Schools May Start In Churches Again

Tax Rate To Be \$1.50 This Year

With the 1956-57 school term scheduled to open in less than three weeks, trustees of the Hereford district met Tuesday night to close out last-minute details and to cope with such serious problems as higher taxes, crowded classrooms, temporary football seats, teacher salary boosts, and a choice between "half-day classes or once again moving into Hereford churches."

According to a report presented before the group by Bob Wagoner, president. To Have Four Rooms "The contractor is doing everything possible to finish the south wing (four classrooms) before Sept. 4," said Wagoner, "in order that this portion of the building may be put into use."

The board was then presented with two alternatives: half-day schedules for Shirley and Aikman students, beginning at 7:30 a. m. and running through 5:30 p. m., or finding outside facilities in which to house the overflow. The discussion, of necessity, once again included possible use of church facilities on a temporary basis.

"The problem depends largely upon the size of the classes," said Supt. Fred Cunningham in reviewing the problem. "If the classes are small we can work out consolidations and greatly help the situation; on the other hand, if the classes are large our troubles will be multiplied."

Definite action on the problem was delayed, but the board indicated a preference for "full day classes", due to complications in bus transportation, cafeterias, and general operations. Set Taxes at \$1.50

An across-the-board raise can also be expected on school taxes as a result of trustee action Tuesday night, when the group voted unanimously to raise the rate of the Hereford Rural High School district from \$1.35 to the state maximum of \$1.50, effective to cover the 1956-57 collections. The new rate allows \$1.10 for operation and maintenance, and 40 cents for interest and sinking fund.

Teachers Given \$100 Pay Hike

The current budget, based on the new \$1.50 rate, calls for \$385,337 in estimated costs as compared with a total income of \$383,000, leaving a surplus of \$7,663 provided the district makes 100 per cent collections. Along this line, the board also faced a problem in view of a letter from the School Equalization board recommending employment of full-time help to appraise values in the district. The letter stressed the fact that city property was being taxed "to the hilt" while land evaluations appeared low in numerous points. The matter was discussed briefly and tabled to handle more pressing problems.

Teachers Get \$100 More Despite the "tight" conditions on school revenue, the school board found itself in a squeeze resulting from rising living costs. Most teachers, including other schools in this area, were reported to be receiving an average of "\$400 over" state minimum allowances, while Hereford classroom teachers were receiving only "\$200 over" state allowances. The situation, Supt. Cunningham said, was putting Hereford at a distinct disadvantage in competing for outside teachers.

The board delved into the problem, reviewed all angles and voted unanimously to increase the salaries of Hereford classroom teachers, who now draw only the "\$200

(Continued on Page 5)

Success Predicted As Hospital Drive Hits \$5,920 Mark

Reporting a total of \$5,920 on hand as the result of a drive inaugurated last week to raise \$7,500 in additional funds to qualify for matching funds with which to construct a new \$111,000 children's wing on the Deaf Smith County hospital, Wayne Thomas, board chairman, said today that the group has hopes of "being ready" when a joint, deadline meeting is held here at 10:30 a. m. Friday.

"The \$1,680 doesn't look near as bad as the original \$7,500," said Thomas. "We have every hope of raising the necessary amount." Thomas also said that if the board is successful a contract on the new wing will probably be let at the joint meeting, scheduled with hospital board members, county officials, trustees of the Hill estate and the architect Friday.

The situation requiring \$7,500 arose when building costs exceeded the original estimates, and the Hill Estate offered additional matching funds with which to construct the wing.

Surface Work On US 60 Slated To Finish Next Week

Topping of Highway 60, from the intersection of Highways 51 and 60, west to the Castro County line near Summerfield is scheduled to reach completion by about Tuesday, Texas Highway Department spokesman L. J. Clark reported this week.

Topping on the highway began Tuesday, August 7, Clark said. The new topping covers about six and one-half miles from Hereford to the Castro County line.

Two one-inch layers will be spread to make a total thickness of about two inches. The work is near half completed, according to Clark. Gilvin and Terrell Inc. of Amarillo are in charge of construction.

The highway now consists of 40 feet of paved surface, but only about 24 feet of actual roadway. Eight-foot wide paved shoulders have been added in addition to some 18 inches to each side of the actual roadway.

Contract on the widening project was let for \$250,000.

Injury Slight In School Accident

V. N. Morrison of Amarillo, a construction worker on the new Ela Aikman Elementary School, was taken unconscious to Deaf Smith County Hospital Tuesday following contact with a 210-volt electric wire.

Attending physicians said the injuries were only minor, however, and he was hospitalized for only 24 hours. Doctors reported he was not burned.

Morrison, a carpenter, was drilling outside near some water. Other workers reported that the drill wouldn't work and Morrison went inside and threw light switches.

When he returned and picked up the drill to begin work again, he was knocked out, they said. He was carried by ambulance to Hereford Clinic and later to Deaf Smith County Hospital.

Managers Report 'No Details' For New Drouth Plan

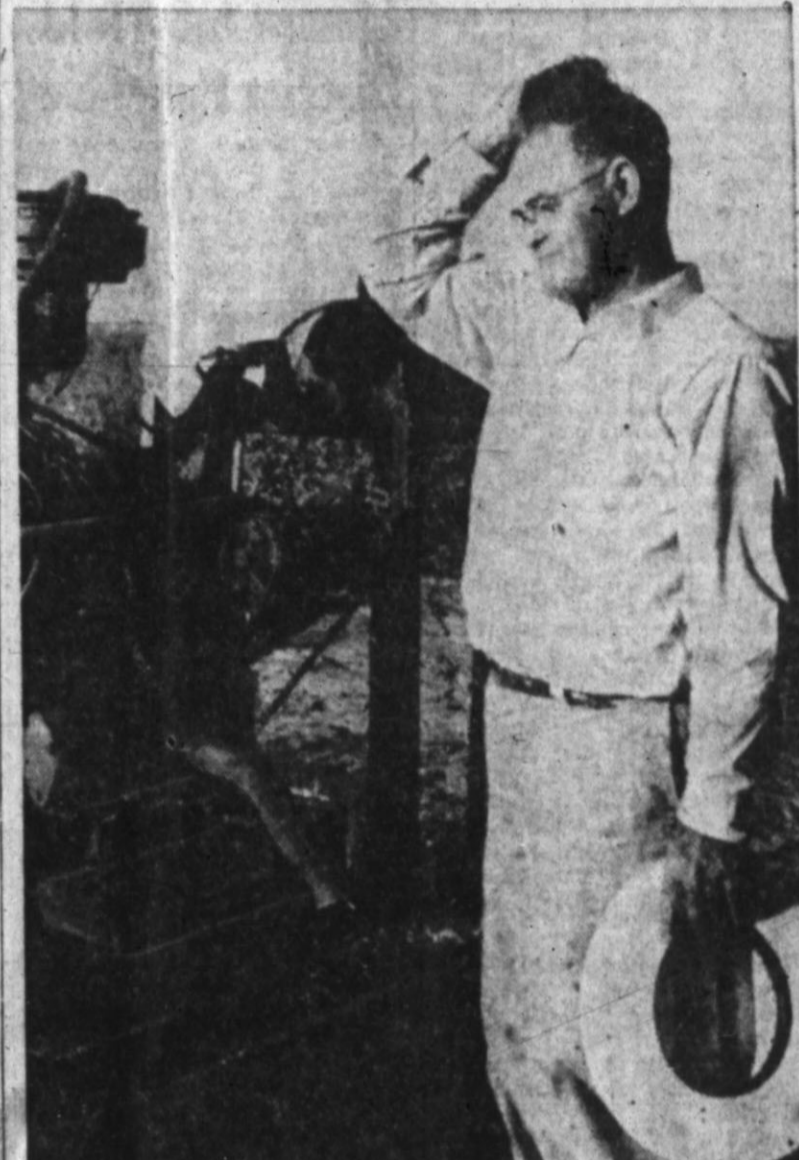

Despite recent publicity reporting increased pay on feed and the establishment of a plan to purchase hay under the Drouth Emergency Relief program, no information concerning the new plans has been received in offices serving this county, according to Faust Collier, ASC manager, and Walter Johnson, FFA supervisor.

"We have been flooded with telephone calls and inquiries regarding the raises," Collier said, "but we have not had one word of authorization or confirmed information from state headquarters."

Both men said that in case authorization for additional benefits came through that farmers and ranchmen of this area will be notified as soon as possible. Meanwhile, they said, that their hands are tied as to action or additional information on the proposed increased benefits.

GAS HEAD PROMISES TEMPORARY RELIEF

Dwindling Pressure Is Threat To Economy Of Irrigation Farmers

WHAT NOW? J. E. McCathern, above, like other irrigation farmers in the west part of the county, ponders the critical problem of being unable to start and operate his power plant as natural gas supplies dwindle this week. As McCathern puts it, "Right when I needed it the most!"

Farmers in the western part of Deaf Smith County, along with their parched crops, were today still reeling from the effects of a man-made drouth which reached a peak stage this week as natural gas supplies dwindled to a point where they could not start or efficiently operate irrigation wells.

A total of 300 wells was estimated "out" in the irrigation belt as a result of the shortage during the week.

Meanwhile, temporary relief—effective today—was promised by C. I. Wall, president of Pioneer Natural Gas Company, in a telephone interview with The Brand.

Working in cooperation with El Paso Natural, bulk suppliers to the local distributors, Wall said that arrangements have been made to step up pressure into this territory.

"We are backing off on the pressure north from Dumas and are diverting this additional gas into the south lines from which the Hereford irrigation district is fed," said Wall.

"This should help in getting sufficient pressure for the next two or three weeks to meet the emergency," said Wall. "It is strictly temporary but we are sparing no effort to meet the crisis." Wall also said that additional lines are being planned to avert future situations of this type—and that the Texas Railroad Commission has allocated twice the allotted pumping on wells in order to meet the emergency.

He attributed the situation to unprecedented use of gas in the area this summer. If the temporary measures go according to plan, eliminating additional loss of pumping time, several farmers indicated their loss would be small. If the plans do not materialize, however, the situation could cost producers in the strip east of Harrison Highway more than a million dollars, to say nothing of farmers who face a like plight in Farmer County and on into the Muleshoe district.

In the Hereford area, chiefly in the Westway territory, more than 30 farms and 50 irrigation wells had been effected by the gas short-ages. Most of the farmers were members of the West Deaf Smith County Cooperative Society. The farmers some two years ago formed a co-op and switched from bu-

tane to natural gas, after laying a pipe line at a cost of around \$30,000. Farmers in the area reported that gas pressure had been "coming and going" for more than a week. Gas pressure went on a premium basis Monday, however, when many of the farmers found themselves unable to start their wells, or to maintain enough pressure for efficient operation.

The hue and cry spread Tuesday, despite a slight rise in pressure, enabling several to start their wells. Others who could not get underway viewed parching grain/sorghum stands with frustration.

The gas just wasn't there! Back To Butane Many farmers met the emergency, at considerable expense, by converting their wells back to butane and propane gas. A few were able to haul tanks from storage places. Still others bought new equipment.

A few farmers were late over the situation, although Mr. Wall reported "unusually good cooperation and understanding" from most of them. Meanwhile, the story spread over town and rumors were literally "a dime a dozen."

Housewives, too, faced chaos in several instances where the stoves and refrigerators had been converted to natural gas. Several families ate "cold cuts" and the defrosting refrigerators thawed out to run on to kitchen floors, creating a mopping problem.

A check with several farmers in the area resulted in the following review of the situation:

"Need Water" "This hit us at a time right when the crops need water the most." J. E. McCathern, owner of the Lakeview Farm near Westway, said. McCathern had succeeded in starting two of his wells Tuesday afternoon, but was switching to butane on another. "It'll hurt my crops a lot if I don't get to step up irrigation." He estimated a million-dollar loss "just on this side of Harrison Highway" if the wells don't return to full pressure.

Harold Head said his crops had been hurt some, but added that others were in worse shape. "Of course, I'm nearer the main line and my wells haven't been shut down as much as some of the other-

(Continued on Page 2)

Around Town

People everywhere you went were this week talking about the National Democratic Convention now underway in Chicago. Gov. Frank Clements of Tennessee, keynote speaker, made quite a hit in the Hereford area with his oratory. Several people, in fact, were booming him as a possible darkhorse nominee.

Mr. and Mrs. John Douglas Pitman, along with G. D. Anderson of Bovina, are attending the convention. The trio left by train Saturday afternoon for the big affair, to which Pitman is a Texas delegate.

