Kiwanians Told Hopes High More Firms To Locate Here

Several large firms and individuals have been contacted in an effort to interest them in locating in our area...

John Poole, program chairman, "We have high hopes that something will develop in a material way that will benefit our town..."

He said that A&P had worked through the Chamber of Commerce from the beginning and that "day before yesterday asked us again to get them another 40 employees..."

"Show me a town with a live C-C and I'll show you an up and coming live town," Lenderman said.

Stressing that the C-C stands for community development, the Kiwanis speaker said, "Now it seems to me that the first and most important step toward any community development program is that the citizens themselves be sold on their town..."

Around Town

Tornadoes once again became the talking point Around Town this week, following stories about the one that struck Wellington Friday night...

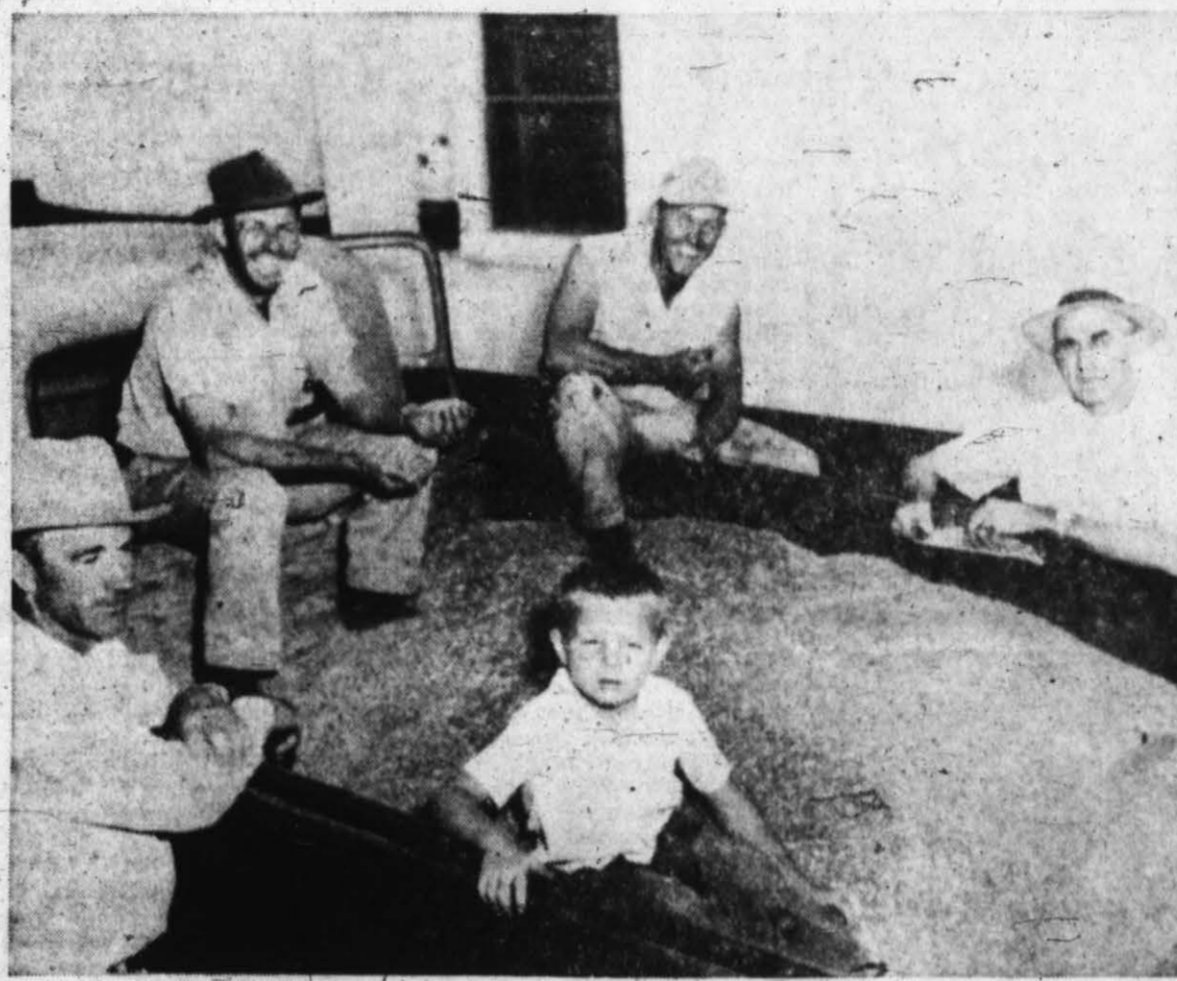

There will be a meeting for all managers of the Hereford Softball League Monday night in the Jim Hill Hotel...

A Kiddie Park is being planned by the Lions Club. The park is to be discussed with city commissioners at their regular Monday night meeting...

Cub Scouts are busy this week selling holes, surrounded by doughnuts, of course. Half of the money made in the sale goes to the Cubs summer camp...

Lyle Blanton of Blanton Butane will be honored June 23 at the Tenth Annual Convention of the Texas Butane Dealers Association...

Grass planting at high school has already paid off. The grass stuff has shot above the ground and should present a pretty picture before too many more days...

FIRST LOAD OF WHEAT -- Deaf Smith Co. From left to right are: W. J. Albracht, J. W. McCathern, Gerald McCathern and E. Ward, tester. The boy in front is Jerry Wayne McCathern.

County's First Wheat Harvested

Deaf Smith County's first load of 1955 wheat rolled into Hereford Thursday. J. E. McCathern brought the first load in from his farm one mile south and four miles east of Hereford.

The load, although one day later than 1954's first load, was about a week earlier than had been expected, a Pitman Grain Co. spokesman said.

McCathern said the wheat was Kansas variety, early premium. He said he expected to harvest about 12 to 13 bushels an acre on his irrigated land.

A Pitman spokesman estimated that the County wheat crop this year would run about 500,000 bushels. He said he expected several loads next week, saying that all in all the harvest this year would run about 10 days behind last year's harvest.

A Sears Elevator Co. spokesman said he expected the harvest to begin in about 10 days. He declined to estimate how much wheat the county would produce.

Fraser Elevators expect their first load about June 20. A spokesman said the crop would be "way under normal."

Potato Crop Good As the wheat harvest got under-

way, potato growers were also getting ready to harvest their crop. A spokesman for the Associated Growers of Hereford, Inc., said he expected the first run on potatoes to begin around June 27.

"We are looking for a very good crop," he said.

Hereford Potato Growers Association said the harvest would probably get underway about July 5.

They also predicted a "very good crop."

Howard Gault set the potato harvest starting date at June 26 for the area south of Hereford and July 5 for this immediate area. Gault also forecast a "good crop."

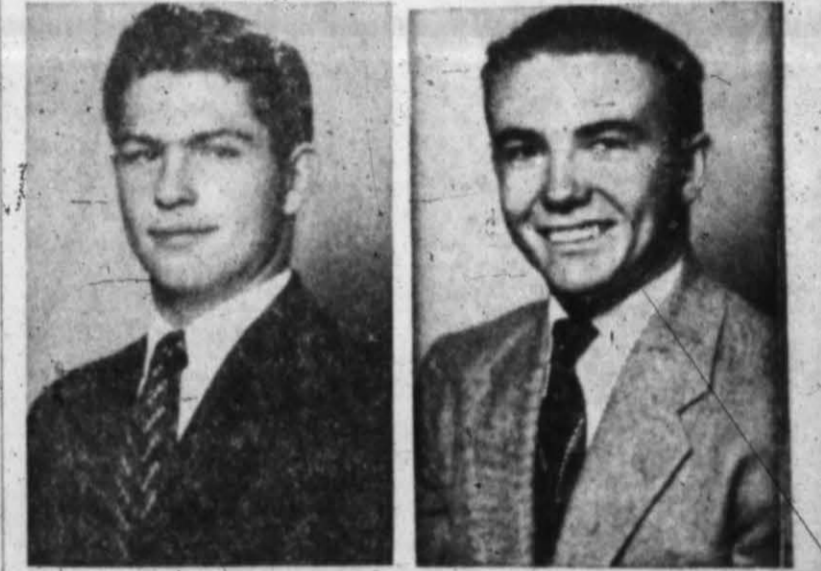

Gault said the onion deal should get underway between July 1-10.

Judges Are Named For Referendum

Election committees for the June 25 wheat referendum were named Saturday. Wheat growers will vote that day to decide whether or not the marketing quota program will be in operation for the 1956 wheat crop.

Committees named were: Community A (Courthouse)—J. B. Caraway, chairman; W. T. Carmichael, vice-chairman; and Melvin May.

Community B (Courthouse)—Joe Wagoner, chairman; F. A. Marnell, vice-chairman; and Jim Kirby.

Community C (Walcott School)—Ira Scott, chairman; Charlie Burke vice-chairman; and P. B. Sowell.

Community D (Sims Community House)—Roscoe Pinnell, chairman; Jackson Fortenberry, vice-chairman; and Coad Hammock.

Community E (Daniel Community House)—Glenn Alfred, chairman; Dick Ellis, vice-chairman; and Hardy Benson. Polls will be open at 8 a.m. and closed at 7 p.m.

Tourney Pairings Are Announced

First round pairing for The Brand Table Tennis Tournament has been completed, and several have already played their first round matches.

No upsets are among the matches already played, Pat Sullivan beat Leo Box in six games, 21-13, 19-21, 21-19, 21-8, 12-21, 21-16, while Walter Seed and Johnny Winkler won four straight games from their opponents. Winkler eliminated Clint Formby 21-15, 23-21, 21-19, 21-12. Winkler found it rough going but still managed to win in four straight games. Seed had a much easier time with Johnny Pool, dropping him 21-12, 21-12, 21-5, 21-10. Winkler will take on the winner of the Earl Stagner-Marvin Coffey match in the second round. Seed draws a bye in the second round.

All matches must be played and the results turned in to Bill Knox at The Brand by Tuesday.

First round matches: Pairings Harold Dunham-Ralph Atchley Pat Sullivan-Leo Box (x) Bill Boling-Gerald Hale Weldon Stephan-Jack Clark J. W. Robinson-Jimmie Bounds (Continued on Page 2)

Postal Workers Get Pay Increase

A blanket pay raise amounting to six percent to all personnel of the postal staff was announced by the assistant postmaster, Elmer Patterson, Saturday.

The first raise in several years, the raise is retroactive to March 1, 1955. The raise, to become effective June 15, was recommended by the department and was endorsed by President Eisenhower and Postmaster Arthur Summyfield.

Social Security Payments Go To 190 In County

In Deaf Smith County at the end of last year, 99 retired workers were receiving \$4975 in monthly social security payments, according to figures just released by John R. Sanderson, district manager of the Social Security Office in Amarillo.

In addition to the retired workers themselves, 91 people were receiving \$3195 a month as dependents of the retired workers or as survivors of deceased workers.

Although this is a considerable increase as compared with payments a year ago, it is certain that more people will receive larger payments in years to come because of changes in the Social Security Law in 1954, Sanderson said. Among the major changes were the following:

Computation of payments after "dropping out" up to five years of lowest social security covered earnings.

Extension of social security coverage to more farm workers and to self-employed farmers, as well as many other kinds of work.

