AROUND A Town

Sights and Faces Seen

Nearly everyone at the football game last Friday night came away with the idea that a bigger crowd than usual was at the field. However, "Taint so," says Miss Evelyn Milam, who checked one of the gates and ought to know. Miss Milam believes that the traffic jam was worse than usual because of the last minute rush for reservations—but there were no more spectators than usual, she insists.

"Or maybe we just thought it was a bigger crowd because the war is over, more cars are in use, etc. Just a matter of wishful thinking or something."

"I guess you're going to ask me what's my little sister's name," says young Charles Robert Seed in a pained sort of voice, and then goes on to add that the name is "Cynthia Sue." (And he might as well add, judging by his expression, that the whole thing as received too much publicity anyway.)

S. B. McLallen recently attended a J. C. Penney sales meeting in Denver and on the way home visited relatives in Fowler and Rocky Ford, Colo.

The other Sub-Debs are kidding, but Ann Bateman is convinced that they are really just jealous of those 32 pieces of Air Mail which she received in one day.

3-In-a-Row Aim Of Whitefaces In Friday Game

Hoping to make it three-in-a-row, the Hereford Whitefaces will tackle the White Deer Bucks at Whiteface Field tomorrow night in what is expected to be a hard fought contest with the Bucks out to erase the record of a 14-7 defeat at the hands of Tulsa last week.

Game time will be 8:30, it was announced today, and the Whiteface starters are expected to be ready to go. Practice sessions this week have been stressing defense and in addition the herd is polishing up some new plays for a try-out in Friday night's game.

The Buck line will be the heaviest to face the Whitefaces this season. They average 160 pounds, and two big tackles are expected to be the strong points in the Buck defense.

Starters for Hereford will be Lueb, LE; Oakes, LT; Orr, LG; Dyer, C; Easley, RG; Hagar, RT; Sowell, RE; Bishop, Q; Close, LH; Davis, RH, and Worrell, P.

Grade Shifts To Ease Crowding at Central School

Moves to help alleviate the serious overcrowding at Central School were taken this week when the Eighth Grade was moved to the High School building; and the Seventh Day Adventist Church, an old school building recently moved onto the lot at the corner of East Third and Lawton, was leased to provide room for two more grades to be moved from Central School.

As soon as this building is ready, about 75 students will be moved there, according to Supt. Chester O. Strickland, who says that it will then be possible to divide the 7th Grade into three (Continued on Page 12)

Local Church Host to Dist. Convention

"Reservations are coming in every day and we expect the best attendance in recent years," Rev. L. W. Bridges predicted this week concerning the District Convention of Christian Churches to be held at the Hereford Christian Church on Tuesday, Oct. 2.

Twenty-five Panhandle churches are included in District One, and nearly all are expected to be represented at the sessions which will begin at 10 o'clock Tuesday morning and last till 9:30 o'clock Tuesday night.

Church reports and talks by outstanding church leaders will be features of the program, Mr. Bridges said. Dr. R. G. Snodgrass of Amarillo, Patrick Henry of Fort Worth and Gray N. Russell, missionary to Africa, will appear on the program, which will be built around the theme, "With Christ We Build Anew." H. N. Gregg of Perryton, president of the convention, will be in charge of all sessions.

Main social feature of the day will be an old fashioned, West Texas barbecue to be held at 5:30 o'clock Tuesday afternoon.

Bargain Rate Announced Amarillo News and Brand

Again this year the Amarillo News is making a special rate for renewal subscriptions at \$10.00 for one year; and the Brand is offering new or renewal subscriptions—with the Amarillo News—for a combination rate of \$11.45.

Despite the end of the war, newsprint shortages persist; and the Amarillo News can take no new subscriptions. However the bargain rate is \$2 less than the regular yearly subscription to the News.

The special combination rate offered by The Brand is good only in Deaf Smith, Castro, Farmer, Randall and Oldham Counties; and the bargain rate expires on Dec. 31, 1945.

C. of C. Drive Starts Friday

Following a meeting Monday night at which monthly quotas for every business house in the community were set, members of the financial committee of the Hereford Chamber of Commerce tomorrow morning will start a thorough canvass of the community in an effort to get quotas subscribed as soon as possible.

"We have set what we believe to be a reasonable quota for each business," the board of directors points out, "and when these quotas are subscribed your Chamber of Commerce will be able to carry out a stepped-up program to bring the Hereford area its full share of the business development expected within the next few years."

The current Chamber of Commerce drive is not limited to Hereford, it was pointed out. Alternate directors have been appointed from Dawn and Summerfield; and these men—H. H. Miller and J. B. Noland—met with the board this week and will represent their own communities in activities of the Chamber of Commerce. Eventually the plan of community representation will be extended to all rural areas in the Hereford vicinity, the board said. Although business houses will (Continued on Page 12)

Former Resident Dies In Jap Prison Camp

Lt. John Foster Beall, one-time resident of the Westway community, died Feb. 8, 1945 in a Japanese prison camp, according to a war department message received by his wife, now a teacher in the El Paso Public Schools.

Mrs. Beall, the former Miss Emily Minter, was a teacher in the Westway School when she met her husband. His death occurred on the fourth anniversary of their marriage.

Lieutenant Beall was held at Davao Prison Camp from the fall of Bataan until March, 1944, and at Bilidid Prison until December, 1944. On a ship which was torpedoed while it was enroute to Japan, Beall survived the sinking, only to die later in a Japanese prison camp.

He lived in the Henry Allmon home while at Westway and had many friends in the community.

Youth Escapes With Minor Injuries in Crossing Accident

Bobby Hamilton, son of Mrs. Mark Link, escaped without serious injury Saturday night when he was hit by a switch engine at the railroad crossing on South Main. The accident occurred at about ten o'clock and Bobby stated that he did not see the engine until too late to get out of the way.

Minor injuries, only minor bruises, resulted from the accident, but Bobby was taken to Northwest Texas Hospital in Amarillo for observation and treatment.

He was reported yesterday as getting along fine.

District Court in Session This Week

District Court has been in session this week in the case of C. R. Smith vs. W. E. Melton, a case growing out of a highway accident near Iowa Park last November, when Mr. Smith was involved in a collision with a tank truck which was stalled on the highway. He is asking damages, and evidence was presented on Monday and Tuesday with the case scheduled to go to the jury yesterday.

Other court business included the granting of divorces by Judge John Aldridge in three cases—Gertrude Lisenbe vs. C. C. Lisenbe, Clara Shreve vs. Benjamin O. Shreve, and Violet Lee Payne vs. Oble W. Payne.

Secretary To Organize More Camp Fire Work

Methods of extending the Camp Fire program to the many 7 to 18-year-old girls who want it, will be discussed with Miss Clarke Barricks, Camp Fire Girls national associate field secretary when she meets with leaders of the local organization during her coming five day visit to Hereford.

Miss Barricks, former executive of the Corpus Christi, Tex., council of Camp Fire Girls, is assisting Miss Harriet Dively with Camp Fire field work in Texas, Oklahoma and New Mexico. She will arrive in Hereford on Friday, Oct. 5.

Among the activities in which she will participate during her visit here are an open meeting to be given by the three Camp Fire groups and the Horizon Club at the Methodist Church at 2:30 o'clock Friday afternoon, Oct. 5. Following this organizational meeting, to which sponsoring Federated Clubs and all interested persons are invited, Miss Barricks will conduct training courses for guardians, leaders and sponsors on Oct. 8, 9 and 10. All these courses will be taught at the Methodist Church and the exact schedule will be announced at the meeting on Oct. 5.

