"There isn't much time left for my little friends to mail their letters to the Brand, so I'll know what to bring them for Christmas," old Santa said this week. Over 250 Fans To Follow Whitefaces Friday

Old Santa's jolly eyes twinkled as he said: "Don't be a little 'put-offer' and wait until it's too late. My workmen are ready to go to work on the toys you want, but if you don't write me. I can't tell what to make. So get your pencil and paper and start right now. Don't be a 'put-offer'."

Imagine a truck that's "as easy to drive as your automobile." GMC Ball-Bearing Steering makes truck steering effortless, by eliminating practically all friction in the steering gear. You can twist the wheel with two fingers! You can spot the truck, turn sharp corners, drive all day on winding roads without ever once having to "put your shoulders to the wheel." And you know this great GMC development is safe, because it's been proved for two years in medium and heavy GMC Trucks, in millions of miles of owner service! Drivers say it's the greatest truck comfort and safety development of the age.

# Drive it TODAY.

Come in and see the many outstanding GMC driver-comfort features. Try the buoyant, scientifically-cushioned seats in GMC Rider-Ease Cabs. Note the generous leg room they provide, and the way the controls are placed

so you never have to stretch to reach them. See how the instruments on the dash are grouped so you read them at a glance. Then drive a GMC and feel the difference in these comfort-built trucks that are priced with the lowest.

Have you flipped over the last page of your kitchen calendar? Its Christmas time again. Its the time we have longings for the sight of homefolks, for the faces and laughter of old friends. Its the time we cast aside our worries and cares and lay aside all other points of view and let the spirit of friendliness and hospitality reign in our hearts and homes.

It is in the kitchen that the Christmas excitement starts first for much preparation is necessary, well in advance of the holidays, and there's only 20 cooking days 'till Christmas.

Two genuine people with real old-time habits have consented to let you have two treasured old recipes, just as little extragifts, with the hope that they will help you with your feast plans for the yuletide.

Mrs. Cooper Morgan bought this fruit cake recipe from a woman who had used it in the White-House at Washington for twenty years. It makes two cakes but you can halve the recipe or two people can make them together. FRUIT CAKE

1/4 pound orange peel Soak almonds in rose-water over night, soak fruit in grape fulce over night, cream butter and sugar thoroughly, add well beaten egg yolks, spices, grape jelly and chocolate. Then add stiffly beaten egg whites, blend well and add the flour, reserving a small quantity with which to mix the fruit. Stir in the fruit, which has been thoroughly mixed, a little atatime and last of all add the nuts. Pour in two angel food cake pans and bake in a 250 degree or 275 degree oven for 3 or more hours. Mrs. J. W. Kirby reviewed Mary Kidder Rak's "A Cowman's Wife" for the Bay View Club at the meeting held Thursday afternoon in the club rooms at the courthouse.

The speaker described in detail, life on an Arizona ranca as the author lived it. The story recounts actual happenings as they occured over a period of years revealing the hardships of the open range as one ranch woman saw it. An interesting feature of the review was the reading of a letter from the author to Mrs. Kirby in which she stated that no item in the book was exaggerated.

Our line of Gifts this year is the best assortment of Gifts we have ever stocked! Come in Early . . . and make your selections.

For several days after Christmas—showing gifts is a custom -BUT then what happens? Some are laid away and become forgotten-others may serve as bridge and bunco prizes - or be returned for exchange or refund — the result of giving without thinking. This year, why don't you break away from the usual "bromide" gifts — and give something off-the-standard, with consideration of its usefulness rather than the conventional character of the gift.

December 5th to December 24th - to be exact 16 days where you can shop with ease - no rushing, no crushing; hundreds of new, useful gifts on open display, plainly priced — and patient, courteous salespeople anxious to be of every possible service to shoppers.

The true spirit of Homecoming, merriment and friendliness is reflected in the crowd of shoppers that will make this store a favored gift center during the Holiday shopping season.

No matter how long your gift list — or how limited your budget — here you will find gifts for everybody. Not the kind of gifts that bring a matter-of-fact "thank you" — but gifts that actually serve a definite need in a person's home - or life.

Be sure to visit our store often during this short period before Christmas and take advantage of our Big Gift-Value Event!

#### Herefordites Show John Estes: I don't feel well. Good Sportsmanship

Hereford for the first time in several years has captured the district title. This was a result Claudette Colbert, J. P. Jones- of not only the co-operation of Peter Lorre; Christine Smith- the team and the leadership of Jeannette McDanald, Gerald the coaches, but also the spirit

The students have shown good sportsmanship in the pep parades and at the ball games. There has been very little booing and no cheering because of an injured player from the other school. That is no more than it should be. Students of a school where sportsmanship is taught are not worthy of the title of "American Citizens" if they engage in these practices.

Tomorrow the Whitefaces will enter the battle for the bi-district championship. If they win, that is good. If they do, remember they still can be beaten. The closest scores come when the game appears to be cinched.

If they lose, that is all right, too. They have had a very good season but someone has to lose. Phillips does not want to lose
