Despite the fact that the annual Junior Livestock Show was only last week end and the Hotel Jim Hill opening was Friday and Saturday and work on Harrison Highway is progressing at top speed, the big talk is still about the weather. Any number of old-timers will tell you they've never seen the time when the county needed rain much worse than it does right now at this time of the year.

Consumer's Fuel Coop Assn. is having its annual meeting Monday. They will serve the 4-H call they bought last week at a noon barbecue and have the meeting immediately afterwards. Members are urged to bring their families and friends.

J. C. Penney Company has repainted the interior of the store in a general spring housecleaning that looks mighty nice.

Paul Harvey went to Oklahoma City Sunday to see if he could help find the wild leopard that got loose from Lincoln Park Zoo near there Saturday night. While in Oklahoma City, Paul also attended the yearly store meeting of Anthony's managers.

Robert Thompson won the hand-tooled leather purse given by Beta Eta Chapter, E.S.A., Saturday afternoon. The chapter made \$75 on this \$35 purse with the proceeds to be donated to the Auricular Foundation.

Reminder to the public in general. The greens on the golf course are for golf and nothing else. Keep off of them with high heels and cowboy boots if you possibly can and the golfers will appreciate your thoughtfulness.

Greenbugs appear to have taken over just about every section of the county has reported them.

Ray Conaway says some "people are dumb for instance he told about the fellow that walked into the Hotel Coffee Shop Saturday morning and sat down at one of the tables for two next to the wall. Another man was already sitting at the table. He struck up a conversation (Ray's telling this on himself) and after talking about the opening and such he asked the man if he was with the band Ray says the fellow's mouth dropped a little and he answered, "Yes, I'm Carmen Cavallaro."

About 550 out of 3,900 automobile owners have purchased 1950 tags for their cars at this time, according to Deputy Tax Collector Worth Covington. The deadline is April 1 when all cars must have 1950 tags showing.

Covington said the tag sale is very slow. He sends out a plea to car owners to come in and get their tag-buying over with and avoid the rush.

The title and 1949 registration records will be open at the county clerk's office.

The Hereford Ceramic Arts Club will meet Saturday at 2 p.m. in the home of Mrs. A. Petersen for election of officers and other very important business, according to Mrs. W. S. Fluitt, president.

Overheard on the street Saturday evening, "I don't see how they got those pictures in the paper?" And another case was a woman wanted to know why the Brand knew who won the Buick before the drawing. That's really funny. But here's what happened. We had papers selling on the streets about 5:30 Saturday evening with results of everything except the calf sale and who got the Buick. We sold about 600 or more papers of that edition which had "First Edition" in the ear.

Then about 8:30 we had the "Home Edition" on the street with final results on everything except who was at the dance Saturday night and we never did get that.

About the pictures — all of the pictures except the one of the barbecue crowd and Dwaine Walker and his winners went off.

## Three Supervisors Will Be Elected By SCD Members

Supervisors of three subdivisions of the recently formed Tierra Blanca Soil Conservation District will be elected March 15, according to County Agent Hugh Clearman.

District 1 will meet at the Bippus Community Building at 2 p.m., District 3 will meet at the Walden School at 8 p.m. and District 5 meets at the Dawn school at 2 p.m.

The elections will be held as assemblies. Qualified voters include all land owners.

A general description of the division of the county is that district 1 includes the west third of the county, district 2 is about the east fourth of the county and district 3 is the top third of the middle section, district 4 is the center and district 5 is the southern portion of the middle section.

A legal and exact description of the subdivisions is as follows:

Subdivision No. 1 is the portion of the county lying West of the road beginning at NE corner of Section 9, Block K-11, and thence south to the SE corner of

Sec. 14, TWP 5 N, Range 3E thence West 4 miles to SE corner of Sec. 18, TWP 5 N, Rge 3E, thence South to point of origin Blockleg to Parmer County line.

Subdivision No. 2 is the portion of the county east of the road beginning at NE corner of Section 19, Block K-11, running East on the 14 Mile Road to Highway 51 and continuing East to SE corner of Section 26, Block K-4; thence North, west of a line from this point to Oldham County line.

Subdivision No. 3 is the portion of the county lying within the following boundaries. Beginning at NW corner of Section 20, TWP 5N, Rge 3E on the 14 mile road to Highway 51, and continuing East to the NE corner of Sec. 25, south to the SE corner of Sec. 14, Block K-4; thence south to SE corner of Section 26, Block K-3, thence West to SW corner of Sec. 5, TWP 3N, Range 3E, thence North to point of origin.

Subdivision No. 4 is the portion of the county lying with the following boundaries beginning at the NE corner of Sec. 25, Block K-3; thence West to NW corner of Sec. 8, TWP 3N, Rge 3E; thence South to the Parmer TWP 5 N, Range 3E, thence County line; thence East along the Parmer and Castro County line to a point south of the SE corner of Section 63, Block M-7; on the Castro County line; thence North to point of origin.

Subdivision No. 5 is all the portion of the county lying East of a line running from a point on the Castro County line south of the SW corner of Sec. 48, Block M-7 and running North to a point on the Oldham County line North of the NW corner of Section 16, Block K-5.

## Timmons Pledges Active Campaign

State Rep. Blake Timmons of Amarillo sent the following telegraphic dispatch from Austin Saturday, too late for the Sunday Brand.

"I am making my announcement for congressman of the Panhandle district from the floor of the Texas House of Representatives, which has been in continuous session now for more than 24 hours, the last 12 of which being spent in efforts to get a quorum to pass a bill that will give Texas farmers and ranchers telephone service.

"We went without sleep Friday night and as far as I am concerned we will stay in session if necessary until the 30 days (of the current special session) are up to pass this legislation to enable my people to get telephone service so they can call the doctor, veterinarian or deal with other emergencies.

"I have hoped since I was a small boy in the Panhandle at Wildorado 25 years ago that private enterprise would supply this necessary service, but since it never has, I am in favor of this bill permitting formation and financing of rural telephone co-ops. Experience of the Rural Electrification Administration, which has brought electricity to the farms and ranches, has proved such co-ops sound from a business standpoint. No tax money is involved.

"Since the telephone lobby has gone so far in trying to defeat this legislation, I might as well say now that my first action in Congress will be to find out why the telephone monopoly charges less for long distance calls from the Panhandle to Oklahoma and New Mexico than it charges for shorter calls from the same point in the Panhandle to places in Texas. It looks like they are taking advantage of Texas long distance users.

"The Panhandle has been my home all my life, and many of you already are familiar with my record. Since my return from four years of military service, I have fought for the rights of the people who work for a living, and I expect to continue to do so. I shall announce my program in the congressional race and fill in the details of my record, and visit you personally as soon as my duties as legislator from my Panhandle district are completed in this vital session."

## Junior Hi Band Plays For P-TA Meet Tonight

Purris Williams, Sr. will present a 30 minute band concert, conducting Junior High Band, at the monthly meeting of the Hereford P-TA at 8 o'clock tonight in High School Auditorium. Junior High principal H. V. Stanton will be in charge of the program.

There will be a 15-minute film entitled "The American Teacher" shown following the concert, according to Mrs. H. H. Caraway, P-TA president.

Mrs. Roy D. Tyteatt, Hart, will be an official guest of the meeting. Mrs. Hart is vice-president of District Eight, Texas Congress of P-TA.

Mrs. Caraway extends an invitation to all who care to attend.

## Dr. Cooke Builds Clinic

Dr. H. H. Cooke bought property and announced plans to build a clinic that will be completed within three months Wednesday in conjunction with announcement that he has taken temporary offices in the Buckner-Holman building above the Hereford Brand and will practice general medicine and surgery in Hereford.

Plans called for his office to open today.

Dr. Cooke received his Doctor of Medicine degree from the Medical College of the University of Minnesota in 1924. After a year's internship and two years in general practice of medicine and surgery Dr. Cooke was associated with the Mayo Clinic in the department of diagnosis and surgery from 1927 to 1931. He received his Master of Science and Doctor of Philosophy degree in Surgery from the Mayo Clinic.

He continued his post graduate study of surgery at Harvard University where he had a Fellowship in Surgery. He also spent a part of a year in post graduate work in Europe. In 1933 he received the New York State Medical Association's Annual Prize in Surgery and he has been a member of the American College of Surgery since 1935.

Dr. Cooke has practiced medicine and surgery since that time with the exception of the period he served in the Navy Medical Corps during the World War. Dr. Cooke was a member of the Medical Reserve Corps for 16 years previous to the war and entered the service as Lt. Commander Specialist in Surgery. He was honorably discharged. After one year's practice in medicine and surgery at Friona Dr. Cooke has decided to locate permanently in Hereford.

Dr. and Mrs. Cooke and 2-year old daughter Alona, are living in Hotel Jim Hill at present.

Tuesday—High 74, low 34.  
Wednesday—High 66, low 23.  
Total moisture for February—93 and total moisture for 1950—95.

WHO'S CONGRATULATING WHO—Is Wayne Evans telling Dr. R. N. Richardson, Hardin-Simmons University president, how good the H-SU Cowboy band looked in the parade or is Dr. Richardson congratulating Evans on winning the Rotary Buick? Anyhow Wayne turned the car back to the Rotary Club with the stipulation that they have another drawing. This time the car will act as a stimulus to help sale of Hotel Jim Hill bonds that must be sold soon. Tickets will be given with each \$500 investment and as soon as nearly \$40,000 in bonds remaining are sold they'll give it away again.

## Troy Moore In Mayor Race

Troy Moore authorized the Hereford Brand to announce his candidacy for the office of Mayor of Hereford, subject to the election in April, this week. In making his announcement, Mr. Moore said, "If you see fit to elect me I will do my best to benefit the community."

## McCullough's Buy Benefield Motor

Ralph McCullough and Ray McCullough, both from Amarillo, completed purchase of Benefield Motor Company February 24. They are in active control of the business now.

Mr. McCullough said Wednesday that they will continue to sell Chrysler and Plymouth automobiles and Reo trucks along with Chrysler industrial engines.

He comes here with seven years as service manager of Meyers Motor Company in Amarillo. Before that he lived in Hereford from 1928 until 1943. During that time he was connected with the Buick dealer here and Ireland Motor Company. Originally he comes from Lawton, Oklahoma.

His brother, Ray, was with the Goodyear Company in Amarillo for 15 years before he owned his own tire company, the Bull Tire Company, for four years. He was in the real estate business in Amarillo, also. In all, Ray McCullough lived in Amarillo 24 years.

Both brothers have two children. They will move their families to Hereford as soon as school is out and will build homes here, they said, and their children will enroll in Hereford schools next fall. Ralph has one son in high school, 14-years-old, who has football experience in Amarillo. He is over six feet tall.

## Judge Schultz Sentences Nichols To State Prison

Judge Harry Schultz sentenced Jess Nichols to not less than two or more than 10 years in the State Penitentiary Saturday during a session of District Court. Nichols stood trial previously in connection with the shooting of Tom Rowe in 1948. He was found guilty of assault with intent to murder by a jury. Nichols' attorney filed an appeal to the Court of Criminal Appeals.

Several other civil cases were either disposed of or reset for future dates, according to County Clerk Robert Thompson.

## QUESTION of the WEEK

What do you think of our big week end in Hereford last week end?

Mrs. W. A. Allen: I think it was real nice. I think the opening of Hotel Jim Hill was a definite good event for Hereford. I have never seen a town grow like Hereford has in the last 14 years since I have been here. We will have crowds like Saturday in town all the time if the town keeps up like it is going now.

Mrs. Roy Foster: It was really a big occasion. There were lots of people in town this week end. I stayed in town all day Saturday and the crowd appealed to me. I think the hotel (Jim Hill) should bring a lot of people here because it has been highly publicized. There were lots of out-of-town people here for the opening. I think it will be a while before crowds like that one Saturday are here all the time.

Mrs. C. W. Parker: If we had that many people in town every day Hereford would have to have more facilities down to take care of them. It was quite a celebration we had. I liked the Junior Livestock Show the best and the Hotel Jim Hill opening. Hotel Jim Hill will certainly add to Hereford. The parade was nice.

Mrs. S. E. Beckman: I wish I had all those pretty horses in a pasture. I got to see the parade and it was grand. From what I hear of the stock show and the hotel opening they must have been grand, too. I would like to see that many people in Hereford every day. The way we are going now we will be in the city class like Dallas or Houston some day. I think the whole week end was fine.

## Prisoner In County Jail Admits Robbery Here

Sheriff J. C. Reese said Buddy Replogie, already charged five times with forgery, has confessed robbing Florence's Cafe several weeks ago.

According to the Sheriff, Replogie entered the rear of the cafe, broke into a juke box and cigar cigarette machine and removed about \$28. He sent the stolen cash to a friend in Denver. He got six one-dollar bills, 108 dimes and the rest of the money in nickels.

Replogie obtained the money while a sleeping employee was present in the room. He had been employed at Florence's Cafe as a dishwasher.

## Red Cross Workers Push Drive Forward

By JOHN SCOTT

The City Hall was filled with enthusiastic workers Tuesday morning as the 1950 Red Cross Drive under the direction of Dr. Reeves officially got underway.

