Bracero Worker Being Deported After Receiving Slash In Fight

One Mexican national will have his work contract cancelled and be sent back to Mexico as the result of an argument Monday night at Charles Huston's dormitory.

Ruben Ortiz, who received a knife slash on his leg and was probably saved from bleeding to death by Hereford Policeman James Bates, will be sent back to Mexico for causing trouble.

Hired Driver Ortiz and two other members of the crew had obtained a ride to Amarillo, the sheriff's office reports, where they became intoxicated. After buying his tickets back to Hereford, they decided instead to pay a man to drive them back.

Arriving at the dormitory, there was some argument as to the payment of the driver, and Joe Ochoa, acting foreman for the group, stepped in. When Ortiz kicked him, Ochoa pulled a knife and slashed Ortiz across the outside of the right leg, taking the fight out of him.

Police Called Some one drove Ortiz into town,

NANCY MILFORD will be "Miss Texas Salesgirl" at the beauty contest sponsored annually at the apparel market in Phoenix, Ariz. This year the market is being held Sept. 19-22. Nancy Milford Is Chosen Miss Texas Salesgirl

Nancy Milford, 18, daughter of Mr. and Mrs. J. L. Milford, 301 Blevins, Hereford, has been selected as Miss Salesgirl of Texas for 1953 by Leo V. Newman of Los Angeles, president of the Grand Canyon State Travellers Association.

As Miss Texas Salesgirl, Miss Milford will represent the state in the 1953 beauty contest sponsored annually by the Travellers Association at their Holiday Market in Phoenix Sept. 19-22.

She will be sponsored by Mrs. Arthur Thompson of the Little Fashion Shop, where she is employed as a model and salesgirl.

Talked To Forty A contest on the use of unsanitary outhouses within the city limits has begun. City Sanitarian Jack Gilliland has already begun contacting property owners where complaints have been filed about the use of the unsanitary facilities...

Sixteen Men Called For Grand Jury Duty

Sixteen men have been notified that they are on the district court grand jury panel which will convene here Aug. 3 at 10 o'clock in the morning.

Twelve of these men will probably serve on the grand jury. Those who were sent their notices are Robert Wagoner, Paul Harvey, J. W. Robinson Jr., Hardy Benson, Don Zimmerman, J. B. Sneed Jr., Ira Scott, Archie Scott, Leo Forrest, Lyle Woodford, A. T. Frye, Ralph McCullough, Mack Noland, Robert Viegler, Virgil Walker and J. C. McCracken.

Flagrant Examples Several flagrant examples of unsanitary outhouses have been brought to Gilliland's attention, and most of the property owners seem willing to comply, he said. Where there is a definite health menace, the city is moving as rapidly as possible to get the property owners to change the situation.

Unsanitary outhouses are often breeding places for flies, and their very existence could provide places from which typhoid might be spread," Massey said.

Spraying Costly "Spraying helps to keep down the fly population, but each time we spray the entire city it costs about \$200. If we get only about

Extended Area Service Trial Asked By Co-op

An effort to get extended area service for Dawn, Westway and Frio exchanges for one month on a 60 cents per telephone basis is being made by the West Texas Rural Telephone Co-operative board of directors.

During a meeting of the board of directors Monday, calls were made to both Washington, where nationwide conferences concerning extended area service for all co-operatively owned telephones through other systems are being carried on, and to Dallas to talk to a representative of Southwestern Bell Telephone Co.

"Considerable Unrest" It was pointed out in the conversation with Washington that there is "considerable unrest and dissatisfaction over the present toll set-up," according to E. C. Reinauer, president of the telephone co-ops board of directors. "Toll service is both inadequate and too expensive," he said.

used as little as possible, the cost of the toll service mounts quite rapidly," he said.

Temporary EAS Asked In a telegram sent to J. C. Paxton, at Southwestern Bell Telephone Company headquarters in Dallas after the directors meeting, the board said, "Please be advised that the West Texas Rural Telephone Co-operative's Board of Directors desires to have Extended Area Service connection for one month beginning August 1, on the 60 cent basis to determine how it will be received and to await the results of the conference in Washington.

"The people are dissatisfied with the toll experiment. This telegram is sent to you at suggestion of David O. Fairley (of the Bell office in Dallas) so that you may notify us if your company will give us this connection for one month trial before signing any contract. If you should require it, the 60 cents per telephone will be paid in advance. Please notify us at

once by wire for records." It is understood here that the actual decision will be made in the St. Louis headquarters of Southwestern Bell.

Other Toll Service Toll service only for three other rural telephone exchanges may be ready about Sept. 1, it was announced at the meeting. Southwestern Bell has indicated that they are installing equipment in Hereford so they can give toll service to the Farmer and Hub exchanges out of Friona, both of which have local service only, and to the Tharp exchange out of Bovina. The Hub exchange, last of this co-op's exchanges, will be connected for local service only on August 1.

Extended area service for the three exchanges will be dependent on negotiations with General Telephone Company.

Handled Through Hereford Both the Friona and Bovina exchanges, which are operated by General Telephone Company, are

unattended exchanges. That is, they do not have any operators on duty. Any special services are handled through the Southwestern Bell office in Hereford, which has direct connections to the two exchanges.

If toll service is approved for the three exchanges, it will mean some "long distance" calls, in every sense of the term, for calls which cover a comparatively few miles.

For example, a person desiring to call from Tharp to Bovina would have to ring for long distance. The call would automatically go through the Bovina exchange and on into the Southwestern Bell exchange in Hereford.

Back To Bovina After getting the necessary information, the operator in Hereford would ring back to Bovina, where automatic equipment would help complete the call. The call could be completed for as little as 15 cents.

Those who heard the report at the board of directors meeting included E. C. Reinauer, president J. C. Morrison, Alfred May, Harold Carpenter, Joe Warren and Floyd Schlenker, directors; J. W. Witherspoon, attorney for the co-operative; Leo Forrest, co-op manager; Robert Bell, assistant manager; and Maurice Tannahill, who was invited to attend the meeting to represent a number of rural and Hereford telephone subscribers, as he has extensive interests both in Hereford and the rural areas.

