59TH YEAR — NO. 1

Around Town

School children had better start hoping for clear skies now. They have missed four days because of bad weather and that is about all the present school calendar can allow. If there are any more interruptions for classroom work, the school term most likely will be extended.

There are 1,083 persons in Deaf Smith County who don't have to worry about standing in line of Jan. 30. They are the ones who have already purchased poll taxes. Tax collector Dave Alexander and his crew would appreciate your patronage early.

District Judge Harry H. Schultz will be in Hereford Thursday to conduct pre-trial hearings on civil cases. The hearings are scheduled to start about 10 a. m.

If you don't have a snowman in your front yard by sunset Thursday it probably means you don't have small children. They were rearing to get outside Tuesday, when the adults were fooling for a warm place inside.

Activities seem to come in bunches around here. Take Thursday night, for example. (Continued on page 2)

Hold Wednesday Rites For Mrs. W. A. Hunter

Funeral services for Mrs. W. A. Hunter, 87, of 188 W. 3 in Hereford, were held Wednesday at 2 p. m. in the First Presbyterian Church with the Rev. Russell Wingert, pastor, officiating.

Mrs. Hunter died in the Deaf Smith County Hospital Monday at 2 p. m. She was born Sept. 22, 1872, in Sharp County, Ark. She was married to W. A. Hunter Dec. 6, 1893, in Sidney, Ark. She came to Texas in 1897 from Arkansas and came to Deaf Smith County in April of 1936 from Castro County.

She is survived by her husband of Hereford; three sons, Kenneth and Ujman, both of Hereford and Finis, of Nevada, Mo.; a daughter, Mrs. M. L. Simpson Sr. of Hereford; 19 grandchildren and 27 great-grandchildren.

Interment was in Rest Lawn Cemetery under direction of Gilliland Funeral Home.

An expected slam-bang finale to the third annual Hereford

Bond Set After Forgery Charge

Two charges of forgery have been filed against Nellie Saiz, 19, of Hereford, by the Deaf Smith County Sheriff's Department. She has been placed in women's quarters of Randall County Jail in Canyon, in lieu of \$5,000 bonds in each case.

Investigating Deputy Sheriff Bill McCarver of Hereford said the woman has been charged with cashing at least two forged checks at Hereford businesses, and that it is believed the woman cashed six forged checks at local businesses on or about Dec. 23.

Miss Saiz was arrested Jan. 1 when a \$45 forged check was recovered by the County Sheriff's Department and was charged in the second case Jan. 4, when the department recovered another \$45 forged check.

Golden Gloves District Tournament was scheduled to be unreeled Thursday night at 8 p. m. in the Bull Barn after a two-day postponement.

The first night fights were held Monday but the finals were called off from Tuesday and moved to Thursday after heavy snow made it impossible for visiting fighters to return.

Three fights failed to go the limit Monday. A knockout and a technical knockout ended

two bouts in the first round and a disqualification stopped another in the second.

Finals for Thursday have some of the top fighters in the area matched in what should be crowd-pleasers. Sixteen bouts are scheduled, seven in the open division and nine in the high school division.

One of the best bouts scheduled should be between Manny Perez of Amarillo and Gary

Growth Trend Reflected In 1959 Building Permits

Both residential and community building activity zoomed to a near-record high in Hereford during 1959, when more than 1 1/2 million dollars in permits for new building or changes in existing structures were issued by the City of Hereford.

A total of 133 permits were issued during the year for \$1,519,361 to set the second highest tabulation in the history of the city. The record totals \$2,028,295 in permits issued in 1955.

Compared to 1958, last year recorded \$695,061 more than the previous total.

Indications of a boom year in building started on Jan. 5, when a building permit for the addition of a cafeteria and administration facilities and a gymnasium classroom structure at Stanton Junior High was issued to Hereford-Rural High School District, totaling \$307,500.

In February, a permit was issued for the construction of a church building, estimated at \$48,000, to the Avenue Baptist Church of Hereford.

A \$107,000 permit for construction of Hereford Community Center was granted May 4, shortly after Killingsworth Construction Company of Dimmitt

Minor Injuries From Derailment

A freight train crew member was treated for minor lacerations and released from the emergency room of Deaf Smith County Hospital Sunday afternoon after four cars of an east-bound, 113-car Santa Fe train derailed between Summerfield and Black, southwest of Hereford.

The crew member, G. G. Gatten Jr. of Amarillo, was taken to the hospital by Kreig-Marcum ambulance shortly after the derailment was reported, at about 4:45 p. m. No other injuries were reported.

Santa Fe officials said the cars derailed when the 39th car uncoupled from the rest of the train. Gatten, near brakeman, was riding in the caboose at the time of the derailment.

The track was cleared Sunday evening. The wreck caused rerouting of the east-bound San Francisco Chief.

The freight train was traveling about 60 miles per hour at the time of the derailment. (Staff Photo)

Wet Snow Gives Boost To County Crop Outlook

More than six inches of snow smothered Hereford and Deaf Smith County in a soft, white, slippery blanket Tuesday and Wednesday.

No major damage or inconvenience was reported as a result of the mild-tempered storm, which was pushed into small-sized drifts by occasional winds.

Installation Of C-C Directors, Officers Slated

New officers and directors for the Deaf Smith County Chamber of Commerce will be elected and installed at a dinner meeting Thursday, Jan. 7. The meeting will start at 7 p. m. in the Western Wheel Inn for directors and their wives.

Installing the new officers, following their election, will be E. O. "Red" Wedgeworth, manager of the Pampa Chamber of Commerce.

New directors for the local Chamber include Bill Dameron, Wayne Phillips, Oliver Streu and Les Combs. Other directors are Curtis Roach, J. R. Johnson, Palmer Norton, Cliff Acker, Earl Cole, Charlie Noland, John Sims and H. C. Baird.

Due to a change in by-laws, which extended directors' terms from two to three years, there are no retiring directors this year.

Outgoing officers for the Chamber include J. R. Johnson, president; Palmer Norton, vice president; and Cliff Acker, treasurer. Cliff Acker is chairman of the nominating committee, which includes H. C. Baird and Charlie Noland.

New officers and directors will be introduced at the annual Chamber of Commerce banquet on Jan. 14, according to Bill Thompson, manager of the Deaf Smith County Chamber of Commerce.

Starting about 4 a. m. Tuesday, the snow continued steadily until about 9 p. m. Tuesday, when it was replaced by clear skies overhead and fog on the ground.

With an extremely high moisture content, the snow caused cancellation of Hereford schools Tuesday and Wednesday and forced postponement of the Hereford Golden Gloves final 15 until Thursday. It also cancelled out the scheduled basketball game at Dimmitt Tuesday night.

Although streets and highways were slick and hazardous, no highways were closed, according to Texas Highway Patrol Sgt. Dan Duggan. Other than minor fender-bendings, there were no traffic or vehicle accidents of importance.

Only significant damage from snow came Wednesday morning when about three-fourths of the aluminum awning on the E. B. Black Furniture Co. building collapsed beneath the weight of the wet snow.

The awning came tumbling down about 11 a. m. Wednesday. Immediately, other merchants on the east side of the 200 block of Main Street scrambled up ladders and started shovelling snow off their awnings, which are similar to that which collapsed. Wooden braces were placed under awnings, some of which had begun to sag.

Tire chains and overshoes became necessary for ease of movement as vehicle traffic packed streets, to skating rink (Continued on page 2)

Ivan Woolsey Services Set

Funeral services for Ivan M. Woolsey, 46, of 312 Ave. B, in Hereford, will be held Thursday at 3 p. m. in Kreig-Marcum Funeral Chapel. Father Aloysius Craven will officiate.

Mr. Woolsey died at his home at 9:10 a. m. Monday after an illness of several months.

He was born Aug. 13, 1913 in Hall, Tex. He came to Hereford in October of 1934 from Dallas and married Juanita Bailey on April 5, 1935, in Hereford. He had been a well driller in the Hereford area for 25 years.

Survivors include his wife of the Hereford home; two sons, Robert and Wallace, both of Hereford; five sisters, Mrs. S. C. Brewton of Hereford; Mrs. James Cheney of Sweetwater, Mrs. J. W. Roe, Snyder, Mrs. Claude Woolsey, Lamesa, and Mrs. Ernest Wigginton, San Saba; one brother, Clinton Woolsey, Grand Prairie, and his mother, Blanche Gordon, Dallas.

Burial will be in Rest Lawn Cemetery under direction of Kreig-Marcum Funeral Home.

District 2-T1 Lions Conference Slated

About 600 Lions and guests are expected in Hereford Saturday and Sunday, Jan. 9 and 10, for the Mid-Winter Conference of District 2-T1, Lions International.

Among the conference highlights will be talks by two Lions International directors and two international counselors, District Governor Don Zimmerman is official host and chairman for the conference.

Deposits Climb To New Record

Deposits in Hereford banks and savings institutions continued their upward spirals during 1959, according to statements of condition as of Dec. 31, 1959.

Total increase in two banks and two savings institutions amounted to \$849,581.57.

Deposits in the four combined for a new high in Deaf Smith County for a single year with a total of \$17,203,021.42. Total deposits for 1958 were \$16,353,439.85.

Two local banks, First National and Hereford State, showed combined deposits of \$13,685,659.68. This actually is a slight decrease, amounting to \$138,913.46, over the total bank deposits of \$13,823,573.14 recorded at the end of 1958.

Two savings institutions, Hi-Plains Savings and Loan and Hereford Texas Credit Union had combined deposits at the end of 1959 amounting to \$3,517,361.74. This is an increase of \$987,395.43 over the 1958 closing statement totals of \$2,529,966.71.

Stanton Accepts New Gymnasium

A spacious gymnasium was used by students for the first time Monday at Stanton Junior High School. The gym is the first unit completed in the extensive addition to the present junior high facilities.

The gym is located in the middle of a large classroom and laboratory building which is nearing completion. The building is the third of three major construction projects which were

contracted by the school district last year. The classroom building is expected to be completed within the next three weeks.

The new gymnasium will be officially opened on Monday, Jan. 11, at 7:30 p. m. when the freshmen basketball teams of West Texas State College and Eastern New Mexico University will play.

Featured attractions at the game will be three members of the 1959 Hereford High Basketball team.

City Clears Way For Widening 60

Hereford City Commission in meeting Monday evening passed a motion to notify property owners along Highway 60, from Ave. K to the east city limit, of intent to pave for widening of the highway along the site, and decided part of the city's airport and dump ground property to the state for widening of Highway 60 at that section.

In other business, the commissioners named Neil Cooper of Hereford as a possible board member of Hereford Zoning Commission. If Cooper accepts the post, he will replace present members N. D. Bartlett, who recently requested the replacement.

ONE OF MANY construction projects in Hereford started in 1959 is the new county jail. Framed by newly-installed window bars, brick layers erect the walls for the structure. Bad weather and material delays have hampered speed on the project, but the construction supervisor says new work is about on schedule. The building is to be completed about Aug. 1. (Staff Photo)

NEW GYMNASIUM for Stanton Junior High was used for the first time Monday. The large athletic facility is located in the same building as new classrooms. The main playing court is 50 feet by 80 feet, with four additional goals on the sides. Folding bleachers, at right, are installed on one side of the gym and will seat about 600. (Staff Photo)

Kiwanians Plan For Installation

New officers and directors will assume duties for the coming club year at Hereford Kiwanis Club's Annual Installation Banquet to be held at 7:30 p. m. Thursday in the ballroom of the Jim Hill Hotel.

To be installed as president is Lowell Sharp, who will replace outgoing president Clint Formby. Others to be installed are Guy Lawrence, vice president, replacing Mark Woodall, and Bartley Dowell, secretary, replacing Bill Patton. Re-elected as the club's treasurer, Walter Seed also will be installed to the post for the coming year.

Also to be installed are four members to board of directors posts, according to installing officer Clint Formby of Hereford, district lieutenant governor.