Two Dallas men dropped into this area for a few hours last week and made arrangements to purchase seven acres on the extreme east portion of the Lee Benefield place on Highway 60 east of town. The object, they told Benefield, will be to construct a combination eating place and drive-in theatre similar to the Lesley Chicken Shack and combination theatres operating in Central and East Texas. The land sold at \$500 an acre, and will be delivered when Benefield harvests his beet crop—probably around October 15.

The Tom Carrolls are moving to Friona soon, where Mrs. Carroll has accepted the position of public school nurse. She has worked in Hereford as a nurse for 28 years, and, for the past three years, has been employed at the Hereford Clinic. Tom will commute between Friona and Hereford, and will continue to work at Coopers.

Hereford Optimists are conducting their annual drive to collect produce to send to Boys' Ranch. First delivery will be made this weekend. Members of the Optimist Club are urging anyone who would like to donate potatoes, onions, carrots.

DROUTH OR NO DROUTH

Deposits Hit \$12,245,837 To Establish New Record

Hereford bank deposits soared to one of the all-time high figures ever reported in the community with a combined total of \$12,245,837.89 in the two local banks this week. The report was made in a Hereford Brand survey and was based on the close of business Friday afternoon, August 10.

494,812.36 during the past 40 days when compared with the combined total of \$9,821,025.53 on deposit here on the last regular call June 30, 1955—an increase of better than 25 per cent.

Almost the same condition exists when the present \$12,245,837.89 is compared with August 10, 1955; the same date last year showed combined deposits totaling \$9,703,939.17—a gain of \$2,541,898.72 during the 12-month period.

Combined loans on August 10, 1956, were \$5,031,729.69 as compared with \$4,399,175.18 on July 30, 1956, while the 1955 loan total on the August 10 comparison read \$3,814,282.93.

Also emphasizing the economic importance of the 1956 vegetable crops to the community is the fact that bank deposits previously recorded in 1956 have been consist-

ently under figures for similar periods in 1954 and 1955.

The August 10 date was chosen for comparison chiefly because it was a round figure, and was available without difficulty. Deposits in 1954 jumped above the \$10 million dollar mark and have once or twice passed \$11 million prior to sagging grain sorghum supports.

is Record Figure Since each of the banks operate independently, it is impossible to say if deposits have been higher, although local bankers are inclined to feel that they most likely have. Reports generally appear only on calls, since the combined figures are not available to either of the individual banks. Bankers recall only one instance where the official call showed more than \$11 million and offhand could remember no time when the combined total reached as high as \$12 million.

OFFICERS BUSY ON ASSAULT CASES

Line-Ups, Lie Detector Used To Check Suspects

A Negro man was released Monday after being held in connection with a series of alleged criminal assault attacks here. Chief of Police Leo Box said the man was taken into custody Saturday. Two of the girls who reported attacks to police identified him alone, but failed to identify him in a "lineup" with seven other Negro men, Box said.

Checked 22 Stories Police are now hunting two suspects who fit the description given by the girls. Box reported that 22 stories have been checked out since Tuesday, August 7, with no success in apprehending the assailant.

City police and sheriff's department officers Monday night investigated what was reported to be a prowler on Catalpa Street in the belief that he might be the Negro. However, a Latin-American fitting the description given by the informant was found and released after questioning, Box added.

Eleven Suspects Seen Previously 11 Negro men had been brought before the two white women and one Spanish-American girl who reported to officers that they had been attacked in their bedrooms. The two other Spanish-

American girls who witnessed the last attack also saw the man, but none could identify any of the eleven as the assailant, officers said. The second of the alleged victims, a young white woman who told officers she was forced to submit to a Negro man who threatened her with a knife, in her home on West Second Street, had volunteered to take a lie-detector test. Tests were given in both Amarillo and Austin, Box said.

In a radio interview he said that results of the test indicated that she had not told the truth when questioned. He added that Texas Rangers had been called in on the case but had withdrawn from the investigation following the uncovering of facts which tended to question the validity of the first two cases.

Police said the Latin-American girl reported she was awakened as a man attempted to smother her with a pillow. After a brief struggle she managed to scream for help. The attacker fled when two other girls rushed to her aid. The incident occurred shortly after 11 p. m. Tuesday night, August 7.

The first attack, reported after midnight, was made on a woman who told police she fought off the advances of the man.

Damages Slight When Freight Train Jumped Tracks Wednesday Morning

Three cars of the Santa Fe west-bound "81" left the track about one mile east of Hereford early Wednesday morning. No injuries were reported.

The cars were loaded with steel, washing machines, and hogs. Conductor of the train, F. D. Miller, said he didn't think damage was done to the cars loaded with steel and washing machines.

Hogs Are Injured The hogs were being unloaded into a truck after welders had gained entrance into the car by cutting a small door with a torch. None of the animals were found dead, but several were reported to have minor limb injuries and others had possible broken legs.

The hog car was turned completely over, resting lengthwise on the track. The other two were

turned crosswise to the track. The wheels had been torn loose from all three of the cars.

Clark said the derailment probably occurred when one of the cars dropped a wheel and broke a rail. The stack-up happened about 8:05 a. m.

Not a great deal of damage was done, according to Clark. The tracks should be cleared for traffic to pass through by noon or shortly thereafter, he said. None of the other cars of the 134-car train were damaged. The cars broke loose from the locomotive and it was not damaged either.

Ed Watson of Amarillo was engineer. The train was headed for Clovis. P. D. Clark was conductor, W. B. Ratliff brakeman, R. A. Dohoney brakeman, and Sam Crutcher fireman.

County Adopts Same Tax Rate

The Commissioners Court Monday set the tax rate at 95 cents, the same figure as last year, took initial steps toward sale of the "Bull Barn" lots, and employed Ed Warren to supervise construction of the proposed County Agricultural exhibit-building to be constructed east of town. The court also issued an order making formal application for \$26,551.85 to be shifted from state to county levels for use on lateral roads.

Taxpayers will face the same rate as last year on the four tax divisions handled through the county offices. This includes the 95-cent county rate, 42-cent state, 37-cent Road District tax, and 5-cent High Plains Water district.

A total of \$1.19 on the four units. The county rate is broken as follows:

Table with 2 columns: Item and Amount. Items include Jury Fund (.03), Road and Bridge (.15), Road-Bridge, Special (.15), General Fund (.35), Hospital Maintenance (.06), Hospital Int-Sinking (.10), Permanent Improvement (.04), General Improvement (.06), Total County (.95).

Walcott School Taxes Taxes for the Walcott Common School District No. 6 were re-set at \$1.50 with \$1.25 in the Maintenance Fund and 25 cents in the Interest and Sinking Fund. This is the only common school district operated in the county at the present time. The application for refund of \$26,551.85 for use on lateral roads was made to the Board of County and District Road Indebtedness at

Austin, and covers an annual refund from the state which comes chiefly from Texas Gasoline Tax, collected on the state level. The amount was exactly the same as that returned to the county in 1955 from the same source.

To Rush Building The Commissioners, faced with necessity of completing the proposed agricultural building as soon as possible, employed Ed Warren to check and supervise construction of the building—although they will not formally open bids on the structure until next Monday. Warren will represent the county throughout the construction work, checking on location, water and electric facilities and on all specifications. The building, when announced, will be a steel and masonry structure, 100x200 feet, and will be constructed to handle agricultural exhibits, 4-H and FFA shows, in addition to being open for other uses, including the Lions Club wrestling matches.

To Auction Lots With demolition of the "Bull Barn" underway, the Court authorized Ed Line to prepare papers for sale of the lots on Highway 60 at public auction. The Court also appointed A. J. Schroeter as trustee to act in connection with the sale.

Paying of bills and general discussion rounded out the meeting. The court also reviewed a resolution of appreciation to the Veterans Organizations for having made possible the grant of 18 acres of land on which the new ag building will be situated.

List Totals 118 Teachers For Coming Terms; Ten New Faces

Bob Naylor Will Replace Trew At Shirley School

With Hereford public schools scheduled to get underway Sept. 4, Supt. Fred J. Cunningham has announced the complete list of teachers in public schools. Five additional instructors have been hired, and there have been 10 teacher replacements for the term 1956-57.

A total of 118 faculty members will teach in Hereford public schools. There will be 32 in high school, 20 in Stanton Junior High, 19 in Aikman Elementary, 20 in Shirley, 21 in Central, three at Dawn Elementary, and two at Parkview School. This includes three principals, a school nurse, elementary co-ordinator, and assis-

tant superintendent. Bob Naylor will replace Dan Trew, who resigned Tuesday evening, as Shirley School principal. The position Naylor held as physical education teacher at Shirley is vacant, according to Cunningham. He also reported that each teacher now holds a degree, giving the Hereford faculty a 100 per cent degree total.

Added to the faculty are Ed Dwyer, Paul Jones, Mrs. Mattie Belle Ray, Mrs. Leroy Aven, and Ray Hartman.

New teachers are Bert McCarty, Fred Groves, Alex Glass, Charles Bell, Mary Smith, Mrs. Zenia Hobson, Mrs. Lene Faye Nivens, Mrs. Evelyn Francis, and Mrs. Vera Killingsworth.

Registration instructions will be released at a later date. Hereford public school facilities are as follows:

High School Teachers
Bert McCarty, biology, chemistry; Billye Buck, history; Char-

lotte Calvert, general science; Mrs. Leggett, library; Jessie Mae Dodson, girls' physical education, art; Margaret Durham, homemaking; Ed Dwyer, vocational agriculture; James Garner, mathematics; Fred Groves, mathematics; Alex Glass, boys' physical education, coach; Geraldine Hodges, homemaking; A. J. Hudson, typing; Craig Johnson, shop; Frank Jones, English; Paul Jones, biology, history, coach; W. H. Kitchens, driver's education, coach; Claude McDouglas, mathematics, English; Eloise McDougal, English; Charles Bell, band; Don W. Moore, choir; Mozelle Neill, mathematics, English;

Bessie Patterson, speech, typing; William R. Phillips, physics, civics; John Poindexter, history, coach; J. C. Reese, distributive education; Sadye Rigler, Spanish, English; Jess Robinson, vocational agriculture; L. B. Russell, mathematics, coach; Joe H. Smith, commercial; Mary Smith, English; Robert Thompson, social studies; V. C. Overall, principal.

Stanton Junior High
W. C. Quattlebaum, principal; Mrs. Claudia Brown, 8th grade English; Mrs. Minibel Collier, 8th grade geography; Miss Flo Dickinson, 7th grade English, reading, spelling; Byron Durham, 7th grade arithmetic; Mrs. Mary Duvall girls' physical education, office; Mrs. Alice Garner, 8th grade history; Mrs. Eleanor Hudspeth, librarian; 8th grade math; Mrs. Tandy Legg, 7th grade arithmetic, reading, spelling; J. E. Mead, physical education, coach; Mrs. S. C. Ramey, 7th grade geography, history; Mrs. Lottie Wertenberger, art, 7th grade science; Alvin Smith, 8th grade shop; Mrs. Lorene Stanton, 7th grade science;

Ira Sumrall, 8th grade arithmetic; Charlie Bell, band; Mrs. Beth Sumrall, 8th grade reading, spelling; Mrs. Inez Welch, 7th grade English; Mrs. Geraldine Wheelan, 8th grade homemaking; Don Moore, chorus.

Aikman Elementary School
Mrs. Ova Felton, Miss Vida Hicks, Mrs. Leta Kaul, Mrs. Juanita Moore, first grade; Mrs. Elizabeth Bonesio, Mrs. D. C. Martin, Mrs. J. C. Reese, second grade;

Mrs. Thelma Chisum, Mrs. Audrey Powell, Mrs. Jay Shaw, third; Mrs. Hazel Bruner, Mrs. Zenia Hobson, fourth; Miss Madeline Bell, Mrs. Faye Holt, fifth; Mrs. Ellen Bryant, Mrs. Ernestine Guetersloh, sixth grade.

Mrs. Mattie Belle Ray, music; Charles Duvall, physical education; D. C. Martin, principal. **Shirley Elementary School**
Robert H. Naylor, principal; Mrs. Leroy Aven, special education; Mrs. Eileen Bynum, Mrs. Jimmie Wiman, Miss Margaret Leverett, first grade;

Mrs. Byron Durham, Mrs. Woodie Wilson, Mrs. Sophie Snare, Miss Lavada Shannon, second; Mrs. Frank Watson, Mrs. Alice Christman, Miss Erma Walker, third; Mrs. George Warner, Mrs. Charlie Hodges, Mrs. Robert Sparks, fourth;

Mrs. C. J. Crump, Mrs. Danny McLallen, fifth; Mrs. Charlie Morris, Mrs. Andre Alexander, sixth. **Central Elementary School**
Mrs. Lucille Smith, Mrs. Nan

Fogle, Mrs. Lene Faye Nivens, first grade; Mrs. Melva Fortenberry, Miss Lucy Givens, Mrs. Opal Bookout, second; Mrs. Mabie Wilson, Mrs. Ormel Lee Walker, Miss Mary Bradley, third;

Mrs. Mary Carter, Mrs. Helen Yeager, Mrs. Evelyn Francis, fourth; Mrs. Wilma Braddy, Miss Ethel Womble, Miss Mona McMasters, fifth; Mrs. Ruby Crawford, Mrs. Helen Coffman, B. H. Baldwin, sixth; Ray Hartman, physical education.

