Public Asked To Observe School Bus Law

Stating that many persons were violating the state law which prohibits passing a school bus while it is stopped to unload or take on children, one of the school bus drivers this week asked the public to cooperate in observing the law.

"When a person drives past a bus while it is stopped to allow school children to get on or off, all the bus driver has to do is to turn that person's name or license number over to the state highway patrol and they will do the rest," he said. I hope I never have to turn anyone over to the officers but there is too much danger of a child being killed or hurt for me to have any choice.

The "Stop" signs on the back of a school bus mean exactly what they say, and when the bus stops, approaching cars should also stop, according to the law.

Prisoner Breaks Jail But Enjoys Short Liberty

A prisoner who broke jail here Friday night had only a brief experience with freedom.

He slipped out while Gaylord Newell was feeding the three prisoners in the jail, and was half-way down the stairs before he was noticed. From there he ran into the night.

Early the next morning Gaylord was driving an oil truck and met the fugitive in the neighborhood of Black trying to thumb a ride. Recognizing Gaylord, he ran out into a cane field, and Gaylord phoned back to Hereford from Black.

Sheriff J. O. Newell and Deputy Fred Baird, then went out there and with the aid of a railroad section foreman and Jim Black they tracked the fugitive to a corrugated tin culvert where he had taken refuge.

The man is again a prisoner, having been out of jail about 13 hours.

Drive For 200 Passengers By Saturday Begun

Describing the opportunity as one which may never come again, Chamber of Commerce officials, committee members and interested citizens this week began a drive to sell enough tickets to insure a special train to the Dallas Fair at the \$6 round-trip rate. Only 200 tickets are needed to make sure of this low rate.

"Let us know now if you plan to ride the special train to Dallas," Chamber of Commerce officials pleaded this morning. "It is absolutely necessary for us to know by Saturday afternoon, October 5, whether or not 200 or more persons will buy tickets. We must have this number to comply with the Santa Fe Railroad's request that we guarantee at least 200 passengers. If we do not get this number by Saturday, we cannot get the \$6 rate, even though 500 persons decide Wednesday morning that they will go to Dallas on the special." See A. O. Thompson, chairman of the Special Train Committee, or the Chamber of Commerce as soon as possible.

The train will leave Hereford at 5 p. m., Wednesday, Oct. 9, and arrive in Dallas about 8 o'clock Thursday morning, Oct. 10, which is Hereford Day. The train will leave Dallas about 11:30 that night, arriving in Hereford sometime Friday morning.

Arrangements have been made with a local firm, Mr. Posey said, to supply plate lunches, sandwiches, fruit, pop, coffee, candy, etc., to passengers at any time of the night desired, and at reasonable prices.

Hot nourishing lunches are provided singly at a cost of 15c each.

Walter Ayers Jr., 15 years old, son of Mr. and Mrs. W. L. Ayers, was hovering near death this morning in Deaf Smith county hospital suffering from a fractured skull, a fractured jaw and chest injuries received in an automobile accident early last night about seven miles southeast of Hereford.

His two companions in the sedan delivery he was driving were not so seriously injured. Robert Petersen, 19, son of Mr. and Mrs. A. Petersen, received painful lacerations and bruises and was released from the hospital last night. Barbara Robertson, 13, daughter of Mr. and Mrs. George Robertson, received severe cuts about the face and will probably be released from the hospital today.

The accident occurred when the pickup delivery struck a heavily loaded six-wheel truck just back of the truck cab after barely missing a head-on collision. Cattle on the road, which Ayers was trying to dodge, was thought to be the cause of the accident.

The truck, driven by Howard Waldron, who was not injured, was loaded with bundles. Scattered bundles blocked the road last night. Windshield and top of the delivery were crushed back over the steering wheel. The three young people were brought to the hospital by Winston Adams.

Young Ayers, a freshman in Hereford high school, and considered one of the best football prospects on the 1940 White-face team, was given only a fighting chance for life this morning. He has not regained consciousness since the wreck. Petersen is a senior in high school, and Miss Robertson is a freshman.

The accident occurred just after they had left the Robertson home and were on their way to the Olson home.

REGISTRATION TO BE HELD AT COUNTY VOTING PLACES

Registration day, prelude to the first peace-time conscription this country has ever had to face, is less than two weeks ahead today as the county clerks of Texas prepared to shoulder responsibility of seeing that registration is carried through with dispatch and efficiency.

Robert L. Thompson, county and district clerk, today announced that registration would take place at regular voting places within the county between the hours of 7 a. m. and 9 p. m. on Wednesday, October 16, and at the same time expressed confidence that a sufficient number of patriotic persons would volunteer their services as registrars or clerks without need of special urging.

About 60 persons will be needed to act as clerks throughout the county, and most of these will be needed at Hereford. Clerks or registrars may be male or female,

but male clerks must be under 21 and over 35 years of age.

General instruction to men who are subject to registration is to "Register where you vote." However, this isn't absolutely necessary. Any non-resident registrant presenting himself will be registered. There will be no "absentee registration," each person must register wherever he is on October 16.

MEN, 21-35

Men who have passed their 21st birthday and who have not passed their 36th are required by the law to register. From 20 to 30 minutes will be required for each registration.

The United States flag will be flown at each registration place. Tables, chairs, pens and ink will be furnished by the county clerk and blank forms will be supplied from the State headquarters.