Well-trained for her work, Miss Barricks is a graduate of the University of California, where she majored in physical education and hygiene. In 1941 she attended the summer training course for professional leaders of Camp Fire Girls at New York University.

Makes Suggestion Of Community Welcome to Returnees

"What is Hereford doing—as a community—to welcome the boys who are returning from service?" That is the question asked by Mrs. Al Werner of Westway, and The Brand is putting the topic up for public discussion—and action.

"Of course the families and intimate friends of these boys will welcome them home," Mrs. Werner says. "But I believe their service rates some gesture of appreciation by the community as a whole."

Suggested has been a party to be held each month for returning servicemen, but the form of the welcome is left up to the community group or groups who will organize the project. The important thing is to let the boys know that Hereford is glad they are home.

"It may cost some money," says Mrs. Werner, "but I believe we would all be willing to spend something for this cause."

Free Hauling of Dead Farm Stock Offered

G. B. (Dick) Hagar, representing the Hereford Rendering Service, announced this week that he will give free hauling service for the removal of dead farm stock.

Farmers and other owners of horses, cows, hogs and sheep are advised to get in touch with Hagar when in need of this service. His headquarters are at West Texas Feed and Seed Co.

Definite Health Measures Urged By State Officer

"Continuous chlorination of drinking water and a controlled collection of garbage at regular, frequent intervals," were today cited by J. A. Stanley, District Engineer of the State Health Department of Texas, as the two outstanding needs in this community.

Mr. Stanley was called to Hereford by the City Council, following a direct appeal to the State Health Department in Austin. He made extensive inspections Wednesday, Sept. 26.

Recent impurities in Hereford drinking water were attributed to opening of the new city well by Mr. Stanley, who said that such situations frequently occur.

The engineer said that garbage should be placed in covered cans, meeting with city specifications, and that regular collections should be at frequent intervals. He also recommended that the water be chlorinated at (Continued on Page 12)

Baptists Name Mission Pastor

The First Baptist Church announces that Rev. R. S. Sparkman of Dallas has accepted the position as mission pastor in Hereford and about Oct. 1 will move to the old C. O. Lee home on 25-Mile Avenue. Rev. Sparkman conducted a revival meeting at the North Hereford mission earlier in the summer.

The First Baptist Church will begin an offering Sunday, Sept. 30, toward the constructing or purchasing of a mission chapel to be located on the lot adjoining the residence property, according to the local pastor, R. H. Cagle.

No notice in this type of work, Rev. Sparkman is 47 years old and has been employed as mission pastor of the Saunders Baptist Mission and more recently of the South Dallas Baptist Mission. His wife is also an experienced church worker and will assist him with his work here.

1st Baptist Revival In announcing the appointment of the mission pastor, Rev. Cagle also stated that the First Baptist Fall Revival will begin on Sunday, Oct. 7, and will last for one week, with services held twice daily.

The singer for the meeting is Edgar Spearman of Dallas, and Rev. Cagle will do the preaching.

Gayle Neal Liberated From Jap Camp

Gayle Neal, son of Mr. and Mrs. Leslie Neal of Amarillo and one-time Hereford resident, has been released from a Jap prison camp and called his parents from San Francisco Tuesday, stating that he would be home soon.

Neal was taken prisoner on Dec. 12, 1941 at Guam where he was a member of the Marine garrison which was forced to surrender to a greatly superior Jap invasion force.

He is a grandson of W. E. Neal of Hereford and a nephew of Mrs. J. C. Ricketts.

One Brand Limit Lifted by Solons

Calling the attention of ranchers to a new law passed at the last regular session of the State Legislature, County Clerk R. L. Thompson states that the new law permits a stock owner to register as many brands as he desires.

Heretofore, a rancher could legally own only one brand.

Also in connection with brands, the county clerk reminded farmers and ranchers that Saturday is the deadline for the re-registration of old brands. If the brands are not re-registered by that date, they may be claimed by any person desiring to use them.

Smaller Hotel Draws Favor Of Citizen Committee

Strickland Speaks To Rotary Club

Citing actual facts and figures, Chester O. Strickland, superintendent of the Hereford Public Schools, addressed the local Rotary Club Friday on the subject of the crowded conditions which hamper effective operation of Hereford schools today.

"According to qualified school building authorities, Central School offers facilities for 480 students, Strickland said. There are at present 810 students enrolled at the school.

Play ground facilities at Central will take care of 300 children—with crowding, Strickland stated pointing out that the building also suffers from the lack of any auditorium facilities and that as the result of this lack, many students finish Central School without ever having participated in any kind of public program.

"Naturally, the ventilation and lighting is inadequate," the speaker declared, describing small, dark basement rooms which have been called into use as class rooms although they (Continued on Page 12)

Soil Chemist Starts Business in Hereford

Nelson B. Armstrong, soil chemist from Seattle, Wash., this week rented the old Packing Milling Co. warehouse and is setting up facilities for running soil tests and for the storage and sale of fertilizers.

Armstrong was in Hereford in July, attracted by the publicity given to this community's low tooth decay rate. After conferences with numerous potato growers and other farmers here, he decided to return and open a business.

He is accompanied here by his 14-year-old son.

Polio Victim Sent to Dallas

Six-year-old Donald Waiser, son of Mr. and Mrs. Guy Waiser of Summerfield, was taken to a Dallas hospital yesterday to take Kenney treatments for infantile paralysis.

Donald was ill for three days early last week before polio was suspected, and his right arm and shoulder were paralyzed when he was taken to Northwest Texas Hospital in Amarillo. He was moved to Dallas in order to take advantage of better treatment facilities there.

The three other children in the family have showed no signs of the disease.

More Hereford Boys Trade Uniform For "Civies" During Past Week

It's back to civilian clothes for more Hereford men this week as discharges were placed on file by seven members of the U. S. Armed Forces.

Horace W. Balze, a staff sergeant at the time of his discharge on Sept. 15 at Ft. Bliss, enlisted in the Army on July 26, 1940 and served with a medical supply company in India from May, 1942 to November, 1944.

His decorations and citations include the Asiatic-Pacific Service Medal, American Defense Service Medal and the Good Conduct Medal.

James D. Dixon, staff sergeant in the Army Air Forces, received his discharge on Sept. 16 at Ft. Bliss after almost three years of service.

An airplane and engine mechanic, he took part in the air offensive of Europe in the Naples-Foggia, Rome-Arno, Normandy-Northern France and Southern France campaigns. He (Continued on Page 8)

Hereford's hotel program tottered, dropped 40 rooms, and finally settled on a sound foundation with a proposed building of 60 rooms, coffee shop, banquet hall and ground floor offices.

At least, such a building program seemed to be generally favored by a group of citizens who met in the county courtroom Tuesday evening to discuss plans for the proposed building. The finance committee, of which C. T. Guseman is chairman, indicated a program of this sort as the session opened. Committee members, including J. G. Evans, Jeff Gilbreath, J. A. Pitman, Geo. Brumley and Mr. Guseman, reported a general opinion among solicited persons that a 100-room hotel would be too large for this area.

Mr. Guseman stated that approximately 60 percent of the pledges were in and that they now totaled around \$50,000. (Continued on Page 12)

Carpenter Funeral Rites Held Tuesday

Funeral services for C. M. Carpenter, 40 years old, who died Sept. 23 following an illness of several weeks, were held here Tuesday morning at the E. B. Black Funeral Home with Rev. Marvin Boyd, pastor of the Methodist Church, officiating.

Born in Canada, Mr. Carpenter came to Hereford from Idaho in 1939 and had engaged in business here as a potato grower and processor.

