LONG-RANGE PROJECT IS PLANNED

Efforts Being Renewed To Get Shrine Hospital

A renewed effort is being made in Deaf Smith county to get approval for a Shriners Crippled Children's Hospital to be located near Hereford.

For the present time, the hospital committee of the Deaf Smith County Chamber of Commerce will do most of the work, contacting Khiva Temple in Amarillo, telling them Hereford is interested in getting the hospital here, and that a 100-acre site is available for the hospital.

Long Range Program
It would probably be at least two years before approval for the hospital can be gained, if Hereford is finally chosen for the site, but much work must be done during that period.

Two meetings have been held, one Monday night, of Hereford Shriners and other interested parties, and the other Tuesday night, when the Chamber of Commerce hospital committee and the local Shriners committee on the crippled children's hospital met together.

Other than the notification of the Shrine officials in Amarillo, there is one item which the Chamber of Commerce committee is to start work on immediately.

Brochure Revision
A brochure, which was prepared several years ago when the hospital was first proposed for this county, is to be completely revised in line with changes made in Hereford, and clinical findings about the effects of minerals in Deaf Smith county food and water on the healing of bone and soft tissue.

Appointed to work on the revision of the brochure are Henry Sears, Dr. L. B. Barnett, Ben Childers and G. E. Mullins.

They were chosen from the Shrine committee, which consists of Sears, J. C. McCracken and Lyle Blanton and the Chamber of Commerce Committee, which consists of Ben Childers, Bill Davis, Bill Becker and Tom Alderson.

Four new members for the Deaf Smith County Health Foundation committee will be made Aug. 25 at the regular meeting of the Chamber of Commerce Board of Directors.

Financial Report
A financial report made on the Health Foundation, which is supported by contributions, showed that all bills incurred in research work by the health foundation in Deaf Smith have been paid. This work ties in with other work concerning the mineral properties of food and water in the county, and research on bone union and soft tissue union.

Dr. Barnett told the committee that an article to be published soon in the British-American Bone and Joint Journal will carry some vital information about the effect of the mineral content of Deaf Smith County food and water and its effect on the healing of bone and soft tissue.

He believes that this article may have some effect in helping to get a Shrine hospital located in this area.

Class In Life Saving To Start At Pool Tuesday

Red Cross Senior Life Saving class will begin Tuesday at the Hereford municipal swimming pool under Red Cross instructor Jack Ramey, assisted by Wayne Stagner and Jerry Reese. Those interested are asked to see Ramey before that date. Classes will be held at 6:30 p.m.

One class of twelve completed this course in June, and a Junior Life Saving Course with about 20 enrolled is now in session.

Because of the long, hot summer and the heavy attendance at the pool as well as private lessons Ramey has been unable to handle more Red Cross classes. R. G. Lewis, Water Safety Chairman, said.

Prepare Other Instructors
Lewis says that this class in Senior Life Saving will prepare future instructors which the chapter hopes to have more next year. Ramey has been nandicapped this year because he is the only available instructor for Red Cross here, and with all his other responsibilities as manager of the pool, he has not had enough time to do more than he has. "He is doing a fine job at the pool," said Lewis.

There will be no Red Cross beginners classes this year, for these reasons.

Funerals Held Monday, Tuesday

Funeral services for the three victims of the car-truck collision which occurred Saturday night near Black were held Monday and Tuesday.

Services were held at 2 o'clock Monday afternoon for Burl Harrison Beene, and at 4:30 o'clock the same day for J. D. Johnson.

Funeral services for Carl David Greeson were held at 10 o'clock Tuesday morning.

Collided With Truck
The three Parmer county residents were passengers of the automobile which collided with a truck on Highway 60 one mile east of Black. Marvin Valentine Crow, driver of the truck, was uninjured.

Glen Wesley Mingsus, 21, the only person in the car to survive the accident, was asleep in the back seat when the accident occurred. He was thrown from the car and suffered a number of injuries.

Driver Was 29
Burl Harrison Beene, 29, said to be driver of the death car, was born July 29, 1924 in Blair, Okla. A veteran of World War II, he was married to the former Bernthal Southall of Farwell.

Services for Beene were held in the Friona Methodist Church Monday afternoon. The Rev. Russell Pogue of Hereford and the Rev. Jimmy Tidwell of Paducah officiated. Burial was in Friona cemetery.

Survivors
Beene is survived by his wife, three sons, Vance, 9, Gilbert, 5, and Gregory, 18 months; one daughter, Elaine Marie, 7; one sister, Mrs. Joe Brummett of Friona; and a half brother, Glen D. Griffin of Amarillo.

