

The Big Spring Herald

Big Spring, Texas, Friday, June 1, 1928

By T. E. JORDAN

CO TO HEALTH SOON

Phone Us Your News

Now that we are entering the daily newspaper field, we want to keep our readers posted on the happenings in our little city, every day. We want our friends to know that you are being read, and what is going on in town. With your cooperation, we can have a whole lot of live news items, each day, if you will remember to report them. It is impossible for us to keep up with the many happenings, for we are only human, and can't be two or three places at once. We appreciate you phoning us any news. Take it upon yourself to report us everything that happens in your neighborhood. Your friend will like to see his name in the paper, and the readers of the Daily Herald, will be glad to read about what you have done. Let's keep up with the times. Be the reporter for your neighborhood. Let the other sections of the city know that you are awake, and doing things. We will appreciate you reporting the things of interest. May we have your cooperation? Jeddo, Penn.

Boys' Calf Club Work Encouraged

At a meeting of the Howard County Boys' Calf Club at the court house in Big Spring last Saturday, to discuss the purchase of calves for the boys calf work, the question was discussed from all angles. Secretary C. T. Watson advised that unless the fathers could see their way clear to help the boys in seeing the calves were properly cared for and were given the proper feed he would advocate purchasing heifers which could be secured around \$75.

When it was put to a vote the boys and their fathers voted to purchase the very best registered heifers—the class of heifers selling at \$125 around. About fifty boys and men attended this session.

Mrs. Mabel Quinn Remodels Home

The beautiful home of Mrs. Mabel Quinn on Main St. is in the process of being completely remodeled and improved, and when the work is finished this will be practically a new home. The exterior of the house has been repainted and a new roof has replaced the old one and other improvements have been made.

Road Aid Measure Signed by Coolidge

Washington, May 26.—President Coolidge signed today a bill providing \$75,000,000 federal aid for State road construction annually in 1929 and 1931.

What Hospitality May Lead To

Albany, N. Y.—Let us hope hospitality has generally better results than those that came of the hospitality of Joseph Kramer of Salt Lake City.

Luncheon Club Discusses Ft. Worth Trip

A Round Table Discussion Takes Place of Program Committee Failed to Provide

The question of executing the members of the program committee before the most momentous problem was the members of the Wednesday Luncheon Club—but as Roy Carter was the only one present to plead guilty the trial and execution were delayed.

COMMERCE HAS BUSY MEETING MONDAY NITE

A busy session of the board of directors of the Chamber of Commerce was held Monday night and a number of important matters were up for consideration.

Financing City Building Plans

Austin is not a very large city as modern cities go, but the state capital citizens have authorized a four and a half million dollar bond issue for municipal improvements and will set about city building under a definite plan.

REVIVAL STARTING FRIDAY

The big revival meeting to be held at the Church of Christ tabernacle in this city will begin this evening Friday June 1st, Evangelist G. A. Dunn of Dallas will be in charge of the preaching and J. W. Dennis of Floydada will conduct the song services.

Don't Love Republicans

The insults and dire hardships imposed on this editor and his people by the niggers and republicans during the dark days of Reconstruction in Texas made him a little sore. These people held the whip over us at that time and dealt us all the misery they could invent until we rose up in our might and re-egated them to the things that were.

The Store That Quality Built

(Continued from page 1) Luncheon Club Talks of Ft. Worth Trip

specify what the women should wear, but we suppose he thought they ought to know—and still keep the color scheme harmonizing.

Care to make the trip will be signed up the 10 or 11 of June. The occupants of each car can make a deal with the owner of said car as to prororation of the expenses of the trip.

After many questions relative to the trip had been answered other problems were tossed on the round table.

In reply to a query R. L. Cook stated that the refinery proposition C. R. Groff had been working on seemed assured and representatives of the refinery were expected to be here within the next ten days—ready to go forward, with same.

Tom Cook, without any advance notice, was called upon to tell what he has been doing since he came to Big Spring.

After getting off that old stuff about it "being so sudden"—he admitted he had been jumping sideways ever since he had been here but he was coming along fine liking the city better every day and learning to understand and like the people better, too. He said he found that the folks here knew what they wanted and went after it. Let them come into his place and look at a percolator or a refrigerator, they would tell you in a few minutes that they did want it or they didn't. Back East it means parleying a month or two before purchases of any great value are consummated. He said he had been trying to rent a home here the past three months without success, and was going to be forced to build a home—and he was glad of it. In reference to his work with the Texas Electric Service Co. he said it was just a continuous struggle to keep pace with the growth of Big Spring. He said, since he had been here, they had added seventy-five new electric customers each month—and that meant Big Spring was growing at an enormous rate. He said it was indeed surprising the way this city continues to go forward. Several weeks ago it suddenly dawned on them the lines in Big Spring were being overloaded and it was necessary to ask for a \$17,000 to make the necessary changes and improvements to bring the service back up to standard.

