CHAMBER OF COMMERCE directors elected officers for the 1963 year at a meeting Wednesday morning. Maurice Tannahill, center, was named president; Mrs. Dyalitha Benson will serve as treasurer; and Austin Rose, Jr. is to act as vice president.

FASTER ARRIVAL, FEWER SPECTATORS

After First Year, Fireman View Radio Alert Benefits

By Gardner Collins
Brand Staff Reporter
The fire siren atop Hereford's City Hall has been in semi-retirement for a year now as Hereford Volunteer Firemen are summoned to fires by a modern radio alarm system.

Since the alarm system was put into operation, the once-familiar wail of the fire siren is almost never heard except for fire occurring during the daylight hours.

With the system in operation, (Continued on page 6)

Around Town

Only three more weeks remain to buy your share of freedom for 1963. The shares are called poll taxes and will entitle you to vote in any election called this year.

Our congratulations and best wishes to the new officers of (Continued on page 6)

\$1000 Bond Set In Burglary Case

A \$1000 bond was set here Tuesday by Justice of the Peace C. B. Miles as a 17-year-old Mexican national was arraigned on charges of burglary here.

Charged with the offense is Rodolfo Solis of Piedras Negras, Mex. The youth is alleged to have burglarized the City Torilla Factory, 126 N. Main.

Charges against the 17-year-old Mexican youth were filed Friday by Hereford Police Department.

Type II Sabin Sunday Jan. 13

All Deaf Smith County residents are being urged to take Type II of the Sabin Oral Polio Vaccine at a clinic scheduled to be held Sunday, Jan. 13, in Hereford High School Cafeteria.

The clinic — the second step in the mass inoculation against the crippling disease — will be open from 10 a. m. to 6 p. m. Type II of the vaccine will also be administered at the Labor Camp Hospital as a convenience for the camp's residents.

Sponsoring the Sabin Oral clinics being held in Deaf Smith County are Hereford Medical Association and Hereford Junior Chamber of Commerce.

Cost of the program, however, is being underwritten by Tierra Blanca Medical Association with oral vaccine clinics also being held in Castro, Farmer, and Swisher counties.

Those receiving the vaccine are being asked to make a 25 cent per dose donation to help offset the cost of the oral vaccine program. However, no one will be turned away for not making the donation.

All residents of the county are being urged to take the second dose of the vaccine even though they have not received Type I.

It has been pointed out that doses of the vaccine may be taken in any order, but Type I is given first since it provides the greatest protection.

Type I vaccine provides approximately 85 per cent immunity while Type II gives an additional 10 per cent. Doses must be taken at least six weeks apart.

The second clinic, according to Bob Roti, Jaycee chairman, (Continued on page 6)

Man Is Held On DWI Charge; \$1000 Bond Set

A \$1000 bond was set here as John Thomas Hawthorne, 22, a resident of Canyon, was returned to Hereford to face charges of driving while intoxicated, second offense.

The bond was set Tuesday by Justice of the Peace C. B. Miles. Hawthorne was arrested Saturday at Randall County Sheriff's Office after a warrant was issued here for his arrest.

At City Commission

Grand Avenue Paving Meet Called; Pumpers Turned Down

A meeting with Grand Avenue residents to discuss plans for a proposed paving project was set by Hereford City Commission at its regular meeting held here Monday.

The meeting is to be held in the ballroom at Hereford Community Center at 8 p. m. on Monday, Jan. 21, the regular Commission meeting night.

A short session of the Commission is to be held, however, in the City Manager's office at 7 p. m. before commissioners adjourn to the Community Center for the public meeting.

In discussing the planned information meeting, it was pointed out that a public hearing on

the proposed paving program must also be held.

Commissioners also expressed a belief that the meeting was necessary to explain the proposal to property owners along Grand Avenue west of Shirley Elementary School.

At a previous Commission meeting, total cost of the paving project was estimated at \$32,220.94. The estimate includes all assessment costs.

The proposal calls for paving and the construction of curbs and gutters on Grand from Avenue F westward to 25 Mile Avenue.

A breakdown of the cost estimate lists grading, \$3311.66; base, \$8430.50; triple asphalt paving, \$8430.50; curb and gutters, \$8400; concrete valleys, \$1650; adjustment of seven manholes, \$150; adjustment of 14 valves, \$154; and engineering \$1693.94.

New paving is to be 44 feet wide and will replace the present 20 foot wide strip paving.

In the previous meeting, it was brought out that property owners will be given special consideration on assessments since they have already paid for the present paving.

Also brought out was the fact (Continued on page 6)

PERRYTON VISITS FRIDAY

Herd Grabs For Dessert As District Meal Begins

Authorities on etiquette may not think too highly of the manners of the Hereford Whitefaces during the next six weeks.

Whiteface cagers will host a group of visitors from distant District 1-AAA towns, and will pay occasional social calls of their own. But while doing so, the Herd may temporarily leave manners at home.

In fact Hereford begins a long reach across the table here Friday night when the Perryton Rangers come to town.

Hereford will be stretching for a silver platter in the form of the district basketball title.

Furthermore, Whitefaces will be down-right greedy during the next eight engagements as they try to leave nothing but the crumbs for district foes.

Hereford will welcome the Rangers with all due courtesy in Whiteface Gym Friday night, but will be not-so-secretly hoping to send their guests home empty handed.

The Rangers probably will leave their best manners at home as they try reaching for the same bowl. Perryton, who sat down at the District 1-AAA table for the first time this year, treated their guests very poorly Tuesday night.

In the district opener, the Dumas Demons found that the Rangers had no respect

for their reputation. The Rangers slapped down the defending state champions 41-40 in one of the year's amazing upsets.

With that under their belt, the Rangers will be anxious to keep (Continued on page 6)

Paul English Wins State Maize Production Crown

Third Straight Title For County

A Deaf Smith County 4-H club boy won his first major state award as he was named top area and state producer in the 1962 Texas Hybrid Grain Sorghum Program.

Winning the 1962 award was 10-year-old Paul English, son of Mr. and Mrs. Lester English, Route 1, Paul, who is a member of Dawn 4-H Club, has been in the program for only a year.

With the announcement of winning yields Monday, this is the third consecutive year for a Deaf Smith County youth to take top honors in the state-wide contest.

The title was won last year by Bill Cole, son of Mr. and Mrs. Floyd Cole. Winning the 1960 award was Jim Shearheart.

Paul won the state and area championships by producing an average yield of 8521.2 pounds per acre on his five-acre plot.

Yields in the contest followed a state pattern and were lower than those for the year before, according to Ben Spears, state agronomist.

In winning the state contest a year ago, Cole produced 9383.9 pounds per acre. However, Paul's yield was approximately 1000 pounds more than the winning yield in the 1960 contest.

The 1962 Texas Hybrid Grain Sorghum Program was the first contest entered by Paul in his 4-H work. He had participated in the District 4-H contest and was a member of the top "Share the Fun" skit.

However, Paul will have to complete two more years of club work before he can compete on a state level for top record book awards.

The Deaf Smith County youth planted TX 660 hybrid grain sorghum on his five-acre plot of land on May 28 following a preplant irrigation and the application of 164-48-0 fertilizer.

Paul used 10 pounds of seed per acre and planted in just over 29-inch rows. He used no side dressing and irrigated four times during the growing season.

The 10-year-old youth commented that he had become interested in grain production through club work and because his father is a grain sorghum producer.

For his top state production, Paul will be awarded a cash prize of \$50 and a plaque as state champion. He will also receive an additional \$25 award for taking top honors in the irrigated division for West and Northwest Texas.

Last year, both games went down to the wire in closely-contested tilts that were real crowd-pleasers. (Continued on page 6)

Steve Cavness Receives Eye Injury Sunday

Steve Cavness, 10-year-old son of Dr. and Mrs. H. A. Cavness, received a serious eye injury here Sunday afternoon.

Playing along Tierra Blanca Creek near his home on South Main, the boy was struck in the eye with a sharp object. He was accompanied by several other boys, most of whom were carrying B-B guns. However, X-rays revealed that the damage was caused by something other than a B-B shot, probably a rock fragment.

The boy was rushed to Deaf Smith County Hospital for emergency treatment, then taken to St. Anthony's Hospital in Amarillo. For a time it was thought that surgery might be necessary, however his condition improved quickly.

Steve was brought home by his parents Wednesday morning, but will have to remain in bed and quiet for several more days.

It is not yet known the complete extent of damage to the eye, but it is believed that permanent damage will not result.

Open Tickets Sales On 2nd Cage 'Classic'

Tickets went on sale Tuesday morning for the second annual Whiteface Booster Club basketball doubleheader.

Earl Stagner has been named ticket chairman by club president Debbs Knox. Stagner immediately announced that everyone, including players, coaches and officials, would have to buy tickets for the game.

Again this year, one game will match the tall Kiwanis Club players against the determined Lions Club cagers. The other game will pit the skill of the high school faculty and coaches and the speed and daring of the younger junior high faculty and coaching staff.

Last year, both games went down to the wire in closely-contested tilts that were real crowd-pleasers. (Continued on page 6)

HEREFORD WHITEFACES for 1962-63 enter District 1-AAA competition here Friday night against Perryton, sporting a 9-4 record. From left are Danny Cates, Wayne Edwards, Earl Jackson, Ronnie Welty, David Dowell, Jim Haney, Dwight McGee, Mike Ferguson, Robert Strange, Billy Hill, and Austin Hodges. (Staff Photo)

Eighth Grade Wins Twice

Stanton Junior High School eighth graders tacked a couple more wins to their record during the week and as they topped Dimmitt and Marshall Junior High of Clovis.

Dogies have seven wins to their credit after downing Dimmitt 21 - 17 here Thursday and then traveling to New Mexico to defeat Marshall by 47 - 22.

Next action for the Dogies comes Thursday, Jan. 10, as Stanton hosts Canyon. Seventh grade game gets underway at 5 p. m., with eighth and ninth grade tilts following.

Against Dimmitt here Thursday, Stanton rampaged to a 22-0 lead in the first quarter and then coasted in for an easy win.

Gene Duvall led the Dogie herd with nine points during the action. Jim Allison hit for five and Larry Noland put his name down for four. Billy Frank ripped in five and Bill Watts made six for the Blue and White. Mike Davis contributed a two-pointner.

After blanking Dimmitt in the first quarter, Stanton led 10-0 as the first half ended. Dimmitt showed almost as little ambition in the third quarter while dumping in six compared to the ten Stanton marks.

Scores became more scarce in the fourth quarter. Stanton had two. Dimmitt had the same. Noland scratched the single mark for Dogies but Stanton still won 31 - 17.

Competition came keener at Clovis, however. Dogies edged Marshall Junior High by 27 - 22. Noland took basket honors with nine, while Jim Allison burned the cards for seven points and Duvall added six. Watts tallied four, and Frank converted a free throw.