Miss Della Stagner, elementary co-ordinator; William J. Stanford, assistant superintendent; Fred Cunningham, superintendent; Mrs. Esther Springer, school nurse.

Dawn Elementary School
J. N. Killingsworth, Mrs. Vera Killingsworth, Mrs. Hazel Wells. **Parkview School**
Mrs. Odessa Harris, Mrs. Odeal Wilson.

Lions Club Holds District Conclave

Almost perfect attendance was reported at the district 2-T-1 cabinet meeting here Sunday by Boss Lion Earnest Langley.

Hereford was chosen as the site for the first meeting of the year. All members of the cabinet except two were present for the meeting, Langley reported.

The group heard committee reports at a morning business session and later had lunch in the Jim Hill Hotel. Forty-seven men and women attended the luncheon. They attended services in a body at the First Methodist Church.

The group principally planned next year's business at the afternoon meeting, while the ladies were guests at a tea in the home of Mrs. Wayne Wallace.

McAnallys Attend Father's Funeral

Mr. and Mrs. R. L. McAnally have returned from Paris where they attended funeral services held in the First Baptist Church on Thursday for her father, J. H. Cooper.

Mr. Cooper, 73, pioneer rancher of that area, died suddenly following a heart attack Tuesday, August 7. He had lived in that section for most of his life.

Besides Mrs. McAnally he leaves four other children; Mrs. L. E. Holman and Mrs. L. E. Lynn of Odessa, Mrs. E. B. Simmons of Lubbock and Ray Cooper of Dallas.

Ellen McGowen Feted At Party

Ellen McGowen was honored at a party in Dameron Park Saturday afternoon given by her mother, Mrs. Claude McGowen, Jr., in observance of her seventh birthday. The hostess was assisted by Mrs. J. R. Johnson.

Birthday party games were enjoyed and refreshments were served to Penny Johnson, Keith Blanton, Pam Winget, Edith Davis, Dennis Latham, Tom McGowen and the honoree.

Ellen McGowen Feted At Party

Ellen McGowen was honored at a party in Dameron Park Saturday afternoon given by her mother, Mrs. Claude McGowen, Jr., in observance of her seventh birthday. The hostess was assisted by Mrs. J. R. Johnson.

Birthday party games were enjoyed and refreshments were served to Penny Johnson, Keith Blanton, Pam Winget, Edith Davis, Dennis Latham, Tom McGowen and the honoree.

CARD OF THANKS

We would like to extend our deepest appreciation to everyone for their kindness and prayers at the death of our beloved husband and father. Our special thanks also to Dr. Willis.

Mrs. Vincent Skypala
Mr. and Mrs. Edgar Skypala
Mr. and Mrs. Norbert Skypala
Mr. and Mrs. Ellwood Skypala
Mr. and Mrs. Edwitt Skypala
Mr. and Mrs. Dick Connally

Add sliced left over cooked pork to a Waldorf salad; celery, apple and mayonnaise.
Baby-food strained sweet potatoes may be used for a Southern-style sweet potato pie.

It's a dear bargain if you can't get immediate insurance service in time of need, if you can't get quick help after an auto accident or other loss.

We have a hunch you'd rather BUY FROM AN AGENT who can have a man on the job quickly, prepared to give you personal assistance in settlement of any claim. After all, that's the true test of insurance.

That's how this Agency conducts its business. 25 Years of Insurance Know How John McLean Insurance Agency Phone 273

YEAR-END PRICES on CHRYSLER now!

Why wait... we're featuring lowest fall prices right now plus the highest trade-in allowances on your car. It will never be worth as much again. Come in and trade now.

Only Chrysler offers you such advanced style and engineering successes as flight-sweep styling... full-time power steering and airplane type V-8 engine... advances many cars will not have even next year. That's why motorists are trading in other cars for Chryslers at an all-time record rate.

Phillips, Dr. Marshall Harvey, Milton Morris, John McLean, Earnest Langley. Seated is Frank Jordan. (Staff Photo)

GARCIA NEWS

David Campbell Is Improving After Being Involved In Accident

BY MRS. S. N. THWEATT
L. W. Campbell of Farmington, N. M., father of David Campbell, was in the community Saturday visiting several of his friends, including the Fords, the Browns, and the Thweatts.
They have moved David from Durango to the hospital in Albuquerque, where he has been since his accident. He has been there four weeks now, and is showing great improvement, gaining 15 pounds the first two weeks. When he first arrived in Albuquerque, he weighed only 100 pounds.
Doctors performed an operation on David's left leg Tuesday, taking a bone from another part of his body to put in the leg. His broken back hasn't been set, but the doctor says it will just take time.
Mrs. Campbell spent last week with her son.
Campbell is carpentering at Farmington now. He and Johnnie were enroute to Clovis to visit friends. They will be accompanied home by Miss Massey of Frio.
Mr. and Mrs. Elmer Northcutt, Jerry and Wanda and Mr. and Mrs. Jack Clark, Jackie and Janice, of Summerfield, spent the weekend at Gatesville, attending the Young family reunion. They visited with their grandparents, Mr. and Mrs. E. J. Wiggins, and a grandmother, Mrs. Sally Kamp of Turnersville. Mrs. Northcutt and Mrs. Clark are sisters.
Mrs. J. E. Rouse and Wanda Northcutt were in Hereford Tuesday and had a lovely day. On the way home, they stopped and visited with Mrs. S. N. Thweatt.
Mr. and Mrs. Joe Raider are newcomers, living at the Walcott school. They moved to this community from Spade.
Raider is the new caretaker and bus driver for Walcott School, and Mrs. Raider is the cook. Say the Raiders: "This is a very peaceful and quiet place."
Oh! By the way, boys and girls. You'd better begin to dig up those pencils, crayons, tablets and what-have-you. School begins Sept. 3, only three weeks away.
The Browns attended a surprise party given Mr. and Mrs. Hurman Changarilar of Clovis Tuesday night. It was the 25th wedding anniversary for the couple.
J. T. Guinn visited Friday afternoon with the Thweatts, and they discussed new buildings that will soon be constructed in Hereford.
Tom Barton and family of Austin were guests of his uncle, Jim Perrin, last week. They had been touring the northwestern states and were on their way home. While here they also drove over and examined crops on their land, east and west of the Walcott School, and visited with S. N. Thweatt. It was the first time Tom had seen the land since he bought it some years ago.
There were so many folks at the Frank Ford home last weekend that they had to put a pup tent up for some of them. Mrs. Ford's parents are now visiting her. She is spending several days in Lubbock, but will return to the ranch for two weeks before school starts.
J. R. Coleman of Crested Butte, Colo., is visiting his mother, Mrs. Ruth Coleman. He and Mrs. Coleman plan to leave Tuesday. They are taking two trailer houses, which Mrs. Ruth Coleman has bought. J. R. says the demand for living quarters is very great in Crested Butte, and they're taking the trailers back there to rent out.

Hospital Notes

Patients In Hospital
Mrs. Mildred Betzen, Mrs. Tony Hammoms, George M. Ford, Mrs. Ana Combs, Charlie Hoover, Tony Arredondo, Mrs. J. B. Martin, Mrs. A. J. May, Henry Dickson, Johnny Lopez, G. W. Johnson, Charlie LaVall, E. W. Solomon, Willie Montalbo, Roy Messinger, Mrs. Glenn Campbell, W. H. Craig, Mrs. Shirley Smith, and Mrs. M. G. Caywood.

Gift Courtesy For Donna Cayler

Miss Donna Cayler, bride elect of James Donald Burks, was named honoree of a gift courtesy in the form of a kitchen shower recently in the home of Mrs. M. T. Adams. Other hostesses were Mrs. J. N. Harding, and Mrs. Curtis Trauek.

A pink cloth covered the serving table which was centered with pink and blue daisies banded around toy kitchen gadgets.

Attending the gift courtesy besides the honoree and her mother, Mrs. Harry Cayler, were Carol and Betty Sneed, Martha Heard, Patsy Jackson, Patsy Childers, Elaine Plank, Barbara Rogers, Carl Biggers, Nancy Crawford, Marian Lomenick, Marilyn Legg, Marlene Alfred, Dorothy Veigel, Mary Durham, Neldean Flowers and Johny Burkett; Mesdames Marshal Wilson, R. L. Layman, Harry Paschel, Tommy Carnahan, Perry Kirby, Jack Burrus and the hostesses.

Schools May..

(Continued From Page 1)

over" pay, by a margin of \$100 per year. It was estimated that approximately 110 of the 119 teachers in the school system will benefit by the pay boost. The new schedule puts local teachers on a "\$300 over" basis which, although below many neighboring schools, will be a decided improvement, according to administration officials.

Two Contracts

The school board also opened sealed bids on gasoline and on milk purchases. The gasoline bid went to Alford Oil Company on a bid of "three cents below prevailing tank wagon prices". The milk bid went to Ed Skypala, representing Borden Company, at a price of 6 1/2 cents per one-half pint, less a five per cent monthly discount, provided the base bid is subject to general price changes. Skypala also offered to furnish refrigerator boxes at necessary points.

Students who take advantage of the Special Milk Program will also face a cost-of-living boost. Milk on this program will be sold at the price of 2-cents-per-bottle, which is exactly twice what the students paid last year. The increase was approved by the board in view of rising milk prices at the wholesale level.

Adopt Insurance Plan

The board gave final approval to the student insurance plan, which covers school children and athletes. Price of the insurance will be \$1.50 per student—and will be on an optional basis. Students will be covered up to \$2,500 from the time they leave home until they return, provided they travel in a reasonably direct course; they will also be covered in bus transit to and from school, and on sponsored trips.

Zoning was discussed briefly and the board authorized Supt. Cunningham to rigidly enforce the zoning bounds as previously adopted.

and presented by the board. The possibility of over-crowded conditions in high school were discussed and the board took steps toward moving the football field, chiefly in order to create space on which to locate additional high school rooms which, they felt certain, will become a dire necessity in the 1957-58 school term.

The board also heard a review of general improvements and maintenance on school buildings from Bill Stanford. They voted to use surplus brick to improve the

old barracks building recently moved from the Junior High location to the High School campus. Other equipment and buildings were reported to be in order, including some improvements at Dawn and addition of a barracks to the Parkway negro school for needed classrooms.

purchased for that purpose.

The decision to move the football field has been one of long standing

with the school board and has been under discussion for more than three months. Action on the situation came about as a result of a two-fold situation, members said.

"Foremost was the fact that more high school classrooms will be a necessity in the near future," Wagoner pointed out, "and no more rooms can be added to the high school in a practical manner, except where the football field is now located.

"In addition, entrance into AAA class football created several new

requirements for Hereford athletic teams which were near-impossible on the old field, due to size limitations.

"The board, in view of immediate and long-range needs, felt that it would be best to replace the Texas Avenue property with a larger tract. We investigated several locations and after carefully weighing all factors decided unanimously that the Hodges property would best serve the needs of the district."

To make buttered bread crumbs melt 1/3 to 1/2 cup butter in a skillet and stir in a cup of fine dry bread crumbs; keep stirring until the crumbs are golden-brown.

Yankees Capture Little League Championship

Golfers Begin Preparation For Two Upcoming Tourneys

The annual City Golf Tournament will be held this year on Sept. 1, 2, and 3rd. Entrance fee for the event will be \$7.50. Eight players will be assigned to each flight.

Golfers from Friona, Dimmitt and Hereford are eligible to compete in the city tourney. Charles Seed is the defending champion.

Trophies will be awarded to the winner, runner-up and consolation winner of each flight. Details of the tournament will be announced next week.

The Fifth Annual Hereford Invitational Amateur Golf Tournament is scheduled for Sept. 13, 14, 15 and 16. Qualifying rounds will be played on Sept. 13th, which is the same day for the West Texas Pro-Amateur Golf Matches on the local course.

