The Hereford Brand, Hereford, Texas, Thursday, July 1, 1948

Price 5c Per Copy

The lumber yards of Hereford will join the two banks in observing the occasion of July 4th as a holiday on Monday, July 5. Other firms may also observe the holiday, but no reports to the effect were made to The Brand.

Flash floods seem to be occurring with frequency over this section. Returning from Lubbock last Thursday, Mrs. Onisa Carroll and Mrs. Imogene Whitehead were caught in the flood at Littlefield. They entered a drive-in cafe just before the storm struck and were delayed two hours and 15 minutes. They said 11 inches of rain was reported during that time, flooding the town. Water ran into the cafe, forcing the patrons to climb upon stools and on top of the counter. When the water receded, the refugees pulled off their shoes and waded out to the cars.

Dimitit also reported a flash flood measuring several inches at near the same time.

Pitman Grain Company lost a shipment on the Leeway truck which was flooded with high water on an Oklahoma highway last week. The insurance company at first decided to not salvage the truck, but changed their minds. Art Manjoc represented Pitman Grain and checked with insurance company representing the regarding the shipment this week.

The truck driver had not been found, and a reward of \$100 was posted for his whereabouts, dead or alive.

Mrs. Jack Kirksey and daughter, Wanda Marie, were marooned in Portales last Saturday, when they were caught in a deluge while trying to get to the rural home of Mrs. Kirksey's parents, near Portales.

St. A. L. (Lynwood) Hallum will soon have some callers in Korea, thanks to the sketch in "Around Town" last week. Mrs. Aubrey Bell called to get the complete address and to tell about three other Hereford boys in the area.

Mrs. Bell's son, Glenn Bell, recently found out that Lester Carter, also from Hereford, was in Korea, and the boys arranged a meeting. While they were talking, a third Hereford boy, Carl Heifner, saw them, made himself known and joined the group. Mrs. Bell thinks Lynwood Hallum should also join the group and start a Hereford colony.

New comers: Mrs. Ernest George is a new employee at The Vogue, where she will be associated with Mrs. Bess Moore. She comes here from Houston, where she was employed by the Alaska Fur Company, and formerly resided in Spur, Texas.

Mr. and Mrs. Roy T. Oswald and daughter, Mary Ruth, are newcomers from Plainview. Mr. Oswald recently purchased the Firestone Store here from Mr. and Mrs. Al Simmons.

New arrivals: JUDY NELL AN-OLIN, daughter of Mr. and Mrs. George Anglin, June 24; GARY GENE PAYNE, son of Mr. and Mrs. James F. Payne, June 25; DORIS EUGENIA WALTERSCHILD, daughter of Mr. and Mrs. Frank Walterschild, June 25; Rita Diane FORTENBERRY, daughter of Mr. and Mrs. Frank Fortenberry, June 26; PAUL ALAN HAGAR, son of Mr. and Mrs. Paul Hagar, June 27; CHARLIE GLENN WILLIAMS, son of Mr. and Mrs. Charles S. Williams, June 28. All above births were reported through the Deaf Smith County Hospital.

County Ponders Way To Improve Courthouse Lawn

Members of the Commissioners Court this week pondered over the old question of beautifying the courthouse lawn—and the pondering became more acute, due to a shortage of available funds.

A bid was secured for removal of the outer row of 34 trees, \$800; trimming 24 additional trees, \$120; mowing and seeding the lawn, \$905; installation of a modern spraying system ran the total up to slightly more than \$5,000.

The county has approximately \$5,000 in its permanent improvement fund, and would still have to finance removal of present sidewalks and paving of the space to replace the outer row of trees. Also, complicating the matter, remains the fact that approximately \$5,000 will be spent by the county in the current city paving program to cover pavement on the east side of the courthouse, back of the hospital and adjoining the bull barn.

The commissioners indicated a willingness to carry out the courthouse lawn improvements, provided they can find a legal method of transferring sufficient money from some other fund in which there is a surplus.

Absentee Voting Starts Monday Nineteen Candidates Seek Twelve Offices In Primary Vote, July 24

Rev. Patterson Accepts Church At Big Spring

A total of 19 candidates have qualified for the 12 county offices, which will be found on the official ballots when absentee voting begins Monday, July 5, C. C. Acker, Democratic chairman of Deaf Smith County, said today. Absentee ballots may be secured in the County clerk's office.

Little Interest Shown

The race for County Judge and County Clerk are splitting interest with the Commissioner races in Precincts 1, 2 and 3, and considerable interest is also being shown in the race for Hide and Animal Inspector, which is also contested this year.

During the three years Rev. Patterson has been in Hereford, a new church building has been constructed on the present site, across south from Central School. He came here from Bethany, Okla., where he attended college.

Boys, Age 6, 10 Burglarize Store

A total of \$1727 was recovered from two small boys, age 6 and age 10, who broke into the Hereford Super Market Monday night, taking \$30 in cash, along with fountain pens, cigarettes and candy.

Charges were deferred against the boys due to their age, after they met Wednesday with County Judge L. H. Foster, County Attorney James W. Witherspoon, and Police Chief F. S. Buckalew, along with their parents for a preliminary hearing.

The boys were released to the custody of their parents on probation for 30 days, following an outbreak of scolding remarks by Witherspoon, who reprimanded the parents for negligence, and threatened to haul them before the grand jury in case of future negligence.

The boys entered the store after breaking a rear window. The robbery occurred around 11 o'clock Monday night. Police Chief Buckalew found the boys and recovered the remaining money Tuesday morning.

Potato Yields, Grade High As First 1948 Spuds Hit Market

Digging and processing started this week on Hereford's estimated \$1,250,000 potato crop with market prices ranging from \$3.50 to \$4.00 per hundred. The potato harvest was expected to gradually increase in volume from day to day, and to hit a peak around July 15. Most growers indicated that they would complete their harvest work during August.

Support Price On No. 1 Spuds Set At \$2.35 During July

The Commodity Credit Corporation has announced that it will consider purchase of Irish potatoes in the Hereford area, subject to the following terms:

Grade requirements: U. S. No. 1 grade and U. S. No. 1 grade, B size, or U. S. No. 2 grade, 1 1/4 inch minimum diameter. Sellers shall furnish PMA at their expense, official certificates issued by federal-state inspection service.

Processors and growers still estimated that around 70 per cent of the entire acreage in this area would be Bliss Triumph.

Town Sprayed With DDT To Prevent Polio

For machines and airplanes have been employed in an all-out city and county campaign to prevent the spread of polio in this community. City streets and alleys were sprayed Wednesday with DDT chemical, following which the equipment was carried to the Labor Camp south-west of town.

Beneficial In Many Ways

"We believe the campaign will be beneficial in many ways," officials said. "It will help prevent flies as well as polio, and will curb the spread of many diseases. Airplane Sprays Creek

Included in the creek spraying were "double doses" for the city disposal plant and drying beds which adjoin the plant. Similar treatment was also used along the creek on the area which was formerly set up as "Mexican Town."

Officials estimated that cost of the spraying would be small, due to the courtesy of City Manager N. V. Moss, who sent the Amarillo equipment to Hereford for the project. Actual cost of the chemicals, plus cost of two men who operate the machine, will cover expenses in the current campaign.

Wayne Phillips, John Estes Are Out Of Hospital

Wayne Phillips and John Estes, victims of an automobile-pickup collision on the outskirts of Canyon last Friday morning were able Wednesday to be on the streets in Hereford, despite painful bruises.

Phillips was thrown 40 feet from the automobile he was driving, and remained unconscious for more than two hours. His injuries, considered serious at first, proved of less serious nature. Estes, who was recovering from a previous accident, was able to telephone home from the Canyon hospital shortly after being taken there for emergency treatment.

Kid's Softball Program Opened

The go ahead signal has been given by Coach Stanton and his Kids' Softball League to begin summer work.

Sponsors of the group are the Lions Club, headed by D. C. Kinsey, committee chairman, and the Rotary Club, headed by Dr. B. M. Wilshire, committee chairman.

Two teams, with a few to spare, have been organized and practice sessions have begun. Coach Stanton said. The first four days of the week will be given to softball; hardball featured Friday at request of the players.

The games begin at 5 o'clock with five innings played each day. Games in the Sunday Evening, July 5th, optional on-lookers help with the umpiring, Stanton said.

Bruce Wooddell Runs For Hide, Animal Inspector

Bruce L. Wooddell this week authorized The Brand to announce his candidacy for the office of County Hide and Animal Inspector, subject to action of the Democratic Primary July 24.

In making his announcement, Mr. Wooddell said that he believes his experience as a peace officer places him in a position to fill the office, and he solicited the consideration of every voter upon the basis of his qualifications.

"It will be my purpose, if elected, to serve the interests of the community, and especially the cattle-men, who are most concerned with functions of the office," Wooddell stated.

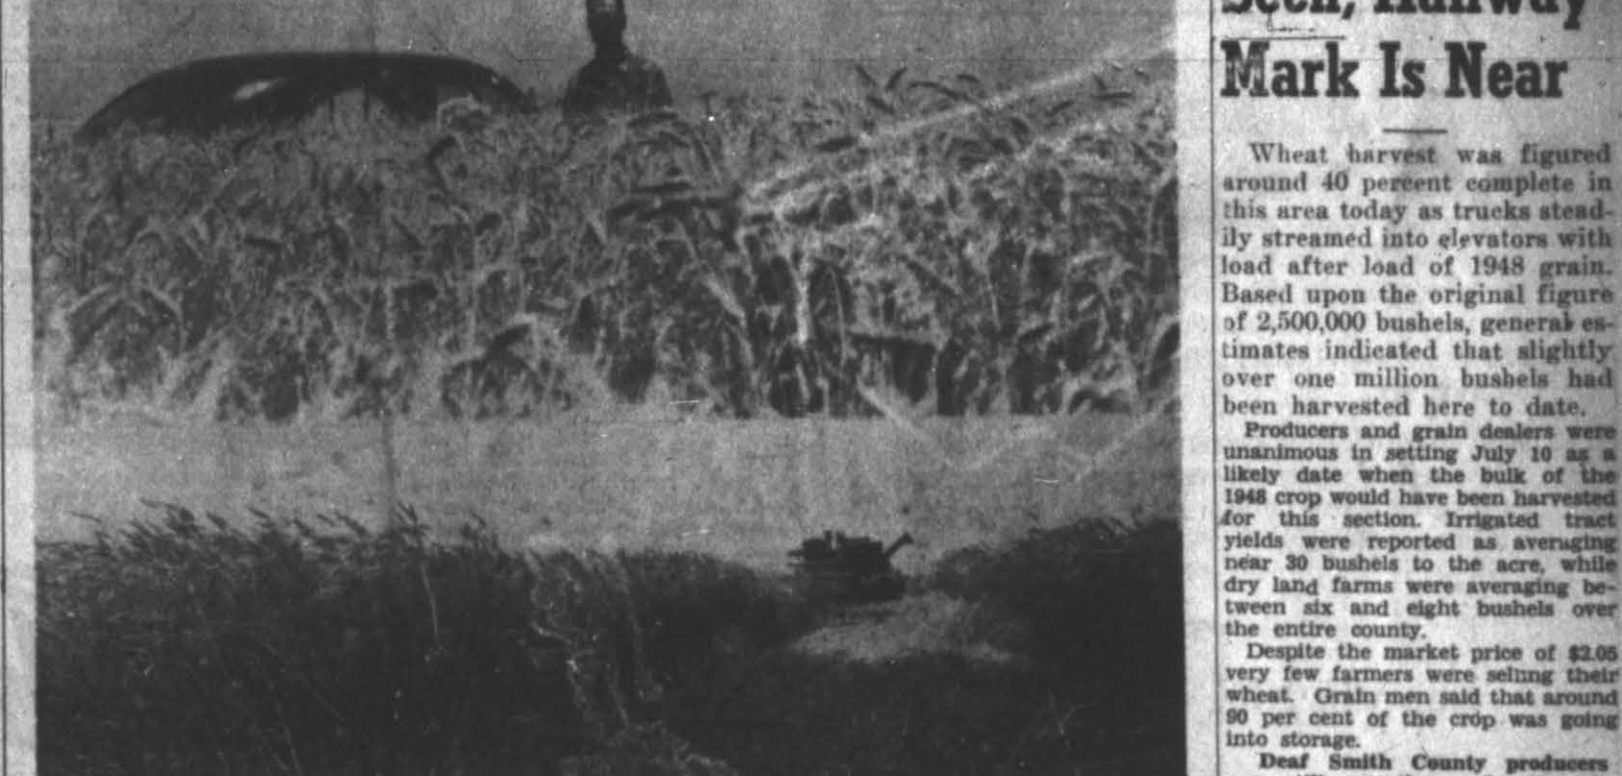

Foundation Run On Addition At Central School

The foundation for Central School improvements has already been laid and construction work on the addition will begin next Monday, according to Supt. George Graham, who said that the work will be rushed to completion to accommodate students in the 1948-49 terms.

