Hereford, Texas, Thursday, February 4, 1954

COTTON, STORE FRONTS, YOUTH

Three Meetings Set By Chamber

Cotton acreage, store fronts and entertainment for young people will be taken up in three Deaf Smith County Chamber of Commerce meetings...

At 2 o'clock this afternoon, cotton producers from Deaf Smith, Farmer and Castro counties will meet in Hotel Jim Hill ballroom...

Lyons was at the College Station meeting last Friday when the state program was worked out, and will be in a position to answer any questions about the program...

Latest Word

Latest word on the program was that Deaf Smith County would be allowed 12,654 acres of cotton in 1954...

If the county qualifies under the "hardship" provision of the revision...

ed acreage bill, the acreage allotment for the county will again be moved upward, Dodson remarked.

Entertainment Facilities. At 7:30 o'clock Thursday night, representatives of every organization in Hereford have been asked to meet in the Jim Hill ballroom...

"Right now, we are primarily interested in getting the various organizations to thinking, and talking, about the situation," G. E. Mullins, Chamber manager, said.

At noon Friday, Ray Carr of Lubbock is scheduled to give a program on redecorating store fronts, and all merchants in Hereford have been invited to the Dutch lunch.

A 25-minute color slide program, showing before-and-after scenes from many towns in Texas, will be included in the program, Mullins said.

FHAToHold AnnualParty

Aprons and overalls will again be the "formal" attire at the annual Hereford High School Future Homemakers Sweetheart banquet Saturday night in Shirley School gymnasium.

Decorations for the party, where about 150 persons are expected, will be built around Mother Goose rhymes, according to Daleine Tinnin, chairman for the party.

Games, rather than a more formal program, are planned for the evening.

Mrs. Frank Prowell is chapter advisor. Club officers include Sylvia McCracken as vice president; Barbara Sue Rogers as recording secretary, Sue Barnard as corresponding secretary, Melrose Whitfield as reporter, Mozelle Telchik as treasurer, Gay Malone as historian, and Delores Loerwald as link keeper.

JAIL WOULDN'T HOLD any man long if he could get a sack lunch as Chief of Police Leo F. Box received when he was "jailed" Monday. Sent over by City Manager Cecil Massey, the sandwich contained a gun (real, not a toy), foot-long hot dog buns, stuffed with hacksaw blades and files, and there were more hacksaw blades in a pie. The blowtorch was apparently just sent along for good measure. Chief Box had taken along a deck of cards with which to while away the time. (Staff Photo)

March of Dimes Raises \$4,311.17 In Deaf Smith

This year's March of Dimes in Deaf Smith County had brought in \$4,311.17 by Wednesday morning, when all of the money seemed to be in, according to Wayne Edwards, county chairman for the campaign.

The total was \$691.39 over last year's total of \$3,619.78, but still considerably below the high water mark of about \$6,000 that was raised in this area in 1949.

"Even without an advance gift solicitation, which would probably have brought in several hun-

dred dollars more, we went well over the "mental goal" of \$3,500," Edwards declared.

"There was a lot of work connected with the campaign, and that work was carried out willingly by the civic clubs, the women who participated in the Mother's March, the Boy Scouts, and hundreds of others who donated their time and effort to make this drive a success," Edwards continued.

"Now that there seems to be greater hope that some means of immunizations may be discovered,

this money has become all the more important."

The money came in from everywhere, it seemed, and in all sorts of ways. Mail, mostly from the rural areas, brought in \$375.09. Coin collectors, originally 100 but reduced to 98 by accidental damage, brought in \$430.20, with everything from pennies to a \$10 bill having been dropped into the plastic tubes.

Clubs and individuals made direct donations of \$416.71, and the Mother's March last Friday night came in with \$1,557.51, more than one-third of the county total.

The KFDD-TV telethon, which made local as well as regional appeals, had a phone number for Hereford, too, and \$182 was collected in Hereford as a result of that. Mayor J. H. Sears and Edwards made a trip to Amarillo to appear briefly on the program.

On Sunday afternoon, the Jaycees special radio program, which featured various local talent, and even raised money by offering to throw the mayor and Chief of Police Leo F. Box in jail on Monday—and it was done—brought in \$841.03, through the help of those who sent their donations in that day.

Coffee day, when 10 cent coffee was supposed to be something special, instead of the ordinary thing, added \$279.17, thanks to the cooperation of every place in town that sold coffee by the cup.

Schools in Hereford showed that the children, too, had some thought of the dread cripple, as the youngsters added \$229.46 to the growing mounds of coins, bills and checks which were reaching the campaign headquarters.

"It will probably be many years before the March of Dimes for the foundation can be stopped, even if a vaccine is found," Edwards pointed out, "for there will be thousands in need of care, even if there are no new patients added to the rolls. The generous spirit of giving which evidenced itself last month makes me believe, however, that Deaf Smith County residents will always give their share."

Mrs. Nona Jowell, 511 Lawton, has been visiting in the homes of her sons the past two weeks. She visited Jerry Jowell in San Angelo and Charles Jowell in Abilene. Mrs. Jowell returned Friday.

REA Approves Area Phone Loan

A loan totaling \$123,000 was approved Tuesday in Washington, D. C., for the purpose of making rural telephone service available to an additional 300 farm homes in this territory. Announcement of the loan approval was made to E. C. Reinauer, president of West Texas Rural Telephone Co-operative, by REA officials in Washington.

The money was earmarked specifically for short extensions to existing trunk lines, and will be used over a five-year period. Extended service will be offered to patrons of each of the seven exchanges in the Co-op over the three-county area.

"A waiting period of approximately 90 days follows such loan approvals prior to actual receipt of the money," Leo Forrest, local REA manager, said. He also specified that the extensions will begin as soon as the money is received.

Normal Expansion

"The funds will be used for the

purpose of taking care of normal expansion," Forrest said. He pointed out that approximately \$14,000 of the allocation has already been used in the original set-up, and that the remaining \$109,000 is designated for the purpose of allowing short extensions from prospective telephone users to the present West Texas lines.

"First application of the funds will bring service to approximately 300 subscribers within an average of one-fourth mile of our trunk lines," Forrest said. "After these extensions are handled, we will then be able to take care of extensions of greater distance." He said that the co-operative now has on file 65 applications for short extensions of this type and that others will follow now that the funds are available.

Must Make Application

"We will get to these extensions as fast as we can," he said, adding that persons interested in telephone service should make appli-

cation and secure details at the offices in Hereford.

Installation of the extensions will cover the entire system served by the seven exchanges located in Deaf Smith, Castro and Farmer Counties. No specific plans for extension connections were outlined, since they will be governed by applications submitted, distance from lines and by the small crew available for regular installations over the five-year period. The construction will definitely not be on a big scale comparable to original trunk line installations.

Road Knights Take Part In Lubbock Contest

Eight members of the Road Knights went to Lubbock Sunday and entered five cars in the Lubbock Road Dusters "Reliability Run," they reported at the club meeting Monday night in City Hall.

The run was made over a measured course, and had to be made within the speed limit.

Those from Hereford who made the trip to Lubbock included Billy Paetzold, Pat Newell, Melvin Lounenick, Lanny Wilkins, Jim Ledy, Bob Hicks, Joe Walters and Richard Clark, Road Knights president.

Trip Plans

Club members also completed general plans for a trip to Carlsbad the first week in March, though they have not set a definite date.

Since they wish to identify themselves personally, as well as identifying their cars, the Knights are ordering jacket emblems. Additional plaques for members' cars are also being ordered.

There are now 36 members in the Road Knights, compared to the 10 charter members the organization started with.

Charge Of DWI Is Filed Tuesday

Hereford's fourth DWI charge of the year was made Tuesday in County Court.

Herman Campbell is charged with DWI as the result of a collision Monday night about 9:50 o'clock at the intersection of Highway 60 and Miles.

Gary McQuigg, 209 Avenue J, driving a 1941 Chevrolet, was making a left turn onto Highway 60 from Miles Avenue and Campbell, driving a 1941 Ford, attempted to pass the Chevrolet at the intersection. The right front and back fenders of the Ford hit the left

side of the Chevrolet.

The collision occurred just after a meeting of Hereford Road Knights, of which Gary McQuigg is a member. Members of the Road Knights, who were following McQuigg, drove up to see what had happened.

Campbell left the scene of the accident and was followed by several of the Road Knights to an alley in the 100 block between Miles and Main, where he left his car and the woman he was with. Campbell was arrested later by city police who investigated the accident.

Area Boy Scouts Ready To Observe Annual Week

Boy Scouts in the Deaf Smith district are getting set to celebrate Boy Scout week, which starts next Sunday, with organizational banquets, window displays and special programs at Hereford civic clubs, according to plans discussed at the district committee meeting Tuesday noon in Hotel Jim Hill.

Boy Scout Week, which starts Sunday and lasts through February 13, will be impressed on the general populace with at least a dozen window displays in Hereford, camping and activities chairman Bert Boomer reported. Friona Scouts will also put window displays in their town.

Civic Club Programs

Troop 52 is scheduled to give a program at the Hereford Rotary Club Monday, Troop 50 and Pack 50 will put on a program at the Hereford Lions Club Wednesday, and Troop 51 is to give the program Thursday noon at the Hereford Kiwanis Club.

Cub packs are scheduling Blue and Gold banquets, most of which will be held during Scout Week.

Pack 56, in Friona will hold its banquet Tuesday, Packs 51 and 52 will hold a joint dinner at the Jim Hill Hotel Thursday night, and Pack 50 will hold its banquet on February 26 at the First Baptist Church.

Boomer also reported that the

council has been allowed to send 10 more Explorer Scouts on the Canadian canoe trip next summer, and reservations will be on a first-come basis. Reservations must be accompanied by a \$10 deposit.

New Troop

A new Scout troop, No. 53, has been organized at Friona, with Rev. R. D. Ward as Scoutmaster, it was reported. Eight men registered as Scouters, and six boys signed up as Scouts at the organizational meeting. There are also four Cub Scouts, and a pack will be formed as soon as possible. The troops meet at the Frio Baptist Church on Friday nights.

Others who are to work with the Frio troop are Lester D. Irwin, Explorer advisor, and Delbert Thomas.

Members of the troop committee are Leonard D. Irwin, High C. Miller, Olin W. Parris, T. L. Sparkman Jr., and J. R. Lott.

Advancement chairman S. E. McLallen reported that a merit badge library has been set up in the Deaf Smith County library. He also said that 10 badges of rank and 10 Arrow Points were awarded in Pack 56 at Friona on January 25.

A Scoutmasters' basic planning program will be held at the Frio Baptist Church February 12, and a Subbers basic planning program (Continued on Page 2)

Three Organizations Help Couple Along Toward Ohio Home

Texas hospitality took a new twist in Hereford Tuesday night and Wednesday, when a young couple with a 3-months old baby were first given lodging for the night, then their bus fare paid to get them to Ohio as quickly as possible.

Picked up on Highway 60 by Chief of Police Leo Box Tuesday afternoon, the couple was taken to the Police station, where they told their troubles to Chief Box and to City Manager Cecil Massey.

The man had been working in Greentree, N. M., when the sawmill where he was employed closed down. Promised work again in a month, he stayed on, but the sawmill didn't reopen, and his money had almost run out.

Promised a farm job back at Portsmouth, O., where he had been before going to New Mexico, the man and his family got to the highway and started thumbing rides.

Tuesday night, the Red Cross paid for lodging for the couple, and Wednesday morning Lions Club funds were used to purchase bus tickets to Portsmouth for the couple and their child.

The man has said that he will repay the Lions Club for the cost of the tickets, but no one seems too worried about that side of the situation.

Heart Fund Drive In County Sponsored By Legion Auxiliary

Hereford's American Legion Auxiliary, Post No. 192, is sponsoring the Heart Fund Campaign in Deaf Smith County.

