Dodson Named Director For Water District

V. E. Dodson was elected a member of the board of directors of the High Plains Underground Water Conservation District at a meeting recently held in Lubbock.

At the election meeting, the directors passed a resolution for the holding of elections to bring counties into the water district which are within the boundaries, but are not actively participating. These counties are: Swisher, Oldham, Erbsco, Crosby, Dickens, Garza and Terry.

Educational Programs

The board also passed a resolution to the effect that educational programs, designed to acquaint water users with the district functions and benefits, would be conducted in community cities of counties not participating. District Manager Tom McFarland will be in charge of the meetings.

It was also resolved that the board would start any possible action with Agricultural Stabilization and Conservation to provide a loan fund for farmers to use in installing underground tile or the purchase of aluminum pipe to be used in exceptionally sandy areas where underground tile is not too satisfactory. The board members explained it is their thinking that the underground tile system of irrigation is one of the greatest water conservation measures on the High Plains.

Small Stuffed Animal Needed By Play Cast

Help! The cast of "The Blue Teapot," one-act contest play being produced by the local high school, is calling for help!

They need a stuffed squirrel or other small animal or bird by next Wednesday. If you know where one can be found, please call the principal's office at the High School and tell them where they can pick it up.

Included in the play cast are: Georgia Lewis as Cynthia; David Stanton as Jimmy; Lotus Root as Ma; and Pickens Moore as Pa.

On the technical staff are: Kenneth West, stage manager; Wanda Kirksey, student director; and Patsy Childers, properties manager. Mrs. Elmer Patterson is directing the play which will be produced in assembly on March 25, and in the district contest at Canyon March 27.

Around Town

Huey (Junior) Casey, son of Mr. and Mrs. Herman Casey wrote his parents that he was leaving Japan and going to Manila and then on to China. It is believed that he is on a ship bound for Manila, by the time Casey, who is stationed aboard a destroyer, was formally discharged but it now is a possibility.

Men's Fellowship meeting will be held at the Assembly of God Church Monday night at 7:30 o'clock. Supper will be served at the meeting. Every man in the community is invited to attend.

Mrs. T. E. Prickett is reported to have been doing a wicked Charleston at the Beta Sigma Phi flapper party Tuesday night at the Jaycee Clubhouse. Unfortunately, it was "no photographers allowed." At least, no news-photographers.

The Farm Bureau will have another public auction March 27 starting at 11 o'clock. This auction will be held at the same location as the last, on Highway 60, back of Gifford-Hill Western. Free coffee will be served, and lunch will be served by the ladies of the Farm Bureau.

A history of Lent and the Catholic regulations for the Lenten season were discussed by Rev. Bartholomew Faytas at the Hereford Rotary Club meeting Monday in Hotel Jim Hill. Frank Bezner was program chairman.

A SUPPOSED MANIAC springing up from a couch can get others moving in a hurry. At least this scene from the High School Senior play shows some rather rapid movement on the part of the other members of the cast. First performance of the play will be given tonight in the High School auditorium the second and last performance Friday night at the same

place. Plot of the comedy is centered around the search for some \$15,000 which is hidden in the house, which is being used, temporarily, as a treatment center for supposed mentally-ill persons, all of whom are actually searching for the hidden money. (Staff Photo)

Seniors To Present Comedy Two Nights

A three-act comedy, "Bolts and Nuts," will be presented at 8 o'clock tonight and Friday night by the Hereford High School Senior class in the High School auditorium.

Admission prices will be 60 cents for adults and 40 cents for students.

Mystery, romance, and laughs will be involved when a dozen people hunt for a sum of \$15,000 which is supposed to be hidden somewhere on the premises. The "Bolt Sanitarium" is an unusual setting for such a situation. When a group of nuts get together trying to find the hidden treasure, one can never imagine all that can go on.

The cast includes: Sue Barnard as Benita Bolt, Cecilia Wilkins as Lottie Spinks, LaJean Latham as Rebecca Bolt, Ann Jo Southall as Martha Grubb, Tommy Woodford as Twink Starr, Duwayne Wallace as Dr. Hippocrates Joy, Phillip Sharp as Henry Goober, G. W. Suggs as Phineas Plunkett, Marilyn Legg as Miss Prunella Figg, Charles Quattlebaum as Cadwallader Clippy, Nan Longbottom as Mrs. Gertie Glossop, Johnny McIver as Wilbur Glossop, Robert Miller as Jack Gordon.

"Bolts and Nuts" is under the direction of Mrs. Fae J. Lowry and W. C. Quattlebaum.

Technical Staff

Technical staff includes: Wynogene Sowell, properties; Martha Heard, house manager; David Stanton, Mary Durham and Dorothy Veigel, publicity; Mary Dur-

Lions Beat Bushes For Votes For Close

Members of the Hereford Lions Club are beating a path to the door of every other Lions Club in this district in their campaign to get Hereford Lion Harold Close elected district governor. One club went to Lubbock Tuesday, and another bunch traveled to Brownfield Wednesday as they spread the word of Lion Close's abilities.

Sunday Afternoon Collisions Cause \$175 In Auto Damages

Approximately \$175 damage was done to cars involved in minor collisions in Hereford Sunday afternoon.

The first accident occurred about 12:30 o'clock Sunday afternoon at the intersection of Park Avenue and Avenue F. A 1953 Ford driven by Wylajean Quattlebaum, 615 Union Avenue, was going east on Park Avenue and was attempting to make a left hand turn from Park Avenue on to Avenue F when a 1952 Plymouth driven by Johnny Lee Burden of Mulleshoe attempted to pass the Ford. The Plymouth struck the Ford in the left side.

Approximately \$75 damage was done to the Ford and \$75 damage done to the Plymouth.

Burden Charged

Burden was charged with passing in a school zone and at an intersection.

About 100 feet south of Second Street on Main at 5:45 Sunday afternoon the second collision occurred.

ham, Nancy Patterson and Lotus Root, make-up; Lu Durham, tickets; Kenneth West, stage manager and Norma Grace Gray and Patsy Jackson, prompters.

Nancy Crawford and Gayle Gault will furnish piano entertainment before the starting of the play.

Between acts entertainment will be furnished by the Boys Quartet—Johnny McIver, Eugene Campbell, Robert Miller and David Stanton; and the Girls Quartet—

Donna Caylor, Margaret Alston, Patricia Childers and Jo Williams. Dixie Young will accompany the quartets at the piano.

Acting as ushers and ticket collectors will be: Peggy Sewell, Ginger Smith, Lohman Lookingbill, Jane Houston, Margaret Phillips, Ray Dean Axe, Ralph Atchley, Dixie Neal, Gail Biggers, Wanda Wimberley, Joel Newman, Earleen Plank, Sue Osburn, Nancy Smith and Neidean Flowers.

Emergency Feed Cut-Off Scheduled For April 15

Drouth emergency feed applications will be approved only for feed needs until April 15, according to a telegram received Tuesday by W. N. Hodges, chairman of the county drouth committee.

However, it is noted in the telegram that consideration will be given to advancing the date in limited areas where extreme drouth conditions persist.

Corn and oats which may be purchased under the drouth disaster program by those who are eligible are both available in Deaf Smith County at the present time, according to Faust G. Collier, office manager for the Agricultural Stabilization and Conservation in Deaf Smith County.

The telegram, which was sent by Claude K. McCann, chairman of the state drouth relief committee was an excerpt from a telegram sent from Washington.

"Instructions are now being amended to provide that no applications for feed or mixed feed shall be approved by county committees to meet needs of farmers and ranchers beyond April 15, 1954. We will give consideration to advancing the date in limited areas where extreme drouth conditions persist."

McCann stated in the telegram that applications for feed before March 15 may be increased to furnish feed through April 15.

Call or wire state office additional orders for corn and wheat not later than March 22 in order that shipping instructions may be handled immediately."

Intersection Collision Damages Two Cars

Approximately \$215 damage was done to a 1953 Ford Station Wagon and a 1954 Ford Sedan in a collision at the intersection of Third and Miles Streets Saturday afternoon about 12:15 o'clock.

E. A. Edwards, driving the station wagon, was going east on Third. Pauline Stader of Dumas, driving the sedan, was going south on Miles and apparently did not see the stop sign at Third and Miles. The two cars collided at the intersection.

About \$65 damage was done to the station wagon and \$150 damage done to the sedan.

Pauline Stader was charged with running a stop sign.

City Budget Hearing Reset For Thursday

A scheduled hearing on the proposed city budget Monday night was recessed until Thursday night in the absence of the mayor and one commissioner, both of whom were out of town.

Fire Chief Earl Phillips and Assistant Fire Chief Glenn Witherspoon were present at the meeting, and discussed the possibility of setting up a fund for the future purchase of fire fighting equipment.

Mayor J. H. Sears was out of town because of an emergency trip to Denver, and commissioner Raylan Evans, who had made a trip to St. Louis, was delayed by a late plane.

Mrs. Maggie Mullins Is Buried At McLean

Funeral services for Maggie Jane Mullins, 84, mother of Mrs. B. A. West and Mrs. O. C. Cummings, of Hereford, were held Thursday afternoon at the McLean Baptist Church in McLean.

Mrs. Mullins died March 9 in Oklahoma City, where she had been visiting with some of her children.

She was born in Nashville, Tenn., Mar. 3, 1870, but has been a long time resident of the McLean area. Mrs. Mullins had been living with her son, Frank Mullins, northwest of Alameda.

Survivors include: three sons, Frank of McLean, Ben of Edmond, Okla., and Charlie of Hale Center; five daughters, Flossie Wilks, Mattie Mullins and Rose Lee Mullin of Oklahoma City, Okla., Mrs. O. C. Cummings and Mrs. B. A. West of Hereford; two brothers, J. W. and Bill Still of Seligman, Mo.; two sisters, Mrs. Dan Kennett of Fairland, Okla., and Mattie Yont of Wichita, Kan.; 32 grandchildren and 31 great-grandchildren.

Dry Land Wheat Holding Up Well

Dry land wheat is still holding up fairly well over most of Deaf Smith County, according to reports from various persons who have checked the situation during the last few days.

"So far, I would estimate, not more than 10 percent of the wheat has been lost from blowing, though it is probable that 25 percent of the dry land wheat has been damaged by wind," Jim Wiman, work unit conservationist with the Soil Conservation Service said.

On the average, Wiman reported, there is probably about 12 inches of soil with some moisture, though there is none in the top six inches of soil on any of the dryland.

Summer fallowed land has an appreciable amount of moisture, he said, but much of the other dryland is nearing the critical stage.

