

Rain And Wind Damages Gardens In Community

By MISS WILMA MOORE
BRAND CORRESPONDENT

The farmers are very busy planting and replanting their feed crops and fighting the weeds.

Nelson Pierson, Mr. and Mrs. Jack Williams from Hereford, and Marvin Hershey from Dawn were visitors in the Buck McGaughey home Sunday.

Miss Zelda Aze from the Junco community spent last week with her aunt, Mrs. Zelma Aze. Mr. and Mrs. Jack Higgins and children attended the wedding of Mrs. Higgins' brother, Charles Frye in Hereford.

Mrs. Dick Allred and Glenn Allred called on Mr. and Mrs. J. E. Price last Thursday.

Mrs. Kate Haltkart from Lubbock is visiting in the home of her sister, Mrs. Toy Price.

The rain and wind did quite a lot of damage to out-buildings last Sunday and Tuesday night. A trailer house on the J. T. Gilbreath farm and a wind mill on the Cecil Waters' place were blown over. Several gardens were damaged by hail and wind.

Mr. and Mrs. E. W. Womble, Sr., and E. W. Womble, Jr., formerly of this community have moved to Gunnison, Colo. where they will make their home.

Mrs. R. H. Hale from Hereford visited in the R. H. Hale, Jr. home Sunday.

Pat Price celebrated his fifteenth birthday Monday.

Mr. and Mrs. Boyd Scivally, Miss Patsie and T. J. Carter, Mr. and Mrs. Ralph Johnson, and Miss Wilma Moore attended the

show at the Tower Drive in Saturday night.

Mrs. J. T. McClain and Darlene Moore made a business trip to Amarillo Saturday.

Mr. and Mrs. Paul Myers were visitors in the Don Bartlow and H. L. Pattle homes in Amarillo Sunday. They also attended the Tenth Street Methodist Church there.

Mr. and Mrs. S. F. Matthews visited in the home of a brother, Roy Matthews in Abernathy recently.

Mesdames: Vesta Whitaker, Junior Whitaker, and children, and Bruce Wheeler of Plainview were dinner guests in the W. R. Moore home Thursday.

Mr. and Mrs. A. D. Moore from Kress visited in the T. W. Tooley home Saturday.

Mr. and Mrs. Ray Lee Jones were guests of Mrs. J. T. McClain Sunday.

Johnnie McBroom, Dick, David, and Ray Dean Aze, and H. D. Moore attended the ball game in Hereford Sunday.

Visitors in the Boyd Scivally home this past week were Cody Yandell and mother, Mrs. E. H. Yandell, Mr. and Mrs. Ralph Johnson, Miss Patsie and T. J. Carter from Lelia Lake.

Mrs. F. E. Finney returned home from Seymour after a two weeks' visit with friends and relatives recently.

Lendal Megee of the Progressive community called in the home of Billy Moore Sunday morning.

WON'T STAY FENCED IN—Little Jay Roth is intrigued by this tree in Chicago, which refused to be held in bounds by an iron fence, and grew through and around it. The tree's outer bark has even "flowed" out onto the adjoining sidewalk.

Progressive HD Club Tours Interesting Points Of City

An educational tour of unusual interest concluded a meeting of the Progressive H. D. Club, Tuesday afternoon in the home of Mrs. D. Y. Edwards. She, with Mrs. Calvin Edwards, and Miss Norma Lee Edwards served as hostesses.

A holiday spirit blended with the visitation program as each member responded to the roll call by naming a place she pre-

ferred to see on this field trip.

The county jail was visited first. Sheriff J. C. Reese, in giving a brief history, pointed out the two miniature rooms that were moved from old LaPlatta some fifty years ago. All this proved to be very interesting.

The second stop was at the telephone building where the ladies were welcomed by the office force. Mrs. Marie Sears, chief operator, and R. L. Ethridge of the plant department took time to explain the work of the telephone switchboard operator in rendering good telephone service.

Radio Station KPAN was the next stop in line. As a courtesy, Mr. Glen Valentine, general agent and announcer, showed the ladies through the rooms, pausing for latest news. Mr. Pat Jeeters, engineer, favored the group with a special number, "My Happiness."

The last visit of the afternoon was through the Jim Hill Hotel. Back in the air conditioned rooms of the hotel the remainder of the afternoon was spent in visiting, in recreation and singing, with Mrs. Barnhart in charge.

Refreshments were served to the following, Mesdames: Robert Barnhart, C. C. Billingslea, C. C. Bowman, Pete Carmichael, E. E. Clark, V. E. Dodson, Herman Drake, W. H. Gentry, Taft McGee, J. T. Parsons, Ira Ricketts, M. T. Sparkman, W. C. Weathers; Miss Augustine Gregory, Mrs. Vada McKnight of Woodward, Okla., guest, and the hostesses. The next meeting will be with Mrs. R. C. Weathers, July 18.

Mahaffey 4-H Club Has Demonstration

The Mahaffey 4-H Club held its regular meeting in the Commissioners Court Room at 2:30 p. m. Saturday, June 24. Roll call was answered by seven members with "One thing I want to do this summer." The girls decided that they would like to do something to earn money for the club.

Mrs. Hilton Higgins gave a demonstration on a simple flower arrangement for the table. She said that all colors used should harmonize as much as possible and that the table centerpiece should be kept low enough so that one could see over it. Mrs. Higgins used daisies and larkspur in a pink, glass basket to make a pretty and simple centerpiece for any table.

After Betty Lou McGaughey gave a demonstration on setting the table the easy way, games were played.

Those present at the meeting were Irene Galley, Betty Lou McGaughey, Nancy Parsons, Cecilia Waters, Ruby, Wills Mae, and Wilma June Wilcox and the leader, Mrs. Hilton Higgins.

Hereford Riders Club Members Go to Lubbock

Hereford Riders Club members were guests of the Lubbock County Sheriff's posse a week ago Wednesday. They also participated in a one hour and 15 minutes long parade. Some 600 horses were in the parade.

Movie star Johnnie Mack Brown was there and a barbecue was given for all riders.

Those going from Hereford included Mrs. Woodrow Ireland, Joe Kendall, Ky Lawrence, Mal Stewart, Robert Waggoner, Jack Messer, Woody Wilson and B. R. Holt.

Mr. and Mrs. W. L. Gentry of Los Angeles, California spent several days last week with Mr. Gentry's brother, W. H. Gentry and family.

Mr. and Mrs. R. A. Gentry of Amarillo spent the week end with Mr. Gentry's sister, Mrs. John Hickman and family at their home northeast of Hereford.

Attends Summer ROTC Camp At Lowry Field

John S. Coombes, son of Mr. and Mrs. Ellis Coombes of 707 Lee Avenue, arrived Sunday at Lowry Air Force Base, Denver, Colorado, to attend the six weeks summer encampment which is composed of Air Force ROTC students from all parts of the United States.

Coombes will pursue a specialized course in Armament together with 1,200 carefully chosen AFROTC cadets from 47 colleges and universities representing 25 different states.

In addition to the specialized training, the cadets will receive instruction in leadership, drill, exercise of command, marches and bivouacs, physical training, and rifle marksmanship. This course of instruction will qualify him to accept a commission as a 2nd Lieutenant in the United States Air Force Reserve, when he receives his college degree from Texas Tech.

Coombes left Hereford June 24. Among other points of interest which he saw on his way to Denver was Pike's Peak. He plans to go to the Cheyenne Frontier Days July 4.

RELATIVES VISIT HERE

Mr. and Mrs. Barrett Sowell and Mr. and Mrs. J. E. Turner had as their guests last week their brother and sisters with their families. They were as follows: Mr. and Mrs. G. W. Wells, Jr. and family and Mrs. W. L. Tice of Sacramento, California; Mr. and Mrs. A. C. Walker and girls, Mr. and Mrs. Tommy Newton and children, all of Panhandle; Mrs. Odessa Frazier and children and C. L. Goad of Amarillo; and Mr. and Mrs. Harold McEacham and son, and Mr. and Mrs. J. B. Sowell, Jr. of Hereford.

On Sunday, June 18, they all met at Ellwood Park in Amarillo for a family reunion and all-day picnic. An aunt, Miss Arcola Goad of Joy, Texas joined them for the family get-together. Also Mr. and Mrs. Larry Nell Tackett of Panhandle, Mr. and Mrs. Kenneth Webb of Amarillo, and Doris Russell of Hereford were present.

JOLLY GIRLS MEET

The Jolly Girls 4-H Club met with Mary Cayton June 22. The meeting was called to order by the president, Mary Pashel. A demonstration, was given by Thelma Epton on how to set the table an easy way. Mrs. Dyer demonstrated how to cut flowers for the table.

Refreshments, were served to Ann Dyer, Jauneta Townsend, Thelma Epton, Mary Cayton, Mary Pashel, Doris Epton, Mrs. Dyer, Mrs. Cayton, Mrs. Climer, and Jonny Mack Doud.

RED GOES WEST — One of many Communist youths taking refuge in West Berlin, afraid of Red reprisals if they return to their homes in Eastern Germany, appears to enjoy a taste of freedom after his sample of life behind the Iron Curtain. Though still wearing the blue uniform shirt of the Communist Youth Organization, he has ripped off the insignia, and wears American tie and socks, gift of the U.S. Red Cross.

Personals

Miss Genevieve Eberle and her brother, Dr. Howard Eberle of Corpus Christi, have returned from the west coast where they visited their sister, Miss Virginia Eberle. Dr. Eberle is spending a few days in Hereford before returning to Corpus Christi.

Mr. and Mrs. Homer Brumley were in Pampa Tuesday to attend the funeral services of Harold Osborne, who died following a heart attack. Mr. Osborne and the Brumleys were former classmates at Texas Tech.

Mr. and Mrs. Cecil Malone and children have gone to Colorado fishing points to spend a two weeks' vacation.

U. S. TROOPS PARADE IN TRIESTE—Marching past tanks and the anchored destroyer U.S.S. O'Hara, units of American forces in the Free Territory of Trieste parade along a waterfront street. Five thousand U. S. troops, stationed in the European hot spot under terms of the peace treaty, took part in the display of armed strength.

Fraser Elevator burned, we had a lot of fire trucks here, and when they brought the big pumper from Amarillo, some of the boys figured they would use up all of the city water pretty quick. They tied this big pumper into an 8-inch line on First Street and ran the hose across the tracks and gave her the gun. After a short time one of the boys thought they had better go to the pump house to see about the water. He found Bud sitting out on his lawn. The old boy asked Bud about the water. Bud said, "I guess it is okay so far; I see the big tank has just started to run over." So the Amarillo boys quit worrying about running out of water. Bud was sort of gate keeper also for the City pound when he first worked down there. The pound is just across the lot from the pumping plant. He tells of his first experience of trying to round up some horses that some folks had loaned about. The City had an old saddle pony at the pound for his purpose and the call was after dark. Bud saddled the old pony and after a lot of hard riding he got the horses almost to the pound when this old pony he was riding, stopped dead still, then broke in two and threw Bud as high as a kite. He got up scraped the cinders out of the top of his head, unsaddled the old pony and turned him loose on free grass; threw his spurs under a culvert; hung up his boots and saddle and resolved never to be a cowboy again.

