Final 30 Days Of Campaign Sees Politics Warming Up

'Free' Voters Add New Slant To '64 Election

50 Names Listed; Record Vote Seen

Thirty days from today, Deaf Smith county voters — along with voters in all other 49 states of the Union — will go to the polls to help elect national, state, district and county officers.

And this time, for the first time in Texas history, some of those voters will not have paid poll tax as a prerequisite to voting. But those voters can cast their ballots only for candidates seeking federal offices.

Meantime, election fever rose as the final month of campaigning started.

Both Democrats and Republicans have set up local headquarters, and candidates for major offices were beginning to back-track to Hereford for second button-holing of potential voters as both major parties waged a determined battle to woo this county for their party.

From all indications, balloting in the Nov. 3 election will be one of the heaviest ever recorded here, probably a record-setting, political observers predicted. Absentee voting starts Oct. 14.

B. F. Cain, county clerk, says the 1964 Deaf Smith county ballot will contain 50 names of candidates seeking four federal offices, 14 state offices, three district offices and five county offices.

"This year's election will have another first here: The largest number of exemptions in the county's history have been issued to newcomers and to persons just turned 21."

The issuance of "free" poll tax receipts ended yesterday — 30 days before election time, and Nell Miller, county tax collector-assessor said a last-minute rush, especially of persons just reaching their majority, occurred.

The ballot which voters will be handed when they trek to the polls here Nov. 3, will contain candidates seeking office under all three banners — the Democratic Party, Republican Party and the Constitution Party. However, the Democratic slate is the only complete slate all the way down to the precinct level, except in one county race.

Republicans are seeking 14 offices on national and state levels and one on the county ticket. Constitution Party candidates

Most people in Deaf Smith County paid their poll taxes and thus can vote for candidates across the ballot, but 30 persons in the county will be eligible to vote only for federal office seekers, Nell Miller, county assessor-collector said Saturday.

Altogether, her records show, 3972 persons will be eligible to vote in the general election 30 days hence; a few record. Of this number, 3754 paid their \$1.75 each for the privilege of voting across the board. Another 141 were "newcomers" or persons just turned 21, and 77 received exemptions because they were above 60 years of age. The newcomers, those just now 21 years of age and those above 60 all were exempt from the tax.

B. F. Cain, county clerk, said the ballots are in the process of being printed with 50 names to appear on the Nov. 3 ballot. (See story this page.)

Carrots Move To Sales Sheds, Price Is Good

Carrots are moving to market this week with yield and quality called good. Local packing sheds also reported a good price—\$3. Volume is slow, however.

Harvesting of carrots began at the first of August and should continue through the middle of December, provided there is not too much adverse weather. An estimated 3500-4000 acres are in carrots in this area. Hereford carrots are shipped, for the most part, to the South-eastern parts of the United States.

Lettuce acreage to be harvested is estimated at 2,200 to 2,500 acres, with cutting on earlier field beginning the last week of September, according to the Santa Fe Crop report.

In Dona Ana County of New Mexico thinning of lettuce for late fall harvest has been completed. Harvesting of fall lettuce and digging of potatoes and onions in the Estancia Valley of New Mexico are nearing completion.

Santa Fe also reports that cutting of lettuce should continue into October in the San Luis Valley of Colorado, weather per-

forth these qualifications for voting: "Every person subject to none of the foregoing disqualifications who shall have attained the age of 21 years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election, and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector, provided that any voter who is subject to pay a poll tax under the laws of this state shall have paid tax before to vote and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election, and any voter who is exempt from paying a poll tax must procure a certificate showing his or her exemption, as required by this Code.

"If such voter shall have lost or misplaced said tax receipt or certificate of exemption, he or she shall be entitled to vote upon making and leaving with the judge of the election an affidavit that such tax was paid or such certificate was obtained."

"Notwithstanding any other provision of this section, any member of the Armed Forces of the United States, who is on active duty in the military service of the United States may vote only in the county in which he or she resided at the time (Continued on Page 4)

Four Patrolmen Named To City Police Staff

Four new patrolmen were hired by the Hereford Police Department this week, to fill vacancies created by two resignations and the hiring of two additional men as allowed for in this year's budget, Police Chief Marshall Padgett said Saturday.

"The four men come to us highly recommended and they have all had previous law enforcement experience," Padgett said.

"This is the first time we have been working with a full force since the first of May."

The patrolmen are Dave Spark of Victoria; Delbert A. Sutter, Lam Passa; G. A. Maguire, Tulsa and Rex Kessinger, Tulsa.

"There were no promotions or changes in rank," Padgett said Saturday.

The department now has seven full-time patrolmen, one sergeant, one meter maid, a secretary and the chief of police, who coordinates the department.

The police department is located in the newly furnished offices on the south side of the second floor in city hall.

The department, which is now fully staffed, occupies one of (Continued on Page 6)

Yarborough Coming Here

Deaf Smith County Democratic Headquarters announced Saturday morning that U. S. Senator Ralph W. Yarborough will arrive in Hereford at 4 p.m. Wednesday at the Hereford Municipal Airport.

Yarborough, who is currently campaigning for re-election as senator from Texas, will visit the Democratic Headquarters located at 130 N. Main.

Following his visit to the local headquarters, Yarborough will tour the Merrill E. Shoup Plant of Holly Sugar Corporation. Yarborough had previously indicated that he would attend the dedication ceremony held Sept. 19, but due to business in Washington D. C. he was forced to cancel the Hereford visit in September.

A coffee will be held in the Hospitality Room of the First National Bank following the tour of the plant.

Yarborough is currently campaigning for his second full term. He was elected U. S. Senator in April of 1957 to fill the vacancy created by the resignation of Price Daniel and was re-elected Nov. 4, 1958 for his first full term.

He serves on the Commerce, Labor and Public Welfare, and Post Office and Civil Service Committees.

Yarborough served as Assistant Attorney General of Texas in 1931-34, as District Judge of (Continued on Page 2)

The official weather this week is courtesy of Radio Station KPAN. It's slightly unofficial however, since it does not always rain the same amounts at both locations and the tabulations will not always coincide.

However, since the retirement of Clay Angelo as City Fire Marshall, and official weatherman, there is no one at the City Hall to take care of the recordings.

We will revert back to the City just as soon as Angelo is replaced, but in the meantime, we're indebted to the boys at KPAN for their gracious cooperation.

All 4-H members, all prospective members, and their parents will meet at the Community Center Monday at 7 p.m., according to Jean Beene, assistant county home demonstration agent. All are to be informed as to 4-H purposes and organization; and help will be given each new member to get into the proper groups and into the right work program.

Business and Professional Women's Club will meet Monday at 7:30 p.m. in Community Room of the First National Building. Teddy Alexander, program chairman, announces that Robert C. Hill, Amarillo, will be guest speaker on "The Importance of Women's Active Interest in Politics."

County convention of Farmers Union is to be held next Thursday night in the Hereford Community Center, starting at 7:30, according to Robert Strain, president. The meeting is to be a covered-dish supper and officers will be elected and delegates to the state convention. Kenneth Moss, district fieldman for Farmers Union, will be present and will bring the speaker for the evening.

United Fund Off To Speedy Start

Deaf Smith County's United Fund drive got off to a whirlwind start Thursday, with some 100 eager workers attending the coffee held at the Hotel Jim Hill. Dan Eddy, unit service director for the Salvation Army was the principal speaker.

Campaign headquarters have been opened in the building next door to Christian Book Store on East Third, and Mrs. Melvin Jayroe has agreed to staff the office. A number of banners have been placed over city streets to help remind the people.

Money from contributions began pouring into the fund headquarters early Thursday, and at least \$2000 had been reported before the office closed for the night. Fund chairmen could not be contacted Saturday morning for a last minute tally of results, but it was felt that the drive was going well. The bulk of the \$30,000 goal should be reached by the end of the first week, according to Melvin Jayroe, drive chairman, since it usually takes the Captain and Majors a little time to round-up collections from their workers. The Thursday tally however, was a good indication that the drive had gotten off to a good start.

Campaign workers and Captains were urged Saturday to get their money in the headquarters as quickly as possible. "We want to get this drive finished (Continued on page 2)

September Total \$411,000

Construction Passes \$3 Million Mark

Building permits in Hereford climbed \$411,640 during September to push the year's total to \$3,018,390 and extend the city's long building spurt well into its second year.

Two major commercial projects helped boost the September construction figure, one a \$60,000 fertilizer blending plant by American Cyanamid Co., and the other a \$91,000 shopping unit on Harrison being built by W. D. Stockstill, Pampa to house a discount house and other businesses.

Home construction continued to erect new residences.

August's total had been \$287,350.

The list follows:

- Fred Baird, alter and add to residence, lots 5 and 6, Block 10, Evans Addition, \$1200.
- Accent Homes, erect residence with wood siding, Lot 57, Northridge Addition, \$8500.
- Accent Homes, erect residence with wood siding, Lot 60, Northridge Addition, \$8500.

Diverted Acres' Grazing Allowed

The State ASC Committee, under authority of the Secretary of Agriculture, has issued the following statement: The release date for diverted acres under the Feed Grain and Wheat Programs for grazing is advanced to Oct. 1, in all counties designated as eligible for emergency grazing, as it is determined the shortage of forage in these counties is severe and such action will be helpful in maintaining present livestock herds.

Since Deaf Smith County is eligible, grazing may be begun at once, says Faust Collier, ASC office manager. It is important to note that this does not include haying on diverted acres, without charge, nor does it apply to the grazing of land under Soil Bank Contract, he adds.

86-Yard Touchdown Toss Ices Game For Levelland

Lobos Nip Herd In Last-Minute Touchdown

By Phil Duncan

A determined Hereford Whiteface team was prepared to walk away from Lobo Field in Levelland Friday evening with another win in their pockets as they led the Levelland Lobos 15-12, with 47 seconds left in the game and the Lobos backed up to their own 14-yard line.

However, the big bomb fell through the efforts of Joey Tubb, quarterback, when he connected with end Bill Wheeler for an 86-yard touchdown toss that gave the Lobos the lead.

The Herd kicked off to Levelland, who promptly returned the ball to the 34 and started their first sustained drive of the evening, which netted them a touchdown, when Tubb crept over for the first score, with 6:07 minutes left in the first quarter. The conversion attempt was no good.

Gene Drummond, who led the Whiteface attack all evening, took the kickoff on the 20 yard line and returned it 14 yards to the 34. Drummond carried the ball on the first play from scrimmage for the Herd, driving through the determined Lobo defense for the first down.

After the Herd could not move in three tries, Steve Hodges punted from the 29 yard line to the Lobos' 15, where it was taken and returned to the 25 yard line.

The defense finally took root, deep in Lobo territory, forcing the Lobos to punt, where it was booted to the Herd 35 yard line.

The Herd moved the ball for one first down, but was forced to punt from the Lobo 44, with the ball going out of bounds on the 30.

The Lobos fumbled on the first play from scrimmage, with the Herd recovering but they could not move the ball against the powerful Lobo defense. They gambled in a fourth and inches situation and lost. The Lobos took over on their 30 and marched the ball promptly to the Herford 34 for a first down.

Halfback Ronnie Humphreys marched the ball around end for the entire 44 yards, only to have it called back on an offensive holding penalty.

The Lobos punted and the ball was killed on the Herd's own 15 yard line. The Herd, not being able to move the ball after two first down, which carried it to the fifty yard line, punted with 50 seconds left in the first half. The ball was punted to the five yard line and returned to the 15 yard line, where the clock ran out of time before the Lobos could organize a drive.

The opening kickoff was taken by Greg Richards on the 20, who carried it to the 37 yard line. The Herd was forced to punt after they could not move the ball and booted the ball to the Levelland 30, but the play was called back after the Lobos were charged with roughing the kicker and the Herd got a first down on the fifty yard line.

Drummond immediately took the ball and marched the Herd into scoring position as he fought a rugged Lobo defense for every inch he gained. Drummond got the first down on the 15 yard line by crashing through the Lobo line for four and five yards at a time. Mike Moore scored the touchdown from 15 yards out with 6:24 minutes left in the third quarter.

Roger Owen booted the pignskin through the uprights for the conversion and gave the Herd their first lead of the game, 7-6.

The Lobos took the kick-off and promptly marched the ball to the other end of the field for a touchdown in less than three minutes. The conversion (Continued on page 2)

Herd's Other Teams Continue To Win

Hereford's B-team and Freshman teams continue to rack up scores and wins as they romped over the Tulsa teams here Thursday evening.

The B-team slaughtered the Tulsa Hornet B-team 39-0 giving them a 2-1 record thus far in the season.

The Freshman team maintained their undefeated record by walloping the Tulsa Freshman team 26-6. The Freshman team now stands at 4-0 for the season.

Two-Day Show Of New Autos Planned Here

Hereford dealers in new automobiles will proudly trot out their latest models next Saturday and Sunday for a free circus-flavored public showing on the Hereford State Bank's Parking lot. It was announced Saturday the dealers and Hereford State are cooperating in the event, the second such affair held.

The show will be held under a huge circus tent with free coffee, goodies and door prizes. Last year's show, the first of its kind held, drew more than 2500 visitors, who waded through the snowdrift to gawk at the latest offerings of the automobile world.

This year's show promises to be even greater. Many of the models are "strikingly different" from their 1964 relatives, to provide much interest to the show.

Sponsors include Hays Implement, Warren Bros. Motors, R. B. Miller, Stephens-Hudson, Crown Chevrolet-Olds, Campbell Pontiac, Kinsey Cadorn, McCullough Motors, Charlie Hill and H-Way Auto.

Next Saturday's showing will start at 1:30 a.m. and continue until 9 o'clock that evening. The following day, the automobiles and prizes will be on display from 1 p.m. until 6 p.m.

The entire show is free.

ished and over the top as quickly as possible," Jayroe said. "30,000 isn't too much for a county the size of Deaf Smith, and we should get the job done soon."

