

Hereford Whiteface Gridders Win Opening Game From Sudan Hornets

Herd Shows Power With 27-12 Win

The Hereford Whiteface grid-ers brewed bitter "T" for Sudan's opening night party at their new football stadium in Sudan last Friday night, clipping the Hornets 27 to 12 in the opening game of the 1946 season.

Employing the T-formation

with precision and power, the Herd unleashed a powerful ground attack that netted them four touchdowns; and took to the air only twice, once in the second quarter for a short gain during their initial touch-down drive, and again in the fourth to rack up the extra point after their final tally.

The Hornets trailed all the way, but unleashed a stinging aerial attack in both the second and third frames for swift scoring thrusts. Unable to gain consistently through the powerful Whiteface forward wall, the Hornets found a weak spot when they took to the air and made the most of it, scoring both their touchdowns via the aerial route.

The Whiteface scored first, early in the second frame, with a sustained drive from the Sudan 40 yard line after Whitaker had intercepted a Hornet pass. A pass from Worrell to Whitaker accounted for five yards, but the remainder of the distance was covered by a smashing ground attack, Close going over for the score from the 4-yard line. Worrell's kick for the point was squarely between the goal posts.

The Hornets got a break later in the period when Worrell's attempted quick-kick was accidentally and partially blocked by Close and went out of bounds on the Hereford 45. A series of quick passes by Jim Eddins, Hornet fullback, quickly netted a touchdown, with Connie Hill, Hornet end, snaring an aerial in the end zone for the score. Lueb crashed in to block the kick for point, and the Herd held its lead.

The Whiteface scored again early in the third period when Jim Worrell, fleet-footed full-back, broke loose for a 60-yard trek to pay dirt. Worrell's kick was again good for the extra point, and the Herd led 14 to 6.

The Hornets wound up at the end of the third quarter in possession of the ball on the Hereford 8 yard line after a sustained aerial attack, and scored quickly as the last period opened on a pass into the end zone from Eddins to Bellar. The kick for point failed again, and the Herd led by two points, 14 to 12.

On the second play after the kick-off, Close shook loose for 49 yards through a broken field to the Hornet 3, and after a 2-yard gainer by Whitaker, Worrell smashed through center for the score. This time his kick was wide, and the Herd led 20 to 12.

The final score came a few minutes later when Worrell swept around his own right end and down the field 65 yards to cross the goal line standing up. Rogers crossed the Hornets and passed to Lueb for the point, and the final score was 27 to 12.

The starting line-up for the Whiteface was: Lueb and Higgins, ends; Simmons and Kimbrough, tackles; Millard and Easley, guards; Dyer, center; Rogers, quarterback; Hennington and Close, halfbacks; and Worrell, fullback.

Except for Hennington, who was relieved at the end of the first period by Whitaker; and Millard, who went out of the game in the third period with injuries and was relieved by James Corbett, the starting line-up played until the last two minutes of the game, when Coach Stanton sent in a flock

of substitutions.

A play-by-play report of the game follows:

First Quarter
Sudan kicks off to Johnnie Rogers on the Hereford 10. Rogers returns the ball to the 24 before being downed. Hennington picks up 5 through the line, and Worrell smashes off tackle for a first down on the 34 yard line. Close picks up 2 yards off tackle, and Worrell goes wide around end for 5. Close cuts over tackle for a first down on the Hereford 45. Rogers cuts through the line for 8 yards to the Sudan 47. Hornets are off-side, and the Whiteface gets a first down on the Sudan 42. Hennington is dropped for a 3 yard loss on an end run. Close makes a yard over guard, and Worrell picks up 9 yards through center. An off-tackle smash misses first down by inches, and the Hornets take over on their own 31 yard line. Bellar goes 15 yards for a first down on the Sudan 45, stopped by Rogers. Eddins is stopped cold by Worrell and Higgins behind his own line. Bellar kicks to the Hereford 20, where Close takes the punt and runs it back to the 40 yard line. The Herd takes over, briefly, but a fumble on the first play is recovered on the Hereford 40 by the Hornets. Millard and Simmons crash through the Hornet line to stop Bellar for no gain. Eddins fades back, tosses a long pass to Price who is downed on the Hereford 8 yard line. Bellar attempts an end sweep, is stopped by Kimbrough for no gain. On the next play, Bellar's fumble is recovered by Higgins on the Hereford 10 yard line. The Herd takes over, and Worrell picks up 9 yards on the first play. Close hits center for another 5 and a first down on the 24. Rogers picks up a yard through guard as the period ends.