Reeves was overwhelmed by the interest of the Red Cross workers. Some had driven 40 or 50 miles to take coffee and donuts before beginning in earnest their worthy work for funds to keep one of the hardest working Aid Agencies going here in the United States.

The drive is expected to accomplish its purpose by the end of this week according to Reeves and Executive Secretary Dyal.

## House And Senate OK Telephone Bill

The Texas House and Senate passed favorably the enabling act which will permit the Rural Telephone Co-Operatives to borrow money from the REA for the purpose of setting up telephone communication for rural residents who have no other access to telephone.

Leo Forrest, REA manager here, said Wednesday Governor Allan Shivers' signature is all that's needed to make way for the installation of the system. Forrest felt quite sure the Governor will sign the act. Without the passage of this enabling act a delay of perhaps a year and a half would have been discouraging.

March 1 was the day applications were to have been turned in to be sure of being included in the service. The telephone co-op will be run separately from the rural electric co-op and it will be necessary to run practically all circuits in one community on the original contract.

With the passage of the act, some amendments were added to the original act. These were primarily Forrest said, to make the Co-ops position more secure with the borrower or user. Details of the contract terms will be made clear later, Forrest said. Although the Hereford application has been received by Washington REA, no information on type of construction or rates or actual date of start of construction is known now.

## Paddock Property To Be Sold At Public Auction

Public sale of all home furnishings, inside and out, of the Paddock family home at 307 Ross, Saturday, March 4 was announced by Faye Paddock, Independent Executor of the Estate of Mrs. Alice Paddock Tuesday.

Sale begins at 2 p.m. and will be conducted by Jack Coulter, auctioneer with Clifton Jackson as clerk.

Also included in the sale is the family residence of the late C. J. and Alice Paddock, pioneer Hereford and Deaf Smith County residents.

Dyalia Brady. Mrs. Brady said there seemed no doubt that the \$6,000 quota will be reached soon. She evidenced faith in the excellent personnel secured for work this year.

Mrs. Brady seemed confident about the quick clearing up of the drive because Red Cross has only last year come into the national limelight when one of the most terrible blizzards in history gripped one fourth of the United States for two months. It was the most spectacular test of Red Cross flexibility in disaster work.

Throughout January of 1949 the Red Cross took to the air to operate with army relief forces on mercy missions made through extremely hazardous air routes to reach the jobs set up for only Red Cross to do. Rail and auto routes were blocked and airplanes were the only means.

In four states 197 Civil Air Patrol planes flew over 3,000 Red Cross chapters missions in remote snowbound areas.

In Fort Worth last year when a violent cloudburst caused the worst flood in the Cowtown's his-

tory Red Cross was on the job the first night, hustling 2,400 persons to shelter.

During the last fiscal year Red Cross spent \$6,574,741.45 to help 228,000 persons in 330 disaster operations in the United States. A huge portion of that money was spent right here in Texas.

One of the largest single groups, the Residential Group under Mrs. Cecil Williams, listed Zone Captains and Zone Workers for this year:

Zone No. 1: Captain, Mrs. Arthur Rogers; Block Chairmen: Mrs. Mary E. Waters, Mrs. P. H. Lusk, Mrs. M. H. Wiseman, Mrs. Arthur Rogers, Mrs. Earl Phillips, Mrs. Geo. W. Smith, Mrs. Cliff Estes, Mrs. W. P. Caraway, Mrs. Bartley Dowell, Mrs. Jason Lusk, Mrs. Phil Barelay.

Zone No. 2: Captain Mrs. J. R. Folkes; Block Chairmen: Mrs. J. R. Folkes, Mrs. Weldon Dye, Mrs. Zone No. 3: Captain, Mrs. Robert Thompson; Block Chairmen: Mrs. Joe Kendall, Mrs. Jack Brown, Mrs. Charles Moore, Mrs. Bruce Woodrell, Mrs. L. L. LeGrand, Mrs. Maurice Tannahill, Mrs. Ocho Nolan, Mrs. A. J. Schroeter, Mrs. Lan Shore, Mrs. Emmett Milburn, Mrs. Deward Robertson, Mrs. D. C. Kinsey, Mrs. Gerald Wilson, Mrs. Cecil Boyer.

Zone No. 4: Captain, Mrs. W. E. Dameron; Block Chairmen: Mrs. C. R. Winget, Mrs. Barrett Sowell, Mrs. Frank Cogdell, Mrs. R. G. Blue, Mrs. Ed Jesko, Mrs. J. O. Newell, Mrs. W. B. Phillips, Mrs. J. W. Terry, Mrs. L. H. Williams.

Zone No. 5: Captain, Mrs. J. D. Neill; Block Chairmen: Mrs. D. C. Barnard, Mrs. ReRoy Aven, Mrs. Gordon Witherspoon, Mrs. Clinton Jackson, Mrs. E. W. Young, Mrs. Oscar Easley, Mrs. J. D. Neill, Mrs. Tom Carter, Mrs. A. C. Thompson, Mrs. P. F. Lyons, Mrs. G. O. McCrchan, Mrs. Billy J. Jackson, Mrs. Carl Frye, Mrs. Billie Patton.

Zone No. 6: Captain, Mrs. Earl (Continued on Page 2)

## Woman Is Willing To Give Only Quarter To Red Cross

LaPlata Club members decided to solicit some districts never reached before by Red Cross workers in a Red Cross drive Monday. They found an interesting case.

At a trailer camp in Hereford, a lady was living in a trailer with her five children, all of whom were stricken with measles. She only had a quarter but she said the Red Cross was welcome to it.

Dyalitha Brady said that this one case was worth a thousand dollars because no one knew about it or that such conditions existed within the city limits of Hereford.

## Walcott Voters Go To Polls On Bond Issue

Qualified voters of the Walcott Common School District will go to the polls Saturday to vote for or against a \$35,000 bond issue which would make way for the construction of a modern, 4-room or 5-room grade school complete with a cafeteria for that district.

County Commissioners set the time and place for the election during a meeting several weeks ago in Hereford.

Voters will cast ballots at the Walcott Schoolhouse and the Garcia Community House. P. B. Sowell will be election judge at Walcott and Elmer Northcutt will preside at Garcia Community House.

Polls will open at 8 o'clock Saturday morning and close at 7 o'clock the same evening. Only residents of Walcott Common School District 6 are eligible to vote.

## Commissioners Okay Last Mile Plan And Name Health Officer

Deaf Smith County Commissioners appointed Dr. L. B. Barnett County Health Officer during a meeting Monday morning in the Court House. Dr. Barnett has been serving in that capacity since Dr. R. R. Wills vacated the position during the latter part of 1949. Dr. Wills' term expired February 18.

Dr. Barnett was appointed on a 2-year term. The County Commissioners approved the stand taken by the State Highway Department on the controversial last mile of the farm-to-market road running from Highway 60 in Hereford south and east to a road intersection about 5.9 miles out. They are content, Judge L. H. Foster said, to let the highway department build to the intersection and let the last mile ride until some time in the future.

All commissioners attended the meeting.

## Several Candidates Seek Worley Seat In Congress

Candidates for the United States Congress post Representative Eugene Worley is vacating, to accept a federal judgeship, announced in rapid succession this and last week, even before Rep. Worley has resigned his present post.

First three to toss their hats in the ring were Mrs. Altavene Clark, State Representative Blake Timmons and Walter Rogers, Pampa attorney.

Mrs. Clark, special assistant to the House Agriculture committee and former secretary to Worley and to former-Congressman Marvin Jones, issued her statement of candidacy immediately after the White House announced Worley as the choice for the vacancy on the Court of Customs and Patent Appeals.

Blake Timmons announced from Austin as soon as he learned of Worley's plans. The 33-year-old Amarillo lawyer, who has served four years in the Texas House, said he will an-

nounce a detailed platform within a few days, when the rush of the special session of the legislature is over.

Walter Rogers, Pampa attorney, announced his candidacy early Friday afternoon. He had previously been mentioned as a likely candidate to oppose Worley in the election this year.

A fourth candidate, LeRoy (Pete) LaMaster, announced from Perryton Tuesday. LaMaster is a farmer and stockman, 31-years-old, and a veteran of 3 1/2 years in the Navy.

Governor Shivers is required to call a special election to fill the office immediately after the vacancy occurs (which now depends on Worley and Senate confirmation). By precedent the election is usually called in 30 days, it may not be less than 20 or more than 90 days from date of vacancy.

They Won't Run. Among those who have stated they will not run are Lt. Gov.

Grady Hazlewood, Allen Harp of Childress, Johnny Linn of Amarillo and John Deaver of Memphis.

There is a possibility that this congressional district will see two congressmen elected in the same year, one in the special election and another in the Democratic primary.

It is also possible, but unlikely that the two elections might be held on the same date, particularly if Worley's resignation is soon. The special election victor will serve as congressman for the rest of the year, and the winner in the regular election will become congressman in January. Of course the same person could win both elections.

Conjecture on the contrary is based on the fact that the winner of the special election will probably receive only 15 to 20 per cent of the total vote, while in the primary the field will be narrowed down and a majority of the votes is necessary.

# Ace Pilot Switches To Farm

By JOHN SCOTT  
 Dear Smith County gets 'em all.  
 The third "hottest" fighter pilot of World War II is here doing chiseling work on county farms.  
 Although you probably won't get the chance to see him, because he is so busy he has to get around as fast as he used to in his P-51 to take care of all his business, he lives with his wife on West First Street in their trailer in the 700-block.  
 Right now he is working on the Barrett farm about six or seven miles southwest of Hereford. His work is all land work now and he hasn't flown since about five months ago when he resigned the job of private pilot along with his wife for an oil company executive.

**PILOT TO FARM**—Col. Jack Landers sits in the cockpit of the P-51 he used to shoot down some of the 36 and a half enemy planes during the war. He was, at 23, the youngest colonel in the Army Air Forces at that time. The name of his '51 was Beautiful Doll.

"There is lots of work here to do," his wife revealed Wednesday. "We will probably be here until enough rains come to make our job unnecessary. We will be here longer if there is something to do," she added.  
**She Files Too**  
 Mrs. Landers, incidentally, is no slouch in the air. She has 3,500 hours flying fighters, transports and bombers during the war. The majority of those hours are operational flown during the war in Europe. She was a ferry pilot.  
 The former colonel, he was the youngest colonel in the Air Forces at that time, was that same rank when he was 23. He shot down 36 and a half planes during the war and received all kinds of ribbons. He didn't like the flavor of the army when the war stopped, though, and quit to get out on "his own."  
 Mrs. Landers said he has gotten many letters from the Army Air Forces asking him to come back in.  
 She says, however, that they have friends in the army who don't know when they are going to be in the army of when they are going to be out. That is how uncertain the army is now days. Upon his discharge from service Landers had the American

Distinguished Flying Cross and the British Distinguished Flying Cross. He also had the Silver Star with two clusters, the Distinguished Service Cross and the Air Medal with 23 clusters. He received the French Croix de Guerre with palm.  
**Built Own Tractor**  
 If they awarded medals for building tractors, Landers would probably have one of those, too. He built his own 3,000-pound tractor, which he now uses, at a cost of over \$1,200. He has been at this particular line of work since last December.  
 It was so wet in Ft. Worth that work was almost impossible there so when John Clements told him about the ground out around here he just picked up his Spartan trailer and came out here in Hereford.  
 His wife, never sees him now. That is the only complaint she has about this part of Texas. He never has time to stay at home. There are drawbacks in this business, too, she said. Jack lost

four chisels on one of the last jobs he was doing and had to replace them all at his own expense. He gets two dollars per acre from the PMA for his work along with a fee from the farmer depending on the condition of the ground.  
 Landers was born in Joshua, Texas and married Mrs. Landers after they both came to America after the war. Mrs. Landers is daughter of Jan Schuurman, consul general of the Netherlands. She is a native Hollander, and served with the British Air Transport Auxiliary.  
**Second Fire Sunday Burns Trailer House**  
 A trailer house belonging to Archie Barrett burned Sunday afternoon around 1:30 together with most of the furnishings, according to Fire Chief Earl Phillips. Barrett lived in the trailer alone, Phillips said.  
 An hour earlier firemen answered another alarm near radio

 to Amarillo on the 8:15 bus Saturday morning after Bill Patton and Elmer Patterson worked hard the night before.  
 Then Saturday Elmer took the pictures with his Land camera that develops a finished picture in less than two minutes. Paul Wilson took the pictures to the engravers in Amarillo and waited until they were ready, brought them back and we went to press.  
 Harold Leerwald got his insurance dividend this week on number 590. He also received his income tax rebate the following day and felt like a capitalist.  
 Chamber of Commerce directors set their Tuesday meeting back to Thursday this week.  
 Mr. and Mrs. Wade won two straight games from Ted Bednorz and Ben Janacek Monday night, then Bednorz and Janacek bounced back Tuesday night to down the Wayne Stark-Kenneth Mayes team in two straight games. If the Wades beat Stark and Mayes they are champions. If they lose, the three teams will go into another round-robin.  
 Mrs. J. B. Jones and Mrs. C. B. Williams beat Mrs. Clyde Cave and Helen Acker in the women's division play-off Tuesday night. They play Myra Witherspoon and Virginia Hartman for the prizes in that division now.  
 There will be a green bug killing demonstration on the J. T. Glibreath farm five miles north of Dawn Friday morning, according to county agent Hugh Clearman. Everyone interested is invited.

station KPAN where a grass fire almost went beyond control before the department arrived. Phillips said the fire burned down to the creek near the radio station.  
 The two alarms were turned in between noon and about 1:30, according to Phillips.  
 Farmers and ranchmen are urged to be on the alert for possible grasshopper outbreaks this spring. Get them during the hatching season and before they leave the egg beds.

