SIGHTS, FACES SEEN

Mr. and Mrs. Ross Fuller of Brownwood visited this week in the home of his sister and brother-in-law, Mr. and Mrs. Frank L. Terrill, and with friends. Mr. Fuller, who was formerly in the feed business here, said he got along just fine until he kept hearing Bing Crosby singing "My Home Town on Christmas" and he had to come home.

Nolan Grady finally "gave up the goat" Tuesday. He had had the Jaycee goat in the membership drive since Thanksgiving Day. He begged and persuaded. Six people promised to join the Jaycees so Grady could get rid of the goat. Finally, Tuesday the Jaycees felt sorry for him and let him take the goat home. The goat was undisturbed about the whole matter. Grady untied George, the goat, and George didn't even want to leave the house.

Someone said they saw "flying saucers" going over Hereford Monday at noon, but there has been no confirmation.

Kent Snare and Jerry Stoltz, Cotton-Bowl game ticket winners in the recent contest sponsored by the Brand, already have their tickets to the game. They report they're on the 50-yard line.

Cawthorn Bryant still hasn't dropped by to pick up his tickets and is urged to do so.

Mumps are gradually dying out, according to county and city health officer Dr. L. B. Barnett. Fewer cases are being reported each week, he said.

Not many adults have had the mumps this year, but those who have, had trouble with them.

The child who had diphtheria since early in the week is now out of isolation and was released from Deaf Smith County Hospital yesterday, but will be quarantined at home, said Dr. Barnett.

Glenn Weir has it all figured out. He says the only way to stop this war is to let Joe Stalin say something about Margaret Truman's singing. Truman will punch Stalin in the nose and the war will be all over.

The Hereford Garden Club will meet at Mrs. O. G. Hill's home Friday afternoon at 3 o'clock. This will be the Christmas meeting and will be held in place of the tour which had

Dwaine Walker Now Is Out of Isolation

Dwaine Walker's condition is reported good at the Parkland Hospital in Dallas, said Dr. L. B. Barnett yesterday. His condition is no longer considered serious. Dr. Barnett said, but he will be in the hospital a few more days. As far as the encephalitis is concerned, he is doing very good. Dr. Barnett added. His head is clear now and he is able to read.

Dwaine is out of isolation now and is able to receive company.

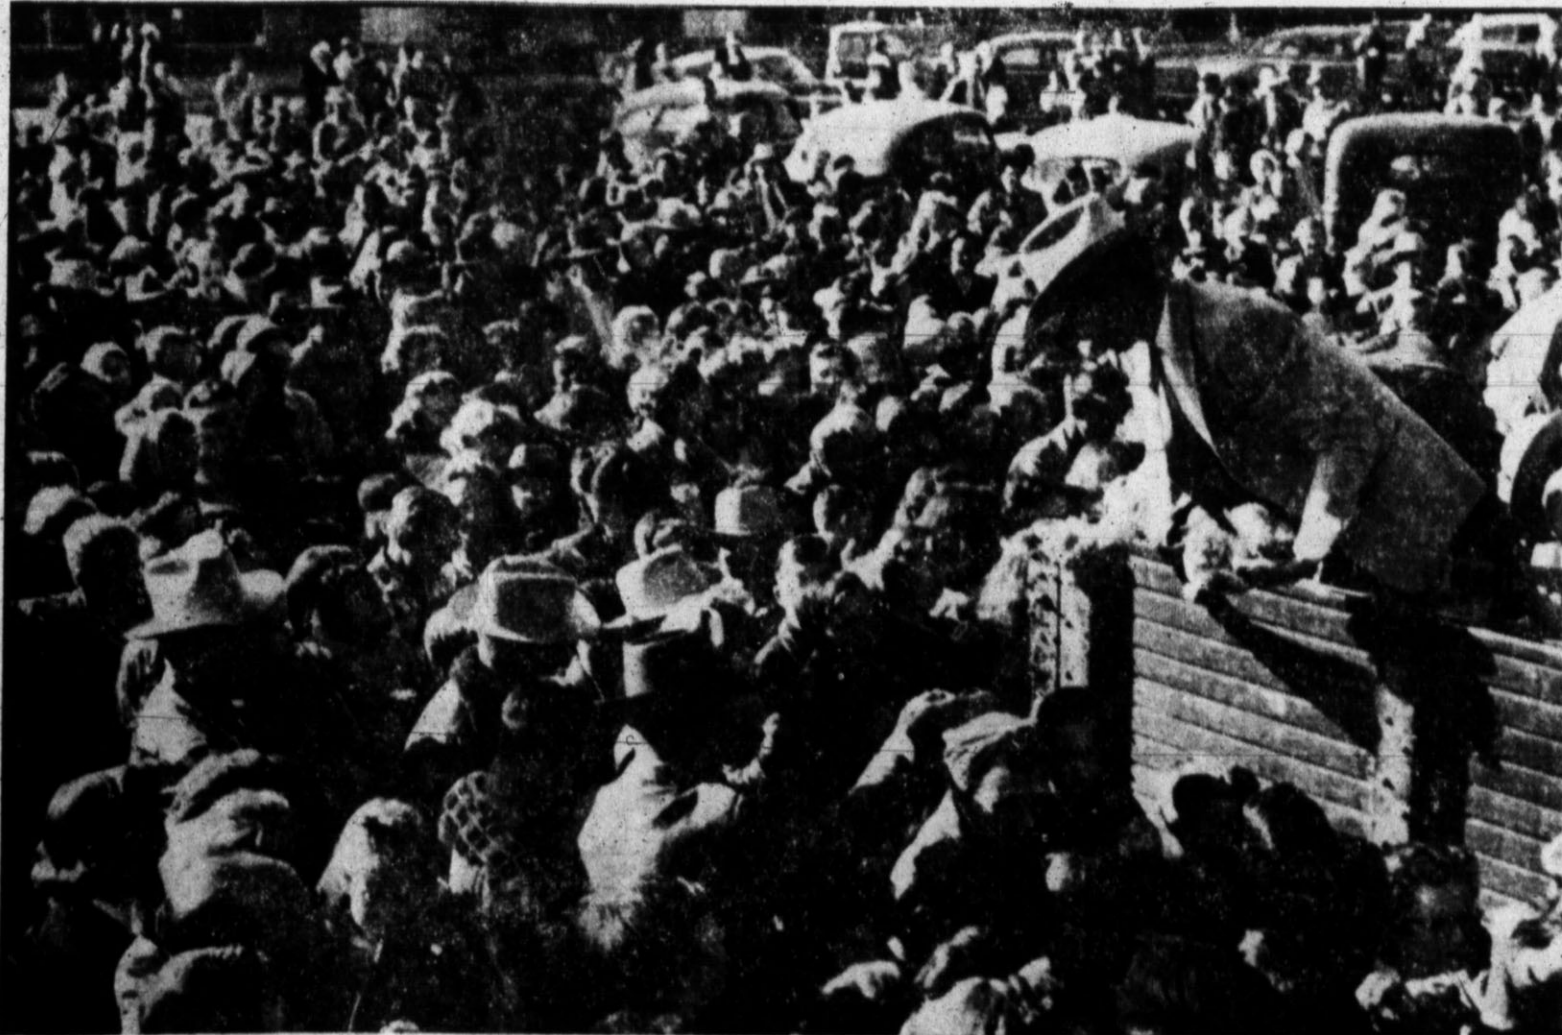

Pencil Saves Life Of Soldier in Korea

Sgt. Bob Davidson, brother of Mrs. H. E. Miller, believes a pencil saved his life when he was recently wounded while in combat in Korea.