Slogan for the 1954 Heart Fund is "Help Your Heart—Help Your Heart." Some of the activities to be sponsored by the group are to be Tag Day, when members of the auxiliary will be on the streets to take your contributions. Plastic Hearts will be placed conveniently in business houses to put your donations in. You may make contri-

butions to either of Hereford's banks or send them to "Heart" in care of the Postmaster. Donations may also be made directly to Mrs. Ira Ott, who is chairman of the group.

Heart Month Governor Allan Shivers, who, with Attorney General John Ben Shepperd, is serving as co-chairman of the 1954 Heart Fund drive, has declared February "Heart Month in Texas" and has called upon all Texans to support the month-long fund-raising campaign.

Dr. W. R. White, Baylor University president and chairman of the 1954 Texas Heart Campaign pointed out that heart disease annually cause more than 750,000 deaths—more than all other diseases combined. Contributions to the Heart Fund will be used in research programs to find the cause of hardening of the arteries, high blood pressure and rheumatic fever. These three conditions account for more than 90 percent of all diseases of the heart and blood vessels, Dr. White emphasized.

Rear-End Collision Damages Two Autos

Approximately \$185 damage was done Tuesday afternoon on Highway 60 in a collision involving a 1951 Ford, driven by Mrs. Ruth Y. Voss, and a 1941 Chevrolet, driven by David T. Spurgeon.

Mrs. Voss was going east on Highway 60 and had stopped in the traffic lane with her signal light on, waiting to make a left turn. Spurgeon was following Mrs. Voss and apparently did not see the Ford stopping and did not see her signal.

The front end of the Chevrolet hit the rear of the Ford, causing an estimated \$40 damage to the Ford and \$125 damage done to the Chevrolet.

Spurgeon was charged with following too closely.

Around Town

The Deaf Smith County Federation of Women's Clubs will hold a board meeting at 2:30 o'clock Saturday afternoon in the County Court House. The third quarterly luncheon will be held in the First Methodist Church on February 15 at 1 o'clock.

Highway Patrolman Joe Culp, who has enough accidents to get him up fairly regularly at night, has a new waker-upper at home—Miss Lena Culp, born January 25 in Canyon, is at home with her mother and big brother. Tonya weighed in at 5 pounds, 9 ounces, and is reported to be doing nicely. The Culp's live at 514 Knight.

Dr. Millard W. Nobles, who has returned to Hereford after spending three years taking special training in radiology, gave a talk on advances in medicine, and a brief history of radiology, its uses and costs at the Hereford Rotary Club meeting Monday in Hotel Jim Hill.

Just in case you might wonder, that silver colored, half size tear drop hanging outside the Star Theatre is not a giant size umbrella. We asked and found out that it represents a flying saucer.

Jaycees and Jaycee-ettes will put up play equipment which has been donated in Jaycee Park Sunday afternoon.

A Chamber of Commerce membership committee breakfast will be held Friday morning at 7 o'clock in the Jim Hill Hotel. Lloyd Sharp is chairman of the group.

Are you an Eagle Scout? Either active Eagle Scouts, or those who (Continued on Page 2)

ARTIFICIAL RESPIRATION at birth saved this bright-eyed Pomeranian, which is being raised by Mrs. Leona Packard, who lives just south of Hereford. Born December 2, the second of three puppies, the little fellow required about 15 minutes of artificial respiration, as he lay on Mrs. Packard's lap, before he started breathing. Now, he is "cock of the walk" and has been registered as Smoky IX. (Staff Photo)

Poll Tax Certificates Are Issued To 2,807

There were 2,807 poll tax receipts issued this year, including 41 exemption certificates, according to Sheriff, Tax Assessor-Collector Lowell Sharp.

This was nearly 500 below the 3,296 paid-in 1952, but is considered as being good for an "off" year—that is, a year when there are no major national elections.

Work by the Jaycees, who helped man booths in downtown Hereford last weekend, undoubtedly helped to swell the total. There was no way of knowing how many paid their poll tax after receiving a telephone call from one of the Jaycee-ettes, who tried to call everyone in town and remind whoever answered that the deadline was near.

Former Hereford Teacher's Will Help Old Maids

In a will that was opened Friday, Miss Christine Schott, who taught in Hereford Schools in 1915 and 1916, provides a fund for the use of old maids.

It arranges for a fund at San Angelo Memorial Hospital to care for sick old maids. The will states: No use of this fund shall be made for women who have been married nor for shiftless indigent applying for charity.

The fund is to be used "specifically for the care of unmarried women, age 30 or over, who have (Continued on Page 2)

SHERIFF LOWELL SHARP, center, had the task of putting both the mayor and chief of police of Hereford in jail, and they didn't seem to be giving too much resistance. It was all in fun, of course. More than \$100 had been raised for the March of Dimes Sunday on the promise that the two men would be incarcerated. Mayor Sears said he wished the mayor's job didn't have anything more unpleasant with it than an occasional couple of hours in jail. (Staff Photo).

Now Has 21 Wins Hereford Downs Two More Teams

By "Putt" Knox

The Whitefaces won their 20th game by defeating Shamrock Friday and then garnered their 21st in a hard fought battle against Bovina. They buried Shamrock by a 75-35 score and Bovina by 71-55.

The Bovina game, played on the Mustangs home court, was hard fought all the way, with the Mustangs furnishing plenty of competition.

Hereford has now won eight and lost one in conference play. Thanks to the Perryton Rangers, they knotted with Phillips for the league lead. The Rangers played giant knitter and defeated Phillips Friday night at Perryton 50-42.

The Herd easily won the Shamrock game by 40 points. Hereford quickly took a 6-0 advantage before Shamrock could score. The Whitefaces score doubled the Irish for a first quarter score of 16-8.

First Duplicated

Hereford began hitting in the second quarter. They duplicated plus one their first quarter total while holding Shamrock to only four points. Halftime score was 33-12.

Shamrock hit only three field goals in the first half. They scored 6 free throws. The Whitefaces scored 11 field goals and 11 free shots.

More scoring was done in the second half.

In the third quarter the Whitefaces again gained points on the Irish. In this quarter Hereford scored 18 points to gain a 29 advantage. The score was 51-22.

Hereford outscored Shamrock by 21 points in the fourth quarter. With reserves carrying most of the load, the Herd scored 24 points and held Shamrock to 13 to bring the final score to 75-35 and a smashing victory for the Whitefaces. Allen scored 22 points to gain scoring honors.

Rougher Competition

The Whitefaces rougher competition when they took on and defeated the Bovina Mustangs 71-55 Monday night at Bovina. Before the game the Mustangs had won 21 and lost only 1 compared with Hereford's 20-2 record.

The first quarter was played on even terms but the Whitefaces managed to gain a 17-12 advantage.

Hereford lengthened this lead in the second period with Goose Cummings scoring 10 points in this quarter the Herd outscored Bovina 23-11 to bring the half-time score up to 40-23. Everett Allen lead Hereford at halftime with 15 points. Goose Cummings had 13. Reed lead Bovina with 8.

The Mustangs came out strong in the third quarter. Their lead

was shortened to 14 points because Bovina outscored them 15-12. Score at the end of the third stanza was 52-38.

The Whitefaces managed to score 19 while holding Bovina to 17 in the final quarter. Final score was 71-55.

Everett Allen again led scorers with 26 points. Goose Cummings had 20. Allen leads season scorers with 327 points. Woodford has 289.

Indonesia straddles the Equator but sea breezes and mountains keep temperatures fairly low in most areas.

At The Movies

War of the Worlds
Friday and Saturday at the Star Theatre.

Starring Gene Barry, Ann Robinson and Les Tremayne.
(Children should be accompanied by adults.)
The inhabitants of a small California town witness what is gen-

erally believed to be the crash of a huge meteor. Marines are called into action after word is received that similar objects have landed in other parts of the world and have been described as Martian machines.

The meteor-like conveyances open to disgorge deadly airborne machines which prove impervious to the guns, cannon and finally the atomic bombs, that the military forces of this and other nations send against them.

Hitting a new peak in sizzling, shocking unforgettable suspense, it is one of the most exciting stories

Former . . .

D. H. Alexander should have been a newspaper man. He gets into enough jams. All innocent-like, too. Last week Dave and Mrs. Alexander went to Seagraves to attend the wedding of their granddaughter, Betty Hudson, to David Townsend. Anyone would classify this as a natural inclination for normal grandparents.

Mr. Seagraves, however, things are a lot like Hereford. So-called friends of the bride and groom like to paint cars for the honeymoon. They did this time, using such signs as "Freshly Married" and "Watch our population grow." The bride and groom were somewhat upset when they left the altar to find their car plastered with such signs. Dave noticed their shyness and his heart brimmed over. Says Dave: "Just take my car, David, and I'll bring yours to you in Portales with a load of this household stuff tomorrow." That's the way things worked out and everyone was happy — until "tomorrow." To his chagrin, Dave found that the paint was the real McCoy, not just water colors. He worked away until noon; he untied all of the cans, but couldn't budge the signs. Finally, he and Mrs. Alexander loaded up the wedding pot and started for Portales.

"There we went," admits Dave. "I don't know what everyone who saw us thought, but we felt pretty silly. In fact, we got to talking about those signs and giggling like a couple of real honeymooners. No sir, we didn't stop for any gasoline. Fact is, we weren't about to stop for anything."

Gaylord Newell came in the other day with a propaganda sheet from the coffee industry. It was "An Open Letter to Restaurant Operators and Grocery Owners." It had a lot of figures and statistics but, chiefly, it pointed out that in only three crops since 1947 has there been a coffee surplus. This was attributed to the ever-increasing consumption of coffee. Even our English cousins are pushing away their tea cups, it seems. Coffee imports to Europe bounced 11.7 percent in 1952. I'll bet they are using our lend-lease money to buy coffee in some instances. However, don't think you are going to get even with anybody by switching to tea. The reprint was from the "Coffee & Tea Industries," so I guess they will make just as much if you switch to tea. The leaflet also pointed out how much effort is required to grow coffee. I quote (and please do not accuse me of supporting the rising price of coffee; I am against it, too):

"A coffee farmer who plants a coffee tree must wait five years until it produces. "And then, when it does, the entire output of that tree for a year is enough for less than one pound of roasted coffee."

"In that pound of roasted coffee are about 4,500 beans—each individually hand picked." (End quote).

The leaflet also points out that if coffee were produced here in the United States at our current labor prices, it would cost six dollars a pound. This last statement, I found very much. It would probably be like the castor bean business. We would breed the coffee trees down to size, then develop machinery to harvest the stuff mechanically. After all, the folks in South America are still picking castor beans by hand—and they are the

ones who can't compete. Climate could make a big difference, but they had better watch out or some smart alec will do something about it.

People are people, no matter where you find them. What I am trying to say is that the people in Austin, Texas, react to the Bull Column just like a lot of people in Hereford, Texas, react. You'd think, 525 miles away, a guy could say what he thought about his own state capital—and get by with it. That isn't right. Monday I wound up with a basket full of protests from Austin residents. W. P. Watts, attorney-at-law, says I missed the most important things particularly the cultural things. Mrs. M. A. McCoy was the most upset of all, however. She likens me to Mr. Doherty who maligned Texas in the Esquire magazine. However, I think she is wrong. Mr. Doherty posed as an authority, whereas I specifically said that my impressions were those of a casual visitor — and specifically pointed out that I was only in Austin one day and one night.

"Anyway, to be absolutely fair, here are some of the good points Mrs. McCoy emphasizes regarding Austin (not me):

"How unfortunate that you only got to ride on Highway 29 when there are so many other beautiful highways leading into our fair city! There are times of the year when "29" is very pretty, too, however. You must have had sheep and goats on your mind that day, too, Sir, because we can think of a number of cattle ranches out that way, and one ranch even has Buffalo.

"Speaking of industry, Austin has made it a point not to be an industrial city, but even though over 100 small factories ship goods out of our city. Should we become too "civilized", how would we ever hog-tie our country Legislators and bring them down here to pass the laws? The seat of the government has to be somewhere, and what better place than the Friendly City?"

