

Two Charges In Highway Deaths

Charges of murder without malice and failure to stop and render aid were filed in examiner's court here Tuesday against Thomas Barrett, 33-year-old Hereford ex-convict following a double-death accident 1 1/2 miles east of Hereford on Highway 60 last Saturday night.

Killed in the accident, which occurred shortly before 9 p. m., were Mrs. Inez Cates Horn, 35, and her five-year-old daughter, Lana Kay. Mrs. Horn was killed instantly and her daughter survived the crash but died a few hours later.

Around Town

The Hereford swimming pool was closed for the season Wednesday afternoon following the resignation of Pool Manager Medford-Hammon. The pool also is without a licensed guard now.

The Walcott Parent-Teachers Association will hold its first meeting Friday Sept. 5, at 8:30 p. m. It will be the first meeting of the new officers.

At the regular Lions club meeting Bobby Goad, end-coach from Texas Tech showed a film on the football game of the Red Raiders of Texas Tech and College of Pacific, which was played at El Paso.

Lee Kent introduced Mr. Goad. Guests were: Carl and Jim Perrin, Mr. Ramsey, Dale Wallace, Robert Veigel, Joe Burlemayer and Bert Cagle.

Mrs. Rex Tynes turned her ankle and broke her leg when she fell while crossing the street from the Park Avenue Grocery store Wednesday morning, Aug. 20. Mrs. Tynes is recuperating at Amherst.

Lester Sims, who farms west of Summerfield, brought in a small, foot-long snake Wednesday, asking for some identification. The pencil-thin reptile has some of the colorings of a coral snake and a black head. Its entire brown length is covered with green bands bordered in black. (Continued on Page 2)

Four Per Cent Of Electors Vote Saturday

Less than 4% of the county's eligible voters went to the polls Saturday -- 164 out of approximately 4,000 eligible -- to cast their ballots in a lack-luster primary run-off to settle two contests, neither of them local.

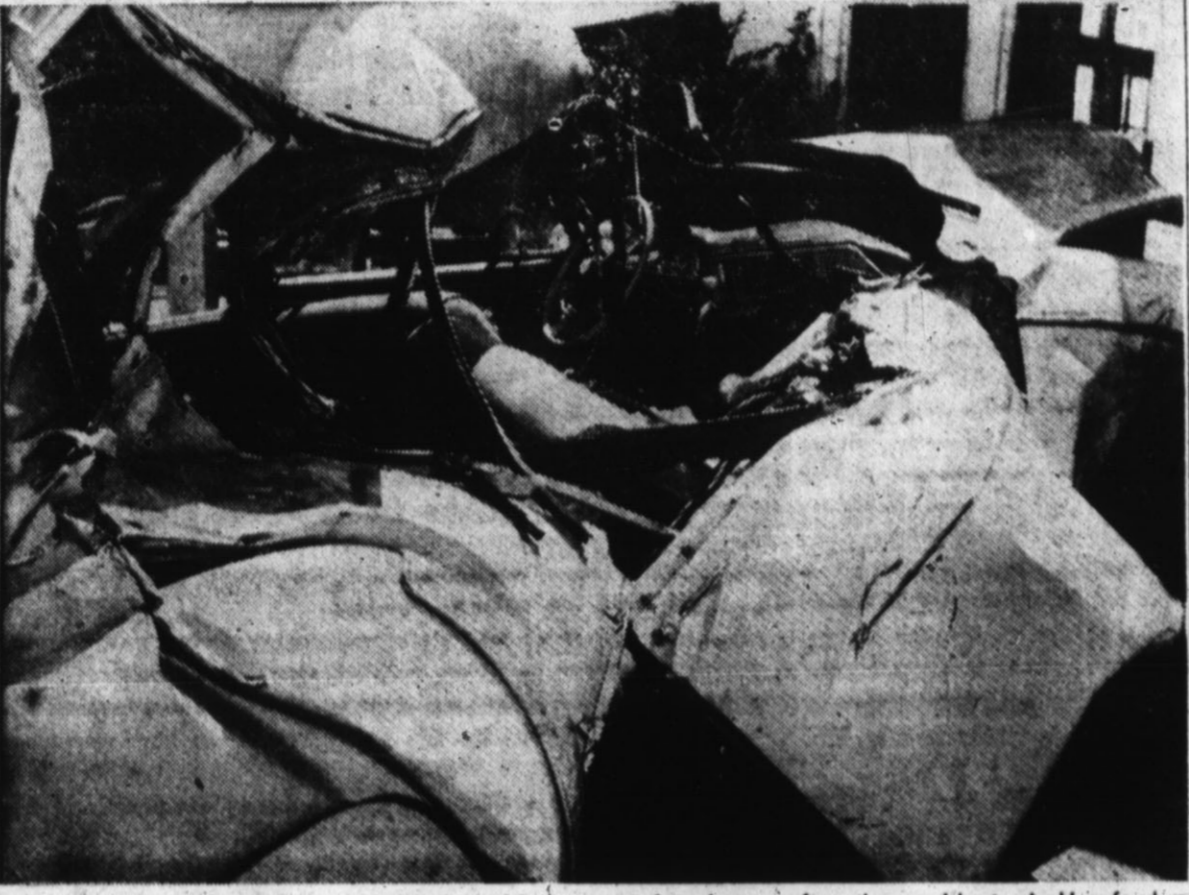

The electors of the county gave the edge for the state supreme court post to Frank Culver by a 125-33 vote margin. They did the same in the Seventh District Court of Appeals race, giving the edge to Ernest O. Northcutt over Joe S. Moss, 128-36.

In Hereford's three precincts, an even 100 votes were cast. Precinct 2 led with 56, Precinct 1 was next with 24 and Precinct 11 last with 20.

Table showing election results for Precincts 1, 2, and 11, listing candidates and vote counts.

Table showing election results for Associate Justice, Place No. 1, Supreme Court, listing candidates and vote counts.

Martin Dies was on the ballot for congressman-at-large but had no opposition.

MANGLED ALMOST BEYOND recognition, this 1950 Chevrolet is the auto in which 35-year-old Mrs. Inez Cates Horn of Canyon was killed instantly Saturday night east of Dawn on Highway 60. The victim's five-year-old daughter, Lana Kay, received fatal injuries in the accident also and died within a few hours after the accident. A Hereford man is being held in connection with the fatal accident. The husband and father, driver of the car above, is in fair condition at Neblett hospital, Canyon, with a broken collarbone. Staff Photo.

Committees For P-TA Are Named

"Strengthening Our Faith Through Service" is to be the theme for the Hereford Parent-Teachers Association for the coming year, the executive committee announces after a meeting Monday in the courthouse.

Robert L. Thompson, president, announced that the first meeting of the year will be held Friday, Sept. 5, in Whiteface stadium. This meeting will be a basket dinner with P-TA members, their families and members of the faculty.

Parents will eat with their children's teachers so they may become better acquainted, Thompson said.

Committees for the coming year were announced by Thompson. They include: YEAR BOOK: Mrs. George Graham, chairman; Miss Roberta Campbell, Mrs. Homer Brumley, Byron Durham, D. C. Martin, D. T. Martin and H. V. Stanton.

Connie Kent Is Polio Case With Minor Attack

Deaf Smith county's first polio case reported is Connie Kent, seven-year-old daughter of Mr. and Mrs. Lee Kent.

The girl is being treated at home by her mother for a minor case which was definitely diagnosed as polio last Saturday. Connie is in her 10th day of sickness.

Mrs. Kent told The Brand that her daughter doesn't have paralysis, but rather a stiffness in the right leg and arm. She is being given exercises and packs at home, but must remain flat on her back in bed.

Connie first became ill 10 days ago when she complained of a very high fever, bad headache and a stiff neck. Last Saturday, she couldn't walk on her right leg and she was diagnosed as a polio case.

Connie's illness fortunately will leave no after-effects, her mother said.

DINOSAUR TEETH said by archeologists to be over 165 millions of years old are shown above. They are part of a find of 2,000 teeth and vertebrae found by Ellis Photo.

More Than \$500 Stolen From Food Market

More than \$500 in bills was stolen from a small cash box under the check-out counter of the Hereford Food Mart sometime late Saturday night or Sunday morning; owner Bill McEndree reported to the sheriff's deputies here Monday.

McEndree told The Brand he first noticed the missing money--"as much as \$50, how much more I can't tell"--Monday morning at about 9:30 a. m. when he started making out his bank deposit slip.

The store owner told The Brand that there was no evidence that he could see of forcible entry into the store. The sheriff's office here said they had no leads on the theft.

The store was closed Sunday morning but was open from 12:30 to 4 p. m. Sunday. McEndree said he kept the cash box under the checking counter in front of the store during the daytime but locked it in the safe at night.

No silver or checks were stolen, just bills in \$1, \$5, \$10 and \$20 denominations.

Tour Of Farms Friday, 2 P. M.

Deaf Smith county farmers who want to see what their neighbors are doing will be taken on a two-hour conducted tour of five farms in this immediate vicinity Friday, Aug. 29.

The tour, sponsored by Deaf Smith county agriculture agencies and the Deaf Smith County Chamber of Commerce, will leave from the courthouse at 2 p. m.

Farms included on the tour will be those of Wayne Evans, Robert Kerschen, Raymond Higginbotham, Howard Gault and O. G. Hill Jr.

Sights the visitors will see on the five stops are: WAYNE EVANS: Twenty-three acres of permanent pasture planted before September 8, 1951 with the following mixture: Smooth Brome, 8 lbs; Orchard Grass, 6 lbs; Perennial Rye, 4 lbs; Kentucky 31 Fescue, 6 lbs; Madrid Clover, 2 lbs; and Hairy Vetch, 2 lbs.

The grass was planted on summer-fallow land. Drilled dry and irrigated up. Used corrugation system of irrigation. Applied 125 pounds per acre of 16-20-0 fertilizer at time grass was planted. Applied another 125 pounds per acre 16-20-0 in Spring of 1952. Started grazing pasture in November, 1951. Has grazed 40-50 head of cattle this past summer.

ROBERT KERSCHEN: Westland Maize was planted on June 20 and fertilizer was applied August 1. In this field, the first six rows on the east were fertilized at the rate of 80 pounds of anhydrous ammonium to the acre.

The next rows of the Kerschen field were given varying amounts and types of fertilizers.

\$227,375.28 City Budget Submitted

A budget calling for estimated expenditures of \$227,375.28 for the 1952-53 fiscal year has been submitted to the city commission by S. O. Wilson, mayor pro tem.

Funds needed for the city's operating expenses during the coming fiscal year will be raised through a tax levy of \$1.35 per \$100 valuation, the same as it has been for the past four years. Value \$7,597,915

During the past year, the city's assessed valuation has increased by more than a quarter million -- \$348,120 -- bringing the total assessed valuation for the City of Hereford to another all-time high figure, \$7,597,915.

A public hearing on adoption of the budget will be held at city hall September 8 at 10 a. m. The city's expenditures for the coming year are increased, Mr. Wilson explained in the budget submission, due to increase salaries necessary for city employees and the addition of other employees.

Water works expenditures are being increased in the new budget, due to salary increase and larger increases in water mains and the impending addition of another water well for the city's supply.

General Fund: The city's general fund requirements for the coming fiscal year, which runs from May 1, 1952 to April 30, 1953, will be \$117,330 as against estimated receipts for that period of \$46,150. The fund, as of April 30, 1952, had a balance of \$54,431.55. Seventy-five cents of the \$1.35 levy during the coming fiscal year will be for general fund expenditures.

Estimated requirements for the water and sewer revenue will be \$74,678.92. Estimated receipts from that account will be \$75,000. The fund had an April 30 balance of \$38,219.20, the budget breakdown showed.

The city's general fund requirements for the coming fiscal year, which runs from May 1, 1952 to April 30, 1953, will be \$117,330 as against estimated receipts for that period of \$46,150.

Rogers Wounded

Word has been received here that Sgt. Arnon Gayle Rogers of the 187th Airborne Regiment has been wounded in action in Korea.

The extent of his injuries has not been divulged. Rogers is the grandson of Mr. and Mrs. Henry Triefel and made his home with them before enlisting two years ago.

For the bond interest and sinking Fund, which receives 60c of each \$1.35 levy, will need an estimated \$32,826.28 during this fiscal year. The fund had an April 30 balance of \$47,264.26. During the last fiscal year, \$16,000 in bonds was retired and interest on bonds amounted to \$17,392.92.

The swimming pool account will use an estimated \$2,530.08 in the proposed budget. Estimated receipts will be \$3,750 from that branch of the city's activities.

Tax Receipts: Of the \$227,473.69 included in the 1952-53 budget, \$102,573.69 will be raised through the 1952 tax roll and \$124,900 from receipts through then general fund, water and sewer and swimming pool.

Estimated receipts under the general fund are listed as: Garbage fees, \$17,225; fines, \$5,500; licenses, \$225; parking meter receipts, \$10,500; water taps, \$3,200; gross receipts tax, \$7,000; and miscellaneous receipts, \$2,500.

Estimated expenditures for the various departments of the city for the current fiscal year as covered in the budget are: General expenses, \$12,785; fire department, \$5,950; health department, \$21,400; parks department, \$5,200; police department, \$22,295; street department, \$95,030; and capital account, \$22,300.

Bonded indebtedness of the city as of May 1, 1952 is \$501,000.

Mrs. G. R. Jowell Dies, Rites Pend

Mrs. G. R. Jowell, a member of the pioneer settling Cox family of this area, died Wednesday afternoon at 2 p. m. in the Deaf Smith county hospital of a heart attack. She was 77 years of age.

Mrs. Jowell had just returned from a visit with her daughter in home. A member of the Joseph Cox family which came to this county in a covered wagon in 1887, Mrs. Jowell married "Rat" Jowell in 1899. Both had played prominent parts in the formation of Deaf Smith county.

The deceased was born Eugenia Cox on July 30, 1875 in Grayson county, Texas. She was the daughter of Mr. and Mrs. Joseph C. Cox.

When Mrs. Jowell came to this country, herds of antelope and wild horses were familiar sights. One barbed wire fence stretched west 52 miles from the T-Anchor ranch. Mrs. Jowell, then Eugenia Cox, joined the other settlers and cowboys who gathered at the G. R. Jowell home in 1890 to make an unexpected stand against an Indian attack.

During that same year, her father and brothers hauled lumber from Amarillo to build the first school in Deaf Smith county.

In 1899, she married G. R. "Rat" Jowell. She is survived by the following sons and daughters: Corinne Jennings; George and Richard of Hereford; Mrs. Louise Robinson of Black; Henry of Long Beach; Inez; Brown of Torrance, Calif.; and Mrs. Mabel Randall of Long Beach, Calif.

Anyone who might have any idea about the snake's variety is asked to contact Sims. His two sons, David and L. L., found the snake Tuesday while rummaging through a pile of junk in the Sims pasture.

On Saturday the Home Demonstration office will be in the offices of County Agent Hugh

Clearman, according to Miss Clara Redman, assistant THDA. The ground floor of the courthouse is being painted, wing by wing Saturday necessitating the move for that day.

