BUG EYE VIEW—Agricultural aviator Lowell Salisbury of Lubbock, flying with Val-Air of Hereford, roared into Bill Messick's greenbug-infested field just 18 inches above the clouds, Tuesday to help two other pilots spread 6,000 pounds of chemical dust on 300 acres of Kiowa and Concho varieties of wheat. Dust blows from the third and lowest "wing" on the plane. (Staff Photos)

Around Town

The annual Ladies Night and officer election party for the Hereford Lions Club will start at 7:30 tonight in the Bull Barn. About 400 persons are expected to attend including Lions from clubs at Dimmitt, Friona, Bovina, Olton, Muleshoe and Hart.

Moving ahead with plans for expansion of the high school, the board of trustees plan to talk next week with a planning consultant, Bill Barron of the University of Texas. Barron will be here April 24-26 to survey present facilities, sites and growth trends in the community. A school bond election appears as a strong possibility for early June.

School board President Tom Robinson has answered that question he was credited by The Brand with posing during the last regular meeting of the school board. We quoted Robinson as asking, "Can an architect work out better plans than can six or seven men sitting around a table?" Robinson said he is sure an architect can work out better plans.

Hereford children from three to nine years of age will be treated to an Easter egg hunt by the city police department Saturday from 3 to 4 p. m. in Veterans Park. The children will be divided into two age groups, 3 to 5 and 6 to 9. More than 1,000 eggs will be hidden.

Board Adopts 2 New Ordinances Asks Paving Bids

In a lively session Monday night, the Hereford City Commission passed two new ordinances, heard a good report on progress on the municipal airport project, and expressed some dissatisfaction with work of the trash collectors. The commissioners also approved advertising for bids on the proposed street paving project, and awarded a contract for pulling some casing and pumps from small wells at the airport site.

The new ordinances involve truck traffic on Main St. — anything larger than a one ton pickup will be prohibited — and the operations of "tree surgeons, lawn doctors" and other persons who offer services to shrubbery and lawns in Hereford.

CITY MANAGER Dudley Bayne reported that construction of a temporary airstrip at the airport site should get underway late this week or the first of next week. Work is expected to begin as soon as the Deaf Smith County Electric Co-op completes removal of poles within the boundaries of the 600 acre field. The poles are slated to come down today and tomorrow.

MAYOR Ray Godwin reported that the airport land has been "soil banked." The city is expected to receive nearly \$5,400 a year in conservation reserve payments for the next 10 years for taking the land out of cultivation.

The payments were seen as going a long way toward meeting the payments on the \$100,000 bonded indebtedness the city incurred as its share of the costs of developing the airport under the joint federal-local government program.

FAST WORK—Flying from a country road, a duster pilot circles, above, to make sure no cars are approaching before landing to take on another load of chemicals. Bill Messick, below, right, watches as two planes lay swaths of the white dust over his lush irrigated wheat.

Insect Threat Is Being Countered by Duster Pilots

Last week's hard freeze gave a boost to insect pests in wheat by killing many of the predators that had been active in keeping them under control in many fields, report farmers and other observers.

County Agent Hugh Clearman said that greenbug populations in many fields has been climbing rapidly, but that chemical control work by Hereford's two agricultural aviation firms, American Dusting Co., and Val-Air of Hereford has been giving good results in killing the pests.

The aerial operators report that they have been "very busy," when weather conditions are right. Parathion, applied at rates of about 25 pounds per acre, is generally used in the work and research men from Texas Tech have reported to The Brand that the chemical gives excellent results under proper conditions.

Emergency Grain Program Extended

Walter T. McKay, state director of the Farmers Home Administration, Tuesday advised the resignation of Deaf Smith County for assistance under the emergency feed grain program.

Under this designation, farmers and ranchers may now file application through April 29 to provide feed grain for basic livestock herds through May 15.

The local FHA office is at 319 Sampson.

The Law Is the Law

Joel Newman, Hereford city policeman, had to give himself a traffic ticket Saturday morning after his patrol car collided with a city fire truck.

All the fire equipment was rushing south on Sampson toward a reported fire on South Schley. Newman, by himself in the patrol car, started to pull around a fire pickup driven by volunteer fireman Arthur Tiefel. Newman was going to pass the trucks in order to block traffic on Highway 60.

Just as Newman started to pass the pickup at the intersection of E. 2nd and Sampson, Tiefel turned left to get over to Schley.

The vehicles collided. Newman wrote out a ticket to himself for negligent collision caused by passing at an intersection.

Damage to the patrol car was estimated at \$107 and \$100 to the fire truck.

Newman hasn't been before the judge yet so he doesn't know what the fine will be.

The reported fire was never located.

Spanish Club Has Good Showing at Tri-State Fiesta

Two firsts and several other prizes were won by members of the high school Spanish Club at the annual Tri-State Fiesta in Clovis Saturday. Azalee Brown took first in pottery, and Ruth Drerup first in tacos making.

Leon Roberts won a second in metal work and an honorable mention in leather work. Oscar Ramirez took third in creative writing of poems, and Dudley Bayne came in fifth in a field of 13 declaimers.

Raul Moro won an excellent rating in clinical reading, and Jimmy Fowlkes and Dudley Bayne received good ratings in the same event.

Mrs. Roy Calvert, sponsor of the Hereford group, was chairman of the creative writing division.

Sue Sowell was chosen as a princess to attend the queen of the Fiesta; she was escorted by Leon Roberts. Mrs. Charles Sowell accompanied the group to Clovis.

2-Year Contract as Head Coach Is Awarded to Harris

JACK B. HARRIS

Spring Grid Work To Start Tuesday

Spring football training for the Hereford Whitefaces will begin on Tuesday afternoon with a new athletic director and head coach, Jack B. Harris, in charge.

Harris, 34, was awarded a two-year contract in the position during a special meeting of the board of trustees on Tuesday afternoon. He succeeds L. B. (Scot) Russell as mentor of Hereford High School athletics. Russell submitted his resignation from the position in February and asked and received a regular teacher's contract here.

The new athletic director held a similar position for the past three years at Nocona High School. He was previously coach at Breckenridge High School for two years and has a total of 11 years experience in coaching high school and college teams.

Harris played freshman football at the University of Texas, and with the varsity at Hardin-Simmons University in 1946-47. He holds two degrees, from Hardin-Simmons, a bachelor of science and a master of education.

Spring football training for the Hereford Whitefaces will begin on Tuesday afternoon with a new athletic director and head coach, Jack B. Harris, in charge.

John Poindexter, assistant coach here, was one of the 10 top applicants considered for the position. Another assistant coach, John Paul Jones, withdrew an application for the position before the board's final session. The present coaching staff has been tendered contracts, with a provision that they may remain as classroom teachers if Harris decides to choose other men for his staff.

Cunningham told the trustees Harris had not yet made a decision on selection of his assistants.

Under the contract set by the trustees, the new coach will have only three assistants, rather than four as did Russell. The fourth assistant is not to be discontinued, but will be assigned to full-time duties as physical education instructor, Cunningham said.

Harris' salary will be \$3,700 above the state schedule for classroom teachers during his first year and \$2,000 for the second year.

Cunningham said that he will be required to teach four regular classes. Trustee Marcus Latham asked if the academic load of teaching four classes might not handicap Harris in his athletic capacity.

The superintendent said that inasmuch as his last class would end at 1:30 p. m. each day, Harris should not be unduly handicapped.

A short discussion of the "overage" of teachers in the school system followed. Cunningham said that at present, teachers employed above the state minimum schedule in the high school is costing the district about \$70,000 a year. He indicated that the teacher-pupil ratio, as related to the state schedule, should improve during the next year: With increased high school enrollment of 130 pupils, only two, possibly three additional teachers will be employed.

Trustee B. F. Cain turned the discussion back to the coach problem with the query, "Wouldn't a one year contract be better?"

20 Volunteer Aid to Athletic Club

Plans for more youth activities sponsored by the Hereford Athletic Club advanced Tuesday night as 20 coaches volunteered to help out with the program.

Scheduled to begin as soon as possible are gymnastics, judo, wrestling, weightlifting, tennis and swimming.

These sports headed the list of preferences given by Hereford youths in a tentative registration poll held March 30.

COACHES for those sports, except swimming, are available. The Athletic Club is going to ask the manager of the city pool to coach the swimming team. The manager for this summer has not been selected as yet.

8 Are Sentenced After Pleading Guilty in Court

Eight pleas of guilty were heard Monday afternoon and night by Judge Harry Schultz in 69th District Court here.

The court was in session from 3 to 11:15 p. m.

Jose Garcia DeLuna, 21, of Hereford was sentenced to six years in the state penitentiary for house burglary.

Luther Hodges, 20, was sentenced to three years in the penitentiary for forgery.