Also on Thursday, Sept. 13, the Second Annual Hereford Golf Club Cup Matches will be played. Three ladies and the professional at each club form a team. Hereford's team of Helen Ann McWhorter, Lucille Posey, Ola Mae Trimble and Bud Posey won the cup last year by edging the Huber Country Club team of Berger by one stroke.

Six Hereford golfers played in the Pro-Amateur matches last Thursday at the Plainview Country Club. Participants were Bob Lindsey, Joe Butler, Frank Latimer, Sam Gilbreath and Pro Bud Posey.

HOLE IN ONE

HOT SPRINGS, Ark. (U) — Paul Runyan, former PGA champion and now resident golf pro at La Jolla, Calif., showed the home folks that he hasn't forgotten where he learned the game.

Returning to the course where he caddied nearly 40 years ago, Runyan dunked a hole-in-one on a practice round for the \$15,000 Hot Springs Open tournament.

THRILLS AND SPILLS

Reds Nip Whites In Ladies' Tilt

Gallantry, glamour and history were written into the record books on Tuesday night when the Little League Mothers Red team outlasted the White club, 10-7, in a rollicking six-inning contest. Over 500 spectators witnessed the game of fun and frolic.

Guy Carter led off for the Red team in the top of the first inning, grounding out to first base. Then Dorothy Baize reached first safely on a White error. Displaying their "professional" touch, the Whites turned in a sparkling double play on Jean Baize's line drive to first base.

Scoring three runs in the bottom of the first, the White team jumped into the lead. Doris Hair, Nanette McMurray and June Calloway each scored for the White squad. During the game, Little League players kept yelling, "Hey, mom—when are you going to bat?"

Reds Retaliate
In the top of the second the Red team retaliated for a pair of scores to cut the White lead 3-2. Noreen Poarch and Helen Nelson registered the Red markers. Many of the feminine stars chewed bubble gum profusely throughout the game.

The Whites went scoreless in the bottom of the second inning. In the top of the third the Red batters pounded out two hits, and with the aid of several White errors, scored three runs to coast ahead, 5-3.

Broken Glasses
During the fast and furious action in the third, Ruth Long at second base for the Whites had her glasses broken by a bouncing ball.

Before retiring from the game, Ruth offered plate umpire Hub Homer the broken glasses.

Forging ahead in the bottom of the third, the Whites tallied three scores to take a 6-5 lead. Not to be denied, the Red batters found the den in the top of the fourth, producing three tallies to regain the lead, 8-5. Five base hits were recorded by the Red batters in the fourth.

A wheelchair which was brought on to the field at the beginning of the game was never used. Neither team suffered any casualties.

LITTLE LEAGUE CHAMPS—(Back row, l to r) Butch McCaslin, Joe Smith. (Front row, l to r) S. D. Baize, Jay Boynton, Drew Kershen, Steve Hodges, Don Overall, Butch Hoff and Wayne Hastings.

Palmetto Poloists To Meet Dalhart Saturday Night

Hereford's Palmetto Polo team will lay an undefeated record on the line in Dalhart on Saturday night. Going for their sixth straight victory, the Hereford poloists will collide with the Dalhart Palmetto team in a district tilt.

Hereford defeated the Dalhart riders in an early season district game 15-5. The Hereford team had an open date on Saturday night.

Last win for the unbeaten Hereford riders was over Hooker, Okla., at Dalhart two weeks ago. With their triumph over the ex-regulation polo squad from Hooker, the Herefordites now claim wins over each team in the district including Hooker, Fritch and Dalhart.

Although Hereford defeated the Dalhart poloists earlier this year, the local team is expecting a real tussle with the defending champs. Dalhart won the district last season by beating out Hereford in the final weeks of competition.

After the Dalhart contest on Saturday night, the Hereford team will have two remaining district games; one with Hooker, Okla., and the other with Fritch.

RHUBARB—Members of the Red team swarm around plate umpire Hub Homer (left) during "argument" in the fifth inning of Tuesday night's Little League Mothers classic. Peg Hoff (right) points to home plate with bat, showing umpire where the strike zone is. (Staff Photo)

The Hereford Brand Sports

Hereford, Texas, Thursday, August 16, 1956 Section Two

Bombers Blast Cards, 8-3 To Win Second Half Title

Scoring five runs in the bottom of the first inning, the marauding Yankees pushed the battling Cardinals to the "point of no return" and streaked on to an 8-3 victory over the Redbirds to write finale to the Little League baseball season on Monday night.

With their triumph, the Yankees captured the second half championship of Little League play. The Bombers won the first half title with an 8-0 win string and the season crown with a final record of 15 victories and 2 losses.

Hurlers Go Route
Both hurlers went the route in the final contest, Bill Overall for the Yankees and Joe Mack Hale for the Cardinals. Overall gave up four hits, four walks and struck out 10 Card batters. Allowing six safe blows, Hale issued six free passes and whiffed 8 Bomber batsmen.

John Willoughby led off for the Redbirds in the initial frame, grounding out to first base. Then Jimmy Bridges went down swinging for the second out. Stepping calmly to the batter's position, Joe Mack Hale smashed a towering home run over the left-center field barrier to put the Cards ahead 1-0. With the crowd still buzzing over Hale's clout, Tommy Coffman struck out to end the Cardinal half of the first inning.

Big Yankee Inning
Big innings have been a major factor in nearly every Yankee victory for the season. Monday night was no exception. In the bottom of the first frame, the Bombers powered five runs across the pay-off plate to take a 5-1 lead. Leading off, Butch Hoff received a free trip to first base. S. D. Baize followed with a one-bagger to left field.

Unleashing a booming single to center, Bill Overall sent Hoff and Baize scurrying home with the first two Yankee tallies. Danny McDowell, Jay Boynton slashed a single to tally Greenway with the Yankee's fifth run. Then John Buck struck out. Taking a free pass to first, Drew Kershen was tagged off base to end the Yankee scoring episode.

Cards Scoreless
After Royce Turner fanned to open the top of the second for the Cards, Dick Combs and Bill Nelson both walked. Bouncing out to first on a slow roller, Jackie Nichols registered the second Redbird out. Warren Sparks terminated the Cardinal second stanza, striking out.

Card hurler Joe Mack Hale set the Yankees down hitless and scoreless in the lower half of the second frame. Hoff walked and Baize popped up to the pitcher. Then Overall reached first on a fielder's choice, Hoff being forced out at second. McDowell struck out to retire the Yankees in the bottom of the second.

Redbirds Falter
The Cardinals went down one two-three in the top of the third canto. In the bottom of the third, the high-flying Bombers added another marker to lead 6-1. Smith chalked up the Yankee run on a passed ball after doubling down the left field line.

Threatening in the top of the fourth, the gallant Redbirds jimmied the sacks with two away. Warren Sparks hit an infield roller. Yank third sacker Baize grabbing the ball and stepping on third to kill the Card scoring hopes.

With two away in the bottom of the fourth, the Yankees racked up two more runs to go ahead 8-1. Kershen and Overall scared the Yankee tallies. Three Card batsmen reached the plate in the top of the fifth, all going down without a hit.

Yankees Batted
The Yankee scoring machine screeched to a standstill in the bottom of the fifth. With two away, Buck walked. Then Kershen missed a third strike for the final Yankee out.

The Redbirds staged a dramatic finish in the top of the sixth frame. After Coffman grounded out pitcher to first, Turner doubled into center field. Striking like a sudden bolt of lightning, Dick Combs propelled a resounding drive over the center field fence, scoring Turner ahead of himself. Nelson struck out but Nichols singled to keep the Card hopes alive. Recording the final out of the Little League season, Warren Sparks struck out to end the game.

Wrestling Double Main Event Slated For 'Open Air' Arena

Two main events are scheduled for Hereford wrestling enthusiasts at Whiteface football stadium on Saturday beginning at 9 p. m. Four of the top grapplers in the Panhandle will take part in the evening's action.

Initiating the night's activities, Farmer Jones will employ his "country tactics" against terrible Tommy Phelps in the first main event. Jones and Phelps will battle for the best two-of-three falls with a one hour time limit.

Geigel Myers
Action in the final main event will be provided by Bob Geigel and Sonny Myers. After a four-week absence from the Hereford wrestling scene, Myers will return to try and regain some of his "lost popularity" with local fans. Geigel will be making his first appearance in several months.

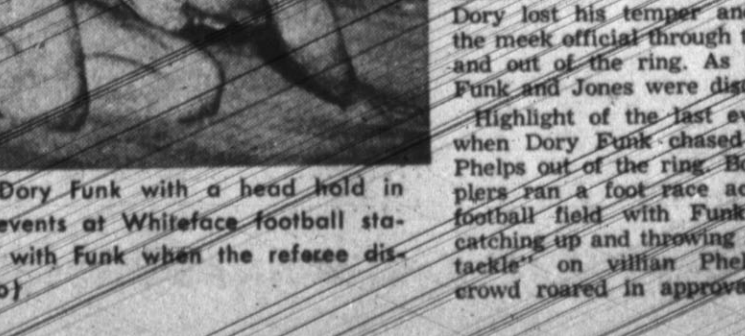

Ballet student Ricki Starr grabbed a "disqualification" victory over blond Dory Funk in Saturday night's first event. Dory had his hands full with the prancing Starr. After losing patience with Starr, Funk commenced roughing up the referee. Funk was promptly disqualified by the irate official.

Jones Uses Shoe
Farmer Jones used his shoe to good advantage in besting Tommy Phelps in the second event. Time after time, Jones lured Phelps to his corner where the "farmer" banged Tommy on the head with a shoe. Jones finally grasped Phelps with his speciality "stump puller" hold. Begging for mercy, Phelps gave up.

In the main event of the night, Farmer Jones teamed with delectable Dory Funk to clash with Ricki Starr and Tommy Phelps. Winning the first fall, Starr pinned Jones for a three-count. Dory and Farmer fought back to even the match, Jones pinning Phelps for the official's count.

Dory Loses Temper
Action was fast and furious in the final minutes of the tag-team match: Funk was still having words with the referee over the disqualification in the first event. Finally Dory lost his temper and hurled the meek official through the ropes and out of the ring. As a result, Funk and Jones were disqualified.

Highlight of the last event was when Dory Funk chased Tommy Phelps out of the ring. Both grapplers ran a foot race across the football field with Funk finally catching up and throwing a "flying tackle" on villain Phelps. The crowd roared in approval.

GIVE-UP! Ricki Starr flips Dory Funk with a head hold in Saturday night's wrestling events at Whiteface football stadium. Starr won the match with Funk when the referee disqualified Dory. (Staff Photo)

SPEAKING OF SPORTS

By GIL CARLYLE

The Little League Mothers softball game was such a reusing success that the Little League Fathers are going to play a game. Not to be outdone by the feminine stars, the dads will begin limbering up this week in preparation for a Little League Dads game on Friday night, Aug. 24.

Plans are to have some of the Little League Mothers umpire the game. Two Little League players who will be graduating to the city league will be managing the dads. The fathers of the Yankee and Cardinal Little League players will be teamed against the dads of the Dodgers and Giants for the Friday night contest.

An estimated \$300 was taken in for the Little League fund from the Little League Mothers game. This total includes gate receipts, concessions and purchase-prices by Hereford merchants of the Little League Mothers.

If the dads work as hard and long as the Little League Mothers did, they should have little trouble raising an equal amount for the Little League organization.

Many Hereford grid fans will be traveling to Childress tomorrow night for the Seventh annual Greenbelt Bowl game. Wayne Smith, outstanding halfback on last year's Hereford Whiteface football team will be playing for the West team. The West team is coached by Paul "Bear" Bryant of Texas A & M College.

Following his graduation from high school, Smith had more than a dozen top-name colleges trying to recruit his services. Smith recently decided to enroll at Oklahoma A & M. He will report to Stillwater on Sept. 4.

Tomorrow night's Greenbelt tilt will get underway at 8 p. m. in the Childress High football stadium.

Minton Downs Seed, 7-6 In Junior Golf Tourney

Jeff Minton handed par a terrific drubbing Sunday as he walloped Charles Seed, 7-6, to take the City Junior Golf Championship.

Minton carded fine sub-par scores of 71-71-34 after qualifying with a 71. He eliminated Seed on the third hole of the last nine in the 36-hole finals Sunday. He was even par on the first three holes when the match ended.

Medalist Dale Taylor, who fired a 70 in qualifying rounds, took the consolation championship of the championship flight by nosing out Danny Elliston. Minton had decided Taylor in opening rounds, and Elliston had lost to Seed.

Minton appeared to be having one of his better days, as his putts and chip shots hit with deadly accuracy. On the other hand, Seed apparently found one of his bad days awaiting him. The present city champ and club champ had difficulty with his putting.