Increasing of the maximum wages creditable toward benefits from \$3600 to \$4200.

Allowing disabled workers to "freeze" their social security wage records while disabled.

Increasing the amount of earnings which a retired worker can receive and still get all or a part of his retirement payments. (There is no restriction on earnings after a worker is 72 years old.)

Persons with social security questions are invited to contact the Amarillo Social Security Office, or contact a representative who will be in Hereford at the courthouse Wednesday after the third Monday of each month at 9:30 a.m. on a regular visit.

Local Delegates To Girls, Boy State Explain Trip

Dorcas Loerwald, Dick Wilson and Bill Albracht returned recently from Austin where they attended Girls State and Boys State.

Boys State and Girls State is held each year in Austin, and only high school juniors are eligible to attend. The total number attending this year was estimated at well over 500.

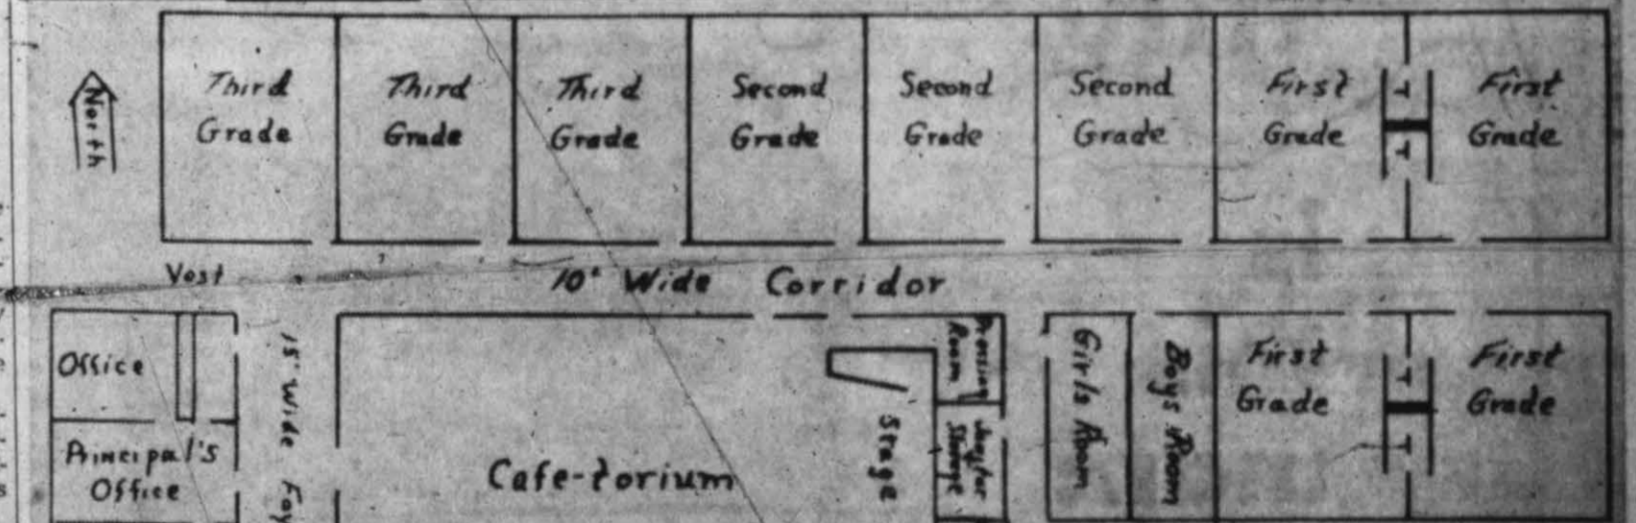

Each group is divided into two political parties from 13 fictitious cities. Two cities make a county and two counties make a district. The political parties hold nominating conventions and select candidates for city, county, district and state offices to run in the general elections.

The representatives said that the nominating conventions resemble

very much the national nominating conventions of the Republican and Democratic parties. The different candidates are nominated, and they make speeches and their supporters have demonstrations supporting them.

After the nominating conventions the general election was held. The results of the election were placed on a board during a talent show in one of the auditoriums on the TU campus. The talent for the show were all members of Boys or Girls State. They also formed a band from those attending. It was under the direction of Conway King of Brownwood.

During the week long meeting the delegates heard such speakers as John Ben Shepperd, Rogers Kelly and Jimmy Phillips.

SCHOOL FLOOR PLANS -- This is a rough drawing of the floor plans for the proposed new elementary school. The drawing was made from the architect's floor plan, which has been approved by the School Board. The plan contains 27,100 square feet of floor space. (Staff Drawing)

Vote On Grade School Bond Issue Only Ten Days Away

"For the issuance of bonds and the levying of the tax in payment thereof."

Against the issuance of bonds and the levying of the tax in payment thereof.

Those two choices will face qualified voters of the Hereford Rural High School District when they go to the polls in just 10 days—June 28. The number of X's placed by both will decide whether or not the District will build the proposed \$325,000 elementary school.

Eligible voters are those residents of the District who own taxable property.