Troy Hickman, 39, of Lubbock, had his five-year adult probation revoked and was sentenced to prison for that length of time. He was sentenced for driving while intoxicated, second offense.

James Monro Partain, 54, was sentenced to five years adult probation for driving while intoxicated, second offense.

Marvin Brown, 21, of Perryton, received three years adult probation for swindling by worthless check.

Travis Castleberry, 23, of Hereford, was given eight years adult probation for swindling.

Herbert and Lorraine Bunch were sentenced to two years in the penitentiary for removal of mortgaged property. They have requested probation and it is under advisement, pending investigation.

Judas Schultz will return to Hereford April 25.

Speech Students Place Second in Regional Contest

Hereford High School speech students won two second places in the Region I meeting of Texas Interscholastic League in Lubbock Saturday. Eugenia Alexander and Larry Boston placed second, respectively, in the girls' and boys' extemporaneous speaking contests.

Hereford this year is included in the regional conference with such schools as Abilene, Lubbock, Amarillo and Midland.

Other students who represented District II-AA at the regional meet were Sue Springer, senior girls' declamation, and Stanley Fuhrmann, number sense. Accompanying the students to Lubbock were Mr. and Mrs. Jim Garner, Mrs. Elmer Patterson, Mrs. Walk Boston, and Earl Springer.

that covered by paving is apparently eligible for the soil bank, Godwin said. An estimated 28 acres of the total will be "measured out" of the program due to runways, taxi strips and a ramp.
The purchase of the 600 acres of land from the Beauchamp Estate and Delmar Sigle at \$90,000, was completed last week by

Mayor Godwin. The commissioners authorized Godwin to make a short term bank loan to gain the purchase money until such time as bond issuance and Civil Aeronautics Authority payments bring the purchase money to the city for repayment of the loan and completion of the construction program.
The commissioners studied a report of county and state taxes on the land and concluded that some inequality was apparent. In two

separate tracts, each containing approximately 300 acres, taxes assessed against the property had varied as follows: \$81 annually on the Beauchamp land; \$19 annually on the Sigle land.

THE ORDINANCE affecting the truck traffic on Main St. had been suggested by Chief of Police Henry Aycock. Bayne reported to the commissioners. Commissioner Troy Moore said that truck traffic and parking on Main St. has apparently constituted hazards and made the motion for adoption of an ordinance banning anything larger than one ton pickups from travelling or parking on the street. Moore also asked that drivers license requirements be enforced, noting that many Latin Americans continue to operate vehicles after being arrested for failure to have drivers license. Repeated arrests, City Attorney Ernest Langley said, might serve to emphasize the legal qualifications affecting operation of vehicles.

Bayne said that the police would be instructed to crack down on violators of the drivers license laws.
Each member of the commission excepting the mayor took a lively personal interest in the proposal by Bayne of an ordinance to control firms and individuals offering chemical and other treatments of lawns. Moore noted that contracting to have trees sprayed at his home resulted in little help for the trees, but "cost me two new paint jobs on cars."

After Commissioners Neil Cooper, Dr. R. R. Wills, and Don Little testified to personal unsatisfactory experience in contracting for treatment of shrubbery, Bayne said that the city itself had unsatisfactory experience last year in contracting for chemical treatment of trees.
RESULT of the "lawn doctors" discussion: Attorney Langley was instructed to draw up an ordinance requiring bonding and registration, including payment of a \$25 fee, of all individuals offering landscape treatment service in Hereford.

The trash collection discussion followed a report on installation of new Dempster Dumpster service in the business district. Bayne said that residential area trash pickups will go on a twice-a-week schedule next week.
A number of complaints regarding poor trash pickup service brought the promise from the City Manager of "some cures within the week."

STREET PAVING under the extensive program - to cost an estimated \$200,000 - planned by the commission in recent months is expected to be scheduled next month. The board approved advertising for bids on the project on a two-way basis: The contractor to accept cash from the city for the work, or to work-up the individual street projects himself.
Contractors will be required to submit a five per cent bid bond with their applications, and the successful bidder will be required to give a performance bond for the amount of contract.

The Big T Pump Co. received the contract for "pulling" the several small wells at the airport. One of two wells with casing is to be maintained by the city. Winget Pump Co. had offered a similar bid for the work.

Joe Beyers Back from California

Mr. and Mrs. Joe Beyer have returned from a month's visit with relatives in San Francisco, Los Angeles and other points in California.
After their return, they were visited Sunday by their son and his wife, Mr. and Mrs. P. L. Beyer of Amarillo, and by his brother and wife, Mr. and Mrs. Ed Beyer of Wichita, Kan., who were returning home from California.

ter for our purposes?"
Other board members expressed the opinion that a two-year contract would afford the new coach a better opportunity to demonstrate his ability. Wilburn Axe said that should the board fail to renew the contract at the end of the first year, it should serve notice that the trustees had placed the coach on probation and would thereby have something of the same effect as would a one-year contract.

Latham made the motion to employ Harris, and Axe gave the second. All votes were "Aye." Present for the meeting were Tom Robinson, board president, Bert Boomer, vice president, W. R. (Dub) Hair, secretary, Latham, Axe, and Cain, members. Administrators present were Cunningham and Fred Baird, financial secretary. Trustee Ralph Hastings was absent.

Davis.
Coaches for sports not in season are Melvin Young, Les Jones Jiggs Hudson, Jack Cameron and Vern Roberts, boxing; Bill Dufur and Bill Wells, basketball, and Don Larkin, volleyball.
Instructors for track and field, horseshoe pitching and baton twirling are needed.

DEFINITE times for these sports have not been set—Facilities are available for all of them. Gymnastics, judo, wrestling and weightlifting probably will be done in either the Bull Barn or the high school gym. Tennis players will use the city courts and swimmers the city pool.

The Hereford Hi-Y Club is furnishing new nets for the courts. The Hereford Rural High School Board on Tuesday officially gave the club permission to use the high school gymnasiums, subject to definite regulations.

In other action at Tuesday's meeting, Melvin Young was named athletic director of the club's entire program and commissioners were appointed for the various sports.
Lowell Sharp is swimming commissioner; Wayne Lawrence has wrestling and judo; Wayne Stark, gymnastics and baton twirling; Jeff Davis, weight lifting; Cecil Parker, basketball, track, horseshoe pitching.

In the tentative registration last month, 151 boys and girls listed gymnastics as their preference; 194 listed swimming; 44 for wrestling and judo; and 69 for tennis.

Since the first registration, about 90 more have signed, making a total of about 350 youths tentatively registered for the program.

Official registration with the AAU will be held as soon as an insurance program has been worked out, according to Guy Lawrence, club president.

Registration fee will be 50 cents and insurance will be approximately \$1.50, Lawrence said.

moisture conditions. Dr. Donald Ashdown of Texas Tech recommends application of the dust right after irrigation of the wheat.
On several recent ideal days of medium temperatures and low winds, the aerial spray pilots have been able to treat about 2,000 acres of wheat with parathion, flying from dawn to dusk.

COSTLY SNACK
DECATUR, Ill. - The County jail's coffee break still costs as much as a lunch or dinner.
Doughnuts and coffee furnished by the county for city jail prisoners costs 35 cents, while the County Building coffee stand sells the same for 26 cents.
Sheriff C. W. Peebles says the 35 cents is a flat fee for meals no matter what time of day it is eaten.

HOT REASON
RICHMOND, Va. - Marvin E. Williams was in court on a reckless driving charge. His car struck a city-owned tree.
"How fast were you going?" asked Traffic Judge Carleton Jewett.
"About 10 miles an hour," Williams replied. "My car was on fire and I had to abandon it."
"I guess that's the time to abandon it - case dismissed," said the judge.

Even Dogs Have Diet Problems

SAN FRANCISCO (AP) - Some people just can't stand to see a dog go hungry, even if the animal is too fat and on a reducing diet, says a Burbank, Calif., veterinarian.

In several cases where he prescribed a reducing diet, the dogs failed to lose weight, reported Dr. Howard C. Taylor in "The California Veterinarian," publication of the state's animal doctors.

Dr. Taylor investigated and found that in every case either a member of the family or a neighbor had been shipping the dogs an extra bite to eat.

One dog owner confessed he had been giving his pet a half-dozen carrots daily in addition to the prescribed canned diet. He didn't think carrots contained calories.

Sometimes an owner reports the dog refuses to eat the canned diet. Dr. Taylor told a woman client to heat the food. She fried it in butter.
Now he tells owners to heat the food in a double boiler or in the oven, without adding anything to it.

QUICK PUNISHMENT

HUNTINGTON, W. Va. - A Huntington man with bruises and cuts on his head, complained to police that he had been attacked by someone with a blunt instrument. The investigation developed that he had been in a poker game and was caught cheating.

