 ers, footballs, and balloons. Place cards were decorated with miniature hand-painted football men, and nut cups were in the form of football shoes.  
 Jackets Presented  
 Highlight of the evening was the presentation of football jackets to 24 members of the "A" team and their three managers. The coaches made the surprise presentation just before the sextet led the 250 people attending the banquet in the singing of the school song, the traditional close to the annual banquet.

Jackets were presented to: Keith Hodges, Carroll Jones, Kenneth Matthews, Don Parsons, Charles Quattlebaum, Martin Reid Moore, Francis Boyd, Buddy Godfrey, Duwayne Wallace, Wayne Smith, Bobby Veigel, Clarence Caywood, Arol Acton, Walter Kaul, Don Sigle Benny Dement, Dan Jarissen, Charles Springer, Jack Burrus, Ray Dean Axe, Aubrey Self, G. C. Merritt, Joe Easley, and Lee Drake, team members; and to Carl Covington, Lynn Bybee, and Tony Riddle, managers.  
 Eighth Grade boys and girls from Hereford Junior High served

the banquet. Mrs. Troy Moore was general chairman for the mothers of the boys, who prepared the food. Besides the boys, guests were their parents and dates.

 to \$375 a month, the commissioners discussed the matter, then decided they would not take any action on the matter at that meeting.  
 Change Of Salary  
 Two other matters brought before the commissioners court in-

cluded a change in the salary of Miss Loyce Avant, assistant county home demonstration agent. They voted to rescind an order giving her a \$25 a month increase in salary, and instead allowed \$25 a month for mileage expense. It was also brought to the at-

tention of the court that the official bond of Horace L. Schloss, ex-officio county school superintendent, was erroneously made payable to the Commissioners' Court.

The commissioners voted unanimously to release the bond, which should have been made payable to and approved by the county board of school trustees.

**A NOTE OF APPRECIATION**  
 We wish to take this opportunity to Thank our friends who helped so much during the recent fire at our store, and we are especially grateful to the Fire Marshall and members of Hereford's Volunteer Fire Department, who handled their work so efficiently, that we had very little water damage to goods not hurt by the fire. We have come to realize that Hereford has one of the finest volunteer fire departments to be found. We also wish to thank the City Police and Chamber of Commerce manager, Moon Mullins for their help.  
 The Bus Station will be located, temporarily, at 326 West 1st St., or in the old Helton Grocery Building. As soon as possible, we will move back to our old location. We WILL HAVE A FIRE SALE... watch for the date and location.

### Color Television Won't Affect Present Black-White Receivers

Colored television will not affect the conventional black and white receivers that most people have now, according to the National Better Business Bureau. The statement was based on a questionnaire-survey of the nation's television set manufacturers.

Because of the wide spread public confusion, G. E. Mullins, Hereford Chamber of Commerce manager, issued this statement. "Color television will develop gradually and will not destroy or impair the value of television receivers now in use. These sets will receive future color broadcasts and reproduce the pictures in conventional black and white."

**Small Production—High Price**  
It is the belief among manufacturers that production of color sets during 1954 will be extremely small, retailing somewhere between \$700 and \$1,000. The picture sizes of the first color receivers will probably be relatively small. While a few color programs will

**Cabin Model Complete**  
COLUMBUS, Ohio — Vernon W. Miller, 70, has built a scale model of the log cabin in which he was born. He furnished it completely, including a miniature cook stove, water bucket and dipper, muzzle-loading rifle, a Bible and upon the arrival of visitors he often lights a fire in the fireplace.

**Calf is Lighter**  
HALSTEAD, Kans. — Farmer Art Wedel's barn lights kept coming on—and members of the family got tired of being blamed for forgetting to switch them off. So one member of the family watched while the others drove away.  
A 2-month-old Hereford calf, mistaking the knob on the toggle switch for a nipple, was nudging the lights on.

**Fertilizer Tracer Works**  
TUCSON, Ariz. — A university professor thinks a "radiofertilizer tracer" he has developed will speed up the growth of citrus trees.  
Dr. Wallace H. Fuller said the technique finds out how much phosphorus is available to trees. All that's left to do, he says, is add phosphorus or take some away.

they knocked out upper window panes on the side of the building that the men working inside could see—enough, and breathe well enough, to really reach the heart of the fire.

Mr. and Mrs. Harvey Braswell, owners of the Frontier Shop, did not reach the shop until after one o'clock Sunday morning. A first estimate of the damage was that there was about a 70 percent loss. Insurance company specialists arrived from Dallas and Houston Tuesday and began making a check of the merchandise, to ascertain the actual amount of damage.

