TYPICAL EASTER EGG HUNT—What would Easter be without traditional Easter egg hunts? The hunt above was a typical one around town this week. Pictured are Patsy Rudd, Maul Rudd, Susan Rudd, Nita Gayle Merritt, Cathy

Woodward, Anetta White, Kay Clearman, Sheila Rae Awtrey, Rhonda Kay Awtrey, Wayne Wingert and Jeffrey Lynn Shiply. They are members of the nursery class at the First Methodist Church. (Staff Photo)

County Grasshopper Meet To Be Held Here Tuesday

Area ranchers and farmers will meet here Tuesday night to draw plans for an all-out war against grasshoppers.

The pow-wow was announced on Saturday by County Agent Hugh Clearman, who recently returned from an area-wide meeting in Amarillo where county agents and ranchers from 10 counties were told that the Panhandle area faces a severe grasshopper plague this year.

Clearman said that John Landrum, area grasshopper control supervisor from Waco, would be guest speaker at the meeting. He urged all persons interested to attend the meeting, to be held in the courthouse beginning at 8 p.m.

He said Deaf Smith County is in an area where grasshoppers are expected to number from 14 to 28 hoppers a square yard and deal "heavy damage to range and crops throughout the season."

The County Agent said that as in the ease last year, rangeland is expected to be the hardest hit. He said grassland would probably take a severe beating if the hoppers were not knocked out soon after they hatch out.

Clearman explained that soon after the long-legged insects are hatched they are very easy to kill. "The older they get the tougher they get," he said.

Clearman said that cost of spraying is 60 cents an acre. He said that John White, commissioner of agriculture in Texas, told delegates to the Amarillo meeting that the Agriculture Department was unable to get any appropriation to aid in grasshopper control work, and went on to say that any state aid for a large scale control project will have to come from the governor's emergency disaster fund.

The federal government will pay one-third of the cost under its present program on large-scale aerial spraying projects on ranges, including cultivated lands, the coun-

ty agent said. New Mexico, Colorado and Oklahoma all have made special appropriations for the fight and will pay another third. That means ranchers in those states can spray for 20 cents an acre.

It will apparently cost Texas ranchers 40 cents an acre, however. Clearman said that the speaker Tuesday would be able to answer almost any question concerning grasshoppers.

Hope For Better Milo Prices High

Deaf Smith County farmers—like almost everyone else in the United States and probably the entire world—were still scratching their heads Saturday and trying to figure out what the results of the Senate-House conference committee meeting on the controversial farm bill would be.

After junking the administration's flexible price support system, the committee had grain sorghum growers wondering what the results would be as far as small grains are concerned. Cong. Walter Rogers partially clarified the situation in a telephone conversation with Chamber of Commerce Manager Bill Lenderman this week.

Here's the way Rogers explained the grain sorghum producers' situation at present: By supporting corn at 95 percent of parity in commercial areas, the price would be \$1.83 a bushel. Corn in the non-commercial area would be supported at 85 percent of that grown in the commercial area, providing farmers complied with regulations to lay out 15 percent of their acreage. Small grains then, would be supported at 85 percent of what corn grown in the non-commercial would bring, providing growers laid out 15 percent of their acreage, based on a two or three year history.

Rogers said, that based on these figures, grain sorghum would be supported at \$2.62 per hundredweight at the farm, with a net to farmers of \$2.46 per hundredweight at the elevator. He pointed out that the bill could be changed again before it gets out of the committee, however. And once the bill gets the approval of the committee it must still be approved by both houses and faces a possible Presidential veto.

According to Association Press releases, the committee dealt the administration another blow by approving a two-price plan for wheat, effective in 1957. Still a third price—90 percent of parity—would be effective this year, the AP says.

The AP release stated that the two-price plan for 1947 provides that if two-thirds of the commercial wheat producers approve in a referendum, all wheat produced for human consumption in this country would fetch a guaranteed price of 100 percent of parity. The balance would be allowed to seek its own level in export and other markets. About half of the wheat crop is used for food.

Both the two-price plan and the 90 percent plan would mean more money for the wheat growers, whose crop is now supported at 75 percent of parity.

Mrs. Nancy Hunter Buried Monday In Albuquerque, N.M.

Mrs. Nancy Catherine Hunter, 82, passed away at her home here last Sunday, after an illness of several months.

Funeral services were held on Monday in the Rose Chapel at Gilliland Funeral Home with the Rev. H. V. Fields of the Grace Gospel Church and the Rev. Don Root of the First Christian Church officiating.

Services were also held Tuesday at the French-Fitzgerald Chapel in Albuquerque with the Rev. Pope officiating. Interment was in Albuquerque, N. M.

Mrs. Hunter was born July 10, 1873 in Neoga, Ill. She married Howard B. Hunter, deceased, Jan. 9, 1898 at Neoga, Ill. They came to Deaf Smith County in March of 1909 from Neoga, Ill. Mrs. Hunter was a member of the Bible Chapel at Albuquerque.

She is survived by one son, John H. Hunter of Hereford; two daughters, Mrs. D. Y. Edwards of Hereford and Mrs. H. F. Powers of Albuquerque; three brothers, Clarence Smith of Champaign, Ill., Willie Smith of Ridgefarm, Ill.; 13 grandchildren and 17 great-grandchildren.

Gilliland Funeral Home was in charge of arrangements.

It's Dollar Day Time Once Again

It's that time again! Monday is Dollar Day in Hereford.

From a sneak look at advertising copy going across the advertising manager's desk, it looks as though this will be the traditional after Easter sale, all wrapped up with Dollar Day specials.

As one merchant put it: "Look What You Can Get For \$1."

Smith Leads Thinclads In Assault On Records

By BILL KNOX

PANHANDLE—Talented Wayne Smith led an all-out assault on the record books in the qualifying rounds here Friday afternoon and Saturday morning by establishing new records in the 100 and 220 yard dashes and helping set the stage for a terrific battle between Hereford and Dumas for the team championship.

The agile Smith stepped the 100 in 9.9 seconds and clocked off the 220 in a brilliant 21.5 seconds. The old record in the 100 was 10 seconds flat, set by Duke Frisby of Memphis and Floyd Bentley of Panhandle in 1954. Frisby also held the record of 22.2 in the 220 yard event.

Hereford—probably the only team entered which doesn't even have a home track to practice on—qualified at least one man for every event except the 800 yard dash. The herd quickly jumped from a darkhorse position in the ratings to that of co-favorite in the 32 team meet with their unexpected showing in the qualifying rounds.

A total of six new records were hung up during the hectic day's runnings.

James Shurbert of Falls and Charles Neblett of Canyon toppled the old record in the 120 yard high hurdles with a time of 15.3. The old record was 15.4 seconds. G. C. Merritt qualified in the event with a good 15.8.

In the 440 yard relay three teams broke the old record, one tied it and still another was just a tenth of a second off the pace. Springdale won the event with a time of 45.2 seconds to topple the old record of 45.8. Dumas finished second with a time of 45.3. Plains hung up a 45.6. Panhandle finished in 45.8 and Hereford was clocked at 45.9.

Harley Adams of Canyon stepped a full second off the old 800 yard dash record. He won the event with a time of 2:07.9.

In the mile relay, two teams—Dumas and Phillips—broke the old record of 3:42. Dumas was timed at 3:36 and Phillips finished second with a 3:41.8 timing. Hereford qualified for the finals with a time of 3:50.5.

Other Hereford trackmen who qualified included Pat Elliston in the 100 yard dash, Dick Larsen in the 220 yard dash, Bill Drake in the 440 yard dash, and Larry Rickman, a freshman ace, in the mile run.

Rickman came within a tenth of a second of winning the mile event, finishing second with a time of 5:01.4.

Finals in the tournament were expected to be completed late Saturday.

BENSON BOOTED

Political Survey Made By Students

A group of eighth grade students at Stanton Junior High School went into the political poll business themselves this month, and if results of their work can be used as a yardstick, President Eisenhower will not carry Deaf Smith County in 1956.

Headed by Jane Pool, a total of 79 civics students participated in the poll.

They questioned 401 people and out of 395 who answered the ques-

tions asked they found that 131 favored Eisenhower for another term, 196 were against him and 60 were undecided.

The poll resulted from an argument about the President's popularity and the question of whether or not he would keep Ezra Taft Benson as secretary of agriculture if he were re-elected.

The poll takers found that Benson is probably the least liked man in Eisenhower's administration. Three hundred and two of those interviewed opposed him, 58 favored him and 35 were undecided.

Of the 401 persons interviewed, 279 were Democrats, 49 were Republicans and 73 were independents. Fifty-nine of those questioned said they had not paid their poll tax.

One hundred and thirty-six of the 279 Democrats said they voted for Eisenhower in 1952, but only 64 said they would vote for him

Virgil Dodson In Race For Precinct One Commissioner

Virgil E. Dodson this week authorized The Brand to announce his candidacy for the office of Commissioner of Precinct 1, subject to action of the Democratic Primary.

In making his announcement, Dodson said that he has recently rented his farm and, if elected, will be in a position to devote all of the time necessary to fulfilling the duties of the office.

Mr. and Mrs. Dodson moved to this county in 1936, since which time he has been engaged in farming in the area. Prior to this time both he and Mrs. Dodson had been engaged in school teaching in the Panhandle.

A native of Floyd County, Dodson has spent practically all of his time in the Panhandle, except for a year and a half in the U. S. Navy in World War I. During re-

(Continued On Page 2)

Sowell Granted \$1641 In Suit

A three-man special commission Friday awarded Chas. R. Sowell \$1641 in a condemnation hearing involving Deaf Smith County.

The county had filed a condemnation suit against Sowell to gain property near the Highway 51 railroad crossing which will be needed for the railroad underpass. The county had offered to pay approximately \$1200 and Sowell had asked \$1800 for the property.

Either side can appeal the decision within 10 days.

John Anderson Dies Thursday In Phoenix, Ariz.

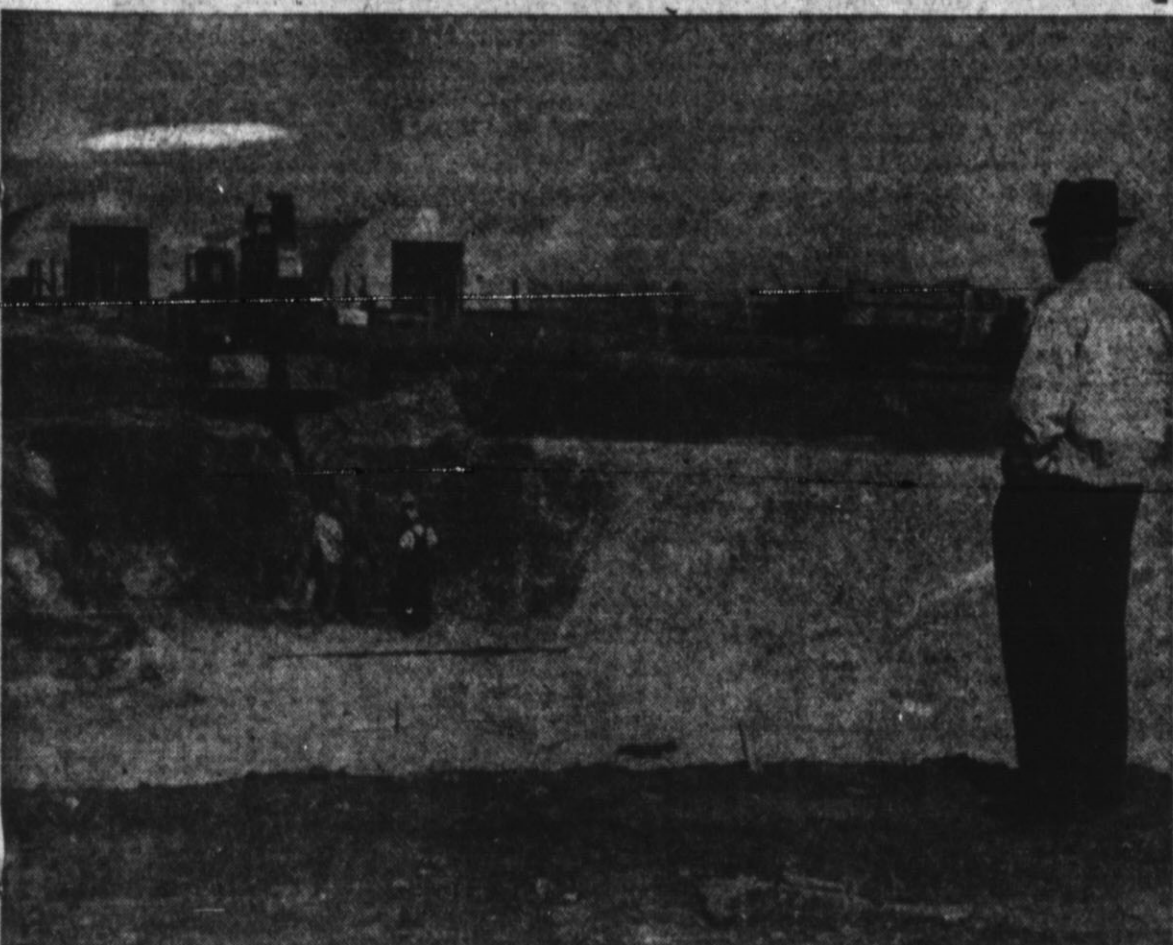

Funeral services for John A. Anderson, 69, who died Thursday at the County General Hospital in Phoenix, Ariz., after an illness of 10 years, were still pending Saturday.

The services will be held at the Avenue Baptist Church at 3 p.m. Monday, with the Rev. Grady Allison officiating. Interment will be in West Park Cemetery.

Mr. Anderson was born Dec. 25, 1886 in Texas.

He is survived by one son, John M. Anderson of Calipatria, Calif.; one daughter, Mrs. Martin Campbell of Hereford; four brothers, N. A. Anderson, Tom C. Anderson of Levelland, R. D. Anderson, and W. S. Anderson of Levelland; and four grandchildren.

Gilliland Funeral Home will be in charge of arrangements.

BIG HOLE—Consulting Engineer Red Smith of Lubbock looks over the hole being dug by workmen in the south part of town for the new one million gallon ground water storage

tank. The tank will be one of two new storage facilities being built here. Smith said work was progressing on schedule. (Staff Photo)

EASTER TRADITION—Easter wouldn't be Easter without the annual cantata given by a local music club here. This year

the Music Study Club presented "The Resurrection" by Manney, under the direction of Mrs. C. W. Parker (Staff Photo)

Privilege Cards Awarded To 195 Hereford High Students

Seniors headed the privilege card list again for the fourth sixth weeks in Hereford High School, with 96 cards issued to them. The Juniors followed with 50, Freshmen with 48, and Sophomores with 41. A total of 195 privilege cards were issued to HHS students.

Seniors issued privilege cards are Bill Albracht, Frances Andrews, Jimmie Dale Auten, Robert Baldwin, Juanita Bean, Tony Benson, Norman Bookout, Charles Brown, Darlene Cagle, Jackie Campbell, Paula Corbett, Sylvia Cox, Frankie-Gulpepper, Carl Covington, Key Crawford, Robert Davis, Sybil Davis, Della Ruth Dow, Earle Dean Gandy, Marlene Gilliland, Jack Hagar, Dolores Hernandez, Marie Hunter, Carolyn Inman, Lynn Jones, Mildred Kelley.

Ted Moore, Jage Newsom, Mildred Paul, Molly Price, Altona Ritcha, Jack Rogers, Jerryce Roland, Beth Scott, Ed Schroeter, Marilyn Sigle, Taylor Sims, Sue So-well, Carroll Sparks, Sue Springer, Sandra Story, Loretta Strafuss, Christine Thomas.

Bob Veigel, Carlynn Williams, Shirin Wiseman, Bill Woodford, and Mary Ann Young.

