V. Roland Draws Two Years On Counterfeiting Charge

Around Town

SIGHTS, FACES SEEN

Probability of five wildcat wells in this area were apparent today as tracts were leased and several deals closed in this area. No company names were released and no official statements were made regarding the "oil play" which this week reached a high point in sidewalk gossip in Hereford and surrounding towns.

Even the latest stragglers got rid of those summer straw hats this week as crisp, chill mornings and evenings invaded the Plains. General, too, was the sudden outbreak of coats and sports jackets around town.

Bill Patton has on hand a 16-millimeter sound film stressing fire prevention. Several civic groups already have made arrangements to have the film shown before their members at regular meetings.

The film will be in Hereford throughout this week and until Friday, October 13.

It is available for other organizations interested in the promotion of fire prevention. Interested groups may schedule the film by contacting Bill Patton.

Appliance dealers met Monday evening and completed plans for the big, four-county Electric Cooking School to be held at Hotel Jim Hill on Nov. 14-15 (Tuesday and Wednesday). The school will feature electric appliances and will be sponsored by The Hereford Brand with the Southwestern Public Service Company home economist in charge. Details will follow from week to week.

Clyde Warwick, publisher of The Canyon News, will speak at the Kiwanis Club noon program Thursday, Pat Sullivan, program chairman, has announced. The occasion will be in observance of National Newspaper Week.

It finally happened. We have a mystery farm that is really a mystery. Calls got to coming in so early that to give the rural people a chance an extra prize was added for those outside the city limits. Result: No calls. No hits. No misses. We are re-running the Sept. 28 farm again this week—along with the October 5 farm. Check on page 6. It's double bonus week on mystery farms.

Several people have called in regarding the football contest and the Cotton Bowl tickets. Mostly, they want to know exactly when it starts. The answer is Sunday, October 8. All entries from Sunday will be scored.

Other Boys Are Paroled

The Hereford counterfeit case, which drew nationwide attention when it broke two weeks ago, drew to a close in federal court at Amarillo Wednesday afternoon.

Vernon Roland, 28, former Hereford Brand shop foreman, drew a two year penitentiary sentence, while his brother, M. L. Roland, 18, was given 18 months, suspended on parole to the Amarillo court. Dale Russell, 19, went on trial Tuesday afternoon and drew a three year sentence, also suspended on parole to the Amarillo Court.

Testimony in cases of Dale Russell and Vernon Roland said that the two boys got the idea of printing money when Russell photographed a green certificate to be used as the border on membership cards for the Hereford Chamber of Commerce. Russell, securing a poor reproduction from green ink, followed Roland's suggestion of a longer camera exposure. When the reproduction sharply improved, the subject of photographing money followed and led to ultimate printing of \$1 and \$10 bills at midnight and early mornings.

Both of the men stated that they had no intention of passing the bills and no record of any circulation of the money was brought out in the trial. Roland said that he intended to destroy the bills and the plates, but had neglected to do so. The fact that both Mr. and Mrs. Roland had shown the bills to neighbors and friends was brought out in the trial as an indication that they were not considered for passing.

Judge Joe B. Dooley scored Vernon Roland as being older than the two boys and, therefore, more responsible. He also reviewed Roland's previous penitentiary sentence five years ago and criticized him for "a fool stunt like this." All three of the men plead guilty to charges of the court. Russell was represented by Geo. McCarthy, while the two Roland boys were represented by E. T. "Dusty" Miller, both Amarillo attorneys.

Both Russell and M. L. Roland, although their sentences were suspended, will report each month to parole officers in Amarillo, and will be responsible to the court until their sentences are terminated. Vernon Roland will begin serving his sentence of two years immediately.

Vernon Roland began working at the Brand office in December, 1948, and in May, 1949, was promoted to shop foreman, a position which he held until Sept. 22, when he was arrested by U. S. Secret Service.

Dale Russell, also a former Brand employee, worked at the paper while attending high school and returned here for employment after attending Texas Tech. He left The Brand August 31, however, and was employed by the Castro County News, Dimmitt, at the time of his arrest. He was re-employed by the Dimmitt paper when released on bond last week and will continue working for the publication.

GET CHARTER — Retiring president R. L. Thompson, accepts the Hereford club's official charter from Bill Cook, area governor of Amarillo. TOASTMASTERS INSTALL OFFICERS—Deputy Dist. Gov. Bob Wear Wednesday night installed new officers for the Hereford Toastmasters Club. They are, left to right from Ware: Paul Conaway, president; Dick Lucas, vice president; Elmer Patterson, secretary-treasurer; Frank Miller, sergeant-at-arms and Kenneth Coker, educational chairman.

Burglars Get \$56 Shoe Shop Raid

Burglars entered the City Shoe Shop at 119 West 2nd Street in Hereford Sunday night, and \$56 in bills and coins were robbed from the cash register. It was revealed this week by Sheriff J. C. Reece.

Sheriff Reece said the miscreants evidently entered a window at the rear of the building Sunday night.

The loss of the money was discovered Monday morning by S. T. Burleson, owner of the store. Burleson told the sheriff's department he had been in the store Sunday afternoon and had removed a larger sum from the cash register. The stolen money included 19 silver dollars, six half-dollars, approximately \$10 in nickels and dimes, and 300 pennies.

No suspect had yet been arrested Wednesday, but the case is being investigated by the Sheriff's department and Hereford City police.

Two More Enlistees Leave For Amarillo

Walter Arthur Klemman and James Ardis Ricketts, both 19, left Hereford Wednesday for Amarillo where they will be processed for the Armed services prior to being shipped to camp. It was announced this week by Recruiting Sgt. H. M. Riddle. Klemman, son of Mr. and Mrs. Harry Klemman, completed the eleventh grade of school, and made a high score—38 correct of 45 questions—on the mental aptitude test. He volunteered for the Regular Army. Sgt. Riddle said, and will be sent to Ft. Ord, California, if he is accepted for duty at Amarillo.

Ricketts, who is the son of Mr. and Mrs. James Moyer Ricketts, rural route, Hereford, enlisted in the Air Force and will be sent from Amarillo to Lackland Air Base, San Antonio, if he is accepted for duty.

Pleads Guilty To Passing Charge

Sammy Stanford entered a plea of guilty on a charge of passing worthless checks and was fined one dollar and costs and the amount of the worthless checks in County Court Wednesday morning. The total fine amounted to \$46.50. The charge was the second made against Stanford.

Toastmasters Install Officers, Get Charter

The Hereford Toastmasters club installed new officers and received the club's charter presented by Toastmasters International at their Ladies Night meeting Tuesday at the Jim Hill Hotel.

Bill Cook of Amarillo, area governor, made the presentation of the charter to the Hereford Toastmasters, who organized their club last spring.

R. Paul Conaway was installed as president. He succeeds Robert Thompson. Other new officers are Dick Lucas, vice president; Elmer Patterson, secretary-treasurer; Kenneth Coker, educational chairman; Frank Miller, sgt.-at-arms; and Bob Wear, who succeeded himself as deputy district governor.

The program was highlighted with speeches by Toastmasters Paul Conaway, Elmer Patterson, Joe Smith, Tom McFarland and Dick Lucas.

Toastmaster Conaway won a book as prize when he delivered a speech on underground water reservoirs in the plains area. He emphasized the necessity for conservation of water resources. Joe Smith, Hereford High

Four Cent Drop In Key Fire Rate

Fire insurance agents of Hereford Wednesday received official notice of a four cent drop in key rates for Hereford. Also dropped was the five per cent tenant occupancy charge on rent houses. Agents said that no change could be made on existing policies, except in cases where there might be a change of hazard. Present policies would have to be cancelled, short rated and rewritten to comply with the new rate, a step which would not likely be practical. The new rate, however, will apply on future policies.

Drop in the key rate from 28 cents to 24 cents came as the result of improved facilities and a better maintained department, according to rate analysis sheets, which showed, a two cent key drop due to proper maintenance of the department and a one cent drop due to erection of the new storage tank in North Hereford. Remainder of the drop was due to a three per cent credit achieved through department drill cooperation with College Station training programs.

Toastmaster Smith turned out a humor-laden address on the twentieth century's newest miracle—Kadaacol.

Toastmaster McFarland, recently named manager of the Hereford Chamber of Commerce, kept his listener's attention with an account of one of his experiences as a prisoner of the Japanese war.

Dick Lucas' address on "Socialized Medicine" began with a humorous story and ended the same way. Socialized medicine was mentioned on several occasions but not for long. The jokes continued from beginning to end.

Toastmaster Patterson gave an account of a trip which he took with his father into Tennessee and back through the western states.

The speeches were evaluated by Curtis Traweck, Bruce Miller and J. A. McWhorter. Jerry Stoltz, retiring secretary treasurer, was topic master for the evening. He called on toastmasters for impromptu speeches on three topics: "Why would I think I was fighting if I were a soldier in Korea?", "Who will win the World Series?", and "Is speed the greatest traffic hazard?"

Retiring president Thompson accepted the charter and presented the Best Speech award to Toastmaster Conaway.

Bob Wear, deputy governor, conducted the installation of officers.

Jaycees Sponsor Two Day Circus

Jaycee members said today that everything is set for the Horne Bros. Circus which they will sponsor at Hereford Riders Arena Friday and Saturday.

"Advance ticket sales in charge of Boy Scouts are going well," Dick Lucas, president, said today. Billed as "World's largest one-ring circus," Horne Bros. claim a performance with outstanding European performers, highly trained horses, elephants, ponies, dogs, monkeys and wild animals, combined with a rodeo, cowboys, cowgirls, wild west and a score of ground and aerial sensations. The circus is of two hours in duration.

'Mutt' Wheeler Charged With Brother's Murder

TOWN OF BIG HEARTS

C-C Secretary Awarded Uniform, \$1,000 Check

"Hereford may be the town without a toothache," but the people have the biggest hearts in the world."

Such was the comment of O. P. Cowart, Chamber of Commerce secretary for the past four years, as he departed Wednesday for Camp Hood to assume active duty in the U. S. Army as Capt. Cowart. The remark was accompanied by a lump in his throat, tears in his eyes—a new army uniform and a check for \$1,000.

The gifts, presented in appreciation for work which he has done for the community during the four year period, were awarded Monday evening at a farewell party sponsored by C. T. Guseman. The

uniform was presented to Cowart by Chamber of Commerce Board of directors who personally bought the farewell gift. The \$1,000 check was also a personal gift from members of the Board of Directors of Jim Hill Hotel and other friends of Cowart, all of whom made voluntary contributions in recognition of his efforts and work in helping build and finance the project.

Cowart was accompanied to Camp Hood by G. T. Higgins, who will return the Cowart car to Hereford. Mrs. Cowart plans to remain in Hereford at least until he is permanently assigned and stationed.

Gerron S. (Mutt) Wheeler, 32, popular Hereford barber, was charged with murder and released on \$5,000 bond in connection with the fatal shooting early Tuesday morning of his brother, Tony J. Wheeler, 34, of Rails.

Tony Wheeler died of gunshot wounds in the stomach in the county hospital after he was shot shortly after 1:30 a. m. at the home of his mother, Mrs. Williamson.

Sheriff J. C. Reece said Wheeler told him his brother had ripped away the screen door catches of his mother's house and was attempting to break down the front door when the shot was fired through the door.

