## Changes Made In Pool Times

Swimming pool manager Jack Ramey announced Wednesday that two changes have been made in the pool schedule.

The pool is to be open on Wednesday and Friday afternoon from 1:30 until 8:30 o'clock, without interruption. On all other days the pool will be open to the public from 1:30 until 6 o'clock.

As before, private parties may be arranged for either Tuesday or Thursday night, while Monday night will remain Boy Scout night.

Thursday morning from 10 to 11 o'clock is Ladies Open Plunge, and registration for swimming instruction takes place at 11 o'clock the same morning.

Those wishing to sign up for the adult beginners course should register today, Ramey said.

## Fiona Methodist Youth To Participate In Work

Fiona Methodist Youth will participate in a Christian Witness Mission here July 13-20. Seven churches in this area will carry on a simultaneous mission.

All young people and adult workers will meet in Hereford each morning for instruction and inspiration and will return to their local churches to work in the afternoon. They will have supper together at 6 o'clock. The evening worship service will be open to everyone.

Mr. and Mrs. Tim Magness have been engaged to direct the Choirs of the Methodist church during the summer. Mr. Magness will direct the adult choir and Mrs. Magness will work with the intermediate and junior groups.

Both choirs will meet at 8:30 o'clock each Wednesday evening for rehearsal. The junior choir will meet in the church annex.

## Around Town

Who says that children never think about the future? Mrs. John Gaetz, who used to baby-sit for the Dick Lucas family, says that earlier this summer Jack, now 4, said, "I'm not always going to live in this house with Mommie and Daddy and Ricky. They can stay but I won't be here." When asked where he would be, he replied, "In a very off-hand fashion, 'Oh, I might go to live with Norene Boehm when Hoot dies.' The Boehm family had lived next door to him at one time.

Most recent expansion project we have heard of is at the Neat Cafe, which is planning a dining room for 50 people. Don't know whether they plan on "tourists" or local citizenry, but we will bet that it will be a nice place.

In his latest report from Washington, Senator Lyndon Johnson said that legislation was planned that will set the wheat planting allotment at 55 million acres. Without this legislation, plantings would have to be reduced to 5 million acres, under present laws.

Plans for a free kid show, beginning Wednesday, July 1, were today announced by the Star Theatre and the Chamber of Commerce. The show will include comedies, travelogues, sports and other short subjects and will be around one hour in length. Starting time will be 10 o'clock with people of all ages invited. Present plans are to present the show as a weekly feature.

Probably the most legal-looking birth announcement ever seen around these parts was sent out on the recent arrival of Teresa Elizabeth, daughter of Deaf Smith County Attorney Ed Line, who arrived at Deaf Smith County Hospital Monday. It was strictly legal-form style.

All the sirens moaning through the downtown section before lunch Wednesday was just a bunch from Levelland boosting the Jaycee rodeo which will be held there July 2, 3 and 4. A deputy sheriff furnished them with escort so they wouldn't run down anyone and create ill will instead of good will.

A BIT OF FREAK WIND lifted a shed on the Malone Dairy, about two miles southeast of Hereford, Tuesday afternoon and dropped the whole thing into a nearby pig pen, killing one porker and injuring three others. The accident occurred about 4:15 o'clock, shortly after Hereford had received a sprinkle of rain. It was not known whether the damage was done simply by high wind or from a small twister. There was no other wind damage reported in the county. (Staff Photo)

## FHA Money Now Available From Disaster Relief Funds

Money for drought disaster relief for farmers and ranchers in Deaf Smith and Pecos counties who are unable to obtain operating capital from regular sources is now available from the Farmers Home Administration, according to Walter Johnson, county FHA supervisor.

"There are some restrictions, of course," Johnson pointed out. "First, a farmer must have had a production disaster before he will be eligible for such a loan. If the farmer is a tenant, he must also have a lease on the land. All of these are supposed to be one-year loans, except on

beef cattle, which can be up to two years."

Present Source Considered. In making the loans, the Farmers Home Administration must consider the borrowers present credit source. If that source will make the loan, the FHA won't, Johnson said.

"This is strictly an operative loan when it is made," Johnson continued. "The money can go for feed, fuel, seed, and so on, but can not be used to pay off other debts or to buy any capital goods." Loans are to be based on individual needs, so there is no maximum amount which can be loaned out of the revolving fund. The pre-loan program is designed to carry farmers through wheat harvest time of 1954.

John said that the FHA office here has been making disaster loans in Deaf Smith and Pecos counties for the past two years. This year they have approved \$134,830.

Loan applications must be passed on by the county committee, and have to be backed by a first mortgage on field crops or on the calf crop, as the case may be.

Johnson said that he is in his office only on Friday, but that Mrs. Alwyn Savage, county office clerk, is in other week days except Tuesday, when she handles office work in Farwell. Johnson spends most of his time in the field, checking on loan applications.

## Three Main Street Accidents Caused By Angle Parking

Three accidents causing minor damages occurred last week.

On Thursday, June 18, Bonnie Lewis, driving a 1951 Plymouth, collided with a 1947 Ford, driven by Creston Baker Ball.

Lewis was backing from an angle parked position when the accident occurred.

Damages were estimated at \$100 for the Ford and \$15 to the Plymouth.

Lewis was charged with failing to grant the right-of-way.

Saturday, June 20, a 1941 Chevrolet, driven by Betty Ann Conely of Dalhart, collided with a 1947 Plymouth, driven by Willie H. Walser.

Another Collision

Conely was going north on Main Street when Walser backed out and collided with the right side of the Chevrolet. Walser was charged for failing to grant the right-of-way. Damages were estimated at \$30 to the Chevrolet.

Thursday, June 18, a 1952 Buick, driven by Harriet Baer Alexander, was backed out from the curb

where it had been angle parked and collided with the right rear fender of a 1941 Pontiac, driven by Mary Vines Martin.

Damages were estimated at \$35 to the Buick, according to Police Chief Leo Box.

## Boy's Hand Injured By Big Firecracker

It seems like you never get too old to learn.

Ronald Sherman, 14, son of Mr. and Mrs. Emmett Sherman, was lighting and throwing giant firecrackers last Saturday when one went off about two inches from his right hand.

Eight stitches were required to close the split skin, and he received blisters and burns as well.

When it was suggested that his picture be used for a "don't fool with fire crackers on the Fourth" picture, he declined. "I don't want everyone in town to know how stupid I was," he said.

## Miss Jeanette Euler Is Counsel For Big Youth Foundation Camp

Miss Jeanette Euler, daughter of Mr. and Mrs. Roy Euler, Summerfield, left Sunday by train for Camp Miniwance, Stony Lake, Michigan.

Camp Miniwance, located on the shores of Lake Michigan is sponsored and owned by the American Youth Foundation. An inter-denominational camp, its primary purpose is to train Christian leaders.

William H. Danforth, owner of Purina Feed and Cereals, is one of the supporters and directors of Miniwance and is also author of the devotional book, "I Dare You." As stressed in this book, the camp program follows his philosophy of four-fold character development, MPSR — mental, physical, social, and religious.

With Younger Girls. The American Youth Foundation has both a boys' and girls' camp. Miss Euler will work with younger girls for five weeks, while the last two weeks will be a training period for leaders. Campers and leaders come from all states and nations, but Jeanette will be the only representative from Texas this year.

Miss Euler has been a counselor the past two summers at the Girl Scout Camp, Amarillo and at Cimarroncita Ranch in N. M. She is a teacher in the Pampa public schools.

## Earthworm Farmer To Experiment Here

A Colorado man who raises earth worms and produces earthworm fertilizer for commercial sale is seriously considering Deaf Smith County as a plant location.

Arrangements were made through the Deaf Smith County Chamber of Commerce and the Florence, Colo., Chamber of Commerce for Lester Peele to send about 400 pounds of his special fertilizer here to be used experimentally on lettuce land by Mack Noland.

Should Be Better. Peele has heard of the wonderful richness of Deaf Smith County soil, and believes that if earthworm fertilizer produced in Colorado is good, then the same material produced in this county should be even better.

Parr Merriman, former South Plains resident who is now working with the Florence Chamber of Commerce, suggested Deaf Smith County as a location for Peele and his worm farm.

As a sideline to the fertilizer industry, Peele also sells worms, for cane-pole fishing and other uses.

## Contributions Paid All Bills On Gary Ohlig

All the medical, hospital and funeral expenses incurred on Gary Ohlig, who died as the result of burns received in a gas explosion, have been paid out of contributions sent by friends and well-wishers, according to Frank Bezner, who had charge of the fund.

In addition, \$666.74, the remainder of the fund, was turned over to the Ohlig family, Bezner said.

Bills Paid. Bezner said that the doctor bill was \$350; hospital bill was \$378.65, and funeral and burial expenses were \$167.98.

"I want to thank the committee who helped to raise the funds, and especially Lee Little, the Goodrich store, the Hereford Brand, Westway Store, and Station KPAN. My sincere appreciation also goes to all of those who contributed to this worthy fund," Bezner added.

More Contributions. Final contributions listed as having been received by the fund include: Austin Rose, \$20; Combs Bros., \$10; Harry Denges, \$5; Charlie Burk, \$10; C. M. Diller, \$5; Tom Robinson, \$5; Bert Garrison, \$5 G. C. Merritt, \$2; H. H. Caraway, \$2; Pat Ranspot, \$5; C. (Continued on Page 6)

## July 4 Fireworks List Is Released

This year's Fourth of July fireworks display in Hereford should be one of the noisiest and brightest on record, if the catalog of items furnished by the manufacturer is any indication.

Divided into two classifications, aerial bombshells and ground set devices, the list received by the Chamber of Commerce includes:

everything from 10 9-inch aerial salutes to give an indication that the show is about to start, to a realistic portrayal of the American flag in lance fires on the ground.

The complete display list, as received by G. E. Mullins, Deaf Smith County Chamber of Commerce manager, is:

Aerial bombshells — 10 9-inch

aerial salutes; 20 9-inch fancy bombshells which will provide a series of assorted effects; two 9-inch break shells — first break, colored stars, second break, heavy report.

Two 9-inch three-break shells, the first break, red, white and blue, and the others three-break variegated. One 9-inch Comet shell which releases darting comets of fire that trail silver fire. One 9-inch fish and whistle shell. One 9-inch Weeping Willow shell, which produces a weeping-willow three effect. One 9-inch fustillading shell, which gives forth 8 flashlight reports.

