Commencement, Awards For Seniors Friday

Sabotage Claimed In Power Failure

Interruption of service from two West Texas Rural Electric Cooperative sub-stations Saturday evening has been blamed on "sabotage".

which serves the drive - in theatre, radio station and Westway area, became inoperative about 7:15 p. m. Saturday.

Around Town

Although many of the children didn't think it would ever happen, school is about out. First they counted months, then weeks and days.

Co-op line foreman Bill Craig, who put both stations back into operation, said that locks on both gates had been opened. The lock on No. 1 had been broken while the other lock was open, but undamaged, Craig declared.

'WELL, YOU MADE IT — now it's four years of college,' sighs Sue Minor as she tries on her cap and gown before a mirror at her home east of Hereford. The daughter of Mr. and Mrs. Bud Minor, Sue will be one of more than 110 Hereford High seniors who will graduate at commencement exercises Friday night.

More than 110 Hereford High School seniors are scheduled to receive diplomas during graduation exercises in the high school auditorium Friday night. The program will begin at 8 p.m.

Parents Plan All-Night Party For Graduates

An all-night party for Hereford High School seniors will be held in Hereford Community Center immediately after graduation exercises Friday night.

Honor students Gene Meacham, valedictorian, and Ronald Anderson, salutatorian, will address the 1960 class.

LuAnne Higgins Wins Program, California Trip

LuAnne Higgins, 16, of Hereford was named as a district winner of the 4-H Cooperative Result Demonstration Program held at Texas A & M this week.

Assault Charge Filed On Youth

A 17-year-old Latin-American youth of Hereford Monday morning was charged with assault with intent to rape, a felony, and indecent exposure after reportedly making advances toward a white woman in Hereford Saturday afternoon.

Awards which will be presented by various organizations or school administrators include: \$150 scholarship, sponsored by Hereford Lions Club; \$150 scholarship, sponsored by Hereford Business and Professional Women's Club; \$125 scholarship to Future Teachers of America member, sponsored by Deaf Smith County P-TA Council.

The district contest, based on submitted record books on 4-H work, was held for individual judging.

New Jail Completion Seen Within Next Two Weeks

Imminent completion of the new county jail occupied members of the Commissioners Court during most of their regular session Monday.

each contributing its pro rata share.

Deaf Smith County's share goes from \$112 to \$144 per month. On the new census figures, this county's share went from 25 to 32 per cent.

One of the first summer activities will be a box supper on Saturday, May 28, at 7:30 p.m. sponsored by the Carnation Theta Rho Girls.

Two Injured In Car-Truck Crash

Condition of two area residents injured in an automobile-truck accident north of Hereford Monday afternoon was reported as "generally good" at Deaf Smith County Hospital Tuesday afternoon.

Memorial Links Tournery Opens Here Saturday

The three-day John Pitman Memorial Golf Tournament will start Saturday at the municipal links in Hereford, it has been announced by local professional Bud Posey.

Farmer Tests 12 Wheat Varieties

By H. A. TUCK BRAND NEWS EDITOR Get 12 Deaf Smith County farmers together and they'll have a dozen different ideas about which variety of wheat is best - suited for this area.

Bogey Costs Bud Posey Chance In US Open Tests

A bogey on No. 16 cost Bud Posey, professional golfer at the John Pitman Municipal Course in Hereford, a possible chance at the U. S. Open Golf Tournament.

Assault Charge Filed On Youth

The youth was charged with attempting assault with intent to rape a 50-year-old Hereford woman.

The Danforth Foundation, with headquarters in St. Louis, will present books, I Dare you, to a boy and girl in the class.

The daughter of Mr. and Mrs. A. B. Higgins, she submitted her record book on May 1. Miss Higgins and her sister, Janise, will be entered as a team in the 4-H Cooperative Methods Demonstration division, Texas 4-H Roundup contests, at Texas A & M June 7-9.

AN INDIANA WHEAT, the Knox variety, is just one of 12 different types being tested when compared with another variety in the background. Roy Russell of Hereford takes a close look at the "do-it-yourself" test plot.

Playing at Odessa Country Club on Monday, Posey ended up in a tie with three other players for the fourth and fifth spots which will move into sectional qualifying rounds next week. He lost out on the first extra hole, then lost a coin toss to become second alternate.

Edelman has planted 12 different varieties of wheat on an experimental basis. "All I know so far is that I've had 12 different shades of green since the wheat began to come up," Edelman said.

to see if his yield would improve. He started gathering samples of three or four of the better prospects and ended up with 12 different types. He planted 25 acres to the test varieties. They include Comanche, Knox, Tascosa, Kiowa, Westar, Wichita, Bison, Astec, Triumph, Crockett, Concho and Cheyenne.

The public is invited to visit the test site, where each variety of wheat is labeled. The Edelman farm is located four miles south of the Tri-County Gln, which is between Black and Summerfield. The wheat is located one-half mile west and then south to the house.

Meanwhile, a lot of the local farmers are going to be betting on their favorite varieties... and some of them are going to be surprised with the results.

NINETY-SIX youngsters from Hereford and the surrounding area were examined at the fifth annual free diagnostic clinic sponsored by Oasis Shrine Club here Saturday. Helping to register children, from left, were Al Whitaker of Amarillo, a Khiva Temple member; Mrs. Harold Loerwald and Mrs. Mary Ismael, receptionist at Hereford Medical Clinic; and Dub Reeves of Hereford, member of Oasis Shrine Club. This is a final notice that all candidates who are in the second primary, June 4, must file a record of their campaign expenses with the County Clerk's office not later than 5 p. m. Friday, May 27.

If you are planning to go out of town right after school dismisses, don't forget that absentee voting on the second Democratic primary closes at 5 p. m. Wednesday, June 1. You can vote absentee in the County Clerk's office.

And for those of us who tend to put things off until the last minute, May 31 is the final day to declare a homestead exemption in Texas. That little chore can be handled in the County Tax office.

Whew, there are a lot of things to do in the next few days. Request to transfer a student from one school district to another for the 1960-61 academic year must be made before June 1 through the office of the County Superintendent, who is County Judge Homer Henslee.

Many of those who observed history being made in this area will be on hand next Tuesday, May 31, when the annual Mid-Plains Pioneer Day is held in Hereford. President Goose Ramsey of Dimmitt will call the meeting to order at 9 a. m. in the Hereford Community Center. Highlight of the meeting is scheduled to be the dedication of the La Plata monument marker in the afternoon, a marker at the site of the county's first town.

Hereford Art Guild will sponsor an exhibit of portraits and photographs at the Community Center Sunday, May 29, from 2 - 6 p. m. The public is invited to attend.

by such golfers as Russell Carver, John Ethridge, Joe Kerr, Frank Cogdell, Joe Butler and Glen Rander.

Golfers planning to enter the tourney must submit their names at the Pro Shop by 6 p. m. Friday, Posey said. Merchandise prizes will be awarded in the first four places of each flight. Eighteen holes of medal play will be held each day.

"We urge that all golfers in the area enter, regardless of their scores," Posey said. "Golfers will be placed in flights with others who have comparable scores."

ford woman behind a residence on Ave. H Saturday afternoon. Arrest was made by Hereford Police patrolman Clyde Roper at 3:40 p. m. Saturday on Ave. I. Police reported that the youth followed the woman into a small building behind her home and advanced toward her. The woman darted past the youth, left the building through a door and called for her husband, police said. The investigating officer reported the youth then fled down an alley. Arizona was arrested a short time later at the home of a relative, according to Hereford Police Capt. L. B. Bartlett.

The case will be put before 69th District Grand Jury during its next session here.

Beauty At Home

By LYNN CARTER

Q. What do you have to say about the makeup of girls who wear glasses?

A. You must "bring out," enhance those eyes! Your brows should rise above the frames of your glasses, arched and winging upward and outward to lift the contour of your face. Eye shadow should be applied subtly, starting at the inner corner and blended outward and upward, almost meeting the brow. Eye liner should be applied lightly at the very edge of the upper and lower lids. Mascara, the last step of the process, can match the shadow, the liner and, of course, harmonize with your own coloring.

Q. My hair is quite oily and I am troubled with dandruff scales on my scalp. Can you suggest something to help these conditions?

A. Witch hazel is good for absorbing the dandruff, and it is drying, too. Apply it to the scalp, then follow with a good scalp massage, and finally a thorough shampoo.

Q. Please suggest a good, beneficial "homemade" facial beauty mask.

A. One of the best consists simply of the white of egg, painted over face and throat, allowed to remain on about 10 minutes, then removed with warm water.

Q. I find myself becoming

Space Saver

Crinolines and bouffant petticoats are lovely - but they do take up so much room in a closet! Try this idea as a space-saver: Roll each of these articles lengthwise and insert it into an old, discarded nylon stocking. They can then be laid in a drawer, or pinned to coat hangers.

Cleaning Houseplants

To clean houseplants, such as rubber plants, avocado, etc., dip a sponge into milk and wipe the leaves with it. This will

clean the plant and leave a nice gloss on the leaves. It also makes the plants much richer in color.

Steam It!

The circle which is often left when grease has been removed from material with a dry cleaning fluid will disappear if the cloth is held over the spout of a steaming teakettle.

Salad Beauty

A pretty addition to a salad bowl is the easily prepared "red-edged lettuce." Shake paprika on a plate and lightly dip the moist edges of lettuce leaves in the powder. The frilly red ruffles will also add a much admired touch to the buffet platters of meat.

Hardened Paintbrushes

Shame on the painter who has

allowed some of his brushes to dry hard and paint-encrusted! He can remedy this situation, however, by soaking the neglected brushes in some hot vinegar.

Photographs

When cleaning soiled photographs sponge very lightly with a small piece of cotton dipped in alcohol, and let dry by evaporation.

Fish Lure

Here's a popular bill-fare that should make you a successful fisherman: Mix oil of rhodium, tincture of musk, and oil of cumin together. Place a drop or two on the bait, and then start counting your fish!

Mending Mirror

A mirror that has a scratch on its back can be mended by smoothing a piece of aluminum

foil over the back of the mirror, the size of the scratch.

Coat well with plain shellac, and allow to dry.

Apples

Rub a little glycerin over apples, and they will keep longer. The glycerin can be washed off when you are ready to use the apples.

Felt Hats

One of the best methods for cleaning light felt hats is to rub the soiled spots, or the entire hat, with a cube of French chalk, which may be purchased at any drug store. Allow this to remain on the hat for a few hours, or over night, and then brush off with a soft brush.

Dishcloths

Gay looking dishcloths can be made from the knitted bags in

which fruit is sold. Wash and boil the bags in water to which has been added washing soda and soapflakes.

Cleaning the Mop

The mop is such an unpleasant thing to wash that most people rather dread the job. Try boiling it in an old pail half-full of water, to which one tablespoon of lye has been dissolved. Rinse thoroughly, and the mop will be like new.

Paraffin

Keep the paraffin in a lipped

utensil, or cheap tin teapot, for quick melting and convenient pouring.

WYOMING LEMON GROWER

CASPER, Wyo. (AP) - Tarle G. Bennett has harvested his annual crop - lemons. This year's yield was about 30 lemons "grapefruit size." The secret of Bennett's success: A greenhouse.

Beauty At Home

Q. What is a makeup technique that will help to make a girl's legs appear slimmer than they really are?

A. During the barelegged summer days, try shadowing the legs lightly with some dark foundation cream - and during the winter, wear the darker shades of hosiery.

Q. Please give me some tips on the plucking of the eyebrows.

A. Your task will be much easier if you hold a hot, moist towel on the brows for a minute or two before beginning your tweezing. Then hold the skin taut while plucking the

hairs in the direction of their growth. If your eyes are too close together, enough hairs should be removed from the inner corners to create at least a one-inch space between the brows. If your nose is upturned or too short, the inner corners should be tweezed to point downward. If your nose is too long, the hairs should be tweezed to form a line at a decided angle to the line of the nose.

