GAS COMPANY REQUESTS FRANCHISE EXTENSION

Commissioners Approved New Policeman, Sanitarian

Two persons were added to the Hereford Police Department staff this week and a city sanitarian hired following approval by the city commission.

In their meeting Monday night, city commissioners approved the hiring of a girl to handle Police Department office work and take care of the radio during the day, and another night patrolman who will work the night shift and be in the police radio room after midnight.

Chief of Police Leo Box has hired Mrs. Gerda Cates for the office position, and Virgil Ritchie Jr., for the patrolman's job.

Dr. Jack Gilliland, veterinarian, has been hired as city sanitarian at a salary of \$150 a month plus \$25 for car expense. Among his duties will be to inspect dairies which furnish the local milk supply, inspect slaughter houses, cafes, drug store fountains and other places which handle food and groceries, and report his findings back to the city manager.

In the near future, Gilliland is to begin a regular inspection of establishments on his list, and, where necessary, the city will take action to see that places are properly kept.

Health Problem
City commissioners agreed that the influx of large numbers of migrant workers has created something of a problem in Hereford, and they are going to try to put public rest rooms up in town where they will be readily available, and see that areas where the workers are living have proper sanitary facilities.

In talking with Police Chief Box, the commission agreed to necessary repair and other work on the former doughnut wagon so it can be used as a night patrol car.

Car To Be Painted
This work will include painting the car black and the addition of two spotlights, one of them a red light. Ritchie will use this car during the early part of the night to make routine inspections in

The Nash Ramblers, Hereford women's team, will meet nine lassies from Farwell at 8 o'clock Friday night in Veteran's Park. There will be a second game, with Piggly Wiggly playing Dimmitt.

Attendance at the Wednesday morning free show for the kids was up about one-third over last week, according to the Chamber of Commerce. Kids who had a birthday Wednesday, and received a weeks pass to the show as a result, are Camella Ann Anderson, Janice Kay Thompson, Jim Hushley, Leroy Dennis and Davis Paulsten. Betty Ford received a big plastic fish for being one of a family of nine, and John Buse got a model road grader for being from a family of 10. Prizes were furnished by Western Auto.

A revised economic index will lower school costs in Deaf Smith county next year. Under the old index, the assignment here was \$104,665.51, the new assignment will be \$81,641.46, a saving of \$23,024.05. The new index will be figured on a three year average, in the future, rather than being figured once every four years, as in the past, and should benefit the county considerably, Fred Baird, school tax collector-assessor said.

Earl Smith, who was once a Boy's Ranch resident, had charge of the program at the Hereford Lions Club Wednesday. He brought several boys from the ranch down to present a program to the Lions

Red Cross members are reminded that there will be a meeting of the county Red Cross chapter Friday night at 8 o'clock in district court room. Three directors are to be elected and several awards presented.

alleys and around the business district. It will also be available as extra equipment in times of emergency.

Cecil Parker, Lee Milliken and G. E. Gaylord, Chamber of Commerce manager, appeared before the commissioners to discuss the contract which has been let for paving in the city.

Under the contract, four-coat paving is required, with property owners paying for the work. Parker, who represented the Chamber of Commerce paving committee, said that it was his opinion that a two-coat paving job would be sufficient, with possibly one additional coat at a later date.

Paving May Curl
Parker said that too heavy a paving job sometimes has a tendency to curl or form ridges, which the thinner paving is not as likely to do.

"Paving usually breaks down because water gets under it, or because of extreme changes in temperature," he said.

The commission agreed to have a meeting as soon as possible which may be some time next week, between property owners, the contractor and the city engineer.

Extension Requested
C. I. Wall, president of West Texas Gas Co., appeared before the commission with Bill Dear-dorf, Hereford manager for the company, and requested a 10-year extension of the present gas com-

pany, franchise. That is the maximum extension that can be granted without a direct vote of Hereford citizens. The commissioners are studying the proposed franchise extension, and it will probably be read at their next regular meeting. Three readings at regular meetings are necessary.

Approval was given to a request by Hereford Fire Chief Earl Phillips for money to send the chief and four other firemen to fireman's school at Texas A&M, starting July 19.

Each of the firemen will be paid \$50 for his time, and the city will pay all expenses.

Additional Credit
Attendance at the fireman's school by the Hereford men will give the City of Hereford an additional 5 per cent credit on fire insurance, Chief Phillips said.

The city has now taken over maintenance of the blinker light at the intersection of Highways 60 and 51 from the Highway Department. A proposal that this be done was unanimously approved by the commission.

Concerning the new city water well it was brought out that a 60 horsepower electric motor has been purchased and installed. Cost of the motor, which was second-hand but which was thoroughly checked and found to be in excellent shape, was \$651. This was a saving of between \$1,000 and \$1,500, when compared with the price of a new motor.

Present at the meeting were Mayor Henry Sears, commissioners Delbert C. Kinsey and Wayne Edwards, and City Attorney Ray Cowart.

Shipment of cottonseed meal should begin arriving in Hereford almost any day now, according to Collier, office manager for the Production and Marketing Administration.

The first 10 cars of meal and pellets which were sent from Lubbock last week-end were sent without any definite instructions to Panhandle counties, but later shipments are being sent under instruction.

Grain Shipments
Grain shipments are being received in Texas, and some should be coming this way soon, the state office has advised Collier. He still has no idea how soon this will be, though. He is working on arrangements to have the grain handled through a local elevator.

"I would like to point out that this feed program is just as much for the man with a few dairy cows as it is for the man with a foundation herd of beef animals," Collier said. "There is no need for a man to be bashful about asking to get in on this program if he does need the feed."

Early County Resident Died Recently At Temple
Tucker S. Wyche, 65, of Waco, the man for whom the Wyche community was named, died July 2 in a Temple hospital after a brief illness. He was an early resident of Deaf Smith County.

A retired district manager for Texas Power and Light Company, Wyche was district governor for Rotary, having just taken over the duties of that office.

Wyche was born in Roysel City, Texas, in 1888, and graduated from Texas A&M with a degree in electrical engineering in 1910. He saw active duty in Europe during World War I, has held a reserve commission for more than 20 years.

Temporary Toll Service Given To Three Exchanges

Effective today (Thursday), West Texas Rural Telephone Co-operative exchanges at Dawn, Westway and Frio were scheduled to be connected to Hereford on a toll basis only, according to Leo Forrest, project manager.

"This is an interim agreement to Panhandle counties, but later shipments are being sent under instruction. High level conferences are being held in Washington, and that conference is supposed to arrive at an equitable extended area service contract."

For the present time, charges from the three exchanges will be 15 cents station to station, or from Hereford, and 30 cents for person to person calls.

Price Of Calls
Calls between Dawn, Westway, or Frio will be 20 cents and 35 cents. These are based on three minute calls, and tax is not included in those figures.

"The board of directors of West Texas Rural Telephone Co-operative is well aware that this is a disappointment to our subscri-

ers, and the board hesitated a long time to make such a deal," Rein-aer said. "We do feel, though, that this service, although inadequate, is better than no service, particularly in emergencies."

"We are asking that subscribers bear with us during this month, and use their phones only for emergencies in order to keep down expenses."

About 700 Affected
About 700 subscribers are affected by the toll rates.

In a meeting Monday, the board also approved contracts with the Mountain States Telephone Co., which enables Oklahoma Lane subscribers to connect into Farwell. Negotiations are still going on with General Telephone Co. for connections between the co-op exchanges with Frio and Bovina.

"Every effort is being made by the board of directors to reach a satisfactory agreement on extended area service for all our exchanges without raising the rates," Rein-aer said. The present basic charge is \$4.75 plus tax.

Letters Sent Out
A letter explaining the situation has been sent out to all of the co-ops telephone subscribers. It reads as follows:

"Dear Subscriber:
Your Board met on July 6 with representatives of the Southwestern Bell Telephone Company and executed the necessary contracts to give you toll service into Hereford as well as operator assistance. This means that you may now use your telephone, but will pay a toll for each call outside your own exchange. These charges (plus tax) are as follows: Dawn, Westway or Frio to Hereford, 15 and 30 cents. Calls between Dawn, Westway or Frio, 20 cents and 35 cents. The first figure is for station-to-station calls and the latter figure person-to-person, all above based on three minute calls.

Emergency Measure
"Your board unanimously approved the above arrangement as an emergency measure only and is diligently working on an extended area service agreement that will be satisfactory to all parties concerned. It is contemplated that such an agreement will be forthcoming within a month, and your board did not deem it advisable to deprive you of the use of your telephone any longer.

"Please refer to the instruction sheet of your co-operative directory; Paragraph 3 will apply in obtaining the Hereford operator (Dial O). Do not attempt to use paragraph 2 as you will get no response by dialing 8.

"Your telephone service will be effective on or about the 10th of July and thereafter on or about the 15th of each month. Your board, management and employees deeply appreciate your patience and understanding in this matter.

Sincerely yours,
Leo Forrest
Project Manager

Lions Carnival Set For Week Of July 20-25

Better circle the week of July 20-25 on your calendar today, and start putting some extra coins in the piggy bank.

That week will be the time for the annual Lions Club carnival, with all the fun of past years promised once again.

Dub Reeves, who will have charge of the carnival this year, said that all rides and stands will be operated by the Lions Club, who are trying to raise money for an electric score board for the football field.

Costs \$2,000
"The board will cost \$2,000 but we don't expect to raise that much from the carnival alone, though we would like to," Reeves said.

The carnival will be located on the lot just north of the Bull barn for its "Monday through Saturday" stand.

Services To Be Held Today For Willis Seale

Funeral services for Willis Peterson Seale, 71, a retired farmer, of Dimmitt will be held this afternoon (Thursday) at 4 o'clock at the First Baptist church in Dimmitt.

Seale died Tuesday in his home in Dimmitt after an illness of 10 years.

Willis Seale was born August 21, 1881 at Watachee, Ark. He married Clemmie Watson August 26, 1906, in Gorman, Texas.

They came to Texas in 1900 from Arkansas and came to Dimmitt in December 1942 from Lubbock.

Survivors include: his wife, Mrs. Willis Seale; two daughters, Mrs. Norman Gaudy, Hereford, and Mrs. George Harber, Tuscon, Ariz., and four sons, Jo Seale, Dimmitt, Frank Seale, Farwell, Eugene Seale, Le Mesa, and Charles Seale, Guadalupe, N. M.

Burial will be in Dimmitt Cemetery.

Grandchildren Reported By Hereford Residents

Two former Hereford residents are reported as proud parents, making some proud grandparents in Hereford.