The \$30,000 goal will benefit seven member agencies, which includes something like 2500 youngsters alone, not including the adults helped by the program.

Included as member agencies this year will be: the American Red Cross, the Salvation Army, Boy Scouts of America, Camp Fire Girls of America and the Deaf Smith County Committee on Alcoholism.

Dean House is president of the United Fund, and Melvin Jayroe and Mrs. John Douglas Pitman are co-chairmen of the fund drive.

He was an unsuccessful candidate for the Democratic nomination for Governor in 1952, 1954 and 1956.

Yarborough was born in 1903 in Chandler, Tex. He attended Sam Houston State Teachers College, United States Military Academy at West Point, and received an LL.B. from the University of Texas Law School with highest honors.

He served three years in the Texas National Guard and in the Army Ground Forces in World War II, where he rose from a Staff Sergeant to a Lt. Colonel.

Prior to his election, Yarborough practiced law in El Paso and Austin.

With an acquired seniority in the Senate, Yarborough now is chairman of three committees and a member of the special Senate Committee on poverty, and on problems of the aging.

He has sponsored or co-sponsored the National Defense Act of 1958; Medical Education Act of 1963; the Peace Corps Act and the bill creating the Nation-

Letter To The Editor

Editor:

There has been a lot of bad things said about an old Army Air Corps friend of mine. This gossip has been spread all over creation. It is awful hard for me to believe the evil things I hear about him. They say he is crazy, that he hasn't got enough sense to lead LBJ's horse to water. It is difficult for me to believe that a man that has written two books; both of which have become best sellers, is as crazy as they say.

They even say he doesn't give

a Continental for the common citizen. I happen to know better than that. When he was a First Lieutenant he was Commanding Officer of the 90th Air Squadron at Luke Field near Phoenix, Arizona. I was in that outfit back in 1941. When I tell people today that he took a bunch of us boys, who had been away from home for months, out to his home in Phoenix and went swimming with us and played horse shoes with us, they can't believe it. They usually say, "You're kidding, I never heard of a CO treating his men like that." Well to be honest with you, I never heard of it either, except in this one case. But it is true. This is one of the reasons I cannot believe what they are saying about him. Incidentally, this occurred several years before he

sought any kind of political office. He did it not for personal gain, but because that is the kind of a heart he has got.

They say he is just itching to get his ginger on that bomb button. It is also hard to believe that anybody who has seen war first-hand as he has is going to do a thing like that unless he has to. Even then he would do a lot of consulting, studying and praying.

I've been knowing this man a long time, and I believe I have kept up with his career about as well as anybody. I've read his books, listened to his speeches and read about everything pro and con that has been written about him, for the life of me I can't understand why some people want to say all those mean things about him.

It just might be that some little men are trying to whittle him down to their size.

Yes, I've known Barry M. Goldwater since he was a 1st Lt. in 1941. I know that he is a

As to voting for federal offices, the new Code in Article 5.02 reads as follows:

"Subdivision 1: Qualification and requirements for voting for federal offices.

Notwithstanding any other provision of this Code of the Constitution of this state, the payments of the poll tax shall not be required as a condition for voting for United States Senator, for United States Representative (including congressman-at-large) or for President and Vice-President or electors for President and Vice-President. . . in any general, special or primary election. To be eligible to vote for such offices, a person must be a qualified elector un-

der the constitution and laws of this state in all other respects.

Subdivision 2. Issuance of poll tax receipts without payment of the tax.

A person who is subject to payment of the poll tax and who is in other respects a qualified elector, may apply to the tax and collector of the county of his residence at any time between the first day of October and the 31st day of January following for issuance of a poll tax receipt without payment of the tax, to be used to identify him in voting for offices enumerated in Subdivision 1. . . pro-

attempt was no good and the Lobos led 12-7.

The Lobos tried an onside kickoff, but the Herd recovered on the 45-yard line.

A spirited Whiteface team seemed to march into the game and as Greg Richards led an onslaught that carried the ball to the Lobo four yard line, where he went over for a touchdown with 11:56 minutes left in the final quarter.

Roger Owen completed a toss to Lynn Cook who was standing along in the end zone, and gave the Herd a 15-12 lead.

The Herd kicked off and the Lobos marched the ball up to their own 46 line. The hard-hitting Whiteface defense forced the ball out the Lobo hands and the Herd gained possession, through a fumble, on the Lobo 49.

Wynn Buck, Drummond and Richards, began marching the ball into scoring territory, but the stingy Lobo defense took root and stopped the drive on their own 20.

The Lobos move the ball to the 28 in three tries, but attempted to go the short yardage in a fourth down situation, where they were nailed and the ball went over to the Herd on the Lobo 30.

The Lobo defense demolished every attempt of the Herd to get off a play and held the Herd for three tries. The Herd punted on the fourth, but Levelland was for the roughing of the kicker for the second time of the evening and were given possession of the ball on the Lobo 17 with a first and 10 situation.

The Herd failed to move and the ball went over on downs to the Lobos.

The Lobos moved the ball promptly to the 50 yard line, where they were held to the fourth down with six yards to go.

Quarterback Tubb completed a 10 yard toss, but as the receiver was tackled, he fumbled the ball, giving the Herd possession on their own 40.

The Lobo defense was keyed to Drummond, stopping the Herd on every occasion, the Whiteface finally punting to the 16 yard line with 1:10 minutes left in the game.

Tubb first tossed an incomplete pass to the 47 and returned on the next play to complete an 86 yard touchdown toss to Wheeler who went the entire distance for the score with 34 seconds left.

The conversion attempt was no good but the Lobos led 18-15 with the waning second of the game drawing near.

The Lobos tried an onside kick, which was recovered on the 48 by the Herd.

Quarterback Frank Cain attempted to organize a scoring drive with 34 seconds left, but the time ran out before the Herd could get organized.

FOR 1200 NEW PHONES — Bell Telephone Co., like the rest of Hereford, is suffering from growing pains, and crews are working feverishly to "splice" 1200 more pairs of lines to feed new phones into the north part of Hereford. Applications, meantime, are stacking up. Here are two scenes of the splicing job, the top in the central office downtown and the second a cable-stringing crew on North 25-Mile Ave. For example, in one half-block alone, four families are waiting for phones, but the company is making no promises. Police Report Busy September

Hereford Police Department issued its monthly report this week, showing that the department, despite the fact it has been working very shorthanded, has maintained the usual high quality law enforcement.

According to Police Chief Marshall Padgett, four new patrolmen were hired within the past

two weeks to fill the two vacancies created by resignations and the addition of two additional patrolmen as allowed for in this year's budget.

The patrolmen covered more than 9,900 miles during the month of September, most of which were during the evening hours, preventing many after-hour break-ins and disturbances.

More than 1500 dispatch entries were made in the police ledger, which indicates the times a patrolman leaves the vehicle for official duty.

Padgett said 119 tickets were issued by patrolmen for moving violations and 908 overparking tickets were issued by the city's one meter maid during the month of September. One ticket was issued for parking in a no parking zone.

Thirty-five criminal arrests were made during the month of September, according to Padgett. Fourteen persons were arrested and charged with drunk-

ness; four with illegal position; two for drunk in control of a motor vehicle; four for driving while intoxicated; two for aggravated assault; two for simple assault; two for affray; one for litterbugging; two for drinking in a public place; one for destruction of private property and four for traffic warrants.

The criminal arrests involved 35 adults and seven juveniles. In criminal offenses, 42 reports were made to the Hereford Police Department, with an estimated \$2,065.45 in property stolen from Hereford Residents.

Nine of the complaints were cleared by arrest with \$1,115 in property being recovered.

Thirty-three of the offenses were not declared, according to Padgett, but only \$951.45 of the property reported stolen was not recovered.

Seventeen accidents were investigated during the month of September with more than

\$4,745 in damages being reported.

Only one injury occurred in the city in the month of September, Padgett said.

AUSTIN HIGHLIGHTS

Ballots Printed; Voting Day Near

By Vern Sanford
Texas Press Association
AUSTIN — It's almost time to vote again. General election ballots already are in the hands of local officials, for printing.

Secretary of State Crawford C. Martin has mailed out the sample ballot to the clerks. Along with it went a 44-page certified list of all state and district candidates. Many clerks had been pressing for the material so they could order necessary printing well in advance of the November 3 election date.

Absentee voting begins 20 days before the general election, and clerks must post ballots 10 days earlier than that.

This ballot will list Democratic nominees in column 1, Republicans in column 2 and Constitution Party candidates in column 3.

Three constitutional amendments also will appear on the ballot:

One would remove authorization for transfer of up to one per cent a year from the permanent school fund to the available school fund for current spending.

Another would set tougher requirements for creation of special conservation and reclamation districts; and

The third would permit the Legislature to authorize medical care payments (on a matching basis with the federal government) to needy persons over 65 who are not receiving old-age assistance.

Martin held up his final certification of candidates pending a Supreme Court ruling on a Scurry and Borden Counties suit. Court declined to hear Snyder attorney J. Ray Martin's request for listing as an independent candidate for 132nd district attorney. Martin also sought, unsuccessfully, to keep Democratic nominee for district attorney, Wayland G. Holt, off the November ballot.

CITIZENS COMPLAIN — A band of citizens from Nolan County came to Austin to call on State Highway Engineer DeWitt C. Greer with a petition requesting his department to reconsider a decision to close the engineering office at Sweetwater.

Greer said the decision to close was due to slackening of the work load in that area, but said that the petition will be given careful consideration.

FACILITY APPROVED — Gov. John Connally has directed a fund transfer between two state agencies to create a Regional Diagnostic and Referral Center for mentally retarded at Denton State School.

State Board for Hospitals and Special Schools requested the executive action calling for transfer of a \$467,000 grant from the Children's Bureau of the U. S. Department of Health, Education and Welfare by the State Department of Health.

Center will provide services in diagnosis, management of the retarded and training of personnel for the North Texas area surrounding Dallas and Fort Worth. The Children's Bureau grant will be used to pay personnel over a five-year period.

Application has been made for a Hill-Burton grant to finance construction of a building.

WATER — Water engineers from 17 Western States discussed and swapped ideas on how their states are attacking the oncoming water crisis at the Association of Western State Engineers' convention here.

Marvin C. Nichols of Fort Worth told the group that the proposal of the U. S. Bureau of Reclamation for a canal along the Gulf Coast, to carry surplus waters from the Sabine and Neches to water-shy Gulf Coast areas of South Texas, should be held up until the state gets the money from the Legislature to investigate alternatives. He feels that canals or pipelines, carrying surplus East Texas water to upper points of Central and South Texas streams, would be far better. Thus the water could be used more than once.

Leon Hill of Amarillo, regional director of the Bureau of Reclamation, said that engineers can propose plans, but they must be refined into "people plans" before they will gain enough public acceptance to reach reality.

John Simmons of Orange, general manager of the Sabine River Authority, endorsed the idea of that big river's surplus water being carried to areas which need it. He believes such transfers of water should be made by arrangements between river authorities, under supervision of the Texas Commission.

J. E. Sturrock of Austin, manager of the Texas Water Conservation Association, told the delegates that by the year 2010, population growth may necessitate the \$100,000,000 proposal to move water from Alaska to supply the Southwest United States and Northwestern Mexico. He warned the water engineers that it is their responsibility to educate the people on the coming crisis in water, and to be ready with proposals to meet that crisis.

RENEWAL URGED — State Land Commissioner Jerry Sadler says Texans ought to vote again on whether to continue the veterans land program.

It just now is starting to make money for the state, he advises in his annual General Land Office report. Profits were reported as nearly \$3,000,000 last year and eventually should run to \$80,000,000 — maybe \$100,000,000.

Voters last year turned down a proposal to issue an additional \$150,000,000 in bonds to continue the purchase of land for resale to qualified veterans at low interest rates.

BUS TOUR — State Republican headquarters here announces that a gold-colored bus — called the "Goldwater Special" — carrying Republican candidates for statewide office will arrive in Austin on October 3, following a three-day tour through East Texas, down the Gulf Coast to Corpus Christi, and up South Texas through Alice.

Passengers will include candidates Jack Crichton for Governor; Horace Houston, Lieutenant Governor; John Trice, Attorney General; T. E. Kennerly, State Supreme Court; Don Flanagan, Railroad Commissioner; Dallas Calmes Jr., State Comptroller; Fred S. Naumann, State Treasurer; John Matthews, Land Commissioner; and John Armstrong, Agriculture Commissioner.

This week's tour will be the first of three. On October 12, the "Goldwater Special" will tour four days from El Paso through West Texas and North Texas and wind up in Houston. On October 27, the candidates will make a plane tour of major cities not touched by the bus.

APPOINTMENTS — Johnson-Humphrey headquarters in Austin announces the following appointments: Chairman Wm. Hunter McLean picked Mrs. Eugene Locke of Dallas and Frank C. Erwin Jr. of Austin, national Democratic committee members, as honorary co-chairmen of the Texas drive.

Mrs. Jesse S. Williams of Austin, formerly of Brownsville, was named women's activities director. Wayne G. Weachman of Houston, Bob Slagle of Austin and Scott Mann of Houston, are chairmen of Young Citizens for Johnson.

Wilmer Smith of Lubbock, Dolph Briscoe of Uvalde and Romeo Korth of Karnes City are tri-chairmen of the statewide Rural Texans for Johnson-Humphrey committee.

EMPLOYMENT — Non-farm employment in July rose to 3,316,300, compared to 3,314,200 in June and 3,255,500 in July, 1963, according to the Texas Employment Commission.

Percentage of job-seekers in the period dropped from 4.4 per cent of the state's potential working force to 4.2 per cent — a healthy change from the 4.8 per cent of jobless in July a year ago.

MAKE IT IN TEXAS — Governor Connally hailed the opening of sugar beet refining industry at Hereford as an example of the "unlimited opportunity" for processing plants utilizing Texas raw materials.