Mr. Cook said we had a mighty good little city here and it seems we are just getting ready to grow. Edwin A. Kelley stated the \$150,000 addition to the ice plant of the Southern Ice & Utilities Co. was completed and in daily operation. One hundred tons of ice are being manufactured daily and at a surprisingly low electrical cost. The new plant is meeting every requirement he said. About 75 tons of ice are required daily to reject the cantaloupe shipments now routed over the T. & P. railway thru Big Spring and these shipments though greater than at this time last year have not yet reached the peak. Shipments of ice to points west promise to be greater this year. Due to cool nights the local consumption is down to 10 or 12 tons at present.

Robert W. Sandifer said Big Spring was a queer town in some ways for though he had been in business here quite a few months very few men had come around and made themselves acquainted and told him they were glad he came. But he said he didn't care for no one asked him to come or leave and anyway he was operating a woman's store and the women had been more than kind in according him a fine patronage. He said he didn't care whether the men were sociable or not, he was well satisfied and was going to stay right in Big Spring—the best town in Texas. He said he wanted to make the trip with the caravan to Fort Worth so he could pack up his family in Dallas County and bring them to Big Spring to make their home.

C. T. Watson stated that he should make a special effort to round up all business men who had not been out of Big Spring for five years and insist on their going on the Caravan to Fort Worth as it would do them a world of good and make them better boosters for Big Spring. A trip of this kind will make us better acquainted with our own people, give us a greater love for our home town and do each and everyone taking part a world of good.

We may not be able to bring back thousands of new settlers but if we are able to sell ourselves on the idea that Big Spring is the best town in Texas the trip will be worth all the time and money we squandered on it.

Edwin A. Kelley gave a short talk on enthusiasm, and said it would be wonderful if we could get our folks enthused over the proposed caravan. He said if we could just inoculate with that sort of enthusiasm, which in his student days he imagined, made the world go round we would have a rejuvenated city and a citizenship that could accomplish anything they set out to do.

Tom Cook, L. A. Eubank and Joy Strippling were commended to prepare a program for next Wednesday.

More than one hundred commercial secretaries attended this annual session. Messrs. Watson and Davis were retained as members of the board of directors.

For a BETTER JOB at a LOWER PRICE see WILKE'S Watch and Jewelry Repair Department. The best equipped repair department in West Texas.

Colder drinks served in a better way.....Cunningham & Phillips.

Clara N. Gause, piano technician of Lubbock is a business visitor in our city this week.

Orchid Beauty Shoppe Has Formal Opening

About two hundred and fifty guests attended the formal opening of the Orchid Beauty Shoppe in the Lester Building at the corner of Main and East Third St. on last Wednesday May 23rd, between the hours of two and ten o'clock. Nothing but praise was heard on the completeness, beauty and convenience of the shop and most everyone declared it to be one of the prettiest and most modern shops in all West Texas. Mrs. H. C. Dixon, a graduate operator, is owner and proprietor.

On the opening day the shop was gay with lovely flowers, which added beauty to the attractive interior and furnishings.

The reception room, which is finished in tan and green and furnished with a wicker suite, with floral upholstery, was bedecked with sweet peas and daisies, attractively arranged in vases and bowls. The work rooms, which are finished in ivory and orchid, with gold trimmings, were beautifully decorated with gladioli in a variety of colors. The work shop is divided into separate booths, for the different kinds of beauty work. Each department is complete within itself, modernly furnished and up to the minute, in every way.

The numerous callers passed through the shop which was open for inspection, and each one complimented its beauty. Music was furnished through the courtesy of the Rix Furniture Company. The flowers for the opening were furnished by the Couch Greenhouse and Floral Company, local florists.

The personnel of the Orchid Beauty Shoppe, includes the owner Mrs. Dixon, who is a graduate operator, and experienced in all lines of beauty culture. Miss Mona Grissom, formerly of Cisco marcel operator, and Miss Pine, formerly of Dallas, facial specialist. The young ladies wear orchid uniforms in the work shop, which is in keeping with the name, as well as the orchid theme carried out in the work rooms.

In the afternoon guests were served refreshing fruit punch. In the evening carnations were given as favors.

Those who were unable to attend the formal opening are cordially invited to visit the Orchid Beauty Shoppe at any time. You are welcome.

Mr. and Mrs. Myer Blankfield and children after a visit with her parents, Mr. and Mrs. Wm. Fisher left Monday morning for their home at Fort Arthur Texas.

"SORRELL AND SON" IS A PERFECT ENTERTAINMENT

Father-and-son love is the theme of "Sorrell and Son," Herbert Ehrenson's production of Warwick Deeping's best-selling novel, made into a United Artists Picture, and offered at the R. & R. Lyric theater Thursday and Friday, May 31, June 1.