Q. How should I go about giving myself a peroxide rinse?

A. This, of course, is used for a highlighting or brightening effect. Use a 17-volume peroxide, from half an ounce to a full ounce in a quart of water. Pour over the head, and allow to remain for 10 to 15 minutes, according to the degree of lightening desired. Then rinse off with clear, tepid water.

Bring Outdoors To Your Table

By DORITHY ROE
 YOU CAN BRING springtime indoors even before the season of outdoor dining begins. Now is a good time to brighten up table settings, to be in tune with the new season. It's easy to do on your sewing machine, with the aid of some pretty fabric and a dash of imagination.

Leaf place mats will dress your table up for spring. Local sewing center experts suggest leaf-shaped mats of green linen or any crisp fabric such as Indianhead cotton, with stems curled over to form built-in napkin rings. Back the fabric with green lawn or organdy. To assure uniform size and shape for the mats, draw a pattern on brown wrapping paper or even newspaper, allowing a half-inch for seams and sufficient stem length to make the napkin rings.

Stitch around outer edges of the leaf, using a pyramid stitch on your automatic sewing machine or on your zigzag attachment. Set the machine

REP. WALTER ROGERS WRITES:

More About The U-2

To the people of the 18th District:

The story of the flight of the U-2 plane over Russia and the resulting repercussions will be told for many years to come. It brought many things into glaring focus and brought out the truth about the international picture, untarnished by diplomatic maneuverings and fence-straddling.

It is a well-known and documented fact that Russia has engaged in the most extensive espionage activities in this country for many years and that these activities have been measurably stepped up in the last several years. In fact, the Russians have been caught many times and a number of those active in this practice are now in the penitentiaries of this country.

Since May 1, 1946, the history of the United States reflects documentation of 65 Russian spy cases in this country. Among these, of course, are the cases involving the theft of atom bomb secrets from this country. Each and every case documented, in my opinion, involves facts and figures a great deal more serious in every respect than any information or figures that could have been gathered by a weather plane 15 miles above the earth.

A number of the cases involve the use of diplomatic immunity to further espionage activities. Yet it would seem from the cries of Mr. Khrushchev that only Russia is entitled to gather in-

formation about other countries. Many people have felt for some time that Khrushchev was much more interested in talking about a Summit meeting than in actually engaging in one. They also felt that if the Summit meeting came about, the sole purpose of Khrushchev in participating in it would be to use the meeting as a stage from which to pour forth propaganda or to embarrass the other participating countries, rather than to devote all effort toward a peaceful solution of the many trying world problems.

They also felt that when the meeting ceased to serve those purposes for Russia, it would be scuttled. These were some of the many reasons why former Secretary of State John Foster Dulles had opposed meetings that could be used as outlined.

The activities of Mr. Khrushchev in recent days have confirmed the fears and feelings of those who felt as expressed in the above paragraph. He grabbed on to the U-2 incident to serve all of his purposes. He used it for propaganda as to the great ability of the Soviet Union to know what is going on in and over their own land. He used it as a means to threaten other nations. He used it as a means to try to embarrass the President of the United States. But he quickly found that he had more than met his match. He used it to scuttle the Summit meeting which he did not want to attend in the first place,

and thereby avoided the necessity of immediately facing a number of issues which would have proved most embarrassing to him. He thought that the U-2 incident was probably the finest thing that had ever happened in his career to bolster and support him.

BUT, he may soon find out that it will be the worst possible thing that could have happened to him. He may find it most difficult to explain to many countries, and most especially of all, to his own people, that all of his bragadocio and big talk about Russia's invincibility and invulnerability has turned out to be a lot of hot air. He may find out that the Russian people will begin to wonder just how much truth there is in all of his big talk, now that they discover that these flights have been going on over Russia for some four years. Perhaps he thinks that he can keep this truth from the Russian people, but he cannot keep it from the top echelon of the party faithful in the Kremlin, a group that has the reputation of not permitting extended explanations. He has failed miserably in the greatest opportunity he will ever have to place the USSR in a favorable position insofar as the quest for peace is concerned; a failure from which he will not recover, and one which serves to confirm the suspicions of all free countries as to the lack of sincerity of the USSR concerning their talk of desires for peace.

BICYCLE TOURIST . . . A wonderful way to see the country.

See The World On Your Bicycle

By VIVIAN BROWN

An easy, inexpensive way to see the world is on your trusty two-wheeler.

Day trips, week end trips, vacation trips or an entire summer in Europe may be taken on a bicycle, says Linda Draves, of New Hyde Park, N. Y., who has been doing just that since she was 14.

"You can travel 30 or more miles a day on a bicycle, stopping at museums or sight seeing spots for more fun and recreation than you can imagine", she explains.

The Queens College junior, now 20, likes to take the train to a starting point and proceed. She checks her bike through on the train, starts off on a 250-mile or so week's trip, returns to the starting point, and home on the train. Says she:

"If you take a scenic route, you don't want to waste time getting to it. All your energy should be saved for the best part of the trip."

Linda usually travels with a group, as she is a hosteler, staying in youth shelters where beds cost 15 cents a night. But you could make up your own group, she points out, and stay wherever you wish. She says:

"I've always wanted to take a trip with just one other girl, but I haven't got around to it. The group of 10 or so that tra-

vel together on planned trips makes it more fun. We bring our own food and cook it in the hostel shelters — converted barns, farm houses, churches and schools. We usually buy the food in the town where we plan to spend the night. Two members of the group do the shopping."

"The most memorable eating experience Linda ever had on a bicycle tour was during a week end trip to Nantucket. She recalls:

"We had a clam bake of lobster, codfish, corn — on — the — cob, chicken, clams, baked potatoes, potato chips and soda pop. We dug a big hole in the sand, made a fire in it, lowered into it a brand new garbage can containing alternate layers of seaweed and the food. We were so hungry, however, that we decided to fry the codfish and bake the potatoes before the bake was ready."

Linda carries as many clothes for a week end as for a vacation — about 20 pounds. She takes shorts, sneakers, bathing suit, warm slacks, sweater and a sheet sleeping sack. (The sack is required in youth hostels.) She takes along a mess kit containing pans, cup, knife, fork, spoon. A waterproof poncho is necessary to wear in inclement weather.

The leader of the group usually acts as chaperone. Linda has been on trips to the music festival at Lenox, Mass., and to the Laurentian Mountains in Canada. Says she: "It's good for young people

start at 8:30 a. m. and commencement exercises at 10:30 a. m. Both will be in the TWU Main auditorium.

NEW ROTARY SWEETHEART, at right, is Mary Lois Coker. She was introduced to Hereford Rotary Club Monday noon by Shelia Williams, left, who was Rotary Sweetheart during the past year. The meeting was held in the ballroom of the Jim Hill Hotel. (Staff Photo)

How Can I?

By Anne Ashley

By ANNE ASHLEY

Q. How can I straighten out some warped phonograph records?

A. One way to do this is to immerse your records in hot water (about 150 degrees) in a shallow flat - bottom pan. Then invert a dinner plate over the record, a plate whose diameter permits its edge to contact only the outer edge of the record. Place a one - pound weight on the plate and leave the record under pressure until the water has cooled to room temperature.

Q. How can I keep leather chairs and other leather articles clean and shiny looking?

A. By making a practice of rubbing them frequently with egg whites which have been beaten to a stiff consistency.

Q. How can I remove the marks left on the skin after some adhesive tape has been pulled off?

A. Fingernail polish remover is excellent for this purpose.

Q. How can I insure perfect, straight seams in my home sewing?

A. Try placing a one - inch piece of cellophane tape on the needle plate of your sewing machine, 5/8 - inch from the needle point. Then you can run your material along the edge of this tape. Almost all patterns call for 5/8 - inch seams.

Q. How can I repair some small holes in linoleum?

A. By carefully filling these holes with a mixture of finely chopped cork and liquid glue, which is allowed to dry thoroughly and then given a coat of clear varnish.

Q. How can I remove tea stains from chinaware?

A. Salt and vinegar usually does a fine job of this.

to get away from everything, and see different parts of the world. The Canadian trip was completely different. We would buy warm fresh bread, wonderful Canadian cheese and milk, and munch and drink along the road. That's really living."

Linda hopes to do a bicycle tour West, or a 10 - week European tour sometime in the future.

Q. What is a good way to prevent moths in stored clothing or furniture?

A. Bend an ordinary straight pin to form a hook, heat the pinhead, and insert it into a moth ball. When cool, it will be cemented into place. Then hook the moth ball into the clothing or attach it to the furniture to be stored.

Q. How can I give myself a quick facial beauty treatment?

A. Beat the white of an egg until it's stiff. Rub this on the face and throat; leave it there until it dries. Then remove with warm water, and you'll be pleased with the results.

Q. How can I clean some pans that have been scorched by food

adhering to them?

A. Sprinkle some baking soda into the pans, allow to stand for awhile, then scour them clean.

Q. How can I make brown sugar syrup?

A. To make brown sugar syrup, use 1 cup of brown sugar to 1 1/3 - cup water, and let it come to the boiling point.

Q. How can I stiffen the bristles of a hairbrush after washing it?

A. Dip the bristles into milk and water, using equal parts, then dry, preferably before a fire. Dipping the bristles into a strong solution of alum water is also effective.

AUSTIN HIGHLIGHTS

Next Year's Battles May Be On Familiar Terrain

By VERN SANFORD
AUSTIN — Gov. Price Daniel's money raising proposals indicate that many of next year's tax battles will be fought on familiar terrain.

Basic program submitted by the governor to the State Finance Advisory Commission is the same as the one he submitted in 1959. Even the total goal is nearly the same.

In 1959 the Legislature passed a bill aimed at raising \$185,000,000 in new money. Governor Daniel estimates 1961 new money needs at \$193,000,000. This is to cover an expected deficit of about \$68,800,000 and increased annual spending of about \$62,527,000.

To raise this money, the governor suggests revising the corporation franchise tax formula and increasing the liquor tax, gross receipts tax on utilities and the auto sales tax. He suggests passing the abandoned property act (allowing the state to take over unclaimed bank accounts, property, etc.) and putting a tax

on beer and cigarettes sold on military bases.

Governor Daniel also told the Commission of four other tax ideas which he said had been suggested by others.

These include:

1. A 10 per cent increase on all items in the Omnibus Tax Bill except cigarettes, tobacco and franchises.
2. A 1-cent-a-gallon increase in the gasoline tax.
3. A tax of 1 cent per thousand cubic feet on the processing of natural gas.
4. A 3 per cent tax on gross receipts of gas pipeline companies.

Governor Daniel said he knew his proposal would be criticized as "riding the same old horse." But he said the affected tax sources would not be taxed any heavier than those in neighboring and competing states.

Finance Commission is to begin committee work this month and hold another joint session of its 34 members — all leaders in their fields — in June.

Texas apparently is losing

some tax revenue through sale of tax-exempt cigarettes on military posts, reports State Comptroller Robert S. Calvert.

Calvert told the State Finance Commission that since the state tax increased to eight cents a pack last year, cigarette sales at federal installations have jumped almost a million packs a month.

He said sale of tax-exempt cigarettes in March, 1960, was up by 1,500,000 packs over what it was in March, 1959. Military officials denied that non-taxed cigarette-selling privileges had been abused.

Austin hotel and motel facilities will be stretched beyond capacity when an estimated 5,000 come here June 14 for the State Democratic Convention.

It's more people than Austin can accommodate. To ease the problem a little, the State Democratic Executive Committee has ruled that no room reservations will be made for persons living within 75 miles of the Capitol City.

