

United Nations Clothing Drive Set for April 1 to April 30

AROUND ATown Sights and Faces Seen

People are always yelling their heads off about how dumb our government officials can be...

"Do cows fly?" was the astounding ejaculation of a soldier on the troop train which collided with a truck load of cattle...

Mrs. Ivan Hudson, the former Miss Ona Faye Smith, is back on the job at the Beauty Mart.

Maybe it was just an alibi for not getting started on his garden planting, but Charles Glandon was looking for an alibi this week...

Some of the flowers in bloom now rate a sight seeing trip over town, even if you have to use a little rationed gas for the drive.

Flowering quince is in bloom in the Jim Robinson yard and two plants may be seen in Mother's Park.

Many flowers are in bloom at Mrs. Harrison's—but most of the flower garden is located in the back yard and is hidden.

Dairy Payments to Be Made this Month

Dairy subsidy payments for the months of January, February and March will be made at the county AAA office starting Monday, Apr. 2.

The rate of 70 cents for milk and ten cents for butter fat is the same which has prevailed for several months.

Applications Taken F. G. Collier of the AAA office also announces that applications for payment under the 1944 farm program are still being taken.

Hospital Has Ample Penicillin Stock

In response to many inquiries received recently, Criss Renfro, business manager of the Deaf Smith County Hospital, this week stated that the hospital now has in stock an ample supply of penicillin for any emergency.

The drug is also in stock in some of our local drug stores, Renfro said, adding that production of penicillin has been increased to take care of normal civilian demands.

Aiming at the collection of the maximum quantity of good used clothes for free distribution to destitute men, women and children of the war devastated countries, the United Nations Clothing Drive will get underway here on Apr. 1 and is scheduled to continue throughout the month.

The Lions Club, local sponsors of the drive, are providing boxes to be placed at the Post Office, City Drug Store, Court House and Cogdell Motor Co.; and clothing bundles may be left at any of these places.

"Give What You Can Spare That They Can Wear" is the national slogan for the drive, which aims at the collection of 150 million pounds of good, serviceable clothing.

Most urgently needed are the following: Men's and boys' garments—overcoats, suits, coats, pants, jackets, shirts, work clothing, including overalls and coveralls, sweaters, underwear, pajamas and gloves.

Women's and girls' garments—coats, jackets, skirts, sweaters, shawls, dresses, underwear, aprons, smocks, pajamas, and night gowns.

Bedding—blankets, sheets, pillow cases and quilts. Usable remnants in cotton, rayon and wool over one yard long.

Not wanted are women's hats, evening dresses, novelty slippers. All shoes should be tied securely in pairs.

Lt. Cliff Vaughn Killed in Action On November 30

Lt. Clifford H. Vaughn, previously listed as missing in action over Germany on Nov. 30, has now been reported as killed on that date. The message was received yesterday by his mother, Mrs. W. A. Vaughn.

Lt. Vaughn, a B-24 bomber pilot, with the 8th Air Force, had received the Air Medal and one Oak Leaf Cluster. He entered service in February, 1943, and received his commission last spring at Blytheville, Ark.

Born in Hereford, Lt. Vaughn was a graduate of Hereford High School, where he was captain of the football team and made an outstanding record as an athlete. He attended North Texas Agricultural College at Arlington prior to enlisting in the Army Air Corps.

Survivors, besides his mother, include four brothers in service—Pfc. Carlos A. Vaughn of Camp Edwards, Mass.; Pfc. Charley R. Vaughn, in France; Major J. M. P. Vaughn, stationed in Ceylon; and Cpl. Frank D. Vaughn, in the Philippines, three other brothers, J. D. of Denver City, Tex.; Bill of Santa Ana, Calif.; and Tommy of Hatch, N. M.; one sister, Mrs. Ruby Anthony of Elda, N. M., and 12 nieces and nephews.

Home Nursing Class Starts Next Week

Two Red Cross home nursing classes will start Monday and three more classes have been scheduled. It was announced today by Mrs. Bob Wilson, Red Cross home nursing chairman, who says that next week's afternoon class will be held from three to five o'clock with the night class from eight to ten.

Mrs. Marie Carroll, registered nurse, will be instructor for all the classes to be held here and has taken a special Red Cross course in preparation for the work.

Concerning equipment need for the course, Mrs. Wilson asks that each student bring a thermometer, a hand towel, a bath towel and wash cloth and one pair of old hose. Textbooks should be bought before classes start, Mrs. Wilson says, adding that the books cost 75 cents and may be procured from her or from the Red Cross office in (Continued on Page 12)

Miller Freed From POW Camp By Red Army

T-4 John Raymond Miller of Dawn, a prisoner of war since August 1, when he was captured on the Normandy peninsula, has been liberated by the Red Army, according to a telegram received Friday by his brother, H. E. Miller.

Miller had been confined in Stalag 3-C, a camp located near the town of Altdrewitz on the Oder River. According to an official Red Cross bulletin on the liberation, just eight prisoners from this camp were freed by the Russian Army, other prisoners having been evacuated by the Germans.

Miller is a son of Mrs. Lucy E. Miller of Dawn, and H. E., H. H. and Norman Miller are his brothers. A sister, Mrs. Lloyd Bentley, also lives at Dawn.

Hodges Wounded in Action in Germany

Pvt. Aubyn Hodges, Infantryman on duty with the 3rd. Army in Germany, was wounded in action Mar. 4, according to word received last week by his wife, Mrs. Dorothy Hodges.

Pvt. Hodges had been assigned to deliver a message, and while returning to his outfit was hit by shrapnel when a German 88 shell hit about ten steps behind him. The shrapnel entered his right hip and plowed upward to his spine.

Hodges, the son of Mr. and Mrs. W. N. Hodges, Sr., of Hereford, has been overseas since Jan. 17, 1945.

Boydston Wins DFC for Photo Reconnaissance

2nd Lt. Jack J. Boydston, son of Mr. and Mrs. J. J. Boydston of Hereford, has been awarded the Distinguished Flying Cross for "extraordinary achievement while participating in very long range photo reconnaissance missions over the island of Kyushu, Japan, and the Western Sea approaches to the Japanese archipelago" during the period from Dec. 26, 1944 to Jan. 4, 1945.

Lt. Boydston was co-pilot of an aircraft which made solo reconnaissance daylight missions over the Jap-held islands, facing both anti-aircraft fire and enemy fighter planes as constant hazards to the performance of the missions.