Davidson said he had reached for a cigarette when a bullet shattered his hand, hit his pencil and bent it double.

According to a letter just received by the Millers, Davidson, who is with the 7th Infantry Division, was wounded on December 1 and spent about a week in the trap, recently described by Korean newsmen. He is now recuperating in a hospital in Japan where both his feet were reported frozen and the hand shot up badly.

The Sargeant's home is in Houston where his wife and two children are now living. He spent two or three years in service in World War II.

Five Volunteers For Air Corps Enlisted

The rush is on at the recruiting office in the court house, according to Sgt. H. M. Riddle, who signed up five volunteers for the Army Air Corps Tuesday and had about 42 boys in the office Monday making inquiries. The five men, Leland Elbert Smith, James Lester Suttle, Bobby N. Carnahan, all of Hereford, Donald G. Gamble of Adrian, and Wendell H. Simms of Happy, went to Amarillo yesterday for preliminary examinations.

Nearly all men who are making inquiries are draft age, said Sgt. Riddle, however, he pointed out that one of the volunteers is only 17 years of age and went with the consent of his parents.

All the boys will have a delay-route in order not to report until after the holidays. They will report to Lackland Army Air Force Base, San Antonio.

Thirteen Enter Jaycee Contest

Thirteen entries were made in the Jaycee's Christmas Outdoor Home Decoration and Lighting contest. Tuesday was the deadline for entering the contest which will be judged soon.

Rules of the contest were simply to decorate and light the outside of the home, using any type of light or decoration.

Those officially entered in the contest are: M. K. Kozier, 605 N. Main; Betty Culpepper, 603 25 Mile Avenue; Mrs. James W. Whitherspoon, 410 Lawton; R. W. Ford, 517 Main; Third Grade Room, Mrs. Thompson, Teacher, Shirley School; Urlin Streu, 413 McKinley; Joe Hellman, 110 B. Ave.; Mrs. Nola Ralston, 114 E. Ave.; A. L. Manjock, 122 E. Ave.; V. L. Hilton, 111 Avenue C; Mrs. W. C. Hromas, 119 Texas Street; Mrs. Nola Ralston, 114 Avenue E; Mr. and Mrs. Lloyd Neill, 304 Ave. J.

Water Users Re-Organize, And Elect New Officers Over 200 Attend Meeting

Over 200 men and women interested in the use and control of underground water in the area gathered in the Jim Hill hotel Wednesday morning to re-organize the local water association and to stage what was described as "the best and most constructive water meeting ever held in Deaf Smith county."

Beginning their meeting at 10:30 a. m., those attending heard Arthur Duggan, legal representative for the High Plains Water Users and Conservation association, who gave a brief summary of the history of events in the water war.

He told how the High Plains association had come into being and followed the history of its operations from its organization in 1946 until the recent events which have brought the water situation once more to a crisis.

continue to sit around here as we have been, we are going to lose control of our water.

"They're Still After Us"

Duggan said the forces in Austin and elsewhere seeking to gain control of the underground water here were "still after us," and that "One or two individuals among us can't fight it."

"Whether or not you keep control of the water here is up to you," Duggan pointed out.

The Littlefield attorney said the controversy over control of the use of underground water arose when a group attempted to pass a law which would place ownership of the water in the hands of the state instead of the people, who have always owned it.

Such a law would give industry priority over agriculture in the use of water, "as is now done in many states," he said.

McFarland New President

Tom McFarland, manager of the Hereford Chamber of Commerce, and a veteran of the water war since its beginning in 1946, was elected president of the organization, and replaces Howard Gault, who presided at the meeting Wednesday. Other officers are Vice President, John D. Aiken, treasurer, Claude Ricketts, and secretary, Bruce Miller.

Aiken followed Duggan's informative address with a talk in which he stated "If we con-

Huge Crowd Attended Santa Claus Parade

Santa Claus was here yesterday with his reindeer and everyone was in town to greet him.

The largest crowd ever to have gathered here for a parade witnessed the Santa Claus parade yesterday when small towns all around Hereford were well represented in the crowd, estimated at from 8 to 10,000.

When Santa stopped in front of the Jim Hill Hotel to talk to the children and hear their last minute Christmas requests, the streets were completely filled. Children were crowding through to Santa, begging their parents to carry them and really enjoying the whole affair.

Nearly as big an attraction as Santa himself was the big bags of candy, fruit, and nuts given by the local merchants through the Jaycees who sponsored the parade and the decorations for Christmas. The Jaycees filled 3500 sacks for distribution, were given out and 100 more needed.

Leading the parade was a usual police car followed by flag bearers of the Hereford Riders on prancing horses. The Hereford Whiteface Band in full uniform, participating their second local Santa parade of the season.

Visiting Hereford for the parade was the Muleshoe band, colorful uniform, led by salaried drum majors. Original floats, helping show the accomplishments of the organizations, were prepared by both the Boy Scouts and Camp Fire girls.

Center attraction of course was Santa himself, in a sleigh drawn by the real reindeer from up North. Others included in the parade were the Cub Scouts, Hereford Riders, American Legion, and many new cars shown by local dealers.

Christmas Business Exceeds Last Year

Merchants in Hereford agree that Christmas business this year is exceeding last year. Some merchants expressed grateful surprise that shopping this year has been so good due to the fact so many crops in the county were not up to par this year. They all agree that business really picked up when checks from the milo harvest started arriving.

Following is the question of the week: How does Christmas business this year compare with last year?

Paul Harvey, manager of Anthony's Christmas business this year is running about the same as last year. Looking at the month as a whole, he has to consider the fact we had one more shopping day in December this year before Christmas than last.

S. B. McAllen, manager of Penney's: Our business is running a little more than last year. Last year was about 20 per cent better than ever before. The grain money, which began coming in about the first of last month, really did help our business. Just a world of farmers hadn't taken money in until about the first of last month.

J. R. Johnson, manager of Rutherford's: Our Christmas business is running better than last year. The new location probably makes the difference. Business has picked up a lot just recently.

J. B. Pool, manager of West-

Many Christmas Gifts Received For Welfare

Mrs. R. Dyathila Bradley, welfare and Red Cross worker, says a wonderful response has been made to last week's request for more supplies for the needy for Christmas. The calls by individuals and groups wanting to donate supplies and money started coming in Sunday and are continuing now.

With the offers and gifts already in and still being promised, Mrs. Bradley is sure the need will be well met. She said the picture at the office now may look confusing to the outside, but those who stay and watch find the scene a big thrill. The telephone is ringing constantly with more offers. Many organizations are volunteering to do the delivering of their donations themselves. The office has not refused any offers.

"We have two bikes that could be given if they were repaired," said Mrs. Bradley. "They are god bikes, but someone is needed to repair them."

A drive for socks was begun Sunday, and Mrs. Bradley says (Continued on Page 3)

Holds Battler But Is Unhurt

Mrs. Leonard Curtsinger should be rated with the carnival snake performers. Last week end she carried a live rattlesnake — without her knowledge, of course — and didn't get bit.