Survivors are his wife and four children, Barbara, aged seven; Ann, 6; Gayle, 4, and Warren, 3.

Relatives of Mrs. Carpenter who attended the funeral services were her son, Dean Patterson, her father, Orr McKee, and three brothers, of Twin Falls, Idaho.

No Action on Highway 51 Till Deeds Executed

Stating that indications point to early action on the paving of Highway 51 north to Vega—providing the necessary right-of-way easements can be secured—County Judge Fred W. Baird this week urged that property owners along the highway right-of-way come by his office and sign the needed papers immediately.

The State Highway Department is urging speed in the executing of all necessary deeds and easements, Judge Baird said, and failure on the part of property owners to take care of this matter will certainly cause delay in the letting of the contract and in the completion of the paving job.

Victory Campaign of National War Fund Starts October 1st

Volunteer workers will start Monday on the job of raising \$3,600 for the National War Fund in Deaf Smith County. The quota, states Urllin Streu, chairman of the committee, is the same as last year's and the need for funds is fully as great. Many men remain in uniform and services for the military forces and merchant marine will continue to be financed by the War Fund. In addition to the USO, the War Fund supports many other welfare services for military personnel; and doubly important this year are the various humanitarian services to war victims in foreign countries.

According to Gov. Coke R. Stevenson's announcement of the national war fund's victory campaign, the coming six months will settle for the lib-

erated victims of the war the grim question of sheer survival and will also largely shape the kind of peace and the kind of world with which we shall have to live.

For this reason, the governor and other war fund leaders are anticipating that Texans, who have led in the patriotic response to all war calls, will also accept their responsibilities in time of peace.

The local campaign will be handled in the same manner as last year, Mr. Streu says. Volunteer workers will handle the roll call in Hereford and in the rural districts, and in addition the chairman is expecting a large number of persons to volunteer their gifts without the necessity of any request from committee workers.

OCTOBER 1, 1925

The scarcity of labor with which to harvest the enormous feed crops and to pick cotton has been giving local farmers grave concern of late.

E. H. Blood, land and cattle commission man, as well as a property owner in this county, has been busy for some time working up a project to drill for oil in the vicinity of Garcia Lake, situated about 30 miles west of Hereford.

The following expect to leave Hereford Sunday to attend the National Convention of Christian churches to be held at Oklahoma City, Rev. and Mrs. Thurman Morgan, Mr. and Mrs. C. H. There were 84 in Sunday School Sunday. Rev. Allen filled his regular appointment and was dinner guest in the W. C. Towns home.

There will be a social at the school house Friday night welcoming home boys just returned from overseas. Those honored are: George and J. P. Jones, sons of Mr. and Mrs. A. T. Jones; James Dixon, son of Mr. and Mrs. J. M. Dixon; Johnny Jones; and Harold and J. B. Harlin, sons of Mr. and Mrs. J. B. Harlin of Hereford, formerly of this community. Everyone is asked to bring sandwiches and cookies and also card tables and dominoes.

Mr. and Mrs. W. C. Lowry received a telegram from their son, Pvt. Earl Lowry, saying he had arrived at Camp Miles Standish, Mass., Sept. 15, and will get a furlough soon.

Mrs. H. D. Robbins has been on the sick list this week. Mr. and Mrs. Lin Henson of San Antonio and Mr. and Mrs. E. C. Bush of Dalhart spent Tuesday and Wednesday with Mr. and Mrs. H. E. Lindley. Mrs. Bush is Mrs. Lindley's sister and Mr. Henson is their cousin.

The community extends sympathy to Mrs. W. A. Springer in the loss of her stepfather, Mr. Samms, of Lockney. Funeral services were held Thursday.

Mr. and Mrs. Sam Anderson and family spent several days last week visiting relatives at Event, Tex.

Mr. and Mrs. Henry Andrews and daughter were Lubbock visitors Tuesday.

Mr. and Mrs. Lester Simms and family plan to move Thursday to Taos, N. M. We regret losing them from our community but wish them much happiness in their new home.

J. H. and J. C. Simpson; and Misses Vera Dell and Frances Andrews and Miss Genelle Benson were Sunday dinner guests of Mr. and Mrs. R. L. Simpson and Nellie Joe.

Mr. and Mrs. Raymond Mobley of Dimmitt visited Sunday with Mrs. H. M. Mobley and family.

Mr. and Mrs. H. E. Lindley were in Amarillo Saturday.

Calliopian Club Starts New Year

Calliopian Club members started a new year of study and social activities Thursday night at a buffet supper given at the home of Mrs. Clyde Cave. Arrangements were in the hands of the social committee which included Mrs. W. C. Pitman, Mrs. Cave and Mrs. Elizabeth Womble. Seasonal flowers were used in decorations.

After the supper a short business session was held and Mrs. Richard Barnard was welcomed

as a new member. The next meeting will be held in the home of Mrs. Jack Gilliland at 8 o'clock. Those attending were Mesdames Jimmie Gillentine, W. C. Pitman, Alton Fraser, Elizabeth Womble, Morgan Kane, Richard Barnard, Wayne Evans, J. E. Kirby, Jack Gilliland, Clyde Cave and Misses Eloyse Pitman, Kathryn Davies and Mary Kate Brotherton.

Music Club Opens Year at Luncheon

"Music of America and her Allies" will form the course of study for the Music Study Club the coming year. Outlines for programs were discussed at the annual fall luncheon held by the club Monday at the home of Mrs. H. K. Fox.

A bouquet of wine-red dahlias centered the luncheon table and flat arrangements of pink gladioli centered quartet tables.

Mrs. T. W. Roberson, immediate past-president, introduced the new president, Mrs. J. R. Allison, and listed accomplishments of the past year. Mrs. Allison spoke briefly of the aims and objectives of the club for the coming year. The time of

meeting was changed from 3:30 to 3:00 o'clock. Mrs. C. C. Acker, printing chairman; Mrs. R. P. Conaway, year book chairman and Mrs. H. L. Broadwell, program chairman, presented the new year books.

A short choral practice concluded the meeting with Mrs. Norman Harris directing and Mrs. J. C. McCracken accompanist.

Those attending were Mesdames C. C. Acker, J. R. Allison, H. L. Broadwell, W. T. Carmichael, R. P. Conaway, Ellis Combs, W. E. Dameron, C. H. Dyar, C. C. Ferguson, Jeff Gillbreath, Norman Harris, J. Thompson, Miss Mattie Mae Swisher and the hostess, Mrs. Harris of Norman Oklahoma was a guest.

BRIDGE LUNCHEON ENTERTAINS CLUB

Mrs. H. K. Fox was hostess with a bridge luncheon at her home on Wednesday last week for members of the Wednesday Luncheon Club. Two tables of guests enjoyed the party.

Red roses provided colorful decorations and contract games were played after the luncheon. Mrs. J. A. Pitman made high score and Mrs. J. C. McCracken second high. Mrs. Seth B. Holman was a guest of the club.

Other players were Mesdames C. C. Acker, Jimmie Gillentine, W. L. Davis, Alton Fraser and the hostess.

Mrs. John Renfro returned Tuesday from San Diego, Calif., where she has spent the past month with her daughter, Mrs. Otho Noland, whose husband is on sea duty with the Navy. She also visited with other relatives while in California.

CAMP FIRE GUARDIANS MET THURSDAY NIGHT

Members of the Camp Fire guardian's group met Thursday night at the home of Mrs. Bob Wilson to hear reports on Camp Fire activity and to make plans for the coming visit of Claire Barricks, national associate field secretary.

New members attending the

meeting were Mrs. Ray Johnson, who is the new sponsor of the teen-age Horizon Club, and Miss Charlotte Word, assistant guardian of Weocantewaste group.

