COMFORTED by an unidentified woman is Ronald Wright Livesay, nine-year-old son of Mrs. Ann Livesay of Hereford, who was injured Saturday afternoon when the bicycle which he was riding was struck by an automobile. The youth Wednesday was reported in good condition at Deaf Smith County Hospital, where he was admitted for treatment of his broken right leg. The accident occurred at 1:55 p.m. Saturday on E. Fifth St. No ticket was issued. (Staff Photo by Dan Mudd)

City-County 'Summit' Discussion Is Sought

18 GAMES SCHEDULED

First Baseball Contest Mar. 7

An 18-game baseball schedule was released this week by Hereford school athletic director Cuby Kitchens. It includes eight games at home and ten on the road. First game is scheduled for less than three weeks from today. It will see the Plainview Bulldogs playing at Hereford on Tuesday, March 7, starting at 4 p.m. Kitchens will be coaching the Whiteface diamond squad this year, replacing Joe Smith. Smith decided not to coach. Assistant coach will be Harlan Voyles, who played on the West Texas State College baseball team.

tion. But Marcontell pitched all four district games, winning three and losing one. Some transfer students, who are eligible for spring sports, are expected to bolster the hurling staff. The schedule may be supplemented later to fill open dates. It includes four doubleheaders this season. Complete schedule includes: Mar. 7 Plainview Here 4 p.m. Mar. 11 Plainview There 1 p.m. Mar. 14 Amarillo Here 4 p.m. Mar. 17 Borger Here 4 p.m. Mar. 21 Palo Duro There 4 p.m. (Continued on Page 2)

Deaf Smith County Commissioners voted Monday to ask members of the Hereford City Commission to meet jointly for a discussion of mutual problems. No specific points for discussion were raised, but the county group felt such meetings would be valuable to closer harmony between the two governing bodies.

The approval is contingent upon a survey check by A. J. Schroeter, county surveyor. Purchase of two double-section file cabinets for the County Clerk's office was approved. Low bidder was General Office Supply of Amarillo, with a bid of \$865. Salary for County Agricultural Agent J. W. Thomas was raised from \$2010 to \$2450 per year, with travel allowance remaining at \$1100 a year. The remainder of Thomas' salary is paid by the Texas Extension Service. Court approved a request for bids on a new motor grader for Precinct One. Commissioners appointed the following election judges to serve for two years: Precinct 1, License Examiners Room, Courthouse: Frank Bezner, Bill Waldrep, Mrs. R. L. Simpson and Mrs. W. C. Davis; (Continued on Page 2)

Roy Todd, assistant grid coach

Hire Assistant Coach, Approve School Calendar

Roy Todd, head football coach at Moody High School, Monday morning was hired as first assistant football coach of Hereford High School. By recommendation of head football coach Jack Meredith and school superintendent Paul Stevens, the appointment was made by Hereford Rural High School District board of trustees. Todd has been coach at Moody for the past six years. His class B team took first place in district play this past season. The 32-year-old graduate of Daniel Baker College at Brownwood has been coaching since 1951. He was coach at Danbury High School for five years before coaching at Moody High School. In other business, the trustees set school board election for April 1. Final date for filing candidacy to two posts is March 1. The trustees voted to hold a dinner honoring former school board members Tuesday, March 7, beginning at 7 p.m. in the high school cafeteria. Invitations will be mailed. Proposed school calendar for the 1961-62 term was approved. Enrollment in all schools in the Hereford district is scheduled for Aug. 30, with classes beginning on Aug. 31. Proposed dates for observing holidays include: Labor Day, Sept. 4; Thanksgiving, Nov. 23. (Continued on Page 2)

Criminal Arrests Doubled During 1960, Police Report

The year 1960 was a busy one for Hereford Police Department, as annual report on activities shows criminal arrests increased by about 100 per cent over the preceding year.

The report, prepared for submission to the Mayor and City Commission of Hereford by Police Chief Henry Aycock, showed 694 criminal arrests during the past year. That figure contrasts with 323 criminal arrests in 1959. Dispatch entries also hit another high. The department recorded 16,477 in 1960, compared with only 11,528 in 1959 and 8,699 in 1958.

Increases were shown in all categories of criminal offense arrests. Criminal fines zoomed up to \$8,122 over the 1959 total of \$3,791. Liquor violations and charges stemming from excessive consumption of alcoholic beverages constituted a substantial increase in arrests during the year.

Around Town

During a trip to Sweetwater last weekend, we were wishing for an air conditioner in the car. It was a most pleasant drive for mid-February and made us wonder what's in store for the next six weeks. This can't last forever, or can it? Every morning we wake up expecting to see a foot of snow on the ground, but it isn't here yet.

The Hereford Brand's method of handling local pictures was one of the major topics on the mid-winter meeting of the West Texas Press Association at Sweetwater.

Several Hereford people had lunch Tuesday with John Whitcomb and Al Leach of Southwestern Bell Telephone. Whitcomb, district manager from Lubbock, was particularly interested in the growth prospect for Hereford. "We got behind here once," he said, "and we sure don't want to do it." (Continued on Page 2)

Charges falling into these categories during 1960 and comparisons with the preceding year included: drunk, 248 arrests, compared to 160 in 1959; driving while intoxicated (first offense or second offense), 42 arrests, compared to 20 in 1959; drunk in control of car, 22 arrests, compared to four; and liquor violations, 45 arrests, compared to only one the year before.

Other criminal arrests listed in 1960 include: 11 for burglary, 21 for theft, 93 for disturbance, 29 for gaming, 14 as fugitives from justice, 34 for assault, 24 for investigation, 53 for vagrancy, six for carrying a prohibited weapon, 11 for juvenile delinquency, five for sex offenses, five for forgery, seven for littering and 24 in connection with miscellaneous offenses.

The same totals for 1959 were: eight for burglary, 12 for theft, 26 for disturbance, two for gaming, five as fugitives from justice, 10 for assault, 23 for investigation, two for vagrancy, and 50 for miscellaneous offenses.

Criminal offenses during the year resulted in \$9,088.15 in financial losses. Financial losses in preceding years were \$6,794.88 in 1959, \$6,554.01 in 1958 and \$7,421.60 in 1957.

Moving traffic violations total 1,545 in 1960, compared with 1,441 in 1959, 1,113 in 1958 and 1,070 in 1957. Monthly totals were: 73 in January, 182 in February, 77 in March, 102 in April, 156 in May, 148 in June, 119 in July, 178 in August, 156 in September, 95 in October, 136 in November. (Continued on Page 2)

Baldwin And Thomas Sign With WT, Rice

A pair of Hereford High School football linemen have signed letters of intent to play college ball. They are Eugene Baldwin, who will attend West Texas State College, and Edwin Thomas, who will enroll at Rice Institute. Both boys had been widely sought by various schools. Baldwin, who will not compete in any spring sports, also signed a four-year scholarship contract with West Texas. He was signed by Jack Harris and Jack Winningham, Harris coach. Baldwin and Thomas were All-District selections this year. Thomas also is a two-time All-State selection and was chosen to All-Region and all-opponent teams.

Razzle-Dazzle Basketball Set Thursday Night

When those wizards of the hardwoods, the Harlem Stars, appear in Whiteface Gymnasium in Hereford Thursday night, spectators will see a razzle-dazzle style of basketball made famous by the world-known Harlem Globetrotters. But the crowd may be in for a double-feature of surprises as a team of Hereford players who will play the Harlem Stars are capable of a little razzle-dazzling of their own.

The Harlem Stars-Hereford game will begin at 8 p.m. in the high school gym. A preliminary game, featuring high school girls' physical education classes, will begin at 6:30 p.m.

Advance tickets state the girls' game will begin at 7 p.m., but the high school Student Council, sponsoring both games, felt that the game should begin a half-hour earlier in order that the Harlem Stars will have a chance to go through their pre-game warmup, which is a classic display in its own right.

Tickets may be purchased at Hereford Bakery, McDowell Drug, Dub's Man's Shop or at the door Thursday night. (Continued on Page 2)

Absentee Vote Closes Friday For Bond Issue

Absentee voting will close at 5 p.m. Friday, Feb. 17, for the city's proposed \$220,000 bond issue. This is three full days prior to the election, which is scheduled for Tuesday, Feb. 21. Those desiring to vote absentee may do so Thursday and Friday in the office of the City Clerk in City Hall. Residents who own property and are otherwise qualified to vote will be allowed to cast ballots. Bond issue election will be held in City Hall from 8 a.m. until 7 p.m. Tuesday. At stake is the paving of several streets, widening of Third Street and new protective coating over most of the paving within the city. Also included in the project is repair of many intersections and construction of storm drainage for the intersection of Park Avenue and Avenue K.

Clovis Man Held On DWI Charge

The Clovis man was arrested three-fourths of a mile west of the city limits of Hereford on Highway 60 at 1:11 a.m. Sunday. Hereford police made the arrest. The man was transferred to county authorities Monday when bond was set. The case is pending action in Deaf Smith County Court.

Women And Children Left Behind By War Form Theme For Thespian Play

In keeping with the practice of presenting only recognized plays by the best playwrights, Hereford High School Thespian Society on nights of Feb. 23-24 will present a piece of classic dramatic literature set in the shades of the death of the last Trojan men. "The Trojan Women," written by the Greek poet Euripides in 415 B. C., will be staged in the high school auditorium Thursday and Friday, Feb. 23-24. Curtain time is 8 p.m.

The tale of Helen of Troy, the face that launched a thousand ships and burnt the topless towers of Ilium, as English poet Christopher Marlowe described her, has been told in many versions since the Homeric legend was written. How Helen, wife of the Greek king Menelaus, ran away with the Trojan prince, Paris, and how the Greeks destroyed Troy through the use of a great wooden horse in order to regain Helen, is a familiar story.

"But Euripides' version of the story," according to Hereford High School Thespian director Burney McClurkin, "is unique. It's not involved with war, but with the women and children left in the aftermath of war." "This situation has always been the most dramatic telling of any war," McClurkin continued, "and I think the comments Euripides made about war in 415 B.C. through 'The Trojan Women' still apply today." Title roles as widows and daughters of the defeated Trojan army will be played by Sharon Hill as Queen Hecuba, Shari Carmichael as Cassandra, daughter of Hecuba, and Suzanne Langley as Andromache, wife of Hector, the Trojan hero. The infamous Helen of Troy, daughters of the defeated Trojan army will be played by Sharon Hill as Queen Hecuba, Shari Carmichael as Cassandra, daughter of Hecuba, and Suzanne Langley as Andromache, wife of Hector, the Trojan hero. (Continued on Page 2)

Two Men Given Prison Terms

Two men were sentenced to terms in the state penitentiary in a 69th District Court session held in Deaf Smith County Court House Tuesday.

Jay Lee Walters, alias Tom Jenkins, 36, was sentenced to two years in the penitentiary after entering a plea of guilty to charge of forgery and passing.

Probation for John T. Jennings, 32, 135 N. 25 Mile Ave., was revoked and he was sentenced to a three-year term.

Presiding in court was District Judge Harry Schultz of Dalhart, who was in Hereford to hear pre-trials on civil cases. Judge Schultz announced that jury trials in civil cases would be held March 13, and he set jury trials in criminal cases for March 14. (Staff Photo)

NEW STREET LIGHTS, gas ones, have been installed on Elm Street in Hereford on an experimental basis. They are mounted on small metal poles with underground gas connections. Light output is greater than similar yard lights. City officials will study the lights, and their costs, during the next few months. (Staff Photo)

Dumas Takes District Title With 67-57 Win Over Herd

Dumas wrapped up a clear-cut district title Tuesday night and carried it out of Demon gym after dropping the Hereford Whitefaces 67-57.