Once again Stanton leaped to command in the first period, this time beating Marshall to an 8 - 4 lead. But when the Dogies had to rely on Noland's lonely free throw in the second period, Marshall edged ahead 10 - 9.

Noland, Allison, Duvall, and

Watts all tossed the ball through in the third quarter to move back into the lead, 20 - 14. Stanton had no field goals in the final round, but seven charity tosses were good enough to insure the 27 - 22 win.

Parties, Guests Highlight New Year's Eve Activities

By Mrs. S. N. Thweatt
Mr. and Mrs. N. A. Brown were hosts at a New Year's Eve party on Monday, Dec. 31. Those attending were Mr. and Mrs. Tom DeShazo of Walcott; Mr. and Mrs. Eldred Brown and son, Tommy; Mr. and Mrs. Floyd Brown and sons, Earl, Royce, and Sammie; and Mr. and Mrs. Earnest Brown and children, Barbara, David and Dennis.

Mr. and Mrs. Bill Monroe were hosts at a New Year's Eve supper and party. Guests included a number of their friends.

Guests in the Elton Sorrells home over the New Year's holiday were Mr. and Mrs. Junior Sorrells and baby of Amarillo. Carl Hagan, Mrs. Bruce Coleman and Mrs. Josie Busby of Lubbock were guests of Mr. and Mrs. S. N. Thweatt on New Year's Day. Hagan remained at the home overnight.

Visitors over the weekend in the Bruce Coleman home were Mrs. Josie Busby and a sister of Mrs. Coleman's, Mr. and Mrs. Mount of Lubbock.

Mrs. Bill White, Mrs. Harold Bass and Mrs. Wynne Bass attended the Walcott - Friona basketball game played in Friona on Friday. Walcott was defeated in its first game of the season 12 - 20.

Mr. and Mrs. Thomas Collins, Miss Paula Green and Miss Shirley Bourquin visited in the home of Mr. and Mrs. Bill White and Mr. and Mrs. S. N. Thweatt. They were taking a school census.

Mr. and Mrs. Bruce Collins visited the Collins' and the Roy

Fruita during the Christmas holidays. They returned to their home at Fort Collins, Colo., before New Year's.

Mr. and Mrs. Bill Johnson returned to Stillwater, Okla., to finish their college work at Oklahoma State University. After the end of the semester, they will return home to their farm south of Westway. They will go to

DIVES FOR FREEDOM
ST. PETERSBURG, Fla. (AP) — A 17-year-old Madeira Beach girl, picked up on a traffic warrant, tried to swim away from the long arm of the law.

Patrolman D. A. Huseman said he was walking toward the police car with the girl when she suddenly broke away and ran toward the bay nearby.

Before he could catch her, she jumped the sea wall and started swimming away from shore.

Huseman talked her into returning to land. She was booked on charges of leaving the scene of an accident and failure to report an accident.

WHAT ELSE WAS LEFT
TAMPA, Fla. (AP) — The headline in a Tampa newspaper read:

"Tampans Dies After Funeral."
It was someone else's funeral.

BY A STARLING
ROCHESTER, N. Y. (AP) — A.J. Starling writes a bird column for the Rochester Democrat & Chronicle.

S. N. Thweatt on Sunday afternoon.

Mrs. John Hill entered St. Anthony's Hospital in Amarillo on Monday for eye surgery.

Mr. and Mrs. Downing and their baby daughter visited the Thomas Collins' on Sunday afternoon. The Downings taught school at Walcott three years ago.

Mr. and Mrs. James Ray Coleman and son, Joe, visited Mrs. Ruth Coleman Sunday night. They were on their way home from Crest Butte, Colo., where they spent the week-end.

The Colemans reported that only six inches of snow was on the ground and the ski lift was not in operation.

Mrs. Floyd Brown and Mrs. Eldred Brown were in Friona on Wednesday.

Mrs. Cecil Bass is reported

to be steadily improving following a recent open heart operation in Dallas. She is now in Friona Hospital.

The Walcott PTO program slated for Jan. 18 has been changed due to the death of the Rev. E. H. Baldwin. However, the meeting will be held beginning at 8 p. m. Arrangements are being made for another program.

Mrs. Tom DeShazo was sick the past week. Mrs. Bill Monroe helped with the serving of lunch at Walcott on Thursday and Friday.

Mrs. G. E. Pinkerton and Mrs. Ruth Coleman were Sunday dinner guests of Mr. and Mrs. Fred Moreman of Hereford after church. Others visiting in the home were Dr. and Mrs. Leland Cook and Mr. and Mrs. Ira Ricketts.

If you like 'em solid, sure-footed and quick, Fairlane's your kind of car!

SLAM THE DOOR—and listen to the solid thunk of a car that's all muscle. GET BEHIND THE WHEEL—and discover this hot new middleweight gives you the room of a big car. MOVE 'ER OUT—and learn how Fairlane unsnarls traffic. (It's over a foot shorter than standard cars.)

HIT THE OPEN ROAD—This tight, trim Fairlane has the solid feel of a big car! Choose from two lively Challenger V-8's with up to 164 horses... 9 models: hard-tops, wagons and sedans.

AND REMEMBER—in any Fairlane, you enjoy the kind of care-free driving for which Ford cars are famous (maintenance stops are reduced to twice a year, or every 6,000 miles).

America's liveliest, most care-free cars!

FRIO NEWS

Community Mourns Loss Of Rev. B. H. Baldwin

By Mrs. Owen Andrews

The community was shocked last week when the news spread New Year's Eve that "the preacher," the Rev. B. H. Baldwin, had died. The Reverend Baldwin, pastor of the Frio Baptist Church for almost eight years, died in an El Paso hospital Monday night, Dec. 31.

He suffered a heart attack during the Sun Bowl game there and died after a second attack that night. The Baldwins and some of their children, Mr. and Mrs. Godfrey Baldwin, Mr. and Mrs. Wesley Early, Mr. and Mrs. Homer West and Robert Baldwin, were there to see Eugene Baldwin play in the Sun Bowl with the West Texas State College team.

His other children, Mr. and Mrs. Ben Dean and Mr. and Mrs. Darold Baldwin, had been with the family earlier at home. Also with the Baldwins in El Paso were Mr. and Mrs. W. H. Andrews, Ronnie and Jackie.

Funeral services were held at the Avenue Baptist Church on Thursday afternoon with more than 300 persons present. The Reverend Baldwin had served as a preacher for more than 22 years and had taught in public schools for more than 25 years.

He received his Bachelor's degree from Texas Tech in 1949 and his Master's degree in educational counseling from WTSC in 1960.

For several years, during the 1930's, the Baldwins served as missionaries in New Mexico. They moved to the South Plains in 1942 and to Frio in 1955, when the church was still meeting in the school house.

The Baldwins led the building program as the Frio Baptist Church structure was built and paid for.

Among the more than 80 relatives who were here for the funeral were his mother, Mrs. Anna Baldwin of Albuquerque; his three sisters and their families, the Rev. and Mrs. Billy Wadley, Mr. and Mrs. Claude Holley and Mr. and Mrs. Lewis West, all of Albuquerque; two brothers, the Rev. Milton Baldwin of Whiteface and their families, two brothers, Porter of Fontaine, Cal., and William of Albuquerque, were unable to attend.

Also here were Mrs. Baldwin's brothers, George Keene and Draper Keene and families; a nephew, Bob Sweeney, and a sister, Miss Viola Keene, all of Levelland. An aunt, Mrs. Bob Orchard of Amarillo, also came.

The Rev. S. L. Shannon of Rankin and the Rev. J. L. Bass of Farwell were here to conduct the services. The Shannons and Baldwins had been friends since their ministerial college days at Wayland.

Serving as pall bearers were deacons of the Frio Church and two former members who are deacons of the Westway Church: Olin Parris, Frank Robbins, T. L. Sparkman Jr., Henry Lybba, Herb Schmidt and George Zetsche.

On Sunday, Dr. Carlos Gruver of Plainview was the guest preacher. He spoke here during November and had accepted an invitation from Reverend Baldwin to return. He is Latvian and a missionary for many years. Currently, he is studying Japanese in preparation for the Baptist Japanese Crusade this spring. Dr. Gruver played his violin and showed slides of his missionary journeys in South America.

During the Christmas holidays, the Rev. and Mrs. Truett Allen, Bobby, Billy, Joyce, Benjie, Stanley and Alvin of Springer, N. M., visited the T. L. Sparkmans. The Reverend Allen, who was pastor here from 1944 until 1948, and his wife were honored with a small gathering at the First National Bank hospitality room. Attending were Mr. and Mrs. T. L. Sparkman, Mr. and Mrs. Weldon Stephan and family, Mr. and Mrs. Frank Robbins and family, Mrs. D. C. Miller, Mr. and Mrs. T. L. Sparkman Jr., Mr. and Mrs. David Yandell and Mr. and Mrs. Owen Andrews.

Visiting the H. F. Bensons during the holidays were Mr. and Mrs. C. B. Crosby and daughter of Colorado Springs, Mr. and Mrs. Nolan Sparks and family of Baton Rouge, La., Mr. and Mrs. Don Smith and family of Lawton, Okla., and the Bensons' children, the Joe Hackers, the Don Sigles and the Boyd Vaughns.

Mrs. H. M. Mobley took her mother, Mrs. Leta Taylor, home to Throckmorton last week. They were accompanied by Mrs. Mobley's sister, Mrs. Claude Price of Floydada.

Mr. and Mrs. H. F. Benson recently attended the wedding of a niece, Miss Karen Ing, at Pampa.

Mr. and Mrs. Clark Dobbs and family moved from the Westway community to Lubbock last week. Dobbs plans to enter Tech to continue his education in agriculture. They were assisted in moving by his parents, the Henry Dobbs, his brothers, Larry and James, and by the George Zetsches.

Mr. and Mrs. James Dobbs and LeAnn spent the weekend at Elk City, Okla., visiting her parents, Mr. and Mrs. Walter Jay. Mrs. Jay had been visiting the James Dobbs and returned home with them.

REP. ROGERS WRITES

Reviews Measure To Be Introduced In Congress

TO THE PEOPLE OF THE 15TH DISTRICT:

The convening of the 88th Congress will bring a flood of proposals for changes in the Constitution and laws of this country. Some good, some bad.

Contrary to the thinking of many, the passage of a bill through the Congress is not an easy undertaking. The legislative gauntlet through which it must pass provides for a most exhaustive examination of its contents. This should result in practically no mistakes being made; however, many are made, which is proof of the fact that it is "human to err."