Connally said, "No other state produces more of the basic chemical feed-stock that goes into making synthetic fibers. Yet not one inch of these fibers is made in Texas. Our greatest challenge is economic development and our brightest opportunity is

Flying Tour Due To Stop Here Monday

Seventy-five aircraft, on a state-wide goodwill tour, will fly into the Whiteface airport here Monday at 2:55 p.m. for a coffee stop.

Hosts here will be the aviation committee of the Deaf Smith Chamber of Commerce.

Leading the group will be "The Ambassadors of Big Spring," a 16-member group of civic boosters. More than 100 persons are making the tour which started Saturday in Temple.

Sponsoring organizations include Texas State Aviation, The Private Flyers Association, Texas Flying Farmers, Texas Ninety-Nines, and the Texas Wing of the Civil Air Patrol.

Don't Defoliate Too Early, Warns Soils Expert

By W. F. "Bill" Bennett, Agronomist

(This column on cotton interrupts the series on soil test results. This subject is timely and of immediate interest to some.)

Weather conditions during the past 2 to 3 weeks have affected growth of cotton. Leaves on cotton plants are dying and plants completely defoliated. There is some concern that this has been due to a plant disease or root rot of some type.

Plant Pathologist, Texas A & M University, Lubbock, has examined some of these affected cotton plants from this area. The condition of the plants, reports Dr. Berry, is not due to the presence of plant diseases. Certain cotton diseases, such as Verticillium wilt or Fusarium wilt, are present on the High Plains, but they are less widespread in their distribution and would have been present before the rain.

Death of cotton leaves is probably due to desiccation of the plant. If no more irrigation water was applied after August 25, cotton had, in the main, started hardening off and maturing which for practical purposes puts a plant under drought stress. Moisture in the form of rain at a later date resulted in increased metabolic activity and growth of the plant. During active growing periods, leaf openings called stomata open up and the plant takes in water and becomes turgid. With the advent of sunshine and lower humidity, the plant leaf is desiccated due to the slow closing of the stomatal openings. The desiccation of the leaf in this manner would have the same effect as chemical defoliation of cotton.

LET'S COOK SOMETHING!

Different Cookie Patterns, Toppings Create Lunchbox, Snacktime Appeal

Scandinavian cooks have their own special ways with cookies. They make up a white cookie dough rich in eggs, cut it into strips, cut a slit in the center of each strip and slip one end through the slit. Then they fry these half-bows in deep fat and give them a dusting of confectioners sugar.

When these cooks bake cookies from their favorite rich vanilla dough, they are likely to mold it into pretzel or crescent shapes. They also favor "wreaths" — rolling the dough into short lengths about as thick as a pencil, overlapping the two ends and decorating with candied cherries. When they add nuts to cookies, they are likely to choose almonds.

For other cookie flavoring, Scandinavian cooks may use browned butter and cardamom, as in the following recipe. If you like a cookie that is on the dry side, you may wish to try this rule.

SCANDINAVIAN COOKIES
2 cups sifted enriched flour
1/2 teaspoon baking powder
1/2 teaspoon ground cardamom
3/4 cup butter
1 cup sugar
2 eggs
1/2 cup finely chopped almonds

REP. ROGERS WRITES

Have Faith In American Philosophy, Rogers Urges

The United States of America is the finest and the greatest nation in the history of mankind. No civilization, modern or ancient, can produce any comparable accomplishments in the government of mankind. No country in any civilization in the history of mankind has approached our country and its philosophies in guaranteeing, insuring, and preserving the basic rights and dignity of the individual man.

As far as I am personally concerned, this faith and confidence is absolute and concrete, and it is my wholehearted feeling that we can, as a nation, meet and destroy any challenge from without or within. I believe that a great majority of other Americans feel as I do, and it is because of this that my confidence in the future is and shall remain unshaken.

On the other hand, we have a vocal and bitter group in our own midst who continually defile our governmental structure, demean the basic principles upon which freedom has been founded, and viciously attack their fellow Americans. It is these Americans who disturb me, not because I think they will ever mount a force sufficient to destroy America and what it stands for, but because I feel that they are contributing to the cause of those in foreign areas who are deeply jealous of our accomplishments and who would try to destroy those things which we have built.

I have no difficulty in understanding why Nikita Khrushchev would condemn and demean our institutions, our philosophy of government and our achievements. He has visited our country for only a short stay.

However, he saw enough to convince him of the great strength, of the great faith, and of the great confidence enjoyed by the American people. Certainly it would be his mission to re-

UP AND OVER — Greg Richards, with ball, literally goes up and over a teammate as he grinds out more yardage in the Level-land-Hereford game Friday evening. Richards scored one touchdown during the game. (Brand Staff Photo)

CAIN SMOTHERED — Quarterback Frank Cain is under the pile of four tacklers here. He completed five out of 13 pass attempts Friday evening. (Brand Staff Photo)

RICHARDS ROMPS — Greg Richards romps around end for long yardage, carrying the ball to the Lobo five yard line, where he scared on the next play. Robert Higgins, (85), and Steve Hodges, (35) are seen in the background. (Brand Staff Photo)

Miller Outlines 4-H Creed, Ideals

EDITOR'S NOTE: National 4-H Week was held throughout the country Sept. 26-Oct. 3. Here Jon David Miller explains the creed, purpose and ideals of this organization. Miller is 16 years old, and has been a member of Dawn Boys' 4-H for seven years.

As National 4-H Week comes to a close, it seems fitting that we should recapitulate the aims and ideals of 4-H club members everywhere. It is our aim "to make the best better" and to leave this world a better place because we have lived. "Your task—to build a better world," said God. I answered, "How? The world is such a vast place, so complicated now, and I so small and helpless now, there's nothing I can do."

But God, in all his wisdom said, "Just build a better you." To use as a guide, then, in building better selves, 4-Hers have as their creed:

"I believe in 4-H club work for the opportunity it will give me to become a useful citizen. "I believe in the training of my head for the power it will give me to think, to plan, to reason."

"I believe in the training of my heart for the nobleness it will give me to become kind, sympathetic, and true."

"I believe in the training of my hands for the dignity it will give me to be helpful, useful and skillful."

"I believe in the training of my health for the strength it will give me to resist disease, to enjoy life, and to work efficiently."

"I believe in my country, my state and my community, and in my responsibility for their development."

"In all these things I believe, and I am willing to dedicate my efforts to their fulfillment." Believing this, 441 members seek training in citizenship in the functions of their own club. The 441 club operates first in the county, state and nation.

In 441 club activities, 441 members are encouraged to consider and weigh the possible results of any plan of action instead of entering rashly upon an ill-advised program. When considering a new venture, a 441 member will first think seriously about it, then plan for best results, and apply the test of reason to all phases.

Four-H club members seek opportunities to express the kindness of their hearts in service to other people, to show sympathy to those in need of sympathy, and remain true to the high ideals of nobility in character and training.

Four-H club members abhor idleness and, to counteract the morals that goes with purposeless pastimes, they work at training their hands to perform tasks which will be helpful, useful, and skillful. Their wish is that the dignity of laboring with a purpose will not be denied them. To accomplish the goals to-

their attitudes, and realize that an unprofessional dis-service is as damaging as if it were intentional.

Our country, its institutions, its resources, and all of its people need these other Americans for a united front in the furtherance of the basic philosophy of the freedom and dignity of man as an individual, the bedrock upon which this country stands.

EXPANSION COMMITTEE — Actually a central planning committee, this group is composed of chairmen of county-wide specialized committees for 4-H. Shown here (left to right) are Mrs. James McAndrews, chairman of promotional programs and procedures; Mrs. Ray Polan, co-chairman with Mrs. Robert Hickman (not pictured here) of the recreational committee; Mrs. Tony Hoffman, chairman of publicity committee; and Mrs. Edward Paetzold, chairman of orientation and training committee. In the September campaign of 4-H members and leaders for "Each One to Get One," this committee made broad plans to be approved and implemented by other committees and individual clubs with their leaders. Theirs is an all-year endeavor in enlistment of leaders as well as 4-H members. (Brand Staff Photo)

JEAN BEENE — Assistant Home Demonstration Agent of Deaf Smith County with 4-H Club work as her special field, Jean Beene helps organize 4-H Clubs and select adult leaders. Some of her most important efforts are given to training, developing, and guiding organization, subject-matter, and junior leaders. She accepts responsibility for coordinating work among 4-H leaders to produce the necessary teamwork for building useful citizens of 4-H members. Wife of W. C. Beene, mother of four daughters, and homemaker, she is well equipped by experience, training and education (B.S. in Home Economics and experienced public school teacher) to train, guide, and advise 4-H leaders. She is dedicated to utilizing the full resources of the county in the wide scope of the 4-H program, to put the type of thing every youth can do within reach of boys and girls, and offering recognition to youth for work well done on the road to building a better America.

FOR 50 VARIETIES — For the 4-H program, leaders are needed in more than 50 project subjects, which expand far beyond clothing, foods, and livestock, to which the general public all too often limit 4-H interests. Consulting here on an expanded program for 4-H groups are Mrs. E. D. Hapson, 612 Bowie, and Mrs. H. H. Miller, Dawn. For several years Mrs. Hapson has led Willing Workers 4-H Girls in the share-the-fun skills, part of 4-H recreational program. A longtime leader of Dawn Boys 4-H, Mrs. Miller had directed subject-matter projects in agri-business, citizenship, and public speaking. Not pictured, but sharing in this leadership group, is Mrs. Wilson Mosser, who teaches money-management classes to new clubs at Labor Camp — the A-Okays and the Black Eagles. Any leader may teach any one or a combination of any two or more of the project subjects for a 4-H group.

4-H LEADER FORUM — District I Texas Panhandle is represented by Mrs. A. J. Beazer, Deaf Smith County (first, left, Row 2) and C. L. Merruff, Dallam County (second from left, Row 3), shown here with other Texas 4-H leaders at National Forum last spring. They are assembled on the steps of National 4-H Foundation Center, Washington, D. C. Working closely with these two to help 4-H leaders become more effective in working with young people are Dr. Ed Schlett (first at left, Back Row), Associate State 4-H Club Leader; and Mrs. Audrey Russell (last woman at right, Row 3), District II, Lubbock — both serving as advisors to the Texas group. These leaders from the Panhandle and adjoining district will have a planning session on

"Confidence in Leadership", then all will attend a state forum in Austin in late autumn to finalize programs of work for future use in 4-H. Mrs. Beazer has presented findings of the National Forum, with illustrative slides, to many groups, and this month she will speak to all 4-H and Home Demonstration clubs in the county and arrange to appear before any club or organization interested in a youth program. As the mother of a fully-participating 4-H family, longtime leader of Ford 4-H Club, and chairman of Deaf Smith County 4-H Club Council, Mrs. Beazer is an able and convincing messenger of the benefits 4-H participation offers to member, leader, and community.

ORGANIZATION LEADERS — Representing four of nine 4-H Clubs in the county, these leaders — (from left to right) Mrs. Earl Plank, leader of Dawn Boys; Mrs. Leo Wilkowski, associate leader of Merris Maidens; Mrs. Hugh Clearman, leader of Willing Workers; and Mrs. Leroy Williamson, associate leader of Ford Club — are using new 4-H yearbooks while planning more effective work through each club's executive committee. They help clubs to conduct meetings according to parliamentary procedures; to plan club business and keep records properly; to schedule meetings and arrange for meeting places; to plan programs based on community needs; to provide opportunities for older members within 4-H age to serve as junior leaders; to keep the homes, the parents, the communities informed of 4-H work; and to assist in obtaining subject-matter leaders. Each organization leader is a member of the county 4-H council. (Brand Staff Photo)

NATIONAL 4-H CENTER (Pounders' Scroll)

"Founded on faith in God and the democratic ideals of our republic, and dedicated to the fourfold development of rural youth, this Center is established to contribute to knowledge, character, love, honor and dignity among all peoples."

FOODS LEADERS — Typical of county-wide leadership in 4-H food subjects matter groups, these leaders meet with Mrs. W. H. Gesseltch, 808 West First, to look over plans for foods groups this autumn. Considering the guides for 4-H members and the special outlines and helps for leaders of foods groups are (left to right) Mrs. Thurman Atchley, Mrs. John Warren, Mrs. Gesseltch, and Mrs. Charlie Burk. Every year 20-25 leaders teach foods, one of the most popular subjects among 4-H girls. Each leader teaches 4-6 girls in a group, leading them from elementary foods through preparation of foods and serving them to learning good standards for healthful foods. 4-H groups are kept small in number so that the leader may give individual attention to each member. Miss Terry Lynn Anderson To Wed In Salt Lake City

Salt Lake Temple, Salt Lake City, Utah, will be the setting of the Oct. 23 wedding of Miss Terry Lynn Anderson and Chris L. Ottosen.

Parents of the bride-elect, Mr. and Mrs. Kendon Otto Anderson, Easter Community, have announced the engagement and wedding plans of their daughter.

The prospective bridegroom is the son of Mr. and Mrs. E. L. Ottosen, Kamas, Utah. Bridal attendants will include

the bride-elect's sisters, Miss Carolyn Anderson as maid of honor and Miss Becky Anderson as junior bridesmaid. Flower girl will be Julia Anderson, cousin of the bride-to-be. Serving as an usher will be Danny Anderson, brother of the future bride. Graduate of Hereford High School in 1963, Miss Anderson is also a graduate of FDS Business College, Salt Lake City. Ottosen was graduated from Utah Trade Technical Institute, Salt Lake City, and has fulfilled a West Central States mission for the Church of Jesus Christ of Latter Day Saints. The young couple are planning a home in Kamas, Utah.

Bay View Club Hears Program By Mrs. Harper

Focus of Bay View Study Club was Mrs. John Harper's discussion, "Leisure—The Great New Challenge," when the club met Thursday with Mrs. Will S. Kerr as hostess.

