

Seven Towns Represented At Camp, Hospital Council Meet

AROUND ATown

Sights and Faces Seen

A Halloween Dance which will feature music by the P. O. W. Camp Orchestra will be sponsored by the Hereford Firemen on Tuesday, Oct. 31; and judging from the increasing reputation enjoyed by the camp orchestra, the music for the dance promises to be something special.

Of course, we don't know the military reaction to other towns, but it looks as though Hereford must have a special attraction, judging from the fact that some of the boys formerly stationed at the Hereford camp come back here to spend furloughs after they have been transferred. At least it speaks well for Hereford hospitality—or maybe for Hereford girls.

Pie suppers are just about the most popular forms of entertainment in local rural communities this month, and Westway is looking forward to a big crowd at their pie supper and program being held tonight for the benefit of the school cafeteria. One item on the program is a wedding—no further details contained in the announcement.

Frio community is sponsoring a Halloween Carnival at the Frio School House on Friday night, Oct. 27, with bingo, "42" and other entertainment scheduled. Proceeds from the program will go to buy new playground equipment for the school.

With the issuing of school report cards this week, it seems that these little cards must be issued principally for the education of parents. Kids are able to take the report in their stride; in fact, they are pretty nonchalant about the whole thing, but parents generally tend to "take it hard."

Local Group To Attend Southwest Aviation Meeting

The Hereford Chamber of Commerce is planning to send representatives to the Southwestern Aviation Conference to be held in Amarillo next week on Wednesday, Thursday and Friday, Oct. 25, 26 and 27; and in addition to the chamber of commerce delegates it is believed that several other local aviation enthusiasts will attend some of the meetings.

The program will feature discussions by nationally known aviation authorities and much of the material will be especially valuable to small communities now trying to find their place in the post war air transportation set-up.

A complete program for the three day meeting is available at the chamber of commerce office and any persons interested in attending the aviation conference can secure information on the program from E. B. Posey, secretary of the Hereford C. of C.

Ewion Farm Sale Features Cattle

A farm sale featuring a large consignment of stocker and feeder cattle will be held next Wednesday afternoon, beginning at one o'clock at Homer Ewion's farm, 20 miles southeast of Hereford.

In addition to the large offerings, there will be some good farm machinery, household equipment and miscellaneous items offered at auction. A complete list is printed elsewhere in this paper.

Representatives from Red Cross camp and hospital service committees at Claude, Tulla, Dimmitt, Amarillo, Canyon, Amarillo Army Air Field, Hereford and the Hereford P. O. W. Camp and many citizens of this community who have aided in the furnishing of the day room at the Hereford camp, were present last Wednesday when the district camp and hospital council meeting was held at the local camp.

Mrs. P. H. Gilliland and Mrs. Dorothy Ross, co-chairmen of the Hereford camp and hospital service committee, state that the meeting was in every way successful and point out that the excellent record of the local committee in furnishing the day room at the camp is a direct result of the splendid cooperation by the community as a whole.

Part of the program, which consisted of talks by E. C. Eubanks, Red Cross chapter chairman and by Col. J. R. Carvill, commanding officer of the local camp, Capt. Wm. L. Phillips and Lt. Leo W. Wood, also included a visit to the day room.

At the business meeting Mrs. P. H. Gilliland, co-chairman of the Deaf Smith County committee, was elected vice-chairman for the area camp and hospital service council. The musical part of the program was furnished by the orchestra at the P. O. W. Camp and by Mrs. R. P. Conaway, who sang a western number.

