

Little Gary Ohlig Dies As Result Of Blast Burns

Funeral services for Gary Ohlig, 4, whose burned face and body has caused the people of Hereford and Deaf Smith County to open their hearts and pocketbooks in an effort to help him regain a normal appearance, were held Wednesday morning at St. Anthony's Catholic Church. Officiant for the mass was Fr. Nathaniel Madden.

Gary, son of Mr. and Mrs. Leo Ohlig, suffered severe burns in a gas explosion May 14. He died Tuesday morning, May 9, at 8:15 o'clock.

Were Playing In Bathroom
Gary and his small brother, Billy, were playing in the bathroom of the Ohlig home that fateful Thursday night when the explosion occurred. The Ohligs were at a loss to explain what had happened unless the boys had been playing with a butane heater in the room and caused gas to escape and ignite.

Rosary Said
On Tuesday night rosary was said for the youth at Rose Chapel, Gilliland Funeral home.

Burial was on Wednesday in the St. Anthony's Catholic cemetery under the direction of Gilliland Funeral home.

Gary was born in Hereford on October 23, 1949.

Survivors include his parents, Mr. and Mrs. Leo Ohlig, a brother, Billy, and his grandparents, Mrs. William Ohlig and Mr. and Mrs. John Young.

Contributions Will Help To Pay Medical and Hospital Expenses

The Gary Ohlig fund had grown to \$1,528.30 Tuesday morning when the little boy died at the Deaf Smith County Hospital of burns received in a gas explosion. The money was to have been used to help pay for plastic surgery and grafting to help the youth have a normal appearance.

Frank Beznar, fund chairman, said Tuesday that the money would be used to pay for the medical care and hospital fees which have been incurred during the 26 days the boy was in the hospital since the fire. If there is enough money the funeral expenses will also be paid from the fund. Any money that is left will be given to the family, Beznar said.

Three Automobile Accidents Caused About \$1,235 Damage

A total of \$1,235 damages were caused in three wrecks recently.

On May 28, John Harold Shannon, driving a 1948 Hudson, collided with Jasper Allen Griffin, driving a 1947 Studebaker pickup. Shannon was going east on Third Street and Griffin was going west on Third attempting to turn south on Miles Street. Charges of failure to grant right-of-way were given to Griffin. Damages to Shannon's car were estimated at \$125 and \$35 to the pickup.

On Saturday, June 6, charges of failure to grant right-of-way were given to Leonard Ross, driving a 1947 Pontiac, who collided with Mrs. Harold Loerwald, driving a 1952 Ford. Damages were estimated at \$50 to the Ford and \$25 to the Pontiac.

In the third accident, Ruby Haney Allen, driving a 1952 Ford was passing a 1939 Studebaker pickup at the intersection of Fifth and Sampson. The pickup started to make a left hand turn off Fifth

Chamber Secretary, City Manager Take New Jobs

Transition of a Chamber of Commerce man into a city manager seemed to be well started this week, with Cecil Massey "learning the ropes" at City Hall from Grady Woodry, who is staying through this week to help out.
At the same time, Gaylord E. Mullins, who came from Socorro, N. M., to take the post of Chamber of Commerce manager, has been doing a little night work as he finds out more about the duties his job entails, and checks material in the files to see what has gone on in the past.

onto Sampson and hit the Ford on the right front fender. The Ford broke off a telephone pole. The driver of the Studebaker is unknown because he did not stop. Damages to the Ford were estimated at \$1,000.

Intersection Passing Charged Against Wright

Charges of passing at an intersection were given to Donald L. Wright, when his 1950 Ford collided with a 1953 Chevrolet pickup, driven by Jaun Reyes.
Reyes was going east on highway 60 and attempted to make a left turn onto Main Street when Wright tried to pass him. Reyes bumper caught the right front fender of the Ford.
Damages to the Ford were estimated at \$100, and \$50 damage to the pickup.

New Ex-Students Club Is Formed For High Plains

Ex-students of Hardin Simmons University met recently and organized a Hi-Plains Hardin Simmons University Club.
Bob Lawrence was elected president; Vondell Edwards, secretary; Mrs. Rex Lee, reporter; and Mr. Rex Lee, social chairman.
This will include all the High Plains towns.
The meeting was in the form of a banquet held at the First Baptist Church.
Those attending the meeting were: Mr. and Mrs. Wayne Evans, Mr. and Mrs. Major Schroeter, Mr. and Mrs. Rex Lee, Mr. and Mrs. Bob Lawrence, Mr. and Mrs. L. B. Russell, Mr. and Mrs. Tandy Legg and three guests Sam Ball, assistant athletic coach; Murray Evans, head coach; and Kenneth Hill head of the ex-students of Texas.
Mr. and Mrs. Wm. D. Hawkins and family of Las Vegas, New Mexico, spent the past week end here with their parents, Mrs. D. W. Hawkins and Mr. and Mrs. C. M. Hicks.
Pat Hardwick who has been visiting in Dallas, is expected to be home soon.
Mrs. H. M. Cogswell is expecting her mother, Mrs. R. M. Sibley and her granddaughter, Winifred Mills, of Shreveport, La., to arrive the latter part of the week for a short stay in Hereford.

Woman Injured By Hit-And-Run Driver Sunday

Mrs. R. H. Parker, 73, was injured Sunday afternoon in what police termed Hereford's "third hit-and-run driver case" since January 1.

Mrs. Parker was checked at the hospital Sunday and returned to her home, but Tuesday, went back into the hospital and was reported in "serious, but not critical" condition.

The accident occurred at Fifth and Main while Mrs. Parker was walking east across the intersection on the south side. A car, traveling west through the intersection, made a left turn and struck the woman, knocking her forcefully to the pavement.

Driver Backed Up
"The driver went south on Main for about one-half block," Mrs. Parker told officers, "then backed up, asked if anyone was hurt, and took off south on Main."

Police Chief Leo Box said that officers are anxious to contact the driver of the car, and asked that any person who viewed the accident contact City Police.

Hereford's other two hit-and-run victims were Mrs. Anna Kovaks, who was struck at the corner south of the Presbyterian Church, and Jack Hemen, struck in the alley behind his home. None of the three were seriously injured.

FB Directors Plan To Hear Ezra T. Benson

At least four directors of the Deaf Smith County Farm Bureau are planning to make a trip to Lubbock to hear Secretary of Agriculture Ezra Taft Benson when he speaks there during the American Cotton Congress later this month, according to plans made Tuesday night at the directors' meeting.

Those who signified they will try to attend are Wayne Higgins, Earl Plank, Grant Hanna and Pete Carmichael, County Agent Hugh Clearman, who was present, also said that he would go to hear Benson.

The 16 directors present discussed the possibility of putting up a new office building, and took the problem of a possible location under consideration.

On a motion by Pete Carmichael, vice president, the building committee was asked to draw up several tentative plans for a building 20 x 30 feet, and get estimates of the costs of materials for the building.

After all such data and plans are ready, a special meeting of the directors will be called, if necessary, to give further consideration to the problems involved.

It was brought up by Grant G. Hanna that all members of the board of directors have had authority to sign Farm Bureau checks. At the suggestion of Carmichael, authority for all persons was removed, and a new authorization made for secretary John Henderson and service agent Maurice Howell to write checks.

Officers and directors present at the meeting included Virgil Dodson, Pete Carmichael, John Henderson, M. G. Caywood, C. L. Bogle, Robert Boyd, Clarence Betzen, Ed Dzulik, W. T. Gunstenson, Grant G. Hanna, M. C. Kaul, Earl Plank, Horace Vaughn, George Heard, Wayne Higgins and W. T. Carmichael.
Service agent Howell and the Farm Bureau office secretary, Marian Lomenick, were also present, as were several directors' wives.

New Methodist Church Plans To Organize Here

Dr. Earl G. Hamlett, Superintendent of the Amarillo District, will preside at a meeting in the sanctuary of the First Methodist Church at 3:00 o'clock Sunday afternoon to organize the new Methodist Church. At that time charter members will sign the roll. A name will be chosen and officers will be appointed.
Visitors are expected from churches in the Amarillo District and other surrounding communities.
Rev. Eugene L. Naugle is the pastor of the new group.
The meeting is open to the public.

Mrs. Dora Vick and Harlin were Sunday dinner guests in the Offus Vick home.

Mrs. J. H. Housley of Castro Valley, Calif., has been visiting the past week in the home of Mrs. Josie Funderburg.