The election order sets out the

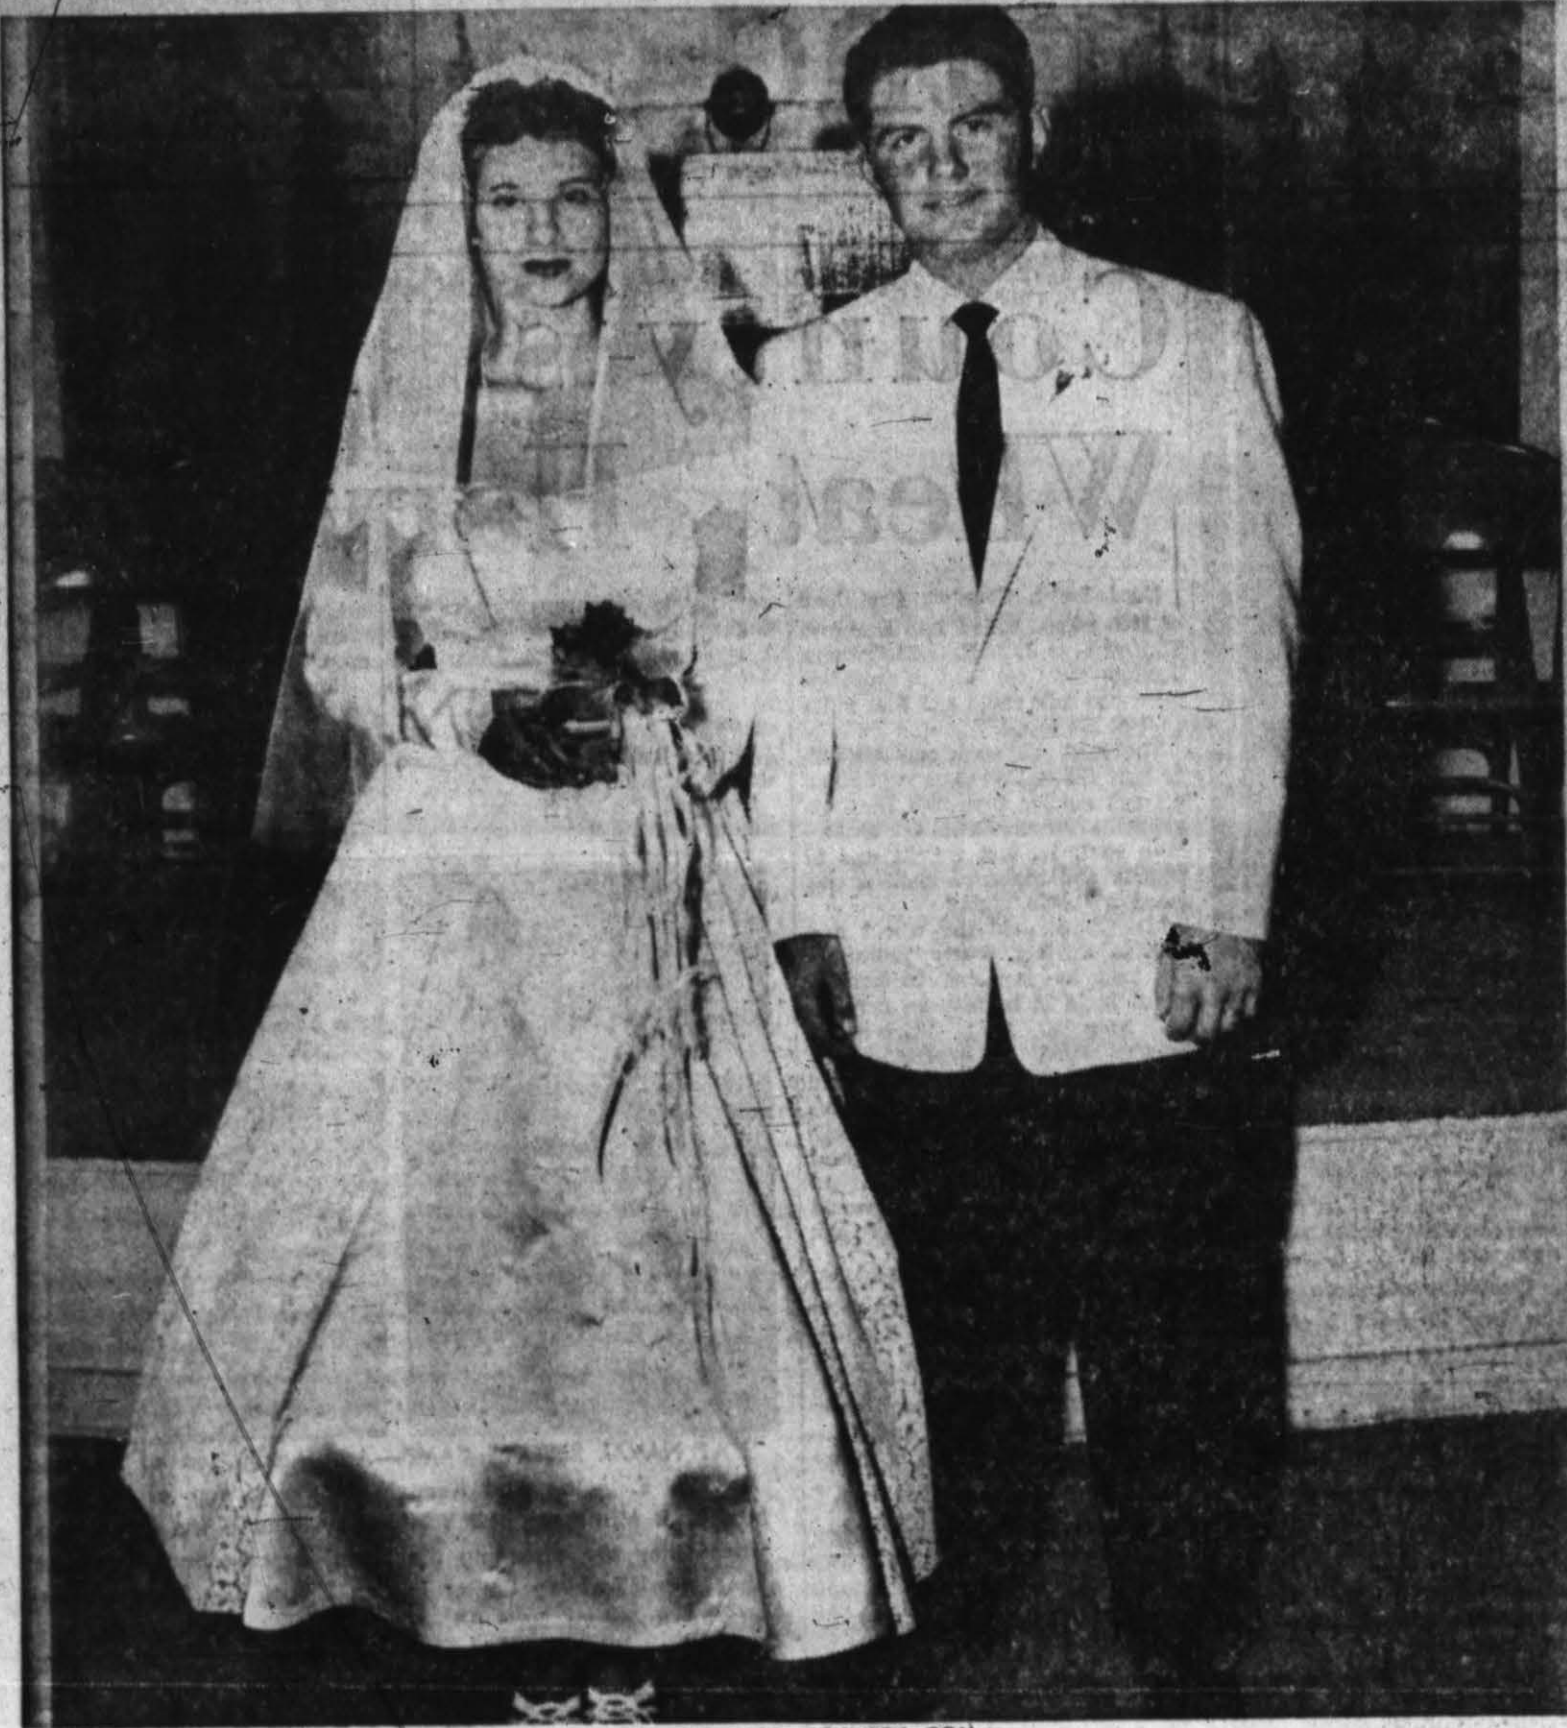

bond retirement table and says that the bonds will bear an interest at a rate not exceeding 3 1/2 percent.

Of the \$325,000, \$300,000 is expected to be needed for construction of the school itself and \$25,000 has been estimated as the cost of equipping the school. The proposed elementary school (Continued on Page 2)

Louise Wester Becomes Bride Of Stanley Cox

Miss Louise Wester, daughter of Mr. and Mrs. H. E. Wester, became the bride of Stanley Cox, son of Mr. and Mrs. Arthur Cox of Borger, in a double-ring ceremony read by the father of the bridegroom, elder of the Borger Church of Christ, at 3 o'clock Sunday afternoon in the Hereford Church of Christ.

stock and greenery with lighted tapers in candelabra giving illumination.

Marvin Knox directed a chorus which provided the wedding music. Singers were Wanda Kirksey, Pat Childers, Bonnie Axe, Wanda Pitts, Vonda Pitts, Nancy Patterson, Karen McGee, Mary Lou McCullough, Donald Zimmerman, Glen Ray Reeves, Leon Roberts, Kenneth West, Shirley Pierce and Mrs. Virgil Bennett. Selections included "I'll

Walk Beside You," "O Promise Me," "Through the Years," "Wedding Prayer" and the processional and recessional.

The bride's maid of honor and bridesmaids were Barbara Hall, Sylvia McCracken and Linda Reese of Hereford and Eugene Black of Abilene.

Miss Hall's dress was of pale pink organza over taffeta and the bridesmaids wore blue organza over matching taffeta. Their dresses were street length made with fitted waist and full skirts. They wore white headbands and white gloves and carried bouquets of sweet peas tied with pink ribbon.

Candlelighters were Mildred and Sandra Wester, sisters of the bride. They wore rose-pink organza with corsages of white and pink roses.

Clarence Hibbs of Borger served as best man and ushers were Carroll and Lynn Jones, brothers of the bride, Jerry Cummings of Panhandle, and Gene Sewell of Borger.

Given in marriage by her father, the bride's gown was of white slipper satin with lace overskirt. A full ballerina skirt stemmed from the fitted bodice which was embellished with seed pearls. Her veil of illusion fell from a headband of white rosebuds and white satin gloves completed her costume. She carried a white satin Bible topped with a corsage of pink rosebuds, and her only ornament was a pearl necklace.

The bride's mother wore a navy linen with matching duster with white accessories. The bridegroom's mother wore a beige lace dress with white accessories. Both wore a white carnation corsage.

Reception at Bride's Home

Following the wedding, a reception was held in the home of the bride's parents. Spring flowers were used throughout the house with roses predominating at the bride's table. Assisting in serving were Donna Black of Hollis, Okla., and Betty Lou Gatewood of Tulsa. Mrs. George Jowell and Mrs. Elmer Patterson were in the house party. Mrs. Walter Kirkland presided at the guest register.

When the couple left on a short honeymoon trip, the bride wore a pink linen suit with pink and black accessories. Upon their return they will make their home in Borger until September when they will return to Abilene where he will be a junior student at AAC.

The bride is a graduate of Hereford High School where she was a member of Tri-Hi-Y, FHA, and Pep Club. At the time of her marriage she was employed at the Plains Insurance Agency.

Out of town guests included Mr. and Mrs. J. W. Birchfield and Mr. and Mrs. Gene Lewis of Dimmitt, Mrs. Lee Curry and Mr. and Mrs. Douglas Powell of Summerfield, Miss Oleta Pond of Skellytown, Mrs. C. G. Pond of Canyon, Mr. and Mrs. Gordon Gatewood and Betty Lou of Tulsa, Mr. and Mrs. C. J. Schmitz, Carla Jo and Bobby, Gene Sewell, Mr. and Mrs. W. A. Mrs. Jay Ricketts

Miss Lotus Root Becomes Bride Of Mr. Jay Ricketts

The First Christian Church was the scene Friday evening at 7:30 o'clock for the marriage of Miss Lotus Root and Jay Ricketts. Parents of the couple are Rev. and Mrs. Don Root, and Mr. and Mrs. Jim Ricketts, Rt. 4.
 The bride's father, pastor of the church, read the double ring ceremony before a background of greenery, candelabra holding the flame-tipped tapers, and baskets of pink and white gladioli and stock.
 Mrs. Ellis Coombes furnished organ music playing a medley of nuptial selections preceding the

ceremony. Miss Doris Russell sang "At Dawning" and "I Love Thee" accompanied by Mrs. Coombes, who also played the traditional wedding marches.
 Miss Shirley Root, the bride's sister, was her only attendant. Her dress of pastel blue silk was made identical to that worn by the bride and she carried a hand bouquet of pink carnations.
 Albert Ricketts, brother of the bridegroom, served as best man and ushers were the bridegroom's brother, Forrest Ricketts, and Euel Luce.
Grandfather Gives Bride Away
 Given in marriage by her grandfather, Loren D. Root of Denver, Colo., the bride wore a wedding gown of bluish pink silk fashioned with fitted waist having a portrait neckline and bouffant tulle skirt. Her accessories were in pink and the matching veil of illusion was held by a halo band of flowers. She carried a white Bible topped with pink sweetheart roses showered with white carnations and streamers. Her something old was an heirloom handkerchief and she wore pink ear rings.

Reception in Fellowship Hall
 For the reception given in Fellowship Hall of the church, the bridal table was laid with a white linen cloth featuring arrangements of pink rosebuds. Members of the Women's Council made up the houseparty.
 For a wedding trip, the bride chose a navy suit with pink accessories and the wedding bouquet was worn as a corsage.
 Upon their return the couple will be at home at the Fullwood Apartments here.
 The bride is a graduate of Hereford High School and attended West Texas State College last year.
 Mr. Ricketts was discharged from the U. S. Air Force in June 1954 after four years of service.
 Out of town guests at the wedding were Mr. and Mrs. Loren D. Root of Denver, Colo., grandparents of the bride.
 Homer N. Paul of Amarillo spent last weekend in the home of his parents, the Ralph Pauls. Joe Frank Paul and family visited on Sunday.

The atomic age has wrought many changes. One of them can be noted daily, right here in Hereford, which is certainly no differ-

radios, and television, the time has come when people have seen and experienced just about everything. Nothing absolutely startles them anymore. Even if they haven't seen it, they've read about it or heard about it.

Time was when most kids would get excited if you offered to buy them an ice cream cone or a soda pop. Nowadays they can't work up much interest, because they have them both at home in the refrigerator most of the time. The old traveling tent shows folded up a few years back for pretty well the same reason. They just couldn't compete. The carnivals and the circus are well along their way on the same trail. People just plain don't give a darn.

In fact, about the only local event people have really been worked up about in 1955 has been the Tornado Warnings in May. They did get high behind for a few afternoons. This subject arose the other day when some of us were talking about the forthcoming school bond issue. I argued that such an apparent lack of interest indicates a favorable vote on the bond issue. Maybe even a lopsided vote. Most people know that Hereford has to have more grade school room. It is just a matter of how much—and that has been pretty well decided by representatives on the School Board and on the Citizens Committee.

Two of our neighboring towns are also currently expanding their school systems. Julia let a contract this week to a Lubbock firm or construction of a new 40,000-square-foot high school and 1,360-person auditorium. The contract was \$284,000. Floydada has called a \$550,000 bond election for July 2, at which time voters will determine the fate of their expansion plans. Floydada is planning to purchase a location and build a new high school with \$400,000 of the issue and to spend another \$100,000 in remodeling and improving their present buildings. The other \$50,000 was included in the bond issue recommendations, "just in case."

I don't know how those Camp Fire girls fared on their encampment near Floydada this year, but rumor has it that two or three groups cried and cried Thursday night—because they had to come home Friday. At least two people had just the opposite reaction, though, according to the grapevine. These two were Jack Gilliland and son, Bill Jack. Bill capped the climax earlier in the week when he asked Jack the following question: "Daddy, can't you cook anything besides bologna sand-

wiches?"

A lot of people are still riding me because I don't arrive so well in the big cities. Tom Alderson says the whole thing is absurd and silly. He says anyone at all can find their way easily in San Antonio. "It's elementary," says Tom—however, my experience opened up complete new vistas for Pat Wedertbrook, who said: "I am glad you got on that E-Way at San Antonio. Now, I can tell you what happened to me. Only folks who have had the experience will believe my story."

Pat was in a hurry at the moment, but he has my curiosity aroused. Maybe he will tell me and, no matter what it is, I'll believe it. That's for sure!

Another indication of our changing times occurred this week when Otis Hall started looking for someone to go trout fishing with him—and got no takers. Everyone was too busy. Time was when a fellow had to slip in the middle of the night to keep the crowd down to 25 or 30 people. I still think Otis wouldn't have had any trouble if Ross Latham and Dub Reeves hadn't been out of town attending the Lions Convention in Jersey City.

