**TEN YEAR MEN** -- Pictured are the only six charter members of the Hereford Rotary Club who are still members. All six were members when the club was organized in May of 1945. From left to right are John Patton, Henry Sears, Henry

Benson, Lynn Kester, E. Hedrick and Faust Collier. They were presented special plaques at the Tenth Anniversary Ladies Night held Thursday night. (Staff Photo)

## Work On Sewer Line Begins On Highway 51

First actual manual labor on the Highway 51 widening program got underway Friday morning when workmen for the Bill Wilson Construction Co. began work on laying the new sewer line.

Wilson, who was successful bidder on the contract to lay the line, had workmen busy this morning for the first time. Although the ac-

tual contract to widen the highway has not been let and some right-of-way has not yet been granted, the work is expected to progress rapidly. Other utility lines must also be moved back before work on the widening of the highway can begin.

When completed, the highway will be altered from a narrow, two-lane road into a 75-foot highway, affording six lanes of traffic. An underpass south of town where Highway 51 intersects with the Santa Fe tracks is also to be constructed.

More than half a dozen property owners still have not signed right-of-way agreements. The city recently mailed out final "crash" offers to all property owners who have not yet agreed to grant the needed property. The offers represented what the cost of curbing, of which the city has agreed to bear the cost for all property owners, would cost.

**FIRST ACTUAL WORK** -- First visible work on the Highway 51 widening program got underway last week when workmen began preparing to lay the new sewer line. Pictured here is some of the pipe placed along 25 Mile Avenue which will be used in the project. (Staff Photo)

## Uranium Class Set Tentatively For May 17 Here

Interested in Uranium Hunting? A series of four weekly classes in prospecting for the precious radio-active metal will tentatively begin in Hereford May 17, if enough interested persons can be signed up, according to the Vocational Department of Amarillo College.

An overwhelming response to its course, "Uranium Prospecting," in Amarillo, Pampa and Borger, has prompted the Vocational Department to offer it to other communities in the Panhandle.

Cost of the course has been set tentatively at five dollars for the 10-hour course to be held on consecutive Mondays. The course will include the following topics, presented by authorities in the field of radio-active materials and by a member of the Atomic Energy Commission: Geology, maps reading, mineralogy, uranium minerals, land and leasing, claim staking, instruments and evaluation.

Time and place of the local course has not been determined, pending an estimate of the size of the student body. All persons desiring to register for the course have been asked to phone the city. (Continued on Page 2)

## Davis Nominated For West Texas C-C Director

Ballots are now in the mail from the West Texas Chamber of Commerce to Deaf Smith County members to elect a new member of the WTCC Board of Directors from this area.

The vacancy was created by the resignation of Lyle Blanton. Blanton resigned because of out-of-state interests which keep him out of the area much of the time.

A four man nominating committee headed by W. M. Lenderman has nominated W. L. Davis to fill the post. The committee made up of Lenderman, Paul Harvey, C. C. Acker and Ben W. Childers, was named by Ray Grisham, president of the WTCC. Ballots carry Davis' name, but members can vote for any one they choose. The new director will serve for one year.

Davis, a partner in Davis-McCracken Implement Company, is a past director of the Deaf Smith County Chamber of Commerce. He is also a past director of the Lions Club, a member of the First Christian Church official board, a member of the Deaf Smith County Hospital Board of Directors, a member of the Texas A&M College ex-students council and a member of the Masonic Lodge, Scottish Rite and Shriners.

The committee said, "We believe Mr. Davis will make a real member of your Board."

## Hershel Edward Miller Is Taken By Death Saturday

Hershel Edward Miller, well known resident of Hereford, died Saturday morning in the Deaf Smith County Hospital after an illness of one year.

Mr. Miller came to Texas from Pauls Valley, Okla., in 1915. He later came to Deaf Smith County in 1930 from McLean. A farmer for 20 years, he had been in his present business, Miller Oliver Company, for nine years. Mr. Miller was a veteran of World War I. Born Jan. 1 1897 in Roff, Okla., he was married to Miss Gladys B. Davidson Sept. 8, 1920 in Wheeler.

Chairman of the Spective Service Board Number 18, he was also a 32nd degree Mason and was a former post commander of the American Legion unit here.

A member of the Baptist Church, services are pending the arrival of members of the family. Rev. Howard Scott will conduct the service and interment will be in West Park Cemetery.

Survivors include his wife, Mrs. Gladys Miller; three sons, Hershel Miller of Hereford, Jod Miller of Lubbock, and Robert Miller who is (Continued on Page 2)

## Around Town

### It Happens Every Day At Ten In Corporation Court

By VIRGIL E. MOORE

The man's hands quivered vigorously and he appeared as repentant a man as you could find. "I'm guilty sir, guilty as I can be."

The tall, lanky man was the first person to appear before Corporation Court Judge Cecil Massey Friday morning. The charge: drunkenness. His was a somewhat

unusual story in that he had turned himself in—asked police to put him in jail.

"I was afraid that I would get out in the street and get run over," he confessed.

Asked by Massey what he had been drinking, he replied, "Just whiskey sir, I never drink anything but whiskey." Massey asked the man if he had any family. He said no. Asked about his job, he said, "I make real good money when I work." He assured the corporation court judge he had been drunk for his last time. Admitting that he is an alcoholic, he said, "But, I never drink unless I get with some drunkard."

Massey then levied a fine of \$25. "But I'm going to suspend it," he said. "We want to help you if we can."

It happens every morning, beginning at 10 a.m. The drunks, the traffic violators and minor criminals parade before Massey, who in addition to serving as city manager, is city judge.

Police Chief Leo Box ushered in the next defendant. Massey asked him how he felt as he sat down. "Not good at all," he said with a sheepish grin.

He too was a tall man, and he too faced a charge of drunkenness. His plea was also guilty. Massey asked him what his plans were. "If he were going to continue to stay in Hereford. The man, who looked as though he felt just about how he said he did, assured the judge that he was. He said he liked folks around here and "you can nearly always get a job," it turned out in further questioning that he didn't have one at present.

Massey said, "Your fine will be \$16."

Youth entered the picture next. The man wasn't what many would call young, but he was still probably in his late 20's. His remorse wasn't apparent—in his speech or his looks. He too was charged with (Continued on Page 2)

### Hill's Condition Is Still Critical

O. G. Hill Jr., prominent Hereford farmer-rancher, is still listed as in critical condition in the Northwest Texas Hospital at Amarillo following an accident last Wednesday while working cattle near Clayton, N. M.

Hill suffered a head injury when the horse he was riding fell and stepped on his head. A family spokesman said Friday afternoon he had still not regained consciousness.

Only last Saturday Hill had ridden one of his quarterhorses, Hot Shot Welsh, to the championship in the senior reining class at the Hereford Riders' Club Quarterhorse Show. He is considered an outstanding horseman.

The accident occurred at noon Wednesday. Hill was rushed to the Amarillo hospital where an emergency operation was performed.

### County Hospital To Hold Open House May 12

Announcing an open house from 3 to 5 o'clock Thursday afternoon, May 12, T. E. Seigler, manager, said that all interested citizens are invited to tour the Deaf Smith County hospital in cooperation with National Hospital Week, May 8-12.

"Guests will be taken through the hospital on planned tours during the open house," he said, "and we believe that many people will find the visit entertaining as well as informational."

He also reviewed 1954 operations of the hospital as follows: 4401 patients received care of some sort; 1709 were bed patients, plus 308 births recorded at the hospital. The average patient remained in the hospital 4.7 days.

Cost of operating the hospital, Seigler cited as being \$18.27 per patient, per day. Net cash income to the hospital, he said was \$19.04 per patient, per day—leaving a profit of 77 cents per patient, per day, not including depreciation and purchase of new equipment. A total of 34 employees are required to operate the Deaf Smith County Hospital at a total cost of \$98,505.72 according to Seigler, who added:

"The hospital is self-sustaining. It is owned and operated by the county with a board of managers as the governing body. The hospital has an open staff policy," said Seigler, "any doctor who meets hospital regulations, as determined by the board, may practice in the Deaf Smith County Hospital."

Tex. Employment Office Is Sought

The Deaf Smith County Chamber of Commerce Board of Directors has requested that the Texas Employment Service open an office in Hereford.

A letter sent to W. A. Grant, district director of the TES in Amarillo said in part, "Due to the growth and development of the area in recent years our people were unanimous in feeling there was a critical need for this service. Our town, as you know, has more than tripled itself in the past 10 years, and the phenomenal growth both in agriculture and industry makes the location of an office from your service a necessity."

"Please be assured that this organization will cooperate in every way, and see that the facility when located in Hereford will be used by our citizens."

Chamber of Commerce officials were confident of favorable action.

### Farm Laborer Dies In Field

Joe Fernandez, farm laborer, died suddenly Thursday morning, May 5, while working in the fields.

Born Aug. 27, 1893, in Hidalgo, he came to Hereford in July of 1954 from Earth, and was married to Jaunita Medrano in 1949 in San Marcus.

He was a member of the Catholic Church. Funeral services were held at 10 o'clock Saturday morning in the San Jose Mission. Father Raymond Gillis conducted the service.

Survivors include his wife and three daughters.

O. G. HILL JR.

**NEW LIONS CLUB OFFICERS** -- Following a political rally in the Jim Hill Hotel Ballroom, Hereford Lions elected new officers for the coming year at their annual Ladies Night banquet held Thursday. The rally featured fast talking campaign managers, a five piece band and a wide assortment of political slogans. Pictured, from left to right, front row, are

Mutt Wheeler, tail twister; Bruce Miller, Lion tamer; Earnest Langley, first vice president; and Blue Turpin, secretary. Back row are M. Latham, second vice president; F. W. Dool, director; T. W. Alderson, director; Dub Reeves, president; and Dr. A. T. Mims, third vice president. (Alex Thompson Photo)

Alex Thompson, the photographer, should be having a lot of fun these days shooting color film of his wife's iris beds, which are exceptionally beautiful this year. Quite a few people, in fact, are detouring several blocks out of their way to drive past 208 Avenue E and see the flowers. Mrs. Thompson estimates that the blooms will continue approximately two more weeks.

Alex's wife, however, was complaining that he had a bad habit of taking pictures around home, developing the negative, holding it up to the light and saying, "That's a good shot," and forgetting to ever print it.

A meeting to plan summer courses in homemaking is to be held Tuesday at 3:30 p.m. in the homemaking department of Hereford High School. Courses in any phase of homemaking will be offered to women of this area during June.

Kiwanians were entertained by Morris Fielder at their luncheon Thursday noon. Fielder played both the organ and piano for the group. W. B. Dowell was program chairman.

Scout Troop 51 will hold Parents Night Monday at 7:30 in the Wesley Methodist Church. A tent pitching contest is planned.

Mrs. Homer Brumley, prominent Hereford civic leader, was to undergo surgery in Baylor Hospital at Dallas Saturday morning. Accompanying Mrs. Brumley to Dallas was her husband.

Plans were made for the opening of the Dav Center at the Labor Camp on a part-time schedule to begin the first week in June by the executive board meeting of the Federated Council of Church Women.

Ed Hedrick, president of the First National Bank, left Saturday. (Continued on Page 2)

### It Happens....

(Continued from Page 1)  
being drunk, and he too admitted to having drunk a little. He, like

he two older men, wasn't married. Massey also fined him \$15. The final defendant of the morning came into the room aided by crutches. When seated he was asked if he had anyone out in the

waiting room whom he would like to have come in the courtroom. "My wife never has been in court, but I think maybe she would like to come in," he said. Chief Box asked his wife if she would care to come in, and she did, taking her seat and keeping her eyes turned to the floor.

This was another man with a number of years back of him. He admitted having drunk three beers but when asked, said he didn't drink very often. Massey fined him the same amount as the others.

"Just a typical day," Massey said, when the last defendant had left the room. "Mondays usually run a little more, but four a day is just about normal."

## Summerfield Hands Piggly Wiggly Nine; First Loss

By BILL KNOX

The Improved Knights of Columbus rolled over luckless Rutherford's 2-7, and Summerfield stopped Piggly Wiggly 7-6 in the top of the seventh in Friday night softball games.

The KC's had no trouble in routing Rutherford's, but Summerfield had to stop Piggly Wiggly in the last of the seventh on Roy Campbell's triple. The victory puts the Farmers in first place one-half game ahead of Home Jim Hill.

In the close second game play was good throughout and tension was high. It was one of the freak happenings of the Hereford league which often features high scoring slugfests.

### FIRST GAME

The KC's led off with five runs in the top of the first. The first two batters walked, and Duane Albracht smashed a double, and Tom Urbanczyk clouted a home run. Three more singles scored the other run.

However, Rutherford's countered with three runs of their own in their half of the first. Bob Veigel and John Bryant led off with consecutive singles, and PaDu Poindexter drove Veigel in with a sacrifice fly. Herkling Bill Callaway scored Bryant with a double and scored himself when Nogler dropped Danny Elliston's pop-up.

The Knights picked up a lone tally in the second to make the score 6-3. The first two men flied to Bryant in centerfield, but Peters doubled, and Bill Stengel singled for the run.

After Rutherford's had been blanked in their half of the second, the KC's scored five more in the third. The crowd walked, and the next four batters got safe blows, while another scored. It was an error to make the score 11-3.

Rutherford's scored their final runs in the third. Poindexter led off with a triple, and Callaway got his eighth RBI with a single to complete his perfect day at the plate. Maxwell singled, and after Summers had walked, Russell doubled. An error by Tony Urbanczyk also aided Rutherford's.

The KC's poured it on, scoring eight in the fourth and three in the fifth. They wound up with 13 hits and 22 runs. Rutherford's got eight hits.

### SECOND GAME

The second game was close all the way. Piggly Wiggly was held scoreless in the first, but Summerfield picked up a single tally. After the first two men had struck out, Botkin drew life on pitcher Morgan's throwing error. Mc-Cathrin scored him.

The Pigs picked up two in the second to take the lead, however. A walk, a single by Don Morgan, and an error on Summerfield shortstop Roy Botkin turned the trick. Summerfield exploded in the third, scoring five runs. Clark and Howell got consecutive hits, and Davis walked. Botkin then clouted a home run. Clearman triple and scored on Bud Pickens' error.

Neither team scored again until the fifth when Piggly Wiggly made it 4-6 by scoring two runs. The runs came on Raymond Dement's homer with Stanley Sagle aboard.

