

Around Town

Are our faces red? Only last Sunday this column came out with the prediction: "Summer appears finally here to stay."

The weather briefly crowded out talk about teenage delinquents. However, it keeps boiling up in club meetings.

The Sheriff's office this week released a combined numerical and alphabetical car registration list for the county.

A pie supper has been scheduled at Shirley School auditorium for Friday night, May 15, benefits to be used in improving the school grounds and planting grass.

Mrs. Bonnie Kelly left Wednesday morning for Waco, where she will attempt to contact her sister, Mrs. Neil R. Prade, and other relatives in the tornado stricken area.

And speaking of tornadoes, Clay Angelo reports that in case an alarm should be provided in Hereford that he will turn on the fire siren — and leave it on, and on, and on.

The Hereford Riders Club will hold their final meeting before the annual rodeo at the county court room, tonight, Thursday, at 8 o'clock.

The fourth and final quarterly session of the Deaf Smith County Federation of Women's Clubs will be held Friday, May 15 in Sumnerfield at the community house at 10 o'clock.

An error in the junior olympics story in the Sunday Brand gave the Hereford Kiwanis Club's pet project to the Hereford Jaycees.

The Texas Water Well Drilling Contractors Association will meet at Lubbock, Skyline room, May 23, at 7:30 o'clock, it was announced.

NEAR TOTAL LOSS on the above transport was estimated early Wednesday morning when flames from the blazing truck soared high into the sky as 4,685 gallons of gasoline were also burned. The fire occurred two miles east of Dawn on Highway 60 at 2 o'clock Wednesday morning and was thought to have resulted from friction created from a flat tire on the rear wheel of the truck.

Mail Service Change Is Announced For 7 Blocks In Hereford

Seven blocks in Hereford will see changes in mail service starting Monday, May 18. It was announced today by Postmaster Jim Lipscomb, who said that authorization for the new service was issued through the post office department this week.

City delivery service will be available on the 300 block on K, the 300 block on J and the block between F and G on Grand Avenue.

Since all of the new city delivery routes have been served by Route 1 previously, except the Knight St. block, the new situation will result in shuffling on Route 1 to this extent, but other service on the route will continue as in the past.

Two Panhandle Publishers Die

Two outstanding Panhandle Plains newspaper publishers died this week. W. H. "Hop" Graham, editor and publisher of the State-Line Tribune at Farwell, for many years, died Tuesday night following a lingering illness.

Services were also held Tuesday for W. Van Stewart, Perryton publisher of the Ochiltree County Herald for a long period. Mr. Stewart also had many friends in this area.

Both men were active in newspaper circles of the Panhandle, both having served as president of the Panhandle Press Association, and contributed extensively to the growth of the Panhandle plains.

Expect More Than 60 Girls To Enter 4-H Dress Review Here On Saturday

More than 60 girls are expected to enter the annual county wide 4-H dress revue which will be held in Hereford Saturday afternoon, May 16.

The revue will start at 2:30 in the old sanctuary of the First Methodist Church. Judges for the contest will be Mrs. Robin Vann, county home demonstration agent from Dimmitt.

Class 1 will be a school outfit; class 2, dress outfit and class 3, a tailored outfit.

County Okays Courthouse Repairs, Two Salary Increases On Monday

The Commissioners Court of Deaf Smith County met Monday in regular session to raise salaries in two county offices and let a contract for roof repairs on the courthouse. The group also approved bills, reviewed the monthly hospital report and handled other routine matters.

The salary of Mrs. A. O. Smith, county welfare worker was raised from \$150 per month to \$187.50 and monthly mileage allowance for the office was increased from \$25 to \$37.50 per month, making a total of \$225 per month, including the car expenses.

The salary of County Attorney J. Edward Line was likewise increased, being raised from \$300 to \$325 per month. Both raises were cited as effective May 1, 1953. All four commissioners voted favorably on both salary raises.

Hereford Merchants Invited On Amarillo Goodwill Train Trip

The Goodwill Committee of the Amarillo Chamber of Commerce has invited Hereford Businessmen to join them on their Goodwill Train to Clovis, June 6. This Goodwill trip to Clovis will coincide with the Clovis Pioneer Day Celebration at that time, Cecil Massey, C. of C. Manager said today.

This special train will arrive in Hereford, June 6, at 9:00 a. m. and leave at 9:30 a. m. and will return from Clovis to Hereford at 4:30 in the afternoon, Massey said.

Those businessmen from Hereford interested in making this trip with the Amarillo group are asked to contact the Hereford Chamber of Commerce office for reservations in order that the Sante Fe Lines may know of our places. The trip was made in 1946 with a large delegation from Hereford taking part.

The Weather

Table with weather forecast for Sunday, Monday, Tuesday, and Wednesday. Columns include High and Low temperatures.

Alton Fraser In Hiway Accident

A telephone call at 9 o'clock Wednesday morning notified Mrs. Alton Fraser that Mr. Fraser had been admitted to the Methodist Hospital in Albuquerque as the result of a highway accident during the night.

Details of the accident were not available Wednesday, except that it occurred in Tijeras Canyon, this side of Albuquerque. Mr. Fraser left Hereford around 6 o'clock Tuesday evening for Albuquerque and, according to driving time, should have arrived well before midnight. He had planned to travel on to Dove Creek, Colo., to check other business interests.

Baptist Services Sunday To Feature "Sermon In Song"

The First Baptist Church choir will present a special full-hour service Sunday entitled, "Sermon In Song," it was announced today by Bob Lawrence, Educational director. Dr. Edwin McNeely, voice professor of the Southwest Baptist Theological Seminary, Ft. Worth, will conduct the choir.

The presentation climaxes the music clinic held at the church this week, Lawrence said, and will replace the regular Sunday morning sermon. Theme of the presentation will be "Worship His Truth in Spirit."

Danny McLallen, ministerial student of Wayland College, will deliver the sermon for the evening services.

Shirley Grounds To Be Improved

Shirley School grounds are scheduled for immediate improvements following the regular meeting of the Hereford Rural High School trustees here Tuesday night. Plans include running of a line from the football field to the Shirley grounds and seeding of the portion south of the building in Bermuda grass. The project was slated for completion prior to June 1.

Attention to the grounds was brought about by a petition from 58 parents who cited present swirling dust from the grounds as "undesirable and unhealthy." The petition declared that the health of numerous children is being affected by excessive dust, "causing them to cough all night" and in some cases "increasing asthma and upsetting respiratory systems."

Supplementing the petition was a list of recommendations by a group of eight mothers, protesting condition of the grounds and listing 10 points for an overall three-year program to improve grounds on all public schools in the district. The recommendations were presented by Mrs. Earl Plank, board member. Some of the additional points included placing of large concrete slabs on both Shirley and Central School grounds to provide for tennis, basketball goals, jacks, rope skipping and other amusements.

The board failed to take action on the three-year improvements plan, which was dropped after being discussed. They did, however, agree to provide water taps to the Shirley grounds with the idea of serving the entire acre of playground at some future date.

Mrs. Plank volunteered the services of mothers in the group to take care of clearing, preparing and seeding the area south of Shirley and the west "L" space of the building in bermuda grass.

She said that Ernest McGee had offered to scrape off the grounds and that other assistance could be secured through donations for the improvements. A pie supper is planned in the Shirley cafeteria for Friday night, May 15, to raise money for buying the grass seed.

The general plan, as advanced,

will include seeding of the proposed area by June 1, with the idea of keeping children off the plot next year to allow the grass a good start. When the present grass is available, the youngsters will be moved onto it and other areas will be seeded, ultimately resulting in sod playgrounds.

Cecil Massey City Manager

The City Commission today announced the employment of Cecil Massey as City Manager to succeed Grady Bowdry, who at the same time announced his resignation as effective around June 1.

Massey will be the second City Manager under Hereford's new charter form of government and comes to the office from the Hereford Chamber of Commerce, where he has served as secretary-manager for the past 12 months.

In announcing his resignation, Mr. Bowdry said that he and Mrs. Bowdry will leave Hereford with regret, but pointed out that he is badly needed with his family in Stamford. During the brief interval Mr. Bowdry has been here, since December, 1952, his father died and since that time several oil wells have been turned into producers on land belonging to the Bowdry estate.

"Due to the ill health of my mother and my urgent need in helping to handle business of the estate, I have little choice," Mr. Bowdry told the Commission. "We do like Hereford a lot and we hate to leave, especially on a job which has just begun."

Mr. Massey, a graduate of Baylor University in 1950, has an excellent background for the job of City Manager, the commissioners said. While still in Baylor he sponsored the "Tintop" community to national recognition in a community improvement project and from there went to Canyon as community-recreation director. After one year he also took on the job as Chamber of Commerce manager in addition to his other work. In April, 1952, he resigned the C-C job in Canyon to accept the manager's job in Hereford, where he has since continued.

Chamber of Commerce directors held a special meeting Wednesday afternoon following the announcement and said that they have several prospects for the job of C-C manager post.

"We are carefully considering the applicants and hope to be able to make a definite announcement this week," said Paul Harvey, president of the Chamber of Commerce. "Two of the applicants have exceptionally good records, and are highly recommended. We hate to lose Mr. Massey, because he has just begun."

