Bill Lattimore of Amarillo has been named to the sales staff at Hereford Motor Company. Bill started on his new job here Monday, and his family will move to Hereford in the near future.

The Kiwanis-Lion club softball game scheduled for Tuesday night of this week was called off due to weather conditions. No date has been set as yet for the game.

Two classmates celebrated the 50th anniversary of their graduation from Silvertown high school at the High Plains community reunion Saturday Sept. 20. Mrs. D. H. Alexander of Hereford and Mr. George Cleveland of Plains were two of the 1902 graduation class. Judge J. E. Daniels of Floydada, taught the high school 60 years ago and also attended the reunion and celebrated his 85th birthday on Sept. 16.

One can see most anyone hitchhiking now days, even the Baptist minister thumbed a ride the other afternoon. Mrs. Cagle was in the car however.

The Hereford Fire Department answered an alarm Tuesday evening between six and 6:30. The blaze was a hot-box on a box car directly across from the drive-in theater. No damage was reported.

Kenneth Rudd announced at Lions club meeting Wednesday that all farmers are urged to attend the water well spacing meeting Thursday night here at the court house.

3.5 Million Bales Estimated For Texas Cotton Crop

The 1952 Texas cotton crop is now estimated at 3.5 million bales, a drop of 700,000 bales or 17 per cent below the August 1 estimate.

The 1952 crop for the Nation is estimated at 13,889,000 bales a drop of 846,000 bales or 6 per cent below the August estimate. Last year's crop was 15,144,000 bales. Reductions of 700,000 bales for Texas, 190,000 for Oklahoma, 175,000 for South Carolina, and 40,000 for Georgia and smaller reductions for Alabama and Florida during August were only partially offset by increases of 150,000 bales for Mississippi, 100,000 for Arkansas and small increases for Tennessee, Louisiana and for the far Western States - Missouri, Virginia and North Carolina remained unchanged.

Former Hereford Banker On Trial In Swindle Case

Travis W. Bain, former Hereford banker and ex-FBI man has entered a plea of not guilty to securities and mail fraud charges in federal court in Amarillo. His trial is now in progress.

Indictments were against Bain and F. J. Wilson, ex-convict and listed 5 counts of violation of anti-fraud provisions of the Federal Securities act and 2 counts of using mails to defraud. Bain and

Wilson are charged with conspiring to defraud persons who could be induced to purchase securities.

Wilson, who is already under a five-year sentence for swindling, pleaded guilty to charges.

D. W. Wallace of Hereford, one of the key witnesses testified in regard to purchase of 400 shares of stock from the Great Plains Life Insurance Company for \$10,000.

Wallace stated that he bought the stock under terms of agreements that he was to execute two 90-day notes, for \$3,000 and \$7,000 payable to Wilson, which notes would be renewed as they became payable for 18 months. It was understood that Wilson would buy the stock back at the purchase price at any time during the 18 months.

Wallace's statement brought out that he had discussed the case with Bain and was told by Bain that Wilson was able to abide by the agreement and that Bain showed him a financial statement on Wilson and advised him that Wilson was worth more than \$150,000. Wallace said he later received notice from an Amarillo bank that the notes were due, and said Bain arranged a loan through a Dallas bank to enable him to pay the Amrillo bank.

The trial will continue this week.

Five Bales Cotton Of New Crop Ginned

Hereford Gin Company of Hereford reported this week that they have ginned only 5 bales of cotton from the 1952 crop.

More is expected to start coming in just as soon as it gets a little drier.

Tom J. Barrett of Amarillo, formerly of Hereford, faces three separate indictments returned against him here Saturday when the Grand Jury met. Four other indictments were returned and trials are scheduled to get underway here in District Court Monday, September 29.

Uhlmann Elevator Back In Operation After Costly Fire

The Uhlmann Elevator company of Texas located at Dawn which suffered the disastrous fire last fall has been entirely rebuilt and is ready for operation according to an announcement. The firm has built a new 60,000 bushel capacity elevator and is ready to serve the farmers of the area at the same location with modern, new, up to the minute equipment.

Barrett faces three separate indictments; one for failing to stop and render aid; a second for murder without malice in the death of Myrtle Inez Horn; and a third, for murder without malice against Lana Kay Horn. Barrett's indictment on the murder charges read as part. "While intoxicated and while under the influence of intoxicating liquor, drive and operate a motor vehicle, to wit, a truck upon a public highway of said state, to wit, U. S. Highway 60 in Deaf Smith Co., Texas and did then and there in the execution of said unlawful act through mistake and accident, kill Myrtle Inez Horn, by then and there drive said truck in such a manner as to cause it to collide with the automobile occupied by said Myrtle Inez Horn." The indictment returned in the other death read similar to the above.

Contributions Still Coming In As Fund For Gary Tops \$3,267.52

The Gary Stewart fund continues to climb and the Fund committee is still depositing donations in the bank which now totals \$3,267.52.

Up to press time the family have not been notified regarding the application for Gary's care with the Crippled Childrens Division of the State Health Department which has been filed from Hereford.

However, it is expected that information on the Gary Stewart application will be a hand some time this week.

Mrs. Tom Draper Helps With Judging At Fair

Mrs. Tom Draper Deaf Smith County Home Demonstration Agent and Miss Clara Redman, assistant HDA with Mrs. Robin Vann, Castro County HDA, helped with judging of the Fine Art Exhibit at the Amarillo Fair.

Mrs. Martha Ferd the county winner of the bake sale in Hereford took cookies and ice cupcakes to be judged in the district baking contest.

Miss Elan Bishop was a guest of the HDA on the trip to the Amarillo Fair.

Mrs. Draper announced that Saturday September 27 would be youth day at the Fair. All rural boys and girls are invited to the Fair and will be admitted free when accompanied by leaders or agents or letter from parents.

The crowning of the Wheat King and the Baking Queen will be held in front of the grand stand at 10:30 a.m.

Grain Harvest Here Slow, Survey Of Elevators Shows

Grain harvest for the Hereford area this past week and the first part of this week was rather slow, a survey of local elevators and grain companies revealed. Reports of fair to slow were given as to the amount of grain that was being brought in.

S. H. Slagle of Bradley Grain Company reported that quite a bit of maize had been coming in until Saturday night but that weather conditions would continue to slow down or completely

stop harvest for sometime. Slagle stated that they had already received over 2,000,000 pounds of milo and that part of that amount had been shipped out by truck. None, he said, had left Hereford by rail from Bradley's.

J. M. Pitman of Pitman Grain Company stated that they had begun to receive a little maize

from the new crop but it was still too early to be harvesting very much and that harvest would be stopped completely if the wet weather conditions continued.

Sears Grain Company reported that the grain harvest was pretty slow but should pick right up just as soon as weather conditions cleared up.