The Piggly Wiggly team made a big comeback to tie the score in the top of the seventh. Biddy Pickens was the hero. He doubled in both of the two tying runs, but Summerfield produced its own hero in Roy Campbell who, after Jamie Clearman had reached second on an error, scored him with a triple to right field.

## Jaycee-Ettes Hear Report

Jaycee-Ettes held their regular meeting at the Jaycee Club house Wednesday night with Mesdames Bill Williams and Carroll Goss serving as hostesses. Mrs. John Aiken, president, presided.

During the business session, amendments were made to the constitution and by-laws and a program was presented by Mrs. Dennis Lomas who attended a recent Jaycee convention in San Antonio. Mrs. Lomas told of the style show, a tea featuring Mexican dancers, and the election of officers, as well as other entertainment for the ladies.

Members present were Mes-

dames John Aiken, Hershel Miller, Don Fudge, Melvin Young, Doryal Young, Ray Bosley, Dennis Lomas, Bill Howard, Ed Davis, Gerald Hale and the hostesses. Mrs. Virgil Moore was a guest.

Mr. and Mrs. H. A. M. White of Corona, Calif., are visiting in Hereford with their daughters and families, the Delbert Rulaps and Bill McIvers. While here they plan to visit another daughter in Amarillo Mrs. Ansel Arden, and family. Also, they will visit relatives of Mrs. White in Portales, N. M., and relatives of Mr. White in Snyder. The Whites are former residents of Hereford.

### Farm-Ranch Club Elects Officers

A Spanish motif was used in table decorations for the luncheon and program held by the Farm and Ranch Club Thursday in the home of Mrs. Charley Hoover. Officers, who will be installed at the next meeting, were elected. They include Mrs. G. S. Solomon, president; Mrs. Hershel Barrus, vice president; Mrs. Waldron Mel-

ton, secretary; treasurer, Mrs. Charley Hoover, reporter and Mrs. J. V. Perrin, assistant reporter. Plans for next year's work were discussed and members are requested to bring program suggestions to the next meeting. Members present were Mesdames T. W. Perrin, J. V. Perrin, Waldron Melton, W. L. Harkrider, Roy Pruitt and the hostess, Mrs. R. G. Halder of Fort Worth, who is visiting her daughter, Mrs. Harkrider, was a guest.

### James McClung Taking Part In Sea Expedition

BERING SEA (FHTNC)—Participating in the spring Bering Sea expedition, aboard the icebreaker USS Barton Island is James R. McClung, engineer third class, USN, son of Mr. and Mrs. Guy K. McClung of 236 W. Third Street, Hereford, and husband of the former Miss Virginia M. Crotteau of Latah, Wash.

Before entering the Navy in 1948 he was graduated from Missoula County High School.

The Barton Island, which last summer completed the final link in the long-sought Northwest Passage, is performing hydrographic and oceanographic studies in the Bering Sea while observing the spring break-up and recession of the Arctic ice pack.

Mrs. J. O. Baker of Dallas is here to spend Mother's Day with her parents, Mr. and Mrs. G. W. Brumley.

### Registrants Face Delinquency For Failure To Report

A reminder has been issued by Mrs. A. Peterson, clerk at Texas Local Draft Board Number 18 that 17 men could lose their dependency classification and become delinquents unless they notify the draft board of their change of address.

These men are all classified as 111-A for dependency but because of their neglect in advising their board, they could lose this classification and become delinquents.

Anyone knowing the addresses of the following, was urged to please contact Local Board No. 18, Hereford, Box 585 or phone 839, by Mrs. Peterson.

Following is a list of registrants and their last known address:

Aser Clinton Johnson, General Delivery, Clovis; William Este Gipson, Box 636, Canyon; Dale Wallace Jackson, 805 S.W. 2nd, Oklahoma City; Buddy Lee McClendon, Box 526, Canyon; Dan Wilton Dunn, Box 87, Muleshoe; Hiram Leon Perry, Gen. Del., Hereford; Glenn Alexander Dorris, 1709 1st Ave. Canyon; Raymond Edward Welch, 1615 6th St., Canyon; Bobby Joe Covington, 1541 Lyle, Amarillo; Hershel Clayton Stowers, 412 Jones, Clovis; Caudill H. James, Ouida, S. D.; Julio Masas, Gen. Del., Hereford; Marcus Dave Dickson, Gen. Del., Wickliff, Ky.; J. Spencer Winn, 1069 W. 20th Casper, Wyo.; John Frank Cheatham, Rt. 2, Friona; Elmer Burr West, 614 Jackson, Ardmore; and Ernest Lee Brooks, Box 22, Hart.

ROUND-UP TIME -- The Round-Up, annual student publication at Hereford High School, arrived this week. Here, Christene Strain is pictured showing off her edition. Christene is a junior. (Staff Photo)

## Westway News

By Mrs. Johnie Townsend  
The Baptist pastor, Rev. R. D. Evans, filled the pulpit May 1. There were 70 attending Sunday School. Jimmy Thomas gave a birthday offering. Sunday morning visitors were from Adrian, Frio and Hereford. The regular first Sunday singing was held in the afternoon.

Willing Workers met with Mrs. Clarence Morrison last Wednesday afternoon. Mrs. T. D. Alston led the program which was a continuation of the study of Acts. Ladies attending were Mesdames Joe Landers, Ray Lee Wilson, A. A. Head, Harold Head, T. D. Alston and the hostess. The next meeting will be with Mrs. Johnie Townsend May 18. The program will be "Christian Living."

Mrs. Joe Landers and Mrs. Elmer Combs spent last Monday in the W. B. Nunley home at Hereford.

Mr. and Mrs. G. C. Merritt Sr. of Frio were supper guests of the Clarence Sauley's Thursday night. Mr. and Mrs. Ed Blainey went to Amarillo Monday to see Mr. Blainey's doctor.

Mrs. Clarence Sauley and Mrs. Elmer Combs visited the G. C. Merritts of Frio recently.

Mr. and Mrs. Joe Landers attended services at the Temple Baptist Church in Hereford Sunday night.

Sunday dinner guests in the Joe Landers' home were Mr. and Mrs. Robert Boyd and R. M. Gunn of Hereford.

Rev. and Mrs. R. D. Evans of Amarillo spent Saturday night in the home of their son and wife, Mr. and Mrs. Donald Evans.

Mr. and Mrs. James O. Harris and children returned to their home in Channing last Sunday after spending several weeks in the home of her parents Mr. and Mrs. Everett McIntosh. Mr. Harris was recuperating after surgery.

Mrs. Wyle Quattlebaum of Hereford called in the Johnie Townsend home recently.

Rodney and Mike Wilson of Hereford spent Saturday night and Sunday in the Roy Lee Wilson home.

Mr. and Mrs. W. E. Combs of Plainview called in the Cliff and Elmer Combs home Wednesday morning. They were en route to Hayden, N. M., to visit Mr. Combs sister and family the Huels Stevensons.

Mrs. Clarence Sauley went to Amarillo Friday afternoon to help her granddaughter Mona Odell celebrate her birthday. Mona appeared on the TV program, "For Kids Only."

Sunday dinner guests of the Johnie Townsends were Mr. and Mrs. John Burns and Wilford Pickens of Lakin, Kans., Mr. and Mrs. E. E. Allen, Marvline and Wayland of Adrian. Calling in the afternoon were Mr. and Mrs. Bill West of Ward, Mr. and Mrs. Lewis Neil and Clayton and Mr. and Mrs. Gerald Townsend of Hereford.

Word has been received here of the birth of a daughter to Mr. and Mrs. Glenn Williams of Afton, Okla. The baby arrived April 22, weighing nine pounds and two ounces, and was named Pamela Susan.

Glenda Landers, daughter of Mr. and Mrs. Roy Landers of Hereford spent Tuesday in the home of her grandparents the Joe Landers. - Ross Joe Landers was among

the group of "Shadow Players" who attended the play "Time Out For Ginger" in Amarillo last week. Rev. and Mrs. R. D. Evans of Amarillo and Mr. and Mrs. Donald Evans were recent supper guests of the Elmer Combs.

Seniors from here enjoying the annual trip to Ruidoso, N. M., are Florene McIntosh, Jo Edna Scott and Larry Kaul.

Westway Home Demonstration Club will meet with Mrs. Abraham Drager Wednesday, May 11.

Mrs. Johnie Townsend and Terrie Jan, Mrs. Lewis Neil and Clayton of Hereford and Mrs. Bill West of Ward visited Mrs. Neal's brother and family the Grady Shulls of Plainview Wednesday. On their return trip they called in the Bert Garrison home at Kress.

Rev. and Mrs. R. D. Evans of Amarillo were dinner guests of the A. A. Heads on Sunday.

Mr. and Mrs. Ray Landers and Glenda of Hereford visited recently with the Joe Landers.

Mr. and Mrs. Abraham Drager have recently completed their home and are now living in it.

Recent visitors in their home were her sister and family Mr. and Mrs. Bert Davis, Glenda Gwyn and Sharon of Clovis. Also a brother and family, Mr. and Mrs. J. D. Cooper and Joan also of Clovis.

Last Thursday night the Dragers had all their family at home which included Mrs. Gene Batenhorst of Amarillo and George Drager of Camp Carson, Colo. Others attending the affair were Mr. and Mrs. F. S. Drager, Adeline, Somy and Genelle, Mr. and Mrs. Richard Drager, Earl and Betty, and Mr. and Mrs. Walt Vogler, Walter Leon, Harry James, and Mary Ann, all of Hereford; also Mr. and Mrs. Albert Drager, Irene and Edna J. Friona, and Mr. and Mrs. Merlan Kaul. Mr. and Mrs. Ralph Mitchell called Sunday afternoon.

George Drager left Monday after a few days at home. He will be stationed now at Camp Jackson S. Carolina.

Mr. and Mrs. Kenneth Kudd, Teresa and Susan, were shopping in Amarillo Friday.

Mr. and Mrs. Dick Godwin and sons of Dallas are spending several days on the Godwin farm.

The Sadie Lee Oliver 4-H Club girls saw a demonstration on "laying, marking and cutting" a pattern given by Mrs. Jimmy Thomas. Nancy Green was hostess.

Katherine Flood was welcomed as a new member. The roll call was answered by "what I plan to enter in the bake show." Those present were: Mary Lynn Morrison, Janie Auten, Sandra Townsend, Dora Ruth and Freda Inman and Nancy Green.

Dora Ruth and Freda will have the next meeting, May 16. Mrs. Pat Sullivan will demonstrate "belts and belt loops."

Mr. and Mrs. C. C. Rockwell left Saturday morning for Eastland to spend Mother's Day with her son and family, Mr. and Mrs. Tom Wilson and daughter Shannon.

Mrs. Leonard Click returned home Thursday after having been gone for the past two and a half weeks in Dallas where she underwent major surgery.

A-3c Gaylin Bishop is here visiting his parents Mr. and Mrs. E.E. Bishop while en route from Lackland Air Force Base to a base in Illinois.

Mr. and Mrs. H. H. Hamed of Claude spent the week visiting their daughter Mrs. J. N. Burgin and family.

Mrs. J. N. Burgin underwent major surgery in Amarillo Friday.

## HOME OF AYERS SUPREME FEEDS

By D. C. Kinsey

When the warm weather comes, the smart housewife shakes out the heavy winter clothes, gets them cleaned and moth-proofed before storing them away. She brings out the lighter summer clothes and has them cleaned too...

For about the same reasons, the smart car owner takes the turn to warmer weather as a signal to "shake out" the car for summer driving. The winter is tough on engines, transmissions and battery; it's tough sledding for just about every part of the car.

Even if it appears to have survived the winter without trouble, this is the time to have one of our mechanics take the time to go over the car from fan belt to exhaust. He can track down any of the little weaknesses you may have spotted—or may not have spotted—through the winter.

For instances, an engine that starts hard and idles too fast may be traced to a broken windshield wiper line.

Slow acceleration when you try to step on the gas may mean only that the carburetor needs to be set for warmer weather.

When there is misfiring, a rough engine and hard starting, you may have dispaired at the engine lasting through another year. Probably isn't the engine at all; more likely the contact points of the distributor are pock-marked or aren't spaced properly.

The warmer weather means you're going to be doing a lot more driving for fun, but it won't be fun if the hotter, longer drives of summer get spoiled because the car, speaking figuratively, is still wearing its long winter underwear.

The important thing is that our factory-trained boys (and how we're proud of them!) will find what's wrong, even if you haven't noticed it. And, just as important, they'll make the simple, inexpensive adjustments to fix the conditions you may have shuddered over, fearing a major repair bill.

Just in case the old hooper is beyond repair, or you're looking for something just a little better, then you'll be wise to drop by and look at some of the fine used cars we have in stock. Some of the best and cleanest of our new cars include a 1955 Chevrolet 210, 2-door; 1954 Chevrolet Bel-Aire Sport Coupe, 1952 Chevrolet 4-door; and a 1949 Chevrolet 4-door. All are in excellent shape and as clean as a pin.

We also have a good selection of new 1955 BUICKS from which to choose. Drop by today!

*D.C. Kinsey*

### Playoff Tilt Is Set For Thursday

Provided the Hereford Whitefaces defeat the extremely weak Panhandle Panthers, they will meet the Dalhart Wolves at Veterans' Park Thursday in the District 1A championship game. The game was created when the Whitefaces and Wolves split a doubleheader here last Wednesday.

Pitchers are expected to be Jim Wilson for Dalhart and Homer Hershey. Both had defeated Hereford and Dalhart respectively, which should create quite a spectacle. However, a slight

edge will be given to Dalhart despite the fact that the game is being played on the Whitefaces' home grounds.

### Dick Wilson To Give Recital

Dick Wilson, son of Mr. and Mrs. Bob Wilson, will be presented in a piano recital Tuesday evening at 8:15 at the Amarillo Conservatory of Music. He is a student of Robert Hoffman, dean of music, at the conservatory.

His program will consist of selections from the works of Bach, Chopin, Gershwin, Scriabine, Debussy and Liszt.

### School Lunch Menu

(Menus for May 9-13 are published by the Hereford Brand as a public service. Mrs. Claude Francis is supervisor of the Hereford Public Schools lunch rooms.)

**MONDAY**  
Irish Stew

Cherry Cobbler

### Father-Daughter Banquet Is Held

St. Anthony's School Hall was the scene of a father-daughter banquet Thursday evening with fathers as guests of the Marionette Girls.