Mrs. Curtsinger milked the cow and then turned her out to eat some bundles she had carried from the stack to the lot. A rattlesnake came out of one of the bundles and bit the cow. The veterinarian was called and the cow is now all right, although it did become

Two Are Arrested On DWI Charges

Bill Wallace and R. C. Lemons were arrested by Hereford City police officers and charged with driving while intoxicated Sunday. Wallace plead "Not Guilty" and his bond was set at \$500 in County Court Monday.

Lemons pled guilty to the charges brought against him and was assessed a fine of \$150 and costs.

ill from the bite. The Curtsingers live in the last house on the west end of Norton Street.

Jaycee - Kiwanis Grid Match Off

The football match, between the Hereford Jaycees and the Hereford Kiwanis club has been cancelled, according to all information available from the slated to play the game.

Although announced for Friday night, December 22, the game was either cancelled or postponed until an unannounced date. Members of the clubs said the December was too near Christmas prospective fans would tend Christmas parties.

Equipment had been secured from West Texas State college through the efforts of REA manager Leo Forrest. Buffalo Coach Frank Kimbrough said the game would be available at noon Friday, and both Jaycees and Kiwanians expressed their appreciation both to Kimbrough and to George Graham and Dalton Criswell, who had provided other equipment and the ground on which to play the game.

Club members said they expected "plenty of cuts and bruises" from such an affair, and that "it wouldn't be worth it if only a few attended the game."

Although the Jaycees were able to report a complete starting lineup, the Kiwanians said not enough players could be found in the ranks of their organization.

The date for the game, if played, will be announced later. It may be changed to a basketball game, in view of the danger to life and limb, Jaycees and Kiwanians reported.

Man Pleads Guilty Of Property Theft

T. A. Watson entered a plea of guilty to a charge of theft of property in Judge L. H. Foster's county court Monday.

Watson, who was arrested by City Police officers, was fined \$15 and costs of court.

THE WATER USERS in the photo above were concentrating on the words being addressed them by spokesmen for the High Plains water association. More than 200 persons, most of whom operate water wells for irrigation purposes, attended the meeting, elected new officers, re-organized and heard talks by Arthur Duggan of Littlefield (See Inset), new vice-president John Aiken and retiring president Howard Gault. Lyle Blanton, representative of this area in the High Plains association, stood by throughout the meeting, helping with information he has gained in his many years of work with the water controversy.

Mumps Giving Only Average Trouble to Its Victims in Frio Community

Mrs. Owen Andrews

So far, the mumps seems to be giving its victims only average trouble for the most part, but Charles Ralph Springer was an exception. He has been in the Hereford hospital since Friday, and will probably be there several days more. He was better Sunday, but has not been able to eat anything. He was being fed glucose, through the veins.

Mr. and Mrs. Leonard Irwin are announcing the arrival of a son, born on Thursday, December 21, at the Dimmitt hospital. The baby has been named Danny Harold. Mrs. Irwin and baby came home on Saturday.

The Robert Simpsons and Mrs. John Simpson took John Simpson to Groom, on Friday to see a doctor. Robert and Mrs. John Simpson went back on Saturday for him.

Visitors at church Sunday night were Rev. J. B. Harlin and Mr. and Mrs. J. P. Hays and children, Shallow Water.

Rev. and Mrs. Harlin and daughters were here for the general services Saturday, at Hereford for Mrs. Harlin's brother, Travis Matthews. Rev. Harlin is attending school at Hardin-Simmons at Abilene.

Sincerest sympathy to the family has been extended in behalf of the entire community.

Mr. and Mrs. J. P. Hays and children Brenda and Jed, visited the H. F. Bensons Sunday afternoon and spent Sunday night and Monday with the Owens. They are looking for a place in this vicinity. They worked for the Bensons about three years ago and have been farming near Shallow Water the last two years.

Mr. and Mrs. J. C. Simpson, Mrs. Robert Simpson and Nettie Owens were Christmas shopping in Amarillo Wednesday.

Mrs. Oscar Hunt was called to independence, Kansas, on Thursday to see a brother who had undergone a serious operation. She expected to meet her parents at Kansas City and go on from there with one or both of them.

Mr. and Mrs. Henry Dobbs, and Larry, Mr. and Mrs. Mable and Kent, Rev. Mrs. R. L. Shannon and Miss Eda Shannon were dinner guests in the Mable home Sunday.

Plans were for little Kent Mable, son of the Raymond Mables, to have, out his tonsils at the Hereford hospital, on Monday.

Mr. and Mrs. J. B. Thompson spent Sunday with his parents, the W. H. Thompsons.

The Bill Stary's are now located at 309 S. E. Peniel St., Bethany, Oklahoma.

Ava conference on Wednesday night, the Frio Baptist church voted to buy 100 new Broadman hymnals, before the first of January. The Brotherhood will make racks for the new song books.

Twin boys were born to Mr. and Mrs. Kenneth Lisenbee of Raleigh, N. C. on December 8, according to word received here by his mother, Mrs. Gertrude Lisenbee. Lisenbee, who was reared in Hereford, is now in the Naval Air Corps, stationed at Norfolk, Va. The Lisenbees have a three year old son.

Danger of Fire Is Greatly Enhanced By Christmas Tree

THE AVERAGE CHRISTMAS tree can go up in smoke in only two minutes. That doesn't leave much time for the fire department to get there.

A live tree with roots packed in a bucket of earth is the safest. Be sure and keep the dirt moistened. A small tree is safer than a large one and festive trimmings can make up what it lacks in size.

Keep the tree outdoors until you are ready to set it up inside. When you bring it in, keep it in the coolest part of the house with the radiator nearest it turned off.

Use nonflammable aluminum foil, not cotton or paper—to conceal container in which tree is "planted." Use nonflammable trimmings on the tree.

Don't use lighted candles. (This may seem an unnecessary precaution in this day of electric lights, but lighted candles contribute to tragic fires every year.)

Check the wiring for the tree to see that it's not frayed and is in perfect condition. The switch for turning off and on electric lights should be at some distance from the tree. Don't plug or unplug lights beneath the tree.

Don't leave tree lights on when it isn't necessary and especially when the family is away from home. From time to time, check over the tree and see if needles near the lights are turning brown. If they have, move the lights.

Watch the calendar. New Year's is the day for the tree to go down. If you should extend the time, don't leave the lights on the tree for more than a half hour at a time.

Letter To Editor

Hereford, Texas
December 19th, 1950
The Editor of the Hereford Brand,
Hereford, Texas

Dear Editor:
The question of the picture of the late Jim Hill, now hanging in the lobby of the Jim Hill hotel is under discussion. This picture taken of him while virtually on his death bed and does not do justice to him in any particular, had a picture of him taken two years before, would have shown him to be a fine looking vigorous man of the United States Senate, for he was gifted with oratory, as well as a commanding appearance, so, in order to do justice to this fine pioneer citizen, it seems advisable to remove this present picture from the frame and replace therein a picture showing him as the man he really was in the prime of life. Mr. Hill is entitled to the credit of the erection of this splendid Jim Hill hotel, named in his honor, for he contributed more than any one else to its erection. I feel sure that if he were alive today and could see this present picture of him that he would not approve of it being hung in the lobby, as it is.

Truly yours,
L. Baskin

Golden Gloves Set For January 23-27

Hereford fist artists in the amateur class, were advised this week that dates for 12 of the 20 regional Golden Gloves tournaments in Texas have now been set and the remainder are expected to be announced soon.