Mrs. Harper defined leisure as freedom from occupation or business. Noting that leisure had been the downfall of many nations, she questioned what increased leisure would do for the United States. This country, she reminded, has had few rivals as the hardest working, most efficient nation in the world. It seemed inevitable that automations should originate here, she declared, stating that automation will present the nation with most exciting opportunities as well as challenges as to use of leisure. Mrs. Harper cited particularly the problems of leisure for the housewife resulting from present-day appliances, packaged goods, and devices for simplifying or eliminating work in the home. She pointed to the age of leisure as producing a marvelous world of comforts and luxuries which at the same time, she concluded, would present the sternest challenges to women of today for right use of leisure to develop the well-rounded personality,

Engaged

Mr. and Mrs. Grady Wilson Jr., Faith, South Dakota, announce the engagement and approaching marriage of their daughter, Miss Ja Lynn Wilson, to Sam Bruno, son of Mr. and Mrs. Charles Bruno, Kansas City, Mo. After the wedding on October 24, the young couple will make their home in Faith. Both are

1964 graduates of Faith High School. The bride-elect and her family are former residents of Westway and Hereford. Miss Wilson is the granddaughter of Mr. and Mrs. Grady Wilson Sr., now of Sturgis, South Dakota, and she is the niece of Mrs. Orpha Nickerson, 204 Clements.

Mary Vance Joins Sewing Group

EDITOR'S NOTE: Learning skills can come in handy later on in life, says Mary Ann. She is looking forward to the time when she will be able to make all her own clothes.

Mary Ann Vance

I joined a sewing group because I wanted learn the art of sewing. My mother encouraged me also. The main reason, of course, was the thought that when I grow up I want to use my money for other important things, not for buying clothes all the time.

When I first started in 4th sewing I hemmed a cup towel. After I got started I went along very nicely sewing an apron. This I accomplished in my first year. I received a red ribbon in the dress review. Then in the second year I started to making a skirt.

As I went along I learned to make a placket, and learned to sew on hooks and eyes and also snaps. In making the seams for gathering the top of my skirt, I held my material too tight and when I began to gather my skirt the thread would not pull right, so I learned a good lesson on taking the stitching out and starting over again.

Once I finished this task correctly the rest was pretty easy, that is till I came to sewing on the hooks and eyes. Then I had to learn a new stitch.

Making this stitch was hard for me because everyone who showed me how was right-handed and when I tried it, well, there I was again, left-handed, so naturally I made my stitch backward and it looked awful, but I finally learned.

Sometimes I felt as if I would never get finished because at times it seemed I was always doing it wrong. But Lou Ann Witkowski, my teacher, encouraged me and told me I was doing fine.

I got a blue ribbon for my efforts. This made me very proud, and I was glad to be a member of such a fine group.

I think I have accomplished a lot in the past two years in sew-

ing, and I hope to learn a lot more in the future.

B.P.O. DOES 176 Mark Birthday At Buffet Party

Celebrating their second birthday, the B. P. O. DOES No. 176 entertained at salad supper Monday evening at the Elks' Hall.

An arrangement of gold Fuji mums and purple asters centered the buffet table with its candle-guarded birthday cake decorated in purple and gold, the DOES' colors.

Quartet tables were decorated in purple and gold streamers bearing the greeting "Happy Birthday."

Hostesses were Joyce Pool and Lois Hollingsworth. Following the supper, games of dummy bridge were played. High score was won by Earline Schneider, low by Virginia Fowler and bingo by Christine Lindsey.

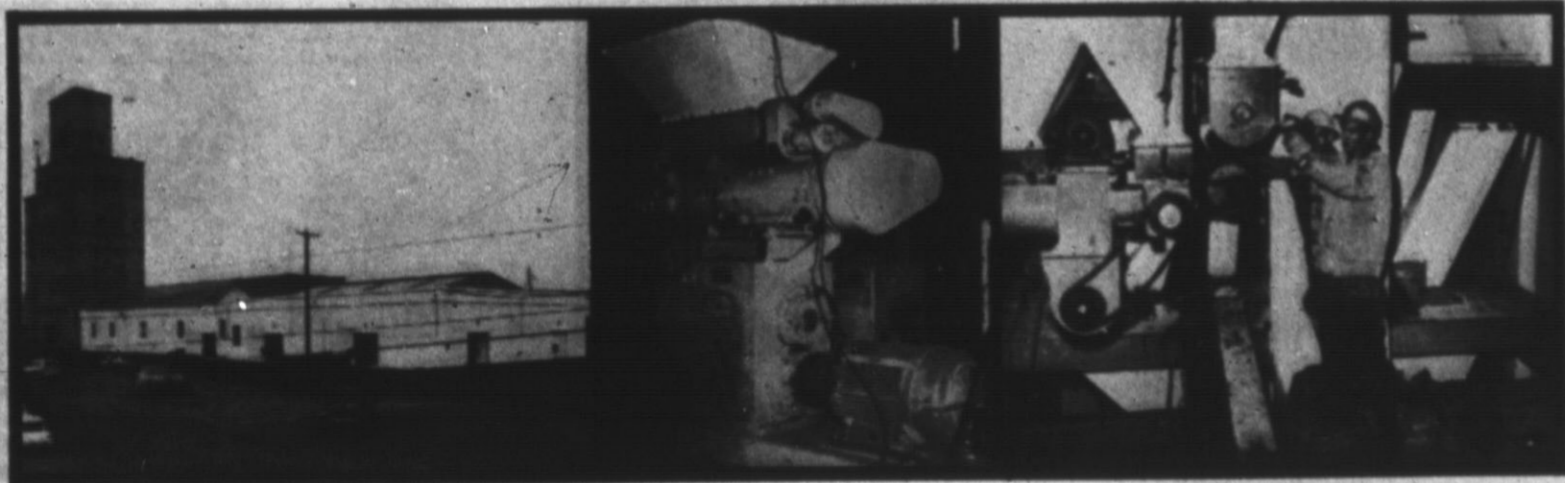

Those present were Bernice Massey, Friona, Pat Clark, Earline Schneider, Dora Lee Howell, Christine Lindsey, Joan Pugh, Virginia Fowler, Gladys Casey, Billie Huddleston, Donna Gooch, and the hostesses, Lois Hollingsworth and Joyce Pool.

The DOES will meet again in regular session Monday, Oct. 12, at 8 p.m. at the Elks' Hall.

WHEN?

... YOUR GUESS IS AS GOOD AS OURS!

But, if YOU are right you can WIN (1) BROWNING "SWEET SIXTEEN" SHOTGUN ... (2) a SAVAGE HI-POWER 30-06 RIFLE ... (3) a MARLIN 39 CARBINE ... (4) an ALL-METAL CALF CREEP FEEDER ... (5) or an ALL-METAL LAMB CREEP FEEDER!

Yes, you can win one of these fine prizes if you are one of the five people who comes closest to guessing the day, hour and minute when the NEW PAYMASTER FEED MILL facilities in Amarillo will produce the first ton of PAYMASTER FEED

Our target date is October 15 ... but frankly we're just guessing, too. There's just too many factors involved to do more than make a guess ... the weather ... materials and machinery arriving on time ... getting each part to fit and operate JUST EXACTLY RIGHT to manufacture the VERY BEST FEED you ever poured out of a sack. When all that happens — THEN we'll know we're ready to roll.

So, why not get in the game with us and win yourself one of the FIVE FINE PRIZES!

Just write your guess as to the day, hour and minute ... along with your name and address ... and mail to PAYMASTER FEED MILLS, P. O. Box 1650, Amarillo, Texas.

Or, use the handy entry blank below.

And, good luck.

Plan Lunch-Box Meals For Fun, High Nutrition

Packing a really good lunch-box meal—high in food value and fun to eat—may call for more planning than dinner for the whole family.

If a sandwich is to be the

"main dish" of the lunch, give it a high-protein filling, say U. S. Department of Agriculture nutritionists. Vary the fillings to avoid monotony. Try flaked cooked fish with chopped raw cabbage and salad dressing, or cold baked beans moistened with thick chili sauce, diced sweet pickle, and thinly sliced onion or cucumber. Use different kinds of bread, too. Cheese, for example, is good on raisin bread as well as rye.

Sandwiches made with fillings of finely chopped meat, eggs, or fish, with salad dressing, should not stand at room temperature more than 3 to 4 hours. If you make them ahead of time, keep them in the refrigerator and add to the lunch box at the last minute.

A wide-mouth insulated bottle makes it possible to pack hot soups, stews, baked beans, macaroni dishes, or creamed meats. And, remember yesterday's

chicken or turkey drumstick or pork chop as a possible main dish. Round off the lunch-box meal with a raw fruit or vegetable and a dessert.

Club Opens Series On World Problems

"Panama Crisis—Friend or Foe" was Mrs. Bill Michael's discussion topic for El Llano Study Club at their Monday meeting with Mrs. G. D. Caison, 133 Star St.

Mrs. Michael presented the complicated background of the recent crisis in the Canal Zone—history of Panama and the Zone surveyed, stories and various attitudes of United States citizens in the crisis. She described farm life and city life in contrast, sentiment of both Zonians and Panamanians. Then she set forth causes of the riots and gave recommendations for peace and progress.

Mrs. Michael illustrated her talk with a poster describing excerpts from "La Prensa," Panama City newspaper.

"The Threat of Cuba" will be Mrs. O. G. Hill Jr.'s topic at the next club meeting, Oct. 26, in the home of Mrs. Jesse Geron.

At the business meeting Mrs. Caison, president, presided. Mrs. Kendall Williams read the con-

stitution; Mrs. Ivan Block gave a favorable report on the club's recent rummage sale; and Mrs. Walter London discussed the United Fund and upcoming opening of the fund campaign. Special guests at this salad supper-meeting were new members of the club: Mrs. Labry Ballard, Mrs. Cecil Hart, and Mrs. Boyd Foster. Members present were Mrs. Kendall Williams; Mrs. O. G. Hill Jr., Mrs. Jack Meredith, Mrs. Elmer Kimbell, Mrs. Ben Childers, Mrs. Jim Bookout, Mrs. Jesse Geron, Mrs. Ivan Block, Mrs. Michael, and the hostess, Mrs. Caison.

After four years at University of California coach, Marv Levy is guiding the football fortunes of William and Mary this fall.

Rip Engle is in his 15th season as Penn State football coach. His teams have combined a 93-39-4 record.

Four Attend Abilene Flower Judges' School

Attending an advanced school for flower show judges in Abilene Tuesday and Wednesday were Mrs. A. L. Manjeot, Mrs. O. G. Hill Sr., Mrs. John N. Jacobsen Jr., and Mrs. M. T. Rutter.

Under the theme "Impressions for Tomorrow," the school was held in the Windsor Hotel and sponsored by District VIII Council of Texas Accredited Flower Show Judges, with Mrs. Charles R. Griggs, Sweetwater, president.

This was the last school required for Mrs. Manjeot, Mrs. Jacobsen, and Mrs. Hill to acquire the rating of Master National Show Judge, and attendance

there represented 20-24 years of study for each of these three. For Mrs. Rutter attendance at this school was the first of three such schools required for the rating of Life National Flower Show Judge.

Heard on the two-day program were nationally accredited instructors and flower show judges. Chief lecturer on the artistic was Mrs. Iva J. Varndoe, Jacksonville, Fla., who spoke on "The Challenge of Tomorrow" and demonstrated point scoring of modern arrangements. Also in this division Mrs. Dale Smith, Big Spring, an authority on abstract and modern designs, gave her discussion the title, "Express Yourself—In, On or Out."

Instructors in the horticulture lectures included Dr. Rupert N.

Richardson, Abilene, president emeritus of Hardin-Simmons University, a bee specialist; Mrs. J. C. Hardin, Grady, Ark., long-time editor of "Arkansas Gardener," speaking on "Decorative Foliages" and demonstrating point scoring of collections of cut foliage; and Mrs. R. H. Schmuck, Houston, state chairman of geraniums and a landscape design critic, discussing "Geranium Culture" and presenting geranium point scoring demonstration.

Requirements for achieving the Master Rating include attendance (study and examinations) at five schools, with refresher courses between each two successive schools, and judging a certain number of shows, and exhibiting flowers a specified number of times. The successive ratings are, first, national judge, life judge and finally master judge.

Mrs. Manjeot, Mrs. Hill, Mrs. Jacobsen, and Mrs. Rutter are members of Hereford Garden Club. They were pleased to meet a former member of the club, Mrs. Grady Bowdry now of Stamford, who was co-chairman of the Abilene refresher school.

IMPRESSIONS FOR TOMORROW — Looking over the program of the Advanced Refresher School for Flower Show Judges, sponsored by District VIII Judges Council of Texas Garden Clubs, Inc., are, left to right, (seated) Mrs. M. T. Rutter and Mrs. A. L. Manjeot and (standing) Mrs. John N. Jacobsen Jr. and Mrs. O. G. Hill Sr. These members of Hereford Garden Club attended the two-day school in Abilene last week to raise their ratings — Mrs. Manjeot, Mrs. Hill, and Mrs. Jacobsen from Life Judge to Master Judge; and Mrs. Rutter from National Judge to Life Judge. Tomatoes Give Color, Cheer To Beef Recipes

A splash of color can cheer up the cook as well as brighten the meal. One of the best brighteners around is the lively red of fresh tomatoes.

Use them lavishly this time of the year and use them with beef. The U. S. Department of Agriculture reports both foods in abundant supply.

The two foods are old friends. Their flavors complement each other in many a favorite recipe. For a starter, food specialists of USDA's Agricultural Research Service offer these ideas: Four 2 1/2 cups of tomatoes over pot roast the last hour of cooking. It makes first-class gravy, especially if a clove of garlic and a little thyme are cooked

with the meat. Add 1 cup of tomatoes and your favorite seasonings to 1 1/2 pounds of ground beef for meat loaf. Use about a cup of soft bread crumbs as a binder. Put extra flavor and moistness in ground beef patties by adding 3/4 cup of tomatoes to 1 pound of ground beef. Use 1/2 cup of uncooked, quick-cooking oats as a binder and season to taste. This combination offers a deliciously "different" flavor and helps you stretch a pound of meat to serve 6. Pour 2 1/2 cups of tomatoes over browned round for Spanish steak. Add chopped onion and green pepper, salt and pepper. Cook until tender.