Contrary to belief of previewers who saw "All That I Have" Tuesday morning, Francis Hardwick, owner of the Hereford Theaters, says that the taped sermon by Billy Graham which was played for the preview audience, will NOT be on the program

when the non-denominational religious picture is shown at the Tower Drive-In August 31 and September 1. Hardwick says "All That I Have" is not from his regular motion picture source.

At the regular meeting of the Jaycees Tuesday, Ray Cowser gave a talk on the Home Rule Charter and the audience asked questions. Plans were also discussed to get the Traffic Campaign under way.

The Toastmasters held their regular dinner meeting Tuesday evening. Urlin Streu served as presiding officer. Carroll Hudson was topic master and the topic was "Should Deaf Smith County Have a County Fair?" Grant Fuller was toastmaster. The only speaker was Joe Smith who told of his recent vacation in the Southwest.

Scientists believe human life has existed for more than 2,000,000 years.

Several Events For Ladies Day

Several events featured the weekly Ladies Day competition at the Hereford Golf course last Wednesday. Events and winners were: Handicap event -- Sybil Nell Gilbreath with a gross 53 with a 20 handicap, net 33. She also won a ball for being the closest to the "blind hole". Number 7,

on her 40th stroke. Marie Cogdell won the ball for the least number of strokes in the rough by not having any on nine holes. Lucille Posey, Sybil Nell Gilbreath and Marie Ireland tied with one par each for the most pars on nine holes and played it off on Ladies Day Wednesday Aug. 27. Other ladies who played were Mrs. H. A. Lamm, Rowena Posey, Jo Hardy, Helen Ann McWhorter, Mrs. G. A. Anderson.

TALL CORN in the above photo was grown by Mrs. O. E. Sherman, 2 1/2 miles north of Hereford on the Airport road. Mrs. Sherman, noted for her ability as a gardener, reports that the corn stalks measured as much as 11 feet and six inches in height. Staff Photo.

SUMMERFIELD NEWS

Runoff Election Saturday Is Contest For Commissioner Post

By Bobbie Walser

Mrs. Lee Curry, Mrs. L. L. Cannon and Mrs. Ray Johnson held the election Saturday. Most voters were interested in the runoff of A. H. Brown and Olen Rice, candidates for commissioner of Precinct 9. Rice received 279 votes and Mr. Brown 178.

Rains Friday and Saturday in and around Summerfield ranged from one-half to 1 1/2 inches.

Mrs. Frank Huckert and daughter, Mary Kathryn were Amarillo visitors Friday.

A general cleanup will be held Thursday at 1 p.m. in the community house in preparation for the annual homecoming August 31. Anyone interested in the homecoming is asked to come and help.

Little Larry Kuper, son of Mr. and Mrs. Henry Kuper is doing fine at the Hereford hospital.

The Guy Walser family is spending the week on a short vacation in Colorado.

Little Glen Campbell was playing Monday and cut his arm. Several stitches had to be taken to close the cut.

Joe Frank and Charles Huckert are spending a few days vacationing with their aunt and uncle, Mr. and Mrs. Ralph Sears on their ranch in Calhoun, Colo.

Mr. and Mrs. Roy Campbell and family spent Sunday in Pampa visiting Mr. and Mrs. Archie Roberts. Mr. Roberts is Mrs. Campbell's brother.

Mrs. J. A. Noland went to Plainview Thursday, returning home Sunday afternoon.

Miss Ann Lookingbill entertained with a slumber party Saturday night. Girls enjoying the evening were Bobbie, Gloria and Carol Walser, Nan Longbottom, Sandra Wright and Peggy Townsend of Hereford.

Attending the Lance family reunion in Amarillo from Summerfield were the following:

Mr. and Mrs. C. R. Walser and grandson, Wayne; Mr. and Mrs. Jack Streun and Gene; Mr. and Mrs. George DeLozier, Shirley and Lee; Mr. and Mrs. Earl Lance, Jerry Don and Ann.

The Lances were joined by Mr. and Mrs. Weldon Webb of Lubbock and went on to Colorado for a short vacation after the reunion. About 50 were present.

Mr. and Mrs. Bradley Lookingbill and daughter Debby spent the week-end in Amarillo with Mrs. Lookingbill's parents, Mr. and Mrs. Don Higgins.

Mrs. Loyd Lookingbill and her mother, Mrs. Johnson of Hereford, were in Canyon Friday to see about printing club year-books.

The Joe Storrs took a short vacation by going to Palo Duro park Saturday afternoon and night. The Charles Nolands joined them for the afternoon Saturday.

Mrs. J. R. Euler and Miss Betty Euler were Monday visitors in Amarillo.

Don't forget the second annual homecoming for Sunday, Aug. 31 at church and the dinner and program for the afternoon at the community house.

Visiting in the Ray Campbell home this past week-end were Mr. and Mrs. Glen Roberts and

family and Mr. and Mrs. F. H. Hudson and family of Dumas.

Rich Clark of Hereford is staying with his cousin, Wayne Walser, this week.

Mrs. Preston Hagan and daughter of Hereford were Monday visitors in the home of her sister and family, Mrs. Delbert Bannum.

Mrs. W. B. Boston is in San Antonio attending the Republican conventions as delegates from Castro county. Mr. Boston and son Larry accompanied her and visited in Central Texas.

Letter To The Editor

TO THE EDITOR--

After reading your editorial in the Sunday Brand I sure agree with you. I have three children, age 9, 6 and 3. They aren't old enough yet to start dating but it won't be long as you well know. But in the time that passes from now till then, they do I would like to see Hereford prepare some places for mine and all the other children and keep them off the streets and out of the parks at nights.

You know and I know that there isn't anything good in that sort of thing.

What do we have to offer our children? Nothing!

Why can't we re-open the skating rink?

Why was the bowling alley closed?

This is why the young people have started all of the meanness. I will do anything I can to help remedy this situation.

Friona Youth Loses Eye

FRIONA -- Darrell Jean Anthony, 5 1/2-year-old son of Mr. and Mrs. J. K. Anthony, suffered the loss of his left eye last Tuesday when he and a 12-year-old playmate, George Wayne Terry, were playing.

The accident occurred while the two were playing in the yard. Darrell Jean was rushed to St. Anthony's hospital in Amarillo where the eyeball was removed.

According to last reports from Amarillo, he was doing as well as could be expected.

Friona First Baptist Revival Continues

FRIONA -- The revival at the First Baptist church in Friona began Friday, August 22 and will run through Sunday, Aug. 31. Daily services are held at 10:30 a.m. and 8:15 p.m.

Rev. J. H. Wright, pastor of the First Baptist church in Levelland, is doing the preaching. Brother Raymond Jones is in charge of the singing.

The women of the church met Tuesday afternoon at the church for a visitation period in the interest of the revival.

Everywhere you go folks are getting ready for the big Dollar Day Tuesday, Sept. 2 This same date in 1951 was a record breaker, probably due to the fact that hundreds of people came to town for school opening -- and combine the opportunity with shopping.

Did you ever stop to think how we Americans are regimented and governed by school attendance? Seems even worse after you get out of school than while you are attending. Most vacations are started and terminated in order to be on hand for school opening, holidays for the community seldom conflict with school holidays and Mrs. McLean tells me that her social items pick right up with the opening of each school term. Women's clubs and similar organizations greatly reflect this situation. People who never payed much attention to getting to school on time are probably the most zealous when it comes to seeing that their kids are on hand when the opening bell rings.

Furthermore, our schools have changed tremendously within the past 25 years. The "Little Red School House" is practically a thing of the past here, and all over the United States. Consolidated districts have led to uniform curricula and to standardized methods. Some folks think this is wonderful, others say it is terrible and curbs initiative. There is certainly room for argument on both sides.

I have been tied down in the office since I got back, mainly doing my best to locate another news editor. This is a terrific job and one which means a lot to the paper and to the community. I have several nibbles, but nothing definite. Will make the announcement as soon as it is possible. Being inside naturally makes it tough to have ammunition for the column. I was lamenting the fact at home and Buz, our six-year-old, said: "Heck, Dad, that's easy. Just write about Gene Autrey. Everybody likes to read about him."

Which recalls an old saw, "One nice thing about children is the fact that they don't go around telling bright things their mothers and fathers have said."

Mrs. F. L. Wilhelm was by when I was out, however, and left a note saying that they traveled the same road I did on their vacation and she thinks I did a wonderful job of telling about some of the things. This, of course, makes anyone feel good, but in honest sincerity I do think Mrs. Wilhelm is one of the nicest persons I have ever known. She is kind and thoughtful beyond description. I like best, though, the real community contribution she made as nurses aide at the labor camp at few years back. She worked like a dog, because she literally loved her work and because she felt that she was contributing something to humanity. Their daughter Florence, is making an outstanding reputation as a registered nurse, but, had Mrs. Wilhelm had the training, I am sure she would have been equally well received. They both have the same attributes: a genuine love for their work.

Despite the dry weather, I still think this territory will come up with a fair to middling row crop. Cotton looks good, too. Every salesman who comes in has a tale of woe about drouth on the Plains and below the Caprock as well. The irrigated stuff is looking good, but we will also do pretty well this year on dry land crops. I started out predicting a good year in 1952 -- and I still think I was right. Anyway, eight months are gone and I know I was 8/12's right, which is way-way above my general average. Don't forget the lettuce either. It will set new, banner records for the area.

Dick Lucas and Gerald Wilson have agreed to cover football again this year for The Brand. These boys make a swell team and did a wonderful job in 1951. Haven't seen L. B. Russell yet, but I know that he has a tough job coming up. Any good high school player has a tough job coaching in his old home town, but L. B. has a record that won't quit. This goes for his ability as a coach as well as a player. Everywhere his boys admire and like him which, after all, is the real mark of any coach. Very few people can tell you whether

Tulia or Hereford won in 1922, 1932 or in 1942, but a lot of boys who played on those teams are today making a success or a failure due possibly to the sportsmanship and teachings they learned under their football coach in those years. L. B. will do his best to win but, most of all, he is the type of man who will be a good influence in the community. His record indicates this all along the line.

I never will forget how Homer Fox used to talk about L. B. Russell and the other boys who played about that time. Homer just about thought L. B. hung the moon. I wish he were here today to do this column. It would be a dandy.

Hospital Notes

PATIENTS DISMISSED
David Robbs, med., 8-26; Mrs. Gayle Higgins, OB, 8-25; W. W. Hampton, med., 8-25; Mrs. Eddie Reinauer, OB, 8-25; L. A. Richards, med., 8-24; Jack Ramey, med., 8-23; Eugene Boren, med., 8-23; Leon Joe Madrigal, med., 8-25; Mrs. H. L. Childress, surg., 8-25; Mrs. W. A. R. L. Pinnells House Warming Honorees

The new country home of the Roscoe Pinnells in the northwest part of the county was the scene of an old-fashioned surprise "house-warming" Sunday afternoon.

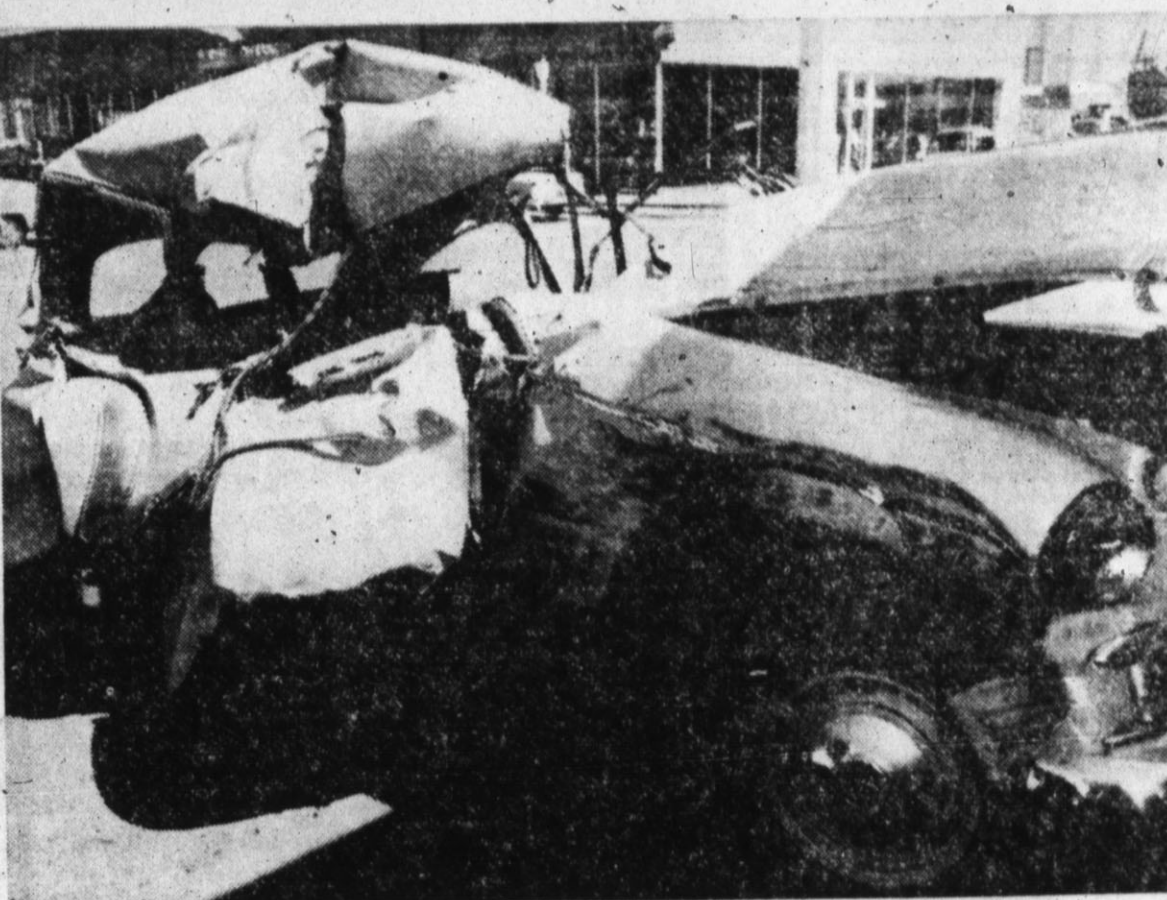

The couple was awakened from an afternoon nap by the sound of many auto horns. As the honorees appeared at the door, they were greeted by many cheers of guests bearing gifts for their new home.

After packages were opened, the group brought out punch, cakes and cookies for the crowd.

Those attending were: Mr. and Mrs. A. E. Meeker, Glenda Wilbur and Barbara; Mr. and Mrs. C. L. Bogle; Mrs. Bob Gruhlkey, Linda, Ricky and Martha; Mr. and Mrs. M. H. Zaring Jr., and Myrna; Mr. and Mrs. C. W. Edwards and Regina; Mr. and Mrs. C. A. Perrin, Mr. and Mrs. Cord Hammock, Mr. and Mrs. Clarence Hollabaugh, Mr. and Mrs. Allen Guggell and Bill; Mr. and Mrs. P. H. Gruhlkey and John Henry; Mr. and Mrs. Glen Heltzer, Mr. and Mrs. M. W. Blankenship, Morris Lee and Sidney; Mr. and Mrs. Jimmy Cavin, Mr. and Mrs. E. K. Pinnell, Mr. and Mrs. J. A. Crafford, Mr. and Mrs. O. A. Alexander, Mr. and Mrs. Marion Ferguson, Mr. and Mrs. Heley Shaw, Mr. and Mrs. E. A. Edwards and Mr. and Mrs. Paul Lyons.

