

Schools' Building Schedule Is Drawn

If Hereford Independent School District patrons approve a \$2.4 million bond issue at the polls next Tuesday, the school board will start the wheels rolling immediately to get Phase 1 under way, a \$750,000, five-item project.

But at the same time, the board will be planning its building program through Sept. 1966.

A substantial interest savings will be offered through the "delayed" bond-selling program. Although the bond issue will cover the entire program, the bonds will be sold only as the various phases of the building series are completed, school officials explained.

Biggest single item on Phase 1 will be a new elementary school which will absorb \$360,000 of the three-quarters mil-

lion original outlay, Superintendent Paul Stevens explained.

Second biggest item on Phase 1 will be \$120,000 to be spent at Aikman for eight additional rooms.

The schedule shows \$35,000 will be spent on remodeling of old Central elementary school, and \$75,000 for additions and improvements to the present junior high school, Stanton Junior High.

Senior high is to get an \$80,000 enlargement and improvement program, if the bonds are approved. Paving and other items will total \$50,000, and \$30,000 is included in Phase 1 for purchase of building sites.

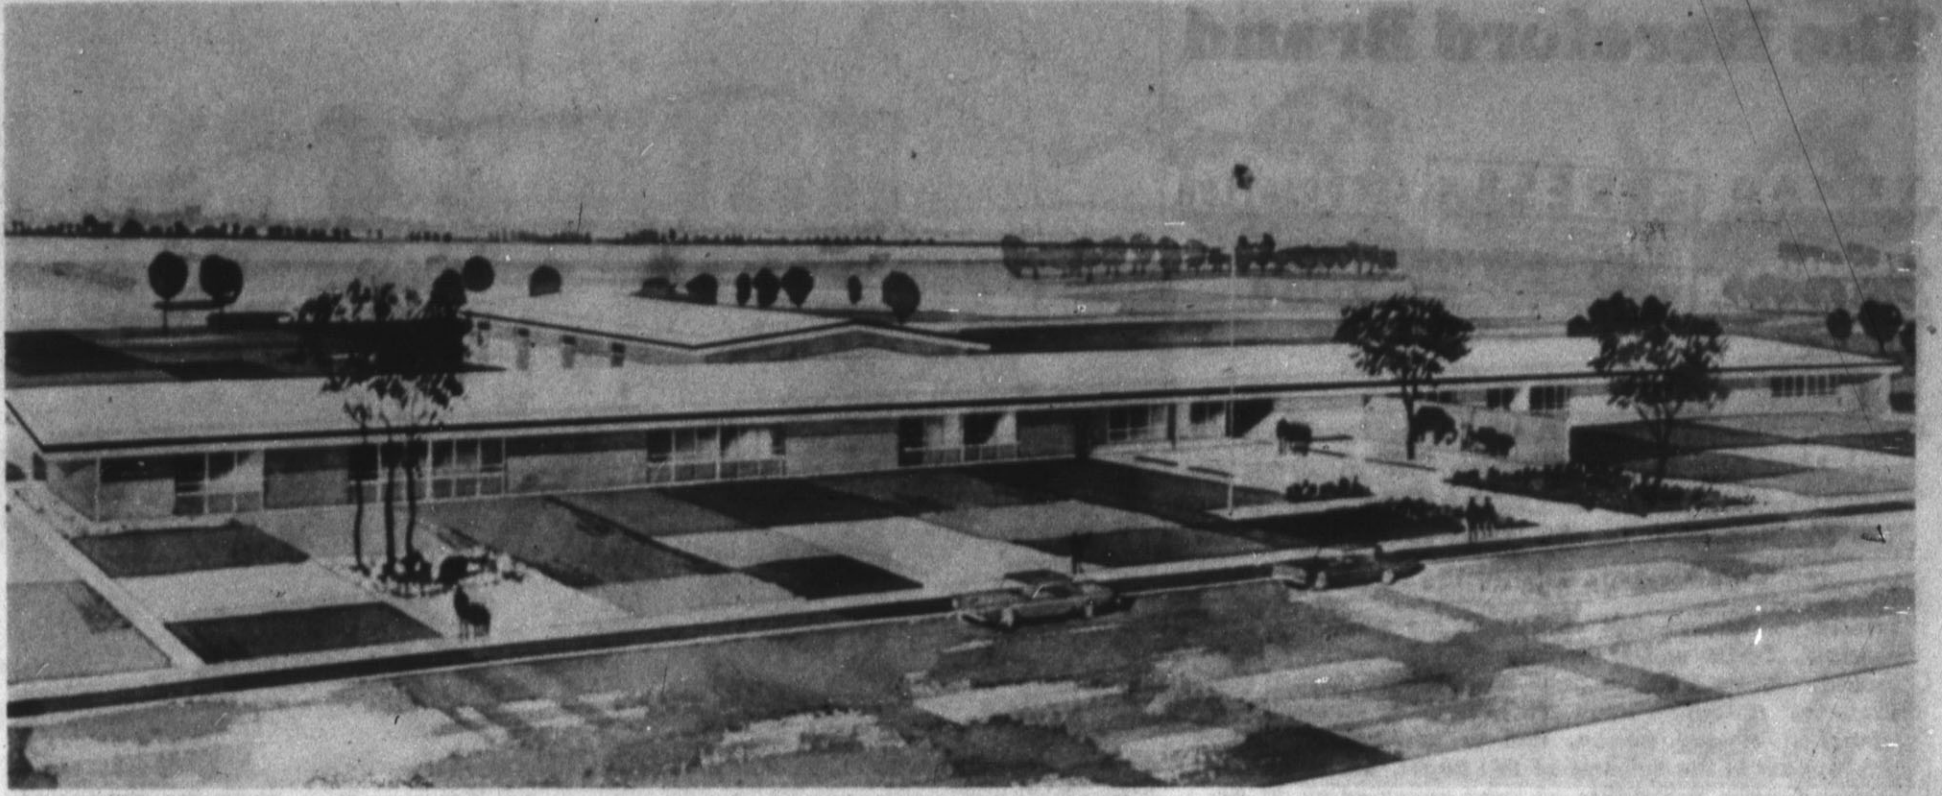

This brings the total in Phase 1 to \$750,000, the amount the board expects to

contract for this next September if the voters give them the go-ahead sign Tuesday.

The second phase of the program will be contracted for April 1, 1965, if the bond program is approved. That contract-letting will be for \$1,250,000 with the biggest single item, an \$850,000 junior high school. Equipment purchases will total \$200,000 in Phase 2, and site purchases will cost \$50,000. Paving and other miscellaneous costs will add another \$150,000.

Phase 3 will be contracted for Sept. 1, 1966 when the only item listed on the schedule will be another elementary school to cost \$.5 million.

The entire bond program was recommended by a Citizens' committee which studied school (Continued on page 2)

PROPOSED BUILDING — This is the architect's drawing of a proposed new elementary school for Hereford district. The building, to cost \$360,000, is included in \$750,000 to be spent in Phase 1 of a \$2.4 million long-range program. Voters will decide next Tuesday whether to approve or reject the expansion program.

Council Delays Airport Action

The renewal of the Whiteface Aviation Contract was once again postponed following several months of discussion concerning the clause in the present contract which entitles the city to 10 percent of the gross of the operation.

Olin Parris and Bob Dough-

man, operators for the municipal airport, failed to appear at the meeting and present to the commission their proposal for a contract that would be acceptable to both parties.

Parris and Doughman indicated at the previous meeting that they would appear before the committee.

The commission authorized City Manager Dudley Bayne to begin proceedings to condemn structures within the city that do not comply with local ordinances. The commission authorized action to begin condemnation on a structure that does not comply with the zoning ordinances.

Extensive discussion followed on the utilities provided for persons living out of the city limits. The commission voted to discontinue trash pick-up out of the city limits immediately. The commission discussed the possibility of discontinuing the availability of public utilities outside the city.

Several members of the commission felt that if these utilities were not available, that fewer areas would have to be annexed against their own will. However, no vote was taken on the matter at this meeting.

Other areas that will be annexed in the next few days were discussed at the meeting.

The commission, in the final business of the evening, approved unanimously the plat submitted by N. D. Bartlett. The area in South Hereford will be annexed at a future meeting in all probability.

The commission adjourned following one of the shortest meetings in recent months.

Major Ray Cowser, Commissioners, Bill Howard, Gid Brown, Lloyd Sharp, and W. L. Davis, City Manager Dudley Bayne and City Attorney Earnest Langley were all in attendance at the meeting.

North and South Plains Sugar Beet Growers have been informed that Arizona and Maine counties will get the balance of the 50,000 sugar beet acreage allotments. High Plains organization, however, will not throw in the towel, says President Homer Garrison, Plainview.

Steering committees of the Mid-Plains Pioneers association made final plans for their May 30 celebration at a meeting in Community Center Wednesday afternoon. Mrs. Alice Cox is president of the association, which will hold its annual meeting in the Community Center.

1st Lt. Jimmie D. Auten, son of Mr. and Mrs. Jim Auten, 700 N. Miles, Hereford, was graduated from the U. S. Air Force's Squadron Officer School at Maxwell AFB Ala. April 17. He received his degree from Texas Tech in 1960. Auten will be re-assigned to Turner AFB, Ga.

Pvt. Lynn T. Boomer, son of Mr. and Mrs. Bert M. Boomer, 138 Star, Hereford, completed advance training as an operations and intelligence assistant at Fort Bliss April 19. He is a graduate of Oklahoma State University, and is a member of Alpha Zeta.

St. Anthony's Church will hold a basket dinner at 12:30 Sunday to honor Father James. Members were asked to bring their own lunch; drinks will be furnished.

Aikman PTO will hold its teacher appreciation meeting tonight at 7:30 at the school. Officers for the new year will be installed. Service pins will be presented by a member of the school board to teachers who have served for five, 10 or 25 years.

Dimmitt is completing plans for its junior rodeo to be staged May 7, 8 and 9 in the Dimmitt Rodeo arena. Contestants must not be more than 19 years old.

A Masonic workshop is to be held for officers and members of the Masonic Lodges in five cities in this area at the Vega lodge May 1 at 8 p.m. Lodges to be represented will include Hereford, Dimmitt, Vega,ovina and Erlona.

Hereford secretaries are ab-

Farmers Given New Voluntary Wheat Plan

Wheat farmers now have a new voluntary wheat program available to help prevent the threatened drop in income from their 1964 crop, Frank Bezner, chairman, Agricultural Stabilization and Conservation County Committee, said Wednesday.

The program is provided by legislation enacted April 11, which amends the law under which the wheat program was to have been operated this year.

The new voluntary program offers wheat growers who participate (1) diversion payments for shifting wheat acreage to conservation uses (similar to the feed grain program), (2) price support loans averaging \$1.30 a bushel nationally, and with a cash value of 70 cents per bushel for domestic and 25 cents for export — for a large part of the farm's 1964 wheat production.