Mr. and Mrs. Carlton D. Buck are the parents of a daughter, Patricia Gwyn, born Monday morning in Lubbock.

Mrs. Buck is the former La-Juan White, daughter of Mrs. W. G. White of Hereford.

Mr. and Mrs. Fred R. Close are the parents of a son born Wednesday morning in Denver, Colo. The grandparents are Mr. and Mrs. H. A. Close of Hereford, and Mr. and Mrs. Jim French of Del Norte, Colo.

Burlesons Return

Mr. and Mrs. S. E. Burleson returned last week from their vacation in Old Mexico. Their son, W. G. Burleson, met them in El Paso and went with them on the trip. Burleson resumed his duties at the Hereford Locker Monday morning.

<

It is surprising how many new houses are now under construction. No great big building boom, but eight or ten in the process of getting started and on toward completion. This is a good sign for the community. Practically nowhere else in the Panhandle will you find such a per capita building program at this immediate time.

Demand is the big reason, of course. It is still a major operation to find a rent house in Hereford. Rents have dropped a shade, but are still pretty high. You can also run across some exceptionally nice gardens around town, especially in the section of new houses north of Union Avenue. Folks out in that area must be having a contest to see who can grow the longest row of beans. Practically no one row planted any corn this year, however. This also seems to go for the rural areas—or maybe it just didn't do much good in 1953. Anyway, you see very few corn patches. Guess Grant Hanna is slipping. He is the corn king in these parts. The only way he can convince me there is any is by bringing in some roasting ears.

Back to the subject of green beans is a story they are telling about Mrs. Woody Wilson. The insects got to working on her bean crop so much that the situation became alarming. They got so bad, in fact, that Woody even pitched in to help apply dust and spray. The Wilsons did everything in the book, then followed all suggestions from their neighbors—and still had more bugs and insects than you ever saw. Finally, Mrs. Wilson got a bucket of spray dope and a paint brush. She carefully went over every single vine—and the Wilsons have beans galore. The only trouble is that she worked so hard on them that she loves each little shoot. Woody says he doubts if they will even eat any beans at all.

Grady Bowdry, Hereford's city manager who went back to Stamford to keep an eye on his crop of oil wells in that section, is still pondering over the vast amount of water in this area. Having come from a sure enough drought country, Grady was always

telling stories about not being able to get a car washed unless you took it out of town. This week he writes for a subscription and adds the following footnote:

"Tell Jimmie that we had a nice rain Monday night, 2 1/2 inches. Caught about 6,000 acre feet of water in the new lake. Should be able to get water from this source within two weeks. Wonder how the people in Hereford would like to pay \$2.50 per 1,000 gallons for all water used over 8,000? This rate went into effect here last week. The citizens of Hereford don't know how fortunate they are."

Just as a means of comparison, the Hereford rate is 13c per 1,000 gallons over 10,000—and averages 30 cents per 1,000 up to that point.

Several people who visited in New Mexico over the Fourth of July have been in to report on the tourist "riots" at Red River. Things apparently got a little rough and wound up with a sort of feud between some 100 inhabitants of Red River and around 150 tourists from Oklahoma, Kansas and Texas—mostly Texas. Old Stree was up there and so was Bob Lewis. Stree says they had cabins two or three miles away, though, and never knew anything was happening until the next day.

The fireworks display here was again outstanding. The Chamber of Commerce as sponsors and the Jaycees as handlers deserve a big hand for this project. They are doing a swell job. The event is drawing bigger and bigger crowds each year. A lot of folks figure they should put the stationery displays on the hillside rather than in the valley and maybe this is right. However, it was a swell show. Everyone had a lot of fun and even the official fireworks had quite a bit of competition from the crowd.

The Harold Closes are all excited over their new grandson. Unlike most grandparents, however, they had their hearts set on a girl. Freddie called in the news Tuesday morning and Harold got too excited to play golf all that day.

Gaylord Newell is hoping to get his new Friona store opened within the next few days. Understand it is really nice. Bonnie Wilson will be the manager. Bonnie left Monday to be on location. Friona needs a store of this type, so the deal looks like a natural. Jack Bradley is another Hereford man in the deal, having constructed the building to house the new store.

These fishermen seem to have quieted down a little bit. Probably not for long though. Haven't heard anything of Walter Seed and Worth Covington this year. They will probably be making plans within a few days. Delbert Kinsey got back this week from Del Norte and says fishing is "fair." In fishing language, this means it was really lousy and that the Kinseys probably had to eat salmon and sardines.

Hereford's three big grass projects: the new football field, Shirley playgrounds and Dameron Park, are beginning to take on a new appearance. All three have mechanical watering systems and will probably step right on out. Of the three, the football field is by far the most successful planting.

Quite a few Hereford people are just back from the races at Raton. I asked one lady who won and, without hesitating, she answered, "The parimutuals."

Rites Held Tuesday For Hereford Infant

Services for Paula June Ward, infant daughter of Mr. and Mrs. Randolph Ward, were held Tuesday.

Paula June was born July 6, and died the same day in Deaf Smith County hospital.

Graveside services were held July 7 in Babyland Llano Cemetery in Amarillo with Rev. Howard Scott, pastor of First Baptist church, officiating.

Survivors include her parents, Mr. and Mrs. Randolph Ward, two sisters, Karen and Sharon, Grandparents, Mrs. Dewey Adrain, Amarillo, and Mr. and Mrs. H.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper, will be gladly corrected upon due notice of same being given to the editor personally at the office.

Streamliner's Schedule Will Be Cut Down Soon

Running time of the Santa Fe's Grand Canyon will be decreased thirty minutes effective July 12, 1953, according to an announcement by R. T. Anderson, general passenger traffic manager, Santa Fe Railway, Chicago.
The Grand Canyon will arrive Dearborn Station, Chicago, at 3:15 p.m. (Central Standard Time) rather than the present arrival time at 3:45 p.m.
The Grand Canyon will make the trip from Los Angeles to Chicago in 47 hours, 35 minutes.

Most forage crops in the state are taking a beating from the drought and chances for normal production are slight. Therefore, when these crops, including corn and grain sorghums, reach the turning point and start down, they should be used for making silage.

The third creative arts workshop for county home demonstration agents will be held at Texas Technological College, Lubbock, July 6-10.

THE ANNUAL FIRECRACKER party at the Merlin Kaul home in Westway drew a large number of people last Saturday night. The fact that it wasn't all fireworks is well demonstrated here. Shown, from left, are Mrs. Joe Landers, Mrs. Merlin Kaul, Patsy Townsend chewing on a chicken leg, and Jim Auten, who seems to have finished with the eating chores. (Staff Photo.)

Mary Lynn and Judith, Mr. and Mrs. Jimmy Thomas, Diedra, Danny, and Deborah, and Mr. and Mrs. Jim Auten, Jane and Jimmie visited in the home of Mrs. J. E. Morrison at Hereford Sunday afternoon. They visited Mr. and Mrs. Parker Johnson of Batesville, Ark., who were visiting Mrs. Morrison and Marvin.

Gone To See Father
Mrs. Abraham Drager went to Clovis, N. M., Monday night to be with her father, G. C. Cooper, who underwent surgery at Clovis Memorial Hospital Tuesday morning.

Mr. and Mrs. Johnie Townsend and girls were dinner guests Sunday in the Gerald Townsend home south of Hereford.

The regular Sunday Singing was held at the Community House Sunday afternoon with singers from Summerfield, Hereford, Portales, N. M., and Amarillo attend-

Program Features
Featured on the program of the afternoon was the Welch Quartet, Evans trio, Barnett Girls' Trio, Barnett Duet, Westway Quartet, and a solo by Barney Welch. Mr. and Mrs. Welch are from LaMar, Colo., and came by here to see his sister, Mrs. Bernie Northcutt. They were en route to their home after having visited his father and other relatives at Portales, N. M. Other singers from Portales included Mr. and Mrs. J. S. Reynolds, and Miss Ruby Welch.

Those present from Amarillo included Mrs. Emery Davis, Shelly Davis, Mr. and Mrs. Wayne McCandless, Mrs. Clara Rodgers, Mrs. Mary Davis, and Virginia McCandless.

Appointment filed
Rev. R. D. Evans of Amarillo

filled his appointment here Sunday. Visitors at the services included Mr. and Mrs. J. S. Reynolds of Portales, N. M., who were guests in the home of their niece Mrs. Bernie Northcutt, Mrs. W. P. Walker of Oklahoma City, Okla., who is spending two weeks in the home of her daughter Mrs. J. R. Coleman, Mr. and Mrs. Oscar Hinger, Kathy and Craig, and little Rex Alan Coleman made his first trip to church.

Mr. and Mrs. Fain Caesar, Ann and Jane of Oklahoma City, Okla., were visitors at the evening service. Mrs. Caesar is a sister of Jack Renfro. They have been staying at Plainview and Mr. Caesar has been assisting with the potato harvest in that area. They have now moved to the Elm Court at Hereford and he will assist Jack here during potato harvest in this vicinity. Mr Caesar

Byers Family Has Reunion On Fourth

Seven of the nine children of Mr. and Mrs. John Byers were present for a reunion last week-end at 141 East Fourth. A number of friends and other relatives also stopped by to help celebrate the Fourth of July.

"We just ate watermelon all

is State Market Commissioner of Oklahoma.

Bernie Northcutt has been nursing a broken "little" toe on his left foot. It happened when he was acting as umpire in one of the ball games last week in Hereford. Some player hit home plate safely but he also hit Bernie's toe, which apparently wasn't safe, even inside his shoe.

day Saturday," Mrs. Byers said. Out of town visitors

Visitors from out of town included Mr. and Mrs. Don Presley, a daughter and son-in-law from Odessa, with their children, Gary and Katrina; another daughter, Mrs. Ray Cargo of Augusta, Ga., with her husband and son Ray Lee and Mrs. Byers father, J. E. Gordon of Strawn. Others visitors were Mrs. Billy Byers, wife of the boy who is in Japan, and son Ricky; Dwain and John Jr. Byers; Weldon Green, Jim Williams and son Kenneth; Estel Green, John Handy, Buddy Billington, Raymond Nixon, Edwin Bridges, Lyle Billington, Don Thompson, Mr. and Mrs. Don Zellener, and Freda Beard.

Unable To Attend
The other Byers child who was not able to attend the gathering is Mrs. J. B. Martin of Roseville,

Camp Fire Girls Group Held Picnic Last Monday

Ta-Wa-Ka Camp Fire Girls met at the Camp Fire Hut Monday afternoon for a picnic and games. The swimming party which was scheduled for Monday afternoon, was postponed until July 20.