The Sophomore list is: Godfrey Baldwin, Gerald Brooks, Joan Brown, Lynda Burkett, Jim Curt-singer, Sue Channer, Virginia Cox, Robert Diller, Wade Douglas, Helen Edwards, Betty Ferguson, Jo Ann Fowlkes, Glenna Gault, Lois Gifford, Phyllis Goetsch, Benjamin Gomez, Lynda Hargis, Tina Beth Hazelwood, LeAnna Hershney, Carolyn Knox, Verna Kay McBroom, Sharon Owens, Betty Paet-zold, Lynda Phillips, Archie Scott, Jeannette Smith, Linda Smith, Phyllis Sumner, LaWanna Thomp-son, Clydene Thomas, Maxine Ware, Linda West, Dorothy Wil-iams, Rhoda Williams, Ella Marie Williams, Donnie Willoughby, Bill Wimberly, Phyllis Wimberley, Virginia Witherspoon, Martha Book-out and Paula Wright.

Three Accidents Cause Damages Totalling \$700

Seven hundred dollars in damages resulted in three accidents here the last part of the week. The first accident occurred Wednesday at 8:20 p.m. at Second and Bennett Streets.

A 1955 Ford, driven by John Francis Sullivan Jr., and a 1956 Plymouth, driven by Virginia Ruth Witherspoon, collided, police said. Sullivan was going east on Second Street and Virginia Witherspoon was going north on Bennett Street and the cars collided in the middle of the intersection according to the police report. Because of a truck parked near the intersection, both of the driver's vision was obscured.

Approximately \$75 damage was done to Sullivan's car and \$150 damage was done to the Witherspoon car. No tickets were given.

The second accident occurred on Friday at 5:45 p.m. at Fifth Street and McKinley. A 1954 Mercury, driven by Cora Johnson Ward, and a 1946 Chevrolet, driven by Newton B. Hood, collided.

Cora Ward was going west on Fifth Street and Hood was going north on McKinley Street. Hood hit the left hand door of Cora Ward's car with his right hand fender, police said.

Approximately \$75 damage was done to the Cora Ward car and \$50 damage was done to Hood's car. Hood was charged with failure to grant right of way.

The last accident also happened Friday at Park Avenue and Highway 51 at 8:40 p.m.

A 1954 Chevrolet, driven by Alphonse Conrad Brorman, and a 1955 Mercury, driven by Wiley Cornelious Burrell, collided, police said.

Former Pastor To Speak Sunday At Assembly Of God

There will be special services at the Assembly of God Church all day Sunday, Rev. V. W. Marcontell, local pastor, announced.

Rev. and Mrs. S. E. Eldridge and daughters, Beverly Ann and Nancy Beth of Lubbock, will be with the church for all services throughout the day. Rev. Eldridge, who pastored the Hereford church for eight years, will bring both the morning and evening messages.

The choir will bring special Easter numbers under the direction of Thomas Botsford.

At the conclusion of the morning message there will be an old-fashioned basket lunch served in the basement with each family bringing covered dishes for the occasion.

Rev. Marcontell extends a warm invitation to all the friends of the Eldridges to "come and enjoy the day with us."

Polio Vaccine Is To Be Restricted

A new supply of polio vaccine is expected to arrive in Deaf Smith County "in a few days," Dr. R.R. Wills, county health officer, announced Saturday.

Dr. Wills said that the vaccine would be restricted in use, and that only those persons who have received the first shot will be eligible to take the second shot. He said that those who had already had two shots could wait for the third, but those due the second shot should and would have priority.

Walcott News

By MRS. T. L. COLLINS
S. E. Grider, formerly of Walcott Community, and Denna Beth Moore of Hereford, were married in Clovis March 24.
Mr. and Mrs. R. N. Self from Tulla, parents of Mrs. Wallace Lumpkins, were guests in the Lumpkins home Friday night.
Mr. and Mrs. S. D. Dufur and Mary went to Amarillo Sunday, where they visited with her sister, Lucille Parker and Mr. and Mrs. Putman.
Merry Kay Pruitt entered the Deaf Smith County Hospital on Saturday. She has a fractured disk in her back. Merry Kay had weights put on her legs. Doesn't sound very comfortable. She came home on Tuesday, but is not able to be in school again.
Mr. and Mrs. Herschel Burrus, Mr. and Mrs. Glenn Burrus and the families were in Canyon Sunday. Mrs. Maggie Burrus, mother

of the men, was honored with a birthday dinner and visit with her family.
A new cesspool was dug Friday for the custodian's residence at Walcott School. On Monday, a cement-covering was run. J. V. Perrin, Jack Weaver, J. S. Stocks and O. A. Woods were on hand to help with the work.
Mrs. Wallace Lumpkins, Marilyn Linda Gay and Carl went to Friona on Saturday. Here Charles McClure ran in the mile relay at the track meet. Charles came home with his folks that afternoon. On Sunday his folks took Charles back to Whiteface, where he goes to school.
Mr. Clyde Peddicord, father of Mrs. Al Myers, died in St. Anthony's Hospital in Amarillo Thursday morning.
Mr. and Mrs. Al Myers and children, Lee, Carl and Alice, attended her father's, Mr. Clyde Peddicord, funeral March 24 at Dumas. The Peddicord family had lived in Dumas for 20 years — only last year, did Mr. and Mrs. Peddicord move to Amarillo. He suffered a stroke which was followed by a heart attack a few days later, causing his death. Mr. Peddicord was 66 years of age.
The Myers family here wish to express their heartfelt thanks to their dear friends of this wonderful community, for their sympathy prayers and real neighborliness in helping them in every way.
Mr. and Mrs. Thomas L. Collins and Bruce were dinner guests Sunday in the O. R. Sanders home.
Walcott School children have enjoyed two good educational films recently. They were: "Asking for Trouble" and "Help Wanted." The latter was produced by the Johnson and Johnson Co., many first-aid instructions were shown. To be a good first-aid student, in case of accident, one must: 1. Know what to look for. 2. Know what to do. 3. Know how to do it.
Walcott students and teachers of the upper four grades left school during the noon hour on Monday for Adrian. Here both boys and girls volleyball teams played some games. We lost them both; but coach, A. L. Shelton, reports that all were good sports and had lots of fun—so that's what counts. This loss put Walcott out of a place to play volleyball in the interscholastic league meet, early in April, at Bovina.
Mrs. Don Guseman, Mrs. Glenn Burrus and Mrs. Herschel Burrus and Mary Alice drove to Adrian to watch these volleyball games.
A. L. Shelton, this week, sent in the official list of the names of the Walcott students who have won in our tryouts here; and will now represent our school in the Interscholastic League Meet, to be held in Bovina Friday and Saturday, April 6 and 7. We hope some of the parents will plan to attend.
Mr. and Mrs. A. L. Shelton accompanied Mr. and Mrs. T. L. Collins and Bruce in taking Lee and Carl Myers to their home after school Wednesday. A lovely flowering potted plant was taken to the Myers home as an expression of sympathy — from the children and teachers of Walcott School. A short visit was enjoyed.

Six County Herds Listed In Dairy Report In March

There were six herds from Deaf Smith County listed out of the 25 herds in the Randall County DHIA report.
Denzil Pulliam had a holstein listed in the high herds in milk and butterfat and M. L. Simpson Jr. had a holstein listed in the 10 high cows in milk.
George Heard had two holsteins listed in the 10 high cows in butterfat and M. L. Simpson Jr. had one holstein.
In the 60 to 70 pound class, M. L. Simpson Jr. had two holsteins; Harold Kriegshauser had one holstein; and Denzil Pulliam had two holsteins.
H. D. Blythe had one holstein; Denzil Pulliam had three holsteins; M. L. Simpson Jr. had seven holsteins; George Heard had three holsteins; and Harold Kriegshauser had one holstein listed in the 50 to 60 pound class.
In the 40 to 50 pound class, Harold Kriegshauser had four holsteins and one B. Swiss; M. L. Simpson Jr. had five holsteins and one Jersey; Leo Witkowski had one M. S.; George Heard had 10 holsteins; M. L. Simpson Jr. had one holstein; H. D. Blythe had five holsteins; and Denzil Pulliam had two holsteins.

JOINS NAVY—Norman Bartlett, son of Mr. and Mrs. N. D. Bartlett Jr., is now in the U. S. Navy and is receiving his boot training at San Diego, Calif. Before entering the service he was graduated from Hereford High School and attended Texas Technological College. When he enlisted he was engaged in farming here with his father.

Shivers also announced that the granite quarry near Marble Falls, from which granite used in construction of the Capitol was taken, has been re-opened. It is planned to use granite from the same source, for the new buildings.

Shivers is chairman of the state building commission which plans to begin immediately to acquire the necessary sites for the expansion. Contracts probably will be awarded next fall.
Financing of the building project largest in the state's history, was made possible by a constitutional amendment allocating the surplus from the Confederate pension fund for state buildings.

Law Enforcement Needs Studied
Vigorous action on many fronts is needed to combat Texas' climbing crime rate, said speakers at the Attorney General's Conference on Law Enforcement in Austin. Some conclusions, after the four-day conference:

By Attorney General John Ben Shepperd: Travis County should have an extra district court, two grand juries and a special appropriation for the district attorney's office.

By Department of Public Safety Director Homer Garrison Jr.: Inasmuch as soaring juvenile delinquency can be principally laid to parents' failure to provide good citizenship training, Texas should have a law holding financially responsible, parents of youngsters who wantonly destroy property.

By Prison Board Member Dr. George Beto: Texas Prison System needs \$8.5 million to build housing for increased number of inmates, and must find additional profitable

industries to offset upkeep costs.
By James P. Economos, director of the American Bar Association's traffic court program: All persons charged with a moving traffic violation should be required to appear personally before the traffic court judge.

Texas Acreage Cut
Acreage of principal Texas crops will be reduced by about 660,000 acres this year, the U. S. Dept. of Agriculture announced.

Accounting for most of the reduced acreage will be drops in cotton, rice, peanuts, corn and oats. Flaxseed, Irish and sweet potatoes also will be curtailed. Only hay acreage will be increased, and wheat will remain unchanged.

Short Sports
Fifty students from the State School for the Blind are receiving swimming lessons. The Austin Lions Club is paying all custodial fees, and the Girl Scouts and Red Cross Water Safety Project.

Dr. J. E. Peavy of the State Health Department announced that polio cases this year showed a gain over 1955. Cases reported total 140, against 92 last year. More than 40 percent of children under 10 have received at least one antipolio shot, he said.

Public hearing on a petition of Railway Express Agency for increased first and second class express rates on intrastate traffic, is set by the Railroad Commission for April 4.

By VERN SANFORD
Texas Press Association
AUSTIN — Texans are going to have their say, if candidates have their way.
Most candidates seem to be falling into the same pattern. They want letters from the "folks" — telling them to run for office.
Some want 10,000 letters—some 25,000. Some just want letters.
It's a new way to solve the post-al deficit.
Sen. Price Daniel said he received, within a week, more than 25,000 letters.
Another "letter man," W. Lee (Pappy) O'Daniel, says he's been getting them by the basketful.
Ralph W. Yarborough reports that he has received reams of unsolicited letters urging him to run.
Another gubernatorial candidate, J. Evetts Haley, had this to say: "I didn't have to ask a single soul — much less 25,000 people — if I could run."
Johnson Challenged
In a fiery verbal blast, Texas Press Association president Russell W. Bryant of Italy told more than 100 newspapermen and women at a North and East Texas Press convention in Tyler that C. T. Johnson of Austin is ineligible to become a candidate for Lt. Governor.
Bryant distributed copies of a deposition taken in the 123rd District Court at Austin Oct. 1, 1955 in which Johnson testified under oath that he spent only \$125 in traveling the length and breadth of Texas while campaigning for Lt. Governor in 1954.
According to Bryant, Johnson testified he had driven 12,000 to 15,000 miles and that his total traveling expenses for the entire campaign period, as reported by him to the Secretary of State, amounted to \$125 for gasoline, oil, tires, repairs, batteries, lodging and meals.
Filing of an inaccurate campaign expense report excludes Johnson from becoming a candidate, under state laws, Bryant said.
"You and I know that there isn't a standard make automobile on the road today that doesn't cost nearly two cents a mile for gasoline alone," Bryant told the convention delegates.
Capitol Area To Grow
Texas' Capitol area soon will take on a new look. Gov. Allan Shivers showed the Austin City Council plans for the expansion, and addition of two ultra modern buildings, plus nearly three blocks of additional grounds.
Sites, maps and architects' sketches for the new State Office Building and Supreme Court Building were presented to the council. Both will be three million dollar structures. The Court Building will be located a block northwest of the Capitol, and the Office Building a block northeast. They will face the Capitol and be joined by a 1 1/2-block mall across Congress Avenue. Space for additional parking areas also is included in the plan.

ANCHER NELSEN . . . to speak at REA annual meeting

REA Administrator To Speak At Annual Deaf Smith County Co-op

Ancher Nelsen, Rural Electrification administrator, will be principal speaker at the annual meeting of the Deaf Smith County Electric Cooperative, Inc., it was announced today by Leo Forrest, project manager.

In making the announcement, Forrest also said that all members of the Co-op would receive a 10 percent cash rate adjustment check at the meeting.

Nelsen has recently returned from Geneva, Switzerland where he accompanied Secretary of State John Foster Dulles. He represented the United States in rural electrification during the tour and his wife toured Denmark. Colored slides of the tour will be shown at the meeting, which will be held April 21.

Nelsen, a Minnesota farmer, became administrator of REA in 1953. Son of Danish immigrants, he took an active part in 4-H Club work and later built up a 280 acre diversified farm near Hutchinson raising corn, hogs and dairy products.

He was a farmer in the pre-electric era, but set out to do something about it. Once he rigged up a home-made six volt generator that lighted the barn for chore time. Later he helped organize the McLean Cooperative Power Association which brought electricity to his country. He got the job as director and vice president and served until he went to Washington. He served as Minnesota state senator from 1935 until 1948 and was elected Minnesota lieutenant governor in 1952.

In announcing the rate adjustment, Forrest issued the following statement:

Good news for all members of Deaf Smith County Electric Cooperative, Inc. "At a meeting of the Board of Directors held Feb. 1, the Board voted that all members of the cooperative should receive a 10 percent cash rate adjustment check at the annual meeting to be held April 21.

"This adjustment will be made to all members regardless of type of service used. The Board of Directors of Deaf Smith County Electric Cooperative, Inc., wants to clarify one point. That is, the reason for our rate adjustment is not made in 1955 when it was not made in former years. Due to the drought, the farmers have had to use a lot more electricity than was budgeted for. The budget was set up with the idea that each irrigation well would use 42,000 kilowatt hours per year. Actually during 1955 each irrigation well, on the average, used 70,000 kilowatt hours. Theoretically, if we had sold 42,000 kilowatt hours per well, there would have been no money to distribute."

Tri-Hi-Y Hears Talk By Mrs. S. M. Durham

"The Meaning of Easter" was the subject of the talk given by Mrs. S. M. Durham at the Tri-Hi-Y Meeting Tuesday night. The regular meeting was held in the home of Daleine Tinnin.

Karen Sue McGee presented the piano prelude, and the meeting was opened with a prayer led by Beth Scott.

After Mrs. Durham's talk, the Tri-Hi-Y group joined in singing songs carrying out the thought of Easter. Sammie McLallen read a poem for the benediction.

working on a secret formula for a super grade of space ship fuel. Leo Gorcey and Hall are sent to Paris after members of a United Nations sub-committee learn that Hall looks exactly like a missing French scientist, whose secret formula for space ship fuel is being sought by a spy ring.

It is hoped that Hall, as a decoy, will bring about the capture of the spies. More happens than is expected — much more; and the picture ends in a riotous climax that almost blows the Eiffel Tower off its base.

The other picture showing is "Loophole," starring Barry Sullivan.