Later he noticed the old boy was gone and so were the calves. He said he supposed the old boy got his calves some way, as he never heard any more about it. I never saw Bud in a bad humor, he has a good word for every one. He has hundreds of friends, grown-ups and kids alike. If everyone on earth lived as Bud Dobbins does, we could take all the shooting iron on Earth and dump them in the ocean, because we wouldn't ever have another war. He is perfectly satisfied with his job, he loves his work and he is contented.

Homer Fox Says: Did You Know..

Ran into Bud Dobbins the other day and got to nosing around into his private business, like I usually do and found out some pretty interesting things about the little euss. The main thing is, I am as big as he is. Bud Dobbins went to work for the City at the Pump station on July 3rd, 1930. Twenty years of continuous day and night service, and that is what you can call it, because he has slept right in the house with these pumps for the twenty years. When Bud first took over, he had one pump and it was down in the well 53 feet. He made that trip up and down the ladder a lot of times a day, and the pump at that time had to be pacted every night. In 1936 the City put down another well and this made it easier. Then another well in 1945 and the new well and tank on the north side. This new well is automatically controlled, but Bud

visits it at least twice a day to see that everything is okay. The other pumps are hand controlled at the plant. When Bud first started he had one well pump and three boosters, grape vines — and when you go inside, please notice the pumps and machinery; you won't find a spec of grease or dust on them. Bud keeps them about like you keep your silver ware at home. D. L. McDonald told Bud one day back in '35 when he visited him, that he kept his pumps like they should be kept and his was the only ones that he knew of that were kept that way, and D. L. McDonald knew his pumps if any man ever did. Bud had had a lot of experiences down there. For a long time he had a dread that his alarm clock wouldn't wake him up and his tank would go dry, so he fixed that up with his own invention. He rigged up a float and connected it with an electric bell that he also rigged up himself; and when the water got so low, the bell would start ringing and Mrs. Dobbins says that it really will wake anyone up. The minute the fire whistle blows, Bud turns his pumps on; if it is a small fire he can cut them off, if it is a large one, he is ready for them. The night the

place. Mrs. Dobbins started right to work on that place, inside and out, and you can drive by there today and you won't find any prettier spot any place; lawn, flowers, shrubs, cherry trees, grape vines — and when you go inside, please notice the pumps and machinery; you won't find a spec of grease or dust on them. Bud keeps them about like you keep your silver ware at home. D. L. Farmers Are Replanting After Last Weeks' Rain

By BOBBIE WALSER
 BRAND CORRESPONDENT

This community received rain and hail last Tuesday evening, June 20 about five o'clock. Damage was done to gardens and wheat and row crops. Several

farmers are having to replant their row crops. We received one inch of rain.

Earl Lance North of Summerfield was the first to bring a

load of wheat to the Summerfield elevator.

Mr. and Mrs. Luther Foust and Walter spent Sunday visiting in the Lee Curry home.

Mr. and Mrs. D. C. Walser, Gloria and Carol, Mr. and Mrs. C. R. Walser, Mr. and Mrs. Earl Lance and family, Rufe Dawson spent Thursday and Friday at Buffalo Lake.

Several farmers have finished cutting their wheat while others are just beginning.

Mr. and Mrs. Wayne Lee of Friona visited in the home of his parents, Mr. and Mrs. Carl Lee and family.

Mrs. Pat Morse and family of Ft. Worth who have been visiting Mrs. Morse's parents, Mr. and Mrs. Lee Curry, and her sister, Mrs. Guy Walser and family, returned home last Tuesday when Mr. Morse came after her.

Mrs. McMinn of Hereford spent a few days in the home of her son, Perry McMinn and his family.

Leaton Clark of Hereford spent one day last week with his grandparents, Mr. and Mrs. C. R. Walser.

Mr. and Mrs. Edgar Mosly spent Sunday visiting in the home of Earl Lance, Sr.

Jerry B. Noland attended the reading of the funnies in Amarillo at KGNC with her cousin. They both had birthdays this month.

Don Russell has returned from the Christian encampment at Ceta-Glen.

Mavis Henslee is visiting her father in East Texas.

Mr. and Mrs. Melvin Rainey were in Lubbock one day last week on business.

The Sunday School attendance Sunday morning was 64 with 40 attending B.T.U. Sunday night. Others attended the services.

Cub Leaders Outline Pack Activities For Next Three Months

Cub Scout leaders outlined plans for the next three months of cub-scout activities at the regular cub-leaders meet held in the home of Mr. and Mrs. Bruce Miller Monday night.

Themes for the three months period will be: July—Patriotism, August—Backyard Camping, and September—Round Up Time.

Plans for the next pack meeting were completed. The meeting will be held at the scout hut and cubs will have their families as guests. Each cub is requested to bring enough wieners and buns to the meeting for all those in his party. The rest of the costs will be furnished. Date for the wiener roast is Friday, July 7.

The next cub-leaders meeting is scheduled for July 24 at the home of Coy Patton.

Refreshments were served to: Mrs. Worth Covington, Mrs. Roland, Mr. and Mrs. Lloyd Sharp, Coy Patton, Mrs. Homer Brumley and the hosts.

Open House Scheduled At Parsonage Sunday

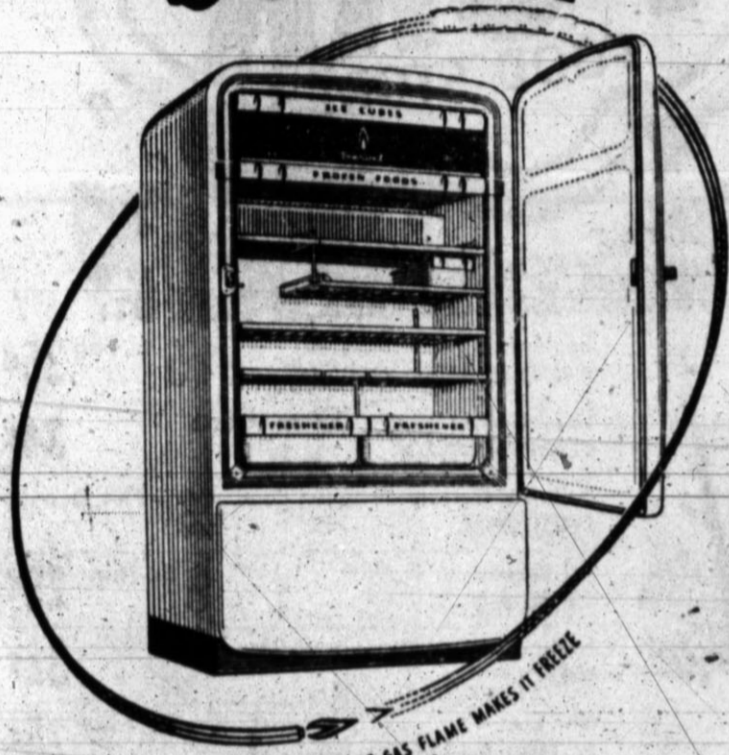

SUMMERFIELD. (Special)—Open House will be held Sunday afternoon July 2 from 3:00 to 8:00 at the new parsonage at Summerfield.

Rev. and Mrs. A. A. Simons wish the presence of those who wish to see the new home.

In showing the new parsonage, Rev. and Mrs. Simons will be assisted by Mesdames: Earl Lance, Guy Walser, J. M. Wright, Ky Lawrence, and Carl Lee.

Mrs. J. O. Baker and daughter, Wanda Jean, of Dallas are visiting with Mrs. Baker's parents, Mr. and Mrs. George Brumley. Mrs. Baker is the former Miss Goldie Brumley.

4-H State Representative Reports On Trip To Club

By MRS. A. L. CROSS
BRAND CORRESPONDENT

Our community was saddened by the death of another of our old timers, Isaac Storm, 93, who died in a Clovis hospital. J. J. Spurlin conducted the services which were held in the Methodist Church. Burial was in the Bellview Cemetery beside his wife who died five years ago.

Fallbearers were Loris Ford, Ray Ford, Roy Ford, Barney Blackburn, Henry Stovall and Weslie Brown.

Mr. Storm was a native of Illinois; he homesteaded on a farm north of Bellview 43 years ago.

He is survived by a son, E. P. Storm, and a daughter, Mrs. Florence Leird, both of Clovis.

Buffalo Lake accompanied by their parents, Mr. and Mrs. Jim Cross of Hereford, for a picnic and fishing. J. B. will stay with his grandparents for a two weeks' visit.

Mr. and Mrs. Glib Rucker have as their guests a nephew and two nieces from Quitaque.

The girls' 4-H Club entertained the 4-H Club boys with a wiener roast Saturday night at the Hollene Club House. Everyone reported a good time.

Arnold Cross is visiting this week with his grandparents in Hereford.

Freddie Chandler was taken Monday, June 26 to a Clovis hospital for an emergency operation.

Bellview Sunshine Club met Tuesday afternoon in the home of Mrs. Clinton Burnett. Mrs. Jeanne Lacey had charge of the 4-H demonstration. Roll-call was answered by "What I enjoy doing with my children."

This was the last meeting until August 16.

Refreshments were served at the close of the meeting.

Happy Home 4-H Club Meets At Albracht's

A meeting of the Happy Homes 4-H Club was held in the W. J. Albracht home with Gail Albracht presiding. The club prayer and pledge were said.

It was decided to camp out the night of July 19 at the N. G. Elliston home. The Draper and Mahaffey Clubs are being invited.

Grace Fotheringham and Doris Wilhelm made a report on their trip to College Station.

Gail Albracht gave a demonstration on "Setting the Table the Easy Way." Mrs. D. B. Robertson of the Garden Club demonstrated the arranging of flowers for the table.

Refreshments were served to members: Grace Fotheringham, Jo Eddy Scott, Karen Albracht, Martha Heard, Tevila Springer, Barbara Damron, Earnestine Garrison, Sue Springer, Jane Newsom, Doris Wilhelm, Gail Albracht and Mrs. Ira Ott, Mrs. Bob Fotheringham, Mrs. D. B. Robertson and Mrs. W. J. Albracht.

The next meeting is with Jo Eddy Scott on July 5.

Monday Party Honors Mrs. Charles Higgins

Mrs. Charles Higgins, former

Golfers Plan Fourth Of July Match Play Tournament

Ten O'Clock Sunday Is Entry Deadline
18 Hole Finals Will Be Held On 4th.

All entries for the first Hereford Fourth of July Golf Tournament must be submitted by 10 o'clock Sunday morning, July 2. Tournament committeeman Bill Davis and Wayne Phillips announced Thursday.

Contestants will be placed in flights according to their current handicaps instead of shooting a qualifying round. However all play will be on a straight scratch basis. The flights will be composed of 3 men each.

Entry fees are \$1.50, all of which will be awarded to first, second, third and consolation winners in each flight.

The tournament will start Sunday afternoon and end Tuesday afternoon. All matches up to the finals will be match play for nine holes. The finals in each flight will be 18 holes, match play.

The finals will start sometime between one and two o'clock Tuesday afternoon, July 4th. Championship and First flight finalists will play together and so forth.

Prizes will be distributed on a 5-3-2-2 value basis to the four winners in each flight with the two losing semi-finalists playing off for third place in each flight.