Quartet Cues Costume In Harmony With Stork

WICHITA, Kan. (AP) — When the Dotted Quarters, — Wichita's sweet singing Sweet Adeline Quartet — learned that their tenor was on the stork's calling list, they hardly skipped a note.

All four members donned maternity dresses, and sang their way to third place in the international finals of the women's barber shop quartet world, last October.

Now the tenor—Carolyn (Mrs. Bill) Powers — is singing to Kerri Kae, the daughter who weighed 6 pounds 15 ounces at birth, Feb. 17.

The fact that the foursome sang its way to fourth place in its first international try, a year earlier, had a lot to do with its determination not to halt the close harmony until Kerri Kae arrived.

Instead, they put pretty heads together, agreed on the new costumes, arranged snappy numbers, and featured an appropriate new tune called "Happy Hubby Boogie" — Written by member Betty (Mrs. Bob) Owens.

They filled more than 100 engagements, all the way from Albuquerque and Roswell, N. M., to Springfield, Mo., before entering the international "sing" at Wichita. Each time they stepped up in maternity garb to a microphone, Betty explained:

"You may suspect that this quartet has a secret. We are learning to knit and to sing lullabies. But rather than have you think it's all four of us, we'd like to present our 'little mother' — Carolyn Powers, who's expecting her first baby."

And they all helped Carolyn eat the right foods by joining in the ordering of milk and protein-high foods between concerts. When she went to the hospital, her song-mates — Betty and Teresa (Mrs. Kermit) Cobb and Rosie (Mrs. Wallace) Jones, went along to keep Papa Bill Powers company.

Still undaunted, they're planning their campaign now for the 1957 finals.

CLOSE HARMONY PROSPECT—Little Kerri Kae, reason for quartet costume change, nestles in arms of mother.

WICHITA'S DOTTED QUARTERS—All four put on maternity dresses while Carolyn Powers awaited stork. From left, Teresa Cobb, Betty Owens, Mrs. Powers and Rosie Jones.

Household Tips How Can I?

Q. What is a good remedy for fingernails that break easily?
A. Massage them every night with olive oil.

Q. How can I secure the best results from using soap flakes?
A. It is said that fewer flakes will be required, and the result will be better suds, if the flakes are beaten into a foam with the egg beater.

Q. How can I remove paint and putty stains from window glass?
A. These stains can be removed with hot-vinegar.

Q. How can I prevent the piano strings from rusting during damp weather?
A. Try burning an electric light bulb inside the piano from time to time. The cost is small compared to the result.

Q. How can I keep dust from coming up through the furnace register?
A. Part of it can be prevented if, before sweeping and dusting a room, a damp cloth is spread over the furnace register. The dust will cling to the cloth instead of going down the register, to circulate later through the room.

Q. How can I clean wicker furniture?
A. Salt not only cleanses wicker furniture but prevents it from turning yellow. Make a strong solution of salt water and wash all the wicker furniture.

Q. How can I improve the flavor of cocoa?
A. If a drop of vanilla is added to each cup of cocoa after pouring, it will greatly improve the flavor.

Q. How can I prevent the bursting of potatoes while baking?
A. Prick the potatoes with a fork before baking them, so that the air can escape and prevent their bursting while cooking.

"MRS. TEXAS" WINNER—Mrs. Louis F. Hale, right, of Kilgore was crowned "Mrs. Texas" in Dallas by the retiring "Mrs. Texas" Mrs. Edwin C. Campbell of LaGrange. Secretary of State Zollie Steakley, who represented Gov. Daniel, center, smiles his approval. Mrs. Hale the mother of four young children including twins, is the wife of a rancher who owns and operates a truck line. Mrs. Hale will compete in "Mrs. America" national finals to be held in Ft. Lauderdale, Fla. May 11-12. (AP Wire-photo)

Bugs Enlisted in Fight Against Crop Enemies

By JACK LEFLER

RIVERSIDE, Calif. (AP)—A "Battle of the Bugs"—with the nation's food supply at stake—is being fought in fields and orchards across the country.

Agricultural scientists are pitting "good bugs" against "bad bugs" to preserve the balance of nature and achieve permanent control of innumerable species of mites, nematodes and insects which inflict millions of dollars in damage each year on vast and valuable acreages.

The battle sends entomological explorers roaming the world seeking natural enemies of plant pests which have become established in this country.

Most of the pests were imported inadvertently into the United States in shipments from other countries. Unbathed here by their natural enemies, these pests flourished and threatened to wipe out crops.

THE UNIVERSITY OF California's Citrus Experiment Station at Riverside is headquarters in the fight against insects, fungi and viruses.

Its bug hunters are constantly seeking species that can be thrown in as reinforcements in the unceasing battle.

To attain biological control, beneficial insects have been brought in from such far places as Japan, China, Australia, Hawaii, Argentina, England, Austria and the Netherlands.

Billions of these insects are being mass-produced in rearing experiment rooms at the Experiment Station. Then they are released to do their work in the fields.

There are two main categories of beneficial insects—predators and parasites.

Predators feed on pests, flying or moving from one colony to another. An example of the predator is the ladybug, which eats approximately 50,000 aphids in a lifetime.

PARASITES are hatched within a colony of pests. Young parasites feed on the destructive insects. A highly regarded parasite is the tiny golden wasp from China. It is a promising new weapon against red scale which has blighted so many southern California orchards.

Parasitic fungi are being used

with success against the spotted alfalfa aphid which in two years has become the most destructive pest of the widely grown forage crop. The alfalfa aphid has spread from New Mexico east to Missouri, west to the Pacific Coast and north to Idaho. In California alone, the yearly damage is estimated at 13 million dollars.

The 250 scientists working at the Experiment Station have won a commanding lead over the plant enemies through biological control and other means, but they can't relax the struggle against pests whose objective is to beat man to their common food supply.

Of the battle against plant enemies, Dr. Herman T. Spieth, professor of the Riverside Campus of the University of California, says:

CARD OF THANKS

I would like to thank everyone for their kindness, cards and flowers during my stay in the hospital. To the doctors, nurses and Miss Seigler, I owe a debt of gratitude which I can never repay. Also to the ministers who visited me so frequently.

Sincerely,
M. L. Simpson

VISIT IN LUBBOCK

Mr. and Mrs. O. R. Neel and Lillith spent Saturday evening in Lubbock in the home of Mr. and Mrs. Wayne Neel. While there, they attended exhibits and chemical demonstrations at Texas Tech.

HERE ON VACATION

Miss Virginia Sigle, student at the University of Colorado, Boulder, is home to spend the Easter vacation with her parents, Mr. and Mrs. Delmar Sigle.

CARD OF THANKS

We wish to express our deep appreciation to the good people of Hereford for the many kindnesses shown us at the funeral of our father. The flowers were beautiful and the food was delicious. May God bless each and everyone of you is our prayer.

FULL RESEARCH

HUNTINGTON (AP)—Dave Sable of a Huntington travel agency, billed to take part in a TV interview about one of his firm's cruises, failed to show.

He had become so interested in doing research on the tour that he took it, himself, and failed to return in time.

The interview was rescheduled at a later date.

NEW YORK GALLERY TO SHOW LOCAL ART WORK

FOUR STUDIES in art, selected from the Hereford Art Guild class' color assignments, will be shown in the Burr Art Gallery in New York in May. Mrs. Ernest McGee, president of the Guild, has announced.

Paintings by Mrs. E. L. Naugle, Mrs. Earl Plank, Mrs. Roy Grubbs

and Mrs. R. R. Wills were selected to be displayed.

Mrs. Naugle's painting represents a problem in time, beginning with a slow tempo and picking up speed as it moves from left to right.

Division of space was Mrs. Plank's problem. Space division

is the primary problem in planning a composition for a painting. Mrs. Grubbs solved her problem in gradual time, moving very slowly at the left and picking up a gradual speed.

Mrs. Wills did an x-ray problem, showing the difference between visual and abstract painting. Visual painting is painting what is seen. Abstract painting is painting what the artist knows is there. In her problem, Mrs. Wills has shown elevators through the band and trees through the house, concentrating on shape and color instead of the subject.

THE SELECTION was made Thursday at the final class session, by Dord Fitz, instructor for the 10 weeks series. Fitz also conducts a school of art in Amarillo and other Panhandle cities.