The Prodigal
"The Prodigal," filmed in CinemaScope and color with Lana Turner and Edmund Purdom stellar figures in a spellbinding drama based on the Biblical Parable of the Prodigal Son, will show Wednesday and Thursday at the Star. It is one of the most magnificent and spectacular productions ever to come from the M-G-M studios.

Recreating a period never before used on the screen, the turbulent era of pagan worship in Damascus in the year 70 B.C., "The Prodigal" brings to life the story of the errant Micah, who falls into disgrace through his uncontrollable infatuation for Samarra, beautiful pagan Goddess of Love.

Mr. and Mrs. Loy U. Botsford and children of Midland visited in the home of his parents, Mr. and Mrs. R. W. Botsford and other relatives over the Easter weekend.

Household Scrapbook

To Fireproof Clothing

Clothing may be fireproofed as follows: Dissolve one pound of ammonium phosphate in two quarts of cold water and clear solution is formed in which the fabric to be fireproofed should be soaked for five minutes. The garment may then be taken out and allowed to dry, after which it is absolutely fireproof. The article will remain non-inflammable until washed or drenched with rain.

Cleaning Furniture

Try using a dampened chambray about once a month on the furniture, instead of a duster, and this will clean off some of the accumulated polish.

Cough Relief

In severe cases of coughing, one or two tablespoonfuls of pure glycerine in pure rye whiskey or hot rich cream will afford almost instant relief.

Porcelain

A solution for cleaning porcelain can be made by dissolving 1/4-cup of soap flakes in one quart of water. When this has partly jellied, stir in 2 tablespoons of whiting and one tablespoon of kerosene.

Odors From Fat

To avoid the disagreeable odor when rendering fat, place the vessel containing the fat in the oven. The process can be started on the top of the stove and when the contents are hot, place in the oven until finished.

Plush and Mohair

One of the best dusters to use for plush and mohair furniture is a chambray wrung out of cold water.

Telephone Mouthpiece

Many people neglect cleaning the mouthpiece of the telephone regularly, and this can be done by wiping it with some strong disinfectant, such as carbolic acid in water.

Relining the Coat

If one's coat is badly in need of relining, carefully rip out the present lining, ripping all seams, and press to remove the wrinkles. Then use this as a pattern for the new lining. Be sure, as you rip, to take note of how the old lining was stitched to the coat, and follow this plan.

Mix sugar, grated orange rind and orange juice. Spread on hot buttered toast and then run under the broiler! Nice for after-school snacks.

Ever try this soup combination? Canned whole kernel corn added to condensed cream of mushroom soup. Dilute the soup according to the directions on the can, using any corn liquid as part of the entire amount of liquid added.

Like curry flavor? Try sprinkling just a suspicion of the spice over scrambled eggs just before they are ready.

Bread crumbs mixed with grated Parmesan cheese — half and half — make a fine coating for veal chops or veal outlet.

Quick supper: slices of precooked ham broiled with canned sweet potato halves and pineapple rings.

Prepared macaroni dinner is very good served with frankfurters — and quick, too!

Serve minute steaks, fried in butter, with lots of minced parsley. Good fresh taste.

Add orange juice to mincemeat and heat. Serve over cottage pudding or white or yellow cake squares.

If you're using molasses in a recipe, pour it into the measuring cup or spoon. If you dip into the container with the spoon or cup you want to measure by, some of the molasses will stick to the underside and you won't end up with the exact amount called for.

Miss Corinne Cameron of Fredericksburg is a guest of Joe Easley in the home of his parents, Mr. and Mrs. Oscar Easley, over the Easter weekend. Both are students at the University of Texas.

Mr. and Mrs. Urlin Streu left Saturday for Wellington to attend a high school class reunion. Mrs. Streu's former home was in Wellington.

Beauty At Home

Q. Is it possible to injure your scalp by too vigorous massage?

A. Not if you massage correctly—moving the scalp about on your head with your fingertips. You might, however, produce irritation if you rub the fingers or scrape them over the scalp's surface.

Q. What makeup will help round out the appearance of thin, hollow cheeks?

A. Try applying a lighter foundation shade in the hollow depressions than on the rest of the face.

Q. How can I remove mascara stains from non-washable fabrics?

A. Sponge with carbon tetrachloride, or work in an absorbent (fuller's earth, cornstarch, or talcum), let stand, then brush out.

Q. How can I exercise to help reduce my overly-fleshy thighs?

A. Sit on floor, leaning on hands, which are placed on floor slightly in back of you. Bend left knee, bring left foot close to your hips. As you straighten left leg, bend right knee and bring right foot close to hips. Keep alternating and slapping the legs down hard against the floor.

Q. What is a good after-shampoo rinse for naturally blonde hair?

A. Try adding a level teaspoon of borax to a gallon of water.

Q. What can I do about a crop of blackheads on my back?

A. Frequent scrubbing with a stiff brush and soap after the back has soaked in cream or oil for a half-hour will help this condition very much.

Q. Is a center-part good for a woman with a long, thin face?

A. I should think bangs would be more becoming. The hair should be softly fluffed at the sides, and should come below the ears, but not be too long.

Q. How can I make a good underarm deodorant at home?

A. Bicarbonate of soda diluted with water is good. It is also a good idea to add a little of this to one's bath water.

Q. How can I remove tough skin from the heels and balls of my feet?

A. After soaking the feet in a bath, rub the tough spots with a soft towel, and some of the skin will rub off. Then massage the feet, especially the rough areas, with a good body lotion. Once or twice a week, massage an oily cream into the heels and toes and wear a pair of heel mitts while sleeping. This should improve your condition within a couple of weeks.

Q. What is a home facial pack that is corrective to large pores on the face, and is good for skin-toning?

A. Mix equal parts peroxide and witch hazel and add this to some fuller's earth — enough for a smooth mixture. After cleansing face and neck, apply the pack and let it dry on the skin. Then remove with water, and pat some cream in afterwards.

Q. What is the best way to make up a mouth whose lower lip is too full?

A. Curve the bottom part of the lip with a tinted makeup base and use a slightly less heavy application of lipstick than used on the upper lip. This procedure will help under — emphasize the thickness of that lower lip.

Crackers and Cheese

As an attractive addition to the salad course serve crackers spread with strongly flavored cheese.

SOIL CONSERVATION DISTRICT NEWS

By JIM WIMAN

Marvin and Bud Morrison completed this week a diversion terrace on their farm north of Walcott. The construction work was done with a maintainer belonging to the Tierra Blanca Soil Conservation District. Ronald Matthews operated the equipment. The diversion will intercept run-off water that had been doing considerable damage, and conduct it harmlessly off the field and onto native grass land. Being a mile and a half in length, the diversion is one of the longest to be built in the District.

We attended a community program at Walcott on Friday night of last week. There was standing room only as everybody for miles around came for the monthly meeting of the P-TA. The school furnished the first part of the program, after which Charles R. Hoover, publicity director for the District, introduced Hardy Benson and C.E. VanDoren. Benson, who is vice-chairman of the District's supervisory board, told the group about the Tierra Blanca Soil Conservation District and what it hopes to accomplish. VanDoren, who is with the Amarillo Experiment Station, showed a number of colored slides and discussed the type of research carried on at the Station. He gave considerable attention to findings

in the stubble mulch experiments. He pointed out that yields had averaged about 15 percent higher under a stubble mulch system of farming and that much better protection from blowing was provided. He called attention to the wheat-sorghum - fallow rotation that has worked so well on the Station. With the system, two crops would be taken from the land each three years, with a fallow period occurring between each two crops. He also mentioned that in following wheat land, they found no advantage to plowing in the summer following wheat harvest unless an unusually large crop of weeds showed up. Otherwise it was just as satisfactory to wait until the following spring. In addition to experiments on dry land, work has begun on irrigation research and, according to VanDoren, it is hoped that answers to many of the production and conservation problems confronted by irrigation farmers, will be found.

The Gregory Brothers, who live northwest of Hereford, completed a concrete pipeline installation this week. The Arvizu Concrete Pipe Company of Dimmitt, made the installation.

Farmers signing cooperative agreements with the District during the week were Joe Friemel, Jack Brown and C. R. Allison.

A Kitchen Convenience

Keep a metal clip at a convenient height over the kitchen table to hold the recipe while the preparing is being done. The recipe will not get soiled and will be out of the way during the process of cooking.

Easter Season Marked By Weddings And Wedding Plans

Women's Activities

Hereford, Texas, Sunday, April 1, 1956 Section Two

MRS. PAT McCULLOUGH
(Miss Sylvia McCracken)

MRS. ROY BOWEN WARD JR.
(Miss Nancy Patterson)

MRS. BILL SCOTT
(Miss Joan Moore)

McCracken - McCullough Vows Read In Formal Service Here

First Methodist Church was the scene last evening for the marriage of Sylvia McCracken, daughter of Mr. and Mrs. J. C. McCracken, to Pat McCullough, son of Mr. and Mrs. Ralph McCullough.

Rev. S. M. Dunnam, pastor, read the impressive double ring ceremony at 6:30 o'clock in the sanctuary of the church assisted by Rev. Howard Scott, pastor of the First Baptist Church.

White Easter lilies and white stock covered a white wrought iron arch garlanded with lacy spring fern, at the altar. Flanking the arch were gold and white trellises entwined with fernery

and flowers backing fan shaped arrangements of white stock and white gladioli, and fifteen branched candelabra holding white wedding tapers. Seen through the arch of flowers was the golden Cross rising in the center background backed by jade and emerald palms and arrangements of white stock. White tapers in seven branched candelabra were interspersed among the palms to enhance the background scene. A white aisle cloth was laid from the church entrance to the white satin covered kneeling bench at the altar.

(Continued On Page 2)

Miss Nancy Patterson Becomes Bride Of Roy Ward Jr. Friday

Miss Nancy Irene Patterson, daughter of Mr. and Mrs. Elmer Patterson, became the bride of Roy Bowen Ward Jr., son of Mr. and Mrs. R. B. Ward of Saint Augustine, Fla., in a ceremony read at 7 p.m. Friday in the Central Church of Christ.

Dr. Paul Southern, head of the Bible department of Abilene Christian College, read the double ring service. Tall baskets of white gladioli and bronze chrysanthemums backed by Em-

erald green palms and lighted cathedral tapers in double seven-branched candelabra, formed the altar setting.

Ardie Miller of Salem, Oregon, and FaWayne Murphy of Canyon, vocalists, provided the wedding music. Miss Miller sang, "The Pledge" and "Now and Forever" and Mr. Murphy's offerings were Grieg's "I Love Thee" and "The Wedding Prayer" by Dunlap.

(Continued On Page 6)

Candlelight Ceremony Unites Miss Joan Moore, Bill Scott

In a candlelight setting of comedor palm trees and flowers Friday afternoon in the sanctuary of the First Methodist Church, Miss Joan Moore, daughter of Mrs. Carlton F. Moore, became the bride of Bill Scott, son of Mr. and Mrs. Lewis Scott of Marlow, Okla. Dozens of lighted tapers were used among the palms to blend with the mellow light shining through the stained glass Gothic window creating a halo of light at the altar. Fan

shaped arrangements of yellow gladioli and white stock contrasted with stairwinding candelabra arranged to form a pyramid of light at either side of the altar.

The decorative motif was carried into the audience by double branched candelabra accented with white stock and yellow ribbon, placed along the center aisle. A white aisle cloth was laid for the entrance of the bridal party.

(Continued On Page 3)

McCracken...

Continued From Page 1
As a nuptial prelude, Mrs. S.M. Dunnam, organist, played "When Thou Art Near" by Bach, "O Perfect Love" by Barnby, "Meditation" from Thais, "Whither Thou Goest" by Singer and "The Wedding Prayer" by Dunlap. The traditional marches were played for the professional and recessional.

Soloists were Miss Martha Jean Brown who sang "I Love Thee" by Grieg, and Don Moore who sang "Because" by D'Hardelot, and "The Lord's Prayer" by Malotte in conclusion of the ceremony.

Mrs. Bill Forbus of Dallas attended her cousin as matron of honor and Miss Barbara Sue Rogers, the bride's roommate at Texas Tech was maid of honor. Bridesmaids were Mrs. Bob West of Ft. Sumner, N. M., cousin of the bride, Mrs. James Killian of Lubbock, sister of the bridegroom, Mrs. James Burdette of Lubbock and Miss Sue Flowers of Abilene. Flower girl was Cynthia West and ring bearer was Mike West, of Ft. Sumner, N. M., both cousins of the bride.

The attendants were identically attired in white embroidered tulle gowns fashioned over powder blue taffeta. The molded torso bodice was accented with scooped neckline and cap sleeves. The extremely full skirt was attached to the bodice where folds of powder blue satin crisscrossed in the front to form a cummerbund with bustle bow in the back. Their veiled halo hats of blue hair braids were embellished with rhinestones and forget-me-nots. They carried modern line bouquets of azalea pink French carnations dusted with silver glitter tied with pink satin ribbon. The little flower girl carried an azalea pink basket filled with rose petals.

Dean Lewellen of Lubbock was best man. Groomsmen and ushers were Bill Jones of Littlefield, Clay Cummins of Fort Worth, James Patterson of Wichita Falls, Jack McCracken, brother of the bride and James Killian of Lubbock, the brother-in-law of the bridegroom. Candle lighters were Leland Stone of Littlefield and James H. Burdette of Lubbock.

Bride Wears Lace and Satin
Escorted to the altar and given

in marriage by her father, the bride wore a white, imported model gown of white, imported re-embroidered lace and bridal satin. The bodice was designed with a portrait neckline outlined with a yoke of lace extending into long petal point sleeves. The wide fitted midriff of lace terminated in a deep point in the center front at the waistline. From this stemmed a diaphanous shirred skirt enhanced by a wide band of encircling appliqued lace, and the immense fullness of satin swept into a long and graceful train at the back. Hoops and crinoline were worn underneath to emphasize the fullness. Her veil of silk illusion was joined to a bonnet type cap of lace over satin embroidered with seed pearls—the bridal bouquet was of lily white roses and stephanotis centered with a single white orchid which was detached for the going away corsage. Her only jewelry was a single strand of pearls the gift of the bridegroom.

She wore her mother's wedding band for sentimental reasons and carried a new white lace handkerchief, the gift of the bridegroom's mother. For tradition's sake she wore the blue Delta Gamma garter, the gift of a sorority sister, and a coin in her slipper for luck. The bride's mother wore a powder blue lace dress, with white hat and matching accessories. Mrs. McCullough wore a mauve lace dress with pink hat and matching accessories. Their corsages were of Mystery gardenias surrounded with lily roses.

Reception at Church
Following the wedding a reception was held in the church social hall. The bride's table was laid with a floor length satin cloth and centered with white lily roses, and white stock with touches of blue carnations. The punch bowl was encircled with maiden hair fern with touches of blue; twisted candles burned in silver candelabra.

Assisting in the house party were Mrs. Sam Steele, Ft. Sumner, N.M., Mrs. B. M. Wiltshire of Hot Springs, Ark., Mrs. Don McCullough of Amarillo, Mrs. Maurie Sloan of Spencer, Iowa, Miss Sylvia McCracken, aunt of the bride of Sioux City, Ia., and Barbara Hall, informal music was provided by Sammie McLallen, Verita Sanders and Sue Kirby.

When the couple left on a short honeymoon trip to Colorado Springs, Colo., the bride was wearing a black and white pin-check silk sheath dress featuring a small shoulder cape having a white collar. She wore a small white beaded hat of silk shantung with black patent accessories.

Mr. and Mrs. McCullough are both graduates of Hereford High School. While in high school she served as head cheer leader, president of F.H.A. class officer, member of Tri-Hi-Y and was named class favorite her sophomore year. She also served as worthy advisor of the Order of Rainbow for Girls. Mr. McCullough served as salutatorian his senior year and lettered in football. He was also a member of the Hi-Y Club.

