migrants here have gone to the Valley, Bourland said, to follow cotton operations there.
Although work has "slown down quite a bit in the last week," crew leaders are checking in with the employment office for any openings that might develop.
There will probably be unemployment for many of the migrant workers for about a week, Bourland estimated. "We have an adequate supply of labor for almost any type of work," he concluded.

Mothers attending were Mesdames Marvin Tisdale, Mrs. Bill Kendall, Mrs. Irvin Robinson, Mrs. Glen Hopson, Mrs. Bradley Lookingbill, and Mrs. R. C. Childers, Larry's grandmother, and the hostess.

Ramblers Win Over Spring Lake, 29-22

The Hereford Ramblers, girl's softball team, won a high scoring game over Spring Lake Monday night, 29-22.

Three Hereford sluggers hit for the circuit in the free-for-all.

Zelda Denges pitched and Doris Witherspoon caught for the locals.
"Oklahoma" is a Choctaw Indian word for "red people."

Lt. Daniel Russell Visits In Hereford

Lt. Daniel Russell has been visiting his wife and mother, Mrs. W. H. Russell, for the past week. Lt. Russell has been on a tour

of the U.S. attending supply school. At the present time he is in Oklahoma City completing a four-month course. He will return to Hereford on August 18 for a few more days of visiting.
Following his visit here, he will return to Hamilton Field,

Calif., where he was stationed for the past year.
Mrs. Henry Melton left Monday for Dallas where she will receive medical treatment. She was accompanied by her sister, Mrs. Travis Lively of Pampa.

Mr. and Mrs. O. W. Carter of Big Springs spent Friday and Saturday in the home of her parents, Mr. and Mrs. H. D. Bryant.
Marlene Gilliland left Friday for San Francisco where she is visiting relatives.

1/2 cup butter or margarine
12 peach halves, fresh, canned or frozen
1 teaspoon cinnamon
2 egg yolks
1 cup heavy or sour cream
Start your oven at 400F or hot.
Sift flour, baking powder, salt and 2 tablespoons of sugar together. Work in butter or margarine with 2 knives or pastry blender until mixture looks like corn meal.
Put into an 8" ungreased square pan and pat an even layer over bottom and half-way up sides of pan with your hands. Place peach halves over pastry (drain canned or frozen), sprinkle mixture of cinnamon and remaining sugar over and bake 15 minutes. Now mix egg yolks and cream together, and pour over kuchen.

Cotton Defoliation Hints Offered By Extension Service

COLLEGE STATION — The ever-increasing use of machines for harvesting cotton have also increased the use of chemicals as cotton defoliates. Defoliating the cotton plant, says Fred C. Elliott, cotton work specialist for the Texas Agricultural Extension Service, is a practice, which when properly carried out, will materially improve the machine harvesting job.

Here are Elliott's suggestions on doing a successful job. The timing of the application of the defoliant is very important. In order to get the maximum staple length development and yield, Elliott says the defoliant should be applied no sooner than 35 days after the period of maximum blooming. Another way to time the application is to wait 30 days after the cotton has quit making or when the youngest bolls are 30 days old. This condition will exist in most fields when about 10 per cent of the bolls are open. The defoliant should be applied from ten days to two weeks prior to intended picking dates in Central and South Texas and from two to three weeks on the High Plains.

When calcium cyanamide is used as a dust, the plants must be wet with dew or when adequate dew is forecast. The chemical to be most effective must remain in moisture on the leaf for at least two hours but four or more hours of moist exposure are preferred. Monosodium cyanamide does not depend on dew for activation but takes the needed moisture from the air or from the leaf. The leaves, however, should be green and not wilted, says Elliott.

Spray defoliants may be used in the absence of dew and when humidity is low; however, the specialist emphasizes that the plant must be thoroughly covered with the material. If an airplane is used for applying the defoliant, a flagman should always be used. Fenders should be used on ground equipment in rank cotton.

Elliott points out that a better defoliation job is obtained when the cotton is mature, leaves not wilted nor toughened by drought or starved by a lack of soil fertility, when plant moisture is adequate and the weather is warm and humid. He emphasizes the importance of using weather forecasts as an aid when defoliants are being applied.

