## Lettuce Time In Hereford..Quality Good! Prices Fair..Everybody Busy! Happy, Too

FIRST 1951 LETTUCE is seen in background above. Joe Ballinger, center, was grower. R. B. Atterbury, left, and G. F. Phillips, right, were processors. The lettuce graded No. 1, and brought \$4.25 on the Eastern markets.

Trimming, sorting and packing requires skilled and common labor. Some of the shed employees are shown above on their high speed, assembly-line jobs. Estimates indicate that labor will earn more than \$2,000 daily during the lettuce peak period.

## Women's Club Building Is Goal of Hereford Members

Preliminary plans for building a Woman's Club House in Hereford were formulated here Friday morning when a group of women representing various clubs in town and over the country met at 9:30 o'clock at the home of Mrs. Rex Tynes. A steering committee was named to further investigate the plan, prior to definite action.

The committee consists of Mrs. Reed Williams, chairman; Mrs. Francis Hardwick, Mrs. A. L. Manjeot, Mrs. Morris Thomson, and Mrs. Earl DeHart. Definite action regarding the building will be planned following a second general meeting to be held Sept. 28, when club representatives will again meet with the steering committee.

Representatives of each of the clubs in Hereford and in the area are to present the plan be-

fore each individual club during the next two weeks, Mrs. Williams said. "It will, of course, be up to the individual club as to whether they wish to participate," she continued. "Likewise, the size of the building, construction and general conditions will be determined by the number of clubs which expect to use the building."

She also said the original committee is temporary as a starting point, and would be subject to revision when the reports are complete.

"It is our hope to have a building which will take care of the entire needs of every club included in the program," Mrs. Williams continued. "This would include, meetings, activities, and even conventions."

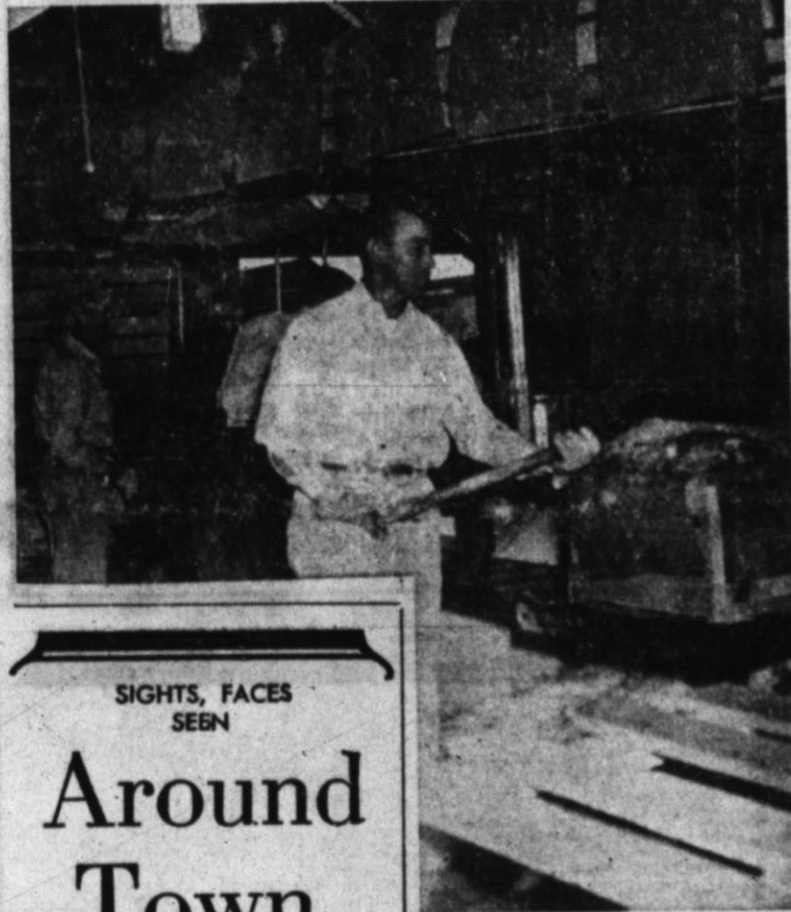

No definite cost of the building has yet been established, according to commit-

tee members, and will be determined following establishment of the number of clubs and requirements needed in the building. Location of the building will likewise be determined later.

The present movement to build a Woman's Club House in Hereford comes as the result of an acute need for such a meeting place, representatives at the meeting said Friday. A similar program was discussed two years ago, but planning was delayed until the present time.

A total of 30 active clubs with a total membership of 500 women was estimated for the community.

"Just how we are going to build it, and how we are going to finance it, I don't know," said one lady—"but I do know that 300 interested women can build about anything they set their minds to."

SIGHTS, FACES SEEN

## Around Town

Even prior to the recorded 38-degree temperature Friday night, "sniffles" and slight head colds were definitely in vogue around Hereford this week. The situation became so bad, in fact, that even a few of the more timid souls missed a day or so in customary haunts.

Oklahoma City University no longer has an excuse to lose in their football games—at least not as a result of the loss of their three-legged Irish Setter mascot, "Muggs". Following appearance of the item in The Brand last week, the dog was reported to be on the T. W. Perrin farm, 45 miles northwest of town. Muggs strayed last week from the C. Q. Smith place, 10 miles northwest. Mrs. Perrin said that he was almost starved and in terrible condition when he arrived at their place, apparently having covered 25 or 30 miles on foot and without food.

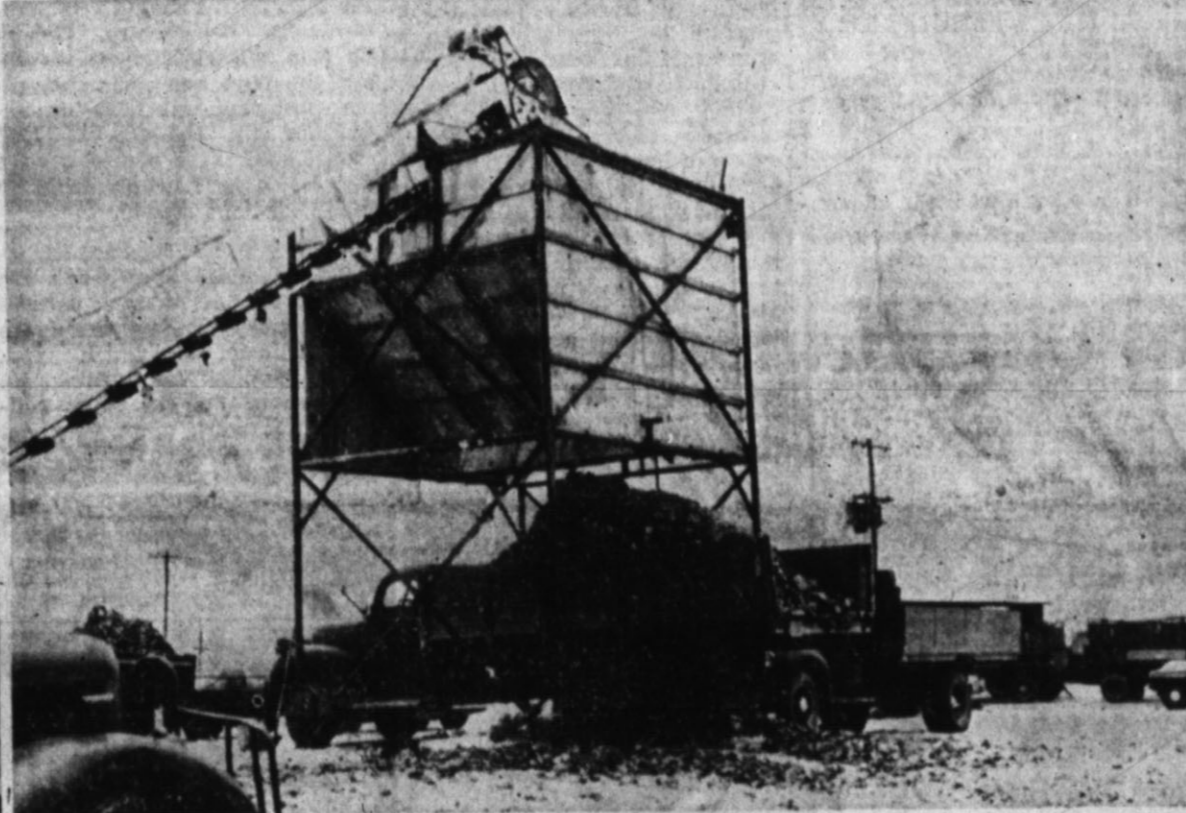

There will be a meeting of the Hereford P.T.A. Monday night, Oct. 1 at 7:30 at the high school auditorium. Rev. Leon Hill of Amarillo will talk on "Who Bends the Twig."

A new employee at the City Drug store is Joe Lowrie, who comes to Hereford from Leveland where he has been employed since his graduation in June from Southwestern State in Oklahoma.

Pauline Eikes of Hollis, Okla., will be in charge of the Western Union office while Mrs. Hazel Ribbold is on her vacation.

Dr. R. R. Wills will speak on Heart Diseases at the Westway school house on Wednesday, Sept. 26, at 8 o'clock. The public is invited to attend.

Colby Conkright sure had a  
(Continued on page 2)

Left photo shows the final touch as a workman ladels crushed ice onto a packed crate, ready for scaling and delivery to freight cars. Above is the initial step where B. F. Cain's lettuce went into processing at the P. M. Williams shed. The Charles Houston shed had not gone into operation this week.

## Lettuce Rolls To Market

Activity increased around Hereford this week as the first two loads of 1951 lettuce came in from the fields to furnish employment for around 250 persons, including around 100 specialized lettuce handlers and packers from Arizona and California.

The crop in its initial stage did not provide figures as to probable yields, as first cuttings got underway. First lettuce of the season came from the 150-acre Joe Ballinger farm and was running No. 1 grade, according to packers. The Ballinger lettuce arrived Thursday, followed Friday by the B. F. Cain lettuce, which was also grading well. The Ballinger lettuce made a fair market, bringing \$4.25 per crate.

**Salaries \$2200 Daily**  
Estimates on lettuce harvest placed the figure at around \$2,200 per day in payroll to shed workers, field hands, cutters and bosses. Producers and packers agree that lettuce harvest will hit its peak around Oct. 1, and that the harvest will continue to around Nov. 15.

Packers said that they were using all of the local labor possible,

but had to import some skilled help to expedite handling the crop. General estimates place the 1951 lettuce crop at 3,000 acres in this section and if the current \$4.25 price holds, producers will secure exceptional returns from the crop.

Three packers are this year serving the community, they include Arena Company of Texas at Atterbury and Beasley sheds, P. M. Williams Farms and Charles Houston. All three firms are experienced handlers. Arena Brothers and Williams operate on extensive scale in the Salinas area, and Houston comes to Hereford from the Arizona lettuce area.

**Praises Quality**  
"Hereford lettuce is as fine as is grown anywhere," declared G. F. Phillips, Arena representative, who is operating here for the first time this year. He anticipated good yields this season and said that the grade, even on early cuttings, was good. Arena has 90 to 95 shed workers, who are supported by around 75 field men. Other sheds will use proportionally the same amount of help.

## Larry Johnson, Age 4, Is Second Polio Case of Year

Larry Johnson, 4-year-old son of Mr. and Mrs. Truett Johnson, was admitted to the Plainview Polio clinic Wednesday night after Hereford physicians diagnosed his case as polio.

The youth showed weakness in his left shoulder, hand and forearm according to reports received in Hereford Friday.

The boy was admitted to the Deaf Smith county hospital on Wednesday morning for obser-

vation and was transferred to Plainview that night.

Charla Berry, 10-year-old daughter of Mr. and Mrs. S. B. Berry who was hospitalized several weeks ago with paralysis in both legs and her left arm resumed her schooling this week at the Plainview clinic. She has responded to treatment although both legs are still paralyzed.

Larry Johnson and Charla Berry are Deaf Smith county's only polio victims this year.

## Campfire Group Outlines Plans

A meeting of the Hereford Camp Fire council was held Thursday night at the Camp Fire hut.

Mrs. Earl Plank announced a training course which will be held October 8, 9, and 10 for all women interested in training for Bluebird and Camp Fire work.

Leaders are needed to work with another Bluebird group, the extension chairman reported.

Bob Wilson invited Bluebird and Camp Fire leaders and members of the council to a youth day luncheon which will be held by the Hereford Lions club on October 3.

Tentative plans were made for a family night to be held sometime in October and arrangements were turned over to the social committee headed by Mrs. S. S. Dodson.

Earl Phillips announced that plans are being made to hold a sustaining membership drive in the near future.

## New Officers Of Kiwanis Elected

Officers were elected Thursday at the meeting of the Hereford Kiwanis club.

Officers included: president, Pat Sullivan, vice-president, Owen Bybee, directors, Frank Vogel, Charles W. Seed, H. V. Stanton, and Bill Patton. Hold-over directors were: Jeff Robertson, Ray McCullough, and Lowell Sharp.

These officers will not assume their duties until January.

It was announced that the club lost the golf tournament to the Rotary club by two and a half points.

Lewis Hembree, an inactive member was present. Two guests, Roy Smith and Ray Clark from Lubbock were also present.

## Water Meeting Set For Tuesday

All voters in this area are urged to attend a ground-water meeting Tuesday evening, Sept. 25 in the courthouse, Tom McFarland director for this area, said today.

"The program will be explained fully and we hope that every person will attend and inform himself of complete details regarding the program before casting his ballot," McFarland said. "This is one of the most important elections held in this community in many years, and the outcome will greatly influence the future of the entire shallow-water district."

He said that in addition to complete explanation of the proposed program, leaders will attempt to answer questions of interested persons. A color movie will also supplement the discussion.

## USO Drive Is Rotary Topic

Bob Wear was the guest speaker at the noon luncheon of the Hereford Rotary club Friday. He spoke on the coming USO drive.

Next Friday the guest speaker will be district Governor P. F. Bridgewater of Midland.

On Thursday night at 7 o'clock the club will have an assembly in Hotel Jim Hill with Bridgewater as a special guest.

## Mrs. Arnold Dies In Crash

One Hereford woman is dead and another is critically injured as the result of a head-on collision involving the car in which they were riding Friday afternoon on the Amarillo highway.

Mrs. Fred Arnold 211 Lake Street, died in an Amarillo hospital at 8:15 Friday afternoon.

Mrs. George Lindsey, 58, mother of the dead woman, was listed in a critical condition Saturday afternoon. She is suffering severe head injuries and a concussion. She had not regained consciousness yet Saturday afternoon.

George Lindsey, 62, had both legs broken, but was in good condition. Fred Arnold, driver of the car suffered a crushed chest

and pelvic injuries. His condition was fair Saturday afternoon.

Mrs. Arnold's baby was dead, when delivered by Caesarian operation immediately following the accident.

Highway patrolmen who investigated the accident said the car was going toward Amarillo, while the truck was headed south.

The truck, carrying hot road topping, pulled into the center lane to pass another truck ahead of him. After entering the lane, he saw an automobile already in the lane, driving slowly south, preparatory to making a left turn off the highway.

Unable to slow his truck in time because of the heavy load, the driver, Marion Otis Pyles,

swung the vehicle into the east lane to go around the car.

There he was confronted with the Arnold automobile coming from the opposite direction.

Apparently both vehicles started to pull off the east side of the highway, as they crashed head-on astraddle of the east edge of the roadway.

Adding to the misery of the scene was the hot road topping which was sprayed over the traffic victims.

The Arnold car was totally demolished and considerable damage was done to the truck.

No funeral arrangement had been announced for Mrs. Arnold. Both Mrs. Arnold and the infant are being returned to Hereford, however.

## Contests, Fancy Riding To Headline Free Exhibition

An exhibition of stunts, contests and fancy riding will headline a free performance to be sponsored by the Hereford Riders club here Tuesday evening, Sept. 25. The performance will begin at 8 o'clock at the Rider's Area, Mal Stewart, president said today.