Bloodmobile Is Scheduled For Return Trip On June 2

(Editor's Note: With the Red Cross Bloodmobile scheduled to return to Hereford on June 2, it was pointed out this week that a quota of 150 pints of blood has been set for this area, along with the importance of the project in the following article.)

By Corinne Jennings Executive Secretary, Hereford Chapter, American Red Cross

People of the community contributed extra amounts to the Red Cross Fund Campaign to aid in the financial backing of the Bloodmobile and the collecting costs. Again they contributed to the polo fund to aid in the research of the Polo Foundation and now since the Bloodmobile is scheduled here for June 2, we asked to contribute the material.

At this season it is only a matter of weeks until polo will begin to strike at individuals, old and young alike, especially the young, and also whole communities will be hit. Blood is providing gama globulin to fight this.

Red Cross is only the collecting agent for the material which will be turned over to Civil Defense to be used as a vital commodity for the protection of the people of the nation, just as other essential products are taken over.

Gama Globulin is only a part of the blood used in this prevention while another part is made into plasma to go into blood banks or more important to go over seas to our servicemen on the Korean front.

Bloodbanks are furnishing this much needed item in disaster areas, as well as in the civilian hospitals.

There is a new vaccine, entirely different from this in that it aids the polo victim—once he has become a victim of the disease, it is still in the trial stage and is being in the field test stage. It is believed it will not be ready for large scale use for at least another year. In the meantime gama globulin will be used where most needed.

Spring Training Indicates Fast, Shifty Team

Hereford can look forward to a speedy, versatile football team when the season opens with Muleshoe on September 11 — and furthermore, they will be one of the "fightingest, scrappingest" squads the Whitefaces have ever fielded.

Such was the prediction of Coach L. B. Russell this week as Spring Training season drew toward the closing date of Friday, May 15, when an inner-squad game will officially end the training period.

The season, incidentally, will be the last until Interscholastic League rules are changed, since superintendents in the League have voted to abandon Spring Training entirely from the Texas "AA" School-boy picture.

"I am glad to see this," said Russell. "It will give us a chance to have baseball or some other form of athletics, which is not possible under the present set-up."

players. However, they have an abundance of material up from the 1952 "B" squad and indications are that 1954 should be a banner year. Next September, the Whiteface roster will include around 31 players. Russell estimates that there will be eight seniors, 11 juniors and 12 sophomores.

This situation, according to Russell and Wayne Stark, places Hereford in the position of having some exceptional material, mostly young boys who will require a lot of training and considerable experience before they hit their full stride. It also leads to the prediction that the 1954 season should be a "Whizzer."

In view of these conditions, Coaches Russell and Stark have been putting the Hereford boys through a training season from which they hope to open next September with both "Spread" and "T" formations. Another favorable point for 1953 is the fact that most of the material emerges from last

year's "B" squad and the "B" team in 1952 lost only one game, their opener against Phillips.

Spring training found 14 boys working out for backfield positions. Most of them showed good promise. Russell said, and he continued to dwell heavily on their fighting spirit.

Buddy Godfrey, who did a lot of passing early last year, is a prospect who shows much promise. Godfrey is a Junior and failed to see much action in 1952, due to the fact that he broke his collarbone in the opening game with Levelland and was out for the season.

Lee Drake is another promising boy. He came up from the "B" team last year and has possibilities of a fast, shifty back. A knee injury slowed Drake down the latter part of the training season, but the coaches are hoping that he will be in shape by fall.

he earped a letter. Short is small, but plenty tough on the gridiron. He is a Junior, but will finish his eligibility next season.

BOBBY VINTON is another backfield hopeful, although, young. He is a Freshman and has last year's "B" team experience to help him along.

Dwaine Wallace is a stand-out from last season, when he made a good record and earned his letter. Wallace is fast and a good boy with prospects of a good season in 1953. He is a Senior.

G. C. Merritt is also a return player from the '52 squad. Merritt did most of the punting and "south-pawed" passes for considerable yardage last year. All this despite the fact that it was his Freshman year. Merritt should have a good season this year, possibly even better in the two to follow as he gains experience and accuracy.

a lot of football ability, despite his lack of conference experience.

AUBREY SELF will be a senior and is one of the few two-year lettermen who will suit out next fall. Self was a mainstay in the Herd defense last season and should, by all rights, continue to hold the same post in the '53 lineup.

TOMMY WEEMS is another scrapper up from the "B" team. Tommy, with a Sophomore rating, will have time to develop, but might jump out into the limelight this year.

DICK LARSON is ditto. Up from the "B" team, a Sophomore, and raring to go. Like Weems, he still has to prove his stuff, but is looking forward to the chance.

Oversireel Class Of 1900 To Hold Pioneer Day Meet

The J. R. Overstreet class of 1901 will hold a class meeting during Pioneer Day. The 17 known living members of the class plan their second annual meeting Saturday morning, May 30, at 10:00 o'clock in the ballroom of the Jim Hill Hotel.

J. F. Overstreet, supt. of the Hereford Schools, is still living in Ft. Worth. He will not be present for the meeting however, due to failing health.

The school was a two story frame building, located on the site where Central School is now located. Claude Norton, of Weatherford is president of the class and he writes that he will attend the class meeting again this year.

BRUCE BEENE signs up for the Red Cross bloodmobile which will be in Hereford June 2. Beene, who has taught first aid classes at the high school for two years, was the first one to sign up for this year's drive. Mrs. Corinne Jennings, executive secretary of Red Cross looks on. Staff Photo.

### Red Cross Disaster Committee To Review Plans For This Area

With Waco and San Angelo both under martial law this week as the result of tornado damages, the scheduled meeting of Hereford's Red Cross Disaster Committee for Friday evening, 8 o'clock, seemed timely, according to A. J. Schroeter, Red Cross chairman.

The committee, in addition to any other interested persons, will review overall plans for this area in case of disaster as presented by Red Cross, and will make additional plans which might appear practical.

"The idea is to have an organization that will know what to do, and how to do it, should disaster strike the community," Schroeter said. "We invite all interested persons to attend. The meeting will be in the Red Cross office on the third floor."

Representatives from the sheriff's office, city police, fire department, hospital, were especially invited, along with doctors, ambulance service, communications and "ham" radio operators.

"All of these people play an essential part in case of disaster," Schroeter pointed out, "and plans laid now can show multiple returns if we should face an emergency disaster of any sort."

"B" team.

GARRY SOUTHERN has the same record, except he will be a Junior.

LYNN BYBEE is out for his first time this spring. Bybee is light, but is definitely interested. He will be a Junior.

### For Posts In Line

Line players, generally considered the backbone of the team, is much the same story as the backfield for Hereford High. Long on numbers, but short on experienced players, except for "B" squad training.

AROL ACTION, Sophomore, "B" team. Showing promise.

CARROL JONES, Second year letterman. Senior. Played guard and tackle last season, mostly on offense.

JACK PARKER, A transfer student. Shows good promise.

DON PARSONS, letterman from 1952 reserve squad, will be looking for a regular berth this season—and might just make it, too. Parsons will be a Sophomore.

RAY DEAN AXE, Senior. Comes up from the "B" squad and is looking for a chance to give someone a run for a regular spot.

JOE EASLEY, Junior. Joe saw action last year to earn his letter and with the '52 experience should run rough-shod this coming season.

JACK BURRUS, Junior, was hurt last season and is looking for a chance to make up for lost time.

MILTON WHITE, Sophomore. White is coming up from the "B" team.

LARRY KAUL, Junior. Another youngster who saw service on the top-rated "B" squad in '52.

RONALD SHERMAN, Junior, will be eligible this season and is trying out for his first shot at varsity play.

CLARENCE CAYWOOD, Junior, is another player off last year's "B" squad.

CHARLES SPRINGER, dropped out of spring training due to a neck injury of previous standing. Springer was showing up good, but probably will not be able to play.

DON SIGLE, Sophomore, is a reserve letterman from the '52 squad and during spring training gave every appearance of putting up a fight for a regular berth on the "A" team.

KEITH HODGES, Junior, will be a "B" contender next year.

MARTIN REED MOORE, Sophomore, is a carryover from last year's "B" team.

KENNETH MATTHEWS, Junior, also comes up from the "B" team, where he made good showing.

CLINTON GLENN, Junior, is a transfer from Dammitt, but will be eligible next year. This is first year out, however.

FRANCIS BOYD, Junior, is a reserve letterman off the 1952 team. Boyd will be recalled by fans for his line work in several of the 1952 games.

WALTER KAUL, Sophomore, comes up from the "B" team.

WAYNE SMITH, Sophomore, also played on the 1952 "B" team.

WALKER KIRKLAND, Sophomore, is another "B" boy from last season.

LYNN JONES, Sophomore, likewise graduates from the "B" squad.

CHARLES QUATTLEBAUM has one letter to his credit for line work in 1952. He is a Senior.

JON FRASER, Sophomore, got his first experience in spring training this season.

The game passers, plus better receivers, are two factors upon which Russell is backing his offensive. "And," he said, "everything depends on how the line comes through."