"Surely you didn't see the beautiful lakes near Austin, nor the beautiful hills right inside the city such as Mount Bonnell, the beautiful farms South and East of Town, and didn't anyone drive you through Highland Park West? You would find yourself doubting that Austin is very "country" while driving through that section of our city.

"We would like to see your column define a "scrub" tree. We have plenty of mistletoe, but very few scrub trees in the light that you should think of scrub trees. You see we have seen your part of the country, too, and anything taller than 15 or 20 feet should look like a mighty oak to you! We know!"

Anyway, it's good to know that people have civic pride. It speaks well for them—especially around Austin. However, I can't figure for the life of me how all of these people got hold of a Hereford Brand. My reaction is like telling a close friend a deep secret, then hearing it broadcast on the radio.

A. C. Thompson was in Tuesday to discuss these "More for 54" predictions. He is a real old timer and has valuable experience. He says we have a good year ahead—if we get some moisture pretty soon. He's been out checking in the country. He says we have some excellent seedings of wheat, rye and barley. He thinks the bar-

ley is already hurt—but says the wheat and rye are still OK. However, he says to hurry up and get that rain. February is the deadline. We need it now. If this doesn't happen, Mr. Thompson says I just got out on a limb—then saved it off. I agree. However, I'm not giving up. I still have confidence in 1954. It's off schedule, uncalled for by statistics and most unlikely—but we have to have it. A two-inch drizzle is all we need.

Meanwhile, congratulations to nearly everybody. A total of 2,766 poll taxes have been actually paid. This is only 500 short of the all-time record in 1952. It means we are going to have elections where the people can speak their real wishes—if they feel the urge. Government without a representative voting just isn't democratic.

No new candidates, but plenty of talk. Several people are on the fence. This sure is "different" for Deaf Smith County. Always, in the past, folks have taken local elections with a grain of salt. Most of the candidates didn't really care if they got elected or not. Whether it's good or bad, I don't know. Besides, I just glanced at those letters from Austin, Texas, and I'd be afraid to say even if I did know. I'm getting "gun-shy" these days. Maybe that means I am getting smarter — if there is anything to that old saying about "Fools rush in where angels fear to tread."

Norma Jean McCullough of Amarrillo and her brother Pat, a student at Texas Tech, Lubbock, spent the past weekend here with their parents, the Ralph McCulloughs.

K and K Team Uses Dirty Tricks To Keep Tag Team Championship

Every dirty trick in the books was pulled in the main event at the Bull Barn Saturday night in the Southwestern Junior Heavyweight tag team championship match between the K&K Boys, Karol Krauser and Ivan Kalmikoff, versus Tommy Martindale and Roger Mackay.

Before the match, which was a 2 out of 3 fall 90 minute time limit event, was over, the wrestlers had really worked one another over. Paper and soap had been rubbed in their eyes and just everything that the K&K Boys are capable of doing. However, Martindale and Mackay joined in on some of the rough stuff before the match had

gone very far. **Title Retained** Krauser won over Martindale in the first fall in 15 minutes with a body press and Kalmikoff won the second fall over Mackay in 12 minutes with a body press, so the K&K Boys retained their title as champions.

The first event was a one-fall 15 minute time limit match between Roger Mackay and Ivan Kalmikoff. Mackay won the match when Kalmikoff refused to break a hold when they went into the ropes.

Tommy Martindale and Karol Krauser wrestled in the second event which was a one fall 15 min-

Personals

Mr. and Mrs. Larry Slaughter, newsweeks, returned to Abilene Monday night where he is a ministerial student at Hardin-Simmons University.

Guests of Mr. and Mrs. N. E. Milburn for a couple of days last week were Mr. and Mrs. Fate Jameson of Altus, Okla. They were enroute home from California where they had transacted business.

David Evans of Abilene is a guest for a week in the home of his grandparents, Mr. and Mrs. Joe Evans.

ate time limit match. This match was a draw between the two wrestlers.

Mrs. A. L. Manjeof, District 1 governor, Texas Garden Clubs Inc. accompanied by Mrs. M. T. Rutter were in Lubbock Saturday to attend district conference and a tea honoring the state president, Mrs. A. Randolph Wilson of Waco, and Mrs. Manjeof.

Lionie Cardinal, who recently volunteered for service in the Air Force writes from Lackland Air Force Base, San Antonio, that "he likes the service just fine."

Bavarian Lutherans Building New Churches The Lutheran Church of Bavaria (Germany) is constructing 70 church buildings, including parsonages and parish houses as well as churches, according to Evangelischer Pressedienst, bulletin of the Evangelical Church in Germany. Thirty church buildings in Bavaria were completed during the first 10 months of 1953. The Evangelical Settlement Office of Bavaria is engaged in a program to establish new homes for refugees and other homeless members of the Church. City Hall Falling Down TUCSON, Ariz. (U) - Old-time workers in the City Hall are a little stunned by the man who supervised its construction has to say. Architect M. H. Starkweather said the building went up according to faulty plans. He said it was unsound from the day it was built. That was in 1917. "It was falling to pieces then," Starkweather added. Meanwhile, City Hall workers tread lightly. Snow Must Go MARSHALL, Minn. (U) - The city of Marshall has found a way to handle people who don't handle shovels after snowstorms cover their sidewalks. The city clears the walks - and then submits a bill.

Last Of Aged Orthodox Refugees Out Of Trieste The World Council of Churches reports that the last of the aged Orthodox Church refugees have been removed from Trieste. The last group was taken away just as rioting and killing were on the increase in troubled Trieste. For these elderly refugees the move was a drastic but welcome change. It rescued them from the tense and terrifying Trieste situation and carried them to quiet Cannes in France, and to similar places of relative peace and natural beauty in Belgium, Switzerland and Norway. The group in Cannes is housed in a new home, opened in October

1953, under the joint sponsorship of the World Council of Churches and the Tolstoy Foundation. On the staff is a priest of the Orthodox Church to minister to elderly people.

Northwest Hereford News

By Mrs. R. C. Childers

A birthday dinner honoring Mrs. Louie Olson was given in the Olson home Sunday. Those attending were Mr. and Mrs. E. E. Doak, Mr. and Mrs. Elvin Wilson and family, Mr. and Mrs. Banard Wortham and daughter, Mr. and Mrs. George L. Olson and family, and Mr. and Mrs. G. W. Duncan and family.

Wanda Geneskie of Ord, Neb., spent the weekend visiting in the home of Mr. and Mrs. W. E. Holcomb.

Members from this community attending council Monday were Mrs. P. S. Corbett, Mrs. R. C. Childers, Mrs. Louie Olson and Mrs. W. E. Holcomb. These women hold offices in the council body.

Mrs. Corbett is the newly elected parliamentarian, Mrs. Childers is marketing chairman, serving for the fourth term, Mrs. Louie Olson is the newly elected year-book chairman and president of the cultural H. D. Club, Mrs. W. E. Holcomb is new council delegate. Cultural Club was represented 100 percent at the regular meeting of council Monday.

Mr. and Mrs. Frank Lillard moved several weeks ago from the old Art Lewis place and Mr. and Mrs. Johnnie Townsend and family moved in about a week ago. The Townsends are from the Westway Community. They lived in that vicinity about 10 years.

Jack Harding from Vega, who is employed with the Borden Milk Company of Amarillo, was in this vicinity Monday.

Natural Gas Coming
Natural gas is being piped to the farm homes of Earl Craig and Austin Rose this week. A mile of gas line is being laid to the irrigation well on the Rose farm for the operation of an irrigation engine.

Mr. and Mrs. R. C. Childers visited in the home of Mr. and Mrs. Raymond Higginbotham Sunday afternoon.

Mr. Higginbotham's father, who lives in Chillicothe, is visiting in the Higginbotham home this week.

Mr. and Mrs. Britch Hopson and girls, Randy and Cindy, were guests in the C. S. Barclay home Saturday night.

Mr. and Mrs. Edgar Telchik have purchased the Floyd McGee home on Avenue E and are planning to move in the last of this week. Mrs. Telchik is a member of the Cultural H. D. Club.

Families Moving

Mr. and Mrs. M. G. Caywood and family are moving to town this week and Mr. and Mrs. Garland Cox and family are moving to the Caywood place. Mr. Cox has rented the place for three years. The Cox's owned and operated the Hereford Fruit Market for the past six years. Bud Cox of Littlefield will operate the fruit

stand in the future. He is a brother of Garland.

Jack Renfro and Raymond Higginbotham were business callers in the R. C. Childers' home Monday afternoon.

Paul S. Corbett has been a busy man this month filing income taxes for members of this vicinity.

Pat Robinson submitted to major surgery in Northwest Texas Hospital in Amarillo Monday morning. Mrs. J. T. Richardson, mother of Mrs. Pat Robinson, is keeping the two older children, Vance and Dianne, and Mrs. J. V. Robinson of Panhandle where Marcella, Teresa and Kathleen while Mrs. Robinson is in Amarillo with her husband.

Pat Hogan, formerly of this vicinity but now of Spur, writes the R. C. Childers that business is slow in Spur and that he has lots of spare time. Pt is running men's clothing store there.

Little Rest
Farmers are not getting a rest this year, as the weather has not been so bad that outdoor operations have been hampered except for a day or so at a time.

Irrigation wells are running in a number of places supplying water to irrigated wheat.

Wheat is still being pastured but is hardly visible in a number of places. However, a good coverage of wheat can be seen on the Fred Inman, Wylie Roberson and Austin Rose farms in this vicinity.

The ground hog came out and saw his shadow Tuesday morning so farmers are still in hopes we will have some moisture.

Some plowing is still being done here and there over the community.

EASTER NEWS

By Mrs. L. B. Worthan

Mr. and Mrs. Olin LaPlant and family spent Thursday evening in the home of Mr. and Mrs. Wendell Markley.

Mr. and Mrs. Glenn Bell and Mrs. Virgil LaPlant spent Wednesday night visiting Mr. and Mrs. Olin LaPlant.

Mr. and Mrs. Virgil LaPlant were supper guests in the home of Mr. and Mrs. W. A. Epperson Saturday evening.

Mr. and Mrs. Ray Suit of Hereford had dinner Sunday with Mr. and Mrs. John H. Burnett and Gary. The occasion was in celebration of Mrs. Suit's and Mrs. Burnett's birthdays.

Bennie Scott spent Sunday afternoon with Gary Burnett.

Mrs. Ruby Stone and Mrs. Ethel Farmer left Saturday for California where Mrs. Farmer lives.

Hospital Notes

Patients in Hospital

Johnny Gipson, med.; Oleda Weemes, med.; Mrs. Palicarpio Madrid, OB; Mrs. George Woods, med.; Mrs. Joe Brorman, OB; Mrs. Bob Wear, med.; Joel Wallace, med.; Clifton Ray Leaseure, med.; Conway Clint, surg.; G. T. Clingsmith, med.; Mrs. Howard Scott, med.; Herman Casey, med.; L. H. Casey, Ortho.; Mrs. G. A. F. Parker, med.; Mrs. Joe Landers, med.; Mrs. E. W. Tatum, surg.; Robert Russell, Ortho.; H. V. Stanton, med.; Nellie Jones, med.; Louis Gunn, inj.; Bill Darter, surg.; Mrs. D. B. Roberson, surg.; Mrs. Mark Matthews, OB; Margaret Gunn, med.; Mrs. John Geer, med.; Mrs. Ben Martinis, OB; W. T. Carmichael, surg.; Mrs. Betty Shirley, surg.

Patients Dismissed

Alfred May, surg., 21; Mrs. Odie Moore, surg., 2-1; Richard Edgmon, med., 1-31; Ralph S. Strider, med., 1-31; Mrs. J. S. McCullar, surg., 1-31; David Brown, surg., 1-31; Lloyd Mingsus, med., 1-30; Mrs. Eunice Crist, neuro., 1-30; Mrs. Tony Edens, surg., 1-31; Mrs. Paul Thompson, OB, 1-31; Mrs. Jim Shirley, med., 1-31; J. D. Story, med., 1-30; Leonard Greene, tonsil., 1-31; Linda Rae Barton, T&A, 1-31; Mrs. Ervin Robinson, Jr., OB, 2-1; T. L. Sparkman, med., 2-1; Harold Head, med., 2-1.