Everything, it seems, has a good point or two, along with the bad. It took a long time, but an advantage finally showed up in favor of bald heads. Blue Turpin, also a delegate to the Lions Convention, was about to cancel his trip because his wife, Betty, couldn't get away for so long. However, she insisted that Old Blue make the trip alone. Blue says when you have no more hair than he has that your wife never worries about you, anyway.

One time a visiting scientist was telling G. W. Brumley about some new vitamins that would grow hair. It was a sure fire deal, but Mr. Brumley replied: "No, Sir. Not for me. I like this business of combing my hair with a wet wash rag. If I could have a full head of hair tomorrow, I wouldn't take it. Not for a thousand dollars. It's too much trouble washing, combing and brushing; besides, it gets in your eyes when the wind blows."

He did admit that he tried to buy a toupe once when he was out in California, though. The price was around \$75 on the cheaper models, and Mr. Brumley got discouraged. Besides, he says he hears that it gets mighty hot under those toupes like Jack Benny wears. However, for \$25, he thinks it would be a lot of fun.

I was reading in the Perryton paper about a preacher up in Sioux City, Iowa, who has worked out a pension plan that should suit just about everyone, including the most discriminating of persons. Here it is:

At birth each child would receive a promissory note from his Uncle Sam or \$20,000 bearing interest at 3 percent. The child would thus have an income of \$50 per month from interest. Each year Uncle Sam would put \$1,000 into a sinking fund to pay of the note at maturity. When the child reached 20 he would thus receive the sum of \$20,000 to start him on his way.

Boys and girls who elected to marry at 20 would thus have combined capital of \$40,000. If they chose to have our children right quickly, they would have an assured income of \$200 from the children. They'd invest the capital in Uncle Sam's bonds at 3 percent and have an additional \$100 per month.

The plan would cost Uncle Sam only \$1,600 per year for each child born into his family. Nobody would thus have to work since everyone would have an assured income.

What a wonderful plan! No work, everyone making a living by having a family.

The slogan for the new plan is "Why Wait? Retire at Birth!"

If anyone finds a possible flaw in the plan, be sure to tell the Bootleg Philosopher. It sounds a lot like one of his deals, anyway.

Farm-Ranch Club Installs Officers

Farm and Ranch Club held its final session of the year Thursday in the home of Mrs. Roy Pruitt. An installment luncheon was the order of the day and plans were discussed for next year's work in a business session which followed.

New officers of the club are: Mrs. G. S. Solomon, president; Mrs. J. V. Perrin, vice president; Mrs. Waldron Melton, secretary-treasurer; Mrs. N. E. Tyler, historian; Mrs. Roy Pruitt, parliamentarian; Mrs. Chas. Hoover, reporter and Mrs. Elmo Hall, assistant reporter.

Members present were Mesdames N. E. Tyler, Dub Harkrider, Hershel Burrus, Elmo Hall, Chas. Hoover, Waldron Melton and the hostess.

Drouth Crisis Aid Is Requested

An appeal for instatement in the drouth emergency federal feed program has been made by Deaf Smith County Agent Hugh Clearman and the County Agricultural Stabilization and Conservation committee.

Faust Collier, ASC office manager, said Saturday that the appeal had been forwarded to Washington by the State Drouth Committee. He said an earlier appeal made May 12 had not gained results. Checking with members of the State Committee, he said the County ASC Committee and the County Agent found that the State Committee was under the impression that recent rains had relieved the situation in this area to the extent that aid would no longer be needed. He said the Committee was assured that rains had not broken the drouth in Deaf Smith County, and that assistance is still needed.

"We have been assured that we will be notified immediately when action is taken on the matter," Collier said.

Personals

Mr. and Mrs. E. J. Reynolds returned Monday evening from a month's trip through Washington, Oregon and California. While in California, they visited with their son, Jack Reynolds in San Diego. They also visited with other friends and relatives on their trip.

Tony Wilson and friends of Albuquerque who were on their way to New Orleans where they are to be stationed in the Navy, visited in the home of Tony's aunt, Mrs. W. F. Gillis, when passing through.

Mrs. Toy Hulise and daughter Sharon of Oklahoma City are visiting for a few days in the home of her parents, Mr. and Mrs. Harry Taylor.

Mr. and Mrs. Arthur Pearce and Kenneth were in Lubbock Sunday visiting with his parents, Mr. and Mrs. John Jay, on Father's Day.

Lt. and Mrs. Oliver Streu and son Ray of San Diego, are in Hereford for a two week's visit with their parents, Mr. and Mrs. Urlin Streu and Mr. and Mrs. Wm. F. Hardwick. They are also here to attend the wedding of Mrs. Streu's sister, Pat Hardwick.

Mrs. W. F. Gillis visited in Olton Sunday in the home of Mr. and Mrs. A. Curry.

Guests of Mr. and Mrs. Roscoe Babione over the past weekend were Mr. and Mrs. Lloyd George and children of Odessa. Mr. Babione and Mr. George are cousins.

Frances Funk was a guest recently in the home of her grandmother, Mrs. H. N. Gregory of San Angelo.

Clydene Thomas returned Wednesday night from Colorado Springs, Colo., where she was visiting in the home of her sister, Mr. and Mrs. Billy Parvin.

MRS. ALVIN WILLIAMS JR.

Daisy Drumm, Lt. Williams Exchange Marriage Pledges

Before an altar arrangement of tall baskets of white gladioli and greenery, Miss Daisy Drumm, daughter of Rev. and Mrs. Roy Fred Drumm of New Orleans, La.,

SECOND LT. A. L. Williams, previously stationed at Bryan Air Force Base, Bryan, Texas, returned home late Wednesday night. He returned home for his wedding to Miss Daisy Drumm of New Orleans, La. He is scheduled to go to Japan when he returns from his leave.

The Rev. James B. Singleton, assistant pastor of the Northside Assembly of God Church in Fort Worth, read the service. Miss Rose Stephan, organist, and Larry Wiggins, vocalist, presented the wedding music.

Miss Nancy Caraway of Pasco, Miss., was maid of honor and bridesmaids were Vicky Lafoon of Fort Worth and Marilyn Williams, sister of the bridegroom.

The attendants dresses were fashioned alike of embroidered organza with fitted waists completed with Peter Pan collars and full ballerina skirts. They carried hand bouquets of white carnations. Miss Caraway's dress was in pink, Miss Lafoon's in blue and Miss Williams wore yellow. Cheryl Williams, flower girl and sister of the bridegroom, wore yellow.

James Alston of Bryan served as best man, and ushers were Roy Drumm of Dallas and Weldon Stephan.

Rev. Drumm escorted his daughter to the altar and gave her in marriage. She wore a wedding gown of white, Chantilly lace over tulle. The bride's featured a stand-up collar and bracelet length sleeves. The full gathered skirt, worn over hoops, was ballerina length. Attached to a cymon encrusted with seed pearls was a fingertip veil of illusion. Matching lace mitts completed her costume and she carried a single orchid showered with white satin streamers, on a white ribbon.

The bride's mother wore navy nylon and rayon, with white accessories. The bridegroom's mother was dressed in a light blue suit with white accessories and both wore pink carnation corsages. Reception in Bridegroom's Home

Immediately following the wedding, a reception was held in the home of the bridegroom's parents. The decorated wedding confection centered the bride's table. Assisting in the house party were Mesdames H. V. Fields, Coleman Wright and John Brown of Fort Worth.

When the couple left on a wedding trip to points in Colorado the bride was wearing a navy cotton suit with white accessories and small white hat. After July 10 they will be at home in Oklahoma City where Lt. Williams is stationed at Will Rogers Air Field.

Lt. and Mrs. Williams both attended Southwestern Bible Institute at Waxahachie. He is a graduate of Hereford High School and entered the service in February 1954.

Out of town guests attending the wedding were Rev. and Mrs. Roy

League Lead Is Taken Over By Piggly Wiggly

Piggly Wiggly lofted themselves into first place by outlasting Hotel Jim Hill 6-5 Friday night. Rutherford's jumped into a tie for fourth place with Summerfield by mashing Coopers 21-16.

Piggly Wiggly's triumph over Jim Hill was their eighth victory of the year compared to two losses. Jim Hill is close behind with a 7-2 record. Rutherford's successfully climaxed their climb to the first division after a dismal start by stopping Coopers 21-16 in a windblown second game.

Don Morgan flung a six-hitter at the Jim Hill forces, striking out only four men, a comparative low figure. Johnny Winkler, Hotel twirler, gave up only four hits, two less than Morgan, but a grand-slammer off Winkler by Don McNeese turned the trick.

Piggly Wiggly started immediately on the run-trail. Lynn Bybee led off with a base on balls, and McNeese advanced him with a sacrifice bunt. Taylor Sims, dependable catcher, drew life on John Renner's error, and after DeMont had walked to load the sacks, Bybee scored on Raymond Lueb's sacrifice fly.

Morgan successfully blanked Jim Hill for two innings, but his team continued to build up a lead which paid off in later innings. Marshall Wilson led off with a double, and Pickens singled, putting runners on first and third. When Bybee walked again it loaded the sacks, and McNeese climaxed it with a home run to drive in four runs.

Jim Hill picked up their first runs in the bottom half of the third after holding the Pigs scoreless in their half of the third. With two outs Ross and Howard both collected bases on balls. When Buddy Pickens dropped John Renner's fly ball in centerfield both tallies poured across the plate to make the score 5-2.

Hotel continued on the comeback trail by picking up one in the fourth. Timberlake led off with a four-out double and came all the way around on the always reliable Onias Carroll's base knock.

Neither team scored in the fifth or sixth innings, but Piggly Wiggly added the insurance run that might have won the game in the top half of the seventh. Johnny Winkler again walked the lead-off man, Don McNeese, but Taylor Sims couldn't find the range and popped up. Raymond Dement got first on Renner's bad throw at first, McNeese going all the way to third. McNeese came in on Dqb's second sacrifice fly of the game.

Hotel Jim Hill pulled a desperate rally in the last of the seventh but fell short by one run. Gerald Hale, hard-hitting outfielder, led off with a line smash to left field. Burdine fanned, but Ross walked. Howard clouted a sizzling line to third base which went for a hit, Hale scoring, and Ross going to third. John Renner drove in the final run with a sacrifice fly.

Jim Hill dropped to second with their loss Friday night, but they may regain a tie for first by defeating the Knights of Columbus Tuesday night. Summerfield, presently knotted with Rutherford for fourth place, may take undisputed possession of fourth by defeating

T. Drumm of New Orleans, Roy Drumm of Dallas, Larry Wiggins of Nacogdoches, Vickie Lafoon, Rev. and Mrs. J. B. Singleton, Bobby and Ricky, Mr. and Mrs. L. A. Singleton and Mr. and Mrs. John Brown, all of Fort Worth, Nancy Caraway of Pasco, Miss., and Mrs. James Alston of Bryan.

RUTHERFORD'S WIN

Rutherford's ran roughshod over Summerfield 12-5 behind the expert pitching of Harold Dunham, while Coopers vacated the cellar by cleaning the Popular Store crew 17-7 Thursday night.

Rutherford's surprise victory over Summerfield left them only one half game behind the fourth place Farmers. Coopers' victory was their first of the year compared to five losses. The Popular Store is still yet to win, having lost eight times.