Defoliate only enough acreage to stay ahead of the picking, says Elliott and he warns against using any defoliant that is not labeled as to its exact chemical content. Using chemicals as defoliants which have not been tested may injure the open fiber, the unopened bolls or worst of all may cause fire hazards at the gin.

One final caution, Elliott says before making the application, thoroughly clean the spray tanks, pumps and lines and nozzles to remove residues left in the equipment by insecticides. The spray machines should be flushed with water after each day's operation. Elliott suggests to cotton producers interested in obtaining more information on the subject that they contact their local county agricultural agent and ask for a copy of L-145, Cotton Defoliation Guide in Texas. The leaflet has only recently been released and contains the latest recommendations covering the use of many defoliants.

Third Annual 4-H Party August 12

Deaf Smith county's third annual 4-H boys and girls party will be held at 8 p.m. in the Central school gymnasium on August 12. Miss Clara Redman, assistant HDA, said that the girls and boys plus their families are being invited to the annual event. There'll be games, refreshments, group singing, get-acquainted games, folk games and a flag-raising ceremony conducted by Betty Lou McGoughy.

Miss Redman and Hugh Clearman, county agent, are in charge of arrangements for the event.

Deaf Smith county has seven girls clubs and three boys clubs. Membership in the boys clubs is about 72 and about 132 girls are in the seven clubs.

Touring Boys From Midwest In Visit With Relatives In Friona

By Mrs. E. R. Day Sr.

Robert A. Schmidt and Jerry Cunningham of Wilmett, Ill., are visiting his grandparents, Mr. and Mrs. T. B. Armstrong and his aunt, Mrs. E. R. Day. The boys left Chicago seven weeks ago and have traveled in Canada and Old Mexico, and in several states. They plan to leave for Dallas and New Orleans August 1, and will start home August 18.

Mr. and Mrs. J. E. Knight called last week stating that Junior was recovering from an operation in Dallas. Reports Saturday indicated that he was able to be in a wheel chair.

Mr. and Mrs. Clyde Sherrib and son will leave Wednesday for Center, Colo., where they will visit in the Clyde Denton Home. They also plan to meet the Pete Braxton's in Colorado Springs for a sightseeing trip. The Braxton's are returning from Yellowstone National Park.

Tila Rue Day, a student nurse at Northwest Texas hospital in Amarillo is home for a three week vacation, accompanied by her roommate, Virginia Whitaker. She also plans to accompany her parents, Mr. and Mrs. E. R. Day Monday August 11, when they leave for New London, Conn., to visit their son, E. R. Day Jr. The Days will also visit in Warren, Pa., with T. E. Armstrong and family. Mr. Armstrong is Mrs. Day's brother.

Mrs. Mary V. Huitzman of San

Jose, Calif., has been visiting her cousin, Mrs. Pearl Kinsley, and left last week for Upper Sandusky, Ohio, to visit her brother and sister. She plans to return to California around November 1.

Mrs. Grace Hart and son, Roy, and "Uncle" John White writes a card saying they arrived in Illinois and are having a wonderful time. They plan to attend a family reunion.

Visitors in Portales recently were Mr. and Mrs. Clarence Ashcroft and Betty Zon, Carol Blackburn, Mrs. Willis Parker and girls, Janie and Carolyn. They visited with Mr. and Mrs. Berry.

Mr. and Mrs. Hubert Singletery and family are visiting in Corpus Christi this week.

Mr. and Mrs. Jim Baxter and daughter Patricia, returned Saturday from Albuquerque, N. M.

Mr. and Mrs. Miles Robbins left Sunday for Perrin, S. D., to visit.

Mr. and Mrs. Newt Gore left Wednesday for Quinland, Texas, to visit his parents, and his brother, Milton Gore and family. They will also attend the Old Settlers reunion while there.

Mr. and Mrs. John Terry went to Paducah Monday to get his mother, Mrs. Rose Anderson who has been visiting there for some time.