It was the end of the line for a Hereford team that never quite found itself and another in a string of 22 victories and just five losses for the dandy Demons.

A Hereford victory would have thrown the district into a tie and forced a play-off game. But the Demons now carry their eight consecutive wins into a regional play-off next week. It will be their second appearance in as many years in the post-season tourney that leads to the state meet. In 1960, the Demons were defeated in their first game.

For Hereford, 1961 will be marked as the first year in four seasons that at least a share of the district title was not available. In 1958 and 1959, Hereford won the district and regional crowns. Last season, Baker tied Dumas for the title but lost in the play-off game.

The Whitefaces played sparkling basketball for three periods... but the game lasted eight minutes longer. As has been the case most of the year, mental errors and careless ballhandling were major factors in the loss.

It was an exciting game down to the final gun, with spectators packed into every available inch of space at Demon gym. The lead rocked back and forth until late in the third quarter. And a frustratingly cold start in the final period was too much. Surprise ingredient for the Dumas win was sophomore postman Kelly Baker, who had fouled out during the B team game. Baker took over when Jimmy Morgan picked up three fouls in the first period. He gave up points to Hereford's big Carl Miller, but grabbed rebounds and kept Miller from having a field day. As the game opened, it looked like Hereford was to have another cold first quarter, as it did in the first Demon tilt. Down 10-2, Hereford staged a rally that pulled the team in front 13-12. The period ended 16-11 as Miller dropped in a field goal. (Continued on Page 2)

A WOMAN SCORNFUL is Helen of Troy, portrayed by Judy Bradley, after arguing with her husband, Menelaus, commander of the Greek forces. They are leading personalities in "The Trojan Women," which will be staged by the Hereford High Thespians on Feb. 23 and 24. (Staff Photo)

Around...

(Continued from page 1)
again." It was a relaxed, cordial meal, but I thought Kenneth Coker and Charlie Seeds would never get through wrangling about the new car that Coker won, but hasn't received. "Since I live across the alley from Charlie and he can see two ears in my driveway, it's

Superstitions Are Discussed By Club

Mrs. Richard Pickens presented the program at the Thursday meeting of La Madre Mia Study Club, which was held in the Friendship Room of the Hereford State Bank building.

Speaking on "Superstitions," Mrs. Pickens stated that superstitions originated primarily from mythology and witchcraft, but were also prevalent among the primitive dwellers who lacked an understanding of science and the universe.

"Superstition," Mrs. Pickens said, "appears to be yielding slowly to the rise of average intelligence and in time may disappear with other irrationalities."

Mrs. Bobby Owen, hostess, served refreshments of hors d'oeuvres, pie and coffee to Mrs. Dennis Lomas, Walter Kirkland, Joe Locke, Ted Hardwick, Harold Morton, Benny Gollehon, Joe Brooks, Richard Pickens, John Smith, G. C. Merritt Jr., Bobby Williams, Charles Frye, R. W. Hale, Joe Henry, Eugene Sparks, Dean Herring and Homer Lee Owen.

Have you read the classifieds?

kinda hard to convince him that I am in desperate need of another one," Coker finally said.

Charlie Bell is rehearsing and recruiting for the Hereford Lions Club minstrel show. Wayne Thomas is the inter-locutor. Endmen include Troy Mims, Marlin Gilliland, Ed Skypala, Reuben Knox, Buddy Hutson and Johnny Johnson. Now, how could you beat such a cast this side of Hollywood? The cast may include as many as 100, plus a complete Dixieland band, "The Dark Town Ramblers."

We were disappointed, of course, with the results of the Hereford - Dumas basketball game Tuesday night. Unlike last year, Dumas has the potential to win the state title. Coach Don Haskins has developed a strong, smooth, powerful squad. The team's 22-5 record bears that out. What's more, Dumas plays well under pressure. Hereford played hard and it was an even ballgame for three quarters. In the teams' first meeting, Hereford had a bad first quarter. Tuesday it was the fourth period that killed them. In both instances, little mistakes made the difference. Hereford didn't live up to some pre-season predictions, but a 16-10 record against extremely tough competition is mighty fine. It's always tough to lose, but second place in this district is something to be proud of and, besides, there's always another year and another season.

The high school Student Council would like for you to come out for one more basketball game this season, Thursday night, Feb. 16, they will sponsor an appearance of the Harlem Stars, featuring Bold Bule and Showboat Buckner. A group of high school faculty members will oppose them. A girls' basketball game will be the curtain-raiser at 6:30 p.m., with the feature clash at 8 p.m. Proceeds will go to the Student Council.

Razzle...

(Continued from page 1)
The Stars, a team of Negro players, will be led by their one-armed star Bold Bule. His left arm amputated inches below the shoulder, Bule can nevertheless dribble around on a fast break, take a lightning pass at top speed and take off for a lay-up shot so easily that at first one would not notice the missing arm.

The six-foot-two player averaged 14 points during his nine seasons with the star-studded Globetrotters.

Police are still investigating a vandalism report turned in Sunday evening. A window in St. Anthony's Catholic Church was hit by one pellet during evening services.

Only slight damage resulted when a grass fire burned part of a poultry building on South Main Saturday afternoon. Owner B. F. Cain said the walls of the building were fireproof, but heat melted a metal overhang on the roof.

The sun still shines bright. But we always expect each night To wake up after a long sleep And find snow about neck-deep.

The Hereford unit will include Roy Hartman, Cuby Kitchens, Joe Brooks, Bobby Williams, Harvey Penner, Jerry Murphy, Wade Thompson and Howard Ritchie.

One of the referees will be the mayor of Hereford, "Woody" Wilson. Wilson would not agree to referee unless he had a "body guard," so Deaf Smith County Sheriff Lowell Sharp agreed to be the other official.

Folks that watched Hereford Whitefaces coach Cuby Kitchens play before know that the Stars may find themselves a little confused by Cuby's bag of tricks. All the local loopsters are in the Hereford school system.

The clown prince, Showboat Buckner, will open his bag of tricks when the Stars hit the hardwoods here. He has the greatest set shot in the business, and stands a mere five feet, two inches. Before 40,000 in Buenos Aires, Showboat received a standing ovation for 30 minutes in tribute to his flashy performance.

Showboat also was a player on Goose Tatum's Harlem All-Stars for two years before joining the Harlem Stars.

Others Stars include Ed Wallace, 6'5", who played for Kansas University with Wilt "The Stilt" Chamberlain; Taylor Billingsley, 6'1", one of California's outstanding basketball players; John Barber, 6'6", who once scored 180 points in a single game while playing ball at Los Angeles State College; Andy Shepard, 6'5", a fast-moving pivot man; Rural Tucker, 6'6", who spent three years in the National Basketball Association; and Howard Babe Rand, 6'4", in his twelfth year as a professional.

Criminal...

(Continued from page 1)
November, and 123 in December. Traffic fines showed a slight increase over 1959. Fines in 1960 totaled \$15,179, compared to \$15,074.50 in 1959, \$7,697.50 in 1958 and \$6,803.45 in 1957.

Automobile accidents in 1960 cost motorists or insurance companies \$39,148. That amount is an increase over \$34,951.50 for 1959.

Automobile accidents, however decreased slightly last year. Hereford police investigated 156 accidents in 1960 compared with 162 in 1959, 183 in 1958 and 190 in 1957.

Monthly totals of accidents investigated were: 18 in January, seven in February, 11 in March, 13 in April, 17 in May, eight in June, 13 in July, 13 in August, 14 in September, 11 in October, 12 in November and 19 in December.

Overparking violations, totaling 7,392, dipped under the 7,727 total for 1959. Police issued 7,600 overparking citations in 1958 and 9,585 tickets in 1957.

Overparking fines totaled \$4,442 in 1960, \$4,164 in 1959, \$4,211 in 1958 and \$4,857 in 1957.

Parking meter revenue showed a total of \$11,933.87, in 1960.

Women...

(Continued from page 1)
who ran away with Paris and caused the war, will be portrayed by Judy Bradley, who was elected to the All-Star Cast at Regional 1-AAA One-Act Play contests last year.

Jim Pavlicek will play the role of Menelaos. Helen's husband and general of the Greek forces.

James Gentry will appear as Talthybios, diplomatic emissary of the Greek forces, who has the unfortunate task of sending the Trojan women to the Greek masters following the war.

Patron gods of the opposing forces, Athena and Poseidon, are played by Audni Miller and John Buck, respectively. Chorus leaders will be Linda Edwards and Mar-Gwen Lackey.

Members of the chorus of Trojan women are Kay Neill, Nancy Edwards, Sandra Westler, Betty Sue Lockhart, Joy Story, Jenny Holt, Kay Seaman, Joyce West, Kay Lemons and Beth Carthel.

Greek soldiers will be characterized by Jerry Clark, Fred Henry, Sam Saul and Dan McDowell.

The play opens following the death of the last Trojan men, the day the Greeks are to take ship for their homeland. Poseidon, god of the sea and patron of defeated Troy, is lamenting the disaster brought upon his city by the goddess Athena, patron of the Greek forces.

Athena, too, is enraged because the Greeks have allowed Trojans to destroy her temple. The two then plot to ruin the Greek success by destroying Greek ships on the return trip, thus determining the fate of the hapless Trojan women beyond the moment of the play.

Queen Hecuba of Troy, mother of Hector, the Trojan general and hero, and of Paris, who stole Helen away, waits with the other women outside the gates of Troy. They are waiting word of their fate from Talthybios, Greek diplomatic emissary.

Talthybios' news comes: each woman has been allotted as slave and wife to a Greek warrior. Hecuba will go to Odysseus, most hated of the Greek kings. Cassandra, her daughter, has fallen to Agamemnon, king of Athens. Andromache, wife of Prince Hector, and the child Astyanax, will go with the son of mighty Achilles.

Kassandra, the first to be taken to her new master, is a prophetess of the god Apollo. She foretells the plans of the gods for the Greeks, and the eventual disaster she will bring upon the house of Agamemnon—the murder of Agamemnon by his unfaithful wife; the murder of the wife by their son.

Andromache and Astyanax, wife and son of Hector, are brought forth to be carried away. But Talthybios brings worse news than he has brought before: Odysseus demands that the boy, the last surviving male Trojan, a babe in his mother's arms, be thrown from the battlements of Troy and killed, that the city of Troy may be forever dead. Despite her resistance, Astynax is taken away and Andromache, reconciled to the inevitable consequences of war, is led away.

Then appears Menelaos, Greek king and husband of Helen, who comes to execute his erring wife in the aftermath of so many deaths. But Helen, clever as always, argues her case well despite the counter arguments of Hecuba, and is spared.

Talthybios brings his last order, and Troy is put to the torch. As Troy burns at her back, Hecuba prepares her grandson, last of the Trojans, for burial.

Dumas...

(Continued from page 1)
Miller put Hereford in front with two free throws as the second quarter opened, but Dumas went in front. The Herdsmen came back on shots by Miller, Thomas Coffman and Dennis Hodges to hold a 26-23 margin.

Diek/Rector and Royce Taylor whipped in six points for Dumas before a pair of free throws by Miller tied the game

an increase over \$11,059.50 for 1959.

Male motorists were involved in 74 per cent of the automobile accidents in 1960, the report showed. Eighty per cent of the drivers involved were white, 14 per cent were Latin-American and six per cent were of other races or nationalities.

Of 1,545 citations issued in 1960, 92 per cent were convicted, and eight per cent of the cases were dismissed. Statistics in past years: 1,441 citations in 1959 — 88 per cent convicted and 12 per cent dismissed; 1,113 citations in 1958 — 93 per cent convicted and seven per cent dismissed, and 1,070 citations in 1957 — 73 per cent convicted and 27 per cent dismissed.