Following plans outlined in the recent \$475,000 bond election, the school board will construct the Central School addition, 50x100 feet, for the primary purpose of affording an auditorium and gymnasium for Central School. The new addition, however, will be used for classrooms until such time as crowded conditions are relieved in the grade school system.

Wheat Harvest Slated To Close July 10; Steady Truck Line Keeps Elevators Busy

Record Plains Wheat Yield For 1948

What a crop! Above is the 78-bushel-to-the-acre wheat you have heard so much about near Plainview. It was grown by O. A. Lucas on his farm one mile southeast of Aken in the edge of Floyd County. In the top picture Lucas is shown standing in the chest-high wheat. Below the combine is cutting the wheat, which yielded slightly over 78 bushels to the acre on a 36-acre tract. The field was seeded 55 pounds to the acre. The ground was watered before the crop was planted and the wheat was irrigated three times. The variety was certified Tenmarq.

Hotel Goal In Sight, Sales Hit \$153,700

Only \$18,800 To Go

With a total of \$153,700 reported on Hereford's proposed new hotel, J. E. Hill, general chairman, today said that prospects were bright for passing the \$172,500 goal within the next week. Total stock sales were reported at \$151,200, and remaining donations on the lot amounted to \$2,500, bringing the grand total to \$153,700. The amount is now \$18,800 short of the goal.

Members of the executive committee and Chamber of Commerce directors, sponsors for the campaign, planned a joint meeting in the near future to discuss details and appoint committees to start on construction of the new hotel as soon as possible.

"It will be our purpose to begin construction as soon as possible," said Wayne Evans, general sales chairman. "We believe this is what (Continued on page 8)

Committees Are Listed By PTA

A complete roster of committees for the Hereford Parent-Teacher Association was announced by Mrs. Elmer Patterson, president, Tuesday afternoon, June 29, at a meeting of the executive board in the high school. Another board meeting was called for Aug. 31, when plans for the fall program of the association will be formulated.

The committees follow: Program, Mrs. H. H. Caraway, chairman, Mrs. Don Martin, Mrs. Roy Ford, Mrs. Cathron Bryant and Mrs. Claude Brown; hospitality, Mrs. Forrest Minton, chairman, Mrs. D. C. Barnett, and Mrs. R. H. Cagle; membership, Mrs. Joe Wagener, Mrs. G. W. Newsom, Mrs. Faust Collier and Miss Ethel Womble; finance, Miss Della Stagner, Mrs. W. H. Hair, Mrs. Walter Thompson, Dick Frye and Bob Wear.

City Equalization Board Scheduled To Meet Here July 6-7

Following a joint survey by the Hereford Rur 1 High School District and the City of Hereford to determine values on new construction, a meeting of the City Equalization Board has been set for July 6-7. The survey to establish values, similar to the one last year, was conducted by S. O. Wilson.

The City Equalization Board this year consists of S. O. Wilson, Glenn Weir, and H. M. Thomas.

Motorists Urged TO Exercise Caution On Crowded Highways Through Fourth Of July

Hereford and Deaf Smith County officers today joined the State Highway Patrol and National Safety Council in cautioning drivers to exercise care on Fourth of July trips and outings.

A fifth freedom—freedom from accidents—was recommended by the group, which pointed out 10 chances for a crack-up in each mile of highway travel.

With the warning that holiday motorists will jam the nation's highways as never before during the holiday week-end celebration this year, the Safety Council estimated that nearly 30,000,000 vehicles will be on the move during this period.

That is about 10 cars for every mile of street and highway throughout the nation, which means 10 chances for a crack-up per mile.

THE NEW GREEN HEDGE

Announcement

We have sold Simmons Tire and Supply which we have owned and operated in Hereford for over three years, and we wish to take this opportunity to express our appreciation to our many friends and customers for their loyal patronage and warm friendships.

Mr. Oswald, new owner, has our very best wishes; and we invite our former customers to give him the cooperation and trade that we have enjoyed.

Very sincerely,

MR. AND MRS. AL SIMMONS

Jumbo

BY MRS. GLEN MAY

David Adams spent Friday and Saturday with O. C. Renfro and returned home with his mother, who came for him Saturday night.

Mark Griffith of Coleman visited in the May home Sunday afternoon.

The Will Todds of Happy visited in the Clyde Renfro home Tuesday.

Louise Simpson left Sunday for a week's camping trip with the Girl Scouts.

Mrs. Glen May and Eddie visited in Odessa Monday. Joan Edwards accompanied them home Tuesday.

Relatives from Floydada visited in the T. E. Brock home Sunday.

Due to the busy harvest season, only a few attended the cooker clinic Thursday at the home of Mrs. Woodrow Nelson.

Mr. and Mrs. J. B. Cocanougher and family visited the Clyde Renfro Sunday afternoon.

Mr. and Mrs. Glen May, Eddie and Joan Edwards were in Claude Sunday visiting the Emy May family.

HEDRICK GUESTS LEAVE

Mr. and Mrs. Lew Frederick of Palestine almost made up their minds to become permanent residents of Hereford during the week spent in the home of her sister, Mrs. E. B. Hedrick. The Fredericks accompanied Mr. and Mrs. Hedrick home from Palestine last week and found everything in and about West Texas to their liking. Several informal get-togethers complimented the couple while here.

Mr. and Mrs. Hedrick were away 10 days visiting her daughter, Mrs. Lamar Hamilton, and family in Palestine, and his sister, Mrs. R. H. Collier, Dallas.

The average adult heart is about five inches long and three and a half inches wide and weighs about ten ounces.

Home Demonstration News

'Happy Homes Club' Organized By Girls Of Wyche Community

Organization was completed for the Happy Homes 4-H Club of the Wyche Community when the group met with Gail Albrecht June 24.

Happy Homes 4-H Club was chosen for the club name. Mrs. Tom Draper, county home demonstration agent, gave instructions on the use of record books which the group will keep.

Adult leaders selected by the club are Mrs. Ira Scott, Mrs. V. P. Walker and Mrs. Ira Ott.

The new president, Gracie Patheringham, presided during the business session. Other officers are, Jo Eddy Scott, program chairman; Doris Nell Walker, reporter, and Gail Albrecht, assistant secretary. Yvonne Axe and Karen Albrecht were two members added to the club.

Other members present were Doris Nell Walker, Jo Eddy Scott, Evelyn Ellison, Earle Dean, Gracie Patheringham, Margaret Edwards, Gail Albrecht, Betty Henry; a leader Mrs. Ira Ott and Mrs. Tom Draper.

Helium occurs in the air, but no commercially practical process for extracting it has been developed. In order to obtain enough to inflate an average size dirigible airship, more than two trillion cubic feet of air would have to be treated.

Helium is now used to inflate airplane tires and to treat respiratory diseases.

Iowa Woman Tells Heisleman Club Of 4-H, H.D. Work

"Texas, Its History, Resources, Government, and Topography," was the subject of Mrs. R. M. Grunley's address to the Heisleman Home Demonstration Club meeting June 24 in the home of Mr. Walter Lemke.

After a brief business meeting led by Mrs. Kinsey, a talk on "Folio Treatment and Preventives" was made by Mrs. Robert Wingate.

Mrs. George Anderson of Harlan, Iowa, was a special guest and related some of her experiences in twenty-five years of 4-H Club and Home Demonstration work.

During the social period, Mrs. Vera Jacobsen conducted a flower garden game.

The hostess served refreshments to the following members: Mesdames R. M. Grunley, Robert Wingate, Henry Kinsey, Paul Metcalf, Clarence Story, N. L. Jacobson, V. E. Lemke, Lorin Greitz, and a new member, Mrs. Leonard Erwin. Guests were Mrs. George Anderson and Mrs. Gerald of Harlan, Iowa.

Bob Mathers is in Longview for a ten-day visit with relatives. He accompanied his uncle, W. C. P. Pool, who had been a guest in the Mathers' home.

Mr. and Mrs. Billy Wells and son, Charles, were visitors Sunday of Mrs. Wells' sister and family, Mr. and Mrs. Robert Callaway, at Bovina.

Dale Pulliam of Bellview and Glenn Cotton of El Paso visited Mr. and Mrs. Densil Pulliam last week.

The first patent for a refrigerating machine was granted to Dr. John Gorrie of Apalachicola, Fla. in 1851.

Sims Club Features Sandwich-making

Sandwich-making was the theme of the demonstration given in the home of Mrs. Zerrell Thomas at the June 24 meeting of the Sims' Home Demonstration Club.

Roll call was answered with a favorite sandwich-filling recipe.

Members present were: Mesdames Cord Hammock, Edd Thomsas, Glen Hetzler, Orville Groneman, Clarence Hollabough, Roscoe Pinunell, C. W. Edwards, G. A. Ferguson, Glen L. Barrow, Donald Gusemen, M. W. Blankenship, O. A. Alexander, and the hostess.

PERSONALS

Mrs. Ida Ricketts returned Monday after visiting her son, L. A. Ricketts, and family in Ft. Worth for the past month. Her small grandson, Skipper, returned with her for a month's stay.

Mr. and Mrs. Billy Wells and son, Charles, were visitors Sunday of Mrs. Wells' sister and family, Mr. and Mrs. Robert Callaway, at Bovina.

Dale Pulliam of Bellview and Glenn Cotton of El Paso visited Mr. and Mrs. Densil Pulliam last week.

Bobby Jean Callaway returned to Bovina after spending the past week here with his grandparents, Mr. and Mrs. C. E. Sheppard.

Texans in Washington

By **TEX EASLEY**

WASHINGTON. — (AP) — Texans were in the thick of the heated, last-minute pre-adjournment arguments in the House.

Minority Leader Sam Rayburn of Bonham and Rep. J. M. Combs of Beaumont called the Republicans to task during a tense floor debate on the Housing Bill, accusing the majority party of trying to kill the measure.

Glaring toward the left side of the packed House chamber where the Republicans sat, Rayburn said in quiet, but blistering words, that the Democrats "can, shall and will" make an issue of the Housing Bill in the November election if the measure does not become law.

Rep. Paul Kilday of San Antonio directed virtually all of the debate on the draft bill on the Democratic side of this aisle, assisting Chairman Andrews, Republican, New York. Kilday acted as the measure's principal defender when attacks were made against it.

Incidentally, Rep. Overton Brooks of Louisiana announced recently he would retire from the House to run for the Senate.

That would elevate Kilday next to Rep. Vinson Democrat, Georgia, the top-ranking Democrat on the House Armed Services Committee.

Rep. George Mahon of Lubbock helped steer through numerous money bills in the closing days of the session, especially those for the armed forces. He's a member of the House Appropriations committee.

Rep. Poage, Democrat, Texas, found himself in debate with New York's negro Democratic Rep. Poyell during debate on the draft bill.

Apparently, Powell got Poage and Rep. Colley, Democrat, North Carolina, mixed, judging from the comments he made. Colley had the floor at the moment and was denouncing an amendment by Powell which would have forbidden any kind of race segregation in the Army.

Poage interrupted briefly to ask: "Does not the majority of the people have any rights in this country? We are told about the rights of minorities. What about the rights of the majority to do as they please?"

Colley promptly agreed with Poage's position and continued to condemn the anti-segregation amendment, which later was defeated. When the North Carolinian finished, Powell, who sat on the front row in the middle of the chamber throughout the debate, obtained the floor.

"I wish to say to my colleague from Texas who spoke last that I appreciate his point of view," said the negro congressman.

"I understand it, I understand the problems that he faces and that sort of thing. I don't agree with him. But there are certain things that I should like to enlighten him about that are happening in this world and have already happened.

"In the first place, Mr. Chairman, some very radical changes have taken place all over America, in Texas as well.

"I have been in Texas repeatedly. I have been in Texas repeatedly. I have been in Texas repeatedly. Lots of things are taking place down there that I am sure he is aware of, but he forgot when he said there has been no desire for a change in segregation. (Colley had made this remark referring to segregation in North Carolina).