Flores Charged With Swindling By Hot Check

Pablo Flores was charged with swindling with a worthless check in county court on August 26. J. H. Jackson filed the complaint after taking a check for \$19.90 from Flores on July 24, written on the West Texas Bank of Snyder.

HERE IS ANOTHER view of the auto in which Mrs. Inez Cates Horn and her five-year-old daughter of Canyon were killed east of Dawn Saturday night. Staff Photo.

Dimmitt Rodeo Group Sponsors Annual Rodeo There This Week

By Mrs. C. J. Mapes
The Dimmitt Rodeo Association promises plenty of thrills and spills on the performances to be held at the Dimmitt Rodeo grounds, August 28, 29, and 30. Daredevils of rodeo land from over Texas will participate to match in rivalry for cash prizes. A square dance performance by the Hereford Riders club is among the colorful events. Castro County Chairman T. E. Harrison states the voting was fairly heavy in spite of the fact that only two precincts -- 1 and 3 for county commissioners -- were on Saturday's run-off ballot. Edwin (Goose) Ramey attended a cattle roundup and branding on the J. A. Ranch last week. He reports a wonderful feed (chuck wagon style), and an enjoyable day. One hundred and twenty-five horses formed the remuda. Mr. and Mrs. T. H. Patterson of Plainview were Sunday guests of Mr. and Mrs. Frank Come. Mrs. Come is their daughter. Mr. and Mrs. Dick Rhineheart and daughter, Dicky Lynn have returned from a tour of 10 states.

Two Fined For DWI On Monday

Two men were fined and given jail sentences this week in county court on charges of driving while intoxicated. Fined were H. A. Licesay, who pled guilty on August 25 to a charge of driving on August 23 of offense. Licesay was fined \$150 and given a 10-day jail sentence by County Judge L. Foster. The second man fined was Lorenzo Luna, who was picked up for an offense which occurred on August 24. Luna was picked up by Deputy Sheriff S. B. Berry. He was fined \$150 and given 10 days in jail. Mrs. Ada Morgan, a former Hereford resident, spent a couple of days here last week with Mr. and Mrs. H. M. Benefield. Mrs. Morgan, who now lives in Austin, has spent the past month with a daughter, Mrs. Harold Weyer, in Muleshoe and came up to visit the old friends before returning home about September 1. tin Fulcher, of Black, Texas; Kay and Lou, daughters of Mrs. Fulcher, joined the party which has reservations for two more weeks.

HOT COTTON—Too much hot weather and not enough rain has caused this cotton field near Abilene, Tex., to grow slowly. The bolls—what there is of them—opened too early because of the extreme heat. Lack of rain has caused many of the plants to wither and die. A cigarette package beside the row in the foreground gives a comparison to the size of the stalks and how lack of moisture has caused the plants to remain small. (AP Photo)

DEPORTED MEXICANS — Part of 912 Mexicans who had just been deported from the United States are shown in this picture taken at Reynosa, Mexico. They were crowded by Mexican immigration officers into 10 railroad coaches for a 400-mile trip to Torreon, in the Mexican interior. The "wetbacks" - Mexican Nationals illegally in the U. S. — had been picked up by the U. S. order Patrol. The "trainlift," operated by the Mexican government with funds supplied by the U. S. Department of Labor, is being employed to get the "wetbacks" as far away from the border as possible so they cannot easily return. AP Photo.

Jeskos and Gwendolyn of Hereford on a trip to Little Rock, Ark., last week. On the way back they visited friends and relatives in Gainesville.

Visiting in the C. J. Berend home this week is Mr. Berend's mother, Mrs. Phillip Berend of

Sunday guests of Mr. and Mrs. Berend were Mr. and Mrs. Fred Irbeck and family of Canyon. Gainesville. Also visiting the Berends this week were Mr. and Mrs. Henry Grewing and son of Muenster, Tex.

Other visitors in the Childers home besides the R. N. Cooke family Friday were Mr. and Mrs. J. H. Babcock, Sweetie and J. H. of Kermit. Mr. and Mrs. John Johnson and daughter Mary of Pampa and Mrs. Alley McNeill and son Context of Wayside.

Mr. and Mrs. C. S. Barclay and sons returned Friday from Paris, where they had spent a week in the home of Mr. and Mrs. Harold Boize and family. Mrs. Barclay said it was 104 degrees there the day they arrived and that the heat was terrible the entire trip.

R. C. Childers and J. H. Babcock Sr., of Kermit attended the wrestling matches in Amarillo Thursday evening.

Mr. and Mrs. Wayne Johnson were dinner guests of friends in Canyon Thursday. Mr. and Mrs. R. M. Mason of Levelland are visiting their son, Marti Mason and family of this vicinity.

This is being written enroute to the State Convention at Kingsville. Your correspondent is in the company of Mrs. Joe Wagoner of Westway, Miss Roberta Campbell of North Hereford and Buddy Bob all of Deaf Smith County and Mrs. R. N. Cooke of Nacogdoches who came to Hereford to accompany the group to Kingsville.

Jim Suttie was a dinner guest in the C. S. Barclay home Saturday evening. Patsy Childers was also a guest in the Barclay home Saturday.

Visitors in the Jim Clements home last week were Mr. and Mrs. John Clements of Ft. Worth and Misses Marge Schwarz and Ruth Hochstetler of Indianapolis.

Sunday visitors in their home were Mr. and Mrs. H. F. Paetzold and family of Hereford.

This weeks visitors in the Jim Clements home are Mr. Clements mother and sister, Mrs. Ruby Clements and Miss Anne Clements of Lubbock. Miss Clements is the Camp Fire Girls executive in Lubbock.

Also visiting in the Clements home are Dr. and Mrs. J. A. Smith of El Paso and Mr. and Mrs. Roswell Senter of Burleson, Texas. Miss Anette Berend accompanied her uncle and aunt, the Ed

EXPERIENCE... ONE WORD FOR WHICH THERE IS NO SUBSTITUTE WHEN IT COMES TO Printing

Every business man knows that in his own business there is no substitute for experience. Likewise he will agree that in the creation of finer printing craftsmanship experience is just as essential as in his own line. That is why it is important to you that you see us for your next printing job. Our years of experience gives us a background that assures you of the finer printing you have a right to demand.

LET US SHOW YOU SAMPLES OF MATCHED BUSINESS STATIONERY. CALL US TODAY

Good News For Kids

LOS ANGELES—The 4th annual observance of National Kids' Day has been set for September 27 and children of the All People's Church here are shown displaying the official Kids' Day poster with Jimmie Fidler, president of the National Kids' Day Foundation. The children are (l to r): Sandra Gotanda, 4; Ernest Trevino, 5; and Eileen Loo, 5. More than 200,000 of these posters will be distributed to the 3,500 Kiwanis clubs in the United States, Canada and the Hawaiian Islands. Kids' Day is jointly sponsored by the more than 3,500 Kiwanis clubs comprising Kiwanis International and the National Kids' Day Foundation, Inc.

FRIONA NEWS

Husband Of Friona Woman Dies, Funeral Services In Ft. Worth

By Mrs. E. R. Day Sr.

Word has been received here of the death of John Hartwell at Wichita Falls which occurred on Monday last week. Mrs. Hartwell is now employed at the Farmer County hospital. Mr. Hartwell had been in ill health for some time.

Mrs. Hartwell and her brother and sisters-in-law, Mr. and Mrs. F. T. Schlenker left immediately for Amarillo where they met his son, John Jr., and family. They accompanied them to Fort Worth where burial rites were pending. The family lived for some time near Bovina prior to Mr. Hartwell's illness.

Mr. and Mrs. E. R. Day Sr., and Miss Tila Rue Day of Amarillo returned Sunday from a trip to New London, Conn., where they visited their son and daughter-in-law, Mr. and Mrs. E. R. Day Jr.

The Days left Friona two weeks ago and covered over 4,000 miles in their trip east and went through 11 states.

They had Sunday dinner aboard the USS Fulton, a sub tender, on which their son is serving.

Mrs. Day's brother and sister-in-law, Mr. and Mrs. T. E. Armstrong of Warren, R. I., met them in New London.

Mrs. James P. Wilson was called to Dallas last Wednesday due to the illness of her mother.

Mr. and Mrs. Easton Wall of Hart visited her parents, Mr. and Mrs. D. O. Robason and family on Sunday.

Mrs. Tommy Tucker and daughter Tommy Kay of Abilene visited in the home of Mr. and Mrs. Bud Crump Tuesday and Wednesday of last week.

Mrs. Homer Burleson, Jerry Don and Judy of Memphis, Tex., visited her brother-in-law and sister, the Bud Crumps, from Wednesday until Friday of last week.

Mr. and Mrs. J. D. Hightower visited his brother-in-law and sister, Mr. and Mrs. Dillie Kelley last week. They live at Old Ocean, Texas.

Mrs. Bud Crump honored her daughter Carolyn on her 10th birthday Wednesday, Aug. 20. Five playmates helped her celebrate the occasion. They went to the home of Mr. and Mrs. O. T. Patterson where they had ice cream and cake and then returned home for a slumber party. The next morning they went on a hike and took their breakfast out.

Those attending were the honoree, Robby Jean Boggess, Jo Linda Stokes, Erma and Betty Drake and Phyllis Bainum.

Mr. and Mrs. Elmer Walker of Durant, Okla., came to Friona on Friday to get their son and daughter who had been here for a week's visit with their aunt and uncle, Mr. and Mrs. Gene Bracken. The Walkers returned home Sunday.

Mr. and Mrs. Benton Luttrell and Mrs. Dan Luttrell have gone for a week's sight-seeing tour around Galveston. They also moved their son-in-law and family, Mr. and Mrs. J. T. Guinn Jr., to Pampa.

Jack Mosby, son of Mr. and Mrs. Dane Mosby, returned home last Wednesday. Jack has been in the navy for 4 1/2 years. He has been in the Korean theater.

Mr. and Mrs. Raymon White of Friona are in Arkansas this week sight-seeing and visiting.

Mr. and Mrs. S. J. Sanders, long-time residents of Friona, sold their home to Mr. and Mrs. Roberts and will move to Mineola, Texas.

Mrs. T. G. McFarland and girls were shopping in Clovis last week.

Mrs. O. J. Beene and her mother, Mrs. Ramey of Dimmitt, were Clovis visitors Saturday.

Mr. and Mrs. W. B. Norwood Sr., and family returned Friday from Colorado where they had visited several interesting places and returned by way of Albuquerque where they visited their son and daughter-in-law, Mr. and Mrs. W. B. Norwood Jr.

Mr. and Mrs. Horace Kendrick of Amarillo, parents of H. K. Kendrick of Friona, are moving to Friona where Mr. Kendrick will join his son in business.

Mr. and Mrs. C. L. Lillard drove to Wichita Friday where they were joined by Mr. and Mrs. Glen Brown, a sister of Mrs. Lillard's. The people left on Saturday for a sight-seeing and fishing trip to Kabatogoma, Min., and to International Lake.

Mrs. Carl Hall and son Dean and Miss Ella Mae Woody of Friona and Mrs. W. E. Payne and Mrs. Bertha Hudson of Lazbudie, went to Carlsbad where they visited Mrs. Hudson's son and to go through the cavern. They returned home on Sunday.

Father Of Mrs. R. L. Pinnell Succumbs

Rev. M. E. Wells, father of Mrs. R. L. Pinnell of Deaf Smith county and a prominent White Deer resident for the past 12 years, died last Tuesday of a heart attack. Rev. Wells, 74, collapsed on a White Deer street prior to his death.

Rev. Wells was born February 17, 1878 in Ellijoy, Ga., and moved to Jefferson, Okla., in 1900. He moved to Miami in 1914. He married Margaret Osborne on January 22, 1908.

He was ordained as a Baptist minister in 1918, while living in Miami. His first pastorates were in Wheeler and Hemphill counties.

For a time he owned a mercantile store in Miami and was tax collector-assessor in Roberts county, Texas.

Rev. Wells attended Southern Baptist Theological Seminary at Fort Worth, where he graduated. He served as pastor of churches in that vicinity while a student.

He retired from the ministry at the close of about nine years' service at Hedley, moving to White Deer, where he worked as a farmer. He had been in ill health for some time.

Survivors include his wife and the following sons and daughters: Mrs. Ruth Pinnell, Adrian; Mrs. Hope Rush, White Deer; Mrs. Joe HySmith, White Deer; Pope Wells, Dallas; Fred, Stedham; four brothers and three sisters -- J. W. Wells, White Deer; Ed, Jacksonville, Fla.; Melvin, Etowah, Tenn.; Walker, Jessup, Ga.; Mrs. Dillah Sales, Ellijoy; Mrs. Susie Brown, Dumas; and Mrs. Lenna Parker, Ludowick, Ga., and 17 grandchildren.

Mrs. Herbert Dones, the former Joy Miller, is visiting her parents, Mr. and Mrs. H. E. Miller of Hereford. Mrs. Dones will go to Wichita Falls September 1 where she will join her husband, Cpl. Herbert Dones, who is taking an eight month course in Advanced A & E mechanics at Shepard Field.

Mr. and Mrs. Z. T. Tilgreen of Vernon are spending this week visiting in the home of their son-in-law and daughter, Mr. and Mrs. Herbert Haseloff.

Mr. and Mrs. J. C. Reese and children returned Wednesday morning from a vacation in Colorado.

Special Events, Features For State Fair

Dozens of special events and features will make every day different at the 1952 State Fair. Texas, October 4 through 19. The following list released by general manager James H. Stewart indicates:

Saturday, Oct. 4 — Rural Youth Day; Press, Radio and TV Day; the SMU-Georgia Tech football game. Sunday, Oct. 5 — First professional football game

ever played at the fair, between Dallas Texans and the San Francisco 49ers; Texas Technological College Day.

Monday, Oct. 6 — Mexico Day, featuring Austin College-National University of Mexico football game; Texas Newspaper Boys Day. Tuesday, Oct. 7 — Hillsboro and Hill County Day.

Wednesday, Oct. 8 — Dallas Day, with free fireworks show in Cotton Bowl; Texas Federation of Women's Club Day, Thursday, Oct. 9 — Farmers' Home Administration Day, honoring outstanding farmers.

Friday, Oct. 10 — Elementary School Day; free Cotton Bowl matinee starring TV Cowboy

Hopalong Cassidy; fireworks show at night. Saturday, Oct. 11 — The Texas-Oklahoma football classic; Dahlia Show in Women's Bldg.

Sunday, Oct. 12 — Traditionally the day when biggest crowds attend the fair; Dahlia Show; Texas A&M College System Day; fireworks at night. Monday, Oct. 13 — Negro Achievement Day; high school football in afternoon; Wylie College-Prairie View gridiron tilt at night.

