SIGHTS, FACES SEEN

## Around Town

The nominating committee of the County Federation will meet in the county courtroom Saturday afternoon at 2 p.m. The president of each member club or a representative of the club is urged to attend. Mrs. Ralph McCullough is chairman.

Homer Henslee, deputy in the tax collector's office, is now able to visit his office briefly following his heart attack late last year. Henslee will be at his office on a limited basis for the next month.

The two banks in Hereford will be closed Tuesday, Feb. 12, which is Lincoln's birthday.

Bob Wilson was re-hired as transportation superintendent by the Hereford Rural School District at a recent meeting of the board of trustees. His salary was set at \$300 per month.

Vocal lessons will be given at the United Pentecostal church at the corner of Blevins and Myrtle beginning Thursday night at 7:30 p.m. Arlie Green will be in charge of the lessons. All interested are invited to attend.

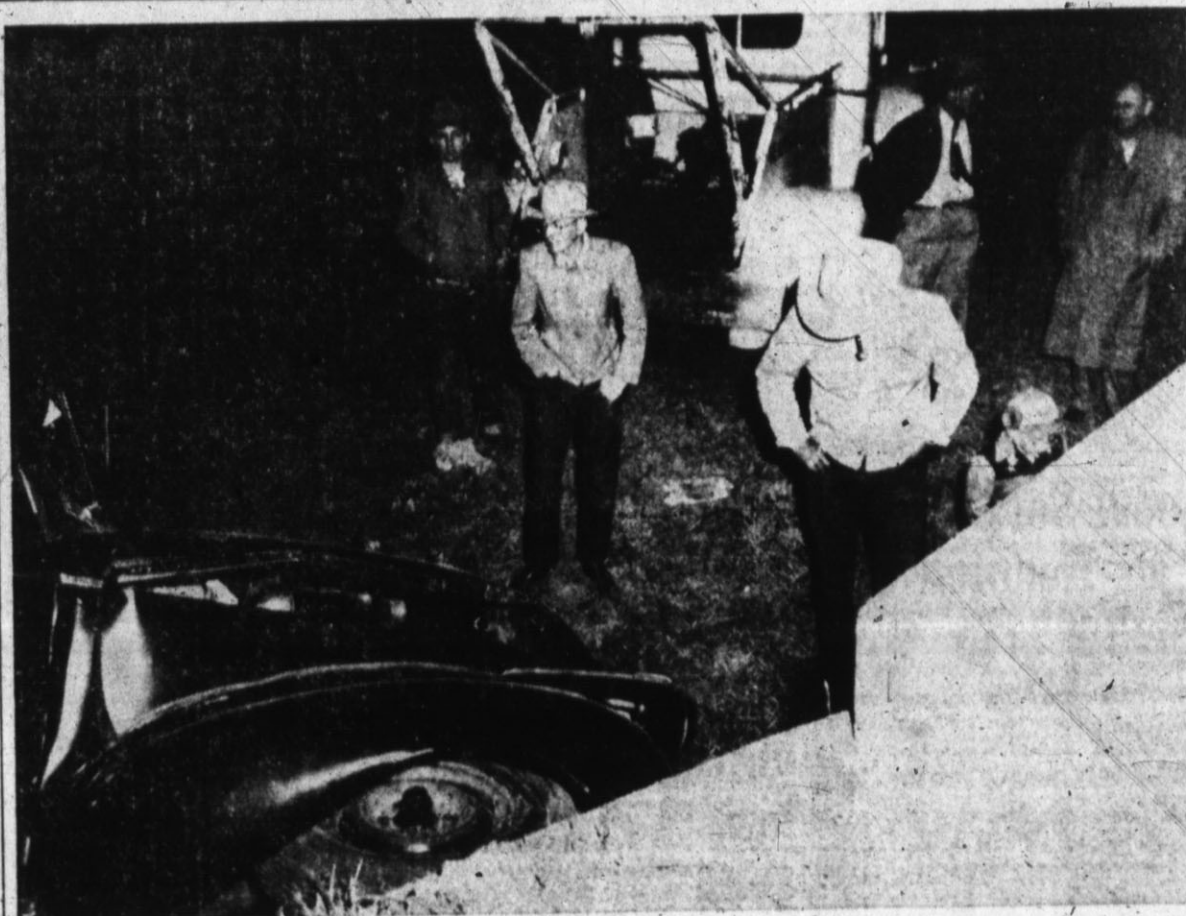

Two more residents — or former residents — of Hereford, were among those persons listed as due income tax refunds for overpayments made during 1945. They are B. and Bess Vaughn.

Mrs. J. W. Barnett gave a talk on Trinidad and showed some slides at the weekly meeting of the Jaycees Tuesday.

Hazel Reibold, manager of the local Western Union office, has been transferred to Borger on February 20 following her vacation. No replacement has been named as yet. A relief manager is keeping the office until a new manager is assigned.

Two Hardin-Simmons university students from Hereford will play Friday night with the H-SU Cowboy band in Madison Square Garden, New York City. The band will support Texans who are booming Eisenhower for president. They are Bill Forbus and Alex Schroeter.

Forbus is the son of Mr. and Mrs. Carl Forbus. Schroeter is the son of Mr. and Mrs. A. J. (Continued on page 3)

## Plan Local Observances Of National Boy Scout Week

Deaf Smith county Boy Scouts are among the 2,900,000 Cub Scouts, Boy Scouts, Explorers and adult leaders throughout the nation observing national Boy Scout Week February 6-12.

The Hereford Scouts will begin their observance of the National Birthday week on Friday night, Feb. 8, with a Cub Scout

"Open House" pot-luck supper at the First Christian church. The supper will be held at 7:30. All the Cub Scouts from Packs 50 and 52 will participate in the supper.

Troop 51 of the Boy Scouts will have a window display at the Miller Auto Store. This display will feature different types of handicraft which the boys have learned.

Troop 52 will have their handicraft display in Lake Park. They will set up tents for the display on Friday afternoon. The display will be open to the public Friday night, Saturday and Sunday.

The two troops will give street demonstration on Saturday morning. Included in the demonstration will be knot-tying, signmaking, first aid, etc.

"Scout Sunday" will be observed February 10 by the various groups of Scouts by going in a body to the church services.

Troop 51 will attend the Avenue Baptist church, Troop 52 will attend the Methodist church and the Cub Scouts will attend the First Christian church in a body.

Troop 52 will entertain their sponsors, members of the Stanford Bible class of the First Methodist church — at a steak

dinner at the Boy Scout hut following church services Sunday.

Troop 51 will be in charge of the program on Thursday at the luncheon meeting of the sponsoring Hereford Kiwanis club.

The Boy Scouts of America will launch a three-year program known as "Forward—On Liberty's Team" during this week-long observance of the 42nd anniversary of Scouting in America.

The newly appointed Deaf Smith County District committee includes: Jimmy Allred, chairman; O. L. Bybee, vice-chairman; M. C. Adams, advancement; Bob Wear, organization and extension; Wayne Thomas, leadership training; J. C. Reese, camping and activity; Roy J. Grubbs, health and safety; Paul Harvey, finance; Bill Phillips, commissioner; Coy Patton, neighborhood commissioner.

The institutional representatives to the various groups are: Bob Wilson, Lions club, Pack 50 and Explorer Post 50; S. O. Wilson, Stanford Bible class of the Methodist church, Troop 52; Ellis Coombes, Layman's League of the First Christian church, Pack 52; and Bill Patton, Kiwanis club, Troop 51.

There are two Packs of Cub Scouts in Deaf Smith county and each pack is divided into two or

(Continued on page 3)

## County's First Traffic Death Saturday Night

Deaf Smith county recorded its first traffic fatality of the new year about 10 p.m. Saturday night when Aldon V. Johnson, 42, of Oklahoma, was killed when the car he was driving struck the cement guard rail of a culvert about three miles east of Hereford on Highway 60.

Johnson was dead on arrival at Deaf Smith county hospital, Sheriff J. C. Reese said.

Riding in the car with Johnson was Harry E. Kingsley, Oklahoma City, owner of the 1940 Chevrolet. He suffered minor injuries only.

The car was heading west at the time of the accident, Reese said. It hit the end of the culvert and evidently flipped in mid-air or turned 180 degrees in midair, coming to rest on the west bank of the culvert heading east.

Johnson suffered two broken jaws and a broken neck. Reese said that when he arrived, Johnson had been taken from the wreckage. The imprint of the door was deep on Johnson's left jaw and way around to the back of his neck.

Kingsley told Reese that he had been driving all day and was asleep at the time of the wreck. He was taken to the hospital, given emergency treatment, and released Sunday morning.

Reese didn't identify the passerby who called the police radio and notified them of the wreck. The sheriff and the state Highway Patrolmen both investigated, he said.

Funeral services for Johnson were conducted at 5 p.m. on Monday, Feb. 4 at the Gilliland Funeral home with Bob Wear officiating.

Johnson, a cook by trade, was born May 7, 1909 at Atoka, Okla. He is survived by three sons, Arthur Ross and Herschel Glenn of Sacramento, Calif.; and Aubrey Lee, El Paso; and three daughters: Lois Johnson and Virginia Johnson of Sacramento. One other daughter's whereabouts is unknown.

In addition, he is survived by two brothers, J. T. Johnson of Seminole and Arthur G. Johnson of Davis. Johnson's mother lives in Oklahoma.

## J. C. Morrison Announces For Commissioner

J. C. (Clarence) Morrison this week announced his candidacy for re-election as county commissioner of Precinct Two.

Morrison's statement said:

"I want to take this means to announce to the voters of Precinct II that I will be a candidate for re-election as county commissioner.

"It has been a pleasure and a privilege to serve you as your county commissioner. If I am re-elected I will continue to serve you to the best of my ability."

## Harvey Funeral Services Held Friday, Feb. 1

Funeral services for Mrs. G. A. E. Harvey of Denison, mother of Paul Harvey of Hereford, were held Friday, Feb. 1, at the Bratcher-Moore funeral chapel in Denison with Rev. Edward S. Bayless of the First Presbyterian church and Rev. Ray Short officiating.

Burial was in Cedarlawn Memorial Park.

Mrs. Harvey died Wednesday, Jan. 30, in a Denison hospital after a month-long illness.

Mrs. Harvey, who was 69 years old, was educated in Georgetown and Pottersboro schools and married G. A. E. Harvey in 1907 in Denison. She was a member of the Pottersboro Presbyterian church and the Woodmen Circle.

Survivors include: two sons, Paul of Hereford and Eugene of Denison; a brother, Fred Johnson of Dallas and one grandchild.