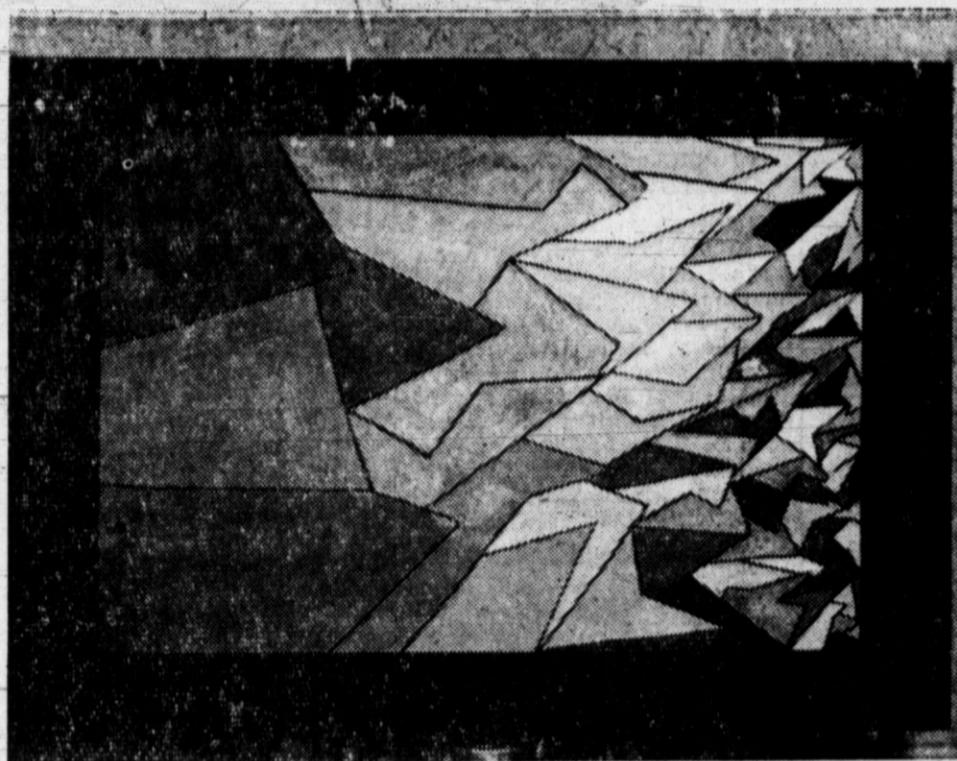

Fitz, an art instructor at the University of Kentucky for 14 years, was asked to display paintings from this area and he will take 30 canvases from this area for this showing.

"The purpose of this type of study actually is the study of space and color control," Mrs. McGee said. "These paintings represent problems which the student has worked out in individual assignments, in which has been mastered a certain degree of color control, which of course is invaluable to a painting. The group, by solving these problems has learned by doing how to keep their painting behind the picture plane and how to activate and control the tempo. They also have learned to control their objects in space."

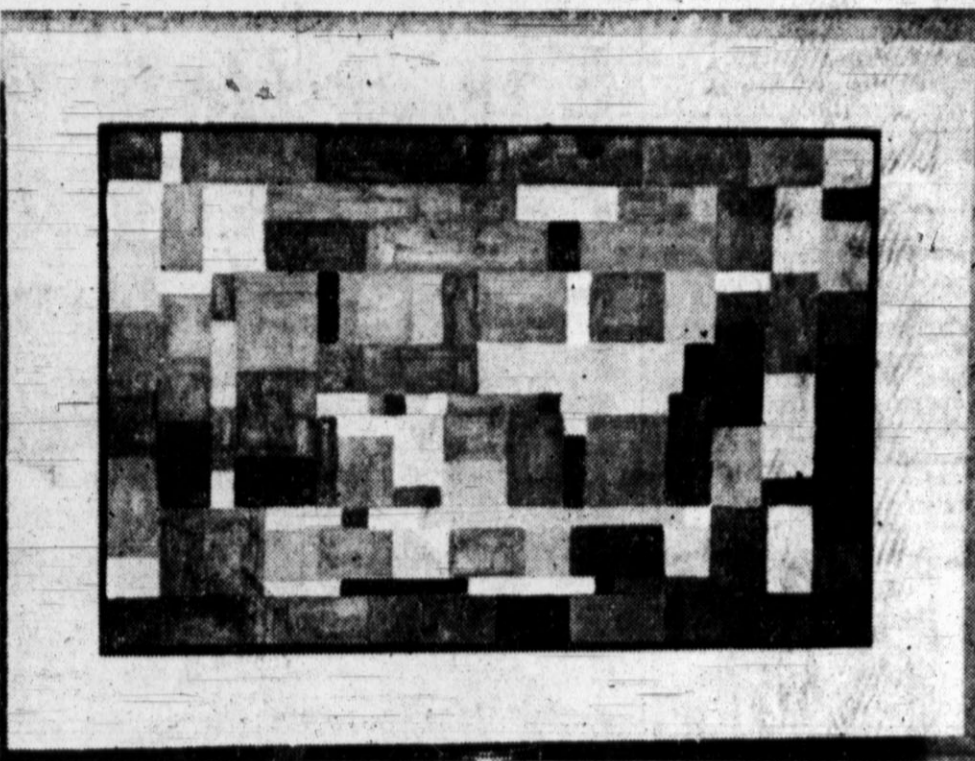

Official hosts for the Burr Art Gallery Show will be Tex McCreary and Jinx Falkenberg.

Another painting to be shown in the New York Show has been done by Mrs. Ernest McGee and represents a problem in deep space.

The Hereford Art Guild will continue weekly meetings during the year and another special class will be featured in the fall.

Castro County 4-H Holds Elimination

By ARGENT DRAPER

The 4-H girls in Castro County held their County Elimination Contest last Saturday. Dorothea Prowell, Ted Ford and I helped with the judging of the contests. The contests, on a whole, were well prepared and well presented. All the subject matter was correct. Some of the subjects for the electric demonstrations were "From Sadiron to Steamiron, Care of the Soleplate of an Electric Iron, Care of a Coffee Maker, Beaters and Mixer."

Five girls in the Junior Division from the Dimmitt 4-H Club gave demonstrations on Cleaning the Soleplate of an Electric Iron. It is very encouraging to see girls, parents and leaders take so much time and interest in constructive programs. The club leaders handled the contests entirely.

The vegetable demonstrations had clever names: "Be a Salad Artist: When Salad is our Lunch; Salad Secrets and Vegetable Salad Plate."

Two of the youngest contestants gave Vegetable demonstrations — one was Salad Ingredients for Between Meal Snacks and one on Stuffed Celery.

THERE was one entry in the Cooperative Contest. Mary Taack

Gordon Shaffer in Washington

BREMERTON, Wash. (FHTNC)—Godron N. Shaffer, electronics technician third class, USN, son of Mr. and Mrs. James A. Shaffer of 503 25 Mile Ave., Hereford, arrived at Bremerton, Wash., April 15, aboard the attack aircraft carrier USS Coral Sea.

The carrier made the six-week cruise from Norfolk, Va., around South America to the Puget Sound Naval Shipyard where she will undergo major alterations, including the installation of steam catapults, hurricane bow and an angled flight deck.

Ports visited during the cruise included Santos, Brazil; Valparaiso, Chile; Balboa, Panama; and Tacoma, Wash., where the ship stopped for two days to take part in the "Daffodil Festival."

With alterations scheduled to take two years, most of the crew will be assigned to new duty stations.

Social Security Worker Due Here

Mrs. Maurine Travis, field representative of the Amarillo Social Security Office will be in Hereford April 25. Mrs. Travis can be contacted at the courthouse from 9:30 a.m. to 2:30 p.m.

Mrs. Travis can furnish any assistance or information which would be available in the Amarillo Office. Anyone wishing to file a claim for Social Security benefits, should contact her.

NO HARD FEELINGS—SPOKANE, Wash. (AP) — When a member of the legislature returned from the 60-day session which failed to balance the budget, he found a sign on his law office: "Welcome Home Anyway."

THRIFTY RAT—COLUMBUS, Ohio (AP) — Detective Jim Frost, called to investigate a \$170 theft from a laundromat, thought he smelled a rat. Tearing up a portion of the floor, Frost found two one dollar bills, a hole, a four-foot tunnel, then a rat's nest and \$168.

USEFUL STRINGS—DENVER, Colo. (AP) — Mrs. Ricarda Mooney, a violinist with the Denver Symphony Orchestra, had to play her way out of jail. "A friend and I were arrested for speeding," Mrs. Mooney explains, "and the policeman made me play 'My Wild Irish Rose' before he would let us leave the station. We didn't have to pay a fine."

of the Hart 4-H gave an illustrated talk on four kinds of Businesses. She had very attractive posters and made a good talk. She said the four kinds of businesses are Individual, Partnership, Corporation and Cooperative. She told us the organization of the four kinds, how financed, and something of the operation.

District Contest Eliminations will be held in Canyon on the West Texas campus May 5. Everyone is welcome to attend. It will help you with your programs and planning your next entries in contests to see the county winners give demonstrations.

THE DRESSMAKING lessons are off to a flying start. Twenty-one demonstrators from the 12 clubs attended. They already have 92 women enrolled in their classes. There's a lot of interest and it is hoped we can complete before school is out.

Of the group attending only five had used the patterns with new measurements. There are some things we are going to have to relearn or unlearn about patterns. It will be interesting. All of us will be wiser after our Dressmaking course.

