56TH YEAR — NO. 2

Hereford, Texas, Thursday, January 10, 1957

Around Town

Preparing to lay new sewer lines along 1,280 feet between Mable and George Sts., and 800 feet west of the Deaf Smith County Electric Co-op, the city apparently got a bargain in asking for bids on the work. Moore Pipeline Co., of Lubbock got the contract on a total bid of just \$2,006.89. The next lowest bid, made by one of four Amarillo contractors who submitted proposals, was \$3,478.75.

Amarillo Stock Show boosters Delbert Dalby and Sam Elkins were in Hereford Monday to remind residents that this year's event begins Jan. 19 and ends Jan. 25. Dalby, head of the show association, said that a record number of entries have been received for the coming exposition. Special tribute will be paid during the show and rodeo to the Panhandle Hereford Breeders Assn., which this year marks its 50th anniversary, and has been the strong backbone in the growth of the mid-winter event. Bill Dameron of Hereford is president of the Hereford breeders organization.

Dave Alexander on Wednesday became the City Corporation Court judge, succeeding Earl McElwee, who became the first full-time corporation judge for the city last June. Judge McElwee retired because of ill health, city officials said. S. O. Wilson served in his stead recently while McElwee was undergoing hospital treatments.

John J. Hastings, formerly chief deputy in the tax assessor and collector's office of Deaf Smith County, is now employed in the tax assessor's office down in Lubbock. He and Mrs. Hastings have moved and will make their home there.

Dave Rubinoff Is Crowd Pleaser in Visit to Hereford

The famous violinist Rubinoff—"My friends call me Dave"—had the Lions Club members stomping their feet and yelling with all of the enthusiasm of Presley fans when he cut loose with a square dance medley here on Wednesday.

In Hereford for an informal visit on "a day off," Rubinoff appeared at assemblies in the grade schools and was the Lions' luncheon guest.

He will return here on Jan. 17 to play matinee and evening concerts under the club's sponsorship.

Back in 1932, Will Rogers presented the native of Russia with a Texas-size watch engraved "to the greatest fiddler in the world." Yesterday, there was little doubt that Dave Rubinoff is great in the minds of his listeners. And there was the quick realization that he is a man who fits his music to the audience. After his "audition" before the Lions—strictly an unscheduled visit, too—the wrestling-promoting Lions acted as if they had discovered a winner.

"Why, he's as enjoyable to watch as is Dory Funk or that 'Iron Jaw' fellow," said one wrestling fan.

At the schools, Rubinoff was also a hit. "When I appear before children, I play not with my fingers but with my heart," he explained. And his accompanist, Homer Phillips, said that the violinist has played over 40,000 free assemblies for school children in his long career.

He arrived in the United States in 1911. Greeted on the ship by Victor Herbert, Rubinoff recalled he was advised by the great composer to "put your right foot forward" when he prepared to step onto American soil for the first time.

"I've been trying to do so ever since," said the master of the violin. And by so doing, he has played before only a few presidents, kings and emperors, but millions of children and ordinary citizens who like to hear music—popular, semi-classical and classical—played as they like to hear it, superbly.

Hereford Garden Club will meet Friday afternoon, Jan. 11, in the home of Mrs. Emmett Hale, 303 Star St., at 3 o'clock. Plans will be made for decorating tables for the annual Chamber of Commerce Banquet and all members are urged to attend.

HENRY AYCOCK... new Chief of Police

Tulia Officer Will Head Police Force

Henry Aycock of Tulia will become Chief of Police in Hereford on Jan. 15. He was selected for the position on Tuesday night by the City Commission.

The 34-year-old peace officer, a former sergeant on the Amarillo police force who is now assistant chief of police at Tulia was a unanimous choice for the position in voting by commissioners. He will fill the position vacated on Dec. 28, 1956 by the resignation of Chief Leo F. Box.

Capt. J. T. Sanderson, acting chief, will continue of the force as its captain, city officials said.

Salary "satisfactory" — Although salary was the principal reason cited by Chief Box for leaving in his resignation, Aycock agreed to fill the position on a trial basis at a salary considerably below that paid the former chief. His agreement with the commission does provide for an increase in pay after a short "trial" period.

After his interview Monday night with the commission, an interview which resulted in his selection for the position, Aycock expressed satisfaction with the arrangement and assured the city officials of his cooperation and of his dedication to the job.

Last Rites Held Wednesday for George Vincent

Final rites for George Marion Vincent, 76, were conducted Wednesday afternoon at the Avenue Baptist Church. Mr. Vincent died at his home, 615 S. 25 Mile Avenue, on Monday after a lengthy illness.

The funeral services were conducted by the Rev. Grady Allison, pastor, and the Rev. E. H. Harper. Burial followed in West Park Cemetery under the direction of Gilliland Funeral Home.

Mr. Vincent had been a resident of Hereford since 1944, moving here from Dalhart. He and Anna Gossett were married in Clayton, N. M., on April 1, 1944.

A native of Tennessee, he was born on April 27, 1880.

Survivors include his wife, Anna Vincent of Hereford; one son, Charles Raymond Vincent of Wichita, Kan.; two daughters, Georgie Patton of Wichita and Eva Biles of Nashville, Tenn.; one sister, Talley Rothwell of Oklahoma City; one brother, Hugh Vincent of Cleveland, Tenn.; three grandchildren.

Pallbearers were Jack Fambrough, T. B. Cox, Johnnie Pool, E. T. Brooks, Homer Thomas and Bill Gresham.

VOTERS OKAY AIRPORT

Water District Voting Results Are Incomplete

Complete results of the High Plains Underground Water Conservation District 1 election were not available Wednesday, according to J. J. Clark, election judge. Clark stated that the district supervisor in Lubbock did not have available figures on the results when he was contacted Wednesday morning.

The vote in Deaf Smith County gave Virgil Dodson, incumbent district director, a 201-to-17 margin over Anton Handing of Canyon. The director will represent Deaf Smith, Armstrong, Potter and Randall Counties on the district board.

In the race for county committeeman from Deaf Smith County, Austin C. Rose Jr. was elected over Jack Brown with the vote 136-to-83.

The election was held here Tuesday with the polling place in the county courthouse. The 219 vote total represented about 10 per cent of the eligible voters.

New Petit Jurors Panel Is Selected

The panel of petit jurors for the Jan. 15 session of county court was selected this week by the Jury Commission and filed with the county clerk.

The list of jurors includes Jack Weaver, Mrs. G. C. Merritt, Earl Plank, Mrs. R. J. Richardson, James M. Wood, Mrs. J. L. Woodford, W. B. Wilson, Mrs. Myrtle Wright, Irvin Reeves, Mrs. G. D. Milner, Frank Zinser Jr., Mrs. George Millard, Jack Brown, Mrs. Seale Stevens, Don Zimmerman, Mrs. T. D. Starbough, J. W. Robinson Jr., Mrs. Ernest Wade, Don T. Martin and Floyd West.

School Officials at Austin Meet

Supt. Fred J. Cunningham, Bill Stanford, assistant superintendent, and Fred Baird, school tax assessor and collector, are in Austin attending the school administrators advisory conference, which began yesterday and will continue until Saturday.

Among the topics to be studied at the conference are graduation requirements, school transportation, school facilities, improvement of the instructional program, certification and accreditation and the school district structure.

RECORD VOTE CAST—Mrs. R. A. Daniel cast her vote Tuesday as her husband looked on. The visit she and many other housewives paid to the polls in City Hall helped make the new record total of 896 ballots before the airport became an issue, the biggest previous turnout in a city election was 503 voters in 1952 when the home rule charter was the issue. Election officials Tuesday were Ivan Block, judge, Tom Alderson, assistant judge, and Mrs. Nona Jowell and Mrs. R. C. Blue, clerks. (Staff Photo)

Record Turnout of Voters for City's Proposal

Hereford will get its airport! City residents voted 471 to 425 on Tuesday to give the green light by a 46 vote margin to construction of the \$200,000 facility. Local bonds will cover \$100,000 of the cost. A federal appropriation made available for the project last June will match the city's expenditure on a dollar-for-dollar basis.

The total vote count of 896 marks a new high for a City of Hereford election. The previous record was set on Dec. 18, 1956, when 667 votes were cast on a \$70,000 bond issue that would have involved building the airport as a joint city-county project. That proposal passed in the city by a 14 vote margin, but failed in the county.

To Choose Site — Mayor Henry Sears, pleased at the outcome of the election, said that the next step to be taken by the City Commission will be the selection of possible locations for the landing field. Final selection will be made following a survey by Civil Aeronautics Authority officials of the suggested locations.

The most desirable location would be one consisting of three quarter-sections in a north-south "row" said City Manager Dudley Bayne. Purchase of land situated in that manner would permit ultimate construction of a 5,000 concrete foot runway having adequate clearance on both ends for large transport planes.

Will Make Master Plan — City officials have indicated they hope to buy the airport site in a straight transaction, but have noted that the city would be able to condemn land in the event "asking" prices should soar above the current market level.

A master plan for construction of the long, concrete primary runway heading into the prevailing south-southwest winds, and for a shorter caliche-base runway for landing east or west will be drawn up to CAA specifications after the land is purchased, Bayne said.

Actual bonds for the project will be printed and submitted to the state Attorney General for his approval in the near future. The bonds, to be purchased by the two Hereford banks, will bear just 3 1/4 per cent interest. City officials expect them to be retired over a 12-year period from tax revenues. No raise in taxes or valuations is anticipated as necessary for the bond's retirement.

To Use City Equipment — When actual construction work is begun, City Manager Bayne expects that city equipment will be employed wherever possible. But the work by the city will be done on formal contract to protect the federal government obligation on the project, he said.

Citizens' interest in the construction of an airport was demonstrated in the record turnout at the polls, officials noted. The 896 vote total eclipsed the Dec. 18 record of 667 votes in a city election, and was far above previous totals.

Back in 1947, when bonds were issued for water and sewer, street and park improvements, only 350 votes were cast.

In the 1952 vote on the home rule charter, 503 voters cast ballots. And when the \$609,000 water and sewer project was approved by Hereford citizens in January, 1956, just 165 voters made the trip to the polls.

The airport project was twice defeated in county elections before gaining approval when proposed for the first time as a city project.