Second Quarter
Hereford's ball on own 25, third down. Whitaker goes in for Hennington at Left Half-back. Worrell punts, and Lueb, going down the field fast, kills the ball on the Sudan 35.

The Hornets take over. Eddins attempts a pass to Price which is incomplete. Eddins fades back again, tosses a short pass to Price who is stopped by Dyer at the line of scrimmage. Eddins passes again, and Whitaker intercepts on his own 45 yard line and runs the ball back to the Sudan 40.

Worrell passes to Jimmie Whitaker who is downed on the Sudan 35. Whitaker goes through guard for a first down on the Sudan 30. Worrell picks up 5 yards, off tackle, and Rogers makes it a first down on the 15 yard line. Close picks up a yard through tackle, and Worrell hits center for 8 yards to the Sudan 6. Rogers, on a wide sweep around end, picks up the necessary yardage for a first down on the Sudan 4 yard marker. Close smashed through the line for the touchdown, and Worrell's kick is good for the extra point. Score: Hereford 7, Sudan 0.

Hereford kicks off to May on the Sudan 10 yard line, and the Hornet quarterback gets back to his own 28 before being stopped. May fumbles, recovers, and is stopped for no gain by Dyer. Eddins passes to May, who is tackled on the 36 by Close. Eddins goes off tackle for 2 yards. May kicks, and Close takes the ball on his own 25 yard line.

The Herd takes over. Whitaker loses 2 yards on a smash at the line. Worrell attempts a quick kick, accidentally blocked by Close, and the ball goes out of bounds on the Hereford 42.

Bellar sweeps around end for 9 yards. May hits Center for 1 and a first down. Eddins passes to Hill complete on the 8 yard line for another first down, Hill making a shoestring catch on the play. A smash at center is stopped for no gain, and Martin, Hornet guard, goes out of the game with injuries. Whit-mire takes his place. Eddins passes to Hill over the goal line for the touchdown. Lueb crashed in to block the attempted kick for goal, and the score stands: Hereford 7, Sudan 6.

Close takes the Sudan kick-off on his own 15 and gets back to the 30 but the play is cancelled by off-side penalty against Hereford. Close is again the receiver, and gets back from the 10 to the 37 yard line. Rogers fumbles, and the ball is recovered by Hill, Hornet end.

Sudan draws a 5 yard penalty, and launches a passing attack as time runs out. Lueb bats down one pass, and Rogers intercepts Bellar's next pass on the 20, gets back to the 25 yard line as the half ends.

Third Quarter
Hereford kicks off, May taking the ball on the 15 and running it back to the 30. Maxfield loses a yard at tackle, and Eddins is stopped on an attempted end run for no gain. May picks up 3 at Center. Bellar punts, and Rogers takes the ball on his own 35.

Close makes 5 yards through tackle, and on the next play, Worrell, on an end sweep, dashes 60 yards behind excellent

broken-field blocking for a touchdown. Worrell's kick is good, and the score stands Hereford 14, Sudan 6.

Hereford kicks off, and Maxfield takes the ball on the 20, gets back to the 38, where he is

stopped by Worrell. Millard is hurt on the play, and James Corbett goes in the game at left guard.

Maxfield is stopped by Easley for no gain. Eddins, attempting

The Force that Holds Up the Rainbow Natural Bridge...
OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

Hereford, Friona Lutherans Install Pastor Sunday

The Rev. E. W. Lichtsinn of Indianapolis, Indiana, will be installed as pastor of the Immanuel Lutheran Church of Friona in a ceremony at the Friona church next Sunday evening at 8 o'clock.

Rev. E. H. Riese of Littlefield will be in charge of the service, assisted by Rev. J. H. Hartenberger of Amarillo and Rev. Charles E. Wedig of Clovis, N. M. Rev. Lichtsinn succeeds the Rev. H. H. Ries, who accepted a call to Madison, Wisconsin, earlier this year, as pastor of the local churches.