Guests at the meeting included Mrs. Ed Rogers of Claude; Mrs. R. B. Borep, Dimmitt; Mesdames Claence Todd, Jack Todd, Jim Harris and R. A. Stark, Tulla; Mesdames M. T. Johnson, Wales Madden, Jack Bissel, Carl Connell and Misses Annie McDonald and Edith Ziria, Amarillo; Mrs. Olive Kreschel and Miss Marion Wells, Amarillo; A. F. Mesdames Hubert Young and Geo. Lieutenant Hastings, 26, was reared in Hereford and was a graduate of Hereford High School. He was a student at Texas Tech when he enlisted in the Naval Air Corps and had been in service for more than a year before Pearl Harbor, being one of the first Hereford boys to see foreign duty after the Jap attack, when he joined a Navy scout squadron in the Pacific in January, 1942. He had been back in the States before his assignment to the North Pacific Theatre.

In addition to his wife, the former Miss Betty Shyrock of Pampa, and his parents, Lieutenant Hastings is survived by one brother, Ralph Hastings of Hereford, and four sisters, Mrs. J. T. Gilbreath, Jr., Hereford; Mrs. Newt Gilliland, Kilgore; Mrs. Charles Hill, San Diego, Calif.; and Doris Jean Hastings, Hereford.

Home Service Institute Here Tomorrow

A Home Service Institute for Red Cross volunteer workers of seven counties in the Panhandle and two in New Mexico will be held in Hereford Friday, Oct. 20, at the county court room, it was announced this week by E. C. Eubanks, chairman of the Deaf Smith County Chapter, American Red Cross.

Miss Esther Roettinger, home service field representative from St. Louis, will be in charge of the meeting; and Miss Virginia Tucker, general field representative from St. Louis, will also be present. Home service volunteers from Farmer, Castro, Swisher, Hale, Oldham and Randall counties in Texas and Curry and Roosevelt counties in New Mexico will be present.

Mrs. H. A. Close heads the home service committee of the Deaf Smith County chapter and other local volunteers also will attend the meetings at which field representatives will give information and advice on problems connected with the rapidly expanding home service field of Red Cross activities.

Training Plane Crash Claims Hereford Flyer

Lt. Henry Roy Hastings, son of Mr. and Mrs. Henry Hastings of Hereford, was killed Sunday night near the Naval Air Station at Lake City Fla., when his patrol bomber, engaged in routine flight training operations, crashed shortly after takeoff. Two other Navy officers were in the plane with Lieutenant Hastings, who had been a flight instructor at the Florida base since he reported there August 17, after his return from the Aleutian Islands, where he had been engaged in attacks against the Japanese installations in the northern Kuriles. Just last month he was presented with the Air Medal for his outstanding service in these bombing operations.

Funeral services will be held at the Methodist Church here Saturday afternoon at three o'clock, with Rev. James Aiken, Jr., Presbyterian pastor, assisted by Rev. Marvin Boyd, officiating.

Bond Report Issued By County Committee

Deaf Smith County oversubscribed its September bond quota, it was revealed this week by J. C. Ricketts, chairman of the county war finance committee, who said that total bond sales in September amounted to \$32,994 as compared with a quota of \$30,900.

The war finance committee calls the attention of citizens to the fact that the October quota also is \$30,900 and urge continued cooperation of all bond buyers in meeting regular monthly quotas.

Speaking for the committee, Ricketts expresses appreciation for the efforts of local bond buyers who purchase bonds on a regular schedule and have enabled the county to keep up a consistent record of financial support for the war effort. "If we will just keep this duty in mind and buy that bond we had intended to buy, we will have no trouble meeting our monthly quota," the committee points out.

Churches Plan Joint Services For V-E Day

The date of V-E-Day (Victory in Europe) is still something that the Allied High Command would like to know; but whenever the already beaten German armies make their defeat official, plans are ready in Hereford for a suitable service of thanksgiving, penitence and dedication, according to an announcement made this week by pastors of the Assembly of God, Christian, Methodist and Presbyterian Churches.

Possibly other denominations will join in the community service which will be held at the Methodist Church; but arrangements were not yet complete this week.

"Knowing the huge tasks of the Pacific War and the responsibility of the coming peace, Hereford people will not be inclined to 'celebrate' the victory over Germany in any but a serious mood," one Hereford minister stated this week, pointing out that the community observance should meet a real spiritual need of the town at an important moment in history.