The tournament at Amarillo has been announced for January 23 to January 27.

Odeesa may be the first to qualify amateur boxers for the State Tournament in Fort Worth Feb. 14-19, for its dates, Jan. 17, 18 and 19, are the earliest yet announced.

Others announcing dates include Abilene, Feb. 2-5; Brownwood, Feb. 1-3; Corpus Christi Feb. 5-7; Dallas, Feb. 1-5; El Paso, Jan. 31-Feb. 2; Fort Worth, Jan. 18-22; Houston, Jan. 30-Feb. 1; San Angelo, Jan. 29-Feb. 1; Waco, Jan. 24-29; and Wichita Falls, Jan. 31-Feb. 2.

Dates for the Austin, Beaumont, Bryan, El Paso, Harlingen, Lubbock, Paris, San Antonio and Tyler tournaments are being planned now.

When the firing ceases in the State Tournament, the field, which originally covered the State from the Panhandle to the Rio Grande Valley, will have been narrowed to eight champions, who will be rewarded with a trip to Chicago for the Tournament of Champions.

In Texas, the Golden Gloves program is sponsored locally by civic organizations and news papers, State-wide by the Fort Worth Star-Telegram.

Milton Ruid, former Hereford resident, recently received a civil service appointment as a teletype operator in Washington, D. C.

Post Holiday Rites

In 1937, a Waukegan, Ill., minister and the residents of one city block decided to do something about the disposal of the family Christmas tree. Nothing is more foolish than worn out Christmas trees. They serve better fates than being dumped in alleys and vacant lots, and they constitute fire hazards on back porches and in basement areas.

So, Waukegan held its first annual Twelfth Night observances, committing the trees to a community bonfire amid the chorusing of carols.

And the custom has waxed. Residents of several communities, choruses, soloists, etc., participating as the spirits of the Christmas trees are dispatched to some far Valhalla to return to bless a future Yuletide.

in the case of surface water. Water users on the High Plains began fighting the move from the beginning and have continued to do so, Duggan said.

"Folks decided we needed to do something constructive to win our point," the attorney said. He explained that the High Plains Water association had composed and had passed a law which vested control in underground water in the people and which provided for the formation of water districts for conservation of the water.

The law, now on the statute books, provides for the re-charging of underground reservoirs, spacing of wells and proper construction of wells, Duggan pointed out.

Latest Danger

The spokesman said the state-appointed Texas Water Code committee had prepared a report for submission to the legislature. The recommendations of the report, if adopted, would effect underground water as well as surface water. Duggan said the committee was appointed to study only surface water.

The committee's recommendations would, in effect, undo all the work done so far by the

High Plains association, Duggan said.

8845 Subscribed

After the meeting membership cards were issued to all who wished to participate in the organization. Approximately 100 persons became members, or renewed their membership in the Deaf Smith county branch of the High Plains Water Users and Conservation association.

The newly-elected president, Tom McFarland, said a total of \$845 had been paid by members. Vice-president Aiken had pointed out in the meeting that an assessment of \$2 per irrigation well in the area would be necessary to bring the association out of debt. Members paid \$5 for each well.

Still other users of irrigation wells in the county were expected to become members of the organization at a later date. Both Duggan and Aiken explained that funds and enthusiasm "were necessary—absolutely necessary if we want to fight this thing successfully."

Aiken's talk was hailed by retiring officers and others as the "spark the meeting needed to make it a success."

Pick Harman of the Hereford Store related a story Monday which, if nothing else, indicates his employees take an interest in their work.

Mrs. Harman brought her formal evening gown down to Pick and asked him to have it delivered to the cleaners for cleaning. Later, when an employee saw it, he remarked, "My! What a beautiful table cloth. How much are we going to sell it for?"

A father and son program will be staged by the Kiwanis club at their regular meeting today at noon.

Members of the organization were urged to bring their sons "or somebody else's son" to the meeting.

1951 Whiteface Schedule Ready

The schedule for the Hereford Whiteface football team for the year 1951 was released yesterday by Coach Dalton Criswell. A total of six home games have been scheduled for next year, while four will be played

at other towns. Only one open date remains on the schedule. The schedule is as follows:

RECIPE OF THE WEEK
By Mary Lee Taylor

Deviled Cheese Snacks
1 1/2 cups shredded cheddar
1/2 cup butter
1 tablespoon salt
4 teaspoons flour
1/2 cup Fat Milk

1 teaspoon bottled mustard
8 slices bread
16 slices strips
American cheese
(3 1/2 x 1/2 in.)

Cook and stir beef in hot fat over low heat until edges curl. Sprinkle flour over beef; stir in milk slowly. Boil and stir 1 min. Remove from heat; stir in mustard. Cover and let stand. Turn on oven; set at moderately hot (400°). Remove crusts from bread; toast on one side only. Cut each slice in half to form strips. Spread beef mixture on untoasted side of bread. Put a strip of cheese on each. Put on baking sheet. Bake on center rack of oven 7 min., or until cheese is slightly melted. Serve warm. Makes 4 servings.

You Will Need:
Pot Milk, American Cheese, Dried Beef, Flour, Bread and Bottled Mustard.

Baptist Union Holds Session

The Women's Missionary Union of the First Baptist Church met for a noon luncheon and program at the church Wednesday. The Ivey Miller circle was host group.

Tables combined a holiday theme with the theme of the program "Missions in the Air."

After the opening song, the introduction to the program was given by the leader, Mrs. Wayne Williams. Mrs. J. B. Sneed gave the devotional, "Airmen Spread the Gospel on Commercial Wings," was the topic discussed by Mrs. F. L. Graham and Baptist Mission-owned wings was the subject of a talk by Mrs. Jimmie Alfred. Mrs. D. C. Kinsley discussed "Why not answer the urgency of wings for the Gospel?"

Special music was furnished by Mrs. J. T. Wood and Mrs. E. W. Young. Mrs. Wayne Williams closed the program with a reading "Seeing Side of Christmas."

The meeting marked the close of the year for the group. The next regular luncheon session will be held on January 3.

Employers Are Advised To Know Workers Status

Employers in Hereford and Deaf Smith county were advised this week to take inventory of employees who are liable for induction under the Selective law, according to a news release from Local Board No. 18.

Emphasizing the need for early action in cases of deferment for essential civilian workers, Brig. Gen. Paul L. Wakefield pointed out that employers should submit any information regarding their employees to the local board "before they are classified and in any event as early as possible."

He also emphasized that any request for classification in a deferred class must be taken up with the employees' local board and not with the Selective Service state headquarters.

"The law prevents our doing anything about such eleventh hour requests," the state director continued, "as Selective Service regulations provide that, once a man has received an order to report for induction, his case cannot be re-opened by the local board except for a

change in status over which he has no control."

General Wakefield made it plain that his headquarters would do nothing about such cases, even though it had authority, without first obtaining an opinion from local boards involved.

Husbands Entertained

Sunshine Club members entertained husbands at a Christmas party given in the home of Mrs. Oscar Vaughn Friday evening. Mrs. George Minor directed the holiday games and Patsy Watts, Nancy Edwards and Wayne Edwards entertained with vocal Christmas music.

Special gifts were arranged for husbands and the children present and gifts were exchanged by members when secret pals were revealed. The next meet-

ing of the club will be held on January 8 with Mrs. B. C. Watts.