Space Is Needed For Classrooms Plans For Shop Building Advanced By School Board

Members of the school board Tuesday advanced plans for immediate construction of the vocational shop building in connection with the new \$850,000 high school in order that the building can be used for classrooms when school opens next September or as soon thereafter as possible.

"Since we will be short approximately six classrooms to enroll grade students when school opens in September, the board felt that this portion of the building might be rushed to completion during the summer," said H. H. Miller, president.

Court Says County Can't Afford It Commissioners Refuse Sheriff's Plea For Two-Way Radio In Car

Deaf Smith County commissioners turned down another plea from Sheriff Lowell R. Sharp Monday for a two-way radio in his county car.

The commissioners told the sheriff that they felt the county could not afford to equip his car with a radio at this time due to the condition of county finances.

In his plea, Sheriff Sharp called the commissioner's attention to the fact that Deaf Smith County law enforcement agencies are now working without a constable, which has resulted in a saving to the county of about \$2,400 a year.

He also said that he has checked the expenses for the sheriff's car for the past year or two, and that the expenses for the car are now about \$100 per month less than they have been in the past.

A resignation from John Shannon, chief deputy in the sheriff's office, was accepted by the court, to be effective June 15.

In another personnel change in the courthouse, Miss Janice Craig was made assistant librarian, to replace Mrs. Wingate, who has resigned. Miss Carolyn Virden will replace Miss Craig. Salaries for the two positions will remain the same.

The court also increased the salary of Mrs. J. J. Boydston, county librarian, from \$200 per month to \$225 per month.

Commissioner M. T. Rutter made the motion for the change in positions, and he was seconded by Commissioner J. C. Morrison.

Pest control in the county jail will be financed in the sum of \$10 a month until further notice from the court. Neal Young, deputy sheriff and jailer, has been authorized to pay that much per month to Orkin Extermination Co., Amarillo, for spraying.

Monthly fee reports of various county officials were ready by the commissioners and have been filed in the county clerk's office.

May reports of the County Home Demonstration Agent, Mrs. Argen Draper, and of County Agent Hugh Clearman, were examined by the commissioners, as was the sheriff's report for May, and his list of actual and necessary expenses for the same period.

Possible re-investment of some of the Deaf Smith County permanent School Fund account did not seem advisable at this time, the commissioners decided, and authorized County Judge Horace L. Schloss to write C. N. Burt and

sident. "It would provide around six classrooms and would just about handle the current overflow indicated through the census."

Committee Appointed
No motion was made on the project; but board members discussed the possibilities at length and indicated that it might be an ideal solution. The building, if the plan is carried out, will probably house all sections of the sixth grade. A committee composed of Mr. Miller, Carl McCaslin and Mrs. Earl Plank was appointed to investigate possibilities of the plan in detail.

Grain and Feed Companies Sold To Co-operative

Purchase of Bradley Grain Company and Hereford Feed Company by the Hereford Grain Corporation, a cooperative, became effective June 1, it was announced by Harry Danforth, director in the new co-op, following a meeting Tuesday night.

Jack Bradley and S. H. Slagle will continue as managers of the cooperative, he said, until the board meets and sets a definite policy. Bradley was named president of the new cooperative, with the following directors: Frank Knabe, Virgil Dodson, J. C. McCracken, Pete Carnicheak, S. T. Slagle, Jack Bradley and H. E. Danforth.

The transaction includes all phases of the former Bradley operation, except Hereford Milling Company, which will continue under its old status. A total of 73 members were reported to be in the new cooperative, which has a membership potential of 100, according to its charter.

Three Cars Damaged Because Baby Falls

A three car collision resulted in \$450 damage Wednesday morning according to Chief Leo Box.

Mrs. Margaret Pierce Sigman, driving a 1953 Buick was going to park by a Nash Rambler, owned by Mrs. Nelda Guy Ricketts, when her child fell from the seat. She attempted to catch the child, lost control of the car, scraping the side of the Nash and hitting an International truck, which had been parked by Frank L. Talley.

Damages to the right front fender and door of the truck were estimated at \$150. Damages to the Buick were \$250 and \$50 damages to the Nash.

Plans Approved
The board in an all-afternoon session also approved plans as submitted by B. R. Cantrell, architect, and set the date of July 10 or July 14 to receive bids on the new building, leaving the option to Mr. Cantrell, who said that blue prints on the new high school building will probably be out sometime this week.

The board also officially set the tax rate at \$1.35. This compares with the \$1.50 rate used in recent years. Valuations last year were approximately \$245,000, however, and will this year be increased to around \$368,000, which with the \$1.35 rate will result in around one-third increase in school taxes. The action generally follows plans outlined when the bond issue was presented this spring.

Toastmasters Plan Family Night Meet

Jim Kirby and Elmer Patterson made the two regular-length speeches Tuesday night at the Toastmasters Club meeting in the Jim Hill Hotel.

Kirby's topic was "Bettering International Relations," while Patterson spoke on "The Accomplishments of President Eisenhower to Date."

No Vote Taken

Kenneth Coxer was toastmaster of the evening. Bob Lanin topic master, and Harold Close general evaluator. There was no vote taken on the speeches.

Next Tuesday the club will have a family and guest night meeting at the home of Harold Close. A program of three prepared speeches has been planned.

President Bruce Miller presided at the meeting Tuesday night.

Around Town

A late contribution to the Gary Ohlig Fund came in Wednesday from way off in Jersey City, where Mrs. Ethel Renzi read in The Hereford Brand about Gary's plight and sent a \$10 check.

Rattlesnakes, even little ones, aren't very numerous around these parts any more, and when one is found in town it is likely to make some of the housewives jumpy for a few days when they hear about it. Nevertheless, John Phillip did find a rattler 6 or 7 inches long by the garage at 613 Irving Street Monday. It probably wasn't big enough to have a mate, so he isn't worrying about another one being around. This one may just have been a dogie.

About 61 men attended the Fellowship breakfast Wednesday morning at the First Baptist Church. Frank Watson gave the devotional. Next week the breakfast group will go back to the Methodist Church as they begin the third month of weekly meetings.

Neely W. Kimbrough, son of Mrs. Al Smith, received his Bachelor of Science Degree in geological engineering Monday, at the University of Oklahoma.

Tom McFarland and Bill Broadhurst, from the district office of the High Plains Underground Water District, will meet with the Deaf Smith County water board Friday night in the Jim Hill Hotel. Members of the board are Virgil Dodson, Pete Carmichael, Kenneth Rudd, Frank Beznar, Paul Corbett and Gayle Neal.

Mrs. Alpha Soelker, sister of Mrs. Verle Powell of Hereford, was killed instantly in a collision near Indianapolis Saturday.

Clark Whittaker of Whittaker and Harrah brought in the third load of early wheat Wednesday from north of Dawn. The grain, which tests 58, 18 per cent moisture, was delivered to Pittman Grain Co. Whittaker reported that the Early Wichita wheat was cutting 35 bushels to the acre, and the grain company men said it certainly did look good.

Some of Hereford's firemen left Monday to attend a three day State Fireman Convention in Austin. Those attending the convention are: Mr. and Mrs. Glenn Witherspoon, and Donna, Mr. and Mrs. Earl Phillips, Mr. and Mrs. W. O. Witherspoon and Wilsena, and S. T. Loperwald.

Rosemary Young To Be Installed As State Theta Rho President

Rosemary Young will be installed as State president at the State Association for the Theta Rho girls at their meeting in Wichita Falls this week end.

The girls left Thursday morning on a chartered bus and will return early Sunday morning. While in Wichita Falls, they will stay at the Kemp Hotel.

Drill Team Members
Those composing the drill team are: Neleean Flowers, Margie Ford, Mary Ruth Strange, Kay Jewell, Wynogene Sowell, Royda Boyd, Janelle Price, Rosie Young,

Annie Young, June Marion Smith, Doris Turner, and Treva Smith.

Mrs. Roy Galvert is the advisor of the group and Mrs. C. R. Lady is the captain. Mrs. Ada Hollibaugh and Mrs. Ols Hacker are members of the advisory board. Mildred Renfro is on the state youth committee.

Mrs. Alice McCormick, Mrs. Moore, and Mrs. Carl Huser of Canyon stopped here briefly Tuesday for a visit with Mrs. Huser's sister, Mrs. N. E. Gass. They had attended a wedding in Nazareth and stopped here in route home.