Much ODT Business Transferred to Local Gas Ration Board

The Office of Price Administration has broadened its gasoline rationing program to include a number of functions heretofore handled by the Office of Defense Transportation.

All operators of commercial motor vehicles that require certificates of war necessity—such as buses, trucks, taxicabs, rental cars, etc., will be affected by the change effective Oct. 15, OPA and ODT announced.

Under the new procedure, applications by commercial motor vehicle operators for temporary and non-recurring rationing will be made to OPA local War Price and Rationing Boards rather than to ODT District Offices. These rationing will be issued by local boards and any appeals from decisions of the boards will be handled by OPA. Thus OPA will have complete authority over the issuance of such additional rationing.

Last Rites for Mrs. R. R. Wills Held Monday

Funeral services for Mrs. Nora Barbara Wills, 33, who died Saturday morning following a week's illness, were held Monday afternoon from the Methodist Church, with Rev. Marvin Boyd, assisted by Rev. James Aiken, Jr., officiating.

Mrs. Wills, who was born at Nara Visa, N. M., spent most of her early life in California and returned to Texas in 1932. She was married to Dr. R. R. Wills in 1933 and the couple lived at Frio until 1935, when they moved to Hereford.

Mrs. Wills had been active in club work at Hereford and was a past-president of the LaPlata Study Club. She was a member of the Hereford Methodist Church.

Survivors besides her husband include a son, Joe Bill; her parents, Mr. and Mrs. W. L. Darcy of Los Angeles, Calif.; one brother, H. C. Darcy of Tucuman, N. M., and a nephew, Julius Darcy of the Army Air Corps. Another brother, W. L. Darcy, Jr., has been listed as missing in action since last November.

Sweet Potatoes Prove Good Money Crop Here

Andy Godwin believes that the raising of sweet potatoes might someday become as big an industry as the growing of Irish potatoes in the Hereford territory; and having sold almost all the sweet potatoes grown on a 12 by 75 foot patch, Godwin has the facts and figures to back up his prediction.

The potatoes, Maryland Sweet variety, would average between 25 and 30 bushels to the acre; and figured on that yield and with a price of \$3 per bushel, one acre of sweet potatoes could have brought in gross receipts of \$4,356.

The potatoes were of fine texture and were all good sized—one specimen weighed five and three-quarter pounds. Of the 250 plants which Godwin set out, he saved 249—and there has been no marketing problem for the crop. Godwin has been able to sell almost the entire lot on the ground and has had no delivery problems whatever.

L. B. Russell Wounded In Ground Action

Lt. L. B. Russell, member of an infantry outfit somewhere on the German front, has been wounded in action, according to a message received here this week by his wife, who with their twin daughters, had been visiting Lieutenant Russell's parents, Mr. and Mrs. W. H. Russell.

The message received was a letter from Russell himself and preceded any official War Department notice of his injury. The injuries consisted of two broken bones in his left leg and four bullet wounds.

Nearly One-Inch Rain Fell This Morning

Rain early this morning brought a total of .40 of an inch of moisture to Hereford and the fall was continuing after 8 o'clock, the hour when the official measurement is taken at the City Weather Station.

Row crop harvest, already slowed considerably by fall rains, will probably be stopped again; but reports from most of the territory indicate that a large part of the row crop is not yet mature and cutting has not started in many fields.

Judge Kerr to Hold Furniture Auction Sale

Judge C. F. Kerr, who recently sold his 14 room home in Canyon, announces that he will hold an auction sale of furniture from this home, at the Kerr Implement Co. show-rooms—Saturday afternoon starting at 3 o'clock. Literally hundreds of items will be included in the sale, which will be in charge of Brumley and Otten, auctioneers. Judge and Mrs. Kerr returned to Hereford this week to make their home after spending the summer in Canyon.

