59TH YEAR — NO. 39

Residents Raise Funds To Continue Sugar Beet Fight

BY DAN MUDD BRAND STAFF REPORTER In spontaneous response to a request for funds to continue legislative representation for local sugar beet interests in Washington, Deaf Smith County residents contributed \$5,930 Monday night at a meeting of the Texas Sugar Beet Growers Association.

Mrs. Bratter will coordinate appointments for Strackbein, it was explained at the meeting. Expense for Strackbein and his sister, who both reside in Washington, amount to about \$1,000 per month, it was pointed out by James W. Witherspoon, chairman of the Association's legislative committee.

and I see nothing which can stand in the way of our getting what we want," Witherspoon said. "But we have not reached a stopping point; we must get the job completed." Tone of the meeting, which drew some 150 residents from Deaf Smith and Hale counties, was optimistic. Witherspoon and Lee Benefield, a member of the Association's legislative group, both predicted that a sugar refinery would ultimately be located in this area.

Actualy, Witherspoon said, the annual increase is 6.7 percent. The bill asks that 40 per cent of the five-percent increase go to areas such as Deaf Smith County which have proved that quality beets can be produced; 20 per cent to new areas which indicate possibilities of good future production; 20 per cent to reclamation areas; and 20 per cent to new growers in old areas.

"But in spite of him," Witherspoon added, "we have many House members, the House speaker (Sam Rayburn) himself and many Senators on our side." Witherspoon said other opposition has come from Eastern mill interests, which includes candy manufacturers. Because of its poor location for handling beet sugar grown in the United States.

The amount collected will be used to pay expenses of O. R. Strackbein and his sister, Mrs. Lena Bratter, who are currently making a bid in Washington to obtain increased sugar beet acreage quotas for Texas, Oklahoma and New Mexico, and other areas in the nation interested in growing the crop.

SCD Zone Two Vote Tuesday

Voters in Zone Two of the Tierra Blanca Soil Conservation District Tuesday will elect a farmer or rancher who will serve as their supervisor and representative on the SCD Board for the next five years.

Extension Of FM Road 1058 Gets State Approval

A Farm-to-Market road has been approved for Deaf Smith County under a new state paving program.

The old areas would receive the remaining 1.7 per cent of the annual increase.

Chamber Names Candidates For Director Posts

The nominating committee of the Deaf Smith County Chamber of Commerce met Monday morning to consider possible candidates for the Directorate of the organization.

Caravan Slated Friday To Olton

With the Texas Highway Patrolmen and Deaf Smith County Sheriff Lower, sharp beaming approval, the Whiteface Booster Club again Friday will form a caravan for the trip to Olton.

Thomas said a qualified voter is a Zone Two land owner who is 21 years of age or older. Wives of the landowners also may vote, he said.

The road will be an extension of FM Road 1058 from the Harrison Highway six miles west of Hereford, south for a distance of 5.3 miles. The road will terminate at the Castro County line just north of Summerfield.

A four to six-year bill is being sought by the legislative committee. The Sugar Act is scheduled to expire March 31, 1961.

The Committee members agreed to contact each of their nominees to secure permission of the nominees to have their names placed on the ballot. At Wednesday morning five of the eight candidates had accepted nomination. They are: Mrs. Dyalitha Benson, Jack Renfro, Sam Bell, Maurice Tannahill, and Delbert Kinsey. The other three candidates have not been contacted.

Around Town

Formal opening of the Hereford Country Club has been postponed from Saturday until Sunday, Oct. 9. The members will have their annual meeting in the new club on the following Thursday evening.

Estimated construction cost will be \$97,000.

This project was selected by the State Highway Department after consultation with the Deaf Smith County Commissioners Court. Work will begin on this project as soon as final planning is completed and necessary right-of-way is secured. W. V. York of Hereford, senior resident engineer, will be in charge of the work.

Witherspoon commented that although the local committee has many influential persons on its side in Washington, the group also has encountered a great deal of opposition.

McMorries and Company of Amarillo was given the green light to begin a tax equalization study Tuesday evening after members of the Hereford Rural High School District Board and Hereford City Commission approved and accepted terms of a contract.

Olton Mustangs, Winners Of 4 Straight, Next Herd Foes

Hereford Whitefaces will have their work cut out for them Friday if they plan to remain undefeated. They face the rugged Olton Mustangs, who are unbeaten in four outings this season.

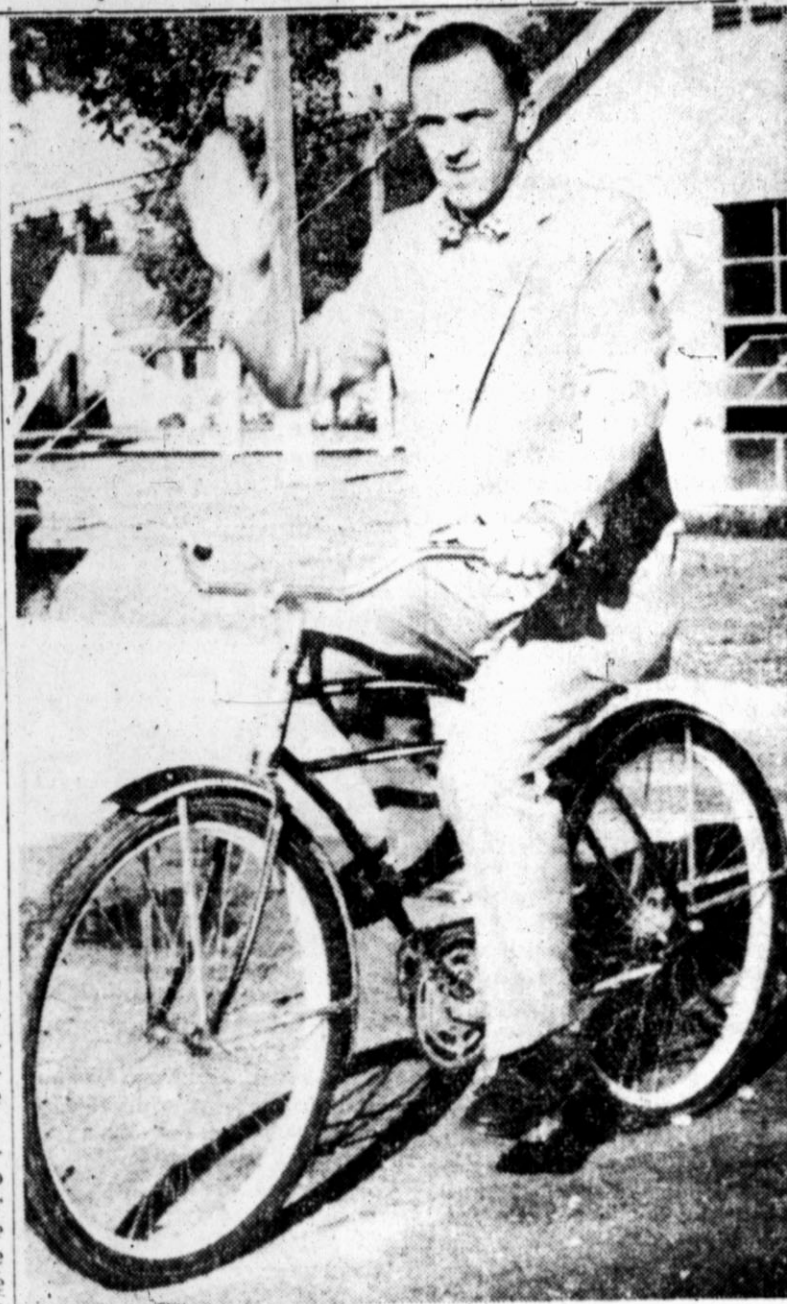

Scouting report from Hereford coaches on Olton shows that the Mustangs can be expected to start eight experienced seniors and three juniors.

Olton has a big tough line with power and speed combined in the backfield. Schenck is a good passer, with Buchenau, Miller and Riney his favorite targets. Buchenau has tallied 46 points so far this year.

Terms of the contract set the completion date at May 1, 1961, which gives the McMorries Company seven months to complete the studies of all property within the city and school limits.

Property Tax Appraisal Methods Gain Approval

McMorries and Company of Amarillo was given the green light to begin a tax equalization study Tuesday evening after members of the Hereford Rural High School District Board and Hereford City Commission approved and accepted terms of a contract.

A BICYCLE furnished a means of getting to work last Saturday morning for local physician Dr. Clarence E. Hicks, and the whole Deaf Smith County Hospital staff just roared to see such sport. His two-wheeled sports car — call it a bike if you want — actually is his favorite means of transportation. "It's good exercise," the doctor says. "If I didn't have to make house calls, I'd ride one every day." Dr. Hicks said he started riding a bicycle to work when he had a practice in Kentucky, and that he had taken a lot of good-natured ribbing at first. After a few weeks, however, both doctors and nurses had swapped their steering wheels and accelerators for handle-bars and pedals. They were all riding bikes.

Tickets are on sale for the game at Dub's Man's Shop and will be on sale until 5 p. m. Friday.

Starting for the Mustangs Friday probably will be: Frankie Miller, senior, right half, 135; Randeel Buchenau, left half, senior, 170; Johnny Schenck, junior quarterback, 130; Robert Priest, senior, fullback, 190; Robert Duncan, junior, center, 170; Harold Featheringill, senior, guard, 150; Larry Timmins, senior, guard, 160; Kenneth Hooper, senior, tackle, 200; Bobby Brown, senior, tackle, 160; Fred Riney, senior, end, 160; and Jimmy Lawson, junior, end, 155.

It sure makes it rough when four games out of 20 end in ties, but that's what happened in the Hereford Brand football contest for the past weekend.

West Best In Spite Of Four Ties In Contest

First, of course, was the Hereford-Muleshoe tilt. Then Michigan State and Pitt, Texas Tech and A&M, and UCLA and Purdue knotted in the college ranks.

ASC Re-Elects Four Of Its Five Committeemen

Four of five members of the Deaf Smith County Agricultural Stabilization and Conservation Committee were re-elected to new terms of office at a convention Tuesday morning in the ASC office in Hereford.

Re-elected were W. N. Hodges, chairman; Frank Bezner, member; and B. C. Hodges, second alternate.

Nikita Rasseled On Television Second Graders Are Natural Politicians, Survey Shows

By DAN MUDD BRAND STAFF REPORTER "It's a kind of spray they advertise on T. V." "It's something like a rock and it makes you rich. You find it in the hills, I think." "You turn it on and you get music and news on it." "My grandpa was in it once, but my Daddy wasn't." Those are a few of the answers given by second graders in Hereford schools recently when they were asked to define "Radar."

duct interviews with some of the leaders of tomorrow to get their viewpoints on modern world affairs, persons in the news and innovations which are molding the future. We selected second graders — 14 of them — because they had lost most of their shyness in the first grade and because children in that age group seldom fear speaking their piece frankly and openly.

up predominately of politicians — if they don't know the answers, they'll bluff their way through them. First, we showed them a picture of Nikita Khrushchev and asked who he was. Here are some of the replies: "I saw him rassel on television one night." "He's a movie star." "I think it's Jimmy's uncle, cause Jimmy says his uncle ain't got no hair." "I saw him at the convention on television." "I don't know, but he looks like a nice man." Some were a little hesitant on that question, but when we asked them what a satellite

was, they really cut loose: "A star that moves by at night. My momma says it moves faster when it comes up than when it comes down." "A big round thing that travels around the world." "I saw it eight nights. I think it got busted, 'cause we don't see it any more." "A thing that's shot up in the air. I saw it once — we looked for it in the back yard and found it in the front." "A balloon that shoots off in the air. It goes about 15 miles an hour." "It's a big ball that goes round and round in the sky at night. It comes down to the ground in the day."

"It's a star that goes real slow. It's about the size of a baseball when you're real close to it." "One of those things that go up and around in the sky. It shines in the sky and looks out for planes." We asked them for the name of the President of the United States, and got the following answers: "George Washington." "Mister Lincoln." "Pres'dent Ieingour." They were asked if they would like to be President, and why or why not. "I would like to be President because I could go all over the

world and see Africa and France and New York." (Where is New York?) "New York is real close to the desert." "Yes, 'cause a President has more money than I do. I had \$1.85 before I went to California this summer. Now I have only 55 cents." "I wouldn't want to be a President 'cause I'm just a little girl and I would mess up things." The second graders were asked to define the "President's Cabinet." "Where Mrs. Washington keeps her dishes." "The President keeps his toys in his cabinet." "Something where he puts

his papers and speeches in." "My daddy says he doesn't do much but play goff, so I guess he keeps his goff sticks in it." "Where he keeps his food and wives." After we were "snowed" on world affairs, we asked them questions about their schools, teachers and principals. "What does your teacher do and say?" "She reads to us, and if we're bad, she makes us stand in the corner. I never have gotten to stand in it yet." "She writes stuff on the board for us. She tells me to blow my nose and quit snuffing." (Continued on page 5)

A LARGE CROWD of farmers, merchants and business men from Deaf Smith County and the surrounding area gathered in Hereford Community Center Monday evening to hear a report on current activities of the Texas Sugar Beet Growers Association. County residents contributed

\$5,930 to pay expenses of a legislative representative in Washington who will voice sugar beet interest for this area. James W. Witherspoon, chairman of the Association's legislative committee, is shown in foreground speaking to the group. (Staff Photo)

Residents...

(Continued from page 1) States, it favors continuing the processing of offshore raw sugar.

"Those mills in the East have hired a public relations man, who resides in Washington, because they have seen we were making headway in Washington," Witherspoon said. "He is being paid \$40,000 a year to push legislation in their favor."

A refinery in this area would cost about \$15,000,000 and it would require three years to build the plant, it was explained.