Minton went two-up on the first

18 holes, carding a 71. On the front nine Seed carded a par 36 but three-putted four greens.

After the front nine of the last 18, Seed was five down. Minton took the first hole, and after halving the second, ended the match by taking the third hole.

Don Bridges took the first flight championship by defeating Taylor Sims in a rugged battle to the finish. The pair, playing double elimination, battled to a draw in the 18-hole finals and went to a sudden death playoff on the first hole, where Bridges won.

In the second flight Dan McDowell defeated Lupe Tigerrina, 1-up. The third flight winner was Manuel Tigerrina who bested Luis Moran, 1-up.

Fourteen youngsters entered the three-day tournament. Trophies will be awarded to the winners and runners-up in each flight. All other participants will receive medals.

JEFF MINTON

ADRIAN NEWS

Mom Is Busiest Of All As Adrian Prepares For Coming School Term

By JUDY GRETCHEN PINNELL

It's been a slow week in Adrian. Some folks have just returned from vacations and now are recuperating. Mothers have been about the only ones really busy—sitting at the sewing machine preparing school clothes for their children.

Yes, the general conversation when someone walks up to another is "Did you know that it is only two weeks until school starts?"

The nine months of school are facing us. Some are glad, others not so happy, but school will start and nothing can be done about it.

Superintendent A. P. Jones says that the teachers will meet Aug. 31 to plan the school schedule. School officially starts at 9 a. m. Sept. 3.

Bobby Allen is the new custodian, and bus drivers will be Allen, Yaek Banks, Coach Shipp and Coach Cullender.

We'll see you on the 3rd!

Mrs. Ray Fisher left Thursday for Oklahoma to visit with relatives over various parts of the state.

It's a boy! Michael Wayne Briggs, new son of Mr. and Mrs. Billy Mac Briggs, was born last week at Northwest Texas Hospital in Amarillo.

The proud grandparents, who live in this community, are Mr. and Mrs. W. C. Briggs and Mr. and Mrs. Bill Leslie. Michael

Wayne also has two aunts, June and Peggy Leslie. Mr. and Mrs. Jimmy Briggs came to see their new nephew last weekend. Many friends visited with the new baby after he returned home. Congratulations to the Briggs!

A guest in the N. L. Jacobson home Sunday evening was Morlan Eldridge of Amarillo.

During the absence of the Methodist pastor, Steven Arden gave the message at the church Sunday evening. His theme was "Stand Up! Stand Up!" The youth of the church conducted the service with Donald Morgan leading the singing.

Leaving for their home in California Sunday evening were Mr. and Mrs. John Witt and family.

Mr. and Mrs. Donald Latta and family of Oklahoma were visiting with the Lloyd Heaton's this past weekend. Mr. Heaton is an uncle to Mrs. Latta.

Mrs. R. D. Sisk's sister, Mrs. Lee Tompson, and her daughter and family, Mr. and Mrs. Harold Oller of Kansas visited with the Sisk's last weekend. Mrs. Sisk's parents, Mr. and Mrs. Bob Renfro of Clayton are visiting them this week. Mrs. Renfro went to the doctor while here and is reported doing better.

The whole town of Adrian was vacated Saturday. Everyone was bound to have a good time at the Oklahoma County Round-Up. A delicious barbecue dinner was served at noon after everyone had seen the parade. All sat around in the shade and talked or at the Bingo table. Neighbors and friends enjoyed talking about "the better days" or "the drought of today".

The hot afternoon found everyone going home to rest after a long day in the heat, or to return later in the evening for the Street Dance.

Congratulations are extended to Gayle Brown on winning first in the beauty pageant.

Mr. and Mrs. Earl Day and son visited with Mr. and Mrs. R. D. Sisk this week. The men are cousins.

The Adrian Roping Club was matched against the Amarillo Ropers Friday night. Adrian came through as victors.

Mrs. M. W. Blankenship, Morris Lee, and Sidney Duane left the past weekend for a visit with relatives in and around Denton.

Open, Shut Auditorium Planned

PITTSBURGH, Pa. (AP)—As part of its redevelopment program, Pittsburgh is planning a combination indoor-outdoor auditorium to provide "major league facilities" for sports and civic events.

It will be constructed on a 20-acre tract in downtown Pittsburgh near the Golden Triangle district. It is tentatively scheduled for completion in 1959—Pittsburgh's bi-centennial year.

It will have a vast retractable metal roof—a dome 415 feet in diameter, composed of eight sections which will tower 12 stories high. At the touch of a switch, six of the sections will slide over two fixed sections, providing an outdoor amphitheater in the summer.

Seats will be provided for 7,500 to 14,000 persons, depending on the event. There will be parking facilities for nearly 3,000 automobiles in and around it.

It is hoped by Pittsburgh officials that the new auditorium will make the city "major league" in such sports as boxing, basketball and ice hockey. The city also expects to gain a large share of the convention business.

During the year the auditorium also will house the Civic Light Opera, musical shows and other presentations. Plans include provisions for air-conditioning, acoustics, stages and facilities for radio and television broadcasts.

Need for a new auditorium was emphasized sharply several months ago when The Gardens, the only adequate sports arena in the town, was ordered demolished to make way for apartment buildings.

As a result, the Pittsburgh Hornets of the American hockey League and the Duquesne University basketball team are homeless. There is speculation that the Hornets might be moved to another city until the new auditorium is completed. Duquesne, a national collegiate power, has accepted an invitation to share Pitt's basketball floor.

Major indoor boxing shows also are eliminated with the passing of

The Gardens. Local promoters are looking forward to presenting the auditorium.

The Public Auditorium Authority of Pittsburgh and Allegheny County began acquiring property on the site early this year. It expects to have construction of the \$14,000,000 project under way by March 1, 1957.

Financing of the auditorium is being done in several ways. Pittsburgh and Allegheny County each have pledged \$1,500,000, while another \$2,500,000 was secured through public subscription. The remainder will come from bond issues and foundation grants.

CARD OF THANKS
We wish to express our deepest thanks and appreciation to each and every one who helped in any way during the long illness and

passing of our dear father, granddad, and brother. We are most grateful for the words of comfort and sympathy extended through the floral offering, the many cards, and the food. God bless each one is our prayer.

The W. R. Higgins family.

Canada's province of Ontario is 1050 miles long and 1000 miles wide.

How Can I?

By Anna Kubly

Q. How can I make a linoleum arnish?

A. By melting a small amount of glue in a pint of water. See that the linoleum is clean and dry before applying. Apply with a paint brush at night and the surface will dry and hard by morning.

Q. What is a good tonic for ants?

A. The water in which beef has been washed is an excellent tonic for roses and geraniums.

Q. How can I clean a suede jacket?

A. Try cleaning suede articles by going over the entire surface lightly with very fine sandpaper.

Q. How can I keep the automobile windshield clear while it is lining?

A. If a cup of clear vinegar is laid over the outside of the windshield, allowing it to trickle down the glass from top to bottom, it will prove very effective in a heavy rain.

Q. How can I secure more space in the laundry must be dried in the basement?

A. By hanging the dresses, night gowns, and underclothing on coat hangers. They will also dry more quickly.

STOP THAT ITCH!
IN JUST 15 MINUTES.

If not pleased, your 40c back at drug store. Try instant-drying "HOME-NOT" for itch of eczema, worm, insect bites, foot itch or other surface itch. Easy to use day or night. Now at Roger's drug.

Q. How can I keep apples solid?
A. To keep apples solid, and to prevent them from rotting, pack them in a box or barrel of sawdust.

Q. How can I prevent coins from breaking through the envelope and becoming lost in the mail?
A. Place them flat on a piece of paper and place adhesive tape over them and on the paper. Then fold the paper as usual and place in the envelope.

Q. How can I freshen stale bread?
A. Wrap the loaf in a wet cloth for a minute, then remove and bake in a slow oven for one-quarter to one-half hour.

Q. How can I clean willow-ware?
A. Scour with a strong solution of salt water, using a brush.

Q. How can I take proper care of ivory knife handles?
A. Do not put them in hot water, which turns them yellow. Wash with warm, soapy water, and wipe quickly. Once a month rub them with a flannel moistened with denatured alcohol and dipped in powdered whiting that has been sifted through cheesecloth.

Q. How can I prevent the squeaking of shoes?
A. Put them in a pan of water at night, just enough water to cover the soles.

FIRE WITHOUT FUSS

ST. MATTHEWS, Ky. (AP)—Firemen put out a blaze in the basement of the St. Matthews Methodist Church so quietly that the congregation continued to worship upstairs without interruption.

TROUBLE-SOME SERVICE

WEST MEMPHIS, Ark. (AP)—Mrs. Samuel A. Simmons says she recently bought a sewing machine and the accompanying instruction booklet said, in part: "Give your machine proper care and it will provide many years of trouble-free service."

To Our Customers;

(The best and most considerate people in Texas)

Starting Sunday, August 19th, we will be **CLOSED** on SUNDAYS.

It is with a great deal of pride and humility that we make this announcement.

Because of your understanding and willingness to make sacrifices so that we may attend church and have a day of relaxation, we sincerely hope that God will reward each of you for your tolerance.

TED MOORE REPORTS ON EUROPE

French Can't Savvy American Thinking

Ted Moore, a HHS senior, has been traveling in Europe with 700 other American students for the past two months. He is sponsored by the American Field Service and several local organizations, and

was selected for his special qualifications.

Ted, the son of Mr. and Mrs. Don Moore, left in the latter part of June for New York, enroute to Europe. He has spent his time in Europe with the Aligned Lavestine family of Rouen, France, touring the country and visiting famous French landmarks.

The next main event in Ted's trip will be the reunion of the 700 American Field Service students in Paris, Aug. 31, before the group returns to America. He reports on

ALL ABOARD—Sixty-four County 4-H girls went by chartered bus to Amarillo on Tuesday for their annual Educational Tour. During the day the group visited the Frito Co., Anderson Mattress Co., Plains Creamery, Coca-Cola Bottling Co. and the Amarillo Ice Co. Leaders

of the group were (left to right) Mrs. Frank Prowell, assistant Home Demonstration Agent; Pat Dawson, Sandra Wester, Jane Auten, Caroline Brumley, Kay Bishop, Mrs. Ira Ott, chairman of the Educational Tour Committee and Polly Monroe.

the trip as follows:
11 Guy de Manpassant
Rouen, France
Aug. 5, 1956

The Hereford Brand
Hereford, Texas
Dear Sir,

I suppose you thought I would never write, but there are so many things to do and to see here that there is little time to write letters. The seven hundred American

students who have come to Europe this summer as a part of the American Field Service summer program are now staying with their separate families in every European country. All the students came together on the F.S.S. Arosa Kulm, which crossed in ten days. During the voyage, language classes and discussions of European customs were held.

After staying three days in Rouen, France, my adopted family and I went to Auderville, a small town on the end of the Cherbourg Peninsula, for two weeks. Our house at Auderville was very close to the water, and we went swimming every day.

During our stay there we made trips to Mont. St. Michel and Utah

Beach. All along the roads near Utah and Omaha Beaches there are monuments raised by the French to thank the American soldiers, and signs marking the route of victory.

Destruction by the war is still evident in some large towns, but nearly all the ruins have been cleared up and new buildings are being erected everywhere.

Now we are back in Rouen, and an English architect has come to stay with us. My "family's" house here in Rouen is very old, three stories high, and touches two other houses on each side. There are no front yards. In the nineteenth century this house was a small cotton-goods factory.

It is about a 10-minute walk from here to the Seine, to the Rouen cathedral, and to the square where Joan of Arc was burned. Every day we visit some important cathedral, abbey, or museum in Normandy.

There is only one thing that the French people to whom I have talked can't understand about the States. It's that in a town like Hereford, the Rotary Club, volunteer fire department, and J. C.'s would help finance a trip to France like this.

Truly yours,
Ted Moore

LOST POCKET BOOK

PHILADELPHIA (AP)—Mrs. John B. Kelly, mother of Princess Grace of Monaco, recently lost her pocketbook.

It was found by Harry Trayner, 32-year-old gasoline tank truck driver from Belmar, N.J.

Trayner, on his day off, returned the black leather bag to the Kelly brick work offices.

A receptionist, taking the pocketbook, handed Trayner as reward \$10 and three white T-shirts bearing on the back in blue lettering the legend: "Kelly for Brickwork."

Trayner said she was disappointed, would have liked to have met at least one of the Kellys in person.

If a do-it-yourself fan tried to make a lead-pencil from the basic raw materials it would cost him about \$50.