The program is scheduled to give the people of the community an idea of what goes on in the arena when club members get together for a few hours of recreation and fun, Mr. Stewart said. Events scheduled for the evening follow:

**Introduction and Grand March Ring Sparring Contest—**J. B. Noland, Wiley Roberson, Harold Easley, Ralph Sears, Pat Lawhon and Ky Lawrence.

**Square Dance—**Four couples, Pat Lawhon, caller.

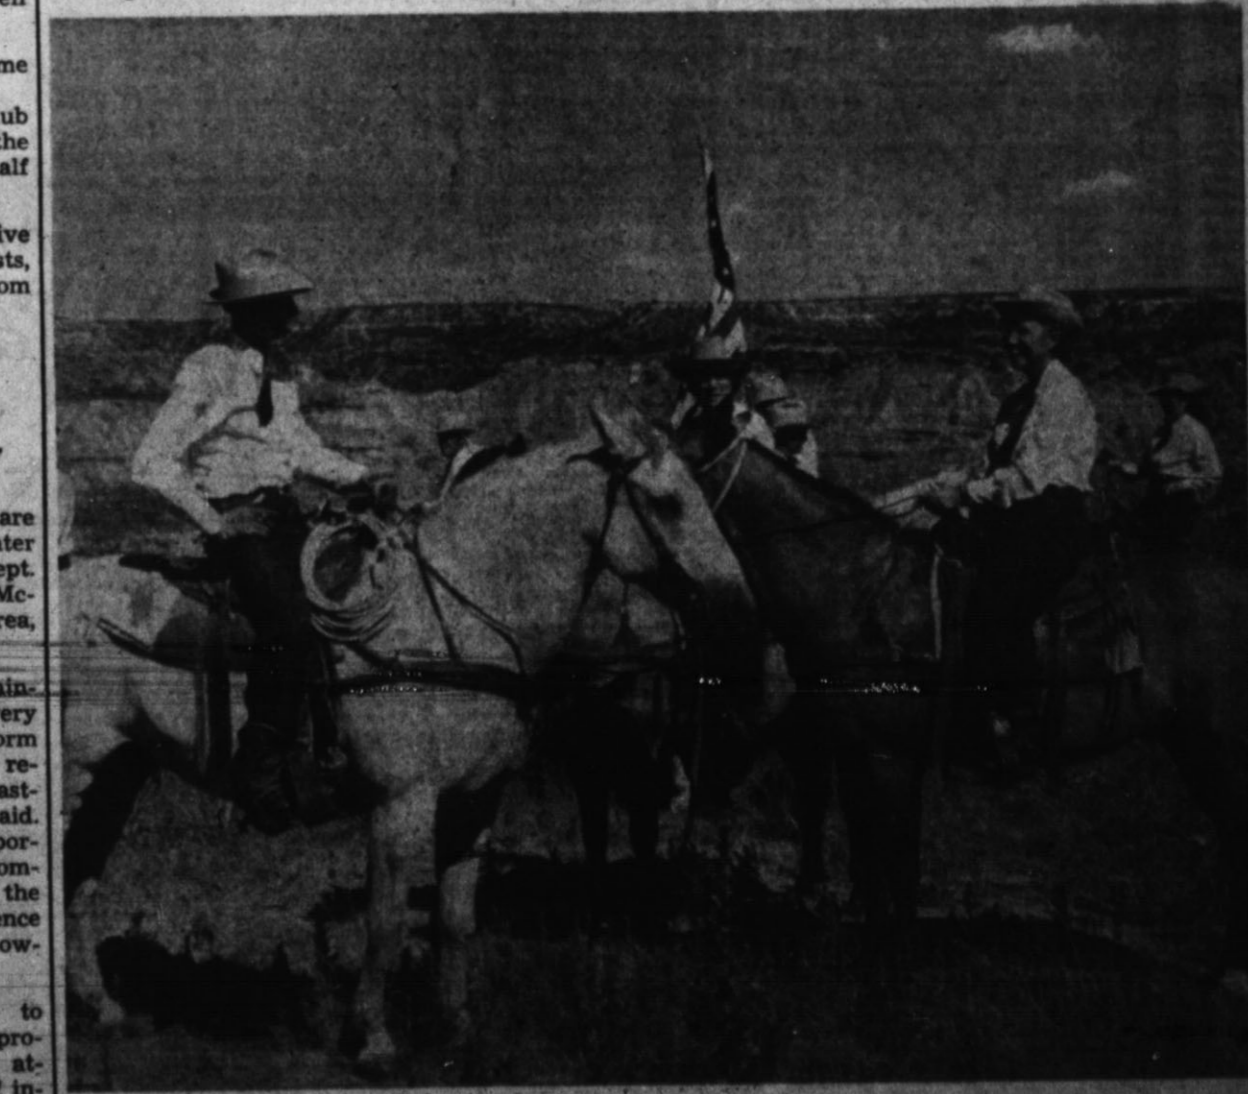

**Egg Race—**R. R. Holt, Robert Wagoner, Leo Forrest, Jeff Robertson, Joe Kendall and O. W. Pharris.

**Ladies Barrel Race—**Meredith Ireland, Marie Sears, Mrs. Homer Brunley, Mrs. Wiley Roberson, Nora Lawhon, Nell Spradley, Ollie France, Jackie Wright,

and Cleo Newsom. **Quadrille—**Six couples on horses. Cecil Rockwell, caller.

**Cigarette Race—**Jack France, Homer Brunley, Donald Henslee, Ed Johnson, D. R. Holt and Gordon Newsom.

The cigarette race will end the Hereford Rider's performance, but immediately following will be a return match roping contest between Jack Streun and Spicer Gripp of Hereford vs. Robert Calloway and Johnnie Hands of Friona. Each contestant will rope and tie six calves.

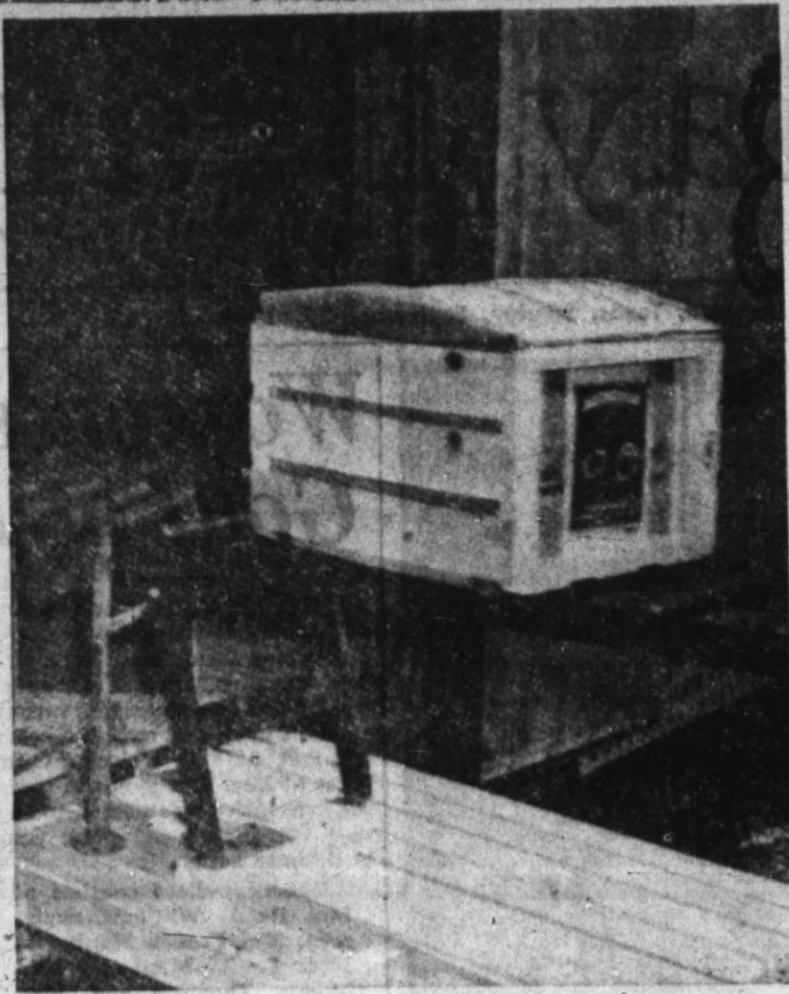

Hereford Riders Club members (above) are pictured in one of the Square Dance exhibits, a feat which will be duplicated at the Free program sponsored by the club in the arena here Tuesday evening, Sept. 25.

# Grandstand Gropings

By Kent Snare

I am sure that all of Hereford High's supporters will join me in the declaration that we have seen a sufficiency of big, fast backs "agin us". Coincidentally Sneed which might rhyme with Seid bore the same number 49 and that makes a numerical oddity which we hope is not repeated by our future foes — Mentioning Hereford High's superior physical condition is getting to be habitual with me but it reared its head again in the late stages of this, the Levelland contest. Outweighed and outmanned, as we were, it was refreshing to see the lads snap back and, I might add that they were conversely listless in the first half although it's just possible they might have been a mite confounded by the Lobo's ponderous initial march—In direct contrast to the Mule-shoe game's excellent punting, Friday's exhibition by both participants was glaringly inept. De-ment's one kick in the fourth stanza being the only respecta-ble boot of the array—It might appeal only to the oldsters, but Levelland's defensive alignment caught my eye — The defensive forward wall achieved, from a knee start, an under slung stance that definitely gave their low, driving charge an advantage that Hereford's offense never quite managed to subject — The short time that Morton worked from fullback was the only relief that we had in the way of progress up the slot—Let me protrude the cronial appendage and plead for relief for Graham on the pass formation—He doesn't have room to peer through nor time to breathe before he has to shuck loose from that apple—On the one completed pass, allowed

OFF TO MARKET, Hereford lettuce is shown (left) above as it leaves the Atterbury-Beasley sheds on conveyors into refrigeration cars—for Mid-West and Eastern markets. The photo, right, was made inside of the B. F. Cain car, loaded from P. M. Williams shed Friday.

## Clearman Will Help On Panhandle Display At Texas State Fair

Hugh Clearman, County Agent is a member of the committee arranging for the Panhandle area display in "A Storybook of Texas Agriculture" at the 1951 State Fair of Texas, Dallas, Oct. 6-21. The display, devoted to the agricultural resources of District 1 of the A&M Extension Service will be a part of a display covering every section of Texas, telling the agricultural story of each. The Panhandle display will feature beef cattle, growing grass, wheat, grain sorghums, cotton, sugar beets, vegetables and peach orchards.

## Two Enrolled At McMurray College

Mary Helen McGilvary, daughter of Mr. and Mrs. R. C. McGilvary, and Jesse Click, son of Mr. and Mrs. O. L. Click, are among 500 students who enrolled at McMurray college for the fall term, according to Jerome Vanoy, registrar. Registration will continue through September 28 for both undergraduate and graduate students, though classes got under-

way September 14.

## GOOD HOUSEKEEPING SHOP

303 N. Main Phone 1109

through interference, I thought the high lob was gonna bring rain, some character must have been looking down Ray's throat and he had to pitch over him—The little people, Self and Rose, were busy as small beavers with store teeth again and it should imbue some response from their teamies of the more avoirdupois type to emulate their efforts—I liked the pony backfield of Self, Morton, Winget and Graham. They put the old drive into their stint—By the bye, did you ken the arm stretch of the Whiteface backs' relaxing no doubt, reminiscent of Rockne's wrist flaring, which used to be a must-of Irish offensive backs on their last

"hike"—After viewing the adept hulk of Levelland's Sneed, I am reminded of a Bronko Nagurski anecdote — During World War Two The Bronk was hailed back from his Minnesota farm and pressed into service by the Chicago Bears — Well past the usual age of the serviceable athlete, his magnificent physical condition elicited questions from his teamies as to how he did it—His simple reply, with the customary Nagurski economy of words was, "By plowing." His cohorts guffawed loudly and stated as one, they had all done some plowing and even so were shadows compared to him — The Bronk put them in silence with the elemen-

tary query, "Ever try it without horses?"—At this writing I do not know the extent of Kelly's injury and I trust, by now, that he is back on those sparkling gamms of his and in tip top shape —and I want to voice my protest against the type of coaching supervision evidenced by Levelland's staff — their quarterback number 20 might have been a showboat, but, to me, on three occasions exhibited damage and on one play, came up only after difficulty and gave every indication of having his back injured —albeit he had plenty of moxey, for one of his small displacement, and asked for no succor. I think it is the Coach's primary obligation to take care of the lads in his charge—If there is the slightest doubt about a player's ability to retain his coordination and thus protect himself, get him out of there—Football is a great institution but it is no place for an exhausted or injured player. —By the way that small character could really swing out and scoot on that keeper, couldn't he seemed to me that the officiating was of a better type particularly in handling the unnecessary tactics employed by Levelland.

Colo.

Approximately 600 boys and girls Saturday morning attended the Kiwanis Kids Day program at the Star Theatre. A total of \$42.10 was collected in donations from the children and will be used to help needy boys and girls during the year. In addition to the regular free show in cooperation with the theatre, George Graham, superintendent, addressed the boys and girls. Attendance last year was 1,000 but Kiwanians still thought the 1951 crowd good. Free popicles were distributed by Kiwanis members following the program.

Sam Nunnally says people are honest. Sam put a cup of pennies in his front window on South Main with a sign which read, "Free Pennies" for parking. He says people shop the pennies alright, but more often they get change for five-cent piece, and some of them leave a dime, taking only five pennies. "I'm actually making money," Sam declares, "and everyone is getting a good laugh."

# Plants Need Plenty Food Of Right Kind To Produce

COLLEGE STATION — Plants need plenty of the right kind of food in order to thrive and produce profitable yields. It is not possible, says E. A. Miller, extension agronomist of Texas A. & M. college, to produce good crops unless sufficient amounts of the right plant foods are available, regardless of how good the seed or cultural methods used.

In addition to the plant food, plants also need a good home in which to live and lots of water to drink. Miller says, one of the best ways to provide these important items is to feed the land by planting inoculated and fertilized legumes. Legumes not only furnish plant food—especially the high priced and badly needed nitrogen they get from their—but also make a better home for the crops that follow them. The action of the organic matter supplied by legumes when plowed under improves the tilth of the soil, increases bacterial action and provides more water by in-

creasing the water holding capacity of the soil.

Miller points out that the test of any program aimed at increasing crop yields and farm profits comes with results and cites as examples of research findings and hundreds of extension service demonstrations as proof that it pays to feed the land. Cotton yields on the Texas Agricultural Experiment stations at Nacogdoches and Tyler were increased by more than 100 pounds of lint per acre and corn yields doubled when planted following inoculated and fertilized hairy vetch.