Witherspoon gave a brief review of what the legislative committee has done to date. He said the American Crystal Sugar Company in Denver has expressed much interest in this area as a location for a refinery if the required acreage could be obtained.

He added that the committee has met many times with the company as it has been purchasing the sugar beets grown in this area in past years.

"The opinion is Washington was that Castro should not be tampered with or he would become a martyr," Witherspoon said. "But we are not asking to take anything away from Cuba."

"When they say there should be no new sugar beet

growers, they might as well say that no company should manufacture automobiles except Ford," Witherspoon said. "If this is a free enterprise, let's put it on a free enterprise system."

Witherspoon said Myers contends that if the five-per cent bill should go into effect, that in three years Texas would have 25 per cent of the total acreage in the United States.

"There have been many people who have told us they never thought we would ever get the support which we have already received," he commented. "At first, many of them paid no attention to us. But we have raised so much cane in Washington we receive attention nearly every place we go."

He said the group would like to receive a 30,000-acre allotment. If each acre made 2 1/2 tons of sugar, 75,000 tons of sugar could be produced from that allotment, he commented.

"We believe the American farmer will raise most of the sugar consumed by the United States in the near future," Witherspoon said.

He said a company which operates out of New York and Dallas is currently interested in the prospect of building a refinery in this area, and that the company has some \$10,000,000 to invest in such an operation.

"I do not think they fear legislation will not go in our favor," he said.

The group named a committee of three, which includes Melvin Young, John Sims and Jack

Kassahn, who will contact other merchants, farmers or business for donations to continue representation in Washington.

The 2 1/2-hour meeting Monday evening started at 7:30 p.

Property...

(Continued from page 1) for with owners or occupants of the properties.

The consultant will submit to the taxing units for approval information cards which will state all necessary and pertinent information concerning the type of property covered, the floor plan of all buildings and other necessary information.

In connection with rural properties, McMorries said he would submit to the taxing agencies plats, aerial photographs and other information requested

for permanent records. The consultant agreed to meet with the board of equalization at any time requested, either in public or private session. At all board of equalization meetings, he will be expected to be prepared to offer advice and assistance in arriving at proper market values.

Both taxing units agreed to pass any and all legally necessary orders, ordinances or resolutions that shall be required to effect a legal and equitable method of taxation.

McMorries said good public

Although the injury was received in the Dimmit game, Walterscheid played until the middle of the Mulshoe contest.

relations was necessary for a sound tax equalization study. The units agreed to use newspaper advertising and other media to explain purpose and methods of conducting studies of that type.

Orpha Click, assistant school tax assessor-collector, asked that he be granted permission to aid McMorries in his spare time. The school trustees expressed their approval.

The joint meeting was held in the school board room beginning at 8 p. m. Tuesday. Meeting with the school board were City Attorney Langley and Hereford City Manager Dudley Bayne.

End Wesley Poarch, also injured last week, is expected to be ready Friday after recovering from a minor ankle sprain. Senior tackle Eugene Baldwin was taken to the hospital Monday afternoon for treatment of a minor head injury but also is expected to see heavy action against the Mustangs. Hereford will be seeking its third win of the season, going into the game with two victories and a tie.

(Continued from page 1)

"She gives us paper to write on, but my teacher's absent today."

"Our teacher lets us write for her." What do you let her do? "I let her do lots of things. I let her read for me."

"She says 'be good' and 'be quiet, please.'"

"She reads to us a lot, and tells us to behave or she'll move desks between us."

What does your school principal do?

"He gets on the kids when they're naughty."

"He tells the teachers what to do."

"He talks to you when you do something wrong."

"He gives me Kwenexes sometimes and blows my nose for me."

"He takes me to a person who sees if I'm sick or not sick."

"Walks around the halls and talks to the teachers. I sure like him."

"He walks around to our class to make sure we're reading. If we talk too much the teacher takes us to him and we get bawled out."

What do you like to do most at recess?

"Chase girls, but we're not allowed to."

"I play 'babies' most of the time."

"We make Gary run after us, but he doesn't like to. He says girls don't play right and they cry, too much."

What is a college?

"That's a school where old people go."

"That's where people go to learn a lot and get married. Girls get to go out on dates. I like boys; you know how I let them know I like them? I kiss 'em."

"That a place you go when you get kicked out of school."

"My teacher said that's where you go when you make good grades. I didn't get a good grade in the first grade cause

Miss Polly Monroe Feied At Shower

Polly Monroe, bride-elect of Bruce Terry, was honored at a bridal shower Friday at 7 p. m. in the home of Mrs. C. E. Watts.

Hostesses for the fete were Mesdames C.E. Watts, Floyd Dunavant, L. W. Tooley, John Ferguson, A. G. Martin, C. W. Riddle, Arthur Logan, Aubrey Bell, Vance Crume and C. E. Williams.

The table was laid with a white linen cloth which belonged to the great-grandmother of bridegroom-to-be. Brown napkins bearing the names of "Polly and Bruce" engraved in gold carried out the color theme.

Yellow and brown was carried out in fall flowers of dahlias and canna with brown ribbon streamers with "Polly and Bruce-Oct. 2" printed in gold letters.

The future bride, Mrs. Alton Monroe, her mother, Mrs. George Terry and Miss Jean Terry who presided at the guest book, received corsages.

I didn't help pick up the trash in our room and my mom gave me a licking."

What would you do if you didn't go to school?

"I'd help my daddy put water in ditches on our farm."

"I'd play outside mostly. I'd need a bigger bike, though."

"Get put in jail, because you're supposed to go to school."

Of course, all of the replies were not on the humorous side. Many of the answers showed that the children were surprisingly well-versed on what's going on in the world today.

The second graders interviewed included Thomas Eugene Cantrill, Kima Marsh, Billy Lloyd, Becky Hickman, Lupe Gutierrez, Allan Ray Wilson, Jamie Green, Patsy Ruth Rudd, Kyle Carter, Charles Cogdell, Karen Stanford, Sherry White, Michael Dane Elliott and Patricia Neff.

Serving were Mrs. A. G. Martin and Mrs. Vance Crume. Those present were Mrs. A. G. Martin, Mrs. Vance Crume, Mrs. O. W. Wertenberger, Mrs. Eugene Naugle, Mrs. Clyde Coenough, Mrs. James Priddy, Mrs. Carroll Hagar, Mrs. C. E. Watts, Mrs. Floyd Dunavant, Mrs. L. W. Tooley, Mrs. John Ferguson, Mrs. C. W. Riddle and Mrs. Aubrey Bell.

Veterans Officer At Lubbock Meet

Cecil O. Wilkins, Veterans County Service Officer for Deaf Smith County is now attending the thirteenth annual Statewide Veterans Service Officers which is being conducted in Lubbock, Texas, September 26-29, 1960.

This Rehabilitation Conference is being conducted by the Veterans Organizations and the Veterans County Service Officer Association of Texas. The purpose of the conference is to offer service officers from the State an opportunity of gain first-hand knowledge of recently enacted legislation dealing with benefits to veterans' dependents and survivors. Topics to be discussed during the 4-day conference will include compensation, pension, government insurance, GI Loans, education and training for veterans and war orphans, veterans employment and reemployment rights, and hospital and outpatient treatment for veterans.

Experts in the various programs to be discussed will be on hand from local, state and national levels, including congressional staff personnel from Washington, D. C.

VISIT PARENTS

Mr. and Mrs. Charles S. King of Amarillo visited over the weekend with her parents, Mr. and Mrs. J. E. Andrews of Hereford.

Sam Houston, first President of the Republic of Texas, had eight brothers.

A special treat, a birthday cake and ice cream, was served to all honoring the 10 patients who had birthdays during the month of September.

Each honor guest was also given a silver dollar and a birthday card.

Forty patients were present for the party. Bed patients were also visited and served refreshments.

Those attending from the local unit were Mr. and Mrs. S. S. Smith, Arch Dobbins, Mesdames Evaloe Potter, Alta Davis, Artie Frost and Gertrude Neill.

WEEKEND AT CONCHAS

Five families from Hereford spent the weekend at Conchas Lake in New Mexico. They are Mr. and Mrs. Orpha Click, Mr. and Mrs. W. C. Meharg, Mr. and Mrs. Liston Wilson, Mr. and Mrs. Hugh Bookout and Mr. and Mrs. Joe Story.

Around...

(Continued from page 1)

St. Anthony parish will sponsor a rummage sale at the old school building on Sampson St. on Saturday, Oct. 1, from 2 - 5 p. m.

Hereford police Wednesday morning were continuing investigation of a forgery case involving three Latin-American juvenile boys and a probable swindle by worthless check case, in which a man is being held. All four suspects are being held here, although charges have not yet been filed.

Although nothing is definite yet, it seems that the contract for widening of U.S. 60 through Hereford might be let in December.

Junior class of Hereford High will sponsor a barbecue chicken supper in the high school cafeteria on Saturday, Oct. 1, from 5:30 until 8 p. m. They also will have a bake sale. Proceeds will be used to help defray costs of the high school annual, "The Roundup." All high school classes are sponsoring such affairs, with the class receiving the most money naming the annual queen.

New officers for the Hereford Toastmaster Club were named recently to serve for the coming six months. They include Ed Dziuk, president; Kenneth Coker, educational vice-president; Alvin Smith, administrative vice-president; and Dr. Bob Tyler, secretary-treasurer.

First meeting of the Hereford High P-TA will be held Thursday, Oct. 6, at 8 p. m. in the school. All parents are urged to attend.

The public is invited to attend an educational film showing in the high school cafeteria Thursday, Sept. 29, at 7:30 p. m. The film is being sponsored by the Hereford chapter of the John Birch Society to encourage interest and participation in local government.

All exes are invited to attend Dimmitt High School homecoming activities on Friday, Sept. 30. On the agenda are a tea, pep rally, queen coronation and, naturally, a football game. Honored classes are those for 1930, 1940 and 1950.

Harvest of lettuce got underway in the county this week, but at a slow pace. Hail-splashed fields around Hereford cut potential yields. Maize is still dribbling into elevators with relatively high moisture content. Cotton is late, but should show good yields. Carrots continue to pour into sheds, but many producers are holding in hopes of a better market.

Hereford freshmen and B team players will face their opposites from Canyon here Thursday. First game will start about 6 p. m. If you like to see some good football, you should come out for some of these games.

A big crowd is expected from Hereford when the Whitefaces tangle with the unbeaten Olton Mustangs Friday night. One thing is certain, Olton will have plenty of backers on hand since it will be their homecoming game.

Some have bulges, others have curves; They have excitement, dash and verve! Some boast chrome covers on wheels. It's time, of course, for new automobiles.

GUESTS FROM OKLAHOMA
Mrs. A. B. Barr and Mrs. Ed Wilson, both from Altus, Okla., visited Mrs. Ed Wilson Jr., 304 Sunset Drive, for a week recently. They left for their home in Altus Friday.

VISITS DAUGHTER
Mrs. Dennis Foley of Watonga, Okla., visited a week with her daughter, Mrs. Harry Lindner, 406 Ave. J., recently. She returned to her home in Watonga Monday.

Copra, the dried kernel of the coconut, is chief product of many Polynesian islands.

"An announcement by HENRY FORD II of importance to every buyer of a 1961 automobile..."

The Warranty On All 1961 Ford Motor Company Cars Is Being Extended To 12,000 Miles Or One Full Year."

The 1961 line of all Ford Motor Company passenger cars will bring to the American market the finest automobiles ever produced by this company.

Every Ford, Falcon, Thunderbird, Mercury, Comet and Lincoln-Continental has been styled, designed, engineered and manufactured with three primary goals in mind:

1. Finest QUALITY
2. Greatest DURABILITY
3. MOST RELIABLE OPERATION

So confident are we of the success of our efforts to achieve these goals that the written warranty on all 1961 Ford Motor Company cars is being extended to 12,000 miles or one full year, whichever comes first.

NO OTHER AMERICAN AUTOMOBILE CARRIES A WARRANTY LIKE THIS. The Previous Ford Warranty, traditional in the industry, was for 4,000 miles or three months. We urge every prospective purchaser of a 1961 car to visit his Ford Motor Company Dealer and learn all about the dealer's new 12,000-mile or one-full-year warranty.

Henry Ford II
President
Ford Motor Company

ARRIVAL DATES:

SEPTEMBER 29: THE NEW most successful compact car combination from America's largest producer of compact cars.

NOVEMBER 3: LINCOLN-CONTINENTAL FOR 1961, America's completely new, distinctive luxury car.

OCTOBER 6: THE NEW MERCURY LINE, with completely new styling and wider range of models.

NOVEMBER 10: THUNDERBIRD, Unmistakable new for 1961, yet unmistakable Thunderbird.

LEAPING for extra yardage, Muleshoe half-back Jerry Gilbreath is caught in mid-air by Whiteface James Pavlicek (20) and Jerry Clark (65) Friday night in Muleshoe. Gilbreath made a three-yard gain on the third quarter run. Hereford and Muleshoe tied, 6-6. (Staff Photo)

Cain Paces Eighth Graders To 14-0 Victory Over Tulia

By Wain Miller
Brand Sports Writer
Not to be outdone by the seventh grade's victory here Thursday night, the Stanton Junior High eighth graders defeated

Tulia 14-0. In a game spotted with many fumbles by both teams, quarterback Frank Cain powered his way through Tulia's reluctant line to place both Hereford touchdowns on the scoreboard.

Bobbers to punt the ball to the Hereford 18.

Frank Cain moved the ball 20 yards in two downs, but the Tulia line became stubborn, and forced Stanton to punt from their 45. Tulia fumbled the ball and Johnny Dowd retrieved it for the Dogies.

Moving the pigskin slowly but surely through four first downs, Frank Cain finally scampered

around end for seven yards, and the first six points. His try for extra points failed, ending the scoring for the first half.