Buried Monday
J. D. Johnson 24, was also buried Monday afternoon in the Friona Cemetery after funeral services which began at 4:30 o'clock.

Born Sept. 5, 1928, in Wichita Falls, Johnson moved to Parmer County in 1931 from Panhandle. He finished high school in Friona in 1945 and entered the service in 1950.

Johnson served with the 45th Infantry Division in Korea, and was awarded two Purple Hearts for wounds received in action. He was discharged from active service in September, 1952.

Survivors include his parents, Mr. and Mrs. Joe D. Johnson; and (Continued on Page 2)

THREE MEN DIED and a fourth was seriously injured Saturday night when this 1953 Mercury, seen here from the back, skidded into the path of a truck near Black. The Mercury pulled suddenly from behind another car and was directly in the path of the truck. When the driver of the car tried to pull back, his vehicle went out of control and was hit on the back by the truck. Traffic was tied up for some time before the wreck could be cleared from the road. The truck driver was not injured.

One Man In Car Survives Wreck

Two Friona residents and one from Black died as the result of a collision between a 1953 Mercury and a truck about one mile east of Black on U.S. Highway 60 about 9:30 o'clock Saturday night.

The only person in the car to survive the crash was Glen Wesley Mingsus, 21, who received serious, though not critical, injuries.

Those who died as a result of the crash are Burl Harrison Beene, driver of the car, and J. D. Johnson, both of Friona, and Carl Davis Greeson of Black.

Marvin Valentine Crow of Clovis, N. M., driver of the truck-tractor, was uninjured. About \$1,000 worth of damage was done to his truck.

Mingsus is suffering from a broken back, multiple lacerations of the left shoulder, bruises and teeth injuries. He was thrown from the car when the crash occurred, as were the other three. Mingsus was asleep on the back seat at the time of the crash, while the others were all sitting in the front.

Beene's car was headed east on the highway and the truck was headed west when the collision occurred. According to the report given to investigating officers by the truck driver, Beene was following another car so closely that the trucker did not even know there were two cars coming until Beene's Mercury suddenly pulled out from behind the lead car.

When Beene saw the oncoming truck, he apparently tried to pull out of the way, but lost control of the car when it went into a skid.

The truck struck the back end of the Mercury, demolishing the car and throwing its occupants out on the pavement. One man was lying on the right hand door, investigating officers said.

As a result of the crash, traffic was obstructed for about half a mile in both directions for more than two hours. The highway Patrolmen who went to the scene of the accident put out a radio call for additional aid to handle the traffic.

Among the officers who answered the call were Deaf Smith County Sheriff Lowell Sharp and Deputy Sheriff Neal Young, and city policemen L. D. McDuff and James Bates, who helped direct traffic around the scene of the accident.

DISCOUNT FOR EARLY TAX PAYMENT PLANNED

New City Ordinance Puts Teeth In Outhouse Ban

Teeth were put into the ban on cesspools and open outhouses in Hereford Monday night when the city commission passed an ordinance which backs up the general public health provisions of the city charter.

The new ordinance requires that any outhouse or cesspool must be changed and sanitary connections made to regular sewage lines if the property is within 300 feet of an existing sewer line. A septic tank must be installed if the property is not within 300 feet of a sewer line. The new ordinance becomes effective today with its publication in the Brand A fine can be levied for each day a property owner fails to comply.

Other Business

Other business taken up by the commissioners included a discussion of the possible publication of delinquent tax rolls, an approval of monthly reports to be made by each department, approval of a two-inch water line for the Sunset Terrace Addition, and discussion of a discount to be given on taxes which are paid early.

City Manager Cecil Massey told the commissioners that some 260 persons in Hereford have not paid their city taxes for the past year, and are to be considered delinquent. Under the city charter, the delinquent tax roll can be published.

Delinquent Taxes

Mayor Henry Sears asked Massey to have a copy of the delinquent tax list prepared for perusal by the city commissioners at their next regular meeting.

A report from Red Smith, city engineer about the cost of repairing one of the older pumps at the

McKinley Street pump station, and increasing the pressure of the pump.

Since the cost was considerably higher than was expected, the commissioners decided to hold off on that particular project for the present time.

Monthly report forms, which have been worked up for each city department, were given general approval by the council. The activities of each department will be summarized in the reports, both for the council to see each month, and for a file to keep better records on overall activities of the departments.

Tax Discounts

After some discussion, it was decided that discounts on city taxes would be allowed for those who paid their taxes before January of each year. A city ordinance to this effect is to be prepared by Ray Coyser, city attorney.

