HEREFORD, TEXAS, THURSDAY, AUGUST 15, 1963

Bus Routes, Boundaries Changed

HEAVY BAINS SOAKED the county early Sunday and again Menday with area grain producers saying that "it came at the right time." Rains totaling 2.47 inches were recorded in the city bringing the year's total to more than 16 inches. Crop and pasture-

lands in most sections of the county have benefited from the much needed moisture. From the heavy rainfall, water was still running down bar ditches Monday afetrnoon.

Paving Approved, Ordered; Additional Funds Borrowed

Around Town

The thing about the new ad-ition which intrigued us the at is the modern language.

Now, when we were in additional they didn't have such ags, and we doubt that such ment was ever really conwith the new and smaller electronic machines in the radio field — particularly those using transistors—amazing things are

meeting in special session here Monday authorized the borrow-ing of \$30,000, approved a sec-tion of paving, and ordered pav-ing on the first two sections of 13th Street to begin,

In the action authorizing the borrowing of additional funds, City Manager Dudley Bayne pointed out that the city was out of money and tax funds were not yet available.

It was brought out that heavy building in the northern and northwestern section of the city had been greater than anticipe

During the meeting, an en gineering report on Plains Ave. paving was approved. Cost of the project to the city is to be \$358. Property owners share of the cost will total \$11,385. As the paving was approved Commissioners also authorized

County Soaked By Heavy Rains

Heavy rains over the weekend and again Monday halted farming operations in Deaf Smith County as fields in the area were soaked by an inch or more

Even though, farming operations have spotted, area farmers feel that the rains "couldn't have come at a better time." Heaviest amounts of rainfall were reported to the north and measuring between three and four inches have been reported.

Moisture amounts officially in Hereford were reported at .93 of an inch early Sunday with 1.54 inches falling Monday and

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 9, 1963. SENATE JOINT RESOLUTION NO. 1 proposing an amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature of the state of the payment of the poll tax a requirement for voting and so as to authorize the Legislature of the state of the state of the payment of the poll tax a requirement for voting and so as to authorize the Legislature of the state of the payment of the poll tax a requirement for voting and so as to authorize the Legislature enact a registration law in anticipation of the adoption of this Amendment, such law shall not be invalid by reason of its anticipatory character."

BE IT RESOLVED BY THE LEG-ISLATURE OF THE STATE OF TEXAS:

ISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas he amended to read, respectively, as follows:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Porces of the United States on component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of eptering such service so long as he or she is a member of the Armed Porces; and provided further, that before offering to vote at an election a voter shall have registered if required by law to do so. The Legislature may authorize a basentee voting. This Amendment shall take effect on December 1, 1963.

be invalid by reason of its anticipa-tory character."
Section 2. The foregoing Consti-tutional Amendment shall be sub-mitted to a vote of the qualified elec-tors of the state at an election to be held on the first Saturday after the first Monday in November, 1963. at which election all ballots shall have printed thereon the following:

To show you how massive record this year in reducing proved. The House voted \$47, was the sum appropriated for government spending. Spending 082,009,000 in one defense apgovernment spending. Spending os2,009,000 in one defense ap-is being substantially cut, although I have been on the los- money bills will raise the total ernment departments, I cite to ing side of several efforts to being spent this year to approx- you these totals approved in other House bills; for the Trea-The latest tally of House That \$47 billion appropriation sury and Post Office Departappropriations actions shows for the Defense Department was that the House had pared cut by nearly \$2 billion from Labor Department and Department the original budget request. The quests totaling \$72,786,351,251 remaining \$1.3 billion slash in about three-fourths of the government expenditures was Departments of State, Justice, the Judiciary, \$1,851,269,000; for the Interior Department, \$922,

> There are still several major appropriations measures to be acted upon. It is possible that when the actions are completed the budget will have been cut by \$5 or \$6 billion. Those of us in the Congress who work for substantial but realistic budget cuts may be able to note some year is out.

One of the big annual ap-propriation battles is shaping. It's the fight that comes each year over the Foreign Assistance Program — foreign aid. The first round ended when the House Foreign Relations Committee reported a foreign aid AUTHORIZATION bill calling for a ceiling on expendi-tures of approximately \$4.1 billion. This is about half a billion dollars less than the President recommended in his revised request.

The bill would not provide the appropriation - only the authorization for one. Thus, foreign aid must cross hurdles in House and Senate action on both authorization and appropriation bills. I predict that cuts will

I have consistently opposed foreign aid - both authorization and appropriation bills. Golf Tournament
The 1963 Hereford City Junior Golf Tournament will be held Friday morning, Aug. 23, and Saturday morning, Aug. 24. Any boy who lives in Hereford or Dimmit is eligible to play in the tournament. Age brackets will be 9-12, 13-15, and 16-17.

Langford farmed with his father on a section and one-half dryland farm near Quali and Wellington. He later farmed on his own, raising cotton, grain sorghum and livestock. He completed his high school education in Quali, Texas, and received part of his college training at Clarendon Junior College before entering West Texas State University.

The tournament will consist of 18 holes of medal play, with nine holes to be played on Friday morning and nine holes on Saturday morning. There will be no entrance fees, but the regular green fees will be charged for the two days. All entries must be registered in the Pro Shop by 6 p.m. on Thursday, Aug. 22.

Loyd was a member of both the 4-H Club and the Future Farmer Chapters. He worked in the A. S. C. office in Wellington, and since graduation, has been a salesman for the Northrup Seed Company in Amarillo, before joining the Foundation staff.

INSURANCE HEARING - A State Insurance Board hearing on proposed rules for regulating credit insurance— which pays off a man's debt if he dies, or makes the payment when he is disabl drew a crowd.

One controversial point was a ceiling rate of 90 cents per \$100 of insurance.

Some insurance company executives insisted the ceiling should be no more than 60 or 65 cents per \$100. But one spokesman thought the 90-cent per \$100 rate was too low and recommended \$1.

Some loan companies said they now give credit insurance free. They feared the proposed rules might outlaw this practice. A second hearing with new proposed rules will be aired on

MONEY MEN - The Legislative Budget Board, lawmakers who make the Legislature's financial decisions between sessions, recommended \$4,644,000 areas for growth," and obtain the annual area allocation of 10 la Fuentes, 1953 Ford; Edward John Connally.

Here's how Shamrock Sulfuric Acid can help you:

- 1. Improves the condition of your soil. . . if the soil is high in calcium content, it promotes better penetration and better retention of water; if soil is "tight," it increases availability of the fertilizer that is locked up in the soil.
- 2. Promotes crop development . . . provides sulpher essential to plant growth and development . . increases availability of other essential minerals.
- 3. Provides immediate benefit to crops . no need to wait for further natural conversion.