Appointments were in red and white, Marionette colors, and an appropriate program of music and playlets was presented.

The banquet was served by sponsors of the Marionettes with Mrs. Maynard Buck serving as chairman.

### Spring Parties Mark Social Calendar For The Past Week

Mrs. George V. Stambaugh and Mrs. C. C. Rockwell were hostesses at two lovely bridge affairs the past week at the Stambaugh home. A spring motif in yellow and blue was carried out in decorative appointments with arrangements of yellow blossoms giving the floral accent.

Tuesday afternoon six tables of players enjoyed the games with prizes going to Mrs. Frank Cogdell, high, Mrs. Townsend Douglas, second-high and Mrs. M. W. Nobles, low. The traveling prize went to Mrs. Troy Moore.

Other players were Mesdames

D. C. McWhorter, J. A. McWhorter, C. J. Krumboltz, John Sims, Ivan Block, Frances Houston, C. J. Crump, Sylvester Slagle, Ben Childers, Kellar Muse, Carl McCaslin, Austin Rose Jr., Grant Fuller, Ansel McDowell, Elizabeth Womble, R. G. Peeler, S. S. Dodson, Verne Hilton, W. L. Davis Jr., and Cecil Gunter.

**Friday Party**  
Friday afternoon guests included Mesdames Jimmie Gillentine, J. C. McCracken, Alton Fraser, Earl McElwee, Bess Moore, N. E. Milburn, J. A. Pitman, R. G. Peeler, Troy Moore, W. L. Davis Sr., Eloyse Taylor of Amarillo, Frank Gyles, H. M. Cogswell, Jeff Gilbreath, Jim Lipscomb, O. L. Click, T. E. Seigler Jr., J. T. Gilbreath Jr., Jim Black, Will S. Kerr, H. E. Fox, and Jas. W. Witherspoon. Mrs. N. E. Milburn played high for the score award, and Mrs. O. L. Click played second high. Mrs. Alton Fraser received the low prize. The traveling prize went to Mrs. R. G. Peeler.

### Gene Dickson Is Installed As Social Chairman

PLAINVIEW, (Sp) — Gene Dickson, Hereford, was installed as social chairman of Ministerial Alliance of Wayland College at its installation service at the home of Dr. and Mrs. R. L. Dobson, Plainview, April 29.

Mrs. Lake R. Pylant, Nashville, who is secretary of the Church Recreation Service of the Southern Baptist Sunday School Board, spoke to some 45 guests which included wives of the ministerial students and faculty members.

Raburn Holton, Wellington, outgoing president, gave the charge to the newly elected officers: Henry Flippin, Eden, president; Clotus Caswell, Meadow, vice president; Charles Uzzle, Tahoka, secretary-treasurer; Dickson, social chairman; James Holcomb, Pickton, chorister.

Dickson directed the social hour following the installation service.

Dickson, who is chairman of the Division of Bible and Religion, is sponsor of the Ministerial Alliance, which includes ministerial and music education majors and minors.

Special guests were Father Bartholomew and Father Nathaniel. Approximately 120 attended.

### FAMILY REUNION

Mr. and Mrs. W. A. Dobbins have returned from Haskell County where they attended a reunion of her family held in the old home place of her parents, the late Mr. and Mrs. T. C. Williams at Goree. Eight of the 12 living children were present, the youngest 50 years of age.

The Dobbins were met there by a daughter and her family, Mr. and Mrs. T. W. Hamilton and Mr. and Mrs. L. C. Robertson of Hico. They were accompanied from here by Mrs. W. B. Dowell and sons.

**Hanging Pictures**  
A picture should be hung where it will have the light of day. Artificial lighting detracts from its artistic value.

### SALE SCENTED HOT WEATHER DEODORANT SPRAY BY Dorothy Gray

## Past Presidents Honored By Federated Club Group

Climaxing activities for the 1954-55 season, Deaf Smith County Federation and final quarterly session at the Methodist Church Friday afternoon.

Looking back over 26 years of community service, the organization honored its 13 past presidents and the present president, who have guided the group in coordinated effort to make Hereford a better place in which to live, and who have furthered the many projects sponsored by the various groups that make up the federation.

Hostess clubs were Pioneer Study Club, Child Study Club, El Niño Study Club, Progressive, Westway and Wyche Home Demonstration Clubs. Mrs. A. L. Manjeot was chairman of decorations and arrangement and Mrs. H. A. Close arranged the Fine Arts program.

Taylor Sims opened the program with a piano selection "Hunting Song" by Mendelssohn. The Shadow Players presented a skit which was a take-off on a woman's club committee meeting. Mesdames Ronald Babione, Ray Bysley, Harold Loerwald and Ray Johnson played themselves at a committee meeting which attended to everything except the matter at hand.

Mrs. John Sims and Mrs. Wayne Thomas played two piano numbers "Londonderry Air" and "The Dusky Serenade." A short business session was held after the program and refreshments were served from a table laid with a white organdy cloth edged in a floor length ruffle, over yellow. Carrying out the theme "Tulip Time in Texas" a large epergne arrangement of tulips shading from pale to deepest yellow marked the table. Tea dainties and accompaniments repeated the flower motif and colors. Mrs. Alice Cox, president, presided.

### PICNIC IN MICHIGAN

LANSING, Mich. — Tourists in Michigan find 3,500 picnic tables in 82 roadside parks in the "Water Wonderland" state this year. Seven of the parks are new.

## What's This

—By Chris

Hi folks. Let me tell you the pass-word at J. H. S. now. Smell the other morning and by the derring, that means "Sign my annual." I tried to push down the health e other morning and by the time I got 10 feet I was ink spattered from head to toe. Well, anyway, it's almost that bad; and you know what? We love it!

Friday, we had annual moving up day. To you folks who aren't familiar with the term, it means

### LaPlata Guest Night Tuesday

LaPlata Study Club observed "guest night" with an out-of-town speaker presenting the program Tuesday evening in the home of Mrs. Elmer Patterson. Assisting hostesses were Mesdames Leroy Aven and T. E. Seigler Jr.

Guest speaker was Mrs. Lee Foster of Canyon who reviewed the book "Love is Eternal" by Irving Stone, which is the life story of Mary Todd, who became the wife of Abraham Lincoln.

The story revealed Mary Todd's ambition to become the first lady before meeting Abe Lincoln, the meeting in Springfield, Ill., and their life together. How each bore the criticisms of beautiful Mary Todd and her grief at his death form a poignant climax to the story.

The next meeting will conclude the year's activities and will be in the form of a dinner with installation of new officers as the highlight. Mrs. W. J. Krumbach, incoming president, will be hostess.

Three new members were welcomed. They were Mrs. Paul Dishman, Mrs. Louis Woodford and Mrs. Kenny Gearn.

Special guests were Mesdames L. D. Barker of Canyon who accompanied Mrs. Foster to Hereford, O. L. Click, Bob Lamm, Robert Veigel, Norman Gray, John Sims, Carl Perrin, Lowell Sharp, L. B. Barnett, A. N. McRight, Geo. Graham, O. G. Hill, Maurice Tannahill, Liston Wilson, M. W. Nobles, R. D. Tillson, R. C. White, Hugh Bookout, T. D. Zorns and Clyde Cave.

Members attending were Mesdames Milton Adams, F. L. Alexander, Leroy Aven, N. D. Bartlett Jr., Homer Brumley, H. H. Carraway, Dalton, Criswell, Emil Dettman, S. S. Dodson, Clint Formby, J. R. Johnson, Lynn Kester, W. J. Krumbach, Don Little, Frank Prowell, A. J. Schroeter, Urlin Streu, T. E. Seigler Jr., Paul Dishman, Louis Woodford, Kenny Gearn and the hostess.

that while the seniors are gone on their trip, all the students move up a notch in assembly. It's the greatest! The sophomores are getting a little too smart; half of them were sitting in the senior section, and I'm a telling 'em right now, we just won't abide that!

That Willoughby has it made! He wears the sexiest clothes, has the sexiest hair-do, and has all the girls simply swooning.

Thumbs down on these Joe L. Characters! He's been signing a certain picture in the annual in a shady way. I happen to be in the picture, and what he's been saying concerns me very much—soo—he'd better watch out. Got me?

Turk, you'd better be good I'm going to tell Santa Clause on you. You wouldn't like that would-you?

I wonder which birthday present Carolyn enjoyed the most?

Well, the old place is sort of lonesome without the seniors, especially Eddie!

Don't ask me what six certain girls were talking about in Speech Friday! How about that Myrna and Nelda?

Well, folks, that's all for now. See ya.

**VERSAILLES RESTORATION**  
VERSAILLES, 18—Apartments belonging to the last kings of France before the revolution—and to their wives and mistresses—have been restored to their original state. Working from the descriptions given in the memoirs of court personalities, French government architects have done a complete job on the rooms in the right wing of the palace decorated on the orders of Louis XV. Their last occupant was Mme. du Barry.

Visitors will now be able to see the blue dining room where the King took supper after hunting, the gold drawing-room, Mme. du Barry's bedroom, the jonquil and lilac bathroom, the jonquil and Turkish blue bathroom, and the room where Louis XV made his own coffee on a little charcoal stove.

In Marie Antoinette's rooms, silks and furniture have been supplied to resemble as closely as possible those she actually used.

**Electric Light Globes**  
Try cleaning the light globes more often. It is astonishing how much light dirty bulbs and soiled glass globes take up. If they are neglected, the housewife will find that she is paying for electric light that she is not receiving.

### DEAF SMITH COUNTY CHECKERBOARD NEWS

By Frank A. Gyles, Jr.

PACKARD MILLING CO.

#### YOU MAY LOSE PIGS YOU NEVER SEE

Mother nature takes care of the piglets, but she doesn't do so well by her tiny unborn pigs. The early period of gestation is the most dangerous. Authorities estimate that 20-33 percent of all embryos are lost at this time. Reason—if not fed a ration rich in needed ingredients during gestation, the sow will resorb tiny embryos into her system.

When you consider that a well fed sow develops 5 to 12 embryos to 2½ and 3 lbs. in about 106 days, is it any wonder she needs balanced nutrition? She's a pig factory. She'll make money for her owner, if fed properly.

Yes, that's why we recommend Purina Sow and Pig Chow and grain from breeding until 5 days before farrowing. This program has what it takes to help you get large litters of husky 3 pound pigs.

#### CHECK CAUSE FOR ABORTION

If cattle abort for any reason, call your veterinarian at once. He'll probably send the aborted fetus and a blood sample from the cow to a laboratory for examination. The veterinarian, with this help, can prescribe treatments or a change in herd management that may prevent heavy losses. Brucellosis, vibriosis and leptospirosis cause most of the abortions. New testing methods make it possible to identify each disease.

#### HOGS WASTE MUCH FEED

Don't pass the hog lot when checking for places to cut feed wastage. In a test at Washington State College, a trap at one self-feeder caught more than 30 lbs. of hog feed per week. Simple adjustments in the height or width of troughs often helped eliminate feed waste.

#### WHAT PLAN IS BEST FOR YOU?

Pulletts grown on the Purina Growing Plan should be ready to lay at from 4½ to 5½ months depending on the breed. Whether you have no grain or lots of grain, there is a Purina Plan to help you grow uniform, well developed pullets. Ask about the plan best suited to your situation.

#### PURINA TUBULAR FEEDERS POPULAR

Many poultrymen prefer Purina hanging tube feeders to the trough-type units. The Purina tube feeder is research-designed and is equipped with a feed-saving collar guard that keeps birds out of feed, prevents contamination, and cuts down feed waste. One feeder takes care of 30 pullets or layers. Holds approximately 30 lbs. of feed. See it on display today.

#### HEALTH HINT

#### DON'T LET WORMS EAT UP YOUR PROFIT!

Now's a good time to get worms on the run in pullets from 10 to 12 weeks old. There's no fuss or muss. Simply substitute Chex-Ton for the regular ration for 2 days. Large roundworms will be removed without upsetting the birds. We suggest you plan on repeating the treatment before the birds are placed in the laying house, too.

**SCOTTS HONORED** -- Rev. and Mrs. Howard Scott (seated center) were honored at a "footstep banquet" held at the Western Wheel Inn Tuesday night by the group of young people pictured, in appreciation of their leadership and interest in the work of the church. The table which carried out the theme of the banquet, was marked with named characteristics of the honorees "love for people, interest in people, enthusiasm, adaptability and sincerity" footsteps which the young people desire to emulate, leading to the Scotts and an arrangement of yellow tulips and iris banked around miniature ceramic shoes. The two-tiered cake was topped with sugarpsh shoes done in yellow icing. As a token of good

fellowship and admiration, the Scotts were presented with miniature keepsake shoes. Shown in the picture are (seated left) Sue Bohrer, Elaine Pugh, David Scott, Rev. Howard Scott, Mrs. Howard Scott, Beth Scott, Wayne Stagner, Peggy Graham, Karen Sue Smith. Standing left, Marion Lomenick, Jerry Rayburn, Wanda Kirksey, Ben R. Plummer, Vendell Edwards, Patsy Cates, Johnny Burkett, Earl Dean Gandy, Marlene Gilliland, Marlene Legg, Marlene Allred, Jan Hargis, Carolyn Virden, Jimmy Dell Auten, Jack Rogers, Linda Burkett, Jimmy Huston, Dallas Phillips and Richard Ward.

Rhode Island, 37 by 45 miles, has a coast line 400 miles long.

### L'Allegra Club Elects Officers

Election of officers featured the business session held by L'Allegra Study Club members in the home of Mrs. Floyd Ross Thursday afternoon.

Those named to office were Mrs. H. A. Cavness, president; Mrs. Bill Hardwick, vice president; Mrs. Charles Hill, recording secretary; Mrs. Gerald Hale, corresponding secretary; Mrs. John Estes, treasurer; Mrs. Floyd Ross, parliamentarian; Mrs. Richard Ireland, historian; and Mrs. Hilton Higgins, reporter.

Plans were made for the installation of officers which will be a feature of a luncheon meeting held at the Western Wheel Inn on May 19.

Those attending the session were Mesdames Charles Hill, J. W. Barnett, Darrell Blanton, H. A. Cavness, Bill Dameron, Bill Harwick, John Estes, Gerald Hale, Hilton Higgins, V. C. Hopson, Richard Ireland, Walter London Jr., L. H. Lookingbill Jr., George McLean, J. W. Robinson, Wayne Thomas and the hostess.