## Spring Recital Will Be Held In Christian Church

Mrs. Bill Bradley will present a group of her piano students in the first of a series of Spring piano recitals to be given by her students. The recital will be held Sunday afternoon, March 5, in the First Christian Church at 3 o'clock.  
 Those playing will be Jimmie Conkright, Carol Ann Newell, Darlene Moore, Jane Pool, Dan Chisholm, Linda Russell, Carolyn Kirby, Donieta Davidson, Shirley Sharp, Janet Reed, Twyla Springer, Martin Moore, Phyllis Goetsch, Lynda Phillips, Dee Culpepper, Sandra Poindexter, Wynogene Sowell, Jane Newsom, Sue Springer, John Benson, and Sue Kirby.  
 The recital is open to the public and interested friends are invited to attend.  
 Cecil Gunter and Buddy Sowell left Friday morning on a fishing trip in Mexico.  
 More than one million four hundred thousand fruit trees of all types were planted in home orchards in Texas during 1949.

# NOW... FOR EASTER

Evans and Brian, Mr. Elton Wily, Mr. Duane Wily and Mr. Porter Wily of San Jon, N. M. went to Santa Fe, N. M. to attend the funeral of Mr. Lee Wilson February 15. Mr. Wilson was a brother of Mrs. Alta Wily and Mrs. E. M. Jack. He died February 13 after a lengthy illness.

Final Rites Held For G. E. Shepard

Funeral services for Geo. E. Shepard were held Sunday afternoon at 2:30 o'clock in the First Methodist Church with Rev. Russell Wingert and Rev. Earl Landroup of Dimmitt officiating.  
Mr. Shepard died at 9:45 o'clock Thursday night, Feb. 23 at the age of 93 years, 8 months and

23 days. He had been in bad health about 10 years.  
He was born near Hennipin, Ill. in 1856 and moved to Nebraska in 1893. He moved to Dimmitt in 1910 and to Hereford in 1919, where he lived to his death.  
He married Julia A. Scott in 1877. They had two children, Ella Mary and William John. Mrs. Shepard died in 1881. He later married Emma L. Devereux Downers in Grove, Ill. and they had five children, Frank, Charley, Thos., Percy and David. Their mother died Sept. 16, 1933.  
Two brothers, Thos. Shepard of Atascadero, Calif., and Grant Shepard of Granville, Ill., survive.  
Mr. Shepard also is survived by 21 grandchildren, 21 great grandchildren, and seven great great grandchildren.  
He was a member of the Pres-

byterian Church and a hard worker, good manager and citizen and devoted to church work.  
Burial was in the West Park Cemetery under direction of Gilliland Funeral Home.  
Pallbearers were: Ellis Combs, Cliff Acker, Miles Roberson, Ezra Norford, Lee Conklin and John McLean.  
**CARD OF THANKS**  
We wish to take this opportunity to express our appreciation to those extending their sympathy and courtesy, flowers and food during illness and loss of our beloved father—George E. Shepard.

Mr. and Mrs. Percy Shepard and family  
Mr. and Mrs. David Shepard and family.

**Mrs. Sam Nelson Plays Marimba On Program**  
Mrs. Sam Nelson played the marimba at the regular bi-monthly Junior Chamber of Commerce meeting Tuesday night. The remainder of the meeting was spent in discussion of current, past and future projects of the organization.  
A committee headed by Dayton McWhorter was appointed to get something accomplished on

the tennis court situation in Hereford.  
About 25 members and guests were present for the meeting.  
The week of March 4-12 is National 4-H Club week. The theme that 4-H members will follow is

Better Living for a Better World.  
113,514 rural boys and girls were members of 4-H clubs in Texas in 1949. In the United States, more than 1,850,000 boys and girls are 4-H members.

Demonstration Council Has Regular Meeting

Home Demonstration Council held its regular monthly meeting Saturday afternoon in the court house. Mrs. C. P. Norton acted as chairman for the afternoon. For recreation, two songs were sung, "I Would Be True," Dawn Club song, and "Beautiful Texas," West Hereford club song.  
Fifteen clubs were represented and Fairview, Ford, West Hereford, Westway, Wyche and Heismann Clubs registered 100 per cent attendance.  
Plans from the various committees were accepted and reports were given by: Mrs. C. P. Norton, finance; Mrs. J. E. Dyer, yearbooks and program; Mrs. Tom Draper, recreation; Mrs. W. W. Wilcox, 4-H Clubs; Mrs. E. M. Cox, reporters. She announced that a reporter's meeting will be held on March 11 at 2:30 p. m. in the court house with Mrs. Earl DeHart and Mrs. Elmer Patterson as speakers.  
In making the 4-H Club report, Mrs. Wilcox listed the leaders, Mrs. Ira Ott, chairman; Mrs. T. Parsons, vice - chairman and Mrs. R. N. Cooke, secretary-treasurer.  
During the business session members voted to contribute \$50 to the 4-H Club fund.  
Representatives from the clubs attending included North Hereford: Mesdames Paul Hoff and J. E. Pettyjohn; Down: Mesdames C. P. Norton and W. W. Wilcox; West Hereford: Mesdames J. W. Witherspoon, Ida Laughn, Jack Flowers and Ed Cox; Ford: Mrs. J. E. Dyer, Mrs. George Epling and Miss Hilkaoth; Fairview: Mrs. E. W. Womble, Sr. and Mrs. E. W. Womble, Jr.; South Hereford: Mrs. L. Walker, Blipus; Mrs. C. F. Hicks; Frio: Mrs. Dayton Child; Sibley: Mrs. Clarence Holbough; Wylie: Mesdames Ray-

mond Paetzold and N. G. Ellison; Westway: Mesdames Elmer Combs and C. A. Sauley; Cultural: Mrs. Earl DeHart and Mrs. R. N. Cooke; Heismann: Mesdames Oscar Groneman and Mrs. E. L. Brown and Mrs. Tom Draper, CHDA.  
Following the council meeting a meeting of the THDA was held with Mrs. Earl DeHart, state representative, presiding. She listed five points to be noted: 1—subscription to the National notes due; 2—Make out checks for THDA funds to Mrs. C. P. Norton and mail to Mrs. DeHart; 3—Stress dreading constitution and by-laws and distributed copies; 4—Remember district meet in April at Borger; 5—Present names of nominees for delegate at the next meeting.

3 Wonderful Ways With Vegetables  
BABY LIMA BEANS: Take 2 pounds fresh lima beans or 1 package frozen, cover with 1 cup chicken stock or chicken bouillon, add a teaspoon of salt and cook 20 minutes. Different and delicious.  
YOUNG ZUCCHINI and TOMATOES: Slice 2 zucchini in thin rounds, quarter 2 tomatoes. Melt 2 tablespoons butter or garlic clove. When hot, brown and chop onion and tomatoes. Cover and cook until tender. About 10 minutes. Before serving add salt, pepper and a dash of sugar. Simply superb!  
GREEN BEANS, A LA FRANCO: Cut 1/2 pound of green beans in very thin diagonal slices. Cover with cold water and bring to a boil only. Drain. Melt 3 tablespoons butter or margarine in a saucepan. Add 1 tablespoon lemon juice, a dash of salt, a few grains cayenne pepper, 4 tablespoons water. Then add the Frenched beans and cook slowly 10 minutes. But wonderful!

## World Day Of Prayer Observed Here Friday In The Presbyterian Church

In observance of World Day of Prayer, sponsored in the United States by the United Council of Church Women, members of all churches gathered at the Presbyterian Church Friday afternoon for a service of worship based on the theme, "Faith of our Time."

Mrs. Joe Smith was general program chairman and leaders for the day included Mrs. Claude McGowan, Mrs. Bob Brummel and Mrs. C. H. Dyer.

Litanies on adoration, examination, confession and repentance and commitment were conducted by Mesdames Brummel and McGowan and the worship service in the form of a World Report was led by Mrs. C. H. Dyer. Reporting were: Mrs. Herbert Boardman, Mrs. chairman of the World Day of Prayer Committee, Mrs. Joe Smith, Mrs. local Council President; Miss Phyllis Radovich, Miss journalist; Mrs. Byron Durham, Mrs. High School teacher; Mrs. H. H. Caraway, Mrs. President of B-TA and Mrs. F. L. Alexander, Mrs. Housewife.

Mrs. Russell Wingert presented "I Walked Today Where Jesus Walked" as a vocal solo accompanied at the piano by Mrs. Clay Ridgway.

Mrs. Emil Dettman gave the United Nations report and Mrs. Art Rogers was in charge of the ecumenical register. Offering for the day went to maintenance of church schools of the nation and for relief both at home and abroad.

Texas 4-H members last year exhibited about 22,000 head of livestock and poultry at 212 livestock shows and fairs. 513,047 home gardens were planted and used by Texans last year. 191,267 were city or urban — the balance were farm or 4-H gardens.

G.A.'s Present Play Sun. In Place Of BTU Program

By MRS. OWEN ANDREWS  
Brand Correspondent  
Mr. and Mrs. Oscar Hunt returned from California last Monday where Mr. Hunt underwent treatment at a hospital. He is much improved.

Miss Lyla Robbins of WTSC spent the week end at home. The G. A.'s presented a play, "Is America Christian," instead of the usual B.T.U. program, Sunday night. Those taking part were Betty Robbins, Glenda Robbins, Gladys Thompson, Oma Ruth Thompson, Tawana Thompson, La Nelle Mobley, Sue Berryman, Lamerias Berryman, Veradette and Frances Andrews, Nellie Jo Simpson.

Misses Betty Robbins and Lamerias Berryman spent Saturday night with Miss La Nelle Mobley. Sunday guests in the E. B. Berryman home were Mr. and Mrs. Howard Lowery, Nelda and Betty, and Mr. Charles Higgins, all of Amarillo.

Mr. and Mrs. John Cole and children are visiting the parental Earl Cole home. The children have the mumps. The family will live at Velma, Okla., upon returning home.

Sunday guests in the J. E. Andrews home were Mr. and Mrs. W. H. Andrews and children, Mr. and Mrs. D. O. Benson and Mrs. Alma Sprull and Miss Ilene Sprull. The Sprulls are here for several days visit. They came Saturday by plane flown by Mrs. Sprull's grandsons, Albert and Dale Sprull. Mrs. Sprull is a sister of Mrs. J. E. Andrews. They are from Loco, Okla., and have visited here several times. Another of Mrs. Sprull's grandsons, Billy Joe Ballard, came by bus from his home in Amarillo on Saturday night, to spend the night in the Andrews home and all three boys left by plane Sunday morning for their home.

Mrs. Elmer Jones and girls were afternoon visitors in the Andrews home. On Saturday night Mr. and Mrs. Pierce Walker and family of Tucuman, visited the home of Mrs. Walker's aunt, Mrs. H. M. Mobley. On Sunday the Floyd Coles and Raymond Mobeys were dinner guests of the Mobeys.

Mr. E. B. Berryman's sister, Mrs. Eva Wright of Wellington, spent from Friday until Saturday in the Berryman home. She has been visiting in El Paso, the past few days. On Saturday night, quite a number from this community gave the Berrymans a "house warming" taking gift and spending the evening vis-

iting in their recently completed home in Hereford.

Rev. and Mrs. R. L. Shannon and Miss Lavada Shannon and Doyle Johnson spent Sunday in the Bill Dickson home.

Mrs. Jennie Buchanan, from California, spent last week visiting her nieces, Mrs. T. L. Sparkman and Mrs. A. T. Jones and nephew, W. A. Springer in this community and Mrs. Deward Roberson and J. E. Springer of Hereford. She came Sunday a week ago, when the W. A. Springers went down near Kress after her. She has been visiting relatives in Texas and Oklahoma since last October. She left her home on Saturday morning.

Those spending part of the day in the Sparkman, Sr. home Friday were Mr. and Mrs. A. T. Jones, Mr. and Mrs. R. A. Gilliam, Mrs. D. B. Roberson and Gary, Mr. and Mrs. Joe Benson, Mr. and Mrs. Owen Andrews and Mrs. Jennie Buchanan.

Mrs. T. L. Sparkman, Jr. and children spent the week end in Amarillo with her sister, Mrs. Charles King and family. T. L. spent Saturday night with his parents, the Sparkmans, Sr. Messrs. Alton Steele, Gordon Alexander and Alvin Reddin were visitors in the W. A. Springer home Wednesday and were looking over the calves to be in the show. Mr. Steele is Mrs. Springer's brother. Mr. and Mrs. Steele and family were here Saturday for the show, where Don Mobley and Charles Ralph Springer from this community had calves.