He is a recent graduate of Concordia Theological Seminary in St. Louis, Missouri. Rev. Hartenberger of the Am-

Hornets Fail To Smash Through Whitface Line

(Continued from page 2) ing to pass, is smothered for a 10 yard loss by Lueb and Dyer. Eddins quick-kicks, and the ball is fumbled on the 50 by Rogers, recovered by Sudan.

May passes to Hill, and the toss is completed, Hill going to the Hereford 22 where he is finally pulled down by Dyer. Eddins takes the ball on a lateral from Bellar, and tosses a forward pass to Price but its incomplete. Eddins goes off tackle for 5, and then tosses a pass incomplete, intended for Hill. Eddins is hit behind the line by Simmons and Corbett for an 8 yard loss.

Hereford takes over on the Herd 25. Rogers picks up 5 at center, and Whitaker goes over guard for a yard. Worrell's kick is taken by May, who is knocked out of bounds by Close on the Sudan 45.

Bellar passes to Eddins, who is stopped by Simmons. May smashes through center for a first down on the Hereford 21. Eddins passes to Hill complete on the 13 yard line. Bellar is stopped by Close for no gain on an end run. Eddins makes it first down on the 8 yard line with an end run. May hits center for 2, then loses 3 on an end run when Worrell smashes through for the tackle, as the

period ends.

Fourth Quarter

Sudan's ball, 3rd down on Hereford 8 yard line. Eddins attempts a pass to Maxfield which is incomplete as Worrell and Whitaker smother the receiver. Eddins drops back again, passes over the goal line to Bellar for the score. The kick is no good, and the score is Hereford 14, Sudan 12.

Sudan kicks off to Simmons, who takes the ball on his own 48. Worrell smashes off tackle for a yard. Close smashes through the right side of the line behind effective blocking and gets loose for 49 yards to the Hornet 3 yard line where he is finally pulled down. Whitaker picks up 2 yards, and Worrell smashes through center for the score. Worrell's kick is wide, and the score stands Hereford 20, Sudan 12.

Hereford kicks off to Price on the 30. The Hornets launch another aerial attack. Two passes broken up in quick order. Close batting down the first, and Dyer crashing into the intended receiver on the second. Price, hit hard by Dyer on the play, goes out of the game. Eddins tosses a long one to Hill which is completed on the Hereford 40. Rogers breaks up another long pass, intended for Hill. Eddins goes through tackle, laterals to Doty, and the Hornets get a first down on the 25. Two more passes by Eddins are incomplete. Eddins takes the ball off tackle for 8 yards and its fourth down on the Hereford 17. Eddins again takes the ball, but tangles with the referee and is downed on the 19-yard line, where the Herd takes over.

Rogers goes through center for 7, and Close picks up 2 at the line. Worrell hits center for a yard and a first down on the 29. The Herd draws a 5 yard penalty. Whitaker picks up 40 off guard, and Worrell rounds end for 65 yards and a touchdown as the Whitface stampede. The Hornets are caught flat-footed when Rogers passes to Lueb for the extra point. The score: Hereford 27, Sudan 12.

Hereford kicks off to Sudan on the 15, and the ball is returned to the 25. With three minutes left in the game, the Hornet coach sends in his second team. The Hornets lose 5 on a fumble. Higgins and Simmons crash through the line to toss the Hornets for another 5 yard loss. An attempted kick is blocked and Whitaker recovers the ball on their own 15 as the game ends.

