

SIGHTS, FACES SEEN

Around Town

Mrs. John H. Olson, formerly of Hereford and now of Waco, was chosen president of the Women's Synodical of Texas this week at a meeting of the Texas Synod of the Presbyterian church in the United States.

There will be a meeting of the 4-H Leaders council Monday, Oct. 29, at 2:30 in the county court room.

M/Sgt. Vincent C. Sicola has replaced M/Sgt. Hicklin A. Harrel as local Army and Air Force recruiter. He will maintain the same offices in the court house.

Jane Welch and Reba Dones of Hereford are members of the 55-voice Hardin-Simmons university A Cappella choir, which is making a three-day tour this week. During the tour the group will make an appearance at the Baptist Student union convention in Waco.

William F. Smith of Hereford was among 25 students selected by New Mexico A&M for "Who's Who Among American Colleges and Universities". Smith, who is the son of Mr. and Mrs. Bill Smith, formerly of Hereford, had a grade point of 3.172 and was president of the Ag and Home Ec club and a member of Alpha Zeta.

Conrad Schulte, three-year-old son of Mr. and Mrs. J. A. Schulte, was hospitalized Saturday afternoon for rattlesnake bite. The youth was playing with a snake in the yard at the family farm home when the snake bit him.

Eugene Sparks and J. D. Poarch will become the new operators of the Palo Duro Service station on Monday. They have purchased

Beulah Benton Funeral Rites On Thursday

Funeral services for Beulah Eliza Benton of Mountainair, N. M. who died Tuesday night will be held Thursday afternoon at 2 o'clock in the First Methodist church at Dimmitt. Rev. N. S. Sherrell and Rev. E. L. Stanford will officiate.

Burial will be in the Dimmitt cemetery under the direction of Gilliland Funeral home.

Mrs. Benton was born October 15, 1892 at Tell, Texas and married J. C. Benton December 17, 1916 at Estelline.

Survivors include: her husband, J. C. Benton; one son, C. C. Benton of Mountainair; a daughter, R. D. Moorehead of Fort Sumner; a sister, Mrs. C. R. Wright, of Los Angeles; and one grandson.

Infant Oxygen Lock Bought by Hospital

An "Oxygen Air-Pressure Lock," comparable in purpose to an iron lung, has been added to the equipment at the Deaf Smith County Hospital, according to T. E. Seigler, manager.

Purchased at a cost of \$995, the unit is the first to be installed in a hospital this size in the immediate area. There are two of these units at Amarillo.

The new chamber can be used for pre-mature babies, for babies with weak lungs, for babies with mucus in their lungs, or for any instance when a baby has difficulty breathing.

Purchase of the new unit was aided by a \$150 donation from the American Legion Auxiliary last year and a \$125 donation

from the LaPlata club this year. The chamber is a new development of the last two years.

Temperature inside the chamber is kept between 99 and 100 degrees at all times. A 60% continuous oxygen mixture is provided by a constant flow of eight litres oxygen and eight litres water-washed air.

The Hereford Lions club is planning to honor all Gold Star Mothers in the area at a regular meeting Wednesday, Nov. 7. All Gold Star Mothers are asked to submit their names. Anyone knowing of a Gold Star Mother is asked to get in touch with George McLean, Dr. M. C. Adams, Ray Cowser, or The Brand.

REV. THOMAS

Begin Methodist Revival Here on Sunday, Oct. 28

Rev. H. Ellis Thomas of Uvalde will be the pulpit speaker in the local Methodist revival, beginning Sunday, Oct. 28.

This meeting is held in cooperation with the United Methodist Evangelistic Mission which includes every Methodist church in the state of Texas.

Over 10,000 decisions were recorded in the south part of the state early in October. An even larger number is expected in this closing week of the campaign.

A caravan of 50 cars will go through Hereford Sunday afternoon on the way to Polk Street Church in Amarillo to the District Youth Rally which is part of the campaign.

Services will be held in the local church each evening at 7:30 throughout the week and visitors will be at week contacting homes during those services also. The campaign closes with a mass-meeting in the City auditorium at Amarillo, at three o'clock on Sunday, Nov. 4.

The local church plans to send 100 youths to the rally next Sunday and 150 adults and youth to the mass-meeting on November (Continued on page 6)

File Bootlegging Charges Against Three This Week

Charges of selling liquor in a dry area were filed in county court on October 21 against C. L. Brownlow, Gene Brownlow, and Mrs. Gene Brownlow.

Mr. and Mrs. Gene Brownlow appeared before County Judge L. H. Foster on October 21 and pled not guilty. C. L. Brownlow appeared before Judge Foster on October 23 and pled not guilty.

Trial date for the three has been set for Wednesday, Nov. 14. They were freed on \$1000 bond each.

The sale with which Mr. and Mrs. Gene Brownlow was charged was made to a minor, the complaint states.

Dates mentioned in the complaints for the sale of liquor were October 20, October 13, and September 29.

Grain Sorghum Yield in County 3,500,000 Bushels

The harvest of Deaf Smith county's 1951 grain sorghum crop is "about 85% completed" according to estimates made by the elevator men and agricultural agencies this week.

Best estimates for overall production in the county hit near the 3½-million bushel mark from the approximately 160,000 acres

planted to grain sorghums. This yield figure is below the 1950 grain sorghum production in the county although the acreage in 1951 was a little more than that in 1950.

Losses to hail and lack of moisture hurt both dryland and irrigated crops.

acres of dryland was in grain. Yield estimates for the irrigated land average from 1500 to 2200 pounds per acre. Dry land yields were estimated at about 600 pounds per acre.

About 75,000 acres of irrigated land was planted to grain sorghum this year and about 85,000

sorghum.

Harvesting the remainder of the grain sorghum crop is dependent upon the weather. Some of the grain that hasn't matured as yet wasn't damaged too heavily by the recent frosts. The frost has helped dry out some of the sorghum.

Rehearsals for Handel's "Messiah" Begin Sunday

Rehearsals for the Hereford Civic chorus' 1951 presentation of Handel's immortal "Messiah" will begin Sunday afternoon at the First Methodist church. This will be the 17th year for the chorus to present the Messiah.

Dr. A. Clyde Roller, conductor of the Amarillo Symphony orchestra, has accepted the invitation of the chorus to direct the rehearsals and final presentation of the 1951 "Messiah".

Rehearsals for the oratorio will be held each Sunday afternoon at 3 o'clock at the First Methodist church from October 28 until December 2 when the final presentation will be held.

Don Moore, music instructor in Hereford public schools, directed the largest presentation in the history of the "Messiah" in Hereford in 1950.

Emil F. Myers directed the final presentations of the "Messiah" for 15 years and Mattie Mae Swisher directed the rehearsals.

Miss Swisher stated that the "Messiah" continues to grow in interest in Hereford, not only among the singers but among the audience as well.

Members of church choirs, singers from high school organizations, and everyone in the vicinity of Hereford and Deaf Smith county are invited to sing with the Civic chorus in its pre-

sentation of the "Messiah". Scores of the "Messiah" will be furnished to those who do not have their own copies, according to Miss Swisher.

Miss Swisher believes that it will be a liberal education to all who will avail themselves of this opportunity to sing under the direction of Dr. Roller.

With the cooperation of everyone, Miss Swisher thinks that this year's presentation will be even greater than the one last year.

Late Planting Retarded Safflower Experiment Here

"Fair to good" results were obtained from this, the first season for planting safflower, according to Alton Fraser, local elevator operator who introduced the new crop in Deaf Smith county this spring.

Average yields ran from 1200 pounds to 400 pounds per acre, Fraser explained. Though none of the seed is sold yet, he anticipates that the farmer will receive about \$4 per hundred F.O.B. Hereford.