#### DOUBLE TAKE

Francis Smitley should get some kind of an award for efficiency. Following a motorist he said was traveling 56 in a 40-mile-per-hour zone. Smitley noticed another car gaining on him from behind. He arrested both drivers for speeding.

### Church Women To Hold Luncheon

The Federated Council of Church Women will have a covered dish luncheon Friday May 13 at 12:30 noon in the basement of the First Christian Church. Mrs. A. T. Mims is in charge of the program.

Speaker at the meeting will be Rev. Andres Delgado, pastor of the Mexican Christian Church in Amarillo.

A nursery will be open for the small children.

#### WRONG VERDICT

SAN DIEGO, Calif. (AP)—Immigration officer Armand Hysette, star prosecution witness at a federal court trial, stepped into the corridor for a smoke while a jury was being chosen. Five minutes later he returned to the courtroom and stared in amazement as Judge Jacob Weinberger asked a jury to announce its verdict.

"Your Honor," blurted Hysette, "there hasn't even been any testimony yet! How can there be a verdict so soon?" The jurist laughed and told Hysette that while he was smoking, a different jury had returned with a verdict in another case.

#### FRENZIED FINANCE

DALLAS, Tex. (AP)—He did not steal the four cartons of cigarettes he was trying to peddle, a vigil told police. He got them from a store where he had a charge account, and, being short of cash, was trying to sell them.

Weather department! Don't water the lawn. We should have some nice showers this coming week. Also, don't forget to pay the water bill. You'll need it before the summer is over.

Furthermore, don't get discouraged when it gets dry. There is possibly more to this uranium deal than most people think. The lease on the Castro County farm operated by Leo Witkowski created very little interest in this immediate area, due to the fact that it is probably closer to Happy than to Hereford. People have been inclined to laugh and joke about the possibility of uranium in Deaf Smith County. They are not taking the matter seriously—and they are wrong. The possibilities are really good. Much better than most people think.

This is more especially true in the Summerfield area. Two firm lease offers have been made around Summerfield. This section, to date, seems to offer more potential than any other in the immediate vicinity of Hereford.

Anyway, here's some lowdown. W. G. Weatherford, the man who leased the Castro land at \$2 an acre, spent a week or 10 days in this community. He registered at the Hill and he kept his mouth shut about his business. No one knew what he was doing until he approached Earl Plank and offered \$2 an acre lease money on the Plank place west of Summerfield. He was ready to go. There is one hill on the east side of the Plank place which literally had Mr. Weatherford on needles and pins. This hill is "hot," according to all indications. Plenty hot. The Planks thought the deal over, talked it over with friends—and decided not to lease. They figured that the uranium deal is just starting and that better lease offers will follow later.

They got really interested, however, and just to make sure, they went to Amarillo and got a scintillator. They took it out to the place and, like Mr. Weatherford, their readings definitely indicated uranium deposits. Especially on this particular "hot" hill.

Right now, they are not sure if they did right in turning down the lease. They have investigated possibilities of developing the deal themselves—and they have run into a lot of angles. This is due to several existing circumstances. In the first place, Deaf Smith County's uranium—if any—will probably turn out to be an underground proposition. In some of the mountain areas, they have found uranium

exposed and there for the taking. In Deaf Smith, however, it will be a different story. The uranium will have to be mined. It will probably be from 250 to 1,000 feet underground. Core tests are the means of explorations.

This, I presume, is much the same story as concerns the Kenney place in Castro County—10 miles south and 10 miles east of Hereford. Deaf Smith, Castro and some other adjoining areas are part of the Great Plains High Plateau area. High plateau areas are the ones where uranium strikes are made. This is pretty well a conclusive fact.

The Earl Plank place in the Summerfield area is level enough for irrigation. However, it is also a little bit rough in spots—and these spots are the ones which hold forth uranium promises. It could turn out that the rougher country, not exactly adaptable to surface irrigation, might be the most valuable of all. This would be ironic in view of the fact that most owners have been cussing such land for a long, long time—and wishing it were level enough to be used for expanding irrigation.

Mr. Weatherford pledged the Planks to secrecy regarding his lease offer. They didn't tell the story until after the Castro County lease was announced. They also did a little checking on Mr. Weatherford. He appears to be legitimate and reliable. In addition to uranium holdings in several other areas, he is also interested in leases in Utah. He is from Corsicana, Texas, is a qualified geologist—but what's really important is the fact that he is interested in Deaf Smith County as a uranium center.

He told Mr. and Mrs. Plank that he figured uranium deposits in this area would be scattered. A bed here, then a skip. Next time,

may be two or three beds nearer together. To sum the whole deal up, uranium—like gold—is where you find it.

I don't want to get people excited but, on the other hand, I think they should begin to consider the possibilities of uranium in these future plans. They should figure out their answer if approached in regard to leases. Uranium is like the measles. It can happen to almost anyone. It is usually unexpected.

The general conclusion is that there are probably quite a few uranium deposits in this immediate area. In all likelihood, the territory will run in a 50 mile radius around Hereford. Mr. Weatherford, incidentally, also attempted to lease the Walsler place in the Summerfield community. As I understand it, this was actually his first choice. Second choice was the Plank place and third choice was the Kenney-Witkowski place in Castro County. The Walsler place was ruled out in view of the fact that one of the major oil companies already holds a lease on the place—it would be funny if they started mining uranium on all of these oil leases around here.

Just for the record, the Kenney-Witkowski place is located in the exact geographical center between Hereford, Happy and Dimmitt. It is six-tenths of a mile closer to Hereford than to Happy.

Another interesting thing is the fact that Mr. Weatherford wants to locate here chiefly as a winter operations base. He would like to spend the summers mining in the mountainous areas and, when cold weather sets in, would then move to the Hereford territory to work the uranium deposits in this country.

Topography on all three sites appears highly similar. My choice would have been out in the Garcia country. However, there has been little excitement in this vicinity to date. Proximity of lakes also seems to make quite a difference. Uranium, they say, is deposited by water and is apparently water-soluble.

Furthermore and perhaps most important of all, the folks who have visited with Mr. Weatherford all seem to get a sneaking feeling that he still knows more than he is telling. They figure he may have some inside information.

Remember the government re-

**Let's Cook Something**

**This Kind Of Pecan Pie Pleases The Whole Family**

Now, while pecans are still available, let's make a pecan pie. Soon fresh berries will be in season and you'll be making those delicious little pies, so wonderful with all those fruits and berries; and those deep dish cobbblers the men "close in" on so fast. Men like this pecan pie too—in fact a recent poll showed a toss-up between pecan pie and apple pie as the favorite among the masculine populace. As dessert for Sunday dinner it pleases the whole family.

Today's recipe for pecan pie is one Mrs. H. J. Cavness uses often. Her aunt tailored it down to her own needs and when Mrs. Cavness married it was one of her first cooking projects. Now it belongs among her treasured files. Its difference is what makes it so good.

**Pecan Pie**

- 3 eggs
  - 1 cup sugar
  - 2-3 cup white Karo
  - 1-3 cup dark Karo
  - 1/4 teaspoon salt
  - 1/2 teaspoon vanilla
  - 3 tablespoons melted butter
  - 1 cup pecans
  - 1 unbaked pie shell
- Beat eggs thoroughly. Add all other ingredients in order given and stir until well blended. Pour in unbaked pie shell and bake in 350-F degree oven about 40 minutes.

Restrictions placed on Communist travel within the United States a few months back? Remember how we all laughed because the Communists could travel up to a point west of Summerfield and go no further east? Remember how the lines skipped around. I thought the whole thing was plain crazy. I figured they had to draw a line somewhere—and just picked that spot. Maybe they did. Then, again, maybe it all ties in together.

**WEEKLY WORK DAY?**  
 KOKOMO, Ind., 6/1—Things may be different in another 25 years if you can hold out that long. Dr. J. Earl Walsh, dean of education at Butler University in Indianapolis, told the Rotary Club the work week may be only 5 to 10 hours by 1980.

**PROBABLY NOT READ**  
 RICHMOND, Va. Thomas P. Ayer, Richmond's head librarian, recalls that a Bible was the first book he bought for the library 31 years ago. It was stolen in the first six months.

Ayer says more textbooks are stolen than any other kind. The library is careful not to duplicate the wares of college book stores.

**NAMED FOR OFFENSE**  
 DURHAM, N. C. — A defendant pleaded guilty to two charges of public drunkenness and was sentenced to 30 days on each charge. His name: William Henry Booze.

# Panhandle Painter To Be Honored At Canyon Meeting

CANYON (SpI)—Friday, May 13, will be a lucky day for Harold D. Bugbee, Clarendon artist acclaimed as the greatest western painter since Remington and Russell.

On that day, 13 murals depicting American Indians in various phases of their lives will be unveiled at a Bugbee appreciation reception. The ceremony will be a feature of the 34th annual meeting of the Panhandle-Plains Historical Society at the society's museum here.

J. Everts Haley of Canyon, author whose works have often been illustrated by his friend, will speak at the reception at 4:30 p.m. in the museum's Hall of Ethnology.

Bugbee is the museum curator of art. In the ethnology panels, he said no attempt was made at portrayal of one period of time. In most cases, the Plains Indians are represented as they were before they became reservation dwellers. The Navajo, Apache and Pueblo Indians are shown as Bugbee has studied them for more than 30 years.

"Not all Southwestern tribes are shown," the artist explained. "Since this was formerly their hunting ground, I have painted the Comanche and the Kiowa, hunting buffalo, stealing horses, moving camp and returning from war—a life made pleasant through acquiring the white man's horse, but not yet spoiled by too many white men."

"The Navajos were selected be-

cause of their fine blankets and silver work, the Apaches for their baskets, and the Pueblos for their fine pottery and the opportunity they afford us to observe our earliest settlers as they were long ago."

Bugbee's mural panels are set above newly-completed cases in the museum. Within the cases are displays of Indian materials taken from the museum's extensive collection.

Bugbee has won fame as today's "cowboy artist," comparable with Charles Russell and Frederick Remington. The artist's work is marked by vivid color and his knack of capturing the action that usually is inherent in the western subjects with which he deals.

Daily, on his ranch, Bugbee lives the west he knows and paints. Long before he ever saw it, however, he dreamed of being a cowboy in Texas. That was in Lexington, Mass., where Bugbee was born in 1900, the son of Charles H. Bugbee and the former Grace L. Dow.

"I practiced roping and riding during my spare time on our farm near Lexington. When we moved to Texas, I wasn't exactly a tenderfoot," Bugbee said.

Bugbee's parents came from down east to Texas because of the glowing accounts brought back by a cousin, Thomas S. Bugbee, prominent early-day cowman, the Panhandle's second permanent rancher. Bugbee's speech retains the slight burr of the down easter, but in other respects—dress, mannerisms, occupations—he is a real Texan.

All through high school at Clarendon, Harold spent his spare time drawing. Then he went to Texas A&M College, where he received his first formal art training in addition to his major studies in animal husbandry. World War I interrupted his studies, and he had a taste of military service in the ROTC. Illness prevented his return to school after that. He served in the Army Engineer Corps during World War II.

At 17, Harold attempted his first oil painting. It was a scene from the home pasture, showing a cowboy in the foreground, a cow, a bleached cow skull, cactus of sage, and a rattlesnake. Mr. and Mrs. Bugbee hung their son's painting on their living room wall—and there it hangs today.

After a short while, Bugbee showed such promise as a painter that his father was advised to send

HAROLD D. BUGBEE . . . Honored Painter

him to a good art school. Harold went to Taos, N. M., where Bert Phillips, one of the founders of the art colony, suggested that Bugbee go to Des Moines, Iowa, to study under Charles A. Cummings.

Bugbee went to Des Moines and studied three years. Back he came then to the Texas Panhandle to paint the ranch scenes he loved.

For his mural panels, Bugbee drew on previous sketches and made some trips at the time of the mural work to sketch, to take 35 mm. color film. He sketches entirely from life, then completes his paintings in his "work shop," a room other artists would call a studio, in the basement of his parents' ranch home two miles from Clarendon.

Bugbee's work has had wide distribution in books and magazines. He has illustrated more than 20 books with pen-drawings—a medium in which he excels. His pen drawings also have appeared in numerous magazines.

One of the finest works of the cowboy artist is the mural in the Panhandle-Plains Historical Museum's Pioneer Hall depicting Colonel Charles Goodnight's entrance into Palo Duro Canyon to found the JA Ranch, first in the Texas Panhandle. Bugbee knew Colonel Goodnight personally, and among the artist's works which are shown at the Canyon museum is a fine oil portrait of the Panhandle's first rancher.

"Colonel Goodnight knew this country like no other man, and he understood horses and cattle," Bugbee said.

Both Harold Bugbee and his wife, the former Katherine Patrick, daughter of the late Mr. and Mrs. W. H. Patrick of Clarendon, take an active interest in the historical society. Bugbee is past president of the society and now serves as a member of the executive committee and of the board of directors. Both have worked to promote success for the society's museum. One of Mrs. Bugbee's contributions was a book of autographs of leading Panhandle painters.

"Someone once asked Bugbee how he happened to become an artist. 'When I realized that I was more interested in the length of a steer's horns than in how fat he was, I knew I had more artist in me than cowboy,' he said."

Seriously, his ambition was to paint Texas and the West as it is today—a changing scene that he wants to preserve.

"My mother knew the rough road ahead of me when I told her I wanted to be an artist," Bugbee said. "She understood, though, and did not discourage me. She knew I had inherited my talent and love for drawing from her. She had painted and studied at the School of the Boston Museum of Fine Arts."

Bugbee's work has been shown throughout the United States and in many towns and cities of Texas

including Fort Worth, Dallas, Houston, San Antonio and Austin. Shamrock Oil Co., displayed 18 framed advertisements with Bugbee illustrations, at a three-day showing in Lamar, Colo., one year and reproductions of these paintings and drawings were donated by Shamrock for sale from the museum at Canyon.

Old Tascosa, Herring Hotel night spot in Amarillo, is decorated with life-size, realistic murals by Bugbee around its walls.

Christmas cards, individual stationery, place cards and other novelties bear Bugbee illustrations.

Bugbee, a shy-seeming, modest man with a drawl, would be the last to compare his work with that of Russell and Remington, masters of realistic western painting.