Attending the picnic were: Ada Mae Bettis, Sondra Brumley, Kay Caraway, Zell Crump, Hallie Cuipepper, Karen Sue Daniel, Jean Ann DeShazo, Margie Sue Muse, Colleen Reeves, Suzanne Yarbro, Eugenia Alexander and the leader, Mrs. F. L. Alexander.

Calif.
Three of the Byers younger children, Bobbie, Ronnie and Mary Fern, are still living at home.

Mr. and Mrs. Cargo left Tuesday for San Antonio, where he will be stationed for the present.

Westway News

The Fourth-of-July picnic and fireworks party held on the lawn at the Merlin Kaul home Friday night was well attended.

After the supper, which featured plenty of fried chicken and home made ice cream, Johnie Townsend and Jimmy Thomas sponsored the fireworks display.

Mrs. Bert Garrison prepared prizes which were given to Billy Ohlig, youngest boy present, Patsy Rudd, youngest girls present, Nathan Wilson, the most freckles; Clarence Sauley, the balddest head; Merlin Kaul, the heaviest man; Marjorie Thomas for guessing the most beans in the jar; and Mr. and Mrs. Joe Landers for being married the most years.

Guests Registered
Those registering included Mr. and Mrs. Abraham Drager and family, Mr. and Mrs. C. A. Sauley, Mr. and Mrs. Oscar Hinger, Craig and Kathy, Mr. and Mrs. David L. Thomason, Mr. and Mrs. George C. Warner, Mr. and Mrs. Charles Owens and sons, Mr. and Mrs. Jimmie Gillentine, Sara and Buz, J. B. Castleberry of Wellington, Mr. and Mrs. Joe Landers and Ross Joe, Mr. and Mrs. Johnnie Townsend, Patsy, Sandra, and Terry, Mr. and Mrs. Glen Williams, Beverly and Jerry.

Mr. and Mrs. Leo Ohlig and Billy, Mr. and Mrs. Jim Auten, Jane and Jimmie, Mr. and Mrs. Jimmy Thomas, Diedra, Danny, and Deborah, Mr. and Mrs. G. C. Merritt, and G. C.; Mr. and Mrs. Harold Rudd, Lynn Ann and Patsy, Mr. and Mrs. Kenneth Rudd, Teresa and Susan, Mr. and Mrs. George Turrentine and girls, Mr. and Mrs. Jack Renfro, Mr. and Mrs. Paul Rudd, Mr. and Mrs. Roy Lee Wilson and Nathan, Mr. and Mrs. E. B. Garrison and Jack, Mr. and Mrs. Garland Adams, Teddy Ray Alsop, Mr. and Mrs. R. C. Godwin, Wayland, Ray, Woodrow, and Jimmy Northcutt, Mr. and Mrs. Merlin Kaul, Larry and Walter, and Delmon Moll of Hiawatha, Kansas.

Visited In Canyon
Mrs. Joe Landers and Mrs. Merlin Kaul were visitors in Canyon

and Amarillo Tuesday.

Mr. and Mrs. Bert Davis and daughters Gwen, and Sharon, of Clovis, New Mexico were guests Thursday night and Friday in the home of her sister Mrs. Abraham Drager.

Mrs. Tol Thomas, Mrs. Red Floyd, and Mr. and Mrs. Wayne Thomas and Syretha of Post visited Saturday in the Jimmy Thomas home. The group was en route home to Post after a vacation visiting relatives at Round Up, Montana.

Mr. and Mrs. Bud Morrison, Eddie and Junior of Hereford were visitors in the Jimmy Thomas home Monday night.

Mr. and Mrs. Elmer Combs and boys left Friday evening for a vacation at Eagle Nest and Red River in New Mexico. Mr. and Mrs. W. E. Combs of Plainview are helping Clifton in the store here while they are gone.

Mr. and Mrs. P. M. Drever, who came here from their home in Chicago for the wheat harvest, have gone to Colorado for a vacation. Their nephew, who accompanied them here, is spending the rest of the summer here.

Back From California
Mr. and Mrs. J. C. Morrison, Ralph, Mary Lynn, and Judith returned home Friday night from California where they went to see their son and brother Raymond, who is stationed at March Field at Riverside. They went to San Diego where they visited a nephew who is ill in a hospital. His mother, a sister of Mrs. Morrison, is spending the summer at San Diego. She and Mrs. Morrison had not visited for 8 years. The family reports a "hot" trip and decided that home was the coolest spot they'd found.

Mrs. Johnie Townsend spent Monday with Mrs. L. E. Neal at Hereford.

Mr. and Mrs. R. Q. West, Wanda Joyce, Rebecca, and Cynthia of Winters were weekend guests in the Johnie and Gerald Townsend homes. They are school friends of the Townsends.

Mr. and Mrs. J. C. Morrison,

Northwest Hereford News

By Mrs. R. C. Childers
 Larry Rickman returned home Thursday from Dallas, where he had been for the past week for medical treatment at the Scottish Rites Hospital there. Larry made the trip home by plane, arriving in Amarillo Thursday morning in an hour and twenty minutes. He was met at the air terminal in Amarillo by his parents, Mr. and Mrs. Lyle Rickman. Grasshoppers are beginning to eat on the young vegetation here

and there over the community. Mrs. Fred Inman had her permanent pasture sprayed by plane for grasshoppers last week. Many in various places are taking this means to rid their crops of this pest.

An irrigation well is being drilled on the Joe McDonald farm, formerly owned by Robert Ker-schen.

Young Feed Curling
 Young feed is beginning to curl with the hot dry weather and for the want of moisture. Farmers everywhere are running their irrigation wells night and day trying to keep up with the dry weather, but are finding it a losing battle.

Mr. and Mrs. A. C. Hershey, Marvin and Patricia returned home Sunday, after vacationing with relatives in Abilene.

Onions are being harvested on the Jack Renfro and R. C. Childers farms this week. Renfro has installed an onion processing machine in the granary on his farm and is processing onions on his farm, as well as in Hereford. Renfro also has a potato shed running in Hereford, processing potatoes from Olton and other places to the south. Potatoes are ready to harvest in a number of places, and harvest will start here and there over the community this week.

Many cattle in this vicinity are being fed a new ration the last two weeks. It is potatoes. Cows like potatoes as well, or better than anything else you can feed them.

New Rations
 Jack Renfro is feeding baled wheat straw which has been treated with molasses. His cattle are doing good and seem to like their new ration.

R. C. Childers has baled over 5,000 bales of wheat straw for Jack Renfro the last two weeks. Mr. and Mrs. Fred Wolfington took the Intermediate Sunday School class of girls, of the Avenue Baptist Church, to hear Evangelist Billy Graham in Amarillo Tuesday night. Mrs. Wolfington is the teacher of this group of girls. Others going to hear Billy Graham in Amarillo Tuesday night

were Mr. and Mrs. T. B. Cox, Mr. and Mrs. Floyd Crofford, and Mr. and Mrs. Billie Phillips.

Mrs. Marvis Southward and Arvis, Mrs. Matri Mason and Tommie, and Mrs. R. L. Mason went to Lubbock Wednesday to hear Billy Graham preach. The group spent the night in Lubbock with relatives.

Returned From Lubbock
 Diekie Bob Mason returned home with his mother, Mrs. Marti Mason from Lubbock where he had been visiting his grandparents, Mr. and Mrs. D. W. Tomlinson for the past two weeks.

Mrs. T. B. Cox and her mother, Mrs. Wooten, visited Mr. and Mrs. Rea Cox in Dawn Thursday afternoon. Rea is a son of Mr. and Mrs. T. B. Cox.

Patsy Jackson, daughter of Mr. and Mrs. Clinton Jackson of Hereford visited Pat Childers Saturday and took pat riding in their new Dodge.

Mr. and Mrs. Ned Hogan of Spur spent the 4th of July holidays in the home of their daughter, Mrs. Raymond Higginbotham and family.

On Saturday the Higginbothams and Hogans visited in the home of a relative, B. D. Dye and family in Amarillo.

Gone Visiting
 Landis Higginbotham, young son of the Raymond Higginbothams went home with his grandparents, Mr. and Mrs. Ned Hogan of Spur Sunday evening to spend a week visiting with them and other relatives at Lubbock. He is to return home by bus next Sunday.

Mrs. Paul Corbett, Mrs. Fred Wolfington and Mrs. R. C. Childers attended the regular meeting of Council in the County Court room Monday afternoon.

Out of town guests in the R. C. Childers home last week were, Mr. and Mrs. A. E. Speer and sons, Bobbie and Gordon Wayne of Baytown, Tex. Mrs. Speer is a sister of R. C. Childers. The Speers had made a sight seeing tour of Arkansas and picked up their son, Bobbie, at McAlester, Okla. He is in the Armed Forces, stationed at Madison, Wis. Mr. and Mrs. C. S. Barclay re-

Personals

Dr. Milton Adams, who underwent surgery recently in Oklahoma City has returned home. Dr. Adams received a hip injury in a car accident several years ago and the surgery was a corrective measure.

Mr. and Mrs. Gordon Newsom and son are visiting relatives in Brownfield this week.

Mr. and Mrs. Leo Orrest are home again after visiting their daughter, Mrs. Joe Harrison, in Dallas, and welcoming a new granddaughter.

Mr. and Mrs. Jimmie Alfred and children have returned from their cabin near Creed, Colorado where they spent a ten day vacation.

ATTEND CHURCH MEET
 Mrs. George Graham, Mrs. Jack Roberson and Mrs. J. B. Harlin

left Monday for the Southern Baptist Encampment at Glorieta N. M. where they are attending a week's session of the Women's Missionary Union of the Baptist Church. Mrs. Harlin represented the young people of the church and Mrs. Roberson went as a delegate from the Woman's Missionary Society.

Dr. A. Hope Owen, president of Baylor Baptist College, Plainview, and Mrs. Owen visited relatives in Hereford Sunday.

Mr. and Mrs. L. Z. Oldham have

returned from a trip to Woodward, Okla., where they visited their son and family, Mr. and Mrs. Carl Oldham and children.

Mrs. Tommy Hulsey returned Saturday from Memphis where she spent a week with her parents, Mr. and Mrs. Roy Guthrie.

Miss Novella Arrington of Dallas spent the Fourth of July vacation here in the home of her fiancé, Stanley Slagle, and with Gayle Gault. She was accompanied by her sister Betty Arrington, who has been a guest of Joyce Shirley.