Luther Leslie, who has a farm

north of Hereford, said that he felt that the dry land acreages of wheat are badly in need of rain within the next two weeks.

Only a inch of moisture has been recorded in the county since the early part of December, and most of that was so light in quantity when it fell that it did little good.

County Agent Hugh L. Clearman has begun checking the wheat in a closer-than-usual manner, and reports that the beginning of the young wheat, and he would recommend that grazing cattle be taken out of the fields to prevent the

loss of wheat at harvest time. Miles Roberson, who also keeps a close check on agricultural prospects in the county, said that it is largely "toward the line" that wheat is looking bad.

"There seems to be some blowing," he said, "but there isn't much in any one spot. A number of farmers have chiseled some to stop blowing, but I haven't heard of anyone that had to chisel all of his wheat."

Most dry land farmers seem to feel that the next two or three weeks may well mean the difference between a wheat crop and no wheat crop.

Steve Clements Files For Trustee

S. F. (Steve) Clements became the fifth man to enter the school trustee race for Hereford Rural High School District Monday when he authorized his name for nomination, according to Fred Baird, school district tax collector.

Names previously filed are: Grady Rogers, Ira Scott, Frank Bezner and Robert Wagoner. Rogers, Scott and Bezner were filed in February and Wagoner filed in the early part of March.

Carryover members on the board are H. H. Miller, Howard Gault, J. E. Woodford and Mrs. Earl Plank.

Mary Martha Class Hears Devotional About Wesley

Mrs. C. R. Logan brought the devotional on the life of John Wesley, founder of the Methodist Church, at a social meeting of the Mary Martha class of the First Methodist Church Friday afternoon in the home of Mrs. J. C. Cummins, 406 East Third Street.

During the meeting, a handkerchief party was held for Mrs. E. C. Eubanks, who is going to Europe soon.

Mrs. W. J. Stanford closed the meeting with a prayer.

Refreshments were served to 10 members and one guest, Mrs. S. M. Dunnam.

Members present were: Mrs. E. C. Eubanks, Mrs. W. J. Stanford, Mrs. T. W. Alderson, Mrs. F. L. Terrell, Mrs. Lena Toms, Mrs. W. R. Scheihagen, Mrs. Ross Fuller, Mrs. C. R. Logan, Mrs. J. H. Lomas, and the hostess.

The next meeting will be held April 9 in the home of Mrs. Lee Curry at Summerfield.

UNTIL NEXT MEETING

School Board Postpones Purchase Of Furniture

Purchase of furniture for the new Hereford High School has been postponed until the next regular meeting of the board of trustees.

At a special meeting Tuesday night, the board voted to wait until the next meeting, and have Supt. George L. Graham prepare estimates of cost of the various types of furniture and equipment which will be needed.

In other business brought before the board, Supt. Graham mentioned that Mrs. W. W. Buck's name was inadvertently left off the list of teachers when the names were submitted for election. The board voted to elect Mrs. Buck, who began teaching in Hereford High School after the beginning of school last fall.

Legal Opinion

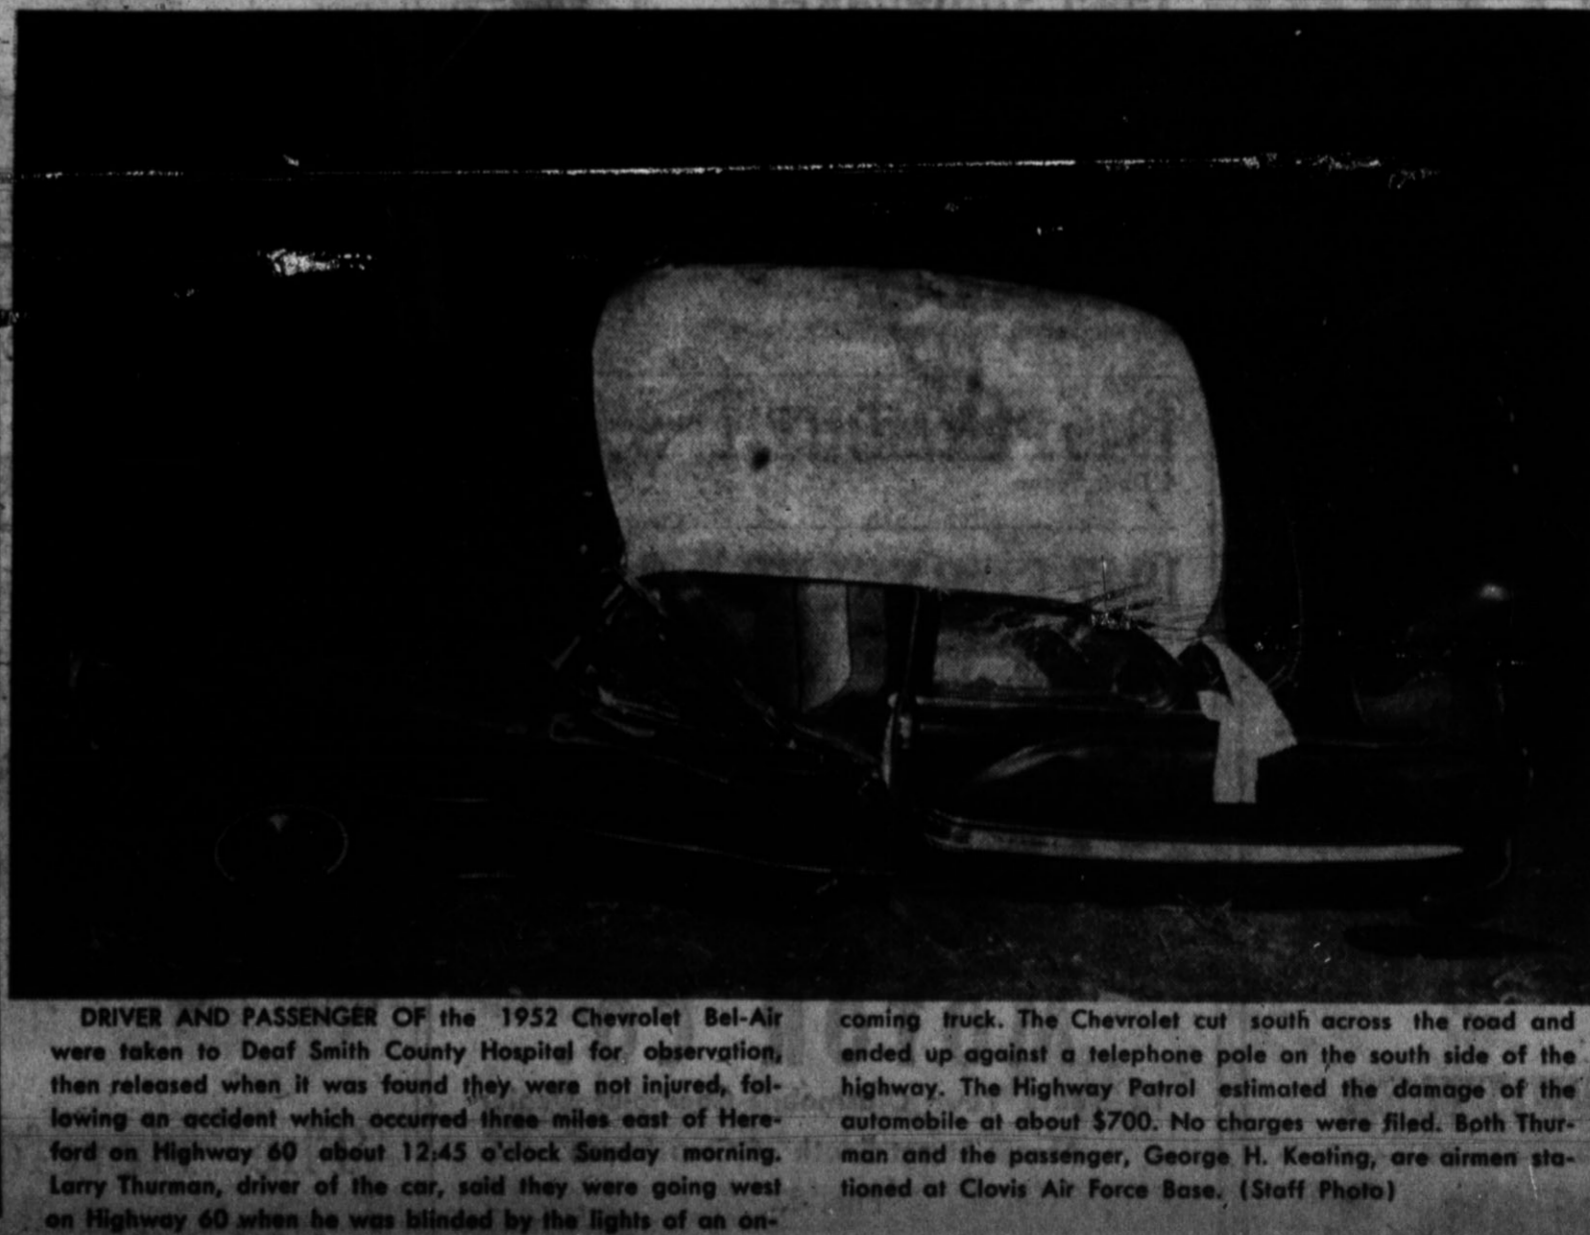

In a legal opinion from the board's attorneys, it was shown that the board apparently does not have the authority to sell or dispose of the teacherage at Summerfield, which has been under discussion by the board.

On a motion by A. J. Schroeter, \$300 was voted to buy equipment for the Hereford High School baseball team.

It was brought up that the school at Dawn is having troubles with the cesspool. After a discussion of ways in which the situation might be remedied, it was agreed that board president Herbert Miller should try to get the situation straightened out, taking whatever action was necessary.

Several visitors were present at the meeting. Board members present included Miller, Schroeter, Lisle Woodford, Robert Wagoner, Carl McCaslin, Howard Gault and Mrs. Earl Plank.

Supt. George Graham and school tax collector Fred Baird were also present.

DRIVER AND PASSENGER OF the 1952 Chevrolet Bel-Air were taken to Deaf Smith County Hospital for observation, then released when it was found they were not injured, following an accident which occurred three miles east of Hereford on Highway 60 about 12:45 o'clock Sunday morning. Larry Thurman, driver of the car, said they were going west on Highway 60 when he was blinded by the lights of an on-

coming truck. The Chevrolet cut south across the road and ended up against a telephone pole on the south side of the highway. The Highway Patrol estimated the damage of the automobile at about \$700. No charges were filed. Both Thurman and the passenger, George H. Keating, are airmen stationed at Clovis Air Force Base. (Staff Photo)

MEMO TO ADVERTISERS

AUDITED PAID CIRCULATION ABC

Coal—by the ton

Lumber—by the foot

Wheat—by the bushel

Land—by the acre

Gasoline—by the gallon

There are standards for advertising, too!