"He undoubtedly forgets that a very militant effort was made by outstanding white people and Negroes of Texas, not we damned Yankees from the North, to get Negroes admitted to the Law School of the University of Texas.

"The gentleman from Texas also probably does not know—or forgot, rather—that Negroes are voting in such vast quantities in Texas now that in the city of Houston, for instance, one of the congressmen running there in July will be defeated or elected according to the Negro vote.

"There are between 30,000 and 40,000 registered Negro voters in Houston, where just two years ago there were not 1,000. Changes are taking place.

Rep. Albert Thomas is the only congressman from Houston. His district comprises all Harris County.

Robbie Jean Sisk, daughter of Mrs. Lorraine Sisk, is a new employe at the Pitman Grain Co., where she will work during the harvest rush season.

Fidelis Matrons Are Entertained

Mrs. Clinton Jackson and Mrs. Gerald Wilson were co-hostesses at a "come-as-you-are" coffee held at the Jackson home Tuesday morning, honoring Mrs. George Huggins, who is moving to California soon.

The refreshment table was centered with an arrangement of daisies and fiesta pottery service was used. Mrs. Floyd Sharp poured. A gift was presented to the honoree.

Those attending were: Mesdames Wayne Phillips, John Winkler, Pat Robinson, Huler Richardson, Paul Harvey, Wayne Edwards, Bill Patton, Bob Lawrence, Kenneth Coker, J. B. Hazlan, Alton Biggers, J. W. Hulse, Carroll Whiteside, J. B. Snead, Jason Luck, Raylan Evans, Claude Weatherbe, the honoree and the hostesses.

Special guests included Mesdames Bob Lawrence, J. R. Johnson, B. C. Roberson, Ben Howton and D. C. Kinsey.

Gifts Are Featured

Gifts were featured at a party given in the Raylan Evans home Tuesday morning, when Mrs. Evans and Mrs. Billy Wells were hostesses, naming Mrs. Vernon Watts as honoree.

After gifts were admired a dainty salad course was served to Mesdames L. V. Watts, C. L. Whitehead, C. E. Sheppard, Randel Lane, Francis Weatherbe, Jack Wright, Elton Brooks, the honoree and the hostesses. Many sent gifts who were unable to attend the party.

Home Demonstration News

Bippus Ladies Study Party Sandwiches At Monthly Club Meet

Following a schedule for Home Demonstration Clubs, "Party Sandwiches" was the subject of the demonstration at the Bippus Home Demonstration Club Wednesday. Mrs. Tom Draper directed the demonstration, and Mrs. C. F. Rickels was hostess to the club.

Roll call was answered with the members giving their favorite sandwich filling. Members present for the demonstration were: Mesdames J. G. Fortenberry, E. K. Pinnell, Richard Evans, Irene Ballant, J. V. Ferrin, C. F. Homfeld, Miss Christine Fort-

enberry and the hostess. Visitors present were Mesdames Roy Pruitt, Herbert Hoover, Edwin Morrison, T. Stein, O. Harris and son, Clifford. An ice cream social and "42" party was attended by 87 guests in the Bippus Community House Saturday night. Several of the guests were from Westway and Hereford.

Texas Discussed At Westway Club

Mrs. R. L. Wilson was hostess to the Westway Home Demonstration Club Wednesday when a program with the theme of "Texas" was presented.

Visitors were Mesdames Jack Renfro, R. T. Cooke and Rickman, and Miss Helen Jo Wilson. Mrs. Carlton Buck was added as a new member. Members attending were Mesdames Joe Landers, Grady Wilson, Joe Wagoner, Hughes Millard, Merin Kaul, Carl Schroeder.

According to tradition Charlemagne had an asbestos tablecloth that was cleaned by throwing it into the fire.

Whisky is not an antidote for poisonous snake bite, despite a widespread belief to the contrary.

Helium is the only element that does not solidify when subjected to near-zero temperatures.

One cubic foot of helium will lift a little more than one ounce.

The human heart is not located on the left side as commonly supposed, but near the center of the body in the thorax between the lungs.

The linotype machine was invented in 1885 by Ottma Mergenthaler of Baltimore.

Healthy Swimmer

This year's Swim for Health Girl is beautiful Corky Crowley, 21-year-old model from Dallas. Selected at the thirteenth annual national Swim for Health contest in New York, Corky is not only an asset because of her swimming, but she looks good too—both in and out of the water.

'Santone' Scores Again

Byron 'Santone' Townsend, scourge of West Texas gridrons, is shown with the trophy he received for being named the "Outstanding High School Football Player." The award was donated by the Ex-Students Association of the University of Houston. Townsend led Odessa High School to the state high school championship in 1946 and the Bronchos advanced to the semifinals in 1947.

COLLECTOR FINDS BOTTLES WITH VENUS GIRL LABELS

NEW YORK—(AP)—If you see a man rummaging through those bottles you just cleared out of the cellar, it may be Collector Leon Brin.

Brin usually visits antique shops on his trips around the country as Schenley's hotel and club division manager. He has collected more than 200 old-time, ornate bottles dating from pioneer days. His collection includes bottles that actually are glass statuettes of Venus-like girls, heads of famous men, and houses complete with a chimney for a spout.

"About a century ago," he says, "bottles often were made so artistically that they were saved when they were empty for use as parlor ornaments. Today, they're collector's items." According to their faded labels, Brin's bottles originally contained such tonics as "William R. Adams Microbe Killer—Cures All Diseases" and "Genuine Indian Sopa."

Mrs. Coneway's Brother Dies

Mrs. R. F. Coneway received word of the sudden death of her brother, George T. Hitts, of Anderson, Indiana, Saturday and left Sunday to attend funeral services Tuesday in Anderson.

Mr. Hitts had been ill for several months, but was thought to be much improved. His death resulted from a heart attack while at the country club. Mr. Hitts was secretary of the Anderson Chamber of Commerce at the time of his death, and had held that position for a number of years.

Besides his widow he is survived by one son, George T. Hitts Jr., also of Anderson.

MAN IN DOGHOUSE GETS RENT REDUCTION

LONDON.—(AP)—A lodger had his rent cut in half on a claim he lived continually in a doghouse. He protested to an East London tribunal that he had been ordered to pack up and push off because the landlord's dog didn't like him.

Michael Marcus, tribunal chairman, harked back to ancient history for his judgment. "The Roman emperor Caligula once appointed his horse to the exalted office of pro-consul. This landlord emulates Caligula by relying on the advice of his dog when deciding whether he should evict his tenants. We are still governed by laws resulting from parliamentary democracy."

The verdict: a reduction from 30 shillings (\$6) a week, to 15 shillings (\$3).

Industrial Benefits of Atomic Energy May Result From 'Uranium Breeding'

By ROBERT E. GEIGER

WASHINGTON.—(AP)—Atomic scientists are talking more and more about a major project—Operation Bootstrap.

In simple words, its goal is to "breed" atomic fuel from other atomic fuel, getting more than the original amount. At the same time, heat and electricity would be produced. Thus atomic fuel would be "pulling itself up by its bootstraps."

Dr. Robert F. Bacher, the only scientist member of the Atomic Energy Commission, called this project "revolutionary" in a recent speech. He added that "it certainly is enticing." He says Operation Bootstrap possibly may answer the question whether atomic plants will ever provide a major amount of the world's power. It may answer the questions, too, but this one is of prime importance. Here's why:

Even if scientists discover ways to build atomic power plants on a large scale, the basic raw material—uranium—is scarce. Operation of the plants would be limited to the amount of uranium that can be found in the world. Operation Bootstrap is investigating one way to get around this.

Atomic bombs and power plants must have a fissionable material as a base. A fissionable material is an element whose atoms will split by chain reaction and emit energy. In the atomic bomb project, the material is produced from uranium by the huge installation at enormous cost. Uranium is divided into sister elements, U-235 and U-238.

Uranium 235 is fissionable. U-238 is not. There are 140 times as much U-238 as U-235. The U-235 can be turned into a fissionable material, plutonium, but the present process uses as much U-235 as it creates plutonium out of U-238. So there is no profit in it.

Now scientists hope to "breed" fissionable material from U-238 and from another element, thorium. The quantity of fissionable material they create would be much greater than the amount consumed in the process, and in addition it would create heat and electricity as a by-product.

There are two big advantages of the new method: (1) U-238 is 140 times as abundant as its sister element, U-235. That means the raw product from which they come, uranium, would be made to produce much more fissionable material than by present methods if U-238 can be used efficiently, and (2) it would add a new element, thorium, to the raw materials from which fissionable materials can be produced in quantity. There is estimated to be from three to four times as much thorium as uranium in the world.

The "breeding" is done this way: Scientists begin with a pile of U-235. They place the other materials, called "fertile materials"—U-238 and thorium, which are radio active but not fissionable—in the pile. This "fertile material" becomes fissionable and thus is itself an atomic fuel.

The success of Operation Bootstrap depends upon how efficient the scientists can make the process. At present, most of the elaborate atomic plants that have been constructed at a cost of more than two billion dollars. The new process, if successful, would permit more material to be passed these plants.

In a practical way, here's what Operation Bootstrap means: The British use about fifty billion kilowatt hours of electricity a year. They estimate it would take 1,000 tons of uranium to produce that much of electricity. But the world's entire production of uranium in 1939—the last year for which figures are available—was only 1,000 tons.

How much uranium there is in the world and the rate at which it is being mined, are official secrets, but the British say the known figures are significant. They say that on this basis, atomic energy on a great scale, doesn't seem feasible.

If Operation Bootstrap is successful, the whole picture is changed, because the supply of "atomic fuel" would be increased many times. Meanwhile this is Bacher's advice: "Some, like nuclear pills to put in your gas tank, are just plain nonsense," he says.

GARDEN BEAUTIFUL CLUB TO CONDUCT PILGRIMAGE

The Garden Beautiful Club will convene with Mrs. George Graham Friday morning at 9:30 o'clock. A pilgrimage will be conducted from the Graham home at 506 E. Fourth street.

HUNTER'S

The salmon of British Columbia is the most valuable product of Canadian fisheries, with lobster second; cod, third; halibut, fourth, and herring fifth.

The United States has a virtual monopoly on commercial helium today because the chief source of it is natural gas found almost exclusively in Texas and Oklahoma.

News from Westway

MRS. MERLIN KAUL

By MRS. MERLIN KAUL

A community basket dinner held Sunday at the Robert Boyd home celebrated the birthday of Mrs. Grace Little, whose birthday was last Sunday. Before dinner was served the honor guests opened the many gifts. The birthday cake, covered with candles, was baked by Mrs. A. A. Head and after it was lighted, was presented to the honoree. Luther Boyd said grace. Those present to enjoy the occasion included the families of G. C. Merritt, Elmer Combs, Earl Scott, J. C. Morrison, Jimmy Thomas, Joe Landers, Carl Schroeder, A. A. Head, Harold Head, Merlin Kaul, Amos Torbett, John Townsend, the Robert Boyd family and Mrs. Grace Little and from Hereford Mr. and Mrs. R. M. Gunn, Mr. and Mrs. Pink Luck, John Ross, Luther Boyd, and Mrs. Grady Wilson.

There were 69 present for Sunday school Sunday. Plans are being made for starting a new class for "beginners." A large crowd was present for singing Sunday night. John F. Taylor, Miss Pat Holland, and Miss Joyce Holland of Canyon, Mr. and Mrs. Buck Parsons and family of North Hereford, Mr. and Mrs. A. S. Duckworth and Roger of Hereford were among the visitors present. Preaching services will be held next Sunday.

66-Bushel Wheat
Tom Clay is feeling mighty good about his wheat harvest. Tom had 28 acres which was planted on potato land. He believes that some of the wheat made as much as 60 bushels per acre. The average for the field was 47 bushels. He can also be proud of a fine garden, which is now in full production with most any vegetable—from lettuce to turnips. The lettuce is just beginning to head and is as good as it looks.

V. Skypala has just returned from a hospital in Amarillo, where he spent several days taking treatments on his legs, which was injured in a tractor accident several years ago. The treatment will have to be continued several months, he reported.

Those of the Baptist Church were interested in the first page article of the church paper, The Baptist Standard, this week. The article was written by Ruth Tucker, who was a member of our Sunday school for a number of years.