H. B. Warner appears at Stephen Sorrell, and Mickey McBan and Nita Asther enact, respectively, the child Kit and the mured Kit Sorrell. The notable cast includes Anna Q. Nilsson as Dora Sorrell; Carmel Myers as Florence Palfrey; Norman Trevor as Thomas Roland; Alice Joyce as Fanny Garland; Mary Nolan as Molly Roland; and Louis Wolheim as Sergeant Buck.

Much of "Sorrell and Son" was filmed in England and with the aid of the author, Warwick Deeping. All of the film "Sorrell and Son" is faithful to the spirit and letter of Warwick Deeping's book, and the ending of the film is that of the book. Herbert Brenon, who made "Peter Pan" and "Beau Geste," says that "Sorrell and Son" is his best motion picture. A father himself, Mr. Brenon believes the story of "Sorrell and Son" is that of any father and any son, and that the appeal of the film as entertainment is supplemented by its spiritual effect on men and women who view it.

The story of "Sorrell and Son" is that of a British war veteran whose wife deserts him and his six-year-old son. The veteran, Captain Stephen Sorrell, M. C. thereafter struggles against ingratitude, poverty, vice and physical exhaustion to rear and educate his beloved son, in whom he is ultimately well pleased. Interwoven with the story of father-and-son devotion are the sub-plots of Stephen Sorrell's friendship with Fanny Garland; Kit Sorrell's love for Molly Roland; Roland's kindness for Stephen Sorrell; Sergeant Buck's enmity for Sorrell; Florence Palfrey's scorn for her drunken husband and angry passion for Captain Sorrell; and Dora Sorrell's bitter struggle to win from her husband the love of their son, Kit.

Manager Robb of the R & R Lyric theater said that in presenting "Sorrell and Son" to his patrons at popular prices he felt he was announcing presentation at his theater of one of the five greatest motion pictures ever made.

J. A. Doyle brakeman for the T. & P. railroad was killed and two other men were injured when a car turned over between Stanton and Midland Sunday night, May 20.—Stanton Reporter.

Deceased was buried at Midland Doyle had been working for the T. & P. railway out of Big Spring the past three months. A brother is here this week to investigate the accident.

Jesse H. Jones Fits Platform Moody States

Austin May 28.—Jesse H. Jones, named by Texas Democrats at the Beaumont convention as their standard bearer in the coming national meet in Houston, fits the party platform in every particular. Governor Dan Moody said today in commending the Democracy of Texas, on his choice. He said: "The Texas delegation will undoubtedly take great pleasure in presenting Mr. Jones to the convention as a candidate for the Democratic nomination. The convention adopted a resolution presenting him as the choice of the democracy of Texas for the nomination. "He has attracted nation wide attention by his successful efforts in bringing the national convention to Texas for the first time in history, and the first time it has been in the South in more than half a century. He achieved this single handed and was able in the critical moment to write his personal check for the required guarantee. One thing which contributed to his successful efforts in this respect was the executive committee in handling the finances of the party. "His scrupulously honest management of the finances of the party is in striking contrast with the corrupt record of the republican party in its financial matters and presents a strong appeal to the electorate. The compliment which was paid him at the Beaumont convention was a great and deserved tribute, and it is certainly a great honor to be the choice of the Texas Democracy for the nomination. His accomplishments in the business world prove his ability and there is no part of the convention platform which he could not stand on or accomplish."

'The Student Prince' Is a Dramatic Event

An event that has perhaps done more than any other to bind together the destinies of the screen and the stage was the filming of "The Student Prince," one of the stage's most famous romances, and pathway to fame for Richard Mansfield, Dion Boucicault, and other celebrated footlight stars. The famous drama, one of the most widely-read and widely-seen stories of the world, was given a production that made new screen history at the Metro-Goldwyn-Mayer studios, and will be seen Monday and Tuesday at the R. & R. Lyric. Ramon Novarro, hero of "Ben-Hur," plays the role of Karl Heinrich, the unhappy prince. Mansfield's role on the stage, and Storms Shearer his pathetic sweetheart ever assembled support them. Kathie, one of the biggest casts with thousands of people in the crowd scenes, court ceremonies and other spectacular details. Entire towns were built, as well as reproductions of huge German castles in the massive filiation. "The Student Prince" first saw the light as a novel by Meyer Forster, a noted German author of three decades ago. When Richard Mansfield was looking for a new vehicle it was placed before him, and its dramatized version took the world by storm. It has been played in every country in the world; almost every famous actor has played in it at some time or other in his career. Recently it saw a revival in musical form as "The Student Prince" when the play was adapted to comic opera form. The screen play was scenarized by Hans Kraly from the original novel, and directed by Ernst Lubitsch, famous director of "Passion," "Deception" and other European sensations. The cast includes such celebrities as Jean Harlow, Edward Connelly, George K. Arthur, Gustav Von Seyffertitz, Edna Norton, Edythe Chapman, Philippe De Lacy, Lionel Belmore, Otis Harlan and many others of note. Laid amid vivid reproductions of the actual scenes of the story, with picturesque characters and costumes, majestic castles, and the romantic University of Heidelberg recreated on a huge scale, the new production is one of the biggest in history.