Other officers investigating the case said Tony was reported to have threatened his brother on several occasions. City policemen Roy Campbell and J. A. Bentine said the victim was shot while attempting to break into his mother's home, after having threatened to kill her.

Sheriff Reece said Mutt Wheeler told him Tony had called their mother by telephone from Crosby County about three hours before the killing and told her he was coming to Hereford.

Wheeler said he warned Tony "not to show up."

Sheriff Reece said Wheeler told him Tony had come to Hereford, tried to force entry into the home and ignored the warnings of his brother inside the house.

The sheriff said Mutt Wheeler had telephoned him after the shooting and said "come on up. I just shot a man." Sheriff Reece said he encountered the city policemen enroute and accompanied them to the scene. He said he found Tony "lying still in the front yard" but still alive. He was taken to the hospital immediately.

At a preliminary hearing Monday morning in the court house Sheriff Reece testified he had found the catches on the screen door ripped off.

At the hearing, which was held before County Judge L. Foster about 11:00 a. m. Tuesday, the bond was set at \$5,000 and Wheeler was held in custody of the sheriff until bond was made.

Wheeler made no statement at the hearing.

Gib Howard, Deaf Smith County Attorney, and O. L. Bybee questioned Sheriff Reece—the only witness—at the hearing Tuesday.

Although the grand jury is not scheduled to convene regularly until January 29, it may be called into special session at any time.

If he is indicted by the grand jury Wheeler will stand trial. Sheriff Reece said Wheeler surrendered a 12-gauge double-barrel shotgun to him when he arrived at the scene of the shooting. One barrel had been fired, Sheriff said, and the other was still loaded.

Officers found no weapon on Tony, but reported a 22 High Standard rifle in his car, a yellow convertible in which he had driven to Hereford.

"Mutt" Wheeler, a barber at the Hotel Jim Hill Barber Shop, is known all over Hereford and is an active member of several Hereford civic organizations.

Concert Association Drive Ends; Membership Increase

Membership in the Hereford Mutual Concert Association increased over last year. It was announced Saturday at the conclusion of a week-long drive for new members which began Monday.

A tally of the membership was made at a meeting of the association's board of directors at the Jim Hill Hotel Saturday night. Directors said the number of members over and above the number last year would probably total 45 when the count is complete.

Three artists or teams of artists will appear in as many concerts during the year. It was revealed at the meeting with the Pryor-Menz Concert and Lecture service. The soprano and tenor team of Helen Clayton and Howard Jaratt have been tentatively scheduled to appear in the first event at a date in October.

to be fixed later. The Clayton-Jaratt concert will feature two scenes from opera in costume in English.

Another meeting will be held after January 1 to determine which artists will appear in later concerts. The two concerts must be scheduled so they will not conflict with other civic and school events. Jim Kirby, Association president said.

The Pryor-Menz service is endeavoring to provide artists of higher calibre, although such a move may not be beneficial financially for them, Kirby said.

Other artists which may be available for this season include Henry L. Scott, humor- pianist, hailed as the Will Rogers of the piano; 19-year-old pianist Lillian Kallir; Norman Farrow, Canadian bass-baritone; and Teresla and Emilio Osta, Latin American dance team, featuring a galaxy of native dances and songs from the land of sunshine and senoritas.

Kirby said the membership probably would total 345 when all workers had submitted their reports.

Question of the Week

How large would you like to see the town of Hereford grow? Mrs. R. E. Barrett: Not too much bigger than it is now. I like a country town. I wouldn't mind seeing it grow to 8,000. But I don't like to live in the city. I like to shop sometimes in the big city and come back to live in the little town.

Mrs. J. F. Ward: At least 10,000 population. And I think it will, too, within the next few years. I think Hereford needs a population as large as 10,000.

Mrs. Laura E. Davis: About ten times larger than it is five years ago, and Hereford won't have long to go now. It will grow that much. It's a good place in which to live, and I have some interests here—a farm and a couple of houses—and from a business standpoint as well as the health and educational standpoint I would like to see the town grow.

Mrs. Claude Edelman: I would like to see Hereford grow as large as possible. I think it's a mighty nice little town and there is room for expansion. I would like to see it grow because it's a nice town and the residents are courteous and friendly. People would like to live here if Hereford were larger, because it would be a pleasure to deal with such friendly people.

Mrs. J. R. Fowles: Well, we'd all like to see the town of Hereford progress. But of course when the town grows there are many things which we must sacrifice. A big city can't be as friendly as a small town, and you can't know everybody in a city. Hereford is full of friendly people. Of course I would like to see the town grow because it would mean better roads and better schools.

Former Resident On Korean Line

Mrs. J. F. Ward received two letters Sunday from her grandson, Gerald Behrends, who is serving on the Korean front. Sgt. Behrends is a driver of a transport truck and has had several close calls, once ducking just at the right time to miss gun fire while hiding in the river.

"Some of the boys get so scared that they can't do what they are supposed to do, and I am sorry that I have had to kill. The machine gunner was so frightened when we ran into a nest of Reds that he couldn't shoot and if I hadn't taken over we would have all been gone."

"It is a savage horde we are fighting. They show no mercy, and the people of Korea seem to care little what happens," Sgt. Behrends wrote.

Loerwald Wins Football Prize, Seven Ties For Second Place

George Loerwald took first place in the weekly Brand football contest for last week by picking 15 correct game winners. Seven other contestants tied for second place, each naming 14 winning teams.

West Texas State and Navy wins seemed to have tripped most of the entries, although some of the second placers picked these teams, only to miss on others. Loerwald missed West Texas, Oklahoma A&M, Navy, Austin and Georgia Tech. The 15 correct answers, however, entitles him to \$5 in trade at Hunter's Food market.

Due to seven ties for second place, the second prize of \$3 and third prize of \$2 will be combined and divided by seven—a total of 75 cents for each of the following second place ties: W. B. Dowell, Mrs. Earl Stagner, J. W. Robinson, Jr., Jack Gilliland, Casworth Bryant, Mrs. W. R. Hair and Earl Stagner, who tied last week for first place with J. S. Clark of Friona.

The schedule appearing next Sunday will have the added stimulus of being the first of a series of contest blanks which will continue through the season with regular weekly prizes, plus a grand prize of two Cotton Bowl tickets for the season winners and one Cotton Bowl ticket each to second and third place season winners. No change will be made on weekly prizes, but additional games will be listed in an effort to eliminate ties among contestants.

QUALITY, YIELD GOOD — PRICE LOW

Lettuce Season Gets Off To Slow Start This Week

The 1950 lettuce harvest got off to a poor start this week as processors handled a few early yields. Quality of the lettuce was reported as fair yields were good, but prices were low and uncertain weather conditions left lettuce men at a loss to make predictions.

"It is too early to tell," said P. M. Williams, pioneer lettuce producer and contractor of this area. "It may turn out well, but rains and cold weather could curtail the 1950 crop." Producers and processors were looking forward to a better market, which started off this week from \$2.50 and

brought up to \$3.75 Wednesday. Hereford lettuce was finding a market over some other areas, due to freight savings. Producers estimated that they could break even and "maybe make a little money" on the current prices.

First cuttings placed yields near the 100-crate-to-the-acre point, which is considered good. Producers were hoping for a 200-crate average, which would be very good for the season. Among those harvesting lettuce this week are E. F. Cain, George Faustold, John Allga, and Charles Houston.

Sixty men were expected for the installation service for Brotherhood officers Tuesday, October 3. Judson Burnett and Rev. J. H. Wright of Levelland led in the service for President F. A. Tucker and other Brotherhood officers.

The hour of services at the church change this week. Sunday evening services begin with Training Union at 6:45 p. m. and worship service at 8 p. m.

Black Social And Study Club Has Tea

The Black Social and Study Club gave a tea for the business men and families who were instrumental in the acquisition of tables and chairs for the organization's club house.

Guests were greeted by Mrs. Walter Fangman, club president. The serving table, appointed in silver, was laid with a nylon satin cloth and centered with pink candle sticks holding silver candles. The silver coffee service was placed at one end of the table with Mrs. Woodrow Whitaker pouring the tea.

The color scheme of pink and green was carried out in the sandwiches and cakes. Music was furnished by Mrs. Dick Rocky.

J. E. Dayton of Crowell spent the week end in Hereford visiting with friends.

PACK MEET
Cub Scouts will meet at the Scout Hut Friday night at 7:30 o'clock. All cubs and leaders are urged to attend.

Mrs. W. H. Russell and her daughters, Mrs. Fred Barrett, Jr. and Mrs. Jack Geffkin of Lubbock, have returned from a visit with relatives in Greenville.

Mrs. Cooper Morgan and Mrs. Ella Lamb, both of Austin, are visiting friends and relatives in Hereford. They are both former

Hereford residents. Mr. and Mrs. Harry Scherril of Darrouzett were in Hereford the first part of the week.

Elmer Patterson and his father, H. R. Patterson, have returned from a trip overland to points in Kansas where they visited

relatives, and points in Arkansas, Tennessee, Mississippi and Colorado and Utah. While in Colorado Elmer made movies of scenic spots.

tabulated and awards will be made to persons with the largest number of winners for the remaining weeks of the contest.

All set for open house Sunday are Mrs. Dishman and Roy Peet, who plan the affair at their Western Flower Shop Sunday, October 8—3:00 to 7:00 p. m.

Dr. L. B. Barnett left Wednesday afternoon for New York, where he plans to attend the World Series ball game. He is making the trip by plane and expects to be back on the job Monday. Accompanying him were Bruce Ramey of Levelland and Bob Ramey of Dimmitt, all three of the men were February visitors in New York for the official opening of The Hereford House.

Sentenced to "Life with a ball and chain," J. W. Robinson was tried in kangaroo court at Lions Club Wednesday. Charges included pinching the Lions Club sweetheart, Barbara Burney, "between the second and third tables" at a Ladies Night session in June. Robinson was also charged with misleading Virginia Lyons into matrimony. Alex Thompson served as judge; Bruce Miller as defending attorney; John Aiken as prosecuting attorney; Bob Thompson as clerk. Jury and witnesses were selected from the audience. Needless to say, Robinson was "Found Guilty."

Also entertaining on the Lions Club program was Duane Walker, who sang three songs: "Mother McCree," "Shortenin' Bread" and "Ole Man River." He was accompanied by Mrs. Cliff Estes.

Counterfeit

(Continued from Page 1)
M. L. Roland, brother of the Hereford shop foreman, was employed by the Tulla Herald and although not connected with printing of the bills was implicated by possession in Tulla, discovery of which led to arrest of all three men.

Lewis Nurdyke Tells P-TA Of Reform School

Lewis Nurdyke, famed writer, speaking as a member of the Texas Youth Development council this week, gave the Hereford Parent Teachers association a dark picture of conditions at the Boys Reform school at Gatesville.

Nurdyke spoke at the regular meeting of the Parent-Teachers association in the High School auditorium Monday at 8 p. m. Describing the findings of an investigation recently conducted by the Youth Development council, he said 55 per cent of the "repeaters" at the state prison at Huntsville were "graduates" of the Gatesville school.

More boys are being ruined under present conditions than are being saved, the speaker said. He pointed out that between 350 and 400 of the 475 boys now in Gatesville could be rehabilitated if proper facilities were installed.