Manuel Hawks suffered head and shoulder injuries last week in an accident which could easily have

been very serious. He and his son, L. T., were trying to start a combine motor. L. T. was on the tractor and did not realize that the combine had started. Manuel did not have time to get out of the way. A neighbor, standing by called to L. T. to stop, and they rushed Manuel to a doctor for aid.

S. J. Cook, who is working for the police department at Fresno, California, with his small brother, Jack Wink, made a flying vacation trip to visit relatives and friends in this vicinity last week. He called at several homes in this community.

Paul and Jassie Matteson, Jack Wink and S. J. Cook were callers in the A. C. Pierce home Friday evening.

Mr. and Mrs. Leeland McMurray and sons, and Mr. and Mrs. Howard Gore and baby of Hereford were visitors Tuesday night of Mrs. Grace Little.

Mr. and Mrs. Marlin Pierce and baby daughter, Deborah, and the Ulys Pierce family of Hereford spent Sunday in the A. C. Pierce home.

Mrs. D. L. Fahrny of Alvin is visiting in the home of her parents, Mr. and Mrs. Earl Scott. Mrs. Scott's parents, Mr. and Mrs. W. C. Green of Plainview, were also visitors in the Scott home one day last week.

Mrs. Frank Gaspell of New Boston, Iowa, was a visitor one day last week in the Kelly Gray home. Mrs. Gaspell then went to Hereford to visit in the Grady Wilson home.

Mrs. Earl Scott, Mrs. Grace Little, and Mrs. Merlin Kaul attended the HD Council at the county court room Saturday afternoon.

Mr. and Mrs. W. B. Nunnally and Jackie Lynne were dinner guests Sunday in the Guy Lawrence home at Hereford.

Mr. and Mrs. Curt Griffin of Amarillo were visitors Sunday in the home of her sister, Mrs. Paul Rudd.

A. A. Head left Sunday for his ranch at Lamar, Colorado, to start wheat harvest there.

Mrs. H. D. Robbins and Betty, Mrs. E. H. Little Jr., of Frio, and Mrs. Robert Boyd and Mary Kathryn spent Tuesday afternoon with Mrs. A. A. Head and Mrs. Harold

Read.

Recent visitors in the Kelly Gray home were Mr. and Mrs. Will Fisman and son of Laurel Mississippi, and Mrs. Henry Green and children of Dawn.

Mrs. Marlon Clark and children, Sharyn and Jimmy, of Lincoln, Arkansas, and Mr. and Mrs. E. E. Allen and children of Adrian, were recent visitors in the Townsend home. Mrs. Allen is a sister of Mrs. Townsend and Mrs. Clark is a cousin of Mr. Townsend.

Gayle Wagoner spent last week in the home of her aunt, Mrs. Van Colthrop at Pantex. Her parents went after her Sunday.

Earl Norris of Brownfield was a visitor in the Grady Wilson home one day last week.

Mrs. W. H. Arnold of Leonard is visiting in the home of her brother, R. N. Cook. The Cook family lives where the Alex Bateman fam-

ily lived on the Walter David farm.

Mr. and Mrs. H. A. Walker and daughter, Treva, of Long Beach, California, and Mrs. G. B. Carley of Clovis, New Mexico, spent Wednesday in the Paul Rudd home. Mr. Walker is an uncle and Mrs. Corley a sister of Mr. Rudd.

Mr. and Mrs. J. C. Morrison and family, Mr. and Mrs. Jimmy Thomas and children, Mr. and Mrs. Merlin Kaul and boys, Mr. and Mrs. Elmer Combs and boys, and Mr. and Mrs. G. C. Merritt and G. C. attended the ice cream supper and "42" party at Biopus Community House Saturday night.

Mr. and Mrs. John Wood have moved from Hereford to the former Hartman home, which they purchased some time ago.

Several families from this community attended the revival meeting at the church of Christ in Hereford last week.

Mrs. Merlin Kaul was a caller in the R. M. Gunn home at Hereford Monday afternoon.

Mrs. Joe Landers and Ross Joe spent Monday in the R. M. Gunn home at Hereford.

Robert Schroeder was a visitor in the home of his aunt, Mrs. A. A. McMillan, at Hereford Monday night.

G. C. Merritt (Preach), announces that there will be singing practice at the school house Friday night.

Scattered showers in this community Friday and Saturday nights were enough to benefit feed crops and gardens.

Rats and guinea pigs, which have been bitten by venomous snakes, die more quickly when given whisky or alcohol than if the supposed antidote is not given.

RAYZOR FAMILY HOLDS REUNION

For the first time in 34 years all the surviving members of the W. H. Rayzor family were together in a family reunion last week in Texas City, where Mrs. Rayzor makes her home.

Those attending were Herbert Rayzor of Honolulu, Kenneth Rayzor, Corpus Christi; Jarvis Rayzor, Galveston; Mrs. Edith Conana and Mrs. Louise Sutton of Texas City, and Mr. and Mrs. Charles Newell and family of Hereford.

The Rayzors were one of Hereford's pioneer families and made their home here several years after his death.

Mr. and Mrs. Newell and family returned Saturday and their niece, Marilyn Sutton, accompanied them for a visit here and on the North Plains. An route home they visited the Carlsbad Caverns in New Mexico.

FURNITURE — UNDERTAKING

Hotel Goal

(Continued from Page 1)
the people want, and we will work toward this end."
Details of organizing the corporation, selecting plans, letting contracts and other points will result in considerable delay, however, according to leaders in the campaign, who estimated that progress will be rapid if work is begun on the hotel by September.

No Peak Rush

(Continued from Page 1)
over the entire 78 acres. Boston said that this crop was the first wheat on the land and that it followed a row crop. He attributed the yield to new type T. M. T. plowing into bottom sub-soils. He said that he watered the tract three times.
Grain dealers were disturbed over the quality of some of the wheat reporting tests so low that they could not accept wheat in several cases. Harvesting of green wheat was cited as the chief cause, and a few producers were spreading their wheat on the ground to dry it out in an effort to improve tests.
The harvest season continued to follow the peculiar pattern of "no peak rush," and continued at a slow, steady clip. While most of the crop was expected in by July 10, a few producers will not begin harvest before that time and scattered tracts will lengthen the season.

Support Price

(Continued from Page 1)
"Calls must be released through the PMA office to be sold by any person taking part in the support program," Faust Collier, PMA Administrator for this county, said today. "Any farmer or feeder may contract for purchase of size B, No. 1 or 2 potatoes by the lot of for their estimated needs at this office. Buyers from New Mexico or any other county in Texas must have letters from their county agent certifying their eligibility."
The potatoes will be resold to certified farmers and feeders at 10 cents per bag.
Several species of snakes kill and eat other snakes.

Padded Fish Story

Four-year-old Teddy Hame, of Mayaguez, Puerto Rico, drops a line in his favorite fishing hole from one of the huge water lily pads growing at a nearby United States agricultural station. This pad is fifty-three inches in diameter and will not only support Teddy, but anything he catches—provided they are not whoppers like the lily pads.

19 Candidates

(Continued from page 1)
contested on the ballot. E. L. Pitts is unopposed for the office of Chief Justice, Court of Civil Appeals, 7th Judicial District, while Ernest O. Northcutt and James O. Lumpkin are seeking election as Associate Justice for the same court. Eugene Worley is not opposed for re-election to Congress from the 18th district. Grady Hazelwood is likewise without an opponent in his race for State Senator, 31st district. J. Blake Timmons and Seldon Simpson are listed for the office of State Representative, 123rd District, and Floyd H. Richards is unopposed in his race for re-election as District Attorney in the 69th Judicial District.
The first primary election will be held Saturday, July 24, with voting boxes in the customary 10 precincts, Mr. Acker said.

Visiting Mr. and Mrs. A. K. Grifitt are her mother, Mrs. T. M. Tyler and a friend, Miss Evelyn Tubbs, both of Sheridan, Ark. They arrived last Tuesday and will leave Friday.
Mr. and Mrs. E. J. Stock and son and daughter of Defiance, Ohio, stopped at the E. F. Fridley home overnight this week on their way to visit the Carlsbad Caverns.

Potato Yields

(Continued from Page 1)
have installed potato waxing machines. During the processing of the crop, each potato will be given a waxy coat from a water emulsion. Advocates of the process declare that the coating improves the carrying and keeping quality of the potatoes.

Hospital Notes

Patients dismissed from the hospital this week were: Mrs. Vera Weidon, med.; Evelyn Lesly, O. B.; Mrs. Weldon, P.H. surg.; Mrs. Mabel Torbett, med.; Jim White, med.; Mrs. E. D. Hopson, O. B.; Mrs. F. A. Tucker, surg.; Harold Saltsman, T. & A.; Gayle Rogers surg.; Mrs. Dennis Reiz, O. B.; Ila Mabel Marshall, T. & A.; M. C. Allan, med.; Charles R. Kropff, emerg.; Mrs. Ed. Curtin, surg.; Mrs. Harry Taylor, med.; Clarence Summers, O. B.; Mrs. Elwood Skypala, O. B.; Mrs. J. H. McLean, O. B.; Mrs. Nettie Payne, O. B.; Mrs. O. A. Rudd, surg.; Mrs. Floyd Cole, O. B.; Mrs. Elizabeth Waltersheid, O. B.; Mrs. H. C. Owen, med.; and Thresa Ann Henders, med.; Sara Ann Hudspeth, med.
Mrs. E. E. Shaw, med.; Carrall Lesenbe, surg.; John David Rodgers, T. & A.; Mrs. Wallace Keene, med.; Ruth Dalley, O. B.; Mrs. Frank Fortenberry, O. B.; Mrs. Carl Ferrin, surg.; Robert L. Thompson, surg.; Mrs. Ray Reeder, med.; H. V. Johnson, med.; Jimmy Dixon, T. & A. and Mary Lou Blevins, med.
Dismissed this week
And from out-of-town was Tom Rowe of Anton, surg.
Patients in the hospital this week included: R. O. Douglas, med.; Nancy Mata, surg.; George Ford, surg.; Mance Manuel Robertson, emerg.; Mrs. George Anglin, O. B.; Clifford Kerr, surg.; Mrs. Mary Kay Hagar, O. B.; Mrs. Jack Miles, med.; Mrs. Charlie Williams, O. B.; Mrs. Glenn Watts, med.; Kenneth Shockley, med.; Neely Kimbrough, surg.; Mrs. Wallace Keene, surg.; and Mrs. W. R. Black, med.
American dairy production totals more than one billion dollars worth every year.

Town Sprayed

(Continued from Page 1)
also inaugurated by the outbreak of a peck case in the Labor Camp, when Ellis Arzola, 18-month-old Mexican girl, became stricken with the disease.
City and county officials urged citizens to continue the drive to place light-lifting garbage containers in the alleys, and to keep garbage and trash piled in alleys for collection. Both the city and county are operating collection trucks to handle garbage in the community-wide clean-up campaign.

Americans, on the average, consume about four pounds of cheese per person every year.

Nazareth Nabs 8-6 Thriller Here Sunday

By HOMER FOX
Last Sunday, Nazareth came up with blood in their eyes—and when that bunch of flat-heads left for home, they had a ball game under their belts—and all we had was a bunch of cauliflower ears and a ringing in our heads.

They taught us how to come down to Nazareth, and jump on them when it was raining and catch them without even one "umbrella." We ran backwards, side-stepped, ducked, counter punched—but they really caught us on the chin with a smashing right in the first round and we never did recover.

The hits were even, with 9-all, but the Nazareths came when they needed them and connected our errors. They crossed the plate eight times to our six, and, after all, the way to make eyes is cross the plate. Besides, those eyes are what win ball games. Something else that helped Nazareth was a not-too-big chap wearing specs out there in the box, by the name of Hochstetern. He was the stingiest cuss we ever saw in the clutch. Nazareth started right off in the first inning with a bang. E. Schultz, first up for Nazareth, walked. A. Gerber tripled into left, Hoisting was out, second to first; Venhouse popped to the pitcher, Schumacker singled, scoring Gerber. C. Schulte singled, and Brockman struck out; two runs on three hits, and a walk.

Carroll, first man up for Hereford, struck out; Lueb whammed one over where the fence should be for a home run. Stan Barrett caught Hochstetern's yo-yo ball for another home run, and we were up with them at two-all. Nazareth counted again in the second when Pohlmeier singled, and made it home on three errors and a passed ball and we were behind again, 3 to 2. John Winkler started bearing down after that. Nazareth got one single in the third, none in the fourth, one double in the fifth, and none in the sixth.