But Bugbee's friends don't hesitate; they say Bugbee is preserving the West, truly, as it is and was, with the same fidelity and realism attained by the late masters. Experts have gone on record many times acclaiming Bugbee the best artist ever at portrayal of the buffalo.

There is no greater tribute to the kind of work Bugbee does than to see a pioneer cowhand come to the Canyon museum, stand for awhile before a Bugbee painting, and announce with a shake of his head, "Yessir, that's it. That's just the way it is."

## How Can I?

By Anna Aubrey

Q. How can I sweeten cream that has turned slightly sour?

A. It can be sweetened and be used for coffee without curdling or tasting sour, if a very small quantity of baking soda is added to it.

Q. How can I keep white blouses from turning yellow?

A. White blouses will keep white if a small amount of borax is added to the warm soap suds. Rinse in water containing a little bluing.

Q. How can I prevent having jumps in the tablecloth?

A. There will be no lump in the center of the tablecloth when it is put on the table after laundering; if it is folded three times lengthwise before it is folded across.

Q. How can I make a substitute for linoleum?

A. Stretch a worn brussels carpet wrong side up and apply two coats of floor paint, 24 hours apart. After this, use one or two coats of waterproof varnish.

Q. How can I give a fluffiness to blankets?

A. Stretch a worn brussels carpet wrong side up and apply two coats of floor paint, 24 hours apart. After this, use one or two coats of waterproof varnish.

Q. How can I give a fluffiness to blankets?

A. After washing and drying woolen blankets, whip them with a carpet beater. It will make the wool light and soft again.

Q. How can I remove spots from wall paper?

A. If dry bran is rubbed on the spots it will absorb a good deal of the grease and dirt. Grease spots can also be removed by using blotting paper, placing over the spot and placing a warm iron over the paper. Do not have the iron too hot.

## Safe 'n Sound

by JIM WOOD

This peeping tom killer you read about a while back who knocked on a door then shot the man when he came to the door, did a very foolish thing. He could have avoided a possible prison term or the electric chair by just running the man down with his car and getting by with a fine. In all seriousness, auto accidents happen too often and are taken too lightly. We think nothing of spending millions to fight diseases, but when an auto safety program is suggested we just smile. All the inflation in the world wouldn't make insurance rates higher if there were no accidents and insurance won't keep you from having accidents. So until we wake up and eliminate accidents you can at least make sure of your coverage by calling Lone Star Insurance Agency, Phone 424.

# Nail Down THE TOP SOIL!

You can do it with the modern soil conservation practices which have been developed to help control the damaging effects of raging waters and destructive winds. Irrigation, too, plays its part in soil conservation. Winter irrigation, for example, lets the ground store up water for summer use without excess loss by evaporation. In addition, more weeds are dormant in winter and so do not have a chance to multiply. Get the facts from your soil conservation office or any Public Service manager. Winter irrigation pays!

## DOES YOUR SOIL STAND THE MOISTURE TEST?

That's the title of a pamphlet recently printed by this company which gives an insight into simple and effective soil moisture testing methods. If you haven't yet seen a copy drop by your Public Service office . . . your Public Service manager has a copy for you. No obligation, of course!

## Officers Installed By Bay View Club At Final Meet

Final meeting of the year for the Bay View Study Club was held in the home of Mrs. C. F. Hardwick Thursday afternoon in the form of a finale-tea. Members of the social committee were in charge of decorations and arrangements.

Officers elected for two years were installed with Mrs. Jas. W. Witherspoon conducting the service. Corsages were presented to Mrs. George Heard, president; Mrs. C. F. Kerr, first vice president; Mrs. Phil Barkley, second vice president; Mrs. C. J. Crump, recording secretary; Mrs. R. B. Miller, corresponding secretary and Mrs. Jas. W. Witherspoon, treasurer.

The new president named committees for the coming year. Included were Membership—Mrs. W. S. Kerr, Mrs. John McLean, Social—Mesdames Paul Mathers, J. W. Kirby, Colby Conkwright, Jimmie Gillentine, Program—Mesdames Ansel McDowell, Eugene Naugle, D. H. Alexander and Mrs. J. W. Spradley and Mrs. J. P. Slaton, Parliamentarian, Mrs. I. L. Benefield; Cheer—Mrs. E. W.

Williams after shoving aside her wheel chair. (AP Wirephoto)

Harrison, Mrs. C. J. Crump; Federation — Mesdames Phillip Barkley, J. C. McCracken, Miss Frances Turrentine. Phone — Mesdames R. B. Miller, A. M. Jones and Jas. W. Witherspoon. Welfare — Mesdames Howard Gault, Leo Forrest, H. G. Conkwright. Reporter, Mrs. John McLean.

Past presidents were also honored at the session and were presented corsages. They included Mesdames D. H. Alexander, Bob Wilson, John McLean, Colby Conkwright, A. M. Jones, Paul Mathers, Mrs. H. L. Benefield is the retiring president.

Members present were Mesdames D. H. Alexander, Phillip Barkley, Colby Conkwright, H. G. Conkwright, C. J. Crump, Jimmie Gillentine, George Heard, Will S. Kerr, J. W. Kirby, J. C. McCracken, Ansel McDowell, John McLean, R. B. Miller, Eugene Naugle, J. P. Slaton, J. W. Spradley, Jas. W. Witherspoon, and the hostess, Mrs. Ansel McDowell Jr., of Canyon was a guest.

## Beauty At Home

By LYNN CARTER

**Q.** Does one's powder shade change with advancing years?  
**A.** It certainly does. Colors of powder that were becoming a few years ago may not be now. Powder with a "yellow" or creamy tone is probably more flattering to the woman who has passed the "thirty" mark.

**Q.** What is a good way to combat a fresh callus on the foot?  
**A.** Nightly applications of cold cream are effective.

**Q.** How can I help retain the Auburn tint in my hair?  
**A.** Dilute some salts of tartar (obtainable at your drugstore) in a pint of warm water, rub this well into the hair until a good lather is worked up, leave on for about a half-hour, then rinse thoroughly.

**Q.** What is the proper eyeshad-

lower half of the face. The square face needs less rouge than any other face type.

**Q.** What can I do about excessively-dry hair?  
**A.** After checking your diet to be sure it isn't too rich in fats and oils, try combating this problem with more frequent shampoos. Forget the myth that it hurts to wash it often. If your locks turn greasy in 24 hours, wash them every morning and enjoy spark-

## Baby Sitters' Club Solves Dallas Mothers' Problems

DALLAS — Families in the Country Club Park addition of Dallas, think nothing of finding an extra baby on their doorsteps. This happens frequently.

The addition is made up of new homes owned by families of moderate means. It's a considerable distance from downtown Dallas. Often the family car must be driven by the husband to his job.

The young wives grew tired of staying home to keep an eye on their children. Even shopping for groceries was a problem.

So the mothers organized a baby sitters' club to give members a chance to get away from it all.

The mothers report that the club is operating beautifully. Last month, each of the 11 members had 109 hours free of family cares.

But each also put in the same number of hours caring for someone else's children.

Mrs. Charles Akin Jr., is particu-

larly grateful, saying:

"My dentist's bill would have been double if I had had to pay for a baby sitter every time I went to his office."

The club has its detailed book-keeping system.

A ledger is kept up to date on credits and debits in hours of each mother. It all must balance out at the end of the month when a general meeting is held.

In the club are mothers with a total of 11 children ranging from 2 months to 8 years.

They have their problems, too.

There was the time Mrs. Homer Jester was sitting for Mrs. R. D. Arndt. The little Arndt boy locked himself in the bathroom and Mrs. Jester had had no idea where the key was kept.

"I went through every drawer in the house," she relates, "but no luck. Finally I found a screw driver in the sewing kit and unlocked

BABY EXCHANGE -- Mrs. Frank Spitman hands her 2-month-old daughter, Susan, to Mrs. Homer Jester as members of baby sitters' club take turns taking care.

the door." Another member found, to her embarrassment, that the other family's dog liked her. It was a Boyer, noted for its affection, and the huge animal insisted on sitting on her lap all the time she was there.

Who looks after the children during the club meeting each month? The fathers, of course.

Q. What is a good exercise for toning the throat muscles?

A. Drop the head slightly backward, making the throat muscles taut. Then lift up with the lower jaw as though trying to lift your entire body off the floor with your jaw. Do this daily and regularly, and it should have a good effect on your throat.

READ THE CLASSIFIEDS

## New Leather Gloves Take Easily To Suds

Leather gloves in all colors, which can be tossed into the washing machine, are the big news of the year in gloveland.

The gloves come in nine colors and a number of styles, and will be available in stores throughout the country as soon as the manufacturers can turn them out in sufficient quantity — probably in mid-summer.

Although washable leather gloves have been on the market for years, they usually required great care in washing—and gloves in colors such as red, navy and the pastels usually had to be dry cleaned.

Now, after years of research, tanners have developed a process which makes leather in high colors as washable as dungarees. After being put through the washing machine with a regular washday detergent, they came out as soft and bright as new, requiring no special care.

This also means that men's leather gloves can be washed in the future—a great boon to the housewife who frets when she sees the males in her family wearing their best gloves for such chores as changing a tire or tinkering with the car.

### Old Auto Licenses

If the old auto licenses are placed in a vise, one at a time, bent square across about six inches from one end, then covered with velvet, or any desired material, they will make excellent book ends.

## Telephone Co. Employees Honor Mothers With Tea

Employees of Southwestern Bell Telephone Company honored their mothers at a special Mother's Day tea held at the telephone office Wednesday.

Twenty-four mothers were honored guests for the occasion. The centerpiece featured an arrangement of white and orchid spring flowers with a plaque bearing the word "Mother" in silver. Punch and tea cakes were served with an assortment of mints and nuts.

The guests were shown through the office and a demonstration of operating procedures given.

\*Guests included Mesdames Joe Huckert Sr., Jack Hagar, Jim Ash-

Section Three

## EDITORIAL COMMENTS

### Courthouse And Jail Improvements Are Inevitable During The Next Ten Years

The Brand's "Question of the Week" last Sunday concerned possibilities of a bond issue for improving jail and courthouse conditions in Deaf Smith County. The question, although handled on a "hit or miss" basis so far as calls and answers were concerned, was actually published as a yardstick, and at the request of several county officials.

The answers by an overwhelming majority favored improvements, but did not generally designate to what extent. Past experience has shown that the "Question of the Week" is a fairly accurate indicator of public opinion and, to say the least, should give the Commissioners Court a fairly good clue as to public thinking on the subject of jail and courthouse improvements.

Furthermore, we find ourselves pretty well in agreement with those who answered the question. Actually, this county is not sorely pressed for courthouse facilities. Our present building, although old, is adequate to handle the business of our county. It could be more elaborate and a little bit more modern in spots, for sure, but it does answer the needs fairly efficiently. We would, in fact, sum up the courthouse situation in a manner highly similar to that of the family car. If you happen to be driving a pre-war model which runs and operates efficiently, it will probably get you where you want to go. It might cost a little bit more to operate; it might not be quite so convenient to use; sometimes, it might even draw a sarcastic remark from the neighbors. However, if it is overhauled and kept in good shape it will, without question, get the job done.

A good overhaul job, in our opinion, definitely is the answer to this one -- especially in view of present day construction costs.

The county jail, however, is another question. Conditions border upon being obsolete and the building is in a poor state of repair. The jail, to begin with, was never the permanent type building found in the

courthouse. This structure, in our opinion, merits no additional repairs or improvements. When the time comes to do something to the jail, the best possible thing is to move the building -- and regain a valuable location. If we use this building one more year, five more years or 10 more years, let's use it "as is" with the idea of replacing it completely. Any money spent on repairing and improving the present jail building is, in our opinion, like pouring sand into a rat hole.

With the probability of separating the office of Sheriff from that of Assessor-Collector of Taxes, a new jail, built to also house the sheriff's staff would at the same time create considerable additional space in a remodeled courthouse. A new jail is inevitable within the next decade. It should be a modern structure, built with the idea of long use in the community.

As to county conditions. They are good enough to stand just about any type bond issue the voters might wish to levy. While Hereford and the School District have recorded considerable improvement, growth and expansion in recent years, Deaf Smith County has more or less gone along for the ride. Improvements along this line are inevitable. Just how far and how much will be determined by the voters, who, after all, are the people who foot the bills.

The whole situation is just another community ache which comes from a severe case of "growing pains." It's tough, but it is still much better than the plight of most Texas Counties, which are boarding up doors, because of sharp drops in population. A county -- like a town -- never stands still. It either goes forward, or backward.

### Hereford Parks Are Coming Into Own

In America we take lots of things for granted. In Hereford, this includes our parks system.

While this community is fortunate in having an exceptionally fine parks system, it does not necessarily hold true for most other towns and cities. The situation was made possible through foresight of the town's early officials and planners. It has been improved and developed through a continued interest on the part of Hereford's recent city administrations.

Dameron Park, for instance, is in a wonderful location for community service. It is well on the way to becoming an area play ground. This year it will actually come into its own, offering recreation for the entire family. It is a place to take the children on Sunday afternoon -- or for that matter, any afternoon.

If Hereford were faced with the alternative of buying the city street houses and claiming the area for a park -- it would be an impossibility. However, this is not the case. We do have the park. It is in good condition. It is there for the taking -- and plenty of people are moving in to enjoy the facilities.

All in all, parks are just about the nicest thing a community can offer its population. Hereford also boasts the Veteran's Park and JayCee Park, two other outstanding recreation spots, which are proving more popular from year to year.

We should use them often and freely. They belong to us. And, with the same trend of thinking, we should expend every effort to help maintain the property and equipment. Only with such an attitude can we continue the charitable spirit of friendship and neighborliness upon which is founded and created our present outstanding parks system.

A mortgage may be necessary at times, but one's conscience should be kept unencumbered.

If people do not know the good you have done it is a waste of time to tell them.

Any question settled by force invariably comes up for re-settlement.

Experience is something you have left when all else is gone.

"Well, how far is Sonny's Service Station if the crow had to walk and carry a gasoline can?"

### QUESTION OF THE WEEK

#### Citizens Doubt Uranium Will Help Hereford Area

Uranium has once again become a talking point in Hereford. Do you believe that this area can look forward to new growth and prosperity because of the mineral?

**RICHARD CLARK:**

"I should think we could if we found any."