One 9-inch Star and Serpent shell one 9-inch Search Light parachute shell. Six 9-inch flitter shells. Six 12-inch fancy bombshells, which produce aerial bouquets.

Eight 12-inch extra-fancy duration star shells.

Ground set devices will include 12 magnesium signal flares; and 12 "atomic illumination" devices. Two Devil Among Tailors; two Jack-in-Box; and two large candle batteries, which will throw hundreds of balls of fire high in the air.

One Niagra Falls, whose silvery fire reproduces the famous waterfall; a puzzle wheel, an Aztec Fountain; and a flower alo.

There are also six items known as fairyland illumination, which produce green and red fire, six extra-large floral fountains, six merry-go-rounds, one American flag, one bombardment which will produce 25 extra heavy machine gun reports, and two dozen 6-inch color and noise shells.

The fireworks have already been received, and have been put into safe storage, Mullins said.

Purchase of the fireworks display was made with funds from the Chamber of Commerce and the Hereford Lions Club.

Members of the Hereford Junior Chamber of Commerce will set up and touch off the fireworks display at the proper time.

On this committee are Bill Howard, Sam Nelson, Harold Lauerwald, Sam Long, C. A. Monroe, Kenny Wilson, Bobby Owen and Lilburn Hamilton.

Nearly all retail establishments in Hereford will be closed the Fourth by agreement, allowing a long weekend holiday for local people.

The fireworks display that night, which is the only one of its kind in this area, is expected to attract a number of out-of-town visitors.

## FOR WATER DISTRICT LEVY Tax Collection Contract Okayed

A contract for the collecting of taxes for the High Plains Underground Water District was signed by the Deaf Smith County Commissioners' Court at their regular meeting Monday.

Compensation to the county for the collection of the tax, which is five cents on the \$100 valuation, will be one per cent of the total taxes shown on the completed tax roll for assessing such taxes; one

per cent for collecting of the taxes, and five percent of the amount of all delinquent taxes collected.

The contract may be terminated on a six months written notice, but otherwise is to remain in effect from year to year. A surety bond, the premium to be paid by the district, is to be required of the county Tax collector, to protect the district.

The contract has been signed by County Judge Horace L. Schoss all four of the county commissioners, and W. O. Fortenberry, president of the High Plains Underground Water District.

In other business taken up at the meeting, the report presented by Miss Clara Redman, assistant county home demonstration agent, for the month of May was read by members of the court. The report has been filed in the office of the county judge.

The court requested the county judge to write C. N. Burt and Co., Investment Securities, Dallas, to the effect that the court is not interested in the (Continued on Page 2)

## New Water Main Pipe Is Expected On Saturday

Eight-inch water main, 1,480 feet long, is expected here Saturday, according to City Manager Cecil Matsey.

The concrete-asbestos pipe will carry water from the new 325-foot well in Block 89 to the McKinley Street pump station for distribution into all city lines.

"Complying with the regulations of the High Plains Underground Water District made the distance from the well to the pump at least 1,275 feet," Matsey said, "and the location decided upon was the only one practicable under the conditions."

BETTY, CORKY, AND DOLLY PAETZOLD, CHILDREN OF MR. AND MRS. GEORGE PAETZOLD, are picking cherries in their orchard on their farm southeast of town. The Paetzold's have 25, four year old trees, that made approximately 50 gallons.

During the winter they built fires and kept water running so the trees would not freeze. This is one of the few farms that has cherries this year. Their father is shown looking on. (Staff Photo)

KAUL-COMBS

The Westway Home Demonstration Club met Tuesday morning in the home of Mrs. C. A. Saulcy. Mrs. Argen Draper, CHDA, gave an interesting and instructive lesson on Kitchen Lighting. Colored slides of kitchen interiors were shown in which correct placing of light fixtures were featured. Mrs. Draper also demonstrated the use of the light meter which all housewives should use to test for correct amount of lighting in the home. She also showed some of the newer fixtures which are being used to insure correct lighting.

During the business session, Mrs. Oneta Rudd presided at which time the club voted on landscaping demonstrations for next year. It was also voted to have a special freezer demonstration.

Refreshments  
At the close of the meeting, Mrs. Saulcy served coffee, cakes, and doughnuts to: Mesdames Dick Godwin, Abraham Drager, Jimmy Thomas, J. C. Morrison, Phillip Miller, Charles Owens, Tom Draper, Merlin Kaul, Mack Jackson, Roy Lee Wilson, Joe Landers, Leo Ohlig, Floyd Walton, Johnie Townsend, Paul Rudd, Kenneth Rudd, and Harold Rudd, George Turrentine, and Mayo Phipps.

The Annual Fourth-of-July picnic and fireworks party will be held at the Merlin Kaul home on Friday night, July 3 at 8:30 p.m.

Mr. and Mrs. Gene Roach and son, Wallace of Tatum, N. M. came Tuesday night to spend the night in the home of her mother Mrs. Bess Werner. Accompanied by Mrs. Werner they left Wednesday morning for California. They plan to make several visits en route to Pacific Grove, Calif., where they will visit the Daniel Turrentine family.

Mr. and Mrs. Elvin Wilson and children left the first of the week for Faith, S. D. where they will visit his parents, Mr. and Mrs. Grady Wilson and other relatives and friends.

Going To Convention  
Miss Pat Walton will go to Lubbock Friday where she will attend the National Convention of Tau Beta Sigma Band Sorority. The convention will be held at Texas Tech.

Mr. and Mrs. Merlin Kaul, Larry and Walter, Delmon Moll, and Eugene Combs went to Clovis, N. M. Saturday night. Mr. and Mrs. Kaul attended a barbecue at the IOOF Hall and the boys attended the movies.

Mr. and Mrs. L. A. Mullins and sons of Roaring Springs came last week to find work in this vicinity. The Mullins family has been living on a farm where they usually raise cotton and maize, but the drought of the past two years made it necessary to leave the farm. Mrs. Mullins is a daughter of Mrs. C. A. Saulcy. Many families in that area are finding it necessary because of the drought to leave their homes and go to areas where they can find work.

Mrs. Joe Wagoner is convalescing at her home here after being hospitalized several days last week with a severe headache.

Father's Day Dinner  
Mr. and Mrs. Paul Rudd were hosts at a Father's Day dinner at their home last Sunday. Eleven fathers were honored at the dinner. Those present included Mr. and Mrs. Sam Little and Sammie, Mr. Runga of Gunnison, Colorado, Mr. and Mrs. Johnny Weeks of Denver, Colo., Mr. and Mrs. Curt Griffin of Amarillo, Mr. and Mrs. Ralph Rudd and Henziana of Spring Lake, Mr. and Mrs. E. H. Little, Peggy and Becky and Mrs. Grace Little of Hereford, Mr. and Mrs. W. A. Sims and Ronnie of Odessa; Homer Rudd of Fort Bliss El Paso; Mr. and Mrs. Kenneth Rudd, Teresa and Susan, Mr. and Mrs. Harold Rudd, Lynn and Patsy, J. B. Little, and Mr. and Mrs. Paul Rudd.

W. A. Sims came from Odessa Sunday to spend the day with the Kenneth Rudd family. Mrs. Sims and Ronnie, who were guests last week, in the home of the Sims' daughter, Mrs. Kenneth Rudd, returned home with him.

Mr. and Mrs. Sam Little and son, Sammie, and Mr. Runga of Gunnison, Col. have been visitors since Friday in the Paul Rudd and Grace Little homes.

Accompanied To Denver  
J. B. Little accompanied his daughter Mrs. Johnny Weeks and Mr. Weeks to their home in Denver, Colo. Sunday where he will visit for several weeks. He will go to Gunnison, Colo. to visit in the Sam Little home before returning to his home here. Mr. and Mrs. Weeks spent the week end here in the home of Mr. Little and Mr. and Mrs. Paul Rudd.

Mr. and Mrs. Merlin Kaul, Larry and Walter and Delmon Moll were dinner guests Sunday in the Robert Boyd home at Hereford.

Mr. and Mrs. Joe Landers and Ross Joe were visitors Sunday in the W. B. Nunley home at Hereford.

Mr. and Mrs. Pat Barton of Altus, Okla. were visitors Sunday in the home of his sister Mrs. A. A. Head. They came to plan with Mrs. Head for the Barton family reunion which will be held at Altus on August 1-2. Mr. Barton reports that it was 113 degrees at Altus Saturday when they left.

Program Given  
An interesting Father's Day Program was presented Sunday night by the WYP group before church service. Patsy Townsend acted as leader. Larry Kaul read the Scripture and Sandra Townsend told in an interesting manner the story of the prodigal son. Elmer Combs, Preach Merritt, Mrs. Elmer Combs, sang a special Father's Day song.

Clifton Combs spent the week end with his parents Mr. and Mrs. W. E. Combs at Plainview.

Those from here who attended the County HD Chorus at Veterans Club House Monday afternoon included Mesdames Jimmy Thomas Dick Godwin, Roy Lee Wilson, Joe Landers, and Merlin Kaul.

Visitor From Kansas  
Dan Burns, son of Mr. and Mrs. Fred Burns formerly of this community and now of Lakin, Kans., is visiting this week in the home of his uncle, J. C. Morrison. Dan will remain here until his parents come after him.

Mr. and Mrs. Perry Auten of St. Louis, Okla. were guests Saturday night and Sunday in the home of his brother Jim Auten.

Mr. and Mrs. Roy Lee Wilson visited his parents Mr. and Mrs. Sam Wilson at Hereford Sunday afternoon.

Mr. and Mrs. Mayo Phipps and sons were visitors Sunday in the home of Mr. Phipps' sister Mrs. Bill Bandy at Friona.

Gayle Wagoner left Sunday morning with the Rainbow Girls on a chartered bus for Galveston to attend Grand Assembly.

Patsy Townsend is working at the Jack Renfro offices this summer.

## Tax . . . . .

(Continued From Page 1)  
re-investment of some of the Deaf Smith County Permanent School Fund Account and the purchase of some of the Muleshoe Independent School District 3 1/2 per cent bonds. Commissioners present at the meeting were J. C. Morrison, precinct 2; J. T. Guinn, precinct 3; and C. G. Richardson, precinct 4; and County Judge House L. Schloss.

## Proposed Change In Allotments Calls For Three Year Type Plan

Cotton acreage under crop control allotments for most West Texas counties will be increased if a three-year average on cotton acres in cultivation is substituted for the present formula which is based on a five-year average.

Hearings are due to start in Washington before Congressional committees during the coming week in House Bill 5655 and Senate Bill 2106, which propose the substitution widely supported by many western cotton growers.