The chairman explained that wheat producers who wish to take part in the new voluntary program will need to sign up at their ASCS County Office. (Continued on page 2)

At 5 a. m., Horn Toots Own Horn

Hereford's tornado warning blasted out twice this week — once on purpose and once strictly on its own.

City Fire Marshall Clay Angelo pulled the trigger for the first alarm Monday afternoon just to let people know what to expect should a tornado show up in these parts.

But at 5 o'clock Tuesday morning, the warning decided to do a bit of tooting without human hand. It began its blasting at around 5 o'clock and started through its "long" blast. But before Fire Marshall Angelo could get his clothes on to go to pull the switches to silence the infernal machine, it quit of its own accord.

"Guess it just got tired and quit," said the marshal.

He didn't know what caused the unscheduled blasting. "Must have been a short somewhere — (Continued on page 2)

Voters To Make Three Trips To Polls In Next 10 Days

Postoffice Here To Lop Off Part Of Services

In line with a national economy move, Hereford postoffice will eliminate part of its services, starting May 4. Postmaster Nolan Grady announced Wednesday. The move, he explained, is part of a general economy drive by Postmaster General John A. Gronowski to save taxpayers \$12.7 million.

Only two curtailments are planned here, one effecting par-

cel post deliveries, and the other limiting Saturday window service.

Grady explained that delivery of parcel post, both in business and residential areas, will be limited to five days a week. No parcel post will be delivered in Hereford on Tuesdays; Grady says Tuesday is "consistently the lightest day of the week for incoming parcel post."

Due to lack of space, he explained, it will be necessary to store parcels arriving Tuesday "in such a manner that it will not be possible to deliver these parcels even through post office windows on Tuesdays."

The limited parcel post service will not affect rural routes, star routes or mounted route service.

First-class parcels, air mail parcel post and perishable articles will continue to be delivered on a six-day-a-week basis.

Window service curtailment on Saturdays also was announced, starting May 4, Grady said.

Only one window will be open during the 8 a.m. to noon period. However, he promised all essential window transactions will be available through the one open window.

Due to the large number of patrons the one clerk will have to serve on Saturdays, patrons were asked by the postmaster to transact as much business as possible on weekdays.

He said the bulky stamp vending machine in the postoffice lobby, which has been out of order throughout much of the year, has been given a complete overhauling and is now in good working condition. One-stamp buyers especially are urged to use the machine which dispenses stamps at the regular rate.

Grady promised that "no essential major services are effected by the new orders." He added: "Except for the limited window service on Saturdays and the designation of Tuesday as a non-delivery day for parcel post, services will not be affected."

"Letters and other first-class mail will be handled with the same priority as ever. There will be no changes in delivery of mail by letter carriers in residential or business areas."

Grady concluded: "The economy step is in line with President Johnson's programs under which the recent federal income tax cut was provided."

City, County, Bond Elections Slated

Hereford voters will go to the polls three times in the next 10 days — twice to vote for office seekers and once to approve or reject a bond issue.

Two of the elections will be held next Tuesday — April 28 — and the third election is slated for Saturday, May 2, Texas' traditional election day.

Voters in the Hereford Independent school district are to go to the polls next Tuesday to decide whether they want to spend \$2.4 million on a long-range building program to relieve the district's bulging classrooms. (In another story on this page, the entire bond program is explained.)

That election will be staged at the school tax office and at the former Dawn school. Essentially, voters will be limited to tax-payers in the district. A poll tax receipt also is required.

At City Hall on the same day, residents of Hereford will be deciding whether Albert F. Maxwell or W. J. (Bill) Howard shall serve on the City Council. The election, a run-off, was made necessary after neither man received a majority in the April 7 primary.

Maxwell received 426 votes and incumbent Howard polled 279 votes. W. R. (Bill) Dickson, third candidate for place 3 on the council, gathered 167 votes. Thus none of the three men received a majority of all votes cast.

In place 4, Lloyd B. Sharp received a majority over the two other candidates to clinch a spot on the council. Sharp polled 692 votes, defeating Gerald Hale with 112 votes and Michael Justice with 71.

Both the City and the bond elections will be held between 8 a.m. and 7 p. m.

Democratic and Republican primaries are to be held May 2, and party leaders this week announced polling places for both parties. Republicans will hold their primary at three places in the county, Keith Jorde, GOP county chairman, announced.

They include: Precinct 11, at Northwest school; precinct 1, at City Hall, and precinct 2 at the Community Center.

Below are Democratic voting places for each precinct, together with election officials:

Precinct 1, license examiner's room in the courthouse, Frank Bezner, Mrs. R. L. Simpson and Mrs. W. C. Davis

Precinct 2: commissioners court room in the courthouse, Robert Veigel, J. L. Woodford and Mrs. Tom Robinson.

Precinct 3: the old Mitchell residence, J. E. McCathern and Jack Weaver.

Precinct 4: Blinn community home, J. G. Farnsbury and J. S. Shanks.

Precinct 5: Ford Schoolhouse, L. J. Strauss and Billie Holgers.

Precinct 7: Dawn schoolhouse, Mrs. H. V. McCabe.

Precinct 8: Walcott schoolhouse, Glen Burrus and G. B. Hall.

Precinct 9: Bippus Commu-

Haney, Green Lead Herd To Victory

By David Stevens

Another terrific pitching performance and fine hitting gave the Whitefaces their second district victory against no defeats. Jim Haney provided the pitching and Eugene Green led the hitting attack as the Whitefaces slammed Levelland 13-5.

Haney retired the first nine Lobos in succession. He struck out two in the first, one in the second and three in the third. In the first inning the Whitefaces did not waste any time. Ronny Duncan walked to start the game. Steve Hodges also walked before Green singled, giving the Herd a 1-0 lead.

A double by Charley Moreno

and singles by Joe Coffman and Haney accounted for two more runs in the second stanza.

Green opened the third inning with a double. After Lynn Cook flied to center, David Stevens bounced one over the fence for a ground-rule double, scoring Green. Moreno's single and walks to Haney and Duncan brought in Stevens and also a new pitcher to relieve starter, Dennis Deel. Ron Pitts threw only one pitch and forced Coffman to ground out to second.

Levelland finally got to Haney in the fourth inning. Two walks and a single gave the Lobos one run and left men (Continued on Page 2)

SLIDES INTO HOME — Frank Cain slides home in the 5th to ring up one of the Whitefaces' 13 counters Tuesday afternoon while Ronny Duncan, next batter, coaches him in safety. At right is Lobo pitcher Don Stephenson. (Staff Photo by Larry Fuhrmann)

Despite Lack Of Rain, Crops Show Promise

Despite the lack of moisture, farm work is progressing, and crops on irrigated lands are making progress especially, says Agronomist Bill Bennett.

He summed up the crop situation Wednesday like this: "wheat is jointing; sugar beets are up; beds are being watered, and a few farmers have started planting grain sorghum and cotton."

Thus the spring "busy" season of the farm is at hand. He says there is also "a lot of fertilizing to be done."

Lack of rain is becoming more critical each day, and dryland wheat is beginning to suffer considerably, farm experts here said Wednesday. They are further plagued by greenbugs which have made "sporadic" appearances throughout the wheat belt. Damage has been light to heavy in fields which they have struck, but only scattered fields have been invaded by the pest, farm observers say.

Fertilizer application, Agronomist Bennett says, has been stepped up in Castro county where he estimates 70 percent has already been applied.

Soil temperature is now pushing 60 degrees.

He said that in the Olton area, about 50 percent of the nitrogen has been applied, and a large number still plan to apply phosphorus. About 50 percent of the fertilizer is still to be applied. (Continued on page 2)

HANEY BUNTS — Big Jim Haney bunted a game with Levelland, which the Whitefaces fancy one in the sixth stanza of Tuesday's won 13-5. (Brand Staff Photo)

Haney...

(Continued from Page 1) on second and third and nobody out.

However, Haney settled down to strike out the next two men and force the third to ground out. This left the Whitefaces with a 5-1 lead after three and a half innings.

With the Lobos showing signs of threatening their lead, the Herd put the pressure on the third Levelland hurler, Don Stephenson. A base on balls to Hodges and then four consecutive singles to Green, Cook, Stevens and Frank Cain gave the Herd a 10-1 lead after four innings.

Haney got into trouble again in the fifth as two singles and a bunt loaded the bases with no one out. The next two men hit ground balls and caustic force-outs at home plate. With two outs, Deel slammed a grand-slam home run to make the score 10-5.

Threatened once more the Whitefaces again turned on the steam. Hodges was hit by a pitch and Green slammed Stephenson's first pitch over the left field fence. Then Cook singled Stevens walked, Cain singled, and Moreno walked. Cook was thrown out at home trying to score on Cain's single. Stevens scored on Haney's sacrifice fly to center. This ended the scoring for the day.

In going the distance Haney gave up seven hits, five runs, three walks, and struck out eight.

Four Lobo moundsmen gave up 14 hits, 13 runs, eight walks, and got four strikeouts.

Green collected two singles, a double, and a home run in five trips to the plate. In his last attempt Green's fly ball was caught up against the left field fence. Moreno and Stevens got a single and a double each and Cain and Cook slapped a pair of singles apiece.

Today the Whitefaces meet Dumas at 4 p.m. here. Saturday the Herd travels to Borger for a game at 1 p.m.

After two district games the Whitefaces have a team batting average of .361. Green and Moreno are leading the team with .571 averages. Cain and Stevens are next in line with even .500 marks.

The tiny bamboo bat of Southeast Asia seek out a crack in a bamboo stem as its favorite place to rest.

Graham Named To City Post In Abilene

George Graham, superintendent of Hereford schools for seven years, has been elected as city councilman in Abilene, defeating the incumbent, George Kaerwer by 200 votes. He is executive vice-president of Hardin-Simmons University.

This is Graham's first venture into politics. Graham left here in 1956 to become assistant to the president of Hardin-Simmons, and he was made executive vice-president in September, 1960. Prior to that he served as chief executive officer for a year after the late Dr. E. A. Reiff resigned his Hardin-Simmons post. He is a deacon in Abilene's First Baptist Church.

Born in Oklahoma, Graham attended West Texas State University, Canyon, and Oklahoma Baptist University, Shawnee, Okla. He was graduated from West Texas in 1940, teaching in Panhandle schools and going to college alternately. For 16 years he served as superintendent of various Panhandle schools.

The Grahams have two children. Mrs. Wally Sheretz is a teacher in Cooper school in Abilene, and a son, Ray, is a mathematics professor at Appalachian State College, Boone, N. C. Graham was succeeded here by Fred Cunningham.

Schools'...

(Continued from page 1) needs, especially in housing, for several weeks and made its recommendations early this month. For the most part, the board is following closely the recommendations of that group.

The election will be held at the school tax office in the administration building and at the old Dawn school, voting hours being from 8 a.m. until 7 p.m. Absentee voting started Monday.

Voters must have paid poll taxes, have lived in the county six months and the state for a year, and must "own taxable property in Hereford Independent School District and have duly rendered the same for taxation."

Despite...

(Continued from page 1) piled in the Clovis, Friona, Bovina and Hereford areas, Bennett figures.