Also in preparation for the big day, SDEC has named a credentials committee whose job will be to decide which delegates shall be admitted.

Four counties had "rump" conventions and will send two rival delegations to Austin. Governor Daniel, pooh-poohing the "rump" groups, said they were all too small to be a threat to the official delegations.

"There is more harmony in the Texas Democratic Party now than ever before," said the governor.

Texas' new 1960 official highway map, illustrated with 11 dramatic full-color pictures, now is available for the asking.

It's not only handsome, but informative. It shows the 1,933 miles of multi-lane divided highways not completed. Also, 26,378 miles of state and U. S. highways and 20,000 miles of farm-to-market roads.

Lakes, state parks and roadside parks are indicated. Texas' history, geography, and present opportunities are summarized.

In line with the state's tourist-seeking policy, it is headed, "All of Texas Welcomes You."

To get the map, write the Texas Highway Department, Austin 14, or drop by a highway district office and travel bureau. County tax offices have cards on hand to request maps.

Texas Railroad Commission retained the eight-day producing pattern for the Texas oil industry for June, but because June has one day less than May, daily permissible production will be slightly higher.

Statewide allowable for June will be 2,643,516 barrels a day, a 47,108 barrel a day increase from May.

Several major oil companies asked the Commission to set nine producing days in June, indicating they expected an increase in demand for Texas crude within the next month.

Don't Slap Your Child Too Often

By Dorothy V. Whipple, M.D.
CHILDREN love a commotion. Usually when you slap a child you are annoyed — or maybe even angry — and you not only slap but scold and make a fuss. Of course, the child doesn't like the pain of the slap; he may even cry.

Nevertheless he loves the commotion. He loves being the center of the stage and having so much fuss made just about him. Next time things are a bit dull he is likely to repeat the forbidden behavior in order to have a lot of attention paid him.

Mary was toddling around the living room looking for something to do. Mother and Dad were talking to each other and paying no attention to the little girl. She felt left out. She began playing with the cigarettes on the coffee table and keeping an eye on her parents, expecting that this behavior would arouse their attention.

Nothing happened. Mary dropped the cigarettes — they really were not much fun. Presently mother stopped talking and looked toward the child. Mary immediately reached for the forbidden cigarettes, keeping one eye on her mother to make sure she was looking. She was. Immediately things began to happen.

"Mary, haven't I told you not to touch those cigarettes?" And mother dashed across the room to the child.

"You're a bad girl!" And dad's voice was big.

Mary had achieved what she wanted.

Both her parents were paying lots of attention to her. She got a little spank, but it didn't hurt much.

Mary had learned that she could always make life more interesting by doing the things that brought spanks. She loved being scolded and made much of and she knew how to make the adults dance to her bidding.

Spanks given in anger and with fuss seldom teach what we want to teach. Very often it's quite the opposite thing the child learns.

Usually you can find better means than spanking for teaching a child the "do's" and "don't's".

There are times, however, when you have to teach a little child that he cannot do something. Some things are dangerous, such as turning on the gas stove; and he simply must not do it. For a few things spankings or slaps are necessary.

But when you must use physical punishment, think about it this way. Suppose Johnny puts his hand on a hot stove. He gets burned; it hurts, and it hurts quite badly, but the stove doesn't care — the stove just stands there and hurts when you touch it. It didn't scold, it didn't fuss, it didn't say anything, it just hurt. Chances are pretty good Johnny will not touch that stove

Spring State Hospital, Abilene State School and Mexia State School.

Board also heard a report that a state job classification study, detailing requirements for 1,225 different jobs, is nearing completion.

A new money request awaiting the Legislature next year will be that of the University of Texas for \$100,000 for the planning of a new medical branch in San Antonio.

UT Regents said the money would be used to get specialists in medical center planning to estimate what would be required. With this information the board could draw up plans and a request for funds for the center itself from a later Legislature.

again — once was enough. If you must use physical punishment, remember the hot stove. Don't scold, don't talk, don't make a fuss and above all be absolutely consistent. Every single time the child does the forbidden thing, administer the punishment. You won't have to do it many times.

If you must spank, make your point; but try to find other methods for most lessons. Reserve the spankings for those few things that are truly dangerous.

SCENES TYPICAL to the one above will be seen Saturday, May 28, when the American Legion Auxiliary, unit 192 of Hereford, sponsors the annual Poppy Drive. Poppys will be sold on the streets of Hereford all day for benefit of hospitalized veterans. Joette Hanna, left, and Cynthia Hanna, junior members of the Auxiliary, sell their grandfather, Troy Stambaugh, with a poppy in observance of the occasion. The girls are daughters of Mr. and Mrs. Grant Hanna of Hereford. (Staff Photo)

Poppy Day Set For Saturday

Saturday, May 28, is American Legion Auxiliary Poppy Day. This is the day that members of the American Legion Auxiliary unit 192 of Hereford will be on the streets offering the Memorial Poppy to the public.

Every year since the Auxiliary was organized in Hereford, 1929, the poppy has been sold on

the Saturday preceding Memorial Day.

Purpose of the poppy is to benefit hospitalized veterans. Veterans have been working in hospitals throughout the country with the center of activity in Texas in the VA Hospital in Kerrville.

The work, considered valuable as occupational therapy, provides the experience of earning money again for the disabled veteran. The supplies are purchased by the American Legion Auxiliary and each patient who

participates in the work is paid by the Auxiliary.

The only way poppies are sold is by volunteer workers.

Mrs. Ira Ott, department hospital representative, stated that there is no set price for the Memorial poppy.

Two-thirds of the money received from the sale is kept in the local unit treasury for the child welfare work and rehabilitation of the veteran. Members of units make a regularly scheduled trip to the VA hospital in Amarillo each fourth Monday night to participate in a recreation party.

Those wishing to participate in the selling of poppies Saturday are asked to contact Mrs. Hazel Sparks, unit president, Mrs. Leonard Davis, poppy chairman, or Mrs. Ira Ott, department hospital representative.

Mrs. Wilda Slagle Pennington Dies

Mrs. Wilda Slagle Pennington of Borger, a relative of several Hereford residents, died Sunday, May 22, in her Borger home. She had been ill 18 years.

She was the daughter of a former resident, H. B. Slagle, a sister of Mrs. Connie Johnson and the late Sylvester Slagle, aunt of Stanley and Steven Slagle of Hereford, and Mrs. Richard Ireland of Moriarty, N.M.

She is also survived by her husband, Foy H. Pennington, and two daughters, Mrs. Louelyn Duncan, Frisco, and Mrs. Narcidel Hoppe, Fort Wayne,

By JIMMIE GILLENINE

Graduation, as we have come to know it, is strictly an American institution. Hereford schools this year will hand out 112 diplomas. Nowhere else in the world besides the United States could this happen in a community of less than 7,500 inhabitants. Flemming Hansen, exchange student from Denmark, said in a recent talk that only five per cent of the elementary students are allowed to attend high school in his nation; this means that a community of comparable size would have five to six graduates in his country. Many other nations of the world have still fewer high school graduates per capita. None, of course, begin to compare with mass education in the U. S. A.

There are good arguments on both sides of this question. Our own school system is far from perfect but, when graduation rolls around each year, even the most severe critics of our educational system are bound to admit that our public education plan definitely has merit.

I always heard you could judge how good a couple were as parents by observing their grandchildren, and I think the same thing is true of schools. Our present day schools in Hereford are the immediate product of the past two generations. True enough, they have their faults, but did you ever see a better balanced group of young men and young women than those in our 1960 graduating class? Suddenly, a lot of little things fall into place and become secondary, and we realize that quite a few of these 112 youngsters are going to establish records in colleges and universities, just as many predecessors have done before them.

Have you noticed "Thin Man" Ray Cowser? Recently, he and Mrs. Cowser moved a house into town for rental property, and have been redoing it themselves. Ray was sweating off some of the old wall paper — and lost six pounds. He figures, however, that it might be easier to go on a diet next time.

R. L. Ethridge, the telephone man, attended a meeting in Austin last week and took time off to revisit Texas University campus, where he went to school more than 30 years ago. This was his first visit back, and he says that nothing is the same. Absolutely nothing! He even went to Sunday School in the church he attended as a student, but reports that it had almost been changed beyond recognition.

"It was hard to figure out where the old buildings once stood, much less find one of them," said Ethridge. Duane Wallace, son of Mrs. Virginia Wallace, conducted R. L. on his campus tour, for which Ethridge was thankful. "Other-

MAKES HIS POINT

PHOENIX, Ariz. (AP) — State Supt. of Banks David O. Saunders says he'll sit and wait for a suspected dog to "leave its property uncontrolled. An arrest will be made immediately."

erwise," he adds, "I would probably have been completely lost."

This happens to a lot of old grads. It also proves that folks who can remember when coffee breaks came with meals had better let well enough alone.

Cameron Gault, Otis Hall and Sam Nunnally are back from a fast, successful trout fishing spree, and had good luck in the Platora country. Low water, no muddy streams and excellent catches, especially in the lake. Grady Rogers got so excited over the report that he started getting things ready for a run to Eagle Nest Lake. I accused Judge Homer Henslee of trading his gavel for a fishing rod, but all I could get him to do was grin.

Bob Rule and Grady Dodd, a couple of Friona Shriners who helped paint the 4,000 barrels, noticed where Wes Izzard was commenting on how clean Hereford looked as a town.

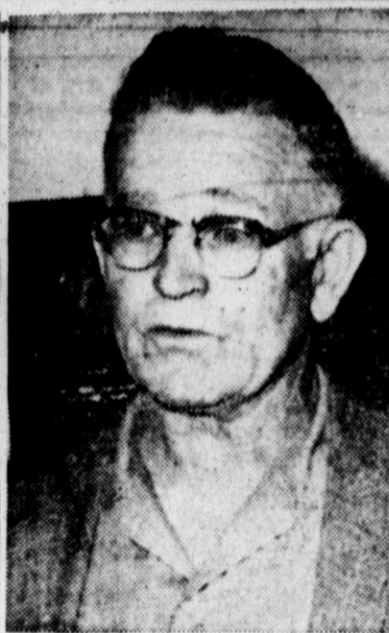

"I've got news for Mr. Izzard," said Grady. "He only saw the front yards, while Bob and I only saw the view from the alleys. I don't think there is a town this size, anywhere, with so many beautiful, spacious back lawns and patios. If the front view is any better than the alley view, Mr. Izzard really has something."

The Shriners reported a total of \$2,362.12 from their barrel painting project, as of Tuesday. They still have around 150 homes to contact for donations, and urge any interested resident to mail their donation to Oasis Shrine Club, Hereford. All proceeds are used on the annual children's clinic.

How long since you ran out of gasoline? I thought this was an old fashioned practice, long obsolete, but I notice in the American Automobile Association release where 2 million motorists ran out of gas in 1959. They had to hitch rides, or hoof it to the nearest station — just like old times. I ran out between Claude and Clarendon some eight or nine years ago, and I still hear about it from the family. My feet also ache every time I pass the forlorn spot.

Kenneth Coker is an old boy who is always coming up with something new. His most recent achievement is in the field of memory. He can glance through a deck of cards and tell you exactly what card is number 15, 21 or whatever you specify. He really is a whiz on this stuff and, consequently, was no little embarrassed the other day when he let a prospective customer borrow a projector — and forgot who had the machine. Fortunately, the man returned the projector unsolicited, but Kenneth says he is going to revamp his memory technique.

Things are looking up on the international scene. This new radar detector we now have in orbit explains a lot of things, including the reason Mr. Eisenhower promised no more U2 flights. It also slowed down the United Nations debate in a hurry. Most of all, though, it proves once again that being well armed and well protected is the best — and probably the only — way to maintain peace and security. Somehow, it keeps reminding me of Teddy Roosevelt's "Big Stick" policy; the result, at least, is the same.