The local club's first annual "Kiwanis Workhorse Award" will be presented to the most outstanding member during the past year. Winner of the award, selected last week by secret ballot, will receive a plaque. Officers of the club are not eligible to receive the award.

Scheduled to entertain at the banquet affair will be the Burns-Shaw Quartet of Amarillo, a vocal group.

Charge Brothers In Motor Theft

Two Dumas brothers have been charged in connection with the theft of an irrigation motor in Deaf Smith County, which was reported by a local farmer here on Dec. 30.

Arrested in Dumas by the Deaf Smith County Sheriff's Department were Jerry Wayne Williams, 17, charged with theft over \$50, and Ronald D. Williams, 24, charged with receiving and concealing stolen property. Both live at 216 W. 11th St. in Dumas.

Both were released after each made \$2,000 bond Saturday. Jerry Williams was arrested Dec. 31 and Ronald Williams was arrested Jan. 2. Both arrests were made in Dumas by Deputy Sheriff Bill McCarver of Hereford.

The irrigation motor, valued at about \$1,000, was recovered 20 miles northwest of Dumas in a pasture by McCarver. The motor was reported missing Dec. 30 by Elmer Kimball, who farms 23 miles northwest of Hereford.

McCarver said investigation indicated that Jerry Williams took the irrigation motor from the Kimball farm with the purpose of selling it to his brother, Ronald Williams. He said Ronald allegedly planned to truck the motor in his pickup truck.

The motor had been recovered by Kimball, McCarver said. Assisting in arrests were Dumas city police and Moore County Sheriff's Department.

Wet...

(Continued from page 1) consistency. Angle parking on Main Street became an impossibility for cars without chains.

City and state crews worked all day Tuesday in efforts to keep streets and highways open for traffic. Many persons were unable to get into or out of garages, with driveways blocked by drifts up to 24 inches high.

But, despite the discomforts it caused, the snow was a boon to farmers, particularly those who sowed dryland wheat. Official report for Hereford showed 71 inch of moisture from the snow.

With the ground already soaked by heavy rains, snow and sleet late in December, all of the moisture should go into the soil. Since there was little drifting, even in open country, the moisture should soak in evenly.

As the first moisture of 1960, it gives excellent prospects for county agriculture during the year.

Trucks constituted 15 per cent of all registered motor vehicles in the United States in 1958.

The finals of the Golden Gloves will be held in the Bull Barn. They were postponed from Tuesday. Same night, the Kiwanians will install their new officers and directors. Still same night, the Deaf Smith County Chamber of Commerce will install new officers and directors. And still on Thursday, Stanton Junior High's three basketball teams will play in Littlefield.

A two-game road trip is a tap for the Hereford Whiteface basketball team Friday and Saturday, and should be a rough trip. Friday night, they take on the tremendously tall Midland Bulldogs, who are undefeated in 13 games. Saturday they will play Ector of Odessa, another talented team this year.

Mr. and Mrs. Cawthon Bryant, son John David and Miss Nancy Pace of Levelland returned Saturday from the Cotton Bowl game in Dallas. As winner of the Brand football contest, Cawthon had some interesting comments about the Syracuse-Texas game. He said it was a more interesting game than when he won tickets to the Cotton Bowl in 1951.

Don't forget that freshman basketball game here next Monday to officially open the new Stanton Junior High gymnasium. It will match the fresh squads from West Texas and Eastern New Mexico in what should be a dandy game.

How Can I?

Q. How can I remove soot from a light hat?
A. Do not attempt to rub soot off a light hat, or wet it. Just cover it thoroughly with dry salt, and then brush off with a stiff brush. This will avoid any smears which result from other methods.

Q. How can I quickly and easily relieve the pain and discomfort of a fishbone caught in the throat?
A. Cut a lemon in two and suck the juice of the lemon slowly. This helps to soften the bone and will give almost instant relief.

Q. How can I cook quickly and tenderize a tough piece of meat?
A. Try sticking it full of spike nails, and it will cook in half the time. And incidentally, don't forget to remove the nails before serving.

Q. How can I cope with that continuous stream of water that invariably trickles down my arm while I'm washing the walls and ceilings of a room?
A. Try wrapping a washcloth around your working wrist, securing this in place with a thick rubber band.

Q. How can I insure the removal of lint when laundering black garments?
A. By making the final rinse one of vinegar and water in equal amounts. There will be no vinegar odor.

Q. How can I make a tastier pie crust?
A. Try adding just a bit of sugar to each cup of flour used in making pie crust. It will improve both the flavor and texture of the crust.

Ransack Vacant House Monday

Burglars, presumably children, ransacked an unoccupied house at 139 Ave. A sometime Monday evening, according to Hereford Police Department. Through an unlocked window two or more burglars were believed to have entered the house sometime before the snowstorm Tuesday morning, according to investigating patrolman L. B. Bartlett.

All rooms in the house, which is owned by J. K. Fore, presently living in San Antonio, were ransacked. The burglary was discovered by a neighbor, who upon request of the home owner had gone to the house Tuesday morning to light the home heating unit to keep water pipes from freezing.

Fore, a contractor, is living in a San Antonio home during the winter months. Patrolman Bartlett said that some silverware is believed to have been taken from the home. Investigation indicated that the burglary was committed by youngsters, Bartlett said. Bartlett investigated shortly after 9 a. m. Tuesday.

Bartlett said prowlers apparently entered the home through an unlocked window of a bedroom.

The district cabinet meeting will reconvene at 10:45. There will be transportation available for visitors desiring to attend other church services.

The conference luncheon is slated to begin at 11:45 a. m. in the junior-senior high cafeteria. Governor Zimmerman will preside at the affair. Distinguished Lions appearing on the luncheon program will include: Dr. Harry E. Goddard, Lions International Director from Odessa; Dick Self, Lions International Counselor from Dallas; and Jim Ed Waller, Lions International Counselor from Lubbock.

Entertainment will be provided by the "Phil Originals" from Phillips, Tex.

At 2 p. m. there will be a special program of entertainment for the ladies at the Hereford Community Center.

Three forums for Lions Club officers will also start at 2 p. m.

J. W. Robinson of Hereford will lead the presidents' and vice presidents' forums in the high school library. The secretaries' forum will convene in the high school study hall under the leadership of O. K. Gaylor, Pampa. Henry Aycock of Hereford will be in charge of the Tail-twisters' forum, which will meet in the high school boiler room.

A final meeting of the district cabinet will be held prior to the 4 p. m. adjournment.

The gymnasium will be used for junior high boys' physical education and basketball teams. The gym in the old building will be used primarily for girls' physical education.

Playing court in the new gym is approximately 50 feet by 80 feet. In addition to the main goals, there are four goals, two on each side of the court, for extra facilities. The two goals on the south side can be raised out of the way when not in use.

Large bleachers, which fold out of the way when not in use, are located on the south side of the court and will accommodate about 600 spectators. The bleachers are similar to those installed in the high school gymnasium.

There are dressing rooms, equipment rooms and coaches' office on the north side of the gym. The smaller of the two dressing rooms will be used for physical education class students and visiting team dressing room. The larger dressing room will be used by members of Stanton junior high athletic teams.

A large, central shower room is accessible from both dressing rooms.

The coaches' office includes a large window for observation of the gymnasium proper.

A feature of the main court is a painting of a dogie, nickname for Stanton teams, located in the center of the playing area. It was painted by Mrs. O. Wertenberger, Stanton art teacher.

The notice of intent to pave along the highway from Ave. K to Benefield's Corner will be placed in deed records filed at City Hall.

At the close of the meeting, Hereford Mayor Woodrow "Woody" Wilson signed right-of-way deeds over to Texas Highway Department for property along Hereford Airport and the city dump grounds needed for proposed widening of Highway 60, east of Hereford.

During the meeting, City Manager Dudley Bayne said the commissioners were extending an invitation to inspect the newly-completed Hereford Community Center by contractor Woodrow Killingsworth of Dimmitt.

At 2 p. m. Tuesday, the commissioners inspected the Center. Killingsworth was unable to attend and conduct the tour of the building due to hazardous highway conditions between Dimmitt and Hereford.

Last week, Bayne went to Dallas and purchased part of the furnishings to be installed in the Center.

Included in the purchase were sofas, end tables, desks and occasional tables to be placed in the lounge, and corner grouping and occasional chairs and end tables to be placed in the recreation room of the structure. All the furnishings is of Danish modern design.

Bayne said that three table tennis tables are now on order for the recreation room and should be installed before the Center is opened.

Quiet Holidays Spent With Visiting And Entertaining

By MRS. CARL WIMBERLEY

Community life returned to normal Monday with the return of children to the school rooms. No accidents marred the pleasure of the holidays. Everyone reported an enjoyable Christmas this year.

Many families returned over the week end after spending the holidays away from home. Many family reunions and gatherings were held in different places.

The L. L. Airhart family had a reunion Christmas Day at the home of their daughter, Mr. and Mrs. Irving Piersley, in Pampa.

Others present were Mr. and Mrs. Lavern Airhart and family of Los Angeles, Cal; Mr. and Mrs. L.G. Airhart, Mr. and Mrs. George Ralphs and their families of Happy; Mr. and Mrs. Tommy Airhart and children of Dumas; Mr. and Mrs. Leo McAttee and children of Dallas; and Mr. and Mrs. James Airhart and family of Canyon.

One daughter who was unable to be present was Mrs. John Brechtel, who is in London, England, with her husband and daughter. He is in the Air Force.

Mr. and Mrs. H. S. Entler and sons returned late Saturday from central Texas, where they spent Christmas with her mother, Mrs. Kate Wilson, at Belton.

While away, the Fullers visited relatives at Avoca, Fort Worth, Salado and Youngsfort. At the last town, they visited his aunt and uncle, Mr. and Mrs. R. L. Willis, who are 87 and 93 years respectively. The Willis were butchering hogs.

The Fullers also visited Mr. and Mrs. Gus Thiele, formerly of Hereford, who are neighbors of Mrs. Wilson.

Mr. and Mrs. Reg Cox and children, spent Christmas in the home of her parents, Mr. and Mrs. C. M. Hynes, at Gentry, Ark.

While here the Cox family went to Cassville, Mo., where they visited Mr. and Mrs. Jack Frambrough, who formerly lived west of Hereford.

Mr. and Mrs. Webster Johnson of Exell were recent guests in the home of his brother, Mr. and Mrs. R. L. Johnson and family.

Mr. and Mrs. J. N. Killingsworth visited during part of the holidays with his mother, Mrs. P. K. Killingsworth, at Hugo, Okla.

Mr. and Mrs. Ray Wells visited with friends at Kirkland several days during Christmas. The Wells moved from Kirkland to Canyon.

Bill Carmichael left for the University of Texas dental school at Houston early Sunday morning after spending the holidays with his parents, Mr. and Mrs. P. L. Carmichael.

Mr. and Mrs. Kenneth Carmichael and daughter of New Mexico were also here for Christmas and attended the 1954 Hereford High School class reunion at the Jim Hill Hotel in Hereford while here.

Prior to the holidays Mrs. P. L. Carmichael spent a week in Houston because of the illness of her brother's wife, Carmichael and their daughter, Sheri, stayed in Hereford during the week the electric power was off.

Country roads in this vicinity are very rough in most places. Because it has been so wet, graders did very little in smoothing them and many also still have telephone lines and poles across them.

Mr. and Mrs. A. J. Bezner and family attended a family reunion Christmas in the home of his mother, Mrs. Hattie Rogers, in Seymour. All 11 sons and daughters of Mrs. Rogers were present with their families.

Sharon Bezner and Dick Plank, county Gold Star 4-H winners from the local clubs, attended the Gold Star awards banquet held recently in Amarillo. Sharon and Dick served on the program and decorating committees. She gave the welcome at the banquet and he had charge of the ceremonial.

Airman 2/c Jaudon McCathern of Carswell Air Force Base, Fort Worth, spent New Years here with his parents, Mr. and Mrs. S. A. McCathern.