As for fertilizers, he made the following recommendations Wednesday:

"Sidedressing of nitrogen will soon be in full swing. Ammonia or any of the sources of nitrogen can be sidedressed in the middle of the furrow or placed to within 4 to 6 inches of the plant. Care should be taken not to get too close to the plants to avoid pruning roots. Since nitrogen will move after it changes to the nitrate form, sidedressing nitrogen in the middle or slightly offset from the middle will do just as much good as placing it close to the plant. Take the usual precaution of covering the chisel mark to be assured of a good application job."

"Application of phosphorus can still be made. To do the most good, phosphorus should be applied preplant or should be sidedressed when the plant is still young, preferably by the four leaf stage. Phosphorus should be banded as close to the plant as can be done without disturbing the plant or the root system.

The usual dual application system on 20 inch centers in the side of the bed can be used to apply phosphorus at this time. Some have sidedressed phosphorus when grain sorghum is knee-high and when cotton begins to square and it has done some good. However, better results

At 5 a. m....

(Continued from page 1) probably two wires rubbing together."

The test blast, Monday, although it had been announced earlier, brought a number of calls to City Hall Monday.

The signal blasts for three minutes, starting with a sustained shriek that changes to oscillating screams up and down the scale.

After this when the special storm warning starts tooting it will be the real McCoy — unless, that is, a couple of wires get together again.

"Told some of my friends," says Angelo, "that I thought I'd blow it every morning at 5 o'clock just to wake them up. Seems that idea didn't set too well with them."

Farmers...

(Continued from Page 1) fice — there will be no "automatic" participation. Only those wheat producers who sign up and carry out provisions of the program will be eligible for the program benefits. The sign-up will begin May 1 and will extend through May 15.

Those growers who have planted within their 1964 allotments have already met one of the conditions necessary for participation. Such growers will need to fulfill other conditions for qualifying as a "participant", however, such as devoting acreage diverted from wheat to conserving uses, keeping within other crop allotments (not including

feed grain), and maintaining their normal conserving base acres, he explained.

Signing up is the first step to taking part in the 1964 wheat program, the chairman emphasized.

Because the season is late, there will be no advance payments made this year, but the diversion payments will be made and the certificates issued as soon as possible after performance has been checked.

Around...

EM 4-0990

By Melvin Young

We have had a considerable amount of comment concerning the 15-year-old post card recently returned to Deaf Smith County Electric, including a few choice words from Postmaster Nolan Grady.

Nolan doesn't know where the card has been either, but he's sure of one thing. It hasn't been in the Hereford post office. Being the efficient postmaster that he is, he immediately took steps to check out the deal and discovered that the card was mailed recently from the Amarillo post office. Of course, we still have no idea why it wasn't returned 15 years ago, but at least the local post office has been vindicated.

But on the other side of the ledger, we'll have to mark up one for the postal department.

Guy Lawrence and Sam Bell, attending a "AAA" convention at Miami Beach, Fla. decided to send a card to Byrle Elliston.

They addressed the card to "The Ol' Cow Thief, 19945". It arrived on schedule.

That, we would say, is a testimonial for the ZIP Code. Of course, anyone within a hundred miles of Hereford knows who the Ol' Cow Thief is, so once the card hit the Hereford post office, there was no problem.

And then, we suppose it's wise to use the ZIP Code numbers, even when the name of the town is listed.

Emmett Milburn dropped by the other day with a map in hand showing us that there was a Hereford, Arizona as well as a Hereford, Texas. Hereford, Arizona is a little wide place in the road, we gather, from looking at the map. If mail were to be sent there by mistake, it might take weeks to find its way out. Therefore,

There is a cycle in which water is evaporated from the oceans, carried by air masses, precipitated as rain or snow, returned to the ocean by surface flow and percolation, or returned to the atmosphere by evaporation and transpiration of plants.

Other business construction is progressing nicely. Taylor and Sons Food Store has roofed the addition to the store, and the

new building going up next to the office of Drs. Owens and Whitley is now being bricked and should be completed before long.

We understand also that Boynton is building a new store building just south of Delmo's Farm and Garden Store.

At the rate we're growing, it won't be long until 25-Mile Ave. will be strictly a business street.

Leo Forrest, just returning from a trip to Washington told of an experience he had while in that city. A porter, spotting Leo's 10-gallon hat remarked: "Oh you've got one of those LBJ hats".

"That's a LEO hat", Forrest retorted, pointing out the name on the sweat band, "and I had this one before you ever heard of LBJ", he said.

Well, that's possible. It was an old hat.

Leo and Ernest Langley were both in Washington about the same time, and we understand that both carried cameras with them to get a few color shots of the Cherry blossoms.

We've heard it said that "Even a mosquito doesn't get a slap on the back until he starts working".

Social Welfare Regional Meet Set For April 29

Regional conference of the Texas Social Welfare Association will be held in Amarillo at the YMOA building April 29.

Registration will begin at 8:30 a.m. The conference is open to all interested persons. Mrs. Jewel Smith of the Deaf Smith County welfare office urged all high school students interested in a career in social work to attend.

Theme for the one-day meeting will be "Social Welfare Is People". There will be three sectional groups, and each will be headed by an expert on the subject. Those will be "Problems of Youth," "The Changing American Family," and "How Is Your Mental Health?"

The closing session will end at 4 p.m. Registration fee is \$3, luncheon included.

(Continued from Page 1)
 Dallas county; for lieutenant governor, Horace Houston, Dallas county; for attorney general, John Trice, McLennan county.
 For U. S. Senator: Jack Cox, Harris county; George Bush, Harris county; Robert Morris, Dallas county; and Dr. Milton V. Davis, Dallas county.
 For railroad commissioner (unexpired term), Don Flanagan, Dallas county; for comptroller of public accounts, Dallas Calmes, Harris county.
 For state treasurer, Fred S. Neumann, Jefferson county; for commissioner of general land office, John A. Matthews, Taylor county; for commissioner of agriculture, John B. Armstrong, Kieberg county.
 For congressman-at-large, Bill Hayes, Bell county; for congressman, 18th district Robert "Bob" Price, Gray county, and Frank Hinkson, Parmer county.
 For Republican county chairman, Keith Jorde.
 Write-in space is left on the ballot for precinct chairmen for all 10 precincts.
 Space also is provided on the Republican ballot for "preference for the 1964 Republican nominee for president." Listed are Barry M. Goldwater of Arizona, Nelson Rockefeller of New York, Margaret Chase Smith of Maine and Harold Stassen of Pennsylvania.
 Democrats have a full slate

for all offices, but sheriff's post and commissioners' places are the only county positions which have drawn more than one candidate.
 Seekers of commissioner posts on the Democratic ticket include:
 Precinct 1: J. F. Martin, Charley Sowell and Earl Holt (Sowell is the incumbent.)
 Precinct 3: J. T. Guinn, Bruce Coleman and Jim Monroe. (Guinn is the incumbent.)
 Other county candidates on the Democratic ticket include: Nell Miller for tax collector-assessor; Bruce Miller, for county attorney; and William Hunter, for district attorney. Bill Clayton of Springlake is unopposed for state representative.
 Charles K. Skinner faces incumbent Lowell Sharp in the race for sheriff.
 Leo Witkowski is the candidate for Democratic Chairman.
 Leo Forrest, Jack Weaver and Glenn Burrus are Precinct chairman candidates.
 Other names which will appear on the Democratic primary ballot May 2 include these:
 For governor, John Connally of Travis county; Don Yarborough of Harris County; M. T. Banks of Jefferson county, and Johnnie Mae Hackworth of Washington county.
 For lieutenant governor: Albert Fuentes Jr. of Bexar county, and Preston Smith of Lub-

Meeting Set To Study Day Nursery Need

Hereford's citizens will meet tonight in the Boy Scout room of the Community Center to consider the possibility of establishing a day care center here.
 The committee, researching all phases of the program, has been working for more than a year now, and hopes to interest others in the idea.
 Mrs. Anna May Minton of Amarillo, former Hereford resident, will come down and show slides to the group. She is head of the six day care centers in Amarillo.
 The day care center would be a non-profit organization. Mothers would be charged for the services on a sliding scale, according to their ability. The remainder would come from the United Fund.
 Heading the committee is Dr. Roy Grubbs, and Mrs. Jewel Smith is working hard to get the idea sold to the public. Anyone interested is asked to attend this meeting tonight.

SPRING FEVER — Marcy Lee Duncan, daughter of Mr. and Mrs. Robert H. Duncan, 828 Texas, is shown staring dreamily around as she stands in her play pen on one of the beautiful spring days recently. Perhaps Marcy is a little young to look serious, but she has enjoyed the weather as all Herefordites have. (Brand Staff Photo)

Comet...World's 100,000-Mile Durability Champion

At Daytona, a team of four specially equipped '64 Comets each traveled day and night 100,000 miles at over 105 miles per hour—an unequaled feat of stamina and durability.

In Africa, Comet showed its stamina again in "the wildest ride on earth"—the moon-swept East African Safari Rally. 94 cars started. Only 21 finished the run—two of them were Comets.

Leads the sales success parade!

Is it any surprise that Comet sales are up to almost double last year's? Comet proves what it can do. After 100,000 miles at Daytona, one of these special Comets has traveled another 31,000 and is still going strong. Then rally-equipped Comets logged through 3,188

miles of African mud, rocks and jungle—the first to carry America's colors in the world's toughest car event. Want more reasons? Just take a look at this new Comet. Husky, racy, beautiful, and built, really built. Make tracks for a Comet at your Mercury dealer's.

Amarillo Crowds Out Latinos, 20-19

Hereford's Latinos' ball club evened its record as they were crowded out by the Amarillo Lobos on the Amarillo diamond Sunday by a score of 20-19.

A fenceless outfield accounted for eight home runs and seven triples. Latinos got 25 hits from four Amarillo pitchers.

Goose Thomas hit a home run, two triples, and a single to lead the Latinos; Julio Valdez, Joe Hernandez and Jack Suarez also had homers.

The Lobos also had four home runs and collected a total of 19 hits off Joe Rodriguez and Julio Valdez, who was tagged with the loss.

Even though the Latinos out hit the Lobos, Amarillo managed to win the game. Both teams showed a lot of power with the bat.

Next Sunday's game will be with the Dimmitt team.

Statistics show that more people are getting to physicians in time for early diagnosis and treatment of cancer — when the disease is most curable. The American Cancer Society has developed a broad educational program urging all adults to have an annual health checkup as the best protection against death from cancer. Support its life-saving program by contributing to the Society's April Crusade.

The bird population of the Everglades National Park has decreased over the last few years.

Sandi Says...

By Sandi Thomas

Summer is nigh! The weather is just right for skiing and swimming and... lots of things! We're in the last six weeks of school so what could be better?

Monday, April 23, the golf teams went to Amarillo for the District Golf Meet. The "A" Team, composed of Roger Owen, Andy Channer, Jimmy Young, and Billy Hill, won third with 352 points. Bob Reinauer, Gordon Goldon, Jim Owen, and Gary Don Roberson, making up the "B" Team, placed fourth with 354 points. Nice going, boys! I like your sunburns!!!