Leave For School
Mr. and Mrs. J. Wallace Robinson accompanied their son, J. W. to Bryan Friday where he has entered Texas A & M College. Billy London who will also attend A & M College made the trip with them. Mr. and Mrs.

Robinson will visit their daughter, Betty Jane, who is a student nurse at the Texas University School of Nursing in Galveston, before returning home.

Capt. Bill Phillips left today for Newark, N. J., where he is stationed with the Air Transport Command, after spending a furlough here with his parents, Mr. and Mrs. Wirt Phillips. He was accompanied by Georgi- anne Miller of Beaumont who

will study art in New York this winter. Enroute they will visit relatives in Kentucky, Ohio and New York.

Mr. and Mrs. Leonard Hicks and two daughters of Houston are visiting her parents, Mr. and Mrs. R. R. Jackson. Mrs. Hicks is the former Miss Edith Jackson.

THIS WEEK... AT THE USO

Shell craft is really making headlines at the U. S. O. Some of the service men decided to try their hands at this extra-special art. To begin on they selected a set of ear screws with pin to match. Lucky girlfriend, mother or wife, that gets to wear these.

New shells and pins have arrived, so we anticipate many new and attractive designs to be made.

We are always glad when Miss Kathryn Easter comes on as hostess because she straightens up the magazine rack. When she has completed this task, really the reading materials look inviting.

This last week the local USO has really been a "Home-away from Home" for many of the men stationed at Amarillo Army Air Base. It is a pleasure to have them, and many are football fans, and backer-uppers for our own Whiteface team. Often they stay over night and if any one would like to have them share their spare bed-room, please call 79. This would be an extra special courtesy.

Cpl. Meacham left for Virginia last Wednesday, he is going on official business. We hope his return trip will have a better beginning, than his start from here. In his haste to get off, he left his bill-fold on his cot. This was later brought in to friend wife, by the bus driver, so now she has TAKEN OVER.

Goldie Wilver, teacher of shell craft, and her husband returned last week from their furlough. They were accompanied home by her sister and husband. We extend a hearty welcome to each of them.

Pfc. Henderson who has been confined to the hospital for over a month, came in for a visit. We are glad to have him back, and trust soon he will be strong and well. From the looks of his adorable daughter, and charming wife, in the kodak snap-shots he showed us, he truly has grand incentive to HURRY and get well.

Thursday morning the officer's wives came down to chat, crochet and make shell craft items. One of the ladies was displaying an adorable, cuddly rag-doll, which she had made. If she would have only agreed she could have taken any number of orders, as all present wanted a "rag-doll."

The luncheon for the servicemen's wives was well attended on Tuesday. They are continuing to make interesting and pretty articles in shell craft.

Cheer and beauty was added to our rooms, by the colorful flowers brought in by Mrs. Lan

Shore and Mrs. C. R. Smith. Many of the service men are being made happy, by the GO sign from Uncle Sam, to return to civilian life. A number have left this week with discharges. We rejoice with them, and wish for them a happy and useful civilian life. Others—WAIT and WISH.

The war's end will not lessen the task of USO, according to USO President Kimball, but will merely bring about a new emphasis, that must be stressed with full energy by USO workers and volunteers.

"The extent and mobility of USO operation will be guided as in the past by the plans of the Army and Navy," said Dr. Kimball recently. "There remains a vast task to be done. It is my earnest hope that the USO through its leadership and its great army of volunteer workers will make a major contribution to the lasting peace of the world by continuing to give every possible aid in the transition from war."

We join President Kimball in his hope and say frankly that we are depending on Hereford people to go the FULL-MILE. The "Home-Away from Home," here cannot be carried on without you.

The first week has been pleasant and already we find our interest deepening, and within our hearts a real desire to be the kind of Hostess-secretary you will be proud of. To follow Mrs. Olson is no easy task. Constructive, helpful criticism and counsel, will be appreciated.

Luncheon Opens Bay View Season

Bay View Club opened its season of study and social activities with a luncheon held at the home of Mrs. Lee Benefield Thursday. A Victory-Day theme was carried out in decorations with red white and blue flower arrangements used throughout the house. The table, from which the luncheon was served, was centered with a large flat crystal container holding huge dahlias in the patriotic colors and white tapers. Small tables for four were centered with tiny blossoms in

Reed-Laird Vows Sept. 16, Announced

Announcement has been made of the marriage of Miss Wanda Jean Reed, daughter of Mr. and Mrs. H. D. Reed formerly of Hereford and now of Amarillo, to Thomas V. Laird, Jr., on Sunday morning, Sept. 16. The marriage was read at the home of the bride's parents with Dr. Neal Cannon performing the double ring ceremony.

An altar arrangement before the fireplace provided the background for the service with white gladioli and huckleberry garland effects flanked by white tapers in floor candleabra. Mrs. Virginia Griffith lighted the tapers.

Preceding the ceremony Mrs. A. D. Smith, aunt of the bride, sang "Because" and "Always" an Mrs. A. C. Thompson, violinist, played "I Love You Truly" during the ceremony.

Attending the couple were Mrs. Darrell Staggers, sister of the bride, wearing a dress of green faille with pink gladioli corsage, and A. D. Smith, who served as best man.

The bride, who was given in marriage by her father, wore a gold colored woolen dress with royal blue and gold sequin trim. She carried a white Bible topped with a single gardenia and wore a corsage of tallman roses.

Following the wedding a reception was held with table decorations carrying out a white theme. A tiered cake was topped with miniature bridal couple. Mrs. H. D. Gill and Miss Ann Cockrell served the cake and Mrs. Grace Garrett was in charge of the silver coffee service. Miss Marjorie Lafferty was at the guest book.

After a short wedding trip those colors arranged in appropriate containers.

Arranging the appointments for the affair were Mesdames D. H. Alexander, Howard Gault, C. F. Moore, Ray Barber, Marvin Boyd and Paul Mathers.

After the luncheon greetings from the president were in order, and Mrs. Paul Mathers, chairman of the year book committee, gave a preview of the work for the year as outlined in new year books. The new year books were presented and three new members were welcomed. They were Mrs. G. G. Heard, Mrs. Herman Ford and Mrs. Phillip Barkley. Three special guests attended the luncheon including Mrs. Chester Strickland, recently moved to Hereford; Mrs. John Olson, a former member who is moving soon to Waco; and Mrs. Irene Ballard who is spending the winter here with her brother, Jim Perrin.

Others attending were Mesdames Bob Wilson, J. W. Spradley, D. H. Alexander, Ray Barber, H. G. Conkright, M. L. Boyd, Essie Cardwell, T. M. Dameron, Howard Gault, E. W. Harrison, J. W. Kirby, Paul Mathers, John McLean, C. F. Moore, G. A. E. Rogers, F. T. Rolosen, J. H. Sears, J. P. Slaton and the hostess.

the couple will be at home in Clovis, N. M., where he is now stationed. For traveling the bride wore a brown woolen suit with yellow accessories.

Mrs. Laird graduated from Hereford High School and St. Anthony's Nursing School. At the time of her marriage she was employed in the offices of Dr. A. J. Streit.

The bridegroom has recently returned from two years overseas duty with the U. S. Army.

Guests from Hereford at the wedding included Mr. and Mrs. Geo. G. Heard and two children, Mrs. A. C. Thompson, Miss Lucy Reed, Mrs. Virginia Griffith and Miss Ann Cockrell.