Information developed by the West Texas Chamber of Commerce from records published by the U. S. Department of Agriculture show that all but 20 of 117 cotton-growing counties in West Texas would gain acreage by passage of these bills, largely because of new acreage put into cotton production during recent years.

The law now provides that allotments be based on an average acreage of five crop years—1947, 1948, 1950, 1951 and 1952. The year of 1949 was specifically omitted. The new proposal would change the basis to the three years of 1951, 1952 and 1953.

West Texas as a whole would gain 688,900 acres for 1954 if the new formula is approved by Congress. The WTCC urges every grower to give his Congressman his opinion of the more desirable formula.

Deaf Smith County would be allotted 7,000 acres on the proposed three-year basis and 3,600 acres on the present five-year basis.

### Barbara Kimbrough To Wed B. Dickson

Mr. and Mrs. M. R. Kimbrough announce the engagement and approaching marriage of their daughter, Barbara, to Bill Dickson, son of Mr. and Mrs. W. J. Dickson.

The wedding will take place in the Avenue Baptist Church Friday with the Rev. E. L. Minor of Spade, officiating.

Both young people are graduates of Hereford High School. Mr. Dickson is employed at the Val Air Company in Hereford.

### Hicks Family Reunion

Mr. and Mrs. C. M. Hicks held a family reunion Sunday with their children and other relatives attending. Their daughter, Mrs. Russell Thomas, Mr. Thomas and two daughters from Soap Lake, Wash. and Mrs. Hicks brother and his wife, Mr. and Mrs. John Montagu of San Diego, Calif., and another daughter, Mrs. Wm. D. Hawkins and her family of Las Vegas, N.M. were here. Two sons, Donald Hick and his family of Vega, and Elm Hicks and Mrs. Hicks of Hereford, were also present.

Mr. and Mrs. D. D. Wheelis and children of Amarillo spent the week end with her mother, Mrs. D. W. Hawkins. Also guests in Mrs. Hawkins home was her son, William D. Hawkins and family of Las Vegas, N. M.

## Jumbo News

By Mrs. Bill Simpson

The men and boys of Jumbo have formed a softball team and they played their first game Sunday afternoon at Jumbo with Hereford Hardware of Hereford. Jumbo came out on the short end of the 15-0 score. The boys have asked me to tell the merchants of Dimmitt and Hereford that their contributions to their cause that their donations are greatly appreciated.

Mickey Simpson, two year old son of Mr. and Mrs. Bill Simpson, fell Sunday night and hit his head on a concrete step. He had three stitches taken in his forehead.

# Big All-Star Game Taken By West Team

By SHELBY WHITFIELD  
The West defeated the East, 17-8, in the annual softball all-star game at Veterans Park Thursday night, June 18.

Playing conditions were bad as a sand storm was in progress throughout the contest. Due to this the game was halted after seven innings.

The West got everything they needed to win a game. They scored their 17 runs on 11 hits, the three pitchers used gave up only six hits, and the fielders reeled off two double plays, making only two errors.

**Fielding Weakness**  
Fielding was the weakness of the East. They made seven errors. But the East came up with the fielding gem of the evening, making a triple play in the sixth.

The West took the lead in the first and were never behind. However, the East tied the tilt once, in the last of the first.

The West held a 9-2 lead, going into the last of the third stanza. The East broke loose for six runs on three hits and as many walks. Ed Lemmons struck a homer in that inning. But the East had made their last bid, going scoreless the last four frames.

**Insurance Runs**  
The East then went scoreless for two innings, but added a single tally in the sixth and six more in seventh as insurance runs.

Roy Botkins led West batters with three hits. Bub Sparks got two of the East hits.

The winner is starter Kenny Walterscheid and the loser is starter Jim Russell.

In the second game of the evening, a delayed match between REA and Summerfield, the Summerfield lads walked off with the prize by a score of 22-4.

## Ramblers Win Game Monday From Dimmitt

Hereford's independent women's team, the Ramblers, took the Dimmitt women's team by the cleaners Monday night by a score of 22-14.

Mary Martin and Nan West started Hereford off right in the first flight with two homers, and Earth brought seven runs over the home plate.

Hereford's distaff crew drew a blank in the second while Earth scored twice more.

"Out" At Home  
Coming up in the third, the Ramblers scored six more times, with their hitting including a round-trip sock by Virginia Kroll, who knocked herself out on home plate as she came in fast and tried to keep from blocking out the Earth catcher. She was "out" for a short time, but finished the game.

Earth had one score in the third inning, and a walker in the fourth, while the Ramblers sent four more around the circuit in the fourth.

Coming into the fifth, the Hereford lassies scored three more, while it was simply three up and three down for the Earth girls.

Earth scored once more in the sixth and twice more in the sev-

## Dunbar Loses Wheel, Hub In Trophy Run

A dust storm Friday night tore up the public address system at the race track before the cars could get started, but failed to stop the speed demons from making their whirls around the track.

Joe Thomas of Amarillo won both the trophy dash and the fast car heat in Car 55.

Car 74, driven by Dick Dunbar, of Iowa, lost a front hub and wheel in the trophy dash, but he got the car straightened out in time to win the feature race.

There was some excitement in the heat race when three cars had a crack-up on the east turn, but there were no casualties.

Races will be held again Friday night.

ent, but that still wasn't enough to do more than make the situation look a little better.

Amy Groves pitched the first two innings for Hereford, and No-rene Poarch completed the hurling task for the Ramblers.

Earth had 14 walks during the game, to Hereford's five. Friday night the Ramblers will meet the Earth team at Earth, at 8 o'clock.

# 66'ers Win One Of Two In Clash With Clovis

Hereford's Phillips 66 team took the first game of a double-header game against the Starkey Packing House team from Clovis Saturday night 7-6, but dropped the second game 13-3.

In the lead-off match, Dub Hair pitched a 7-hit game with Bill Howard squatting behind home plate.

John Starkey allowed 11 hits from the 66'ers, with Bob catching

for him. Clovis Led Off  
Clovis led the game off with a run by shortstop Cecil Rundell in the first of the third, and it wasn't tied until left fielder Bub Sparks

got a base on balls in the fourth, then went on in home on a two-bagger from Tim Corbett and an error from the Clovis lads.

Retaliating in the sixth, Clovis got three runs off two Hereford errors and a home run by their first baseman, Bill Griggs. This was followed by a three-up and three-down inning for the Phillips boys, who couldn't seem to connect.

**Two Runs**  
Clovis took two more runs in the first of the seventh inning, when Bob Starkey and Bob Boyd both made hits, and had the unwilling co-operation of the Phillips boys, who made two errors to help bring up the score.

The seventh was Hereford's big inning, when 10 men faced the pitcher, and two of them clouted home runs.

Sparks and Corbett socked the "around the diamond" runs, and other hits were made by Raymond Lueb, Dub Hair, L. J. Clark and Stan Barrett before Wendle Burdine dropped one to shortstop and was thrown out at first.

**Three Up, Three Down**  
It was three-up and three-down for Starkey's lads in the top of the eighth.

Bill Howard took the first out for the Hereford lads, but Bub Sparks promptly got on with an error. Corbett singled, sending Sparks to third, then Lueb singled and sent Sparks home for the winning run of the evening.

**Second Game**  
In the second game, Gerald Wilson tossed the softball for Phillips 66, with Rex Lee as his partner behind the man with the stick. Bob Starkey caught for Clovis, facing Laceywell on the mound.

Hereford got five hits, and 12 errors while bringing in their three runs, while Clovis lambasted their 13 men around the circuit and back over home plate.

**Thursday's Game**  
Thursday night, Phillips 66, now in third position, will take on Hereford Hardware, which is in first place in the Hereford Softball League.

Second game of the evening will be played between Summerfield and Dawn.

## Free For All Ends Tag Team Wrestling

Local mat fans enjoyed the wrestling sponsored by the Lions club at the Bull barn Saturday night.

In the first event, one fall, 20 minutes, Roger Mackay of Salt Lake City wrestled Jack O'Reilly of Sidney, Australia. They wrestled the full 20 minutes. No one was declared the winner.

The second event, one fall, 20 minutes, was between Dory Funk of Umbarger and Billy Weidner of Amarillo. They also wrestled the entire 20 minutes.

**Main Event**  
The main event was a tag team match, two out of three falls, one hour time limit.

This was between Roger Mackay Jack O'Reilly and Dory Funk, Billy Weidner.

Mackay and Funk won the first fall and Mackay and Weidner won the second fall.

It seemed that the third fall was a free for all, Mackay, Weidner, and O'Reilly were all against Funk.

# Miss Clara Jayne West Will Wed John D. Kelly

Miss Clara Jayne West and John Dale Kelly will be married on Sunday July 26. The wedding date was revealed at a coffee given Thursday morning in the home of Mrs. W. H. Blevins.

The bride to be is the daughter of Mr. and Mrs. Floyd West and her fiance is the son of Mr. and Mrs. Dale Kelly.

Hostesses with Mrs. Blevins were: Mesdames Ernest McGee, Lawrence McGee, A. R. Dillard, Chester Wiggins and Ray McCullough.

The refreshment table featured the bride-elect's chosen colors of blue and white. The floral decoration of blue carnations, baby's breath and feverfew was placed at one end of the table with blue satin streamers extending to the opposite corners, caught with nosegays of blue and white blossoms.

The wedding news was revealed in plate favors which were small blue bags with cards inside which depicted cowboy scenes, indicative of the future bridegroom's ranching interests, and the inscription "Clara Jayne and John Dale, July 26".

Gerry Patterson poured and Barbara McGee served decorated cake squares.

**Greeted Guests**  
Mrs. Ernest McGee greeted the guests at the door. Standing with the bride-elect were her mother, the prospective bridegroom's mother and Mrs. Blevins.

Those calling during the hours designated were: Mesdames H. H. Caraway, Bill Knox, E. J. Reynolds, Dennis Lomas, Lewis West, V. D. Walker, Floyd McGee, Jay Fortenberry, E. D. Hopson, Elmer Patterson, Sammie West, Robert Lloyd, Taft McGee, Horace Hershey, L. J. Livesay, H. R. Vaughn, Charles Sowell, Jack Brumley, and Mary Lou Bones; Misses Joan McGee, Gerry Patterson, Nancy Patterson, Barbara McGee, the honoree and the hostesses.

Glennys Goldston is here visiting her parents, Mr. and Mrs. H. D. Goldston. She has been working in A. Harris Company in Dallas.