As a result of the District track meet in Amarillo last Saturday, two Hereford boys are to be congratulated. Manuel Pacheco won the mile and Neal Luce placed second in the discus throwing. They will compete in the regional track meet to be held in Odessa soon. Good luck!

Last Friday, about 25 freshman, sophomore, and junior girls went to Carlsbad, New Mexico, for a Tri-State Horizon Convention. Among those going on a tour through Carlsbad Caverns and enjoying a "Splash" party were Kay Dirks, Sylvia Phipps, Denise King, Sandra Huckabee, Jane Messick, Mary Lynn Gibson, Judy Wiltshire, Janet Fryar, Gwen Gargo, Charlotte Hill, Cynthia Knox, Jean Roberson, Debbie Keene, Sharon Tinnin, Judy McCarver, Beth Ballard, Nancy Tyler, Gail Witherspoon, Barbie Langley, Judy Crume, and Charlotte Williams. The group returned Sunday afternoon.

Last weekend, about 10 "Herefordians" entered the Friona Junior Rodeo, Karen Blackwell won the average and first in the first go-around of pole bending, as well as third in the average on barrel racing. Larry Noland placed second in the second go-around of ribbon roping. In bull riding, Dan Thomas placed second in the first go-around. David Sorrels gained the title of All-around by roping both calves in ribbon roping and placing fourth in the average in bull riding. Congratulations, people! Also entered were David Hill, Debbie Thomas, Robby Lemons, Pat Smith, Dick Lookingbill, and Yours Truly.

Also, last weekend, 12 Key Clubbers accompanied Mr.

Legal Notice

NOTICE OF ENACTMENT OF ORDINANCE IMPOSING A PENALTY

All persons will please take notice that on the 20th day of April, 1964, the City Commission of the City of Hereford, Texas, duly enacted an ordinance imposing a penalty, the caption of said ordinance reading as follows:

ORDINANCE NO. 698

AN ORDINANCE OF THE CITY OF HEREFORD, TEXAS, PROHIBITING THE POSSESSION OR CONSUMPTION OF CERTAIN ALCOHOLIC BEVERAGES IN ANY PUBLIC PARK OR RECREATIONAL AREA OF THE CITY OF HEREFORD, AND PROVIDING A PENALTY.

Said ordinance provides that it shall be unlawful for any person to possess for the purpose of consumption, or to consume, in any public park or recreational area in the City of Hereford, any alcoholic beverage as defined by the Statutes of the State of Texas; and said ordinance further provides for a definition of such public parks and recreational areas, and provides for a fine of not more than \$200.00 for conviction of a violation of said ordinance.

Said ordinance shall become effective from and after its publication as required by the charter of the City of Hereford, which date shall be the 26th day of April, 1964.

IN TESTIMONY WHEREOF, witness my hand and the seal of the City of Hereford, Texas, this 20th day of April, 1964.

Mary V. Watts
City Secretary
B-17-2c

Aquatic duckweed plants, submerged in water, rise to the surface in springtime by filling themselves with buoyant gas.

Thompson to the annual Key Club Convention. Those enjoying themselves in the big city of Houston were Jackie Andrews, David Block, Steve Conaway, Bob Reinauer, Gordon Goldon, Tim Gear, Brant Knox, Roger Owen, Terry Caviness, Gary Royal, Sergio Bravo, and Lynn Bogle.

That's all for now — I'll be back next week!

Virgil Morton Dies; Services Held Tuesday

Virgil Morton, 66, died Saturday afternoon in Deaf Smith County Hospital. Funeral services were held at 3 p.m. Tuesday in Assembly of God Church, with Rev. J. A. Thomas, superintendent of the West Texas District of Assembly of God Churches, Lubbock, the Rev. V. W. Marcontell, and the Rev. H. V. Fields officiating.

Born April 2, 1898, in Cheyenne, Okla., Mr. Morton came to Deaf Smith County in 1916 and was married to Mamie Winkler June 6, 1917 in Hereford. He was a member of the Assembly of God Church and lived on Austin Road.

Survivors are his wife, six sons, Virgil Jr., Medford, Oregon, LeGrande, Hereford, Jay, Tucumcari, N.M., Jerry, Post, Paul, Lubbock, and Eddie, Plainview; two daughters, Mrs. June Tackett, Greasham, Oregon, and Mrs. Lorraine Gilliam, Hereford; three brothers, Bill, Sturges, S.D., Lon, Childress, and Grady, Hereford; one sister, Mrs. Edna McCullough, Clovis, N.M., and eight grandchildren.

Interment was in West Park Cemetery under the direction of Gilliland Funeral Home.

Leukemia took the lives of 2300 children and 11,000 adults last year. For some unknown reason the disease is increasing rapidly among adults. The American Cancer Society now spends more money on leukemia research than any other voluntary agency. It needs your support to study this form of cancer for which there is yet no cure.

REPORT

Hereford Horizon Club girls, 26 strong, were in Carlsbad over the past weekend, attending the New Mexico, South and West Texas Horizon Club Conference which was held Saturday and Sunday at Ramada Inn.

Theme of the conference was "This is My Country", and workshops for the girls during the morning hour carried out the theme in four phases: "Your Own Crown Jewels", "What's My Line", "Let Freedom Ring", and "The Joy of Giving." Attorney Gene Lusk of Carlsbad presented the morning address to the group in the general session.

Following the Saturday luncheon at Ramada Inn, the girls were entertained by "The Thunderbirds," a group of Carlsbad Boy Scouts who did impressive Indian dances in full costume. Girls and their sponsors were then taken for a special Camp Fire tour of Carlsbad Cavern, with the evening meal being served in the Cavern.

Highlight of the Saturday night program was the ceremonial held in the ballroom, with Jo Marek, Carlsbad Horizon Club girl, as the principal speaker. A splash party was held after the program.

Lene Kyster, exchange student from Norway, was the speaker at the breakfast on Sunday morning. During her stay in Carlsbad, Lene has been an active member of Horizon Club. A panel of five girls, all of whom had

attended the Triennial Conference in San Francisco last November, was presented by Miss Marjorie Brehm, with each of the girls speaking briefly on one phase of the national meeting. Participating in this panel from Hereford were Judy Crume, Hereford delegate to the meeting in California, and Mary Lynn Gibson, alternate delegate.

Junior girls attending from Hereford were Nancy Boyer, Judy Crume, Barbara Langley, Vicki Inman, Nancy Gripp, Charlotte Williams, Judy McCarver, Beth Ballard, Sharon Tinnin, Gail Witherspoon, Linda London, Patsy Stoy, Nancy Tyler and Debbie Beene. Sophomore Horizon Club representatives were Kay Dirks, Janet Fryer, Mary Lynn Gibson, Sandra Huckabee, Denise King, Jane Messick, Sylvia Phipps, and Judy Wiltshire; freshmen girls were Jean Roberson, Gwen Car-

go, Cynthia Knox and Charlotte Hill.

Adults making the trip were Mrs. Phillip Barkley, local executive secretary; Mrs. Vance Crume, Mrs. Pete Gooch, Mrs. Gordon Elliott, Mrs. W. D. Gibson, and Mrs. Lawrence Dirks.

Walcott PTO Hears Piano Students, Plans May Events

The program for the meeting April 17 of Walcott PTO was a piano recital presented by the students of Mrs. Sam Long, Mrs. Ruth Coleman, and Mrs. H. E. Owen. Guest artists were Ricky Long and Becky Long, students of Mrs. Ellis Coombes. Program chairman was Mrs. Bill White.

A short business meeting, conducted by Mrs. Harold Bass, followed the recital. A committee was chosen to nominate officers for the coming year. Members of the committee are Mrs. Norman Minks, Mrs. Joe Merrill, and Mrs. Melvin Henderson. Thomas Collins announced that Walcott graduation would be May 27, and the last day of school will be May 29. Miss Shirley Bourquin announced that the boys' volley ball team

would participate in a tournament in Lazbuddie Saturday and invited school patrons to attend.

A tourney at Walcott school, April 24-25 was announced also. The tournament play will be open to both adults and school children, and all proceeds will go to the PTO, which is the sponsor. Tickets will be 25c for children

and 35c for adults. The date set for the school picnic is May 24. Members of the committee to plan the picnic are Mr. and Mrs. Elton Sorrells, Mr. and Mrs. Buel Monroe, and Mr. and Mrs. N. E. Tyler.

The last PTO meeting of the school year will be at 8 p.m. May 15. The program will be community pictures. Those who have pictures they would like to show were requested to call Mrs. Bill White. Refreshments will be ice cream and cake, and members of the kitchen committee

Is your child right in... or left out
It's so important for growing youngsters to be part of a group. It's so easy for your youngsters to be part of a group when they "go out for band". The band has fun. They go places. (They get the best seats at the football games for free!) Study after study shows that boys and girls in the band consistently get better marks, stay out of trouble.
It's a wonderful world of music. Why not see your school band director. He'll be happy to arrange a talent test for your youngsters. Do it this week. Don't deprive your youngsters of a chance to join the band.
when you choose an instrument be sure you choose the instrument ACCEPTED by more band directors and professionals than any other

OUTSTANDING DE PUPIL — Johnny Brownlow (right) was presented the outstanding DE pupils award at last week's annual banquet. Making the presentation was Cleo Corliss. (Angel Photo)

DE Club Honors Top Boss, Student At Annual Banquet

Seventy-five persons attended the Distributive Education banquet in the Community Center ballroom Friday evening, when the outstanding student and employer of the year were announced and presented awards.

Johnny Brownlow was named the outstanding student, and Dale Barkley, manager of Cooper's Supermarket, was named outstanding employer. Johnny has been employed at Harman's for the past two years.

Speaker for the annual affair was Dr. Leon Hill, a retired Baptist minister from Amarillo.

Dr. Hill emphasized the need for education; he made special note of the efforts of teachers who help youth realize their dreams. In his talk, Dr. Hill also pointed that life is never a bed of roses. For anything great that a person achieves, there is also much sacrifice involved. Life is only what you make it.

Master of ceremonies for the banquet was the club president,

Johnny Brownlow. The invocation was given by Linda Loerwald, and Ronda Neff gave the welcome. Judy Crume presented awards, and introduction of special guests (school officials, advisory committee and ex-students) was made by Larry Fuhrmann. Deborah Lee gave the benediction.

Students selected their own outstanding employer — they filled out sheets with information on their own employers and then voted on the one whom they thought most deserved the award.

A special award was presented to Clint Formby for his contribution to the club by donating one day of his radio time to the club. On this annual radio day, the club receives all profits from the ads that members sold for the spots. All programs are presented by high school students.

This year's club has 28 students enrolled. Officers are

Tri-Hi-Y Pupils Attend Conclave

Tri-Hi-Y members attended the Tri-Hi-Y area convention last weekend in Lubbock.