8th Grade Candidates

Out from the Eighth grade and competing with some of the above players for positions on the "B" squad this year will be: Bobby Veigel, Bill Calloway, John Bryant, Tommy Vaughn, George Drake, Lynn Bosmer, Danny Elliston, Frank Woolbright, Kenneth Huse, Eugene Coombs, Larry Rutherford, Gene Waits, Billy Dement, Billy Dufur, Jerry Malone, Charles Weems, Marvin Findley, Billy Knox, Larry Boston, Ed Schroeter, Chas. Reed, Buddy Jowell and Wheeler Sears.

Q. How can I avoid difficulty in finding an article when storing things for the summer or winter?

A. Mark each package as to its contents and there will be no trouble finding certain articles when they are needed.

ed to prevent epidemics, or on a small scale where one in a family has fallen victim to it and so to immunize the others exposed.

It will come through the state health department upon request from your own doctor when needed, without charge, except what is the doctor's actual fee for the administration. Even at best this year it will be limited with Red Cross collecting all it can, the processing by the plants, commercial and under polo research and others.

Hereford donors gave generously last October, and this year our quota is 150 pints but many more will have to be signed up to take care of the rejections, the absent and for a reserve.

Under the recruiting chairman, Mrs. O. P. Cowart, workers have already begun contacting those

signed last year, who were held in reserve, and those who for other reasons could not give then, some who were not able to donate then but will be able to this year.

Red Cross has accepted this extra duty until something better is worked out which will be probably done as have many other things in the past and is on a temporary basis. They ask your cooperation in signing cards and donation June 2, at the First Baptist Church.

A meeting of the chairman, T. E. Seigler and other committee heads will be held at the Neat Cafe Thursday noon at lunch.

### Local Quartet On TV Program

The Hereford High School boys quartet last Saturday night went on television (KFDA-TV, Amarillo)

to publicize the annual Hereford Pioneer Days May 29-30-31. Assisting the group were A. O. Thompson and Cecil Massey, C-C manager.

Appearance of the group was made on the Carl Hare "Talent Show," and was sponsored by the Chamber of Commerce. The quartet, composed of David Stanton, David Goldston, Leaton Clark and Tom Osborn, was accompanied by Raymon Childers. They appeared in two numbers, "Wagon Wheels" and "Git Along Little Dogie."

Stanton, as spokesman for the group, also interviewed Thompson, pioneer elder of the area, regarding the annual Pioneer Days here. The program was written and planned by Massey, who appeared in the first portion of the program to add further comment to the coming celebration.

Western scenery emphasized the Pioneer Day theme.

### Charles Donald Set For Friday

News of the death of Charles Donald, former rancher of Hereford was received here early Wednesday morning.

Mr. Donald died in his sleep Tuesday night at his home in Las

Vegas, N. M. following a slight heart attack suffered earlier in the evening.

Burial will be in the old Donald burial plot at Birdwell, near Dallas-Friday.

Besides his wife, he is survived by one daughter, Mrs. Carlos B. Floyd, of St. Louis, Mo. and two grandchildren.

Mr. Donald came to Hereford in the early 1900's and was owner of the D-Bar ranch for many years. The family left here 15 years ago and located at Fort Sumner where he held wide ranching interests.

They later moved to Las Vegas, where he continued his cattle business.

Joe Woolery is home from Childochee for the week. He is visiting with his parents, Mr. and Mrs. V.C. Woolery.

A. J. Peters of Hereford has been recently named to membership in the American Aberdeen-Angus breeders' association, according to releases from the Chicago office this week.

### Chief Cites 52 Local Accidents

In a talk to members of the Hereford Jaycees, Police Chief Leo Box, pointed out that since January 1, 1953 there have been 54 traffic accidents in the city limits of Hereford.

Estimated damage in the accidents totaled \$16,285.74.

There were 14 people injured in the accidents, including two pedestrians.

In a breakdown of the age of the drivers, Box said that 5 per cent were under 16; 32 per cent were from 16-23; 32 per cent were 24-35; 14 per cent were 36-50 and 17 per cent were 51 and over.

There were 67 tickets issued for moving violations in connection with the accidents.

### James Whittler Win Grapple Card

Johnny James of Houston took the first event of the Lions Wrestling card Saturday night from Buck Lipscomb with only two falls.  
In the main event of the evening Whittler came out the winner of a match with Luigi Macera. James, Houston strongman, used a figure 4 head scissors to take the first fall of the two-out-of-three fall match, from Lipscomb. In 11 minutes James took the match by disqualification.  
Whittler won the first fall of the second match in 18 minutes with a body press.  
Macera came back to take the second fall in 12 minutes with a body press.  
The match ended 30 seconds into the third fall when Whittler pinned Macera with a double leg cross. Gene Detton was referee for the evening.  
Mrs. Early Joiner and son of Floydada spent Mother's Day here with her parents, Mr. and Mrs. G. W. Brumley.

## Salary Scale Minimums Set For New High School Plant

With plans for Hereford's new \$850,000 high school still in the process of completion by the architect, the school board Tuesday night set a minimum labor scale for contractors who bid on the structure and reviewed five alternatives to be used in cutting construction costs if necessary.

The alternatives, passed at a special April 20 meeting, included possible elimination of the following items if required to remain within building costs: acoustical ceilings, terrazzo floors, wall plaster, basketball stops and metal doors.

The following minimum wage scale which contractors may pay on the building was adopted on an hourly basis:

List Minimum Scale  
Air tool operator \$1.50, brick

layer \$3, carpenter \$1.75, cement finisher \$2, electrician \$2, glazer \$2, structural iron worker \$2.25, reinforcing iron worker \$2.12, unskilled labor \$1, lather \$2.50, blade grader \$2, crane and drag line operator \$2.25, 1-drum hoists \$2, mixer under 14 feet \$2, mixer over 14 feet \$2.25, mason tender \$1.40, mortar mixers \$1.40, brush painters \$2, pipe layers \$1.50, plasterers \$2.50, plumbers \$2.25, composition roofers \$1.90, sheet metal workers \$2.40 fitters \$2.40, truck drivers (1 1/2 to 3 ton) \$1.25, dump truck drivers \$1.25, roller operators \$2, scraper operators \$1.75, tractor operators \$1.50, trench machine operators \$2.

Minutes from the April 20 meeting also included raising the salary of Fred Baird, school tax collector to \$4,800 per year.

Balances in the petty cash and library funds were balanced and bills were approved for payment.

Supt. George Graham reported on the exceptional children's class for 1953-54, stating that it can be operated in one class as a retarded group with a maximum of eight enrolled.

The group voted to send a letter of thanks to the Hereford Lions Club, which recently voted to buy 10 new band uniforms and to add five additional uniforms each year if possible. The group was also reported as having voted to provide an electric score board, cost \$1,000, for the new football field.

The board voted to provide a bus for transporting students who desire to attend the band clinic at West Texas State College.

The question of board minutes was also discussed and the board decided that all motions, whether passed or not, should be included, along with items generally discussed. It was also decided that each member should be mailed a copy of minutes covering each meeting.

## Band Concert Is Slated May 19

A form of entertainment, which hasn't been presented in Hereford for a number of years, — an outdoor band concert — will be given Tuesday night, May 19.

The band will be on the south porch of the courthouse for the program which will begin at 6:45 and continue until 7:45.

The program will feature lots of marches and popular numbers, according to Bill Latson, Band director.

A special feature of the program will be when the 8th grade band students exchange places with the graduating seniors for two numbers. This is to give the public an idea what their next year's band will be like.

In case of bad weather the program will have to be moved to the high school auditorium.

we feel that he has done an outstanding job in Hereford. However, we do not feel that it would be fair to hold him back from a better position, especially one where he can perform continued service for the community."

In accepting the City Manager's position, Mr. Massey said that he looks forward to the job and to working with the City Commission.

**Table Show Draws Many Visitors Sat.**  
Mrs. W. C. Hamilton of Wichita Falls, Flower arranger, lecturer and flower show judge, delighted her audience in her lecture - demonstration Saturday afternoon at the Hereford Garden Club Table-Show held in the Shirley School cafeteria.

Mrs. Hamilton's lecture on "Let's Make Table Setting Glamorous" was an artistic challenge to women to arrange beautiful tables for their families as a part of homemaking, and to work for a happy home by adding the charm and inspiration of flowers to their tables. She discussed each table arrangement, which she had done earlier in the day, and created four arrangements for the audience to see.

Nineteen different types of tables were shown with members of the club arranging the setting and the speaker making the flower arrangement. Each arrangement suited the type of table presented.

The four breakfast tables included: "A Glamorous Breakfast on a Tray," Mrs. Glenn Boardman, hostess; "The Family Deserves a Pretty Breakfast," Mrs. E. Ramey, hostess; "A Leisurely Sunday Breakfast for Weekend Guests," Mrs. Francis Hardwick, hostess; "Wheel Your Breakfast into the Sun," Mrs. Rex Tynes, hostess.

Luncheon Tables included: "We Are Festive Today—The Daughter is at Home," Mrs. C. C. Ferguson, hostess; "Luncheon Followed by Bridge," Mrs. S. S. Williams, hostess; "A Party Luncheon, Honoring Mother," Mrs. M. T. Rutter, hostess; "The Unexpected Guest Luncheon" (setting with an odd number) Mrs. O. H. Herring, hostess.

