

The days are getting longer and the fields are getting green. Every so often a really bright day comes along, sneaking up among the general run of overcast days and brightening every one's hopes that spring is just a skip and a hop away. There are signs of it cropping up all over the place: new spring hats, a bird twittering in the morning, and the drowsy, spring-feverish yawns, already in evidence.

Things haven't changed a lot since Caesar's day along some lines. When income tax deadline rears its ugly head, everybody moans with Shakespeare, "Beware the Ides of March; the Ides of March beware." A glance at the calendar confirms the fact there are only 12 worry-filled days until March 15.

Mrs. Fannie Peterson, draft board clerk, has notified the brand that the draft office will be closed Wednesday noon until Monday morning, when the clerk will be attending a school of instruction in Lubbock. In case anyone needs official help, they should get in touch with S. O. Wilson, board chairman.

Sequel to the George Heard story: The dinner which the men cooked last week for their wives was extremely successful, according to George. Most people didn't know the meaning of their names however, so he had to point out where they should sit. Incidentally, the dishes were no problem. The men used paper plates and instead of drying dishes, they just lit a match.

Bruce Woodell, one of the volunteer firemen who attended the county commissioners meeting Monday, was really on the job. While the men-massed in the hall outside the court room waiting for the meeting to start so they could discuss buying a county fire truck as to promote fire safety throughout the county, Bruce discovered the fire hose at the county court house had been sadly neglected, only a "clawed off" end of about 24 inches remains.

Paving of farm roads has been a matter of concern for years and three years ago when Judge Baird drew up his map showing proposed-paving areas, it met with approval. This week when the issue was re-opened one farmer was heard to remark, "I sure think it's a good idea. I think we'd have done something about it sooner if it hadn't taken three years to rain."

The C. of C. Directors can't quite make up their minds whether they are famous or notorious. This week they received a letter from a woman in New York requesting some wheat grains—she had heard about all the healthful vitamins in the foods from Deaf Mute County, Texas.

If you are one of the few people in Hereford who failed to call The Brand Office Wednesday to find out why the banks were closed, let us remind you that March 2, is Texas Independence Day. Putting it in the words of one harassed Brand Reporter, "Judging by their knowledge of Texas history, you'd think everyone in Hereford was either from Oklahoma—or a damned yankee."

Benefield Motor Company this week swelled the coffers of the Hereford Volunteer Fire Department with a check for \$100, as they put it: "for efficient effort in a time of need."

Miller Auto Store is redecorating the store, adding new shelves, new furniture, and a complete new arrangement of the interior. Manager Weldon Dye says as long as spring is officially only 18 days away he is taking advantage of it.

BUFFALOS SPONSORED BY HIGH SCHOOL BAND

West Texas State College Band Will Appear Here Tonight

Third stop in the annual concert tour of the West Texas State College Buffalo Band will be at Hereford High School this afternoon at 3 o'clock. The W. T. Band is being presented by the Hereford High School Band, which will use proceeds from the concert to purchase music for the band library. Forty-five members of the college band under the direction of M. J. Newman are making the tour, which is scheduled from March 3 through March 9. Proceeds from the concerts in those schools where admission is charged will be kept by the

towns in which the concerts are given. Due to the small auditoriums where the Buffalo Band will perform, only 45 of the best performers are making the tour. First concert outside of Canyon was given in the Amarillo High School at 10:30 this morning. At 3 o'clock the band will be here. Swinging out for its three-day tour on March 7 with an 11 a. m. concert in the Dalhart High School, the W. T. band will continue to Dumas, Phillips, Borger, Canadian, Shamrock, Wellington, and Memphis. The program, subject to

change, will be: "Theme" arranged by Director Newman, "Komm, Susser Tod," by Bach; "Slavonic Rhapsody No. 2" by Carl Friedemann; "Scherzo" from Quartet in A Minor" by Schumann, to be played by the clarinet quartet; selections from the 1949 band contest list, "Minstrel Show," by Phillip Greeley Clapp, played by the trombone quartet; "Peter and the Wolf" by Prokofiev, narrated by William Hutchinson; and "Washington Grays" by Grafulla. Hereford Students Members of the clarinet quartet are Keith Baten, Pollett;

Sam Watson, Borger; Leslie Talbert, Happy; and Hershel Allen, Plainview. In the trombone quartet will be Bill Latsom, Amarillo; Dale Reynolds, Austin; Billie Bob Murry, Borger, and M. J. Newman. Members of the concert band from Hereford are Misses Jeanette Euer, Wanda Walker, Helen Jo Wilson, Doris Jean Hastings and Ralph G. Smith. Admission for the group's Hereford concert will be 10 cents for students and 25 cents for adults.

Red Cross Reports \$1,900 First Two Days; Kick-Off Breakfast Draws Large Attendance

The first two days of Red Cross campaign netted over \$1900 according to a report from Mrs. Dyalithia Brady, executive secretary of the Red Cross, Wednesday afternoon. This was almost 38 per cent of the county goal, \$5028, Deaf Smith's quota in the nation wide drive for \$60,000,000. Incentive for the campaign was the annual kick-off breakfast held on the opening day when the group present heard talks from Red Cross workers of the area.

"You volunteers are making the greatest Red Cross contribution because you are giving of yourself, your time, energy and ability as well as your money," Mrs. Helen Strker, field representative of the National Red Cross told the 140 volunteers who assembled at the coffee held in the Lions-Rotary Hall Tuesday morning to celebrate the kick-off day in the 1949 drive. E. C. Eubanks, county chairman, acted as master of ceremonies for the program, which also included short sketches of Red Cross activities from Hereford people who had been direct beneficiaries of the organization, through their disaster work, veterans relief or hospital aid.

The six divisional chairmen were introduced and their portion of the total county quota of \$5028 was announced: Wayne Edwards, special and industrial, \$502.80; T. E. Seigler, business and industrial, \$1407.84; Mrs. Reed Williams, residential, \$1005.60; Mrs. Tom Draper, rural, \$703.92; Cecil Guseman, advance gifts, \$1407.84 and Sank Ramey, mop-up. Announcement was made that \$1,335 in advance contributions had been turned in prior to March 1.

Model Chapter Here "Of the 15 counties, I chose to visit Deaf Smith because our headquarters in St. Louis have always considered it a model chapter, showing such enthusiasm and spirit of co-operation. You perpetuate the Red Cross as a symbol of friendliness and service," Mrs. Stryker said. She quoted Basil O'Connor, national president, as saying Red Cross expenditures were determined for the organization, not by it, and the health of a democracy therefore could almost be measured by the type and quality and function of its volunteers. She pointed out as an example Deaf Smith's own blizzard conditions that called for \$800 during the month of January to be spent on food, fuel and hospital care for destitute in the county.

Seven Herefordites appeared on the program, which was wire recorded for rebroadcast over KPAN, to explain how the Red Cross had aided them. Wayne Edwards, whose home was destroyed two years ago in the Leedey, Okla., tornado disaster, described how the organization was on hand immediately to offer food, coffee and shelter, to supply clothing and help rebuild houses. "When you see the good they do, you sure feel like helping them in return," he said. Tells Higgins Story One of the residents of Higgins, Tex., when the tornado struck there was Mrs. Jim Neill who discussed Red Cross, how they administered typhoid shots to prevent epidemics, and served the people both at the immediate time of the disaster and by helping them recover economically. J. H. Loerwald, a Spanish American War veteran who had recently been receiving treatment in veteran's hospitals said, "Uncle Sam takes good care of his boys, but he doesn't smooth out all the rough spots. That's when around the hospital, we start calling for the Red Cross workers because they come and take the rough spots off." Judge Leonard Foster, also a veteran, pointed out that what the Red Cross accomplished saved the heavily budgeted county funds because 85.5 per cent of contributions stayed in this locale and were used to supplement county welfare income. Vet Praises Work Veteran of World War II, Amos O'Rear said, "What goes to the

Red Cross goes to a good cause. They've been on hand, not only to help the veteran in the hospital, but to serve the disabled veteran who has returned home." Elmer Mathis, manager of Deaf Smith County Hospital, pointed out that the Red Cross was always around to serve the destitute, to see they received the medical and hospital care that sometimes made difference between life and death. "My books are open for your inspection at all times," he said, "if you'd like to see just what the Red Cross does."

Instructor of the Red Cross Life Saving courses last year, L. H. "Bud" Bradley spoke on the work, pointing out 22 people had taken senior life saving courses last year; nine junior life saving courses; and plans were underway to offer more courses this summer at the pool. Concluding the program, Mrs. Dyalithia Brady, county welfare officer issued final instructions to the volunteer workers, encouraging them to strive for a 100 per cent record on contributions. She congratulated them on the record-breaking attendance for the kick-off meeting and supervised distribution of the pamphlets. Coffee and doughnuts were served from long tables decorated with information pamphlets, Red Cross symbols and copies of the national magazine, The Red Cross Courier.

Complete Football Schedule For 1949 Coach Dalton Criswell Wednesday announced the complete 1949 Whiteface football schedule, and said that the herd will have a "warm-up" period this year, with all non-conference games being played in the first half of the season. There are two consecutive open dates, and Criswell says he hopes to schedule a game for at least one of them. The schedule is as follows: Non-Conference Games September 9, McLean, there. September 16, Levelland, here. September 23, Sudan, here. September 30, Friona, there. October 7, Open. October 14, Open. Conference Games October 21, Perryton, there. October 28, Dalhart, here. November 4, Canyon, there. November 11, Phillips, there. November 18, Dumas, here.

Veterans Warned Against Insurance Forms; Draft Forms Still Required

Both the Veterans Service officer and the Draft Board issued information to veterans this week as they were warned, on one hand, against the hucksters duping veterans on insurance dividend applications, and on the other hand, against neglecting to return their questionnaires.

"As almost all these boys are either married or veterans, many assume they are exempt from filling out the questionnaires. However, if they are not returned within the 10-day limit they are subject to delinquency charges just as the boy who is subject to service call," said Mrs. Peterson.

She emphasized also that boys 26 years old must still keep the local board notified of change of address.

Mr. and Mrs. Carl Spratt and children from Lubbock visited in Hereford over the week end with her parents, Mr. and Mrs. Austin Rose, and with his mother.

LOSES LEG

Five-Year-Old In Galveston For Treatment

Young Jimmie Barnhart, five year old son of Mr. and Mrs. R. W. Barnhart, was flown to John Searly Hospital in Galveston, Wednesday morning to undergo special skin graft treatment. Jimmie was burned about three weeks ago when he attempted to stomp out a gasoline blaze and the rubber boots he was wearing caught on fire. It was necessary to amputate his right leg. He has been under treatment at Deaf Smith County Hospital since the accident, but he will put under a specialist's care for the skin graft. Hospital authorities here said he was "getting along pretty well." His father and mother, and Mrs. Pearl Dickerson, a special nurse, accompanied Jimmy on the trip. A private plane was chartered and the four left English Field early Wednesday morning for the trip.

QUESTION of the WEEK

Since women's fashions travel in a cycle, and what's popular one season may be the big news again ten years later, any fashion women wear may be popular again. What do you hope does not come back into popularity again?