Refreshments were served to Messrs. and Mesdames Calvin Edwards and children; George Minor and family; Buck Watts and Patsy J. C. Mays and Anthony, D. F. Mathis, C. E. Shepherd; Clint Lundry, Fred Higgins and Mesdames Clara Mathis, Maude Fralley and the hostess.

Elizabeth Benson, daughter of Mr. and Mrs. George Benson, has arrived for the holidays. She is attending an art school in Kansas City.

Mr. and Mrs. C. C. Nolen and daughter, Cynthia Jane, of Austin are guests in the home of her parents, Mr. and Mrs. Elmer Dameron.

Phillips-Lawrence Receive Awards At Dinner Party Here

Weeks of work were climaxed Tuesday night with the presenting of a 10 point program award to Phillips and Lawrence Nash at a dinner party at the Jim Hill Hotel Tuesday night, by the Nash Motor Company.

The 10 point award was inaugurated in 1946 by Nash Motors and has since been adopted by two other major automobile manufacturers under another name.

The 10 points are Capital Assets, Ample room to operate, Location, Signs, Appearance, Service, Parts, New Car Display, Used car facilities and Book-keeping.

R. L. Martinson, zone manager and J. W. Yantis, district manager, both of Dallas made the presentation of the awards—a plaque of gold on wood. R. L. Martinson in a few remarks before the presentation pointed out that Nash Motors and Nash Dealers are a well integrated organization, and that both had to work close together for success. He said that they felt newspapers in any community were considered their closest friends and were ready to cooperate with them in anyway.

Ten-point program pins were distributed to Mr. and Mrs. Earl Phillips, Mr. and Mrs. Guy Lawrence, Clay Angelo, Francis Stipe, Mack Stipe, Mr. Hartman and Ray Robertson.

Guest of the party included Don Golem of the Brand Staff, and Mrs. Ray Robertson.

Both Earl Phillips and Guy Lawrence, co-operators of Phillips and Lawrence here, expressed their appreciation at having received the awards.

Martinson said "It's not an easy award to win, and we're always proud when a dealer and his staff comply with all the requirements necessary before presentation may be made."

Receiving Awards for having successfully complied with ten rigid requirements in the Nash-Kelvinator Ten Point program are Guy Lawrence (examining award) and (right) Earl Phillips. Phillips and Lawrence, owners of the Phillips & Lawrence Nash agency here, received the metal and wood plaque at a dinner party in the company's honor Tuesday night at the Jim Hill Hotel.

Legends Associate Mule, Gentle Camel of Jesus With Gift-Giving Custom

Syrian legends have associated the Magic Mule and the Gentle Camel of Jesus with gift-giving, for reasons that are at once different, and yet similar in their association with the Christ Child.

It seems a certain traveler tied his mule to a tree when he went into an inn for refreshment on Epiphany Eve. Just at midnight, when the boughs of the tree bowed down in homage to the Holy Infant, the mule was caught up on the rebound and found cradled high up in the branches by its returning master.

The youngest camel of the three ridden by the Wise Men was exhausted by the pressing journey and was blessed with immortality by the baby Jesus as it lay moaning near the Nativity scene.

CARD OF THANKS

To our many friends: We want to thank each of you for the beautiful flowers, letters, cards, telegrams, long distance calls and prayers of love and encouragement sent me during my illness. Surely helps to know we have so many friends. Please take this as a personal message. Merry Christmas to all, and a Happy New Year.

Bill and Gladys Smith, 200 S. Union, Roswell, N. M.

he couldn't; what would become of her . . . of her child. . . Then one night, after he had exhausted himself with tortured thinking, he fell asleep and the angel of the Lord appeared to him in a dream, saying,

"Joseph, thou son of David, fear not . . ."

And when Joseph awoke, he did as the angel had bidden him, and took Mary as his lawful and cherished wife.

"Fear not," the angel spoke unto Joseph.

"Fear not," the angel had declared unto Mary.

"Fear not," the angel said unto the shepherds of Bethlehem.

ACCORDING to the familiar old carol, St. Joseph was an old man. He probably was considerably older than Mary, but people may have thought of him as being older than he actually was because he enjoyed earnest conversation and the companionship of selected friends rather than boisterous pleasures.

When Joseph thought of Mary, he forgot the difference in their ages: she was the girl he had waited for, his beloved. They were espoused—or, as we would say, engaged—which was almost as official as being married. His heart soared on wings of the approaching wedding day, and then . . . What Mary insisted had come to pass, simply could not be! Joseph wanted desperately to believe Mary, but such things just didn't happen, and if they did, they happened to somebody else.

Much as he loved Mary, Joseph was a righteous and God-fearing man and while he couldn't even think of making her a public example, he had just about made up his mind to put her away privily. That is, he thought he had made up his mind. In his heart, he knew

Christmas Candles Have Been Used By Many Peoples

It would be astonishing, indeed, if no candles appeared in homes throughout the nation on Christmas Eve. The legend which surrounds the custom is believed to have started in Ireland.

There on Christmas Eve a large candle was burned, which could be snuffed out only by one named Mary. As the Irish put it: "Who knows, on some Christmas Eve, Jesus and Mary and Joseph may come again, not to Palestine, but to the Holy Isle on the farthest edge of Europe?"

Their first use for Christmas is not recorded in the annals of any nation, but that the "Christ Child Candle", burned in the window of Christmas Eve is, according to an old legend, placed there to light His way if He makes an earthly visitation and in atonement for the night of His birth when there was no room for Him.

Also among the legends is one about bayberry candles burned on Christmas.

During the early history of our country, animal fats were relatively scarce. The branches of the bayberry shrub were covered with wax-

Dawn Music Club Entertains With Reciprocity Program

The Dawn Music Club entertained with a reciprocity tea given in the home of Mrs. Ray Kerschen last week. Special guests invited were members of the Hereford Music Study Club and the Dimmit Music Club.

Mrs. Bill Carthel, the former Miss Ann McCabe, was guest pianist. Her numbers included Mozart's Second Sonata, Ernesto Lucuona (Malaguena) and De-

giving berries and children were given the task of gathering the berries when candles had to be made so that the animal fats could be conserved.

According to tradition, one who burned a bayberry candle on Christmas Eve or Christmas Day would have long life and a happy one.

An old verse reads:

"To learn you luck for the year they say,

Burn a bayberry dip on Christmas day.

If the flame burns bright and the light shines clear, Good luck will be yours throughout the year."

Hawaiian Christmas Is Elaborate Affair

Although many Hawaiians have seen ice only as frozen in mechanical refrigerators, the trees used by the islanders for Christmas decorations are painted white to simulate snow.

Christmas dinner is an elaborate affair, enjoyed in the privacy of the home behind locked doors and drawn blinds. Any open-house hospitality is an economic impossibility; if the shades were not drawn and the doors not locked, homes would be invaded by hordes of strangers—all expecting food and drink.

Gift-giving is the order of the day as everyone exchanges inexpensive presents. Even the servants in hotels expect and receive gifts from over-night guests.

Mrs. W. T. Carmichael, president of the Hereford Music Club, and her mother, Mrs. A. O. Thompson sang "Cantique De Noel" (Adolph Adams) and Bussy's "Clair De Lune." "Silent Night."

Makes Honor Roll

Cadet Tom Carter, son of Mr. and Mrs. T. J. Carter, 406 W. 6th St., was listed on the honor roll for the third successive month at Kemper Military School. In order to be named on the honor roll, a cadet must maintain an average of 87 or above in each subject.