Hochstetern started a little plain and fancy elbowing himself. Hereford missed in the third, one hit in the fourth, one triple in the fifth by (Continued on Page 10)

'Noah's Ark' Via Air Express

Two by two, like the animals boarding Noah's Ark, cattle move to the ramp of a DC-4 plane which will fly from New York to Italy. This shipment of animals, weighing over 11,000 pounds, is believed to be the largest ever flown overseas. All animals are pure stock for breeding purposes.

Life Saving Course Is Completed By Nine Hereford People Past Week

Following completion of a Senior Red Cross Life Saving School Monday, Bud Bradley, instructor, today reported that nine persons successfully completed the course. Classes were held on the J. A. Pitman farm, southeast of Summerfield.

Those who completed the course Durham, Buddy Corbett, Margaret were: Beverly Barkley, Ronny Barrett, Mary Jane Barrett, Pat Corbett, Thomas Hotford, Jack Simmons and Ben Plummer. Simmons and Plummer also assisted Mr. Bradley in conducting the classes. The entire group was re-

ported to have volunteered in helping to open the new Hereford swimming pool in July.

"Senior Life Guard awards will be mailed from the St. Louis office of the American Red Cross," Bradley declared, adding that each member of the class showed remarkable aptitude. The course consisted of life saving and water safety.

A second course is planned by Mr. Bradley, who said that considerable interest has been shown by Jaycees and Scout leaders. A tentative date has been scheduled for August 15, provided interest continues.

Wind, Hail Storm Rain Destruction On Dawn Area

A hard rain, a brief flurry of relatively large hail, and wind swept across the heart of the business area of Dawn community last Thursday, and resulted in broken window panes, several damaged windmills, and near-levelled wheat crops.

The cyclone-like weather disturbance suddenly swooped down on the small community about 5 P. M. and three inches of rain had fallen before conditions returned to normal.

The path of destruction seemed to be about one-half mile wide and almost directly over the business district of the community. Wheat crops and gardens that were within the orbit of the disturbance were virtually levelled. Hail that approached the size of eggs pelted the community for several minutes and accounted for the majority of the crop damage.

One windmill was foppedled over and several others were leaning considerably. An empty freight box car was blown thirty or forty yards along the railroad track by the strong wind that accompanied the (Continued on Page 10)

Kropff Suffers Minor Injury In Scooter Crash

Charles Kropff escaped with minor injuries and bruises last Thursday, when his motor scooter collided with an automobile just north of Hereford.

The accident occurred approximately two blocks north of town on 25-Mile Avenue, when an automobile ahead of him made a left turn. Kropff said he saw no signal, and since no turn-off was available, he plowed into the rear fender of the car as it drove off the highway.

Nearby residents, who saw the accident, called for an ambulance, which carried Kropff to the Deaf Smith County Hospital. He was able to return to his home after two days in the hospital. Mr. Kropff is a brother of Mrs. Russell Hunter.

Paving Program To Be Stepped Up

It's a Long, Long Way to Market

It is a long, long way to the grain elevators (arrow) for the ears of wheat in the foreground. Scene of this congestion is Ft. Worth, where local grain elevators recently received more than 1,100 cars of 1948 wheat in a single day. This was the largest amount of wheat for such a period of time in the history of Ft. Worth markets.

Brand To Publish Two Papers Each Week; Editions Slated Thursday, Sunday Mornings

Cited by the publishers as the answer to a definite need in a growing community, The Sunday Brand will make its initial appearance in Hereford Sunday, July 4, and will continue thereafter in conjunction with the regular Thursday edition of The Brand.

"We appreciate the interest and favorable comment which has been advocated in the new publication," Mrs. Seth B. Holman and Jimmie Gillentine, publishers, stated. "It will be our purpose to give you a Sunday paper highly similar to your present Hereford Brand, plus eight pages of Associated Press color comics. News of people and happenings in this area will be featured in both publications."

In announcing the Sunday Brand, the publishers also said here after appear Thursday morning, rather than Thursday after-

Curb, Gutter First Step In Paving Plans

Work on Hereford's new \$400,000 paving program got off to a slow start this week, due to lack of materials and machinery, according to J. A. Pruitt, superintendent for C. Hunter Strain, contractors. Pruitt said, however, that additional equipment will arrive this week and predicted that work will progress more rapidly beginning next Monday.

"We expect to have everything necessary to proceed rapidly with the curb and gutter work sometime this week," he declared. Curb and gutters must be in place before we can actually start paving the streets," he said.

Mr. Pruitt expressed appreciation for the cooperation which has been extended by persons contacted in regard to signing of paving contracts, and said that complete information in regard to the entire program may be secured by calling 615, or visiting the offices of the contractor in room 6 over The Brand.

"We will be glad to help in any possible manner in regard to the paving program," he said.

The program calls for pavement of all except 18 blocks in the Original City of Hereford, along with numerous streets in sub-divisions adjoining the original townsite.

A total of approximately 135 blocks, plus downtown business alleys, will be included, according to previous estimates. The paving project is the result of a bond issue of \$133,000, voted last spring for city street paving in Hereford.

"The \$133,000 represents approximately one-third of the paving cost," Mayor W. E. Dameron said. "When the property-owner's payments are included, the entire project will run around \$400,000."

POLISH HERO'S MEDALS RETURNED FROM GERMANY

WARSAW. — (AP) — Personal properties of Tadeusz Kosciuszko, Polish hero who helped Americans win their independence, have been returned to their rightful resting place. Flags, uniforms, rifles, souvenirs, and trinkets which were carried out of Poland by the Germans have been recovered and placed in the Polish army museum.

Almost one-third of the nation's trucks are now in use on farms and ranches, the Department of Agriculture points out. Farm trucks have increased to 1,889,000, or 61 per cent, since the war began. There are also 4,860,000 cars and 3,000,000 tractors in use in agriculture today, making the farm a major user of oil products.

New machines, varying from oil-burning brooders to pean-tree shakers, have entered the agricultural picture in the past decade. Oil-powered equipment on farms and ranches today includes hay balers, corn pickers, combines, hop pickers, loaders, and stone pickers, with 3,000,000 tractors providing basic power.

More than 80 per cent of America's crop land is now plowed with tractors, according to the U. S. Department of Agriculture. Tractors operate more than 100 different types of farm implements, the Department says. In the small grain class, such as wheat, rye, barley and oats, 80 per cent of the harvesting is also tractor-powered.

Mr. and Mrs. W. L. Alexander and daughter, Beverly Billingsley, and granddaughter, Beverley Ann Billingsley, spent last week-end visiting Mr. Alexander's sister, Mrs. Bell Hedlund, in Monahans and his brother, Clyde Alexander in Hereford.

Mrs. Harris Is Host To Mary E. Class

The Mary Elizabeth Class of the First Baptist Church met in the home of Mrs. G. E. Harris Thursday afternoon. Mrs. Glenn Boardman and Mrs. Roy Thompson were co-hostesses.

Mrs. H. E. Miller conducted the devotional lesson. Roll call was answered by members responding with interesting facts concerning their fathers. After a short business session, Mrs. O. T. Bailey entertained with piano music.

Present were Mesdames H. E. Miller, John Hacker, Sam McLallen, Elwin Hutchison, Robert Gollehon, O. T. Bailey, Tandy Legg, R. L. Root, Horace Schloss, and the hostesses.

Mrs. Inez Wendel and son, Karl, of Tucumcari visited Mr. and Mrs. H. T. Wedel of Hereford and Mrs. H. H. Miller of Dawn. Mrs. Wedel is a teacher in the Tucumcari schools and is attending West Texas State Teachers College this summer, working toward her M. A. degree. Karl will spend the summer here with his grandparents.

Miss Lena Harman of Fort Collins, Colorado, spent Saturday in the home of her friend, Miss Earline Phillips, daughter of Mr. and Mrs. W. B. Phillips, Fyole.

CAMPAIGN VIA HELICOPTER. Congressman Lyndon Johnson bids goodbye to friends as he embarks on the first political campaign in history conducted via helicopter.

SOCIETY

Mrs. Carl Wimberley Is Elected President of Dawn Music Club

The Dawn Music Study Club recently met in the home of Mrs. N. R. Miller with Mrs. J. E. Byers hostess.

Mrs. Carl Wimberley was elected president of the club for the coming year. Also elected were: Mrs. R. E. Latham, vice president; Mrs. Melvin May, secretary; Mrs. J. B. Caraway, treasurer; Mrs. L. L. Althart, parliamentarian; Mrs. E. C. Reinauer, reporter and rating chairman; Mrs. R. T. Stewart, choral director. Members also voted to join the Texas Federation of Music Clubs.

"Form and Design" was the theme of the program, with Mrs. J. B. Caraway leading the lesson. Musical selections included folk songs sung by the members, with Mrs. N. R. Miller directing. Mrs. Caraway sang "By the Waters of Minnetonka" (Laurance), accompanied at the piano by Mrs. R. T. Stewart. Tchaikowsky's "Concerto No. 1" was played by Mrs. Latham. Group choral practice concluded the musical activity.

Members present included Mesdames Zed Caraway, Byers, Miller, R. T. Stewart, Latham, May, Wesley Cox, Reinauer, and Wimberley.

Mrs. Harlow Feted With Supper Party in Kinsey Home

Twenty-four places were set for the supper-party given for Mrs. Harlow Friday evening at the home of Mrs. D. C. Kinsey. Co-hostesses were Mrs. Carroll Whiteside and Mrs. Clinton Jackson.

A pink and blue color theme was featured, with Esther Reed daisies and lighted tapers producing the decorative effects. The crystal service and the fruit-plate menu repeated the color scheme set by the flowers.

Present were Mesdames O. M. Dickey, Jim Young, Frank Watson, Bob Lawrence, A. O. Thompson, Jack Roberson, George Graham, A. L. Manjeot, Jack Kirksey, P. L. Diahman, Erabel Young, Owen Stagner, Wayne Evans, J. R. Allison, Jimmie Allred, R. E. Anderson, J. R. Fowkes, Gerald Wilson, Marlin Gilliland, A. N. Mc Right, J. C. Weaver of Amarillo, Miss Frances Young, the honoree, and the hostesses.

Two Informal Farewell Parties Compliment Mrs. W. F. Harlow

Mrs. W. F. Harlow, who will leave soon to make her home in Chandler, Oklahoma, was honored recently with two farewell parties.

The Vada Waldron Circle of the Baptist Church entertained Wednesday with a gift party for Mrs. Harlow in the home of Mrs. Louie LeGrand. Mrs. A. N. McRight, circle chairman, assisted.

After a short devotional service, gifts were presented by Mrs. George Graham, who pantomimed the part of a badly crippled person to represent the crippling effect of Mrs. Harlow's departure on the circle's activities.

Refreshments were served to Mesdames A. L. Manjeot, J. J. Buckner, J. E. Young, D. C. Kinsey, Frank Watson, George Graham, Carroll Whiteside, A. Q. Thompson, the honoree and her daughter, Joyce, Nan Buckner, and the hostess.

Mr. and Mrs. B. C. McCasland and son, Jerry, of Lubbock, spent Sunday in Hereford. Mr. McCasland addressed the First Christian Church Sunday morning, filling the pulpit of Rev. Roy W. Ford.

Misses Nancy and Thelda Cobb of Kress are visiting this week with their aunt and family, Mr. and Mrs. John Robinson.

METHODIST YOUTH GROUP ELECTS NEW OFFICERS

Officers were elected at the sub-district meeting of the Methodist Youth Fellowship at the Church Thursday night. They include: Howard Humphreys of Tulla, president; Jesse Click, vice president; Floyd Carpenter, Dimmitt, secretary-treasurer; Joyce Menales of Tulla, publicity superintendent. The four commission chairmen are Martha Thomas, worship; Bill Behrens, Dimmitt Circuit, community service; Howard Morris of Tulla, missions and world friendship; and Harold Brown, Dimmitt, recreation.

Harold Brannon of Dimmitt gave a brief talk on "Immortality." Recreation was directed by Rev. Don Davidson, pastor.

Representatives from Dimmitt, Tulla, Hart, Big Square, and Hereford attended the meeting. A council session was scheduled for Friday night, July 2, in Dimmitt. The program for the coming year will be outlined at that time.

24 Hour Wrecker Service

KINSEY MOTOR CO.