Matches can be played Sunday, Monday and Tuesday. But the finals must be played Tuesday afternoon—the committee emphasized.

Entry fees must be in by 10 o'clock Sunday morning so the tournament committee can post the pairings in time for matches Sunday afternoon.

Tom Howard burned off a small portion of the local links Sunday as he blazed around in just 79 strokes that coupled with his 17 handicap for a net 62 and number one in the ball sweepstakes.

However, he wasn't the only "warm" golfer of the day, discounting the weather, of course. J. M. Posey fired a flat 70 that gave him a 65 with his handicap and Wayne Phillips had a 78-14 for a 64. Other ball winners also netted under par.

These included Wendell Burdine 84-16, 68; Edward Roberson 77-8, 69; Joe Kerr 83-14, 69; and John Channer 79-10, 69.

Bill Davis lead the also rans with an 82-12, 70 followed by Urlin Streu and Bert Shackelford with even par 72's. Streu shot 78-6, 72 and Shackelford 92-20, 72.

Other scores included Ted Young 79-5, 74; O. F. Lange 89-12, 77; Stan Barrett 88-10, 78; Homer Lee Owen 88-15, 73; Will Graham 102-17, 85; Preach Edelson 84-9, 75 and Pat Kerr with 100-22, 78.

Seventy-three players played Sunday. By the way, Howard sank a 5 footer on the 18th hole for an eagle when he shot his 79.

A little bit of ladder play during the week found Urlin Streu moving up a notch to eighth when he beat John Channer and J. A. McWhorter got on the bottom rung of the ladder when he beat T. J. Clay.

Barbara Burney swept the field Ladies' Day, winning both the traveling bracelet and having the low net for the day. Miss Burney planted her flag on number 11 fairway, just about two strokes ahead of her nearest competitor.

She shot a 62, minus 32 stroke handicap for a 30.

The rest of the players left their flags as follows: Irene Conaway, 10 green; Marie Cogdell, 9 green; Irma Terry, 8 green; Mrs. D. B. Roberson, 9 green; Pauline Howard, 10 green; Eula Lee Cave, 10 feet off 10 green; Lucille Posey, 10th hole; Cora Jane Benson, 9th hole; Jean Streu, 10th hole.

The ladies will play for low score on the four par holes today.

Wrestling Season Ends With Championship Bout

Hereford Lions will treat local wrestling fans to a Southwestern States Junior Lightweight Championship fight Saturday night to close out the current wrestling season until next fall.

Frankie Murdock, champion at this time, will defend against young Tommy Martindale, Milwaukee fighter. Martindale almost upset Andy Tremaine last week in a non-title affair.

The Southwestern States title has been kicked around from wrestler to wrestler lately. Admittedly hard to hold for very long at a time, Wayne Martin took it from Dory Funk four months ago right here in Hereford. It was a battle fans will remember for some time to come. Frankie Murdock then grabbed it from Wayne Martin in Amarillo. Now, Martindale will try to take it away from Murdock. Frankie Murdock is from Waxahachie.

A good supporting program will be in store for the fans at the Bull Barn Saturday night. This will be the last wrestling for Hereford until the fall season opens in September.

Last Saturday night, Tommy Martindale beat Benny Truedell the best two out of three falls in the first half of the double main event. Truedell took the first fall in 15 minutes with a Double-Crab. Martindale took the next in five minutes with the same Double-Crab and took the last

Second Guessing

You have to hand it to Wayne Phillips and Bill Davis for coming up with a good tournament for the Fourth of July week end. They are somewhat handicapped now since Erb Jordan left town.

A two man committee can quite often end most matters stalemated. But Bill says they'll get along. Incidentally they are planning the City tournament for the Labor Day week end. All

of which is good since tournaments won't be dragging out over six weeks until interest has died by the time someone wins. Tourney prizes are on display at the clubhouse.

Joe Smith is "high" on his Junior Legion boys. He says they might even break through and win one or two from Lubbock. Dates for the series haven't been set, but it will probably be before July 8. He says they owe a lot of credit to base coaches Terry McRight and Bruce Bybee for the win over Perryton. These two boys are on their toes with a lot of chatter. A little more on golf. Jim Terry says Portales, Tucumcari and Clovis want the local club to come in as a fourth member. More will be said on this soon.

Channer Downs Young In Handicap Tourney

John Channer eased through nine holes Sunday to win the Hereford Handicap tournament from Ed Young 1 up. Channer held a 2-up lead at the end of nine holes Saturday, and managed to hold Young off to win the playoff between A and B flights.

Owen Jacks won Consolation in a flight from Wayne Phillips 1 up and Mutt Wheeler defeated Bill Dameron 3 and 2 in the B flight Consolation final.

Channer defeated Joe Kerr to win A flight and Young beat Martin Pavlitch 3 and 2 in the B flight final.

Long Time Ago

25 Years Ago
Deaf Smith County was to enter exhibits in five big fairs in the fall. J. B. Elliston, Secretary

of the Fair Association, had just mailed applications for reservations in the Amarillo, Wichita Falls, Lubbock, Abilene and Dallas fairs. He said the county would be entered in both the county and general agricultural exhibits.

Another big ranch in Deaf Smith County was doomed and the famous Hereford cattle that had ruled supreme for more than 15 years on the Williams ranch would have to give way to the cotton farmer. The Sherm Williams ranch, sixteen miles northwest of Hereford was to be surveyed immediately, cut up into 160 acre tracts and sold to homeseekers.

The next week the people of this community were to have the privilege of meeting and entertaining Hon. R. G. Lee, of Cisco, and Porter A. Whaley, of Stamford, president and secretary, respectively, of the West Texas Chamber of Commerce. They were expected to arrive here by automobile and the Hereford Chamber of Commerce had arranged to have the farmers and business men eat lunch with them at the Stockman's Cafe. Secretary T. D. Moss of the Chamber of Commerce was to be in charge of details.

More than a hundred farmers, business men and club members attended the formal opening of the Progressive community Canning House, which was the first of its kind ever to be

bull in Deaf Smith County. A number of business men gave short talks at the meeting after the splendid reports of the Boys and Girls Club had been given. This new project was expected to stimulate truck farming and fruit growing in this section. One hundred quarts could be handled at one time in the big pressure cooker that the Progressive club had installed.

Twelve hours of intensive training in life saving, participated in or watched by a total of 500 people was the record left by A. W. Cantrell, Red Cross Life Saving Specialist, aided by Ralph Barnett, chairman of the Deaf Smith County Chapter of the Red Cross, other local Red Cross officials and the Boy Scout troops. The three sessions of demonstrations and lessons in swimming and life saving were held at the Dairy swimming pool.

Every club boy or girl in Deaf Smith County who would buy a high grade pig would be given a dollar to apply on the purchase price. G. W. Brumley, hog buyer of Hereford, made this offer. In addition to this offer, the Hereford Chamber of Commerce offered a free trip to the Dallas fair in the fall to the club boy or girl that scored the highest number of points with the pig project.

Vega took the larger end of a 9 to 3 victory over the Dimmitt Jack Rabbits in the first game of a double bill, and Hereford took the night cap game over the Amarillo Legion team 6 to 3, due largely to the good pitching of Tate who worked the full nine innings for Hereford against the fast Amarillo team.
A big improvement in the ap-

pearance of the city's dump grounds, several miles east on the highway, was made. A force of men and wagons moved the cans and rubbish from the level land near the road and piled it back in the rear in the bottom of the draw, most of it being out of sight. A new fence was put around the enclosure, and a new entrance was being constructed north of the draw and on the western side of the tract of land.

Mr. and Mrs. Homer Crow and son, A. C., and Cecil Lookingbill of Tulla spent the week end in Summerfield in the J. L. Lookingbill home.

Bernard Roberson, Mr. and Mrs. J. A. Noland and family, Misses Ellen, Lorene and Gertrude Atchley, and Mr. and Mrs. Walter Hawkins attended the singing at Progressive and reported some splendid singing.

The Baptist revival meeting at Summerfield was to begin soon with Bro. Claybrook of Canyon as preacher and his singer, Bro. Powell, assisting.

Some railroad accident statistics which were revealed were: Seventy per cent of all crossing accidents occurred in daylight. Sixty-three per cent of all crossing accidents occurred in the

open country where there was no obstruction to the view. While about twenty-five per cent of drivers were careless; only about five per cent were grossly negligent; yet with 18 million automobiles then in the United States this represented 730,000 reckless motorists.

Mrs. Dennis Baker Has Program For Jolly Teens

The Jolly Teen Horizon Club had its regular meeting, Tuesday, June 20 at 7:00 p. m. at the Campfire Hut. The program was entitled "Finger Tips" from the Charm Course. This was brought by Mrs. Dennis Baker. Mrs. Don Smith gave the lesson and demonstration on manicures.

Those present were Janice Craig, Bobbie Jean Drury, Betty Culpepper, Marian Jo Urison, Margaret Phillips, Jane Houston, Neida Guy Lawrence, Glen-na Finley, Gerry Patterson, Nancy Patterson, Martha Heard, Cecilia Wilkins, and Marco Sumner.

Mr. and Mrs. Bob Lawrence left Friday morning for Abilene in response to word of the illness of his sister, a student at Hardin-Simmons University.

Personals

Visiting Mr. and Mrs. John Albracht last week were their daughters, Mrs. J. H. McGuire and children and Bernadette Albracht, all of Roswell. Also visiting the Albrights were M. J. Smit and his sister from McHenry, Illinois. They were old schoolmates and neighbors when the Albrights used to live in Nebraska.

Mrs. A. G. Kelly from Dallas came Saturday to visit the C. E. Williams family. Sunday they all went to Amherst, for a reunion of the Williams family. When they return, Ray Williams, son of Mr. and Mrs. C. E. Williams, will return with them. He has been in Amherst visiting relatives and friends.

Mrs. Howard Gault, Cameron Gault, and Mrs. Troy Moore took Gail Gault and Sue Barnard, daughter of Mr. and Mrs. Dennis Barnard to Shelley Camp in Colorado last Tuesday. Gail and Sue will be at this girls' camp for five weeks. Mrs. Gault, Cameron and Mrs. Moore spent some time in Denver and Colorado Springs on their way back. They arrived in Hereford Friday night.

Mr. and Mrs. Grady Parsons and Mrs. J. A. Pool returned Saturday from Louisville, Kentucky after attending the funeral of Richard Harold Parsons and son of his comrades.

AND OLD FRIEND

Passed Through Hereford

By JOHN SCOTT
Red came home Tuesday. After a vacation which lasted two years and which reportedly took him back to his old Oklahoma home, which he couldn't stand any longer, he trotted into his old headquarters at the Domino Hall the other morning and acted like he never left home.

He sidled up to Casey and Cox, his old pals, and said hello but he couldn't wait to make the rounds to say hello to everybody else. He was tickled pink to be back in Hereford—you can bet on it.

Red was born in 1940 in Oklahoma. He moved to Deaf Smith County, settling in Hereford in 1942. He became an important fixture at the Domino Hall like the three other dogs that hang around there now.

Lived on Rats
His chief diversion was making the rounds down across the creek every morning every day with another fixture named Burno. They used to go first to Packards, then to Pitmans, and finally to Frasers looking for rats. That is the way they lived by their wits and they liked it that way.