The McCatherns visited Christmas Day with his mother, F. M. McCathern, at Pampa.

Recent guests in the home of Mr. and Mrs. Muri Little were Mrs. Neal Hedgeparth, Bud Nelson of Cheyenne, Okla., Mrs. Mary Jett and son, Warren, of Sayre, Okla., and Mr. and Mrs. Ralph Hanawalk of Crawford, Okla.

Visiting over the week end in the Little home were his cousin, Mr. and Mrs. Jimmie Boyd and family of Pampa, his mother, Mrs. John Little of Strong City, Okla., and a brother, Mr. and Mrs. R. E. Little and family of Derby, Okla.

Quite a number of families have been on the move the last few weeks. Mr. and Mrs. A. J. Ramsey and son, Scott, have moved to Hereford, where they have bought a home.

Mr. and Mrs. M. D. Buttrill and family have moved into Hereford for a few weeks. The Buttrills have bought a tourist court in Canyon and will move there in the near future. They sold their farm to Dr. Dudley Moore of Canyon several months ago.

Mr. and Mrs. Lester English will move into the house vacated by the Buttrill family as soon as some work on the house is completed.

Mr. and Mrs. Leo Hoffman and Mr. and Mrs. John Poole of Hereford swapped houses Tuesday. The Poles traded their home in Hereford in on the Hoffman's farm.

Mr. and Mrs. Raymond Higginbotham visited during the recent holidays with friends and relatives in Lubbock, Post, Crosbyton and Spur.

At Lubbock they visited Mrs. Higginbotham's sisters, Mrs. Eva Belle Jones, and Mr. and Mrs. Woodrow Duckworth. In Crosbyton they visited his father, Claude Higginbotham and other relatives. They visited her parents, Mr. and Mrs. Ned Logan, in Spur.

The Dawn Music Club will meet Tuesday, Jan. 12, in the home of Mrs. Carl Wimberley. Officers for the next two years will be elected at this meeting.

The Women's Missionary Society will meet at the Dawn Church on Thursday, Jan. 14. Mrs. Muri Little will direct the program.

Mr. and Mrs. Orval Galley and children were dinner guests Christmas Day in the home of Mr. and Mrs. Lester Galley in Hereford.

Other guests were Mr. and Mrs. Walter Galley of Center, Colo., Mr. and Mrs. Charles Galley and her mother, Mrs. C. N. Pray, of Amarillo, Mr. and Mrs. Clifford Galley and daughter and Irene Galley of Hereford.

Mr. and Mrs. Johnny Smith of Waxahachie visited from Monday until Friday of this week with Mr. and Mrs. Orval Galley.

The Smith are attending the Southwestern Bible Institute in Waxahachie, where he is studying for the ministry. He was formerly employed by KPAN in Hereford.

Mrs. Walter Galley had surgery Wednesday at the Deaf Smith County Hospital in Hereford. She is expected to be there about a week.

Mr. and Mrs. Edgar Lemons and children and his father, Claude Lemons, have been spending the holidays on a trip to California.

Mr. and Mrs. Lester English and son, Paul, were dinner guests Christmas Day in the home of Mrs. Goldie Criswell in Hereford.

Board Of Control Big Buyer

By VERN SANDERSON
AUSTIN. — If you are adding up the Christmas money wading, what all the state-department agencies. During the fiscal year it selected the bills for the \$80,000,000. The state-department agencies. During the fiscal year it selected the bills for the \$80,000,000. The state-department agencies. During the fiscal year it selected the bills for the \$80,000,000.

It's a list that sounds unbelievable until the use for each item is run down. Clothing and repair needs for the apparatus of thousands of persons in state hospitals and schools must be bought by the Board of Control. State hospitals use surgical equipment. Game and Fish Commission uses boats and skin diving equipment in its inspection work.

If the State School for Girls at Gainesville starts a pottery class, Board of Control buys the clay. If the prison system builds a new prison building, Board of Control scouts around for the best buy in steel-barred doors.

Board of Control itself is a big user of paper. In the past fiscal year it processed 450,000 invoices. Nine employees handled these at the rate of 1,921 a day. It takes 15,000 envelopes to handle an average weekly mailing of bid invitations to suppliers.

It's all done according to a very-businesslike system. Purchases are consolidated, standardized, scheduled, bid on and checked for specifications, value and performance.

Yet all this procedure doesn't kill the element of human enjoyment. Director Burke recounts with relish the million printed envelopes just bought for a large state department at \$2.80 a thousand. That's less than the usual cost of unprinted envelopes.

Comparable pleasure can be found in housewives who have just found a dollar a dozen or tomato juice at five cents a can.

Board of Control is about to have its 40th anniversary. It began operation in 1920 after a statute passed in 1919 combined in one agency a number of state functions.

It is topped by a part-time policy making board—whose three members serve overlapping six-year terms. They are appointed by the governor.

Present board members are E. E. McAdams of Austin, chairman; F. H. Flowellen of Austin and C. F. McAuliff of Dallas.

Burke, as executive director, is the top administrative officer. Under him are five divisions set up on what he terms "a check-and-balance system."

out requirements for items to be bought. Purchasing division buys them. Administrative services division handles the clerical work. Inspection division has a team of "watchdogs" who go over the state to check new purchases to be sure they're what they should be.

A fifth division, building engineering and management, sees to a staggering list of housekeeping chores for the Capitol and state buildings. When the buildings now under way or being planned around the Capitol are finished, the Board of Control anticipates operating a heating system that will put out 60,000 pounds of steam heat an hour and an air conditioning system of 2,750 tons.

It also sees to the upkeep of the Governor's Mansion, the San Jacinto and Fannin State Parks and the State Cemetery. It handles the rentals for state offices outside of Austin which do not have state quarters. Last year this required 35,600,000 square feet of office space.

As to the state buildings going up in Austin, Burke feels sure they will save the state money over the off rental system. "Besides having to pay rent," he pointed out, "the state can only lease for two years at a time, and you never know when you may have to move, which is expensive."

In the course of their myriad chores, Board of Control staffers become expert on many subjects. They learn the price of dairy cattle (for prison farms) or diamond drills, short wave radios and food mixers.

Many know more about the comparative value of dishwashing detergents and floor-waxes than most housewives. They make extensive tests to find out.

As Burke explained, if "Brand-X" can be proved to serve as well as a more expensive one, in state institution dishwashers, as much as \$20,000 can be saved on one purchase.

Specifications people spent hours, according to Burke, proving out a floor wax they felt would save money and serve the purpose. They even applied and polished it, he said, and made periodic checks on its staying power.

"We try to be more careful

with the state's money than we would even with our own," says Burke. "I honestly wish I could take every Texas taxpayer on a guided tour of the whole operation."

JAYCEES NAME 'TOP FIVE' — Five young Texans selected as "the most outstanding" of 1959 will be honored at a dinner in Austin Jan. 9. Sponsored by the Junior Chamber of Commerce, the selection is made annually by a judging committee.

This year's honorees: Sam H. Burris of Alice, Angus Dickson Jr. of Comanche County, Noah Kennedy Jr. of Corpus Christi, Porter Loring Jr. of San Antonio and Thomas S. Mackey of Texas City.

Landrace Group Honors Rowland

H. H. Rowland of Hereford has been recognized by the American Landrace Association, Inc., for his work in improving the litter production of his animals. He placed four litters in the recognition list.

To qualify for an award in the Landrace Production Tested Star Litter program, eight or more pigs must be raised with a total 56-day litter weight of 400 pounds or more.

Litters weighing from 400 to 499 are recognized as four-star litters, those weighing from 500 to 599 pounds as five-star, etc. Rowland received the following star litter recognition: six-star for 11 pigs weighing 605 pounds; five-star for 14 pigs weighing 553 pounds; four-star for 12 pigs weighing 480 pounds; and four-star for nine pigs weighing 463 pounds.

Former Resident Succumbs Tuesday

Funeral services were pending Wednesday for William Claud Witherspoon, 76, a former resident of Hereford. He was living in Mineral Wells at the time of his death Tuesday at 8 p. m. in a Mineral Wells hospital.
He was born Jan. 24, 1883, in Cleburne. He married Bertha Dameron Oct. 10, 1934, in Dallas. He came to Hereford in 1890 and moved from here in 1910.
Mr. Witherspoon had been living in Mineral Wells since Mrs. Witherspoon's death Aug. 3, 1955.
Those surviving are two uncles, Vern Witherspoon of Hereford, and Anderson Witherspoon of Amarillo.
Services will be under direction of Gilliland Funeral Home in Hereford.

JAMES M. GILLENTE
M. A. TUCK

By JIMMIE GILLENTE
The weather! It's sloppy, it's messy - and it's wonderful! Seldom do you ever see anything like this in January, and the old timers say it is much, much better than money in the bank.

truth? If so, I don't believe they will ever turn off the wells again.
Hugh Bookout says it is the first time he has seen so much December and January moisture in his 35 years on the Plains. Francis Harsick contested him, however, declaring that 1939 was a comparable year; he also mentioned 1941, but said that '39 was the year when we had the big fall moisture. I remember the 1939 deal. That was the year Frasers had over a million bushels of wheat on the

ground and got the big circuit. It was also the only time I can remember when Deaf Smith County went on record as producing more wheat than any other county in the United States. Again in 1941, we were up there close, but Ochiltree County nosed us out. There was so much spring moisture that we had a hard time harvesting the '41 crops.

Anyway, I expect to drink a lot of free coffee during the next 12 months off of all the farmers who took my advice and planted every acre of allotted wheat. They are really going to town - and I am glad. These dry land boys especially needed and deserved this big break.

Price Daniel... on the other

hand, seems to have committed political suicide. I notice where he says he counseled with his family and close friends and decided to make a third term bid for governor. I figure that these are probably the only ones who will vote for him in the coming elections. No Texas governor, in a long time has been more of a disappointment than Mr. Daniel. I figure that he will run third or fourth on the slate, depending on the opposition. He barely made it over Ralph Yarborough in his first race, and many of his strongest boosters have long since lost their enthusiasm for Price Daniel. Certainly, he has no outstanding accomplishment or record in office to support his present candidacy - and the third term is quite a hurdle for any contend-

er in Texas politics.

Don Zimmerman and Cleo Meberg tell me that some 500 or 600 Lions from over the Panhandle are scheduled to invade Hereford Saturday night and Sunday for their District 2-TL Mid-Winter Conference. The crowd, of course, will be contingent upon the weather and the food guarantees are about to run the boys crazy at this stage of the game. If the roads are open and the weather is good, they will have an enormous crowd. If bad weather develops, they might not have more than a few dozen. All in all, it is a few hazard of the convention and entertainment business - and probably always will be the No. 1 headache.

Most school kids were quite happy with the unscheduled holidays Tuesday and Wednesday, but I gather that some of the mamas took a pretty dim view of the occasion. Coming on top of the Christmas holidays, it was rough. This time, however, most of the TV sets were working - and that was a big help.

Foy Huff, driver for the Hereford Laundry, has been on one job about as long as anyone I know - at least 20 years, and he seldom misses a day. Someone can probably top his record, but I can't offhand think who it might be; besides, I bet they are not consistently as cheerful as Foy.

Marie Sears and possibly some

of the telephone operators might be able to boast of a longer continuous record.