Nazareth Wins Sunday Game With Score In The Ninth Inning

Nazareth scored one run in the top of the ninth to defeat Hereford, 7-6, Sunday afternoon at Vet's Park. Nazareth scored seven runs on nine hits. Each team made six errors as playing conditions were bad.

Starter Terry McRight pitched five innings, giving up four hits and walking four. Hereford connected for nine safeties of Vince Garber, who went all the way. He walked seven.

McRight set Nazareth down in order in the top of the first but all Hereford could do in their half of the inning was threaten. Garber hit Renner with the first pitch. Duane Albracht and Jackie Burrus struck out.

Single From Slugger

Slugger Stewart then singled for the first of three hits he was to get, sending Renner to second. But Garber got Lueb on a pop-up to end the inning. McRight held Nazareth scoreless in the second but Hereford couldn't score either as Garber struck out two men.

Nazareth scored three runs on three hits off McRight in the third. McRight walked one man giving up two singles and a double.

Hereford also rallied but it fell short. They scored two runs on a single by Duane Albracht, a double by slugger Stewart, and two errors.

Two Runs

Nazareth scored two more runs in the fourth on a walk, a triple and an infield out. Hereford scored once in the fourth when Everett Allen walked, stole second, went to third on a wild pitch, and scored on a single by Johnny Renner. Both teams were held scoreless in the fifth, sixth, and seventh innings.

Nazareth scored once in the eighth on a walk, an error, and a wild pitch.

Hereford tied it up in the eighth when they scored three runs. Winkler led off with a scratch single. Renner grounded out to the third baseman sending Winkler to second. Burrus walked after Duane Albracht had struck out.

Both runners advanced a base on a passed ball putting runners on second and third. Slugger Stewart doubled scoring both runners. He later scored on an error by the shortstop.

Winning Run

Nazareth scored the winning run in the top of the ninth on two singles and an error. Hereford couldn't score although Stengle singled and Renner walked.

Slugger Stewart, who is now battling a torrid .333, led Hereford

hitters with three hits, two of them doubles. Huesamen and D. Apker got two hits apiece for Nazareth. Garber was winning pitcher and Renner the loser.

Practice Game

Hereford meets Tulia Wednesday night at Vets park in a practice game. Then Sunday, they journey to Tulia to meet them in an Irrigation League game.

Irrigation League standings aren't available at this time but it is believed that Hereford is in the first division.

Main Wrestling Bout Ends With No-Contest Fall

Wrestling at the Bull Barn Saturday night was one of the best that the Lions club has ever had, according to Guy Lawrence, manager.

The main event was two out of three falls, one hour time limit with Cowboy Carlson of Ekalak, Mont., and Roger Mackay of Salt Lake City, Utah.

Cowboy won the first fall in 10 minutes with a powder river hoolahan, better known as a bulldogging head lock.

Mackay took the second fall in five minutes with a cross body press followed by a vicious series of knee lifts.

No Contest

The third fall was called a no contest when after five minutes both wrestlers fell out of the ring and was unable to return before the count.

The first event, two out of three falls, one hour time limit, was between Bob Cummings of Hereford and Dory Funk, Southwestern States Junior Heavyweight Champion, of Umbarger.

Funk won First

Funk won the first fall in 21 minutes with a spinning toe hold, and Cummings won the second fall in two minutes with the knee action leg binder.

In the third fall Funk was disqualified after 23 minutes when he threw Cummings over the top rope. This is an automatic disqualification.

Leo Cline was the referee.

The Hereford Brand

CHIP SHOTS

By Bud Posey

Stan Barrett, medalist and favorite to take the 1953 City Golf Championship, will meet Dr. R. E. Lingenfelter for the title next Sunday, July 12, at 1 o'clock. The two met previously in the Pioneer Day Tournament on May 29, with Stan coming out on top three and two.

Stan eliminated Ray Hardy, seven and six, and Earl Stagner, seven and six, to gain the finals while Doc was beating J. M. Posey six and five, and defending champ, Don Martin, three and two. Doc shot sensational golf while eliminating Don, even holding out for birdies on number four and five holes.

Second round:

Joe Kerr beat Mutt Webb two and one, Wendell Burdine whipped Bill Davis two and one. Final pairing, Wendell Burdine vs. Joe Kerr.

Second flight consolation:

Sam Gilbreath beat Louis Wilkinson three and one and John Renner whipped Walter Seed, five and four. Final pairing, Renner vs. Gilbreath.

Third Flight

Third flight first round:

Pat Kerr outlasted Lloyd Neill one up, Bill Miller beat Jim Wood, five and four, Jim Garner clipped Clyde Cave two and one, and John McClesky beat Oscar Lange four and three.

Second round:

Kerr beat Miller three and two and McClesky beat Garner five and four. Final pairing, McClesky vs. Pat Kerr.

Third flight consolation:

Jim Wood beat Lloyd Neill, four and three and Oss Lange beat Clyde Cave two and one. Final pairing, Wood vs. Lange.

Fourth Flight

Fourth flight, first round:

Dick Ross outlasted Bill Nunn, one up, 19 holes, Sam Long won by default over Earl Brock, Dean Herring beat John McClesky four and three, and Doc Cowan whipped Jeff Minton, three and two.

Second round:

Dick Ross outlasted Sam Long one up on 21 holes, and Dean Herring beat Doc Cowan three and two. Final pairing, Herring vs. Ross.

Fourth flight consolation:

Bill Nunn beat Earl Brock by default, Jeff Minton beat John McClesky by default and Jeff Minton beat Bill Nunn for the title, two up.

Title To Goss

Fifth flight:

Semi finals, Carroll Goss beat Jimmy Butler, two and one, and Berry Green beat Bob Lamm, two and one. Carroll Goss beat Berry Green four and three for the title.

Fifth flight consolation:

Bob Lamm defeated Jimmy Butler, three and two for the title.

Second flight, first round:

Mutt Webb drubbed Sam Gil-

breath five and four, Joe Kerr beat Louis Wilkinson, four and three, Bill Davis beat John Renner three and two and Wendell Burdine clipped Walter Seed three and two.

Airmen From Clovis Win Double Header From 66

By Billy Paul Knox

A group of players from Clovis Air Force Base beat Phillips 66 in both games of a double header, 16-3 and 6-1, Saturday night in Hereford. Phillips 66 scored a total of only four runs in both games.

Skeets Palowski and Doug Wolford pitched a two hitter in the first game while Jim McGaffic and Wolford pitched five hit ball in the second game.

Clovis led off with one run in

the first, thanks to a circuit blast by Leroy Goalen. Clovis pitcher Skeet Palowski, set Phillips 66 down in order.

Clovis Scored

Clovis scored one more tally in the second on walks to Williams and Ponzaglai and a fluke double by Perez. Palowski again had the 66er's doing as he pleased as he set them down with no runs and no hits. A base on balls given Bub Sparks was wasted.

Jack Clark settled down and

allowed no runs and no hits to the Clovis team in the third while Phillips 66 gallantly tied the game up. Jack Clark and David Miles drew successive walks. Summers fielded to left. Rex Lee then drew the third base on balls in the inning to load the bases. Palowski was jerked in favor of Wolford. He got Leub on a strike out but Tim Corbett lined a sharp double into right centerfield to score two runs. Sparks struck out to end the inning.

Three Runs

Clovis scored three runs in the fourth on two singles, and errors, and a base on balls. Phillips scored once in the fourth on walks to L. J. Clark and Johnny Winkler, a wild pitch, and a scratch single by Billy Massie.

Clovis scored three more times in the fifth as Winkler gave up four walks, walking one man in while two more scored on a single by Perez. Phillips 66 was held scoreless in the fifth and sixth innings as Wolford struck out five men in the two innings.

Sixth A Big Inning

The servicemen had their biggest inning in the sixth as they scored five runs on three walks, two doubles, and a single.

Clovis, picked up three more runs in the seventh when Winkler walked the bases loaded and allowed a double to Goalen to score all three runners. Phillips 66 went down in order in the last of the seventh to end the game.

Tim Corbett and Billy Massie collected the only hits off Clovis pitching while Perez, Goalen, Weeks, and Ponzaglai all got two hits apiece for Clovis.

Five Inning Game

The two teams played only five innings in the second game because of the time.

Phillips 66 scored their only run in the first inning. Botkins led off with a single. Summers doubled and Corbett also doubled, driving in Botkins from third as Summers held up at third. Sparks fouled out to the third baseman and Miles struck out to end the inning.

They held this lead until the third inning when Clovis scored four runs on five hits. Miles gave up four singles and one double in the inning.

Again Phillips couldn't score as Clovis scored two more runs in the fourth on a walk to Perez and a long home run by Weeks.

Corbett Led Hits

Tim Corbett, who was the batting star of the evening for the Hereford team, again led Hereford hitters with two hits. Tim drove in three of the four runs made by Phillips 66. Mandarano and Weeks led Clovis hitters with two hits apiece.

The only error of the evening

IN JUST A FEW SECONDS things began to get mighty warm just above where Harold Loerwald was standing. He was lighting the fuse to the Niagra Falls ground display, said to be one of the hottest of all the items which went the Fourth of July at Veteran's Park. Jaycees had charge of setting off the fireworks that night. (Staff Photo).

Return Tag Match Scheduled For Saturday Night

A peculiar situation in which the champions challenge the "challengers" is set up for the main event Saturday night in the Hereford wrestling arena.

In a championship match for the Southwest States junior heavyweight tag team title, Dory Funk

of Umbarger and Cowboy Carlson of Ekalak, Montana, take on Roger Mackay of Salt Lake City and Bob Cummings of Hereford.

In a double main event which attracted a large crowd last Saturday night, Carlson met Mac-

kay, and Funk fought Cummings. Big Bob, formerly of Seaside, Oregon, and who has been wrestling in his home state recently, won by disqualification over the unruly Funk, champion of the

(Continued on Page 2)

Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

Distinctive sports-car touch—wire wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit.

We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here—and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflow—and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWERSTEERING. A car with the velvety control of

still finer braking—plus the added convenience of Power Brakes,* if you wish.

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon?

*Optional at extra cost.

STATE OF TEXAS COUNTY OF DEAF SMITH, ss:
Sworn to and subscribed before me this 2nd day of July, 1953.
MARGARET CRAWFORD
Notary Public

Linda, Jerrie Bea and Larry spent the weekend at the Ky Lawrence ranch at House, N. M.

Mr. and Mrs. J. M. Wright and Jessie Joe spent the weekend with Mr. and Mrs. Wiley Quattlebaum and family at Ceta Glen.

Mr. and Mrs. C. B. Thomas of Hereford, Mrs. B. A. Atchley of Hot Springs, N. M. were Sunday visitors in the home of Mr. and Mrs. Thurman Atchley.