On the day following registration, the forms will be turned

over to the local boards. It will be the job of the local board to select those persons subject to immediate service wherever needed by the government.

FEW WILL GO

Of the estimated 750 men in Deaf Smith county who will register only about 40 will actually be conscripted. Probably less than 10 will get in the first group of 100,000 over the nation which will be called about November 10. During successive months other groups of about 100,000 each will be taken into the defense forces until by next spring 900,000 will have been added to the nation's military ranks.

Married men with dependants will be passed. Married men with wives who hold jobs of their own, or whose wives have independent means of support may get the call.

Certain persons will be ex-

empt from registration even though in the prescribed age group. These include enlisted men and officers in the various regular and reserve armed forces of the nation.

Members of the geodetic survey and coast guard.

Public health service workers. Cadets at the U. S. naval, military and coast guard academies and men selected for enrollment in them.

Cadets of the advanced course, senior division, of military and naval reserve officers training corps.

Diplomatic representatives technical attaches of foreign embassies and legations.

Consul general, consuls and consular agents of foreign countries residing in the United States who are not citizens, nor have declared their intentions to become U. S. citizens.

Vivian Olson Scores Highest English Grade

Waxahachie.—Vivian Olson, daughter of Mr. and Mrs. J. H. Olson of Hereford, recently scored the highest grade on the Trinity University English placement test for freshmen students, it was announced by Dr. E. B. Scott, head of the English department.

Miss Olson, who made ninety on the standardized test, was one of the 50,000 freshmen students from throughout the United States who took the examination. Of this number, only one per cent of 10,000 equaled her record, these being senior professional students.

The placement test is given to all freshmen students for the purpose of finding the division in which a new student would be best fitted. In Trinity University, the freshmen English class is divided into five groups.

The Baptist congregation will hold an all church night, Friday, October 4, to which everyone is cordially invited.

Under the supervision of Mr. Hammit, assisted by Miss Clements, a very interesting assembly program was given last Thursday afternoon. The program was a veritable imitation of a broadcast according to the "Take It Or Leave It Style."

Those taking part on the program were Wilbur Chapman, Clyde Phillips, Jean Spande and Bob Gruhlkey. Clyde Phillips won with 128 points, and was

given the grand prize—a candy bar. Jean Spande, Bob Gruhlkey and Wilbur Chapman tied for second place and were given the consolation prizes of an all day sucker apiece.

The ninth grade boys delightfully report the enrollment of two new girls in their class. They are Betty Jo Bowman and Katherine Maupin. What is a turkey doing in an October gasoline ad?

It's rushing the season a little to broadcast the picture of the great American bird before Thanksgiving... but it dramatizes and highlights the money-saving facts about a remarkable motor fuel which does not rush the season!

NEW Phillips 66 Poly Gas is not merely high test without higher price. It is the right high-test for the month in which you buy it. Matched and re-matched to your weather every thirty days. Proved by continuous laboratory and field surveys to be more accurately engineered, all year 'round, to the month-by-month differences in climate than any other gasoline.

Today, NEW Phillips 66 Poly Gas is better than ever. At regular price... mind you, no premium... it delivers practically the same kind of anti-knock performance for which you formerly had to pay 2¢ extra per gallon. And even now, premium price gasolines only infrequently equal or exceed the volatility (high test) of NEW Phillips 66 at its lower cost.

Let your own motor convince you. Feel that difference after stopping for a trial tankful... at any Orange and Black 66 Shield.

Deaf Smith County Federation Tea Highlights Early Season For Local Clubs

Golden Jubilee Birthday Party Attracts Many

Outstanding among social events of the early fall season was the Golden Jubilee Tea given by the Deaf Smith County Federation of Women's Clubs at the Baptist Church Thursday afternoon.

The affair which celebrated the 50th anniversary of the General Federation of Women's Clubs began at 2:30 o'clock with a program in the main auditorium where brilliant gold-colored flowers in massed arrangement served as a background for speakers.

Mrs. Ray Johnson, general arrangements chairman, welcomed the guests and introduced those on the program. Mrs. A. C. Thompson, accompanied by Mrs. A. J. Schroeter, played a violin number and Mrs. Homer Brumley was presented as the first junior club woman in the district to be elected to district office. Mrs. Brumley introduced Mrs. J. M. Rutherford of Chillicothe, retiring Seventh District president, whose personality charmed the audience as she delivered an address of sincere interest and appeal.

The speaker, who has served twenty years in district club work paid tribute to the group that met in 1897 and formed the General Federation of Women's Clubs. She said that while it is true that that group had self culture and home advancement largely in mind, that the organization is interested today in world problems, for the club woman of today is nationally minded. The General Federation is made up of 15,000 clubs of more than two million women and 65 clubs in foreign countries and U. S. possessions are affiliated with the federation in Washington. Among these outstanding clubs are organizations in Canada, Mexico, Philippines, Cuba, London, China, Australia and the island of Aruba. Mrs. Rutherford said, in conclusion she gave a challenge to every club woman present, in saying: "Our country is facing its greatest threat and the women must be prepared to face any emergency. We must reaffirm our faith and hold fast to our ideals of democracy. We must inform ourselves so that we may do the utmost for our own United States."

Miss Rachel Ireland entertained with vocal music accompanied by Mrs. Clay Ridgway.