RECOGNITION FOR operating the Hereford public school buses for more than 1,000,000 miles without an accident was given to the transportation division of the system on Wednesday. The award was presented to Supt. George Graham on behalf of the Hereford Safety Council by President Bob Wear. Graham is shown above passing the award on to Bob Wilson, superintendent of the bus system, who, in Graham's words, "is really the one who deserves this." The presentation was made at the noon luncheon meeting of the Hereford Lions club. Presenting the award was approved by the National Safety Council. —Alex Thompson Photo

## Bennett Funeral Services Held In Amarillo

Funeral services for Earl Bennett, former Hereford resident, were held Wednesday afternoon at 2:30 in the Blackburn-Shaw Memorial chapel in Amarillo.

Bennett, who was the brother-in-law of Mrs. George V. Stambough and Nester Gass of Hereford, died Monday following a long illness.

Survivors include: his wife, Dimple Gass Bennett; three sisters, Mrs. Frank Jesse, Mrs. H. D. Reed, and Mrs. A. D. Smith and two brothers, Charles and Hillie Bennett.

## Million Miles Of Safety Honored

An award recognizing an outstanding safety record was presented to the Transportation Division of the Hereford Public Schools at the weekly luncheon meeting of the Lions club on Wednesday.

The presentation was made to Superintendent George Graham by Bob Wear, president of the Hereford Safety Council, in recognition of the more than 1,000,000 miles of accident-free driving of the Hereford school buses.

An average of 621 students are transported each day by the school system's 18 buses. There has never been a bus accident on the routes or on the return trip to the school.

The citation reads: "The buses operated by the schools have been driven over 1,000,000 miles, transporting a daily average of 621 students without bodily injury to those transported. This record is the result of exercising proper caution and adhering to safety rules."

Wear said the Safety Council had hoped to secure recognition for the local system's achievement through the national safety council, but this award is being made pending national honors.

## Set Trial Dates For 12 Cases In District Court

Twelve civil cases were set for trial in March by District Judge Harry Schultz at the opening session of the February term of district court on Monday.

Five of the cases were damage suits. The others were: one to dissolve partnership, two for partition of real estate, one to set aside a deed, one to collect on an insurance policy, one case of rescission for fraud, and one divorce case.

One of the damage actions, set for trial March 25 and pre-trial on February 23, is one remanded to District Court by the Supreme Court for re-trial.

That is the case of O. T. Staats and F. M. Woolbright vs. the H. E. Miller Oliver company on the sale of a cotton harvester.

The case was tried in 69th District court on August 21, 1950. Judgment was entered August 21, 1950 based on an instructed verdict in favor of the defendant that the plaintiff appealed the case to the Court of Civil Appeals in Amarillo which handed down its decision on April 16, 1951 overruling the plaintiff's points of error and affirming the

judgment of the district court.

The plaintiff carried an appeal to the Supreme Court on a writ of error and the Supreme Court reversed the judgment of the Court of Civil Appeals and remanded the case to District Court for a new trial.

All the following suits have been set for pre-trial on February 23 with trial set for March 24.

Two of the damage suits are the results of accidents. In one, Robert A. Singer of Castro county vs. Thomas Cardwell of Winnemucca, Nev., Singer seeks \$1000 and costs in damages growing out of an accident which occurred September 15, 1949 1 1/2 miles west of Hereford on Highway 60.

The second case for trial is that of Janie Hastings et al vs. Perrin Brothers and Bud McIntosh growing out of an accident last June 1 on Highway 60 in front of the Green Hedge cafe. The plaintiffs seek \$7425 plus costs.

Another of the damage suits is the case of Henry Schlotthauer vs. J. Roy Crutchfield involving

the sale of an auto. Schlotthauer seeks \$2,500 and costs.

Other suits set for pre-trial and trial on the above-mentioned dates include:

Mr. and Mrs. Walter John Paetzold vs. W. F. Hardwick and R. E. Griffith Realty Co., damages;

C. F. Cole vs. Russell J. Giles, dissolution of partnership;

Herbert E. Bippus vs. Sam Houston Life Insurance Co. and Fred Pryor, rescission for fraud;

Bess Mae Gill et al vs. Republic National Life Insurance Co., suit to collect on a policy;

Carl Clawson vs. W. E. Holcomb, suit to set aside deed;

Clara Kurtzals et al vs. Alvin H. Janssen et ux, suit to set aside deed;

Monday, Judge Schultz set a divorce for February 23, dismissed two divorce petitions, granted two divorces, and dismissed one custody case on the motion of the plaintiff.

A case for collection of a debt, C. E. Stephens and K. H. Landrum vs. E. I. Brownlow, was dismissed.

(Continued on page 2)

## Child's Welfare Paramount In Judge Schultz' Court

A stricter policy to protect the welfare of children of principals in divorce actions filed in 69th District court is working well, says District Judge Harry Schultz who has pioneered this method of rigid enforcement.

The plan, which "puts teeth" into the court's demand for support payments from a father for his children was started in earnest by Judge Schultz last fall.

Since then, the procedure has been adopted by other courts in the Panhandle and has been carried on with encouraging success.

But the least publicized efforts have been those of the court in the 69th Judicial district, made up of Deaf Smith, Dallam, Hartley, Oldham, Moore, and Sherman counties.

In effect, the "teeth" put into following through support order court makes it the final prerogative of the county to institute action in the event of a support payment default.

It is no longer the sole responsibility of the mother of the children to launch contempt proceedings on a father delinquent in support payments.

Support payments in most cases are made at the office of the county clerk. If these payments cease, Judge Schultz asks that the county welfare director initiate action to compel pay-

JUDGE HARRY SCHULTZ

ment. Where the mother is disinclined to sign a complaint, the judge asks that the sheriff do it. Basis for filing the complaint are the records in the clerk's office, Judge Schultz explains.

The plan being carried on by Judge Schultz, he is quick to point out, is not intended to cast any criticism on other courts. It is the result of his general belief

that every father of children inclined in divorce matters must support his children adequately.

And the simplest method to insure that this is carried out is the plan for "all-out" enforcement executed by Judge Schultz.

"If I couldn't operate under this policy," the judge told The Brand, "there would be no more (Continued on page 6)

## Methodists Here Plan Christian Worker's School

More than 200 people from Methodist churches in the Amarillo district are expected to attend the Christian Worker's school, which will be held at the First Methodist church in Hereford from February 11-15.

Class sessions will be conducted each evening from 7 to 9 o'clock.

Attending the district leadership training school will be people from Adrian, Big Square, Canyon, Dimmitt, Earth, Friona, Happy, Hart, Lazbuddie, Muleshoe, Oklahoma Lane, Progress, Tulia, Vigo Park, Wayside and Westway.

Teachers for the school will be: Mrs. Virgil Patterson, Merkel, Texas — Pre-school, "A Child's Approach to Religion" — For workers with younger children.

Mrs. H. M. Secord, Silverton — primary and juniors, "A Child's Approach to Religion" — for workers with older children.

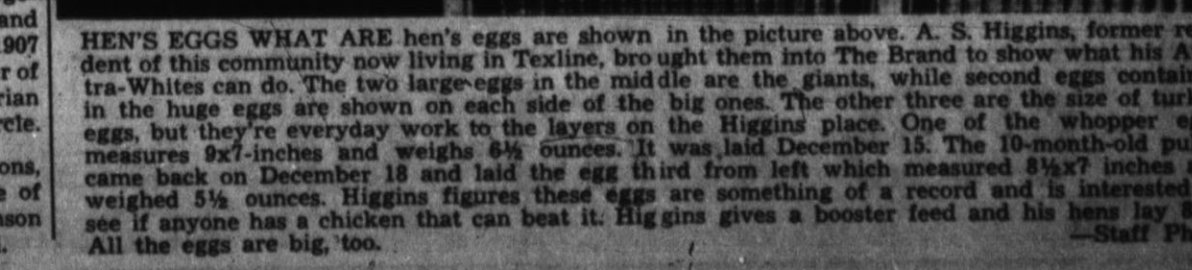

Mrs. H. W. Barnett, Shallwater — Intermediate — "The Methodist Youth Fellowship" — for workers with intermediates.

Rev. John English, Clarendon — "Guiding Seniors and Older Youth"

Rev. Fulton Moore, Demming, N. M. — "Understanding Adults"

Rev. Charles Lutrick, Vega — "Church School Administration."

Roy Farrow, Dallas — "Church Finance."

HEN'S EGGS WHAT ARE hen's eggs are shown in the picture above. A. S. Higgins, former resident of this community now living in Texline, brought them into the Brand to show what his Austra-Whites can do. The two large eggs in the middle are the giants, while second eggs contained in the huge eggs are shown on each side of the big ones. The other three are the size of turkey eggs, but they're everyday work to the layers on the Higgins place. One of the whopper eggs measures 9x7-inches and weighs 6 1/2 ounces. It was laid December 15. The 10-month-old pullet came back on December 18 and laid the egg third from left which measured 8 1/2x7 inches and weighed 5 1/2 ounces. Higgins figures these eggs are something of a record and is interested to see if anyone has a chicken that can beat it. Higgins gives a booster feed and his hens lay 85%. All the eggs are big, too. —Staff Photo

 missed for want of prosecution.  
 A judgment for the plaintiff was awarded in the suit to clear title of mineral interest in the case of Bertram Jack vs. Nellie Dalle et al.  
 The court's order gave the plaintiff title to and possession of a full undivided half interest in all the mineral rights under NE Section No. 23, Township 2 North Range 2 East, Deaf Smith county.

School Faculty Annual Play February 21, 22

The faculty of the Hereford public schools will present their annual play on Thursday and Friday, Feb. 21 and 22, at 8 p.m.  
 The cast has been selected for the play, which will be "Adams Evening."  
 The proceeds from the play will be used to help pay for the 1952 Round-Up. Admission will be 40c and 60c.  
 Included in the cast are: Pat

Local Soldiers Miss Reunion On Pacific Trip

Two Hereford men missed sailing together on the same ship to Yokohama, Japan, by a mere six hours, their parents learned this week.  
 The two—Lloyd Manjeot and Lloyd Olson—sailed for overseas duty at the Japanese port last week.  
 Manjeot, son of Mr. and Mrs. A. L. Manjeot, is a 2nd Lt. assigned to the Infantry.  
 Both soldiers went through high school together and both were four-letter winners. They were both captains of the White-face football squad and members of the 1942 regional champion squad.  
 Recently, both spent part of their leaves in Hereford with their parents and compared dates with each other for overseas shipment, hoping to cross on the same vessel.

### State Highway 60 Meeting In Amarillo Today

A meeting for all persons interested in forming a Texas Highway 60 association will be held Thursday noon at the Herring hotel in Amarillo.