Mr. and Mrs. Fred Smith and children of Guymon, Okla., and C. E. Hardesty of Hereford were Sunday visitors in the home of Mr. and Mrs. Frank Huckert. Mr. Smith returned to his home at Guymon Monday and Mrs. Smith remained for a longer visit with her sister, Mrs. Huckert and her father, C. E. Hardesty.

Trip To Boulder
Miss Betty Euler accompanied a group of friends from Clovis to Boulder, Colo., over the weekend.

Donald Story of Philadelphia, Penn., is visiting his parents, Mr. and Mrs. J. D. Story of Hereford, and Mr. and Mrs. Joe Story and family.

Mr. and Mrs. Lowery Walker and Wayne of Pecos, Misses Carolyn Walker and Phyllis Rankin of Denton, A-3 class Norman Walker, George Fletcher, Wanda Walker and S-Sgt. Pegrum of Amarillo were guests in the home of Mr. and Mrs. Clifton Harper and sons Saturday. On Sunday the group attended a family re-

union at the B. T. Baily home in Amarillo.

Mr. and Mrs. Lee Curry visited Mr. and Mrs. Luther Forest and Walter in Plainview Sunday.

Weiner Roast
The B. T. U. young people's class held a weiner roast Friday night at the Jaycee park in Hereford.

Those present were: Mrs. Jack Streun, leader, Wayne, Willis, Shirley DeLoizer, Wayne Walser, Joe Streun, Charlene Lee, Bill and Ann Lookingbill, Mr. and Mrs. Reese Dawson, and Mr. and Mrs. Carlyle Sargent.

Miss West Given Shower and Tea

Miss Clara Jayne West, bride elect of John Dale Kelly, was feted recently in the home of Mrs. Lawrence McGee, who with her daughter Barbara, served as hostess for the party.

The informal affair was in the form of a shower-tea. Guests were greeted by Mrs. McGee. The receiving line was made up of Mrs. Floyd West, mother of the prospective bride, the honoree, Mrs. Dale Kelly and her daughter, Mrs. R. P. Odom.

At Bride's Book
Karen McGee and Mrs. Dwayne Walker assisted the guests at the bride's book and in viewing the array of gifts.

The refreshment table was done in blue and white, colors the bride will use in her wedding, and featured a white Irish linen cloth embroidered in blue. Pale blue and white daisies were arranged in a crystal container flanked by crystal candelabra holding bridal tapers. "Clara Jayne and John Dale" were inscribed on blue satin streamers linking the candelabra. Tinted daisies surrounded the punch bowl, where Barbara McGee presided.

Sixty five guests registered during the calling hours.

Time And Money Being Saved By Use Of Company Airplanes

There is no waiting at the station for the owners of today's 11,000 corporate aircraft. These men fly when they want to and where they want to—and generally do it at an impressive saving in time and money.

In 1952 they logged well over 422 million plane-miles, almost as many as the 457 million plane-miles flown during the same period by the scheduled domestic airlines. In the same year these craft flew nearly 2.72 billion passenger-miles.

Fly 3.25 Million Hours
In running up these astonishing figures, the corporate aircraft owners flew some 3.25 million hours—equivalent to flying day and night for over 370 years.

These men—and women—operate planes which range from small single-engine aircraft to the newest and largest air transports, equipped with the most modern instruments and electronic aids available.

These aircraft represent a total investment of about \$175 million, an expenditure of from \$30 to \$50 million annually for planes, parts and equipment—and an estimated additional million dollars annually for fuel, oil and maintenance.

Comparable Costs

Surprisingly enough, many of the new planes purchased today actually cost less than their counterparts of pre-World War II. One typical four-place business plane now sells for approximately \$13,600 (depending upon the amount of instrumentation desired by the purchaser). A pre-World War II four-place—which flew slower, was less comfortable, and less reliable—sold for just about the same price.

But—there's a big difference in the value of today's dollar as compared with the days before World War II. Measured in terms of pre-World War II dollars, the modern four-placer is priced at less than \$7,000.

Money In Circulation

WASHINGTON — Money in circulation in the United States passed the 30 billion mark for the first time in November of last year. This indicates that many households use currency when they might well be expected to keep bank accounts. In the halcyon days of 1929 hand-to-hand or pocket money with which all business was conducted was less than 5 billion dollars.

LOTS OF SCHOLARSHIPS

WASHINGTON—U. S. Office of Education figures disclose that 1,200 colleges and universities offered 124,000 scholarships valued at \$27 million and 14,000 fellowships worth \$9.25 million in the academic year 1950-51. The report states that the largest number of scholarships, 3,183, were offered in the field of music. Offerings in the theological field, which totaled 1,361, topped available fellowships.

Southwest States as well as co-holder of the tag team trophy.

Putting Title On Line
The Independence Day battles were so fraught with action and fury that Cummings and Macka were challenged by Funk and Carlson for a tag team match. The two blonde cowboys agreed to put up their tag title on the line.

In two individual matches calculated to warm up the opponents for the main event, Funk meets the handsome Roger Mackay, and Cummings takes on the longlegged Cowboy Carlson.

The first two matches will be for one fall or 20 minutes. The championship event will run for two out of three falls or 90 minutes, the full championship route.

PALENQUE, Mexico — A noteworthy recent archaeological discovery is that of the Mexican archaeologist, Dr. Alberto Rux Lhuillier. Deep within the Pyramidal "Temple of Inscriptions" at Palenque he exposed an elaborate sacrificial stone, surrounded by six skeletons.

Beneath this "altar" was a burial chamber of an ancient priest or ruler, on whose head, neck, and chest was a wreath of jade. A jade mask with emerald eyes covered the face; in the mouth was a huge pearl in each hand, a jade ornament; and, at his feet, were two figures, also of jade.

Mr. and Mrs. A. C. Hershey and children returned home Sunday from visiting Mrs. Hershey's mother, Mrs. Box, at Abilene.

Chip Shots...

(Continued from Page 1)
Bud Posey, local pro, played in the Pro Division of the Artesia Invitational Tournament at Ar-

tesia, N. M., on Wednesday, Thursday, and Friday and placed eighth among the first 10 money winners, received \$50 in cash for his efforts. Bud had rounds of 74, 72, and 75 for a total of 221. Twenty four pros played in the tournament with J. D. Taylor, Clovis, pro coming out winner after he and Abe Beckman, Midland pro, had tied with 10 under par 206's at the end of the 54 hole medal play tournament.

A 36 hole medal play putting tournament is scheduled for 8:30 Friday night, July 10, at the local links. There will be a men's division, ladies' division, and boy's division with an entrance fee of 50 cents being charged to pay for golf ball prizes which will be awarded.

FOIBLES

KENT SNARE

Operating on the premise that most memories are as faulty as my own, leave us have a brief resume of events that have already hit the ledger which may effect the 1953 SWC season, more than somewhat.

As a commecer, there will be three new head coaches in the league this fall, the changes occurring at SMU, where Rusty Russell took his 3 years settlement stipend with him over to Trinity and is being replaced by Chalmer Woodard, from the little league at McPherson College in Kansas. Dutch Meyer moved his Cadillac from the hot spot to the Athletic Directorship at TCU, pitching the reins enroute to Abe Martin. Otis Douglas went from Arkansas back to the Pros, retracing his coaching steps and gave way to Bowden Wyatt, who rescinded a 10 year spot at Wyoming in favor of a probable cellar berth in the Big League.

I have seen no printed expression of Mr. Wyatt's opinion of the letter of intent and I will hazard the opinion that he will not let it deface his most excellent record as a procurer of top-flight football talent, which in the past he has attracted from near and far. Each newcomer tutor will inaugurate a brand new style of offense at his chosen school.

TCU for the first time in its 57 year football history, will employ the T. SMU will abandon its diversified wing offense for a combination of the split T and straight T. Arkansas will drop the pro-type split T. in favor of the Wyatt version of the Neyland and Tennessee single wing. Texas A&M toyed with a new offense in spring practice. The Aggies, who have been a straight T and spread formation club, worked on an unbalanced T, shifting at times therefrom to the single wing.

This is the system that Michigan State won the National title with last lap, and in so doing, included a 48-6 pasting of the Cadets at Lansing. A trimming of that portion would in itself be a convincing conversion factor to the trimmees, as the Ags apparently acknowledge. They may be taking a page from Texas U.'s book, for the Longhorns took last year's 49-20 licking by Oklahoma and used it as a pattern to finish the balance of their season unscathed. They thrust many a successful Sooner split T trick at the opposition, having learned their lesson in a rude fashion but a con-

Fancy and Plain

vincing one. Two line coach changes will effect the '53 picture, too. Mike Michalske's move from Baylor to the Texas A&S and his being replaced at Waco by Bulldog Turner. Both played for the Bears, leaving illustrious records and accumulating no doubt, many of the same tricks and tactics, a la Halas, Anderson, Johnson, et al, who can impart the info necessary to construct tough lines, and do. As before, here the preseason picks in the SWC are 3—Texas, Rice and Baylor, not necessarily in that sequence.

It should be accentuated, also here, that only five times in the past 20 years have pre-season favorites followed thru by copping the gonfalon. 'Course picking 3 out of a 7 team league trims the odds. The return of the game to the players, via the abolition of the platoon system, should bring more discussion, and some answers, as to who benefits the most, the have or the have-not schools.

I am going to guess that some of the talent loaded schools, such as Notre Dame, California, Oklahoma and Georgia Tech will display a double barreled offense, just because they can. The frontpiece on a Robert Wilder novel has a line, to the effect—"know yourself and ride a tiger". Personal I'd rather know the tiger or have a marker agin him.

Celebration of Birthday Includes Family Reunion

Jeff Gilbreath celebrated his birthday Thursday evening at the annual picnic supper which his children sponsor each year to honor him. This year the supper was held at the home of Mr. and Mrs. J. C. Gilbreath in Dimmitt, with all eight children and their families attending.

Present were: Mr. and Mrs. Woodrow Gilbreath and family and the hosts and sons of Dimmitt; Mr. and Mrs. Lisle Woodford and family; Mr. and Mrs. J. M. Posey; Mr. and Mrs. J. T. Gilbreath Jr. and Royce Ann; Mr. and Mrs. J. E. Kirby and children; Mr. and Mrs. L. H. Rhodes and sons of Tucumcari, N. M.; Mr. and Mrs. Richard Petersen and children; Rev. Ray Gilbreath; Mr. and Mrs. Clyde Cave; the honoree and Mrs. Gilbreath.