There was never a doubt as to the outcome of the Summerfield-Rutherford game. Dunham's swift motion on the mound had the Farmers guessing, and his control was good. Jack Clark, who started for Summerfield and Horac Baize who followed him to the mound were not quite so successful, however.

Rutherford's quick start might have had much to do with the upset. They set nine runs across the plate to build up a lead which they would never relinquish. John Bryant led off with a base on balls, and Atchley banded a single. Elliston walked, but Streuss erred on Callaway's grounder. Maxwell dribbled to the pitcher, but Russell and Bayer both drove base on balls immediately preceding Dunham's double. Aetzel received first on an error, and Bryant was thrown out trying to bunt. Atchley got his second single of the inning, and Elliston got on again, this time on an error. Callaway grounded to third to end the inning.

Summerfield drew a horse-collar in their half of the first, as did Rutherford's.

Summerfield broke the tie in the second, scoring two runs. Lookingbill led off with a double, but Cleymen fanned. H. Davis grounded to Dunham, Lookingbill scoring, and Horace Baize singled. E. Davis, who had walked before Baize's single, scored when Callaway bobbled Campbell's grounder.

Rutherford's scored their first runs of the game in the third. The three runs came with a hit, five errors and a walk helping things considerably.

Summerfield, trying desperately to rally, picked up a lone tally in the fourth. A walk and another double by Horace Baize brought it in. Then their last runs came in the fifth when they picked up two.

Summerfield now had a 4-5 record. Rutherford's record is now 3-5.

Coopers had an easy time in trouncing the hapless Popular Store team 17-7 in the first fracas.

News From Camp E Ha Tanda

Injuries Don't Slow Down Hereford Camp Fire Girls

We left the Camp Fire Hut in Hereford Monday morning at 7:30 and arrived in camp at around 10:30 o'clock. The name we gave our camp is "E HA TANDA," which means "laughing maidens working together." As soon as everyone got to camp, each girl was assigned to a tribe and each tribe was assigned to a cabin. The tribe names are Indian words for different colors. Cabin 1 is the DU TA, (Red) tribe; Cabin 2 is Ogin, (Rose); Cabin 3, TA KA (White); 4 NI HA NE (Yellow) and 5, TU HE (Blue).

Duren Scott and Mrs. Howard Beasley planned the meals and brought the food we needed. They soon had everything in perfect order in the kitchen for preparing the wonderful well-balanced meals they had planned. Mrs. W. B. Nunley and Mrs. Bill Nunn are in charge of handcraft and have a full schedule planned for the girls. The first day each girl made name tags out of wood with their tribe name on one side and their own names on the other done with wood-burning needles and tied with strings of plastic the color of their tribe. Leather belts were made by each girl on Tuesday. Purses and plaques with the name of the camp and symbol are on the agenda for the other days.

on the bed. Caroline Brumley came next with swelling hands and feet after she went swimming. Nurse Nunn decided that she was allergic to the Cottonwood fuzz floating in the water. No more swimming for Caroline. Otherwise most of the girls have required medication for sunburn and mosquito bites. Bonnie Lewis and Barbara Damon are the two life guards. They are very capable and we are fortunate to have them with us. Another activity the girls enjoy is acrobatics led by Mary Katherine Huckert. Pow-wow and songs were led by Martha Bookout, assisted by Eugenia Alexander and Linda Kay Noland Monday night. They led the group in songs and Martha gave the girls a talk about what Camp Fire had meant to her and how much it could mean to everyone if they would enter into the spirit of Camp Fire. Pow-wow was held in a big circle under a floodlight on the grass. Everyone thought it was a perfect place for the pow-wow until the mosquitoes took over and the group had to move to the mess hall. Jane and Martha Bookout and Eugenia Alexander led folk games and singing Tuesday night. Everyone had a wonderful time. Caroline Brumley and Texie Williams were having so much fun doing the Virginia Reel that they accidentally bumped heads several times.

TA KA Tribe Reports:

Sherry Achor scared everybody when she had to be pulled out of the pool Monday afternoon. She dived in and the life guards had to go in after her. When Vicki was visiting her sister, Sharon Scott, during rest period, she fell and bumped her head. Jan Story hurt her back while attempting to turn a backward somersault in acrobatics. Maribeth Gilliland burned her hand in art on the wood-burner. When Sherry Achor spotted a tarantula out by the clothesline it started squeals of Texie Ruth Williams, Patricia Ranspot, Phyllis Ward, Sandra Hoover, Joyce Lindner, Lu Anne Higgins, Nancy Edwards, Phyllis Goettsch, and the counsellors, Carolyn Knox and Janie Bookout.

NI HA NE Reports:

Well Hi everyone at home. We of Cabin 4 or NI HA NE Tribe are having a simply wonderful time. We've got loads of news. The meals have been "The Best" because we were hungry, but we aren't looking forward to cooking. Jerry Bea Noland had a slight nosebleed and hemorrhated from us last night. Janis Higgins has been entertaining us by reading her sister's (Lou Ann's) will. Jerry Holt is appreciated by those whose back she scratches. Linda Edwards will learn to be more careful of her belongings. To redeem a belt everybody got to sweat her one. Was that belt worth it Linda? No letters to home from Cabin 4 are approved by its members, especially those to the opposite sex from Shirley Thompson and Linda Edwards.

Among the brave people in our cabin who love to go swimming at 6:45 a.m. are Janis Higgins, Betty Huckert, Shirley Thompson, Kathy Smith, Joyce West, Jenny Holt, and Kathy Knox. Tony Parker, Barbara Woody, and Joy Story just couldn't sleep because of Linda Edwards, so she went in the bathroom to sing. Our cabin may be the quietest, but we aren't the cleanest. We had about the lowest grade! Well, bye, bye for now we send all our love.

The Counselors Eugenia Alexander Martha Bookout Bonnie Lewis

Mr. and Mrs. H. E. Danforth and Mr. and Mrs. Oliver Rudd are vacationing in Williamstown, Mo. They are expected back the last of next week.

Mr. and Mrs. H. G. Milson and son and a neighbor girl were guests in the O. G. Hill home Thursday. The Milsons live on the Hill ranch in New Mexico.

Christian Women Hold Social Meet

From one of the "Council" of the First Christian Church was entertained at a social affair and program in the home of Mrs. Jim Robinson Wednesday afternoon. Mrs. Louis Woodford was emcee. Mrs. James Shaffer conducted a short business session. Mrs. Marvin Winget presented the lesson on India, assisted by Mr. A. M. Jones and Mrs. S. O. Wilson. Mrs. J. B. Elliston gave the devotional lesson dealing with topics relating to India. Refreshments were served to Mesdames J. B. Elliston, F. M. Kester, A. M. Jones, George Muse, J. J. Clark, E. D. Caple, Bert Brown, S. O. Wilson, Carl Williams, James Shaffer, Marvin Winget and the hostesses.

Westway News

By MRS. J. TOWNSEND

Rev. C. T. Jackson, Methodist pastor, filled his regular appointment June 2. Sixty-two attended Sunday School. Rev. Jackson was a dinner guest of the Joe Waggoners after the church service.

A group of Westway young people and their sponsors attended the MYF meeting at the First Methodist Church in Hereford last Sunday evening.

Rev. and Mrs. Rathore, missionaries from India, presented the program. Those attending were Gayle Waggoner, Mary Lynn Morris-

son, Sandra Townsend, Florene McIntosh, LaVera Head, Jessie Gray, Walter Kaul, Nathan Wilson, Jimmy Head, Mrs. Merlin Kaul, Mrs. Clarence Sauley and Mr. and Mrs. Johnie Townsend.

The Westway WMU were guests of the Summerfield WMU on Tuesday at their "friendship tea." The Westway women presented the program. Those attending were Mesdames A. A. Head, Robert Boyd, Roy Lee Wilson, Clarence Morrison, Harold Head, Merlin Kaul, J. E. McCathern and Jamie Townsend.

Mr. and Mrs. Everett McIntosh and Florene accompanied Mr. and Mrs. Raymond Bearden and Glenda of Plains to Amarillo recently. Deborah Pierce spent the past weekend in Friona visiting in the home of A. L. Stokes.

Mrs. Clarence Sauley visited in the Carl Smythe home in the

Wycherly community last Thursday. Eugene Combs is in Deaf Smith County Hospital recovering from injuries received in an automobile accident which occurred Monday morning northwest of the Westway store. Eugene was driving alone at the time of the accident and no other car was involved.

Mrs. Joe Landers accompanied her father, R. M. Gunn to Wewoka, Okla., where they plan to visit for several days with relatives.

Mrs. Everett McIntosh was hostess to the Westway WMU last Wednesday when they met for the regular Bible study. Mrs. Merlin Kaul led the discussion on chapter 3 of the Book of Acts. During the business meeting, ladies decided to send reading material to the people of India.

The next meeting will be with Mrs. A. A. Head.

Those present were two visitors, Mrs. P. N. Rhodes and Mrs. John Burns.

Members present were Mesdames Merlin Kaul, Clarence Morrison, Roy Lee Wilson, A. A. Head, Harold Head, Everett McIntosh, and Johnie Townsend.

Billy Don Combs, Ralph Morrison and Ted Alsop accompanied G. C. Merritt of Frio and Wayne Smith of Hereford to Altus, Okla., last week where they will be employed with Jack Renfro in the potato harvest there.

Everett McIntosh received word Wednesday night that his mother was very ill in the hospital at Norman, Okla.

Mr. and Mrs. Raymond Bearden and Glenda of Plains were weekend guests of the Everett McIntoshes.

Mr. and Mrs. Elmer Combs and Eugene were Sunday dinner guests of the Robert Boyds of Hereford. Cliff Combs visited his parents, Mr. and Mrs. Lewis Neal of Plainview over the weekend. Mrs. Combs, who has been ill for some time is reported out of bed and doing fine.

Mr. and Mrs. Lewis Neal and Clayton of Hereford were Sunday dinner guests of the Johnie Townsends.

Mr. and Mrs. Jimmy Thomas spent the weekend in Post. Dieder and Daniel, who have been staying with their grandmother, Mrs. Tol Thomas, and Deborah, who visited in Albuquerque, N. M., with the Wayne Thomas family returned home with their parents.

Mr. and Mrs. Joe Waggoner and Joe Bob went to Groom Thursday to visit friends and relatives.

Mrs. M. E. Morrison of Hereford, mother of Clarence Morrison, is ill in Deaf Smith County Hospital.

Willie B. Nunley, Bonnie and Rickie of Hereford, were supper guests of the Elmer Combs' on Thursday.

The Westway Home Demonstration Club will meet with Mrs. Merlin Kaul Wednesday, June 22.

Nelda Phifer of Hereford spent the weekend in the Joe Waggoner home.

African Birthday Party Held For Rebecca Grisham

Rebecca Rhea Grisham, daughter of Rev. and Mrs. M. R. Grisham, was honored on her first birthday by a birthday party in the home of her parents May 31 at 4 p.m.

A cosmopolitan group of 14 children that consisted of African, English-African, English, and American honored Rebecca with their presence.

After playing games, the group was ushered into a brightly decorated party room for refreshments which consisted of tuna and cheese sandwiches, pink and green lemon punch, birthday cake, pink and green popcorn balls, pink and green initial cookies, and miniature candy bars which were given for party favors.