## Highway Patrol Searching For Job Applicants

Captain J. W. Blackwell, who commands the Amarillo District of the Texas Highway Patrol, told the Hereford Brand today that he is conducting a search for young men in this area who would like to become Texas Highway Patrolmen.

According to Captain Blackwell, about 50 vacancies now exist in the Patrol Division of the Texas Department of Public Safety, and examinations will be given during July to fill them. In the meantime, applicants have until midnight of June 30th to file for the positions.

### Requirements

Captain Blackwell said that you are eligible for one of the positions if you can meet the following conditions: You must be a male, between the age of 21 and 35 years, inclusive; not less than 5 feet 8 inches in height; and weighing not less than 2 pounds or more than 3 1/2 pounds per inch of height.

You must have a high school education or its equivalent and must be a citizen of the United States and a resident of Texas for at least a year immediately prior to application. Finally, you must satisfactorily pass an exhaustive character and mental examination.

### Salary And Vacation

Salary of Patrolmen is \$305 per month with \$10 per month extra for each five years of service up to 15 years. An annual two-weeks paid vacation is afforded, and uniforms and equipment are provided

to all members of the Patrol.

## Let's Talk Livestock

By TED GOULDY

Fort Worth—Some improvement in the activity on cattle and calves, and considerably better prices on sheep and lambs were the rule at Fort Worth Monday. Stronger demand from buyers from outside the state as well as the local buyers made the difference. Lighter supplies of livestock around the market circle also were a favorable factor.

Good and choice fed steers and yearlings cashed at \$17 to \$23.00, some choice fed steers averaging

about 850 lbs. from McClung Land and Cattle Company, Johnson County at \$23, and some 596 lbs. yearlings from W. W. Gilbreath of Dublin (Erath Co.) at \$23. B. T. Hill, Martin County, had a load of well fitted 818 lb. yearlings at \$22.50 and L. S. Scott, Castro County, had a similar load averaging 676 lbs. at \$22.50.

Common and medium slaughter steers and yearlings sold from \$9 to \$16, a load of fleshy feeders at 1,030 lbs. from Herman Mitchell of Wichita County at \$15. About three loads of 736 lb. Brahman sold for \$19.50. D. L. Powers, Jack County, had a load at 758 lbs. at \$13.50. Rambled yearlings ranged at \$5 to \$8.

Fat cows sold for \$8.50 to \$11.50, a few heiferettes to \$12 and above. Silas Byrd, Blanket, Texas, had

some odd cows including a fancy fat one at 1,245 lbs. at \$12.50. Geo. M. Rucker, Montague Co., had a load of \$17.50 yearlings at 437 lbs., and some odd cows including odds at \$10, \$11 and \$12. Cannons and cutters drew \$5 to \$8.50. Bulls sold from \$7 to \$12.50, a few to \$13, like the top bulls sent in by Don Mitchell of Bryson, O. L. Matlock of Antelope, and Chas. Blackman of Clay County.

Good and choice fat calves drew \$14 to \$18, a few baby beef kinds over 500 lbs. to \$20 and above. Common and medium kinds \$8 to \$13, with culls \$5 to \$8. Stocker steer calves drew \$10 to \$17, three loads at \$19 from Naud Burnett of Greenville averaging 467 lbs, the day's top. Heifers off these averaged 457 drew \$17.50 for slaughter. Yearlings sold around \$15 down.

Fat Spring lambs, good and choice, drew \$17 to \$23, with common to medium from \$10 to \$15, and culls from \$5 to \$10. Yearlings sold from \$15 down, feeder yearlings at \$13.50 down. Feeder Spring lambs drew \$10 to \$16. Old ewes cashed at \$3 to \$4.50. Old wethers sold at \$8 down. Old bucks sold around \$2 to \$2.50.

Top hogs sold at \$23.75 to \$24, and sows cashed at \$18 to \$21.

Q. How can I prevent wire from cutting into trees when using it to help support the branches that are heavily laden with fruit?

A. Put the wire through a piece of discarded rubber hose, and the wire cannot cut and injure the bark of the trees.

## LET'S COOK SOMETHING It's An Even Bet Dad Would Like Johnny Cakes Sunday Morning

Next Sunday morning, give Dad a special treat—make him some Johnny cakes. Even the very young cook can make them, and it's an even bet that father will get a big kick out of daughter's culinary effort.

Mrs. Deward Roberson makes them often for her family for they are so easily and quickly made and you can serve them so many ways. Sprinkled with cinnamon, and sugar or a lump of jelly serve them with cherry or caramel sauce. Makes 12.

**Johnny Cakes**  
1½ cups flour  
2 level teaspoons baking powder  
½ cup shortening  
½ cup sweet milk  
¼ cup sugar  
2 eggs  
1 teaspoon salt  
1 teaspoon vanilla extract

Put all ingredients in mixer bowl and beat two minutes. Pour in muffin pans and bake in 350-F oven 20 to 30 minutes. Sprinkle with sugar and cinnamon or dot with a dab of jelly just before placing in oven.

If you use the sauce leave off the cinnamon or jelly.

**Caramel Sauce**  
1 cup sugar browned  
Add 1 cup hot water  
Cook a few minutes  
Pour over muffins while hot. It gets them wet.

will keep for weeks in the refrigerator and can be reheated as desired.

#### Cherry Sauce

1 can sweet cherries (frozen may be used)  
Sugar to taste  
1 tablespoon cornstarch dissolved in ¼ cup cold water  
1 lump butter  
1 teaspoon lemon juice  
1 teaspoon vanilla

Bring to boil and let simmer until thickened. Serve hot on muffins. These muffins can also be used in strawberry short cake or with red raspberries. Top with a fluff of whipped cream and they are delicious.

Q. How can I avoid having a damp cellar?

A. It is a good plan to fill cheese-cloth bags with pieces of charcoal and hang them in the damp cellar or basement. These will prove effective in removing the dampness from the air. The bags should be emptied occasionally and the charcoal dried and used again.

Q. How can I renew artificial flowers?

A. Trim away the ragged parts of the artificial flowers, and then shake them over the steam from a boiling kettle, taking care not to get them wet.

### FOIBLES

By Kent Snare

The Yanks were working on an extenuated 18 game winning streak and the Brownies were on the wrong end of a 14 game losing continuity. Both were broken Tuesday night at the Stadium with the St. Louisers and Pillette, once a Yank chattel, prevailing 3-1.

The Stengels were within one contest of tying their own American League record of 19 consecutive games won, which they share with the Chisox. The Yanks set their mark in 1947 between June 29, second game and July 17, second game. The Chicagos established their string in 1906 between August 2 and August 26. The major league mark is held by the New York Giants at 26, made in 1916 from September 7 through the first game of a double bill on September 30. This long streak, which included one tie, enabled the McGraws to finish fourth that lap.

In addition to Mr. Pillette's contributing part in the Brownies triumph, one Vic Weitz, who no later than last week was rejected in a projected swap by the Yanks, slapped the 2 run margin over the right field palings in the sixth. On the consecutive game lost side of the ledger, the National League holds that one too, with the Pittsburgs, that's familiar, being the present title claimer at 22 straight loss tags in 1890, from August 13 to September 2. The AL is a tie at 19 between Boston, May 2, to May 24, 1906 and Philadelphia, July 25 to August 8, 1916. In the dimmer records, among others, are some on losing pitchers.

I see a bit of info to the effect that on July 7, 1923 one, Frank J. O'Doul, pitching for Boston, allowed 13 runs in one inning. I am speculating whether that O'Doul could be the famous Lefty O'Doul of the Giants, Phils and the Pacific Coast league and I also wonder, if the above inning didn't tend to turn him to hitting, of which he did more than a little and some of it to the farther reaches, although the era of measuring was not then in vogue.

However that 13 was a second to Anthony Mullane's allowance of

### Fancy and Plain

16 in one frame. By the way he pitched for Baltimore in 1894, which club was then a member of the National League. Oddly enough Milwaukee the current leader in that league's race, was a member in dubious standing in the 1901 American league run, finishing 8th. Baltimore, who tried unsuccessfully to squeeze into the AL this lap, was a member in 1901-2.

Speaking of pitching, George Herman Ruth, before he became the storied Babe, had an earned run average of 1.75 for 324 innings for Boston AL in 1916. That's the league low for lefthanders to date. More often than not, club sand individuals who are going nowhere in particular are poison to the Biggles and even in the old days, St. Louis, or at least, some of their minions, were unkind to the Yanks and their representatives.

The Brownies had a not too successful fork-fister, Hub Pruitt, who could handle Babe Ruth with ease and a low inside curve. In fact, The Babe, is reputed to have voiced his opinion, with verbal embellishments, that he couldn't get a loud foul off of Mr. Pruitt, even if he, Mr. Ruth, were allowed to swing a 2x8 as a mace.

No one has as yet established an unquestioned age for Satchel Paige but the record book has a single line on the oldest AL participant. It lists Nicholas Altrock, of the Washington Senators, as a pinch hitter, on October 1, 1933, at the tender age of 57 years and 16 days. If anything will get Satch to divulge his true age, it may be an effort on his part to break the above mark. And who could say "nay"???

Q. Is cancer of the colon or rectum curable?

A. It is hard to state whether any cancer is "curable," but there is a better chance for cure if the disease is diagnosed and treated before symptoms occur or as soon as possible after they are noted. Symptoms include a change in the bowel habits (constipation or diarrhea, or alternating periods of each), bleeding, loss of weight, and pain.

### Real Estate Board Reports

Next time you are down town go by the Masonic Lodge. They have their new parking area laid off and the new lawn coming up. Plans for the future are the removal of the trees on the south side and new sidewalk laid next to the curb.

There seems to be rumors of strife in the Commissioners Court going around town. Several angles enter into it. One is that there has never been a double check method of purchases by employees of the County such as a voucher system. As unimportant as this may seem it makes it impossible for the Commissioners Court to pinpoint expenditures.

This leaves an opening for purchases that do not actually go to the County and while we are sure no County employee in Deaf Smith County would use such methods, we feel that the Commissioners should be given all the cooperation necessary to see that there is no temptation. The Sheriff's office has already installed such a voucher system so that any time in the future if a finger of suspicion should be pointed at the present force, they will have it in black and white for the public to see. Sheriff Sharp installed this system voluntarily, more for his own protection than anything else.

And while we are on the subject of the Sheriff's Office... they are

the collectors of County and State Taxes. All property owners have their PERSONAL property such as automobiles, cattle, household goods and irrigation wells rendered in the Sheriff's office, the School Tax Office and the City Hall... if their property is in the City Limits.