Tea Tables: "Tea For Four," Mrs. Jim Black, hostess; "At Home" honoring a house guest, Mrs. A. O. Thompson, hostess.

Buffet Table — "Buffet on the Porch or Terrace" Mrs. E. W. Young, hostess; Semi-Buffer for the Maidless hostess, Mrs. Frank Brinkman, hostess; "Buffet Supper served in the backyard, for the man of the house after a day's outing," Mrs. Jeff Roberson, hostess.

Dinner — "Let's Dine Alone Tonight," Mrs. Harry Lomas, hostess; "Family Dinner," Mrs. Grady Bowdry, hostess; "Dinner for Eight" an idea table, Mrs. W. S. Flutt, hostess; "Dinner at Eight," an important occasion, Mrs. John N. Jacobsen, Jr., hostess; "Coffee in the Living Room" Mrs. J. P. Slaton, hostess. Four chair prizes were given.

Mrs. Hamilton was assisted by Mrs. Ralph McCullough, president of the club, Mrs. A. L. Manjeot, show chairman, and Mrs. O. G. Hill, program chairman.

THERE'S A RAILROAD UNDERNEATH... Dust storms which whipped across the South Plains of Texas buried two short sections of Santa Fe Railroad track west of Brownfield, Tex., and bulldozers were called in to move the main portion of the sand so that work gangs could get to work to clear the rest of the track bed. At this point, the sand was as much as two feet deep over the rails. (AP Photo).

# CHIP SHOTS

By Bud Posey

About 45 shftmakers from Plainview will return the inter-city match we played there a few weeks ago. They will be here Sunday, May 17, and plan to bring around eight ladies. They beat us pretty badly down there, so let's return the favor and really "pin their ears back" here. We have set the starting time at 10:30 a. m. in the morning, so all you fellows who can start early, let us know when you turn your names in to the pro shop. All of you who go to church can come down as soon as you can after it is over. Please turn in all names by 7 o'clock Saturday evening, May 16, if you want to play; also, if you played at Plainview and want to play the same fellow here, please let me know that too.

The course and greens are shaping up mighty fine the last few days; frog harris and tee boxes

will be mowed very close if our new Toro mower comes in. Greens will be fertilized in a few days again and iron sulfate will be added to give color.

Several new golfers, both men and women, have been playing and taking lessons lately. Among these are Ernest Kendall, Dean Brown, Connie Hopson, and Dell Sherman. When the weather gets a little warmer, golfing will really pick up.

Several men and ladies from the Muleshoe club spent the day here on Thursday, May 7. They were telling me that Muleshoe has 80 paid members in their little club and they have a sand-greens layout. Four of them have already entered our Pioneer Day golf tournament scheduled for the 30 and 31 of May. Let your beard grow, sharpen up your game and win yourself a dozen new golf balls on Pioneer Day.

# Hereford Squad Blows Lead Loses To Springlake, 10-7

By Shelby Whitfield

Hereford's baseball nine blew a six run lead and then went down to defeat at the hands of Springlake Sunday afternoon. The final score was 10-7. The game was played at Springlake in good baseball weather, save three gusts of wind that held up the game momentarily.

The locals took a four run lead in the top of the first and stayed in front until the seventh when Springlake tied up the game 7-7. Johnny Renner led off with a fluke hit to right field. He was followed by Dewaine Stewart who hit a similar single to the same position. Stan Barrett then cracked a sharp line drive single into left field to drive in both men. Raymond Lueb then struck out and L. J. Clark reached first on an error by first baseman Bill Watson. Barrett tried to score on the play and was thrown out. It was a close play and many thought Barrett scored. Clark came in to score on a hit slashed into right field by Wendell Burdine. Burdine, the speedy left-felder, followed Clark across the plate on rightfielder's Buck McClure's double error. McClure fumbled the ball and then threw wild to third. Bud Stengle struck to end the inning.

Johnny Winkler, who won last week's game from Tulia, started for Hereford. Winkler had to retire after three innings due to a charley horse that developed during the pre-game warm up. Winkler allowed only one run in his three frame stint and that came in the first. Watson hit a double, his first of three, to score Tom Sanders who was on with a fielder's choice.

Manager Andy Anderson relieved Winkler and retired the side, three up and three down in the fourth. But in the fifth, Anderson rendered a double to James Washington and then heaved a gopher ball to stump Washington who parked it over the left centerfielder's fence. Anderson walked Mgr. Earl Watson who was pinch-hitting and brought Johnny Renner in from third to hurl. Renner retired the side, but had he known what was coming up in the next two innings, he probably would have been content to play third base.

LIPSTICK FOR BABE -- Babe Didrikson Zaharias uses lipstick after her first "tub bath" at the Hite Hotel in Beaumont, Tex., since an April 17th operation to correct a malignancy. While getting ready to take a brief walk in the hospital corridor, the famous woman athlete said, "I washed, combed and rolled up my hair, too". (AP Photo).

In the sixth, Renner allowed 2 doubles, three singles, and two walks as fourmen crossed the plate. Johnny fared little better in the seventh as Springlake collected the three winning runs on a double and two singles. Stan Barrett came in from shortstop to pitch with two men out. He allowed a harmless single and struck out Tuff Dent to retire the side. Hereford scored two in the fourth and 1 in the fifth but couldn't take in the last four innings. Dewaine Stewart hit a double, his fourth hit to lead Hereford, to drive in the runs in the fourth. Catcher Bud Stangle, trailed Stewart with three hits singled to score Clark in the fifth. ## Double Main Event Tops Lions Grapple Schedule This Week

Wrestling fans of Hereford and hereabouts may contemplate an interesting evening Saturday. One of the most imposing cards of the year is scheduled for the Pavilion, a program made up of a double main event and a specialty, involving six of the more popular wrestlers of the Southwest States territory.

Topping it off will be Roger Mackay, handsome favorite from Salt Lake City, and Jack O'Reilly, the champion of Australia whose home town is Sydney.

Johnny Henning, the clever ex-frogman of the U.S. Navy, meets that rugged "iron man," Whitey Whittler of Roxana, Illinois, in the first section of the double main.

Each of the twin main events goes for two out of three falls or to a one hour time limit.

George Bruckman, squatty but effective grappler from Washington, D. C. meets veteran Billy Weidner of Amarillo in the opening event.

Hereford gets a definite break in that one of the Saturday night cards promulgated by the Southwest States Enterprises, booking agency for this area, has shifted one of its Saturday night cards to Friday night, thus giving Promoter Guy

Lawrence an opportunity to lounge and enhance his program.

Roger Mackay is recognized by many fans and officials as the "uncrowned champion" of Southwest States junior heavyweights. He felled Dory Funk in an official championship match not long ago, but Funk retained his belt because the rules say a champ may not lose on a disqualification. That is partly how Funk lost the third and deciding fall to Mackay, although the young and portly Utahian had Funk reeling long before the disqualification took place. At any rate, Mackay is "tops" in many books. He'll demonstrate his ability and rights here Saturday night.

We're gonna have us another "Big 7" conference which likely will turn into a "Round 8" league when all the returns are in. Last week the ponderous Southern Conference reached a parting of the ways for part of its seventeen school membership. The seven "Big Schools" served notice of their withdrawal. Duke, North Carolina, North Carolina State, South Carolina, Clemson, Wake Forest and Maryland will form a new league, with a potential winner in Virginia University, which muller a loner on the SC scene late back. Ironically enough Maryland and Clemson had just been reinstated into the Southern Conference after an enforced relations severance on account of some extra curricular howline. This secession, which probably won't bring on a resumption of shouting hostilities, will probably force some of the remaining SC members out of any semblance of big time football competition and could force them to abandon the game, due to the absence of games that would attract paying customers in sufficient quantities to pay the freight and demurrage which continues to accrue appallingly in the football realm. The remaining ten are, of course, the weaker members of the clan and with correspondingly smaller stadia and poorer gate suction. These clubs are The Citadel, Furman, V P I, Washington and Lee, Davidson, George Washington U., William and Mary, VMI, Richmond and West Virginia. The last named school has only been in the caucus for 3 years and probably will be forced out by geographical reasons and just when the Mountaineers from Morgantown were beginning to show their teeth to one and all. This latest move by the withdrawing 7 is just one more in the long line of partitioning procedures which has sliced up the old numerically top-heavy SIAA. The other remaining cumbersome conference in that vicinity, the Southeastern, presents more difficult division problems, even though a cutting down of the group seems desirable. At the meeting Friday night Mr. Barden appointed the following committee chairmen: Increasing and Managing Farm Income, M.L. Simpson, Jr.; Improving Health, Mrs. M. L. Simpson, Sr.; Encouraging Social Participation, Mr. Geo. Pope.

The meeting recessed and these committees met and set up tentative goals for the coming year. Some of these goals are—piping water and butane in the community center, fixing a playground and park and having several educational films during the year.

It was decided we would meet every second and fourth Friday nights until we get our program planned and underway.

Edd McElroy, County Agent and G. P. Dyer of Dimmitt showed two films. One on Parliamentary Procedure and the other "The Price of Freedom."