All measures introduced during one Congress which do not become law within the two year term of that Congress, die with its adjournment. Hence, it is necessary to re-introduce them. Several measures which I have long advocated and have submitted in prior Congresses but which have not yet been adopted will be re-introduced. One of these will be

a Joint Resolution to amend the Constitution as follows: "No treaty with respect to which the advice and consent of the Senate is required by section 2 of article II of this Constitution may be made without the advice and consent of the House of Representatives."

Another is a resolution providing for a special subcommittee to investigate and study the problem of obscenity, lewdness, salaciousness, and immorality in connection with the production, distribution, and exhibition in the United States of motion pictures and in connection with advertising related thereto.

I will also re-introduce a resolution to amend the Constitution of the United States to limit the power of the Courts of the United States to determine that statutes of the United States or of any State are repugnant to the Constitution.

This proposal would make it possible for the Congress, by a two-thirds vote, to overrule a decision by the Supreme Court

declaring a statute by the Congress of the United States or any State unconstitutional.

Another resolution will be the one calling for a complete investigation of the State Department with relation to personnel, practices and procedures of choosing and assigning personnel, background and capabilities of personnel, including those employed directly by the Department of State as well as by other departments having duties or assignments directly or indirectly connected with the operations of the Department of State.

In my opinion, this is a matter of prime importance and should be acted upon with the least possible delay.

Another measure will be a resolution designed to commence the procedure for the establishment of a diplomatic academy in this country similar to West Point, Annapolis, and the Air Force Academy.

Such a procedure, if properly conducted, would make

it possible for the foreign service of this country to be open and available to the boys and girls from the main streets of the small towns of this nation. Many feel that the foreign service of our country has been dominated by the influences of the Ivy League colleges.

Another resolution will be directed toward a full investigation and inventory of the real property owned by the United States, with the thought in mind of making it possible to dispose of much of the property now held in public ownership.

Among the bills I will re-introduce will be the measure that I introduced shortly after I came to Congress and which I have re-introduced in each succeeding Congress. This is a bill "To increase the personal income tax exemption of a taxpayer and the additional exemption."

Young Farmers At Fort Worth Meet

Delegates from the Hereford Chapter of Young Farmers attended the Texas Young Farmer Convention in Fort Worth last week.

A Hereford farmer received special recognition at the convention. Charles Vasek was awarded a plaque by the Texas Young Farmers Association honoring him for becoming an American Farmer Degree winner in the Future Farmers of America.

Vasek, a 1961 graduate of Hereford High School, earned the American Farmer Degree last year. The degree is the highest award the Texas Association of Future Farmers of America bestows on members.

Six other Hereford farmers and two wives attended the convention in Fort Worth, which was held Thursday and Saturday.

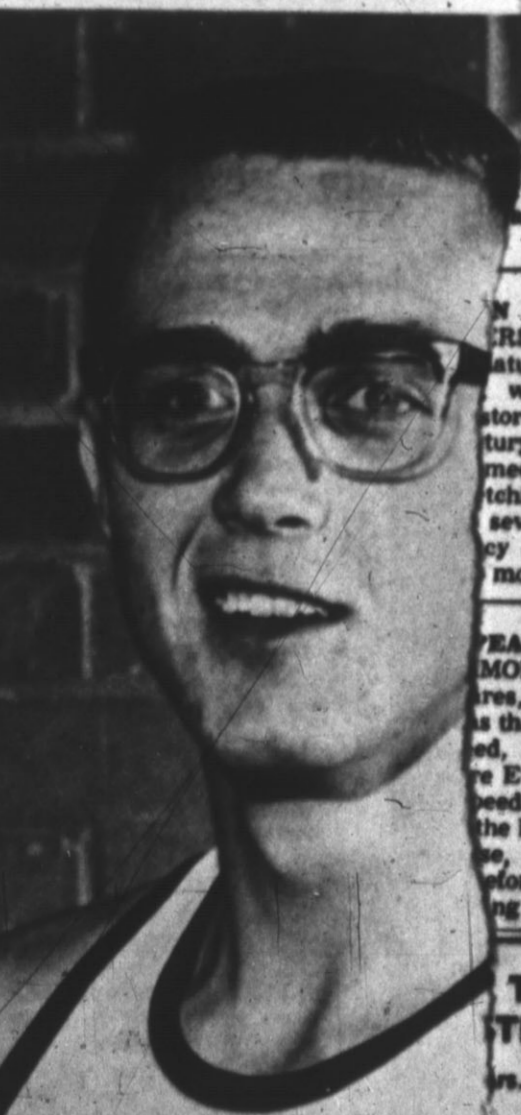

Attention was given to the "David" award. He is 6-0" tall. Despite his lack of previous high jumping, a Chicago dancer, he is calm and deliberate on the mat, creating a "people outstanding on short jump shots around line and sparks the daring Herd defense."

sented the 24 members of the local chapter of the national organization.

After returning from the state convention, Young Farmer delegates stated that the local chapter will follow suggestions heard at the convention in order to gain membership for the club in order that it may become more beneficial.

Hereford chapter of Young Farmers is currently raising funds to pay for a nitrogen analyzer which has been purchased for the Deaf Smith Research Foundation.

The chapter still needs about one-half of the original purchase price of \$2500. Purchasing the electronic tester is only one of the Young Farmers' community projects.

WHO LIVED HERE
 PERSON, Ky. (N) - The naturalist, John James was co-owner of a store here in the early 1800s.

He found the Kentucky hill-fighting pictures of wild-several years, before he caused him and his move.

PEAS IN THE SKY?
 MORE (N) - "Look at these," a man said to a woman as they walked past John's store, columnist for the Evening Sun.

He had made quite a name for himself in the local dialect he called "peas," but it took him a while before he realized they were about flowers.

Bulls Scare Feathers Out Of Hawks, Eagles

Once upon a time the cow jumped over the moon. Some Calves from Hereford did just about the same type of feat last week.

Whitefaces, by name, the young bulls scared the feathers out of some high-flying Blackhaws Saturday in Canyon.

And then later in the day the Herd soared over some Eagles which also had a fairly high altitude.

Things looked bad for the Hereford Bees during the first half against Phillips. The Blackhaws took to the airways and left Hereford behind 33-22 before the buzzer sounded for halftime.

Captain Joe Brooks and his Whitefaces got together in the dressing room for a bull session, and when action resumed the Blackhaws' feathers stood on edge... and finally fell.

Changing defensive tactics, Hereford held Phillips to only four points in the last half. Phillips managed four points in the third period, but the final round was just too much of an effort for the Hawks, as they failed to find the range.

Hereford employed a full-court press to rattle the Hawks in the last half. The Herd thundered past the grounded Hawks at 35-33 as the third quarter ended, and then walked on to a 42-37 win.

Later the Herd gunned down the Canyon Eagles by 30-31. Saturday's wins in Canyon give the Bees a respectable record of nine wins and five losses.

to carry into district play. Hereford opens Friday night against Perryton to get district play underway for the year. Game starts at 8:15 p. m. in the Whiteface Gym.

Whitefaces can give the blame for all of their losses to larger AAAA schools, with the exception of a two-point loss in overtime to Dumas.

During non-conference action, the Herd claims third place in the Phillips Tourney and took honors in the four-team meet at Canyon Saturday.

Against the Phillips Blackhaws Saturday, Frank Cain led the sophomores with ten points. Hitting for eight points each were Robert Strange and Gary Stagner. Charlie Moreno chinked in six points for the Calves. Kenny Justice tallied five. Gary Roberson scored three, and Jimmy Childers tossed in two.

First half saw a tight game, with only one point separating the two squads after eight minutes of play. Scores by Cain, Justice, and Strange were not quite enough during the first period, as Phillips led 15-14.

Childers scored the only field goal for Hereford during the second quarter, as the Whitefaces had to rely on free throws for their other six points. Meanwhile, Phillips soared to a 33-22 lead at the half.

With the full-court press deflating the Hawks, Hereford moved ahead on scores by Cain and Moreno during the third period. Whitefaces led 36-33 entering

the fourth period, and then blanked Phillips for the win. Stagner cinged the cords for six points in the last round, Strange hit three, and Moreno added two.

Against Canyon, Hereford had an easier time in the first half as they moved ahead 26-20. Justice poured in 15 points to take scoring honors for the game, with Savage adding

OFF THE Shelf

BY H. A. TUCK

JOHN H. GLENN: Astronaut is the type of book that makes me glad I am an American. Written deftly and thoroughly by Lt. Col. Philip N. Pierce, USMC, and Karl A. Schoun, managing editor of *Leatherneck* magazine for the past 16 years, this frankly is a patriotic book.

It tells with warmth and humor the background of America's first orbital astronaut. Of course, everyone recalls that dramatic moment at 9:47 a. m. on Feb. 20, 1962, when American life stopped, breathlessly, while a huge rocket hurled a man - carrying capsule into orbit around the earth.

For more than two years, the nation had known much about the seven men who had been chosen to carry out the first steps of America's space program. But this book details the early life and background of the Marine who was chosen for the first orbital shot.

Lt. Col. John Herschel Glenn Jr. couldn't have been a more appropriate hero if he had come to life out of the Steve Canyon comic strip or from the pen of Horatio Alger.

He was a small-town boy, good in athletics, who had grown up in a middle-class home, married his childhood sweetheart and gone off to war. But what many didn't know was the depth of character of Colonel Glenn, or his earlier successes.

This book tells such things as his early desire to become a pilot and the leadership and courage that he showed in the South Pacific. It also chronicles the exploits of the slightly more mature, but no less courageous, pilot while he was fighting the limited engagement in Korea.

He used to return to his base with so many holes in his plane that it became known as the flying colander.

Glenn also talked the high brass into letting him try a transcontinental speed trial in a new jet fighter plane. Even having to lose altitude and speed to hook up with slow, propeller refueling craft, he made the run from coast to coast in three hours, 23 minutes and 8.4 seconds.

The last half of the book is devoted to Glenn's test pilot training and how he was among the seven selected for Project Mercury. It details the intensive physical and mental conditioning and the close teamwork necessary.

It also tells of the nerve-racking "holds" and delays before the shot finally was made.

But one of the paragraphs in the book that made the biggest hit with me came as the book described Colonel Glenn's return to the U. S. after his three-orbit trip. The 15-mile route from Patrick AFB to Cape Canaveral was lined with a 100,000-widely cheering people. It was Glenn's finest hour. The motorcade, with Vice President Lyndon Johnson accompanying the astronaut, was hurrying to make a scheduled meeting with President Kennedy. Then came this:

"As the long line of cars turned into the main gate at Cape Canaveral, the sun-loving astronaut went through a piece of business that sent the gate sentry into a roaring gale of laughter. Hastily fishing through his pockets, John triumphantly flashed his official gate pass at the surprised security guard as his car moved slowly through the entrance."