Former Hereford Girl Marries in Oklahoma

Miss Genece Standifer, daughter of Mrs. E. E. Standifer of Amarillo, became the bride of Mr. Edward D. Black of Oklahoma City in a ceremony performed Saturday evening, Sept. 8, in the parlor of the Trinity Baptist Church in Oklahoma City.

Dr. I. L. Yearby, pastor, performed the single ring ceremony in the presence of a number of friends and relatives.

Preceding the exchange of vows, Mr. Walton Prince sang "Because" and "At Dawning," accompanied at the piano by Mrs. Louise Hulme, who also played the traditional wedding marches.

Mrs. V. L. Prince lighted the candles.

Mrs. Aline Scott, sister of the bridegroom, was matron of honor. She wore a pale pink dress with taffeta bodice and bouffant net skirt and her bouquet was of purple asters.

The bride wore a gown of ivory slipper satin with full skirt gathered onto a fitted bodice with a sweetheart neckline. The sleeves were long and ex-

tended in points over the hands. The bridal veil of illusion was finger-tip length.

Her jewelry was a single strand of pearls and she carried a white prayer book topped with white roses.

Mr. John A. Scott, brother-in-law of the bridegroom, served as best man.

Mrs. Black is a graduate of Hereford High School and for the past two and one-half years has been doing secretarial work at the Douglas Aircraft Co. in Oklahoma City.

Mr. Black, son of Mr. and Mrs. S. T. Black of Oklahoma City, graduated from Capitol Hill High School in his home city and is now employed by the Greenleaf Moore Chevrolet Co. there.

The couple is at home at 2819 S. W. Oille Street, Oklahoma City.

SPECIAL DOUBLE-DUTY NOSE DROPS
Works Where Most Colds Start!
When a head cold strikes, put a little Va-tro-nol in each nostril. It's a specialized medication that—
✓ **Quickly Relieves** sneezy, sniffly, stuffy distress of head colds. Makes breathing easier.
✓ **Helps Prevent** many colds from developing if used at the first warning sniffle or sneeze.
So keep Va-tro-nol handy—and use it the instant it is needed. Follow directions in the package.
VICKS VA-TRO-NOL

To my friends, THE POTATO GROWERS ... in this area:

A word of appreciation to you who have made it possible for me to ship some eighty cars this season. While we realize that in volume this is no record, we plan that another season will find us with an organization capable of handling real volume on a profitable basis for you.

We are booking seed potatoes now and also fertilizer. Ask us about your needs.

We now have some eight or nine tracts of spud land available for next year's crop, including four tracts of from 100 to 150 acres each, with two good wells on each tract.

The best ones will lease first and probably all will be signed up within 30 days.

Hereford Racks Up Second Win With 19-0 Panhandle Victory

Using a modified T-formation which kept their opponents baffled, the Hereford Whitefaces racked up their second victory of the season Friday night—a 19-0 win over a fighting crew of Panhandle Panthers.

In the dying minutes of the first quarter Hereford took a Panhandle punt and returned to the 30 yard line and two line smashes-netted a 25 yard gain with nice running by Worrell and Davis and neat blocking by the Hereford line. Held on first down, Fred Close went over for the touchdown but Davis' kick was off the mark.

A see-saw battle, with Hereford holding a big edge on first downs, took up the second quarter and the next Whiteface score came early in the third. After receiving the kickoff, the Whitefaces fumbled out of bounds on the 30, then turned their predicament into a break when a fake play took them to the Panther 44 yard line, and the charging Hereford backfield followed up their long run by another first down. Held twice, the Whitefaces were off again when J. B. Sowell snagged a long pass and put the ball on the Panther ten, where the Herd was held for two downs and an offside penalty cost the Cats half the distance to their goal posts. Bishop made the score on the next try and the Hereford try for extra point was no good.

The final score provided a movie "thriller" finish when Bob Davis intercepted a Panhandle pass and raced 70 yards down the field to pay dirt. His kick was good to bring the Hereford score to 19-0 as the gun sounded.

In addition to their successful scoring attempts, the Whitefaces made two other serious threats during the game. A fumble accounted for one touchdown loss and failure to connect on a pass deep in Panhandle territory lost the other score.

The Panthers, who kept in the fight till the last minute, were sparked by a fast and shifty back, Marvel, who lived up to his name as far as ball-toting ability was concerned.

Despite a few butterfingering tactics the Hereford game generally showed polish and the Hereford line was carrying out assignments with precision. Only three substitutes were used by the Whitefaces during the game. Whitaker started in the backfield for Worrell, who came in later to play most of the game. Other substitutions were Simmons and Williams, tackles, and Rogers, guard.

Whiteface regulars were Lueb, LE; Oakes, LT; Orr, LG; Dyer, C; Easley, RG; Hagar, RT; Sowell, RE; Bishop, Q; Davis, LH; Close, RH; and Worrell, F.

Miss Stambaugh Weds S-Sgt. Hanna

Vows recited at 10 o'clock Monday morning Sept. 17, united Miss Troyce Stambaugh of Hereford and S-Sgt. Grant Hanna of Norfolk, Neb. The wedding took place here at the Presbyterian Church with the Rev. Marvin Boyd, pastor of the Methodist Church, officiating.

The vows were read before the altar where the decorative arrangement combined white gladioli and asters and greenery. Candles in branched holders completed the setting.

"I Love You Truly," "Always" and "Because" were played by Miss Thelma McMinn as a prelude to the ceremony. The bridal party entered the church as Miss McMinn played the traditional march from Wagner's "Lohengrin."

Mrs. Walter London, Jr., was matron of honor. She was dressed in powder blue crepe with gardenia corsage. S-Sgt. Bill Phipps was best man.

The bride wore a white woolen dress with brown belt and brown accessories. She wore a single orchid as a shoulder bouquet and her something old was a gold bracelet belonging to her maternal grandmother. An aunt's wedding handkerchief was her something borrowed.

Mrs. Hanna is the daughter of Mr. and Mrs. T. D. Stambaugh. She is a graduate of Hereford High School and attended W. T. S. C. Canyon. For the past three years she has been employed at the Kinsey Motor Company. S-Sgt. Hanna, son of Mrs. John Hanna of Norfolk, Neb., graduated from the Pelger, Nebr., High School and at the time he enlisted he was employed with the Standard Oil Company in Detroit, Mich. He has been in army service for the past four years and spent nine months in overseas duty.

After a short furlough here he will report to Camp Sibert, Ala.

Close friends and relatives attended the wedding and the only out-of-town guest was Mrs. R. E. Risinger of Ancho, N. M.

Miss Davies Takes Job in Canyon

Miss Kathryn Davies, for several years teacher of home economics in Hereford High School, left last week for Canyon, where she will be head of the home economics department in Canyon High School.

In addition to classroom teaching, Miss Davies' new position entails duties as teacher trainer and supervisor of the practice teaching of home economics majors from West Texas State College.

Mrs. Sam Hoch, formerly science teacher at Hereford High, has taken over the home economics department and efforts are now being made to hire another science teacher.

and always looks forward to the future."

During the business session the regular meeting time was changed from 3:30 to 3 o'clock. The next meeting will be held with Mrs. Leo Forrest on Oct. 9.

Those present were Mesdames R. G. Blue, Roger Corbett, Leo Forrest, W. S. Fluit, Jack Grady, Jim Higgins, C. D. Kelton, Joe Kendal, Louise LeGrand, S. B. McLallen, Forrest Mointon, Coy Phillips, Earl Phillips, Buren Sowell, Owen Stagner, Robert Thompson, Ed Warren, Lawrence Womble and the hostesses.