Hungarian Relief Fund Drive Ends

A check for \$326, the quota of the fund drive here for Hungarian Relief, has been mailed to the National American Red Cross Headquarters in St. Louis, according to an announcement by Bill Decker, chairman.

The drive was conducted here during the month of December to aid the oppressed people of Hungary. Individuals and school groups contributed to bring the fund to the full quota figure, Decker said.

Mr. and Mrs. J. E. Beyer returned home Monday after spending the Christmas holidays with their son and family. Mr. and Mrs. J. E. Beyer Jr., of Hutchinson, Kan. While they were in Kansas they also visited his brothers in Wichita.

Lyle B. Rickman, Westway Farmer, Dies in Amarillo

Funeral services for Lyle B. Rickman, Westway community farmer, were conducted Monday afternoon at the Avenue Baptist Church. He had been a resident of the community for the past 10 years.

Mr. Rickman died Sunday at 3 p.m. in the Veterans' hospital in Amarillo. He had been ill since May of last year.

The Rev. Grady Allison, pastor, conducted the services here. The body was taken by train to Monette, Mo., for burial.

Pallbearers were Guy Lawrence, Marple Cline, Clarence Morrison, Elmer Combs, Jack Morrison and Robert Boyd.

A native of Lawrence County in Missouri, Mr. Rickman was born Jan. 6, 1918. His death came on his thirty-ninth birthday.

Survivors include his wife, Gladys of Hereford; two sons, Larry and Joquim of Hereford; one daughter, Lila Gail of Hereford; a brother, Robert E. Rickman of Jenkins, Mo.; two sisters, Mrs. Helen Ledbetter of Salinas, Calif., and Mrs. Lena Philvert of Monette, Mo.; his parents, Mr. and Mrs. William Rickman of Jenkins, Mo.

School Finances Is Topic for P-TA Meetings

A panel-workshop, based on the financial structure of the Hereford Schools, will be presented at meetings of the Shirley and Central School P-TA organizations Thursday. The Central meeting has been set for 3:30 p.m. and the Shirley meeting for 8 p.m., each at their respective schools.

Moderator for the discussion period will be V. C. Overall, high school principal. Panel members are Bill Phillips, assistant high school principal, and Wiley Quattbeaum, junior high principal. Bob Naylor, Shirley School principal, will join the group at the Shirley meeting, and L. C. Thomas, Central School principal, will be a panel member at his school.

The same program was presented to the regular meeting of the Stanton Junior High P-TA on Tuesday evening of this week, and is slated to be given for the High School P-TA on Tuesday, Jan. 15, at 7 p.m. in the high school auditorium.

Davis Will Head Camp Fire Group

The annual installation of Camp Fire Council officers was conducted at the Camp Fire Hut on Monday evening by Mrs. Elmer Patterson. Officers of the leaders association were also installed in the same ceremony.

Officers of the council for the coming year include the following: president, W. L. Davis Jr.; vice president, Loyd Lovel; secretary, Mrs. Clyde Cave; treasurer, Cecil Boyer; regional representative, Mrs. S. S. Williams.

Mrs. Jimmie Gillentine was installed as president of the leaders association. Other officers are as follows: vice president, Mrs. Jack Gilliland; secretary-treasurer, Mrs. Marvin Coffey; reporter, Mrs. James Roberts.

Dick Barnard, chairman of the fund-raising drive held in November by the Camp Fire Organization, announced that the \$1,500 of the drive had been exceeded and that the 1957 budget of the organization was on a sound footing.

Retiring president of the Camp Fire Council is Leon Alexander.

Carrot Packing Season Is Extended, June to January

Carrot packing operations at F. H. Vahlsing Inc., here will continue through Jan. 18, according to Harold Pugh, manager. The company had previously announced that their plant would close on about Jan. 16.

Contracting for the planting of carrots for the 1957 season is scheduled to get underway about March 1, and the plant will reopen for business here during the month of June.

F. H. Vahlsing of New York City, owner of the vast Vahlsing packing plants, is expected to arrive in Hereford this weekend to announce the company's plans for the new season.

Funds, Time Short for Hay Program Assistance Here

The emergency roughage program for drought-stricken livestock raisers in Deaf Smith County has been extended to cover needs for foundation herd maintenance through March 15. But there is "a gimmick" to the extension.

Applications for the assistance, a \$7.50 reduction per ton of roughage, must be received at the county Farm Home Administration office by Jan. 11, said Walter Johnson, FHA manager.

"We're limited on the funds available for the program, too," Johnson said, "and will take applications on a first come, first served basis. Notice of the extension was received here on Monday."

CORONATION CONCERT Bands to Present Program Tonight

The Hereford school bands under the direction of Charles Bell tonight at 7:30 p.m. will present the annual coronation concert.

Feature of the program will be the crowning of the band king and queen. Their identity is a secret until the performance.

The program will open with four numbers by the Stanton Junior High School band. Included will be "Warning up March" by Ribble; "Medallion Overture" by Johnson; "Green Sleeves," Dillon; and "Burst of Trumpets," Walters.

The Whiteface Band's two members of the 1957 All-State Band will appear in solo numbers. Phyllis Goetsch, all-state member, will appear as trombone soloist in "Slippery Gentleman," Walters, to be presented by the trombone ensemble. Joan Brown, all-state alternate, will present a clarinet solo.

With Don Moore, choir teacher, serving as guest conductor, Director Charles Bell will play a clarinet solo in a modern number, "Interlude" by Morrissey.

Bands to Present Program Tonight

The high school band will play five numbers, including "Charter Oak" by Osterling; "Irish Folk Song Suite," Erickson; "Burst of Flame," Bowles; "Theme from Scherzade," Korakoff, and "The Nutcracker," Eric Osterling.

There is no admission charge for the concert.

EAGLES FALL AGAIN TO WHITEFACE FIVE

By BILL KNOX

Cuby Kitchens' lanky cage charges won their tenth game here Monday night as they tuned up for the rugged 1-AAA basketball schedule which opens Friday.

The Whitefaces squelched the Canyon Eagles, 61-51, but were extended until the final minutes. It was Hereford's second win of the year over Canyon, the first being somewhat easier.

Fred Lookingbill guided the Herd to the win, which could have easily gone to the Eagles had the Whitefaces not caught fire in the losing minutes.

Canyon Held Lead

Hereford effected a 10-point uprising in the final two minutes of play to douse the eager Eagles' ambitions. Until that time the issue was very much in doubt with Canyon holding the lead the majority of the time.

The meager crowd of less than 400 fans appeared to wonder if the Whitefaces could pull this one out of the fire. Canyon's two hot-shots, George Snapp and Charles Neblett, had been keeping the visitors a head by two or three points.

Then It Was Curtains

Then Snapp fouled out. This meant curtains for the Eagles and just the opposite for the Whitefaces. They suddenly came alive and all but buried Canyon under the stampede.

With 1:53 left Hereford finally managed to pull even at 51-51. Canyon called a time out in an effort to make medicine for a remedy to the onslaught. However, everything backfired for them.

Lookingbill hit. Then after rebounding beautifully, Danny Elliston raced down the court only to miss a lay-up but tip it in for two more. Curtsinger connected from the keyhole, and the bewildered

SPORTS GLANCES by Bill Knox

Five men from 1-AAA landed on the Associated Press all-state grid team this week, giving further testimony to the fact that district one was the strongest district in the state.

Two men, Tommy Newman of Phillips and Max Morris of Littlefield, were named to the first team, while Danny Elliston of Hereford and Jim Tiner of Dumas made the second team. One other, Jesse Sudderth of Levelland, made honorable mention.

Elliston was the leading pass catcher in the state. He caught eight touchdown passes and was on the receiving end of more than 500 passes good for better than 700 yards. He also made all-district and all-regional.

Hamm Unanimous Choice

Snyder end Milton Hamm was one of two unanimous choices on the team. Hamm caught 10 touchdown passes but caught only 30 passes good for a bit more than 500 yards. Hamm is a 200-pounder. Elliston weighs 160.

The officiating at the Hereford-Plainview game played recently in Plainview wasn't the best in the world. Of course, that can't account for the 18-point margin of victory which the Bulldogs wound up with, but it was a bit irritating. Irritating at that.

Referees Luther Lawless and Bill Reisdorff called 38 fouls. Hereford's two tallest men, Terry Higgins and Jim Curtsinger, both fouled out in the third quarter. Another had four fouls. We considered a technical foul called by Lawless unnecessary. Terry Higgins made a terrific shot from the center line as the half ended — refs said it was good, but the timekeeper said no. — wasn't even close (timekeeper was from Plainview incidentally).

Lookingbill Is High

Lookingbill's 24 tallies were high for both teams. Bill Callaway also had a good night, scoring 10 markers, while Curtsinger and Leroy Morrison were off their usual pace. Curtsinger scored only eight points but turned in a fine defensive game. Morrison tallied four. Bill Dufur scored eight, all in the first half.

Taegel Couldn't Miss

Billy Taegel couldn't miss, and his teammate Bobby Grace didn't do bad for himself. Taegel canned 22, and Grace scored 16. All Taegel had to do was throw the ball toward the basket and it went in. Also 12 of his points were free throws. We've decided that "as Taegel

ALL-STATE SELECTIONS

Danny Elliston On AP Second Eleven

DALLAS — Tommy Newman, Phillips' fine all-around quarterback, and big Max Morris, a power running fullback from semifinalist Littlefield, each landed on the Class AAA schoolboy all-state football team selected by the Texas Sports Writers Assn.

Both Newman and Morris were on teams from District 1-AAA which also landed two boys; Hereford's Danny Elliston and Jim Tiner of Dumas on the second team and placed one Jesse Sudderth, Levelland, on the honorable mention list.

Newman, a converted fullback on Chesty Walker's Phillips outfit, tied with Tiner as the district's leading scorer, with 96 points. Tommy, an all-around athlete, scored 16 touchdowns and was a threat everytime he handled the ball.

Morris was "perhaps one of the best power runners in the state this year. The big athlete, helped lead the Wildcats to the state semifinals although he missed many of the playoff games due to a leg and hip injury.

Max, who played end on defense, tallied 81 points during the regular season and many other points during the playoffs. He was injured in the bi-district clash with Andrews and saw only limited service after that.