Percentage of accidents relative to the month of the year 1960 included: 9.4 in January, 5.9 in February, 6.0 in March, 6.5 in April, 8.5 in May, 8.4 in June, 8.7 in July, 9.4 in August, 8.4 in September, 8.5 in October, 10.4 in November, and 9.7 in December.

Ages of motorists involved were: 44-16 years, 10.5 per cent; 17-19 years, 20.5 per cent; 20-25 years, 10.4 per cent; 26-30 years, nine per cent; 31-35 years, 9.5 per cent; 36-40 years, 9.6 per cent; 41-50 years, 10.5 per cent; 51-60 years, 9.6 per cent; 61-70 years, 4.9 per cent; 71-75 years, 2.5 per cent; and 75 years and over, 3.0 per cent.

Hereford police officers served 176 warrants in 1960 for an increase over 185 for 1959, 119 for 1958 and 104 for 1957.

In 1960, the police department impounded 83 animals and disposed of 243 others. Twenty-four animals were impounded in 1959, and the department disposed of 133.

Cost of prisoner meals increased along with criminal arrests for a total of \$856.30 in 1960. Prisoner meals in 1959 cost \$673.33.

In his report to the mayor and City Commission, Aycock stated: "I am very proud of the addition of both a lie detector and field photography service to our other facilities. Through these purchases were able to give a better service to our own people as well as to some of the other police agencies in this area."

28-28, Baker looped in two free ones and Staggs hit a field goal before Miller again, ended the period with a two-pointer.

Dumas went to the dressing room at the half with a 32-30 edge.

At the start of the third quarter, Dumas went into a slow offense. But the pace picked up during the last four minutes. Hereford got in front 40-38, but that was the last time.

Rector and Taylor got Dumas in front again, 44-40. Ronnie Botkin and Hodges each scored from the field, but Morgan countered twice to maintain the edge. Botkin sank two free throws, narrowing the gap to 48-46. Rector tipped in a rebound with two seconds left to set the score at 50-46 for the final stanza.

Then came the agonizing time for Hereford fans. Still playing calm, deliberate ball, Dumas gained seven points for a 57-46 lead. Hereford started pressing harder and ended up committing seven of its 14 personal fouls during the quarter.

It was also during the final minutes that Hereford began giving Dumas points on wild passes and other fatal errors. The Demons took advantage of each mistake to click up another point or two.

Hereford still had a chance with 90 seconds remaining and trailing 55-62, but three rapid fouls gave Dumas six points on free throws, while the Herd was limited to a single field goal.

Carl Miller topped all scoring efforts, as he netted eight field goals and 11 charity tosses for 27 points. But he was the only Whiteface who broke into double figures.

Dumas, on the other hand, had four men with ten or more. Diek Rector was high with 19, Larry Tiner got 15, Royce Taylor 13 and Jimmy Morgan 10.

Hereford ended up with 16 wins and 10 losses for the year. Seven varsity players finished their high school cage careers at Dumas. They are: Carl Miller, Thomas Coffman, Charlie Burrus, Charlie Thomas, Jackie Oldham, Ronnie Botkin and Ronnie Caster.

BOX SCORE

24; Christmas, Dec. 20 to Jan. 2; and Easter, April 20-23. Schools also will be dismissed one day for the Tri-State Fair in Amarillo, a day at the end of semester and one day for a teachers' meeting.

It was announced that National Education Week would be held during the week of March 6.

The board of trustees met in special session Monday at 6 a. m. in the Western Wheel Inn. They were scheduled to meet again Thursday morning at the same hour and place.

The HEREFORD BRAND

Finance Your New Car At The Hereford State

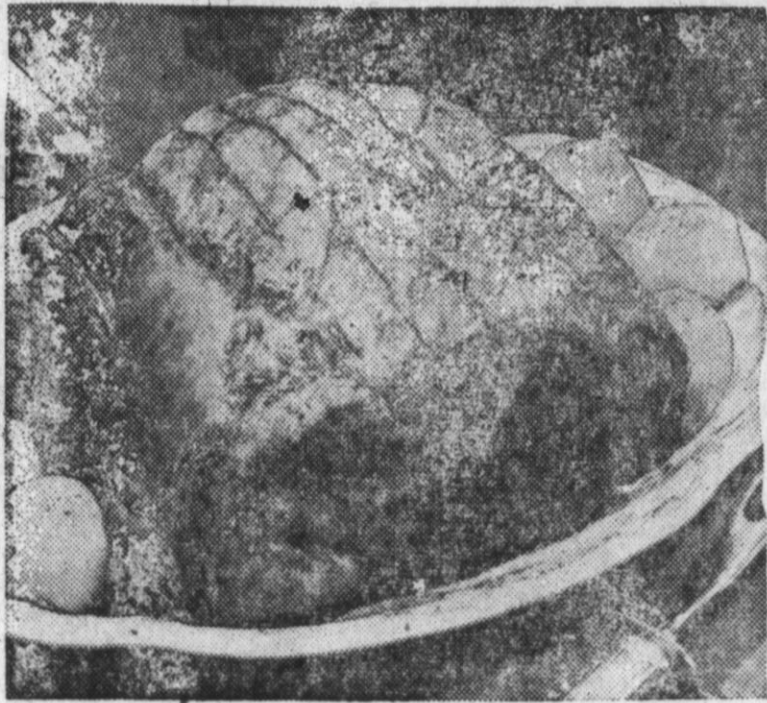

You'll appreciate the prompt service, Convenient terms... you'll like our low rates because they save you money.

Hereford State Bank

"Your Friendly Bank"

SAFEWAY features new "light-dark meat" idea:

"Pork'n' Beef" Roast

PLANNED-OVER MEALS, TOO!
After serving slices of pork and beef for the first meal, you can use the meats individually for additional meals. So economical!

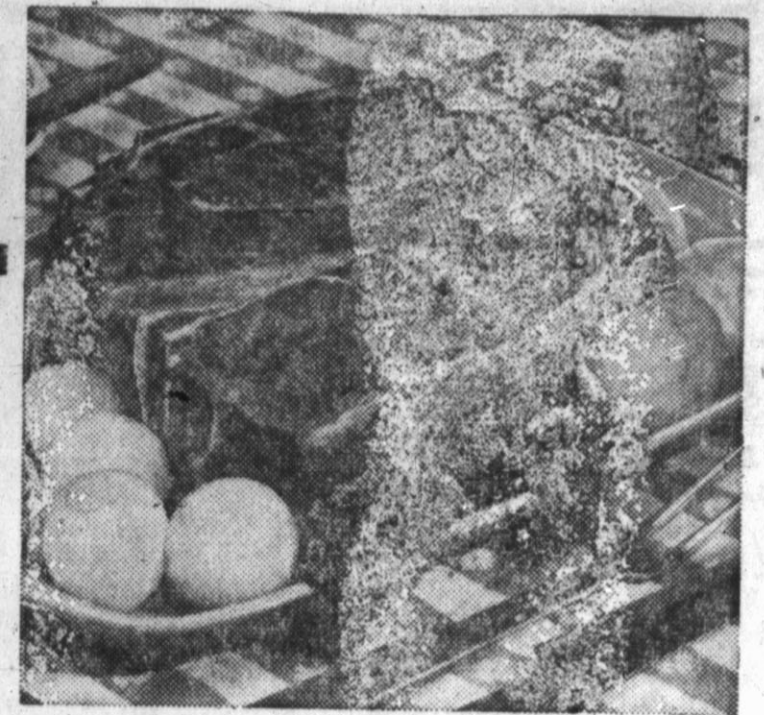

"Give me a slice of light and a slice of dark" need not be limited to turkey time! Your family can make the same request with this new meal idea... it offers great taste rewards. This "twin" roast idea pairs a pork cut and a beef cut in the same pot. The beef imparts a succulent goodness to the pork. In turn, the beef acquires delightful flavor from the pork! Pot roast the cuts together (or oven roast them, covered) and serve slices of each for the first meal. Then use the pork and beef separately for delicious planned-over meals. Save time and money! Try our pork-beef roast for Sunday dinner!

ROCK DEHUMANIZED MARQUETTE, Mich. (AP) - Stannard Rock lighthouse, often referred to as the "loneliest" outpost in the United States, will be converted to automatic operation shortly after the opening of the 1961 navigation system. Resident personnel no longer will be required to man the lighthouse which is 45 miles north of here in Lake Superior. The Coast Guard now assigns two men to the "rock."

YEAR 'ROUND CHRISTMAS PHOENIX, Ariz. (AP) - There's a touch of Christmas the year round along one block of a Phoenix residential street. Mrs. Sarita Perry lives on the corner and her next door neighbor is Mrs. Ann Claus.

Mr. and Mrs. Felipe Jaime are the parents of a son born Feb. 15 at 12:03 a.m.

Robert Strange led with ten points during Stanton's 18 point second quarter as the Dogies led 30-13 at the half.

More of the same awaited the hosts in the third round as Littlefield lagged 38-21. Stanton tacked on ten points in the fourth quarter to win 48-29.

People's Department Princesses and princes were Judi Price and Bill Steele from Intermediates II, and Patricia Price and Douglas Watson from Intermediates I.

Eighth Graders Drop Littlefield

**BY WAIN MILLER
 BRAND SPORTS WRITER**
 Taking win number 18, the Eighth Grade Stanton Dogies overpowered Littlefield 48 - 29 there last Thursday night. Frank Cain and Robert Strange paced the Dogies as they gained an early lead which they held throughout the game.

Stanton travels to Plainview for its last game of the season Thursday to take on Coronado, whom they have already defeated twice this year.

Stanton moved out to a 12-4 lead during the first quarter, and was never challenged. Ro-

Baptist Youth Honored At Sweetheart Banquet

The annual Sweetheart Banquet, sponsored by the Training Union of the First Baptist Church, was held Thursday night at the church.

"Hit Your Wagon To A Star," theme for the banquet, was carried out in the table decorations.

The program was presented by students from Wayland Baptist College from Plainview. A vocal trio, composed of Miss Janice Grant, Miss Beverly McSwain and Miss Pat McCarty, entertained guests with several numbers, accompanied by Sam Brown at the piano.

J. D. Keel, senior from Seagraves, spoke to the group. The main speaker for the evening was Bill Barnes, student from Wayland Baptist College.

Highlight of the evening came as the royalty was crowned. The young people honored were selected by the point system, graded on attendance and grades.

Jane Auten and Charles Burrus were crowned king and queen for the Senior Young

Rev. E. H. Martin New Pastor Here

The Rev. E. H. Martin, formerly of Sweetwater, is new pastor of Wesley Methodist Church of Hereford. He fills a pulpit which has been occupied by the Rev. John Ferguson since last June.

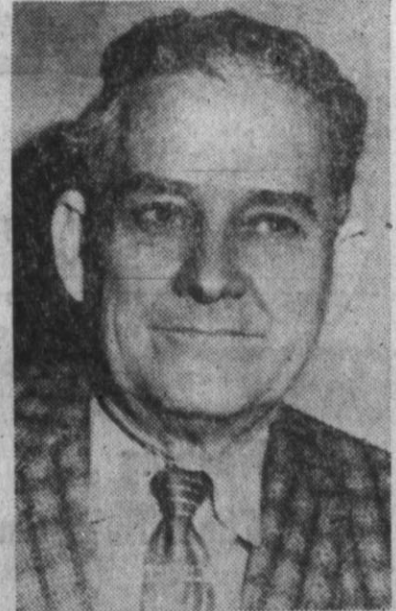

The Rev. Ferguson is now pastor of the Sixth Street Methodist Church in Sweetwater, where the Rev. Martin was pastor before being appointed to the Hereford church.