Several hundred "Sons in Service"—all ex-students of Hereford High School—will be honored Friday night at 8:30 at Whiteface Field when Hereford's maroon and white grid-iron warriors meet the Dimmitt Bobcats in a game officially dedicated to all Hereford exes now in the armed services of the United States.

Because of the large number of ex-students in service, it will be impossible to name and individually recognize each one; nevertheless the entire game and an impressive patriotic service at the half will be dedicated to the service men and women who have attended Hereford High; and it is the hope of the student body that parents of servicemen will attend and that a large number of citizens will be present for the dedicatory game.

A bon fire and pep rally tonight will start off the program as the Whitefaces prepare to meet their traditional football foes the Bobcats; and the patriotic program at the game tomorrow night will feature a presentation of the flag and of the service flag of Hereford High School, with a band concert consisting of official songs of every branch of the armed services.

Soldiers from the P. O. W. Camp will assist in the program. Concerning the game itself, it is the one contest of the season toward which the Whitefaces have been aiming with a victory gleam in their eye. Because of the tough beating administered by the Bobcats last year, the Hereford Red is more than ever determined to come out on the top end of (Continued on Page 12)

The meeting opened with the Gardeners Prayer read by Mrs. D. H. Alexander and members voted to furnish favorite recipes for the cook book now being compiled by the Texas Federation of Garden Clubs.

The program for the afternoon dealt with demonstration of decorations for the holidays. The Halloween decoration was shown by Mrs. E. E. Fridley who used a pumpkin vase filled with fruit placed on a mirror and surrounded with black figurines as a centerpiece for a small luncheon table.

The Thanksgiving table was arranged by Mrs. A. M. Jones and Mrs. C. R. Smith. This table centerpiece was a large bowl of fruit in bright autumn colors and green sprays of ivy.

The Christmas decorations were arranged by Mrs. F. H. Oberthier and Mrs. W. S. Fluit. The white Christmas theme was used with large clumps of silver sprayed tumble weed at either side of the door. Silver wreaths were hung in doorways and windows and the table centerpiece was a mirror lake covered with snow and surrounded by silvered leaves and flanked by tall white tapers in crystal holders.

The last demonstration featured the New Year theme. A large mirror was laid flat on the table and covered with glistening icicles and snow. Colored birds coming in to feed on golden kernels of grain highlighted the scene beneath the flickering flame of tall white tapers. Mrs. H. V. Williamson and Mrs. John Jacobsen, Jr., were in charge of the demonstration. Hostesses for the meeting were Mrs. Liston Wilson and Mrs. Will S. Kerr.

"Patriotic Music" Theme for Club

"Patriotic Music" was the theme for the program held by the Music Study Club at the home of Mrs. T. W. Roberson Monday afternoon. Mrs. C. C. Acker was leader and beginning with the War of 1812 traced the patriotic music that has come out of succeeding conflicts. She listed "Yankee Doodle" as the first war song to be given lasting popularity and said that this song was also used in the Revolutionary War. Then came "Dixie," and "The Battle Hymn of the Republic" as well as many others out of the Civil War. From World War One we have "Keep the Home Fires Burning," "It's a Long Way to Tipperary," "Pack Up Your Troubles" and "Over There." Continuing Mrs. Acker said, "The most appealing song to come out of this war is 'White Cliffs of Dover,' but there are more than we think. 'Praise The Lord and Pass the Ammunition' and 'Coming In on a Wing and a Prayer' are good examples. Most of our soldiers in this war like to sing of love, laughter and peace instead of battle hymns."

The leader told something of "America," "The Star Spangled Banner," the official song of the Navy, "The Marine Hymn" and "The Caissons go Marching Along," all of which were sung by the club chorus.

Other numbers on the program were a piano duet, "American Fantasia" (Victor Herbert) played by Mrs. J. R. Allison and Miss Eloyse Pitman, and a vocal number, "Bells of Normandy," a new song written by an American soldier immediately after the beach head was established in Normandy, sung by Mrs. C. J. Mountz. The club chorus concluded with "I Hear America Singing" (Peter DeBose) and "I'm Proud to be an American" (Gibb).

