

Proposal To Locate Garment Factory Here Turned Down

By unanimous vote the members of the Deaf Smith County Chamber of Commerce Industrial Committee declined a proposal from Spartans Industries, Inc., to operate a large garment manufacturing plant in Hereford.

conditions upon which the industry would locate in Hereford. Among those conditions and terms are: —The "landlord" (Hereford) would have to provide a 40,000 square foot building, air conditioned, and the necessary land. —Spartans Industries would sign a lease for only five years with an option to renew for three successive five year periods (thus a total of 20 years at the option of the industry). —ANNUAL rent to be paid by the industry would be three percent of the cost of the construction of the building with no

provision for including cost of real estate, and with a provision for reduction of annual rentals, based upon a stated increase in Spartans annual payroll. —The site would have to provide for an operative railroad siding and adequate surfaced parking space. —Spartans Industries, Inc., also require an option to purchase the building and land any time after the expiration of the initial five-year period, such option to be exercisable during any period in which any of its three five-year renewal options are in existence.

—PURCHASE price of said building would be the sum of the remaining unpaid rentals due under the remainder of the terms of the lease and all permissible renewal options, which total sum would be reduced on a five percent per annum use-of-money basis. —Spartans Industries, Inc., would require that the following sums of money be made available, as follows: a. Spartans would receive a loan in the amount of \$30,000 for the purpose of purchasing machinery and equipment. Such

loan would be evidenced by a non-interest bearing note, to be repaid in equal installments of \$4,000 each over a five-year period. b. As a further consideration incident to the execution of the lease, Spartans would be paid the sum of \$30,000 cash for use in training employees in the operation of the business. This sum would not be repaid; however, it would be stipulated that said sum is to be utilized as indicated.

THE COMPLETE written proposal is on file and can be inspected at the Chamber office. "Due consideration was given by the committee to the effect of an acceptance of such a proposal on those industries already located here and those yet to come," a chamber spokesman said. Spartans Industries, Inc. is a garment manufacturer and also the owner of a chain of discount stores on the East Coast. THE PLANT proposed here would have employed some 500 persons, spokesmen said. But members of the committee agreed that acceptance of the

proposal would not be to the best interest of the city — both as a financial investment at the present nor as a precedent for other industries considering a Hereford location. It was stated that similar proposals from Spartans have been accepted in Childress and Sweetwater, where existing vacant buildings could be used. The committee was unanimous in its vote against accepting the proposition, and members said other local persons had voiced opposition to the proposal, saying it was out of reason.

HEREFORD, TEXAS, 79045, THURSDAY, NOVEMBER 18, 1965

PUBLISHED EVERY THURSDAY

Zone Request Gets Negative Vote By City

City commissioners rejected a proposed zone change for property located near Sugarland Mall Shopping Center after hearing protests from two citizens in a city hall session Monday night.

The commission voted to uphold the recommendation from the zoning board against the proposed change from multi-family dwellings to "E" commercial district.

Community Thanksgiving Service Set

Annual Community Thanksgiving church service sponsored by Hereford Ministerial Association will be conducted at 7:30 p. m. Wednesday in Avenue Baptist Church. The Rev. Sam Ogan, pastor of Frio Baptist Church, will be the speaker. A choir with members from all participating churches will be directed by Zack Pannell of the First Baptist Church. The Rev. Eugene Naugle, pastor of Bippus-Westway Methodist Church, will present the appeal for the offering, which is used each year for needy persons.

The invocation will be by the Rev. Herman Martinez of Thomp son Memorial Mission, the scripture reading by the Rev. Noah Arnpriester of Wesley Methodist Church, the benediction by the Rev. H. B. Whitten of Mt. Sinai Baptist Church. The Rev. James P. Arnold of Summerfield Baptist Church will read the original Thanksgiving proclamation made by Gov. William Bradford when the Pilgrims began the celebration of the holiday in America.

Annual Supper Precedes Game Friday Night

Juniors and seniors of Hereford High School will host their yearly annual supper Friday at the high school cafeteria from 5:30 p. m. to 7:30 p. m.

The menu will include chili or tuna casserole with pie for dessert. Proceeds from the event will go to help buy annuals for the school.

BOTH THE junior and senior class will be competing to sell tickets for the event. Whichever class sells most tickets will get their queen candidate crowned.

Connie Watson is the senior candidate and Claudia Loerwald is the junior candidate. Tickets are \$1 for adults and 75 cents for children.

Junior and senior class members will be selling tickets during the week and at the door.

Of Coins And Color TV And All

The new "silverless" coins are beginning to show up in Hereford — the nickel-coated copper coins which are now being produced by mints to replace silver pieces.

As of Tuesday, only a handful were on hand in the city's two banks, however.

AND, oddly enough, the appearance of the new coins may be connected with a lack of color television sets, a report to the Brand indicated this week.

It's a long story, but basically it's this, the report said: The government is using up a large share of the nation's copper supply for the new

uphold the recommendation from the zoning board against the proposed change from multi-family dwellings to "E" commercial district.

Owners of property adjoining that in question protested the change because of the almost "unlimited" provisions concerning E zones.

The action highlighted a session which also saw commissioners asked to consider updating streetlights in older portions of the city.

After hearing the proposal from Southwestern Public Service Co. explained, the commission took the matter under advisement.

IN OTHER action, commissioners heard a complaint from a Main St. property owner concerning damage to his property.

The proposed change in zone designation was for property located across the street on Ave. B from the new shopping center in northwest Hereford.

OWNER of the property, James H. (Jack) Bradley, told commissioners he wished to have the property rezoned from residential to "E" commercial in order to construct a coin-operated laundry on the property.

He said that deed restrictions on property along Ave. B "behind" the center had previously been removed, but the property was not rezoned at the time the shopping center property was zoned.

He stated that the present owners of the adjoining property "bought their lots knowing the center was there." The center is zoned as E.

"THIS ISSUE should stand on its merits," Bradley stated. "About all we can offer in support of this is the expressed desires of the builder and tenants, while it is easier to arouse more sentiment from a larger number of citizens on other sides of the issue," he commented.

He stated that he believed that 13th Street will eventually be like Park Avenue, lined with small businesses and heavy traffic.

"I DON'T believe our proposal would be more detrimental to single family houses in the area than the four-plexes on property adjoining that in question," Bradley stated.

Mayor Ray Cowser pointed out that once property is zoned See ZONING Page 2

A FALL SCENE
... cotton harvest begins.

(Staff Photo)

'A GOOD YEAR' County's Harvests Await First Freeze

Deaf Smith County's fall harvest reached an in-between stage this week as the area's first freeze still lurks around the corner.

Some weathermen were predicting arrival of a cold blast which would make most of the county's fall crops harvest-ready later this week, possibly as early as tonight.

THE FREEZE would bring to readiness most of the area's cotton and grain sorghum and put

the finishing touch on a year which has already proved better than-average for area farmers.

An estimated 85 to 90 percent of the area milo crop has been harvested, with the remainder lagging because of high moisture content in slow-maturing varieties.

Officials at Holly Sugar Corporation's Merrill E. Shoup plant estimated beet harvest in the Hereford district as just past the mid-way point.

Little more than 100 bales of cotton have been harvested in county gins, as yet, but the cotton harvest will get underway in earnest following a good freeze, ginners said.

Warm weather has brought slow maturity to many crops, with some green leaves and a few blooms remaining on some cotton.

Lettuce and other vegetable harvests are virtually finished. An estimated 1,600 carloads of lettuce have been shipped from Hereford this fall, a shipper said. This came from more than 2,000 acres of the crop in the county.

OTHER vegetable crops, marketed earlier this year, have also brought top returns — with a high price on potatoes cushioning lower-than-usual yields for many farmers.

Crispy, fall-like winds and dense gray clouds arrived this week, but as of Wednesday the lowest temperature recorded at radio station KPAN has been 33 degrees. This came Sunday morning.

Agriculturalists from the area predicted a prompt wrap-up of grain harvest following frost, as low temperatures will probably dry grain which at present remains too damp to cut.

GRAIN sorghum — the county's largest crop, acreage-wise is planted on almost 120,000 acres of land in the county. If yields are at least average, the crop will account for some \$15 and a quarter million dollars gross for area farmers. See FALL'S Page 2

Burglars Crack Safe; Loss Set At \$3,700

Thieves Stage Repeat Visit To Auto Firm

By TOM WINGO
Staff Writer

Tool-borrowing safecrackers ripped open a safe at Stephens-Hudson Motor Co. Tuesday night — for the second time this year — leaving with more than \$3,800 in cash and checks.

The burglary was discovered early Wednesday morning when employes arrived for work at the auto sales and service agency.

An estimated \$3,874.49 in cash and checks were taken, spokesmen for the company said.

The burglary at Stephens-Hudson was one of three break-ins investigated Wednesday morning by Hereford police.

BURGLARS also entered Osborn Chevrolet-Olds and Carl McCaslin Lumber Co. Tuesday night. Nothing had been reported taken in these two break-ins, however.

The theft at Stephens-Hudson marked the second time in a period of months that the heavy upright safe has been peeled.

In May, burglars had torn into the safe but found nothing. Some \$30 to \$40 had been taken from vending machines in the May burglary.

BUT THE thieves who hit Tuesday night made off with some \$700.00 in cash and stamps and \$3,204.90 in checks, according to estimates.

It was the first major theft here in several months, following a series of safe jobs and break-ins during the last week of May.

Some \$5,000 was taken in goods and cash in a rooftop burglary and safecracking job at Gibson's Discount Center, just two nights following the first break-in at Stephens-Hudson.

Borrowed or stolen tools have been used in all instances. BURGLARS who ripped apart the safe at Stephens-Hudson in May used tools they had stolen earlier from a local lumber yard.

In Tuesday's theft, tools taken from the service shop at the auto sales agency were used.

THE THIEVES cut and pounced their way through the top of the safe into the compartment See BURGLARS Page 2

Officers said the pair would be returned to Deaf Smith County to stand trial for arson of an auto after their trial of auto theft in Farmer Co.

The auto was said to belong to U. S. Akin, Friona, owner of a local super market, around which the two men were seen. No estimate of damage to the car was available. The interior was both cut and burned on the 1963 compact auto.

Two Amarillo men who were arrested nine miles east of Hereford Saturday night have been returned to Farwell to face charges of auto theft in connection with the burning of a car seven miles east of town.

The pair, Carter Bobo Hunicutt and Johnny Lee Ward were arrested by a unit of the Texas Highway Patrol after a report of a burning car and also the report of two men trying to flag down motorists on the highway.

The investigating patrolman said when the THP unit reached the men, they were both standing in the road, and were arrested for hitching. Further investigation, however, revealed that the car which had been burned was stolen from Friona and a party of witness from that town were brought to Hereford to view a line-up in which the two men were included.

Officers said the pair would be returned to Deaf Smith County to stand trial for arson of an auto after their trial of auto theft in Farmer Co.

The auto was said to belong to U. S. Akin, Friona, owner of a local super market, around which the two men were seen. No estimate of damage to the car was available. The interior was both cut and burned on the 1963 compact auto.

United Fund Tops Goal By \$600

IN '65 DRIVE
By a total of almost \$600, Deaf Smith County's 1965 United Fund Drive went over its goal, officials announced Wednesday.

Contributions to the drive totalled \$30,758.87 following completion of the six-week appeal. Goal for the effort was \$30,160. It was reached Nov. 9.

The funds benefit nine member agencies. It marked the fourth time in the nine-year history of United Fund in Hereford that the goal has been achieved.

Said United Fund president Clint Formby: "We have been extremely fortunate with the unusual attitude of the people who have helped the drive this year by giving of their time and money."

"To all of them we would say THANKS." A list of businesses and groups within the county who participated in the drive 100 percent by contributions both from the management and all employes appears on page 3.

Tuesday's Cotton Questions, Polling Places Described

Polling places where Deaf Smith County farmers may cast ballots in the referendum on marketing quotas for the 1966 upland cotton crop were announced today by Frank J. Bezner, Chairman, Agricultural Stabilization and Conservation County Committee.

The referendum will be on Tuesday, Nov. 23, 1965. POLLING places are located as follows: Community "A" — Dawn School House; Community "B" and "C" — ASCS Office; and Community "D" and "E" — Ford Community House. Polls will be open from 8 a. m. to 6 p. m.