 There has been little activity on the sports front in Hereford

High School this week. Though basketball is in full swing now Hereford has had no workouts or games this week due to undetermined illness of one of their players. This of course

was Duane Walker who was suspected of having polio. This latter turned out not to be true, this week. A game was canceled with Canyon High School. Hereford will not be hampered too

Teacher's Who's Who

By Evelyne Tucker
 As it has been several weeks since a Junior High teacher has been the subject of these articles, Teacher's Who's Who is to be about Mrs. Mildred C. Ramey. Now a strange thing about Mrs. Ramey is the fact that she will tell her age! Everyone knows that most women just will not talk when someone asks their age, but Mrs. Ramey didn't hesitate. She says she is eleven years old plus! The plus must account for the years she spent at Baylor University and the ten years she has been teaching school. That would be eleven, four, and ten which adds up to twenty-five doesn't it? For a birthday cake she would probably prefer Coconut cake as it is her favorite.

Reading and eating are some of the other things she likes. That may seem a little strange because Mrs. Ramey teaches reading, science, and English. Snooty people are what she dislikes. After retiring from teaching school she plans to stay at home (her home is at 223 Ave. B) and nurse all her aches and pains, sew, read, and maybe have a nursery school. Seems as if she will be very busy because

much by the loss of Walker as they have an abundant supply of guards.

Jack Stanton and Leonard Walterscheid both were placed on the all regional football squad. Both these players were selected as co-captains along with Bill Engman on this year's team.

DISTRIBUTIVE EDUCATION STUDENT, Raymond Webb, at work in the Hereford Store. Raymond is studying the theory of merchandise distribution in his junior year at school and practical training takes place in the store where his duties are closely supervised by Mr. Harman and his capable personnel.

Tri - Hi - Y

Debussy's "Reverie" played by Donna Alhart opened the traditional Christmas program of the Tri-Hi-Y. "Is There a Santa Claus?" a famous reading, was given by Shirley McCullough.

Special music was provided by Virginia Sigle at the piano and Betty Hamilton sang "Away in a Manger."

The three parts of the Christmas story were read from Luke after the opening prayer by

added to all this is the fact that she will also be trying to see how her three children are doing.

Elma Rae Hamby. The readers were Rosemary Young, Norma Sue Cooke, and Retha Jo Godfrey. Thoughts for Christmas meditation brought to the members by Evelyne Tucker, closed the program. The members joined in singing the traditional Christmas carols during the program while soft candle light provided a suitable setting for the beautiful story and music. The meeting was closed by Marilyn Lewis with a prayer.

Martisha Ramey, student at TSCW, Denton, and her brother Jack who is a student at A&M College, are home for the Christmas vacation. They are daughter and son of Mr. and Mrs. Saik Ramey.

Wayne Evans left Monday for Abilene to attend a meeting of the official board of Hardin-Simmons University.

It's News To Me - -

Girls! Have you heard? Clifford Galley is the proud owner of a '48 blue "Cadillac" or so he tells me.

Did any of you see all the girls standing under the evergreen decorations in the door of Mr. Sullivan's English 4 room? They all looked so disappointed when they found that it didn't have any mistletoe in it.

All of you had better be real good or Santa Clause (Mr. Sullivan OK's this spelling) will forget you Sunday night!

Mr. Martin let me in on a life secret the other day and I'm passing it along to you. When you got out of school yesterday you thought it was only for the Christmas Holiday's but Mr. Martin says it is really the end of school for this year. He doesn't want to see any of you back before next year but he says he will welcome you if you just can't stand to stay away past January 2.

Say, did you all notice that the name of this column has been changed? Hope you like it. We do.

Girls! Be very careful that Parris W. (Dr. that is) doesn't get hold of any of your jewelry. If he does I've heard you might as well kiss it goodby (the jewelry that is not P. W.). Shame on you Parris keeping the poor ill girls jewelry.

Pat Walton what was Mr. Stark saying in 5th period study hall about you and Parris W. having to sit in the same seat if you didn't stop talking. What is it you two find so interesting to talk about all the time?

This is my last column for '50 but I'll be looking forward to

Driver's Education

Nellie Conklin

Driver's Ed has been taught only four years in Hereford High School. The first three years was taught by Mr. Sullivan. This year it is being taught by Mr. Stark.

Driver's Ed is a one semester course and offers one half credit. The school is given a new car each year to use for the course. The car has a dual control so that in case of emergency the teacher can control the car from his side.

The subject is considered one of the most important subjects a school can offer. It teaches students to respect the rights of other drivers and to drive carefully. It teaches all students the latest methods in driving.

It has been proved that students with drivers training have 50 percent less accidents than others.

There are twenty-three students taking driver's training this semester. There has been one hundred and twenty students who have taken this subject in the past two years.

News Corner

It seems that an hour for lunch isn't very much time or at least some people don't think so. They crowd in line at the cafeteria practically every day. They go for teachers too!

Some girls really did enjoy the football banquet—we wonder why.

Miss Jo Jennings. She is a sophomore and halls from "Truth or Consequences" (Hot Springs), N. M. We welcome you wholeheartedly, Jo!

We are also glad to have with us Miss Zeda Faye Vickers from Louisiana. She is a freshman. Everyone seems to be studying quite a bit! Could it be because Mr. Sullivan said if he caught anyone cheating he would cut their heads off???? Mr. Sullivan, don't you think that is rather crude???

We have some news here on someone who lives at 410 W. 6th St. We wonder who it is????

Dearest Lloyd,

I guess you think I had forgotten you, but I haven't.

Have you ever gotten Ralph's address? If you have, send it to me or tell him to write. After all he isn't immune to it. I hope I think the picture you sent is pretty good. It didn't show your face real plain but I agree with you that you are not the most homely person on the base. I think you are very nice looking. Will send you a picture of me in return. It isn't very good but you can partly tell what I look like.

All my love,
to only you my dearest!

Seniors Who's Who

Three girls, (yes, but they weren't triplets), are our Seniors of the week.

The first is Betty Stayton. Betty came to Hereford last year from Dimmitt. I think! Anyway she is a Herefordite now. At least here is what she thinks of H. H. S. "When the thought first occurred to me that I would have to come to school here, I was determined not to like it. I never said anything good about it. But since I have been going here for a year now I am really glad that I have the chance of graduating in H. H. S." Now isn't that wonderful? Betty seems to like cold weather, sleeping, going and receiving letters. But she has dislikes too; some are rasins, carrots, and reading. Her pet peeve is "to have a 5c mistake in bookkeeping and can't find it."

WOMAN AT WORK—Opal Garrison, bookkeeper at Deaf Smith County Hospital. Her official title at the hospital is "bookkeeper", but she has become well known to everyone through her untiring work of checking routine matters at the hospital where she always seems to find time to answer the phone and deliver messages to patients.

Her ambition is to graduate and her favorite food is pecan pie. Here's to you Betty!