The Rev. Martin has been pastor of the church in Sweetwater for the past six years. He was pastor of the McCullough Methodist Church in Pampa 4 1/2 years before going to Sweetwater.

Prior to the appointment in Pampa, the Rev. Martin was pastor of the Vigo Park Methodist Church for four years. He was transferred to the Northwest Texas Conference of Methodist churches in 1945, from the Little Rock Conference.

Seven preachers were ordained at the Sweetwater church while the Rev. Martin was pastor. All currently hold appointments.

The new pastor was an evangelist for 16 years before becoming a pastor in the Little

Rev. E. H. Martin Rock Conference in 1938. He and his wife live at 410 Irving St. in Hereford. They have two sons; one is pastor of the Crescent Heights Methodist Church in Abilene and the other is a school teacher in Sweetwater.

Program Presented On History Of XIT Ranch

Joe Smith of Hereford told of the importance of the famous XIT Ranch in development of the Southwest at the noon meeting of Hereford Kiwanis Club Thursday in I.O.O.F. Hall.

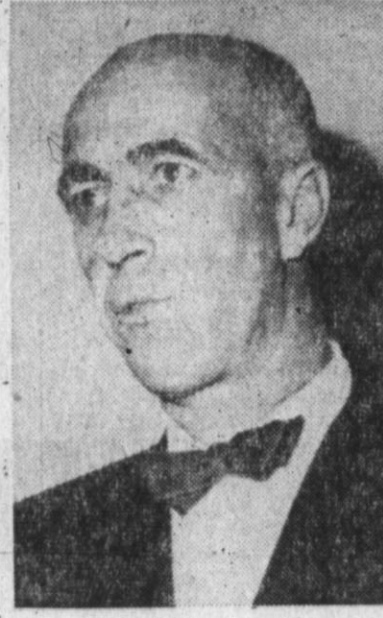

Smith said survey of the ranch, which ran from Texline to west of Lubbock, started in 1874. A.B. Norton, chairman of the Texas Land Board at that time, kept an actual journal on accomplishments in the survey, Smith said. He added that the crew nearly died of lack of water during the survey.

"Norton predicted that there was a plentiful supply of water under ground," Smith pointed out.

The XIT ranch covered some five million acres, the reservation of land created in 1873. The XIT later was sold in large blocks, and today only a small part of the original land makes up the XIT Ranch.

"The XIT has contributed a great deal to this part of Texas," Smith commented. "It has been 90 years since Norton predicted that this country would be a prosperous place in which to live. It would be interesting to see what would happen in the next 90 years."

Smith, an instructor at Here-

Joe Smith
... program speaker

ford High School, has studied history of the famous ranch as one of his hobbies. The guest speaker was introduced by Clarence Caywood, a Kiwanian.

Guests at the meeting included officers of newly-formed Key Club at Hereford High. They included Ken Walsler, president, John Buck, vice president, Jerry Clark, secretary-treasurer, and the club's sponsor, Robert Thompson, a teacher at the high school.

Mrs. Beach, 99, Dies In Bowie

Mrs. W. B. Beach, 99, 608 Park Ave., passed away Tuesday, Feb. 14, in the Bowie Convalescent Home in Bowie, Tex. She was the mother of Ida Mae Bennett and Mack Beach of Hereford.

Mrs. Beach was born June 15, 1861 in Grayson county. She was married Sept. 25, 1879, to W. B. Beach. The couple was among the early-day settlers in Castro County, having moved to the Dimmitt Area in 1879.

She was a member of the Dimmitt Baptist Church and later became a member of the First Baptist Church in Hereford when she moved here.

Survivors include three daughters, Ida Bennett of Hereford, Bea Vassey of Bowie and Mrs. A. E. Wolf of California; three sons, Mack Beach of Hereford, Dosewn Beach of Bowie and W. B. Beach of Ponca City, Okla.

Services are pending with Gilliland Funeral Home of Hereford.

Hereford Defeats Clovis 75-60 In Non-Loop Battle

Five Hereford players ripped nets for ten points or more during a non-conference game at Clovis, N. M., Saturday night. The Herd had an easy time, winning 75-60 in the teams' first meeting of the season.

A game between the schools at Hereford was canceled early in the season because of bad travel conditions.

Dennis Hodges hit for 17 points to pace the well-balanced Hereford attack. Right

behind with 15 each were Carl Miller and Charlie Burrus, while Thomas Coffman got 11 and Ronnie Botkin netted 10.

Hereford raced to an early lead and held it throughout the game. Hodges and Miller paced the Whitefaces to a 20-16 margin at the end of the first period, as both teams hit well.

It was more of the same during the second quarter as the Wildcats gained one point on

the visitors. Hereford scored 16 points, while Clovis got 17, setting the score at 36-33 at the halfway mark.

But a 22-point outburst by the Whitefaces in the third quarter spelled defeat for Clovis, which could muster just 11 markers. Charlie Burrus was the key to the Herd attack as he tossed in ten points, all on field goals.

Hereford coasted easily with 17 more in the final period, while Clovis was getting 16 in a futile effort to close the gap.

Nick Rowley was top scorer for the game, as he poured in 21 points for the Wildcats. His teammate, Carl Tipton, added 20.

Study On Use Of Time Set Feb. 17

BY ARGEN DRAPER
Each person has an equal amount of time — 24 hours each day. It is up to each person to decide just how to use those 24 hours to obtain the greatest satisfaction for

all concerned.
If eight to nine hours out of each 24 are spent sleeping, about 100 hours a week remain to be spent doing things. How those 100 hours are spent determines the kind of person you are.

EASTER NEWS

Residents Are Busy Visiting

BY VIOLET BARTON
Mr. and Mrs. W. A. Epperson spent the weekend in Odessa, visiting his sister and family, Mr. and Mrs. R. E. Pryor.

Mr. and Mrs. John H. Burnett visited John's father in Duke, Okla., Sunday. Also Mrs. Burnett visited her mother and brothers in Mangum, Okla.

Mr. and Mrs. H. O. Markley left Wednesday for Truth of Consequence, N. M., for a two week stay.

Mr. Fred Walton is recovering from his recent surgery.

Mrs. C. L. Stovall and children are ill at this time. They live on the John Burnett farm.

Mr. and Mrs. Henry Solomon and family of Andrews visited in the William Moss home over the weekend.

Mr. and Mrs. William Moss visited Mrs. J. L. Mitchell and Mr. and Mrs. Grover Moss last Wednesday.

Visiting in the Fred Walton home recently were Mrs. Walton's brother, Mr. and Mrs. Nolan Field, from Barstow, Cal.

M. L. Simpson Jr. and family and Mr. and Mrs. Joe Carven, ate Sunday dinner with the Melvin Barton family.

Two weeks ago the Easter Club members had an all day quilting at the community building with Mrs. W. O. Markley as hostess. They met again on Monday, Feb. 12 to quilt again.

The next regular meeting will be on Friday night, Feb. 24, at 7. It will be a family meeting, with everyone welcome to come and play 42 in the community building.

Easter is planning a community farm sale in the near future.

Legal Notice

NOTICE TO BIDDERS

The Commissioners Court of Deaf Smith County will receive sealed bids until 10:00 o'clock a.m. on February 27, 1961, at the Court House in Hereford, Texas, for the purchase of the following described equipment, to-wit:

One or more Diesel Powered Motor Graders of not less than 115 horsepower, with cab, heater, lights, 14-foot blade, steering booster.

The Commissioners Court reserves the right to accept or reject any or all bids and to waive any technicalities.

Sliced hard-cooked eggs and strips of scarlet pimento always make an attractive garnish for an asparagus salad.

refreshed for your family's evening meal together?
Your Community — church work, P.T.A., club work, visits with neighbors and friends, community project work, etc? — If these problems are yours, come to the County Court Room at 9:30 a.m. Feb. 17 for a 1½ hour study of principles to help use time more wisely.

Radioactivity Is Topic Of Program

Mrs. J. T. Richardson presented the program at a meeting Friday of the Cultural Home Demonstration Club, held in the home of Mrs. Ted Summers.

Mrs. Richardson spoke on "Radioactive Fallout." She described fallout as a silent and invisible killer of the nuclear age, produced by the explosion of atomic or hydrogen bombs.

Mrs. Richardson also described the instruments used to detect fallout and the type of shelters considered adequate for protection against fallout.

It was announced that Miss Mildred Webb, Area Home Management specialist, would teach an energy management course Feb. 17 in the county courtroom. The course will start at 9:30 a.m.

Members voted a contribution of \$15 to the chapel fund for the State Mental Hospital in Austin.

Those attending were Mesdames J. G. Gandy, R. A. Packard and Cherry Jane, Marvis Southward, Edgar-Teichik, Perry Houser, W. E. Holcomb, Earl DeHart, Joe Johnson, Clinton Jackson, George Parker, Jan and Janie Johnson, Elizabeth Gandy and the hostesses, Mrs. J. D. Love was welcomed as a new member.

EM 4-1600

BY JIMMIE GILLENTE

People around the country seem a lot more excited about prospects for the beet sugar refinery here than do most people, in Hereford. I was talking recently with a man from Canyon, and he says that the plant will literally make a city out of Hereford. Also visited recently with people from Muleshoe, Littlefield and Lovington, N. M., and they are quite excited over the prospects. Everyone seems to feel that the entire Panhandle will benefit tremendously through increased sugar beet acreage. What's more, they all seem to think that things are looking good.

We certainly owe a debt of gratitude to many people, especially Jim Witherspoon, Lee Benefield, Henry Sears, Palmer Norton, and Hank Williams. A lot of people have done a lot of work, but there is no telling how many hours these boys have spent on the job, including days and days in Washington, D. C.

The big question most people ask about the proposed \$15 million refinery is, "How many people will it employ?" No one seems to have a guaranteed answer, but generally thinking is 90 to 150 people on a permanent, year-around basis, plus 400 to 500 people on a seasonal basis. The seasonal work will last from 60 to 90 days, and will depend on harvest conditions from year to year. The employment figure will stem from production and capacity, and the figures cited above should be, if anything, on the conservative side.

School teachers are more accustomed to asking difficult questions than answering them, but it took Mike, young son of Mr. and Mrs. Virgil Young to pose a stumper for his dad, who teaches chemistry and physics in high school.

"How do you tell boy dogs from girl dogs?" asked Mike the other evening. Virgil, after due consideration, gave the youngster a profound and solemn reply. "The same way you do with people; its like telling men from women." Young Mike pondered a few minutes, then protested:

"That couldn't be right; it just couldn't! Dogs don't even wear clothes."

F. H. Oberthier is an old timer noted far and wide for his down-to-earth outlook on things in general, and he figures that President Kennedy has some rough sledding on the relief problem.

"They have no snow in Wisconsin," reports Mr. Oberthier, "and this is costing millions and millions of dollars in tourist trade where folks usually come to ski. On the other hand, they have 18 inches of unwanted snow in New York City, and are asking federal assistance to meet the relief emergency."

"Since Mr. Kennedy cannot move the snow from New York to Wisconsin, it seems that he has a problem on his hands. It will take a real super-committee to figure this one out, and still not drain the U. S. treasury."

Woody Wilson was telling me Tuesday that he does not plan to be a candidate for reelection to the office of mayor. He says the office conflicts to some extent with his national farm loan job, and that he definitely will not be a candidate.

I do believe Hereford has the finest, best dressed group of insurance men in the country. Maybe it is because they are fairly young, plenty active and

radiate enthusiasm, or maybe it is part of the business. Anyway, I figure they are without question the best and most carefully clad classification of businessmen in the community.