Yet there are hundreds of cars, household goods and cattle owned by non-property owners. Now it just flat ain't fair for property owners to have to pay personal property tax while non-property owners pay none. It is our opinion that the law should be revised to make it necessary for tax receipts from State, County, School and City be shown before a license is issued for a car. This could result in the overall lowering of property taxes in Deaf Smith County.

Weather Spectacle... last Monday afternoon about 4:00 p.m. between Hereford and Amarillo there were several whirlwinds of at least 3 to 4 miles across. The center of these whirlwinds was as calm as could be but there was a high wall of dirt rising 2 to 300 feet in the air all around. We noticed several out of state cars parked while cars with Texas License plates drove nonchalantly through them. Call us dirt eaters.

## Mercury now brings you POWER STEERING

3 times easier handling Whenever more than finger-tip pressure is needed on the wheel, new Mercury power steering goes to work... removes the strain from parking and turning, yet doesn't sacrifice that safe "feel of the road."

## POWER BRAKES

50% easier stopping An ounce of toe pressure is multiplied hydraulically into pounds of braking power. Your foot pivots effortlessly from accelerator to the closer, lower suspended brake pedal, giving faster, smoother stops.

## 4-way POWER SEAT

MOVES up-and-down, too New first-in-class 4-way power seat gives you the posit from which you can see the best, drive the easiest. Handy for raising you out of the sun's glare or shifting your position for more relaxation.

Power steering, power brakes, 4-way power seat, white side-wall tires and full-disc hubcaps optional at extra cost.

Here are three big reasons for adding Mercury to your "must" list to see and try.

For Mercury's far-advanced power steering removes all the real work from driving and parking. Mercury's power brakes take little more toe pressure than the accelerator. And Mercury's power seat adjusts four ways to give you

new driving comfort and safety. Add Mercury's years-ahead styling, famous economy, proven V-8 engine backed by our exclusively V-8 history, and a reputation for the highest trade-in value in its field—and you get more for your money with Mercury.

# Mr. and Mrs. Edgar Warren Celebrated Fiftieth Wedding Anniversary June 14

Mr. and Mrs. Edgar Warren, who celebrated their golden wedding anniversary Sunday, June 14, at their home here, were married in St. Raphael's Catholic Church in West Louisville, Ky., on November 17, 1903. The June 14 date was celebrated because all of the couple's eleven children could attend at that time.

The day began with a mass read for their Sunday morning in St. Anthony's Catholic Church with Warren's nephew, Fr. Patrick Warren of Louisville, Ky., presiding.

Father Nathaniel Madden pronounced the benediction which was followed by the Pápal Blessing.

A basket dinner Sunday evening on the Warren lawn completed the

day's celebration, with the day's climax coming with the presentation of a television set to the honored couple by their children.

### Born In Louisville

Loretta Stallings was born near Louisville, Ky., on Sept. 4, 1813 and attended parochial schools there. Warren was born in Kentucky and attended St. Joseph's school in Louisville. After their marriage they lived near Louisville for ten years, but in 1913 they started west for her health. They settled at Waterflow, N. M., where they farmed, much as he had in Kentucky.

Fourteen years ago they came to Texas. "We liked Texas and the friendly people we met and decided this was the place to stay, especially since five of our children are here," Warren recalled.

### Deaf Many Years

For more than 18 years he has been totally deaf, and that's why the anniversary gift means so much. She keeps him posted on family affairs through the letters she writes and can talk on her hands with him, having mastered the language years ago from school books.

Their five children who make their home in Hereford include: Mrs. Frank Wilhelm, Walter Warren, William Warren, John Warren, and Frank Warren. Others here to celebrate the golden wedding anniversary with their parents were: Mrs. Henry Wilhelm and Joe Warren, Nazareth; Leo Warren, Waterflow, N. M.; Tom Warren, House, N. M.; Sister Ancilla Marie, Farmington, N. M.; and Sister Mary Edgar of Maple Mount, Ky.

The couple have 33 grandchildren and 3 great-grandchildren.

## CONGRESSMAN WALTER ROGERS SAYS Supreme Court Decision Hailed As Victory In Segregation Fight

**The Racial Segregation Question**  
The recent decision of the Supreme Court upholding the provisions of District of Columbia laws adopted in 1872 and 1873 banning segregation in restaurants, bars, and other eating places is being hailed in many quarters as a victory over the South equal to the surrender of Lee at Appomattox Courthouse at the end of the Civil War.

These laws have been referred to as "District lost" laws, because they were passed by the District of Columbia during a short period subsequent to the Civil War when the District had law-making powers. The decision has also furnished much encouragement to the proponents of "home rule" for the District of Columbia.

### Pressure Increases

The pressure of the anti-segregation and "home rule" advocates has increased daily since the Supreme Court released that decision. Needless to say, the Washington hotel and restaurant operators are deeply disturbed as to how to cope with this new problem. The law applies only to the District of Columbia and not to Virginia, which is just across the Potomac, nor to Maryland, which joins the District of Columbia on all other sides.

One of the best hotel dining rooms, which is in the shadow of the White House, has closed its doors. The story is going around Washington that immediately after the announcement of the Supreme Court decision, a large group of Negroes requested reservations to be served in that dining room.

### Case Postponed

The Supreme Court postponed the case involving the question of segregation in the public schools in Washington. Many people not familiar with Washington think that the public schools here are non-segregated. Such is not the case; the schools are segregated and ample facilities are provided for the Negroes.

Those who are seeking to abolish all forms of segregation have no doubt concluded that this recent decision of the Supreme Court is the beginning of a quick end to segregation on a nation-wide basis. In other words, they anticipate that the issue will be handled as a federal matter and that any state laws, rules or regulations will be subservient to and must bow to a federal proclamation.

This is centralized government, undiluted. It could well mean the end of state's rights for all purposes. It will mean the adoption of FEPC legislation and substantially all of the so-called civil rights program proposed by the Truman administration and so resoundingly fought by the South.

### Scared Senators

On June 3rd, Congressman Adam Clayton Powell, Jr., who refers to himself as the senior congressman of all parties from Manhattan, and the first Negro congressman to be elected in modern times from the Eastern Seaboard, wired the President of the United States, in which he scored two members of the President's cabinet and Admiral Boone Chief Medical Officer of the Veterans Administration.

He demanded a decision by the President concerning a rumor that Secretary of the Navy Bob Anderson intended to maintain segregation in the Charleston, South Carolina, and Norfolk, Virginia, Naval shipyards; that Oveta Culp Hobby, Secretary of Health, Education and Welfare, had issued a memorandum to the Secretary of Defense telling Mr. Wilson not to follow a presidential directive abolishing segregated schools on Army posts that Admiral Boone had advised the Congressman that he would not change practices in veteran's hospitals but would maintain them on a "local customs" basis.

### Reply From President

Congressman Powell requested a personal reply from the President. On June 9th, the Congressman received a letter from the President

in compliance with his request, in which the President stated, and I quote: "I will carry out every pledge I have made with regard to segregation" and "I have made inquiries of the officials to whom you refer and learn that they are pursuing the purpose of eliminating segregation in federally controlled and supported institutions", and "To achieve our purpose we must plan and work together and with the victories 1 by 1, and not to be content until we have gained our goal."

### Executive Action Asked

On June 11th, the Congressman replied to the President in most complimentary terms for the assurances contained in the President's letter. The Congressman also called upon the President in this last communication for executive action without waiting for any action by the legislative or judicial branches on five items: (1) Continuation and implementation of the Fair Employment Practices Commission established by Executive Order 9880. (2) Continuation and strengthening of the Committee on Government Contract Com-

pliance. (3) A change in the Naval policy of segregation in shore establishments. (4) Change of the policy of the Federal Housing and Home Finance Agency of giving aid to segregated housing. (5) That the State Department make changes in its foreign service employment policy, wherein the Congressman charges that of 6,000 employees only 50 are Negroes.

### Believe In States' Rights

To those of us who feel that the racial problems are matters that can be handled by the states and who believe fundamentally in the states' rights to handle these problems, the action of the Supreme Court and the administration is disturbing. The unceasing chipping

away of states' rights by strain constructions of interstate commerce and other federal laws inevitably result in a highly centralized government, against which so many of us have continuously fought and will continue to fight.

## Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

### Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the newest in its field. It's the kind of styling that stays new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

### The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile

body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

### The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrift-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission\* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

### A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes sub-

stantial savings on over-all upkeep, as well as on gasoline.

### New Getaway in the New Powerglide\*

The new Powerglide automatically drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

### The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can see-saw in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

### A Smoother and a Safer Ride

Chevrolet is the heaviest low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

### Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities, research, for engineering and production. So, isn't it reasonable that the greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

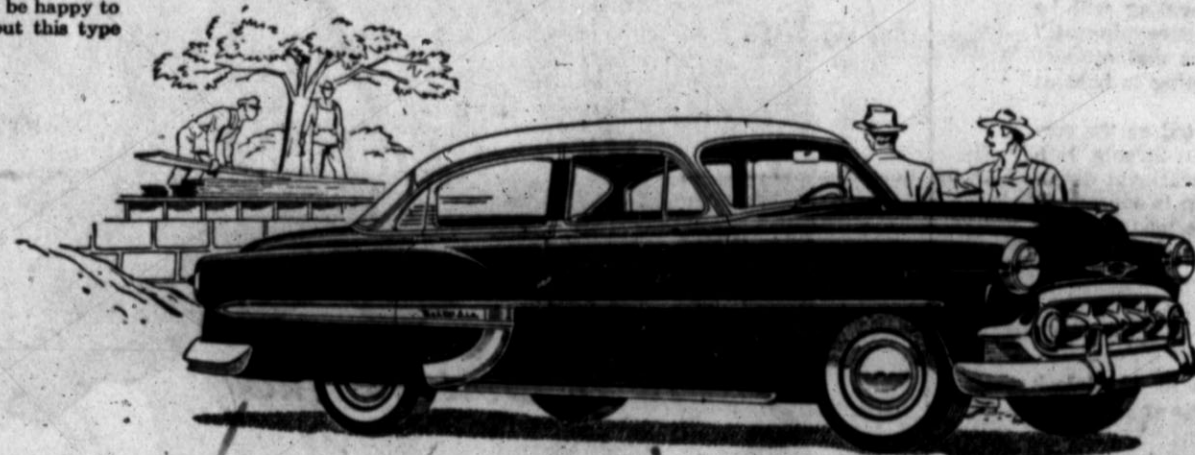

### An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people liked Chevrolet better. Unless Chevrolet offered more than people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit any time, so that you can look the car over yourself and try it out on the road.