SCD PURCHASES SPREADERS

Bindweed Control Program Started

Bindweed, whose arrowhead-shaped leaves seem to point to choked-out death for all other vegetation when it gets started in an area, has become enough of a menace in Deaf Smith County that the Board of Supervisors for the Terra Blanca Soil Conservation District has been moved to take action.

As the starting point for a bindweed control program, the supervisors voted to purchase two small fertilizer-type spreaders for use in applying weed control chemicals in bindweed infested areas.

FFA To Have Charge The spreaders are to be placed in charge of the Hereford Future Farmers of America chapter, which will, in turn, rent the equipment to farmers in the district.

Concern was also expressed at the meeting over the difficulty of getting rain water from recent rains to penetrate the soil. It was noted that rains which should have wet the soil to a depth

of from one to two feet only penetrated to a depth of six to eight inches. The rest of the water ran into lakes and draws.

Minor Damages Caused In Angle Parking Mishap Minor damages were caused in an accident here Saturday afternoon.

J. W. Robinson Jr., driving a 1952 Chevrolet, was backing out of a parking space on Main street and collided with the right door and back fender of a 1953 Chevrolet station wagon, driven by Maurice Gacayson Pablo of Watsonville, Calif.

Damages were estimated at \$30 to the 1953 Chevrolet by investigating officers. Robinson was charged with failure to grant the right-of-way.

La Plata Club Team Trys For TV Set Tonight

Members of the La Plata club are anxiously awaiting tonight to see if Mrs. H. H. Caraway, Mrs. Emil Dettman, and Mrs. Frank Prowell can win the TV set which will be given to them if they win again on the Texas-USA program.

The women have won twice. To receive the TV set, they have to win three times in succession.

Competing Against Men On July 16, the women competed against three men of the Veterans of Foreign Wars of Amarillo and won with a score of 50-20. Last Thursday three members of the Tip Top club were their opponents and they won again, scoring 25-20. They do not know who their opponents will be tonight.

The time of the program will be 9 o'clock, Station KFDD-TV, Channel 10.

Dishman To Receive Degree Next Month

Paul Lake Dishman, son of Mr. and Mrs. P. L. Dishman, will receive his degree in Bachelor of Arts at the commencement exercises August 26 at Texas Technological, Lubbock.

Dishman is one of the 363 students graduating this fall. Dr. Floyd Golden, president of Eastern New Mexico University in Portales, N.M., will be the commencement speaker.

The graduation exercises will start at 7:15 o'clock Wednesday evening at Jones Stadium.

Amarillo Man Fined For Running Away From Auto Accident

Failure to leave his driver's license number and auto license number at the scene of an accident cost an Amarillo man \$28 last Saturday in the court of A. L. Thomas, justice of the peace.

Francis Boyd of Amarillo, driving a panel truck, hit a pickup driven by Jess Ford and knocked it into the back end of a 1953 Ford Victoria driven by Bill Johnson of Midland, causing about \$25 damage to the Ford.

The accident occurred about 5 o'clock Saturday afternoon east of Summerfield.

Johnson had been unable to get his car started at a Summerfield service station, and Ford had been pushing the car with his pickup to help get it started when the accident occurred.

Boyd said he was going to back his car up so he could pull off the road, but instead he ran away. The sheriff's office was contacted, and Boyd was stopped near Canyon. His fine was \$15 plus \$13 in court costs.

City Cracks Down On Use Of Unsanitary Outhouses

A crackdown on the use of unsanitary outhouses within the city limits has begun. City Sanitarian Jack Gilliland has already begun contacting property owners where complaints have been filed about the use of the unsanitary facilities, and within a short time he plans to contact the owners of any other such facilities within the city, according to City Manager Cecil Massey.

According to the city charter, which was passed last year, connections must be made to a sewer line if the outhouse is within 100 feet of such a line.

About 30 In Use Gilliland estimated that there are about 30 such unsanitary outhouses within the city, some of which are already being taken care of, as the property owners moved to comply with regulations as soon as it was brought to their attention. If a property owner fails to comply with the regulation, he can be charged with a violation and taken into city court.

Flagrant Examples Several flagrant examples of unsanitary outhouses have been brought to Gilliland's attention, and most of the property owners seem willing to comply, he said. Where there is a definite health menace, the city is moving as rapidly as possible to get the property owners to change the situation.

Unsanitary outhouses are often breeding places for flies, and their very existence could provide places from which typhoid might be spread," Massey said.

Spraying Costly "Spraying helps to keep down the fly population, but each time we spray the entire city it costs about \$200. If we get only about

10 percent of the ones when we spray because there are thousands of them hiding in such places as outhouses, open garbage cans and piles of leaves and trash, then the spray does only temporary good, and we can't spray every few days, because of the cost."

The sanitarian is also beginning to make an inspection of all dairies that furnish milk for delivery in Hereford, and has started inspecting all establishments which serve food.

Bank Deposits Show Increase

Bank deposits in Hereford were up nearly a million dollars in June over what they were a year ago, according to information released by the Deaf Smith County Chamber of Commerce. Deposits made during the month were more than \$600,000 greater in June than they were during June of 1952.

The report shows that deposits at the end of June, 1953, amounted to \$9,575,594.78, compared to \$7,734,102.07 at this time in 1952.

During last month, a total of \$6,858,538.63 was deposited, and checks were drawn on \$7,625,080.15. Last year, during the month of June, deposits made amounted to \$6,229,767.05, and checks were drawn on \$6,923,037.10.

Compared to May of this year, though, deposits in Hereford banks were down \$9,235,710.95, a drop of about three-quarters of a million.

Postal Receipts Up Gross postal receipts at the Hereford post office were up to \$5,455.31 in June, compared to \$4,394.67 in May, and \$4,581.42 in June of last year.

The money order business at the postoffice showed the result of the influx of migrant workers, with an increase of over \$80,000 from May. In May only \$36,357.30 worth of money orders were sold, compared to \$87,096.16 in June. This is

somewhat below the same period last year, though, when \$89,658.13 in postal money orders were purchased here.