Deaf Smith county growers faced a rather unfortunate year, Fraser said, because they started so late in the season. Safflower should be planted the latter part of February. The crop in Deaf Smith county was planted in

May. Normal growing period should be 120 days. Here they were given a 90-day growing period.

Perryton enjoyed a successful season, with all yields averaging at least 1000 pounds per acre for each of the 307 growers there.

"Safflower is definitely a dryland crop", Fraser said. Farmers who experimented with the crop this year confirmed that statement and also advised that the seed be broadcast rather than planted in rows. Most of this year's planting was in rows, although the best yields came from fields where the seed was broadcast.

Broadcasting keeps the weeds down whereas row planting re-

quires too much cultivation. About half the crop this year was planted on irrigated land and half was on dry land.

Fraser said there are several farmers who will plant safflower again next year, starting in February or March to get a good root system and a large plant.

He feels the crop, whose seeds are pressed for edible oils, hasn't had a fair chance here as yet.

Harvesting the county crop began in early September and about half the crop here is harvested. There are no close estimates available of the county acreage because a large part of it was washed out this spring and subsequently replanted.

Article Explains Issues In Amendment Balloting

(Editor's Note — This is the first of a series of articles written to explain five proposed amendments to the constitution of Texas. Voters will decide in an election on November 13 whether these amendments shall become parts of the constitution. These articles are provided by the West Texas Chamber of Commerce as a public service.)

CEILING — Senate Joint Resolution (SJR) No. 8:

In 1949 voters approved a constitutional amendment providing for creation of Rural Fire Pre-

vention Districts. It also provided that voters might create by election a tax not to exceed three cents per \$100. The vote of this amendment was 153,252 for and 145,298 against.

The amendment to be voted upon November 13 would make only one change in this Rural Fire Prevention District provisions. It would raise the tax ceiling from three to 50 cents per

MRS. DE MERCHANT

Revival services at the Assembly of God church begin Sunday night, Oct. 28, at 7:30 p.m.

Services will be conducted by a Lady Evangelist, Mrs. Willie C. DeMerchant, Sapulpa, Okla. Music and singing will be under the direction of the pastor, S. E. Eldridge.

Mrs. DeMerchant has had a wide field of evangelistic experience and her ministry has been very successful.

Services will begin each night at 7:30 and everyone is invited to attend by S. E. Eldridge, pastor.

Hopson Funeral Services Held Here Monday

Funeral services for Earl Hopson were conducted Monday afternoon at 3 o'clock at the First Methodist church. Rev. Don R. Davidson officiated.

Hopson, who was hunting near Durango, Colo., was found dead by members of his party when he failed to return to camp.

Pallbearers were: Otis Hall, J. W. Thomas, Odean Nixon, Dick Walker, L. B. Redwine, and S. J. Comer.

Survivors include: his wife, Mrs. Lucille Hopson; two sons, E. D. and Glen Hopson of Hereford; a daughter, Mrs. Orville Groneman of Vega; his parents, Mrs. Cora Hopson of Hereford and N. C. Hopson of Hobart; five brothers, Bill, of Gatesville, A. L. of Faith, S. D.; Elton of Hugoton, Kan.; A. N. of Hereford and Lee of Springer, N. M.; four sisters; Mrs. Lorene Bachelor of Rocky, Okla.; Mrs. Lila Mae Alford, Roosevelt, Okla.; Mrs. Ana Block of Hobart, and Mrs. Marjorie Wilson of Hugoton and three grandchildren.

REV. KINKEADE

Baptist Revival Begins Sunday; Ends November 4

Rev. H. H. Kinkeade will do the preaching at the First Baptist church revival in Hereford from October 28 to November 4.

Rev. Kinkeade came to Texas to attend school and remained to become pastor of the following churches: Fair Park church in Dallas; Carrollton, near Dallas; Wellington and Grace Temple of Denton. He is a former student of Southwestern Baptist Theological seminary at Ft. Worth and of the New Orleans seminary in Louisiana.

The Grace Temple church in Denton was organized March 6, 1949, with 146 members. To date, 322 have been added to that number. A new brick auditorium has been built and a three-story educational building is now under construction.

Pete Forderhase will direct the music. He was formerly education and music director at Albuquerque. He has served in a like capacity at First Baptist church, Plainview for several years.

ELEVEN-YEAR-OLD Charla Berry, daughter of Mr. and Mrs. S. B. Berry, is shown with the birthday cake made in honor of her 11th birthday, which she celebrated in the polio ward at the Plainview Medical Center. Weather Hampers Harvesting, Aid To Field-Packing of Lettuce

Mrs. R. C. Childers

Light drizzle and damp weather hampers harvesting in this vicinity. However the cloudy damp weather is an aid to the lettuce harvesting, as it can be done in the field during cloudy weather. Over half of the lettuce on the Cliff Potter place four miles west of town was harvested during the cloudy weather over the week-end. Price and Smith

growers and shippers of California graded and boxed the lettuce in the field, working until way into the night, and starting way before day break of a morning, and working all day when weather permitted. The Cultural Home Demonstration club will meet in the home of Mrs. Louie Olson for its regular meeting, Thursday Oct. 25 at 2:30 p.m. The program will

be on the care of hats, and a demonstration on the making of nylon corsages. Mrs. F. D. Ferguson of Amarillo was a guest in the Earl DeHart and J. T. Richardson homes Tuesday afternoon. The Fergusons are formerly of Hereford, living in the Ford community before selling their farm property and moving to Amarillo. Mrs. Ferguson was a very faithful Home Demonstration club worker, working with the Ford Home Demonstration club while living here. Their new farm property is located about six miles out of Amarillo on the Canyon highway. Sue Cooke became ill while at

school Friday. She spent the week-end in bed recuperating. Cpl. Verdell V. Pitts, of Shepard Field, is spending a 30 day furlough, in the home of his Aunt, Mr. and Mrs. Fred Wolfington. Patsy Childers accompanied a group of young folk to Palo Duro Sunday afternoon. Others of the group were Robert Miller, Ronnie Hembree, Gayle Biggers, Leroy Nettles and Lou Durham. Mrs. Glen Wilson was released from the local hospital Thursday and is at the home of her parents, Mr. and Mrs. Art Lewis. Debra Jo the new daughter of Mr. and Mrs. Wilson, will have to remain in the incubator at the hospital for some time. Mr. and Mrs. Cortez McNeill of Canyon, were supper guests in the R. C. Childers home, Monday night. The McNeills are cousins of Mrs. Childers. Mrs. C. S. Barclay and Larry visited Mrs. Lawrence Kendall and her new daughter, at the home of her sister-in-law, Mrs. Bill Kendall Sunday. Mrs. Lawrence was released from the hospital Thursday. Mrs. R. C. Childers attended the Pep Club Mothers meeting Monday afternoon at 4 in the high school building. Miss Hulsey, home economics teacher, was in charge of the meeting. The purpose of the meeting was to discuss plans for the Pep Club banquet and to appoint food committees. Kenneth Dehart and Patsy Childers attended the Hereford-Friona football game Friday night in Friona. Kenneth plays in the band, and Patsy is in the Pep club.

Midgets Wrestle Here Friday

An added attraction — midget wrestling — will be added to the Lions club wrestling program, which is being held this week on Friday, Oct. 26.

The change from the regular Saturday night wrestling card was necessary to get the midgets here. The meet will be held on Friday THIS WEEK ONLY.

Little Beaver, a 42-inch, 92-pound Indian wrestler will square away with another midget weighing under 100 pounds by the name of Sonny Boy Cassidy.

