

## Jap Attempt To Retake Island Is Quickly Repulsed

ALLIED HEADQUARTERS IN THE SOUTHWEST PACIFIC, Aug. 19 (AP)—The Japanese have been bloodily repulsed by a U.S. surface force in their first attempt to retake Vella Lavella Island in the central Solomons, occupied only last Sunday by American invasion forces.

A spokesman at headquarters of Admiral William F. Halsey, Jr.'s South Pacific command said that hundreds of barge-borne Japanese troops were killed or captured during a frustrated landing attempt in the early morning hours of Wednesday. The thrust thus came a bare 48 hours after the first American amphibious units landed unopposed on this northerly island of the New Georgia group.

## Early Invasion Plans May Be Made In Parley

QUEBEC, Aug. 19 (AP)—A speed-up in Allied plans for the invasion of Europe to take full advantage of the Russian offensive on Germany's eastern flank appeared today to be a likely result of the current British-American strategy conferences here.

As President Roosevelt, Prime Minister Churchill and their command staffs went into the second full day of meetings, the sustained Russian campaign, winning a success equal to the most optimistic hopes of Allied observers, shaped up as the greatest single war development before them.

As military observers here evaluate the situation, Germany is so heavily occupied with advancing Russian armies at present and even her vital rear positions in the east are so gravely threatened that a European invasion in the near future would tax her defensive resources to the utmost.

How fully these considerations have entered into the discussions here could only be estimated.

If the pattern of past conferences is followed nothing will be said until the conclusion of this meeting, at which time the president and prime minister will hold a press conference to give out such of the decisions as can be made public.

There is speculation, too, in connection with Mr. Roosevelt's scheduled visit to the Canadian capital at Ottawa next week that the Canadian parliament might hold a special meeting to hear him speak. That would offer the chief executive an extraordinary opportunity to review, in so far as publicly possible, the accomplishments of the latest staff discussions.

Speculation over the part which the Russian offensive is playing in these discussions is concerned with the timing of Allied operations against Germany's western flank. Military men agree that the time to hit this side of Germany is when the Nazi military machine is off-balance in the east.

## TAX HEARINGS NEARING END

Board of equalization hearings on tax valuations for the city and school district were to be completed today.

The board had heard 22 taxpayers to noon Thursday, and there was a waiting list for the afternoon. Board members are C. E. Falbot, Robert Stripling and G. H. Jayward.

Upward adjustments were being made in some 250 pieces of property.

**PAPER-SAVING LAW**  
KENOGAMI, Que., Aug. 19 (AP)—A law preventing mailing by any government bureau of printed matter except on request was urged today by Rep. Richard F. Harless (D-Aris) as a means of conserving paper.

## Three Children Are Killed When Heavy Bombers Collide And Crash

SAN DIEGO, Aug. 19 (AP)—Five Army interceptor planes banked and turned in the morning sun. Below, life went on much as usual, in the Linda Vista defense housing project. Planes in combat maneuvers were no novelty to the 10,000 residents.

Suddenly two of the P-38's collided. The pilot of one bled out. The other stayed with his crippled ship as it hurtled toward the populated area.

There was a splintering crash and explosion.

Three children playing outside Linda Vista duplex unit were killed—blown to bits.

The pilot who had remained in his seat was blown through a porch roof.

Machine gun bullets began to explode, and kept up an incessant fire for 20 minutes. No one was reported injured by the bullets, however.

The coroner's office said the

## Soviets Meet Fierce Nazi Resistance

Reds Reported To Be Within 9 Miles Of City Of Kharkov

MOSCOW, Aug. 19 (AP)—Red army troops, slugging their way ahead through dogged German resistance south of Kharkov, today were approaching the two remaining railway escape lines supplying the beleaguered Nazi garrison inside the key Ukraine bastion.

A Soviet communique last night announced the capture of Zmyev, 20 miles south of Kharkov, in a "decisive assault" which smashed that enemy stronghold and killed 1,200 Hitler shock troopers. Zmyev is less than 10 miles from the Kharkov-Lozovaya railway, main enemy supply line.

A few miles beyond lies the Kharkov-Krasnodar spur, which also must be severed before the Russians can close the Kharkov escape corridor, now less than 30 miles wide. The Kharkov-Poltava railroad had been cut earlier in the Red offensive.

Northwest and west of Kharkov the Russians also reported overall gains of seven miles which resulted in capture of more than 50 additional towns and villages.

Stubbornly contesting every fortified place, the Germans slowly fell back after suffering another 2,000 casualties, the communique said.

In the northeastern suburbs of shell-wrecked Kharkov, meanwhile, Soviet shock troops kept up the see-saw street-to-street battle against reinforced Nazi units which has been going on for the better part of a week.

At the northern end of the 400-mile active front, converging Russian divisions were blasting the approaches to Bryansk from three sides, and Soviet dispatches said 1,300 German dead were counted on the battlefields. North of Bryansk, on the Spas Demensk sector, an advantageous point was stormed and here another 1,000 Nazis were slain in short but fierce fighting, the war bulletin said.

## Allied Air Losses Cited As Proof Of Blows Dealt Enemy

WASHINGTON, Aug. 19 (AP)—The mounting losses of Allied heavy bombers over Europe, the Army air forces said today, are paradoxically a sign of increasing Allied air might.

They mean, said officers, that Britain and America are sending even greater aerial armadas to blast Germany and German-occupied Europe. Numerical losses are higher, but the rate of losses is not.

The comment was apropos of reports that large numbers of planes failed to return from re-concentrated raids. For instance, the RAF reported 41 bombers and one fighter lost in Tuesday night's swoop against Berlin and Pesne-muende; the U. S. 8th air force reported 38 heavy bombers, one fighter-bomber and five fighters missing in its attacks on Regensburg and Schweinfurt, and two planes were lost from the armada of flying fortresses which flew from North Africa to attack German air bases near Marseille.

Do these figures mean that Allied losses are approaching the "allowable" rate at which bombing operations cease to be "profitable"? Do they mean that German opposition is increasing, or becoming more effective? The answer, with a rarin' back in chairs and a wagging of fingers, was "No."

More important is the morale of the men flying and fighting the bombers. No one, said the airman, has yet determined the point at which the loss ratio begins to affect the morale of the crews—unless it was the Germans in their "blitz" against Britain.

In July, the 8th air force lost 108 heavy bombers, but dropped 3,600 tons of bombs on targets in Europe and shot down 506 enemy planes. The month before, it lost 85 bombers, while dropping 2,458 tons of bombs and shooting down 304 enemy aircraft.

## Nazis Appear Ready To Fight For Northern Italy

LONDON, Aug. 19 (AP)—The Germans are moving troops into Italy in considerable strength apparently intending to make a real fight for at least the northern end of that country, a competent British military informant said today.

"Several divisions" have been on the move to Italy from France and Germany in the last week or two, but an exact estimate of Nazi strength in Italy is not possible now, said the commentator who cannot be identified further.

From other sources came indications that the Germans are not only moving into Italy, but that their troops from western and northern France have taken over the French coastal stretch from the Italian border to Toulon—previously garrisoned by Italian troops.

A radio broadcast in the name of the Allied high command told patriots in occupied Europe last night to prepare for invasion of the continent which already "might be near."

The best information in London before the fall of Sicily indicated the Germans had two or three divisions south of Naples on the Italian mainland and these plus perhaps 25,000 troops evacuated from the island would give the Germans a force of 50,000 to 75,000 for defense of southern Italy—if they still are there.

With the Italian army fairly well written off as ineffective without German support, the question of Nazi strength in southern Italy is regarded as a key factor affecting the next Allied step.

The majority of guesses here seemed to be that the German army is unlikely to risk large forces for long in southern Italy where they face the danger of being cut off by landings to the north, but is quite likely to employ forces large enough to establish widespread positions to the north.

It was still unclear just where this northern line was likely to be, but one from just north of Spezia on the west coast through Bologna to Rimini is the basis of much speculation.

The invasion message, read from the United Nations radio at Algiers and from BBC in London, urged patriots "to perfect all preparations in the shortest possible time."

The broadcast, directed primarily to the people of metropolitan France, declared a new phase of the European war, "the liberation of occupied countries," has begun now that the occupation of Sicily is complete.

"We obviously are not going to reveal where the blow will fall," the message said, then added: "People of the occupied country which is to be the first to welcome the armies of liberation will be notified at the last minute."

Until that time arrives, all patriots were asked to aim all their actions toward perfecting preparations for giving assistance to the Allied invaders while at the same time exercising "the greatest care" that they do not fall into the hands of the enemy.