Mrs. Johnson then paid a tribute to all pioneer club women and explained the meaning of the birthday party which honored them. She introduced the presidents of the various federated clubs who in turn, introduced the pioneer club women chosen to receive medals for service. Mrs. John Olson presented the medal from the Bay View Club to Mrs. F. T. Roloson, Mrs. Wirt Phillips (Pioneer Club) to Mrs. Al Werner; Mrs. Urlin Streu (County Federation) to Mrs. Lee Curry; Mrs. Arlie Dean (L. A. E. Club) to Mrs. Bob Higgins; Mrs. Elmer Patterson (Junior Pioneer Club) to Mrs. J. M. Gilliland and Mrs. Louie LeGrand (Lone Star Study Club) to Mrs. A. G. Bell.

After the program tea was served in the church parlors. The golden theme prevailed throughout in decorations with baskets of lovely blossoms placed here and there about the rooms and a large trench basket filled with marigolds atop the piano to create an atmosphere of warm hospitality. Highpoint of interest was the tea table, all in daffodil yellow and white, which was centered with a silver basket overflowing with marigolds. Six slender tapers, also in daffodil yellow, encircled the flowers. Mints and other tea dainties, including the tiny flowers traced on cake squares, exactly matched the daffodil shade. All appointments were in silver. Mrs. G. A. F. Parker and Mrs. F. M. Kester, poured.

As the guests were served, a musical background was furnished by Mrs. A. J. Schroeter at the piano and Mrs. A. C. Thompson with her violin.

The receiving line was made up of the club presidents or other representatives. They included Mesdames: Ray Johnson, J. M. Rutherford of Chillicothe, Homer Brumley, Urlin Streu, Wirt Phillips, H. L. Broadwell, Seth B. Holman, G. M. Hudson, Elmer Patterson, Louie LeGrand, C. R. Barber, N. E. Gass and Miss Jeanne Ricketts.

Arrangements: Bob Wilson, Arrangements: Mrs. Bob Wilson, Ray Barber, E. T. Brookes, Wirt Phillips and Urlin Streu. Program: Mesdames A. J. Schroeter, Elmer Patterson, Arlie Dean. Refreshments: Mesdames Knox Kinard, O. G. Hill, W. E. Dames-

Above are six pioneer club women of Hereford who were guests of honor at the Golden Jubilee Tea given Thursday afternoon.

In the top row at the left is Mrs. F. T. Roloson who became a member of the Tuscola, Illinois Woman's Club in 1897 and remained an active member until she moved to Hereford in 1909. She held several offices in that club and was serving her second year as president at the time she moved to Texas. In 1910 she became identified with the Bay View Club of Hereford and is still an active member. She was a member of the Woman's Monday Club and was not only instrumental in the establishment of the County Library but served as librarian for 16 years. She has been a member of the County Library Board since its establishment.

Mrs. Al Werner who lives 4 1/2 miles west of Hereford joined the Pioneer Club in 1915. At that time the club was known as The Mother's Club and her motive in joining was to become informed along lines that would be of help in the training of her children. She was honored Thursday as a "valiant lady" as well as a leader in club work for she not only has reared three children alone but has successfully operated her farm when others around her failed. She has been one of the Westway School trustees for several years and was a director of the Hereford Creamery when it was a co-operative concern.

Mrs. J. M. Gilliland is a charter member of the Pioneer Club and not long ago she was presented with a life membership. The club grew out of anti-cigarette league and Mrs. Gilliland has been an active member from the time of its beginning. She has held various places of leadership in the club and is now treasurer.

At the left of the bottom row is Mrs. Bob Higgins who in 1914 organized the first rural study club in Deaf Smith County. Members came twenty miles to meetings and the club flourished until in 1918 when war work interfered. In 1925 Mrs. Higgins was instrumental in organizing a sewing club among the rural women but in 1928 the organization was changed to a study club with Mrs. Higgins as president. The club is now the L. A. E. Study Club and was one of the first clubs to become a member of the Deaf Smith County Federation of Women's Clubs. Mrs. Higgins helped organize the County Federation and served as its president. Her name is included in the Register of Women's Clubs of the U. S. in which are recorded the leading club women of the nation.

Mrs. Lee Curry began club work at the age of 12, working for several years in Claude with Mrs. Phoebe K. Warner. She assisted in organizing the Armstrong County Federation, which when application was made for membership in the general federation, it was found to be the only county federation of women's clubs in the United States. She came to Summerfield in 1924, worked in Home Demonstration Clubs and P. T. A. and helped organize the Deaf Smith County Federation and was one of its first presidents. She has been a member of the Summerfield Study Club since its organization and has served in official capacity, including the presidency.

Mrs. A. G. Bell is a pioneer member of the Pioneer Club which was formerly the Mothers Club and which sponsored the first "Mothers Day" program in Hereford. She joined the club because its study course dealt with child problems and she was interested in the development of her children. She has been an active member of the club all these years and has been a leader in all club projects. The Pioneer Club sponsored the organization of the Lone Star Study Club and it was that club that named Mrs. Bell as its pioneer club woman.

Club To Observe "Better Parenthood" Week

The Child Study Club will observe "Better Parenthood Week" with a special program during the national observance week beginning Oct. 20. Plans were made at the meeting held by the club Thursday afternoon at the home of Mrs. Ray Coneway. Mrs. C. R. Lady was assistant hostess.