When it comes to continuous attendance and enthusiastic support, Virgil Walker, Walter Hodges Jr., Joe Rogers and Raymond White get my nomination as the most solid basketball fans in the county. None of them miss a game at home or abroad without a bonafide excuse.

Don't let these pretty days lull you into putting your overcoat in mothballs. You'll need it again before Easter. I know it is tempting, but we should have another "whizzer" before old man winter bows out for keeps.

Many citizens are watering their lawns, and this is good. Also have your wife water the young trees and fill up those big cracks in the ground. It could save late freeze damage. This is one deal where you can't lose. Besides, the city needs to sell the water. The rains in 1960 didn't help in the budget too much.

Hereford is getting a lot of improvements these days. I was visiting Glenn Williams recently, and he has a modern new store in the second block on Main. The decorations are strictly "up town." Glenn gives much of the credit to Mrs. Williams, and I am sure he is right. To say the least, it is quite attractive.

I was reading about a Russian athlete who broke the world record on the 200-yard dash, the 440 dash, the mile run and the 100 mile run. He braved a snow storm, crossed a mountain range, and had no drinking water at all. It didn't do him any good, though, they caught him at the border and carried him back to Moscow.

Canton, Auxiliary Entertain Guests

The Patriarchs Militant Canton and Auxiliary of the Hereford Chapter No. 36 met Friday night at the I.O.O.F. Temple for a regular meeting and dinner. The tables were decorated in a Valentine motif, with various size red hearts on the white table cloths. The centerpiece, featuring a large red heart centered with red roses and a white cupid shooting arrows at the candles in white glass holders. Places were marked with small Valentine cards.

The Captain and President's station was marked with a basket arrangement of red roses, backed with a big red heart. After the business meeting, at which Captain J. B. Williams and Lady Ruth Rogers presided, the Auxiliary retired to the kitchen while the Canton proceeded with the mustering in of a candidate. The candidate was Charles Stewart of Littlefield, for Muleshoe Patriarchs Militant No. 31.

Guests for the occasion were Lieutenant Colonel Retired Raymond Gage and Lady Thelma Gage, Past President of International Patriarchs Militant, Ladies Auxiliary of the World, from Circle Back; Major Retired R. W. Stewart, Major Retired Frank Snyder, Captain Retired Bernice Snyder, Lieutenant Tom Berry, Lady President Ona Berry, Lady Allie Snyder, Past President; Lady Daisy Stewart, Past President of Muleshoe Canton and Auxiliary No. 31 and Chevalier Charles Stewart.

CONGRESSMAN and Mrs. Walter Rogers of Pampa were guests of Mr. and Mrs. Henry Benson of Hereford last week at the Biennial Congressional dinner of the Credit Union National Association at the Sheraton Park Hotel in Washington, D. C. From left are Henry Benson, Mrs. Rogers, Congressman Rogers and Mrs. Benson. Mrs. Benson is manager of Hereford Texas Federal Credit Union. Congressman and credit union leaders from 50 states heard and saw the story of how credit unions are fighting communism in more than 50 countries of the free world at no cost to the government.

C OF C SCOUT

'Deaf' Smith Says

To: The Spirit of General Sam Houston
 From: The Spirit of Erasmus "Deaf" Smith
 Subject: My Chamber Of Commerce Plots Its Course
 Sam, I've already reported to you on the general plan for organizing the work of the Chamber of Commerce through its committees this year.

Last Thursday The Hereford Brand and the Radio Station KPAN carried the names of the various department heads and committee chairmen. In my report today you will see some of the details of this organization.

We'll start this week with the Business Development Department. Sam Bell is the director in charge of this department. Reckon many people think that that is about the only function of a Chamber of Commerce—business development—but you'll see over the next few weeks how the other activities are important too.

The first committee in this department is the Trade Promotion committee. Marshall Wilson was elected to head this group of retailers. They plan to meet twice a month to discuss plans for sales promotion events, ways to improve their services to the public and other matters of concern to retailers.

The formal program of work says: "It is the purpose of this committee to promote cooperation amongst retailers, to develop and promote promotional events designed to extend the retail trade territory of Hereford, and to sponsor training programs designed to make the retail and service establishments more efficient."

This committee had its first meeting last week and heard Sheriff Lowell Sharp discuss the enforcement angle of the hot check problem.

Henry Sears asked President C. Palmer Norton to appoint Paul W. Curington of Corsicana.

Outlaw use of trading stamps. By Rep. Bill Rapp of Raymondville.

Provide for arbitration committees to iron out wage-hour disputes between firemen and city officials in towns of 10,000 or more. By Reps. Obie Jones of Austin and Robert Hughes of Dallas.

Allow part of the \$400,000 permanent school fund to be invested in corporate securities, the same as the University permanent fund. By Sen. Hubert Hudson of Brownsville.

Protect farmers from the misbranding of commercial fertilizers. By Sen. George Moffett of Chillicothe.

Provide up to 10-year prison terms and up to \$10,000 fines for unauthorized or fraudulent use of credit cards. By Rep. Charles Sandahl Jr. of Austin.

Allocate \$177,000 year for two years to soil conservation districts to use in combating water and wind erosion. By Sen. Jarrard Secrest of Temple.

him chairman of the Industrial Development committee so he could get even with Jimmie Gillentine, Jimmie was chairman last year and Henry was a committee member. Jimmie kept Henry and all the rest of the members so busy on the sugar beet and other industrial projects that he figured being chairman was the safest place to be. "The objectives of this committee shall be to engage in those activities which will encourage the location of new payrolls and the expansion of existing payrolls in Deaf Smith County. These activities shall include the compilation of factual information on the economy of the area, active prospecting of potential industries, and service to existing industries seeking to expand their operations." Looks as though Henry may have jumped from the frying pan to the fire in tackling this one.

Increase to five years in prison the penalty for selling narcotics. By Sen. A. R. Schwartz of Galveston.

Require all meetings of all boards, commissions, committees of the Legislature and all other agencies to be open to the public, with exceptions. By Rep. Bill Rapp of Raymondville.

Two years ago the first Harvest Festival was held. This Festival was created to bring together the many separate community events that were held at various times throughout the year. Each year it has grown in interest and in participation. Attempting to continue that growth will be a committee under the chairmanship of Clint Forney. As in the past, members of the committee will be representatives of the various organizations taking part in the Festival.

Sam, that's my report on the Business Development Department of my Chamber of Commerce. Next week I'll scout out the activities of the Community Betterment Department.

Phoenix, Ariz. — Phoenix police captured the leader of a burglary gang that had taken hundreds of dollars in loot from 20 homes and churches.

The gang also stole two cars for transportation to and from the sites of the crimes. The leader was a 14-year-old girl. Her gang consisted of two 13-year-old boys.

Party mushrooms show up at parties nowadays; they are sliced thin and added to a tossed green salad or they are stuffed with a mild cheese mixture for a before-dinner tidbit.

AUSTIN HIGHLIGHTS

Factional Feuds Reaching Hatfield-McCoy Stage

BY VERN SANFORD
 AUSTIN — House of Representatives, which must make the first run at putting together a money-raising program, is finding his path land-mined with factional feuds.

Hard feelings, largely because of the speaker race, have reached Hatfield-McCoy proportions between liberals and conservatives. Until new events jar the factions into realignment, action and agreement on anything of importance is unlikely.

House Revenue and Taxation Committee began gradually by passing up two unopposed bills to speed up and cut down the paper work of tax collecting. More sand will be stirred up with the February 15 hearing of a bill to levy a two-factor franchise tax on interstate corporations.

Two other committees are the focus of tax interest. Proposal for a referendum on broad-based taxes at the April 4 election was referred to State Affairs Committee. Its chairman, Rep. Bill Hollowell of Grand Saline, has shown no great eagerness to get to it.

Constitutional Amendments Committee, however, moved with unusual speed. It passed out a measure that would allow the people to vote on whether they want a constitutional ban on state income and payroll taxes.

Among new money measures introduced are a 2 percent sales tax on items costing more than \$50 and a 3 percent excise tax on utility companies selling gas, electricity, telephone or telegraph service. Both are by Rep. Tony Koriotoh of Sherman.

Two bills aimed at making more money available for water projects met no opposition before a House committee. One would raise from \$5,000,000 to \$15,000,000 the maximum amount the State Water Development Board could lend for a water project. Another would allow the Water Board to invest funds on hand in government securities.

Both bills, which were recommended by Gov. Price Daniel's water advisory committee, were sent to subcommittee.

Named to the committee by Speaker James Turman are: Rep. Charles L. Ballman of Borger, chairman; Reps. Bill Hollowell of Grand Saline, DeWitt Hale of Corpus Christi, Bill Pieratt of Giddings and Menton J. Murray of Harlingen.

Building of new state buildings is relieving the always-cramped conditions under which the legislature has had to work.

Under a bill adopted by both houses, the Senate will get the third floor Capitol space vacated by the Court of Criminal Appeals. House members are to have offices where the Supreme Court used to be. Both courts and the attorney general have moved over to the new Courts Building.

When the second new state office building is completed, the State Pardons Board and Agriculture Department are to move there, leaving still more Capitol space.

Also under way finally is the new state insurance building. Contracts totalling \$1,277,000 were let by the State Building Commission.

Long-range plans to build a new state school for mentally retarded persons in the Gulf Coast area gained Senate State Affairs Committee approval.

More than 1,200 children are now on the waiting list for state school space, Raymond Vowell, State Hospital Board executive director, told the committee.

Rep. A. R. Schwartz of Galveston is sponsoring the bill which does not appropriate money for the school but authorizes the board to go ahead with planning, accepting gifts, etc.

Among the new hundreds of measures on the legislative assembly lines are proposals to:

Require state agencies to use American-made compact cars, State Police excepted. By Rep. ...

House State Affairs Committee unanimously approved a resolution to create a new House General Investigating Committee.

Previous investigating committee, which made headlines in Beaumont and Amarillo, expired with the start of the new session.

Col. Homer Garrison Jr., Director of the Department of Public Safety, and numerous Jefferson County people appeared in favor of a legislative group to watch for places where local law enforcement fails to cope with crime.

Hereford High Teacher Finds Study Interesting

BY KAY WOOLERY
"Basically, there is no difference between the students and teachers of California and those of Hereford," stated Mr. Robert Thompson in a recent interview. "People who think California youth is inferior to ours are badly mistaken." Mr. Thompson was in California for 18 weeks, attending classes at San Diego State College along with 11 other teachers from nine different states.

He said the buildings and subjects are much like ours except their buildings are frame stucco. A very small percentage of the students eat at the cafeteria. Most of the students bring their lunches and eat at the tables outside. They have closed campus from the time they get there until they leave in the afternoon. Most of the students ride bicycles to school.

Mr. Thompson said that in the event one was absent from school, there was an attendance officer to check on him to see if he were at home. The parents are held responsible for all absences.

For infraction of rules, such as smoking on the campus, they are suspended for three days, and during the days they are suspended, they must stay home or be suspended again.

"The school was strongly guidance oriented," said Mr. Thompson. "They have one half-time counselor for each grade; a full time counselor for all of the grades; a school psychologist for all three schools in the district; and a girl's vice (Continued on page 2)

Activities Slated For Latin Week

Governor Price E. Daniel officially proclaimed Latin Week in Texas as March 12-18, John Wallace, state president, has said the state convention will be held during this time at the University of Texas in Austin.

The convention will be divided into 15 contests, three committees, and ten workshops. A University professor will be requested speaker.

Ideas and experiences will be exchanged by delegates.

WORK, WORK, WORK

Putting Out Yearbook A Complex Operation

Most people don't realize how much work goes into compiling the annual we receive each spring. The yearbook staff works hard at school and overtime at night and in summers to meet their three deadlines: December, January, and February. February 22 is the last deadline of the year. Everything that goes into the annual has to be in the publisher's office by this time.