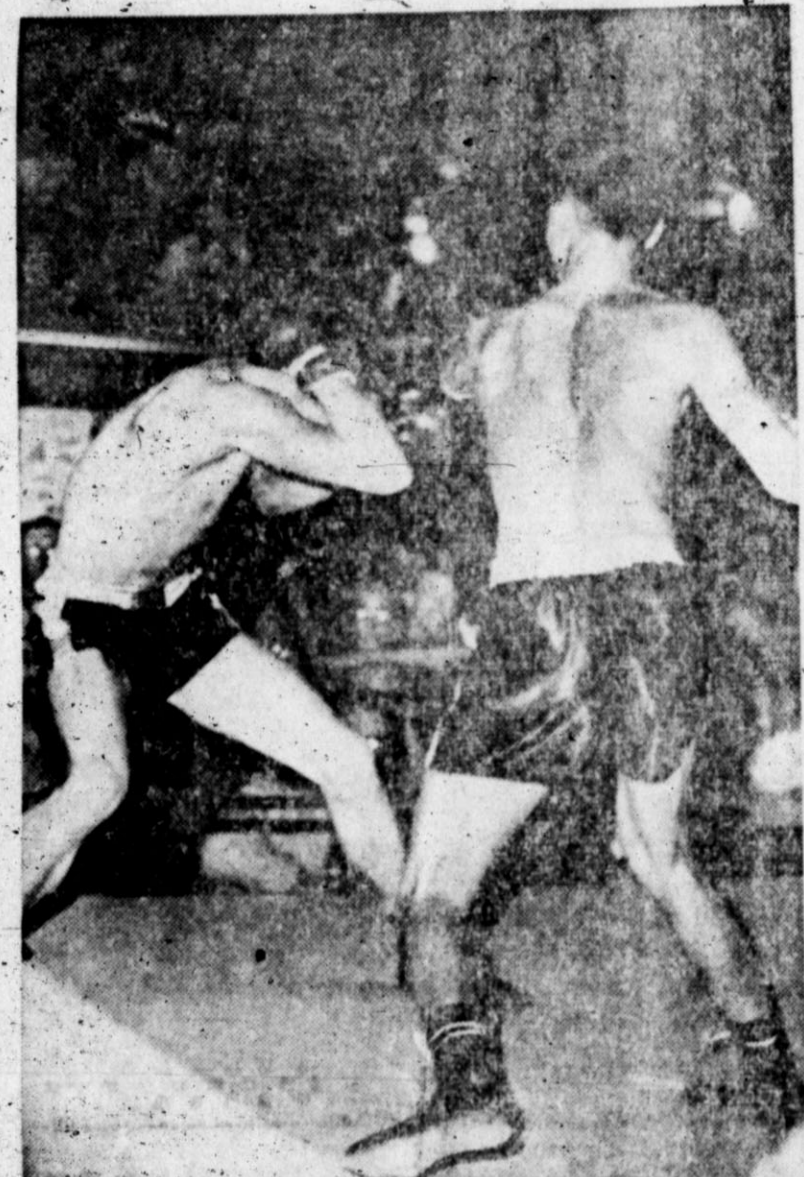

Meanwhile, be sure and enter the population guessing contest which The Brand is sponsoring. I remember how everyone overshot in the 1950 contest. Also, I remember the JayCees having to paint out the big 'highway sign showing an estimated 11,000 population when the census count cut us down to 5,208. This time we will likely lean the other way - and undershoot the figure.

Bill Phipps was happy Wednesday. He bought some mud chains back in 1951 or 1952, and finally got to use them. The most amazing thing about the deal, according to Bill,

was the fact that he was able to find the chains when he needed them. I guess this is the way with most of us.

Meanwhile, the presidential campaigns are beginning to take shape. Some of these old-boys who didn't get drafted are stepping out and putting their names on the roster. However, the Democrats still need to come up with another candidate or two if they expect to win. I don't believe the right man has yet tossed his hat into the ring. Right now, Symington and Lyndon Johnson look like the two best bets.

When someone says, "The truth of the matter is..." it always makes me wonder what he has been telling before.

American Field Service Meet Set In Amarillo

A regional meeting of the American Field Service organization will be held in Amarillo Friday and Saturday, Jan. 8 and 9, according to Mrs. Margaret Durham, president of the local AFS chapter.

All persons in Deaf South County interested in American Field Service work are urged to attend the various sessions which will be held in the Herring Hotel. American Field Service is a non-profit organization which aids local groups in exchanging students with foreign countries.

On hand at the meeting will be Stephan Galatti, general director of AFS and several of his New York staff. The meeting will be conducted as workshops and is particularly designed to aid local committees, parents of students chosen to go abroad and families with whom foreign students will live.

Conference chairman will be Mrs. E. D. McKay of Amarillo. The regional conference will include persons from Texas, New Mexico, Oklahoma, Colorado and Arkansas.

Hereford has been one of the leading small communities in AFS work. Started as a project of the Hereford High School home economics department, it has grown into a community-wide project.

Since its inception, locally in

1954, students from England, Germany, Sweden, Italy and France have lived and studied here. One student from Finland and another from Denmark currently are exchange students in Hereford.

Three Hereford students, Ted Moore, Eugenia Alexander and Anne Wingert, have spent time in France, Denmark and Germany through the AFS programs.

The local chapter also plans to ask for two exchange students to come to Hereford again next year.

Heading the Hereford chapter is Mrs. Durham. Committee chairmen include: Mrs. G. W. Newsom, home placement; Wayne Edwards and Mrs. Frank Prowell, finance; Mrs. Elmer Patterson, publicity; American students abroad, Bill Phillips; Don Zimmerman and Fred Cunningham, school liaison; and school program, Bill Stanford.

Anyone interested in attending one or more of the regional AFS conference sessions can get details from Mrs. Durham or Mrs. Prowell.

WEED MENACES OYSTERS

NEWPORT NEWS, Va. (AP) - A weed that grows from the bottom of waters and mats at the surface is becoming a menace to oysters in Chesapeake Bay.

The plant, a foreign species of water milfoil, was first noticed in the Potomac River near Washington. Scientists say they don't know how it got into regional waters.

A Camera Captures Final Chapters Of 1950's

January 1, 1960, marked a new year and new decade, and started another busy year of activity for residents in Hereford and Deaf Smith County.

The year 1959 was a year of growth and prosperity, a year of building and tearing down, and a year of happiness and tragedy to residents in the area.

Such structures as the new Northwest Elementary School, the Hereford Community Center and a school cafeteria went from the drawing boards to reality in 1959. The county courthouse was vacated temporarily so that contractors could give it a "new face for the 60's."

It was a year in which some youngsters had an unforgettable day in their lives—their first day in school. It was a year in which some of our young citizens who not long ago occupied classroom seats for the first time, experienced another eventful day—their graduation.

It was a year in which a new arrival brought happiness to the hearts of a young married couple, and a proud gleam to the eyes of its grandparents. It was a year containing sorrow from the passing of loved ones.

It was a year in which some residents had to leave Hereford, perhaps forever. But as they left, new residents were absorbed as part of the community.

It was a year which recorded changes, sharp breaks from the past and new visions of the future.

As history turned the page shading the 1950's, and as we shed a tear while recalling the great events which illuminated the decade, we can look forward to another 10 years of great change, great challenge and great achievement.

Fires at the Labor Camp left several Latin-American families temporarily without homes.

Cattlemen from a widespread area gathered for a breakfast which officially started the county's first Hereford Cattle Tour.

Bob Mills Speaks On Ice Hockey At Lions' Meeting

Bob Mills of Amarillo, promoter for Amarillo Wranglers ice hockey team, was guest speaker at the Lions meeting of Hereford Lions Club last week. Mills, assisted by team coach Harley Patterson of Amarillo, pointed out some of the rules and background information on the game, which is relatively new to the Southwest area. He said ice hockey was originated in Canada and that nearly all of the best professionals in the game are Canadian-born. In presenting his talk, he showed equipment used by players, and said ice hockey is the "fastest and roughest" sport on the continent. The game is played in three 20-minute periods with six players to each team. A referee and two line men officiate the game. Personal fouls listed include pushing, charging or body check-

REP. WALTER ROGERS WRITES:

Something New To Debate On Taxation

To the people of the 18th District:

THE GREAT DEBATE CONTINUES

That is, the great debate on taxation of income. But, it now looks as though something new has been added.

It was shortly after the adoption of the income tax theory of taxation in this country that the communistic type of government had its inception in Russia. The October Revolution and the many tragic events which followed through the years along the lines advocated by Karl Marx and Lenin, rightfully caused great alarm throughout the world.

The Marx doctrine underwrote the taxing of the income of the individuals and corporate entities. This was promptly pounced upon by the vigorous opponents of the income taxation theory as definite proof that this theory of taxation was unquestionably communistic.

This argument has been used in many debates on the subject, although it has had little effect on bringing about the abolition of the income tax or even in preventing an increase of the same.

The advocates of the income tax have always argued that it was a fair tax, if properly graduated, and was not communistic in nature regardless of what Karl Marx might say. We are now faced with new developments and new pronouncements that will undoubtedly leave both the pro and the con camps in this country in a quandary, as well as the followers of Karl Marx on the one hand and the modern-day communists on the other.

Mr. Khrushchev is alleged to have announced that new studies are being made of the income tax with the view of completely abolishing it in Russia. This pronouncement, insofar as the issue of income taxes being communistic or anti-communistic, puts everybody on the spot.

If Mr. Khrushchev abolishes the income tax it will destroy the argument of the anti-income tax group in this country, because the income tax advocates can then say that the action of Mr. Khrushchev has definitely overruled and vetoed the words of Mr. Marx and thereby branded income tax as anti-communist, which everyone in this country is.

The income tax advocates

will be put on the spot, because the anti-income tax people will argue that the taxing of income is so reprehensible that even the communists are refusing to do it.

It could also put Mr. Khrushchev on the spot because the followers of Karl Marx could stand pat on the income tax doctrine laid down by Marx, and claim that Mr. Khrushchev, by his action, was denouncing communism and underwriting capitalism.

It could also put the Karl Marx boys on the spot because, if Khrushchev's pronouncements are to constitute the communistic constitution, regardless of how capitalistic they might be, it would probably be more appropriate the Karl Marx boys to be worrying about their heads rather than their pocketbooks.

In any event, you can see how confused things can get when people start paying too much attention to what one man says. If Mr. Khrushchev wants to do away with income taxes in Russia, that is his business. However, I suspect that there are more Russians worrying about income than there are worrying about the income tax.

I would be satisfied, regard-

less of all the pro and con arguments relating to income taxes. If we in this country could reduce government expenditures to the extent that we could balance the budget and provide a simple reduction in income tax.

I sincerely hope that 1960 will provide enlightenment to those who seem to think that more government spending will produce more government income at less cost to the taxpayer. This is about as possible as riding one horse in four directions at the same time. Substitution of the type of tax will not provide tax relief to the taxpayer until government spending has been reduced in the amount of the relief intended to be afforded to the taxpayer.

THE MAIL BAG

The television quiz programs brought in much mail, both for and against those of us on the Subcommittee. One of the letters which I received bitterly attacked me and the other Subcommittee members. (The names of the person referred to have been intentionally deleted.) The writer, who was a woman, ended the letter by saying, "The firing of... and the suspension of... is shocking, frightening, and worse than any guilt by association charge ever assessed by McCarthy. Both of these splendid young men I personally know to be incorruptible."

How Can I?

By Anne Ashley

Q. How can I prevent leather-covered furniture from drying out and cracking?

A. Rub it occasionally (once or twice a year) with castor oil, neat's-foot oil, or a good commercial leather conditioner. On light-colored leathers, use a white conditioner or white petroleum jelly, since most oils tend to darken leather. After rubbing the oil well in with your fingertips or with a clean, soft cloth, wipe off every trace with another cloth. If using neat's-foot oil, remember that, while it is an excellent leather conditioner, it leaves a dull, rather than glossy, finish.

Q. How can I make muck-lage?

A. Mix equal parts of gum arabic and tragacanth. Dissolve in hot water to the proper consistency.

Q. After oiling my sewing machine, how can I be sure to rid it of all excess oil before beginning my sewing?

A. By stitching a couple of lines or so through a blotter.

Q. How can I remove wine stains from a tablecloth?

A. Dip the cloth into boiling milk, and keep repeating until the stain has disappeared. Then launder the cloth in the usual manner.