Discounts will be three percent in October, two percent in November, one percent in December, and the net amount in January. Taxes not paid by the last day of January will have a penalty added.

FOUR TRUE BILLS RETURNED

Grand Jury Suggests New Beds For Jurors

Four true bills of indictment were returned by the grand jury which met in Hereford Monday. The jury also made a recommendation to the county commissioners' court about the beds in the jury dormitory.

Included in the true bills was one against Mike Pineda, who is charged with passing a forged check to Lamm Jewelry in payment for various articles.

Pineda, who is out on bond, was caught in Big Spring through the detective work of Fred Gonzalez, who recognized the man from his description, and put a tracer for him through papers Pineda had left in some clothes at a room in Hereford.

Other Indictments

Among the other indictments was one for theft and another for passing a bad check to obtain credit on a pre-existing debt.

Another matter which evidently seemed of importance to the grand jury was that of the beds in the jury dormitory on the fourth floor of the courthouse.

New Beds Recommended

In a special message to the commissioners' court, the grand jury recommended that the present double beds and cotton mattresses be replaced by single beds with foam rubber mattresses. Eleven members, all those present when the recommendation was written, signed it.

"Several members of the grand jury who feel that it isn't right to make a man serve on a jury, then, when he has to stay overnight, as often happens with criminal cases, to put him on an uncomfortable bed and make him

sleep with another man as well," Leo Forrest, jury foreman, said. No one seems to know how old the present beds, mattresses and springs are in the dormitory, but they are certainly not new. Clean sheets are provided for each new jury, though, the janitor said. The recommendation is to be given to the next session of the commissioners' court.

Members of the grand jury were Leo Forrest, foreman, Robert Wagoner, Paul Harvey, Hardy Benson, Don Zimmerman, J. B. Sneed Jr., Ira Ott, Archie Scott, A. T. Frye, Ralph McCullough, Virgil Walker and J. C. McCracken.

NEW SINGLE BEDS with foam rubber mattresses to replace these double beds with cotton mattresses were recommended by the district court grand jury which met Monday. The recommendation was made directly to the Deaf Smith County commissioners' court, and was signed by all members of the grand jury who were present when the recommendation was prepared. Jurors must sleep in the dormitory on the fourth floor of the courthouse when a case continues for more than one day. (Staff Photo.)

CARLOS VAUGHN
Vaughn Is Elected To State Legion Post At Convention

Carlos Vaughn was elected to the Department Sergeant-At-Arms of the State of Texas at the 35th annual convention of American Legion convened at the Rice Hotel in Houston July 31-Aug. 2.

Vaughn, a World War II veteran, has been in the American Legion for seven years.

Other Posts
While in the American Legion Vaughn has held the office of post sergeant-at-arms in Hereford for six years and the 18th district sergeant-at-arms two terms. He is now retiring vice commander of Post 192, Hereford.

Approximately 4,000 Legionnaires attended the convention.

Vaughn was accompanied by his wife and mother.

The sound of pneumatic drill operating on the high school ground Monday raised hopes that construction was about to begin on the new high school, but it was only a crew from West Texas Gas Company changing a meter setting.

Robert Thompson local agent for the paving contractor, has still not gotten the word to start asking for names on contracts. He doesn't know what the reason is for the delay.

Further talk about the Hereford gas rate will get underway some time soon, but so far no date has been set for the talk between the city commission and West Texas Gas Co. representatives. C. I. Wall, gas company president, is out of the state on a business trip.

Southwestern Bell has turned down a proposal by the telephone co-operative board of directors that extended area service be tried for one month on a 60 cents-per-telephone basis, according to Robert Bell, assistant manager of the Deaf Smith County Electric Co-operative.

About 40 men attended the Men's Fellowship breakfast Wednesday morning at the First Baptist church where G. P. Owen gave the devotional. The plea made was for each man to show up again next week and "bring a friend."

Mrs. F. S. Smith has taken renewed hope that her son, Capt. Allen L. Hallum, who has been missing in Korea since October of 1950, may still be alive. The tall-gunner on his ship is now reported to be a prisoner, a fact which was not known before. Capt. Hallum has a wife and two-year-old child in California.

Cord Hammock, who lives 18 miles north and 12 miles west of Hereford, reports that his rain gauge showed three-and-a-half inches of rain the other night, and he believes that some parts of the area may have gotten five inches, as water went over the road.

Pre-Planting Irrigation Cuts Summer Water Need

Will pre-planting irrigation save water during the summer months? Wayne Higgins, who lives about seven miles northeast of Dawn, is sure that it will.