Mrs. Odice Bull: I don't like those real short dresses. After getting used to long skirts, I think the others look pretty bare. The majority of women don't have the kind of legs real short skirts will flatter. Leo Forrest: Spike heels for three reasons, two of which I'll tell. First of all they are bad posture producers, forcing the body into unnatural positions, and second there are a lot of women who can't walk on those stiletts; they wobble. And I hope to goodness the girls never go back to wearing those "rats" and big hair ribbons in their hair. I think if God had wanted the women to have rats in their hair, he'd have given them some. Mar. Short: Remember those 1920 cloche hats in the pictures? I hope people never go back to wearing them, covering up their face peeps out. They don't flatter anyone except the classic beauties, but you know how it is, if its fashion, everybody wears it. Ray Cowsett and G. T. Higgins: We don't like slacks, be they in style past, present or future. The trouble is they don't usually have enough style, nor enough slack. But no man is going to stand alone on this thing; we're backing each other up. Mrs. Clyde Caves: Styles that don't become me, I don't like waistlines that dangle around the hips, for instance. And I like tailored, things because they are smarter looking. No fashion frills for me. Ruffles and ribbons and buttons and bows you can have. I like things sleek. Marguarite Engman: I don't like short skirts and I hope and pray we don't ever go back to those hobble skirt things. Short skirts aren't becoming to a lot of people, and hobble skirts, tight around the hem, simply don't give the modern girl enough freedom. Jim Clark: Gosh, don't ask me. Anything I say will be wrong. I don't know anything about women's clothes and I'd love rather talk about cows. In fact, I'd better go out and feed mine right now.

City Annexation Under Fire

"Annexation to the City" is still a \$64-question for residents now living adjacent to the city limits, 80 of whom attended a called meeting in the county courtroom here Monday evening. After much argument, which in the terms of one observer "waxed warm on occasions," a committee of three persons was named to circulate petitions "For" and "Against" the proposed annexation plan, which would include areas adjoining the city on the south, east and north districts. The committee to circulate petitions consisted of Mrs. Forrest Minton, Harry Caylor, and J. M. Brownlow, and was appointed by Henry Williamson, chairman of the Monday night session. The committee will circulate petitions for both sides of the annexation question, thus giving the signer option of expressing his desires in the matter. Circulation of the petitions began Wednesday morning, and upon the signatures secured hangs the fate of approximately 1,000 persons. Qualified voters who actually live within the designated areas are eligible signers for the petitions, and a majority is required for legal adoption of the areas. The group Monday discussed attendant benefits of annexation including insurance savings and improved health standards that would result when present inadequate sewerage and garbage disposal units were corrected. They also reviewed the problem of additional taxation which annexation would necessitate. "We feel that the meeting accomplished its purpose," said Ralph Smith, one of the men who instigated the gathering. "We wanted to discuss a fair and equal set-up; nobody is being forced to do anything, but we wanted to air all phases of the problem."

County Paving Program Up For Public Discussion Saturday

In anticipation of a grand move to pave major farm-to-market arteries of Deaf Smith County, a delegation of taxpayers met with County Commissioners Monday and voted to hold a county-wide meeting Saturday afternoon at 2 o'clock for all taxpayers interested in discussing a bonding issue to provide funds for hard surfacing major roads. The action came after a stormy session involving some

60 taxpayers from over the county about half of whom were from the northeastern part in the Wildorado area. The farmers expressed dissatisfaction because no provision had been made for paving the Wildorado-Dawn road in the recent allocation of funds. Agreeing nothing could be accomplished by warring between the commissioners and citizenry, the groups decided to work together to influence the State Highway Commission of a need for action on paving Deaf Smith roads. The county's farm-to-market allocations through 1951 have been authorized to complete projects on Harrison Highway and Highway 51, but roads could be paved if the land owners voted bond issues totaling 75 per cent of the total cost of paving. The state, upon approval of the project, would effect the remaining 25 per cent and take over state maintenance, Commissioners said. Troy Moore, commissioner of Precinct 1, said he believed maintenance costs in the next 25-30 years would pay for the cost of the roads. Wayne Evans suggested that

taxpayers present go on record as favoring the Commissioners' Court sponsoring a layout plan of farm to market roads that would best serve the needs of the county, in preparation for issuance of bonds on three-fourths of the cost—with the state to pay one-fourth plus cost of maintenance. "This would release future farm to market allowances for use on other perhaps shorter stretches of county roads," he said. "Roads that help the farmer, help all the town. I favor giving the court our backing on this project."

County Cites Lack Of Money On Fire Truck

Purchase of a new county fire truck for use in areas outside of Hereford was discussed Monday when the commissioners court met for regular session in the county court room, but no definite action was taken on the proposal. The question resulted from a petition bearing the signatures of 292 persons. Equipment suggested was a new type truck with a high pressure system that would fog out wheat fires or prairie fires, one that would carry a large quantity of water as well as being equipped to hook on to irrigation wells. Fire Chief Earl Phillips estimated cost of truck and supplies would run about \$10,000. County Judge Leonard Foster reported the county did not have that much money available at present; he also said that of the 20 cents voted for permanent improvements when the county tax rate was raised, 19 cents were now being used. County evaluation is ten million dollars and bond indebtedness is \$188,000. All four commissioners, Troy Moore, precinct 1; G. T. Higgins, precinct 2; J. D. Quinn, precinct 3 and John I. Morris, precinct 4; agreed to go on record as favoring the project if the money were available or could be raised. "The commissioners only have the money which the tax payers pay in," said Morris. Quinn declared, "I am not in favor of" (Continued on Page 8)

Mrs. Henry Kinsey Conducts Home Demonstration Club Council Meet

Deaf Smith County Home Demonstration Club Council met at the Court house Saturday afternoon with ten clubs represented. Ford, Cultural and West Hereford Clubs registered 100 per cent in attendance.

Select Official Song
Group singing was led by Mrs. Merlin Kaul with Mrs. Grady Parsons at the piano. "Follow the Gleam" was chosen as the official council song.

When committee reports were heard, Mrs. George Epting told of the 4H Club Poultry Show with a total of 70 birds shown in 24 entries representing 9 breeds. Mrs. Epting also displayed 4-H Club year books and reading certificates. In the finance report given by Mrs. Manuel Hawks, it was reported that

North Hereford, Progressive and Heilsman Clubs have made budgets for the year.

Committee plans reported were exhibit—Mrs. Edd Cox; year books—Mrs. V. E. Dodson; recreation—Mrs. Merlin Kaul; education, Mrs. Ira Scott; and expansion, Mrs. Ira Ricketts. The parliamentarian, Mrs. J. E. Dyer, distributed copies of by-laws for the Council and Mrs. Earl DeHart, THDA chairman, explained the need for members to write items of interest for the Messenger, Home Demonstration Club publication, and urged members to get subscriptions in by April 1.

Mrs. Henry Kinsey, president of the council, who conducted the meeting, announced that a

delegate to the district Home Demonstration Club meeting scheduled for April 14 in Canyon, will be elected at the next meeting. She asked that all membership fees be paid now as the fund will go towards scholarships.

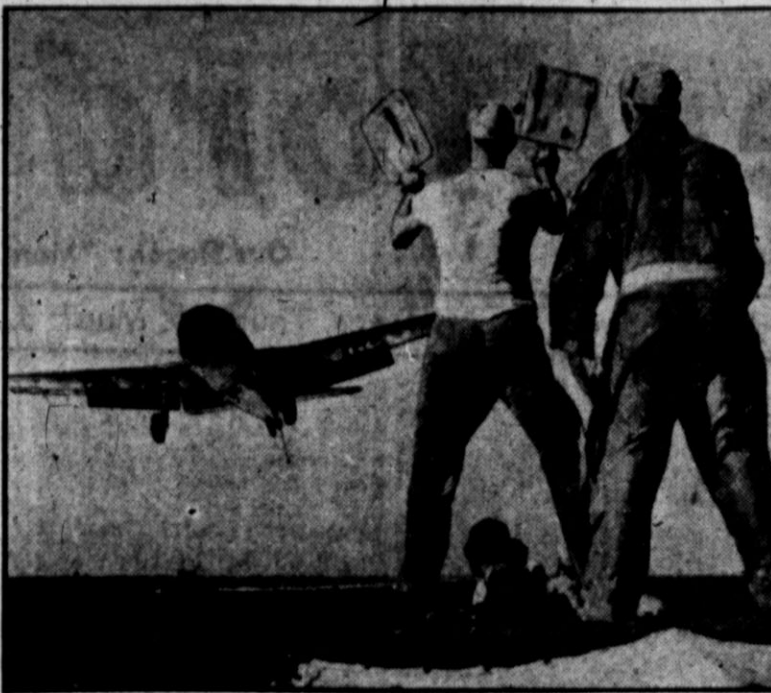

It was decided to send a photo of Mrs. Earl DeHart, THDA chairman, and a photo and story of Mrs. R. L. Campbell, THDA president, and a feature story of the 4-H Club poultry show to district headquarters.

Concluding the program, Mrs. Tom Draper, CHDA, demonstrated how to make a council report back to club members.

At the next meeting Mrs. Earl DeHart will speak on the "Relation of the Council to the Club Members" and Mrs. Draper will talk on "Leadership."

Club representatives present were Mesdames Orin Russell, Ira Ricketts, T. J. Parsons, P. L. Carmichael, W. A. Vaughn, Lowery Walker, Fred Saltzman, L. J.

"If you are interested in knowing what your minimum requirements are, be sure to contact the Amarillo Social Security Administration Field Office located in Room 324 of the New Post Office Building."

Social Security Retirement Pay Plan Is Listed

"Minimum qualifications must be met before a person is eligible for social security retirement payments," John R. Sanderson, manager of the Amarillo social security office said today, adding, "Mere possession of a social security card at age 65 is not enough."

"While ten full years of work is enough to qualify anybody, older men and women can draw social security retirement payments, even if they worked less than ten years," Sanderson continued. "The exact length of time depends on the worker's age. It may be as little as one and one-half years if the worker was 65 before July 1, 1940. Ten years of work is required only for those who will not be 65 until 1957 or later. Work done after

Truck Damaged In Blaze On Highway

Fireboys were called about 1:00 o'clock Sunday afternoon to bring flames under control in a Ford truck. The fire occurred at the intersection of Highway 51 and Park Avenue.
 Earl Phillips, fire chief, said the truck belonged to Frank Vance. The driver had run out of gas, and Phillips supposed that he had gotten some gas on the motor and when the truck started it backfired, causing an explosion and setting the vehicle on fire.

A Cappella Choir Scores Big Hit

A versatile program distinguished the Amarillo High School A Cappella Choir concert given here Tuesday evening, proceeds of which went for the Lions Club contribution to the Don Harrington Boy Scout Camp project.
 Following a brief intermission the choir swung out on modern and novelty music, beginning with Jerome Kern's "Old Man River", featuring Billy Westcott as soloist. Other choir numbers included "Madame Jeanette" by Alan Murray, "Ride the Chariot," a negro spiritual, "Smoke Gets in Your Eyes," by Jerome Kern, "Rain and the River," by native San Antonian, Oscar J. Fox, "Frankie and Johnnie," arranged by Livingston Gearhart, "Dry Bones," arranged by Gearhart, and closing with "Battle Hymn of the Republic" arranged by Ringwald for the Fred Waring Glee Club.
 Novelty numbers featured the ensembles, "Four Hits and a Miss," composed by Miss Helen Marshall, and "David Marx, Truett Fields, Don Fletcher, and Jack Heaff," "Three Honeys and a Bee," composed of Misses Guy Dell Ekelund, Joe Ann Harris, and Carolyn Loveless, with Bill Brady, and "We Three," composed of Misses Paula Spytke, Marladene Hook, and Jean Ivy.
 A special arrangement of Ger-shwin's "Rhapsody in Blue" featured Miss Linda Marsh as piano soloist with a choral arrangement for the choir by Mrs. Evans. Piano accompanists for special numbers were Misses Martha Munday, Linda Marsh, Betty Coffee, and Joan Willis.
 Preceding the concert, Miss Mattie Mae Swisher, assisted by Mrs. A. J. Schroeter, complimented Mrs. Evans with an orchid corsage from the Hereford Music Study Club. An estimated audience of 300 attended.