On Wednesday morning, Myrna Kay Benson slipped away to live with God. She had been in the Dimmitt hospital five days, after a lingering illness. She was the daughter of Mr. and Mrs. Joe Benson of Dimmitt, granddaughter of Mr. and Mrs. A. T. Jones and niece and cousin of many in this community. Relatives and friends from many towns and communities attended services on Thursday afternoon at the Methodist Church in Dimmitt, of which she was a member. Among those from out of this vicinity who were present were Mrs. K. Price, Miss Lee Buchanan, Frank and Bert Buchanan, all of Plainview; Mr. and Mrs. F. J. Springer, Mr. and Mrs. D. M. Springer, Mr. and Mrs. Ronnie Boggs and family, Mr. and Mrs. David Wimberly and family, all of Kress; Mr. and Mrs. Tom Johnson and family, Mr. and Mrs. Curtis Johnson and family, Mr. and Mrs. Will Johnson, all of Hale Center; Mr. and

Eugene Roberson Named Pledge At Texas Tech

Eugene Roberson, son of Mr. and Mrs. Jeff Roberson, has been selected from among members of the Texas Tech Band as a pledge to Alpha Omicron Chapter of Kappa Kappa Psi. Kappa Kappa Psi is a national honorary college band fraternity whose purpose is to promote fellowship among college men and a higher type of band music in college bands. Requirements for membership are based on musical ability, scholarship, character and qualities of leadership.

Eugene graduated from Hereford High School in 1948 and took post graduate work here one year. He is a freshman at the Lubbock College and is majoring in music.

Boys Ranchers Return From Kansas City Trip

Boys Ranch Farm boys were back on the farm south of Dimmitt Tuesday after a trip to Kansas City with 39 fat steers they sold at the market there. Allen Mitchell, Elmer Mitchell, Fred McCarty, Glendon Hill, Sam Minshew, Eddie Curtsinger, Lov-

ell Lee, Ted Mitchell and Art McFatter made the trip accompanied by Bud Curtsinger. They left Friday about noon. The Plainview Rodeo Association sponsored the trip.

Sunshine Club Is Entertained

Sunshine Club was entertained in the home of Mrs. Calvin Edwards Monday afternoon. After roll call members enjoyed needlework and a gift was presented to Mrs. Edwards. Mrs. Clint Lundry won the penny gift. Announcement of the next meeting which will be with Mrs. Clint Lundry on March 13, was made and games were conducted by Mrs. Oscar Vaughn. Members present were Messrs. J. C. Mays, Oscar Vaughn, Clint Lundry, George Minor, Dan Choate and the hostess.

STUDENTS VISIT

John Coombes, accompanied by Jimmy Smith of Pampa and Jack King of Wichita Falls, spent the past week end here with his parents, Mr. and Mrs. Ellis Coombes. The three boys are students at Texas Tech and had attended the Socel Fraternity dance Friday night. Coombes is a new member of the social organization.

Mr. and Mrs. Bill Morton have two of their daughters visiting in their home this week. Mrs. J. B. Glenn, Jr. and Janeen and Bryant of Pecos and Mr. and Mrs. Mack Freeman and Teddy of Newell, S. D. are in Hereford.

Mrs. J. H. Pitman's Sister Is Buried

Mrs. J. H. Pitman returned Saturday from Abilene where she attended funeral services held Friday for her sister, Mrs. E. W. Morris who died Thursday following a long illness. Funeral services were held in the Abilene Baptist Church.

Mrs. Morris, 85, had lived in Abilene for the past 40 years. A lifelong member of the Baptist Church, she had been active in the church work there for years.

Besides her sister, she leaves two daughters, Mrs. Ruby Miller and Mrs. Ivan Daniels, and one son, Jack Morris, all of Abilene. She is also survived by 14 grandchildren.

Mrs. Pitman, who was accompanied to Abilene Monday by her daughter-in-law, Mrs. J. A. Pitman, was with her sister at the time of her death.

**CHARGED IN PRIEST'S SLAYING**—Jack Kenneth Nixon, 17, left, three-time inmate of Texas reform school who is charged with murder in brutal slaying of the Rev. Leonard Potrykus, a Catholic priest of Gregory, Tex., is shown in a hospital bed at Aransas Pass, Texas. With him is Deputy Sheriff W. L. Radar. Shortly after the slaying Nixon was found unconscious in the priest's car. He suffered a head injury.

those folks who went to New York with Bub Ramey just "saw New York with a kid," he says they should see the place with the old man—some time. Henry Sears says he just couldn't take it.

Meanwhile, the weather continues bad. This country is beginning to need a good soaking rain so much that it is becoming a necessity. Furthermore, some of these old boys like Dick Culpeper and Vern Witherspoon are getting the urge to go fishing. They are talking about last year's catches and watching the barometer. Jim Lipscomb and Urlin Streu are also getting the bug; all they need is to hear Bob Wilson and R. C. McGilvary say the word, and they will be off. Even Clarence Schulz, the boy who does less talking and brings in more fish, was out digging up his bass pole the other day. Fishing is definitely in the weather—and it is away too early. Everything is getting out of kilter. What we need is a jam-up, soaking downpour. Even Jim Robinson admits it.

Everywhere I go people are talking about the new Brand comics. It is gratifying to know that people like them so well. We think we have about the best set of comics in the Panhandle. We have been trying to get them for a long time, but they are very difficult to get, due to reserved rights, etc. Incidentally, we have two or three, including "Popeye" which the Amarillo News has tried to get for some time, but which were sewed-up by the Ft. Worth Star Telegram. Comics are expensive, too, so we are mighty glad to know that you like the new set-up.

Bert Neelley, genial Brand advertising man, will be leaving soon (about March 10-15) to take over the role of publisher in Friona. Mr. Neelley is buying the Friona Star and despite the fact that we will miss him a lot around the Brand office, we are really happy for him to get ahead. Like Hereford, Friona is growing by leaps and bounds; it is already a nice little city and will be twice as large in another five years. Of all the people who have worked at The Brand office, Bert is unquestionably one of the most capable and most devoted to his work. His efforts in behalf of The Brand and the community will long be remembered and appreciated. There just aren't very many Bert Neelleys in the world. About the best way to express the situation is to say, "Congratulations, Friona."

Carl Sandean will succeed Bert as head man in The Brand advertising department. Carl comes to Hereford from Borger, where he has been associated with the News-Herald for several years. We think that he is a swell fellow and predict that you'll think a lot of him. The boys at Borger sure are screaming about losing Carl, who definitely knows a lot about advertising and has consistently been their top man on a staff of six. We will probably add a second man in this department as soon as Carl gets located and gets his feet on the ground.

Hope he is a coffee drinker. First thing an advertising man has to learn in Hereford is the necessity of drinking not less than 30 cups of coffee a day.

District 8 P-TA Meets In Dumas Next Month

District 8 Parent-Teacher Conference committees were named this week following a meeting of the District executive committee in Dumas to plan the conference which will be held there April 11-12, according to Mrs. Crews Henry of Canyon.

The Conference will begin Monday evening with a Board Dinner for the Board of Managers. Registration for delegates will start at 8:30 o'clock in the entrance hall of the New High school building. Dumas P-TA will be hostess at a coffee for the delegates during the registration.

Reserve Unit Plans Social Meeting Mon.

Hereford Army Reserve Unit members will have a social meeting next Monday night, according to Commander Don Zimmerman. Films of some type will be shown.

Visitors are welcomed to attend and members are urged to bring guests. Meeting time is 7:30 p. m. on the fourth floor of the County Courthouse.

Twenty members of the unit were present at the meeting this week. Monk Johnson, Jim Whelan and Don Zimmerman had parts in presenting the program.

**Personals**

Mr. and Mrs. Mack Freeman and son, Teddy, of Newell, South Dakota are visiting their parents, Mr. and Mrs. Bill Morton and Mr. and Mrs. R. A. Freeman of Hereford.

Bob Wilson of Kansas City was in town on business this week. He visited the J. A. Pittman.

**Volleyball Team Beats WT High**

Hereford High School Girl's volleyball teams opened their season against Canyon High girls here Tuesday afternoon, with two wins and two losses.

The "A" team won two one-sided victories 15-5 and 15-9 over the Canyon girls and the "B" team lost two close games 12-15 and 11-15 to their Canyon counterparts.

Mrs. Roy Calvert's teams will play Canyon again March 24 and then will play in the Invitational Tournament at Amarillo the following day, March 25. The District 1-A tournament will be in Canyon April 15.

"A" team members were Anna Jewell Cox, Lela Smith, Linda Betzen, Willie Smith, Alma Ruth Thompson and Charlene Lee.

"B" team starters are Helen Hanagan, Florence Sims, Billie

**Sales Tax On All Cars Goes Up Small Percent**

Automobiles both new and used are going to cost one-tenth of one per cent more in taxes effective yesterday.  
 Tax Collector J. C. Reese received a telegram from Robert S. Calvert, State Comptroller of Public Accounts, yesterday saying that the Omnibus House Bill levying an additional one-tenth of one per cent more tax on motor vehicles became effective March 1 and that Reese should begin collecting a tax of one and one-tenth per cent on each sale

now instead of just one per cent. The sales on automobile sales has been, before this, only one per cent. This is another item along with the increased cigarette taxes which were passed in this special term of the Legislature in Austin. The tax bill is for additional money for welfare institutions of the state.

Talk about Western hospitality. Boy, am I burned up. Furthermore, the U. S. Mails won't let me say what I really think about Carl McCaslin.

It all happened like this. I decided to go down to the calf sale last Saturday and after crowding and scrounging and pushing around I finally got a seat in the arena. I had been sitting there for five or six minutes when I saw Carl McCaslin about 30 feet away and just trying to be friendly I waved and bellowed "Hi." About that time Bonnie Brumley said, "Yes." Well, Carl didn't seem to have heard me, and I yelled at him again and Bonnie said, "Yes," again—and first thing you know Lloyd Otten said "Sold" and believe it or not, I had bought a calf.

All of this was bad enough, but Carl never did speak to me. I knew he would want to do the right thing, however, so I called and told him that he could just pay half of it, but he won't do it. If Carl has any friends, I wish some of them would speak to him about this—but I warn

them not to do it an auction sale. It just doesn't pay to be friendly with some people, anyway.

With the calf show out of the way and the new hotel opened, quite a few people are beginning to get interested in the city election. Two official announcements had been made Tuesday and several other names are being tossed around for possible nomination. Everywhere you go the topic of conversation generally turns to city politics. This is definitely a tribute to the retiring mayor and commission. People like the progressive spirit and attitude of the present administration and, practically to a man, they are most anxious to keep the same type officials. Understand a delegation called upon the old city officers asking them to again consider running, but they are definitely "out"—and I don't blame them. It is a tough, tough job with practically no pay.

Leo Forrest, T. E. Seigler and Goose Ramey are going to leave next Saturday for Chicago to attend an REA meeting. Leo says

**PROPANE Gas Users**

**For Your PROTECTION**

The Law of the State of Texas REQUIRES that EVERY PERSON or FIRM who installs Butane or Propane (liquefied petroleum) Gas systems, piping and/or appliances MUST PASS AN EXAMINATION to PROVE his knowledge and experience in dealing with these gases, and MUST BE LICENSED by the Gas Utilities Division of the State Railroad Commission to perform such work. This is a separate, distinct and specific license. A Sanitary Plumber's License or a Master Plumber's License does NOT permit the holder to install butane or propane equipment. The fact that a store SELLS butane and propane appliances DOES NOT permit the storekeeper to INSTALL such equipment.

Some plumbers, and some merchants and their employees have taken the Gas Utilities Division examinations and have qualified and ARE LICENSED by the Gas Utilities Division to make such installations. BUT ALL HAVE NOT.

When any person, lacking this specific and distinct license, installs butane or propane equipment or piping THAT PERSON IS VIOLATING THE LAW OF TEXAS. This law was made for YOUR protection. Please DO NOT be a party to its violation.

**For Your Information**

BE SURE that ANY person working on your butane or propane equipment, or making installations of piping or connections of such equipment, is LEGALLY AND PROPERLY LICENSED to DO THIS WORK—licensed by the Gas Utilities Division of the Texas Railroad Commission.

If you are not POSITIVELY CERTAIN that an installer is so licensed DON'T TAKE A CHANCE—FIND OUT! You are invited to ASK the undersigned Association (the statewide organization of LICENSED and QUALIFIED BUTANE AND PROPANE DEALERS). A post card will bring you the answer to your question and the name of a PROPERLY LICENSED MAN near you—a man trained, qualified and LICENSED for YOUR protection.

Don't be a party to the violation of this Law that was passed for YOUR protection.

# Cavallaro Says Demand Is For Big Bands Now

By JOHN SCOTT

Yes, this is the first time a name band has been in Hereford to play for a dance. Carmen Cavallaro and his famous orchestra will be remembered by all Hereford dancing fans — many who never actually had the opportunity to stand by the bandstand and listen to a nationally famous orchestra — as their first in top-flight entertainment.