SIMMONS UNIV. IS EXPANDING

(Special to Daily Herald) ABILENE, June 2.—A drive for \$1,500,000 to be realized in the next year or two by Simmons University has been announced from the office of the president, Dr. J. D. Sandifer. This is the most extensive single program ever outlined for the West Texas University. One million of this is to be added to the endowment which stands now at half a million and the other five hundred thousand will be used in constructing more buildings and adding equipment.

In his statement concerning the drive, President Sandifer said that the time had come when Simmons, to serve a growing West Texas, must have more endowment and have more buildings. The twelve buildings now on the campus are taking care of the activities of more than 1,400 students and are taxed to capacity.

Oil Leases And Royalties

Dirt is Broken For Building New A. C. C. Site

Abilene, Texas, June 1.—Coincident to and celebrating the breaking of dirt for the first unit of Abilene Christian College's new administration building on the recently acquired campus Wednesday, May 30, the entire personnel of the college took a holiday and held a picnic on the new site.

Students, teachers, officials and members of the board of trustees, were joined by friends and supporters of the school in the affair which formally marks the beginning of an entirely new plant for the school, which during the last few years has experienced a phenomenal growth and development.

Contract for the erection of the first unit of the new administration building was this week awarded to H. M. Seby on a bid of \$75,950. That does not include heating, wiring and plumbing. The building which is to be three stories high and will serve as the executive headquarters of the school, will be piped for steam and gas heat and will contain, in addition to the offices, about sixteen classrooms. Actual construction was put under way with the dirt-breaking ceremony.

Two other units of the administration group of buildings, the academy hall and the auditorium, will be started in the near future, officials of the institution announce. Each of these buildings will cost approximately \$50,000. In addition to these three structures, two modern fireproof dormitories will be erected during the next twelve months.

Highline Crew Building Rapidly

The Texas Electric Service Construction force is making a fine record in constructing the high voltage line from the sub-station in the Chalk oil field to McCamey Texas. This high-line will carry 60,000 volt line to supply electric power to pumping stations along the Shell Pipe Line and also supply electric light and power to towns along the route.

The camp which accommodates 100 workmen was moved Wednesday from a point 25 miles southwest of Garden City to a point 45 miles southwest. The camp is about 80 miles southwest of Big Spring. Supplies for the camp have been transported from this point.

Owen Sloan Well Down to \$75 Ft. The Brown No. 1 of Owen-Sloan Oil Co. the first of six wells to be drilled on their 20,000 acre lease south of Colorado about eight miles is shut down at 875 feet awaiting casing. Some small bridges on the road to this well were damaged by the recent rains and it has been impossible to get the casing to the location. The well had a showing of oil at about 400 feet, and it is thought the Chalk pay will be picked up at about 1,100 or 1,200 feet.—Colorado Record.

Oil Activities Showing Gain

Eighteen Tests New Being Drilled And Twelve New Tests to be Started Soon

With Cosden Co. getting busy on two test wells and making location for two additional wells; the Amerasia Co. making preparations to drill two; the Magnolia Company, the Gulf Production Co., F. H. E. Oil Co., Schermerhorn, The Ryecade Co., Donnelly Oil Co., to drill one—each it is evident that development work is due to show a marked increase within the next few weeks.

Some of these days an outlet is going to be provided for some of the oil of the Roberts field and when this comes to pass you will see some activity in the field and no mistake.

Five New Locations Announced Amerasia Petroleum Corporation made two of Howard county's new locations, No. 1 Dora Roberts, 990 feet from the north line of section 137, block 29, Waco and Northwestern Railway Company Survey, and No. 1 G. C. Stewart 330 feet from the south and east lines of section 130, block 29, Waco and Northwestern Railway Company Survey. Cosden & Co. will drill No. 2-A Dora Roberts 350 feet from the south and west lines of section 128, block 29, Waco and Northwestern Railway Company Survey. Magnolia Petroleum Company will drill No. 2 Daniels 660 feet from the north line and 1,990 feet from the east line of section 30, block 30 T. & P. Railway Company Survey. Gulf Production Company will drill No. 1 H. R. Clay in Glasscock County, 2,130 feet from the north line and 150 feet from the west line of section 155, block 29 Waco and Northwestern Ry. Company Survey.

Howard County Test The Laurel Oil and Gas Company No. 1 is rigging up on the G. D. Read ranch section 12 block 31, T. and P. survey Howard county. This is the test the Marland Oil Co. planned to drill an dthe derrick has been up for several months.

Penn Oil Co. to Drill The Penn Oil Co. is expected to start drilling operations on a 12,000 acre block in the northwestern portion of Glasscock County before the close of the present month. The location for the first well will be on section 64 block 30 W. & N.W. survey, near the center of the tract. Geologists think well of this area, which is south of the Clay and Roberts oil fields.