Beet Growers Hear Explanation On Prices, Refinery Discussed

Some 75 sugar beet growers and agriculturists met at the District Court Room Monday evening to hear H. E. Knapp, manager of the Rocky Ford plant, discuss the future of the sugar beet industry in Hereford and the possibilities for establishing a refinery in this locale.

"My company is ready to increase its refineries, but it can not seriously consider establishing a \$7,000,000 plant in this or any other place until the farmers in that area prove it will be a profitable place to establish one," said Knapp.

He gave no indication as to just how long it would take to determine whether or not such a venture would pay off.

Knapp also discussed sugar beet payments for 1948, originally based on 5.75 cents a pound for November payments, but which may reach a point between 6.50 and 7 cents for final payments.

He gave the farmers encouragement that they might receive higher prices for 1949 beets, but reminded them that sugar content was the big problem and wet harvest seasons nipped that percentage.

Freight rates have been hiked again, currently levied at \$1.38 one way from Hereford to Rocky Ford and Knapp said the factory was working for a reduction, but advised farmers to seek relief by contacting their own railroad officials.

Don Heiser, field representative in Deaf Smith, had charge of the meeting which was attended by growers from Randall, Castro, and Farmer county also. He introduced the other representatives of the American Crystal Sugar Beet Company, George Nixon and Odean Nixon, and Faust Collier, PMA head.

Collier announced to the group applications for subsidy payments would arrive for their signature sometime this week and pre-audited checks would be available at the PMA office when those applications had been authorized by the Dallas headquarters.

The Sugar Beet Act, which affected sugar beet farmers for the first time last season, was explained by George Nixon who pointed out that whereas the government did not guarantee any given price on sugar beets the Secretary of Agriculture must keep the price where it would cover a fair and reasonable cost of product plus a fair return.

"But quality of product is always the determining price factor in his own crops," Nixon emphasized.

"And let us not overlook the feeding value of the by-products of a sugar beet yield. They can also help us round out the fertility program on the farms," he declared.

Two technicolor sound movies of the sugar beet industry were shown to the group. "Today in the Beet Fields of Europe" was a film of growing methods used by farmers of England, Ireland, The Netherlands, Denmark and Sweden, showing the degree of mechanization and methods of cultivation of those countries where sugar beets are one of their staple crops.

The second film, "Tomorrow is Here in the Sugar Beet Industry," was the record of the industry in the United States.

Following these films, Knapp pointed out to the farmers that this growing area had made the best effort of any in the US toward complete mechanical harvesting. He discussed a new mechanical innovation developed by the University of California, the electric eye, which had been tested as it blocked and thinned 800 acres of sugar beets and had proved highly successful.

Mrs. Clarence Botts receives a pass to see "Bad Boy" at the Star Theatre, Sun, Mon, or Tuesday, as a newstep reward. Call at Brand Office for passes.

Thomas Bros. Buy Lone Star Market

J. W. and L. C. Thomas, owners of City Food Store, Monday took over active management of the Lone Star Market, which will in the future operate as City Food Store No. 2, located on east Highway 60. J. W. Thomas will remain on duty in the old Main Street location, and L. C. Thomas has charge of City Food No. 2.

Frio People Attend Stock Show; Irwin, Thompson Birthday Honored

By MRS. OWEN ANDREWS

On Thursday evening, the Irwins entertained the young people in their home in honor of Miss Velma Irwin's and Miss Oma Ruth Thompson's birthdays. After games were enjoyed, the hostess served refreshments. A number of parents were also present and enjoyed string music played by Messrs. Irwin and Vogler. The honorees were presented with gifts from guests.

Those from here who attended the wedding anniversary dinner honoring Mr. and Mrs. W. F. Andrews, at their home near Melrose, N. M., last Sunday were Mr. and Mrs. J. E. Andrews and Miss Alma, Mr. and Mrs. W. H.

Andrews and children, Mr. and Mrs. Henry Andrews and Doris Jean, and Mr. and Mrs. Owen Andrews and family.

Mrs. H. F. Benson was able to come home from the hospital last Friday.

Among those who have been ill are Mrs. T. L. Sparkman, Sr. and Mrs. Henry Dobbs.

Miss Dorothy Mobley of Amarillo spent the week end here with her sister, Mrs. Floyd Cole and family.

Mrs. H. M. Mobley, Miss Lanelle and Don took Mrs. Mobley's mother, Mrs. Lella Taylor to Floydada on Saturday, where

Mrs. Taylor will make an extended visit with another daughter, Mrs. Claude Price and Mr. Price. The Mobleys returned home on Sunday. Mrs. Taylor's home is in Throckmorton.

The E. B. Berrymans and Sue went to Amarillo Saturday, where they picked up Miss Lamerias and continued on to Wellington to visit Mr. Berrymans' parents and other relatives during the week end.

The Lindseys and Bushs helped the Jack Shirelys of Frio redecorate their home last week, by papering after some walls had been removed.

Mr. and Mrs. Charles Pennington of Dimmitt were afternoon visitors of the Leonard Irwins on Sunday.

Mr. W. A. Springer and Charles Ralph are staying at the Capitol Hotel in Amarillo this week, while Charles Ralph has his 4-H calf on exhibit in the Pat Stock Show. Several people from here are attending the show this week.

Mrs. T. L. Sparkman, Jr. and children accompanied Mr. Sparkman to Amarillo the first of last week when he hauled cattle to the sale. They remained until Wednesday, visiting in the home of her sister, Mrs. Charles King and family.

The rain on Thursday night and Friday totaled more than one-half inch, and because the roads were barely dry from the recent snows, travel was very slow for a few days. There was no program on Friday night because of the bad roads, but if weather permits, the program will be held next Friday night.

FRIO H H CLUB MEETS

The Frio Home Demonstration Club met on Thursday in the home of Mrs. T. L. Sparkman, Sr. with seventeen members and two visitors present. After a short recreational period, arranged by Mrs. Dayton Chisholm, Recreation chairman, and the business meeting, during which the club voted to authorize its marketing committee to order and sell cards, the program was given. Mrs. W. A. Springer, Mrs. Glen Gripp, and Mrs. Dayton Chisholm read the T.H.D.A. Constitution and Mrs. Jack Johnson talked on selection of footwear. Mrs. W. A. Springer and Mrs. H. F. Benson are marketing committee members and will have samples of cards for all occasions, to sell, by the box, at reasonable prices. The next meeting will be at the school house on March 10. Program will be "Child Welfare" and a guest-speaker will be present.

Those attending last Thursday's meeting were Mesdames W. A. Springer, Dayton Chisholm, T. L. Jaycees Trounce Spearman Squad In Amarillo Play

The Hereford Jaycee basketball team walloped the Spearman Independents Tuesday night 37-29 at Amarillo. This was the first of a four-game series for Hereford, taking it for granted, of course, that the Jaycee boys keep winning.

Next on the docket is Wayland College tonight at 7:30 in the Amarillo Junior College Gym. If Hereford can get by them, the Jaycee team will enter the semifinals of this A. A. U. tourney. Box scores for the Spearman game were:

Two Basketball Tilts Announced

There will be two rough-house basketball games at the high school gym Friday night, when Hereford High's Junior team and Junior High's Eighth-graders tangle with the Dimmitt Bobcat counterparts.

Starting time for the eighth-grade game is 6:45, and the Junior teams will meet at 7:45. A battle royal well worth seeing is guaranteed.

WEST HEREFORD H-D CLUB

West Hereford Home Demonstration Club met in the home of Mrs. Cren Russell Tuesday. Roll call was answered with "What are the rights of the child?" Following a talk by Mrs. John Draper on "Building minds as well as bodies," members sang the club song, "I Would Be True," after which they voted to give a \$5.00 contribution to the Red Cross.

Those present were Mesdames Noel Worley, S. S. Williams, Lowery Walker, Clarence Hollabaugh, John Draper, Orea Russell, Ezzard and Ethel Laymon. Next meeting will be March 15 at the home of Mrs. John Draper.

Mrs. C. H. Dillehay of Vernon who has been visiting her sister, Mrs. Lester Sheffy of Canyon, spent Sunday here as a guest of Mrs. J. B. Hammer and Miss Ona Hammer.

VISITS SISTERS

Pfc Glenon Hamilton has been visiting his sisters, Mrs. Clarence Botts, Hereford, and Desie Foster, Clovis. He will also visit his parents, Mr. and Mrs. R. J. Hamilton of Mangum, Okla. Transferred from Fort Francis E. Warren, Air Training Command, Cheyenne, Hamilton will now be stationed at Grenier Air Force Base, Manchester, New Hampshire.

R. E. Barrett left Monday for Altus, Oklahoma, where he will spend a few weeks on business.

Junior Music Festival Attracts Wide Interest

The Junior Music Festival, sponsored by the National and the Texas Federation of Music Clubs for the seventh district, was held here Saturday simultaneously with other sessions held in Lubbock and Quannah. There were 106 registered at Lubbock and 14 at Quannah. "Primary purpose of the Festival is to encourage and inspire

Junior Federation members to greater effort and to provide a basis for higher musical attainment," Miss Mattie Mae Swisher, junior festival director, said.

The festival program opened at the Methodist Church with the singing of America with Mrs. John Jacobsen, Jr. at the organ and Rev. Don Davidson giving the invocation. Following the National Junior Music Club pledge which was given in unison, welcomes were given by Mrs. A. O. Thompson, representing the Music Study Club and the Civic Chorus, and by the Voco Club spelling the word "Welcome" as a group.

The Youth Choir of the Methodist Church, under the direction of Carl Johnson, presented four A Cappella selections.

Piano Division
The piano division presented its program in the First Christian Church under the direction of Mrs. Ellis Coombes with Mrs. Phillip Barkley assisting as secretary.

Miss Swisher directed the voice division with Mrs. R. C. McGilvary and Mrs. W. T. Carmichael assisting. Mrs. John Jacobsen, Jr. served as general secretary. Miss Evelyn Fagg, voice teacher, and Miss Doris Smith, pianist, both of the Amarillo conservatory of Music were judges. Accompanists were Mrs. John Jacobsen, Jr., Mrs. Cliff Estes, Mrs. R. B. Latham, Dawn, Mrs. W. O. Cherry and Mrs. John Wilson, Bovina, Mrs. Reba Miller, Friona, and Miss Swisher.

A special entertainment feature of the festival was the piano and voice numbers presented by the judges.

Triple rating certificates from the National Federation of Music Clubs for superior ratings won the past three years, were given to Edd Uri Talbot, Friona; Billy Derrick, Bovina; Reba Dones, Mary Helen McGilvary, Raymond Wells and David Goldston.

Winners in Piano Division
Superior ratings in the piano division were made by Kathryn Dunn, Friona and Evelyn Jean Benson. Excellent—Billy Woodford, Doris Jane McFarland, Friona; Freya Robinson, Ann Lookingbill, Freddy Lookingbill, Billy Robinson, Leaton Clark, Barbara Sue Rogers, Marilyn Barkley, Dick Wilson, Ramon Childers. Rated "very good" by the judges were Dale Brown, Jean McGee, Phila Mae Buske, Lila Gay Buske, and Deann Buske of Friona. Linda Kay Noland, Genell Benson and Eleanor Jo Aven, David Goldston and Neida

May both rated "very good" in the musicianship test.

Voice Division
Fourteen superior ratings were given in the voice division. Included were Jack Latham, Dawn; Irene Drager, Joan K. Ezell, Mekie Woelfel, Linda Cherry, al of Bovina; Irene Witherspoon, Sue Springer; Don Edwin Lewis, Friona; FaWayne Murphy, Dimmitt; David Goldston, Clara Derrick, Bovina; Jerry Jones, Bovina, Edd Uri Talbot, Friona and Billy Derrick, Bovina.