What a fix we'd all be in without those standards of measurement for the goods you buy and sell. Imagine the confusion, waste and doubt in business transactions if we didn't have accepted standards of weights and measures—known values.

We believe it is just as necessary for us to tell you what you get for your advertising dollars, in terms of known circulation value, as it is for you to do business with your customers on the basis of recognized standards. That's why this newspaper is a member of the Audit Bureau of Circulations.

WHAT IS THE A.B.C.? The Bureau is a cooperative and nonprofit association of 3450 publishers, advertising agencies and advertisers in the United States and Canada. Organized in 1924, A.B.C. brought order out of advertising chaos by establishing a definition for paid circulation, rules and standards for measuring, auditing and reporting the circulations of newspapers and periodicals.

WHAT A.B.C. DOES FOR YOU. At regular intervals one of the Bureau's large staff of experienced circulation auditors comes to our office and makes a thorough audit of our circulation records. He has access to all of our books and records to obtain the FACTS that tell you what you get for your money when you advertise in this newspaper.

WHAT A.B.C. REPORTS TELL YOU. The circulation FACTS obtained by the A.B.C. auditor are condensed in easy to read A.B.C. reports which tell you: How much circulation we have; where the circulation goes; how it was sold and many other FACTS about the audience we provide for your sales messages. Make your advertising investments on the basis of this audited information. Ask for a copy of our A.B.C. report.

Miss Mary J. Walton Presents Senior Piano Recital At WTSC

CANYON (WTNS)—Miss Patricia Jean Walton of Hereford was presented in her senior piano recital at West Texas State College Tuesday afternoon at 4 o'clock in the Administration Building auditorium. Miss Walton is a candidate for the Bachelor of Music Education degree.

A student of Miss Matilda Gaume, assistant professor of music, Miss Walton selected for her program Bach's "Partita, B flat," "Impromptu, Op. 90, No. 2" by Schubert; "Concert Etude, Op. 35" by McDowell; and three children's pieces by Casella, "In Honor of 'Cementi,'" "Siciliana," and "Galop."

PATRICIA JEAN WALTON

Miss Walton and Miss Anita Tooley, Plainview, joined in a piano duet to play Clementi's "Sonata, No. 2" and "Jungle Drums" by Lecuona.

Daughter of Mr. and Mrs. F. E. Walton, Rt. 5, Hereford, Miss Walton is a member of the Tau Beta Sigma, national honorary band sorority, Alpha Chi, national scholarship society; the Buffalo Band, WT orchestra, A Cappella Choir, Buffalo Gals, campus service club, and the Music Educators National Conference.

DONNA JEAN STAGNER

Donna Jean Stagner On H-SU Honor Roll

Donna Jean Stagner, daughter of Mr. and Mrs. Owen J. Stagner, 201 Funston, is among the 10 Hardin-Simmons University students who have been named to the dean's list for grades made during the fall semester of this school year.

Donna Jean, a senior, graduated from Hereford High School in 1950 and entered Hardin-Simmons University that fall.

Boys Cook, Girls Saw WALNUT CREEK, Calif. (B)—Boys baked pies and cakes and girls tried carpentering in a novel two weeks' experiment at Las Lomas School. Teachers reported the pastry turned out real good and nails were driven straight.

Even Sleeping Takes Practice

Sufficient sleep is an important part of healthy living. Adequate sleep helps you to feel well, and builds up your resistance to diseases declares Dr. Geo. W. Cox, State Health Officer. An occasional night of too little sleep will not hurt you. However, when you habitually go from day to day without enough sleep, damaging results are felt.

In addition to ruining your disposition, insufficient sleep plays havoc with your co-ordination and timing. Workers who are short of sleep and rest tend to be accident prone. Some men who try to hold an extra-time job to increase the family income, have paid a heavy penalty in damaged health and

accidents.

It Takes Practice

Good sleeping habits take practice. It's like anything else you do. No one can learn to become an expert swimmer, just by reading about various strokes. You have to spend many hours practicing to become a good swimmer.

Listening to the radio, watching television, or working on hobbies that persons are loathe to quit are sometimes causes of staying up too late. Late entertaining also cuts out many hours of sleep. A regular time and routine for getting ready for bed will help put you in the mood for sleep. The routine may mean reading the evening newspaper or a light story after you are ready for bed. Or it may be listening to soft music just before you turn out the lights and snuggle under the covers.

A regular routine for getting

children to bed also helps put them in the mood for sleep. It helps when mothers are relaxed and pleasant when it's the children's bedtime. After reading them a quiet, pleasant story, the children will probably be ready to turn out the light and fall asleep. This helps form good sleeping habits, which mean much to a child's health. Young children need lots of sleep—about 12 hours for the preschool youngsters, and nine to 10 hours for older children.

Bottles Are Valuable

CAPE HATTERAS, N. C. (B)—Keep your eyes open for a floating or stranded bottle.

It could be one of 800 released in this vicinity by vessels of the Woods Hole, Mass., Oceanographic Institution. Each bottle contains a postal card asking the finder to fill in the date and location of the

bottle. The finder gets a dollar. In 1951, one man located 51 bottles in two days.

Tag Team Match Heads Events For Wrestling Saturday Night

There's wrestling in the Hereford Bull Barn as usual Saturday night, but there's no "bull" indicated for any of the three matches topped off by a tag team specialty. Tony Morelli, the tough guy from Naples, Italy, may look like a ball and sometimes act like one, but ordinarily he's a right nice sort of guy. He teams up with blond Whitley Whittler of Roxana, Ill., and it will be interesting to see how an Italian-Dutch team performs.

Bob Cummings, who pays taxes in Hereford and lives there when he is not on one of his long wrestling tours, has come home and will team up with Rick Starr, a very popular, personable, acrobatic athlete from St. Louis against the Morelli - Whittler combo.

It promises to be one of the more interesting tag team matches of the year. There are a lot of big city promoters who would like to have it, and who would pay good money for it.

All Main Events All four men are main eventers in every sense of the term, and they will earn their pay Saturday night.

By way of "warming up," up and over, for the main event, the fair athletes will try to bat each other's brains out in two special events preceding the main go.

Whittier, the "iron man" from the East St. Louis district, will meet Starr, the handsome young man from the other side of the river, in the first session. That will be for one fall or 15 minutes.

Then Cummings, formerly of Seaside, Ore., will make a new appearance before the homefolks, after several weeks absence, against the fierce Italian Morelli. That,

also is for one fall or 15 minutes, but those minutes are due to be over-crowded with action and suspense.

The two preliminary bouts are calculated to fire up fans as well as contestants for the tag team match to follow.

Mrs. Marion Ferguson is president; Mrs. C. G. Richardson, vice president; Mrs. W. Q. Conn, reporter; Mrs. Marion Kinsey, secretary - treasurer; and Mrs. Henry Kinsey, parliamentarian.

Refreshments were served to Mesdames Argen Draper, Henry Kinsey, Marion Kinsey, Marion Ferguson, Perry, Joe Brozman, Quinton Conn, C. G. Richardson, W. M. Levens, George Paschel, Ted Rhorback.

The next meeting will be held March 25 in the home of Mrs. C. G. Richardson.

Mrs. R. F. Self Honored Sunday At Family Reunion

Mrs. R. F. Self of Melrose, N.M., was honored on her 81st birthday Sunday at a family reunion planned by her daughter, Mrs. J. V. Pickens.

The reunion was held at a dinner given in the home of Mrs. Pickens' daughter, Mrs. Raymond Paetzold, north of the city, with 32 members of Mrs. Self's family attending.

Those in Hereford attending were Mr. and Mrs. R. N. Yarbro and children, Mr. and Mrs. C. F. Newsom and children, Mr. and Mrs. Raymond Paetzold and children, Richard Pickens and Mr. and Mrs. J. V. Pickens.

Out-of-town relatives here for the occasion were Judge and Mrs. E.L. Pitts of Amarillo, Mr. and Mrs. Jerry Harding and family of Canyon, Mr. and Mrs. Jack Pickens and children of Lubbock, Mr. and Mrs. Earl Self of Clovis, N. M., Mr. and Mrs. Edgar Self Sr., and Mr. and Mrs. Edgar Self Jr., and family of Brownfield.

Mrs. Self plans to remain in Hereford for a couple of weeks to visit with relatives.

(Continued from Page 2)
 He also did a good job with his dairy cows, taking ribbons for the Junior Champion Jersey female, the best uddered cow and the producer of Jersey dame class.
 Gerald and Immy Hardage of Farwell were the winners in the sheep division taking the grand champion and reserve championship with their southdown cross sheep. They also took first place in pen of three and pen of five.
 In Dixon of Friona FFA placed first and second in Suffolk cross judging.
 T. L. Leach of Texas Tech was judge and G. B. Buske assisted the judge in classifying the cattle.
 Danny Mac Banium placed first with his pen of five steers, Virgil Phillips was second. Both are FFA boys from Friona.
Breeding Animals
 Another boy who took quite a

few prizes was Ben Wayne Jordan, a Texas Tech freshman and a FFA member of the Friona chapter. Ben Wayne showed the champion female, the champion bull and female Hereford and the reserve champion Hereford bull.
 Leon Massey showed the Jersey bull that took first place and Gary Sherrib, 4-H boy, took first on his Holstein bull.
 There were 18 fat calves sold. Larry Jesko received the top bid on his 900 pound steer at 30 cents a pound. The high bid went to Ranchers and Farmers Cattle Commission Company of Clovis, N. M. Other prices ranged from 20 to 25 cents a pound.
 Lloyd Atten of Clovis was the auctioneer.
 County agent Joe Jones, was superintendent of the show. Assisting ones was J. T. Gee, Friona vocational agriculture teacher.