PIONEER CLUB MEETS WITH MRS. GILLILLAND

Members of the Pioneer Club were entertained at the home of Mrs. P. H. Gilliland Tuesday afternoon. Mrs. Al Werner was co-hostess. The meeting was opened with Mrs. Gilliland, president, presiding. After a business session a program was presented by Mrs. George Benson and Mrs. Bob Higgins on the

topic "The True American." Mrs. Benson traced the history of the American Indian in a talk on "The American Indian and Government" and Mrs. Higgins, speaking on Immigration, said "Mankind is concerned fundamentally with land, capital and people. When a nation is so fortunate as to have rich, natural resources, abundant capital and energetic people, a higher standard of living and a more progressive civilization is found and it is natural that the people of such a nation are viewed with envious eyes by people less fortunate."

Those present were Mesdames Geo. Benson, N. E. Gass, J. M. Gilliland, Bob Higgins, E. S. Ireland, Ray Johnson, B. E. Robertson, F. L. Terrell, R. A. Tynes and the hostesses.

Presbyterian Women Honor Mr. & Mrs. Olson At Luncheon Monday

The Woman's Auxiliary of the Presbyterian Church honored Mr. and Mrs. John Olson who are moving soon to Waco, with a covered dish luncheon held at the home of Mr. and Mrs. Henry

Hastings Monday.

The table from which the luncheon was served was centered with an arrangement of red roses and small tables were laid with white linen. A lovely coffee table was presented to the couple as a gift from the organization.

Those attending were Mesdames J. E. Gyles, W. A. Hunter, F. P. Potter, I. O. Crosthwait, Fred Barrett, Lee Conklin, Arch Conklin, Paul Mathers, Will S. Kerr, E. S. Ireland, Frank Gyles, J. T. Gilbreath, Jr., James Alken, Behrens, Arthur Rogers, D. H. Alexander, Vern Witherpoon, Otto Olson, Mary Bodkin, Henry Hastings and Mr. and Mrs. Olson and Mr. Hastings.

Family Enjoys First Reunion in 5 Years

Present were Mr. and Mrs. Joe Benson and daughter of Dim-

Summerfield Club Has Study Meet

First meeting of the year for Summerfield Study Club was held at the home of Mrs. Mack Noland Thursday afternoon. Mrs. Ray Johnson was program director of the Time Bureau Club program built around the study course for the year, "Meeting Today's Problems."

Quoting from the book, "The Japanese Nation," by Dr. John Flinbree, she gave the following opinion: "The American people know very little about the Japanese people. The difference in their cultural background, history and religion tend to make them incomprehensible to one another. What is required in the United States

is a real knowledge and understanding of Japanese government, religion and national behavior."

Mrs. Britt Clark told of "Our Ally China," pointing out that "for the past century, divided China has been a power vacuum into which the nations rush toward conflict."

Mrs. L. L. Cannon conducted a parliamentary drill on "Do's and Don't's."

Members of the club present were Mesdames Walk Boston, L. L. Cannon, Britt Clark, Jim Clark, Lee Curry, Ray Johnson, L. B. Lookingbill, L. H. Lookingbill, Ky Lawrence, Chas. Noland, J. B. Noland, Mack Noland, E. Roberson, O. B. Sumner, L. P. Shaw and C. R. Walser.

Guests in the home of Mr. and Mrs. Ernest Wade this week are Mrs. Wade's brother, Cpl. Bill Avent, and Miss Lanella Fink, both of Tulla.

Mr. and Mrs. Elmer Baker of Hobbs, N. M., were guests of Mr. and Mrs. Wm. McGehee Tuesday.

Mr. and Mrs. E. H. Norton are in Temple where he is a patient at Scott-White Hospital.

Dekonya Camp Fire Group Holds Candle-Light Service

Dakonya Camp Fire Girls held a candlelighting ceremony at the Methodist Church Thursday afternoon. Nine members passing the Trail Seekers rank included Patsy Wiltshire, Barbara Ann Smith, Alberta Higgins, Rea Malone, June Marie Franklin, Joyce Harlow, Geraldine Patterson and Dolores Wester. Honor beads were also presented.

After the program a social hour was arranged by Mrs. Leo Forrest, Mrs. Forrest Minton and Mrs. Ed Warren, sponsors of the group.

The refreshment table was laid with a hand-drawn linen cloth. Mrs. Warren served punch from a crystal bowl which was encircled with red and white blossoms. Rea Malone assisted with the serving.

Guests present were Mesdames W. J. Harlow, Smith, Lawrence, Franklin, Conklin, Potter and Isbell.

Mrs. Newman Is Hostess

An interesting program on "Why are We Americans Different?" featured the Lone Star Study Club meeting at the home of Mrs. Guy Newsom Tuesday afternoon. Mrs. John Jacobsen, Jr., was cohostess.

Mrs. Jim Higgins who was in charge of the program, gave the discussion and listed reasons difference in the American way of living. She told of the many racial groups that make up the nation and stated that "America is the friendliest nation on earth." In conclusion she said "America thinks little of the past, very little of the present

Former Hereford Girl Marries In Georgia

Announcements of the marriage of a former Hereford girl have been received here. The marriage of Miss Virginia Ann Dillehay, daughter of Mr. and Mrs. Claude H. Dillehay of Vernon, and 1st Lt. Richard R. DeLong, son of Mr. and Mrs. Joseph J. DeLong of Cicero, Ill. took place on Sept. 10, in Thomasville, Ga., with Dr. P. M. Webb, Methodist minister, officiating. Mrs. Helen Boland of Oakland, Calif., attended the bride as matron of honor, wearing a powder blue net gown and carrying a bouquet of blue asters and tube roses. Capt. Jerry Boland served as best man.
 The bride wore a gown of bridal satin fashioned with high neck line and yoke of marquisette with seed pearl trim, a fitted bodice and long fitted sleeves. Her fingertip veil of illusion was held in place by a coronet of seed pearls. She carried a white prayer book, a gift of her parents, topped with a white orchid, showered with bow-knotted satin ribbon streamers intermingled with stephanotis and tube roses.
 Following the wedding a reception was held at the Officers Club, after which the couple left on a short wedding trip. For traveling the bride wore a birch wool suit with black accessories. The couple will be at home in Thomasville, Ga. where Lieutenant DeLong is stationed.
 Mrs. DeLong was born in Hereford and moved to Vernon with her family in 1938. She is a graduate of Vernon High School and attended N. T. S. T. C. Denton and the University of Texas. At the time of her marriage she was employed at the Austin American-Statesman.

TO ALL OUR FRIENDS IN HEREFORD AND VICINITY:

In leaving Hereford, we look back over the past seventeen years and realize that this community has given us much to be thankful for. Our children have received the benefits of Hereford's splendid school system. The churches of Hereford have had a great influence for good, an influence not to be measured in dollars and cents, but of far greater value than mere money. We have had occasion to make use of the Deaf Smith County Hospital and were glad such an institution was so close at hand. Merchants and operators of service establishments, farmers, doctors, dentists, and lawyers, all have rendered us personal service of a kind and degree that we shall always remember and cherish.

But Hereford and the surrounding territory has a spirit that makes it distinctive. That is the spirit of friendliness. It was very apparent to us when we came here seventeen years ago. That spirit has been demonstrated to us in so many heart-warming ways since we've been here that we shall always remember the friendly people of this community.

During the past four years, we have operated the Texaco Service Station at the corner of Miles Street on Highway 60. No one in business has ever had finer customers and hated more to give them up than we did. We thank you all for your friendship and patronage. Mr. and Mrs. Deward B. Roberson have purchased that property and plan to expand the business in such a way as to be able to give you more service than we were able to do. We feel sure that they will get the same pleasure in serving you that we did.