Those making excellent ratings: Dafne Aaron, Janice Medlin, Sandra Childers, Twila Springer, Augusta Richards, Ila Sue White, Robert Osborn, Marie White of Friona; Clayton Rutter, Louise Simpson, June Gay Loun-el, Bovina, Mary Lou Miller, Friona, Bill Murphy and Don Nelson, Dimmitt; Vera Ann Jones, Friona; Delores Wilson, Bovina, and Marilyn Barkley.

Classed as "very good" were Donna Witherspoon, John Benson, Margie Leake, Bovina; Jerry Witherspoon.

In the "good" rating were Wayne Walker, and Carolyn Lee of Dimmitt.

Group Entertained
After the program the Music Study Club, Civic Chorus and Voco Club were hosts at an informal tea in the church Fellowship Hall.

The refreshment table was done in spring colors with a center arrangement of pink sweet peas flanked by pink candles. Mrs. A. J. Schroeter, president of the Music Study Club, Mrs. C. C. Ferguson and Mrs. W. T. Carmichael presided at the table.

Recital Given By Young Pianist

Buford Dean Crosthwait, eight year old son of Mr. and Mrs. E. Y. Crosthwait of Friona, was presented in a piano recital in the home of his grandmother, Mrs. C. J. Mountz, who is his teacher, Saturday. Eight beginner numbers were played from memory.

Invited guests were his grandmother, Mrs. I. O. Crosthwait, Mrs. Frank Daniel and Dorothy Faye, Mrs. Bruce Wooddell, Donna and Patsy, Mrs. Pat Robinson, Diane, Vance and Marsha Lynn, Mrs. Wayne Dyer and Judy.

Assisting with the program were Dorothy Faye Daniel who gave readings and Carla Sue Crosthwait who entertained with piano selections.

CARD OF THANKS

I wish to thank the members of the volunteer fire department for their assistance in putting out the fire which started in my home one day last week. Every fire only emphasizes the need for proper fire equipment. Mrs. E. J. Williams

vantage of the spring house-cleaning season to remodel.

The Brand wants to call attention to the weather recordings which are run in each issue. Those temperatures are the high and lows recorded on the official thermometer located at City Hall in the custody of H. N. Reeves. As readings are made each morning at 8 o'clock the record shows the high and lows of the previous days. For instance, Wednesday's official 8 o'clock reading of 52 high and 25 low were the actual temperatures of the day before.

Among the Hereford women attending the Style show held at the Herring Hotel Tuesday at noon in celebration of the Amarillo Livestock Show were Mesdames F. S. Fluit, J. T. Gilbreath, Sr., Henry Melton, J. A. Pitman, and her houseguest, Mrs. Bob Wilson of Kansas City, Oscar Easley, J. R. Allison, J. C. McCracken, F. P. Lyons, J. T. Gilbreath, Jr., O. G. Hill, Jr., Woodrow Ireland, Tom Carter, Travis Dameron, W. L. Davis, Sr., and Mrs. W. T. Womble.

value to farmers who live many miles from town.

Henry Sears, president of the Chamber of Commerce, provided statistics indicating that of the 36 calls made by volunteer city firemen last year, 23 had been inside and 13 outside prescribed city limits. Calls were answered at Dawn, Wyehe and as far as 18 miles outside city limits, said Richard Jewell, one of the volunteer firemen present.

Fire chief Phillips said pressure from down State may necessitate their discontinuing the practice of taking city equipment beyond the city limits.

County Cites

raising the taxes to buy the truck."

Legal aspects of the situation were turned over to county attorney O. L. Bybee who Wednesday reported that the County was up to its tax limitation now and he has found no special provision of the legislature authorizing issuance of bonds for that purpose.

He pointed out a possible arrangement whereby the county could enter into a contract with the city for the purchase of this equipment and pay for its use on a rental basis.

City volunteer firemen had agreed to man the truck and take over its maintenance.

Express Opinions

The proposal for purchase of equipment was made by Wayne Evans who asked that it be considered since local insurance rates were on the increase and legally city fire equipment was not allowed to go outside the prescribed city limits. County equipment could serve both the immediate outlying areas and remote parts of the county without violating underwriter codes.

Francis Hardwick pointed out city property owners would feel the extra protection afforded by county equipment. Farmers who lose wheat, feed or grass in a bad fire would suffer enough damage in one instance to pay for equipment, he said.

Leo Gallagher suggested the truck should be kept in some county center such as Dawn and be manned by people around there, since it would therefore afford quicker service and otherwise it would not be of much

Sports Round-Up

By "SKEETER" SKELTON

Trying to pick up some facts on the new golf course, I dropped into Homer Fox's store, where all sports controversies, both new and old, are settled, or at least reached until someone is argued into submission. When I entered, the sports experts were discussing baseball, recalling the wonderful catch an unidentified player had made while lying on his back in center field in the Town Team game with Vega in 1919.

I casually mentioned the new golf course, hoping to divert the trend of conversation. The results were amazing. We were immediately whisked back in time to 1924, when the first Hereford golf club was organized. Jim Black was the president of that first organization, and Dow Mercer, who most older residents will remember, was chairman of the grounds committee. Dow was a go-getter, and his first official duties were to move the old city bandstand down from its resting place, north of the Baptist Church, to a point of honor near the tee of the first hole. Dow then installed a beautiful, red hand pump to quench the thirst of the golfers as they sat in the shade of the bandstand.

According to Homer, the greens were first dug out to make room for the placement of sand, which could be easily leveled. The sand was late in arriving, however, and the eager members couldn't wait for such trivialities, and started play with gaping holes awaiting them all over the course. It is strongly hinted that some unscrupulous members knocked the ball "into" the green and counted only one stroke, feeling justified after putting their ball in the "hole." Some of those meateads played for a month before they even took their putters out of their golf bags," Homer related.

In those days, golf provided the principal diversion for Herefordites, and almost everyone took their golf seriously. There were inter-city tournaments about three Sundays out of the month during the summer, with Hereford taking on such neighboring clubs as Amarillo Hillcrest, Tucumcari, Canyon, Clarendon, Tulia, Lockney, Friona and Clovis. A few of the members

of that early club were E. B. Posey, N. E. Gass, George Muse, Lem Carlyle, J. A. Pitman, Mac Pitman, W. C. Pitman, Dr. W. F. Gabbert, Dr. Hicks, Albert Herbst, Brack Williams, E. D. Fox, H. K. Fox, H. L. Rice, Dow Mercer, C. A. Skelton, Frank Marrs, Hy Wilkerson, Wirt Phillips, J. J. Clark, Virgil Cunning, J. C. Cummins, C. C. Azker, C. C. Rockwell, D. W. Alexander, J. M. Posey, W. H. Russell, C. P. Cockrell, E. S. Ireland, Jim Robinson, Seth Holman, Jim Black, John Cunningham, Cliff Estes, J. H. Brooks, and Jeff Gilbreath. This wasn't all the players, but these were all that there was time to discuss thoroughly in one afternoon.

"In those days, the fellow who won the hole was the last guy to turn in his score. The first man to admit his score didn't have a chance," said Homer, then added, "We weren't natural-born liars, we just hated to lose." Homer once played Albert Herbst in a one-stick tournament. On arriving at number eight, which required the golfer to make a difficult drive over Tierra Blanca Creek, Herbst, with Homer looking on and laughing, proceeded to knock seven balls into the creek before he finally managed to put one over. Still laughing, Homer stripped his mid-iron and approached the tee, where he knocked every ball he owned into the creek and had to concede the game to Albert.

It was generally agreed among the "experts" that the best golfers of that day were Brack Williams, J. A. Pitman, E. D. Fox, Frank Marrs, A. Herbst, and J. M. Posey. These top players would occasionally round up a bunch of suckers and take them for a nine-hole cleaning just for the fun of it. On one such occasion, a group consisting of J. A. Pitman, Mac Pitman, Doug Fox, Frank Marrs and Brack Williams got together and "teed off." This game was not "for the fun of it," however, since the participants played for the consideration of each other's clothes—a game of "strip golf" so to speak.

All of the contestants were good players, and each felt confident that he would enhance

Plan 'Flying Fivers' Ball Game

Pictured above are the three men who negotiated proceedings for the basketball game Friday night at Plainview between the Wayland College Pioneers and the Lakewood Baptist Church team from Dallas. At left is Dr. Luther Holcomb, pastor of the Lakewood Church, who pioneered in the realm of church recreation. Their senior team will play for Dallas city championship next week. In the center is Homer W. Snowden, enthusiastic booster and Dallas oilman, whose private DC-3 flew the team to Plainview. On the right is Dr. J. W. "Bill" Marshall, Wayland College president was on hand to welcome the Dallasites.

his wardrobe with five extra golf outfits. The first hole resulted in a tie, as did the second. Each golfer did his best on the third hole, straining to the utmost to gain the lead which would leave his companions in their "birthday suits." The third hole, too, resulted in a tie. On the fourth hole, which had a par of four, "Pitt" made a long drive to the top of a hill. With the green lying 225 yards away, he assumed his stance, swung, and the ball sailed straight as an arrow over the creek, onto the green, and into the cup, giving him a score of two on a four-par hole. Needless to say, the game broke up then and there. While they peeled off their "winnings," the disgruntled losers made remarks to the effect that "Pitt's" laughter could be heard "clear to Dimmitt."

The loser's claims to the contrary, "Pitt" turned out to be a generous soul, since he left the boys their shoes so that they could make their way through the goatheads and grassburrs to shelter under the railroad bridge, where they stayed until they could sneak into town under cover of darkness.

The average daily cost of fires in the United States is about \$2,000,000.

Good Yields On Small Pastures Reported Here

Ronald Matthews, machinery operator for the Deaf Smith County Wing-Erosion District, has recently completed diversions for water control for three district cooperating farmers. Two terraces and drainage ditches were constructed to get water by Ernest May and Walter Galley to divert extra run-off water around farm land and into a lake. A similar diversion terrace was made for A. H. Husmann, northwest of Dawn, to turn run-off water out on his grass-land. Mr. Husmann plans to plant about 20 acres below this terrace to a mixture of Bromo-Crested Wheat, and Perennial Rye Grass for pasture; he will cut it into two or three pastures for better use in grazing.

Mrs. Vinita McClain, north of Dawn, plans to plant about eight acres of an irrigated grass mixture consisting of about 10 pounds of Bromo grass, four pounds of Orchard Grass, and four pounds of Crested Wheat Grass per acre.

J. B. Araway, near Dawn, seeded 13 acres of Bromo-Orchard Grass and Perennial Rye Grass last fall and has an excellent stand. He will fence it into two pastures.

Through cooperation of the Soil Conservation Service, the District has recently made topographic maps for irrigation systems on the farms of Jack Dean Clark and Brown (Willard Scarth, operator), and R. W. Mitchell.

Contour lines for seeding barley were recently run for Jack Walker on the Paul Mathers farm. Contour pasture furrows were run also for R. W. Mitchell.

A system of Strup-pan level-terraces were laid out on the H. D. Hill farm to use surplus run-off water from his irrigation of alfalfa land.

ATTENDS MARDI-GRAS

W. G. Harris returned Tuesday for a ten-day trip to his old home in Sanger, Texas, and to New Orleans, where he attended the Mardi Gras festivities.

PERSONALS

Mr. and Mrs. Hugh May of Clovis spent Sunday with their daughter and family, Mr. and Mrs. Bruce Woodell.

Mr. and Mrs. A. Peterson and Mr. and Mrs. Robert Peterson went to Lubbock on Wednesday to visit with Mr. and Mrs. Robert Peterson and Gary. Mrs. Peterson will remain for an extended visit.