Marland to Drill South of City

We are informed that the Marland Oil Company is going to drill a test well about five miles north of Big Spring. This is on the block of acreage the company secured last year and on which they have drilled one well, the A. G. Haynes No. 1. If the test north of Big Spring does not bring in oil, the company plan to drill a well on the A. G. Haynes No. 1. Baby and Phillips. For a better price for your jewelry, repair and best equipped West Texas. Herald Want Ads

GARDEN CITY RESIDENT DIES FROM POISONING

The many friends of Mrs. G. W. Donaldson were shocked with grief Thursday, May 24, when the news came that she had died from the effects of strychnine poisoning.

As best we can learn, Mrs. Donaldson had been suffering from a mental derangement for the past two or three days but it was thought it was only temporary. Wednesday night she did not rest well and Thursday morning Mr. Donaldson telephoned for her brother, Frank Ramsel to come over and assist in caring for her. He also telephoned to Big Spring for a physician to come out. About noon the physician arrived and someone remarked that the doctor was coming Mrs. Donaldson walked into the kitchen and opened the kitchen cabinet, while Mr. Donaldson was watching her to see that she did not procure a knife and attempt to do herself bodily harm. She opened the cabinet and stood with her back to those in the adjoining room and they observed that she made a motion as though drinking something and when they went to her they found she had taken the contents of a bottle of strychnine which had been kept for the purpose of poisoning varmints, and which she had evidently found and placed in a convenient place. The physician did all that could be done to save the life of the deranged woman, but to no avail.

Mrs. Donaldson resided with her family on the Donaldson ranch about twelve miles east of Garden City and was well known here, where she often came to visit and shop. She was a woman of a very bright mind and possessed with an unusually genius disposition. All who made her acquaintance became her friends because of her lovable disposition and hospitable manner and it is hard for them to understand why a person of her nature should be taken.

Funeral services were held at Garden City Friday afternoon.

The deceased is survived by her husband, G. W. Donaldson and two children, a son and a daughter the eldest of which is about ten years of age.—Sterling City News Record

BESTS HORNED TOAD MYSTERY

Howard County, Indiana has a corner stone mystery of its own which not only rivals the discovery of a horned toad in the corner stone of the Eastland courthouse, but involves a question of transmutation rather than resurrection. Old-timers who saw the corner stone laid in Kokomo more than sixty years ago and who were willing to swear on oath that a quart of whiskey was placed in the receptacle, were dumfounded when the contents of the corner stone were removed recently and no whiskey was found. Instead they discovered a musty stogie of which there was no record and which caused more surprise than a dozen horned toads.—Indianapolis News.

Every citizen can throw out his chest and point with pride at the establishment of a daily newspaper in Big Spring. The daily will be a credit to this section, and we are going to spread the glad tidings that prosperity in abundance abides in our section. We also want to impress the new comers with the opportunities that await him in Howard County and make him like our section.

BIG SPRING PLANING MILL MOVED IN NEW BLDG

The Big Spring Planing Mill has been moved from its location on East Second St. to its new home at 207 Gollad St. and now the proprietor L. J. Lechne, boasts of having the finest planing mill in all West Texas.

Occupying a building 50x150 feet the Planing Mill in its new quarters is modernly equipped with the most up to date machinery on the market. All kinds of equipment needed to do first class mill work has been purchased and installed, in order to give the patrons the very best service possible.

All kinds of mill work can be done at the Big Spring Planing Mill, and their specialty is making windows, doors, sashes, etc. The Big Spring Planing Mill is an establishment that Big Spring should be proud of being the first of its kind in Big Spring with one of the finest shops in all West Texas.

'SORRELL AND SON' ONE OF RAREST PICTURES

'Sorrell and Son' the most discussed novel of recent years and the best loved picture of the present day was given a pre-showing at the R. & R. Lyric theater Tuesday morning and those seeing it proclaimed it to be one of the most absorbing stories ever seen on the screen. This great picture is being shown at the Lyric today and tomorrow, Thursday and Friday May 31 June 1st, and every man woman and child should see it. Fathers and sons will put their own lives into this father and son film, mothers and daughters will live through it with them and each one will proclaim it to be the very finest picture in years full of realism.

'Sorrell and Son' is a drama of the tenderness of a father toward his son and a son toward his father and as such has a far-reaching way over the sympathies of men and women, young and old.

At no time has there been prepared for the eyes of the world such a living, glorious stirring story of sincere love of a father for his son.

See this picture. It has an appeal that will touch your heart. It is truly one of the best pictures ever shown in Big Spring.

\$400,000,000 LOSS LAID TO COTTON REPORT

A loss of \$40 per bale on a total of approximately \$400,000,000 was sustained by producers of cotton as a result of the prediction report made by the Bureau of Economics United States Department of Agriculture, Sept. 15, 1927, according to a report submitted by the Senate investigation committee.

The report pointed out that the situation as to the cotton crop at that time was such as to justify an advance in the price. On the contrary however when the price prediction was issued the market steadily declined.