Births

Daughters to Mr. and Mrs. Joe Brorman, 2-1; and Mr. and Mrs. Palicarpio Madrid, 1-31.

West Berlin industrial production has reached about 70 per cent of the 1936 level.

Government research indicates that it requires about 5 1/2 hours to handle unprepared food for a day in a family of four, but only 1.6 hours if ready-to-serve foods are used.

Mrs. Stone plans to visit for some time.

Mrs. Daniel Larsen spent a few days visiting in Lubbock and Tahoka.

March of Dimes Chili

The March of Dimes Chili Supper held at the Community building January 22, was well attended. Everyone seemed to enjoy themselves. \$23.00 was collected.

The Easter sewing club met at the Community building last Thursday with Mrs. Ken Anderson and Mrs. Jim Brooks as hostesses.

The vice president presided at the business meeting. It was decided members would pack the clothing brought to the next meeting and send it to Korea.

Those present were: Mrs. W. O. Markley, Mrs. H. O. Markley, Mrs. Leo Hall, Mrs. J. H. Flood, Mrs. Virgil LaPlant, Mrs. Olin LaPlant and a visitor, Mrs. D. J. Larson.

Jolly Girls Club Hears Talk On Home Courtesy

Mrs. J. E. Dyer, leader of the Jolly Girls Club, gave a lecture on "Courtesy at Home" at the meeting of the club last Thursday in the home of Arline and Linda Cuppell.

Refreshments were served, and it was decided that the next meeting would be held February 11, in the home of Ann Dyer.

Alex J. and Paul Schroeder were home over the weekend from Hardin-Simmons University. Naomi Zarbach, also a student at Hardin-Simmons University, visited with them.

Mr. and Mrs. T. W. Alderson, Mr. and Mrs. G. E. Mullins and Mr. and Mrs. Harold Loerwald will attend the Clovis Chamber of Commerce Banquet Friday night.

Mr. and Mrs. Liston Wilson, who moved to Amarillo from Hereford several years ago, have returned to Hereford to make their home.

Legal Notice

NOTICE TO BIDDERS

Sealed proposals addressed to The Honorable Mayor and City Commission of Hereford, Texas, will be received at the office of Cecil Massey, City Manager, until 10:00 A. M. February 19, 1954 for furnishing one Centrifugal Type High Service Water Pump with Electric Motor and Starting Equipment, as detailed in the specifications. Pump shall have a capacity of approximately 750 g.p.m. when operating against a total head of approximately 175 feet.

Prices shall be for the equipment complete f.o.b., Hereford, Texas.

Each bidder shall furnish with his proposal the name of the manufacturer of the equipment he proposes to furnish, together with complete specifications and descriptive literature covering all the equipment, including characteristic curves on the pump.

Each bidder shall state the time required for delivery of the complete pumping unit from date of award of contract.

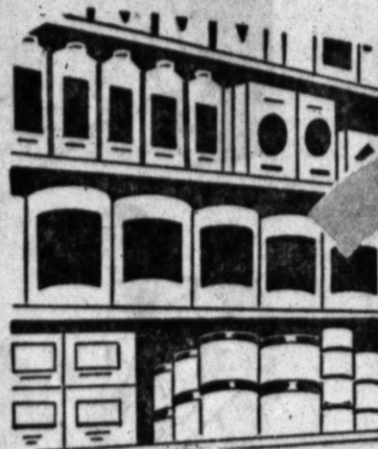

The City reserves the right to reject any or all bids, to waive formalities and to accept the bid which seems most advantageous to the City's interest.

Copies of the specifications for the equipment to be furnished may be obtained from Cecil Massey, City Manager, Hereford, Texas, or from Parkhill, Smith Cooper, consulting engineers, 1414 Avenue J, Lubbock, Texas.

New Wrestler To Appear Here Saturday Night

A newcomer invades Hereford's Bull Barn and the Southwest States junior heavyweight wrestling territory Saturday night, and is he in for a test!

The handsome stranger is known in other parts of the country as Professor Roy Shire. He's a college graduate and former instructor in physical education from University of Indiana, the same institution which spawned his Saturday night opponent, Dory Funk of Umbarger.

Roy Shire apparently came along a bit later than Funk, or it might be vice-versa. At any rate, the former "Fightin' Hoosiers"—that's the nickname of Indiana University athletes—meet in more or less common ground but in different eras.

Lots To Line Up To
Suffice it to say that Dory Funk will run a full test on the Professor come Saturday night at the Bull Barn. The beautifully built Prof. Shire, accompanied by a manager-second-advisor named Bobby Wallace, has not appeared

MEET THE TEACHER—Miss Velma Cook, 105 Star Street, has been teaching in Hereford Schools for three years. She is teaching the first grade at Shirley School this year. Miss Cook is shown with one of her pupils, Cheryl Edmonson, daughter of Mr. and Mrs. James N. Edmonson, 504 N. McKinley, while the child paints a picture on the art board. In the background are pictures that some of the other children in her class have painted.

in this territory until now. This is his first week in the hotbed of 200-pounders, and he has a lot to do if he lives up to advance information.

That the Professor is well-liked in other parts of the country is verified by the number of "fan clubs" which have sprung up in his honor in the last year or so. They reach from New York to Los Angeles, and include many intermediate points. So the Shire boy must have something. Whatever it is will be brought out in his two-out-of-three falls match with durable Dory Funk, the Southwest States and United States junior heavyweight title holder. No championship is involved Saturday night.

In the first section of the twin feature, Benny Trudell of Montreal

Canada, now a bearded boy with the same wrestling characteristics, meets young Gene Detton of Amarillo wrestling Dettons, who aspires to heights enjoyed by his father and several brothers.

Fifth Sunday Singing At Bippus Community

The song "Mansion Over the Hill Top" has probably never had a more responsive reception than when Mrs. Raymond Cooper and Raylene Mason of Amarillo sang it for the crowd attending Fifth Sunday singing at the Bippus Community House last Sunday.

Other visitors making up quartets and double quartets for special numbers during the day were Frank Byrd and son, E. F. Byrd

of Hereford, Preach Merritt, Elmer Combs, and Robert Boyd of Westway, and Joe Head, Rosedale, N. M. Several other visitors from these communities were also present.

A basket dinner was spread by the women of the community who, as usual, brought more food than the crowd could eat. The next Fifth Sunday Singing will be on May 30.

In 1953 infant mortality in the United States reached a new low of 28 per 1,000 live births.

Talks On Modern Arabia Given At Sims Study Club

Sims Community center was recently the scene of an interesting discussion of Modern Arabia.

Guest speaker was Mrs. R. A. Hungerford of Amarillo. Mrs. Hungerford has been a resident for many years of the island of Bahrain, Arabia. She plans to rejoin her husband, who is employed by an American-Oil Company in Arabia. She had many slides of the country.

Bahrain is under the direct supervision of the king of the island. Mrs. Hungerford said, "Life is very hard for these people for they not only suffer from the elements but from the lack of an adequate diet. The Moslem faith is still the national religion of the peoples. All rigs are fully turned off 5 times daily as the natives face the East and pray. England has helped a great deal in recent years by placing hospitals and government schools at the disposal of the natives."

The guest speaker was recently the subject of an extensive article appearing in the Amarillo Globe-News.

Forty Present

Some 40 guests from Adrian and the surrounding community were served cookies and coffee following the discussion by the Study-Craft Club. Mrs. Don Morgan, niece of the speaker, assisted at the projector. The slides were all

made by the speaker and her husband, and gave a personal touch from modern Arabia.

Husbands were especially honored by Sims Study-Craft wives last Thursday with a luncheon at the Community House. The luncheon featured chicken and dressing. Maurice Howell, of the Hereford Farm Bureau was a guest. He gave a short talk and salute to the community. A short business session, was called by the Community chairman, Cord Hammock.

Those present were: Mr. and Mrs. O. A. Alexander, M. N. Blankenship, C. L. Bogle, James Cavin, Jimmie and Jan, C. W. Ed-

wards, C. H. Hammock, Glenn Hetzler, C. R. Hollibaugh, L. L. Kriggy, Paul Lyons, and Robert, R. L. Pinnell, Mrs. A. E. Edwards, and Pam, Mrs. Joy Crofford and guest Mr. and Mrs. A. J. Ashburn; Mr. and Mrs. J. O. Edwards, Mrs. Ruth Perrin, and Mr. Howell.

Cpl. Ebb Martin Jr. Gets Commendation

Corporal Ebb W. Martin Jr., son of Mrs. Bonnie Martin, 307 Avenue A., who has been serving with the 120 Engineer Combat Battalion in Korea for the past year, received a letter of commendation from the commanding officer of the 120 Engineer Combat Battalion, Lt. Col. John C. H. Lee.

"I wish to extend my personal

congratulations to you for your superb work which greatly aided this battalion in its work on the Water Level Route. It is only through the efforts of yourself and the efforts of others like you that such tasks as this can be accomplished in record time. Again I say 'Well done, Cpl. Martin.'"

Cpl. Martin entered the service July 28, 1952.

The year 1954 is the Year of the Horse in China.

The potlach or gift giving rite of the Indians of the northwest American coast is being revived says the National Geographic Society.

North Carolina estimates that cotton farmers lost 25 million dollars to the boll weevil in that state in 1953.

ATTRACTIVE BEDROOM CURTAINS which reveal the individual choice of the girls are shown along with other features of bedroom improvement done in their 4-H club work.

In the picture at extreme left, Peggy Browning, daughter of Mr. and Mrs. Henry Browning, shows off her tiered curtains of border print to her Pixie roommate. Next Judy Pinnell, daughter of the Roscoe Pinnells, sits at the dresser, but the dolls belonging to her little sister Linda look as if they need the grooming worse. Judy dyed the curtains

to match the rugs in her room. Joe Eddie and Jan Scott, eldest and youngest daughters of the Ira Scotts, share this bedroom and also Joe Eddie's record book. Joe Eddie painted the picture of the horse and also the interior of her room. At right, Martha Heard does typing for her grandfather in front of the large window covered with print panel curtains Martha made. She also made the pin-up lamp and a skirt that matches the curtains for her dressing table. (Staff photo)

Funny Cake Gets Name From Looking Like Pie

There are several variations of the "Funny Cake" which looks like pie but tastes like cake. These include chocolate, butter-scotch, and orange but the best of all is the recipe for Strawberry Funny Cake sent in by Mrs. Zerrell Thomas, mother of Wayne Thomas, who lived in the Simms Community for several years but now lives near Eads, Colo.

Mrs. Thomas' recipe is as follows:

Strawberry Funny Cake
Line 9 inch glass pie plate with pastry, rolled 1-8 inch thick. Make sauce and set aside to cool while mixing cake batter.

Strawberry Sauce
Combine 1 tablespoon cornstarch 1/4 cup sugar, 1/4 teaspoon salt, 1/4 cup water in a sauce pan. Cook and stir until mixture is thick and clear. Add 24 cups sliced, sweetened, frozen (or fresh) strawberries and two tablespoons of but-

ter or margarine. Bring just to a boil. Remove from heat and cool. Spoon over cake batter and bake.

Cake Batter

One and one quarter cups sifted cake flour, 1 teaspoon double acting baking powder, 1/2 teaspoon salt 3-4 cups sugar, 1/4 cup shortening, 1/2 cup milk, 1 teaspoon vanilla, 1 egg unbeaten.

Combine flour, baking powder, salt, and sugar in sifter. Place shortening in mixing bowl. Sift in dry ingredients, add milk and vanilla and mix until all flour is dampened. Then beat 2 minutes. Add egg and beat 1 minute longer. Pour batter into pastry-lined pie pan. Dribble lukewarm sauce over cake batter. (Sauce will form a layer between cake and pie shell when baked). Bake in moderate oven (350 degrees) 50 to 55 minutes.

This cake is very delicious topped with whipped cream.