Mesdames Jim Williams, Geo. McConnell and Merlin Kaul were appointed to arrange the special program which will be given Thursday, October 24.

Roll call which opened the meeting, was answered with bright sayings of children. Mrs. Coneway conducted a parliamentary drill after which Mrs. G. W. Newsom led the program.

Mrs. Mack Bainum chose as her topic for discussion "Preparing your child for school." She advocated regular examinations by family physicians for school children to insure health. She also said "The child who enters school with a rich background of music and character training finds it easy to advance in school."

Mrs. John Simms talked on "The Undernourished Child" quoting from statistics she said that one fourth of the children in the United States are undernourished. Thirty per cent of the American school children are not physically fit, and urged mothers to look after vitamins and count calories for their children.

Members of the club voted to have a part in placing a teacher of Bible in the Hereford public school. Mrs. Cawthon Bryant was welcomed as a new member.

Hereford Group Attends Seventh District Meet

Representatives from Hereford clubs contributed about nineteen to the five hundred persons attending the Seventh District Texas Federation of Women's Clubs Institute held in Plainview Saturday.

Purpose of the meeting was to honor outgoing and incoming officers of the district and to inspire the clubs to take greater interest in national affairs and in the State convention to be held in Austin, Nov. 11, 12, 13. Now is the time to be electing delegates to the state meeting and all federated clubs of the county should elect a delegate at once and make reservations on the bus which has been chartered for the trip. The lowest estimate for the trip is about ten dollars and in as much as the seventh district is working hard to place one of its leaders as state president, it behooves all the clubs to send a delegate in order that her vote may be counted.

National Defense was the theme of the meeting and all talks were keyed to that theme. All outgoing and all-in-

coming officers were present and the attendance was by far the largest ever to register at seventh district institutes. Delegates from Hereford included Mesdames J. P. Slaton, Bob Wilson, D. H. Alexander, O. H. Culpepper, A. H. Streu, Elmer Patterson, Jim Higgins, Ray Johnson, B. E. Roberson, Elvin Riddling, Bill Hutson, Robert Veigel, Jim Lipscomb, Wesley Higgins, Bob Higgins, Orpha Click, Ralph Smith, B. R. Dixon and Miss Edna Daughetee.

Seventh District Retiring Officer Is Honor Guest

As a courtesy to Mrs. J. M. Rutherford of Chillicothe, retiring president of Seventh District, Texas Federation of Women's Clubs, who was the principal speaker at the Golden Jubilee Tea sponsored by the Deaf Smith County federation, Thursday afternoon, a delightful but informal supper party was enjoyed Thursday evening at the Rose Room in a local cafe. Representatives from the various clubs of the city were present and the same theme was used in decoration as was used at the Golden Jubilee Tea—all gold and white.

Places were laid for Mesdames Urlin Streu, Ray Johnson, Elmer Patterson, Knox Kinard, the honor guest and Miss Edna Daughetee.

Mrs. Rutherford left immediately after the informal affair for Plainview where she was presiding officer at the Seventh District Club Institute on Saturday.

MRS. PETERSEN IS HOSTESS FOR CLUB

Mrs. A. Petersen was hostess Friday afternoon at her home on North Main Street to members of the Hook and Needle Club. Center of interest in decoration was a bowl of late fall vegetables which gathered together all the bright colors of autumn.

After sewing and conversation were enjoyed a fall salad plate was served to Mesdames James Alken, H. M. Redford, Frank Daniel, Robert Veigel, Wesley Higgins and the hostess.

CAMP FIRE GIRLS DISTRIBUTE CARDS

Christmas Cards which will be sold by Wecocantewaste Camp Fire Girls were distributed at the meeting held Thursday at the hut.

coming officers were present and the attendance was by far the largest ever to register at seventh district institutes.

Delegates from Hereford included Mesdames J. P. Slaton, Bob Wilson, D. H. Alexander, O. H. Culpepper, A. H. Streu, Elmer Patterson, Jim Higgins, Ray Johnson, B. E. Roberson, Elvin Riddling, Bill Hutson, Robert Veigel, Jim Lipscomb, Wesley Higgins, Bob Higgins, Orpha Click, Ralph Smith, B. R. Dixon and Miss Edna Daughetee.

Department Youngsters Enjoy Party Friday

A pre-promotion party entertained members of the Beginners Department of the Methodist Church Friday afternoon at the home of Mrs. Tom Carter.

Suckers and balloons were given as favors and refreshments were served to Tommy Mathies, Patsy Wiltshire, Jack McCracken, Wayne Lady, Stanley Slagle, Richard Lunsford, Mary Jane Cayton, Tommy Carter, Laverne Goetsch, and leaders in the department who are Mrs. Henry Williamson, supt.; Mrs. Tom Carter and Mrs. E. E. Fridley. Mrs. Eleanor Hudspeth, who will be their teacher in the new department, was a special guest.

The other morning Ira Foster asked me what I thought about the war. Of course I didn't expect to get any concrete information and sure enough he didn't—but I got to thinking about Hitler and it brought to mind a poem which I read not long ago in a trade magazine. The author of the poem is unknown:

"If a feller's been a-straddle,
Since he's big enough to ride,
And has had to sling his saddle
On most any colored hide—
Though it's nothing they take pride in,
Still most fellers I have known,
If they ever done much ridin',
Has different times got throwed."