\*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.

This advertisement is the third in a special series which began over a year ago, and which is designed to give you, as a prospective buyer, detailed and helpful information. We'd be happy to have your comments about this type of advertising.

This is the 1953 Chevrolet Bel Air 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price line.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

# BROKEN VOWS

*A Vow  
Is A Serious Thing*

Our promise and your performance  
reveal the quality of your soul.

A promise will make a friend but performance will keep him. Are you keeping your marriage vows, your vows to your church or synagog? When you make vows to God, do you keep them or do you go AWOL on Him? "When thou shalt vow a vow unto the Lord thy God, thou shalt not slack to pay it, for the Lord thy God will surely require it of thee." Faithful performance of good vows strengthens character, honors God and makes a better citizen.

# FRIO NEWS

By Mrs. Owen Andrews

The D. W. Wards went to Tucuman, Friday, where Mrs. Ward and children joined Mrs. Ward's uncle and aunt for a trip to Pueblo, Colo. for a visit with her parents and other relatives. She plans to spend about two weeks there. Rev. Ward came home Saturday night, after being detained with car trouble an extra day.

Mr. and Mrs. H. A. Parris of Wilson visited their son, Olin Parris and family, recently. Also visiting with Olin's grandmother and aunt from Lubbock. The David Yandells and Ed Stoner families visited there on Tuesday and Wednesday, of last week.

The Parris spent the past week end visiting their parents, the Parkers and Parris, near Lubbock. George Parker, brother of Mrs. Parris is staying with the Parris for a few weeks—helping Olin with his farming.

W. M. S. and Sunbeams met in the home of Mrs. Owen Andrews.

last Thursday, with a good number present, Rev. Ward, the pastor, spoke on "The Purposes of W. M. U. Organization" and led a discussion about the needs of the local work.

Present for the W. M. S. were: Mesdames Leo Hall, Lawson, A. D. Johnson, J. H. Dobbs, T. L. Sparkman, D. W. Ward, Randy Ward, E. H. Little, Frank Robbins, Floyd Cole, W. H. Andrews, Jack Jones, Robert Simpson, Olin Parris, Frank Woolbright, Miss Alma Andrews and a visitor, Mrs. C. L. Tate. Mrs. J. H. Dobbs, the Sunbeam leader, was assisted by the following members of the Girls Auxiliary: Sue Ewtop, Nelle Simpson, Frances Andrews and Veradelle Andrews. Sunbeams present were Ramona and Reba Hall, Karen Johnson, Judy and Linda Ward, Sharon and Karen Ward, Peggy and Becky Little, Carole and Stevie Robbins, Bill and Jana Cole, Teresa and Susie Jones, David and Jackie Jones. The next meeting will be on July 2nd in the Olin Parris home.

Mr. and Mrs. C. L. Tate and son Donald of Muleshoe are visiting a few days in the home of their daughter, Mrs. Jack Jones. They are looking around

and considering moving here if they can find suitable work and a place to live. James Jones, of Snyder, Okla., is visiting the Jack Jones home, also. He is a brother of Jack's. Mr. and Mrs. H. D. Robbins attended funeral services Saturday afternoon at Canyon for Mr. John Green, of Alto. Mr. Green was the father of Mrs. Jeanette Robbins, of Canyon.

Mrs. W. B. Walker, Sandra and Silvia, of Salem, Ore., and Mrs. Jeanette Robbins, Mrs. Bob Brotherton, both of Canyon, visited Wednesday afternoon with the H. D. Robbins. Mrs. Walker and Mrs. Brotherton are daughters of Mrs. Jeanette Robbins.

Miss Lyla Robbins visited the last of the week, in Abernathy. Mr. and Mrs. J. C. Stanton, Linda Nell and Roy Wayne, of St. Nett, Mr. and Mrs. Paul Cody, from north of Hereford, visited the home of their parents, the Frank Dobsons, Sunday.

Mr. and Mrs. Raymond Mobley, Mrs. H. M. Mobley, Lanelle, and Don Mobley visited Saturday night and Sunday in the home of their daughter and sister, Mrs. Lee Johnson and Mr. Johnson.

Misses Tawana and Lavon Thompson visited the home of their

brother, J. B. Thompson, south of Dimmitt last week. The J. B. Thompsons brought them home, Saturday night.

Wade Thompson, who is attending summer school at Tech, spent the week end with his parents, the W. H. Thompsons. Others there Sunday, were Mr. and Mrs. Lester Irwin and Connie, and Winnie Jo Irwin.

Mr. and Mrs. Floyd Cole and children, Jana, Bill and Cheryl attended the "Uncle Pat and Aunt Phyllis" Funnies Program Sunday morning in honor of Jana's fourth birthday, which was Tuesday. They attended church at the Line Avenue Baptist church in Amarillo, and then took their picnic lunch to a park. Altogether, they report a nice birthday and Father's Day.

Mr. and Mrs. Glenn Gripp and Monte visited Glenn's parents, at Conway, Wednesday night and Thursday and also attended to business.

Bonnie Mae and Barbara Sparkman, Doris Jean Andrews and Marilyn Jones visited last week, in the home of their uncle and aunt, Mr. and Mrs. Chas. King, in Amarillo. Kay Cole is attending the young People's Camp at Ceta Glen. The camp is being held by the First Christian Church, at Hereford.

### Listing Of Hay Offered For Buyers And Sellers

A buyer-seller service on hay is being offered by the Deaf Smith County Farm Bureau office, according to Maurice Howel, F B service officer.

Several farmers from "dry area" counties have contacted the Farm Bureau office recently asking information about where they can obtain hay in this area.

Howel said Saturday that if hay farmers will contact the Farm Bureau office and list the hay they wish to sell, location of the farm, and price of the hay, he will pass the information on to prospective buyers.

He is also planning to send the information to other Farm Bureau offices to let them know that the information is available in Hereford.

Petroleum power in the form of tractors, trucks and stationary engines on U. S. farms provide a total of 178 million horsepower, about twice that used in American industry.

### First Christian

Junior Camp will be held from June 22 to 26 at the First Christian Church.

Sunday school is held each Sunday morning at 9:45 o'clock and morning worship is at 10:50 o'clock.

The youth meetings are held each Sunday night at 8:30 o'clock and Sunday evening worship is at 7:30 o'clock.

Wednesday evening choir rehearsal is held at 7:30 o'clock.

Don Root is the pastor of the church which is located at Sixth and Main.

### First Presbyterian

Sunday school is held each Sunday morning at 9:45 o'clock, it is followed by morning worship at 11 o'clock.

### Dimmitt Youth Assigned To Unit On Korean Front

With the 25th Infantry Div. in Korea—Pvt. Elden C. Gibson, son of Mr. and Mrs. William Gibson, Dimmitt, Texas, recently arrived in Korea and has been assigned to the 25th Infantry Division.

Gibson, a wireman, entered the Army last October and is now serving with the 2d Battalion Headquarters of the division's 35th Regiment.

He is a graduate of Dimmitt High School.

Now the senior American division on the Korean peninsula, the 25th Infantry landed here in July 1950 shortly after the Communists launched their attack against the Republic of South Korea.

The world's deepest producing oil well, 17,183 feet deep, was drilled recently in Louisiana.

### Recent Bride Given Shower Wednesday

Mrs. Billy Joe Greenhouse, the former Miss Caren Conklin, was given a lovely shower courtesy at the home of Mrs. N. E. Milburn Thursday afternoon, June 18.

Hostesses with Mrs. Milburn were: Mesdames Henry Hastings, C. C. Ferguson, George Millard, Robert Thompson, Ellis Coombs, E. S. Ireland, D. H. Alexander, Arthur Rogers, J. T. Gunn and H. A. Close.

**Orchid and Green**  
The bride's selected colors of orchid and green which were used in the wedding, were featured in decorations. The refreshment table was laid with a cutwork linen cloth and an arrangement of tinted carnations and greenery made up the center piece. Tea dainties also carried out the chosen colors.

Mrs. D. H. Alexander and Mrs. C. C. Ferguson presided at the punch service and Mrs. J. T. Gunn served the decorated cake squares. Jeannette Euler was in charge of the guest register.

Approximately fifty guests were registered.

### Card Of Thanks

We want to take this means to thank everyone for their kindness and thoughtfulness during our recent sorrow and loss of our beloved daughter and sister. Our appreciation to the young people of Hereford who sent flowers.

Mr. and Mrs. Freddie Gray and family.

## HEREFORD HUDSON COMPANY

1221 E. FIRST

PHONE 773

The middle of June is one date when you really don't need a calendar. Just happen to get into conversation with Ernest Wade and if he starts trying to talk you into going trout fishing, you can figure

it's about that date. Ernest seldom ever gets off on the trip this early, but he manages to get every fisherman in town foaming at the month. I think he does it maliciously and with forethought. When

he finds out for sure that a fellow cannot get away Ernest immediately begins offering to furnish all of the necessary equipment—even boots. Some day, some one is going to let him go just so far, then take him up on some preposterous deal.

He got me in quite a dither the other day, but I finally got away. I told Ernest I would go and pay all of the necessary expenses—if he would pay the unnecessary ones. He thought it over and backed out on the deal.

Quite a few Hereford anglers are talking about Canadian fishing holes. Dr. R. R. Wills has it all figured out where the deal will be less expensive—and a lot more fun. Trouble is, Doc won't be able to go since he plans to do some special work in Oklahoma City this summer.

Earl Springer is another fellow who has been talking about Canada. The big difference is the fact that the Springers took off Saturday morning with Calgary as their final destination. Calgary is located on the Bow river and is some 30,000 population. Fishing, according to Earl, is wonderful. They also expect to do some casting in the Branf Park country. The group includes Mrs. Springer, Franklin, Twyla and Sue. After 30 days or so of fishing they will come back into the United States and head for Ann Arbor, Mich., where Gwyn Wallace, another daughter, now resides. The whole family, it seems, is anxious for a look at the new grandsons.

Earl promised to send some of those "Having a wonderful time. Wish you were here" cards. He will probably do just that, too.

There are only two things worse than being a confirmed fisherman. One is being a golfer and the other is being married to a golfer or a fisherman. Mrs. Kenneth Cowan has to put up with both. I don't see how she stands it. I sure don't. Just mention either subject to Ken-

neth—and you'll immediately see what I mean.