## Special Trucks Provided For Clean-Up Drive

Special city trucks will be provided to pick up trash and refuse collected during the city's sanitation and clean-up campaign which will start on August 26, it was said Thursday by City Manager B. J. McDaniel.

Although the trucks will follow the same route as the regular garbage trucks, they will collect only trash accumulated in the cleanup campaign. McDaniel advised that this pickup would be on the same schedule as garbage trucks, and householder will know when to have their trash piled out.

Distribution of free rat and mice poisoning will be carried on from 6 to 8 p. m. on the 26th, by volunteer workers who also will have information as to its use.

Every householder in Big Spring will be urged to place the poison immediately, for a concerted, simultaneous drive to eradicate the disease-bearing rodents.

The rat poisoning campaign goes hand-in-hand with the general clean-up—a program instituted on advice of health officials to check possible disease.

## Choose Supervisors For Rat Poisoning

Horace Reagan, general supervisor for the distribution of rat poison over all of Big Spring on Aug. 26, announced Thursday that the list of district supervisors had been completed.

Those announced as supervisors were Mrs. James T. Brooks, Mrs. Nat Shick and C. J. Staples.

## ATTEND LEGION MEET

COLORADO CITY, Aug. 19 —Attending the state American Legion convention in Fort Worth this week are three members of the Owen C. Hooker post at Colorado City. Delegates are LeRoy Gressett of Westbrook and John Williams, post finance chairman.

The Rev. Dr. H. H. Black, state chaplain of the Legion, is also attending. Mrs. J. G. Merritt, president of the Legion auxiliary, is the auxiliary delegate.

## Nazi Government Reported Moved

LONDON, Aug. 19 (AP)—The United Nations radio at Algiers today broadcast a Bern dispatch quoting Adolf Hitler's newspaper Voelkischer Beobachter as saying that "the whole German government has left Berlin." The broadcast was recorded by the Associated Press.

There was no immediate explanation or confirmation of the report.

The statement that the "whole German government" had moved came as a surprise in London, although there has been numerous unconfirmed reports the past three or four weeks that some governmental departments were being transferred.

These reports—none of which had any official confirmation—told of great vans being loaded at the doors of Berlin ministries and rolling away—possibly to Vienna, Linz or Breslau.

## Another Post-War Prediction—

## Glider Freight Trains On Cross-Country Runs

IOWA CITY, Ia., Aug. 19 (AP)—Coast-to-coast, non-stop aerial freight trains, which will switch their cargo in the sky like railroad now shift boxcars, were predicted for the postwar period today by Roy A. Watkins, Chicago aircraft company executive.

The freight trains that fly will create an entirely new marketing system for large farmers, ranchers and plantation operators, Watkins said in an address prepared for a joint meeting of Rotary, Kiwanis and Lions clubs.

Watkins, executive vice president and general manager of the Howard Aircraft Corporation, said nearly every farmer, "if he grasps his opportunities," could own or lease one or more air-freight fuselages—bodies without wings.

"On short notice," Watkins

## Italian Government Must Surrender, Declares Connally

FORT WORTH, Aug. 19 (AP)—If the Italian government and king continue to link their fate with Hitler, we must relentlessly assail them, Senator Tom Connally said in an address here.

Speaking at memorial services of the Texas American Legion war conference last night, the senator said:

"They must be forced to humiliating and unconditional surrender."

Senator Connally said the nation must make adequate and generous provisions for the rehabilitation, hospitalization and placement in industry or economy for those who return from the war.

HULL WILL GO TO QUEBEC  
WASHINGTON, Aug. 19 (AP)—Secretary of State Hull will leave Washington this afternoon for Quebec to participate in the Allied conference there.

## Communications Are Given Pounding By Large Bomber Fleet

ALLIED HEADQUARTERS IN NORTH AFRICA, Aug. 19 (AP)—American warships shelled the Italian mainland yesterday for the first time, developing violent explosions at Gioia Tauro and Palmi, and Allied air fleets deprived beaten Axis troops of respite by pounding communications throughout southern Italy, it was announced today.

"United States naval forces which had been supporting the advance of the (U.S.) Seventh army in Sicily have taken up shelling military objectives on the Italian mainland now that the island has fallen," a communique said.

Specific targets of the first thrust were bridges and power installations at Gioia Tauro and Palmi, on the Gulf of Gioia, 20 miles north of captured Messina.

Light bombers and fighter bombers carried out attacks on roads and railways which might be employed by the remnants of German and Italian forces which escaped from Sicily, pitting the tracks and destroying enemy vehicles.

"Medium bombers attacked bridges at Angitola and roads and rail communications at Ponte Di Saletti," it was announced.

Ground activity was "limited to occasional exchanges of artillery fire across the Strait of Messina," headquarters announced.

Fighter-bombers left a small axis naval vessel in a sinking condition off southern Sardinia and medium bombers sank an enemy merchant craft in the Gulf of Eufemia, just north of the Gulf of Gioia.

"The Bizerte area was again attacked by enemy aircraft last night," an aerial communique said. "Six enemy bombers were shot down. Two enemy aircraft were destroyed on the night of Aug. 17 in addition to those already reported."

From all operations, three Allied aircraft are missing, the bulletin said.

While "wrecking crews" of the northwest African air forces chased Axis forces across southern Italy, Middle East squadrons maintained their offensive over the eastern Mediterranean.

Axis shipping and harbor installations of three Greek islands, Zante, Melos and Syros were attacked by RAF Beaufighters and Wellington bombers both Tuesday and Tuesday night, a Cairo communique said.

American airmen said targets in southern Italy were becoming increasingly scarce, and one hungry pack of Warhawks left the center of the battle area to bomb and strafe Gormes in southern Sardinia where they found the two-masted naval vessel and hit it with bombs.

Lt. James H. Jones of Dublin, Tex., one of the pilots credited with damaging the vessel, said, "I saw my bullets striking the mast. They cut into it like a saw and presently it toppled over onto the deck. When we left, the flames were pouring from the ship."

Skip-bombing Mitchells added the merchantman to their list of Italian ships bagged—already ready well over 300—when they sighted it off the western coast of the mainland. It was hit repeatedly and suddenly broke in two, the returning pilots said.

## New Loading Zone For Buses Planned

A new bus loading zone, designed to relieve sidewalk congestion at the Walgreen corner of Third and Main, was announced Thursday by the city, and work on the project will be started probably by Monday.

City Manager B. J. McDaniel said a safety island, 8 by 30 feet in size and about six inches in height, is to be erected just off center of Main street above Third. This is to be the unloading platform for all Buher buses, which will no longer pull up to the curb, but will stop on the west side of the platform in the center of the street. To avoid street crowding, parallel parking will be put into effect on both sides of Main for a half-block up from Third.

McDaniel said the safety island would be the only stop for buses. Also to be erected immediately are red, white and blue post signs bearing the words "Bus Stop." These are to be put up at all designated stops throughout the city, and buses will be directed to pick up and discharge passengers only at those points. The whole program is in interest of safety, McDaniel said.

FRENCH GENERAL KILLED  
ALLIED HEADQUARTERS IN NORTH AFRICA, Aug. 19 (AP)—General Louis-Marie Koeltz, commander of the French Nineteenth corps, has been killed in action, it was disclosed today.

## Texans Admit Shepherd's Slaying, Report

STEAMBOAT SPRINGS, Colo., Aug. 19 (AP)—Sheriff Lewis Todd said today two Texas brothers have orally admitted trussing and robbing a sheepherder who was found dead in his northwestern Colorado sheep camp earlier this week.

The Routt county sheriff said one man, 28, told him he and his brother, 26, wearing red handkerchiefs for masks, entered the sheepwagon of Ethelburg Purdy, 54, of Hayden, Colo., Sunday night and took \$38 and a "wolf gun" from the wagon after binding the herder.

The young brother, the sheriff said, related that he bound Purdy with a tie.

The mournful howling of Purdy's sheepdog led officers to his body Tuesday. The herder's arms and legs had been drawn behind his back with a cotton rope knotted in a way that it tightened as he struggled. A coroner's jury held that Purdy died of exposure and shock.

Sheriff Todd said he expected the brothers would sign statements later today and added that he would ask authorities to file murder charges against the pair as soon as possible.

Todd and Undersheriff William MacFarlane returned the brothers to Steamboat Springs last night from Rawlins, Wyo., where they had been held in connection with a liquor store holdup. Two of the guns found in the brothers' possession at Rawlins, Sheriff Todd said, were identified as Purdy's—a .22 caliber rifle and a .34-40 "wolf rifle" for which Purdy had hand-fashioned a front sight.