Supplemental Pastures Can Bridge The Gap, Texas Agronomist Says

COLLEGE STATION Sept. 24 — There are a lot of mighty good reasons why farmers and livestock producers should plant now supplemental pastures. E. M. Trew, associate agronomist for the Texas Agricultural Extension Service, lists some of them.

Because of the drought, he says, perennial pastures have taken a terrific beating and livestock should not be permitted to graze them until the pastures have had a chance to come back. The plants that come back, after rains do fall, will be in very poor condition and if grazed of immediately the desirable pasture plants may be lost.

Then too, livestock no doubt will go into the winter in poor condition and the cost of wintering will be much greater per animal if supplemental grazing is not provided.

A recent study made by the Texas Agricultural Experiment Station shows that in Central Texas the cost for supplemental feed for wintering an ewe was \$10 more and for a cow \$24 more when no pasture was available.

Stockmen, points out Trew, who use supplemental pastures for late fall, winter and spring grazing, know their value not only from the standpoint of what is done for the cattle but also, for soil improvement. He recommends the planting of at least one acre of supplemental pasture for each cow or animal unit.

Another mighty important reason for planting pastures now is to supply the need for green feed. A lack of green feed or a good substitute over an extended period of time can result in vitamin A deficiency and other troubles.

Right now most areas of the state do not have moisture available for germinating seed but Trew suggests, that seeding be done even if the seed must be dusted in. The time gained by this operation, prior to a rain, will mean two weeks to a month earlier grazing. He says put down the fertilizer because it will not be lost even if no rain falls.

For plantings in East Texas, Trew recommends oats, barley, rye or ryegrass with vetch or crimson clover. For the Gulf Coast area, oats, barley or Italian ryegrass with Hubam or Madrid sweetclover. In the Blacklands and Grand Prairie areas, oats, barley, wheat or Italian ryegrass overseeded with Hubam or Madrid sweetclover. For the West Cross Timbers area, oats, wheat, barley, Abruzzi rye with

Cloys Monroe Is New Piggly Wiggly Butcher

Cloys Monroe is the new butcher at Piggly-Wiggly, having assumed duties there last week. He came to Hereford from Amarillo, where he has been employed by the Kuykendall wholesale meat company.

Mr. Monroe was born in Quanah, Texas, but his family moved to Dalhart when he was nine years of age. He started working in a grocery store shortly after his arrival there and has spent the past 20 years in the meat business. He became associated with Kuykendall in 1931 and resided in Dalhart, Dumas and Sunray as representatives of the firm. His move to Hereford marks the first time he has not been associated with Kuykendall since that time.

The Monroes have two sons, ages four and six, and one daughter, age two. They are members of the Baptist church. Mr. Monroe says his hobby, if any, is boxing and that they like Hereford extremely well.

hairy vetch or overseeded with Hubam or Madrid sweetclover. For the Central Basin, Rio Grande Plain and the Edwards Plateau areas, oats, wheat or barley with Hubam or Madrid sweetclover and for the Rolling and High Plains areas, wheat, oats, barley and rye with Madrid clover.

Value Of Soil Test Demonstrated By Edwin Sager, DeWitt Co. Farmer

COLLEGE STATION, Sept. 24 — Many farmers are not sold on the value of soil testing but Edwin Sager of the Arneckeville community, DeWitt County, is now numbered among this group.

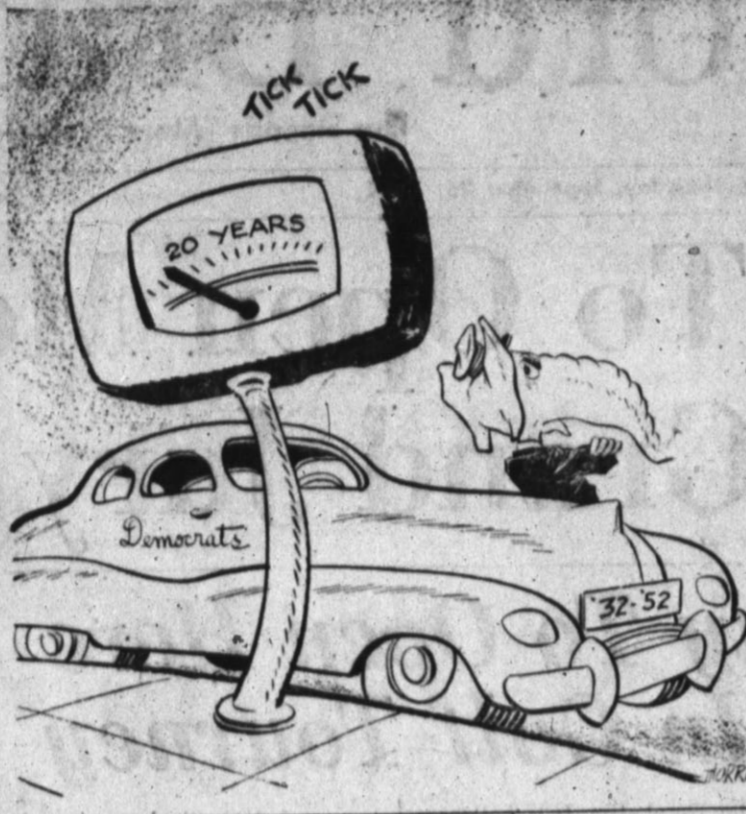

Last spring Sager visited the office of DeWitt County Agent Dewey Compton seeking information as to the grade and amount of fertilizer he should use to insure a good crop of red top hay. The county agent suggested that a soil sample from the field to be planted be submitted to the laboratory operated by the Texas Agricultural Extension Service at College Station.

The suggestion was carried out but when the results of the analysis and the accompanying recommendations were returned to Sager, he returned to Compton with the remark that he couldn't afford to use that much fertilizer under his hay crop. The recommendation was that 400 lbs. of 10-10-0 fertilizer be applied per acre.

Ministerial Alliance Members Presented At Lions Club Luncheon

Members of the Hereford Ministerial Alliance were presented and gave short talks as the program at the Lions luncheon here Wednesday. Jim Roberson, member of the local Lions organization, was presented a certificate for a flat by D. C. Kipsey for his high attendance record with the club. Roberson is also one of the first members of the local club.

Texas Tech Red Raiders To Meet Rice Owls At Houston Saturday

LUBBOCK Sept. 24 — It will be a much traveled team of Texas Tech Red Raiders that plays the next college game in Jones Stadium.

Before meeting Texas Western here Oct. 11, the Red Raiders go to Houston to play Rice Institute Saturday night, then to Stockton, California, to engage College of Pacific Oct. 4.

Not much doubt about the difficulties the Raiders face against Rice Institute. Tech has managed only one victory in nine starts against Rice Institute. The Owls have permitted Tech only one victory in nine starts. In fact, the only time the Raiders scored more than one touchdown was in 1944, when Tech took its line victory, 13-7.