Mrs. R. D. Dockerty of Long Beach, California, arrived Monday for an extended visit in the home of her daughter and family, Mr. and Mrs. E. E. Wolfe.

John Blake, co-owner of Station KPAN, returned to his home in Brownwood Friday, after having spent the past several weeks in charge of the station in the absence of Marshall Formby.

C. P. Cowart, secretary of the Hereford Chamber of Commerce, and E. V. Rushing of Clovis spent Tuesday in Amarillo conferring with George Lott, District Engineer of the State Highway Department on the Harrison Highway right-of-way.

You Pour Your Own Coffee at this Cafe

If you walk into John Crenshaw's cafe in Meridian, Tex., don't expect him to throw down his paper to wait on you. You will probably pour your own coffee as these two customers are doing. Crenshaw, shown above reading his paper, has gained fame for heckling his customers, most of whom go to the kitchen, wait on themselves and pay on the way out. The help yourself service started during the war, and Crenshaw said he kept it up because it made so much easier for him.

DWI Charges Net \$422 In County Court

Fines, totaling \$422.90 were paid on "driving while intoxicated" charges this week end by three men in county court. City police also filed a charge on "careless driving," which cost the violator \$31.

Judge Leonard Foster Friday fined C. D. Davis \$100 and costs of \$24.30 when he appeared in County Court in answer to a DWI charge. He was arrested by night patrolmen Pitman and Rainey.

Saturday James Millard Sellers was fined \$150 and costs on a like charge in County Court. Patrolman S. B. Berry picked him up on Highway 60 Friday afternoon.

G. T. Wilson was charged a fine of \$100 and costs Monday on DWI charges filed by the night patrolmen who picked him up Sunday morning after he was involved in a minor automobile collision about 12:30 a. m.

City police officials Sunday nabbed Corky Ferry on reckless driving charges after he narrowly escaped an accident on Park Avenue. He was charged in city court and released after payment of a \$31 fine, based on \$25 and costs.

Delegates Make Plans For Meeting With Highway Commission In March

Executive Committee of the Highway 51 Association met Monday evening to plan a trip to the State Highway Commission meeting in Austin during March, when they plan to present arguments for constructing a bridge over the Canadian River on Highway 51.

The group agreed that representatives of all 16 counties from Dalhart to Fort Stockton, areas served by the State Highway 51, would attend the meeting in Austin.

Special committees were ap-

pointed to bring specific information to the State Highway Commission on the need for the bridge. They include: Bill Swanson, Vega, president of the Texas division of International Parks and Highways Association; Paul Counts, Fort Stockton, to present the international parks angle.

Swain Burkett, Dimmitt; Oil fields, agriculture products and harvest season problems; Raymond L. Thompson, Vega, ranch-

FIRE

But Where?

It might be here! It might be anywhere in the United States. The Red Cross participates in an average of six disaster relief operations every week.

In 303 disasters last year the local chapters of the Red Cross were on the scene at once, had relief organized in a matter of hours, served as the funnel

through which flowed the nation's sympathy and help. Your contributions brought temporary housing... emergency food supplies... medical and nursing care to 312,400 victims. Later, thousands of these victims received long-term rehabilitation aid.

To carry on this mission of mercy, the Red Cross once again asks your help. So won't you give, and give generously?

Club Women Make Easter Gloves

It's national sew and save week and glove making time for Easter Paraders, and Home Demonstration club members are learning to make their own leather gloves, a personal accessory touch to complete the spring costume.

"Gloves look more difficult to make than they actually are," Argen Draper, CHDA agent pointed out, in explaining the project. "And besides, the personal satisfactions of creating something worth while, there's the more material satisfaction of having a good looking leather glove for about \$2.50—half of what you'd pay in a store."

Variety of Colors

Club women may order the leather for their gloves in a variety of colors and types but neutrals, black, white and red are the most popular. Cape-skin, pig skin, pigtex, and doe skin gloves will show up in the Easter parade. Some women are making gloves for their husbands of heavy deerskin.

Initiating the glove making scheme, each club selected a leader to attend a training school sponsored by the CHDA agent. They were instructed in construction of these mitts and in turn will teach the members of their clubs.

Selected as leaders are Mrs. O. B. Russell, South Hereford; Mrs. Pete Carmichael, Progressive; Mrs. Ed Thomas, Sims; Mrs. W. T. Kelly, Wyche; Mrs. Raymond Childers, Cultural;

Moonmaids Coming Home

Three young singers, former student stars of North Texas State stage shows, returned to the Denton campus Feb. 19, this time as featured vocalists with Vaughn Monroe's orchestra, which appeared at NTSC for two shows, one a radio broadcast. NTSC exes now singing with Monroe are Mary Jo Thomas, Denton, lower left; Tinker Cunningham of Denton, upper left; and Juhe Hiett, Arlington, upper right. The fourth Moonmaid, Maree Lee, lower right, is from Ohio.

Mrs. Fred Saltzman, North Hereford; Mrs. J. C. Morrison, Westway; Mrs. W. P. Caraway, Dawn; Mrs. Wayne Higgins, Fairview; Mrs. Jack Johnson, Frio; Mrs. Lawrence Jentzen, Ford; Mrs. W. H. Clements, Messenger, and Mrs. Travis Caraway, West Hereford.

Glove patterns of heavy cardboard in regulation glove sizes are filed in the CHDA office. Each woman makes a copy of the pattern she needs; measur-

ing her hand just below the fingers, in the same manner in which she obtains glove size for manufactured gloves. If necessary, she shortens finger lengths on the gloves to obtain a perfect fit.

Glove pattern includes glove back, thumb piece and ten gussets.

First step in sewing is to whip in the nips along the back. There are several designs which may be used and the nips not only serve as glove decoration but help to insure that smooth custom tailored fit.

A special glove's needle is used, designed to puncture the leather. It is a sharp, flat metal piece much larger than ordinary sewing needles. Nylon thread in either matching or contrasting shades is used to put in the nips and whip over the gussets.

After the nips are put in, the thumb is attached. This is probably the most difficult step and sometimes confusing to the novice because it looks as if the thumb is being sewn upside down, Mrs. Draper said.

From one pattern gloves of several designs may be made. Decoration is left to the imagination and talent of the maker. The plane may be left unfinished or it may be hemmed. Summer gloves in cotton with crocheted gussets and planes may also be made from this pattern.

"Even a beginning seamstress can make a pair of gloves in one day," Mrs. Draper said. "This project has proved extremely popular with our club women, adding another talent to the lists of the successful homemaker."

Range Management Will Be Studied

COLLEGE STATION, Feb. 26—About 40 percent of the Texas agricultural income is derived from livestock and livestock products. Some 93.5 million acres or about 60 percent of the total area of the state is devoted to the grazing of livestock, says A. H. Walker, extension range specialist of Texas A. & M. College.

Range demonstrations have shown that livestock live longer and produce bigger offspring when plenty of good grass is available for them.

Programs are now underway that have as their objective a sound and practical approach to the problems of range management. Two range management schools for county agents were held by the A. & M. department of range and forestry the past two summers, and the class rooms used were the ranges where something was wrong. Demonstrations have been established to show what can be done if proper stocking rates are observed and if the good grasses are given a chance to reseed.

The record drought has forced many ranchmen to reduce their herds from 25-75 percent and still supplemental feeding is necessary. Too many livestock for too long has caught up with the livestock man and this added to the recent drought has further aggravated the situation. Those demonstrators who have practiced good range management still have pastures that are in good condition.

Brush control and eradication demonstrations are underway. These include mechanical and chemical methods. Some results have been good but more information is needed on cost and practicability before practices can be recommended.

More ranch operators are practicing deferred and rotation grazing for range recovery and this coupled with adequate watering places, proper stocking rates and plenty of fences should add to the ranch income, concludes Walker.

Tomato Planting Should Begin Now

COLLEGE STATION, Feb. 26—In order to get an early start with tomatoes, it's necessary to plant the seeds now in a plant box or hotbed. The tomato seedlings can sprout from seed now and spend the next six to eight weeks under protection from the cold, growing big enough for transplanting, when all danger of frost has passed.

For the average home garden, says J. F. Rosborough, extension horticulturist of Texas A. & M. College, a small plant box can be built 18 inches wide, 30 inches long and four inches deep. The soil should be made up of equal parts of compost material and good garden loam soil, thoroughly pulverized and packed.

It's suggested that the rows be four inches apart, and the tomato seed planted three per inch in rows running the width of the box. Cover the seed one-fourth inch deep and sprinkle the soil well with warm water to speed up germination. On warm days the plant box may be left in the sunlight on the porch, but brought inside when the temperatures drop below 40 degrees F.

When the plants get to be two or three inches high, it's a good idea to thin them to a spacing of four inches between plants. But don't throw away the ones you thin out. Shift them over to another box, or give them to a neighbor who may have also prepared a tomato box.

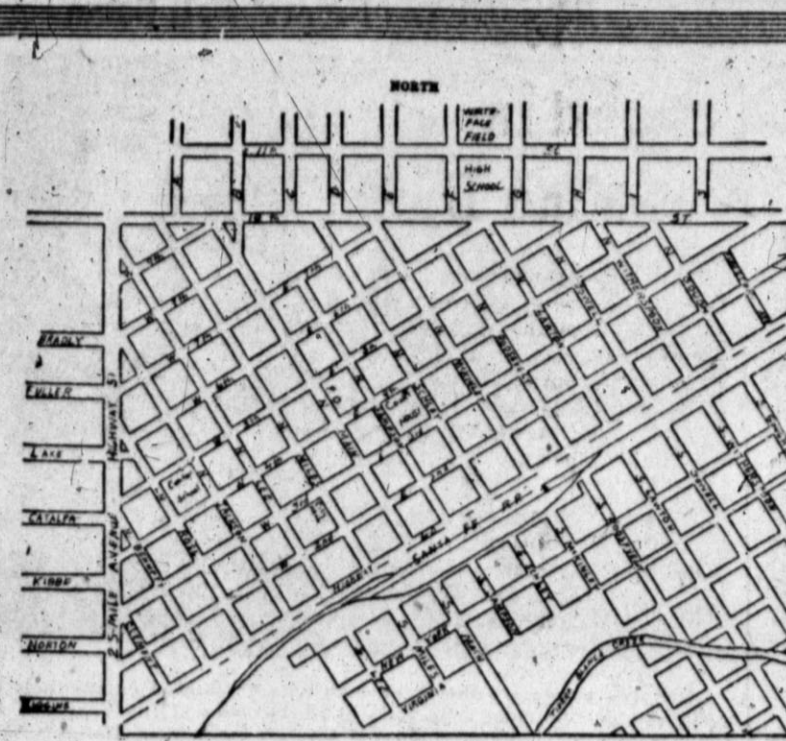

After growing in the plant box for six or eight weeks, the seedlings will be about eight inches high. Then they're ready for transplanting into the open garden when all danger of frost is over, and water them good before setting them out, suggests Rosborough.

In order to have your tomato seedlings ready to set out in the garden on time, it's a good idea to start the plant box preparation around seven weeks before the usual date of the last killing frost.

Hagy Reports Interest In Canadian Dam

Hereford's interest in a probable road crossing on the Canadian River extended this week to a conference held in Washington between legislators and Panhandle citizens who discussed the Canadian River Dam project with Secretary of Interior Krug.

Mayor Lawrence Hagy of Amarillo, Homer Robbins, regional director of Bureau of Reclamation, and Clarence Whiteside, Lubbock city commissioner, were on hand to talk the matter over with cabinet officials and such influential Texans in the capital as Sam Rayburn, speaker of the House, and Federal Judge Marvin Jones.