More Utilities All utilities are continuing to show an increase. There were 2,469 electric meters in Hereford at the end of June, compared to 2,448 at the end of May, and 2,346 at the end of the month of June in 1952.

The number of gas meters has gone up from 1,875 last June to 1,934 at the end of May, to 1,951 at the end of June, 1953.

Water meters being read by the city jumped from 1,637 last June to 1,782 at the end of May, and up to 1,791 at the end of June, 1953.

Telephones Increase Hereford has increased in the number of telephones by 108 over the same time last year, going from 1,957 to 2,065.

Marriages, births and deaths, the vital statistics of the county, also show changes. This June there were eight marriages, 35 births and four deaths, compared to seven marriages, 16 births and nine deaths during the same period last year.

EVEN IF IT HAD one of U'I Abner's hand-carved crescents on the door, this outhouse would still have to go, according to City Sanitarian Jack Gilliland. This one is rapidly approaching obsolescence, for sewer line is being laid for a more sanitary installation to replace it. (Staff Photo.)

MARY JANE BURRUS and Becky Dodson of Ohon Hill, Maryland were honored with a cake party given by La Jean Latham in her home on July 23. The girls were visiting last week with Becky's aunt, Mrs. J. M. Thompson. Refreshments of cakes, olives and sandwiches were served to the girls from left, back row: Sylvia McCracken, Sue Smith,

Sharon Dee Moore, Norma Grace Gray, Becky Dodson and Gracie Fotheringham. From left, second row: Gayle Gault, Barbara Winget, La Jean Latham, Lu Durham, Dorothy Veigel, and Margaret Phillips. First row, from left, Mary Jane Burrus, Melrose Whitfield, and Gall Stephens. The girls returned to their home Thursday afternoon. (Staff Photo.)

### Moffert and Ricketts Win Prizes at Free Show

Ray Moffert and Mary Beth Ricketts were the winners of the prizes at the free show Wednesday morning. Rogers Drug gave Moffert a baseball and Mary Beth a beach ball.

Birthdays passes were given to Richard Albracht, Mike Ferguson, and James Frost.

A safety film was shown by the Hereford Police department. Ushers were Wendell Burdine, Bill Deardoff, and Jess Stanford. Bobby Owens, Bill Howard, Kennedy Wilson, and Clint Formby, members of the Jaycees were introduced to the kids.

### Mrs. R. L. Bailey Holds Birthday Celebration

Mrs. R. L. Bailey Sr., celebrated her birthday Sunday with all her children present.

This was the first time in eight years that the family has been together.

Those present for the occasion were: Mr. and Mrs. R. L. Bailey Jr., and Mr. and Mrs. Fred Bateman of Hereford, Ragsdale Bailey of Salina, Calif., and Mr. and Mrs. T. B. Bailey of Amarillo, formerly of Stanton Island, N. Y.

### Birth Of Granddaughter Announced By Springers

Mr. and Mrs. Earl Springer are announcing the arrival of a granddaughter, Debra Kay, born July 21. She is the daughter of Mr. and Mrs. Paul Wallace, the former Gwendolyn Springer of Hereford, now of Ann Arbor, Mich.

Mr. and Mrs. Springer, Franklin, Sue, and Twyla left June 20 and visited in Yellowstone, Canada, Lake Louise and then went to Michigan in time for Debra Kay's arrival.

They returned home Saturday morning. This is the Springer's first grandchild.

Mrs. W. J. Wilson and son, Mike of Albuquerque visited Mrs. W. F. Gillis and Mrs. Wilson's mother, Mrs. C. R. Smith last week.

Powdered eggs when "scrambled" are very tasty.

A single bush might hold millions of apids.

The new 770-foot, 1,000-gallon-per-minute well on the Walter Russell place five miles east could easily be this area's biggest news story in 1953. You probably saw the picture in The Sunday Brarid. Fresh water in such quantities below the "redbeds" is truly unusual. Many persons figure that it is a com-

plete, new water strata. Reports have it that loan values on land in the area have already jumped.

A new strata of water of this type could be highly similar to the second and third strata of oil production in some of the West Texas fields. If the strata pans

out as many figure, it could be a lot bigger news than an oil strike. Since we also have some exceptionally deep wells in the west and north parts of the county, it would appear entirely possible that this second irrigation strata could easily be general over the entire area. If anyone else drills below the "redbeds" be sure and let us know. It sounds like big news.

Another item of general interest will be the Treasurer's quarterly report to be found on page 3, section 2 of this issue. This report gives the totals in all county funds as of June 30, 1953, along with the total receipts in each fund and the expenditures from each fund. This is the first time the county has published the quarterly report and we believe that the commissioners court, along with the treasurer, are due a vote of appreciation.

People are interested in and entitled to know where their money goes. Read it over and if there is some particular fund you don't understand ask your commissioner about it. The reason the State of Texas requires publication of the report is so that you, as a citizen, can get an idea of where your tax money goes. The court says they expect to continue publication of the report each quarter. As we said, publication is required by Texas statutes, but has previously been overlooked through carelessness.

Velma Hodges says she doubts if 10 people will read it, but I think she is wrong. More and more people are beginning to take an interest in government. This is a good sign, too. If folks had continued with their lack of interest in government affairs, the people of this country were well on the way to losing their freedoms. Under our present laws, people do have the right to know. Furthermore, they are making a sincere effort to find out.

Note to former Collingsworth County residents, and they are quite a few: Things are looking up around Quail and Wellington. The five-inch rain a few days back injected new life into the country. The cotton seems to be still in good shape and much of the feed looks good. Everyone is planting 60-day milo for fall crops. Lots of weeds around. It's a busy place. People have a new outlook. Even Bobo Castleberry wasn't griping—much.

Lyle Blanton brought by a copy of the Belle Fourche Bee, a newspaper from South Dakota. It is a nice paper, too. South Dakota, it seems is having school troubles as well as Texas. Just consolidated a new district and voted bonds on a new high school. Belle Fourche, it seems, is translated into English as "Black Hills". Lyle says there is quite a settlement of Hereford folks in that country.

Understand the Lions Club made around \$1,300 on their carnival this year. They still have around \$1,000 to go on the new electric football scoreboard. The board is already here. Wonder what they will dream up next?