Besides the September heat of Houston, which seems to sap the strength of teams from cooler climes — such as the south plains, the Raiders must face a fine ball club. Twenty one of 29 lettermen return to the Owls, among them quarterback Dan Drake. Last year Drake completed more touchdowns passes than either Larry Isbell or Fred Benner.

Dell Morgan, Tech coach from 1941-1950, now coaches the Rice defense, bolstered by linebacker

Don Rhoden, All-American candidate.

After holding a mere 14-0 lead at halftime, the Red Raiders burst loose for 27 points in the third period and finally defeated West Texas State 48-7 in the season's opener here Saturday night.

Besides unveiling a rugged defensive line, DeWitt Weaver also uncovered a pair of sophomore quarterbacks — Jerry Johnson of Hale Center and James Odom of Alvarado. They ran the team well and gave Tech 100 per cent better passing than it had last year.

A freshman from Post, Jack Kirkpatrick, was high scorer with a touchdown and six points after touchdown. Other Raiders scoring were Bobby Cavazos of Kingsville, Jim Turner of Olney, Johnson, James Sides of Lubbock, Don Lewis of Quitaque, and Rick Spinks of Kermit.

The Catskill mountains were so named because of the number of wildcats originally found in that region.

"Jeep" is an abbreviation of "G. P." meaning "General Purpose", which was once printed on the sides of such army cars.

Trends In Food Preservation Are Changing

COLLEGE STATION Sept. 24 — This is the day of trends, and the family food supply is keeping step with the general tendency to change and improve.

Self-sufficiency, in providing meats, fruits and vegetables for the family table, has always been the tendency for farm and ranch families in Texas. The methods of preserving these foods have definitely changed and improved during the past decade.

Louise Mason, foods and nutrition specialist for the Agricultural Extension Service of Texas A & M College, says canning still retains a major jortion of the

food preservation budget, but freezing is catching up.

Home freezers came into use immediately after the last war, and consistently have increased in numbers since. The specialist says Extension Service reports show more families are helped each year in improving their food conservation by freezing. At the mid-century mark there were approximately 5,000 more home freezer owners than in 1949. This figure had climbed to nearly 33,000 by 1951 with many more thousands using community frozen food lockers. The 1951 report showed two and a half million quarts of fruits, vegetables and meat canned, plus nearly 40,000 quarts of pickles and relishes. The same report estimates that in addition more than 24 million pounds of vegetables, fruits, meat and poultry were frozen.

2 medium onions
1 clove garlic
3 carrots
2 stalks celery
Few sprigs parsley
2 small white turnips

Heat drippings or salad oil in Dutch oven or heavy kettle that has a tight fitting lid. Brown the beef quickly on all sides and sprinkle with salt, pepper and cayenne.
Chop all the vegetables in tiny, tiny pieces (sorry we can't suggest putting them through a food grinder but that way the good juices are lost). Add to meat and cook very slowly, tightly covered, for 2 1/2 hours or until beef is tender when pierced with a fork. If you're the worrisome type it's quite all right to stir vegetables occasionally to make sure they're not sticking.
This tender, moist, rich pot roast is perfect served with the unthickened vegetable-meat gravy spooned over it. Serves 6.

Fred Wolfington Entertains Church At Watermelon Party

By Mrs. R. C. Childers
The A. C. Hersheys spent the week end in Abilene with her mother, Mrs. A. Box in celebration of an oil well that was brought in on her place near Abilene last week. Other relatives and friends were there from various places over the state.
Fred Wolfington entertained the Training Union from the Avenue Baptist church Friday night with a watermelon feast. There were 21 young people attending.
Mrs. Paul Corbett and Miss Jennie Corbett visited in the home of Mrs. Corbett's mother, Mrs. N. A. Greer in McLean Wednesday.
Mrs. O. D. Smith and family from Panhandle spent the week-end in the Pat Robinson home.
Entertains Club
Mrs. Pat Robinson entertained the Bud to Blossom club in her home Friday.
Landis Higginbotham was ill Tuesday morning and unable to attend school. He is the son of Mr. and Mrs. Raymond Higginbotham.
The Higginbothams attended the Tri-State Fair and Circus in

Amarillo, on Monday.
Mr. and Mrs. R. C. Childers, Raymond Jr. and Patsy were dinner guests in the Gordon Witherspoon home Sunday.
Neill Witherspoon arrived home Saturday afternoon. He spent Friday night with relatives in Amarillo and attended the Sandie football game. Neill has a medical discharge from the navy.
Attend Game
Patsy Childers attended the football game at Levelland Friday night and spent the night with Patsy Jackson, daughter of Mr. and Mrs. Clinton Jackson.
Mr. and Mrs. Wayne Johnson returned Saturday after spending a week vacationing in Harrison, Arkansas with Mr. Johnson's parents, Mr. and Mrs. Earl Johnson of that city.
Mr. and Mrs. Curtis Barclay visited their grandmother Mrs. James Barclay who is in Nebbett Hospital in Canyon, and Mrs. Doris Smith who is staying in the home of a daughter, Mrs. Edna Barclay in Amarillo.
Mrs. Barclay fell and broke her hip last Wednesday at the home of her son Ralph Barclay near

Canyon. She was operated on immediately and is doing fine. She is able to sit up in a wheeled chair.
Same Type Accident
Mrs. Smith had the same accident over a year ago, but has never been able to walk. She uses a wheel chair quite well and is able to get around by herself. She amuses herself by reading and embroidery. Although she is past 85 in years her eyesight is still good.
While in Amarillo Mr. and Mrs. Barclay attended the Tri-State Fair and attended to other business.
Mrs. R. C. Childers entertained a group of her friends with a "Stanley Breakfast" Tuesday morning at 9 a.m. Those in attendance were Mesdames Bess Werner, Fred Wolfington, Paul Corbett, Gordon Witherspoon, Chester Wiggins, Curtis Barclay, J. L. Stephens, Miss Jennie Corbett and the hostess.
J. C. Morrison was a caller in the R. C. Childers home Tuesday morning to discuss the change that has been made in the bus route.
The Cultural Home Demonstration Club will meet in the home of Mrs. Edgar Telchik Thursday afternoon at 2:30. This is the club's first meeting with the agent since the summer vacation. She will give us our plan of work for the fall. Everyone is urged to attend this important meeting.