**ROLAND SMITH:**

"I think it is prospective and will bring more people to Hereford."

**MRS. LANA BEAVERS:**

"I really doubt if it ever amounts to anything as it seems the chances are very slim."

**D. D. ZIMMERMAN:**

"I think it is a lot like oil, it takes a lot from the community. I believe that the agricultural industry is much better in the long run for Hereford."

**MRS. GEORGE HEARD:**

"It would probably make Hereford grow more but I don't know whether it would be desirable."

**LLOYD SHARP:**

"I don't believe that Hereford and its trade territory can look forward to much prosperity from it unless uranium is discovered closer."

**ARTHUR PEARCE:**

"I don't think so because so far there hasn't been enough to make it look worth while. It seems that there isn't so much money to be made in it as there is so much to be paid out in expenses."

**MRS. CLINT FORMBY:**

"I don't know much about it but it seems that if it were found it would bring growth and prosperity. Also I believe that the people would not hold back if it were known to be here."

**MRS. CARROLL GOSS:**

"We probably can if it turns out like other places where uranium is found and we developed it."

### 'Tater Peelin's

by Roberta Campbell

The weatherman must get a terrible headache trying to figure out how to please everybody. Even in our own household we are divided. We, of course, are hoping for a good rain so we can wash the ground but our 12-year-old cotton farmer has his five acre allotment planted and all he wants is more sunshine until he gets it above ground. If he doesn't have to plant over he will be extremely lucky, but since he escaped both hail and flea hoppers last year he has a great deal of enthusiasm about starting early.

We are indeed fortunate this Mother's Day to have this good-natured, thoughtful youngster to give the day meaning for us. We are very proud of Buster and hope he will always have the consideration for others and the ambition he has now.

To be able to wear a red rose for our mother, who is past 80, is also, of course, a pleasure.

All the colored slides Naomi Hare brought home with her from Peru certainly bring us a lot nearer to the country in which she teaches. We didn't know there was a place in the world except the Sahara Desert that was dryer than the Panhandle but 25 years without rain is without question "a long dry spell". (Wonder if the two Jims can justify that). Naomi, as most of you already know, is home on a year's leave of absence from Lima Peru.

#### DALHART RAINFALL HEAVY

Severe thunderstorms dropped from an inch to an estimated six or seven inches in Dalhart and the area east and south-east of it. The CAA Weather Station at the Dalhart Municipal Airport reported .88 of an inch. A number of gauges in town caught from an inch to an inch and a quarter. The moisture total in April is 1.97 inches. It is the greatest amount received during the month since April, 1952 when there was 3.98 inches. The total rainfall in 1955 is 2.20.

—The Dalhart Texan

### Community Builders

By MARGARET ALSTON

"I have received more satisfaction and enjoyment from helping build my church and the part I did in helping to get the new high school building built than in any other thing I have done," was what Will Kerr wanted stressed when being interviewed for our Community Builder. He is the type of person that likes to do things for other people without asking for anything in return.

Born Jan. 6, 1902 in Dimmitt, he was reared there. Will grew up and attended high school after which he attended Daniel Baker College in Brownwood, Trinity University in Waxahachie and received his BS degree at West Texas.

After his college years, he started teaching school at Littlefield. In 1926, he went to Dumas where he taught for a year before coming to Hereford in 1927. For five years he held school and worked at night in the John Deere Implement house in which he and his father had gone into partnership with G. P. Garrett, Mr. Kerr and his father stayed in the implement company until 1944 when he bought his father out and stayed on himself until 1950. He then had to sell out after 23 years because of ill health.

Since then, Will Kerr has regained his health and is a "retired farmer," owning 40 acres south of town, a half section east of town and 100 acres southeast of Canyon. He also has a few cattle and some hogs.

August 26, 1927, Will S. Kerr was married to Ruth Craddock of Denton. They are living at their home at 1103 Park Avenue, and have four boys, Clifford, Joe, Pat, and Norman, in whose education he has made his "biggest investment." He is also helping some boys other than his own go through college.

Kerr is a member of the Presbyterian Church and has helped it in many ways. While building their present building, he served as president of the finance committee.

A member of the school board for 12 years, from 1933 to 1945, he really enjoyed serving on it as he has always had a deep interest in the schools and especially in the building of the new high school. A lot of credit can be given to him for helping pass the bond issue as many people may recall. Will still thinks we need more school buildings and is ready to help go about getting them.

Besides helping to build the school, he can be given credit for helping organize the Hereford State Bank, as he bought stock to help get it started. He also "sank \$2000 in the Hotel Jim Hill" when it was built. Even though he lost his money, he is glad he did it because he can say that he helped a little toward making Hereford a more modern and better town by having the hotel in it, he said.

At one time, Mr. Kerr was vice-president of the Panhandle Hardware and Implement Dealers Association. He also was a member of the Lions Club and the Chamber of Commerce. At the present he is a member of the Hereford Golf Club. As a hobby, he loves to fish and travel.

An ardent believer in Hereford and the land, he prefers the dust storms to any one of the places he has been on a recent trip in the northwest. He also recalls that the Hereford people have been good to him.

As a man that is loyal to his community, Mr. Kerr knows to be right. Will is considered by his many friends and neighbors as an asset to his community.

### The Sheriff Reports

Chief Box let me down the last two weeks in case you missed our few remarks.

My contribution this week consists of a true to life poem sent to me by Mrs. Sam McLallen. You may disregard the last line for a couple of years.

Thank you Mrs. Mc for furnishing the column this week.

LRS.

A SHERIFF'S JOB

By AL LASS

Now this sheriff's job is a curious one Like housewife's work, it's never done.

Calls come by night, and come by day.

They may be near, or miles away. "Hurry right out," says the voice of the caller,

"You're badly needed in Possum Holler.

Pa's on the rampage, he's got a gun. Been looking for Ma since half-past-one."

So we jump in our fliover and hit the trail And drive like a streamliner carryin' the mail.

(Continued on Page 3)

## Panhandle Paragraphs

### EIGHTY WELLS IN CARSON COUNTY

Carson County had drilled 80 water wells for irrigation and 77 were producers, J. W. White, Carson county manager of the Staked Plains Soil Conservation District, told the Rotary Club last Friday noon. White said it looked like one of the small wells would be abandoned and it was expected there would be production at a new site, making 78 wells. Problems of irrigation were outlined by White, who said that it required work and plenty of it. He declared the irrigation farmer would have little time to idle in town.

—The Panhandle Herald

### MEMPHIS HIT BY SAND STORM

The worst sandstorm of the year hit Memphis and set people to talking about the "dust bowl" days of 1935 and '36. Some of the new-comers to the area compared it with the mad storm that buried the county last May. The wind and sand blew all day Saturday and then about two o'clock the wind slackened and the sand began settling. It reached its peak around four o'clock when the street lights were turned on and the cars were using their headlights. At times, visibility was down to one, and one-half blocks.

—The Memphis Democrat

### WATER TABLE DROPS

Decline of the water table in the irrigation area around Muleshoe in Bailey, Farmer and Lamb counties is estimated at approximately 4 to 8 feet during 1954 by the High Plains Underground Water Conservation District, using figures supplied by the State Board of Water Engineers. Over most of the Plains area, this approximate decline remained the same.

—The Muleshoe Journal

### WELLINGTON GUARD ALERTED

The country-wide alert of the National Guard caught the Wellington unit in the process of moving from old quarters to the new army, but this didn't slow the men and within 45 minutes from the time the alert was received, they had gathered and the first truck rolled off. Ninety per cent of the members participated, including those who live at Lelia Lake and Childress. The unit with full combat equipment, circled the town, then returned to Marian Airpark and set up a command headquarters and kitchen. The alert lasted three hours.

—The Wellington Leader

### TULIA GETS STORAGE TANK

Tulia's water improvements are expected to be in operation within two weeks if everything goes according to schedule, City Manager Hollis Cagle said yesterday. The half million gallon ground storage tank in west Tulia is completed but has not been disinfected. He also said the city was making every effort to notify residents in advance when water has to be shut off. At the present time the new water line from the wells south of Rose Hill Cemetery is being installed.

—The Tulia Herald

## The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher is trying to justify his farming methods this week, but we doubt if he makes it.

Dear editor:

People are always asking me how I get my farming done when I spend so much time sitting under a tree, but this only goes to show they don't understand the modern world we're living in.

And while I was sitting under a tree yesterday afternoon looking over a newspaper I was pleased to find out that no less a man than the secretary of State, John Foster Dulles, follows the same principal I do.

That is, he doesn't let the immediate problem at hand get in the way of his deeper thinking, which is the same principal I've been using for years out here on my farm.

The other day, according to this newspaper article, Sec. Dulles was talking with a man about having to fire him, and after the talk the man said "he was sympathetic but his mind appeared to be elsewhere, on the big international things, like Quemoy and Matsu."

That's exactly the way I am about my farming operations, and I'm glad to have the Secretary of State following my principles. I'm sympathetic, all right, with the fact my crops need working, but my mind is elsewhere. Just because a man's garden needs hoeing doesn't mean the international situation should be dropped.

And I'd like to point out that the world situation needs as much thinking about as my farm, and if somebody doesn't forego the job of plowing or hand-shaking and give some thought to it, plowing and hand-shaking may lose their value.

Me and Sec. Dulles have this thing figured out exactly alike, and I hope my neighbors who have been making remarks about the amount of sitting I do will get up on the international level in their thinking and recognize it. It's not that I'm going to change my habits, and anybody who would chop weeds just to be well thought of is putting a mighty high price on public favor, but if you can attain the latter and still sit under a tree, why not?

Yours faithfully,

J. A.

### H-D Achievement

Attracting considerable interest around town this week are several Home Demonstration displays. The displays chiefly feature handicrafts and definitely speak well for the H-D Club women of this area.

In addition to their actual value, the craft objects also represent hobbies which fill untold hours of gainful pursuit for the club members.

Time was when a woman's work was even longer than "sun to sun." Modern methods, appliances and twentieth century life in general has changed these things, however. The farm wife of today lives a much more carefree existence than does the average housewife in the large cities.

All of these things have likewise wrought changes in the Home Demonstration program down through the years. This fact is reflected through the tremendous interest shown by women of Deaf Smith County in the H-D program of which crafts is only one small phase. Through Home Demonstration, farm women of this area have learned many things including adoption of these modern appliances most of which have come to the farm in their generation.

# The Sheriff...

(Continued from Page 1)

Our only hope and all we can figger, is to be on hand fore Pa pulls the trigger. We finally arrive and amid the confusion, we learn the affair was simple delusion. Pa with his gun was just hunting squirrels: Ma'd gone to school with the two oldest girls. Today we hunt evidence and dig up the facts. Tomorrow we struggle with delinquent tax. Next day we're hunting a mottled-faced cow. Then stay up all night at some nice family row. Next day we have court and the lawyers rave. The defendant sits there in need of a shave. "Where were you," they beller, "On that first of November?" The defendant replies, "I don't remember." They argue around 'til half past three. Then the jury goes out and fails to agree. The judge sends them back 'til their duty is done. But eight hours later, they are 11 to 1. Now that's just a sample of what we do

WILLIAM S. KERR... Community Builder

# Walcott News

By MRS. T. L. COLLINS  
Mr. and Mrs. John Williams and family returned Saturday evening from Freestone, where they had been called to the Fairfield Hospital as her brother Johnny, was in critical condition; a result of a car wreck. They left him somewhat improved, able to be moved to an Army hospital.

Kelly Williams had the misfortune of breaking his left arm just above his hand Monday, April 25, while visiting his grandparents in Freestone. It's nice to have Kelly back in school.

Mr. and Mrs. J. D. Dufur, May, Billy Willis, and Betty Grimes, went to Amarillo Sunday where they visited with Mrs. Dufur's sister and brother-in-law, Mr. and Mrs. Parker and went to church with them. The group ate a picnic lunch in a park in Amarillo, then rested and talked in the afternoon.

Mr. and Mrs. Hershel Burrus, Mr. and Mrs. Glenn Burrus and their families visited the women's mother and sister in Pampa Sunday.

Mr. and Mrs. Travis Alston of Westway visited with Mr. and Mrs. T. L. Collins and boys Sunday afternoon.

Mr. and Mrs. Roy Pruitt and girls had Sunday dinner guests; Mr. and Mrs. Bill Nunn and Texie Williams.

Mrs. Roy Pruitt took her daughters, Royce Lee and Merry Kay, and two other girls, Margaret and Ceella Burrus, to the District 4-M meeting in Canyon Saturday. Margaret Burrus and Royce Lee Pruitt placed second in their "Farm and Ranch Safety" demonstration.

Two districts of FFA boys met at Texas Tech in Lubbock Saturday. Two contests included poultry judging and land management. Bill Johnson went with the Hereford FFA team in poultry judging, 60 similar teams were represented. Billy Dufur was with a team in land management, their team

placing first, of which 25 teams were present. The boys left Friday afternoon and spent the night in the Pampa Hotel in Lubbock. They made a tour of the campus at Texas Tech.

Nancy Tyler was in the Junior Varsity Recital of Miss Swisher's pupils held in Hereford at Ward Hall in the Methodist Church Friday night.

After spending the week-end at home, Raymond Collins was taken to Hereford by his parents on Sunday evening, where they visited in the brand new home of the Reynolds Sanders family. Kit Sanders and Raymond went on to Canyon where they are students at West Texas.

The N. E. Tyler home was stuccoed last week. They are now situating the homes of G. V. Hall and Elmo Hall.

Since Nancy Tyler was eight years old May 1, her mother, Mrs. N. E. Tyler, came to school Monday and the children in Nancy's classroom were entertained with games. Mrs. Tyler brought a cake decorated with "Happy Birthday" and candles in circus holders. The group sang "Happy Birthday" to Nancy and were served cake and grape Kool Aid. Each child was given a little plastic horn and a balloon.

Mr. and Mrs. S. O. Perkins and Bob, Mr. and Mrs. Tom Oliver and Connie of Hereford visited with Mr. and Mrs. Sammy Perkins and family in Amarillo Saturday. They enjoyed a movie at a drive-in on their return.

Northern Canada gets little more precipitation than the Sahara desert, says the National Geographic Society.

# New Officers Are Elected By La Madre Mia Club

Officers who will be installed at the annual installation dinner on May 17, were elected at the La Madre Mia Study Club session held Tuesday evening in the home of Glenn Wilson with Mrs. Bobby Owen serving as assistant hostess.