At the Temple station in the blackland area, cotton, following Hubam sweetclover, which was harvested for seed, produced a five-year average per acre from cotton grown continuously without clover. The yields of corn, oats, barley and wheat following clover were also increased. County agents, Miller adds, report similar results from the farm demonstrations they have super-

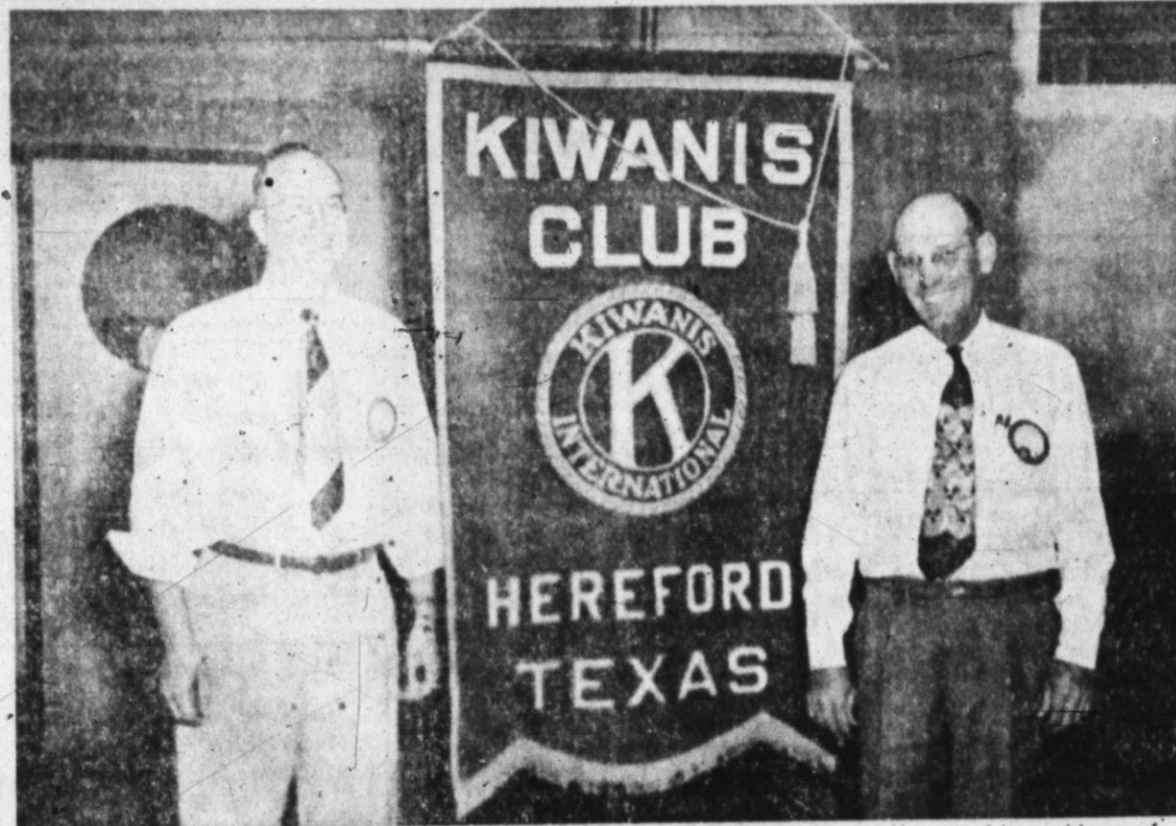

vised.

Aside from increased yields, certain of the legumes also provide the best known method for controlling cotton root rot. The use of sweetclover in the rotation plan for the farm is Miller's suggestion for controlling this disease. The recommended varieties are Hubam, Madrid and annual yellow blossom—the latter mainly in South Texas and the Gulf Coast Prairie.

Hairy vetch, Willamette vetch, winter peas and other legumes also increase yields and reduce root rot losses but are not as effective on the blacklands as sweetclover. This may be due, says Miller, to the fact that the clovers with their extensive and deep root system opens up the soil and this in turn permits better soil aeration, allowing faster and deeper water penetration; in addition to adding nitrogen and organic matter. This leaves the soil in a very favorable condition to produce.

Now is the time, says Miller, to secure the necessary legume seed and fertilizer that will be needed to put in the legume crop. He suggests that soil samples be taken from the fields in which legumes are to be planted and sent to the Soil Testing Laboratory at College Station for an analysis. The analysis and recommendations from the laboratory are a mighty good foundation on which to start a soil building or improvement program and Miller suggests to farmers and others who are interested in starting such a program that they contact their local county agent for information in soil testing and legume varieties for section of the state.

Texas over 17 years of age must have hunting licenses providing, of course, they hunt beyond their own home county. All residents entitled to hunt in their own home area without a license must have an "exempt license" before hunting deer and turkey on the land of their residence.

## New Bluebird Unit Organized

A newly organized Bluebird group met Friday afternoon with their mothers to plan the year's course of study and to measure for their uniforms.

The group which is led by Mrs. Jimmie Gillentine and Mrs. J. R. Fowlkes, will meet each Friday afternoon at 2:30 at the Camp Fire hut.

Members attending the meeting were: Mary Beth Gilliland, Brenda Beasley, Sherry Kendall, Beverly Ann Boyer, Judy Bradley, Mary Ray Downey, Marcia Gilliland, Judy Hoff, Roxy Lynn Fawcett, Joy Story, Jan Susan Reese, Sara Gillentine, Gearldine Tyler, Susan Ford, Linda Edwards, Susie Woodford, and Cheri Baker.

## Episcopal Ladies Hold First Meet

The Auxiliary of the St. Thomas Episcopal church held their first meeting of the season Wednesday, Sept. 19, at the home of Mrs. Bruce Miller.

Mrs. Alton Frazier presided at the business meeting. It was announced that the annual meeting for Region 2 would be held in Hereford September 25.

Mrs. Frazier appointed committees for the meeting of Region 2.

Following the business session Mrs. Curtis Traweck was in charge of the discussion.

Members present were: Mrs. F. L. Alexander, Mrs. Jack Bradley, Mrs. J. Roy Crutchfield, Mrs. Alton Frazier, Mrs. Frances Houston, Mrs. Bill Kennedy, Mrs. Bob Pipkin, Mrs. Joe Smith, Mrs. Curtis Traweck, Mrs. Herschell Trimmer, Mrs. Bill Waldrep and Mrs. Bruce Miller.

The next meeting will be held on October 3 at the home of Mrs. Curtis Traweck.

## Raymond Cummings New FFA President

F. F. A. officers for the coming year were elected at a recent meeting of the group.

Officers are: Raymond Cummings, president; David McDuff, vice-president; Billy Carmichael secretary; Lester Irwin, treasurer; Glen Andrews, reporter; Gary Walker, parliamentarian; Franklin Springer, sentinel; Shelby Whitfield, second vice-president; Kenneth Carmichael, third vice-president; and Lee Ford, historian.

Officers met on Thursday, Sept. 13, and decided to sell popcorn at football games. They decided to meet on the third Monday of each month.

There are 56 boys enrolled in Agriculture this year.

## Helping Families Rebuild Is Red Cross' Main Flood Task

A Central Missouri homeowner shows a Red Cross disaster worker how Missouri River flood waters tore out walls inside her home. He and his wife managed to save only a few pieces of bedclothing. Throughout the Kansas, Missouri, Oklahoma and Illinois flood area 425 trained Red Cross disaster workers assisted by hundreds of chapter volunteers are engaged in the Red Cross' biggest part of its disaster job, helping more than 26,000 families back to normal restoring homes, furniture, livelihoods for those without means to help themselves. All help is given outright, not lent. Flood relief contributions to local Red Cross chapters will finance this help, now costing almost double the original \$5,000,000 Red Cross estimate. This help to individual families is not included in the \$25,000,000 authorized by Congress for restoration of public works, essential businesses, etc.

LFL ABNER (By Special Permission, Al Capp) THEM PORE L'L CHILDREN AT TH' KENNY INSTITUTE IS SUFFERIN' BAD WITH POLIO!! SHORE, POLIO IS TERRIBLE BUT TH' KENNY INSTITUTE TEACHES CHILDREN TO PLAY AN' EVEN HAS A SPESHUL SCHOOL TO TEACH 'EM READIN', WRITIN' AN' 'RITHMETIC!! THEY IS FINE PEOPLE 'CAUSE THEY HELPS EVERYONE AN' THEY DON'T ASK ABOUT RACE OR CREED!! PEOPLE WIF KIND HEARTS GIVES TO TH' KENNY FOUNDATION SO THEY-KIN PROVIDE TH' KENNY TREATMENT TO ALL POLIO SUFFERERS AT NO CHARGE!

UNUSUAL PLAY is recorded above in the third quarter of the Whiteface-Lobo game. Dement's attempted punt was blocked, but Demnt was able to recover the ball, run 10 yards and make a first down—eliminating necessity for the kick.—Photo by Kenneth Coker.

PHELAN, the rambling Levelland back, who dealt misery to the Hereford boys Friday night, is stopped short by two Whiteface players.—Photo by Kenneth Coker.

CAPACITY CROWD FACES BLUSTERING WEATHER

## Lobos Trounce Hereford 19-0

Levelland came to Hereford Friday night to give the Whiteface eleven their first trouncing of the season. The final score was 19-0. Blustering weather, along with the score, kept the crowd uncomfortable during the entire game. Attendance was near capacity, however, including a large delegation of Levelland fans. The crowd shivered at around 40-degree temperature, spotted with occasional raindrops.

Levelland took the lead early in the game and made their first tally only in a few minutes after the opening whistle. The Lobos again scored in the second quarter and made their final touchdown in the last period. As in the Muleshoe game, Hereford came back strong in the second half and played the Lobos to a near standstill, whereas things went pretty much for Levelland in the first two quarters.

**First Half**

Kelly kicked off and the ball came back to the 20-yard line. McCall made 7 yards and Phelan picked up 10 for a first down. Phelan made 7, McCall 2 and Sneed 3, advancing to the 37 yard

stripe. An end run by Phelan advanced to the 49. Sneed made two runs advancing to the 25. McCall, carried once, Sneed three times, putting the ball on the Hereford 12. Phelan plunged to the 2, then carried over for the first count of the game. The kick was blocked by Dement. Levelland kicked and Hereford took the ball on their 30. Dement made 1, a penalty cost 5; Graham to Franklin pass was incomplete.

Kelly made 4. Another penalty cost 5 and Dement kicked. Levelland took the ball on their 31. Sneed and McCall advanced it to the 45. Levelland crew a 15 yard penalty. Phelan carried twice to pick up 10 yards, then booted to the Hereford 25. Hereford fumbled, but Morton recovered and Hereford lost 1 yard.

Graham's pass to Dement was incomplete. Dement picked up 2 and Kelly was forced to kick. Levelland started play on Hereford 40. Sneed picked up 8, Phelan 10. Phelan made 5 and Sneed plowed through to put the ball on the 22. Phelan advanced to the Hereford 6. McCall picked up 5, but a penalty cost the Lobos 5, Phelan made 5 and McCall went

over for the touchdown. Sneed skireded left end for the extra point, bringing the score to 13-0. McCall's kick swerved and Hereford took the ball on the Hereford 22 after a 10 yard return by Dement. Graham's pass was incomplete. Morton made 2, Kelly 5 and Dement kicked. Play started on the Lobo 40 where the Whitefaces held for downs and Phelan kicked. Hereford took the ball on their 30. Morton made 9, Winget 7 advancing to the 46. Morton made 2, Dement lost 4—and the half ended: Levelland 13, Hereford 0.

**Second Half**

Hereford received and the ball went into play on their 30 yard line after Winget returned a neat 20 yards on the kickoff. Morton made 5, Dement 2, Winget lost 2; a penalty followed by a bad pass resulted in a fumble and Levelland took the ball on the Hereford 29. Sneed made 1, delay penalty cost the Lobos 5, Phelan made 4 and a 5-yard penalty advanced the ball to the Hereford 19. McCall was stopped in his tracks by London, Sneed made 7, McCall was snatched down by Corbett just short of a first down.

Hereford took the ball on downs on their own 12. Dement made 3, Morton 12, Dement 1, Winget 1, Winget 4, and the Whitefaces recovered. Morton's blocked punt on their own 38. Morton 4, Winget 4, Morton lost 2 and Dement booted. Levelland took the ball on their own 20. Sneed and Phelan went wild in a series of plays which advanced to the Whiteface 24. Here the Hereford boys held and two 15-yard penalties cost Levelland heavily. The ball went to Hereford on their own 20. Graham passes and the referee ruled against Levelland for interference putting the ball on the 42. Graham, Boyd and Self advanced to the Levelland 41. Winget and Morton carried for a first down. Hereford fumbled and recovered. Houck intercepted Graham's pass and Levelland took the ball on the Hereford 40. Phelan and Sneed advanced to the 24. Sneed went off right tackle for 24 yards and a touchdown. McCall's try for point was incomplete. Final score: Levelland 14, Hereford 0.

**JUST IN CASE SOMEONE SHOULD ASK HIM**

**BOOK REVIEW**

By CORINNE JENNINGS

Agnes Newton Keith, author of "Three Came Home", tells in her new book, "White Man Returns" of their return to North Borneo. Following the terrible experience that she, her husband and their son had during the Jap invasion and their imprisonment during occupation, it took a great deal of courage to return.

During her long imprisonment she had time to do a lot of thinking and it shows in her new book, a new maturity and development not found in previous stories. She writes with frankness, seriousness and combines both with a keen sense of humor. There is an individual philosophy developed throughout also.

Typical of the last she writes, "Five years earlier I had left Sandakan for prison camp, a captive in rags, starving and ill-treated under Japanese rule, a position to which my white skin entitled me then. Now I return; my skin still white, my position enviable, but any faith I may have had in the invincibility of color is dead. Color is certainly

important, to look at, but only for that. It is convenient but not sufficient, and credit for it is due to chromosomes; it is convenient to belong to the ruler race, but is it the ruling race? I can remember when it wasn't."

Two of those five years, in between, she and her son remained in Canada to recuperate in health following their stay in a Jap prison but her husband was asked to return before he had entirely recovered — and he went back to help restore the island of the Jap evacuation.

During the two years the son, George, grew and he looked forward to going back. But not the author, her memories were still too vivid and at the end of two years only to be with her husband she says gave her courage to return.

Once there the ghosts of the past still haunted her and she writes, "I don't believe in ghosts. But every day I see a tall, gaunt woman telling her husband goodbye, taking her baby and walking down the path alone, standing at the bottom of the path and looking back for the last time in the late afternoon sun at her home and earthly possessions,

**Corn Ensilage Creates Wide Interest For Stock-Farmers**

Corn production, important last year, drew wide interest this year with around 3,000 acres planted on irrigated land in the Hereford area. In addition to the regular cash crop, more ensilage than ever before has been stored in this vicinity.

Top picture shows a cutter at work on the Wayne Evans place, just west of town on Harrison Highway. The lower photo shows a new wrinkle of plastered walls used on the Evans trench silo.

The Evans yield, comparable with numerous others, produced around 20 tons of ensilage to the acre on a 22-acre tract. Since Evans produced more ensilage than he needed, he sold part of it to Roger Brumley at \$10 per ton, running a gross of \$200 per acre on the yield. Brumley uses concrete troughs on his ranch and says he finds it profitable to feed ensilage. Other extensive ensilage feeders of the area are J. A. Pitman, Homer Brumley, Roger Brumley, Sharp and Edwards, Albert Edwards, Willard Scarth and Chas. Hoover.

Evans got his idea of plastering the walls of the silo from T. E. Baldrige, who operates similar silos at Portales. Experience has a saving in wall cave-ins and cleaning, putting the silo on a more permanent basis.

**Advanced Scouts Announce Change In General Plan**

Boy Scout Troop 51 completed the re-organization at their regular meeting last Thursday, according to Wendell Burdine, Scoutmaster.

The meeting was preceded by a planning meeting Wednesday evening which was attended by members of the Troop Committee, Troop Leaders, and Junior Leaders. Members of the Troop Committee present for the session were Delma Sigle, Tap Loerwald, and Bill Howard. Bob Wilson, Institutional Representative of the Lions Club on the District Committ and Bill Phillips, Explorer Leader, were also present in addition to Scoutmaster Burdine, Assistant Scoutmaster Harold Loerwald and members of the Junior Council, including Tom Woodford, Billy Woodford, Donald Sigle, Lynn Bybee, and Bobby Veigel.