"The Bureau of Reclamation is preparing a new report on the Dam Project which will be ready for submission before July 1," Mayor Hagy reported. "It's a good thing, because all we have in Washington now is an unfavorable report and we can't do anything until the new one is completed."

Hagy declared the entire future of the Panhandle is dependent up on this dam and that more than a good report was needed, but he believed the bureau wanted to build the dam across the Canadian River.

Hereford citizens have been concerned with this project particularly in its relationship to building a bridge across the Canadian River which might therefore spur construction of Highway 51 from Vega to Channing.

Local conservation authorities have also used the recharge on irrigation wells which the dam would create as another argument in its favor.

Ruth Ann Allison Has Birthday Party

Little Miss Ruth Ann Allison celebrated her third birthday with an enjoyable party at the home of her parents, Mr. and Mrs. J. R. Allison on Wednesday, Feb. 23.

After the guests assembled whistles and balloons were given to the children as favors and outdoor games were supervised. Moving pictures were made of the group with the birthday cake topped by the birthday candles.

Attending were Carol Hays of Dimmitt, Royce Gilliland, Susie Woodford, Katherine Nell Barnard, Ann Kirby, Denise Barnard and the honoree.

The hostess was assisted by her sister, Mrs. Charles Hays of Dimmitt.

VISIT DAUGHTER

Mr. and Mrs. W. B. Keeton of Hollis, Oklahoma, who have spent the winter with their son, Kenneth W. Keeton in West Palm Beach, Florida, visited with their daughter, Mrs. Glenn Boardman, in Hereford last week end. The Keetons, en route from Florida, also visited their two daughters in Chicago, and another daughter in Amarillo.

Gizi Farkas, 22-year-old Hungarian girl, smiles happily in Stockholm, Sweden, after winning triple honors in world championship table tennis tournament held there. She won the singles title, and was a member of the winning women's doubles and mixed doubles teams. Shortly afterwards, however, Gizi was arrested by police on charges of taking blouses from a downtown shop. Released after returning the blouses, she tearfully explained: "I've never seen such nice things at home. I just couldn't stand it."

Three-Year-Old Is Honored At Party

Carolyn Sue Caraway who was three years old Monday, celebrated her birthday with a party given by her mother, Mrs. Travis Caraway. A pink and green theme was used for the birthday table with the decorated birthday cake surrounded by greenery and sweet peas.

Recordings of bedtime stories and games provided entertainment and pictures were made of the group. One of the gifts was a decorated cake made by Mrs. Ed Cox.

Children present were Ronnie McMurry, Connie Stone, Eldon Howell, Dorothy Ann Mercer, Johnny Hughes, Lee McMurry, Royda Eoyd, Bobby Lynn Brooks, Diane Hughes, Sandra Jo Caraway and the honoree.

Mothers present were Mesdames Ray Howell, Elton Brooks, Clay Hughes, Jimmie Mercer, Cieta Kay Rutter, Leeland McMurry, Bill Githens, E. J. Miles, Josie Funderberg, Miss Thornton Shirley was also a guest.

Mrs. Askren Is Birthday Honoree

Mrs. S. E. Askren was honored on her 81st birthday Friday with a surprise party given at her home with Mrs. Benny Womble as hostess for the party.

Refreshments were served, the guests as they arrived and later old-times were recalled and gifts were opened. Birthday cakes were made by Mrs. Frank Marrs, Mrs. Roy Ford, and Mrs. Womble. Those sharing in the octogenarian's celebrations were Mesdames F. S. Smith, Florence Parr, W. A. Hunter, Frank Marrs, O. H. Culpepper, Roy Ford, A. B. Christian, J. B. Jones, A. C. Thompson, C. B. Williams, W. S. Rice, Fannie Mae Cole, and the hostess.

Home Demonstration Club Activities

Cultural Club Cultural Home Demonstration Club was entertained in the home of Mrs. C. S. Bartley Friday in a Child Welfare program with Minister Bob Wear of the Church of Christ as the speaker for the afternoon.

Minister Wear said "Building minds as well as bodies from infancy through adolescence is important, and even then parents responsibility does not end. Companionship in the home is the keynote for success, when rearing a family if we are to train our children in the way they should be, so they will not depart from it."

A business session was held when Mrs. E. L. Adams and Mrs. E. W. Hopson were welcomed as new members.

Attending were Mesdames Earl DeHart, R. C. Childers, Grady Parsons, J. A. Poole, E. Y. Adams, E. W. Hopson, N. G. Thomas and the hostess.

Heiselman Club

Mrs. Bob Caldwell was hostess for the Heiselman Home Demonstration Club meeting Thursday afternoon. Mrs. E. L. Brown, president, presided. Mrs. Tom Draper, KEHDA, conducted a demonstration of glove making. Mrs. Johnnie Dossier will be hostess for the next meeting on March 10.

Those present were Mesdames Lorein Creitz, E. L. Brown, E. B. Pounds, Johnnie Dossier, Robert Wingate, Henry Kinsey, Oscar Bronnman, Tom Draper and the hostess.

CARD OF THANKS

I wish to express my sincere appreciation of the many cards, gifts and other tokens of remembrance which came my way Friday my 81st birthday. All these and the many messages of congratulation received will provide pleasant memories for me in the future.

Long Time Ago

25 Years Ago
 ...The cotton-growing boom continues in Hereford, according to the March 4, 1924 Hereford Brand, which states that "most of the time of the (Chamber of Commerce) session, was taken up with a proposition by ... and W. H. Kittle of Lockhart, Texas, promoters of a proposed cotton-breeding farm."
 "In brief," reads the Brand, "the proposition is that Mr. Scheh buy a place here and put in his pure bred seed for propagation. The farmers are to sign up on acreage of about 8,000 acres on which they will plant this seed and handle it, through a gin, to be installed through stock subscription, Mr. Scheh to take \$5,000 of the stock."
 A last-minute item run in on page 1 is headed "W. H. Russell is father of husky twin boys," and a local on the front page reads that "Mr. and Mrs. Lan Shore and family left the latter part of last week for their new home in Rumley, Kansas."

Frank H. Jacobs, a former Hereford resident, writes the Brand from Phoenix, Arizona that "We are coming back to Hereford in about a month ... This Salt River Valley is a good country but I myself like the Plains better. ... I believe Hereford has a bright future."
 Another timely item heads: "Messrs. J. J. Clayton, J. B. Sowell and Ed East left Tuesday afternoon with several loads of cattle for the Fort Worth Stock Show to be held in Ft. Worth."

As A Teacher Sees It

BILL STANFORD
 I appreciate the opportunity to write a few words as a teacher, and would like to write some suggestions concerning relationships. I would like to preface my remarks by saying that to me one of the most important phases of school life is our attitude, perhaps even more important than good grades. The attitude of the boys and girls in Hereford High School is commendable but to those who find life difficult, I would like to offer the following suggestions.
 Oft times we do not realize it but we have certain attitudes which are not conscientiously our own, or else we form them without thinking in the formation of these attitudes. Whether we realize it or not, everyone who dislikes someone is usually disliked by someone else. We are not perfect in our ways nor are we constantly right in our likes and dislikes. When we are born, there are no prejudices or preformed ideas which linger with us until death, but rather these prejudices and ideas are formulated in our minds by those with whom we associate. We obtain childish desires and childish attitudes early in life. These desires and attitudes may linger with us all through our lifetime, if we are not careful to consider them from a logical basis; or we may be able to cast them off or change them through our thinking. It is easy to follow, but it is generally rare for someone to think clearly and then present a definite statement based upon good common sense. True intelligence is not "stringing along" with the crowd, but presenting ideas concrete and full of meaning. We are critical of things that do not suit our fancies, yet we do not consider that there may be a good sound explanation for these things which we dislike. Criticism is often given for these dislikes, yet when we find out the other fellow's viewpoint, we find that many of our "pet peeves" are about as solid as a feather in a windstorm. Criticism, of course, can be constructive, yet how many of us really try to offer assistance to those to whom we are obligated by trying to work out things for the betterment of our school or community?
 During our youth, we form patterns in our personalities, and form certain dents or creases in our brain, which, unless they are along the right path, may lead to our downfall. The right attitude toward our fellowmen, our school (including sports, faculty, parties, and other functions), our community, and the citizens of the community, determines the final outcome of our lives. If we cooperate with those who try to help us and try to understand the reasons behind the decisions which seem to irritate us, then our attitude will improve and you will soon find yourself in a well organized and excellent functioning environment.
 One important characteristic which we must acquire, is Happiness. Most of us are happy when we have our own way and everything seems to go just as we like it, yet when the converse is true, we are constantly grumbling about the authorities or those responsible for our unhappiness. To be really happy in the world, you must be a good actor or actress. In other words, when the chips are down and it seems everyone is wrong but YOU, then you must act the part and carry on so as not to spread gloom to the entire group. It is a fact that, "When a person constantly blames the surroundings, and the other fellows for their own misfortune, they generally wind up; either sooner or later, in serious trouble." If you associate with your fellow students and get along with them during your High School days, and find you definitely fit in, then when the day comes for you to take your place in the community in future years, the same ways of "getting along" will help you establish your reputation and be known as a credit to your community. However, if you have the thought in your mind, and it is only imaginary, that the world, the school, and your fellowmen are against you, then unless you change your attitudes and free yourself of your self-pity, life will hold one disaster after another for you in the many years which are to follow.

New Volumes And Spring Fever Get Together at H. H. S. Library

Spring is the time for new things in the library at Hereford High. In the hope that you have read all the old books, and would enjoy some new ones, the library has received these new fiction books: "Going on Sixteen" by Cavanaugh; "The Wonderful Year" by Barons; "The Big Fisherman" by Douglas; "Split Seconds" by Scholz; "Seventeenth" by Daly; "The Black Tanker" and "Hurricane Weather" by Pease; and "Clear for Action" by Meader.
 If you are interested in our sister states of Oklahoma, New Mexico, Colorado, and California, then you will want to read the new books about each of these states written by The Writers Program. The books describe the states in terms to make you long for that summer vacation.
 Two new biographies have also been received by the library: "David Lillenthal" by Whitman and "David Livingston" by Eaton. These books are for the people who are interested in the lives of others, or for those who have

SPORTS SLANTS

By PAT CORBETT

Bob Patterson, the spark-plug of the Hereford Whitefaces, made the All-District team at Dumas last week. He starred at both the games the Whitefaces played in the tournament. The Whitefaces lost to Tulla, who they had already beat twice, and to Phillips, who went to the finals. Dumas won the District 1-A crown and will represent the district at the Regional tournament.

The softball league at the high school is going to get started pretty soon now. The event is going to be an annual affair now. Last year was the first year anything like that has ever been started and it went over big as most of the kids went to all the games. The lettermen of football or basketball can't play. The teams that were in the league last year were: P. E. Hi-Y, Band, Dawn-Daniel. The P. E. class won the crown without losing a game. Mr. Don Martin is going to be in charge of the games.

Track is going full blast at the oval track around Whiteface Stadium. Mr. Groom and Mr. Criswell are coaching a good crowd of boys out for the team. The track has been graded and everybody is training hard. The team seems to be strong in running but weak in field events. The jumping and vaulting pit is going to be in front of the east stands this year instead of in back of them. The Maroon and White boys are looking forward to a good season on the cinders.

Did you know that Hereford, in 1921, won the first, second, and third places in seven events? The track meet was held in Canyon.

The Exes of Hereford High School: Gilbert "Trigger" Carlyle is attending Amarillo Jr. College. He is playing basketball at the college. Trig was a letterman in football and basketball at Hereford High School.