It seems that on July 26, 1933 a bouncing baby girl hit the earth and ever since has been known as Joyce Potter. We all know Joyce for her ever-glowing smile. Joyce has certain likes and dislikes however, and her likes are all kinds of food, Hereford, friendly people, and school at H. H. S. She dislikes, people who are not sincere about things they say and do. Her pet peeve is "the expression 'girl'". Joyce has an unusual favorite food which is Italian spaghetti. Joyce plans to attend West Texas State and her ambition is to be successful at something. Joyce belongs to Sub Deb, Pep Club, Rainbow, F. T. A., and Dramatics. Joyce, being active in all these clubs, holds these offices, President of Sub Deb, Secretary-Treasurer of Pep Club, Hope in Rainbow, and Treasurer of F. T. A. Joyce's opinion of H. H. S. is "Even though I know very little about other schools I sincerely believe that H. H. S. is the best school that I could ever hope to find."

Then, During the same year that Joyce Lee hit Idaho, another baby girl was born to some proud parents in Colorado. This happened on July 19, 1933. That girl that is now seen around H. H. S. was Nora Jo McLallen.

SUMMERFIELD NEWS Summerfield Community Christmas Tree Will Be Friday Evening

By Bobbie Walsler

The annual Community Christmas Tree will be held Friday evening at the Summerfield Baptist Church at 7:15. All are invited to attend. Treats will be given when the gifts are handed out.

L. J. Councilman is reported much better. Mr. Councilman returned home one day last week after spending a few days in the hospital at Dimmitt.

Birthday Dinner
A birthday dinner honoring Robbie Walsler was given in the Walsler home Sunday. The birthday cake was made by her grandmother, Mrs. Lee Curry. In the afternoon the crowd had more cake and ice cream.

Guests attending the dinner were close friends of Bobbie, including Nan Longbottom, Nancy Patterson, Royce Powell, Joe Woolery, the honoree, and Mr. and Mrs. Guy Walsler and family.

Candy for Lamer Camp
The YWA girls met Tuesday night in the home of J. B. Noland to make candy for the labor camp for Christmas. The girls participating in this were Dorothy and Charlene Lee, Sandra Wright, Ann Lookingbill, and Mrs. J. B. Noland.

Summerfield is getting in "swing" for Christmas. Beautiful trees are being put up in the homes. Two beautiful ones are in the L. B. Lookingbill home and the J. M. Wright home, south of Summerfield. The Lookingbills own the Summerfield store which burned down and destroyed their home a year ago this Christmas.

Coach Kenneth Maize has been driving the bus for the past two weeks because Mr. Quatebaum, a teacher at Hereford High, and the bus driver for south of Summerfield, has the mumps. His daughter also has them.

Mr. and Mrs. Charles Noland, Bobby and Betty, left Saturday for California where they will spend Christmas with friends and relatives.

Mr. and Mrs. Stan Barrett and family are spending Christmas in Idaho with friends and relatives.

Lutheran Society Elects Officers

The Lutheran Aid Society held a meeting at the church on Wednesday, December 13, with Mrs. Earl Springer, president, presiding.

Rev. E. W. Lichtsinn gave the scriptural reading and prayer. Mrs. George Tiefel gave the program on "Preparing For a Happy Christmas."

Two new members were welcomed during the business session. They were Mrs. K. W. Horn and Mrs. Guy Cox, Jr.

New officers elected including Mrs. Earl Springer, president; (reelected) Mrs. W. M. Kunkel, vice president; Mrs. Arthur Tiefel, treasurer (reelected); Mrs. Guy Cox, secretary and Miss Bertha Frye, reporter.

During the social hour a shower of gifts were presented to Mrs. K. W. Horn.

Miss Edah Park of Denver, Colorado is visiting her parents, Mr. and Mrs. J. L. Park, and other relatives.

MEET DELLA STAGNER, coordinator for the elementary school. Miss Stagner's duty is to visit classes and have conferences with teachers in order to keep the various classes of each grade working as a whole. Her office is at Shirley School, but she spends just as much time at Central School. This is Miss Stagner's fifth year to teach in the Hereford Schools. She holds both her Bachelor's and Master's from West Texas State and has done additional work through the University of Texas.

Mrs. Ramey Hostess To Junior Group

Mrs. E. Ramey was hostess Friday evening to a junior group of young people whom she teaches in Sunday School at the Church of Christ.

Regular gala decorations were in order with the Christmas tree, bells, and candles in pre-dominance.

Karen McGee was chairman of the program for the evening and Mrs. Ramey conducted games and contests.

Included on the program were a reading by Kathryn McDonald; a play, "First Noel"; Billy Hargett and Barbara Allen; "Silent Night"; Frankie Leta Sloan and Patsy Turner; "Rudolph the Red Nosed Reindeer"; Martha Teague; "Night Before Christmas"; Wanda Pitts; "Joy to the World"; Karen McGee and Vonda Pitts; "Silent Night"; Gay and Jay Morton; "Deck the Halls with Bells and Holly"; "Here Comes Santa Claus"; and "White Christmas," the entire group.

Patricia Allen was the only other guest present. Several of the children had mumps and were unable to attend.

Refreshments were sandwiches in Christmas bell and star shapes, and cup cakes decorated with red Christmas candles.

Church Notes

Each Sunday morning Christian Science Services are held in the Star Theatre at eleven o'clock. All who are interested are invited to attend.

"Christ Jesus" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, December 24.

The Golden Text is: "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder" (Isaiah 9:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the child grew, and waxed strong in spirit, filled with wisdom; and the grace of God was upon him" (Luke 2:40).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Is it not a species of infidelity to believe that so great a work as the Messiah's was done for himself or for God, who needed no help from Jesus' example to preserve the eternal harmony?" (page 404).

St. Thomas Episcopal Auxiliary met in the home of Mrs. Frances Houston on Wednesday of last week.

For the program, Mrs. W. B. Boston gave an interesting review of the book, "Mary" by Asche.

Among the members present were Mrs. J. Roy Crutchfield, Mrs. Alton Fraser, Mrs. Frances Houston, Mrs. Bill Kennedy, Mrs. Bruce Miller, Mrs. Helen Pipkin, Mrs. Joe Smith, Mrs. Worth Ware, and Mrs. John Earl Wood of Dimmitt.

Friday night at 7:30 the public is invited to attend the Christmas tree and program at the Avenue Baptist Church.

Regular services of the church, as announced by Rev. H. V. Fields, minister, include: Sunday, Sunday school, 9:45; morning service, 11:00; training union, 6:45; evening service, 8:00.

Services on Wednesday evening are at 7:30, and the W. M. U. meets on Tuesday afternoon at 2:30.

This evening at 7:30 the all-church Christmas tree and program will be held in the recreation room of the Conkright Educational building where old

Santa Claus will make a personal appearance.

The Married Young People's department is leading the training union better-programs contest.

On Christmas Eve the student night program will be held at 8 o'clock with college students home for the holidays participating.

The 1950 Little Moon Christmas offering will make it possible for Southern Baptist to enter new mission fields in the Orient, since so many have been closed in China as a result of the present crisis.

Friday morning at 10 o'clock a meeting will be held for the student night program personnel and committee preparation. On Saturday morning at 10 o'clock, the Junior Choir will meet.

Three services of worship will be held at Immanuel Lutheran Church over the Christmas week end. The regular schedule will be observed on Sunday morning, Sunday School and Bible Class at 10:30 and the hour of worship at 11:30. The message for the morning will be "The Christmas Fellowship of Believers."

At 6:00 p. m. the congregation will gather for its annual Christmas Eve children's service. The feature of this service will be the showing of the colored pictures on the "Birth of Jesus." Recitations and songs by the children and congregation will accompany each picture.