Result of these raids was to provide Allied forces with outstanding photographs and valuable observations providing information not previously known about Jap defenses in the Kyushu area; and Lieutenant Boydston was officially cited for "skillful accomplishment of duties, resourcefulness under hazardous conditions and unflinching bravery" in carrying out his part in the accomplishment.

Lieutenant Boydston is attached to the 20th Bomber Command.

Powelson Wounded in Action in France

Pfc. Arnold L. Powelson, son of Mr. and Mrs. Lynn C. Powelson of Summerfield, was wounded in action early in March, according to word reaching here this week.

Pfc. Powelson, 20 years old, has been in service for two years and was serving with the Infantry in the Seventh Army in France when he was wounded.

According to the report received by his parents, he was wounded in the right leg and is unable to see with his right eye or to hear with his left ear.

Rites for May Baby Held Here Last Week

Funeral services for Robert Lynn May, infant son of Mr. and Mrs. Ernest May of Dawn, were held Monday afternoon, Mar. 19, at the Black Funeral Home, with Rev. R. H. Cagle, Baptist pastor, officiating. The baby was born Monday morning at Deaf Smith County Hospital.

April E Bond Sales Credit To Loan Quota

Deaf Smith County is faced with the sale of \$250,000 in Series E bonds during the 7th War Loan, it was announced today by J. C. Ricketts, county war finance chairman, who says that all E bond sales during the month of April will be credited to the 7th War Loan Quota, although the drive does not get underway officially until May 14.

This E quota, Ricketts says, is \$75,000 higher than the E bond quota in any previous drive and needless to say will require greater bond buying by every individual in the county.

The over-all for the nation in the 7th War Loan is \$14 billion and total Texas quota is \$430 million. The total quota for Deaf Smith County has not yet been received.

Goldston Dies At Vet Hospital

Funeral services for Claude D. Goldston, 31-year-old veteran of World War II, were held here Sunday afternoon at the Baptist Church with Rev. R. H. Cagle officiating. Goldston died Friday night in the Amarillo Veteran's Hospital where he had been most of the time since receiving his Army discharge in December.

Goldston had lived in and near Hereford most of his life prior to entering the Army in January, 1942. He attained the rank of technician fifth-grade, and was on overseas service for 23 months, taking part in the African-Middle Eastern Campaign and seeing service in Tunisia and Sicily. He died as the result of cancer of the lung, believed to have been caused by an injury received in service.

Survivors include his parents, Mr. and Mrs. H. D. Goldston of Hereford, two brothers in service—Pfc. Marvin Goldston, stationed at Minter Field, Bakersfield, Calif., and Sgt. Wilborn Goldston, stationed at Camp Kearns, Utah. Other survivors are three brothers, Billy H., David Weidon and Phillip R., and three sisters, Doris, Florence and Glensy Mae, all of Hereford.

Sgt. Wilborn Goldston was here to attend the funeral rites. Another brother, Staff Sgt. Wade Goldston, was killed in action with the Air Corps in New Guinea last fall.

Two Trustees To Be Chosen By Ind. District

The names of Carl G. McCaslin and D. C. Kinsey have been certified to appear as candidates in the Hereford Independent School District trustee election to be held at the court house Saturday, Apr. 7.

McCaslin and Kinsey are candidates for the posts made vacant by the expiration of the terms of H. E. Henslee and W. S. Kerr.

Independent School District trustees are elected for a term of three years and it is hoped that a large number of voters in the district will cast ballots in the election Saturday.

Lions Club Guests At Officers Club

Members of the Lions Club were guests of the Officers Club at the Hereford P. O. W. Camp Tuesday night at the regular Ladies Night program. Entertainment was provided by Stuttering Sam, and by Miss Wanda Lee Terry, who played several accordion solos.

County School Trustees To Be Chosen Saturday

Saturday, Apr. 7, is the date for election of trustees in Deaf Smith County common school districts, it was announced today by County Supt. Fred W. Baird who urges that every qualified voter take part in the elections.

The voting places in the various districts will be as follows: SUMMERFIELD, Dist. 1, at Summerfield School; DAWN, Dist. 2, Dawn School; WYCHE, Dist. 4, at Wyche School; WESTWAY, Dist. 5, Westway School; WALCOTT, Dist. 6, Walcott School; FORD, Dist. 7, Ford School and also at Daniel School; WARD, Dist. 8, Bill Hutson home; MESSENGER, Dist. 10, Lewis Smith home.

"The schools belong to the people of this county," Judge Baird declares, adding, "If you have a voice in the management of your school's affairs it is necessary that you choose wisely those to whom you entrust this management, so be sure to vote in the school trustee elections."

Retailers Meet Thursday for Pricing Study

All retailers of apparel, dry goods or house furnishings will meet next Thursday night, Apr. 5, at 8:30 o'clock at the County Courtroom to discuss with Deaf Smith County ration board members and representatives from the District OPA the new retail price regulation covering clothing and house furnishings.

Discussion will center around the pricing chart each merchant is required to file before Apr. 20. This chart, showing the costs and selling prices of the goods offered for sale on Mar. 19, 1945, will be the basis for calculation of ceiling prices, according to Mrs. A. J. Schroeter, chairman of the local price panel.

Mrs. Schroeter announces that five local merchants have volunteered to help the Price Panel provide accurate information about the new price regulation.

The merchant's committee is made up of Mrs. Arthur Thompson, S. B. McAllister, W. J. Stanford, T. W. Alderson and Homer Fox; and their duties will include seeing that all merchants in the county receive the information needed in preparing pricing charts.

Card of Thanks

We wish to thank every one who helped in any way in fighting our fire on Monday afternoon. Especially those who turned in the alarm, the fire boys, Hap Wiseman who cut the wires, the neighbors who carried out some things, and the girls who held Alex's hand and kept him from fainting. We appreciate the words of sympathy. We are thankful it was our barn instead of someone's home.

Alex said the fire was caused from some Hot Checks he had burned in the barn.

Fire Does Minor Damage At Close Drug Store

A fire early yesterday morning had already done minor damage to the merchandise case and the telephone booth in the front of Close Drug, when firemen arrived on the scene about seven o'clock. Ollie Fox and a soldier saw smoke in the store and turned in the alarm.

No one had been in the store since closing time at about eight o'clock Tuesday night, and the fire is believed to have started in a waste paper basket back of the front counter, where it evidently smoldered for several hours before catching fire to the shoe case and phone booth.