At Texas Tech where Mrs. McCullough is a freshman, she is a member of the Home Economics Club and the International Relations Club. She pledged Delta Gamma Social Sorority.

A junior student at Texas Tech majoring in mechanical engineering, Mr. McCullough is a member of Phi Eta Sigma, Alpha Chi and Kappa Mu Epsilon honorary fraternities, and is a pledge of Tau Beta Pi, honorary engineering fraternity. He is also a member of Kappa Sigma, social fraternity.

Following the honeymoon trip the couple will return to Lubbock where they will continue their school work. They will reside at 4214-43rd St. Lubbock.

Out of town relatives included Mr. and Mrs. Sam Steele, Mr. and Mrs. Bob West and Cynthia and Mike of Ft. Sumner, N. M., Mr. and Mrs. Bill Forbus of Dallas, Dr. and Mrs. B. M. Wiltshire, Judy Kay and Martha Sue, of Hot Springs, Ark., Miss Sylvia McCracken of Sioux City, Ia., Mr. and Mrs. Don McCullough of Amarillo, Mrs. George McCullough, Mr. and Mrs. Dale Blaylock and Mr. and Mrs. Jack McCullough, all of Clovis, N. M., Mr. and Mrs. Maurie Sloan of Spencer, Iowa.

Rehearsal Dinner
The bridegroom's parents served as hosts for the rehearsal dinner held in the Western Wheel Inn Friday evening. White stock and blue carnations tufted with blue net formed the table decorations. Attending were members of the bridal party and out of town relatives and friends here for the wedding.

Music Study Club Presents 'The Resurrection' Sunday

Throughout the world the glorious season of the resurrection of Christ is celebrated as a day of adoration fraught with traditions, most of which can be traced to religious origin.

EASTER CUSTOMS
Easter customs have changed

El Nino Study Club Celebrates Annual Guest Night

El Nino Study Club observed its annual guest night in the home of Mrs. Wayne Thomas Monday evening. Hostesses were Mesdames Bill Decker, Byron Durham, Darrell Blanton and Elizabeth Bone-

stey. Mrs. Darrell Blanton who was in charge of the program for the evening, introduced the guest speaker, Mrs. W. C. Willough of Bovina who reviewed the play "Mrs. Mae Thing" by Mary Chase.

Before giving the review, Mrs. Willough told of the author's struggle for years to get the play, primarily for children, produced. Also of its ready acceptance by the public.

The Easter theme was accented in refreshments and favors which were served at the conclusion of the program.

Special guests were Mesdames Jack Bradley, Melvin Young, Ross Latham, John Estes, Charles Seed, George Springer, Clay Ridgway, C. S. Williams, John Littlefield, and Cecil Massey.

Members attending were Mesdames Darrell Blanton, Ivan Block, Jim Bookout, Ben Childers, T. J. Clay, Bill Decker, O. G. Hill Jr., John Jacobsen Jr., Sam Nunnally, W. J. Reeves, Edgar Skypala, Dorval Young and the hostess.

through the years, but the hymns and songs have changed little, all are beautiful and inspiring, all telling the wonderful story of the resurrection.

Choral groups, such as the vested Music Study Club chorus, pictured today, spend many hours rehearsing special programs of Easter music each year and present them to the public in the true spirit of the season.

EASTER CANTATA
Sunday afternoon, March 25, an Easter cantata, "The Resurrection" by Marney, was presented by the Music Study Club in the First Presbyterian Church. The inspiring story of the resurrection was retold in song, beginning at the tomb and ending in the triumphant Alleluia Chorus. An organ prelude played by Mrs. Howard Scott opened the program. Mrs. C. W. Parker served as director with Mrs. John Sims as the accompanist. Soloists included Mesdames Dick Godwin, G. N. Allison, W. T. Carmichael, Sam Albright, T. W. Robertson and A. J. Schroeter. Mrs. S. M. Dunnam gave the concluding organ postlude. (See picture on page 1) (Section One)

Mr. and Mrs. Floyd L. Harrison of Hugoton, Kans., spent Wednesday night and part of Thursday in the home of her sister and family, Mr. and Mrs. O. R. Neel and Lilith. While here they visited in the homes of other relatives, Mr. and Mrs. Jim Harrison, Mr. and Mrs. R. W. Botsford, Mr. and Mrs. Thomas Botsford and other relatives and friends.

The bow and arrow had not been invented by the first men to reach America, scientists believe.

Hot Rolls... Butter... Milk

Garden Club Has Lesson On Church Flowers

Members of the Garden Beautiful Club held a meeting in the home of Mrs. Ansel McDowell recently. Announcement was made of a change of time for the next meeting which will be held with Mrs. Townsend Douglas at two o'clock, instead of three o'clock as listed in year books.

A program on "Take Your Flowers to Church" prepared by Mrs. Robert Veigel, was presented by Mrs. D. C. Kinsey with group discussion following.

- Members of Hereford's churches
- Cranberry Sauce**
- Friday**
Pinto Beans... Onions
Buttered Spinach... Cheese Sticks
Sliced Tomatoes
Cornbread... Butter... Milk
Peach Cobbler

told how the flowers for church services were handled.

Those attending were Mesdames Ray Cowser, Townsend Douglas, E. W. Harrison, Chas. Hood, D. C. Kinsey, Frances Houston, R. B. Miller, Helen Pipkin, Joe Reinauer, Roy Smith, W. J. Stamford, Wayne Edwards, Miss Frances Turrentine and the hostess.

Mrs. Conkwright Elected President Of WSCS Group

Mrs. Colby Conkwright was recently elected president of the Amarillo District Woman's Society of Christian Service of the Methodist Churches.

She is urging that all members of the WSCS attend the district meeting at the St. Paul Church in Amarillo Thursday, April 5. Registration is at 9:30 a.m.

Speaker of the day is a foreign missionary, Miss Mary Searcy of the Missouri conference.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. W. B. Phillips Sr., 121 Avenue G, are announcing the engagement and approaching marriage of their daughter, Miss Earlene Phillips, to Mr. William Garland Barbee, 1006 West Tenth St., Amarillo, son of Mr. F. Barbee and the late Mrs. Barbee, of Gaddlett. The wedding will be solemnized on May 29 in the First Christian Church of Hereford. Miss Phillips is a graduate of Hereford High School and of West Texas State College, and has been a member of the Vega High School faculty for the past two and a half years.

Moore...

Continued From Page 1

The double ring service was read by the Rev. S. M. Dunnam, pastor. Mrs. S. M. Dunnam, organist played a pre-nuptial concert. Included were "Salute d'Amour" by Elgar, "O Promise Me" by DeKovan, "Because" by D'Hardelot, and "I'll Walk Beside You" by Murray. She also accompanied Mrs. Dick Godwin who sang "Through the Years" by Youmans, and "The Lord's Prayer" by Schumann. "Tramaurel" by Schumann was played softly as vows were spoken.

The Bridal Chorus from Lohengrin was used as the processional and Mendelssohn's wedding march was played for the recessional.

Miss Sharon Dee Moore was the maid of honor and bridesmaids were Charlotte Moore, sister of the bride, and Norma Hurta of Jal, N. M. Candle lighters were Patsy Stafford, of Hobbs, N. M. and Paula Sue Moore, sister of the bride.

All the attendants were attired in waltz length gowns of white nylon tulle embroidered in clusters of flowers centered with tiny satin roses, fashioned over maize yellow taffeta. The fitted bodice was styled with an oval picture neckline finished with folds of tulle extending over the shoulder to form cap sleeves. The back section of the full skirt was made entirely of ruffles. They all wore yellow shoes and small yellow flower hats were worn by the honor maid and bridesmaids.

The maid of honor carried a modern line bouquet of Frenched yellow carnations and Eclipse roses tied with white satin ribbon. The bridesmaids carried white satin muffs edged in yellow net topped with yellow Frenched carnations and Eclipse roses.

Brother Escorts Bride
The bride's brother, Gene Moore escorted her to the altar and gave her in marriage. She wore a gown of white nylon tulle embroidered in flowers centered with tiny satin roses, over matching taffeta. The bodice was designed with a wide decollete neckline, outlined by a wide band of tulle folds which draped over the shoulders to form

brief cap sleeves. Complementing the sleeves were matching tulle gauntlets.

The long torso was attached to a voluminous skirt dramatized by ruffles of the tulle in the back extending from the waist line and drifting into a chapel length train. The fingertip scalloped veil of illusion was caught to a halo type tiara studded with seed pearls. She carried out the traditional custom, something old, new, borrowed and blue, including a white linen and lace handkerchief carried by an aunt in her wedding. She carried her bouquet of Belmont gardenias and stephanotis on a white pearl covered Bible, the gift of the bridegroom.

Joe Hogan Jr., of Marlow, Okla., served as best man. Ralph Kemp Jr., of Portales, N. M., Ronnie Holcomb and Allan Bryant of Borger and Bailey Cuzzens of Seagraves were ushers.

The bride's mother wore a Wedgewood blue costume suit with a Wedgewood blue straw hat and the matching accessories.

The bridegroom's mother wore a pink silk print with short jacket with white hat and white accessories. Each wore a corsage of white gardenias.

Reception in Home
After the ceremony a small reception was held in the home of the bride's mother. The bride's table was laid with a white organdy cloth over yellow and featured yellow and white gladioli in the center piece. The three tiered wedding confection was served by Charlotte Moore and Irene Witherspoon poured.

Assisting in the house party were Mesdames Howard Gault, Sylvester Slagle, N. E. Milburn and Cecil Gunter.

When the couple left for their wedding trip, the bride was wearing a mustard colored linen suit with boxy coat and embroidered lined blouse. Her hat was in white and she wore the gardenias lifted from the wedding bouquet as a shoulder corsage.

Upon their return from the wedding trip they will make their home at 505 W. First St., in Portales where they are both junior students at Eastern New Mexico

University.

The bride graduated from Hereford High School in 1953 and served as Worthy Advisor of the Order of Rainbow for Girls. She is majoring in secretarial administration at ENMU, is a member of Kappa Delta Alpha social sorority and serves as president of the university Inter-Fraternity Council.

Mr. Scott attended Marlow High School, served with the 45th Division in Korea, and after serving with the Armed Forces returned to school for graduation. He was selected a member of the 1952 All State Football squad.

He is majoring in journalism at the University and is a three year letter man on the football squad. He is a member of Alpha Sigma Omega social fraternity, student council, Gamma Theta Upsilon, professional geographical fraternity, member of the University Letterman's Organization and Veteran's Club.

Rehearsal Dinner
Mrs. Troy Moore and Mrs. Clyde Cave honored the couple at a rehearsal dinner given in the Moore home Thursday evening. Members of the bridal party and out of town guests attended.

The dinner was served from a table laid with a yellow linen cloth and centered with an arrangement of yellow and white daisies. Tables for four were centered with white candles rising from a nest of yellow blossoms and ribbon.

Although marriage of cousins was once supposed to be the main cause of mental deficiency in the children, most students no longer believe this is true.

Pioneer Study Club Observes Federation Day

Federation Day was observed in the program presented at the Pioneer Study Club meeting held on Tuesday afternoon in the home of Mrs. O. G. Hill. Mrs. Ray Johnson was leader.

Mrs. Johnson gave the background and early history of the General Federation of Women's Clubs, pointing out important projects and highlights of accomplishments through the years.

Other participants in the program were Mesdames Frank Terrell, Fred Barrett, and F. M. Kester, who told of the life of Jane Cunningham Crowley, recording secretary for the first four years of the General Federation, the life of Mrs. Percy B. Pennybacker, first president of the Texas Federation of Women's Clubs and her influence in later years, and outlined the purpose of the Federation. A discussion of the two-fold purpose — adult education and community service — was held in conclusion of the program.

Members in attendance were: Mesdames Fred Barrett, O. H. Herring, A. G. Bell, H. E. Miller, Ray Johnson, F. M. Kester, Frank Terrell, Charley Walser, Rex Tynes, Bess Werner, Wirt Phillips, Miss Roberta Campbell and the hostess.

LITTLE'S Of Hereford

AT PORTRAIT SCHOOL—Mrs. W. W. Angel Jr., with Angel Photography Studio here, has returned from Clinton, Okla. where she has been studying portrait coloring with Viva Fae Lefler, nationally known colorist. In the picture above, standing left to right, are Mrs. Anna Woodall, Bristow, Okla.; Mrs. Angel; and Mrs. Norene Armour, Frederick, Okla. Seated are Mrs. Evelyn Stevens, Wichita Falls; and Mrs. Lefler.

What's This

—By Chris

Happy Easter morning everyone! And I hope it is happy.

I mean to say that West Texas Choir is just scrumptious... their singing of course; and that quartet, the Hi-Fi's is the most hysterical ever. It really sends you to listen to good music once in a while; with a little clowning on the side too naturally.

Taylor and Mr. Overall were having a conference that wouldn't quit Thursday — could it have been about the yo-yo he collected from him in choir that morning? You know, he certainly picked a juicy time to walk into the choir room. Taylor, you didn't help matters by taking those sneezing powders in assembly the very same afternoon.

Did you know that C. S. wants all her little girls to look like Dorothy Williams?

This is on the level, and I don't blame her, because Dorothy is a little doll.

What's the only thing you can hear when you struggle down the halls of H.H.S. lately? Feminine voices: Elvis Presley... Elvis Presley... next week... Amarillo... are you going... So do I!!! Swoon... Masculine voices: oh yeah—him... I guess so... oh, he's okay... yeah she's draggin' me... Well... he's o.k. but I'll say he's o.k.! And no conjunctions about it.

Mr. Moore, I know you don't mean to make anyone unhappy, but you just put Sonja through agony by mispronouncing her name. You see, the "J" is pronounced lightly. Oh well, what's the use... but we still like you even if you do say "SoonJa."

Have you seen the latest thing in Men's clothes? Women. That's real cool don't you think? Mrs. Patterson told us that one.

Some people who drive two-tone blue oldsmobiles should have their license taken away from them!

Anybody minus a shoe? Oh, it was only Don Z, and what a dirty trick to play on that innocent little boy in English class. Speaking of English class, Marlene G. would usually "rather not say." She al-

ways had a very scarlet blush to go along with this little utterance. "Oh don't be alarmed! That boy doesn't need a straight jacket. It's only Melvyn skipping down the hall humming a catchy little tune because it's so nice to be alive in the spring-time, especially if he happens to have a note tucked away somewhere from Joan, which he can read on the way home at noon. Which brings up another subject

... She must have said something "real larupin" the way he turned that corner... or I should say he tried to turn the corner. Gosh, love must be wonderful.

What's this I hear about Sharon Owens having Garry's senior key? Man, that Garry just can't "keep the girls off of him." Sparkie and I apologize Garry, we didn't mean to get you in the bad. Paula Beth and Frankie were

looking mighty suspicious out in Dameron's Park last week. They were fiddling around with a little box-like object and each time they saw a car they would straighten up and start giggling. At least that is what it looked like to me. Come on girls, out with it now... what's up? Dora Ruth "likes a tall man." Well what do you know? I'll let you figure this one out.

Ralph Morrison, is it true you're going steady with a Dinmitt girl? Watch out son, your secret life is catching up with you. I guess I've said enough for now. If I'm still alive next week you know where to find me. If I'm not, I'd like roses please.

Mr. and Mrs. Pete Davis and baby daughter of Fort Worth were guests of his parents Mr. and Mrs.

Leonard Davis here Friday. They also visited her relatives in Pampa while in the Panhandle.

Add crumbled crisply cooked bacon to that egg salad sandwich just for a change!

Like your broiled grapefruit spicy? Then sprinkle with sugar mixed either with cinnamon, nutmeg or mace.

Shower Honors Bride-Elect

Miss Patsy Watts, bride-elect of Billy Murrell, was honored at a shower tea given in the home of Mrs. Kenneth Cowan Tuesday afternoon. Other hostesses were Virginia Cowan, and Mesdames A. L. Logan, I. H. Willoughby, R. W. Sparks, Nelson Reiger, Alton Kemp and George Miner.