Tuesday the Dawn club had its second meeting on Upholstering. This has been put off three times because of bad weather. It seems so unusual to have weather where club has to be postponed but when I first started working sometimes all the clubs would be postponed during December, January and February.

The FHA Style Show on TV Saturday afternoon was just excellent; the dresses were so pretty and so we the girls; they modeled well, too. I was proud of every one of them and felt that this is quite an accomplishment.

I was indeed saddened at the untimely passing of Rita Loerwald. She was one of the charter members of the Dawn Home Demonstration Club and was always so pleasant, happy and willing to help with worthwhile things. The family is in Dove Creek, Colo.

West Hereford H. D. Club Entertains Dawn, Bippus

In one of the highlights of recent home demonstration club activity, the West Hereford H. D. Club entertained the Bippus and Dawn H. D. Clubs in the Friendship Room of the Hereford State Bank on April 9.

Mrs. Mary King welcomed the visiting clubs. Mrs. Mable Vaughn had charge of the recreation period. As a part of the program Mrs. Edna Douglas read The Legend of the Dogwood Tree; Mrs. Vaughn read a poem, The Little Black Dog; Mrs. H. S. Fuller and Mrs. Muri Little of the Dawn club gave a skit on overweight and underweight persons.

The refreshment table was decorated in an Easter motif. Present were Mrs. Henry Spicer, Mrs. Ray Polan, Miss Lulu Botsford, Mrs. Muri Little and

Mrs. H. S. Funner of Dawn; Miss Christine Fortenberry, Mrs. J. G. Fortenberry, Mrs. C. F. Homfeld, and Mrs. Jim Perrin of Bippus; Mrs. Floyd Walton Sr., Mrs. A. E. Douglas, Mrs. Mabel Vaughn, Mrs. W. H. Autry Sr., Mrs. John Jacobsen Sr., Miss Evelyn Bell, Mrs. Maggie Luck, Mrs. Roy Boyce, Mrs. Mary King, Mrs. Roy Thompson, Mrs. Mary Waters and Mrs. Vern Witherspoon of the West Hereford Club.

In other H. D. Club activities, the Messenger club met Friday at the home of Mrs. Floyd Brown.

Mrs. Argen Draper, county agent, gave the program on pictures and their use in the home. She gave a demonstration of the arrangement of pictures and the type to use in different rooms.

Present for the meeting were Messdames J. E. Rouse, Elmer Northcutt, N. A. Brown, Ernest Brown, Jack Buse, S. N. Thweatt, Bruce Coleman, Ruth Coleman, W. D. Howard, Bob Howard and the hostess.

The Bippus H. D. Club had two subjects at its meeting on April 9 at the home of Mrs. C. F. Homfeld.

Mrs. Elmo Hall told the group how to press clothing and what equipment to use.

Christine Fortenberry read an article on providing food and shelter in an emergency or disaster. The article concerned civil defense. Mrs. Melvin Henderson is a new member of the club.

Texas Tech Looks Like First Choice of '57 Graduates

Just eight of 79 students planning to graduate next month from Hereford High School indicated they do not plan to attend college in a questionnaire on which they indicated their preferences in schools. Texas Tech at Lubbock appears to be the choice of better than 25 percent of the student body, with 24 seniors listing it as the school of their choice.

About 16 seniors did not complete the questionnaire.

West Texas State ranked second in the preference list, with 13 students listing it as their first choice.

Only one student, the valedictorian Ted Moore, said he was undecided about college in the survey.

COLLEGES, and the students who stated a preference for each (several listed two schools as possible choices) are as follows: Texas Tech — Patsy Carthel, Ed Schroeter, Bob Veigel, David Smith, Sue Kirby, Jerry Malone, Barbara Damon, Ronald Zimmerman, Almona Ritcha, Taylor Sims, Pat Ferguson, John David Bryant, Sandra Caraway, Charles Seed, Jane Newsom, Danny Elliston, Dorothy Daniel, Bill Knox, Woodrow Northcutt, Oscar Ramirez, Jack Rogers, Clarabeth Holt, Bobby Heavin and Bill Callaway.

West Texas State — George Wilhelm, Burke Inman, Larry Boston, Joe Andrews, Don Fellers, Edward Vaught, Carlynn Williams, Kee Skypala, Bobby Heavin, Erlinda Lucero, Sandra Dutton, Bobby Miller and Richard Zinsler.

Drayton's Business College — Patricia Peters, Sharon Brinkman, Dorothy Allman, Christine Thomas, and Jessie Ann Gray. University of Laramie, Wyoming — Pat Allen. Tarleton State — Pat Elliston. University of Texas — Bill Woodford.

Northwest Texas Hospital School of Nursing — Elane Wagener. Texas State College for Women — Margaret Griffith. North Texas State — Carl Covington and Chick Weemes.

McMurry College — David Wertenberger, Glens Mutter and Nancy Cockrell.

Baptist Church Honors Youths

By JUDY PINNELL

Sunday morning church services brought to a close the week honoring the youth of the Baptist Church — all Sunday school classes were taught by young people. Teaching were Billie Grunhkey, Maxine Brown, Judy Pinnell, Erma-Lou Jordan, Jimmie Brown and Moran Pounds was acting superintendent.

In the church services Ninette Pounds played the prelude and postlude. Judy Pinnell read scripture. Davis Brown directed the youth choir. Erma Lou Jordan was soloist. Jimmie and Billy Don Brown were ushers. The morning's theme was "Growing in Christian Character." Mary Grunhkey and Finis Brown were the speakers.

Dorsey Watson and his daughter, Zackolen, of Salida, Colo., were weekend guests in the Bob Caldwell home. Zackolen plans to remain with her aunt and uncle to finish the school term. She is a second grader.

Tommy Weaver of Farmington, N. M., visited his mother, Mrs. Mary Weaver, from Friday until Sunday.

Mr. and Mrs. Ernest Frank and daughters, Twilla and Mrs. Doris Jewett, visited Wesley Frank and family in Woodward Friday through Sunday.

Ed Jacobsen left on a business trip to Houston Saturday. He was to return Wednesday.

Mr. and Mrs. Henry Creitz vis-

ited the Roland Loyds in Vega Sunday.

Mr. and Mrs. Pool Doherty joined a group of ex-school mates Sunday afternoon in the O. B. Glover home in Amarillo. One family was from Tulsa, Okla., and another from Detroit, Mich.

Al Goodin, former girls basketball coach here, is in the hospital at Dimmitt for treatment of strep throat. He is being observed for a possible tonsillectomy. Mrs. Goodin brought the children to her mother, Mrs. Jessie Jordan Saturday.

The Rev. and Mrs. Lewis returned Tuesday night from Levelland where they were called to his father's bedside.

Several local women attended the Amarillo District Meeting of the WSCS Thursday. Mrs. Johnnie Wilson was elected secretary of missionary personnel of the district. Attending from here were Messdames Williams, Lorin Creitz, Leland Burns, Ed Jacobsen, N. L. Jacobsen, Anna Witt and Vic Lemke.

Mrs. Irene Brown spent Friday in the Floyd Brown home.

Mr. and Mrs. M. W. Blankenship, Sidney and Morris Lee spent Friday night and Saturday visiting the Ernest Exum and Jay Blankenships in Lubbock.

Mr. and Mrs. Leland Burrus took members of the local MYF to a meeting of the sub-district at Hereford Sunday afternoon. Attending were Don Morgan, Peggy Leslie, Judy Tomlinson, Terry Creitz and Kinoy Morgan.

Two Wrestling Bouts on Tap

Two full-length bouts comprise the wrestling schedule for Saturday night in the Bull Barn.

Don Curtis and Jimmy Blood will tangle in the opener with the match scheduled for two out of three falls with an hour time limit.