Sixteen girls from the Methodist church attended a swimming party in Hereford last week.

State Rebecca VP At Initiation Of Local New Member

Georgia Ford, state vice-president of the Rebecca lodge, attended the initiation meeting of the local lodge here Tuesday.

Mrs. Lavone Malone was the new member initiated in the ceremony.

Those participating in the ritual were: Mesdames Ursalee Jacobsen, noble grand; Charlotte Calvert, vice grand; Alyette Lomenick, chaplain; Lydia Hopson, past noble grand; Bobby McEacham, warden; Mildred Renfro, conductress; Leta Kaul, pianist; Ruth Smith, Anna Willier, Leona Turner, Ola Hacker, Orpha Nickerson, Ada Hollobaugh, Edna Draper, Alta Davis.

Thirteen other members attended.

Refreshments were served. Those on the committee were Leona Turner; Bobby McEacham, Ola Hacker, Alta Davis and Anna Willier.

Mr. and Mrs. Clarence Davis spent the first of the week with Mr. and Mrs. Orlie Dean at their ranch in Nara Visa, N. M.

Mr. and Mrs. Worth Covington and children and Mr. and Mrs. Charles Seed and children have returned from a two weeks vacation trip to points in Colorado.

Motion pictures of Mexico, taken on a recent trip, were shown by Mrs. Joe Scott Menefee. The

pictures were made when the Menefees attended Lions International Convention there.

Hostess for the meeting were Mrs. Clyde Sherrib and Mrs. Curtis Menefee. Watermelon was served on the Sherrib lawn. Attending were Mesdames: Joe S. Menefee, Carl Hall, Joe Talley, Milton Bennett, Ray White, W. S. Crow, C. A. Turner, Elmer Euler, O. B. Meyer, Clyde Scarborough, Wesley Hardesty, George Messenger, T. E. Truett, O. C. Rhodes, J. M. Bradley, A. O. Woods and Judy, Laverne White and daughter, and Mae Short.

Capt. and Mrs. Clifford Estes and children left Monday for Fort Sill, Okla., where he is stationed after spending three and a half years in Germany with the armed forces.

Schuessler - Herzog Wedding Sunday

FRIONA — Miss Bertha Schuessler of Memphis, Texas, became the bride of Herman Herzog Sunday afternoon in the Lutheran church with Rev. E. W. Lichstinn officiating.

The church was decorated with yellow gladioli, dahlias and mixed garden flowers. The bride wore a dark blue suit and the brides made, a sister of the groom, wore a light suit. They each wore a corsage of white carnations.

Carl Hoffman was best man. Ring bearer was a nephew of the groom. After a short honeymoon the couple will be at home in the Rhea community, where Mr. Herzog owns and operates a farm.

Mirrors

The following are hints for the care of mirrors: Never hang a mirror where it faces a glare of light. The back should be protected so that no light or water can possibly enter. When cleaning, see that water is not allowed to trickle under the frame. A semi-dry method of cleaning is preferred.

Worm Killer

To exterminate earth worms in potted plants thrust unburnt sulphur matches, heads down, into the earth around plants. Use from two to six matches, according to the size of the plants.

Crisp Lettuce

Lettuce will keep longer and stay crisper if you wash it, roll in a dampened cloth, and place in the refrigerator in an earthen bowl.

Salt Bath

Salt baths will prove cooling on hot nights when it is difficult to sleep. Moisten a few handfuls

of salt and rub the entire body with the mixture. Rinse off under a cool shower. A tub of cool water into which several cups of salt have been thrown is also effective.

Moth Preventive

If the rugs are sponged occasionally with hot water to which a little turpentine has been added moths will not remain there. This treatment also brightens the colors of the rugs.

Grape Value

Grapes are raw wine. The pulp is nourishing and the juice is a laxative. They clear the voice and strengthen the vocal tissues.

Chafed Skin

If the skin is chafed because of perspiration, use fuller's earth. Wash the chafed portions and dry just a little. Dust the fuller's earth on the dampened surface and rub in carefully. Follow this procedure before retiring, and there will be no trace of irritation the next morning.