Like this magazine (Caps and lower case) pointed out, England had for many years been considered supreme, then Germany comes along with the impossible and seriously threatens the country. Now it's up to England to do the impossible, and her chances are getting better each day. I think someone should send Hitler a copy of that old nursery rhyme, "Humpty-Dumpty," or of that gold old West Texas saying, "There ain't no horse that can't be rode and there ain't no cowboy that can't be throwed."

J. H. Cardwell, who many people will remember as an early grocery merchant and pioneer resident of this community, now has one of the finest tourist hotels in California. Mrs. Holman visited with him a few weeks back while she was in California and says that although he lives in the land of sunshine and oranges that his heart is really in this country. Anyway, he asked about a lot of old timers here and he is always glad to see anyone from Hereford. If you get out that way be sure and drop by to see him. You will probably want to stay in his lodge, Casa de Pica; it is a swanky place and was named for the home of a former governor of California.

That's free advertising for Mr. Cardwell, but he lauded and praised the Bull Column so highly to Mrs. Holman that he sure deserves it. There's nothing too good for a fellow who will voluntarily brag about you to the boss.

There sure is a lot of talk about this special train to the Dallas Fair next Thursday. Hereford has a special day and has one of the outstanding exhibits at the fair this year. Everyone who possibly can should plan to make the trip. It costs \$6.00 for the round trip, and that's plenty cheap. If you are interested see Mr. Posey at the Chamber of Commerce office. Nestor Gass is all worked up about this trip; he and Tom Alderson went to Friona Tuesday and sold tickets. A special escort will meet the train when it stops in Dallas and will accompany the Hereford delegation to the fair grounds. We must have at least 200 passengers so let's get busy and help put this deal over.

C. C. Bowman sure had a good idea the other day. Mr. Bowman says if he wrote a newspaper column he would first get a large bunch of chickens, next he would advertise in the column for big heads of maize on which to feed the chickens. He brought in three of the finest heads of maize I ever saw; it looks like I will have to go at the thing backwards and ask for some chickens to eat the maize.

Here's an unusual item which Mrs. John McLean, society editor, reports about a most sophisticated bird belonging to Thornton Shirley. For some time the bird has been puzzling the family. They noticed that he likes to accompany music which comes over the radio at times, while at other times the radio music

"When The Daltons Rode"

Guns were law in the exciting era of American history when those daring bandits, the Daltons, rode. This picture comes to the Star Theatre Sunday and Monday with Kay Francis and Randolph Scott in the leading roles.

puts him in a very bad humor. After carefully watching the bird for a few days they discovered that he sang only when classical or semi-classical music was played. Jazz and Jitterbug music immediately put him in the doldrums. He sure is a temperamental bird, or do all Canaries have this classical music complex?

The following letter was written by an old timer who has probably done as much for the betterment and growth of this community as any man who resides among us. His thought is indeed worthy of consideration and we are glad to present his letter.

Editor BRAND:
Many, many cities and smaller towns have a street designated and named "STATE STREET." Hereford has no street so named, but it does have a street designated by a misnomer: "Twenty-Five Mile Avenue." Hereford has progressed beyond that localism. Mostly that out of date name is written "25 Mile Avenue." Mail addressed to residents of that street is as follows: "Mrs. X Y Z, No. 1113-25 Mi. Ave.," as an example. Most visitors and correspondents enquire why such a ridiculous name for a street and what it means. The STATE OF TEXAS has just finished the paving of that street. Should our little city thank the State and recognize the benefit by naming that street "STATE STREET?" It is a part of State Highway No. 51.

Is there a civic club in Hereford or a prideful man or woman that would take the time to request the City Commission to enter an order on its minutes changing the name of that street from Twenty-Five Mile Avenue to State Street? Will the Chamber of Commerce request the change? The City Commission has the legal right and power without notice and without petition or request to rename that street. It would not require more than thirteen minutes time.

A Citizen.

Coterie Club Has Two Tables Bridge Guests

Two tables of guests played with Coterie Club members Friday afternoon when Mrs. A. R. Bateman entertained at her home.

The use of purple and yellow dahlias in decorating provided a pleasing effect, with those colors reappearing in bouquets of asters to give accent. Appointments, gift wrappings and the salad plate, served after the games, contributed to the color harmony.

In the bridge games Mrs. Grant Fuller scored high for members and Mrs. A. G. Lobdell of Franklin, La., for guest.

Players included Mesdames J. W. Witherpoon, E. B. Hedrick, Grant Fuller, Colby Conkright, C. F. Moore, F. L. Lucas, E. B. Hicks, R. R. Willis, Henry Sears, Travis Dameron, A. G. Lobdell and Wilbur Kramer of Franklin, La., J. T. Gilbreath Jr., H. A. Close, J. M. Posey and the hostess.

Between the Goal Posts

By FRED HARRELL

The Whitefaces did what they were expected to do last Friday night and whipped Dimmitt, 38-0. A penalty spoiled one touchdown or the score would have been 44. Hereford kicked only two extra points, missing four. The game was rather hectic, featuring long runs, long passes, blocked kicks and intercepted passes. Dimmitt fought gamely, but just couldn't compete with a team which out-classed them.

All of Hereford's regulars showed up well, but good play by the substitutes augers well for teams next year and the year after. Merrill, Clark and Ayers in the backfield and in the line Russell, McCrary, Harold Saltzman, Womble, Weems, Olson, Czerner, Hyeppock, Finch, in fact every player got a chance to show his stuff except the injured ones.