Today's sport fan is Mr. Jack Cogdill, a teacher at Hereford High School. He became interested in sports for the first time when he listened to S. M. U. play Navy in 1937. His favorite high school athlete was Gene Hill, of Wichita Falls, in 1941. His favorite college athlete is Doak Walker of SMU and his favorite pro athlete is Hal Newhouser of the Detroit Tigers. His biggest sport disappointment was when Hereford failed to win the district championship this year. His biggest sport thrill was when Walter Schlinkman of Tech ran 97 yards for a touchdown against SMU in 1944.

The Feminine Mind

And then there's the girl who wanted to know how many wheels a football coach had.

F. H. A. Members To Enter Contest

On Monday, Feb. 21, 1949, the Hereford FFA Chapter held a meeting. They discussed the grasses to be entered in the contest at the Fat Stock Show in Amarillo on February 28. Other County Chapters of FFA and 4-H will enter the contest. The FFA boys are now wearing their new jackets that arrived on Tuesday the 22nd. On March 5, the boys are going to Lubbock for an Area Chapter C Conducting Contest. They will enter both Junior and Senior teams.

Freshmen Present Assembly Skits

On Friday February 25 the Freshmen presented an assembly. It consisted of three skits: "The Superstitious Maid", "Nancy Owens—Mrs. Brooks, a doctor's wife", "Jeanne Palmer—Milly, her daughter", "Lucy Donnel—Tilly, another daughter", "Helen Rhodes—Anadelena, the new maid", "It Makes a Difference", "Who Painted Eliza's Calf Green", "Judge—Larry Slaughter", "Mrs. Trumpington—Billie Jo Hudspeeth", "Obedia Csgood—Dabney Williams", "Obedia's wife—Elma Rae Hamby", "Judge's wife—Donna Cowser", "Jerry—Obedia's brother", "Franklin Wall". Sponsors: Mrs. Calvert and Mr. James Garner.

Please Give

The Junior Red Cross has a project of filling gift boxes for children overseas. These boxes are small and contain useful things. Who can participate? Any group or classroom enrolled in the Junior Red Cross. The boxes are filled in school under the supervision of a teacher. The children overseas have a desperate need for the small things we can send them and they are grateful for any gift.

Since January 1, 1945, through June 30, 1948, 1,668,259 gift boxes were sent to twenty-eight different countries. The good will and morale value has not been estimated.

Some of the many things that can be put in a gift box are: Pencils, erasers, compass, crayons, protractors, colored drawing pencils, blotters, cake of toilet soap, toothbrush, toothpaste or powder, washcloth, needles, handkerchief, ruler, ball, top, paintbox, yo-yo, color book, necktie, hair ornament, small bag of marbles, beads, doll and a picture of your class in school. Do not include: Breakable items, liquids in glass containers, candy or other edibles, patriotic symbols, religious symbols, or toy weapons. Please take a few pennies and buy something that may help a boy or girl overseas. It will be appreciated.

Authorities explain that ordinary fogs are simply clouds near the ground.

GAB

SESSION

Well hello, There! Now today I would like to give you a lesson on "Losing Friends and Agitating People". Well, here are a few hints for boys:
 1. Be a bully. Make it clear you are a "big shot."
 2. Always get your way. Who else could have a better idea than yours?
 3. Don't pay any attention to "even your best friends won't tell you." That couldn't be you.
 4. Don't, for goodness sake, watch your clothing. Anything will do for a date. And remember don't ever wear a necktie, it might choke you.
 5. Remember girls are sissy. Don't let a girl go by without saying, "What more can you expect of a girl?"
 6. And don't spoil the girls—never make a date except at the last minute.
 7. Be sure you don't tell the girl where you are going—after all if she can't skate in high heels it's her tough luck.
 Well, I hope you will be sure and follow these simple little rules—I can assure you that you will not have a friend left in a few weeks.
 Next week I will have a few hints for the girls.
 Love,
 K. I. A.

Teachers' Who's Who

Do you enjoy visiting, football, softball, or collecting poems and building things? If so, you have much in common with Mr. William J. Stanford, the teacher of Vocational Agriculture in Hereford High School. Mr. Stanford, who attended college at Texas A&M, is teaching in Hereford for the first time this year. Mr. Stanford has this to say about the subject he teaches: "I believe agriculture is one of the best subjects offered to high school boys. Through class work and in their supervised farming programs these boys learn more about farming, and the business of record keeping. In the world today and of tomorrow leaders are and will be needed—this is the part the Future Farmers of America plays in the development of these leaders from boys with ability."

MY PET PEEVE

1. Clara Jayne West—second floor at 1:00.
 2. Jane Welch—to be called "Janie."
 3. Alvin Shirley—school.
 4. Joe Hacker—third floor.
 5. Nancy Cagle—little brother who reads my diary before my boy-friends.
 6. Mr. Jack Cogdill—people who say "git."
 7. Billy Martin—nosy people.
 8. Pat Longbottom—unfair people.
 9. Gayle Roberson—stuck-up people.
 10. Betty Gomez—having to get up early.

HOW'S THAT AGAIN

The man got off a train, green in the face. A friend who met him asked him what was wrong. "Train sickness," said the traveler. "I'm always deathly sick when I ride backwards on a train."
 "Why didn't you ask the man sitting opposite you to change with you?" asked the friend.
 "I thought of that," replied the traveler, "but there wasn't anybody there."

On Speech

Can you do it? Can I do it? Can anybody do it? At that first long dreadful look everyone feels incapable of accomplishing such a feat. There you are untrained, incapable, unprepared; ignorant wretch of humanity trying to do something that would make the best of men flinch and doubt their abilities. All of a sudden you're struck with awe! An idea comes to rest in your weary and disturbed brain. You have at last hit upon a subject that will make your speech teacher take back all those satirical remarks about your previous attempts. Now all you have to do is reach upon the bookshelf; pull down the "Speakers Desk Book," The Masters Book of Humorous Illustrations," the Dictionary, the "World Book series; spend countless hours digging up facts, quotations, and opinions; and last to find three or four jokes that have exactly the right sense of dry humor which your speech teacher possesses.

At last you have all your material collected, now all you have to do is to draw up your outline. Next comes the painstaking task of writing the final copy. The time is now exactly three minutes before Speech Class. You start getting nervous, a lump comes in your throat, your hands become clammy and moist, and your entire body feels as if you had just completed a three-hour wrestling match with three full grown gorillas. At last you muster up enough courage to enter the room and take your place. The class starts. The speech teacher calls on you of all persons to be the first to present your speech. You get up. Your mind draws a double blank! You look at your notes but they might as well be written in Chinese for all the good they do you. You stumble and falter for what seems to be an eternity. At last you sit down. You're completely exhausted in both your mind and your body. The usual remarks from the speech teacher about your aspirations prove to you that you will never be a public speaker regardless of how hard you try.

F. H. A. Girls Have Socials

The F.H.A. girls have been exceedingly busy the last few weeks. They held their Sweetheart party at which Bobby Brownlow was elected Sweetheart of '49 by secret ballots cast by the club members at they entered for the party. Bobbie was given a large arm bouquet of red roses, the club flower, by the members. Ninety five people attended the party. The club is grateful to Mrs. Brown and Mrs. Carl Frye for their help at the party.
 The girls also held their box supper in the gymnasium last Friday night. At the box supper the beau was announced to be Dabney Williams. He was elected by penny votes cast at the supper. Bobbie Brownlow presented him with a beau tie after she made the announcement of the winner.
 Donna Jean Cowser was given a prize for having the most attractive box at the supper.

Learning To Drive?

Look out! Here comes another car! No, don't turn now—you're too far out in the street. Why don't you watch for those signs? Now—let the clutch out slowly and press on the accelerator. Not so fast! Can't you feel the jerking? Slow down now—I mean slow down! Oh—get out and let me drive—no, you have to learn some day so you might as well be now. Start again—you mean it won't start? Just relax a minute—now, see—it started without any trouble. Don't let it die! That's it—you're learning a little more. Now shift into first. That was a little better, now let the clutch out slowly—do you have to let it out so fast? Okay, put it in second—owwww, strip the gears why don't you? Let the clutch out fast this time—you thought I said slow the other time? Well, I didn't, I said fast. It's time to shift to high—you thought it was low? Well it isn't. Look at that woman drive! The way some of the women in this town drive is a shame! She didn't even look at that side street! Hey slow down! When you drive with me you're going to learn to listen to me. Turn here, get closer to the curb. You didn't have to scrape it! Watch the street, not me. How do you ever expect to drive in a straight line if you're always watching me? Relax! You'll never be at ease if you always sit on the edge of the seat. Don't get too close to that car in front—I said don't get too close! Just stop if you can't listen—get off the road before you stop! What if there had been a car behind you? Well, how did I know that you had looked back? Let's go home. No, you get in the back and I'll drive home—if I get there at all!

Clothing Work Holds Interest Of Club Women

COLLEGE STATION, Feb. 28.—Of the 190 Texas counties with home demonstration agents, 138 carried active clothing programs in 1948. Thirty-two additional counties did some clothing work as a carry-over from active programs in past years. Continued high prices of clothing was no doubt one of the reasons why home demonstration club women and 4-H Club girls showed so much interest in clothing construction, planning and care, say the extension clothing specialists of Texas A. & M. College. Articles made at home netted a savings up to 1/2 the price of the garments ready-to-wear. They report that more than 571,000 garments were made by home demonstration women, and 18,356 families improved their clothing by better planning. Additional thousands improved the family clothing by changing their sewing methods and by using better sewing equipment. Accessories came in for their share of the attention. More than 9,000 bags and 4,400 pairs of gloves were made. The outstanding event in girls' 4-H Club clothing work was the dress revues held in 126 counties. Representatives from 96 counties participated in the State 4-H Dress

Training Schools For Food Handlers

AUSTIN, Texas—In a vigorous campaign to elevate the State health level by preventing the spread of communicable diseases which might be transmitted by foods, the State Department of Health is conducting training schools for food handlers in all sections of Texas, according to Dr. George W. Cox, State Health Officer.