Chairman Bezner explained that every effort has been made to inform farmers fully about the allotment program, so that the outcome of the referendum may represent the considered opinion of all the voters.

AT ISSUE in this year's vote also is the "domestic allotment" program provided by legislation under which growers may qualify for price-support and diversion payment — in addition to loans — by reducing their cotton acreage at least 12.5 percent below the farm's allotment, putting the diverted acres into a conserving use, and meeting See COTTON Page 2

3,000 Attend Bravo Showing

Some 3,000 persons toured the newly-opened Bravo Smokes factory during an open house Sunday afternoon to see how lettuce smokes are made.

Tours through the plant included a view of the process which transforms lettuce leaves into the nation's first marketed nicotine-free smoke.

Officials announced that the product will be introduced to Amarillo sales outlets Thursday, some three weeks behind schedule.

But Bravo personnel aren't bemoaning their lag in expanding the marketing area. Higher-than-anticipated sales of the product in Hereford exhausted supplies originally planned for sale in Amarillo.

AUTO DAMAGED — An explosion which damaged a garage owned by Milburn Motor Co. also caused fire damage to this auto. The blast, apparently caused by an accumulation of gas and naphtha fumes, occurred shortly before 5 p.m. Wednesday. (Staff Photo)

Cotton...

(Continued from Page 1) other provisions.

The lease or sale of cotton allotments is also provided by the new program, and growers will also vote Nov. 23 on whether to permit such transfers outside the particular county but within the state. The lease or sale of allotments will not be affected by the outcome of the marketing quota vote.

FARMERS eligible to cast ballots in the marketing quota referendum are all those who engaged in the production of upland cotton in 1965. Approval by at least two-thirds of the growers voting is necessary if the quotas and the broad new program are to go into effect for the 1966 upland cotton crop.

Issues to be decided in the Nov. 23 referendum are:
(1) Quotas or no quotas.
(2) The price support available, and
(3) Whether the broad new program is to go into effect for 1966-crop upland cotton.

If the vote is favorable, quotas will apply to the 1966 upland cotton crop, with penalties on any excess cotton produced; price-support and diversion payments in addition to loans will be available to growers who reduce their acreage at least 12.5 percent below the farm allotment, put the diverted acres into a conserving use, and meet other program provisions.

GROWERS who elect not to participate in the reduction program may apply for a share of an export market acreage reserve and grow and export all their cotton without Government subsidy and without marketing quota penalties.

If the vote is not favorable, there will be no quotas or penalties applicable to the 1966 upland cotton crop, no price-support or diversion payments, no export market acreage reserve, and the regular price support to growers who do not exceed their acreage allotments will be at 90 percent of parity, as directed by law.

Growers who have any question about any particular part of the cotton program are urged to get in touch with the ASC County Committee.

HEREFORD STUDENT ON HONOR LIST

Mrs. Margaret Stephens of Hereford is among 30 students on the 3.0 honor for both summer sessions at North Texas State University. The honor roll has been announced by Dr. J. J. Spurlock, academic vice-president. Those in the 3.0 group made a grade of "A" in all of their course work. Mrs. Stephens, 901 Lafayette, is a senior education major.

HOUSE ENSILAGE—Hereford farmer watered down ensilaging ensilage on the farm of Waymen Etheridge, Northwest of Hereford. An estimated 12 acres of grass was burned as the flames were fanned by winds Monday. (Staff Photo)

Fruit Cakes Sales Total 600 For Band

Members of the Hereford High School Band sold more than 600 fruit cakes Monday night in the first phase of their efforts to earn sufficient money to defray expenses of the spring music festival.

The Band will journey to Six-Flags-Over-Texas next spring for the annual contest.

The high schoolers were supervised by members of the local band parents organization, the Band-Aids.

Fruit cakes are still available, and anyone interested in making a purchase may do so by calling John Aiken, fruit cake sales chairman, or any member of the Band-Aids.

Fall's...

(Continued from Page 1)

This is a healthy portion of the more than \$40 million annual income to the county from the sale of farm commodities. A mere trickle of cotton has been pulled from the near 11,

000 acres of the crop.

Holly Sugar, which has been operating 24-hour shifts since the first beets arrived Sept. 27, reports some 60 percent of this year's crop is in.

THIS amount to some 360,000 tons of beets. Spokesmen said that sugar content has been averaged 15 percent from beets

brought in thus far.

Holly paid farmers in its Hereford district some \$6½ million for 1964 crop beets, and officials are predicting even better returns for growers this year.

which contained the cash. Officials at Stephens-Hudson said it was the same safe which had been cut open in May; however, thieves went into the back of the safe that time and missed the compartment containing money.

In the May burglaries, Gibson's was hit for a loss of some \$5,000 — the largest theft in recent years in Hereford.

FOLICE chief Marshall Padgett said Wednesday that a pistol taken from Gibson's was recovered recently in El Paso at the scene of an attempted burglary.

Padgett added that he did not think the May burglaries and the three break-ins Tuesday night were connected, however.

The safe-peeling occurred between the hours of 4 p.m. Tuesday and 7:30 a.m. Wednesday.

IT WAS discovered by Elmer Combs, a salesman for the firm, who found the open safe as he opened the office for business.

Debris from the safe littered the office floor, along with records and other papers which were scattered by the intruders.

Company spokesmen said that at least the damage was not as bad as last time, when thieves ran-sacked the office in a search for money.

"I SEE no need for the rezoning... I would go on record as opposing the change. It would do nothing to raise the value of our property and it would probably lower it."

Bradley replied that he had a ten-year lease with a tenant who would build a laundry of "construction matching that of the shopping center."

Pat Newell, owner of rental property adjoining that in question, stated that "the area is basically residential and I feel that zone E would be wandering too far from this."

AS STATED by Mr. Bradley, there would be a laundry there. This would be fine... but it might be changed to something else which we wouldn't want and there would be nothing we could do to stop it."

"It seems to me that Mr. Bradley has applied for the wrong zone," Mayor Cowsert said, explaining that a laundry could qualify in D zone, where there would be limitations eliminating such things as car lots and several other types of businesses allowed in E zone.

Bradley replied, "I don't believe my neighbors would have built up there if they hadn't known there would be a zone E across the street... they've got a zone E across the street and it means a higher property value for them... It was a matter of public record that deed restrictions had been removed before they bought their property."

COWSERT stated that he felt they would have no objection to a laundry, but E would leave room for "so many other things."

Commissioner Albert Maxwell moved that the commission accept the zoning board recommendation that the requested change be denied. Joe Enaley seconded and the motion passed.

HEREFORD SOLDIER WRITES

... A Letter From Viet Nam

(Editor's Note: Following is a letter from Lt. Joe Reinauer Jr. of Hereford, who is now stationed in Phu-Cuong, South Viet Nam.)

Dear Editor,
I feel that the people of Hereford are interested in the world situation and the activities of the U.S. here in Viet Nam. This, then, is an opportunity for me to explain the job we are doing and our feelings toward the situation. I speak from what I have seen and learned in my particular area and organization. I am a part of the 2nd Howitzer (105mm) Battalion, 13th Artillery about 30 miles north of Saigon. Our location puts us within striking distance of both the Iron Triangle and War Zone "D".

All of the troops here know and understand our mission and most feel very strongly about it. The job is simple and sincere: We are here to help the South Viet Name people win their war and help them strengthen their country's economy, government, and military so that they can eventually stand alone, strong and free. We do this because we cannot allow the force of communism to continue its spread in Southeast Asia.

America's fighting men are being wounded and killed here supporting this cause. Although I feel sure there are no radical, anti-Viet Nam segments in or around the Hereford area, these outbursts are certainly disheartening and disgusting to the personnel here who know the situation. I consider these groups as disrespectful to their country and not worthy of the freedom that they enjoy.

The war that the Viet Name are fighting here is not new; it is over 25 years old and it is still as violent and dirty as when it started. The people here are well acquainted with the ways of war but not so well educated or familiar with ways of sound government. They are reluctant to accept anything in the form of government because they have been betrayed so many times before by vivid plans for utopia under the guise of a new government.

All that these people desire is to be able to farm their land or to do their business in peace without any government taking away their freedoms or money. Viet Nam is a rich and fertile country, one of the few in this part of the world that exports foods and other goods.

Therefore our job here is not all military, but, initially it has to be to clear and release the people from the grip of communist terror before they can even consider ways to strengthen their country. Many of the villagers are Viet Cong sympathizers because they are so scared not to be. They are in closer contact with the VC than with the friendly forces of the Viet Name Army. The VC guerrillas must maintain this situation to survive as they rely on these people for all supplies.

The situation is not an easy one to encounter. It challenges the minds of military and gov-

ernment leaders as well. However, we are accomplishing our mission, we are gaining ground in the physical respect as well as with the attitudes of the people. This is not a fast or easy mission to accomplish but I am proud to be able to do my part to earn the freedom that I enjoy.

I regret that I cannot be more specific but security restrictions prevail.

I hope to return to Hereford about the first of February and am looking forward to seeing everyone then.

Sincerely,
Joe Reinauer Jr.
1st Lt. US Army Artillery

Simms Study Club Meets At Luncheon

A Thanksgiving luncheon at the home of Mrs. James Bullard entertained Simms Study Club Wednesday noon. The meeting was an informal one, with no program or business period.

Turkey figurines with bronze and pale gold mums centered the table where luncheon was served.

Places were laid for Mes. J. M. Bothe, Edwin Morrison, Emmett Young, Roscoe Pinnell, Jim Cavin, Robert Lloyd, Charles Durham, Julian Perrin, Terrell Hodges, Allen Ehresman and the hostess.

Date Is Set By Golfers For Party

A change in the accustomed meeting date was made in Christmas party plans of the Women's Golf Association, discussed at the Tuesday luncheon in Hereford Country Club. Instead of usual first and third Tuesday luncheons in December, the holiday event will be on the second Tuesday.

A putting tournament will begin at 11 a. m. on the Municipal Golf Course, to precede the luncheon and Christmas party featuring a gift exchange.

Mrs. Joe Easley, president, was in charge of the business period. After luncheon, members spent the afternoon playing golf.

EAT ALONE, LIKE IT

SANAA, Yemen (AP) — The average city-dwelling male in this country can marry, beget children, and be buried alongside his wife, all without ever seeing her eat.

Yemeni tradition holds that a wife, who is allowed to remove her veils in front of her husband or brother, must never be seen eating by her spouse. The reason for this is lost in the country's ancient traditions, but the custom is rigidly observed in the cities.

In the countryside, however, women not only can be seen eating, they can also circulate without veils. This is because the strenuous working pace of rural life in Yemen leaves no time for such oriental enigmas as trying to guess just who is under all that camouflage.

Minister Is Speaker For Kappa Iota Group

Guest speaker for Kappa Iota Chapter of Beta Sigma Phi at a meeting Tuesday evening was the Rev. Russell Wingert, pastor of the Presbyterian Church. The subject was Love's Miracle in Marriage.

The topic is one in the year's study of Conduct, Expression and Purpose. Mrs. Dean Hacker was program chairman and introduced the speaker.

Mrs. Pat Parker and Mrs. Bob by Shelton were hostesses at the Community Center.

Christmas Party plans were made in the business period with Mrs. Harold Kids presiding. The chapter accepted an invitation from Xi Epsilon Alpha Chapter to join that group for a party Dec. 21 with husbands of members as guests.

Purchase and decoration of the Christmas tree for Community Center, which is an annual gift from the chapter, were also discussed. The tree will be ready for decoration at the next meeting, Dec. 7, members decided.

Those present included Mme Duke Powell, Bob Kinsey, David Hamblen, Max Goforth, Mike Wilson, Jack Straw, Joe Neely, Wendell Maloney, Dave

Contract Let For Construction On Interstate 40

A contract for 14,837 miles of construction on Interstate Highway 40 in Deaf Smith and Oldham Counties has been awarded to an Amarillo firm, it was announced in Austin this week by the State Highway Commission.

Gilvin & Terrill, Inc. submitted the low bid of \$962,362.58 on the project. Grading, flexible base and asphalt concrete paving from 1.5 miles east of New Mexico State Line to Caprock is expected to take 200 working days, according to Charles W. Smith District Highway Engineer at Amarillo.