ADRIAN NEWS Church Forming Auxiliary; First Meeting Set

By Ann Beavers

The Baptist Church at Adrian is organizing a girls' Auxiliary for junior and intermediate groups of girls. The first meeting will be held this week in the church.

Mrs. D. P. Doherty was in Amarillo last week with her ailing father, J. T. Woodward. Her brother-in-law, J. M. Donnell, also is ill. She stayed with Mrs. Emma Lou Hall.

Mr. and Mrs. Jeff Fields and children from Sanford visited in Adrian Sunday with the Cal Jacksons, the Harry Tillmans and with Mrs. Geneva Glass and children.

Raymond and Richard Stone, Hobbs, N. M., visited in Adrian last week with friends.

Mrs. Helen Hayes and son, Phoenix, Ariz., visited Mrs. Lena

Gudgell and Mr. and Mrs. Bill Gudgell Tuesday. Then on Wednesday, Mrs. Joe Brownlee took Mrs. Hayes to Tucumcari where she caught a bus home. Mrs. Brownlee visited the Jim Penningtons there.

Mr. and Mrs. John Rife and Dennis, Hereford, visited Sunday with friends. She is a former resident of Adrian.

Mr. and Mrs. Henry Scott, Vega, were Sunday dinner guests of the Butch Betts family.

Mr. and Mrs. James Sasser and children, Vega, visited Sunday with Mrs. Francis Speed and children.

Mr. and Mrs. Keith Peel, Canyon, visited the Norman Sifford family Sunday.

Mr. and Mrs. Jerry Rogers and daughter, Lubbock, visited the Norman Sifford family Sunday.

Mr. and Mrs. Wayne Sifford and baby, Vega, were overnight Saturday guests of the Norman Siffords.

Spark October's High Proteins With Apples, Rice

Apples and rice are the featured items on the U. S. Department of Agriculture's listing of plentiful foods for the harvest month of October. Also included are beef, cheese, and turkeys—all versatile and popular protein foods.

This season's bumper apple crop, an estimated 147 million bushels, is the largest since 1937. All leading producing areas expect abundant harvests; so shoppers everywhere can look forward to good selections of high quality apples at favorable retail prices. For a quick and delicious dessert, simmer apple slices in a skillet with sugar and a touch of water just until tender. Serve warm with cream.

October is Rice Festival Month and rightly so, for economists expect a record harvest of rice this year—73 million hundredweight. There will be plenty of all kinds of rice, particularly the medium and long grain varieties. Mounds of hot rice make the perfect accompaniment for oriental dishes. Any rice that may be left over can be used for a delectable skillet of fried rice the next day.

Shoppers can expect to find plenty of turkeys at reasonable prices in October. Production is up about 7 percent over last year. Roast turkey stuffed with an apple-rice dressing needs only a vegetable and perhaps a salad to complete a delicious main course. Turkey left over can be used for sandwiches and casseroles during the week. Some good-size portions of meat should be frozen for meals weeks later.

ELECTRIC COOKING MEASURES UP

When anything "measures up" then you know it's good. And, it's that way with electric cooking. It, too, measures up. Millions of homemakers have found this out for themselves and that's why you'll see electric cooking included in almost every new home. Women insist on it. They like its cleanliness... its ease of cooking... its everytime accurate results. Best of all they like the way the family's taste buds smile when electric cooking is the measure for every meal.

Newlyweds Establish Home In Hobbs, N. M.

After their marriage, Sept. 20 and a short wedding trip to points of interest in New Mexico, Jerry Dee Easton and his bride, the former Miss Norma Jean Allen, are at home in Hobbs, N. M.

The bride is the daughter of Mr. and Mrs. Everett Weidon Allen, 327 Ave. C, and the groom is the son of Mr. and Mrs. Henry Franklin Easton, 345 North St.

In a candlelight wedding Sunday afternoon, the couple exchanged vows in Central Church of Christ with Gene Fooks, church minister, performing the double ring ceremony.

Setting of the wedding was formed by baskets of white chrysanthemums and gladioli with branched candelabra flanking an archway entwined with greenery and white blossoms.

Traditional wedding selections, processional and recessional were sung by the A Cappella chorus, directed by Marvin Crowson. Special vocal solos enhanced the musical setting: Mrs. Dale Young sang "Because"; Mrs. Melvin Young, "I Pledge My Love"; Judy Hollingsworth, "Wedding Prayer"; and Dale Young, "I Love You Truly."

Given in marriage by her father, the bride wore a bridal gown of white crepe fouette fashioned with beiled skirt, topped by lace over-jacket designed with bateau neckline, petal-point sleeves, and fastening of minute self-covered buttons. Bordered with lace, her circular veil of illusion was caught to a coronet encrusted with seed pearls. She wore a strand of pearls belonging to her sister-in-law, and a watch, the gift of the groom.

Miss Lillie Chavarria was the bride's only attendant. She wore a street-length dress of robin's egg blue lace, over taffeta, fas-

ioned with sheath skirt marked by two tiers of scalloped lace, topped by lace tunic scalloped at bottom and neckline and having fitted bodice with cap sleeves. A matching crownlet with Dior bow formed her headpiece, and her shoulder corsage was of white carnations.

Wearing cloud pink nylon street-length dresses, candlelighters were Miss Deborah Lee and Miss Cynthia Eller. Their full skirts over pink taffeta were held by cummerbunds of self-material. Bolero-like jackets of matching lace were designed with bateau necklines, elbow-length sleeves, and back-fastenings of tiny self-covered buttons. Matching glamour veils held by tiny pink velvet bows, white shorty gloves, and white slippers completed their ensembles. They wore white carnation corsages.

Eddie Whitehorn served as best man, and Danny Allen, brother of the bride, and Tommy Easton, brother of the groom were ushers.

For her daughter's wedding Mrs. Allen wore a three-piece dress of beige lace over taffeta with accessories and hat of sapphire blue. Mrs. Easton chose a two-piece suit of blue double knit with beige accessories. They wore white carnation corsages.

Following the wedding a reception was held in the fellowship rooms of the church, with Miss Kay Wilson, Amarillo, cousin of the groom, presiding at the guest register. The bride's table was laid in white drawn-work cloth over blue and centered with an arrangement of bridal bouquet and miniature figurines of bride and groom.

Serving the three-tiered wedding cake with its pastel blue spun-sugar flowerettes was Mrs. Everette Allen, sister-in-law of

the bride; and Mrs. R. A. McLaughlin, aunt of the bride, presided at the punch bowl. Others in the house party were Mrs. John Channer, Mrs. Al Lee, Mrs. Emmett Johnson, and Mrs. Raymond Garrett.

When she left for the wedding trip, the bride wore a sheath dress of blue tweed with black accessories and the corsage lifted from the bridal bouquet.

The bride was a member of

the senior class in Hereford High School; the groom attended high school in Hobbs and Amarillo. The young couple are now at home at 621 North Del Paso, Hobbs, N. M., where the groom is now employed.

Out-of-city wedding guests were Mrs. and Mrs. G. F. Wooten, Dumas, grandparents of the bridegroom; Mrs. Edward Easton, Mr. and Mrs. Hank Wilson and Kay, Mr. and Mrs. Ed Mills, Miss Pat McQueen, and Mason Benton Jr., all of Amarillo; Mr. and Mrs. Earl Ganaway and Betty Ann, Hobbs, N. M.; Mr. and Mrs. William Everett Allen, Elake and Brent, Lubbock; and Miss Naomi Hare, Monterey, Mexico.

World's Fair Tour Given Study Club

With their illustrated travelogue of their trip to Canada and the World's Fair, Mr. and Mrs. Don Baugous presented the program for Veleda Study Club at their meeting Tues., Sept. 22, in the Baugous home. They used colored slides and gave firsthand accounts of peoples, places, and events as they saw and experienced them.

With Dorothy Clearman presiding, the club answered the question, "Would you like to go

to the World's Fair?" at roll call. A letter from Eloise McDougal was read thanking the club for their support in the Cancer Crusade Drive earlier this year.

Club visitors were Mrs. Jackson and Don Baugous, with Mrs. Baugous serving as hostess.

Members present were Marcella Brady, Sarah Clark, Wilma Clark, Dorothy Clearman, Arvilla Lauderback, Betty Oglesby, Betty Olson, Joyce

Umbarger Church Is Setting For Wedding

Mrs. Guy Donald Raef (Miss Gracie Ann Artho)

(Palo Duro Studio Photo)

Saint Mary's Catholic Church, Umbarger, was the scene of the wedding Monday afternoon of Miss Gracie Ann Artho, Canyon, and Guy Donald Raef, San Diego, Calif.

The bride is the daughter of the late Mr. and Mrs. Paul C. Artho, Dawn; and the groom is the son of Mr. and Mrs. L. L. Raef, Umbarger.

Officiant at the double ring ceremony was the Right Rev. Msgr. W. F. Bosen, who offered the Nuptial High Mass. Mrs. Vincent Ehly, Canyon organist, played traditional wedding music; and the Nuptial High Mass was sung by Saint Mary's Choir.

For the wedding the church was decorated with white flowers, bouquets of white gladioli on the main altar and white chrysanthemums on the side altars.

The bride wore a wedding gown of imported peau de sole fashioned with fitted bodice having lace-edged baby-doll neckline and tapered sleeves. The lace motif was repeated in parallel lines from front bodice to be caught by tiny tailored peau de sole bows at either side of controlled front skirt panel. Unpressed side pleats of bouffant skirt swept into full chapel train

and were held by a double bow of peau at bodice back. Her shoulder-length veil of imported illusion was attached to a sequin crown traced with seed pearls. She carried a bridal bouquet of white carnations encircling a white cattleya orchid.

Miss Linda Wieck, niece of the bride, was maid of honor. Bridesmaids were Miss Susy and Miss Margaret Raef, sisters of the bridegroom. All attendants wore identical dresses of pastel blue brocade satin designed with fitted bodice having rounded neckline and short sleeves, the skirts fashioned with controlled front and unpressed side pleats. They wore matching crowns of braided blue satin with halo veils. Their bouquets were white and blue frenched mums.

Stuart Raef, Amarillo, cousin of the groom, served as best man. Groomsmen were Kenneth Artho, Hereford, and Andy Artho Wildorado, brothers of the bride. Ushers were Billy Albracht and Gerald Brandt, Umbarger.

For her sister's wedding Mrs. John Wieck chose a three-piece suit of red double knit

with black accessories. Mrs. Raef, the groom's mother, wore a royal blue dress with white accessories.

After the wedding, a reception for relatives and friends was held in the Parish Hall, followed by a wedding supper. Presiding at the guest book were Miss Carolyn and Miss Marilyn Wieck twin nieces of the bride. In the house party were Mrs. Leonard Batenhorst, Mrs. Raymond Batenhorst, Mrs. L. J. Wieck, and Mrs. Lee Hasche, Dawn. Assisting were Miss Diana Batenhorst, Miss Carolyn Gerber, Miss Mary Albracht, Miss Judy Batenhorst, and Miss Carol Gerber.

For her going-away costume, the bride chose a pink wool sheath with black accessories. The young couple will visit points of interest on their trip to San Diego, where they will make their home.

A 1963 graduate of Umbarger High School, the bride has been

employed in Randall County Clerk's office, Canyon. The groom graduated from Canyon High School in 1962. He is now serving in the U. S. Navy and is stationed on the U. S. S. El Dorado at San Diego, Calif. Wedding guests came from various Panhandle towns including Hereford, Dawn, Dimmitt, Vega, Westway, Wildorado, Canyon and Amarillo.

Election Set For Soil Post

Zone 1 voters of the Tierra Blanca soil conservation district will elect a farmer or ranchman to serve as supervisor and representative on the Soil Conservation District board for the next five years, it was announced Saturday.

The balloting is to take place next Tuesday at Walcott school at 8 p.m., says County Agent Lefty Thomas.

A qualified voter is a zone 1 landowner who is over 21 years of age or older. Wives of eligible landowners can vote and should do so since they have an interest in their soil conservation district, it was explained.

The agent points out that soil conservation districts are political subdivisions of the State of Texas and by law are charged with the responsibility of carrying out a soil and water conservation program in their district. Through them such items as technical service, equipment, leadership in small watershed projects and many other services are provided in cooperating landowners.

A short program prepared by Walcott school children under the supervision of the Walcott school principal, Tom Colling, will be presented.

Landowners and their wives are eligible to vote.

The Hereford Soil Conservation Service will present a slide talk following the election, and refreshments will be served.

Eldred Brown is the present supervisor, representing Zone 1. Other SCD supervisors are Luther Lesly, Charles Hoover, Clarence Betzen and F. L. Eulie.

Ceramic Club See Foliage Painting By Mrs. Hromas

For Hereford Ceramic Art Club Mrs. W. C. Hromas demonstrated the painting of various kinds of flower and shrubbery leaves at the Thursday meeting in Mrs. Roy F. Calvert's home.

Accenting her demonstration, Mrs. Hromas exhibited different types of leaves mounted and also some of her hand-painted china.

The club made further plans for the ensuing year. At the Oct. 22 meeting in the home of Mrs. O. H. Culpepper, 603 South 25-Mile Ave., the painting of roses will be the study.

Refreshments were served to the following members: Mrs. Glenn Boardman, Mrs. John Robinson, Mrs. W. C. Hromas, Mrs. O. H. Culpepper, and the hostess, Mrs. Calvert.

Styled in the American Tradition

A bold departure from the conventional type of lounge chairs is the new AMERICANA "600" Series by La-Z-Boy. Inspired by Thomas Jefferson's lounge chair in Monticello, the AMERICANA is a rocker that can be easily converted into a TV footrest chair, or a fully reclining lounge chair, by simply raising the selective footrest lever.