Hardware Boys Take Lead To Pull Full Game Ahead

By Shelby Whitfield
 Hereford Hardware pulled one full game ahead of second place Dawn and Summerfield moved in a third place tie with Phillips 66 in Tuesday night's twin bill of softball.

Both games were wild and woolly affairs. Hereford Hardware took the opener 16-6 and Summerfield crushed Piggly Wiggly 27-8. All of these 57 runs were scored in 10 innings, as both games went

only five innings, thanks to the ten run rule.

Three Runs—First Inning
 The K. C.'s started off as if they would be trouble to H-H, scoring three runs in the top of the first inning. But the Hardwaremen touched Kenneth Walterschied for four runs to take the lead fix for good their first time at bat.

C. A. Shanks gets credit for the win although he had to have help from Richard Overcast. The K.C.'s

collected only five hits off their combined offerings.

Homer For Stengle
 No K. C. player got over one hit but Bill Stengle was a homer and Jim Combs hit was triple. Onias Carroll led Hereford Hardware hitters with three hits. Johnny Renner, Ray Hardy and Dick Ross had two hits apiece. Carroll, Hardy, and Renner had home runs.

Second Game
 A hard downpour hit Vets park just as the first game came to a close and the second was delayed for a few minutes.

Piggly Wiggly also played a giant killer in the first frame, taking a five run lead in the first of the first.

Summerfield picked up a single tally in the first and allowed Piggly Wiggly two more in the second.

Took Lead For Good
 The Farmers counted eight times on five hits in the second of the second to take the lead for good.

Piggly Wiggly folded meekly until the seventh, when they scored once.

But Summerfield wasn't content until its batting average was fattened. They scored 18 runs on 15 hits in the next two innings.

Horace Baize gets the victory and the loss is tagged on Alvin Locke.

Tucker Faced Loser
 Richard Tucker paced the loser with two hits while Roy Campbell bagged four and Baize garnered three for the victors.

Phillips 66 gets a chance to take over third place Thursday night when they play Piggly Wiggly. Dawn can gain ground on Hereford Hardware in the nightcap when they meet REA.

If Phillips 66 should win and Dawn lose, the 66'ers would take second place and Dawn would drop to a third place tie with Summerfield.

Special Session Of Legislature Being Requested

AUSTIN, Texas—Officials of the Texas State Teachers Association have asked Gov. Allan Shivers to call a special session of the Legislature to increase teachers' salaries through state revenue without raising local property taxes.

R. L. (Bob) Proffer of Denton, TSTA president and former state senator, made the request in behalf of the organization's legislative committee.

Facing Critical Shortage
 "Our schools are facing a critical shortage of teachers," Proffer said in a telegram to the Governor, "and the failure to alleviate this shortage will work an undue hardship on the 1,650,000 children of school age in Texas."

The Legislature, in its regular session, passed by big majorities in both houses a \$600 pay raise bill but failed to provide the money to finance it.

"The Legislature was never allowed to even consider a tax bill," Proffer noted. "Administration leaders refused to consider any pay raise bill that did not call for an increase in local property taxes and for eliminating some services in our Gilmer-Alkin school program. We objected to those two features in the so-called 'compromise' bill offered by Rep. Joe Kilgore. Governor Shivers is mistaken in saying we insisted on '\$600 or nothing.' We never did say that and furthermore, the Legislature would not have to obtain our permission to raise teachers' salaries by any amount."

\$600 Raise Recommended
 "We recommended a \$600 raise to solve the critical teacher shortage problem. The Legislature approved the raise. It seems unfair to us that the House and Senate then were not allowed to vote on any tax bill to finance it. The pay raise could have been financed easily through a broad-based tax at the state level. We believe a special session should be called immediately to pass another pay raise bill and also to pass the tax bill that will make it effective. But we shall continue to fight local property tax increases because all the money that can be raised on the local level is badly needed for buildings and many other items for which local school districts must bear the entire cost."

Teen Club Holds Slumber Party On Tuesday Night

The Jolly Teen Horizon Club had a slumber party Tuesday night at the Camp Fire hut. They attended the show first, had a late supper, then breakfast Wednesday morning.

Those attending were: Elna Bishop, Nancy Crawford, Janice Craig, Marion Jo Wilson, Gerry Patterson, Nell Simpson, Patricia Roberts, Gracie Fotheringham, Betty Culpepper, Janie Lamm, Cecilia Wilkins, Barbara Turner, Wanda and Vonda Pitts and Mrs. Urlin Streu.

Recipe of the Week
Broiled Chicken
 Use only young tender chicken for broiling. The popular size is 2½ pounds and under. Follow range directions for use of the broiler.

1. Use chickens split in half lengthwise for broiling. Break drumstick, hip and wing joints to keep bird flat during broiling.
2. Skewer wing and leg to body to make a compact flat piece of the chicken.
3. Season each half chicken with about ¼ teaspoon salt and 1-16 teaspoon pepper.
4. Place chicken on broiler (not rack). Brush with melted fat and then place skin side down.
5. Place in broiler 5 to 7 inches under heat source. Chicken should be broiled slowly. Regulate heat or pan position so that chicken just begins to brown lightly in 10 minutes.
6. Turn and brush with fat two or three times during broiling to brown and cook evenly. Total cooking time varies from 35 to 50 minutes.
7. Test for doneness: The chicken is done when meat on the thickest part of the drumstick cuts easily and there is no pink color visible.
8. Serve with pan drippings poured over chicken.

Dr. and Mrs. Roy Grubbs Given Informal Going-Away Parties

Dr. and Mrs. Roy Grubbs, who are leaving Hereford soon for Denver, Colo., have been honored at informal parties recently. Two farewell courtesies were given last week.

On Wednesday Mrs. Bill Waldrep and Mrs. Darrell Blanton entertained with a brunch-bridge at the Waldrep home for Mrs. Grubbs. Attractive decorations were garden flowers in wicker and brown containers to match colors featured in the rooms.

In bridge games following the brunch, Mesdames J. W. Barnett, F. C. Glendenning and O. G. Hill,

Jr. played for score awards and the honoree was presented with a going away gift.

Those attending were Mesdames Troy Moore, O. G. Hill, Jr., Jack Bradley, Roy Crutehfield, Ivan Block, J. W. Barnett, W. L. Davis, Jr., F. C. Glendenning, Wayne Evans, Harry Bennett, Murphy White, the honoree and the hostesses.

Couples Club Entertains
Friday evening members of the Couples Club honored Dr. and Mrs. Grubbs at a picnic supper in the W. L. Davis, Jr. back yard. Club members enjoyed contract games

following the supper. Mr. and Mrs. J. E. Kirby, and Mrs. Dick Barnard received the score awards.

Couples attending were Mr. and Mrs. J. E. Kirby, Mr. and Mrs. Pajal Cohaway, Mr. and Mrs. D. C. M. Whorton, Mr. and Mrs. Bill Wolfe, Mr. and Mrs. Ivan Block, Mr. and Mrs. Dick Barnard, the Dr. Grubbs and Mr. and Mrs. Davis.

Mrs. Vandy Parsons of Abernathy, will visit the week end with her mother, Mrs. W. Q. Dugran of Hereford.

Mrs. Pat Corbett Complimented

Mrs. Pat Corbett, a recent bride, was complimented at a tea given by her mother-in-law, Mrs. Roger Corbett, Sr. and Mrs. Gordon Witherspoon at the Witherspoon home Friday afternoon.

Cut-flowers were used about the house and the lace laid table featured pink and white colors. Pink Rambler roses and baby's breath banked the punch bowl and tiny pink roses formed flower streamers crosswise across the table. Cake squares were decorated with pink sugar spin rosebuds.

Mrs. Freeman Melton of McLean and Mrs. Wayne Phillips presided at the refreshment table.

Mrs. Roger Corbett and Mrs. Earl Phillips, the bridegroom's aunt, stood with the bride to receive the guests.

Approximately fifty guests registered during the calling hours of 4 to 6 p.m.