Next time you're down in Waco, look us up.

Sincerely,
 Mr. and Mrs. John H. Olson.

Home Improvement, Food Production Stressed by Local Farm Families

Food production and home improvement projects are regularly being carried out by Deaf Smith County farm families, it was stated this week by Miss Sadie Lee Oliver, CHDA, in an outline of recent achievements in rural communities.

Because of hot, dry weather during most of the summer, tomato production slumped in many gardens, Miss Oliver said. But not at the W. A. Springer farm in Frío Community.

Mrs. Springer canned five and one-half bushels of tomatoes (Bison and Earilana varieties) and in addition had plenty of tomatoes for eating, both for her own family and for relatives and neighbors. The tomatoes and other vegetables at the Springer place were irrigated in the field.

The Springers especially liked a small-cob, Hybrid variety of corn which they grew for the first time this summer; and a successful production of large blackeyed peas is reported.

All the vegetables were grown on land used last year in the production of alfalfa; and this enriched soil produced record yields.

Mrs. C. F. Rickels of Bippus is bringing to completion home improvements which include a new roof, new wallpaper and the piping of water into the house.

Mr. and Mrs. Bill Rice of Wyche are installing a 4,200 gallon upright tank and are putting a new bathroom in their home.

Home improvement, says Miss Oliver, is being stressed in home demonstration club work this year; and projects will increase as more building materials are released.

Streu's Diary

DEAR DIARY:

Here it is the last of September—what with football season in full swing—the world series coming up, and a bit of a nip in the air every morning.

I am surely relieved to know that for the forthcoming "Victory Drive" for the United War Fund is to be the last. I get tired of soliciting people for money—even though the cause is one of the best.

Getting down to business, we have been planning a lot on some changes in the store, and have gotten some things changed—but business has been so good that we have had little time for changes—but we like it!!

Guess what—we just received 12 dozen pieces of Vogue White Enamel Ware—it is good stuff, and the largest shipment we've had in years. Ladies better get in and pick their pieces because they won't last long.

Have several of those hard-to-get "A-B" battery packs—not many to be had as yet.

Coming in soon—8 and 12-oz. tumblers—mirrors—gas ranges—Two 52-Piece Sets of Dishes—photo frames, albums and new plaques—a large shipment of new oven ware—more Chadwick China—and lots of other gift and utility items.

We have just signed a dealer agreement on the famous Morton line of steel cabinets and cabinet sinks—these are the most convenient and beautiful cabinets we have seen. They will be on the market shortly after the first of the year. However, we have pictures to show anyone who is interested.

We have been working on a system for financing appliances, and have been fortunate in securing the Redisco system. While we do not have the full particulars, we believe this plan to be one of the best offered, and will be in a position to finance appliances, where financing is needed.

Hereford surely does need some new schools!!!

What is Peace!

PEACE is more than the absence of war. Peace is friendly handclasp, small talk on a front porch, friends in for dinner.

Peace is a birthday party, a Christmas tree, an Easter service in a white church. Peace is people helping instead of hurting one another, trusting instead of suspecting, tolerating instead of hating.

Peace is meeting on equal terms. It's honoring a man for what he is instead of defaming him for what he isn't.

This is peace. And until we have all this, we won't have

peace — the feeling in our hearts that all is right once more.

Right now, we can make a good start towards this goal. For, right now, in our County War Chest campaign, we have the chance to help our neighbor. To help him regardless of who he is or how he worships. To act together in mutual trust and confidence.

And this is democracy in its finest expression. This is part of all we are fighting for. This is what you help to bring about when you contribute to the local War Chest. Make your contribution today—and make it as big as your heart!

Helps Remove Prisoners

From Northern Japan
L. H. Lookingbill, Jr., has been on duty on a Navy transport, engaged in removing American prisoners from camps in the northern part of Japan.

Arrives from Pacific

J. P. Jones, MM 1-c, arrived last week to spend a 30-day leave here with his parents, Mr. and Mrs. A. T. Jones of Frio. J. P. has been on duty in the South Pacific for the past 25 months and will report to Dallas on Oct. 17 for further assignment.

His brother, Lt. George Jones arrived last Tuesday night from Miami Beach, Fla., to visit with his brother, whom he had not seen in three years. Lieutenant Jones will report to San Antonio on Sept. 30. The family had a reunion on Sunday, Sept. 23.

Advice on Christmas Packages—From Expert

Lloyd Manjeot, S 1-c, who is working at the fleet post office in San Francisco, writes that he is now handling Christmas packages destined for Navy personnel in the Pacific.

It's nice work, says Lloyd, because all the time he handles the parcels he can think of how happy some boy will be when he gets his Christmas presents. However, there is one drawback, Lloyd points out, and that is the high percentage of poorly packed parcels which will never reach their destination; or if they do, will be so badly damaged that the contents will be a poor excuse for a "Merry Christmas."

Writing to his mother, Mrs. A. L. Manjeot, Lloyd advised that she send her overseas packages in a light wooden box—expensive packing, but much more likely to get to its destination in good shape.

Manjeot has had one meeting with Gwynne Owen, who is stationed at Albany, Calif., and they plan to spend their next liberty on a visit to Mrs. George Cameron (the former Miss Kitty Kloe Harlin) in San Francisco.

On Okinawa

George Olson, stationed with the Navy on Okinawa, reports that members of his outfit have been living in tents. But not for long, as the Seabees have moved in to construct barracks, and George says his experience with

this outfit has taught him that they really "get the job done."

In Canal Zone

H. W. Nelson, S. F. 2-c, has been catching up on hometown news since receiving four Hereford Brands in one day after his recent arrival at Balboa, Panama.

"We just got through turning my ship on its side to bring it through the Panama Canal. She was too big to go through the canal like she was," writes Nelson, adding that he expects to remain at his present station for about a month, dry-docking some Navy tankers at Balboa.

Reports to Hot Springs

Wearing the Purple Heart and the Bronze Star, Pvt. Aubyn E. Hodges, Hereford, has reported to the Army Ground and Service Forces Redistribution Station, Hot Springs, Ark.

Pvt. Hodges, who saw action in Germany during his six months of service in Europe, was at home on a 30-day furlough before reporting to the Redistribution Station. His wife accompanied him to Hot Springs.

THE HONEST OIL—FROM DEEP IN THE HEART OF OKLAHOMA!

No sir, a quart of oil won't make your car young again. But the right quart of oil can keep it from running hot, smoky, and expensive.

What's the right oil? Well, we don't like to boast, but we'll bet you all the tea in China that there isn't a better, more natural oil than Phillips 66!

You see, we're just smart enough to know a good thing when we see it—and just wise enough to leave it alone! We

take that wonderful Phillips 66 from deep down in the earth... give it that special Phillips refining... and bring it to you with all its God-given lubricating qualities unimpaired!

Why not have a smooth, sweet-running "cool-as-a-cucumber" engine? Stop where you see the Orange-and-Black "66" sign and treat your car to a quart. You won't find a more honest, natural lubricating oil in America!

"Hurry, Beth... let's see the NEW QUALITY OF LIVING that makes your house cozy in winter ... cool in summer!"

"I just tick my finger," Beth explained when we got to her house, "and presto!—in winter, it's comfortably warm, humidified—whether it's cool or below zero out. Yes, we've a NEW QUALITY OF LIVING . . ."

"On hot summer days, it's never hot or steamy indoors. In fact, I hardly mind doing dishes! The house is cooled delightfully and has humidity taken out. Oh, we're lucky to have a Servel All-Year Gas Air Conditioner."