DIMMITT NEWS

Dimmitt Couple Celebrate Golden Wedding Anniversary Last Week

By Mrs. C. J. Mapes
Mr. and Mrs. S. N. Ewing celebrated their Golden Wedding Anniversary at their home last week. Although they had not planned a formal celebration they were happily surprised by having received a number of useful gifts.
One-hundred-thirty guests registered. Eight of their nine children were present, with thirty-one grandchildren and seven great-grandchildren.
Mrs. J. C. Powell, a former resident of Dimmitt passed away at Plainview Hospital and Clinic after a long illness, Thursday. Funeral services were held at 3 p.m. Saturday in Sevana Baptist church. Interment was in Sabana cemetery under the direction of the Roy Wood Funeral home, Tulia.
Mr. and Mrs. Sam Rosser and son Jim of Flemont, Texas were callers in the "Goose" Ramey home Sunday.
Flower Show Set
"Autumn Artistry" is the theme of the fall flower show to be held in the Posey Cunningham home 1105 W. Jones in Dimmitt September 27.
The staging of the show will be by the Dimmitt Garden Club, with Mrs. B. J. Brannan, Flower Show Chairman, in charge.
The public is invited to attend between the hours of 3 to 6 o'clock on Saturday afternoon, September 27.
No admission is being charged. Roy Murphy, son of Mrs. Ola Murphy and member of the Bob-

cat football team, suffered severe chin laceration last week.
According to his mother surgery was necessary.
An attendance of 16 from the Baptist church were among the throng of participants at the Terra Blanco Annual Association at Bovina Wednesday.
Week of Prayer for Missions was observed at the Baptist church last week.
Each Circle Chairman alternated in having charge of the daily programs.
Mrs. Ola Murphy and Faywayne, attended the Lockney-Dimmitt football game at Lockney.
Speaker Absent
15 members met Monday at 8 p.m. in the Fellowship hall of the Methodist church.
Unforeseen circumstances prevented the speaker, Charles H. Dean, Plainview Attorney and former resident of Dimmitt, being present. A business meeting was Saturday, driving on to Abilene afterward to visit a son Bill and wife who are attending ACC, called to order by the president, Earl Lutz, Membership, publicity and project committees were appointed. Their first voted project was for the Methodist men to be responsible for the gathering and delivering a truckload of blackeyed peas to the Methodist Orphan home at Waco, donated by Mr. Dilmond Neumayer.
Use what you have, was demonstrated in a palatable and unique manner Friday at a luncheon in the home of Mrs. E. B. Wright, in honor of Mesdames

E. S. Ireland and Milton Hardy of Hereford.
A huge field watermelon, carved out as a basket, filled with fruits, cotton-boll and blossoms, brought from the farm training over the basket handle, formed an attractive centerpiece. Southern fried chicken with all the trimmings and peach cobbler a la mode were served to Mesdames Myrtle Wright, Bill Graham, Perry Graham, C. J. Mapes, the honorees and the hostesses.
Father Dies
J. C. Smith, 76, father of Clifford Smith passed away Friday at the home of a daughter in Littlefield. Funeral services were held Saturday at 3 p.m. at the Methodist church in Dimmitt, Rev. Lee Stanford officiated, assisted by Rev. U. Sherrill, of Friona. Little Funeral Home had charge.
Mr. and Mrs. Joe Butler were shopping in Amarillo Friday.
Mr. Mark Cowser and E. S. Ireland returned Monday from a fishing and sight-seeing trip into New Mexico and Colorado. Mr. Cowser is among our oldest residents. He has demonstrated his ruggedness by purchasing a station wagon and taking all his paraphernalia with him in his tra-

vels, eliminating worry of hotel accommodations.
A little girl, Cindy Sue, has come to make her home with Mr. and Mrs. Howard Seroggins and Larry. This is Larry's first year in school and he can't make up his mind which is more important, school or his baby sister.
The Workers 4-H club will entertain their mothers with a tea at the home of Bonnie Lewis, who is the daughter of Mr. and Mrs. Art Lewis. The date for this tea is set for Monday Sept. 29.

MOLASSES PIE

...old fashioned dessert with a modern topping "Just like Grandma used to make, only more so!" That may sound strange, but it's a fact... here is a tasty improvement on Grandma's famous molasses pie. It combines all the wholesome goodness and rich flavor of old time molasses with the crispness and nuttiness of corn chips. For an enjoyable climax to special dinners we recommend molasses pie.

Corn Chip Pie Shell

Next time you want a crisp, flaky pie shell with a rich nutty flavor, we suggest you try this pastry recipe using corn chips. You'll be amazed how the corn chips point up the flavor of pie fillings... both fruit and cream.

1 cup flour
3/4 tsp. salt
1 tsp. baking powder
3/4 cup shortening
1 cup crushed "Fritos" corn chips
ice water

Directions:
Mix shortening with dry ingredients. Add corn chips and enough water to hold together. Roll on floured board. Line pan and press with fork. Bake at 460 degrees 10-12 minutes.

MOLASSES PIE
3 eggs
1 1/2 cup molasses (unsulphured)
1/2 tsp. nutmeg
1/2 tsp. cinnamon
1/2 tsp. salt
2 tbs. melted butter or margarine
1/2 cup brown sugar
1 tbs. corn starch
3/4 cup crushed "Fritos" corn chips (measured after crushing)

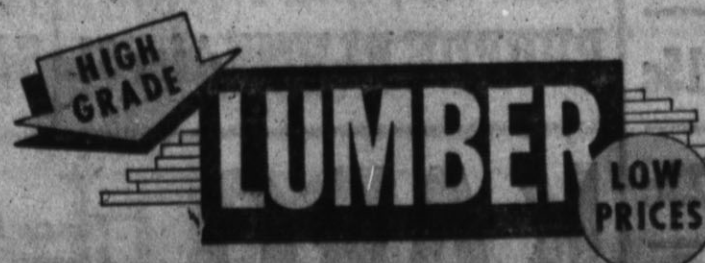

Directions:
Beat eggs, add molasses, nutmeg, cinnamon, salt and melted butter or margarine. Combine sugar and corn starch—add to molasses mixture. Pour into an unbaked pastry shell. Sprinkle with "Fritos" corn chips. Bake at 400° for 15 minutes. Reduce heat to 350° and bake for 30 minutes.

Shiver's Completes Appointment Of Water Conservation Committee

Governor Shivers has completed the appointment of a Governor's Committee on Water Conservation consisting of 73 members of organizations and individuals interested in water problems, with Mr. J. B. Thomas of Fort Worth as chairman. This committee was set up to study and make recommendations to the Legislature. The first meeting of the full committee is set for 10 a.m. September 30 in the Senate Chamber, in Austin.

in an effort to solve at least some of the many varied and complex water problems facing us.

Another name for a giraffe is a camelopard.

The seismograph, used to measure earthquakes, was first made by a Chinese named Cheko.

The announcement of the Committee brought forth the following comment from Governor Shivers: "The future of water conservation is the future of Texas". He also added, "If the problem is to be solved there must be an agreement of every section of our state and all interests on what can and should be done in the way of legislation and state financing of water resources development and conservation."

Even though some rain has fallen around the state and Central Texas has had a flood, water is still the number one economic problem in the state. Crop and livestock losses have run into many millions of dollars. Many communities and farms are rationing their limited water supplies and in some places are having to haul water to supply household and domestic needs.