The yearbook is issued to the students approximately 12 weeks from the time of the

last deadline. Events that happen after this date are put into the supplement which is mailed to the students during the summer.

Everything has to be checked by the editors and the sponsor, who is Mrs. Viola Chisholm. The first sixteen pages of the annual for the next year have to be in by Sept. 1.

Angel Studio takes most of the pictures for the annual, but some of the Hereford Brand's photos are used too. (Continued on page 2)

Basketball Team Receives Honors

BY CHARLIE THOMAS
The varsity basketball team of Hereford High School has participated in two tournaments this year, the Holiday Caprock Tournament, at Lubbock, and the Dimmitt Invitational Tournament.

At the Caprock Tournament the Herd was beaten by powerful Midland in the semi-finals by two points and did not bring home any trophies for the team effort. But two of Hereford's players were chosen as members of the all-tournament team: the two chosen were Dennis (Continued on page 2)

Senior Class Personalities

Pam Clay has a secret desire to be a social director on an ocean liner. Pam is the daughter of Mr. and Mrs. T. J. Clay. She was born on Jan. 14, 1943, in Amarillo. After graduation Pam plans to go to college. This summer she will attend Tech and in the fall she will attend O. S. U. She leaves this advice to all underclassmen "Enjoy high school while you can." Pam thinks Hereford High School is allright, "I've had a lot of fun, but I think the seniors should have more privileges."

Pam has this to say about going steady: "I like it; I think it is a good thing after you have gone through your freshman and sophomore years."

The best advice anyone has given Pam was "not to worry about unimportant problems." Pam would like to live to be 100. The entertainment she likes best is listening to her stereo.

The song Pam likes best is "Lovey Dovey." Her favorite teacher is Miss Wall and the movie she liked best was "Imitation of Life."

People who are in a bad mood are Pam's pet peeve. The only superstition she has is black cats.

Carol Snead spends her spare time with Charles. Carol was born on Aug. 19, 1942, in Littlefield. She is the daughter of Mr. and Mrs. J. B. Snead.

Her opinion of Hereford High School is "I've had a lot of fun." After she graduates from high school, she plans to go to col- (Continued on page 2)

Hereford High Boasts Scholarship Program

Every year Hereford High School presents scholarships to some of the more worthy members of the student body. These students are picked by a committee from each club that offers the scholarships. The committee has a hard time choosing the right student.

Mr. Bill Stanford is a great help in telling them about the students. He tells the committee anything that they want to know but he has no part in the actual choice of the student that will be chosen.

These students should be ideal persons all around. The committee wants one with good citizenship, who is deserving, needs the scholarship, and makes good grades. Whenever a committee finds a few students who qualify for a certain scholarship, it will then determine which student gets the scholarship by grades.

Both the Lions Club and the Business and Professional Women give a \$150 scholarship to a chosen student. The Future Teachers of America give a \$125.00 scholarship, while one of the future nurses is given a \$400 scholarship from the Medical Auxiliary. The Hereford Texas Federal Credit Union gives a \$200 scholarship. These awards can be used in the college of the student's choice.

QUIET EVERYONE! Fire drills are one of the important activities at Hereford High School and the students are always asked to cooperate with the Student Council in this program. (Brand Staff Photo)

Know Purpose Of Fire Drills

BY JUDY SMITH
Around Hereford High School fire drills are just a time for some of us to get a breath of fresh air; or maybe just to catch up on the latest gossip.

At the first of the year they start off pretty fast with everyone trying. But the more we have, the less interested everyone is and pretty soon we begin to slow down and just talk about what's been happening before the drill.

Will you be the one to cause other people to get caught if there really is a fire? Maybe you will, just because you don't feel like walking a little faster or because you just have to tell the girl in front of you what the boy behind you said last period.

Remember — if there is a fire, you are partly responsible for the lives of the students around you.

Tryouts Slated In Cheerleading

Plans are being made for cheerleader tryouts for 1961-62. The date scheduled is March 24. The girls will display their talents during assembly and the student body will select the ones they want to lead their team next year.

To try out for cheerleader one must be classified as a senior, must be okayed through the office and be passing subjects.

The following have signed up in the office to compete for this honor: Mary Albracht, Sharon Bezner, Nicky Bradford, Dianne Clearman, Jim Dzuik, Linda Edwards, Nancy Edwards, Judy (Continued on page 2)

Burst Curtains Tale Of Porkers

Every Friday is current event day in Coach Cuby Kitchens Texas History classes. One Friday everything was going well and everyone had a current event—except three little girls.

Coach Kitchens told them they could tell a story rather than take an "F".

The three girls stood at the front of the class and announced the story they would tell. This immediately brought peals of laughter from the class. It seems that the three girls had said they were going to tell the story of "The Three Little Pigs." (Continued on page 2)

EDITORIAL

Extracurricular Activities: Are They Good Or Bad?

BY PHYLLIS WARD
Extracurricular activities provide the student with a well-rounded education and background. They assist the individual in developing potential abilities in a way that helps him learn to live better and succeed.

These activities furnish the student wide and varied experiences in daily living. This is especially important because much of a person's learning is obtained through experience.

A sure sign of maturity is evident when a person ful-

fills his obligations to his best ability. Students are trusted with many duties and obligations in their extracurricular activities and this paves the way to a sense of responsibility.

Students also experience personal achievement through their activities, and this contributes immeasurably to becoming a well-rounded individual. Improvements in home life can be attributed to extracurricular activities. Work among classmates and teachers results in a happier school life for all involved.

But, if you are one of those persons who has a knack for wasting time, extracurricular activities can be your ruin. Some students spend too much time participating in plays, organizations, parties and so on. This shows up plainly at the (Continued on page 2)

Requirements For College Entrance

BY NANCY GREEN
Seniors who plan to attend college next year should check with Mr. Bill Phillips regarding entrance requirements to the college of their choice if they have not already done so.

There are many colleges in the United States and the surrounding countries from which to choose. A student should decide on the college he would like to attend early. However, this is not as easy as it sounds! The student should choose the

college which offers him the widest field in his choice of vocation. The size of the college, social life, and various other factors will also enter into the final decision.

Of course, one must not forget (Continued on page 2)

Homemaking Girls Give Style Show

The La Plata Study Club asked the first semester Homemaking girls to give a style show at their meeting Feb. 17 at the Community Center.

After the program, refreshments of punch, cookies, and red-heart candies were served.

The 19 girls who modeled were as follows: Lu Ann Higgins, Maribeth Gilliland, Nancy Edwards, Bonnie Sparkman, Phyllis Betzen, Linda Jones, Hallie Culpepper, Merry Kay Pruitt, Judy Fowlkes, Evelyn Hunter, Walteen Beavers, Joyce West, Linda Reed, Karen Sue Daniel, Patsy Fowler, Linda Stephen, Judy Means, Judy Rowland and Janalee Drager.

Question Of The Week

What would you think of a boy for a cheerleader at Hereford High School?
Suzy Woodford — I think it is sissy.
Coach Hodges — It would be nice; it's what Hereford needs.
Martha Russell — It would be all right.
Kay Woolery — It might be pretty good.
Charlie Thomas — It doesn't make any difference. I won't be here anyway.
Bill Steele — I guess it would be all right but girls look better.
Glen Nelson — It's according to who the boys are.
Troy Gandy — I really don't know.

"HARD AT WORK," are perfect words to describe the annual staff at this time of the year. These students and their sponsor help make up the annual staff at Hereford High this year. They are, from left: Patsy Loerwald, David Dackell, Mrs. Viola Chisholm and Joe Mack Hale. (Brand Staff Photo)

Speech Department Covers Many Fields Of Interest

BY WAIN MILLER
Not actually a gift at all, the "gift of speech" is actually an accomplishment to be proud of. An ability to talk freely and express one's ideas effectively before an audience, be it two or two hundred, is a talent that is a priceless asset to those who attain it.

Under direction of Burney McClurkan, the speech department at H. H. S. is divided into three branches, Speech, drama, and Radio-T.V. are offered. Extra-curricular activities sponsored by the department include the Thespian Troup, and entrance in Interscholastic League

contests. "Trojan Women," this year's Thespian production, is scheduled for Feb. 23-24, and the Thespians are now in full rehearsal. Written in 415 B.C., the Greek tragedy is under the direction of McClurkan, Thespian sponsor.

SPEECH I
"I think that speech is one of the greatest courses in any school. Speech trains students to say what they have to say without having to concen-

trate on being nervous," says Stanford. "The main purpose of a speech course is not necessarily to train students to get up and give a speech before a crowd."

"I took speech this year for one reason," says senior Kay Cole, "to overcome being afraid of speaking in front of a large crowd. I didn't expect to learn as much as I have. I've learned much more than how to speak. I have learned about past plays and forms of entertainment.

"Mr. McClurkan has made this one of the most interesting classes this year. He cares about his students, and therefore, they think he's the greatest. I think speech should be a required subject in high school; I don't think anyone would regret it. Of course, I think Mr. McClurkan should be the required speech teacher."

Thus said Kay Cole when asked why she took Speech I. This statement pretty well sums

up the feelings of the Speech I students about the course and its teacher, Mr. McClurkan.

The Speech I course is split into two divisions. Public speaking is taught the first semester, and a basic drama course the second. All three Speech I classes are taught by Mr. McClurkan.

As Stanford mentioned, the basic objective of the public speaking portion of the course is to help the student overcome his fears of public speaking.

To do this, Mr. McClurkan employs the best teacher anyone can have — experience.

"The only way you can learn effectively is by doing," says McClurkan. Pantomimes, panel discussions, and speeches are given regularly to help the student learn to communicate successfully with his audience.

"I think a good speech course parallel is English in that both study correct grammar and speech 'manners,'" says Stanford.

Basic cultural and historical background of theater is given a "once-over lightly" by McClurkan in the drama portion of Speech I. Students trace the production of a play from script to the closing curtain of the last act on stage.

Direction and production also are studied. Each speech class produces its own one-act play to gain first-hand knowledge of the work involved in the staging of a play.

The Joys Of Being Editor

(By Whiteface Staff). We swiped this from some magazine. WE DID!

THE PRAIRIE, West Texas State College.

College...

(Continued from Page 1)

get the importance of grades. Most colleges base their judgment of a student's record on his grades. If grades are not up to par, students had better start digging in now!

Colleges want students of high character, those who are cooperative, those with the ability to get along well with others, and especially those who are serious about going to college.

As entrance requirements are becoming more strict, many colleges in Texas are now requiring entrance examinations. The American College Testing program is one of these. This program is an admissions, scholarship, guidance, and placement test designed to provide helpful information to colleges, high schools and the individual student.

The basic examination consists of four tests in fields of English, mathematics, social studies and natural sciences. Several tests have already been given.

There will be a test given at West Texas State on Feb. 25. The application had to be in by Feb. 4. The next test will be on April 26. One should be sure to register in time for the deadline date, or he will not be permitted to register at the test center on the test date.

One should find out about any other necessary requirements for attending the college of his choice as soon as possible.

(Continued from page 1) principal and a boy's vice principal.

Mr. Thompson said that he found the schools very well equipped. The foreign language rooms have record players, tape recorders, and projectors in every room. They have an individual booth for each student. There is a communications system between the students and teacher.

Mr. Thompson said, "They have a principal who is a very good school man, and he and the faculty cooperate with each other to the fullest."

Mr. Thompson stated that he wouldn't take anything for the experience, but he is glad to be home.

Putting...