After the ball changed hands twice during the third quarter through fumbles, Stanton end Gary Roberson blocked an attempted Tulia punt, to set up the final scores, with the Dogies regaining the ball on the Tulia 30 yard marker.

Frank Cain again moved the ball through three firsts and scored from the four yard line. Cain completed a pass to end Lynn Cook for the final score of the game of 14-0.

Stanton's eighth graders defeated Dalhart 28-8 at Dalhart last Saturday. They have also

VISIT IN CLEBURNE

Mr. and Mrs. Coy Phillips of Hereford visited recently in the new home of the Rev. and Mrs. Howard Scott and family in Cleburne, Tex. Many Hereford residents will remember the Scott family when he served as pastor of the First Baptist Church here. Phillips commented on the Scott "ranch" there, but he was referring to the spacious yard surrounding the Scott home in Cleburne.

ated Canyon 12-12, and were defeated by Dimmitt by the score of 14-0.

Local Teachers To Be Present At TSTA Meet

Mrs. Charlotte Calvert and Miss Delores Wall, teachers in Hereford High School, will attend the District IX English Workshop meeting of the Texas State Teachers Association on Oct. 1, in Amarillo.

Dr. Jenny Lind Porter, Assistant Professor of English at West Texas State College will be the principal speaker for the workshop and will present two programs, one in the morning and one at the noon luncheon, reading selections from her own poems. At the luncheon, she will present excerpts from her new book, "The Siege of the Alamo," with guitar accompaniment.

Dr. Porter has been called a new Emily Dickinson by the famous Kentucky author, Jesse Stuart. She has written "The Lantern of Diogenes," "Azle," "The Attic Room," "Peter Bell the Fourth," and her works have been published in "Ladies Poetry Digest," "The Classical Journal" and many other popular magazines.

Dr. Porter is also a distant cousin of O. Henry. William Dydney Porter, and her poem about the O. Henry cottage hangs in the O. Henry Museum in Austin. She makes her home in Canyon.

Wilson Says Law Needed To Control Sale Of Pistols

Kenneth Hart

Hereford High DE Coordinator To Attend Meet

Kenneth Hart, Distributive Education coordinator at Hereford High School, will take part in the program of the third annual In-Service Conference, a state-wide education program, scheduled in the Student Union Building of Odessa College Saturday.

Distributive Education coordinators from 95 West Texas counties will convene for the meet, which is authorized by the Commissioner of Education, Dr. J. W. Edgar.

A part of the total State-wide education program, Distributive Education relates to the training offered people engaged in retail, wholesale and service occupational fields.

Junior and Senior high school students may participate in the Distributive Education program when interested in becoming permanent employees in business establishments, or in using this training or as additional experience to assist them in colleges.

Adults, who are employed in one of the three authorized fields in distribution, may enroll in classes which are designed to improve their ability and job efficiency in Amarillo College, Odessa College, San Angelo College and in cooperation with El Paso Public Schools.

Communities in the 95 West Texas counties not served by these colleges are offered the same courses by Distributive Education West Texas Area Supervisor, Will Inkman, Big Spring, in cooperation with their Chamber of Commerce and Retail Merchants Association on a local basis.

Guest speaker to the group will be Texas Representative Olen Ray Perry of Levelland.

Director of Distributive Education David A. Thompson, Texas Education Agency; Research and Subject Matter Specialist Mrs. Pauline W.

AUSTIN - Texas needs a law to regulate the sale of pistols so that irresponsible persons can neither sell nor buy them, says Atty. Gen. Will Wilson.

Wilson told Texas' prosecu-

tors that the law should be such a law.

A lot of the money spent on catching and punishing law breakers might be saved, the attorney general suggested, if more were spent on prevention of crime.

Texas District and County Attorneys Association presented Wilson a life membership plaque during their meeting here in recognition of his "leadership in law enforcement."

Earlier this year Wilson was named top state attorney general in the nation by the National Attorney Generals' organization.

HIGHWAY PATROL OPENINGS - Applications to fill 120 openings in the State Highway Patrol will be taken by the Department of Public Safety through Oct. 1.

Applicants must be high school graduates or the equivalent and must pass a field service examination to be given in 16 different Texas towns.

After acceptance, the prospective patrolmen will receive 15 weeks training at the Law Enforcement Academy in Austin.

Application forms may be obtained from any DPS field office or by writing DPS Headquarters, P. O. Box 4087, Austin.

DRIVER ED PLAN TOLD - Driver education in Texas public schools might be financed on a cooperative state-local plan similar to that used for the pre-English speaking children.

This proposal was discussed in a recent speech by Brad H. Smith, director of the Governor's Highway Safety Commission. Driver education tied in with the public school system is one of the goals, numerous safety groups have pushed toward for some time.

Smith noted that local school

Burbank, University of Texas; Kenneth Hart, Hereford High School; Hilma Joyce, El Paso High School and Tom Rawlins, Childress High School, will also be included in the all-day program to assist attending coordinators in the future development and improvement of Distributive Education programs in local communities they serve. All meetings are open to the public.

system may secure state funds for teaching non-English speaking pre-schoolers if it puts up some local funds also.

"Since these plans seemed to work," Smith said, "we are looking at their success for possible application to the driver education program."

Smith noted that a special study committee of the State Board of Education had reported favorably on the idea of driver education and recommended a cooperative local-state effort.

OFF THE Shelf

By H. A. TUCK
Characteristically, we went about Vance Packard's two disturbing non-fiction books in reverse order. We read his second book, *The Status Seekers*, first then read *The Hidden Persuaders* last weekend.

Persuaders is equally as good as *Status Seekers* and somewhat allied to it. This book is concerned with the use of Motivation Research or M. R. by the grey flannel advertising executives in New York.

For the past ten years, to a greater or lesser extent, they have been swung away from consumer interviews and into the ranks of psychology.

Why? First, they discovered that those interviewed often said what they felt they should say. Second, M. R. is a powerful weapon to activate consumers.

Let's examine some of the questions which Packard answers in his book:

Why do men think of a mistress when they see a convertible in a show window?
Why do marketing psychologists call deep freezers "frozen islands of security?"
Why do women undergo a significant decrease in their eyeblink rate when they get in supermarkets?

Why do cars keep getting longer and longer?
Why do some children's TV shows take sly swipes at parents?
Why has the DeSoto been very popular with the middle-aged ladies?
Why do so many women feel uneasy about using cake mixers?
Why did politicians in 1956 suddenly start to worry about "father images?"
Why are women's dresser tops filled with half-used jars of cosmetics?
Why are women's dresses tops filled with half-used jars of cosmetics?

Why does the way we choose a car reveal the brand of gasoline we are likely to buy?
Why are many of us afraid of banks?
These are just a few of the thousands of fascinating questions answered by Packard in *The Hidden Persuaders*.

OIL FLOW CUT - Texas Railroad Commission set the October oil allowable at 2,630,576 barrels a day on an eight-day producing pattern. It will be the sixth straight month production has been limited to eight days. Since the production will be spread over 31 days in October compared to 30 in September, the daily allowable drops by 47,644 barrels a day.

Despite the continued low allowable, Texas independent oilmen were taking a brighter view at the Commission hearing. For months they have spoken gloomily, even desperately, of a glut in Texas crude. At this hearing, buyers spoke of a shortage of Texas crude, and a spokesman for independents said, "We are not as worried as we have been."

POLIO DOWN, HEPATITIS UP - Good news in the polio field, but a growing problem in infectious hepatitis is reported by the State Health Department.

For the first half of the year polio cases were down to 27, compared to 101 for the same period last year. But 1,191 cases of infectious hepatitis were reported, compared to a five-year average of 566.

Control of hepatitis is complicated by the fact that (1) the virus has never been isolated, (2) exactly how it spreads from person to person is not known and (3) no specific treatment is available.

Isolation of the patient and extremely careful sanitation measures for those who come in contact with him are usually recommended.

AUTO INSURANCE RATES DISCUSSED - Proposals for changing Texas' auto insurance rates have brought forth new discussions on the subject by the State Insurance Board, insurance companies, and those who opposed the law in the first place.

Most of the several hundred insurance men present at the Texas Insurance Board hearings said they favor the merit rating plan. However, many stated that they felt that some changes definitely were needed.

One group, the Texas Association of Mutual Insurance Agents, headed by James K. Ruble of San Antonio, reported that while they originally opposed the plan, they now favor it.

But State Senator Grady Hazlewood of Amarillo, who fought the proposal from its inception, still considers the plan a "monstrosity" when it places such a penalty on a man for going 22 miles an hour in a 20-mile zone.

Hazlewood favors strengthening the penalties against persons convicted of hit-and-run driving, drunken driving, and assault with a motor vehicle.

"As it is," says Hazlewood, "we are just rewarding a bunch of uncaught drivers."
Penn Jackson, chairman of the Board, says that it is uncertain when the Board will decide on new rates.

If you are curious about any of the answers, and the way in which you are inticed to part with your money, you will enjoy *The Hidden Persuaders*. You, like most everyone else, probably will also be frightened by what you read.

As Packard concludes, "The most serious offense many of the depth manipulators commit, it seems to me, is that they try to invade the privacy of our minds. It is this right to privacy in our minds - privacy to be either rational or irrational - that I believe we must strive to protect."

Gen. Robert E. Lee's wife, Mary, was the step-granddaughter of George Washington.

By JIMMIE GILLENTE
Barry Goldwater drew a lot of fans from this area, despite the \$50-a-plate tax. This makes groceries fairly high, and I always figured maybe it would be hard to conscript new followers on such a basis. Anyway, I am sure that I would have to be an ardent fan to turn loose 50 bucks.

However, it does reflect the changing times in which we live. Back a few years, it was exactly the opposite. When you wanted a big crowd at a political rally, you announced a free barbecue - and you didn't have to worry about folks coming. These days, you jack the price of the \$1.25 Blue Plate special up to \$50 or \$100 - and still don't have to worry about the crowd. No doubt but people are getting smarter as the years pass, but it looks to me like the politicians are advancing much faster than the voters. At least, they know how to outbluff when it comes to picking up the check.

Pat Wederbrook gets on a high horse every once in a while, and gives me a good going over. This week he was wanting to know when all of those planes would be landing to haul out Deaf Smith County lettuce. He swears that I predicted such an event - although I cannot remember it for the life of me. I found out a long time ago that it does no good to argue with Pat. He is even worse than Ur-lin Streu. Winning an argument with either one of these guys is almost as difficult as winning an argument with your

Student Completes College Enrollment
Judy Coffin of Hereford has registered for classes at South Texas State College in San Marcos.

A record-breaking enrollment of about 2,650 is expected at the San Marcos college this fall.

Miss Coffin, a speech major, is the daughter of Mr. and Mrs. H. B. Coffin of 207 Roosevelt.

Veterans Park was the scene of an outdoor cookout for the Shot-U-Aya Campfire Girls Tuesday afternoon.

The girls cooked hamburgers on hobo stones which were made by each one as a craft. After the meal, they explored the surrounding grounds on a nature hike.

Those enjoying the outing were Mary Stoy, Kandis Hill, Diane Rodgers, Suzan Ballard, Betty Barnett, Linda Jacobsen, Diana Springer, Mrs. Stoy, Mrs. Springer and Becky Jackson.

Word has it that the Vanguard Mining Corporation has put through a merger to take over Antero mining interests in Colorado, and that local stock holders will be paid in Vanguard stocks. Scores of Hereford people have thousands and thousands of dollars salted away in this project. Beryllium is still the big attraction, but the old corporation never really got off the ground. "Mill stock," they say, is not included in this deal, but some of the mill boys are hoping for a future consolidation. Most of the owners I see figure that any sort of change will be an improvement.

J. T. Carroll is an expert at more things than anybody I know. He was telling me the other day that he wired his home for sound with some speakers, and the deal is working out fine. When I got on one of those do-it-yourself jags, I always wind up hiring someone to pull me out of the hole, and it costs more than it would in the first place. My wife keeps a box filled with parts of an alarm clock I once "fixed" just to slow me down on ventures of this type - and she gets a lot of help from the kids. Even Paul Harvey built a storage shed in his back yard without any trouble, and Neil Cooper can make pretty good furniture.

The only thing I can do is paint, and I usually wind up inhaling so much paint I get the headache. Besides, I don't like to get them upset. Painting is still better than yard work, but not much.

Edith Kemp, who works at Rogers Drug, says she is through with practical jokes. She won't say why, but John Pool says he thinks it has something to do with a rag she pulled on Doc Cowan and Henry Aycock. Anyway, Edith says never again.

Marshall Wilson reports little interest in the proposed store opening on Thursday nights. Only two people have mentioned it to him, and one of those was against the deal.

The sugar beet meeting created a lot of interest Monday. Those who attended were quite optimistic following the reports and, while anything can happen, the general opinion is that the proposal has a rosy outlook. This is still the No. 1 project for the community. We owe plenty to Jim Witherspoon, Henry Sears, Hank Williams, Lee Berfield, Palmer Norton and the other fellows who have sacrificed so much time and effort. As a result, it looks as if they

may accomplish the impossible - and that's about what it was a year or so ago.

Personally, I have heard surprisingly little discussion of the highly-touted Nixon-Kennedy debate. I figure it is because they are such gentlemen that they keep their fingers under control. Certainly, they are a far cry from the famous Lincoln-Douglas debates you read about in history. A good fist fight or two would no doubt add a lot of zip to the TV sessions. Keeping a cool head is probably important for our next president, but it's a good thing they don't have to compete with the World Series. I'm afraid their rating would go a way down.

I notice that the Optimist Club boys already have their Christmas tree signs out on a Park Avenue lot, which is showing enterprise. Maybe they will give a sprig of mistletoe as a bonus to early shoppers this year.