PHONE 740 — NIGHTS 419-W

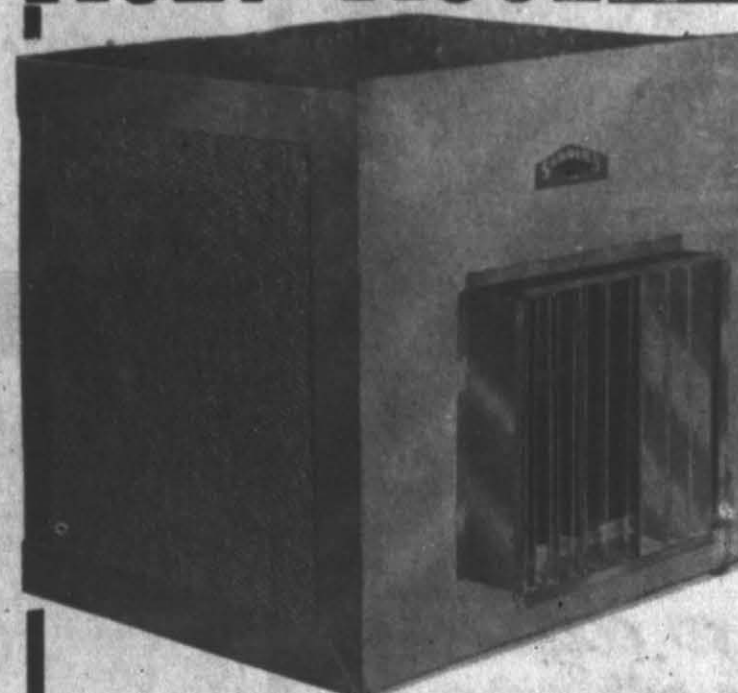

It wasn't his fault! Actually he did call, but she has a party line and every time he tried to get her someone was using the line.

If you can arrange your calling so that your line is free during most of the busy morning and evening hours, you and your party-line neighbors aren't so likely to miss calls.

Most party lines are busiest during

the morning telephone shopping hours and between 6 and 8 in the evening after people get home from work. You'll get the very best service from your party line if you make most of your social calls in the afternoon or after 8 in the evening, when the lines aren't so busy. Southwestern Bell Telephone Company.

Record Wheat Yield

Here is that wheat field near Plainview that claims the record yield of 78.18 bushels per acre. O. A. Lucas' 30 acre tract of land in Floyd County is now claimant to the highest yield ever recorded in the Plains area. The wheat variety is tenmarq and it was grown on irrigated land.

Another Letter to the Editor from . . .

The Bootleg Philosopher

Editor's Note: The Bootleg philosopher on his Johnson grass farm out here at Bootleg claims Congress and the President have nothing on him, his letter this week reveals.

Dear editor: I have been reading copy after copy of newspapers which have been turned up out here at Bootleg with the regularity of a hand-shakin politician, and they have all been full of the argument over whether the present Congress is history and whether Truman is the worst president in history. The President says the Congress is the worst, Congress says the President is the worst.

Now I ain't goin to take sides in this matter, don't make no difference if my neighbor from across the creek says both of 'em is right, but I would like to say I can sympathize with both groups.

For years I have been referred to by any number of people in this vicinity as the worst farmer in history, and I am proud to know this puts me up in the congressional and presidential class.

I don't know what all the requirements is for the worst President, worst Congress, or worst farmer, but I have noticed a good many of the neighbors who have referred to me as the worst farmer ain't farmin' here no more. Moved off, went to town, tried barberin' or workin' in a cannin' factory or

clerkin' in a store. But I'm still here.

Farmin' is easy when you do it from the front seat of a car while drivin' along the road lookin' out over the land and can point out this and that which ought to be done. Looks like any dumb farmer would do it, but your perspective changes when you look at your farm from behind the steerin' wheel of a tractor or the swishin' tails of a pair of mules after a ten-hour grind and you realize if anything gets done you'll have to do it yourself and in my case you're already four or five years behind and feelin' llike if you can just make it through supper without fallin' asleep you'll be doin' pretty good.

At least, that's what my neighbors say, as personally I discovered long ago ain't no farmer never gonna catch up and if you're gonna be behind anyway you might as well be behind comfortably and in the shade and there ain't much sense goin' to the field now to plow Johnson grass you should have plowed back in 1918.

Me and Truman and Congress may be the worst in history, but we ain't losin' much sleep over it and there ain't no tellin', the next bunch may be forsen' we are. Ain't this the land of unlimited possibilities.

Yours faithfully,
J. A.

Garden Club Gladiola Displays Shown in Business Houses Saturday

The gladiol display, sponsored by the Hereford Garden Club, will be shown in four business houses here Saturday and arrangements will also be located in the Post Office and Deaf Smith County Library.

The displays may be viewed at the Hereford State Bank and the First National Bank from 10 o'clock in the morning until noon and at Streu Hardware and Hiale Drug from 2:30 in the afternoon until 6:30.

The flowers will feature those grown by the Hereford Garden Club members and will include the King Lear (deep purple), Spot Light (yellow), Maid of Orleans (white), Rev. Fallu (red), and Pearly and pink Picardy varieties.

Mrs. O. O. Hill and Mrs. Don Combs will be at State Bank; Mrs. Lyle Blanton and Mrs. Jim Black at the First National; Mrs. A. O. Thompson, Mrs. M. T. Rutter, Mrs. C. D. Kelton and Mrs. W. S. Pruitt, at Streu's; and at Hiale Drug will be Mesdames Edward Robertson, Earl Springer, Dennis Barnard and Lillian Wilson. Mrs. C. C. Ferguson and Mrs. Marshal Formby will be in charge of the library display.

Club members will answer questions about the flowers and will accept orders for bulbs for both July and fall plantings.

Mrs. A. L. Manjot is general chairman of all display arrangements.

Mrs. Laverne Longbottom is a new employee in the office of Production Marketing Administration in the courthouse. F. O. Collier is her employer.

Among a group of young people who spent a few days in Ruidoso last week were Mr. and Mrs. V. C. Hopsan, Elizabeth Benson, Betty Craig, L. H. Lookingbill and Paul Dishman.

MARKETS

(USDA) — Mixed strength and weakness appeared at Southwest farm markets during the past week, the United States Department of Agriculture's Production and Marketing Administration reports.

Slaughter steers and stocker and feeder cattle held their own fairly well for the week, but killing cows and calves sold for \$1 to \$2 lower at most Southwest markets. Common and medium cows sold generally from \$17 to \$21.50, though San Antonio paid only \$15 to \$17.50. Common and medium calves ranged from \$16 to \$25 at Texas markets. Wichita paid \$28 for top vealers and calves. Good and choice vealers brought mainly \$27.00 to \$31.50 at Denver, and \$25 to \$29 at Kansas City.

Sorghums dropped 35 to 40 cents a hundred pounds to feature the week's grain trade. Barley fell 10 cents a bushel, but other grains scored advances of 1 to 5 cents. A flood of new crop offerings pushed No. 2 yellow milo down to \$3.25 to \$3.35 and barley to \$1.75 to \$1.80. Number 2 white oats sold around \$1.29 to \$1.33, white corn \$2.84, and No. 1 hard ordinary wheat \$2.42.

Hog prices scored substantial gains of \$1 to \$2.50 during the week, and rose as much as \$3.50 at some markets. Monday's trading at San Antonio and Ft. Worth reached a top of \$25 on good and choice medium weight butchers, while the bulk at Oklahoma City and Kansas City moved at \$27.50 to \$27.75. Denver paid \$28 to \$28.50.

Usually narrow fluctuations during the week left cotton 50 cents to \$3.50 a bale lower Monday. Spot middling 15/16 inch closed at \$37.15 cents a pound at Dallas, 36.50 at Houston and Galveston, 36.05 at Little Rock, and 37 cents at New Orleans.

Chinese City Proves DDT Effectiveness

TSINGTAO, China. — (AP)— This city, where the U. S. Western Pacific fleet anchors gets a weekly bath of DDT. And as a result, says Marine Col. Lamson Scribner, it is the cleanest city in North China. As for flies and mosquitoes, it can be compared favorably with any American city.

The spraying by a specially-equipped Naval transport plane, was considered necessary because of the long devastating effects of war and the influx of destitute refugees to Tsingtao.

Since early April, this navy blue craft roars over the city every Monday morning, only 100 feet above the ground. Residents long since have become accustomed to its long wake of white cloud. This is a special mixture of DDT and Diesel oil. The oil helps the DDT spread on the surface of the water and other places where insects breed.

Mr. and Mrs. Ernest George of Houston are newcomers to Hereford. Mr. George is employed by the London Barber Shop. The George family has previously resided at Spur.

Mr. and Mrs. W. I. Smith of Belton have recently moved to Hereford. Mrs. Smith is employed by the Beauty Mart and Mr. Smith is working at Fraser Milling Co.

Smoothest Distance between two points!

Come in... discover the exclusive Packard ride!

EVEN before your first revealing ride, it's easy to understand why Packard's luxurious comfort is out of this world!

For Packard has an exclusive suspension system that adjusts itself automatically to variations in load and road! And here's why it gives you a perfect ride:

1. It has softness—to swallow tremors as well as bumps.
2. It has firmness—for safe, restful roadability... on a windswept super highway or a winding country road.

3. It has all-load flexibility—no "riding high" with a light load... no sag under a full one.

4. And the smoothness lasts—for Packard springs are self-controlling.

So, get a good basis for your comfort comparison. Look first at the leader—at your nearest Packard showroom!

STEPS TO LAUNDERING LUXURY

ELECTRICALLY

First you'll want an electric washer, easy on your clothes, yet capable of turning out an entire week's wash sparkling clean. Then a dryer, a convenience any time, a blessing when bad weather holds up line drying. And then to top off your "luxury laundry" an electric ironer, so easy to operate, so efficient, and so wonderfully suited to giving your ironing that professional look.

Have all of this home equipment if you can now, or begin with the unit you think will suit your immediate requirements. Even if you're not ready now... start planning today for the day when Reddy Kilowatt will do your laundry work... economically and electrically.

Mrs. Dyar Returns From Long Cagation

Mrs. C. H. Dyar returned Wednesday from her vacation with friends and relatives. She spent several days in southern Illinois and a month in Chicago with a niece and family, Mr. and Mrs. W. R. Fiddelke. A week was spent in Indiana with a sister-in-law, Mrs. Evelyn Dyar. Before coming home Mrs. Dyar went by plane to Hot Springs, Arkansas, to visit Rev. and Mrs. H. M. Redford. Rev. Redford was a former pastor of the First Christian Church of Hereford. Mrs. Dyar came by plane from Hot Springs to Amarillo.

A honey for saving money!

- Want a "date" that'll save you money? Then "make a date to OIL-PLATE" with Conoco Nth Motor Oil, today! Because Nth Oil (Patented) saves three big ways:
- (1) Nth protects against wear... with an added ingredient that fastens extra lubricant so closely to metal that cylinder walls are actually OIL-PLATED. This extra OIL-PLATING stays up... won't all drain down into the crankcase, even overnight!
 - (2) Nth protects against combustion acids... a second added ingredient in Nth Oil checks metal-eating engine acids... stalls formation of power-choking sludge and carbon... helps keep engines clean.
 - (3) Nth protects against waste. Refined from finest paraffin-base crude oils, Nth has the "body" to stand punishing heat, give full-time protection, more miles per quart! Save your car, save your money...

Make a date to OIL-PLATE!

Messenger News

By MRS. J. N. MESSINGER

This community received a host of rain Friday evening, which makes two inches of rain for June. The total does not include several inches of rain which fell on the 29th. The wheat is averaging from one to fifteen bushels per acre in this vicinity. The better yield is caused by the fact that the moisture in the soil is being held in the other fields.