Dodson Discusses Migrant Problem

Virgil Dodson, a member of Hereford Committee on Migrant Ministry, gave a talk, "The Mexican Problem in Hereford", at the noon meeting of Hereford Optimist Club Tuesday in I. O. O. F. Hall.

He described the growth of Hereford and its growth as related to the vegetable industry. He explained that migrant laborers were necessary to the vegetable industry, and that Hereford residents have responsibility toward them as they affect "every citizen's economy."

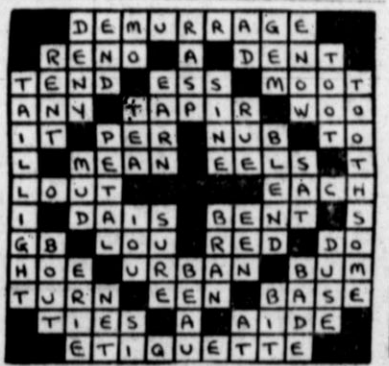

Dodson pointed out that 14-18 college students planning careers in migrant ministry would come to Hereford this summer to construct a building for use of Latin-American residents of Hereford Labor Camp. He urged the Optimist's cooperation in the program.

Guests at the meeting included Frank Schroeter, Jap Dickerson and Tommy Pierce, Optimist Bill Brady was program chairman.

ATTENDS SCHOOL

Mrs. John N. Jacobsen Jr. went to Fort Sumner, N. M., Tuesday for a flower judging school, which continued through Wednesday. She is an accredited flower show judge.

North Carolina State lost nine football games last season but five of the losses were by five points or less.

Vacation Bible School Starts In Area Monday

By MRS. CARL WIMBERLEY
Vacation Bible School starts Monday, May 23, at the Dawn Baptist Church, and will continue through Saturday, June 4. The hours will be 8:30 to 11:30 a. m.
Commencement exercises will be held Sunday, June 5, at 7:30 p. m. Mrs. William Wimberley is principal.
Workers in the nursery group, ages three and four, are Mrs. Reece Stewart, Mrs. Walter Lemons, Mrs. Jack Ward Jr. and Mrs. Barbara Smith.

Mrs. Charles Davenport will direct the beginner departments, assisted by Dorothy Burrus. Children from five - years - old to six will be in this group.
Mrs. Edgar Lemons and Dorothy Stewart will work with the primary pupils. These will be students who have been in the first and second grades in school this year.
Mrs. C. C. Stewart will direct the junior group, assisted by the Rev. Charles Davenport. This group will be those from the third, fourth and fifth grades.

Those from the sixth grade and older will comprise the intermediate department. Mrs. N. R. Miller, Mrs. Wimberley and the Rev. Charles Davenport will lead the group.
Pupils of the first, second, fifth and sixth grades at Dawn School enjoyed a day of picnics Friday. Pupils of the fifth and sixth grades went to Palo Duro Canyon for the day.
Students in attendance were Jon David Miller, Robert Galley, Buddie Stewart, Doyle Joe Fuller, Linda Moore, Janie Hooten, Gary Richardson, Mrs. H. E. Hooten, Mrs. H. S. Fuller, Mrs. Kate Wilson, George Ray Fuller and J. N. Killingsworth, teacher.

Several Dawn farmers are planting milo on land that did not require pre - irrigation. Pupils of the first and second grades had a picnic at Conner Park in Canyon and visited the museum at West Texas State College.
Mrs. W. T. Beavers took the group to Canyon in the school bus.
Those attending were Janice Galley, Ted Richardson Jr., Shirley Alger, Robert Richardson, Jerry Stewart, Delma Benevidez, Ricki Ward, Janet Miller, Diana Golden, Dion Miller, Patricia Burrus, Lilia Benevidez, Kyla Higgins, Gene Schenk and Kay Ward.
Others who went with the group were Mrs. Tony Burrus, Mrs. Wayne Higgins, Mrs. Richard Golden, Mrs. R. T. Stewart, Mrs. Bill Alger, Mrs. H. E. Miller Jr., Mrs. Ted Richardson and Mrs. J. N. Killingsworth, teacher.
Mrs. Clois Kemp was hostess for a meeting of the members of the Golden Circle Sunday School Class of the Avenue Baptist Church in Hereford Thursday morning. Members present were June Roberts, Mrs. Jessie Mason, Mrs. Erma Rickman, Mrs. Janelle Flowers, Mrs. Dixie West, Mrs. Jo Nell Leavelle, Mrs. Rosie Wall and Mrs. Nan West, all of Hereford.

TEACHING CRITICIZED
WASHINGTON (AP) - Catholic high school religion teachers are not preparing students for "day - to - day living among their Protestant neighbors," says a Catholic educator, Brother Celestine Luke, of Manhattan College. He told a meeting here that Catholic high school religion courses tend to misrepresent American Protestantism.

ELECTED SATURDAY as new officers of the International Parks Highway Association were, from left: Harley Rhoades, Burlington, Colo., retiring president; J. Fred Thompson, Burlington, Colo., executive secretary; Mabel Youngberg, Belle Fourche, S. D., treasurer; Donald Petty, Hot Springs, S. D., president; and Guy Lawrence, Hereford, vice president. Not shown are Palmer Rustan, Williston, N. D., secretary; and Clyde Cox, Lamar, Colo., honorary life secretary. Election of officers and selection of Belle Fourche as the 1961 convention site closed the three-day meeting in Hereford. (Staff Photo)

Congratulations Graduates . . . For A

Job Well Done

To the members of the class of '60, we extend heartiest greetings and best wishes. You have just completed the first major step toward success. Still, may we remind you that . . .

YOUR EDUCATION IS JUST BEGINNING!

We would like to encourage each of you graduating this year from Hereford High School to continue his or her education in the University or College of your choice. With today's ever-increasing standards the higher education is almost a dire necessity. And here is something to remember . . . being average is fine, but through averages, you are just as close to the bottom as you are to the top.

Stanton Junior High FHA Girls Give Program

The Stanton Junior High Chapter of Future Homemakers of America met Monday at 6 p.m. in the junior high auditorium. The 1959 - 60 officers presented a program explaining the emblem and purposes of the organization.

The eighth grade girls and their families were invited to be present for the meeting. Terry Smith, president of the organization, called the meeting to order. Minutes were read by Nelda Botkin, recording secretary, and Kathy Knox gave the treasurer's report.

Music was furnished by Jerre B. Noland, the club's pianist. A gift of appreciation was presented to the FHA sponsor, Mrs.

Martha Sullivan, on behalf of the members.

Approximately 50 girls and mothers attended the final meeting.

The school year of 1959 - 60 is the first year an FHA chapter has been organized in junior high school. All ninth grade girls who take homemaking are eligible for membership in the organization. A total of 40 girls were members in this year's FHA.

TERRY SMITH, president of Stanton Junior High Future Homemakers of America, presided over a meeting Monday, in which purposes of the organization and its emblem were explained to the audience. Mrs. Martha Sullivan, sponsor of the organization, was presented with a gift. The meeting was the final one of the school year. (Staff Photo)

Hold Meeting Of Westway HD Club

The Dawn Home Demonstration Club met recently in the home of Mrs. J. E. McCabe. Mrs. H. D. Fowler presented the program on "Cooking Potatoes."

Mrs. Fowler said in part, "Potatoes have been found to contain seven to 10 essential amino acids. This makes the potato protein rank with meat and cereals in quality, though obviously not in quantity." She stated that the potato was not fattening - it is what is put on it that makes it fattening.

Mrs. Fowler made a potato casserole and potatoes napoli which were served with a tuna salad for refreshments.

Those present were Mesdames J. B. Caraway, H. D. Fowler, Rea Cox, H. E. Hooten, H. S. Fuller and J.E. McCabe. One visitor, Mrs. Kate Wilson, was also present.

RETURNS HOME

Mrs. Hubert White, 608 Union Avenue in Hereford, has returned home after visiting her daughter, Mr. and Mrs. L. W. Hudson of Manhattan Beach, Calif. While there, she visited points of interest in Los Angeles, Hollywood, Burbank and Glendale.

John Fleser of Birmingham, Mich., is one of the top hitters on the Michigan State baseball team. He led the Spartan hitting in 1959. His father led the team in 1925 and 1926.

Dr. D. C. Story

Appoint Dr. C. D. Story Department Head At CSU

Dr. C. D. Story, son of Mrs. J. D. Story, 305 McKinley in Hereford, was recently appointed head of the animal husbandry department at Colorado State University effective July 1. He will serve as chief of the animal investigations section of the Colorado Agricultural Experiment Station.

Dr. Story, 44, has been on the CSU staff since Sept. 1, 1953. He received an MS degree from Iowa State University in 1950 and a Ph. D. from Iowa State in 1954. He graduated from Hereford High School in 1935,

and received his Bachelor's Degree at West Texas State College.

From 1950 to 1954, Dr. Story served at Iowa State as an instructor and assistant professor in 1954 - 55. He was involved in much of Iowa State's pioneering research with stibestrol in beef cattle and sheep feeding. Stemming from his research work in the field was the publication of three scientific journal articles in 1952 - 57.

His main area of research and teaching at CSU has been in animal nutrition, particularly for beef cattle. He has published two scientific articles in this field. Dr. Story will remain in charge of certain phases of animal nutrition research at the Experiment Station.

Cardinals Use Giant Walks, Errors For 14-1 Victory

Little League Cardinals took advantage of seven walks and three timely hits in the second inning Monday night to defeat the Giants 14-1.

Wildness and errors on the part of the Giants handed the Cards a number of unearned runs.

Midway through the second inning, Card right fielder Jerry Fowlkes hit a homer with the bases loaded, as his long fly ball hit the top of the fence and bounced over.

Lloyd G. Reddoch Heads Convention

Lloyd G. Reddoch, presiding minister for Jehovah's Witnesses, announced recently that the Hereford congregation of Jehovah's Witnesses has been notified of a four-day training convention to be held June 23 through 26 at the Will Rogers Memorial Coliseum in Fort Worth. Reddoch will head the local delegation.

The Watchtower Bible and Tract Society of New York is arranging the convention as one of 12 for Jehovah's Witnesses to be held in the United States this year. The total attendance expected for the series is well over 100,000 and the expected attendance at Fort Worth is 12,000.

"Purpose of the meeting is to emphasize the theme of peace," Reddoch pointed out. This series of conventions has been given the name "Peace Pursuing District Assemblies." There will be instruction on Bible topics concerning personal and family problems and instruction in preaching activity.

Program for the convention will be English and Spanish with morning, afternoon and evening sessions. Main speakers and subjects will be announced at a later date.

Reddoch stated that the convention is open to any interested persons — it is not exclusive for Jehovah's Witnesses. Those wishing to attend may arrange for rooming accommodations in advance by writing to a rooming committee in Fort Worth.

Mother Of Local Woman Succumbs In Germany Monday

Mrs. George Brashear of Hereford received word Monday of the death of her mother, Mrs. Agnes Funk, who died Monday morning in Frankfurt, Germany. Mrs. Funk had been ill for several years.

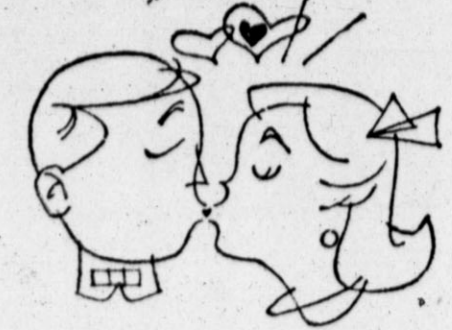

She had been residing with her son at Oes, Germany. During that time Mrs. Brashear had visited her mother there.