H. L. Gallegly, Resident Engineer at Dalhart will be in active charge of the project while it is under construction.

DISEASE FIGHT SET

LA LIMA, Honduras (AP) — A volunteer "Health Corps," made up largely of American teenagers, has launched a program to inoculate some two million Hondurans against diseases which have afflicted this country's population for centuries. Taking part are members of the River Oaks Baptist Church

in Houston, Tex., a group which calls itself "Amigos de Honduras" Friends of Honduras).

The program was the idea of Guy Bevil Jr. the church's youth director who became aware during a visit here that diseases and lack of sanitation were draining the people of their vitality. Approximately 300 members of the church group

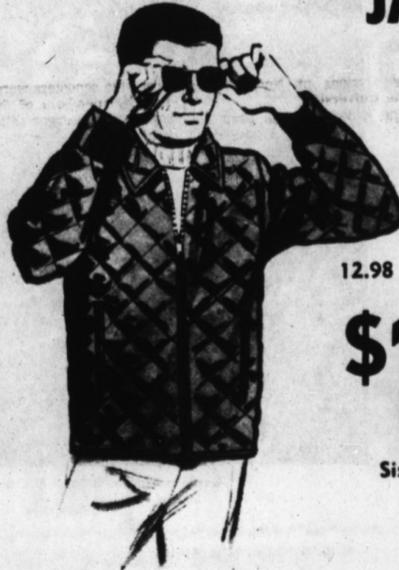

volunteered to pay their own \$150 air fare to this Central American country to assist in the project. Thousands of doses of vaccines for infantile paralysis, diphtheria, whooping cough, smallpox and tetanus were donated by Lederle Laboratories, an American pharmaceutical firm, to help start the program.

Braise shoulder lamb chops with onion strips, peas and carrots.

The Baptist Community Thank giving Dinner will be held at Adrian Baptist Church Sunday at 8 p. m.

Baptist women will furnish the meat and dessert and the visiting ladies are to bring a salad or vegetable. Everyone is invited to come, share the food and to hear the sermon by the Rev. B. J. Foster of the Adrian Methodist Church.

Charlie Lister of Amarillo and Guy Vogt of Dalhart spent the weekend with the Herman Sifford family.

Mrs. Dora Perry of Downey Calif. visited her daughter and family, the W. W. Betts, last week.

They visited in Follett with Mr. and Mrs. W. C. Gadberry, Mr. and Mrs. R. L. Gadberry and families.

Mrs. L. D. Adkins and children of Skellytown were supper guest of the Horace Betts family and spent Sunday night with Mr. and Mrs. Butch Betts and children at Glenrio.

Mr. and Mrs. Horace Betts honored their daughter Jolene, on her eighteenth birthday with a dinner in their home Sunday. Guests were Mr. and Mrs. Butch Betts and children of Glenrio, Mrs. L. D. Adkins and children of Skellytown and Terry Williams.

Thursday the Adrian Baptist WMU was hostess to Bushland, Wildorado and Vega WMU for mission study and a luncheon. Some 39 attended other than the hostesses.

Mr. and Mrs. Jerry Rogers and daughter, Mr. and Mrs. Frank Temple and Mike Purcell, all from Lubbock visited the Hermon Sifford family recently.

Bill Romine of Canyon visited Fridan with the Herman Siffords.

Mr. and Mrs. Jimmy McAnear and children from the Simms Community have moved to North Camp on the Bridwell Ranch.

Mr. and Mrs. Dale Austin are the parents of a baby girl. Mrs. Austin has just returned from Oklahoma.

Tommy Womack of Wildorado spent Sunday with the Herman Sifford family.

Wayne Sifford and Bill Guggell were in Levelland Monday on business.

The Adrian Parent-Teacher Organization met Monday night in the school lunchroom. John Perrin, president of the Hereford High School student body, presented the program. John, the son of Mr. and Mrs. J. V. Perrin, was recently selected by the Hereford Farm Bureau to attend a citizenship seminar in Huntsville. He gave a very interesting talk on communism.

Mrs. Clayton Thompson and daughter of Amarillo were Friday night guests of the Charlie Pulliam family. Charlene Pulliam and Larry, Mrs. Thompson and Stacy were Friday night supper guests of Mr. and Mrs. Marion Ferguson and Gene.

Mr. and Mrs. R. Lee Petty, Mr. and Mrs. Wilbur Harris and children were Saturday night guests of Mr. and Mrs. Joe Harris and children in Amarillo.

AMONG THE SCENES—A public showing at Bravo Smokes saw more than 3,000 persons tour the facility Sunday afternoon. But, like many such public events, fashions worn by those in attendance also came into prominent view . . . as in this photo of a packaging machine? (Staff Photo)

Mr. and Mrs. Webb Blankenship spent the weekend in Abilene attending the Abilene Christian College Homecoming and visiting their son, Sidney Blankenship.

Mrs. Cal Jackson and Jimmy Clark visited in Vega Sunday night with the Jim Voyles family.

Mrs. Joe Brownlee and children visited in Tucumcari Wednesday with Mr. and Mrs. Jim Pennington.

S. P. / 4 Richie Brotherton is home with his parents the L. H. Brothertons of Adrian, after completing three years of military service. He spent 26 months in Okinawa.

Mrs. Manuel Loveless, Mrs. J. G. Loveless, Mr. and Mrs. Marion Ferguson, Mr. and Mrs. Carroll Gruhkey attended the Sausage Festival at Umberger Sunday.

Mr. and Mrs. Paul Pounds of El Paso, visited the E. B. Pound family last weekend. Saturday supper guest of the Pounds family were Mr. and Mrs. Neil Pounds and children from Earth and the Ted Boydstons and son.

Miss Nita Wood and Sheldon Proctor will be married at 6:30 p. m. Nov. 16 in the Adrian Methodist Church. Miss Wood is the daughter of Mr. and Mrs. Francis Allison of Texline and Sheldon is the son of Mrs. Lorene Proctor of Adrian. The Rev. B. A. Foster will perform the ceremony.

R. D. Sisk was in Hobart, Okla. last week visiting the Dave Sisk family.

Mr. and Mrs. Joe Speed and Bill Speed went fishing at Lake Texhoma last week.

The Adrian Jr. High basketball boys won first at the Bivens tournament Saturday night and the Adrian Junior high girls won consolation.

UNUSUAL REQUEST—City commissioners were faced with an unusual proposition from two young Hereford citizens at their regular city hall meeting Monday night. Appearing before the commission were two members of the Hereford High School Band . . . who offered to sell fruit cakes to the members of the commission to raise funds for the band's planned trip to a contest at Six Flags Over Texas. They did. These were among 600 fruit cakes sold by members of the band in Monday night's sales campaign. But cakes are still available from members of the Band-Aids, the band parents group. Rolling Plains Beef Association Slates Sale

The Rolling Plains Registered Beef Cattle Association will hold its 7th annual bull sale in Clarendon, Dec. 1, 1965, at 12:30 p. m. at the fair building.

Walter Britten will be the auctioneer. 68 bulls will be offered for sale, featuring top blood lines, good beef producing bulls and good herd bull prospects. There will be 40 Herefords, 16

Galloways and 12 Angus bulls in the sale. The new sales arena is heated and you will be comfortable regardless of the weather.

Those who wish to come by plane, can land at the city-county airport, call the fair building and a car will meet you. Those wishing a catalog in advance of the sale can write to H. M. Breedlove, Secretary and Manager, Clarendon, Texas.

In 1965, the White House Christmas party was so gay that Thomas Jefferson was moved to play lively tunes on his violin.

VOTE IS NOV. 23

Cotton Allotments Transfer Outlined

Details regarding the transfer of upland cotton allotments were released today by Frank J. Bezner, Chairman, Agricultural Stabilization and Conservation County Committee. A vote on whether to permit transfer of allotments outside the county (but within the State) will be held on Tuesday, Nov. 23, at the same time that growers vote on marketing quotas for the 1966 upland cotton crop.

The Chairman emphasized that the referendum on allotment-transfers has nothing to do with marketing quotas.

UNDER the new farm legislation enacted this year, transfers of upland cotton allotments by sale or lease may be made from one farm to another within the same county without regard to the outcome of the allotment-transfer referendum.

Also, transfers from one farm to another owned by the same person can be made across county lines within the State without regard to the outcome of the transfer referendum.

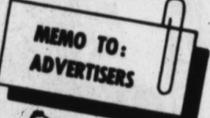

THE REFERENDUM on transfers of allotments will decide only the question of whether to permit transfers outside the particular county — but within the State. If at least two-thirds of the growers of upland cotton voting in the county approve such out-of-county transfers, transfers outside the county can be made during the three years (1966-68). In no case can transfers be made outside the State.

If county farmers disapprove such out-of-county transfers this year, another referendum on the

question will be held next year. THE QUESTION about permitting out-of-county transfers of allotments will be decided by the vote within each county.

The question about whether marketing quotas shall apply to the 1966 upland cotton crop will be decided on a national basis.

If at least two-thirds of the upland cotton growers voting throughout the Nation approve marketing quotas for the 1966 upland cotton crop, the quotas will also mean that the new cotton program will go into operation, offering various program benefits to participating growers. Export market reserve acreage would also be available under a quota program, for growers who wish to grow cotton for export only, without price-support or any Government payment.

The odds are probably about the same against a company not validating its product claims.

Joint Raid Nabs Eleven Gamblers Here

In a joint raid conducted by two city policemen and a deputy sheriff, 11 men were arrested on charges of gaming or sweating a dice game Sunday night.

The men arrested were identified as Estedan M. Torres, 35, Crisp Martinez, 48, Thomas A. Aldaco, 25, Larry Ramos, 49; Salvador Sanchez, 41; Augustin Zapata, 43; Reyes Montemajor, 44; Joe Ramos, 53; Adam Salazar, 28; Rios Turotes, 38; and Manuel R. Yberra, 45.

The raid was made at a packing shed located on New York Street.

The men either paid a \$25 fine or posted a \$25 cash bond and were released from city jail.

FEDERAL AID INCLUDED

Roadside Facelifting Starts Through Beautification Act

By VERN SANFORD
Texas Press Association

A facelifting of the Texas roadside scene is about to take place.

Gov. John Connally has pledged full cooperation with the Federal government in connection with the new Highway Beautification Act. A legislative council committee here now is considering the legal steps necessary in Texas to enforce provisions of the Act. This to prevent loss of U. S. funds.

State Highway Engineer D. C. Greer is outlining an initial plan of compliance with the Federal law which proposes control of scenery-spoiling billboards and junkyards and general scenic enhancement along 17,589 miles of Texas' Federal-Aid highways alone.

TEXAS Highway Department, Greer reports, already is taking steps to put into effect an expanded program of landscaping and beautification at a cost of about \$10,000,000. Program will cover a two-year period and will include planting projects, rest areas, irrigation systems and possible scenic easements at selected overlooks and natural-beauty spots.

Greer anticipates Texas will get about \$6,000,000 a year in federal funds for this work.

He has called for a complete inventory of junkyards and large outdoor advertising signs and devices within 600 feet of highways ways.

SOME OF the junkyards, Greer emphasized, will be screened by plantings, fences and other means in the near future.

Meanwhile, information from the inventories will be used in studies of needed state legislation, including zoning of industrial and commercial areas along the state highway system as called for in the beautification act.

INTEREST RATES STUDIED
State Banking Commissioner J. M. Falkner, on the heels of a new policy announced by U. S. Comptroller of the Currency James J. Saxon, has asked Atty. Gen. Waggoner Carr whether state banks may charge the same interest rates as loan companies.

SAXON said national banks in Texas may charge the same interest as loan companies regulated by the state. So Falkner wants to know if the State Banking Department should let state banks exceed the constitutional interest limit of 10 percent.

Texas law authorizes small loan companies to make loans with rates scaled from \$1 interest on a \$5 loan to about 17

per cent for loans up to \$1,500. Governor Connally vetoed a bill earlier this year authorizing banks to raise their rates to 17% each year on \$100 loans up to \$1,500 and 14% per \$100 on loans between \$1,500 and \$5,000 a year.