YESTERDAYS
NEWSPAPER

40 Years Ago

SEPTEMBER 14, 1906
L. P. Landrum performed a feat on Dewey Avenue this week which called forth considerable admiration from those who witnessed it. A team of horses hitched to a buggy had broken loose from a hitching rack and

was beginning to run at full tilt when Mr. Landrum swung onto the rear of the vehicle, grasped the reins, and stopped the frightened team before any damage was done.
J. L. Fuqua and family are moving into their new residence in West Hereford. This is one of the prettiest homes in the city. The new grain firm, composed of L. R. Bradly, R. W. Baird, and J. O. Bradenbaugh of Kansas City, have their large grain house near the depot completed and are now filling it with Pan-

handle grown grain, consisting principally of wheat and oats. Mr. Bradenbaugh is president of the Kansas City Board of Trade. In the Ads; Crouse and Packard advertised 40,000 acres of land in the Hereford country at \$10 per acre.
Hereford can properly be termed the automobile center of the plains. This popular machine is becoming so numerous on our streets that in many instances the horse and buggy is being discarded for the faster mode of travel. Besides those belonging to George G. Wright and other northern companies, the J. P. Snyder Land Company now has two large machines and H. H. Hawkins and H. G. Tucker have one of similar dimensions.

Thank Goodness! NOW I HAVE ELECTRICITY IN MY HOME

It's a great day when the last wire is in place and you can flick a switch and have electricity at your command.

It has taken time to bring the wonders and advantages of electricity to folks in this great area.

But today, in a major part of our 12 million dollar expansion program, we're stretching our rural power lines to reach more and more farms and ranches.

Folks in those homes have been waiting a long time for low cost electricity, and many of them can look forward to better living electrically.

A pioneer in building ahead for the future, we're proud that in our 22nd year we can bring low cost electric power to so many more of you.

You'll Be Happy With Your New Chevrolet

We're getting our fair quota of new Chevrolet cars and trucks—but of course, not enough to supply the accumulated demand. So... don't give up hope. And here's some important advice:

Keep Your Old Car In Good Running Condition

Until your new car comes along, keep your present car and keep it up—in performance and in trade-in value—with regular maintenance, and with prompt repairs when repairs are indicated.

Put in your order for a new car and—in the meantime—let us service your car regularly.

Variety Is Shown In Outlines For Child Study Club 1946-47 Year Books

Variety has been shown in program outlines for the Child Study Club 1946-47 club year. Programs on tables, the beginning in school, the adolescent, the parents themselves and delinquency have been included. New year books were distributed at the opening meeting which was in the form of a buffet supper given at the home of Mrs. Lisle Woodford Thursday evening. The year book committee consisted of Mrs. Ira Foster, Mrs. Cawthon Bryant and Mrs. Marlin Gilliland.

The buffet table was laid with a grass linen cloth with a centerpiece of purple and yellow asters flanked by yellow candles. Quartet tables were centered with miniature gold shoes

Home Demonstration Club Activities

Sims H. D. Club
Sims Home Demonstration Club met Thursday afternoon with Mrs. J. A. Crofford with Mrs. Orville Gronerman presiding.

Members planned a quilting for the near future and after the business meeting a shower of gifts was presented to the hostess.

The next meeting will be an all-day meeting in the home of Mrs. Lloyd Heaton.

Refreshments were served to Mesdames; Zerrell Thomas, Glen Hetzel, John Morris, Elmer Cook, Lloyd Heaton, Orville Gronerman, M. W. Blankenship, Roscoe Pinnell, Cord Hammock, Jack Johnson, Clarence Hollabaugh and the hostess.

Heiselman Club
Mrs. N. L. Jacobson entertained members of the Heiselman Home Demonstration Club in her home Thursday afternoon. Mrs. V. E. Lemke presided over the business session when roll call was answered by members with new foods served their families during the past summer.

Miss Sadie Lee Oliver, CHDA, demonstrated model canning equipment and discussed many of the causes for spoilage of canned food. Mrs. E. N. Jacobson will be hostess for the club at the next meeting on October 10.

The refreshment course was served to Mesdames; V. E. Lemke, Bob Wingate, E. N. Jacobson, Lorin Orelitz, Weldon Reno, Perry, the hostess and Miss Oliver.

Past-Presidents Hold Luncheon

One of the events looked forward to each year by past presidents of the Music Study Club is the annual past-presidents luncheon held one week before the club's opening meeting for the season.

The past-president's organization was organized in 1930 and the first luncheon was held on September 22. Mrs. G. A. F. Parker was elected president and has held that office through the years. Each incoming president of the Music Study Club is named honoree at the past-president's affair and Mrs. J. R. Allison who is beginning her second year as president, is the last club president to be so honored.