At the Thursday meeting it was announced that four Explorers who had graduated from the Troop would return to assist with

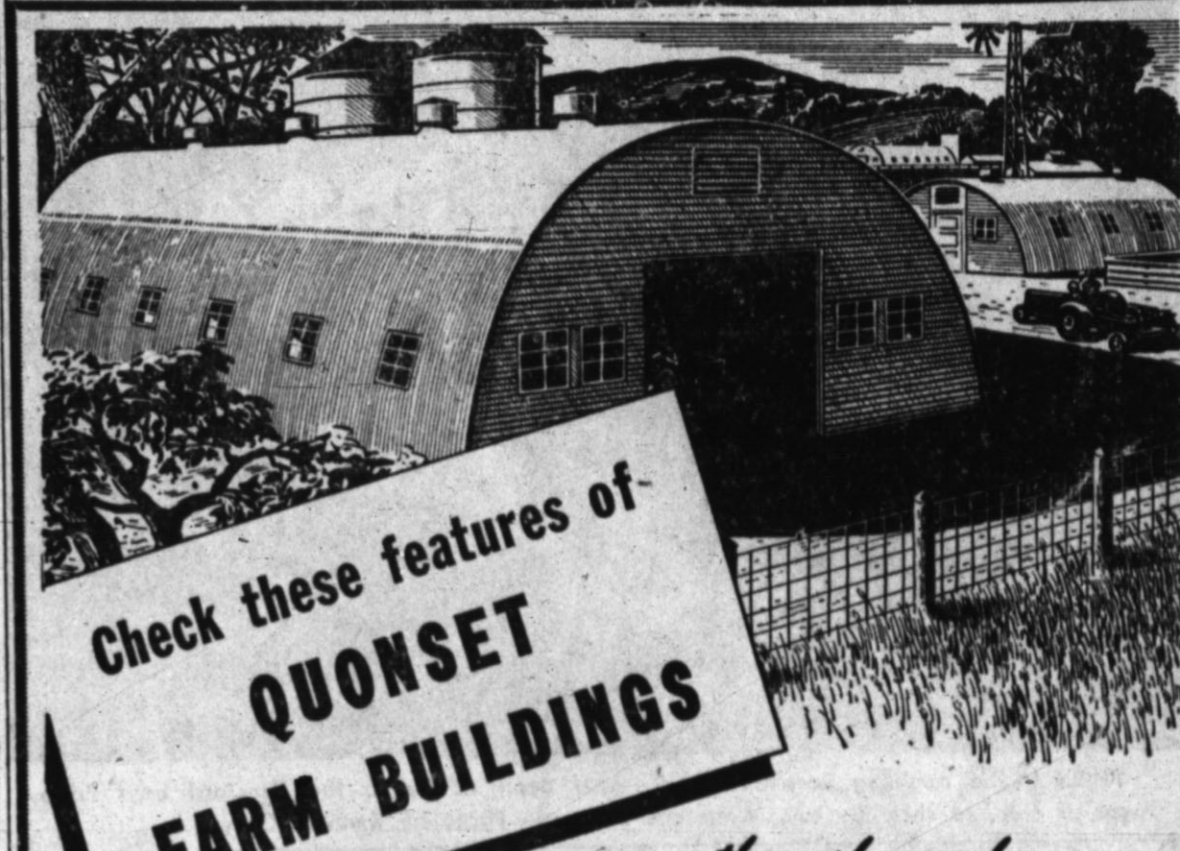

the program. Tom Woodford, now an Eagle Scout, will be Junior Assistant Scoutmaster and will be in charge of the instruction and demonstrations. He will be assisted by Lynn Bybee who will also assist with the games and activities. Lee Drake will serve as Quartermaster and have charge of games and activities. Buddy Godfrey will be the Senior Patrol Leader. Members of the Troop who hold offices are Billy Woodford, Scribe; Bobby Veigel, Donald Sigle, and Robert Davis as Patrol Leaders; Sammy Lesly, Bill Drake, and Edward Vought as Assistant Patrol Leaders.

a Troop Board of Review would be held September 27 and Court of Honor on October 4.

Troop 51 is sponsored by the Hereford Junior Chamber of Commerce. It was organized in March 1950 and is starting its second full year of operation.

Mrs. J. M. Brownlow, Mr. and Mrs. Buck Brownlow and son, Mr. and Mrs. Larry Wilson, Mr. and Mrs. Raymond Holt and daughter, Mr. and Mrs. Reynolds Sanders, Mr. and Mrs. Pat Cook, Mrs. Randolph McNeese and Emma Lee, Charles Ray and C. L. Loyd visited in the home of Mr. and Mrs. A. M. Carmack last Monday.

Check these features of **QUONSET FARM BUILDINGS**

they show why Quonsets give you more value

**LOW COST**—Efficient designing and factory production methods make these steel Quonsets low in cost as well as low in maintenance.

**FIRE SAFETY**—Framed with Stran-Steel and covered with steel, the Quonsets provide a maximum degree of fire-safety... safeguard profits and property.

**FREEDOM FROM SAG, WARP, ROT**—Sturdy, durable Stran-Steel arch-rib construction is proof against wind, weather and deterioration. It saves you upkeep money every year.

**SIMPLE, SPEEDY ERECTION**—Stran-Steel construction is the simplest, easiest ever developed, because you nail the steel covering directly to the Stran-Steel framing members. The patented nailing groove clinches the nail in a grip of steel, securely, permanently.

**ADAPTABILITY**—The simplicity of the Stran-Steel framing system permits variations in length and in the arrangement of windows and doors. Easy to extend building to any length if required. Clear-span interior makes building adaptable to almost any use.

**LIGHTNING SAFETY**—Quonsets feature lightning-safety as an inherent characteristic.

**UNIFORM QUALITY**—Because these Quonset buildings are framed with Stran-Steel and covered with steel, there is no variation in quality or sectional strength... no dependence on factors of "growth," "seasoning," "greenness."

Let's talk over your farm building needs NOW. Drop in today and find out how a Quonset can be fitted to your requirements.

Quonset buildings and Stran-Steel framing are products of Great Lakes Steel Corporation, a unit of National Steel Corporation

**YOUR GRAIN MEANS**

**MONEY IN THE BANK!**

Assure '51 profits by taking full advantage of government support programs—Store grain on your farm in a QUONSET.

● All steel Quonsets meet all C. C. C. requirements for grain storage facilities.

You get a fire-resistant, wind-resistant, all purpose building that is ideal for equipment storage, animal shelter and general storage.

Financing available through your local bank or Commodity Credit Corporation.

## Music Study Club Activities Open At Dinner Program

Season's activities for the Music Study Club began Monday evening at a dinner honoring new members, at Mrs. Rex Tynes tea room. Included were members, guest members, associate and patron members and honorary members.

Following the dinner Mrs. J. D. Neill presided over an entertaining program which included a fashion show with Wilma Ruth Shirley and Marian Jo Wilson modeling some of the newest winter styles.

Mrs. J. M. Brush of Phillips, seventh district, president, Texas Federation of Music Clubs, was guest speaker. She told of music interests of the Seventh District and outlined plans for the Seventh District convention which will be held in Hereford October 16 and 17.

New yearbooks were distributed

by Mrs. A. J. Schroeter, chairman, Mrs. Mary Carter and Mrs. C. W. Parker, assistants.

Dedicated to Mrs. G. A. F. Parker, first president of the club, yearbooks contain outlines for a course of study on "Our American Music" including "The Book of Modern Composers" and "Folk Song U. S. A."

Those attending were Mesdames; S. F. Cain, H. A. Close, Ellis Coombes, B. Y. Crosthwait, Cliff Estes, C. C. Ferguson, Jeff Gilbreath, J. C. McCracken, George McLean, C. J. Mountz, J. D. Neill, C. W. Parker, Earl Phillips, T. W. Roberson, A. J. Schroeter, Glenn Snyder, W. J. Stanford, Wayne Thomas, A. O. Thompson, C. C. Acker, Mary Carter, J. R. Allison, C. H. Dyer, J. H. Hinds, C. R. Smith and Misses Frances Dameron and Mattie Mae Swisher.

## Les Meres Study Club Open Program Series For Season

Year books have been completed for the 1951-52 season and programs have been begun by Les Meres Study Club. The first study program of the year was held in the home of Mrs. Monroe Parker Monday night with Mrs. C. B. Hudson as co-hostess.

After roll call which deals with miscellaneous subjects, Mrs. Byron Durham gave the evening's program. She spoke on the Pre-School Child, explaining what to teach and what not to teach to the six-year-old whose birth date occurs too late to permit him to attend school. Advocating that all knowledge gained by the pre-school age child is of advantage to him, Mrs. Durham recommended teaching children to recognize numbers and any amount of memory work, but advised against teaching the child to read.

A social hour was enjoyed after the program when refreshments were served. Special guests were Mrs. I. E. Pendleton, Mrs. Gerald Gollehon, Mrs. T. E. Brisendine and Mrs. Scott Kirkpatrick.

Members present were Mesdames; L. R. Boyer, Joe Davenport, Dick Gholson, Howard Gore, Spicer Gripp, C. B. Hudson, Robert Lemons, H. M. Meacham, Eugene Noel, W. N. Reiger, Elvin Wilson, R. N. Yarbrow and the hostess.

### Rainbow Girls Make Plans To Install Officers

Plans were completed for formal installation of new officers at the meeting of the Hereford Assembly of the Order of Rainbow for Girls held Monday evening at the Masonic Hall.

The new officers will be installed on Monday night September 24 in ceremonial rites held in the Masonic Hall.

Monday nights program dealt with practice initiation services with new officers in charge of the meeting.

Approximately 50 girls and their sponsors attended. Refreshments were served during the social hour.

### Cynthia Seed Is Party Honoree

Cynthia Seed was honored on her sixth birthday when her mother, Mrs. Charles W. Seed, invited little friends to share in a lawn party to celebrate the event Sunday afternoon.

Attending birthday party were: Royce Ann Gilliland, Ruth Ann Allison, Carol Hays, Ann Kirby, Jane Minton, the honoree, Pamela Clay, Gloria Covington, Carolyn Brumley, Sande Winkler and Marilyn Jackson.

## Bobby Jane Sisk Will Wed Jack Reynolds On Sept. 30

Mrs. Loraine Sisk is announcing the engagement and approaching marriage of her daughter, Bobbie Jane, to Jack Reynolds, son of Mr. and Mrs. E. J. Reynolds.

The wedding will take place on Sunday, Sept. 30, with the Reverend R. H. Cagle as the officiant.

Both Miss Sisk and Mr. Reynolds are graduates of Hereford High School. She attended West Texas State College, Canyon, and has recently been employed in the local REA offices.

Mr. Reynolds is employed in Pampa where the couple will make their home following their marriage.

## SOCIETY Miller Family Re - Union

Children, grandchildren and great-grandchildren of Mrs. Lucy Miller of Fort Worth held a family get-together in the home of Mr. and Mrs. Martin Campbell Sunday. All the children except one, Norman Miller of Dawn, who was ill, attended the reunion. Mrs. Martin is the granddaughter of Mrs. Miller; Mrs. Buck Anderson, another granddaughter, was cohostess.

Shown in the picture reading left to right-back row: Miss Estelle Miller, Fort Worth; Raymond Miller and son Larry of Amarillo; Mrs. Inez Wedel, Tucumcari, N. M.; Mrs. Raymond Miller, Mrs. H. E. Miller with the honor guest seated in front of her, H. E. Miller, Mrs. Martin Campbell, Martin Campbell.

Second row—M. H. Miller, Dawn, Mrs. H. H. Miller, Jody Miller, Robert Miller, Eugene Campbell, Buck Anderson, Mrs. Anderson, Lloyd Bentley, Dawn, Mrs. Jed Miller, Jed Miller, Mrs. Gordon Miller, Gordon Miller, Jackie Campbell, Mrs. Herbert Dones and Mr. Dones.

Children in front—John David Miller, Jennifer Kay Miller, Audni Miller, Sandra Campbell, Bonnie Jean Miller, Donnie Campbell and Wayne Miller.

Visits have been made by the out-of-town guests while here, to Elida N. M., Boulder Colo., Texline, Dawn and Amarillo.

Hereford, Texas, Sunday, September 23, 1951 Section Two

## Personals

Mr. and Mrs. J. B. Brown and Paula have returned from Bridgeport and Decatur where they visited relatives. They also transacted business in Denton while away.

Mr. and Mrs. Jack Wilkins have returned from Denton where they accompanied their son Jim, and Rayburn Strange who have enrolled at N.T.S.C.

Mr. and Mrs. J. R. Johnson and Penny, accompanied by Mrs. Scapp Johnson and Mrs. Seagle Stephens, spent the weekend in Lubbock visiting with relatives.

Mrs. Forrest Minton, Mrs. Ed Warren and Mrs. Little of Littlefield, have gone to Dallas where they will transact business and visit with friends and relatives.

Mrs. A. L. Manjeot was guest speaker for the Mator Garden Club at a meeting held in Mator Monday. Her subject was "The Gladiolus and its Culture". She was accompanied by Mrs. Edna Lee Collier.

Nan Buckner left the past week for Denton where she is enrolled at North Texas State Teachers College. She is the daughter of Mr. and Mrs. J. J. Buckner.

Mrs. C. C. Nolen and baby of Colorado Springs, Colo. is visiting her parents Mayor and Mrs. W. E. Dameron. Mr. Nolen went from here to Austin to look after business interests and to visit with his mother for a few days.

**Pioneer Club**  
The Pioneer Study Club will meet in the home of Mrs. B. E. Roberson Tuesday afternoon September 25, instead of the place listed in the year books.

Mrs. R. H. Cagle has returned from Abilene where she accompanied her daughter Nancy, who is attending Hardin-Simmons University.

**Club Speaker**  
Mrs. Homer Brumley was guest speaker for the Modern Study Club in Friona Tuesday. Mrs. Brumley spoke on landscaping. Mrs. A. L. Manjeot accompanied her to Friona.

Lt. and Mrs. George L. Mager of Lubbock spent the past weekend in Hereford with her parents, Mr. and Mrs. Homer Henslee.

Mrs. George Cloyd of Canadian has been visiting her daughter, Mrs. Elsie Coconougher, and other relatives here.

Mrs. Travis Dameron of Amarillo, former Hereford resident, spent a day in Hereford last week visiting with friends and relatives. Mrs. Dameron and Mrs. Ray Barber, another former resident of Hereford, left Amarillo Tuesday for Franklin, La. for Mrs. Dameron's mother, Mrs. A. A. Lobdell, who will return to Amarillo with them. Mrs. Lobdell is well known in Hereford, having visited often in the home of her daughter here.

**Attend Funerals**  
Mr. and Mrs. Frank Terrell went to Lorenzo Tuesday to attend funeral rites held there for Reubel Bowman, pioneer resident of Crosby County, and a relative of Mr. Terrell.

Mrs. Norman Whisenand left Wednesday for Santa Barbara, Calif. to join Mr. Whisenand where they will make their future home.

**Attend Funeral**  
Among those from Hereford attending funeral services held Wednesday in Dimmitt for Gano Hastings who was found dead in his home Monday, were his sister, Mrs. Jack Wright, Mr. Wright and daughter, Jackie, an uncle, Henry Hastings and Mrs. Hastings, Mrs. J. T. Gilbreath Jr., Mrs. Chas. Hill, E. S. Lreland, Will S. Kerr, Bryan McDonald, Mrs. Clay Ridgway, Mrs. Walter London, and Mrs. Oscar Williams.

Mr. and Mrs. Bill Dameron have returned from a recent trip to Fort Worth and Dallas. In Fort Worth they visited with her parents, Col. and Mrs. Carl Wallace, and other relatives.

Mr. and Mrs. James P. Jones and Cynthia returned from San Francisco last week. J. P. left Monday for San Diego for overseas duty. Mrs. Jones will visit her mother, Mrs. Bessie Smith.

Adrain K. Webster was in Hereford this week on business.

Mr. and Mrs. Archie Dougherty, Mrs. Howard Higgins, Mrs. Luke McBryer, Mr. and Mrs. Clyde Russell and Mr. and Mrs. Jim Ricketts were in Clovis Tuesday to be with Mrs. Ira Ricketts who underwent surgery. At the latest report she was improving.

Guests in the home of Mr. and Mrs. Frank Terrell this week are her brother, Ross Fuller and Mrs. Fuller of Brownwood.

Robert Thompson made a trip to Guyton, Okla. and Gruver, Tex. this past week.

## Wayne Thomas Is L'Allegro Club Speaker Thurs.

Attorney Wayne Thomas was guest speaker at the L'Allegro Club meeting held Thursday afternoon in the country home of Mrs. Walter London Jr. Mrs. Thomas was a special guest of the club.