Higgins says that he can irrigate his one-half mile rows in about 12 hours, while his neighbor, who didn't pre-plant irrigate, takes about 48 hours to cover the same ground with water.

It was about Feb. 15 that Higgins started watering, after he had deep plowed in December. Then, about April 15 he broke out the beds and watered again, putting on all the land would take at that time.

Another Difference.
The difference in watering shows

up, too, in that he has had to change from 2 inch tubes to 1½ inch tubes, to keep from running the water through too fast.

Higgins has also tried chiseling, but he is not in favor of that where he is planting bundle feed. The latter part of 1951 he chiseled some of his land, and planted bundle feed on it last year.

Roots Too Shallow
Evidently the shallow roots of the bundle feed could not reach moisture where the land had been chiseled, for the places where the chisel had cut into the hardpan showed streaks of poor feed.

However, chiseled land produced about 15 bushels per acre more

of wheat than unchiseled land did, apparently because the deeper-rooted wheat went on down for the moisture.

Charges Filed After Raid On Bootlegger

A raid on a room at the labor camp west of town Sunday night netted two half-pints of whiskey, four cases of canned beer and one man who has been charged with selling alcoholic beverages in dry territory, according to the sheriff's office.

Sheriff Lowell Sharp and special deputy sheriff Fred Gonzales made the raid on Room 3, Barracks 10 at the camp about 7:30 o'clock. Jesus Hernandez, apprehended in the room, has been charged.

A second man, believed to have been involved in the illegal operations, escaped through a back window of the apartment. Witnesses said the man was carrying a case of whiskey and a gallon of wine with him.

Shower Is Held For Bride-Elect

A bridal shower was given for Genevieve Erdman, bride-elect of Eugene Armstrong, Tuesday evening in St. Anthony's Hall.

The table was laid with a lace tablecloth with a miniature bride and groom standing on a heart of plastic foam, with an archway of flowers above.

Hostesses for the occasion were: Mrs. W. J. Lueb, Mrs. George Paetzold, Mrs. Walter Paetzold, Agnes Hellman and Mary Elizabeth Hund.

Piano Music
Marcella Bezner presented piano music before the opening of gifts.

Refreshments of pink lemonade and cake were served to: Mesdames Frank Brinkman, Frank Bezner, Ed Loerwald, Gene Loerwald, Tony Hoffman, Leo Hoffman, Anthony Paschel, Leon Vinton, Ray Wilhelm, Andrew Hersechen, A. L. Armstrong of Amarillo, A. J. Erdman, the bride's mother; and Misses Annie Brorman, Marcella Bezner, Peggy Erdman, and Jeanie Ann Leinnenkamp of Amarillo.

Personals

Mrs. J. W. Throckmorton and children Mike, Judy and Carolyn of Oklahoma City are visiting Mrs. Throckmorton's parents, Mr. and Mrs. F. S. Smith, 503 Miles, this week. They arrived last Saturday, and will stay until Saturday of this week, when Mr. Throckmorton will come for them.

Mr. and Mrs. O. R. Neel were attendants at the wedding of his brother, Wayne Neel, in Dumas Sunday. Wayne is the son of Mr. and Mrs. Owen Neel, former residents of the Progressive community. He is stationed at Ent Air Force Base in Colorado Springs, where he met his bride, Ruth Richter.

L. C. Thomas left Monday for Fort Worth to visit a son, Vincent Thomas and his family. He will go to Bryan from there to visit another son, Quentin, and his family.

Mr. and Mrs. H. V. Stanfield and Rita Jan Hargis left Sunday for a week's vacation in Colorado.

Guests in the home of Mr. and Mrs. Grant Fuller Sr., are Mr. and Mrs. Grant Fuller Jr., and children Scott and Mary, all of Houston. The visitors arrived Tuesday, and plan to stay about 10 days.

Two Car Accident Causes About \$300 Worth Of Damage

Damages totalling about \$300 occurred in an accident here Sunday evening at the intersection of East First and Park Avenue.

John C. Trotter, driving a 1948 Ford club coupe, was going west on East First and started to cross onto Park Avenue when Jack Parker, driving a 1950 Ford, was coming from the ball park. Parker crossed onto Park Avenue and collided with the right front fender of the 1948 Ford.

Damages were estimated at \$200 to the 1948 Ford and about \$100 to the 1950 Ford by investigating officers.

Parker was charged with failure to grant the right-of-way.