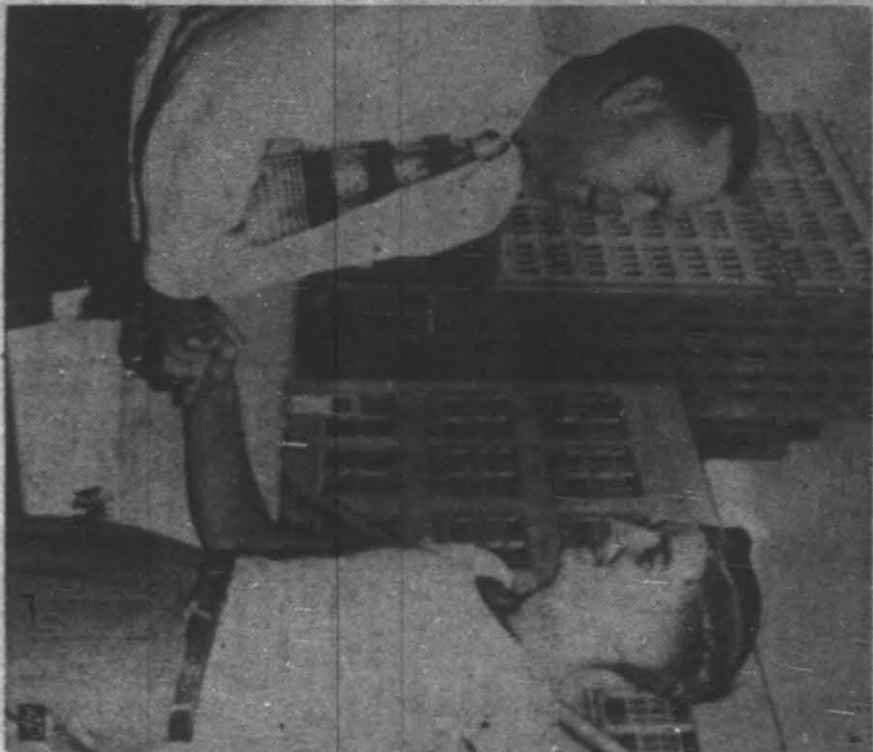

The crops are looking well and the farmers are happy. The weather is helping them keep them growing and Lord Messenger, with sons of George Messenger, are planning to attend Wayland College this fall. At the present, they are working for J. T. Quinn.

Here, and Mrs. Clayton Day and her family, are planning to visit their former pastor at Prisma.

Misses Delle and Rosella Albrecht are in Galveston for a ten-day vacation. They plan to be home Friday. Mrs. Albrecht will be accompanied by her mother, Mrs. E. E. Albrecht. Delle will continue to operate the Ladyfrate Beauty Shop.

Ray Oldens and family of Sunday moved into their new home at 1001 S. 10th St. Mr. Oldens is a former pastor at Prisma.

Top Texas FFA Boy

Off to Guatemala will go the grinning youth at the right, Melvin Bonn, 16, of Friedrichsburg, judged Texas top FFA boy of the year. Bob Mainer, left, state vocational agricultural director, congratulates Melvin on winning an all-expense tour to the Central American Republic.

SOCIETY

Hereford Garden Club Discusses Techniques of Summer Planting

Hereford Garden Club met in the home of Mrs. A. L. Mendenhall Friday afternoon for a special meeting. Mrs. Mendenhall, president, presided over the meeting. The Garden Club discussed the techniques of summer planting. Mrs. Mendenhall said that in the past, many people have planted their gardens in the summer and have had little success. She said that the secret of successful summer planting is to plant in the shade and to water frequently. She also said that it is important to choose plants that are suitable for the soil and climate of the area.

Mrs. Paul Mathers Is Hostess For Tuesday Bridge Club

During midsummer garden flowers are in bloom. Mrs. Paul Mathers is the hostess for the Tuesday Bridge Club. The club met at her home for a special meeting. Mrs. Mathers said that she enjoyed having the club members at her home and that she was glad to see them all.

Glenn Allison Is Elected Principal Of Oklamunion School

Glenn Allison, former principal of Oklamunion School, has been elected principal of the school. Allison has been in the school system for many years and has a reputation for being a good teacher and administrator. He will be taking over the school in the fall.

Miss Mary Frye, daughter of Mr. and Mrs. A. T. Frye of Dawn, is enrolled in the University of Colorado for a ten-week summer course.

Miss Mary Frye, daughter of Mr. and Mrs. A. T. Frye of Dawn, is enrolled in the University of Colorado for a ten-week summer course. She is studying at the university and will be returning home in the fall.

Oeyra Springer and G. D. Galt attended the wedding of Miss Sara Hennes in Good Prester at the Methodist church in Bower, Sunday.

Oeyra Springer and G. D. Galt attended the wedding of Miss Sara Hennes in Good Prester at the Methodist church in Bower, Sunday. The wedding was a beautiful affair and was attended by many guests.

Mr. and Mrs. J. P. Stalton passed away last fall and a brother, O. L. Stalton of Lubbock, died seven months earlier.

Mr. and Mrs. J. P. Stalton passed away last fall and a brother, O. L. Stalton of Lubbock, died seven months earlier. The Stalton family is well known in the community and their passing was a great loss.

Lyle Blanton Helps Devise Insurance Plan For Butane Dealers

Lyle Blanton, first vice president of the Texas State Butane Dealers, is assisting in the devising of an insurance plan for butane dealers. Blanton said that this plan will help protect butane dealers from financial loss in the event of an accident.

Mr. and Mrs. J. P. Stalton passed away last fall and a brother, O. L. Stalton of Lubbock, died seven months earlier.

Incompetent Medical Diagnosis Fails To Reveal Ex-GI's Tropical Diseases

By VERN HAUGLAND
WASHINGTON.—(AP)—An authority on tropical diseases says a million Americans who don't really look ill, are suffering from some ailment contracted during military service in the tropics.
Many of them, says Dr. D. Thomas Mackie, Winston-Salem, North Carolina, have been told by their pushed doctors that they have malaria, or, are psychoneurotic. On the other hand, he says thousands of veterans are wrongfully collecting compensation for malaria attacks. He says what little malaria they actually have is a simple, domestic disease. It is mild and no more troublesome than a cold.
Two of the ailments the GIs brought home from the Pacific Islands, the CHI theater and the Middle East—amoebic dysentery and hook worm—are a threat to U. S. public health, Mackie said in an interview. Of veterans treated at his school of tropical medicine, he says 61 persons had parasitic infec-

tions, of which 36 per cent were amoebic dysentery and 10 1/2 per cent hookworm.
"Amoebic dysentery is very dangerous, and there is never a recovery without medical treatment," Mackie says. "I have seen an enormous amoebic abscess of the liver develop nineteen years after infection."
MRS. COCKERHAM'S MOTHER DIES; BURIED AT BOVINA
Mrs. G. C. Danner, mother of Mrs. C. D. Cockerham, was buried in Bovina Sunday. Mrs. Danner died June 24 at her home in Bovina. Funeral services were held in the Baptist Church.
Mrs. Danner was 60 years old. She is survived by her husband; two sons, Justin Danner of Arbon, Alabama, and Curtis Danner of Portland, Oregon; four daughters, Mrs. Weta Mae Ross of Cambridge, Nebraska; Patsy Ruth Danner, Clovis; Jean Danner, Bovina, and Mrs. C. D. Cockerham; one sister, three brothers and seven grandchildren.

Britain Launches War Against Potato Pests From The Continent

LONDON.—(AP)— Britain has enlisted thousands of agricultural workers, students and volunteers to destroy pests which are identified as Colorado beetles. The pests have threatened an invasion from France and Belgium.
"The battle to keep the beetles from Britain is being waged on the beaches, along the roads and in the fields over an area of 22,000 acres from Folkestone, Kent, to Gullford, Surrey, and along the east coast to Hull. A "beetle patrol" is watching for the insects brought into ports in imported vegetables or blown across the channel by winds from the continent.
"The Ministry of Agriculture says it considers the "invasion" the worst threat to Britain's potato crop in ten years. Potato fields are being sprayed with lead arsenate and afterwards with DDT, by thirty high-powered machines and thousands of hand sprays. National Fire Service pumps are providing water for the sprayers as they work their way through the fields of Kent, Essex, Suffolk, Norfolk and Lincolnshire.

Boys Ranch Rodeo

A Boys Ranch youth sends his horse over a four-foot jump barrier at a rodeo. Rodeos are frequent occurrences at this haven for delinquent boys near Amarillo.

SWITZERLAND WILL HONOR CENTENARIANS THIS YEAR

BERN, Switzerland.—(AP)— Any Swiss who this year lives to be 100 years old has a little surprise coming from the federal government. The federal council has decided to award special honors, the exact nature of which was not given. The occasion is that Switzerland as a confederation becomes 100 years old this year.

Mr. and Mrs. G. P. Owen, Mrs. Jack Roberson, Mrs. Reba Howton, and Mrs. J. B. Harlin visited their brother, Rev. A. Hope Owen, in Plainview Thursday evening.

Mrs. Edward Pirtle returned Friday from a week's vacation with friends and relatives in Corsicana. Mrs. Pirtle is employed by C. R. Anthony Company.

Mrs. Matt Warren of Phoenix visited with her cousin's family, Mr. and Mrs. Hubert White, and Mrs. Walter Lube and son, attended funeral services for Mrs. Danner in Bovina Sunday. Mrs. Danner is the mother of Mrs. C. D. Cockerham of Hereford.

H. E. MILLER OLIVER Company

ON THE MARCH

The Oliver Corporation, a Company Formed by Some of the Great Pioneer Names in Agricultural Equipment, in 1948 Begins Its Second Century of Service to the American Farmer.

One Hundred Years Ago John Nichols founded a blacksmith shop at Battle Creek, Michigan, which was to become the Nichols & Shepard Company, manufacturers of the early threshing machines which helped to develop the broad wheat fields of the West, and holder of Corporate Charter Number One in the State of Michigan.

Other Pioneers, Hart-Parr Co., American Seeding Machine Co., The Oliver Chilled Plow Works, Ann Arbor Machine Co., and the Cleveland Tractor Company were founded and grew because each offered value in reduced labor or increased production at lower cost to its customers. All are members of the Oliver Family today.

Historians look back with interest upon the technical improvements and inventions of this industry which played so large a part in the development of American agriculture. The Company, however, looks forward, not backward over a hundred years past, but "Beginning the Second Century" to realization and acceptance of the responsibilities which lie within the years ahead.

The past is of value only in terms of the experience gained. The first successful sulky plow, the founding of the tractor industry, the cylinder thresher, the furrow drilling of wheat, and other farm practice landmarks developed by the component companies of The Oliver Corporation all helped the Company to learn to serve its customers better. The same inventive spirit and drive to make more productive and economical equipment combined with the resources of today's Company, should make this second century even more rewarding for Oliver's customers.

To Continue Such Progress During the Coming Years, Oliver Is Pledged to Continuous Research in Field and Factory Directed Toward the Development of New and Better Products—FOR YOU!

FROZEN FOOD LOCKERS PAY

QUICK FREEZING SAVES TIME
No other method of preserving perishable foods is so time and labor saving as the locker way. Just package your fresh foods and place them in your locker. With no fuss or bother they'll be ready—and still fresh—when needed.

QUICK FREEZING SAVES CASH
The economies of quick freezing pay ample dividends to the locker user by eliminating food spoilage, by wholesale discounts, and by buying during the seasonal low price periods.

Girls Professional Baseball Loop Shows Major League Talent

NEWARK. — (AP) — "Baseball isn't what it used to be," says former Major League Manager Max Carey, now directing the All-American Girls Baseball League.

"In the Midwest, where we have our teams," says Carey, the girls are playing a brand of ball that would make your eyes pop out.

Carey stopped here to look over some promising female diamond talent. He runs the league with the help of such former baseball stars as Johnny Rawlings, Bill Wamby and Eddie Ainsmith (who caught Walter Johnson). Carey hopes to expand the league to the East, but his main purpose for the present junket is to line up some backers for clubs.

"In my tour of the country," says Carey, "I've watched girls from high school age to married women. In all of them, I look for the same requirements. They must be able to throw and run. They also must have batting coordination. The actual hitting, we can teach them."

Then the coaches take over. Carey claims the most difficult thing to teach the girls is how to slide. They seem to have a fear of it, he comments. But once they overcome it, there is no difficulty at all.

"And," says Carey, "the girls really can play ball. Connie Mack and Charlie Grimm, managers of the Athletics and the Cubs, respectively, both said they would like to see one of our girls, Dorothy Schroeder of the Port Wayne Daisies, play for them."

Carey, who is highly enthusiastic about this relatively new field of sports, says the girls play with all the rules of baseball in operation. There are two main deviations. The ball is slightly larger than regulation, and the distance between the bases is 72 feet instead of 90 feet.

At present, there are ten clubs in the league, all operated by civic and industrial leaders on a non-profit basis. They are located in Racine and Kenosha, Wisconsin; Port Wayne and South Bend, Indiana; Muskegon and Grand Rapids, Michigan, and Peoria, Rockford, Springfield and Chicago, Illinois.