Those present were: Mr. and Addison Hunter, Mr. and Mrs. Joe Bozger, Mr. and Mrs. Virgil Lamb, Mr. and Mrs. H. H. Smith, Mr. and Mrs. M. L. Simpson, Sr., Mr. and Mrs. H. E. Ratch, Mr. George Pope, Mr. Bill Goodpasture, Mr. M. L. Simpson, Jr., Mr. W. E. Clowdus, and Mrs. Bill Simpson.

# Jumbo Community To Make Bid In Progress Contest

By Mrs. Bill Simpson  
The Jumbo Community Progress Club met at the Community Center Friday night, May 8, for the second meeting of a new work of the year.

The contest is for community improvement and is sponsored by the Farmer-Stockman Magazine and carried out or over-seen by the Extension Service. Jumbo and the Sunnyside Community south of Dimmitt were the only two communities entered in this district this past year and Sunnyside won first in district competition and are entered now in the state contest. Jumbo graciously accepted second place this year but just you watch this next year. Now that we know the whys and wherefores we are just liable to win first in district and state as well, this coming year.

Our officers are: Chairman, Dean Barden; Vice-chairman, M. L. Simpson, Jr.; secretary, Mrs. A. D. Hunter; treasurer, Bill Goodpasture.

At the meeting Friday night Mr. Barden appointed the following committee chairmen: Increasing and Managing Farm Income, M.L. Simpson, Jr.; Improving Health, Mrs. M. L. Simpson, Sr.; Encouraging Social Participation, Mr. Geo. Pope.

The meeting recessed and these committees met and set up tentative goals for the coming year. Some of these goals are—piping water and butane in the community center, fixing a playground and park and having several educational films during the year.

It was decided we would meet every second and fourth Friday nights until we get our program planned and underway.

Edd McElroy, County Agent and G. P. Dyer of Dimmitt showed two films. One on Parliamentary Procedure and the other "The Price of Freedom."

Those present were: Mr. and Addison Hunter, Mr. and Mrs. Joe Bozger, Mr. and Mrs. Virgil Lamb, Mr. and Mrs. H. H. Smith, Mr. and Mrs. M. L. Simpson, Sr., Mr. and Mrs. H. E. Ratch, Mr. George Pope, Mr. Bill Goodpasture, Mr. M. L. Simpson, Jr., Mr. W. E. Clowdus, and Mrs. Bill Simpson.

Mr. and Mrs. O. H. Herring and Mr. and Mrs. D. C. Herring of Friona left Monday for Kansas City where they attended open house held there this week by the John Deere Plant.

## FRIO NEWS

By Mrs. Owen Andrews

Sunday was "Family Day" at Frio Church services. Family groups sat together, and the sermon by the pastor dealt with the Christian Home. Mrs. T. L. Sparkman, Sr., received the corsage as a gift from the church presented by the pastor, Rev. Ward, for being the oldest mother present, and Mrs. Lester Irwin received the corsage for being the youngest mother present.

105 persons were counted in the Sunday School report and 93 were present for Training Union at the evening worship.

The H. D. Robbins had all their children home for Mothers Day. They are Miss Lyla Robbins, of Abertathy, Mr. and Mrs. Weldon Stephens, of Hereford, Mr. and Mrs. E. H. Little, Peggy and Becky, Mr. and Mrs. Frank Robbins, Carol and Stevie, and Glenda and Pat Robbins.

Mr. and Mrs. Robert Simpson and Nellie were in Wellington visiting Mrs. Simpson's parents and other relatives, during the week end.

Mrs. H. M. Mobley had her children the Floyd Colds and Raymond Mobley, LaNelle Mobley, Austin and Don all at home during the day, Sunday, and during the noon hour the other daughter, Mrs. Lee Johnson, of Seminole called the family on the phone.

Mr. and Mrs. Charles King, Jerry King and Miss Anita Higgins, all of Amarillo, spent Saturday night and Sunday in the parental J. E. Andrews home. Others there during the day, Sunday, were their other children, Mrs. Elmer Jones, Patsy and Marilyn, of Hereford, the Owen Andrews family, the Henry Andrews, and Doris Jean, the T. L. Sparkman, Jr. family and Miss Alma Andrews.

Mr. and Mrs. Lawrence Warrick and daughter of Wellington, spent the week end with their parents, the J. E. Warricks.

The Herb Schmidts and Ernest Harders couldn't go see their parents, the D. P. Schmidts, at Clinton Okla., but they talked with them on the phone. Another son, Leonard, had just called from near Dothan, Ala., where he is stationed in the Army, so it was a three way get-together, for the family.

Mr. and Mrs. H. E. Lindley, Mr. and Mrs. Ted Bush, Mr. and Mrs. Elza Warrick and children visited their parents, the Greens near Black, Sunday. Both Mr. and Mrs. Green have been ill recently.

The Leonard Irwin family visited in his brother, R. C. Irwin's home Sunday. They report that Mr. and Mrs. Luther Dowdy and children have moved from Tulsa back to Oklahoma to live.

Mrs. H. M. Mobley visited her sister, Mrs. Claude Price at Floydada, last week and her other sister, Mrs. Geo. Bently, of Grand Falls who met her there at Mrs. Price's home. They then visited their mother Mrs. Lella Taylor at Throckmorton.

Mr. and Mrs. H. E. Lindley were gone several days, last week, visiting at Wellington where they picked up Mr. and Mrs. H. L. Duncan, and then went on to Oklahoma City and visited a sister there, and then to Siloam Springs, Ark., and Bee Bee, Ark. to visit other relatives. There, they visited Mr. and Mrs. Cloyce Duncan, son and daughter-in-law of the H. L. Duncans. They returned here on Thursday night, and on Friday took the Duncans back to Wellington. Mr. Lindley also was there to see his physician. They returned home, Saturday.

Mr. and Mrs. W. H. Thompson, Tawana and La Von, took Sunday dinner with their daughter, Mrs. Lester Irwin and her family.

## 4-H Club Hears Pasture Program

Mrs. Ed Dzuik gave a demonstration on why good pasture is important to members of the junior county wide 4-H Club Saturday afternoon.

Those attending were: Nancy Parsons, Judy Hoff, Carol Norrid, Maxie Wiseman, Vickie Urbanczyk, Sue Minor, Bonita Honea, Barbara Jacobs, Mrs. Ed Dzuik.

It now has 12 members which make it too tall for easy handling. They don't attempt to play a round robin schedule and have been running into some congested title situations. Mayhap on account of their affiliation with the Southern Accrediting Association. The Southeastern has continued to be good and persistent subscribers to an active and healthy recruiting system that has helped keep some of their members bowled bound annually and consistent national title contenders, such as Kentucky, Tennessee and Georgia Tech. Last January One they had five conference members in the holiday velvet, Georgia Tech, Mississippi, Alabama, Tennessee and Florida, winning three of the four bowls contested. If a rift ever arises, the combo has two outlying members, Florida and Kentucky and two persistent weakies, Auburn and Mississippi State. This would leave a tough round of 8, with a distinct possibility that Vanderbilt, one of the older members, would be swapped for the potentially more productive Kentucky. Kim Thorpe has entered the "Happy Hunting Grounds" and the following is not a disparagement to his magnificent record but more specifically a fingerbone pointing at the overall improvement in track and field achievements. Comparing Thorpe and Mathias in the Decathlon is a good barometer. Out of the ten events Jim shaded him in only 1 the 1500 Meters at 4:40.1 to 4:55.3. Here are the other nine events,

Girls attending were: Inez Brown Martha Bookout, Denise Bernard, Sue Channer, Joan Fowlkes, Phyllis Goettsch, Mary Catherine Hucker, Mary Lou McCullough, June Gee, Christine Thomas, Ella Marie Williams, Lynda Phillips, Carolyn Knox, Phyllis Sumner, Bernadette Bezner, Betty Lou Ford, Peggy Bumpass, Betty Kropff, Betty Ferguson, Shirley Schultz, and the leader, Mrs. Homer Brumley.

Mesdames Ralph McCullough, O. G. Hill and A. L. Manjeot were in Amarillo Tuesday to serve as judges in the South Amarillo Spring Flower Show held in The Children's Home.

## Foibles . . .

(Continued from Page 1)

Mr. and Mrs. Arthur Blackburn and children visited last week, at Leonard, Texas, with Mr. Blackburn's mother and his sister, Mrs. Lewis Collins and family. The Blackburns and Raymond Sargent also visited Mrs. Blackburn's and Sargent's aunts and uncles at Van Alstyne and attended Memorial services at Cameron Cemetery where their mother is buried.

105 people who worked at the church painting the Intermediate Sunday school room on Tuesday night, were Veradelle Andrews, Nellie Simpson, Sue Ewton, Nora McLallen, Frances Andrews, La Nelle Mobley, Dan McLallen, Glenn Andrews, Billy Gene White, the pastor, D. W. Ward and Mrs. R.L. Simpson, and Joe Ed Andrews.

Glenn Andrews visited school at Wayland College with Dan McLallen, Tuesday.

Mr. and Mrs. Theo Lamb are announcing the birth of a son, whom they have named Donald Neil. The baby was born May 13. Mrs. Lamb and son are at Mrs. Godwin's Hospital in Hereford.

## Group Plans Skating Party

Tanda Camp Fire Girls met at the Camp Fire Hut Monday afternoon when plans were made for a skating party to be held Thursday evening.