Question now is whether state banks may charge the same interest rates as loan companies and national banks in Texas.

ATTORNEY GENERAL RULES

Attorney General Carr said accounts payable to the State Building Commission, incurred under an inter-agency contact with the Mental Health and Mental Retardation Departments, can be deposited to the Building Commission. Proceeds may be deposited as professional fees and services and travel expense.

Carr also ruled that: A county Treasurer is entitled to receive compensation for additional duties of handling levee improvement districts' funds within his county.

COUNTIES are responsible for the hospital care and treatment of prisoners in the custody of the sheriff.

Interest earned on investment of bond proceeds, not needed immediately for a voted purpose may be placed in the proper interest and sinking funds, at the discretion of the Board of Trustees of the school districts.

SALT WATER DISPOSAL
Ector County oil operators have agreed to get rid of salt water disposal pits within three years.

County officials had requested Texas Railroad Commission to enter no-pit order for 40 Ector fields.

COURTS SPEAK

Houston Independent School District must pay its \$82,899 phone bill, State Supreme Court ruled. Court held that the school must pay Southwestern Bell Telephone Company full business rate of \$16.50 per month for service rather than residential rate of \$5.90 it had tried to settle for under ordinance.

Court refused to hear a suit alleging malpractice against a former Littlefield physician. Woman attempting to bring suit claimed the doctor left a gauze pad in an incision during an appendectomy.

Court of Criminal Appeals for second time upheld murder conviction of a Midland man, Melvin Clewis, who received a 25-year sentence for slaying his wife.

CRIMINAL CODE REVIEWED

Texas' much-maligned new code of criminal procedure was defended by State Bar official, Fred Erisman of Longview, at a three-day institute to study its provisions here.

Erisman said code brings Texas criminal statutes in line with modern-day decisions of U. S. Supreme Court. It means little to law enforcement, he maintained, to obtain convictions, only to have Supreme Court set the defendant free because of unconstitutional procedures.

PRISON UNIT NAMED

Texas Board of Corrections honored longtime member H. H. Coffield of Rockdale by naming

the new unit in Anderson County for him.

Coffield has served on the board 16 years, eight years as chairman.

Board also authorized buying a new \$190,000 airplane. Director George Beto reported that the plane already owned by the prison system isn't adequate for returning parole violators from other states.

SECURITIES SALES HIT RECORD

Securities approved for sale in Texas reached an all-time high of \$283,300,000 during fiscal year just ended, according to University of Texas Bureau of Business Research.

Total was \$66,900,000 or 31 per cent over fiscal 1964, despite a major market upset during 1965.

Activity, Bureau predicts, will continue to be strong so long as the economy continues to expand.

APPOINTMENTS

Clay Cotten, formerly of Palestine, is the new State Commissioner of Insurance. As such he will be administrative head of an agency regulating Texas' No. 2 industry.

Tom I. McFarling of Austin is the new liquidator and conservator for the State Board of Insurance and Robert P. Clines is legal counselor.

Governor Connally announced these appointments:

State Board of Corrections — Fred W. Shield of San Antonio and Walter M. Mischer of Houston with Walter Pfleger of Eden reappointed.

Good Neighbor Commission — A. G. Ainsworth Jr. of Luling, Walter McBee of Dallas and Mrs. Philip R. Bishop of Fort Worth with Ramiro Martinez of McAllen reappointed.

TEXAS TECH Board of Directors — Dr. Fladger F. Tannery of Dallas, Retha R. Martin of Lubbock and C. A. Cash of Amarillo.

Board of Texas College of Arts and Industries (Kingsville) — E. S. Joslin of Corpus Christi and Everett Braden of Edinburg with J. C. Martin Jr. of Laredo reappointed.

Speaker of House Ben Barnes named Reps. Hudson Moyer of Amarillo and John A. Traeger of Seguin to the Interim Committee on State and Local Tax Policy.

C. L. Friou, assistant director of administration of Parks and Wildlife Department, is the new president of Texas Public Employees Association.

W. O. P. EMBARRASSED

Dr. William H. Crook, southwest region director of the War on Poverty, said the program is temporarily "embarrassed by success."

Project Head Start, a child development program, has met such tremendous national success that there isn't enough money to meet the demand.

Regional office here now has 67 Head Start applications, totaling more than \$15,000,000.

LAND OFFICE ACTIVE

First oil and gas lease sale for 1966 will be held February 1 at the General Land Office.

Nominations for tracts must be in the Land Office by December 8.

Land Commissioner Jerry Sadler says his department's activities added \$87,900,000 to the boosting the fund to \$654,000,000.

SHORT SNORTS

State Board of Education adopted two economics textbooks despite protests. Texas Water Pollution Control Board will hold hearing December 1 on a proposed order zoning the Houston ship channel and tributaries and defining water quality objectives for each.

Forty-one Texas towns have received, free, \$120,000 worth of surplus property from U. S. air bases to develop and maintain their airports, says Texas Aeronautics Commission, Director Charles Murphy.

Governor Connally approved a Community Action Program grant for a McAllen project and Neighborhood Youth Corps projects in Galveston, Mount Enterprise and La Lrange.

REP. ROGERS REPORTS

Group Studies Needed Changes In Organization

In recently concluded hearings of the Joint House-Senate Committee on the Organization of Congress, a group established to study means by which Congressional functions can be strengthened and improved, extremely valuable recommendations were received from some of the most senior members of the two Houses.

While the suggestions were many (the printed hearings are five inches thick), some proposals had particular bearing on problems that, in my view, need to be solved if Congress is to continue to do its work well and, as envisioned in the Constitution, in proper relation to the Executive and Judicial branches of Government.

OF PARAMOUNT importance in the hearings was the carefully prepared testimony of my warm friend and House colleague from the South Plains, the Honorable George H. Mahon, who has represented the 19th Congressional District of Texas in the House since 1935 and who is now Chairman of the very power House Committee on Appropriations.

The fiscal operations of our Government have received Congressman Mahon's daily attention for years. No man in or out of Congress has a better background of experience on which to base recommendations for improved congressional review and disposition of the appropriations responsibility. As Congressman Mahon put it in citing the Constitutional duty of the Congress, "The supreme weapon of the Congress for control of Government is the appropriating power."

SPACE HERE does not permit review of Congressman Mahon's recommendations for improved procedures. I would like to summarize several of them because of their particular interest to me and, I know, to other experienced Members of Congress who believe present procedures can be improved.

It may come as a surprise to many citizens, but there is not now any service Congress provides itself by which a Member can receive an up-to-date summary on any given day of the status of budgetary action in relation to budget recommendation originally submitted by the President.

A number of factors beyond the appropriations actions affect the matter. The extent of "back-door" spending — money spent by Government agencies without their having to go through the appropriating process — can affect the state of the budget without Members having immediate knowledge of it.

Appropriations actions may reflect lower spending levels than requested in the President's budget, but the situation may actually be that back-door spending has raised the total above budget goals.

are indefensible in my view as in Congressman Mahon's. Stating that the Government is taking action to stage end runs on the appropriating process, by enabling them (as an example) to borrow money from the Treasury to finance their operations, are a travesty on the Constitution. Congress should, in acting on reorganization recommendations expected to come forward next year, take action to curtail this evil.

ALSO BEING urged is a careful look at the desirability of changing the Government's fiscal year to a calendar year basis. Until 1942, the two coincided. Now, because of the press

on Congress in so many areas, appropriations bills for a fiscal year beginning on a July 1 are often not acted upon until the fiscal year is several months old. Departmental efficiency is affected as a result, and it might as well be that the return of year basis would be a sound step to take.

These are examples of the very close look Congress is taking now at its own procedures. You'll be hearing more on this subject after the first of the year when the joint committee presents its recommendations.

WALTER ROGERS
MEMBER OF CONGRESS
18th DISTRICT OF TEXAS

Fine Results From Chase Across Town

A race with the Texas Highway Patrol ended at the home of a 20-year-old Hereford youth Saturday night, and resulted in fines totaling \$118 from Justice of the Peace C. B. Miles.

Arresting officers reported they began pursuit of an auto on 25-Mile Avenue, which turned west on Plains, ran the stop sign at Texas and Plains, continued to Douglas St. where the

driver cut the corner turning left, and then stopped at 113 Douglas, where the driver left the car and ran for the house. Officers stopped the youth, who was identified as Roy Wayne Hastings, as he reached the door of his home.

After a search of his car, the officers returned the youth to the Deaf Smith County courthouse where he was charged with running a stop sign, failure to stop for a red light on a patrol car, improper left turn by cutting a corner, and minor possession of alcohol, which resulted in the \$118 fine.

ONE MINUTE, PLEASE

"Jerusalem hath grievously sinned; therefore she is become as an unclean thing;" Lamentations 1:8

God has given the beautiful city of Jerusalem to the children of Israel of the Old Testament. It was called the city of David the king. It was the religious center for God's people before Christ came.

Rather than worship according to the dictates of the King of Glory, the people began to worship according to the dictates of their own conscience. Their conscience became defiled and they began to worship idols. Lust and sensual practices became the order of the day. The people desecrated the holy city Jerusalem.

The prophets of God described this city, which was once pride of all Israel, as an impure and lustful woman who sold her virtues for a price, losing her good name and her self respect.

Since Christ has been resurrected, the church is poetically called the New Jerusalem. Let us not desecrate the church of the Lord Jesus Christ with lust and idols. Rather let us keep the church holy and without blemish, as she was when Christ "sanctified it, having cleansed it by the washing of water with the word." (Eph. 5:25-27.)

LET'S COOK SOMETHING!

Holiday Baking Looms

By SUE COLEMAN
Women's Editor

Holiday baking is on Mrs. Raymond Smith's mind just now as it is on that of most housewives, especially those who have grandchildren. Mrs. Smith has three grandsons to appreciate the cakes and cookies she bakes for her family and friends.

Asked for a favorite recipe, Mrs. Smith promptly began looking through those for holiday sweets which she is beginning to prepare.

"THEY ARE my favorites right now," she smiled, "although I don't have a special favorite among things to cook. I've always liked to cook just anything, and enjoyed getting meals ready for whoever showed up to eat them".

The latch string has always been out at the Smiths' home, she adds, and "most of the time I've never known who I was cooking for until meal time came". This was especially true while her three children were growing up and frequently bringing friends home with them to share meals.

Mr. and Mrs. Smith live north of Hereford now, on a place in the Ford community where they farm and raise registered black Angus cattle. They came here six years ago from Snyder. Their children are Mrs. Kathryn

Mrs. Raymond Smith likes to cook for guests

Humphrey of Oklahoma City, John A. Smith, who farms in this county, and Dr. Billy A. Smith of San Francisco.

TO MAKE impromptu hospitality easy, Mrs. Smith has made a habit of keeping the cookie jar and cake box, as well as the deep-freeze and pantry shelves, well stocked. She has two freezers filled now with meat, vegetables and fruit produced on the farm.

While she welcomes the convenience of freezing foods, she still cans those which are not practical for freezing, such as tomatoes, relishes, pickles, jellies and preserves. She does the gardening which produces the fresh vegetables she uses, and also provides her a pretty yard with flowers to enjoy and give to friends.

A MEMBER of Ford Home Demonstration Club since she moved to the community, Mrs. Smith is a past president and has served in other offices. She attends First Christian Church,

1 tsp. each cinnamon and nutmeg
1/4 tsp. salt
1 tsp. soda dissolved in 1 cup buttermilk
1 tsp. vanilla
1 tsp. lemon juice
1 cup each chopped prunes and nuts.

Mix sugar and oil. Add eggs one at a time and beat. Sift together flour, spice and salt; add alternately with buttermilk and soda. Beat in vanilla, lemon juice, prunes and nuts. Bake in oblong cake pan 1 hour at 325 degrees.

Club Plans For Holiday Party To Close Year

Committees to prepare for a Christmas party were appointed in the Young Home Demonstration Club at a meeting Tuesday in the home of Mrs. Don Jackson, the last regular meeting of 1965. Mrs. Huey Lowrie presided for business.

Mrs. Argen Draper, County H. D. Agent, gave the program on candy making. She discussed the difference in use of white and brown sugar in candy recipes and told of methods to prevent candy from becoming grainy.