Glenn humbly gave his family, his wife and his many teammates the credit for his success and declared that it was they, not he, who deserved the honor.

John Glenn is a dedicated man, acknowledging his dependence upon God, not just in times of crisis, but at every moment. He believes that his hero's role was his duty to his country and to the world.

This is the type of book which every child should be encouraged to read. It is a good book, about a good man.

Following Glenn's glorious return to the United States, he was accorded the largest turnout at a parade through Wash-

ington, D. C., where he rode bareheaded through a heavy rain in order that everyone might be able to see him.

His humility and inherent goodness may best be glimpsed from excerpts of the report he made at an historic address to the joint session of Congress:

"Mr. Speaker, Mr. President, Members of the Congress, I am only too aware of the tremendous honor that is being shown us at this joint meeting of the Congress today. When I think of past meetings that involved heads of state and equally notable persons, I can only say I am most humble to know that you consider our efforts to be in the same class."

"This has been a great experience for all of us present and for all Americans, of course, and I am certainly glad that pride in our country and its accomplishments is being shared."

"I still get a hard-fine feeling inside when the flag goes by - and I know all of you do, too. Today we rode up Pennsylvania Avenue from the White House, saw the tremendous outpouring of feeling on the part of thousands of our people, and I still feel this same feeling of gain. Let us hope that we never lose it."

"Today, I seem to be standing on this great platform. It seemed to be a cockpit of the future spacecraft. But I were with me thousands of Americans and many thousands of our countrymen around the world, and in a

AUSTIN HIGHLIGHTS

Connally Picks Seven Men For Administrative Posts

By Vera Sanford

Governor-elect John Connally has picked seven men to fill key appointments in his administration. Oldest of the seven is Crawford Martin of Hillsboro, who will be Secretary of State. And he is only a year older than the 44-year-old future governor.

Youngest appointee, 27-year-old Larry Temple of Austin, will be an administrative assistant. Teamed with Temple are 32-year-old Bill Fowler of Dallas, 38-year-old Frank Miskell of Austin, and 34-year-old Scott P. Sayers of Fort Worth.

Howard Rose, 32-year-old Mikland attorney, will be Connally's executive assistant.

Bill Cobb, 38, will be budget director. He's an Austinite.

Two of the appointees are carry-overs from the Daniel administration, to some degree. Martin served as state senator from Hillsboro for 14 years - through 1962. Cobb was chief examiner for the Legislative Budget Board from 1951 until 1962, when he became assistant executive director of the Texas Industrial Commission.

Fowler, Miskell and Sayers worked on Connally's staff while he was campaigning for governor.

SCHOOL FUND STILL GROWING

The Permanent School Fund, that provided more than \$21,000,000 of non-tax money for use in public schools in 1962, now consists of investments totaling more than \$477,000,000.

Furthermore, it should continue to grow, since the current rate of return on corporate securities, treasury bonds and municipal bonds has increased from 3.38 per cent to 3.51 per cent.

In the past 25 years, the Fund has earned more than \$162,000,000 in interest through investments made by the State Board of Education.

WEATHER WOES CUT PRODUCTION

Weather played havoc with almost every major crop in the state in 1962 and caused crop production to hit its lowest point since 1957.

U.S. Department of Agriculture reports that the 1962 crop index fell nine per cent below the 1961 level to 127.0. All-time high of 145.0 was set in 1939, and the 1961 level was second highest.

CROPS HARDEST HIT WERE:

wheat, down to 45,700,000 bushels or 40 per cent below 1961; citrus, down to about six per cent of 1961 production; sorghum, down 12 per cent; cotton, down 100,000 bales - to 4,000,000 bales.

Production of corn, peanuts, soybeans and rice was down, however, yield per acre was up over the previous year.

Weather's costly whips out the total value of 1962 crops to \$1,400,000,000 - or eight per cent below the 1961 value. Cotton lint and cottonseed accounted for 57 per cent of the total; sorghum grain, 14 per cent; and wheat, six per cent.

RETURN OF DIGNITY

Speaker-elect Byron Tunnell of Tyler said he's going to restore dignity to the House, where legislation frequently resembles a trading boom at the New York Stock Exchange.

He warned legislators that they can no longer have secretaries work at their desks, and relatives will not be allowed to sit with them, except on very special occasions.

WORM ERADICATION FUNDS SHORT

The Southwest Screwworm Eradication Program - which succeeded in cutting screwworm cases by 75 to 80 per cent in less than a year - will be halted March 31, unless livestock producers raise another \$1,000,000 by that date.

Charlie Scruggs, president of the Southwest Animal Health Research Foundation, made that announcement on behalf of SW-AHRE's board of trustees.

The three-year eradication program, initiated last January, cost an estimated \$15,000,000. The federal government was to pay \$8,000,000, the livestock producers, \$6,000,000, and the State \$1,000,000.

But so far the ranchers have raised only \$2,000,000.

TURMAN SEEKS POST

James A. Turman, who ran for lieutenant governor last year and lost, wants to return to his favorite field - education.

The 35-year-old Speaker of the House quickly advanced in the field of education before he became a legislator eight years ago. He earned a doctorate in education, then assistant professor and assistant superintendent.

He has a home in Canyon.

one of his major projects.

Atty. Gen. Waggoner Carr addressed an overflow crowd at his swearing-in ceremonies in the Courts Building.

He said that delinquency is neither normal nor universal among our juveniles. "On the contrary, a respect for the law is far more common among young people than is disrespected," Carr stated.

Carr also pledged to "continue vigorously" investigations begun by his predecessor, Will Wilson, into the East Texas slant-hole oil well scandal and the Billie Sol Estes case.

Although pledging no encroachment on local responsibility, Carr warned that in any instance where local officials "fail in their trust to this state," he will not hesitate to step in "to correct the situation within the boundaries of power and authority."

TAX TAKE GROWS

Receipts from sales of cigarette, liquor and wine stamp sales totaled \$8,414,358 during December. State Treasurer Jesse James reports.

Receipts totaled \$7,300,000 from cigarette stamp sales; \$1,000,000 from liquor stamp sales; and \$91,414 from wine stamp sales.

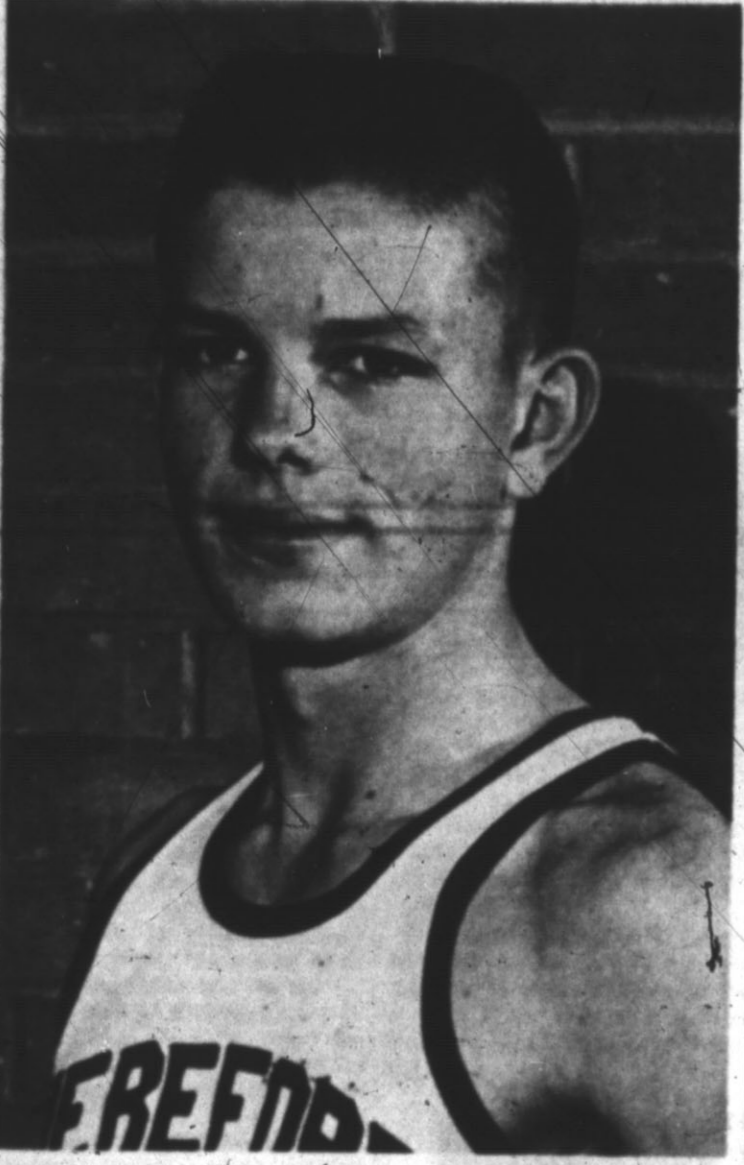

December, 1961, receipts totaled \$7,925,597.

CARR NAMES AIDE

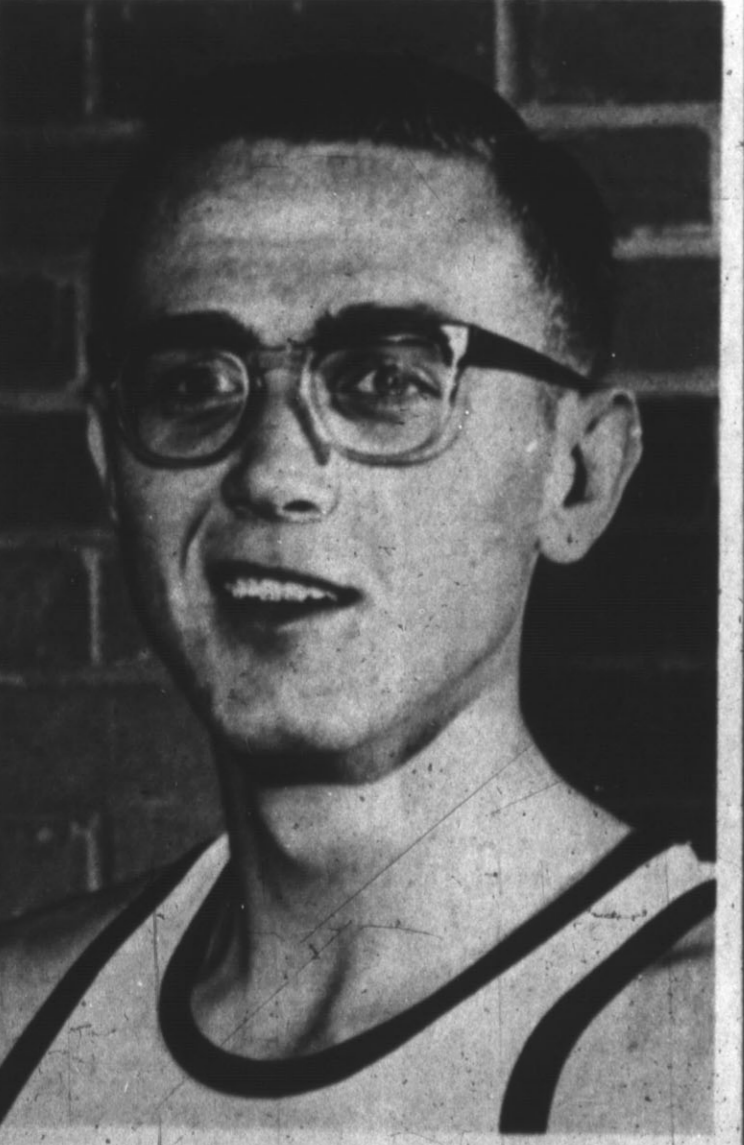

Atty. Gen. Waggoner Carr has named Albert Jones of Austin as his first assistant.