The sheriff quoted the older brother as saying "we wouldn't have pulled this lousy job if we hadn't been broke."

The brothers gave Houston, Texas, as their home, Todd related, but said they had been wandering "all over the west" recently. The older brother's wife is somewhere in Colorado but the younger's wife and two children are in Fort Worth, Texas, the sheriff said.

## British King Lauds Gen. Eisenhower

LONDON, Aug. 19 (AP)—King George VI today congratulated Gen. Dwight D. Eisenhower and the forces under his command upon the successful conclusion of the Sicilian campaign, which he said caused rejoicing throughout the British empire.

"On the final accomplishment of the occupation of Sicily I wish to send to you and all members of the forces that you command with such distinction my heartfelt congratulations on a great achievement.

"Throughout the British empire we have watched with admiration the ordered progress of the campaign by sea, by land and by air. We rejoice at its successful conclusion.

"I should be grateful if you would convey to my British and Canadian troops special assurance of my pride in their share of this victory."

## 13 BEEF STEERS RUBBERNECKING

DALLAS, Aug. 19 (AP)—Thirteen beef steers were taking in the town early today. A truckload of 15 steers from Fort Worth overturned in the Dallas city limits. Gasoline spilled on the street became ignited and the cattle stampeded. A bystander was knocked down and trampled. One animal took refuge on the front porch of a residence.

Police and firemen rounded up five of the steers and the search was being continued.

# Identification And Model Plane Contests To Be Held Tonight

Public Invited To Visit The USO Tonight

Boys up to 18 years of age will be able to enter the model plane contest which is being sponsored at the local USO club as late as 7:30 o'clock this evening, Mrs. Ann Gibson Houser, program director at the soldier center announced today.

In connection with the observance of National Aviation Week, two contests, the model plane contest and an airplane identification contest, will be held this evening with Lieut. Ernest J. Coverdill of the Big Spring Bombardier School as judge.

The plane identification contest will be open to service men anytime during club hours this evening, and posters will be on display showing the various aircraft which are now being used in combat by the U. S. Army Air Corps and

the U. S. Navy. A \$5 prize will be presented to the winner by the Chamber of Commerce.

Winner of the model plane contest will be offered a trip through the Big Spring Bombardier School to inspect work shops, hangars, etc., through the courtesy of special service section. The contestant's age will be considered with craftsmanship in the judging.

Contestants who have entered planes are Billy Montgomery, N. L. Miller, Charles Wilbanks, Buddy Edwards, and Bill Nichols, entering one model; Harry Hurt, Bill Sheir, Billy Jo Ayers, Roland King, Bobby Jo Blumh, Bennett Petty and James Boardman.

## Activities At The USO

**Thursday**  
9:15 p. m. — Informal dancing — Beta Sigma Phi and GSO Thursday girls junior hostesses

**Friday**  
9:30 a. m. — Gym class.  
9:15 — Ballroom Class. Dancing partners needed for classes.  
9 p. m. — Square dance class.

**Saturday**  
5-8 p. m. — Canteen open . . . Cookies and iced tea.  
8:45 p. m. — Enlisted Men's 8 p. m. — Recording hour.  
dance at post . . . Special Services Section in charge.

An all negro choir from the Mount Bethel Baptist church, under the direction of E. M. Watson, will present a concert at the Big Spring soldier center Monday evening during open house for local townspeople.

The variety program will include baritone and soprano solos, and all townspeople interested in such a program are invited to attend.

North Church, from which in 1775 the lanterns were hung signaling to Paul Revere that the British were marching to Lexington, still stands in Boston.

When a crocodile fills its mouth with food the pressure against the top of the mouth releases tears from its lachrymal glands.

## Miss Laneous

Notes

MARY WHALEY

Ordering food these days is a guessing game that the customer plays with the grocer and/or the waitresses in the cafes but woe unto the person who doesn't have an open mind about what he wants to eat.

The best way to play the game is to begin by asking "do you have any" and then name your first choice in foods. This saves disappointment involved when your mouth is watering for a steak and you order one only to get turned down—but flatly.

It is all right to ask if the establishment has the food you desire like because the clerks and waiters like to hear you reminisce too. Their memories aren't so short that they can't recall having served many a beef steak, ham sandwich (not pressed) or melted cheese concoctions.

During the conversations, if you insist upon asking for obsolete items, you are likely to get bogged down to the only remaining food that seems not to have felt the impact of war . . . fish. In times gone by, fish was something you ate on Friday, sometimes, but now it rates number one on every menu in town.

You can have it fried, baked, most any way you want it, but it is still fish. Next in abundance are eggs and you can have your eggs any way you want them too.

But even if the menu states plainly that the restaurant has all kinds of food, don't be so gullible. Most of the printing jobs were done several years ago. To save your time and the waitresses it is better just to say "what do you have?" and it won't take her but a minute to tell you.

## News Of Visitors And Visits Reported By M's

G. A. MCGANN—Mrs. McGann and son, George Albert visited in Dallas recently. "We thought of going to Buick during the summer, but now it's doubtful," Mrs. McGann reports.

W. B. MCKEE—"Well I know one thing, I've spent the summer in the dentist chair so we haven't been able to go anywhere," Mrs. McKee states.

H. C. McPHERSON — Talked with Mrs. McPherson who told us her niece, Mary Jim Wade of Snyder, visited them recently.

J. D. McWHIRTER—"Just staying at home and working trying to keep the victory garden alive," said Mrs. McWhirter.

W. L. MEAD—Talked with the maid and she informed us Mrs. Mead was at the market and Nelle was at the beauty shop.

A. D. MEADOR—"We have been spending our summer at home," said Mrs. Meador, "because we are a little leery of traveling." They have canned peas, peaches, and jellies while at home.

H. E. MEADOR—Mamie Jean Meador answered the phone and reported no news today. Mrs. Meador was at the store.

JIMMY MEDFORD—Mr. and Mrs. Burl Teague of Lamesa are visiting Mr. and Mrs. Medford. Mrs. Jack Banks of Ashland, Ky., returned to her home after visiting here for two months.

VICTOR MELLINGER — Mrs. Mellinger was out when the reporter called, but talked with Janice Mellinger who said they had no news.

A. J. MERRICK—Mrs. Merrick was at the store and Andrew Merrick said he didn't know of any news.

V. A. MERRICK—Talked with Mrs. Merrick who told us Billy was liking the Navy swell but would sure like to see the folks back home. He is stationed in San Diego.

## Lodge Meet Held At The WOW Hall

The Ladies Society of Locomotive Firemen and Engine Men met at the WOW hall Wednesday evening for a semi-monthly business session.

Mrs. Florence Rose, president, was in charge of the meeting and Mrs. Helen Gill read the minutes. Those attending were Mrs. Irene Steger, Mrs. Helen Gill, Mrs. Jewell Williams, Mrs. Florence Rose, Mrs. Birdie Adams, Mrs. Alice Mims, Mrs. Winnie Porch, Mrs. Minnie Skalsky, Mrs. Billie Anderson, Mrs. Minnie Barbee, Mrs. Iona Graddy, Mrs. Opal Crawford, Mrs. Susie Wilson, Mrs. Rebekah McGinnis, Mrs. Leah Brooks, Mrs. Mattie Munks, Duane Jones and Mrs. Doris Coates.

## Kongential Klub Is Entertained In Petty Home

Mrs. Herschel Petty entertained with a party in her home Wednesday afternoon and members of the Kongential Klub were guests.

Bridge was entertainment for the afternoon and prizes went to Mrs. Jack Smith, who won high score; Mrs. Ollie Anderson, second high and Mrs. S. A. McCombs who blinged.

Refreshments were served and those attending were Mrs. Ollie Anderson, Mrs. Escal Compton, Mrs. C. S. Edmonds, Mrs. R. W. Halbrook, Mrs. E. C. Boatier, Mrs. S. A. McCombs, Mrs. Jack Smith and the hostess, Mrs. Petty.

Mrs. Jack Smith will be the next hostess.

## Class Visits The AAFBS Hospital

Members of the Young People's Class of the First Methodist church visited the post hospital at the Big Spring Bombardier School Wednesday evening at 6:15 o'clock with Mrs. F. V. Kimsley, USO hostess and her assistant, Mrs. Leslie Roberts.

The class donated candy, home made cookies, cake, chewing gum and magazines to be distributed in the wards and local florists sent cut flowers.