You hear quite a bit of talk about the proposed increase in postal rates. I think they should put the office on a paying basis—even if it hurts the newspapers some. After all, the newspapers, magazines and other publications have no right to profit at the expense of the tax payers. However, I think they should go all of the way. All of this free mailing by government agencies, congressmen and other officials should stop. Likewise, the heavy air line subsidies. The proposed first-class rate of 4 cents would help the taxpayer in the long run, since most of the first class mail originates in the business world and not the home. Why not make a clean sweep and put the post office department on a paying basis, all the way? Let's kick out these free riders, including the newspapers and magazines. Any newspaper that can't pay its legitimate postage bill is a poor operation anyway. Besides, due to city delivery, The Brand doesn't get any of this "free mail"—except the few papers going through the Dawn post office. If we can pay for mailing so can the rest of the publishers.

Hereford, incidentally, has one of the friendliest and most accommodating group of post office employees in the country. They have their faults, of course, but pretty often you get the idea that they are trying to run the office for the people. The boys deserve a pat on the back. They hand out a lot of smiles and cheerful banter. One city carrier told me last winter that he was invited in eight times for coffee on a cold day. This speaks well for the thoughtful people—and for a courteous, accommodating carrier.

I've been working on Francis Hardwick about this picnic he is offering to give The Brand force—"if we bring the food." He is breaking down gradually. He now says he will furnish the drinks free, but quickly adds: "root beer, orange, Coke, lemon or lime". Besides, he is going to give passes to the entire force to see this newspaper picture, "It Happens Every Thursday." However, he still won't come across with the food. How about a little help from the outside. Who ever heard of being invited to a picnic and having to bring your own groceries? Besides, he says none of the passes will be eligible to buy those 100 envelopes containing from \$1 to \$5 for 95 cents. These bargains, he says, are for paying customers only. I'll

Bohannon left Wednesday for their home in Van Nuys, Calif. after attending the wedding of their granddaughter, Clara Jayne West, and visiting in the home of their daughter, Mrs. Floyd West. They were accompanied by W. N. Bohannon, of Fullerton, who has been visiting relatives in Hereford.

Mr. and Mrs. Carlos Vaughn left Wednesday for Houston where they will attend the American Legion State Convention held today through Sunday. Vaughn will be a candidate for state sergeant-at-arms. They were accompanied by Vaughn's mother, Mrs. Ida Vaughn.

Mr. and Mrs. George Graham and daughter Peggy left Saturday for a ten-day vacation trip in Colorado.

**WINGERTS ON VACATION**  
Rev. and Mrs. Russell Wingert and daughter Ann left Sunday on a months vacation to New Orleans, La., and Chicago, Ill. In New Orleans they will visit her mother and in Chicago they will visit his brother and sister-in-law, Mr. and Mrs. Buddy Wingert.

bet he don't put more than 50 of the \$5 bills out anyway. Maybe he will weaken on the food question—if I don't compromise first. Anyway, I've got seven more days to work on him.

Bill Decker at the Hereford State Bank is now a brand new, first-time papa. Bill is mighty proud, but is beginning to decide that everything about the deal is not peaches and cream. Reminds me of one night about 2 o'clock when my wife woke me up and said, "Go in and see what's wrong with the baby. She's not crying."

## All-Star Clash Goes To South By 10-7 Score

By Billy Paul Knox

The South defeated the North here July 22, 10-7, in the annual Irrigation League All-Star clash. Most of the game was played during a welcome rain but was not interrupted.

The South team, composed of teams from Dimmitt, Springlake, Tulla, and Kress, unleashed a fourteen hit attack in scoring their ten runs. The North with teams from Happy, Umbarger, Nazareth, Silverton, and Hereford got but five hits off South pitching. The game was laden with errors, the South making six and the North making five.

**South Scoreless**

The South was held scoreless by Vincent Gerber the first innings with the North picking up three runs in the second. The rally was climaxed by a two run double by Leroy Pohlmeier. The South's were all thumbs, making three errors.

The North added two more in the third taking advantage of Dick Banks wildness and Street's second error of the game. Grubby Love came in and put out the fire.

Wayne Richardson took the mound for the North in the fourth allowing the South six runs on six hits. He walked one.

**Momentary Lead**

This gave the South the lead momentarily but the North took the lead in the fifth by scoring two runs. The South evened it up in the last half of the inning scoring one run on two hits.

It was the South from then on as Grubby Love and Bill Chase pitched no-hit ball for four innings.

The South was scoreless in the sixth but they scored one run in the seventh. They scored their run off Hereford's manager, Andrew Anderson, who took the mound at the beginning of the seventh.

**Insurance Runs**

The South added two insurance runs in the last of the eighth. They got three hits with the North mak-

## CHIP SHOTS

By Bud Posey

The Littlefield Country club golfers defeated the Hereford club swingers at Littlefield Sunday, July 26, by a total score of 48 points to 32 points. Twenty-five Hereford golfers made the trip and were given a fine turkey dinner with all the trimmings at noon at the Littlefield Country club dining room.

Melvin Best, Littlefield amateur, and Kenneth Wright, Littlefield pro, had the best scores of the day, each having 35-34 for three under par 69's. Bud Posey, local pro, had 38-32 for a 70 and Stan Barrett, 38-36 for a 74. Littlefield will return the match Sunday, August 30.

**Intercity Match**

Canyon golfers will come here this Sunday for an intercity match with our golfers. Starting time will be 1 o'clock at the local links. If you desire to play, turn in your name to the Pro shop by Sunday morning at 10 o'clock.

Last Friday night's putting tournament was a red hot affair.

Earl Stagner and Dale Tinnin finally took first place on the seventh extra hole after tying with John D. Pitman and Sam Gilbreath with 13 under par 59's. Each received two golf balls with Scoots and Sam getting one golf ball each. Other winners of one golf ball and their scores were: F. M. Cogdell and Bill Miller—60; Dr. J. H. Chaner and Bartley Dowell—61; and J. M. Posey and Bill Davis—64.