The honoree's colors of pink and green were carried out in appoint-

ments. A lace cloth over green laid with refreshment table centered with blooming hydrangeas. Mrs. Robert Burk, Wanda Riddle and Virginia Ann Cowart presided and Mrs. Cloys Kemp kept the bride's book of names.

The wedding will take place on Friday, April 6, in the Wesley Methodist Church.

Approximately 75 guests attended the courtesies.

Virginia was the first permanent English settlement in North America.

Preferential Tea Climaxes Sorority Rush Season Here

Kappa Iota chapter, Beta Sigma Phi sorority, climaxed the spring rush season at a preferential tea given in the home of Mrs. Neil Cooper Sunday afternoon. Members of the executive board served as hostesses, including Mesdames Cooper, Cecil Massey, J. D. Whitaker and F. H. King.

Rushes included Mesdames Robert Brotherton, T. M. Cox, Norman Crisp, Arthur Dean, Carl Hollingsworth, Ray Johnson, Wayne St. Clair, Buren Scott and Max Stipe.

Guests were received by Mrs. Cooper and Mrs. Cecil Massey, president. The lovely tea table carried out the sorority colors of black and yellow. The lace cloth over yellow, was centered with a bowl of yellow rosebuds tufted with yellow ribbon touched with gold glitter. Yellow tapers burned in black holders at each side of the floral arrangement. Mrs. J. W. Witherspoon, the sponsor, poured.

Members attending were Mesdames Harold Beauchamp, Jim Calmes, M. G. Duvall, Pete Guinn, Paul Harvey, F. H. King, Chas. Laing, Cecil Massey, J. H. McDonald, Glenn Nelson, J. D. Whitaker, J. W. Witherspoon, Bill Frizell, and Sam Albright.

Special guests included Mrs. Cleveland Burton of Weslaco, Mrs. G. W. O'Brien of Miles City, Montana and Mrs. Verna Stine.

Following the tea members attended the Music Study Club Easter Cantata presented in the First Presbyterian Church.

PRIEST'S TRADE UNION NEW DELHI

In the Jain temples in Ahmedabad priests numbering about 100, have formed a union to fight for higher wages and improved working conditions.

Contending they are employees of an industry, the priests have asked the Bombay state government to bring them under the minimum wages act and allow them to take their case before a state industrial tribunal.

The governing boards of the temples have rejected the priest's demands.

Longview Girl Will Marry Hereford Man

Announcements have been received here of the engagement and approaching marriage of Miss Zuma Legay Henderson, daughter of Mr. and Mrs. Roger Hoyt Henderson, Judson Road, Longview, to James Martin (Buddy) Corbett, son of Mr. and Mrs. Roger Cor-

bett of this city. The wedding is scheduled to take place Saturday April 14 in the First Presbyterian Church of Longview. Dr. Thomas H. Talbot will officiate at the marriage service. Miss Henderson will be complimented at many pre-nuptial social courtesies. Mr. Corbett, a graduate of Hereford High School and of North Texas State College, Denton, is the assistant football coach in the Longview Junior High School.

Algeria has a 620-mile coastline facing France.

Want a tasty sandwich filling? Mix grated cheddar cheese with chopped chutney. These sandwiches taste particularly good when they are pan-toasted in butter in a skillet.

Young Mothers Make Plans For Guest Night

Mrs. Gwynne Owen was hostess to members of the Young Mothers Study Club Tuesday night for a business session of the club.

Plans were made for the club's annual guest night which will be held in the home of Mrs. H. A. Cavness April 17. The guest speaker for the event will be Dr. Walker, head of the speech department of West Texas State College, Canyon.

Members attending were Mesdames Rex Lee, Bill Lawrence, Clinton Massie, Wayne Wallace, Jess Robinson, Arthur Dean, Ha-

rold Banks, Jimmy Bownds, Bill Brady, Gid Brown, Hugh Clearman, Gerald Hale, Craig Johnson, and the hostess.

Household Tips

Grind the ends of that cooked smoked tongue and moisten with mayonnaise and chili sauce. Use as a filling, with a layer of finely shredded green cabbage, for a delicious and hearty sandwich.

Does your kitchen boast an electric rotisserie? Then do try roasting a duck on it! You'll find this method of cooking duckling gives wonderfully crisp skin. But make sure you have an extra dripping

pan that fits under the heating element of the rotisserie. About a cup of fat will drip out from the duck and the regular tray will have to be emptied of the fat several times during the cooking; here's where the auxiliary pan will come in handy.

Mix hot dog relish with mayonnaise; put a teaspoon or so of the mixture into the cavities of drained canned peaches. Broil until thoroughly hot. Serve with ham.

Mr. and Mrs. Paul Mathers returned Tuesday from Longview where they attended the wedding of a niece, Miss Geraldine P'Pool, daughter of Mr. and Mrs. W. C. P'Pool, to Albert Cantwell Jr., of Dallas. While there they visited other relatives and en route home they stopped at Waco for a visit with the John H. Olsons, formerly of Hereford.

Patterson...

Continued From Page 1

The traditional wedding marches were used as the processional and recessional.

Attendants

Miss Lois Bruce of Abilene was maid of honor and Mrs. Virgil Bennett Jr., sister of the bride, and Carolyn Husbands of Amarillo were bridesmaids. They wore identical dresses of turquoise crystalline made along princess lines with V neckline and cap sleeves. They wore matching small pill box hats and carried fans covered with toast colored crystalline and decorated with bronze mums and toast satin streamers.

Mary Davis, who served as flower girl, wore a miniature copy of the attendants' dresses in toast crystalline and carried a natural straw basket from which she scattered rose petals along the bride's path to the altar. Sheryl Patterson, sister of the bride, and Bonnie Smith of Abilene lighted the candles. They wore dresses of toast crystalline made like those of the attendants with matching headresses, and wristlets of turquoise feathered earrings. Mike Davis served as ring bearer.

Dick Shelton of Boise, Idaho served as best man and ushers

were F. W. Campbell of Roaring Springs, and Harold Forshey of Gilbert, Ariz.

Bride Wears White

Given in marriage by her father, the bride wore a gown of her own fashioning, of slipper satin and chantilly type lace. The dress was styled along princess lines with small stand-up collar and yoke of lace edged in applique lace flowers, and long pointed sleeves trimmed with miniature satin covered buttons. Panels of lace accentuated the fullness of the skirt which terminated in a Cathedral train. Her waist-length veil of illusion, edged in applique flowers of lace was held in place by a small lace and satin pill box studded with pearls and rhinestones. The wedding bouquet of a white orchid, cascaded with stephanotis and white satin streamers, was carried on a white Bible. For something old she carried a silk handkerchief which belonged to her late maternal grandmother, and she wore a strand of pearls with matching teardrop ear rings, the gift of the bridegroom's grandmother.

The bride's mother wore a pink linen sheath with lace duster and accessories. Both wore corsage of white carnations.

Reception in Jim Hill Hotel Following the ceremony a re-

ception was held in the Jim Hill Hotel. Centering the bridal table which was laid with ecru lace over turquoise, were the bridesmaid's fans flanked by lighted white tapers in double crystal candelabra. The three-tiered wedding cake was decorated in sugarpans white roses and garlands touched with silver, and topped with a miniature bridal couple.

Assisting in the house party were Mr. and Mrs. Lawrence McGehee, Mr. and Mrs. Ray McCullough; Mrs. Wayman Davenport and Miss Mary Frances Chambers of Amarillo, aunts of the bride, and Sheryl Patterson and Bonnie Smith.

Assisting at the bride's table were Misses Cecelia Wilkins and Gracie Fotheringham and Mrs. Les Conklin presided at the bride's book of names.

For the wedding trip to Dallas and other Texas points, the bride traveled in a suit of beige linen with black and white accessories, and the orchid from the wedding bouquet as a corsage. After the Easter holidays the couple will be at home at 698-E North Sixteenth Street in Abilene where both are attending Abilene Christian College.

Mrs. Ward graduated from Hereford High School and attended West Texas State College where she was a member of The Buffalo Gals, A Capella Choir, Girl's Quartet and Girl's Ensemble. She was also a member of the Girl's Sextet, A Capella Chorus, Cadette Social Club, Campus Service Organization, Orphesians, Melodettes and the Year Book staff at ACC.

Mr. Ward was graduated from St. Augustine High School, attended the University of Florida where he was a member of the Gator Band, Kappa Kappa Psi, Beta Eta Sigma, University newspaper staff, publicity director of intramural department and was on the Dean's honor list.

He also attended David Lipscomb College in Nashville, Tenn., and will graduate from ACC with the class of 1956 June 28. At ACC he has served as editor of the 1956 "Prickly Pear" college annual, as cartoonist for the college newspaper and is now serving as assistant publicity director for the college. He is a member of the A Club, president of Alpha Chi, national honor society, member of the press club and Wildcat Band, and was named to Who's Who in Universities and Colleges. He plans

to become a minister of the Church of Christ.

Among the out of town guests attending the wedding were Mrs. Wayman Davenport, Miss Frances Chambers, Mr. and Mrs. Jack Husbands and Carolyn Husbands, and Mr. and Mrs. Bill Smith and Aunt, all of Amarillo, Mrs. Ola Murphy and FaWayne and Mrs. T. V. Reeves of Canyon, Mr. and Mrs. J. C. Chambers and Ivan Keith and Mr. and Mrs. Gerald Chambers and children of Lubbock, Mrs. Monroe Horton of Montrose, Colo., Mr. and Mrs. R. E. Chambers of Umparger, Mr. and Mrs. Ira Page and sons, and Mr. and Mrs. C. L. Morris of Dimmitt, and Mr. and Mrs. Vondel Houser of Friona.

Rehearsal Dinner The bridegroom's parents were hosts at the rehearsal dinner given Thursday evening in the Patterson home. Guests were members of the bridal party and out of town guests.

VFW Auxiliary Features Guest Night Affair

The Veterans of Foreign Wars Auxiliary entertained with a guest-night affair in the VFW Hall Wednesday evening, featuring a covered dish supper.

Decorations carried out the Easter theme with gold flags and orchid snapdragons as a center attraction for the buffet table. Easter baskets centered small tables laid for four.

Following the meal, Mrs. Ed Skypala showed the movie "Something to be Proud of" which tells the story of the VFW Homes where children of the deceased veterans are cared for until their education is completed.

Mrs. Perry McMinn outlined reasons why every mother, wife, sister or daughter of a veteran of Foreign Wars should become a member of the auxiliary. She also explained the nurses fund which is one of the many worthy causes sponsored by the auxiliary.

Special guests were Mesdames Ed Skypala, Gid Brown, H. H. Smith, John Dameron, S. S. Smith, Harmon Lindley, Ted Bush, Wm. Youngblood, Louis Beckman, J. D. Whitaker, Wayne Phillips, Bessie Smith, Bill Kendall, Richard Connally, Wm. Ohlig, E. A. Edwards, Carroll Kreig, Boice Niven and Miss Clara Acker.

Members attending were Mesdames L. H. Lookingbill Jr., Bill Craig, Hicks Roberson, J. P. Jones, Frank A. Gyles Jr., John Green, H. A. Lamm, D. W. Maddox Jr., T. D. Devenport, Effie Crow, Merl Bridges, James Roberts, Perry McMinn, Verdon Watts, Wayne Lawrence, D. L. Hodges Jr., Billie Massie, Sam Lindley, Madelynne Faughn, and Miss Thelma McMinn.

Bridesmaids Luncheon Held

Mrs. Clyde Cave complimented Miss Joan Moore and her attendants whose wedding to Bill Scott took place Friday, with a bridesmaids luncheon in the home of Mrs. Harry Bennett Thursday at one o'clock.

The chosen colors of the bride, yellow and white, was emphasized in decorations and appointments. The table, laid with a white linen cloth, held a center arrangement of white stock and yellow gladioli.

Those seated were the honoree, and her mother, Mrs. Calton F. Moore, Sharon Dee Moore, the bride's sisters, Charlotte and Paula Sue Moore and Miss Norma Hurta of Jal. N. M.

During the luncheon hour gifts from the bride were presented to the attendants.

Reviews Book for English Students

Mrs. Ansel McDowell was guest speaker for junior and senior high school English classes at the high school Tuesday. She reviewed "The Raven" by Marcus James, climaxing with an outline of his political activities and influence on Texas politics.

The author of the book has been the study of both classes in regular class work.

By Jimmie Gillentine

I notice where automobile insurance rates are due to drop in Texas. Some areas will drop more than others, due to the number of damage claims, according to the overall report from A.P. It also said that Northwest Texas will pay some extra policy money because the sandstorms have beaten the paint from so many cars.

Another item which is costing automobile owners more and more every year is these new curved windshields. They not only seem to crack more often, but are expensive to replace: generally \$100 and up. All of which is a lot different from the piece of plate glass you could put in a Model T for \$1.29. Also, a few of the garage people are eager beavers when it comes to replacing chipped windshields, especially if they are covered by insurance. This is one of the things which has helped boost the cost of insurance; and it is plenty high.

A lot of folks, in fact, only carry liability and property damage to meet state requirements. This is especially true on older cars which aren't worth too much to start with. Back East they are reportedly selling a lot of "\$500 deductible" collision policies. This drops the premium from \$170 to around \$39 in some of the higher costing states but, of course does not pay anything on damages under \$500. The big drop on this policy, they say, is due to the unusually great number of small claims which appear each year. In other words, the greatest overall property damage actually comes from the little accidents: bent fenders, chipped windshields, head lamps and the like, and not from the "total loss" deals which make the headlines and create so much conversation. It is possible, too, that many people are a mite unreasonable and figure that they are getting something for nothing when the insurance company pays a claim.

Few people stop to figure that the amount they pay next year will be determined by the amounts paid out on losses to policy holders this year. But what I can't understand is how they managed to lower Texas rates in the first place. It can't amount to a whole lot.

MORE BUSINESS house construction is scheduled within the next month or so. Lloyd Pool, Gulf distributor, will start construction of two new, fancy porcelain service stations within a few weeks. One will be located across south

household.

"The ruling does not apply where the home is used as a trade or business, such as a rooming house, a tourist home or otherwise.

"Additionally, it does not affect the obligation of housewives to withhold and pay social security taxes covering domestic help."

This is, no doubt, the final outcome of a fight opened several years back by a delegation of Marshall (Texas) housewives. It just goes to prove what most husbands

Bridal Luncheon Honors Sylvia McCracken Fri.

Complimenting Miss Sylvia McCracken, whose marriage to Pat McCullough took place Saturday, a bridal luncheon was given Fri-

day in the Grady Rogers home with Mrs. Rogers and her daughter Barbara Sue, and Martha Jean Brown as hostesses.

A miniature bride in traditional bridal array centered the buffet table from which the luncheon was served, flanked by white tapers in low holders encircled with miniature white flowers. Corsages were presented to the three honor guests the bride-elect, her mother, Mrs. J. C. McCracken, and the future bridegroom's mother, Mrs. Ralph McCullough. The honoree's place

was marked with a special gift from the hostesses.

Guests were: Jan Hargis, Barbara Hall, Mrs. Bill Forbus of Dallas who served as matron of honor in the wedding, Mrs. James Burdette and Mrs. James Killian of Lubbock, and Sue Flowers of Abilene attendants in the wedding, Mrs. Bob West of Fort Sumner, N. M., cousin of the bride, also an attendant in the wedding and the hostesses.

LUBBOCK PARTY
Miss McCracken was also favor-

ed at social affairs in Lubbock. Among them was a lingerie shower given by Mrs. James Burdette and Sue Flowers and informal courtesies honoring the couple.

Attending the lingerie shower were Barbara Sue Rogers, Patty Doyle, Nancy Novak, Margie Gallagher, Alesia Martinez, Leah Lewis, Bobbie Scheumack and Carol Penland.