Milton Ham, Snyder end, and Karl Milstead, Athens guard, were the only unanimous choices on the squad. Ham was on the second team in 1955.

Snyder, eliminated in the first round of the playoffs, was the only school landing two players. Joe Reeves center, joined Ham on the first team. State champion Garland failed to place a man, testifying to the team efforts of the Owls.

Frank Jackson of Paris advanced from the second team in 1955 to the first selection. He is a halfback.

goes, so goes Plainview." He scored just 10 points the other night when Tulsa shocked everybody by whipping Plainview with ease. We don't think that that'll happen again anytime soon.

Others making the first team were Don Wharton, McKinney, end; Charles Batton, Lamarque and Charles Brown, Cleburne, tackles; Jerry Askew, Nederland, guard and George Jurecka, Waco University, halfback.

The second team was made up of Elliston and Travis Nevill. Bryan, ends; Charles Bishop, Kingsville, and Norman Burroughs, of Robstown, tackles; Herb Campbell of Paris, and Stuart Helvey, Bryan, guards; Jerry Bridgewater, Mission, center; Pat Znajder, Garland, quarterback; John Middleton, Lamesa, and Tiner, halfbacks and Joe Foster, Kilgore, fullback.

A Negro got on the all-state list for the first time in history when Willie Jones, Robstown fullback, was given honorable mention. Others getting honorable mention:

Ends — Royal Caswell, San Marcos; William Collier, Uvalde; and Jimmy Feagan, Sweetwater.

Tackles — Wiley Benson, Snyder; Pat Lewis, Kermit; Wilbur McDaniel, Kerrville; Billy Quebeaux, Port Neches; Billy Weaver, Garland.

Guards — Wayne Freiling, San Antonio; Edson; Bobby Manasco, Cleburne.

Centers — Gordon Buffington, Nederland; Darwin Holt, Gainesville.

Quarterbacks — Donald George, Worth Diamond Hill; Bobby Mjil-sap, Aldine; Johnny Veltman, San Antonio Edison.

Halfbacks — Benny Howe, Fort Worth Breyer; Tommy Jackson, Andrews; R. G. McGinnis, Uvalde; Johnny Niederauer, Bryan; Jesse Sudderth, Levelland.

GUIDING LIGHT

MEXICO CITY — A beacon which officials believe may be seen from coast to coast of Mexico is being planned for installation atop 17,872-foot mount Popocatepetl.

The beacon will aid domestic and international air navigation. Experts believe it will be visible in the Gulf of Mexico area around Veracruz, and Acapulco, on the Pacific coast.

New Congress, Same Mr. Sam

By ROGER GREENE

WASHINGTON — A nod and a low-rumbling word or two from one of the quietest men in Congress may determine the outcome of President Eisenhower's 1957 legislative program.

The nod would come from the shiny pate of Rep. Sam Rayburn (D-Tex.) who has served as the speaker of the House longer than any man in history.

The taciturn Texan, popularly known as "Mr. Sam," once again will team up with Senate Majority Leader Lyndon B. Johnson (D-Tex.) in calling the Democratic party's signals in the new 85th Congress.

Rayburn will observe his 75th birthday on Jan. 6, three days after the nation's lawmakers convene for a session fraught with some of the gravest questions — both global and domestic — in modern times.

On the home front, it will be up to Rayburn - Johnson & Co. to guide the Democratic-controlled Congress in deciding the fate of the Republican administration's legislative proposals on such critical issues as farm prices, civil rights, taxes, federal aid to school construction, and national defense.

On the world front, Congress will take a hard look at the Eisenhower administration's foreign policies — particularly those involving such explosive matters as the Middle East crisis and seething unrest behind the Iron Curtain — and the perplexing problem of U. S. foreign aid.

Party Competition

Even before Mr. Sam raps the gavel to open the 1957 legislative season, party bigwigs launched a move which could — though don't bank on it — clip the wings of both Rayburn and his longtime protegee, Johnson.

This was the action taken by Democratic National Chairman Paul M. Butler in naming a 20-member advisory committee to chart the party's program during the next four years.

The group includes former President Truman, Adlai E. Stevenson, Mrs. Franklin D. Roosevelt and others who have generally been regarded as representing the more "progressive" or "liberal" wing of the party.

Butler's action was widely interpreted as a move to bypass the

TACITURN TEXAN—Sam Rayburn, who calls signals in House of Representatives.

Rayburn - Johnson leadership. Seasoned observers, however, believe that some of the "rebels" may have underestimated Rayburn's behind-the-scenes power on Capitol Hill — and that when the legislative signals are called in the House, Mr. Sam will do the calling.

Rayburn, it is noted, has a way of lowering his head like a Texas steer and getting what he wants. Longest Service

First elected to Congress in 1913, when Woodrow Wilson was in the

White House, Rayburn has served longer than any other present member of either the House or Senate.

The bald, quiet-spoken man from Bonham, Tex., became speaker in 1940 and has wielded the gavel ever since, with the exception of the 1947-48 and 1953-54 sessions when the Republicans held control.

In his \$45,000-a-year post as speaker — \$35,000 salary plus \$10,000 expenses — Rayburn is responsible for interpreting 11,000 rules and precedents. His rulings can speed, delay or even kill legislation.

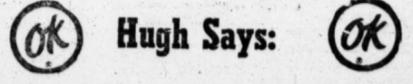

But it is in the quiet of Rayburn's "Bureau of Education" hide away below the House chamber or in whispered conversations in cloakrooms off the House floor that Mr. Sam deftly exerts his greatest power.

Despite his advancing years, Rayburn still finds an enormous zest in life.

"It's a great thing to live in a country like this," he says, "and we are only at the beginning. I want to see a lot of years to come."

And with a twinkle, he says firmly: "I feel like a two-year-old colt."

Scout Membership Goal Set at 434; Plan Honor Court

Boy Scouts, leaders and parents will gather Feb. 10 at the First Baptist Church for a District Court of Honor, according to Wayne Thomas, district advancement chairman. Plans for the recognition ceremony were discussed at a district council meeting held at the Jim Hill Hotel on Tuesday.

Membership reported by the council organization and extension chairman totaled 394 Scouts on Dec. 31, 1956. Chairman Bruce Miller stated that the council goal for 1957 was a membership of 434 Scouts.

Earnest Langley, leadership training chairman, urged attendance of the T-Man's Conference to be held Jan. 26-27 at the Canyon Elementary School. The program there begins at 5 p.m. on Jan. 26 and ends at 4:30 p.m. on Jan. 27. Teams attending will eat, sleep and study in the school building, Langley said.

The Deaf Smith Cub team will present "Cub Achievement Plan," the Scout team will present "Troop Operation" and the Explorer team will present "Explorer Leadership" at the 8:30 a.m. meeting to be staged on Sunday.

Institutional representatives making reports at the Tuesday meeting were Albert Maxwell, B. F. Cain, Steve Bavonsette, Coy Patterson, Dr. A. T. Mims and Pat Peterson.

Announcement of the annual council meeting, to be held at the First Baptist Church in Amarillo on Jan. 21, was made by W. J. Hatt, Scout executive. He stated that the business meeting will convene at 4:30 p.m. on Jan. 21 with the annual executive reports and the election of new officers on the business agenda. Bert Boomer of Hereford is a member of the nominating committee which will report at the meeting.

More than 400 Scout executives and their wives are expected to attend the dinner meeting to be held at 7 p.m. at the church that evening. A special program is being planned for the evening, Hatt said.

Others attending the meeting on Tuesday were Dudley Bayne, Don Zimmerman, Dr. Roy J. Grubbs and Dr. Milton C. Adams.

Jolson Pantomime Entertains FHA

Mary Katherine Huckert entertained with an Al Jolson pantomime at the regular meeting of the two Future Homemakers of America chapters in the high school auditorium during activity period on Monday.

Dollie Paetzold, president of the Royal Rose Chapter, conducted the joint meeting.

Plans for the annual sweetheart party, to be held on Feb. 15, were discussed during the business meeting. Committees to plan various phases of the party were appointed. It was announced that there will be a change in the pro-

Methodists Will Hold Training Sessions Here

A Church Workers Training School, sponsored by the First Methodist Church, will begin Sunday, Jan. 17, at 3 p.m. The opening assembly is to be held in the sanctuary of the church with Mrs. L. B. Russell acting as deaf.

Sessions of the school will continue Monday through Thursday evenings from 7:30 until 9:30. Six courses of study, designed to cover all phases of church school work, will be taught.

Three local churches — Wesley Methodist, First Christian and the First Methodist — are expected to be represented in the enrollment, as well as the Methodist churches of Vega, Friona and Bovina. All interested persons are invited to enroll. A nursery will be open for young children.

The following courses and the instructors have been announced: "Teaching Pre-School Children," Mrs. Waldo Wettengel, Executive Secretary of the Oklahoma Indian Mission Conference, Rush Springs, Okla.; "Teaching Primary and Junior Children," Mrs. Maude Gaston of Ropesville; "Guiding Intermediates," Mrs. H. H. Baucher of Pampa; "Teaching Youth," Barbara Sommerville, Northwest Texas Conference Youth Director, Lubbock; "Helping Adults Learn," Dr. Jordan Grooms of Big Spring, chairman of the executive committee of the Conference Board of Education; "Church School Administration," Charles Lutrick, Executive Secretary of the Conference Board of Education.

Registrar for the school will be Coline Brown, educational director of the First Methodist Church.

Play Cast Chosen at Dimmitt School

The speech department of Dimmitt High School will present the play, "Night of January 16th" on Feb. 21 and 22 with Gail Cooper and Don Howell appearing in the starring roles, according to James W. Bates, speech teacher and director of the production.

Twelve members of the audience will be invited to hear the evidence presented in the play and to render a verdict as to the guilt of the defendant.

Student directors for the play are Beverly Mills, Wilma Noble Williams and Shirley Stalcup. Admission will be 50 cents for students and \$1 for adults.

Procedure for the selection of the band sweetheart and beau. This year the sweetheart will be the outstanding FHA girl, and the FFA boys are being asked to select their outstanding boy, who will be the FHA sweetheart.

Members of the high school FFA chapter will be guests at the annual sweetheart party.