The AMERICANA is available in four distinctive styles: The Dolly Madison for transitional decor.

The Betty Ross is truly an Early American design.

The Ben Franklin is traditional in the masculine manner.

The Monticello is contemporary in styling.

Miss Mary Robinson, Eddie Whitehorn Wed

Miss Mary Genelle Robinson became the bride of Eddie Joe Whitehorn in a wedding ceremony Saturday afternoon in the home of the bride's parents, Mr. and Mrs. Edner Grandville Robinson, 204 Jowell Street. Officiant at the double ring ceremony was C. B. Miles, Justice of the Peace.

Parents of the groom are Mr. and Mrs. Coy Edgar Whitehorn, 120 Ave. A.

For her wedding the bride wore a street-length dress of white lace over satin, designed with short sleeves and jewel

neckline. Accenting the waistline was wide beading run with white satin ribbon, which was duplicated at fingertip length on the full lace skirt. She wore a shoulder-length veil of matching lace caught to a satin coil.

For the wedding and reception that followed, the rooms were decorated with bouquets of white and pink roses. The bride's table in pink and white was centered with the white wedding cake embossed with miniature pink roses.

Serving the guests were Mrs. George Bloodgood, 121 Ave. F, and Mrs. Donald R. Bloodgood, Modesto, Calif.

After a short wedding trip, the young couple will be at home in Hereford. For travel the bride wore a shirtwaist dress of blue with accessories in black.

Wedding guests included the immediate families of the bride and groom; Mr. and Mrs. C.B. Miles, Miss Truby Benefield, Mr. and Mrs. Charles Digby, Mrs. Lee Lambert, and Mrs.

George Bloodgood and son. Out-of-city guests were Mrs. Donald R. Bloodgood, Modesto, Calif.; Mr. and Mrs. Arnold Johnson and daughter, Flomont; Mr. and Mrs. James May, Quitaque.

HEREFORD GARDEN CLUB MEETS FRIDAY

father and brother and know how to start a lawn if I ever have to start another one. I want to grow trees for the experience of raising them and also to furnish windbreaks for fruit and for shade and beauty.

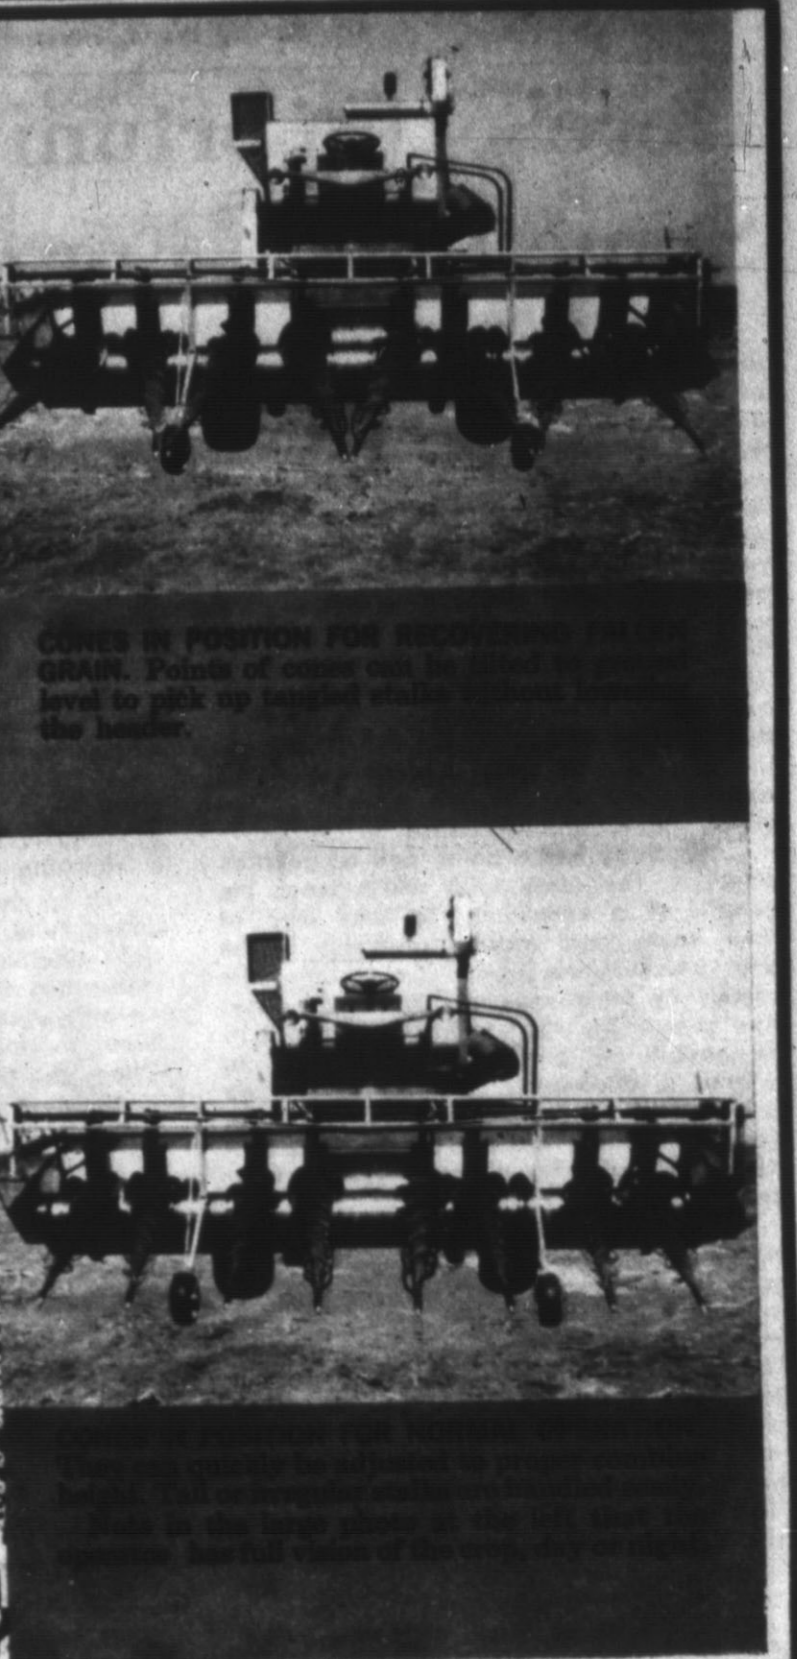

I've weeded, both with a hoe and by pulling weeds by hand this summer and have cut the grass and trimmed around the flower beds.

We've obtained many pretty plants through the plant exchange for the last three years. We planted these and by giving them a great deal of water, they lived and thrived. The iris we got from the plant exchange three years ago need to be divided, but it is so dry my mother tells us they may die if we move them now, so we will wait until later in the fall when it is cooler to do this. However, iris should be divided in July.

The hollyhocks I planted last year bloomed this year. They are hybrid double plants and I am anxious to see if the plants sown this year will continue to be double, or will revert to singles again. This has been a very bad year for all the flowers because of the extreme heat and lack of rain. Watering does not seem to furnish plants with moisture a good rain does.

Last year I planted celosia and salpiglossis. They both grew and it was interesting to see what these flowers looked like.

This year, all we have been able to do is hold our own with the planting we have. Even the best gardeners in this area have been unable to establish any new plantings and it is discouraging. However, many people tell us our yard and flowers look nice, so perhaps things look better than we think they do.

Why I Am a Republican for Goldwater

By SENATOR STROM THURMOND

(This was not written and spoken by some discredited individual, but by a highly respected U. S. Senator and lifelong Democrat. Just two days before giving this speech, Senator Thurmond was asked by Mrs. Lyndon Johnson to accompany her on a campaign trip through the South, which is proof of the high esteem in which he is held. If you think that he has overstated his case, we ask you to consider the trends in the Democrat Party, the ultimate goals of its leaders, and the cynical coalition of concentrated power which is threatening to make a mockery of Constitutional Government and our free institutions.)

"It has been wisely said that "For evil to triumph, it is only necessary that good men do nothing." Particularly is this true in time of crisis. Seldom before in the history of our nation have we faced so great a crisis.

"The people of South Carolina have placed me in a position of trust in the national government. From this position, I have observed at close hand the conduct and factors which have brought about this crisis. I would, therefore, be most derelict in my duty were I at this time to remain silent.

"I have no choice but to speak openly, frankly, and fully to the people of South Carolina on the crisis that confronts us.

"The Democratic party has abandoned the people. It has turned its back on the spiritual values and political principles which have brought us the blessings of freedom under God and a bountiful prosperity. It has breached the trust reposed in it by the people. It has repudiated the Constitution of the United States. It is leading the evolution of our nation to a Socialistic dictatorship.

THE DEMOCRATIC PARTY HAS FORSAKEN THE PEOPLE TO BECOME THE PARTY OF MINORITY GROUPS, POWER-HUNGRY UNION LEADERS, POLITICAL BOSSES AND BIG BUSINESSMEN LOOKING FOR GOVERNMENT CONTRACTS AND FAVORS.

"The Democratic party has used the government as a propaganda machine to distort the truth and deceive the public to the extent that a sub-cabinet official can publicly defend the Administration's "right to lie" and remain in office, unrebuked.

"The Democratic party has invaded the private lives of people by using the powers of government for coercion and intimidation of individuals.

"The Democratic party has rammed through Congress unconstitutional, impractical, unworkable and oppressive legislation which invades inalienable personal and property rights of the individual.

"The Democratic party has encouraged lawlessness, civil unrest, and mob actions.

"The Democratic party has violated its trust by using the power of government to suppress information on scandals and corruption of its leaders in government and party offices.

"The Democratic party has succored and assisted our Communist enemies through trade and aid at the expense of the American people.

"The Democratic party has established and pursued for our government a no-win foreign policy of weakness, indecision, accommodation and appeasement.

"The Democratic party, as custodian of government, faltered at the Bay of Pigs and in the Cuban crisis of 1962 — at the very moment when victory was at hand — and thereby forfeited Cuba to Soviet domination, subjected our nation to the peril of an armed enemy camp 90 miles from our shores, and opened the doors of the hemisphere to Communist subversion.

"The Democratic party, as custodian of government, has sent our youth into combat in Viet Nam, refusing to call it war, and demanding of our youth the risk of their lives without providing either adequate equipment or a goal of victory.

THE DEMOCRATIC PARTY NOW WORSHIPS AT THE THRONE OF POWER AND MATERIALISM.

"The Democratic party has demonstrated a callous disregard for sound fiscal policies and practices.

"The Democratic party has utterly disregarded the disastrous effects of the resulting inflation on people with fixed incomes, such as retirees, pensioners, Social Security beneficiaries, and those who have their savings invested in insurance.

"The Democratic party, as custodian of government, has adopted the practice of taking your money by taxation and then using that money to attempt to buy your votes.

"The Democratic party is attempting

with alarming success to change the Congress from an independent body representing the people to an amen chorus for presidential proposals.

"The Democratic party has endangered the security of the nation by negative decisions on military preparedness, preoccupation with bilateral and unilateral steps toward disarmament, and by use of the military services domestically as instruments of social reform.

THE DEMOCRATIC PARTY HAS NOMINATED FOR VICE PRESIDENT A KEY LEADER OF THE AMERICANS FOR DEMOCRATIC ACTION, THE MOST INFLUENTIAL SOCIALIST GROUP IN OUR NATION.

"The Democratic party has encouraged, supported, and protected the Supreme Court in a reign of judicial tyranny, and in the court's effort to wipe out local self-government, effective law enforcement, internal security, the rights of the people and the states, and even the structure of the state governments.

"The Democratic party is converting our constitutional federated republic into the same type of disciplined and submissive servant of an elite power group as it has made of the Democratic party itself, as all who watched the Democratic convention on television can bear witness.

"The top leaders of the South Carolina Democratic party have chosen to abandon the traditional independence of the state party, and to lead the people of South Carolina down the road to serfdom mapped by the national Democratic party. The party of our fathers is dead. Those who took its name are engaged in another reconstruction, this time not only of the South, but of the entire nation.

"If the American people permit the Democratic party to return to power, freedom as we have known it in this country is doomed, and individuals will be destined to lives of regulation, control, coercion, intimidation and subservience to a power elite who shall rule from Washington.

"Fortunately, for those of us who

cherish the traditional freedom entrusted to us by our forefathers, there is another choice this year. Although the party of our fathers is dead, the principles of our forefathers live now in the cause of a presidential nominee.

THE MAN WHO HAS GAINED THE REPUBLICAN NOMINATION FOR PRESIDENT AGAINST ALL THE ODDS AND OPINION POLLS, AND WHO NOW HAS CONTROL OF THE REPUBLICAN PARTY, IS ONE WHO BELIEVES IN AND ABIDES BY OUR CONSTITUTION. HE HAS DEMONSTRATED HIS FIDELITY TO FREEDOM, INDEPENDENCE AND THE CONSTITUTION BY HIS ACTIONS AND HIS VOTES IN THE UNITED STATES SENATE.

"I personally know him to be able and responsible. He is an honest man of courage and conviction, who trusts the American people to hold the reins of government and rule themselves.

"I cannot foretell what success will reward Sen. Barry Goldwater's efforts to return the national government to its constitutional role and our nation to its rightful place of strength and respect in the world. Nor can I predict with certainty how long these ideas and ideals of Sen. Goldwater which I share will prevail in the councils of the Republican party which he now heads. I do know that we have a fighting chance under Barry Goldwater's leadership and that we are welcomed to his banner.

"I know also that the course for the Democratic party has been set toward socialism and arbitrary rule. I know further that the Democratic party's line of succession is Hubert Humphrey and Robert Kennedy, with Walter Reuther and Joseph Rauh pulling strings behind the scenes.