(Continued from page 1)

Patsy Loerwald is the editor for this year. The editor is always a senior. Nancy Edwards is assistant editor. The assistant editor is always a junior so that he will have a lot of experience when he becomes editor the following year.

Karen Daniel is the business manager; Her job is maintaining records of the sales of the annuals and keeping a record of the finances. Linda Renfro does most of the typing and work on the copy sheets.

"During the year" the annual staff is in charge of Stunt Night, Koobraey awards, and personally elections. This year they were in charge of the football and basketball coronations, but they will not be responsible for them next year.

The annual staff is composed of ten high school students and a sponsor. In the following years just ten members a year will be permitted to be on the staff. The new members are chosen by the old members and the sponsor. Each year three sophomores will be admitted; the rest will be chosen from the junior and senior classes.

The members this year are as follows: Patsy Loerwald, Bud Martin, Karen Daniel, Linda Renfro, and Paula Moore, seniors; Nancy Edwards, Troy Don Moore, and Joe Mack Hale, juniors; Jan Story and David Dowell, sophomores.

Senior...

(Continued from Page 1)

Her advice to underclassmen is "study hard and make the most of the rest of your years." The most embarrassing moment she has had was a time when she went bowling with Charles and she threw the ball behind her and he had to catch it.

Carole thinks going steady is wonderful if it's with the right person. Her pet peeve is people who think they're better than others. The entertainment she likes best is watching basketball games.

Greg Combs is the son of Mr. and Mrs. L. W. Combs. He was born in Glendale, Cal., on April 9, 1943. After he gets out of high school he plans to attend Texas Tech and major in engineering.

Greg's favorite pastime is playing sports of any kind. He is a member of the Hereford High School baseball team and plays second base. To go to state in baseball is the secret ambition of Mr. Combs.

He thinks that H. H. S. is all right but the faculty gets mixed up once in a while, in his opinion. Greg says that Mr. David Patterson is a fine teacher and is just about his favorite. His favorite subjects are physics and advanced math.

"Take all hard subjects the first two years" is the advice Greg gives to all underclassmen. He has never received any good advice himself and hopes this will do someone some good.

Some of Greg's favorites are: color, blue; food, shrimp; car, Chevrolet; movie, "Last Mile"; and girl, Toni Parker.

This past summer Greg was employed by the Highway Department.

and Joyce West. Out of these will come the five cheerleaders for 1961-62.

Speech...

(Continued from page 1)

"I think before you graduate, you should take speech," says sophomore David Dowell. "If you don't, you will miss a lot of fun. It will help you to be able to get up in front of people without going into a panic. Without Mr. McClurkan, I don't know whether I would enjoy speech as much as I do."

Acting and directing are studied in the drama course, offered the first semester. Those taking drama, who necessarily have an interest in the theater, dig deeper into theatrical history. The course is very interesting, however, whether or not one is seriously interested in a theatrical career.

Students are introduced to a brief history of theater and do scenes from various period playwrights, such as Greek, Shakespearean and moderns.

Students become acquainted with directing, make-up, set-design, and acting. With only six in drama this year, there is room for more students with dramatic interests.

Carl Miller says "We start giving radio plays this nine weeks that are pretty funny. It is a good course for those that want to act. We learn to speak on the radio, and it's a good English course because you learn to speak under pressure." He confessed, however, that he initially took the course "because I like Mr. McClurkan."

"Being an extra-curricular activity, participation in the all-school play is not required. However, the entire drama class usually participates in the fall production in one way or another," states McClurkan.

RADIO-TV

"Time is the essence of all broadcasting," McClurkan tells his second semester radio class. He succeeds in getting the point across to his students. "Fighting the clock" is the main objective of the radio course.

Students compile, edit, and time news and sports stories. Writing and presentation of commercials also is studied in the course. "Students must learn to say things with a minimum of words."

Actual broadcasting experience is gained in the radio class, which tapes dramatic productions at the local radio station under actual broadcasting conditions. Last year's radio students wrote or adapted their own plays for presentation.

As a highlight of the course, students journey to radio and television broadcasting studios in Amarillo, giving them an opportunity to observe the "pros" at work under network conditions.

end of every nine week period when report cards are made out.

Nearly all organizations have a few members who do little or nothing for the club. It is better to belong to a few clubs and really work in them than to belong to several and never do anything more than attend the meetings and pay dues.

Clubs, parties, meets and sports are very much a part of the American Society. Many things are accomplished through the work they do that could not be done otherwise.

Finding a club that suits individual interests, talents, and abilities may be a problem, but it is definitely worth the time and trouble it takes. Where would America be today if people hadn't taken the time to come together to discuss problems and to correct the situations that displeased them?

in the speech and literary arts contests which will be held at Levelland April 8, sponsored by the League.

"League contests provide a showcase for the students," said McClurkan. "League contests for speech departments serve the same purpose as football games do for athletes. It gives the students a chance to exhibit what they can do."

In District contests held last year at Canyon, six Hereford contestants placed in the first three divisions, including four firsts, a second, and a third in district.

There are separate contests for boys and girls. Entrants compete for awards in debate, spelling, essay writing, declamation, original oration and extemporaneous speaking.

"Queens of France," the one-act play entry under the direction of McClurkan, was awarded first place in the separate play contest last year.

Entrance in the contests is not required of students, but H. H. S. has consistently earned high ratings at contests in the past. Speech and drama students enter these contests as an extra-curricular activity sponsored by the department.

Chiropractic

Thespians

Thespians Troop 896 of Hereford High School is a member of the National Thespian Society. Under the sponsorship of McClurkan, the Hereford chapter has 35 members.

As an extra-curricular branch of the drama department, the main interest of Thespians is the study and experience of the theater.

"The main goal of Thespians is the presentation of good plays," says McClurkan. In the past they have produced or helped produce such successes as "Our Town," "Brigadoon," and "Arsenic and Old Lace."

Their production of "Trojan Women" is destined to be another feather in the bonnet of the Thespians. Dates for the play are Feb. 23-24, with tickets

going on sale Feb. 16.

As mentioned, the speech department at H. H. S. is in the process of growing. McClurkan, who is in his second year of teaching at Hereford High, expressed a desire for a few additions to the department curriculum. But, as in all important changes, these things take time.

Perhaps someday there will be a Speech II course offered, or a full-year drama course.

At present, there are approximately 60 students enrolled in Speech I, with only eight in the drama and radio courses. "Naturally I'd like to see more interest shown," stated McClurkan.

Meanwhile, H. H. S. has an active, well-equipped and well-staffed speech department for those who want to take advantage of it.

Day of Prayer

How wonderful if our nation would take to its knees on this National-Day-of-Prayer, and make our oath a reality, a "nation under God." Even our money declares our faith —

"In God we trust." All those who have the prayer habit and many with concern for a good world will pray. Will you pray? Then begin the vigil with self-examination. This general Confession offers a fitting personal prayer to God.

"Forgive what I have been; help me to amend what I am; and by thy Holy Spirit, direct what I shall be... Amen."

Unless we begin in some such mood, we run the risk of hindering God's purposes instead of helping. *"Not my will, Lord, But Thine be done."*

You In The Church
The Church In-You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

REP. WALTER ROGERS WRITES:

Congress Is Off To A Slow Start

TO THE PEOPLE OF THE 18TH DISTRICT:
Congress got off to a slow start this year. This was due to several reasons, number one being the inauguration of a new President. The 20th Amendment to the Constitution, Section 2, provides as follows:
"The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3rd day of January, unless they shall

by law appoint a different day."
The inauguration of a President takes place at noon on the 20th day of January. Hence, you can see that there is a lapse between the convening of Congress and the inauguration of the President. When a new President comes into office, the Congress is more or less stalemated during this interim period. They do not have the Inaugural Address of the new President, his State of the Union message, nor his Economic Report. Under the circumstances, it is not advisable for Congress to take any affirmative action prior to the inauguration.

However, it has always been the policy for the Congress to get completely organized and move forward quickly after the inaugural ceremonies. This brings up the second reason for the slow start of Congress this year. That is, the controversial Rules Committee issue. It was this issue which kept Congress from moving forward with its usual organizational plans and being ready to proceed immediately after the inauguration. The heat revolving around this issue and the

firmness of the conflicting opinions on the subject made it impossible from a parliamentary standpoint, or a practical standpoint, to fully organize the House before that issue was settled.

As most of you know, the issue was settled on Tuesday, January 31st. The settlement was not to my liking, nor it was settled immediately thereafter, the machinery of naming and electing the several members of each committee by the Democratic and Republican Parties ground into action.

However, the machine did not get into high gear soon enough, and Congress ran into another

obstacle of delay. Strange as it may seem, this third reason for the delay is the birthday of Abraham Lincoln. For many years it has been customary for Republican Members of Congress to make speeches throughout the country extolling the virtues of Abraham Lincoln—and he had many.

Although Mr. Lincoln was born on the 12th of February, and speeches concerning his greatness and his contributions to this country would be most appropriate on that day, the distances which many of the Members must necessarily travel in order to be at the appointed places at the opportune time, requires that congressional activities be held in suspended an-

tion for a period of approximately ten days. Hence, the time for departure of these speech-makers arrived before committee assignments had been fully determined by the Republicans, because it took so long to settle the Rules Committee issue, which could not be inaugurated until noon on January 20th, because of the provisions of the Constitution. So you see, it is not too difficult to blame anything you like or dislike on the Constitution.

The fact is that Congress should have gotten started earlier and should have much of its work behind it. But the further fact is that this has not been done. It means that

this session of Congress could very well extend into late fall.

A slow start does not mean a fast finish. It usually means that measures which must pass before the end of the fiscal year, which is June 30th, will receive priority of treatment and action. Emergency matters, and there could be a fertile field of these, will consume quite a bit of time; first to determine whether or not they actually are emergency matters, and secondly, if so, what to do about them.

In any event, this country can certainly look forward to a most interesting year. It's nice that the people are alert and watching every move.
WALTER ROGERS

SOMEONE CARES
BALTIMORE (AP) — A six-year, \$2 mystery is still going strong at the Baltimore office of CARE (Cooperative for American Relief Everywhere).
Every week since the fall of 1954, as regularly as clockwork, an envelope without return address has arrived containing two \$1 bills but no identification.

MEMBER OF CONGRESS 18TH DISTRICT OF TEXAS VISITORS
Mr. and Mrs. Henry Benson and Mr. Bill Decker from Hereford, and Mr. Art Ballard of Amarillo were visitors in the Nation's Capital this week and it was a pleasure to see and visit with all of them.

It's unusual for a small donor but CARE officials aren't kicking. So far, the anonymous donor has paid for 624 packages of food — 13,728 pounds of it — for distribution to the needy overseas.

Take your choice! Unmold a gelatin dessert or salad by wrapping the mold with a hot damp towel or by dipping the mold in hot water briefly.

Meeting Is Held In Bryant Home

The home of Mrs. Kenneth Bryant was the recent meeting place for members of the Sunshine Club.
Roll call was answered with a tax problem, followed by a short business meeting. Members planned a Valentine Banquet for their husbands.
Mrs. Everett Brooks presented the program on "Taxes."
Attending were Mesdames Clint Lundry, J. C. Mays, Everett Brooks, Junior Burgess, Pat Murrell, C. E. Watts, Kenneth Bryant and one visitor, Mrs. Preston West.

POET'S CORNER

'Indian Summer'

(By Whiteface Staff)
SHALLOWS
BY SHARON GREGORY
I have waded in the shallows of first love,
Wistfully viewing a distant ocean,
Endless, enduring —
The love my parents share.
I find the shallows beautiful and dangerous.
Sky waves lapping at my feet
Bring dreams
And smiles for no reason.
Yet the sands
Crumble beneath my feet,
And the currents
Swiftly,
Painfully
Change.