In the ladies division, Lucille Posey and Jo Wood; Helen Ann McWhorter and Dyalthia Bradley tied for first with two under par 70's. Helen Ann and Dyalthia won first in a sudden death playoff. All four received one golf ball each.

Other winners were Earline Ross and Lucille Posey with a 71.

**Boy's Division**

Bud Karr and Dale Taylor won the boys division with a three under par 69. Jeff Minton and Jimmy Butler took second with a one under par 71.

Friday night's putting tournament will be a 36 hole medal play affair starting at 8:30, with a 50 cent entry fee and golf ball prizes awarded to winners.

Bud Posey tied for first place in the West Texas pro-amateur matches at the Moore County Golf clubs course in Dumas on Monday. Bud's foursome of John Farquhar, Amarillo; Jack Paulk, Amarillo; and Bud Oliphant, Amarillo; had a five under par 65 to tie with a foursome captained by Joe Houch, Borger pro.

Individual scores were:  
Bud Posey—71.  
John Farquhar—73.  
Bud Oliphant—77.  
Jack Paulk—85.

**Journeyed To Plainview**

Also journeying to Plainview last Wednesday to play in Plainview's West Texas Pro-Am were Bob Lindsey, Wendell Burdine, Tom Howard, Joe Butler, Bill Howard, John Renner and Bud Posey.

Wayne Phillips and Bill Davis have qualified for the second annual Amarillo Invitational Partnership Tournament which starts today and continues through Sunday. They had a 90 and 91.

The tournament is being held at the Ross Rogers Municipal Golf Course in Amarillo.

## New Wrestling Feud Coming To Point Saturday

A new and dangerous feud has developed in wrestling circles, and it comes to a point in the Hereford arena Saturday night when Dory Funk, the cowboy from Flying Mare Ranch tangles with the tough German; Kurt Von Poppenheim of Koenigsburg, Germany.

This match tops off a double main event which opens with another potentially rough and tough contest between Ray "Big Train" Clements, the Lubbock "bulldog," and Tommy Martindale, acrobatic athlete from Milwaukee, Wis.

Each match goes for two, best falls out of three, or to a one-hour time limit.

**Lost Crown Recently**

Funk, who has held the Southwest States junior heavyweight title more times and for a longer period of time than any other wrestler, recently lost the crown to popular Roger Mackay of Salt Lake City, Utah. But Funk, defeated three times by Mackay, is by way of building up for a return match with Mackay, who is now working in Houston, Tulsa, Dallas, and other prominent centers, in which the title will be at stake.

Funk and Von Poppenheim, the Proud Prussian, have developed a bitter rivalry, and their match is due to be crammed with blood and thunder.

**First Match Rough**

First section of the double feature could, however, make the final event an ante-climax episode. Tommy Martindale, bigger and "looser" than ever after a long tour of the north and northwest sections of the country, is capable of giving Bulldog Clements quite a show for the money.

Clements, who resorts to all sorts of illegal attacks and who knows when the referee is not looking, is one of the most dangerous men in the wrestling league. But he isn't as quick and acrobatic as Martindale. It's anybody's guess as to which of these two will come out topmost.

## Umbarger Wins Close Game From Hereford

By Billy Paul Knox

Hereford lost their second game in a row Sunday afternoon at Umbarger. Umbarger defeated Hereford, 4-3. Dennis Brandt handcuffed Hereford batters for only five hits, though four of the five hits were doubles.

Terry McRight allowed Umbarger 10 hits. Hereford made two errors and Umbarger made five. Both teams knotted nothing in the first as both pitchers held up to early inning form.

**Single For Umbarger**

Hereford did the same in the second but Umbarger counted a single tally on one hit, a walk, and a hit batsman. Hereford made one error.

In the third for Hereford, the first man reached base safely on an error but Dennis Brandt mowed down the other three batters without allowing a run. An error and two singles netted Umbarger their second run in the third.

Hereford counted nothing while Umbarger tallied one more run in the fourth. McRight walked one and hit one batter. He gave up one hit.

**One Hit**

In the fifth both teams were scoreless but Umbarger got one hit.

Hereford, who hadn't hit safely so far, scored their first run in the sixth. It came when Lueb doubled and Slugger Stewart singled. Umbarger matched this run with one of their own in the bottom half sixth. It came the same way on a double and a single. This was Umbarger's last run.

**Hereford's Third**

Hereford came within one run of Umbarger by scoring two runs in the top half of the eighth. Back to back doubles by Jack Burris and Wendell Burdine meant one

run. Lueb popped out but Slugger Stewart came through with his second hit of the game, a double, driving in Hereford's third run.

Umbarger went down in order in the eighth and Hereford did likewise ending the game.

**Stewart Leads**

Slugger Stewart, who is now batting a magnificent .500, led Hereford hitters. He banged out two of Hereford's five hits. Three batters got two hits apiece for Umbarger. They were Bobby Braron, Dennis Brandt and Sam Scott.

Brandt didn't allow Hereford a hit or a run until the sixth inning. All of Hereford's base runners in the first five innings were on big errors. Umbarger never could get more than one run an inning but they scored a single tally in four separate innings.

**Three On Five**

Winning pitcher Brandt allowed the three runs on five hits and Umbarger made five errors. The loser was McRight. He gave up four runs on ten hits. Hereford made two errors.

Next Sunday afternoon Hereford plays Happy here in Hereford at Vets Park. Game time is 2:30 o'clock.

**New Menace**

The increasing use of agricultural sprays, the Chief Aquatic Biologist explained, is a comparatively new menace. He cited a recent case where fish in two ranch tanks died mysteriously. The rancher said he had NOT used any sprays but investigation showed a neighbor in the same watershed had.

A shower washed the poisonous chemicals into the water. He said algae can be a common mid-summer threat to fish. This aquatic growth breathes oxygen and if there is an excessive amount present during cloudy, still weather, it competes with fish. Furthermore, the hotter the water becomes, the less oxygen it holds and the more is the demand for oxygen by fish.

### TaWaKa Camp Fire Girls Had Sleep-Out

The TaWaKa Camp Fire girls held a sleep-out Saturday night in the home of Betty Culpepper. Following supper the girls had an honor hunt, sang songs, and learned how to roll bed rolls. Plans were discussed for the Camp Fire camp to be held in August at Las Vegas, N. M.