Already well-publicized through announcements in the Hereford schools, the children's Pony Show scheduled to be held at Whiteface Field at 1:30 o'clock Friday afternoon, Apr. 13, is expected to attract the best horsemen among the youngsters in the entire Hereford territory and a large field of entries will be listed. Plans for the show are rapidly being completed by the committee composed of Cecil Guseman, Miles Roberson, Wiley Roberson, W. M. Emmons, Harold Close, and A. R. Bateman.

There will be four classes, Bateman announced this week, stating that divisions would be made according to age groups, class one being ages five through seven; class two, ages eight through ten; class three, ages 11 through 13, and class four, ages 14 through 16. Judging will be based on the following scale: Twenty-five per cent on ability; 25 per cent (Continued on Page 12)

Four-Year-Old Don Ray Oldham Claimed by Death

Don Ray Oldham, four and one-half year old son of Mr. and Mrs. Carl Oldham, died Sunday night at about 10:30 o'clock and funeral services were held at the First Christian Church Tuesday afternoon.

Don Ray's tonsils had been removed Saturday and he died as the result of bleeding which started Sunday.

Born in Hereford, the little boy had spent his life here. His mother is the former Miss Betty Cockrell and in addition to his grandparents, he is survived by his parents, Mr. and Mrs. L. Z. Oldham, and his grandmother, Mrs. C. Ora Cockrell. An aunt, Miss Ann Cockrell, also lives in Hereford.

Rev. Lawrence Bridges was in charge of the funeral rites and pallbearers were J. W. Robinson, Delmo Williams, Bobby Carnahan and L. W. Bridges. Interment was in West Park Cemetery.

Relatives and friends from out of town who attended the funeral services were Mr. and Mrs. Earl Oldham of Fort Worth; Mrs. E. B. Osburn, Mr. and Mrs. Orville Deaver and children, Mrs. Sam Jolly, Rev. and Mrs. W. S. Sibley and daughter, Mrs. Williams and Miss Wanda Jean France, all of Amarillo; Mrs. Preston Wynne and Mrs. Bryant Caraway of Pampa; Mr. and Mrs. Eugene Boggess of Friona and Mr. and Mrs. Edwin Jennings and children of Roswell.

Fat Salvage To Be Increased in Coming Year

Stating that good results have been achieved thus far in the fat salvage drive in Deaf Smith County, Miss Sadie Lee Oliver, chairman of the women's division of the county salvage committee, this week urged continued cooperation by every housewife in the county.

"All markets in Hereford will accept salvage fats," Miss Oliver said, "and the amount of used fats turned in is increasing; however, it is necessary for us to increase fat salvage even more in order to keep up supplies of paints, synthetic rubber, soap, pharmaceuticals and thousands of other war and civilian products."

Fats collected here are sent in to the Pickney Packing Co. in Amarillo, operators of the only fat salvage depot in this district.

Payment for used fats is made at the rate of four cents and two red points a pound. "With the fat salvage quota increased almost 100 million pounds over what was collected in 1944, the nation is looking to rural communities such as ours to supply most of that increased quota," Miss Oliver said.

Sees Goebbel's Castle Is Not Impressed

T-5 Samuel V. Watts of the Fifth Armored Division got a sight-seeing trip over the castle-home of Dr. Paul Joseph Goebbel after the Fifth Armored had finished clearing the enemy from woods southwest of the town of Rheyt.

Goebbel's castle, built in 1850 and formerly known as the "Gastehaus Gau Dusseldorf," was taken over by the German propaganda minister as "a gift from the people of Rheyt," according to the caretaker who showed the building to the men of the Fifth Armored.

Attitude of the GI's was typified by the remarks of one man from Scranton, Pa., who said "He sure had these people buffaloed if they gave him something like this."

Goebbel's castle was only slightly damaged—but liberated Dutchmen who took the GI's on a tour of other buildings in the vicinity pointed to the blackened walls of the building which they said was the school Goebbel attended.

Home From Philippines

Sgt. Donald Gaetz, wounded on Leyte, Dec. 23, arrived here last Friday from William Beaumont General Hospital in El Paso and will spend a 30-day furlough with his family. Donald became ill shortly after his arrival home and is now a patient in the P. O. W. Camp Hospital, but his mother, Mrs. John Gaetz, hopes that he will be able to come home soon.

While leading a native supply unit over the mountains into the Ormoc Valley, young Gaetz

While trying to make a whistle out of a dynamite cap last Saturday, picking at it with a pin, Junior Orr, 12-year-old son of County Clerk Berry Orr, was injured when the cap exploded and blew off the tips of two fingers and his thumb of one hand.

was wounded by mortar shell fragments and was carried out by 12 natives who took turns as stretcher bearers, making the trip back to the field in 30 hours. "There were three of us on stretchers, Gaetz said, "But one didn't know anything about it—he was dead, killed instantly."

Sgt. Gaetz, who has received the Purple Heart, is very cheerful and mighty glad to be back in his home town.

His wife, who lives in Wichita Falls, was here to meet him on his arrival.

Germany "Kaput"

Pvt. Frances Gaetz, writing to his mother on March 10, said, "I don't think it will be long before Germany is Kaput." He went on to explain that "kaput" means finished.

Olson Promoted

George L. Olson, SKD 2-C, received his promotion to that rank this month after serving in the Navy for a year. George L., son of Mr. and Mrs. Louie Olson of Hereford, has been stationed at Pearl Harbor for the past nine months.

Estes Completes Missions

Mr. and Mrs. Cliff Estes on Friday received a cablegram from their son, Staff Sgt. John Estes, stating that he had completed his combat missions and would be seeing them soon.

Sgt. Estes is a gunner on a B-17 in the Eighth Air Force, based in England.

18 Months in Australia

5TH AAF BASE IN NORTHERN AUSTRALIA—Tech. Sgt. June P. Miller of Hereford has spent over 18 months as tech supply section chief in a B-24 Liberator Bomber outfit in the SWPA. While in the States, Miller attended airplane mechanics school at Sheppard Field, Tex., and a B-24 specialists school at

San Diego, Calif.

His outfit, known as the "Flying Circus," has made airplane history in the Southwest Pacific, being credited with having flown the longest aerial missions of the War in this area. Sgt. Miller has been authorized to wear two bronze stars on his SWPA Theatre of War ribbon, one for participation in the New Guinea campaign and the other for the Bismarck Archipelago battle.

Prior to joining the Air Corps in March, 1942, he was employed as a salesman. He is a graduate of Oklahoma A & M College. His brother, R. B. Miller, lives in Hereford.