Bedrooms Curtains Give Girl's Room Personality

Whether one prefers versatile tiered curtains, the more glamorous priscillas or tailored panel curtains the result can be equally satisfactory, 4-H girls who are working on bedroom improvement have found out.

Peggy Browning, daughter of Mr. and Mrs. Henry Browning who lives near Vega, used red and white striped border print for her tiered bedroom curtains. Peggy, who has been in club work five years and won the second place county award in Home Improvement last year, also made the shade for her pin-up lamp out of yarn and painted a frame for the picture in her room.

Judy Pinnell dyed some priscilla curtains she already had to

match the blue rugs on the floor when her family, the Roscoe Pinnells, moved into their new home, which is in the northwest part of the county. Improving her bedroom is just one of the many activities Judy has done successfully in her six years in 4-H.

Ribbons on the wall in her room show that she has won awards in such divisions as bake shows, dress reviews, poultry and home improvement. Last year she placed first in the county and first in the district in Home Improvement. Judy is 15.

Joe Eddie Scott, who is also 15, says she has enjoyed every minute of the six years of her club work. Her curtains are tier curtains using a print and plain material in combination. She has also painted a picture for her room, but her painting didn't stop there, as she painted the interior of her

own room, and then the bedroom of her two younger sisters.

Joe Eddie's parents are Mr. and Mrs. Ira Scott who live west of Hereford on Harrison Highway.

Made Draw Curtains

Martha Heard has also made an outstanding record in her work in 4-H. In improving her bedroom, Martha, 16, daughter of Mr. and Mrs. George Heard, who live two

miles south of Hereford, has made draw curtains lined for the large window in her bedroom. She used the same material for a gathered skirt for the dressing table which she also made. At club camp she made a pinup lamp with the 4-H emblem for a base.

As the girls live with their rooms they will likely find other improvements they will want to make.

Film On Record Books Being Shown At 4-H Club Meetings

Every 4-H girl who keeps a record book is interested in the film "Keeping a Record Book" being shown to the various clubs by Loyce Avant, assistant Home Demonstration Agent. Clubs viewing the film at their meetings last week were:

Workers 4-H

Workers 4-H met Tuesday January 26 in the home of Paula Corbett. Phyllis Sumner was hostess. Those present were Marie, Stella and Evelyn Hunter, Paula Corbett, Phyllis Sumner, Patsy Caywood, Mrs. Sumner, and Miss Avant. Two members of the Senior County Wide, Sharon Brinkmar and Shirley Pierce transferred to our club. We elected officers. They are: President — Paula Corbett; Vice President — Phyllis Sumner; Secretary — Shigley Pierce; Reporter — Stella Hunter; Drill leader — Freda Inman; Clothing

demonstrator — Marie Hunter; Food demonstrator — Sharon Brinkman; Poultry demonstrator — Dora Inman.

After the election of officers Miss Avant showed some slides on "Keeping a Record Book." There were eight members present.

Happy Homes 4-H

Officers were elected at the meeting held in the home of Martha Logan on January 27.

Miss Loyce Avant gave a demonstration on how to choose good officers. A film was shown on how to make a good 4-H record book.

Martha Heard, president, presided at the business meeting. The following officers were elected: Martha Heard was re-elected president; Pat Dawson—secretary-treasurer; Beatrice Wilhelm — reporter; Cecilia Wilhelm — assistant reporter; Kay Owens — song

(Continued on Page 2)

"I start where the last man left off"
—Thomas A. Edison

Edison, to explain his incessant and tireless reading of scientific journals, technical papers, patents and books, said that he read to avoid useless repetition of old experiments. "I start where the last man left off."

What Edison knew, and perhaps said in an unquoted moment, is that thousands of men would be needed to "start where he left off."

"Just wait a little while," prophesied Edison, "and we'll make electric light so cheap that only the wealthy can afford to burn candles." Edison lived to see lamps that gave four times as much light and cost one-fifth as much to buy. And electric lighting has progressed far beyond that.

He recognized that an invention does not end a search. It begins a search.

The lamp was a beginning in forcing not only its own evolution but the evolution of meters, fuses, sockets, wiring, power distribution systems, transformers and generating stations.

He lived to see the company that was formed to carry on development of electric light and power evolve into one of the world's most important industrial research centers. Today General Electric laboratories employ several thousand men and women who are seeking new things on widely different fronts.

It is seventy-five years since Edison lit the first successful carbon lamp. He will be remembered for inventions that changed the world. But let him be remembered, too, for inspiring so many men to start where he left off.

You can put your confidence in...
GENERAL ELECTRIC

H. D. Chatter

By Argen Draper

Miss Avant and I have been to Panhandle to a meeting with the Food Specialist. It seems the most popular thing now is using dried milk. When I argued about the need of using dried milk, I was alarmed at the few number of families who have milk cows, according to the cow census. Of course, I know some families who buy all the milk they use but didn't know the milk cow population was so low.

When I first started to work the program was the cow, sow, and hen, with the high interest in poultry production. We may be going back to more living at home.

Mrs. Ruth Coleman told us at club the other day when we met at the S. N. Tweak home about making decorative candles from old candles or paraffin purchased for that purpose. She suggested saving old lipstick tubes that have some lipstick left in them to be used for color.

(Continued on Page 2)

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

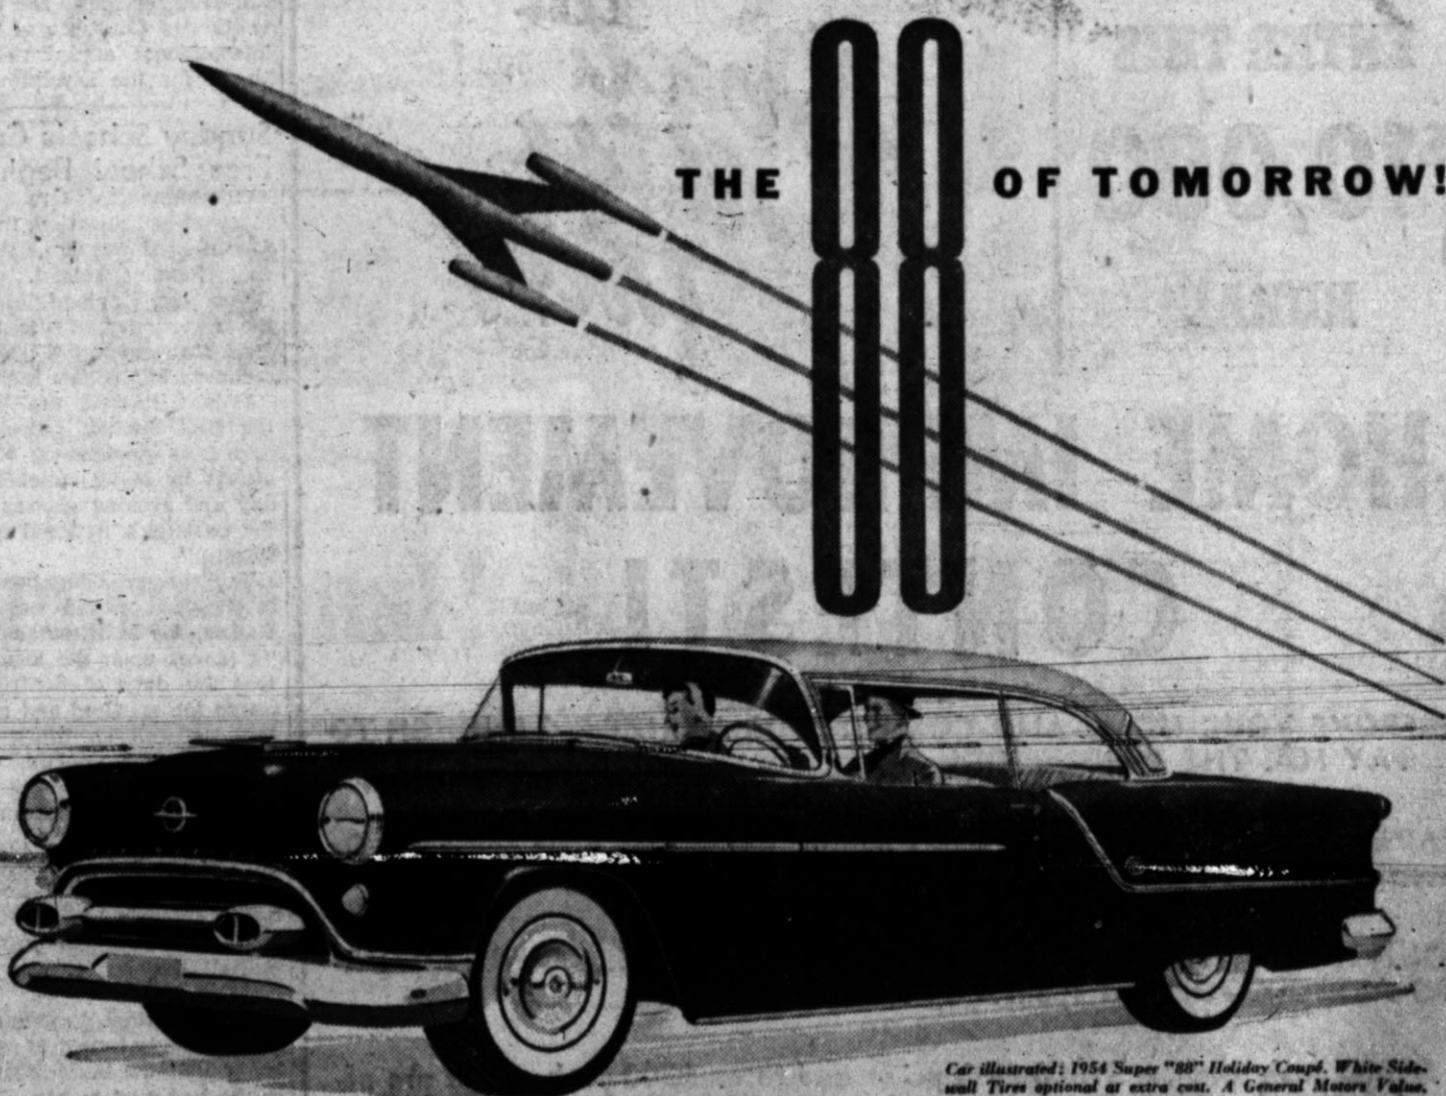

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Spray Pessin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative never goes, gives gentle, comfortable, soothing relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 260, New York 18, N. Y.

WATCH FOR THE NEW NINETY-EIGHT... COMING IN FEBRUARY!

AFTER A BIG MEAL at the Bippus Community House last Sunday, the men sat around and "visited." On the bench at the left are Mrs. Dowd of Amarillo talking to her cousin, Don Fortenberry, who is a student at Texas Tech. Others are, from left, Buddy Bob Campbell, C. L. Homfeld, Frank Rickels, Roy Neaves, Jerry Homfeld, Glenn Hetzler, Jack Fortenberry and Kenneth Homfeld. The foot belongs to Charles Banks. (Staff Photo).

Committee Reports Are Given At Home Demonstration Council

Members of the Home demonstration Council who met in the County Court room Monday afternoon heard Committee reports and recommendations and announcements concerning election of a THDA Chairman for next year and delegates to the District Meeting at Panhandle on April 22.

Roberta Campbell, THDA Chairman, told the group that an election will be called after the Council meeting in March to elect a THDA Chairman and delegates to the District Meeting. She reminded the clubs represented that if their club was to have a vote, it would be necessary for the president and delegate to be present to vote, as the constitution does not allow vice presidents and alternates to vote in these elections.

Training Report

A report was given on the training meeting held in Amarillo early in January. Mrs. Paul Corbett discussed parliamentary law.

Mrs. J. E. Dyer made announcements concerning the Junior Livestock and Poultry Show, February 19-20.