"Never a draft either. There's live clean air circulating gently, all the time. We all sleep better, too, because street noises are shut out. With our Servel All-Year Gas Air Conditioner, we needn't open windows. And . . ."

"See! No dust! Dirt and soot and even pollen (remember my hay fever?) are filtered out. Our Servel All-Year Gas Air Conditioner saves me hours of cleaning time—makes drapes and furniture last longer, too."

"This simple unit does it all," Beth told me. "We've had it four years and wouldn't be without it!" Was I envious? "Beth," I said, "soon's the war's over, I want to have Servel All-Year Gas Air Conditioning!"

Like Beth, the hundreds of home owners who installed Servel All-Year Gas Air Conditioners before the war are enthusiastic. After four years' use, they say, "We wouldn't be without it. It's wonderful!"

You can plan on it—post-war . . . Imagine! Blustery winters, blistering summers, you'll choose your own indoor climate with Servel All-Year Gas Air Conditioning. Come in and let us tell you more about it.

Mystery of Bike And Suitcase Has Solution

The clue of a letter found in a suitcase has resulted in the solution of the case of the missing bicycle and the suitcase full of women's clothes found in Hereford a couple of weeks ago, Sheriff J. O. Newell reported Friday.

Writing to the woman whose address appeared on the letter, Sheriff Newell first received a wire from another woman in Michigan, informing him that the clothes in the suitcase were hers. After sending further details on the happenings in Hereford, the sheriff received a letter explaining the whole mystery.

The clothes, the woman wrote, were taken from home by her 15 year old son, who was injured in an automobile accident two years ago and who has been in hospitals most of the time since that date.

Dressed as a woman, the boy grew frightened of the driver of a car in which he had hitched a ride and jumped from the car, spending the night in a garage at the Owen Stagner place in Hereford, where he changed back into his own clothes.

His mother did not know of the bicycle episode until questioned by Sheriff Newell. The boy then stated that he left the bike at the roadside about 15 miles east of Hereford, and the Sheriff states that it still has not been found.

The Michigan woman said that her son wired for money the day after his adventures in Hereford and that he is now back with his family.

Row Crop Short But Better Than First Anticipated

Stating that Italian P. O. W. labor is being used extensively to shock row crops, County Agent A. R. Bateman said this week that the row crop in this county will be considerably better than was at first anticipated. Dry weather and late planting have prevented a big row crop in the area, Bateman said. Nevertheless, much of the crop will make grain providing frost does not come early.

The short-stemmed Martin and Bantam maize have generally been most successful, Bateman pointed out, adding that these varieties are less likely to fall when heavy heads develop.

Agricultural scientists are now trying to develop sturdier stalks in grain sorghums, Bateman stated, pointing out that a deeper root system is also an aim of current experiments in seed development.

Smaller Hotel

(Continued from Page 1)

Committee members still indicated a belief that the project could be financed without hardship on any person or persons.

Jas W. Witherspoon and Troy Womble made talks stressing the importance of not having a hotel too large. Witherspoon asked the committee to make surveys of hotels and hotel experiences in towns the size of this community. He cited the De Soto Hotel in Dalhart as an ideal situation. Womble urged the addition of rooms to the present Texas Hotel as an answer to the needs of this community.

Plans for an eight-story, 100-room hotel were displayed by a Kansas City contractor, along with sketches of the proposed building.

W. S. Eakin, associate in operation of the Herring Hotel in Amarillo, attended the meeting and assured the group that no trouble would be found in locating an operator. He recommended that the operator lease the building on a percentage basis and that furnishings be provided by the operator. Mr. Eakin also favored the 60-room hotel idea, but indicated that an operator might be difficult for a smaller hotel.

"If the operator has \$20,000 to \$30,000 in furnishings, he will naturally spend more time in management and protection of the furnishings," Eakin said.

General observations of the group indicated that a widespread need is seen in this community for a first class hotel; that a hotel too large might hinder rather than help the community; that a good hotel would increase business in all lines; that a good hotel would tend to improve land prices, prices of commodities and result in a general increase of all types of business.

The meeting adjourned with future developments entirely in the hands of the above named committee. Future meetings and developments will be announced by the committee.

Strickland

were never designed for the purpose.

"At the high school," he continued, "crowding is not so bad, but there are deficiencies in our curriculum which need to be corrected. We do not offer such practical subjects as welding, vocational agriculture, auto mechanics, printing, radio, general shop work and many other vocational subjects which might prove valuable to many boys and girls attending the Hereford schools."

The speaker also pointed to another serious lack in the Hereford educational system: "For some 600 boys," he said, "We have only one athletic coach."

The lack of more athletic supervisors and the lack of a better vocational course, Strickland believes to be at least partly the cause of the lack of "holding power" in the local schools.

Thirty students, the superintendent said, withdrew from one high school class during the 1944-45 term.

Definite Health

(Continued from Page 1)

all times, pointing out that impurities may occur between tests—exactly as they occurred in Hereford recently.

Action on these recommendations will be up to the City Council, Mayor E. S. Ireland said.

"Hereford was unfortunate in

that it got extensive publicity in the recent water scare," Mr. Stanley said. "Similar situations have occurred in numerous towns over the state—and have gone unheard of and without alarm to the people, chlorine being added as a precautionary measure, which is the same procedure as was followed here."

Around Town

was the gift of Mrs. Wymore's daughter, Marjorie, a Marine stationed in Honolulu, and arrived in good shape by Air Mail, special delivery.

Mrs. Alex Thompson, who wore the novel necklace to the luncheon of the Music Study Club Monday, admits that she was the center of attraction.

Hereford's calf roping club is getting good at this cowboy business. Roping 20 calves last Sunday they lost to Bovina by just one and one-half seconds—and they hope to reverse the score when the Bovina team comes to Hereford this Sunday.

Mrs. Gordon Witherspoon does not want to have to get out and ring doorbells to insure a crowd, but she is serious in urging that all the members of the Senior Band Parents attend the meeting to be held next Thursday night, Oct. 4, at 8:30 o'clock at the high school.

W. P. Osburn, who recently sold his O. K. Rubber Weld business here, has bought a 14-unit tourist-court in Manitou, Colo., and expects to move within about ten days. The Osburns have sold their residence here to Mr. and Mrs. Jack Rose.

Regardless of opinions about the exact type of hotel which should be built, practically everyone is agreed that Hereford needs a hotel—and the fact was emphasized this week when the two hotel men who came here to meet with the citizens' committee Tuesday night had to return to Amarillo—to get hotel rooms. J. A. Stanley, district engineer with the State Health Department, finally got a room in a private home during his overnight stay in Hereford.

be contacted first, the financial committee also hopes to get a complete representation from among the farmers and professional men of the town; and it is not necessary to wait for a call by a member of the financial committee; pledge cards may be signed at the Chamber of Commerce office at any time.

When the drive is completed, the board plans to print a list of all members and the amount of their contribution to the pro-

gram for community betterment.

"We feel that this list will be a real Community Honor Roll," the directors state, "And citizens of the community are entitled to know which businesses and which individuals are helping in the Chamber of Commerce program."

Mrs. F. M. Kester is reported to be doing fine after an op-

eration performed at West Texas Hospital in Amarillo Monday morning.

Grade Shifts

sections and add another seventh-grade teacher.

By shifting three classes to the other building, Mr. Strickland explains, the situation at

Central will be sufficiently improved to allow the school to pass the minimum requirements of the Southern Association until some permanent improvements can be made.

The shift of the 8th Grade to High School has also provided the high school with a chorus director, Miss Thelma McMinn, who will be 8th Grade room teacher in addition to supervising high school chorus work.