Donald Hawkins Family Visits Here On Vacation

Mr. and Mrs. Donald Hawkins of Fort Worth were guests of his mother Mrs. D. W. Hawkins, 506 McKinley, the past weekend. They also visited relatives in Amarillo before leaving Tuesday for Colorado on a vacation trip.

On Monday Mr. Hawkins and son Dan, and Mrs. Barry Wheelers and sons of Amarillo visited their mother.

Chinchilla Club Meeting Attended By Thomases

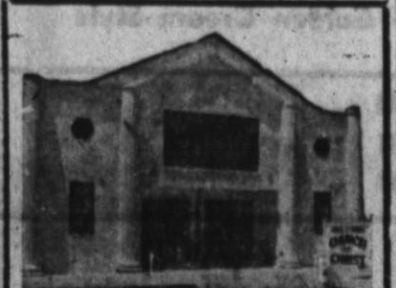

Mr. and Mrs. L. C. Thomas were in Amarillo Sunday to attend a meeting held by the Amarillo club of the Texas Branch of the National Chinchilla Breeders. The session was held at the Amarillo Gas Company offices.

A picnic lunch at noon was followed by a business session and program when a demonstration of taking a pelt from a chinchilla was presented. The next meeting will be held in Childress on Oct. 4.

Combined Birthday Party, Berryman Reunion Held

Mrs. E. B. Berryman celebrated her birthday Sunday at a family reunion held at Thompson's Park in Amarillo. A picnic dinner was the order of the day, with approximately 75 relatives attending.

Those attending from Hereford were: the honoree and Mr. Berryman, Mr. and Mrs. J. W. Dickson, Mr. and Mrs. Bill Dickson, Mr. and Mrs. Wallace White and baby, and Sue Ewton.

Man Charged In Swindle Of Bank Here Is Located

A man who has been wanted in Hereford since 1946 on a swindling charge has been located in Klamath Falls, Ore., and will eventually be returned here for trial, according to the sheriff's office.

Roy Tidwell who allegedly got \$1,620 from the First National Bank of Hereford by "mortgaging" property that he didn't have for the purpose of buying cattle, which were never purchased, was traced down by Sheriff Clarence Williams of Panhandle, Carson County, where he is also wanted.

Oklahoma Lane Student Pastor Delivers Sermon

The board of Deacons of the church met at 3 o'clock Sunday afternoon.

Gene Verner of Oklahoma Lane, a student preacher, preached at the Friona Baptist church Sunday morning and evening while the pastor, Rev. C. M. Fields, was in Lubbock holding a meeting.

Mrs. C. W. Dixon had charge of the program Tuesday afternoon at the meeting of the WMU.

There were 319 present at Sunday school Sunday.

Showed Slides
Mrs. Manjeot also showed slides

that her son, Lt. Lloyd Manjeot, had made to picture the country, the lives of the natives of Korea and Japan, and to show how the soldiers lived under extreme climatic conditions.

Ursalee Jacobsen, chairman of International Relations, secured Mrs. Manjeot for the program. Ellen Carter led the group in the reading of the Club Collect, and Earlene Walton presided during the

business session. Hostesses were Grace Thomas and Louella Cowser.

Seventeen members were present, Mrs. Manjeot, a guest, Mrs. W. B. Bowen, mother of Faye Campbell, was present.

Martindale And Weidner To Oppose

Tag Champions Battle Saturday

The Southwest States tag team champions, the two blonde cowboys, Dory Funk of Flying Mare Ranch and Cowboy Orville Carlson of Ekalaka, Mont., headline Saturday night's wrestling program at the Hereford arena in a four-man battle against veteran Billy Weidner of Amarillo and acrobat Tommy Martindale of Milwaukee, Wis.

The feature is scheduled for the best two of three falls with a one-hour time limit.

Two Other Contests
It will be preceded by two individual contests, each for one fall with a 20-minute limit.
The fiery Funk, who defeated formidable Kurt Von Popenheim here last Saturday, will oppose Weidner, one-time light heavyweight champion of the world, in one of these.
In the other, Funk's partner, the spectacular Carlson, erstwhile rodeo performer, will take on Martindale, who last week won by disqualification.

CHIP SHOTS

By Bud Posey

The weekly Friday night putting tournament was won by Ray Hardy with a four under par 68. Having one broken finger on his left hand, Ray putted with only his right hand to win the event and three golf balls.
Other winners of one golf ball each were:

Joe Butler—72; Dr. R. E. Lingenfelter—72; Dr. J. H. Channer—72; J. M. Posey—73; Lloyd Neill—73; John McCleshey—73; and Wendell Burdine—74. Earl Stagner was winner of two golf balls with a score of 71.