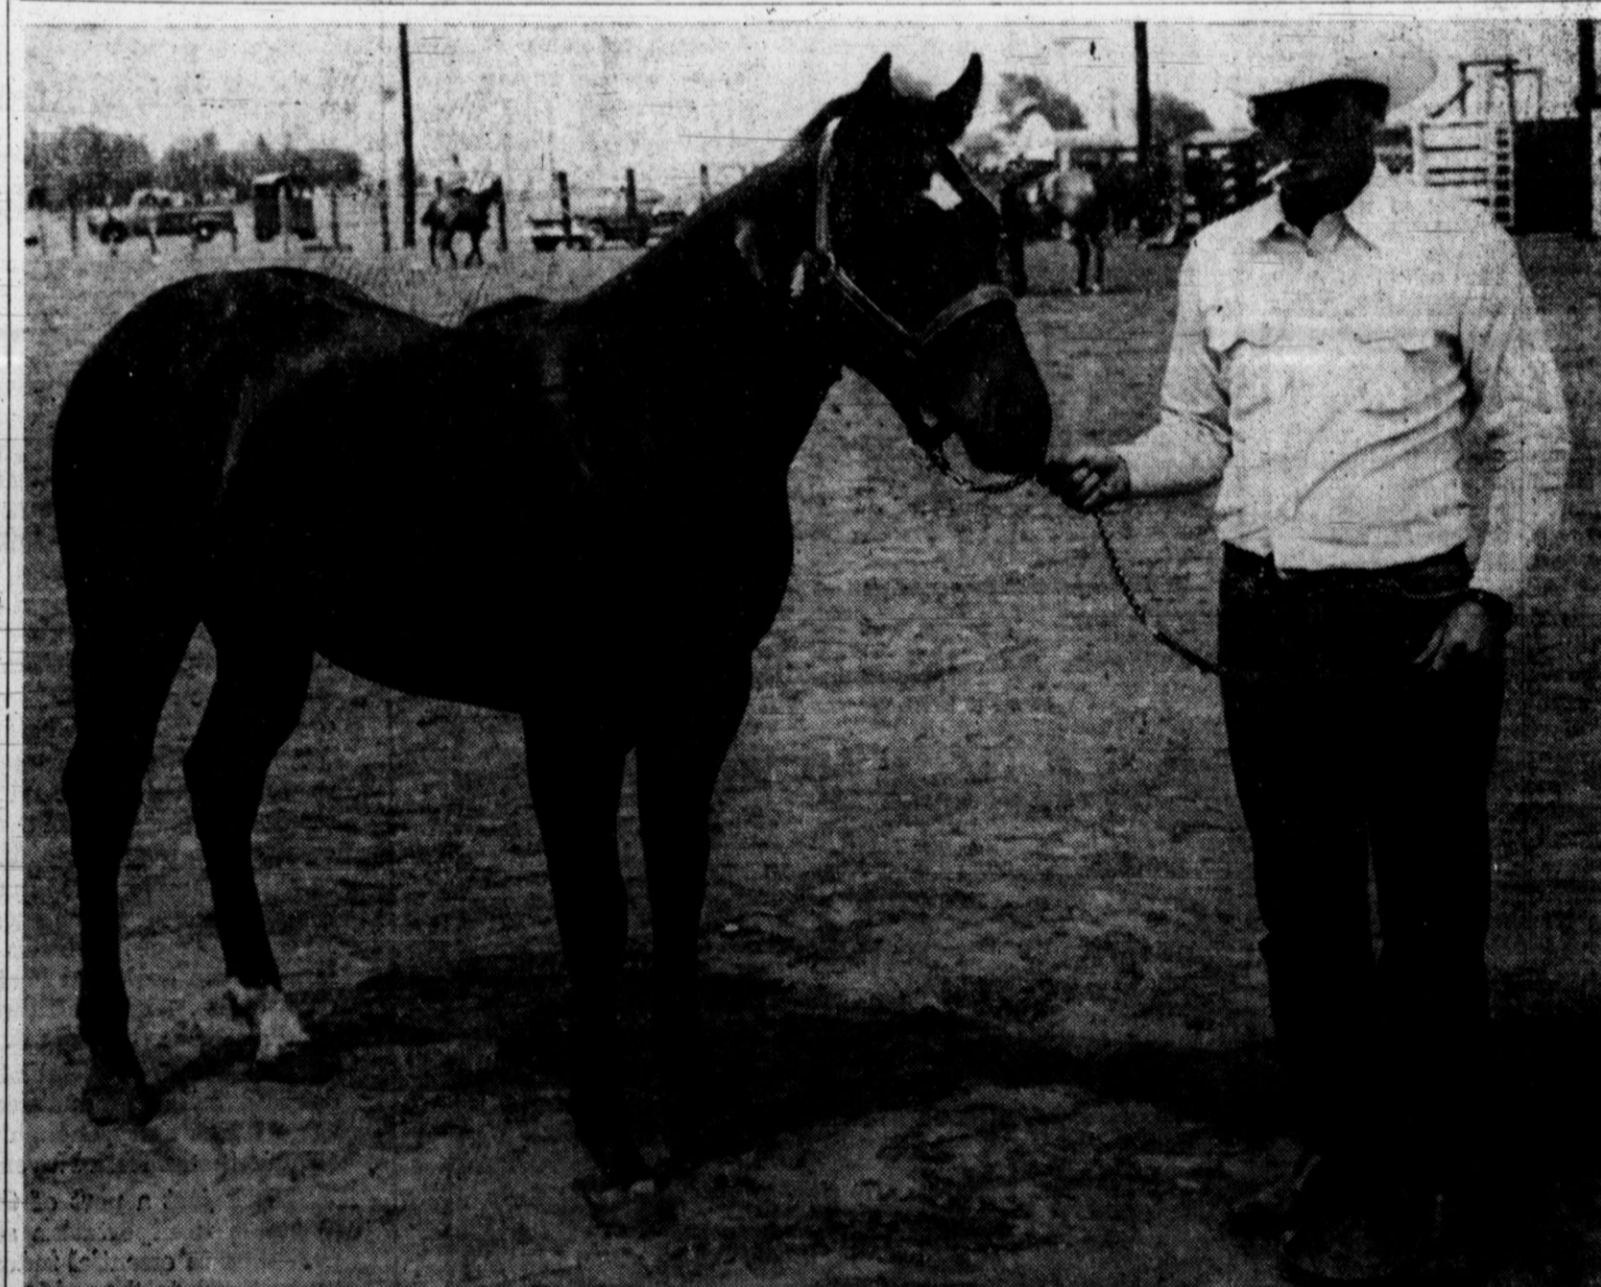

Professor Roy Shire, the new North American champion, will meet Rip Rogers in a non-title bout which is set for two out of three falls and an hour time limit.

Shire won the championship from Dory Funk Thursday night in Amarillo.

Blood is billed as a rough ex-lumberjack who uses illegal tactics for his victories.

Last Saturday Curtis whipped Tiny Mills by taking the last two falls. Mills was disqualified on the third fall.

Rip Rogers defeated El DeBalo in two out of three falls. Rogers took the first and last falls, but came out with a bloody forehead.

SHOW QUALITY—Among entries in the fourth annual Quarter Horse Show scheduled for the Hereford Riders Arena April 27 will be the stallion Alibi Hill, shown above with owner Bill Kendall. The animal took first in class last year

and went on to become reserve champion of the show. Hereford Riders, Inc., are sponsors of the show which will start at 1 p.m., and of a cutting horse contest scheduled to begin at 8 p.m.

VOICE OF THE LAW
 KINGSTREE, S. C. — The Williamsburg County sheriff's office found it a little difficult to believe the alibi of a "quartet" that it was fulfilling singing engagements.

When the four were arrested, officers found 12 gallons of bootleg whisky in the trunk of their car. Convicted of liquor law violations, the quartet will have to do its singing in the county jail.

Easter Hats Are Plain or Fancy

PLAIN—Dashing sombrero in brown shantung straw with a wide white band, for wear with a tailored suit this Easter.

By DOROTHY ROE
 Associated Press Women's Editor

THIS IS THE YEAR when there is an Easter hat to suit every woman's type and whimsy, says Fred Fredericks, millinery designer for the upper crust.

His spring collection includes hats big and little, flowery and tailored, plain and fancy. Says he: "Whatever you do, be decisive. If you're the tailored type, wear a daring, dashing, big-brimmed hat with no trimming at all except a band. If you go for glamor, go all-out, and wear a whole garden of flowers on your hat-brim. Both types will be seen this Easter; and both will be effective, if worn with assurance, and the right costumes."

Though big hats still are rampant throughout the land, the little woman who doesn't want to be overpowered by her headgear can find a hat scaled to her dimensions. There are small, head-hugging coques and trim pill boxes for the petite, dashing cartwheels for king-size glamor girls. Those

who don't like the inverted flower-pot worn flush with the eyebrows will find many flattering off-the-face styles this spring. And those whose hair is in that unhappy growing-out stage will have a wide choice of deep-crowned hats that cover the hair.

Pick the hat that suits you best—but be sure to pick something. For this year it's old-hat to go hatless.

WHEAT AND SMALL GRAINS NEED NITROGEN!

For the nitrogen your crops need, apply Phillips 66 Ammonium Nitrate. The nitrogen and other plant foods removed by last year's crops must be replenished to maintain higher yields and profits per acre. Wheat and other small grains respond quickly to nitrogen to help stimulate early growth... produce and support bigger heads per plant and more plants per acre.

For fall-seeded small grains, apply nitrogen this spring before plants reach the jointing stage. For spring-seeded small grains, apply nitrogen before seeding or as a top dressing early in the season.

What Easter Proves

The Christian Church celebrates Easter for more than sentimental reasons. It knows that far more important than the corsages and bouquets, the bunnies and the baskets which have usurped the original significance of the season in many an American home, is the great historical fact which the day commemorates.