Caught while trying to catch up on some sleep about six o'clock Friday evening just before he and his orchestra were going to open Hotel Jim Hill for the first time, Cavallaro said, "this is the first time we have ever opened a hotel."

An orchestra such as Cavallaro's has some trying times while on tour as he is now. They have been touring the United States since February. They average about 300 miles a day in that big bus you saw sitting on the east side of the hotel Friday afternoon.

If you have any complaints about your hours just listen to what those fellows go through. Cavallaro, who has three children and a wife staying in California, doesn't get to see them for months when he is on tour. They play a dance one night until two or three o'clock in the morning, he said, and then travel like the dickens to get to the next town to play the same thing over again the same hours.

Carman Cavallaro is a man who likes his sleep and to be with his family just as much as any of us. He likes his work (who wouldn't at the prices name band leaders get these days) but is looking forward to the day when he can get away from being apart from his family so much. He was born in New York City and is Italian.

I imagine he has or has had the yen to play the classics because when he is leading the band there is none of the "jump." You record fans who collect Cavallaro know he spent no small time on the big type classic records.

But he is up on the business. The trend of the nation's dance

**TWO FIRSTS AND THEODORA**—Carmen Cavallaro was playing his first hotel opening and Hereford had its first big name band at the Hotel Jim Hill opening. Theodora, who never did get around to singing, chats with genial bandleader for a minute above.

ers to small combos following the boom years after the war is on. Cavallaro said the big organizations are definitely coming back into demand. His own orchestra has 15 or 18 glittering music makers.

"The last six months has seen the demand for larger bands pick up," Cavallaro said.

This Poet of the Piano wasn't altogether ignorant of Hereford before he opened Hotel Jim Hill. He has played in nearby Amarillo and met several Hereford people there. He wondered what

the set-up was in Hereford when he got the request to play here though, he said.

He knew Glenn Miller who was lost over the English Channel during the war.

There is no doubt that Hereford got one of the most talented and famous musicians in the business to play for our grand opening. If all had the chance to meet and talk informally with Carman Cavallaro they would feel sure that there could be none better as far as a "good guy" goes.

## The Hereford Brand

Thursday, March 2-4-1950

Section Two

**Diggin Divots**

Sixty-five golfers played Sunday in some real summer weather. The greens will begin to shape up before much longer and then golf will really pick up to the around 100 mark that was ordinary last fall on Sundays. Twenty-nine members played in that 65, which was an exceptionally high number for them, too.

G. L. Willis purchased a half share in the Golf Association last week.

Rex Brown of Flaydada banged out a 35 on the front nine Sunday with John McCleskey. He was also using borrowed clubs. Didn't get a report on his back nine score.

Amarillo High didn't get down for the match last week. They called and wanted to play Friday but the Junior Livestock show interfered. They will probably play this week.

Lucille Posey shot a 48 Sunday, which is 3 strokes over her best round of 45.

In answer to popular demand we'll start mentioning a few pointers towards playing golf the way you'll find it on the older courses, so if you get on one of them you won't run into something that might be embarrassing.

Most rules of golf etiquette are simply doing like you'd rather others would do for you. In other words it isn't considered proper to stand so your shadow will fall in the line of another player's putt while on the green. That's not hard to avoid if a guy knows he shouldn't do it.

And then take for instance talking while someone else is shooting. This is not only considered poor manners but at some time or other you are like-

## Second-Guessing

By JERRY STOLTZ

Results of the Hereford Jaycee Amarillo College Junior Varsity game played last night were too late for this paper. If the Jaycees won they will probably play the top-seeded Cayon K. Service Station team composed of West Texas State College's freshmen squad. However, the Dimmitt Blackwids might have upset them last night. Anyhow, if Hereford won they'll play at 9:30 tonight.

Harry Gilstrap asks if he is the only guy who feels Glenn Davis will probably be a red-hot draw at the gate, but an unlikely sports hero to ex-servicemen now that he has resigned his Army commission and plans to play pro football and — maybe baseball.

No, Mr. Gilstrap, you are 100 per cent right for my money and for many other former G. I.'s. Just as you so aptly put it, "while millions of other guys were taking their chances in various uncouth, uncomfortable spots during the 1941-46 period, Mr. Davis was being maintained at the taxpayer's expense in a safe, draft-exempt situation on the scenic Hudson River. Now that the shooting's over, he walks out

ly to get hit with a golf club or at least severely castized for talking when you should have been watching or at least shut up.

One more for the record this week—the white markers on the tee boxes are there for a purpose. That is—you are supposed to tee your ball between the markers, not ahead and not far behind, but between.

## Jaycees Beat Dimmitt Three Points Monday

Hereford Jaycees put the finishing touches to the team with a final pre-tourney game in Dimmitt Monday night, winning 33-30 over the Blackwids. The victory evened the score between the two teams, each having won two during the season.

Saturday night the Jaycee Five dropped a close one to the strong Amarillo YMCA All-Star aggregation 54-51. The YMCA team is one of the top seeded teams in the Plains AAU Tournament.

Hereford will be strengthened for the tournament with the probable addition of Charley Hoover from Adrian and Haberer of Springlake. The rest of the squad includes Earl Stagner, Doug Groom, John Kelly, Kenneth Neil, Stan Barrett, Leroy Stutte, Raymond Lueb, J. A. McWhorter, Wayne Stark and Jerry Shaw.

The Jaycees played their first game in the tournament last night against the West Texas State freshmen team.

on-the-job for which he was prepared painstakingly at the cost of many thousands of dollars of your and my money. He knows, of course, that if the shooting starts again they'll hand the commission back to him but quickly. He'll never have to be a dogface."

Along the same lines, Ken E. Snare says Doc Blanchard, the "Mister Inside" of the famed pair, is a hot Jet Pilot in the Air Forces and is really a career man serving his country.

Guess Laverne Roach's death from his fight with George Small in St. Nicholas Arena, New York City, last week will be another of those things that puzzle you the rest of your life. Just about a year ago now Laverne was doing mighty good in the insurance business out of Lubbock and don't put much faith in the story that he went back to the ring because he needed the money. He was very popular throughout the panhandle and particularly in the Plainview-Lubbock area where he lived. He could have stayed there the rest of his life on the reputation he had built, even with the beating he took from Cerdan, and kids would have been proud to say "Roach

**FIGHTER COMES HOME**—Laverne Roach, popular Texas middleweight, died of head injuries received in a losing 10 round fight to George Small in New York City. Despite efforts of five physicians, he succumbed at St. Clare's Hospital where he was taken on a stretcher from ringside. Funeral services were held in East Orange, N. J. Sunday and again in Plainview Tuesday for the young boxer who was 24 years old the day of his final fight.

refereed our fight." 30 years from now. He was doing quite a bit of work with kids in his spare time like that.

But now he's gone and strangely enough so is the wild French middleweight Marcel Cerdan who may have inflicted injuries in their fight that only last week resulted in Roach's death. Cerdan went down in the French airliner that was lost in the Atlantic several months ago.

Don't confuse that death with the same type of boxing boys get in Golden Gloves. A split lip, or any blood at all will stop a fight automatically and the gloves are more protective.

Roach went down in the Cerdan fight in an early round for what some observers said was 20 seconds, but still got up and had

## Good Crowd Sees Wrestling Bouts

A crowd composed of Junior Livestock Showgoers and other out-of-town guests as well as the usual good representation from Hereford fans saw three exciting bouts at the Bull Barn Saturday night.

Olan Boynton and George Drake fought to a 20-minute stalemate in the first bout. Drake, who comes from California Islands and who has been winner in Hereford before, is usually popular with Hereford fans and Boynton is a new comer.

Within 14 minutes Whitey Walberg Full-Nelsoned Dale Haddock in the second bout. Walberg is the muscle man who whipped Wayne Martin who whipped Dory Funk for the Junior Southwest Heavy-Weight Wrestling Championship in Hereford a couple of weeks ago.

The main event found Boynton and Haddock one fall losers to Walberg and Drake. Boynton and Haddock won the first fall but dropped the remaining two within the one hour time limit.

On other mats, Whitey Walberg and Dory Funk will tangle for the second time in two weeks in the Sport Arena at Amarillo tonight. Last week Funk, after heaving Walberg through the ropes, climbed out and tried to do further damage and caused several fights among the crowd as well as later carving up Walberg in the same fight. The fight was called no-contest. Amarillo Wrestling Commissioner Roy Greenhill fined both Walberg and Funk.

Funk must get by Walberg tonight in order to try again against Wayne Martin for the Championship title, according to promoter Dory Detton.

to fight when the referee and timekeeper got mixed up and gave him a long count. In the eighth Cerdan finished the slaughter that should have stopped about six rounds sooner.

**SHAMROCK**—The Texan said city voters were voting on whether the city would or would not grow, in voting on a \$90,000 bond issue for improved and extended water system, sewer system and city streets, Saturday.

**CLARENDON**—A \$20,000 fire destroyed Piggly Wiggly's grocery store last week. A new Clarendon County club with plans for 100 members and a swimming pool is in the process of organization.

**BROWNFIELD**—The News says W. B. Abbott, Jr., Lubbock contractor, whose bid was \$59,990 has been awarded the contract for construction of the new South Plains Health Unit center on East Main Street, just northwest of the site of the new high school building.

Terry County and the City of Brownfield are sharing the costs of the new building with the federal government putting up the other half. It is estimated that it will cost an additional \$15,000 to equip the building.

**PORTALES**—Representatives of the Holly Sugar company of Colorado Springs, Colo., met with Roosevelt County farmers and spoke of the possibilities of

raising sugar beets in that area. They set a minimum of 1,000 acres before they would enter into contract. Farmers were told they could net as much as \$10 per ton and their yield would probably be from 10 to 20 tons per acre.

The farmers were also warned that unless they planted this year, they probably could not plant next year as it is highly probable that a quota would be on sugar beets by then.

**SPEARMAN**—A. A. Meredith, city manager of Borger, talked to the annual Grower Chamber of Commerce meeting Tuesday and predicted a bright future and steady growth for the North Plains town.

**FLOYDADA**—Marshal Formby, vice-president of the West Texas Broadcasting company chose a site for the proposed station in Floydada where option has been taken on the Silvertown highway, where it turns north on 12th Street in East Floydada. The site was chosen because it is close to the business section and offers the least hazard to the airport.

**SPUR**—A new wildcat has been staked 18 miles from Spur

and two miles southwest of an 8,200 dry hole drilled by Ohio Oil Company.

## Law And You

**By BOB KIRK**  
DO YOU KNOW whether "finders keepers, losers weepers" is legally correct?

It is not correct. The true owner is entitled to the return of his property. The finder may keep the property until the true owner is found, but when the true owner of lost property becomes known to the finder, he must return it to the owner.

**DO YOU KNOW** whether or not you could be charged with theft of lost property, which came into your possession?

An early case in Texas involved a trunk sold by one party to another. Inside the trunk were some goods belonging to the seller. Neither the buyer nor the seller knew at the time of the sale of the trunk that the goods were inside the trunk. The matter came before the Court, and in arriving at its decision in the case, the Court said that if at the time of finding the goods in the trunk, the buyer had a reasonable means of knowing or ascertaining the owner, and he kept the goods, intending to appropriate them to his own use, that under these circumstances, the buyer of the trunk could be held liable for the theft of the goods.

**DO YOU KNOW** that it is possible for a man to steal his own property, and be liable for criminal action for so doing? FOR INFORMATION ON your particular situation, see your local attorney.

**Carolyn Sue Caraway Celebrates Birthday**

Little Carolyn Sue Caraway celebrated her fourth birthday at a party given Saturday afternoon at the home of her parents, Mr. and Mrs. Travis Caraway. Mrs. Jimmy Mercer acted as hostess.

Outdoor games were enjoyed and balloons were given as favors.

Children attending the party were: Ronnie Johnson, Shari Lynn Rose, Dorothy Ann Mercer, Eldon Howell, Cletia Kay Rutler, Bobby Lynn Brooks, Peggy Sue Lee, Sandra Jo Caraway, and the honoree.

Mothers attending were Mesdames: Eldon Brooks, Rose, Ray Howell, Jack Johnson, Travis Caraway and the hostess.

J. W. Robinson was in Dallas the past week end where he was joined by Miss Virginia Lyons, student at SMU, and Lloyd Manjoet, student at Texas A&M College, at a week end house-party given by Miss Marty Jenkins at the home of her parents, Dr. and Mrs. Jenkins.

Mrs. Lyle Blaton went to Lubbock last week for conferences with District Garden Club leaders. While there she was the house guest of Mrs. Essie Fortenberry.