Tuesday, Oct. 14 — East Texas Day, with big free show in stadium; Garden Club Day, with free lecture in Auditorium. Wednesday, Oct. 15 — Statewide baton-twirling contest; Cotton Bowl spectacle at night; Pan-American Holstein Parade of Champions.

Thursday, Oct. 16 — Texas P-TA Day; two prep school football games; Koshare Indian dancers perform free in bandshell. Friday, Oct. 17 — High School Day; Texas Rotary Fellowship Day; two prep school football games; two free shows by Koshare dancers.

Saturday, Oct. 18 — Dallas Texas-Green Bay Packers football game; Koshare dancers. Sunday, Oct. 19 — Mammoth religious festival in Cotton Bowl will close fair on solemn spiritual note.

Daily entertainment features of the fair include the Dean Martin-Jerry Lewis show, Ice Cycles of 1953, the Aut Swenson Thrillcade, "Show Boat" presented by St. John Terrell's Music Circus, the free Magnolia Midway Sky Revue.

County Grass Goals To Be Set

County grassland goals for 1953 will be directed toward obtaining significant increases in practices that can be undertaken this coming fall. B. F. Vanve, chairman of the State Agricultural Mobilization Committee, said today. Renovation of depleted pastures was mentioned as such a practice.

State committees, where necessary, will assist county committees in setting goals, providing information on the program, and enlisting farmer and rancher participation.

The grassland goals have been suggested for such types of land use as pasture and hay land, range land, and land which should grow cover and soil-building crops. Practices suggested for state consideration include growing high-yielding, high-quality, grasses and legumes in rotation to get maximum yields of all crops in the rotation, increased use of lime and fertilizer, removal of competitive or poisonous plants, deferred or rotational grazing, fencing, fireguards and irrigation.

Production goals calling for continued high output of several important cover crop seeds in 1953 have already been announced. These include crimson clover, common and Willamette vetch, roughpeas, and common ryegrass. The goal for Hairy Vetch in Texas calls for harvesting about 87 per cent as much acreage in 1953 as is indicated for 1952. The Crimson clover seed goal calls for a harvested acreage equal to 132 per cent of the 1952 acreage. The goal for Rough peas calls for the same acreage as was harvested in 1952.

The goal for Hairy Vetch calls for a general decrease of about a fourth. Goals are not being set for Blue lupine and Austrian winter peas, and increases in acreage are not recommended. Supplies of these seeds are large.

Mr. and Mrs. Hershel Miller of Sherman and Mr. and Mrs. Jerry Jacobs of Texlone, Tex., will be in Hereford this weekend to attend a family reunion of the Miller family.

Hunting, Fishing Licenses Are Available, September 1 Deadline

New hunting and fishing licenses are scheduled to be in the hands of 2,400 state agents in advance of the September 1 sale date, the Texas Game and Fish Commission has announced.

All tags must be renewed by September 1, the commission noted. This is the beginning of the state's fiscal year.

Licenses ranged from the \$1.65 individual license for fishing and \$2.15 individual license for hunting upwards to \$200 for wholesale fish and oyster dealer licenses.

The 1953 licenses will be available in practically every good-sized town in the state through licensed deputies, game wardens and county clerks. Approximately 2000 of the 2400

license agents in the state are licensed deputies, comprised mainly of merchants of various kinds.

Texas agents are advised to consult their game wardens, licensed deputies or county clerks if they are in doubt about when fishing or hunting licenses are necessary.

Approximately 325,000 persons got fishing licenses and approximately 350,000 hunting licenses during the current fiscal year.

Miss Mary Helen McGilvary left Saturday for Fort Worth where she will teach public school music in the Fort Worth public schools this year. She stopped in Abilene for the wedding of her son Sunday and reported in Fort Worth Monday.

Soil-Building Procedures Are Available Here

When Deaf Smith county farmers go over their farms with their local PMO community committees to determine the most needed conservation, particular attention will be given to signs of soil structure breakdown, according to Faust Collier, secretary of the local office.

In getting the 1953 Agricultural Conservation Program underway, Collier advises visits will be made to each farm in Deaf Smith county by the local PMA community committees who were elected in county elections August 22. ACP assistance will be used to help the farmer in carrying out the conservation practice or practices most needed.

The breakdown of the soil structure in many cases is the first step leading to erosion and depletion. It is the result of continued cropping. The humus, is used up, the soil becomes compact and more difficult to handle, and it holds less water and air needed for plant growth.

Where restoration of good soil structure is the most needed conservation, Collier explains, ACP assistance will be used to help the farmer restore organic matter and build up the fertility of the soil through the growing of grasses and legumes.

In some instances this will mean putting the land into permanent pasture. In others, breakdown can be checked by growing a cover crop and turning it under as green manure. Often the condition can be corrected by growing grass and legumes as a regular part of the rotation.

Hereford Golfers Lose To Portales

Hereford golfers went to Portales Sunday for an inter-city golf match and came home nursing a 40½ - 20½ defeat.

This ties up the score between the two groups of golfers, with Hereford having won the first while entertaining the New Mexico linksters here.

Hereford players making the trip were: J. M. Posey, Dr. J. H. Channer, Urlin Streu, Ray Hardy, Bob Lindsey, R. Boyer, Tom Howard, Sam Nelson, Ed Round, Oscar Lange, Henry Lewis, S. Amery and Mutt Webb.

The ACP provides assistance in obtaining seed and for practices needed to establish a good stand. The county agent will assist in a soil analysis of your farm.

A LOT OF GOOD feed is going from the ensilage cutter into the truck as crews cut the 47-acre field of Atlas sorgo on the R. W. Mitchell farm 15 miles west of Hereford. All the sorgo cut here is going into a trench silo on the Roger Brumley ranch to be used for cattle feed. Staff Photo.

A C P Chairman, Delegates Named

Conservation-minded farmers in Deaf Smith county's five newly-designated communities elected their representatives to the county convention and their community chairman to plan and carry out the 1953 ACP procedures by mail ballot last week.

Results of the election were announced this week by Faust Collier, secretary of the local PMA office.

The newly-elected delegates to the county convention will meet in the PMA office Friday at 10 a. m. to elect a new county committee, which will be comprised of three members and an alternate.

Community "A" — Emmett O. Dixon, chairman; Melvin May, member; Ernest McGee, first alternate; and J. D. Neill, second alternate.

Community "B" — F. J. Knabe, chairman; Fred S. Barrett, vice-chairman; S. J. Barclay, member; George C. Heard, first alternate; and Mack Noland, second alternate.

Community "C" — Roger Brumley, chairman; Austin Rose Jr., vice-chairman; Garland Solomon, member; Waldron Melton, first alternate; and P. B. Sowell, second alternate.

(Tom Draper received the most votes for second alternate but is ineligible because he lives outside the community.)

Community "D" — Cruce G. Richardson, chairman; Paul Lyons, vice-chairman; Edwin Morrison, member; W. F. Perry, first alternate; and T. E. Rohrback, second alternate.

Community "E" — Joe E. Allred, chairman; Wayne Higgins, vice-chairman; Henry Browning, member; C. L. McBroom, first alternate; and George Benson, second alternate.

Practices for the coming year will be announced by the new county committee which will be named by the convention on Friday.

Some Ineligible — Neither N. E. Gass, present county chairman, or Paul S. Mathers, member of the board, are eligible for re-election under the new set-up because they didn't participate in the community part of the program, i. e., didn't take government loan or apply for any conservation practices.

Gass rents his farm and Mathers sold his farm and ranch and ranches in Colorado.

Palmer Norton, a member of the board, is eligible for re-election, Collier said.

Delegates to the county convention here tomorrow are:

COMMUNITY "A" — Edward G. Reinauer, delegate; J. C. McCracken, alternate.

COMMUNITY "B" — J. B. Noland, delegate; Grant Hanna, alternate.

COMMUNITY "C" — Troy Stambough, delegate; Maurice Tannahill, alternate.

COMMUNITY "D" — Robert Wagoner, delegate; Hugh Fortenberry, alternate.

COMMUNITY "E" — J. R. Allison, delegate; Ralph Hastings, alternate.

Chairman, vice-chairman and members of the five community committees named in the mail ballot last week.

Chairman, vice-chairman and members of the five community committees named in the mail ballot last week.

Chairman, vice-chairman and members of the five community committees named in the mail ballot last week.

Results of the election were announced this week by Faust Collier, secretary of the local PMA office.

Family Reunion Held Sunday By Local People

A joint family reunion and celebration was held in Amarillo Sunday, Aug. 24. Three events were celebrated. Those were Mrs. Don Holman's birthday, Mr. R. C. Richardson's birthday and the 42nd wedding anniversary of Mr. and Mrs. R. C. Richardson, all of Amarillo. Mrs. Holman is the mother of Mr. and Mrs. Richardson and the grandparents of Mrs. Glen Hopson of Hereford.

Those attending were Mr. and Mrs. Glenn Hopson and Donald James Stevens, Mr. and Mrs. Bradley Lookingbill and Debbie, all of Hereford.

Donald James stayed in Amarillo to visit his grandparents and his great-grandparents. Mrs. Holman drove him home, Wednesday.

Pick Cotton Properly For Top Results

COLLEGE STATION — More emphasis should be placed on gathering the cotton crop for the high grades and avoid the lower or "penalty" grades. The place to start is in the field, according to Fred C. Elliott, cotton work specialist for the Texas Agricultural Extension Service.

To preserve the quality of their cotton, farmers are urged to watch both hand and machine picking closely. Even though the gin has one or more driers, the cotton should be carried to the gin as dry and fluffy as possible. Picking cotton while still wet with dew and tramping tightly into the trailer will result in grinding the pin and pepper trash into the lint so thoroughly that even the best of the new gin machinery will have difficulty. So, pick only dry cotton and do not tramp into the trailer is a good rule to follow.

Farmers using a spindle picker will find it profitable to: (1) Defoliate, (2) Wait till the dew dries, (3) Set two trailers in the field and alternate dumping the picker basket in the trailer. The sun can dry each basket full of cotton, (4) Use a detergent in the water of the picker tank to moisten the spindles on the machine. Also if hard water must be used, add the detergent to the water in a clean barrel then strain into the picker water tank. This will prevent clogging the water lines and give even spreading of the moisture onto the spindles, (5) If time is limited, run the machine day and night, Night-picking from dark till dew falls is generally more satisfactory because the cotton is dryer and more fluffy than during early morning hours, (6) Paint the average, untramped, net weight seed cotton capacity of the trailer on the outside of the trailer so the ginners will know how many bales are in the trailer or trailers, (7) Carefully clean and service the picker after each day's running and operate according to the owner's manual, (8) Don't "raise Cain" with the ginners to hurry. Let him take his time.

The ginning industry has done a fine job installing new gin machinery. More and more ginners have plants they are proud to show. Let's give him a better chance to turn out a better sample.

Then, let's destroy the stalks early and that will cut down on insects next year.

Ann Celine and her parents, Mr. and Mrs. Varian Jay Fuller of Dallas are visiting with her grandparents, Mr. and Mrs. Grant A. Fuller, Jr. and son Scott left for their home in Houston Sunday evening after a 10-day visit with the senior Fullers.

T. N. Jasper Family Reunion On August 25

FRIONA — One-hundred-ten members of the T. N. Jasper family were present for the annual family reunion of the group held August 25 in the home of Mr. and Mrs. T. N. Jasper in Friona.

Guests began arriving on Saturday and Sunday nights and a steak dinner was prepared for them.

The old-timers began telling their tales on Monday and the time was also spent visiting among other members of the family who had not seen each other for several years.

Of the 12 Jasper children living, 10 were able to attend the reunion. On these annual reunions, each member of the family is honored when he or she reaches his 80th birthday. Mrs. Betty Hodges was so honored this year.

Delaware was the first state to join the Union. It ratified the Constitution on December 7, 1787.

Hastings Returns After 46 Years To Old J A Ranch

By Joan Hardwick

With visions of the early 1900's in his mind, Henry Hastings went "home" last Saturday after 46 years when he returned to the famous old JA spread near Estilene.

Hastings, who started on the four-county ranch as one of the youngest cowhands back in 1896, re-visited there to see how time has affected the JA since the days when they ran 80,000 cattle.

Accompanying Hastings on the trip were Bruce Ramey and Wiley Roberson, both cowhands from the early days.

After hearing that he had spent a day in the old haunts, this writer visited with Mr. Hastings and got some of his impressions as well as some of his reminiscences of the JA Ranch during the days of the "Old West" and his comparisons of modern-day ranching on the range of earlier days.

Here are some of his views:

Things ran on a large scale at that time, the ranch covered the biggest part of four counties, and at one time was running 80,000 head of cattle. At that time they figured about 10 acres to a cow.

Cowhands were expected to have their own bedding and saddle and the rest was furnished by the ranch. The round-up started early in the spring and lasted until late fall. The cowhands rode over the range looking for any cattle from early morning till late evening.

Each cowhand had on the average of 10 saddle horses assigned to him and those were considered his horses as long as he worked at the ranch. On hard days they would change horses four or five times a day; on easy days about twice a day.

The chuck wagon carried all the cooking equipment, food and bedding. Plans would be made from one cooking spot to another regarding the spot where they would all meet to camp again.

The whole ranch was open range and not one plowed patch on the place. The men had to ride hard and show good results or they were out. Jobs at that time were hard to find and before a person could hold a job at the ranch they had to like the work and be "turned that way". There was to be no card playing, drinking nor guns on the ranch. If anyone started something as soon as the boss found out, they were fired. The hands got to town about once a month, but some of the men didn't go in once a year — they just didn't want to.

When roundup was over in the late fall the whole winter was spent prowling and roundup was started again in the early spring.

When Mr. Hastings worked there they didn't have a car on the place and now just about everything is done by auto.

The requirements are still about the same — saddle and bedding. The men still spend all of their time in the saddle and don't get into town very often.

In one range where they used to graze 30,000 cows the pasture has been cut up into 12 or 15 pastures. They have plowed lands and plant it then never cut it, just let the cattle graze it down. They only run about 12,000 head of cattle now.

Mr. Hastings enjoyed his visit to the new JA Ranch very much from the sound of his conversation, but he was always ready to look back to the days when he worked there.

warming the bench

By Wally Knief

A CHALLENGE— This is one of those "Let's you and him fight" deals, but it's too good to pass up.

Last Saturday night at the wrestling matches was sitting next to Marshall Formby. You folks know who Marshall is, he's that grown man who spends all his time tinkering with that new-fangled thing called "radio".

Anyhow, Marshall was watching Benito Gardini wrestle Gory Guerrero when the "Little Flower's" bouncing tummy gave him an idea. If Benito could do it, so could Marshall.

"You know," he said, "wouldn't it be a wonderful drawing card for me and Jimmie Gillentine to get in the ring for a wrestling match? He wouldn't have any hair for me to pull though!"

There it is, Marshall and Jimmie in the biggest ring extravaganza of the year. Jim would have a mighty hard time getting Marshall down, but Marshall'd probably have a hard time getting UP once he got down.

SOFTBALL— Softball refused to die in this year 1952. Hereford Hardware played a fine game in downing Anderson Mattress company here last Friday.

There's another game on tap Friday night at 8:30 in Vets park between the same two teams.