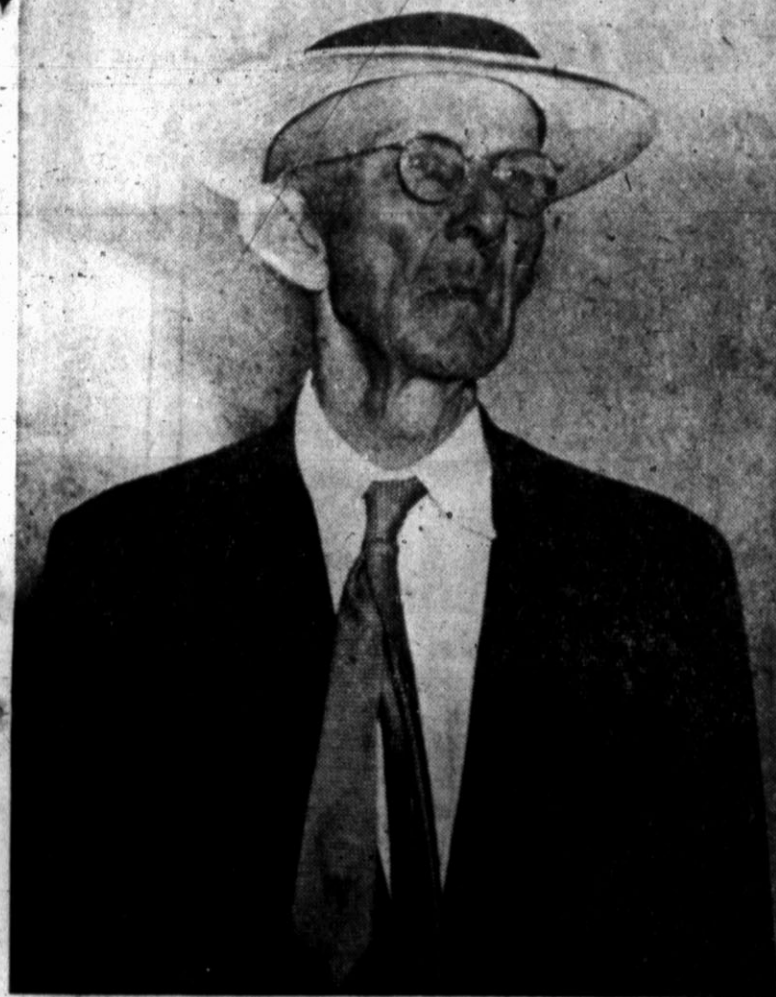

Mr. R. M. Miles of Denton, father of Mrs. Charlie Burk, died Tuesday. He had been in ill health for some time.

Q: How can eyes that are too small be accentuated?

A: Usually, mascara should be applied only to the upper eyelashes but in the case of small eyes, use some on the lower lashes, too.

Q: Please suggest a good, easy-to-use tan-and-freckle remover.

A: Fresh buttermilk baths are very good.

Son Of Dameron Park Contributor Visited In Hereford This Week

George C. Morris, son of J. Frank Morris, who donated land for the Mayor Dameron Memorial Park, visited in Hereford this week. "My father was always interested in Hereford and Deaf Smith County," Morris recalled. "He sent a lot of people out to this country in early days, mostly cattle men, because at that time most people did not know how to farm in this area."

At that time, Morris could buy land for \$1,000 a section, and it was sold for from \$4.50 to \$7.50 an acre. Hereford was then a town of some 1,500 people.

Undrained Lake
The park property, an undrained

lake, was given to the city about 1909.

This was only the second time that George Morris had ever been in Hereford, though his father owned a tract of land near here until his death at 78 in 1937.

Three of J. Frank Morris' sisters are still Hereford residents. They are Mrs. Jennie Thompson, Mrs. Sallie Carter, and Miss Jessie Morris. He also has two other sisters, Mrs. Mollie Matthew, Coalgate, Okla., and Mrs. Blane Wynore, of Ardmore, Okla.

George Morris was raised in Gainesville, and had spent time working as far away as the West Coast before moving back to Gainesville, where he is living now.

New Garbage Truck Purchased By City

A Ford truck destined for use in Hereford's garbage collection department has been delivered to San Antonio where a Pak-Mor body will be installed, according to Grady Bowdry, city manager.

Total cost of the equipment will be about \$3,350, F. O. B. San Antonio.

This unit will replace a Reo truck bought in 1946, though the Reo, which has been more in the garage than in service lately, will be kept as a "spare."

On Ford Chassis
The 1953 Ford chassis with extra heavy spring was bought by the city on a bid from Hereford Motor Company for \$2,201.69, including a big-6 motor. When the truck is ready, some one from Hereford will be sent to bring it up here.

At the recent city commission meeting, the commission approved the installation of four street lights on North 9th St. All four will be on the east side of the street in the 100 block, which is unusually long.

Experimental Pipe
As an experiment, the city has bought 237 feet of plastic water pipe which is to be used in installing water lines between the main and individual homes, Bowdry said. The plastic pipe has several advantages over conventional metal pipe, according to manufacturers claims.

Q: What is a good astringent or use on an oily skin?

A: One of the best is buttermilk. This is also good as a slight bleach. Without the usual drying effects of most bleaches.

Spacing Water Wells Too Closely Tends To Increase Pumping Costs

According to an old saying, "Two heads are better than one." By similar reasoning, two water wells in the High Plains should supply more water than one well for irrigating a farm; for municipal use, or for industrial supply.
In general, that is true provided the wells are adequately spaced as shown in figure 1. However, if some of the wells are too close together, as shown in figure 2, the interference between closely spaced wells may cause so much additional lift and decrease in yield that over a period of years, the profits from two wells may be no more than the profits from one well.

Area Of Influence
Imagine well "A", above, as the hole you might dig near the end of a wheat bin. Reaching the bottom, you are surrounded by the light-shaded cone. In the case of underground water, dotted line "X" is the static water level. The cone itself is the well's "area of influence". The circle from which your well draws its supply of water.

Now, see what happens when TWO men dig away at opposite ends of the grain bin. Grain pours both directions from the supply zone between the two holes. In effect, the two diggers are fighting a silent battle with each other for the lion's share of the grain. The same is true of water wells "A" and "B", which are spaced several hundred feet apart.

Interference is a typical sub-surface condition where water wells are jammed together. This causes increased drawdown, the point where pumping costs go up. Regulated well spacing, as practiced by the Water Conservation District, can help reduce this interference.

Expenses Zoom
Figure 2 may be the situation as found in a field of water wells. The four wells, spaced too near each other, have a leapfrogging zone of interference. Drawdown increases sharply. Pumping expenses zoom. Often, some wells in a cluster like this have to be abandoned. Pumping rate may have to be reduced.

These "waterbug's eye views" show how easily drawdown can be increased by congested spacing at the surface. Drawdown can be measured at a distance of 100 feet from a pumped well, and has even some areas. A sharp pencil and "rme quick figuring at today's drilling and pumping costs will show how spacing can cost, or save, thousands of dollars for the High Plains well owner.

Q. What hairdress is good for the type of face that is wider at the cheeks than at the forehead or chin?
A. Choose a hairstyle that fills out the forehead area. A slanted part gives the impression of width at the forehead.

Whitewash
To make whitewash, fill a bucket half-full of lime and cover it with water to a depth of about two inches. Let stand 24 hours to slack or until the consistency of paste. Dip out desired portion and thin with water to required consistency.

Spots on Carpet
If a carpet has discolored spots on it, rub them with a sponge dipped in ammonia diluted with water. It will frequently restore the color and the same applies to clothing.

String Beans
Only about one-half the time ordinarily used will be needed for cooking string beans if they are cut lengthwise instead of being broken into two parts.

Clothesline
Boil the new clothesline about 30 minutes before using it. This will prevent it from tangling so readily, will make it last longer, and will also prevent stretching.

Steak
If the steak is tough, mix a small quantity of vinegar and olive oil thoroughly, rub it on both sides of the steak and allow it to stand for about two hours before frying.

Ink Stains
To remove ink stains from silk, wet the spot with turpentine and allow to remain for several hours, then rub between the hands. This will also be effective for taking ink out of cotton and worsted goods without injury to the fabric.

Card of Thanks
We would like to thank everyone who was so kind to us during the passing of our wife and mother, Mrs. R. R. Gilbreath.

Ironing Sleeves
If the ironing board is too wide for ironing sleeves, turn the sleeve wrong side out, insert a towel, folded to the width of the sleeve, and iron on both sides.

Sponge Cake
Before placing the sponge cake in the oven, sprinkle a little granulated sugar over the top of it. It will give the cake a rich, brown color.

Furniture
Finished oak or walnut furniture can be cleaned nicely by wiping with a cheesecloth wrung out of tepid suds of white naphtha soap. Clean but a small portion at a time and rub dry with a flannel cloth before proceeding. Finish by applying a little good furniture polish on a clean flannel, and rubbing until the surface no longer feels greasy.