**Texas Woman Owns A Chinese Jewel Tree**

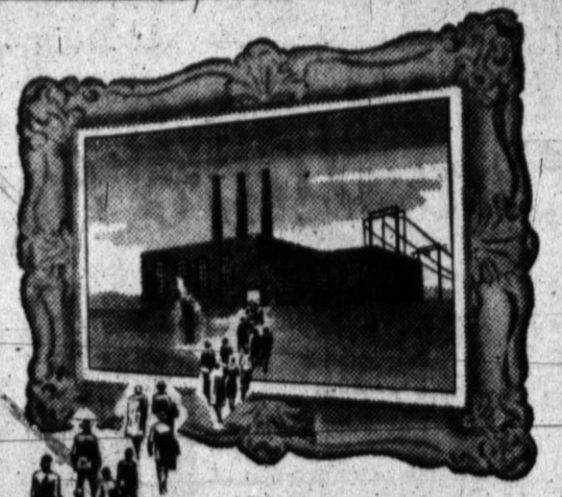

Winnsboro, TEX. (AP)—Mrs. Frank Gault of Winnsboro owns a rare "jewel tree." Long ago, these trees were used as a method of communication between Chinese royalty and aristocratic households. Mrs. Gault's "tree" came from a relative in China 10 years ago. It is about one foot high and is fashioned of highly pliable wire. When you picture your Public Service Company, perhaps you think of a power plant, a transmission line, or maybe the Public Service business office in your community. We like to think about another part of the picture... the many folks we work for — our stockholders. Southwestern Public Service is owned by people from many walks of life... you, your neighbor, your friends, and many others. Each one of them has an interest in the company, and no one of them owns more than 2% of the total stock.

That's the way free, private enterprise works. Everyone has the opportunity to share in the ownership of sound, business-managed companies like your Public Service. That's the American Way... the secret of how we have become great and strong and free!

# Long Time Ago

25 Years Ago  
Week of February 26, 1925  
Captain H. Trow and W. S. Higgins both died on the same day, Tuesday, February 24, 1925. Trow was 81 and a 25 year resident of Hereford was a member of Quantrell Band of Calvary and guerrillas during the war between the states. Higgins, known locally as Uncle Sammy, was among the first two settlers of Deaf Smith (The Jowell family settled first according to the Brand) and was 73 when he died. One of the wealthiest men in Deaf Smith County Higgins at one time served as Pres. of First National Bank and was a charter member of the Baptist Church in Hereford. Both funerals were held at separate times in the Baptist Church with Rev. W. R. Hill officiating.

Mrs. Homer Fox, Mrs. Carl Mounitz, and Mesdames C. H. Dyar, W. F. Gabbert, Sherm Williams, W. R. Steckman, J. W. Hicks and Edith Hughes.

The two Hereford cotton gins discontinued service after handling a total of 1400 bales for the season. This number was twice the 1924 number.

Another prominent Hereford citizen, J. E. Beyer, was severely bitten by the golf bug. He was accompanied around by Hank Ramey, Beyer, in an after-game interview, said he had to pick up his ball and carry it across the creek every time he came within 200 yards of the creek. He figured he saved about three dollars that way. Asked his opinion of the game he replied "Next time I hope to make a hole".

Elsewhere on the golf greens, J. A. Pitman shot a 32, one under par, to share the limelight with J. J. Clark who duplicated the score a few weeks earlier. Dow Mercer kept score.

Plans for the Hereford Ice Plant were progressing according to Judge I. R. Kelso of the Kelso-Wardock Company of St. Louis who were building it.

Exra Norton, and J. L. Crawford had six pair of Mexican Blue Quail from Sonora, Mexico and put them on the Norton ranch where they were going to be protected after turned loose.

Newly re-organized, the Hereford Band was holding its first rehearsal at the courthouse.

Mary Christine Bruner, Virginia Stovall, Frances Ray, Bess Hopkins and Virginia and R. K. Bruner motored to Amarillo to spend Saturday.

Mr. and Mrs. J. E. Beyer were in Pampa Sunday to visit their grandson, Melvin Beyer, and family. Enroute home they stopped at Canyon for Mrs. C. H. Dillehay of Bonham who returned to Hereford with them for a brief visit.

Mr. and Mrs. Rex Brown and two sons of Floydada visited the John McCleskeys over the week end.

**HOUSER RELATIVES**  
Children of P. M. Houser who underwent surgery in Deaf Smith County Hospital last week, have been visiting in the Houser home. They are Vondel Houser of San Angelo, Orville of Friona and Mrs. Anna Lou Carroll of Borger. Mr. Houser's condition is much improved and they have returned to their homes.

# 1950 MERCURY TOPS ALL WINNERS IN MOBILGAS GRAND CANYON RUN!

# 1950 MERCURY WITH OVERDRIVE AMERICA'S "NO. 1 ECONOMY CAR"!

**Sets amazing new gasoline mileage record for gruelling 751 mile Grand Canyon run as it outperforms 30 other entries from America's leading car makers!**

YES, now it's officially proven! Pound for pound, the big new 1950 Mercury is America's most economical car!

For, in the 751 Mile Mobilgas Grand Canyon Run conducted by the American Automobile Association last week, Mercury delivered grand-prize winning gasoline economy—over a rugged course which ranged from Death Valley to 7000 foot icy mountain passes!

This remarkable economy—made possible by the combination of Mercury's thrifty, V-type, 8-cylinder engine and its gas-saving "Touch-O-Matic" Overdrive—came as no surprise to Mercury owners. For many Mercury owners had repeatedly reported gasoline economy far above average expectations.

Yet this unusual economy is only one of the many reasons why thousands of owners are now choosing Mercury. Many say it's the smartest-looking car on the road. Others claim it's the smoothest-riding, most comfortable, too! And all agree it's the biggest value for the money!

Drive Mercury yourself—and see!

You bet it's "better than ever"—**MERCURY**

## There Are Manner Rules To Be Followed At The Movies

Even before Al Jolson appeared in "The Jazz Singer," we're told, the movies were a popular place for guys to take their girls. And today, what with technical color and Betty Grable, they are still tops on the where-shall-we-go list. Since the movies are so popular, I'll attempt to offer some theater technique.

The masculine half of the party buys the tickets while his companion stands by in the lobby. The girl goes in first followed by the boy who presents the tickets to the ticket-taker.

As for walking down aisle; when there is an usher, he goes first followed by the girl, followed by the boy. When he comes to the row you want, he steps aside to let you sit like in, girls first.

When there is no usher, the boy leads the way and steps aside to let the girl in.

While marching over people's feet, a quiet "excuse me" will suffice. Don't after you've once seated, start tramping out to use the lavatory. Get your water and your tissues, and if you are in the middle of the movie, don't get an intensely dramatic dialogue by Charles Laughton or a Bogey-Becall love scene can be fouled up by some character crackling his Hershey Bar wrapper.

Remember that you go to the movies to see the picture and not to keep up a steady chatter of

small talk. And nobody likes to be pounded on the shoulder during "Bugs Bunny" and asked "Pardon me, but is this 'The March of Time'?"

So, go to the movies and have a swell time. And you're sure of a swell time if you're of your movie manners.

## Phone Call

Ring-ring.

"Hello!"

"Uh-hello—is a, a Gladys there by any chance?"

"Oh! You mean you want to speak to Gladys?"

"Uh—I think so."

"Well, (giggly)—this is her—oops, this is she, I mean."

"Huh."

"This is she."

"I mean, who'd you say before?"

"This is her."

"Oh, well—guess who this is?"

"Oh! I just couldn't guess—ever, never in a million years."

"Well, uh—Guess."

"Oh, you men! I'll hang up myself!"

"To head."

"To you tell me who this is!"

"Huh-uh—guess."

"Well, let me see—George?"

"Who's George?"

"Oh, any George."

"Yeah!"

"Well, you told me to guess a name so I said the first thing that came into my mind—honest!"

"Well, good-bye, I wanted to ask you for a date but seeing you like George and everything."

"Oh—Is this you, Bill?—I just said that—I knew it was you all the time—ha, ha—me and my little joke."

"Who's Bill?"

"You mean it isn't Bill?"

"Nah."

"This is too much! Listen You! Tell me who this is or I'll hang up and I mean it, too."

"This is Herby, Gladys."

"Ugh—Herby."

"Uh-huh. Surprised? Well, I wanted to ask—"

"Oh Herby, it's been awfully nice talking to you but my mother called and I have to get off the phone this minute! Good-bye."

"Hey—I wanted—"

## Buzz Box

Whew! The Jr.-Sr. banquet is getting awfully close. All the Jrs. are hustling around making last minute preparations. The Seniors are preparing themselves for the big event.

It must be worse than I thought. This item was on the board last week: Lost: One head. Please return to Jim Lookingbill immediately. Reward!

Did you notice the Hereford High Express chugging along the curb at noon last week?

John Southall, are you really going to be a hobo?

That Glee Club! They've discovered new talent. It seems they have some burlesque singers.

Surprise: Would you ever believe Johnnie McBroom was bashful?

Congratulations: Shirley Ann Thompson on being a new bride. Gayle Foster has a new pet! I think she said it was an elephant. Oh! what love will do to one's mind.

A door ran into Joyce Rose sometime ago and she is now sporting a black eye.

"Ham" said to tell you "Hello."

The P. E. Girls are to be envied, they have ordered new jackets.

Welcome home: Carl French visited in HHS last week.

George Hamilton has a new Senior ring on his little finger. Could it be an ex-Senior girl's ring, George?

Seen together lately is Darrell Jansen and Ghena Finley. They sure are cute together.

Have you noticed Joe Kerr's new habit? All he does is go around saying, "Mother, Mother."

See ya!

## Is Senior Happy With Graduation?

By Gayle Roberson

What if this is their last year about? What are the thoughts behind those hazy, daydreaming expressions?

What if this is their last year of high school? There won't be any more school banquets or ball games or class meetings or annuals or pep rallies. Well, so what? Life is too full of too many wonderful things to spend all of it doing, seeing, and saying the same things.

Actually, though, what most of the seniors will miss the most is the generous attitude people have toward them. They've experienced and no one expects them to accept responsibility. Their mistakes are forgiven lightly. If the seniors make this, their last year of school profitable, they will look back upon it, not with longing to live it again, but with a sense of accomplishment. It doesn't just happen.

Over half the year is over now. Are you proud of something you consider well done, or are you longing to live it again.

## Poets Corner

POETS CORNER is a place I view with utmost irritation. The thought of the coming examination. I get up early and study late. Hoping to by-pass my dismal fate!

But as usual, the questions will probably be on the paragraph and pages I failed to see. With spirits high and voice like Nero, I'll have to accept that zero!

In history it was always a guess whether it was "Eleanor," Arnold or Hess. As for geometry, it still is a riddle.

I can get both ends, but never the middle!

At typing I never was a whiz; I seem to get "as" where it should be "is."

In English I manage to get by. (Through copying from the other guy!)

Now you see why I dread The next days that are ahead. If the questions were about study hall notes I could really rattle off my quotes!

Figures and colors at games are swell. But red on my report card does not go well!

Now if tests were given on date bait— That's one think on which I could concentrate!

## Junior High News

Well, the junior high boys are playing basketball at noon these days with the 7th grade vs. the 8th grade.

Finally the date for the eighth Grade Banquet has been set. It is supposed to be on the fourteenth of April. The eighth grade seems to be like the juniors at high school, they won't tell what the theme is so I guess that we'll just have to wait and see.

## Personals

- Mr. and Mrs. Mark Hannan of Lubbock visited their daughter, Mrs. Roger Corbett, and family over the week end. They were accompanied by another daughter, Mrs. Ed A. Allen, also of Lubbock.
- Mr. and Mrs. Raylan Evans of Lubbock where he is a student at Texas Tech, attended the Hotel Jim Hill opening and visited relatives here over the past week end.
- Mr. and Mrs. Herman Ford of Amarillo were Hereford visitors Sunday.
- Mr. and Mrs. J. L. Rogers left Sunday for Portales where they will visit with relatives. They were accompanied by Mrs. Beulah Roberson who has been visiting in Hereford. After a brief visit in Portales the Rogers will go to Corpus Christi and other points in South Texas for several weeks.
- Mr. and Mrs. Paul Harvey and son Mike left Sunday for Oklahoma for a combined business and pleasure trip.

## Jitters And Worries Pick Up When Graduation Nears

Well, it's here at last—the day has arrived. Yes, it's only four hours until I graduate from high school. And here I sit—yes, I'm just sitting here as calm as a dish of jello on roller skates.

Oh, goodness! The time is slipping away. I must hurry for my appointment with the hair dresser. After glancing through all the hair style books I finally decide to have my hair "Done" just as usual—parted on the side and rolled low.

(That's the only sensible thing I've done yet.)

Now the hair dresser induces me to have a facial. He says it will make my face fresh and beautiful. Fresh—he says. If my face doesn't stop drawing it's going to look like a prune. At last, the strange concoction is off and strangely enough I still have the same face. Now to go home—After I polish my whole little finger three times in an attempt to polish only the nail I decide on painted nails look better than painted ones, anyhow.

The hour of departure has arrived. I'm on my way to the school building. Silence prevails except for the clicking of my teeth. "Groan"—I now discover that I have left my flowers at home. After returning home for my flowers I finally reach school.

The fatal chords of the march chime through the air. Oh! How will I ever walk on these two legs of mine that feel about as stable as two silk scarves? Here I go (I can walk) down the aisle. Never did those aisles look so long. Now more than ever they look like two broken pieces of elastic that just keep stretching.