Tin Roof

A tin roof should be repainted at the first sign of peeling; otherwise, deterioration will set in and cause rapid rusting and leaks, and finally the necessity of a new roof.

Delicious Stuffing

Cream and Roquefort cheese make a fine combination blended together and used to stuff prunes or dates. A good addition of this mixture can be made with a few nuts ground fine.

Tar Stains

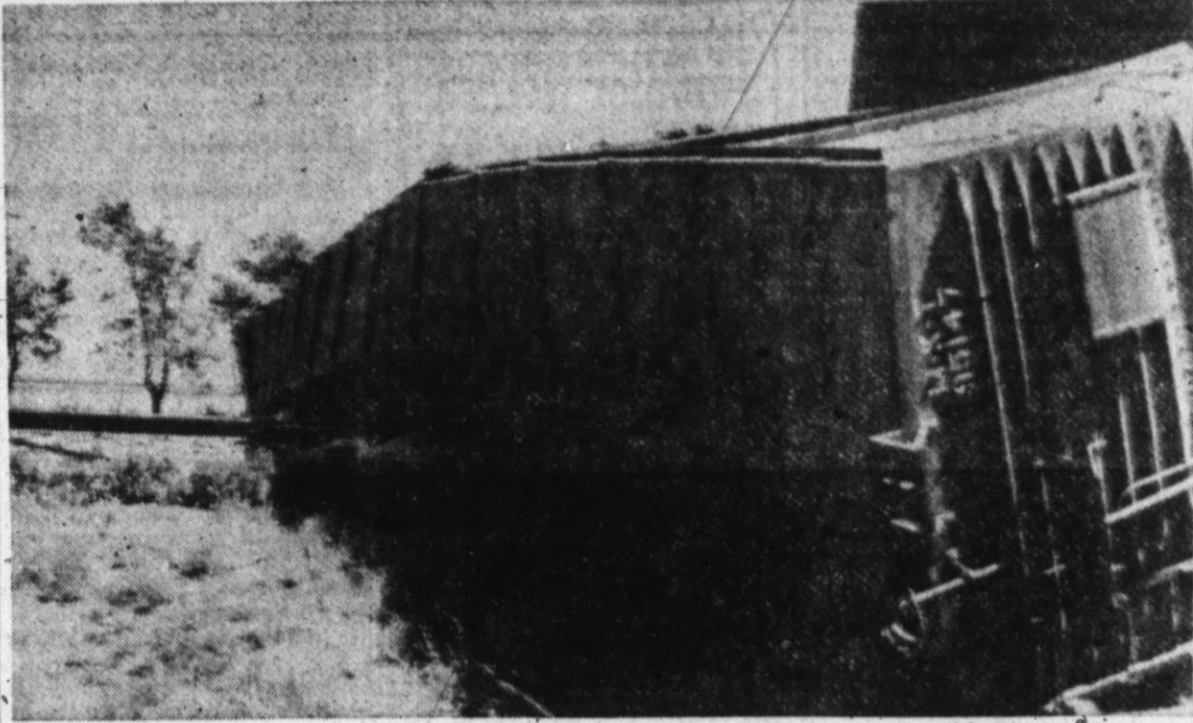

Tar or asphalt stains can be removed from cloth by rubbing with lard and letting this lie for a while. Then launder in the usual way using plenty of hot soap suds.

Entertains Dimmitt Sailor

Wiley Quattlebaum, who is at Ceta Glen Canyon working with a Christian group, entertained a group of his Hereford friends Saturday night with a supper at Ceta Glen.

Those present were: Mr. and Mrs. B. F. Cain, Mr. and Mrs. Bruce Beene, Mr. and Mrs. Jimmy Garner, Della Stagner, Dona Jean Stagner, Mr. and Mrs. Joe Edgar Powell, Mr. and Mrs. Bill Stanford, Pat Sullivan, Francis Young, and Mr. and Mrs. George Graham.

How Can I?