Anderson Mattress called back and said they could do better they thought and wanted another crack at the locals, hence the replay Friday.

Come out and see it, we should have some good ball.

On the same tack, Hereford's girls are playing some fine ball too. Watch them on Tuesdays and Fridays.

CITY LEAGUES— Notice in many of the exchange papers from towns this size in the state that city softball leagues are going great guns. Hereford could increase its activity in this field in 1953 with the material available.

Six teams are not enough. There should be eight at least. Every effort should be made to make the teams and the play as close to professional in speed and looks as possible. Doll it up. You will end up with a better league.

Did you notice the best teams of the league this summer? Ever

watch their actions? They didn't drag themselves off the field at the inning, they jogged. And when the listless teams pulled themselves off the playing area, the game slowed down considerably.

There's plenty of room for a good league here. Some "hot" out-of-town squads might also be interested in coming here if they have good competition.

A pool of the players at the beginning of next season and an equitable distribution to all teams in the league will make for a better circuit, although there would be plenty of howls of protest against this.

WRESTLING— They pulled the stops again at the Bull barn Saturday night and brought a substantial card to the arena. The crowd was highly pleased with the fast and furious action.

Cowboy Carlson added a few more giant-killers to his repertoire. He unraveled Johnny James with a neat pile-driver to win the match after taking the first fall with a "Flying Hoolihan".

Cowboy has been around here a long time, long enough to sink Tony Morelli and take his Southwest title. He's put on a lot of good shows here and has gained considerable experience.

To look at the Cowboy, he seems too frail to handle the biggies, but he's made like steel.

Johnny James looked good Saturday night, but it was surprising how much the Cowboy out-classed him.

That Formby gent we mentioned at the head of this epistle said he talked to Benito Gardini before the matches and the "Little Flower" is quite a guy. He told MF to sock him in the breadbasket which the bicyclist did with all his might. Marshall said his tummy was all muscle, just like a brick wall.

Don't let Benito's looks fool you. He ISN'T waste in front there. That's muscle.

Benito sometime or other must have been a trampoline artist. Notice the way he bounces. He falls and recovers prettier than anyone who's ever grappled here.

The Guerrero-Gardini bout ended up in a spitting match in the ring, with Benito coming out no

MOURNING DOVE - WHITE-WINGED DOVE OPEN SEASONS 1952

MOURNING DOVES

- OPEN SEASON — NORTH ZONE: Sept. 1 to Oct. 10, both days, inclusive. Shooting hours, 12 o'clock noon to sunset.
- SOUTH ZONE: Oct. 1 to Nov. 9, both days inclusive, except in Cameron, Hidalgo, Starr, Zapata, Webb, Maverick, Dimmit, LaSalle, Jim Hogg, Brooks, Kenedy, and Willacy counties where mourning doves may be hunted only on Sept. 12, 14, and 16, from 4 p.m. until sunset, and from Oct. 1 to Nov. 6 from 12 o'clock noon to sunset.
- BAG LIMIT: Not more than 10 per day and not more than 10 in possession.
- McMULLEN COUNTY: State law Nov. 1 to Dec. 15. Federal law Oct. 1 to Nov. 4.

Unlawful to take whitewings or chachalaca south of U. S. Highway 83, formerly State Highway 4, in southern tip of Texas marked on the map as "GAME SANCTUARY."

No hunting permitted in game refuges and game preserves.

Shotguns must be permanently plugged to three shell capacity.

Shotguns may not be larger than 10 gauge.

1. Hunter may not have more than 10 a day of either or both species (White-wings or mourning doves) in the aggregate.

WHITE WINGED DOVES

- OPEN SEASON: September 12, 14 and 16, inclusive, only in area indicated.
- SHOOTING HOURS: 4 p.m. to sunset.
- BAG LIMIT: Not more than 10 per day and not more than 10 in possession.
- McMULLEN COUNTY: State law, Nov. 1 to Dec. 15. Federal law, season closed.

TEXAS GAME AND FISH COMMISSION

The Hereford Brand SPORTS

Hereford, Texas, Thursday, August 28, 1952 Section Two

allowed to every \$1 of state game department funds advanced for the particular purpose.

Mr. C. C. Nolen joined his wife, the former June Dameron, Friday for a 10-day visit with Mr. and Mrs. W. E. Dameron. Mrs. Nolen came to Hereford about three weeks ago.

ing equipment, helps improve fishing. The different states get back the amount collected from their sportsmen through the taxes. It is allocated to the state on the basis of the number of licenses sold and also on the basis of the state's area. The money reimburses states for Federal-aid approved projects. Three dollars of the Federal-assigned money is

better in that than in the regular event.

Dory, Funk took punishment from Kinji Shibuya in their main event. The Jap is -BUILT. His judo cut down the Flying Mare ranch foreman but good and the Tokyo terror was tossed out by Ref Gene Detton.

Detton had his hands full trying to quiet the enraged Shibuya. Some of the fans really were the worse for wear after the judo expert starting working over Dory. At ringside there was fist-swinging, screaming, jumping and even a little terror. A couple of the spectators we expected to have apoplexy.

THE PASTE POT— Banding of game birds and tagging of game animals comprise a vital phase of modern game management. By marking the different species wildlife authorities are able to determine their movement routine. At least some of the credit for the comeback of waterfowl is attributed to banding operations to show the range of flights. Of course, the key factor in the undertaking is the cooperation of hunters who turn in the tags and bands and state when and where the game was harvested.

Funds for wildlife restoration work in Texas for years have been attributed to the Pittman-Robertson Act. This Federal law levies a special tax on sporting arms and ammunition. Another measure, the Dingell-Johnson Act which similarly taxes sports fish-

Shibuya Thumbed In Bout Saturday

Frankie Hill Murdock, the Waxahachie sandman, was unable to make his "return debut" in the Bull barn wrestling arena Saturday night because of illness, but he made his reputation felt, when he sent word that he and Kinji Shibuya would jump at a chance to tangle with Cowboy Carlson and Dory Funk for their Southwest tag team belt.

James-Carlson Match— Murdock was to have main-evented with Cowboy, but his illness called for the substitution of Johnny James against the good-looking Montanian and Funk and Shibuya took the spotlight in the main event.

Game Record To Be Maintained— Arrangements are being made to make a record of unusual specimens of wild game and fish harvested in Texas, the state Game and Fish Commission has revealed.

Cooperation of individuals, sportsmen's clubs, newspapers, radio stations and other facilities will be recruited to provide a permanent, accurate file of the rare specimens.

The executive secretary said the plan, which is the outgrowth of a suggestion formally submitted to the commission by Kenneth Forre, outdoor editor of the Dallas News, will be valuable for several reasons.

"It will be designed primarily to provide maximum pleasure for the hunter or fisherman harvesting the biggest trophy," he explained. "But if the system can be established on an accurate basis, much vital information will be obtained for Game Commission purposes."

"We know that some species change over the years. Some become larger; others become smaller. This method may enable us to expand present facilities for keeping tab of periodic changes. The commission personnel now uses available data showing trends in game management routine."

Present plans are to chronicle practically every kind of species encountered by hunters and fishermen. For example, extraordinary game fish and tough fish catches alike would be registered.

He said present plans are to set up the system through distribution of literature in time for the main fall hunting season.

fans plenty of excitement with the Japanese judo expert getting the thumb when he got out of hand late into the third fall and staggered Funk and nearly had him out with judo chops.

Cowboy Carlson out-classed Johnny James in the semi-wind-up and colorful Benito Gardini lost out to Gory Guerrero in the opening bout.

Bout by bout, the night's activities went thusly:

Rough Preliminary— In the 20-minute curtain raiser, the ever-popular Benito went in to tangle with Gory Guerrero. It was a little rough between the two with Gory getting the best of things most of the way through the engagement.

Gory finally bested the "Little Flower" in 10 minutes with a one-legged crab, the rotund Italian giving up.

Referee Gene Detton had his hands full with Benito, but this turned out to be only his basic training for later in the night when Shibuya got rough.

There was a little ill feeling between Gory and Benito as the match ended and the two began spitting at each other. Benito came out second best in this exchange, too.

In the semi-wind-up, a two out of three fall 45-minute bout, Cowboy Carlson and Johnny James had a non-title go.

Cowboy had most of the first fall his way and he finally wore James down enough to put the "Flying Hoolihan" on him in 16 minutes.

Works on Leg— James came back for the second fall and proceeded to work on Cowboy's left leg. He kept variations of toe holds on Cowboy's leg most of the 14 minutes the fall lasted.

The champ had a rough time getting around as the crafty James kept badgering the lightheaded. He finally took a concession from Carlson with a leg jackknife that hurt the blond tlist.

Things happened fast and furiously when the two came back for the third fall with renewed vigor. Cowboy made short work of James, piling him up with a devastating pile-driver that hurt even the ringsiders.

Both men put up a good fight in a nice, clean match that pleased the whole audience.

Dory Funk and Kinji Shibuya squared away for the main event in a straight catch-as-catch-can go.

Shibuya, a gorilla-like wrestler. (Continued on page 2)

Do you believe in a ^{Dollar} sign?

THERE are a lot of signs to guide you to the best buy in automobiles. Popularity is a good sign. It means that a lot of people have tried a car and found it good. So it's important to know that Buick is today—and has been since 1938—the most popular car outside the "low-priced three."

Room, comfort, power, ride are good signs. So it's important to know that you can pay

hundreds of dollars more and not beat the room and comfort you get in a Buick SPECIAL. Nor, at the price, can you match its power. And only Buick gives you a real million dollar ride. Doesn't all this give you a hint? Doesn't it suggest that you ought to try out a Buick—sample its Fireball 8 Engine—find out how it takes you over the road—feel the sure control that is yours on curves—discover its "big car" room and smoothness?

Do that—and look at the dollars on the price tag—and we know what you'll find out: If you can afford a new car, you can own a Buick—and boy, what fun that will be!

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

When better automobiles are built

BUICK

will build them

It's HERE! The New HOLLAND WIRE-TIE baler!

This New ONE-MAN Tie Baler has been fully tried and Proved in Deaf Smith County under varied Field Conditions.

The New Holland "80" will bale up to 10 tons per hour—up to twice the capacity of other wire-tie balers! Not just a conversion of the famous "77" wire-tie, the Model "80" was designed from the ground-up as a wire-tie baler. Its tying mechanism is fast and trouble-free. Pick-up and baling action are so gentle that the valuable leaves are saved. This means up to 50% more feed value... a better price for hay.

UP TO TWICE THE CAPACITY OF OTHER WIRE-TIE BALERS

PLUS THESE EXCLUSIVES!

- **Wiring System**—When wire in the can runs out, an automatic wiring lets you know in plenty of time to prevent missing any bales.
- **"Wet" or Dry Hay**—Hydraulic bale tension control, an optional feature, automatically allows for variations in moisture content of hay.
- **New Method Ties**—The Model "80" ties its "knot" in an "in-line twist." Knots and ends are steady, flat, wire-tie line flat—will not pull loose or unravel.
- **Self-Propelled Chute**—Standard equipment on the wire-tie "80", the roll-away bale chute flows bales to the left out of the tractor's path.

With a New Holland "77" you can count on baling up to 10 tons of hay an hour. The "77" is rugged, simple in construction. It has 20% fewer parts and offers many improvements. Farmers agree there's no finer wire-tie baler!

HEREFORD FARM EQUIPT. CO., INC.
209 N. Miles Ave. Phone 68

NO DROUGHT WORRIES—In spite of the drought which is plaguing Texas farmers, these Santa Gertrudis strain cattle, grazing just five miles north of Dallas, are gaining weight at the rate of one pound a day. And their only feed is grass. They're part of an experimental herd of 70 at Texas Research Foundation, obtained last fall from King

Ranch, when they were 670-pound long yearlings. The animals now average 1,248 pounds. Warm season grasses and legumes in this pasture are King Ranch bluestem, side oats grama, Blackwell switch grass, Dallas grass, Madrid and hubam sweet clover. AP Photo.

DROUGHT AND FIRE—A range fire, fiercely burning southeast of Deval, Okla., is symbolic of the production keg which exists over much of Texas where the grass and farmhands have been rain-straved. The fire on the Turner ranch burned itself out

after sweeping 80 acres and putting to flight a herd of 25 cattle, but ranchers with hundreds of acres already reduced for grazing by the blazing sun, kept an uneasy eye trained on the range. AP Photo.

The Battle For Cotton

Down in the lower Rio Grande Valley, an all-out war is being waged against a dread enemy -- the Pink Bollworm.

The battlefield isn't confined to the southern tip of Texas, however. It encompasses 189 counties, extending from Val Verde in the Big Bend to Orange county, on the Louisiana border.

The spoils of this war is cotton -- the king of Texas agriculture. The weapons are strict regulatory measures and practical insect control methods. And the battle has attracted the attention of economists as well as farmers all over the state, who realize that if the insect wins -- then cotton can no longer be grown profitably in Texas.

Perhaps the first major victory will be won in the Rio Grande Valley Aug. 31 when cotton stalks in the four southern-most Texas counties will be turned underground. The action will help destroy the winter breeding place of the Pink Bollworm. Three weeks later, 12 counties farther north will follow suit as will the remaining 45 counties in subsequent weeks. By Oct. 20, all counties under planting and plow-up controls of the Texas Department of Agriculture will have done their bit to reduce the Pink Bollworm population.

The next step will be up to nature. With adequate moisture during the winter, the cotton de-

bris will rot -- and victory will be nearer -- but not complete.

Due to a comparatively mild and dry winter last year, and to delayed plow-ups brought on by an acute shortage of labor, the Pink Bollworm build-up was astonishing. Actual counts in four counties showed thousands more "Pinkies" than in 1951. Representative sample bushels of gin trash from Cameron county had a count of 15,000 worms per bushel as compared to only 151 (correct) last year; Hidalgo had 3,000 as compared to 103; Willacy, 7,000 as compared to 13, and Starr, 6,000 as compared to 169.

The insect multiplies so rapidly as the season progresses that it can wipe out a whole crop of late cotton in two weeks. The importance of late planting and early plow-ups in infested areas cannot be overestimated. But it is not the problem of the South Texas farmer alone. Every Texas farmer should clean up his fields and ditches as soon as the cotton crop is gathered. For as the breeding grounds are destroyed in the South, there is little to prevent the insect from moving farther north in a search for winter quarters.

The government of Mexico is combating the Pink Bollworm with similar measures. With the co-operation of every farmer in the infested areas and over the rest of the state, we can look forward to crops comparatively free of the destructive insect.

Better Days Ahead For Poultryman

COLLEGE STATION—Poultrymen who have raised a normal number of pullets this year should soon begin to receive a profit on their investment. This encouraging word comes from Professor E. D. Jarnell of Texas A. & M. College's poultry department.

The outlook for egg prices wasn't good last spring, says Parnell and producers reduced their flocks and also their pullet replacements by 7 per cent. Now the picture has changed. Storage stocks are being reduced and prices have strengthened. The future looks good. It is true, says the professor, feed prices remain high but feed-egg ratios have become favorable for the first time in several months. Therefore, egg producers should be operating on the profit side for the remainder of the year.