I also notice that some town, probably Amarillo, is running a school for prospective baby-sitters. This is getting to be a big business, taken on a nationwide basis, and frequently sitters are pretty hard to find on the local level. Anyway, it sounds like a good project for some group to sponsor. And what happened to the intra-club organization - and the group signs they were going to erect at all highway entrances into town?

Despite some hail damage, milo yields will probably set new records in 1960. Some are cutting, and report that they are averaging 6,900 pounds to the acre. A few years ago when a fellow hit 3,500 pounds, we ran out, took his picture and plastered it all over the front page.

Now we sympathize, and wonder how he is going to get by with such a small yield.

VISITS SON
Mrs. Velma Kelp from Gatesville, Tex., visited over the weekend with her sons, Mr. and Mrs. Charles Kemp and Mr. and Mrs. Tommy Kemp, all of Hereford.

Bob Boyle

Lions Hear Of Scout Jamboree

Bob Boyle of Amarillo, advisor for Explorer Post 8, reviewed the Boy Scout Jamboree at the noon meeting of Hereford Lions Club last Wednesday in the ballroom of the Jim Hill Hotel.

Some 58,800 scouts attended the huge encampment, he said. Accident rate among the scouts was about one per cent, he added.

He showed a film he made at the Jamboree. Included in the event was a huge program where scouts could show their various skills.

"If you are not in scouting, you just don't know what you're missing," he said. Program chairman was Orpha Click of Hereford.

Smithson - Ramey Vows Exchanged In Dimmitt

Miss Wilda Lorene Smithson, daughter of Mr. and Mrs. Ben Smithson of Dimmitt, and Bobby Gene Ramey, son of Mr. and Mrs. R. L. Ramey of Hereford, exchanged wedding vows in the First Baptist Church of Dimmitt on the evening of Sept. 2. The Rev. C. F. Powell officiated at the double ring ceremony.

Vows were pledged in a candlelight service before an open satin heart accented at the top point with an arrangement of blue carnations backed with a branch candelabrum.

White satin ropes extended from the heart to the candelabra on either side fastened with white wedding bells. The candelabra held white tapers. The bridal path was marked with white and blue satin bows and white candles.

Mrs. Decimae Cluck, organist, accompanied Maxine Smithson who sang "Because," "My Wonderful One," and "The Lord's Prayer."

The bride, given in marriage by her father, was attired in a gown of chantilly lace over taffeta, designed with a scalloped sabrina neckline, with long tapered sleeves which ended in a point over the hands.

A bouffant skirt, flowed from the figurine bodice, holding a cascade of ruffles at center back which swept into a chapel train. A crown of seed pearls held her fingertip veil of illusion. She carried a white satin Bible centered with a white orchid surrounded with a cascade arrangement of feathered mums. For something old she carried a handkerchief belonging to an aunt, and for good luck, "a six pence in her shoe."

Mrs. Maurine Matthews of Plainview attended her sister as matron of honor. Mrs. Dovie McGuire of Dimmitt, also a sister, was the other attendant.

Flower girls were Janet Smithson and Renea Self. They wore identical dresses of blue pima chiffon trimmed with white lace, tapered sleeves and full skirts. The bride's attendants carried white lace fans covered with frenched white mums.

Candlelighters were Vicki Byers and Teddy and Mary Smithson. Ring bearers were Gwen and Linda Smithson.

Mr. and Mrs. Bobby Ramey nee Wilda Smithson

Personel Photo

Jack Hagar of Hereford attended the bridegroom as best man. Ushers were Rex Cowart, Jackie Rhodes, Wayne Smithson and Clint Smithson of Dimmitt.

A reception followed the ceremony in Fellowship Hall. The bride's table was enhanced with a blue satin cloth overlaid with a white net cloth and held a four-tiered white and blue wedding cake, topped with a miniature bride and groom.

Mrs. Margaret Parks of Lubbock registered the guests. Others assisting with hospitalities were Mrs. Rex Cowart, Mrs. Raymond Wilson, Mrs. Dewey Owens, Mrs. D. H. Odom, Mrs. Hugo Byers, Mrs. Goines Neil and Mrs. C. G. Maples Sr.

For travel the bride wore a brown suit with beige accessories. After a trip to New Mexico the couple are at home at 332 Ave. J. in Hereford. The bride is a graduate of Dimmitt High School and attended Eastern

New Mexico University and North Texas State at Denton. The bridegroom is a graduate of Hereford High School.

VISITS IN HEREFORD
Mrs. Rhea Smith of Amarillo is visiting in the home of Mrs. Lurline Smith in Hereford this week.

VISIT MOTHER

Stanton Seventh Graders Win 4th Over Tulia 24-22

By Wain Miller
Brand Sports Writer

The Stanton Junior High seventh grade team carried off their fourth straight victory of the season by defeating the Tulia Dobbys by the score of 24-22 here last Thursday night.

The first touchdown drive was set up as the Dobbys fumbled the opening kick-off, to give Hereford the ball on the Tulia 43 yard line.

Quarterback Roger Owens completed a long pass to end Mike Moore, who carried the ball to the two yard line. Back Steve Hodges pushed his way through the middle for the t.d., and followed through with the extra point setting the score at 8-0 at the end of the first quarter.

Tulia was stopped on the kick-off return on their own 36, where Stanton's strong line held and forced them to punt with a fourth down and 13 to go situation.

Hereford had the ball with first and ten on their own 46, when Tulia lineman Riley Chandler put a "new twist" on the old "statue of liberty" play as he grabbed the ball out of the Stanton quarterback's outstretched arm and raced down to the two-yard line, where, for some strange reason, he did a quick about-face and began running back towards the wrong end of the field. One of his own confused teammates stepped in to make the tackle.

All was not in vain, however, as the Dobber's speedy left half, Roger Barrow, scrambled around left end for Tulia's first score. Their try for the two on the extra point failed, and the score now read 8-6, with the Dogies ahead.

Steve Hodges pulled in the kick-off and ran it back 25 yards before being stopped on his own 45.

The Dogies opened up a hole and let Hodges through again for another 55 yard touchdown run. Stanton drew a 15 yard penalty for holding on the try for the extra point, but Roger Owens took to the air and completed another aerial to end Mike Moore for two points, setting the score at 16-6.

With first and 10 on their own 60, Tulia's half-back, Roger Barrow stepped out to win a 60-yard footrace, giving Tulia their second six-pointer, and then succeeded in running up two more points with the points-after-touchdown.

Beginning the second half, Hereford received the kick on their 20 yard line. Fullback Robby Lemons moved the ball to the 35, then Steve Hodges completed a pass to Randy Tooley, who ran the ball to Tulia's 2 yard line, where Hodges racked up his third t. d.

Robby Owens finally ended up with the ball on the try for extra point, relieving it on a "triple reverse" play, which

was good for two more points. Roger Barrow moved the ball 65 yards in two plays, giving Tulia their third t.d. of the night.

The Tulia quarterback gave the ball again to speedy Roger Barrow who added two more points, to end the game's scoring at 24-22, with the Dogies winning.

The Dogie defense looked fine throughout the game, with tackle Steve Hodges looking particularly outstanding.

Earlier this season, the seven-licker Jimmy Gutierrez and back 0, defeated Canyon 32-6, and beat Dalhart last Saturday morning by the score of 30-0.

Football Contest Standings To Date

Local Attorney Explains Wills

Hereford attorney Wayne Thomas explained the importance of the making a will at the noon meeting of Hereford Rotary Club Monday in the ballroom of the Jim Hill Hotel.

Thomas pointed out that each state makes its own laws concerning wills.

"The irony lies in the fact that when we get ready to make a trip or go on vacation, we go into great detail in arranging the operation of our business while we are gone. We spend a great deal on insurance to provide security for our families in case of disaster," he said.

"But," he added, "too many of us have not made plans for that 'final trip.'"

"When we do not make arrangements for the handling of our property after death, we have neglected the fruits of a lifetime effort," Thomas explained.

"I wonder if we subconsciously ask that if when we prolong the making of a will, we think that we are prolonging our very existence," Thomas commented.

A will, he said, designates who will receive the estate of the deceased and who shall take charge of the estate.

He said that a lawyer, in making a will, "must know you and your family and must have all the facts that need to be known" in the drawing up of a will.

He added that the lawyer is interested in knowing the nature of the property, and the amount of liquid assets liabilities.

The drawing up of a will, he commented, often requires many hours. There is a great deal at stake, and one must

Wayne Thomas

not go about the making of a will in a haphazard fashion, he said.

"Problems which arise are often complex and varied," he said. "There are as many problems in wills as there are people in this room."

He said that a will may be changed at any time by the client.

The guest speaker was introduced by Faust Collier, a Rotarian in the local club.

Buddy Taylor of Canyon was a visiting Rotarian, and guests included Bill Thompson, Guy Williams and Grant Hanna, all of Hereford.

Carrot Harvest, Packing Operations In Full Swing

For those who haven't seen it, the Brand this week visited some of the Deaf Smith County carrots operations, both in the field and in the sheds. Only the basic steps are shown here, but there are many others. Field loading goes into special large crates. Loads on the truck are washed before removal, then washed twice more at the shed. Vast quantities of ice are used to cool the carrots before they are sorted, bagged and shipped. Even the jumbo carrots are placed in 50-pound bags for shipment to soup and juice makers.

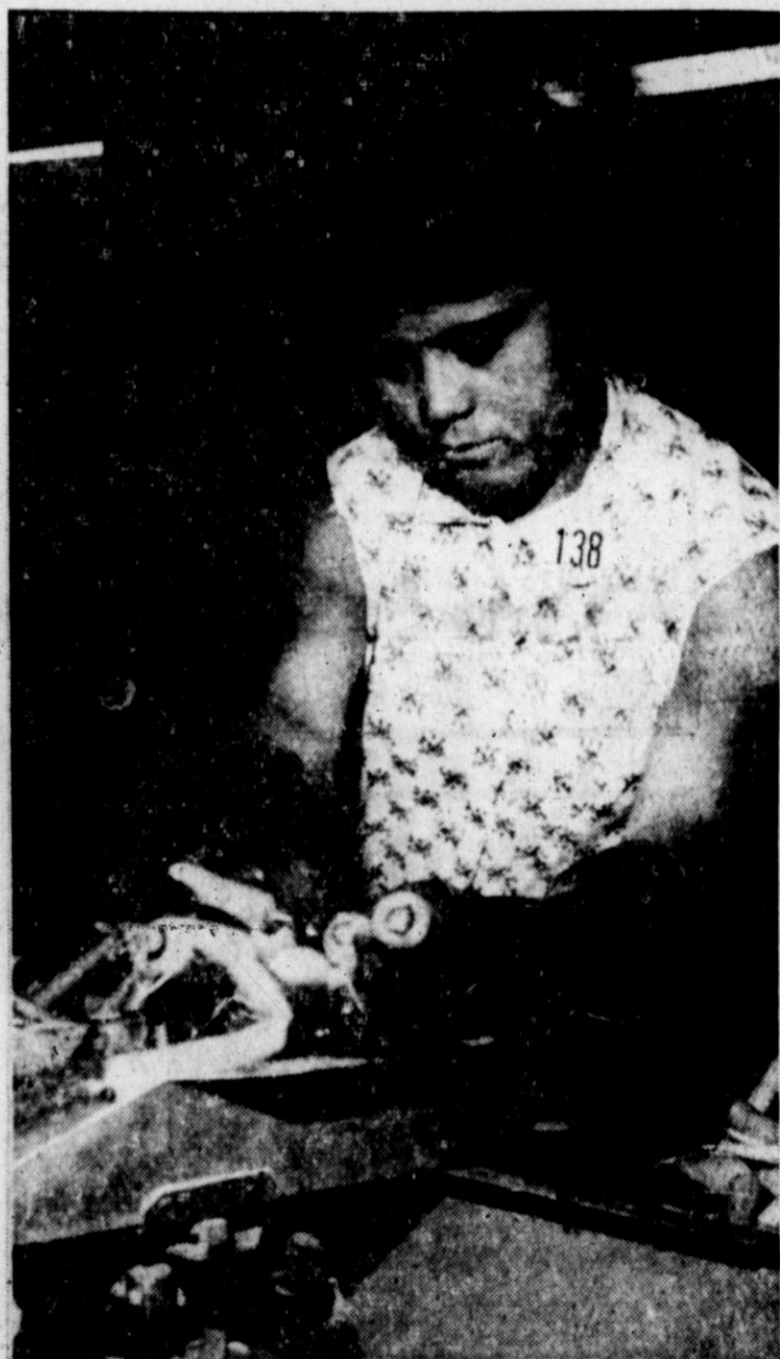

Brand Staff Photos

Mechanical diggers get most of the carrots

Others pick up those left behind

They are skillfully weighed out

The package is filled and sealed

Long lines of workers package the product

Each package is tested for weight

With 48 bags into each sack

Trucks and trains rush them out

District Governor For Lions Is Guest Speaker

By MRS. R. L. PINNELL
Ralph Thomas of Pampa, new District Governor of the Lions Club, was guest speaker at "Ladies Night" Thursday evening at the Methodist Church Fellowship Hall. Thirty-eight members and guests enjoyed the talk and the meal which preceded the guest speaker. Thomas spoke of the accomplishments of Lions as a service club and outlined their duties as such. He told of efforts at Kerrville in the School for the Blind and Crippled Children Clinic.

"The organization is truly international for only two years after World War II, the Philippine Islands asked permission to go to the mainland of Japan to organize Lions Clubs. Permission was granted and, in the first year, 16 clubs burst forth. There are many more now," Thomas said. "Better communities are our goal."

R. E. Ireland of Amarillo, Deputy District Governor, accompanied Thomas as a guest. The evening proved to a good

night for rain, but a bad night for Lions Club, when the electricity again went off, but the program was concluded by candlelight.

Lorin Creitz, vice-president, was in the president's chair, due to the absence of Boss Lion Jim Sessions, who was unable to attend.