La Plata Dinner Starts Season

Holiday entertaining in Hereford women's clubs began Tuesday evening with La Plata Study Club's Thanksgiving dinner. Husbands of members were guests in First National Bank Community Room.

Clubs have scheduled a full slate of parties, many including guests, for the weeks ahead through the Christmas season.

Hostesses for La Plata party were Mrs. Frank Prowell, Mrs. Milton Adams and Mrs. Urlin Streu, who comprise the club's hospitality committee. The turstyle from a table decorated in harvest colors.

A cornucopia spilling fruits

Mrs. David Watson was welcomed as a new member and Mrs. Don Chapman as a visitor. Members present included Mrs. Mmes. Charles Brown, Jesse Jackson, Dean Bryant, Kenneth Hammet, Lee Roy Burges, Lloyd Smith, Charles Kropff, Carl Armstrong and Wayne Stephens.

Typewriter Ribbons
THE INK SPOT

key dinner was served buffet was arranged with autumn leaves on the brown linen cloth at the head of the table where dishes planned to suit men's taste were arranged attractively.

After dinner the group was entertained with games of bridge. Club members brought gifts to the meeting to be sent to patients in the state mental hospital at Wichita Falls for Christmas.

Couples present for the party were Messrs. and Mmes. Kenneth Rogers, A. J. Schroeter, Elmer Patterson, Philip Shook, Louis Woodford, Joe Smith, Raymond White, Leroy Aven, Dennis Richardson, Jay Boston, Lloyd McGee, Jack Brown, Bill Michael, Ansel McDowell, Emil Dettman, Streu, Adams and Prowell.

DR. RICHARD TUCKER

Former Hereford Student Named Top Young Engineer

Special to the Brand The Fort Worth Chapter of Texas Society of Professional Engineers joined in a salute Thursday night to a 1953 Hereford High School graduate, Dr. Richard L. Tucker. Dr. Tucker, son of Mr. and Mrs. F. A. Tucker, 135 Ave. F, was named to receive the chapter's "Outstanding Young Engineer of the Year" award for 1965. A group of 95 members and guests of the society attended the dinner held at the Cattlemen's Steak House in Fort Worth. Dr. Tucker, associate professor of Civil Engineering at Arlington State College, was cited "for exceptional achievements in the field, significant contributions to technical and professional societies and outstanding civic contributions." HE HAS done extensive research, prepared scientific and technical papers for a dozen or more engineering and scientific societies and publications, and was an invited panelist for the Deep Foundation Congress in Mexico City in 1964. Dr. Tucker, who received his Bachelor and Master of Science degrees and a Ph. D. in civil engineering from the University of Texas, resides at Arlington, with his wife and a daughter, five, and a son, seven. HE HAS served on the Young Engineers committee of both the TSPE chapter and state society, and has been active in the Arlington State Baptist Student Union, Arlington First Baptist Church, and the Arlington Kiwanis Club. Dr. Tucker's achievements were reviewed by Paul R. Cunningham, 1964 recipient of the award. G. Scott Adams Jr., chapter president, presented him with a plaque at the dinner.

Funeral Service Held For Mother

Funeral services for Mrs. Susie Jenny Lovelady, 83, mother of Mrs. Thelma Link of Hereford, were conducted Monday morning at the chapel of Southwest Mortuary in Amarillo. Mrs. Lovelady, an Amarillo resident for 35 years, died in a nursing home there Saturday night. In addition to the daughter here, she is survived by a son, J. E. Lovelady of Amarillo.

State Library Offers Talking Books To Blind

The Texas State Library has announced the requirements and instructions for getting talking books for the blind. The talking book service is free, and the records are carried by mail without postage. The applicant must be legally blind, that is 20/200 or less in the better eye with correcting glasses. An eye report signed by a physician must be submitted. A record player issued by the State Commission for the Blind or a commercial record player with speeds of 33-1/3 r.p.m. and 16-2/3 r.p.m. may be used. A person wishing to apply for a talking book machine, which is furnished free by the U. S. Government, should write to the State Commission for the Blind, Supervisor of Talking Book Machines, Sam Houston State Office Building, Austin, Texas, 78711, for application forms. If the person owns a commercial record player, they would write the Texas State Library Service for the Blind, Austin, giving the trade name and the speeds of the player. In this case send the eye report to the State Library. Catalogs will be mailed after the applicant qualifies for the service.

Oceanaut Capt. Jacques-Yves Cousteau is making a seismic profile of the Mediterranean Sea's floor. He also is continuing his experiments with underwater dwellings in the Red Sea as part of a long-range program to explore and exploit the mineral-rich continental shelves.

YOUNG BAZAAR AIDES—Children of the Sunday School, like these grouped around a decorated table, will assist women of St. Thomas' Episcopal Church at the annual Christmas bazaar which will open at 10 a.m. Saturday in the Church. Youngsters will operate the sales booth which they arranged themselves to display articles they made or helped to make. They will also sponsor the puppet show to be presented at 11 a.m. by one of their number, Prehn Nanningo, who will offer an original Christmas story along with and old favorite fairy tale, using puppets he made.

Tasting Table To Be Feature Of Yule Bazaar

A tasting table will be a repeat feature from last year's Christmas bazaar at St. Thomas' Episcopal Church, when women of the church stage the annual event from 10 a. m. to 7 p. m. Saturday. A variety of dishes will be offered for tasting, and the recipes will be on sale.

Mrs. L. C. Hewitt and Mrs. Rudy Metz are in charge of this bazaar feature, which has proved popular in the past since women of the church offer their specialty dishes, some made by recipes from other countries.

Mrs. Gene Parsley is general bazaar chairman. Mrs. Alton F. Fraser is chairman of the baked goods sale and Mrs. Jim Rush of the Sunday School's participation. Sunday School pupils will conduct their own sale booth and also present a puppet show at 11 a. m.

Hand-made gift items will be for sale in a number of booths at the church, and the public is invited to visit.

Awards Highlight Legion-Auxiliary Thanksgiving Dinner Program

Award presentations were the highlights of the program at the annual Thanksgiving dinner for American Legion and Auxiliary members and their families Tuesday evening in the Legion Hall.

One of the award recipients, Paul Arnpriester, winner of the recent Zone Oratorical Contest of the American Legion, delivered his prize-winning oration as the evening's speaker. Gene Fooks, Legion Post Chaplain, presented the pin to the youth.

One award was made to the Legion Post, a citation from the American Red Cross. Accepted by LeRoy Burgess, it commended the post for its patriotic spirit and civic pride shown in flag display on appropriate occasions in the community. Grant Hanna, Eighteenth District president, made the presentation.

Mrs. F. S. Smith, publicity chairman of the Auxiliary, presented a press citation for outstanding publicity coverage of Unit 192 activities to the Hereford Brand. It was accepted by Melvin Young, managing editor.

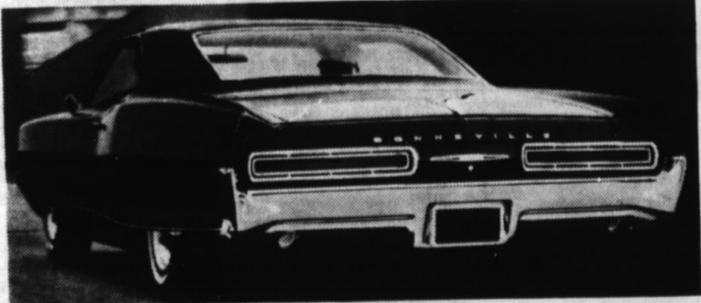

Missionaries On Program Sunday At Local Church

The Rev. and Mrs. Ray Wilson, missionaries to Old Mexico, will be featured speakers at the Fellowship Baptist Church Sunday evening at 8 p. m.

Included on the program will be slides of Old Mexico as well as a puppet show performed by the two missionaries portraying their work in the mission field.

NEWS

An enrollment ceremony for seven new members was conducted in Ford 4-H Club at a meeting Friday at Community Center. Afterward, the group toured the Turrentine museum west of Hereford.

Rhea Ann Wesson, Jean McKenzie, Judy Marchman, Layne Young, Kevin Young, Mike McKenzie and Jim Marsh were the new members received in a program led by Cynthia and Joette Hanna and Lisa Williamson.

Nov. 17 was set, as the date for a club achievement program to begin at 8 p. m. in Community Center. Reports from subject matter groups were made by Joyce Bezner and Ken Warren, on livestock; Becky Hickman, public speaking; Tommy Bezner, county awards; Diana Hickman, Junior 4-H Council.

Plans were made for starting work on a Christmas project, filling friendship bags to be sent to children in Viet Nam. Donald Vasek led the 4-H ritual and Becky Hickman the songs.

Cynthia and Joetta Hanna served refreshments. Cars for the museum trip were furnished by Mmes. L. K. Williamson and A. J. Bezner, leaders, and Mrs. Grant Hanna.

Joyce Hickman, Charlotte Bezner, Jackie and Donna Woodward were visitors. Other members present were David Marnell, Donald Vasek, Mary Ann Hoffman and Beth Bezner.

Local achievement awards were presented in a meeting of Merry Maidens 4-H Club Friday in Community Center. Thelma Warren served as mistress of ceremonies and Mrs. Rita Huckert, Assistant County Home Demonstration Agent, installed club officers.

Members' mothers presented the awards after an explanation by Mrs. Leo Witkowski. Mrs. F. A. Marnell gave recognitions. Joan Grady registered guests, who were introduced by Sandra Yocum after the invocation by Sandra Fry.

Awards in achievement went to Patricia Herr, Dorothy Marnell and Jane Witkowski; in bake show to Teresa Engler, D. Marnell and J. Witkowski; in beautification of home grounds to T. Engler, Margie Paetzold and Wanda Paetzold; in food preservation to Patsy Paetzold and J. Witkowski.

In clothing to P. Herr, Christine Marnell, D. Marnell, M. Paetzold, W. Paetzold, P. Paetzold, Julia Urbanczyk and T. Warren; in public speaking, in garden and in leadership to D. Marnell; in money management to T. Engler, G. Marnell and P. Paetzold and in safety to P. Herr.

Method demonstration county winners were C. Marnell, D. Marnell, Karen Scott, Mary Ann Vance, Mary Kay Wagner, Lou Ann and Jane Witkowski.

Making presentations were Mmes. Paul Engler, Raynold Herr, Ed Paetzold, Lester Wagner, Walter Paetzold, John Warren, Elbert Vance and Paul Scott. Other visitors were Mmes. F. A. Harnell, Wayne Yocum, Nolan Grady, Victor Estrada, Warren.

Those who took office for the current year were Jane Witkowski, president; Patricia Herr, vice president; Connie Walker, secretary; Patsy Paetzold, treasurer; LaNita Herr, reporter; Thelma Warren, drill leader; Dorothy Marnell, Council delegate.

Members of the achievement committee are Patsy Paetzold, Dorothy Marnell and Mary Kay Wagner.

Other members present were Elsa and Mary Helen Estrada, Taffy Herr and Anita Warren.

EDUCATION ON TOUR

NEW YORK (AP) — More than 40 of Columbia University's leading scholars will go "on the road" this year, visiting more than 30 major cities of the nation as well as at least eight foreign cities in connection with the Columbia Lecturers program.

The speakers, including professors, deans and the president of the University, will lecture and hold public discussions on national and world issues. The program was created three years ago.

Among the cities on this year's schedule are Paris, Hong Kong, Tokyo, Rome, Caracas and London, as well as Chicago, Houston, Salt Lake, Seattle, Boston, Philadelphia, Washington, Palm Beach, Detroit, Little Rock and San Francisco. In the past the lectures have drawn hundreds of alumni, civic leaders and prominent citizens from the areas where they were held.

OUT OF BOUNDS—Gary Victor runs out of bounds avoiding the pursuit of a Tulia player and also stopping the clock as the Whitefaces fought against the clock last Friday and lost as they dropped their second game of the year to Tulia 6-0. The loss destroyed any hopes of Hereford winning the district crown this year. (Staff Photo)

Hereford Guns For Mighty Champions In Friday Clash

SWC Teams May Be Cut From Nation's Bowls

By HAROLD V. RATLIF
Associated Press Sports Writer

The way Southwest Conference football teams have been cutting each other up, there arises the possibility that the league might not have more than one bowl team this year.