It is now too late to do anything about raising pullets for egg production this year but Parnell points to the present situation as a reminder that profits are seldom made by those who are in the business one and out the next. Trying to out-guess the market, he adds, is usually a good way to get out of the poultry business.

For those who have the egg producers, Parnell says, see them well; give them plenty of room; practice sanitation and keep them in good health. It is his belief that poultrymen who raise only the number of pullets they can care for well, and do it year after year, are the producers who are most successful.

Shibuya . . .

(Continued from Page 1) ler, really roughed up Funk and picked him out for the first fall in 13 minutes with a Japanese arm bar.

His judo chops and choke holds kept Funk in discomfort most way throughout the first fall.

Dory used a spinning toe hold to waylay the husky Jap in seven minutes for a one-one match.

Into the third fall, Shibuya really got rough and was free with his illegal judo slams. He

had Dory reeling off the ropes knocking him out of the ring on several occasions, over the route.

Referee Gene Detton tried unsuccessfully to stop the Jap, but he kept boring in. Finally he gave the match to Funk, but not before Shibuya threw Detton around and picked up a \$25 in the process.

Dory was in bad shape when the bout ended, but spectators were egging him on to trade blows with the unpopular Shibuya. He was content this once, however, to let things be as they were.

DAWN NEWS

Dawn Study Club Will Resume Season In May Home September 3

By Bertha Frye
The Dawn Study club will have its first meeting of the season on Wednesday, Sept. 3 in the home of Mrs. Melvin May. Roll call will be answered with a recent development in science.

Mr. and Mrs. Wesley Cox and sons recently returned from a trip to Alaska.

Mr. and Mrs. Ray T. Stewart and daughter Linda and Ralph Atchley returned from a trip to Richmond, San Francisco and Los Angeles, Calif.

J. P. Grady of the Wyche community is staying for a few weeks in the home of Mrs. Reece Stewart, his granddaughter.

Mrs. A. T. Frye and Mary were in Muleshoe last Saturday.

Jim McCabe made a business trip to Houston last week.

Mr. and Mrs. Boyd Stewart and children of Shamrock spent the week-end in the home of his parents, Mr. and Mrs. Zed Stewart.

Jimmie Cartel of Hereford spent last week in the H. V. McCabe home.

The Dawn Home Demonstration club had a picnic Friday evening at the home of Mr. and Mrs. Johnnie B. Caraway.

Mrs. D. L. Miller, who has been visiting in the Walt Beavers home the past few weeks, returned to her home in Velma, Okla., Monday.

Many people from Dawn attended the Roberson-Galley wedding at Hereford Sunday afternoon.

Paul Payne of Marlow, who has been visiting in the Walter Beaver home returned to his home Thursday night.

Manuel Beavers is visiting for a few days in the home of his sister, Mrs. Donald May, in Blackwell, Okla.

Richard Frye left Friday night for Ft. Worth to visit relatives for a few days.

Mr. and Mrs. Bill McCabe and young daughter of Borger, spent the weekend in the home of his parents, Mr. and Mrs. H. V. McCabe.

Mr. and Mrs. Zed Stewart and son Dwayne were dinner guests in the home of Mr. and Mrs. W.

J. Stewart in Canyon Sunday. Karl Wedel of Tucumcari is visiting in the H. H. Miller home, while his mother, Mrs. Louise Wedel is visiting in Canyon with Miss Vera Crawford.

Mr. and Mrs. Charles Corder accompanied Mr. and Mrs. Henry Mosier and son of Clovis to Hot Springs, N. M. for a few days stay last week.

Mrs. Zed Stewart and son Dwayne and grandson, James Robinson, returned Thursday from a trip to California.

Kay Albracht of Hereford spent several days last week in the home of her grand parents, Mr. and Mrs. George Parker.

James Roberson left Thursday night for his home in Bowie, after spending the summer in Dawn.

Donald Edward Butler of Dublin is spending several weeks with his uncle and aunt, Mr. and Mrs. Glenn Caraway.

Dinner guests and later visitors in the H. H. Miller home on Sunday, honoring Carroll Miller who leaves this week for Ft. Bliss at El Paso, were: Mr. and Mrs. Norman Miller and children; Mr. and Mrs. Lloyd Bentley; Mr. and Mrs. Raymond Miller, and children; Mrs. Louie Wedel and Karl.

Home Rule Charter Panel Discussion At Rotary Meeting

A panel discussion on the proposed Home Rule Charter for Hereford was presented for the Hereford Rotary club Friday.

Members of the panel were J. C. McCracken, Ray Cowser, Don Zimmerman and John D. Aiken.

Frances Hardwick, program chairman, acted as moderator for the group.

Guests attending the meeting were Joe Andrews, Robert Veigel, Ernest Langley and Mrs. Truett of Amarillo.

Mr. and Mrs. Bill Howard and Ruth and George Loerwald returned Sunday from a week's vacation at Drowsy Water ranch, Granby, Colo.

Ford Tractor Model Hits Half-Million

The 500,000th Model 8N Ford tractor rolled from the production lines at Ford's Highland Park plant on Tuesday, July 29. With

production of the 500,000th unit, the number of farm tractors built by Ford exceeds 2 million. One million of these Ford-built tractors were produced in the last 10 years.

Present at ceremonies marking the event were M. D. Hill, Vice-

President, and G. D. Andrews, Vice-President in charge of sales, Dearborn Motors; and the following Ford executives: D. S. Harder, Vice-President, manufacturing; David W. Lee, manager, tractor and industrial engine division; E. F. Wait, manager, Highland Park plant; and I. H. Niffin, manager, tractor production.

Mrs. Garrett Fox and daughter Susan, of Salina, Kans., are visiting in the home of her parents, Mr. and Mrs. H. E. Henslee. They visited relatives in Lubbock and Amarillo last week-end, accompanied by Mrs. Henslee.

SAFE AT HOME—Ted Edward Benoit, 13, who was believed drowned in the Neches river but turned up unharmed early the next day, is shown with his parents, Mr. and Mrs. Waddy Benoit, at his home at Groves. After his all-night stay in the woods, Ted wanted only two things—food and sleep—and he's pictured getting one and getting ready for the other. AP Photo.

Long Time Ago

45 Years Ago
(August 23, 1907)

On last Friday afternoon, when business was a little dull and the few loafers were enjoying their usual hour of rest, a company of ladies were seen coming down Dewey Avenue and lead their way toward the pool hall. This unusual event at once stirred up the seeming lethargy and as the ladies approached the hall, a large crowd of men and boys gathered on the opposite side of the street as spectators. Some took it as a huge joke and an occasion for merriment, others stood in silent and graver mood.

When the ladies, some 26 in number, marched into the hall, some of the players not knowing just what the procedure meant, made a hasty retreat through the rear door and over the back fence into the lumber yard: Two of them and the proprietor of the hall stood their ground. The sudden flight of the men from the hall was the signal for considerable laughter and raving on the part of the crowd across the street. It is not known who it was that made good their retreat, but it is reported that one of the gentlemen was seen in Lubbock the next day.

The Brand reporter with three or four others followed the ladies into the hall, because of their innate curiosity and to see what would be done. The proprietor met the ladies as they entered with all the courtesy of a polished gentleman and inquired as to the object of their visit. The ladies said they had come to enter their protest against the continuance of the pool hall in the city and that they wished to ask him if he would close the hall if a majority of citizens would sign a petition asking him to close. The proprietor stated that he had been invited by some of the leading citizens of the town to come to Hereford and that, under the law, he had a right to operate a pool hall. He also stated that he would run the hall according to the law. The ladies responded that they were going to circulate two petitions: one for the hall, the other against it.

After some further talk on the part of both sides, the ladies left the building and began to present the two petitions to the men on the streets. Some took the matter in good naturedly while others filed a demurer against this procedure.

The ladies found that there were three sides to the question; some signing the petition against the hall, others signing the petition for the hall, while still others would sign neither. The circulation of the petitions created considerable talk on the streets and groups of men could be seen gathered along the sidewalks discussing the questions at issue.

The ladies continued their canvass for two or three days and obtained a large number of signers on the anti-pool petition, but not many on the pro-pool side. Just what the result of the ladies' protest will be cannot be known at present, as the proprietor of the hall could not be seen.

The Hereford Brand published this past week a 16-page issue, and we must say it is certainly a credible number. There are many things in it that denote thriftiness in the town as well as the paper's force.

It has only been a short time since all the Plains were visited by a generous rain of three or four inches, covering the entire Panhandle and assuring abundant forage crops for the year, but as some one has said: "The Panhandle has everything on a big scale," so it now does the biggest thing yet and brings down on itself one of the heaviest downpours of the year.

25 Years Ago
(August 25, 1927)

Adult farmers of the Hereford region are a mighty fine group, but the younger generation will show them a thing or two when it comes to the question of hog-raising. At least that is the opinion of Fleet Calloway, 17, who has just finished feeding the first ton litter of pigs to be raised in Deaf Smith county.

Juniors and seniors of Hereford high school may be enrolled in advance of the regular opening of the school if they will come to the office at any time after today, it was announced this morning by Supt. C. H. Dillehay. Mr. Dillehay will keep hours for that purpose from 10 a.m. until noon each morning and from 2 until 4 each afternoon.

Bill Smith may have thought he was going to start something when he came around last week drooping under the weight of three 10-inch peaches. If he did think so, he certainly was right.

Almost every day new word is received of "super" specimens grown in this vicinity. The newest record goes to Mrs. R. G. Sisk, who is proudly displaying a number of pears measuring 14 inches in diameter, which were raised at her home on the west side of town.

The rains which fell in this vicinity Thursday and Friday caused the cancellation of arrangements for the fourth annual Farmer's Picnic, scheduled for Friday, August 19.

Three Hereford Tech Students To Get Degrees

Three Hereford students at Texas Tech have completed their requirements for a degree in various fields during the summer and will receive their degrees at commencement exercises to be held in Lubbock, August 27.

Names of the candidates and their majors are: Homer Wesley Rudd, Hereford, animal husbandry; Bonie Jean Smith, Hereford, Spanish; and William Jesse Stanford Jr., agricultural education, Hereford.

Draft Board Reclassifies 83 At August 19 Meeting; List New 1-As

Eighty-three men were re-classified or classified for the first time by the Deaf Smith county draft board at its regular meeting held August 19.

Names of the men and their classifications are:
Seven IA
Lloyd East; Louis Burrus; William Graham; John Robinson; LaLoma Smith; Joe Thompson; James Irbeck.

Six IIIA
G. A. Collier; Bobby Barlow; Raymond Rogers; Grady Morton; Billy Murphy; Jackie Doshier.

Eight IV F
Lesley Lewis; Wesley Dry; Don Hayworth; James Scarberry; Louis Powers; Dean Phillips; Charles Mobley; Lonnie Straley.

Eleven 10-ENL
Ebb Martin; John Dameron; Murlo Ferris; John Gabert; Jack Cox; Bobby Manning; Dennis Guiley; Virgil Alston; Billy Parcin; Jesse Coburn; Virgil Kolley.

Seven 10-DIS
Henry Rutherford; Melvin Wells; Jannie Rogers; James McKinney; William Powell; Harold Price; Kenneth Obenhaus; Conda Needham.

IC RES. Andrew Drake; ID, James Bible; IIS, Joseph Knight; IC R, Lowery Walker; IV C Mineard Fischbacher.

Notice was received of the following men who have just received their first classifications:
Thirty-Seven IA

Tommy Penn; Gerrel Hawkins; Jack Stanton; Marvin Axe; Elsworth Cundiff; Donald Zellner; Clyde Haddock; Burton Marshall; Charles White; Jerry Ellison.

Warren Thomas; Dwan Evers; Melvin Barnett; Charles Blankenship; Don Nelson; Bobby Sebolt; Harrell Slack; Richard Cardinal; Wayne McCarter; Rex Pool.

Gerald Diller; Vincent Gerber; Frankie Allen; Robert Mercer; Richard Picketts; Farren Broadstreet; Charles Donnell; Charles Langford; Bobby Alley; Willie Johnson.

Lloyd Parsons; Jimmie Law-

hon; Cecil Black; Billy Bible; Melvin Wells; Franz Krame; Commie Smith.

Surprise Birthday Affair Is Given

Mrs. Mary Siegler was given a birthday surprise party Sunday afternoon at the home of Mrs. J. W. Kirby. The honoree found guests already arrived when she called presumably to take Mrs. Kirby for a drive. Other hostesses with Mrs. Kirby were: Mesdames J. O. Newell, J. W. Thomas and Carl Perrin.

Attractive gift packages arranged around the birthday cake formed the centerpiece for the refreshment table.

Those attending were: the honoree and Mesdames Lola Owen, S. L. Easley, Tom Alderson, M. S. Cherry, Essie Cardwell, J. B.

Burn, Mr. and Mrs. T. E. Siegler and children, Mr. and Mrs. Charles Wood, Carl Perrin, Sue, Karolin, Ang and Rebecca Kirby and the hostesses.

Sending gifts were Mrs. Dyalthis Brady and Mrs. J. C. Gilbreath of Dimmitt.

Mrs. Clifford Kester and daughter of Colorado is visiting Mr. Kester's parents, M. and Ms. F. M. Kester, and other relatives here.

Mohammed died from poisoning.

GOOD NEWS FOR BUTANE USERS

YOU CAN BE ASSURED OF WINTERTIME FUEL IF

You have ample storage And KEEP IT FILLED During the Summer

These are the FACTS About Gas Supply

There is no shortage of butane-propane. There never has been a shortage. There will be no shortage in the foreseeable future. Butane and propane are among the most plentiful products in our national petroleum reserves. However, every winter many users go without fuel. This is ONLY BECAUSE OF TOO SMALL STORAGE TANKS. Your butane dealer knows the amount of gas you use summer and winter. He has the right answer for your needs. He will give you fuel—not promises! Your tank may have been right when it was installed, for your family may have outgrown its original gas needs. To be safe you should KNOW just what size tank you need to fill these needs.

Now get the Facts about YOUR storage needs. We will give you a FREE analysis of your requirements.

CALL US TODAY and BE SAFE FOR WINTER

Mrs. Lambert Celebrates 82 Birthday

Eleven long-time friends gathered to share in birthday celebrations for Mrs. Frank Lambert Thursday afternoon when her granddaughter, Mrs. Buford Crosthwait, hosted a party honoring Mrs. Lambert on her 82nd birthday.

The oldest of the group present was Mrs. W. B. Beach, who is 92. Many have enjoyed attending the same Sunday school class for years.

Representing four generations

were Mrs. Lambert, her daughter, Mrs. C. J. Mountz, her granddaughter, Mrs. Buford Crosthwait and her great-granddaughter, Carla Sue Crosthwait.

Those attending were Mesdames J. J. Clayton, L. R. Bradley, C. H. Carl, J. D. Bourn, W. B. Beach, B. C. Roberson, G. M. Suggs, Bob Higgins, C. J. Mountz, George Bippus, Miss Lucy Reed, the honoree and the hostess.

Karl Shirley has been visiting his mother, Mrs. Jeff Gilbreath this week. He has been attending the summer session of the University of Oregon at Eugene and is enroute to Kingsville where he is head of the math department in the Kingsville high school.