The Freshman Class which had planned a hay ride for Friday night, moved indoors at the Jake Fortenberry home for an indoor weiner roast after it started to rain. The group and their guests gathered at 6 p.m. for outdoor games and later moved inside for refreshments of hot dogs, chili, and soft drinks. Coach Jim Clark sponsored the group, which included Phyllis Sue Brownlee, Jerry Milner, Harvey Boniman, Ronald Johnson, Donald Tice, Gary James, Doris Horton, Perry Grubkey, Myrna Zaring, Jimmy Ainsworth, Sidney Blankenship and Suzette Sisk.

Joel Brownlee was honored by his mother, Mrs. Joe Brownlee, on his eighth birthday Friday with a room party in the second grade.

Bobby Brown remained with his aunt, Mrs. Irene Brown, when his parents, Mr. and Mrs. Earl Brown, were in Albuquerque, N. M., where they attended the State Fair. They left on Wednesday and returned Saturday.

Clinton Earl remained with Dale Grubkey at the R. M. Grubkey home.

All of the coaches and superintendents of this District gathered Sept. 11 at River Road School, north of Amarillo, to organize the Junior High School basketball program. Adrian was again placed with Vega, Channing and Hartley, all in a group, which will play each other on both courts to determine the champion. The others, Highlands, Bushland, River Road and Burns, will do the same and the winners of both playoffs will engage in play to determine the champ.

A. M. Chapman, of Amarillo, has been helping his son-in-law, Joe Brownlee, on the Masten Ranch building water tanks for the past three weeks.

Everyone enjoyed the holiday and visit to the Tri-State Fair Monday in Amarillo.

Mrs. Irene Brown, accompanied by Mrs. Ray Brown, took her son, Finis William, to Ft. Sill, Okla., for induction into the Army this week. They left Sunday night, spending that night at Altus, Okla. They returned to their home Monday evening.

The backstop being constructed at city park for Little League by the Lions Club, was completed on Saturday, reports

E. Lemke.

Mrs. Hazel Chilton spent last weekend in Amarillo visiting the friends.

Simms Study Craft met Thursday in the home of Mrs. Glenn Hetzler for the first meeting of the season. Mrs. R. L. Pinnell gave the program on "Vegetable Sculpture and Centerpieces". This was a very timely subject since it is not too long before the first frost destroys our gardens.

Attending were Mesdames Leland Burns, A. G. Grisham and granddaughter, Rachel, Jim Stocks, Jim Cavin and Jan, Claud Bogle, Jim Sessions, M. W. Blankenship, Kenneth Miller, T. E. Davis, T. L. Pinnell, and a new member, Mrs. Bill Hamilton. Mrs. Don Kirby and son, Larry were guests.

Mr. and Mrs. Milford Grisham and daughters, Rebecca and Rachel of Portland, Ore., arrived Sept. 1 for a visit of a month with her parents, Mr. and Mrs. A. G. Grisham. His parents are Mr. and Mrs. Neely Culp of Hereford. They will leave to go to their new mission field in Argentina after they conclude their visit with relatives in this area.

The Sophomore class enjoyed a picnic and weiner roast at Dripping Springs last Friday afternoon. Attending were Paula Creitz, Donna Brownlee, Madeline Weidner, Kathy Kromer, Sam Brown, Paul Jackson, Perry Grubkey, Jerry Homfeld, the Rev. and Mrs. J. R. Manning, the Rev. and Mrs. Gene Moore and Mrs. Ray Brown. Mr. and Mrs. Fred Brownlee, and Mr. and Mrs. Wellington Johnson of Glenrio and Ende, N. M., visited in the home of Mr. and Mrs. Joe Brownlee on Sunday afternoon.

Methodist men enjoyed breakfast and a film on "Water Conservation" Thursday morning at Fellowship Hall. Attending were E. N. Jacobson, Vic Lemke, Lester Houston, Perry Grubkey, John Skaggs, N. L. Jacobson, D. W. Morgan, A. P. Jones, Robert Jacobson, Johnnie Lewis, Lorin Creitz, Leland Burns and Jim Cavin.

Mrs. R. L. Pinnell and Mrs. P. H. Grubkey drove to Kerrick Wednesday to be with Mrs. R. C. Chison on her birthday. Mrs. Chison is the former Judy Pinnell.

The Senior Class concluded the sale of magazines this week and report total sales of \$1025.00, setting a record for the highest total sales by any class.

Mr. and Mrs. John Proctor enjoyed the "Old Matador Cowboy's Reunion", held at Channing Saturday. That afternoon, they drove to Dalhart to see Mrs. Proctor's sister, Mrs. Jack McMeen.

Mrs. Ferris Kromer visited in Hereford Saturday with her brother, F. H. King and family. They also visited with a niece, Mrs. Levio Mazzie.

Mrs. R. D. Sisk returned Friday for the weekend with the family. She is helping with the care of her father, Bob Rentro, in a Clayton, N. M., hospital.

Mr. and Mrs. Roscoe Larkin of Pundy, Mo., visited from Friday night until Sunday morning with the Wilbur Garbries. Mrs. Ferris Kromer and children were in Shamrock last weekend to visit her ailing father, Glenn King. They returned by way of the Tri-State Fair in Amarillo Monday.

Mr. and Mrs. John Henry came for his mother, Mrs. Joe Baumgardner, who has been staying with her daughter, Mrs. Robert Jacobson and new baby daughter for several weeks.

Mr. and Mrs. Bill James and sons, Gary and Billy and Harvey Doniman enjoyed last weekend at Carlsbad and White Sands, N. M. They also made a trip to Juarez, Mexico. They left Saturday and returned home Monday night.

Mrs. Bessie Spande and Mrs. Joe Speed spent the weekend in Albuquerque, N. M. with the Cotton Lane family. She is the former Betty Spande.

Coach Don Johnson announces there are 25 boys out for basketball from which a traveling

squad of 12 players will be chosen. The first game will be with Hartley on Oct. 25.

The Junior Class is busily preparing its play, a three-act comedy entitled "Nearly Sixteen". It will be presented Oct. 11.

Mr. and Mrs. Bill Klein of Lubbock have been recent visitors here and at Vega, where they visited with his sister, Mrs. John Halliburton, whose husband is seriously ill in an Amarillo hospital.

Mr. and Mrs. W. T. Wright and daughters, Gina and Wesley Ann, of Odessa, were weekend guests of the D. W. Morgan family. The two women are sisters.

Mr. and Mrs. Wayne Pinnell announce the arrival of a new daughter, Karen Kay. She was born Sept. 15, and weighed 6 pounds, 6 ounces and was born in a Clovis, N. M., hospital. Paternal grandparents are Mr. and Mrs. E. K. Pinnell and the maternal grandmother is Mrs. Joe Pierce of Lubbock.

Heart Attack Claims Former Hereford Man

Funeral services for Tom C. Branson, 72, a former resident of Hereford, were conducted at 2:30 p. m. Tuesday in Rose Chapel of Gilliland Funeral Home.

Mr. Branson died of a heart attack at 5 p. m. Sunday in the home of a sister, Mrs. T. A. Brotherton of Littlefield.

The Rev. Russell Wingert, pastor of the First Presbyterian Church, officiated. Burial was in West Park Cemetery.

Mr. Branson was born Aug. 16, 1888, in Dallas County. He came

Mr. and Mrs. R. L. Pinnell and Linda and Mr. and Mrs. E. L. Pinnell and son, Mitchell, were in Pampa this week shipping cattle.

Waldron Meltons Attend Seed Anniversary Fete

By MRS. T. L. COLLINS
Mr. and Mrs. Waldron Melton Adair and Denise, attended the 25th wedding anniversary of Mr. and Mrs. Walter Seed of Hereford on Saturday night.

A midnight telephone call from their son, Raymond L. Collins in Corpus Christi on Saturday night informed Mr. and Mrs. Thomas L. Collins that their first grandchild had been born in the Spohn Hospital there. The little daughter of Mr. and Mrs. Raymond Collins had not been given her name yet. Both mother and baby were doing fine.

Those from Walcott attended the Tri-State Fair in Amarillo last week: Mr. and Mrs. Waldron Melton, Adair and Denise; Mr. and Mrs. N. E. Tyler, Nancy, Kelly, Jerry, Tom and Paul Timberlake, Thornton Monroe, Mr. and Mrs. Leland Burns and Vicki, Marsh and Chris; Mr. and Mrs. Bruce Coleman, Gary and Cindy; Mr. and Mrs. Bernie and Sue, Elton Sorrells, Linda, Debra, and Davie; Mr. and Mrs. Norman Minks, Nancy, Margaret, and Larry; and Mr. and Mrs. Gene Cope from Hereford.

More Walcott people who have attended the Tri-State Fair in Amarillo are: Mrs. Le Roy Cupell, Roger, Charles, Brenda and Sue; Mr. and Mrs. Al Myers, Lee, Carl, and Alice; Mrs. Glenn Burrus, Kathryn, Elizabeth, Mary Alice, and James; Johnny Buse, Mr. and Mrs. G. Hall, John, and Danny; Mr. and Mrs. Elmo Hall, Kerry and Scott; Mr. and Mrs. Melvin Henderson, Keith, Billy, Ronny, and Sid; Mr. and Mrs. Jack Weaver, Mary Ruth, Charlene and Joe Don; Mr. and Mrs. H. D. Rust, David and Ronnie

Mr. and Mrs. Thurmon Davis and sons had her parents, Mr. and Mrs. R. L. Neff, and Mr. and Mrs. Alec Lambert of McAdoo arrive Thursday, Sept. 15, to visit them. They left on Friday, Mr. and Mrs. R. C. Davis of Hale Center, his parents, came Saturday for a visit

here. Mr. and Mrs. Don Kirby, Kay, Diane, and Larry were guests in the home of Mr. and Mrs. Bertram Jack and family after church services.

Mr. and Mrs. Bill Jennings, Debbie, and Jim Don of Muleshoe visited in the Obed Caraway home on Saturday, Sept. 16. Mrs. Jennings and Mrs. Caraway were classmates.

Mr. and Mrs. Lee Tice had their daughter, Mr. and Mrs. J. W. Hammersley of Lubbock, visit them on Saturday and Sunday.

Donald Tice had Ronald Johnson of Adrian spend Saturday and Sunday with him.

Mr. and Mrs. A. R. Coley and Glen of Wildorado visited Sunday with their daughter, Mr. and Mrs. J. T. Tice.

Mr. and Mrs. Joe Monroe of Clovis, N. M. came Saturday afternoon to visit Mr. and Mrs. Buel Monroe and Mr. and Mrs. Dan Guseman.

Mr. and Mrs. Lester Dean, and their children, Charlene and Paul, of Black visited the Elton Wylly family on Sunday afternoon.

Mr. Buel Monroe and Joe, and Mrs. Dan Guseman drove to Ft. Sumner, N. M. on Wednesday to

get apples.

Joe Merrill's mother, Mrs. Virgil Merrill of Hereford, underwent back surgery in Deaf Smith County Hospital last week. Mrs. Joe Merrill was with her at the time of the operation. Her daughter, Mrs. O. R. Brooks Mountain Home, is here now, taking care of her mother, who was released from the hospital on Monday.

Other visitors of Mrs. Virgil Merrill include her brother, C. L. Thomas of Hale Center, and a niece, Mr. and Mrs. Glenn Shipman and two sons, from Lubbock.

Mr. Ray Simmons from Amarillo visited Walcott School on Thursday afternoon.

Buses had just started from school on Thursday afternoon when a sudden shower of rain fell, amid strong wind blowing from the south. Friday afternoon very dark clouds developed. Strong wind blew from the north and rain started falling fast. It rained from about 4:25 to 4:50 p. m. Two-day total was one-half inch of rain.

Mr. and Mrs. J. M. Payne, Larry and Darla of Hereford, visited her parents, Mr. and Mrs. Joe Rader, on Friday night.

Virgil Bomar didn't get to his home in Hereford from his bus run until after 8 p. m. Friday. He was detained by a cattle truck which was stuck in the mud, blocking the road.

Mr. and Mrs. Thomas L. Collins, Miss Shirley Bourquin and Miss Paula Green drove to Muleshoe on Saturday afternoon and bought watermelons and tomatoes for the Walcott School cafeteria.

Mr. and Mrs. T. L. Collins are Sunday dinner in Hereford with Mrs. J. F. Ward and Mrs. Frank Roberson, who is visiting from California. Later in the afternoon, they visited with Mr. and Mrs. Claude McDougal in their home. Mr. and Mrs. Carl Perrin came for a visit there also.

Mr. and Mrs. Buel Monroe, Kathy and Jimmy went to Albuquerque, N. M. Saturday where they attended the New Mexico State Fair. That night, they stayed in the Canyon Motel there. Sunday they enjoyed more of the air before returning to their home that night.

Clifford Hill Is On Field Exercise

Army PFC Clifford D. Hill, son of Mr. and Mrs. Roy Hill, Route 3, Hereford, Tex., recently participated with other personnel from the 4th Armored Division's 14th Signal Battalion in an 11-day field training exercise in Germany.

The exercise, a joint operation of the 14th and the British Army's 4th Signal Regiment, provided training in the latest methods of field communications.

A member of the battalion's Company A in Goppingen, Hill entered the Army in May 1959, completed basic training at Fort Leonard Wood, Mo., and arrived overseas last October.

The 20-year-old soldier attended Hereford High School.

William Caster In Amphibious Exercise

William R. Caster, seaman, USN, son of Mr. and Mrs. R. W. Caster of Hereford, is serving aboard the dock-landing ship USS Monticello at San Clemente Island, Cal.

Caster is taking part in a joint Navy-Marine Corps amphibious training exercise at San Clemente Island.

The operation, known as "Long haul", is designed to provide training in combat logistical support of forward bases and to test air support and air defense techniques.