Beauty At Home
By Lynn Carter
Q. How can I make up my face to minimize a rather large nose?
A. You can try using a lighter foundation makeup on your cheeks. Use a foundation cream that blends with your natural skin tone over your nose and the outer portions of your cheeks. This makes your cheeks seem fuller, and your nose then looks smaller.
Q. How can I encourage a softer cuticle on my fingernails?
A. By dipping the nails weekly into warm olive oil, wrapping them in gauze, and letting them soak up the oil for at least an hour.

GIVES \$19,000 TO CELLMATE
J. C. Henderson, 49, wealthy rancher serving a 50-year prison sentence for murder, says he gave a former cellmate at the Texas State Prison at Huntsville, Tex., Alton B. Franks, 19, \$19,000 "to give him a chance." Franks was released from the prison May 18 after serving 18 months for auto theft. (AP Wirephoto)

Hereford Funeral Service Held For Mrs. Gilbreath Of Amarillo

Funeral services for Mrs. R. R. Gilbreath, 65, of Amarillo, were conducted Monday at the First Methodist Church with Dr. Orion W. Carter, superintendent of the Big Spring Methodist District Office, officiating, assisted by Dr. S. M. Dungan, and Dr. J. O. Hames, First church of Plainview. Burial was in Hereford Cemetery. Mrs. Gilbreath died Friday in Baylor hospital, Dallas, where she

was taken for treatment two weeks ago. She had been ill the past year.

Miss Juanita Largent, sang "The Holy City" accompanied by Mrs. Charles Dean at the organ.

Pallbearers
Pallbearers were husbands of the Westlean Service Guild members of the First Church of Plainview of which Mrs. Gilbreath was a member.

Mrs. Gilbreath, the former Miss Louise Julch, was born August 4, 1887 at Leigh, Neb. She moved to Tulsa two years later. On July 4, 1899, she married Rev. Gilbreath. They moved to Dimmitt where Mr. Gilbreath operated a mercantile firm until 1923, when he went into the Methodist ministry.

Surviving Relatives
Besides her husband, Mrs. Gilbreath is survived by a daughter, Mrs. Clyde Cave, Hereford; two brothers, A. C. Julch, Tulsa; and P. J. Julch, Sioux City, Iowa; two sisters, Mrs. T. S. Daly, Sioux City, and Mrs. J. C. Schneider, Henton, Iowa.

Out of town relatives attending the funeral were Glenn Schneider, Henton, Iowa, Floyd Gilbreath, Jennings, La., Mr. and Mrs. Harold Wright, Lubbock; Mr. and Mrs. J. C. Gilbreath, Dimmitt; Mr. and Mrs. W. W. Gilbreath, Dimmitt; Mr. and Mrs. Farrel Carruth, Tulsa; Mr. and Mrs. Floyd Rhodes, Tucumcari, N. M., Mr. and Mrs. M. M. Name, Amarillo; Mr. and Mrs. Tal Collins, Amarillo; and Mr. and Mrs. Cecile Shearer, Amarillo.

Lemons Funeral Home of Plainview had charge of the arrangements.

Westway News

Delmon Moll of Hiawatha, Kansas arrived Monday to spend several weeks in the home of his aunt, Mrs. Merlin Kaul. This is Delmon's first trip away from home. He had his first train ride and is finding many differences between the Panhandle and his home in Kansas. Hiawatha is in the north east part of Kansas.

Mr. and Mrs. Art Shaffer, Art's father of Gallion, Ohio, who is spending several weeks here in his son's home, and Mrs. Zona Turner of Hereford enjoyed watching TV at the Joe Wagoner home Monday night.

Emmett McCathern returned home Friday from the hospital at Pampa where he recently underwent surgery. He is convalescing nicely. Mr. and Mrs. Wilton Lillard and son Kevin of Phillips are spending this week in the McCathern home. Lillard teaches art in Phillips High School.

Vernon Burgess is in the Veterans Hospital at Amarillo where he is receiving medical treatment.

Returns From Dallas
Miss Ruby Welch returned to the Bernie Northcutt home last week from Dallas where she had gone with her brother Junior Welch and family to visit in the home of a sister Mrs. Glendon Harrison. Mrs. Harrison has recently undergone surgery. Her two small sons, Gary and Ronnie returned with Miss Welch to stay for some time in the Northcutt home.

The SLO 4-H Club had a skating party Friday night in the barn at the Johnny Townsend home. Those present included Jenny Lynn McCathern, Gayle and Ann Wagoner,

Joe Wagoner, Mr. and Mrs. Elmer Combs, Mr. and Mrs. Finis Wright of Dimmitt, Jo Eddy and Kay Lynn Scott, Suzanne Elliot of Happy, Lillian Drager, Carolyn Jackson, Mary Lynn Morrison, Oma Lee Ranspot, Mr. and Mrs. Johnny Townsend, Patsy, Sandra, and Terry.

At the close of the evening, sack lunches with cokes were enjoyed.

Mr. and Mrs. E. E. Allen, Wayland and Marvalene of Adrian were visitors Sunday evening in the home of Mrs. Allen's sister Mrs. Johnny Townsend.

On Camping Trip
Nathan Wilson left Sunday afternoon with the Boy Scouts for a week's camping at Camp Don Harrington at Palo Duro Canyon.

Suzanne Elliot of Happy is a guest this week in the Ira Scott home.

The E. M. Pucell family moved last week from the O. G. Hill farm back to Cheyenne, Oklahoma which was their former home. Mr. and Mrs. Gene Purcell also moved to Cheyenne.

Visitors in the Ralph Mitchell home Sunday included Mr. and Mrs. Earl Huston of Lovington, New Mexico, Mr. and Mrs. Leonard Gearhardt of Amarillo, and Mr. and Mrs. Clyde Rhodes of Littlefield. Mrs. Huston and Mrs. Gearhardt are daughters of the Mitchells and Mr. Rhodes is her brother. Clyde Rhodes, Jr. is working at the Mitchell farm here this summer. Young Terry Gearhardt, who spent last week with his grandparents, returned to his home with his parents so that he can attend Vacation Bible School for the next two weeks. He then plans to

return to the farm. The two little daughters of Mr. and Mrs. Earl Huston are also spending the summer here with the Mitchells.

Mr. and Mrs. W. A. Johnson have moved temporarily from Hereford to the O. G. Hill farm where their son is foreman.

Bill Roberts of Amarillo was a visitor Sunday afternoon in the M. G. Caywood home.

To Attend Round-Up
Ralph Morrison left Monday morning by bus from Amarillo for College Station where he will attend the Annual 4-H Round-Up.

Mrs. Elmer Combs, Mrs. Preach Merritt, and Mrs. Merlin Kaul went to Amarillo Sunday to attend a School of Instruction for the Rebekah Lodges of this district.

Mr. and Mrs. Jimmy Thomas and children visited Mr. and Mrs. Sam Lesly at Progressive Sunday afternoon.

Mr. and Mrs. J. C. Morrison, Mary Lynn and Judith visited Mrs. J. E. Morrison and Marvin at Hereford Sunday afternoon.

HD Club members from here who attended the meeting of the HD Chorus at Veterans Club House Monday afternoon were mesdames Dick Godwin, Paul Rudd, Joe Landers, Elmer Combs, R. L. Wilson, and Merlin Kaul.

Mr. and Mrs. Vernon Wilson and boys and Mr. and Mrs. Glen Willetts visited Mr. and Mrs. Harrison Sunday in the Roy Lee Williams home.

Mr. and Mrs. R. A. Freeman just returned from a three week's trip. They visited points of New Mexico, Arizona, and California.

Pat Hardwick has been visiting in Dallas for a few days.

Amarillo Strong Man Wins Bout With Full Nelson

Billy Weidner, Amarillo's strongman, won over John Henning of St. Petersburg, Fla. in the first event of the double main event card at the Lions wrestling matches Saturday night.

Roger Mackay was top man in the second half of the double. The first fall went to Weidner in 18 minutes when he pinned Henning for the count with one of his favorites, a full nelson.

Used Alligator Clutch
Henning used his famous alligator clutch to take the second fall from the burly Amarilloan in seven minutes.

Weidner took the match with another full nelson in 10 minutes. Disqualification of Buck Lipscomb gave the first fall of the second match to Roger Mackay, a comparative newcomer to the Hereford ring.

He took the second fall in 20 minutes with a body jackknife to be named winner.