My wife insists this fishing business never will be a vacation in her books. "Going to Colorado and trying to cook on an old, beat up wood burning stove," says Clara, "is the same kind of vacation you would have if you spent the week trying to print The Brand with all hand-set type and on the old press they used back in 1901." After twenty-one years, I have decided she will never fully appreciate the beauties of nature. I only talked her into fishing one time. She immediately caught two fish, each larger than my one, threw down the pole and said, "Aw, there's nothing to it. I'd rather try to get that stove to burn." I got back in time to carry 12 or 15 buckets of water so she could wash her hair. Since then I never do fuss when she insists she would rather stay at home.

Don Zimmerman, recent city council member, says Clarence Morrison was all wet when he said the county purchased radio equipment for the State Highway patrol car operating out of Hereford. Don says the city paid half and the county paid half. Maybe we finally have it right. I hope.

Louis Woodford is all worked up about getting a rain maker into this country. He wants to know if there is anything to the deal. Personally, I think it is a nice, legitimate racket. They assessed the land owners around Portales and have quite a few contracts in West Texas and Oklahoma, including Collingsworth County. True enough, the cost is only a few cents an acre, but I think the results are worth even less. The counties that hold the contracts are suffering from drought about as much, (in some instances more so other counties in the area. I would rather double the assessment and pay "if and when they actually get a rain." Maybe it's a good deal, but not for my money.

I still remember last year when Dallas, Texas, paid out several

thousand dollars to one of these boys—and it rained on Fort Worth.

Boy Scouts in troop sponsored by the Jesse Stanford Bible class are now selling first aid kits, especially designed for the home. The kits cost \$2.50 each, which is a regular advertised price, and profits from the Scout sales will go toward sending two of the boys to the national Scout Jamboree in July. This is a lot better than taking up donations since it gives the boys a chance to earn their own money. In addition, a first aid kit is a mighty fine thing to have around the house. Sort of like a fire extinguisher. When you do need one, you might need it so much that it would be invaluable. Anyway, these youngsters are local boys and deserve consideration when they ring the bell.

Just heard that Slim Wester was around showing a beautiful six pound channel cat Tuesday morning. Slim hooked it at Buffalo and it is the first nice catch we have

run across this season.

Orpha Click, according to rumors, has been snaring his share of pike at Conchas, however, and M. C. Littlejohn is fast regaining his reputation as "Crapple King" at Buffalo. Very few complaints seem to be drifting in from Buffalo Lake this year, but not too many people are fishing there. Some report that the carp are taking the lake. Is this correct? Anyway, it is nice to not hear continual gripes about the way the lake is being operated. Mr. Childress seems to be doing a pretty good job.

Have a letter from C. O. Norton, Weatherford, Texas, asking for a copy of the Pioneer Day paper. "I want to check on some mistakes the boys made," says Mr. Norton. He adds that 50 and 60 years is a long time and continues, "No use to argue with some of them." I am sure he didn't have Bob Higgins or George Muse in mind.

Mr. Norton also advances the following idea for the 1954 Pioneer Days. He believes following the free feed (which he endorses heartily) that 10 to 15 of the sure enough old timers might make little talks on various subjects, such as: first school, first church, first store, second store, first hotel, horse racing, smoking of cigarettes wages paid then—and many other subjects.

From here it would appear that Mr. Norton has a wonderful idea. We need to make tape recordings and printed reports of these things—and before the Pioneer Day crowd would be the very best way to eliminate all mistakes. The County Library should sponsor this movement and carefully file copies of the talks and the tape recordings. Only objection possible is the likelihood of quite a few first class arguments. However, that seems to go with the business. Besides, like Mr. Norton said, 50 or 60 years is a long time.

What Number Will He Call Next?

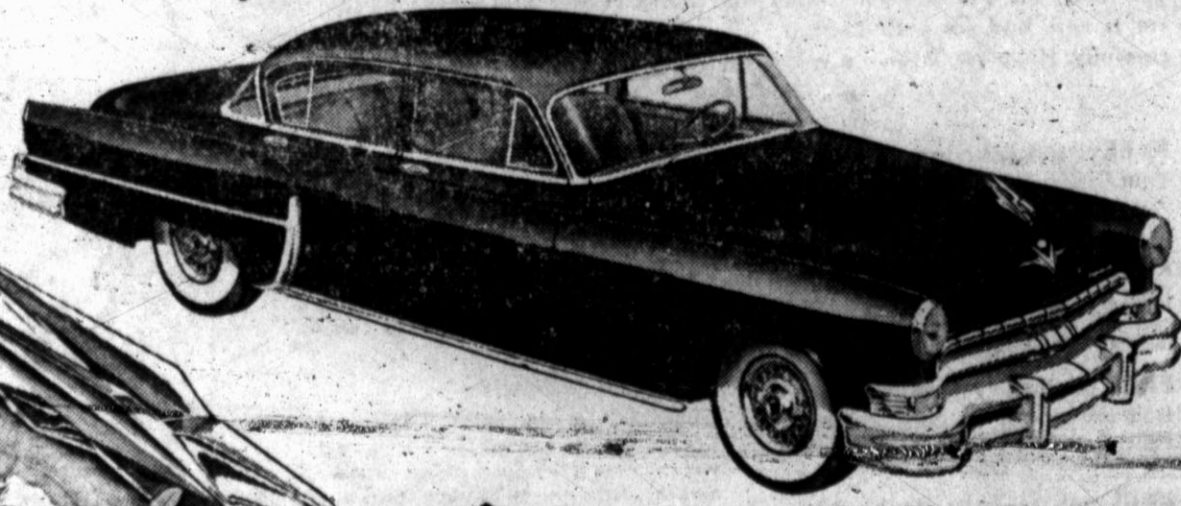

UNTIL YOU LIFT YOUR RECEIVER, no one knows what your next telephone call will be—or when you'll want it. Telephone calls can't be manufactured ahead of time and kept in stock until you order one. Every call must be tailor-made—within a few seconds after you place your order. Here in Texas, 28,000 telephone people are devoting their time and skill to manufacturing your telephone calls. They are at your service 24 hours a day, 365 days a year—at a cost to you of less than a package of cigarettes a day. **SOUTHWESTERN BELL—A TEAM OF 28,000 TEXANS... PARTNERS IN TEXAS' PROGRESS.**

## Prize Catfish Saved By Friendly Warden

AUSTIN.—Hey, there, you fisherman with the trot line on the east shore of Lake Travis; you who found a twelve pound blue catfish wired to your line!

Here's how that happened: Game Warden Supervisor John R. Wood of Brownwood, and Game Warden Gene Ashby of Austin, were dragging Travis for illegal fishing equipment when they checked your line with the legal thirty hooks. That big cat was barely hanging by skin on its cheek. They boated it and used galvanized wire to make it secure to the line.

By the way, Sir; the wardens suggest you should sharpen hooks and also watch the rust.

Wood didn't feel too badly about the incident. He's a Boy Scout Executive. Anyway, all wardens try to watch out for the good deeds. Better public relations, you know.

## Personals

Mrs. W. M. Todd of Anna and Mrs. Johnny Hester of Dallas are visiting Mrs. Hubert White this week.

Cloysee Drury of Midland, son of Mrs. E. F. Drury, visited in Hereford Saturday. Cloysee put in the glass for the new Mode-O-Day shop.

Nan Longbottom has returned from Austin where she attended Girls State, which is sponsored by the American Legion Auxiliary.

Mrs. Maud Montfort, mother of Mrs. Homer Brumley, is visiting in Amarillo this week.

Freeze strong iced tea cubes to add to iced tea.

Over 100 million Americans drink more than 6 billion glasses of iced tea during the season. With it they consume at least 100,000,000 pounds of sugar and 470,000,000 lemons.

## Six Texans Will Share In Soil Conservation Awards Next Year

Akron, Ohio.—Six Texans will be included among 100 grand award winners in a national annual soil conservation awards contest which will begin on July 1. It was announced by Goodyear Tire & Rubber Co., sponsor of the project.

three geographical units for purpose of the competition and each unit will be represented with two winners. One from each unit will be the outstanding farmer or rancher and the other a representative member of the outstanding soil conservation district governing body.

Competition will be at the state level with the judges selected from among the state's leaders in soil and water conservation activities.

Grand Prizes  
The 100 grand award winners will be guests on a vacation trip to Goodyear Farms, Litchfield Park, Ariz., in December, 1954. A similar program has been conducted in 17 states over the last six years. Texas' ranchers and farmers will be competing in the program for the first time this year, however.

Soil Conservation Districts competing will be judged for their work of organization, education, planning, publicity and accomplishment. Awards also will be made for outstanding cooperation with the district governing body by one farmer or rancher within each participating district.

A CHECK FOR TORNADO VICTIMS was presented by Kyle Rorex, left, executive director of the Texas Council of Motion Picture organizations, to Mayor Ralph Wolf of Waco, in behalf of the theatres throughout Texas which recently gave special midnight shows for the Waco-San Angelo Disaster Relief funds. The check was for \$18,001.52. The Star Theater, Hereford, had a special midnight show for this fund on May 23, raising \$87.

By Lynn Carter

Q. How can I avoid any yellowish tinge in my gray hair when shampooing it?

A. A bluing rinse should provide the answer. Ordinary bluing, made by a reputable firm, is all right, but use it with discretion. Water should be warm, not hot, as hot water tends to discolor gray hair.

Q. What is an easy way to bleach darkened skin on the elbows?

A. Rub the elbows with a cut lemon.

Q. What is a good treatment for overly oily skin?

A. One good treatment is sponging the face with equal parts of cologne water, witch hazel and rosewater. Try also to cut down on fatty foods in the diet.

Q. How can I camouflage a rather large waistline with my dress?

A. Try to achieve an unbroken line from shoulder to hem with panel fronts, full-length trimmings and coat-type dresses. You should try to avoid accenting the waist with wide or contrasting belts.

Q. What is a good exercise for trimming excess flesh from the hips?

A. First, sit with the soles of your feet pressed flat against each other. Place hands on knees, draw abdomen in and up, spine erect. Now, with a rocking motion, swing first to the right, then to the left, very rapidly. The harder and farther you swing, the better.

Q. Is there any way I can "de-emphasize" eyes that are too prominent?

A. You can cause them to recede by using brown or gray eyeshadow over the entire lid. Begin with a thin line near the eyelashes, and spread up.

Q. How can I do a better job of applying my lipstick?

A. If you will put a light coating of powder on your lips before ap-

plying your lipstick, the color will stay with you longer, it will go on more smoothly, and it will hold a more even line.