Upon the platform at last I begin to regain consciousness. When my name is called for me to receive my diploma, some how I manage to take the seven steps toward the principal that seem like seven miles.

Clutching my diploma in my hand, I am suddenly aware of the fact that I am no longer a student but a graduate. Happy I am about it, too—because if it had lasted much longer I could have easily been a double for the thin man.

## What Will Be Theme Of Annual Banquet?

Last week was best week and there were a great variety of questions asked. Probably the most frequent was, "Did I pass that test?" This week is different. This is the week of the Junior-Senior Banquet and by tradition the theme is set by the Junior and they are supposed to tell no one.

All the Seniors and many others hold sessions with the Juniors that sound like "Twenty Questions." People have guessed everything from an Eskimo's Igloo to a Mue Train. Someone, hearing all these clever guesses, suggested that each table be decorated differently, and come what may, one thing is certain, the Juniors have a lot of Kleenex carnations on hand.

## Former Hereford Girl Named Festival Queen

Mrs. Arthur Housley, the former Miss Inez Funderburg of Hereford, has been named queen of the Hayward (California) Flower Festival, according to word received by relatives here.

The Hayward Flower Festival, which is an annual event, is conducted along lines similar to the Rose Tournament of Pasadena and will be held this year on March 17 and 18.

Sponsored by the merchants of Hayward, the parade will be a colorful pageant of floats with the queen and her attendants receiving special honor.

Candidates for the honor have been entertained at many functions during the past month and the winning candidate and her attendants will be guests of honor at luncheons and banquets leading up to the Festival date.

## World Of Books A Delightful World

What a convenient and delightful world of books—if you bring to it not the obligation of the student, or look upon it as an opiate for idleness, but enter it rather with all the enthusiasm of the adventurer!

Here is the world that has vast advantages over the ordinary world of daylight, of business and trade, of work and worry. In this world every man is his own king—the sort of king one loves to imagine, not concerned in such petty matters as wars and taxes, but a moderate and mellow despot who is a true patron of genius—a mild old chap who has in his court the greatest men and women in the world—and of all of them vying to please the most vagrant of his moods.

Invite any one of them to talk, and if your Highness is not pleased with him you only to put him back in his corner—and bring some jestre to sharpen your laughter, or some poet to set your faintest emotion to music.

## Church Notes

**ST. ANTHONY'S** Inquirer's Class is being conducted in St. Anthony School each Monday evening at 8 o'clock. The ancient Jewish practice of offering prayers for the dead has been treated so far. The subject provided a historical approach to the Catholic doctrine of purgatory or a state of purifying after death. The class is well attended. Everyone is welcome to these discussions.

The Ave Maria Hour, a religious dramatic program is now being heard by transcription each Sunday evening over KPAN from 5:30 until 6.

"The Faith of Our Fathers Hour" is being presented each Sunday evening over the radio at 6:15. Sponsored by the Knights of Columbus, the program's aid is to foster understanding and good will. Father Colman Gallagher of St. Anthony's Church will speak during March.

The Way of the Cross, a service of prayer and reflection is being held each Sunday evening in St. Anthony's Church. This service will continue through the winter season.

Every Thursday evening the rest of the year, the Holy Hour, or a full hour of prayer and meditation is held in St. Anthony's Church.

The young people of the Parish meet on Friday nights at St. Anthony's School hall for a supervised recreational program.

Sunday evenings, moving pictures which have been prudently selected are shown in the School Hall after church services. They are presented as worthwhile diversion for all.

The Knights of Columbus are planning a banquet. St. Anthony's Guild a St. Patrick's day dance; the Young People likewise a dance all of which affairs will be held in the ballroom of the new Jim Hill Hotel in the near future.

**CHRISTIAN SCIENCE** services will be Sunday morning at 11 o'clock in the Star Theater. Subject of the Lesson-Sermon is "Man." Golden Text is from Psalms 100:3 and is "Know ye that the Lord he is God: it is he that hath made us and not we he is God: it is he that hath ourselves: We are his people, the sheep of his pasture. his pasture.

All who are interested are cordially invited to attend.

**FIRST BAPTIST** ladies of the WMU attended the Union sessions at the church Tuesday which the District Convention of the Union.

The older Junior RAs now have as their sponsor, Rex Lee and meet this evening and every Thursday evening at 8 o'clock at the church.

Sunbeams did not meet yesterday afternoon but will meet on Saturday March 4 at 10:00 for a book review of "On the Farm" to be given by Mrs. Gerald Wilson. Luncheon will be served at noon and the book review and activities will last until nearly 2:00 p.m. All Sunbeams are invited.

District Nine Baptist Convention was held in the Hereford church last Tuesday and Wednesday. First session was the WMU program on Tuesday afternoon. Tuesday evening the Brotherhood session had its first meeting. Wednesday morning the Training Union session convened at 9:15. The Sunday School session was Wednesday afternoon.

Summary of Baptist Enlargement Campaign shows 310 people enrolled in the Campaign with average attendance of 138 each night. Nine new departments and 35 classes have been organized. There were 70 new workers enlisted in the Sunday School working force.

Baptist Revival is April 9 through 23.

**I. M. M. A. N. U. E. L. LUTHERAN** Church will celebrate Holy Communion in morning services March 5 at 11:30 a. m. Sunday School and Bible Class begins at 10:30 a. m.

The mid-week Lenten service will be held Wednesday night, March 8, at 7:30 p. m. The pastor will speak on "Jesus' third word from the cross." The junior choir will sing.

Pastor's broadcast can be heard at 1:30 Wednesday.

**SEVENTH-DAY ADVENTIST** Juniors will present a program for the 11 o'clock services Saturday morning. The program will be under the direction of Mrs. C. P. Grimes, Missionary leader.

The subject will be "Share your Faith." The scripture reading from Matt. 28:19—Go ye therefore and teach all nations (marginal reading—or make them disciples or christians of all) baptizing them in the name of the Father, and the Son and the Holy Ghost.

Saturday, March 4, is National Field Adventuring Day for the Seventh-Day Adventist denomination. They plan to go two by two, Mark 6: Seven in Visitation of the towns.

Pastor R. E. Reiger of Amarillo plans to be with the groups to help carry out their visitation program.

**AVENUE BAPTISTS** are meeting Friday nights and holding singing and prayer meetings. In addition to congregational singing, special duets and quartets sing in connection with choir practice.

Held for the past several weeks, the Cottage Prayer Meeting was held Tuesday night in the home of G. C. Vinson on 25-Mile Avenue. These prayer meetings are in preparation for the Revival starting March 19 and lasting through April 2.

Rev. Roy Stevens, pastor of Spearman First Baptist Church, will be in Hereford to help out with the Revival meetings.

Avenue Baptist WMU meets every Friday in the church at 2:30.

**FIRST METHODIST** last Sunday began having a full-time attendant at the Church nursery in order to make it easier for members or prospective members to attend but who have been hampered with children and no place to leave them.

Rev. Don Davidson will be back in the pulpit for the first time in three weeks Sunday when he will bring the services to the Church. He has been ill with a virus and on other Sundays there has either been guest speakers or the organizations of the church have had charge.

Rev. Davidson said the old auditorium building will eventually be completely rebuilt for Sunday School classrooms. Right now, he said, partitions have been installed and the Stanford Sunday School Class is using the old auditorium.

Usual choir practice was held Wednesday night in Ward Hall at 7:30.

In line with the improvement of the building the church is getting ready for the Pre-Easter Loyalty Campaign which will begin March 12 and last through April 9. Along with Stanford's Sunday School Class, two other class rooms have been built in the old building.

**CHURCH OF NAZARENE** Missionary society will have their monthly meeting this afternoon at 2:30 in the church.

Cottage prayer meeting will be in the home of Mr. and Mrs. Tom Rowden Friday night. The Rowdens live near Vega.

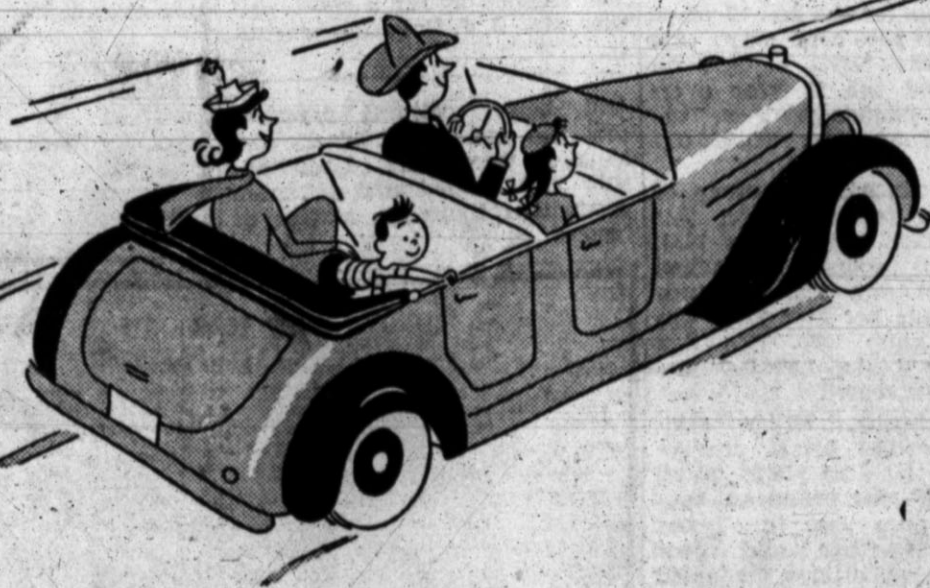

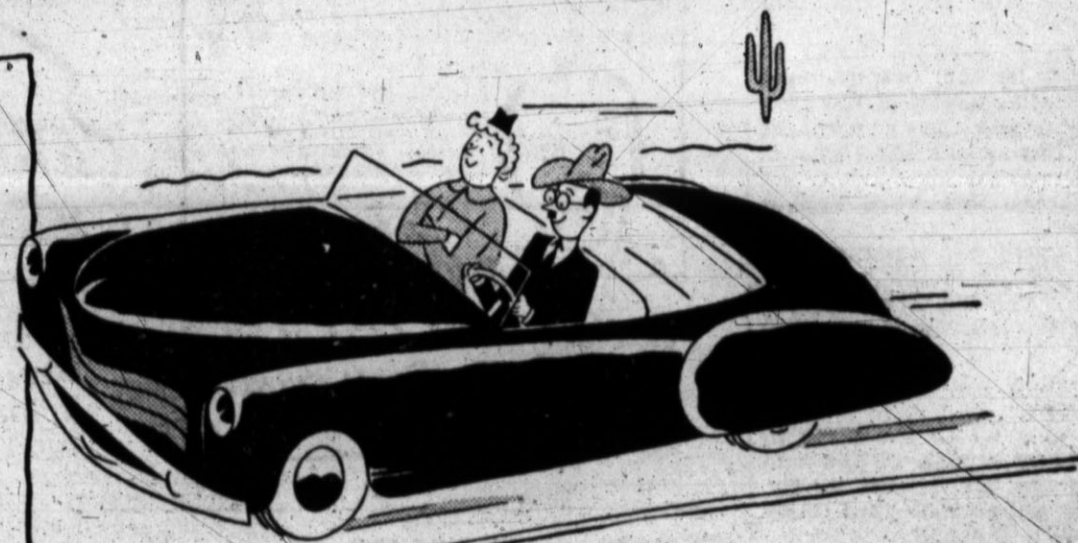

Rev. R. L. Bickford, pastor of the Church of Nazarene, held last Sunday services after missing a Sunday because of illness.

Texas sportswriters selected Frank Kimbrough, football coach at West Texas State College, as the Border Conference "Coach of the Year," thus proving you don't always have to produce a winner to gain public recognition.

Kimbrough was kidded about the poor start his Buffs made last year at the Sports Achievement banquet in Dallas recently. He said that reminded him of a dream.

"I dreamed I went to bed one night and woke up next morning one of Satan's new assistants. After I'd been around a while I found out it was just like coaching football.

"I guess I worked the boys too hard, because Satan came around one day.

"Look here, boy," he said, "who do you think you are? You act like you own this place."

"Gosh, Satan," I told him, "I thought I did. The alumni gave it to me after those first four games."

Charley Grimm, new manager of the Dallas Eagles of the Texas league and former manager of the Chicago of the National League, was talking about Casey Stengel, the New York Yankee manager.

"Old Casey was watching this rookie down in Florida," recalled Grimm. "The kid was knocking every pitch into the stands—but foul.

"I'll show you what I mean," says Casey.

"He gets up to the plate in that funny crouch of his and says to the pitcher, 'let 'er fly. The guy did and knocked Casey down with the ball.

"He got up kinda wobbly and told this rookie he'd continue the batting lesson tomorrow.

## New And Near Record Crop Production During 1949

The crop harvests of 1949 may long be remembered by Texas farmers. New records and near records were made for almost all field crops and yields were uniformly good. E. A. Miller, extension agronomist of Texas A&M College, says figures recently released by the Office of Crop Estimates, USDA, shows just how good the 1949 Texas crops were.