CONG. ROGERS SAYS

Progress On Canadian River Dam, Feed Situation Explained

CANADIAN RIVER DAM: The need of an ample water supply in the Panhandle of Texas has been established beyond any reasonable doubt. Any argument to the contrary would have little force in view of the drought from which we have suffered. This need has long been recognized by those who are familiar with all the facts. It is good that some questioned the feasibility of such a project and required all necessary facts in justification of it. This procedure eliminates the possibility of a "pork barrel project".

Certainly the Panhandle of Texas is not interested in a "pork barrel project", and I do not believe the people of West Texas would even think of tolerating such. Although the progress has appeared slow on this project, it has been substantial. The bill as originally passed was an authorization for the construction of the project when funds were available.

At the passage of this authorization, commitments were made to the effect that applications would not be sought until the emergency was over. These commitments were made to senators who were objecting to the passage of the legislation and whose objections would have killed the measure and required the introduction of a new bill and the loss of all progress that had been made up to that date. Efforts are

now being made to satisfy these commitments. All necessary legislation in addition to the original authorization has been passed save and except the appropriation for the actual construction of the dam.

As most of you know, preliminary survey work has been going on this summer and much detail work has been accomplished. Our efforts here will continue and we hope to obtain some definite action in the next Congress.

THE CATTLE FEED SITUATION: The tragic disaster that has hit the cattle people is going to do great damage to our section. The Department of Agriculture advises me that there is no grain available for feed purposes for the reason that there is no oats, barley or sorghum in Texas as by the government. This certainly came as a surprise to me in view of the tremendous amount of feed raised in Texas. The department advises that the facilities for storage are being used for wheat, which is of course too high for the farmer, rancher or feeders to use. The nearest available grain is corn stored in Kansas, which must be sold at 105% of the support price, plus a carrying charge. This means that the price would be several cents more than the same corn could be purchased on the open market. There is only one source of relief for the cattle people insofar

FEATURED TOGETHER with a number of well-known celebrities at the Eighth Annual Boys' Ranch Rodeo will be the four Boys' Ranchers who recently made a number of radio and television appearances and several radio transcriptions in Hollywood. The Boys' Ranch Rodeo will be held in Amarillo Sunday afternoon, August 31 and Monday night, Sept. 1.

as the federal government is concerned, and that is Public Law No. 875, having to do with the President's Emergency Fund. In order for these funds to be used a request must be made of the President by the governor of the state desiring relief. If the request of the governor is honored by the president and the particular area designated as a "disaster area," the funds from this source are earmarked for use in relief of such situation.

TAXES: It is encouraging to note that many are seeking public office or re-election are speaking favorably of the possibility of some tax relief. There was much ado in the last Congress about the various cuts in appropriations. The president now acknowledges that by reason of this economy wave, progress has been made toward a balanced budget. It is my considered opinion that a continuation of this economy wave, plus the closing of tax loopholes will result in a surplus in the 1953-54 fiscal year, and there is still a possibility that the 1952-53 fiscal year will not result in a deficit. If such is the case, we can of course get tax relief sooner than expected. I am glad to see the trend downward in government spending and hope that the speed if this trend will increase in the next Congress. The cuts made by the last Congress have proven that there are many services that the people can do without and not be missed. There are some services that can be abolished without undue interference to the public. If these can bring about early tax relief, certainly they should be abolished.

THE MEETING IN MOSCOW: There has been much conjecture about the meeting between the Chinese Red high officials and the Kremlin. One observation is that the tremendous build up of strength by the United States in Japan has convinced the Reds that further conduct of the war in Korea would be futile. Some feel that the meeting has brought to a head the suspected differences between the Red Chinese and the Russians as to the Russian's failure to carry out previous arms commitments. If such is the case, it could explain the Stalin called meeting of the party -- the first since 1939 -- to set up a five-year plan to increase production.

VISITORS: Recent visitors from the district have been: William Q. Boyce and Leonard J. Cowden, Amarillo; B. C. Rogers, G. W. Yeargain, James Prichard and James E. Wooley, from Pampa.

A 48-gun salute is fired at noon on July 4th at every army post provided with suitable artillery, to commemorate the Declaration of Independence.

Cheese Cake Recipe Listed

COLLEGE STATION — The budget-wise homemaker will be interested in an inexpensive cheese cake. The foods and nutrition specialists, with the Texas Agricultural Extension Service, point out that cheese cake is a traditional "Old World" delicacy perfectly adapted to American menus and kitchen methods.

The specialists recommend the Easy-Do Cheese Cake which fits right into an economical food budget. For those who are interested, they suggest the following recipe:

EASY-DO CHEESE CAKE
 1 cup fine graham crackers
 2/3 cup sugar
 3/4 teaspoon cinnamon
 1/4 cup melted butter
 2 tablespoons chopped nuts.

if desired
 2 eggs
 1/8 teaspoon salt
 2 tablespoons flour
 1 1/2 cups creamed cottage cheese
 1 1/2 cups light cream or top milk
 2 teaspoons lemon juice

Mix together crumbs, cinnamon, butter and 3 tablespoons of the sugar. Mix 1/2 cup of crumb mixture with nut meats for topping, press the remainder

to bottom and sides of 8 in. spring form or layer cake pan. Beat eggs until thick and lemon colored, gradually beating in remaining sugar. Add cottage cheese and cream; beat with rotary egg beater until thoroughly mixed; add lemon juice and blend well. Strain mixture. Bake in 350 degree oven 35 minutes. Turn off heat, open oven door and allow cake to cool an hour. Chill. Remove from pan.

Household Scrapbook

By Roberta Lee

The Teeth

An effective way of cleaning the teeth is to dip the end of a match, breaking off the sulphur part, in powdered pumice stone and rub above and between and under the teeth until every trace of foreign accumulation has been removed. Finish by rubbing the face and crown of the tooth with a handkerchief dipped in the powder.

Potatoes

When potatoes are cooked with their jackets on, they retain their nourishment and have a much better flavor than if they are cooked after paring. The skin retains all the substance.

Rub With Lard

If fabric has become stained with fat or grease clean it by rubbing well with lard and then washing in warm suds.

Tomatoes

To remove the skins from tomatoes, place on a fork and hold over a fire. Turn constantly until the skin becomes slightly charred or bursts. It can then be removed with a sharp knife. The amount of heat will not affect the firmness or flavor of the tomato.

Playing Cards

To clean playing cards sprinkle

them with talcum powder and rub with a dry, soft cloth. Or, go over them with a cloth dipped in a little camphor solution.

Hard Water

There are several agents that may be used for softening hard water. Among them are lemon juice, borax, or an oatmeal bag.

Substitute Ice Pick

If there is no ice pick at hand, and ordinary hat pin gradually forced into the ice produces a crack and separates it without sound. Medium-sized pieces of ice can be cracked with a needle, or even a common pin, using a thumb to push it through.

Mouth Wash

An effective mouth wash can be made by mixing twenty drops of tincture of myrrh in forty teaspoonfuls of water. This solution is both healing and cleansing.

The Broom

Dip the broom into a bucket of boiling water occasionally. This will not only keep the broom clean, but will prolong its life.

Mildew on Leather

Rub pure vaseline into mildewed leather until it is quite absorbed; then polish carefully with chamolite leather.

sides of the legs. Polish as usual. Cold cream or vaseline jelly are also good cleansers. Rub well afterwards with tissue paper.

Q. How can I remove calcimine?
A. Ordinary calcimine may be washed off with water. However, if necessary add an alkaline substance such as soap powder, ammonia, trisodium phosphate, or borax, to the water.

Q. How can I make good use of left over chicken?

A. Fry minced left-over chicken with-boiled rice, add minced onion, butter, green pepper, and seasoning. Hot buttered biscuits will add considerably to this meal.

Q. How can I preserve the feathers in a pillow?

A. When refilling a feather pillow, crush a small block of camphor and mix it with the feathers. This will help preserve the feathers and keep the pillow from acquiring any musty odor.

Q. How can I boil eggs so that they will be easy to peel?

A. Cook the eggs in salted water and they will peel more quickly and easily. The salt tends to crack the shells and separate them from the eggs with much less effort.

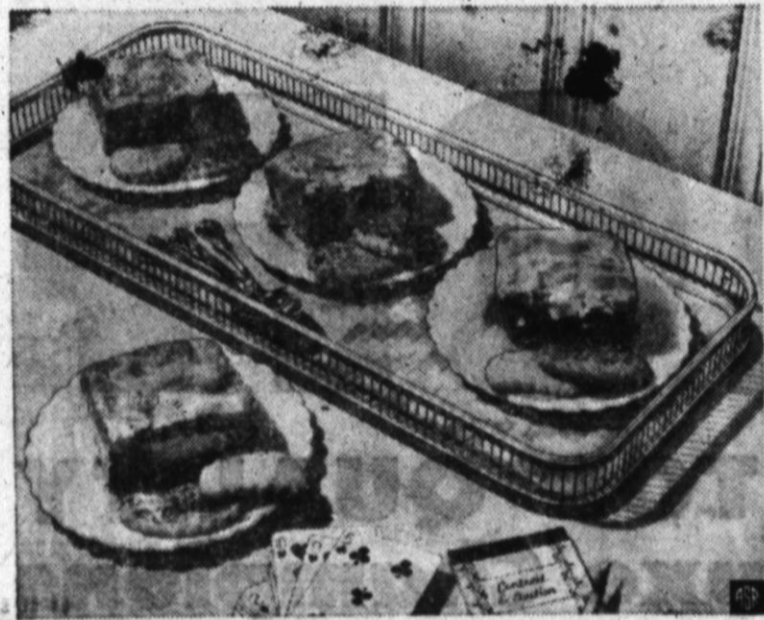

Q. How can I make use of left-over cake?

A. Slice the cake and over these slices spread seeded cherries or other fruit mixed with diced pineapple. Allow to chill for several hours, and then serve plain, or topped with some broken nuts.

THE PREACHER COME HOME—With members of his congregation unable to restrain their sorrow, the body of the fiery Rev. J. Frank Norris arrives in Fort Worth for burial at Norris' First Baptist church. The controversial preacher died at a religious meeting in Florida. AP Photo.

The Best Deal Of All!

Try this novel refreshment—Ripple Ice Cream—on your Bridge four-some soon, if you really want to be a winner! Smooth Chocolate Sauce is frozen right into a tray of ice cream in a zigzag pattern. Very attractive to look at and just yummy to taste!
You will be pleasantly surprised to find that it is simple to make, and ideal for hot-weather entertaining as it takes only a few minutes to prepare the sauce and combine it with ice cream from the store. Also, it's an excellent way to use up ice cream that has become slightly soft! This Ripple Ice Cream recipe will serve four to six. With a few cookies and possibly coffee, hot or iced, it's sure to be the best deal of the day!

Chocolate Ripple Ice Cream

1 quart vanilla ice cream
1/2 cup Chocolate Sauce

Turn half of softened ice cream into freezing tray of automatic refrigerator. Pour half of chocolate sauce over ice cream. Cover with remaining ice cream; then swirl remaining sauce over top. With knife or spatula, cut through ice cream in zigzag course. Set control for coldest freezing temperature. Freeze until firm. Freezing time: 2 to 3 hours. Makes 1 quart.

Chocolate Sauce. Combine 1 cup instant cocoa mix and a dash of salt in saucepan. Add 1 1/2 cups hot water. Place over medium heat, bring to a boil, and boil 4 minutes, stirring constantly. Remove from heat, add 2 tablespoons butter, and mix until smooth. Makes 1 1/2 cups sauce.

How Can I?

By Anne Ashley

Q. How can I polish out scratches on glass?

A. They might be partially polished out if rubbed with rouge wet with water on a piece of soft leather. If the scratches are deep it will be necessary to grind them out with the finest flour emery, such as that used by opticians, and the spot polished with rouge and water in a piece of soft leather.

Q. How can I repair a leak in the rubber hot water bottle?

A. Apply several pieces of liquid court plaster, letting each piece dry before applying the next, and making each piece a little larger than the preceding one.

Q. How can I loosen the dirt when soaking curtains?

A. A half-cup of salt added to the water in which curtains are soaked loosens the dirt more rapidly and adds materially in the laundering.

Q. What is the best method of cleaning eye glasses?

A. First moisten the tips of the fingers, rub them over a cake of soap, and then rub over both

DEAF SMITH county's three delegates to the annual convention of the Texas Home Demonstration Association in San Antonio look over a road map showing their route to the convention city. They are— from left: Miss Roberta Campbell, Mrs. Joe Waggoner and Mrs. R. C. Childers. They will return to Hereford Friday. Staff Photo.

Bridge Luncheon For Former Residents

Mrs. Don Taylor of Louisiana, Mo., the former Miss Eloyse Pitman, was honored the past week by her mother, Mrs. J. H. Pitman, who entertained Wednesday and Friday with bridge luncheons.

On Wednesday Mrs. Pitman hosted a luncheon at Mrs. Rex Tynes' party house with bridge games enjoyed later at the Pitman home. High score awards went to Mrs. H. K. Fox and Mrs. F. H. Oberthier.

Others attending were: Mesdames J. C. McCracken, W. L. Davis Sr., Alton Fraser, C. C. Rockwell, J. A. Pitman, E. B. Hedrick, Frances Houston, H. A. Close, Jay McWhorter, Bradberry of Kansas City, and the hon-

oree.

Luncheon on Friday

A bridge luncheon was held at the home of Mrs. J. H. Pitman Friday with other close friends of the honoree as guests. They included; Mesdames Frank Cogdell, C. T. Guseman, Carl McCaslin, Ben Childers, Jay McWhorter, J. A. Pitman, Earl Hendricks, Sternberg, Woodrow Gilbreath of Dimmitt, Gabe Anderson of Bovina, Jimmie Gillentine, Doug Timberlake of Chicago, and the honoree.

Mrs. Woodrow Gilbreath and Mrs. Doug Timberlake played high for the score awards and at both affairs the honoree was presented with a gift.

Mrs. Inez Wedel and son Carl are visiting Mr. and Mrs. H. T. Wedel of Hereford. Mrs. Inez Wedel has been attending the state college at Cusson, Texas.

Kiwanians, Scouts To Don Herrington

The Kiwanians sponsored a trip to Camp Don Herrington for Scout Troop 51, this weekend. On Friday the Kiwanians who attended drove the Scouts to the camp. After they arrived they went swimming then served a picnic with weiner-roast included and the boys of the troop furnished stunts for entertainment.

This last camp of the summer is to organize for next year and to practice for the September 13 swimming contests.

Kiwanians and their families who attended were: Mr. and Mrs. Lowell Sharp, Mr. and Mrs. Bartlett Dowell and sons; Mr. and Mrs. Carl Prather and sons; Gerald Wilson and Diane; Bill Phillips; Shirley Sharp, club sweet-

heart, and Bobby Millard; Pat Sullivan, Frances Young and Wendell Burdine, Scoutmaster. Scouts who attended were: Lynn Bybee, Bill Woodford, Sam Lesly, Bill Drake, Don Crutchfield, and John Beasley.

Mr. and Mrs. Paul Creek of Portales are visiting her parents, Mr. and Mrs. Bryon Durham.