**Slept Outside**  
The girls slept out and after breakfast Sunday morning returned to their homes.

Those attending were: Pam Cloy, Collene Reeves, Ada Mae Bettis, Kay Caraway, Jean Ann DeShazo, Lou Ann Higgins, Chermayne McCart, Marjorie Sue Muse, Linda Sue Witherspoon, Patsy Woodall, Zeu Crump, Rita Latham, Judith Raye Haseloff, and sponsors, Mrs. F. L. Alexander and Betty Culpepper.

THE HOME OF RAY MCCULLOUGH, located at 148 Texas Avenue, was completed about three years ago. The light-colored brick home is complete with three bedrooms, a den, living room, bath and a double garage. Large windows look out onto the spacious lawn, and a front porch provides extra space during warm weather and protection for the front during the winter. (Staff Photo.)

# Surprise Win Is Taken By Knights Of Columbus

By Billy Paul Knox  
The Knights of Columbus came up with the surprise of the season when they defeated Hereford Hardware, 21-18, in the first game of a double header July 21. Summerfield won over Piggly Wiggly in the second.

The first game was a wild affair with a total of 39 runs being scored and a total of 34 hits. The K. C.'s got 19 on those hits. H. H.

hit safely 15 times. The K. C.'s led off the game by scoring four runs on three hits in the first. Two men walked and H. H. made one error. Kenneth Walterscheid was in complete control of H. H. as he set them down in order in the second.

Both teams were baffled in the second. Total To Eight The K. C.'s ran their total to eight runs by scoring four runs by Tommy Albracht in the third. H. H. made two errors. H. H. hit safely once with a walk and an error helping things a bit.

The Knights of Columbus scored twice more in the fourth as Urbanczyk walked and Dewey Albracht homered. Randy Thomas homered for H. H. in the fourth as they scored two runs.

The K. C.'s countered five times on five bingles the fifth. David Enders and Tony Urbanczyk homered in this inning. H. H. prevented the game from ending in five innings by scoring eight runs in the fifth. They got six hits and Walterscheid walked two men.

Grand Slam Homer Tommy Albracht accounted for all four of the K. C.'s runs in the sixth by hitting a grand slam home run. H. H. scored five more times in the fifth while getting four hits.

A single, a double, and a triple added two more runs for the K. C.'s in the seventh. H. H. scored twice on the same number of hits but this wasn't enough to stop the K. C.'s.

Bill Howard got four hits, all of them singles, to lead H. H. Tommy Albracht also got four hits for the Knights of Columbus. Two of these hits were home runs with one being with the bases loaded. Summerfield collected five hits and two walks while they were started out right by scoring four runs on four hits in the first.

Second Game Summerfield defeated Piggly Wiggly, 18-10, in the second game. Summerfield went down in order in the first, while Piggly Wiggly started out right by scoring four runs on four hits in the first.

Summerfield collected five hits and two walks while they were scoring seven runs. Piggly Wiggly went down in order.

Six Big Ones Summerfield scored six more big runs in the third. They got five hits, one of them a home run by T. Botkins.

Piggly Wiggly scored twice in the third, banging out four hits. Summerfield made one error.

Summerfield was baffled in the fifth and sixth with Piggly Wiggly scoring once on two singles and an error in the fifth. The fourth saw Summerfield scoring four more runs with Piggly Wiggly scoring three.

In the seventh Summerfield scored one run on a hit and an error. Piggly Wiggly went scoreless in the last part of the inning to end the game.

Plagued By Errors Piggly Wiggly came up with a new pitcher in Joe Welch. He pitched well but errors plagued him as Piggly Wiggly made nine.

Roy Suttle banged out four hits to lead Summerfield. Kenneth Brock led Piggly Wiggly with three hits. Tonight, (Thursday) Phillips 66 meets Piggly Wiggly in the first game and Dawn meets REA in the second.

# Jim Whitaker Returning From Duty In Philippines

CLARK AFB — "Call me 'mister,'" so says Airman Second Class Jim D. Whitaker of Hereford, who will soon drop out the Air Force grade which for the past 30 months have been prefixed to his name, when he receives his discharge from military service at Parks Air Force Base in California. Having recently completed his tour of duty with Uncle Sam's Air Force in the Philippines, he is now on his return trip to the United States aboard the USNS "General D. E. Aultman" and is due to arrive in San Francisco early in August.

Attended Police School A graduate from Hereford High School, A-2c Whitaker was a student at Texas Tech College, Lubbock, when he decided to join military service in January of 1951. After attending air police school in Panama City, Fla., he was assigned to the Philippines last November.

While in the Islands, he performed air police duties for the 6200th Air Police Squadron, Thirteenth Air Force on Clark Air Force Base located 60 miles north of Manila. A-2c Whitaker is the son of Mr. and Mrs. W. B. Whitaker, who with his wife, the former Betty Goodin

# Open-Air Church Held In Drive-In Theatre

Drive-in devotees who like to survey the scene and screen from the family automobile may be expected to take advantage of a new open air church at a drive-in theatre near New York's Whitestone Bridge. Each Sunday morning from June to September drivers will be attracted by a huge cross mounted in front of the theatre screen, banked by flowers and flanked by a mass choir.

The outdoor chapel service at the Whitestone Bridge Drive-in Theatre will be conducted rain or shine, and will present well-known ministers in the pulpit. The theatre can accommodate more than 5,000 people. The new project is under sponsorship of the Bronx Division of the Protestant Council of the City of New York.

and one-year-old twin sons, Jimmy Gregg and William Steven, live at 301 South 25 Mile Ave. Mrs. Whitaker is the daughter of Mr. and Mrs. Jim Goodin of Route 2.

# Dawn Wins First Place With 10 Wins, 2 Losses

By Billy Paul Knox  
Dawn took undisputed possession of the first place position in the Hereford Softball League as far as wins are concerned, with 10 wins and two losses.