Major Schroeter, Chamber of Commerce director for the Highway 60 program, said he has contacted persons in all surrounding towns regarding the meeting.

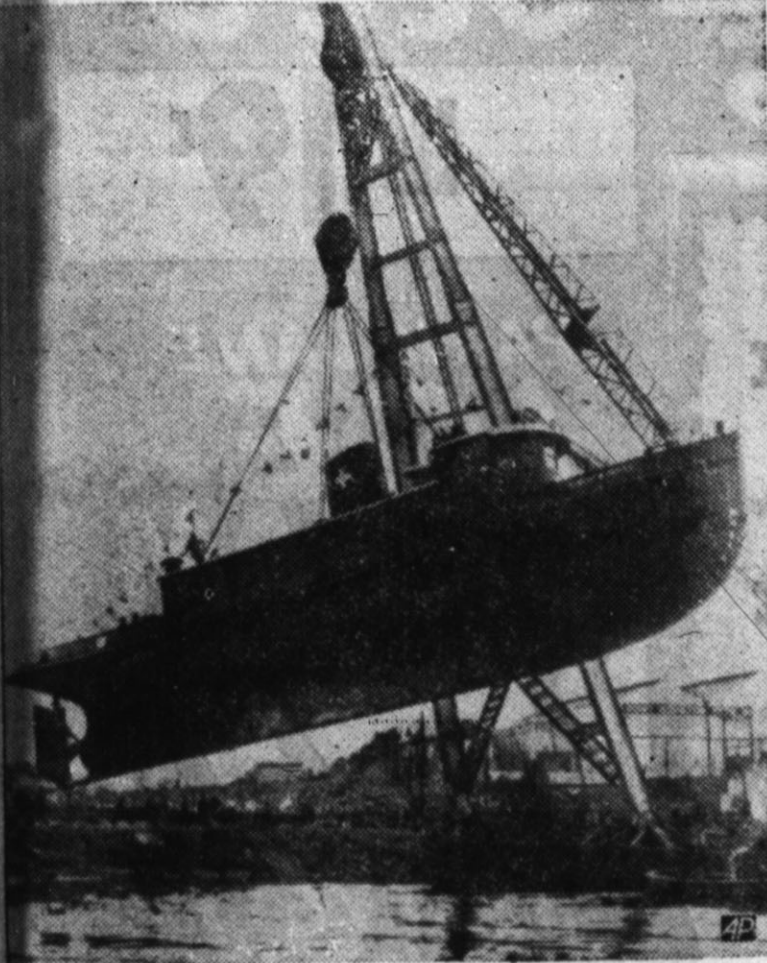

The national Highway 60 Association will have its annual meeting in Pampa in May.

### Grand Jury "No Bills" Two DWI Charges Monday

Two "no bills" were returned by the grand jury of the February term of court Monday.

A charge of second offense driving while intoxicated brought against Ed. Teifel was returned by the jury as a no bill. Teifel was filed on December 31, 1951 for the alleged offense.

The second case was a second offense which was "no billed" was a second offense DWI against Charles Robards. The jury returned the case with the recommendation that it be tried in county court as a first offense.

THE 94 FOOT, 160 ton Tug Robert E. Groves, was lowered into Buffalo Bayou, Houston, Tex., at the head of the turning basin without a ripple. The tug is one of the three deep sea tugboats of its type being built at the cost of \$300,000 each, by the Port Houston Iron Works. The vessel was built for the Atlantic Towing Company of Savannah, Ga. (AP Photo).

## The WOMAN and Her BANK

### Loans To Business Women

If you have a business of your own, large or small, you may need temporary or seasonal credit. These loans may generally be described as "self-liquidating."

A request for a commercial loan is approved or not approved largely upon the facts in the borrower's financial statement (the itemized record of what you own and what you owe). The more complete and accurate the information, the more confidence the bank is likely to have in you as an applicant. An auditor's statement is usually preferred.

### CREDIT STANDING

As close to you as the clothes you wear is your credit standing. It includes such items as:

1. Your reputation for responsible and fair dealing.
2. Your reputation for paying bills when due.
3. Your earning capacity over the years.
4. The value of your possessions.
5. Your present circumstances.
6. The record you may have built up for good financial judgment.

Because you may need a loan quickly in an emergency, it is wise to keep us informed on your money matters, so credit can be arranged promptly.

### Child's.....

(Continued from page 1)

divorces where children were involved. That's a pretty arbitrary attitude, but the situation has been so sour the way things have done."

Something has been done, too. All divorces granted in the 69th Judicial district in the past five years have been amended to read that all support payments be made to the county clerks, or, in some cases, welfare directors or banks.

About 25 cases have been altered that way in Deaf Smith county. In the entire district, there were well over 100 cases where Judge Schultz has taken this added precaution to protect the welfare of children in such cases.

The payments are made, for eventual transmission to the mother and her children.

In this manner there is a check in the event of defaulted payments. Judge Schultz said that the mothers didn't always begin proceedings in the event of delinquency.

The thing that has been lacking so long in these matters to encourage prompt payment at all times has been for someone to carry the ball.

Previously, it had been nobody's responsibility — other than the mother's — to bring these charges. Now Judge Schultz requests that the welfare directors in the counties of the district look after these matters.

Now, if a man is found in contempt of court after a hearing, he may be dealt with accordingly.

In a letter to the Deaf Smith county welfare director, Judge Schultz outlined his views in detail. He stated:

"My views are that, irrespective of the feelings of the mother of the children towards the father of them, the remedies the law provides for the welfare of the children should be used in full and promptly, regardless of which spouse may be fault in their marital difficulties. Also that a man's children have the first call on a man's earnings for support."

Judge Schultz, in discussing his policies, pointed out some figures which bear out the wisdom of his sterner viewpoint on support responsibilities:

The state department of public welfare, which gives grants to dependent and neglected children on a basis of need, last year

paid out \$324,000 in aid to these children. The fathers of these children were under orders of the courts to pay various amounts which if paid, would have been adequate for the children's needs, the judge contended.

In the cases with which the department deals, he said, less than one out of four fathers under such orders were complying with them!

But that is less than half the story, in his opinion, because there are probably hundreds of more cases where the mothers didn't bother to apply for state aid.

That's why Judge Schultz began his recent policy on closer supervision of the father's responsibilities in these matters.

Since last fall, much of his spare time has been devoted to changing the orders mentioned earlier during the past five years. The last changes to complete the entire program in this district were made last week in Moore county.

While results are only very incomplete, there are some yardsticks Judge Schultz has relied upon to measure the effect of the policy. To show the development of the program in the past few months, he cites this example:

In all of Moore county last year, more than \$6,700 in support payments were made through the county clerk's office. The last three months of the year accounted for about \$3,800 of that.

The only figures available in Dallam county show that in the first month under the plan, payments added up to \$960 which went through the county clerk's office and that is increasing week by week.

In addition to his plan being given the approval of other courts in adoption of his methods, Judge Schultz' methods have been watched by the State Youth Development Council, which has supervision over all matters of juvenile delinquency. The council has asked Judge Schultz for a story on his efforts and the success he has enjoyed through them.

The plan utilizes the benefits afforded by another law which provides for enforcement of support orders even if the husband is outside the borders of the state. On June 2, 1951, the state legislature enacted the "Uniform Reciprocal Enforcement of Support Act" which became effective immediately.

Avenues for issuance of temporary orders requiring the father to pay support before the divorce action is ruled on are also outlined in the instructions

forwarded by Judge Schultz.

Further, he states, "For some time it has been my policy and practice of taking my decision on a divorce case, in which the parties have children, under advisement, after hearing the case, and having the parents investigated in the interests of the welfare of the children. One of the purposes, among others, of this procedure is to make sure that the father understands his moral and legal obligation to support the children, and also that the mother understands the legal remedies available to her in compelling the husband to

support the children and that she will be purposeful in using such legal processes, if necessary." "I expect," he adds, "to continue to follow that practice and to delay granting any divorces in such cases until it has been demonstrated over some extended period of time that both parents are fully oriented in these matters."

Following up with his procedure of making it the definite responsibility of the father to pay support, he says, "In the matter of initiating and carrying forward contempt proceedings in connection with delinquent child

support payments, or any other matter necessitating services of any attorney, if the mother of the children is financially unable to arrange for the employment of legal counsel, or declines to do so, you (the welfare director) may report the matter to me and then I will take the responsibility of arranging for the employment of legal counsel, or you may enlist the services of the county attorney."

This, essentially, is the policy Schultz, who has served the district in his present capacity for five years.

There are more ramifications of

his pronouncements on the matter of child support, but the basic charge has been presented here — the welfare of the child or children is of PRIMARY importance at all times — with the law to assure it.

The net affect of the policy will be clearer at the end of the year when a statistical summary will be available to measure its comparative success.

The soundness of the convictions in the rigid policy have been attested to again and again by the wholehearted adoption of these methods in other Texas courts. —W. W. K.

MEMBERS OF THE Hereford high school band who are attending the Texas State Music Educators conference in Mineral Wells are shown above with their director. They are from left: Purris Williams Sr., director; Johnny McIver, Pickens Moore, Dabney Williams, Wayne Lady and Billy Ray Evans. Lee Drake is also attending the meeting but he was not present when the picture was made.—Staff Photo.

### Six Members Of School Band To Mineral Wells

Six members of the Hereford high school band are in Mineral Wells attending the Texas Music Educators' State conference.

The group which includes: Johnny McIver, bass; Lee Drake, trombone; Pickens Moore, French horn; Dabney Williams, baritone sax; Wayne Lady, 1st cornet and Billy Ray Evans, 2nd cornet—won first division awards at the Inter Scholastic League meet in Canyon last spring. This made them eligible to attend clinic classes at the Mineral Wells meeting.

Several of the group will try-out for the All-State band which will be selected during the conference.

The boys were accompanied to Mineral Wells by Purris Williams Sr., band director in the Hereford public schools.

Three members of the high school choir are also attending the conference. They are: Glenys Goldston, 1st soprano; Nancy Patterson, 2nd alto; and David Stanton, first alternate for second bass.

These three were chosen for the All-State choir at a meeting in Canyon recently.

They were accompanied to Mineral Wells by Mrs. Elmer Patterson.

Highlight of the conference will be a massed concert by members of the All-State choir, All-State band and All-State orchestra on Friday night.

### Approximately 300 Attend P-TA Meeting Monday

Approximately 300 parents and teachers attended the monthly meeting of the Hereford P-TA Monday night.

During the business session a report on the recent membership drive was given by Jimmie Allred. Nearly 200 new members were added to the association's enrollment during the drive.

Bob Wear was guest speaker in the absence of Mayor W. E. Dameron who was ill. Wear talked on the subject, "Looking Back—Looking Forward."