Week Of Prayer Observed By Friona Baptist Women

The Women's Missionary Society of the Friona Baptist Church observed the Anna Armstrong Week of Prayer for Home Missions through the past week. The first meeting was held at the annex with 20 members present. Hostesses were Mrs. H. A. Hyde and Mrs. Elmer Euler. Mrs. Joe Talley gave the devotional and Mrs. M. C. Fields discussed European-Americans. Mrs. O. C. Rhodes gave a talk on "Signs of Triumph." The

rest of the meetings were held in the homes of members.
 The first home meeting was held in the home of Mrs. Spencer Hough. Mrs. George Brock gave the devotional at this meeting. Mrs. Elmer Euler discussed "Light For The World" and "Oriental Americans," was a talk given by Mrs. Wesley Hawsty. "Scattering the Darkness," was given by Mrs. Noyle Wood. Mrs. Hough served refreshments to fifteen members.
 The next meeting was held at the farm home of Mrs. Jo Tally, who served refreshments to 11 members. Mrs. Claude Osborn gave the devotional at this meeting. Mrs. Jay Sanders discussed "Our Denomination Grows" and Mrs. Caselberry and Mrs. Johnnie Mars presented, "What Can Be Done."
 The last meeting was held at the home of Mrs. Wesley Hardisty. She was hostess to 17 members. Mrs. W. S. Crow gave the devotional and Mrs. L. A. Haws reviewed the life of Annie Armstrong. Mrs. C. W. Dixon gave a talk on "Indians." Mrs. H. J. Brock followed with a talk on "Some Of Our Needs." Mrs. T. E. Lovett held a quiz program on the Indian mission work. The conclusion was given by Mrs. Clyde Sherrib. Mrs. Sherrib planned the week's work and did a very good job with all the programs. She did not miss any of the meetings.

Mr. and Mrs. Roy Peet of the Western Flower Shop attended the South Plains Floral Association meeting and design school in Lubbock Saturday night and Sunday. Saturday's meeting was to organize a Texas and New Mexico Association and to decide where to have the convention this fall—Lubbock, Amarillo or El Paso. All day Sunday was spent at design school in the Caprock Hotel.

DOLLS FOR EACH MONTH of the year were recently completed by Mrs. Franklin Miller in her ceramic work. The dolls are dressed to represent the month that they are named after. Mrs. Miller is shown putting the finishing touches to the December doll which is dressed in a snow suit trimmed with white fur.

Another recently completed ceramic piece is that of Santa Claus and his reindeer. The reindeer are designed as floating through the air on a cloud. Mrs. Miller has been doing ceramic work for the last four or five years and received most of her training from Mrs. Harry Cayler.

Mrs. Franklin Miller Creating Figurine To Suit Each Month

By Mrs. R. C. Childers
Dolls of the month are being completed by Mrs. Franklin Miller as she puts the finishing touches to the December doll. Each doll is a symbol of the month it is named for.

The January doll is dressed in a snow suit, which is trimmed in white fur and she is ready to go out into the snow. The fur is made by pressing a medium clay body through an ordinary tea strainer.

February is of course a "Valentine doll." She is holding a big red heart. Mrs. Miller says she is finished with a clear glaze and is china painted. The features of all these dolls are done in china paint.

The March doll was created from the saying, "The March Wind Doth Blow." She is standing in the wind with her dress blown to one side. She is especially nice to use with a wind blown flower arrangement. Her dress is done in a dull shade of green to harmonize with any flower arrangement.

April represents spring so the April doll is styled in pale green with a basket of tiny flowers. She could be used for a bride's maid when decorating for a wedding. The May doll is dressed in a formal hoop skirt dress for a party or graduation exercise.

Then of course, the June bride is dressed in white bridal attire,

holding the bridal bouquet. The July doll represents vacation. She is a little girl with bare feet sitting on a fence enjoying the beauties of nature.

August represents "getting away from it all" and she is out in the woods sitting on a tree stump, dressed in overalls and an old straw hat.

September of course means school, and she is a sweater girl with a heap of books and an apple for the teacher. Then comes October with the traditional "Hallowe'en" festivities and she is dressed in a Hallowe'en costume and is sitting on a pumpkin.

In November comes Thanksgiving, so she was modeled into a little Puritan girl in Dutch blue and with a white apron.

The December doll celebrates Christmas. She is in pink pajamas and has just received all her gifts off the Christmas tree.

These dolls were all finished in engobes and clear glaze. The engobes give the desired color, then a clear glaze is applied over it for the final finish.

Santa And Sleigh
Mrs. Miller has just completed a Santa Claus sleigh and his reindeers which she is very proud of. The reindeer are designed as floating through the air on a cloud. A very unique finish was achieved by putting on blue engobe and rubbing most of it off, says

Mrs. John Owen Honored Friday With Shower

Mrs. John David Owen, the former Miss Marjorie Shaffel, was named honoree at a shower given in the home of Kathleen Brunson Friday evening. Co-hostesses were Phyllis Johnson and Leila Ashwood.

The refreshment table was laid in white and centered with a spring bouquet of mixed flowers. Appointments picked up the spring suggestions.

Those attending were Mesdames Zona Turner, G. P. Owen Sr., Bobby Jones, J. B. Harlin, Jack Roberson, Travis Caraway, Owen Stagner, James Shaffer, Paul Rudd, Kenneth Rudd, Gwynn Owen, Bob by Owen, Guy Cornelius Sr., Clarence Veazey, Ella Mae Childers, Olive Land, Joe Wagoner, and Miss Dixie Neal.

Those sending gifts were Mesdames G. P. Owen Jr., Wayne Lawrence, Robert Wagoner, Lyle Rickman, Dick Miller, Ward Hook Russell Pogue, Carl Dean Apperson, Howard Fish, Earl Stagner, Leo Ohlig, O. B. Sumner, H. Haggar, J. E. Wagoner, Velma Hodges, Louis Neal, Terrell Elliott, and Misses Bobby Norwood, Billie Hunt and Barbara Ledford.

Garden Club Delegates Chosen

Delegates to the annual District 1, Texas Garden Clubs, Inc., convention to be held in Odessa on March 29-30, were chosen at the business meeting of the Hereford Garden Club held Friday afternoon with Mrs. Jeff Gilbreath.

Mrs. M. T. Rutter, club president was named delegate, with Mrs. John Jacobsen Jr., as alternate. Others who will attend are Mrs. Ralph McCullough, district treasurer; Mrs. Jack Roberson chairman of Junior Gardeners; and Mrs. A. L. Manjeot, District 1 Governor.

Mrs. O. H. Herring led the club in repeating "The Gardener's Prayer." A discussion of club projects was held.

Three members of the club, including Mesdames Reber Howton, F. H. Oberthier and J. P. Slaton, were honored by the club in placing their names in "The Book of Remembrance" with funds going toward establishing a scholarship fund in horticulture at Texas Technological College, Lubbock.

Refreshments were served from a "Spring Table" centered with an arrangement of blooming shrubs in an ebony teapot.

Those attending were Mesdames Glenn Boardman, O. H. Herring, M. T. Rutter, Rex Tynes, E. W. Young, O. G. Hill, A. L. Manjeot and the hostess.

Culling chickens pays in three ways. . . you lower your feed bill, you get a higher price per pound on culled birds, and you get higher production from the rest of the flock.

Northwest Hereford News

By Mrs. R. C. Childers
Onions are being planted on the Troutman Brothers farm two miles west of Hereford this week. Final preparations are being made for potato land and the planting of potatoes is scheduled to start next week. The land has been fertilized and irrigated and is now being cultivated.

The weather was the news over the weekend. Saturday found rural housewives with broom and mop and dusted looks on their faces, saying, "What's the use?"

The 17 degree weather Friday night killed the early flowers and leaves on the trees. Leaves on some Chinese trees were thumb size.

W. E. Winn of Brownfield spent Friday and Friday night in the home of his nephew, Ira Scott and family.

Mr. and Mrs. Willard Middleton and daughter Jan, and Mr. and Mrs. St. Elliott and girls from Tracy visited in the home of Mr. and Mrs. Ira Scott Sunday.

Guests in the home of Mr. and Mrs. T. B. Cox Sunday were Mr. and Mrs. Brice Glass of Hereford and Mr. and Mrs. Rae Cox and daughter of Dawn.

Plans For Moving
Mrs. Leo Hennington left Monday for Albuquerque, N. M., to locate a house and make plans for moving in the next few weeks.

Mrs. Delbert Bainum, Craig and Bonnie were dinner guests in the C. S. Barclay home Monday.

Mr. and Mrs. Irvin Roberson, Joe Eddie, Mary Ellen and Carol Sue spent Sunday visiting in the home of Mr. and Mrs. C. S. Barclay and sons, Larry and David.

Other guests in the C. S. Barclay home Sunday were Mr. and Mrs. Melvin Raney, and Mr. and Mrs. Joe Lyons.

Ronald Corbett has missed several days of school this week due to a stomach upset.

Patsy Childers spent Sunday af-

ternoon in the Elmer Patterson home working on costumes for the senior play.

Family Reunion Planned
The R. C. Childers are making preparations for house guests over the weekend. They will include Mrs. Childers' parents, Mr. and Mrs. Earl Johnson of Harrison, Ark., and Mr. and Mrs. J. H. Babcock and family of Kermit. A family reunion will be held Sunday in the Childers' home.

Bonnie Lewis was released from the local hospital Saturday morning after submitting to major surgery last Tuesday morning. She is the daughter of Mr. and Mrs. Art Lewis.

Lyle Rickman was in the local hospital most of last week. He also submitted to major surgery earlier in the week.

Mrs. R. C. Childers and Patsy visited in the Liston Wilson home Saturday afternoon.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 286, New York 16, N. Y.

Lawn Grasses Are Studied

Some of the Home Demonstration Club members were putting on their best bib and tucker to attend social functions last week while others were measuring their Green Thumb and learning some of the grasses suitable for a lawn.

West Hereford

Mrs. Carlos Vaughn was hostess when members of the West Hereford H. D. Club entertained Cultural and Ford Clubs with a tea on March 10.

Decorations for the table from which refreshments were served carried out the Saint Patrick's Day theme. Mrs. E. M. Cox gave the story which followed the centerpiece idea. Mrs. John Jacobsen, Sr. presided at the punch bowl. Games were led by Mrs. Ulys Pierce, Mrs. Wes Bradley and Evelyn Bell.

Those attending were: Mesdames R. H. Hale, Hardy Benson, J. E. Dyer, Dwayne Walker, and J. L. Fite, from the Ford Club; Mesdames R. C. Childers, Paul Corbett, Edgar Telchik, A. C. Hershey, J. A. Pool, Grady Parsons, J. T. Richardson, Pat Robinson and Earl DeHart, from Cultural; and

Culpepper Duck Is Pet Nuisance

By Roberta Campbell

Mike, a white Peking duck belonging to Hallie Culpepper, who in turn belongs to the O. H. Culpeppers, is a good example of the little boy's theme entitled "THE DUCK" which described the fowl as having no tail at all, almost, hardly, and being set so far back on his running gear that he almost missed them.