Funeral services were held at Oes Wednesday morning. Mrs. Funk had spent several months in Hereford with her daughter, Mrs. Brashear, before returning to her native land.

During the reign of George III, each English printer was obliged by law to put his name and address on everything that he printed.

If we made Gladiola Flour for Kissimmee, Fla...

we could get by with lower quality

...but we make it for you

We make just enough Gladiola Flour for our near neighbors—in Texas and a little bit beyond. These ladies are the best home bakers in the U.S.A.—and the sharpest judges of flour quality.

That works out fine for us. We know precisely what our customers want, and precisely how to make it. That's why snow-white Gladiola Flour outsells every other brand, every day, every year.

The women-folk in Kissimmee, Fla., just can't bake biscuits, cakes and pies like yours. They don't have Gladiola Flour. Only you and your neighbors can buy it. And, for the average family, it costs only about 1/2¢ a day more than the cheapest flour made.

Mercury's the better low-price car and you can prove it!

ADD UP MERCURY'S EXTRA VALUES: Just stop in at our showroom and see the proof firsthand. Open the front door of a Mercury—it's up to 5 inches wider than other low-price cars so you can get in and out that much easier. Slide into the front seat. Notice how the instrument panel has been moved far forward. What other car gives you this feeling of spaciousness? Now accept our invitation to go on a private demonstration. Notice the steady, silent smoothness of the ride. That's because Mercury has a 7-to-8-inch longer wheelbase than other low-price cars—is up to 494 pounds heavier, and has far more sound-proofing all-weather insulation.

COMPARE MERCURY'S LOW PRICES: prices start \$63 to \$66* below even the lowest-priced V-8 powered Plymouth Fury or Chevrolet Impala!

And we're not talking about a "stripped" Mercury. This price comparison is based on a deluxe-appointed Mercury Monterey with luxurious nylon interior and thick wall-to-wall carpeting. So why settle for less? Get all your money can buy with Mercury—the better low-price car.

*Based on comparison of manufacturers' suggested 1960 retail base prices for lowest-priced V-8 models.

Try the brakes. They're up to 26% larger in a Mercury. Notice the view. Mercury's windshield and windows give you up to 21% greater visibility than other low-price cars. Now, for the best news of all, just keep on reading . . .

MINUS AN 'O'
NORMAN, Okla. — Dr. Borge Bak, Danish physicist, got a chuckle from posters on the University of Oklahoma campus advertising the appearance of "Dr. Brge Bak."

His name is spelled with a Danish letter which resembles an "O" with a line through it. Printers thought the line meant for the letter to be omitted — which they did.

Mercer To Attend Summer Institute

Fred E. Mercer, Jr., 824 Avenue K, Hereford, is one of 36 teachers selected to attend an eight-week summer institute in astronomy and geology at Wittenberg University, Springfield, Ohio.

An instructor at Stanton Junior High School, Mercer is one of 306 teachers from 42 states who filed applications to attend the institute. The institute will be held at Wittenberg from June 20 through August 13 under the sponsorship of a \$44,100 grant from the National Science Foundation. Teachers selected to attend receive a maximum stipend of \$600 plus travel allowance and \$120 for each dependent, up to four. No tuition is charged.

Special emphasis is placed on the areas of astronomy and geology with supplemental instruction planned in the related fields of physics, mathematics and geology.

This is the second straight year in which Wittenberg has received a grant from the NSF to conduct a summer institute. The university will offer eight hours of graduate credit in science education to the junior and senior high school teachers who complete the eight-week course.

Objectives of the summer institute are to improve the quality of teaching in science and to strengthen the capacity of teachers in motivating outstanding students to consider science careers.

LEARNING COMES EASY

REDDINGTON BEACH, Fla. — Billy Schumacher, 10, and his sister, Mary Margaret, 8, could hardly wait for their daily tutor, Mrs. Epile Baum. Lessons came easy because each day was topped off with a shell-making session.

Billy and Mary made pelicans, cranes, flamingoes, elephants, horses, frogs, penguins and dogs out of sea shells, pipe cleaners and glue. A dab of paint and each animal had eyes.

The children spent six weeks here while their father, Hal Schumacher, former New York Giant pitcher, made the rounds taking major league orders for baseball bats.

Remember, Seniors?

By WHITEFACE STAFF

As a FRESHMAN: For the first time, you attended HHS scared, hopeful and happy.

For the first time you attended HHS's pep rally.

For the first time you attended HHS's assembly.

For the first time you attended a really formal banquet.

Your first all-school play.

Your first stunt night.

Your first band trip and marching season.

Your first class party.

Your first riotous student council election.

Your first class officer elections.

Your first home room elections.

Your first annual queen race.

Your first coke and annual day.

Your first bonfire and homecoming.

The hours of underclass initiation.

As SOPHOMORE: You were braver and your first time to play hockey came — You got caught, was lucky, or you wanted to play hockey.

Your first choir musical, "Ok-lahoma".

Your first year to see our boys win 4th place at state in basketball.

Your first disappointment when freshman initiation was banned.

The band took its first trip to Enid, "through ceiling".

As JUNIORS: You had gone half way and began to conquer newer, more serious dilemmas.

Your first Junior class play.

The choir's first trip, of length, to Dallas.

Your turn to host the Junior-Senior banquet.

Cheerleader tryouts were from your class.

Cheerleaders were announced and demonstrated their ability by leading the assembly in a

yell.

First chili supper to raise funds for the banquet.

Your first year to see our boys win 2nd place at state in basketball.

As a SENIOR: The year most looked forward to comes and you see your dream as a reality, but not the pomp you had expected — only more work.

You finally moved into the great in meaning, but dead in acoustics, part of the auditorium for the assemblies to come during the term '59 and '60.

Everyone's name was no longer as it used to be other years — now if someone becomes mad at you, you are "stoooge".

Your first senior class play.

Your last Junior - Senior banquet.

Your last choir production of a musical, "Brigadoon".

Your last student council elections.

Your last home room officers elections.

Your last class officers elections.

Your last annual queen race.

Your last stunt night.

The end of marching season.

Your last bonfire and homecoming.

Your first senior assembly, which you've been waiting for.

The unveiling of your last annual you'll receive at HHS.

Arrival of senior rings.

Measuring for caps and gowns.

Arrival of graduation invitations.

Last good - byes to school friends, some you know you will not see often or for some time!

Farewell to the books of Knowledge; and last, but absolutely not "least", happy vacation and good luck to the teachers.

Your last time to sing the Alma Mater as a student body.

Your beginning to look into the future more seriously as to what you would really like to

do as a life career.

Baccalaureate service.

Your last time to take final exams.

Graduation exercises.

The population of the United States 100 years ago was 31 1/2 million. It has since increased more than five fold.

ANCIENT FOOD LAWS
TRENTON, N. J. — A prize-winning study by a rabbinical student discounts the belief that ancient Hebrews had more knowledge of preventive medicine than other peoples of their time.

The study by Joel Wittstein of Cincinnati, a senior student at Hebrew Union College — Jewish Institute of Religion, was published by the Helene Fuld Health Foundation here. It says some of the ancient Jewish laws

THEY REPAY
NEW YORK — Loans made to refugees resettled in the United States under Lutheran auspices in the past 12 years are being repaid at a "remarkable rate," the National Lutheran Council reports. Of \$4,440,936 loaned to refugee families since 1948, they've repaid \$3,790,680, or 84.3 per cent.

LUTHERAN ANALYSIS
NEW YORK — In the last six years, four times as many Roman Catholics have joined the United Lutheran church as have left it to become Roman Catholics, a statistical study by the Rev. Dr. F. Eppling Reinartz, United Lutheran secretary, found. He said the survey also showed increased use of vestments by Lutheran pastors, and fewer mixed marriages among members.

In Memoriam

They have not died in vain... those who paid with their lives the last full measure. Today, Memorial Day, is the day to remember Lexington, Gettysburg, Santiago Bay, Chateau Thierry, Coral Sea, Okinawa, Palermo, Normandy and Korea. We need only to look at the cemeteries of the world to realize the supreme sacrifice that was called for, that we might be secure. It called for the giving of life itself for many a man; for untold sorrow and heartache for friends and loved ones. As they bravely died, so we must bravely live. God has a destiny for us, for America, and only eyes of faith can read that destiny. Each drop of blood spilled from Bunker Hill to Iwo Jima, is a deposit in the bank of our country. One hundred sixty-five million Americans can do no less than dedicate ourselves anew. With our Alabaster Ointment of thankfulness, let us nobly remember those who laid themselves between our country and her foes. This is Memorial Day.

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial and molding religious character. The Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we on Sunday "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

In attending to his many civic and business affairs, Edmunds finds that a neat and efficient office is a necessity.

Rohm & Haas field representative Bill Hughson joins Edmunds in a look at one of the water hazards on the new golf course.

Edmunds checks proper dosage of DITHANE M-22 as McQuade fills sprayer. Both like the easy mixing of this 80% maneb fungicide.

Edmunds discusses his DITHANE M-22 needs with Raymond Howard, Manager of the John Watson Co. store at Fort Fairfield.

Potato farmer-businessman E. Perrin Edmunds instructs farmhand Henry McQuade which field to spray next in his continuing potato blight control program.

Maine's E. Perrin Edmunds certified seed potato crop

DITHANE M-22... now 80% maneb
...from your partner in crop protection

DITHANE is a trademark, Reg. U.S. Pat. Off. and in principal foreign countries.

E. Perrin Edmunds, Fort Fairfield, Maine, recently ended his third term as president of the National Potato Council.
He is typical of today's progressive farmer—active community, state and national leader, successful businessman, and hard-working farm manager.
Currently, he is also a bank director, member of the State Legislature, president of C. A. Powers & Co., the John Watson Co., and Powers Starch Co., and building committee chairman for the local country club... now working on a new 18-hole golf course on which Edmunds will somehow find time to play.
Potatoes thrive on 700 of the rolling acres which make up the C. A. Powers & Co. potato operation. The crop is sold as certified seed. Culls and rejects are diverted

to the company's potato starch plant located in Monticello, Maine.
Like most of his fellow potato growers, Edmunds puts his faith in DITHANE M-22 (maneb) fungicide for protection from early and late blight.

A Lengthy, But Enjoyable Trip

By WHITEFACE STAFF
FIRST YEAR

Back before the big blizzard in 1948, a group of young pioneers started their adventure in EDUCATION? The starting point for their journey was Central School.

The head-trader was Mr. Dan Martin, and those who assisted us in supplying our wagon trains were Mrs. Kaul, Mrs. Hicks and Mrs. Bonesio. Our wagon train consisted of these 37 brave and lusty adventurers: Ronald "Cheyenne" Anderson, Betty "Bronco" Bridges, Jimmy "Shotgun" Fowkes, Ruth "Range-Rider" Fincher, Martha "Merry Trigger" Finch, Sandra "Colorado" Inman,

Twyla "Silver Dollar" Springer, "Goldy" Gonda Ann Smith, Gene "Bat Masterson" Meacham, Sue "49er" Minor, Bortie "Buckskin" Craig, Linda "Kitty" Cox, James Colby Conkright, Cattle King of Texas, Judy "Lula Bell" Coffin, Sonnie "Stirrups" Childers, "Cisco Kid" Christman, "Chester" Cassels, Beth "Buckskin" Lemons, Kay "Sour Dough" Scott, Edwin "Sour Dough" Morrison, "Annie Oakley" Wingert, "Winchester" Willoughby, Sandy "Gold Dust" Roberson, Rosie "Poulette" Strange, Betty "Wyoming" Waiser, Robert "Utah" Wely, R. C. "Rawhide" Wely, Marilyn "Alfalfa" Newell, "Ma-

verick" McGee, Sheila "Sagebrush" Owens, Pat "Gun" Parker, "Pistol Pete" Nancy Parsons, Sheryl "Slim" Patterson, Billy "Bull" Bryant, "Pistol Packing" Polly Monroe, Carle "Cactus" Smith, "Calamity" Jane Pool and Edward "Slippery Sam" Strain.