Members attending were Jany Noland, Linda Tooley, Becky Duncan, Myrna Botkin, Rozzi Rush, and Fanelda Williams. Miss Jane Boren was the sponsor.

The theme of the convention was "High Goals for Hi-Y". Speakers at the Convention were Dr. Bill Pinson of the Southwestern Baptist Theological Seminary in Fort Worth, Tex. and

Bill McAlister from KSEL Radio in Lubbock.

The Hereford group stayed in the Caprock Hotel in Lubbock. The Convention was held in the Pioneer Hotel and the First Methodist Church of Lubbock.

Registration was at 4 p.m. and was followed by the opening session with Johnny Walker, the district president, presiding. After the welcomes, elections were held. Myrna Botkin campaigned for president. Saturday, the Convention was broken down into discussion groups. At 7 p.m. the Conference banquet was held in the First Methodist Church. The Convention was adjourned at midnight.

HHS Future Homemakers, Advisors Go To State Meet

By Lou Ann Witkowski

The Future Homemakers of America, mothers and advisors will travel to Austin April 30 to the State FHA meeting.

Each chapter is allowed to send two members to the state

meeting; however members receiving their state degrees, or Area officers are not counted in the quota.

The girls who will attend the 1964 State FHA meeting are incoming presidents, Cindy Loerwald, Chapter I; and Patsy Stone substituting for Carolyn Boynton, Royal Rose Chapter. The high point girls are Jana Cole, Chapter I; Royce Ann Gilliland, Royal Rose Chapter; and Shirley Simpson and Sharon Garrison, Little Sister Chapter. Kaki Barnard will attend the State executive meeting. Kathy Boston will attend the State Nominating committee meeting.

School Year Nearing End, 'Keys' Received

By Christine Skypala

The seniors of HHS are constantly being reminded that the end of their high school years is approaching.

Members earned points by selling cookbooks, working at money making projects and banquets, baby sitting, and working on FHA committees.

Five thousand girls are expected to attend this meeting in which new officers will be elected.

Those who will be accompanying the girls to the meeting are Mrs. Jay Boston, and Mrs. Garrison, parents, and Mrs. Dortha Prowell, advisor. They will leave April 30. Mrs. J. J. Durham, Kathy Boston and Kaki Barnard will leave April 29 to attend the State committee meeting.

The seniors have recently received their Senior Key as a gift from Cowan Jewelry. The keys are gold with black surrounding a torch encircled with the words, "Hereford High School."

Those seniors who have not received their keys may go down to Cowan's anytime and pick up their key.

The seniors have also been reminded to bring the money for their graduation invitations. This money may be paid to Mrs. Billye Buck, senior class sponsor. The invitations will be distributed to the seniors sometime after May 1.

Hoof Prints

By David Stevens

For the first time in two seasons the Hereford Whiteface baseball team put the tag on the "mighty" Dumas Demons. Played in Dumas, the game was a hard-fought, well earned 5-5 victory for the Herd. It was the district opener for both teams as the Whitefaces gave fair warning that they would not be the conference doormats this year.

Vargas Is A Busy Man As Teacher, Coordinator

By Keith Blanton

Ezekie Michal Vargas is not only active in student teaching for Mrs. Billye Buck but participates in the Hereford Migrant Ministry, an organization made up of five different local Protestant churches.

He serves as the program coordinator and director. "This is a full-time job and involves helping with Family Night (recreation and education) Cub Scouts, adult English classes, informal teen-agers club, rummage sales and counseling, and visitation," according to Mr. Vargas.

"The best description of my job is social work with Christian emphasis and concern. The

work is trying, challenging, but also very interesting. Results of our work do not come overnight, although some times we do see very unmistakable results."

"Future plans? At this time, all I can say is that I hope to be able to teach in September. I am very interested in the field of Guidance and Counseling, and, after the needed three years of teaching experience, I plan to eventually enter this field," states Mr. Vargas.

"I am married. My wife is presently student teaching here, under Mr. Holt in Biology. She also hopes to be able to teach next September. So far, we have no children," added Mr. Vargas.

"Both my wife and I have B.A. Degrees from Ashbury College, Wilmore, Kentucky. My major was psychology; hers was biology and chemistry. This semester we have attended West Texas State University in order to meet the requirements for a secondary teaching certificate in the state of Texas. Both of us will have these certificates by August of this year."

DE BANQUET — Here's part of the head banquet. Shown are Peggy Neff, Larry Fuhrman, Judy Crume and Ronda Neff. (Angel Photo)

School Annuals Arrive, And Everybody's Happy!

"Hip, Hip, HURRY! They are here at last!" This was just one of the many signs of joy as the '63-'64 yearbooks were given out Thursday, April 16.

The theme of the newly arrived annuals is the Doorway to the Stars. The annual staff hoped that each student would consider himself the star as he entered the mysteries hidden among the pages of the yearbook.

The student's trip through stardom begins with the cover of an elongated gold star on a textured black and gold cover. Each title page introduces the star to other celebrities, as personalities who have won the admiration of students and faculty members at HHS.

The journey leads to the unveiling of Most Beautiful, Most Handsome, Most versatile, and Most Intellectual.

This year's Round-up revealed Royce Ann Gilliland as Most Beautiful, and Jim Haney as Most Handsome. Their runners-up were Ruth Ann Allison and Larry Hill.

Most Intellectual were Steve Elliot and Kaki Barnard. Marie Silvertooth and Steve Conaway took honors as Most Versatile.

Classes were arranged Thursday with six-week tests for sixth and third periods in the morning so that the annuals could be distributed after lunch. Annuals were passed to the students at 1:15 and students were

allowed to sign annuals all the rest of the afternoon.

These signing activities continued at the Community Center was opened to the student body so the students could continue to sign yearbooks.

Seven hundred annuals were ordered and students were turned away as extra copies "sold like wild-fire."

Summer supplements arrival will be announced in the newspaper and on KPAN sometime in July. A party will be given by the annual staff when the supplements arrive. Students who will be away for the summer should contact Mrs. Viola Chisholm and give her their mailing address to reserve a supplement.

PE AT WORK — Physical education is a vital part of the Hereford High School's program. In winter, it's gym work, but comes spring, and the boys take to the wide-open spaces. This picture shows class in action — playing baseball. (Photo by Gerald Leatherman)

EDITORIAL

Who's to Blame?

By Larry Fuhrmann

If our generation of teenagers is going to the dogs, it is because the generation before us has already gone.

This is a pretty rash statement — but it is true. Reason: teenagers today look to the generation a jump ahead of them for guidance.

A person of this age is undecided upon how he is going to run his own life — he has seen and observed many adults and what a mess they have made of themselves.

This is why it is so important that each person be careful how he acts, including teens. Younger people in grade school and junior high look up to those who are older than they are, and are influenced by their acts. Some goes for teenagers and adults.

Perhaps no one can be as easily influenced as a teenager, and he should realize this. Teens today are confronted with just about every idea and viewpoint that one could possibly think of. For this reason, he should evaluate and rely on his common sense as to what he should follow.

Some adults have the idea that their attitudes and ideals are the ones that are right, and the only ones. Each teenager's life is especially effected by what he has been taught by his parents in the home.

This is what he should base his judgment upon. He can't base his character on one other person — he has to be a melting pot of several different ideals and attitudes.

We're all influenced by the acts and words of others — but we can't get carried away with what other people think. Each one should be somewhat original, and not fall into the same rut as another. Keep an open mind but not so open that it can accept anything; remember that what you do is an influence on other people. No matter how slight you think your influence is, it is important.

The ideas a teenager forms today are the foundation for his ideals and attitudes in adulthood — he should watch what he thinks!

This afternoon at 4 p.m. the Whitefaces meet Dumas again on the Whiteface diamond. A victory today would be another big step toward a district championship. Of course, there are a lot of games still to play but one cannot help wonder what a district championship would be like after all these years.

After 17 games the Whitefaces have a record of 10 wins and seven losses. Ten of the games have been against AAAA competition. The Herd won five and lost five. Portales, N.M. split four games with the Whitefaces. Class B Nazareth lost both ends.

Golf Team Wins 2nd In Tourney

The Hereford Golf Team traveled to Amarillo, April 13 for a meet at Ross Rogers Country Club.

The Hereford players were Roger Owens, Andy Channer, Billy Hill, and Jimmy Young on the first team. The second team was Gary Don Roberson, Gordon Golden, Bob Reinauer, and Jim Owen. Mike Horton and Doug Watson went as individual players. Andy Channer was Hereford's Medal player with a score of 80.

The teams were ranked: Levelland, first; Dumas, second; Hereford, third; Littlefield, fourth; and Phillips, fifth.

Practice for the golf team is held from 3 to 5 p.m. Coach Kitchens stated, "The Country Club has been especially cooperative by letting the boys play free of charge."

He also stated, "Bud Posey, the club pro, helps the boys on any part of their game they need help with."

There are no more meets scheduled this year.

The team is practicing for next year, since it is a young team consisting mostly of juniors and sophomores, and freshmen. Billy Hill is the only senior on the team.

Coach Kitchens said, "A good golf team is expected for the next several years."

Council Drags Feet, Students Given the Blame

Petitions for the various offices for Student Council were recently being put before the student body for approval.

These candidates were petitioning for an office in an organization that is nothing but an organization.

Why? It is definitely not one person's fault that the council has become the do nothing club it is now.

It is our fault, yours and mine. We have failed to back the people we have previously elected to council offices.

The student council's supposed to be the mouthpiece of the student body to the administration and faculty.

But how can it be a mouthpiece when the students don't go to the council with their problems? How can the council know what the students want and expect if nothing is said?

The time is here to elect the new officers. Stop, listen to these candidates, ask them what they promise in the way of beneficial efforts for HHS, then, you promise them your support.

By supporting these candidates you'll support your student rights and support the candidate of your choice.

Yearbook News Out Too Early

Imagine this situation: you are in a group of your friends, you or one of your friends is trying to tell a joke with a unique ending; just as you near the ending someone shouts out the punch line.

This is an example of how, (Continued on page 2)

Notes:

We would like to be the ones to make the official announcement that the junior-senior banquet will be Saturday, May 23. Mrs. Dorothea Prowell explained that the banquet was postponed because of a mistake in the date.

Well finally, the annuals are in. All enjoyed the free afternoon and the parties, how about some more of those Mr. Michael?

There is a baseball game with Dumas today on the Whiteface field. There is no game tomorrow but there will be one with Borger on their home field Saturday, April 25.

Seniors, do you realize that it is almost one month until Baccalaureate and then one short week until graduation! ! !

counters with the Herd. This is not a bad record for a team that won only five games all last year.

Anyone who has seen the Whitefaces play this season can tell you the main reason why this is not the same team it was last year, even though seven starters returned. That reason is, without a doubt, "scrap". The 1964 team is one that refuses to quit. Many times this season the Whitefaces have come from behind to win. The most recent occasion was last Friday when the Demons grabbed a 2-0 lead after only one inning of play. The Herd scored five runs to take a 5-2 lead. Each time that the Demons threatened this lead by scoring the Whitefaces retaliated by scoring more.