The University of Texas professor has been directed by Carr to completely reorganize the attorney general's office. Carr said he has asked Jones to head up the reorganization "in order to secure the utmost efficiency in its operation."

Carr noted that Jones, a Fellow of the American College of Trial Lawyers and a former president of the Texas State Bar, will give the office the services of an outstanding and prominent trial lawyer.

ROBERT STRANGE is the only sophomore on the varsity squad this year. He is 6-0 and usually plays a guard position. Despite his lack of previous high school experience, he is calm and deliberate on the court. He is most outstanding on short jump shots around the free throw line and sparks the daring Herd defense. (Staff Photo)

DWIGHT MCGEE is a senior forward with one varsity letter. He is 6-2 and works hard helping out on rebounds. A determined, aggressive player, his best shot is a jumper from the far corner. He has been high point on occasion, but is also appreciated for his tough defensive play, often against larger opponents. (Staff Photo)

Joshua 3, 4 "Ye have not passed this way heretofore" What does 1963 hold for us? For our country? For the world?

Economists like to paint a rosy picture. They tell us more prosperity is on the way. Governmental authorities like to tell us the same.

atop the district heap as they meet the Whitefaces for the first time in district play. In other words Friday's duel promises to be a delicious meal for the spectators. The appetizer will be served at 8:15 p. m. when the Hereford and Perryton B teams tangle. Hereford Bees, who command a nine and five record in non-conference play, will be trying to get their hands on third helpings this year. The Herd's Bees have been unofficial district B team champs the past two seasons.

Main course for the meal comes at 8 p. m. Hereford enters the affair with a season mark of nine wins and four losses, while Perryton brings a misleading record of four wins and seven defeats, including the Dumas upset. However the Rangers also bring along a potential equalizer in the 6-5 1/2 form of Don Boyer, a senior and returning starter. Also leading the Perryton attack is Roger Wright, 5-9 cager who also saw action last year.

With only two starters back from 1962's AA regional finalist squad, the Rangers have been slow to start this season. Their three non-conference wins were over Shamrock, Price College and Liberal, Kan. Whitefaces enter the game with a new man on the line-up, senior Ronnie Welty. Another headline this morning allowed as how the United States was going to take a firm stand about giving United Nations aid to Cuba. But the odds are better than even that some U. N. funds will get there anyhow. It probably will come from one of the countries now receiving U. N. aid that is amenable to a suggestion from Moscow that some donation to the poor Cubans might be in order. As I recently recall, the United States not too long ago agreed to buy thirteen million dollars worth of U. N. bonds to keep the group solvent.

(Continued from page 1)
department members can go directly to a fire without reporting to the station first or calling in. However, the fire chief pointed out, one company of firemen always reports to the station to roll the city's equipment. In commenting on the operation of the almost trouble-free system, Clay Angelo, fire marshal, also remarked on the "speed up" in the time it takes to reach a fire.

He added that by using this system, traffic is not as great a problem as it once was. Reeves, in discussing the need for speed in reaching a fire, stated "The National Fire Underwriters Board recognizes that the five minutes of a fire are the most important since losses can be held to a minimum." The present radio system, he said, is one of the best improvement any volunteer department can have. "It has increased our efficiency by 75 per cent," Reeves continued. "We have arrived on the scene much faster and haven't been hampered by spectators. Fire losses have been kept to a minimum, which is what the department was set up to do."

There have been no problems experienced through use of the system, Reeves added. Only minor upkeep is required to keep the system in operation. Maintenance also can be taken care of locally. The fire chief also stated that the number of firemen reporting to fires has increased since the system was put into operation.

Before radios were installed, he estimated only about 70 per cent of the department's members would be at a fire. However, Reeves continued, the percentage of those reporting has risen to between 80 and 90 per cent on general alarm fires.

Concerning the operation of the system, Reeves pointed out that there are 42 sets in operation within the department. Of these 12 are two-alarm sets and the remainder are for general alarm only. When a minor fire within the city or a county fire is reported, only six men are summoned by using the second frequency since only one truck and crew is required. "Use of the two-tone system represents a savings to both the city and the county," the fire chief remarked, "since the whole department is not alerted and they are not taken away from their respective jobs." To sound an alarm, a tone

signal is sent from the base station located at the City Hall and operated by Fire Marshal Angelo. The signal turns on sets located in the homes or businesses of department members. After the tone signal, the location of the fire is broadcast and members of the department either go directly to the fire or to the station to roll firefighting equipment. Since the system has been in operation here, said Reeves, many inquiries have been received from other communities concerning its operation. Use of such a system is also recognized by the state which allows Hereford a consistent reduction on the basic fire insurance rate, he concluded.

School...

to be given to the family of the late B. H. Baldwin, teacher and counselor in the school system. The resolution extolled the minister-teacher who died Dec. 31 for his many years of teaching and his service to the school system in several capacities. Trustees asked that bids be obtained on construction of a proposed cold storage room to be incorporated in the cafeteria kitchen at Northwest Elementary School. It was pointed out that the school now rents commercial locker space. A final decision will be made after bids are studied.

Final plans for the kitchen at Northwest Elementary were approved and bids will be asked. At present construction of additions to Northwest and the high school is ahead of schedule. However, delay on some materials is expected to slow work down some. The enrollment report shows a sharp drop, expected after cold weather arrived. On Tuesday, 2916 students were enrolled, compared with 3011 last month and 2921 in January of 1961.

AT SCHOOL MEET
Olin Parris, Ivyn Block, board trustees, superintendent Paul Stevens, and assistant superintendent Kendall Williams flew to Austin Wednesday morning for the School Administrators Advisory Conference on Education. The meeting continues through Thursday and Friday.

(Continued from page 1)
that the proposed paving would be eight feet wider than normal city requirements since the street was designated as a main thoroughfare. Dub Reeves, chief of Hereford Volunteer Fire Department, appearing before the City Commission recommended that the city sell the fire department's 500-gallon pumper, purchase a modern 750-gallon pumper to replace it, and also purchase a 500-gallon booster truck. The fire chief pointed out that the present pumper was purchased in 1942. He also stated the truck had "barely passed the last state inspection."

Cost of a new truck for the department would be approximately \$22,500 while booster truck cost was placed at \$5000 by Reeves. In making the recommendations, Reeves asked commissioners to authorize immediate purchase of the booster truck with purchase of the \$22,500 pumper to be included in the budget for the next fiscal year.

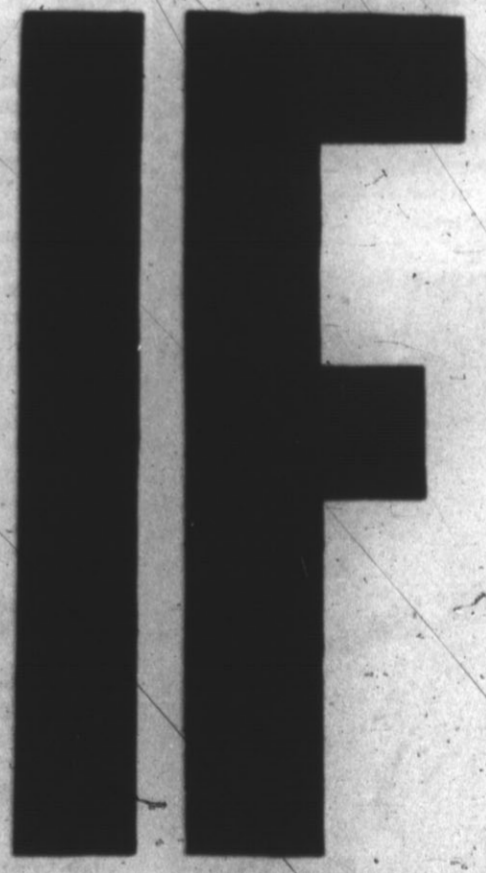

He pointed out that he had received a "firm bid" of \$2750 from Roaring Springs City Commission on the purchase of the city's 1942 model pumper. Money received from the sale could be applied toward the purchase price of either the booster or pumper units. State regulations require a town the size of Hereford to maintain three pumper units at all times to receive credit on fire insurance rates.

In the discussion, it was brought out that if the presently owned truck was sold, the city would be required to replace it with another unit. In writing on the recommendations, the Commission turned down the proposal to sell the presently owned truck. However, the purchase of the 500-gallon booster is still under consideration. This piece of equipment, according to Reeves, would be used to fight small fires and for use in the county. In rejecting the first two proposals, commissioners expressed the belief that the 500-gallon truck could be used on a stand-by basis since the department is also equipped with two 750-gallon pumper units.

In other action, the Commission upheld the rejection of a zoning proposal submitted to the Zoning Commission. The petition asked that property belonging to Quentin Conn at Bennett and West Third be changed from a "C" residential classification to "D" commercial. The Commission also approved a Santa Fe Railroad request that the speed for the eastbound trains be increased to 45 mph after passing the Lawton Street Crossing. However, crossing gates must be installed at the Bull Barn Crossing on South Park Avenue. At a meeting in October, commissioners approved a 45 mph speed limit on westbound trains to the Lawton Street crossing provided that gates would be installed. From Lawton Street westward to Lee Street the speed limit will remain at 30 mph.

BEING A HOUSEWIFE AND teacher keeps for her family. A brief glance at her baked things hopping around the home of Mrs. Spicer (Norma Jean) Gripp. Therefore, good start in preparing a quick meal. meals must be made simple and appealing (Staff Photo)

LET'S COOK SOMETHING!

Farm, Teaching, Rodeos, School Keep Gripps Busy

By Ramona Neal
Brand Society Editor
Although Mrs. Spicer (Norma Jean) Gripp has been teaching school just a year and a half in Hereford, she has completely fallen in love with her work and her pupils.