Once, Red, who is stout as an ox still, raised up a 75-pound grain door so Burno could get at

Jovous confidence and eager anticipation both shine in the eyes of 8-year-old Virginia Lee Brown, Berger, Texas, polio patient in the out-patient clinic of the Texas Scottish Rite Hospital for Crippled Children in Dallas. L. R. German, brace maker (left) has assured Virginia that she will soon walk again. Her father, T. A. Brown, (right) lends a helping hand in fitting the specially made braces. Many children, polio victims and others, get the best possible medical care and attention at the Scottish Rite Hospital. The charity hospital, now serving humanity for 27 consecutive years, is supported by contributions from kind-hearted Texans all over the state.

the rats underneath. That's fact, say Cox and Casey.

Burno used to get Red into a lot of trouble. Burno would rush any dog he happened to see and start a brawl. Red would be there, too, and most of the time Burno stepped back and let Red take over.

Red Was Rough
Red took a lot of bites and cuts on account of Burno but Red never seemed to care or at least it didn't seem to change their comradeship and Red never lost.

But once, Red tried a little different angle. Red and Burno were strolling along near the Domino Hall one morning and Red spied a pretty rough looking character. Red stepped into the strange new-comer dog and started the brawl. Burno was surprised no end. But he stood firm and would watch the fight. Then Red simply quit when he got the stranger mad enough to chew nails and let Burno take over.

They had to treat Burno for three days after that to get him where he could eat. He was

through after that and never made Red the fall guy again.

Had Character
Red used to wrap his short legs and barrel-like body around up into a mop and snooze at the feet of people he liked. He had character, they say down at the Domino Hall. They missed him when he left two years ago last February and had just about given him up. But they hadn't forgotten him.

Then he came home again last Tuesday.

He left again Wednesday, being seen last going west on North First Street for the last time. Burno is lonesome again.

Maybe he's gone to say hello to some special friend before he gets back into the old rut.

Those attending the Texico Junior Camp from the Hereford Seventh-Day Adventist Church were Wayne and Evelyn Elliston, Betty Ann Deiter, Betty Jane Fortner, Betty Mae Grimes, Sharon Laraine and Wayne Nickie Chatfield from Crowell, and Patsy Hyde.

ATTENDS ROTC CAMP

Cadet Lloyd H. Manjeot, who resides at Box 396, Hereford, Texas and is a student at Texas College of A&M, arrived this week end to attend the ROTC Summer Camp at Fort Lee, Virginia.

Cadet Manjeot joined 735 cadets from 32 colleges and is currently undergoing six weeks of officers training. His leadership ability will be developed and he will be schooled in the fundamentals of the Quartermaster Corps.

Upon graduation from the Texas College of A&M, Cadet Manjeot will be eligible for a commission as 2nd Lieutenant in the Officers Reserve Corps and for consideration for a Regular Army Commission in the Quartermaster Corps.

SHE IS SO RIGHT

WACO, Texas—The atmosphere was tense as a Summer term education class started at Baylor University. Almost without exception the students were school teachers back in college for refresher courses. An examination was coming up.

Said one middle-aged teacher: "I surely dread this exam. I give them to my kids all the time but haven't taken one myself 30 years." Then she added: "Truly it is more blessed to give than to receive."

FAMILY REUNION

A family reunion was held in the T. C. Covington home Sunday honoring Mr. and Mrs. Robert Ray Dorsey and Frankie Jean of Fullerton, California. After a huge dinner the afternoon was spent in playing canasta, remembering old times, taking pictures and singing.

Elect W. O. REED YOUR LIEUT. GOVERNOR

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.

W. O. REED believes our state government, like a family, should live within its income.

the rats underneath. That's fact, say Cox and Casey. Burno used to get Red into a lot of trouble. Burno would rush any dog he happened to see and start a brawl. Red would be there, too, and most of the time Burno stepped back and let Red take over. Red Was Rough Red took a lot of bites and cuts on account of Burno but Red never seemed to care or at least it didn't seem to change their comradeship and Red never lost. But once, Red tried a little different angle. Red and Burno were strolling along near the Domino Hall one morning and Red spied a pretty rough looking character. Red stepped into the strange new-comer dog and started the brawl. Burno was surprised no end. But he stood firm and would watch the fight. Then Red simply quit when he got the stranger mad enough to chew nails and let Burno take over. They had to treat Burno for three days after that to get him where he could eat. He was through after that and never made Red the fall guy again. Had Character Red used to wrap his short legs and barrel-like body around up into a mop and snooze at the feet of people he liked. He had character, they say down at the Domino Hall. They missed him when he left two years ago last February and had just about given him up. But they hadn't forgotten him. Then he came home again last Tuesday. He left again Wednesday, being seen last going west on North First Street for the last time. Burno is lonesome again. Maybe he's gone to say hello to some special friend before he gets back into the old rut. Those attending the Texico Junior Camp from the Hereford Seventh-Day Adventist Church were Wayne and Evelyn Elliston, Betty Ann Deiter, Betty Jane Fortner, Betty Mae Grimes, Sharon Laraine and Wayne Nickie Chatfield from Crowell, and Patsy Hyde.

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ... YES!

Union leaders' answer to Board is .. NO!

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR or \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "NO!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A. M. local time Sunday, June 25, 1950, are:

- Chicago Great Western Railway Company
- Chicago, Rock Island & Pacific Railroad Company
- The Denver & Rio Grande Western Railroad Company
- Great Northern Railway Company

THE FAMED LIBERTY BELL replica draws together Chairman Fred F. Florence of the Texas Advertising Committee, U. S. Independence Savings Bond campaign (in dark suit with hand on bell on the right), and editorial and advertising executives of Texas newspapers, radio networks and outdoor advertising firms at a conference in Dallas to perfect plans for an intensive statewide program to push bond purchases. Chairman Florence, who is president of the Republic National Bank of Dallas and a business leader of the Southwest, emphasizes that "the savings bond campaign transcends politics and is a program in which patriotic citizens can work shoulder to shoulder, not only for personal financial independence, but for the preservation of our national freedom as well." Above, left to right, are: Martin Campbell, general manager of Radio Station WFAA at Dallas and an executive of the Texas Quality Network; W. A. Gibson, Jr., Fort Worth, president, Outdoor Advertising Committee of Texas; Mr. Florence, and Louis Goldberg, business manager of the American-Statesman, newspapers of Austin.

Mr. and Mrs. Everett McIntosh of Hereford called on the Boyd Scivalley Tuesday night.

Mr. and Mrs. Boyd Scivalley, children, and Mrs. E. A. Yandell and son, Cody, visited Wilson Yandell on the Jack Dean farm Thursday night.

Scouting Around

Attending Camp Don Harrington, a Boy Scout camp located between Amarillo and Canyon, June 11-17, were five boys from Hereford: Robert Lamm, Bob Vinton and Jimmy Sears from Troop 50, and Robert Davis and Bobbie Viegel from Troop 51. They were accompanied by Mr. Bill Phillips, Boy Scout neighborhood commissioner.

A total of 28 boys from 12 different troops were there from Dalhart, Amarillo, Canyon, and Hereford. The camp was under the direction of Harry DeLashmunt, council field executive, with Bill Phillips acting as camp scout master.

The main activities of the camp in addition to the regular scout skills were swimming, rifle range, archery, and handicraft.

The highlight of the entire camp was the Indian ceremonial campfire Friday night as performed by some of the boys and leaders. The five boys from Hereford with three from Troop 12 of Amarillo formed the Flying Eagle Patrol and won first prize for their stunt at campfire.

This is the first year that Camp Don Harrington has been open, but this council camp will be an annual affair from now on. The camp grounds are available for troop camping throughout the year.

Cub Round Table

Cub Scout leaders round table meeting will be held Monday evening at 8 o'clock in the home of Mr. and Mrs. Bruce Miller. All cub leaders are urged to attend the meeting which is being held to make plans for the next three months cub work.

SOUNDS LIKE A GOOD IDEA
WACO, Texas — A sampler of public opinion asked a Baylor University student if he favored a bill before the United States Congress to continue the draft. "It's a good deal," replied the student, "except for the fact I'm not getting any of it." The opinion seeker thought there must be some misunderstanding, so he repeated the question. "Oh," corrected the student. "I thought you said the 'graft.'"

New Methodist Pastor Preaches Twice Sunday

Thunderstorms, accompanied by rain, hail and high winds, caused considerable damage in this community last Sunday evening about 8 o'clock. Rain in most places measured 1.5 to 2 inches. Wind blew the tin roof off the hay barn on Alton Fraser's place, blew down a tin barn on Mark Benefield's farm and at the Pat Ranspot place, blew down corrals, a cow barn, blew the well house around and blew the well motor out of place. Feed was damaged to some extent by the hail, and feed crops which had just been planted will have to be replanted.

The Women's Missionary Society met Wednesday in the home of Mrs. Joe Landers. A covered dish luncheon was held at 1 o'clock.

Mrs. Roy Lee Wilson opened the meeting with prayer. All members contributed something

Mrs. Billy Jackson, Marilyn, Carolyn, and Diane, and Adair Melton.

The Intermediate Class, with their teacher, Bernie Northcutt, enjoyed an outing to Palo Duro Canyon last Saturday afternoon. Among those who went were Larry and Walter Kaul, Clarence Eawood, Franklin and Francis, Mary Kathryn Boyd, Woodrow and Jimmy Northcutt, Eugene and Billy Don Combs, Daviene Farmer, Patsy Townsend, Raymond and Ralph Morrison, G. C. Merritt.

Mr. and Mrs. Kenneth Rudd and Mr. and Mrs. Harold Rudd were hosts at a Father's Day dinner at the Kenneth Rudd home last Sunday honoring Paul Rudd and J. B. Little. Guests other than the hosts and the honor guests were Mr. and Mrs. Carl Griffin, and Mr. and Mrs. Spears of Amarillo, and Mrs. Paul Rudd and Homer.

Mr. and Mrs. Elmer Combs and sons Eugene and Billy Doh are spending Sunday in the home of Mr. and Mrs. W. E. Combs at Plainview.

Mr. and Mrs. Moody Smith of Plainview and Lubbock were guests Saturday night and Sunday in the Merlin Kaul home. Eric Smith filled his preaching appointment here Sunday morning. There was no service Sunday night because of the storm. Moody is working this summer at the Air Base at Lubbock and Mrs. Smith is staying at present with her parents near Lubbock.

Takes it easy all the time!

Make no mistake! Although most cars use the Fluid Drive principle that Chrysler first introduced 12 years ago—there's an all-important difference in automatic gear shifting today! Chrysler and only Chrysler gives you full control of your car. While others shift you up and down—even when you don't want to shift—Chrysler's simple, cool-running transmission takes its orders from you. Even at 12 miles an hour, in slow moving traffic, you're in high while others shift down to lower gears. How much quieter your engine runs! How much more smoothly! What a difference in high-gear economy! Come see what Fluid Drive does for you! Examine Chrysler workmanship... compare the quality of materials... discover the benefits of Chrysler engineering! You'll find built-in value all the way through that has no equal! Extra money's worth, we're sure, that will make you a Chrysler buyer for life!