Subject for the day was "Laws of the Land" and Mr. Thomas centered his theme of discussion to laws pertaining to the status of married women in Texas. He said in part; "Married women and children and incompetents are thoroughly protected by Texas laws, but laws for women have not advanced with the status of women." He urged the club members to do all they could to advance any action that would modernize these laws.

Mrs. Floyd Ross, president, presided over a business session when members decided to sponsor the selling of tickets on an International Harvester Home Freezer with the proceeds going to their project for the year "Girltown of U. S. A." Tickets will be placed in various stores for sale September 29.

Members attending were Mesdames; Bruce Beene, Darrell Blanton, Jack Brown, Bill Dameron, James Edmonson, Donald Henslee, Hilton Higgins, O. G. Hill Jr., Francis Hill, V. C. Hopson, Richard Ireland, Lee Kent, Marlin Pierce, Dick Lucas, George McLean, Floyd Ross, Bill Waldrep, Richard Winget and the hostess.

## Husbands Guests Of Kappa Iota

Texas Kappa Iota Chapter, Beta Sigma Phi Sorority held its first social meeting of the year with husbands as honor guests. The affair was in the form of an al fresco picnic Tuesday night at the home of Mr. and Mrs. Norman Moore. Regular meetings of the club are held twice each month.

Those attending were Messrs and Mesdames; Ben Malone, Charles Laing, George Jones, Ernest Wade, Orville Amrey, Tom McFarland, T. E. Prickett, Dr. and Mrs. John Channer, Mrs. Norman Whisenand, Mrs. Eddie Johnson and the hosts, Mrs. John Schneider, a new pledge, was a special guest.

## Bay View Club Opens 51-52 Season At Luncheon Thurs.

Members, associate members, honorary members and guests were entertained at the initial session of the Bay View Club for the 1951-52 season, which was in the form of a one o'clock luncheon in Mrs. Rex Tynes tea room Thursday.

Asters in fall's lovely shades decorated tables and formed corsage favors for each guest.

Following the luncheon Mrs. A. M. Jones, president, welcomed the old members and guests and greeted the new members, Mrs. C. J. Crump and Mrs. H. C. Williams.

In welcoming the new members Mrs. Jones said; "Good club work stands for study, sociability and service. Good club members belong to each other in loyalty and cooperation as well as to the club."

Mrs. E. W. Harrison, representing the year book committee, presented new year books and scanned the outlines for the members.

Members attending the meeting were Mesdames; D. H. Alexander, J. R. Allison, Phillip Barkley, H. L. Benefield, Colby Conk-

## Dawn Study Club Meeting Tuesday

The Dawn Study club met Tuesday in the home of Mrs. Floyd Walton.

Mrs. C. W. Parker sang three numbers preceding a book review by Mrs. David Rodgers.

Members attending the meeting were: Mrs. H. H. Miller, Mrs. A. Smith, Mrs. A. Frye, Mrs. Melving May, Mrs. Baker Womble, Mrs. Zed Stewart, Mrs. Alfred May, Mrs. Clarence Betzen, Mrs. Gayle Neal, Mrs. David Rodgers, Mrs. Floyd Walton, and Mrs. H. V. McCabe.

## MRS. N. E. GASS

## Economical Chicken Recipes Afford Delicious Variations

Two recipes for meats are presented today, prompted by three considerations of current interest to many women—cost, convenience and seasonal appeal. Meat is expensive and hard to get while chicken is the least expensive on the market. It is available in all the markets, either fresh or frozen, and its may delicious guises are tempting and seasonal.

Chicken adds its favor not only to farm house fashion to dumplings and dressing, but also to many other traditional methods of preparation.

Mrs. N. E. Gass has an unusual collection of cook books and consequently some unusual recipes. For several years whenever she would see a new cook book she would buy it, and one that she uses most often was found in Mineral Wells compiled by the best cooks in that city. Two of her favorite recipes in the book are Chicken Spaghetti, which is really different, and a meat loaf. Here they are:

**Chicken Spaghetti**  
Cut up and stew one large hen. Add an onion, lots of celery and allow to boil slowly until tender. When nearly done add a clove of garlic. Remove garlic when done and thicken remaining liquid, and add 2 cans of mushroom caps.

**Sauce—**  
1 large can tomatoes  
1 large hunk of butter  
1 onion cut fine  
1 tablespoon chili powder  
salt and pepper to taste

**Meat Loaf**  
½ pound veal  
1 pound round steak  
½ pound ham—all ground together  
1 cup bread crumbs  
1 cup sweet milk  
1 teaspoon salt and pepper  
3 tablespoons vinegar

Mix all ingredients and form into a loaf. Place in pan and dot with bits of butter and flour. Cook in moderate oven for 1 hour and when cold garnish with pimientos and hard boiled eggs.

## Truman Program At LaPlata Club Meeting Tuesday

LaPlata Study Club met in the home of Mrs. Harry Bennett Tuesday evening with the new president, Mrs. Morris Thomson, presiding. After a short business session a program was presented by Mrs. Elmer Patterson.

Following outlines in new yearbooks based on the course of study for the year "International Personalities", Mrs. Patterson gave a review of the life of Harry S. Truman, president of the United States. She told of his life as a boy in Missouri and of his interests and hobbies, mentioning his entrance in the political affairs of the nation and his election to the vice-presidency and later as president. She also explained some of Mr. Truman's policies and attitudes that have been misunderstood and interpreted in the wrong light.

Members attending the meeting were Mesdames; Leroy Aven, Milton Adams, N. D. Bartlett Jr., Les Combs, Dalton Criswell, Emil Dettman, S. S. Dodson, Cecil Guseman, J. R. Johnson, Lynn Kester, Palmer Norton, Elmer Patterson, A. J. Schroeter, Chas. Spurlock, Urlin Streu, Morris Thomson, Ray Downey and the hostess.

## B&PW Club Hears Talks

Business and Professional Women's Club members held a regular meeting in the home of Mrs. Zula Gilliam Monday evening. Three new members were welcomed. They were Irma Walker, Faye Campbell and Doris Lindsey.

Program for the evening was presented by three Toastmasters Club members including Bill Patton who spoke on liability insurance, Dr. R. E. Lingenfelter who talked on politics and Ben Childers who told of Rotary and the United Nations.

Members present were; Pauline Howard, Eunice Petersen, Opal Garrison, Leta Curtisger, Cecil Williams, Dyalitha Brady, Lucile Posey, Brucile Rose, Ellen Carter, Velma Hodges, Louella Cowsett, Jewel Malone, Corinne Jennings, Theresa Lamm, Ursalee Jacobsen, the new members and the hostess.

## Mrs. P. L. Dishman Is Club Hostess

Mrs. P. L. Dishman was hostess for the L. A. E. Club meeting held in her home Tuesday afternoon. Mrs. Boyd Knox, vice-president, presided over the business session.

Mrs. George Suggs was leader of the program on "Education" and gave a definition of education in its broader meaning to introduce her program. She reviewed an article written by Dorothy Thompson on "Defense and the Public School". Quoting she said "There is one interest and one social service that involves every family—the education of the youth in our land. No matter how strong in defense we are, unless we educate the youth of the nation we will still fall short."

Mrs. Altus Higgins reviewed "How Good Is Your School", by Dr. Yanch, a series of articles which have appeared in newspapers recently.

Members present were Mesdames; George Benson, Altus Higgins, C. E. Beauford, Boyd Knox, Jim Loving, Luther Lesley, B. A. Riddell, T. W. Roberson, Gordon Newsom, Sandford Smith, George Suggs and the hostess.

MISS BOBBIE JANE SISK

### Hot Dog Party For Cub Group

Members of Den 4, Pack 50 cub scouts enjoyed a movie and hot dog supper Monday evening at the home of assistant den mother, Mrs. Edgar Skpola. Those attending were: Harold Mencham, Eddie Skypola, Jerry Mitchell, Gregory Combs, Skeet Collier and Pete Plank. Wood and paint handicrafts will be the feature of the meeting to be held September 24 in the home of Mrs. Edna Lee Collier. Each Cub has been requested to bring a prospective member who lives in the neighborhood of Shirley school.

### Shower For Newlyweds

Mr. and Mrs. H. D. Tarlton, newlyweds, were honored at a surprise shower given at their home Thursday evening. Members of the West Hereford Home Demonstration Club sponsored the party. Attending the gift affair were Mr. and Mrs. E. M. Cox, Mrs. John Jacobsen Sr., Chris Jacobsen, Mr. and Mrs. Jack Flowers,

### Class Is Entertained

Bethany class of the First Baptist Church was entertained in the home of Mrs. John Draper Thursday afternoon with Mrs. Otto Massie and Mrs. O. G. Smith as cohostesses. Mrs. John Patton, president, presided and conducted the devotional lesson. Roll call was answered by members telling how long they had resided in Hereford. Officers for the coming year include: Mrs. John Patton, president; Mrs. R. T. Adams, secretary; Mrs. Walter Easter, reporter; Mrs. Willie Daniel, membership vice-president; Mrs. Otto Massie, fellowship; Mrs. Jeff Gilbreath, class ministrant and Mrs. Myrtle Nickell, stewardship.

Refreshments were served to Mesdames: A. O. Thompson, Allen Powelson, W. T. Roberson, J. T. Richardson, Henry Melton, John Patton, E. B. Moseley, J. V. Pickens, R. E. Caddell, Carl Mountz, Walter Easter, Bess Gill, Vivian Major, Vernon Duke and the hostesses.

Mrs. Howard Gore and children, Mr. and Mrs. Carlos Vaughn, Miss Nettie Lee Green, Mr. and Mrs. Ulys Pierce and Shirley, Mrs. Ida Vaughn and the honorees.

The La Mujer Viahar Horizon club entertained with a party at the Camp Fire hut Tuesday evening. Those attending were: Barbara Sue Rodgers, Earleen Plank, Joan Yancey, Georgia Lewis, Bonnie Lewis, Colleen Cooke, Rita Vinton, Marcella Bezner, Dorothy Hund, Sylvia McCracken, Donnie Johnson, Sandra Wright, Clea Betzen, Evelyn Wilf, Virginia Brock, Martha Jean Brown, Roger Shipley, Joe Bill Wills, John Benson, Jackie Burris, Randy Thomas, Billy Ray Evans, Dale Hines, Franklin Springer, Kenneth West, Johnny Fields, Tunny Wilson, David Walker, Pat Newell, Robert Hicks, Richard Clark and the sponsors, Mr. and Mrs. Earl Plank.

### North Hereford H. D. Club Meets

North Hereford Home Demonstration club met Thursday afternoon with Mrs. R. E. Barrett, Mrs. Tom Draper, CHDA, explained the course in wool sewing and showed materials used in making suits. Mrs. Bob McQuigg was appointed to take the course and then teach it to members of the club.

Mrs. Fred Salzman reported for the Foreign Relations Committee and gave addresses. Mrs. R. A. Fullwood reviewed an article "The Miracle Machine". The next meeting will be a covered dish luncheon in the home of Mrs. Paul Hoff on October 4.

Members present were Mesdames: Frank Brinkman, Frank Wilde, Bob McQuigg, Harold Pettyjohn, Lloyd Neal, M. H. Koelzer, Fred Barrett, R. H. King, Fred Salzman, R. A. Fullwood, Tom Draper, Paul Hoff, Otto Olson, C. W. Whitehead, W. H. Russell and the hostess, Mrs. Charles Owen and Miss Bea Barrett were guests.

Mrs. Edwin Goodall of Gatesville has been visiting in the home of her uncle and aunt, Mr. and Mrs. Ray Conaway for the past week.

### Dawn Musettes Hold Session

The Dawn Musettes met Monday afternoon in the first session of the club season in the school auditorium. Ginger Smith, president, presided over the meeting. Other officers include: Bobby Miller, vice-president; Wanda Sue Wimberley, secretary and Linda Carathers, treasurer. Special numbers on the program included: "The Kwazy Wabbit" and "Old Folks At Home" by Linda Carathers, "Music Land," Dorothy Stewart; piano and vocal selections by Mary Payne. Wanda Sue Wimberley was the accompanist. Group singing completed the program.

Guests were Mrs. Cecil Payne and Billie Dean Payne.

Members present were: Gail Miller, Bobbie Jean Payne, Lucybeth Miller, Walteen Beavers, Dorotha Stewart, Linda Carathers, Ted Wimberley, Mary Payne, Johnnie Carathers, Phyllis Ann Wimberley, Jeannette Smith, Sara Jo Smith, Ginger Smith, Mrs. J. M. Carathers and Mrs. Carl Wimberley.

### Bippus HD Club Holds Meeting

BIPPUS — The Bippus and Messenger home demonstration club members met at the Walcott school to hear talks by the home demonstration delegates that attended the annual meeting at College Station.

Mrs. R. N. Cooke from the Cultural club gave a talk on the 4-H club and the need for sponsors for the clubs. She also read the speech of the guest speaker at the College Station meeting. Mrs. Herbert Hoover from the Bippus club gave a talk on marketing and education. She also told about the pageant on the 25 years of progress made by home demonstration clubs. Refreshments were served to Mesdames: Frank Wilde, R. N. Cooke, N. A. Brown, S. N. Thwait, Frank Rickels, Roy Pruitt, Labby Ballard, J. V. Perrin, C. F. Homfield, J. G. Fortenberry, Herbert Hoover and Christine Fortenberry.

### Jolly Teens Hold Meeting Thurs.

Yearbooks were handed out at the meeting of the Jolly Teens Horizon club Thursday afternoon. Programs for three months were included in the book.

The next meeting will be a covered dish supper at the Camp Fire hut. Following the supper at 7 p.m. the group will exchange favorite recipes.

Program for the afternoon was "How To Be an Expert Driver". Members present were: Edna Bishop, Janice Craig, Nancy Patterson, Margaret Phillips, Cecelia Wilkins, Marian Wilson, Gracie Fotheringham and Nellie Jo Simpson.

### South Hereford H. D. Club Meets

South Hereford Home Demonstration Club resumed regular meetings after a summer vacation in the home of Mrs. J. P. Slaton Tuesday afternoon.

Mrs. Tom Draper, CHDA, discussed plans for the "Dress Revue" which is scheduled for October 6, in Jim Hill Hotel. She also gave full instructions on the new study course in wool sewing which will be completed by Thanksgiving. Other programs were discussed and planned. Mrs. Frank Miller will have charge of the program for the October 16 meeting.

Mrs. W. H. Goettsch, Miss Evelyn Bell and Mrs. J. P. Slaton were named to a nominating committee for new officers.

Members present were Mesdames: W. H. Hacker, Orin Russell, W. H. Goettsch, Tom Draper, John Draper, Clarence Holabaugh, Roland Matthews and the hostess.

### Methodist Young People's Party

The junior department of the Methodist church held a party Monday night to honor the members of the class who are to be promoted to the intermediate department.

Those attending were: Rondell Davidson, Larry Edward, Jimmy Patton, Charles Robert Seed, Jeff

### Win One Class Elects Officers

Win One Class of the First Methodist Church elected new officers at the regular business and social meeting held in Ward Hall Tuesday afternoon.

Those elected were Mrs. J. F. Ward, teacher; Mrs. D. W. Hawkins, assistant teacher; Mrs. J. E. Byer, president; Mrs. E. W. Harrison, vice-president; Mrs. C. M. Hicks, secretary; Mrs. Wm. McGehee, social secretary; Mrs. Pearl Bergen, treasurer; Mrs. Fred Millard, reporter; Mrs. C. F. Davis, absentees; Mrs. E. W. Harrison and Mrs. C. C. Bowman, song leaders; Mrs. D. H. Bryant and Mrs. C. C. Bowman, devotional leaders; Mrs. H. M. Benefield, home department; Mrs. Wm. McGehee and Mrs. E. W. Solomon, flowers; Mrs. I. H. Spratt, pianist; Mrs. C. B. Williams and Mrs. A. C. Thompson, cheer.

### Progressive Club Hears Heart Talk

Mrs. Earl Springer was guest speaker at the meeting of the Progressive home demonstration club on Tuesday. Her talk was on heart disease.