The luncheon which was held Monday at the home of Mrs. C. H. Dyar is the 16th such occasion and places were laid for twelve at quartet tables where a colorful salad plate was served. Flowers were everywhere about the house adding autumn's bright colors to enhance the party scene.

New programs for the coming year were discussed by the year book committee which was composed of Mrs. R. P. Coneway, Mrs. J. C. McCracken, Mrs. C. H. Dyar and Mrs. T. W. Robertson. Parts for the regular program of the club which will be on October 7, were distributed.

Those attending were Mesdames; J. R. Allison, active president of the Music Study Club, C. C. Acker, H. K. Fox, C. C. Ferguson, J. C. McCracken, W. E. Dameron, R. P. Coneway, G. A. F. Parker, T. W. Robertson, C. H. Dyar, H. L. Broadwell and A. O. Thompson.

with other public agencies of the State interested in the care and well-being of crippled children.

Dr. John M. Hooper, City Health Officer of Amarillo, will preside at the morning session and Charles M. Rogers, Superintendent of Amarillo Public Schools, will have charge of the afternoon session. Representatives of civic clubs, women's clubs, health departments, Red Cross, public schools, city and county officials, the members of the Texas Society for Crippled Children and other individuals interested in child welfare are expected to attend this conference.

Timothy Tinsley of New York City has left for Austin where he will be a sophomore at the University of Texas. He and his mother, Mrs. Timothy Tinsley Sr. have been visiting in the home of her parents, Mr. and Mrs. F. H. Oberthier. Mrs. Tinsley has also gone to Austin and from there will return to her home in New York.

How Would You Like to Live in the "Good Old Days"?

★ Back in grandfather's time, during the final quarter of the last century, things were quite different. There were no movies, no airplanes, no automobiles, few bathrooms, practically no efficient electrical appliances. If you contracted diabetes or pernicious anemia, your days were numbered. Your blood just "changed to sugar" in the former, "to water" in the latter.

There was little protection against virulent epidemics. Smallpox vaccine was the only biological on the market. When diphtheria or typhoid ravaged a community, there was nothing to do but wait it out in hope and dread.

Yes, a return to the "good old days" would mean, among other things, the sacrifice of the major portion of the contribution of medicine and pharmacy to your health and well-being.

Compliments Pastor's Wife

Mrs. Roy Ford was complimented when members of her Sunday School Class entertained with a covered dish supper party in the home of the teacher, Mrs. C. H. Dyar, Monday evening. Members of the class, which is the Married Woman's Class of the First Christian Church, also presented Mrs. Ford with a lovely gift.

Those attending were Rev. Roy Ford and Mrs. Ford, Messrs. Roy Ford and Mrs. Ford, Messrs. B. F. Cain, Clyde Russell, Earl Phillips, Ellis Coombes, C. D. Carnahan, John Robinson, Harry Seed, A. Peterson, O. V. Hennen, W. E. Dameron, Robert Veigel, Miss Frances Dameron and the hostess.

Westway H. D. Club Met on Wednesday

Westway Home Demonstration Club met last Wednesday in the home of Mrs. J. C. Morrison. Miss Sadie Lee Oliver, county home demonstration agent, presented a lesson on Food Preservation and distributed current bulletins and publications on foods.

A REPORT on telephone progress in Texas

The first postwar year was the busiest year we've ever known, filled with work to give telephone service to those who are waiting and to improve service for everyone.

We have put in 240,000 telephones in Texas—nearly twice as many as in any prewar year. We are handling more calls per telephone now than in the rushed days of the war. And even this record-breaking performance has not been enough.

But we're glad to say we've been able to take care of most customers whose applications were held up by lack of facilities on V-J Day—and in most places, most of the time, service is fast and good. Operators are answering 9 out of 10 calls within 10 seconds.

Demand Up
On the other hand, more people than ever are applying for telephones—24,000 a month for the last six months. Prewar months averaged 11,000. Thus, as we go ahead on one front, there are increasing demands on another.

We want all those waiting for telephone service to know we are doing our best to get it to them. It is just as much an emergency to us as a hurricane—but this is country-wide.

Bell System factories today are working around the clock, three shifts a day. And—despite scarcities—are