THE NEW YORKER 4-DOOR SEDAN

See it—drive it... there's built-in value all the way through!

Advantages of Chrysler's Fluid Drive

Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

Advantages of Chrysler's High Compression Spitfire Engine!

Waterproof Ignition—prevents stalling in rain or high water! Lubricated Cylinder Walls—chemical protection for increased life. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seal Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean!

Chrysler's Advantages in Comfort and Safety

Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cyclostyled linings for double the wear. Electrically Operated Windshield Wiper—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds.

Fellowships Help Authors Get Over Hard Spots Today

By CORINNE JENNINGS

Present day authors are more fortunate in some respects than those in the past in that various fellowship awards are given to those showing talent, if they are lucky enough to get the attention of those granting them. This allows the would-be authors to attend classes in which to study and write with supervision without fear of starving while they write "the great American novel."

Max Steele, who wrote the recent Red Book Award winner, "Debby" did so on the Eugene F. Saxton Memorial Trust Fellowship Award. He was privileged to be in a class under Professor Hudson Strode who takes a limited number of students for training.

Another student in the same class, Alice Fellows, wrote "Laurel" which was also published, though it did not win the coveted \$10,000 award as her classmate did.

The critics are enthusiastic about young Steele's book, which is well written, but so unusual in theme that one wonders why or how a 26-year-old young man would choose the subject which he has chosen.

Briefly, the novel tells of a heroine that you will never forget. Her adopted family call her "Little Old Debby." By fortune or misfortune, the reader must decide which, she could never grow old but was locked away in a child's world of thought, reasoning and action. The Merrill children, at one time or another thought her the most perfect and delightful of companions and they all loved her.

A thread of humor, tenderness and magic as well as mystery runs through the whole story. There is compassion too, that blends the world of reality and the world of Debby's fancy.

In awarding the prize for 1950 the judges said of the story, "It is a beautiful book."

Readers of the book in Dear Smith County Library have reacted to it in different manners, with their own ideas as to its worth and appeal.

Mrs. Lindel Murray said, "I liked the book and felt sorry for Debby." Mrs. Wally Boston said she thought it was very good and that she liked it.

Mrs. Glenn Ford said of it, "I did not like it much but I could not quit reading it until I had finished it."

Mrs. Paul Mathers, "I did not like it, so did not finish it, too depressing." And Miss Donna Jean Stagner, "I did not like it because I just don't care for that type of book nor care for the subject of the story."

One man checked it out and brought it back unread but after reading the reviews, rechecked it for another try but was not

especially interested in it. Two other women returned it unfinished saying that it was too tedious and slow and did not consider the effort worthwhile as they did not enjoy it. A third one said it had a charm and interest, but not sufficient to cause her to read it as a whole but merely scanned it.

West Hereford HD Club Meets In Flowers Home

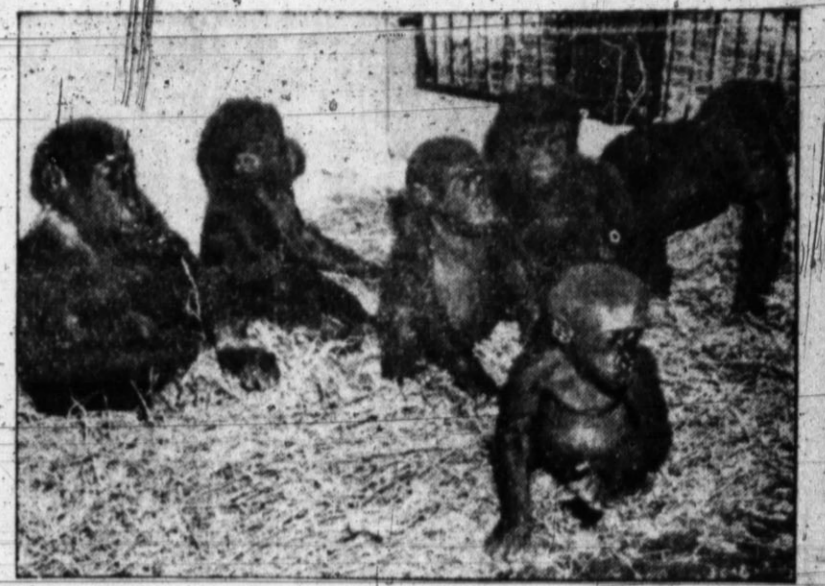

West Hereford Home Demonstration Club featured a guest-day luncheon at the home of Mrs. Jack Flowers Tuesday. Each member wore a corsage she had made following instructions at an earlier meeting.

After the luncheon plans for summer activities were discussed and Mrs. Elton Brooks directed the recreational hour. Members attending were Mesdames: Ulys Pierce, John Jacobson, Carlos Vaughn, Ed Cox, Elton Brooks, A. L. Thomas, How-

FRIO NEWS

Several Attend Friona Workers Conference

By MRS. OWEN ANDREWS
BRAND CORRESPONDENT

Mr. and Mrs. H. E. Lindley and Rev. Steve Greenwood went to Wellington Monday to attend funeral services for the father-in-law of Mr. Lindley's brother, Rev. Greenwood brought the Lindleys home after they had supper at the Greenwood home. Allanred and returned to his home on Tuesday.

Mrs. Warren Lowe is staying with the Sam Lindleys this week taking care of Mrs. Lindley and her new son.

Mr. and Mrs. Robert Simpson and Nellie Jo are vacationing in South Dakota this week. They expect to be home Sunday.

Rev. and Mrs. R. L. Shannon went to Lubbock Wednesday to take their son, Lee Roy, back. He is working there this summer.

Those from the Frio Baptist Church who attended the Workers' Conference at Friona, on Thursday, were: Rev. and Mrs. R. L. Shannon, Mesdames: Bill Dickson, W. C. Lowery and Owen Andrews, Misses Verdelle Andrews and Frances Andrews. Dale Dickson accompanied them to Friona and visited in the home of his aunt, Mrs. Bill McReynolds.

Henry Andrews and Owen Andrews were at Clovis on Thursday with some cattle, which they sold at the Clovis Cattle Commission Co. Henry Dobbs had some cattle in the load also. Dobbs was at home nursing a sprained ankle, which he received Wednesday when crossing a fence. Although it was thought, at first that the ankle might be broken, an X-ray proved it was only a sprain. However, the swollen condition was pretty uncomfortable for Henry.

It is reported that David Honza received a broken leg on Monday while helping combine their wheat on a farm near Clovis. He was treated at Clovis and is reported to be doing all right.

Monte Gripp attended a birthday party for Judy Summers at her home in Hereford Thursday afternoon. She was two years old. Monte was accompanied by his mother, Mrs. Glean Gripp.

Mr. and Mrs. Bill Starry, sons and Gladys, and Oma Ruth Thompson went to Oklahoma City the first of the week to see their sisters, Mrs. Florene Gregg and Mrs. Pauline Snow. They expected to return Thursday.

Mr. and Mrs. Oscar Hunt returned Tuesday from their trip to Kansas City where they had been visiting Mrs. Hunt's parents. They found them fairly well, and report a smooth and uneventful trip home.

The potato harvest is beginning in this community, with the crops of Walter Hodges and Otto Olson. Olson began Monday and Hodges expected to start in a day or so. Olson was digging some very nice potatoes, large sized roots, and there were a lot of sacks standing in the rows as the Latin American laborers picked them up, sacked, and hauled them to the processing shed at Hereford. Other potato farmers will be digging, too, within a few days. The potato harvest works with almost the urgency that belongs to the wheat harvest on the Plains, with laborers working early and late—not, however, during the heat of the day, because of the risk of scalding the potatoes. Some of the laborers will move into the community wherever housing is available, as the harvest gets into full swing, about the first of July.

Mr. and Mrs. Glenn and fami-

ly had as guests Friday, his two sisters, Mrs. J. E. Neely, Lamesa, and Mrs. B. F. Hooker, Long Beach, California, and his mother, Mrs. R. D. Glenn, also of Lamesa.

Tommy and Veima Irwin spent last week with the Luther Howllys at Tulla, helping them with their work while the family was sick with the mumps.

Mrs. Frank Robbins and Carol spent Wednesday with her parents, the Moremans, who live four miles east of Hereford. The Moremans moved to their present location about two months ago.

Mr. and Mrs. Lee Little of Hereford, were Friday evening dinner guests in the home of Mr. and Mrs. Oscar Hunt.

Ronnie Joe and Jimmie, sons of Mr. and Mrs. R. J. Collier of Tahoka, are spending part of the summer with their aunt, Mrs. Luther Ellis and Mr. Ellis. The Colliers were visiting the Ellises Sunday a week ago, and left the boys for their visit.

A baptizing service of the Frio Baptist Church was held Sunday, at the First Baptist Church in Hereford. Misses Essie White and Wanda Hill were baptized by the pastor, Rev. Shannon.

There were 112 counted in Sunday School at Frio Sunday, with several others arriving after the Sunday School hour.

Mr. and Mrs. E. H. Little and Peggy spent Friday night with his mother, Mrs. E. H. Little, Sr., in Hereford.

Miss Lyla Robbins who is attending summer school at WTSC, was home for the week end. Her young sister, Glenda, will spend this week with Lyla at Canyon.

Misses Betty Brown and La Nelle Mobley accompanied a group of young people from Dimmit to Dumas, Sunday, to visit a friend and former classmate, Jimmy Singer, who is in business there.

Mrs. John Simpson has her uncle, H. L. Folk of Pampa, visiting in her home.

The H. E. Lindleys visited Sunday in the home of their daughter, Mrs. Jack Shirley and with Mrs. Lindley's parents, the Greens.

On Wednesday night Mr. and Mrs. Lee Renfro and children, Mr. and Mrs. Raymond Mobley, Mrs. H. M. Mobley and family and Kent, took home made ice cream to the Charlie Calloway home in Hereford, for an ice cream supper.

Visiting in the H. O. Markley home this week is a niece, Mrs. Jo Hughes, of Fluvanna, Texas. Little Miss Jana Cole was honoree at her second birthday party at the home of her parents on Friday night. Guests were the grandparents, Mrs. H. M. Mobley and Mrs. Earl Cole. Mr. and Mrs. Raymond Mobley and Kent, Austin Mobley, Don and LaNelle Mobley, all of whom enjoyed home made ice cream—the old-fashioned kind.

Mrs. H. M. Mobley, LaNelle and Don Mobley, went to Floydada upon receiving news of the death of a friend, there. They returned with Mrs. Mobley's sister, Mrs. Paul Price, to Plainview to see a daughter of Mrs. Price, who was hospitalized there. They also visited Mr. and Mrs. Bob Knox at Lockney. The Knoxes are former residents of this community.

Wyndell and Miss Shirley Markley went to Plainview Sunday to visit a cousin.

Ronnie, young son of Mr. and Mrs. W. H. Andrews, underwent a tonsillectomy Tuesday at the Lingenfelter clinic in Hereford.

EASTER IS OVER—But hats remain paramount on the list for a woman's wardrobe. This off-the-face-model fresh from Paris shows what's popular along the banks of the Seine this summer.