"I have worked within the framework of the Democratic party, because experience proves it necessary to work within the framework of one of the two national parties to be effective. I have, nevertheless, maintained independence of judgment on issues and have conscientiously

tried to represent the people of South Carolina, seeking to protect their rights and freedom.

"I shall always maintain my independent judgment and action and put the people of South Carolina first. To do this in the future I must work within the framework of the Goldwater Republican party.

"For me, there is no alternative. The future of freedom and constitutional government is at stake, and this requires that I do everything in my power to help Barry Goldwater return our nation to constitutional government through his election to the presidency. This also requires that I join him in his fight, successful as of now, to make the Republican party a party which supports freedom, justice and constitutional government.

IT WILL BE A LONG AND HARD STRUGGLE, WITH MANY BATTLES TO BE FOUGHT. AT THIS TIME, ONE OBJECTIVE TAKES PRECEDENCE OVER ALL OTHERS — ELECTING BARRY GOLDWATER PRESIDENT. AS WE GIVE THE PRESIDENTIAL RACE OUR UNDIVIDED EFFORT, I HOPE ALL OUR PEOPLE, AND PARTICULARLY OUR YOUNG PEOPLE WHOSE FUTURE HANGS IN THE BALANCE, WILL JOIN THIS CAUSE WITH ENTHUSIASM.

"To my friends who have conscientiously advised me against this step, because of a sincere belief that I could best serve the country by following a course designed to keep myself in office, I can only say that I fully realize the political risk involved in this step, and that my chances for re-election might, because of this step, go down into oblivion.

"But in the final analysis, I can only follow the course which, in my heart and conscience, I believe to be in the best interest of our state, our country, and the freedom of our people.

"I have chosen this course because I cannot consider any risks in a cause which I am convinced is right."

Here's Opportunity To 'Do Something' For Yourself

Hereford's eighth annual United Fund drive got underway this week, as scores of people left their business places, homes, and farms to raise \$30,000 for youth and welfare activities in the community.

United Fund workers were told prior to the drive that the 1964 campaign may well be even more important than the first year UF was organized — and by no other person than Dan Eddy, who was instrumental in organizing Deaf Smith county's first drive. He based his conclusion on the fact that this county has fallen down in making its goal the past two years, and that another failure this year will indicate that the community has joined those Texas towns which are showing population declines, rather than increases.

Mr. Eddy has a point, and no question about it. The same spirit which leads the people of a community to take care of their youth and welfare problems is the one which attracts newcomers into the community and keeps old residents happy. Any community which consistently shirks its responsibilities, ignores its youngsters, and refuses to cooperate for general welfare is bound to go down in population; if, for no other reason, because so much selfishness and jealously will leave no room for growth.

Also coming in for important consideration on the welfare front was the point centering around the fact that the government is fast stepping in, where local and area projects cease — and at a cost of 16-to-1 over administration and distribution through United Fund and its allied organizations. Besides the cost, the circumstance provides a direct challenge to the person who professes to believe in "States Rights," because each time the federal government moves into one of these niches, we can expect the acquisition to become permanent.

Most modern churches have either eliminated welfare programs or curbed them sharply, shiffling this problem from the church to a county-state-federal responsibility. Only through United Fund can the great majority of the citizens in the com-

Latin Growth Noted Here

While Hereford has doubled population in the past few years, it is interesting to note that a sizeable section of our present population is today Latin American. These people moved into the community originally as a labor supply source, but in more recent months have expanded into skilled trades, merchandising and other phases of community life. More and more, they are remaining here on a year-around basis, any many of them are making excellent citizens.

A tribute along this line occurred last week when the community observed Sept. 19, Mexican Independence Day, with a fiesta and general celebration. The occasion went off in an orderly fashion, providing extensive entertainment for all who attended, whereas a few scant years back the story was frequently different.

More and more, these people are buying homes, paying taxes, and taking part in community affairs. They have contributed extensively to our general economy, and many of them are creating a place for themselves which would be impossible to fill otherwise. All in all, it seems to us that the Latin Americans have contributed much to the community and, we presume the community has been good for them.

munity actually meet and cope with this responsibility, which all of us are bound to recognize — whether we choose to openly admit it or to avoid the issue.

In the past, general support for United Fund has come from merchants, professional men and a limited number of individuals. These donors have been generous, but are now absolutely unable to carry the entire burden. This year, UF has been organized in such a manner that employees will be encouraged to contribute "one's days salary," along with the donation from the firm. Rural areas, too, have been sluggish when it came to supporting the drive — despite the fact that the greater portion of the area wealth stems from this source and is found in the hands of persons engaged in ranching and agriculture.

It is superfluous to point out that the United Fund drive eliminates some seven or eight additional drives, along with wasted application of funds, lack of planned spending and wasted manpower. It is also superfluous to point out that the various benefitting groups have pared their needs to a minimum. These things we all know. Furthermore, we realize that United Fund is not perfect, but that it is the best thing yet to come our way.

The only thing left is to reach into our pockets and come out with the necessary quota. We agree with Mr. Eddy: Hereford and Deaf Smith county are faced with a challenge — and if we fail to meet this challenge, it is possible that we have altered the entire thinking of our community. More important, still, is the same time, have removed ourselves one step further away from the freedoms and heritage which all of us profess to live by.

Family Incomes On The Way Up

Few average citizens pause to ponder the tremendous high family income enjoyed in this particular community, along with citizens in adjoining Farmer and Castro counties. The condition is explained in one single word, "Irrigation," and it sets us apart from the rest of the nation in several ways.

In Deaf Smith county, for instance, 2,130 families had a net cash income of \$4,000 or more, after taxes, whereas the state and national figure drops well below half of this figure. Almost 10 percent (8.8) families showed a net cash income of \$7,000 to \$10,000, and 26.4 percent of the families in this county were classified with \$4,000 to \$7,000 spendable incomes.

Extremely important is the fact that these figures are rising sharply as the years pass. In this particular territory, we would be inclined to further point out that not so much of the increase can be attributed to "working wives" as in many other areas of the nation, though it does play an important role here.

The circumstance is good. It means better housing, more luxuries, greater sales potential and generally good management among all families.

It also should mean that we are coming nearer to reaching the ultimate goal in "pursuit of happiness" outlined in the Constitution of our nation.

To say the least, it proves that we do have an outstanding community in which to live and, we judge, this is one of the reasons our area continues to grow and expand in contrast to population losses and business declines in most agricultural communities across the nation.

Voting Becomes More Complex

Things are becoming more and more complicated, and if you do not believe it, just wait until you start to vote in November.

Your Texas ballot will have a big one-eighth inch horizontal line just under the office for U. S. Representative — and behind this mark remains a difficult argument, supported by a new 264-page book just released to interpret Texas elections and election laws.

In a nutshell, the situation traces back to Supreme Court rulings against poll tax payment as a right to vote in federal elections. The upshot, anyone — with or without poll tax receipt — is entitled to vote on the offices of President and Vice President, U. S. Senator, U. S. Congressman-at-Large, and U. S. Representative, all found above the big, black line. Below the line, the "free" voter cannot participate, because these offices fall within the jurisdiction of the state, and we can run them in the fashion we choose — during this election at least.

Naturally, there are a lot of "ifs and ands" found within the new 264-page edition, which clarifies procedure and various situations.

Anyway, this is how we interpret the situation and, in case you are not satisfied, we suggest that you visit the county clerk, secure a copy of the book, then give us your interpretation.

Commission Will Arrive To Study Local Schools

With a view of becoming better acquainted with and improving the rural schools in this county, a commission of two persons from the Canyon Normal will arrive in Here-

ford, November the ninth, and will visit the schools of Deaf Smith county. We understand that this problem is to be made a feature of the future work at the Normal. And it is to the credit of that big school that this will be their aim, for while we all realize the Rural school problems is just one of the very many with which they have to deal, it is also the one that is too often given a "cellar position" in the minds of the authorities of most of our Normal Schools — the very institutions which are more directly connected with the matter of rural educations.

Leslie Moreman has accepted a position at Myrick's, Leslie Smith having resigned.

Panhandle Paragraphs

South Wheeler County United Fund is dead! It died peacefully in its sleep here at approximately 5 p.m. Thursday as a handful of civic leaders met at the Chamber of Commerce office in a last-ditch effort to resuscitate it. The death certificate listed the cause of death as "community apathy." We mourn the passing of South Wheeler County United Fund, certainly . . . but more than that we deplore the community apathy that killed it.

This area of West Texas was well represented at the open house and lunch at the Southwestern Public Service Company's Plant X last Friday. The huge generating plant represents an investment of \$43,000,000 according to officials of the company. It was further revealed that the value of the entire holdings of the company in the early forties did not exceed the present investment in Plant X. This is a good example of the overall economic growth of the South Plains-Panhandle area of Texas, and Dimmitt is just five miles south of the center of the rapidly developing area.

After sitting through two football games over the weekend and inhaling smoke from a number of cigarettes, cigars and pipes puffed by someone else, we wonder if non-smokers may not be about as susceptible to any tobacco-created illnesses as those who consistently indulge. It's sorta frustrating to be intently engrossed in the action on the field, and then suddenly find you're enveloped in a whitish cloud of near-suffocating smoke.

Scientists have developed 75 ways in which to catch a common cold. This is pure research and deserved the applause of millions of Americans who can collaborate the findings. A non-professional, influenced by a desire to contribute his small portion to the discovery, is trying to make the total 76. He is sleeping with his feet in the refrigerator. It seems logical that if science cannot cure the cold, it would defect to the side where the odds are better.

THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his Blueweed farm tackles the Presidential candidates' financial statement problem in his letter this week.

Dear editor:
As I understand it, it's not a Constitutional requirement, it's just a new fad, but Presidential candidates and their running mates are now publishing financial statements and we have now heard from all of them, none of whom is living in what you'd call a poverty pocket.

What I'm wondering is if the thing will spread and voters will be expected to publish their financial statements before voting?

If so, there's one point I'd like to get over. I notice that there is considerable argument over the kinds of financial statements the Presidential and Vice-Presidential candidates have published. Some are using figures based on what their holdings cost, others on what they could be sold for now.

This has brought on an argument, with one side arguing what something cost is no basis for determining what it's worth now. "That's no way to reflect your financial standing," they argue. "Publish the true current figures." Well, now, technically I guess maybe they're right, but let's not go overboard about it. There are times when a cost basis is better than a sales basis.

For example, take my 1946 model tractor. It's show up a lot better on a financial statement of its cost when new 18 years ago than its current market value, which I estimate is around \$135. If I could get all four tires to stay up long enough at the same time to get it to town for an appraisal.

The same is true of my two shares of General Livory Stable stock, or the rubber-tired buggy I've had in a shed out here for years, holding it against the day when men finally pumps all the gasoline out of the ground.

The current market value, you see, is not always the best basis for making a financial statement, but on the other hand, lots of times it can be fine for tax assessing purposes. A man who doesn't know whether he's making out a financial statement to the bank or a tax report to the assessor, he's in bad shape to start with. I'm not saying this is the way it ought to be, only the way it is.
Yours faithfully,
J. A.

Beyond a doubt, the man who, motivated by a desire to serve his fellow citizens, places himself at their disposal to be elected to a position of public responsibility, must also be prepared to be held up to ridicule and public scorn. He is subject to much criticism when failing to carry out the duties of his exalted position with wisdom, justice and humility. Seldom is he the recipient of the praises of an appreciative public.

The responsibilities of public office are great and cannot be taken lightly. The welfare of the citizens who have placed their confidence in the official must always be considered, and we believe the public should always be properly informed, on all happenings regardless of popularity.

On this score, we should say that Hereford and Deaf Smith county are indeed fortunate in having governing bodies who call a spade a spade; who chop their wood where they find it and let the chips fall where they may.

Major Ray Cowsett and the city councilmen, Judge "Hank" Williams and the commissioners court, have conscientiously followed a policy of holding "open" meetings of their respective groups. Open to the press. Open to any citizen who cares to spend the time to sit-in.

They have nothing to hide; no axes to grind. Their decisions, wise or unwise, are open for public scrutiny. Their meetings are regular in nature, publicly advertised and always held in the proper setting of the commission halls.

For these actions, we must commend both governing bodies; their leaders and their members.

A completely different story however, is that of our duly elected Board of Trustees, who, although probably just as sincere, has flaunted its responsibility to the voters of the Hereford Independent School District by consistently and continually calling unscheduled board meetings at irregular intervals, outside the accepted meeting hall (and many times) changing the hour of the meeting without proper notice to the voters of this District.

To top it off, they are prone to "clearing the room" during the regularly scheduled meetings, calling for an "executive session". To further complicate the situation, they have dispensed with the reading of the minutes of previous meetings, approving the same without public reading, and have failed to provide copies of these minutes to members of both press and radio.

We do not question the legality of these actions, nor do we feel that these men, who serve without financial remuneration would deliberately do that which is not in keeping with the best traditions of the office.

We do however, question the wisdom of the action.

The voters of this community have entrusted the Board of Trustees with a blank check of \$2.4 million dollars, to be spent in the best interests of our 4000 youngsters, now crowding into schools far inadequate for their numbers. They have placed on

the shoulders of the trustees not only a tremendous responsibility, but a confidence afforded few such boards. We believe therefore, that the folks who are paying the bills should have the opportunity to sit-in on all school meetings as they do on the city and county levels. These meetings should be scheduled regularly, with due notice to the public.

Then, and then only, has the board fulfilled its obligation to the people of the school district. If these same citizens do not care to attend, then they have no one to blame but themselves.

A complete new fabric shop will be opening in Hereford Thursday, Oct. 8th. Owned by Mr. and Mrs. Maurice Tannahill, the new shop will be located at 411 N. Main St. and will be known as "Tannahill's Fabric Mart".

McNeil Furniture will hold its Grand Opening Monday. The McNeils recently purchased the Buty-Rite Furniture Co. located at Park and Main and formerly owned by Mr. and Mrs. Howard Fish.