R. L. FREEMAN DEAD

R. L. Freeman aged 6 years, 10 months, 25 days was claimed by death at the Cottonwood Tourist Camp Tuesday night May 29th, following a brief illness. The child is the son of Mr. and Mrs. R. B. Freeman Mr. Freeman being an employe of the Texas Electric Service Company.

The body was prepared for burial by the Rix-Griffith Mortuary, and was taken to Champion, Texas, Wednesday morning. Funeral services were conducted at 3 o'clock Wednesday afternoon and the remains were laid to rest in the Champion cemetery.

Heartfelt sympathy is extended the bereaved ones at the loss of their loved one.

FUMIGATION PLANT TO BE INSTALLED

In compliance with State and Federal regulations and to assist in the fight to eliminate the spread of the pink bollworm in this area R. P. Shoemaker president of the Big Spring Compress and Warehouse Co. Inc., has completed plans for installing a fumigation plant at the compress in this city.

The necessary equipment has been purchased and will be installed before the cotton begins to be moved from this point.

Frank Ross and daughter of Ft. Worth were here Sunday for a visit with his parents Mr. and Mrs. Frank Wynn.

Constable Day and deputies had a queer experience Sunday night. A wildly excited motorist hunted them up and stated a man had been or was being killed on the Bankhead highway in the western part of the city.

They made a hasty trip to the spot indicated, but found no dead man or any indication of a struggle. Nor could they thereafter locate the bearer of the exciting information.

Mr. and Mrs. Frank Wynn plan to leave Friday for a visit with relatives and friends in Fort Worth and from there will go to Mississippi to visit points of interest.

Mr. and Mrs. James Little enjoyed a fishing trip on the Concho river Sunday.

Miss Verberna Barnes plans to leave Friday evening for a month's visit with relatives at Shreveport, La.

Mr. and Mrs. Chas. Alden and Mrs. Margaret Wright after a visit in this city with Mr. and Mrs. B. B. Fox, Mr. and Mrs. Eddie Price, other relatives and friends, left Tuesday morning for Wichita Falls for a visit with relatives and friends.

Mr. and Mrs. Fred Hopkins left Wednesday for Colorado where they will make their future home. Mr. Hopkins has been appointed Frigidaire dealer at Colorado. Big Spring regrets losing these estimable young people, but the good wishes of their many friends go with them to their new home.

House cleaning utensils a complete line—Collins' Bros. Drugs.

Harry Jordan who underwent an operation for the removal of his adenoids and tonsils Tuesday morning is getting along nicely.

SOCIAL NOTES WILL APPEAR IN THE DAILY

To the Readers of the Woman's Page:

Maybe some of you will look for the social notes in this issue of the paper, perhaps some will not even miss them, but to those who are interested we make this announcement to save you the time of looking for them in vain. All social notes of this week will appear in the Sunday issue of the daily paper. We have several parties to report several weddings as well as a number of church gatherings and announcements. Look for them in the daily Sunday.

Miss Arah Phillips plans to leave Sunday for Abilene where she will attend summer school at Abilene Christian College.

CLEM N. GAUSE

AN EXPERT PIANO REBUILDER IS IN YOUR MIDST

For a Limited Time Only

This is a rare opportunity for musicians and lovers of music to have their pianos, player piano and reproducing pianos tuned and restored to original tone.

REAL PIANO WORK IS AN ART

Why have old and worn out pianos and players in your home? I have made special study of used and worn out instruments, and can furnish repairs for all makes of pianos and am in a position to do a class of work that is seldom, if ever done, outside the larger cities. A piano is a delicate and valuable instrument and its care should be entrusted only to an expert. Piano tuning well done lengthens the life of a piano—poor tuning ruins it.

I HAVE AND CAN REFER THE VERY BEST REFERENCES BAR NONE

This opportunity of having your pianos and players scientifically tuned, regulated and adjusted by an expert in his line is certainly not to be overlooked or passed by lightly.

HARRIET RACON MacDONALD

Normal Instructor
DUNNING SYSTEM IMPROVED MUSIC STUDY

Training class for Teachers. Able to give five weeks, beginning July 9, 1928. Information, 6010 Belmont Avenue, Dallas, Texas.

MUSIC SCHOOL AT E. 3RD ST. CHURCH IN PROGRESS

The Vocal Normal Music school being taught at East Third Street Baptist church by Prof. C. C. Stafford of Jacksonville, Texas, is growing in interest each evening. If you are not attending you are missing an opportunity of a lifetime to learn some of the principles of vocal music. Prof. Stafford is one of the South's best instructors and composers and our city is indeed fortunate in securing the services of Mr. Stafford in this Normal Music School. Prof. Stafford is very much impressed with Big Spring and our future and is seriously considering locating here and establishing an up-to-date music house and possibly a music publishing house. Big Spring needs just such a house. Why not get be-

hind Mr. Stafford and put this thing over? Prof. Stafford has studied music in all the large cities including Chicago and New York, also in foreign countries and it would be a real boost to our town to land Mr. Stafford and this music house here. Visit his school this week and next. Meet him and talk this proposition over with him and let him know you are interested in an up-to-date music house in Big Spring.