Girls attending were: Inez Brown Martha Bookout, Denise Bernard, Sue Channer, Joan Fowlkes, Phyllis Goettsch, Mary Catherine Hucker, Mary Lou McCullough, June Gee, Christine Thomas, Ella Marie Williams, Lynda Phillips, Carolyn Knox, Phyllis Sumner, Bernadette Bezner, Betty Lou Ford, Peggy Bumpass, Betty Kropff, Betty Ferguson, Shirley Schultz, and the leader, Mrs. Homer Brumley.

Mesdames Ralph McCullough, O. G. Hill and A. L. Manjeot were in Amarillo Tuesday to serve as judges in the South Amarillo Spring Flower Show held in The Children's Home.

## How Can I?

By Anne Ashley

Q. How can I clean white stucco?

A. Use a fiber brush and a solution of soap and water; rinse thoroughly with cold water. If this does not remove the dirt, try a mixture of one part of sulphuric acid to seven parts of water for the scrubbing compound. Rinse with cold water.

Q. How can I get relief from burns and scalds?

A. Common baking soda, either wet or dry, bound on a burn or scald immediately, will usually give instant relief. This is caused by excluding the air from the wound.

Q. How can I clean soiled photographs?

A. Wash them off with a piece of white cotton dipped in cold water. Be sure not to use colored cotton, and never use soap or ammonia, just cold water.

Q. How can I improve the smoothness of clothing that has been starched?

A. Smoothness and glossiness can be more easily secured, when ironing starched pieces, by stirring the starch three or four times while boiling with a paraffin candle.

Q. How can I avoid having tough rolls?

A. Do not brush the rolls with water after they are taken from the oven, as this makes the crust tough. Brush them with water or butter before putting into the oven.

Q. How can I easily insert screws into hard wood?

A. Rub the threaded part of the screw over a piece of soap before inserting it into hard wood, and see if it doesn't facilitate the work.

Q. How much whitewash is required to cover a medium-sized cellar?

A. It is well to remember that a gallon of whitewash will cover about 225 square feet of wood, 180 square feet of brick, and about 270 square feet of plaster.

Q. How can I improve the appearance of a gilt picture frame?

A. After washing the gilt frame, paint it with the white of an egg, using a soft camel's hair brush, and applying the coat evenly and smoothly.

Q. How can I prevent flies around the garbage can?

A. If the contents of the garbage can are sprinkled daily with kerosene, it will discourage flies.

Q. How can I prevent linoleum from cracking when it has been rolled and stored away for some time?

A. Before unrolling it, place it before a fire for a few hours and let it get thoroughly warmed. This will eliminate any danger of its cracking.

Q. How can I cook peas without shelling them?

A. Place them with the shells on, in a kettle of boiling water. When the pods open, the peas will sink to the bottom and the pods rise to the surface, an indication that they are cooked. It is easy to skim off the pods.

**Wayland College**

Plainview—Hereford, with three students, Rose Stephan, Milford Grisham and Danny McLallen, ranks next to Plainview with the largest number of candidates for degrees at Wayland College, May 25.

Commencement exercises will include the baccalaureate sermon on May 24 by Rev. Grady Wilson of the Billy Graham Evangelical team and the commencement address at 8 p.m., Monday, by the Rev. Cliff Barrows of the Graham team.

All three have not only carried full academic courses but have held responsible positions on the campus, as well as a fair share of student offices.

## Every home needs FENCE for beauty

Privacy — Protection

Whether cottage or mansion, no home is quite complete without an attractive fence. And it's wise insurance for protection of children and shrubs against stray animals. Choose from ever-popular picket styles . . . boards . . . ornamental wire . . . or easy-to-build rambling stretcher type in many designs. We'll gladly help you plan and estimate the materials required.

**Ornamental Lawn Fence**  
America's most popular lawn fence for homes, gardens, and parks. Strong, rigid — all wire galvanized steel. Your choice of Double or Single style in woven or welded construction. Per sq. Ft. 11c.

**Cedar Post**  
Only the finest Cedar and Treated posts are used when putting up a fence from Carl McCaslin Lumber Co. New shipment just arrived.

**Wood Picket Fence**  
Now you can have a good looking, long lasting picket fence without building it yourself, picket by picket. Picket made of quality lumber.

**Wood & Wire Picket Fences**  
Gothic point tops give attractive appearance. Make your own gate by cross-clearing a length of fence. Per sq. Ft. White 11½c; Red .08c; Green .09c.

# Jumbo News

By Mrs. Bill Simpson

Jimmy Carrol Hyatt and Sonya Lowe of Dimmitt and Lauretta Bunn of Jumbo spent last Wednesday night with Louise Simpson.

Mr. and Mrs. H. E. Ritch left March 13 to meet their son, Hugh Lee, who is a corpsman aboard the hospital ship U. S. S. Repose. He had been in Korean waters some months. They met him at Long Beach, Calif. While in Calif. the Ritch visited his two brothers, Jerry Ritch at Glendale, Calif. and Percy Ritch at El Segundo, Calif. and a sister, Mrs. Jack Oliver in Eagle Rock, Calif.

Hugh Lee returned with his parents for a 30 day furlough. On the way home they stopped at Pueblo, Colorado to visit their daughter and sister Charlotte Ritch, who is a therapeutic dietitian there.

Mrs. Bill Simpson has been accepted as a new member in the Les Meres Child Study Club. She attended her first meeting Monday night May 4 at Mrs. Naomi Brisendine's.

The Home Demonstration Clubs of Castro County entertained the county commissioners with a chicken fry at the Fair Park in Dimmitt last Thursday night. Those attending from Jumbo were: Mr. and Mrs. Virgil Lamb, Mrs. H. H. Smith and Maratha Burt.

Mr. and Mrs. H. E. Ritch went to Lubbock Saturday to visit Mrs. Ritch's mother, Mrs. T. W. Morris. Mrs. Morris suffers from arthritis and two weeks ago she fell and injured herself badly. However she is now in a wheel chair and improving nicely.

The Jumbo Home Demonstration Club met Thursday May 7 at the Community Center with Mrs. Vir-

ll Lamb as hostess. Mrs. M. L. Simpson, Sr. had charge of the program on Bedroom Lighting. Mrs. E. L. Carpenter was welcomed as a new member. Others present were Mrs. Dean Borden, Mrs. H.H. Smith, Mrs. W. E. Clowdas, Mrs. Addison Hunter and Mrs. Bill Simpson.

Mr. and Mrs. R. C. Dobbins of Jumbo and son Robert of Fort Bliss, Texas were dinner guests Sunday in the Joe Scott home. Joe Scott and Mrs. Dobbins are brother and sister.

Mr. and Mrs. Purn Winters of this community visited Sunday with their daughter and her family, Mr. and Mrs. Buster Tidwell of the Cleo Community south of Dimmitt.

The Winters' other daughter, Mr. and Mrs. J. B. Davis and children of Littlefield were also there. Mrs. Bill Carthel was in Plainview Monday to shop and to visit, Mrs. Douglas Cox and her new baby boy.

Mr. and Mrs. Don Adams, Gary and Linda of Albuquerque, N. M., were visitors over the week end in the M. L. Simpson, Sr. home. Mr. and Mrs. Jiggs Hartman and Denise of Hereford visited with the Simpsons Saturday also. Mrs. Adams and Mrs. Hartman are daughters of the Simpsons.

Mr. and Mrs. Archie Lamb, Betty Ruth, and Clifford, Mr. and Mrs. Melvin Summers and boys and Miss Oney Lee Lamb all of Dimmitt had Sunday dinner with Mr. and Mrs. Virgil Lamb of this community.

Mr. and Mrs. R. H. Schuder of Hereford visited Sunday with Mr. and Mrs. Louie Holster and Thomas. Mrs. Schuder is a sister to Mr. Holster.

Mr. and Mrs. M. L. Simpson, Sr. and Louise and Bob, Mr. and Mrs. Bill Simpson, Betsy and Mickey all of Jumbo and Richard Wood of Dimmitt had Sunday dinner with Mr. and Mrs. Jiggs Hartman of Hereford, Sunday.

### MOTHER'S DAY

Mrs. Charles Newell was in Amarillo Friday night to attend a Mother's Day dinner at the Amarillo Club held by members of the Junior Business Women's Club. Her daughter, Jacqueline, gave the welcome to guests and Mrs. Newell gave the mother's response.

Mr. and Mrs. Roger Corbett have returned from Grand Prairie where they attended the wedding of their son, Pat Corbett. Roger Corbett Jr. accompanied them and served his brother as best man.

Mr. and Mrs. G. W. Newsom returned Sunday from South Dakota where they have spent the past two weeks.

## Piano Students To Give Recital

Mrs. Glenn Snyder will present a group of piano students in a recital program Sunday afternoon, May 17 at the First Christian Church at 3 p.m. Interested friends and relatives are cordially invited to attend.

The program will include compositions by Chopin, Beethoven, Brahms, Prokoffiev, Paldini and others.

Appearing on the program will be: David Brumley, Robert Kinsey, Sondra Rainey, Carolyn Knox, Eugenia Knox, Donna Sue Guseman, Gary Guseman, Ghinna Gault, Jane Newsom, Wilseena Witherspoon, Mildred Kelley, Loretta Strafuss, Mary Ann Young, Ann Lookingbill, Dick Wilson and Gayle Gault.