July 23, Phillips won from Piggly Wiggly, 18-5, with Dawn eking out a victory over REA, 26-20. The latter was an eight inning contest. The first one was played only five innings. Dawn earned their victory by scoring six runs in the top of the eighth. The 66'ers were behind by two runs at the end of one inning but got back to their winning ways and scored their victory.

**Dawn In Order**  
Phillips went down in order while Piggly Wiggly was scoring two runs in the first. The runs came on a single by Bybee and a home run by Pat McCullough.

Welch allowed Phillips eight runs on three hits in the second. He walked three and Piggly Wiggly made three errors. A single run was produced for Piggly Wiggly by Welch, who homered.

Phillips 66 added five more runs in the third. They scored these runs on three hits with the big blow being a home run by Bub Sparks.

**P. W. Scoreless**  
Piggly Wiggly was held scoreless in the third and fourth with Phillips scoring once in the fourth.

The fifth meant four more runs for Phillips as Bub Sparks connected for his second homer of the day, this time with two on base.

Piggly Wiggly scored two runs in the fifth but this was not enough to send the game into seven innings as Phillips took the victory.

Piggly Wiggly made five errors. Phillips made two. Welch, Hershey

and McCullough led Piggly Wiggly with two hits apiece. David Miles, Raymond Lueb, and Bub Sparks got two hits for Phillips. Sparks' two hits were both home runs.

David Miles, who started and pitched four innings, was the winning pitcher.

**Second Game**  
In the second game REA almost pulled an upset but Dawn pulled it out of the fire by scoring six runs in the top half of the eighth.

Burrus led off with a double but was thrown out trying to stretch it into a triple. The other two batters were easy chances as Dawn was scoreless. REA did likewise.

**Five Runs**  
Dawn exploded for five runs on only one hit in the second. It was the errors that hurt REA. They made five errors in this inning. REA fought back but their rally fell short. They scored three runs on three hits with Dawn making one error.

Dawn added one more run in the third making their total six. REA tied it up in the third, scoring three runs. Dawn got their fielding caps, making four errors.

**Four Each**  
Both teams scored four runs in the fourth, keeping their totals the same. Dawn scored their runs on two hits with REA scoring their runs on four hits.

Dawn took the lead in the fifth by scoring five runs on three hits. Two of the hits were home runs. Slim Stewart got one and Melvin May got the other one. Raymond Dement homered with one on for REA's only runs in the fifth.

The sixth saw Dawn scoring two runs on two hits. REA made one error.

**Five Bingles**  
REA took the lead in the last of the sixth. They scored eight runs, punching out five bingles. Behind by three runs going into the first of the seventh Dawn tied the game up in the first of the

seventh. They got the runs on four hits.

The game went into extra innings when REA was held scoreless in the last of the seventh.

**Out of the Fire**  
Dawn pulled it out of the fire, scoring six runs in the top of the eighth. REA went down without any runs in the last of the eighth.

Dawn made eight errors. REA made twelve errors.

Raymond Dement was the big gun for REA banging out four hits. Two of them were home runs. Jack Burrus led Dawn with four hits.

All teams except the K.C.'s and REA have completed their regular twelve games schedule. The two teams will meet in a single game Tuesday night. The outcome of the game cannot change the league standings.

# MAKE UP YOUR MIND ON THE ROAD!

You'll find a fresh new design note in Mercury's beauty—inside and out. But the real thrill comes when you get behind the wheel and head her for the open road. Here's surging V-8 power combined with a handling ease that makes other cars seem stodgy. Here's V-8 performance you can count on—for Mercury is no newcomer V-8, no old-fashioned straight eight. V-8 engines are the only kind that have ever been good enough for Mercury—and this is the greatest yet. After you've driven a Mercury, come back and get the facts about its proven high trade-in value. Year after year, Mercury is consistently tops in its field! **Congressman Walter Rogers Says**

**Admittance of 240,000 Refugees Being Opposed By Southern Bloc**

Winding up this session of Congress: The drive for early adjournment of Congress is under full steam. Committee meetings are being crowded together in the mornings and the House is staying in session late every day. Many of the committees are meeting while the House is in session in an effort to complete action on much pending legislation.

The President's "must" legislation includes two bills that may cause a substantial delay in adjourning this session.

**Refugee Bill**  
The bill to admit 240,000 refugees into this country is due for rough sledding in the House. Its main support will come from the extreme liberal wing of both parties and those who feel constrained to follow the President's recommendations, regardless of what they might be. The Southern Democratic bloc will oppose this legislation almost to a man.

This bloc and the general scattered opposition throughout the country will cause the vote to be very close and could defeat the measure in the House. This same type of legislation was losing much support during the latter days of the Truman administration and many of those who opposed it then will not go along with it now just because it is endorsed by Eisenhower. It is risky legislation that could cause much trouble in this country if passed.

**Postal Rate Raise**  
The other controversial bill is the proposed postal rate raise. The general consensus seems to be that this proposed raise penalizes the users of first class mail, which has always paid its own way, while second, third and fourth class mail has not paid its own way.

Many members feel that it is unfair to put an added burden on

the backs of the individuals who are the large users of first class mail in order to extend what constitutes a subsidy to the users of second, third and fourth class mails. This bill will be highly controversial in the House but will probably meet even rougher sledding in the Senate. A substitute bill has been proposed to place rate fixing powers in the Postmaster General. It is doubted that Congress would pass this type of legislation.

The odd thing about the postal rate raise bill is that the opposition before the committee is coming from users of second, third and fourth class mail, which is not presently paying its way. Since first class mail is used by Mr. Average American, who does not maintain a lobby in Washington, vocal opposition to this added tax on him has come from many members of Congress who realize what is going on.

**Argument Over Deficit**  
The big argument for raising the rates is the \$700,000,000 postal deficit. Approximately nine times the amount of this deficit, or six-plus billions, has been allocated by the House for foreign aid for the fiscal year. This amount will probably be upped by the Senate.

This six billion dollars plus the amounts on hand in that fund totals 14 billion dollars for foreign aid. The question is "Are we going to increase the burden on the already overtaxed John Q. Citizen by a postal rate increase, that is nothing more than a new tax under a different name, while we are sending billions of dollars of tax moneys overseas?" Not by my vote.