NEW FIG TREE

BERKELEY, Calif. (AP)—A 30-year fig breeding program has produced a promising new hybrid variety—the Conadria. The trees have been planted and tested in seven areas in the state. The University of California reports the new variety shows promise for both the fresh and dried markets. The name is a combination of Adriatic and Condit.

ALARMED FOR DOG

BUTTE, Mont. (AP)—A worried woman phoned Butte police that her husband was "out on the town" with their black Chinese chow dog. "I don't care what happens to my husband, it's the dog I'm worried about," she said. The dog was under doctor's care, she explained.

MISSED FLUSH

SPRINGFIELD, Ohio (AP)—When police raided a poker game they found all participants asleep—in chairs and on the floor. No charges were filed.

For an Englishman an auto convertible is a drophead.

About 1 1/2 million Americans play the accordion.

"GEE! MOM'S A SWELL COOK"

New Recipes Shift Green Beans To Menu Spotlight

Herefordites are growing green beans in their gardens this summer for canning, freezing, or freshly picked and cooked for summer meals.

But, how about a change from the standard cooked green beans? It's easy just to cook them, put them in a bowl, and serve, but a variety of recipes will make the family sit up and take notice that Mom is such a swell cook.

Try a green bean salad. These simple dishes sometimes get more enthusiastic receptions than one that has been slaved over in the kitchen.

MARINATED GREEN BEANS AND ONION RINGS

Ingredients: 2 tablespoons olive oil, 2 tablespoons red wine vinegar, 2 teaspoons sugar, 1 can (15 1/2 ounces) long-cut green beans (Blue Lake variety), 1 medium-

sized onion, pepper.

Method: Beat the olive oil, wine vinegar and sugar together with a fork in a flat container until the sugar dissolves. Drain green beans. Peel onion and cut into paper-thin rounds; separate into rings. Add drained beans and onion rings to dressing; toss well. Add pepper to taste; the beans are seasoned with salt so more may not be necessary. Cover tightly and refrigerate for 1 or 2 hours. Makes 4 servings.

Note: Choose a pack of beans that are cut into about 1 1/2-inch lengths for this recipe.

For a wonderful green bean summer salad, arrange mixed salad greens in the bottom of a large bowl. Alternate slices of tomato and cucumber in a row on two sides of the bowl. Place a row of sliced hard-cooked eggs alongside the tomato-cucumber rows. Pile marinated green beans and onion rings (along with any marinating liquid) in the center. Garnish with radishes. Pass without tossing with a separate bowl of mayonnaise.

The salad may be more elab-

orate by adding smoked cooked tongue, cooked ham, white meat of roast chicken, or turkey or swiss or cheddar cheese. Any of these should be cut julienne-style in thin strips.

Even In Sandwiches

For a quick sandwich, mix finely cut green beans with finely diced cooked chicken and mayonnaise, and season well. You can use this as a filling for scooped-out soft rolls or between slices of whole wheat bread.

Hereford folks also find creamed green beans one of the favorites. Add a medium white sauce to drained green beans and reheat; turn into a shallow baking dish - a heat-resistant glass pie plate is fine. Sprinkle the mixture with grated cheese and brown lightly under broiler. If you like added flavor and a tang to your soup, try adding green beans to clear chicken soup along with diced carrots, white turnips, and green peas.

Try a few of these varied recipes on your bean eating family, and you'll hear "Please pass the green beans," more than once during a meal!

TASTY DESSERTS from English recipes are enjoyed often by the L. C. Hewett family. Mrs. Hewett brought several family recipes with her when she came to America in 1946, and uses them in her cooking. Daughter Suzanne is tasting a big bite of a favorite recipe, "English Trifle." (Staff Photo)

PEACH SEASON IS HERE AGAIN

Put 'Em In Sweet Cream, Bake 'Em In Pies, Peaches Are Tops

It's peach season time in Hereford once again! Each year about this time, dozens of women get energetic and buy bushels of peaches to can or freeze for the coming winter.

After buying "tons" of sugar, they wash, peel, scrape, and slice or half the peaches. Sugar syrup (three parts sugar to four parts water) and ascorbic acid are mixed and added to the fruit, and into the containers it goes. The acid is to prevent the peaches from turning brown.

In a few months it will be winter time, and peach prices will rocket sky-high. However, this won't bother the women who put their peaches into the freezer. Even the memories of painful "fuzz burns" received from peeling so many peaches won't be remembered when lunch is topped off with tasty peach desserts.

And here are some "peachy" ideas for those perfect desserts. For a mouthwatering treat any season of the year, try adding a little vanilla to the peaches for that extra oomph, and serve over ice cream. If ice cream isn't used, try lots of thick sweet cream. Peaches combined with blueberries also make a fine two-some for a col-bler.

Pies are a favorite of the man of the household anytime, and pea-

ch pies are just the ticket for him after a hard day's work in the office or fields.

Here are two peach pies which have proved delicious to several Hereford families:

DEEP-DISH FRESH PEACH PIE
Ingredients: 6 to 7 cups ripe sliced peeled fresh peaches (about 4 pounds), 1 1/4 cups sugar, 1/2 teaspoon salt, 3 tablespoons quick-cooking tapioca, 1/2 teaspoon almond extract (if desired), 3 tablespoons butter or margarine, pastry for topping (using 1 cup flour).

Method: Place peaches in a baking dish (about 10 by 6 by 2 inches). Stir sugar, salt, tapioca and if used, almond extract together; sprinkle over peaches. Dot with butter. Cover with pastry rolled 1-8th inch thick into a rectangle 2 inches wider and 2 inches longer than the baking dish. Trim, turn under, seal and flute edge. Cut several gashes in pastry to allow for escape of steam. Bake in hot (425 degrees) oven 45 minutes or until crust is lightly browned. Serve warm. Makes 8 servings.

Note: The amount of pastry specified makes a thin topping; use more and roll out thicker if you prefer a thick crust. To garnish pie, cut 2 peaches with leaves, out of small piece of pastry; aluminum foil; bake at same time as pie but watch because baking

for cut-out will be a matter of minutes. At serving time, place baked cut-out on center top of pie crust.

With pastry rolled to 1-8th inch thickness. Sprinkle peaches with lemon juice and vanilla. Stir sugar, salt and cornstarch together; mix with peaches. Turn into pastry-lined pie plate; dot with butter. Cover with remaining pastry rolled 1-8th inch thick and 1 inch larger than diameter of top of pie plate. Trim, turn under and flute edge.

Cut several gashes in top to allow for escape of steam. Bake in a hot (425 degrees) oven 45 minutes or until crust is browned. Serve warm.

Make some rich chicken stock with chicken giblets, wing tips, necks, bonny back pieces. Cover the chicken parts with water and add a small onion and a carrot, some celery leaves, peppercorns, salt, whole cloves and whole allspice. When the giblets are tender the broth is ready. Chill, then remove all fat. Mix with heavy cream and curry powder to taste. Serve as a cold soup with chopped chives.

Add tarragon-vinegar to mayonnaise; serve with cold cooked and drained vegetables. Delicious with cold salmon steaks for a hot-water meal.

THAT FOREIGN FLAVOR

Mrs. Hewett Brought Favorite Recipes To Frio From England

"English food is different from American foods because it is much plainer and not so elaborate," comments Mrs. L. C. Hewett. "I don't use many English recipes because we prefer American dishes."

Mrs. Hewett came to America from Derby, England in 1946, and she and her husband, L. C. now live on their farm in the Frio Community. They have one daughter, Suzanne, age 16 months.

She uses recipes such as Yorkshire pudding, and tarts-Temon cheese or jam-and makes fancy cakes that are so popular in England. Other than these few recipes, Mrs. Hewett cooks American dishes. "It's difficult to find the small muffin pans we use in England for our tarts, and I don't make them very often," says Mrs. Hewett.

Her sister-in-law, Mrs. E. C. Hewett Jr. has obtained the tart

recipe from her, and makes them for the children as "special treats."

A favorite English dessert Mrs. Hewett uses about three times a month is "English Trifle," a sweet dish made with whipped cream and fruit cocktail. "Very delicious," she comments.

ENGLISH TRIFLE

1 jelly roll
1/2 cup sherry or muscatel wine
1 bowl prepared jello (1 box)
1 bowl prepared vanilla pudding (1 package)

1 cup heavy cream whipped and sweetened with 2 tablespoons powdered sugar

1 small can fruit cocktail

Line a deep dish with the Jelly roll cut into small pieces. Pour the wine over it and press down with a fork, then add the fruit cocktail. Spread it to cover the layer of jelly roll. Pour the cold vanilla pudding over it, then slightly whip

Coffee Flavors Gel-Dessert

Sophisticated of flavor is this two-layered coffee mold. Unflavored gelatine, a little sugar and instant coffee make the clear jelly for the top layer. Whipped cream is added to the basic recipe for the bottom layer. Each taste is like sipping coffee through whipped cream.

Coffee Jelly:
1 envelope unflavored gelatine
1/2 cup cold water
1 1/4 cups hot water
1/4 cup sugar
1 tablespoon instant coffee

Sprinkle gelatine on cold water to soften. Add hot water; stir until gelatine is dissolved. Add sugar and coffee; stir until sugar is dissolved. Turn into a 6-cup mold; chill until almost firm.

Coffee Bavarian:
1 envelope unflavored gelatine
1/2 cup cold water
1/2 cup hot water
1/2 cup sugar
4 teaspoons instant coffee
1 cup heavy cream, whipped

Sprinkle gelatine on cold water to soften. Add hot water; stir until gelatine is dissolved. Add sugar and coffee; stir until sugar is dissolved. Chill until mixture is the consistency of unbeaten egg white. Fold in whipped cream. Turn on top of almost firm first layer. Chill until firm. Unmold; garnish with additional whipped cream.

YIELD: 8-10 servings.

NOTE: If desired, recipes may be used separately. Increase sugar in clear coffee jelly to 1/2 cup and turn into a 2-cup mold or 4 individual molds. Turn coffee "Bavarian" into a 3-cup mold or spoon into dessert dishes.

Ever make a tomato-juice sherbet? Good with cold roast beef.

Pour tomato aspic into a ring mold. Unmold and fill the center with canned drained whole-kernel corn mixed with French dressing. Surround the aspic with a pretty green - water cress or chicory.

Serve that seafood salad in the shells. Spread mayonnaise over the top and sprinkle with hard-cooked egg yolks pressed through a fine strainer. Garnish with capers.

Want a glamorous and glorious dessert? Fold whipped cream into slightly whipped vanilla ice cream and use as a topping for sweeten-

ed strawberries.

Marinate cooked cauliflowerets in French dressing to which dried crushed thyme has been added. Serve with sliced tomatoes.

A package of lemon pudding-and pie filling mix helps make a cake taste good. Prepare the mix according to package directions and cool, stirring occasionally. Split 2 eight-inch sponge cake layers in half crosswise. Put the layers together with the lemon filling. Dust the top of the cake with confectioners' sugar or frost the entire cake with whipped cream sweetened with sugar and flavored with vanilla.

Other low-price cars can't possibly give you these 7 big Plymouth extras!

Do you own a '53, '54 or '55 model of one of the low-price 3? Then here's what you're missing - look how much more the all-new Plymouth offers:

1. Tomorrow's styling today: You can easily see Plymouth is all new, while other low-price cars haven't changed much in the last two years.
2. Biggest, inside and outside: Plymouth's the biggest, longest, roomiest car of the low-price three. A smoother ride and more room to enjoy it!

3. Exclusive Push-Button Driving: With a mere finger touch, you select your driving range - as you'd ring a doorbell. On left, out of children's reach. Positive, mechanical linkage.
4. Choice of two superb engines: Pick either Plymouth's sensational Hy-Fire V-8 (up to 200 hp - 240 hp in the Fury) or the PowerFlow 6.
5. Top take-off and passing power across the board: Plymouth's 90-90 Turbo-Torque provides

the greatest breakaway and passing power in all models of any low-price car.

6. Greatest attention to safety: Plymouth gives you many more standard equipment safety features - Safety-Rim wheels, electric windshield wipers, SafeGuard door latches, dozens more.
7. For more extra-value features: Plymouth's low price includes many exclusive luxury features. Compare at your Plymouth dealer's today!