Those attending were Mrs. Clyde Thomas, Sr., Peggy Thomas, Mr. and Mrs. Jack Haines and Mrs. Howard Stevens.

Young People's classes of other organizations are invited to take part in the weekly visitations which are sponsored by the local USO club. For reservation, call 982.

## Cadets To Use The Settles Ballroom For Saturday Dance

Mrs. Lynette McElhannon, hostess at the Cadet Club located in the Settles hotel, announced Wednesday that the ballroom would also be used for Saturday evening entertainment with rooms one, two and three.

Music for dancing will be furnished by nickelodeon, and all cadets are invited to visit the club during the week-end.

## —VISITS AND VISITORS

Tommie McCrary and Kathleen Underwood left today for a vacation in Denver, Colo. They will return next week.

Mrs. R. L. Holley is visiting in Grand Prairie with her son, R. L. Holley, Jr., Mrs. Edith Underwood of Los Angeles, Calif., is visiting here with her brother, R. L. Holley.

Mrs. C. S. Edmonds has returned from Muskogee, Okla., where she visited with her parents, Mr. and Mrs. L. E. Herman.

## Western Theme To Be Featured At Cowgirl Dance

Enlisted men, their dates and invited guests will be entertained with a cowgirl dance in the post recreational building at the Big Spring Bombardier School Saturday evening.

Special service section is sponsoring the affair and a western theme will be carried out in ballroom decorations featuring a chuck wagon, corral and lanterns.

Intermission entertainment will carry out the chosen theme, and music for dancing will be furnished by the post orchestra under the direction of Cpl. Bill Mavromatis.

Invitations have been mailed to local girls who are asked to dress in western costume. Hours will be from 9 to 1 o'clock and transportation to the post will be furnished from the Settles hotel.

## CALENDAR

**THURSDAY**  
VFW AUXILIARY meets at the VFW home, 9th and Goliad, at 8 o'clock.

**FRIDAY**  
TRAINMEN LADIES meet at the WOW hall at 2:30 o'clock.

## GUEST HONORED AT BRIDGE PARTY

COLORADO CITY, Aug. 19. — Complimenting her daughter, Mrs. Louis Bow of Washington, D. C., Mrs. Harrison H. Black entertained at her Colorado City home with an evening bridge party.

Summer flowers were used as party decorations and a refreshment course was served after games of contract.

High score prize was awarded to Mrs. Richard Connell, low score consolation prize to Elizabeth Everetts.

Other guests were Erdine Morgan, Cia Faye Morgan, Nina Laura Smith, Mrs. Ewing Lee, Catherine Slagel, Mildred Mann, Ruth Elliott, Mrs. Quinton Hamrick, Virginia Gurney, Willie Grace Doss, Lela Roddy, Mary Venable, Fern Dillingier, Mrs. Lois Prude Bennett, Mrs. Edith Topp of Sweetwater, and Mrs. Bow.

## Mrs. Zinn Celebrates 97th Birthday Today

Mrs. Mary Zinn, better known to Big Springers as Mother Zinn, will be honored guest at a birthday party which will be held at the First Methodist church this evening at 7:30 o'clock.

Mrs. Zinn is celebrating her 97th birthday anniversary and will attend the party, an annual affair which is being sponsored by the Woman's Society of Christian Service.

Friends are invited to attend the informal affair.

## Birthday Dinner Given In Colorado

COLORADO CITY, Aug. 19. — Honoring her sister, Tommie Ruth Grant, on her birthday anniversary, Helen Jo Grant entertained with a dinner party at Ruddick Park in Colorado City. A picnic supper was served to Jo Beth Rowland, Leona Porter, Patsy Owens, Ruth Morris, Della Winchester, Bertie Lee Mikie, Gerry Posey, Elzada Herring, Richard Thomas, Bill Howard, Leroy Geddie, Clifford Carpenter, J. P. Jameson, Pvt. Lowell Duke of Goodfellow Field, Robert Porter, Frances Mae Porter, John Turner, Gerald Compton, Freddie Rankin, Gene Britton, and Pete Peterson.

## Gabriels Honored At Farewell Party

Mr. and Mrs. E. A. Gabriel were honored at a farewell dinner party which was held Wednesday evening at the Park Inn.

Those attending were Mr. and Mrs. Stoney Henry, Mr. and Mrs. Douglas Orme, Mr. and Mrs. Ray Lawrence, Mr. and Mrs. Johnny Hodges and Mr. and Mrs. Gabriel. Gabriel left after the affair for Houston where the couple is moving and Mrs. Gabriel will follow him.

**New under-arm Cream Deodorant**  
Stops Perspiration safely

- Does not rot dresses or men's shirts. Does not irritate skin.
- No washing to dry. Can be used right after shaving.
- Instantly stops perspiration for 1 to 3 days. Prevents odor.
- A pure, white, greaseless, stainless vanishing cream.
- Awarded Approval Seal of American Institute of Laundering for being harmless to fabric.

**Big Springer's Last Flight Over Europe Described By Mates**

AT A U. S. BOMBER STATION IN ENGLAND, Aug. 19 (AP)—The flying mates of Staff Sgt. H. N. Holcombe, of Big Spring, Tex., officially listed as missing in action, reported today that he probably had gone to a hero's grave when the flying fortress "Alcohol Annie," crippled and a flame, made an emergency landing in the North Sea after a raid on an aircraft factory near Berlin.

Holcombe and four other sergeants, all of whom were lost, chose to stay with the ship rather than bail out and decided to fight the fire rather than seek the comparative safety of the radio compartment during the crash landing.

Lt. Eugene Wilcox of Moravia, Iowa, pilot of "Alcohol Annie," said that he feared Holcombe was knocked unconscious when the plane hit the water, broke in two and sank within 15 seconds. None of the five who were lost was able to fight his way clear of the plane.

"Holcombe discovered the fire when we were about 25 miles off the German coast on our way home," Wilcox said. "We had been heavily attacked by German fighters, and fire had made considerable headway inside our right wing before Holcombe discovered it from his position as right waist gunner. Three of our engines had been shot out and our greatest fear was that we would explode before we could get the plane into the water.

"When Holcombe reported the fire on the plane's interphone, I went back and asked him whether he wanted to bail out or ride the plane down. He asked me what I was going to do. I said I was going to ride her down. Holcombe's answer was that if I had enough guts to ride her down he would stick along.

"Holcombe stayed in the waist fighting the fire until we hit the water even though he knew the radio compartment was the only place in which he could brace himself against the shock of landing. I'm afraid he was

S-Sgt. H. N. Holcombe

Even after escaping from the fortress, the five survivors declared they were lucky in ever reaching England. At that time, they were only about 30 miles from the German coast. The British sea-air rescue plane finally located them when they fired their last rocket and later dropped a 15-foot boat to them by parachute.

They were approximately a day and a half in this craft before the sea-air rescue launch could pick them up.

S/Sgt. Holcombe was the son of Mr. and Mrs. E. W. Holcombe of route No. 2, Big Spring, and the husband of the former Janet Baker. His family had been notified he was missing in action. knocked out when we hit the water and was unable to fight his way out of the ship.

**North Maintenance, 365th Share Wins**

The North Maintenance, winner of the second half of the Big Spring Bomber School enlisted men's softball league, clipped the 365th, winner of the first half, 5-1 in the final game of the last half Wednesday.

Bitterly contested, the tilt was a harbinger of the struggle next week for the championship. Then it will be best two games out of three for the title.

Bredemeyer, allowing the 365th only four hits, kept them well spaced although one was a double. Henderson scored the only 365th run on an error. Durham, Dun-

**Fewer Sales At Livestock Auction**

Dry weather probably accounted for the smaller number of cattle for sale than usual at the Big Spring Livestock Auction sale Wednesday. However, there were plenty of buyers on hand and 475 head went for a total of \$20,000.

Fat bulls sold up to 10.50 and fat cows up to 10.50. Butcher cows went from 7.00 to 8.50 while common cutter cows were sold at 6.00. Stocker steer calves were up to 12.00 and stocker heifer calves up to 11.50.

The auction brought a good run of hogs with butcher hogs going for 13.30 and stock hogs from 10.50 to 12.

**Civil Case Jurors Are Selected**

Jurors were selected for the civil suit of C. F. Morris versus C. L. Rowden, suit for debt, Thursday morning in Howard county court and the case was to be heard Thursday afternoon.

Jurors are H. J. Agee, W. I. Broadus, M. G. Riggan, Doyle Vaughn, J. Webb Nix, and William Tate.