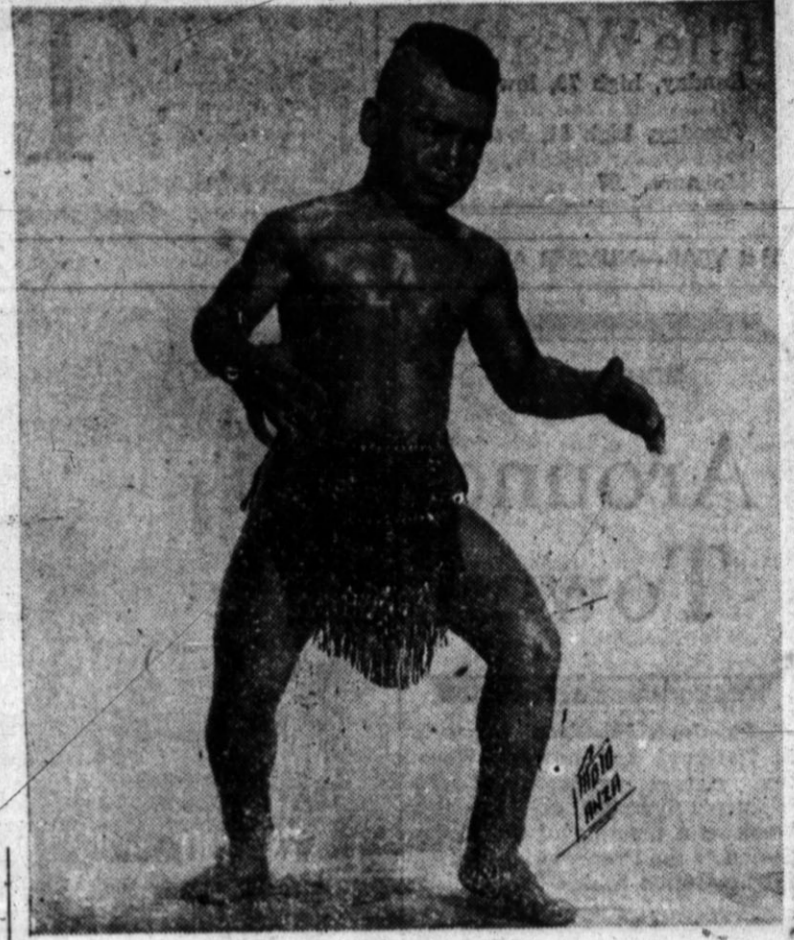

A good supporting card is promised for the Friday night bout.

Little Beaver is what is called a "card." He jumps continuously while in the ring and his natural ability makes him the fastest midget wrestler in the ring.

His drop-kick and Tomohawk hold are said to be very effective. The match will begin at 8:30 p. m.

a showing of films presented by W. H. Patton.

Members present were: Mesdames M. T. Sparkman, V. E. Dodson, Bert Coffin, Leon Coffin, Sam Laseley, and the hostess.

Austin Hodges Injured Sunday By Auto While Crossing Street

By Mrs. Owen Andrews

Austin Hodges, son of Mr. and Mrs. Walter Hodges Jr., was injured Sunday morning when he was struck by a car as he was crossing the street after having

been to church. He was taken to the hospital but was believed to not be in a critical condition. It was reported that he had a broken collar bone as well as multiple bruises.

Mr. and Mrs. Lee Johnson of Seminole spent the week-end with Mrs. Johnson's folks, the Mobleys.

Mr. and Mrs. Bill Boyd and sons of Littlefield were here visiting the Andrews Sunday afternoon. Mr. and Mrs. Boyd and Mr. and Mrs. Orlan Andrews were supper guests at the W. H. Andrews home. The group visited in the afternoon at the home of Mrs. Kurlye Johnson, who were recently visiting in the home of her daughter, Mrs. A. D. Johnson.

Leila Robbins of Abernathy and Betty Robbins of Wayland recently visited their parents, Mr. and Mrs. H. D. Robbins, over the week-end. Mrs. Robbins was able to go to church for the first time since her recent illness.

Mrs. Boydston, who is ill at the home of her daughter, Mrs. A. H. Brown, remains about the same.

"Plants For the Home" Provides Theme for Hereford Garden Club

Mrs. M. T. Rutter was hostess for the Hereford Garden Club Friday afternoon with Mrs. C. D. Kelton serving as co-hostess. Subject for the afternoon's program was "Plants For the Home".

Mrs. O. G. Hill gave the first part of the program, discussing "The Advantages of the Cold Frame" pointed out the advantage of having early flowers and vegetables. She also discussed "The Making of Cold Frames".

Mrs. E. M. Kester's part on the program was on "Dahlias-Selection, Culture and Arrangement". She opened her discussion by saying, "If you love nature at her best-grow dahlias" and told how to plant for three or four months of continuous bloom. Mrs. Kester also made the arrangement for the day, choosing dahlias as her flowers.

Plans were made for the group to attend the Seventh District board meet to be held in Littlefield on November 2, and announcement was made that no meeting of the club will be held on that day as scheduled in year books.

Members attending the meeting were: Mesdames Jim Black, Frank Brinkman, C. C. Ferguson, E. E. Fridley, W. S. Fluit, O. H. Herring, O. G. Hill, John Jacobson Jr., C. D. Kelton, F. M. The congregational singing for the local meeting will be directed by Earl Ward of Waco, Texas. All local church members are urged to attend these services and visitors will receive cordial welcome, pastor Don Davidson reports.

An unusual feature of the campaign will be a "clinic in Evangelism" held in the Hereford church for all Methodist ministers in the Hereford zone and their visiting preachers. This meeting will be held in Ward hall at 10 a.m. each morning of the week. It is for the ministers only. Reports will be received each morning by special telephone hook-up from the entire state-wide program giving the results of the previous day's work.

VETERANS LAND LOANS — House Joint Resolution (HJR) No. 2.

In 1946 Texas voters approved by majority of 80,022 to 29,935 an amendment to the Constitution known as Section 49-b of Article III.

That amendment authorizes the state to issue up to \$25,000,000 of bonds. Those bonds are sold to provide money—that is loaned to veterans of World War II to buy farms or ranches. To operate this loan program the Veterans Land Board was created. It consists of the Governor, the State Comptroller and the Attorney General.

The amendment to be voted upon November 13 would make the following changes in the constitution's provision affecting Veterans' Land Loans:

1. Increase from \$25,000,000 to \$100,000,000 the total amount of bonds the state could issue.
2. Make eligible for loans all men who serve in the armed forces as many as 90 days prior to December 31, 1952. The law now applies only to men who served prior to January 1, 1946.
3. Extend the life of the loan program from November, 1954 to November, 1959.

The legislature has enacted a law to put this amendment into effect immediately if it is approved on November 13.

To August 31, 1950 approximately one and one-half percent of Texas' 800,000 veterans had obtained these loans. The veterans' land fund purchased land for veterans costing \$17,000,000 during the first year it operated.

Expense of administering the program is paid from the general

Concert Season Begins Friday, Pianist Here

The 1951-52 Hereford Community Concert season will open Friday night, Oct. 26 at 8 p.m. in the Hereford high school auditorium with the appearance of William Messelos, brilliant young pianist.

Masselos, just out of his twenties, has been acclaimed as "a big talent" whose piano artistry "makes other pianist goggle-eyed."

That "double enthusiasm" is a delightful zest in living and a genuine love of music. Combined, they are bringing musical recognition early in life to the Juilliard School graduate and student of Carl Friedberg.

Masselos, whose musical background is rooted in the Midwest, appeared at New York City's Town Hall at the age of 19. His amazing virtuosity then and in subsequent appearances at Town Hall, Carnegie Hall and on numerous other Eastern stages, has been hailed.

Masselos approaches the piano with an attitude of confidence that immediately wins his audience. His versatility with the works of both "old" and "new" composers has astounded critics.

Said The New York Sun after a Masselos Town Hall recital: "It is an uncommon and stimulating experience to have such ability accompanied by his enthusiasm, musicianship and emotional fervor."

ily was enroute home from Northfield where they had been visiting friends and relatives.