VISITORS: Eck Brown, O. H. Finch and O. H. Finch, Jr., were in town with a group of cattlemen representing the new organization that was formed at Dalhart. They

**Anderson County Refuge Area To Get New Name**

AUSTIN—Formal designation of the Wildlife Management Area in Anderson County as the Gus Engeling Wildlife Management Area probably will be made this fall. The Director of Wildlife Restoration for the Game and Fish Commission said the occasion may coincide with completion of the headquarters buildings late in the year.

The area was given its new name

are seeking the same treatment for livestock growers that is received by other industries and businesses in the nature of a partially protected market.

They talked to the President of the United States, the Secretary of Agriculture and a large group of Senators and Members of Congress. Also in town were Harold Hogue, of Dalhart, and W. O. Culberson, of New Mexico, who visited with the same officials concerning several farm and ranch problems. Other recent visitors were Mr. and Mrs. E. R. Konkle, of Amarillo.

by action of the Game and Fish Commission since Engeling was the first manager of the 9100 acre experimental and demonstration tract. Engeling was slain by an illegal hunter three years ago. He was unmarried and doing research work on the area at the time.

**For All Wildlife**  
The management plan is being developed for wildlife generally. It has deer, wild turkey, quail, doves, squirrels, and fur bearing animals.

The Director said a gradual program now under way is designated to improve the quality and distribution of vegetation as well as timber stocks. Work in small, sample tracts is expected to guide future operations. A number of fenced plots are being used for a combination of soil improvement work and seasonal aid for deer and turkey through supplementing deficiencies in natural feed at critical

Lake development is expected to improve the supply and distribution of surface water. This process is linked to a program calling for eleven small dams, two already completed.

**Million Blind In India Can Be Cured By Surgery**

At least a million blind men and women in India could be made to see again by simple surgical removal of cataracts, says an American missionary surgeon, Dr. Victor Rambo, head of the ophthalmology department at Vellore Medical College in Madras, India.

He and his team perform 3,000 cataract operations each year, but "it should be 10,000 a year," he says. And Dr. Reeve H. Betts, head of Vellore College's department of thoracic surgery, estimates that tuberculosis causes an estimated 500,000 deaths a year in India, and with the exception of malaria is India's leading cause of disability and death. To meet this situation his department currently is training four Indian doctors in surgery of the heart and lungs.

September 18, 1952 marked the first guided missiles ever used against the enemy which were launched from the aircraft carrier USS Boxer.

**FOIBLES**  
 Kent Snare  
 Life, as she comes up, has many facets and the black and white of the press has the propensity of spading them up at both odd and parallel moments, some of them turning out to be brutally reminiscent.

**Fancy and Plain**  
 news of two pitching buddies of the alleged big leagues hit the deck. This dispensation concerned Hal Newhouser and Virgil Trucks, both of whom started their semi-illustrious big league careers with the Detroit, Newhouser from the Motor City sand lots in 1939 and Fire Trucks in 1941, via Andalusia, Alexander, Beaumont and Buffalo. Now, at 34, Trucks is enjoying his best year since chinning the big time, albeit his record has been compiled with St. Louis and the Chisox after being traded down the river, so to speak, but not too far, being to Bill Veeck and the Brownies in the first instance. At the nonce, he stands 14-4 with eight victories in a string and that ties Mr. Parnell, the Yankee nemesis, for the American League lead in total victories. Strangely enough, last lap Mr. Trucks pitched two no-hitters during the regular season and wound up with the inauspicious total of 5

wins and 19 defeats. However that tenure was with the Bengals who finished last without opposition worthy of the cognomen. Those two big timer no-hitters last lap made a total of six that Trucks has signatored on the record books of organized baseball. He had two no-hitters in his first effort at Andalusia, Alabama, in the Alabama-Florida League, May 18 and June 6, 1938, winning by scores of 1-0 and 6-0. That was the season he struck out 418 batters for what endured as an O.B. record until Bill Kennedy, now of Louisville and the Bosox, whiffed 456 for Rocky Mount of the Coastal Plain League in 1946. In 1940, the Fireballer posted a seven inning no-hitter for Beaumont against Tulsa in the Texas League on May 26 and the next year he lost a no-hitter, 0-1, for Buffalo against Montreal in ten spasms. His best single year with Detroit was in 1949, when he posted 19-11. On the other hand, Harold Newhouser, after years of fanfare and free press hootin' and hollow-

in', is all finished at 32. Last week the Tigers made him a free agent and simultaneously, Hal announced that he was all through as a sweating type ball player. A sad and early finish for one of the most promising and, for a time, one of the most productive of pitchers. He only spent part of one lap in the hinterlands and oddly enough, with identical clubs, time and place with Trucks at Alexandria and Beaumont in 1939. The balance of his baseball pitching career has been with the Strippers, 15 terms, which is quite a run in any company. His overall major league record stands at 200-148 (0-1 this time) twice he was the American League's most valuable in 1944 and 1945 four times he amassed more than 20 wins in a season—21 in 1948; 25 in 1945, when the Bengals took the rag; 26 in 1946 and in 1944, his best single round, he compiled a 29-9 marking with a 763 percentage-wise tab. But since 1949 he has been ineffective, breaking even in 1951 and 1952 and doing nothing this term. Nobody knows what happened at Hal, although it may be too many nickels, dimes and calories. Mayhap, were he like Dutch Leonard, hungry from the Washington and Philadelphia, N. L., laps he would still be flinging effectively at 43, similar to the butterfly tosser. Leave me protrude the cranial appendage a bit while on the subject of twirling and say that I think lefthanders may still be the demise maker for the Yankees. Schantz and Kellner of the A's plus the Bosox boys Parnell and McDermott may do the trick. The Bostons may recall the aforesaid Kennedy and Leo Kiely may be out of uniform in time this trip to run Mr. Stengel back to Glendale, muttering as only he can.

Guests in the home of Mrs. Nona Jowell over the weekend was her son and his wife, Mr. and Mrs. Charles Jowell and two children, Carolyn and Chuck of Abilene. They had been on a vacation to Colorado.