The conference will get in a bowl because it is automatically host in the Cotton Bowl. Also even if there is a tie for the championship, there are rules that decide which will get the Cotton Bowl spot.

BUT IF the records of the other teams aren't good enough to warrant a bowl bid, then the league will just have to content itself with the Cotton Bowl team.

This wouldn't be very satisfactory with the conference, which has prided itself on the number of teams getting into bowl games each year, and the good record now being made. Also getting money for its members.

The biggest bowl day for the conference was last January 1 when Arkansas beat Nebraska 10-7 in the Cotton Bowl to finish the season undefeated and untied and become the selection of the Football Writers Association for national champion, Texas, which lost only to Arkansas because it hadn't been the national champion, Alabama, 21-17, in the Orange Bowl.

The conference had three teams in bowl games since Texas Tech made it to the Sun Bowl but lost disappointingly to Georgia. Yet the conference profited by that, too, since the schools all shared in Tech's check for appearing in the game.

And there's even more incentive to get into bowl games this year because the "take" has been increased.

The participating teams in the Cotton Bowl will receive at least \$225,000 — about \$20,000 more than ever paid before.

In the past the conference champion was allowed to keep only \$60,000 plus travel expense, which never was much.

That meant \$145,000 was paid back to the conference by Arkansas last winter. It was cut up eight ways.

And it raises the ante each year in order to better meet the competition of the other bowls.

There have been instances of teams putting themselves on the hook trying to get into the Cotton Bowl. But no one was disgruntled when it didn't get the bid because it hadn't been promised in the first place.

It seems a very just rule. The teams were finding it difficult to make it on \$60,000, especially if the band and accouterments were taken along. And the other schools in the conference were receiving about a third of what the participating team got and didn't do anything but stay home and watch the game on television.

THEY MADE a profit while the team that made it possible for them to get a chunk of cash for doing nothing was winding up with little, if any, to put in the athletic treasury.

The way the conference went about getting more money for the Cotton Bowl teams was to raise the price of admission from \$5.00 to \$6.00. This allowed the conference to hike the take to \$100,000 that a team can keep from its receipts.

The Cotton Bowl is a most efficient operation and it, apparently never has had a disgruntled team, even those that didn't make it. The Cotton Bowl doesn't get a team on the hook and turn it down when another appears to be a better attraction. It just doesn't invite unless it means it.

There have been instances of teams putting themselves on the hook trying to get into the Cotton Bowl. But no one was disgruntled when it didn't get the bid because it hadn't been promised in the first place.

Seek To Mar Demons' Unblemished 9-0 Slate

Although Hereford was knocked out of District contention last weekend by the Tulia Hornets, the herd will still be gunning for the mighty Demons here Friday at 7:30 p. m.

Dumas has an unblemished 9-0 record for the season and has only allowed their district opponents to score nine points against them in conference play.

Hereford will be seeking to put the only black mark on their record this year before the Demons go into bi-district play with Odessa Ector Thanksgiving Day.

At the present time Dumas is rated number one by many of the polls in the state and rated number two by others.

THE DEMONS have not won a state championship since 1952 when they defeated Pharr-San-Juan-Alamo.

During the 1961 football season the Demons took their first state title when they defeated Nederland by a slim 7-0 margin for the title.

Dumas managed only to win one of the playoff games in 1963 when they defeated Seminole in the bi-district game, but dropped the next game to McKinney.

In 1964 Dumas was unable to get past bi-district when they were defeated by Andrews.

BUT, this year, sports experts seem to think the mighty Demons will go all the way to the state championship for the third time in the history of the school.

Some of the things which lead them to believe Dumas can win the title is their winning tradition, the fact that they can move the ball very well on the ground and their brick wall defense.

Dumas has eight men which average four yards or better running with the ball on the ground.

Steve Burks (after the Tulia game) had carried the ball 52 times for 373 yards giving him a 7.2 yard average.

Tim Galloway carried the ball 35 times for 251 yards also for a 7.2 yard average.

Ronald Robbins has carried the ball 49 times for 324 yards giving him a 6.6 yard average.

BOBBY McVicker has carried the ball 62 times for 357 yards for a 5.8 yard average.

Mike Slagle has carried 39 times for 215 yards giving him a 5.5 average.

Cody Freeman has carried 74 times for 361 yards for a 4.9 average.

Glenn Bonner has carried 29 times for 113 yards giving him a 4.6 yard average.

Danny Cothren has carried 15 times for 67 yards for a 4.5 average.

Slagle suffered a knee injury and may not see any action against the Whitefaces.

DUMAS has rushed for 108 first downs and has passed for 296 first downs against their opponents this season.

The Demons have intercepted 14 of their opponent's passes in season's play.

Bonner has attempted 47 passes and completed 19 for 231 yards.

Galloway has attempted 30 passes completing seven for 214 yards.

Bonner has passed for two touchdowns, Galloway for one, and McVicker for one.

In last week's game with Perryton Dumas gained 394 yards rushing while holding the Rangers to 64. The Demons passed for 22 yards and limited the Rangers to 16 passing.

DUMAS scored seven points per quarter for the first three stanzas and then really cut loose during the fourth period scoring 19 points.

The Demons defeated Muleshoe 28-7; Tulia, 14-0 Canyon, 22-0, and Perryton, 40-2.

The closest game this season for the Demons was when they barely slipped by Lawton, Okla. 20-19.

Coach Jimmy Keeling of Tulia said "Dumas is a quick team and has a way of getting away from you."

PROBABLE starters for the Demons on the line will be Billy Frye, center; Marshall Rigdon and Billy King, guards; Larry Lewis and Gary Hall, tackles; Robert David and Wayne Hartrider, ends.

In the backfield for the Demons will be Tim Galloway, quarterback; Mike Slagle (if his knee heals up) and Steve Burks, halfback and Cody Freeman, fullback.

Probably one of the better receivers for the Demons is Roy See HEREFORD Page 3

Bees Wind Up Season Today, Clash With Tulia

Hereford Whiteface B-team members will try to win their final game of the season today at Tulia at 7:30 p. m.

THE BEES will be going into the game with a 6-2-1 season record after defeating the Friona Chiefs last week 12-0.

Coach Don Dorman said the Hornets will be a tough contender and the Bees will have to put out an extra effort to overcome their strong offense.

Jimmy Childers and Randy Kriegshauser scored for the Whitefaces in last week's game with the Chiefs.

KRIEGSHAUSER scored first on an option play from three yards out with the extra point conversion play failing.

Childers scored the second run from two yards out and once again the points after attempt failed.

Dorman said all of the men played well on defense, never letting the Friona team pass the Hereford 20.

Sid Shaw also did a good job alternating from center to quarterback in the game.

IN DEAF SMITH COUNTY

Hunting Season In Full Swing

The fall hunting season in Deaf Smith and area counties is getting into full swing this week and hunters will have a variety of animals to seek out.

Quail season opened Saturday in the county with a limit of 12 per day and possession limit of 36 birds.

The season on quail will remain open till Jan. 31, 1966.

SEASON on deer also opened in Deaf Smith and surrounding counties. The season will continue through Nov. 29.

Limit on the deer is one deer, buck or antlerless.

Those sportsmen interested in turkey also began hunting Saturday and can continue hunting through Nov. 29.

Limit on the turkeys is one bird either sex.

HUNTING season for Ducks and Coots will open Nov. 24 and will continue through Jan. 2, 1966.

Shooting hours for these birds will be sunrise to sunset.

The season is closed on fulvous tree duck and blackbellied tree ducks.

The season on Geese and Brant is in full swing after opening Oct. 30 and will remain open till Jan. 12, 1966.

SHOOTING hours on the geese and Brant is the same as on the ducks.

Bag and possession limits for the first day of the open season on these birds will be one day's limit of the species of game.

One fully feathered wing must be retained on all harvested migratory game birds in the field or while in transit to the abode of the hunter or to any public storage place.

The daily bag limit on ducks is four. Daily bag limit on Coots is 10 with the possession limit set at 20.

The daily bag limit and possession limit on Geese and Brant is five.

Junior Hi Cagers Start Play Monday

Basketball season at Stanton Junior High School began this week as 120 boys turned out for the seventh and eighth grade teams.

COACH RAY Don King said 20 boys will be selected for both the varsity seventh and eighth grade teams and the rest of the boys will play on the Junior High B-teams.

King said the officials had not completed the schedule for the two teams, but by the first of next week the slate should be available.

The first game for the teams will be Monday with Dimmitt at Dimmitt.

GAME TIME for the seventh graders will be 5 p. m. with the eighth graders playing immediately following the seventh and the ninth graders playing following the eighth graders.

Coach Harold Sides will be mentor for the freshmen all players.

Seventh grade cagers work out everyday from 11:05 a.m. till noon and one day after school during the week.

EIGHTH grade players work out every day from 2:30 p.m. till 3:30 p. m. and one day a week after school.

The coaches said that nearly all the games will be a tri-meet.

like the first one with all three teams meeting.

High school B-team varsity players are scheduled to open Nov. 23 against Dimmitt at Hereford.

Herd, Rangers Tie For 2nd In Conference

Hereford and Perryton are still tied for second place in District 1-AAA play this week.

Both teams have a 2-1-1 record for district play.

DUMAS, who leads the list with a perfect 4-0 record, will be traveling to Hereford this weekend to clash with the Whitefaces.

Perryton will wind up its season against Muleshoe Saturday afternoon.

Canyon, who is now in the cellar in the district, will end its season Friday when they meet the powerful Tulia Hornets.

This year has proved to be one of the roughest in many for the 1-AAA district will all the teams sporting powerhouse.

DUMAS will clash with Ector Thanksgiving Day for the bi-district championship.

Ector has one final game with Andrews, but like the Dumas-Hereford skirmish, a win or loss will not affect their district standings.

Frosh Try For Comeback To End Season Play

Hereford Freshmen will close out their season today when they clash with the Tulia Hornets at Tulia at 8 p. m.

THE FROSH hope to bounce back from last week's "off night" when they dropped their third game of the season to the Friona Chiefs, 14-0.

Coach Harold Sides said the Tulia team will be a rough team both offensively and defensively.

He said the team will have to toughen up its blocking to hold the offensive powerhouses on the team.

ALSO he said the team will have to fight hard to hold its ground against their tough defense.

The Frosh threatened twice, but both times were unsuccessful in pushing the ball across.

The first threat came in the first quarter when the Freshmen got within the Chiefs' 18-yardline, but a fumbled ball killed the drive.

Freshmen players have marked up a 5-3-1 record for the season.

Tech Makes Big Run For SWC Against Arkansas

Texas Tech makes its biggest run yet at a share of the Southwest conference football championship when the Red Raiders tackle the defending titlists, the Arkansas Razorbacks, at Fayetteville Saturday.

SINCE TECH brings a 5-1 SWC mark into the game against Arkansas' 6-0, the best the Raiders can do is tie the Hogs for the title. In that event, the Raiders would go to the Cotton Bowl at Dallas Jan. 1 for the season Arkansas is 9-0, Tech 8-1.

The 'Gator Bowl at Jacksonville Dec. 31 will get the loser.

GAME TIME for the regionally televised (NBC) contest is 1:30 p. m. The Humble network will carry the broadcast.

Coach Joe Pignatano of the Washington Senators batted .334 in 307 major league games.

INCOMPLETE PASS TO OWEN—Whiteface end Roger Owen reaches high as he tries to complete a pass from Steve Hodges in Friday's game with the Tulia Hornets. Owen did manage to take one beautiful pass in the third quarter for a nearly 20 yard gain. (Staff Photo)

Hereford High-Jinks

by Randy Hagan

Sorry I didn't make Sunday's paper. I spent Saturday in Canyon along with around 20 other Hereford Seniors taking ACT tests. There is only one good way to describe the dratted things. Help!

Last week I happened to be in one of the Freshman English classes just as Martha Kate Aiken was giving a book report. It was something about a 51st dragon, anyway those Freshman can really give interesting book reports. Some of the upper classmen should take lessons, maybe?