Mr. and Mrs. Purris Williams, Sr. and family have returned from Brownwood where they visited their parents Mr. and Mrs. Williams and Mr. and Mrs. Dorsetts.

Mr. and Mrs. Billie Graham who are in the Rawls Sanatorium at Christoval are reported to be doing fine. Mrs. Graham writes that her condition is much improved and that they plan to be home in two or three weeks.

Irrigation League Loss Is Blamed On Sand Storm

By Shelby Whitfield

Hereford's entrant in the Irrigation Baseball League misfielded itself to a loss at Kress Sunday afternoon. The locals were on the short end of a 9-7 score at the completion of the nine inning tilt with the youthful Kress team.

The game was played in a blinding sand storm. Numerous times the contest was held up to allow gusts of sand to pass by.

Amazing as it may seem, every Kress run was unearned. Kress collected only five hits but eight Hereford errors turned the tide.

Wind and Sand

It was not unusual to see a self-assured infielder try for a ground-eyer, only to find that his sandshot eyes had misjudged the ball. Then too, straight true throws would be caught by the wind and would miss the intended target completely.

Hal Chase, who hurled for Plainview High School this past season, is the winning pitcher. Chase allowed 11 hits, walked four, and struck out five, while pitching the complete game.

Walked Two

Chase walked two men in the top of the first. One came into score on a long fly to left field by Dwayne Stewart.

Hereford got to chase again in the first of the third, scoring six runs on six hits. However, Hereford has scored its last run getting only four hits in the last six innings.

Terry McRight, the younger set of the Hereford moundstaff, started for Andy Anderson's team. He allowed only two hits in the five frames that he pitched but wildness kept him in trouble. The lefty walked six men and struck out four. McRight left the game with Hereford leading 7-6.

Stan Barrett took over the mound chores at the start of the sixth inning. Barrett, a relief pitcher, and regular short stop, gets the loss.

CUBS GET BEAR HUG FROM BEAUTY — Baylor University's newest bear cubs, as yet unnamed, seem quite content as they are held by Pat Barfield, Baylor senior who graduated Friday night. The cubs bring his bear population of Baylor campus to eight. Pfc. Rife Awarded Medal For Heroism

With the 3D Infantry Div. in Korea—Army Pfc. Arthur M. Rife was recently awarded the Bronze Star Medal for his heroic work as a medical aidman during a skirmish on the Korean battlefield.

He is the son of Mrs. Ruth Rife, Friona, Texas, and John Rife, 1218 McKinley Ave., Avon, Ohio.

Rife distinguished himself last November with Company L of the 3rd Infantry Division's 15th Regiment when the unit was relieving another company at an outpost.

Soon after Company L had taken over the outpost, the Communists opened up with small arms and mortar fire.

Worked Under Fire

"As the ensuing fire fight progressed," the citation recounts, "Rife left the comparative safety

managed a double and a single. Hereford's next game is with Silverton next Sunday at Silverton.

New Ceramic Club Officers Installed

Officers were installed at a regular meeting of the Ceramic Art Club in the home of Mrs. Carl Gilliland, Thursday afternoon, June 4th. They were: President, Mrs. W. S. Fluitt; Vice President, Mrs. E. M. Cox; Secretary-treasurer, Mrs. R. C. Childers; Reporter, Mrs. Franklin Miller; Historian, Mrs. Mrs. Carl Gilliland; Show chairman, Mrs. Don Root; Year Book, F. M. Kester; Parliamentarian, Mrs. Phil Radovich.

During the business session it was reported a bank balance of \$24.00 for the club. Members of the club voted to buy a television mold with some of the money, and to use the Popular Ceramic magazine as their text book for another year.

Eight Members Present
The roll call was answered by eight members, each stating a program suggestion to be used the coming year. Some of the suggestions were: instructions for the use of Luster, Matt Glazes, Flower making, Segrificio, Originality, or Free Form and Lace work.

Members attending were Mesdames: Franklin Miller, W. S. Fluitt, E. M. Cox, F. M. Kester, Phil Radovich, R. C. Childers, Glen Boardman and the hostess Carl Gilliland.

Rance HD Club Meets In M. Hammer Home

The Rance Home Demonstration Club met Friday in the home of Mrs. Melvin Hammer.

Mrs. Clifton Harper gave the program on "Distribution of Property."

Those attending were Mesdames H. G. Behunds, daughter and grand daughters from Washington State; George Delozier, Roy Botkin, Nelda and Myrna, Jack Strein, B. B. Sinclair, F. M. Woolbright and Jean, Clifton Harper, and Lowry, and the hostess.

CHIP SHOTS

By Bud Posey

J. M. Cogdell won first place in the regular Friday night putting tournament on June 5 with a 4 under par 68, despite the wind, to win himself a couple of golf balls.

John Patton took second place with a one under par 71. Third place ended in a tie between Dr. R. E. Lingenfelter, John McCleskey, J. M. Posey, John D. Pitman and Ray Hardy were even par with 72's.

This necessitated a play-off for the three balls left and the three winners were McCleskey, Posey and Hardy.

Three Divisions
Friday night's tournament will commence at 8 o'clock with a Men's Division, Ladies' Division, and Kids-Under-15 Division. Entry fee will be 50 cents and play will be 26 hole medal play.

Charles Seed won the Junior Division last Friday night, defeating Jeff Minton 1-up on the second extra hole after being tied with 73's at the end of the regular 36 holes.

Charles Seed, Jeff Minton and Jimmy Butler competed in the Jaycee Junior Golf Tournament at Ross Rogers Municipal golf course last Thursday in Amarillo.

Charles and Jimmy competed in the 14-year-old division, and Jeff in the 13-year-old division. Jeff wound up tied for second place with a 31 and was defeated in a sudden death playoff on the fourth extra hole. Charles shot a 97 and Jimmy a 107.

Prizes Ordered
Prizes for the annual City Tournament have been ordered. The winner of each flight will receive a small trophy and a \$29.50 Bag Boy caddy cart.

Runners-up will get a dozen golf balls, consolation winners a new putter, and medalist a pair of slacks.

Entry fee will be \$6, which does not include green fees. Qualifying starts on Sunday, June 28 and runs

through Saturday, July 4, which will be the day all golfers trying for medalist honors will compete.

Two Matches July 5

Play will be either two matches on Sunday, July 5, and two matches on Monday, July 6 (if the stores close), or two matches on Sunday July 12. There will be 16 men in the championship flight with the eight first round losers forming the first flight.

All flights will consist of eight men each.

Don Martin is the defending champion and can reserve the No. 1 position without qualifying. Don defeated Frank Cogdell 3 and 2 in last year's final match; so, get those clubs out and get in some practice so you can have a chance at winning a nice prize in the near future.

Our next inter-city match is with Clovis, N. M. on Sunday afternoon June 28 at the Clovis County Club with matches commencing at 12:30 o'clock, Texas time.

Farmers Must File For Wheat Acreage Allotment This Month

Farmers on land which was seeded in wheat in either 1951, 1952 or 1953 have only until June 30 to apply for a 1954 wheat acreage allotment, according to Faust Collier, office manager for the Deaf Smith County Production and Marketing Administration.

"To be considered for an allotment on a farm which had no wheat seeded for any of those years, a farmer must apply in writing to the county PMA committee by June 30," Collier said.

Blank application forms are available at the county PMA office for use in filing the request for an allotment.