At Stanton Junior High she teaches social studies in the eighth and ninth grades and speech in the ninth grade. She had previously taught school for two years in Panhandle before her marriage and is now resuming the career that holds such a warm spot in her heart.

Living on a farm, managing her household and taking care of her two children, Nancy, 15, and Kim, 8, in addition to her teaching, keeps every day far from being dull. Besides farming, Norma Jean's husband, Spicer, is well known in the rodeo arena.

During the past summer the Gripps built onto their home and are very proud of it. During the coming summer Norma Jean hopes to attend summer school at West Texas and work toward her Master's degree.

With all the activities that go on all the time around the Gripp farm every member of the family is depended upon to help out. Nancy cooked part of the meals during the summer, besides helping when needed for other jobs. Small try Kim is following in his father's footsteps in the rodeo field and has won several first prizes with his roping in the pee wee rodeo league.

Norma Jean thoroughly enjoys watching her pupils grasp every bit of knowledge they can. She tries to instill upon her classes the thoughts that one should not depend upon others to learn for them, but to use their minds and learn for themselves, for their own advantages.

Since time is so valuable, Norma Jean finds that at meal-time a good casserole will fit the bill for something quick and filling, besides being appetizing. This dish is simple to prepare and something different along the main dish line.

Baked Ham Salad Casserole
3 cups diced, cooked ham
1 cup diced celery
1/2 cup chopped stuffed olives
2 hard cooked eggs, diced
2 teaspoons minced onion
1 tablespoon lemon juice
2 teaspoons prepared mustard
Dash of pepper
1/2 cup mayonnaise or salad dressing
1 cup crushed potato chips

Combine ham, celery, olives, eggs, onion, lemon juice, mustard, pepper and mayonnaise. Put mixture in 8" x 2" round baking dish. Sprinkle with crushed potato chips. Bake in hot oven (400 degrees) for 20 to 25 minutes.

Combine all together and pour into pie pan. Whip 1 cup of whipping cream and use as a topping for the pie. Chill in refrigerator.

Frozen Apple Salad
1-8 ounce can or 1 cup of crushed

petition for his spouse from \$600 to \$1,000, and to increase the from \$600 to \$1,000. This has been a long, hard fight, but it now seems possible that favorable action can be taken on this or a similar measure this year.

Another measure I expect to re-introduce is a bill I have long advocated. It would require that all decisions of the Supreme Court shall be participated in by the full Court and that any vacancies or absences in the membership of the Court shall be temporarily filled by circuit judges.

There are a number of others, but lack of space will not permit me to discuss these in full at this time. I expect to treat them in a subsequent newsletter.

Hereford Big Domino Band Appears In Dallas Parade

By DONITA ALLRED
Whiteface Reporter

Approximately 120 band members, sponsors, and director Ben Gollehon left Hereford on Sunday, Dec. 30, at 11 p. m. to participate in the Cotton Bowl festivities in Dallas.

Traveling on three charter buses, the band arrived in "Big D" about 7 a. m. Monday. After eating breakfast, the group checked into the Lomo Alto Motor Hotel and rooms were assigned.

About noon the band went down town to shop, sightsee, and have fun until 3 p. m. Returning to the hotel, the band practiced marching for two hours.

Hereford Lions Club paid for the band's dinner on Monday night. Following dinner, the band attended a New Year's Eve party given by the Dr. Pepper Bottling Co. for all bands marching in the parade.

Hereford High School's boys trio provided a portion of the entertainment for the party. The group consists of Dick Combs, Ron Gray, and Charles Kelly, accompanied by Charles Mims at the piano.

Waking at 6 a. m. on New Year's Day, the band ate breakfast and went down town to the parade area. At 10 a. m. the parade began and after 15 blocks of marching and playing an exhausted group of Hereford bandmen boarded buses to go to the Cotton Bowl Stadium.

The Big Domino Band was one of several guest bands at the game in which the University of Texas played host to Louisiana State University. Pre-game ceremonies were presented by five Texas bands. These bands were Belton High School Band, Van High School Band, Grand Prairie High School Band, Wichita Falls High School Band, and Sunset High School Band from Dallas.

Prize-winning floats of the parade and the queen's court were presented. Miss Jessica

Darling from Texas University was crowned as the 1963 Cotton Bowl Queen. The opening of the football game was started with a prayer. The Star Spangled Banner, school songs, and fight songs as the teams were introduced.

As the first half of the game came to a close, the L. S. U. Tiger band, Kilgore Ranges and Ranger band, and the T. U. Longhorn Band performed for halftime entertainment.

Announcement of the best bands in each class marching in the parade named the Morristown High School Band of Morristown, Tenn., first class; Pittsburgh High School of Pittsburgh, Tex., second class; and Van High School of Van, Tex., third class.

"Miss Cotton" awarded Baylor University at Waco a trophy for having the best sportsmanship in the Southwest Conference.

The final second of the game ticked by and L.S.U. won 13-0. Following the game, the group packed to come home and went to the Cotton Bowl Stadium.

NEW TEACHERS at Hereford High School have recently joined the faculty. Mrs. Virginia Balch teaches English II. Jack Steed is a student biology teacher under Charles Holt. (Brand Staff Photo)

Semester Test Slate Announced

Following is the schedule for semester examinations as announced by the principal's office.

Trigonometry, algebra, geometry, and business math exams will be given Thursday at 8:50 - 10:50 a. m.

Distributive Education and bookkeeping students take their tests at 10:50 - 11:50 a. m. Thursday. Also taking tests at the same time will be English II classes of James Hinkley and Mrs. Irene Young, and Virginia Balch.

Other English tests will be given 12:50 - 2 p. m. Thursday. Later all homemaking and vocational agriculture students take tests at 2 - 3:30 p. m. Thursday.

All American history and world history students take tests Friday at 8:50 - 10:50. Government exams come at 10:50 - 11:50. Also slated the same time are Texas History and French I exams.

Physics, chemistry, and biology tests are slated for 12:50 - 2 p. m. Friday. All Spanish, business law, and boys homemaking students have tests Friday at 2 - 3:30 p. m. (Continued on page 2)

MID-TERM TESTS cause more than a little concern among the members of the Hereford High School student body. Among those caught in a last-minute review for the tests are from the left: Jay Boynton, Charles Mims, and Catherine Smith. Tests will be given Thursday and Friday. (Brand Staff Photo)

The WHITEFACE

The Hereford Brand, Thurs., Jan. 10, 1963

Section Two

Hoof Prints

By David Stevens
Whiteface Sports Editor

The Whitefaces played their first game in Dimmitt last Friday after almost two weeks off. They defeated the Bobcats by the score of 47 - 38.

Both teams started slowly as the Herd pulled to a 10 - 8 first quarter lead. Things got a little warmer in the second quarter as the Whitefaces outscored the Bobcats 16 - 6 to take a 26-12 halftime margin.

The Herd really cooled off in the third period as they scored only seven points compared to Dimmitt's 13 markers. This cut the Hereford lead to 33-25.

Both the play and tempers flared in the fourth quarter. The Bobcats pulled within four points at one time on a three-point play. (This was a different kind of three pointer as James Cowell made two free throws and Mike Calvert made another on a technical foul.)

The Whitefaces opened the game with a zone defense designed primarily to stop Mike Calvert, but Calvert was unstoppable as he scored 22 points. The defense did, however, contain the Dimmitt offense very well since they scored only 12 points in the first half.

The Dimmitt defense tried to stop Jim Haney, high scoring Herd center, and they kept him almost scoreless but while they were doing this other Whitefaces were pouring 'em in.

In B - team action last week the Herd trampled Dimmitt 60-43. Ronnie Welty and Charley Moreno shared scoring honors with 12 points each. This was Welty's last game with the B-team as he becomes eligible for varsity competition for the first time in tomorrow's game with Perryton.

Last Saturday the sophomore players played in a tournament in Canyon. Teams competing were Hereford, Canyon, Phillips, and Tullis.

In the opener the sophs met Phillips. The Blackhaws jumped to a 33 - 22 halftime lead. The Herd started the second half in a zone defense and a full-court zone press. This defense and the Whitefaces' de-

LAST - MINUTE PRACTICE (at right) finds members of the Hereford High School Big Domino Marching Band polishing drills for their appearance in the Sixth Annual Cotton Bowl Parade (bottom). The band traveled to Dallas as a result of a special invitation to attend the New Year's Day event. (Staff Photos)

REQUIREMENTS NAMED

Library Helpers' Duties Described

By Beverley Barrett
Whiteface Reporter

There are many different jobs for the librarians and audio-visual assistants of Hereford High School.

Librarians include Shari Jo Carmichael, Judy Behalle, Darlene Houle, Clea Kay Rutter, Linda Lemons, Barbara Barrett, Pegene Cox, Kathleen Kuper, Dieder Thomas, La Renee Askew, Neida Botkin, Anna Evans, Bill Woolbright, Linda Hart, Carolyn Aven, and Catherine Smith.

Qualifications for library assistants are that the students must be passing in school work. They must be neat in appear-

ance and possess a friendly, helpful attitude. The librarians must be agreeable and cooperative and also "good housekeepers".

Librarians' duties consist of checking books and magazines in and out, filing cards, keeping the book and magazine files in order, and helping students find books and materials. The girls must be familiar with the card catalog. They type book and catalog cards, and plan displays for the bulletin board and show cases.

Other duties of the librarians include making minor repairs on damaged books, typing

LIBRARY ASSISTANTS and audio-visual workers are kept busy performing their various duties. Among the library assistants to Mrs. Mabelle Neil are, from the left, Barbara Barrett, Mrs. Neil, Pegene Cox, Floyd Silvers, and Marvin Kuper. These are only four of the many students who work as librarians or audio-visual helpers at Hereford High School. (Brand Staff Photo)

AN EDITORIAL

Laughter Is Cure-All

By LINDA HIGGINS
Whiteface Editor

The New Year has brought with it, to many, a new feeling of hope. Spirits are generally high and laughter is a common thing.

It has often been said that the American people laugh more than any other people in the world. Yet, no one can criticize Americans for this characteristic. The American people have worked hard for their happiness.

With the leisure time Americans have, they fill the hours with hobbies, watching or participating in sports, or visiting. Whether it be talking between classes or visiting over the back-yard fence, Americans take full advantage of the right of freedom of speech. In almost every conversation you will find a sprinkling of laughter or points of amusement.

Some people are too withdrawn and self-centered to be able to enjoy the full scope of a good sense of humor. I believe people find their biggest amusement in themselves or other people. This humor is often a form of self-criticism. No one should be above facing a problem and seeing the humor of that predicament. Often a look at a situation from a not-quite-so-serious view shows one the true side of a problem.

Many people don't value the break brought into their lives as laughter refreshes the heart and mind. We are truly lucky to be able to have the privilege and opportunity to laugh and build within ourselves a true sense of humor.