A representative of the Louisiana Oil and Refinery Company has been here the past week negotiating for the purchase of a lease in the proven portion of the Roberts oil field.

Carry home some ice cream from one of our stores. Cunningham & Philips.

Sterling City News Yields Old Press

Sterling May 19—The press on which was printed the first newspaper gotten out in Big Spring the old Big Spring Postgraph was removed this week from the office of the Sterling City News Record where it has been used for years. It had been in discard since 1917 and the paper printed on a jobber, but it is to be succeeded by a cylinder press, which is being installed.

The old George Washington press will be reserved by Pat Kellis county attorney and associated with his father Uncle Bill Kellis editor of the Sterling City News Record.

ATTENDED FAMILY REUNION

Mrs. J. L. McWhirter returned Wednesday morning from a visit with relatives at Breckenridge and Fort Worth. Mrs. McWhirter attended a family reunion at Breckenridge Sunday May 27th and twenty-four relatives enjoyed this happy occasion in honor of Mother McWhirter of Ft. Worth. Saturday May 26th was the birthday of Mrs. Josephine McWhirter and also the birthday of her son who resides at Breckenridge, so the birthday cake was decorated with 134 lighted candles, 79 to designate the age of Mother McWhirter and 55 the age of her son.

Mrs. W. H. McKnight of Brownwood, who has been visiting her sister Mrs. Kathryn Gilliam of the Fashion Shop, left Wednesday for her home.

Our "Gift Shop" is open all year. Cunningham & Philips.

Mr. and Mrs. J. B. Burleson and baby enroute from a visit in Plainview to Austin, visited friends in Big Spring Wednesday and while in the city were the guests of Mr. and Mrs. John Northington. Mr. Burleson is going to Austin to take work on his Master's degree in the State University.

W. R. Phillips, Vernon Phillips, Mrs. W. E. Phillips and Mrs. O. B. Cunningham and son left Wednesday morning for a visit with relatives and friends in Rankin.

Pocket combs. Three stores. Cunningham & Philips.

Most every one is commenting on the pick up of business in the oil field. There is a chance that development will continue to show a marked increase right along.

Kidney plasters. Cunningham & Philips.

SENIORS RECEIVE DIPLOMAS

Dr. J. M. Gordon, Dean of Texas Tech, Delivers Commencement Address to 1928 Graduates

Dean J. M. Gordon of the Texas Tech College of Lubbock delivered a forceful address to the members of the 1928 graduating class of the Big Spring High School, last Friday evening May 25th at the annual graduating exercises. Forty six seniors received their diplomas from the Big Spring High School at the close of the exercises, the diplomas being presented by Dr. E. O. Ellington, president of the School Board.

The graduating exercises were held in the auditorium of the First Methodist church at 8 o'clock Friday evening and a beautiful and impressive ceremony was held marking the close of a successful school year.

Miss Virginia Whitney was valedictorian of this year's class and Miss Mamie Hair was salutatorian. Both honor graduates gave their addresses during the evening's program, which consisted of several musical numbers, and the addresses. Those taking part on the program were: Mrs. Omar Pitman, Miss Evelyn Jackson, Herbert Keaton, Miss Roberta Gay, W. H. Martin, Miss Nancy Dawes, Rev. R. L. Owen and Dean Gordon.

Those receiving their diplomas from the Big Spring High school were:

Albert Bettie, Louis Elies Weldon Burns, Archie Clayton, Theo Ferguson, Aubrey Forrest, Hiram Glover, Arron Gensberg, Dick Hatch, James Hatch, C. E. Johnson, Gus Rosser, Cornell Smith, Joe Pickle, Malcolm Patterson, Lee Roy Rhodes, Frank Roberts, Howard Smith, R. Lee Summers, Forrest Thorpe, James Tripp, Harold Yarborough, Mary Jo Alderson, Dona Belle Allen, Nettie Arnold, Katherine Bettie, Fannie Buchanan, Mabel Eddy, Frances Crawford, Irma Lee Gary, Blanche Griffin, Mamie Hair, Lois Lawley, Roba Leach, Amanda Montgomery, Dorothy Oxsher, Kathryn Phillips, Wilrena Richbourg, Lucille Rogers, Allie Lena Sullivan, Winona Taylor, Adel Thomas, Lucille True, Eva Walker, Virginia Whitney Marguerite Wood.

L. M. Gary repair on building at 400 Goliad estimated cost \$250.

Gilbert Eddens 2 story garage home estimated cost \$1,000.