WALCOTT NEWS

RECORD ENROLLMENT REPORT COMES FROM WALCOTT SCHOOL

By MRS. T. L. COLLINS

Walcott School has opened its doors for 1957 with a record enrollment for the present building. Principal Thomas L. Collins states that the present class totals are as follows: first and second, 18; third and fourth, 22; fifth and sixth, 14; seventh and eighth, 15; for an enrollment of 69. The problem of books and desks now exists at the school.

The Grady Cates children — Norman, Geneva and Grady — are back in school here.

Move Back Here — James and Don Barnett came from Paris to be with their mother, Mrs. Leroy Cupell and family for Christmas. James and Don are now enrolled in the fourth-grade at Walcott School where they expect to finish the term. Welcome back, boys.

Mr. and Mrs. C. G. Turner and family moved here from Hereford during the holidays to the R. C. Godwin place. The family includes Leonard, 22; Gene, a sixth grader; Ruby, a fourth grader; and June, a third grader. We trust the Turners will like our community.

Enjoy Fellowship — Mr. and Mrs. J. M. Payne and children from Hereford and Mr. and Mrs. T. L. Collins and sons enjoyed New Year's Eve together. They had supper, visiting and candy making as guests of Mr. and Mrs. Joe Rader.

Mr. and Mrs. Bertram Jack were in Fort Stockton last week on business. Their children stayed with the grandparents.

Recreation Progresses — Cecil Guseman of Hereford was flown to Amarillo on Wednesday, Jan. 2, from a Houston hospital. Mr. Guseman underwent surgery there early in December. He is reported to be doing well at home but is to have no company at present.

Mr. and Mrs. Joe Vasek and daughter of Stamford visited in the Walter Neimast home this weekend.

Mrs. V. K. Hutson and children visited Mrs. O. C. Buckmaster near Hereford on Sunday.

Mr. and Mrs. Travis Alston visited in the T. L. Collins home on Friday night.

Students See Film — A good film, "Skifully Yours" was enjoyed on Wednesday by the children of Walcott.

Kay Minyen has suffered high temperature with a bursted eardrum for nearly a week now. We have missed having her at school.

It's time to take those semester tests again. Is it the teacher who works harder preparing and grading them or the pupils who take the tests?

Mr. and Mrs. T. L. Collins and Brad enjoyed Sunday dinner, visiting and watching TV in the home of Mr. and Mrs. Travis Alston at Westway.

Cards Distributed — "Join the March of Dimes" cards were given to each Walcott School child on Monday. We hope parents will cooperate and help

ture of the meeting. Mr. and Mrs. Carl Perrin will show slides of their trip to Europe made last summer. Everyone is asked to bring a pie to be served during the fellowship hour.

Walcott bus driver, Mrs. Eldred Brown, got back from a two weeks trip to points in California. Her husband and son, Tommy, spent the time visiting relatives and sightseeing.

Mary Ruth Weaver was honored with a birthday party at school. Her mother, Mrs. Jack Weaver, and sister Charlene, were hostesses on Monday afternoon. It marked her seventh birthday.

Fun on Birthday — Games such as "Pinning the Tail on the Donkey" were played. Cup cakes, each topped with a candle, and ice cream were served. Favors of little color books were given each child.

Walcott School Board held its regular meeting on Monday night, Jan. 7. County commissioners — J. T. Guinn, Otto Massie and Donald Hicks — were present. Leo V. Gallagher, a resident of the Walcott School District since the '30's,

also attended.

Purpose of the meeting was to make plans to open a much needed road in order to save many miles of school bus driving.

SUMMERFIELD NEWS

Chester Wiggins Family Returns from Arizona

By BETTE JEAN NOLAND

Mr. and Mrs. Morris Nance of Plainview spent Friday night in the home of Mr. and Mrs. L. B. Lookingbill.

Joe and Gene Streun and Jamie Clearman returned Monday to Canyon where they attend West Texas State College.

Mrs. Kenneth Christie and her mother, Mrs. W. J. Thomas of Plainview were in Amarillo Tuesday on business.

Here from Amarillo
Jim Noland of Amarillo visited Friday night in the home of his brother and family, Mr. and Mrs. J. B. Noland.

Mr. and Mrs. L. F. Carter and son were in Lubbock Sunday visiting his father, O. L. Carter.

Mrs. J. B. Noland and Jerre Bea and Mrs. Ky Lawrence were in Amarillo Tuesday on business.

Ann Lookingbill and Rev. Don Larkin returned Monday to Plainview where they attend Wayland Business Trip.

Mr. and Mrs. J. C. Clearman and family were in Amarillo Saturday on business.

Mrs. Jack Streun is a patient in the Deaf Smith County Hospital. Mr. and Mrs. J. W. Thomason were in Spur over the weekend visiting his parents, Mr. and Mrs. Earl Thomason.

W.M.U. met Tuesday afternoon in the Summerfield Baptist Church.

Undergoes Surgery
Mrs. J. A. Noland underwent surgery Saturday in the Deaf Smith County Hospital. She is reported to be doing satisfactorily.

Mr. and Mrs. Chester Wiggins and sons returned Sunday from Tucson, Ariz., where they had been visiting.

The R.A.'s met Monday night in the Summerfield Baptist Church.

Mr. and Mrs. D. L. Thomason and son, Bill, who have lived in Spur for the last year have moved back to this community in the little house on the Charlie Noland place.

HONOR RECRUIT — Clyde B. Stipe, seaman-apprentice, son of Mr. and Mrs. Paul Stipe of Hereford, graduated as honor man of his recruit company at the Naval Training Center, San Diego, Calif., on Dec. 15. Before entering the service, he graduated from Canyon High School and was employed by Winget Pump Co.

Homemaking Test Comparisons for Mothers, Girls

The homemaking department of Hereford High School has been selected as one of 12 departments in the nation to participate in a survey being made by Farm Journal Magazine for an article based on the recent Betty Crocker Homemaking of Tomorrow test. An article based on the tests will be scheduled for the April issue of the magazine, according to the letter received this week by Mrs. Joel Hodges, local homemaking teacher.

"Your school was recommended to us by Science Research Associates, maker of the test, as a progressive rural school that might like to cooperate on such a special project," wrote Twyla Pifer, associate editor of the magazine, in the letter to Mrs. Hodges.

The plan is to have the same test that was given to the girls given to their mothers. The article will be based on a comparison of scores made by mothers and their daughters.

Mothers of the girls taking the Future Homemakers test here have been contacted by Mrs. Hodges and Mrs. Durham, and a sufficient number have agreed to take the test to assure this school's participation. Mrs. Hodges wired the magazine an affirmative reply on Tuesday, and the test will be given to the mothers as soon as they are received, she said.

Lumber production in the United States is about 36 per cent of the world's total.

Molasses Glazes Barbecued 'Ribs'

With pork supplies now bountiful at meat counters, many styles of this meat can be economically prepared in the months ahead. Here barbecued spareribs, topped with spicy apple rings, make for a very special and popular menu. Unsulphured molasses in the barbecue sauce adds a fine glaze and color to the spareribs.
Unsulphured molasses, the concentrated juice of sugar cane, gives good spreading consistency to a barbecue sauce. Its aromatic and sweet flavor also offers interesting contrast to the nip of mustard, vinegar, Tabasco and Worcestershire included in the sauce. The sauce is ready to be used as soon as the ingredients are blended.

Barbecued Spareribs
3 pounds spareribs 3 tablespoons vinegar
4 tablespoons unsulphured molasses 2 tablespoons Worcestershire sauce
4 tablespoons prepared mustard 2 teaspoons Tabasco

Have spareribs cut in serving pieces. Place in shallow baking pan. Combine unsulphured molasses and mustard; stir in remaining ingredients. Brush spareribs with part of sauce. Bake in a moderate oven, (350° F.) 1 1/2 hours, brushing frequently with remaining sauce. Serve with *Glazed Apple Rings. YIELD: 6 servings.

***Glazed Apple Rings**
4 medium red apples 3 tablespoons unsulphured molasses
2 tablespoons butter or margarine

Core apples; cut in approximately 3/4 inch slices. Heat unsulphured molasses and butter in skillet; add apple slices. Turn to cover with butter-molasses mixture. Simmer gently 10 minutes, turning and basting occasionally.

Start Early In Selecting Your College

By DOROTHY V. WHIPPLE, M.D. AP Newsfeatures
Do you have a son or daughter in the senior year of high school this year? If college is on the horizon, now is none too soon to start planning. Even during the junior high school year much groundwork can be laid to help arrive at that most important decision - what college?

There are literally thousands of colleges in these United States. Somewhere there is at least one and maybe many more that are just exactly right for your Mary or your Bill. The first job is to find that college. The second of course is to have that college accept Mary or Bill.
College is a lot more than just a place where youth acquires academic education. The four college years are critical years in shaping adult life. It is here the youth will get started on the work he wants to spend his life doing, it is here he makes friends that last a lifetime. During college years he may well meet his future wife (or husband.)

Help your son or daughter select a college with all these objectives in view. Help him, but don't make the decision for him. He must think out his needs and desires and try to match them against the offerings of various institutions.
Many high schools have competent college counselors who can be of great assistance, but many high schools have no one with the time or the up-to-date knowledge needed for this job. But whether the high school helps or not the parents certainly want to have a part in this major decision in the life of their son or daughter.

A good place to start is with a copy of a standard college guide available at most book stores. The guide lists all the colleges in the country, and gives a few pertinent facts about each one, such as location, size, coeducation, costs, religious preference if any, special courses, size of library, etc.
With this guide to help you, you will not miss any college you might have forgotten about or might never have heard of. What does your son or daughter want, a big school, a school near home, a coeducational one? What courses

does he want? What can you afford to pay for his education?

Make a list of colleges that seem to offer what you want and send for their catalogues. Most colleges offer pretty well-rounded liberal arts courses. If you want some specialty your choice will automatically be narrowed. Cornell for example has an outstanding course in hotel management; Wisconsin's School of the Dance is known the country over; Oberlin has a special course for music majors; Antioch combines academic work and experience in the working world. From the catalogue you can learn about the special interests of each college.

After you have read the catalogue try to visit as many of the colleges that sound attractive as you possibly can. Write to the Dean of Admissions and make an appointment. Deans are always glad to talk to prospective students. You can get more of an idea of a place in a visit than from a printed page. Perhaps you can go as a family group to visit some college. Perhaps your son or daughter can go alone during one of the vacations.