And beginning Monday, Hereford will have another eating establishment. Known as the "Gas Light", the business is located at 339 Avenue D and is owned by Mr. and Mrs. Marcus Latham.

They will hold open house this afternoon from 2 to 5 p.m. with coffee and doughnuts being served, but no meals until tomorrow.

Regular serving hours for the establishment, which will be family style, will be from 11 a.m. to 2 p.m. and from 5:30 to 8:30 p.m. Breakfast will not be served; lunch and dinner only.

The Deaf Smith County Commissioners Court has been working on Latham to get a free meal every other Monday, but to date, have made no progress. In fact, it looks as though they won't even be able to arrange credit.

Of course, Latham is a member of the court, and he probably knows better. Besides, we understand that Mrs. Latham will be the credit manager.

Ann Mercer Becomes High Rainbow Officer

Ann Mercer, daughter of Mr. and Mrs. James C. Mercer, 112 Aspen St., became Worthy Advisor of Hereford Assembly of the Order of Rainbow for Girls in open installation Saturday evening, Sept. 26 at Masonic Temple.

New officers installed were Denise King, Worthy Associate Advisor; Judy Summers, Charity; Carole Coffey, Hope; Janice Smith, Faith; Kay Brogdon, drill leader; Sharon Worthan, chaplain; Kathy Miller, Love; and Janie Elliott, Religion.

Also Donna Clark, Immortality; Luann Kendall, Fidelity; Kathy Pool, Service; Linda Price, Confidential Observer; Cindy Sanders, Outer Observer; Becky Long, Musician; Becky Bell, Choir Director.

Mercer installed his daughter as Worthy Advisor. Installing Officer for other officers was Mrs. Sandra Vandiver, Denver City, cousin of the Worthy Advisor; Installing Marshall, Mrs. Beverly Newman; Installing Recorder, Miss Patty Roach; Installing Chaplain, Miss Janey Nolan; and Installing Musician, Mrs. Gladys Merritt.

As the Worthy Advisor was conducted to the East, during her installation, her cousin, Kimberlea Vandiver, Denver City, presented her with an arm bouquet of white pearlized mums. Miss Mary Lynn Gibson sang the Worthy Advisor's song, "You'll Never Walk Alone." The Worthy Advisor introduced her parents, who presented her with her gavel engraved with her name and the date of her installation. She also introduced other members of her family, including her grandparents, Mr. and Mrs. J. R. Mercer, Central City, Ky.; her aunt and uncle and cousin, Mr. and Mrs. Travis Caraway and Carolyn, Lubbock; and her cousins, Mr. and Mrs. Curtis Vandiver and Kim, Denver City.

She then announced her theme, "Hope, the Anchor of Life"; her

emblem, the anchor; her scripture, Hebrews 6:11, 19, her motto; her flower, the mum; and her colors, gold and white.

In the East, immediately in front of the Worthy Advisor's station, was a large taffeta-covered anchor with the word "HOPE" spelled out vertically in small white mums. In the West, in front of the Worthy Associate Advisor's station, was a large basket of gold and white mums.

On the lobby desk where approximately 100 guests registered, was an arrangement of gold mums. Presiding at the guest book was Carolyn Caraway, cousin of the Worthy Advisor.

Centering the serving table in the dining room was an arrangement of gold and white mums with multi-colored grapes at the base. Further accenting the Worthy Advisor's colors, the table was laid in ecru linen cloth with

white napkins bearing the Worthy Advisor's name engraved in gold. Refreshments were golden colored punch and white cake squares topped with miniature gold-sugar mums. Other table appointments were in crystal.

PLAY ABOUT POPE JOHN
NEW YORK (AP) — An Israeli playwright, Igal Mossinsohn, has been signed to dramatize a book about Angelo Roncalli, who later became Pope John XXIII.

The book, "Caution to the Winds," by Ira Hirschmann relates an episode when Roncalli, while Apostolic Delegate at Ankara in 1944, conceived a plan to rescue Hungarian Jews from extermination.

The project is tentatively listed for fall presentation here. An original play by Mossinsohn, "Sands of the Negev" was displayed off-Broadway three years ago.

Hootenanny, Party End 4-H's Week Observance

National 4-H Week came to a close Saturday night at the Community Center when scores of 4-Hers, their guests and friends and prospective members assembled for a barn party and hootenanny.

John Brazzil, Randall County Agent, led the group in folk games, with Gary Richardson and Woodie McDermott closing the program with the hootenanny.

Four-Hers assisting with hostess duties were Nancy Smith, Carol Clearman, Diana Hickman Gary Richardson, Randy Hopson

Joyce Bezner, Maura McAndrews, Glenn Polan and Charles Atchley.

Displays in store windows, special newspaper articles and radio programs during the week recognized the area's 4-Hers and their accomplishments over the past year.

WOODY ALLEN, PLAYWRIGHT

NEW YORK (AP) — Woody Allen, nightclub and television comedian, is penning a play that may reach Broadway under the Max Gordon production banner. The untitled script concerns the adventures of an American family on foreign tour. Gordon, a veteran impresario, has been absent from theatrical management since "The Solid Gold Cadillac," which closed in 1955 after 526 performances.

Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan—with a roof line all its own.

'65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout—with richer looking fabrics and new curved side windows. Also a showpiece of an instrument panel with the look of walnut

in the Impala series. And a more serene Jet-smooth ride that's rooted in a new Full Coil suspension system and Wide-Stance design. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that one thing is its Chevrolet price.

New Corvair Corsa Sport Coupe—with new higher powered range of engines.

'65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. From the new top-of-the-line Corsa series to the Monzas and lowest priced 500's, there's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. Dramatically new interiors. A flatter ride with a more solid feel stemming from a new independent suspension and wider wheel stance. And a higher powered range of engines—with up to 180 hp available in the Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

LATIN CRUSADE — A 75-member choir of Latin and Anglo Americans has been providing music for the week-long Latin-American New Life Crusade revival here. The series at E. 5th and N. Main ends tonight. This shows Gerald Dings leading the singing with Mrs. Duane Barrett at the marimba. Mrs. A. J. Schroeter was pianist. (Brand Staff Photo)

Baptists To End Latin Revival Series Here

Hereford's series of meetings in the state-wide New Life Crusade for Latins ends tonight when Gregorio Tello, a blind Latin-American who once sang in bars in Old Mexico, will appear on the program. He is a noted singer and pianist.

The series, which opened last Sunday, is being held on a vacant lot at E. 5 and N. Main. With the Rev. B. L. Davis, pastor of the First Baptist Church, doing the preaching. Attendance at the crusade has been good and interest of both Anglo Americans and Latin Americans has been good, sponsors report. Crusade choir is under direction of Duane Barrett and

Gerald Dings with Mrs. Barrett on the marimba. The Rev. American minister here, has been serving as interpreter for the series.

The crusade was designed to take the message of Christ, sponsors explain, to a half million Latin Americans in Texas who are not reached by any church. Similar meetings have been held throughout Texas.

Dion Miller Makes Electric Study In 4-H

EDITOR'S NOTE: Dion Miller, son of Mr. and Mrs. H. H. Miller, has been participating in 4-H in the Dawn Boys' club now for three years. His main project interest is electricity.

years and in that time have carried on a number of projects and demonstrations, but the one which interested me the most is electricity.

In 1963, the first year I belonged to the club, a friend and I prepared and practiced a demonstration which we took to county contest. It was entitled "How to Assemble a Doorbell".

It was a great feeling of relief we felt when that bell rang after we had assembled the wires and battery! We were awarded a blue ribbon at the contest and later received a medal.

This past summer, I have made an exhaustive study of the uses made of electricity in our home and on the farm. It was rather surprising to find that we use electricity in 29 different ways in the house (including the heating system) and for 11 different purposes around the fields and on the farm.

I have learned a few rules about electricity, the meaning of some of the terms, and have been very much impressed with the facts of our dependence upon its use in our daily life and in making a living.

It goes without saying that I am glad we have electricity, for it is a source of enjoyment when it provides the power for television, a record player, or radio. But is very nice to have also an electric floor polisher, a good mixer, and an electric fan or heating system as the weather requires.

We are altogether dependent on electricity for the good water we have to drink and also for irrigating the crops raised by my father.

There seems to be no end to the daily miracles provided by electricity.

COVER BARGE BOATING

NEW YORK IS — "Little skill is needed to pilot a well-equipped and well-maintained vessel in uncoasted waters during an afternoon calm. Adverse conditions, however, caused either by weather or failure of equipment or personnel, emphasize the need for a knowledge of the hazards of the sea and the means for combatting them."

This is emphasized by two veteran boatmen, Howard L. Andrews and Alexander L. Russell, in their new book, *Basic Boating: Piloting and Seamanship*, Prentice-Hall, \$8.

TIM TYLER'S LUCK

by Lyman Young and Tom Massey

ZOLTA IS DIRECTING THE SEARCH FOR US!

SPUD! THAT SLAB CLOSE BY HIM MUST BE THE MISSING HASSI-STONE!

HE IS SENDING MOST OF HIS MEN AWAY... THAT CUTS DOWN THE ODDS AGAINST US!

NEVER HAVE A BETTER CHANCE TO MAKE OUR MOVE THAN NOW!

WAIT, ZOLTA! WE MUST TALK WITH YOU!

STAY YOUR SABER! LET THEM SPEAK!

WE COME IN PEACE TO ASK YOU TO GIVE THE HASSI-STONE BACK TO CHIEF TARKI!

HASSI-STONE? THIS IS THE GARAT STONE!

THE STONE OF GOOD FORTUNE BELONGS TO ZOLTA... IT WILL NEVER LEAVE GARAT - NOR WILL YOU!

Right Around HOME with MYRTLE

ANYONE FOR TABLE TENNIS?

IT WOULD BE FUN TO PLAY THIS GAME AT HOME, BUT WE DON'T HAVE A FISH BOWL!

THAT REMINDS ME! MYRTLE FORGOT TO GIVE ME MY DISTENSER PILL TODAY!

IF THEY'RE GOING TO INVADE MY PRIVACY I MAY AS WELL GET INTO THE GAME! I HAVEN'T TASTED A TURTLE'S EGG FOR AGES!

THERE'S A SAMPLE OF THE BACKHAND STROKE THAT MADE ME THREE-TIME CHAMP OF BRANCHWATER COLLEGE IN MY YOUNGER DAYS!

NOW, FREDDIE, YOU'RE GOING TO SHOW OFF, AND THE FIRST THING YOU KNOW, YOU'LL THROW OUT YOUR SPINE AGAIN!

WHAT SPINE? IF I HAD MY WAY, I'D THROW OUT THAT WHOLE OVER-GROWN JUVENILE DELINQUENT!

REMEMBER THE TIME YOU GOT CAUGHT IN THAT BADMINTON GAME? YOU WERE DELIRIOUS!

I WAS NOT! I WAS DE-FEATHERED!

WHY DON'T YOU TAKE ON THE WINNER, SLUS? YOUR STOMACH IS GETTING BIGGER EVERY DAY!

YOU JUST ANSWERED YOUR OWN QUESTION!

YOU LOSE, POP! YOU NEVER EVEN HIT MY PADDLE WITH THE BALL!

I DON'T MIND BEING BACKTIDY, BUT I CAN'T COMPETE WITH A HUNGRY FISH!

THAT FISH IS LOSING HIS MARBLES! HE ACTS LIKE HIS BRAIN IS WATER-LOGGED!

WELL, YOU'RE NOT ME! JUST LET OLD SMARTY-PANTS PING ONE MY WAY! HE'LL GET A PONG RIGHT BACK ON HIS SILLY NOSE!

I KNOW YOU STARRED ON THE OLD "CARNIVAL CUTIES" BALL TEAM, BUT I WOULDN'T TANGLE WITH FREDDIE IF I WERE YOU!

TRA-LA-LA!

LA-BEE DA!

TRY YOUR LUCK COLORING THIS ONE, LIDS!

FIRST YA BAKED A BIG CAKE IN A DISH PAN, GRANDMA...

... THEN ASSORTED SIZES...

... AND FINALLY ONE SMALL CUPCAKE?... I DON'T UNDERSTAND!

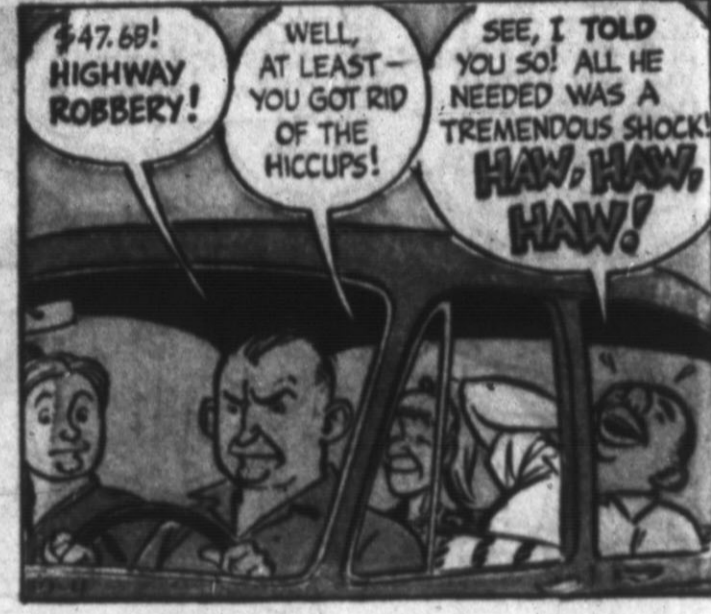

IT'S BEAUTIFUL, GRANDMA!

PAMN HAS LEFT DALE LOCKED INSIDE THE WRECKAGE OF HIS ROCKETSHIP! DALE TRIES AGAIN AND AGAIN TO FORCE HER WAY OUT OF THE CRAFT!

HE'S BEEN GONE SO LONG--WHERE DID HE GO? HE MUST COME BACK...

HIS PARENTS ARE OUT THERE... IN NEED OF MEDICAL CARE!