**Tuesday Blaze**  
The blaze during the noon hour Tuesday did some damage to the side of a house at the corner of

Grand Street and Ave. F. Starting in a pile of loose lumber and shingles at the side of the building, the fire did some damage to the side before it was brought under control.

C. C. Bowman, who recently bought the old house, was wrecking it for the lumber.

**ATTEND JAYCEE MEETING**  
Kenny Wilson, Dale Howard, Don Fudge and Clint Formby attended the bi-regional Jaycee convention held Sunday in Levelland. They went down Sunday morning, and returned to Hereford Sunday night.

Mrs. Matt Jesko of Muleshoe visited in the Ed Jesko home Tuesday.

the many opportunities offered by the U. S. Marine Corps.

Five registered nurses from the Parkland Hospital in Dallas are now employees at the Deaf Smith County Hospital. They are Bobbie Norwood, Billie Hunt, Barbara Leadford, Phyllis Johnson and B. J. Brown.

Leon Harris, advertising man from radio station KFYO in Lubbock, was scheduled to speak at the High School annual football banquet Saturday night in Shirley School cafeteria.

Members of the judging livestock team of the Future Farmers of America of Hereford High placed fifth in the beef cattle judge-

ing at the tenth annual "Top O' Texas" show at Pampa Tuesday. There were 31 teams participating and Hereford was tenth highest team in the contest. Members of the team are: Cliff Jones, Tony Riddle, Ken Carmichael and Kenneth West. Bill Stanford is sponsor.

Another meeting of cotton growers is scheduled for 1:30 o'clock Friday afternoon in Hotel Jini Hill. Call by V. E. Dodson, chairman of the Chamber of Commerce Agriculture Committee, the meeting is scheduled to review the House Agriculture Committee meeting at Waco, and to discuss the present situation of the new cotton acreage bill, and to discuss price supports.

Mr. and Mrs. Robert Torseth of Morant, N. M., were Hereford visitors Sunday.

**Generous Blood Donor**  
ROANOKE, Va. — Robert Cleveland Sink, a machinist for the Norfolk and Western Railway, has donated 54 pints of blood since 1938.

**Accidents Change Furlough**  
F. T. DOWENS, Mass. — Soldiers hustling back from furlough became involved in so many pre-dawn highway accidents that Army authorities took action. Leaves formerly ended at 6 a.m. and the soldiers—wary from lack of sleep—often drove all night in an effort to arrive before reveille. Now all furloughs end at midnight.

### Woman Jailed Here For DWI

A Lubbock woman was given 10 days in jail and fined \$75 and costs, and her husband paid a \$16.50 fine in Justice Court after the two of them were picked up Friday afternoon by the Highway Patrol.

Mrs. Thelma James, driver of the car, was charged with driving while intoxicated. She pleaded guilty before County Judge Horace L. Schloss Saturday afternoon. Her husband, Clarence James, was charged with being drunk in a public place, and was taken before Justice of the Peace A. L. Thomas.

**Fine Paid**

Monday James' fine was paid, and he was released from Deaf Smith County jail.

Highway Patrolmen testified that Mrs. James' trial that they had received a report of a car, being driven in an erratic manner, which was on Highway 51 north of Here-

### New Office Manager For Miller Oliver Is Former Farmer

Douglas Moreland, new office manager and parts man for Miller Oliver, is a man who would rather farm than sell farm machinery, but asthma forced him to leave a prosperous wheat farm.

A member of the armed forces reserved, Moreland was turned down on the physical examination when his unit was called to active duty, so he spent the war years in other activities.

**Moving Family**

Married and the father of two children, Moreland moved to Hereford ahead of his family, but is selling his place in Amarillo and will move his family to Hereford as soon as possible.

Native to this country, Moreland attended the Amarillo schools before he began his farming career, which he quit about three years ago.

ford. They took the couple into custody about 5:30 o'clock Friday afternoon.

**Used Vile Language**

Testimony also brought out that the woman was not only under the influence of intoxicating liquors but that she used vile and abusive language toward the officers.

After passing sentence, Judge Schloss had Mrs. James surrender her driver's license, and told her that her right to drive any type of motor vehicle in Texas was automatically suspended for a period not to exceed one year from the date of conviction.

### Slight Damage Is Done In Rear-End Collision

Approximately \$10 damage was done to a 1948 Hudson driven by Willis Brewer, 206 Fuller Street, when it was involved in a collision with a 1950 Mercury driven by William F. Craig, 229 Avenue E, about 5:45 Sunday afternoon.

Craig had stopped for a red light at the intersection of Main and Fourth Streets when Brewer pulled up behind the Mercury to stop. Brewer's foot slipped off the brake and the front of the Hudson hit the rear end of the Mercury. No damage was done to the Mercury.