Arthur Glover Speaks To Club

Arthur Glover spoke on "Freedom Is Up To You" at the noon meeting of Hereford Kiwanis Club Thursday in I.O.O.F. Hall.

Guests at the meeting were Jack Kassahn of Hereford and James Denton of Amarillo, outgoing Kiwanis lieutenant governor.

Glover spoke on our liberties and constitutional provisions and amendments. He analyzed freedoms and how one can preserve them.

"We have the opportunity for freedom", he said, "but if we are not alert, we could lose that virtue."

Denton spoke briefly to the group. Clint Formby of Hereford is new district lieutenant governor, succeeding Denton.

C. Quattlebaum Ends Training

Army 2d Lt. Charles W. Quattlebaum, son of Mr. and Mrs. W. C. Quattlebaum, 407 E. Fourth St., Hereford, recently completed the officer airborne course at The Infantry School, Fort Benning, Ga.

Lieutenant Quattlebaum received his paratrooper wings after completing four weeks of intensive ground and aerial training, and instruction in the techniques of air transportation and aerial delivery. The lieutenant entered the Army last February.

The 23-year-old officer is a 1954 graduate of Hereford High School, a 1958 graduate of West Texas State College in Canyon, and a member of Alpha Sigma Xi fraternity.

Winter's Fingers Dip In Area

By MRS. S. N. THWEATT
 Winter dipped over the community again Christmas day. Early in the morning there was a fine mist and the day was cool, cloudy and windy.

Late one evening a cloud came in from the northwest with lightning and thunder, leaving over the community a measurable amount, about .02, in rain to add to the moisture received before Christmas.

Christmas brought a lot of people together for visiting. Mr. and Mrs. W. A. Brown had all their children and families together for an early Christmas breakfast, where gifts were exchanged. Then a ham and egg breakfast was served to Mr. and Mrs. Ernest Brown and Tommy and Mr. and Mrs. Floyd Brown and sons Earl and Roger.

For Christmas dinner, Mr. and Mrs. Brown had with them Mr. and Mrs. W. L. Potts, father of Mrs. Brown, from Rosedale, N. M.

Mr. and Mrs. Dan Lewis and children of Carlsbad visited in the Hagan home.

Mr. and Mrs. Ralph Smith were host to a Christmas party on Dec. 24 in their home in Friona. Among those attending were Mr. and Mrs. Lewis Smith and sons David and Dale, a friend, Miss Jore Buske of Friona, Mr. and Mrs. Cecil Bass and Mr. and Mrs. Hoyt Smith and family.

Mr. and Mrs. Lewis Smith and Mr. and Mrs. Ralph Smith attended the wedding of a cousin, Miss Gwendolyn Smith, in Cordell, Okla., Monday. They returned home Monday night.

Dale Smith, son of Mr. and Mrs. Lewis Smith was home from college at Plainview for the holidays. He returned to the college Jan. 4.

Mr. and Mrs. Wheeler Mount and daughters, Mr. and Mrs. L. H. Hensley and daughter, Mr. and Mrs. Dale Brown and boys and Mr. and Mrs. W. D. Mount, all of Lubbock, were among the dinner-guests of Mr. and Mrs. Bruce Coleman Christmas day. Others attending were Mr. and Mrs. Joe Brown and sons of Hereford, Mrs. Josie Busley of Friona, Mrs. Ruth Coleman and Mrs. G. E. Pinkerton of Garcia.

Mr. and Mrs. Floyd Brown entertained Christmas Day with a dinner for the King family. Those visiting included Mr. and Mrs. Cecil Colewell from Norwalk, Calif., Mr. and Mrs. Francis Decker and Beverly from Bellview, N. M., Mr. and Mrs. Clyde Shaix, Thelma, Wanda and Pamela, Mr. and Mrs. Wendell Armstrong and Paula of Bellview, N. M., Mr. and Mrs. Malcolm Garrett and Skip of Lubbock and Mrs. C. W. King of Bellview.

Mr. and Mrs. Virgil Merrill of Hereford spent Christmas with their son's family, Mr. and Mrs. Joe Merrill.

Mr. and Mrs. Floyd Brown, Earl and Roger, and Mrs. and Mrs. Eldred Brown and Tommy spent Saturday in the home of Mrs. C. W. King, where they visited with their sister, Mr. and Mrs. Cecil Colewell of California. The Colewells returned home Sunday.

Mr. and Mrs. Hoyt Smith and family took Christmas dinner with Mr. and Mrs. J. L. Smith, Mr. and Mrs. Smith plan to

The Colemans took Christmas dinner with Mr. and Mrs. D. E. Coldiron in Amarillo on the Wednesday before the holiday. Those present were Mrs. Ruth Coleman, her mother, Mrs. G. E. Pinkerton, Mr. and Mrs. Bruce Coleman and children, Gary, Cinda and Jeff of Garcia, Mr. and Mrs. James Coleman and three sons, Teddy, Rex and Joe of Amarillo.

The Walcott School had the community Christmas Free on Tuesday night, Dec. 23. The house was full and Sant a was very good to everyone. He must have broken down his sled because he stayed until most everyone went home. Something he had never had time to do before, perhaps.

The program was given by the Walcott children. The Christmas tree was very pretty, and was quite large. It was donated by Mr. Virgil Merrill of Hereford, father of Joe Merrill of Garcia. The residents of Garcia wish to thank Mr. Merrill for his kindness.

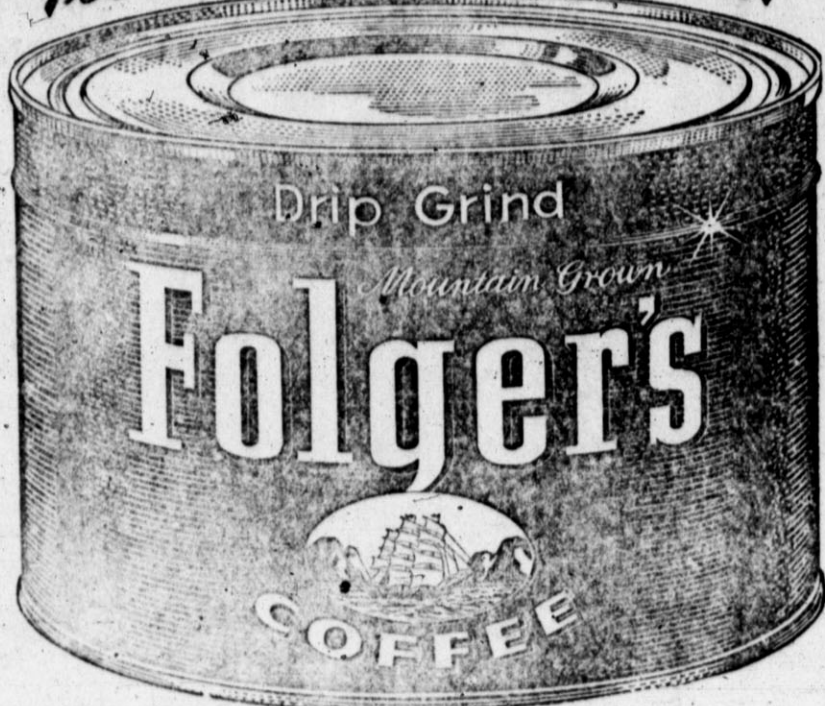

Mr. and Mrs. S. N. Thweatt, Spain and Jack, spent Christmas day in Levelland, where they took dinner with Mrs. Thweatt's sister and brothers, Mr. and Mrs. James Lewis of Carlsbad, N. M., and A. P. and Carl Hagan of Levelland.

In the afternoon, Mr. and Mrs. Jim Lewis of Levelland, and

 move to their new home in Muleshoe soon.

Mr. and Mrs. Travis Mont-homery and Mr. and Mrs. Rural Fanning of Earth were guests of the Lewis Smiths during Christmas.

Mr. and Mrs. Ernest Brown had with them Christmas Day Mrs. Brown's family, Mr. and Mrs. S. B. Pulliam of Portales, N. M., Mr. and Mrs. Vernon Murhair of Clovis and Mr. and Mrs. T. J. Braxton and children of Whitedeer.

Mr. and Mrs. S. N. Thweatt visited in the Phillip Miller home Sunday. They found Mrs. Miller was in Missouri visiting her mother and other relatives. She is expected to return home just after New Year's Day.

Mr. and Mrs. Charley Hale of Lubbock called on the Millers Sunday afternoon. The Hales have traded their motel in Lubbock for a ranch at Idebell, Okla., and are moving to the ranch soon. Miller had Christmas dinner with his daughter's family in Hereford.

Mr. and Mrs. Ernest Brown went to Whitedeer Monday to be with Mr. and Mrs. T. J. Braxton. The Braxtons report that their child is ill.

Mr. and Mrs. D. E. Coldiron and children of Amarillo visited in the home of Mrs. Coldiron's mother, Mrs. Ruth Coleman and brothers, and the Bruce Colemans Sunday night. The Coldirons had been visiting Mr. Coldiron's mother Mrs. Brady, of Friona.

Mr. and Mrs. Eldred Brown and son, Mr. and Mrs. A. Brown, were all in Hereford, La. business Tuesday.

Mr. and Mrs. Bruce Coleman spent Tuesday in Amarillo. Cinda and Jeff stayed with their grandmother, Mrs. Coleman.

Messenger Home Demonstration Club will hold its first meeting of 1960 in the home of Mrs. H. D. Buse Friday at 2:30 p. m., when Mrs. Argen Draper will give the program. All members are asked to be present. New year-books will be given out and will be filled in for the first half of the year. The club members plan to make this a better club year. The program promises to be interesting.

Mrs. S. N. Thweatt was in Hereford Tuesday. She visited Mrs. Draper in her office. On her way home Mrs. Thweatt reported seeing telephone lines working near Westway.

Beauty At Home

Q. Is there any after-shampoo rinse you know of that is especially good for hair that is fine-textured?

A. A stale-beer rinse is very good for this kind of hair. It tends to give the hair more body, and it leaves no odor. It should not be rinsed out of the hair — and be sure that the beer has been allowed to stand uncapped for at least 24 hours before using.

Q. How can I exercise for slimmer-looking and shapelier legs?

A. Extra doses of walking and rope-skipping are very good for this. Also, a stretching kind of exercise: Sit on the floor with legs apart and backs of knees close against floor. Reach forward with the hands and grasp the toes firmly, pulling them gently toward you.

Q. Is the cream type of rouge good for use on a dry skin?

A. Not usually. Instead, use the dry compact rouge. Apply it AFTER the face powder, rather than before. Then blend on a little more powder over the rouge.

Q. What can be done if the foundation cream refuses to spread easily and evenly?

A. Try dipping the fingers into water, scattering a few drops over the face, and patting lightly. This should insure a nice, even distribution of your cream.

Q. Is there a way, though makeup, to subdue laugh lines on one's face — those deep creases running from the side of the nose to the corner of the mouth?

A. Use a highlighting foundation base on these one about two shades lighter than one's over-all base. This should add a more youthful appearance to this part of the face.

Q. How can I remove some lipstick stains from one of my husband's white shirts?

A. First, rub some glycerin on the stain and leave on for a short time — then scrape off the excess, and wash in hot water and soap. If some color still remains, bleach with chlorine or peroxide.

Q. What is a beneficial facial beauty mask I can prepare at home?

A. A cleansing and revitalizing one consists simply of the white of an egg, painted over and remain for about 10 minutes; then removed with warm water.

HOW MUCH

— Am I Really Worth? Exactly what do I weigh? Am I heavier than my money, or, is it getting the best of me? The all-important question is — when God puts me on the balances — will the weight hand deceive Him? If all a man has to offer the world is his body created in God's image — his chemical composition — his dead weight... then that man is of little value to himself, to humanity, to God. *Mister, don't try to analyze your worth by pointing to the pile of silver you control. No one grows bigger when he says "no" to the varied opportunities he has to serve God. Far better to say, "silver and gold have I none," if I am given to serving God, helping the lost to find their way to a place of worship... to His church.*

You In The Church
The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Home Demonstration Clubs Hold Management Projects

By ARGEN DRAPER

The Home Demonstration Clubs have had several programs on "Managing Time and Energy." These programs have been well-planned and it is hoped to help homemakers to manage their time more efficiently.