Misty mornings, sharp
With the bite of coming winter,
and
Long, long afternoons where summer
Seems to linger.
Harvest fields
Bright with the rough gold
Of wheat, the smooth yellow
Of corn, and the bright orange
Of ripening pumpkins.
Evenings lit by bonfires
And days of rain.
Love is like an Indian summer,
With brief, bright pennons of happiness
And long, long days of rain.

Ideal Boy

(By Whiteface Staff)
Roxie Faughan says her ideal boy would be as follows: he would have a physique like Lynn Cox and a nose like Craig Griffith. He would have eyes like Eldon Howell and a smile like Johnny Willoughby. As for being bashful, he would be like Joe Shultz and as much fun as Clyde Whitaker. He would have a mouth like Kenny Walser and hands like Joe Mack Hale. He would be as handsome as John Buck and as mannerly as Dan McDowell. He would be as funny as Edward Allison and as happy as Erik Okseter. He would be as intelligent as Drew Kerschen and as ambitious as Thomas Coffman. He would be as daring as Mickey Stevens.

Ideal Girl

(By Whiteface Staff)
Roger Hagar says his ideal girl would be as follows: she would have hair like Joy Story and a voice like Sandra Moore. She would be as much fun as Judy Means and dress like Judy Fowlkes. As for being bashful, she would be like Patsy Campbell and as silly as Sharon Farmer. She would have a smile like Kay Lemons and as for being beautiful, she would resemble Joyce West. She would have hands like Judy Fowlkes and teeth like Patsy Campbell. Her lips would be like Bonnie Sparkman's and her eyes like Dianne Clearman's. She would walk like Sammy Tisdale and have a personality similar to Nancy Edwards. She would be as flirty as Dianne Duvall.

Mumps And Chickenpox Keeping Children Home

BY MRS. T. L. COLLINS
Mumps and chickenpox are causing a good many children in Walcott's first and second grades to be absent from school this week.

Bob Merrill, David Brown and Yvonne Merrill have both the mumps and the chickenpox. Among those who have the mumps are Joe Don Weaver, Dianne Kirby, Roger Brown, Romero Garcia, Belia Garcia, Charles Cupell and Arturo Lopez.

Jimmy Monroe has the chickenpox. Their teacher Miss Paula Green, is busy writing notes of instruction which are sent home to help the children keep up with their school work while they are absent.

Thomas L. Collins has completed another school census for the Walcott School District. A total of 95 are on the census roll for all grades, from the first through the twelfth for the 1961-62 school term.

Among them are the following who will be six before Sept. 1 and will be first graders next fall: Brenda Cupell, Kerry Hall, Tommie Lee Nance, James Tice, Girmecino Rivera and Sharon White.

Mr. and Mrs. Elton Wylie, Paul and Deloris and Mrs. Alta Wylie of Friona went to Lubbock on Thursday to visit her mother, Mrs. Stella Copeland, and Mrs. Porter Wylie there. They came back home that night.

Mr. and Mrs. Gene Cope and Crystal from Hereford ate supper and visited in the Norman Minks home on Thursday night.

Merry Kay Pruitt and Bruce Collins attended the annual Deaf Smith County Chamber of Commerce banquet in the Hereford High School gymnasium Friday.

Paul Harvey's talk on, "All Men Are Not Created Equal," climaxed the program.

Adair Melton, Nancy and Larry Minks, Sue Northcutt, Phyllis, Sharon and Marilyn Tice attended a skating party in Hereford on Friday night, sponsored by the Junior Sunday School class of the Westway Church.

Mrs. Dick Cooke and daughter, Sheryl, from Levelland came Sunday to visit in the

home of Mr. and Mrs. Melvin Henderson and boys. Other dinner guests were Mr. and Mrs. G. V. Hall, John and Danny. In the afternoon Glenn Burrus visited as did Mr. and Mrs. Wayne Bean and sons, Mrs. Cooke and Sheryl returned home on Monday.

Mr. and Mrs. Arthur Townsend of Bentonville, Ark., visited with her brother, Mr. and Mrs. Thomas L. Collins and Bruce, from Saturday afternoon until Sunday. They were traveling to California to visit other relatives there.

Walcott 4-H Clubs met on Tuesday, Feb. 7. Mrs. Glenn Burrus met with the girls, Mrs. Norman Minks and Mrs. J. V. Perrin were present for the boys' meeting. A film, "Keeping Clean and Neat," was shown to boys by T. L. Collins. Refreshments were served to both groups.

Nina Lopez enrolled in the sixth grade on Monday. She is the daughter of Mr. and Mrs. Faustino Lopez, who moved here from Tullia. Nina formerly attended school in the Corpus Christi area.

Walcott School Board held its regular meeting on Monday, Feb. 6. Present were Jack Weaver, G. V. Hall, Glenn Burrus and Thomas L. Collins.

W. A. Ward of Lazbuddie called T. L. Collins on Tuesday to inform him of the events of the coming Inter-scholastic League meet, which is to take place there in early April. The literary events will be held on April 6, with the track and field events scheduled for Saturday, April 8.

Walcott School assembly was held on Wednesday morning. The principal read Psalms 113. Then he showed a film, "The Barrier Between," which was produced by the Bureau of Reclamation at Denver, Colo. The film showed how the surplus water from the Colorado River on the western side of the Continental Divide is now being used to water the more arid eastern side. This was done by building the Adams Tunnel.

With powerful turbines, enough water can be pumped in one minute to supply a person's needs for ten years. Land thought formerly to be unfit for cultivation now produces good crops, plus lakes for fishing, swimming, skiing and boating. Power plants provide electricity for surrounding areas.

Another film, "Canyon Conquest," arrived late and was shown on Thursday morning. It was produced by the U. S. Department of the Interior to show how the Colorado River is being harnessed at Glen Canyon, where a new dam is being built.

Mr. and Mrs. Marvin Payne, Darla and Larry from Hereford were in the community Wednesday night to eat supper and visit with Mr. and Mrs. Joe Rader.

Mr. and Mrs. Thomas L. Collins this week were informed by their son, Raymond, had his car badly damaged in a wreck at Corpus Christi. Raymond received only minor injuries.

Parents of all eighth grade children are urged to be on hand with their children for the Walcott PTO meeting on Friday, Feb. 17, at 8 p.m.

school. Refreshments will be served. Dameron Hereford Ranch cattle were observed Monday afternoon by Guenyoh Soda, from Tokyo, Japan. He was escorted by Jack Renfro, another Hereford breeder.

Initiation Is Held Tuesday

The American Legion Auxiliary held its regular monthly meeting at the Rock Club House Tuesday evening, Mrs. Evalie Potter, president, conducted the short business meeting.

Plans were made for the zone meeting which was scheduled for the American Legion Hall Tuesday, Feb. 14 at 7:30 p.m. Representatives from all nine posts in the zone were present.

Initiation ceremonies were conducted for eight new members, with Mrs. Cecil Wilkins conducting the initiation rites.

Junior members are Joan Carlson, Debra McDougal, Joette and Cynthia Hanna. Senior members were Mesdames C. R. Logan, Lawrence Carlson, Clyde Gilliland and Mabel Wagner.

Refreshments of sandwiches, coffee and cocoa were served to Mesdames Ida Mae Vaughn, Carlos Vaughn, W. J. Frost, Ira Ott, Frank Smith, Ike McDougal, Grant Hanna, Tom Draper, Gertrude Neill, Hazel Sparks, Clarence Sauley, C. R. McGee, Evalie Potter, Cecil Wilkins, C. R. Logan, Lawrence Carlson, Clyde Gilliland and Misses Joan Carlson, Debra McDougal, Joette and Cynthia Hanna. Legionaires also were present.

The Westway Home Demonstration Club met Thursday, Feb. 9 in the home of Mrs. Paul Rudd.

Mrs. Clarence Sauley and Mrs. T. B. Thomas gave a program on "Civil Defense." Mrs. Sauley told of the different types of bomb shelters and urged everyone to build one. She said it was best to live in a shelter for a few hours to see if it needed any changes.

Mrs. Thomas told of the food week. She also stated it would be needed for one person for one year. She also stated to include a few tins of favorite foods. Short trips could be made outside of the shelters, but was not advisable.

The club voted to send a donation to help build a non-denominational chapel at the State Mental Hospital at Austin. This is a state-wide appeal to women in home demonstration clubs.

The members present were Mesdames G. C. Merritt, W. W. Thomas, Joe Severance, R. W. Mitchell, Joe Landers, T. B. Thomas, Luther Norvell, Harold Rudd, R. L. Wilson, Charles Owens, Bernie Northcutt, Bess Werner, George Turrentine, P. B. Sowell, Clarence Sauley, Kenneth Rudd and the hostess, Mrs. Paul Rudd.

Refreshments were served from a table laid with a pink cloth. Tea dainties of a decorated valentine cake, cookies and candy hearts carried out a valentine theme. Assorted nuts, coffee and spiced tea were served in silver service.

Put a vanilla bean, broken into several pieces, in a tightly covered jar with a cup of very finely granulated sugar. Use this vanilla sugar to serve with freshly-made apple fritters. Good enough for epicures!

THE CLASSIC FORD LOOK

Beautifully built to set trends in styling and savings. beautifully built to take care of itself

This is probably the most imitated Look in automobiles today. Take the roofline, for instance. (Most other cars have!) Yet it looks best on its original setting, the Ford Galaxie. The roof and all the rest of the car were designed to go together. This is what makes the Classic Ford Look.

Moreover, this car is as beautifully built as it is beautifully shaped. As Ford takes care of itself, it takes care of your budget.

See the roster at right, and you'll conclude: This is the Ford in your future. May we open its door to you... soon?

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

- Lubricates itself**—You go 30,000 miles between chassis lubrication (which cost only about \$4.00 and take about 20 minutes).
- Cleans its own oil**—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through specially packed liners).
- Adjusts its own brakes**—New Truck Size brakes adjust themselves—automatically.
- Guards its own muffler**—Ford mufflers are double-wrapped and aluminumized to last three times as long as ordinary mufflers.
- Protects its own body**—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.
- Takes care of its own finish**—Just wash and clean Ford's new Diamond Lustre Finish and it will continue to glisten like new. It never needs waxing.
- Extended Warranty**—Each part of '61 Fords, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

Every '61 Ford, like the Galaxie Club Victoria above, shares an honor to be proud of. It is the medal presented by the international fashion authority, Centro per l'Arte Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

WESTWAY NEWS

Sunday School Class Has Skating Party On Friday

By MRS. GEORGE ZETZSCHE
The Junior Class of the Westway Baptist Church and their guests were entertained with a skating party Friday evening at the Hereford Skating Rink. About 16 youngsters were present. Also present were the class's teacher, Mrs. Orville Atkinson, Mrs. Harold Head, Mrs. Herb Schmidt, and Mrs. Bernie Northcutt.

and Donnie Wayne were dinner guests Sunday in the home of Mrs. Jordan and Mrs. Maxwell's parents, the Fred Innans. Mr. and Mrs. W. A. Johnson of Hereford visited Thursday in the home of their son and family, the Emmitt Johnsons. Mr. and Mrs. Vernon King and Roy of McLean spent Saturday and Sunday in the home of Mrs. King's sister and family, the Paul Corbets.

ona Saturday afternoon to visit with George's brother, Mr. and Mrs. Robert Zetzsche, and family. Mr. and Mrs. Mayo Phipps and sons of Friona were dinner guests Sunday in the home of Mr. and Mrs. Harold Head and family. Harold's parents, Mr. and Mrs. A.A. Head of Hereford visited in the afternoon with them.

The Jerry Jordans of Amarillo and Mrs. Alice Maxwell