Mr. and Mrs. Delmer J. Richardson and family are visiting in the H. T. Wedel home.

Lunch Program Ready For Hereford Students

All is in readiness for one of the biggest single projects in the daily school life of the Hereford school system's children -- the school's hot lunch program -- according to Mrs. Claude Francis, system dietitian.

To prove that school lunches are "big business" -- even at 30c and 35c each, Mrs. Francis introduces the following statistics: in '51, the program used 156,980 1/2-pints of milk (9,811 gallons); one-fourth of the child's needed milk per day is served with the "A" lunch, which will be served at the schools as usual.

Type "A" Lunch

The type "A" lunch consists of the following: 1/2 pint milk, two ounces meat or meat substitute; cup vegetables and/or fruit; one or more portions of bread of whole grain or enriched flour; one teaspoon butter or fortified margarine.

More than 95% of the children

who eat their lunches at the school lunch room have milk with them, Mrs. Francis commented.

Menus for the coming week will be published in The Brand each Sunday so parents can tell what will be served for the ensuing period.

Charges for the meals will be:

Bertha Frye Is Birthday Honoree

DAWN -- Mrs. H. H. Miller entertained with a birthday courtesy honoring Bertha Frye last Tuesday afternoon, Aug. 19.

The refreshment table was laid with a white linen cloth and flower arrangements were of white Esther Reed daisies. Mrs. Alfred Smith presided at the punch bowl.

Those present for the occasion were: Mesdames Adolf Frye, Paul J. Frye, Harold Lowery and Swona, Raymond Miller and children of Amarillo; Elmer Richardson and children of Slater, Jo.; H. T. Wedel, Arthur Tiefel and Mark, George Tiefel and children of Hereford; A. T. Frye, R. A. Frye, J. D. Bruner, David Rogers and Paul, Alfred Smith, Henry Turner, Glen Caraway, Mary Byrd, H. V. McCabe, Miss Mary Frye, the honoree and the hostess.

Unable to attend but sending gifts were: Mesdames J. D. Pruitt of Canyon; Henry Tiefel of Hereford; Gayle Neal, George Parker, Charles Corder, Walter Beavers, C. C. Stewart, Zed Stewart

30c at Shirley and Central and 35c at the high school and junior high lunch room.

Personnel of the lunch program, under the direction of Mrs. Francis, will be:

CENTRAL

Mrs. Ada Brunson, head cook; Mrs. George Vincent, Mrs. Grace Little, Mrs. Ethel Layman and Mrs. D. O. Benson.

HIGH SCHOOL

Mrs. John Hamby, head cook; Mrs. Bill Denny, Mrs. B. F. Markham, Mrs. Lois McDonald.

SHIRLEY

Mrs. Lester Wiggins, head cook; Mrs. O. C. Cummings, Mrs. Henry Murrell, Miss Lorene Stayton, Mrs. H. L. Newman. Mrs. Newman is filling the vacancy left by the resignation of Mrs. Mary Woolery, who has been with the lunch program in Hereford for the past eight years.

Mrs. Otis Lee will be the substitute for the three schools.

Parents are welcome to visit the lunch room and eat with the children at any time they desire.

Sgt. and Mrs. Lynn Chisholm are now visiting her parents, Mr. and Mrs. Wirt Phillips. The Chisholms have just returned from Tokyo where they have been for the last three years. They plan to stay in Hereford for a month then go to New York where he hopes to be permanently stationed.

Mr. and Mrs. Maurice Tannahill and son Gary and Greg Combs left Tuesday for Colorado Springs. They plan to return to Hereford Sunday.

Coward To Life Insurance School

O. P. Coward, Hereford underwriter, is one of 11 Southwestern Life agents who will attend a series school in Dallas during August 25-29.

Subjects to be studied include life insurance salesmanship, settlement options and proper fitting of policies to needs. Coward has been informed.

The school is one of a series of five which Southwestern Life representatives may qualify to attend over a period of three years.

This Week's Calendar at Your Hereford Churches

Only a Rose, and how we love it! Yet it is the commonest of flowers. It grows in every country, along every roadway under the sun. Every nation appreciates it. Perhaps it is like the sunshine... the spring showers or the pearly dewdrops on its petals; all the more meaningful because so universal. God made the Rose.

Children carry them for their favorite teacher. Lovers weight them down with deep and intense affection for their beloved. Mature home lovers are brightened by their fragrance and loveliness. The hours of sorrow are lightened and sanctified by the silent ministry of friends who find no other expression of sympathy quite so satisfactory. Thank God for the simple wayside wild rose. Thank Him for all the patented varieties so much sought after throughout the land. His rose by any other name would smell just as sweet. It is God's Rose.

Can we not make the humble rose even more symbolic and glorious? Let the crystal purity of her white petals symbolize life everlasting. May she speak in reverent words of devotion, and love and God as she illumines His sacred pulpits all over the world. May she not testify to the omnipotence of God and may her sacred and significant voice be that of Him calling His children to worship. God made the Rose!

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our eyes should go to the church of our choice on Sunday... in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

First Christian

Sunday school is held each Sunday morning at 9:45 at the First Christian church. The morning worship services will be held at 10:50. Youth groups will meet at 6:30 and the evening services will be held at 7:30.

First Baptist

Sunday school is held at 9:45 and the morning worship services are held at 10:50. Sunday evening the training union will be held at 7:15 followed by the evening worship services at 8:30.

First Presbyterian

Sunday school is held at 9:45 each Sunday morning at the First Presbyterian church. It is followed by morning worship at 11 o'clock. The Sunday evening worship service is held at 7:30. The First Presbyterian church is located at Seventh and Lee. Rev. Russell Wingert is the pastor. On August 31, Rev. James Aiken of Denton, former pastor here, will conduct the service.

Immanuel Lutheran

Sunday school and Bible class at 7:30 P. M. Hour of worship at 8:30 P. M. The church sponsors the Saturday morning devotional over KPAN at 8:45 a. m. You may also hear Lutheran Hour over KPAN at 5 p. m. on Sunday evening.

Seventh Day Adventist

For the study period the subject will be "The Latter Rain". Memory verse - Zach. 10:1. Study help - Chapter 8 of the book "The Holy Spirit" by W. H. Bronson. Elder G. A. LaGrone will fill the pulpit for the worship hour. Study course - 3 p. m. at the church, 3rd and Lawton.

St. Anthony's Catholic

Sunday masses at 7 a. m. and 9:30 a. m. Holy Hour Thursday at 8:30 p. m. Daily mass at 7 a. m. Confessions: Thursday from 8:30 to 9:30 p. m. Saturday from 5 to 6 p. m. and 8 to 9 p. m.

St. Thomas Episcopal

Services will be held at 8 a. m. Sunday morning with Rev. Seaman conducting.

Assembly of God

Each Sunday morning Sunday school is held at 9:45 and the morning preaching is at 11 o'clock. Young People's and junior children's church meets on Sunday night at 8:45. The two groups are meeting on the lawn during the summer months. Each Sunday morning at 8:45 over KPAN the Assembly of God church has a radio program. Prayer meeting will be held at 8 o'clock on Wednesday night.

Avenue Baptist

Each Sunday morning at the Avenue Baptist church Sunday school is held at 9:45. The morning worship services are held at 11 o'clock. Training union is held each Sunday evening at 7 o'clock. The Avenue Baptist church has evening worship services on Sunday evening at 8 p. m. Mid-week prayer service at 8 p. m. on Wednesday night. Beginning next Sunday, Aug. 31 there will be a two weeks revival with Rev. Alford Richards of Farmington, N. M. doing the preaching. Services will be held twice daily at 7 a. m. and 8 p. m.

Church of Christ

Each Sunday morning at the Church of Christ Sunday school is held at 10 o'clock. The morning worship starts at 11 a. m. The mid-week prayer service is held each Wednesday night at 8 p. m. at the Church of Christ. Sunday evening the young people of the church meet for Bible study at 7:15 followed by evening worship at 8 p. m. The Hereford Church of Christ radio broadcast over KPAN may be heard daily at 9:30 a. m. The nationwide broadcast by the Church of Christ is each Sunday afternoon at 1 o'clock.

Church of Nazarene

Each Sunday morning the morning worship services are held at the Church of the Nazarene at 11 o'clock. The Sunday night services are conducted at 7:45. Roy Bickford is pastor of the Church of the Nazarene, which is located at Fourth and Jackson.

Christian Science

Christian Science services are held each Sunday morning at eleven o'clock. All are invited to attend. Proof of God's love for His children is seen in the fact that

He sent His well-loved Son to show mankind the practical way to obtain freedom from sin, sickness and death. "Christ Jesus" is the subject of the Lesson-Sermon to be read this Sunday in Christian Science churches, and the theme of the Christ-mission is discussed.

First Methodist

Sunday school at the First Methodist church at 9:45 each Sunday morning. Preaching services at 10:55 a. m. and 7:30 p. m. The MYF groups will meet at 6:45 p. m. Wednesday at 1:00 p. m. the Woman's Society of Christian Service will meet in Fellowship Hall for the monthly Fellowship Luncheon. Mrs. T. Edgar Neal will review "The Power of Faith" by Binstock. Mid-week Prayer service will be at 7:30 p. m. Wednesday. The Board of Christian Education will meet at 8:00 p. m. Wednesday.

MRS. MARIE SEARS, left above, is being recognized in the official Southwestern Bell Telephone company magazine for her 27 years' service to the company without missing a day's work. She is currently on a three-week vacation. Mrs. Sears is chief operator at the local exchange. Bill Patton Photo.

HEREFORD REAL ESTATE BOARD REPORT

(Ed. Note — This is the first of a new column to be written by the Hereford Real Estate Board giving newsy items from around the community. We hope it adds to your enjoyment of local news as presented in The Brand.)

The Benefield Brothers are building a new addition to their building on Highway 60. Mark and Lee are to be complimented on the nice-looking addition to the town.

Hats off to the school board for their renovation of the high school lawn. We should have a pretty lawn in ease the kids have to hold class outdoors.

Mrs. Nickell and the good people on the south end of Knight street are trying to pave their block. We wish them luck and if the board can help in any way, we sure want them to call on us.

Mrs. Combes is doing a fine job on the Presbyterian lawn. All these things help to make visitors to Hereford wish they lived here.

Arthur Pearce has just bought Dub Reeves' home at 107 Ave. E. Arthur works for Santa Fe in the freight office and just moved down from Amarillo.

Other newcomers are Mr. and Mrs. George Warner, 110A East Sixth. George and his wife are from Waco and are growing certified field seed out in the Summerfield area.

Don't forget to thank the Santa Fe boys for the wonderful job of landscaping they are doing on the highway. You know they don't have to have nice lawns and trees to haul freight.

If some of you town people happen to be riding in the evening we suggest you go south on the Dimmitt highway to Tom and Argen Draper's place and see a beautiful job of farming. Tom's grass and crops are the finest we have ever seen. Also, some of you Johnson grass farmers might stop and ask Tom how to kill it. He has the proof.

Bob McQuigg and his family have sold their farm 10 1/2 miles north on Highway 51 to J. B. Haile, who owns a section just one mile east of the McQuigg farm. We sure hate to see the McQuiggs leave. We don't have many farmers who do as clean a job of farming as Bob does and they just don't make any nicer people.

We notice that Jas. R. Higgins bought a lot in Allison Addition and we just wonder if there will be another nice new home going

ANOTHER STRATTON—Monty Stratton, former Chicago White Sox pitcher who returned to professional baseball in spite of the loss of a leg in a hunting accident, teaches his son, Dennis Lee, 11, the finer points of the game. Stratton has hopes of his son going to the big leagues and taking up where he was forced to leave off. Stratton pitched in Class C and Class B ball in a courageous return to the game. Now retired from baseball, Monty manages a Little League team in Greenville, of which his son was a member. AP. Photo.

up out there soon.

All you new people in town can't see the progress we have made in Hereford since the war. Every one of the asphalt streets were dirt streets just 3 1/2 years ago. We didn't have any curbs except those on the brick paved streets. The highest priced property was located on those brick streets. Wonderful, isn't it? And just think, it's all paid for, too.

Two Local Women At Dallas Fashion Show August 17-22

Mrs. Bess B. Moore and Mrs. Arthur Thompson of Hereford were among the 5000 buyers who attended the American Fashion Association Midwinter and Holiday Market in Dallas, August 17-22.

The American Fashion Association, comprised of 500 manufacturer's representatives, displayed over 1,100 lines of women's and children's apparel at the Adolphus, Baker and Bluebonnet hotels.

Highlight of the market week, was the breakfast clinic style show entitled "Christmas Fun for Everyone", held on August 19 and 20 in the Grand Ballroom of the Adolphus Hotel. Seven Holiday themes were staged, each illustrated by costumes from the midwinter lines, together with suggestions for promotion, advertising and window display. A children's choir presented a background of Christmas music.

The style show was presented with Mrs. Evelyn Lambert's comment.

The next market week will be held in Dallas October 26-31 and will feature Resort and Advance Spring Fashions.

Seven Lettermen Return To Bovina Football Squad

BOVINA — Seven lettermen will be returning to Coach C.T. Ratliff's Bovina football squad when workouts resumed last week. There will be little change in the line, Ratliff reports, but there will be a reshuffle of the backfield power.

Two of the Bovina guards will tip the scales at over 200 pounds. Rex Isham, left guard, weighs 235 pounds, and Sammy Dudderth at right guard weighs in at 255.

Both ends, Ratliff reports, will be over six feet tall and each weighs 190 pounds. Danny Pounds is 6'3" and Jamie Tidenburg is 6'2".

Other ends from the freshman and sophomore ranks will give a great deal of competition, the Bovina mentor said. Five boys are trying out for the tackle positions. Two freshman boys seem to have as good a chance as anyone on the squad. Don Sudderth, weighing 230 pounds and Lynn Isham, weighing 180 will make some of the lighter sophomore and junior boys hustle for positions.

The backfield will average 150 lbs. Jerry Ellison and Leon Ware, lettermen from last year, will spark the offense. Glendon Sudderth, Donald Ray Barron, Darrell Read and Owen Burnett will help make up the remainder of the backfield.

Sgt. Jim Suttle of the U. S. Air Force is on leave in Hereford visiting his father, W. L. Suttle. Sgt. Suttle is to report in Portland, Ore., on September 4.

ALL THAT I HAVE

is a man who contributes hundreds of dollars to the poor and destitute, who donates \$50,000 to his Church's missionary program, who insists, "all that I have belongs to God"—is such a man mentally incompetent to manage his own affairs?

Wealthy Dr. Grayson is hauled into Court because his nephews think their uncle cannot be trusted with the care of his money. Even the so-called friends of Dr. Grayson bring damning testimony and claim he is not of sound mind. Finally in his own defense, the aged doctor gives his explanation of the principles of Christian stewardship. Simply, yet forcefully, he points to the Bible text: "Ye are not your own . . . ye were bought with a price." What kind of a verdict will the jury pass on Dr. Grayson? What will be your decision as you see this gripping picture? What verdict will you give as you see the principles of Christian stewardship put to a true test?

STEWARDSHIP PRINCIPLES PUT TO A TEST