Gayland Ward Honored on 5th Birthday Sunday

Mrs. Harley Ward honored her son, Gayland, on his fifth birthday with a dinner on Sunday, Oct. 21.

Following the dinner, piano selection, recorded music and picture puzzles provided entertainment.

Those present were: Merle Carmichael, Betty Scott, Shelia Sheppard, Paul Christman, Kay Scott, Wyndolyn Sheppard, Richard and Phyllis Ward, Mrs. Troyce Carmichael, Mr. and Mrs. Fritz Christman, Mr. and Mrs. Harley Ward, and the honoree.

Charges Filed In Intersection Accident Sunday

Charges of failure to yield the right of way were filed against Lewis Ray Womble, 15, owner and driver of a 1947 Chevrolet which was involved in an accident at 1:30 p.m. Sunday afternoon at the corner of Fifth and Schley.

William Leon Rose, driver of the second vehicle in the wreck, a 1940 1/2-ton Ford panel truck, was treated at Deaf Smith county hospital for injuries suffered in the accident.

The collision occurred when the Womble car, heading east on Fifth street, hit the left side of the truck driven by Rose.

City Patrolman Leland Alderson, who investigated the accident, said the panel truck was turned completely around from the impact and knocked up on the boulevard southeast of the intersection, heading the opposite way it was going before the crash.

Rose was alone in the panel. There were two passengers in the Womble auto. Todd Herrington was the owner of the panel. Damage to the panel was \$300 and \$400 to the Womble auto.

Missionary From Liberia Assembly Of God Speaker

E. L. Mason, field representative of Liberia for the Assembly of God Mission, will conduct a special missionary service at the Sunday morning service on October 28, according to Reverend S. E. Eldridge, pastor.

E. L. MASON

Mason, under appointment of the Foreign Missions department of the Assemblies of God with headquarters in Springfield, Mo., has recently returned from Liberia where he has ministered since 1945. Upon the eve of his recent departure for the states, President Tubman of Liberia decorated Mason the second time making him a Knight Commander of the Liberian Humane Order of Redemption. This recognition was given for meritorious service rendered the people of the Republic of Liberia. Pioneering of the aviation program of the Assemblies of God was undertaken by Mr. Mason when he took the first mission plane, a Sikorsky S-38 Amphibian, to Liberia. More than 2,000 hours were flown in this plane transporting missionaries, cargo, government mail and the general public. Since then the aviation

program of the Assemblies of God in Liberia has grown until today there are three licensed pilots, and A&E mechanic and four planes serving the field. The development of this program and its relationship to the growth of missionary work in Liberia will be discussed by Mr. Mason in his message.

During his first term in Liberia a new building for the First Assembly of God in Monrovia was constructed. Also an educational program for Liberia's children was begun. This phase of the work is continuing today. Upon the recommendation of

the field council, Mr. Mason was asked to return to the States to present the missionary cause in Liberia to the churches in America. Mr. Mason will describe some of the projects for which he is working.

A Texan by birth, E. L. Mason has been a real son of the Lone Star state wherever he has been. He began his ministry in Houston by pastoring two churches while finishing Southern Bible Institute. Later, he pastored at Highland, Texas, and for seven years served as vice-president of the Christ's Ambassadors of Texas. His last pastorate before going

to Liberia was at Glad Tidings Assembly, Beaumont, Texas.

Approximately 250 Persons at Style Show Tues.

Approximately 250 style-conscious men and women attended the Jaycee-ettes style show Tuesday night at Hotel Jim Hill.

Holiday styles was the theme for the show which emphasized new fall and winter styles and colors. Purples, orchid, and plum were the outstanding colors. Dresses were styled with snug waists and full skirts while the suits featured fitted jackets and full skirts.

Hose in all the new autumn colors added to the costumes.

Custom-made suits for the men were shown by three of the Hereford stores.

Models paraded before a back-

ground of gold. Bouquets of flowers in autumn colors completed the decorations.

Mrs. O. P. Cowser served as mistress of ceremonies and Mrs. Cecil Parker provided a background of holiday music during the show.

During the intermission David Goldston entertained with two numbers and Mrs. Sam Nelson played several selections on the marimba. Castor Bean Stripper Being Tried Out Here

A new field machine, an experimental castor bean stripper, was being tried out in fields in Deaf Smith county this week.

The machine, belonging to the U. S. Department of Agriculture, was developed by Dr. D. L. Van Horn, agronomist for the USDA at Oklahoma A&M; Eugene D. Baker, agricultural engineer at Oklahoma A&M, working for the USDA, and I. F. Reed, senior agricultural engineer in chief for the USDA in charge of machine development on oil-bearing crops. His headquarters are in Auburn, Ala.

The three men were trying the

machine out in a field near-by Hereford on Tuesday.

Comparable in operation to a cotton stripper or corn picker, the machine strips the bean from the stalk rather than cutting it off.

Sixty such machines, still under development, were being tried out throughout the entire dryland castor bean producing area.

Texas Game and Fish Commission Migratory Game Bird Regulations

WARNING: On the opening day of season, no person may possess any migratory game bird in excess of the daily bag limit.

Birds must be placed on storage within three days after close of season.

Migratory game birds may be possessed for only 90 days after the close of the season.

MEANS OF TAKING: Baiting or live decoys prohibited. Taking by means, aid or use of automobile or aircraft prohibited. May not use shotgun larger than 10 gauge, and may not use auto-loading or repeating shotgun capable of holding more than three shells, including those in the magazine and chamber. Only shotguns may be used.

May not take migratory game birds from any power-driven boat or boat under tow or sail. Sinkbox prohibited.

May not take waterfowl by means, aid or use of cattle, horses or mules.

May not take birds within one-mile of any place where feed has been placed or exposed.

RESTRICTED AREAS: May not take ducks or geese on any State or Federal refuge or preserve, nor from any enclosed private property without the consent of the owner or agent of said property. May not hunt on public road or highway.

FEDERAL STAMP: No person over the age of 16 may hunt migratory waterfowl without a Federal stamp (procureable at Post Office).

BRANT, COOT, DUCKS AND GEESE

OPEN SEASON: Nov. 9 to Dec. 28, both dates inclusive. Exception: no open season on black-bellied tree duck.

SHOOTING HOURS: On Nov. 9, from 12:00 o'clock noon to one hour before sunset; all other days of season one-half hour before sunrise to one hour before sunset.

Bag and Possession Limits

COOT: 10 per day or in possession.

DUCKS: 5 per day, 10 in possession, including not more than one wood duck.

EXCEPTION: American and Redbreasted Mergansers: 25 singly or in the aggregate per day. No possession limit.

GEESE AND BRANT: 5 in the aggregate per day or in possession, including in such limit not more than either 2 Canada geese (or its subspecies, Hutchins, or cackling goose), or 2 white-fronted geese, or one of each.

Grandstand Gropings

By Kent Snare

It is my considered opinion, but still pure conjecture, that in various and sundry points of this U. S. and A. (A for Arkansas since and including last Saturday) of ours, that there are a number of assorted characters still milling about with their hair all down in their eyes, muttering to themselves and wondering what manner of mishap descended upon them on the last day of last week — every football season sees a legion of upheavals, however last week's record must have been one — from West to Midwest, I might add succinctly that to date there is no eastern team extant that requires the rigor of upsetting, welkin rang for the underpups and, needless to state, our own Southwest led the pack with not one but three upenders — One surprise, not too blatantly publicized, was Indiana's brutal 32-10 handling of Ohio State, during which tussle the Hoosiers batted out three tallies in the first stanza and let the Buckeyes run a bad second from then on — The University of Southern California, an ignored stepchild, the past few seasons, reached up and pulled Pappy Waldorf back within reach of Cal's alumni wolves — Last Friday, College of the Pacific, which had already belted some nice scajps including Clemson, who had earlier nicked Rice, was inundated by Boston U's golden greek, Harry Agganis who nearly lefthanded them out of Fenway Park to a tune of 27-12 — A UP report says that USC is off the undefeated list too, due to a technicality, when the NCAA ruled that an early game with the Camp Pendleton Gyrenes in

which the Trojans lost, purportedly with second stringers, had to go as an official loss. In the Southwest, all three upsets were mildly anticipated but the fulfillment was still painful to the recipients, particularly to the air-minded Mustangs, who had their (Continued on page 3)

Open Date May Help Herd on Loop Wars

Hereford's Whitefaces will have a chance to mend this weekend before hitting their first conference foe, Floydada, at Whiteface Memorial stadium on Friday, Nov. 2.