Lucille Posey took the Ladies division with a 79 for one golf ball. Rowena Posey was second with an 82 for one ball, and Mrs. Deward Roberson, third, with an 87 for one golf ball.

Jeff Minton Low

Jeff Minton was low in the boys' division with a 73 and Dale Taylor second with a 77.

Urlin Streu had the lowest total medal score at the local club Sunday, playing three nine hole rounds of 35-36-36 for a one under par 107. Starting Sunday, August 9, a free golf ball will be given by Bud Posey for the lowest 18 hole round on each Sunday and one ball for the highest 18 hole round, so turn in your low or high scores each Sunday.

One-Handed Golf

Ray Hardy played 18 holes Saturday, August 1, with only his right hand and shot a 45-42 for a total of 87. He then played nine holes Sunday shooting a 45. That's

pretty good shooting with only one hand.

Golfers are reminded that membership dues for six months from August 4, 1953 until February 4, 1954, were due as of Tuesday August 4. Here is the system and remember the best playing golf months are coming up.

Dues

With a full share of stock—\$25 for six months.

With 1/2 share of stock—\$30 for six months.

With no share of stock—\$37.50 for six months.

High school or college students—\$7.50 for six months.

Team Matches

Sunday, August 9, some club Team Matches will be held.

They will be held similar to the Pro-Amateur matches that are being held over West Texas this summer. One "A" Player (70-to-78 shooter) will serve as team captain and will have one "B" player (79-to-87 shooter) and two "C" players (88-and-over shooters) in each foursome. Ladies may play as "C" players. Each foursome will play 18 holes medal play using only the low ball of the foursome on each hole. An entry fee of 50 cents will be charged with golf ball prizes going to the three low foursomes. Starting time will be 9:30 o'clock when players will be drawn for each foursome. No entries will be accepted after 2:30 o'clock.

Nine Hole Match

Friday night, August 7, a nine hole match will be held.

Two-Hit Game Pitched To Happy By McRight

By Billy Paul Knox

Terry McRight pitched a two hitter as Hereford defeated Happy, 13-0 Sunday. It was the second time this season that McRight and Hereford have defeated Happy. McRight was in complete control of Happy all the way. He walked three and struck out nineteen. The only big threat Happy could come up with against McRight was in the first inning. They loaded the bases with one out but McRight

struck out the next two men to get out of the situation.

Hereford threatened moderately in the first also, getting a double and single but they could manage no runs.

Both Scoreless

Happy came up with nothing unusual in the second, going down in order. Hereford got two men on but couldn't push them farther than second and third as they were scoreless also.

A walk and two infield grounders put a runner on third for Happy in the third but they couldn't score him.

Over The Fence

Hereford scored their first two runs in the last of the third. It happened this way. Burdine led off with a single. Raymond Lueb then lofted the first pitch high and mightily over the left field fence, 357 feet from home plate. The remaining three batters grounded out

to the third, second, and first base men respectively.

McRight struck out the side in the fourth but Hereford was scoreless also.

Happy did nothing extra in the first of the fifth. In the last of the fifth Lueb tripled but was thrown out trying to take home on an over-thrown.

Second Hit

In the sixth Happy got its first hit since the first inning but McRight calmly struck out the side leaving them scoreless.

Hereford sent 13 men to the plate while scoring nine big runs in the sixth. Base hits were the fact in this inning as Hereford banged out eight softies, smashing them to every field. Two of the blows were doubles and one a triple. Happy made three errors in the inning.

One Walked

In the seventh McRight walked one man. He then allowed Jeremiah Dietz to smash a hard liner which looked as if it would go into center field, but Lueb came out to nowhere, knocking the ball down. It rolled into the path of the shortstop, Dick Ross, who picked it up and threw to Lueb, covering second, for the force out. The throw to first was not in time. McRight struck out the next batter to end the inning.

The seventh meant two more runs for Hereford. The runs came as a result of John Renner's triple with two ducks on the pond.

In the eighth McRight again struck out the side, setting Happy down scoreless. Hereford went down in order in the last of the eighth.

Three More Downed

McRight got his eighteenth and nineteenth strike-outs in the ninth as he set Happy down in order to end the game.

Big Train Clements Loses Bout By Tossing Opponent Over Ropes

Wrestling was exciting Saturday night according to Guy Lawrence, manager, when Ray "Big Train" Clements, the Lubbock bulldog, threw Tommy Martindale, the acrobat, over the ropes.

Clements won the first fall in 14 minutes with the stomping surfboard.

Martindale took the second fall in 11 minutes with a reserve body jackknife.