**Last Rites Today For Mrs. Forester**

Funeral services will be held in the Eberley funeral chapel this afternoon at 5 o'clock for Mrs. Emmaline Forester, 76, who succumbed at 7 a. m. Wednesday.

She was born February 28, 1867, in Pike county, Ark., and has resided in Big Spring since 1926.

Survivors include one daughter, Mrs. R. M. Webb of Big Spring; two sisters, Mrs. N. J. Hodges, Clefth, Okla., and Mrs. R. B. Campbell, Tenty, Okla.; one brother, P. E. Forester; three grand children and six great grandchildren.

Palbearers are Rep. Burke Summers, Bennett Storey, Jess Thornton, Dalton Wright, Doyle Davis and E. H. Forester.

The Rev. L. E. Frazier, pastor of the West Side Baptist church, will be in charge of services and burial will be in the Ackerly cemetery.

**Services Are Held For Frank Child**

Funeral services for Lloyd Gary Frank, infant son of M-Sgt. and Mrs. Lloyd Frank, were held in the Valley-Reeder funeral chapel this afternoon at 1 o'clock and burial was in the city cemetery.

The child died Wednesday, eight days after birth in a local hospital.

Survivors include the parents; paternal grandparents, Mr. and Mrs. B. H. Frank of Big Spring, and maternal grandparents, Mr. and Mrs. A. G. Anderson of San Antonio.

**Weather Forecast**

WEST TEXAS: Slightly warmer this afternoon, tonight and Friday forenoon.

EAST TEXAS: Little temperature change in south, slightly warmer in north portion this afternoon, tonight and Friday forenoon; a few showers near middle and upper coast this afternoon.

Five men picked up on Texas & Pacific property Wednesday night were brought before the city judge Thursday on trespassing charges. They were additions to the long list being apprehended by officers to break up train riding. Three persons paid \$15 fine in city court on charges of drunkenness.

Forwarded by the selective service board to Lubbock for induction as an aviation cadet was William Glenn Decker. He was a transfer here from Oakland, Calif.

Inspection of the local selective service board's records has just been completed by Lloyd A. Wick, Jr., clerical audit supervisor from Austin.

Gasoline panel members of the ration board emphasized Thursday that the surrender of B and C coupons by August 23 does not mean the new type coupons. Those which must be turned in are the old ones, reading "One B (or C) Unit." To be kept for use are the new style stamps reading "Mileage Ration B (or C)."

First bales of cotton ginned here Tuesday by Farmers Gin Co. graded out well. The first bale by Charles Creighton made midding 29-32nds. The second bale brought in by Leland Wallace classed strict midding 29-32nds, and the third bale, snapped by H. L. Franks returned midding 7-8ths.

Pfc. Lorene Covill, daughter of M. J. Popeland, Big Spring, has enlisted in the Women's Army Corps, successor to the Women's Army Auxiliary Corps. She is stationed at Fort F. E. Warren, Wyoming.

James Duncan, son of Mr. and Mrs. Dave Duncan, seems to be doing all the good at Camp Stewart, where he has been in summer camp for the past six weeks. In a camp track meet, he won three first places and was high point man. Clyde Littlefield, University of Texas track coach who has charge of the cabin in which James stays, ranks him as high point man in all respects for the cabin. James has won his life saving certificate, passed swimming tests, won medals for shooting and has been outstanding in horsemanship.

W. L. McColister has returned from Dallas where he visited his father, F. M. McColister. He hopes to return on Oct. 6 on the occasion of his father's 92nd birthday. The elder McColister

has been working all summer in his victory garden, pushing a hand plow with the vigor of a much younger man.

He'll give them up when his daughter's free.  
"To who?"  
"To you."  
"And six copies to you G.I.'s. No. A hell of a lot of good mine'll be. He paused. He was silent a long time. "You're the go-between, huh. You and me got to think up something to get hold of Taggard. Clara, get some rope. We'll tie him up now that he's moving."  
"I'm all broken up," I protested. "You're moving, pal. You ain't dead yet. Yeh, I got to think of some way to get hold of Sam Taggard. Some way. The newspaper! That's it!"

A weekly column contributed by members of the Howard County USDA War Board.

## POULTRY NEEDS PROTECTION FROM INTENSE HEAT

By O. P. GRIFFIN, County Agent

It is hard for the poultry flock when no provision has been made for green feed and protection from the intense summer heat. In most such cases the hens have about quit laying. Perhaps many of them have died because there was no place they could find shelter from the intense sunshine except under iron-top sheds where temperatures ran nearly as high as in the direct sunshine.

Soon head diseases will show up in flocks that have been for a long time deprived of succulent green pasturage, or where a substitute was not fed. Some of the poultry mashes contain plenty of carotene. Others contain very little Vitamin A. All of them would have been all right if succulent green feed had been provided on the chicken range.

The first reaction of the inexperienced poultry raiser is to condemn the chicken raising business when things go wrong like that described above. But such cases an attitude will not help to win the war. We have had easy sailing so far in this war compared with what is just ahead of us now. Our stockpiles of food we had on hand at the start are fast being used up, while our responsibility to furnish food has vastly increased.

It is not too late to correct the mistakes that have been made. A little green colored fine stem alfalfa soaked in water over night will supply Vitamin A to those chickens until green feed can be provided. If sudan is growing on the chicken range cut it down so it will make some new growth for the chickens. Perhaps there is a bare spot where you can plant barley that will come up when it rains. The alfalfa can be fed until green feed is available.

Now what can be done to relieve the chickens from the heat? First that iron top house should be covered with old bundles. Make some provision for keeping the drinking water as cool as possible, and see that the chickens have water at all times. If there is no shade for the chicken waterers, provide one and if a well in nearby, change the water at noon and mid-afternoon.

A poultry flock that is properly fed and cared for will be much more profitable than one that is neglected. Feed is high and eggs are low in price, but such is war. These maladjustments can no more be avoided on the farm front than they are on the battle front.

Boston Common, the heart of Boston, was once a common cow pasture.

## NOW SHE SHOPS "CASH AND CARRY"

Without Painful Backache kidney ailments signify serious backache. Many ailments arise because the kidneys are not working properly. The kidneys are the chief way of getting the excess acids and waste out of the blood. They help most people pass about 2 quarts a day.

When disorder of kidney function permits poisons to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up night, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with aching and burning during those hours that is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Kidney Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Never study facing a bare lamp, and do not have unshielded lamp bulbs in the field of view.

## PEAS SHOULD BE HARVESTED SOON

By O. P. GRIFFIN, County Agent

Dry peas will be an important article of food during the coming months, so much so that the government guarantees the farmer a price for them. Well, the longer they stay in the field the more weevils they will have in them. And worse still, it will soon be cotton picking time, and it will be very difficult to get them picked then.

When peas are harvested they should be treated immediately for weevils. This can be done with carbon or high life while the weather is warm. To treat them with carbon, the peas should be in a reasonably tight container or bin. That is, the sides and bottom should be reasonably tight. It can easily be made tight with paper.

The amount of carbon to use is 1 1/2 pints to 100 cubic feet. That means one ounce for each four cubic feet. If your container is air tight, use only two-thirds that amount. The carbon is placed in shallow vessels on top of the peas and the top covered with a heavy sheet or quilt. On the ninth day repeat the process to get any weevils that may have hatched since the first fumigation. There is little danger that any weevils will be found in peas treated in this way unless they are placed in containers with live weevils.

If one intends to use his peas for planting, he should uncover them 24 hours after fumigating. Also, carbon is highly inflammable, so caution should be used.

## The War Today— Pacific Fighting Forces Merit Credit For Work

As the big chiefs go into action at Quebec, to grease the skids for naught it strikes me that we might well pause for a touch of the cap to our gallant fighting services which have continued to hold our Pacific lines while we have been engaged in "beating Hitler first."

It gives one a chill to think what might have happened to Australia, the Hawaiian Islands, Alaska or even the west coast of continental United States if it hadn't been for the skill and sacrifice of all categories in the far Pacific. They've done one of the decisive jobs of the war.

Our latest aerial success yesterday and Tuesday at Wewak, New Guinea, is a reminder that not only have our Pacific forces performed the essential holding operation against a powerful enemy, but they have done the "impossible" by seizing the initiative and putting the Japs on the defensive. In the Wewak show our bombers destroyed or damaged some 218 precious enemy planes, thereby virtually wiping out Nippon's airpower in central New Guinea.

The significance? Well, that beautiful job brings us just so much closer to the day when we shall wipe out the great Jap naval base at Truk, thus rendering the mikado's forces impotent in that whole vast zone of islands north-east of Australia. The little men of the Rising Sun are being forced back step by step.