A county commissioners' court does not have authority to grant permits for the transportation of overweight or oversized equipment on State highways.

PARKER BROS. Building Supply

CONGRESSMAN WALTER ROGERS SAYS: Drouth Disaster May Bring Plans For Permanent Program

THE DROUTH SITUATION: The members of the Texas, Oklahoma and New Mexico delegations in Congress have been working almost 24-hours a day trying to bring about effective relief for the drouth stricken areas. Several of the Congressional districts in Texas have not been stricken, but the members from these districts have worked right along side of those of us whose districts are in this disaster area.

We are all deeply grateful for this fine work and for the recognition and action taken by the President and members of his official family in moving forward to combat this tragedy. I expressed our grateful appreciation in a short speech to the Congress on Tuesday, June 30th. I expressed to the President and members of his

official family our appreciation for the fine spirit in which this tremendous task has been undertaken. I was requested to make a short recording to be broadcast to the nations overseas on this subject.

In doing so, I pointed out the fine co-operation that has always prevailed among the people of our country when disaster strikes, in giving priority to bringing relief to the stricken areas. I closed the statement by telling the people that we all thanked God that we lived in the United States and under our form of government.

Schemes Nipped
When the disaster situation began to reach such tremendous proportions, it became very obvious that there were some who wanted to play politics with the misery of these stricken people. It is my firm belief that these nefarious schemes were nipped in the bud by President Eisenhower. Although it is difficult to see how good can come out of such a thing as a devastating drouth, there seems to be a general sentiment among the members of Congress that some program should be worked out on a permanent basis to avoid, or at least soften, the terrific blow that is struck by such an occurrence. The chances are that some permanent legislation will be adopted with which to fight these problems in the future.

High Salaries
NEW HIGH SALARIED GOVERNMENT POSITIONS: During the past several months there has been created in the government

one new secretaryship at a yearly salary of \$22,500, two new under-secretaries at \$17,000 a year, twelve new assistant secretaries at \$13,000 per year, one new commissioner at \$14,800 a year, one new managing director at \$17,500, and one new deputy director at \$16,000 per year. The House on June 30th approved a new assistant secretary for the Post Office Department at a salary of \$15,000.

Bills are presently pending to create four new assistant secretaries of Defense. The salaries for these jobs would be approximately \$15,000 to \$17,500 per year.

An interesting colloquy took place on the Floor of the House during the debate on the new assistant to the Post Office Department. Congressman Dowdy, of East Texas, had the floor and was asked by Congressman Bender, of Ohio, the following question: "Is the gentleman aware of the fact that in the Defense Department alone, as a result of the creation of the new secretaries, over 60,000 people have been fired, which is pretty much the case in all the other departments of Government?"

Still More Pay
Congressman Dowdy's reply was as follows: "According to the reports I have, in March the number of people employed by the United States Government decreased by 20,000. Yet the salaries that month increased 60 million dollars, although 20,000 people were fired."

FEPIC: It was announced by one member of Congress just before this letter was written that the White House intends to set up an FEPIC for the purpose of screening employees in organizations holding defense and other government contracts to see that no discrimination is practiced. This Congressman stated that such a commission would put a stop to

AFTER HIS FINAL COMBAT MISSION, First Lt. J. L. McFarling, Jr., 409 Blevins St., Hereford, climbs out of a B-26 Invader light bomber. Lt. McFarling had fown 50 combat missions over enemy-held North Korea as a navigator-bombardier with the 17th Bomb Wing. He participated in bombing and strafing attacks against Communist supply and communications routes, and in front-line strikes in support of UN ground forces. Lt. McFarling is the son of J. L. McFarling Sr., 902 East Third St., Hereford. (US Air Force Photo.)

Long Time Ago

45 years ago
The Fourth saw a number of farmers, their wives, and children and their friends assembled at the courthouse discussing ways and means for their betterment. Dinner was served on the court house lawn under the beautiful trees. The morning session was short, simply a call to order and adjournment, as many of the farmers had said that it would be impossible to attend a morning session on account of the press for hands in the harvest fields.

25 years ago
Assurance that Hereford will eventually get natural gas was furnished anxious householders this week when a crew of workers from the West Texas Gas Company arrived to lay the mains under the paving on First Street. Company officers made it plain that they had nothing for publication regarding the date when gas will be available for use here. The reason piping is done now, they say, is to save tearing up pavement again.

est buildings in the city. The front brick work is completed, and the side wall is being stuccoed.

First glimpse of what Hereford's fourteen blocks of new pavement will look like when completed was furnished this morning when the workers of the Jordan Construction Company completed the first block of the new work on Main street below Fourth and Fifth.

Demand To Increase For All Natural Resources

WASHINGTON—U. S. demands on its supply of basic natural resources are in for sharp increases by 1975.

A report filed with the government last year by the Paley Commission, states that demand for mineral resources will be up 90 per cent over current levels; timber products will be up 10 per cent; agricultural products will climb 40 per cent industrial water supplies will soar 170 per cent and total energy resources will have increased by 100 per cent.

Aircraft Weight Rises As Performance Increases

It takes heavier materials and vast increases in equipment for modern jet aircraft to fight at sonic speeds.

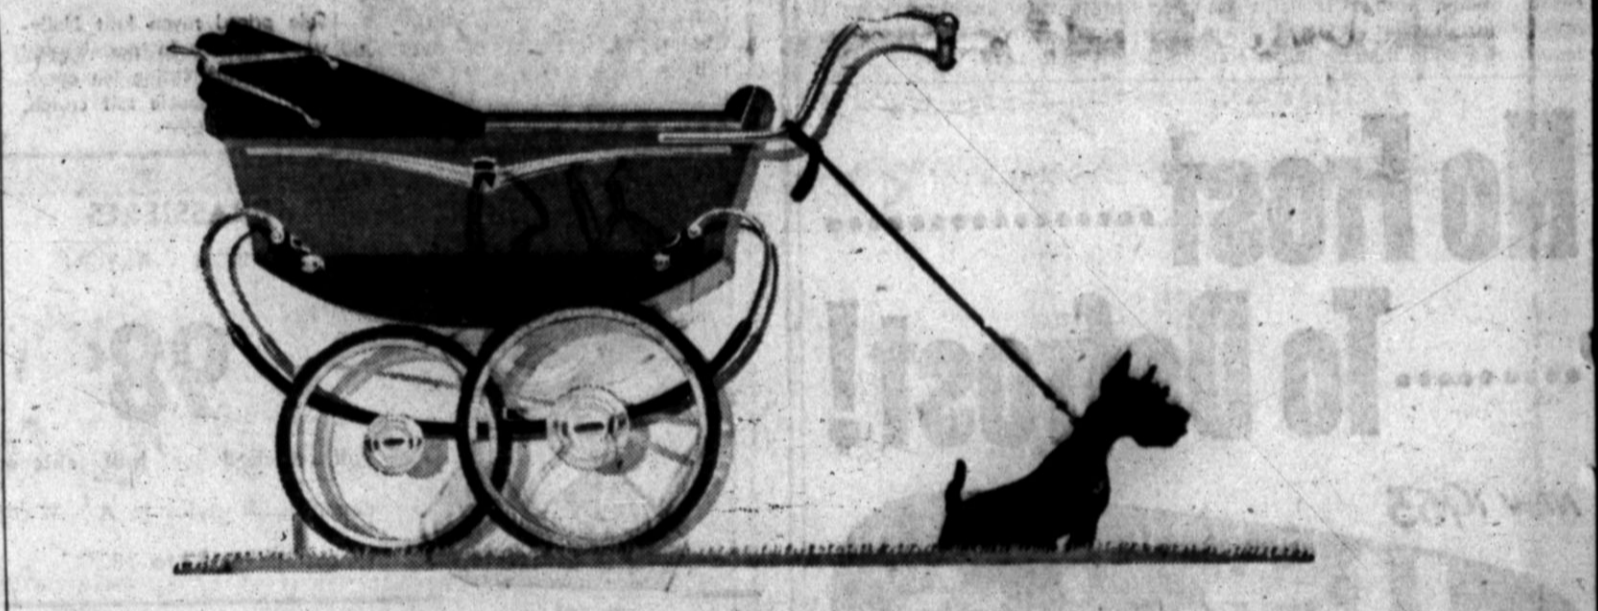

As plane performance has increased in the past 20 years, gross weight of aircraft has risen proportionately. This greater weight is a major factor in aircraft costs.

Twenty years ago, the average fighter weighed about 5,000 pounds. Today's jet fighters gross in the neighborhood of 30,000 pounds. Weight of the average bomber

has increased at an even greater rate. A typical modern bomber grosses about 200,000 pounds—some 13 times heavier than the 15,000 pounds of 20 years ago.

The engine and nacelle on a single modern airplane weigh more than 16 times as much as the first aircraft flown by the Wright brothers in 1903.

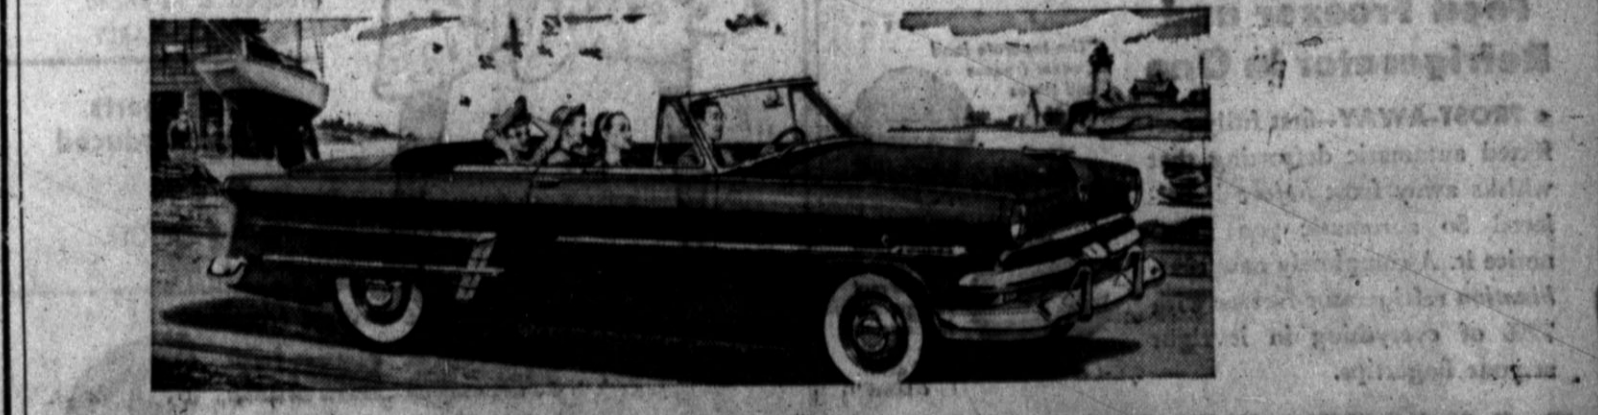

Texas pastures and ranges on June 1 were estimated at 75 per cent of normal. This is the lowest reported condition on this date since 1925.