Sailor Promoted

John H. Wycoff, 24, son of Mrs. Gladys V. Hall of Hereford, has been promoted to seaman first class in the U. S. Navy, at the Naval Auxiliary Air Station, Arlington, Wash.

Seaman Wycoff's wife, Mrs. Emma M. Wycoff, lives in Kansas City, Mo.

Home on Leave

Joe Jed Miller, S 1-C, is home on leave to visit his wife and baby son at Canadian and his parents, Mr. and Mrs. H. E. Miller of Dawn. Joe Jed recently completed his training at Great Lakes Naval Training Center and was assigned to Camp Shoemaker, Calif. He expected to leave the middle of this week for Camp Shoemaker.

A Peaceful War—Except for "Varmints"

S. T. Loerwald of the Seabees, writes that it's a "peaceful war" right now in his section of the Philippines, but "you have never seen the like of bugs, insects and just plain varmints."

Describing the insect invasion, Loerwald says that there is "nothing so thrilling as to wake up in the night with a six-inch centipede doing a toe

dance on your tummy or a land crab clamped on your toe."

When Loerwald wrote, his outfit was marking time waiting for the arrival of their tools and other supplies. A good thing that the Japs had already been cleared out, he reported, as the Yanks might have had to use coconuts for ammunition.

Concerning the Filipinos, he says that "they are nice people and don't bother us. They are great traders and will trade for anything you got—if they can get it at their price. They were glad to see the Americanos—the Japs kinda pushed them around and stole everything they had."

Loerwald is a son of Mr. and Mrs. J. A. Loerwald of Hereford.

KATE SMITH asked to write this message on Saving Used Fats!

"The help of every woman is needed in saving used fats for hundreds of battlefield and home-front essentials. But some of us don't know all the ways we can do it. Here are a few points I've found helpful."—Kate Smith

MANY WOMEN SAY: "But I never have fats left over." Certainly it's good economy to re-use your fats . . . but there's always some left over even after that . . . and that little is more important than you can imagine. Only one tablespoonful of used fat will help make 5 machine-gun bullets. So there just can't be too little to save! Come on, everybody, scrape your broiling pan, your roaster, skillet. Save meat trimmings and scraps of fat left on plates.

OTHERS TELL ME: "But my fats are often too dark to turn in." It doesn't make a mite of difference how dark or blackened . . . or what smelly things like onion or fish you've cooked in your fat. Every drop of it will help make parachutes, synthetic rubber, soaps for the fighting and war fronts. Don't feel ashamed to hand it in to your butcher. If you save every bit of fat you possibly can, you're doing a job to be proud of!

THEN YOU HEAR: "But what sort of container will I use?" Any kind of tin can will do. The next time you open a can of fruit or juice or soup or vegetables, save it. But please don't use glass . . . it almost always breaks and makes the fat difficult to salvage. When the can is full, take it to your butcher. For every pound, you'll get 2 red points. If you have any difficulty disposing of your fats, call your Home Demonstration or County Agent.

IS LIGHTNING? ZIG-ZAG

YES NO

Old Jupiter's lightning was Z-shaped. Today's lightning-fast cameras prove that it really flashes beautiful curves. Shows how weather bears watching, and now in Spring, so does the car that must last you! It's time to drain unfit Winter oil, and you'll get far more than an oil change by having your engine's insides OIL-PLATED.

All you need is Conoco Nth motor oil to bond OIL-PLATING direct to working parts—really a built-on layer of lubricant. This special wear protection—a great research achievement—is surfaced to metal by Conoco Nth oil's strong "power of attraction." And Nth oil provides tough liquid film, too.

OIL-PLATING and oil film are both fighting wear every mile.

Then after stopping, when acids want to gnaw any engine, they're curbed by OIL-PLATING—the foe of corrosive wear!

What a big lot of safety from wear! . . . to stretch engine life . . . to make oil and gasoline last you . . . to minimize carbon and sludge . . . to help power! Yet Conoco Nth oil costs little more. Fast as lightning, change for Spring. Continental Oil Co.

Family Reunion Marks Easter Holidays

What promises to be a real family reunion for the Fred Barretts will be held here this week end. Without any previous planning for the Easter get-together members of the family began to arrive last week end and a real reunion began to take shape.

Miss Bee Barrett, who has been doing Red Cross work in Los Angeles, Calif., arrived Friday for a visit with her parents before reporting to Washington D. C. for special Red Cross training. A son, Sgt. Fred S. Barrett who has been stationed at Kingman, Ariz., stopped here for a delay-in-transfer visit with his parents on his way to

Lincoln, Neb., and Pvt. Robert S. Barrett, another son, came home from the O'Reilly Army hospital at Springfield, Mo. where he is receiving medical care, for a brief stay with his family.

Mrs. Stanford Barrett and little daughter Patty who is a daughter-in-law of Mr. and Mrs. Fred Barrett, came home after spending several weeks with relatives in Paul, Ida. And Friday Miss Margaret Barrett, junior student at Trinity University, San Antonio, will arrive home for the Easter vacation.

Three sons reside here. They are Richard, Stanford and Frank. The only member of the family who will not be able to be here is a daughter, Miss Marian Barrett, who is in Los Angeles.

CHDA Recommends Fruits for Area

Pointing out that many fruit trees have not yet bloomed and therefore are still safe from freeze damage, Miss Sadie Lee Oliver, CHDA, this week urged that fruit growers study the lists of "adapted varieties" and plant trees which will produce fruit nearly every year in the Panhandle.

She lists sour cherries—Early Richmond, Montmorency and English Morello varieties—as good for this territory. Also adapted are Hansen bush cherries, hybrid cherry plums (Opata and Sapa varieties.)

A few peaches are consistent producers here; and grapes, rhubarb and strawberries are good fruits for this territory.

ALTURAS, CALIFORNIA
I have now driven Gates Synthetic Tires on my taxi here in Alturas, California, for more than 6 months averaging 2,000 miles a month, or more than 12,000 miles in hard service and they are just getting ready for a recap.
Respectfully yours,
J. J. Glesler.

BARTLEY, W. VA.
My Gates Synthetic tires have now been driven 10,000 miles and have at least another 15,000 miles remaining for a total of 25,000 miles I know I'll get. I am a coal mine foreman and drive over very rough roads to get to work.
Richard Kirk.

HARDIN, MISSOURI
I am driving Gates Synthetic tires on a Kansas City Star paper route averaging 150 miles each day, 135 miles gravel and dirt, 15 miles paved roads. My Gates tires give me better than 20,000 miles under this extreme hard service.
Gerald Kist.