This condition emphasizes the necessity for the state of Texas and its citizens to work together

Bud To Blossom Club Sets Date For Fall Flower Show October 17

Bud To Blossom Club met Friday afternoon in the home of Mrs. Pat Roberson. Members named favorite bulbs in answer to roll-call.

Mrs. R. N. Yarbro provided the arrangement for the day featuring a line arrangement of mixed dahlias and seed pods of bird of paradise.

Plans were made for the fall flower show on the date set for October 17. Mrs. R. A. Daniel will serve as hostess for the show in the home of Mrs. Roger Brumley.

Mrs. Frank Prowell presented the program for the day on "Bulbs for Beauty" mentioning tulips, daffodils and Madonna Lilies, as adapted to this locality.

Members of the club present were Mesdames; Irving Alexander, Bert Brown, Roger Brumley, R. A. Daniel, Herbert Haseloff, J. R. Hickman, C. R. Higgins, Gib Howard, Ray Howell, C. B. Hudson, Jack Johnson, Ernest Kendall, Don T. Martin, Jed Miller, W. H. Patton, Frank Prowell, Hollis Rainey, Lloyd Sharp, W. Glenn Williams, Richard Winget, R. N. Yarbro, and the hostess.

The title "admiral" comes from the Arabian words "Amir al Bahr," meaning "Ruler of the Sea."

Briefs On Texas Tideland Case Presented Library

Bruce L. Miller, Hereford attorney, Tuesday presented the County library with the briefs on the Texas tideland case. They were the State of Texas Brief and the United States Brief of the now famous tide lands case.

The briefs were presented to Mr. Miller by Attorney General of Texas Price Daniels and were turned over to the Deaf Smith county library Tuesday.

Mr. Miller said that it was his opinion that these briefs should be read by students to acquaint themselves with the tide land question.

Childers Reports On Fertilizer Project Here

Ray Childers reports that he made 540 tons of corn on a 38 acre tract. Mr. Childers said that his Texas 26 made 19 tons to the acre while Oklahoma 7-11 yellow corn made 12 tons to the acre.

Childers was well pleased with the result of his fertilizer project in which he used 200 pounds of 16-20-0 of commercial and eight tons of manure. The acreage was watered five times.

The average height of the corn was 10 feet to 12 feet and one stalk measured 17 feet and 10 inches.

Talk of the town
That rock 'em sock 'em football game at Levelland last Friday night has been the talk of the town over the usual cups of coffee here this week. Those that failed to make the trip to Levelland missed one of the roughest games that the Whitefaces will have to play this season. . . . a game that presented a lot of un-called-for rough stuff and a game that saw a lot of players benched for their unsportsmanship-like conduct. It's too bad that a ball game has to be played under these circumstances for too many players get hurt as it is when all the players are on their best behavior, leaving out all the illegal uses of knees, elbows and fists. The game was in its early stages too when players from both sides started their one-way trips to the bench. There were very few penalties for this rough stuff, except for the sidelining of the offending players . . . and what penalty could be any stiffer to a coach or team than that. Let's hope the Whitefaces aren't seen in another game as this one for it gives the game a bad name and offers too much criticism for both sides no matter who was at fault.

Anything can happen
As the old saying goes . . . anything can happen in football and usually does had full meaning in the Baylor-Wake Forrest game Saturday at Waco in which the Bears won 17-14 on a last minute field goal. With the game all tied up at 14 apiece, Allen Jones, the Bears speedy little back, took off around right end from his own 10 and as he leaped it up the sidelines past the Wake Forrest bench, Vann Seawell, a Deason sub back, dashed out on the field and nailed Jones on the Wake Forrest 45. Angrily Jones threw the ball in Seawell's face . . . But the Deasons got away with it with only a 15 yard penalty. Should the Bears have lost that game or it had ended in a tie, I imagine those two teams of Baptists would still be having it out at Waco. Texas University pulled another one of those "it happens

only in football plays" in its game with LSU Saturday night. Texas was playing along with the Tigers in a 7-7 tie, when the Longhorns pushed over a score and brought the tally to 14-7. Texas kicked off to the Tigers, the Tiger back fumbled the ball on the return and a Texan grabbed it in mid-air and scored another 6 points . . . the point after touchdown was good and the score was 21-7. The Texans scored another in just a matter of minutes and finally finished the game with a 35-14 tally. That's the kind of football to expect when a Southwest conference team is playing.

Whitefaces In Good Shape For Phillips

Hereford's Whitefaces play before the home folks again this week when they take on a highly-talented Phillips crew in their

third non-conference game of the season. Game time is at 8 p.m. at Whiteface Field.

Coach Russell reported early this week that barring any injuries during practice for the game Friday that the Whitefaces will be in their best physical condition of the season. Coach Russell also said that the Hereford eleven will go through some pretty rough practice sessions before their game with Phillips.

Practically all the Whitefaces on the injured list will be back in uniform for the game, excepting Godfrey who received a broken collar bone early in the first

quarter in that rough game with the Lobos last Friday night at Levelland. Godfrey will probably be able to play in later games.

"We'll be playing a mighty good team here this week," Coach Russell said Monday, "and it is going to take a lot of football to beat them."

The Phillips club is highly dooped to win the title in District IAA and have one of their best teams.

Last week the Phillips eleven were defeating the Brownfield crew 19-13 while the Whitefaces fought out a 0-0 tie with Levelland.

ANOTHER FRESHMAN is Don Parsons, wearing number 26 jersey. Don is a 160 pounder and plays in the backfield. He is 15 years old and fans ought to be seeing a lot of Don before he finishes his football career with the Whitefaces. Photo by W. H. Patton.

Bob Cummings Takes Main Event On Wrestling Card At Bull Barn

Bob Cummings took a 2 out of 3 falls from Art Nelson in the main event Saturday night at the Bull Barn.

Cummings took the 1st fall in 16 minutes with a rolling short arm scissor. Nelson came back to take Cummings in the second fall in 20 minutes. Nelson was disqualified in the final fall giving the match to Cummings.

In the curtain raiser, Chico Bonales and Buck Weaver fought to a draw in a 20 minute time limit.

Jack O'Reilly took a 2 out of 3 falls away from Sesue Oyama in the semi-final. Oyama took the opening fall in 11 minutes with a Japanese arm bar. O'Reilly came back in the second fall taking it in 1 minute with a reverse step-over toe hold and face lock.

O'Reilly dumped Oyama in the third fall in 7 minutes with a reverse body press.

C. W. Dowd was a visitor in the Dale Tinnin home this past week and Major and Mrs. H. Tinnin of Montgomery, Ala., were also recent visitors.

Written Farm Leases Are Best For Landlords, Tenants Alike

At this time of the year, landlords and tenants alike are thinking about farm rental arrangements for 1953. While many operate from year to year on the basis of verbal agreements regulated largely by local customs, written leases are better and may save disagreement and hard feelings between the parties.