Meantime in the "Hitler first" campaign, Moscow reports that the Germans are counterattacking before Kharkov on the fiercely contested southern battle-front, seeking an opening for an offensive to offset the devastating Red drive. Such a development would greatly intensify the already bloody crisis which is threatening to force the next chief to withdraw his entire great line in Russia.

This turn of events has resulted in the Soviet army newspaper Red Star making a fresh appeal for a second land front in western Europe, to force Hitler to divert troops from Russia and put him on the defensive in both west and east. The paper says that "only such an operation can cut down the length of the war to any considerable extent."

The Russian report that the Germans are trying to find an opening for a counter-offensive in the Kharkov sector is vastly important. It may mark Hitler's supreme effort to save his blood-soaked line. If so we are likely to see some of the most terrific fighting of the whole war.

## Nine Inductees' Names Announced

Names of nine men who were inducted into military service following shipment from Howard county have been announced by the selective service board.

Lindsey Groves Deel was accepted for navy duty, and Troy

## If that DIZZINESS Is From CONSTIPATION

PRU-LAX—the tasty laxative—may be just what you need. A compound of Senna and Cascara, combined with syrup and mild carminative, PRU-LAX stimulates "rhythmic activity" and aids peristalsis of the colon. According to a medical text, Cascara and Senna are "preferred" in chronic or habitual constipation. Constipation may be the cause of headaches, vertigo (dizziness), anemia, acne or other skin affections. Don't let it persist. Get a bottle of PRU-LAX at your druggist today. (Caution: Use this or any laxative only as directed.) (adv.)

## Stains, Dullness Vanish from FALSE TEETH

Eliminate such stains, harmful brushing, just put over plate or bridge-work in a glass of water, add a little Kleenite. Freely brush stains, tooth, food, etc. disappear. For best results use soap. Get Kleenite today from Western Drug Store, Collins Bros. or any good drug store.—adv.

KLEENITE needs no brush

# Peppy Blount Finds State Guard Training Of Value In Army

Av/S Ralph E. (Peppy) Blount, Jr. agrees very much as it is right, and he's getting along very fine, thanks to preliminary training he had as a member of the state guard of the Texas National Guard.

Blount, has just been transferred from Sheppard Field near Wichita Falls, Kan., where he was a member of the crew of a West Texas State College.

His training in the guard, he continued, helped him on the start, for he was able to fall out with the group which had previous military training and became "right guide." Because of guard experience, he was made squad leader in extended order drill.

Similarly, he demonstrated the facing, etc., the manual of arms, and substituted for a missing drill instructor. Peppy waded through all his general orders without a

# Classifications Are Announced

A liberal sprinkling of registrants in classes available for military service is evidenced in the latest listings by the Howard county selective service board.

Classifications follow:

- 1-A—Roscoe Dowells, Bill C. Long, Gene E. Shaw, Frank S. Goodman, Edward E. Buchell, Woodrow B. Moore, Smith M. Williams, Paul R. Sweet, Ernest J. Peach, Jimmie Turner, Nathaniel O. Decker (H), Casimiro M. Gonzalez (H), John Lawler, Jr., Charles S. Williams, Frank B. Thieme.
- 1-C—Lowie H. Fletcher, James G. Brown, Richard M. Robnett, James M. Morgan (H), Paul J. Droust (H), Willis Weatherall (H), Leslie E. Breen (H), Herman D. Nelson (H) Louis E. Marshall (H), Mike Moore (H), Orion C. Kinde (H), Marvin B. Leech (H), Frank R. Odum (H), Catarino E. Vega (H), Robert W. Whipkey, Willie A. Devenport, Orva L. Lemon (H), Edward B. West (H), Cecil Clay Elliott (H), Paul W. Clifford (H), Elmer R. Cravens (H), Charlie N. Parrish (H).
- 2-A—William N. Cochran, Burel Perkins.
- 2-B—Arnold J. Lloyd, Dalton D. Johnston.
- 3-A—Alfred W. Moody (H), Gusie C. Briggs, William O. Leonard (H), Same J. Williams (H), Harold E. McMurry.
- 4-F—Apolonio Juarez, Joseph C. Frazier (H), O. B. Warren, Almond P. Clement, Walter M. Turpin, Oda Benton.

# ELLIS HOMES ARE NEAR COMPLETION

Ellis Homes, the FPHA unit under construction adjacent to the bombardier school, is now 75 per cent completed and part of it will be ready for occupancy by early autumn, O. R. Walker, project engineer, said Tuesday.

Bulk of the heavy construction for the 33 housing structures and the additional community building has been completed and the project is merging into the finish stage. However, about 150 workers are still engaged on the job.

Walker has received a schedule of the rental conditions and rates which hold that the units are for migrant civilian war workers (and families) at the Big Spring bombardier school, and military personnel (and their families) stationed at the bombardier school.

# THOMAS F. COLLINS Wins Promotion

Thomas F. Collins, commanding officer of the 91st Ferrying Squadron, Love Field, Dallas, has been notified of his promotion to the rank of major by commanding officer, Col. Thomas D. Ferguson.

Major Collins, who is the son of Mr. and Mrs. O. D. Collins of San Angelo, was graduated from Big Spring high school and A. & M. college. He entered the air corps as a pilot-cadet four years ago.

He, with other pilots based in Africa, took part in the rescue of wounded civilians and soldiers, keeping just one jump ahead of the Japs in Burma, Rangoon, Bataan, Corregidor and other Jap captured areas. Flying without weapons and with planes stripped of every weight, Major Collins helped evacuate the wounded men, women and children caught in the path of the Japs advance to comparative safety in India.

The original drawing for the insignia of the Army Chemical Warfare Service reputedly was made on a cigarette wrapper by an officer who is now a clergyman.

trip-up and won commendation, as he did in guard training. "I have not written in a spirit of boastfulness but simply to encourage other fellows who are 17 years of age and who soon will enter the armed forces to take the training the Texas State Guard offers so they can profit by the training as much as I already have."

**Succumbs**—Harry Morgan, 37, manager of the Roberts hotel in San Angelo for nine years, died there Tuesday morning. He was formerly assistant manager and manager of the Settles hotel before going to San Angelo to manage the hotel property then owned by Mrs. Dora Roberts, Big Spring.

# Officer's Memory For Faces Bad Luck For Suspect

A liquor board inspector's good memory landed J. W. Ivy of Lamesa in jail here Saturday where he is being held for return to Lamesa to face charges of "hot checking."

J. T. Morgan, liquor control board inspector, had picked up Ivy several months ago on a charge of transporting liquor and he was subsequently filed on in Dawson county court for the charge. This week he pleaded guilty and asked to pay his fine by check.

His bank reported he had sufficient money, but Ivy drew out his funds before the check was cleared through the bank and then headed out of town with a woman companion. Saturday morning Morgan saw him in Big Spring sitting in a travel bureau car, recognized him and turned him over to the sheriff's department.

# Piner Is Named To War Finance Group

Robert T. Piner, vice-president of the First National bank, has been appointed a member of the executive committee for the Fort Worth regional war finance committee by Co-chairman R. E. Harding and J. B. Thomas.

The new regional committee will direct the financial activities for the 59-county Fort Worth region in the treasury department's third war loan drive starting Sept. 9.

J. Lowell Lafferty has been named vice-chairman of the committee, Clarence Hendrick as regional manager and Rowland Broiles as publicity director.

The executive committee assumes the work heretofore done by the war savings staff and the victory fund committees, which have been consolidated.

Other committeemen in this area include Marvin C. Ulmer and Mrs. Hal C. Peck, Midland; Alex Collins, Houston; Harte, Henry Batjer, San Angelo; John D. Mitchell, Odessa; Henry James and Wilmer Sims, Abilene.

# Thomas F. Collins Wins Promotion

Thomas F. Collins, commanding officer of the 91st Ferrying Squadron, Love Field, Dallas, has been notified of his promotion to the rank of major by commanding officer, Col. Thomas D. Ferguson.

Major Collins, who is the son of Mr. and Mrs. O. D. Collins of San Angelo, was graduated from Big Spring high school and A. & M. college. He entered the air corps as a pilot-cadet four years ago.

He, with other pilots based in Africa, took part in the rescue of wounded civilians and soldiers, keeping just one jump ahead of the Japs in Burma, Rangoon, Bataan, Corregidor and other Jap captured areas. Flying without weapons and with planes stripped of every weight, Major Collins helped evacuate the wounded men, women and children caught in the path of the Japs advance to comparative safety in India.