The birthday cake was a white layer cake topped with chocolate icing and decorated with pink roses and icing bands with green leaves, a "Happy Birthday" and one large candle. Table decorations followed the theme of "The Gingerbread Man" with ceiling streamers of yellow and green crepe paper.

After refreshments, gifts were presented by each one present and were opened for the viewing of all.

Rebecca's parents are the former Avis Culp, daughter of Mr. and Mrs. N. W. Culp of Hereford, and Milford Grisham, son of Mr. and Mrs. A. G. Grisham.

The family is now in the Gold Coast of British West Africa in Accra, doing missionary work under the direction of Wings of Healing Temple of Portland, Ore. At present they are expected to return to the United States in the spring of 1957 for furlough and deputation work.

WORK LAW DROPPED

WHEATLAND, Wyo. — Men can breathe a little easier now. Wheatland's compulsory work law has been repealed.

The old law, passed during World War I, required every able bodied man to work at some job or perform labor on the town's streets. Violators were subject to \$100 fine.

The U. N. Food and Agriculture Organization says the most serious nutritional problem in the world today is the critically low amounts of protein in the diet of a large part of the world's population.

Eastern Star Chapter Installs New Officers

New officers of the Hereford chapter of the Order of Eastern Star were installed at a stated meeting Tuesday night in the Masonic Hall.

A green and gold theme, featuring seasonal flowers, formed the setting in the chapter room in the worthy matron's colors.

The retiring worthy matron and patron conducted a short session and reported that the local chapter shared in the memorial services held by the Gainesville OES chapter for Mrs. Jennie Thompson in Gainesville last week at the funeral of Mrs. Thompson, a former member of the Hereford chapter, and one of the founders of the Gainesville chapter. Those taking

part in the ceremonies were Mr. and Mrs. B. E. Roberson, Horace Hershey and Mrs. A. L. Manjeot. Mrs. Bessie Hill Sr. presided as installing officer. She was assisted by Mrs. Gladys Manjeot, marshal; Mrs. Bruce Rose, organist; Mrs. Belle Hromas, chaplain; Mrs. Audrey Thompson, warden; and A.O. Thompson, sentinel.

Officers installed were Mrs. Virginia Patton, worthy matron; John Patton, worthy patron; Mrs. Johnnie Sanders, associate matron; O. R. Sanders, associate patron; Bill Phipps, chaplain; Deward Roberson, marshal; Mrs. Erma Pepper, secretary; Mrs. Tina Lee Roberson, treasurer; Mrs. Grace Thomas, conductress; Mrs. Hester McLallen, associate conductress; Mrs. Nell Culpepper, organist; Mrs. Argen Draper, Adah; Mrs. Catherine Moore; Ruth; Mrs. Estellene Gleaton, Esther; Mrs. Glen Walser, Martha; Mrs. Irene Holt, Electa; Mrs. Mozelle Phipps, warden and Tom Draper, sentinel.

Following the installation service, Mrs. Ludie Greeson entertained with vocal selections dedicated to the incoming matron and patron.

Mr. and Mrs. B. E. Roberson, retiring worthy matron and patron, were formally received into the ranks of past officials in a candlelighting ceremony. A short flickering taper was used to signify the end of their year of service, and they were presented with a long taper which they lighted and presented to the new matron and patron. Then they were conducted to the West and took their places beneath an arch of star points held by their retiring officers.

Mrs. Johnnie Sanders presented the retiring matron with a gift from her corps of officers and the junior past matron and patron presented their retiring officers with gifts of appreciation.

The new matron and patron presented gifts to the installing officers and told of her theme "Let your light so shine before men

that they may see your good works." She announced her colors of green and gold and named her project—to provide new drapes for the chapter room. She dedicated her year to the Masonic Lodge and Order of Eastern Star.

Following the ceremonies refreshments were served in Fellowship Hall. The table was laid with a cutwork cloth and centered with a large star made of green leaves embossed in gold and centered with yellow iris. Mrs. Deward Roberson was chairman of decoration.

Local Clubs To Take Part In Safe Driving Crusade

The General Federation of Women's Clubs will open a 10-day nationwide safe driving crusade called "Call for Living" June 29. Mrs. J. Howard Hodge of Midland, safety chairman for the General Federation of Women's Clubs, will make the first call. She will call Mrs. Theodore S. Chapman, president of the General Federation, at her office in GFWC headquarters in the national capital, to open the campaign for safe driving over the Fourth of July.

At the same time, Mrs. C. Aubrey Stewart of Ft. Worth, safety chairman for the Texas Federation, will place a call to Mrs. L. E. Dudley, GFWC president, at her home in Abilene.

Similarly, in the 48 states and in the U. S. territories where there are affiliates, federations of women's clubs, the safety chairman and presidents will signal the opening of the telephone crusade.

The President's Committee for Traffic Safety has given its approval to the clubwomen's project nationally. In Texas Governor Shivers has designated the week of July 3 as Traffic Safety Week and the movement has the assistance of the executive director of the Texas Safety Association.

The General Federation of Women's Clubs urges every club member to take part in this special event. "Last year the three-day holiday over the Fourth brought death to 348 men, women and children in traffic accidents. Thousands of others suffered pain and crippling injuries," Mrs. Hodge, GFWC safety chairman said in announcing the drive.

June 29 each member of every federated club, acting under the direction of her club president or safety chairman, will make the first of four telephone calls to friends, neighbors, or to any person listed in the telephone directory. Each call will be an appeal to drive with care and courtesy over the holiday weekend.

Each recipient of a call should be asked to call four other persons and to ask these persons to call four others with the same appeal to drive safely. The chain of calls thus set up eventually will reach millions of persons with the appeal of safe driving.

Members of local federated clubs are planning to participate in the safety crusade and all other clubs are urged to assist. The federated clubs are the Bay View Club with Mrs. George Heard president; the Pioneer Study Club with Mrs. Ray Johnson president; and the LaPlata Study Club, Mrs. W. J. Krumbein president.

At The Movies

The sensational book that revealed to the world that space travel can be realized today has been turned into the movie, "Conquest of Space," which shows Wednesday and Thursday at the Star Theatre. Based on the startling work by noted astronomers, the Technicolor thriller is a giant step beyond the realm of science-fiction. It is more than a fascinat-

ing look at the mechanics of space travel. It is the remarkable story of the men for whom the machines were built, of their rigorous training, their personalities as the training reveals them, their private lives, their families, their hopes and fears on the eve of flight toward an adventure no man has ever faced before.

"Abbott and Costello Meet The Mummy"

Universal - International's new comedy, "Abbott and Costello Meet The Mummy" shows Sunday and Monday at the Tower Drive In Theatre. Modern-day Egypt is the background for the movie. Seen as two stranded Americans in Egypt, Bud and Lou inadvertently become involved in a search for the Sacred Medallion of the Mummy of Klaris. Showing Tuesday and Wednesday at the Drive In is "Gypsy Colt" starring Frances Lee and Donna Corcoran.

Mrs. Vivell Zumwalt and Wanda and Mrs. R. H. DeLancey returned Wednesday night from California where they have been visiting with relatives for the past two weeks.

Mr. and Mrs. D. W. Allmon were in Brownfield Wednesday visiting with relatives and attending to business.

Guests over the weekend in the Alvin L. Williams home were Rev. and Mrs. Roy F. Drumm and children, Daisy and Roy, and Nan-

cy Caraway of New Orleans, La. Vicki La Foon of Ft. Worth, Larry Wiggins of Nacogdoches, Rev. and Mrs. James B. Singleton, Bobby and Ricky and Rev. and Mrs. L. A. Singleton both of Ft. Worth. The United States exported 37 million pounds of flue-cured tobacco in 1954.

It Will Take More Than A Guaranteed Wage Scale To Satisfy U.S. Workmen

During the past week America has carefully followed negotiations and final settlement between the labor unions and two of the nation's leading automobile manufacturers. The controversy hinged chiefly around union demands for a "guaranteed annual wage" and, regardless of compromises, did reach a settlement which leans far in the direction for labor.

The settlement within itself is not too important, but we do feel that the trend or pattern, set through industrial concessions is the forerunner of great changes to be seen in the United States during the next two decades. All of the arguments, all of the propaganda, and all of the negotiations were based on a background of economics while, in our opinion, the real question is definitely one of social origin and is based on the human desire for security.

Furthermore, we will predict that the current settlement is merely a forerunner of far more vicious controversies. This will be due, chiefly, to the fact that the workers do not actually realize their own basic troubles or needs. Texas school teachers, for instance, with a nine-month work period faced the same problem and, in most places, now operate on a twelve-month pay period. Yet the school teachers in 1954 waged a wide-scale organized

movement for increased basic pay. This issue, too, was compromised and, as time passes, will again appear in the news columns, possibly during the next twelve months.

Down through history there has never been a formula which completely satisfies people. Some executives contend that a satisfied man is beyond the point of production and progress, and this argument has its merits. Perhaps the Supreme Being instilled into the human race an urge for continued improvement, which can most easily account for the difference between the human and the animal kingdoms. To say the least, had the stone-age citizens been completely satisfied we would still be living in caves rather than in air conditioned homes and offices.

On the other hand, the United States in a brief 300 years has jumped from a frontier status into the leading manufacturing and industrial nation of the world. Most of us are so busy with complicated, current day problems in a complex civilization that we are prone to emphasize economics while social sciences take a back seat in our march of progress. Meanwhile nations like England, Germany and Italy have consumed thousands of years in reaching a lesser industrial status and, they too, are faced with social problems, although possibly in a lesser degree.

The mad rush in the United States has too often caused both labor and management to ignore the principles found in the Golden Rule as the country leaped from babyhood into an industrial giant. Selfishness on both sides has caused the swinging pendulum to stop often at the point marked "Injustice."

Both sides create considerable fanfare over the fact that America is a nation founded on Freedom, but seldom do we hear them emphasize the fact that the nation was also founded, nurtured and has prospered on the basis of Religion. It was a combination of the two, "Freedom and Religion," which brought the United States so far, so fast. When both labor and industry recognize this fact, basing the settlement of their differences on the Golden Rule then, and then only, will the United States have made a real forward stride in settling a controversy with which both sides now stand to destroy a great civilization.

Little Comment On School Bond Vote

Coming as no surprise is the announcement that the Hereford Rural High School District will hold a \$325,000 bond election on June 28 to provide funds for construction of a new elementary school in Hereford.

In addition to trustee surveys, a Citizen's Committee has also investigated school conditions, visited other communities and has reviewed building possibilities. The voting majority of both the Board of Trustees and the Citizen's Committee, after making these surveys, apparently agree that the proposed \$325,000 building — 16 classrooms, a clinic, and combination gymnasium-cafeteria — is what Hereford needs.

We are sure there must be some controversy concerning the project but, to date, we have heard none — either for or against the new building. It is possible that citizens and parents, still smarting under the inconvenience of church classrooms in 1954, have aroused to the importance of our schools keeping stride with the area's growing population. It is also possible that interest may pick up as the election date draws nearer.

All of us know, however, that Hereford MUST HAVE A NEW GRADE SCHOOL. We know that a delay may send our children back into the churches in 1957. We have studied recommendations from a select group of leaders who have carefully investigated conditions. Variations from these basic facts will, of necessity, represent personal opinions which can be settled only on a "majority rule" election.