There were no injuries out of the game with Friona last weekend save minor bruises.

Coach Dalton Criswell expressed hope that the week of in-

activity would help three regulars who have been on the injury list for some time. They are Halfback Dale Winget, End Franklin Boyd and End Randy Thomas. Winget is working out sparingly now waiting for his leg to come around. Boyd also had a leg injury, and Thomas fractured his ankle.

Hereford goes into the Floydada game on November 2 with a non-conference record of four wins and three losses. They won over McLean, Muleshoe, and Friona. Losses were to Levelland, Phillips, Dumas, and Dalhart.

Only two of the losses, the Levelland and Dumas affairs, were by lopsided counts. The Herd's best game of the year, against a

highly-touted Phillips Blackhawk eleven, ended in a close 7-0 verdict for the Hawks. Dalhart, supposedly outclassing Hereford, scraped by with a 7-0 victory.

On the long pull, Hereford is holding its own statistically with the rest of its opponents.

In the seven games played this far this season, Hereford has garnered 62 first downs as compared with 68 by the opposition. They gained a total of 802 yards rushing as against 934 for the enemy.

Hereford garnered 280 yards through the air while their seven opponents amassed 232. The Herd completed 22 tosses in seven games, compared with 11 for the

Taking Applications For Game Wardens

AUSTIN — The director of law enforcement for the Game and Fish Commission said applications may now be made for the next game warden school at Texas Agricultural and Mechanical college.

Applicants will be given an opportunity to demonstrate their qualifications by employment during the coming hunting season. Candidates for the game warden school will be selected from this group.

He said requests for information on the course—beginning in February—should be addressed to him at the Game and Fish Commission headquarters in the Walton building, Austin.

The law enforcement director said applicants should be between the ages of 21 and 40 years, have at least a high school education and be in good physical

condition. Salaries for game wardens in the field ranges from \$2400 to \$3600.

The approximately 15 men to be chosen for the four month course at A & M will, on graduation, be assigned to the regular state game warden force.

Since this course was established six years ago, almost 100 new men have been channeled into the regular warden force to fill vacancies caused by retirement and other reasons.

The 1951 class of 19 was graduated last May.

The director of law enforcement said the course will be conducted in cooperation with the Department of Wildlife Management at A&M college.

One of the major phases emphasized by Commission personnel with the annual classes concerns law enforcement.

Bill Phipps Wins Contest As Upsets Jar Predictions

Football records tumbled this week and so did the weekly high-riders of The Brand's football prediction contest. Major upsets took its toll among the 59 entries this week in the guessing. The long-range contest leaders held their edges.

Bill Phipps came through to

win the top honors of the week with a correct total of 17 games out of 22 listed. Phipps slipped up on the upsets: Rice, Harvard, Detroit, Texas Christian, and Arkansas U.

Phipps receives \$5 in trade from the Hereford Hardware as

first prize. Second and third prizes of \$3 and \$2 in cash respectively will be divided among 14 contestants, all of whom had 16 correct picks.

The 14 who tied for second and third money were: T. W. Alder-

James Boys Bad News For Davis, Duran Duo

The return of the James boys at the Bull barn spelled trouble for Dizzy Davis and Ray Duran in the main event of last Saturday's wrestling car, an Australian tag team match.

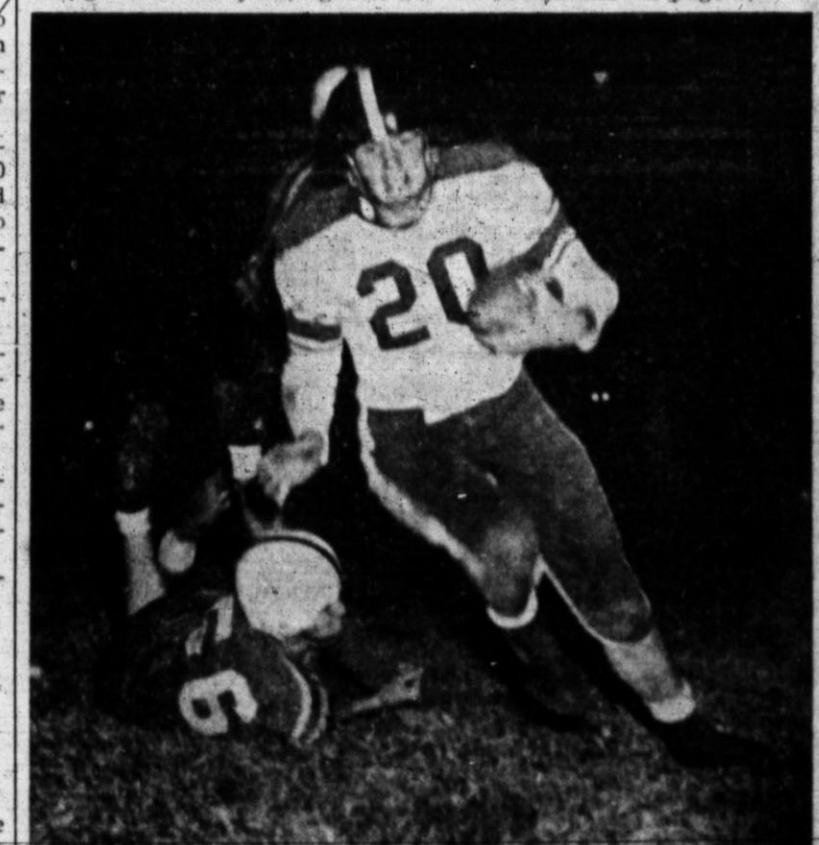

Jesse and Johnnie James, Los Angeles products, kept the two toughies at bay and walked off with the victory in two straight falls.

In the first event of the evening, a one-fall, 20-minute match between Johnnie and Mexico's badman, Ray Duran, Johnnie took the bunting home in 11 minutes with a body press following a series of drop kicks.

Jesse and Houston's own Dizzy

Davis fought to a draw in the second match, also a 20-minute affair.

Both matches were thrillers, with the two popular James boys (Continued on page 3)

This Week's Calendar at Your Hereford Churches

There have been great teachers in every age and in every land. The greatest teachers of all ages and all lands were rich in the knowledge of God... they believed "everything" was possible for those who really loved God. What better lessons can any of us learn than those imparted in the parables of The Good Samaritan, the Prodigal Son, the Seed and the Soils... the marvelous Sermon on the Mount with its texts that are silver and gold and precious diamonds in the teachings of the ages. How wonderful then for the children to whom we have taught the words of the Great Teachers, especially if they learn them from our memory and our example.

How shall we learn? We shall get most from the greatest teacher the world has ever known... from His spirit and attitude of tolerance and patience and generous forgiveness. We can be sure that He will not expect too much of us at the first; He will understand how slowly some men learn. God does expect us to know well from whence "everything" comes. "He sends us Sunshine, He sends us Rain; He sends us Loss, He sends us Gain; He sends some Beautiful, He sends some Vain; God—we know, He sends Everything." A-men.

Generally speaking, most of the guessing trouble came from the major upsets of the week with the Rice win over SMU taking the spotlight as the most surprising of the week. Next came Southern California over California, then Harvard over Army.