FOURTH period Girl's Choir

was singing on the stage in the auditorium Monday when some of the girls kept hearing some kind of scratching noise. Rova Shelton convinced all of the girls on the back row of risers that it couldn't be anything but rats. You can't imagine the affect that had on some of the girls. All it turned out to be was the risers squeaking as the girls moved.

Tulia may have beaten us score-wise, but we certainly have nothing to be ashamed of. The boys worked their hearts out and never let it be heard that they didn't do their best. Some of the fellas really put on an

Bountiful Harvest—Just one of the many turnips harvested at the H. L. Hershey garden proved to be a bountiful harvest in itself, weighing eight pounds. Hershey, who farms 12 miles northeast, raised this giant turnip along with a large variety of other vegetables. (Staff Photo)

outstanding show of drive and determination.

Hereford High owes the town of Hereford a great big thank-you for all of the support and backing they gave the team last Friday. I believe someone said that attendance at the game was the largest ever for an out of town game. Thank-you, Hereford!

LET'S NOT let the results of the Tulla game get us down. There is still our final game, against Dumas. Don't be the one to say we'll never beat Dumas! This just may be the year for that to happen. Our team is just as good if not better than the Demons, all they have that we haven't is a tradition of not losing. It's time they know how it feels to lose to the Hereford Whitefaces. Beat Dumas!!

The Junior and Senior classes of Hereford High School will hold their Annual Supper Friday night before the Dumas-Hereford game. It is to be a Chili supper, lasting from 5:30 until 7:30 in the High School cafeteria. Tickets are children under 12, 75 cents, and adults \$1. Don't miss it!

There will be a dance after the game Friday night at the Community Center. The "Illusions" from Amarillo will be playing. The dance will last from after the game until 12:30. "Ma" Lemons will be there so if nothing else drop by and say "Hi" to her.

Life is very short, and very uncertain; let us spend it as well as we can.

Samuel Johnson
—Randy

Clovis Lions

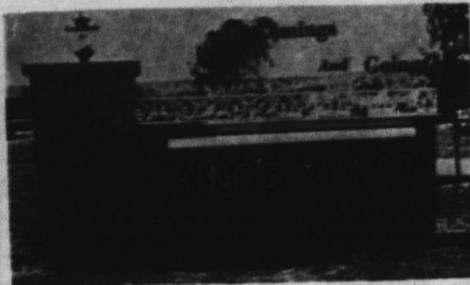

Set Talent Show

The Clovis, N. M. Noonday Lions Club has announced that it will again this year, sponsor a Hootenanny to boost funds for the Lions sight conservation fund.

This year, about 20 schools in Eastern New Mexico and West Texas areas have been invited to send musical groups to the hootenanny.

Each group will be given about ten minutes to perform during the program. The judges of teenage music will decide the first, second, and third place winners, for which trophies and cash awards will be given.

Musical groups are asked to contact Odie Echols at K. C. E. V. if they wish to enter.

Visitors including some young musicians presented recent programs which King's Manor residents have enjoyed. Sunday evening it was a group from Cal Farley's Boys Ranch.

Songs and a play titled Challenge of the Cross made up the boys' program. There were 18 of the visitors, with the ranch chaplain and Mrs. Smith, a music teacher in their school who was accompanist for the songs.

A busload of officials from the Sherrick Retirement Home at Lubbock toured the Manor buildings one day last week.

For the Tuesday evening prayer service, Mr. and Mrs. Zack Pannell of the First Baptist Church brought a choir of young people to sing several selections. The Rev. and Mrs. Weldon McCormick came from Dimmitt to lead the service Tuesday of last week. Their 11-year-old son sang solos.

Another group of visitors from Lubbock in recent days came from Asbury Methodist Church, accompanied by their pastor,

Auxiliary Group Attends Meeting

Five members of the Ladies Auxiliary to the VFW went from Hereford to a district meeting in Canyon Friday evening. The district president, Mrs. Alta Davis, and secretary-treasurer, Mrs. Karrol Rettman, are Hereford members.

Mrs. Davis called the meeting for discussion of district business. Others who went were Mrs. Ada Hollabaugh, local president, Mrs. Orpha Nickerson and Mrs. Nola Ralston.

A regular meeting of the local Auxiliary was held the previous evening in the Rock Club House. Members were urged to pay membership dues before Dec. 31 so that the Auxiliary may receive an award for 100 percent dues.

Mrs. Rettman was appointed to complete a term as hospital chairman, to direct the group's work in entertaining patients at the Amarillo VA Hospital. She reported on the recent sale of veteran-made poppies and announced that Mrs. Hollabaugh was winner for top sales.

The Rev. Wade Griffin. They brought sack lunches and Manor personnel served drinks and shared luncheon in the recreation hall.

The Rev. Don Davidson made a business trip to Abilene the first of this week.

Mrs. Ola Davis has gone to Durango, Colo. for a few days visit with her son.

Letters to the Manor from Mr. and Mrs. L. C. Thomas, on vacation in Alabama, report that they are having a pleasant trip and that the weather is fine. Mr. Thomas is business manager at King's Manor.

Mrs. C. H. Fisher has been in East Texas on business for a few days.

Another visitor is to give a program Friday. Brother Dennis Sennett of St. Anthony's Catholic Church will speak and show pictures.

Family Dinner Marks Birthday

A birthday dinner was given for Olen Roscoe McCutchen, 65 years old Saturday, when his wife and son, Conley McCutchen, were hosts at the family home, 213 Knight. Relatives and several friends were entertained with dinner and games of 42.

McCutchen, who has lived in Hereford since 1934, has been an employee of Packard Milling Co. the past 18 years.

His children present with their families included Mrs. Lettie Lee Conley of Lubbock, Mrs. A. L. Alexander, James P. McCutchen, Mrs. Harold Simons and other guests were Mrs. Kenneth McCalf and son of Lubbock, Mr. and Mrs. John I. McCutchen and daughters, Mr. and Mrs. Leon McCutchen and family, Lola Menasco, Robert McCalf and Gerald S. Burney.

Hereford . . .

bert David. On the other hand the Whitefaces are determined to win the game and also have some good yardage gainers in Gene Drummond and Wynn Buck.

THE PASSING ability of Steve Hodges can not be over looked as well as the receiving ability of Roger Owen who has picked some almost impossible passes out of the air this season for some impressive yardage.

Hereford also showed a tremendous defensive battle against the Tulla Hornets gaining 287 yards which was four more than the Hornets' 253.

The Herd also held the Tulla team to seven first downs while gaining 12 in the game.

Wood cellulose, tree-derived source of paper, is the fibrous part of wood. It is made up of countless fibers which are two to four millimeters in length and finer than human hair.

H. D. CHATTER

Turkey Quantity Guide Is Given

By ARGEN DRAPER
Home Demonstration Agent

From year to year, it is easy to forget how much turkey to buy for the holiday dinner. This is a guide. For each generous serving of roasted whole turkey allow three-fourth to one pound for birds weighing less than 12 pounds; one-half to three-fourth pound for birds weighing 12 pounds and over.

Also, consider how much variety of other holiday foods you will be serving. Usually one-third pound is sufficient with so much of everything else.

THERE SHOULD be pecans aplenty this season. The current pecan crop is estimated to be the second largest on record. This large crop should result in more attractive price tags on pecans — and this should be a boom to homemakers who like to use them in many desserts and dishes.

To shell or not to shell pecans may be a concern of homemakers. You will save time effort by buying shelled nuts, but you will most likely save pennies by shelling them yourself. Pecans are about half shell and half meat by weight. It takes two pounds of nuts in the shell to make one pound — or about four cups — of nut meats.

When you buy pecans, remember that the way they are packed and treated affects the length of time they remain high in quality. Nuts in the shell keep longer than shelled ones. Nuts packed in vacuum containers longer than those in film bags. Whole meats keep longer than chopped nut meats and unsalted nuts retain their flavor longer than salted ones.

If you choose nuts in the shell, look for those which are clean and free from scars, cracks and holes. They should be well-fitted and filled so the kernel will not rattle!

THE PECANS from the Jim Bob Allison orchards are good; have you tried them? They are tasty and easy to shell. I wonder how many people in this area have enough pecan trees producing or planted for commercial purposes. I have been told that this is a good business as the pecan business should be good for many years.

This could be a good shade tree and a number of them could be profitable. With Allison's pecans and locally produced sugar — the candy is turning out real well this month. I hope to soon get the team of candy makers busy on the big program we will have. Could we

call the candy making "The Candy Circus"? We will have four or five interesting candies being made at the same time.

MRS. FLOYD Dunavant was the first to call the recipe for Glorified Rice. Mrs. Archie Love is happy with this recipe, again.

GLORIFIED RICE
1/2 C. whipping cream
1/4 C. sugar
1 C. small marshmallows
1 small can crushed pineapple
2 C. cooked rice — cooled
Whip cream, add sugar, fold in marshmallows, pineapple and rice. Let stand in refrigerator one to two hours before serving.

WHAT IS the largest pie-melon you have ever seen? Mrs. William McGehee gave me a monster. I had used pie-melons about the size of a cantaloupe. But — this one weighed 33 pounds and is shaped like a watermelon.

This is Mrs. McGehee's recipe for Pie Melon Preserves — Cut melon into small cubes. Cover with water. For 3 quarts of pulp — add 1/2 cup vinegar. Boil until pulp is tender — Drain — For each cup of pulp — Add a cup of sugar — To each small melon, use 1 small can crushed pineapple and 1 small orange, sliced thin-Cook until syrup is thick. May use lemon rind. Seal in hot jars.

ANOTHER goodie for this season is Pear Mince-meat. The recipe is contributed by Mrs. Slim Hudson.

PEAR MINCEMEAT
7 lb. pears-ground
1 1/2 lemons — ground
2 lb. raisens — ground
6% C. sugar
1 C. vinegar
1 teas. cinnamon
1 teas. nutmeg
1 teas. all spice
1 teas. ginger
Mix all together and simmer 40 minutes. Seal

MRS. HERBERT Duncan has declared war on all insects. The helpful hint of the week — place Boisd'Arc apples around the place and they prove to be too rough for the insects. The Boisd'Arc is what we call Osage Orange, but if you want to be technical — it's Toxylon Pomiferum. No wonder it controls the bugs.

THIS PAST week has been full with — Three home demonstration clubs; Executive Committee of County Program Building Committee; Food preparation demonstration; Bi-district

meeting in Lubbock; Messenger Home Demonstration Club Achievement Dinner; Gold Star Banquet; Completed 1966 Plan of Work.

LAST WEEK, at a foods preparation demonstration given by two demonstrators from industries, there was a near tragedy. Things were going fine until it was discovered they had failed to bring a can opener for the canned milk. You can imagine how difficult it is to remember everything when taking food and equipment to a place for a program.

Tom Draper sensed the distress and rose to the occasion and the stage and with his picket knife opened the milk. It seemed so fitting for he husband of a home demonstration agent to be an expert at opening cans.

CAT DEPARTMENT — At the Alvin Smith house it's Happy Days Are Here Again. The Siamese cat has returned! And after three month's absence. A woman living about two miles away called that a cat had come to their house and it was hard to believe that it was their very own tomar. Anyway he's lost some of that smug air that he once had. He's happy and trying to be a good citizen.

ORDER to teller by a nervous bank robber: "Don't stick with me, this is a mess-up!"

Do-And-Don't List Given On Candy Cookery

"Do and don't" suggestions for good results in candy making were given by Mrs. Argen Draper, County Home Demonstration Agent, on a program of North Hereford HD Club Monday morning in the home of Mrs. Clinton Ward. Mrs. Draper made candy to illustrate the points.

Don't double a candy recipe and don't use a metal spoon to stir the syrup, she said. On the positive side, do use a dependable recipe and proper equipment, mix ingredients before cooking, and cool the candy to 110 degrees before beating it, Mrs. Draper added.

Mrs. Paul Hoff presided for business. Plans were completed for the club's annual Thanksgiving supper to entertain families of members. It will begin at 7:30 p. M. Thursday in Community Center.

The hostess served coffee to a guest, Mrs. James A. Brown and the members who answered roll call by naming favorite candies.

The library of the State University College of Forestry at Syracuse, N.Y., contains nearly 100,000 volumes on the subject of forestry and related subjects.