By Anne Ashley

Q. How can I clean excessively oily hair?

A. When one's hair is especially oily in texture, an occasional dry shampoo of finely-powdered orris root is a splendid help. Put the powder through a fine sieve, sprinkle through the hair, and then brush out with a clean, dry brush until every particle of the powder has been removed.

Q. How can I destroy plant insects?

A. Soak one tablespoon of smoking tobacco in one quart of water over night. Pour this solution on the soil about every thirty days; it will destroy plant insects and also fertilize the plant.

Q. How can I remove spots on tablecloths caused by candle wax drippings?

A. Rub the spots with cold lard or turpentine, and then wash in warm soapsuds.

Q. How can I make liver and cucumber salad?

A. Use one and one-half pounds broiled and chopped liver, one medium sized cucumber, diced, and mayonnaise. Chill the broiled liver, cut into small pieces mix with the other ingredients and serve on a lettuce leaf.

Q. How can I treat linens that have become very mildewed?

A. The stains can be removed by using a solution of four table-spoons of peroxide to one quart of water. Use enough of the sol-

ution to cover the garment, and boil gently for an hour or so until the stains are gone.

Q. How can I exterminate rats?

A. Place about their haunts a mixture of equal parts of corn-meal, brown sugar and plaster of Paris. For setting a rat-trap, use bread soaked in linseed oil, or a few drops of oil of rhodium.

Q. How can I prevent apples from getting brown and soft when peeling them for dumping or stewing?

A. Place them in a basin of cold water and a little salt, as each one is cut.

Q. How can I clean patent leather shoes efficiently?

A. The majority of furniture polishes are excellent for this purpose.

Q. How can I substitute a good tooth powder at home?

A. An effective tooth powder is common baking soda. Merely place a little of the powder in the hand, moisten the brush, and dip it in the powder.

Correction

By mistake the names of 12 Camp Fire girls who left Monday for Gallinas Canyon, N. M., on the annual Camp Fire camping trip were omitted from the list in The Sunday Brand. They were: Polly Monroe, Dollie and Betty Paetzold, Nona Marie Strange, Rosa Strang, Betty Walser, Linda Cavendar, Joan Fowlkes, Martha Bookout, Sue Chaner, Frankie Culppeper and Christine Thomas. Mr. and Mrs. F. L. Alexander also accompanied the group as sponsors.

Mrs. E. W. Hobson, Mary Durham, Lou Durham and Mrs. LeRoy attended a school of Missions at Lubbock last week.

Former Dimmitt Resident Dies Of Drowning

DIMMITT—Ray Alvin Newsom was accidentally drowned in the Colorado River in Austin Sunday.

Ray and his mother were long-time residents of Dimmitt. Mrs. Nora Newsom, his mother, moved to Albuquerque recently. Before his death, Ray was a sign painter in Austin.

The body is at Manor-Fueral home in Austin. Services are pending.

He is survived by his mother and two brothers, Jack Newsom of

Korean Vet Pay Applications Here

Applications for mustering out pay for veterans of the Korean War are being taken now in the office of Veteran Service Officer Ralph Smith.

Any former serviceman who served in the armed forces since June 26, 1950, is eligible for the mustering out pay, Smith said.

Minimum is \$100 for all those with 60 days or less of domestic duty. Those with more than 60 days of domestic duty will get \$200 and anyone with foreign service, will get the maximum payment of \$300.

Alaskan duty is considered domestic duty in the mustering out pay schedule, Smith said.

Payment will be made in a lump sum and processing is expected to be accomplished in a short time.

Applicants for the payment must bring their ORIGINAL DD-214, the form of separation or release from active duty. Smith cautioned that these documents SHOULD BE PUT ON RECORD before being sent away.

The local veterans service officer also said that processing for GI educational benefits for Korean War vets is now underway. This is being speeded up so those who wish to do so may enter the educational institutions of their choice by the fall semester.

Additional information on the mustering-out pay or educational benefits for Korean War vets can be obtained from Smith in his third floor office at the courthouse.