Mrs. T. J. Parsons presided, and Mrs. C. A. Sauley had charge of recreation. Others present were Mesdames E. M. Cox, Jed Stewart, Argen Draper, W. E. Holcomb, John Jacobsen, Sr., Elmer Ayers, Hilmer Harrison, Alfred Reinart, Roy T. Stewart, Kenneth Rudd, J. G. Fortenberry, C. A. Vaughn, Clarence Hollabaugh, Aubyn Hodges, and Dennis Lomas.

Point Four Help On Different Basis Asked By Missions

A national conference of U. S. foreign mission leaders has called on the federal government to restore "Point Four" technical aid to underdeveloped areas of the world on a basis independent of defense maneuvers.

Full U. S. support for similar assistance programs of the United Nations also was urged by 300 delegates to the annual assembly of the National Council of Churches' Division of Foreign Missions. Other resolutions adopted by the delegates, representing 87 Protestant mission boards and agencies, urged that the United Nations, backed by the United States, find just and impartial ways to end Arab-Israel tensions which imperil our world peace; that the U. S. continue full cooperation with the United Nations in trying to solve the problem of stateless refugees throughout the world; and that discrimination on the grounds of race be fully recognized as "inconsistent with the Christian faith."

Evangelism Director Retires To New Work

Dr. Jess Moren Bader, director of the department of evangelism of the National Council of the Churches, retired on Dec. 31 after 34 years dedicated to the cause of Christian evangelism.

He has directed the evangelism program of the National Council since the organization was founded in 1950, and for nineteen years before that he had been director of evangelism for the Federal Council of Churches. Still earlier he directed evangelistic work for his own denomination, the Disciples of Christ.

Beginning January 1 he is giving full time service to the World Convention of Churches of Christ, the international organization he initiated for the Disciples.

Sunday Schools Called Free School Beginning

According to Great Britain's Minister of Education, the Rt. Hon. Florence Horsburgh, the world's first Sunday school, opened in Gloucester, England, in 1780, was the forerunner of the system of free state-supported schools now common in western lands.

Robert Raikes, the founder of the first Sunday school, was reported as envisioning his pioneer efforts as being supplemented by day and evening classes "forming the basis of a national educational system."

The present educational system in England would have pleased Raikes, the Minister said, because "it places upon the local committees the duty of contributing towards the spiritual and moral welfare as well as the mental and physical needs of the children."

Wrong, William READING, Pa. — Mrs. William heard someone moving about on the ground floor of her home.

"Is that you William?" she inquired, thinking it was her husband.

"It is William," came the reply. Mrs. Moyer turned to resume her sleep and saw her husband asleep in the bed next to her.

A quick check revealed several dollars in cash and a watch had been taken from a downstairs room.

Oil Company Device May Chart Texas Shell Reefs

AUSTIN — The Executive Secretary of the Game and Fish Commission said experiments are being made in the hope of adapting a device used by an oil company toward charting the state's valuable shell resources in the Gulf of Mexico.

Shell has become a basic ingredient for many of the large industries along the Gulf Coast, according to the Executive Secretary, who said an accurate inventory of deposits is desirable for that and other reasons.

He added that an improved method of charting the shell reefs would eliminate the old hit-and-miss method which has made it difficult to properly protect fish life resources and would generally help conserve a vital natural resource.

The Executive Director said the experiments are under the supervision of C. W. Reid, Chief Biologist for the Commission, with headquarters at the Marine Laboratory in Rockport. The Magnolia Petroleum Company would provide the equipment.

American Dairy Cattle Now Grazing In Iran

Cowbells sent from Switzerland adorning heifers sent from America, are ringing out on the grasslands of Iran. On each bell, engraved in Persian, is the phrase, "To the people of Iran from the people of the United States."

Some of the bells will be used by the brown Swiss bulls which sailed out of New Orleans on September 6 for Iran. The "cowboys" who fed and watered these cattle on the "S.S. Columbia Heights" are Ohioans Paul Overcash of Arcanum and Laurel Bauman of Bluffton.

Another shipment of cattle was assembled at Delaware, Ohio, where there was a radio broadcast of the dedication services. Dr. C. L. Blackman, professor of dairy science at Ohio State University, made the presentation speech, while David Senehi, Iranian student at Ohio Wesleyan, responded on behalf of the people of his country.

TV Bored Convicts

FOLSOM PRISON, Calif. — All California State prisons now have television, but many convicts still are bored. Warden Robert A. Heinze, acknowledging a gift of six TV sets from movie producer Walter Wanger, said Folsom was the last of the State prisons to acquire TV.

"Most of the prisoners like it," Heinze commented. "But a good many don't seem to be interested at all."

Funeral Record

BUTTE, Mont. — William O. Gilbert, World War I veteran has participated in 2,600 military funerals during the past 33 years as a member of the Silver Bow Post of the American Legion.

(Continued from Page 1)

Our poultry meeting Saturday afternoon was well attended. Those present are enthusiastic about the poultry division of the Livestock and Poultry Show to be held February 19 and 20.

Congratulations to the Hereford Rotary Club for its fine program in developing good citizens in the younger generation.

We talk often of "mending men" and "patching broken lives." I think it is just as important to help make outstanding personalities of people who would otherwise be ordinary. Youth leaders should see that young people use all their talents and develop them to the maximum.

Clubs Continue Programs On Care Of Sick Child

Every mother is at some time faced with the problem of keeping a child who is ill entertained. The responsibility is more difficult if the patient feels well enough to be active but must remain in bed for some reason.

Concern for her child and fatigue may cause the mother to be slow about thinking up ways to keep the youngster occupied, and for that reason it is advisable to have some ideas at hand in case such an emergency arises.

Clubs studying the program on "Keeping a Sick Child Happy" are:

Westway

Although a stereoscope may have been outmoded in the living room by the radio and television, it can still be a source of entertainment to a sick child. Mrs. George Turrentine told members of the Westway Home Demonstration Club when they met with Mrs. Paul Rudd last week. Mrs. Turrentine also suggested cutting out pictures from magazines as a means of keeping a sick child happy.

Mrs. Kenneth Rudd and Mrs. C. A. Saucy assisted Mrs. Paul Rudd as hostess.

In the absence of Mrs. P. B. Howell, Mrs. Kenneth Rudd presided at the business meeting. Mrs. G. C. Merritt had charge of the opening exercises, and Mrs. Saucy gave the council report. Mrs. Charles Owen was appointed assistant reporter.

Those attending were: Mesdames Mary D. Coleman, Bertha Crager, Darlene Jones, Irene Merritt, Mary Morrison, Maribon Owens, Fannie Rudd, Oneta Rudd, Jessie Saucy, Marjorie Thomas, Johnnie Turrentine, Dell Walton and Lizzie Wilson.

The next meeting will be in the home of Mrs. Saucy on February 11.

Cultural

One suggestion for keeping a sick child happy is to make a bird feeder outside the bedroom window where the child can watch the birds feed. There were a number of other good suggestions brought out by leader Mrs. Pat Robinson when the cultural H. D. Club met in the home of Mrs. Herbert Bellar on January 28.

The president, Mrs. Louie Olson, had charge of the meeting. After the business meeting was finished, refreshments were served to: Mesdames Ed DeHart, W. E. Holcomb, Louie Olson, Leona Packard, Grady Parsons, J. T. Richardson, Pat Robinson, Edgar Telchik, Ira Scott, Arnold Hershey, and one visitor, Mrs. Story.

Wyeche Home Demonstration Club
Making yarn dolls, paper cutouts, book markers, and round circles of material gathered for pillow tops were some of the things suggested by Mrs. Wayne Newman to "Keep a Sick Child Happy" at the regular meeting January 21.

The club met in the home of Mrs. Bob Baird with Mrs. Edwin Hood as co-hostess.

Other members attending were Mesdames: N. L. Dewitt, C. C. Ellis, E. C. Hewitt and H. L. Ward.

Landscaping

West Hereford

After the covered dish luncheon for members of the West Hereford Home Demonstration Club who met with Mrs. John Jacobsen last Tuesday, Argen Draper gave the program on "Planning Home Grounds" and shrub identification.

Those attending the luncheon were: Mesdames P. H. Luck, Ed. Bowe, Verna Witherspoon, Roy Boyd, Ulfys Pierce, N. D. Hood,

ON THE LONG TABLE is still plenty of food after the crowd which attended the Fifth Sunday Singing at Bippus had reached its capacity and retired to visit. Mrs. Jack Fortenberry stands between Mrs. C. F. Homfeld, left, and Mrs. Frank Rickels.

Ed Cox, Ida Mae Vaughn, Carlos Vaughn, Tom Draper, N. C. Vogel, and a guest, Miss Evelyn Bell.

Dawn

The Dawn Home Demonstration Club met Friday January 15 in the home of Mrs. L. W. Loerwald.

Yearbooks were filled in and duties of the THDA Chairman were studied.

Council Report was given by Mrs. A. A. Reinart. The next meeting will be with Mrs. Orval Galley on February 5.

Refreshments were served to the following: Mrs. Loyd Bentley, Jed Stewart, R. T. Stewart, T. L. Sparkman Jr., Lula Botsford, Argen Draper, H. S. Fuller, J. M. Carathers, A. A. Reinart and the hostess, Mrs. Loerwald.

Bippus Home Demonstration Club
Bippus Home Demonstration Club met with Mrs. G. V. Hall as hostess. Six members and two guests were present. Mrs. Elmo Hall, president, was in charge of the business session.

Christine Fortenberry made the roll call, which was answered by a subject from the yearbook. She also read a letter to the club from Boy's Ranch. Bippus took Boy's Ranch as their project for the year and will visit them soon to deliver some cup towels, the club has made for the boys.

The club voted to give a donation to the March of Dimes.

Mrs. Argen Draper gave a demonstration on how to landscape home grounds.

Mrs. Draper and Mrs. Elmo Hall showed the club pressed leaves of shrubbery and identified them.

The next meeting will be with Christine Fortenberry on February 10.

Those present were Mesdames G. V. Hall, Elmo Hall, Roy Reeves, C. F. Rickels, J. G. Fortenberry,

Long Time Ago

45 Years Ago

There seems to have been a slight falling off in the number of poll tax payers in the state, a decrease of about four percent having been reported to the Dallas News. Dallas county reports the largest number, 14,985. Tarrant County 14,000, while Bexar comes next with 13,533. The total number reported so far is 473,811 polls. On this basis there should be 500,000 qualified voters in the state for 1908. Deaf Smith County issued 463, a loss of 7 from 1908. Hereford issued 265, a gain of 75 polls. There should have been a big increase in the county and the city should have had not less than 325 poll tax payers.

During the month of January, immigration has kept pace with former records of 1908. The total number of cars unloaded at Hereford will exceed twenty-five, coming from half a dozen different states: Indiana, Illinois, Iowa, Missouri, Wisconsin, Nebraska and other states.

If all the towns of the Panhandle are receiving their share of the immigration, and it is safe to conclude that they are, this section of the country alone has received some 2000 car-loads during the last 90 days.

25 Years Ago

Three exciting basketball games were played in the new Panhandle High basketball gym last Friday and Saturday night when the Hereford boys and girls teams invaded

Fifty Being Enlisted For African Service

Some fifty young men and young women are now being enlisted by the Board of Missions of the Methodist Church to form a "Fellowship of Christian Service for Africa" — to train for African missionary service in the summer of 1954, embark the following fall, and remain in service for three years.

They will be teachers, nurses, farm instructors, religious workers, etc. Each must be a college graduate, single, and under 28 years of age. Service will be in north and central African countries.

Miss Marguerite Twinem, 150 Fifth Ave., New York City, is recruiting the young women; Dr. M. O. Williams, of the same address, the young men.

the Carson County metropolis. On Friday the Hereford teams took both games, but Saturday night the boys turned the tables and the Whitefaces were beaten.

After weeks of study, and canvassing and investigation the proposed Hereford Creamery project now assumes definite shape. It was announced Tuesday by officials of the new concern that the obstacles in the way of building for the creamery have been removed. Financial details have been agreed upon and there is nothing now in the way of beginning construction work on the building. The little group of men who have stood shoulder to shoulder through all the difficulties of the past are rejoicing this week that the main puzzle has been solved.