Dimmitt has one player who is plenty good. He's Co-Captain Sheffy, fullback, who carried the ball on practically every play for Dimmitt. Sheffy tried valiantly but Dimmitt got only four first downs during the game, while the Whitefaces rolled up 16.

Hereford opens the conference season Friday night on the home field when Dumas Demons roar in. It will also be the first conference game for the Demons, and I believe, it will be the first conference game in the district. The Moore county team has "The Flying Dutchman", Schlinkman, back again from last year's team.

Demon strength is problematical. They have beaten Stinnett, 19-0, but Lefors, a strong Class A team from the eastern portion of the Panhandle, gave them a good 27 to 0 lacing. One thing certain, both teams Friday night are going to be fighting their hearts out to win this first conference game.

I don't doubt but what Canyon and Tullia will both have someone here scouting us. I'm sure hoping they go home shivering in their boots. Incidentally, Hereford has three more home games, all of which should be hum-dingers and ones you won't want to miss. There's Dumas Friday night, followed by White Deer on October 11 and Canyon on October 18. White Deer isn't in the district, but they gave us a licking last year and revenge on the home field would be sweet. On October 25, Hereford takes to the road and travels to Dalhart, and on November 8 we go to Tullia.

The football columnist in the

Dalhart Texan says that his original prediction that the Dalhart Wolves would win the district title still stands but that he is weakening fast.

Dalhart has yet to win a game, having lost to both Perryton and Tucumcari, the latter game by a score of 27-0.

I haven't done any predicting this season, and neither have the Canyon, Tullia or Dumas scribes. I know that a lot of you local fans, as well as fans in other Panhandle towns would give a lot to know who is going to be the district champions this year. So Boys, I'll let you in on a little secret.

It's gonna be Hereford!

Hi-Y Boys Commit 24 Fowl Murders

Don't say "chicken" to Bruce Beene, Hick Roberson, or Donald Henslie if you want to keep three good friends. You think they shouldn't be so touchy? Well, maybe not, but after all, twenty-four chickens to pick is no Sunday-afternoon picnic any time; but when there are only three people to pick them, it could add up to a pretty tough job. Yes, that trio of sophisticated young gentlemen did just that one night not very long ago, and the job was done very efficiently, too.

And now you wonder what happened to them after they were picked (the chickens of course, not the boys). Well, the same thing happened to those twenty-four chickens that eventually happens to every picked chicken; they were cut up. And I'll bet you could never guess who cut them up! It was none other than our beloved principal, Mr. Hudson. Can you imagine our kind-hearted friend in an apron, with a big, shiny, butcher knife in his hand, and a murderous gleam in his eye as he dissected those poor chickens? But no fooling, folks, I believe Mr. Hudson really feared for the boys' mentality, because he was overheard in the office one day asking Mary Ellen if Donald had clucked in his sleep. Mary Ellen said she hadn't heard him. However, it might be a good idea for their families to watch them carefully and see that they don't wake up early some morning and start crowing.

Anyway, the eighty or ninety people at the Hi-Y camp Sunday did the chickens justice, didn't they fellows?

Members from the three American History classes were chosen to present the background for the two major party candidates and the primary issues of the two party platforms. In the first period class, the supporters of President Roosevelt were: Lillye London, Leonard Johnson, and Donald McCullough. The Willkie supporters were: John Estes, Lois Henderson, and Billie Morton. The decision of the members of the class who were not speakers for either candidate was 11 for President Roosevelt and 3 for Mr. Willkie.

In the fifth period class Mr. Willkie's supporters were: Dorothy Banner, Lois Agnes Gilbreath, and Betty Jo Potter; while the Roosevelt supporters were: Darrell Blanton, Jack London, and Richard Petersen. The decision of the class was: Roosevelt 22; Willkie 4.

Those supporting Mr. Willkie in the seventh period class were: Billy Davis, Richard Ireland, Wayne Phillips, and Jeff Washam. Defending President Roosevelt's program were: Mary Lookingbill, Mary Ellen Henslee, Ruth Temple Hastings, and Rena Rae Renfro. Mary Ann Thompson summarized the issues. The class voted 16 for President Roosevelt and 5 for Willkie.

Campaign managers for the two major party candidates were appointed from the American History classes.

Homemaking News

The F. H. T. girls decided at their meeting Wednesday night to sell pencils which have the football schedule printed on them.

The pencils will be sold for five cents each. They will be white with maroon printing.

This with the F. P. A. Father and Son banquet will raise money to send delegates to the State Rally in the spring.

The second year girls are studying preservation of foods this week. Mr. Stalcup turned Home Ec. teacher to "pickle" a stinging scorpion that the girls found.

BEAVERS ARE REPORTED

Evidence of a considerable number of beaver inhabiting the hills surrounding Buchanan Lake in Central Texas has been uncovered by a game manager of the State Game Department. The few beaver which remain in Texas generally are welcomed by land owners. They destroy some trees, but their building of dams has aided many landowners and helps some streams from a fishing standpoint.

C. O. Wilson Talks To Hi-Y Clubs

Brother C. O. Wilson talked to the combined club of the Girls' Hi-Y and Boys' Hi-Y Tuesday night in the high school auditorium. His talk was "Man Created in the Image of God."