Guests in the D. F. Mathis home over the week end were Mr. and Mrs. Charles Engel of St. Louis, Mo., Mrs. T. D. Baldwin and son, Larry of El Paso, and Mr. and Mrs. E. H. Mosteller and daughter, Jess Finley of Adrian. Mrs. Engel is a cousin of Mrs. Mathis', Mrs. Baldwin's and Mrs. Mosteller's. The Engels are enroute to California where they will visit other relatives.

T. L. Sparkman, Jr. lost one of his best cows on Tuesday of last week when the animal was killed by a bolt of lightning on the Sparkman place, three miles south of Dawn.

MARINE AIR RESERVE MOBILIZATION * 1950

41 U. S. MARINE AIR RESERVE SQUADRONS, based at 25 U. S. Naval Air Stations throughout the nation, are poised to make the two largest coast-to-coast mass air movements ever planned for American reserve air fighter units in peacetime. 21 Western squadrons will leave home stations (black arrows) simultaneously, July 25th, 1950, for maneuvers lasting to July 22nd at Cherry Point, N. C. 20 squadrons at bases east of the Mississippi (white arrows) will leave simultaneously August 5th, 1950, for maneuvers lasting to August 19th at El Toro (Santa Ana), California. Fast moving Marine mobile radar equipment will be set up in radar networks in the field to direct interception of "attacking" planes.

At every turn you hear talk regarding the possibility of war. It is sad to realize how familiar are some of the discussions, but sadder still is the occasion when you stop and analyze a certain lack of familiarity. The same boys who were anxious to get into the fray last time are still making the same jests and wisecracks—but there is a difference. There is perhaps a twinge of remorse and anxiety expressed in the tone of voice. Many of these boys, in fact most of them, are still in the reserve corps. Most of them have wives now, and many of them have children. Responsibility has crowded out the old attitude of carefree abandon. For many of these fellows it was a tough job to cast aside their rifles and take up a pencil or a shovel or a plow.

They succeeded, however, and in their hands today rests the operation of the country as civilians. Hearing these boys talk puts a new angle on things. When they speak, America speaks—and justly so.

Most of the boys you hear do not want to fight at all—but they are level headed. They will tell you that now is a better time

Notice to all Home Demonstration Club and Girls 4-H Clubs: There will be a special show at the Texas Theatre Tuesday, July 12, at 3:00 p. m., and you are invited as special guests of The Star Theatre and The Hereford Brand. This deal has been cooking for more than a year, but we could never get a real, top-notch film released. We really have a good one coming up, and will give you more details later. Mrs. Tom Draper will also release this information through her regular notices. Plan now to attend. The title is "The Skipper Surprises His Wife." It's a story about a navy officer who put military efficiency into the household. Needless to say, he had a few troubles. We think you will like it and hope that every single club member can come. Also, you can bring the children, if they are under 12. However, we figure you should let the old man take care of the kids and just simply take the afternoon off and relax.

Plan to do just this if you possibly can. Keeping the kids for an afternoon will wake your husband up—and it will make him appreciate you more. Let him keep the kids all afternoon and maybe you can even talk him into fixing supper, provided he has never been sucked under on this deal before. He sure will have a lot more respect for you. I absolutely guarantee this. Too many husbands take their wives for granted and forget all of the things a woman has to do around the house. If the men had to work just half as hard as the women, they would scream their heads off.

Anyway, we sure hope that you can make the show, and we do think that you will enjoy it.

There is a big movement on foot to throw a gigantic celebration shortly after Harrison Highway opens. They had a meeting here Tuesday to talk things over and decided to go all the way. A committee will go out and talk with the people along the road and find out what kind of entertainment is best suited. They will also set a date. They hope to get the governors of Texas and New Mexico out to cut the tape, but that is a big order. Anyway, things will be popping, probably around August 15 to September 1.

Understand Jack Knox is putting in a men's store in Friona. Jack has been wanting in the gent's furnishing business for a long time. They have rented the old bank building in Friona and will probably open within 30 days or so.

You can look for a lot more pictures in your Brand within a few more weeks. We are signing up for a new plate making machine which will help to reduce the cost of making picture plates. We have to rent the machine as they will not sell it outright. It works along the same idea as wire photos, using an electric eye which reproduces pictures on plastic. It is quite expensive in monthly costs, but will enable us to offer more pictures—faster. Pampa, Waco, Perryton, and both Amarillo papers are using the device with success. We believe it will be a tremendous help in publishing a better newspaper for Hereford. Everyone around The Brand office is in a dither over the new engraver and we all believe it will go a long way toward bringing you a better newspaper each week. Anyway, you will see more pictures than you ever saw before in The Brand, beginning around the middle of July, we hope.

Mr. and Mrs. Edgar Skypala and children visited relatives in Midland recently.

We Will Be Closed July 4th.

Heiselman Club Tours Amarillo

The Heiselman Home Demonstration Club met at Ellwood Park in Amarillo at 10:00 a. m. last Thursday for a tour of some places of interest.

The first place the group visited was the jail. They were shown through the entire jail; they saw the records and learned that a complete record is kept of every inmate.

The next stop of the tour was radio station KGNC where they were guests of Johnny Linn and Bernie Howell at their 11:45 broadcast. Several of the club members made requests which were played on the program.

Following the broadcast, all went to the park where they enjoyed a picnic lunch.

Another place of interest was the Globe News office where the women witnessed the production of a daily paper.

The fifth stop of the tour was the Mead's Bakery where they

were shown the complete process of making bread. When they were ready to leave, each member was presented with a loaf of bread.

The last stop of the day was the Presbyterian Children's Home. There 39 children are now housed in a completely new home. There are three cottages and a large auditorium. The buildings are red brick.

Club members making this tour were Mesdames: Walker Lemke, V. E. Lemke, Leonard Erwin, Henry Kinsley, Cruse Richardson, Oscar Bronnman, and R. E. Caldwell. They took as visitors on this tour the 4-H Club girls.

The club will have no more meetings until September.

name he may have either his given name or surname or both changed to another of his choice by making application to the District Court in the county of his residence. The Court will then have a hearing on the application, and if satisfied that it will be to the best interest of the individual to change his name, and that no one will be defamed because of such change in name, the Court may then enter an order changing the name.

In divorce cases, the Court may restore to the wife her maiden name, or give to either party such other name as they might request.

Hot Rod Racing Has Debut Before Large Crowd Sun.

Junk Car "Hot Rods" made their debut Sunday at the Hereford track before 400 thrilled fans who gasped during the intermission when Bill Brownlow deliberately and coolly wrecked a 1938 Chevrolet by turning it over—just as an extra added attraction.

It was Littlefield day at the races because almost everything in the races came from that city. Bill Stewart, Hereford, managed to finish first in one race to become the only Hereford prize winner. But next Sunday, Gene Brownlow says, it will be a different story because Hereford cars entered will total five. There will also be six cars from Amarillo, and seven entries from Littlefield.

Next Sunday, like last Sunday, 40 per cent of the gate will be divided between the race winners to make the race interesting as well as profitable. Square Deal Auto Company will again sponsor the 6-lap Trophy Race. And

Gene Brownlow said Tuesday his brother, Bill, will again try to thrill fans by driving his car through a wall of flame.

Bill Thompson, driving Number 7, last Sunday won the Main Event 20-lap race. M. C. Hixon in number 66, Kenneth Dixon, number 87 and Fat Jenkins, in his B-24, rounded out the first four to finish. Fat Jenkins in his B-24 won the consolation races with Clarence Carpenter and Floyd Coffee close behind. All racers came in from Littlefield.

The 10-lap first heat was won by M. C. Hixon and Bill Thompson and Royce Mixon finished second and third.

Mixon, incidentally, set a track record in time trials with 23.8 seconds over the quarter-mile course.

The second heat of 10 laps was won by Stewart followed by Clarence Carpenter and Floyd Coffee.

State Runs Into Problem Of Just Who Gets To Do What?

MINERAL WELLS, Tex. (AP)—Can the state of Texas build three dams on the Brazos River without Uncle Sam's permission? Uncle Sam is expected to say it can't. Texas says it doesn't need Uncle Sam's nod—and further that federal "permission" would carry with it a threat that the federal government could take over the dams, without payment.

The Brazos River Conservation and Reclamation District wants to build the dams and power houses at Turkey Creek, Inspiration Point and DeCordova Bend. The district is an agency of the state. The sites are between Possum Kingdom Lake and Uncle Sam's big Whitney Dam.

The Federal Power Commission will hold a hearing in Washington June 28 on whether the district needs an FPC permit. But district directors say they already have been informally advised the FPC will hold such a permit is needed.

Texas Attorney General Price Daniel has advised the district it cannot obtain such a license, because the license would jeopardize the state's property and income.

Directors of the district, at a recent meeting here, expressed agreement with the stand taken by Daniel.

The \$26,000,000 (m) three-dam project would be financed through issuance of revenue bonds—bonds issued on the strength of revenue to be obtained through sale of power. No state or federal money is involved.

No federal land is involved. The power generated will not be sold outside Texas.

"Although ready for six months to proceed, the district has been unable to commence construction of the three dams because of the necessity of complying with the federal power act," the directors said in a resolution.

The act requires that any state or state agency file a declaration of intent with the FPC before building a dam at which hydro-electric power will be developed. The FPC then rules whether interests of interstate commerce are affected.

Directors say they have been advised the FPC will rule the three dams affect interstate commerce "because the construction and operation of the three new dams will affect the

navigable capacity of the river."

"Obviously this means as to these projects the government would have the right to take absolute ownership without any payment whatever because district's investment by that time will have been fully amortized through application of depreciation and other accumulated reserves. On the other hand hydro projects properly maintained with wearing parts replaced endure indefinitely. So the government will be taking over projects having net return of \$1,250,000 per year. Since there is a provision in the law under which the Brazos District is operating that all of its net profits, after payment of construction costs and operating expenses, belongs to the State of Texas and must be placed in the Treasury of the State to the credit of the State's General Revenue Fund, the Attorney General of the State had advised the District that it has no legal authority to jeopardize the State's property and income by accepting a license from the Federal Power Commission."

That's where it stands now. The district sent copies of its resolution to the governor, attorney general, Texas members of congress and heads of the senate and house of the Texas legislature. The district says it wants them—and the people of Texas—to know about the impasse which has stopped the projects. It also wants Texas congressmen to do all they can to get an FPC ruling that the dams would not affect interstate commerce.

Church Has First Social Of Summer Friday Night

By MRS. E. H. MOSTELLER
BRAND CORRESPONDENT

There was considerable damage from lightning and rain in the community last week. Sunday night, June 18, the north part of Eridwell Ranch was

struck by lightning. Wednesday night the pasture near Ernest Oldham's house was struck by lightning. Horace Betts, foreman of the ranch, called both times to Adrian by phone for help; but by the time help could get there,

rain had extinguished the flames. The rain measurement there Wednesday night was between four and five inches. Adrian received rain Tuesday afternoon and night. In town the measurement was only 3/4 of an inch but one mile north of what is now Baptist Foundation land, there was a four inch rain. It ruined the gardens, washed out the road and carried the tubing used in the construction of the road down the draw. At this same time E. K. Pinnell and Hardy Harris reported 1.30 inches on their farms about 15 miles south and west of Adrian.