Narrow your choice down to not more than half a dozen and to these your child can fill out application blanks.

INSTALLATION CEREMONY—Retiring president Dr. H. A. Cavness, back to camera, congratulated Hereford Kiwanis Club officers after their installation by Kiwanis District Lt. Gov. Gordon Gatewood of Tulia. Taking office were Walter Seed, left, treasurer; Calvin Edwards and Guy Lawrence, directors; Don Little, vice president; Guy Lawrence, director; Dale Litsch, secretary; Charlie Seeds, director; and Lloyd Sharp, president. Jack McCracken, behind Sharp, and Jess Robinson, are other new directors.

In their best bib and tucker, Hereford's Kiwanians last week turned out for their annual installation banquet at the Jim Hill Hotel.

While installation of officers for 1957 was the focal point of the evening meeting, there was a leavening of entertainment—group singing led by Rev. Alby J. Cockrell and a performance by a comedian—magician, Dick Williams of Amarillo.

Officers installed by Kiwanis District Lt. Gov. Gordon Gatewood of Tulia were Lloyd Sharp, president; Don Little, vice president; Dale Litsch, secretary; Walter Seed, treasurer; and directors Calvin Edwards, Jack McCracken, Charlie Seeds, Guy Lawrence, Roy Peet and Jess Robinson. Retiring officers were Dr. H. A. Cavness, president, Loyd Lovel as past president, and Edwards as secretary. Sharp moved up from the num-

ber two club office to its leadership. Retiring directors were C. E. Coleman Jr., Ralph Smith, Jim Wood and Lowell Sharp.

Master of ceremonies was Clint Formby. Rev. Cockrell delivered the invocation, later led the group in singing. Mrs. J. T. Sims played piano selections during the dinner.

Guy Lawrence's summary of the club activities during 1956 emphasized the activities of the civic group: He recounted Kiwanis' participation in four "get-out-the-vote" campaigns, staging free shows for children, sponsorship of the Explorer Scouts, distribution of prayer cards through restaurants, contributions to the hospital expansion project, and various children's charity projects.

About 70 club members and their guests, including a delegation from Tulia, were present for the evening's program.

RETIRING PRESIDENT "Hop" Cavness, Mrs. Cavness, Mr. and Mrs. Clint Formby—he was master of ceremonies during the Kiwanis banquet, and Lt. Gov. Gatewood were among the dignitaries seated at the speakers table.

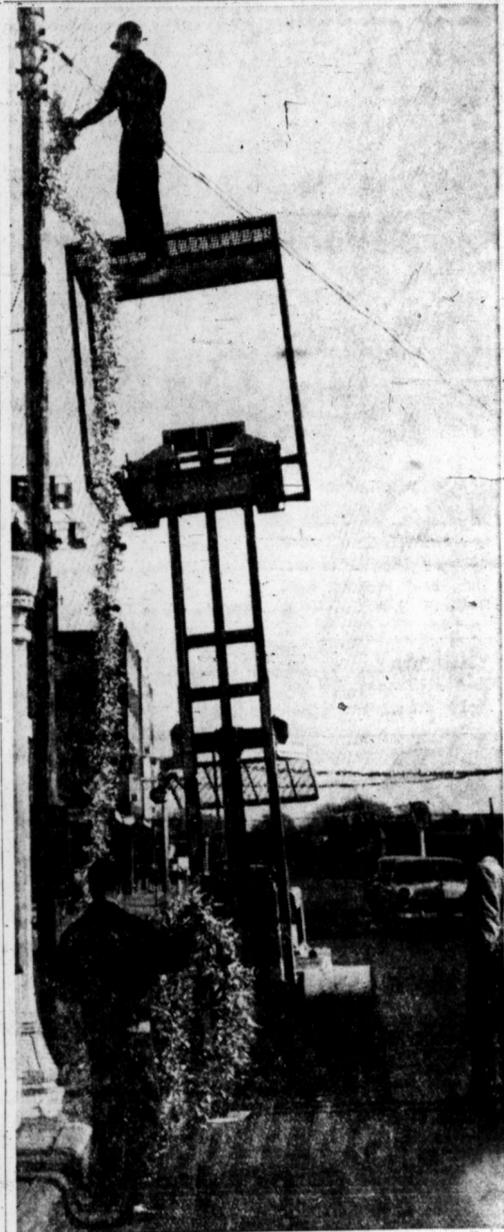

BUFFET DINNER—Kiwanis Club members and their guests took generous helpings as they filed solemnly through the serving line at the Jim Hill Hotel. The group soon took on a happier appearance.

CLUB SWEETHEART Sue Kirby and her escort Lynn Boomer were apparently in the best of spirits as the Kiwanis banquet ended and the program got underway.

ENTERTAINMENT—Dick Williams of Amarillo provided the Kiwanis meeting with entertainment—magic feats, jokes and a demonstration featuring his 110-pound wife. The biggest Kiwanian, Wayne Edwards, tried unsuccessfully to lift Mrs. Williams' feet from the floor in one of the strength defying feats she performed. (Staff Photos)

DECORATIONS COME DOWN—What goes up—including holiday decorations—must come down, and the Jaycees last weekend swarmed up, down and over the business district removing Hereford's Yuletide finery. Tinsel, wires, bulbs and lamp post decorations will all be stored until next December when the civic club will again take on the job of bedecking the city. Merchants, the city and the county contributed to new decorations this year. (Staff Photo)

WARDROBE PLANNING, SAFETY INTRODUCES NEW CLUB STUDY

Program topics which introduce the H. D. Club yearbook study for 1957 include a presentation of tips for planning wardrobes by Mrs. Argen Draper, agent. The other January subject is health and safety with the program based on what to do in case of a highway accident.

Wyeche
Mrs. Iga Ott was hostess to the Wyeche H. D. Club on Jan. 3. The program topic "Planning the Wardrobe" was discussed by Mrs. Argen Draper, agent.

Mrs. Draper said in her demonstration, "A family well-clothed within the clothing allowance is one of the greatest responsibilities of every homemaker. The ability to plan, buy, sew, and to care for clothing and give a good appearance determines how much value is bought with every dollar spent for clothing."

She also gave suggestions as to duties of each club officer for the coming year.

During the business session, Mrs. Harley Ward was elected council delegate. Mrs. Marvin Axe was welcomed as a new member.

Members present were Mrs. J. V. Pickens, Mrs. Harley Ward, Mrs. Wilburn Axe, Mrs. R. W. Elliston, Mrs. C. C. Ellis, Mrs. Richard Pickens, Mrs. C. R. Damron, Mrs. O. B. Sumner and the hostess.

The next meeting will be held on Jan. 17 at the home of Mrs. J. V. Pickens.

Ford
The Ford H. D. Club met in the home of Mrs. Dwayne Walker on Jan. 2. A program concerning health and safety was presented by Mrs. Earl Dyer and Mrs. LeRoy Williamson.

Attending the meeting were Mrs. R. E. Simmons, Mrs. Hardy Benson, Mrs. L. J. Straffuss, Mrs. Dyer, Mrs. Williamson, Mrs. T. D. Carnahan, Mrs. J. L. Fite, Mrs. S. T. Wiseman and the hostess.

The club will meet next in the home of Mrs. L. J. Straffuss on Jan. 18.

Dawn
Two new members, Mrs. LeRoy Johnson and Mrs. George Meadows, were welcomed when the Dawn H. D. Club met in the home of Mrs. Ray Stewart on Jan. 4.

Speaker for the afternoon was Mrs. Argen Draper who urged the club members to examine their wardrobes and to dispose of any clothing that had not been worn during the past year. She suggested that the women begin a three year plan toward improving each wardrobe, starting with accessories and basic street clothes.

Ten members attended this first meeting of the new year.

Household Tips

A food that's "scaloped" means that it is arranged in a casserole between layers of cream sauce; usually a topping of buttered bread crumbs or the crumbs and grated cheese goes over the top.

Fruit cakes, made far ahead of the holidays, may be brushed with apple cider from time to time.

Add a bouillon cube to water in which you're boiling rice—for tangy flavor.

Dessert treat for children: use red cinnamon candies or tiny chocolate pieces to make a face on a baked apple.

Dip your jelly bag in hot water and wring it out well before using it when you are making jelly.

Small chickens that are to be broiled should be split into halves lengthwise; the backbone, neck and keel bone should be removed.

Always loosen a meat loaf from

the sides of the pan before turning out.

An old-fashioned technique that is still good to use: Soak cauliflower or broccoli in salted water for 15 minutes or so before cooking to get rid of any small insects.

You'll need to mix about 1/4 cup of minced parsley with 1/2 cup of butter if you're planning to use the mixture as a spread for sandwiches. Fill the sandwiches with cold sliced chicken or ham.

Five medium-sized beets (about one pound) will make servings for four.

Use apple cider for the liquid in a raisin sauce to be served with ham.

Add a few drops of peppermint extract to sweetened whipped cream. Serve as a topping for chocolate pudding.

Don't scrape the bottom and the sides of a saucepan when you are turning candy out of it.

A blend of pineapple and grapefruit juices may now be had canned. Nice served with some mint sprigs!

A blend of blue cheese, cream cheese and sour cream makes a delectable salad dressing. Add a bit of salt, pepper, paprika and grated onion to taste.

Your pie crust shrinking? You may have added too much water to the dough or you may have over-stretched it when fitting it into the pan.

UNUSUAL GREETINGS FROM OLD FRIENDS ARE NEW YEAR TREAT

Aren't the days short? Yesterday morning when I left home I turned on the lights and before I got back I had to turn on the lights. I guess that's why nearly everyone I know says she can't get all her work done.

Christmas brought news from a number of old friends. The Pat Sullivan says that Susan is 6 1/2 months old now, has two teeth and sits alone.

Doris Mahaffey Starkey sent pictures of Brett and Jill. I was glad to see that Brett's pretty curly hair had not been shaved off. But fortunately for both of them Jill's hair is very curly too.

Draper 4-H Club Plans to Enter Festival of Fun

Audni Miller was hostess to the Argen Draper 4-H Club on Jan. 3. The program, under the direction of Mrs. Dorothea Frowell, concerned tips on planning a successful party.