There are several human reasons for the Whiteface success this season. A real big one has been the superb hurling of junior lefthander Mike Ranspot, who now has a 6-1 record. Another has been the often and timely hitting of catcher Eugene Green. The Whiteface defense has really tightened up, averaging only about one error a game.

This is a new team, with a new coach, Ronald Speed, and a new look. They're not great but they are pretty good. And they've got "scrap."

UNDERGOES SURGERY

Dick and the three other delegates were honored at a luncheon given by United Gas in Houston Friday, April 17. The company sponsors the Texas 4-H Junior Leadership program.

Ranspot Pitches Herd To Victory

By David Stevens

A superb pitching performance by Mike Ranspot and clutch hitting by the Whiteface hitters gave the Herd a 9-5 victory over the Dumas Demons in the conference opener for both teams. Ranspot now has a 6-1 season record while the Whitefaces are 10-7 on the season. The Whitefaces have now won twice as many games as they did all last year and as many as they won in district play last year.

In the first inning leadoff hitter Ronny Duncan greeted Vern Stafford, first of four Demon hurlers, with a double. Duncan advanced to third on a fielder's choice but was thrown out at home after a fly ball to right by Steve Hodges.

Dumas started off in the old Demon style with a pair of runs in the first stanza on singles by Johnny Whitehead and Joe Ballard and a wild pitch and a passed ball.

Walks to Eugene Green, Frank Cain, and Mike Ranspot and a single by Charley Moreno tied the game up in the second inning.

Settling down to his regular style, Ranspot struck out one and forced two to ground out in the bottom of the second.

Adding three runs in the third the Whitefaces took a 5-2 lead. Steve Hodges walked to open the inning. Eugene Green got on on an error. A single by Lynn Cook brought two runs and a change of pitchers. However, David Stevens greeted the second Demon pitcher, John Sober, with a single to score Cook.

Dumas came back for one run in the third on a double by Robert Moffatt and an error by Ranspot. With a man on second and one away, Ronny Stephenson singled to center. However, a terrific throw by center fielder Moreno nailed the runner at home plate. A pop fly to the shortstop ended the inning.

Joe Coffman walked to start the fourth inning, but a double play left the bases empty. With two men out the Whitefaces started over. Green and Cook walked to bring the Dumas coach out again, this time bringing Clyde Gregory to replace Sober. The Herd greeted this one right as Stevens and Cain hit back-to-back singles, giving the Whitefaces a 7-3 lead.

Ranspot did not allow a run in either the fourth or fifth innings. He gave up one walk in the fourth and one single in the fifth.

However, the Whitefaces were not to be denied in the fifth as they scored one run to increase their lead to 8-5. Ranspot walked and Dumas was hit by a pitch. Once more the Demon mentor went to the mound bringing Ballard from center field to put out the fire. Coffman bunted to advance Ranspot to third but Duncan was thrown out at second Hodges walked to load the bases. Green hit an infield fly and when the ball was dropped Ranspot scored.

The Herd could not score in the sixth inning even though Cain and Moreno each hit a single.

Dumas threatened the Whitefaces lead with two runs in the sixth inning on singles by Gary Kimbley and Lane Boyd and walks to David Hamrick and Moffatt. With the score 8-5 and the bases loaded Ranspot forced pinch hitter Lyle Pfeiffer to hit a slow roller to second to end the inning.

Padding their lead to 9-5 in the seventh, the Whitefaces sacked it up. This run was a gift as it came on a walk, a hit batter, and two errors.

In the bottom of the seventh the Demons threatened with two men out. A walk to Kimberley and a single by Boyd put men on first and second but Ranspot rose to the occasion by striking

out the next man to end the game.

Ranspot, in going the distance faced 36 batters, giving up eight hits, striking out four walking five, and throwing two wild pitches.

Four Demon moundmen faced 43 Whitefaces, allowing eight hits, striking out four, giving up 11 walks, and hitting two batters.

As each team got eight hits the big difference in the game was the clutch hitting of the Whitefaces. Cain, Moreno, and Stevens led the Herd with two hits apiece.

Tuesday the Whitefaces play Levelland here at 4 p.m. It will be the district opener for the Lobos, who are 1-8 for the season.

Since 1945, the American Cancer Society has supported research totalling more than \$127,000,000. Its research program covers all phases of the causes, cures, treatment and diagnosis of cancer. To continue to make research gains against cancer, support the Society's April Crusade.

Yearbook...

(Continued from Page 1)

through one person's selfishness and carelessness he can disappoint and spoil the surprise for everyone.

This recently was seen as through the ill thought of a few, many were bitterly disappointed as the news of the arrival of the yearbooks was released.

The keeping of this arrival is a traditional secret at HHS and

this year as the secret leaked out the excitement and surprise that comes with the annuals disappeared.

Nothing can be done to alter the situation now, the disappointment will always be remembered.

Buick has a great transmission.

An automobile transmission, we grant you, isn't the most soul-stirring subject on earth. Nothing to look at either.

But if you'd like for your next new car to give you a better break on performance and gasoline mileage, something happened last week to be your guide.

The Los Angeles to New York Mobil Economy Run proved one thing for sure. There's quite a difference in the transmissions of new cars.

Three out of four for Buick

The long-time champion in the transmission league—Buick—walked off with the 1964 economy pennant. No other single make of car won as many events as Buick. Four entries, three winners.

The winning Special carried the new Super Turbine 300 automatic transmission; the LeSabre was equipped with the Super Turbine 400 (both optional at extra cost). They're the latest in a long line of Buick transmissions well known for their smoothness and absence of "shift feel". The Super Turbine is a refined and improved torque converter type to help you safely pass cars and trucks as well as gas stations.

You'll hear a lot about it in the next couple of years as this modern kind of transmission is adopted by more and more car builders.

What about engines?

Of course, an efficient transmission gets more efficient when teamed up with a lean, agile engine. The winning Buick power plants were our new V-6 and V-8. The 300 cubic inch V-8 in the winning Buick Special (the lowest priced of all Buicks) and the Buick LeSabre (the lowest priced big Buick) is like a well-conditioned fighter. All muscle, no fat. Weighs in at far less than other V-8's of similar punch. It took every other V-8 in the Economy Run.

Your type of driving—regular gas

The Run was through cities and towns, across super highways, in traffic, out of traffic. This was not race track driving or proving ground driving. This was your kind of driving—even though you can't expect to get as good mileage as these expert drivers in their finely tuned production cars. The distance was 3,243 miles, about what most families log in four months. All three Buicks used regular gas. So the Economy Run is not just a cross country tour for the Mobil people and a few car buffs. It's a reliable test of a car's power team and what it's able to squeeze out of its fuel.

We don't expect everybody to rush out this week-end to buy a new Buick just because we won a few economy trophies. There are so many other good reasons for leaning to Buick that economy usually gets second billing. There's styling, naturally. An unusually great ride. Extraordinary engineering and workmanship. And very young performance. Small wonder Buick sales are running at 11.5% over last year.

But it's nice to get economy as a plus in a Buick. Beyond the dollars saved on gasoline, there's a certain pride in knowing you have a car that's built to get the most out of every tank of gasoline.

Wouldn't You Really Rather Have a Buick?

Pupils Attend Salad Session

By Rosemary Horsley

All girls at HHS were dismissed from classes at 2:30 Friday, April 17, for a salad demonstration.

The demonstration was presented by the Extension Service and Southwestern Public Service Co. Dr. Mina Lamb, from Texas Tech College in Lubbock, was the speaker for the demonstration. She spoke mainly on nutrition in present and future life.

The demonstrations which followed Dr. Lamb's talk were given by Mrs. Marilyn Prickett and Miss Earnestine Gray.

"I thought the talk and the demonstrations were very interesting and educational," replied Carmen Betzen, one of the sophomore girls, who attended.

Silver Jubilee Mass Is Planned

A Silver Jubilee Mass will be celebrated by the Rev. James Salvi on Sunday, April 26th at 10 a.m. at St. Anthony's Church. The Solemn High Mass will be offered for the living and deceased members of St. Anthony's parish. Fr. Timothy Dran and Fr. Cletus McGorry will assist the Jubilarian at the liturgical ceremony. Fr. Angelus Delehaunt, the pastor will give the sermon on the occasion. At 2 p.m. a color film of the celebration which took place in New York will be shown to the members of the parish.

Father James was formerly assistant pastor of old St. Anthony's Church from 1943 to 1949 after which he was recalled to New York to assume duties as a member of the Graymoor Mission Band. During this time he was likewise assistant chaplain at the Prisoner of War Camp situated at that time south of Town. It was after the Italian Prisoners of War had left to return to Italy, that the first Catholic Chapel for the Spanish speaking people was established at the old camp site by Father James.

The visiting clergyman will remain in Hereford for about two weeks after which he will resume his duties on the Graymoor Mission Band.

teachers Meeting is held at 7 p. m.
on Friday.

Here's the Answer

--- deep rooted in God's Word --- *The Book.*
When Sir Walter Scott lay dying — he
called for *The Book*. The servant who best
knew his library hesitated and asked,
"Which Book?" Being the writer and
reader of many books, Sir Walter said,
"*There is only one book for a dying man.*"
Is it not equally true for a living man?
What book compares in value to aid us in
better living? Do you try to find out what
is your highest duty? Do you want
guidance? Do you cherish
peace of mind? Do you seek inspiration?
*Do you really want to know what
life is for?* This man holds *The Source* ---
The Answer --- *The Divine Way.*
Day by day let us enrich our minds,
let us seek from the Bible, wisdom,
and try to understand God's
purpose for us in His World.
See you in church or Synagogue
this week.

GORDON McLENDON

Your candidate for the Democratic nomination for U.S. Senator

BELIEVES . . .

- FOREIGN AID**—Foreign aid should be withheld from all communist-dominated countries. Foreign aid should be maintained in those countries in which we have military bases. In other countries where any aid might be prudent, it should be mainly in the form of surplus agricultural products.
- NATIONAL DEBT**—Government expenditures should be made only from current income in peacetime. An orderly program for retirement of the public debt should be initiated.
- FOREIGN AFFAIRS**—The Monroe Doctrine should be firmly restated and upheld.

GORDON McLENDON
Democratic Candidate
For U. S. Senator

Vote for Gordon McLendon in the May 2 Primary and you'll be proud of your choice

Political Adv. paid for by McLendon Committee, George Sandlin, campaign director

NEW SIZE! More stretch-out room inside! Longer wheel-base! More car for the money than ever!

ADRIAN NEWS

Adrian P-TA Picks Officers

By Ann Beavers

Adrian Parent-Teachers Association met last Monday night and heard a report from the nominating committee, headed by Clara Grubkey. Officers for the coming year will be: Nancy Perrin, president; Jayne Sisk, vice-president; Shirley Betts, Secretary, and Mary Lee Lane, treasurer. They will be installed at the next meeting of the P-TA.

The fourth and 11th grades won the prize from the P-TA for April for having the greatest number of parents present at the meeting.