Nurdyke said the council is recommending the state set up four new schools and disband completely the school at Gatesville. All buildings at the old institution are outmoded, he added, and taxpayers would pay less to build new schools than they would if the old buildings were maintained.

Nurdyke reported the superintendent at Gatesville had stated that the population—varying between 400 and 600 boys—consists of children from 11 years of age to men almost 21. All inmates, young, old, first offenders and "incorrigibles" are thrown in together, the superintendent said. He added that the same number of boy scouts would cause a great number of problems and that with the type of boy now in the school, the problems are extreme.

Of the four new schools recommended by the council, one would serve as a penal institution with facilities for restraining boys considered most nearly "incorrigibles."

Two more schools would be set up on a vocational training basis, providing training for all inmates and a choice of fields. The last school would be an honor

school, toward which all boys in the other three institutions could work. Boys in the fourth school would be placed "on their honor" both at the school and when sent home on parole. Especial attention at this institution would be put on the replacement of boys in their individual committees.

The business meeting of the P-TA was conducted by Mrs. H. H. Caraway. Mrs. Bob Wear, corresponding secretary representing the local P-TA said the organization had been awarded an "A" rating by the Texas Congress of Parent-Teachers Associations.

Members voted to make contributions for a building fund which will be used for help in the construction of a headquarters building for the National P-TA Congress.

Amarillo Rotary Club To Hear Hereford Story

"Deaf Smith County—Facts and Fantasy," is the apt title for a program which Rev. Roy Ford and County Agent Hugh Clearman will present before the Amarillo Rotary Club at noon today. In addition to the Deaf Smith story, Amarillo Rotarians will each receive a head of Deaf Smith County lettuce, wrapped in cellophane and fully decorated.

The program is direct result of a request by the Amarillo Club which asked for "facts about Deaf Smith County" and added, "but please don't stretch the truth too much." Rev. Roy Ford will be the principal speaker, assisted by Clearman. The group is also working on combining maize and corn for "special exhibits" in order to "prove the fantasy part of the story."

The Chamber of Commerce is assisting in preparation of 250 heads of lettuce for distribution to the Amarillo group.

Senators Volunteers For Service In US Army

Joe Sena reported Monday as volunteer at the Amarillo Army induction center, Sgt. H. M. Riddle. Hereford recruiting office, said today.

Sena, a resident of this community for the past three years was a railroad employee and came here from Clovis after the war. He volunteered Saturday and is a World War II veteran, holding the Asiatic-Pacific ribbon, Philippines Liberation ribbon, Good Conduct and Victory medals.

Most Farmers In County Practice Conservation

About two-thirds of the farm and ranch operators in the Deaf Smith County Wind Erosion District have established conservation practices through cooperative agreements with the District, according to M. W. Stewart, Chairman of the District Board of Supervisors.

Since the district was formed 651 cooperative agreements embracing 576,831 acres of land have been entered into between

the district and farmers and ranchers. During the 1950 fiscal year contour farming was established on 14,599 acres. This brings the total for the district to 146,035 acres.

Cover crops for protection of loose soils were planted on 1,421 acres, making a grand total of 9,993 acres. Crop stubbles were protected properly on 22,837

acres for a grand total of 276,901 acres.

Totals of other practices applied since the formation of the district include: Range improvement, 220,250 acres; Pasture improvement, 2,205 acres; seeding of rangeland, 6,688 acres; seeding of pastures, 1,629; Farm and Ranch ponds built, 97; Terraces built, 652 miles; Diversions built, 38 miles; Land preparation for irrigation, 8,595 acres; Improved methods of applying irrigation water, 143,417 acres.

Over the state farmers and ranchers cooperating with the 148 operating soil conservation

districts of Texas applied major conservation practices to 3,947,319 acres in the fiscal year ending last June 30. The year's work brought the accumulated total to 17,713,689 acres. Soil conservation districts cover 42 per cent of Texas.

The planting of cover crops to protect and enrich the soil totaled 815,901 acres, an increase of almost 34 per cent over the total of 609,948 acres in the previous year. This increase showed up largely in the Plains area where farmers planted extensive acreages to grain sorghums and sudan grass to overcome a serious

wind erosion threat. There were increases in the planting of cover crops in other parts of Texas where wind erosion was a threat. Especially the sandy areas around Dublin, DeLeon, Jacksboro and Vernon.

ATTEND CONFERENCE

In Abilene this week to attend the 10th Annual Northwest Texas Conference of the Woman's Society of Christian Service of the Methodist Church are: Mrs. Homer Brumley, conference recording secretary and Mrs. S. L. Easley delegate from the local organization.

RECIPE OF THE WEEK
By Mary Lee Taylor
Thrifty Peach Bavarian
Broadcast: October 14, 1950

1/2 cup Fat Milk
1/2 cup Sugar
1/2 cup Peach Juice
1/2 cup Lemon Juice
1/2 cup Gelatin
1/2 cup Raisins
1/2 cup Walnuts
1/2 cup Apples
1/2 cup Grapes
1/2 cup Oranges
1/2 cup Lemons

Chill milk until ice cold in a 2-qt. bowl. Drain peaches; save juice. Rub with vegetable oil a deep 8 or 9-in. round pan. Arrange 6 peach halves, cut side down, in pan. Chill. Heat peach juice to boiling. Stir in gelatin until dissolved. Remove from heat; stir in rest of ingredients. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater until stiff. Beat in gelatin gradually. Pour over peaches. Chill until firm. Turn out; garnish with Maraschino cherries, if desired. Makes 6 servings.

If there's not enough juice, add water.

You Will Need:
Pet Milk, Canned Cling Peach Halves, Lemon Gelatin and Lemons.

District Group of Boy Scouts Meet The Deaf Smith District committee of the Llano Estacado Council, Boy Scouts of America, met yesterday noon at the Jim Hill Hotel in Hereford. Chairman Robert Thompson organized. A report of the organization committee was made by Bob Wear, chairman. The District has a total of nine Scout units with 215 boys enrolled. The committee is working on the recharter of Post 50 and Pack 60. J. C. Reese, chairman of the Camping and Activities Committee, gave a report of activities in the District covering the attendance of five Scouts to the National Jamboree, attendance of Tommy Woodford at the Philmont Scout Ranch Junior Leaders' Training school, the Cub Scouts held a Pet Parade a week ago Saturday. Scouts from Hereford attended two camp periods at Camp Harrington under the leadership of Wm. R. Phillips and Gerald Wilson, Scoutmasters. Explorers Scouts of Post 50 and Scouts of Troop 50 also won several ribbons at the Annual Council Swimming Meet. The Committee passed a motion to send a letter of regrets to Dr. Milton C. Adams, who was injured in a car accident recently and who is now in the Veterans' Hospital at Albuquerque. Commissioner Urlin Streu gave a report on the Scout Leaders Round Table meeting for Boy Scout Leaders and Cub Scout Leaders held on September 20 with 22 leaders present. Neighborhood Commissioner John Hicks reported on the Cub activities and invited the committeemen to attend the Cub Leaders' Training School which started last night at the Methodist Church. Plans have been completed for the Annual Roll Call and Crusade Program for units in the District and Field Executive Harry DeLashmunt announced roll call meetings as follows: Post 50, October 2, Troop 52, October 3; Packs 50 and 52, October 6; Troop 51, October 5. W. J. Hiatt, Scout Executive, announced plans for observance of United Nations Day Program on October 24, also discussed Civil Defense service as could be performed by Boy Scouts in an emergency. The Bison Track award for increase in membership over last year was made to Bob Wear, Chairman of Organization. Scouters present were: Chairman Robert Thompson, Bob Wear, J. C. Reese, Urlin Streu, John Hicks, H. A. DeLashmunt, Jr. and W. J. Hiatt.

Rebekahs Hold Annual Friendship Program

Members of the Rebekah lodge met last week for the annual Friendship Night program at the IOOF Hall. Following a memorial service honoring the memory of a former member, Mrs. Alle Elston, a program entitled "Keys to the Temple of Friendship" was presented by Mesdames: Earline Manning, Pauline Lady, Ola Hacker, Allie Lomenick, Ella Cockrell, Catherine Russell, Orpha Nickerson and Leona Matthews. After the program a social hour was enjoyed and refreshments were served to approximately 35 members.

Wrestling Matches Scheduled For 8:30

Wrestling matches in the bull barn will begin at 8:30 p. m. Saturday instead of 9 p. m., according to Guy Lawrence, match promoter. The change of time will be permanent, Lawrence said.

By WILBUR MARTIN Associated Press Staff Pro football teams have used the field goal for years as a means of consistent scoring, but, honestly, how often have you seen a Southwest Conference team attempt one? Probably the most dramatic field goal attempt in the Southwest in many seasons was the one last year when Froggie Williams turned the trick to give Rice a victory over the University of Texas. And probably the most futile goal attempt in many years came in this same game, when on Texas' last play of the game, Ben Tompkins tried one nearly half the length of the field. The field goal has, for the most part, been a desperation, last second means of scoring for college teams. But the pros use it quite frequently—and with excellent results. Read accounts of the cash and carry games closely and you'll notice teams try a field goal in many instances where they wouldn't dream of a forward pass. Six points is, of course, a lot better than three. But early in any game, three points is a lot better than an intercepted pass. And if a field goal misses, no back can run the ball back the length of the field. Aside from having a scoreboard value, one of the biggest thrills in football is to watch some player attempt a field goal. You can see every player get set. Linebackers come up close. Defensive backs spread in case it is the extra attempt and a pass is

Building Activity Is Increasing At Adrain

By MRS. E. H. MOSTELLER

Adrain is certainly ringing with the sound of hammers these days.

The well house, which was partially torn out to permit cleaning the well out is being replaced. This is in the north-west part of town.

Close by is being erected a new four room building with bath on the Baptist Church property.

This building will be used for a while as an educational building. It will be a stucco building, twenty-eight by thirty-six feet in size. There are some carpenters being hired but all donations work will be appreciated. Eventually this building will be used as a parsonage.

The other building under construction at the present time is the new home of Mr. and Mrs. Lewis Johnston in the east part of town. This will also be four rooms and bath, and porch and a frame construction with the inside finished with sheet rock. Also Mr. Johnston will put in tile floors. Men helping Mr. Johnston are Mrs. C. W. Jones and Mr. Joe Elmore.

P-TA Begins Year With New Project

The Adrain Parent Teachers Association met for the first meeting of the year September 27 in the auditorium.

The house came to order and a business session was under the direction of the new president, Mrs. R. A. Gruhlkey. The PTA has chosen the lunch room as its project for the coming year. A committee was appointed to make an investigation as to what is needed and to meet with the school board to get permission to go ahead and carry out plans. It is hoped that we may be able to purchase an ew stove and steel overhead cabinets.

A request was made to the parents to furnish tea towels for use in the lunch room.

Mr. Weldon G. Reno, program chairman, simplified his problems by asking for volunteers to be speakers for he is responsible for each program. He had quite a wonderful response.

A social hour was enjoyed in the gymnasium at which time games of dominoes and "42" were enjoyed, after which all went to the lunch room for refreshments of sandwiches, cookies and punch.

Heiselman H-D Club Discusses "Beauty"

Mrs. Leonard Erwin was hostess to the Heiselman Home Demonstration club September 28 with Mrs. E. L. Brown, president, in charge of a short business discussion.