As we began the first lap of our journey as Buffalo Bill's Broco Busters, we were joined by "Buckaroo" Bob Batterman from Broadwater, Nebraska; and as the sun sank into the west Garland "Cowboy" Crist rode into camp from Spring, New Mexico. The next morning Bobby "Bowlegged" Byers and Barbara "Barbed-wire" Jacobs rounded out our passenger list as our train moved westward.

SECOND YEAR

The next season brought many dusters and blew in Jerry "Useless" Uselton. They caused such a stir that we barely caught sight of "Gold Miner" Gary Minor and Ruth "Paladin" Powell, but we managed to add these to our growing train.

THIRD YEAR

After that dusty year, the third lap of our journey was a welcome relief for it brought many drips — of rain that is. We rescued Juanita Sims from House, N. M., and Joe "Spearfoot" Sherman from Midland. Terry "Two-gun" Hodges, Glenna "Bushwacker" Bellar, and Sheila "Sal" Williams all came slashing into camp out of the rain and we took them on, completing our third year of adventure.

FOURTH YEAR

Our fourth year brought such trail bosses as Bobby "The Rifleman" Renfro and Billy "The Lawman" Lytal. Margaret "Buckshot" Boomer, lost from her tribe, wandered into camp and we decided to keep her although she was an Indian. At this time we decided we needed some culture in the fine arts so we picked up the famous beauty. We noticed Jeanette "Roy Rogers" Rayburn and decided

to take her on. The last, but not least, addition to our train in that year was Gary "Fast Gun" Wertemberger, who traveled all the way from Hartsville, Ohio, to join our train.

FIFTH YEAR

The weather was a little cold our fifth year until Aldene Hudson arrived from Lubbock and livened things up; and, from Ohio came Linda Shaffer. They really must have heard of us up there in Ohio for another member of the Buckeye state, Jean "Tex" Terry, joined us from Stack County. Other additions to our growing wagon train were Kay "Half Pint" Griffith and "Colorado" Charles Wall.

SIXTH YEAR

Our sixth year as Bronco busters — brought two important names to the passenger list. These were Emma "Cowgirl" Crofford and "Ma" Mutter.

SEVENTH YEAR

We were growing older and wiser (!) in our seventh year until "Laramie" Dobbs and Durand Ennis Cleveland made their entrance and held things up for a while but Stella "Shotgun" Wiseman really got us moving along.

As our train moved further up the grade of the hill many met with disaster while others found new friends with our wagon train. This was the 9th year of our travel. Fort Walcott was attacked by Indians leaving four servers, Mary Dufur, Bobby Sessums, Gary Guseman and Royce Lee Pruit, who were rescued by our wagon train.

As the wagon train progressed, Major Herman Harrison from Ft. Dick, Calif., joined us while fulfilling a secret mission. Lu Guinna Guinn, from Midwest City, joined the train.

As we reach the Mission of St. Anthony, they had several new wagons to join us.

Tim Betzen, Verena Parker, Virginia Isbell, Jeanett Husmann, Patsy Hollenstein, Carol Paetz, Robert and Herman Jesko joined us.

Jim Brown from Paducah and

Dudley Bayne from Canyon, two bounty hunters, joined our train in search of Buck's Overalls.

Hopalong Harley Davis came galloping in from Amarillo on his horse. Sir Vivitor Craig, Englishman from Amarillo, came to peddle his pots and pans on our train.

Rounding up this splurge of joiners were Rex Allen Cansler, a trail hand and Ray Lee, a bronco buster.

Every good thing always has something bad; that ninth year we lost a lot of people: Gay Bell, Annette Box, Hoyt Busbey, Bob Campbell, J. E. Caster and Gene Evens. These people we lost from a frantic-panic water scare.

Next was an Indian Massacre where there was more blood, more people killed and more fun: Carole Ford, Buddy Furr, Joe Green, Jimmy Hendrick, Comeda Hudson, Sidney Hutson, Donna Lovel and Peggy Metcalf.

Every train had some plague strike, and we had the cholera and lost quite a few: Mike Monahan, Terry Montgomery, Jerry Nivens, LaJuan Odom, Leottie O'Neal, Nona Patterson and Cecilia Ramey.

The last tragedy was a stampede which killed off a big number also: Gail Rickman, Mariee Salizar, Mary Thompson, Betty Tucker, Jowanna Ussery and Maritta Watson.

Finish The First Mile

By The Whiteface Staff

Often we hear people say that the way to be a success in life is to go the second mile. Have you ever stopped to think of what going the second mile involves?

How far are you going? The only test for knowing if you are completing the first mile successfully is to question yourself:

1. Have you completed all your assignments on time?
2. Have you read all of your outside reading, as well as your assignments for class.
3. Have you gone to class prepared for every assignment and every test this whole semester?
4. If you cannot answer a truthful "yes", you're not going the first mile, and shouldn't even think about the second mile — yet.

How far are you going? Are you still traveling the first block?

Or are you going half-way — the half-mile — in your work? Are you going as far as the first mile? If you are, you're doing a big job and are to be truly commended.

Those of you who think you are traveling the first mile, are you standing still at the one-mile mark? Why not see how far you can walk into the second mile?

TRICKS OF THE TRADE

LAKELAND, Fla. (AP) — When Rip Collins, former first baseman, saw Washington rookie Lamar Jacobs catch a fly, and hold the ball with two out and a man on, it reminded him of his gadgets.

"I once had a wrist indicator

are traveling the first mile, are you standing still at the one-mile mark? Why not see how far you can walk into the second mile?

that told me how many were out," recalls Collins, now a sporting goods salesman. "It was for the absent-minded ball player. Then I had a glove with two thumbs for the ambidextrous player, and a pitcher's glove with a mirror on the back. With a man on second the pitcher, by holding up the glove, could always see how big a lead the runner was taking.

"My ideas weren't allowed. I'd a made a million."

Scenes Behind The Whiteface

By The Whiteface Staff
With the end of the school year comes an end to the year 1959 - 1960. I would like to take this opportunity to tell you some of the problems to be conquered and the people who helped to make the problems seem as though they were very little.

The Whiteface is Hereford High School's paper, which is run every other Thursday as a supplement of the Hereford Brand.

This year, because of insufficient time, we did not have a set period for journalism. Since the students have always enjoyed the school paper in the past, we thought it was a pleasure that should not be denied them because of heavy schedules.

Some interested students met with Mr. Smith, our sponsor, to organize a school paper staff. We met every Wednesday, Thursday and Friday during activity period.

This, in itself, caused difficulty for we had only three hours to get the Whiteface ready for the Brand staff to put it into form as you saw it in the Brand.

In previous years, the whiteface staff had ten hours to do this job. For this reason we were very proud to win a third place in the Panhandle High School Press Association Contest for outstanding achievement in the field of high school journalism.

The Whiteface staff included: Robert Bell, Madeline Bilo, Shirley Carthel, Bernadette Erdman, Rudolph Eastman, Sharon Farmer, Nancy Green, Carolyn Hammett, Sandra Inman, co-editor, Barbara Monroe, Nicky Newton, Kay Packard, Sheila Owens, Ann Sheppard and Phyllis Ward.

I hope you have enjoyed the Whiteface as much as we have enjoyed working on it for you. We were very pleased at the response from the student body.

Thank you for being such good readers.

reading of the last Will and Testament of the past masters of Hereford High School. This is a hysterical - oops - I mean historical document which commands your earnest attention and reverence.

We, the Senior Class of 1959 - 60, being of feeble mind and lit. - oops - I mean fit bodies, do hereby bequeath the following things to the following stated people.

- This year's cheerleaders leave to next year's cheerleaders: 1. 7 large rolls of butcher paper. 2. 150 boxes masking tape. 3. 200 bottles oxblood shoe polish. 4. 5 ruined pom - poms rain-soaked from football homecoming. 5. The fun and good times they had just to make it all worthwhile.

We, the undersigned, hereby will all the civics, history and English IV classes to anyone who will have them, including research themes, too! Signed: Helen Padilla and Juanita Simms.

I, Danny Cleveland, will red cows to Ted Wimberley. I will the name "stooge" to Virgil Stranger.

The Senior English classes will Mr. Gill back to the Freshmen.

We, Danny Cleveland and Jimmy Conkwright, will Freddy Martin a pack of paper cups!

Gene Meacham Is Valedictorian

By WHITEFACE STAFF
Parents - Mr. and Mrs. H.L. Meacham
Birthdate - July 17, 1942
Birthplace - Amoret, Miss.
Ambition - To get a good enough education so that I can have a good enough salary so I can have a lake in my back yard to ski on.

Offices or honors while at H. H. S. - vice president of the class; vice president of band; band king.
Grade average during years at H. H. S. - 3.00
What you've enjoyed about going to H. H. S.: "Band trips to Enid"

How you feel about being valedictorian: "I will always remember this as the honor of my life. This is an honor that is hard to get, but I feel that it is worth it."

Marilyn Newell, Judy McGee and Kay Sims will their curiosity and ability to find keys for locked Fords to Pam, Colleen and Zell, because they may need it again after a junior - senior banquet.

To the two early birds, Lee Kimball and Edwin Thomas: mud, hot chocolate, 1 stuck car, about 100 miles to cover, and no dead duck. Better luck next time. Beth and Lois

We, Sheila, Doris, Twyla, Sonnie, Jeanette, Lee, Ann and Margaret, better known as the "Dirty 8", do will the following on this day to the 1961 band mother:

- 1. Our successfulness in baking chocolate cakes and the responsibility of delivering such to 420 Avenue I on the 6th day of May to revive old memories of the good old days for a certain band director.
- 2. Our ability of powdering our noses in the boy's dressing room at Dumas.
- 3. Last, but not least, our famous song, "We are the girls from the Burlesque Follies," and our motto, "We ain't got no boy-friends."

We, Doris, Sheila and Twyla, hereby will our M&M's and their effectiveness to Clark, Baldwin and Dan, and to any other poor unfortunate soul as Sandra Roberson.

Margaret Boomer will her lantern to Mrs. McDougal.

A friend will to Gary Gearn a second "chance" on romance.

I, Jerry Beard, will my ability to go to school half a day

to Kay Packard.

I, Kaye Shirley, will my ability to miss the assemblies without getting caught to anyone who needs it next year.

Bobby Renfro and Jim Brown will their ability to play ping-pong to Donny Lesly and Charlie Thomas. Also, one slightly used sling shot to Charlie Burrus.

I, Carol Paetz, will to next year's "Whiteface" editor the ability to get the paper to press a day late. Also the headaches and fun.

I, Jerry Beard, will my ability to go to school half a day to Kay Packard.

I, Verena Parker, will one lug-wrench to the 1960 - 61 cheerleaders. I will a blue plain shirt and a pair of levis to Kenny Walsler.

We, Terry Hodges and Azalee Phillips, will the road east of town to Beverly Boyer.

A friend will his ability to get along with a green Nash rambler to Walker Parris.

A friend of Walker Parris will him a job at the Dairy Mart so he can be close to his favorite girl.

Senior Ag Students will their ability to railroad the Ag chapter to Ken Walsler and the teachers.

A senior boy will his private chair and his ability to get along with the teachers to David Green.

Edwin Morrison, Gary Guseman, Herman Jesko, Billy Bak-

er, Billy Lytal and Harvey Garrison will the Voc. Ag. Grass samples to Mr. Jess Robinson.