After the opening song, "Living for Jesus," Lois Agnes Gilbreath read the Scripture which was followed by a short devotional talk by Nadyne Newell. A solo by June Dameron followed the devotional; after that, Rev. Wilson talked.

The clubs separated for their business meetings. The girls decided to have the project of raising pot flowers to give to the sick. Any person having flowers that he would give the Hi-Y girls should call them and they will come get the plants.

Seniors Elect London To Succeed Henderson

At the regular class meeting Wednesday, September 25, the Seniors transacted much business. First on hand, was the planning of a campaign "Brumley for Student Council President." Duane Balze was elected chairman.

Changes have taken place in candidates for business manager of the staff. Kathryn Henderson has been replaced by Gertrude London. Margaret Higgins, however, is still in the race.

There is to be an executive council meeting Thursday to decide upon Senior class dues.

Central School News

FIREMEN

The purpose of having firemen for Central School is to put down windows, close doors, and carry the room number to the principal when everyone is out of the room in case of fire and fire drills. Eugene Sparks is Fire Chief, and J. W. Robinson is assistant. The following are firemen: Wayne Newsum, Duane Williams, Glenn Bell, S. A. Putts, Nolie Elliston, Kenneth Rea, Delmo Williams, Edward Roberson, Weldon Hacker, Dwight Wilson, Robert Hennington, Lawrence Owen, Bobby Hamilton, Martin Corbett, John Owen, J. T. Lisbenbee, Richard Thomas, Johnny Rogers, James Cayton, Clifford Kerr, Jack Brumley, Jimmy Whitaker, Paul Andrews, J. B. Sowell, Bobby Flegal, Johnny Homer, Billy London, C. W. Reeves, George Pace and V. C. Hopson.

REPORTERS

The two Central School reporters for this year are Marcella Blue and Naomi Brumley. Assistant reporters are Ouida Hudson, Mary LeGrand, Cecilia Guseman, Madelle Beavers, Jessie Ann Buekner, Patsy Clagle, Nadine Cole.

CENTRAL CHATTER

Mr. Stephen Milner has just announced that anyone seen chewing pencils in his fifth grade room will receive a baby rattle to play with.

Jimmie Green sits across the aisle from Marcella Blue. I wonder if they clash.

"I loved her, and I just wanted to kiss her" was the way a first grade boy explained his action to the principal after a second grade girl had reported that he threw her down on the playground and kissed her.

This isn't Walter Winchell reporting, but I "got" the goods. Mr. Stephen Milner is 5 feet, 8 inches tall. He weighs 154 pounds and likes lemons and football. His hobbies are tennis and reading. His only dislike is to keep pupils after school; he has to, even if he doesn't like it. He would like to win gift night. There we have the "mystery" of the new Central School, fifth grade teacher.

Turkeys will not move very far for water during the heat of the day. Water should be placed where the turkeys rest and not across the pasture.

Pep Club Receives New Members With Stiff Initiation

The Pep Club had its initiation Thursday night at 7:00 in the high school gymnasium. To begin the affair, the girls were treated to a heavy and rough course of lipstick. Next, the girls did some tumbling acts; when the leaders whistled, the novices had to face the east and praise Allah. Later, the girls were given a mud-bath. Soon after this, they had their fortunes told, then pledged their allegiance to the club. As the girls left, they received hot dogs. Sponsors in charge of the initiation were Miss Foster and Miss McCaslin.

Friday until noon the girls had to wear their hair straight and use no make-up.

NOTICE!

Tomorrow afternoon (Friday) at 4:00 in Miss McCaslin's room in the high school, there will be a Senior Mothers meeting to plan the social activities for the year.

New System For Admit Slips Is Inaugurated

A new system for getting admit slips has been established in the high school. The absentee gets an excuse blank from the office on the day that he returns to school. The next day the excuse blank is brought back to the office with the absentee's name, the date that he was absent, the cause of the absence, and the parent's signature. The student then signs the excuse blank in the presence of Mr. Hudson who then O. K.'s the excuse and gives the student an admit slip. The filled-in excuse blank is filed and kept permanently.

Local Boys Attend Hi-Y Encampment

The Hi-Y encampment started Thursday afternoon, September 26, and lasted through Sunday noon, September 29. The president of the encampment was Clyde Fuqua of Amarillo.

There were four meetings a day, two in the morning and two in the evening. The meetings of the morning consisted of boys' problems in life. The evening meetings were campfire meetings.

There were boys from several different towns of the Panhandle. Towns represented were: Hereford, Memphis, Lubbock, Pampa, Phillips, Tucumcari, Amarillo and Plainview. The boys attending from Hereford were Harold Close, Bruce Beene, F. L. Lucas, Roy Morrison, Leonard Burleson, Hicks Roberson, Donald Henslee, Kenneth Lisbenbee and Jack Allmon. Mr. Hudson, the local Hi-Y sponsor, attended with the boys but spent most of his time in the kitchen. Since the Hereford club had the responsibility of feeding the whole camp, Dick Linville of Hereford cooked for the boys. He made a great hit with his fruit pies which were served twice a day. The Sunday dinner menu was: fried chicken and gravy, English peas, creamed potatoes, sliced tomatoes with mayonnaise dressing, biscuits, iced-tea, cherry pie with ice cream.

After the witnesses were heard by the committee, a vote was taken which indicated that the opinion of the majority opposed further expansion of Federal powers. A resolution committee under the chairmanship of June Dameron drafted the resolution.