Plans were presented to the group for a poster contest for the school children in observance of Public School Week in Texas, March 2-8. The contest will offer prizes for the best posters and will be judged according to grades. A committee was appointed to plan the contest.

The high school mixed-choir under the direction of Don Moore sang several numbers during the program.

Following the program a social hour was held so that members could get acquainted. Mrs. Wayne Edwards was in charge.

### Third Concert Tonight at 8 PM

The third concert of the season for the Hereford Mutual Concert Association will be held tonight at the Hereford high school auditorium beginning at 8 p.m.

Three Negro artists—Tenor John Anglin, Soprano Martha Flowers and Pianist Kelley—are on the program.

A varied presentation will be the fare for concert-goers Thursday night with the versatile Anglin and Miss Flowers singing spirituals, folk songs, and the ever-popular music of George Gershwin from "Porgy and Bess."

### Draft Board Lists Four Delinquents

Four delinquents were announced this week by the local draft board.

Anyone knowing the whereabouts of any of the four are asked to contact Mrs. A. Peterson, clerk of the local selective service office.

Those on the list were: Refugio Nanez, General Delivery, Hereford; Wesley Clinton Drys, Lubbock; Francisco Rodriguez, Portales; and Weslie B. McCain, Rt. 2, Muleshoe.

### Card of Thanks

With humble hearts and sincerity of spirit, we express our deepest gratitude to everyone who did so much to help when our loved one passed away. For the beautiful floral offerings, the comforting words and the many thoughtful acts of loving kindness we shall ever feel indebted.

May God's richest blessings come your way and may each of you be repaid for your thoughtfulness toward us in our greatest hours of need, in our sincere prayer.

Mrs. J. A. Conaway  
Mr. and Mrs. Harvey Hudson  
Mr. and Mrs. George Hudson  
Mr. and Mrs. Henry Potter  
Mr. and Mrs. Jame A. Conaway Jr.  
Mr. and Mrs. Walter Conaway

### More Than 200 At Irrigation Short Course

More than 200 irrigation farmers from the area served by the Deaf Smith County REA attended an Irrigation Short Course held Monday in the Hotel Jim Hill.

All phases of irrigation farming were discussed and explained for the farmers at the day-long session.

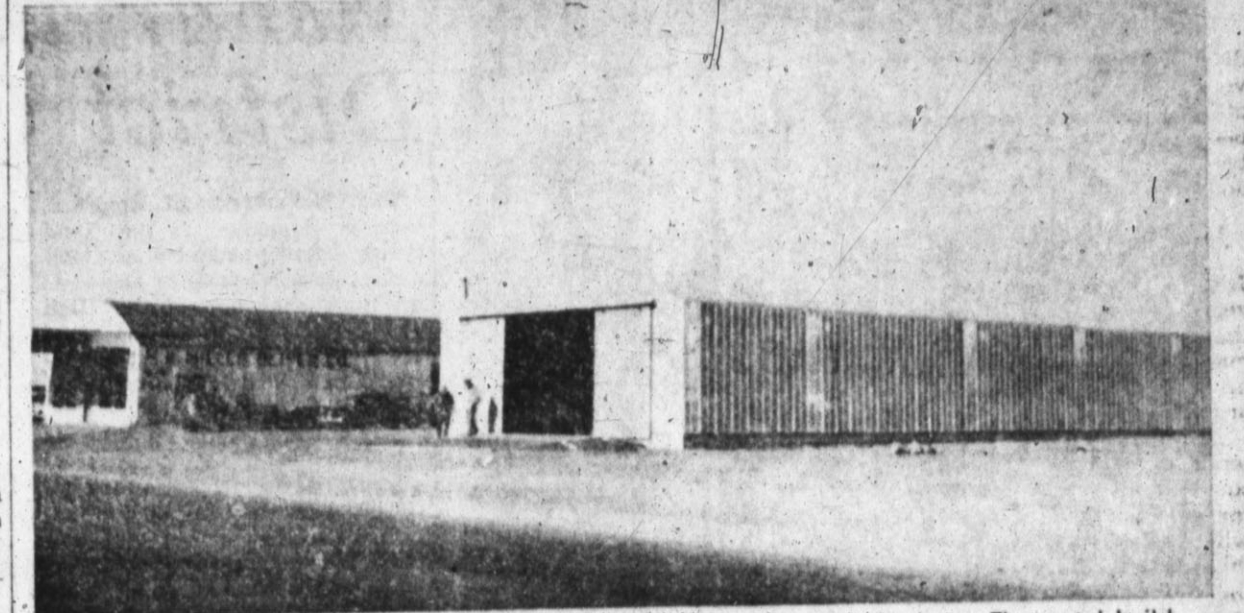

Included on the program were fundamentals of electric pump irrigation, electric motors, crops that can be economically irrigated, soil conservation through use of permanent pasture, legumes and improved practices, conservation of water, irrigation pumps and special electric rates for winter irrigation.

Speakers for the school included Lynn Ludlow, REA irrigation specialist; J. H. Vendrick, General Electric representative; John Box, irrigation engineer, and Don Jones, superintendent, Texas Experimental station; Bob Thurmond, Texas A & M Extension service; Paul Conaway, Clowe and Cowan, Inc., and Hugh Clearman, county agent of Deaf Smith county.

### Grand Jurors Indict Three Men Monday

Three men were indicted by the grand jury on Monday.

Two of the indictments were for two counts of cattle theft against Texas Joe Lovett and Arthur Miller Morris for theft of one calf from G. W. Brumley. The second count covered the theft of the calf, which was being cared for Brumley by Alfred E. May.

THE NEW WAREHOUSE for Miller Oliver company is shown at left above. The metal building is just east of the present Miller office. It was completed last week.—Staff Photo.

The theft occurred on November 29, 1951. Bail for both men was set at \$1000.

An indictment for forgery and passing a forged instrument was returned against Fred Heath. Heath was charged with passing a forged \$52.33 check on October 28 to Chester Pinckert.

Bond for Heath was set at \$1,000.

The grand jury also recommended that a perjury indictment against Neil Keith Crist be dismissed.

Members of the grand jury are: Troy Moore, foreman; and Ivan Block, Virgil Walker, Charles Burk, M. W. Blankenship, David Rodgers, Frank Bezner, P. B. Sowell, Cecil Lady, J. R. Overstreet, Lewis L. Smith, and Leroy Aven.

### DWI Charge

William Carol Rozell was charged in county court on February 4 with driving while intoxicated.

According to the complaint, which was filed by Highway Patrolman James R. Kirkwood, the offense occurred on February 3.

GOVERNOR ALLAN SHIVERS announces in Austin that he wants a second full term. He is shown at a press conference held at the Texas Press Association's mid-winter meeting. At his left is Brad H. Smith of Westlake, TPA president. (AP Wirephoto).

### CARD OF THANKS

We wish to express our sincere thanks and appreciation for each consideration shown us in the loss of our Mother.

The children of Mrs. J. L. Williams.

## McFarland Named Water District Chairman Mon.

Tom McFarland of Hereford, secretary-manager of the Deaf Smith County Chamber of Commerce, was elected to serve as the first chairman of the High Plains Water District No. 1 at an organization meeting of the district's new board of directors at Littlefield Monday.

McFarland had served as temporary chairman of the group since property owners of the 5,000,000 acre district voted to organize the district last fall.

Named to serve with McFarland was E. C. Hatton of Lubbock, who was elected as vice-president and George Broome of Anton, secretary.

property valuation of their entire county in order to arrive at the levy needed to raise funds for operation of the district.

Maximum limit by vote of the directors for this purpose is 5c per \$100 valuation.

County committees named at the January 8 election will meet

in the very near future to establish policies on well-spacing and other matters at the county level, McFarland said.

To fill the breach between the time tax money is obtainable for the district, McFarland has asked all well owners to remit their \$5 per well assessment to get the

organization on its feet.

He pointed out that funds would be needed to fight for preservation of the local rule of underground water guaranteed in the new law establishing the district.

Members in Deaf Smith county are asked to send their money to Claude Ricketts, Hereford, secretary-treasurer of the Deaf Smith County Water Conservation and Users Association. Those sending their dues will be issued a 1952 membership card in the county organization and will be put on the group's mailing list.

Funds for carrying on the local

rule for water rights, McFarland said, have been coming in a great measure from the High Plains Water Conservation and Users Association. W. O. Fortenberry, president of the association, was a guest at Monday's meeting along with Sid Thomas of Lockney.

Directors attending the meeting were: E. C. Hatton, Lubbock, Precinct 1; George Broome, Anton, Precinct 2; Willis Hawkins, Hart, Precinct 3; Tom McFarland, Hereford, Precinct 4; and Jack Taylor, Lockney, Precinct 5.

McFarland said all directors made application for bonds at the

February 4 meeting as all would be custodians of the district's funds.

## Political Announcements

The Brand has been authorized to present the names of the following candidates for office subject to the action of the Democratic Primary Election on Saturday, July 26, 1952.

For State Senator, 30th District  
A. J. (Andy) Rogers

BROWNSVILLE POLICE officers Larry Pompa and Sabas Cavazos question Reyes Guzman, 17-year-old Mexico City alien, who fell asleep on a railroad track near Brownsville, Texas. A switch engine had passed completely over the boy's body, ripping his coat, shown above, to shreds, but did not even awaken him. (AP Photo).

Length of terms for each of the directors was chosen by drawing as provided in the by-laws of the district. McFarland, Hatton and Willis Hawkins of Hart were chosen as directors for a one-year term through this method.

Jack Taylor of Lockney and Broome are directors until January, 1954.