The Youth Club, which is being sponsored by the Adrian P.T.A., made their third trip last Wednesday to the Youth Center in Amarillo. For this trip there was an increase of about sixteen children over the last trip. The total was 34 children. Also an increase at parents took the children.

The club will again go to the Youth Center July 5. There is a change in time set for leaving. Instead of leaving at 1:30, they will leave promptly at 2:30 from the regular meeting place.

Mrs. E. H. Mosteller attended to business in Vega Friday and also visited Mrs. E. M. Fancoast and her new baby boy.

The Adrian Baptist Church had their first social of the summer Friday night on the lawn of the church. Games of badminton and croquet were enjoyed by the older group while the small children enjoyed games for their age group. This social was for the Baptist Training Union which takes in the entire membership. It will be a monthly affair through the summer. There was an estimate of \$60 present for the first social. The ladies of the church served homemade ice cream and cake. Everyone reported a most enjoyable time.

Guests of Mrs. Walter Lemke and Maxine Stoneman Saturday were Mrs. Lemke's son, Mr. and Mrs. John Stoneman and daughter, Linda of Wellington.

Mrs. Horace Betts and children left Friday to visit relatives in Wichita Falls for a few days.

Mrs. J. C. Stockton and her brother left Thursday to visit their father in Greenville. The father has not recovered from a stroke he had sometime ago and is now also suffering with kidney trouble.

Mrs. Henry Eason was not able to accompany Rev. Eason in church last Sunday since she had the mumps.

Mrs. Hardy Harris and Mrs. W. H. James, Jr. went to Amarillo Thursday. They met J. W. and Mildred Harris who had been visiting an aunt in Shamrock.

Visitors in Palo Duro Canyon Sunday were Mr. and Mrs. D. F. Mathis, Mrs. T. D. Baldwin, Mr.

Gilbert Johnson and Doak Walker will be reunited in pro football next season and it will be interesting to see if the combination enjoys the success it did in college.

Johnson skipped his last year of Southern Methodist to turn professional. He was no ball of fire last year in the money league.

Philadelphia handed Johnson outright to Detroit, a club that wanted him. That's the club Walker reportedly received \$60,000 from for signing a three year contract.

Johnson, of course, was a sensational college passer. And Walker, the three-time All-America back at SMU, was on the receiving end of many of his spectacular passes.

Next season he'll have Walker as a target and also Leon Hart, Notre Dame's great end and sometime fullback.

Detroit has been trying to line up a team that will go places in pro ball and this season the Lions may have it. At least they have a flock of players that were stars in college. But, as has been proven, this doesn't mean too much in pro football.

Whether Johnson and Walker ever gain any fame as pros makes little difference on past performances. Both became legends at Southern Methodist University. Arkansas and Texas Christian University will never forget Johnson's performances in 1948.

That was the year his last second pass snatched victory from Arkansas and it was his passing that powered SMU on a length of the field drive that netted a 7-7 tie with Texas Christian and a second South-west Conference championship.

There's no need to mention the feats of Walker. As a matter of fact there are many coaches,

and Mrs. Charles Engel, Jean Finley, Barbara Pinnell, Mr. and Mrs. E. H. Mosteller and Mr. and Mrs. W. D. Smith. The Engels were week end guests of Mr. and Mrs. D. F. Mathis of Hereford.

players and fans who would like to forget all about him; particularly, University of Texas partisans.

By ED SIMS

Baseball... WASHINGTON, D. C.—Though the story might be a little different when you read this, at this time the Detroit Tigers are doing just what was predicted for them in this column in March. The Tigers were picked to win the flag in this corner long before most of the other writers unlimbered their predicting pens.

There was a reason for it. The Tigers have always been a periodic threat. Walter Briggs likes to have good teams. The Tigers

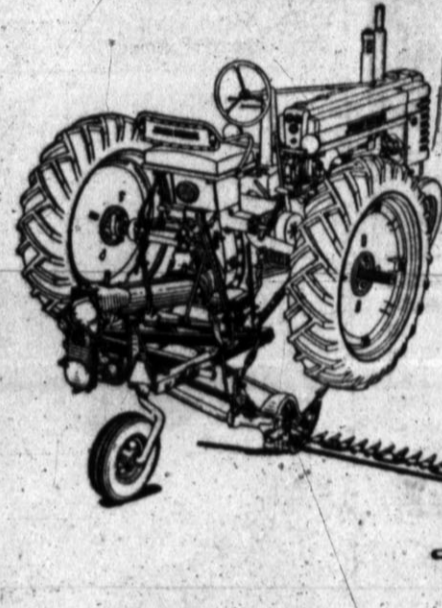

have won flags in 1934, 1935, 1940 and 1945. They are a good bet to win the flag this year under Red Rolfe. And speaking of Rolfe, he is the manager who has received no credit for a great job—thus far. Maybe the others are waiting to see if he can do it.

Regardless of whether he cops the flag or not, Red Rolfe deserves a lot of credit. Last year was his first full year with the Tigers. You could see the improvement in the team by last July. This spring the Tigers were really tough. The Yanks, nor the Bosox, beat them once. Red Rolfe said before the season if the Bengals could humble the Red Sox they would have a good chance to win the flag.

In twelve meetings, so this date, they have flattened the Red Sox nine times. Rolfe doesn't like to lose. In fact it nearly kills him. Unlike many teams, his Tigers get stronger as they get beat. Last year the Red Sox whipped them easier than any other team. The Tigers must now handle the Yankees. And the Yanks, fighting between front office and players, are the ones carrying the pressure. They are expected to do it. The Tigers are eager, with all to gain.

Because Tiger pitching has been good, the Bengals are up there. The hitting has been better than anticipated. Unless the Yankees learn to beat them with regularity, like they have often done Boston, the Tigers are our favorites. The Yankees have never been known as Tiger killers, in the last ten years.

Church Notes

Holy Communion will be celebrated in the morning service at the IMMANUEL LUTHERAN Church next Sunday at 11:30 a. m. Pastor Lichtsinn's sermon will be based on the text of Luke 15:1-10, "Jesus Sinners Doth Receive." Sunday School and Bible Class convene at 10:30 a. m. The Sunday's lesson is the story of Gideon.

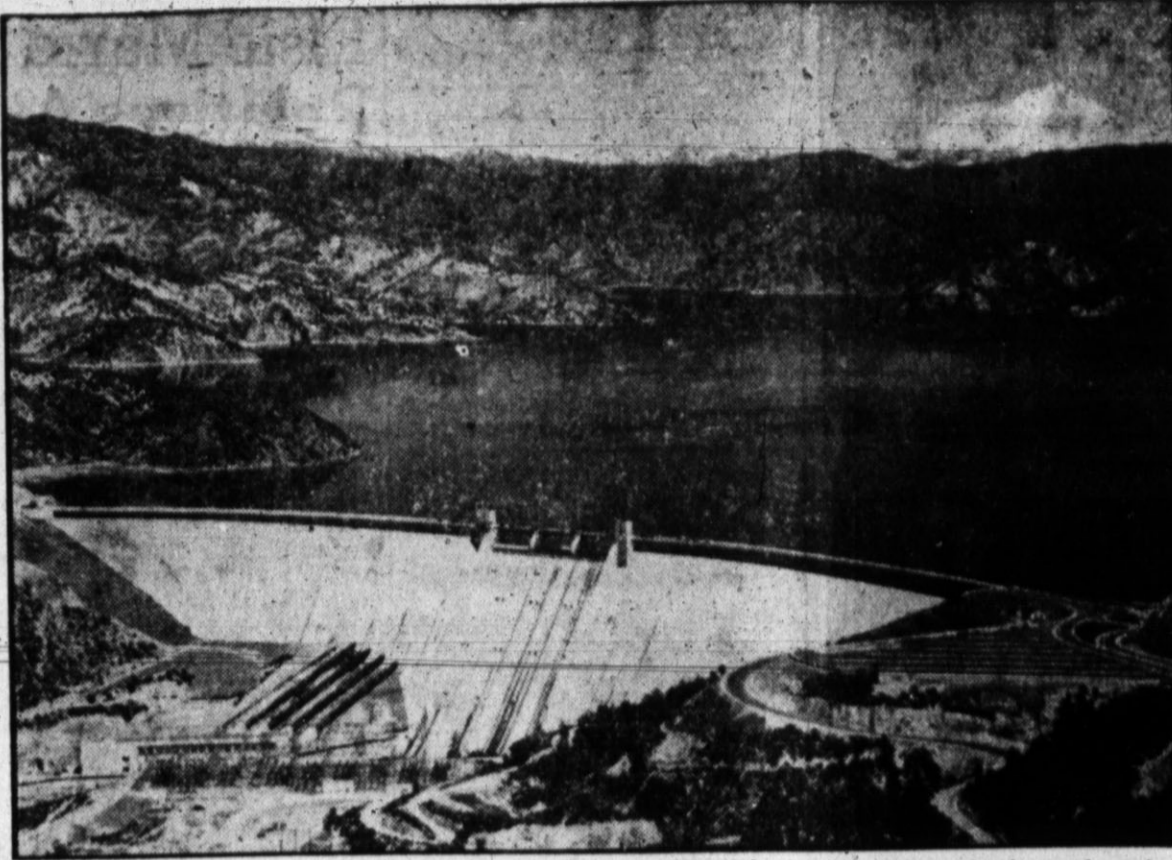

Recently the Ladies' Aid sponsored an ice cream social for the entire congregation at the Jaycee Park.

After the July 2 service, Rev. Lichtsinn and family will leave for a three week vacation. First they will go to Denver to attend the annual Walther League

Convention. The Walther League is the national organization of Lutheran young people. After the convention ends on July 6, they will go to Indiana to visit their parents. During the pastor's absence, neighboring pastors will conduct evening services for the congregation.

CHRISTIAN SCIENCE services are held each Sunday morning at eleven o'clock in the Star Theatre. All who are interested are invited to attend.

"God" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 2. The Golden Text is: "Exalt the

READY FOR GRAND OPENING—Scenic splendor, both natural and man-made, is amply evident in this view of California's Shasta Dam, which was scheduled to begin operations at dedication ceremonies June 17, as part of the Shasta Centennial. The huge dam, three times as high as Niagara Falls, is the main structure of the California Central Valley irrigation and flood control program. Towering in the background, at right, more than 60 miles away, is Mt. Shasta.

Lord our God, and worship at his holy hill; for the Lord our God is holy" (Psalms 99:9).

Among the citations which comprise the Lesson - Sermon is the following from the Bible: "I am the Lord; that is my name; and my glory will I not give to another; neither my praise to graven images" (Isaiah 42:8).

The Lesson - Sermon also includes the following passage from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows" (page 275).

Vacation Bible School started Monday at the ASSEMBLY OF GOD. Children between the ages of 4-15 are invited to attend each morning 8:30-11:30. The school will end next Friday. Jaunita Bagland from Plainview is superintendent for the school.

There will be a special missionary service Sunday. Mrs. Lois Cox, newly appointed missionary to Hawaii, will be here to speak. Sunday School will start at 9:45 and the morning church service will be at 11:00 o'clock as usual.

The SEVENTH - DAY ADVENTISTS will not have services at the church at Third and Lawton Saturday. The group plan to attend the Junior Encampment at Ceta Glen Canyon.