Mississippi's population declined 2.4 percent between April 1, 1950 and July 1, 1954.

Postal Rate Increases Appear To Be Answer

What about your post office system?

When you mail a letter or receive a birthday card, do you ever stop to consider the amount of organization, timing and effort required to bring that piece of correspondence to you from its original starting point? If so, you are bound to be amazed at the speed and accuracy with which it travels. The same is true concerning your newspapers, magazines and parcel post packages; yes, even those advertising pieces which appear in your letter box from time to time.

The time has come, however, when the people of the United States are facing a serious problem regarding their postal service and its functions. The chief trouble rests on the fact that our post office department is handling 1956 mail on the basis of 1932 rates. The result is an accrued deficit of \$4.6 billion in the past 10 years. Unlike private business, the post office department has continued to operate year after year at a huge loss, being subsidized and fed through additional tax funds and government appropriations.

Always a political football, the post office department is possibly the closest contact which the federal government maintains with the rank and file of our population. Politicians, realizing the unpopularity of rate increases, have consequently subsidized the department rather than meet the rising costs with rate increases. Meanwhile, profitable enterprises and publications have become even more profitable as they took advantage of the "below cost" services offered through the department. Mr. Average Citizen, all the while, is paying for this postal service, not through the purchase of stamps, but through his withholding taxes.

The two things which the department needs most appear in current recommendations for a "self-supporting mail service" and an "independent commission to set and handle

present and future rates."

During the period our post office department was losing 4.6 billion, let it be noted that coffee jumped from 49 cents to \$1.29 per pound, also that the lowly 10-cent hamburger of 1932 is now selling for 30 cents. All of this time, the American people have mailed letters, business statements and social invitations at the same 3-cent rate.

Some people defend the present system by saying, "The same people pay, anyway, why change?" But this is hardly true, due to the fact that a major portion of the mails are created and used by profit making enterprises, who are operating at the cost of the small tax payer. Besides, taking the same argument, let's turn the question and say, "Why not change?"

Despite all of these things, the United States still maintains and operates one of the most efficient and finest postal systems in the world. This is true, despite its lack of modernization and its many faults. The nation is growing in population by leaps and bounds.

Unless our methods alter, it is only logical to expect that our postal system will become more and more outmoded as the years pass. Right now, the post office is like a lot of other advantages which most Americans take for granted—and few appreciate.

Which Way Will Business Area Go?

Hereford is now in the midst of its first large scale expansion of business housing in recent years. The small boom, in addition to store front remodeling, also includes erection of several new business houses. The situation is normal in that business housing, which has lagged in the face of remarkable residential expansion, is starting to keep pace with the growth of the community.

In addition to the growth factor, it is also interesting to note that much of the new construction is outside of the immediate downtown area, being located on zoned streets and on Hereford's two highways. Just exactly what the trend indicates is a matter of speculation. It also recalls a question which has plagued residents for years: "Which direction will the Hereford business district grow?"

Hemmed in on the north by expensive church properties, Hereford's Main Street has just about reached its maximum. The courthouse square, popular in many areas, has never been too popular here, being filled in: only on the east side, a result possibly due more to the importance of Third Street than to the location of the square. Another possible answer would lie in the reclamation of the first block on Main, which at one time was by far the "hot spot" of the town's business activities, but has since fallen appreciably in dollar volume.

In contrast to the shopping centers now popular in larger cities, most of the new construction is widely scattered. Also to be noted is the fact that most of the new business building is occurring west of Main Street, a natural division, while a majority of the new homes in Hereford are locating east of Main. This leaves business firms further away from residences, which is exactly the opposite of the shopping center idea.

When you sum things up, in fact, you have to admit that the old timers had a good question when they asked, "Which way will downtown Hereford grow?"

The best answer is, "Who knows?"

Non-Taxable Reds

Coming as "good news" to this part of the world are the releases that U. S. government officials are finally cracking down on the Communist Party activities in this country.

The very constitution which guarantees American freedom is, within itself, a loophole for the Communist Party in that it guarantees freedom of meeting, freedom of speech and freedom of the press. However, when these activities take the form of "fifth column" movements, disloyalty and intent to overthrow our government, it does appear foolish to allow such organizations to operate beyond the requirements of other citizens—even

"DON'T BOTHER ME NOW, JOE, THEY'RE STARTING TO BITE."

QUESTION OF THE WEEK

New License Plates Gain Favor Among Car Owners

The new 1956 license plates, which are larger than in past years, are to become standard throughout the U. S. Do you think that having all license plates the same size and the same style is a good idea?

MRS. HILKEY L. AVEN

I think it will be alright. However, I think it would be nice if Texas could have a bluebonnet or something that would suggest our state more like some of the other states were in the past.

MRS. H. M. BENERFIELD

Yes, I do. I think that they all ought to be alike.

MRS. JESS M. CARTER

I would think it would be or they wouldn't be thinking of doing it. They have probably given it quite a bit of consideration and would know a great deal more about it than we would.

MRS. ANSON A. DEARING

I believe that it would probably be better.

MRS. GLENN O. EDWARDS

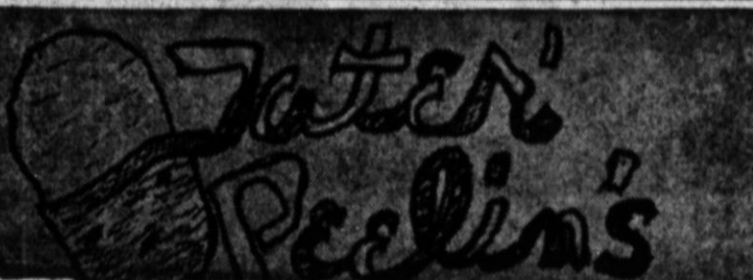

I believe it would be better and all the cars could be equipped with standard places for plates. It seems to me it would be easier for identification, if all of them were alike.

MRS. J. H. FISH

I think it's an advantage to have them different colors, but I haven't thought about the size and the style.

MRS. R. E. HARGIS

Yes I do. It might make it easier for the law enforcement officers.

By ROBERTA CAMPBELL

Inquiries are still coming in on how to make a reservation for the lunch to be served in the High School gym at the District THDA meeting April 5.

Tickets may be bought from any of the H. D. Club presidents or by calling Mrs. A. E. Hodges. Booths will probably be set up in town on Monday—Dollar Day, as that is the last day they will be available.

Some of the women seem to think tickets will be on sale at the door, but since the food will be cooked on the way up from Fort Worth, and will be ready to serve when the caterers get here, you will likely be out of luck if you haven't put your name in the pot in advance.

Husbands, friends or members of other clubs will be welcome to come for lunch if they would like to buy a ticket. Congressman Walter Rogers will speak in the afternoon soon after lunch is over.

We are back in the "pup giving away" business again. Mrs. C. E. Sheppard came and picked one out for some children down at Edmonson. These are all tan with a white ring around the neck like a collie.

One from eight leaves seven more to choose from if you are interested.

Farmers seem to be hoping, if we have to have wind, it could at least blow some of the spider mites and the green bugs away and give the wheat a chance to get its second wind.

A lot of the fields look pretty sick but there are some real good patches that still have a healthy color.

One of the latest things we have heard of the refrigerator being used for is to keep ladybugs in cold storage.

to the point of evading tax returns and payments.

The United States has made strides in this direction during the entire term of President Eisenhower, who ousted many "Reds" from lucrative civil service jobs. Another important step requires an allegiance oath from all office holders.

Because we do believe in the freedoms offered through our Constitution, it appears

Community Builders

By JIMMIE LEE

The administrator of the Deaf Smith County Hospital, T. E. Seigler is this week's Community Builder.

He was born June 29, 1913 at Post Oak, Jack County. Seigler attended school at Olney until 1926, when he moved to Hereford with his parents. However, the biggest part of his school years was here in Hereford. He graduated from the Hereford School in 1930.

In the fall of 1930, Seigler entered the University of Texas, where he attended for one year.

After his year in college, Seigler went to Wichita Falls, where he worked for an automobile dealer.

In the year of 1938, he married Vivian Parker at Wichita Falls. They have two children, a daughter, Suzanne, 8, and a son, Steven, 9.

Then in January of 1941, he moved back to Hereford, where he did farming and ranching. He still owns his farm, which is located in the Dawn community, but he sold his ranch in 1943. The ranch was located 20 miles northwest of town. In addition to his farm, Seigler is operating a farm for his mother, Mrs. Mary E. Seigler. It is located three miles west of town.

He is a member of the Presbyterian Church and in the past, Seigler taught a Sunday School class. He was very young when he joined the church.

Seigler likes to play golf for a pastime, but he doesn't get a chance to play very often.

He belongs to the Lion's Club and in 1945-46, he was president of the club. At present, he is treasurer of the Boy Scouts, Troop 50.

He is also president of the Deaf Smith County Electric coop. Seigler has served on the Hospital Board for six years, this was before he started working there.

Seigler belongs to the Masonic Lodge, Scottish Rite Chapter, and is a thirty-second Degree Mason.

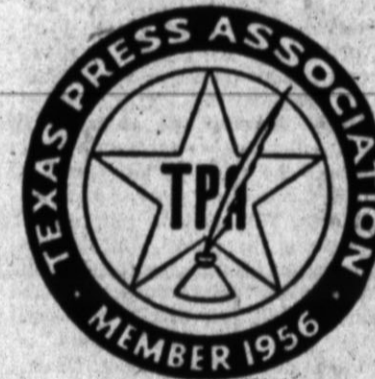

Getting back to the hospital, he has been administrator of the Deaf Smith County Hospital for about four years. However, this was interrupted for 16 months when he was in the automobile business for himself.

When asked what he liked most about Hereford, Seigler replied, "The people mostly. I like the schools, the churches and the hospital." He has no dislikes, "except for the dust storms."

His opinion of what Hereford needs is "We need badly some more hospital room, especially for children," Seigler said. "We are trying to get that job done through private subscription, rather than bond issue."

This week's Community Builder plays an important part in the lives of the people here in Hereford, because, what would it be like without a hospital and what would a hospital be without a capable administrator?

Panhandle Paragraphs

OLDHAM COUNTY MAY HAVE LIQUOR ELECTION

Petitions are now being circulated in Oldham County for the purpose of calling an election on the question of the sale of alcoholic beverages in the county. A meeting was held Monday evening, with 28 persons in attendance—two representing Adrian, a Mr. Edwards representing the Texas alcohol-narcotics education organization and the others from Vega—at which time an organization was formed and its purpose outlined. The petitions in Oldham County must bear at least 175 signatures (25 per cent of the votes cast in the last election for governor) and be presented to the commissioners court at the April meeting for the commissioners to take action on the matter of calling an election.

—THE VEGA ENTERPRISE.

AMHERST SCHOOL BOND VOTE FAVORABLE

The \$240,000 bond election that was called by the Amherst School District was held at the American Legion Hall in Amherst Saturday. Less than 10 per cent of the voters were against the bond issue. Two hundred and eighty persons voted in Saturday's election, twenty-one against and two hundred sixty-six for it. The issue was to provide four new classrooms, a dining room and kitchen, toilets, nurses' room and elementary principal's office.—LAMB COUNTY LEADER.

TULIA STARTS PAVING PROJECT

Work should begin on the curb and gutter project along Highway 86 through the city limits of Tulia within the next week, according to City Manager Hollis Cagle. The city council has passed a motion assessing each property owner along the route for the amount due. McGann Construction Company which will do the work reports that cost of the curb and gutter will be \$1.30 a running foot which is 10c a foot higher than was charged for the other work it performed throughout the city in the recent curbing project just completed. McGann said this 10c a foot increase is due to an increase in the cost of cement and higher freight rates. However, this \$1.30 figure is still far below the \$1.75 a foot price which the highway department originally estimated it would cost.—THE TULIA HERALD.

The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher on his Johnson grass farm comes up with another impossible idea this week, which we publish only in the interest of freedom of the press.

Dear editor:

As I understand it, there is considerable concern in Washington over the fact Congress has taken so long to get a farm bill passed it might not get into operation before the planting season arrives.

"The planting season is rushing toward us, has already arrived in the southern part of the country, and Congress ought to get some action on a farm bill," Washington leaders said with considerable worry last week. They may not all know when the planting season is far all sections of the country, but they all know when the election is.

This is one worry I personally can relieve Washington of, I am perfectly willing to delay my planting as long as it takes.

I have tried planting by the moon, by the calendar, by a soil thermometer, by my rheumatism, by my neighbors, and by the farm magazines, and I don't believe I'd have any worse luck if I planted by Congress.

As far as I am concerned, Congress can take all spring and most of the summer if it wants to, and I'll be glad to hold up on my planting until everybody in Washington is convinced the farm problem is solved. I don't know about others, most farmers can't seem to wait to get seed in the ground, but I know my patriotic duty when I see it. I'm waiting.

Talking about the farm problem and the big surpluses we've been piling up, I have hit on a way which I believe would eliminate the surplus in a couple of years, maybe one year.

I estimate there are in this country at least a million or two people whose job consists of telling farmers how to farm. You take all the magazine editors, newspaper agricultural writers, agricultural college professors, radio farm editors, Department of Agriculture experts, extension workers, vocational agriculture teachers, private farm foundation experts, street corner town experts, business men who believe they could farm better than farmers, luncheon clubs with farm programs, and politicians who promise to solve the farm problem, and add it up, and you'll get a pretty sizeable figure.

Well, I'm not objecting to all this advice, but as it is very few of us farmers are using enough of it and it ought to be put to use, and who could do it better than the people who are giving it?

Here's the way to eliminate the surplus: Let all these people switch jobs with farmers for two years, and I guarantee the surplus will disappear.

If you think this suggestion has any merit, come on out. Yours faithfully,
J. A.

There are several kinds and forms of propaganda. It is simply a technique of influencing people to believe certain ideas. It could be called concentrated advertising. Its powers can be used for both good and bad purposes. The recent developments in Russia concerning the condemnation of Stalin proves how completely people can be absorbed and controlled when they refuse or fail to think for themselves and accept at face value those things that they are told. Stalin had been built into a living God in the eyes of the Russian people by the mechanics of false propaganda. His death afforded the propagandists an excellent opportunity to increase the devotion of the Russian people to this man. They placed him in the tomb with Lenin and promptly proceeded to build him up to a more exalted position, if such were possible. This was clearly evident to those of us who visited in Russia. We could joke with the Russians on any subject except Lenin and Stalin. The minute any of us made a statement that could be interpreted, through the most strained construction, as an indirect reflection on either of these men, their abilities or their accomplishments, we were promptly called

down and advised in a very pleasant but firm manner to cease and desist.

Now we are being told, in effect, by the heads of the Russian government, that Stalin was a scoundrel, a rogue and a black guard. There is no reason to believe that the present Russian officials, who now have charge of the propaganda machine, will not be successful in tearing this man to pieces. Their success will definitely prove how completely effective propaganda can be. It seems to me that they have made one mistake in picking on Stalin, alone. If they follow their past procedures, their success in destroying Stalin will require the destruction of all material things commemorating him. The entire country and several of the satellites are literally loaded with statues and tremendous portraits of Stalin and Lenin shaking hands with their arms folded or otherwise embracing each other. If they had included Lenin in their purge of the deceased they could destroy the whole statue or the whole portrait, and the expense would be much less than destroying Stalin without marring Lenin. Incidentally, they will have to change the name of their top automobile, which is known as the "Zis." The "s" stands for Stalin. There will probably be a hot debate as to whether or not the name will be changed to the "Zib" for Bulganin or the "Zik" for Khrushchev.

FAVORITE—Carl Covington, who has recently moved to Hereford with his parents, Mr. and Mrs. C. W. Covington, from Plainview, was named Junior Favorite at Plainview High School just before he moved.