The only convertible that outsells Ford!

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its

weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.) No, it's not just any one of these things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features... features which folks know make Ford worth more when they buy it, worth more when they sell it.

Test Drive America's No. 1 Convertible! Ford Sunliner!

Americans Spend Billions Yearly On Tobacco Usage

CHICAGO—The American public spent \$5.2 billion on tobacco and tobacco products last year, according to a report in the 1953 Yearbook of the American Peoples Encyclopedia. This was an increase of approximately \$300 million over 1951.

Cigarette and cigar consumption accounted for all of the increase in sales, according to the report. Sales of pipe and chewing tobacco and snuff all registered declines from the previous year's sales figures.

Cigarette Production
Total cigarette production last year was estimated at 430 billion, a three per cent increase over the preceding year. Cigar

output was up four per cent to 6,000,000—the highest total since 1930.

The 97 million pounds of pipe tobacco produced during the last year was about four per cent below figures for 1951. Chewing tobacco and snuff output were each off about one per cent from the preceding year. The use of snuff in the United States has declined about 30 per cent in the last 30 years.

A county may not purchase liability insurance covering the operation of a county municipal airport since the county is not liable for the acts of its agents and employees.

ALL QUIET AT THE DIPPING VAT -- Unemployment has hit the sheep dipping vats in Texas since state sheep dipping requirements were rescinded recently. But it makes sheepmen happy to see empty vats like this one at San Angelo, Tex. Because of sheep scabies, sheep leaving auctions and stockyards the last eighteen months have had to be dipped. The scabies problem now seems to be whipped. (AP Photo).

Personals

Mr. and Mrs. Walter Hawkins of Lamesa, W. L. Suttle and Mr. and Mrs. George Springer spent the weekend with Mr. and Mrs. H. D. Hill in Colorado.

Mr. and Mrs. Jimmy Jesko and family visited Mr. and Mrs. Robert Kerschen at Moriarty, N. M., last week. Mr. Jesko is Mrs. Kerschen's brother.

Mrs. E. F. Drury and Bobbie spent the weekend in Midland visiting relatives.

Mr. and Mrs. Jimmie Jesko and family visited in the home of Mr. and Mrs. Jimmy Jesko Sunday.

Gwendolyn Jesko spent Sunday with Marcella Bezner.

Pvt. Homer G. Hamilton, son of Mr. and Mrs. Homer Hamilton, was home for the Fourth of July weekend. Pvt. Hamilton, who is stationed at Ft. Hood, has been in the Army for three months.

A-3c Bob Manning was home last weekend. Airman Manning, son of Mr. and Mrs. Roy Manning, is stationed at Clovis Air Base. He has been in the service for one year. Manning brought a buddy home, with him, Earl P. Earlywine of Indiana.

Mr. and Mrs. Gordon Newsom and son visited in Brownfield Sunday.

Mr. and Mrs. James Skelton and daughter, and Mrs. G. G. Skelton of Amarillo were visiting Mrs. James Skelton's parents, Mr. and Mrs. R. L. McGee and other relatives Sunday.

Mr. and Mrs. Robert Petersen and son, John of Lubbock visited his parents, Mr. and Mrs. A. Petersen, over the weekend.

Gayle Dysert of Amarillo visited last weekend with her cousin and aunt, Mrs. Alwyn Savage and Sue.

Mr. and Mrs. Herman Schultz of Bentonville, Ark., are looking up friends and relatives here this week. They are former Hereford residents.

Mr. and Mrs. J. E. Beyer returned Friday from Little Rock, Ark., where they visited their daughter and family, Rev. and Mrs. Harold Hicks, and children. While there they attended the wedding of their granddaughter, Miss Maurine Hicks.

AFTER LIGHTING THE FUSE, Bill Howard thought it was time to get away from the mortar which was about to toss another colorful rocket high into the air at the Fourth of July fireworks celebration last Saturday night. From the way Don Fudge was standing, he just didn't know what was about to happen right behind him. (Staff Photo).

Nearly 10 Million Cut From Budget

The Eisenhower Administration has cut \$9.1 billion from the 1954 budget estimates submitted last January by former President Truman and the House has cut an additional \$1.1 billion in the bills it has acted on so far, according to an interim box score on appropriations to date released today by the Council of State Chambers of Commerce for the West Texas Chamber of Commerce.

The Study reported, "The House has not only gone along with most of the Administration's economy efforts in the eight major appropriation bills it has acted on so far, but also it has made substantial additional spending cuts. And departing from its usual practice, the Senate has generally sustained House cuts in the four money bills it has passed."

The Council declared that these cuts showed "substantial progress toward the goal of a balanced Federal budget."

Citing the prediction of Chairman John Tabor of the House Appropriations Committee in January that appropriations would be cut 10 billions, the study said, "It appears now that the Tabor goal can be more than met. Even discounting some \$700 million of

questionable cuts in which may later be reinstated by supplements, the House cuts will still be \$400 million below the revised (Administration) budget amounts in the first eight major bills.

More Reductions
The study noted further that the revised budget estimate of \$5,475 million for the Mutual Security Program was reduced to a ceiling of \$4,999 million by the House in its action on the foreign aid authorization bill. These House cuts added to the \$9.1 billion already eliminated by the Administration would bring total reductions to about \$10 billion.

The Council study warned, however, that to secure this \$10 billion reduction "it will be necessary for both the House and Senate to hold foreign aid appropriations under \$5 billion and to provide no more for the military than the Administration requested." It added, "The Senate too must continue to hold the economy line on other bills at least as well as it has done to date."

House Chided
The study also chided the House for failure to reduce agricultural conservation payments which Secretary of Agriculture Ezra Taft Benson and two major farm organizations, the American Farm Bureau and the National Grange, recommended reducing.

The study called attention to the work of a corps of 75 budget experts from industry, the accounting profession, government research groups and the General Accounting Office enlisted by Mr. Tabor "to help effect reductions on a selective basis." It said, "This special staff, which recently completed its work, lent able assistance not only to the Appropriations Committee but also to the Administration in its job of revising the Truman budget."

Production Efficiency
By employing a new method of overhead conveyance, one manufacturer now produces two jet engine components in about one-third the time formerly required, simultaneously slashing parts handling time 66 per cent and manpower 13 per cent.

History Of Commercial Airlines Shows Emphasis On Safe Flying

American air transport manufacturers—companies that have built 80 per cent of the high-speed aircraft in use on world airways—have a 50 year history of emphasis on flying safety.

Last year, crowning their efforts, the U. S. domestic scheduled airlines achieved the lowest accident rate (0.38 passenger fatalities per 100 million miles) ever recorded by commercial aviation. \$60 Million for Studies
And there are 1,100 good reasons for believing this safety mark will be bettered in the future. Today, more than 1,100 research projects aimed at increasing aviation safety—and representing an annual expenditure of over \$60 million—are underway in this country, Canada, and abroad. More than 82 per cent of these projects are being conducted in

the United States. This information is contained in a recent survey of aviation safety research projects, compiled by the Cornell-Guggenheim Aviation Safety Center. Cornell-Guggenheim Report
The Cornell-Guggenheim report points out that last year's domestic airline safety record was three times better than in 1951—and that for a period of 12 months ending in February, 1953, no fatalities were incurred during the 13 billion passenger-miles flown by the lines, and the 13,000 takeoffs or landings averaged each day. The advances of air safety are not confined to domestic airlines, the study indicates. During 1952, the Air Force reduced its major accidents per 100,000 flying hours to 29, from the preceding year's 33.

 The youth meetings are held each Sunday night at 6:30 o'clock and Sunday evening worship is at 7:30 o'clock.
 Wednesday evenings choir rehearsal is held at 7:30 o'clock.
 Rev. Don Root is the pastor of the church.

OLD SHOES

Soles worn thin, uppers wrinkled, warped, polish dull and strings tied in knots. Are they roughed out or worn out? Shoe soles like human souls can be roughed out more than worn out. *Neglect, mistreatment, improper care can break down your SOUL as well as your SOLES.* Beware of the lusts which war against the soul (1 Pet. 2:11); and have that faith which saves the soul (Heb. 10:39). Some shoes are run down because the feet are twisted. Souls are run down because of crooked habits. An upright walk and an upright life is good for shoes and souls. Restore your soul through daily Bible reading, prayer and faithful church attendance.

This Series of Church Ads Is Being Published Through the Cooperation of the Local Ministerial Alliance and Is Paid For By The Undersigned Individuals and Business Institutions

Christian Science

Christian Science services are held each Sunday morning at 11 o'clock in the Star Theatre.
 The Lesson Sermon to be read in Christian Science churches this Sunday will be on the subject of "Sacrament." The Golden Text is from I Corinthians (5:8): "Let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

Immanuel Lutheran

Park Avenue and B Street
 Regular services of worship are held each Sunday morning at 11 o'clock with Sunday school at 10 o'clock. Beginning July 19, the time of service will be 10:30 o'clock. The time for Sunday school will be 9:30 o'clock during July and August.
 Sunday school teachers meet each Thursday evening at 8 o'clock for lesson preparation.
 Walther League meets each Sunday evening at 7:30 for play practice.
 Rev. Harold Kaestner is the pastor.

Avenue Baptist

128 N. 25 Mile Avenue

Gatewood Reunion Is Held At Wester Home

The family of Mrs. Arrie Gatewood and the late Mr. Gatewood held a reunion over the Fourth of July weekend at the home of Mrs. Gatewood's daughter, Mrs. H. E. Wester in Hereford. This was the first get-together with all members of the family present since Christmas in 1939, except at the death of Mr. Gatewood in 1942.

Those attending were: Mr. and Mrs. Wallace, N. Gatewood and sons Wally and Jerry of Whittier, Calif., Mr. and Mrs. Oren Gatewood, Perryton; Mr. and Mrs. W. A. McCabe and daughter Carla of Borger; Mr. and Mrs. J. W. Birchfield of Dimmitt and their grandson, Larry Wayne Birchfield of Borger.