The latest Marine surface-to-air missiles are being employed as well as helicopter landing teams from an aircraft carrier.

VISIT IN HEREFORD

Mr. and Mrs. W. J. Benson of Fort Worth visited his brother and sisters, the Henry Bensons and Haskell Bensons, Mrs. C. E. Sparks, Mrs. J. E. Andrews and D. O. Benson, all of Hereford, over the weekend.

ATTEND FAIR

Mr. and Mrs. O. H. Jones and family of Bovina visited Mr. and Mrs. A. G. Martin of Hereford Saturday. The group attended the Tri-State Fair and Ice Capades that afternoon in Amarillo.

VISIT IN HEREFORD

Mr. and Mrs. Gene Ham and Dioneicia of Denver City, Tex., visited their daughter, Mr. and Mrs. Ray Sefcik of Hereford, over the weekend. Also, visiting the Sefciks were her brother, Mr. and Mrs. Raymond Powell, Jan and Danny of Lubbock.

DINNER GUESTS

Mr. and Mrs. Leon McCutchen and family of Hereford ate dinner Sunday with Mr. and Mrs. Orval Galley of Dawn.

Jim Wiman

Wiman Explains Booster's Club

Features of the Whiteface Booster Club were explained by Jim Wiman of Hereford at the Hereford Kiwanis Club meeting Thursday in I. O. O. F. Hall.

"A coach and players need support, and that's what we try to give them," Wiman, president of the Booster Club, said. Wiman said anybody may join the club, and that the club will support baseball, track and basketball in addition to the football team.

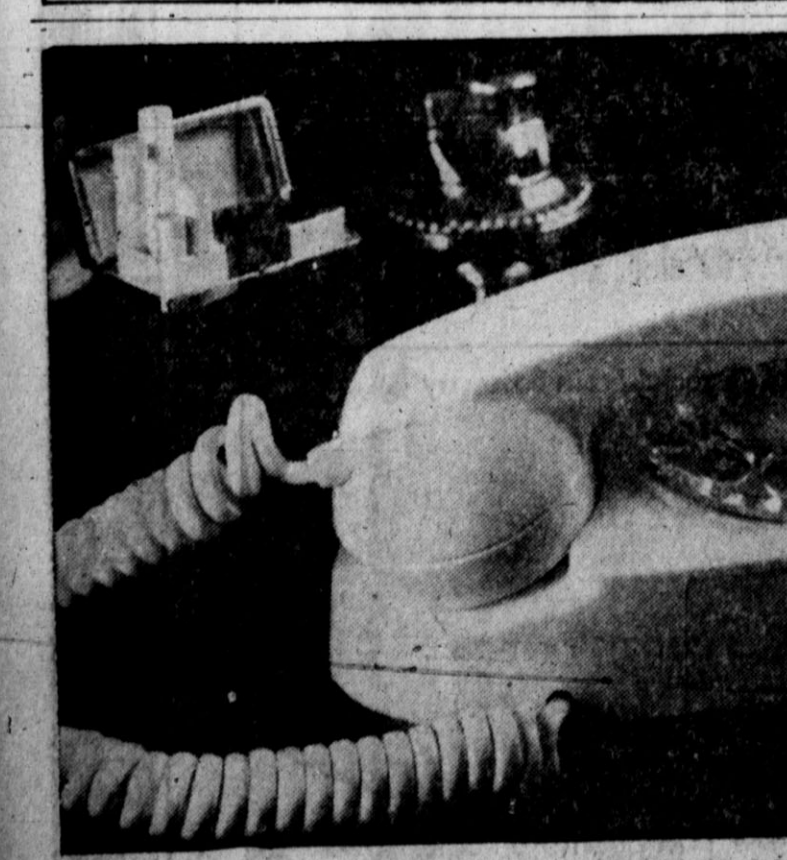

"So far, we have had the best of cooperation between school administration, coaches and people in town," Wiman explained. The boosters will continue to form a double line from the dressing room to the playing field before each game, he said.

He said that there are about 115 members in the club.

Guests at the Kiwanis meet were Lee Pennington of Fort Worth and L. B. Bartlett and Jim Bennett of Hereford.

Start The Day Right; Don't Skip Breakfast

By ARGEN DRAPER

Food preservation seems to still be going full blast in the county. There are a number of calls every day for recipes. "Preservation of Vegetables by Salt and Pickling" - B 131 is available at the office. Call for your copy. It has the recipe for cabbage kraut; also lettuce and turnip kraut. There are recipes for pickling most every vegetable.

If you are a "breakfast skipper," you are robbing yourself of potential alertness and efficiency during the late morning hours... and you are wrong if you think missing breakfast is a practical way to lose weight, according to extension food and nutrition specialists of Texas A&M College.

An adequate breakfast is one which supplies one-fourth to one-third of the day's total food requirements. It makes a good contribution of most of the essential food nutrients - such as vitamins and minerals. That eliminates the doughnut and coffee type breakfast which is high in calories, but low in food nutrients.

Basic foods considered essential are fruit or fruit juices, cereal or egg, and meat or both, bread and butter or margarine and milk.

An attractive table and friendly, relaxed atmosphere will spark appetites and start the day right... avoid a rush in the morning by getting the fruit or juice ready as far as possible at night when you finish in the kitchen. Get the coffee and beverage ready to go.

A centerpiece of fruit, flowers or a plant, and colorful mats and dishes will brighten breakfast time for all family members.

The jewelry you wear reflects a bit of your own taste and personality. Even inexpensive jewelry can add just the right accent to your costume, if it is carefully chosen.

Proper choice means that certain styles and textures are best for different occasions. And

when more than one piece of jewelry is worn, the pieces should be related in texture and type... but not necessarily "matched sets." Look for modern and conventionalized pieces rather than those that have a naturalistic design.

"Accessories Around The Clock," a colorful bulletin written by extension clothing specialists, gives suggestions for choosing jewelry for street, travel or business costumes, as well as for dress and party wear.

Get a copy now from your county home demonstration agent's office.

Every family's wash has some articles that have ground in soil that should be given a little extra cleaning before going into the washer, according to extension home management specialists of Texas A&M College.

Shirt collar bands and cuffs and necklines of blouses usually need special treatment. Often the front of aprons or parts of children's garments won't wash clean even with the best laundry methods in any machine unless pre-treated.

Here are some suggestions given by the specialists for pre-treating soiled fabrics before

VISIT DAUGHTER

laundry. Man-made fibers call for more gentle treatment. Use a sponge instead of a brush. Dip wet sponge in the dry powder or solution, as suggested above. Gently sponge soiled steaks before placing garment in the washer.

You Hear Strange Things About Catholics

Yes, you do hear some strange things about Catholics.

You hear it said that Catholics believe all non-Catholics are headed for hell... that they believe non-Catholic marriages are invalid.

Some think Catholics believe the Pope is God... that he can do no wrong... that they owe him civil allegiance and that he should have the political power to rule America.

It is said that Catholics want religious freedom only for themselves... that they oppose public schools and separation of Church and State as evils which should be destroyed.

The claim is made that Catholics pay the priest for forgiveness of their sins... that they must buy their departed relatives and friends out of Purgatory... that they adore statues... are forbidden to read the bible... use medals, candles and holy water as sure-fire protection against loss of a job, lightning or being hit by an automobile.

But what is worse, some say, Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil.

If all these things or any of them were true, it would be a pity. For at least one out of every four Americans is a Catholic and it would be a national tragedy if one-fourth of all Americans entertained such erroneous ideas.

If you have heard and believe any of these false claims, and want the truth, we will gladly send you a free pamphlet explaining the true teachings of the Catholic Church. This free literature will be sent with the compliments of the Knights of Columbus of this area.

Address Home Study Center - Box 5644, Amarillo, Tex.

Without obligation please send free pamphlet.

IMPERIAL OF 1961

THIS IS THE BEST CAR WE'VE EVER MADE. It runs more quietly and economically, rides more comfortably, steers and stops and handles more precisely. It offers a number of thoughtfully developed evolutions... to bring an already excellent and spacious automobile one step closer to perfection.

Every feature and component has won its right to exist through hundreds of tests and refinements. This careful evolution will go on. And its continuity of excellence adds value to every Imperial now on the road. See this great Imperial of the classic look. Drive it this week.

REP. WALTER ROGERS WRITES:

Article Excellent Example Of Journalistic Adeptness

To the People of the 18th District:

ROGERS PRAISED???
The Washington Post, a few days ago, carried headlines which read as follows: "DEATH OF BILL CREATING CANAL PARK LAID LARGELY TO TEXAS CONGRESSMAN." The story began as follows:

"When the token bill creating a park along the Chesapeake & Ohio Canal died last week for the second time in as many Congresses, it was largely the work of one man.

"He is Rep. Walter E. Rogers, a Democrat who represents the Texas Panhandle."

The entire story was an excellent sample of journalistic adeptness. It did not directly praise me for the great service which it had indicated I had rendered, but did it in a subtle indirect manner. This indirect approach was probably due to the fact that the Washington Post is not

notorious for praising Members of Congress who refuse to underwrite every possible expenditure for the District of Columbia and its environs. However, the reader, by reading between the lines, could tell that the Post was very grateful for the services of this Texas Congressman.

For instance, it pointed out that the Senate had passed a bill and that all of the leaders in the House were for it. "But Rogers twice prevented the bill from coming out of the Interior Committee and onto the House floor, where it almost certainly would have passed."

I submit that this must be recognized as praise, because it attributes to me power that many would desire (perhaps the Washington Post) but which no one actually possesses. Another splendid bit of finesse was exhibited in the paragraph which read as follows:

"Rogers was reminded the bill would not cost the Federal Government anything. All it did was allow the National Park Service to accept gifts of land and money for the park. (The original bill, calling for \$12 million worth of highways

and land purchases, was killed by the House)."

You see, the Post wanted the readers to know that Rogers was aware of practice that has been going on here for some time. This practice consists of asking for everything you hope to get. If that fails, then you are supposed to come back and attempt just a little bit in the nature of an authorization.

If this second attempt is successful, then you can come back to the next Congress or the next and say, "Mr. Congress, you authorized this project and placed your stamp of approval on it, so it is your moral responsibility to provide funds that should have been provided in the first place." The reference to the \$12 million (which, incidentally, would only be the beginning) was undoubtedly due to the desire of the Post to be fair, plus the fact that the Post would not want anyone to think that it did not know what was going on.

The Post was good enough to quote me as follows:

"Proximity to the Federal Treasury shouldn't be the basis for handing out appropriations."

It also pointed out the \$300,000 that was spent in the restoration of the Old Stone House in Georgetown against my vigorous opposition. Too bad I didn't have the power at that time that the Post credits me with now. The Post also was most generous in reporting on the incident I told them about when the 6 soldiers held off some Indians at the Battle of Buffalo Wallow in Hempill County for which each of the soldiers received the Congressional Medal of Honor. One of the soldiers was killed and had to be decorated posthumously.

The generosity of the Post came in the number of tribes held off. I told them that there were 4, but they graciously increased this to half a dozen which, of course, made the odds much greater against the 6 soldiers.

However, I am afraid the readers, did not get the indirect praise that was obviously intended by the article. One particular letter which I received from a Washington (and native, I suppose) referred to me in some rather uncomplimentary terms, indicating that I had not only in-

jured the country but that I was failing to realize that the Capital of the U. S. A. was Washington, not Austin. He didn't advise me how he had made this discovery.

For fear that others might mistake the article as one of condemnation rather than praise, I felt that I should arm myself with some statistics to support my contention that the District of Columbia and its environs were receiving preferred treatment in Federal expenditures.

Hence, I picked up the interesting information that public building construction underway during fiscal year 1960 in the District of Columbia and nearby areas (exclusive of municipal construction by the District of Columbia and military construction) involved a total estimated cost of \$189,682,900.

This included a Federal Office Building at a cost of \$14 million; a National Library of Medicine at a cost of \$7,300,000; a Museum of History and Technology at a cost of 36 million; a state Department Extension and Remodeling Program costing \$52,200,000; and the new headquarters of the Central Intelligence Agency costing \$54,500,000 - - - plus a number of lesser items.

Another item expected to be completed in 1962 is Dulles International Airport costing \$84 million.

You, of course understand the above figures do not represent all of the Federal money spent in the District of Columbia and the nearby areas by a long measure. For instance, there are several bridges across the Potomac under way at the present time that will involve substantial expenditures out of the Federal Treasury. There are many other items which could be included. Some time ago I asked a native Washingtonian why it was that so many people around here consistently condemned the Federal expenditures and Federal interference in local governments, yet never failed to run to the Federal Treasury for every conceivable kind of a project or program. His reply was, "I guess it's because it's so convenient."

HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

Linda Renfro was the drive less than weeks off, the advance committee of the Deaf County United Fund to work Monday. Leading the drive for ad-gifts are Carl McCaslin and John Douglas Pitman. For the Oct. 18 drive \$232.50 for operation local agencies during

HHS Head

Linda Renfro was hereford on May 18, 1943 head cheerleader of High. What she likes most being a cheerleader is the cheers at pep rallies, ball games, and eating wine after the games.

Her most embarrassing moments while cheerleading the time her skirt flew in a pep rally and she had to hide her face in a secret admirer's handkerchief.

She advises next year's cheerleaders to make sure to have lots of spare time for cheerleading practice and be ready to give up more than just time, but she says, "Don't be discouraged, it's a ball."

al campaign chairman also announced that Mrs. O. G. would spearhead the funds during the in-home canvass. Mrs. raper will coordinate the rural solicitation for admission into the following nine League baseball teams. H. S. is very cooperative and could not be any better. School Spirit is really good this year too. Keep it up, Everybody!