VICKSBURG, MISS.
The four Gates synthetic tires I put on a year ago have now gone 20,000 miles and look good for several thousand more. I am a general contractor and keep on the go all the time on all kinds of roads.
Yours very truly,
E. M. Ables.

"GRIM" IS THE WORD, used by Washington authorities in a recent statement, to describe the immediate future of civilian passenger car transportation.

Tire trouble and tire shortages . . . motor trouble and parts shortages . . . are forcing so many cars off U. S. streets and highways every day, that the nation is rapidly approaching the low point in cars needed to keep our country's civilian economy at an efficient operating level.

It's danger all the way, because every mile you drive places extra hazards and added burdens on your already over-age car. So in our country's interest, and in your own, be thrifty with your dwindling stock of car and tire miles.

Care For Your Car For Your Country to help prevent the threatened crisis in home-front transportation. Get the patriotic cooperation of your Phillips 66 Service Man in making your car and tires

last longer and go farther.

Phillips Tire-Saving Service includes checking air pressure . . . inspecting for nail holes, cuts, and bruises . . . examination of the tire carcass to warn you when recapping is necessary and still possible . . . crisscrossing with the spare every 3,000 miles.

Phillips Car-Saving Service includes inspection of battery, air filter, and anti-freeze protection . . . regular lubrication of every friction point specified by the maker of your car.

Our country needs the mileage remaining in your car and tires. You need to stretch the life of your personal essential transportation. So visit your Phillips 66 Service Man at least once a week and he will gladly share both responsibilities with you . . . at the Orange and Black 66 Shield . . . the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night". A carefully blended combination of 16 herbs, roots, vegetables, balsam; Dr. Kilmer's contains nothing harsh. It is absolutely non-habit forming. New Santa Fe Bridge Speeds War Traffic

"bottle-neck" created by the old single-track bridge it replaces and has ample strength to take care of future requirements as to weights to be imposed on it.

The new Topock bridge is an impressive engineering feat, but it is only one step in Santa Fe's program of plant improvement—started long before Pearl Harbor. These improvements have speeded upwar traffic today, and they will enable a higher standard of Santa Fe service in the days of peace to come.

Santa Fe trains are now rolling across a new double-track steel bridge over the Colorado River near Topock, Arizona, speeding up vital war traffic along the route to Tokyo through California's ports of war.

This new Santa Fe bridge removes the

BUSY?

Yes, Aren't We All?

Here at John Woods we are busy every day. We're working short-handed, and are usually swamped. But we are making every effort to take care of the farmers of this community.

THAT'S WHY we believe it isn't asking too much when we say:

Bring in Those Farm Implements NOW . . . Tractors, Combine Motors . . . Irrigation Motors

Naturally, we are going to do all we can to take care of the last minute rush — but things will be much, much worse — and parts may take longer than ever to come through.

BRING IN THOSE MOTORS NOW . . . and let us give you an ESTIMATE. Remember, we will give you a First Class job on any kind, make or model — and we'll treat you right!

Hereford Sgt. Commended for Combat Bravery

WITH THE 82ND AIRBORNE DIVISION—Staff Sgt. Frank E. Brashear of Hereford, a veteran parachutist in the 505th Parachute Infantry Regiment, distinguished himself by aggressive leadership during the recent Belgian campaign when he led an assault on an enemy position near Abrefontaine.

Sgt. Brashear's platoon attacked immediately upon the lifting of a preparatory barrage from supporting tanks. As the barrage lifted, the platoon leader became a casualty; and at this critical moment Sgt. Brashear assumed command, moved to the head of the platoon and led his men forward so swiftly that the enemy position was overrun and 12 prisoners taken before they had recovered from the fire of the supporting tanks.

Throughout this period, enemy artillery fire was heavy and accurate and the terrain adjoining the enemy positions was open and flat, but Sgt. Brashear recognized the necessity for speed and his example of aggressiveness and leadership proved to be the deciding factor for a quick victory in the skirmish.

Sgt. Brashear has seen action in Sicily, Italy, Normandy, Holland and Germany. He also holds the Purple Heart, the Combat Infantryman Badge and the Distinguished Unit Citation, awarded to his unit for the Normandy Campaign.

Don't Change License No. on Gas Coupons

"Don't change the license numbers on the face of gasoline coupons that you have already endorsed—just change the number on the gas book cover and on the Mileage Ration Record," cautioned the District Office of Price Administration in response to many questions about gasoline coupon endorsement after new automobile license plates go into use.

The instructions OPA issued are simple; just draw a line through the old license number on the back of your gas ration book cover and write in the new license number. The same procedure should be followed on the Mileage Ration Record. It is not necessary, however, to change the license numbers on the face of gasoline coupons that you have already endorsed.

Farm Census to Start in County

Mrs. Merlin Kaul, who will conduct the farm census in Precinct two and in Hereford, last Thursday, Friday and Saturday attended a school for census enumerators in Dimmitt, and states that she will start on the work within the next few days.

The farm census, conducted by the U. S. Dept. of Agriculture every five years, has been delayed in this territory because of inability to hire enough enumerators. Deaf Smith County is still short, Mrs. Kaul states, adding that any person desiring to take over the census job in Precincts three or four or part of Precinct one should see her and she will put him in touch with the government official who is handling the work in the district.

Payment is made on a farm-enumerated basis, Mrs. Kaul said, and the census taker can get supplemental gas for his work.

Because of the large amount of territory to be covered and the fact that the job must be completed within the four to six weeks, Mrs. Kaul is urging the cooperation of all farm operators in the work. Later she hopes to have a headquarters in Hereford and there to be able to see as many farmers as possible when they are in town.