Arkansas' 16-14 victory over Texas U. rubbed the wrong way for the majority of contestants. The Oklahoma A. & M. Drake thriller tripped up a lot of the guessers, too. Another top fooler in the list was the Detroit-Boston College tussle, topped by Detroit.

Leaders over the long pull for the Cotton Bowl duets remain virtually unchanged. Leading is Kent Snare with 92, followed by Sophie Snare, 91, and Katherine Snare, 90. Next come I. W. Whitfield, 85; J. B. Brown, 79; A. W. Goforth, 79; Arthur Tinsley, 78; Mrs. I. L. Whitfield, 78; Dallas Phillips, 78; E. H. Loerwald, 78; and C. W. Covington, 78.

bitter nation pitched down their gullet by the Owl's Dan Dinkle, a soph-quarterback, who threw eight times, connected on half of them, of which, three went for touchdowns to Bill Howton and said three tallying tosses ranged from 20 to 60 yards in scope. The aforesaid Howton, from Plainview, is being favorably compared to the incomparable Froggy Williams, also a Rice/end of not too long ago, and such a comparison in itself is an accolade. The Arkansas Razorbacks threw up an 8-1-2 ground works against the wingless Texas Steers and held them to 14 points and 4 first downs, while trimming them 16-14—and the most amazing of the three Southwest Conference dazlers was TCU's crowning of the Texas Aggies—down 14 to nary into the last quarter, the Frogs came forth in the Fourth with a panhandle jewel, Ray McKown, of Dumas, who stunned the Cadets with two scores of his own and helped on the third tally to scuttle the Georgemen—I might add that all the foregoing comment is in lieu of a Hereford contest this weekend. I still think that we have ample opportunity to make this season a rip roaring success by taking the three conference foes coming up and don't think that isn't possible—they're tough but they can be had. Some wag said that after the games last Saturday they had to wipe "The Eyes of Texas" on account they were crying.

Duran and Davis were disqualified in 22 minutes of the first fall, for general roughness and use of illegal tactics, mainly strangling the James boys in the Davis and Duran corner with the tagging rope.

There was more free-for-all excitement in the second fall which also went to the James boys after a few crowd-thrillers.

Jesse put the damper on the devilish duo's hopes by pinning Duran with a body press in 13 minutes.

The last event of the evening was the corker. Davis and Duran earned the contempt of the crowd without even trying too hard and they had it rough from the spectators from there on.

Four Hereford Hunters Slip Up on Tagging

Four Hereford deer hunters met all requirements for legal hunting — except one, and they got fined for that last week. The four were hunting near Gunnison, Colo. when they were brought before the justice of the peace for failing to tag their game.

Paying \$30 and costs before the JP in Gunnison were: J. F. Springer, C. S. Gunter, N. B. Bartlett, and J. J. Clark, all of Hereford.

Church Group Hears Review

Mrs. Chester Wiggins reviewed the book "American Freedom and Catholic Power" by Paul Blanchard at the luncheon meeting held by women of the Church of Christ Wednesday at the church. JUMBO NEWS

Mrs. F. E. Clowdus Is Elected Jumbo Community Club President

By Mrs. Glen May

Mrs. F. E. Clowdus was elected president of the Jumbo community club Thursday afternoon. Serving with her will be: Mrs. G. Pope, vice-president; Mrs. M. L. Simpson Sr., secretary-treasurer; Mrs. John Walton, recreation leader.

Mrs. G. C. Pope gave a demonstration on making ice-box rolls. Those attending were: Mesdames F. E. Clowdus, W. E. Clowdus, M. L. Simpson Sr., F. A. May, E. H. Burke, Hugh Stitt, John Walton, Jack Buster, Glen May, and G. C. Pope.

The next meeting will be in the home of Mrs. Glen May on Thursday, Nov. 1.

Rev. J. R. Sharp of Canyon was a visitor in the M. L. Simpson home on Wednesday.

Mrs. C. M. Abbott and Mrs. J. W. Burgess of Hamlin, Texas were visitors in the home of their sister, Mrs. John Walton, last week. The Walton children, Stan and Joy Ann, accompanied them home for a visit.

Week-end visitors in the G. C. Pope home were Mr. and Mrs. G. A. Gorvins and Genie Pope.

Mr. and Mrs. Lloyd Clowdus of Blair, Okla. were week-end visitors in the home of Mr. and Mrs. W. E. Clowdus.

Mr. and Mrs. Hugh Stitt and children visited his mother, Mrs. Palmer, in Levelland Wednesday.

Mr. and Mrs. Jack Bustet and Mr. and Mrs. E. H. Burke were visitors in Amarillo on Wednesday.

Mrs. Clayton Devin and Gracynne of Happy were week-end guests in the Fred Axe home. Mrs. Jim Smith left Friday for Pomona, Calif. to visit her father who is very ill.

Visitors in Amarillo on Saturday were: Mrs. Glen May and Eddie. They were joined there by Mrs. Enzy Many and sons of Claude.

Farmers in this community are in various stages of harvest. Practically all the feed has been cut, except that which will not be ready until there is a heavy frost. Some farmers would be picking cotton if they could get the pickers. Some are having to re-sow wheat. Glen May, the only castor bean farmer in the community, finished harvesting last week. He reported a fair yield in spite of the 23% hail damage.

Ever stop to think Your First Car can be a Buick!

THIS being a land where it is every man's right to dream of getting ahead—and the pursuit of happiness is guaranteed by the Constitution—it happens that a great many people aspire to own a Buick.

But too often they start with a lesser car first—from a feeling that Buicks are something you have to build up to gradually, as your take-home pay improves.

So—if you have any such notion—we'd like to set you straight, right here and now.

You don't have to hope and dream and wait. If you can afford a new car—the first car you buy can be the Buick SPECIAL pictured here.

Its price tag says so. Its low cost of operation says so too.

We know that it looks like a lot of money. That's what makes it such a buy.

We know that it has a long list of features found in costlier cars, and that it rides and handles like cars that sell for a great deal more.

But that simply means that—at its price—you're getting a very big money's worth.

All of which adds up to one conclusion: the smart thing to do is come in and give this neat and nimble new SPECIAL a thorough going-over.

Try out its power—the power of its

high-compression, valve-in-head Fireball Engine.

Try out its ride and handling—and you'll discover it has the "big-car feel" that you'd expect from a Buick.

Try it out for size—for room—for comfort—for all the things that you've dreamed someday of having in a car—and you'll thank your stars that you found out the facts of life in time.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Buicks.

NO OTHER CAR PROVIDES ALL THIS!

- DYNAFLOW DRIVE**—power shifts on driver and car
- FIREBALL ENGINE**—high-compression, valve-in-head—gets more miles from every tank of fuel
- PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS**—greater clarity at night
- TORQUE-TUBE DRIVE**—seals the chassis, steadies ride, improves driving control
- 4-WHEEL COIL SPRINGING**—cushions ride, saves servicing costs
- DUAL VENTILATION**—outside air fed separately to right or left of front compartment
- SELF-ENERGIZING BRAKES**—hydraulic—multiply pedal-pressure five times at brake drum
- DREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepers on most models
- Plus:** Self-latching luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

To Fasten Handle

If the handle of a cooking fork or other piece of cutlery loosens, it may be firmly sealed by pouring melted resin into the hole alongside the metal part. Or, better still, fill the hole with finely-powdered resin and push the metal prong on handle, heated very hot, into the resin-filled hole. It will be as good as new.

Grease Stains

Turpentine will remove grease

stains from leather. The entire surface may then be revived by rubbing with the beaten white of an egg.

Heartburn

A pinch of soda dissolved in half a glass of warm water often does much to relieve heartburn.

Open-Grained Woods

Some open-grained woods, such as chestnut, walnut, and oak will not take a coat of enamel well unless the pores are filled first with paste wood filler to make the surface level. Then they will take a perfect finish.