Linda Renfro now

On Mickey Stevens Likes Hereford High Happiness

Mickey Stevens, the superintendent's son, is a member of the junior class. He was born Nov. 16, 1944, in Houston, Tex. He says that being the school superintendent's son doesn't make him feel very self-conscious but just a little bit.

Some of Mickey's favorites are: food, shrimp and French fries; colors, maroon and white; subject, English and pastime sleeping and eating. His ambition is to graduate from high school and college.

"The kids in HHS are very friendly," states Mickey. "They all seem to be happy."

The only big difference in HHS and the last school Mickey attended is that the other was three times as large.

Exchange Student Okse Thinks Hereford 'Wonderful'

Reading For The Pre-College Student

The books mentioned below will most likely be encountered by a college student in his courses.

Some are difficult, but they can be understood if you read them just for yourself. An acquaintance with them now will make the books more meaningful later:

1. Saint Joan, by George Bernard Shaw.
2. Great Expectations, by Charles Dickens.
3. The Odyssey, by Homer.
4. Hamlet, by William Shakespeare.
5. Gulliver's Travels, by Jonathan Swift.
6. The Canterbury Tales, by Geoffrey Chaucer.

"I think Hereford is wonderful," says Erik Okseter, exchange student from Norway. While in Hereford Erik is staying with the Earl Plank family. Erik's father is a farmer in Elverum, Norway. His mother is a housewife.

Erik attended Elverum Kommunale Nøgre Almenskole, which has about 450 students. He took 15 subjects including three foreign languages and four years of math.

Erik was a member of the school council, similar to the high school council, and was secretary of one of the sports clubs.

It seems as though class room teachers in Norway face some of the same problems which confront teachers here. Erik stated that the students talked a lot during class, wrote notes, and there was "a lot of cheating."

"There is much more dating here than in Norway," says Erik. He said many of the students in Norway went steady. As a matter of fact, he left his steady girl in Norway. However, he said he gave her permission to go out with other boys while he is gone.

Skiing, swimming, and hiking are the major forms of recreation. People of all ages ski; sometimes to distances up to 40 miles.

Norwegians have 4 meals a day, but don't eat so much at each meal as Americans. Erik said they ate cheese and other dairy products often. He especially misses Norwegian goat cheese.

"Students go get cokes in Norway, but not so much as here," Erik says. "Only children drink cokes; older ones drink beer, whiskey and wine."

When asked what he thought about school, Erik decided, "It's just like home!"

"ALLAH SENIORS! ALLAH JUNIORS;" Sandra Frank, Carolyn Hammett, Nicky Rutishauer, and Joyce Ann Johnson. (White)

Hereford Native, Principal Stanford Recalls Education

Although most of you probably know Mr. Stanford, principal of H. H. S., you might like to become better acquainted with him.

Mr. Stanford was born and raised right here in Hereford. He received his high school diploma from Hereford High.

As a high school student, he enjoyed school as a whole, but he, like most normal students, had his gripes and dislikes.

While attending high school, Mr. Stanford's ambition was to become a farmer.

His high school schedule, he recalled, "was somewhat different than the present H. H. S. schedule."

"I was a member of the 'early bird' tumbling class, which had its sessions each morning from 6:30 until 7:30. After tumbling I had band rehearsal from 7:30 until 8:30, which was followed by my regular school classes until three in the afternoon.

"At three, football practice began and lasted until quitting time," Mr. Stanford concluded with a chuckle.

Along with football, he had many other activities such as president of the Hi-Y club, treasurer of the F. F. A., and singing in the "Glee Club," or mixed choir and in a boy's quartet.

He played the clarinet duet with Bill Smith during his four high school years, which he added with modesty, won first and second division ratings at contests at West Texas State.

"I remember ice-skating on Tierra Blanca Creek in the winter, back when Tierra Blanca was a real creek," he said.

He received his Bachelor degree from Texas A. & M., and

received his Master of Education degree from Texas Tech. He has also done advanced work at the University of Texas, West Texas State, and also Texas Tech.

"He began his teaching career as vocational agriculture teacher at Hereford High. After teaching at Hereford for seven years, he moved to Lufkin where he was Supervisor of Vocational Agricultural for one year.

Mr. Stanford then returned to Hereford to become Assistant Superintendent of Schools. He has served the past four years as Principal of Hereford High School.

"Hereford High has an excellent student body this year," he stated.

"This year's Whitefaces have as much determination and desire to play as any Hereford team in recent years. Any group that wants to win, and is willing to work hard through practice, can't help but have victories. This description," he added, "describes the Whitefaces."

In closing, the principal gave the following saying:

"Things easily gained, are easily lost, and those things obtained without effort, are not worth what they cost."

JUNIORS SET DINNER

Support the Juniors and make Jan Reese annual queen by coming to the Junior and Senior High Cafeteria Saturday, October 1. There, you will be served barbecued chicken, potato salad, rolls, drink and dessert. Come anytime from 5 to 8 p.m.

F. H. A. Notes

The F. H. A. chapters held its first meeting Wednesday, September 21. Patsy Loerwald and Cherry Holt, the presidents, introduced the officers of both chapters.

Informal initiation plans were made and will be held Monday, September 26, at 4:30 p.m. in the high school study hall. At this time the Stanton Junior High chapter will be initiated.

Money projects plans were discussed.

The following chapter parents were chosen:

Chapter I:

Mr. and Mrs. Earnest Langley, Mr. and Mrs. H. W. Ward, Mr. and Mrs. Roy Pruitt, Mr. and Mrs. Ed Loerwald, Mr. and Mrs. Jack Gilliland.

Royal Rose:

Mr. and Mrs. H. H. Miller, Mr. and Mrs. Roy Botkins, Mr. and Mrs. Stan Knox, Mr. and Mrs. Earl Holt, Mr. and Mrs. Ray Wilhelm.

Future Nurses Set Rummage Sale Date

At the meeting of the Future Nurses recently, discussion concerned their rummage sale, which will be held in the 100 block of Main Street on Oct. 1.

They also elected new officers, headed by Barbara Tiefel, who was named president. Other new officers are: Patsy Loerwald, vice president; Kathryn McClain, secretary; Lavonne Thompson, treasurer; Sandra Moore, historian; Judy Smith, reporter; and Janice McBroom, point keeper.

Also attending the meeting were Mrs. Earl Springer, chancellor of the group, and Mrs. Clarence Hicks, chairman of the medical auxiliary and co-worker with Mrs. Springer.

Ideal Boy

Kay Cole says her ideal boy for this week will be as follows: cutest, Jim Barnett; most fun, Curtis Crowell; hair, Gary Wilson; ears, Don Scott; feet, Carl Miller; nose, Dwayne Fryar; smile, Jackie McNeese; most athletic, Jimmy Collier; physique, Doug Bryan; person ality, Gary Tannahill; walk, Wakey Northcutt; most handsome, Charles Mims; eyes, Jimmy Collier; mouth, Joseph Heck; witty, Dick Feagin; talented, Glenn Nelson; voice, Ronnie Byers; best all-around, Andy Rule; best dressed, Ronnie Byers; and intellectual, Joe Hersley.

National Honor Society Has First Meeting Of Year

The National Honor Society held its first meeting on Thursday, Sept. 22. The president, Ronnie Botkin, called the meeting to order and secretary, Joy Wilman read the minutes. Mrs. Calvert read a list of the things the society is supposed to do during the coming year. The society is to keep a record of all graduating members and the college they attend.

New members were voted on and 14 juniors will be initiated at the Formal Initiation on Oct. 13. It was decided that the dues for new members will be \$3.00 and this includes the NHS pin. A program committee was appointed to plan programs for the year 1960-1961. Chairman is James Gentry and committee members are: Phyllis Ward, Lu Ann Higgins, and Edwin Thomas.

A decoration committee was appointed to decorate the stage for the initiation. Members are: Walteen Beavers, Glena Gandy, James Gentry, and Edwin Thomas.

The dues for the seniors were set at \$1.00 and are to be paid by Sept. 30. Senior members will take a test on Oct. 18 to determine the awarding of NHS scholarships. Members must have a grade average of 3.5 to have membership in the society.

Officers of the club are: Ronnie Botkin, president; Edwin Thomas, vice-president; Joy Wilman, secretary; Merry Kay Pruitt, parliamentarian; and Patsy Loerwald, historian.

Four of last year's members received scholarships. They are Gene Meacham, Ron Anderson, Rosa Strange, and Sue Minor.

Question Of The Week

Question: What is your opinion of the skirts that come above the knee?

Carl Miller — Wow!

Linda Reed — They are very cute on small girls but definitely not for girls our age.

Audri Miller — One thing is certain, they are not meant for people with knock knees.

Delores Price — They weren't meant to be worn by anyone but little kids.

Kay Allen — They are definitely not for fat people.

Nicky Bradford — They are cute if you don't have bony knees.

Nicky Nan Newton — Too short for comfort.

Judi Price — I'd like to burn them.

Phyllis Ward — They're awful.

EDITORIALS

Traffic Takes Our Brightest

Today the lives of the brightest and most active members of Texas are at stake. Last year 545 of the 2,453 persons killed on streets and highways were young Texans between the ages of 15 and 24, the high school and college age set. These young Texans represented 22 per cent of all the traffic victims, despite their energy and fast reactions.

Young Texans between 15 and 24 held about 18.3 per cent of all Texas driver's licenses last year, but they were involved in about 27 per cent of all the traffic accidents outside Texas cities.

As young Texans let's all strive to be good drivers as well as good citizens. Be interested in saving the lives of your friends, relatives, and fellow Americans. Do everything you can to make your school, your city, and your state safer.

Coming Events

Oct. 6 the "B" team will play Muleshoe.

Oct. 7 will see Roswell at Hereford, playing the varsity team.

Oct. 13 the Dimmitt "B" team will journey to Hereford to play against our "B" team.

Oct. 14 will be "stunt night" at Hereford High.

Tri-Hi In New

If you've noticed the noise at night on Main Street, it's the consequence of down Main upper class initiation.

The new group enjoyed the supper at Tomson's house, Susie Yarbro, ser, Sandra Frank, Carolyn Hammett, Nicky Rutishauer, and Joyce Ann Johnson. (White)

Miss Guess Who

Miss Guess Who is a sophomore; she has blond hair, blue eyes and is five feet, seven and one-half inches tall. Her hobbies are records and clothes. Her ambition is to get through school, and after graduation she wants to get married. All she did this summer was take it easy. "I was surprised," was her reply when she was chosen Miss Guess Who.

MR. BILL STANFORD, principal of Hereford High School, was born and raised in Hereford. He received his high school diploma at Hereford High also. (Brand Staff Photo)

BARBARA PULLIAM, daughter of Mr. and Mrs. Denzil Pulliam, has been working very hard all summer. Barbara has sold and delivered 105 pies at \$1 each for the F. H. A. Foreign Exchange Student Program. Barbara is a Junior at Hereford High and has been an active member of F. H. A. for the past two years. (Brand Staff Photo)

Let Us Hear From Everyone

Hi! We haven't been receiving any mail or comments on how you like the Whiteface this year. We have added some new articles and we are interested in the way you have received them.

We have placed a box in the library for the purpose of receiving letters from you. If you have letters you want printed about the school, teachers, rules, or kids, we would like to have them. One thing we ask you to remember when writing these letters is that our paper is for enjoyment not for sarcasm; it is for every one of the students, not to make fun of them.

We would also like to receive your letters to the editor through this method.

Remember this is everyone's paper so we would like to hear your opinions.

POET'S CORNER

Nocturne In A Deserted Brickyard

Stuff of the moon
Runs on the lapping sand
Out to the longest shadows
Under the curving willows,
And round the creep of the wave line.
Fluxions of yellow and dusk
on the waters
Make a wide dreaming pansy
of an old pond in the night.
("Nocturne In A Deserted Brickyard"—Carl Sandburg)

JUDY BRADLEY is working hard as historian of Area 1 in Future Homemakers of America. She must keep scrap book of all the activities of the Area. (Brand Staff Photo)

Whiteface Whims

(By Whiteface Staff) but he certainly wrestles with the truth harder than any other lawyer on the circuit.

A hypochondriac went from doctor to doctor. Each doctor said nothing was wrong with him. So he went and bought a tombstone and had this inscription put on it: "You wouldn't believe I was sick."

Football Personalities

(By Whiteface Staff)

Edwin Thomas, the son of Mr. and Mrs. Henry Thomas plays linebacker and right guard for the Hereford Varsity team. He is a senior, weighs 185 pounds, is five foot eleven inches tall.

His ambition is to win state in football and to go to West Point and become a golf-playing president.

His advice to underclassmen is to quit while you are still ahead.

His opinion of Hereford High is that it has good coaches. James Gentry, son of Mr. and Mrs. W. H. Gentry, is a center and defensive guard on the Whiteface football team. He is a senior, weighs 180 pounds, is 5'11".

His ambition is to win state. His plans after he finishes school is to go to college and become a millionaire.

His opinion of the football team is that it is the best in the state.

His advice to underclassmen is to have fun, if possible.

Have you read the classifieds?

DE Club Meets

(By Whiteface Staff)

The D. E. Club held a call meeting Monday night September 12, in the D. E. room. New members were given by-laws

Senior Class Personalities

(By Whiteface Staff)

Clint Conaway is one of the Senior personalities for this week. He was born in Denison, Texas. His favorite book is *The Virginian*. His other favorites are as follows: movie, *Elmer Gantry*; food, shrimp; song, *Theme From a Summer Place*. His hobby is having fun.

Clint's advice to lower classmen is "don't overwork in school." He plans to go to Southern Methodist University and become a lawyer.

Mary Lois Coker is another one of the talented senior girls from HHS this year. She is the daughter of Mr. and Mrs. Kenneth Coker.

She enjoys spending her time attending football and basketball games. She plans to go to college after graduation and then to become a secretary.