Junior Mothers Elect Officers

The Junior Mothers of 1940-41 met September 24 to elect officers and organize a mothers club.

Junior Mothers elected to office were: Mrs. Ralph McCullough, president; Mrs. Pat Lawhon, vice-president; Mrs. A. Petersen, secretary; Mrs. J. H. Trimble; treasurer; Mrs. L. H. Lookingbill, reporter.

The mothers will help the business committee of the Junior Class with the selling of hamburgers and coffee at the games.

The Juniors with the support of the mothers plan to give the best Junior-Senior Banquet for years to come.

HUMOR

Wilbur (to fair companion): "Have you ever tried listening to a movie with your eyes shut?" Voice (from behind): "Have you ever tried listening to one with your mouth shut?"

Donald D. "You always do all the talking and never listen." Lois Agnes: "How ridiculous! I've heard every word I've said."

Elmer M. "I always get up when the sun shines through my window."

Earl L. "Gosh that's early!" Elmer M. "No, t'ain't. My window faces west."

"Hypnotism is getting a man in your power and making him do what you want." "That isn't hypnotism. That's marriage."

Mr. Best: "Name a great time saver."

Bright Freshman: "Love at first sight."

Girls And Boys, Take A Tip

In the Boys' Social Problems Class, the group has been discussing characteristics that they do and do not like for boys and girls to possess. They made a list of traits that they particularly dislike in boys: dishonesty, sarcasm, careless appearance, narrow-mindedness, shiftlessness.

All But Injured Men See Action

The Hereford Whitefaces were stampeded Friday night by the opening whistle and drove and passed to a 38 to 0 victory over the Dimmitt Bobcats. The Hereford had the Bobcats hopelessly out-classed, but the Dimmitt lads proved games to the final gun.

Hereford's first score came in the opening quarter when Dimmitt's punt was blocked and Hereford took over on the 44 yard line, with Johnson, Worley, Loerwald alternating to the 6 yard line, where Loerwald plunged for the score. Try for the point was good. The next score came when Johnson caught Loerwald's pass. Try for point failed. The next counter came when Johnson plunged from the 3 yard line. Score: Hereford 19, Dimmitt 0. Hereford again scored after recovering Dimmitt's blocked kick on Dimmitt's 8 yard line. Hereford's next score was on a 5 yard pass. Hereford again passed into pay dirt for their final score. This made the score Hereford 38, Dimmitt 0.

Jones, Brown, Fox, Saltzman, and London did their jobs in the line well, as usual. McCrary proved to be a pass receiver as did Ford. In the second half, the fans viewed Coach Best's reserves. Every man on the squad saw action except Balze and Hurtman, who are still on the injured list. The second and third teams proved their ability when they scored twice and held Dimmitt practically motionless.

With three victories behind them, the Whitefaces start drilling for their first conference tilt, with Dumas. Dumas has twelve lettermen back and is expected to provide stiff competition. The Whitefaces are determined to add Dumas' scalp to those of Friona, Littlefield and Dimmitt.

The boys in this class do not like girls who are careless, who giggle, who are poor sports, who talk about boys and who "gold-dig."

Preserved in Texas Memorial Museum on the University of Texas campus is the tomahawk used by Moses F. Austin and, later, his son, Stephen F. Austin.

exhibit is the only one of its kind at the fair and to Hereford has been given the responsibility of representing the entire Irish potato industry of Texas. When we hit Dallas, clad in our unique potato sack shirts for the men and potato sack skirts for the ladies, fair officials will see to it that national newsreel photographers are there.

"Get your special 'tater' sacks now from Glenn Boardman or Jim Williams. They are furnished free by the Chamber of Commerce, but you must get them before you get on the train."

"And write all your friends to meet you in Dallas on Hereford Day."

In a letter, Walter Burton, State Fair head, said: "We have made all arrangements for your big day, Thursday, October 10, and Mr. Hiegel, our special events man, is giving publicity to that great day for you folks."

Plans to enable 40 members of the Whiteface band to attend the fair on Hereford Day are underway this week, Mr. Posey said.

OTHER TOWNS INVITED

Pointing out that persons from other towns in this area may take advantage of the \$6 rate, Chamber of Commerce officials expressed the belief that many of them would join the Hereford delegation. All are urged to see A. O. Thompson, or the Chamber of Commerce as soon as possible for tickets.

Milk bottles bearing signs of the cafeteria have been placed at various business houses in Hereford. Small change placed in these will be used to buy milk for the cafeteria.

"Teachers endorse the cafeteria, saying that they can see improvement in alertness, attendance and grades of those eating the hot lunches."

The cafeteria again is under supervision of Mrs. C. Ora Cockrell. NYA labor of four girls is paid for by the Federal government.

Sanitary conditions prevail at the cafeteria and persons are invited to visit there at any time.

SCHOOL DAYS ARE HERE

Here are a few suggestions that might help in minimizing hazards which follow all youngsters:

Observe State traffic laws. Do not pass school buses which have stopped to discharge passengers. This is dangerous to kiddies who may jump from the bus and race across the road; also warn children to exercise caution in leaving the school bus, as many careless drivers violate the laws.

Do not allow children to play in streets. This is obviously dangerous and is uncalled for.

Children who skate on public sidewalks are often prone to venture into streets. Warn children to be cautious while playing on skates.