PLYMOUTH costs less

From the day you buy it... through all the years you own it... you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

MOVIE NEWS SPACE SHIPS, WEREWOLVES VIE FOR MOVIE TOP SPOTS

Earth vs. Flying Saucers... earth is the target of the flying saucers! This is the message in the movie, "Earth vs. Flying Saucers," showing Friday and Saturday at the Star Theatre. Hugh Marlowe plays a scientist working on "Project Skyhook," a high-speed military rocket launching an artificial earth satellite. Several "Skyhook" rockets are shot down by men from outer space in flying saucers who devastate the rocket launching base in saucer attack. The final, decisive battle between Earth and the flying saucers is when the space attack to destroy all human life. Joan Taylor also stars in this one.

as "Three Hours to Kill," shows Saturday at the Tower Drive-In. This is the story of a gunslinger falsely accused of murder, on the eve of his wedding, and nearly hanged for it by his own "best friend." The girl helps him to escape to lynch rope, but the incident burns deeper inside him than do the rope scars on his neck. A fugitive, wanted for murder, he still returns to the frontier town determined to find the true killer and clear his name. Dana Andrews and Donna Reed star in "Three Hours to Kill."

Courthouse Records

DEEDS OF TRUST

Earnest L. Langley to Wayne Wallace, Lot No. 3 of Blk. No. 2 of North Park addition.

Ben W. Childers, et ux, to C. B. Beasley, being a part of Section No. 111, Block M-7.

Tom E. Hall, et ux, to Farmers Home Administration, the E 1/2 of section No. 20, and all of section No. 21, Township Four-North, Range Two-East of the Capitol Syndicate subdivision.

Thurmond Johnson, et al, to Donald C. Fitch, first group of land known as the Pitman Ranch in Deaf Smith County - the following sections and parts of the sections out of Township 2 North Range 3 East of the Capitol Syndicate subdivision, Section 9, E 1/2; Section 10, all of section; Section 11, W 1/2 and the Southeast 1/4; Section 13, N 1/2; and SE 1/4; all of sections 14, 15 and 16; Section 21, N 1/2; all of sections 22, and 24; section 25, N 1/2. The following section and part of section out of Township 2 North Range 4 East of said Capitol Syndicate, Section 18, N 1/2; Section 19, all of section.

The following part of section out of Township 4 North Range 3 East, DSC, section 32, NE 1/4. The following part of section out of Township 2, North Range 3, DSC, section 13, SW 1/4.

All of Tract No. 12 of the Kelleher subdivision of lands in Parmer County, Texas.

A Punch Party

Some like it sweet, some like it tart... so when you're planning your next Punch Party, why not serve two kinds of punch. Have a bowl of Tart Pink Punch at one end of the table and Spicy Minted Punch at the other.

Cookie mixes, baker's cookies and assorted tidbits from the grocers will take care of the "with" department... paper cups and plates dispose of the dish washing chore.

Select paper place mats to go under the punch bowls. They will give an elegant look to your table. Choose paper plates, cold drink cups and napkins in harmonizing shades. Fresh flowers can contrast or match the paper service.

Tart Pink Punch
Boil 1/2 cup sugar with 1 cup water for 3 minutes. Add 3 cups cold water, 1 6-ounce can frozen lemonade, 1 pint cranberry juice, 1 cup pineapple juice and chill. When ready to serve add 1 7-ounce bottle lemon-flavored carbonated beverage. Serve with ice cubes in paper cold drink cups. Garnish with lemon slices. Makes 2 1/2 quarts or about 18 servings.

Spicy Minted Punch
Boil 1 1/2 cups sugar with 2 cups water, 16 whole cloves, 2 2-inch sticks cinnamon for 3 minutes. Add 12 sprigs fresh mint and cool. Strain and combine with 5 cups orange juice, 1/2 cup lemon juice. Tint pale green with green food coloring, if desired. Serve with ice cubes in paper cold drink cups. Garnish with orange slices and fresh mint. Makes 2 quarts or about 15 servings.

WARRANTY DEEDS
Joseph G. Warren, et ux, to J. M. Hamby, first tract, being the E part of Lot No. 5 of H. E. Miller's subdivision of the W part of tract No. 18, of section No. 60, Blk. K-3. Second tract, all of Lot No. 6 of H. E. Miller's subdivision of Section No. 60 in Blk. K-3, also known as the W part of tract No. 18 of section No. 60, Blk. K-3.

Frank M. Goeckel to Roy V. Smith, the NE 1/4 and the E 1/2 of the SE 1/4 of Blk. No. 14, Mabry Addition.

Sam E. Albright, et ux, to Jack Nunley, et ux, Lot No. 6, in Blk. 1, of the Engler addition.

J. F. Messer, et ux, to Bettie Damron, a part of Blk. No. 8 of Ricketts addition.

Long Time Ago

45 Years Ago
Hereford orchards have produced so much fine fruit this season that it would be impossible to pick out the best, but for a single specimen the one peach brought to this office by Mrs. Tomamichel (or rather was) the best of all. We know it was because we ate half of it and the Eagle of the office ate the other half. If there had been another half or two the whole force would have tasted the delicious mouthwatering peach. As it was, there was big mouthful of it, and we are under lasting obligations to the good woman for her kind thoughtfulness. The peach measured 10 inches around, and weighed 10 ounces.

Hamburger Fry Is Set For Friday
Plans for a hamburger fry in Dameron Park were made by members of the Sunshine Club at the regular meeting Thursday evening in the home of Mrs. Dorothy Lundry. Members of each family are invited to the fry which will be held Friday evening.

25 Years Ago
The rumblings over Deaf Smith County relative to the discontinuance of the county agent's work by the commissioners court have gradually taken form during the past two weeks, until a mass meeting of all interested citizens has been called to assemble before the commissioners next Monday afternoon, to protest against action and ask them to reconsider.

A dinner was also scheduled for the next regular meeting, and gifts for the needy will be brought. Each member gave her ideas as to "What makes a good neighbor" at roll call, and old and new business was discussed. Gifts were presented to the sponsored girl at the meeting.

Mrs. Pauline Wilson stressed the use of the correct size containers and color harmony in building each floral arrangement. One of the lovely arrangements was presented to Audine Wells as a hostess gift. Dorothy Lundry received the secret pal gift honoring her on her birthday.

Refreshments were served to the following, Mesdames Elsie Miner, Rhonda Mays, Nell Pittman, Florence Tease, Margie Kemp, Edna Smith, Audine Wells, and the hostess. Special guests were Pauline Wilson and Miss Vera Faye Smith. The next meeting will be August 23 in the home of Mrs. Elsie Miner. rolet, 8-11-56.
T. D. Zorns, 1956 Oldsmobile, 8-11-56.
Leon Coffin, 1956 International, 8-11-56.
C. E. Ginn, 1956 Chevrolet, 8-11-56.

HUMAN PORCUPINE
MINNEAPOLIS (AP) - "I've had so many transfusion needles in me I feel like a porcupine," said Lloyd Smith, 39, of Minneapolis, after he received 37 pints of whole blood and 218 units of fresh frozen plasma in six weeks. Smith, who underwent stomach surgery, needed the transfusions because his blood lacked essential clotting factors.

THE BIG M LEADS THE MEDIUM-PRICE FIELD FOR:

- 1. Power per pound.** THE BIG M Monterey and Montclair give you the best combinations of weight and power in their price field.*
- 2. Torque per pound.** All four Mercury series — Monterey, Medalist, Custom and Montclair — are out in front of the entire medium-price field for usable wheel-turning power.
- 3. Choice of V-8 models.** Only THE BIG M in its field offers so many V-8 models — 18, in 4 price ranges. All with distinctive styling shared by no other car.
- 4. Choice of hardtop models.** Eight BIG M hardtops! Mercury Phaetons offer you the most advanced design in 4-door hardtops — with the greatest visibility, for both front and rear seat passengers.
- 5. Braking power.** THE BIG M's brakes give you the quickest stopping power in its field! Authority: independent MOTOR TRENDS tests. At 60 mph, THE BIG M stopped quicker than any competitor.
- 6. Extra-value features.** For example, only Mercury in its field has an impact-absorbing steering wheel and a 4-barrel carburetor at no extra cost on every model.

THE BIG M LEADS THE INDUSTRY FOR:

- 1. Most power per dollar.** THE BIG M Medalist and Custom offer you more power for your money than any other make of car.
 - 2. Most torque per dollar.** No other make of car built today comes up to the low-cost Mercury Medalist for usable wheel-turning power. And now's the time to save the most money on a Mercury. We invite you to stop in at our showroom.
- *All power and torque comparisons, shown above and at the left, are based on an analysis of manufacturers' suggested list or factory retail prices for 4-door sedan models, using comparable models equipped with standard horsepower and automatic transmissions.

"We Thank Thee, Lord"

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger religious character. Stated simply, the ministerial are the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. **Join the Church and the Church in you.** Form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

© WILLIAMS NEWSPAPER FEATURES
Fort Worth, Texas

...That is the simplest form of prayer, the most elemental act of Christian devotion... "We thank Thee, Lord, for our daily food."

How is it at your house??? Is grace at meals a fixed habit where you live? Do you pause to offer homage to God for the edibles... the very things He alone can give? Or is your gratitude shown only once-in-a-while when the pastor is in company, or when the children are all home for Thanksgiving dinner? How long is it, Dad, since the family heard your voice saying grace at the table...? or a word of simple prayer for their welfare...? or even bothered to urge another to say, "Thank you, Lord, for all these bounties???"

Dad, — Mother, — you owe your household this much of a godly heritage. Attend church regularly and say grace at mealtime. God will hear your supplication.

Seventh Day Adventist

Third and Lawton
Arthur C. Carlson, Pastor
Sabbath School begins at 9:45 a.m., song service at 9:30 a.m., worship service at 11 a.m. Saturday.
Prayer meeting is 8 p.m. Saturday.
"The Baptist's Death: Jesus' Ministry in Galilee," is the lesson study subject for Sabbath, Aug. 18. Lesson scriptures: Luke 10:1-11; Mark: 35-45; 6:17-30; Luke: 19:28.
Memory Verse: Isa. 61:1, 2.
Study Helps: "Desire of Ages," pages 214, 236-243; 262-271.
"The Seventh Day Adventist Bi-

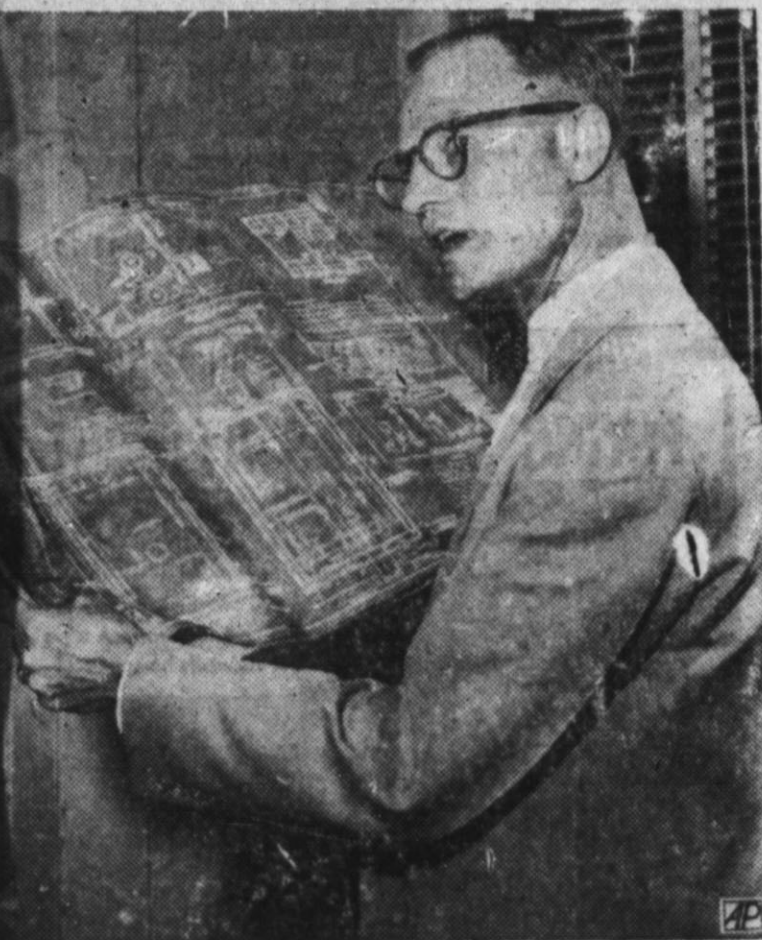

ble Commentary," Vol. 5.

"The work of Christ not only revealed Him to be the Messiah, but showed in what manner His kingdom was to be established... Jesus was to do His work, not with the clash of arms and the overturning of thrones and kingdoms, but through speaking to the hearts of men by a life of mercy and self-sacrifice... Understanding more clearly now the nature of Christ's mission, he (John) yielded himself for God for life or for death, as should best serve the interest of the cause he loved. "The Desire of Ages," pages 217, 218.