Healthful Salad

To make a healthful salad chop or shred fine two cups of cabbage and allow this to stand one hour in cold or ice water. Then add one large grated raw carrot and moisten with mayonnaise.

Window Shades

When making a new hem in an old window shade and one is not sure it will stand stitching, make a deeper hem and try gluing it shut to hold the stick.

GREAT CARS SINCE 1902

How Can I?

By Anne Ashley

Q. How can I make an ink for writing on glass, ivory, or other smooth surfaces?

A. Mix the following: Three parts nitrate of silver, 20 parts gum arabic, 30 parts distilled water. Dissolve the gum arabic in two-thirds of the water, the ni-

trate of silver in the other third. Then mix and add the desired color.

Q. How can I set colors in garments?

A. Blue, pink, green, red, lavender, and purple should be soaked in alum water, two ounces to the tub. Black, gray, and dark blue should be soaked in strong salt water.

Q. How can I remove indelible ink stains from white materials?

A. Soak the material in a fairly strong solution of ammonia and water. If necessary, repeat this process.

Q. How can I prevent woolen garments from shrinking?

A. Wash in tepid water with

pure soap. Rinse once in water of the same temperature, wring slightly, and dry in a warm place. Never hang out wet woollens in freezing weather.

Q. How can I clean the water faucets?

A. The faucets can be scoured with a slice of lemon after the juice has been extracted. Then wash them and polish with a soft cloth.

Q. How can I renovate old yarn?

A. Instead of winding the old yarn into a ball, wind into a skein, place a colander over a kettle of boiling water and let steam for an hour. Then hang up to dry.

Q. How can I make a good nickel cleanser?

A. Take equal parts of liquid ammonia and alcohol and stir in whiting to the consistency of a paste. Apply with a cloth, leaving the tarnished parts covered with the cream until it dries. When dry, polish with a soft cloth.

Q. How can I prevent baby's high chair from rocking?

A. Attach a screen door hook to the back of the high chair and a screw-eye to the woodwork. The chair can be hooked securely and the baby can play without coming to harm.

Q. How can I remove paint and varnish stains quickly from the hands?

A. Pour a small amount of kerosene onto a cloth and rub over the hands.

Q. How can I impart a delicate

opposition. A total of 305 yards were assessed against the Whitefaces while 235 were marked for the other side.

In all seven of the games, the Herd has shown an ever-increasing movement towards aerial fireworks, with Raymond Dement coming into his own as a tosser.

The Herd's offensive bastion in all previous encounters has been the shining spot in the game for the local fans. The offensive is slowed down on the ground and has missed when the chips were down.

It can be expected that in conference battles, the Herd will rely more and more on the good right arm of Raymond Dement and the speed of Bill Killy plus the churning drive of Harpid Morton to pick up yardage.

If the period of rest will help the Whitefaces rebuild their strength, there is no reason why the Herd cannot go on and make an excellent record in conference play.

At any rate, they'll be geared to the hilt for Floydada come November 2.

fragrance to my laundry?

A. Place a lump of orris root in the boiler on wash day, and a delicate fragrance will be given to the clothes that will last even after they are ironed.

DAWN NEWS

**Piano Recital Presented Sunday
By Wanda Sue Wimberly at Dawn**

By Bertha Frye
Wanda Sue Wimberly presented a piano-recital at her home at Dawn on Sunday afternoon. Numbers presented were: "Minuet" by Paderewski, "Gopak" by Moussorgsky, and Concerto in F Minor by Jean Williams. Mrs. Ples Harper of Canyon was at the second piano. Dona Airhart, accompanied by Mrs. Carl Wimberly at the piano sang, "Memories" and "Now is the Hour".

By request, of those present Mrs. Ples Harper played Scarlatti's Sonata in F Minor and "Liebestraum" by Liszt. Those present were: Bertha Frye, Irene Galley, Emma Jer-nigan, Mrs. H. V. McCabe, Mrs. J. Fields Matthews, Mrs. Walter Galley, Mrs. Zed Stewart, Mrs. Walter Beavers, Mrs. Paul McClung, Lloyd Bentley, Wayne Wilcox, Carl Wimberly, Walteen Beavers, Phyllis Ann Wimberly, Ted Wimberly, Mrs. Ples Har-

per, Mrs. W. N. Adams, Dona Airhart, Wanda Sue Wimberly and Mrs. Carl Wimberly. On Monday after school the teachers and pupils of the Dawn school took a trip to the Gale Neal farm and saw how lettuce is harvested. Bett harvest has also started at Dawn. Mrs. Dudley Rutherford is doing the weighing. Maize harvest continues after a temporary halt last week because of the rain and cloudy weather. Among those attending the Fine Arts Recital of the Texas Federation of Music clubs at the First Christian church in Hereford last Tuesday night were: Mr. and Mrs. Carl Wimberly and Ted, Mr. and Mrs. H. V. McCabe, Mrs. Gayle Neal, Mrs. David Rodgers, Mrs. James Murphy White, Mrs. Reece Stewart, Mrs. Ray T. Stewart, Mrs. J. B. Caraway and Mrs. Zed Stewart. Mrs. Bill Carthel played for the Dawn Music club at this program. Mrs. Carl Wimberly attended the dinner for the Seventh District officers and chairman at Hotel Jim Hill Tuesday evening. She is senior rating chairman for the district.

**Nimrods Warned To Know Species
Of Waterfowl When Out Shooting**

AUSTIN — The importance of knowing the species of waterfowl from another is emphasized by Theron D. Carroll in the forthcoming November issue of TEXAS GAME AND FISH magazine.

Carroll, member of the Game and Fish Commission's publications staff, points his timely article toward "the fellow who's just taking up this winter madness called duck and goose hunting."

He recommends using "a few tips on identifications of species" as "a sure way to increase your interest and pleasure in your chosen sport." Carroll adds: "The knowledge might save you the inconvenience of explaining to the local Justice of the Peace just how you happened to have two Canada geese, one white-fronted goose, and two snow — when you thought you had two Canadas, one blue and two snows, or how the two wood ducks got in with those gadwalls and mallards."

Then, the author goes on to counsel:

"You should make it a habit to identify everything you shoot. It won't be long until you begin to associate certain ducks and geese with certain characteristics in specific habitats. This in turn will tend to make identification easier, and the cycle rewards you with a certain inner satisfaction and wealth of knowledge and bird lore that will allow you to take your place in the circles of those who know — the old heads!" Carroll's timely article is illustrated to show varying identification marks. Sportsmen desiring to inform themselves in advance of what promises to be a good waterfowl season may send \$1 for a one-year magazine subscription to Circulation Department, GAME AND FISH, Austin, Texas, and their order will be acknowledged.

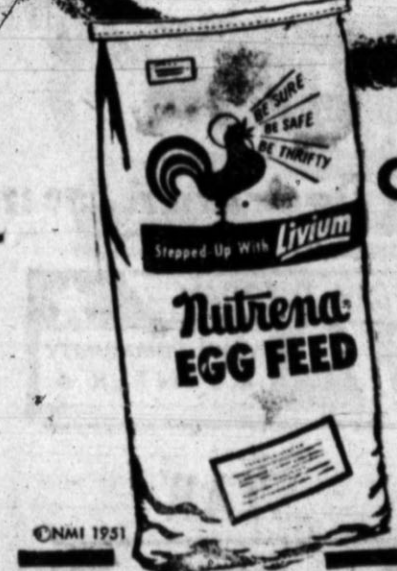

**Read This Daring Guarantee
of at least 10% More Eggs:**

Nutrena's "More-Eggs" GUARANTEE

Switch your layers from any other egg feed to Nutrena 20% Egg Feed or Nutrena 27% Grain Balance. Nutrena 20% Egg Feed plan for 30 days. If you don't get at least 10% more eggs than you did during the 30 days before you switched, Nutrena will pay you the difference in cash at the current market price per dozen. This offer is good until January 15, 1952. It does not apply to obviously moulting or diseased flocks.