During the business meeting, plans were made for an entry into the Share the Fun Festival Contest.

Members present were Audni Miller, Betty Hagar, Linda Tooley, Waltine Beavers and Dorothea Stewart.

bie Wilson and Francis Poindexter send New Year's greetings to club members. They are complimentary about club work in Deaf Smith County as well as wonderful neighbors and the kind memories they have of living here.

This is one of the first times I haven't heard from Bessie Jury. It may be that I have treated her so badly about not writing. I will correct that the next few days.

To Mrs. Roy Fruit: How are the Rikles?

Our best wishes to the Jay Hastings who have moved to Lubbock. Jay has gotten a good job in the Tax Assessor's Office. I hope they like Lubbock real well and I am sure they will. Emma May will probably be drafted soon to teach as she is a graduate of Texas Tech. We will miss them.

Unusual Greeting Card

The Elmer Pattersons have done it again. The New Year's greeting was very unusual and very interesting. It was pictures of activities of the Pattersons for 1956. The account of family happenings and good news about Gerry and Nancy. The first Christmas greeting of this type that we received the girls were very small.

The clubs have started meeting and everyone is very enthusiastic about the year's work. There are going to be a lot of general meetings the first few months of this year.

DRIVE SAFELY—You don't buy safety, you build it.

How Can I?

Q. What use can be made of a worn tablecloth?

A. Make napkins from the good pieces of the cloth. Cut in squares and hem or hem-stitch. They can be used by the family and will save wear on the newer napkins.

Q. How can I remove grease spots from wall paper?

A. Cover the stain with fuller's earth and let it remain for several days. Brush off, and if necessary repeat the application.

Q. How can I brighten gold chains?

A. Dip them in a solution of one

part of ammonia to three parts of water.

Q. What can be done if the toes of shoes bind?

A. Wring a cloth out of hot water and lay it folded across the toes while the shoes are on the feet. The leather will expand and conform to the shape of the foot.

Q. How can I remove paint or rust spots from linoleum?

A. Rub lightly on the linoleum with fine emery paper. Do not use enough force to injure the fabric or the design.

Q. How can I prevent cakes from drying?

A. Keep an apple in the cake box. Change whenever the apple becomes withered or shows signs

of decay.

Q. How can I make a good luncheon dish out of leftover fish?

A. Place the leftover fish in the casserole with a mound of strained, cooked spinach. Cover with white sauce and cheese, and put in the oven to bake.

Q. How can I relieve tired feet?

A. Boric acid will not only relieve tired, sweaty feet, but will also remove the unpleasant odor.

Q. How can I prevent the cracking of an egg when boiling?

A. An egg will seldom crack during boiling if an end is first pricked with a pin.

Q. How can I clean marble?

A. Mix two parts soda, one part pumice, and one part salt. Then powder and mix to a paste with water, and scour.

DRIVE SAFELY—Caution plus courtesy, plus common sense, equals safety.

KIWANIS' LEADERS—During the annual installation banquet of the Hereford Kiwanis Club, held Thursday night at the Jim Hill Hotel, Dr. H. A. Cavness, left, retired as president, in ceremonies conducted by district Lt. Gov. Gordon Gatewood of Tulia, who installed Lloyd Sharp as the new club leader. (Staff Photo)

Beauty At Home

Q. What is the usually recommended manner of brushing the hair?

A. Part the hair into strips about an inch wide and six inches long. Hold that strip in the air with the left hand, and with the right hand place the brush bristles close to the roots and let them sweep up through the strand to the ends. Repeat five or six times, then take another strip. This encourages gloss in your tresses.

Q. How can I impart more luster to my eyebrows and eyelashes?

A. Smooth a bit of brilliantine on them with a swab of cotton on a toothpick.

Q. Is there anything that I myself can do about the removal of a mole on my face?

A. DON'T tamper with this! Some moles are harmless, but some are NOT. Better check with your physician concerning treatment of this, or removal.

Q. What is your idea on the importance of lipstick in a woman's makeup?

A. It is of vital importance! So much has been written on the subject, but one thing stands out, namely, that lipstick and cheek rouge must harmonize. Naturally, also, the manner of applying color to the lips is of utmost importance. Is there anything more hideous than lipstick smeared on, haphazard, with no regard for natural contours or smoothness of surface? With the current vogue for naturalness, brilliantly reddened lips are no longer chic, especially in the daytime.

Q. What is a good exercise for eliminating a double chin?

A. Drop head forward on chest. Now, leading with your chin, turn head slowly to one shoulder, rolling head up and around until chin touches the other shoulder, then back to front again. The idea is to make a complete circle slowly with your chin leading at all times. Circle to left four times — then to right four times.

Q. How do I go about giving myself an egg facial?

A. Apply the whipped yolk of egg over face and throat, and let this dry. Then apply the whipped egg white over the yolk and let remain for about a half-hour. Then remove with warm water, and follow with an application of light cold cream.

Q. How should the little squint-lines and other fine crevices around the eyes be powdered?

A. Spread these crevices gently apart with the fingers and pat the powder well into them. These fine lines, if left unevenly covered will be intensified.

Q. What shade of foundation or makeup base should be used on an olive complexion?

A. A peach-toned or beige-pink base adds a flattering effect to a light olive complexion. A copper-toned base gives warmth to a dark or swarthy olive complexion. A pale base does not contain enough tint to keep a dark skin from

Household Scrapbook

Match Stains on Walls
Marks on painted walls that have been caused by carelessly striking matches on them will disappear if rubbed first with the cut surface of a lemon, then with a clean cloth dipped in whiting. Afterwards, wash the surface with warm water and soap, and then quickly wipe with a clean cloth wrung out of cold water.

Baking
Do not move a cake in the oven until it has risen to its full height. Cakes require a "moderate" oven. The larger the cake, the slower the oven should be.

Hard Glue
If your glue dries up, add hot vinegar, drop by drop, until it becomes liquid again. The vinegar should be at boiling point.

Removing Wall Paper
To remove old wall paper, stir a quart of flour paste into a pail of hot water, then apply this mixture to the walls. Being thick, it will not dry quickly, but will saturate the paper, which may then be easily scraped or peeled off.

Coffee
The flavor of coffee will be more delicious if it is allowed to stand for a few minutes after removing from the fire. Pouring a little cold water into the spout will also have a settling effect.

Chill Candles
If you place candles in the refrigerator for a few days before using, they will last longer and the wax is less likely to drip.

Catering for Fish
Allow 1/2 pound of fish for each person when the fish is to be the main course. When it is just for a simple course, one-quarter pound will be ample. The same applies to fillet—one fillet for a course per person and two fillets if the fish is the mainstay of the meal.

showing through.
Q. What can I do about dandruff on my scalp?

A. When dandruff appears, you must increase the frequency of your shampoos. Apply the shampoo with a brush. Between shampoos, treatments with tonic or antiseptic lotion are good. Increased and thorough brushings are in order, letting the bristles of the brush get right down to the scalp.

Q. What do you suggest as a good mild, safe laxative and general toner-upper for the body?

A. Lemon juice (no sugar, if you please), taken every morning in hot water is fine.

CATCHING UP WITH CAT

MOUNTAIN VIEW, Okla.
The Norman Roark household was upset for several days when the family's pet cat was missing.

They began to hear cat cries but couldn't trace it down.
Finally, an all out search was conducted and the cat was found in a small attic above the front porch. Carpenters had left a small opening and the cat crawled right through. The carpenters nailed up the hole before the cat got out.

Bellingrath Gardens Visit Planned by Hereford Club

Members of the Garden Beautiful Club have begun plans for a trip to the Bellingrath Gardens at Mobile, Ala., after seeing a film program featuring the gardens, at a New Year's party held Friday afternoon in the Jim Hill Hotel Ballroom. Mrs. Joe Reinauer and Mrs. Ansel McDowell were hostesses.

Mrs. Tom Carter, leader of the program, assisted by Mrs. D. C. Kinsey explained the program

Tree Selection Is Study Topic for Bud-Blossom Club

"Trees For This Area" was the subject for discussion at the Bud To Blossom Club session held in the home of Mrs. Lloyd Sharp Friday afternoon. Roll call was answered by members giving their New Year resolutions.

Mrs. Sam Long presented the program, naming trees that grow best in this locality and telling how to select trees for growth and size. She stressed the need for allowing space for the trees to grow when planting and also the need for taking into account the overall landscape design.

The arrangements for the day was made by Mrs. Preston Hagans and was done in gold and brown dried materials.

Mrs. Pat Robinson, president, conducted the business session when a nominating committee for new officers was named. Included were Mrs. Jim Wood, chairman, Mrs. Glenn Williams, Mrs. Ira Searl and Mrs. Sam Long.

Members voted to contribute to the Annual March of Dimes as a group, and Mrs. Preston Hagans was named reporter to fill a vacancy.

Those attending were Mesdames Ray Godwin, C. R. Higgins, Sam Long, Don Martin, J. F. Martin, W. H. Patton, Pat Robinson, Glenn Williams, Jim Wood, Ernest Kendall and the hostess.

and introduced W. H. Patton who showed the film. The group voted to contact the members of other garden clubs of the city and to look into the possibility of clubs in other nearby towns being interested in making the trip.

The New Year theme was carried out at refreshment tables forming a half-circle, laid in white linen. Centering the table, "1957" in tall silver numerals was placed in front of a silver and pink New Year tree, glittering with silver tinsel and interspersed at intervals were tall white glitter candles. Corsages for each member fashioned of pink carnations and silver lace outlined the table's edge. Adding to the January scene were frosted stars and clusters of gaily colored balloons.

White angel cake and pink ice cream were served during the social hour. A birthday remembrance for Mrs. Ansel McDowell, president of the club, was also featured.

Householders Plan to Observe Anniversary

Mr. and Mrs. P. M. Houser, Harrison Highway, will be honored at an open house held at their home on Sunday, in observance of their golden wedding anniversary. Children of the couple will serve as hosts.

Friends and relatives are invited to call from 2 until 5 p.m.

The Housers have lived in Deaf Smith County since 1925. They were married in Dallas on Jan. 13, 1907, and moved then to a farm near Royse City. They farmed here in the Westway community until 1943 when they purchased their present home.