Mrs. Buttrel was welcomed as a new member and Mrs. Bert Coffin led a 10-minute recreation period.

The next meeting will be held with Mrs. P. L. Carmichael when the group will tour homes.

Members present were: Mesdames C. C. Billingslea, M. T. Sparkman, Leon Coffin, Calvin Edwards, U. E. Dodson, Bert Coffin, Buttrel, D. Y. Edwards, Augustine Gregory and hostess.

Minton, Janice Jacobs, Inez Brown, Jane Newsom, Rosemary Moore, Jackie Brown, Lynell Best, Janie Bookout, Carol Ann Newell, Lila Gay Bell, Ted Moore, Linda Lee West, Pete Plank, Denice Barnard, Martha Bookout, David Brumley, Ivan Bishop, Carol Willoughby, Don Willoughby, Buddy Tom Sparks, Ben Yeats, David Neil Bell, Marilyn Sigle, Joan Fowlkes, Clelan Meharg, Mrs. Gloyd Ross, Mrs. Dick Barnard, Mrs. Gaylord Newell and Mrs. Earl Plank.

### Tanda Camp Fire Elects Officers

Officers were elected at the recent meeting of the Tanda Camp Fire group.

Chosen to serve the club were: president, Dorothy Williams, vice president, Joan Fowlkes, secretary, Wilda Sue Channer, reporter Gladys Lee. Gladys Lee, Linda West and Donna Woodell were selected to plan the program for the next meeting.

Members present were: Shirley Schulte, Gladys Lee, Dorothy Williams, Linda West, Donna Woodell, Ella Marie Williams, Martha Bookout, Wilensia Witherspoon, Denice Barnard, Barbara Wright, Carlyn Knox, Willa Sue Channer, Joan Fowlkes, Lovilla Finley, Betty Kropff, Peggy Bumpass and Phyllis Goetch.

### McDuff-Counterman Wedding Announced

Announcement has been made of the marriage of Miss Ella Jean McDuff to Edwin Counterman, son of Mr. and Mrs. M. E. Counterman of Happy. The bride's parents are Mr. and Mrs. J. H. McDuff of this city.

The marriage service was performed in the parsonage of the First Baptist Church of Happy on

August 16, with the pastor, Rev. A. L. Shaw, officiating. Only members of the two families attended the ceremony.

The bride was dressed in a navy dress with white trimming and white accessories.

The couple is now at home at 410 E. 21st. St. Amarillo where he is employed by the city of Amarillo.

# Beauty at Home

By Lynn Carter

**Q. Will you please give me some good suggestions for rouging?**  
**A.** Start rouging at the point of the cheekbone, and blend delicately out along the bony structure, slightly up and then down toward the ear. Never carry rouge onto the temples. Keep off-center; in other words, avoid that approximately triangular portion of the face bounded by the cheekbones and the mouth.  
**Q. What can I do about hair that has become streaky and tangled from over-dyeing?**  
**A.** An egg shampoo should solve this problem.  
**Q. How can I remedy elbows that are horny and rough?**  
**A.** Use cuticle-remover preparation to remove that dead, calloused skin. Moisten the elbow skin with this, and when dry, wash with warm water and soap. Then rub with a turkish towel. Repeat daily.  
**Q. What can I do to make my eyelashes curl?**  
**A.** Keep them lubricated with a lash cream or oil. Brush them each day with a tiny lash brush, procurable at any drugstore. This encourages curling.  
**Q. What is a recommended manner for making up the mature face?**  
**A.** Be sure to blend the rouge from the nose around under the eyes, and outward toward the temples. Never place the rouge below the corners of the mouth.

and be sure to keep the color high on the face.  
**Q. How can I make my powder stay on my face longer?**  
**A.** After first pressing the powder on with a puff and wiping off all excess either with a brush or tissues, take a little cold water in the palm of each hand and pat on your face. This dash of cold water sets the powder perfectly.  
**Q. What astringent is good for the oily type of skin?**  
**A.** Buttermilk, which also acts as a slight bleach, without the drying effects of most bleaching formulas.  
**Q. What is a good facial mask for the older type of skin?**  
**A.** Mix two heaping tablespoons of Kaolin (found at drugstore) with witch hazel to form a paste the consistency of whipped cream. Apply rapidly over the face before it starts to dry. Leave on until thoroughly dried. Wash off with warm water and place soft cloths dipped and wrung out of chilled face tonic over your face. Leave on for 10 minutes.  
**Q. My suntan is beginning to fade now, and I'm bothered with those bits of dry skin flaking off. What can I do to combat this?**  
**A.** Try massaging the skin with a mixture of cold cream and table salt, blended until it's of paste consistency. An oil massage following will soften the skin.

## Class Officers Are Installed

Mary Elizabeth Class of the First Baptist Church held its business and social meeting for the month in the home of Mrs. Louis Olson Thursday night. Mrs. Grady Parsons was cohostess. Mrs. Roy Calvert, president, presided and gave the devotional lesson on "Love" using scripture readings for emphasis and concluding with the poem "The Starless Crown".

Roll call was answered by members, telling of inspirations in Christian work. Mrs. O. G. Hill gave the prayer.

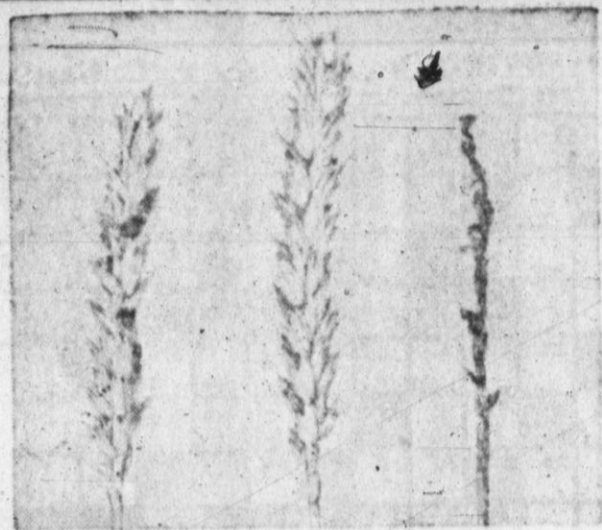

New class officers were installed by Mrs. O. M. Dickey who gave an impressive ceremony using a white cross on a white covered table with as many small white crosses as there were officers. As she instructed the new leaders in their duties each placed a red heart at the foot of the cross, picking up her individual cross.

Officers installed were: Mrs. Mrs. Roy Calvert, president; Mrs. O. H. Herring, membership vice-president; Mrs. Willard Scarth, fellowship; Mrs. Ralph McCullough, class minister; Mrs. H. D. Goldston, stewardship; Mrs. Elwyn Hutchinson, secretary; Mrs. G. E. Harris, assistant secretary; Mrs. Jeff Roberson, reporter and Mrs. O. G. Hill teacher. Mrs. H. E. Miller gave the closing prayer.

During the social hour secret pals were revealed and gifts exchanged and dainty refreshments were served.

Others attending were Mesdames: Abe Martin, W. E. Landrum, Sandford Smith, Roy Phillips, Roy Thompson, W. L. Jones, and H. E. Miller.

Guests over the week-end in the home of Mrs. J. C. Cummings were: Mr. and Mrs. Walter Kaylor of Dalton, Mo. and J. C. Cummings of Truth or Consequences, N. M.

Stinking Smut ... Healthy Wheat ... Loose Smut

## FOR A BETTER CROP

Control of smut is one of the important jobs in producing a good crop of quality grain. The Texas-Oklahoma Wheat Improvement Association, cooperating with crop improvement associations and state extension services of the winter wheat belt is urging farmers to combat smut diseases by careful selection and preparation of seed for planting.

Stinking smut or bunt is the most destructive of the wheat smuts and occurs everywhere wheat is grown. It is characterized by the formation of smut balls in place of wheat kernels, balls filled with hundreds of thousands of smut spores which have the odor of

decaying fish. Seed treatment with seed disinfectants is the recommended control.

Loose smut of wheat spores are scattered and lodge on healthy plants at blossoming time. These spores germinate and enter the developing kernels in which they remain dormant until the next season. As the infected kernels sprout, the smut parasite begins to grow and continues inside the stem, becoming localized in the head before it emerges. Each wheat kernel is displaced by a mass of smut spores. Hot water seed treatment is the only control measure known, except for the use of smut-free seed and smut-resistant varieties.

## Farm & Ranch Club Enjoys Program

Farm and Ranch club was entertained in a regular luncheon meeting held in the home of Mrs. J. V. Perrin Thursday. Table for the luncheon was laid with a blue denim cloth centered with colorful bright zinnias. Place cards were book designs and bandana napkins were used. Mrs. J. V. Perrin, president, conducted a business meeting after the lunch-

con. The program for the day was on parliamentary procedure with Mrs. P. B. Sowell in charge of the lesson on parliamentary law.

Canasta games were enjoyed with Mrs. P. B. Sowell winning the floating prize.

Members present were Mesdames: J. W. Perrin, Herschel Burrus, Roy Fruit, C. F. Rickels, Henry Melton, P. B. Sowell, and the hostess.

The next meeting will be held with Mrs. Roy Fruit on October 4.

## Coffee Is Opening Event For Summerfield Study Club Season

RETHA JEAN KELLY, daughter of Mr. and Mrs. Kenneth Kelly was honored Wednesday on her fourth birthday with a party given by her mother.

### 4th Birthday Is Celebrated

Retha Jean Kelly was named honoree Wednesday afternoon when her mother, Mrs. Kenneth Kelly, complimented her with a party on her fourth birthday.

Favors were presented and games were played. After gifts were opened and admired refreshments were served to the little group.

Children attending were: Terry Lynn Lee, Lanelle Best, Caren Lee Reno, Richard Owen, Opal and Earline Hyatt, Eddie Jean Standifer, Douglas Robertson, Mickie Davis and the honoree.

Thursday marked the opening date for the Summerfield Study Club and a lovely coffee was held in the home of Mrs. Chas. Noland Thursday morning at 9 o'clock.

The refreshment table was done in fall colors with autumn leaves and flowers arrangements. Invitations to the coffee were in shapes of question marks suggesting the query "What Is Ahead for the Coming Years Work." Individual corsages were also built around question marks.

Mrs. Guy Walser, president, presided, and spoke on the aims and objectives of the club for the year. She gave an outline of the club's projects which include: Sponsoring a Camp Fire Group, Donation to County Library, Community Easter Egg Hunt, Community Entertainments and the annual Summerfield Home Coming Event which is scheduled for September 3, 1952. Plans were made for the first of the community entertainments, the "Hallowe'en Carnival" on October 27.

Mrs. K. W. Neill, yearbook chairman, presented new year books and reviewed programs and assignments.

Members present were Mesdames: Roy Campbell, L. L. Cannon, L. J. Councilman, Lee Curry, George DeLozier, J. R. Eulef, Earl Gunther, Ray Johnson, Earl Lance, L. H. Lookingbill, K. W. Neill, J. B. Noland, Glenn Olson, Jack Streun, C. R. Walser, D. C. Walser, Guy Walser, J. M. Wright and the hostess. Mrs. Delbert Bainum and Mrs. E. W. Hobson were guests.

Mourning dove limits this fall are 10 per day or 10 in possession

# Diversified Farm Methods Hereford's Greatest Asset

The past twenty-four months have, in many respects, been unusual one in this area. Economically speaking, wheat and cattle provide the two greatest cash crops of the territory. Furthermore, they go hand in hand since wheat grazing contributes much to the cattle industry. During the past two seasons, however, the community has seen two complete failures on the part of wheat farmers. So entire have the failures been that producers as a whole barely got back the seed which was planted. Cattle still contributed to the economy of the community, but not so much as in previous years.

Cotton	7,000
Potatoes	3,000
Lettuce	3,000
Castor Beans	700
Safflower	700
Sugar Beets	1,369
Cantaloupes	50
Alfalfa	4,000
Permanent Pasture	8,000
Other truck crops	2,000

\*\*Grain sorghum has been estimated at 65,000 acres this year. Wheat is an unknown figure (approximately 35,000 acres harvested in the whole county). Amount of acreage in wheat and grain sorghums will vary from year to year, depending on conditions.

In addition to direct income to producers, many of these crops also create community payrolls comparable to industrial production. Business hummed during potato harvest and by October 1, lettuce production, already underway, will put around \$2,000 each day into the pockets of skilled and common laborers. Add to this labor income from grain sorghums, sugar beets, cotton, and the numerous small crops, and you begin to have a vague idea of what diversified farming means to the community.

Hereford's greatest asset, though, lies probably in the fact that a man is never really counted out. He always has another means by which to recover his loss and, perhaps, even make an annual profit.

Producers should, of course, carefully consider these things before casting their ballot in the Water District election. The answer is important, for on the outcome of the election can easily rest the future of this country.

Many people have left Hereford to seek their fortunes elsewhere. Few, however, will tell you that they have found a better country. Certainly, nowhere is there a land which offers greater opportunity. Let's keep it that way.

Many people—and they do not have to be old timers—can remember when this situation meant one word: Disaster! It meant foreclosures on farms and ranches, business failures, lack of credit to start anew. It meant near-starvation for many, for others denial to family and self.

Today, however, the story is a different one. Things are tough, naturally, but farms and ranches are operating, boys and girls are going away to school and the aggressive business man is still operating in the same old stand. For emphasis, let us point out that such is not the condition over the entire state, not even over the entire Panhandle. There must be a reason, and to us the one-word answer is: Diversification!

Hereford, along with a few other sections of the Panhandle, is fortunate in having surface irrigation available. In 1951, approximately 1,000 surface wells pumped life into parched grain crops and spread pure, cool water over truck farms in the area. Now under cultivation in the shallow water irrigation district around Hereford are approximately 165,000 acres. This acreage is now seeded according to best calculations, as follows:

Irrigation Acreage for 1951	
Crop	Acreage
**Grain Sorghum	65,000
Corn	7,000

## HEREFORD'S JUVENILE PROBLEM

### "He's A Pretty Good Boy"

Arrest this week of five young men broke a seige of petty thievery which has plagued farmers over the area for almost two years. Losses have been small but consistent—and total into hundreds of dollars.

Discussing the boys individually, one of the officers, a man of long experience, several times started his remarks with the words, "Well, he's a pretty good boy." This phrase, to many people, may sound a little bit silly, but we have an idea that perhaps the veteran peace officer was probably right. In the first place, this particular man is a good judge of character and, in the second place, most young fellows under the right conditions, are "pretty good boys."

Don't misunderstand. This is no sob story, and we would be the very last to uphold such violations. On the other hand, it is possible that somehow, somehow, the interests of other boys might be diverted in such a manner as to help prevent their egging into similar trouble. Cal Farley and

Boy's Ranch have answered this problem for a certain type of young men, but the quietest here would not have been eligible at Tascosa.

Rumor has it that there is another ring of boys, still much younger, which requires each member to "steal a dollar's worth" for initiation. This, if true, could be a forerunner of sadness and sorrow to many honest, upright mothers and fathers. Worse still, it betokens what may grow into an even greater shame and catastrophe as the years pass—a juvenile trend.

Does the trouble lie with the parents? The churches? The schools? Can it be that in our struggle to improve the lot of our children we spend too little time with them? Are the church, school and community programs sufficient to hold interest of modern day boys and girls? Do we as neighbors and citizens spend enough time with young men and women of the community? Is Father Flannigan correct when he says, "There is no such thing as a bad boy?"

These questions come as a criticism to no one. They are presented in the sincere hope that each individual will consider the matter, and that perhaps some organization, some individual or some group may come up with the right answer.

## GUEST EDITORIAL

### Here And There

We know, of course, that life under Red rule is heaven on earth. We have Stalin's word for it, corroborated daily by Radio Moscow, Izvestia, etc. But—

If Joe Daakes, residence Dallas, wants to live in that communistic paradise instead of this capitalistic hell, all he has to do is say so. He can renounce American citizenship with the cheerful co-operation of everybody. He can arrange his transportation to Moscow and nobody will give a darn. For some reason, mighty few Joe Daakes are doing it, even mighty few Frederick Vanderbilt Fields, Paul Robesons, Eugene Dennises. Must be something in the spirit of the flagellants. They stay right here and suffer.