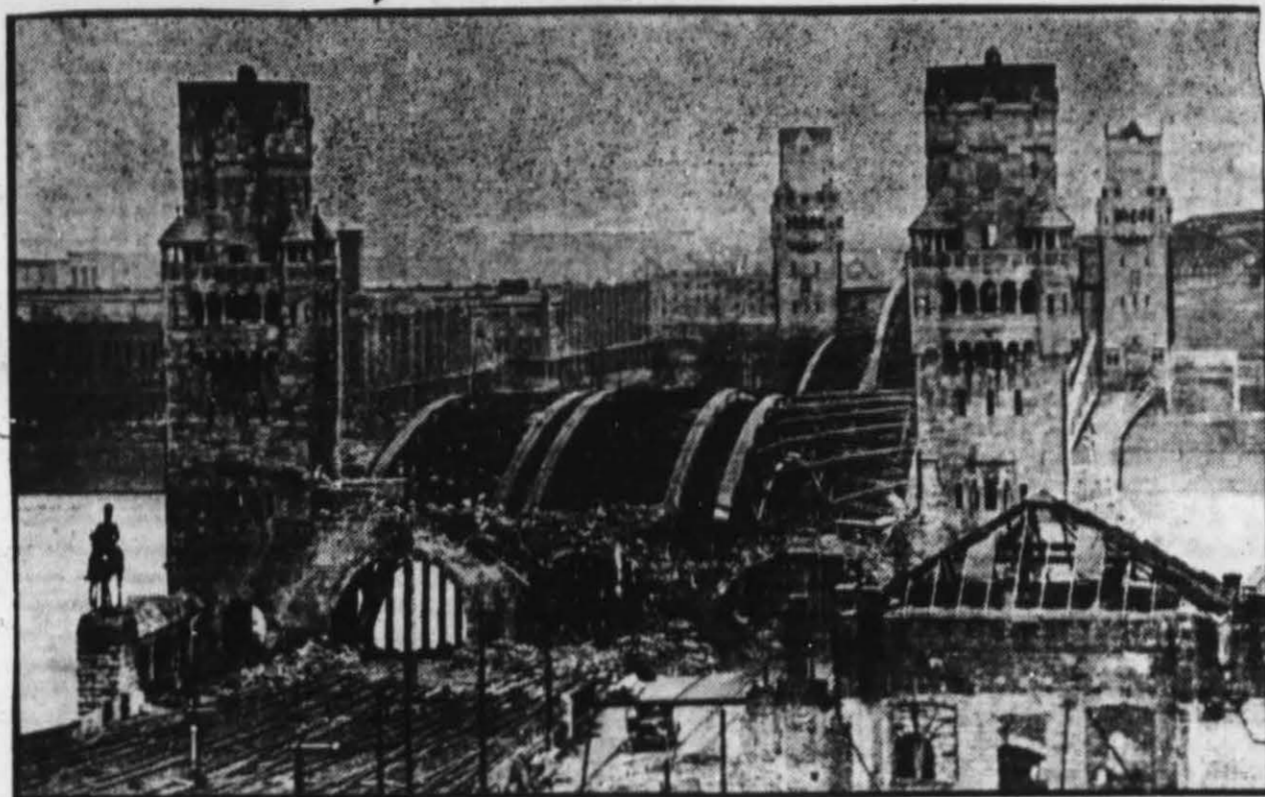

Scottish Rite Clubs Have Seasonal Program

The Scottish Rite Club of Hereford has joined with the Amarillo chapter to observe Maunday Thursday in a special program tonight at 7:30 o'clock at the Shrine Temple in Amarillo.

All Scottish Rite Masons in Hereford are invited to attend.

Bridge Out

Shattered spans and approach of the Hohenzollern bridge over the Rhine at Cologne, as seen from the dome of the Cologne Cathedral. Docks and other shipping facilities are also smashed. Of the entire city's 3320 built up acres, 2010 are completely destroyed, a result of 18 big bombing attacks and artillery—five times damage done in Stalingrad, says British information Service.

THIS WEEK... AT THE USO

Our hats are off to Sgt. Allen and his orchestra for getting together and providing some excellent music for our dance on Monday night. After several weeks of nickelodeon music we really appreciated it. Cpl. Umfleet is leaving, for which we are very sorry but we hope that from here on Uncle Sam will leave the rest of the men here for the duration. About 30 of the fair sex and 50 hale, hearty and handsome G. I.'s took advantage of the good music and enjoyed themselves for three hours.

The next item on the entertainment schedule will be the USO show at camp on April 2nd. Girls will notify sponsors, please, if they are going and when the show is over there will be transportation to the City Hall where we will finish the evening dancing.

Prepare for another Western dance! Everyone has been calling for another western dance so the entertainment committee has announced one for Apr. 9 at the Clubhouse. Bill Sacks has been put in charge of decoration and atmosphere so get ready for a big night.

Confidentially, we don't like it when "lists" come out. But we have learned from experience that their is nothing we can do about it. Saturday afternoon was another example. We are sorry to lose you, every one of you. But "hurry back."

Cpl. Thomas brought a very lovely bride back with him on Tuesday and on Saturday his name was on the list. Tough luck, Thomas. Bring her back when you can stay longer!

Pvt. Patton's wife arrived amidst all that dust storm on Saturday from one of the Carolinas. And Pvt. Smith's family came in this week too. We hope they will enjoy living here in Hereford.

Miss Klinke, nurse at the camp, donated some cards to the USO last week. But as soon as we put them out we lost track of them. They were fine while they lasted. Pinochle decks are hard to get now and we have to have two decks alike to make one pinochle deck.

Speaking of donations—Mr. Scheffer, the electrician, gave us a tube for our nickelodeon. And the last two Saturdays we have received cakes from Mrs. Walterscheid, Mrs. Howard Higgins, Mrs. Ira Ricketts and Mrs. Clyde Russell, of the Progressive community. Progressive is also inviting 15 service men to the schoolhouse for Easter dinner next Sunday.

Letters and cards come this week from Paklis, Cartell, Steve Hosszu, the Turcbettis and Pacellis. Steve gave his APO and said that while he isn't in the same company with any of the men from Hereford, he sees some of them occasionally. Raleigh and Welsh are still together and Bussman reports that limited service men are not immune to boat riding. Some of the men on his boat are in wheel chairs—or should be.

We need more Jr. Hostesses every evening and on Sunday. Please sign in and out so that records may be kept of your service.

Any fellow who is an expert at cards can make the jack disappear quickly.