Based on these conclusions, therefore, it is highly probable that the bond issue will pass — by a good majority — on June 28.

You Can't Win!

In the course of human events, things sometimes appear to become a bit gargled as people strive to reach some coveted goal only to discover that they had a pretty good deal before they started.

Right now we have in mind the growing interest in youth camps, such as those sponsored by Camp Fire, Boy Scout and numerous Church groups. The grandparents of most of these boys and girls were striving to get away from such conditions, and lived chiefly for the day when they could move out of their tent or half-dugout into a real, wood or brick house. The parents of these children went right along with the idea, too, and have happily swapped their "Chic Sale" accommodations for modern plumbing.

In the same category falls the ever-growing "Do It Yourself" craze. People are building furniture, making boats, and applying their own paint. In the cities quite a few are constructing their own homes. The trend, of course, is in direct contrast with assembly line production and specialization which made possible the 40-hour week and created enough spare time for the craze to get into full swing. The final outcome: people start working with their hands, just as they worked before the machine age.

These rider's clubs and sheriff's posses are another example. The same old boys who used to gripe their heads off when they had to ride a horse to school, or after the cows, now travel home from work at break-neck speed in their automobiles — just so they can salvage a few additional minutes to ride their horses. A certain Chinese philosopher used to marvel at the fact that American women put ice in hot tea, sugar in sour lemonade — and cry when their daughters got married. Maybe the old boy had something. One thing is for sure though, "You just can't win."

QUESTION OF THE WEEK

Youngsters' Hero Worship Of 'Davy' Gets Firm Okay

Do you believe that hero worship, such as today's youngsters have for Davy Crockett, is harmful or beneficial?

MRS. IRVING ALEXANDER

I don't believe it hurts them. Children are prone to idolize something and I think that is all right.

MRS. RICHARD BARNARD

I believe it is all right, even healthy for the child if the hero is a good person as I believe Davy Crockett must have been, but I don't believe the children would care so much about it if it were not for the way it is commercialized by the grownups and businesses.

MRS. JACK BRADLEY

I don't believe it is harmful to them so long as it is a person that has done some good rather than some one who hasn't.

DON ROOT

Children have always gone through the stage of worshipping some one like Davy Crockett. I don't believe it is harmful to them as long as it is someone good that they worship.

MRS. RAY COWSERT

I can't see that it would be harmful as they must get a lot of enjoyment out of it. Also Davy Crockett is a person that it would not hurt them to idolize.

BILL FRIZELL

I think it is beneficial to them because kids need someone to idolize and look up to so long as it is good.

MRS. J. R. FOWLKES

I think they get a lot of fun out of Davy Crockett. I would much rather it would be him than some of these characters they get out of a funny book. Also I think it is just a passing fad that will wear out.

MRS. W. H. FOGLE

Since Davy Crockett did have some good traits I believe it would be beneficial in that way; but if he did not have some good qualities, I believe it would be harmful to the children.

'Tater Peelin's

by Roberta Campbell

We are in the give-away business this week. First we have a big hive of bees in the kitchen wall that we would like to pass on to someone who likes honey well enough to take them out.

They are such busy little fellows that we hate to kill them but we are tired of having them come out in the kitchen when we are cooking and washing dishes. This is the third year they have been living with us and since we haven't been stung a single time yet this summer we would like to part with them on friendly terms. However, if anybody wants them they will have to get them this week.

Our seven little pups that lost their mother are big enough to eat and we would like to find homes for them somewhere in the county where they will be taken care of. They are part collie and will be good stock dogs if they are like their kinfolks. We should be an authority on canines as we only have 11.

There is also the possibility that we could be persuaded to part with three of our four pretty little kittens, weaning size. Buster is so fond of one that we wouldn't have the heart to ask him to give it up even if the mother cat is all the mouser we really need. She has done such a good job that a mouse is almost as rare as an elephant around our place lately.

Looks as if the Civil Defense chairmen will have to train people to dig a fast foxhole wherever he happens to encounter a shower, if these tornado warnings continue.

Community Builders

By MARGARET ALSTON

Born and reared 10 miles west of Hereford on his grandfather's farm, Kenneth Rudd has always lived in Deaf Smith County and likes it. He is not only a farmer but is also a civic leader, although he prefers to be the "Indian" rather than the "chief," as he says there are already too many people ready to be a "chief."

Kenneth was born Jan. 3, 1926 in the Westway community where he attended the rural school. In 1943 he graduated from Hereford High School and the next year he entered the Air Force. He was stationed in the United States and got his discharge one year later.

The first and only work for Kenneth was farming and ranching for his dad and himself. On his farm 13 miles southwest of town in the Westway community, he has 620 acres under cultivation, which he planted into wheat and milo. He also has 300 acres of scratch on which he has Whiteface cattle.

At the present he is interested in the Pan-Tech Beef Improving Program and the Progeny Testing Association.

Kenneth was on the first water board of directors for three years for the Underground Water Conservation District for the county. He, along with two other men, started the Board, which is now carried on in a different manner, but is basically the same program.

A member of the Lions Club, he is past vice-president and an active member. He also belongs to the Farm Bureau and the American Legion. Kenneth is a member of the Methodist Church.

The most interesting and beneficial activity of which Kenneth participates is that of politics. At the present he is the chairman of the Republican Party in Hereford.

Like the average American, Kenneth loves sports, especially football, which he likes to play. He would much rather participate in a sport than be a spectator.

Another hobby is reading. He prefers books on geology and history and like periodicals pertaining to farming.

Kenneth is married to Miss One-ta Faye Sims. They were married Aug. 15, 1948 in Odessa and have two little girls, Teiessa and Susanne.

Kenneth believes that we can never attain a school system that is too good. He believes also that we should have the best schools and the best people to run them as getting an education is one of the most important things we can obtain.

He also says that Hereford needs a place for the people, young and old, to meet and do things together.

"These things are necessary for the progress of Hereford," stated Kenneth Rudd, "and the best way to get them is to work for them."

ADS FOR CURRENCY?

LOUISVILLE, Ky. (AP)—Mrs. Ivy Baker Priest, treasurer of the United States, in Louisville for a speech, said she gets many suggestions about the nation's money.

One man told her he was tired of the huge national debt. Why not, he asked, just print currency on one side and sell the other side for advertising?

Another person wondered why women's portraits do not appear on currency. Mrs. Priest said dollar bills once had a picture of George Washington on one side and his wife Martha on the other.

But this was discontinued, the treasurer dead panned, because really "you shouldn't let money come between a man and his wife."

HERO CHAIR

A Davy Crockett TV chair, Junior size, is a new idea inspired by the famous frontiersman. It is a folding type made of aluminum tubing and canvas with a screen painting of Davy adorning the seat. It is available in red or blue with white and black with yellow.

PRIVATE PROPERTY!

RALEIGH, N. C. (AP)—Sen. John Shuford introduced a bill in the General Assembly which would impose a \$10 fine of motorists who park in private parking lots clearly marked with the name of the person to whom the space is leased.

The senator was peeved because he frequently found his space taken in the Capitol lot.

FLOATING HOBBY

IONIA, Mich. (AP)—Oren E. Shattuck, Ionia County Circuit Court bailiff, is a one-man production line when it comes to boat building. As a hobby, Shattuck has built 500 fishing boats since 1936. They usually go at about \$85 each to friends and boat liveries.

BEAUTY TREATMENT?

DALLAS, Tex. (AP)—Judy Moon, "Miss Dallas of 1955" eats a pint of ice cream for breakfast daily.

Some disabilities which have been attributed to old age may be caused by scurvy a study made in Glasgow, Scotland, indicates.

BROOMCORN PLANTED

Two farmers near Farwell are known to have planted broomcorn as a cash crop this year. They are Ollie Williams, who has 80 acres, and Dee Owens, who has 75. Both farm north of town. It is the first large-scale broomcorn production in the immediate vicinity for years, and may possibly be the first produced in Parmer County for a decade. Williams, when contacted the first of this week, was optimistic about prospects for the unusual commodity, which has been long grown around Melrose and Fort Summer and to the west of here.

SHIN-OAK TAKES TOLL

Shin-oak, or shinnery as it is known locally, has been taking a heavy toll of range cattle in Hemphill county and adjoining counties in recent weeks, County Agent Warren Pickens reported this week. Pickens estimated that well over 100 head of top cattle have fallen victim to the shinnery poison during the past month in this county alone. The loss has been much heavier in Wheeler County and in Beckham and Ellis counties in Oklahoma. Shinnery is deadliest when it is in the bud stage, Pickens said, when the leaves are small and light green in color. The young shinnery leaves have a high content of tannic acid.

SPUR HIT BY HAIL

The worst hail in years hit the town of Spur last Friday afternoon about 4 p.m. The town is saturated with all kinds of insurance adjusters and roofing salesmen. The hail could have been much worse had it taken any other course. It was about two miles wide and 25 miles in length. It carried a 100 percent crop damage from start to finish, but possibly there was no more than 1,000 to 1,500 acres of cotton and small grain lost in this strip, since the bulk of the land was ranch country.

MOORE COUNTY HAS GRASSHOPPERS

Grasshoppers have been found in large numbers in both the south and eastern portions of Moore County, according to Martin Gossett, county agricultural agent. At the present time the infestations are found in concentrated areas. Most severe infestations are found in low places and along fence rows. When infestations are not controlled while the hoppers are still young, severe damage may result to land and crops. Hoppers are still hatching rapidly as a result of the recent rains and severe infestations may occur.

The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher comes up with an idea this week which will work about as well as any of his.

Dear editor:

As everybody knows, every governing body in the country, from towns to cities to state legislatures to Washington, is struggling with the problem of a new source of revenue, a city or state is sort of like a family, it just costs more these days to run one, but nobody much seems to be making any headway in figuring out the answer.

I have been giving considerable thought to the problem out here lately, the worse a crop needs working, the easier I find it to think, and I have come up with part of an idea, at least.

The trouble with people in this country is they're just not Continental in their approach to the matter of a new source of revenue, which is an odd thing. That is, we know how to look to Europe for a lot of things, take fashions, for example. Every year American women hold their breaths to see what some Frenchmen will decide, they ought to wear, and if the French idea on fashions is good enough for us, why shouldn't the French idea on financing the government work too?

When France runs out of money, what does she do? She takes the Continental approach, which is to say, she sends whatever Premier she has at the time to Washington, sends him by air so he can get there and back before some other Premier is elected to take his place, and he swings a loan.

All right, why can't we do the same? Our Secretary of State is flying all over the world anyway, why couldn't he drop in on France or England or Spain and say, look, we're in something of a financial bind at the moment in America, can't get our budget balanced, two-thirds the cities can't find enough money to pave some worn-out streets, sewer lines need extending, water mains leaking, don't have enough cops and can't pay the ones we got enough, half the towns need new fire trucks, etc., how about loaning us say 50 billion dollars? We'll pay you back when the crops are in this fall or sooner or later anyway or give you some notes we've got from a few foreign countries ourselves as security. Now I'm not figuring on seeing any new fire trucks bought from this source, or water mains patched or streets paved, but it's an idea, anyway.

Yours faithfully,

J. A.

We had a pretty big turnout for the table tennis tournament, which is being sponsored by The Brand. Twenty entered the mens' division and 13 the boys.