Goals Are Given After Broadcast

When the Rev. H. Ellis Plyler, of Akron, Ohio, rural co-ordinator for Puerto Rico under the National Council of the Churches of Christ in the U. S. A., appeared on the Columbia Broadcasting Company's program known as "Dwight Cook Guest Book," he told of his work in making livestock available to pastors for improving the stock in local communities, of his distribution of garden seeds, and the loaning of his tractor to farmers.

One of his projects is the loaning of goats to poor families for milking and breeding purposes. In a hotel room in Kansas City, Mo., Thurl Metzger, executive of Heifers, Inc., which has furnished livestock for better breeding in European countries, heard the broadcast, and offered 600 purebred goats from American farmers for Mr. Plyler's use among the Puerto Rican people.

The first 300 goats are now arriving in Puerto Rico by airplane.

Off-Track Bets Urged

NEW YORK (AP) — New York City's new administration may press for a law making it illegal for you to post bets on horse races at the corner drug store.

Fish Breaks Record

DALLAS (AP) — In 34 years of diving Mrs. Clarence Kimber has never dented a fender. Then she bought a gold fish in a small cation of water. She put it on the front seat of her car.

As she rounded a curve on the way home, the car started to slide off the seat.

Mrs. Kimber grabbed for the fish, the car jumped a curb and smashed into a tree. It cost \$50 to repair.

The gold fish lost its water supply and apparently was dead by the time Mrs. Kimber got home. She put it on the kitchen drain board and forgot about it. Some time later she put the fish in water. It revived and was apparently none the worse for wear.

Mesdames Ed Warren, Reed Williams, Jim Lipscomb and A. L. Manjoot were in Amarillo Friday to see the movie production of "The Robe."

BEAUTY TREATMENT THAT GIVES 19% MORE VISIBILITY

New back-swept windshield on all 1954 Buicks is the latest note in modern styling, and a big step-up in your view of the road ahead.

Even the price is sensational!

As you look at it, you can see a lot of what makes this new 1954 Buick SPECIAL so sensational.

You can see the long, low, sleek and ultra-glamorous lines that add up to the biggest automotive styling change in years.

You can see the remarkable new windshield with the back-swept corners — greatest visibility improvement since closed cars came on the market.

But what you can't see — till you drop by for a visit — is the sensationally low price of this car — a local delivered price that's just a few dollars more than those of America's "low-price three's."

And you can't see — sitting where you are now — the rest of the great automobile that's yours for so low a figure.

The spectacular power of this SPECIAL's brand-new V8 engine. The honest six-passenger roominess. The truly modern interior luxury. The superb new handling ease. The sublime comfort of Buick's famed Million Dollar Ride — now steadied even more by a newly developed front-end geometry.

Fact is, there's so much that's terrific about this new glamor car, you ought to drop in and give it a really thorough study and sampling.

That way you'll prove to yourself that the buy — and the thrill — of the year is Buick. Come in this week, won't you?

This **BUICK V8** — the 1954 SPECIAL — 2-Door, 6-Passenger Sedan — delivers locally for just a few dollars more than the "low-price three's!"

Woman Who Taught In Japan Speaks Friday Night At Dawn

Miss Esther Plank, daughter of Mr. and Mrs. E. E. Plank of Canyon, will be guest speaker at a meeting sponsored by the Parent Council of Dawn School at Dawn Friday night at 8 o'clock. Her subject will be "What Women of Japan are Doing to Improve Their Status."

She will also have an exhibit of a Japanese woman's traditional dress.

Miss Plank, who is now a member of the Amarillo public schools faculty, lived in Japan from 1947 to 1951.

The first year she taught American children of 5th Air Force personnel in Nagoya, Japan, which is south of Tokyo eight hours by train. The second year she became Assistant Education Officer in the civil education program of the Military Government. She worked in education for Japanese women, in school and community, and in Japanese elementary education in Yokohama area. In 1949 and 1951 she was in the

Tokohoe region in the same capacity, with special emphasis on Japanese community and school adult education. After that Miss Plank was transferred to Okinawa in the same type of position.

She acted as director of Naha Cultural Center, which is a channel for programs in establishing favorable relations between Okinawans and Americans and encouraging participation in community affairs and in local and central government.

Functions and goals of U. S. Civil Administration and the new Ryukyuan Central Government and the United Nations will be explained.

Black News

By Carrie Tatum
Pat Deaton SO2 stationed at San Diego, Calif., arrived Saturday to spend a 20 day leave with his parents, Mr. and Mrs. K. E. Deaton, and sisters, Betty, Barbara and Veronica.

Lou and Ann Christin spent the weekend with the Fern Barnetts. Mr. and Mrs. Pete Braxton, Jim and Ray were weekend visitors with friends at Shamrock. Mr. Braxton visited his old home while there and visited with friends he hadn't seen in 20 years.

The Black Grain Company has been sold to farmers and is called the Tri-County Grain Company, with Pete Braxton as manager.

Visited in Hereford
Mrs. H. H. Elmore and Mrs. Dick Rocky were visitors in Hereford Monday.

Mrs. Glenn Floyd and children, Geneva, Ivey and Marie Hinds visited with Mrs. R. E. Barnett Monday.

Mrs. C. D. Greeson and family spent Sunday with Mr. and Mrs. John Hand and family.

Mr. and Mrs. Vernon Christin are spending the week at Carlsbad seeing the caverns and other points of interest in New Mexico. Billy Warrick of Hereford visited Neal Greeson Sunday.

Score, Zero Zero
ALBUQUERQUE, N.M. (AP)—The State Fair Board was supposed to meet to open bids on a new coliseum.

None of the board members showed up. Neither did the State Fair manager. No bids were received. And even if there had been bids, board members have said they aren't inclined to build the coliseum at this time.

Wrong Identification
EL DORADO, Ark. (AP)—Police here booked a man for drunkenness after they found him wearing a dog collar, complete with name and address.

Donna Caylor of Hereford attended the ballgame at Shamrock Friday night and spent Saturday and Sunday with Mr. and Mrs. J. R. Oglesby at Mobeetie.

The Bill Tucker family moved last week to the Wesley Cox place. The G. H. Harper family moved to the Cox place north of Canyon.

Alfred May III
Alfred May is ill in the Deaf Smith County Hospital. He has been there since Thursday of last week.

Linda Barton underwent a tonsilectomy at Deaf Smith County Hospital Saturday.

Mr. and Mrs. Zed Stewart spent the weekend visiting the Boyd Stewarts at Pampa.

Mr. and Mrs. Palmer Norton attended the funeral of Mrs. Norton's uncle at Electra last Thursday. They went on to Weatherford and drove Mr. and Mrs. Ezra Norton home. Mr. Norton is recuperating from recent surgery at Temple.

Mrs. S. A. Caraway of Hormosa Beach, Calif., is visiting in the home of her daughter and son-in-law, Mr. and Mrs. Palmer Norton. David and Nelda Norton spent several days in the home of Mr. and Mrs. Hugh Grimes while the parents were away.

Plans Now Underway For Hospital Annex

Plans are under way for construction of a \$100,000 annex to Sanatorio Palmore in Chihuahua, Mexico, a Methodist hospital and nurses training school. Funds are to be provided by the Woman's Division of Christian Service and the Division of World Missions of the Methodist Church, joint sponsors of the institution.

The 49-bed hospital is small but well-equipped and staffed. It is recognized throughout Mexico for its fine service without regard to creed or financial status. Last year, 2,624 patients were admitted to the hospital, and approximately half of them underwent surgery.

Over 18,000 out-patients were treated. Miss Pearl Hall, R. N., of Richmond, Va., is director of the nurses training program.

Service A&M College

Recipe of the Week
Basic Quick Mix

8 cups sifted all-purpose flour
1 cup nonfat dry milk solids
2 teaspoons salt
1/4 cup double-acting baking powder
1 1/2 cup shortening

1. Sift dry ingredients together three times.
2. Cut in shortening until evenly distributed and the mixture resembles coarse corn meal. Store in canister in cool place. You will find this ready-to-use mix very convenient. Makes 9 1-3 cups.

Baking Powder Biscuits
2 cups basic quick mix
1/2 cup water
1. Add water to mix. Combine

until dough follows fork around bowl.

2. Turn out onto lightly floured board. Knead gently 5 times. Roll or pat to 1/4 inch thickness. Cut into desired biscuit shapes.

3. Place on ungreased baking sheet. Bake in hot oven (450 degrees F.) about 10 minutes. Makes 12 1 1/2 inch biscuits.

Timely Tips

1. Basic Quick Mix makes good pancakes—to 2 cups of the basic quick-mix, add 4 tablespoons of melted shortening, 2 eggs and 1 cup water which have been mixed thoroughly.

2. Plentiful foods for February are potatoes, onions, cabbage, dry beans, oranges, grapefruit, raisins, dairy products, peanuts and peanut butter.

Conditions Improving In State Hospitals

AUSTIN—The Texas Tuberculosis Association which in past years has been sometimes critical of patient care in state-operated TB hospitals heard that conditions in those institutions show improvement.

The report came from its hospitals committee headed by Dr. Daniel E. Jenkins of Houston.

While criticism was not withheld and reports on each of the four hospitals varied, the survey said they found reassurance in administrators' efforts to improve patient care.

Their December study was the most recent of three such annual surveys conducted by the committee, primarily composed of chest physicians.

General progress in medical care was noted as was improvement in the hospital's physical plants. However, the TB specialists found many difficulties plaguing the administrators. Most of these were attributed to salary ceilings which prove inadequate to obtain trained personnel.

Dr. R. G. McCorkle of San Antonio presided at the quarterly meeting of the statewide organization is dedicated to tuberculosis control.

Wildlife Goes Theatrical

PEORIA, Ariz. (AP)—For weeks an unscheduled performer roams the Peoria Theater. Left-over popcorn mysteriously was gone when janitors went to clean.

Then, one day, the wild ring-tailed cat decided to come out into the open and was captured.

Dawn News

By Bertha Frye

Rev. and Mrs. Paul McClung and Mrs. Carl Wimberley drove to Marlin Monday night after receiving word that Carl Wimberley, who has been spending several weeks at Marlin receiving medical treatments, had to undergo an operation. The McClungs returned home Wednesday night and Mrs. Wimberley remained at Marlin.

Doyle Joe Fuller, 5, met with an accident last Friday evening when he was struck in the eye with an arrow while he and his brother were playing with an archery set. Doyle Joe was rushed to the Nebelst hospital at Canyon. He is reported doing well.

Friends Visited

Mr. and Mrs. Charles Corder of Pettit were in Dawn over the weekend visiting friends and old neighbors. They were supper guests of Mr. and Mrs. J. M. Carthers, Saturday night, overnight guests Saturday night of Mr. and Mrs. George S. Parker and Sunday dinner guests of Mr. and Mrs. Walt Beavers.

Mr. and Mrs. William Wimberley had as dinner guests Sunday Mr. and Mrs. E. A. Oberst Sr., of Canyon, Mr. and Mrs. Elmer Oberst, Velda Jean and Elmer Al, of Canyon, Mr. and Mrs. H. F. Axtell, Cheryl Ulynn, Lana Gay and Etwila Jade of Sunnyside and Wanda Sue, Phyllis Ann and Ted Wimberley.

'Teenagers' Party

The Daniel community 4-H Club girls sponsored a party at the Dawn School house Friday night with approximately thirty 'teenagers' present.

Mrs. Melvin May spent last weekend in the home of her mother, Mrs. J. R. Cathy, in Jal. N. M.

Overnight guests Wednesday in the home of Mr. and Mrs. Billie Gill were Mrs. Loy Lambert, her son-in-law and daughter, Mr. and Mrs. Lloyd Haven and three children, who left Thursday for their home in California.

Mr. and Mrs. J. B. Caraway and children spent the weekend visiting Mr. and Mrs. Obed Caraway at Pampa, Mr. and Mrs. Robert Oglesby at White Deer and Mr. and Mrs. J. R. Oglesby at Mobeetie. They returned home Monday.