Each of the precinct directors were instructed to determine the

# Grandstand Gropings

By Kent Snare

Some of the basketball conference races are getting a bit tight. In the Border bustle last week the Buffs dropped one to the N. M. Ags, who also tagged Arizona. That left Tempe alone on the top rung, until Flagstaff took them down Saturday for their first conference win of the year. Arizona then made it two in a row by finishing second at El Paso on the same evening, leaving the Buffs on top with their 6-1 skein. However they face the Arizona arete this week and it may be too steep. They'll have to win two of the three, for chances are that the Lubbock waltz won't find the Raiders as inept as they were at Canyon. TCU riding the McLeod crest serenely, took two dippings last week, to OCU and to Arkansas, the latter a conference go that planned them level with Texas at 4-1 and those two will run out the race for the short NCAA trip, for this year's Southwest conference flagholder won't go far. . . . Kansas U and K-Aggies will settle the Big Seven at their Lawrence tete-a-tete on March 7, the Ags are one up and should hold it. . . . St. Louis has the Okie Ags down one and have played three more games all in the win column; however, that one could terminate in a draw, should the Ags get by Detroit in their band box and dodge the hurricane in Tulsa this week. Saturday they face DePaul, who beat Illinois, in Chicago. . . . By the bye if you want to listen to a smooth, uninterrupted BB broadcast, latch on to one of John Henry's Ag games over KVOO, Tulsa, about 1200. . . . He gives with every Ag contest at 10:30 p.m. each game nite. In the Skyline, Brigham Young was front running until last Friday when Utah Ags "Choked" 'em down, literally, and then Utah broke their hearts in Provo the next nite, so now, BYU is chasing Ev Shelton's Wyoming and that may be the finish. . . . In the Pacific Coast conference both divisions are head buttin' affairs. . . . To the north, the probable eventual winner, Washington, is being shoved by the perpetual onlooker, from down under, Idaho. . . . Each has two losses and the gonfalon will go to the winner of their remaining head-on two game set. . . . To the south, Cal is on top with a two-game lead on Stanford in the

cellar, all four clubs have six games to go. It doesn't make too much difference which one prevails as the Huskies probably will take the playoff in two, says the unsmarmy money. All the foregoing aside from consuming space, is intended to lead to guessing, first hand by me, as to who will be in the NCAA Western playoffs in KC. . . . To protrude the cranial appendage again, vainly I hope, leave us guess. . . . Buffs or N. M. Ags in the Border (Should oughta wait a week); TCU in the Southwest; Kansas Ags in the Big Seven; Wyoming in the Skyline; on the West coast, Washington; St. Louis over the Okie Ags in the Missourri Valley, with a chance for the loser at large along with Oklahoma, City U and Seattle U who have been cutting a big swath with no blade at all. This is Olympic year and the college biggie will probably go intact with the AAU winner as Kaintuck and the Oilers did in '48. The eventual West winner probably won't be to happy altho K. Ags or Washington might stir Kentucky or Illinois (odds on for the east crown) more than somewhat. There's quite a boil on now as to the site and the number of teams to be in the Olympic final playoffs late in March. . . . Howard Hobson, chairman of the American BB committee and the other 14 members of the group have split over Hobson's verbal agreement to hold the playoffs in Madison Square Garden. . . . Apparently his verbal say antedated the group's November agreement to go to KC with the finals. Seems like the KC deal would net the Olympic fund about 25 G's more—so the scramble is on. . . . Say Minion (that's me) are we choosing up sides now? Who is this Anon you are splicing in? (No, Abdullah, not choosing up sides. Anon is an old Greek compatriot of mine who is trying to break into the racket. I knew you wouldn't mind if I tried out a few of his 'gimmicks on the tail end of your squib. If he finds a spot, he'll pick up the check from here on.)

Lt. and Mrs. Lloyd Olson have been visiting his parents, Mr. and Mrs. Otto Olson, here. He will report in Washington on January 25 for further assignment.

## Midgets Wrestle Before Capacity Crowd Saturday

They turned 'em away at the Bull barn Saturday night as Farmer Pete and Sonny Boy Cassidy, two midget wrestlers, sparked the card as main events.

The two diminutive grapplers, weighting 102 and 98 pounds respectively, gave the crowd thrill after thrill in their two-out-of-three-fall match.

Cassidy took the bout by claiming the last two falls. Farmer Pete won the first fall with a spirited display of body slams, arm smashes and drop kicks. He flattened Sonny Boy with his top body press after eight minutes immediately after this salvo.

The 98-pound dreadnaught came back, however, and took

the second fall in four minutes with a two-legged crab.

Cassidy won the third fall and sewed up the match with a double leg nelson in six minutes.

In the other half of the double main event, Dory Funk of Umparger and George Curtis of Vicksburg, Miss., squared off in a two fall, hour-long event.

(Continued on page 2)

# Track Workouts To Start February 11

Hereford trackmen will start their practice sessions on Monday, Feb. 11, according to Coach Dalton Criswell.

Workouts will begin that day for all except members of the Varsity basketball squad. Plans are still being completed for the training schedule, but the mid-month date has been set as a goal for getting training under way.

The Whiteface trackmen will still be meeting District 1-AA competition, as the track set-up under the new re-districting was

never changed. Canyon will be the site of the District meet, which will be held Saturday, April 5, Hereford trackmen will compete with Perryton, Dalhart, Dumas, Phillips and Canyon.

No other meets have been scheduled as yet. That is still being worked out.

As for 1952 prospects, outside of a very few returnees, Coach Criswell will "start out blind." Bill Kelly's chipped ankle will be mended sufficiently by track season to be ready for competi-

tion. Kelly will bolster the Herd squad if he can spare the time from farming operations, Criswell said.

The blond speedster is counted on heavily for support in the 200-yard low hurdles, the 200-yard dash and the 440-yard relay.

Graduation has thinned two of the Herd's stellar performers from the ranks of eligibles. They are Jack Stanton and Leonard Walterscheid.

Stanton will be missed in the discus, 100-yard dash and in the (Continued on page 4)

### COLD SHEETS???

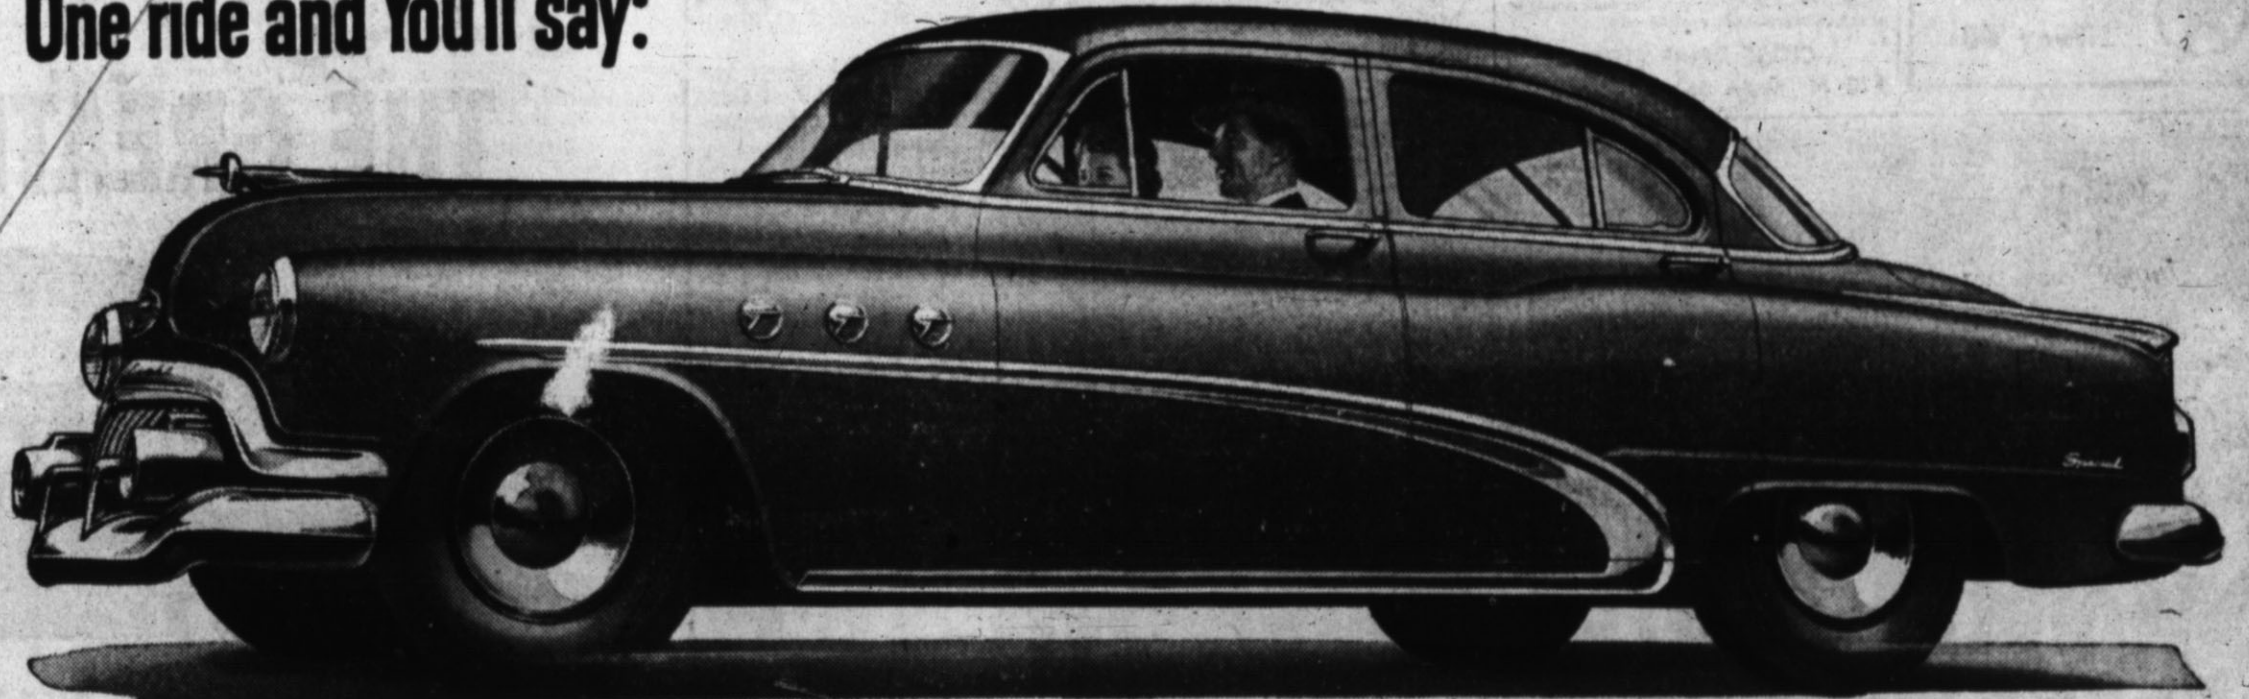

SWITCH TO WARM Electric Sleeping!

You may never catch a cold from a cold sheet, but you'll admit that warm sheets on a cold wintry night are far more inviting. And that's the way it is with modern electric sleeping. You merely set the control on your electric blanket (or electric sheet) a few minutes before retiring. You snuggle into a pleasantly warm bed and in no time at all you're in a sound, restful, pleasantly warm sleep. What's more you've no "weather worries" from then on. Your electric blanket maintains the temperature TO YOUR LIKING. It's a modern day . . . its time for modern sleeping . . . it's time for electric sleeping, at YOUR home.

### One ride and You'll say:

## "That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the frame—to cushion body and engine—and to silk out

the whole operation with Dynaflo Drive.\*

You may not care how the job was done, or what it cost. But we'll lay you this:

You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price

been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

\*Equipment, accessories, trim and models are subject to change without notice. †Standard on ROADMASTER, optional on other Buicks.