The original drawing for the insignia of the Army Chemical Warfare Service reputedly was made on a cigarette wrapper by an officer who is now a clergyman.

# Wins DFC

T/Sgt. Norris Smith, son of Mr. and Mrs. O. R. Smith of Knott, has been awarded the Distinguished Flying Cross for more than 200 hours of combat flying.

KNOTT, Aug. 18.—Mr. and Mrs. O. R. Smith have received word that their son, T/Sgt. Norris Smith, has been awarded the Distinguished Flying Cross for more than 200 hours of combat flying.

Sgt. Smith is a radio operator and gunner on a Flying Fortress. He was graduated from the army air force radio school at Scott Field, Ill., and received his wings as a gunner subsequently at Tyndall Field, Fla. Since last December he has been assigned "somewhere in New Guinea."

# Gen. Davies Sends Letter To Ministers

The Herald has received a copy of a letter, written by Brig. Gen. Isaiah Davies, commander of the 34th Flying Training Wing, to the Big Spring Pastors' association.

It was in response to an "open letter" published in Sunday's Herald by the ministers, protesting the staging of the Bombing Olympics here on the Sabbath.

Gen. Davies' letter follows: My Dear Sirs: I have read with considerable interest your open letter to the Commanding Officer, Army Air Forces Bombardier School, Big Spring, which appeared in the Big Spring Daily Herald on 15 August, 1943.

The sentiments expressed therein are fully appreciated. Our people are now engaged in the greatest war of our history against enemy leaders whose tyrannical, ruthless and heathenish acts know no bounds, in order to preserve for the world a freedom of religious worship.

In order to prosecute this war to a victorious end in the shortest time and thereby terminate further bloodshed, starvation and hardship amongst all mankind, it is necessary that the "seventh day" be used—our enemy does not respect Sunday—remember Pearl Harbor. The vicissitudes of war are many, changing temporarily some of our daily habits.

There can be no intent on the part of our leaders to interfere in any way with the desires of any person to participate in Divine Services according to the dictates of his conscience. To preserve this right, we of the Armed Forces are willing to make the supreme sacrifice. In view of this we feel very deeply hurt by any criticism from those to whom we look for spiritual guidance.

We believe the letter was prepared impulsively and not as the result of deliberation with full consideration given to all aspects of the matter. We need your help in winning the war and may your every act give us renewed confidence.

ISAIAH DAVIES, Brigadier General, U. S. Army Commanding.

# Dibrell Gets Grid Pointers

John Dibrell, who leans to the T formation and who shortly will be faced with the job of building up a 1943 Steer football team, has just completed cramming his head with coaching fine points during the past week.

The Big Spring high school athletic director and grid coach has been attending the annual high school football coaching school at Waco.

Ralph Jones, Lake Forest (Ill.) coach, who uses the T altogether and is considered the chief authority in the nation on the formation, has been one of the chief instructors at the school. In addition, he is coach of the south all-star team.

During the week, said Dibrell in a letter to The Herald, he and other coaches took in lectures and then got field demonstrations in the afternoon and motion pictures at night. In between, mentors just talked shop and swapped ideas.

From district 3-AA are the Odessa, Lamesa, Midland, Abilene and Big Spring coaches. Dibrell expects to return to Big Spring within another week. The coach said he had letters from several of his players and felt that "most of them will be in good shape and ready to go."

Prospects for an outstanding team are not so bright in this quarter, but in spite of the fact that only five lettersmen will be returning, Dibrell will have a fairly well balanced team with an experience his greatest handicap.

# Committee Urges Continued Precautions Against Polio

Recommendations that every precaution be continued against any outbreak of infantile paralysis here came Saturday from the Howard county President's Birthday Committee, a group which has been active through the years in directing the raising of money to combat this dread disease.

The group, in a special meeting called by Chairman G. C. Dunham, urged the public to cooperate in the city's sanitation program by cleaning up property and observing garbage disposal ordinances.

It also asked the city commission to abide by the health officer's recommendations with regard to operation of the municipal swimming pool and other recreational activities. The health officer, Dr. J. E. Hogan, recommended some weeks ago that the pool be closed to children under the age of 18, and this ban remained in effect. While the threat of poliomyelitis may be lessened in some quarters, leading some people to request the reopening of the pool here, it was the unanimous vote of the committee, Dunham said, to urge that the health officer's recommendation be followed to the letter.

"Our committee has worked with several cases of infantile paralysis," said Dunham, "and we realize the full seriousness of this threat. We think that our citizenship cannot be too careful in safeguarding themselves and their children against any outbreak of the disease here."

The committee approved further financial help for one boy who was sent to Dallas in June as an infantile paralysis victim. There have been no local cases since the wave of polio swept over the state.

The group also authorized the chairman to act with necessary financial help in case of any polio emergency. Funds are available to needy polio sufferers because of the contributions made through the President's Birthday Balls of the last ten years.

Present at the committee meeting were Dunham, L. L. Speer, Ira Thurman, C. S. Blomahel, R. W. Whipkey, B. J. McDaniell, V. A. Merrick, Walker Bailey and J. H. Greene.

# COLORADO CITY FRONTIER ROUNDUP IS BROUGHT TO CLOSE SATURDAY

COLORADO CITY, Aug. 18.—The 1943 Colorado City Frontier Roundup wound up here Saturday night with the last of three nights performance rodeos which drew crowds of approximately 3,000 persons at each show. Bob McGuire, Mitchell county rancher from Cuthbert, came out with the best average made at the rodeo in both free-for-all calf roping and Mitchell county roping. His average in the free-for-all division was 16.9, and for the Mitchell county class, 19.4.

Winners in the second round of team roping were Sims Taylor of Lubbock who bested the field at the Saturday night show with his time, 28.4. Second in team roping was E. D. Walker with 21.8 seconds. Vance Davis of Coahoma and Elmo Vance of Snyder split third and fourth money after a tie time of 23.2. Weldon Young took the second round in free for all roping with the pace-setting record of the whole show when he rang up a 15.8. Weldon Miller of Gall was close on his heels with 16 seconds flat. Bob McGuire tied his calf in the second contest in 16.4 to take third money, and Clay Mann Smith Jr., Mitchell county, took fourth with 18.8.

Mitchell ropers competing on the second money round bowed to McGurie's 17.2 for first place; Shorty Northcutt's 18.4 was second; Forest Porter did a 19.6 for third spot; and A. B. Owens got fourth money with his 20.6. The best average in saddle bronc riding was made by Eddie Caldwell of Fort Worth. Sonny Lavender of Mankin was second in this event. Lavender's broken foot, received when the wildest steer ever shot out of a Colorado City shoot, jammed him against the fence, was the only real injury of the shows. Doug Bloodworth won third money in the bronc division.

James Everitt of San Angelo was victor in the steer riding tries. Ross Moore, also of San Angelo, made the only bronc ride

# Aerial Gunner

S-Sgt. Edmond H. Smith, son of Mr. and Mrs. W. E. Smith, who is an aerial gunner on a B-24, participated in the bombing of Rome, Italy, his parents have learned. Sgt. Smith enlisted in the air force Oct. 20, 1941, and was graduated from aerial gunnery school at Las Vegas, Nev., in November, 1942.

# LEGION OFFICERS ARE INSTALLED

Installation of officers was held Monday night at the Settles hotel for the American Legion local post with Charlie Sullivan, former commander, acting as installing officer.

C. L. Rowe was installed as post commander, Jake Douglas, first vice commander; Ike McGann, second vice commander; Burgess Dixon, adjutant; Ira Thurman, finance officer; L. B. Dempsey, service officer; and Louis Skalicky, sergeant at arms.

Ray Clark gave a report of the financial condition of the post for the year.

Carl Strom spoke on the third war bond drive to be held here. He explained that civic groups and service clubs were to man booths in downtown locations to sell bonds and the Legion agreed to take the responsibility of one booth during the drive.

**In India**—Seeing the world is a minor part of the job A. D. Harmon, Jr., holds as a member of the merchant marine, for getting war goods to distant points is his main concern. Last week he called his mother here that he had docked safely in India, but would love to be back in the states. Before signing to ship, he was a welder in a shipbuilding yard at San Francisco.

**Yank Again**—Transfer from the Royal Canadian Air Force to the U.S. Army Eight Air Force has been completed for Sgt. W. O. Harper, 24, Big Spring. Prior to joining the RCAF in August 1941, Harper resided here, and Mrs. Harper and their son live at 1104 Runnels. At the time of his transfer, Sgt. Harper was a night-fighter instructor on Biehmheims.