From studying the way rural and urban homemakers use their time, an author of the Bureau of Human Nutrition of the Department of Agriculture found these women spent 8-3/4 hours to 9 hours in sleeping and day-time rest; 7 to 8-3/4 hours of work; and 6 1/2 to 8 1/2 hours in leisure. This report gave eating and dressing as leisure activities.

Here are some suggestions for helping you to be a better shopper:

A little planning before going shopping helps you to use your time and energy and money more efficiently.

The ads in the local paper this week helped women in choosing sale articles; however, there is more to a shopping list than just writing it down.

Ten steps to follow in planning a shopping list:

1. Plan your menu a week in advance.
2. Study the ads in the local paper.
3. Make the shopping list according to plan and read on hand.
4. Keep a pad and pencil for

10. Time your rush hours; don't last minute for.

Here is a homemade sauce interesting those of you who are cooking for a family.

Mix thoroughly 1/2 pound of meat, 2 1/2 teaspoons black pepper, 1/2 teaspoon onion seasoning, use 1/2 cup of water, 1/2 cup of milk, 1/2 cup of cream, 1/2 cup of butter, 1/2 cup of flour, 1/2 cup of salt, 1/2 cup of sugar, 1/2 cup of vinegar, 1/2 cup of ketchup, 1/2 cup of mustard, 1/2 cup of Worcestershire sauce, 1/2 cup of soy sauce, 1/2 cup of tomato sauce, 1/2 cup of hot sauce, 1/2 cup of lemon juice, 1/2 cup of lime juice, 1/2 cup of orange juice, 1/2 cup of pineapple juice, 1/2 cup of apple juice, 1/2 cup of grape juice, 1/2 cup of cherry juice, 1/2 cup of peach juice, 1/2 cup of apricot juice, 1/2 cup of plum juice, 1/2 cup of raspberry juice, 1/2 cup of strawberry juice, 1/2 cup of blueberry juice, 1/2 cup of blackberry juice, 1/2 cup of raspberry juice, 1/2 cup of strawberry juice, 1/2 cup of blueberry juice, 1/2 cup of blackberry juice.

To cook, place cold pan with and cook over low heat until thoroughly done. Have no trace of pink. Slow and low is the key. The schedule for Friday, Jan. 7, 1960, is as follows: 7 p. m. Home Demonstration Club meets with Mrs. Jack Buse. The program will be

Your Time and Energy." Neighbors and friends are always welcome to home demonstration clubs.

Friday night, the Farm and Home Management group will meet in the County Bull Barn at 7 p. m. Raymond Higginbotham was elected chairman of the group. The program for Friday night will be on income tax and analyzing farm records. This is a couples group and will meet each month and study some phase of farm business.

On Jan. 9, the Junior Leaders Training will be held in the kitchen of the Bull Barn. All 4-H members over 13 years of age have been invited. This is a group of 53 girls and boys.

Loretta Fowler and the leaders have spent a great deal of time in planning a well-organized and well-conducted meeting. The 4-H'ers who are eligible are going to miss something if they do not attend this meeting.

Also on Saturday the District Wool Contest will be held at Texas Tech. This year I hope we have 4-H girls who will have wool garments to be entered in this contest.

January 11, 4-H Leaders, both boys and girls, will meet in the kitchen of the Bull Barn.

January 12, Mrs. H. S. Fuller, Mrs. T. J. Parsons, and Mrs. H. L. Hershey will meet to plan the program for the District Training Meeting. These club members will give the program on "How to Introduce a Speaker." Each should consider nominating a member for County T. H. D. A. Chairman, and chairman for District Vice President.

January 13, I will make home visits to Mrs. J. C. Morrison, Miss Christine Fortenberry and Mrs. Bob Thwaitt.

January 14, The Council chairman, County T. H. D. A. Chair-

man, and the Assistant Agent will attend the District Training meeting for Texas Home Demonstration Association which will be held in Stinnett at the First Methodist Church. The Homemakers group will meet at the home of Mrs. Henry Kinsey.

Area Captures Final Chapters Of 1950's

January 1, 1960, marked a new year and new decade, and started another busy year of activity for residents in Hereford and Deaf Smith County.

The year 1959 was a year of growth and prosperity, a year of building and tearing down, and a year of happiness and tragedy to residents in the area.

Such structures as the new Northwest Elementary School, the Hereford Community Center and a school cafeteria went from the drawing boards to reality in 1959. The county courthouse was vacated temporarily so that contractors could give it a "new face for the 60's."

It was a year in which some youngsters had an unforgettable day in their lives—their first day in school. It was a year in which some of our young citizens who not long ago occupied classroom seats for the first time, experienced another eventful day — their graduation.

It was a year in which a new arrival brought happiness to the hearts of a young married couple, and a proud gleam to the eyes of its grandparents. It was a year containing sorrow from the passing of loved ones.

It was a year in which some residents had to leave Hereford, perhaps forever. But as they left, new residents were absorbed as part of the community.

It was a year which recorded changes, sharp breaks from the past and new visions of the future.

As history turned the page shading the 1950's, and as we shed a tear while recalling the great events which illuminated the decade, we can look forward to another 10 years of great change, great challenge and great achievement.

REP. WALTER ROGERS WRITES:

Something New To Debate On Taxation

To the people of the 18th District:

THE GREAT DEBATE CONTINUES

That is, the great debate on taxation of income. But, it now looks as though something new has been added.

It was shortly after the adoption of the income tax theory of taxation in this country that the communistic type of government had its inception in Russia. The October Revolution and the many tragic events which followed through the years along the lines advocated by Karl Marx and Lenin, rightfully caused great alarm throughout the world.

The Marx doctrine underwrote the taxing of the income of the individuals and corporate entities. This was promptly pounced upon by the vigorous opponents of the income taxation theory as definite proof that this theory of taxation was unquestionably communistic.

This argument has been used in many debates on the subject, although it has had little effect on bringing about the abolition of the income tax or even in preventing an increase of the same.

The advocates of the income tax have always argued that it was a fair tax, if properly graduated, and was not communistic in nature regardless of what Karl Marx might say. We are now faced with new developments and new pronouncements that will undoubtedly leave both the pro and the con camps in this country in a quandary, as well as the followers of Karl Marx on the one hand and the modern-day communists on the other.

Mr. Khrushchev is alleged to have announced that new studies are being made of the income tax with the view of completely abolishing it in Russia. This pronouncement, insofar as the issue of income taxes being communistic or anti-communistic, puts everybody on the spot.

If Mr. Khrushchev abolishes the income tax it will destroy the argument of the anti-income tax group in this country, because the income tax advocates can then say that the action of Mr. Khrushchev has definitely overruled and vetoed the words of Mr. Marx and thereby branded income tax as anti-communist, which everyone in this country is.

will be put on the spot, because the anti-income tax people will argue that the taxing of income is so reprehensible that even the communists are refusing to do it.

It could also put Mr. Khrushchev on the spot because the followers of Karl Marx could stand pat on the income tax doctrine laid down by Marx, and claim that Mr. Khrushchev, by his action, was denouncing communism and underwriting capitalism.

It could also put the Karl Marx boys on the spot because, if Khrushchev's pronouncements are to constitute the communistic constitution, regardless of how capitalistic they might be, it would probably be more appropriate the Karl Marx boys to be worrying about their heads rather than their pocketbooks.

In any event, you can see how confused things can get when people start paying too much attention to what one man says. If Mr. Khrushchev wants to do away with income taxes in Russia, that is his business. However, I suspect that there are more Russians worrying about income than there are worrying about the income tax.

I would be satisfied, regard-

less of all the pro and con arguments relating to income taxes, if we in this country could reduce government expenditures to the extent that we could balance the budget and provide a simple reduction in income tax.

I sincerely hope that 1960 will provide enlightenment to those who seem to think that more government spending will produce more government income at less cost to the taxpayer. This is about as possible as riding one horse in four directions at the same time. Substitution of the type of tax will not provide tax relief to the taxpayer, until government spending has been reduced in the amount of the relief intended to be afforded to the taxpayer.

THE MAIL BAG

The television quiz programs brought in much mail, both for and against those of us on the Subcommittee. One of the letters which I received bitterly attacked me and the other Subcommittee members. (The names of the person referred to have been intentionally deleted.) The writer, who was a woman, ended the letter by saying, "The firing of . . . and the suspension of . . . is shocking, frightening, and worse than any guilt by association charge ever assessed by McCarthy. Both of these splendid young men I personally know to be incorrigible."

How Can I?

By Anne Ashley

Q. How can I prevent leather-covered furniture from drying out and cracking?

A. Rub it occasionally (once or twice a year) with castor oil, neat'sfoot oil, or a good commercial leather conditioner. On light-colored leathers, use a white conditioner or white petroleum jelly, since most oils tend to darken leather. After rubbing the oil well in with your fingertips or with a clean, soft cloth, wipe off every trace with another cloth. If using neat's-foot oil, remember that, while it is an excellent leather conditioner, it leaves a dull, rather than glossy, finish.

Q. How can I make muck-lage?

A. Mix equal parts of gum arabic and tragacanth. Dissolve in hot water to the proper consistency.

Q. After oiling my sewing machine, how can I be sure to rid it of all excess oil before beginning my sewing?

A. By stitching a couple of lines or so through a blotter.

Q. How can I remove wine stains from a tablecloth?

A. Dip the cloth into boiling milk, and keep repeating until the stain has disappeared. Then launder the cloth in the usual manner.

Bob Mills Speaks On Ice Hockey At Lions' Meeting

Bob Mills of Amarillo, promoter for Amarillo Wranglers ice hockey team, was guest speaker at the noon meeting of Hereford Lions Club last week.

Mills, assisted by team coach Harley Patterson of Amarillo, pointed out some of the rules and background information on the game, which is relatively new to the Southwest area.

He said ice hockey was originated in Canada and that nearly all of the best professionals in the game are Canadian-born. In presenting his talk, he showed equipment used by players, and said ice hockey is the "fastest and roughest" sport on the continent.

The game is played in three, 20-minute periods with six players to each team. A referee and two linemen officiate the game.

Personal fouls listed includes pushing, charging or body checking an opponent into the side or end boards or goal cages, or attempting to do so. There are minor and major penalties, he said.

Mills said a player is credited with a point for scoring a "goal." A point for an "assist" is credited to the player taking part in the play immediately preceding the goal, providing the puck was not touched by an opponent's stick or body.

When a player is "sent to the box" for a penalty, he explained, he is not replaced by a substitute and the rest of the team must play "short-handed" until he serves out his penalty in the box. Penalties range from two to 10 minutes, ordinarily.

If a player draws blood of an opponent, visibly, intentionally or accidentally, the player automatically draws a five-minute penalty. A cross-check provides a two-minute penalty.

Hockey players, Mills said, are by nature hot-tempered but are accustomed to "cooling off" just as fast. He said there are fewer permanent injuries in ice hockey than in football.

Service Urging Self-Help Plan

Taxpayer self-help will gain in popularity during the income tax filing period from Jan. 1 to April 15, Hubert B. Hammill, Administrative Officer of the Amarillo office, said recently.

"Self-help," Hammill explained, "means that we ask the taxpayer to complete as much of his 1959 return as possible before asking our help. This saves the time of IRS people who, in turn, save taxpayers' money when uninterrupted from their routine duties of seeing that every taxpayer bears his fair share of the tax burden."

The Revenue representative revealed that many tax problems can be solved by studying the comprehensive instructions that accompany Federal income tax forms for 1959.

"Special taxpayer assistance day is every Monday, from 8:30 to 12:30. On that day," Hammill said, "we have a full crew aboard to give whatever individual or group help is needed."