Mrs. Sam Nafzger of Hereford was a visitor Tuesday-in the R. A. Frye home.

Steve and Charles Parker of Hereford spent Friday night and Saturday in the home of their grandparents, Mr. and Mrs. George S. Parker.

Mr. and Mrs. Walter Galley and Irene were Sunday guests of the Clifford Galleys in Happy.

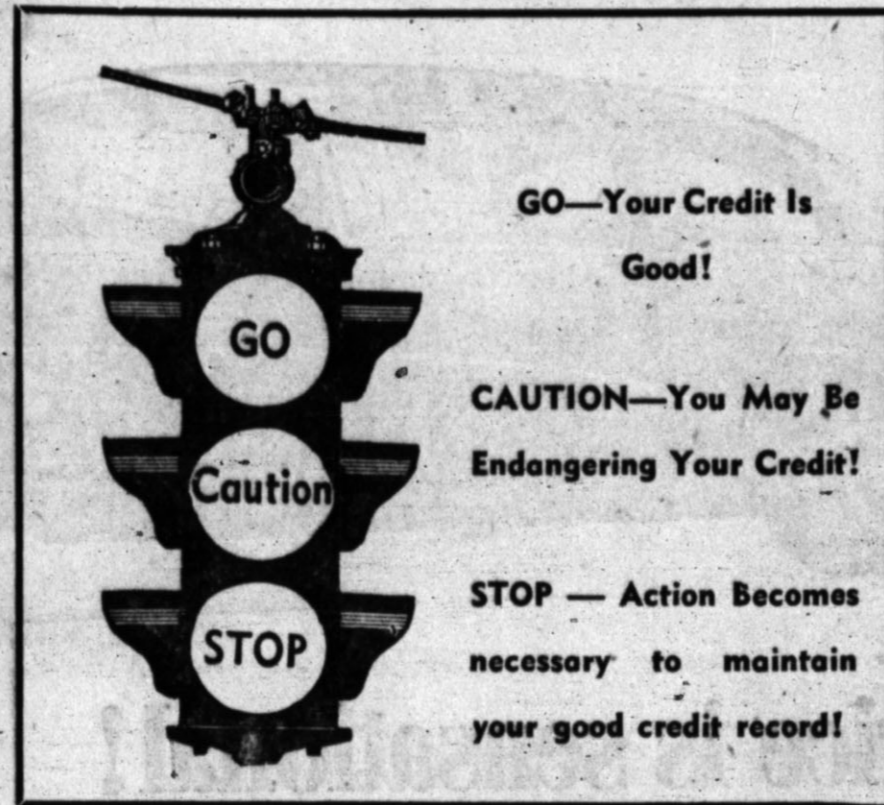

Mr. and Mrs. Reece Stewart and Rosemary, Ralph Atchley and

Time Lost Eating
NEW YORK (AP) — You either leave your watch with the cashier, or have trouble with it, when you take a table along the south wall of the old La Fayette restaurant in downtown Manhattan.
Electric utility dynamos, which have operated for 50 years in an adjacent building, have built up such strong magnetism on the restaurant's south side that it makes watches go haywire.

Two Stories Told Of Polish Church

Two somewhat contradictory stories concerning the Christian churches behind the iron curtain in Poland have reached the United States press in recent days.
One, from the Polish Embassy in Washington, D. C., announces that the supreme council of the Evangelical Augsburg Church (the largest Protestant body in Poland) meeting in Warsaw "has strongly condemned efforts abroad to use religious groups within the country for hostile political purposes." The other report, from London, Eng., tells of the meeting in that city of the "first synod of Polish Lutherans ever held outside of Poland."
This synod elected the Rev. Wladyslaw Fierla — a former prisoner of the Nazis, a member of the Polish underground, a chaplain in Italy, now in exile in England — as bishop of the Polish Lutheran Church-in-exile; and its resolutions condemned "any violence and any kind of injustice against human dignity."

Conference On Leprosy Will Be Held In Dallas
Under the auspices of the American Leprosy Missions — formerly the American Mission to Lepers — some 500 of the world's leading personalities concerned with the cure and eradication of leprosy will meet in conference in Dallas, Texas, April 26 to 28.
Included in the conference will be leprologists from America and from overseas, representatives of the U. S. Public Health Service, missionary doctors from all continents, and specialists from governments where the disease is prevalent. There will be reports from the International Leprosy Congress in Madrid, the International Christian Leprosy Conference in Lucknow.

Church Council Gives Suggestions About Prejudices

"Children have no 'natural' prejudices," says the Division of Christian Education of the National Council of Churches. "Contact with persons of other racial and national groups helps children learn that real worth is not based on physical appearances."
The Division suggests that parents "watch for and plan occasions that will help children begin early to understand the spirit of brotherhood within God's world-wide family."
They also suggest that parents express their love for their children "warmly, provide freedom from anxiety and fear, give a child things of his own and a place to keep them, let children share a definite role in the family life, give youngsters a chance to create and enjoy beauty, clarify a child's ideas about religion and the Bible, and provide everyday experiences in Christian living, service and worship."

Chicklift Program Sends Second Batch To Egypt
Many children's groups across the United States are contributing to "Operation Chicklift." On November 23, some 37,000 chicks went sailing through the skies to Egypt, under the specific care of Robert Messner of Harrisonburg, Va.
One of Mr. Messner's duties on arrival in Egypt was to inspect the earlier "sailing" of 65,000 chicks, now chickens, that were sent out in March, 1953.

Evangelism Center Dedicated In Japan
A new building for the Kyushu Newspaper Evangelism Center in Fukuoka, Japan, was dedicated recently. This is an interdenominational building of five stories in a downtown section of the metropolis of the Island of Kyushu.
The Kyushu newspaper evangelism program publishes and distributes Christian literature throughout the Island. The Reformed, Methodist, and Presbyterian Churches from America have been cooperating in the erection of this building and in the promotion of this work, under the leadership of the Rev. Boude C. Moore, a missionary of the Reformed Church.
All these denominations are cooperating with the united Church of Christ in Japan.

Experts On Hand
LINCOLN, Neb. (AP) — When fire broke out at the Nebraska state capitol the blaze was in a janitor's storeroom right next door to the state fire marshal's office. Damage was slight.

Planes Replace Men
BOZEMAN, Mont. (AP) — Shepherders, once scarce and expensive in eastern Montana, no longer are in demand there. An Albion area sheepman, James Courtney, says sheepmen in his area have fenced their ranges and use airplanes to herd their sheep.

Hill County Men Rounded Up For Selling Deer

The Director of Law Enforcement for the Game and Fish Commission reported that a group of Hill County men had been rounded up for selling deer, along with persons who bought the game.
The cases, resulting from the recent big game hunting season, involved sixteen defendants in all. Approximately \$2,000 in fines and court costs were levied on charges made before San Saba Justice of Peace Joe S. Clark.
Charges were filed against participants in San Saba, Abilene, Jacksboro and Bastrop. The specific complaints included selling deer, buying deer, exceeding the bag limit on deer, possession of deer bearing illegal tags, and offering deer for sale.
The largest individual fine was against a San Saba resident. He paid \$675 in fines plus costs for selling deer, exceeding the bag limit on deer and possessing deer with illegal tags or without any tags at all.
The roundup was aided, according to the Director, by the two-way radios with which most wardens' cars are now equipped.
Officers aiding in the case were Game Warden Supervisor John R. Wood, Brownwood; D. W. (Blackie) Bowers, San Saba; Junior Briggs, San Saba; Ellis Martin, Llano; J. C. Moore, Llano; Bill Bennett, Brady, and J. D. Jones, Abilene.

The cases highlighted the monthly arrest report, showing 483 cases and \$17,144.77 in fines and court costs. Some items on the report included: 47 complaints for night hunting; 28 for hunting from cars; 22 for killing doe deer; 21 for killing fawn or spike buck deer; 17 for killing deer in closed season; 10 for headlighting game animals, and 10 for hunting in closed season.

Included in the conference will be leprologists from America and from overseas, representatives of the U.S. Public Health Service, missionary doctors from all continents, and specialists from governments where the disease is prevalent. There will be reports from the International Leprosy Congress in Madrid, the International Christian Leprosy Conference in Lucknow.

Church Council Gives Suggestions About Prejudices

"Children have no 'natural' prejudices," says the Division of Christian Education of the National Council of Churches. "Contact with persons of other racial and national groups helps children learn that real worth is not based on physical appearances."
The Division suggests that parents "watch for and plan occasions that will help children begin early to understand the spirit of brotherhood within God's world-wide family."
They also suggest that parents express their love for their children warmly, provide freedom from anxiety and fear, give a child things of his own and a place to keep them, let children share a definite role in the family life, give youngsters a chance to create and enjoy beauty, clarify a child's ideas about religion and the Bible, and provide everyday experiences in Christian living, service and worship.

Chicklift Program Sends Second Batch To Egypt
Many children's groups across the United States are contributing to "Operation Chicklift." On November 23, some 37,000 chicks went sailing through the skies to Egypt, under the specific care of Robert Messner of Harrisonburg, Va.
One of Mr. Messner's duties on arrival in Egypt was to inspect the earlier "sailing" of 65,000 chicks, now chickens, that were sent out in March, 1953.

Evangelism Center Dedicated In Japan
A new building for the Kyushu Newspaper Evangelism Center in Fukuoka, Japan, was dedicated recently. This is an interdenominational building of five stories in a downtown section of the metropolis of the Island of Kyushu.
The Kyushu newspaper evangelism program publishes and distributes Christian literature throughout the Island. The Reformed, Methodist, and Presbyterian Churches from America have been cooperating in the erection of this building and in the promotion of this work, under the leadership of the Rev. Boude C. Moore, a missionary of the Reformed Church.
All these denominations are cooperating with the united Church of Christ in Japan.

Experts On Hand
LINCOLN, Neb. (AP)—When fire broke out at the Nebraska state capitol the blaze was in a janitor's storeroom right next door to the state fire marshal's office. Damage was slight.

Planes Replace Men
BOZEMAN, Mont. (AP)—Sheepherders, once scarce and expensive in eastern Montana, no longer are in demand there. An Albion area sheepman, James Courtney, says sheepmen in his area have fenced their ranges and use airplanes to herd their sheep.

Hill County Men Rounded Up For Selling Deer

The Director of Law Enforcement for the Game and Fish Commission reported that a group of Hill County men had been rounded up for selling deer, along with persons who bought the game.
The cases, resulting from the recent big game hunting season, involved sixteen defendants in all. Approximately \$2,000 in fines and court costs were levied on charges made before San Saba Justice of Peace Joe S. Clark.
Charges were filed against participants in San Saba, Abilene, Jacksboro and Bastrop. The specific complaints included selling deer, buying deer, exceeding the bag limit on deer, possession of deer bearing illegal tags, and offering deer for sale.
The largest individual fine was against a San Saba resident. He paid \$675 in fines plus costs for selling deer, exceeding the bag limit on deer and possessing deer with illegal tags or without any tags at all.
The roundup was aided, according to the Director, by the two-way radios with which most wardens' cars are now equipped.
Officers aiding in the case were Game Warden Supervisor John R. Wood, Brownwood, D. W. (Blackie) Bowers, San Saba; Junior Briggs, San Saba; Ellis Martin, Llano; J. C. Moore, Llano; Bill Bennett, Brady; and J. D. Jones, Abilene.
The cases highlighted the monthly arrest report, showing 483 cases and \$17,144.77 in fines and court costs. Some items on the report included: 47 complaints for night hunting; 28 for hunting from cars; 22 for killing doe deer; 21 for killing fawn or spike buck deer; 17 for killing deer in closed season; 10 for headlighting game animals, and 10 for hunting in closed season.

Time Lost Eating
NEW YORK (AP)—You either leave your watch with the cashier, or have trouble with it, when you take a table along the south wall of the old La Fayette restaurant in downtown Manhattan.
Electric utility dynamos, which have operated for 50 years in an adjacent building, have built up such strong magnetism on the restaurant's south side that it makes watches go haywire.