# FSA Seeks To Sell Projects To Farmers

DALLAS, Aug. 18 (AP)—The government is trying to sell its Farm Security Administration projects to farmers, with complete liquidation sought by next June. Hugh McLaughlin, associate director of the management division of the national FSA office in Cincinnati, explained this yesterday at a conference of FSA supervisors from Texas and Oklahoma.

# Clarke Resigns Post As USO Director Here

Ross H. Clarke, director of the USO soldier center here since Dec. 1, 1942, Monday disclosed that he had submitted his resignation to be effective by Sept. 15.

He made the announcement at the regular meeting of the Big Spring USO council, and expressed the hope that much of the work of setting up the negro USO program would be completed by that time.

Contracts were signed Monday, he reported, by Brown & Rice to rehabilitate the old Blue Cross hall into a building for the negro USO unit. Contract, he said, was for \$3,058, which, with some extras, will eventually consume the entire appropriation of \$3,357 for the project exclusive of furnishings.

Clarke came here last Nov. 23 from Baton Rouge, La., where he had set up the USO center, and assumed his duties here the first of the following month.

Since that time he and his organization have taken over from various women's groups who were performing, as the USO director said, "a splendid task with very limited facilities, working with about twice the personnel of armed forces that we now have."

Reviewing his work, Clarke recalled the decision to continue to utilization of the Radford estate building at First and Runnels because it was easily remodeled, because it was easily accessible to troops on troop trains that stopped at the depot, and because of cooperation from the building owners. The USO plant, he said, has been said by many to be "one of the nicest club layouts in the entire country."

He lauded the work of Mrs. Ollie Eubanks, Mrs. Anne Houser and Mrs. J. R. Farmer "and a host of ladies who have worked intently and incessantly." Mrs. Houser and Mrs. Farmer are on the staff and assume charge of detail work to free the director for general development of the program, he said.

Although he will not be on hand to witness its unfolding, Clarke revealed that the committee of management had requested an operating budget, exclusive of rent and the director's salary, of \$657 a month, and a separate budget of \$236 for the negro unit.

Resignation of the director was submitted to the army and navy department of the YMCA, an institution with which Clarke has been associated for a score of years. "Mrs. Clarke and I have greatly enjoyed our stay in Big Spring and hope to continue lifelong friends to many of you fine people," said the retiring director.

# Big Springers Make Outstanding Record

Six Big Spring youths who enrolled in Texas A. & M. during the spring semester achieved one of the most outstanding records of any group which has entered the school from here.

Three ranked in the top quarter of the class, one was in the second quarter and missed the first by a single grade point, one was in the third and one in the fourth.

# He Serves America

## We serve our Fighting Men by rushing carload upon carload of supplies by RAIL

Fighting forces must be sustained by a never-ceasing flow of food and war supplies from farms, fields, and industries.

We are proud of our part in equipping and supplying our fighting men, for they are America at her best. And there are enormous movements that must go through on time, along with greatly increased civilian freight and passenger traffic. Your patience and cooperation helps us and helps the Nation.

**Flintkote Staple Lox Shingles Featured**

"When the government placed restrictions on just what we Americans could buy during wartime, there were no limitations placed on shingles and roofing for the simple reason that even though Uncle Sam is at war, good roofs are an important factor in health and protection, and property should be kept in good condition," J. E. Underwood, owner and manager of the Underwood Roofing company at 302 Lancaster, states.

**HESTER'S**

114 E. 3rd - Phone 1644

One of the most successful composition shingles yet introduced on the market is the Flintkote Staple Lox which features the slogan "Lock on your roof against wind and weather."

Because you love your home, you want to give it the best protection. Yet your roof, where protection is most needed, may be leaking now without your knowing it. Here's why. Usually, the first leaks trickle down between the walls. After several storms, water marks appear on the plaster or wall paper. Then the redecoration inside the house frequently costs more than the roof repairs. Thus delay has doubled your expense.

Underwood pointed out five distinct advantages in purchasing a Flintkote fireproof roof. First, it is weatherproof with heavier felt. The exclusive process of supersaturation fills the pore spaces in the felt base with more asphalt, the waterproofing agent.

Second, the roofing lasts much longer. Tests have proved that it lasts four times as long as ordinary coatings under identical conditions.

Third, the colors are more lasting because they are surfaced with minerals that give lasting beauty.

Fourth, you are assured of quality in purchasing the Flintkote roof. The fifth reason is because of Flintkote's prestige leadership, backed by nationwide manufacturing facilities, strong financial resources, and over 35 years of successful roofing experience.

Underwood, who has been in the business here for the past nine years, pointed out that the work done by the company is proof in itself, of its quality, because over 500 homes in Big Spring have been serviced with roofs from the Underwood Roofing Company. Their built-up work, which in-

**Housing**— Whether for individuals, couples or families merely stopping over-night or for servicemen and wives wishing a place to keep house, Camp Coleman at the top of the hill in eastern Big Spring has solved many a housing problem in Big Spring. Camp Coleman still has some apartments and rooms available for semi-permanent occupancy, or for friends and families who come to visit their sons and husbands in the Big Spring Bomber School. (Kelsey Photo).

**Garage Owner Urges Checkups By Drivers**

"Be kind to your car," might be a slogan that all motorists could adopt and save themselves many a headache and many an expensive replacement. For in these days and times, shortage of parts and mechanics are war time problems, according to H. M. Rowe, owner and manager of the Rowe garage, 214 1-2 West Third street.

A good plan to follow, according to Rowe, is to take notice when your car begins using more oil than usual. This could mean an oil leak or the fact that your car is needing piston rings.

The enforced slower speeds that motorists now must follow are saving on tires but harder on automobiles. Driving much under before-war speeds, a car doesn't get lubrication and carbon doesn't burn out. This results in a strain on both rings and valves.

A careful motorist should have his car checked every three to five thousand miles, Rowe believes, because then minor repairs can be made. This saves waiting for scarce parts to be found and also prevents repairs.

Most motorists run their cars too many miles before having their valves ground, Rowe points out, and this leads to motor trouble and an unhappy driver.

**VITAL SERVICE TO COMMUNITY IS RENDERED BY PRODUCE COMPANY**

The cow and hen are being called upon for great things in meeting food demands during wartime—but only as their products clear through markets is their work of real benefit to the public.

This is where the Wooten Produce Company is performing a vital service for the community and for the farmers of this area.

Under the direction of Harvey P. Wooten, a long time resident of Howard county, the Wooten Produce Co. maintains a market for mounting production of eggs, for an increased volume of poultry, and for cream produced by farm herds.

In turn, the company sees that these products are distributed as quickly as possible to points where there is need for them. Eventually, some of the products go into the hands of the army and navy to feed our fighting men.

No spasmodic market is maintained by Wooten Produce, for regardless of the amount of poultry or poultry products now available, Wooten is prepared to purchase from farmers. Cream supplies, too, are readily handled.

Producers may be assured of fair and courteous service at Wooten Produce, for Harvey Wooten is familiar with farmers' problems. Not only was he reared on the farm, but in addition to helping the war effort with his business, he is engaged in odd hours in making a crop on the family place north of here.

**Cannibalism, Says Painter, Is Civilized**

MEXICO CITY, Aug. 16 (AP)—Cannibalism was described by Diego Rivera, noted Mexican painter, as a phenomena of highly civilized rather than primitive peoples.

He made the statement during a lecture in which he criticized references to past acts of cannibalism in the Americas as efforts to discredit original American civilization.

Eating of the limbs of sacrificial victims in pre-conquest Mexico, he contended, was not to satisfy appetite, but was caused by a belief that the sacrificed men had been purified and had died a better death than persons who died under normal circumstances.

It amounted, he insisted, to a religious belief by the eaters that they were cleaning themselves.

He cited instances of acts of cannibalism in civilized countries of Europe and argued that it is a phenomenon appearing when civilization enters a stage of decadence.

**EXPECT BALANCE**

MEXICO CITY, Aug. 16 (AP)—The Mexican government's revenues and expenditures for the present year will approximately balance at about 900,000,000 pesos or roughly \$185,567,000, Minister of Finance Eduardo Suarez stated.

**Take Care of What You Have**

We don't believe in the fighting front. Here on the home front there are many ways every individual can help the war effort, by conserving food, by volunteer action on activities and by careful use of hard-earned metal equipment.

Your electric appliances are many... conserve today because production of most appliances has been stopped to conserve metals for the machines of war. Take care of those you have because they save... save you will for the duration.