The IRS office is located at 1414 West 8th St., Amarillo.

Arthur Glover Speaks To Club

Arthur Glover spoke on "Freedom - Is Up To You" at the noon meeting of Hereford Kiwanis Club Thursday in I.O.O.F. Hall.

Guests at the meeting were Jack Kassahn of Hereford and James Denton of Amarillo, outgoing Kiwanis lieutenant governor.

Glover spoke on our liberties and constitutional provisions and amendments. He analyzed freedoms and how one can preserve them.

"We have the opportunity for freedom," he said, "but if we are not alert, we could lose that virtue."

Denton spoke briefly to the group. Clint Formby of Hereford is new district lieutenant governor, succeeding Denton.

C. Quattlebaum Ends Training

Army 2d Lt. Charles W. Quattlebaum, son of Mr. and Mrs. W. C. Quattlebaum, 407 E. Fourth St., Hereford, recently completed the officer airborne course at The Infantry School, Fort Benning, Ga.

Lieutenant Quattlebaum received his paratrooper wings after completing four weeks of intensive ground and aerial training, and instruction in the techniques of air transportation and aerial delivery. The lieutenant entered the Army last February.

The 23-year-old officer is a 1954 graduate of Hereford High School, a 1958 graduate of West Texas State College in Canyon, and a member of Alpha Sigma Xi fraternity.

Winter's Fingers Dip In Area

By MRS. S. N. THWEATT
Winter dipped over the community again Christmas day. Early in the morning there was a fine mist and the day was cool, cloudy and windy.

Late one evening a cloud came in from the northwest with lightning and thunder, leaving over the community a measurable amount, about .02, in rain to add to the moisture received before Christmas.

Christmas brought a lot of people together for visiting. Mr. and Mrs. W. A. Brown had all their children and families together for an early Christmas breakfast, where gifts were exchanged. Then a ham and egg breakfast was served to Mr. and Mrs. Ernest Brown and Tommy and Mr. and Mrs. Floyd Brown and sons Earl and Roger.

For Christmas dinner, Mr. and Mrs. Brown had with them Mr. and Mrs. W. L. Potts, father of Mrs. Brown, from Rosedale, N. M.

The Colemans took Christmas dinner with Mr. and Mrs. D. E. Coldiron in Amarillo on the Wednesday before the holiday. Those present were Mrs. Ruth Coleman, her mother, Mrs. G. E. Pinkerton, Mr. and Mrs. Bruce Coleman and children, Gary, Cinda and Jeff of Garcia, Mr. and Mrs. James Coleman and three sons, Teddy, Rex and Joe of Amarillo.

The Walcott School had the community Christmas tree on Tuesday night, Dec. 23. The house was full and Sant a very good to everyone. He must have broken down his sled because he stayed until most everyone went home. Something he had never had time to do before, perhaps.

The program was given by the Walcott children. The Christmas tree was very pretty, and was quite large. It was donated by Mr. Virgil Merrill of Hereford, father of Joe Merrill of Garcia. The residents of Garcia wish to thank Mr. Merrill for his kindness. Mr. and Mrs. S. N. Thweatt, Spain and Jack, spent Christmas day in Levelland, where they took dinner with Mrs. Thweatt's sister and brothers, Mr. and Mrs. James Lewis of Carlsbad, N. M., and A. P. and Carl Hagau of Levelland. In the afternoon, Mr. and Mrs. Jim Lewis of Levelland, and

Mr. and Mrs. Dan Lewis and children of Carlsbad visited in the Hagan home.

Mr. and Mrs. Ralph Smith were host to a Christmas party on Dec. 24 in their home in Friona. Among those attending were Mr. and Mrs. Lewis Smith and sons David and Dale, a friend, Miss Jere Buske of Friona, Mr. and Mrs. Cecil Bass and Mr. and Mrs. Hoyt Smith and family.

Mr. and Mrs. Lewis Smith and Mr. and Mrs. Ralph Smith attended the wedding of a cousin, Miss Gwendolyn Smith, in Cordell, Okla., Monday. They returned home Monday night.

Dale Smith, son of Mr. and Mrs. Lewis Smith was home from college at Plainview for the holidays. He returned to the college Jan. 4.

Mr. and Mrs. Wheeler Mount and daughters, Mr. and Mrs. Larry Busley and daughter, Mr. and Mrs. Dale Brown and boys and Mr. and Mrs. W. D. Mount, all of Lubbock, were among the dinner guests of Mr. and Mrs. Bruce Coleman Christmas day.

Others attending were Mr. and Mrs. Joe Brown and sons of Hereford, Mrs. Josie Busley of Friona, Mrs. Ruth Coleman and Mrs. G. E. Pinkerton of Garcia. Mr. and Mrs. Floyd Brown entertained Christmas Day with a dinner for the King family. Those visiting included Mr. and Mrs. Cecil Colewell from Norwalk, Calif., Mr. and Mrs. Francis Decker and Beverly from Bellview, N. M., Mr. and Mrs. Clyde Shaix, Thelma, Wanda and Pamela, Mr. and Mrs. Wendell Armstrong and Paula of Bellview, N. M., Mr. and Mrs. Malcolm Garrett and Skip of Lubbock and Mrs. C. W. King of Bellview.

Mr. and Mrs. Virgil Merrill of Hereford spent Christmas with their son's family, Mr. and Mrs. Joe Merrill.

Mr. and Mrs. Floyd Brown, Earl and Roger, and Mrs. and Mrs. Eldred Brown and Tommy spent Saturday in the home of Mrs. C. W. King, where they visited with their sister, Mr. and Mrs. Cecil Colewell of California. The Colewells returned home Sunday.

Mr. and Mrs. Hoyt Smith and family took Christmas dinner with Mr. and Mrs. J. L. Smith, Mr. and Mrs. Smith plan to

Mr. and Mrs. Travis Montgomery and Mr. and Mrs. Rural Fanning of Earth were guests of the Lewis Smiths during Christmas.

Mr. and Mrs. Ernest Brown had with them Christmas Day Mrs. Brown's family, Mr. and Mrs. S. B. Bulliam of Portales, N. M., Mr. and Mrs. Vernon Murhair of Clovis and Mr. and Mrs. T. J. Braxton and children of Whitedeer.

Mr. and Mrs. S. N. Thweatt visited in the Phillip Miller home Sunday. They found Mrs. Miller was in Missouri visiting her mother and other relatives. She is expected to return home just after New Year's Day.

Mr. and Mrs. Charley Hale of Lubbock called on the Millers Sunday afternoon. The Hales have traded their motel in Lubbock for a ranch at Idebell, Okla., and are moving to the ranch soon. Miller had Christmas dinner with his daughter's family in Hereford.

Mr. and Mrs. Ernest Brown went to Whitedeer Monday to be with Mr. and Mrs. T. J. Braxton. The Braxtons report that their child is ill.

Mr. and Mrs. D. E. Coldiron and children of Amarillo visited in the home of Mrs. Coldiron's mother, Mrs. Ruth Coleman and brother, and the Bruce Colemans Sunday night. The Coldirons had been visiting Mr. Coldiron's mother Mrs. Bradley, of Friona.

Mr. and Mrs. Eldred Brown and son, Mr. and Mrs. M. A. Brown, were all in Hereford, Tex. business Tuesday.

Mr. and Mrs. Bruce Coleman spent Tuesday in Amarillo. Cinda and Jeff stayed with their grandmother, Mrs. Coleman.

Messenger Home Demonstration Club will hold its first meeting of 1960 in the home of Mrs. H. D. Base Friday at 2:30 p. m., when Mrs. Argen Draper will give the program. All members are asked to be present. New year-books will be given out and will be filled in for the first half of the year. The club members plan to make this a better club year. The program promises to be interesting.

Mrs. S. N. Thweatt was in Hereford Tuesday. She visited Mrs. Draper in her office. On her way home, Mrs. Thweatt reported seeing telephone linesmen working near Westway.

Beauty At Home

Q. Is there any after-shampoo rinse you know of that is especially good for hair that is fine-textured?

A. A stale-beer rinse is very good for this kind of hair. It tends to give the hair more body, and it leaves no odor. It should not be rinsed out of the hair — and be sure that the beer has been allowed to stand uncapped for at least 24 hours before using.

Q. How can I exercise for slimmer-looking and shapelier legs?

A. Extra doses of walking and rope-skipping are very good for this. Also, a stretching kind of exercise: Sit on the floor with legs apart and backs of knees close against floor. Reach forward with the hands and grasp the toes firmly, pulling them gently toward you.

Q. Is the cream type of rouge good for use on an oily skin?

A. Not usually. Instead, use the dry compact rouge. Apply it AFTER the face powder, rather than before. Then blend on a little more powder over the rouge.

Q. What can be done if the foundation cream refuses to spread easily and evenly?

A. Try dipping the fingers into water, scattering a few drops over the face, and patting lightly. This should insure a nice, even distribution of your cream.

Q. Is there a way, though makeup, to subdue laugh-lines on one's face — those deep crevices running from the side of the nose to the corner of the mouth?

A. Use a highlighting foundation base on these (one about two shades lighter than one's over-all base). This should add a more youthful appearance to this part of the face.

Q. How can I remove some lipstick stains from one of my husband's white shirts?

A. First, rub some glycerin on the stain and leave on a short time — then scrape off the excess, and wash in hot water and soap. If some color still remains, bleach with chlorine or peroxide.

Q. What is a beneficial facial beauty mask I can prepare at home?

A. A cleansing and revitalizing one consists simply of the white of an egg, painted over remain for about 10 minutes; then removed with warm water.

HOW MUCH

— Am I Really Worth? Exactly what do I weigh? Am I heavier than my money, or, is it getting the best of me? The all-important question is — when God puts me on the balances — will the weight hand deceive Him? If all a man has to offer the world is his body created in God's image — his chemical composition — his dead weight... then that man is of little value to himself, to humanity, to God. *Mister, don't try to analyze your worth by pointing to the pile of silver you control. No one grows bigger when he says "no" to the varied opportunities he has to serve God. Far better to say, "silver and gold have I none," if I am given to serving God, helping the lost to find their way to a place of worship... to His church.*

In short, it is to receive with meekness the engraved Word, and to pray with Job: "What I see not, teach Thou me; or with David: Open Thou mine eyes that I may behold wondrous things out of Thy Law.

Home Demonstration Clubs Hold Management Projects

By ARGEN DRAPER

The Home Demonstration Clubs have had several programs on "Managing Time and Energy." These programs have been well-planned and it is hoped to help homemakers to manage their time more efficiently.

From studying the way rural and urban homemakers use their time, an author of the Bureau of Human Nutrition of the Department of Agriculture, found these women spent 8-3/4 hours to 9 hours in sleeping and day-time rest; 7 to 8-3/4 hours of work; and 6 1/2 to 8 1/4 hours in leisure. This report gave eating and dressing as leisure activities.

Here are some suggestions for helping you to be a better shopper:

A little planning before going shopping helps us to use our time and energy and money more efficiently.

The ads in the local paper this week helped women in choosing sale articles; however, there is more to a shopping list than just writing it down.

Ten steps to follow in planning a shopping list:

1. Plan your menu a week in advance.
2. Study the ads in the local paper.
3. Make the shopping list according to plan and food on hand.
4. Keep a pad and pencil for

a "want list".

5. Organize the shopping list according to store or shopping center layout to avoid "backtracking".

6. Make shopping lists legible and clear to enable someone else to do the shopping.

7. Split up the shopping list among family members to speed up shopping and avoid "backtracking".

8. Take sample swatches of paint, paper, floor coverings and fabrics when shopping for home furnishings.

9. Keep a record of family clothing sizes in your billfold or purse.

10. Time your buying to avoid rush hours; don't wait until the last minute for shopping.

Here is a recipe for quick homemade sausage. It may interest those of you who are cooking for a small family.