Summer Swine Management Is Important

COLLEGE STATION—Neglecting the pig crop now can cause trouble this fall. Growing pigs need attention during the hot summer months if they are to be ready for the early fall market, says E. M. Regenbrecht, swine husbandman for the Texas Agricultural Extension service.

Plenty of shade, water and a balanced diet are musts for growing pigs in the summer time. But because of the rush of farm work and shortage of labor, the pigs are often not provided with even the essentials for proper growth.

If shade is not available in the hog pasture in the form of trees, then it should be provided. A brush arbor type structure, provided it is large enough, is entirely satisfactory, says Regenbrecht or an upright frame covered with a thick layer of hay makes a good shade.

Regenbrecht recommends running the pigs on a legume pasture if possible. If legumes are not available, he likes sudan. Pigs on good pasture are not likely to become infested with worms and will be healthy. Protein requirements, too, can be cut in half by using pasture.

The easiest and surest way to have water in the hog lot at all times is with an automatic watering system. Pigs need much more water during the summer months and unless plenty of good, clean and preferably cool water is available at all times, they will not do good.

The use of self-feeders will save time, feed and labor and will insure that the pigs get their feed when they need it. The feeders can be filled during slack times or between other farm jobs. Growing pigs also need a supple-

ment along with the grain. This can be fed free-choice or mixed with the grain as can minerals if needed.

Committeemen Will See Farmers Under 1953 ACP Revision

Every farmer in Deaf Smith county is to have an opportunity to cooperate in the 1953 Agricultural Conservation program extended to him through a personal visit by a PMA community committeeman, says N. E. Gass, chairman of the county PMA committee.

This is following through on the "farm-by-farm, first-things-first" approach launched this year and carried out by PMA community committeemen contacts in one county in each state. In Texas this use of community committeemen to visit every farm was tried out in Milam county.

In all the counties where community committeemen made farm-by-farm contacts this year, there has been a stepping up of conservation and a definite trend to the more-permanent-type prac-

tices such as terraces, pasture improvement, and dams.

One of the first things the community committeeman does when he visits a farm is to help the farmer determine the farm's conservation needs. The use of each field or piece of ground for the crops for which it is best suited and in such a way that it makes its greatest contribution to meeting production goals is to be a guide in determining conservation needs.

Gullies, sheet erosion, breakdown of soil structure, and other indications of deterioration will be checked and conservation practices suggested to meet these problems. Assistance available under the Agricultural Conservation program will be directed to meeting the most urgent needs.

Where special assistance is required for some of the more technical conservation practices, the Soil Conservation service will be called on for help. The Extension service, Forest service, Farmers Home administration and other federal and state agencies will be asked to cooperate where their services are needed.

TB and the X-Ray Bus

Time was when the TB victim innocently walked the streets of his town undetected—and undetectable.

For who had the millionaire's pocketbook to pay for examining a whole town of a thousand people to sieve out one possible victim?

Now comes the x-ray bus, able to be TB detective for whole cities, for a few pennies a person. Millions of people now have their TB worries erased when the doctor says "Okay."

How long did it take to get the x-ray bus? Well, for its part, General Electric had been working on x rays for 57 years. Costs of diagnosis have come down by better and better equipment. No year passes without some new development. So this was another big chapter in a long book of events.

Notice the nice way these buses get into service. They are usually purchased by voluntary contributions of plain people trying to get a job done.

It is always hard to write a definition of the "American Way." But this hand-in-hand achievement of state and national health associations, General Electric, and the local communities comes close to being a perfect example.

Our Greatest Asset

Have you a heart? Of course you have. And yet it is not really your own. For hearts were given us that we might give them away. If you have come to yourself, you know that your heart belongs to the child whom you love. It is only when we have lost ourselves that we forget; that we try to satisfy these loving hearts with things. Not even gold or precious stones will long satisfy the hearts of men. Not even grown women and men will permanently satisfy us; we were made to be lovers of children. Only after they come into the house do we really have a home. So our children are the spiritual assets of every life and of every home.

How true must this be in the life of the nation! Why did the Pioneers seek a home in this new land? Surely not primarily for themselves, but for their children. Why do you toil through the long, hot day? Only partly for yourself and for the things that will satisfy your appetite. Children make our lives worth living; and they remain our real reason for being, no matter how old they may become.