The resurrection of Christ from the dead on Easter morning is a historical fact. It is the cornerstone of Christianity. For by His resurrection on the third day Christ gave irrefutable answers to several crucial questions.

In the first place, by His resurrection He proved Himself to be the Son of God, as He had claimed. Or as the Bible puts it, He was "declared to be the Son of God... by the resurrection from the dead."

Furthermore, by the miracle of Easter Christ proved that all his doctrines were the truth. What He had taught about sin, about salvation, about heaven and hell—all must be true. Thirdly, the happenings on that first Easter morning afforded proof positive that the Father in heaven had accepted the sacrifice of His Son for the sins of the world.

And finally Christ's resurrection is the guarantee that all believers will arise some day "unto life eternal." For as Christ put it, "Because I live, ye shall live also."

These are the tremendous facts of Easter. It is because these things are true that Christ could say: "I am the Resurrection and the Life... Whoever liveth and believeth in Me shall never die."—Do you believe?

the river that flows on wheels

More petroleum moves over Santa Fe than over any other railroad in the country

The 2,384,000,000 gallons of petroleum that Santa Fe moves every year is the river that flows on wheels.

It's so large that it makes Santa Fe the No. 1 petroleum railroad in the country.

This flood tide of oil gives heat and power to farms, factories, military installations and homes all over the nation.

The tremendous demand for petroleum, in all its forms, poses special problems for Santa Fe. For it requires speed and service to keep that river flowing full force. Here are a few of the ways we get the job done:

- We move empty tankers just as fast as full ones, so no vehicle will stand idle.
- As new oil fields are opened up, we stand ready to serve them. And when new developments take place within the industry, we adapt ourselves to take care of them.
- As an example, take liquefied petroleum gas. The demand for it has skyrocketed in the last 10 years, because with this "bottled gas" rural families can cook and heat with gas just like city people. And the railroads have made it possible for them to get it.
- Santa Fe runs special LPG trains when the demand for this product requires it. In a year, these trains carry enough LPG to heat over 500,000 homes from November through April.
- This is just a part of the story of the dependable transportation service Santa Fe is providing to essential industries that contribute so much to the welfare of our country.

Easter Egg Hunt Held For Children

By MRS. S. N. THWEATT
 An Easter egg hunt was held on the S. N. Thweatt place Wednesday. The hunt was for the Thweatt's nephew, Mike Hagan of Lubbock, and his friends.

Children attending the hunt were Tommie, Barbara, Earl, Rodger, David and Dennis Brown and Cinda and Gary Coleman. The children played and hunted eggs and were served cold drinks.

Mrs. Bruce Coleman took pictures of the children with their Easter baskets and eggs.

Mrs. Eldred Brown, Floyd and Ernest Brown, Mrs. Bruce Coleman and Miss Mattie Lue Hagan were the other guests.

Winter hit the community again Friday night. Everything was covered with ice Saturday morning.

Mr. and Mrs. W. D. Howard had as guests last weekend their daughter, Mrs. Don Kennedy, Mik and Cindy.

Donna Howard visited her grandparents, Mr. and Mrs. W. A. Norton of Clovis, N. M., for a few days last week.

Mr. and Mrs. Elmer Northcutt, Jerry and Wanda visited with Mr. and Mrs. Lester Wiggins and Mr. and Mrs. Chris Clark of Hereford.

Mr. and Mrs. H. D. Buse and family visited Mrs. Buse's parents, Mr. and Mrs. Pete Jones, in Amarillo Sunday.

Mrs. J. T. Guinn visited Mrs. Ruthe Coleman, Mrs. Josey Busby is visiting in the home of J. T. Guinn this week.

PHILADELPHIA — A Central High student named Bill Labkoff stopped by the school office and was handed a mechanical drawing case by secretary Anita Tobias.

"I found this here," Mrs. Tobias said. "It must be yours. It has your name on it."

Bill examined it and said: "No, it's my father's." Inside the set was printed — "L. Labkoff, Sept. 1925."

The elder Labkoff, (Leon J.) said he lost the set that year when he was a student at Central. The school has moved since then but obviously the drawing set went with it.

RUG TELLS HISTORY

MAQUOKETA, Iowa — The hooked rug runners which cover the stairway risers in the farm home of Oscar Skott near here are made up of pictures which show highlights of the farm's history.

Skott's sister, Mrs. Margaret Siders of Maquoketa, made the pictorial rug and the story it tells begins with settlement on the farm by her parents, Mr. and Mrs. Hans Skott, in 1866.

Other pictures show the original farmhouse, its successor, the rock garden begun in 1871, the first team of mules purchased in 1890 and the building of the first silo in 1903 and the coming of electricity to the farm in 1922.

Rev. Lohmann had a Langshang hen that had laid 13 eggs during the past 14 days, and challenged the egg layers around Hereford to match or beat the record.

Friday, Saturday and Sunday were three very disagreeable days, a strong dust moving wind from the west continuing during the entire period with little cessation. Sunday night, however, the wind veered around to the east and the northeast and the sky was soon covered with heavy clouds. Tuesday morning a slow rain commenced which continued all day.

A. C. Elliott, editor, gave one segment of the community "what for" in this paragraph: "In every town there are always a few 'bullies' both among men and boys. Hereford seems to be afflicted with a small bunch of boys known as 'bullies,' who take delight in annoying smaller boys on their way to and from school. More than once has attention been called to the overbearing and rude conduct of some boys who ply their inexcusable conduct. Some of them may be attending school, others

are not, but the bunch seems to play truant very successfully, evading the eye of their fathers and mothers. This 'bully' business ought to be stopped. The fathers and mothers of the smaller children have endured enough and they should take severe measures. 7 Attend Bible School Clinic

By DELLA RUTH DOW

Mesdames William Wimberley, Ed Lemons, Walter Lemons, Bill Gentry, N. R. Miller and Ray Stewart and the Rev. Paul McClung attended the vacation Bible school clinic at the Avenue Baptist Church in Hereford Thursday.

Sunday visitors in the H. S. Fuller home were Mr. and Mrs. M. W. Fuller and boys, Mr. and Mrs. Marvin Fuller and daughter and Mrs. Millie Fuller all of Amarillo.

Mr. and Mrs. Bobby Jones of Amarillo spent Sunday with the Alfred Smiths.

Mr. and Mrs. Zed Stewart and Mr. and Mrs. Marion Russell and

Elizabeth went to Bowie and Nona Monday. Tuesday they attended the funeral of Marvin Griffith, a brother-in-law of Stewart. They returned home on Tuesday night.

The West Hereford H. D. Club was host to the Bippus and Dawn H. D. Clubs Tuesday in the Friendship room of the Hereford State Bank. Attending from Dawn were Mesdames Ray Polan, H. S. Fuller, Merle Little, Henry Spicer and Miss Lulu Botsford.

The Dawn Music Club met on Wednesday in the home of Mrs. Ray Stewart. Present were Mesdames H. H. Miller, R. L. John-

son, Bill Carthel, H. V. McCabe, Orval Galley, Melvin May, J. B. Caraway, Zed Stewart, Ted Richardson, N. R. Miller, Carl Wimberley and the hostess.

Dawn members of the Hereford High School choir which competed in the music contests in Canyon recently were Phyllis Wimberley, Betty Tucker, Billy Wimberley, and Lucy Beth and Bobby Miller.

Betty Hagar, Lucy Beth Miller and Marilyn Rapstine of Dawn appeared on Cotton John Smith's television show Saturday. They were in the style show.

John Hall of Richmond, Calif., stopped by to see the Zed Stewarts and Marion Russells recently. He was on his way to Oklahoma to visit other relatives. He will come back by on his way home.

By Jimmie Gillentine

Main Street is gradually taking on that new look as progress continues along the south side in a round robin series of moves that started a few weeks back.

Dale Tinnin's Hereford Parts and Supply has a big new sign spread across the front following an expansion and decoration program. Suits Auto Supply, now housed in new quarters on U. S. 60, leaves a vacancy, while McDowell Drug employees are in the throes of getting ready for a store move scheduled next week. May be Wednesday. All of which is a week too late, according to employees who had it rough Tuesday when the fountain plumbing twice went haywire. Louise Stradley and Katherine Branscum, fountain girls, were threatening to go home and get their bathing suits.

Hub Homer is giving me a lot of trouble because The Brand didn't win any first prizes in the newspaper judging at Amarillo last weekend. Hub says we are slipping. I won't speak for the rest of the gang but, so far as I am concerned, he sure is right. They have a press party at the convention every Friday night and this year I thought it was very good. However, when I got to the meeting Saturday morning everyone I saw kept asking why I didn't go to the party. All of which was most discouraging. Back in the good old days everyone remembered me and occasionally I even provided the topic of conversation until the next meeting. I guess it is a sign I am really getting old, but I didn't realize that it showed so much.