I, Gena Guinn, will to Jan Reese the ability to become a good correspondent in about two years.

I, Gene Meacham, having diseased lungs and being in a state of mental despair do hereby leave several great gulping lungfuls of hydrogen sulfide, chlorine, ammonia and other such aromatic gases to all unfortunate citizens of Hereford High School.

I, Flemming Hansen, make this my last will and testament. I will my tools in mechanical drawing to Wesley Poarch, so he does not have to steal them any more, and the right to turn the tornado sirens on to the fire marshal of Hereford, may it never need be done.

I, Royce Lee Pruitt, will Pat-sy Loerwald a coffee cup in the Homemaking office, a box of cough drops, and another trip to Austin. I also will Merry Kay the ability to cut holes in whatever she makes in Homemaking III.

Ann and Royce Lee will their trips to Friona to anyone who will use them to their best advantage.

I, Kay Griffith, being of sound mind, will my New Year's Day of '60 to anyone who might wish to tackle it. I also will my Sunday afternoons at Canyon to Walteen and Dorothea, if they wish to continue my friendship over there.

We, Ted, Royce Lee and Kay, will our trip to Friona after the

Junior - Senior banquet to Mer-ry Kay and whoever wishes to go along.

Jimmy Fowlkes will his ability to sleep in English class to Wendell Wilson. I also will my ability to give the wrong answers in plane geometry to anyone who doesn't want to pass it. I will my ability to get sick the period before English class to anyone who need to get out of a test. I will my points with Mr. Hill to anyone who isn't going to be in band next year.

Emma Gifford Crofford will her ability to keep house, go to school, and work, to Sandra Townsend because she will probably be doing it next year.

I, Dorcey Mutter, will the following things:

- 1. To the New Band Mother, Cherry Holt, I would like to leave her the twelve "Children" I acquired last year.
- 3. I would like to leave the second chair clarinet player my ability to follow the first chair player.
- 4. I would like to leave my knowledge of Elizabeth Coke and Jerry Hodges.
- 5. To all of the prop committee on next year's plays I will my skill to find wooden milk pails.

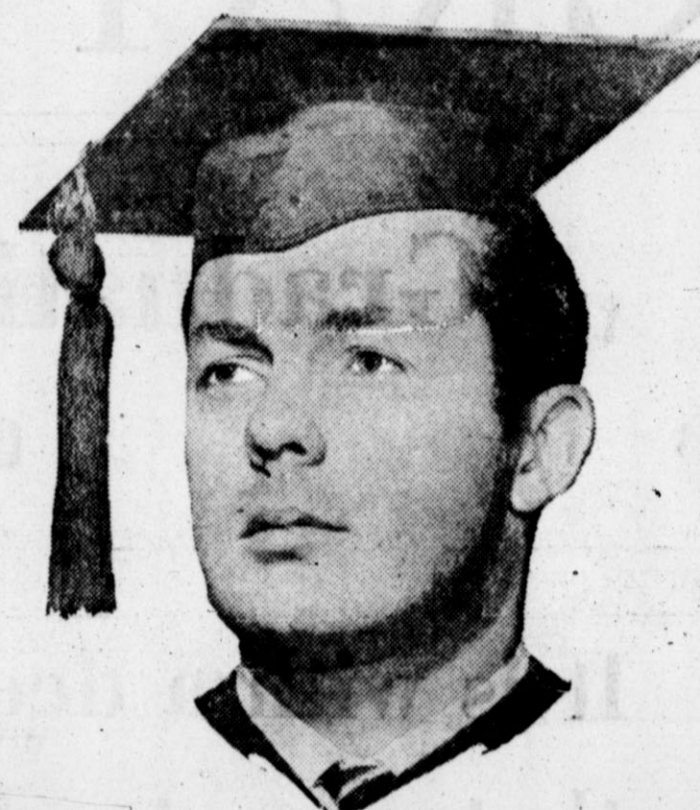

I, Pat Parker, will Donny Lesly and Thomas Coffman a pair of hobbles for the old white mare.

Jim Brown will his key to the Pharmacy to Dennis Hodges.

I, Terry Hodges, will my ability to be a walking Almanac

along in D. E. Class. Also, I will to Tommie Kay Robinson the art of getting caught in snow storms at night and having flats on lonely roads. Gena Guinn and Linda Shaffer will to the seniors of next year all the troubled tasks of English IV. I, Bill Dirks, will my sheep halter to Donny Lesly so he can use them when the boys win state in basketball next year. I, Pat Parker, will my ability to have two dates in one night, with Linda H and Suzy L, to Walker Parris. I, Ann Smith, will my dirty P. E. sweat shirt to Lynn Cox and Doug Bryan. Linda Cox and Carlie Smith do hereby will and bequeath

their ability to have lats to Molly Davis. Ronald Anderson wills all his points with Mr. Young to anyone who needs them, because they won't be getting anything. Also I will my ability to make hydrogen sulfide in chemistry class when Mr. Young is gone to anyone who is stupid enough to try it. I, Jimmy Head, will David Green my five - gallon can and siphon hose. Shelia Williams and Margaret Boomer will to two lucky band members of next year their fun in Enid - especially with Mrs. Schneider. I, Sue Minor, being of unsound mind and body, bequeathed a year's subscription of joke books to Bobby Hernandez. I al-

so leave to Suzy Woodrord my good times, both in town and out - of - town. I leave to Laverne Thompson those school bus rides. To Patsy Loeerwald and Katherine McClain, I leave the good times I've had in Austin. I, Pat Vidrine, being a senior and in sound mind, do will my ability to spill or taste all the acid preparations we made in Chemistry to all who take chemistry next year. Also, we, the senior girls in Latin II, Lee, Beth, Sonnie, Jean, Jeanette, Anne, Pat and Ann, do will to the Latin I students our ability not to have our lessons ready to read in class. Gail wills to Dot and Tenny her ability to go through high

school without understanding anything.

I, Bobby Renfro, will 2 cases of dog food to anyone who needs it for their kennel.

Bobby Renfro, Pat Parker and Jim Brown will the whole west end of third street to Donnie Lesly.

I, Terry Hodges, ping pong pro at the Community Center,

will my job to anyone who wants it I, Bud Godwin, will nobody nothing because I don't have anything.

Mr. Smith's senior home room will their good attitude to Mr. Smith.

I, Virginia Isbell, of the City of Hereford, County of Deaf Smith, State of Texas, being in my first childhood and of questionable mind and of unsound memory, do make and publish this my last will and testament.

First, I desire that all the R. K. parties at the Bull Barn be left to Kay Cole and Ann Lance. Remember girls! Second, to my brother, Don Scott, I will Saundra Inman and may Heaven help you! Third, to Eual, I will the good will of the boys in Farwell and all the flying bottles at Palo Duro. Also to Leon his trips to Canyon and Amarillo.

I, Patsy Hollenstein, being of questionable mind and in my old age do make and publish my last will and testament. First, to Sharon Bezner and Helea Hoffman, all the good times I have had at the Nazarene dances and L. K., too. Second to Eu-

al, the ability to model petticoats at birthday parties. By the way, why didn't you model those P.J.'s for us?

I, Saundra Inman, being in the neighborhood of 17 years of age and of a sound and undisposing mind and memory, in the presence of witnesses, appoint Don Scott executor of this will, do make and publish this my first will and testament. First, to Don Scott I will half of my ability to stay at home next year and be good. Second, to Sara Gillentine I will all the signs that may get misplaced on band trips next year. Also will you please pick up a pack-

age behind stage after this assembly? Third, to Wakey Northcutt and Jimmy Collier, I give and devise two bits of courage and a little money to a "king size" task which faces them in the future. Fourth, to Ann Sheppard, I will the ability to take care of herself at Corpus next year. Fifth, to all the Journalism students, we, Saundra Inman and Sheila Owens, will the new staff room to Kay Packard, and Carolyn Hammett, and the rest of the members.

I, Sheila Owens, will ability to put lard on Gir's glasses to Don Scott; my ability to Eual Perry to write poems; all the fun I've had in choir to Joy Wilman; to Wakey Northcutt my ability to be careful with whom he plays hookey next year and remember the Country Girl.

The third period English class wills to Leon the ability to spell. We, Martha Finch, Janell Weaver, Betty Bridges and Margie Miewes will our library to Dyann Duvall and Brenda Beasley, who appreciate good literature.

I, Stella Jo Wiseman, will to Merry Kay Pruitt all my claims on a small town just north of here. Also, to anyone who can take it, I will my high standing in Trigonometry class.

I, Danny Cleveland, being of weak mind and weaker body, will my seat in the senior section to Ken Walser.

Ruth Powell and Jeanette Roe will Joyce Roe one monopoly game to be played only at slumber parties.

The senior football boys will two buckets of blood and all the luck in the world to the 1960 football team. Plus a bunch of scabs.

I, Jim Uselton, will my 3 o'clock seat in the field house to James Gentry because he really needs it.

This year's student council wills next year's council a hayride party.

Gary Guseman, Herman Jesko, Jerry Hodges, Larry Dobbs, Pat Parker, Jim Uselton, Dudley Bayne and Donnie Marcon-

tel will their ability to do sneaky things in Physics class to next year's Physics class.

Beth leaves her bad luck to no one. I hope no one has as much as I had.

We, Jean and Sue, leave to the school, teachers, principals, and anyone else who runs this school, to all the poor ones next year.

I, Nelda Barnett, will all the headaches, trials, and troubles and sour notes of 1st chair French horn to Mickey Bone-sio.

I, Robert Kubacak, being of weak mind and strong(!) body hereby will my third year English workbook to someone in Miss Wall's class.

Two senior boys will Nicky Nan Bradford the ability to get along with her lover, Julian.

Tim Betzen hereby bequeaths Scott Martin, Frank Dutton and all those who appreciate scenery, all the best scenery walking round this high school.

I, Dudley Bayne, will a thousand firecrackers to Jim Pavlicek, Wesley Poarch, Lisle Patton and Craig Griffith.

Jeanette, Margaret, Anne and Sheila will to Linda Edwards a large bottle of Chanel No. 2.

Anne McCarver and Jeanette Rayburn will to Cherry Holt the ability to catch on to band trip jokes.

I, Victor Craig, will all the funny sayings and helpful hints written in my books to posterity. I also will the ability to do any given task in English class to Mr. McDougal.

Carlie Smith and Jean Terry will their broken typewriters to Mrs. Duvall.

I, Jean Terry, will my ability to get shorthand to Tommie Kay Robinson. To Jimmy Vines the fun I've had after 2 a. m. at parties. To next year's mixed choir the fun I've had in "Brigadoon".

I, Jeanette Husmann, will all the jokes in annual staff to Patsy, Linda and Nickey. Also my Monday blues to Carolyn Diller.