Their children are Marcus of Amarillo, Mrs. Alvin Carroll of Borger and Orville and Vondyl of Friona.

JANUARY VACATIONS no longer are the exclusive province of the upper income brackets. Nowadays working girls are as numerous as the idle rich at fashionable winter resorts, north or south.

They may choose a week of winter sports in a northern ski lodge or a session of sun-tanning on a warm southern beach. Whichever their choice, there are new clothes to fit the locale.

The Austrian Tyrol inspires a number of the season's smartest winter sports outfits, such as a

new jacket of sturdy white loden cloth lined in black poplin and reversible. After the ski vacation it can do duty back home with the station wagon set.

The newest bathing suits this year have a covered-up look, with higher necklines and wider shoulder straps—some even have pop sleeves. They're likely to be one-piece and streamlined, with plenty of inner construction to keep the figure under control. Knits also are news in the bathing suit lineup, and come in cotton, wool, orlon or nylon, in clear porcelain colors, checks or stripes.

SMILE, PLEASE INDIANAPOLIS — Sign on a passing truck: "If you can't stop, please smile as you go under."

A PRODIGY—Ruth Slenczynska at 6 in Berlin astounding her elders.

AN ARTIST—Now in her 30s, she is enjoying a second, more satisfying career.

Price of Precocity Is High; Slenczynska Is Glad She Paid

By W. G. ROGERS
Associated Press Arts Editor
NEW YORK — What's the story behind the musical prodigy?
A little boy or girl 6 or 8 or 10 years old comes tripping out on the platform, sits at the piano, plays pieces that most grown-ups wouldn't dream of tackling.
His fingers have a dexterity that you know is not possible, yet there it is. His memory retains pages and pages of music that other people could not memorize in a lifetime. Yet there it is again.
Is he happy? Does he know what he's doing — or does she?
Some of the secrets are out, thanks to a black-haired, big-eyed, petite pianist just entering her 30s, an attractive, happily successful careerist named Ruth Slenczynska.

Grown-Up Wonder
She is in fact having her second career; she was the child wonder, she is called today the grown-up wonder.

"I look to the future," she says. "I am in a way grateful for my past, though it is not a pretty past."

Lots of prodigies vanish; the older they get the less you hear them, and hear of them. She is the exception. She makes 100 concert appearances a year, and is as popular in Europe as in America.

Yet for 12 years, between the prodigy period and the present maturity, she dropped out of public sight and sound.

The musical great have begun as prodigies, Miss Slenczynska reminds us. They needed all the time they could get in order to excel, and so they began early.
"Among the first words I knew," she says, "were 'major' and 'minor' for two standard scales."
Her father taught her the violin, and from the very start, from a

matter of months old, she heard music all day long and memorized it.

"I enjoyed music, I loved it, it meant beautiful sounds to me, and when I didn't know what it meant, I made up stories.
She says: "I think all children pay a price of they are prodigies. People must pay for what they get, young or old. I paid a price but I have already forgotten it."

The price, she says, was complete submission to a father fanatically determined to make a musician of her at no matter what cost. He started her on the piano, but intended to switch her to the violin. That was "my one and only tantrum: He gave me a small violin, and I smashed it."

Price of Precocity
"He beat me," she says. "I never learned but one piece without a beating. I was terrified, but more than I was terrified I wanted to play the piano. I did not understand the music, my ideas of it were imposed on me, but there was nothing I couldn't do technically."
She came to public attention at 4, when she played Bach, Chopin and Beethoven in an hour-long recital in Oakland, Calif. At 6 she made her German debut, and at 7 her Town Hall debut.

In her mid-teens she quit, went to college not on the money she had earned but by working her way, learned there was more to music than technique, discovered that she all by herself, without relying on her teachers — among them Cortot — could find the answers to musical problems.

It was a 12-year retirement, and she came out of it thanks to a performance she gave, by chance, in the Carmel (Calif.) Bach Festival in 1951, when she was heard by the press and her name remember-

At The Movies

Columbia Pictures' "7th Cavalry," action packed story of the battle of Little Big Horn, opens on Friday at the Star Theatre. Randolph Scott stars as an officer who participates in the grim aftermath of one of the most stunning defeats sustained by the regular U.S. Army in its Indian Wars.

The Little Big Horn massacre leads to a desperate assignment for the harassed Cavalry officer. Scott is ordered to take a burial detail to the battle ground; his men consist of the outpost's malingerers, drunks and undisciplined.

Aware of the certain death awaiting them at the Little Big Horn, as it awaited Custer, the troops prepare to mutiny against Scott; almost simultaneously, Sioux and Cheyenne warriors join to defend the battleground; they now hold sacred.

The supporting roles are played by Barbara Hale, Jay C. Flippen, Frank Faylen and Jeanette Nolan.

A STONE'S THROW
HIKA, Wis. — Jacob Vollrath of Sheboygan checked on the house he is having built near Hika and then complained to the Manitowish County sheriff of a really grand larceny.

Someone had stolen 15 tons of stone from the building site.

OLD HAND
SOUTH CHARLESTON, W. Va. — Detectives John W. Fenimore Jr., and Robert W. Parkins chased the stolen car for several miles, on a wild, 60-mile-an-hour ride through city streets.

When it finally screeched to a halt at a dead-end road, out stepped a 14-year-old who admitted three other auto thefts and one motorcycle theft. He said he had been driving "since I was 6 years old."

THE MIGHTY CHRYSLER

Most glamorous car in a generation

It's triggered by a new TorqueFlite transmission

Want to pass a car or a truck on the highway? You don't have to kick the throttle to the floor. Just touch lightly... and ZOOM!

Want to get out in front when the light goes green? Relax!

Count five, then toe the throttle. You'll still be out there alone.

Mighty in power... but mighty easy to control, too! That's the performance story of the new 1957 Chrysler. A superb new airplane-type V-8 engine that develops up to 325 horsepower teams with a new TorqueFlite transmission, pushbutton operated. This powerful combination gives you a magnificent new hi-velocity getaway

from standing starts, great reserve power for passing when you need it and velvety smoothness.
Yes, this 1957 Chrysler is every bit the streak of a car it looks to be. Come in and test it for yourself... compare it with any of the other new cars for power, performance, comfort and looks. More people than ever before are switching to

Chrysler, and that puts us in excellent trading position to give you the best of deals on your old car.

Illustrated is the Chrysler New Yorker Deer Hardtop. The dual headlights, now permissible in all states, are optional equipment.

KEEP "Tuned-in"

— Have you heard from God today? Or is there too much static? Maybe you are just not 'tuned-in.' At this moment there are voices and music surging all about you. Do you hear them? Maybe not, but you could if you had your radio delicately in tune. Prayer is the sensitive instrument man must use to get in tune with God. But it is hard to stay tuned in. Elijah failed here ... and so do we. That is why we need the church. It helps us keep our finger on the dial of faith and obedience to God's will. Go to church Sunday. Carry your walkie-talkie with you every day. Keep it tuned to heaven. Make frequent reports of your victories and failures, and receive your marching orders direct from God!

"Speak, Lord, for Thy Servant heareth."

These Hereford firms believe that strong churches are an asset to any community. They make this feature possible with the hope that both we and our churches may be strengthened.

Hereford's two banks this week named acting officers for 1912. The First State Bank and Trust Co., acting officers are S. B. Edwards, president; H. B. Webb, first vice president; T. M. Palmer, second vice president; A. P. Murchison, cashier; Walter B. Palmer, assistant cashier. Acting officers for First National Bank are W. S. Higgins, president; J. L. Fuqua, vice president; J. J. Gallagher, cashier; E. B. Posey, assistant cashier. Mrs. Emma Ogle was appointed official stenographer for the bank.

25 Years Ago
Ralph Barnett's new drug store received so many suggestions for a name, in response to his advertisement last week, the committee was at a loss which name to choose, but yesterday afternoon decided that The Quality Drug Store was the most fitting and appropriate name to use. Four ladies, Mrs. E. E. Standifer, Mrs. V. M. Cloyd, Mary Lou Hamilton and Mrs. C. B. Eubanks each submitted that name, and Mr. Barnett says it will be up to them to divide according to their own notions the \$10 he offered as a prize for the accepted name.

It's a dear bargain to buy insurance from the "sell 'em and forget 'em" agent who doesn't bother keeping a professional eye on your constantly changing insurance requirements.

We have a hunch you'd rather BUY FROM AN AGENT

who takes a personal interest in you and your family, who takes the time to review your needs periodically so that you never have too little—or too much—insurance.

That's how this Agency conducts its business.

MRS. JESSIE JORDAN JOINS FAMILY IN BIRTHDAY PARTY

By JUDY GRETCHEN PINNELL
The Surratt family celebrated the 85th birthday of their mother, Mrs. Annie Surratt in her home in Sudan this past weekend. There were 48 direct descendants gathered there. Eight of the 10 children were there over the weekend.

Mrs. Jessie Jordan of Adrian, J. W. Wright, of Loma, Monday, C. Surratt of Sudan, J. J. Surratt of Sudan, Mrs. Felia Ramsey of San Angelo, Mrs. Lee Rankin of Corpus Christi, Rev. Joe Surratt of Vernon and Mrs. Joe Christman of Roswell, N. M. Family members were taken for remembrance of the occasion. Sunday afternoon the house was "open" for friends to express their best wishes to Mrs. Surratt. Sixty were in attendance.

Traditional Observance
Mr. and Mrs. Johnnie Williams met Mr. and Mrs. M. M. Bell at Abernathy in Amarillo Dec. 31 to celebrate both of their wedding anniversaries. The Williams celebrated their 25th anniversary and the Bells celebrated their 22nd anniversary. Both of them were married on the 30th of December and they have been celebrating together for the last 10 years.

Mr. and Mrs. E. R. Barnett from Claude visited in their daughter's home this week. Mr. and Mrs. Ernest Frank and family, and Mr. and Mrs. Oscar Bronniman and family. They enjoyed "coon-hunting."

Arthur Jewett visited with his sister and brother-in-law, Mr. and Mrs. Johnnie Ferguson in Pampa Sunday.

Doing Well
Mrs. Jack Fincher is home from Northwest Texas Hospital and doing better.