The program, "Beauty Care" was presented by Mrs. R. E. Caldwell who had acquired the assistance of Mrs. W. C. Briggs. Mrs. Briggs demonstrated the technique of giving facials. Mrs. Caldwell demonstrated mixing a hand lotion for care of hands during the winter months. It was reported a most interesting program.

Refreshments of pie with whipped cream and a choice of coffee or hot chocolate were served to Mesdames: Johnnie Doshier, E. L. Brown, C. O. Richardson, Henry Kinsey, Oscar Bronniman, Lorin Creitz, R. M. Gruhlkey and R. E. Caldwell. Visitors were Mrs. W. C. Briggs and J. R. Caldwell of Bovina.

The next meeting will be October 12.

Mr. and Mrs. V. E. Lemke went to Duncan, Oklahoma Thursday for a short visit with their daughter and family, Mr. and Mrs. S. R. Stinnett and family.

While there they visited relatives of Mr. Pinnell.

Guests in the John Horton home Saturday evening were Mr. and Mrs. John Skaggs, Mr. and Mrs. I. M. Smith and Mr. and Mrs. E. H. Mosteller. The men enjoyed a game of dominoes until the electrical storm deprived the entire town of lights.

Clyde (Skeet) Fincher returned home Saturday from North-west Texas Hospital in Amarillo where he had been confined for several days. He is quite improved in health.

Recent guests in the P. H. Abel home were Mr. Abel's half-brother and wife, Mr. and Mrs. A. Hutton of Hanna, Alberta, Canada. From here they were going to visit relatives in Wyoming and South Dakota.

Mr. and Mrs. Weldon G. Reno enjoyed as guests over the week end Mrs. Reno's sister and family, Mr. and Mrs. Roy Holt and daughters of Littlefield, Texas.

Mr. F. M. Brown and sons have bought yearling calves from near Dalhart and Canadian to put on wheat pasture for the winter to fatten for sale in the spring.

Mrs. Winston Holmes of McCamey, Texas came Friday to take her mother, Mrs. Lillie Reynolds and Paul Edward Jackson home with her for several days visit.

Guests of Mr. and Mrs. R. E. Caldwell, arriving Thursday were Mr. Caldwell's parents, Mr. and Mrs. J. R. Caldwell of Bovina. They returned home Saturday.

Mrs. F. M. Brown and son, Billy Don, shopped in Amarillo Saturday and also saw a show.

Mr. and Mrs. Alfred Reynolds have moved into the house just recently vacated by Mr. and Mrs. Mack Reed who have moved out to a house on Mr. D. C. Banks' place. He has moved to be near the end of his school bus route. Mr. Reynolds is now employed by the Loveless Oil Company.

Blackley Has Rough Test In Main Event

The third fall in the main match of the wrestling in the Bull Barn Saturday night came to a rough and tumble end when Dory Detton triumphed over Gene Blackley with a body smother.

The fall came when all three contestants featured in the matches rushed Blackley, butted him, knocked him down and gave Detton his chance to fall on him with the body smother.

Blackley was reported holding his own until Dory Funk of Old Tascosa, Detton and Paul Mischler of Indiana stormed into the attack.

The main was a tag team match with a one-hour time limit with the two best of three falls triumphing.

Dory Funk won over Blackley in nine minutes in the first fall. He used a spinning toe hold.

In the second fall Blackley came out over Detton in ten minutes by using a single crabs.

The first match, which was a one-fall event with a 20 minute time limit lasted the full twenty minutes and ended in a draw between Detton and Paul Mischler.

The second event featured Funk against Blackley. Blackley comes from Anson, Texas.

Henry Harold, who was slated for a grudge tussle with Funk failed to appear and Mischler, formerly scheduled for referee, substituted for him. Yaqui Joe, New Mexico Indian, served as referee.

Although plans for Saturday night's match are not yet complete, Funk was slated for the main.

FRIO: NEWS

Week-end Hail Does Slight Crop Damage

By MRS. GLEN ANDREWS
Brand Correspondent

At least an inch and a half or two inches of rain fell in some parts of this community on Sunday night with some hail. The feed seemed to be stripped up some from the hail, but no great damage seemed to be done. In the southern part of the community only a sprinkle fell and field work was resumed on Monday morning. The rain extended about a mile south of Frio and traveled to the northwest.

Mr. and Mrs. R. A. Gilliam spent Saturday night, Sunday and Sunday night in the T. L. Sparkman, Sr., home. They were on a return trip from California, where they took his mother. They left Monday-morning for their home at San Angelo.

Several from Frio attended the

Water Users meeting at Dimmitt Thursday night. They reported a large number present and considerable interest shown in the meeting.

Mr. and Mrs. H. E. Lindley had as guests in their home on Saturday night his brother and wife from Perryton. On Monday, Mr. and Mrs. Jack Shirley and children, of Elona, were visiting the Lindleys.

Rev. and Mrs. R. L. Shannon were Sunday dinner guests in the J. H. Dobbs home.

Mrs. Kunkle of McLean, is visiting her daughter, Mrs. D. Johnson and family for several days.

The Bill Starrs were hosts Sunday at a birthday dinner honoring Mrs. Starr's brother, J. B. Thompson. Guests included the Hiram, M. B. and Ray-

mond Odom families, all from south of Dimmitt, the Thompson family, Leroy Dowdy, Tommy Irwin and Mr. and Mrs. J. B. Thompson.

Mr. and Mrs. Henry Andrews and Doris Jean went to San Antonio during the week end to visit with Mrs. Andrews' brother, Robert Lee, who is stationed with the Army there. They expected to be accompanied by a sister, Mrs. Clifford Gordon, and Mr. Gordon from Lubbock.

New Sunday School officers began their year's work last Sunday. They are as follows: Superintendent, D. Johnson; Assistant Supt., Bill Starr; Secretary, Oma Ruth Thompson; song leader, Leonard Irwin; Pianist, Mrs. Owen Andrews; Church Clerk, Clark Andrews; Beginner teachers: Mrs. Henry Dobbs and Mrs. Bill Dickson; Primary teacher, Miss Lavada Shannon; Junior teacher, J. E. Andrews and Mrs. E. H. Little; Intermediate teachers, Mrs. Bill Starr and Mrs. D. Johnson; Young Peoples teacher, Mrs. W. W. Lowe; Young Adult Class, Mrs. Owen Andrews and Adult Class, E. B. Berryman and Leonard Irwin. Training Union Director is Henry Dobbs.

Mrs. Elmer Jones and Mrs. A. T. Jones are both still in the hospital at Hereford.

Floyd Cole was victim of food poisoning Friday and spent the night at the hospital. He was able to return home Saturday morning although he was still very weak from the illness.

Mr. and Mrs. W. A. Springer were shopping and attending the cattle sale at Clovis on Thursday.

The Elbert Summers, Hart, visited the parental Springer home Sunday.

Mrs. E. M. Green planned to go to Portales on Wednesday of this week to take Mr. Green's mother home. The elder Mrs. Green has been visiting her son here. Mrs. W. A. Springer planned to accompany them.

Claude Pastor Opens Revival Meeting Here

Revival services opened Wednesday morning, Oct. 4 at the First Baptist Church with Rev. J. D. McDaniel of Claude, Texas, in charge.

Rev. R. H. Cagle, pastor, said the services will be held each morning at 7 o'clock and each evening at 7:45 o'clock. The meeting will continue through October 15.

Explorer Post Holds Roundup

Explorer Post 50 held their Annual Fall Roundup Party Monday night at the Scout Hut. Eleven members of the Post were present for the roll call and Uniform Inspection which opened the meeting.

The inspection was conducted by District Commissioner Ufflin, Streu and Council Scout Executive Wilbur J. Hiatt.

A brief Investiture Ceremony was held for six new Explorers who recently graduated from Boy Scout Troops. The new members were: Robert Miller, Nelson Pierce, Melvin Lomenick, and Dabney Williams from Troop 50 and Otis Vaught and Tom Woodford from Troop 51.

Other members present were Alton Brock, Kenneth Brock, Ted Houston, Larry Slaughter, and Orin Teed.

A Court of Awards was also held which was presided over by Dabney Williams, recently elected Senior Crew Leader of the Post. Second Class Scout Award was made to Robert Miller by Tom Woodford. Mr. Streu awarded Merit Badges in Swimming and Life-Saving to Robert Miller and in Cooking and Hiking to Tom Woodford. Mr. Hiatt presented Robert Miller and Nelson Pierce with ribbons won at the Council Swimming Meet held at Camp Don Harrington last August.

Bill Phillips, the new Post Advisor, presented Service Stars to most of the members present. Orin Teed was given special recognition for having completed over seven years of service as a Cub Scout, Boy Scout, and Explorer. Bill Phillips showed color slides and movies taken of Scout camps and hikes during the past two years.

Coleman, Waldron Melton, Mr. and Mrs. Jimmy Thomas and children, Mrs. Merlin Kaul, and Mr. and Mrs. W. B. Nunley and children.

The next meeting will be a Halloween Party and wicker roast at the home of Mr. and Mrs. James R. Coleman on Friday night, October 13.

Mr. and Mrs. Joe Landers and Mrs. Merlin Kaul were callers in the Roy Landers home Monday evening.

Mr. and Mrs. Joe Landers returned Sunday afternoon from Oklahoma, where they have been visiting relatives. They spent a week with his mother, Mrs. Cordia Landers, and his sister, Mrs. Bert Bleeker and family near Wewoka and visited Mr. and Mrs. Dave Aldridge at Tecumseh and Mr. and Mrs. Audrey Duncan at Sentinel.

Mr. and Mrs. Johnny Townsend and daughters, Patsy, Sandra, and Terry, visited Sunday in the E. E. Allen home at Adrian.

Mr. and Mrs. Bert O'Connor and Mr. and Mrs. Clifton Combs spent the week end at Plainview.

Mr. and Mrs. Billy B. Jackson entertained friends from Lubbock Saturday and Sunday. They went to Palo Duro Canyon for a picnic in honor of their

ton, The Carlsbad Caverns at White City, New Mexico; El Capitan mountain and the Guadalupe mountains and canyon, the Davis mountains complete with Mount Locke and the McDonald Observatory, the Davis Mountain scenic drive and the weird and beautiful scenery of the Big Bend.

We found West Texas meals reasonable and tourist cabins averaged \$4 a night. Hunting and fishing were in abundance.

Fort Stockton presented far stretching plains broken by flat

top mesas. Although quite hot during the day, the nights were cool-to-cold.

After passing Pecos you leave the peaks of the Davis mountains and pick up the blue haze of the Guadalupe chain. As you head to Carlsbad, you find yourself nearing El Capitan peak, the highest point in Texas, 8,078 feet.

Then, through the wonderland that is Carlsbad Caverns, undoubtedly one of the Seven Natural Wonders of the World. We went 829 feet below the surface of the earth and had lunch

in the Cavern cafeteria. Emerging three hours later we were sated at the foot of El Capitan peak. Highway 180 suddenly dropped off into Guadalupe Canyon, where one is presented a 3,000 foot high view of the 100 mile long valley.

After covering the Valley to Van Horn, we swung south into the Davis Mountains toward Alpine.