Golden Moments Of HHS Seniors

By WHITEFACE STAFF
Seniors reveal their most memorable events during their years at Hereford High School:

Who? Mr. Guess Who

By The Whiteface Staff
Eyes — Brown
Hair — Brown
Height — 5' 9"
Hobby — Playing football
Favorite pastime — Being with Patsy
Girlfriend — Patsy Livesay
Favorite food — Pork chops
Favorite book — *On The Beach*
Favorite show — *Thunder Road*
Favorite sports — Football
Subject — Business math

ers. I'll never forget all the fun of that banquet.
Nelda Barnett — The trips to All - Regional Band and playing in the snow my Junior year.
Garland Crist and Dwayne Cassels — Their friendly relationship with Mr. Richy.
Ruth Fincher — The trips to Enid — including the bus rides to homes and forgetting where to get off.
Joe Sherman — Our trips to Odessa with the contest play and my friendly chats with Mr. S. & Mr. R.
Allen Cansler — Playing on a record - breaking football team.
Anne McCarver — One of the memorable things that will always be remembered by me is last year's band trips to Enid, Okla.
Judy McGee — The day was Feb. 23, 1959 — the day they announced cheerleaders. I will never forget that day as long as I live.
Janell Weaver — The trips to Dallas in F. H. A. and Library Club trips to Houston.
Doris Willoughby — All - regional band and trips to Enid, Okla.
Song — "Stairway to Heaven"
Our Mr. Guess Who for this week is a cut and perky young boy from Mrs. Durham's home room. He has a darling personality and is liked by everyone.
Herman Harrison

so hard to separate from this as being my most memorable day would be the day I received my State Degree in F. H. A. and getting to go to Austin to receive it.
Dwayne Cassels — I will always remember the track trip to Friona my freshman year.
Sue Minor — The most memorable things I remember are the time I went to Austin, twice for the basketball games and once for Future Nurses Convention.
Azalee Phillips — The day I

will never forget is June 23, 1959. That was the day I won my car at Cooper's. It was quite a thrill.
Marilyn Newell — The day the cheerleaders were announced for 1959 - 60. It was very exciting.
Dave Dziuk — The crazy mid-night rehearsals of "Brigadoon" and all - regional choir.
Jeanette Rayburn — I will always remember the band trips to Enid and the trips to Austin for basketball and band.
Richard Ward — I haven't got

a most memorable day — they were all flops.
Pat Parker — The days I didn't GOOOOOO!
Bill Dirks — The time Garland and I went to the basketball game.
Ray Lee — Mid - term when I passed Civics.
Harvey Garrison — The day I moved to Hereford and the time I had at Austin.
Gena Guinn — The night "All My Sons" won district at W.T.
Barbara Jacobs — The night I was a freshman when we had

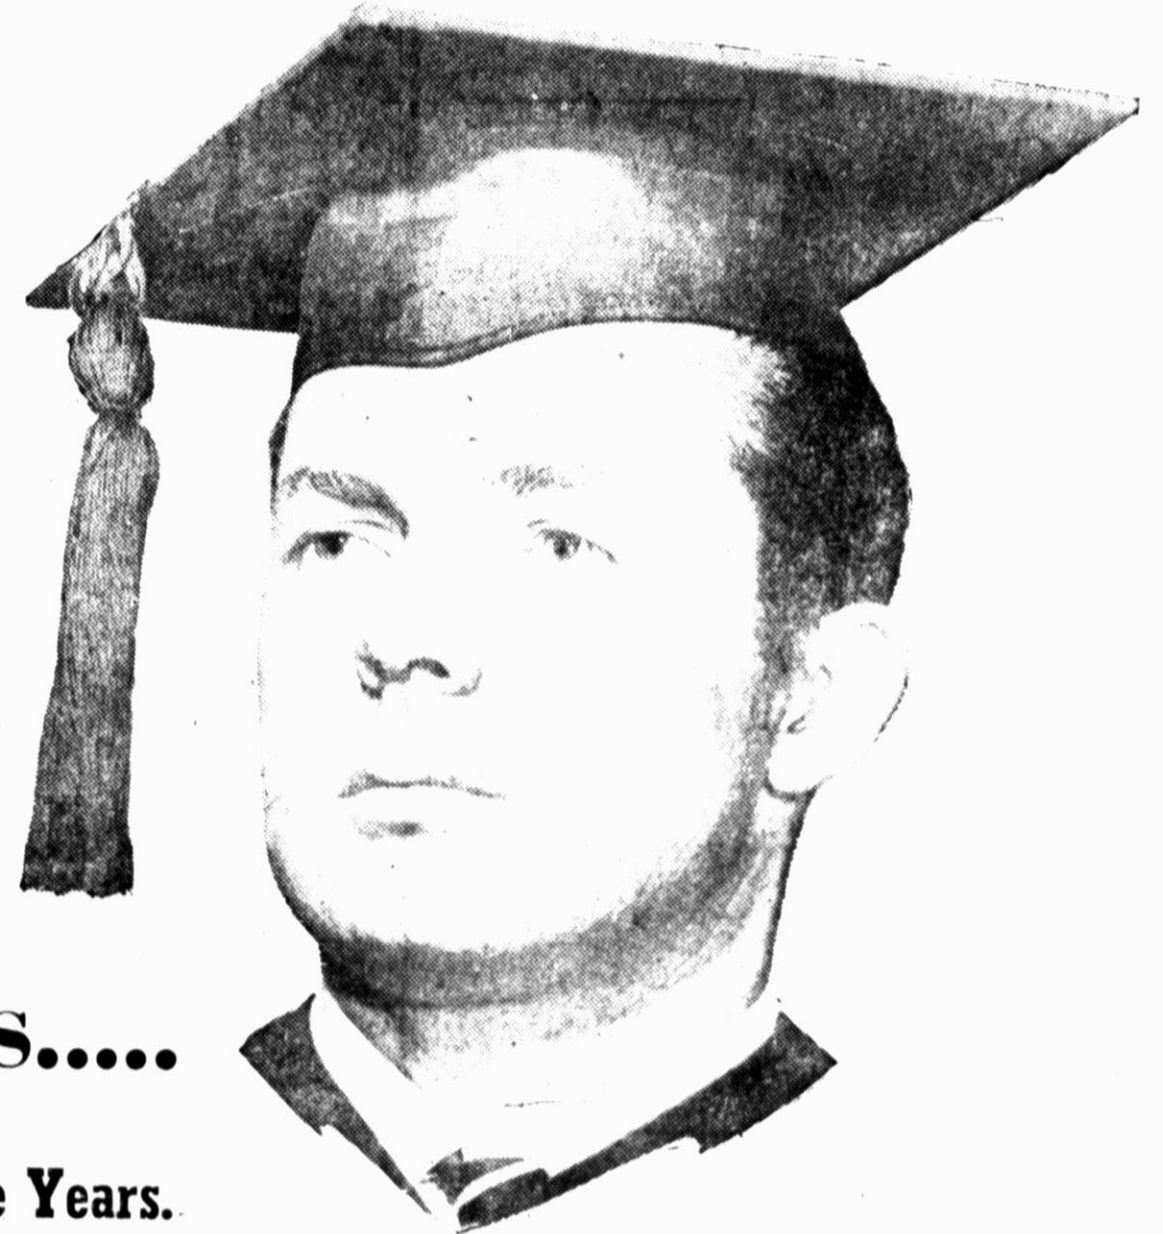

start night and Tony Cleland modeled something of mine. I still think he looks cute in them, but I would like to have them back.
Jonna Lee Blocker — Working on all the plays, especially "All My Sons", "Arsenic and Old Lace", and "Queens of France", and the band trips to Enid, contest trips to Odessa, etc.
Barbara Jacobs — My sophomore year when I was annual queen candidate.
Carlie Smith and Barbara Ja-

cobs — Coach Alex Glass' home room.
Bobby Sessums — The banquets and parties.
Sonnie Childers — The trips to Austin.
Margie Mediwes — The long days.
Linda Shaffer — Getting annuals, signing them and working at the Junior - Senior banquet last year.
Polly Ann Monroe — Some of the discussions held in Mr. Alvin Smith's home room.

Will...
(Continued from page 6)
Frio Trio leave to their favorite stogie, Walker Parris, some more playing engagements in Amarillo so he can see his favorite girl.
Billy Lytal leaves Lynton Allred a fire extinguisher so he can keep the world from burning up.

Miss Hereford High

By WHITEFACE STAFF
A smile and a cheer would very well describe this week's senior Miss Student Of The Week. She has been chosen from Mr. Murphy's home room. Some of her favorites are: Hobby: Water skiing and dancing Subject: Office practice Sport: Football and basketball

She plans to attend O. S. U. after her graduation from High School. She maintains a "C" average in her grades and belongs to FTA and DE. She is 5' 4" tall, has green eyes and brown hair. She is 18 years old. Her most exciting thing to happen during high school was being elected cheerleader, and her pet peeve is people who don't smile. Well if you haven't guessed who she is by now I'll tell you.

Happiness With A Capital 'H'

By WHITEFACE STAFF

What do you want most in life? Do you want fame, success, money, security, happiness, a good time, or a position of greatness in the world? Some of us probably would like a combination of these, but if it were narrowed down to just one thing, what would you choose? If we were truthful, it is doubtful that there would be an exception as to what people really want out of life — happiness.

mean by not liking ourselves? Everyone likes himself. By liking ourselves, we mean living with ourselves to the point that our conscience tells us that we are doing our best and living an exemplary life. Do you respect yourself for being honest and playing the game of life fairly? Oftentimes, it is harder to look oneself in the eye than it is others. We can fool our neighbors, but we can't fool ourselves.

Just as plants are affected by the environment in which they live, so we, as humans, are too. The weather is the chief factor in affecting the plant.

Our chief factor in life is our relationship to others. The thermometer of happiness will be highest when we are loving others the most. We have to put aside petty jealousies and grudges, and try to really put others before ourselves.

Many of us are so cold and selfish that our gauges don't even appear to work anymore. There are others, however, who always seem to live in an eternal springtime.

The song writer may say that "Happiness is Just a Thing Called Joe," but to the person who is really happy, there is an awareness that happiness is really a thing called love.

We have to pay for other things in life but happiness is free. Go to your heart and draw on the bank of love. You'll be glad you did. BE HAPPY.

"K" Means Kindness
A wise man once said, "As long as you leave your foot prints on the even shining sands of time, always be kind to your fellow man."

This is a wonderful bit of philosophy, lofty in its concept and worthy of our serious consideration. The author of these words has made a wonderful discovery. He has found something of great human value that is worth sharing with the whole world. His words are the conclusion of a lifetime of living and observation. The writer may have missed in his heart.

"This is the great lesson that I've taught me, and since I must soon pass the way of all flesh, it is all I have to leave to those who remain."

I do not believe his words are directed to those whose feet print are almost, though, as much as he does, to those who are just beginning this earthly journey. He is a very old man. I now stand at the near end

GEORGE VS. WILT
ST. LOUIS (AP) — Jim Pollard, one-time great with the Minneapolis Lakers, was asked how he would compare Philadelphia rookie Wilt Chamberlain with his old teammate George Mikan, a basketball's player of the last half-century.

"It's difficult to compare because of the present water lane and the 24-2 second rule," Jim said.

"Chamberlain may have a little more ability but George was a great competitor. If you knocked down one shot on him he'd score next time or there would be some spilled blood."

"I like to think Mikan's elbow, hips and knees would have made the difference."

"If there would be any way at all, you shall soon stand. I have found from cruel experience, the preciousness of being kind to one another. This is my contribution to you. For your journey upon these shifting sands of time, I'll be kind."

to beat Chamberlain. Mikan would find it...
GIS SERIES AT 15
ST. PETERSBURG (AP) — Mike Wise Jr. bowled a 227 in the game and a 611 in the City Recreation Junior League. He has been bowling one year and uses a resultant in the point ball. He is 5-foot-11 and weighs 172 pounds.

HOBO PARTY... were you there?

Seniors Remember Freshmen Party

By WHITEFACE STAFF

The party gave a prize to the tackiest couple at the party. Alice Inman won that prize — it was very hard to choose who would win the prize because most of the people there really did look like hobos in their outfit. A lot of kids really went out for it.

We also had a lot of fun with the entertainment and retrospectives at the party. It seems someone or group of girls decided that the party would not be a success unless someone brought a dead fish to it. So they did.

This might have upset the appetites of some people, but not the freshmen. For entertainment we had a lot of fun. We played on the trampoline and all different types of games.

But that was all nearly four years ago and is just a memory now, however, I know some will never forget it or any of the things that they did throughout their years at Hereford High School.