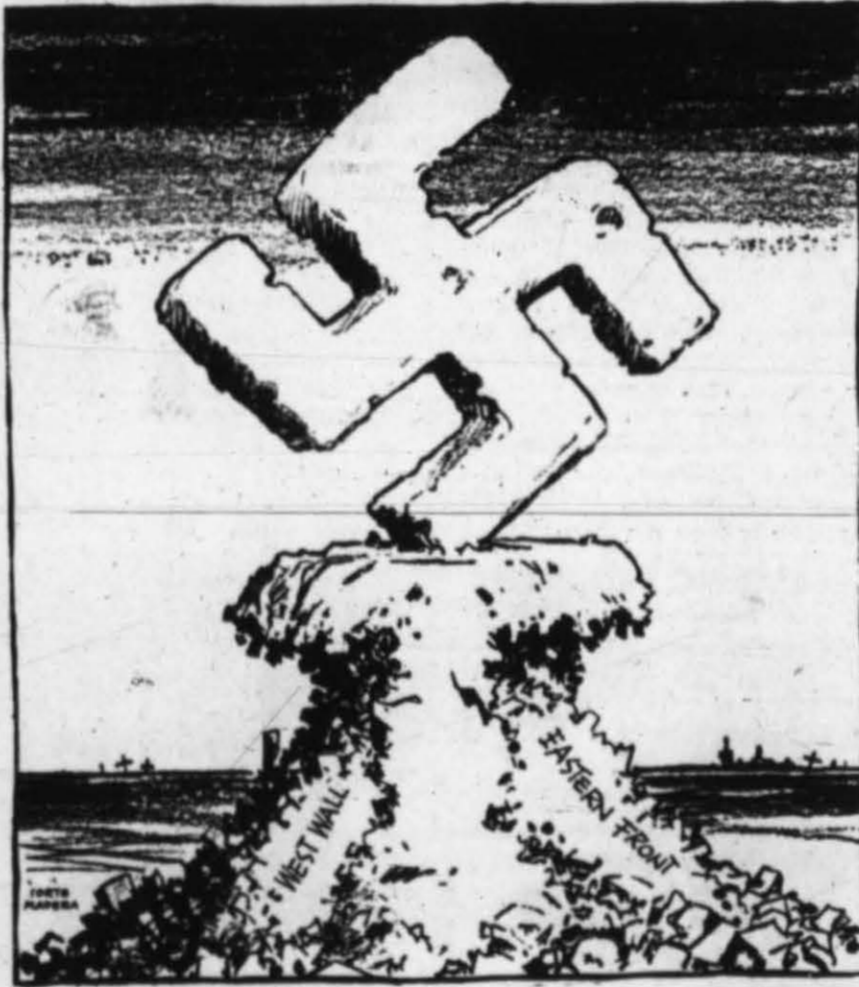

A wife with good horse sense never becomes a nag.

Vets Get Ration Preference In Starting Business

An important step in the OPA program to assist veterans in adjusting to civilian economic life was announced today by W. A. Robertson, Veterans Relations Adviser in the District Office of Price Administration.

Changes in ration regulations which will permit veterans of the present war to open small businesses making use of rationed foods—businesses which under rationing have been closed to newcomers—will become effective March 26.

"This is only one of several moves OPA is making to help veterans get started," Robertson stated as he announced that two types of businesses are thrown

open to veterans by the new ration order. One type is establishments which use rationed foods as raw materials. The other type is establishments which use rationed foods in the service of "refreshments."

Existing regulations, Robertson pointed out, already permit the opening of certain types of new establishments dealing in food, such as retail and wholesale establishments distributing rationed foods, restaurants or other institutional users using rationed foods in the service of meals, and certain establishments producing rationed foods.

The amounts of rationed food that a veteran may obtain are limited so that, in general, the businesses operated will be comparable to typical "small" businesses now operating, Robertson said.

Other OPA regulations are being reviewed, it was announced, to determine whether additional changes of aid to veterans can be made within the allotments of scarce commodities for civilian use. It was emphasized that scarce supplies of rationed foods will not permit the opening of large businesses under the new regulation. It was also pointed out that price regulations applying to other businesses of the same type will apply to businesses operated by veterans, and that they should obtain information about ceiling prices before making financial commitments in connection with new businesses.

A GOOD TAX-PAYING CITIZEN
... wherever we serve!

Every good citizen realizes that it is a duty and a privilege to help support our government, schools, public institutions and to help maintain other government services.

There is only one place from which this money can come. It must come in the form of taxes from those who enjoy the benefits of our democratic form of government. Taxes make these benefits possible and in addition are helping to win the war.

Like yourself, we are glad to be Americans—to pay taxes—to enjoy the securities and privileges of this great country—our America!

BUILDING THE INDIVIDUAL HOME

AMERICANS since the time of the Founding Fathers have been individualists. They resent being compressed into a standard mold. In no way does this trait exhibit itself more than in their choice of a home. We have only to study the characteristic styles of the New England houses to realize how practical, yet individual, are the homes of the early Americans. Each home was different and each home met personal requirements. Still, certain basic characteristics of the early American homes held over from one family to the other, inbred, as it were, and so we find today that many American families desire traditional Cape Cod homes; others desire modified Colonial houses. There are also those who favor Modern adaptations; and so on. Every American family has varying likes and dislikes, and their homes take on the traits and embody their own ideas.

LOOKING AHEAD

Thousands of people are dreaming of building a home in the near future. They want to build a new house to fit their individual family needs. It may not be tomorrow, but some day in the not too distant future they look forward to creating their idea of perfection in a home complete in every detail.

In their minds they see this ideal house without any flaws of imperfections,—and yet so seldom is this ideal fully realized unless they start planning far in advance of building, seeking advice from those within the building industry who are well qualified by years of practical experience to render aid.

DOWN TO EARTH

Too often people are influenced by some fantastic and impractical idea that leads them astray for awhile. It may have caught their fancy in the public press, or have been shown in one of the magazine advertisements, timed and planned to get their attention.

There will be improvements and there will be new materials and products built into the home of the future, but there will still be basic design, basic fundamental requirements, basic construction methods, and houses as always will be worth what they cost proportionate to their architectural merit and soundness of construction.

A HEARTWARMING EXPERIENCE

To build a home is one of the most heartwarming things in the world! Its actual consummation can be a great advantage, and like everything else, it starts with a dream or an idea, coupled with necessary requirements. First come months of happy anticipation,—a most delightful period. Then through the actual construction time and finally one moves into the new home, turns the key and lets the outside world pass by.

DEVELOPS CHARACTER

Each individual home has a character of its own. It is measured by excellence of architectural design and floor arrangement, by the neighborhood in which it is located, whether it is a suburban house with much space around it or a town house where the lot size is limited. To obtain individuality requires careful thought and planning to personalize the home to one's ideas of better living and practical values. Thus character in a house is developed.

Buy War Bonds NOW for a Home of Your OWN!

THE AMERICAN WAY

The American way of building a home is to consider the requirements and wishes of the family. Your house may require two or three bedrooms, a basement or utility room, one or two baths, a large or small kitchen; you may want a hobby or recreation room in your house, or you may not.