Q. What is a good mouth rinse I can prepare at home?

A. Dissolve one teaspoon of salt and a pinch of baking soda in a pint of water. This makes a very pleasant and effective mouth rinse.

Q. What is a good powder to use on feet that perspire excessively?

A. One scant teaspoon powdered alum added to two ounces of powdered, boric acid.

Q. What are some of the uses of lemon as beauty aids?

A. Lemon juice, drunk in hot water the first thing in the morning, is wonderful for the complexion. Its rind may be used to soften and bleach the skin. And its juice may also be used as a rinse after a shampoo to highlight the gloss in one's hair.

Q. What is a good hot-weather bath powder I can make myself?

A. Just mix equal parts of cornstarch and talcum.

BENSON TO SPEAK SATURDAY

# Cotton Congress Meets In Lubbock

LUBBOCK — Ole King Cotton will reign in Lubbock Thursday, June 25, through Saturday as the nation looks to the South Plains of Texas and the 14th Annual American Cotton Congress.

Leaders in every phase of the cotton industry, from production to spinning, will gather in Lubbock for the three-day "congress." The congress is an organization of organizations devoted to research and education in cotton.

Ginners, spinners, planters, crushers, brokers, and other fields related to the cotton industry will be represented by their top brass.

Technical Programs Mornings of the first two days will be technical in nature with speakers representing research, spinning, marketing, and crushing on the program. The afternoons are devoted to tours of Lubbock, Texas Tech, Texas A & M Experiment Station, and a small portion of the cotton producing area which produced a tenth of the nation's 16 million bales last year.

Highlight of the congress will be Saturday, when the annual field day at Texas Tech will be climaxed by a talk by Secretary of Agriculture Ezra T. Benson. Benson's talk and farm implement and textile engineering shows are expected to bring between 5,000 and 10,000 people to the Tech campus. The implements will be on display during the congress, but Tech's textile engineering plant will operate only on Saturday.

Other speakers of note include Burriss Jackson, Hillsboro, general chairman of the congress, who gives the keynote address June 25 Dr. B. T. Shaw, administrator of the Agricultural Research Administration, who gives an address before the Lubbock Kiwanis Club-Cotton Congress luncheon on the opening day; Lamar Fleming, Jr., Houston, president of Anderson, Clayton & Company, who talks at a dinner the first night.

Dr. L. H. Hance, Charlottesville, Va., president of the Institute of Textile Technology; A. L. Durand, Chickasha, Okla., president of Chickasha Cotton Oil Company; E. D. White, deputy director of the Mutual Security Agency; and Dr. M. K. Horne, Jr., chief economist with the National Cotton Council. The congress meets under the banner "Cotton's New Frontiers."

## Veterans Are Urged To Join Reserves

Veterans are being urged to take advantage of the opportunities offered Army Reservists by joining an Army Reserve unit and becoming active in the Reserve program in an appeal currently being made through unit instructors.

All men of draft age, it was pointed out, who entered the military service after June 19, 1951, are required to serve a total of eight years. This means that even though an individual has served two years of active duty, he is still a soldier for six more years in a reserve status, and subject to immediate recall by the President at any time during that period.

However, by taking an active part in the Ready Reserve training program now, and serving in his spare time for only three years, a person may then be transferred to the Standby Reserve where he is subject to recall only during an emergency declared by Congress. The Standby Reserve is the second priority group for recall to active duty; the Ready Reserve is the first priority group.

Benefits of joining are: Receiving the pay of your rank for each training assembly or day at camp with a unit.

Opportunities for advanced training at Army schools.

Retirement benefits which can amount to \$90 or more a month for an enlisted man.

Opportunities for promotion in the Army Reserve, even to rise from a private to high officer rank.

These benefits are received from spending only 15 days at summer camp, plus 40 hours in additional Reserve activities each year.

Information on the program is available through U. S. Army Reserve Unit Instructors.

and is sponsored locally by the Lubbock Cotton Exchange, Texas Tech, cotton oil mills of Lubbock, the South Plains Ginners Association, and the Lubbock Cotton Warehouse Association.

## Wyche HD Club Program Given By 4-H Members

Four members of the Happy Homes 4-H Club presented a program on posture at the Wyche Home Demonstration Club meeting Thursday afternoon, June 18, the home of Mrs. Charles Packard. Martha Heard, Martha Logan and Pat Dawson demonstrate good posture habits, and Barbara Damron talked about foot care and the proper fitting of shoes.

Other club girls present were June and Kay Owen. Mrs. Ira O. is sponsor of the club.

**Business Session** Mrs. W. R. Scarth, president, presided at the club's business session.

Plans were made for an afternoon of work on a club project on July 2 at the home of Mrs. W. T. Carmichael. Other plans made were for the annual picnic which will be held in August.

**Co-Hostesses** Co-hostesses at the meeting were Mesdames Edwin Flood, C. Damron and Harley Ward.

Guests were Mesdames Jo Paetzold, Walter Paetzold, Marjorie Fite Jr., and Truitt Johnson Friona. Others present were Mesdames W. P. Axe, W. T. Carmichael, C. C. Ellis, G. W. Nelson, Wayne Newsom, J. V. Pines and Duane Walker.

## Long Time Ago

45 Years Ago

A large scope of territory in the Panhandle was visited by a big rain last Sunday night. The fall at Hereford was 1.20 inches, and the ground was wet down to a depth of six inches. While rain was not particularly needed at Hereford, the rain will not do any damage to the harvested wheat. West of Hereford the crops are needing rain, as that section failed to get rain in May when Hereford had several good rains. But it will come; it has never failed.

**Father's Day Observed**  
Father's Day was observed in the W. J. Stewart home in Canyon Sunday. Present for the occasion were: Mr. and Mrs. Clifford Stewart and children, Mr. and Mrs. Reece Stewart and children, Mr. and Mrs. Ray T. Stewart and children, Mr. and Mrs. Zed Stewart, Eddie Owings, and Walteen Beavers.

The R. A. Fryes spent Sunday in the home of her father, Mr. and Mrs. White Griffiths at Earth.

Mrs. W. C. Huff and Barbara of Harts Camp, former residents of this community, visited Sunday in the Alfred Smith home. Barbara remained for a longer stay while Sara Jo Smith returned home with Mrs. Huff for a visit.

Mr. and Mrs. J. M. Carathers and children spent Father's Day in the home of his father, Mr. and Mrs. J. L. Carathers in Amarillo.

Ginger Barton of Amarillo is spending the week in the J. M. Carathers home.

**Lawn Party Held**

pleted the streets will be in good condition.

25 Years Ago

Heavy rains every night this week, brought nearly an inch of moisture in the Hereford territory, helping wheat which had been suffering from the hot, dry spell of the last two weeks. Hail damage was reported in several nearby counties to the west, but little fell here.

Accompanying the regular rainfall temperature took a rapid rise during the day. The thermometer reached its second high point this season Wednesday afternoon when it registered 94 degrees.

Concrete pouring began this a.m. on new curbs and gutters in Main Street. These were made necessary when these and several more blocks in the business district were widened two feet on each side for repaving. Workmen have been making rapid progress all this week and expect to be able to start on the new brick paving within a few weeks. Brick will be laid, using present pavement as foundation.

Dinner guests in the Henry Turner home Sunday were his father, L. M. Turner of Hereford and Mrs. Turner's father, W. H. Garrett, of Hereford.

Mr. and Mrs. Henry Turner, Carol and Don attended a family reunion Sunday evening at the home of Mr. Turner's father, L. M. Turner in Hereford.

### Deduction For Social Security Must Also Be Made On Summer Help

During the summer vacation many students will be working temporarily in employment covered by the Social Security Act. The employer of such temporary help is under the same obligation to make tax deductions and social security reports on these employees as he is on his permanent employees.

The only way the employer can be sure of having the exact information for making his tax return, and for the employee to be sure of getting proper credit for his wages, is for the employer to copy the employee's social security number and his name directly from his social security card.

Each student is advised by J.R. Sanderson, manager of the Amarillo Social Security office, to take his social security card with him when applying for a job.

To obtain an original card, or a duplicate of a lost card, submit Form SS-5, obtainable at your local post office, to the Amarillo Social Security Office.

Petroleum industry progress is indicated by the fact that, in three years time, the number of federal radio licenses in the industry increased 190 per cent. Radio speeds communications in oil fields, pipe line operations and refineries.

### Millers Will Soon Die From Old Age

If the old saying "When the bugs swarm it will rain" is true Hereford ought to be getting out their rowboats and raincoats because there is a rain in the offing.

For the past week or so Hereford homes have been filled with moths, commonly called millers or candlebugs, and there seems to be no let-up in sight.

**Harmless Now**  
These moths, according to people who know, are harmless and are in the adult stage of cutworms and army worms but nevertheless they are a nuisance, ask any Hereford housewife.

It takes a strong solution of fly spray to kill these millers. A fly swatter is a good weapon but it leaves a mess wherever the swatter hits a miller.

The experts say that it will only be a matter of weeks until the millers die of old age—until then we'll just have to be patient and put up with them.

### State Theta Rho Official To Be Honored June 28

Mrs. Kathleen Moore of Wichita Falls, state advisor of Theta Rho Girls Clubs, will be honor guest at a tea given at the IOOF Hall Sunday afternoon, June 28, from 4 to 6 o'clock.

The tea will also honor members of the IOOF and Rebekah Lodges and those who assisted in arrangements for the girls to attend the recent state convention at Wichita Falls.

Rosemary Young, recently elected state president, will preside. Other plans are now under way and will be completed for the tea courtesy at an early date.

# AMES LO-HEAD GATED PIPE

Each Furrow opening in Ames Gated Pipe is controlled by an individual gate. You can regulate the flow by finger tip control. No necessity of buying or lugging a large number of irrigation tubes in a variety of sizes.

In addition to Ames Gated Pipe which has wide acceptance in Hereford's territory, Ames Company builds and distributes many fine irrigation products and Hereford Implement Company represents them locally.

We can supply lawn installations to meet all situations. Single lengths of pipe with Ames Couplers for fine spraying of small areas. Roto Sprinklers and light aluminum pipe for larger installations, such as those operating at the new Football Field, Hereford Cemetery and Shirley School.

We can also furnish sprinkler irrigation systems. This perforated pipe is known as Ames "PERF-O-RAIN". It operates at lower pressures. It evenly waters in rectangular patterns. It is low in cost. Ideal for alfalfa, clover and permanent pastures.