PIONEER OF HOWARD COUNTY PASSES AWAY

J. R. Wheeler 77, one of the pioneers of Howard County, was claimed by death at 11:45 o'clock Tuesday night May 29th, following an illness of several years. Funeral services were conducted at the Salem Church at four o'clock Wednesday afternoon by Rev. D. H. Heard and the remains were laid to rest in the Salem cemetery, beside his wife, who preceded him to that Home on High six years ago.

Mr. Wheeler was a fine Christian gentleman and held in high esteem by all who knew him. He has made his home in Howard County for thirty years, having engaged in the farming industry. He was one of the pioneer farmers of Coahoma county and he was a very successful farmer. He practiced the teachings of the Golden Rule in his daily living and treated every man fair and square. He was a member of the Baptist church and had always lived the life of a true Christian. He had no regrets when he was called to that Home on High, and was ready to meet the Master when the summons came.

Surviving are ten children: N. T. Wheeler of Coahoma, L. A. Wheeler of R. M. Wheeler, O. S. Wheeler of Big Spring, Henry A. Wheeler, J. R. Wheeler of Granbury, David J. Wheeler of Glen Cove Long Island, N. Y., Mrs. Della Hale of Coahoma, Mrs. Estell C. Grant of Westbrook, and Miss Callie Wheeler of Coahoma and one step son A. W. Kingfield of Rotan.

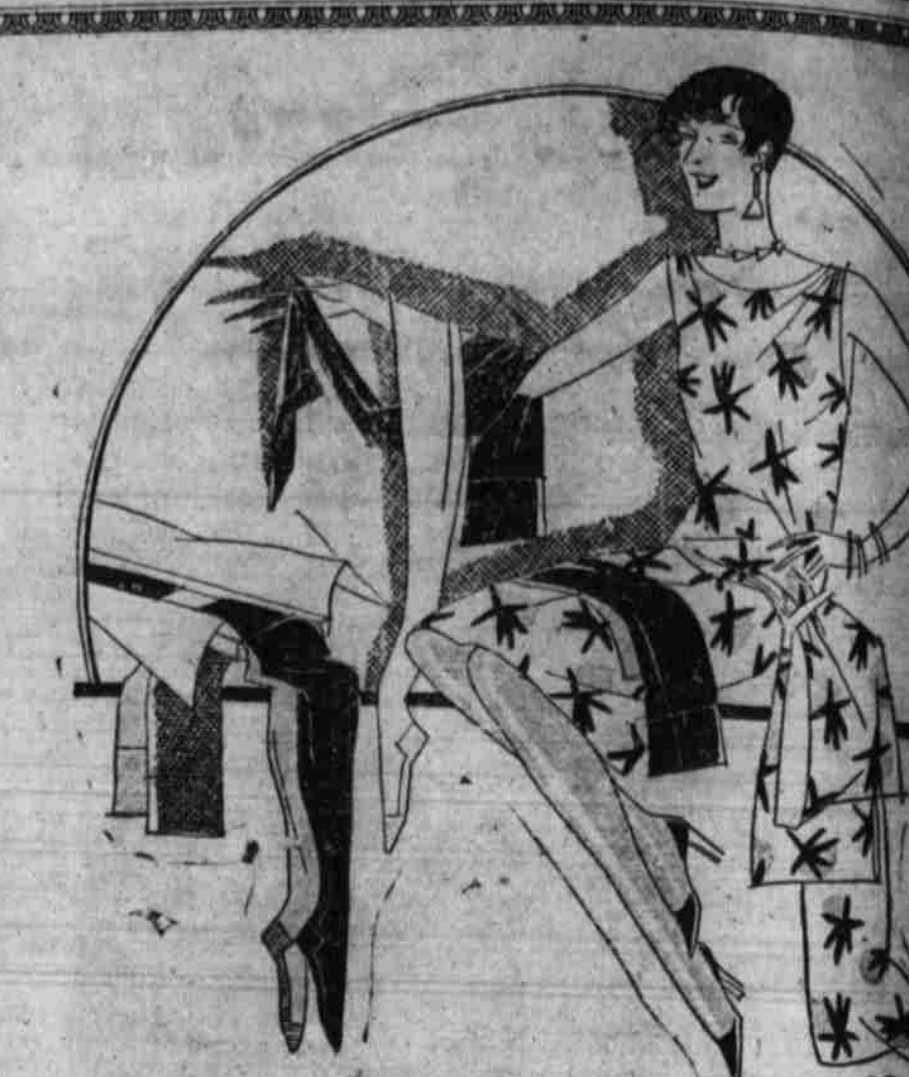

Heartfelt sympathy is extended to the bereaved ones in this sad hour.

The Sheriff's department arrested Lloyd Day on a charge of forgery and is holding him for officers at Clarksville, Texas.

LeGears stock and poultry medicines. Cunningham & Philips.

Mr. and Mrs. Newt Smith and Mrs. Laura Schultz of Ft. Worth were the guests of Mr. and Mrs. J. D. Biles, and Mr. and Mrs. John Notestine the past week end, returning to their home in Ft. Worth Monday evening.