Auto Victim Reported To Be Much Improved

By MRS. A. L. CROSS
 Brand Correspondent
 Pres Trower, father of Bernard Trower, is reported to be very much improved from injuries received when he was struck by an automobile recently at West Grand Street in Clovis.

Trower sustained head injuries and a broken leg when he was struck by the car and dragged about 46 feet.
 He is in an Amarillo hospital.

Pinkston, husband of the injured woman, had stopped to put chains on the car. Another automobile, driven by Archie Daugherty, was in collision with the Pinkston car.
 Still another vehicle driven by Dr. I. D. Worrell of Clovis was approaching from the other direction and also was involved in the accident.

All vehicles were damaged. Mrs. Pinkston and son, however, were the only persons injured in the accident.

Mrs. Pinkston sustained a broken arm and chest injuries and her son's arm was broken in an accident on the highway between Clovis and Broadview.

Miss Cotney lived in this community about 20 years before moving to Clovis.
 Funeral services were held at the Methodist Church. With burial in the Bellview Cemetery. She is survived by three sisters: Mrs. Eva Smith of Clovis, Mrs. Gertrude Cranford, Wolf Bayou, Ark.; and Mrs. Bertha Davis, Texarkana, Ark.; and a brother, Ira Allender, Stockton, Calif.

Mr. and Mrs. W. P. Ridley and family have returned from a trip to Alabama.

Accompanying them on the trip were Mr. and Mrs. Patric Ridley and Jap Ridley of Portales.

Mr. and Mrs. A. D. Cross and sons of San Diego and James Cross of San Angelo have returned to their homes after a two week's visit in the home of A. L. Cross.

Last week end A. L. Cross, Mr. and Mrs. A. D. Cross and sons and Mr. and Mrs. Jim Cross of Hereford visited their grandmother at Spur, Texas.

Mr. Joe Head has gone to Oklahoma to hold a singing school.

Mr. and Mrs. James Williams of Clovis visited in the home of W. W. Lacey, Jr., Sunday.

Mr. and Mrs. Floyd King visited Mr. and Mrs. Eldred Brown of the Garcia community Sunday.

Sam Mitchell and Gay went to Canyon Sunday to visit Mr. Moore who is in very poor health. Glenneth Harrington, who is

DO YOU KNOW what an "injunction" is?

An injunction is an order of the court directed to a person or persons directing that they do certain things to prevent damage to another, or that they refrain from doing certain things which would damage another.

Most injunctions are prohibitory. That is they order the person to whom they are directed not to do the things complained of.

An injunction will be issued only in cases where there is no other adequate available relief to be had in the courts. They are frequently used in divorce cases, but very sparingly issued in other types of cases.

To begin proceedings to secure an injunction, the party desiring the same must file a sworn statement in the proper court, setting out his reasons for believing he is entitled to an injunction. Having filed the sworn statement, it is then presented to the Judge for his consideration. Should circumstances be urgent, he may immediately allow temporary relief, and grant a temporary order, setting a day for further hearing with all parties concerned present, to decide whether or not to make the temporary injunction permanent.

One who violates the orders of the court as set out in the injunction is subject to penalty as being in contempt of court.

(FOR FURTHER INFORMATION ON THIS SUBJECT, SEE YOUR LOCAL ATTORNEY.)

Class Entertains With Supper Party

Mary Martha Class of the First Baptist Church entertained at an informal buffet supper party Thursday evening in the home of Mrs. Sandford Smith. Honored guests were members leaving the class and new officers coming into the class. Mrs. Smith gave the invocation and after the supper the diversion for the evening consisted of individual life histories, given by members as a measure of getting acquainted.

PROGRESSIVE NEWS

Old School Building Is Converted By HD Club

By MRS. C. C. BOWMAN
 Brand Correspondent

When the school bell ceases ringing, and the doors of the school house are closed, and the growing weeds cover play ground it presents a picture of desolation.

It has a decided witing influence on a live community.

Not that people as a rule are unhappy. They need only to look toward the rising sun to see the new school bus winding its way toward their homes and realize the educational advantages their children have that were denied Mother and Dad.

But to the Progressive community the problem of just what to do about the school house remained unsolved.

It was then that the Progressive HD Club stepped in and did something about it.

By various means and donations a building fund was started to convert their school house into a community center.

With this idea in view the club met Tuesday—guest day—in the home of Mrs. C. C. Bowman for the purpose of formulating plans for amateur night at Hereford High School, October 13, at 8 p. m.

Mrs. Argen Draper, agent, gave a very interesting demonstration on crafts and textile painting.

As fundamentals of home making the knowledge of color in painting on linens, drapes and

chair protectors were discussed.

Each member displayed some article of achievement in glove making, corsages and pictures.

Recreational exercises were conducted by Mesdames Robert Barnhart and Pete Carmichael.

Refreshments were served to the following: Mesdames C. C. Billingslea, E. O. Billingslea, E. E. Clark, Robert Barnhart, L. e. o n

Coffin, Bert Coffin, Pete Carmichael, V. E. Dodson, D. Y. Edwards, W. R. Gentry, Edgar Lemons, Taft McGee, T. J. Parsons, Ira Ricketts, Clyde Russell, M. T. Sparkman, C. R. Weathers, Miss Augustine Gregory, Mrs. Argen Draper, agent.

Guests were: Mesdames T. B. Alston, M. D. Buttrill, Raymond Beans, Walter Lemons, J. G. Newkirk, J. L. Park, Gerald Wilson and J. W. Vick.

Mesdames Coffin, Carmichael hostesses.

The next meeting will be held with Mrs. Robert Barnhart on October 17.

Walker, Kelley Not Likely To See Duty In Muleshoe Tangle

In what will be one of the most closely contested games in Panhandle Class A football this week end, the Hereford Whitefaces will travel to Muleshoe Friday night for their last non-conference game of the season.

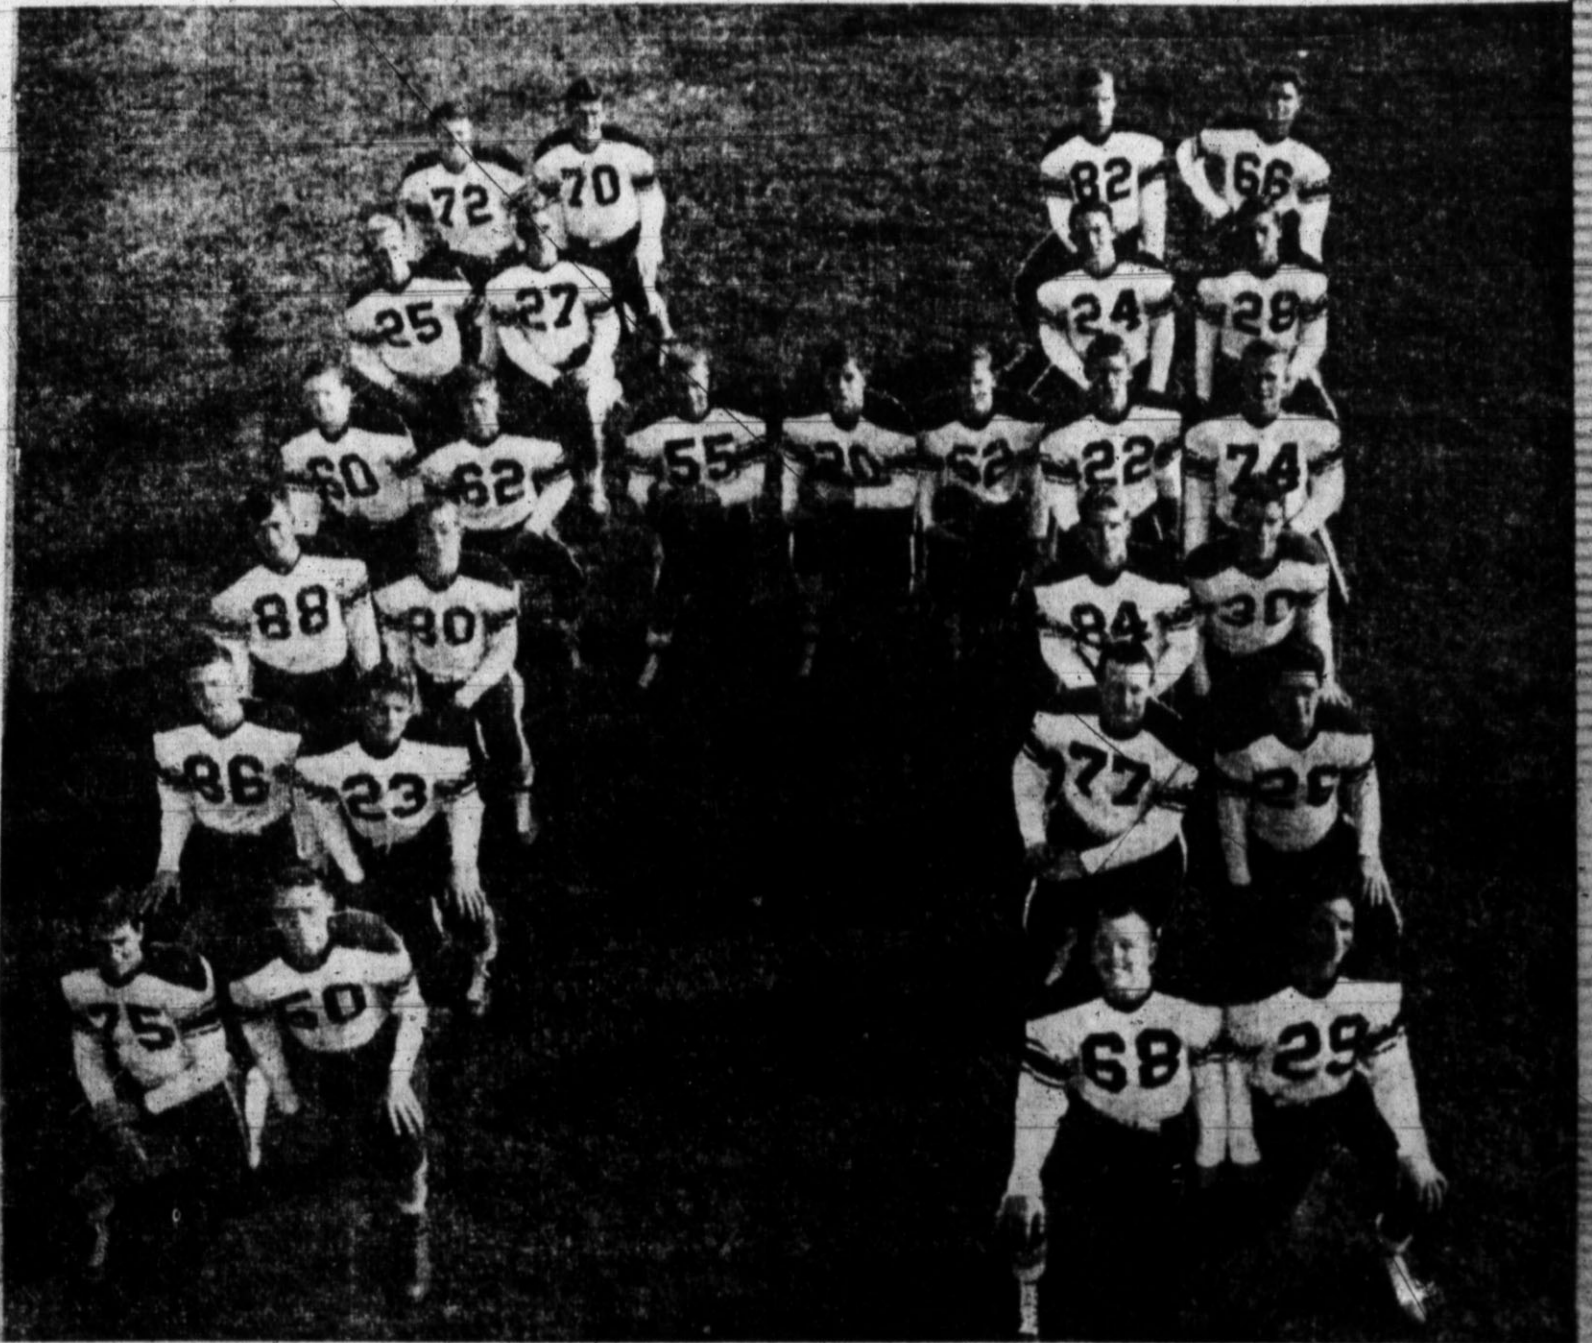

Advance information, however, indicated that Hereford would enter the tangle minus two top ranking backs. Bill Kelly and Duane Walker. Kelly is suffering from a bruised leg and physicians Wednesday said there is little doubt that he will be on the bench for the entire game. The same prospect awaited Walker, who is recovering from a bruised back. Both boys are coming along well, but will not likely be in the game, Coach Criswell said today.