### HHS Choir Will Attend Music Clinic

Members of the Hereford High School choir will attend a choir clinic at Eastern New Mexico University February 6.

Students from various schools in eastern New Mexico and west Texas will attend.

John Finley Williamson, director of Westminster College Choir, will be the clinician. Williamson will work with the school choirs in the morning. In the afternoon there will be an informal concert given by Westminster College Choir under the direction of Williamson.

## Oklahoma Teen-Agers Caught Here In Stolen Car

A teen-age couple from Frederick, Okla., both of them so young they should have been in high school, were picked up here about 3 a.m. Tuesday morning while driving a stolen car slowly along a downtown street.

Held by the police after a check disclosed that the boy driving the car did not have an operator's license, it was discovered later in the morning that the car was stolen.

They had been travelling in the general direction of Clovis "to get married" ever since Thursday of last week. They said they didn't remember what towns they had been in since they left Frederick.

To raise money, they had sold the spare tire and wheel from the 1950 Ford sedan they were driving.

A likely prospect for both of them seemed to be a trip to some correctional institution, either Oklahoma or Federal. The FBI could file charges of transporting a stolen automobile across a state line against them. They were taken back to Oklahoma Tuesday afternoon by the sheriff from Frederick.

In both cases, it was a story of family troubles, lack of home supervision, and other things which had allowed, or caused, them to get into trouble before.

## Children Need More Help In Community

"When a child gets in trouble with the law, unless there are services available in the community to help him find his way back to normal and healthy development, he is apt to take just the opposite road and end up in a career of crime," declares Miss Esther C. Stamats.

Miss Stamats is director of Christian Social Relations for the National Council's Department of United Church Women. Miss Stamats poses the question: "Why don't we have the community services to prevent the development of children's behavior problems, and to keep delinquent children from going from bad to worse?" Answering the question, Miss Stamats says that lack of public understanding is in large measure responsible for lack of services. She calls for more public education on the causes, prevention and treatment of juvenile delinquency, because "unless people know what is desirable practice, they cannot judge the practice in their own communities. The support of all citizens must be enlisted to improve the services now available."

As a specific first step to help juvenile delinquents, Miss Stamats suggests: aid the police in developing special personnel and administrative units to provide appropriate police service for children; get children out of jail and provide proper detention; provide courts with adequately trained probation officers; enable training schools to do their difficult job by helping them to get qualified personnel and the additional facilities required.

### Security Bans Reds

BEIRUT — Full employment and cradle-to-the-grave social security laws add up to complete absence of Communism in the tiny sheikhdom of Kuwait, according to an official of that country. Deputy director of Kuwait security forces, Sheikh Abdullah el Ahmed recently told the Beirut daily, Al Yom, there were no communists in his oil-rich little country.

### Money Is Mystery

INDIANAPOLIS — Veterans Administration officials here have a mystery on their hands. For several months a \$10 or \$20 bill has arrived in the mail weekly from an Otto Paul of Columbus, Ind. Paul has not indicated what the money is for and VA officials have not been able to locate him.

## Camp Fire Board Installs Officers

Officers were elected and permanent committees appointed at a joint meeting of the board of directors, leaders and sponsors of the Camp Fire organization Monday night at Firemen's Hall.

A covered dish supper was held prior to the election of officers. Mrs. Urlin Streu was toastmistress, and Mrs. Homer Brumley gave the invocation. Reports from the standing committees were also given.

### Installation Of Officers

Mrs. Elmer Patterson was in charge of the installation of new officers, who are: Bob Wilson, president; Mrs. Urlin Streu, vice-president; Mrs. Jack Gilliland, secretary; Dub Hair, treasurer; F. L. Alexander, regional representative and Mrs. O. H. Culpepper registrar.

### Methodist Bishop Begins Missionary Field Visit

Bishop and Mrs. Matthew W. Clair, of St. Louis, Missouri, are in Monrovia, Liberia, beginning a three and a half months' visit to Methodist missionary fields in Africa.

This episcopal assignment will take Bishop Clair into areas administered or visited by his father—the late Bishop Matthew W. Clair, Sr.—from 1920 to 1928. During the years of the senior bishop's service in Africa, his son was never able to visit that country.

From Monrovia he will visit most of the mission stations in Liberia; then to the Gold Coast, Angola, the Belgian Congo, Southern Rhodesia, the Transvaal, Cairo, Algiers, Tunis, returning by way of Rome and London. Bishop and Mrs. Clair are booked to arrive in New York (Idlewild) on April 16.

### Charity Rolls Reduced

SIoux CITY, Iowa — Woodbury County has reduced its old age assistance program costs by \$70,000 this year by threatening to carry to court refusals of children to support aged and indigent parents.