FOIBLES Fancy and Plain

By Kent Snare

Looks as if the late Mike Jacobs, the sachem of Jacob's Beach and the ex-clown prince of the misquote, has an able successor in the office. As another master of the masticated metaphor, has hoveed into the printed word and hove is the word. Recently, it is alleged, when Manager Al Weill was asked if he had come to terms for his fighter, Rocky Marciano, to defend his heavyweight title in September he rejoined: "No, we ain't decided on nothin'." There's a spasm separating us in the negotiations." Also reputedly, he is supposed to have authored the admonition, addressed to another fight manager to "go peddle your own canoe." Although there are those, since Mr. Weill is of the faith, that ascribe it as, "go peddle your own canoe," which is good and laughable, but hardly up to the epitome of scrambling which the aforesaid late Mr. Jacobs gave forth with, and which incidentally, was only one of many garbled gems that emanated from his voluble gasper. The priceless one was reported to have occurred when morning negotiations for a fight were staggated by an obvious difference of

opinions between Mike and the opposition's manager. Mr. Jacobs waxed indignant and in that vein, arose and prepared to take his departure, observing at the nonce, that his time had been wasted and that "I should have stood in bed." Few people, and I was not among them, caught onto the gimmick when Ralph Kiner, on June 2, signed a new 1953 contract with the Pittsburgh Pirates, eliminating a special bonus clause. The new document did away with a stipulated section that accorded Kiner an additional \$5,000, if sold or traded this year. There has been trade talk, involving Kiner, permeating the press consistently this season, but the transaction on June 4th, involving Kiner and other Pittsburgh chattels to the Chicago Cubs for cash and some of their miphions, caught most of the press agents with their surmises intact and unpublished. It is presumed that the Chicago approximated both his stupendous salary and his not so awesome batting average, at one and the same time, but hopefully, in both cases. I notice in the black and white that Bobby Jack Floyd, 210 pound former TCU fullback,

CONFEDERATE VETERAN HONORED -- Thomas W. Similar certificates were presented by the national organization of the Legion to the lone survivor of the Grand Army of the Republic and the other three surviving Confederates. Representatives of five wars were represented at the presentation. Left to right (seated) Paul Cook, Austin, World War I veteran; (standing) G. Frank Barber Family Holds Reunion Here

Mr. and Mrs. Frank Barber held a family reunion recently with all children, except one, present. Major Alva Barber on duty with the Air Force at Walker Base, Roswell N. M., was unable to attend. Those present were: Mr. and Mrs. Bub Newell, and son, Mr. and Mrs. Frank Barber, Jr. and daughter of Kerrville, Mr. and Mrs. Jack Barber and son, Lubbock, Mr. and Mrs. A. P. Jones and children; Mr. and Mrs. J. E. Guinn and sons of Cheyenne, Wyo. and Mr. and Mrs. Flake Barber and daughter of Lubbock. On Wednesday of last week the group went to Roswell to visit Major Alva Barber and his family.

11 CARS WRECKED ON CURVE the nearly 90-degree turn and sliding off the highway. Williamsport, Md. — Eleven cars were wrecked in ten days on a sharp turn in U. S. Highway 11, from Maryland into West Virginia. The chain of accidents began early the morning of April 26, when two cars smashed up, injuring four persons, one seriously. Most of the wrecks involve cars failing to make the nearly 90-degree turn and sliding off the highway. A "struck bushel" is an even bushel. The word magazine originally meant storehouse.

GOVERNMENT JOBS
The Census Bureau has reported that some 7,105,000 persons were on Federal, state or local government payrolls last October — one out of every 22 persons in the United States. Contrary to what many think, the largest number of Government employees was the group working for local governments, including cities, counties, school districts, townships, and special districts. That total was 3,418,000. Next came the Federal Government civilian payroll, totaling 2,583,000. The states accounted for 1,103,000.

Peggy Browning Spoke At Ford HD Meeting

Peggy Browning, member of the Jolly Girls 4-H Club, spoke on good posture and health habits at a meeting of the Ford Home Demonstration Club held Wednesday afternoon June 3 in the home of Mrs. Hardy Benson. Mrs. Henry Browning, vice-president, presided over the business meeting and recreation was directed by Mrs. Elmer Ayers. Council Report Miss Hilda Straffuss gave the H. D. Council report and members voted to cooperate with the Council aiding in the support of the H. D. Singing group which has recently been organized. Members also voted to make a ten dollar contribution to the Gary Ohlig fund. A covered dish luncheon was planned for June 17 in the home of Mrs. Jackie Bishop. Those present were Ann Dyer, Bernadette Batenhorst, Peggy Browning, Mrs. Earl Dyer, Mrs. Elmer Ayers, Mrs. Henry Browning, Miss Hilda Straffuss and the hostess.

PENNY POSTCARD
The penny postcard isn't what it used to be, it seems. In the first place, it now costs 2 cents and, too, it has lost about half its former popularity with the public. At the old rate, sales over a long period averaged around 4,000,000 cards a year. In the last full year at 1 cent, 4,193,748,200 cards were issued. In the last full year, cent and the last half, 2 cents, sales dropped off to a total of only 2,384,123,500.

It is followed by morning worship at 11 o'clock.

I PLEDGE . . .

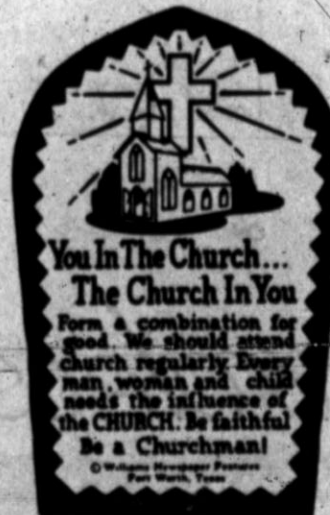

Allegiance to the Flag of the United States of America,
and to the Republic for which it stands, one nation
indivisible with Liberty and Justice for all."

A pledge is a promise . . . a token of character, honor, integrity.

Allegiance is fidelity to all the sacred relationships of life . . . native land, family, church and to God. When allegiance is a blend of true religion and patriotism, *all men will be respected.*

Pledge allegiance to your flag and to your God.

FRIO NEWS

By Mrs. Owen Andrews

There were 145 counted in Sunday school, with a few more coming for church services, Sunday. We were 89 present for Train-Union Sunday night.

Accidental Death

Ward was received here last week, of the accidental death on May 31, of Miss Virginia Lee Ward, daughter of Mr. and Mrs. George Ward, of Alderwood, Washington. Miss Ward fell down a flight of stairs while visiting at a friends' house and was fatally injured, and died in a short time.

Miss Ward was 18 years old, had just finished her freshman year in college, and was to have been married in the near future. Her mother is the former Miss Helen King, who taught school at Frio in 1930 and 1931, with her brother, Charles King. She was married at the close of the school term to Ward, who

AGRICULTURE AWARD WINNERS -- Winners of the \$15,000 worth of 1953 awards for achievements in agricultural sciences line up to receive congratulations at the Texas Research Foundation at Renner, Tex. Left to right are Dr. E. B. Evans and Eugene Butler, who each got \$5,000 and gold medals; Dr. Wayne Cooke and Dr. Norin E. Harris who shared a \$5,000 award and each receive a gold medallion. Shaking hands with Harris is George T. McGregor, right, who made the presentations and Allan B. Kline, second from right, president of the American Farm Bureau. Evans is president of Texas' biggest land grant college for Negroes, Prairie View Agricultural and Mechanical College. Butler is editor of the Progressive Farmer. Dr. Cook and Dr. Harris are staff members at Utah State Agriculture College. (AP PHOTO)

was also a native of this area, living in the Arney community. The Wards have two other children, George L., and Bonnie Dean. Their address is Route 2, Box 22, Alderwood Manor, Wash. Charles King of Amarillo, left the first of the week to attend funeral services to be held on Saturday.

Mrs. Charles King, Jerry and Miss Anita Higgins of Amarillo, visited Sunday with Mrs. King's parents, the J. E. Andrews and other relatives.

Mr. and Mrs. Kenneth Raekler and daughters, Patricia and Sue, of Slaton, visited Sunday with the E. F. Voglers.

Joe Ed Andrews accompanied Walter Vogler as his guest, Sunday night to a Youth Program of the Lutheran Church at the Jaycee Park in Hereford.

Nancy Gripp and her mother, Mrs. Spicer Gripp, visited "Uncle Pat and Aunt Phyllis" at their

funny paper program in Amarillo Sunday morning. She celebrated her sixth birthday, which was on Tuesday.

Mr. and Mrs. Hershel Jones and family, of Corum, Okla. visited the last week in the home of Mrs. Jones sister, Mrs. Thurman Cole.

On To Houston

Mrs. H. M. Mobley, Lanelle and Mrs. Earl Cole went to Floydada Sunday afternoon to visit Mrs. Mobley's sister, Mrs. Claude Price. Mrs. Cole then went to Houston with a daughter of Mrs. Price who lives in Houston and was visiting the Price home Sunday. The Mobley's returned home Monday.

The Jack Jones had his mother and four brothers from Oklahoma visiting them last week.

Mrs. Gene Noel visited Mrs. Floyd Cole on Monday.

Mrs. Simmons is visiting for some time with her folks in Oklahoma. She accompanied their

daughter, Mrs. J. D. Blodgett and family to County Line, Okla., last week when they returned to their home after a visit here.

Visiting the A. D. Johnsons last week end was their niece, Mrs. R. L. Schields and Mr. Schields of Valejo, Calif.