Nutrena Mills, Inc.

Here is why Nutrena Guarantees you at least 10% more eggs in 30 days: This unusual guarantee has already been proved in on-farm feeding tests in an 18-county area. Flocks actually averaged better than 22% more eggs the first 30 days after switching to Nutrena Egg Feed, containing special Livium for Layers. Livium for Layers is Nutrena's exclusive "extra" that is added to all Nutrena Egg Feeds to step-up their egg-producing power. You get it only in Nutrena Egg Feeds.

Only Nutrena Feeds are stepped-up with special ***LIVIMUM FOR LAYERS**

HEREFORD FEED CO.
At Bradley Grain Co.

How can you lose? If you switch now from any other feed to Nutrena Egg Feed, you can make absolutely sure of at least 10% more eggs during the next 30 days — or the equivalent in cash. And you are shooting for much more increase than that — as in the case of Mr. Ehrfried Schwahn, who says: "Nutrena beat what they promised. They guaranteed me at least 10% more eggs — but I actually got a much greater increase. In 30 days after I switched to Nutrena, my hens were laying 15 dozen more eggs per week, which was a 25% increase."

A combined birthday and farewell dinner was given Sunday in the Perkins home honoring Sid Perkins who was home on leave before going overseas. Those attending were: Wanda Sue Wimberly, June Wilcox, Mary Payne, Dona Airhart, Ginger Smith, Sara Jo Smith, J. T. Cronin, James Airhart, Manuel Beavers, Wayne Wilcox, Rev. and Mrs. McClung and Kenneth and Perkins family.

Carroll Elliott celebrated his 11th birthday on Tuesday with a party given by his mother. Those attending were: Paul Higgins, Buster Harriman, Garry Burk, Carroll Adams, Harroll Adams, Darroll Adams, Bobby Burrus, Billie Wimberly, Wendell Roe, Jack Higgins, Edsell Roe, Charles Burrus, Monty Roe, and Bobbie Jean Payne.

The Dawn Home Demonstration club met Friday with Mrs. H. S. Fuller for a covered dish luncheon at noon followed by a program and business meeting.

Friday, Oct. 26, is community night at the Dawn schoolhouse. Everyone is invited to attend.

Rev. and Mrs. McClung and Kenneth left Sunday night to attend the State Baptist convention at Houston.

Mr. and Mrs. Charles Corder spent the week-end visiting Mr. and Mrs. John Willmath at Kell-ton.

H. H. Miller took his mother, Mrs. Lucy E. Miller, to Fort Worth on Thursday. Mrs. Miller, who makes her home with her daughter, Estell Miller of Fort Worth, spent the summer here visiting the rest of her children.

Dorothy Stewart underwent a tonsilectomy at the Canyon hospital on Thursday. The David Rodgers are building an addition to their home. Mrs. Lloyd Airhart and son, James, were week-end guests of the Erwin Pursleys in Pampa. Mr. and Mrs. Johnnie Haney and son were Sunday dinner guests of Mr. and Mrs. Cecil

Mr. and Mrs. David Riley of Stratford, Okla. were week-end guests in the W. U. Adams home. Johnnie James of Wichita Falls spent Sunday night in the W. U. Adams home. Mr. and Mrs. Raymond Miller and Larry of Amarillo spent Sunday night in the H. H. Miller home. Mr. and Mrs. A. T. Frye and Miss Bertha Frye spent Saturday in Plainview. Mr. and Mrs. Noel Smith and Mr. and Mrs. Jack Hollowell and baby of Sweetwater visited the Carl Wimberlys and the Floyd Walton Sr. in Hereford Saturday.

CONG. WALTER ROGERS SAYS

Farmers Not Causing High Prices On Food Market, Figures Reveal

FARM INCOME: Here is some information that I know will be of interest to the farmers, since it seems to be the policy that every time a farmer gets his head above water, someone wants to hit him with an ear. Most of you know that the farmers have been subjected to much criticism about high prices, and this information is given you to show that the farmer is not to blame. For instance, according to present statistics, on an average basis, bread that is now selling for 16 cents a loaf was selling for approximately 2 cents less per pound in 1948. In January, 1948, wheat was selling at \$2.79. It is now being \$2.07. This shows that the farmer is getting over a cent less per pound for his wheat, while the consumer is paying two cents more for the bread.

The same situation is true as to milk. The Texas average price is about \$6.35 per hundredweight, while in 1949 milk brought Texas farmers an average of \$6.60. In New York City, the man who delivers the milk gets as much for this service as does the farmer for the same milk, and it must be remembered that

the farmer not only provides the investment in his farm, his equipment and his cows, but must also feed and milk the cows.

Hogs are now worth \$19.70. In 1947 hogs sold for \$27.10. Eggs are now bring farmers 55 cents over the country. Last year they brought 65 cents. It all adds up to this: Those who blame the farmer for higher retail prices are just not acquainted with the facts.

THE FARM LABOR PROBLEM: Several of the Texas congressmen met again with officials of the Department of Labor this week in an effort to try to work out the problem that the farmers are facing in getting their cotton harvested. Other than myself, George Mahon, Clark Fisher, Olin Teague, Frank Ikard and Graham Barden, of North Carolina, were present at the meeting, and Omar Burleson of Texas, was represented. We had worked long and hard for a solution of the problem and presented it to these officials, but it is my opinion that they are not going to do anything about it. We intend to continue our efforts for an amendment to the Fair Labor Standards Act if the Labor Department does not straighten out the situation, and I firmly believe that we will be able to muster enough support to get this amendment through the first of next year. This is not going to help the farmers this fall, but, as most of you know, many of these battles up here are up-hill fights. We have some valiant warriors on our side in this fight, and certainly hope to win before long.

TAXES: This news letter is being written just after my return to my office from casting a vote on the new tax bill. That is the tax bill that would increase taxes in order to gather another \$4 billion dollars—the same tax

bill that failed to pass on October 9. My vote was cast against this tax increase on Tuesday and was cast against the bill on Friday. There is much that can be said for and against the bill, and I have done my best to give deep and conscientious consideration to all of the amendments on both sides.

I have never seen the House of Representatives quieter or more tense than during the roll-call vote on this bill. The final vote was 185 "yeas" to 160 "nays".

Lack of space will not permit me to tell you of the many interesting incidents that occurred during the past week, especially concerning this tax measure, but I hope to be back in the district before long and will try to do it then.

PUBLIC DEBTS: I told you in my letter last week that I would try to give you the present per capita public debt in the European countries as compared with the per capita debt of this country. Here are some of them:

	PUBLIC DEBT PER CAPITA		Total
	Domestic	Foreign	
United States	\$1660.00		\$1660.00
Belgium	511.00	\$36.00	547.00
Denmark	274.00	60.00	334.00
France	226.00	68.00	294.00
Iceland	98.00	49.00	147.00
Italy	91.00	6.00	97.00
Luxembourg	353.00	64.00	417.00
Netherlands	632.00	90.00	722.00
Norway	440.00	60.00	500.00
Portugal	40.00	2.00	42.00
United Kingdom	1277.00	121.00	1398.00

You will note that the nearest approach to the per capita debt of the United States is that of Great Britain. The figures on the foreign countries are based on the end of the 1950 fiscal year, except Great Britain, which is March 31, 1951. The figure for the United States is as of October 10, 1951.

VISITORS: Visitors from the district this week were: James McGregor, Perryton; Mrs. E. E. McNutt, Pampa; Mr. Jack Crabtree, Mrs. J. H. Florey and Mrs. Neighbors, John E. Satterstrom, Porter L. Oakes, J. W. Clifton, and C. G. Chaloupka, from Amarillo.