Those present were Mesdames J. R. Allison, C. C. Acker, J. E. Beyer, R. P. Conaway, Ellis Combes, C. H. Dyar, C. C. Ferguson, H. K. Fox, Norman Harris, J. C. McCracken, C. J. Mountz, C. R. Smith, W. J. Stanford, A. C. Thompson, Miss Eloyse Pitman, Mrs. Carl Dean Mountz and the hostess.

CHILD STUDY CLUB MEETS, DANIEL HOME

The Child Study Club met with Mrs. Frank Daniel Thursday evening with Mrs. Merlin Kaul opening the program with a parliamentary drill.

After a short business session the leader, Mrs. D. C. Kinsey, gave a comparison of American children and children of the South Sea Islands. She told how carefully American children are reared and how their health was guarded, in direct contrast to the lack of system or discipline used in rearing the children of the Islands, but when they are grown they are healthy specimens which fact causes Americans to wonder.

Mrs. Gordon Witherspoon gave a study of the Chinese children, remarking that Chinese children were never punished until they were seven years old. She told how they were fondled and spoiled and allowed to eat everything they pleased yet, when they reached young manhood and womanhood they were well mannered and well trained.

Members present were Mesdames Mac Bainum, Duce Bivins, Cawthon Bryant, Worth Covington, Herman Ford, Ira Foster, W. F. Harlow, Merlin Kaul, D. C. Kinsey, Carl Oldham, J. C. Reese, Earl Springer, O. M. Stewart, Gordon Witherspoon and the hostess.

Hereford vs. Dimmitt

**Dedicated to Ex-Students of Hereford High School
 Now in the Armed Services**

Just a few years ago they were students in Hereford High School — the kids who won and lost football games, who played in the Band, who were enthusiastic fans for the fighting Whitefaces. Now, several hundred of these ex-students have gone on to a bigger fight and from the beaches of the Pacific to the battlefields of Germany—on the sea, on the land and in the air—the ex-students of Hereford High are doing their part for Uncle Sam.

Some of these boys have already given their last full measure of devotion; still others will make the supreme sacrifice before the victorious armies march into Tokyo; and to show their appreciation for the record of every fighting man and woman from Hereford High, the present student body and the people of the Hereford Territory join in a salute. In appreciation for their good fight, this game is dedicated.

Postwar Education Is Topic For LaPlata Club

Postwar Education provided an interesting subject for study at the meeting of the LaPlata Club held Tuesday evening at the home of Mrs. W. J. Wilson. The short business session was directed by Mrs. N. E. Milburn, president, when Mrs. Lynn Kester gave the club's Red Cross report.

Mrs. Urlin Streu was in charge of the program and discussed an article by Roger W. Babson on Postwar Education. Argumentative opinions were also reviewed. Mrs. Streu brought out three important views of Mr. Babson including his opinion "that education has not improved in the past fifty years, that without the qualities of character, industry, initiative, courage and persistence education is of no value and that educators should stamp out ignorance, faulty judgment and laziness."

It was announced that the next meeting will be held in the home of Mrs. C. F. Hardwick at 8:30 p. m. on Nov. 7.

Members present included Mesdames Homer Brumley, Clyde Cave, Francis B. Elliston, Wayne Evans, C. F. Hardwick, Lynn Kester, Debbs Knox, N. E. Milburn, Gaylord Newell, Elmer Patterson, A. J. Schroeter, O. M. Stewart, Urlin Streu, W. J. Wilson, Misses Marjorie Alderson, Genevieve Eberle and Pauline Hancock.

Study Club Meets With Mrs. Carnahan

Mrs. C. D. Carnahan was hostess for members of the L. A. E. Club at her home Tuesday afternoon. Mrs. Jack Dean was cohostess.

Mrs. Bob Higgins gave the roll call of current topics and Mrs. George Benson was in charge of the program.