Farming is a business and should be conducted in a businesslike manner for best success. Rental contracts involve a full year's work by the tenant and possibly thousands of dollars for both parties. A few dollars spent on a properly drawn lease is good business economy.

A farm lease is not a single paper. Printed lease forms often turn out to be traps if not understood, or if not properly executed. A farmer-tenant contract is intricate and of such importance to both parties concerned

that amateur draftsmanship is risky. Fixing of cash rent or designating the length of term are relatively simple. Yet, even in these matters, ambiguity or incompleteness can cause bitter disputes and expensive lawsuits.

A loosely drawn property description may have consequences entirely unintended by either landlord or tenant. Where rent is to be based on acreage, an accurate description is doubly important.

In addition there are legal rules to substitute for some omissions in written leases. For example, a holdover by the tenant may automatically renew the contract if the lease is silent on the subject. It is as important to know the results of omissions as to know the courts' interpretations of the language used.

There are many matters which should be covered by a properly drawn lease. For instance, if a tenant is to farm on a share basis, care should be taken to define what expenses are to be paid by the parties as well as what shares are to be taken out. A lease should cover such things as who is to make repairs, what land is to be cropped, whether the tenant can cut timber, whether loss of a building by fire or other cause frees tenant, or whether the landlord must accept a sub-tenant.

One great cause of difficulty with leases is blind faith on the part of the persons involved that

New Officers Elected By Westway Young People At Recent Party

The Westway Young Peoples Club was organized recently when the group met for a party and business meeting at the home of Ross Joe Landers.

Larry Kaul, president, presided at the business meeting and new officers elected were: Walter Kaul, president, Gayle Wagoner, vice-president, Sue Osborn, secretary-treasurer, Patsy Townsend, song leader and Ross Joe Landers, librarian.

Following the business session refreshments were served to Mr. and Mrs. W. C. Osborn, Wendell Clois, Patsy and Sue; Mr. and Mrs. Merlin Kaul, Larry and Walter; Mr. and Mrs. Roy Lee Wilson and Nathan; Eugene and Billy Don Combs; Gayle and Ann Wagoner; Patsy and Sandra Townsend and Mr. and Mrs. Joe Landers and Ross Joe.

Mrs. Joe Landers and Mrs. Roy Lee Wilson prepared the lesson for Sunday evening which was the study of the Bible as a book.

all differences of opinion can be worked out. Poor memories as to verbal agreements can cause disputes between persons even though they are both honest and generous.

Many of the possibilities that should be covered by a properly drawn lease will not occur to inexperienced persons. The renting of land deserves a written contract, and it is a contract too important to be entrusted to any one other than an expert.

Westway Home Club Officers Named

Mrs. J. C. Morrison was hostess to the Westway Home Demonstration club at her home recently and in the business session Mrs. P. B. Sowell was elected president, Mrs. Kenneth Rudd, vice-president, Mrs. G. C. Merritt, secretary and treasurer, Mrs. Johnny Townsend, reporter, Mrs. Joe Wagoner, parliamentarian, Mrs. B. B. Northcutt, council delegate and Mrs. Harold Rudd as council alternates.

Mrs. Tom Draper, CHDA, gave the demonstration on fabrics. Those present in addition to those already mentioned were; Messdames Joe Landers, Mayo Phipps, Bes Werner, W. B. Nunley, C. A. Saucy, George Turrentine, Leo Ohlig, Carl Schroeder, R. L. Wilson and Abraham Drager.

I see where Bill Rives of the Dallas News predicts in Sunday's paper that the SMU Mustangs are title bound this year. Bill didn't say how the Mustangs were going to get by the Texas Longhorns or the Horned Frogs. The Mustangs have a host of good players and maybe Bill's right . . . he has picked a lot of winners.

Registration for Hereford's Invitational Golf Tournament will be held open until 2 p.m. Friday for play which is to get underway Saturday morning at the local golf course. Only four golfers had registered by Monday but many more were expected to sign up provided weather conditions did not get too bad. Hereford's Alvin Shirley and Ed Young and Amarillo's G. J. Sorosis and V. C. Nelson were the only players signing on the dotted line. Qualifying rounds started here Sunday for the tourney and tournament play will get underway Saturday morning.

'A Little Waste Here, A Little Inefficiency There', Adding Up To Big Bill,' Ramsey Says

"A little waste here and a little inefficiency there are adding up to a big bill for Texas taxpayers," according to Lt. Gov. Ben Ramsey of San Augustine in a recent statement.

Every so often a successful business must take stock of its methods and its operations to see if departments are becoming careless and if the most economical systems are being used.

The Texas state government is a big business. It is getting bigger all the time. Annual costs of state government are now about \$600,000,000 (tripled since World War II). There are strong pressured demands for another \$100,000,000 a year for high-

ways; some \$30,000,000 more for teachers' pay (current costs of public education: state level, \$168,500,000; local level \$143,000,000, total \$311,500,000); some \$8,000,000 more for state colleges; more for school buildings, etc.

We must cut out the small wastes, the duplications, the unneeded motions. Every dollar spent should get value received.

When we do that, we are going to find that we have saved a large sum of money that can be put to constructive use.

And, in addition to that, we must guard against the growing tendency to raid the treasury every time we get state finances in fairly good shape. We saw a huge war time surplus wrecked in a very few days.

Recently, it was proposed that the state help with its money on a research project to find out what caused the shine on men's pants. Private enterprise already has done research about the shine on the seat of men's pants; the domino players down in San Augustine reached a conclusion long ago that the shine was caused by sitting down too much.

The state government cannot be expected to finance projects that should be pursued by private industry.

We are doing private industry no service when we take over one of its functions.

We are doing the public no service when we do that, because our tax money must come, to a large extent, from business and industry. Elimination of a function of a private enterprise cuts off its tax contribution and in turn would put an additional burden on the citizen.

The next legislature has a tremendous responsibility.

I hope that every member of the Legislature will regard his office as a trust to reduce waste of the money we already have and to resist treasury raids.

Legislators will need the help of the public to do this. Every citizen should think twice before asking for money from the state. He must realize that every time we give in to some group for some pet project, we put ourselves in the position of having to entertain the pleas of other groups. I am proud of the officials and employees of our State Government. They are honest and patriotic. I know they will work cooperatively with the Legislature and the public in general in seeing to it that we have both economy and efficiency in our State Government.

Mrs. Robert Timberlake and baby of Dayton, Ohio, have arrived to spend some time here with her father, C. T. Guseman. Mrs. Timberlake has been in Dayton with her husband who was stationed there with the Air Corps. He is now on his way to Japan. Mrs. Timberlake is the former Miss Cecelia Guseman.

'Texas Democrats For Eisenhower' Opens Headquarters In Austin

AUSTIN, Sept. 24 — "Texas for Eisenhower" is the name of a new citizen's organization here this week. Plans are being made to conduct a grass-roots campaign among members of the Democratic Party in behalf of Dwight D. Eisenhower, a native-born Texan, for President.