Some of her favorites are these: foods, nearly all sea foods and especially shrimp; motion picture, *Giant*. Her favorite book is *Katherine*. She has no particular hobby, but enjoys all sports.

She advises all underclassmen to finish high school and try to go to college.

Sandra Brumley is a Senior personality for this week. She was born Feb. 16, 1943, in Portales, N. M. Her hobby is dancing and cooking.

Sandra's favorite book is *Gone With the Wind*; other favorites are as follows: food, Italian; song, "Theme from Apartment"; movie, *Summer Place*; and color, violet.

Sandra's advice to underclassmen is to speak to everyone. Her opinion of Hereford High School is that it needs more excitement and school spirit. Her ambition is to go to Baylor University.

Ken Betzen was born October 1, 1942, in Wichita, Kansas. His hobby is reading; *Ben Hur* is his favorite book. He advises all underclassmen to work hard jobs because they're never as easy as you think. *Ben Hur* is his favorite movie. His favorite song is "Canadian Sunset." After he finishes Hereford High, he plans to go to college.

and rules of the club which they will follow during their membership of the club.

Toni Parker was chosen by members of the club to reign as D. E. Sweetheart for the year.

An ice-cream party was planned for September 26 at Mr. Kenneth Hart's house. This will be accompanied by an officer's campaign during the party.

Salmon fishing nets 60 million dollars annually to Alaska.

Eddie-Kit

(By Whiteface Staff)

1. When inviting a girl to go to the theater with you what would you do?

a. Accept by saying you think that you can make it?

b. Accept and thank for the invitation?

a. Accept and express your pleasure to go?

3. When you stop for a snack at a cafe what would you do?

a. Order what the boy orders?

c. Tell her you are going to

the movies and ask her if she'd care to come along?

2. When accepting an invitation to go out what would you do?

a. Accept by saying you think that you can make it?

b. Accept and thank for the invitation?

a. Accept and express your pleasure to go?

3. When you stop for a snack at a cafe what would you do?

a. Order what the boy orders?

b. Judge what you think he

can afford, and order accordingly?

c. Order the most expensive item you can possibly order.

4. When refusing an invitation to go out what would you do?

a. Refuse and then tell what you are going to do that makes it impossible for you to accept.

b. Refuse and apologize and suggest some other night that would be convenient for you?

c. Say that you are sorry but you are busy that evening which

makes it impossible for you to accept?

5. When thanking a girl at the end of the evening, what would you do?

a. Thank her and express the hope that she had a good time, too?

b. Thank her and say perhaps you will telephone her again sometime?

c. Thank her and mention some sport or entertainment that you and she could see in the near future?

ANSWERS: b, c, b, c.

ADRIAN NEWS

New Teachers Honored At P-TA Covered-Dish Supper

By MRS. R. L. PINNELL

The Adrian Parent Teacher Association honored all new teachers and patrons Monday evening with a covered dish supper in the Methodist Fellowship Hall. Invocation was by Bro. Ross Blassengame. The membership committee was very active during the evening to enroll every possible member to the organization. Yearbooks were presented to all members. The hospitality committee did excellent work and such committee members are Mesdames Carroll Gruhkey, Brub Beavers, M. H. Zaring, Johnnie Lewis and R.D. Sisk. Sixty persons gathered for the annual affair.

A Promotion - Day Party was held Saturday afternoon at the V. E. Lemke home. Mrs. Lemke teaches the Kindergarten class. The following attended: Cindy, Stacey and Jerry Fisher, Mike Briggs, Donna, John and Paul Harwood, Jan Cavin and Chris Burns.

Primaries attending were Robert and Charles Harwood, Jackie Fae Loveless, Jim Cavin, Aleesa Stroup and Johnnie Lewis and a visitor, Lee Banks of Amarillo. Their teacher, Mrs. N. L. Jacobson and the following mothers also attended the party: Mesdames John Lewis, Fred Harwood, Jim Cavin, Jack Fisher, Leland Burns and daughters, Vickie and Marsha.

Outdoor games were enjoyed and refreshments of cookies and punch were served.

Mrs. Frances Goodner of Harlow, Iowa visited her sister, Mr. and Mrs. V. E. Lemke, recently for a week. While here the party moved to the mountains of New Mexico and Red River for a sightseeing trip.

Mr. and Mrs. Bill Klein of Lubbock visited from Wednesday to Saturday of last week with his brother, Edd Klein.

Mrs. Lynn Worsham, Mrs. Jane Stroup and daughter, Ale-

sa accompanied the M. F. Loveless family to the Shrine Circus in Amarillo Friday night.

Mr. and Mrs. Jim Voyles visited Saturday in Amarillo with John Hallibarton who is critically ill in St. Anthony's Hospital.

Cathy Garrison visited this week end with Roxanne Brownlee in Adrian.

Mr. and Mrs. Bobby Banks and children, Lee and Evonne, of Amarillo visited from Wednesday night to Saturday night with Mrs. Banks' parents, the P. H. Gruhkeys.

A new high school English teacher has been hired to fill the unexpired term of Mrs. Gene Moore. She is Mrs. Charabelle Wyckoff of Los Angeles, Cal.

She taught there many years and retired from that school system. She holds a masters degree and comes with excellent qualifications. Mrs. Wyckoff is rooming and boarding with Mrs. Lillie Reynolds.

W. J. Moore of Ronesville, 89 year - old - grandfather of the Rev. Gene Moore and Mrs. Austin Moore of Pampa, his mother, spent Tuesday with the Moore family. While here "grandpa" made a basket from a maple tree in the back yard of the parsonage for granddaughter, Susan, and said: "bet 'tis the only basket of its kind" having been made from a Pan-handle tree.

Mr. and Mrs. Lowell Landrum and Crissy of Amarillo visited Sunday with her parents, the Bill Leslies.

Mrs. Jim Rhodes and daughter,

Lisa, of Lubbock visited her sister, Mrs. D. W. Morgan this week end. On Saturday, they visited in Dalhart.

Kris, Kirk and Kimberly Garrison returned home with their grandmother, Mrs. T. L. Garrison, for the week end in Channing. They are the children of Mr. and Mrs. Chock Garrison.

Edd Otomon, local depot agent for Rock Island Railroad underwent surgery Friday in St. Anthony's Hospital in Amarillo.

Terry Creitz, son of the Lorin Creitzes, spent the week end with home folks from Levelland Junior College.

Mrs. Billy Don Brown took her mother, Mrs. L. L. Biddle of Vega to Tulsa, Okla. to visit relatives this week end. The children remained with grandmother Floyd Brown.

Mrs. Ralph Perry returned home Monday after it was discovered her ailing mother, Mrs. J. P. McMinn, could not undergo surgery in Childress. She was taken to her home this week end and Mrs. Perry left on Monday to help in her mother while she

is recuperating.

Mr. and Mrs. T. N. Monk visited the DeWitt Parkers Sunday afternoon. They still reside at Melrose, N. M., but are helping out at the Chock Garrison farm during ensilage harvest.

Mr. and Mrs. Ernest Frank returned home Sunday afternoon from a visit with relatives at Woodward, Okla.

R. D. Sisk, Suzette and Robbie spent the week end in Stead and Clayton, N. M., where the wife and mother is helping care for her father, Bob Renfro. He is reported to be making slow progress, but is up part of the time after his heart attack.

Mrs. Horace Betts, Jolene and Mrs. Gene Hammitt and sons, Donnie and Mike, of Lockney visited in Wichita Falls with Mrs. Betts' parents, the C. E. Gills. They also helped their son Butch and family get straightened up after their recent move.

Mrs. Jeanette Vanderwork visited friends, the Albert Farriszes Saturday in Hereford.

Mr. and Mrs. E. S. Ames of Washugal, Wash. arrived Wednesday to visit their niece, Mr. and Mrs. M. H. Zaring Jr.

Bud Heaton left Friday morning for Fargo, Okla., where he plans to visit his sister, Mr. and Mrs. Frank Morehart.

Sunday guests of Mrs. Jeanette Vanderwork were her daughter, Mr. and Mrs. Arnold Faussauer and family of Amarillo.

Mrs. Nell Morgan joined her sister, Mrs. Jeff Gilbreath and Thornton Shirley on a visit last week up through Albuquerque, N. M. and south to Ft. Sumner, where they visited a third sister, Mrs. Sam Steel.

Mr. and Mrs. E. L. Pinnell and Mitchell, visited his sister, Mr. and Mrs. R. C. Chism at Kerriek and on to Kenton, Okla. to see his brother, Phillip Pinnell, last week end.

Mr. and Mrs. Woody Woodard of Amarillo were Sunday guests of his sister, Mr. and Mrs. D. P. Doherty.

Public announcement of the coming Baptist Revival is made. The revival services will be held from Sept. 23rd to October 2nd. Services will be at 6:30 a. m. and 8:00 p. m.

The Rev. J. E. Byers of Lewiston, Idaho will bring the messages and the Rev. J. R. Manning, local pastor will lead the singing.

The Rev. Byers is associational missionary of the Lewis Clark Baptist Association and has held pastorates at Dawn, Clarendon and Shamrock. He was at

Shamrock at the time the Rev. Manning was music and educational director there. Everyone is welcome and urged to attend, stated pastor Manning.

Mrs. Frankie Shaw visited from Wednesday to Saturday with a daughter, Mrs. Elmea Beasley and grandchildren, Mrs. Roy Elliott in Amarillo.

Mr. and Mrs. Vernon Wagner returned home with his parents, the Luther Wagners and Dannie from Queen City, Tex. last week. Vernon has just completed a special school in Jacksonville, Fla. with the Air Force and was given a 30 - day leave. They returned to Queen City Saturday morning.

Mrs. R. C. Chism was an overnight guest of her parents, the R. L. Pinnells Friday night from her Kerriek home.

Mr. and Mrs. P. H. Doherty took Mrs. Earl Croff to Hereford on Monday where she attended to business.

The Keith Kromers started moving into their new home in East Adrian on Saturday afternoon.

Mrs. Frankie Shaw plans on

Ideal Girl

(By Whiteface Staff)

Ronnie Byers says his ideal girl for this week will be as follows: cutest, Barbara Roundtree; hair, Linda Renfro; most fun, Barbara Roundtree; personality, Virginia Higgins; feet, Kay Cole; figure, Patsy Live- say; flirtiest, Diane Duvall; walk, Nicky Bradford; most beautiful, Zell Crump; mannerly, Patsy Fowler; neat, Sandra Moore; friendly, Toni Parker; hands, Ann Lance; laugh, Jan Reese; ears, Roxie Faughn; best all-around, Barbara Round-

tree. She will leave on Wednesday.

TO THE VOTERS SMITH COUNTY

During recent weeks, I have on several occasions if I please re-election to the office of a position which I now hold made following the death of the late Ralph Smith.

In order to clarify my position like to announce that I am not for the office. However, I would like to endorse the candidacy of Abie Crume, who is seeking a write-in candidate in the election.

Mrs. Crume has been an office personnel since March, actually been in charge of the office the past February when Mr. Smith was confined to the hospital. She is in all phases of the work and I believe that she merits your support in the coming election.

I would like also to express my appreciation for the many courtesies to me in behalf of my late husband during the time I have served in his place.

Lurline S.

THE GREAT NEW '61's ARE HERE!

The 1961 Ford Galaxie Club Victoria, a new model in the Ford line that will be introduced to the public on September 29, features crisp, new styling that has been honored by an international fashion authority in Rome for its "functional expression of classic beauty." The new Fords are nearly four inches shorter and two inches narrower for greater maneuverability, and introduce 30,000-mile lubrication. Other engineering features include self-adjusting brakes, double-wrapped aluminized muffler, longer-lasting bright trim and underbody parts, and a 4,000-mile oil change interval. A new optional 390-cubic-inch high performance engine also is available.

The 1961 Ford Falcon, most successful new car in history, features a new convex-shaped aluminum grille and new optional, 101-horsepower engine, but preserves the styling, maneuverability, interior roominess and 23.7-cubic-foot luggage capacity of the 1960 model. Shown above is the 1961 Falcon Fordor Sedan. Continuing its proven economy reputation, the 1961 Falcon will deliver up to 30 miles per gallon on regular grade fuel, goes 4,000 miles between oil changes, and introduces new and longer lasting bright trim and underbody parts, including a double-wrapped aluminized muffler.

THE 1961 FORDS and FALCONS ARE NOW BEING SHOWN IN the PANHANDLE'S LARGEST OPEN-AIR SHOWROOM

YOUR LIGHT SO SHINE BEFORE MEN

THE MAN who has no Faith in God, nor any human being is dead as a cinder... he has spiritual leukemia. *Faith is the root of all blessing.* Faith can light up your soul in the darkest night.

HOPE is our highest expectation of good. Surely, Hope maintains most mankind. Hope must be the tie that keeps the heart from breaking. *Hope is a carpet along the road man must walk to the Glory Land.*

LOVE, the greatest of the three. Love suffers long and is gentle; love never fails. *Surely love must be the crowning grace.* You will find these spiritual vitamins at your church... don't miss a service.

**You In The Church...
The Church In You**
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!

Visit Church Sunday and Take a Friend Along. This Is the Best Way To Prepare for Next Week.

Today marks our 60th year of service to the fine people of the Hereford area. Throughout the past 60 years, the officers and directors of First National have always been leaders in the growth of our fine city. We are proud of our progress and pause briefly today to extend our sincere thanks to those, our friends and customers, who have been so steadfast in their loyalty and support and who have contributed so greatly to First National's fine record.

Announcing the 1961 Ford... Beautifully proportioned to the **CLASSIC FORD LOOK**

The 1961 Ford Galaxie Club Victoria - beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. It cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

'61 FORD
Charlie Seeds Motor Co., Inc.
Hereford EM 4-2727

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and atomized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

ed a Steele family reunion in Plainsview over the weekend.