The total crop acreage in the state set a new record; 30,141,000 acres as compared with the 10-year average of 27,200,000 acres.

Miller says 5,900,000 bales of cotton were produced on 10,725,000 acres and this is the largest cotton crop ever produced in the state. The second largest crop was produced in 1926—5,628,000 bales but it was harvested from 18,374,000 acres. The 1949 per acre yield was 264 pounds and was the highest since 1894. Miller says last year's crop was more than double the average production for the past 10 years.

The wheat crop of 102,848,000 bushels was second only to the record crop of 124 million bushels made in 1947. It was 74 per cent larger than the 1948 crop and almost double the 10-year average.

He says the grain sorghum crop also approached the record crop of 1944, and was 58 per cent above the average for the last 10 years. The 1949 grain sorghum production totaled 92,676,000 bushels.

The per acre corn yields were the highest since 1919. It was 6.5 bushels or 40 per cent above the average. The total acreage in corn was reduced, but the total yield was 13 1-2 million bushels above last year, and was 58,208,000 bushels.

Parts of the rice producing area last October suffered considerable crop losses from a tropical hurricane, but despite this loss the rice production totaled 22,818,000 bushels and ranks second only to the record crop of 1948.

He says despite the greatly reduced peanut acreage due to acreage allotments, the production was 14 per cent above 1948

## Many Diseases Can Be Traced To Housefly

Millions of flies help to cause the illness and death of thousands of children and adults each year in the United States. Hundreds of these casualties may be in the State of Texas this year if residents fall in their responsibility for developing the best possible sanitation measures in the area where they reside. Typhoid fever, summer complaint, and other intestinal diseases can be traced to the common housefly as the carrier of infection.

Dr. Geo. W. Cox, State Health Officer, speaking in this connection recently said, "Be sure that your windows and doors are tightly screened so that stray flies from a careless neighbor will not endanger your family. Be sure that flies are kept away from food, drink, and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infection from this source can be picked up and spread to human beings through contact with food, drink and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Dr. Cox said that the State Health Department would furnish upon request a pamphlet outlining safe and practical methods recommended for use in fly control.

Mrs. E. J. Hudson returned home Saturday from Amarillo where she underwent an eye operation recently.

Mr. and Mrs. Arlie Dean of Nara Visa are in Hereford this week and Mr. Dean is in the hospital with pneumonia.

Mrs. Ralph Cortese of Ft. Sumner stopped by for a short visit with Mrs. J. J. Boydston recently.

Control, better cultural practices and the use of fertilizers and legumes, were some of the factors that helped make these production figures a matter of record.

### Give Your Pecan Tree An Even Chance At The Start

The pecan tree you set out now can become a monument to you 50 years from now, that is, if you give it the start in life it needs. After transplanting, the pecan tree develops new roots very slowly and the top of the tree must be reduced in size to balance this root system, says J. E. Hutchison, associate extension horticulturist of Texas A&M College. This usually means removing about a third of the top growth of the transplanted seedling.

During the first growing season, a vital factor in the growth of the tree is plenty of moisture. The soil around the tree should never be allowed to become dry and if the season is dry, Hutchison recommends soaking the ground around the tree, to the full depth of the root system, once every two weeks.

He says newly planted pecan trees that are making little growth are likely to sunscald at the ground line unless protected. He points out that it is best not to water during the heat of the day. The wet soil should be covered with dry soil or a straw mulch. A straw mulch helps to conserve moisture and also to cool the soil. Sunscald can also be prevented by loosely wrapping the lower part of the trunk with burlap or paper soon after transplanting.

Training or heading the young tree is most important, says Hutchison. The temporary branches which are allowed to develop during the first two or three years should be removed to give the tree a permanent head of branches at a height of six to eight feet above the ground.

The framework of a pecan tree must be strong. The type where four to six or more of the main

branches are arranged in spirals around the central leader is considered best, he says. There should be from 12 to 18 inches between the framework branches in their arrangement around the main body of the tree and narrow crotches and weak forks which may split later should be removed, he says.

The first years of the tree's life are very important and if it is properly cared for, you will have a beautiful tree that will reward you with fine crops of nuts, concludes Hutchison.

### Cubs Have Semi-Annual Inspection Friday Evening

Plans for the regular Friday night meeting of Cub Scouts were made at the leaders meeting held at the home of Mrs. Ed Cox Monday night. Every boy is urged to attend the meeting in uniform for semi-annual inspection.

Cubs and leaders will gather at the hut at 7:30 and all boys interested in cub work and all adults interested in leadership are invited to attend.

Mrs. W. D. Jones' den will present the flag ceremony. Mrs. Homer Brumley will direct the songs and Mrs. Ed Cox will have charge of games.

Mrs. Homer Brumley's den will present the theme stunt.

Coy Patten will present wolf awards; Lloyd Sharp, the bear awards; Jason Luck, the Lions award and John Hicks, cub commissioner, the Webelos. The concluding stunt will be presented by Mrs. Jason Luck's den. Hicks announced that begin-

ning Sunday at 2:30 p. m. all cubs are expected to meet at the hut each Sunday that weather will permit, in play clothes to practice for the annual palaver to be held in May.

The next cub leaders meeting was announced for March 27 at the home of Mrs. Worth Covington.

Leaders attending the Monday night meet were Jason Luck, Mrs. Worth Covington, Mr. and Mrs. Lloyd Sharp, Mrs. W. D. Jones, Coy Patton, Walter Seed, John Hicks, Mrs. Homer Brumley and Mrs. Ed Cox.

### Eggs Are Top Protein Food

College Station — Eggs are an excellent protein food. They are rich in vitamin A and this makes them a good body building food. The vitamin B helps to promote good digestion and egg yolks are one of the richest sources of vitamin D. You get all of this and more, and it's all done up in one neat package when you eat eggs, says Lucille Schultz, associate extension foods and nutrition specialist of Texas A&M College.

She says right now eggs are one of your best buys. They are cheap. The supply is abundant and next to milk are the most important protein food you can use in the diet for the growing child. Besides the vitamins, they contain iron which is a body builder and the phosphorus helps make strong teeth and bones. The appetite appeal of colorful egg dishes, she points out have no age limit—from baby to granddad. Eggs make fine dishes for breakfast, dinner or supper and should be served every day.

Miss Schultz says the growing child should have at least one egg every day and that adults should eat eggs four or five times per week. She says there are many different ways to prepare eggs for the family table and that the method of preparation should be varied for variety adds to their appetite appeal.

She offers these suggestions on egg cookery. Eggs should be cooked with low heat — high heat tends to make the eggs tough. For best success in beating egg whites, use them when they are at room temperature. Strictly fresh eggs, she adds do

not peel easily and the older eggs should be used for hard cooking. When you make custards, overcooking will cause the eggs to curdle and too much beating or mixing, in the case of omelets, will cause a loss of air and you'll lose the lightness and fluffiness that you want in your cakes.

If you are interested in getting more information on preparing egg dishes and hints on cooking, she suggests that you call on your local county home demonstration agent for recipes and cooking hints.

Local Girl Participates In Annual Stunt Nights

DENTON, Texas — Texas State College for Women's annual stunt nights are scheduled for March 3-4 and participating in the junior stunt will be Miss Patricia Hardwick, daughter of Mr. and Mrs. W. F. Hardwick.

The inter-class competitive event began with a circus frolic by the "Middleers" class at TSCW some 36 years ago. It became all college in 1938 when a silver loving cup was presented for the first time to the winning class.

Stunt themes vary from musical to heavy dramatic, abstract to realistic ideas. Many times original musical scores are incorporated into the plot and especially designed costumes, sets, and lighting effects give the impression of professional productions to the twenty-minute skits.

Miss Hardwick is a junior clothing and design student.

Mrs. R. W. Elliston is visiting with her daughter, Ivagene, in Fort Worth.

C. P. Grimes and J. P. Jordan have returned from a 10-day business trip to Ft. Worth.

Mr. and Mrs. George Cantrell were in Amarillo Friday on business.

### BIRTHDAYS OBSERVED

Mrs. Wm. McGehee honored her husband and her daughter, Mrs. R. O. Stark of O'Donell at a dinner celebrating their birthdays Friday. Mr. McGehee was 78 on the 24th and Mrs. Stark's birthday was February 22. A surprise visit made by their son, Wallace McGehee, who flew in from the West Coast, highlighted the day's celebration and other attendants were Mr. and Mrs. W. Dines of Kress.

### Homer Fox Says: DID YOU KNOW.....

Ran across Abb Carter the other day and had a short session with him—Abb and Tom Carter could tell a lot of good stories of the early days in and around Hereford, because they were here. Their father and mother settled on the Frio Draw, I think Abb said in about 1896. Anyway, Mr. Carter bought a bunch of sheep. Those sheep and five old boys to look after was a fair sized job. Mr. and Mrs. Carter lived in the old Dobie on the Frio and this building was about 30 x 68.

Like all kids that lived on the prairies in those days, Abb well remembers the days they spent in the summer gathering fuel to burn in the winter and that fuel was cow chips. The first thing to do was locate a bedding ground and the wood chopping was a lot easier, Abb says the X I T furnished the wood pile for them. They had an old building to store the chips in and they would fill that up through the summer, and they tried to use the dark brown kind as the BTU was much higher than the light ones. He said they sure had to watch out for stinging scorpions, as there was one under most of the chips and they sure would let you have it. These chips made very good fuel but you had about as many ashes after they burned as you had chips before.

Abb says in those days this was a beautiful country, covered

with a thick turf of mesquite and Gramma grass, hundreds of wild horses roaming the country, prairie chickens as thick as black birds and Antelope by the thousands. Most of the early settlers ate a lot of Antelope meat and kept it through the winter. Abb recalled one Antelope hunt with his brother and his father and here it is in his own words. "I remember one fall when Dad took me and my brother Jim to the sandhills south of here to get our winter's supply of Antelope meat."

"It was in November, we left early one morning with two wagons and it was a two days trip with wagon and team. We arrived at Large Lake the second afternoon, made camp, set up our tent for the night. The next morning Dad had us out early and there were several inches of snow on the ground, a northeast wind and still snowing, by 9 o'clock the Antelope were drifting by us by the hundreds. Dad was doing the shooting and all Jim and I did was run the bullets and reload the shells for him. When night came we had almost a wagon load of Antelope and we didn't keep anything but the hind quarters.

Later Mr. and Mrs. Carter built their home on top of the hill just south of the Boardman place, set out lots of shade trees and fruit trees, and built a large earth tank. They would pump

### Liberty Bell Chosen as Savings Bonds Drive Symbol

Washington, D. C.—Secretary of the Treasury John W. Snyder, right, looks very pleased as Sales Director Leon J. Markham of the United States Savings Division shows him the symbol for the Independence Drive, which will open May 15, and run through July 4, to stimulate the sale of savings bonds. "The Liberty Bell symbolizes not only our political independence but also all those characteristics of Americanism which serve to sustain our independence," Secretary Snyder said. "Of these characteristics, an especially suitable reminder of the importance of savings and Savings Bonds to our economic life and to the financial independence of the individual," he asserted.

some water in the tank by windmill and the boys would ride their horses in for hours day after day to pack the earth so it would hold water, and it did hold water like a jug. They stocked it with fish and had many a fish dinner out of it for them and their friends. This tank held water for years, in fact it hasn't been gone so many years. I remember one of

Abb's brothers, Lige, was quite a fisherman—he would go out and pitch a frog or grasshopper in the tank and if the bass in the tank hit the bait, Lige would go to the creek fishing. I remember one afternoon he found the home bass hitting, so he bundled up his fishing pole and tore out for the creek, he was using live frogs for bait, and just across the road from the old Boardman swimming hole and almost east of the packing plant, Lige caught about the largest bass I have ever seen caught out of this creek, almost ten pounds. He said those bass in the tank at home was the best fishing sign he knew of. Later, and before the tank dried up, they took the fish from it and there was only two or three large bass in it. The place in the creek where Lige caught that large bass that day has about enough water in it now to wet your hat, provided you have a small hat.

#### Heiselman Club Meets In Lemke Home Thurs.

Heiselman Home Demonstration Club met Thursday afternoon in the home of Mrs. V. E. Lemke with Mrs. E. L. Brown, president, presiding. Subject for the lesson for the afternoon was "Clothing" and demonstrations in making measurements were given by Mrs. Oscar Bronniman, clothing demonstrator, and Mrs. Henry Kinsey. The next meeting was announced for March 9 with Mrs. N. L. Jacobson.

#### APPOINTMENT CENSUS CREW LEADER

Mrs. Ruth McCrerey Gidden of Canyon has been chosen Crew Leader for Deaf Smith and Randall Counties for the 17th Decennial Census, according to Walter S. Shaller, District Supervisor from Amarillo.

Mr. and Mrs. L. J. Matthews were called to Abilene one day last week by the serious illness of his mother, Mrs. W. F. Matthews, who is a former resident of Hereford.

Mr. and Mrs. O. G. Hill transacted business in Amarillo and Panhandle the past week.