There will be a Regional Camp meeting at Lubbock August 19. All the church members are urged to attend.

The Voice of Prophecy Group, which includes H. M. S. Richards and his singing group will be present at Lubbock.

HOME BUYING EXPERT—C. W. "Bill" Smith, director of the Housing Research Foundation of the Southwest Research Institute, who has compiled a book which gives the answers to most of the questions house-hunting people ask when in the market for buying a home. (AP Photo)

Limes Big As Lemons in Markets

The big shiny green Persian limes which Florida is shipping now are just as good mixers as the other members of the citrus family, and wherever you'd use a lemon, you can substitute a lime — and be rewarded with extra flavor.

Use lime wedges with melons and salads, float lime slices in clear soups, squeeze the juice over seafood and fruit cocktail, or blend lime juice to season carrots and other fresh vegetables.

The Florida lime season opens in mid-summer, just when other foods need a pick-up, even as you and I, and the season lasts through September, affording cool relief for the last dog-days of the year.

You can drink limeade to your heart's content, for it's a nutritious drink, since limes boast lots of vitamin C. And lest you miss out on some other good things, be sure you have plenty of limes on hand to use in recipes:

Lime Butter-Stretcher Sauce
 2 tablespoons butter 2 tablespoons Florida lime juice
 1 tablespoon chopped chives Dash of salt

Melt butter; add chives, Florida lime juice and salt. Serve on hot carrots, broccoli, asparagus, spinach, beets or with fish.
 YIELD: 4 servings.

CHURCH
 (Continued from page 10)

First Methodist
 Fifth and Main
 Rev. Alby Cockrell, Pastor

Sunday School will convene at 9:45 a.m. and church services are at 10:55 a.m. Sunday. The regular evening vespers will begin at 7:30 p.m.

MYF meets at 6:45 p.m. Sunday. The Official Board will meet at 8 p.m. Tuesday.

Regular Tuesday morning prayer service will be held at 9:15 a.m. Regular mid-week prayer service Wednesday at 7:30 p.m. with choir practice at 8 p.m.

The MYF will have a covered dish supper Wednesday at 7 p.m. in Fellowship Hall.

Central Church of Christ
 205 E. 6th Street

Junior Confirmation Class from 4 p.m. to 5:30 p.m. Friday. Adult Confirmation Class at 8:30 p.m. Friday.

Everyone is invited to attend these services.

Beauty At Home

Q. What is a simple way I can add more highlights to my eye shadow?

A. Take one of hubby's pipe cleaners, twist the middle of this into a loop, dip this into some clear petroleum jelly, and draw this lightly across the lids of the eyes.

Q. What hairstyle is most flattering to the face that is diamond shaped — narrow forehead, broad jawline, and narrow chin?

A. Keep the fullness of your hair above and below the ears, dress your hair snugly at the cheekline. This will reduce the width across your cheekbones.

Q. Please tell me the best way to launder ribbons.

A. Ribbons will look like new, after the usual laundering, if they are dipped into a gum arabic or gum tragacanth solution and then stretched to dry over a smooth surface, such as the edge of the bathtub. This will eliminate the necessity of ironing them.

Q. How do I go about giving myself a honey facial treatment?

A. Pat on the honey, gently around the eye area, but more briskly over face-planes and neck. Use massage motions to work it into the skin. Then press the fingers on the face and pull away quickly, using the stickiness of the honey to stimulate the skin's circulation. Do this for about three minutes. Allow honey to remain on face for 15 to 20 additional minutes. It will then feel taut and present a stiff-looking surface. Press a hot or warm towel over face and throat to remove honey. Follow with a towel dipped in ice water, then use skin freshener. Do this every night if you wish.

Q. What is a good, simple exercise for improving bust contour?

A. Merely extend your arms sideways and swing them up, describing complete circles with the arms — elbows rigid.

Q. Is it all right to shampoo the hair as often as once a week?

A. Certainly, if it's on the oily side, once a week or once every three days is not too often. If it's very dry, once every 10 days or so should be often enough.

Q. How can I mix my own skin bleach at home?

A. Mix a tablespoon of rose water and three of pure lemon juice. Leave this on the skin for five minutes, then rinse off with warm water. Then apply some almond oil.

Q. How can I remove iron rust stains from some of my cotton dresses?

A. Lemon juice is good for this. Moisten the stain with water, squeeze lemon juice directly onto it and hold it in the steam from a boiling teakettle for a few minutes. Then rinse with water and repeat as many times as is necessary.

Q. What is the best way to soften hard water for easier bathing?

A. Add a teaspoon of borax to two-thirds quart of the water.

Q. How can I make a mask for treatment of whiteheads on my face?

A. Apply a thick paste of fuller's earth and witch hazel, and wrap some gauze over the face to keep this mask in place. After awhile, wash off with cool, then cold, water.

St. Thomas Episcopal
 Harrison Highway
 Rev. Lester L. Jones, Pastor

Sunday School is held each Sunday morning at 9:45 a.m. and church services at 11 a.m.

Holy Communion is held each second and fourth Sunday, and Wednesday at 10 a.m.

Assembly of God
 Union & Ave. G.
 Rev. V. W. Marcontell, Pastor

Sunday School is held at 9:45 a.m. Morning worship service convenes at 11 a.m.

C. A. service begins at 6:30 p.m.; Junior C.A.'s meet at 6:30 p.m. and worship service begins at 8 p.m.

From 2 to 2:30 p.m. each Sunday, the "Words of Life" Broadcast may be heard over Radio Station KPAN.

Prayer meeting and Bible Study will be held Wednesday at 8 p.m., after which choir practice will convene.

Women's Missionary Council will meet at the church each Thursday at 2:30 p.m.

Church of God
 H and 13th Street
 Rev. Eugene Powers, Pastor

Sunday School will begin at 10 a.m. Worship service is at 11 a.m. Sunday evening worship begins at 7:45 p.m. and young people's service Friday at 7:45 p.m.

TIRED 'TIL IT HURTS?

Just 6¢ a Day Can Help Build Rich, Red Blood... Save You from Being Dragg'd Out... Easy Prey to Minor Ills!

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you feel on edge—affecting your appetite—spoiling your sleep—because your body is vitamin and iron starved.

These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B1, B2, and much less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

capsules give you the full vitamin and iron content nature provided in the groups of the following foods before cooking:

- 1 quart of pasteurized milk
- 4 oz. of fresh orange juice
- 1/2 lb. of lean bacon
- 1 lb. of lean pork
- 1/2 lb. of green string beans
- 1/2 lb. of veal chops
- 1/2 lb. of ham
- 1/2 lb. of butter
- 1 lb. of beets

Household Scrapbook

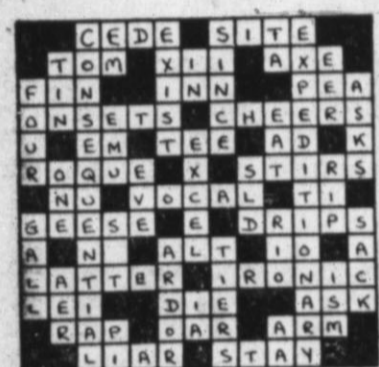

Felt Hats
One of the most frequently recommended methods for cleaning light felt hats is to rub the soiled spots, or the entire hat, with a cube of French chalk, which can usually be procured at any drugstore. After allowing the chalk to remain on the hat for several hours, or overnight, brush it off with a soft brush.

Patent Leather
Petroleum jelly will prevent patent leather from cracking. Rub some on your shoes before putting them on. Then polish well.

Colds
A stubborn cold can often be broken by dissolving a teaspoonful of baking soda in a half-glass of water, and taken every three hours.

Mailing Books
It is always well to wrap a book that is to be mailed in heavy cardboard which extends well over the corners of the book. Then wrap in outside paper and this will insure the book's arriving at its destination with its corners intact.

Floors
Spots can be cleaned from oiled floors by sponging thoroughly with turpentine. If this does not remove them, dip a damp cloth in powdered rotonstone. Then renew the oil on the spots treated.

The Winner: Vegetable-Sausage Meal

While acorn squashes are on the market, here's a new vegetable-entree for your menu. The acorn squash "cups" hold a generous serving of succulent cream style corn and ready-cooked sausages for an easy meal-in-itself dish.

We like to serve it on a platter with generous wedges of canned cranberry sauce. Add crunchy cole slaw, and for dessert serve chilled canned raspberries over instant pudding. This money saving menu combines the easy and tasty with good nutrition.

Savory Corn in Acorn Squash
2 (or 3) acorn squashes 1 can (16 to 17 oz.) cream style corn
1/4 teaspoon mace (optional) 1 can or jar (8 oz.) cocktail sausage
1/2 teaspoon salt 1 can or jar (8 oz.) cocktail sausage
Dash pepper

Cut squashes in half and remove seeds. Turn cut side down on a buttered baking pan and bake in a moderate oven (375 degrees) until tender. Combine seasonings with corn and fill center of squash halves. Put sausages on top of each. Return to oven about 15 minutes, until heated through. Four to six servings.

Cough Remedy
That irritating cough can be relieved by taking a mixture of the juice of two lemons, one teaspoon water, and one tablespoon granulated sugar. Take a teaspoon every half-hour.

Poached Eggs
When poaching eggs, put a long-handled spoon into the water and hold the egg on it for a moment. This will prevent the sticking to the pan.

Broken Cork
A cork that has broken or been pushed inside the bottle can be re-

moved by pouring enough household ammonia into the bottle to float the cork, then putting it aside for a few days. The ammonia will dissolve enough of the cork to permit its easy removal.

Household Tips
Mix cooked diced carrots and green peas with mayonnaise and a little minced onion. Serve in lettuce cups with cold cuts.

Mold potato salad in custard cups. Turn out on lettuce when you are ready to serve.

H-D CHATTER

Sweet Pickles, Dressmaking Hints Reviewed By HD Agent

By ARGEN DRAPER

Mrs. D. W. Maddox, Jr. called the office for the recipe for Quick Sweet Pickles. She said this is one of her favorites. She has used it for several years and had misplaced the recipe. This is a good pickle but it probably won't win any prizes at the fair; still some of us like it. I've used it for a long time. Quick methods just don't make quality pickles of the long method of brining. You might try a few jars.

QUICK SWEET PICKLES

7 lbs. cucumbers
3/4 c. slacked lime

Cover cucumbers with water and add slacked lime. Soak overnight.

Next morning make syrup of:

1/2 gal. vinegar
4 c. sugar
2 t. spices. Mixed pickling spices.

Make syrup. When syrup boils add cucumbers and simmer for 30 minutes. Seal in hot jars.

In a recipe a small "t" means teaspoon; a capital "T" stands for tablespoon.

Slacked lime can be purchased at the lumber yards and at some of the drug stores.

hash so it is whole. Cut the roll into four slices and brown well in butter or margarine. Serve on top toasted buns with chili sauce.

District 4-H Revue
The District 4-H Dress Revue will be in Amarillo on Friday, August 17 at 3:30 p.m. in the Flame Room of the Pioneer Gas Company. All of you who can attend should. It is hoped that all girls in the local Dress Revue can go. At least the older girls. They will learn a lot by seeing the modeling, the type dresses that win and it will be good for all of us in general.

Dressmaking Hints

General hints for Dressmaking: Cut garment out with dressmaking shears—not pinking shears. Make alterations on pattern instead of garment. Do, by all means, buy proper size pattern. If half-size fits better, compromise on design rather than size. It is difficult to alter patterns without spoiling lines of the design. Let me impress you that when you learn to alter patterns to fit you 75% of dressmaking problems are solved.

With the new size patterns it will take some time to get patterns to fit exactly right. Some of the local club women are trying to lose or gain weight to fit the

new pattern sizes. The Johnson Grass Farmer says? "My wife is on a diet all the time except at meal time."

HIS OWN PUNISHMENT

MEMPHIS (AP)—A middle-aged Little League baseball coach here deals five running laps around the field as punishment for players arriving late for practice.

The coach himself was late the other day. Somewhat sheepishly, he stepped from his car and, with out a word, began running.

YOUNG IDEAS

LANCASTER, Pa. (AP)—Colored baseball bats?

Yes. But the idea goes all the way back to Michael Angelo. Michael is the 9-year-old bat boy for the St. Anthony's midget-midgets team. He doesn't guarantee the results of his innovation, but he does say:

"It sure might get the pitcher to see everything green."

Delicious salad for ham: canned drained mandarin oranges, onion rings and romaine. Serve the salad with French dressing.