Disqualified

In the third fall Clements was disqualified after five minutes of wrestling when he threw Martin-

dale over the ropes.

In the second event, two out of three falls or a one hour time limit Dory Funk, the cowboy from the Flying Mare Ranch of Umbarger, tangled with the tough German Kurt Von Popenheim of Koenigsburg, Germany.

Draw Called

Popenheim took the first fall in 15 minutes with the one legged crab, and Funk took the second fall in 12 minutes with spinning arm hold.

Time ran out in the third fall so it was called a draw.

Hunters Are Given Second Chance To Hunt Texas Antelope

AUSTIN — Surprise letters have been sent 57 Texas hunters who missed out on the last regular antelope season two years ago. They are the gunners allotted

permits for the 1951 shoot and then turned in their licenses for personal reasons. Alternates were assigned and the 57 hunters automatically got the hold over priority.

Hunters Advised
Chief Clerk Vernon Skaggs of the Game and Fish Commission has advised the 57 of their priority rating for the 1953 drawing for the October antelope seasons in both the Panhandle and Big Bend country.

He said upwards of six hundred buck antelope, almost evenly divided between the two areas, will be allocated for the fall harvest at the rate of one male antelope per hunter.

Persons interested in the seasons should write the Game and Fish Commission in Austin and request a formal application. This application must be received by the Commission with a postmark of NOT later than midnight, August 31, 1953.

Pictures Of Alaska Shown To Friends By Former Resident

Mr. and Mrs. Charles O'Dell of Anchorage, Alaska, formerly of Hereford, showed colored pictures of Alaska Thursday night in the home of Mr. and Mrs. John Turner.

O'Dell has lived in Alaska since August 1946, and is now on his way to Florida to visit his son, Charles Jr., who is principal of the Tampa Junior Academy at Tampa, Fla.

Refreshments of ice cream and cookies were served to Mr. and Mrs. R. E. Cottingham, Mrs. Geo. Millard, Mrs. Harold Mencham, Merle and Doris Turner, and Mr. and Mrs. John Turner.

HEADS VETERINARY SCHOOL
Dr. W. W. Armistead, 36-year-old professor of Veterinary Medicine and Surgery at the A & M College of Texas, has been named Dean of Veterinary Medicine, to head the combined teaching, research and extension activities in this field for the Texas A & M College System.

Ironing Board
The ironing board will have a smoother surface if it is padded with newspapers instead of cloth, and it is more economical. Cover the newspapers with heavy wrapping paper in order to avoid the smell of scorching ink.

Game . . .

(Continued from Page 1)
Raymond Lueb led Hereford hitters with four hits. He got a single, double, triple and a home run. John Renner also got three hits for Hereford. Tom Henry connected for both of Happy's two hits. Happy made eight errors. Hereford made one.

Next Sunday Hereford meets Dimmitt at Dimmitt. This is the second time the two teams have played this season. Hereford won the first game, 7-5. The first game was played under protest by Chris Clark, who apparently takes his own cheering section wherever he goes.

Game time is 2:30 o'clock.

qualification over burly Ray "Big Train" Clements of Lubbock.
Three Held Title
It shapes up as one of the summer's better programs. Three of the principals—Funk, Carlson and Weidner—are former proprietors of the Southwest States individual title. Martindale, though he never has held any major championship, presently appears to be in better

form than ever before.
Funk and Carlson have been just about unbeatable as a combination. But the powerful Weidner's neck-cracking full-nelson hold can stop any wrestler of any size, once he applies it properly, and he and the agile Martindale have collaborated previously.

Slight Edge
Weidner, on a comeback campaign and seeking a match with world champion Denny McShain, has had a remarkably successful summer season in the West Texas

territory, consistently crowded with top-flight junior heavyweights.
In the individual matches, the energetic and tireless Carlson

might have a slight edge over Martindale, despite Tommy's win here last Saturday. The Funk-Weidner collision looks like a standoff.

... GOOD, too!

... and good in more ways than one!
Not only is the taste superb, when you use the deep well cooker on your electric range, but all effort on your part disappears. Reddy keeps your deep well cooker going as long as need be (24 hours straight, if you want) at the temperature you set. And, with the electric simmer unit, you're sure that nothing will burn in the deep well cooker.

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas
That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrift-King" engine.