But over there, a Czech engineer the other day carefully crashed the border barrier with his train so that he and twenty-five other Czechs could get out of one of Uncle Joe's earthly paradises. Similar incidents happen daily. Wherever the Reds are, silly folks want to get away.

Of course, the reason that Stalin & Co. try to keep them in is just to be sure they continue to be happy. Must be.—Dallas Morning News.

## SUNDAY'S CURRENT QUESTION

What do you think about the reorganized football conference Hereford is in now?

**BOB LAWRENCE**—I had rather be in the one we were in last year than the one that we are in now. I guess it is because I've always lived in that district and have played football in it myself. I just like the high plains schools better than the ones south of us and feel like they are more our type of school.

**KENT SNARE**—Tulia and Floydada are really the only changes and if they are reclassified according to enrollment I think that is the best conference we could be in. That way we'll have more of a chance.

**KENNETH COKER**—This conference sounds easier, but whether it will be or not I don't know. I'm glad to see us playing towns nearer our size because it makes for a better chance for us.

**BOBBY JENNINGS**—I don't think it makes any difference what conference we're in because through the years Hereford is generally a leading contender for the title. Against the ones in the conference this year I don't think we need to worry but what we'll win. According to the records down through the years they aren't too hard.

**ALVIN SHIRLEY**—It's going to be a lot easier conference than we've ever been in before and we ought to be able to win district without any trouble if the boys keep on improving. I certainly prefer the district we're in this year over the one we were in last year.

## 'Tater Peelin's

By Roberta Campbell

What happen to our County fair? Seems like every county around us has managed to get one together. Even if we don't have enough big pumpkins and watermelons we still have lettuce and safflower and castor beans and sugar beets—in fact a lot of products that might be an eye opener to our neighbors.

Now that sheep and wool have made such a climb in price, Harry Whitechurch likes to remind us of the time several years ago when he told us that sheep would make us more money than anything we raised on the farm. Neither will he let us forget the time we went into and out of the hog business in a few days time.

Some of our neighbors passed on to him the story of how we traded a part of our first barley crop for three shoats and before we could dream up a picture of them as hams and bacon somebody came along one afternoon while we were away from home and relieved us of them.

Maybe they did us a favor at that as we've never had the smell of a hog on the place since.

That was also our first and last barley crop or we should say crops because a volunteer crop came up, after we combined the first, then headed out and was mowed in the dough and stacked for sheep feed that winter.

Jane Messick, 4-year-old daughter of Mr. and Mrs. W. J. Messick, was visitin' with Mrs. W. E. Pittman one day when the dog started to bark. Jane listened a minute and then asked "Mrs. Pittman, do you suppose Poochie is honkin' at somebody?"

## I'll Never Forget

By Mrs. Bruce Rose

I'll never forget the Tierra Blanco creek. If it could talk what a lot of stories it could tell, about fishing parties, fish-fries, picnics, romances, family reunions, old settlers reunions, Sunday school and church outings. . . They would not all be happy stories, there would be stories of tragedies, deaths and of lovers' quarrels.

Years ago, before Hereford was a town, the Tierra Blanco was here—waiting for people. Usually it is just a calm little stream, flowing along from its source near House, New Mexico to where it joins Palo Duro creek to flow into Red River and on into the Gulf of Mexico. There are times when it forgets its calm way of life and becomes a swift, raging stream, spreading out over the entire valleys until it looks like a huge river, pushing fences, bundled feed, shocks of feed and alfalfa, posts, wire and other debris for miles down stream. I remember so vividly one rise on the creek. We heard something roaring, looked at the creek and there was a high wall of water coming down the creek, pushing all kinds of debris before it. This wall moved very slowly. We spent most of that day just watching the creek. Several men, including my father, L. R. Brandly, Rat Jewell and possibly one of the Mooney boys got in Mr. Mooney's hand-made boat and "rode the rise" down as far as Sulphur Park. They would pass the head rise and have to stop and wait for it to catch them. That was fun then and it is still fun for the youngsters, most every year some one tries it.

How that creek has changed! Years ago it was always full of water, flowing most of the time. Now we find places where there is no water at all. There was a time when many places for wonderful boating was provided by the creek—many romances were culminated in boats on the old Jewell place, later known as Sulphur Park, because of a sulphur deposit there. One spring near the creek tasted strongly of sulphur. Practically all of the youngsters of another generation spent much of their care-free time on the creek, fishing and boating—the Jewells, Coxes, Bradleys, Wambles, Mack Meeks, Charlie Ferguson, C. A. F. Parker, Louella Howard, Mary Louise Wilson, the Gass family and many others, did a lot of "courting" at Jewells, on the Brady ranch and at the Big Spring and Ivey places. Couples would drive to the creek in buggies, surreys and even ride on bicycles—have their picnic and pretend to fish until dusk and boat time. Some of my own courting was done on the creek—but that was after the boat days—we swam and picnicked.

What fun we had skating on the creek in the winter. We had colder weather then and the creek would stay frozen with a thick coat of ice for weeks. We could skate for miles and never get off the ice—some pretty fancy skating was developed back then.

The creek has had its appeal to the fishermen too. Cat fish were all that were in the creek until about 1895, when Sam Dunn stocked it with bass. The fish were put in the water on the Bowman place, south of Dawn. About two years later large numbers of fish could be caught in a short time all along the creek. People who lived near the creek had an ever ready source of food—even in winter when the water was frozen large fish were often dug out of the ice. In 1899, perch and crappie and some channel cat were placed in the creek. Others have been added through the years and what a lot of pleasure it has offered men who loved to fish—Sam Dunn, George Dent, Bill Ray, Tom Ivey, the Fox boys, Roy Gough, Mont and Dennis Baker, and many, many others.

In the "good old days" we could fish when and where we wished to, but people started taking advantage of the privileges and the owners of the land near the creek just had to stop letting the public in for fishing and picnicking. Gates would be left open, causing the owners hours of work separating the stock and getting them back where they belonged. Fences were torn down, posts used for fire-wood, trees burned, rubbish strewn all over the place. Some people just forgot to give the owners any consideration, and the fishing had to be stopped for every one. Charging a

(Continued on page 8)

## Panhandle Paragraphs

### QUITE A JOKE ON THE BOSS

A prominent auto dealer in Stephenville has been getting quite a ribbing from his employees since a young lady came in and began looking around like a magazine saleswoman. After the boss had dodged her for a while he decided to ask her wants. "I want that car and I have the money to pay for it," the young lady replied—and the boss will probably never live it down.

### NO NURSERY

Hall county police officers are faced with a problem. They need a nursery in the jail. They picked up a young woman the other afternoon and she had a baby about four months old in her arms. Seems that the police officers can't find a place for the youngster until the grandparents arrive to care for the baby. Hall county is paying for a hotel room where the mother and her baby are staying—under guard.

### CONFUSION

The Colorado City Record tells of a clock which causes a lot of confusion. When the clock strikes 12 the hands show 11 but it is really 10:30. Seems that the clock is set 30 minutes fast so that the family will always be on time for appointments. Striking an hour more than the hands show is the clocks own idea, however.

### TOTAL LOSS

The Littlefield fire department was summoned to a fire Tuesday afternoon but they were unable to save the beans. It seems the fire they were called to fight was a pot of beans which were termed a total loss. No damage was done in any other way the department reported.

### HIS OWN GRANDPA

A Houston man figures he is almost his own grandpa. His wife, after they had six children, divorced him and married his son by another marriage. That makes him the grandfather of his children, the father-in-law of their mother, while she in turn would be the sister-in-law of her own children. The son left his bride and step-children, formerly his half brothers and sisters, when he reported for overseas duty.

### A HOT TIME—IN JAIL

A prisoner who got a little hot under the collar when he was jailed for drunkenness decided to give a demonstration about how burned up he was. He set fire to his mattress and stuffed it into a ventilating duct. The fire department was called and the blaze was put out. Within half an hour he had put on a repeat performance. The result was a 60-day jail sentence, plus the cost of the burnt bedding, according to the Colorado City Record.

## The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher on his farm near Bootleg is misconstruing the news again, his letter this week reveals.

Dear editor:

I was out here the other afternoon wanderin when it was gonna rain again, don't believe I ever saw a summer as hot and dry as this one has been, when I noticed a little whirlwind headin in my direction and since gettin a little dust ain't no worse than usin up a lot of energy tryin to dodge the thing, I sat still and let it hit me and when it was past I noticed it had dropped a newspaper right at my feet and since I was sittin down and could reach it without any trouble I sorted it out from the trash, ain't no trouble to do at all when you've had experience, and picked it up and read where a Texas Representative is urg'in a special session of the Legislature to deal with the state's critical water shortage.

As I understand it, he wants to call the Legislature together to solve the water problem, and I'm all for it. My well has been gettin lower and lower and if the Texas Legislature can do something about it, what are they waitin for? Of course, there are a good many angles about the rain shortage I haven't figured out how the Legislature can help on, but when a man gets desperate he'll try anything, and if a special session is all that's standin between us and more water, I say call it right now.

While it's hard to see for example how the Legislature can help a place like Temple, where the city reservoir is gettin lower and lower and the city more worried and worried, it's possible that if the entire membership of both houses all piled in the reservoir at one time it would raise the water level, the same as droppin rocks in a fruit jar will send the water at the bottom up to the top, although I guess technically speakin it don't really increase the total amount of water, although there might be some psychological advantage in seen the reservoir brim full, even if it meant havin the entire Legislature at the bottom, except when they come up for air or to vote.

And also there may be some people who doubt the Legislature can have much effect on rainfall, but there are others who claim rain-makin and law-makin takes about the same amount of know-how coupled with wild guessin, and a special session might be the very thing. At any rate, you can't deny the Legislature certainly couldn't make the water situation any worse, and when a well gets as low as mine, a man likes to see some action. I'm calling on Rep. Morris Cobb to make raiuin the water level in my well the first order of business, House Bill No. 1.

Yours faithfully,  
J. A.

1951 POLIO POINTERS

RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

These are precautions recommended by the National Foundation for Infantile Paralysis when polio is around. Also, wash hands before eating and be on the alert for such symptoms as feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. If the disease does strike, call your doctor promptly, follow his advice. Your local National Foundation chapter will provide needed assistance.

BIG JOB . . . DUANE ORR HAS!

Hereford Boy Handles Corpus Christi Port

Duane Orr, son of Mr. and Mrs. J. S. Orr of Hereford, is the main responsible for the condition of the Port of Corpus Christi, its construction and maintenance.

With the Navigation District for 12 years, he came here after working with the Texas Highway department and the Corps of Engineers. His official title now is district engineer of the Nueces County Navigation District No. 1.

There is only one Nueces County Navigation District so far, he explained, but the numbers are a look into the future when the district's may multiply. A serious but friendly man with a serious job, Orr points out that maintenance is a continuous job. Major jobs run in cycles, he said, and jobs vary from year to year.

Maintenance and general improvements cost about \$210,000 a year, Orr figured.

"Our maintenance crew," he said, "is doing small construction work all the time."

Planning a task that shows little in tangible results, takes up a good bit of the engineer's time. Planning to Orr means drawing specifications, working with planners from other industries, showing prospective industries that channels and docks can be constructed by the district to satisfy their needs.

Orr's engineering domain is co-extensive with Nueces county, but the preponderance of his work is concentrated along the Port Aransas and Corpus Christi Waterway which extends from the Gulf to Tule Lake and includes the portland and the proposed Reynolds extensions.

The canal to the Tule Lake for the Corn Products Refining company was the last major improvement, Orr said.

Next in sight is the proposed grain elevator. Orr is working on the elevator plans now, just in case.

"You get all kinds of engineering in a job like this," he said, "you work on railroads, roads, utilities, docks, channels, machinery, everything."

His knowledge of the port facilities makes Orr a particularly valuable consultant of the Port Protection committee, a city council appointed body. He helped the oil companies form the Corpus Christi Terminal Fire Fighting company.

The increased oil field development in Corpus Christi bay has meant increased headaches for the district engineer. Oil companies must make development applications to the Corps of Engineers, who in turn ask the Navigation District's views on the applications.

That means all oil applications pass over Orr's desk.

"There's been an unusually large number of applications this year," he said wearily.

Recital To Be Presented Today

Mrs. C. W. Parker will present a group of summer vocal students in a recital-musical on Sunday afternoon, September 24 in the First Christian Church at 4 o'clock. Interested friends are invited to attend.

Those who will take part will be: Jacqueline Brown, Margaret Phillips, Joan Brown, Cecelia Wilkins, Donna Caylor and Suenell Sumner. Mrs. Parker will accompany the students at the piano.

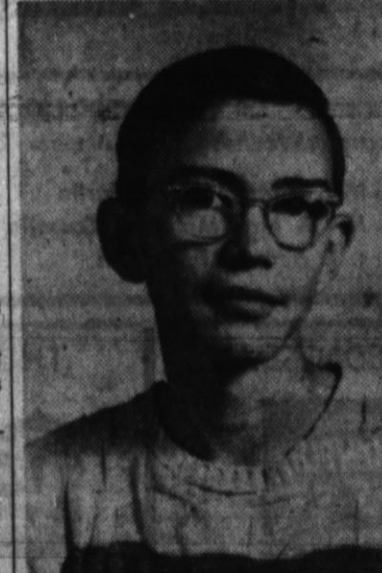

Raymon Childers, piano student of Mrs. Ella Coombes, will be guest entertainer. He will play Gershwin's "Rhapsody in Blue".

### KOELZERS RETURN HOME

Mr. and Mrs. M. H. Koelzer and Miss Adelaide Koelzer have returned from a trip that took them through the midwest to the East and into Canada. They stopped in St. Louis, Mo., and in St. Charles, and in Fairbury, Ill. visiting with friends and relatives. They spent several days in Gary, Ind. with a cousin who took them on a sight-seeing tour of Chicago, Ill. Later they spent some time in South Bend, Ind. visiting Notre Dame University there. They visited relatives in Detroit, Fraser and Anchorville, Mich. before crossing over into Canada at Port Uron. They spent a day in Ontario and visited Niagara Falls. Back in New York state they visited their daughter and sister, Sister Regina at Saint Mary's Convent at Brushton, who went with them to Montreal, Canada. The Koelzers returned home from there.

burrs also grow rapidly and, at certain stages, they are very poisonous to stock.

Many deaths have been caused by the creek, several have drowned while swimming in the natural swimming holes the creek afforded. Before the days of the Municipal swimming pools there were many places in the creek that were excellent for swimming; nice gravel bottom and just pick your depth! Many of Hereford's best swimmers learned to swim in the Tierra Blanca creek. We will remember the old Dairy Swimmin' Hole a long, long time. People who did not know the habits of the creek when it was "on a rise" were likely to take chances and disastors often resulted. Frank Hembree attempted to cross the creek at Sulphur Park in 1923, during a big rise, with a wagon and team. He was crossing at the regular "crossing," but the water was so swift that the team lost their footing and the

team and wagon were washed down stream. The team was saved, but Mr. Hembree lost his life and his body was not found until the next afternoon, almost a mile down stream.

The Bradley family was practically raised on the creek. We lived on the ranch east of Hereford until 1905. The creek just north of the old dobe house, under the big cottonwood trees was the scene of many happy gatherings. Some of my earliest recollections are about the fun we "little ones," Wes, Lola and I always had, wading in the old "Bull Crossing" while "Big Sister," Clara Shore and her friends were swimming in the old swimming hole nearby...