THE PRESENT STATUS OF THE FARM LEGISLATION
The heavy thinkers on the House and Senate Agriculture Committees are getting their heads together to try to analyze the bill that was finally passed by the Senate. The conference between the two houses should be in full swing when you receive this letter. It is hoped that the many controversial issues in the legislation may be resolved and that an acceptable compromise will be prepared and ready to submit to both the Senate and the House of Representatives not later than April 10.

Last week Congress passed a law to permit the Department of Justice to violate a law in order to employ two individuals to help enforce a law. Some merry-go-round.

The Department of Justice had requested that bills be passed authorizing it to hire two retired army generals who could not be hired otherwise, without the Department of Justice being in violation of the law.

VISITORS
Dr. and Mrs. Woolworth Russell of Amarillo visited us this week. They were attending a convention in the Capital City.
WALTER ROGERS
Member of Congress
18th District of Texas

America's first lightship was stationed off Norfolk, Va. in 1820, says the National Geographic Society.

The most effective weapon against bad propaganda is "truth." That is the truth, the whole truth, and nothing but the truth. In order to utilize this weapon to the best advantage, each individual must use his own thought processes with which God has endowed him, and very carefully weigh those things that he sees and hears. Otherwise, we, too, could easily become the victims of this insidious practice.

POLITICAL PREDICTIONS
I pointed out in a previous newsletter that certain forces in this country had decided to limit the Democratic Party to three possible nominees, namely Harriman, Ke-fauver and Stevenson. These forces proceeded to build up these three men as potential candidates of the Democratic Party and to promptly discount the chances of others who might aspire to this position. The truth of this prediction is becoming more evident each day. The obvious purpose is to cause a three-way split in the Democratic Party. My prediction is that in the final analysis, these practices will fail and the Democratic Convention will name a nominee other than these three. There is a possibility of one of them being on the ticket as vice president, but the man leading the ticket will be none of the three.

How Can I?

Q. How can I prevent the linen tablecloth from sticking to the table?

A. A piece of waxed paper or oil-cloth placed under the linen which covers a table will prevent sticking to the polished surface during hot weather. It also prevents stains from overturned receptacles.

Q. How can I keep white flannels soft and white?

A. When washing white flannels and woollens, squeeze the juice of half a lemon into the last rinse water and it will keep them soft and white.

Q. How can I remove face pimples?

A. Wash the face daily in hot castile soap suds. Rinse in hot water and then in cold water.

Q. How can I prevent the slipping of the food chopper off the table?

A. When fastening the food chopper to the kitchen table, place a piece of sandpaper under each clamp, rough side next to the table, and it will not loosen.

Q. How can I remove syrup and egg stains from linen?

A. Syrup stains on linen will dissolve in water. Egg, cocoa, chocolate, grease, and cream stains can be removed by rubbing with soap.

Q. How can I keep celery crisp?

A. After washing, wrap tightly in a piece of clean wrapping paper and place on the ice.

Q. How can I easily rinse heavy articles such as blankets?

A. Using a garden hose will make the work much easier. Blankets rinsed in this way do not require wringing, as they will dry without wrinkles. Neither is the nap crushed, as no ironing is required.

Q. How can I hide unsightly places in the yard while waiting for shrubbery to grow?

A. Plant annuals and quick growing vines, and the result will be very pleasing. Later on the plants and vines may be removed.

Q. How can I make croissants?

A. Cut stale bread into cubes and toast them. Because the bread

is in small pieces it need not be broken into bits before eating.

Q. How can I clean straw hats?

A. By applying to each hat enough powdered sulphur, added to the juice of two lemons, to make a thin paste, and then drying in

the sun. When thoroughly dry, rub off the surplus sulphur.

The loquat, a fruit that looks and tastes much like a plum, belongs to the same family as the apple and pear.

Household Scrapbook

Enlarge Cork
 If the cork in the bottle seems to have shrunk and you are reluctant to carry the bottle along with you for fear of spilling its contents, place the cork in a pan of boiling water and allow to remain until the water cools. The cork will expand to its original size and will fit the neck of the bottle very snugly.

Scorch Stains
 If a piece of white material is scorched while ironing, immediately rub the spot with a cloth dipped in diluted peroxide; cover with a clean cloth and run the iron over it.

Bolled Starch
 If the bolled starch is not to be used immediately, cover the dish closely. This will prevent a skin from forming over the top.

Gloves
 New kid gloves should not be put on the hands for the first time when in a hurry. If they are carefully put on, the kid will stretch gently to conform with the lines of the finger and hands. Do this the first time, and all other times will be easy.

Rugs
 Put a little turpentine in a bucket of hot water, dip the broom in this solution and go over the rugs with gentle strokes. It will freshen the rugs and also prevent moths.

The Paint Brush
 If a paint brush is stiff and hardened, put it in a pan and cover

it with vinegar. Allow to boil until the brush is soft and pliable.

House Plants
 When house plants become infested with insects, try sticking a few sulphur matches, heads down, into the soil around the plants. Spraying with a solution of naphtha soap and water is also effective.

Mud Stains
 Let the mud stains dry on the clothing, then break the crust and rub lightly to prevent driving the dirt into the material. If there are any remaining marks, rub with a little alcohol.

The Canary
 If the canary has lost vitality during the molting period, place a rusty nail in the drinking water. It will supply iron to the bird when he is not so active as usual.

Croquettes
 If the croquettes have been placed in the refrigerator before cooking be sure to remove them at least an hour before wanted. Otherwise they become so cold that they will often brown all over the surface but not be hot on the inside.

DRUNK TESTS COSTLY
MONMOUTH, Ill.—Those intoxicometer tests police give to inebriated motorists are costly. State Atty. Buford W. Hottle Jr., convinced the board of supervisors the device was necessary in determining if drivers suspected of driving while intoxicated were really drunk. The board authorized the purchase of 36 of the balloon test devices at a cost of \$4 each.

ICE CREAM OPERATION STORRS, Conn.—The University of Connecticut undergraduate newspaper says a student came to the infirmary to have a silver of lead removed from his palm, and was hustled onto an operating table where attendants began preparing him for a blood transfusion before he could tell them what he wanted. The student was treated as an emergency case because his white shirt was bespattered with red — strawberry flavoring from the university's ice cream-making department.

CARD OF THANKS

We want to take this opportunity to thank everyone who was so kind and helpful during my recent injury and convalescence in the hospital.

We want to thank Dr. Mims, Dr. Barnett, and all of the hospital staff who gave me such good care and to all who visited me and sent me flowers, candy, fruit, cigarettes, cards, magazines and especially "1100 old buddies." Also Marlin Gilliland who was so kind with his ambulance service, and to all the high school boys who were so kind and helpful.

We can't name all, or we can't find words to express our thanks and gratitude. So to all we say thanks and God bless each and everyone of you.

"NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENTS"

A RESOLUTION PROVIDING THAT NOTICE BE GIVEN OF THE INTENTION OF THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS, TO SUBMIT TO THE QUALIFIED VOTERS OF THE CITY, FOR APPROVAL OR REJECTION, AMENDMENTS TO THE EXISTING CHARTER OF THE CITY OF HEREFORD.

WHEREAS, the City Commission of the City of Hereford deems it advisable at this time to submit to the qualified voters of the City of Hereford amendments to the existing charter; and

WHEREAS, the City Charter of said City has not been altered or amended within two years next preceding this date:

THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS:

SECTION ONE: That it is the intention of said City Commission to pass an ordinance on the 16th day of April, 1956, for the purpose of submitting to the qualified voters of said City, at an election to be held for that purpose, the following amendments to the existing charter:

AMENDMENT NO. 1
To amend Sections One and Two of Article IV of the City Charter of the City of Hereford so as to hereafter read as follows:

"Section 1. Governing Body: The governing and law-making body of the City of Hereford shall consist of four members and a mayor and said body shall be known as the City Commission of the City of Hereford, Texas."

"Section 2. Elective Officers: The members of the City Commission of the City of Hereford shall include four commissioners and a mayor, all of whom shall be elected from the City at large, and shall be the only elected officers of the city.

(a) The mayor shall be elected

and hold office for a term of two years at an election to be held on the first Tuesday in April in each odd numbered year, and the present mayor shall continue in office until he is replaced by his qualified successor to be elected in 1957.

(b) The commissioners shall be designated respectively Commissioner, Place No. One; Commissioner, Place No. Two; Commissioner, Place No. Three; and Commissioner, Place No. Four. The two present commissioners are hereby designated as Commissioner, Place No. 1 and Commissioner, Place No. 2, respectively, and the said present commissioners shall continue in office until they are replaced by their qualified successors to be elected in 1957. Two additional commissioners shall be elected at a special election held for that purpose at such time as shall be selected by the present City Commission, but not later than the 1st day of September, 1956. Such additional commissioners shall be designated Commissioner, Place No. Three, and Commissioner, Place No. Four, respectively, and they shall hold office until they are replaced by their qualified successors to be elected in 1958.

(c) Hereafter, Commissioner, Place No. One, and Commissioner, Place No. Two, shall be elected and hold office for a term of two years at an election to be held on the first Tuesday in April in each odd numbered year; and Commissioner, Place No. Three and Commissioner, Place No. Four, shall be elected and hold office for a term of two years at an election to be held on the first Tuesday of April in each even numbered year.

AMENDMENT NO. 2
To amend Section Eight of Article V of the City Charter of the City of Hereford so as to hereafter read as follows:

"Section 8. Corporation Court: (a) There shall be established and maintained a court designated as a "Corporation Court" for the trial of misdemeanor offenses, with all such powers and duties as are now or hereafter may be prescribed by the laws of the State

of Texas relative to Corporation or Recorder's Courts.

(b) Said Court shall have jurisdiction within the territorial limits of said city of all criminal cases arising under the ordinances of such city, and shall have concurrent jurisdiction with the Justice of the Peace of the Precinct, or Precincts, in which the City is or may be situated of all criminal cases arising under the criminal laws of the State, where the offense is committed within the territorial limits of said city and the punishment is by fine only and the maximum of said fine, under the laws of this state, may not exceed two hundred dollars (\$200.00). Said court shall have no civil jurisdiction, except for the forfeiture and collection of bonds given in proceedings herein. It shall also have jurisdiction of violations of ordinances of the city enacted for the preservation of its water system, watersheds of the city's water supply, and the purity of the water supply, its sewer disposal plant and its garbage dumping grounds, whether such offenses are committed inside or outside of the Corporate limits of the City of Hereford, and the violations of any nuisance ordinance within five thousand feet of the Corporate limits of the City, outside of the city limits.

(c) The Judge of said Court shall be a qualified voter of the City of Hereford, shall be appointed by the City Commission, shall hold his office at the pleasure of the City Commission, and shall receive such salary as may be fixed by the City Commission.

(d) The Judge of said Corporation Court shall have power to punish for contempt to the same extent and under the same circumstances as the Justice of the Peace may punish for contempt in all criminal cases.

(e) All complaints, prosecution, the service of process, commitment of those convicted of offenses, the collection and payment of fines, the attendance and service of witnesses and juries, punishment for contempt, bail and the taking of bonds shall be governed by the provisions of Title 2 of the Code of Criminal Procedure of the State of Texas applicable to Corporation Courts.

(f) The City Secretary or an assistant City Secretary shall be ex-officio clerk of said court.

(g) The Clerk of said Court and his deputies shall have the power to administer oaths and affidavits, make certificates, affix the seal of said Court thereto, and generally do and perform any and all acts usual and necessary by the clerk of courts in issuing process of said courts and conducting the business thereof.

(h) In case of the disability or absence of the Judge of the Corporation Court, the City Manager, or in the absence or disability of the City Manager, the Mayor, shall act as Judge of said Court.

SECTION TWO: That the Mayor is authorized and instructed to publish a copy of this resolution in The Sunday Brand, the official newspaper of the City of Hereford, as notice of the intention of the City Commission to submit said amendments, and the same when marked "Notice of Intention to Submit Charter Amendments," signed by the Mayor and attested by the City Secretary, and published as aforesaid, shall be due notice thereof.

SECTION THREE: That said notice shall be published in The Sunday Brand, the official newspaper as aforesaid, for not less than twenty days prior to the date on which the proposed ordinance to be passed.

PASSED AND APPROVED, THIS THE 19th DAY OF March, 1956.

s/J. H. Sears
Mayor, City of Hereford, Texas
ATTEST:
s/Thelma Jersig,
City Secretary, City of Hereford, Texas
(City Seal) B-39-7c.

Legal Notice

NOTICE IS HEREBY GIVEN THAT THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS will meet on the 2nd day of April 1956 at 7:30 PM at its office in the City Hall building for the purpose of holding a public hearing on a budget for the City of Hereford, for the fiscal year of 1956-1957 at which hearing any taxpayer of the City of Hereford shall have the right to be present and participate in such hearing.

J. H. Sears, Mayor
B-13-2c.

POLICE WANT AD
ANN ARBOR, Mich. (AP)—Ann Arbor's police department, caught 15 officers short, has advertised under the "male help wanted" section of the Ann Arbor News for patrolmen.

Chief Caspar Enkemann says it was the first time in his memory that the department has ever had to advertise for this purpose.

The department difficulties were

increased when 11 men quit because of low pay. It usually employs 66 men.

DUAL WHISTLE
SOUTH CHARLESTON, W. Va. (AP)—It had to happen. A fire was reported exactly at 10 p.m., just when the fire whistle is supposed to sound the curfew.

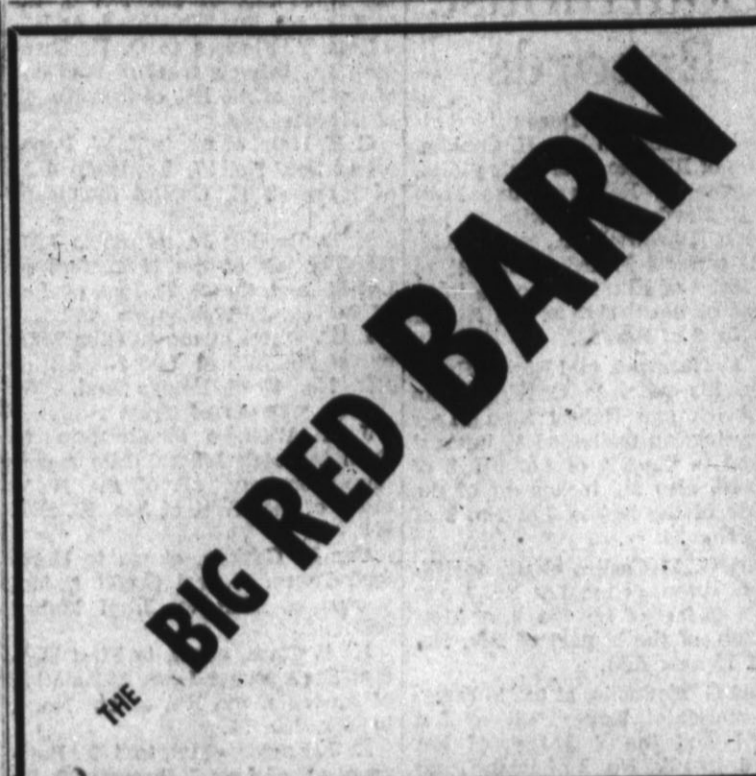

Firemen explained that they just blew it louder and longer — then quickly put out a fire in the living room of the Ed Weinstler home.

LIMITS FOR PAUPER
HOUSTON, Tex. (AP)—Federal Judge Ben C. Connally ruled you can't force the government to pay \$15 so you can sue it to collect a refund of \$1.20 on your income tax.

A convict in the Texas prison filed a petition to collect the \$1.20, and along with it a pauper's oath that he couldn't pay the \$15 filing fee.

Connally said if the man wanted to sue, he'd have to pay the fee.

The Dead Sea is 1290 feet below sea level.