Claud H. Gilmer of Rocksprings, former speaker of the Texas House of Representatives, was named chairman. In accepting the office Gilmer commented:

"I have been a lifelong Democrat, and still consider myself a Democrat. It is a case of deciding: When do you get enough? What are the best interests of Texas, and what are your best interests? We've got to help take the national leadership of the Democratic party to the woodshed. This is not a creeping socialism we are fighting against, it's a galloping socialism."

Gilmer and other speakers stressed the mandate issued by the State Democratic Convention at Amarillo on Sept. 9, which resolved: "It is the recommendation of this Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

The meeting was called by Tom Sealy of Midland, who was elected co-chairman of the organization with Miss Nan Proctor, Victoria school teacher, Miss Proctor was a member of the Gilmer-Aikin Committee that reformed the Texas school laws in 1949. Gilmer was co-sponsor of the reform bill.

Democratic Party leaders selected for a statewide steering committee, to assist the officers, were: Sam Aldridge, Farwell; E. C. Aycock, Fort Worth; W. R. Beaumier, Lufkin; H. E. Chiles Jr., Midland; Lester Clark, Breckenridge; Mrs. Charles K. Devall, Kilgore; Charles W. Duke, San Antonio; Charles E. Long Jr., Dallas; Maston Nixon, Corpus Christi; Emmett Shelton, Austin; and John V. Wheat, Houston.

Beaumier and Duke are members of the State Democratic Executive Committee. Other members who attended the organizational meeting here were Fred Brown, Mineral Wells; Taylor Glass, Austin; Peyton McKnight Jr., Quitman, and Lynn Smith, Gonzales.

Most of those who attended the first meeting here were leaders at the State Convention in ordering the names of the National Democratic nominees placed on the Texas Ballots, while at the same time urging Texas Democrats to vote for Eisenhower.

The group selected Weldon Hart and Jon Van Cronkhite, Austin public relations men, to assist Gilmer in directing the campaign.

4,750 Texans Each Month Completing Red Cross Course

AUSTIN — Texans in the number of 4,750 are now being graduated each month in the standard Red Cross course in first aid.

A report of State Defense and Disaster Headquarters to Governor Allan Shivers pointed out that this is approximately 100 percent increase in the normal number of graduates in this course.

Basic first aid training — how to stop bleeding, treat shock, bandage victims, give artificial respiration and otherwise care for the sick and injured — is emphasized in the State Civil Defense and Disaster Relief program as the most important single step which all people can take to ready themselves for the emergency of natural or enemy action.

Local Red Cross chapters will provide first aid instructions, or information can be obtained from State Defense and Disaster Relief Headquarters, Office of the Governor, Austin, Texas.

Friendship Class Meets With Teacher

Friendship class met in the home of Mrs. J. W. Kirby, teacher, last week. Plans were made for a picnic to be held on September 23 at Jaycee Park.

Mrs. Carl Perrin spoke on the Differences in Translation of the Bible. The greatest Bible news in 340 years is the revised Standard Version of the New Testament, paraphrased according to meaning.

Mrs. J. W. Garner gave a summary of facts found in archaeology that provide better Bible reading.

Mrs. Perrin was in charge of the social hour which was in the form of a birthday surprise for her mother, Mrs. Kirby.

Those present were Mesdames;

E. W. Hobson, Dean Bishop, E. W. Harrison, J. W. Garner, Mary Seigler, Chism, M. J. Joel, J. W. Thomas, O. D. Lowry, Carl Perrin, J. J. Durham, W. F. Gillis, J. C. McCracken, Ray Coneway, and Misses Velma Cook, Irma Walker, Mildred Elliott and Frances Turrentine.

TEXAS-BORN IKE a man of integrity

He is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower!
That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party — but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

If you, as a Democrat, feel as we do — join us! Be a Texan — not a Trumanite... Vote Ike!

Chairman: CLAUD H. GILMER, Rocksprings.
Vice Chairmen: MISS NAN PROCTOR, Victoria; TOM SEALY, Midland.

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information.

Seventh Day Adventist To Observe Sabbath School Anniversary

The Hereford Seventh Day Adventist church located at Third and Lawton will with fellow churches the world over observe the 100 anniversary of the Adventist Sabbath School September 27.

In the summer of 1852, James White, a pioneer of the Seventh Day Adventist movement felt impressed with the need to make the Bible and its study attractive to the people.

He set about composing a series of simple Bible Lessons for the Advent people and the subse-

SNOOPIN AROUND

By The Rambler

That's a good thought from 'inside the wheel', "Too bad the safe driving project set off a wave of vandalism. Can't blame the kids much more than the parents who didn't know where their kids were. When do we start having Parent Training instead of knocking ourselves out over the juvenile problem?"

And that slap-happy driver that has been making a speedway out of Park Street had better slow down. 80 miles an hour Bud is too, too fast and the High School is so near by, so just take it easy or next time instead of saying it was your brown car, you can read the tag number, see?

Yea, there are thirty million kids in school this year, and last year over 60,000 were injured and above that 1011 were killed. It only takes 20 seconds to drive two blocks at 12 miles an hour. Brother can't you spare a second? The child you save may be your own.

Did you hear it too, the complaints about the rain Monday. Seems like even the Creator can't please everyone so how can anyone expect sports writers to be perfect, besides maybe plays look different from other angles.

Small boy in front of Brand of ice Saturday p.m. after auto accident. "That happens when you don't look where you been". The kid's right, "We would stop and look 'where we been' mere of ten. Instead of where we are going perhaps the going would be a lot easier.

Well "Ike" and "Nick" hit town with banners flying and nearly shook the street lights out of the ground, but who and where is Headquarters? I dood it, On third on the alley, a big picture of Ike, but nobody there.

ELECTION: The Spanish class at the High School held a presidential opinion poll on the general electoral trend, Eisenhower 274, Stevenson 103, undecided 42. Let's go Whitefaces, and let's keep it clean.

Several of the stores on Main Street are getting a face lifting or have you noticed. Sure is dressing up the street. Surprising what a little dab' of paint and brick will do.

I'll be seeing you.

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the kind of miles is important too. The real pay-off you get when you own a Buick is in what happens while you're turning gas into power.

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflo Drive.*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

New Project On Alcoholism To Be Introduced At Canyon Club Meet

A new project on alcoholism will be introduced by the division of Mental Health of the 7th District of the Texas Federation of Womens Clubs, when they hold the annual fall meeting of the Board of Directors and Club presidents on Oct. 2, at Canyon.

The meeting will take place in the auditorium of the Branding Iron Theater on the West Texas State College Campus at Canyon, from 9:45 a.m. to 3:45 p.m. Thursday, October 2.

Nelson Brown, executive director of the Texas Committee on Alcoholism, will be one of the speakers. He is from Austin.