And it's the lowest-priced line
A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

You get greater getaway with the new Powerglide*
A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You're "sitting pretty" behind the wheel
Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops
An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

You can see all around
You look out and down through a wide, curved, one-

It's heavier for better roadability
You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Gold is Slave or Master," . . . Horace. "You cannot serve God and Wealth," said Jesus. But every man serves God or Wealth. A man's use of money is the thermometer of his soul. The Miser is heathen. Covetousness is idolatry. Look at him . . . bumping his head on the ground in worship to a silver dollar. No light in his eye. No song on his lips. No lilt in his voice. No smile for his neighbors. No lift in his life. AND, when he is dead, No tears for his departure. A wealthy man pointed out to a visitor his vast land holdings. "I own as far as you can see in all four directions," he boasted. The visitor pointed upward . . . "How much do you have in this direction?" Money is useful but not eternal.

Nearby States Now Welcoming Early-bird Hunters From Texas

AUSTIN — Reports from neighboring states to the north indicate that Texans utilize their big game seasons as a warmup for the wildlife harvest at home.
The Executive Secretary of the Game and Fish Commission said thousands take out non-resident licenses particularly in Wyoming and Colorado where the main hunting seasons generally are over before those in Texas begin.
"Texas has a greater variety of game than any other state but many of our folks take a pre-season shoot away from home," he said. "Our species range from the more popular deer, turkey, quail, doves and waterfowl to antelope, white-winged dove and even pheasant."

Yet the outside attraction is great because of the opportunity to make a long hunting trip and also because of the food and sport involved.
The Executive Secretary said the interest of Texas gunners is welcomed in states having surplus in some species which have to be reduced to meet habitat limitations. For example, Wyoming plans to harvest about 46,000 prong-horned antelope. The combined antelope bag in that state last fall was 41,020, and the over all big game harvest there was an estimated 96,100 animals.
"Texans going to Wyoming may bag elk, moose, deer, bear and mountain sheep. License fees for

PRICE the "low-priced" cars, add a few dollars more, and there you are. Because that's all the money it takes to buy this great new 1953 Buick SPECIAL. That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history. That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess—its light-as-a-flyrod handling ease. But if you're surprised at this news, we can't blame you a bit. Most people are—when they learn that you can get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few dollars more than the cost of the so-called "low-priced three." Add another happy surprise. In this Buick you get a long list of "extras" at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear—things most other cars of similar price charge as extras. So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car. Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.

Move right in for less than you think

Northwest Hereford News

By Mrs. R. C. Childers

Mrs. Raymond Higginbotham and her sister, Mrs. Elizabeth Clemens visited in the home of Mrs. Carl Perrin in the western part of the county Friday afternoon.

Mr. and Mrs. Raymond Higginbotham took Mrs. Clemens to Spur Sunday where she will visit a few days in the home of her parents, Mr. and Mrs. Ned Hogan. Mrs. Clemens was visiting in the Higginbotham home most of last week.

Pat Hogan, son of Mr. and Mrs. Ned Hogan of Spur, and a brother of Mrs. Raymond Higginbotham, was ill over the weekend, and unable to accompany the group to Spur.

Mrs. Box of Abilene is still visiting in the home of her daughter and family, Mr. and Mrs. A. C. Hershey.

In Hospital

Mrs. J. L. Stevens is in the local hospital, where she was taken Sunday afternoon, where she will probably have to undergo surgery. Mrs. Stevens works for the Stanley Home people and is well known in this vicinity.

Mr. and Mrs. C. S. Barclay and sons Larry and Davis; Mr. and Mrs. Britch Hopson, Randy and Dawn; and Mr. and Mrs. S. J. Barclay were in Amarillo for the air show and the third dimension Show Sunday.

Milo Heading Out

Milo on the Pat Ranspot farm four miles west of Hereford is beginning to head out. The recent rainfall has really made a showing on all row crops, alfalfa, grass land and permanent pastures. The range grasses are getting so pretty and green, in this immediate vicinity, but to the north four miles the rainfall was very light, and grass land is still dry and dead.

Hay is being mowed and baled in a number of places, and potatoes and onions are still being harvested over the community. In other words, the farmers are still very busy, and see no let up in farm labor for many months to come. Even the butane companies who should have at least Sundays off, are having to work on Sundays the same as any other day of the week during the heavy irrigation season, reports J. C. Mays, who drives a butane truck.

Lettuce Planting

Lettuce land is being made ready for planting, in many places. Some farmers have already planted, and are planting over, because of light to heavy rains causing the ground to pack, so it can't come up. Cane is also being planted on potato and onion land, which will be used for bundles and ensilage for winter feeding.

Mr. and Mrs. John Johnson and daughter Mary of Pampa were visitors in the R. C. Childers home Sunday. Johnson is a brother of Mrs. Childers.