Clint Summers, son of Mr. and Mrs. Elbert Summers, had his tonsils removed at the Deaf Smith County Hospital last Wednesday. He and his parents spent that night at the J. E. Springer home and they stayed the remainder of the week with the W. A. Springers.

Mr. and Mrs. W. A. Springer and Mr. and Mrs. J. E. Warrick attended a family reunion at Lubbock Sunday.

Mrs. C. N. McClure has been visiting her daughter, Jetta, at Midland and other relatives for a few days. She planned to fly back to Amarillo on Thursday, bring her granddaughter, Sharon, with her

Hereford is to have a new depot. The first car load of brick has been placed on the ground. The site selected for the new structure lies between the main track and Curtis' store. It will face on Dewey Avenue. Plans and specifications call for a building 78 by 120 feet, two stories high. The first story of ground floor will be used for the offices, waiting and baggage rooms; the second will be arranged for living rooms. The material will be pressed brick on a concrete foundation.

In company with L. Gough, we went out to Mr. Gough's wheat field near the city last Tuesday morning and made an examination of the crop. The harvester had just begun work that morning and the falling golden grain before the sickle was a sight well worth the trip.

This particular field of wheat is of more than ordinary interest from the fact that it was planted on new ground. The land had been broken and prepared for the grain under the Campbell system of which Mr. Gough is a most ardent advocate and the results have been watched by the entire community. Mr. Gough says that he put only 20 pounds of seed to the acre. The average height of the standing grain is only 30 inches, but a careful estimate of the yield was put at from 25 to 30 bushels to the acre.

L. Baskin and W. D. Kelleher, acting as a committee from the Chamber of Commerce, have arranged with the Panhandle Lumber Company for the privilege of placing two large air markers on their long southeast shed. The word "Hereford" will be painted in six by eight feet letters on both the east and west roof of this building.

A landing field located between the old electric light plant and the new Marland wholesale station, taking in the old ball park, has been tentatively selected by this committee. If this location is approved and all satisfactory arrangements can be made with the owners of the land, consisting of

AMERICA'S NEW RAILROAD

A 50-yard dash with a potato on a spoon! An exciting bit of Americana—but it's not the **World's Greatest Potato Race**

That's the 2200-mile dash on the Santa Fe with 1,350,000,000 potatoes

Somebody east said, "Pass the potatoes!"

Out in California, the fertile San Joaquin Valley heard them. And look what happened.

Santa Fe started moving 14,000 to 15,000 carloads of potatoes to hungry markets all over the Midwest and East. 34,000 to 40,000 pounds to a carload. As high as 540 carloads per day at peak of harvest. That's more than 1,350,000,000 potatoes. And that's a lot of spuds.

Bag 'em. Load 'em. Roll 'em. And *Hustle*. Somebody east said, "Pass the potatoes!"

From America's largest fleet of refrigerator cars owned by an individual railroad, these yellow Santa Fe "reefers" are dispatched to the "Potato Capital of the West."

There the cars are cleaned, checked, loaded, switched. And iced fast (a car a minute, if you please). These potatoes can't wait!

In servicing the cars as they speed east, new time docks at Bakersfield and Needles, Calif., N. Mex., Wynoka, Okla. and Kansas City work the clock around. Electronically-controlled "hump" yards speed the switching.

SANTA FE PRECISION—SANTA FE SPEED

On-time delivery calls for full-time precision to keep these schedules "on the advertised."

After the potatoes come the wheat... citrus fruits... grapes... melons... and green vegetables all year long—flooding east from Santa Fe country to you. Everything from avocados to atochini.

It costs Santa Fe millions of dollars to serve you so—and provide you with *Super Chiefs*, too! But we're proud to say they are earned dollars. Not one penny comes from the taxes you pay.

PROGRESS THAT PAYS ITS OWN WAY

Congressman Walter Rogers Says Administration Is Seeking Way To Extend Excess Profits Tax

Washington, D. C., June 5, 1953. MORE ABOUT THE TAX SITUATION: The time is growing near for affirmative action to extend the excess profits tax. Unless affirmative action is taken by the Congress by June 30th, this tax will expire by its own terms. The administration has all but demanded that this tax be extended to December 31, 1953.

Whether or not the executive branch will make an all-out, no retreat, demand that Congress extend this tax will depend upon what happens within the next ten days or two weeks. So far, the administration has respectfully requested that this tax be continued but has not yet cracked the political whip.

Probing of Opposition
There has been a daily probing of the opposition forces that lie within the President's own party. The purpose of this is to find a soft spot that will enable the administration to extend the excess profits tax without resorting to cracking the political whip and causing a knock-down and drag-out fight on the floor of Congress. The latest, and probably most effective, feeler came from Speaker Martin immediately after a recent White House conference.

He commented that the failure to extend the excess profits tax could well result in no reduction of individual income taxes on December 31, of this year, as provided by law. This was no doubt intended to disturb Chairman Reed of the House Ways and Means Committee who is fighting for no extension of the excess profits tax and a reduction of individual income taxes as of June 30, 1953, rather than December 31, 1953.

Not Easily Scared
Chairman Reed does not scare easily, and he is a hard and able fighter for what he believes to be right. The administration lost the support of the National Association of Manufacturers and the United States Chamber of Commerce on this issue.

These two organizations are the largest organizations representing business in this country. They not only refused to support the administration on the issue, but refused to remain neutral as they had been requested to do, and came out in opposition to the extension. One of the major objections to the tax is that it prevents the expansion of new businesses that do not have base periods reflecting large earnings.

It has measurably hurt small

business and will continue to do so. Many of the corporations would much prefer that the excess profits tax expire and that the Congress increase the normal corporate tax rates. They argue that this would be more fair and would actually bring in more money.

As I said in a recent newsletter, if the excess profits tax is allowed to expire, you can expect a hard and tough fight for early reduction in individual income taxes.

BUREAUCRACY: Much has been said in the past few years about bureaucracy, and no one has condemned government by bureau and agency edict more than I have. I am increasingly disturbed by the continuing requests for more power for bureaus and agencies, and the failure to clip the wings of these administrative bodies.

Recently the Senate passed a bill bringing several agencies under the provisions of the Administrative Procedures Act that are now expected therefrom. This action is nothing more than an enlargement of bureaucratic powers because under the provisions of the Administrative Procedures Act and the decisions of the courts in construing that act, the rights of citizens of the United States are determined in most cases by individuals appointed by individuals appointed by elected officials.

Record Isn't Stuck
You may think that the record got stuck or that I was stuttering when I wrote this, but such is not the case. Many of the persons who are primarily instrumental in the decisions rendered as between in- or five appointments away from the official elected by the people. Provisions in the laws granting the right to court review by an aggrieved party are of no consequence, simply because the courts have no authority to go behind the actions of the administrative body.

Much of our bureaucratic headache has been caused by brief actions of the administrative body that appear to be very sensible and expeditious. However, experience and unnoticed provisions in laws has proven that we are paying the high price of losing our day in court by capitulating to unnecessary speed in the determination of our rights.

Courts Need Money
The promotion of our way of life and the freedoms which we so jealously guard would be much better served if the money being spent in many of these administrative agencies was being used for increasing our court system.

It makes little difference which party is in power or which individual is in charge of a bureau or administrative agency, there is a never ceasing pressure from these bureaus and agencies for more and greater power. These practices will not be stopped by politics. They

Meeting To Talk About Game Laws Set For Friday

Present game and fish laws and proposed changes in the laws will be discussed at a meeting held by Game and Fish Commission at 3 p.m. Friday in the Courthouse. Game Warden Cal Loveless, Vega, said that they hope to get the limit off crappie, while another proposed change in accordance with the Panhandle regulatory powers act will be a change in the deer season so there will be two week-ends.

Other Possible Changes
Other possible changes are a cut in the quail bag limit because those birds are so scarce at the present time, and a change in the minnow law so it will be back under the general law.

"Sportsmen and landowners, and any others interested in fish and wildlife, are invited to attend the meeting," Loveless said.

The other person from the Fish and Wildlife Commission attending the meeting will be biologist A. S. Jackson of Canadian.

Mr. and Mrs. Darrell Blanton and son and Mrs. Roy Grubbs and children left Monday for Denver, Colo. Mrs. Grubbs will make Denver her future home and will be joined there by Dr. Grubbs on July 1. Mr. and Mrs. Blanton plan to return home in a few days.

Hereford Grain Co-op Is Given State Approval