How foolish then to deceive ourselves into serving other earthly causes! Like the great Father in Heaven we were made for loving; love is the very essence of our nature. God is love; man at his best also is love. And only our children give us adequate room for loving.

The future of our nation is with our children; the Kingdom belongs to them. Why not set them in the very midst of our planning and of our hoping for the future? We shall build wisely if we care not only for their physical well being, but even more for the furnishing of their minds and hearts. What great thoughts are we putting into their minds? What noble souls are we teaching them to love and to cherish? They are our insurance for the days ahead; they alone will be able to bring to pass the dreams that have urged us on. Let's invest our best in our greatest asset; the child of today; the woman and the man of tomorrow.

Texico Seventh Day Adventist President Visits In Hereford

C. G. Gordon, president of the Texico Conference Association of Seventh-day Adventists, visited July 12 in the local Hereford church.

Two young people were led in to baptism by Elder G. A. LaGrone, pastor.

Late in the afternoon he attended the class in Sabbath school teaching methods, where an enthusiastic group of members is following the course, "Teaching Teachers to Teach", as outlined by the General Conference Sabbath School Department.

A devotional service was held at sundown and then the young people and many of the adults gathered in a park for a social period.

"We feel", said C. G. Gordon, "that the Hereford church has set the ideal pattern for our churches in providing a Sabbath program, which includes worship, activity and social life that holds appeal for young people and adult members alike."

Debby Lou Thomas Falls, Breaks Collar Bone, Shoulder In Cast

By Mrs. Merlin Kaul and Mrs. Elmes Combs

Little Debby Lou Thomas is wearing a brace on her shoulders as the result of a broken collar bone received when she fell off the divan at her home last Friday evening. She is two years old, the daughter of Mr. and Mrs. Jimmy Thomas. Debby Lou will be required to wear the brace for at least three weeks.

Members of the T. J. Lockwood family were recent guests in the Jack Renfro home. The

family home is at Gerring, Neb., where Mr. Lockwood is a manufacturer of potato grading machinery. He has offices in several states and in South America from which country he has only recently returned.

Mr. Lockwood is a Scoutmaster at Gerring and he and his family have been on a camping trip to Philmont Scout Ranch near Cimarron, N. M., to attend a special training camp for Scoutmasters.

Larry Kaul of this community returned home from Philmont last week after a 10-day camping trip. The camp is for Explorer Scouts.

Jimmy Thomas has two badly bruised fingers -- and is lucky to have them only bruised. He reached up to adjust the fan on the tractor when some one stepped on the starter. The fan turned, and the fact that the engine did not start was all that saved Jim's fingers.

Mrs. Joe Landers was hostess at a coffee at her home Monday morning. Mrs. J. L. Stevens of Hereford gave a brush demonstration. Games, contests, and visiting were enjoyed by those present which included Mesdames Landers, Merlin Kaul, W. B. Nunley, Jackie Lynne, Ronald and Rickie, Cyril Diller, Guy Lawrence, Jack Renfro, Joe Wagoner, Johnny Townsend, Sandra and Terry, Jimmy Thomas, Dieder, Danny, and Debby, Elmer Combs, and Carl Schroeder and Anna Mae.

Mrs. Carl Schroeder and Anna Mae of Hereford were dinner guests Monday in the Merlin Kaul home.

Mr. and Mrs. Jim Auten, Jimmy Dale and Janie of Judsonia, Ark., were guests Thursday night in the J. C. Morrison home. Mr. Auten is a cousin of Mr. Morrison.

Vernon and Glen Wilson, sons of Mr. and Mrs. Roy Lee Wilson and Franklin Boyd, son of Mr. and Mrs. Robert Boyd have all returned home after spending several weeks harvesting in Kansas.

Mrs. Bennie Fulkerson and daughter Mamie of Roswell, was a guest several days last week in

the home of her sister, Mrs. Robert Boyd.