This is the mid-term board meeting, called by Mrs. O. M. McGinty, president of the district, from Spur. Since the last board meeting, the organization has added new departments to conform to the General Federation of Womens Clubs standards, and the new departments and divisions will be presented.

Major emphasis in statewide club work is being laid this year on the big Texas "Aid to Austria" project that the whole General Federation is watching, because it's a new experiment in club work. The already launched project will be explained at the board meeting.

Austria was selected because it is resisting communism and Russia and is having a rough time. By helping them the Texas Federation hopes to help further Americanism, as it will be another mile down the road to peace.

Mrs. W. E. Cantrell, regional vice-president TFWC from Lometa will be present and present information particularly for club presidents. Time will be allowed for board members to present plans, projects and requests and to announce awards in different fields.

The Federated Clubwomen of Canyon are the hostesses and luncheon will be served at noon. Registration is 50c and reservations for the luncheon are \$1.75.

Advance registrations should reach Mrs. Lee Foster, Canyon by September 29.

REAL ESTATE BOARD REPORT

J. O. Probst has sold his 200 acres out southeast of town to F. L. Alexander... we understand the lettuce crop went with the land. If lettuce stays at \$7 it could sure make a good buy for Mr. Alexander.

Bruce Par certainly put up a nice brick home on his place out toward Black. In another 10 years the old timers won't know this country the way new improvements are being put up.

Another new brick, farm home belongs to our good county agent's brother who built a beautiful house out south of J. B. Noiland. It is red brick with sort of a ranch house look. Sure is pretty.

Chester Wiggins has built the durndest contraption I ever saw but it does the job. Chester needed some sort of a rig to run through the rows of grown maize and spray out the Johnson Grass so he took an old motor scooter and mounted a couple of outriggers to ride the rows outside and mounted a tank and spray rig with spray nozzles pointed right at the rows. He runs up and down the rows with this "thing" and when he comes to a bunch of Johnson Grass he jumps off and cuts off the head, puts it in a sack tied to the machine and then sprays the rest of the grass. His farm looks like it has had its face lifted.

Even if you don't have a child to buy for just stick your head in the door of Helen's Youth Shop and see a pretty store. Looks kinda like a circus.

The commissioner who takes care of the road leading west off of Highway 51 out nine miles north of town gets our thanks for

working over that road. For the past five years that has been the sorriest road in the county. Got up to 60 on it this morning though. Thanks, Mr. Commissioner. And while we are at it how about an asphalt tile floor in the basement of the Courthouse?

Harold Saltzman also joins the ranks of new country home owners. Harold has a big house out 8 miles north and 3 miles west. Never saw a fellow work as hard as Harold. Runs his tractor, pick-up, truck and himself wide open all the time.

Along about the time Jack Payne bought his half section he kept telling us how he could farm a half section with two wells on is with one hand tied behind his back while he worked and fished half the time. Of course we didn't say anything but Hmmm!, to ourselves. But by golly he has done just that very thing and has the cleanest crop we know of. In addition to that he has built a new home and has the grass coming up on his lawn. Jack is 10 miles north on 51. Oh yes, Jack fished 3/4's of the time.

SCHOOL DAYS AGAIN

The time has again come for all Teachers and all true Americans to come to the aid of God and Country. School days are here! Young and open minds assemble on playgrounds and in class rooms... men and women are in the making. Dear Teacher, your responsibility is terrifying. You have God to honor and your country to save through your own class room. "A word fitly spoken is like apples of gold in pictures of silver." (Proverbs 25:11)

Eager and learning minds must be properly directed. In the Book of Books the "Great Teacher" gives direction toward the life of goodness and wisdom. The stories of Joseph, the birth of Jesus and the never-to-be-forgotten parables are rich in lessons of wisdom and morality. Let them reflect on the Proverbs of Solomon, and let them sing the songs of David. The lessons of Isaiah, Jeremiah and Paul, and the Sermon on the Mount offer a moral and spiritual constitution for living. Along with lessons in "reading and writing and arithmetic," they need lessons in how to live God's way... it's School Days Again.

Summerfield Study Club Launches Year At Welcome Travelers Program

Summerfield Study club launched its year's activities at a coffee Thursday afternoon given in the home of Mrs. Lillian Lookingbill.

The coffee table carried out the theme of the year's study in the club colors with an arrangement of red carnations around a white radio tower. Favors repeated the radio tower.

New year books, which were distributed to members, featured clever jokers depicting the "Network" theme of study. On the cover was a red radio tower with broadcasting station SSC (Summerfield Study Club) over CBS (Community Broadcasting System).

Programs for the year will be under the name of well known radio program, the first entitled "Welcome Travelers" presented at the Thursday session. Mrs. Billee Johnson was the announcer and Mrs. Rosa Mae Lance was master of ceremonies.

Mrs. Beatrice Noland gave a travel talk and showed pictures of a trip to Michigan the past summer. Of special interest were pictures of the Ford and Edison Village at Detroit.

"In This Issue" was the subject of Mrs. Lillian Lookingbill's discussion in which she summarized the new year books, explaining the program outlines, community entertainments and projects of the club.

Members of the year book committee were co-hostesses with Mrs. Lookingbill, who served as year book chairman.

Members present were Mesdames Clara Blakemore, Eunice Campbell, Ethel Curry, Joan Euler, Billee Johnson, Rosa Mae Lance, Winnie Lawrence, Inez Lee, Eva Lookingbill, Jeanne Lookingbill, Leta Lee Neill, Beatrice Noland, Dorothy Noland, Emma Luell Noland, Della Walser, Glenn Walser, Mildred Walser and the hostess.

The word "ahoy" was originally the battle cry of the Vikings; now it is used as a greeting among sailors.

Garden Beautiful Club Meeting Is Held At Perrin Country Home

Garden Beautiful Club was entertained in the country home of Mrs. Carl Perrin Friday afternoon with Mrs. J. W. Kirby serving as co-hostess.

The program centered around the theme "There is a villain wintering in your garden". Mrs. E. W. Hobson gave the discussion on the Japanese Beetle, describing stages of growth from the grub to the full grown beetle. She emphasized the damage that may be caused by the beetle and suggested way of avoiding that danger.

Mrs. W. J. Stanford spoke on "Peonies" emphasizing the need for cutting the foliage after the blooming period. Cut down to 2 or 3 inches from the ground and burn that foliage to keep down insect pests. She also told when and how to plant peonies.

Mrs. Perrin fashioned the arrangement featured for the meeting, using wheat and autumn colored zinnias in a copper pitcher.

Members making the forty-mile trip to attend the meeting were Mesdames; Tom Alderson, Tom Carter, O. M. Dickey, S. L. Eastley, George Graham, J. B. Harlin, E. W. Hobson, Frances Houston, J. W. Kirby, F. P. Lyons, Forrest Minton, G. P. Owen, Helen Pipkin, B. E. Roberson, Mary Seigler, E. W. Solomon, W. J. Stanford, J. M.