Loss of the two experienced ground gainers will be a blow to the Hereford squad, but Criswell said the boys were looking good otherwise and would put up a real fight. He indicated that a general shuffle of the Hereford backfield would find Morton and Slagle playing halfback positions, with Engman shifted to fullback and Stanton holding down his regular post at quarterback.

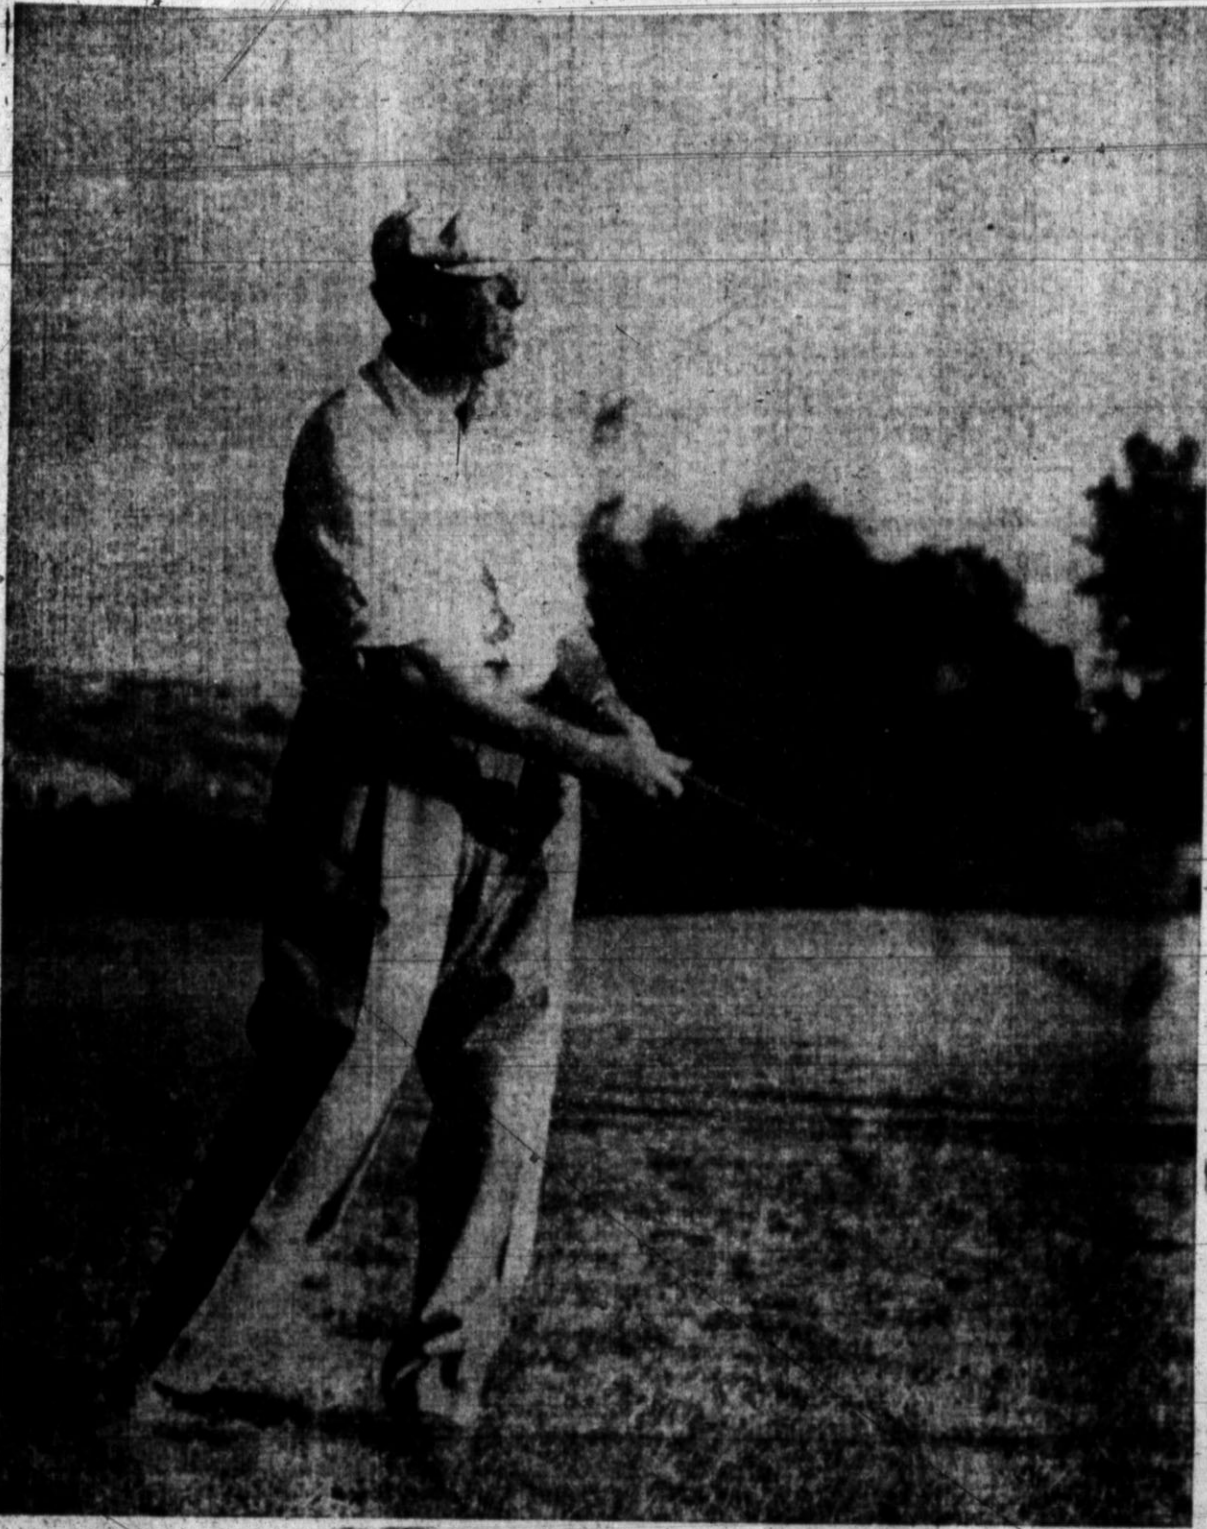

Dopsters gave the Whitefaces a slight edge in the tangle, which was termed as one of those games "where anything could happen." Hereford with two wins and two losses, gained 15th place this week in the top 15 class A teams in the Panhandle, stealing the spot from Muleshoe when the frisky Mules dropped their game to comparatively weak Brownfield by a 19-14 count. This was the first loss credited to the Mules this season, but their schedule had not been too difficult.

The Whitefaces, due to a large number of faces which are showing in the line-up this year, have consistently been improving and should be in best form yet seen this season—except for player injuries.

The two teams, having played no common opponent, are difficult to compare. The Brownfield squad which dropped Muleshoe last week did play Phillips, however, and lost by a 19-point margin. The Mules won their first three victories over Tahoka, Portales and Slaton. The Whitefaces dropped the first game to McLean, came back to take Tullia, lost to Levelland and redeemed the loss by winning over Friona last Friday.

THAT 1950 WHITEFACE SQUAD which, according to predictions, is improving every week. The Whitefaces, this week were ranked for the first time in the top 15 Panhandle teams, are scheduled to meet the Muleshoe Mules Friday night at Muleshoe. Indications of a close game are seen in the fact that the Whitefaces replaced the Mules for 15th place in Panhandle standing when Hereford defeated Friona and Muleshoe dropped their game to Brownfield last Friday.

AN OLD TIMER ON THE GOLF COURSE is J. A. Pitman, who played golf when Hereford maintained an active club several years ago. During the period when Hereford had no active golf organization, "Pit" dropped the game—and is one of the few earlier players who is taking an active interest in the re-organized golf association. At ways a formidable foe, "Pit" today shoots first flight golf and in the words of his opponents "has more fun than anyone else who shoots the course."

"WE FIX FLATS"

An announcement by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living.

It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years.

It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Superstroke Engines which deliver up to 30 to 35 miles to the gallon.

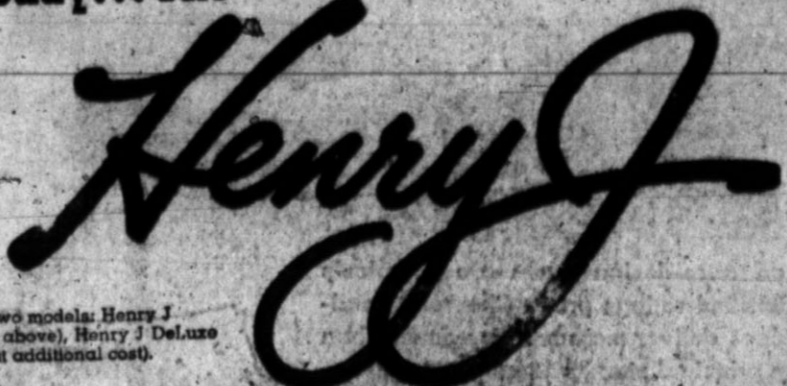

The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation.

It is the car that you and every American family can afford to buy, to operate, to maintain... and be proud to own.

The most important new car in America!

Here today... The

Available in two models: Henry J (as illustrated above), Henry J Deluxe (six-cylinder at additional cost).

Important because... It's Smart! Smart to look at... smart to own! Notice the extra-wide doors... front seat 58 inches wide... head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because... It's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car... short turning radius permits the easiest parking.

Important because... It's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Superstroke Engines. (Henry J—4 cylinders; Henry J Deluxe—6 cylinders.)

Lower cost... lower maintenance... lower repair bills... lower insurance... lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Built to Deliver the Best on the Road!