As it was once said, "The American sense of humor is the only thing that the Communists can't say they invented."

ored in English and Education and minored in History. She is a member of the Chi Omega Sorority. Mrs. Balch feels a college education is very important and recommends it highly.

"It is very hard to get a good job today without the aid and advantage of a college degree. It also helps one to mature more fully," she commented.

Mr. Steed is a graduate of West Texas State College in Canyon. He majored in biology and minored in government. He is a member of Lambda Chi Alpha Fraternity.

Mr. Steed says a college education holds a great significance in applying for jobs. Being a teacher often presents circumstances where aims and emotions of the youth of today are clearly recognized. Many adults feel that this particular generation has a tremendous lack of responsibility. Both teachers disagree with this opinion completely. Given a chance, they agree, the youth will measure up to the responsibility bestowed upon them.

"I can't really see so much contrast in today's teenager and myself when I was that age," replied Mr. Steed.

Mrs. Balch was born at Temple, Tex., but now with her husband and two children live at 228 Avenue J, Street. Her two sons are Brad, three and one-half years old, and Blake, who is nine months old. Mr. Balch is a teacher at Stanton Junior High School.

Mr. Steed came from Childress, but presently lives at 510 Union Street. He is not married.

When the question arose as to the importance of stressing individualism in the public school systems today, a glimpse at the value of these two teachers in their profession was shown when they both agreed that with few exceptions, a wise teacher puts an accent on the qualities and capabilities of the individual, they agree.

AN EDITORIAL

Memorial For Mr. Baldwin

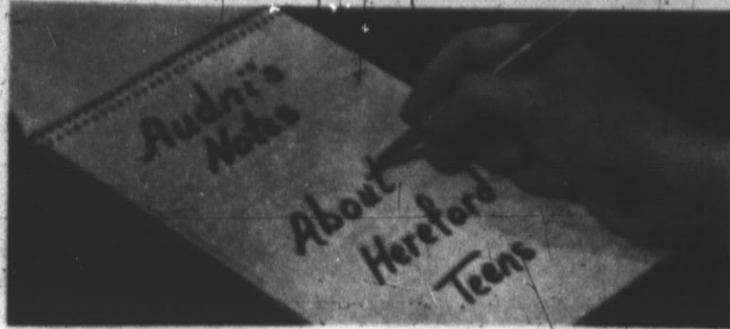

The students of Hereford High School remember Mr. B. H. Baldwin as a very special person. He was the special education teacher and our friend. He was always ready to laugh at our jokes or listen to our problems. Mr. Baldwin was there anytime, ready to help anyone, no matter who it was. Our problems were his problems.

He has guided many of us, at an age when we needed help, in making the right decision.

We feel we have lost a real friend, but we will all remember the help and encouragement that he has given us.

Texas University has played in the Cotton Bowl Classic eight times and won four, lost three, and tied one. Louisiana State has played twice, winning one and tying one.

Cotton Bowl Stadium in Dallas has a capacity of 75,504.

By Audri Miller
Hello, "dear hearts and gentle people," — this week, especially, I am forewarning: A column is a column is a column. Since school has resumed after the Christmas holidays, things have seemed relatively "immobile." So, if you choose to read on, here 'tis:

A very hearty and sincere "congratulations" to Gary Kendrick who has just been awarded a National Certificate of Merit for an original poem which will soon be published in a National Anthology. Again, "congratulations" to a very worthy recipient!

In the NEW AUTOMOBILE DEPARTMENT: Jay Boynton is justly proud of his brand new 1963 Pontiac Catalina Sport Coupe — it's a bright red with a white vinyl top, bucket seats, and, (as I've been informed) "the works." A really sharp looking "mobile! Jay's ex-car — a red '58 Chevy Impala — is now up for sale.

Here's an item about local holiday travelers: Lewis Barnett and John Kriegshauser went with Lewis's family, the L. B. Barnetts, to the (ahem, smog-filled) state of California — according to John, they visited Disneyland and "went down to the beach" while in said state. The Barnetts and John returned New Year's Day. And John's sister, Judy Kriegshauser, visited Karl Cary in Vernon during Christmas vacation — hum-de-dum — enough said!

Here's the most exciting bit of news that I've heard in quite a while: Before coming home from Hardin — Simmons University for the holidays, Shari Prowell and Brenda Beasley were

assigned to write a speech relating some "unique" experience.

Once home, the girls began wondering just what could they do that would be "unique". It was suggested to them (by Shari's mother, who really didn't think that the girls would "follow through" with her brainstorm) that they board a train here in Hereford and ride to Amarillo. This seemed an ordinary idea until they were told to try it WITHOUT a ticket!

So Brenda, Shari, and Maribeth Gilliland (who went along just for the ride!) managed to board the train. However, when the conductor discovered that the trio had no tickets, he notified Amarillo police by radio. The outcome was that Shari, Brenda, and Maribeth were met at the train terminal by policemen and kept in their custody until the culprits' parents could have them released by paying the cost of three passenger tickets! A "unique" experience indeed (!) in the lives of these three young adventuresses.

Shari Carmichael and Gerry Bybee and Connie Kent and Carl Stapp were seen attending a showing of the motion picture "Taras Bulba" in Amarillo last week. Janie McBroom and Joe Carthel and Susie Higgins and Wallace Shelton saw "Barabbas" New Year's Day.

This is bringing up past history, so to speak, but everyone present at the Community Center's New Year's Eve dance says it's the very best dance ever given at the Center — horns, confetti, and all! While we're on the subject of the Center and dances, the Center Student Council met last Monday afternoon. Members voted hereafter to "ban" any type of boys' jeans whatsoever, "white" jeans included, except after ball games and when otherwise specified — so remember, boys, dress pants instead of Levis! It was also decided that dances will be held each Saturday night from 8:30 — 11:30. Again, the exception will be when there is a ballgame here on Friday night when dances will be after the ballgame.

REMEMBER, Please: The mighty Herd's first conference basketball game will be on the home court this Friday night, Jan. 11. This first conference clash is with the Perryton Rangers. The familiar phrase, "Come on out and support the Whitefaces", rings true again!

While you are allowing yourselves to be anaesthetized by this column, future Space Age mechanics, I.B.M. operators, scientists, homemakers, ministers, professors, and so on, are being involuntarily submitted to the trials and tribulations of that annual "post-Christmas present" — mid-term examinations! This past week, though seemingly "immobile," was a harried one — semester notebooks had to be completed (and in some instances, started and completed in one sitting!), book reports given, art and home-making projects finished — and then that ever-available "midnight oil" was burned in great quantities. Despite all this, life continues at Hereford High. However, one consolation for students lies in the fact that

FINAL SCORE of the Hereford-Dimmitt non-conference game Friday in Dimmitt was a tip-in by Whiteface guard David Dowell (13) in the closing seconds. James Cowell (12) of the Bobcats tries to block the shot as the two Hereford players went up for the rebound. Hereford completing its non-conference tilt scored a 47-39 victory over the Bobcats. (Staff Photo)

classes are dismissed Monday, Jan. 14. This is annual Records Day for teachers. Can anyone think of some consolation for the teachers??

Now, from Alexander Pope,

Hoof...

(Continued from page 1) termination held Phillips to only four points in the second half!! The Whitefaces scored 24 points to win 45 - 37. Frank Cain was high scorer for the Herd with 10 points.

In the tourney finale, the Whitefaces trounced Canyon 50 - 31. Kenney Justice led the Herd with 15 points.

Tomorrow night the Whitefaces enter district competition against the Perryton Rangers. The Rangers are newcomers to the Whitefaces 27 - 6 in football. The game will be played in the Hereford gym.

Dumas is rated as the favorite in the 1 - AAA race. The mighty Demons have four strategists returning from last year's state championship team. The Demons are not only rated tops in the district but they are ranked high in state standings. No one can rule out the Whitefaces, who will enter district play with a very respectable 9-4 record. All Hereford losses have

comes this appropriate thought, "Whence is thy learning? Hath thy toil or books consumed the midnight oil?"

P. S. The second sugar lump of Sabin Oral Vaccine will be dispensed at the Hereford High School Cafeteria on Sunday, Jan. 13 — be sure to bring the little card given you when you received the first sugar lump!

been to teams in class AAAA. The Demons and the Herd will be ranked 1-2 in the district.

Phillips should not be forgotten since the Blackhawks' 60-58 win over Hereford last year cost the Whitefaces the District championship. Any one of the three remaining teams — Levelland, Littlefield, and Perryton — will be capable of the big upset as often happens in this district. Perryton won their district championship last year in AA.

There have been many basketball rarities down through the years. One of the biggest of these occurred in high school principal L. B. "Scat" Russell's time. In January, 1958, the Hereford team played Happy. The result — a 34-15 win by Happy. How did the Herd get their points? On free throws!!! Yep, all 15 of 'em.

Melvin Young's Father Succumbs

Thomas Earl Young, 73, father of Melvin Young of Hereford, passed away unexpectedly Monday night at his home in Wellington.

Mr. Young was born at Myrtle, Mo., December 25, 1889 and moved with the family to Collingsworth County shortly after the turn of the century.

He is survived by his wife Cassie Brewer Young; five sons, W. A. and C. L. Young of Abernathy, John T. Young of Rialto, Cal., James Edward Young of Tyler, and Melvin Young of Hereford; three daughters, Mrs. Opal Maxwell and Mrs. Lorene Moody of Wellington and Mrs. Leona Gallagher of Firebaugh, Cal.; 30 grandchildren and a number of great-grandchildren; two brothers, Jess Young and Oliver Young, both of Wellington; and two sisters, Mrs. Bessie Stockton of Pampa and Mrs. Nova Childers of Artesia, N. M.

Mr. Young was a retired farmer and business man.

Funeral arrangements are pending at the Kelso Funeral Home in Wellington.

Domino...

(Continued from page 1) to a cafeteria for dinner.

Buses were not scheduled to leave until 11 p. m. Students enjoyed varied forms of leisure entertainment in the meantime, such as bowling, window shopping, going to the show, and sleeping.

Eleven o'clock found the band leaving "Big D" for the long trip home.