But it would take a good many more words than that to list all the characteristics of Mike.

About the first thing he did to be different was to sprout some short wing feathers to stand out over the longer ones and give him an odd appearance.

When he was a little duck he delighted the youngsters in the neighborhood by swimming in anything that had enough water in it to keep him afloat and by gobbling his food as if he expected it to be his last meal. That was before he discovered the Slatons' lawn, which must have provided some choice insect morsels. Anyway, for some reason he insisted on not only taking a shower but in plow-

Had a letter from Bessie Jury. They moved from Wyche vicinity to Fairplay, Mo. She's wanting to organize an H. D. Club up there and is capable of helping organize and will really be a good member. She sent a Ribbon Cake Frosting recipe and it's as foolproof as she recommended.

A group of us met out at the Henry Kinseys Thursday and the 12 women present organized a club. Mrs. Marion Ferguson was elected president. Mrs. Ferguson, Mrs. Kinsey and Mrs. Cruse Richardson are the ones who have belonged to a club before.

Alma Ruth and Lucile Larson are both married now, but used to be 4-H girls. They'll make good members.

Others were Mrs. Perry, Fred Perry's daughter-in-law; Mrs. Marion Kinsey, Mrs. George Paschel, and Mrs. Ted Rohrbach.

The Sam Hendiferons have moved to the Davis place on Highway 51—that's the rock house 20 miles north. Some of you club women

4-H Leaders Attend Meeting In Dimmitt

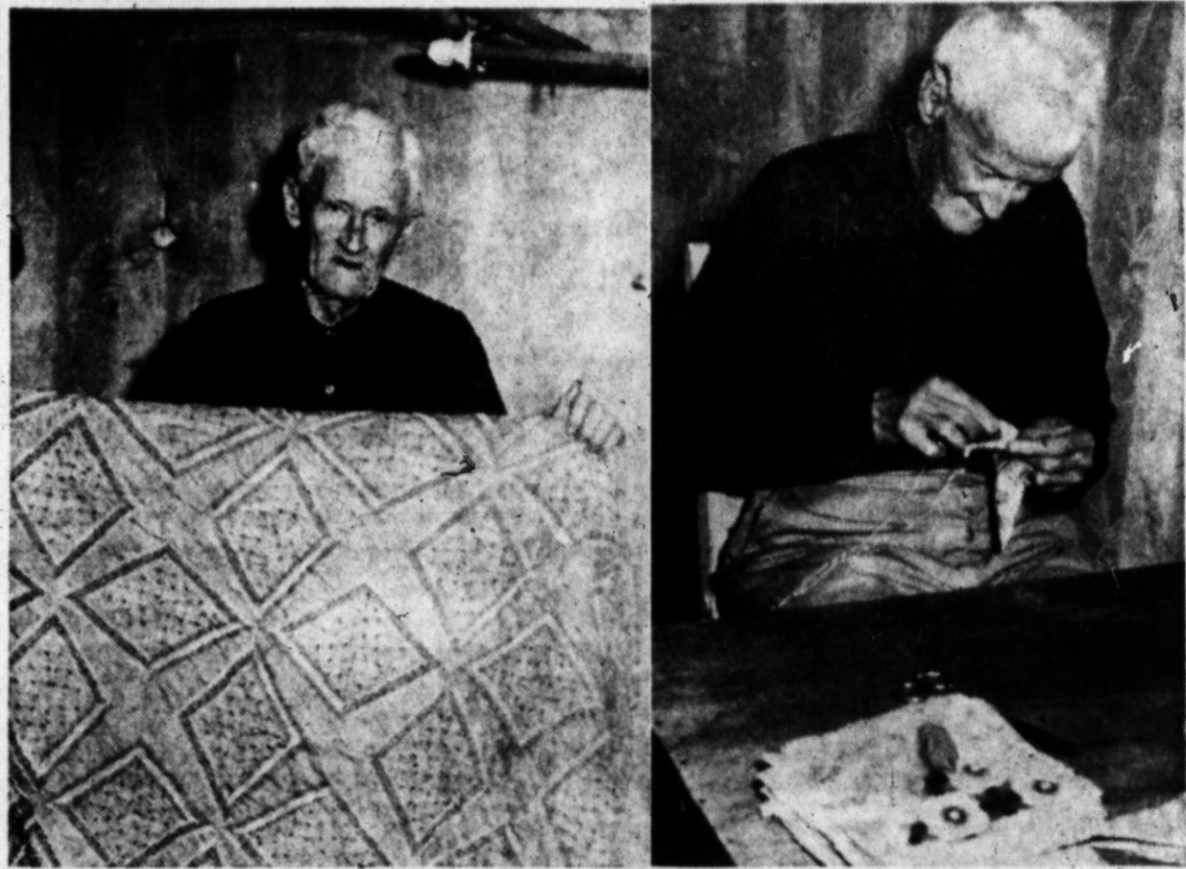

Seven 4-H leaders from Deaf Smith County attended a leaders' training course held March 10 at Dimmitt.

Conducted by A. H. Karcher, assistant 4-H specialist from College Station, the meeting was designed for county Extension agents and district Extension agents, as well as for 4-H leaders, from Deaf Smith and Castro counties.

Discussion on the program included ways to improve 4-H work in general, and ways in which the programs in the individual counties can be developed. Training the leaders to help them teach 4-H boys and girls was also discussed.

Leaders attending from Deaf Smith County included Mrs. Ira Ott, Mrs. Wallace Lumpkin, Mrs. Ed Dziuk, Mrs. Paul Corbett, Mrs. Elvin Wilson, Mrs. Hershel Burris and Mrs. Clint Homfeld.

More Than 100 Quilt Tops Claimed By E. L. Danley

AUNT DINAH'S QUILTING PARTY would be off key in the A. B. Dozier home in the Progressive community, because any reference to quilts puts the emphasis on E. L. Danley who is displaying his own handiwork in the picture to the right, while on the left he is sewing

ing a fine seam such as he has put into about 120 other quilts Danley, the 86 year old father of Mrs. Dozier, not only pieces quilts from his own patterns but if he's a mind to he also puts them into the frames and quilts them out. (Staff Photo)

If the Stitch and Chatter Club were recruiting male members, then E. L. Danley should be the first to qualify, because more than a hundred quilts should be enough credentials for anybody.

Eighty-six year old Danley, who makes his home with his daughter, Mrs. A. B. Dozier, in the Progressive community north of Hereford, not only has reasons to be proud of his needlework. He can also thread the needle without visual aid. He keeps his glasses for the outdoors and television.

Neither he nor his daughter can explain for sure why he became interested in this unusual hobby, but it is easy to understand why enthusiasm over the first quilt he made for his nephew about 15 years ago would be followed by demands for more quilts for other members of the family.

Cuts Own Patterns

The elderly seamster cuts out his own patterns and quilt pieces, and stacks the finished blocks neatly on the table in front of the straight chair he sits on to do his sewing. Even those nearest him are warned to leave any work he has laid out alone, though he is happy to have any cheering from the gallery.

He is always happy to have the opportunity to exhibit his handiwork, especially some pattern that has been a great deal of trouble to get together. One he is particularly proud of is the spider web, which he has pieced out of a print, a stripe, and a solid color to make a very pleasing combination but with many stitches. This is one of 20 or more that Danley has also put into frames and quilted.

Of the estimated 120 quilt tops he has made, the slender, white-haired grandfather says he has sent them all over the United States to his children, his grandchildren and even his nine great-grandchildren.

The next meeting will be with Winona Roberts on March 25.

Workers
The Workers 4-H Club met with Paula Corbett March 9.

After refreshments, the meeting was called to order by Paula. Since there was no business the meeting was turned over to Mrs. Sumner, the club leader, who gave a demonstration on muffins, using Master Mix. Yearbooks were filled out, and recreation closed the program.

Those present were: Phyllis Sumner, Shirley Pierce, Dora Inman, Evelyn, Marie and Stella Hunter, Patsy Caywood, Dora Goldston, a new member, and the hostess.

Happy Homes
Martha and Geneva Logan were hostesses for the Happy Homes 4-H Club on March 11.

The club voted to postpone the bake sale which was to have been held March 13. Committee reports were given by Martha Logan—recreation; Sue Springer—clothing; Carlyn Williams—foods preparation; and Beatrice Wilhelm—poultry.

Mrs. Ott gave a brief report on the 4-H meeting held in Dimmitt. Martha Logan introduced Mrs. Ott who gave a demonstration on making cornbread, using Master Mix. The bread was scored 95.

Members present were: Kay Owens, Beatrice and Cecilia Wilhelm, Martha Heard, Carlyn Williams, Sue Springer, Glenna Gandy, one visitor, Carol Phifer, and Martha and Geneva Logan.

Members present for the program were: Mesdames R. L. Wilson, G. C. Merritt, Phillip Miller, Leo Ohlig, Charles Owen, Paul Rudd, Kenneth Rudd, P. B. Sowell, C. A. Sauley, Jimmy Thomas and Mrs. Northcutt.

The next meeting will be with Mrs. R. L. Wilson on March 24.

Bippus
Instead of holding their regular meeting, the Bippus H. D. Club members visited the new home of Mrs. Bill Dunn, who is a former member of the club. She is the former Ruby Don Hoover of that community before moving to Hereford. The women took particular interest in the convenient arrangement of the house.

Because of bad weather all of the members were not able to attend. Those making the trip were: Mesdames J. G. Fortenberry, and Christine, C. F. Homfeld, Elmo Hall, Roy Neaves and G. V. Hall. Cookies and coffee were served by the hostess.

The next meeting will be with Mrs. Elmo Hall on March 24.

NOT ONE BUT 2 POWERFUL NEW GASOLINES

Shamrock's NEW Blending Formula:

- 1 Adds Premium Qualities to NEW SHAMROCK TRAIL MASTER Giving Users of Regular Gasoline Extra Performance at No Extra Cost
- 2 Makes NEW SHAMROCK CLOUD MASTER the Finest Premium Gasoline For Superior Performance in High Compression Engines

THE Shamrock station near you now has in its pumps two of the world's finest motor fuels. This means that regardless of the make or model of your car one of the new Shamrock gasolines will give you MORE POWER . . . BETTER PERFORMANCE . . . GREATER ECONOMY . . . and, for no more than you would pay for any other leading brand of gasoline. Vitally important to the performance of your car is controlled volatility. Shamrock controls the volatility of the new gasolines with a wide range of light and heavy fractions . . . fractions that assure quick starts . . . clean burning, plus more mileage, more power and better performance. This careful control means that these new Shamrock gasolines will meet the varying requirements of your car from season to season. As a bonus . . . Shamrock gives you truly outstanding anti-knock qualities. Shamrock anti-knock qualities are now raised far above the requirements of the most powerful engines put in today's cars.