Mrs. Benson reviewed "Autobiography—with letters—by William Lyon Phelps and conducted the discussion and questions on his diary.

Mrs. P. L. Dishman was a guest of the club and members present were Mesdames Robert Veigel, George Benson, Jack Dean, Altus Higgins, Bob Higgins, Bill Hutson, T. W. Robertson, Phil Radovich, and the hostess.

J. R. Morrison is quite ill at his home in South Hereford.

Following the business meeting, bingo games were played and refreshments were served to Mesdames Ed Dziuk, Ven-ton, John Albacht, Frank Waltescheid, Joe Loerwald, Felix Urbanczyk, Gene Loerwald, Henry Hellman, M. H. Koelzer, Roy Wagner, Frank Brinkman, Ed Loerwald and the hostess.

Whitefaces Take Chiefs To 19-6 Cleaning Here Friday

By Naomi Brumley

Working through a tough game, the Hereford Whitefaces defeated the Friona Chiefs 19-6 Friday night to knock the Chiefs from their undefeated class in 1-A competition.

The first quarter was played in Hereford territory, with the ball changing hands several times during the period. Play was brought to the middle of the field when Hereford's Bob Davis tossed a pass to C. W. Reeves after the Whitefaces had been effectively stalled on ground gains.

The second quarter brought a touchdown for the Whitefaces by Jim Worrell, fullback. The Chiefs rushed, blocking the try for point.

Hereford's second touchdown and Friona's score were made in

the third quarter, when Worrell came through again, after the Whitefaces had plowed to the one-yard line and were held by a solid Friona line until Worrell pushed over on the fourth down. The extra point was made by a pass from Davis to L. H. Lookingbill. Baxter of Friona scored on a deceptive reverse, but the Chiefs' try for extra point failed.

Early in the fourth quarter Fred Close added the Whitefaces' last touchdown by a beautiful 70-yard run on which his path was cleared most of the way by the rest of the team. Close then stiff-armed one Chief and outran two others. Davis' kick was a little wide, to leave the score 19-6 at the final gun.

Two first-year Whitefaces stood out Friday night. Bob Davis, who has done exceptional playing all season; and Jim Worrell who entered the lineup during the Dumas contest as a backfield substitute, continues to show increased drive and speed in every game. Davis, a junior, and Worrell, a sophomore, look like excellent prospects for next year.

Others playing outstanding games were Gale Rogers, Dan McCowan, C. W. Reeves, and Phillips. London, at quarter, "called them right" and with improved blocking and better teamwork the Hereford outfit was a generally improved fighting team Friday night.

Starters for the Whitefaces were: Lookingbill, E; Phillips, T; Rogers, C; McCowan, G; Hopson, T; Easley, G; Sowell, E; and London, Close, Reeves

THIS WEEK... AT THE USO

The men from the cities of America who are stationed here are learning some things about the country. Conner and Dietrich still need some lessons on horseback riding. Or maybe they thought it was fun to climb up and be thrown off. There is another service man who knows now what it means when he reads a farm sale bill which says "for sale—4-year-old cow—fresh."

Angel food cake has the reputation of melting in your mouth and the perfect one which was brought into the USO last Tuesday was no exception. It was greatly appreciated.

The cribbage tournament is just about over. When Pfc. Steve Hasszu plays Sgt. Sidney Lewin we will know who is champion. It will probably be announced next week.

We were very glad to see Bill McDuffie and Ed McAvoy on Monday morning. At first we thought we were seeing ghosts. Then they told us that they brought best wishes from the boys at Camp Polk, and that Walter Penn and Floyd Russell were coming on Tuesday. We liked these boys when they were here and now that they have given us several days of their precious furloughs to come back to Hereford, we think they are just about tops. Come back as often as you can, boys. You are always welcome.

We understand that the Camp orchestra played for the district Red Cross meeting last week and made a big hit. More power to you boys—Congratulations!