After the business meeting, the program was presented by Miss Paterson and some of her FHA girls who gave a program on "Wholesome and Happy."

Later everyone enjoyed refreshments. The next meeting will be the final one for this school term at 8 p.m. May 11. Mr. and Mrs. M. H. Zaring and children visited in Sherman recently with the Jimmy Zaring family. Mrs. Sandra Zaring will teach at Erwin this next year.

Presentations of the interscholastic League individual awards was made Tuesday morning in an assembly in the high school. This is the first time the Adrian School has won first place although the school was close last year. This year they won the District 3-B trophy.

Individual awards were presented by Paul Robertson, superintendent of Adrian School, to these pupils: High School: Poetry, Jolene Betts; Reading-writing, Doris Horton; Prose reading, Wayne Whaley; prose, Marsha Byrns; number sense, George Harwood; boys' persuasive speaking, Mike Horton; girls' persuasive speaking, Vicki Burns; per formative speaking, Ima Sue Ferguson, and High School informative, George Norwood. All won first places.

Second-place awards went to Dwight Hayes, high school poetry; Rita Speed, prose reading; Phillis Horton, informative speaking; Ricky Grubkey, ready writing; Gary James, number sense; Gary James, persuasive reading; typing, Doris Horton; junior high poetry, Mike Perry, and Junior high number sense, Gay Brothers.

Third place awards went to Rita Speed, spelling and plain writing; Sue Brownlee, spelling and plain writing; Ricky Grubkey, high school informative speaking, and Linda Pinnell, typing.

Fourth place awards were won by Billy Perry, high school prose, and Mike Perry, junior high number sense.

Second-place award in the elementary classes went to Karla Patterson for poetry. Third place awards in boys' poetry to Wayne Breminman; Fourth place awards to Karla Patterson, spelling and plain writing; Robert Harwood, picture memory; Virginia Montez, spelling and plain writing; Billy Loyd, picture memory; Bruce Kremer, picture memory, and Cynthia Foster, story-telling.

Adrian's final score was 247 points.

Adrian track team, with Coach Mayberry, went to Dumas last Saturday to participate in a track meet. Vega won with 203 points; Adrian scored 78.

Adrian individual winners were:

Pole vault, Mike Horton, 5th; broad jump, James Whaley, fourth; shotput, Billy Perry, fourth; discus, throw, Mac Fortenberry, second; mile relay, Adrian 2nd; 120-yard high hurdles, Mack Fortenberry, fourth; 440-yard relay, Adrian 4th; 100-yard low hurdles, Terry Williams, third; 100-yard dash, Steve Foster, fifth and Arvis

COME ON IN — Alice Martin, daughter of the Rev. and Mrs. James Martin, failed to hit the brakes on this car as she pulled up in front of Gaston's Store Saturday morning. The momentum of the car was stopped partially when the car bent a parking meter. (Brand Staff Photo)

Reeves, 6th; 880-yard run, Harvey Breminman, first; 220-yard dash, Steve Foster, fifth and Arvis Reeves, 6th; mile run, David Whitten, first, and George Harwood, sixth.

A chicken house burned Wednesday night around 10 p.m. at the Ed Kein Estate, south of Adrian. The Adrian Volunteer Fire men kept the fire from spreading to the other buildings.

Mr. and Mrs. Pat Maupin and Troy and Mr. and Mrs. T. H. Shubert visited the Nolan Maupin family in Santa Rosa, and the Lee Maupin family at Ina in New Mexico over the weekend.

Mrs. Nina Collins from Haskell visited the Jim Perrin family this past week.

Mrs. Clara Grubkey attended the banquet of the Eastern Star in Amarillo Saturday night.

The Adrian athletic banquet was held in the gymnasium Friday night. Invocation was given by Loren Creitz and the welcome was by John Horton, the P-TA president. Master of ceremonies was the Rev. B. J. Foster. Entertainment was by a trio of girls from Hereford; they were Barbara Langley, Mandy Moore and Sharon Tinnen with their accompanist, Gerald Martin. They sang several numbers.

The decorations were spring flower baskets hanging from the ceiling and baskets of flowers on the tables, with maroon and white, the school colors in the background. The speaker was Ruben Shantz, a former coach. The awards were presented by the coaches.

Linda Pinnell and Harvey Breminman crowned the kings and queens. Junior high king and queen were Roxann Brownlee and Stanley Heaton. High School king and queen were Corralie and Mack Fortenberry.

Following the banquet a dance was held in the gymnasium.

Messenger Club Members Have Salad Luncheon

A salad luncheon and exchange of recipes were held April 9 by members of Messenger Home Demonstration Club to the teen-agers.

The First Baptist Church of Adrian has entered the 1964 Texas Baptist Church Development Program, the pastor, Dave Sellers, announced this week.

Sponsored by the Baptist General Convention of Texas and the Home Mission Board of the Southern Baptist Convention, the plan is to stimulate interest in the church work.

Each participating church selects projects relating to the local church, the local community, and world-wide missions. An inventory questionnaire furnishes the suggestions for projects such as leadership training, community religious services, and world-wide missions. Finis Brown, Horace Betts and Bob Caldwell are committee chairmen for these respective areas.

Pastors recognized for their achievement receive a parchment scroll and churches recognized for their achievement receive a plaque. A Record of Progress book is made under the direction of a special committee. The books are the basis for judging. Roy A. Lambert, secretary of Direct Missions of the Baptist General Convention of Texas, in charge of the Church Development Program, is responsible for the ministry. He said "Total enlistment of a church's membership in Christian service is the primary aim and value of the Church Development Program."

The Baptist Church has begun a study of other denominations and religious groups on Sunday evening. The first study was of the Methodist Church. This Sunday evening study was followed Wednesday with Rev. B. J. Foster, pastor of the Adrian Methodist Church, as guest speaker. Mr. Foster brought an informative and interesting presentation of his church's faith and practices.

in the home of Mrs. H. D. Buse. Each person brought a favorite salad for the buffet luncheon.

Mrs. Elmer Northcutt conducted the business meeting. Recipe books were distributed by Mrs. N. A. Brown, and Mrs. Buse gave each person a telephone and address book from West

Texas Rural Telephone Company.

Those present were Mrs. Brown, Mrs. Elton Sorrells, Mrs. Jerry Northcutt, Mrs. S. N. Thweatt, Mrs. Elmer Northcutt, Mrs. Ruth Coleman, Mrs. G. E. Pinkerton, Mrs. Bertrian Jack, and a guest, Mrs. Bruce Cole.

YOUR PLYMOUTH DEALER IS HAVING A RED HOT SUCCESS SALE

NOW

ON THE TEST TRACK CHAMP

Recently a showroom Plymouth, equipped with a standard V-8, beat Ford and Chevrolet in ten out of ten tests at Sebring, Florida. Tests of performance, handling, braking and gas economy. Tests of the "things you buy a car for."

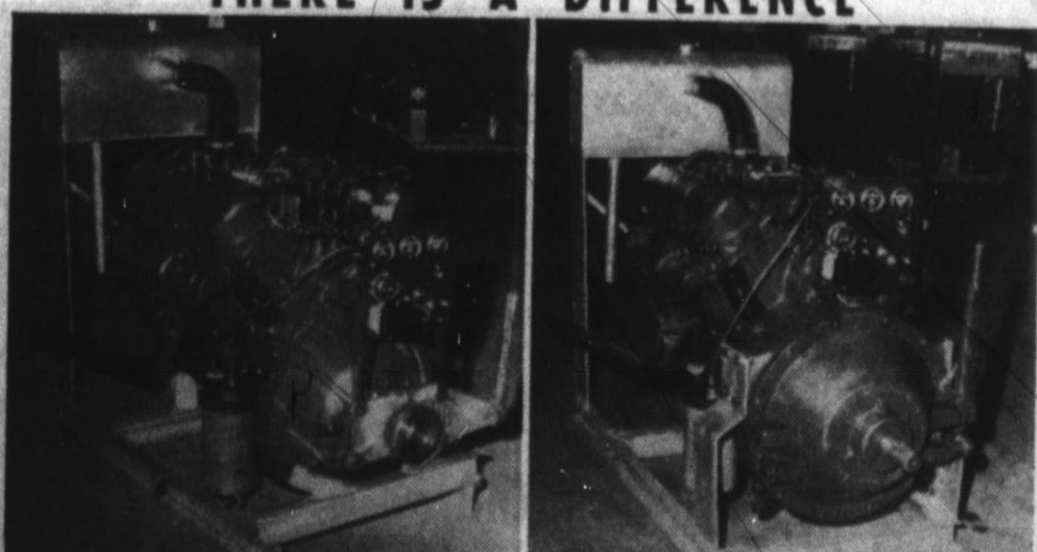

Now your Plymouth Dealer is having a "success sale" on the same model Plymouth (and other models, of course). He's dealing like it was midsummer. And right now trade-ins are worth more too. Get up and go see your Plymouth Dealer.

At Plymouth's request, Nationwide Consumer Testing Institute bought the comparably equipped V-8s directly from dealer showrooms, hired the drivers, supplied the officials, made the runs and supervised the entire competition. See your Plymouth Dealer for details of "Test Track, U.S.A."

REP. ROGERS WRITES

Water Use Gains; Problem Looms

We Americans now use more than 300 billion gallons of water each day — about one-third of the average daily streamflow in the United States, exclusive of Alaska and Hawaii. Our water requirements are expected to double by 1980, to triple by the year 2000. As population increases and industrial demands grow, water problems — which exist in some form in every part of the United States — are becoming more acute. And the challenges posed by these problems must be met.

We of the Texas Panhandle, are as "water conscious" as any regional populace in the Nation. Rain, or its absence, has a dramatic way of affecting our lives and our fortunes. And certainly the citizens of some 10,000 American cities who each summer experience "waterless" days when reservoirs or ground supplies run dry, are well aware of our water problem.

But many of our fellow citizens do not as yet realize the extent of the problem; many city dwellers assume that water is as freely available as is the air they breathe.

The problem we face in the United States is to make the best possible use of the "manageable" water supply available to us. If the total quantity of rain and snow that falls on the United States in an average year were spread evenly over the country, it would stand 30 inches deep.

But of that 30 inches, 21 inches return to the atmosphere. Our "manageable" supply consists of the 9 inches that drains from the land or seeps into the ground. From this supply, we now withdraw about 3 inches of water — of which, after use, one inch returns to the atmosphere and 2 inches return to the stream network.

Of that 3 inches we use from the supply available, we obtain about 80 percent from lakes and streams and the other 20 percent from wells. Clearly, if we are to provide for the needs of the future, we must find ways to increase our ability to take larger amounts from the 9-inch total potentially available.

Obviously, national averages such as cited above are misleading. As we of the Texas Panhandle know only too well, some areas of the country receive more precipitation than others. The problems, thus, differ from one area to another. In one part of the United States, the main problem may be supply.

In another, distribution of an abundant available supply

may be the difficulty crying for a solution. Other major problems are variability in the amount of the supply, chemical and sediment control, pollution control, and floods.