Long Time Ago

25 Years Ago
Deaf Smith county made a splendid showing in its agricultural exhibit at the Tri-State Fair at Amarillo, this year. Judging was completed Wednesday and announcement made that County Agent Dunkle's exhibit had tied Randall county for second place. Hartley county took first place, Hale county fourth and Gray fifth.

The result is a distinct triumph for Agent Dunkle, who, with the aid of Prof. Humble and B. Francis, worked under great difficulties preparing this exhibit. J. B. Elliston returned from Abilene fair and gave some time to this booth also. But the major part of the exhibits gathered had been sent to Abilene and afterwards Mr. Dunkle picked up what he could during a week of continued rains so that he was unable to get around or secure many things he needed. Those who visited the Amarillo booth praised the arrangement and beauty and were highly pleased with the showing made. The awards were made on points.

The scoring was on attractiveness and arrangement, grain and sorghum, wheat and cotton, oats and barley, alfalfa and sweet clover, peanuts and forage crops, fruits and forage crops, vegetables and other crops.

The awards follow:
Hartley county, 1st. 941 points.
Randall county 2nd. 911 points.
Deaf Smith, 2nd. 911 points.

Edward H. Blood, land and cattle commission man, as well as property owner in this county, has been busy for some time working up a project to drill for oil in the vicinity of Garcia Lake, situated about 30 miles west of Hereford. It is understood that Mr. Blood has a man with the capital to drill the hole provided he can secure leases sufficient to justify the venture. The importance of the project was called to the attention of the Chamber of Commerce by Dr. Overton.

A crowd that could not be seated attended the weekly luncheon of the Chamber of Commerce at the Stockman's Cafe last Monday. These luncheons continue to grow in number and enthusiasm and is beginning to be a problem as how to handle them successfully.

The first bale of cotton to reach Hereford for the 1925 season was brought in Monday morning. It was raised by R. R. Jackson, who lives nine miles southeast of Hereford, across the line in Castro county, adjoining the Hoffman place.

The bale was light, weighing but 370 pounds, and was sold at public auction on Main street, under auspices of the Chamber of Commerce, Tuesday afternoon. It was bid in by the gin people for 23 cents per pound. In addition, Mr. Jackson received a cash premium of \$75 from the Chamber of Commerce for his enterprise.

It is expected that other bales will begin to roll in fast now, and the gin men are getting ready for a lot of business this fall.

With the greatest feed crop in years in the fields, some of it already beginning to fall down, with labor scarce, and the farmers itching to get into the fields and at work this plain country continues to get soaked nearly every day just enough to keep the workers out of the fields. "No trouble at all for it to rain or snow," as one farmer put it this week.

It has been raining a little nearly every day. Thursday morning about daylight it literally poured for nearly an hour and the streets were running in water. However, the sun broke through the clouds and there was a good promise of clearer weather.

The scarcity of labor with which to harvest the enormous feed crop and to pick cotton has been giving local farmers grave concern of late. With one of the largest feed crops in the history of the country in the field it seems almost impossible to secure help. The Chamber of Commerce has success so far. Counties to the south and east absorb the newcomers before they reach here.

L. Baskin, in charge of the labor bureau during the absence of Secretary Moss, is hopeful of securing some Mexican crews soon and is also working hard to secure all the white labor possible.

The expected golf match last Sunday afternoon between Lubbock and Hereford failed to materialize, as the visitors did not put in appearance. Next Sunday the local team is scheduled to go to Amarillo and play the Hillcrest outfit.

Henry Wilkinson, president of the First State Bank and Trust Co., of Hereford, has let the contract for the construction of no less than ten farm houses, each

to be accompanied by a barn and windmill, each house to be erected on a half section of land, which is to be broken out and sold on easy terms to actual bona fide farmers.

The contract for the construction has been given to Jake where desired, and are to be of substantial and permanent construction. Material is expected to arrive in a few days and Mr.

Tiefel will be busy with his force within the next week or ten days. Mrs. Wilkinson made the following statement:

"I am improving the old C. R. Moreman six-section ranch, consisting of 3916 acres. This land lies about fifteen miles north

from Hereford and about the same distance south of Vega, in a farming community."

Guess what those "lucky" Juniors are doing? Yep! Selling magazines! If any of you need to renew any subscriptions or subscribe to any new magazines, "now is the hour."

Goodness, we thought there was a big bunch of the HHS ex-students at the Tulla game the other night but when we got to the Levelland game we found that the Friday night before had been a mere drop in the bucket. Some of the "EXES" we saw at the Levelland game (but by no means all of them) were: Johnny Cockerham, Tommie D. Carnahan, Joe Morton, Joe Bob Thompson, June Heck, Glenna Finley, Dorrell Jansen, Bobby and Betty Kathryn Owens, John Higgins, Lewis Hembree, Marilyn Matthews, and many, many others. Come on and let's make a better showing at the Muleshoe game than we have in the past games. Let's really support our team.

Did you notice how dressed up everyone was last week? Reckon it could have been because of annual pictures? We were certainly amazed to find that Miss Rigler has been teaching her English II classes all about stories! You can imagine the relief we felt when we found that the stories were not fibs but literature. Good luck in teaching them all you can, Miss Rigler, YOU'LL need it, I'm afraid.

So long, kids, see you next week. We hope!

Your Opinion, Please!
By JANELLE CARTER
Question: What do you think of our football team this year?

Betty Henry: The boys are doing a swell job, even if we are not winning all of our games.
Pat Sullivan: I think it is a good team and I think it will improve a great deal during the year.

Mrs. Don Little: It is going to be all right.
Coach Criswell and Coach Stark: Fine group of boys to work with and they are certainly showing improvement. We are having marvelous cooperation.
Leonard Walterscheid: I think it is just as good as the one last year but little better. Not as much experience as the one last year, but we will be quite a bit better by the time district starts.

Don Martin: I think it is better than the work they have shown on the previous games played. Also it is showing much

The first few games of the season rarely show a team's true strength. For example Hereford was rated one of the top powers in the region last year then they lost their last three games. On the other hand Canyon did not start to win till district play started.

The Whitefaces may not have hit their stride yet for a good many of the their players are Sophomores and Juniors who played on the "B" team last year. They just aren't as experienced as some of the teams they have met. They learn and improve fast. This improvement has been shown in every game.

Hereford plays in one of the most rugged districts in the region. But what district wouldn't be rugged with teams like Phillips, Dalhart, Canyon, Dumas, and Perryton to compete with. Phillips has one of the largest teams in her history. Dalhart has speed and experience. Most opinions are that Hereford will finish third or fourth. However, if the Herd were to pull an upset or two they could win the district.

Congratulations to the "B" team on their 27-4 win over Tulla. Frankie Boyce led the scoring with two touchdowns and an extra point. Aubrey Self scored eight points. Garner Freeman who played excellent defensive ball the whole game scored the first touchdown on the second play from scrimmage when he intercepted a Tulla lateral and went over for a touchdown. The rest of the "B" team played good steady ball on both offense and defense.

The Whiteface journey to Muleshoe tomorrow night to play the last non-conference game of the season. So why not go to Muleshoe and support the team.

Junior High

Gayle Gault
Over at Junior High there is a new Pep Club organized, Barbara Winget, Georgia Lewis and Kay Bernard are its cheer leaders. They have 61 members and are learning to march.

The Junior High football boys played Friona and beat them 7 to 12. Their next home game will be October 18th. They are going to play Happy.

In the band, Martha Brown is drum major. The twirlers are Peggy Willier, Margaret Scott, Bonnie Lewis and Sammy McLallen.

Buzz Box

This column is where somebody's business becomes common knowledge. Please don't worry if it is yours because it will be someone else's next week.

Bill Engman, what do you do in study hall, read letters or write letters? Mail to and from Canyon is very popular this year. If you don't believe that just ask the editor, she thinks so.

Jeanne, what is the matter? Don't the football boys patronize the D&S as much as could be desired on Saturdays? Maybe you should talk to them about it.

When someone has time please ask the radio station to dedicate "Tears on my Pillow" to Daune Walker. Bill and Bill prefer "I'll Never Be Free Again". Mr. Criswell, do you ever have trouble with those boy's minds wandering?

Do Fatsy J. and Ted reserve their friendly relations to sixth period study hall or do they let it reach outside of school hours? Here is the cry of the week — BEAT MULESHOE!

Race Prejudice

GARY WALKER
I was in American History class and a discussion started about Negroes entering school with people of our nationality. I wondered what people thought of this so I made a survey and this is the outcome:

Pat Walton, "I think Negroes should be able to get just as good an education as white children, but I would rather have schools furnished for them."

Nancy Owen, "I think Negroes should be put on an equal basis with the white people."

Mrs. Hudspeth, "The Negro is different from every other citizen, so why shouldn't he be given an equal chance at an education as any other citizen. I personally am not concerned about what school he attends so long as he has a school to attend, and gets the opportunity he needs."

Johnny Fields, "I think Negroes should be on equal rights with the white people because they are citizens of the United States just like we are."

Bill Kelley, "Their responsibility to the government is the same as ours, so their chances should be too."

This is what they thought! What do you think?

REDUCE WIND and CORN BORER LOSSES

with a **JOHN DEERE No. 200 Corn Picker**

Remembering the 1949 corn harvest—when high winds and hungry borers laid the crop low—you'll want to be prepared to save down corn this year.

You'll cut field losses to a minimum regardless of crop condition with a John Deere No. 200 Two-Row, Pull-Type Corn Picker. Long, gently-sloping gatherers with hinged points and low-down gatherer chains pick up the down stalks and guide them to the aggressive snapping rolls. Long wood and rubber husking rolls do a good job in heavy or light crops. And, contour rows present no problem, for the close-coupled hitch keeps the wagon directly under the elevator hood.

Weighing from 700 to 1,000 pounds less than other two-row, pull-type pickers, the John Deere is a "working" picker when fields are too soft for heavier machines... a lighter load on your tractor. See us for complete details.

Mrs. Johnson Reviews At Pioneer Study Club

"The Edge of Time" by Louella Erdmann was reviewed for members of the Pioneer Study Club Tuesday afternoon.

The meeting was held at the home of Mrs. H. E. Miller with Mrs. Ray Johnson giving the review of the book. Mrs. Johnson said: "Miss Erdmann has definitely tied together a series of prairie vignettes to form a coherent and sympathetic story of one woman's victory over the frontier. These highly polished little stories within a story, concern a prairie fire, blizzard, a drought, a community preaching, an all-night dancing party, the death of a baby and the miracle of green grass pushing through the soil of virgin furrows. Through it all runs the gold thread of a woman's high courage."

Mrs. Mary Seigler, president of the club, conducted a brief business session.

In attendance were Mesdames: Fred Barrett, A. G. Bell, J. E. Beyer, Bonnie Bramley, Jay Boston, H. A. Close, Burl France, Carl Gilliland, Ray Johnson, F. M. Kester, Tandy Legg, Wirt Phillips, Mary Seigler, B. E. Robinson, Frank Terrell, Al Werner, J. M. Gilliland and the hostess.

Final Rites Held For John Hastings

Final rites were held in the Dimmitt Methodist Church Sunday for Joan Alvin Hastings, 34, life-time resident of Dimmitt, who died in the Plainview Hospital Friday after a brief illness.