Ben Ezzell, now of Canadian, and Bert Neelley of Perryton, were both on hand and were asking about old friends in Hereford. Bobby Hamilton, son of Mrs. Thelma Link, is now with the Dumas paper and was glad to see someone from his old hometown. Bobby is being cited for Pulitzer recognition for his excellent reporting during the big refinery fire

in Canyon. The Oglesby family recently moved to Canyon from Pampa but are planning to move back to Pampa.

Dinner guests in the L. A. Smith home Sunday were Mr. and Mrs. R. L. Johnson and boys and Mr. and Mrs. N. R. Miller and children.

in the Dumas-Sunray area last year.

Lots and lots of people were interested, of course, in the oil activity in this area. Harold Hudson, Perryton editor, was telling me that they now have 112 allied oil businesses operating there as a result of the oil play in that territory. He also says there has been no big boom; mostly gradual, steady growth.

GIVING UNTIL IT HURTS would be the way to describe the lady who walked up to the Red Cross table in the post office a week or so back and laid down four books of Gunn Bros. trading stamps. Name withheld by request, but it really happened.

Yes, we occasionally make typographical errors, as quite a few people have been pointing out all week. We also apologize to all who may have been offended — except Joe Evans, who called up and said that he was a preacher.

Like the old boy who owned two cars and, backing out of the driveway, smacked square into the one driven by his wife, the City of

Hereford will have a problem when they start balancing claims as a result of the fire truck-police car collision here Saturday. However, Policeman Joel Newman did write himself a ticket as a result of the wreck. It should make an interesting case if he does not plead guilty. The other boys of the force are asking Joel if he has returned his driver's license to himself yet?

TAX EQUALIZATION has been a topic of considerable circulation here in recent months — and this week was no exception as stories circulated concerning the new Airport Location. The two farms, adjoining tracts totaling 600 acres, were purchased in the deal. One tract of 298 acres sold at the cash price of \$43,000, while the other (302 acres) brought a cash price of \$46,400.

The 298 acre tract, value \$43,600 paid a County and State tax of \$19.31 for 1956.

The second tract, value \$46,400 — or \$2,800 more — was assessed at \$80.72

Possibly more alarming than the discrimination between adjoining tracts, however, is the fact that the owner of a \$2,500 automobile pays up to one-half as much county and state tax as a \$45,000 farm. Also compare the average home owner in town — who pays around a \$12,000 to \$14,000 home, with the \$19.31 taxes collected on 298 acres which sold for \$43,600 — and you have an idea of what a lot of people are complaining about.

School taxes on the 298 acres was \$140.25, while on the 320 acre tract it was \$249.15.

These deals always make a lot of farmers mad at me, but it just

isn't right. In fact, it isn't even constitutional. Taxes should be equalized and shared by all. If something isn't done soon, there will probably be some law suits — and everybody will lose a lot more. Until some effort is made to equalize taxes, I will have to keep on saying that our county and school officials are laying down on the job. It has been pointed out to them by at least one equalization board and by many individuals. There just isn't any other conclusion.

Meanwhile, a lot of folks are going nuts over fish. Not the kind you catch so much as the kind you buy and keep on the mantle or the TV. Mostly, they are being flown in from Florida at the going rates of 7 cents to 20 cents for guppies, while discus fish bring from \$10 to \$25 each. Siamese fighting fish run from \$1 to \$5 — and are often sold to groups who bet on the outcome of the fight, similar to betting on cock fights. The deal is spreading so widely — (\$4 million last year) that a bill has been introduced in Congress to prohibit importation of the "man-eating" Piranha from South America. These rascals like nothing better than a collector's finger for breakfast and, if you own one, it costs you something like \$10 for the privilege.

It may be a little more expen-

sive, per fish, to go out and catch your own, but I still like my way best. However, I have to admit that even one of those "man-eating" piranhas might still be better than the 14-inch white rat we now have housed in an abandoned parakeet cage at 406 McKinley.

Sunrise Services Slated in Canyon

Sunrise Easter services will be held in Palo Duro State Park at 6 a.m. Sunday.

No park admission will be charged for the services. The Rev. Doyle Ragle of the First Methodist Church in Canyon will deliver the sermon.

Easter Morning

The cross and the tomb have both been snatched from their association with death. Christmas is now sanctified in Easter. Dark Friday has become Good Friday. The cross and the tomb have been transformed by love and self-giving. His promise, "Three days and I shall build this temple again," has been fulfilled. *He lives and we, too, shall live, in the measure in which we learn to kiss the Cross, our cross as well as His.* His journey to Golgotha transfigured the cross forever, turning a symbol of suffering into a symbol of triumphant life. It is the time for beginning again. This is the resurrection day.. it is Easter.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good.

Study helps: "The acts of the Apostles," pp. 57-62; Lesson help in "Review and Herald" of April 4; The Seventh Day Adventist Bible Commentary, Acts, chapter 3. Purpose of the lesson: To help us learn more of the power of the Holy Spirit in healing men's bodies and souls, to find a renewed faith in the coming of "the times of restitution," and to experience the needful preparation of heart. Lesson outline: 1. The circumstances of the healing. 2. The effect of the miracle. 3. The privilege of the Gospel. 4. The covenant promises. There will be no prayer meeting for the next four weeks. The pastor is away on evangelistic work.

Easter's Meaning May Puzzle Child IT'S: HER POINT OF VIEW

By BETTY BABIONE
 There is the usual flurry of activity this week before Easter. Shopping for spring clothing for the family is only part of the pre-Easter procedure, but a very vital part it is. And mama may have a yearning for a new bonnet, but she isn't so concerned with that as she is with outfitting her offspring for the season.
 Then there is the old saying about a father being lucky if he has a new tie to wear.

SOMETHING that my small daughter said about new clothes

 5. I shall have a written program before me so that I can conduct the meeting efficiently and promptly.
 6. I shall make new members and guests feel welcome by introducing them properly, and by adding some information about them of interest to members.
 7. I shall make sure that guest speakers have something worthwhile to say and are capable of saying it.
 8. I shall not be a dictator—I shall fulfill my office with tact and graciousness.
 9. I shall be familiar with parliamentary procedure, but I shall not let it run me.
 10. I shall not try to do all the work myself.
 11. I shall continue working when I am no longer president.
 12. I shall not try to appoint my successor in office.
 Say, you past - presidents, how do you measure up?

Do you have trouble seasoning your gravy just right? If you are bemoaning the fact that you sometimes get it too salty, next time it happens - try sprinkling a little bit of brown sugar over the gravy. The sugar doesn't impair the taste and it surely answers the problem of making the salty gravy fit to serve.

Neighbor: Say, your new Olds sure looks like a lot of car!
 Olds Owner: That's nothing, wait'll you take a ride.
 (A few minutes later.)
 Neighbor: Man-oh-man, where'd all that power come from? I've never felt anything like that before!
 Olds Owner: That's Oldsmobile's new J-2 Rocket Engine!
 Neighbor: What's that? Tell me how it works.
 Olds Owner: When you're driving under ordinary conditions, it uses only one carburetor. That means economy with a capital E. But when you need a sudden burst of power, for safety's sake, you just press the accelerator three-quarters of the way down—and two additional carburetors cut in!
 Neighbor: In other words, with J-2, you can have economy when you want it and power when you need it. That's for me!
 Olds Owner: Better see your Olds dealer. He's expecting you!

A THEATRE MANAGER TURNS REBEL!

THIS FILM COMPANY AD IS PURE **BUNK!**

TEENAGE REBEL
CINEMASCOPE SIG

WE CHALLENGE YOU to stop talking about it 2 hours after you see it!

TRUE! But NOT for the REASONS HINTED AT!

NOT an UNWED MOTHER, NOT A DOPED or DRUNK or RAVAGED GIRL BUT... a sad teenager whose date to the Prom backed out at the last moment!

DARLY NO ILLICIT LOVE... but merely a girl's first innocent kiss from the nice boy next door!

16 or 60, YOU'LL LOVE IT!

Die! was a rebel without cause—until Mom and Dad and the juke box set taught her how to live and laugh—and love!

"TEENAGE REBEL"
starring GINGER ROGERS • MICHAEL RENNIE
and three stars of the future BETTY LOU KEIM • WARREN BERLINGER • DIANE JERGENS

AN OPEN LETTER OF INDIGNATION!
The above ad was prepared by the film company and because we believe it hints of sordid contents NOT PRESENT IN THE PICTURE, we have gone to the expense of preparing our own ads.

"TEENAGE REBEL" is the heart-warming story of a girl who had to live with an adult problem beyond her tender years, and the way she works it out will bring a tear to your eye—and a laugh to your lips. The whole family will enjoy it heartily.

The Manager