New TRAIL MASTER

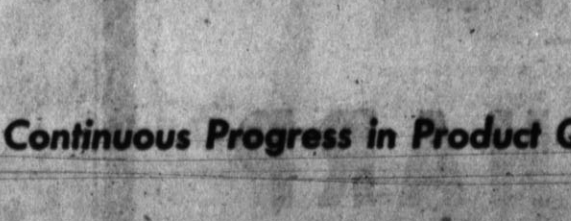

Shamrock's New Trail Master is the performance-plus motor fuel for users of regular gasoline. It costs no more than regular gasoline yet gives the anti-knock, extra-power, maximum mileage features you expect only in a more expensive, premium gasoline. New Trail Master offers the drivers of cars with lower compression engines all the performance advantages of recent gasoline improvements without requiring that they pay for a full premium gasoline. If you want the most from your car, get the best gasoline for lower compression engines . . . Shamrock's New Trail Master . . . the new, budget-wise gasoline with premium qualities.

New CLOUD MASTER

Today's powerful, high compression automobile engines, make strong demands on the gasoline they use. But as a result of Shamrock's new blending formula, New Shamrock Cloud Master not only meets these requirements but far exceeds them. Shamrock Cloud Master . . . octane rating more than enough to positively eliminate even trace knock . . . octane rating more than enough to assure maximum mileage and the quickest starts, fastest warm-up, greatest power, smoothest performance your car was designed to deliver. No matter what kind of car you drive, if the engine knocks when using Shamrock Cloud Master Premium, there is something wrong with your engine.

One of these new gasolines is exactly right for your car. A series of distillation tests carefully check the volatility of Shamrock, making certain that it meets the requirements of the new blending formula. Special knock-test engines establish definitely that the new gasoline is of such high octane rating that there is no chance of your engine knocking. Not only can an engine knock waste a portion of every tank of gasoline you use, but the effect of the knock can seriously damage the engine itself. Other tests prove the absence of gum forming copper and corrosive sulphur. These new gasolines are the result of the development of two new fuels, each to fill a specific need of the motoring

public. If there is any doubt in your mind about which of the two new gasolines you should use, consult your nearby Shamrock dealer. He is there to help you get the most mileage and best performance possible from your car.

Alaskan Grain Exhibited
ST. JOHN, B. C. — Oats, wheat and wheat from the University of Alaska at Fairbanks were entered in the Peace River Seed fair here. Fairbanks is a little over 100 miles from the Arctic Circle.

For The Birds!
WEISER, Idaho — A pigeon flew in through an open window of the Congregational Church while Petrashek was speaking at a

young people's meeting. "I had suspected," she remarked, "that my part of the program was for the birds but I didn't expect them to attend in person."
Hand-salting cattle two or three times each week is one of the most effective ways to keep them gentle. Farmers who did a good job of making hay last summer are now feeding their cows better and at less cost. Clover or alfalfa hay with green color and a lot of leaves may contain as much protein as some of the grain mixtures on the market, according to a New Holland, Pennsylvania manufacturer.

Local Weather Observer Aids In Long Range Forecast Work

Just as it takes millions of grains of sand to make a beach, thousands of weather reports are needed to allow weather scientists to chart the trends of hot and cold, wet and dry periods.

Gathering the major portion of this information is done by a corps of volunteer weather observers, such as Clay Angelo of Hereford, who make daily checks of the maximum and minimum temperatures, and measure rain or other moisture.

About 8 o'clock each morning Angelo goes out to the shelter back of City Hall where the two thermometers are housed, reads the temperatures for the past 24 hours then resets the thermometers and hangs them back.

Rain Gauge, Too
If there has been a noticeable amount of rain or other moisture, he goes on to the rain gauge, about half a block away, and checks that too.

His reports are made out each day, and mailed in once a month. However, for local purposes, he gives the reports to the Brand and to the radio station, and is sometimes called from Amarillo when there is exceptional weather.

In addition, of course, there are numerous telephone calls when there is rain or snow, for many people are interested in whether or not there has been enough precipitation to rally help crops and pasture.

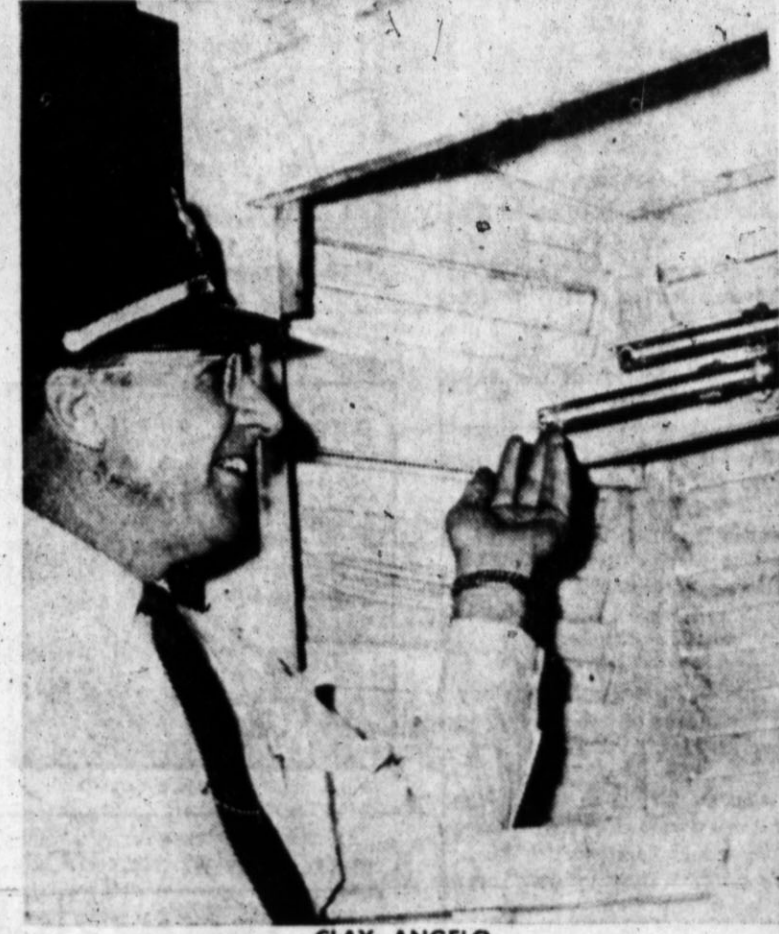

"Really, I don't mind the phone call so much, though," Angelo says in his quiet way. "During the 30 months that I have been city fireman, I have reached a point where my feet hit the floor just as soon as the phone rings. Sometimes, on fires, I am in the truck before I get awake, if it is a fire call. If it is something else, I don't stay awake for very long, usually."

800 Others
Data such as Angelo is gathering is added to that of 800 observers, all volunteers, who are scattered over Texas, and to material gathered by the professional weather observers who make weather reports more frequently, often several times a day.

However, the volunteer's data is vital for long-range predictions needed for agricultural and industrial purposes.

First formal weather reports in the United States were made between 1870 and 1891 at military posts, and were made for basically military purposes.

With only limited funds available at its inception, the Weather Bureau called for volunteers and supplied them with the neces-

sary devices, which sometimes include wind gauges. The volunteers like Clay Angelo, are still on the job — paid, primarily, in the satisfaction of rendering a public service.

Massachusetts Talks
BOSTON, Mass. — Aren't telephones for talking? Well, who said New Englanders were close-mouthed and nontalkative? A report shows that in Massachusetts there is a telephone for every 2.7 persons.

Youngest Organist
BROADUS, Mont. — This small southeastern Montana community claims the youngest church organist in Montana and possibly the United States.

He is Haroldie Miller, 10, who first played at St. David's Church last Christmas Eve. Church members liked his music and asked him to stay on as regular organist.

Haroldie also is a tap dancer and plays the drums for the school band.

Cop Turns Fireman
NEW YORK — Robert Riley has swapped his blue coat for a rubber raincoat. A policeman for 18 months, Riley decided that wasn't his calling and now has become a fireman.

Temptation Assailed
HONG KONG — "This," said Central District Magistrate Lawrence Leong, "is like telling a man carrying a bucket of cold water on a hot day that he can have only a teaspoonful for himself."

After thus reprimanding complainants Leung Ho and Cho Kuen, he sentenced their business agent Li Shing, 32, to three months for simple larceny. Li visited the Aberdeen Market daily to buy pigs. He was entrusted with about \$216 daily. His salary was about \$28 a month.

One day instead of taking the \$216 to the market he took off for Macao. He was apprehended on the ferry.

Hungar Strike
To keep from losing good neighbors, Mrs. Culpepper persuaded Mike Paul Corbett to give Mike a home, since he had originated there anyway and they had other ducks. But Mike had other definite ideas about the arrangement. Evidently he missed his little mistress, who also missed him, for he immediately went on a hunger strike and had to be taken back home.

His daughter says her father pieces quilts practically all of the time. Perhaps one of the nicest things about Danley's pastime is

the realization that he can quilt as much as he likes without any of the disturbing noises of the everyday household.
His daughter and his son-in-law have furnished him a room away from the things which worry him. There he can turn all the quilt stacks he wants to or can let the quilting frames down from the ceiling and feel pretty sure somebody isn't going to be along to jab a needle into his finger.

TODAY'S TELEPHONE TIP

by Emily Post

A correspondent says: "The other day, I was working in the garden. Three times within an hour, my telephone rang and, each time, the person calling hung up before I could get to the phone. Will you please remind your readers how annoying this is?"

I'll be very glad to. One of the fundamental courtesies, yet one of the most neglected, is giving the person you call ample time to answer the telephone. It so happens, that person is busy and cannot reach the telephone immediately. Always wait at least a full minute before you hang up.