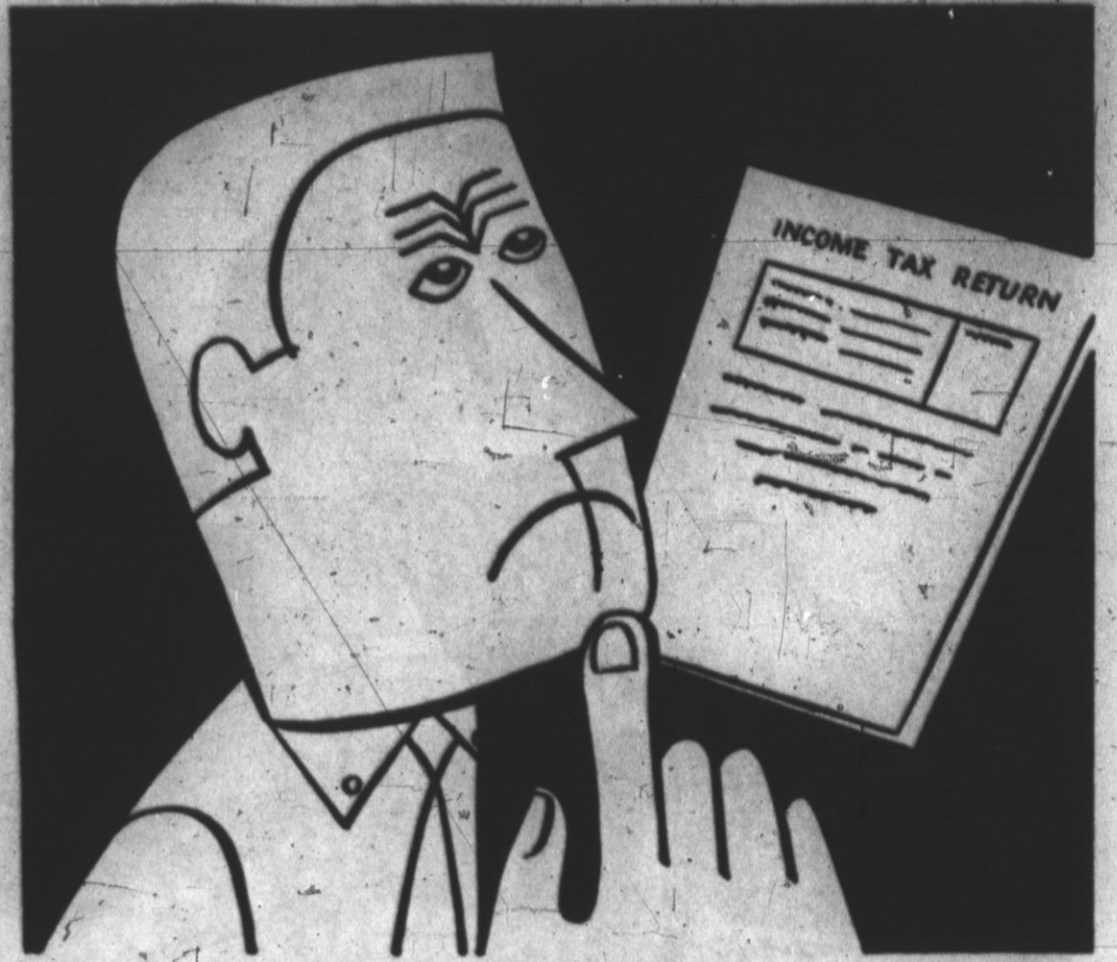

Members of the Big Domino Band and sponsors returned home Wednesday morning about 9:30. Students were dismissed from classes until afternoon in order to rest.

Mid-Term...

(Continued from page 1)

Subjects not listed above have examinations slated for regular class periods earlier in the week.

Since the tie-up with the Southwest Conference became official, host teams have won ten games, visitors nine, and four have been ties. Four games have been decided by one point.

Don't Know How Much to Deduct?

Are you one of those unfortunate taxpayers who never knows how much to deduct for drug purchases? You can relax.

DrugTax can help you, and it isn't going to cost you a penny. DrugTax is the new record-keeping system now available at our pharmacy. With it, we keep a complete record of your drug purchases. And at the end of the year we send you a DrugTax statement which tells you how much may be deductible in computing your federal tax return.

Simple? Of course—and it can save you money! By making all of your drug purchases at our store, you will be guaranteeing yourself an annual tax record. These "little" purchases (which can add up to big ones) won't be forgotten.

We think you'll be pleasantly surprised at how many items are deductible. It could mean tax savings for you.

Come in today and let us tell you more about DrugTax. Remember, it's free.

 Sunday School is at 10 a.m. every Sunday and Preaching is at 11 a.m. and 7 p.m. All Day Singing each Fifth Sunday.

LIFE

... what is it? Here, it is represented in the newborn. Generally speaking, "it is a vapor that appears for a little while and then is gone," James 4:14. Life from birth to seventy seems a very long time. But brother, reverse the sentence and take a look... *seventy back to birth is so very short.* Anyhow, the value of a life is determined by how well it is lived and not by how long it is. Every worthwhile life consumes its self serving others... administering to the sick, giving to the poor and challenging them to prepare for the Life Eternal. *The good life is full of little deeds made meaningful by a few Godly decisions.* Then attend worship services regularly.

You In The Church
 The Church is You -- form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader, and attend services regularly.

NOW! 36 MONTH Field Hazard Guarantee

GENERAL NYLON SPECIAL TRACTOR TIRE

Now... your farm tire investment is protected by an exclusive 3-year guarantee against all normal field hazards.
And talk about performance... General's new Nylon Special out-pulls, out-works, out-plows any other tractor tire you can buy.
Protection and performance combined in a single tire, the General Nylon Special... at new low prices.

36 MONTH GUARANTEE
The General Tire & Rubber Company guarantees to the original purchaser of any General Nylon Special tire that it will last for 36 months or 30,000 miles, whichever comes first, under normal field conditions.

HEREFORD BUTANE INCORPORATED
Veterans Park Road EM4-3367

By Melvin Young
James H. Meredith, the negro who, with the aid of Attorney General Robert F. Kennedy and about 3,000 federal troops, forced his way into the University of Mississippi last fall, has now announced that he will discontinue his studies at the University at mid-term because conditions at Miss are not conducive to studying.

If we might hazard an opinion, we think it is most unfortunate that Mr. Meredith could not have foreseen this situation last September, preventing the loss of 2 lives, and sparing the hardpressed tax payers of this nation the more than four

million dollars that it has cost to keep federal marshals and troops at Oxford, Mississippi, for the sole purpose of escorting Meredith to and from classes and insure his safety on campus.

But then, what's a paltry four million dollars when the national debt already exceeds 300 billion?

The date for the beginning of the 17th Annual Junior Livestock Show is fast approaching and the sponsoring Rotarians are scrambling to and fro getting pens ready, lining up additional help to handle the expected large number of entries

and in general preparing for another bang-up show. County agent Lefty Thomas, who serves as general chairman for the exposition, has stated that this year's show will probably see a record number of entries in all divisions, and an even better quality of stock than we have experienced in the past. The Young Farmers organization of Hereford will again assist the Rotarians with the show, according to the organization's vice-president Floy Driver. Dates for the show are January 17, 18 and 19.

— HB —
It's not what you eat that gives you ulcers; it's what eats you.

— HB —
A friend of ours down on the South Plains recently strolled up to the post office window to purchase a roll of four cent stamps, and when informed that postage would soon be going up to five cents, she replied: "Oh, then give me two rolls, while they're still cheap." Oh, well, you can't win them all!

— HB —
Garland Cox is one of the most enthusiastic local supporters that we know of, and has certainly done his part in advertising our fair city. Garland has "Hereford, Texas, 'The Town Without a Toothache'" painted in large letters on the sides of each of his vegetable trucks, which travel regularly from Hereford to the Rio Grande Valley.

— HB —
Then, there's the story about the four professional men discussing rather heatedly the question of whose profession was represented first upon the face of this old earth.

"The legal profession must have been first," related the attorney, "for after all, someone had to be around to represent Cain after he slew Abel."

"No," countered the doctor, "the medical profession surely came first. The Lord took a rib from Adam to create Eve and that would have required surgery and a surgeon."

"Oh no, you're all wrong," said the engineer. "The world was created in 6 days and that certainly would have been a monumental task even with a good engineer and I'm sure that our profession was represented first."

"Gentlemen, gentlemen, cried the politician, "the Bible says that the world was created out of chaos, and after all, who created the chaos?"
The man's got a point there!

— HB —
Meanwhile, Hereford's building boom continues with more and bigger houses being built, particularly out in the Northwest section; land values and

RETURNING-HOME members of the Big Domino catch up on rest on the bus before arriving back in Hereford Wednesday morning following a holiday trip to Dallas. Arriving home, members of the band had the problem of unloading and sorting luggage. Bandsmen left for Dallas Sunday night to participate in the sixth annual Cotton Bowl Parade. (Staff Photo)

bank deposits are at an all-time high, and the over-all business picture looks pretty bright for 1963. Also, the construction on the additions to Northwest Elementary School and on the high school are progressing rapidly and should be ready for occupancy on schedule.

— HB —
The exceptionally mild fall and winter weather has been a boon to the construction business, and to the area farmers as well, many of whom have

already had their land worked and just about ready for spring planting. Most farmers would like to avert a recurrence of headaches. Due to the wet and cold winter, most of them hadn't put a plow in the ground long after the land should have been laid-by.

— HB —
Want a sure thing? Invest in taxes — that's the only thing that's guaranteed to go up!

poll tax. Be sure that you have a voice in your government in 1963 by being eligible to cast a ballot! In spite of the popular belief to the contrary, there is never an off-year in politics. Be ready to voice your opinion by having your poll tax paid.

— HB —
TO ATTEND ASSEMBLY
Lloyd Reddock, presiding minister of the Hereford congregation of Jehovah's Witnesses, cancelled this weekend while he said all local services will be and about 30 local members attend a three-day circuit assembly in Lubbock, Jan. 11-13. About 700 persons from the 16 area congregations are expected for the meeting, which will be held in the Lubbock Fair Park Coliseum.

— HB —
BACK HOME
Charles Duvall has returned home after spending a few days in Northwest Texas Hospital in Amarillo.

— HB —
Charles Vasek recently was presented a plaque for being named FFA American Star Farmer at the annual conference of the Young Farmers of Texas held recently in Ft. Worth. Charles lost his father last year and has had to take over operation of the family farm; a task that he tackled with zest and has done a mighty fine job of it. We think he deserves a pat on the back and congratulations upon receiving this award.

— HB —

Marines Return From Blockade

Marine Private First Class Ray D. Clark, son of Mr. and Mrs. H. B. Folks of Route 1, and Marine Corporal Clifford S. Smith, Jr., son of Mr. and Mrs. C. S. Smith of 506 Lee Ave., both of Hereford, have returned to Camp Pendleton, Cal., after serving with the Fifth Marine Expeditionary Brigade of the United States quarantine forces in the Caribbean. The unit arrived in California

on Dec. 18, two months after embarking in 20 amphibious ships and passing through the Panama Canal. The combined Navy and Marine Corps force leaving the Pacific Coast was 18,000.

The force spent 51 days at sea and visited ports in Puerto Rico, Jamaica and Panama.