In one court action, a woman was required to contribute \$16 weekly to the support of her mother and her sister was compelled to contribute \$8.66 weekly. Threats of like action have permitted the county to eliminate 50 assistance cases and reduce the amounts paid in 200 others.

Living coral can exist only at shallow depths in the sea.

## Slowdown Measured

MEDFORD, Mass. — Judge and Mrs. Lawrence G. Brooks know just how much they have slowed down in 47 years of married life.

When the Brooks were married in 1906 they climbed New Hampshire's 6,288-foot Mt. Washington on their honeymoon. It took them three hours. On their 47th anniversary they repeated the climb. Their time: Four hours.

### It's The Law!

FAIRBURY, Neb. — Douse that cigarette if you want a sandwich in Fairbury. A city ordinance makes it illegal to smoke in places selling food. Other ordinances forbid: Starting a dog fight. Conducting a business, in such fashion as to scare horses. Leading an animal across a sidewalk. Selling perfumed cigarettes.

The term "corn" often is applied to the leading cereal crop of the region, meaning wheat in England, oats in Scotland and maize in the United States. The first steam locomotive built in America was credited to Peter Cooper in 1830.

### Organization Has Grown

The local Camp Fire organization has grown considerably in the past two years, with 260 persons now involved in Camp Fire work in Hereford.

There are 84 Blue Birds, with eight leaders and 81 Camp Fire girls with nine leaders.

Pity the Man From Mars! ALBUQUERQUE, N. M. — Dr. Miguel Jorin, head of the University of New Mexico School of Inter-American Affairs, won't say whether or not he believes interplanetary travel is possible. But he does say: "I feel very sorry for any being from another planet who would deliberately expose himself to our society."

## RED CROSS WATER SAFETY 40 YEARS OLD

Only forty years have passed since February 1, 1914, when the first Red Cross Water Safety courses were introduced to the world by the "zanibar whale," the late Commodore Wilbert E. Longfellow (on running board). And, though styles in bathing attire have changed drastically in that time, the principles of water safety which the Red Cross has taught to 9,300,000 persons have remained constant. Waterproofing America has paid big dividends; since 1914 the drowning rate per 100,000 population has been cut in half. Water Safety is one of the many Red Cross services you support by your contributions to the annual Red Cross Campaign in March.

## It looks like the biggest hit in BUICK history!

NO OTHER CAR GIVES YOU ALL THIS:

- GREATEST STYLING ADVANCE IN YEARS with completely new bodies across the board; lowered roofline, longer and higher fender sweep, exclusive sweep-up design
- HIGHEST V8 HORSEPOWERS in Buick history—from advanced vertical-valve V8 engines with up to 3.5 to 3 compression and 200 hp—plus more fuel efficiency from new Power-Head Pistons
- BESTEST VISIBILITY ADVANCE with blackout windshield that give 15% more visibility; greater glass area around full 360° arc
- PINEST MILLION DOLLAR RIDE—from all-roll springing, torque-tube drive, longer wheelbases—and a new front-end geometry that stabilizes "cornering," insures more positive control, more responsive handling
- PLUS THE WIDEST SELECTION OF MODERN FEATURES—either as standard equipment or extra-cost options
- SAFETY POWER STEERING
- AUTOMATIC-BOOSTER POWER BRAKES
- ANTI-GLASS
- POWER-POSITIONED 4-WAY FRONT SEAT
- WIRE WHEELS
- POWER-OPERATED RADIO ANTENNA
- ELECTRIC WINDOW LIFTS
- DRAFT-FREE AIRCONDITIONER

WE'VE had more than a fair share of success in this business—but this beats all!

From the day we opened our doors to show the new 1954 Buicks, we've been kept hopping by people, questions and orders.

It seems that folks have been hoping for a really big change in the new cars—and Buick's got what they want, right across the board.

Buick's got it in style—in the sleek, swift, low and glamorous look of the sports cars, but with the room and comfort of Buick size and breadth.

Buick's got it in power—in high-compression V8 engines all stepped up to new horsepower highs and boosted to new economy with Power-Head Pistons.

Buick's got it in ride comfort, too, and handling ease, and visibility—and a whole new list of features as up to the minute as the very look of these great cars.

What we do for self dies; what we do for others grows into immortality. A cup of water given in Christ's name shall not lose its reward. Mark 9:41. Rebekah gave water to a stranger... she became the wife of Isaac, an ancestress of Christ. An uneducated old man, with a verse of scripture, turned a youth to Christ... Charles Spurgeon. Florence Nightingale gave her cup of life, and changed nursing from a despised job to a blessed profession. A small boy gave his lunch, and Jesus fed five thousand with it. Attend your church and bring your cup, your life to God... He can make big streams of good flow from it.