CONGRESSMAN WALTER ROGERS SAYS Bill To Reduce Excise Taxes Passed House With Amendment

HR 8224, a bill to reduce excise taxes and for other purposes, passed the House on March 10 with an amendment. Excise taxes are those federal taxes collected on items such as furs, jewelry, luggage, toilet preparations, telephones, theatre tickets, etc. They are sometimes referred to as hidden taxes that you pay but do not know it. I think most people realize nowadays that they pay some taxes on whatever items they purchase or on whatever they do. The taxes which were reduced by this bill range from eleven percent of the price of the article to

taxes on liquor, tobacco, gasoline, passenger cars and motorcycles, trucks, buses and truck trailers, parts and accessories, and diesel fuel used for highway vehicles. Some of these taxes were due to expire on April 1 this year. These were continued at reduced rates, and some of those that were to expire were continued at the old rate. The bill was considered by the House under a closed rule. This means that you can not amend the bill. You must take it like it is written or kick it out.

One Exception
There was one exception, in that the Rules Committee permitted the Ways and Means Committee to offer one amendment to the bill, which was adopted. This was an amendment to extend for one year at present rates certain taxes that were due to expire on April 1, 1954. Before this amendment was put into the bill, these taxes were extended indefinitely. Much argument was voiced against the amendment, but since the taxes referred to were on automobiles, the committee reluctantly agreed to the amendment and it was put into the law.

An attempt was made to send the bill back to the committee with the instructions that no tax be placed upon admissions of 50 cents or less. This would mean that there would be no tax on admissions to football, basketball and baseball games and other sports events, picture shows, theaters, or rodeos, where the admission charge was 50 cents or less.

That was about the only provision offered from which the poor folks could get any relief at all. Most of the other items covered by the bill were things that poor folks just don't use much of, such as furs, jewelry and luggage. Most people do use automobiles, because they have become an absolute necessity and, of course, this requires the use of gasoline, but the taxes on neither of these were reduced.

Another Tax Bill
About the time that most of you will be reading this letter, the House of Representatives will be in debate on another tax bill. Most of the debate on this bill will be centered around the question of increasing the individual income tax exemption from \$600.00 to \$700.00. Unless this is done, a very small percentage of individuals in this nation will get any tax relief out of this bill.

The truth is, that the relief flowing to individuals from this bill goes only to those who own corporate stocks. I do not have the exact statistics at hand, but have been advised by some of the experts that about 80 percent of the corporate stock is owned by less than one percent of the population; that is, less than one percent of the families of the nation own about 80 percent of the corporate stock.

A motion will be made to give tax relief to all individuals by in-

Fisheries College Urged
VANCOUVER, B. C. (AP)—British Columbia University's new fisheries director, Dr. W. A. Clemens, says he will recommend special courses for fishermen to help Canada meet the growing competition from Japan in world markets.

The extension service courses would be designed to teach the latest techniques and devices in fish detection and navigation.

Dr. Clemens said the Japanese government established the Tokyo Fisheries University to train fishermen. He said 500 are enrolled, and 100 instructors are training them in detection, navigation, radar and other aspects of the technological era.

creasing the exemption from \$600. to \$700., rather than confining this tax relief to the few fortunate ones who own stock and collect dividends.

There is much to this subject that I wanted to discuss, but I must close this letter, as I have just had an emergency call from the house that little Walter has acute appendicitis and Tommy has the mumps. Sorry to have to run and stop so short, but most of you will appreciate the necessity of the **assault** closing.

ed to the due north but at no time did it take on the elements of a blizzard, though the thermometer went to 7 degrees for a breakfast appetizer. The snow did not drift but lay like a great swans-down blanket over Mother Earth.

This snow has put a Taft smile on the faces of our wheat farmers. While the snow will be of great benefit to farmers in general it will also give the people a chance to break new land. The mule teams, the gas engine and the steam power plows will be put out in full capacity and thousands of acres will be turned for 1953 crops.

Snakes Live Luxuriously
NEW YORK (AP)—Snakes in the Bronx zoo's new reptile house, will have cages done in pastel shades, with temperatures adjusted to match that of their native habitat, and with ultra violet rays to keep them healthy and happy.

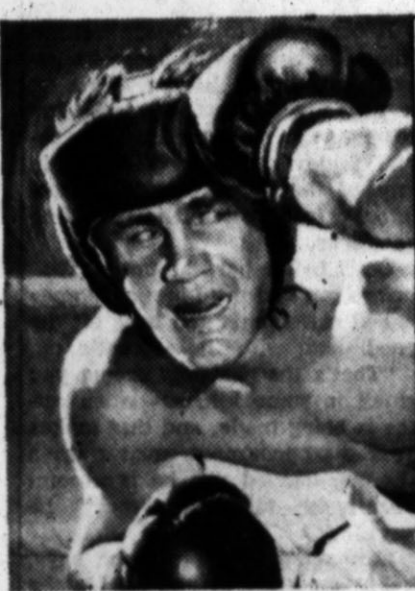

For snakes who get nervous at the sight of people, there are special "one way" windows that enable people to look at the snakes, but not vice versa. "They never had it so good," commented a workman, referring to the snakes.

During the trial period, a Public Service Home Service Advisor will give you a complete dryer demonstration. Without obligation, you can "Try Before You Buy" and see for yourself how an electric clothes dryer makes washday completely automatic.

Why fight the weather—or wait for it—and then get a poor clothes drying result and a waste of time?

An electric clothes dryer, by actual test, is more sanitary than drying under perfect outdoor conditions. Easier on you, too, for it takes just 30 seconds to shift the clothes from the washer to the dryer, while it takes at least an hour every washday to carry the clothes to and from the line.

For five cents a load, there's no sense to drying the old-fashioned outdoor way.

Starr Whips Morelli, Referee After Losing Match Saturday

By the demand of Hereford fans, Ricki Starr of St. Louis, Mo., and Tony Morelli of Naples, Italy, returned for a no time limit match at the Bull Barn Saturday night. The fans perhaps got more than they bargained for when young, handsome Starr decided that the referee, Larry Wright of Amarillo, and Morelli both needed to be taken down a notch or two.

Morelli won the first fall in 15 minutes with a reverse single leg lock. Following a rest of some few seconds, they started the second round with Starr taking that fall in just 45 seconds with a fore head scissors hold.

Morelli won the third and deciding fall in five minutes, which is the time it took Starr to whip both the referee and Morelli. When Wright came to enough he disqualified Starr. Morelli was so groggy it took him several minutes to realize that he had won.

a body jackknife and the second fall in exactly the same time with a Boston Crab.

In the first event Gene Detton and Benny Trudell, the bearded Canadian wrestled for a one fall event with a 20 minute time limit. This match was a draw.

Coffee Advice Provided
KNOXVILLE, Tenn. (AP)—"Women," the man says, "know very little about coffee or coffeemaking. So, I'll tell you."

Robert T. Cameron, retired Knoxville lawyer who keeps bachelor quarters has been working on a coffee pot for five years. Its patented with eight claims to special features. It brews coffee in any of the popular ways—percolator, drip or pot—all in the same container.

"Don't boil it hard he urges. That brings out bad taste in a substance called caffetannin and boils off the good taste with the aromatic oil."

"That's the heavenly aroma you smell in some kitchens when coffee is being made, and that makes your disappointment greater when the cup handed you holds a comparatively tasteless brew," he says.

Cameron's coffee pot, he says, keeps the caffeine and oils in the brew and leaves the caffetannin in the grounds.

More uniform grazing of pastureland can be obtained by providing water, salt, or shelter in locations that have proved least popular with livestock.

Of all the mowers now in use in the U. S. A., over half are horse-drawn type, according to New Holland Machine Company.

Special Event
The special event was a two out of three fall match with a 45 minute time limit between Tom Thumb of Canada, who claims to be the best midge wrestler in the world and seems to prove it, and Karl Kruger of Chattanooga, Tenn.

Thumb won the first fall in 15 minutes with an airplane spin and

Peanut Butter Cupcakes
1-3 cup butter, margarine, or other shortening
1/2 cup peanut butter
1 teaspoon vanilla
1-1-3 cups brown sugar
2 egg yolks, plus 1 egg
2 cups sifted flour
3/4 teaspoon salt
2 teaspoons baking powder
1 cup milk
Meringue (see below)
1/2 cup chopped salted peanuts
Blend shortening, peanut butter, and vanilla. Gradually add 1 cup of sugar, creaming until light and fluffy. Beat eggs with remaining 1-3 cup sugar. Sift dry ingredients together and add alternately with milk to the peanut butter mixture. Fill lightly greased muffin pans half full, cover with meringue, and sprinkle with chopped peanuts. Bake at 350 degrees F. (moderate oven) about 25 minutes or until the meringue is set and well browned.

Makes 24 2-inch cupcakes.

Good Luck Rides On
OKLAHOMA CITY, (AP)—Mike McGrew deputy U. S. marshal here, has carried his son's first baby shoe as a good luck charm for 13 years. He has had it hanging on the rear-view mirror of four automobiles and during the war, kept it in the pocket of his army uniform.

The shoe made two invasions and six times crossed the Mediterranean Sea. McGrew once was thrown into the sea but he and the shoe came out safely. McGrew estimates the shoe travelled 418,000 miles in his four cars.

The deputy marshal is getting a new car but he's facing troubles. The mirror is in such a position that the shoe can't ride as it did before. However, the deputy marshal vows he'll work out something. He couldn't go anywhere without the good luck charm.

Timely Tips
1. Peanuts are good in main dishes, in soups, in combination with other vegetables, in salads, sandwiches, cookies and desserts.
2. For efficient use of peanut protein, some high-quality protein food such as meat, eggs or milk should be eaten at the same meal.

What, No Beer
ST. LOUIS, (AP)—Robert Moore found himself accidentally locked inside a tavern cooler room which he was repairing.

With the temperature near freezing, the shirt-sleeved repairman shouted and pounded on the six-inch walls for half an hour to no avail.

Then he had an inspiration. He cut off the supply of beer piped from the cooler room to the tavern tap. That brought Herbert Kempke, the tavern owner, on the run.

A Fowl Deed
STERLING, Kan. (AP)—Mrs. Logan Mahoney solved the case of the disappearing milk money. She had been leaving money for the milkman in a jar on her front porch. First a dollar bill disappeared. Then 60 cents vanished. The milkman said the jar was always empty when he arrived.

Next day Mrs. Mahoney watched. Up to the jar waddled her two pet geese. They dipped their bills into the jar, carried off the money and then dropped it in the yard.

Brazil Has 4-S Clubs
NOBLESVILLE, Ind. (AP)—The farm country in Brazil is getting to know 4-S clubs the way Yankee farm children know 4-H clubs, because O. V. Winks passed through. Winks is back on his job as Hamilton County agricultural agent after a two-year leave of absence to teach Brazilians the "American way" of planting and tilling crops.