Sure is true for '52

When better automobiles are built BUICK will build them

## When Mean Colds Stuff You Up

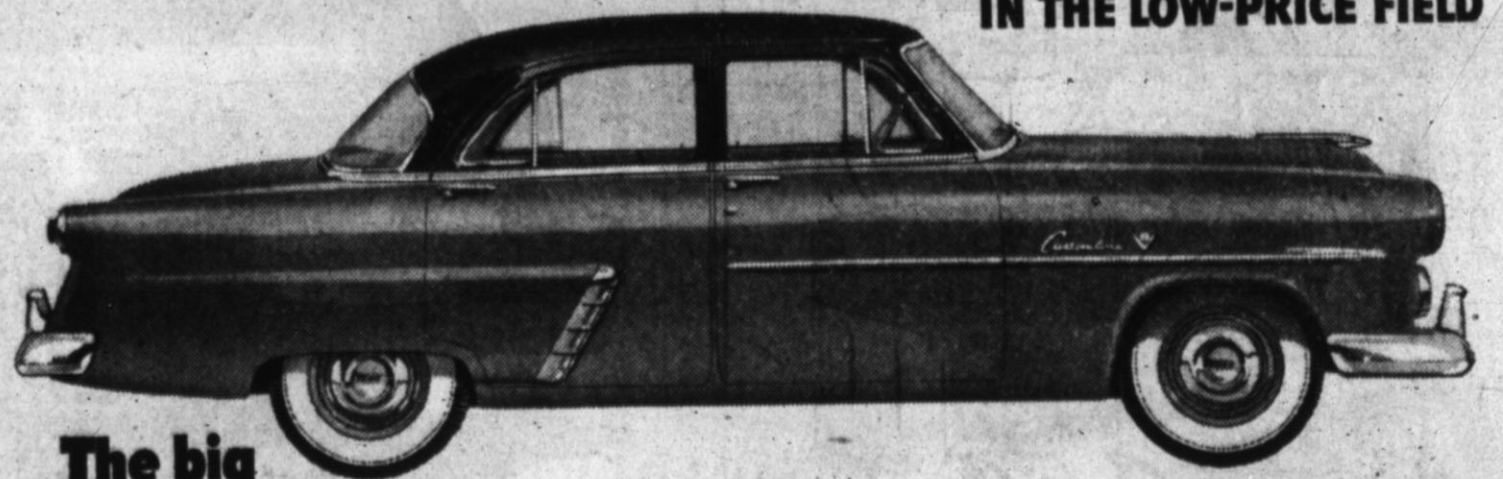

It's so easy to relieve coughs and stuffiness of colds in a hurry this home-proved way... with 2 spoonfuls of Vicks VapoRub in a vaporizer or in a bowl of boiling water as directed in package.

Just breathe in the steam! Every single breath carries VapoRub's soothing medications deep into throat and large bronchial tubes. It medicates irritated membranes, helps restore normal breathing. For coughs or upper bronchial congestion there's nothing like using Vicks VapoRub in steam.

For continued relief always rub it on throat, chest and back.

# Today! THE GREATEST CAR EVER BUILT IN THE LOW-PRICE FIELD

## The big 1952 FORD

### Out-rides them all!

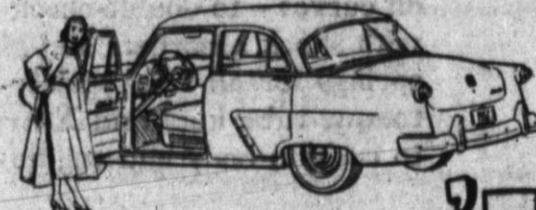

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

### Out-sizes them all!

The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

### Full-Circle Visibility!

With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

### Out-performs them all!

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

### Exclusive Power Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-gasification system gives you high-compression "go" on "regular" gas.

### New Coachcraft Bodies!

Ford's new Coachcraft Bodies are longer, stronger... distinctive in their modern beauty. They offer new half-light construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field.

### Out-values them all!

With such modern design and engineering features as new Flight-Style Control Panel, new Power-View Seats and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lift, Ford adds up to more dollars and cents value than any car in its price class.

Fordomatic Drive, Overdrive, Radio, Side-Window Glass, (if available) and low-tone colors on Customline Sedan optional at extra cost. Equipment, accessories and trim subject to change without notice.

## Expert Service men say: "I got the story on '50,000 Miles-No Wear' and changed to New Conoco Super Motor Oil"

### "50,000 Miles-No Wear!" Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings!

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

Ask Me About "50,000 Miles No Wear!"

This is a HEAVY DUTY OIL

"I've driven 50,000 miles on Conoco Super," says Nick Motzner, Twin Falls, Idaho. "Average 23 miles per gallon."

"After overhaul, Conoco Super customers drive 50,000 more miles!"—R. K. Comstock, Oklahoma City.

New-Car Power! Quicker Starts! Get "summertime" performance all winter. Change now, to winter-grade Conoco Super Motor Oil! Conoco Super fights off rust, corrosion and sludge. Keeps your engine new and clean.

## Midgets .....

(Continued from page 1)

Curtis won the first fall in 15 minutes with his favorite abdominal stretch.

Dory started taking his opponent apart with a spinning toe hold in 10 minutes for the second fall of the contest and used another spinning toe hold to cinch the match, ending it in another 10 minutes.

The first bout of the three-event card featured Whitey Walberg, Reynoldsburg, Ohio, strongman and George Overhuls, of Amarillo.

Walberg put the youthful Overhuls out of the picture in a tidy five minutes with his old standby, a full nelson.

Bill Sledge of Thornton, Texas called the match for the capacity crowd.

## Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way! Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get relief but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

### Long Time Ago

45 Years Ago

Sunday afternoon a east bound freight train was wrecked on the Santa Fe railroad about a mile west of Hereford. There was no one hurt in the wreck.

The Hereford Lumber company has made some recent improvements in its lumber yard south of the depot. They have added to the office building and have put up lumber sheds so that their stock is under cover.

Work on the First National bank was resumed this week. A farewell party was held for Jessie Howard before leaving for their new home on a ranch near Dimmitt.

Beecher Rowan of Powerville, Io. stopped in Hereford on his way to Dimmitt where he is going to organize a bank for that city.

charge at the candle-lighting dinner.

25 Years Ago

Joe Pope will speak at the Chamber of Commerce luncheon on Monday. There has been a special treat planned for all the old timers.

The Hereford high school orchestra under the direction of Ralph Smith will play at the auditorium of the new \$15,000 school building which has just been completed in the Jumbo community.

The new Catholic school building to be erected on the lots just north of the present Catholic church were started this week. The formal opening of the new brick school building which has just been erected in the Jumbo district was held last Saturday.

#### IN MEMORIAM

Dedicated to Mr. James A. Conaway who passed away January 29 at Hereford.

"Another soul's among the stars tonight.

"He found his way thru the grace of God.

"He's only waiting, just out of sight

"The words of life, he leave behind

"Beckoning, his loved ones his way to find.

"We said goodbye to his earthly form

"As he entered eternity's door.

"Tho his presence he leaves to mourn

"Hith in the heavens an angel is born.

"There's another star in the sky so bright

"Above this life where cometh no night."

### SUMMERFIELD NEWS BTU Party At K. W. Neills On Thursday Night

By Bobbie Walser

Mr. and Mrs. K. W. Neill are parents of a baby daughter born February 3 at the Friena hospital.

A BTU party was held in the home of Mr. and Mrs. K. W. Neill Thursday night.

Following a buffet supper, canasta and "42" provided entertainment for the evening.

Those attending were: Mr. and Mrs. George DeLozier, Mr. and Mrs. C. R. Walser, Mr. and Mrs. Ky Lawrence, Rev. and Mrs. A. A. Simon, Mr. and Mrs. Jack Streun, Mr. and Mrs. Roy Campbell, Mr. and Mrs. Carl Lee, Mrs. J. M. Wright, Mrs. Guy Walser, and Mrs. J. B. Noland, Mr. and Mrs. B. E. Roberson of Hereford also attended the party.

Mrs. Ray Johnson is in Lubbock visiting with her daughter, Mrs. L. P. Hansen.

Joe Wright, son of Mr. and Mrs. J. M. Wright, spent Monday night in Dimmitt with his grandparents—Mr. and Mrs. E. B. Wright.

Jim Lookingbill of Texas Tech has spent the past few days at home with his parents, Mr. and Mrs. L. B. Lookingbill. Jim returned to school Wednesday where he will begin his second semester of work.

Bob Huckert, son of Mr. and Mrs. Frank Huckert was in the hospital at Hereford for a few days. He had his tonsils removed.

### Garden Club Looks Toward Spring Show

Hereford Garden club members began making plans for the annual Spring Flower Show by painting containers which will be used in the show at the meeting held in the home of Mrs. O. H. Herring Friday afternoon. Suggestions and ideas for the show were also discussed.

Mrs. J. P. Slaton gave a report on the dish gardens members assisted Camp Fire Bluebirds in making. Eighteen were made for the Camp Fire Girls, three for sick children and one for each of the leaders.

Mrs. Ralph McCullough, president, told of pruning, planting and the care of roses. She recommended dusting with copper sulphur dust once a week and gave from March 15 to first of May as the best planting time.

Those present were: Mesdames Jim Black, C. C. Ferguson, E. E. Fridley, O. G. Hill, C. D. Kelton, F. M. Kester; J. H. Lomas, A. L. Manjeot, Otto Massie, Ralph McCullough, Jack Roberson, M. T. Rutter, J. P. Slaton, Rex Tynes and the hostess.

Miss Jeanette Richardson of Borger spent the week-end here with Jacqueline Newell at the home of her parents, Mr. and Mrs. Charles Newell. Both are students at West Texas State college, Canyon.

### Jolly 4-H Girls See Poultry Demonstration

The Jolly Girls 4-H club met in the home of Peggy Ann Browning on January 24. Mrs. Dyer, new leader for the group, gave a demonstration on poultry.

The next meeting will be held February 14 in the home of Mary Cayton.

Those attending the meeting were: Mary Cayton, Ann Dyer, Arlene Cupell, Peggy Ann Browning, Sunny Hill, Mrs. Dyer, Mrs. Cayton, and the hostess, Mrs. Browning.

A QUESTION AND ANSWER period was held following the speech on electric motors by J. H. Vendrick of Amarillo presented at the REA Irrigation Short Course school held at Hotel Jim Hill on Monday. Here is part of the crowd as Vendrick directs a reply to a questioner.—Staff Photo.