Other Visitors

Osa Black and children Eugene, Donna and Delvin of Wellington; Georgia Love of Stratford; Dean LeFever of Perryton; Mr. and Mrs. Gordon Gatewood and daughter Betty Lou of Tulsa; Mr. and Mrs. Everett Brooks and daughters Carolyn and Linda of Birmingham, N. Y.; Mr. and Mrs. L. C. Gatewood and children, Emeline, Nancy, David and Mary Ruth of Leavenworth, Kans.; Mrs. Maggie Moore and Opal Moore of Pampa.

Albert Gatewood of Panhandle, Miss Mildred Garrett of Earth, Mr. and Mrs. John Garrett and children Jeannie, James and Johnnie of Earth, Mr. and Mrs. Don Wester and children, Phyllis, Billy, Tommy and Bobby of Lamona, Calif., and the hosts, Mr. and Mrs. H. E. Wester and children Carol, Lynn, Louise, Mildred and Sandra.

Our Terrible Thirst

If your town doesn't have to worry about its water supply, you're lucky. A lot of towns do.

Trouble is, some communities never dreamed that they might double and triple in size, that new industries would come to town, that citizens would use more water than ever before. We've reached the point where we use about 1100 gallons per person a day in the United States.

Yet why should water be short when 25 times our needs falls from the skies every year?

Unhappily, it doesn't always fall when and where we need it most. Many reservoirs were built with no idea that towns would grow so fast. And 75% of our communities rely on water from lakes and streams. Today many of these are polluted and require treatment before use.

When faced with a shortage, cities suddenly discover to their sorrow that new water sources take time to complete.

For years General Electric has contributed toward development of better and more efficient water-works equipment. This is not so unusual, since motors and other electric equipment are important in water systems, large or small.

Some of the things we've learned about water supply, and the related problem of water pollution, have been put together in motion pictures and booklets, prepared in cooperation with the U. S. Public Health Service. Any town fathers who are interested in what's available can write to General Electric, Room 123-2, Schenectady 5, N. Y.

You can put your confidence in

GENERAL ELECTRIC

You get more out of a GMC
-because GMC builds more in!

ONLY LIGHT-DUTY GMC's for '53 have them—these super-features that pay off in lower running costs and longer life—no matter how hard you use a truck.

GMC builds in Dual-Range Truck Hydra-Matic.* You get 3 engine-saving, fuel-saving speeds for traffic—4 for the open road. No clutch repairs or replacement. Your engine and drive line are protected from strain. Quicker take-off after every stop.

GMC builds in a 105 H.P. engine with 8.0 to 1 compression. You get as much as 19% more power than other six-cylinder lightweights. You get crisper response—extra punch—and better mileage—all from regular gasoline.

GMC builds in: bigger self-energizing brakes—a roomy "Six-Footer" cab—Synchro-Mesh transmission—recirculating ball-bearing steering action—double-acting shock absorbers—a 45-amp generator. What's more, you get all this at a price that makes GMC the greatest buy in the light-duty field. Come on in and make us prove it!

*Standard equipment on Package Delivery model; optional on other models.

Get a real truck!

BIRTH OF A LAKE -- The reservoir sit constructed for Lake Stamford, near Stamford, Texas, welcomed its first supply of water from flooding tributaries after heavy rains overflowed the southeastern Haskell county area and sent the water gushing into the basin. The lake, bone dry until Tuesday, eventually will supply water to Stamford and Hamlin and to the new West Texas Utilities Co., generating plant. (AP Wirephoto).

Rural Church Program Will Be Largest Ever

COLLEGE STATION — Participants in the Eighth Annual Rural Church Program at Texas A&M College June 30—expected to be the largest in the program's history—will have a busy three days, Dr. Dan Russell, chairman of the program, said in announcing this year's schedule.

Aside from the regular discussions and conferences pertaining to improvement methods for rural churches—the conference topic is "How to Develop a Stable Farm Population and Permanent Rural Civilization"—they will hear outstanding industrialists and business leaders watch prizes and certificates awarded to winners of the State Church Improvement Contest, and hear plans for sending a shipload of supplies to refugees in Germany.

Registration High

"Pre-registration for the conference is considerably larger than any in the preceding seven conferences," Dr. Russell said. Dr. Russell is a member of the college's Department of Agricultural Economics and Sociology, which sponsors the annual conference.

Outstanding business leaders who will appear on the program include E. B. Germany, president of Lone Star Steel Co., R. R. "Bob" Smith, oil operator and civic leader in Houston; John Harmon of the Southern Manufacturing Association; William Shepard of Alcoa, and Dooley Dawson of the Second National Bank of Houston.

Awards in the state Church Improvement Contest, sponsored by Sears, Roebuck and Co., will be presented during a luncheon July 1.

Cal Johnson of the Sears company will present the awards and certificates to Menthalla Methodist of Cost, Lake Creek Methodist of Cooper, St. John's Evangelical & Reformed of Burton, St. John's Lutheran of Warrenton, St. Martin (Roman Catholic) of West, Bethel Methodist of Waxahachie, Luther Evangelical & Reformed of Orange Grove, Cason Methodist of Cason, Palestine Methodist of Paris, and Pine Forest Methodist of Como.

Crop Workers To Attend

Executive board members and guests of the Christian Rural Overseas Program will attend a dinner June 30 to plan the sending of a shipload of supplies to refugee families in Germany.

The ship to leave the port of Houston about August 1, will carry powdered milk, butter, cheese, wheat, rice, cocoa, old clothes and other supplies. In addition, 65 dairy heifers will be aboard for distribution among refugee families on Germany farms.

Inter-Faith Council Head

W. L. Russell of Houston, head of the Texas Inter-Faith Council, and Dr. Russell, president, and W. O. Parr of Fort Worth, secretary, of the Texas Christian Rural Overseas Program, also will attend the dinner.

This organization sent a shipload of relief supplies to Korea last winter, and sent two plane-loads of fine-grade pigs to Central America this year. They plan another shipload for Korea next winter.

These supplies are distributed through the overseas church representatives of the donors.

Walcott-HD Club Given Demonstration On Cake

Mrs. Roy Fruit gave a demonstration on how to make quick cakes to the Walcott 4-H club when it met in the home of Carol Lynn McClure Friday.

Songs were led by Ettie Walker. Members present were: Margaret and Ceilia Burrus, Donna Guseman, Janell Weaver, Ettie Walker, Royce Lee, Mary Kay Fruit, Valeria Meier, Patricia Grider, and Carol McClure.

Guests were: Mrs. Don Guseman, Mrs. Herschel Burrus and Mary Alice, Mrs. Wallace Lumpkin, Linda and Marilyn Kay, Mrs. Charlie Burk and Mrs. Roy Fruit.

Returns On Social Security Should Be Made During July

During July social security tax returns will be filed by employers who had one or more employees during April, May, or June. These reports will list the name, social security number, and amount of wages paid to each employee.

According to J. R. Sanderson, Manager of the Amarillo Social Security Office, experience has shown that the reports of large employers, listing hundreds or even thousands of employees, will be almost 100 per cent accurate.

Most cases of returns being filed with missing or incorrect social security numbers will be among the smaller employers, those with only a few employees.

Reason For Accuracy

The reason large employers submit accurate reports, Sanderson said, is because they have learned that the only way to do it is to examine the social security card of each employee when he starts to work for them, copying his name and number directly from his card.

By so doing the employer prevents needless correspondence and contacts, saves money for his government and himself, and insures his employees getting credit for wages earned. Such a practice, of course, is available to all employers and affords all the same advantages. A representative from the Amarillo Social Security Office will be in Hereford; July 22 at 9:30 a.m. at the Commissioners Court Room.

Cost Of Cotton Sickness Is \$400 Million Annually

Cotton gets sick annually to the tune of \$400 million.

Cotton diseases in the United States last year caused an estimated loss of nearly two million bales—worth about \$400 million. More than 13.7 per cent of the total crop was lost to diseases.

In 14 States

These are the estimates of the Cotton Disease Council after a survey of 14 major cotton producing states. California estimates are not included in this tabulation.

Cotton is damaged by seedling diseases, boll rots, deficiency diseases, root knot, fusarium wilt, bacterial blight, verticillium wilt, root rot, and wet-weather blight.

Marine Corps Is Without Enlistment Waiting List

Master Sergeant E. O. Beck of the Marine Corps Recruiting Office in Amarillo has announced that until further notice there will be no waiting list for enlistment in this world-famous land, sea and air organization.

The Marine Corps Recruiting Station is located on the second floor of the Post Office in Amarillo, Texas. Further information about the leathernecks may be obtained by writing to Box 1047 in Amarillo.

Proper enforcement of building and sanitary codes can do much to eliminate city slums, according to the Chamber of Commerce of the United States.

Personals

Mrs. James A. Hughes of Lubbock has been visiting her brother, J. O. Newell.

Mrs. Edd Jesko and Gwendolyn made a business trip to Amarillo Wednesday.

Rev. and Mrs. Oscar Jones and son Larry of Hedley visited in the home of Mr. and Mrs. Floyd Lowe Sunday. Rev. Jones filled the pulpit at the Avenue Baptist church Sunday.

Janice Craig was in Amarillo Monday on business.

Guests in the home of Mr. and Mrs. W. E. Dameron for the weekend were Judge and Mrs. Clyde Wright of Silverton, Arvin Wright of Raleigh, N. C., and Mr. and Mrs. J. E. Beyer Jr. of Hutchinson Kans. Mrs. Wright and Mrs. Beyer are Mrs. Dameron's sisters. Judge and Mrs. Wright left Tuesday for Colorado.

DEPENDABILITY

is the other name for **DODGE!**

Dependable Economy In the 1953 Mobilgas Economy Run, the Dodge V-8 beat all other cars in its class... outperformed all 8's in every price class.

Dependable Power-for-Safety Ten days later, the same Dodge V-8 set 2 new official AAA performance records for standard American cars. Proof of reserve power-for-safety.

Dependable Comfort Dodge Modern Design does away with "meaningless metal" and waste space outside—provides more comfort space than ever inside.

Dependable Handling Ease Dodge for '53 brings you new mastery of the road, new maneuverability in traffic, new parking ease. It snugs down on curves like a true sports car.

Dependable Extra-Value Features Safeguard hydraulic brakes with two brake cylinders in each front wheel... Oriflow ride control... Safety-Rim wheels... electric windshield wipers... foam rubber seat cushions... and many others.

Here is our invitation! Come in for a "Road Test Ride." Find out all that Dodge Dependability means in terms of economical power, safety power, riding comfort and handling ease. There is no obligation. You will discover a new kind of car, a new kind of driving enjoyment... at prices that start below many models in the "lowest-priced" field.