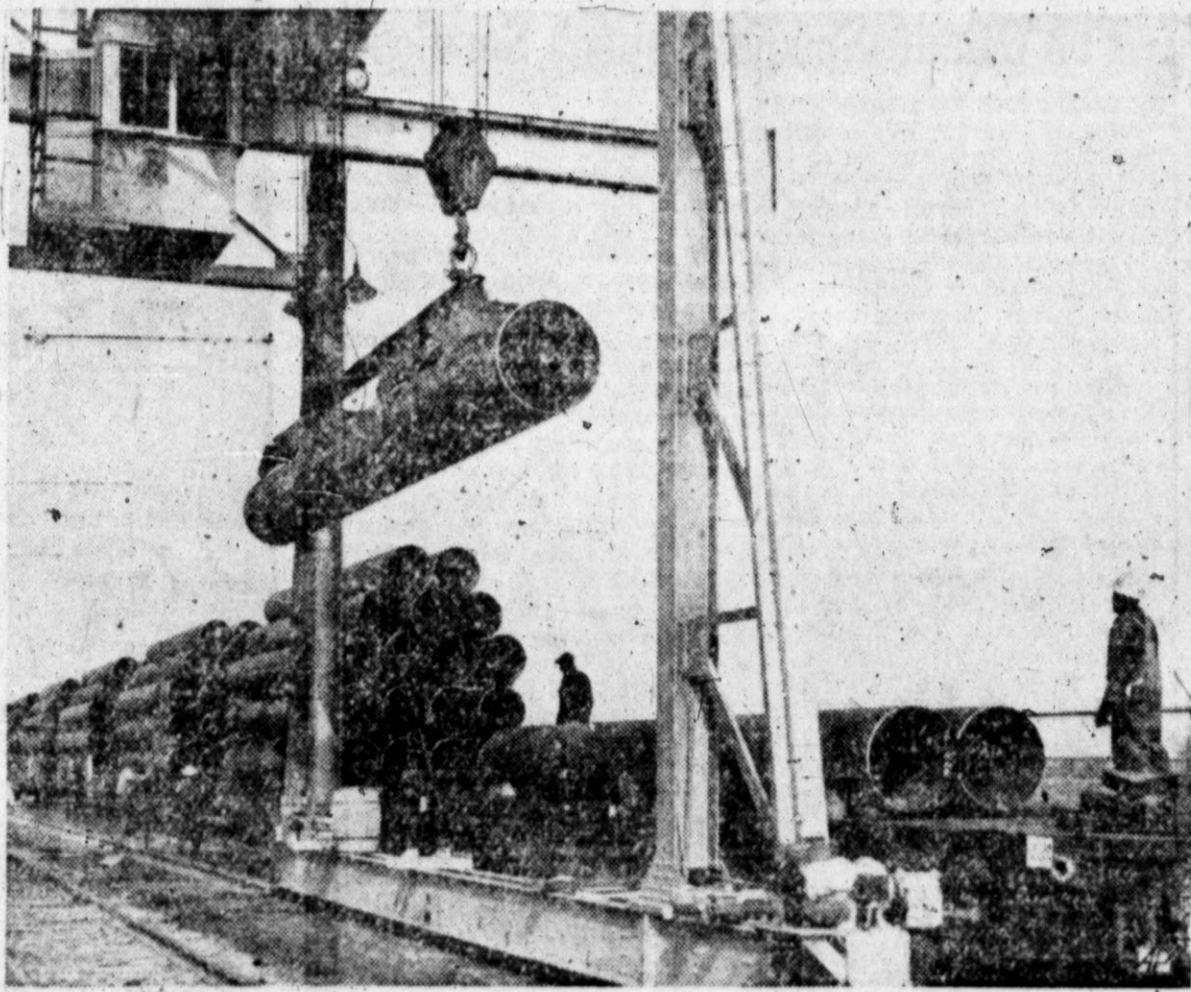

"Food handlers are being instructed in sanitary methods of preparing, handling, and serving food for public consumption," Dr. Cox said. "Actual experience has shown that an unsanitary eating establishment is one of the surest sources of spreading infection. The lack of proper sanitation in food handling is a definite menace to public health and our goal is the education of cooks, waiters, butchers, bakers, fountain men, and all other food handlers to such a level as will insure an elimination of this health hazard."

The training schools consist of elementary courses in bacteriology, communicable diseases, medical zoology, food disinfection, sterilization, personal hygiene, and sanitation.

Since the program was instituted about 8 years ago, more than 400 schools have been conducted, with a total of over 25,000 food handlers receiving their certificates of completion in the courses.

Arrangements for such a food school can be made through any county health unit, by requesting the service from the Division of Health Education, State Department of Health, Austin, Texas.

Pipe Enroute To Texas

A magnetic hoist loads the longest trainload of pipe in the history of the Santa Fe railroad aboard cars at California. One hundred cars were in this shipment. Consigned to the Transcontinental Gas Pipe Line Corporation in Texas for construction of the world's longest pipeline, from Texas to New York, this initial shipment of 20-inch diameter pipe is the first of approximately 20,000 car loads.

Recent Easter Community Activities Include Farm Program, HD Meeting

By MRS. LEO HALL

A birthday party was given at the school house Friday night honoring Mrs. Edwin Flood. A good crowd was present, but due to muddy roads, some were unable to attend. The honoree received many gifts. Hostess was Mrs. Leo Hall.

Several men of the community gathered at the School house Monday to pipe natural gas into the building. Everyone appreciates the work these men did.

The Farm Program, which was held at the School House Wednesday night was well attended. A farm picture was shown, followed by a comedy. Program was sponsored by Mr. King, Mrs. Seale, Mr. Blagg, and Mr. Epperson.

Mesdames Olin LaPlant, Edwin Flood, John Burnett, Henry Flood, Raymond White, Fred Walton and W. A. Epperson went to the home of Mrs. L. E. Stone Monday evening to help her paper her house.

Mrs. A. H. Brown was hostess to the Home Demonstration Club Thursday evening. Fifteen members and three visitors were present. A report on "Feeding and Caring for Baby Chicks" was given by Mrs. Seale, H. D. Agent, who also demonstrated the correct way of table-setting.

Mrs. A. H. Brown was elected nominee for THDA delegate. Refreshments were served to Mesdames Ernest Flood, Leo Hall, Edwin Flood, Olin LaPlant, Glen Godfrey, J. W. Godfrey, L. E. Stone, J. H. Burnett, Fred Walton, W. A. Epperson, Jim Brooks, Ben McBrayer, Raymond White, D. S. Burton, Lan Woodburn, Judd Burnett, Mrs. Seale and the hostess. Next club meeting will be held at the School house March 10 with Mrs. Edwin Flood as hostess.

Mr. and Mrs. Glen Godfrey and daughter spent the week end with her sister, Mrs. Virgil Simpson and family at Borger. Mr. and Mrs. Jim Brooks and Mr. and Mrs. L. D. Taylor and sons, Larry and Gene, visited Sunday with C. B. Brooks and James Reeves of Borger.

Sunday visitors in the home of Mr. and Mrs. L. E. Stone were Mr. and Mrs. Fred Walton and Mr. and Mrs. W. P. Stone and son of Dimmitt.

Mr. and Mrs. Leo Hall and Ramona spent Monday and Tuesday visiting relatives in Wellington.

O. G. Denton and daughter of Hereford were Sunday visitors in the home of Mr. and Mrs. W. A. Epperson.

Mrs. Jim Givins of Bethel

community visited Wednesday evening with Mrs. Fred Walton.

Mr. and Mrs. Edwin Flood and Sharon visited a time Sunday night with Mr. and Mrs. Olin LaPlant.

Golf Membership Drive Nears Halfway Mark: Fees Announced

The Hereford Golf Club's membership drive has started off with a bang, says Wayne Evans, secretary. The membership in a pool set for a sale of 100 shares at \$200 each. The committee has almost reached the halfway mark, having sold 50 shares. Full-share members will be paid-up subscribers. The number of directors has decided to make the number of half shares available to the public at \$100. They will give their own shares to the full-share members of the full-share member with the exception that he will have only one vote.

Not only does the stockholder cover green fees, but he makes a sound investment by buying one of these shares," said Evans. "In many clubs in the area shares have doubled in value in a very short time. We have worked out an installment plan which should enable persons with small incomes to become stockholders. Don't think this is strictly a man's game, either," Mrs. O. G. Evans and Mrs. Ann Holman both hold shares, and we hope to form a Ladies Golf Association soon."

Anticipating the opening on

July 1, Jim Terry, professional golfer employed by the association, has finished the laying of the extensive watering system, and has started seeding the greens. Annual green fees will be as follows:
 Full share stockholder, \$40 for man and wife.
 Half share stockholder, \$50 for man and wife.
 Non-stockholder, \$60 per person.
 High school student, \$15 per person.
 Daily Green Fees:
 Week-days, \$5.00 per round or \$1.00 all day.
 Saturday and Sunday, \$7.50 per round or \$1.25 all day.
 Those interested in buying shares are urged to contact Wayne Evans, Tom Howard, or J. R. Hair.

JOINS DAUGHTER IN LAPOORTE
 Mrs. C. L. Whitehead left recently to make her home with her daughter and grand-daughter, Mrs. Z. O. Faughn and Roxie in LaPorte, Texas. Mrs. Whitehead will remain in LaPorte during the absence of her son-in-law who is employed with an oil company in South America for two years.

Television Sets For Most Homes In This County Predicted by Formby

Marshall Formby, KPAN manager, just back from a trip to Washington and New York predicted this week that within a few years most homes in Deaf Smith County will have television sets. After seeing the enthusiasm of the people in the East about television, Formby believes that ways will be found to lower the cost of building TV stations and producing TV shows that will enable even the smaller cities to enjoy this kind of entertainment.

"Television will never replace the radio or the newspapers, however, but will take a place in our American way of life just as the radio has done," Formby said. "The human eye will not stare watching television more than an hour or so at a time, so television will be used mostly on special occasions."

Mr. Formby spent several days

Formby accompanied him as far as Alabama and Georgia where she visited relatives. "I might as well predict what Congress is going to do as anyone else," Formby said this week. "From what one can gather in the Nation's Capital, it looks like Congress might pass a new labor bill, but it will be much like the present Taft-Hartley bill—mostly a change in name or label. It is doubtful if many of the proposed civil rights bills are passed. No new tax laws will be enacted this session." Over the entire East and in the South Formby said he found a leveling off of prices and some unemployment. However, he found no fear of a serious depression. Most persons thought the leveling off was a good sign that the back of inflation has been broken. "We found no place that looked as good as the plains country," Formby commented.

BIPPUS NEWS

Added Moisture Improves Prospects For Wheat; Special Church Service

By CHRISTINE FORTENBERRY
 Some of the farmers in Bippus Community report 90 of an inch of rain, others report less. The rain fell slowly Thursday and Friday night, all going into the ground. This moisture will help more than the recent snow, which melted and ran off the frozen ground.

Those attending Walter Lemmer's funeral from Bippus Community were J. G. Fortenberry and Christine, Mr. and Mrs. E. A. Fennell, Mr. and Mrs. Roscoe Fennell, and Mr. and Mrs. Jake Fortenberry.

A surprise birthday and anniversary dinner was held in the home of Mr. and Mrs. J. G. Fortenberry recently by their children. Those present were Mr. and Mrs. D. C. Banks, Charles Edwin and Barbara Dee, Mr. and Mrs. Tommy Faulkner, Jimmy Bradley, Mr. and Mrs. Charles Higgins, Mr. and Mrs. J. M. Fortenberry, Christine, Anna Kate and Chioe Dell. Mr. and Mrs. Richard Evans recently returned home from Rockport, Texas, where they spent the winter.

We are sorry to learn Mrs. Roy Pruitt is in the Deaf Smith County Hospital.

C. F. Hornfield was a visitor in Clovis Wednesday.

Webb Adrian and Mrs. Stella Thuet were visitors in the C. F. Hornfield home Sunday evening.

Mrs. Richard Evans was a caller in the J. G. Fortenberry home Tuesday.

Jay Fortenberry of Hereford visited in the home of his parents, J. G. Fortenberry, and

with his uncle, Hugh Fortenberry Friday.

Mr. and Mrs. Frank Rickels were Hereford shoppers Thursday.

Mr. and Mrs. J. G. Fortenberry were Hereford shoppers Thursday afternoon.

Mr. and Mrs. Thomas Faulkner were called to Gainesville to be at the bedside of his mother who is seriously ill. Upon their return home, they reported his mother to be improving.

Mrs. Frank Rickels visited Thursday with Mrs. Roy Pruitt who is in the Deaf Smith County Hospital.

Rev. James McFratridge will fill his appointment at Church Sunday, March 6 at the morning services. Sid Davis of Wayland College will show some slide pictures of Alaska, taken during a missionary trip last summer. A supper will be held at 6:30, to which everyone is invited.

Rev. Don Davidson will speak at the Bippus Church Saturday night, March 12.

SUNDAY VISITORS

Mrs. C. H. Dillehay of Vernon, who has been visiting in Canyon with her sister, Mrs. L. F. Sheffey, spent Sunday afternoon here in the home of Ona and Mrs. J. B. Hammer. Other guests in the Hammer home were Mr. and Mrs. Paul Foster of Amarillo, and Mrs. Foster's parents, Mr. and Mrs. John Betes, also of Amarillo.