All of these and many more items call for personalized selection and planning of your individual home so that a plan will be chosen that fulfills the desires and needs of all members of your family for comfortable and happy living.

Further, you will want to consider the neighborhood in which the house will be built, where your children will be reared, and what influence the environment will have on these growing children; proximity to schools, churches, recreation facilities, shopping, etc.

All the modern comforts, closet space, conveniences and innovations that you can afford should be built into your house. They make housekeeping tasks easy and living in the home a pleasant and gratifying experience. New gadgets, unless they have been tested and found practical, should be avoided. The American family will continue to flourish best in the individually-planned home.

YOUR NEW HOME

It is to be hoped that the contents of this space will prove interesting and helpful toward enabling you to select or plan with our assistance, a suitable house design for your family. Naturally, we would like to talk over your building plans with you. That's our business and then, we just like to talk about building. Right now we are going over plans for post-war homes with several people in town. They are doing some definite planning and our suggestions are proving helpful, so they say. Why not come by and let us show you some plans. This way, you can get things worked out to your satisfaction for the best possible house to suit you and your family. We are glad to offer this help without obligation . . . and we have some excellent sketches on hand.

H. D. Council Hears Reports

Entertainments and community drives in which home demonstration club members took leading parts, resulted in donations of nearly \$1,500 to the Red Cross, it was revealed Saturday in reports to the county H. D. Council.

Other reports told of activities carried out to finance various club projects, and each club reported on the demonstration

described for April.

No district or State meetings of the T. H. D. A. will be held this year, it was announced by Mrs. R. L. Campbell, who explained that the conventions have been called off in reply to a request of the Office of Defense Transportation.

Council members discussed the choosing by each club of a club flower, and a report on the pineapple purchase plan was presented.

EASTER PARTY GIVEN FOR JUNIOR CHOIR

Members of the Junior Choir of the Methodist Church were entertained with an Easter party last week by the director, Mrs. H. D. Reed. Outdoor games were played and prizes were given. Refreshments carried out the Easter theme.

Plans were made at the party for the annual spring banquet with the date scheduled for Apr. 27. Patsy Wiltshire and June Marie Franklin were named on an arrangements committee.

Those enjoying the party were June Marie and Homer Franklin, Betty Jo Hudspeth, Kathryn Davis, Randolph Thomas, Joan and Gene Moore, Patsy Wiltshire, Wayne and Jimmie Lady, Dalia Ann Twiner, Betty Jean Hamilton, Marilyn Barkley, Virginia and Nancy Owen, Bobby Jean Drury, Peggy and Joyce Bell, Lavern Goettsch, Stanley Slagle, Bobby Bookout, Betty Wester, Bertella Kay Reed, Tommie Staggers and the hostesses.

The next meeting will be a guest-night affair and will be held at the home of Mrs. James Alken on Apr. 12.

Those attending were Mesdames Cawthon Bryant, James Alken, Frank Daniel, Ira Foster, W. F. Harlow, Merlin Kaul, Carl Oldham, J. C. Reese, Earl Springer, J. R. Fowlkes, G. G. Heard, the hostess and Mrs. E. J. Pepper, a guest of the club.

Mrs. Gault Entertains Coterie Club-Guests

Coterie Club members and guests met for games at the home of Mrs. Howard Gault Friday afternoon. An Easter theme was carried out with spring flowers and in refreshments. Special guests were Mrs. J. S. Maxfield, Mrs. W. M. Emmons and Mrs. J. M. Posey with Mrs. Emmons playing high for the guest award.

Members enjoying the games were Mesdames Jas. W. Witherspoon, Frank Lucas, E. B. Hedrick, Grant Fuller, C. F. Moore with Mrs. Witherspoon playing high for the club award.

MRS. CARNAHAN IS HOSTESS FOR GARDEN CLUB

A spring program on "Seeds" was presented at the Garden Club meeting held at the home of Mrs. C. D. Carnahan Friday afternoon. Mrs. Denis Barnard assisted.

A paper on "Perennials from Seed" written by Mrs. Fred Axe was read by Mrs. P. H. Gilliland. Mrs. Carnahan talked on forcing plants giving demonstrations of forsythia and lilacs. Other plants listed as suitable for forcing were crabapple, apple, pear and the japonica.

Mrs. Barnard assisted Mrs. Carnahan in preparing a line arrangement of forsythia in an odd-shaped pitcher and peach blossoms in a pink glass basket.

During the business session members voted to sponsor one of the Bluebird groups of Camp Fire Girls and also to furnish bulbs and plants for the Deaf Smith County Hospital grounds.

Mrs. C. H. Dyer was named alternate delegate to the State Garden Club Convention which will be held in Dallas on Apr. 3 and 4. Mrs. Lynn Kester was welcomed as a new member.

Members present were Mesdames D. H. Alexander, Dennis Barnard, E. T. Brooks, Homer Brumley, C. C. Cox, Roy Crutchfield, C. C. Ferguson, W. S. Fluit, N. E. Gass, P. H. Gilliland, E. W. Harrison, O. G. Cash Prizes

Fifty dollars in prize money has been put up by R. R. Lindsey, who pointed out that his action was prompted by appreciation for the fine treatment he has received from Hereford and Hereford people since he has acquired farm holdings here. The prizes will amount to \$12.50 in each division—with four prizes of \$5, \$3.50, \$2.50 and \$1.50 each, to the winners in each age group. In addition, the Pitman Grain Company will give a fine bridle to the Grand Prize Winner, selected from among the first place winners in each of the four divisions.

There may also be additional cash prizes, according to the committee announcement.

Special Events

It is hoped to have the Will Rogers Range Riders of Amarillo here to put on a special riding demonstration for the show and other special features may also be presented.

Entries should be listed with any member of the committee and should be made as soon as possible. "We think this show

is one way of letting our young people know that the adults in the community are interested in them," the committee points out, stating that interest is high among the children of the territory.

The committee express special appreciation to Supt. Knox Kinard and the Hereford Public Schools for their cooperation in giving the use of the football field and allowing students to be excused from classes to attend the show. The Friday afternoon date was chosen, they explain, because it would allow more businessmen to attend the show.

Because of the difficulty of fitting up a suitable classroom in the various rural school buildings, Mrs. Wilson is asking that rural clubs desiring to take the course try to make arrangements to come to the regular classroom in the courthouse in Hereford. Summerfield has already done this, she stated, and as transportation would have to be furnished for the nurse if the course were given in the rural