### Corsages Made At Garden Club

Garden Beautiful Club met with Mrs. J. L. Woodford Friday afternoon with the president, Mrs. George Graiam, presiding. During the business session members voted to donate \$15 to the "March of Dimes" fund.

The program was in the form of a lecture-demonstration on making corsages given by Mrs. De-

ward Roberson. Using gladioli, roses and stock, Mrs. Roberson demonstrated making the formal tailored and bedside corsages.

Mrs. Jeff Gilbreath and Mrs. S. O. Wilson were special guests.

Members attending were: Mesdames S. L. Wesley, George Graham, J. B. Harlin, E. W. Harrison, J. W. Kirby, D. C. Kinsey, G. P. Owen, Carl Perrin, Joe Poindexter, D. B. Roberson, B. E. Roberson, Mary Seigler, E. W. Solomon, J. W. Thomas, Gerald Wilson, Miss Frances Turrentine and the hostess.

### Lubbock Tests Show Caprock Average Highest

Tests at the Lubbock experimental station covering 21 commercial varieties and experimental strains of grain sorghums have shown that Caprock mill produced the highest average yields on dryland from 1947-50 and on irrigated land from 1948-50.

The tests were conducted by the Texas A&M college experimental station.

Caprock was outyielded on dryland by an experimental selection of Plainsman, which ranked fourth in the irrigated tests. An experimental strain of Combine kafir produced the second highest average yield under irrigation, followed by Combine Kafir-60.

On the average, irrigation increases yields by approximately 110 per cent, according to E. L. Thaxton, Jr., agronomist with the Lubbock station.

Thaxton reports that, when normal seeding rates are used, the late maturing varieties have a higher average yield than those of medium or early maturity.

A summary of these variety

tests is given in Progress Report 1422, available from the Publications Office, College Station, Texas.

This report gives separately the results of grain sorghum variety tests conducted at Lubbock in 1950, along with the characteristics of each variety and strain such as days of bloom, percentage lodging, height, threshing percentage, test weight and moisture percentage.

Mr. and Mrs. Rex Lee and son of Pecos left Sunday afternoon. Mrs. Lee and son have been visiting in the home of her parents, Mr. and Mrs. F. A. Tucker, for several days. Mr. Lee came up for the week-end.

The Bay View club will meet in the home of Mrs. Colby Conkright Thursday afternoon at 3 p. m.

Lt. Col. Robert Bell and family are expected here this week for a brief visit with his mother, Mrs. A. G. Bell. They are enroute from Washington, D. C., where he has been stationed with the Army to a base in California.

Mr. and Mrs. Joe Hudson and daughter, Gerry Zan and daughter Betty of Seagraves spent the week-end here with Mrs. Hudson's parents, Mr. and Mrs. D. H. Alexander. They were accompanied by Miss Joan Conley also of Seagraves. Miss Betty Hudson and Miss Conley are teachers in the Seagraves schools.

### West Texas Band To Give Concert At School Mon.

West Texas State's 65-piece concert band will be presented Monday morning at 10 o'clock in the Hereford High School auditorium. The program will be the first on a three-day tour of the organization through the Panhandle and South Plains.

Directed by William O. Latson the band will present an hour-long program featuring a varied repertoire. One of the individuals to be highlighted during the program will be Purris Williams, cornet artist, a Hereford freshman at West Texas State.

Hereford students playing with the band, other than Williams, are Leta Springer, Emma Jane Brown, Jack Ramey, Gayle Roberson and Colline Brown.

Other cities to be toured during the first concert trip are: Dimmitt, Tulia, Levelland, Plains Plainview, Floydada and Kress. Later in February the band will tour the North Plains.

Mr. and Mrs. G. W. Newsom and daughter Jane have returned from a six weeks stay in Hawaii with their son, Carroll and his family.

Mrs. Jack Mounts and Mrs. C. C. Rockwell of Dallas and Mrs. Jack Gould of Richmond, Va. have returned to their respective homes after a visit here with their sister, Mrs. J. A. Pitman, who was injured recently in a car accident.

Mrs. Cawthon Bryant was hostess at a birthday dinner Friday evening honoring Mrs. Roy Calvert and Cawthon Bryant.

Following dinner the group enjoyed canasta.

Those attending were: Mr. and Mrs. Roy Calvert and Mrs. and Mrs. Cawthon Bryant and John David.

Gene Moore, student at ENMU spent the mid-term vacation here with his mother, Mrs. Bess Moore.

### Personal

Mr. and Mrs. Jack Roberson were guests of their daughter and family, Rev. and Mrs. Russell Poague, in Friona Saturday.

J. M. Gilliland and Mrs. Marlin Gilliland have returned from Dallas where they visited with Mr. Gilliland's son, Newt Gilliland, and family.

Mr. and Mrs. Oscar Altman have returned to Hereford after spending three weeks in California where they visited their daughter and other relatives.

### Leave For Florida

Four women left Hereford Tuesday for an extended stay in Florida. They were Mrs. David Neal Beavers who will visit her parents, Mr. and Mrs. F. S. Bone-sio, of Hartford, Conn., who are spending the winter in Miami Beach. Mrs. J. S. Whelan of Everett, Washington, who has been a guest of her son, Jim Whelan in Hereford the past two months, and who will visit relatives in St. Petersburg. Mrs. Phil Radovich and her daughter, Mrs. Paul Dishman, who plan to visit relatives in St. Petersburg and Tallahassee.

Mr. and Mrs. Frank Lucas have returned home from Brownwood where they have spent the past few months. While there they were guests of Mrs. Lucas' mother, Mrs. F. B. Crenshaw.

### Track...

(Continued from page 1)

440-yard relay. Walterscheid helped the Whiteface cindersmen in the dash, 440 relay and the mile relay.

There will be several boys out for track that had previous experience, but as for mainstays, the 1952 Whitefaces will be starting with "practically a new field."

BEFORE YOU INVEST IN ANY FINE CAR... COME DRIVE THIS

## CHRYSLER V-8 ENGINE!

### HEART OF FIREPOWER!

This hemispheric combustion chamber with large, well-cooled valves right in the dome, is the basic reason, FirePower outperforms all previous engines, even on non-premium fuel!

Whether you plan to buy a Chrysler or not, we cordially invite you to drive this revolutionary Chrysler FirePower V-8 engine. Only FirePower performance can possibly tell you what it is like. We want you to have that experience. The FirePower engine is a basic new design so advanced it can meet rising performance needs for years to come. Today it delivers 180 horsepower, even on non-premium fuel, and when desirable with

simple changes in manifolding, compression, and carburetion the horsepower can be raised to 250 . . . or over 300, as in the experimental Chrysler K-310 car. Naturally, others will imitate this Chrysler achievement, at least in part. We honestly believe that the FirePower engine will outperform any other car in America . . . and we invite you to learn the new standard in engine performance Chrysler has set by driving it yourself.

DRIVE a Chrysler and LEARN the difference

# Attend the Church of Your Choice This Week

## This Week's Calendar at Your Hereford Churches

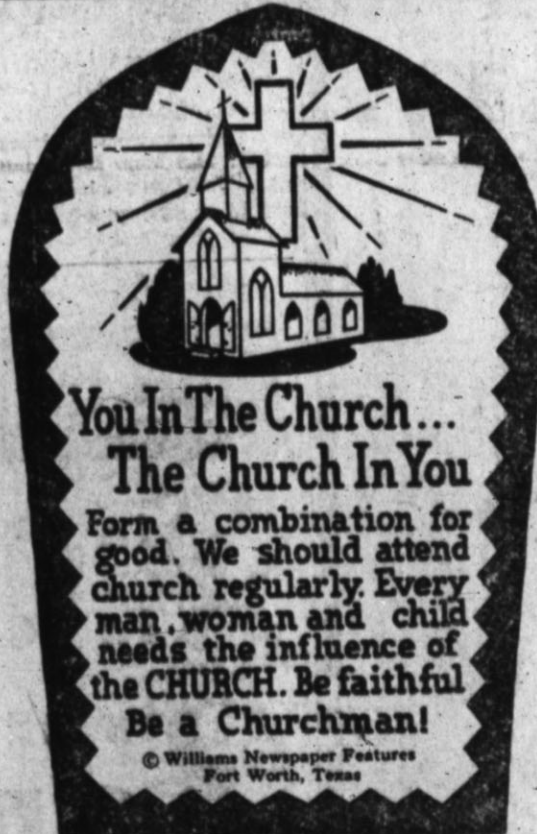

**Don't Light That!**

**BISHOP PHILLIPS BROOKS** likened a human life to The Candle of the Lord. *If you are God's candle, set in the midst of darkness to brighten up some corner of the earth; to serve God in quiet... then your living is of some consequence. I want my candle to burn brightly; to be of help to others, to God and to myself, as long as possible.*

**FOOLISH PEOPLE** shorten as well as lessen their light, when they burn their candle at both ends. *'Don't Light That,' for the candle burning at both ends defeats itself... each light shadows the other. My body, my mind and my soul need rest. If I work all day and play all night, I burn my candle at both ends. If I work every day and take no rest on Sunday, I burn my candle at both ends. If I toil through the day and worry through the night, I burn my candle at both ends.*

**MY LIFE** needs rest. I must work but I must also pray. *My light shines more brightly when only one end burns. The cause of my home, my community and my church are advanced further when I "Don't Light That" other end.*

### First Christian

Thursday night the Christian Men's Fellowship will meet at 7:30 for a covered dish supper and program.  
Friday night the Cub Scouts will hold a pot-luck supper at the church basement.  
Sunday morning, Feb. 10, the Cub Scouts will be special guests at the morning worship service.  
Regular Sunday services for the First Christian church will be: church school, 9:45; morning worship, 10:50; youth groups, 6 o'clock and evening worship, 7 o'clock.  
Monday night there will be a prayer service at 6 o'clock.  
Wednesday night prayer meeting will be held at 7:15 and choir practice will be at 8:15.

### First Presbyterian

Sunday school will be held at the First Presbyterian church at 9:45 and morning worship service will be at 11 o'clock. Sunday evening worship service will be held at 7:30.

### St. Anthony's Catholic

Sunday masses will be held at the new church Sunday morning at 8 o'clock and 10 o'clock. Catechism class are at the rectory at 9 o'clock.  
Confessions are held Saturday from 5 to 6 p. m. and from 8 to 9 p. m. at the new church.  
There will a Faith of our Fathers radio program at 1:30 p. m. on Sunday over radio station KPAN.