Two of a Kind

When Joy Lansing (left), of Los Angeles, and Pat Vaniver, of Philadelphia, met in Hollywood, they discovered they have exactly the same measurements. Both are 5 feet 6 inches tall, weigh 115 pounds, and have a 36-inch bust, 33-inch hips, and 23-inch waist. The starlets wear two-piece classic-type swim suits.

Long Time Ago

45 YEARS AGO

Headline story: "The L. S. Ranch and Cattle Sold"—Governor J. N. Browning returned Monday from Kansas City, where he drew up a contract for sale of the L. S. Ranch, cattle and horses.

This ranch lies in Oldham and Potter counties and is one of the most noted ranches in the Panhandle. It consists of 200,000 acres of land, 18,000 head of cattle and 200 horses, and is a modern, improved ranch. The price paid for the entire property was \$685,000.

Castro News: Our popular clerk Cash has recently received an up-to-date typewriter. This is, as far as we know, the first one in this county.

Judge and Mrs. Kerr entertained Tuesday evening. Apron hemming was one of the features. Some of the boys showed too plainly that they needed some one to do their sewing, which of course they tried to make some of their girls believe.

Advertising in 1903: Note: Some of the advertising ran in the news columns with trick headlines which ran "No Pity Shown," "Brutality Tortured," and "Driven to Desperation." Before a person knew it he was reading about medicine for rheumatism, etc.

The Western Bank listed the following officers and directors in a formal advertisement: G. A. F. Parker, president; J. P. Connell vice president; F. B. Fuller, cashier. Directors, W. S. Higgins, J. P. Slaton, Ross W. Davis, L. R. Brady, F. B. Fuller, J. P. Connell, and G. A. F. Parker.

25 YEARS AGO

Front page news: "Mayor Knight Calls on Citizens of Hereford to Comply With Ordinance Governing Weed Nuisance." "Working on Approach to Bridge Now." "Sixteen feet to be added to original estimate for the new bridge across the Tierra Blanco." "Quiet Fourth of July Promised Here." No programs planned. A large proportion of population appeared to be getting ready to go fishing.

"Laundry Closes: Beaver Bros. to Occupy Building." Machinery being shipped to Electra, Texas, where Mr. Broadwell will establish another plant. Beaver Bros. have rented the building for a garage.

"Hospital Is Talked Over at Luncheon." Hereford's Question Mark Is Again Tackled. New committees. President Wilkinson

New Officers Preside At Sadye Oliver Club

The Sadye Lee Oliver 4-H Club met at the Central School Cafeteria last week with Mrs. Tom Draper, County Home Demonstration Agent, demonstrating "Whole Wheat Rolls."

Newly-elected officers assumed their duties: Jeannette Scott, president; Mozelle Young, vice president; Mary K. Boyd, secretary and treasurer; Nelda Guy Lawrence, parliamentarian, and Mary E. Hund, reporter.

Sponsors for the group are Mrs. Henderson, Mrs. Scott and Mrs. Tom Draper.

Present for the demonstration were: Mary E. Hund, Norma Sue Wilson, Royda Boyd, Gayle Scott, Mary E. Bond, Margaret Scott, Mozelle Young, Jeannette Scott, Dorothy Young, Marilyn Henderson, Nelda Guy Lawrence, and a guest, Pat Fahmy.

"Ginger Bread" will be the theme of the demonstration July 9, at the Central School Cafeteria.

Read the Want Ads!

"Junior won't even come out for his meals since we got our LP-Gas refrigerator."

Frankly, we don't blame Junior. An LP-Gas refrigerator would make a wonderful hide-out on hot days. And just think — it freezes ice silently with a tiny LP-Gas flame. No moving parts to wear. The cold is constant, dependable. Economical to operate, too.

BLANTON BUTANE GAS CO.

Chris Richardson of Elgin, Illinois, arrived in Hereford Friday to spend the summer with his grandparents, Mr. and Mrs. J. T. Richardson. Chris came by plane to Amarillo.

More than 9,000 airplanes are now used on farms and ranches, reports the Civil Aeronautics Authority. In addition, over 300 companies do such contract jobs as dusting, spraying, sowing, and fertilizing from the air. In California alone, nearly 99 per cent of the rice crop is seeded from airplanes.

STRAIGHT ANSWERS TO IMPORTANT QUESTIONS ON YOUR FARM LOAN

WHAT do I get...?
WHERE can I get it...?
HOW much does it cost?
WHEN can I get it...?

Thousands of farmers throughout the country are using the long-term loan service now offered by this bank through our special arrangement with The Equitable Life Assurance Society. They found that it answers these important questions as does no other loan plan:

- What** do I get for my money? You get a low-cost, long-term loan that never has to be renewed, yet, with the money-saving FARM INCOME PRIVILEGE, can be paid off as fast as a short-term loan; you get the PREPAYMENT RESERVE to tide you over lean-years.
- Where** can I get this service? Your loan is made at this bank... using local funds... dealing with home folks. What's more, you make interest and principal payments right here at the bank—another handy, time-saving advantage of this new loan service!
- How** much does it cost? Your interest is the low net rate of 4%, on the unpaid balance. No extra charges... No stock obligations. No fees and no commission to pay... only the usual abstracting or title policy and recording expense.
- When** can I get my loan? You get quick, expert service—no red tape... A decision on your application in 3 or 4 days.

Let us explain this modern farm-ownership plan to you. Your inquiry will be kept confidential. No obligation.

The First National Bank OF HEREFORD

Member: Federal Reserve System Federal Deposit Insurance Corporation

Joined for LEADERSHIP in service to farmers.

Alton Garrett of Los Angeles was a guest of the C. E. Sheppards Tuesday. Also visiting the Sheppards from Los Angeles was Miss Roberta Nelson, and from Clovis were Mrs. Larry Davidson and son, Mike.

Mr. and Mrs. Will Johnson of Morton were guests of his mother, Mrs. W. R. Johnson, a few days last week.

C. W. (Red) Reeves of Canyon visited friends in Hereford Sunday.

Nazareth Nabs ...

(Continued from page 1)
Carmichael, one triple in the sixth by Stan Barrett and the score was still 2 to 2, Nazareth.
Then the seventh! Boy, oh, boy! Hereford took to their. A Gerber was safe on an error by short, Hoeltling walked, Venhouse walked, Schmucker singled, G. Schulte singled; two runs scored, and Bill Stengel made a perfect throw from center field to nip Venhouse at the plate for the first out.
Brockman was hit by the pitcher and the bases were loaded. Pilot Carmichael was still way up in the air with his crew, his motor was missing, the gas was getting low, and the air was rough as a cob. Pohlmeyer flew out to center and no advance. They respected that arm of Bill Stengel, then up steps this capable pitcher of Nazareth, Hochsten, and he busted one just inside the left field foul line for a double, and they had us down 5 to 2. The old ship sorter leveled off when Stan Barrett and John Winkler changed places; Barrett whiffed 'em

by E. Schulte for the third out. We almost did it in the seventh. C. Clark was safe on an error by third; Donald Robertson hit one a country mile to right center that had home run written all over it, but this bucket-head Pohlmeyer in right field, ducked his head and tore out at the crack of the bat, and pulled it down with a beautiful backhand-ed catch that Joe DiMaggio would be proud of. The next two men struck out.
That was all for Nazareth. Broth-er, this hard-hitting, fence-busting, base-stealing Barrett started feed-ing them his speed ball and struck out three in a row. Hochsten did us the same way in the eighth.
This was it, last of the ninth, and six runs behind, now or never! Pilot Carmichael was about out of gas. His navigator had gone blind and he had to get the ship out of the water for another try. Johnny Winkler came up with two men on and one across and two outs, and brother, he laid the wood to one that was the daddy of all home runs. Carroll was safe on an error by short, Carmichael brought his ship in for a landing. It had to be this time. Out of gas and no place to go, but set her down. He brought her in for a dead-stick landing and it looked like it was perfect, but she bounced high in the air and gently nosed over. Lueb struck out for the third out, and Nazareth had gone home with the ball game.
It was a dinger, though, that cab-age-nibbling bunch from down south played good ball and deserved to win.
We go to Hart next Sunday.
The box score:
Hereford— Ab. R. H. E.
Carroll, lf 5 0 0 0

Brand To Publish Wind, Hail ...

(Continued from Page 1)
display advertising schedules have been moved up one day to meet the demands of the new publication dates.
To meet increasing mechanical requirements, the publishers also announced purchase of a new Linotype machine to be delivered in July, and a high speed web roll paper type press. The new press, scheduled for delivery in the last quarter of 1948, will print and fold 3,500 eight-page sections per hour.
"With installation of this new machinery, The Brand will be in a position to offer equipment now used by numerous small daily newspapers," they declared. "It has always been our policy to offer the people of this territory one of the best weekly papers in the Southwest, and we expect to continue the same policy with the new Sunday Brand," the publishers said.
"The manner in which you have cooperated in converting subscription and the enthusiasm with which you have greeted our announcement of the new Sunday Brand is truly gratifying," they continued. "These factors alone indicate that you appreciate our attempt to answer what we feel is a necessary expansion in a rapidly-growing community."

Brand To Publish Wind, Hail ...

disturbance.
V. C. Hager, Rodgers Grain Elevator employee, said that he lost about 250 eight-weeks old chickens when the wind ripped the top from his chicken house and blew the door open.
Hager reported that glass was broken in the Rodgers elevator.
Canada produces about 60 per cent of the world's asbestos, while the United States produces something less than 5 per cent.

Draft Board Still Awaiting Notice From Washington
The Deaf Smith County Selective Service Board was still awaiting notification before organizing and swinging into action.
The local board, composed of S. O. Wilson, Jim Black and Henry Hastings, was reported in a position to be "ready for action within 12 hours." Mrs. A. Peterson will also return to the board as clerk, a position which she filled three years during the war.
One of the first official acts of the board will be organization, which will include selection of a chairman and secretary.
George LeGrand served as chairman of the board during the war; he followed Frank Givan, who died while on the Selective Service Board. Mr. Wilson was secretary of the board when it dissolved.

FARM TRUCKS BUILT with FARM KNOW-HOW

Beyond any truck builder International has farm know-how. That's natural because of International Harvester's great achievements in building farm tractors and machines. So, for trucks to do your farm hauling best—any size, any type—get Internationals. That way you get trucks that are solid truck quality all the way through—trucks that make no compromise with passenger car construction. See us for complete details.

McLean Baby Buried in West Park Cemetery
Funeral services for the infant son of Mr. and Mrs. J. H. McLean were conducted June 24 by Bob Wear, minister of the Church of Christ. Burial was in the West Park Cemetery under direction of E. B. Black Funeral Home.

IT'S TIME FOR A MAN WITH A PLATFORM

Congressman Lyndon Johnson
"The Man Who Gets Things Done"
Candidate For U. S. SENATE

AND HERE'S WHAT LYNDON B. JOHNSON STANDS FOR—

PREPAREDNESS: A strong industrial system... free competitive enterprise.
An air force second to none. He backed the military bureaucrats to help push the 70-group Air Force bill through the House.
Unpreparedness led us into two wars. Let's not let it happen again.

PEACE: A stronger United Nations... Stop the war makers!
He supports the Marshall Plan "to help those who are willing to help themselves."

PROGRESS: A fair deal for farmers... fair price supports, colicche roads, electricity.
Soil conservation and flood control.
An unbiased, fair stand on labor, opposing selfishness in labor or business.
Relief Old Age Assistance Benefits and take pensions out of politics.
We must curb the spiral of prices forced on us by a Republican Congress.

Subject to the Democratic Primaries July 24

PERSONALS

Mrs. Florence Wilhelm, who is studying nurses' training at St. Anthony's Hospital in Amarillo, spent the weekend with her parents, Mr. and Mrs. F. L. Wilhelm.
Mrs. John D. King and children, Claudia and John D. Jr., who have been visiting the last two weeks with her parents, Mr. and Mrs. H. C. Baird, returned to Washburn Sunday. Mrs. King's aunt, Mrs. D. C. Laird, has returned to Kilgore after visiting a son, Carroll, and family. Mrs. Laird also visited her sister, Mrs. Beth B. Holman.
Mr. and Mrs. Sam Qilbreath and two sons, John and Zay, of Dimmitt, were here for the week-end with her mother, Mrs. Mary Stovall. They were joined Sunday in family get-together dinner by another daughter, Mrs. Dyaltha Bradley and son, Bill Bradley and his wife.