We don't see how Cpl. Steincke gets where he is going. We heard that last week he went to Clovis but coming home so he could go to Amarillo, he almost got to Lubbock. He evidently doesn't believe in signs even when they are four feet long.

Apologies to Pfc. Mike Faklis. Nobody told us that he got a stripe and he didn't ask us to sew them on. When he gets to be a Sgt. we will give him top billing.

We really had some nice prizes to give away to those playing Bingo at the USO on Monday night. Debbs Knox was master of ceremonies. He and Mrs. Olson, and Mrs. Frank Gyles visited the merchants on Monday asking for donations. The following firms contributed: Popular Store, City Drug, Haile Drug, Close Drug, Brooks and London barber shops, Cave's and Alderson's Variety, Stambaugh, Acme, and Wade Cleaners, Sanders' and Jess' Cafes, The Vogue, The Fashion Shop, Fox Men's Store, Cashway, Quality, Texas Mkt., City Food Grocery Stores and the Star Theatre. We appreciate their cooperation.

There will be a dance next Monday night, Oct. 23rd. Let's have a big crowd. GSO girls phone your sponsors and invite a guest. Watch this column for dates of the carnival on the 30th.

No letters this week—But we did get cards from Pvt. Stuart Strouse, Al Capaccio and Joe Mrs. Dick Cunliffe.

and Davis in the backfield. Substitutions were Worrell in the backfield and Skelton and Lueb in the line.

There's a Shortage of Copies of The Dallas Morning News—But NOT of Our Desire to Serve!

The crucial shortage of newsprint paper has forced a curtailment of the supply of copies of The Dallas Morning News to our dealers in this county. Only a small part of regular shipments is possible until we are permitted by Government Authority to increase our consumption of newsprint.

Distributor for the present will be made from drug stores and newsstands, unless your agent can arrange otherwise.

We realize, with deep regret, that some of our old-time readers are not able to get copies of The News. We trust they will understand and bear with us while we are making every effort to restore service.

In the meantime, although many patrons will not have The News delivered to them temporarily, their names are still on The Dallas News' Big Book and we look forward to serving them again.

Thank you.

The committee reported on Wednesday October 11. The plan is to have a contest among the classes, each class having a candidate for Mr. and Miss Hereford High. Rules for the contest will be given later.

The seniors, who are in charge of the carnival, will sponsor games and booths. Present plans are for the carnival

to be held in the high school building. Returns from booths, games, etc. will go to the seniors to be used when the need arises. The seniors also plan to contribute to the fund for improving the high school auditorium stage.

Teacher Resigns To Go To New York City

Mrs. Mary Nell Brown, who has been teaching plane geometry and physics, has resigned to go to New York City to be with her husband, Brown, Seaman First Class, has been overseas a year serving in England and Ireland. He is now in the U. S. Navy Hospital in Long Island, taking treatments for rheumatism. Their home formerly was in Tulla.

It is with reluctance that the students and faculty see Mrs. Brown leave, for already she

D. Goldston Makes Record By Typing 332 Cards

This year the credit for the organizing of every student's headache goes to Doris Goldston. She has completed all of the 332 report cards for the high school. Each card contains the name of the student, from four to six subjects and other information. These must be typed on the cards and then the cards are filed in alphabetical order, in the class groups, each of which is divided into the girls' and boys' cards.

The students are urged to follow the instructions in the Handbooks which are to return the report card the Friday of the week it is issued. It is to be put in the class sponsor's box in the principal's office.

Advertising note on the good old days: D. R. Gass had heating stoves ranging in price from \$2.50 to \$11.00. Cook stoves drew a top price of \$22.50 (No certificate required.)

The contract for construction of a gin in Hereford had been let to H. G. Tucker and Jno. N. Jacobsen. "Already some of our enterprising businessmen have signified their intention of buying cotton at the highest market price. Those who have so expressed themselves are D. R. Gass and Son and Stambaugh and Lipscomb."