Mix thoroughly with 1/2 pound of meat, 2 1/2 teaspoons salt; 3/4 teaspoon black pepper; 2 1/2 teaspoons rubbed sage; 1/2 teaspoon sugar. For milder seasoning, use half this mixture. Some people like to add a little clove, nutmeg or mace and cayenne pepper. One CAUTION in varying seasonings: NEVER taste the raw sausage. Wait until thoroughly cooked. Mix meat and seasonings well. Put through the food chopper, using the medium blade. Cover and let stand in the refrigerator overnight so the seasonings and meat will "blend." Form into patties.

To cook, place patties in a cold pan with no added fat and cook over low heat until thoroughly done. Meat should have no trace of pinkish color. Slow and low heat is the secret in cooking pork.

The schedule for next week: Friday, Jan. 8, the Messenger Home Demonstration Club meets with Mrs. Jack Buse. The program will be on "Managing

Your Time and Energy." Neighbors and friends are always welcome to home demonstration clubs.

Friday night, the Farm and Home Management group will meet in the County Bull Barn at 7 p. m. Raymond Higginbotham was elected chairman of the group. The program for Friday night will be on income tax and analyzing farm records. This is a couples group and will meet each month and study some phase of farm business.

On Jan. 9, the Junior Leaders Training will be held in the kitchen of the Bull Barn. All 4-H members over 13 years of age have been invited. This is a group of 53 girls and boys.

Loreta Fowler and the leaders have spent a great deal of time in planning a well-organized and well-conducted meeting. The 4-H'ers who are eligible are going to miss something if they do not attend this meeting.

Also on Saturday the District Wool Contest will be held at Texas Tech. This year I hope we have 4-H girls who will have wool garments to be entered in this contest.

January 11, 4-H Leaders, both boys and girls, will meet in the kitchen of the Bull Barn.

January 12, Mrs. H. S. Fuller, Mrs. T. J. Parsons, and Mrs. H. L. Hershey will meet to plan the program for the District Training Meeting. These club members will give the program on "How to Introduce a Speaker." Each should consider nominating a member for County T. H. D. A. Chairman, and chairman for District Vice-President.

January 13, I will make home visits to Mrs. J. C. Morrison, Miss Christine Fortentberry and Mrs. Bob Thweatt.

January 14, The Council chairman, County T. H. D. A. Chair-

New Insurance Plan Discussed

(Editor's Note: The following article discusses the controversial new Texas Safety Driving Insurance Plan and expresses only the viewpoints of J. O. Musick, general manager of Texas Safety Association, Inc.)

By J. O. MUSICK
General Manager
Texas Safety Assn., Inc.

Seven days ago Texas motorists began operating their private vehicles under the new Texas Safe Driving Insurance Plan - a plan which is expected to reward 1.3 million insured Texas automobile owners with a savings of \$20 million each year. Furthermore, and maybe more importantly, it is believed by its proponents, that the new plan will have a salutary effect on traffic accidents that is difficult to measure in dollars and cents alone.

How did the plan come about? Why change from the old system? Is it an equitable plan, or does it deal unfairly with many thousands of Texans? Who's going to get rich off it? These are only a few of the questions posed by statesmen and laymen alike in recent weeks.

To begin with, the plan is not new; it is merely a refinement of what has been in effect since 1952.

In 1957, the 55th Texas Legislature wanted to know why auto insurance rates were 45% higher in Harris County than in Dallas County. In essence it found out that the drivers in Dallas County (which made up a portion of one of ten insurance rating regions in Texas)

were simply a lot safer than the drivers in Harris County. But what about the safe driver in Harris County? He paid the same as an unsafe driver, just as the unsafe driver in Dallas County got off light because of his neighbor's carelessness.

Rightfully so, Senators and Legislators from the 55th didn't see the equity in this plan and authorized the State Board of Insurance to make a careful study of various merit rating plans with an eye to seeing what could be done to reward the individually safe driver in Texas.

After an exhaustive study of merit plans in Canada, California (8 other states have similar systems) and from 43 foreign countries, the framework of the Texas plan was formed. A continuing study was made by the actuarial staff of the Board and Texas Department of Public Safety as they delved into the facts and figures of 40,365 drivers' records. With the statistical information compiled from this source they arrived at various percentages of credits, surcharges and time - covers in the new plan.

Proponents of the plan do not declare it infallible, but the plan does combine the thinking and experience of some of the most brilliant insurance men and safety experts in the State.

HOW DOES THE PLAN WORK
Households where drivers have a three year record of no chargeable accidents, or chargeable convictions for moving traffic violations, will be entitled to a 20% discount below regular premium rates. With one

point against them, the household will pay the regular rate. With two, three, four, five, six or more against them (you can get four points for driving while intoxicated), the household will pay a corresponding 20% increase.

WHY A POINT SYSTEM?

Studies show that there is a direct relationship between highway accidents and convictions for moving traffic violations. The group of drivers who run up a record of convictions have a much greater chance of being involved in accidents than does the group motorist who drives in a lawful manner. Statistically, the group of drivers who received a point in 1959, that will count against them are three times more likely to have an accident in 1960 than is the group of drivers whose safety-consciousness has kept them from having an accident or being ticketed for a moving traffic violation.

IS THE PLAN EQUITABLE?

Many opponents have expressed doubts about the fairness of the plan because of the three year period in which it reaches back for its records. They say that had many Texans known they were going to be penalized, they would have protested minor traffic infractions in court. There is some merit of truth in their arguments and undoubtedly many of these people would have won their cases. But if these drivers are truly safe drivers with the one exception they speak of, they will not be charged any more for insurance than they pay now, too, they will have a chance to prove their

safety ability and earn a discount in the years ahead. Approximately 73% of the motorists in Texas are lawful and accident-free drivers; thus the burden of paying for the Texas Safe Driving Insurance Plan will be shifted to the shoulders of the unsafe drivers who are causing the most accidents.

In time all Texas motorists could benefit from the plan, even those who have an occasional point chalked up against them, because safety experts believe the plan will encourage safe driving with a resultant reduction in traffic accidents which will lower insurance rates for all.

WHO'S GOING TO GET RICH?

If anyone is going to "get rich" off the new plan it is certainly not the insurance companies; they are running the greatest risk of any group. About the only persons who stand to make a financial gain are the safe drivers.

WILL EVERY ACCIDENT COST POINTS?

There are many exceptions in the assignment of points for an accident or traffic ticket. For example, suppose you are backing out of a parking place in a shopping center and accidentally scrape the fender of the car next to you, you would not be assigned points against you, unless the damage exceeded \$25. Also, if you are ticketed for defective lights or other equipment, except brakes, you are not assigned points. Numerous such exceptions none of which would reflect on a person's driving ability are incorporated in the plan to make it equitable.

WILL COURTS BOG DOWN?

It has been charged that Texas' court system will create a serious bottle neck in handling the expected influx of traffic ticket appeals. This, unfortunately, is possible, but it is not an argument against the plan. Instead, it points up a greater need for a revision of our traffic court system. For many years the Texas Safety Association, National Safety Council, Texas Bar Association, the Governor's office and others who must cope with traffic problems have fought for legislation that will make Texas' traffic courts as modern as our state's highways.

There will be strong criticism to the plan for months to come, but it is not likely to come from well-informed sources, unless they are outspokenly opposed to rewarding individual motorists for their safe driving.

Texas now pay in excess of \$440 million each year for traffic accidents, not to mention the suffering caused by the loss of nearly 2500 lives and over 125,000 injuries. This is a burdensome price indeed; the Texas Safe Driving Insurance Plan could do much to reduce these costs.

Agricultural Economics Gaining In Importance

COLLEGE STATION - The increasingly complex business known as farming and ranching is causing more college students than ever to seek instruction in agricultural economics.

The trend is evident in the agricultural economics department at Texas A. and M. College, where students are particularly showing a marked interest in farm and ranch management courses.

Dr. Vance W. Edmondson, associate professor of agricultural economics at A. and M., said that three years ago 15 students were enrolled in the various farm management courses. Today, there are 35. The trend also is under way in other colleges and universities.

Dr. Edmondson teaches farm and ranch records and accounts and a graduate course in farm business analysis. In all, four professors teach six farm management subjects and three of the men have their doctorate degrees. Also, the educators conduct research projects, the results of which are then discussed in classrooms.

To meet the growing demand for economics and management instruction, A. and M. has installed more than \$10,000 worth of machines to expedite the task of studying statistics and bookkeeping systems. The equipment includes 21 calculators, an opaque projector and a slide projector.

"We are one of the few non-physical sciences which feature laboratory work," Dr. Edmondson said.

In the near future, graduate agricultural economics students will use electronic computer facilities of the new Data Processing Center now under construction at the college, he said. Undergraduates will benefit indirectly from the Center.

Dr. Edmondson describes the management courses as "live" and not merely academic. Textbooks are used very little, with teacher research and research bulletins taking their place.

"This is one of the reasons farm management is growing in popularity. More students are taking it not because it is required but because they elect to do so, he said.

SLOWS HIM DOWN
LARAMIE, Wyo. (AP) - Seven-year-old Ted Jensen didn't move when he was called to the blackboard by his teacher. The reason? One of his fingers was stuck in a hole in his desk and it took police and fire rescue workers 15 minutes to free it.

ONLY FOUR TO GO
SACRAMENTO (AP) - California has become the 46th state to impose a cigarette tax, leaving only Colorado, North Carolina, Oregon and Virginia without a state levy on tobacco products.

Household Scrapbook

Patching Aid

An ordinary rubber kitchen spatula or dish scraper with a wooden handle makes a handy tool for plastering badly-cracked walls in hard-to-get-at places. If you'll use some full-strength white vinegar as a mixing agent for your patching plaster, it will not harden so quickly and will give you more time to accomplish your job.

Creased Velvet
The best way to remove creases from velvet is to let one person hold it tightly while another passes a warm flatiron over the wrong side. Then brush the nap up again and it will look like new.

Liquid Shampoo
A good liquid shampoo can be made by shaving a bar of castile soap in one pint of water. Allow it to simmer over fire until the soap is entirely dissolved.

Easter Nailing
Nails will penetrate hard wood much more easily if they have been dipped into a thick grease such as the kind used to lubricate a washing machine, etc. By taking a minute or two to do this, you will eliminate a lot of wasted bent nails and extra hammering.

Shoe Laces
When the metal tip of a shoe lace pulls off, melt a small quantity of sealing wax the same color as the lace, and dip the end of it into this. Use the fingers for shaping it to a point.

Stuck Paper
To remove paper that has become stuck to a freshly-varnished surface, soak it thoroughly with olive oil, and then it should come off easily.

Grandfather Clock
To clean a prized grandfather clock, place a small piece of cotton cloth saturated with kerosene on the floor of the clock. Leave it there with the door closed for several days. The fumes of the kerosene will loosen the dirt and cause it to drop.

For Stamp Collector
Here's a tip for the stamp-collecting hobbyist; used stamps can be removed easily from an envelope without danger of tearing if some lighter fluid is applied to the inside of the envelope behind the stamp.

Easter Enameling
The do-it-yourself painter will find that enamel will flow on more easily and smoothly if the can of enamel has been placed in a pan of hot water for a while before he begins work.

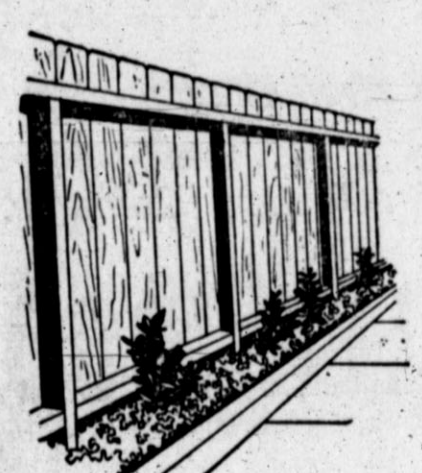

Photo Album
White liquid shoe polish makes a good ink for writing on the black pages of a snapshot or scrapbook album.