And in the mens' division, whoever wins will certainly deserve it. Of the 20 entered, any one of 12 men would not be surprise victors. Thus when we took it upon ourselves to seed the first four places in the tourney it became exceedingly difficult.

Especially from the stand point that one of the entries is our boss. But actually what led us to seed Pat Sullivan first is the fact that our friend Johnny Winkler refused to be seeded higher than second. He claims that that places a jinx on him. Pat Sullivan warned us that if we seeded him first not to match him against Winkler in the first round.

And now that we have seeded

the first four places, we expect that some of our predictions will prove correct. That's the usual result when we venture so far as to do such a thing.

Couldn't get Melvin Young or Wayne Stark to enter. They said that they didn't want to spoil the tournament by beating all the best players in the first round. Maybe it's just as well they didn't enter. We wouldn't want anybody to believe that we eliminated a teacher by irregular means, nor would we want anybody to believe that we are trying to get a good English grade next year.

In the boys' division, there are not quite so many entries, but to win, it will still be a rough patch to hoe. As we have stated before, our predictions put Donald Zim-

merman on top, but Bill Callaway, Danny Elliston, and Taylor Sims will all give rugged competition.

The Knights of Columbus have finally been uprooted from their toehold on first place. Piggly Wiggly was the villain. They completely and soundly clobbered the Knights 18-8 Tuesday night. Hotel Jim Hill, who trounced The Popular Store team, now are lodged in first place at the time of this writing. They are only one-half game in front of Piggly Wiggly and the two teams made battle Friday night. Should be quite a tangle.

Enjoy cooled, filtered air for less than you think with Buick's AIR CONDITIONER. It's a genuine Frigidaire

They're making it the **BIGGEST-SELLING BUICK OF ALL TIME**

Maybe you'd better see for yourself why folks just won't do without this great car

P EOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and who have moved Buick more solidly than ever

into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car? Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

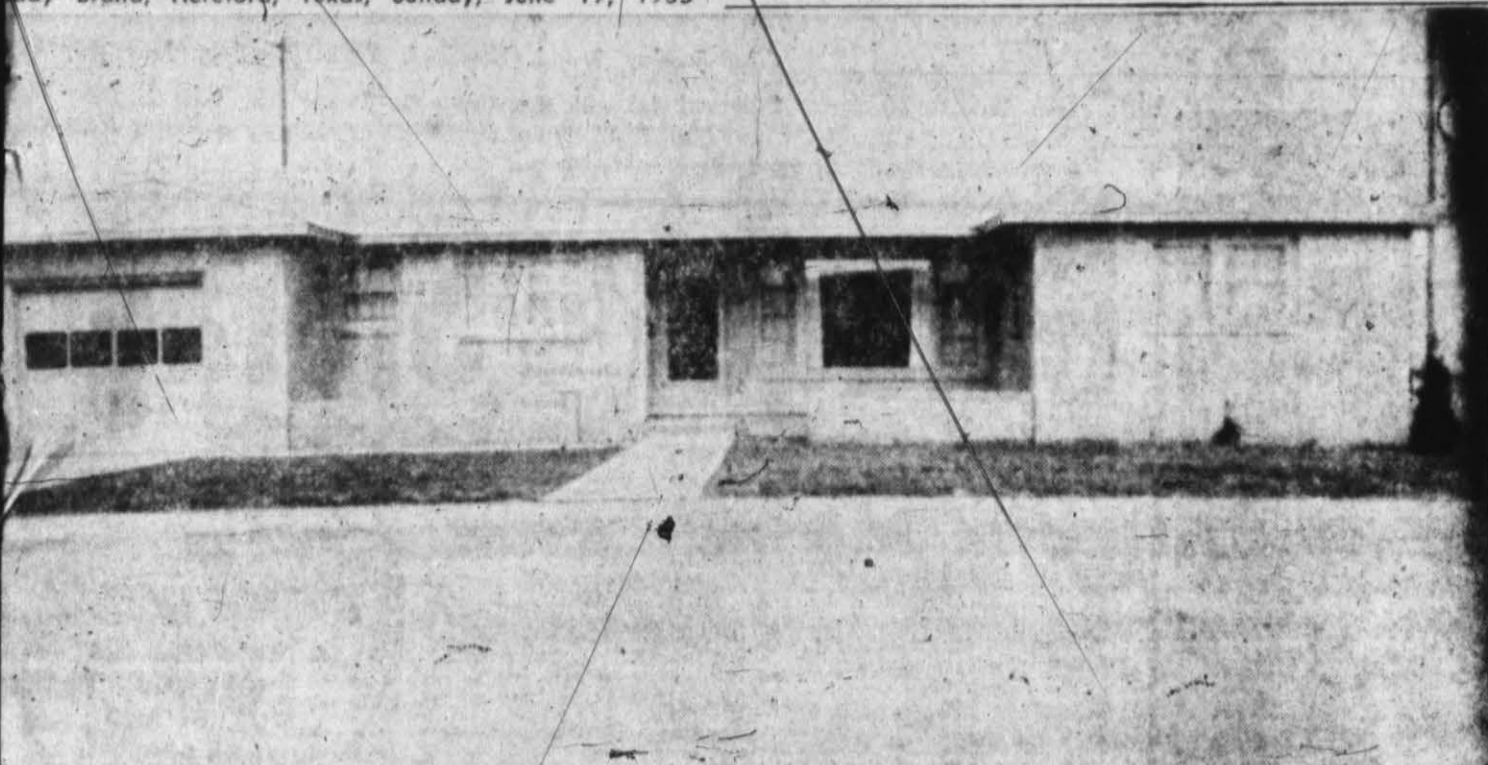

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo® where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

Thrill of the year is Buick KINSEY-ROBERSON BUICK CO.

Hereford Semi-Pros Are Victims Of 18-5 Defeat

By BILL KNOX
Hereford semi-pro team unexpectedly rough Wednesday night as they took a notch 18-5 by Tulia. Love, mound ace for the team, gave up seven hits but never was in serious trouble. Tulia's lead threatened after the second inning. Ken Brock was the only one who had a successful night with Grubby's offerings. Brock lashed a single, and in the fifth inning he uncorked a mighty blast over the right-center field fence for his first round-tripper of the year. However, Tulia had no trouble in very thoroughly clouting three Hereford pitchers. Onias Carroll was the starter, but he never could master his control. He was thumped around very soundly before being removed in the second. Jelly Hagar relieved Carroll in the second and met with a bit more success, but his stint was also brief. Terry McRight entered the game in the fourth and after a flashy start gave up five runs in the fifth. Love fanned 11 men and was never bothered with wildness. He gave up only one walk during the entire contest. The seven hits he gave up were fairly well scattered, not more than two coming in any one inning. He struck out the side twice. Tulia wasted no time in the run-scoring department. Kleman, the lead off hitter, bounced a "Baltimore chop" over third which went for a double. He stole third and scored on Lacy's long fly ball. But the lead was short-lived. Taylor Sims reached first on Campbell's error, but Brock and Corbett both went down. Then Burrus clouted a single to score Sims. Albracht lashed another single, and the second run scored when Campbell erred again, this time on Suttle's grounder. The nine runs scored by Tulia in the top of the second gave them an unsurmountable lead and Hereford never approached it. They collected only one base on balls

at this time, but Hereford made four errors and Tulia pounded out six base hits. Hereford was blanked for the next three innings, but Tulia poured on two more in the third. A triple by James Lacy with two on, drove the two runs across. Then, after being blanked in the fourth, Tulia pushed across five tallies in the top of the fifth. McRight walked the first batter, and the next three all got singles. He fanned one, but Wade came through without another single. Campbell walked, but McRight made "duck soup" of him by picking him off first base. Kenny Brock's homer in the last of the inning made it 17-3, but Tulia rounded out the total 18-5 by picking up one in the sixth. Singles by Webb, Rogers, and Lacy poured in across. Hereford scored their last two runs in the sixth. Callaway led off with a single and Brock walked. A complete fielding lapse by Tulia sent the runs across. Grubby Love having nothing to do with the matter because he struck out the side.

Pigs Knock Off KC's To Earn Shot At Hotel, And League Lead

By BILL KNOX
Piggly Wiggly knocked the KC's out of first place with a resounding 18-8 triumph while David Miles won a one-hitter for Hotel Jim Hill as they thundered past the Popular Store 16-0 to gain undisputed possession of first place.

The Pigs' victory lifted them to second and dropped the KC's into third. Jim Hill now occupies the top spot with a 7-1 record, one half game ahead of Piggly, and one full game in front of the KC's. They are three games ahead of Summerfield.

Don Morgan never mastered his control for Piggly Wiggly, but he failed to get out of only two innings without allowing a run. His teammates built a big lead behind him, scoring in four different innings. The Pigs never were seriously threatened.

After the first three batters had taken their turns for Jim Hill, it became evident that the Popular Store was no match for them. David Miles hurried masterfully, not giving up a hit until after two were out in the last innings. Jim Hill banged out 14 hits.

The KC's threatened mildly in the top of the first, but a quick double-play dispelled any chances of their scoring a run. However, Piggly Wiggly did things in a big way. They denied the dish with 10 men, but they got only two hits, both by Taylor Sims. Kenny Walterscheid helped considerably by

giving up nine walks. But the KC's cut the margin in half in the top of the second. The first two men walked, and after Kersnen had struck out Koelzer came through with a two-run single. Walterscheid also fanned, but Peters walked and Fangman drew life on Brock's error. Duane Albracht scored all three with a double.

Piggly Wiggly was the next team to score, racking up two more runs in the last of the third. Both were directly accountable to Raymond Dement's fourth homer of the year with one mate aboard.

The Pigs kept pouring it on, picking up two more in the fifth and four in the sixth. The two runs in the fifth came on a two run homer by Raymond Lueb, and the four runs in the sixth came on two errors and three consecutive doubles by Dement; Lueb and Corbett.

Trailing 18-5 going into the last inning, the KC's picked up three runs in the seventh in a desperate rally attempt. Piggly Wiggly committed two errors and three singles by the Knights pushed the runs across.

Kenny Walterscheid was dealt his first setback in six starts. His record is now 5-1. The winner, Don Morgan, now has a very fine record of seven wins and two losses. Jim Hill's victory over the Popular Store in the second game lofted them into first place; one half game in front of Piggly Wiggly.

The two teams meet tonight in an all-important game which will decide who will occupy the top rung in the ladder.

MOST Modern V8 FOR YOUR JOB!

NOW...THE SHORTEST STROKE V8's IN ANY LEADING TRUCK!

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines* with an ultra-short stroke for reduced friction and wear. Here are some of the modern features they bring you.

Modern 12-volt electrical system
You get double the punch for quicker starting and more efficient ignition. Also, you have a greater reserve of electrical power.

Gas-saving high-compression ratio
With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas. Hauling costs go down!

Extra-high power per pound
Compact, super-efficient design results in high power output per pound of engine weight. This means more useable power!

STROKE 3.0 BORE 3.75

Note that the bore is bigger than the stroke!

Advanced aircraft-type valves
A new valve train design permits each valve to function independently—as in modern aircraft engines. Valve action is more positive.

Floating oil intake... full-pressure lubrication
New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication provides positive protection.

*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.