Mrs. Eugene Sparks will serve as president of the club for the 1955-56 club year and others named to serve include Mrs. Glenn Hepson, recording secretary; Mrs. Dennis Lomas, treasurer; Mrs. John Hampton, parliamentarian; Mrs. Dean Herring, historian; and Mrs. Stanley Phillip, reporter. Mrs. Carroll Goss read the

amendments to the constitution and by-laws and a picnic for children of members was planned for May 13. Members voted to provide bottle warmers for the Dea Smith County Hospital nursery as a part of the summer project and Mrs. Billy Craig was welcomed as a new member.

In answer to roll call members listed new ideas in table decorations.

Those attending were Mesdames John Hampton, Calvin Goodin, Carroll Goss, Glenn Hepson, R. V. Hale, Dean Herring, Dennis Lomas, Hershel Miller, Bobby Owen, Stanley Phillip, Ogle Riddle, Troy Riddle, Eugene Sparks, Vernon Wilson, Raymond Brown and the hostess.

If man stopped tending corn, scientists believe it would vanish from the earth.

An endless variety of old and new. It may be a prowler, a burglar, a drunk, He may steal your billfold, your watch or your trunk. We set out to catch him and we do our best. We catch a percentage and lose the rest. We can't catch them all, for some leave no clue. They don't leave their cards like you and I do. Sometimes they plead guilty and the judge will scold. Then half the county will want him paroled. They blame the depression, the new deal, the tariff. And a few put the blame on the poor old sheriff. Sometimes there's fireworks, and an officer gets shot. While doing his duty, he's put on the spot! Just lately a sheriff I knew was

killed By two lousy punks with some girls to be thrilled. You can't get excited when out on a call. Cause you might do the thing you shouldn't do at all. You mustn't get nervous or lose your head. For if someone gets shot, he's a long time dead. So it's quite a game, if you stay right in. You'll get a pat on the back and scold on the chin. But I like it all, and I'm shodding no tears. And I'd like to be elected for another four years.

Kansas College recently learned that 800 of the 3,848 men students on its campus are married. Most American cigarettes contain about 2 percent nicotine.

# At The Movies

"MARTIN LUTHER"  
"Martin Luther," the widely acclaimed Louis de Rochemont production which astounded the motion picture world with the great success of the "roadshow" presentation last year, will have its first showing in the Panhandle at regular box office prices at the Star Theatre, Wednesday and Thursday.

The film, dealing with the 16th century Reformation leader who defied excommunication and the stake in his demand for religious reform, was presented at advanced admissions during the past year.

The title role is played by Niall MacGinnis, British actor, who heads a cast and crew of 500 drawn together for the production. Lothar Wolff, de Rochemont produced the film on location in the towns, castles, and churches of West Germany. Irving Pichel of Hollywood directed and played one of the key roles.

The script is based upon Catholic and Protestant sources and leans heavily on historic documents for its dialogue.

Tower Drive-In  
Showing Sunday and Monday nights at the Tower Drive-In is "IVANHOE" starring Robert Taylor and Elizabeth Taylor. Tuesday and Wednesday is Rosemary Clooney and Jack Carson in "RED GARTERS."

Amazing New Easy Way Can Quickly Put Pounds and Inches of Firm Solid Flesh on Thin Folks When Underweight is Caused by Poor Appetite or Poor Eating Habits

# don't be skinny!

No Cramping with Sugary Mixture, No Fishy Oils, No Drugs, No Overeating

DISCOVERED! THE ALL-IN-ONE CONCENTRATED MEAL OF EASIER DIGESTED, BODY-BUILDING CALORIES YOU'VE LONG HEARD WAS COMING!

If you are skinny, thin and underweight because of poor appetite or poor eating habits, try this latest discovery of modern medical science. It's called WATE-ON and folks in normal health have reported gains of 4, 5, 10... as much as 20 and more pounds of extra, solid muscle, so fast! WATE-ON is a new HOMOGENIZED liquid that's pleasant to take as directed and is loaded with concentrated calories so prepared as to be far easier to be used by the system in building body weight. Cheeks fill out, neck and bust-line gain, arms, legs, thighs, ankles, skinny underweight figures fill out all over the body. WATE-ON improves the appetite, gives quick energy, guards against fatigue, sleepless nights, poor endurance, low resistance. Also makes for better digestion of fats that put on weight naturally. Try WATE-ON today.

**Easy Weight Gains of 5 to 30 Pounds Reported**  
Want to put on needed pounds and inches of firm healthy flesh? Then simply fortify weight maintaining meals with WATE-ON... put firm, healthy flesh on face, neck, bust, arms, hips, thighs, legs and ankles. Why be skinny... why let life slip by without trying WATE-ON. If underweight is caused by disease, take WATE-ON under direction of your doctor.

**STARTS BUILDING WEIGHT FIRST DAY**  
Entirely new, entirely different but already highly publicized WATE-ON isn't merely malt or sugar that can do more harm than good in building firm flesh. WATE-ON is an amazing nutritional formula, a new HOMOGENIZED emulsion, that's delicious to take after meals yet is so concentrated with weight building calories the maximum daily dosage exceeds many a skinny person's meal itself. Contains bone building Vitamin D plus blood building, strength building red Vitamin B<sub>12</sub> which has a remarkable ability, proven in clinical tests on children, to help fast weight gains. And WATE-ON's calories are more readily digested, assimilated and used by the system to put on weight instead of being wasted. So now, today, determine to try WATE-ON yourself.

# SAVE DURING OUR BIG MAY TIRE SALE

## ANNOUNCING THE NEW Firestone Super Champion

Compare Its features WITH ANY 1<sup>ST</sup> QUALITY, 1<sup>ST</sup> LINE TIRE

Now Firestone brings you a great new tire value at a sensible low price. Through new production efficiencies, tremendous buying resources, use of rubber from our own plantations in Liberia and our own synthetic rubber plants and big economies in distribution and all other cost factors, you get this quality tire at a bargain price.

**LONG MILEAGE**  
New, tough, abrasion-resistant tread compound assures you of many thousands of miles of safe, dependable tire performance. You get most miles per dollar with a Firestone!

**NON-SKID PROTECTION**  
The famous tread design is road proved... with millions and millions of miles as original equipment on the finest cars.

**BLOWOUT SAFETY**  
Firestone's new Safety-Tensioned Gum-Dipping Process gives you the strongest, safest body ever built into a tire. This means greater blowout protection and longer tire life.

**LIFETIME GUARANTEE**

### Lenderman Speaks To Fellowship Members On India

Bill Lenderman was guest speaker Wednesday, May 4, at the regular monthly luncheon of the Christian Women's Fellowship, which met in the church for worship, study and monthly business session.

Lenderman told of his two years stay in India during World War II and some of the customs and conditions he saw first hand. "The talk was especially interesting as our missionary study is on India," a club spokesman said. Mrs. Clinton West had the worship.

Mrs. Glenn Williams presided at the business session.

Mrs. Carl Frye, Mrs. B. F. Cain, Mrs. Walter London Jr., and Mrs. Nona Jowell served as hostesses.

for the luncheon.

Those present were: Mesdames Glenn Williams, Ray Suit, F. S. Smith, S. O. Wilson, C. Ora Correll, J. A. Shaffer, Marvin Winget, Carl Williams, Bill Lenderman, J. J. Clark, O. H. Culpepper, Bert Brown, Carola Vaughn, C. R. Smith, Ida May Vaughn, V. J. Walker, Harold Beauchamp, Clinton West, Robert Veigel, L. H. Woodard, Bob Caple, J. E. Ellison, Fred Moreman, F. M. Kester, H. M. Thomas, J. C. Ricketts, George Muse, Rosa Speer, Ira Ricketts and the hostesses.

Visitors were Mrs. Addie Miller of Amarillo, Mrs. Helen Pipkin, Bill Lenderman, Don Root, Johnnie West and Toni and Mike Beauchamp.

New river channels have permitted small ocean ships to reach landlocked Paraguay.

**OUTSTANDING** -- Two of the dresses judged best at the annual spring style show held last week by the Hereford High School home-making classes are modeled by Paula Beth Corbett, left, and Frankie Culpepper Henry. Seventy girls modeled clothes that they themselves made during the school year. (Staff Photo)

### Walter Rogers Champion Papa Of Congress

WASHINGTON — The new directory of the 84th Congress has just been published. Its 784 pages include these bits of information about Texans in the biographical.

There are 47 children among the married men. Only three are childless. The champion papa is Rep. Walter Rogers of Panama with six youngsters. Sen. Price Daniel is second with four. Seven members have three each and seven others have two children each.

Sen. Daniel and Rep.-At-Large Martin Dies of Lufkin tie for the distinction of having the longest biographical sketch, each with 23 lines, or about 220 words.

Probably the shortest in the entire directory—at least none would be shorter—is the sketch of the East Texan which says: "Brady Gentry, Democrat, Texas."

House Speaker Sam Rayburn's 18 lines are taken up largely in bar-statistics of the sessions of the Texas State Legislature and of the congress in which he has served in the past 47 years. He tops all House members in length of service, taking his seat March 4, 1913. Ranking second is Rep. Carl Vinson, in the House since Nov. 3, 1914. Rep. Wright Patman, Texas, ranks 17th among the 435 House members, having served since March 4, 1931. (Starting in 1935 new congress have convened in January.)

With few exceptions—and Gentry is among them—war veterans mention their roles in the Armed Forces. The sketch of Rep. Olin E. (Tiner) Teague of the Corsicana-Bryan district notes that he was "wounded a number of times, decorated 11 times" in World War I; battles in Europe. He is believed to be the most decorated war hero in Congress.

Texas' lone Republican congressman, Bruce Alger of Dallas, has a 20-line sketch which shows that he logged 2,500 hours and 23 combat missions as a B-29 pilot in the Pacific, participating in many low-altitude raids over Tokyo.

It says he entered the merchant marine in 1940, but interrupted his career in September of 1941 by anticipating Pearl Harbor and enlisting as an aviator, ending in The Army Air Corps, getting his wings at Lubbock Army Air Base in August 1942.

The Rio Grande Valley's congressman, Joe Kilgore of McAllen, has a senior namesake in the Senate, the veteran Democrat wheelhorse Harley M. Kilgore. He has served West Virginia in the House as well as Senate.

The two men, incidentally, get a lot of mail and telephone calls in the House Office Building. Sen. Kilgore's room number is 355 in the House Office Building; Sen. Kilgore's is 393 in the Senate Office Building.

When they finally met, the senator said research showed the original Kilgore clan in Scotland, aligned itself against the British Crown and had to flee to Ireland. Although that was centuries ago, the British Crown still holds the case open and might arrest the Kilgores for insurrection, said the senator.

"I hadn't planned a junket to England anyway," grinned the Texas Kilgore.

There were 62,000 visitors in 1954 to Appomattox Courthouse where Grant and Lee ended the Civil War.

Some octopuses will lay 45,000 eggs at a time, each about half as big as a grain of rice.

## CEMENT SHORTAGE!

Due to the Cement Shortage we may be out of cement at times during the coming months, but we hope to be able to take care of our many customers without too much delay.

It will be a great help to us, however, if you will let us know in advance on any construction that you are planning. If we can get our orders in early enough, we will be able to get commitments from the Cement Companies.

We will endeavor to take care of our customers to the best of our ability.

Thank you,

### Sorority Hears Talk On The True, Beautiful, Good

Lessons on "The True, the Beautiful and the Good" were presented at the regular meeting of Texas Kappa Iota chapter, Beta Sigma Phi sorority held Tuesday evening with Mrs. Ray Suit, Mrs. R. J. Cramer served as cohostess.

Mrs. Cecil Massey gave the lesson on "The True" pointing to Christianity as the whole truth and quoting Keats "Beauty is truth and truth is beauty."

Earnest Langley, local attorney spoke on "The Good," commenting that, "Too much attention is paid the evil in life instead of working for the good."

Mrs. F. H. King conducted a round-table discussion on "The

Beautiful" with members taking part in discussions on words and thoughts of beauty.

During the short business session members made plans for the next meeting which will be in the form of a barbecue feed at the home of Mrs. Norman Moore. New officers will be installed.

A report from the cancer committee listed the amount raised in the cancer drive by the sorority as more than \$1400.

Those present were Mesdames Ronald Babione, R. J. Cramer, Paul Harvey, F. H. King, Earnest Langley, Charles Lang, Ed Line, Cecil Massey, Norman Moore, Glenn Nelson, John Pool, J. H.

McDonald, J. D. Whitaker, Virgil Moore, Fred Sims, Clyde Russell, Harold Beauchamp, Jess Robinson, Jas. W. Witherspoon and the hostesses.

The lighthouse at Cape Henry, Va., now preserved as a historic monument, was the first built under the U. S. lighthouse service act of 1789.

## 50%-100% more POWER!

## MUSTANG

"precisioneered" high-compression engines for Ford, Mercury, Chevrolet cars, buses and trucks.

Big-car performance and small-car economy are yours with a Mustang High-Compression Engine. ## You're Invited

### TO ATTEND THE

# Deaf Smith County HOSPITAL OPEN HOUSE

## Thursday, May 12

### FROM 3:00 TO 5:00 P.M.

### IN COOPERATION WITH

## National Hospital Week

### MAY 8-14, 1955

We would also like to take this opportunity of saying "Thank You" . . . to the people of this community who have worked with our staff and cooperated at all times to further the interests of the Deaf Smith County Hospital.

You are welcome to visit your hospital at any time, of course, but we especially invite you to drop in Thursday and inspect some of the improvements made at the hospital during the past twelve months.

### LAE Club Ends Activities For Year At Luncheon

L.A.E. Club held its annual spring luncheon marking the close of the club season, in the home of Mrs. Luther Lesly Tuesday at one o'clock. The luncheon table carried out the spring motif with cut flowers with bridal wreath and tulips predominating.

One new officer was elected: Mrs. C. E. Beauford will be the new president, assuming the chair vacated by Mrs. Jim Whelan's resignation. Other officers of the club whose terms do not expire include Mrs. B. A. Reddell, secretary-treasurer; Mrs. T. W. Roberson, parliamentarian, Mrs. George Suggs, council member and Mrs. Jim Loving, reporter.