### Seventh Day Adventist

The Seventh Day Adventist church will hear Elder L. H. Lindbeck, circulation manager of the Listen Magazine, Washington D. C. at Portales at 7:30 p. m. on February 18 and at Amarillo February 26 at 7:30 p. m.  
The public is invited to attend. Elder G. A. LaGrone will be present for the 11 o'clock service on February 16.  
The scripture lesson for the day is found in 1 Peter 1:10-12.  
Sabbath school is held at 10 a. m. and worship services are held at 11 a. m. The Sunshine band meets at 3 p. m. on Saturday, Feb. 9.

### St. Thomas Episcopal

Henry Seaman will speak at the 8 o'clock church service at the St. Thomas Episcopal church. Sunday school will be held at 10 a.m.

### Assembly of God

CONG. ROGERS SAYS

**New Post Card Boosts Protect Taxpayers Who Undersign Deficit**

**THE TWO-CENT POST CARD:**

Since the traditional one-cent post card was increased to two cents I have received quite a number of comments. At the time the rate was increased, a provision was put into law that when these post cards were purchased in lots of more than 50, an additional charge of 10% would be made. Several news stories relating incidents of an organization buying several thousand of these, 49 at a time, created a lot of commotion and many people have written me condemning such a theory as being silly. Here are some of the facts that caused Congress to require the addition 10% when more than 50 of the cards are purchased at one time.

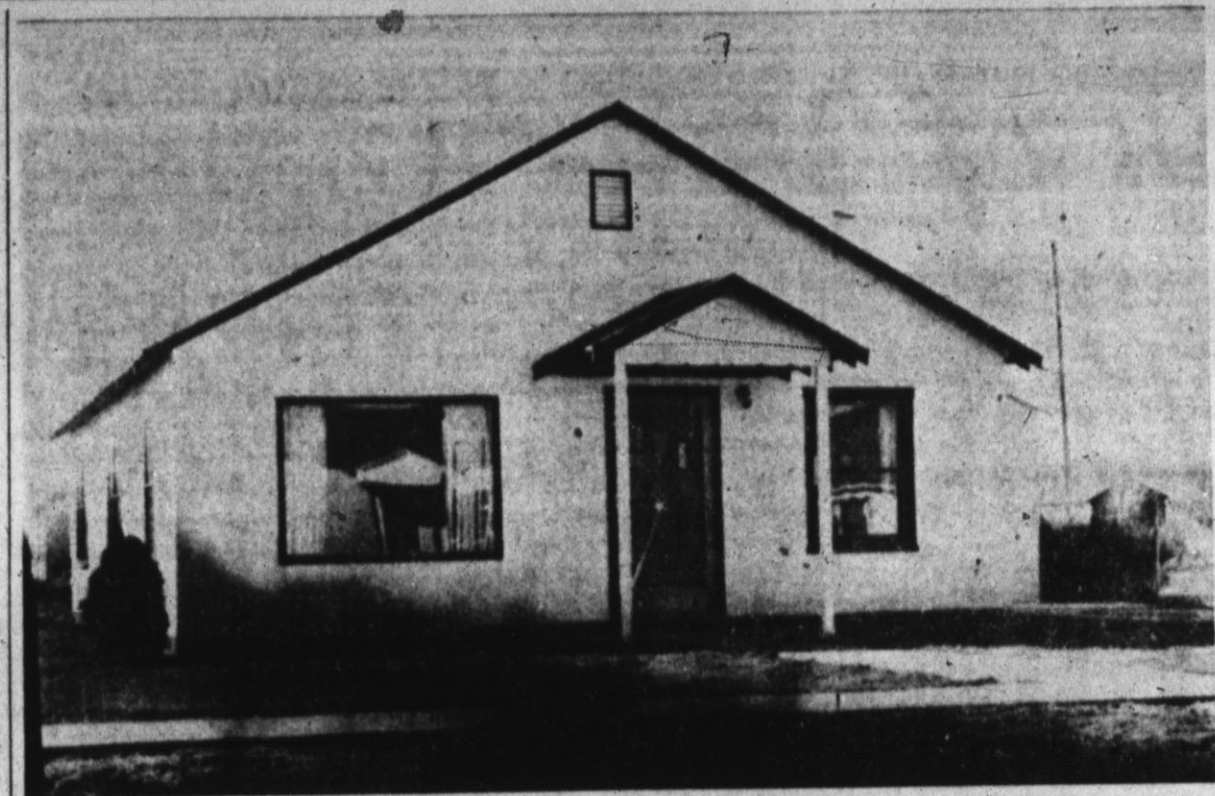

In the first instance, the one-cent post card (now two cents) was originally created as a cheap means of communication between the people of this country. The cost of the card from the time it was printed until it reached the addressee was more than the one cent and for many years has been more than two cents. I talked to the Post Office Department about this as I felt that the people were entitled to the facts surrounding the matter. The Post Office Department estimated that at the time the rate was increased from one to two cents the actual cost to the Department from the printing of the card to the delivery of it to the addressee was approximately 2-3/4 cents. This means that every time one of these printed two-cent post cards was mailed, the Post Office Department, and of course the taxpayer, had to furnish an additional 1-3/4 cents from some other source; that was of course the taxpayer's pocket.

A survey reflected that approximately 90% of these cards that were being mailed originated from some company or organization engaged in sales promotion or advertising. The result was that the taxpayers of this country were actually subsidizing these advertising and sales promotion schemes to the tune of 1-3/4 cents on every card that was mailed. In other words, every time one of these organizations mailed 10,000 of these cards it cost the taxpayers of this country \$175; if the organization mailed 100 thousand, it cost the taxpayers \$1750.

From your own experience in receiving many of these advertising cards in your mail you can visualize how much the process was costing you. It was the opinion of many of these members of Congress that the addition of a small increase in the price of these cards when they were being purchased for the purpose of such type of advertising would measurably reduce the size of the subsidy and decrease the burden on the taxpayer.

I write this explanation because I have received many letters, asking me why Congress does not do something to stop some people from flooding the mails with advertising material that they do not want and serves only to clutter up their mail boxes and wastebaskets. If the Post Office Department were making a profit on these post cards, certainly it would be silly to put an additional charge on purchases of more than 50, but since they are being handled at a loss and the taxpayer has to foot the bill, the more the loss can be reduced, the better for the taxpayer.

**THE TROUBLE SPOTS:** The Middle East is fast becoming the number one trouble spot of the world, just as I predicted in a previous newsletter and in a number of speeches in the district. The problems to be settled in that area are deep seated, and there are great many more issues involved than in the Korean conflict.

THE BERT C. BROWNS bought this home on Avenue J last August. The house has four rooms and features a large picture window in the living room.—Staff Photo.

The outcroppings of trouble in the Middle East are not the result of any new-born political philosophies or theories of government. These are the rumblings of peoples who feel that they and their lands have been subjected to foreign exploitation for years and years. The many problems posed cannot be settled quickly nor easily.

The people from those countries with whom I have discussed the problems assure me that they do not look upon communist principles as a temporary or a permanent solution to any of their problems. Those people are all deeply religious; therefore it is impossible to reconcile their basic beliefs with the atheism of communism.

They all assure me that they want to be friendly with the Western powers but that it is extremely difficult for many of their people who have been under colonial domination of European countries to understand that the United States does not have colonial ambitions. Only outstanding statesmanship is going to avoid bloody conflict in this area.

**KOREA:** The latest information from Korea is that if the Communist commence another all-out offensive, in Korea, as they have done on two occasions before, they will be subjected to the greatest slaughter of mankind in history. Actually, the mission of the United Nations to throw communist aggression out of South Korea has been completed, as our entire front line is well above the 38th parallel, except on the western edge of Korea.

**UNIVERSAL MILITARY TRAINING:** The question of U.M.T. is a matter of daily debate in all corners of Washington. It is probably one of the most important domestic issues that has faced this country in a long time. Excellent arguments are advanced on both sides of the issue. Personally, I would like to have your thoughts and I would appreciate it if you would indicate your feelings by checking one of the following and mailing it to me with any comments you care to make:

"For Universal Military Training—Against Universal Military Training."

**Murdock Funeral February 27 At Summersville, Mo.**

Funeral services for Wayne E. Murdock, former resident of Summerfield, were held at the First Christian church of Summersville, Mo. on January 27. Rev. L. O. Huitt of Salom officiated at the service.

Murdock died January 22 at his home near Summersville. He was born in Gilmore City, Iowa on June 15, 1885 and married Fern Shellabarger of Gilmore City on February 24, 1909. They moved to Kress, Texas in 1910 and from Kress they moved to Springlake. In 1917 they came to Summerfield, where they lived until 1933 when they moved to Missouri.

Survivors are his wife and an adopted daughter, Mrs. Ted Traves of Gilmore City.

Mr. and Mrs. L. D. Lee of Ende, N. M. were week-end visitors in the home of Mr. and Mrs. George Cantrell.

**NW HEREFORD NEWS Several People In Community Flu Victims**

By Mrs. R. C. Childers  
The flu has been raging in this community as well as elsewhere. Mrs. Grady Parsons, Mrs. M. G. Caywood, John Hunter and George Hogland have all had the flu. Others have had touches of it but were able to keep from going to bed.

Billy Robinson and his cousin were visitors of Raymond Jr. and Patsy Childers Sunday. John is attending college at West Texas this year. He is the son of Mr. and Mrs. John Robinson of Hereford.

Mr. and Mrs. B. F. Block and family went to Wichita Falls on business Monday. The Blocks are planning to move to South Texas in the near future.

Mrs. Allie McNeill from Wayside spent Saturday in the home of Mr. and Mrs. R. C. Childers.

Mrs. A. C. Hershey is now employed at the Bluebonnet laundry. She is working five days a week.

Sunday guests in the R. C. Childers home were Mrs. C. S. Barclay and Larry, Mrs. S. J. Barclay, Mr. and Mrs. A. H. Inman of Plainview and Mr. and Mrs. Wayne Johnson.

Mr. and Mrs. Wayne Johnson were in Pampa on business Thursday.

Paul Corbett reports that he will help Mrs. E. C. Eubanks until about February 15, at that time Sidney Fuller will take over the business.

The Workers 4-H club will meet with Mrs. John Hunter February 10, at 4 p.m.

The Cultural Home Demonstration club will meet with Mrs. Tom Barclay February 14 at 3:30 p.m.

Mrs. Earl Dehart reports that she has had several members absent from her First Aid classes due to illness. They are Mrs. Grady Parsons, Mrs. Edgar Telchik and Mrs. Leona Packard.

**Tulia Hornets Here Friday**

Tulia will provide the Hereford cagers with their third conference test here tomorrow night as the Hornets invade the local stronghold.

The Hornets were smothered by Canyon last Friday in their loop opener by a 55-37 margin, while the Whitefaces were losing their first conference game of the year to the Floydada Whirlwinds.

Having sold my farm and completed moving to Carthage, Missouri, I will sell the following farm equipment and machinery at