The first frost of the season made its appearance on last Tuesday night, Oct. 18. Cotton will now begin to open at a lively rate and soon cotton picking will be all the go, even way up here on the plains.

The OX Ranch, situated in Poard and Hardeman counties, consisting of about 54,000 acres and owned by D. D. Swearingen of Quanah and G. S. White of Weatherford, was sold last week to Fred Fleming, president of the Western Bank and Trust Company of Dallas, the consideration being about \$190,000.

With 275 pupils in our public school and 50 pupils in the college, Hereford can rightly boast of being the educational center of the plains.

On the affirmative were Tucker Wyche and Sam Brady, while the negative was ably supported by Elmer Dameron and Sam Marshall.

THE CAR IS 1-A BUT THE TIRES ARE 4-F

Be sure to get both Tire Saving and Car Saving Service

D-DAY IS HISTORY. And V-Day may well be, by the time you read these words!

But as a recent editorial in the September 9 issue of Collier's points out: "If we don't baby our cars and tires along as carefully as we can, the ominous fact is that we can run into a serious motor-transport breakdown on the home front."

The blunt words of the editorial echo what Phillips and its service station men have been saying month after month, beginning even prior to Pearl Harbor.

We quote it because some few motorists may have thought that our insistent emphasis on tire and car care was motivated by self-interest rather than by our patriotic sense of duty. So again we say, in our country's interest and in your own, be frugal with your dwindling stock of tire and car miles. Visit your Phillips 66 Service Station at least once a week for tire and car-saving services.

Phillips Tire Saving Service includes checking air pressures... inspecting for nail holes, cuts, and bruises... examination of the tire carcass to warn you when re-capping is necessary and still possible... crisscrossing with the spare every 3,000 miles.

Phillips Car Saving Service includes inspection of battery, air filter, and anti-freeze protection... regular lubrication of every friction point specified by the maker of your car.

With tires for A-card motorists not promised before mid-1945... with cars wearing out and disappearing from the road at the rate of more than 5,000 a day... you must Care for your car For your Country, to help prevent a crisis in domestic transportation.

Drive in at any Orange and Black 66 Shield, the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil, and you will get the patriotic cooperation and aid of the Phillips 66 Service Man in making your car and tires go farther and last longer.

CARE FOR YOUR CAR— FOR YOUR COUNTRY.

Duplicate Ration Books To Be "Tailored" by Removal of Stamps

War Ration Books III and IV, when issued to replace lost or destroyed books, will not necessarily contain the same number of stamps that were in the books at the time of their loss or destruction. Miss Opal L. Wood, food rationing officer for the District OPA has announced.

Heretofore, since all stamps are valid indefinitely and since it is difficult to prove the actual number of stamps contained in a book at the time of loss or destruction, replacement books were issued with little or no tailoring. As a result of this, some people were receiving books containing more stamps than were in the original books at the time of loss.

Effective Oct. 20, 1944, local War Price and Rationing Boards will, before issuing a new ration book, remove all expired stamps and all currently valid stamps that were valid on the date of application, except the last stamp or series of stamps that became valid on or before the date of application for the new book.

In this way, even though the applicant may receive fewer stamps than were in his lost book, he will still receive a sufficient number of stamps to enable him to buy enough rationed foods and shoes for his needs.

No New Cars in Sight . . .

Due to the many questions we have had recently regarding the placing of orders for (or accepting deposits on) New Chevrolets for future delivery, we state here our policy on this subject:

The latest information we have as to when New Cars will be available is

Six months after the end of the war in Europe.

We believe that when new cars are expected to be available, we do not know who they will be. Due to the uncertainty of time, price and to whom we may make future deliveries, we do not feel justified at the present time to accept orders on new cars. Neither do we feel that we should accept cash deposits on new cars as this money could go into the buying of War Bonds and still not delay the delivery of a car when they are available.

It is our sincere desire to act at all times to the best interest of our customers and as quickly as we receive any definite information as to when new cars or pick-ups will be available, we will immediately pass it on to you in The Brand.