You should have seen those bathing suits! In 1905 we improved section number 60, just east of Hereford where the V. F. W. park is now located. We had over a mile of the creek winding through this place. What fun we had, fishing, picnicking and swimming. We even learned to ride our horses along the banks of the creek. We missed some school activities, living about a mile and a half from school, and missed some social activities too—but we had so much fun together it didn't matter. Any one who has not lived on or near old Tierra Blanca has just missed a Lot of Life.

fee for fishing rights seemed to help people to remember to some extent, but even that didn't last long. Places had to be posted. Before irrigation was established, farmers and especially stock farmers were considered especially fortunate if the creek flowed through their place it afforded sub-irrigation for "creek grass," which made excellent winter feed. Alfalfa and other crops grew wonderfully well along the creek. It provided water for the stock, even if a lot of old, thin cows have "got in the bog" and had to be "tailed up" several times before they could get up under their own power. Another advantage of having the creek run through the pastures is the lush growth of the creek grasses early in the spring—there was a hazard there too, the cockle

# Electric Cooking Is

...as MODERN women KNOW!

It's flameless and sootless, too, for there is no cleaner heat producing method than completely clean electricity.

Electric cooking's accuracy is matchless, too, for when business or industry want accuracy, they call on electricity. Your electric range is equally accurate, with the correct amount of measured heat available on each switch setting or push button control.

Yes, and the automatic features of electric cooking are matchless, too. Your oven timer will automatically turn the oven on or off — automatically prepare your food while you're away from your kitchen.

Electric cooking is accurate, automatic, clean, efficient, cool — matchless — as modern women know.

## BUZZ SAWYER

FEATURING HIS PAL  
**ROSCO SWEENEY**  
By ROY CRANE

YOU PLAY, TOO? SAY... I DIDN'T KNOW FOOTBALL WAS A **SISSY** GAME.

IT ISN'T, BIG JOHN.

HUMPH! THESE JERKS ALL LOOK LIKE **SISSIES** TO ME.

MAYBE YOU'D LIKE TO TRY BLOCKING ONE OF THEM, MR. CZIZAK.

YOU MEAN HIT ONE WITH A BLOCK? **HOT DOGS!**

**NO, NO!** AN OFFENSIVE BLOCK. NO HANDS... SIMPLY RUN INTO SIMPSON AND KNOCK HIM OVER.

**WHAM!**

THAT'S FUNNY!

NO SKILL, JOHN. TRY IT AGAIN, BUT THIS TIME KEEP YOUR EYES OPEN. STAY ON YOUR FEET.

TO AVOID HIS HANDS, DIP YOUR SHOULDERS. WHEN YOU MAKE CONTACT, LIFT.

DIP SHOULDERS... LIFT.

**SOCK!**

**HOT DOGS! I DID IT!**

MY STARS! I THREW HIM ON THE GOAL POST!

WHERE'D YOU GET **GOLIATH**, WEEPY?

OR IS HE **SAMSON**? I THOUGHT YOU SAID YOU HAD NO MATERIAL, WEEPY.

ALL MUSCLE, NO BRAINS. WE'LL BE LUCKY TO WIN EVEN **ONE** GAME.

SAY: I'M BEGINNING TO CATCH ON TO THIS GAME.

# MANDRAKE THE MAGICIAN

BY LEE FALK & PHIL DAVIS

MANDRAKE -- ON  
THE PLANET VENUS --

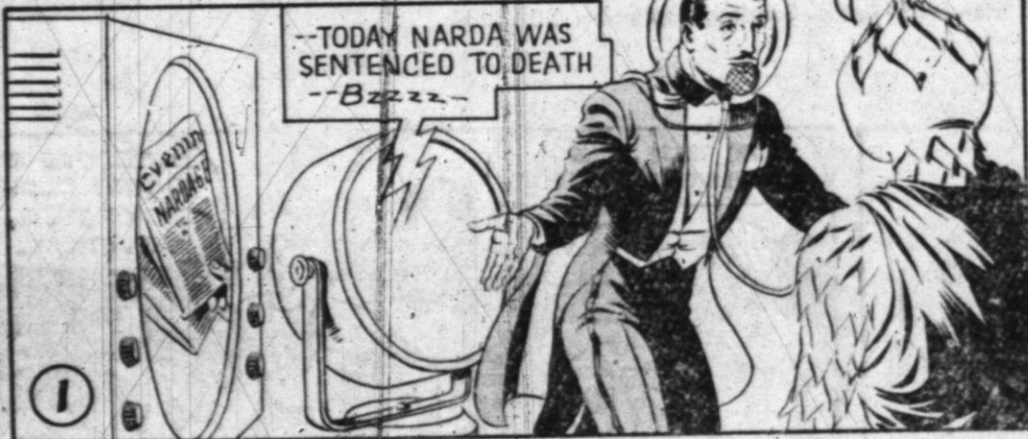

DON'T YOU UNDERSTAND?  
YOUR PEOPLE KIDNAPPED  
US FROM EARTH. BACK THERE,  
THEY THINK MY SWEETHEART  
KILLED US. SHE'S SENTENCED  
TO DEATH.

MOST  
INTERESTING--

--TODAY NARDA WAS  
SENTENCED TO DEATH  
--Bzzzz--

WHY WORRY? HERE  
IF WE LOSE SOMEONE  
CLOSE TO US, WE JUST  
PLANT ANOTHER ONE.

THESE AREN'T PEOPLE.  
THEY'RE PLANTS. THEY  
HAVEN'T EMOTIONS  
LIKE US--

I CAN'T MAKE YOU  
UNDERSTAND! BUT  
WE MUST RETURN  
TO EARTH AT ONCE!

IMPOSSIBLE! THE SPACE SHIP WILL  
NOT MAKE ANOTHER PLANETARY  
VOYAGE FOR FIVE OF YOUR YEARS.

THAT RADIO DEVICE OF YOURS!  
YOU CAN RECEIVE! CAN YOU  
TRANSMIT TO EARTH? I'LL  
BROADCAST THAT I'M ALIVE.

IMPOSSIBLE! WE DO  
NOT WISH THE EARTH  
TO KNOW ABOUT US  
--YET.

THIS IS MADDENING! I'VE GOT TO DO  
SOMETHING TO SAVE NARDA! DON'T  
KNOW IF MY HYPNOTISM WILL WORK  
ON THIS PLANT MAN, BUT I'LL TRY!

RELAX! YOU ARE GOING  
TO SLEEP -- SLEEP --  
YOU WILL DO AS  
I SAY --

I BEG  
YOUR  
PARDON?

IT DOESN'T -- WORK --

Inning	1	2	3	4	5	6	7	8	9	10	11
GLAMAZONS	0	0	0	0	0	0	0	0	0	0	0
MARVELS	0	0	0	0	0	0	0	0	0	0	0

AFTER A SHAKY FIRST INNING, SAL FINDS THE RANGE...

... BUT EQUALLY EFFECTIVE HAS BEEN THE HITLESS MARVEL HURLER!

AND AS THE GLAMAZONS COME TO BAT IN THE ELEVENTH INNING...

SAL, THEY SHO' GOT AH NUMBUH WITH THEM BLOOPUH PITCHES!

YEP, DINAH, BUT I'M FIXIN' T' PULL SUMPUM THEY AIN'T COUNTIN' ON!

TH' FIRST PITCH... AND NOW TO FAKE A BUNT!

AS THE THIRD BASEMAN CHARGES IN, SAL QUICKLY DRAWS THE BAT BACK AND...

YOW!

INTO LEFT FIELD... AND A MISPLAY ALLOWS SAL TO REACH THIRD BASE!

BUT THE NEXT TWO BATTERS ARE STRIKE-CUT VICTIMS!

TWO AWAY... AND HERE'S WHERE HE LOSS ONE TOO MANY OF THEM RAINBOW TOSSES...

... 'CAUSE I AIM T' BEAT THIS BLOOPER PITCH TO TH' PLATE!!

# LITTLE ANNIE ROONEY

by  
BRANDON WALSH  
AND  
DARRELL MCCLURE

OH, DEAR! THAT MEAN OLD WEATHERMAN HAS GONE AN' SENT A RAINY DAY JUST TO SPOIL OUR PICNIC!!

PLEASE, ROSE- DON'T SAY THAT~

I CAN'T HELP IT, AFTER EVERYTHING WAS READY~ MOTHER BOUGHT US LOVELY NEW CLOTHES, AN' BAKED A BIG CHOCOLATE CAKE~ THEN THAT HORRID WEATHERMAN STARTS IT RAINING CATS AND DOGS!

IT AIN'T THE WEATHERMAN'S FAULT~ HONEST, IT AIN'T~ I SAW A WEATHERMAN ONCE WHEN I WAS JUST A LITTLE KID~

WEREN'T YOU FRIGHTENED? WHAT DID HE LOOK LIKE?

HE LOOKED LIKE ANY NICE, OLD MAN LOOKS~ KINDA FRIENDLY AN' SMILEY~

HE TALKED TO ALL US KIDS AN' TOLD US NOT TO BLAME HIM WHEN IT RAINS OR SNOWS 'CAUSE HE WAS JUST A WEATHER GUESSER~ NOT A WEATHER MAKER~

THE WEATHERMAN TOLD US 'BOUT AN' OLD RHYME THAT SEZ, "WHETHER IT'S COLD, OR WHETHER IT'S HOT~ WE MUST HAVE WEATHER, WHETHER OR NOT."

AND THE OLD RHYME IS RIGHT~

PICNICS ARE IMPORTANT~ YES, INDEED~ BUT YOUR DADDY-- HE'S A FARMER AND HE KNOWS POTATOES AND PARSLEY, PEACHES AND PEARS ARE MORE IMPORTANT THAN PICNICS~

HOO-RAY! HERE COMES THE SUN~ NOW WE KIN HAVE PEACHES AN' PEARS AN' PICNICS, TOO~ THAT MAKES IT SWELL FOR EVERYBODY!

# RUSTY RILEY

NOW THAT WE HAVE A SULKY, TEX, ARE WE GOING TO WORK-OUT SNOWFLAKE ON OUR TRACK?

TWO OF MR. MILES' NEW SADDLE HORSES ARE TROTTERS...WE'RE GOING TO USE THEM TO GIVE YOU PRACTICE RIDING A SULKY...AS FOR SNOWFLAKE...

...WE'RE GOING TO WORK HER OUT PLENTY, BUT NOT HERE...A WHITE MARE WITH ONE BLACK STOCKING WOULD STICK OUT LIKE A GIRAFFE IN A HERD O'LONG HORNS...JUST AS WELL TO KEEP OUR ENTRY SECRET FOR A WHILE!

OH, SURE...THAT'S RIGHT...QUEENIE'S FATHER MIGHT FIND OUT...I ALMOST FORGOT HE DOESN'T KNOW SNOWFLAKE IS HERE!

MEANWHILE, AT GRASSY ACRES.

MARTY, I'VE GOT A PILE OF DOUGH ON MY HORSE AT THE COUNTY FAIR...I HEAR THERE'S AN ENTRY FROM MILESTONE...WHO'VE WE GOT THAT COULD DO A LITTLE CLOCKING OVER THERE...SOMEBODY THEY DON'T KNOW?

CARPY'S THE BOY, BOSS...NOBODY AROUND LEXINGTON KNOWS HIM...AND HE'S A GOOD JUDGE OF HORSES. I'LL SEND HIM IN.

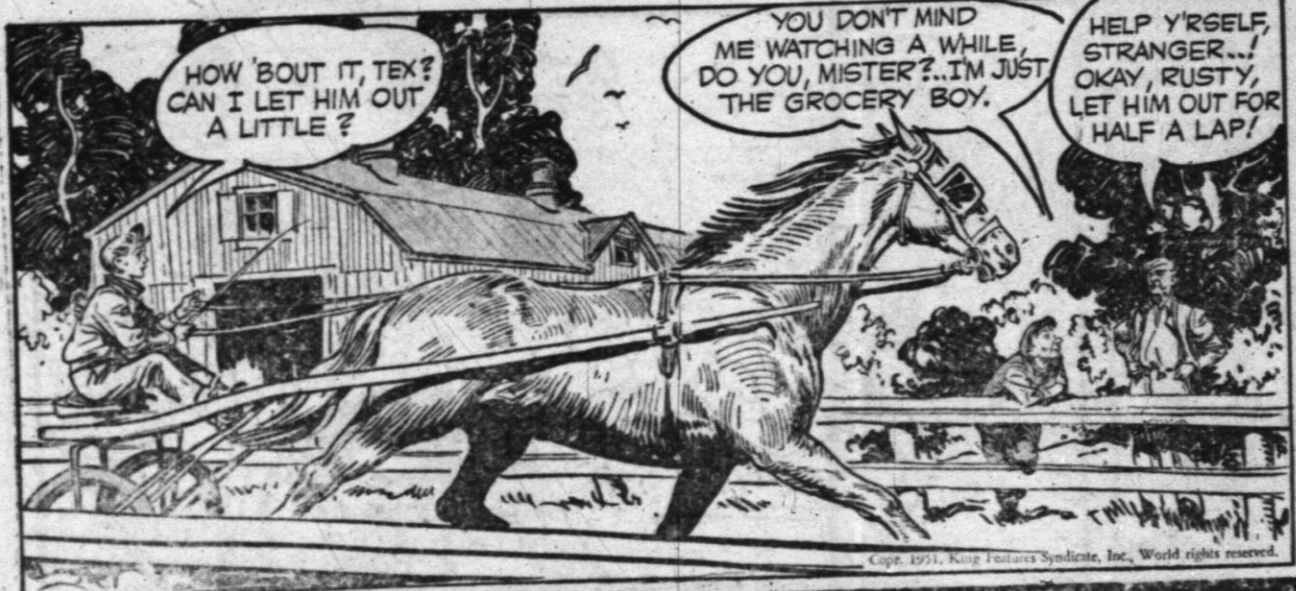

CARPY, I WANT YOU TO AMBLE OVER TO MILESTONE AND TAKE A GANDER AT WHATEVER HORSE, OR HORSES, THEY MEAN TO ENTER IN THE COUNTY FAIR TROTS...AND DON'T SPILL WHERE YOU'RE FROM...HERE'S A STOP WATCH.

SURE, BOSS, LEAVE IT TO ME!

NOW, RUSTY, THIS IS ONLY DRIVIN' PRACTICE FOR YOU...THIS HORSE MAY BE AN INSIDE KICKER, SO IF YOU SEE ME WAVE, PULL UP BEFORE HE HURTS HIMSELF!

OKAY, TEX.

HOW 'BOUT IT, TEX? CAN I LET HIM OUT A LITTLE?

YOU DON'T MIND ME WATCHING A WHILE, DO YOU, MISTER?...I'M JUST THE GROCERY BOY.

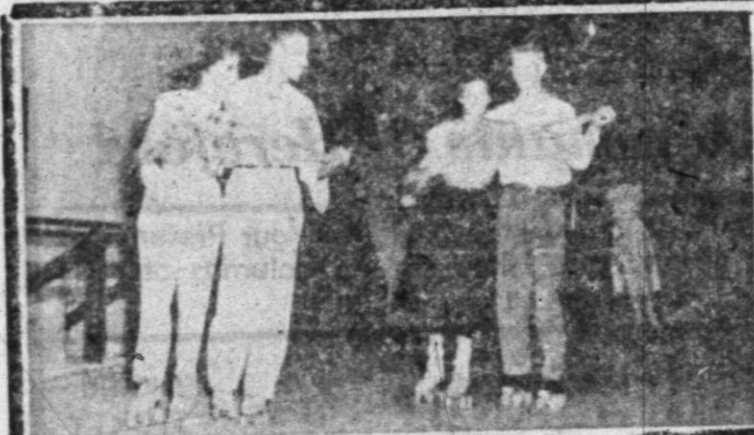

HELP Y'RSELF, STRANGER...! OKAY, RUSTY, LET HIM OUT FOR HALF A LAP!

BOSS, YOU GOT NUTHIN' TO WORRY ABOUT...THEIR HORSE...WELL, HE'S JUST ANOTHER NAG...AND THEY GOT A STABLE BOY, NAMED RUSTY, DRIVIN'!

GOOD NIGHT! AND I WAS TAKING THEM SERIOUSLY!