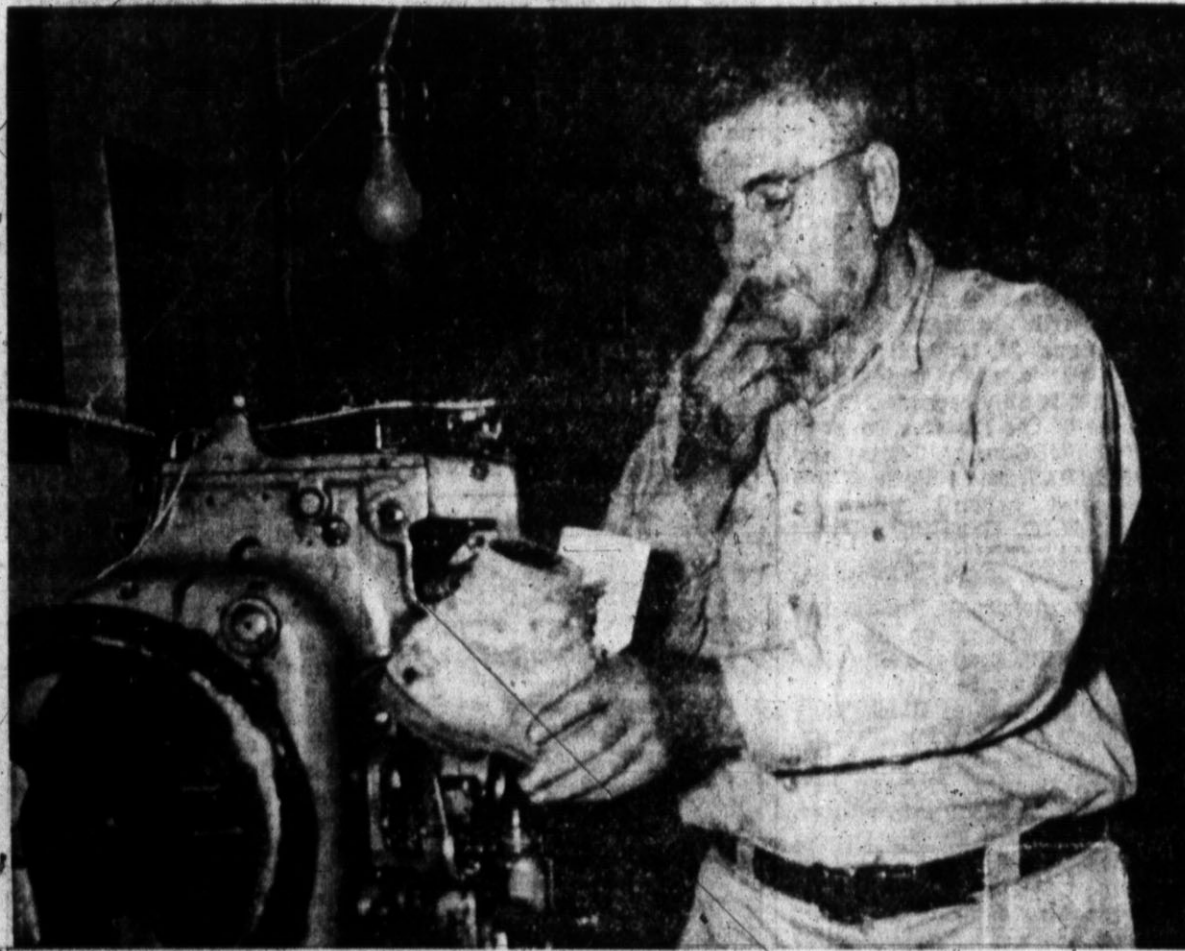

John Alvin Hastings was born in Dimmitt September 25, 1916, to Mr. and Mrs. Joe W. Hastings. He married Neva Lois Miller, and two children were born to the union.

He is survived by his wife; his parents; a son, Larry Keith, 4; a daughter, Lois Mary, 8; two brothers, Odus and Richard, both of Dimmitt; and two sisters, Mrs. John Gantt, Pickens, South Carolina, and Mrs. Lon Booth, Dimmitt.

Interment was in the Dimmitt cemetery.

RETURNS TO ART SCHOOL

Elizabeth Benson, daughter of Mr. and Mrs. George Benson, returned September 18 to the Kansas City Art Institute, where she will continue her study of interior design. This is Miss Benson's second year attending K.C.A.I.

MEN AT WORK—Jack Hagar, shoe shop operator, repairs a shoe. Mr. Hagar came to Hereford from Post City in 1917, and worked for a while at the old Harrison Elevator. He has been operating a repair shop since 1929. He has eight children: Ruby, Carol, Fern, G. B., Lewis, Bess, and Paul. The other son, Clyde, lost his life during the last war as a Coast Guard member. All of the children are married and all but two live in Hereford; Bess lives in Stephenville and Paul in Amarillo. Mr. Hagar is an active member in the Assembly of God Church.

School Problems Are Discussed For Club Group

Mrs. John Winkler was hostess for the Young Mothers Study club meeting held last Monday night, Sept. 26. Roll call entitled "Out of the Mouths of Babies" had to do with clever sayings of children.

Mrs. G. W. Edwards gave the program and gave a discussion on the topic "If your child has school troubles," using material gained first-hand from a survey conducted in the local schools. Mrs. Edwards gave a report on the survey conducted by principal Don Marlin who interviewed a group of grade school teachers. The main fact brought out was that children have less school trouble if they have been taught obedience, independence and resourcefulness, in the home. Mrs. Edwards concluded her program by summing up every day problems of the school child with suggestions for aid in helping him get adjusted.

Members attending were Mesdames: Leroy Aven, Delbert Bainum, Richard Barnard, W. L. Davis, Jr., W. B. Dowell, Charles Dye, G. W. Edwards, Norman

Gray, Paul Harvey, Cecil Malone, Don T. Martin, Joe Reinauer, Earl Stagner, Neal Young, Donald Dee Henslee and the hostess.

HOSPITAL BENEFIT

TASTEFUL COOKING

of course, its electric!

... and with ease! Yes, cooking electrically these days IS easy and fast. Top-of-range elements heat instantly... give off uniform heat to assure fast, even cooking. Cooking electrically IS easy but baking, it seems, is still easier. Baking electrically is as automatic as can be. You place your mixings in the shining oven, set the controls, then, if you want go to an afternoon movie or have fun on a shopping trip to town. When you return your baking has been done for you... and that honey-of-an electric range has even shut itself off. You'll love your electric range... your husband will love the meals you cook on it. He'll compliment you on the flavor of the food... not just one time but every time. Why not see about your electric range tomorrow?

THERE'S AN ELECTRIC RANGE TO SUIT YOU

Thirty makes of electric ranges are represented in the Panhandle-Plains-Pecos Valley area served by Your Public Service Company.

These thirty makes offer many, many models... one for your needs. Visit the electric appliance dealers in your city... see the many makes and models of electric ranges now available.

FACTS ABOUT MONEY!

THE FIRST PAPER MONEY

The very first paper money to be issued in the American Colonies was in 1690 by Massachusetts. Money was needed to pay the wages of soldiers engaged in a Canadian expedition and since there was so little metallic coin available, the Colonies were forced to issue paper money to finance the operation.

Holds Everything... on any hill!

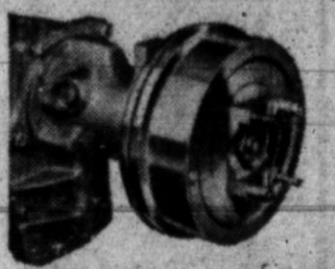

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just

one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

Low Easi-Lock Parking Brake ... with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it... there's built-in value all the way through!

Chrysler Driving Advantages:

Fluid Drive... automatic gear shifting with exclusive car control. High Compression Spillfire Engine... extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for far greater wear. Waterproof Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:

Personalities

(Continued from Page 4)
 In January. He plays football and is very cute and black headed. He weighs about 134 pounds and is 5'4" tall. Classification is that of a sophomore and is very good at drawing. One hobby is watching and playing football. Another hobby is sleeping.

Senior... Who's Who

Barbara Smith
 Linda Betzen is another fan of sports from our senior class. She also likes friendly people. Among her dislikes are poor sports and rude people which is her pet peeve. Linda is an active member of the Whiteface Staff and the C.Y.O. She likes to eat chocolate cake and to read books is her hobby. A swell pastime, don't you think? Linda plans to

attend St. John's Hospital and Training School at Tulsa, Oklahoma after she finishes HHS. Her opinion of the HHS is, "It's all right when you are a Senior."

Often at the candy box at noon we see Ted Houston who is a member of Hi-Y. Ted likes cherry pie and to watch football and basketball games. He dislikes working out for track, homework, unfriendly people, and he said his pet peeve is 'Pat Frye.' While Ted is doing the homework he dislikes he enjoys eating bread and mayonnaise. He said he would probably attend Tech at Lubbock and become a forest ranger later in life. His hobby is hunting and sports. Ted said: "I think that it is the most friendly school in the Panhandle," when he was asked his opinion of HHS.

Another Senior who is frequently seen smiling is Wanda Block. She is one of the extraordinary people who has no dislikes. Among the things she likes are: nice clothes, football games, and good radio programs. She shows her love of football games by being a loyal member of Pep Club. Even though she has no dislikes her pet peeve is 'teachers who assign a lot of homework.' Her favorite food is fried chicken. Wanda plans to attend West Texas State at Canyon and to work in a photographic studio. Her hobby is collecting kodak pictures. When asked her opinion of HHS, she said, "I think HHS is the best school I have attended."

Teacher's Who's Who

By EVELYNE TUCKER
 Texas is back on top in the life of Mr. Claude C. McDougal, who is one of the three new teachers in HHS. He is a native Texan but he attended the University of New Mexico at Albuquerque. Since then he has taught school for 25 years, twenty of which were spent in Clovis Public Schools. He is teaching English

FORT HOOD, Texas—Recruit Douglas M. Kelley of Hereford recently arrived at Fort Hood and has been assigned to a combat unit of the 2d Armored Division for basic training. He attended Hereford High school where he was a member of the football team. Rec. Kelley plans to take advantage of the many opportunities offered by the army by making it a career.

West Hereford H-D Club Hears Talk

West Hereford Home Demonstration Club met with Mrs. E. M. Cox recently with members answering roll call by giving ways of planning a balanced diet. Mrs. Carlos Vaughn, was in charge of recreation.

Guest speaker for the program was Mrs. Earl Springer who talked on "Cancer and Polio Symptoms."

The next meeting will be held with Mrs. Ida Vaughn on October 10 in the First Christian Church parsonage.

Those present were Mesdames: Vern Witherspoon, F. L. Alexander, R. N. Yarbro, Tom Draper, Carlos Vaughn, Ida Mae Vaughn, Edna Bowe, A. L. Thomas, John N. Jacobsen, Sr., Ulys Pierce, Jack Flowers, L. N. McMurry, Howard Gore, Fred Saltzman, Minnie Walker, Miss Evelyn Bell, Miss Ara Lewis and the hostess.

III in HHS. His favorite food is beef steak, and wheat farming is his hobby. He is married and has one son who is an ophthalmologist. He likes to see people smile so go by and give him one of those bright smiles. His room is number eleven.