On Saturday, accompanied by Mrs. Boyd, her sons, Frank and Francis, Mrs. Fulkerson and her daughter left for Hollis, Okla., where they will attend the Ragdale family reunion.

Several members of the Home Demonstration club and their families went to Buffalo Lake Friday for a picnic. Those attend-

ing were Mr. and Mrs. Roy Lee Wilson, Nathan and Helen Jo, Mr. and Mrs. Johnny Townsend, Patsy, Sandra, and Terry Jan, Mr. and Mrs. Paul Rudd, Mr. and Mrs. Harold Rudd and daughter, Mr. and Mrs. Joe Wagoner, Gayle, Ann and Joe Bob, and Mrs. J. C. Davis, the mother of Mrs. Johnny Townsend.

Mr. and Mrs. Elvin Wilson and family are visiting his parents, Mr. and Mrs. Grady Wilson and other relatives in and near Faith, S. D.

Mr. and Mrs. G. C. Merritt, Sr. and G. C. Jr., left Friday for Snyder and Midland to visit relatives. They will attend a family reunion at San Angelo on Sunday. They plan to return Tuesday.

Mrs. E. B. Garrison went to Capulin, N. M., last Wednesday, where she visited a sister and her niece, Dixie Neal, who has been working Capulin all summer.

Mr. and Mrs. Robert Boyd were hosts at an outdoor supper Thursday night. Their guests were: Mrs. Bennie Fulkerson and daughter Mamie of Roswell, Mr. and Mrs. Jimmy Hypock and Phyllis and Mr. and Mrs. Glen Hypock, LaJuana and Timmy, all of Huntington Beach, Calif.; Mr. Mrs. Roy Boyd and Royda, Mr. and Mrs. P. H. Luck, Bernice Luck and Jon George Fraser all of Hereford and Francis Boyd.

Supper guests last Thursday night in the Paul Rudd home included Mr. and Mrs. Curt Griffin and Mr. and Mrs. Johnny Weeks of Amarillo, Mr. and Mrs. Ken Rudd and Tessa and Mr. and Mrs. Harold Rudd and Lynn Ann.

Mrs. J. C. Davis of Winters visited last week in the home of her daughter, Mrs. John Townsend. Other guests in the Townsend home Saturday night included Ray Davis of Abilene and Mr. and Mrs. L. C. Davis and Billy of Odessa.

Vernon Wilson and son, Joe of Abilene were guests Sunday night

in the Merlin Kaul home. Vernon, a brother of Grady Wilson, now of Faith, S. D., is a former resident of this community, having lived where the Lyle Rickmans now live. Mrs. Wilson and two other sons, Jimmy Ray and Christopher, are visiting her parents at Fort Sumner, N. M. Vernon and Joe were visitors Saturday night in the M. S. Roe home at Dawn.

Eugene Combs has returned home after spending two weeks visiting his grandparents, Mr. and Mrs. W. E. Combs at Plainview and an uncle at Clayton, N. M.

A few light showers of rain fell here Saturday and Sunday and brought some cooler weather Saturday and Sunday.

Most of the lettuce in this community is planted and is now being watered "to get it up". Most of the lettuce has been put on land that was in potatoes.

Mr. and Mrs. Glendon Harrison and sons, Gary and Ronnie of Dallas were visitors from Thursday until Sunday in the home of her sister, Mrs. Bernie Northcutt. They called in the Elmer Combs home Sunday afternoon. They have been visiting in California with his mother. They report the temperature 130 degrees when they stopped there enroute here.

J. C. Morrison and Mary Lynn left Monday morning with the Camp Fire group for the camp near Las Vegas, N. M.

Mrs. Buren Sowell has been ill at Deaf Smith county hospital. Her daughter Margaret of Amarillo spent the week-end here.

Mr. and Mrs. Ronnie Durham of Portales visited in the home of his parents, Mr. and Mrs. Byron Durham, and her parents, Mr. and Mrs. Bill Knox, over the week-end.

Mrs. M. E. Bradley and daughter, Mrs. Vivian Robinson, visited in the home of her brother, C. B. Thomas, over the week-end.