Medical Auxiliary Sets Yule Project In Motion

Project Christmas Card, the annual campaign in which Hereford Medical Auxiliary raises funds to purchase special equipment for Deaf Smith County Hospital and to award a nursing scholarship, will be launched immediately after Thanksgiving, members decided Monday.

Project plans were shaped at

a morning meeting in the home of Mrs. Weslie B. Owen. Use of posters and other publicity media was discussed with Mrs. Joe B. Whitley, Auxiliary president, presiding.

A listing is published each year by the Auxiliary of residents who contribute to the project as a means of sending hol-

iday greetings to friends in the community, instead of sending cards.

With funds thus raised, the Auxiliary buys needed equipment for the hospital and gives scholarships to high school graduates here who wish to study for nursing careers.

After the business meeting Monday, Auxiliary members had luncheon together and then played bridge.

Mrs. John Smith and Mrs. W. J. Messick were guests. Members present included Noble

Ballard, Bruce Beene, John H. McCrary, M. W. Nobles, Roy J. Grubbs, A. T. Mims, Zimmerman, C. E. Rush and J. D. Hamblen.

Card Of Thanks

We wish to thank the doctors, nurses, dietician, and all who were so thoughtful in giving their time in visiting, sending flowers, and sending cards during my recent illness in the hospital. Your thoughtfulness has meant more than we will ever

be able to express and may God bless each of you.

LAKE MEREDITH'S HARBOR BAY..... *where the Action is!*

HARBOR BAY MEMBERSHIPS TO BE SOLD BY LIONS CLUBS

Gid Brownd, O. Z. Golden and Barney Wiegand complete plans for Harbor Bay Club membership sales in Hereford. Memberships to the exclusive Club will be sold by Hereford Lions Club. The Harbor Bay Club facilities to be located adjacent to the Harbor Bay residential development at Lake Meredith include a clubhouse, marina, swimming pools, dining and tennis area in addition to wet and dry boat storage. Interested parties may ask any Lions Club member for information and details. Membership choices include both dues paying and lifetime memberships. Plans now set the tentative opening date as sometime early spring. A board of directors elected from the membership will work closely with Tommy Martin Realtors and Great Plains Development Corporation in administering the club plans.

Be Ye Thankful

The human is at his best when he prays... when he reaches up to the Divine. *That's when time becomes part of eternity.* As when the pilgrims were struggling to make a go of it and even more so, we need to pause, take stock and thank God. *Gratitude is a high virtue.* Our cause to praise God is great. Our fathers bequeathed us rich land, good example and sustaining ideals. We must not inherit one without the other. The generous harvest of every year is ours and His. And His is the larger part for God has always been at work. What have we done to merit such blessing? *We should join the call to worship this Thanksgiving Day, in the church of our choice... Consider why we should prosper as no other people on earth, fall on our knees and speak loud our thanks to the God of all.* Your own soul will be aglow and your Thanksgiving dinner will have more taste if you will first remember Him, and if you will feed and clothe some other person, in His Name. This stimulating fellowship with God and our fellows could make this our greatest Thanksgiving Day. Then, "Come, ye Thankful people, come, and raise the song of Thanksgiving."

You In The Church
The Church is You... have a questionnaire for you... every man, woman and child... the influence of the church... Be, come let us go into the house of the Lord... let us support our program of service to humanity... be a faithful worker, a daily bible reader and attend services regularly.

Small Talk

By SUE COLEMAN
Women's Editor

Somebody fires off an objection, every once in a while, at personality tests and aptitude tests of the kind given to students and job-seekers. Usually the charge is that they are an invasion of privacy, unconstitutional and too nosy. Some objectors get quite bitter about them, but those angles don't bother me.

My complaint about the tests (Oh, sure, I've got one) is that they don't leave you room enough on those little lines to write your answer.

They presuppose that all their questions can be answered with a yes or no, or a check mark to indicate: Frequently, sometimes, or never. Not those questions, they can't.

Trying to discover whether you tend to be social or anti-social, they don't ask you pointblank. They sneak in several dillies like "Do you prefer go dancing with friends or watch a television show?" And there isn't room to reply, "It all depends on whether I got a good night's sleep last night, and my beige crepe is back from the cleaner's, and that clumsy Joe Doakes who always steps on my feet is going to be in the party, and the late movie is a decent one, and..."

They ask whether you usually like the people you work with, but you don't have a chance to say "Well, there is Jane Doakes

and I'd like to see anybody stay in the office with her for a week without..."

They ask if you enjoy long motor trips, or scuba diving, or symphony concerts, and anybody knows the answer often must be "Yes, if..." or "No, unless..." or "I don't know because I've never tried that!"

They ask if you prefer red or blue and you can't get your own question in, to wit: "To wear to a football game or to church?"

Nobody has ever given me one of the tests with any serious purpose, but more than likely I'd flunk out with too many write-ins of "Maybe". Those that I've taken for a pastime, usually printed in magazines and headed "How Do You Rate As a Housewife?" (or employee, or community leader, or neighbor) nearly all wound up that way.

And my decisive answers seem to be wrong, anyhow. The latest magazine test I took indicated that my creative ability is extremely high although it must rate around zero. (Note to Naomi Hopson — But it sort of worries me.)

ANOTHER THING about those tests that shakes my faith in them, is the ease of giving deliberate wrong answers, especially in surveys where no names are used and the results are compiled in statistics.

Even a kid in the fifth grade is likely to think how fun-

ny it would be to shock the teacher with a wildly slanted answer, and my bet is that some of our alarming reports of teenage thinking are due to the fact that few red-blooded American youths could resist the temptation to check a survey sheet indicating belief in communism, free love, atheism and anarchy.

Not unless this generation has completed lost its sense of humor.

DELIBERATE wrong answers even with name used, are as likely to be found on personality sheets as any other job application forms, if the applicant thinks he will get a better job by indicating certain personality traits.

Such as one of my acquaintance, whose questionnaire showed all the characteristics of a forceful salesman, so he was hired on the basis of the tests even though his appearance and manner were not overpowering.

Neither was his sales record, but the personnel manager was waiting weeks later for the promised dynamic drive to develop, still not questioning the test result.

With the growing use of data processing machines to evaluate the tests, there is going to be more of a temptation to give the answer you think is wanted, and less opportunity of the resulting misfits being weeded out. Yes or no?

Easter News

By RUBY STONE
Brand Correspondent

Harvest is almost completed in Easter Community, with grain stacked almost as high as the building outside the Community Grain Building.

There will be a turkey shoot at Easter Community Grain bldg. sponsored by the Easter Lions Club on November 20.

Earl Harkins is recovering nicely from his recent accident.

Easter Lions Club met November 8 at the Easter Country Club with 50 members present. They meet every 2nd and 4th Monday of the month. An auction was held after the meeting.

Mr. and Mrs. J. D. Adams of Hereford are the parents of a 6 pound, 9 ounce boy, born November 11. Mrs. Adams is the daughter of Mr. and Mrs. L. E. Halslip. On the same day Mr. and Mrs. L. F. Halslip became the parents of an 8 pound, 4 ounce boy. L. F. Halslip is the son of Mr. and Mrs. L. E. Halslip. The babies were born about four hours apart in Deaf Smith County Hospital. Congratulations to the happy families.

Here man Petzold escorted his daughter Linda to the FHA box supper Monday night.

Ginning at the Easter Gin is at a standstill, only a hundred or so bales has been ginned to date. Two strippers moved out yesterday so gin employees expect to be busy by next month.

Little Laura Downing is at home after a stay in the Deaf Smith County Hospital. She is reported to be doing well.

Denise and Sharon Stone spent Saturday afternoon visiting Sandra Kay Medley in the W. A. Epperson home. The girls spent the afternoon riding horses.

Ann Scarborough went to Canyon with the band last Saturday.

Mrs. J. H. H. visited Mrs. Artie Cone in Plains Memorial Hospital last Sunday afternoon.

Mr. and Mrs. W. O. Markley visited the E. A. Barker family in Dimmitt Saturday night.

At a meeting of Easter Club Thursday afternoon in the home of Mrs. W. O. Markley, eight members were present and one visitor: Nadine Hall, S. T. Walton, Emmerald Epperson, Anna Margaret Moss, Anna Mae Burnett, Becky Maxwell, Ruby Stone and Ethel Farmer. The club voted to have a Thanksgiving supper at 7 p. m. Nov. 20, at the community house. All who wish to come are invited to bring a covered dish of meat, vegetable and dessert.

Mr. and Mrs. R. B. Modley and granddaughter, Kellie D. Howell of Hereford, had dinner Sunday in the W. A. Epperson Home.

Mrs. Ruby Stone and Mrs. Ethel Farmer of Fontana, Calif. visited Mrs. W. A. Epperson Saturday afternoon.

Mr. and Mrs. E. A. Barker of Dimmitt visited the H. O.

B&PW Accepts Civic Project

A community leadership program which the Deaf Smith County Program Building Committee asked the Business and Professional Women's Club to sponsor, was accepted as a club project by vote of B&PW members Monday evening.

The club met in First National Bank Community Room with Mary Bourn and Marian Davis as hostesses. Sam Morgan, chairman of a committee to arrange the leadership program, and Juston McBride, County Agricultural Agent, were guests to explain the proposal to club members.

McBride is a representative of the State Extension Service, which has planned the community leadership program. Kathleen Baker, B&PW Club president, is a member of the committee headed by Morgan, which was named recently by the county Program Building group. Other members are Hugh Clearman and the Rev. Don Davidson.

The leadership program is expected to get under way after the holiday season.

Legislation Committee members, Sophie Snare and Iva Cavanaugh, presented the club program Monday. The subject was Minding Your Legislative P's and Q's.

They discussed reasons why the B&PW Club is interested in a legislative program, the resolutions adopted this year by state and national B&PW concerning proposed legislation, and the state Commission on Status of Women appointed by Gov. John Connally.

Three proposed new members were voted into the club. Invitations were read to a Public Relations Dinner of the Dumas B&PW Club and a Civic Participation Dinner of the Plainview club. Mrs. Baker presided for business.

FIREMEN ANSWER CALL TO MALL

Fireman answered a call Monday to The New Sugarland Mall, where several wooden supports in the ceiling of the mall, which is under construction, were smoldering.

Firemen reported that apparently the fire was ignited by welders, and smoldered awhile before being noticed.

The most famous geyser of Yellowstone Park, Old Faithful, is really quite fickle. Contrary to the popular belief that clocks can be set by the hourly eruptions, Old Faithful blows its top anywhere from 23- to 94-minute intervals. The average is around 64 minutes, but only half the eruptions occur within five minutes of this average.

Display Of Art Opening

Opening of the Hereford Art Guild's show and sale, an event which members hope to repeat annually, is scheduled at 1 p. m. today in the Norton Building at 228 Main Street. The public is invited to see the display from 1 to 5:30 p. m. each day through Sunday.

No admission fee will be charged and visitors will be free to browse and study the paintings at leisure. Many of the pictures, suitable for holiday gifts, will be on sale.

Organ music is planned to entertain show visitors. Members of the Art Guild worked Wednesday to hang the exhibit and will complete the task Thursday morning. Ruby Lee Hickman is general chairman of arrangements.

Work of the uild members and also a number of non-members will be on display. Entries have been made from Vega and other nearby cities.

Silage Pit Fire Spreads To Grassland

An estimated 12 acres of grass land was burned Monday afternoon on a farm owned by Waymon Ethridge.

Workers at the Ethridge farm told firemen that they found two small fires burning in a silage pit, and when they attempted to remove it from the pit, the grass caught and was fanned by high winds. Slight damage was done to fence posts.

ONCE IN A LIFETIME!

INSTALL
LOCK SEAL
FORGET IT!

Lock-Seal is designed to give dependable service.. year after year!

LOCK-SEAL rubber gasket joint irrigation pipe offers many advantages for the farmer, but one thing that LOCK-SEAL users always appreciate is its permanency. Install LOCK-SEAL irrigation pipe and then forget it! It's that dependable! The difference is LOCK-SEAL'S flexible rubber gasket joint. It eliminates expansion, contraction and soil movement problems that may cause trouble for other types of underground pipelines. Over 4000 irrigation farmers have proven that you can count on year after year of trouble-free service when you count on LOCK-SEAL and Gifford-Hill-Western.