Remembering 4-H clubs, Winks organized 30 such clubs in the South American farmlands. To translate the four H's—head, hand, heart and health—into the Brazilians' Portuguese, he used four S's—sabre, senior, server and saude, which stand for know, feel, serve and health.

Almost Painless Fines
GUTHRIE, Okla. (AP)—An "honor system" for overparking violators is being considered by the Police Department. Under discussion is the installation of collection boxes on downtown parking meters where the violator could pay his fine without coming to headquarters.

He would insert the amount of the fine and his ticket in an envelope than drop it in the box for collection by the patrolman on the beat.

New Conoco Super Gasoline with TCP*

The Greatest Gasoline Development in 31 Years

1 "Since I started using Conoco Super with TCP, my Pontiac is performing at least 35% better than ever before. I have 21,000 miles on my car but with TCP it runs just like new. I find Conoco Super with TCP is the best gasoline on the market!"

Cannie Warren, Security Sergeant of Plant Protection
917 South Hampton St., Angleton, Texas

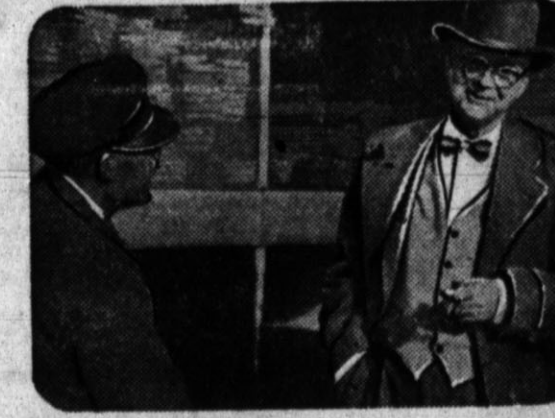

2 "We've used Conoco Super with TCP since the start. We first noticed the tremendous increase in power on a business trip. Pickup was much better, and on hill-wind passing, it was just like driving a new car. Mileage is up 34 miles to the tankful too!"

Mrs. Ray Bannet, Co-owner PFAFF Sewing Center
4637 Troost Ave., Kansas City, Missouri

3 "As an insurance broker, I drive nearly 25,000 miles a year. Good mileage and plenty of power are important to me. Since using New Conoco Super Gasoline with TCP, I get better pickup, smoother running and three miles more to the gallon!"

Edmund T. Berent, Insurance Broker
3443 N. Springfield Avenue, Chicago, Illinois

4 "I've got 50,000 miles on my 1950 Buick, but since changing to Conoco Super with TCP it runs just like new. On cold mornings, it starts the first time I kick it over. And on the road, or in city driving, I'm getting a good 2 miles more per gallon."

W. T. "Bill" Olson, Sr., Retail Lumberman
7840 Robinson Way, Arvada, Colorado

5 "I get a day and a half extra run on my school route since we switched to Conoco Super Gasoline with TCP. The power increase is really something. I don't have to shift to second on hills like I used to. I'm getting an all-round performance increase of 50%."

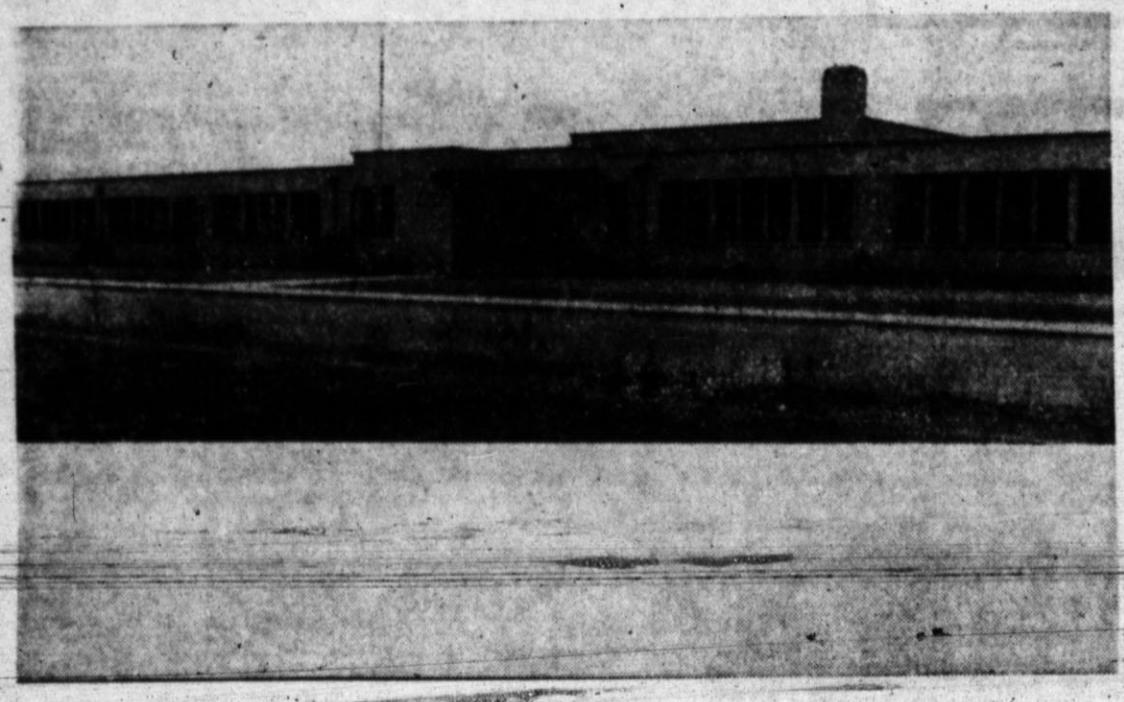

Chris G. Brownfield, School Bus Driver
Route #1, Seagrave, Texas

The House of GOD

Here is the Sanctuary where men meet God. It is where His message is spoken to the careless, sinful and needy... WHERE MEN ARE MOLDED FOR HIM. This is the church — where men bow to the God of forgiving grace. Partner, if you haven't been a regular attendant, you are missing much. It is a place where we can kneel in prayer, enjoy religious fellowship and receive help for the difficult task ahead. If you will join me here at church, in the spirit of humility, and recognize God as father, friend and Saviour, right then YOU'LL BECOME ONE WITH THE COSMIC LIFE.

Frio News

By Mrs. Owen Andrews
Mr. and Mrs. Jack Jones and children visited their relatives at Snyder, Okla., and Memphis recently.
Dinner guests in the Olin Parris home Saturday evening were Mr. and Mrs. J. N. Hollis and family of Plainview. Sunday guests were Mr. and Mrs. A. D. Johnson and Karen of Edmondson.
Doyle Johnson spent Sunday with Joe Ed Andrews.
Sue Berryman was also a guest of the Owen Andrews Sunday. They celebrated Clark's birthday.

Mr. and Mrs. W. A. Springer went to Silvertown Wednesday to attend funeral services for Mr. and Mrs. Irvin Francis, who were killed in a plane crash. The services were held in the First Baptist Church at Silvertown with the Church of Christ pastor conducting the service. Mr. Francis was a nephew of Mrs. Springer's brother-in-law.
James Dobbs visited Don Mobley, Sunday.
Mr. and Mrs. Otho Snow of Oklahoma City brought Mr. and Mrs. W. H. Thompson home Monday. The Thompsons have been visiting their children for the past week. LaVon and Tawana have been staying with their sister, Mrs. Lester Irwin, while their parents were away.

Mr. and Mrs. Carl McClintock and Larry went to Tahoka during the weekend to visit Carl's relatives. Larry remained to spend the week there.
Jana Cole spent Monday night with Sue Cole in Hereford.
Moved to Hereford
Mr. and Mrs. Thurman Cole and children have moved to town. Their new address is 207 Avenue C, which is a block west of the Lutheran Church. The Treadway family has moved where the Coles did live and will help with the farming. The Treadways have worked for Lee Cocanougher for quite a while.
Visitors in the Earl Cole home Sunday afternoon were Mr. and Mrs. Bill Grover and daughter of Littlefield. They are old friends.
Among those who were ill during the weekend were Floyd Cole and W. H. Andrews.

Mrs. C. N. McClure underwent an operation on her eye Monday

of last week at Big Spring. McClure brought her home Sunday. Visitors in the McClure home Sunday were: Mr. and Mrs. L. K. Shifflett of Fletcher, Okla., Mr. and Mrs. G. W. Masten, F. O. Masten and Mrs. A. L. Frazier, all of Sudar. The Mastens and Mrs. Frazier are brothers and sister of Mrs. McClure and Mr. Shifflett is a cousin of McClure.
The Frio Homemakers Club met Tuesday in the home of Mrs. H. F. Benson for a program on "Care of the Skin." Miss Alma Andrews spoke on "Handle Your Hands With Care," and emphasized the importance of protection with gloves for the really dirty jobs such as dusting, gardening and so on.
Mrs. Carl McClintock spoke on "Skin Care is a Family Affair," and mentioned the various things the homemaker can do to help her family make skin care easier. Those present for the meeting were: Mesdames Carl McClintock, E. F. Vogler, Featherston, W. A. Springer, Owen Andrews, Glenn Roberts, Leonard Buttrill, B. M. Sudduth, Guy Cox, J. H. Dobbs, E. H. CARD OF THANKS
I want to take this opportunity to express my thanks to my many friends, neighbors, the hospital staff, nurses and doctors, especially Dr. Mimms, who have all been so nice to me during my illness, both while I was in the hospital and at home.
I thank God for you and pray His richest blessing on each and everyone of you.
Mrs. T. A. Sullins.

At The Movies

JACK SLADE
Showing Friday and Saturday at the Star Theatre.
Starring Mark Stevens, Dorothy Malone and Barton MacLane.
Mark Stevens, as Jack Slade, is an orphan boy who grows up under the guidance of an old friend into a ruthless killer on the side of the law.
As a wagon train guide and division manager on a stage line, Stevens wipes out outlaw after outlaw and takes Dorothy Malone for his bride. Then the unexpected happens to change the course of their lives.
This is a biography of Jack Slade, a little-publicized gun-thrower of the early west and boasts entertainment factors over and above the average six-gun western.

SASKATCHEWAN
Showing Sunday, Monday and Tuesday at the Star Theatre.
Starring Alan Ladd, Shelley Winters and Robert Douglas.
Saskatchewan is a story of high excitement which tells of the difficulty encountered by the Royal Canadian Mounted Police when a group of hostile Sioux Indians cross from the United States into Canada and try to arouse the peaceful Cree Indians into open warfare.
Filmed in Technicolor in the heart of the Canadian Rockies this outdoor drama has enough exciting, thrilling action to thrill every moviegoer.