In some areas, particularly in the Western United States, a combination of these problems heightens the challenge. In some areas, as most Westerners would quickly recognize, the total problem could consist of these factors: short supply, variability in the supply, distribution of the water available and control of chemical and sediment deposits.

To meet the demands of the future, federal, state, and private water resource development programs concentrate on five specific kinds of activity: regulating streamflow through the construction of surface reservoirs and through watershed management; more adequate pollution abatement programs; making better use of underground storage; eliminating wasteful practices to make some efficient use of the supply; increasing the natural water yield by desalting, weather modification, and other artificial means.

With all the competing uses for our limited natural water supplies, we must learn to conserve, use, and re-use with utmost efficiency, and find ways to increase our supplies. We must increase our understanding of the role of water in its many uses and to explore new ways of conserving precious water supplies and using them to the best advantage. Research, like that conducted at the University of Texas, is most important.

Increasing demands placed upon our limited water supplies have brought about conflicts in water development activities and a competition for funds. The primary need at the present time is for some better means of orderly planning, coordinated effort, and a sensible division of responsibilities.

The development of a water program for Texas, which is shifting from a dominantly rural economy to a dominantly urban and industrial economy, involves water for humans, cities, industry, agriculture, the control of floods, generation of hydro-

Mrs. Vaughn Presents Program On Hair Styling

Hair styling was discussed by Mrs. Wood Vaughn during the April 14 meeting of West Hereford Home Demonstration Club in the Flame Room, Pioneer Natural Gas Company.

Basing her remarks in part on an article in Woman's Day magazine, Mrs. Vaughn explained choice of the correct hair style, care of dry and oily hair, and methods of brushing and grooming after permanents. She warned that too much teasing tends to split the ends of hair and advised using mild coloring solutions.

Mrs. E. B. Mosley was presiding officer. Members responded to roll call with grooming hints. Mrs. Carl Schroeder gave a report on the district meeting in Perryton and the election of Mrs. A. E. Hodges as District I director.

The recreation, a guessing game on birthday stones for each month, was led by Miss Evelyn Bell. Mrs. Vern Witherspoon won the hostess gift. Hostess was Mrs. M. J. Koelzer.

Others present were Mrs. Mosley, Mrs. W. J. Frost, Mrs. W. H. Awrey Sr., Mrs. Blanch Harden, Mrs. Tresia Shirley, Mrs. Carlos Vaughn, Mrs. Wood Vaughn, Miss Bell, Mrs. Vida Jacobsen, Mrs. Schroeder, Mrs. Witherspoon, Mrs. W. A. Waters, Mrs. Alice Swigart, Mrs. Mary King, and two visitors, Miss

electric power, providing for navigation needs, providing water-oriented recreation opportunities.

In the planning of proper development of such a program, and in carrying it out, coordination and cooperation are absolutely essential between the Federal, State, local and private agencies and groups concerned with finding proper solutions.

Conflict over water resource development is a luxury the United States cannot afford. WALTER ROGERS MEMBER OF CONGRESS 18TH DISTRICT OF TEXAS

Engagement Announced

Mr. and Mrs. E. B. Balsden, Turkey, announce the engagement of their daughter, Marsene, to Clesby L. Patterson, Fort Polk, La. A May wedding is planned.

Miss Balsden, a graduate of Turkey High School, attended Draughon's Business College, Lubbock, and is with Simpson Chevrolet, Silverton. Her fiancé, the son of the Rev. and Mrs. Clesby Patterson, Hereford, is serving in the armed forces, stationed at Fort Polk. A graduate of Merkel High School, he attended West Texas State University and North Texas State University.

Vicky Koelzer and Mrs. Paul Jones.

The next meeting will be April 28 at 2:30 p.m. in the Flame Room, with Mrs. N. E. Gass as hostess. The program will be on foods and nutrition.

Prepare Service For Convention In Amarillo

Following a dinner and a social hour, members of Patriarch Militant Canton and Auxiliary No. 36 held a joint meeting April 17 in Oddfellows Temple. Captain Sam Smith and Lady Nellie Beauford presided.

Members practiced the memorial service they will present April 25 at 9:30 a.m. during the IOOF Association meeting to be held in Amarillo April 24-26.

Those present were Nellie Beauford, Anna Conklin, Ruth Rogers, Lydia Hopson, Ona Berry, Mae Smith, Leona Love, Alta Davis, Ursalee Jacobsen, Roberta Combs, Ada Hollibaugh, Anna Mae Houston, Sam Smith, R. E. Barrett, Archie Love, Ben Conklin, Tom Berry, A. R. Rogers, A. N. Hopson, and Floyd E. Houston.

Members of Bud To Blossom Club Plan May Events

Mrs. Bill Nelson was hostess for the April 17 meeting of Bud to Blossom Garden Club. During the business meeting, conducted by Mrs. Don Steele, members planned a workday at King's Manor, a pilgrimage to Boys Ranch May 1, and an installation luncheon May 15.

The culture of delphinium was discussed by Mrs. E. R. Kendall. She explained that the plant was named because of the resemblance of the buds to the dolphin and that the annual variety is called larkspur. Blue is the most popular color, she continued, but there are also shades of white, lavender, and pink.

Mrs. Kendall recommended the delphinium as a background for roses. She advised fall planting with good drainage and staking to avoid wind damage. The dead spikes should be cut to the ground and the plants mounded with sand for the winter.

Those present were Mrs. Steele, Mrs. Lloyd Sharp, Mrs. Sam Long, Mrs. Kendall, Mrs. Delmo Williams, Mrs. R. N. Yarbro, Mrs. Calvin Edwards, Mrs. Fran Battenfield, Mrs. R. A. Daniel, Mrs. Ira Scott, Mrs. T.J. Kelly, the hostess, and a visitor, Mrs. Ray Brown.

when you call Grandmother

...YOU DON'T EXPECT TO REACH TIMBUKTU

Naturally, when you call Grandmother's phone, that's the one you expect to get, and you do. But that's not as easy as it sounds.

Your call must work its way through all sorts of interconnections, wires, cables, switches and so forth until, finally, it picks the right phone out of some 83 million in the U.S.

Yet, out of all the possible chances for mistakes, your call goes where you send it . . . in town or out-of-town, to Grandmother, wherever she is. This sort of reliability is the result of service improvements that keep increasing the convenience and personal value of your telephone.

SOUTHWESTERN BELL

Making telephone service better to serve you better

Know Your Candidate

GORDON McLENDON Democratic Candidate For U. S. Senator

Gordon McLendon, 43, is making his political debut as a candidate in the Democratic primary on May 2 for nomination as United States Senator.

He lives in Dallas, is a veteran of World War II, and has extensive business interests.

Early in his career he became known to radio listeners as the "Old Scotchman" through his broadcasts of major league baseball games and other features.

McLendon was born on June 8, 1921 in Paris, Texas. His father, Barton R. McLendon, a lawyer, operated a group of motion picture theaters in East Texas, Southern Oklahoma and Louisiana. After graduating from high school in Atlanta, Texas, McLendon attended Kemper Military School in Booneville, Mo., and was graduated from Yale University with a Bachelor of Arts degree.

During World War II, he was a naval intelligence officer

in the combat area of the South Pacific.

In 1943, he married Gay Now, daughter of former Louisiana Governor James A. Noe. The McLendons have four children: Mrs. Kenneth D. Starnes Jr., Austin resident and University of Texas student; Gordon B. Jr., student at Cate School, Carpinteria, Calif.; Kristen Margaret, 13, and Anna Gray, 12, both students at Hockaday School in Dallas.

The McLendons are members of the Methodist Church, and he is a former member of the Board of Stewards of the Highland Park Methodist Church, Dallas.

After leaving the naval service in 1945, McLendon and his father formed a business partnership, principally in the broadcasting field. Together they own and operate radio stations in Dallas, San Antonio, Houston, Buffalo, Chicago and San Francisco. They also share interests in motion picture theaters, film production, oil and real estate.

In 1961 McLendon was appointed Honorary National Commander of the Annual VFW Poppy Drive and the same year was selected as one of America's outstanding young men by the U. S. Junior Chamber of Commerce. He presently is a sponsor of the Chinese Refugee Relief, a nationwide charitable project. He also is an advisor in communications matters affecting the Peace Corps.

McLendon has served as a member of Gov. Price Daniel's Water Development Committee and board member of the Texas Law Enforcement Foundation. He is a member of the board of the Richmond Freeman Memorial Clinic, the Dallas Theatre Center, the Dallas Symphony Orchestra, the Dallas Services for Blind Children, and the Variety Club of Dallas. Twice he has been president of the latter group.

March Accidents Caused \$3600 Damage, Says DPS

Seven accidents in rural Deaf Smith County in the month of March resulted in \$3600 damage and seven injuries, according to Sgt. W. E. Wells, patrol supervisor of the Texas Highway Department for this area.

This comes close to the Swisher County figure, which was \$3575 damage with two persons injured. Castro County's accidents resulted in three injuries and \$3000 damage.

Parmer County tops them all with \$19,365 in damage, but had

only three injuries. Potter County had seven injuries and \$5960 worth of damage, and Randall came out with four injuries and \$6965.

Sgt. Wells stated that April is a good time to remind motorists, pedestrians and all street and highway users about the importance of knowing and obeying traffic laws. This is especially true since soon thousands of motorists will be breaking away from the restraints of winter to take weekend drives and trips. Also showing up will be bicycles, roller skates, scooters and little red wagons — all of which make added danger on our streets and highways.

Many of the motorists will lessen their attention from their job of driving in order to con-

centrate on just plain pleasure, which can lead them into traffic violations. These motorists may possibly forget that increased violations of traffic laws lead to accidents and deaths.

Look Who's New!

Mr. and Mrs. Noel Dwain Worley are the parents of a daughter, Carie Meshel, born April 14 at 12:30 p.m. She weighed 7 pounds and 8 1/2 ounces.

Mr. and Mrs. Myron Eldon Morgan are the parents of a son, Charles Neal, born April 15 at 2:46 a.m. He weighed 6 pounds and 3 ounces.

Mrs. Packard Discusses Care, Styling of Hair

"In order to have beautiful and well-groomed hair, care is most important, because the most beautiful hair styles cannot hide dull, lifeless hair," Mrs. Charles Packard told members of Wyche Home Demonstration Club as she presented the program on hairstyling Thursday.

The club met in the Community Room at First National Bank. Mrs. G. W. Duncan was hostess, and Mrs. Norman Hodges, vice-president, was presiding officer.

Others present were Mrs. Leroy Bodkin, Mrs. H. R. Short, Mrs. L. B. Worthan, Mrs. E. C. Hewitt, Mrs. Claude Dameron, Mrs. Packard, and a guest, Mrs. Don Cocanougher.

More children — some 4900 — will die of cancer this year than from any other disease. Some of these children could have been saved through earlier diagnosis and prompt treatment. Others could not. Support the wamercia Cancer Society's research program in the hope that eventually all children will be saved from death from cancer.