The new-president appointed the year book committee for 1955-56

### Walker President Alpha Psi Omega

Canyon (Spl)—Gary Walker of Hereford has been elected president of Alpha Psi Omega, national honorary dramatics fraternity, at West Texas State College. He will serve for 1955-56.

An active member of Alpha Psi Omega, Walker's play "Another Tomorrow," was presented earlier this year. He is a member of the Buffalo Masquers, Wesley Players, and the MYF Council.

The son of Mr. and Mrs. A. J. Walker, Gary is a graduate of Hereford High School.

to include Mesdames George Suggs, Jessie Radovich and Gordon Elliott.

Other committees include Social Mesdames Altus Higgins, T. W. Roberson and Jim Loving. Courtesy, Mesdames Sanford Smith, Guyeth Bogle, and B. A. Reddell. Finance, Mesdames Harvey Brock, Luther Lesly, and Boyd Knox.

The club will resume activities the first Tuesday in September.

Those attending were Mesdames C. E. Beauford, Guyeth Bogle, Harvey Brock, Gordon Elliott, Altus Higgins, Boyd Knox, Jessie Radovich, B. A. Reddell, T. W. Roberson, Sanford Smith, George Suggs, Jim Whelan and the hostess.

### Rebekahs Hold Initiation

Mrs. Mack Freeman and Mrs. Aubrey Jackson were initiated into the Rebekah Lodge at a chapter meeting held at the IOOF Hall Tuesday evening.

A Mother's Day program was presented with Mrs. Merlin Kauf giving "A Tribute To Mothers." Mrs. Dolly Godwin, the oldest member present, and Mrs. Aubrey Jackson, the youngest, were presented with appropriate flower corsages.

Refreshments were served to approximately 40 people by hostesses Mesdames Julia Welty, Edna Driper, Leola Turner, Leatrice Clark, Ada Hollibaugh, Maggie Luck and Miss Mary Bradley.

Formosa's people are 65 percent literate—high by Asiatic standards.

Eight states have towns named Paradise.

STUDENT DRESSMAKERS -- Members of the Hereford High School homemaking class modeled garments they made during the year of the annual spring style show. Seventy girls served as models in the show, held last week as a climax of the year's work. Approximately 100 mothers witnessed the show and refreshments were served by the foods classes. Pictured above, left to right, are Verna Kay McBroom, Marlene Legg, Jane Newsom, Sue Springer and Phyllis Ann Wimberley. (Staff Photo)

### Young Mothers Club Installs New Officers

Officers were installed at the closing dinner-party held by the Young Mother's Study Club Tuesday night. Mrs. Clinton Massie served as hostess.

Mrs. Bill Brady conducted the installation using the club collect as a basis for instruction of duties.

Officers installed to take over duties at the opening of the fall season, were Mrs. Craig Johnson, president; Mrs. Hugh Clearman, vice president; Mrs. Clinton Massie, recording secretary; Mrs. Bill

Brady, corresponding secretary; Mrs. Wayne Wallace, treasurer; Mrs. Sam Albright, parliamentarian; Mrs. L. H. Lookingbill Jr., historian; and Mrs. Gwynne Owen, reporter.

In attendance were Mesdames Harold Banks, Bill Brady, H. A. Cavness, Hugh Clearman, W. B. Dowell, Gerald Hale, Rex Lee, L. H. Lookingbill Jr., Don Martin, Clinton Massie, Gwynne Owen, Wayne Wallace, John Winkler, Craig Johnson, Wendall Altmiller, Jimmy Bownds, C. C. Hayes and Sam Albright.

The United States has 27 places called Franklin and 17 called Clinton, says the National Geographic Society.

### Miss Ford Honor Guest At Party

Miss Lexie Ford was honored Thursday morning by fellow employees of the Southwestern Bell Telephone Company.

Miss Ford will complete five years of service with the company May 8. Coffee and individual cakes with Miss Ford's initials were served.

The Library of Congress collections of Russian and Chinese books are rated as the largest outside those two countries.

### WSCS Elects Officers, Conducts Pledge Ceremony

The Woman's Society of Christian Service of the First Methodist Church held its annual pledge service and election of officers at the monthly luncheon held at the church Wednesday.

New officers include Mrs. Colby Conkwright, president (re-elected); Mrs. S. M. Dunnam, vice president; Mrs. A. T. Mims, recording secretary; Mrs. Jim Black, treasurer. Secretaries include: Promotion—Mrs. Grant Hama; mission—any education and service—Mrs. Craig Johnson; Christian social relations and local church activities—Mrs. Richard Winget; student work—Mrs. Art Lewis; youth work—Mrs. L. B. Russell; children's work—Mrs. Bert Booner; spiritual life—Mrs. S. L. Easley; literature and publications—Mrs. Hershel Miller; supply—Mrs. J. F. Ward; status of women—Mrs. W. J. Messick; and publicity chairman, Mrs. Dean Bishop. Circle leaders appointed were Mesdames Tom Alderson, Morris Easley, Leo Forrest, R. M. Gregg, Ray Johnson, Chester Shellhouse and Ed Warren.

The group adjourned to the sanctuary for the pledge service. Mrs. Floyd Walton Jr., opened the program with a vocal solo "Give Yourself To the Master," accompanied at the piano by Mrs. S. M. Dunnam, and impressive services were conducted by Mesdames E. W. Solomon, Paul Coneway, Morris Easley and R. M. Gregg.

Hostesses for the day included Mesdames W. A. Gearns, Paul Coneway, A. T. Mims, E. W. Solomon and Altus Higgins.

Following the luncheon Mrs. J. C. Cummings was named the Methodist Woman of the Month and during the business portion of the program members voted to replace the monthly luncheon during June, July and August with a morning coffee to be held at 9:30 in the morning.

It was announced that an Officers Training School will be held in the San Jacinto Methodist Church in Amarillo June 2, and the Sub-District meeting will be held in Wildorado June 3.

### Mrs. Brisendine New President Of Les Merces Club

New officers were elected at the business session of the Les Merces Study Club held with Mrs. Howard Gore Monday evening. Mrs. Dick Gholson served as cohostess. The new officers include Mrs. Ed Brisendine, president; Mrs. George Olson, vice president; Mrs. Delmo Williams, secretary; Mrs. C. E. Watts, treasurer; Mrs. Spicer Gripp, parliamentarian; Mrs. Nelson Reiger, federation delegate and Mrs. A. V. Crume, reporter and historian.

Other business measures included were plans for the revision of by-laws and constitution and members voted to place a book on child care in the Deaf Smith County Library. Named as a committee to select the book were Mesdames E. D. Hopson, C. E. Watts and Spicer Gripp.

Plans were also made for the installation dinner which will be held on Monday evening May 9 in Jim Hill Hotel, and summer pic-

nics for families and just for children of members were discussed.

Members attending the meeting were Mesdames A. V. Crume, C. E. Watts, Dick Gholson, Glenn Gripp, Spicer Gripp, Leo Hoffman, E. D. Hopson, W. D. Jones, J. E. McCathern, Nelson Reiger, Bill Simpson, Kenneth Rudd, Henry Vacari, Virgil Lamb, George L. Olson and the hostess.

Mrs. S. M. Dunnain left Wednesday for Deport where she will spend Mother's Day with her mother, Mrs. J. R. Westbrook. She plans to be away a week or 10 days.

Mr. and Mrs. Billy Wayne Parvin and Vicki Lorraine are visiting for a few days with their parents, Mr. and Mrs. Clyde Thomas and family and Mr. and Mrs. H. C. Parvin and family.

A mountain lion cub may be about the size of a house cat but have feet two inches wide.

Many insects have five separate eyes, two of them divided into hundreds of segments.

**CHAMPION READERS** -- First prize winners in the book reading contest in the first grade class of Mrs. Woody Wilson were Wynn Alex Luck, son of Mr. and Mrs. W. W. Buck, and Amanda Moore, daughter of Mr. and Mrs. Don Moore. Both read 57 books. The prizes were presented at a party given Thursday for their mothers. James Combs was second with 47 books and Sharon West third with 45 books. (Staff Photo)

### Luncheon Closes Club Activities

Summerfield Study Club climaxed its 1954-55 club season at a luncheon meeting held at the Western Wheel Inn Monday. Spring flowers decorated the tables and miniature spring hats were place cards. Upturned spring hats filled with flowers, adorned the luncheon tables.

Highlight of the day was the installation of newly elected officers with Mrs. George Graham, a guest as the installing officer.

Mrs. J. R. Euler, president appointed the year book committee, including Mrs. J. B. Noland, chairman; Mrs. L. H. Lookingbill and Mrs. Harry Cannon.

The club will resume activities at the beginning of the fall season on Sept. 22.

Those attending the meeting were Mesdames Lee Curry, L. L. Cannon, L. J. Counselman, J. R.

Euler, Ray Johnson, Earl Lance, L. H. Lookingbill, K. W. Neill, J. B. Noland, C. R. Waiser, Charles Noland, D. C. Waiser, and Harry Cannon.

The classic Greek theater at Syracuse, Sicily, where Pindar is reputed to have sung his odes is again being used to stage classic Greek tragedies.

### FEMINE TOUCH

PORTLAND, Ore. — Mrs. Pluma Lamphiear, one of the few women painting and paperhanging contractors in the country, still manages to give her job the feminine touch.

She shuns slacks and such male garb while working and wears simple, comfortable house dresses. Once in a while one of her own sex refuses to hire her. But she

gets other jobs from women who she says, "wouldn't let a man in the house."

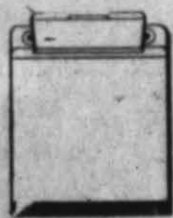

Mrs. Lamphiear, who took over the business when her husband died, supports two daughters.

London surgeons have used a tube of orlon cloth to replace a diseased human artery.

German trains have telephones which can be connected with the German telephone system.

At the big municipal swimming pool at Casablanca, Morocco, often the Moorish girls arrive in robes and veils and then emerge from dressing rooms in brief bathing suits.

Hot water with GAS 3 TIMES FASTER

AUTOMATIC WASHER average 13-20 gallons per load

TUB — 15 gallons

No question about it... automatic water heating is a must in every modern home! The problem is — how can you be sure you get the best automatic system for your home. To help you choose both wisely and well... study the chart below. Call your plumber or gas appliance dealer and let him help you solve your hot water problems with an automatic Gas water heater sized to the needs of your family.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS		
Number Bathrooms	Number Bedrooms	Storage Cap'y. Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

NOTE: USE NEXT LARGER SIZE WITH AUTOMATIC CLOTHES WASHER OR AUTOMATIC DISHWASHER.

### Everett Allen Seeks Post On Wayland Five

PLAINVIEW(Sp)—Everett Allen of Hereford is among six freshmen and eight lettermen out for spring practice with the Wayland College Pioneers.

The Pioneers' 1955-56 schedule is shaping into one of the toughest in the history of Wayland. A trek through the Mid-West will include games with Southwest Missouri State at Springfield, Mo., Beloit College at Beloit, Wis., and DePaul University at Chicago.

The Wayland five will also play the teams which finished first and second among NAIA teams in the nation, East Texas State and Southeastern Oklahoma. Both teams will play in Plainview during the season.

The Pioneers will also play in two tournaments this year, the Canyon Reef Tourney at Snyder, Dec. 9-10, and in the Cotton Bowl Tournament in Dallas, Dec. 29-30.

The Pioneers averaged 85 points per game last season while compiling a 22-6 record. In the past two seasons they have won 43 and lost 30.

Among the eight lettermen expected to spark next year's squad is Roy Young, Bovina, who this

year set a new Pioneer scoring record with 563 points. Cecil Davis, senior from Clovis, N. M., held the old one year mark of 525 points.

Other returning lettermen include Max Newman, Hart, who scored 395 points last season; Frankie LeGrange, Guyton, Oklahoma; George Frost, San Antonio; Leroy Green, Amarillo; Vernon Scott, Quanah; Pete Campbell, Dallas; and Bob Shields, Phillips.

Freshmen seeking varsity berths include: Allen, 5-11 guard; Ray Kinnison, Seagraves, 6-3; forward; Wayne Blankenship, Stinnett, 6-5 center; Martin Chandler, Clovis, N. M., 6-2 forward; Jerry Phillips, Hart, 5-10 guard; and Shelby Baucum, Idaho, 5-10 guard.

Japan built 52 ships for export in the 1954-55 fiscal year, the value being 127 1/2 million dollars and the tonnage 572,000.

The fire ant which has invaded southern United States from Brazil will attack stored food, food plants and live farm animals.

About half the homes in the United States are more than 30 years old.

Experts estimate that Americans have twice the spending power they had in 1940.

ANNOUNCE ENGAGEMENT -- Mr. and Mrs. R. L. Ramey announce the engagement of their daughter, Bettye, to Aubrey Self, son of Mr. and Mrs. A. J. Self. The wedding will take place on July 6 in the Avenue Baptist Church. Miss Ramey and Mr. Self are both graduates of Hereford High School. She is presently employed in the offices of Dr. J. W. Barnett. Mr. Self is employed at the H & H Furniture Company. They plan to make their home in Hereford.

# IT'S ALL BUICK

## -AND ALL YOURS

for the price of a smaller car!

You certainly can throw out your chest and call this Buick yours.

Because—as comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is virtually erased.

So if you've been holding back, thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price tag we'll show you proves it.

### Buick Sales Soaring To New Highs.

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the car you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo<sup>†</sup> at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

<sup>†</sup>Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

(Come in and check it!)

### DID YOU KNOW—

★ that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?

★ that the Buick SPECIAL is priced below some models of the three well-known smaller cars?

★ that the Buick SPECIAL includes as standard equipment at no extra cost a long list of items usually charged for as "extras" by other cars—items such as direction signals, automatic lighting of glove compartment, variable speed windshield wipers with vacuum booster, and so on?

★ that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

CAN YOU SEE • STEER • STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS

**The Stove**  
Before applying polish to the stove, rub it with a cloth dampened in vinegar and then polish. It will remain clean longer and retain its luster better than if the blacking is put on the soiled stove.

**Turtles**  
Turtles should be kept in an aquarium in which there is plant life and sand. They may be fed vegetables, berries, and fruit.

**Headache**  
A nervous headache can be frequently relieved if one will drink a cup of strong black coffee to which the juice of half a lemon has been added.

**Care of Rugs**  
Mend the rug as soon as it becomes worn. Mending tissue is effective when put on the back before a hole is worn through. Or darn it with colors of the rug.