Another group will be presented in a recital on Friday evening, May 22, in the educational building of the First Baptist Church.

want to see something beautiful. The whole back of the lot is covered with the most beautiful flowers that you could ever hope to see in one spot. Funny how a fly rod and a mountain stream is happiness to one fellow, a good camera is happiness to another, and growing a flower does the same thing for still another. A guy has to get the bug for something before he can really enjoy it. Golf bug, flying bug, work bug or maybe just resting.

Overheard an older farmer who had insured every wheat crop he had ever grown, advising a younger farmer on the purchase of hail insurance. "Just insure your expense," he said. "If you insure for what you think the wheat is worth the premium will be so high that paying it is like getting hauled out." Nearly all of the Realtors sell Hail Insurance and personally I think he summed it up pretty good.

A newcomer to Hereford is Mr. Crosby, manager of the Body Shop at the Ford place.

Q. How can I prevent dirt from getting under the edges of the fingernails while gardening, or doing other dirty work?

A. Rub the ends of the fingers over some candle wax, taking care to get it well under the nails. When the work is completed and the hands washed, the nail will be as clean as ever.

## REAL ESTATE BOARD REPORT

Spud growers are a little more optimistic today. . . the price is up somewhat as spuds are beginning to put on here in the Hereford Area. As we understand the potato situation as a whole over the United States, 85 percent of the potatoes are grown on dry land. In event of a failure in some of those areas it might give us a good price locally.

The City has started work on the Park at the north end of Main St. Got a maintainer and a plow going there leveling out the land and getting ready for grass. In 5 years we will have a park as nice as anything Amarillo has.

Don't believe we are going to have any summertime this year. Jack Grady was down the past week from Colorado after spending all winter up there. Jack said he nearly froze the few days he was here. I'm gonna cover my roses.

Fellow never gets too old to learn. Talking to Al Smith and V.C. Hopson and found out that cattle that run on our wheat produce yellow fat. Quality of the beef is just as good as that with white fat but it doesn't sell as good thru the market. Housewives like the white.

## Speech Recital To Be Sunday

Speech students of Mrs. D. W. Hawkins will present a recital program in Ward Hall of the Methodist Church Sunday afternoon, May 17, at 3 o'clock.

Friends of the group and relatives are invited to attend the program.

Varied selections will be presented by: Gail Witherspoon, Charlotte Williams, Pat Smith, Donna Sue Blythe, Marcus Jacobsen, Patty Skypala, Carl George McCaslin, Ruby Kaye Hall, Richard Smith, Patsy Fowler, Gene Snead, Jane Pool, Gary Tannahill, Danny Martin, and Dorothy Veigel. Mrs. A.C. Thompson will provide violin accompaniment for Dorothy Veigel.

Mrs. George Palmer of Childress has spent the past week here in the home of her daughter, Mrs. C. B. Hudson. She plans to return to her home this week.

## Day Nursery For Labor Camp Holds General Interest

Women interested in the organization of a day nursery for the children of Hereford's migrant workers met Friday morning in the home of Mrs. Joe Paetzold, with committees reporting on progress made toward opening the nursery June 1st.

Mrs. O. Wertenberger and Mrs. John Gallagher of the finance committee, reported plans for a rummage sale to be held at the labor camp Saturday, May 16. Mrs. Bob Lamb, chairman of the sale, asks that anyone wishing to contribute clothing bring it to 127 N. Knight. Plans are also underway to operate a refreshment concession Pioneer day.

Mrs. Wayne Edwards, personnel chairman, advised that cards, volunteering services at the nursery are being signed, but that many more workers will be needed. Anyone interested in signing up to work is asked to contact Mrs. Edwards. The position of paid supervisor of the nursery has not been filled, although several prospects are to be interviewed, said Mrs. Edwards. Salary and hours of the supervisor were discussed by the group.

Mrs. Earl Plank, general chairman, reported that the Campfire Girls are helping to paint the barracks, and that the FHA girls from Hereford High School, in the classes of Mrs. Tommy Husey, are going to assist with the decorations as a service project. They plan to make curtains and appropriate paintings for the nursery. Mrs. Joe Paetzold reported that sheetrock to seal the barracks is being donated by the Labor Camp Board, and the necessary labor is being donated by local carpenters and handymen interested in the project.

Mrs. George Tiefert of the equipment committee reported that there is much to be secured to equip the nursery. A stove and refrigerator head the list of necessities, with linoleum, a commode, orange

crates, dishes, silver, glasses, towels, tea towels, sheets, old card tables, play pens, also on the list. Hereford housewives are asked to search their store rooms and cupboards for any of the listed items and call Mrs. Tiefert, or take the articles to the home of Mrs. Don Root, equipment chairman, 511 N. Main.

Mrs. Plank read instructions and suggestions for conducting a migrant day nursery from the Manual of Practices and Procedures published by the New York State Migrant Child Care Program. A letter was also read from Mrs. Edna Lee Collier, of Amarillo, formerly of Hereford, offering several child care books on nursery procedures to the committee and advising the group of opportunities to train workers at the day nurseries in Amarillo.

The group adjourned until next Friday morning at 9:30, when they will meet at the labor camp barracks, dressed for work and armed with cleaning materials. Those present at the meeting were Mesdames Lamb, Tiefert, Dan Larsen, Zelma Ake, Wayne Edwards, H. C. Williams, Dale Tinnin, Jim Kirby, Floyd Ross, Plank, Gallagher, Wertenberger, Miss Bea Barrett, and the hostess, Mrs. Paetzold.

## Class Enjoys Buffet-Supper

Golden Circle Class of the First Baptist Church held a buffet supper in the home of the teacher, Mrs. Roy Calvert Friday evening. The table was centered with an arrangement of Iris and Boston fern and small tables held miniature bouquets of pansies.

The program was built around a Mother's Day theme and was presented by Mesdames A. L. Davis and C. E. Hood. Group singing was also enjoyed.

Those attending were Mesdames: R. H. Hale, Sandford Smith, H. D. Goldston, J. E. Young, G. E. Harris, Hazel Sparks, Alice Cox, Glenn Boardman, C. E. Beauford, C. E. Hood, A. L. Davis, Roy Thompson, J. M. Hamby, A. J. Ralston and the hostess.

## Copper Tooling Discussed For Cultural Club

Mrs. Earl DeHart gave a demonstration in copper tooling to members of the Cultural Home Demonstration club Tuesday afternoon May 5 in the home of Mrs. C. S. Barclay.

This was the second lesson taught by Mrs. DeHart which is proving to be a very interesting art among members of the club. Another work meeting has been called at a later date at the home of Mrs. W. E. Holcomb, 707 Miles Street.

Those attending this meeting were Mesdames: Leona Packard, Louie Olson, W. E. Holcomb, R. E. Hargis, J. T. Richardson, Herbert Bellar, Edgar Telchik, Fred Wolfington, Earl DeHart and the Hostess C. S. Barclay.

The next regular meeting of the club will be May 14 at the home of Mrs. M. W. Sunners, 25 miles northwest of Hereford. Members are to meet at Mrs. Louie Olson's and Mrs. Fred Wolfington's and proceed in cars from those destinations.

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models . . . the remarkable gasoline economy . . . the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

## What Makes One Job Better Than Another?

What if the tables were turned... and college graduates stopped filling out job applications, and instead, submitted questionnaires for companies to fill out? It might be they would ask:

"Why should I work for your company? ... Is your bank balance healthy? ... Are you expanding fast? ... Will I get responsibility in a hurry? ... Can I pick the type of work I like? ... Are you fun to work with? ... Do you have smart men I can learn from? ... Free schooling to train me further? ... Research and know-how? ... Money for the finest equipment? ... Will you recognize and utilize my talents?"

Isn't it a sign of a pretty good job when young men with talent can have a clear road ahead, can learn from people they respect and admire, and can work on projects of national importance?

From where we sit, we've been watching this happen: Teams of people at General Electric—in their twenties most often—are solving problems of jet plane engines, new chemicals, home appliances, guided missiles... everything from atomic power to air conditioning. And they're working in responsible jobs, with experts of recognized authority.

Maybe it's because we're growing fast that young men move into new and bigger jobs. Or because we've been lucky enough to hire the type of men who grab responsibility and work hard to achieve success. Whatever single factor or combination it is, young men and success do go together at General Electric.

### Mrs. Frank Reed Is Much Better

Mrs. Frank Reed, who suffered a stroke some time ago was able to be out Friday. She is staying with her daughter, Mrs. J. E. Knight and family this week. She has been staying in the home of her children since she was dismissed from the hospital.

### How Can I?

Q. How can I keep the bird cage clean?

A. Place five or six thicknesses of heavy white paper, cut to proper shape, in the bottom of the bird cage. Each morning a paper can be lifted out, leaving a nice clean floor.

Q. How can I prevent sticking when cutting marshmallows?

A. Dip the kitchen scissors into powdered sugar before each cutting and there will be no sticking.

Q. How should a mattress be aired?

A. By laying it flat in the sunshine, turning it frequently, so that each side may absorb the sun. Never hang it over a clothesline, as this has a tendency to break the filling, making a very uncomfortable ridge in the center of the mattress.