July 1 is the beginning of a new quarter. The lessons for the quarter are "The Victorious Life" (The Word of God is the Basis of Victory).

The Thirteenth Sabbath Offering offering that will be taken from September 30 will be used in the Central Pacific Union Mission, which is part of the territory of the Australian Inter - Union Conference. It will also be used to build a training school for French Oceania, on the island of Tahiti.

Although the Advent message has been long established in these islands, there is a need for a training school where young people may become efficient workers. On some of these islands whole villages have been wonderfully transformed through the power of the gospel, but still a greater work may be done.

In 1948, the overflow of \$31,304.11 went to this union to help in establishing a school on Guadalcanal and also one in the interior of New Guinea. The schools are now in operation.

About 15 Junior boys of the FIRST BAPTIST Church left Monday to attend the Boys' Camp near Floydada. They got back yesterday, and the Intermediate boys left.

Summer attendance goals have been set for the different Sunday School departments. The officers and teachers have been working hard each week to meet these goals. Each Sunday many departments have exceeded their goals.

Yesterday the different circles of the W.M.U. met as follows: Spence—at the home of Mrs. Clinton Jackson, Sharpley and Waldron — Mrs. G. P. Owen's home, Fenderson—Mrs. S. B. Mc-Lallen's home, Miller — Mrs. Joe Evans' home, Dickson — Mrs. C. E. Leasure, Jr.'s home, Hughes—Mrs. R. A. Daniels, Jr.'s home. The G. A.'s met at 4:00 o'clock. The Y.W.A. will meet with Nancy Cagle at her home tonight at 8:00.

Under the direction of Mrs. Dalton Criswell and her assistants, Mary Estelle LeGrand and

Elaine Cox, the library in the new educational building is being completely re-catalogued. The library furniture consists of two large blond oak tables and fourteen chairs to match. New books will be added. Church members are asked to return any and all books they have on hand.

Church services at the CHURCH OF THE NAZARENE will be held as usual with Wednesday prayer meeting at 8:00 p. m., Sunday School at 10:00, Sunday morning service at 11:00 and the evening service at 8:00.

Rev. H. V. Fields left Monday from the AVENUE BAPTIST Church with a group of Junior boys to go to the Plains Baptist Assembly. The boys returned yesterday, but Rev. Fields stayed. He has been teaching a book about prayer to the different boy groups this week.

There was a singing last Friday night at the church. Others will be held off and on, nearly every Friday at 8:00 p. m.

The building of the new educational building is progressing rapidly.

Church services are held each week at the following times: Sunday School—9:45; Sunday morning services—11:00; Training Union—7:30; Sunday night services—8:30; and prayer meeting at 8:00 Wednesday night.

The Executive Committee of the Women's Fellowship of the FIRST CHRISTIAN Church met at the parsonage Monday, June 25 at 4:00 p. m.

The Adult Conference began last Friday night at Ceta Glen. Those attending from this church were: Roberta Dyar, Francis Dameron, Bertha Witherspoon, H. M. Thomas, Mrs. Ida May Vaughn, Miss Ara Lewis, Mr. and Mrs. Virgil Dodson, Mr. and Mrs. Jim Kirby, and Mr. and Mrs. Carlos Vaughn.

Services each Sunday are as follows: Church School—9:45 a. m.; Morning Worship—10:50 a. m.; C.Y.F. Groups—8:30 p. m.; Evening Worship—7:30 p. m.

Services at the EPISCOPAL CHURCH on the corner of Ninth and Lee Streets are held each Sunday at 8:00 a. m. Visitors are always welcome. Rev. Henry Seaman of Plainview preaches here at that time. In Plainview at the 11:00 o'clock service, and at Canyon every Sunday night at 8:00. Rev. Seaman was in Hereford last Thursday night visiting some of his church members.

The FIRST METHODIST CHURCH continues its regular summer program with preaching at eleven on Sunday morning and again at seven thirty in the evening. Church school meets at 9:45 on Sunday morning. Youth Fellowship groups meet for intermediates at 6:45 in the evening and again at 8:35 for fun on Sundays after the evening preaching service. Attendance has been good.

Last Sunday morning twenty-four members of the two Young Adult classes represented the local church in a retreat at Ceta Canyon Methodist Assembly Grounds where Bishop W. C. Martin spoke at 11:00 o'clock to more than a hundred delegates.

in growing crops with

AGRICULTURAL WEED-NO-MORE

A Proven Ester Formulation of 2,4-D

The new miracle chemical 2,4-D in Agricultural Weed-No-More, brings you the practical, low-cost way to kill weeds in growing small grains.

Spraying Agricultural Weed-No-More on young corn is faster than cultivating, kills weeds right up to the corn plants, makes row-planting practical.

On pastures, fence rows, ditch banks, and grassed waterways, Agricultural Weed-No-More kills many weeds, roots and all.

Agricultural Weed-No-More goes on fast—covers 7 to 15 acres per hour. It goes far, too—¼ pint to 2 pints in only 5 gallons of water treats 1 acre! Apply it by the new low-gallonage method developed and proved by Sherwin-Williams Research. Use a simple, low-cost rig that you or any local shop can quickly assemble.

AGRICULTURAL WEED-NO-MORE

Cuts less per acre because it controls weeds more effectively!

Agricultural authorities have found that the ester forms of 2,4-D used in Agricultural Weed-No-More penetrate weed leaves within 5 minutes, do not wash off, mix easily with water, won't clog or corrode spray equipment, and are harmless to stock. Agricultural Weed-No-More has been proved on more than 500,000 acres.

Annual XIT Reunion Draws Old Timers Late In July

DALHART, Tex. (AP) — The 14th annual XIT Reunion, which will bring together men who once worked for the Panhandle's 3,000,000-acre ranch—will be held July 28-29.

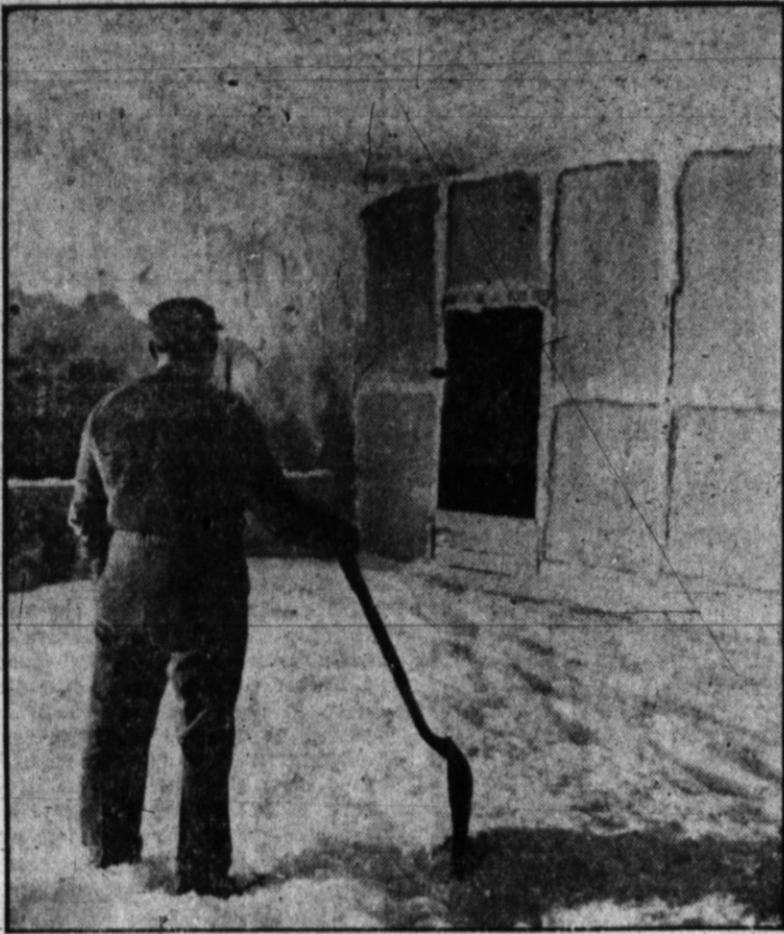

The men's families, and other pioneers who rode the range a half century or more ago, also will be on hand.

Frank B. Farwell, Sr., chairman of the general XIT committee, which masterminds the show, is himself an old XIT cowhand, also a grand nephew of the original owners, U. S. Senator Chas. B. Farwell and his brother, John V. Farwell, Chicago financiers.

The Farwell brothers acquired the acreage back in the 1880's from the State of Texas in pay-

ment of building the \$3,000,000 state capitol, still in use at Austin. They developed it into a great ranch, with seven division headquarters, running 150,000 cattle and working scores of hard-riding, straight-shooting men.

The entertainment already scheduled includes a big parade; two professional rodeo performances; carnival rides only for children; the Hardin-Simmons University Cowboy band of Abilene which will be here Thursday, Friday and Saturday; The Lane Trio Trapeze Act, an aerial trapeze drama of Vancouver, Wash.; the sheep dog act that has won such unstated acclaim at Denver, Houston, San Antonio and other cities; Tom-

Frio HD Club Meets At Springer Home

The manner in which clothes are folded after they are sprinkled has a great deal to do with the ease of ironing, said Mrs. W. A. Springer, when she demonstrated the proper way of ironing a shirt, at the Frio H. D. Club meeting at her home last Wednesday. She used her new "sit down" ironing board, and demonstrated a time and effort saving method of ironing a shirt. She also folded the shirt the recommended way, for storage or packing.

Elsie Marie Young Visits Relatives At Reunion Here

When Elsie Marie Young, now 22 years old, decided about a year ago to get in touch with her family whom she had not seen for 14 years, she wrote a letter to the school authorities here who failed to find the information needed, because she could remember no names except "Uncle Oliver." The letter was published in The Hereford Brand and Mrs. Oliver Rudd, reading the letter, realized that Elsie Marie was her niece who, with her four brothers and sisters, had made their home with her for a year after their mother died. Elsie Marie was adopted by a family living downstate but has now resumed her own name and is making her own way in Tulsa, Oklahoma. She is an expert seamstress and operates her own shop.

Last week Mr. and Mrs. Rudd went to Tulsa and brought their niece home with them for a two week's visit here. It is the first time in 14 years that she has seen her brother, Johnny who has been adopted by a Lockney couple; her brother, Leroy, whom Mrs. Rudd has raised and her two sisters, Mrs. Glenn Godfrey of Dimmitt and Mrs. Virgil Simpson of Floydada.

Honoring Elsie Marie, a family reunion was held at the home of her grandparents, Mr. and Mrs. J. L. Ledford in Portales, N. M. on Sunday, June 25. These attending were their three daughters and their families, Mr. and Mrs. Oliver Rudd and son, Leroy, and daughter, Mrs. Her-

bert Goetsch, Mr. and Mrs. R. M. Hiebert and children, Janie, Dolores and Bobby, Mr. and Mrs. C. M. Pace and children, Kelly Lee, and Susan Jean, of Tatum, N. M.

Also present were Mr. and Mrs. Virgil Simpson and daughter, Barbara Sue of Floydada, Mr. and Mrs. Glenn Godfrey and daughter, Peggy Sue of Dimmitt, Johnny Wood of Lockney and the honoree.