New Year's Dinner guests of the Cullenders were Mr. and Mrs. E. A. Michael and family of Canyon and Mr. and Mrs. K. D. Young, Ronald, Paul and Kemp of Dalhart.

John Proctor is still a patient in Northwest Texas Hospital. Rev. and Mrs. Ralph Odum and

children of Channing and Mr. and Mrs. Vern Jacobson and children were dinner guests of the Loren Creitz Monday.

Delivers Message
Director of the Bible Chair at West Texas State, Bro. Casey Kay, delivered the message at the Church of Christ Sunday.

Bob and Letha Rhodes of Dalhart visited with their aunt and uncle, Mr. and Mrs. D. W. Morgan and family Friday night. They all attended the tournament at Stratford Saturday.

Mr. and Mrs. Lemon Place of Emmetsburg, Iowa, visited with Mr. and Mrs. D. W. Morgan and family from Tuesday until Saturday en route to Tucson, Ariz. They were old school friends.

Grandmother
Susan Ballard of Hereford visited with her grandmother, Mrs. Bessie Spande over the weekend.

Mr. and Mrs. John Halliburton of V.ega were visitors in the Klein home Sunday.

Mrs. R. A. Gilkerson of Amarillo, sister of Mrs. B. L. Kinsey and her daughter Mrs. Edward Cleek from Washington, D. C. visited in the Kinsey home this week.

Mr. and Mrs. John Smith and Sue from Tucuman visited with Mr. and Mrs. Cal Jackson Wednesday evening.

All-Day Visit
Mr. and Mrs. Elmo Pinnell and Barbara spent a day recently in the home of Mr. and Mrs. Ira Johnson in Glen Rio visiting with an aunt, Mrs. Rosa Martin.

Mr. and Mrs. B. L. Kinsey spent last Wednesday visiting with Mr. and Mrs. Wallace Hill in their home north of Hereford.

Mr. and Mrs. Red Hayes and family of Amarillo visited in Adrian Sunday. Mrs. Red Hayes is the former Virginia Chapman of Simms Community.

Teams Still Winners
The girls' and boys' basketball teams attended the basketball tournament at Stratford this weekend. The boys placed second place in

the tournament after being defeated by the Stratford team by a mere one point. The boys beat Texline and Sunray Thursday and Friday before entering the finals Saturday night. The game was close to the very last second and the team lost by a score of 45 to 46.

There is a very shiny trophy displayed in the trophy case now. Lloyd Homfeld and Edd Pinnell placed on the all-tournament team. Very good boys. We are proud of you!
Mrs. R. E. Fite, sister of Berger, and Mrs. Ab McCullar, niece of Mrs. John Horton and Mrs. Bob Grubkey, were here Friday visiting with their sisters and aunt. Mr. and Mrs. John Horton and family visited with Mr. and Mrs. Troy Lemley and Amy Sue Saturday and Sunday in Lockney. Mrs. Lemley is a niece of Mrs. Horton.

Styling from dream-cars

BOLD, IMAGINATIVE LINES—Here is the first dream car you can own—the first car you can buy with Dream-Car Design. Here's distinctive, distinguished styling shared by no other car.

size from expensive cars

FAR BIGGER IN EVERY IMPORTANT DIMENSION—This year Mercury has grown bigger in every important dimension. For example, there is more headroom, leg room, shoulder room, hip room.

action from sports cars

WIDEST RANGE AND CHOICE OF POWER IN MERCURY HISTORY—A 290-hp TURNPIKE CRUISER V-8 engine is optional on all models. In the Montclair series the standard engine is a 255-hp Safety-Surge V-8 with a Power-Booster Fan that saves horsepower other cars waste. A 255-hp Safety-Surge V-8 is standard in the Monterey series. A special M-335 engine (335-hp) is available at extra cost in Monterey models equipped with standard transmissions.

price just above small cars

Never before has so much bigness and luxury cost so little. And Mercury introduces features you can't buy at any price in other cars. Mercury's new Dream-Car Design is Mercury's alone. It's sleek, daring, clean-cut—makes other cars look plump and old-fashioned. Mercury's exclusive Floating Ride is the finest combination of bump-smothering features ever put between you and the road.

Check the low price tags in our showroom. You'll find you can get a new Big M for little more down—or per month—than for the lowest price cars. And what a lot more you get!

Spiritual Awakening Evident

By GEORGE CORNELL

NEW YORK — Churches are moving back to the forefront of American community life. The resurgence became clearly evident during 1956, and it was a trend that seemed destined to gain further momentum.

With residential centers of cities shifting to the suburbs, the church and synagogue emerged more and more as centers both of social life and worship. Bigger proportions of

the people were becoming members.

Strong movements also developed, both within the church and in residential neighborhoods, to get some kind of religious instruction appended to the public schools.

As outer vigor gained, the churches grappled with an inner problem. Denomination after denomination eyed its own conduct regarding racial equality, and found it wanting.

They issued manifestos declaring

their institutional determination to fight discrimination and segregation, but the set face of reality lingered on in the pew and programs. A few pastors cried out protests, and congregations got rid of them.

An embattled Roman Catholic archbishop in New Orleans found his own flock rising against his edict for desegregation of parochial schools. So, action was delayed. But there were some changes, some reforms. It was part of a national upheaval, and the churches were in it, and it would go on.

Despite these struggles, religious vitality stayed at an apparent peak with membership passing the 100-million mark for the first time. Donations reached an all-time high of more than 1½ billion dollars. An unprecedented church building boom surged ahead, bidding to continue through 1957.

Protestantism still worked to consolidate its divided ranks, at least in matters of mutual concern through such bodies as the World and National Councils of Churches. Some U. S. denominations moved toward mergers — two northern Presbyterian bodies, a half dozen Lutheran branches, and two traditionally different groups — the Evangelical and Reformed and Congregational Christian churches.

The latter merger is set for consummation next June in Cleveland. Another major gathering next year will be in Minneapolis in August, when delegates representing 50 million Lutherans in 29 countries gather for an assembly of the Lutheran World Federation.

Another spectacular religious venture on the 1957 agenda is evangelist Billy Graham's assault on the giant of them all — New York City. That comes next May, and lasts eight weeks.

The population of Franke is 43 million.

ENJOYS HUNTING—Home for the holidays from Wentworth academy, Lexington, Missouri, Sam Lesly devoted most of his mornings to pursuit of ducks and geese on the area's lakes and ponds. One morning he brought in these trophies of the hunt, one nine-pound goose and a smaller five-pounder, after an excursion to Buffalo Lake with his father, Luther Lesly. (Staff Photo)

OFFICIAL VERDICT
PONCA CITY, Okla. — At the set contest held here, a young lad resented the judges with a jar led with water.
"Why, son, you've lost your entry," the judge told the boy.
"Oh, no sir. You see they were just born yesterday," he replied. The judge squinted, and sure enough, there were two guppies in the jar.

KANGAROO CAUGHT
SAN DIEGO, Calif. — A citizen who called police at midnight to report he saw a kangaroo galloping along a street was sober and telling the truth, officers learned at three hours later.
At 3 a. m. Patrolman John J. Brown lassoed the animal, a wallaby, a small-size cousin of the kangaroo, after chasing him at 30 miles an hour in a patrol car. The wallaby was returned to the zoo.

NOW DRINK THIS
NORFOLK, Va. — Overheard on the Norfolk police radio: "Pick up an intoxicated man on Bourbon Ave."

OLDSTERS GET BREAK, TOO
SAN DIEGO, Calif. (P) — San Diego's senior citizens are going to get a break at the box office, thanks to Squire A. Russell, a 76-year-old retired plumber.
Squire, who lives alone, has wondered for years why a pensioned person over 65 couldn't get the same cut-rate admission as juveniles at movies and other entertainment spots.

He explained this to the manager of a chain of 10 motion picture theaters in the San Diego area, and to officials of the San Diego Zoo. They agreed.

So with proper identification, persons over 75 on a pension will pay reduced admission prices at the 10 theaters, and nothing at the zoo.

ALL EXPENSES COUNTED
WICHITA, Kan. — Attorney John Stice, elected judge of the Court of Common Pleas, listed these campaign expenses:
Gauze (1 roll), 18 cents.
Mercurochrome, 39 cents.

Shoes (1 pair), \$17.50
Piceallilli (2 jars), 98 cents.
Total, \$19.05

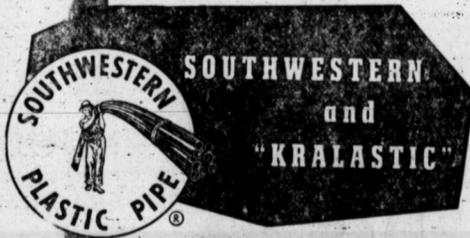

He wore out a pair of shoes campaigning, he said; bought the mercurochrome and gauze for his left hand when his wife hit it with a sledge, putting up campaign signs; and he furnished the piceallilli for sandwiches at a Democratic rally.

GREENBUSH, Wis. — A 100-year old ledger pertaining to the State Road School, which now stands abandoned, was located recently.

The first entry, dated Oct. 5, 1856, showed that the teacher had signed a contract to teach for \$10 a month.

GOURMETS WILL BE GOURMETS
MISSOULA, Mont. — Ten Missoula men, with a yen for exotic foods, have formed a Gourmet Club. Each month one has the job of serving the others. The first menu included snails bordelaise and salted grasshoppers.

Mr. Farmer:
Here are two names to remember when you order gas pipe.

Southwestern has made and sold more Kralastic plastic pipe than any other manufacturer supplying the irrigation area of West Texas, New Mexico and Oklahoma during the last three years. Southwestern Kralastic gas pipe is manufactured of virgin material purchased from Naugatuck Chemical Division of U. S. Rubber Company. Our record of successful installations is unsurpassed.

SOUTHWESTERN "KRALASTIC" PLASTIC GAS PIPE IS QUALITY PIPE

Over the years Southwestern served farmer groups and individuals by working directly with them and through qualified contractors. Southwestern field men are experienced in group organization and line layout. This type service plus trouble-free Kralastic pipe is the keystone of our growth in the area. Southwestern maintains sales offices in Lubbock, Muleshoe and Sunray to serve the area. If you need pipe, see your nearest Southwestern QUALIFIED contractor, or call us direct.