Q. How can I kill moths that have infested a clothes closet?

A. Saturate a cloth with formaldehyde and hang it in the closet. Close the door tightly and leave for twelve hours. The fumes will kill the moths and their eggs and will leave no odor.

Q. How can I satisfactorily

change dirty white shoes to brown?

A. By rubbing them over with a mixture of 20 drops of saffron and two tablespoons of olive oil. Two applications are necessary for proper color.

**YOUR CONGRESSMAN REPORTS:**

**History Repeats Itself In Opening Of World War II, Says Rogers**

Is History Repeating Itself So Soon? Many have forgotten during the past fifteen years the events that preceded World War II. On September 15, 1938, the Prime Minister of England, Neville Chamberlain, met with Hitler at Berchtesgaden concerning the Sudetenland. Hitler demanded self-determination for Sudetens and their return to Germany; he promised to refrain from hostilities until after Chamberlain's consultation with the British Cabinet. This was because the Prime Minister did not have authority to make commitments for the British Empire. Subsequently, on September 22nd, Chamberlain

and Hitler again met at Godesberg. The Prime Minister refused Hitler's demands for the immediate occupation of Sudetenland. Hitler refused to guarantee frontiers until his other minority claims were satisfied. On September 29, 1938, the conference at Munich was held. The four powers, Germany, Italy, Great Britain and France, agreed to cession of Sudetenland. Britain and France offered to guarantee new boundaries of Czechoslovakia against external aggression. This was perhaps due in part to the indications on the part of Hitler that he was interested primarily in Sudetenland and did not antici-

pate or have in mind any hostilities. On October 1, 1938, in keeping with the Munich conference, Hitler occupied Sudetenland. On March 15, 1939, exactly six months after the Berchtesgaden meeting, he occupied Czechoslovakia. On August 23, 1939, the Hitler-Stalin non-aggression pact was entered. On September 1, 1939, Hitler invaded Poland. On September 3, 1939, Britain declared war on Germany. On June 22, 1941, Hitler attacked Russia. You will recall that in the beginning Hitler began his program on the theory that the German people needed living room. Shortly after World War II, and so far as we know before the end of World War II, Russia began moving on her program which for all intents and purposes has as its ultimate objective the same as was Hitler's; world domination. Russia's program differs from Hitler's only in the fact that Russia has not offered any excuse for her aggressive actions. She has moved in almost identical pattern, subjugating one country after another, and has procured the willing ser-

vices of the communistic forces in China and North Korea to carry the battle in Korea up to the present time. There had been some wonder as to what the next step would be after Korea. However, there seems to be little doubt now as to the correctness of the predictions that her next move would be in southeast Asia. It has been concluded by many here that Russia is delaying the present truce talks on the theory that she has full control of determining the day of cease-fire in Korea. The reports are that many of the Red Chinese troops are being moved out of Korea. Where they are being moved to is not presently known, but it is safe to assume that they will be used as seasoned troops to bolster and carry the attacks in Indo-China. When such movements of troops and building up of supplies have reached a point satisfactory to Russia and China, these two will then work out the necessary mechanics for the cease-fire in Korea. They feel that the progress of the truce talks so far leave them in a good position, as they have Korea a divided country, with the

dividing line just north of the 38th parallel. This does not meet with the approval of the South Koreans, and Russia knows that the situation there will continue to smolder to the extent that the United Nations must maintain some sizable force in South Korea. The communists will undertake to make cease-fire day conform to their timetable. This they can do by making certain commitments and then violating them, as they have so many times in the past, and as they have in recent days concerning the return of sick and wounded POW's. The communists are not interested in the controversial POW's held by the United Nations, except to use them as a pawn for argument and delay purposes. The communists have an abundance of manpower and are not interested in the POW's who do not want to return to communism, except for the purpose stated. They have substantially accomplished their purpose in that field and will move into Indo-China and the other portions of southeast Asia to gain control of the vast supplies of raw materials in that sector that are so necessary in waging war. They will then no doubt move either into India or the Middle East, the latter for the oil that they so badly need for their war machine. Continental Europe will of course be next on the list as it has always been the prime target outside the Americas. All of this adds up to one thing. The United States must awaken now. We must build the strongest possible defense. The primary problem of this nation is not domestic at this time. It is international, and if we fail to recognize what is so obvious and lessen our defenses and our defense program, we will be like an ostrich with his head in the sand. We can expect another Pearl Harbor, which of course will mean World War III. We in this country have it within our power to prevent history from repeating itself in this respect. We must not fail.

Q. How can I easily remove paper labels from sheets and pillow cases?  
A. Oftentimes, there is difficulty in removing these paper labels, but if the goods is pulled on the bias around the label several times, the paper will usually lift off very readily.  
Q. How can I kill dandelions?  
A. An ice pick, dipped in gasoline and thrust into the heart of the dandelions will kill the weeds with little damage to the surrounding grass.

Each Sunday morning Sunday school is held at 9:45 and the morning preaching is at 11 o'clock. Young people's and Junior children's church meets on Sunday night at 6:30. Each Sunday morning at 8:45 over KPAN the Assembly of God church has a radio program. Prayer meeting will be held at 7:30 p.m. on Wednesday night. The WMC meets on Thursday afternoon at 2 p.m.

**First Baptist**

Sunday school at the First Baptist church is held at 9:45 and the morning worship services are held at 10:50. Sunday evening the training union will be held at 6:45 with the evening worship at 8 o'clock. Superintendents meeting will be held each Wednesday evening at 7 o'clock with teachers and officers at 7:15. Prayer meeting is held at

8 o'clock. The church is located on the corner of Fifth and Main Streets. Bob Lawrence is the educational director and Shirley Sharp is secretary.

**St. Thomas Episcopal**

The service of holy communion will be celebrated Sunday morning at 11 o'clock, at the St. Thomas Episcopal Church. Rev. John Cummings of St. Andrews Church, Amarillo, will officiate and preach the sermon. Sunday school will meet at 9:30. The fifth in the series of lectures to the inquirers class will be delivered tonight, Thursday, May 7 by Bishop George Quarterman at 8 o'clock at the church.

Q. How can I make whitewash adhere better to walls?  
A. Be sure to clean well any surfaces that are to be whitewashed, and free from any particles that might seal off. Scrub with a stiff brush or broom. It is also well to sponge off the area to be whitewashed with cold water, as whitewash adheres much better to moist surfaces than to dry ones.

**Leather Gloves**

When washing leather gloves, use a soft brush and soapsuds with cool water; rinse in clear water. Pull the fingers into shape and blow open the fingers and glove. If a glove form is not available, stuff some tissue paper into them and hang to dry in room temperature. When the gloves have become about half dry, put them on the hands to shape.

**The Umbrella**

If Vaseline jelly is rubbed on the ribs of an umbrella it will prevent rust from loosening and forcing out the small wires.

**Sachets**

Lavender sachets can be made by mixing sixteen ounces of lavender flowers, four ounces gum benzoin, and two drams oil of lavender.

**Odors**

Any food that has an odor should be placed at the top of the icebox. Odors have a tendency to rise, and if such food is placed on the lower shelves the odor might permeate the other dishes.

**Plants**

Cultivate the potted plants frequently. Try using an old fork to loosen the earth. It will give the roots a chance to force their way through the ground, and will also furnish air.

**Mirrors**

When washing mirrors use one tablespoon of ammonia to a pan of water. Then dry and polish with tissue paper.

**Lettuce**

Wilted lettuce can be restored if washed carefully in a pan of water to which two tablespoons of vinegar or lemon juice have been added. Let it stand for about an hour, then wash in cold water.

**Wrinkles**

To prevent wrinkles in the forehead, bind the forehead with a linen bandage soaked in equal parts of alcohol and the white of an egg. Allow the bandage to remain overnight.

**Rosemary Cronin Signs On Hawaii University Tour**

DAWN—Miss Rosemary Cronin, daughter of Mrs. J. D. Bruner of Dawn, is one of 46 Texas coeds who signed up for the fifth annual Howard tour to the University of Hawaii summer session. Definite plans have been made by three Hardin-Simmons University girls to join the tour — Rosemary Cronin, senior, Dawn; Ruth Lawrence, freshman, Hobbs, N. M. and Rosanna Langly, freshman, Prescott, Ark.

The girls go to Los Angeles June 21 for a time of sight seeing before taking off for Honolulu on the eve of June 22. Mrs. I. H. Moody housemother at Hunter Hall, Hardin-Simmons University will escort the girls to Hawaii.

In addition to Mrs. Moody, housemothers accompanying the Texas students include: Mrs. M. R. Culp, Baylor; Mrs. W. W. Fraser, University of Texas; Mrs. C. C. Turner, Southern Methodist.

They will join some 16 other housemothers who will accompany the 200 or more coeds expected to join this University of Hawaii tour.

After attending morning classes at the University students will spend their afternoons on the beach of Waikiki and sight seeing. Included in the tour are motor trips which circle the shoreline of Oahu, the main island — excursions in Honolulu and visits to Pearl Harbor, a pineapple cannery, a sugar mill, the Royal Palace, and native villages, special trips to outside islands will be arranged.

At Waikiki members will go on a catamaran cruise, take several outrigger canoe rides, and swimming in the waves.