Legal Notice

THE STATE OF TEXAS

To: B. R. STEDDUM, Defendant, Greeting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 7th day of May, A. D. 1956, at or before ten o'clock A. M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 22nd day of March A. D. 1956, in this cause, numbered 3863 on the docket of said court, and styled, VIVIAN J. STEDDUM, Plaintiff, vs. B. R. STEDDUM, Defendant.

The names of the parties to the cause are as follows: VIVIAN J. STEDDUM is Plaintiff and B. R. STEDDUM is Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues for divorce on grounds that Defendant is guilty of excesses and cruel treatment and alleges that no children were born to Plaintiff and Defendant, no property accumulated during their marriage, and seeks restoration of her former name, Vivian J. Vernon, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this the 22nd day of March A. D. 1956.

Attest:
s/ Lucille Posey, Clerk,
District Court, Deaf Smith County, Texas.
(SEAL) S-39-4c.

Modernize your Kitchen... Install an Automatic Gas Range

Built-in beauty that will last a housetime

Now is the time to see your builder, dealer or architect about installing a modern, automatic Gas range in your kitchen. The new 1956 Gas ranges are now available. They feature such marvelous new cooking features as: The thermostatically controlled gas top surface unit that takes the guesswork out of top-of-the-range cooking. Smokeless rotisserie. Automatic top burner controls. Plus... the many fine features that only gas ranges have offered for years.

You will find there is a Gas range available to fit every home and every pocketbook. You also will find that only Gas ranges offer you a lifetime burner warranty... plus real savings in operation.

Better Your Living Bless Your Budget

Illustrated above is the Suburban built-in automatic Gas range. This range is approved by the American Gas Association Testing Laboratories.

Letter To The Editor

Dear Editor:
Today we face the real and present danger of complete destruction of our land, our livelihood, our communities, and our way of life by uncontrolled and calculated greed of outside personal interest groups. On behalf of ourselves, our children, our children's children, and the future residents of our section of the State and any other portions of the State which are now or in the future may be so threatened, we must act quickly and in unison before it is too late.

The wedge in the flood gate is at present being driven by the City of Lubbock, in their proposal to drill wells and construct a high pipeline some 50 or more miles to Bailey County with the express purpose of draining the underground water resources of some 53,000 acres of Bailey County and piping the water to the City of

Lubbock for industrial and commercial use.

The City of Lubbock is taking this action for its own selfish purpose and with full knowledge from its own past experience with wells in its own immediate vicinity that the water supplies tapped will at best furnish only a temporary water source, and that when that source is exhausted the city will still have to locate and develop another source of readily replaceable water.

If this action by the City of Lubbock is permitted, who can say what personal interest will be next to lay claim upon the underground water supply of this, the High Plains area? Because the water sands are interconnecting, drainage of one area is drainage of all, therefore the reduction of one area to an irreclaimable desert will likewise reduce a major portion of all the surrounding counties to a similar desert status.

For this reason the Bi-State Water Commission makes this appeal to all farsighted and interested

people of this section of the State of Texas to join this crusade, whose aim is to the fullest extent in any and all possible ways to avert or at least control the calamity which threatens us, and to maintain for us the freedom from confiscation and waste of our property, and from the futile destruction of our civilization to which all citizens and areas of our state and nation are inherently entitled.

PETITIONS HAVE BEEN PREPARED AND ARE BEING SET UP AND PASSED AROUND THROUGH YOUR AREA TO IMPLORE GOVERNOR ALLAN SHIVERS TO EXERT HIS OFFICE TO THE FULLEST EXTENT TO AVERT OR AT LEAST CONTROL THIS THREATENED DISASTER.

The right of petition is guaranteed under the constitution of the State of Texas and the United States of America.

We of the Bi-State Water Commission beseech you, the citizens of all the High Plains, to join with us in this endeavor to prevent the futile destruction of the civiliza-

tion we have so laboriously built. L. T. Green, Jr., Muleshoe President Bi-State Water Commission

ENTRY, NOT EXIT
LAWTON, Okla. (AP)—Prisoners in the Comanche County jail didn't try to escape when back saw blades were smuggled into the jail. They sawed an opening into an adjacent vault where liquor was stored, helped themselves to a doz-

en bottles of wine and started a celebration.

IF WAS HOT
FORT WORTH, Tex. (AP)—Police summoned to break up a gang fight at a downtown tavern found no gang fight, not even a gang, but the bar was wrecked. The tavern was empty except for an 18-year old youth who explained: "I only came to deliver the hot tamales."

Black News

By MRS. DICK ROCKEY

Mr. and Mrs. John Bengier went to Amarillo Saturday and spent the night with her brother, the Allen Bridges, and Sunday the two families, with other relatives, went to Beaver, Okla., to help their father celebrate his 80th birthday.

Mr. and Mrs. Glen Roberson and Marie were in Amarillo Wednesday on business.

Mrs. Howard Elmore and Mrs. Tom Presley were shopping in Hereford Saturday.

Our sympathy goes out to Mrs. L. L. Deaton on the death of her father, Mr. L. Y. Crow. Mr. Crow made his home with his son, Bill Crow, in Hereford. The body was taken to Jacksboro for burial.

Newt Gore was in charge of the Black store while Mr. and Mrs. L. L. Deaton were gone, due to the death of her father.

Mr. and Mrs. Johnnie Bengier visited Sunday with Mr. and Mrs. Jerry McCathern and family.

Sunday dinner guests of Mr. and Mrs. Bud Elmore were his parents, Mr. and Mrs. H. H. Elmore.

Mrs. R. E. Barnett returned home Wednesday from the Deaf Smith County Hospital where she had been for a week. We are wishing you a speedy recovery, Mrs. Barnett.

Mrs. Lloyd Prewett, Mrs. Wood-

roe Whitaker and Mrs. Dick Rockekey attended the Home Demonstration Council at Bovina Monday afternoon.

Mrs. G. R. Brock returned to Lubbock Sunday after spending a few days with her folks, Mr. and Mrs. R. E. Barnett.

Mrs. Gertie Latta from Fargo, Okla., spent Wednesday night with her brother and wife, Mr. and Mrs. John Bengier.

Mr. and Mrs. J. R. Braxton, Ray Gene, and Jimmie visited in Amarillo Sunday.

Jack Caldwell from Abilene spent Saturday visiting in the Ellis Tatum home.

Jeffery Price, small son of Mr. and Mrs. Ralph Price, has been on the sick list, but at present is doing ok.

Dwight Whitaker lost a few days of school last week, due to illness. He started back to school Monday.

Mrs. Ellis Tatum and son, Tommie, returned home Wednesday from Lubbock where they spent three days at the Fat Stock Show.

Our Black Community project ended March 31.

We are surely busy this week getting the finishing touches done.

Bert Shackelford offered all the aluminum paint we needed to paint the mail boxes — now all we need is a volunteer. Since our men are so busy in the fields you might look out and see one of the women painting your box. Yes, we are having fun.

There were 20 of the drinking water wells tested Monday. Thursday, the men and boys of our community went to the Farmer County Hospital to have their blood typed.

This is a project for our Health committee.

The committees met Monday night at the Community House to work on our reports which must be in to Joe Jones, our county agent, by March 31.

Weekend guests of Mr. and Mrs. John S. Thompson were his parents, Mr. and Mrs. Charlie Thompson and Doyle and a nephew, Earl Dene Wayland, from Gage, Okla.

YEAR'S RAIN DEFICIT
TOPEKA, Kan. (AP)—Lost: One year's rain in Kansas.

The weather bureau says a four-year-drought, among the worst in the state's history, now has cost farmers a year's normal precipitation.

Kansas is the nation's leading winter wheat producer.

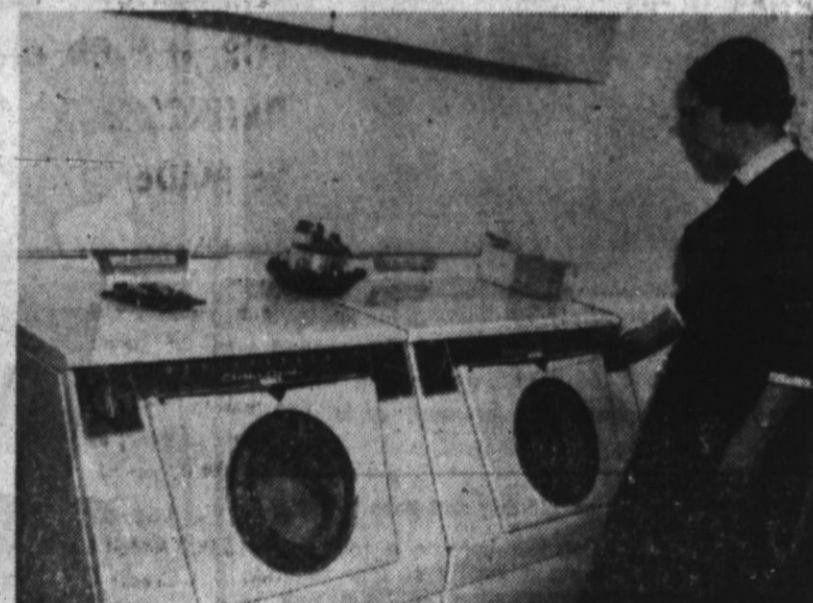

CONCERTED TROUBLE
CHARLESTON (AP)—While the Charleston Civic Chorus sang the Mozart Grand Mass at a public concert in Morris Harvey College Auditorium, thieves ransacked belongings of the singers which had been left in the rehearsal room.

Five women reported a collective loss of \$34 from their purses.

MRS. C. C. MURPHY
2200 GIDDINGS STREET
CLOVIS, NEW MEXICO

"Our whole family enjoys our
ELECTRIC WATER HEATERS!"

"Every place where hot water is needed, each member of our family enjoys the benefits of our electric water heaters."

There are five in the family, too, but Mrs. Murphy adds, "We are never out of hot water."

And, for parents, here's something that's very important from Mrs. Murphy. She says, "My

husband and I know that heating water the electric way is completely safe. Why, you can use the space above the water heater for storage."

For speed, safety, cleanliness — yes, and economy, too, for Reddy's special water heating rate makes the cost less than you'd think, see the modern water heater. Of course, it's electric.

First 230,000 Volt Line In State Connects City With Power Plant X

Hereford is one of the terminal points for the largest electric transmission line in the Southwestern Public Service Company's 45,000 square mile system.

The new transmission line, the first 230,000 volt line to be built in the State of Texas, runs from Hereford to Plant X. It is the first link in a long-range program to double the current-carrying capacity of the transmission line network which links all of the Public Service plants together.

Some idea of the strength and size of the new conductor to be used on this line is the fact that at the mid-point between two spans supporting it, it could stand the weight of six average automobiles.

What's more, the line has been engineered to stand a side pull equal to the wind blowing at a 135 mile an hour rate—high even for this area.

The line is scheduled to go into operation in the near future at a capacity of 115,000 volts, presently the largest transmission voltage in the Public Service system. However, it is a matter of a few minor adjustments to convert the line to the 230,000 volts for which it has been designed and built.

Hereford is on the 'main line' electrically speaking. The interchange substation, one of the largest in our system, is a vital link between Amarillo and Clovis and Amarillo and Plant X. How important Hereford is in the electrical future can be measured by the fact that we are on the first link of the new transmission line.

Clee Meharg, Public Service district manager, said. The new construction is a part of Southwestern Public Service Company's 1956 improvement budget of more than \$12,500,000. Public Service has invested more than \$160,000,000 in new equipment in the last 10 years, giving this region one of the highest percentages of new utility equipment in the nation.

LARGEST IN STATE—For better living electrically, the Southwestern Public Service Company has constructed a new transmission line between Hereford and Plant X which is twice as large as any other line in the company's 45,000 square mile service area. Pretty Donna Stout is holding the electric "lifeline" in her right hand to show you how much larger it is than a package of Life Savers.

SAFETY MEASURE—For greater safety in erecting the massive 75 foot structures they were "put together" on the ground and raised into position with a 60 foot crane on an Athey Wagon. These structures will stand the pressure of a 160 mile an hour wind.

THE STRAIGHT ROAD
TALLAHASSEE, Fla. (AP)—The Florida Road Department received a highway marker in the mail along with a letter from a man in Lambert, Minn., saying it had been taken as a souvenir in 1949. The letter concluded: "Several years ago I became a Christian and my entire life has been changed. Will you accept this road marker and my apologies for having taken it?" The Department assured him all is forgiven.

HE IS PUP SITTER
NASHVILLE, Mich. (AP)—Belle is a rabbit dog and likes to hunt. But she became a mother and having a family of four required a puppy sitter if Belle was to chase rabbits. So Belle arranged with a Rhode Island Red hen who likes nothing better than spreading her wings over the pups while Belle roams. The pups like it, too—it's warm.

SAVING JOB
BALTIMORE (AP)—One of the tellers at the Mercantile - Safe Deposit and Trust Co., is named Mr. Thrift.

How Can I?

By Anne Ashby

Q. How can I clean chambray gloves?

A. Make a strong suds of white castile soap. Dissolve 1 teaspoonful of borax in 1/2 pint of hot water and add this to 1 quart of the suds. When cold, put gloves on hands and wash gently in the same manner as washing the hands. Rinse in the same way. When dry, rub between the hands to soften.

Q. How can I brighten a dulled mirror?

A. If a little spirits of camphor or alcohol is rubbed on the mirror after it has been dusted, it will brighten it wonderfully.

Q. How can I measure one cup with a tablespoon?

A. Sixteen tablespoons equal 1 cup, 3 teaspoons equal 1 tablespoon, 60 drops equal 1 small teaspoon.

Q. How can I remove scorched marks from an enamelware pan?

A. Fill the enamelware pan half full with cold water, add one teaspoonful of washing soda, heat it slowly to boiling point, then clean out the pan in usual way. The scorch will disappear.

Q. How can I clean leather picture frames, portfolios, and other leather articles?

A. Use benzine. Apply with a soft cloth, and if the benzine removes the polish, apply the white of an egg, well beaten.

Q. How can I make a stiff starch?

A. Dissolve one teaspoonful of gum arabic and one teaspoonful of baking soda in a little water, adding this to one quart of starch.

Q. What is a home remedy for a sick headache?

A. Try laying thin slices of a raw potato across the forehead. Or allow a pinch of salt to dissolve on the tongue; then in about 10 minutes take a drink of cold water.

Q. How can I make tar soap?

A. By mixing thoroughly until united, one part of tar, 2 parts of liquor potassae, and 2 parts shaved soap.

Q. How can I bleach the skin?

A. An excellent skin bleach is buttermilk rubbed on the skin.

Q. How can I take the shine out of a silk garment?

A. Lay the garment on a table and with a flannel wet in cider vinegar rub the shiny place until it disappears. Hang the garment in a shady place and it will look like new when dry.

Q. How can I stop the bleeding of a deep cut?

A. Bind on tightly a handful of table salt. The salt will be very painful for awhile but it is healing and will stop the flow of blood.

NARCOTICS BY MAIL
ALBUQUERQUE, N. M. (AP)—There's good news these days for users of peyote—a narcotic used by some Indian tribes in certain religious rites. The Albuquerque Post Office has announced that the drug may be sent through the mails—unlike opium, marijuana or heroin.

The post office asked for a ruling on the narcotic after a COD shipment was mailed here last month from Mirando City, Tex.

Peyote is the product of a certain type of cactus bud which is found only in southern Texas and north central Mexico.

STAMPS WANTED
SAN DIEGO, Calif. (AP)—The need for stamps to help sick or injured service men at San Diego naval hospital continues, J. L. Zerbe says.

Zerbe, retired former University of Pennsylvania professor, is one of the leaders in showing the hospital patients how stamp collecting can serve as occupational therapy.

"This is an excellent time," he says, "for collectors who have unwanted duplicates or noncollectors who just have some stamps to send them to the Navy Hospital Stamp Club, Building 7, U.S. Navy Hospital, San Diego, 34, Calif."

The highest point in Ohio is 1550 foot Campbell Hill near Bellefontaine.