On Christmas Day at 9:30 in the morning an hour of worship will again be observed in the church. The message for this day is "We are Children of God." The children's choir will sing.

The final practice for the Sunday School children is scheduled for tomorrow night at the church beginning at 7:30 p. m.

The instruction classes will be resumed after the holidays. The church's radio program is heard each Wednesday afternoon at 1:30 p. m. over KPAN.

Last night the annual Christmas party was held at the First Christian Church in the form of a family night when a covered dish supper was served and Santa Claus gave treats to the children. The program was presented by children from

the various departments in the church school.

An announcement was recently made by J. B. Latham, president of the Board of Ceta Glen Camp, that the camp is now entirely free of debt, \$32,000, including the purchase price and improvements, is the amount now invested in the camp.

A report from Juliette Fowler Homes in Dallas reports 105 children are being taken care of in the home. The new facilities for Aged in Harwood Hall are being completely utilized except for the wing for aged men. There are 44 in residences, ages 70 to 100 years.

Speaking of the atomic bomb, dread, and destructions, Elder G. A. LaGrone addressed the Seventh Day Adventist Church using as his text, 1 Cor. 15:51.

"To men without faith in God, death is a dreaded mystery beyond which is uncertainty and gloom. To the righteous death is a brief sleep until the sounding of the last trumpet that brings the resurrection of eternal life," he said.

"If we are wholly consecrated to God we shall not be anxious for the morrow for all things work together for good to those that love God," he continued.

Quarterly service will be held at the 11 o'clock hour Sabbath with Elder G. A. LaGrone in charge of the communion service and Elder F. W. Fortner and B. D. Fortner, assisting elders.

The young people will be caroling Wednesday and Saturday nights until New Years.

At 9:30 each week-day and at 9:15 on Sunday morning, the Church of Christ presents a daily broadcast over station KPAN with Bob Wear, minister, in charge.

Regular services of the church include: Sunday, classes for all ages, 10:00; morning worship, 11:00; young people's classes divided into three age groups, 6:15; evening worship, 7:00. On Wednesday evening mid-week Bible study and singing is held at 7:00. The ladies of the Church meet each Wednesday afternoon for Bible study at 3 o'clock.

Topic for the Sunday morning service at the Church of Christ is "Anxiety." On Sunday evening Mr. Wear will discuss "A Wayward Boy." The public is invited to hear both of these sermons. Meetings of the church are open to any who wish to attend.

Draft Call Is Increased 80%

Hereford men of draft age may enter the armed service even sooner than they may have expected, according to a news release handed the Brand by Mrs. A. Petersen, secretary of the local board.

State Selective Service headquarters has been notified officially by national headquarters that the Texas combined January-February draft call has been increased by 80 per cent. Brigadier General Paul L. Wakefield, state Selective Service director, said today that a telegram received from Washington late yesterday showing the new adjusted January-February call as 6,279.

The original combined call for the two months was 4,596, an increase of 3,683. The adjusted call to Texas followed Department of Defense action increasing national call for the two months from 90,000 to 160,000.

State Selective Service headquarters is now preparing adjusted calls to local draft boards for January, the state director said. Calls to the local boards for February will not be sent out until January.

"Texas is in good position to fill these adjusted calls without running short of examined and acceptable men," General Wakefield said. "We had a lot of men examined during August, September, and October."

The state draft director indicated that the state "must step up physical examinations for months ahead," and said that "our headquarters already has been in conference with Army examining officials to get the job done."

General Wakefield said that "only a few hundred men were examined in November and a similar amount scheduled in December." He revealed that about 4,000 men are being called for examination after Christmas, this decision being made after increased calls for January and February were received.

The state director also revealed that physical examinations to be made in January, originally planned for 7,500 men, have been increased to almost 15,000. Local boards will receive adjusted calls later. No decisions have been made in regard to physical examinations for February.

The Selective Service director also said that a total of 128 doctors, dentists and veterinarians have been scheduled for physical examinations in January. No calls for induction of medical personnel have been received.

Christmas trees will be at the churches tomorrow night.

At the baby show and bazaar sponsored by the Methodist ladies last week, Miss Annie Fitzhugh Parker was elected the "prettiest girl" and Master Charles Wilburn Barcus as the "finest looking boy." A pretty and neatly dressed doll baby and a silver mug was presented to the former, and a doll representing "Foxy Grandpa" and a silver mug to the latter as prizes.

The ladies cleared about \$93 from the Doll Auction.

Through the presumption of a few of Amarillo's business men, a free-for-all ride was given a number of Hereford and Canyon people to that town on Saturday of last week, the purpose of the excursion being offered to afford the people of these two cities an opportunity to do their mid-winter shopping. For this purpose, a special train was run. From what we learn, the Pecos Valley Road and the excursionists are the only ones who came out a head, as but little trading is reported to have been done. There is no reason why even a dollar should ever go from either city to that town.

J. C. Mauk this week sold his beautiful residence in the south part of town to U. J. Cox of Kentucky.

G. D. Sikes of near Dimmitt was in the city Monday with a wagon load of fine turkeys for sale.

Among the important business changes to take place in Hereford this week, was that at the Hereford House when that property was sold to W. H. Walker of Red Water in East Texas. Mr. Gilliland will move to the Carter ranch just south of town where he will engage in farming.

25 YEARS AGO

Fifteen football boys, Coach J. Frank Riggs and Business Manager C. W. Humble of the Hereford High School were guests of the business men of Hereford at the regular luncheon of the local Chamber of Commerce Monday as a tribute of the splendid work the boys did during the football season just closed. Captain Arls Russell reviewed the work of the past season.

Fifteen hundred bushels of high grade Burnett cotton seed will be purchased by the Hereford Chamber of Commerce and distributed at cost to farmers of Deaf Smith county.

When the students of Hereford High return to their studies after the holidays, they will not go back to the old High School building which has been serving as an educational center for more than a decade, but will start work in the new \$125,000 building which was completed this week.

The Hereford Chamber of Commerce will raise a bonus of \$2,500 for the new twenty room addition to the Cordova Hotel which will be constructed immediately at a cost of \$25,000.

The new addition to the Cordova Hotel will give Hereford a 32 room hotel that will do justice to a city of its size. The contract for the addition has already been let by W. M. Cogdell.

L. Baskin has purchased the Cardwell irrigation 87 acres in South Hereford.

The whoppin' biggest coon ever snared in this part of the country was trapped on the creek last Thursday night by Elmer Patterson and D. A. Higgins. The boys brought the coon to town after dark and Friday exhibited him on the radiator of Elmer's car.

This fellow weighed an even twenty pounds and looked husky enough to whip any coon dog that ever wore long ears.

Gilbert Carlyle Elected Reporter

Gilbert Carlyle of Hereford was recently elected reporter by 70 North Texas State College students when the Panhandle Club, composed of students from towns in the Panhandle area, was officially organized on the campus.

Other officers are Reuben Noel, Amarillo, president; H. G. Wells, Tulla, vice-president; Cloys Webb, Amarillo, treasurer; Mary Alice King, Amarillo, recording secretary; Joyce Shurbet, Tulla, corresponding secretary; Bill Lanning, Plainview, parliamentarian.

Purpose of the new club is to help Panhandle students to become better acquainted with NTSC; to promote friendship on the campus, and to encourage attendance of other Panhandle students at NTSC.
