

Mrs. Prowell Receives Honor At FHA Meeting

Mrs. Dorothea Prowell, home-making teacher of Hereford High School, and three high school

students were especially honored at the state Future Homemakers of America meeting in Austin last weekend. In a special citation Mrs. Prowell was awarded an honorary membership in the Texas Association of Future Homemakers of America. The certificate stated that the award was made "in recognition of outstanding

service to vocational homemaking education and the Future Homemakers Association of America."

Kathy Boston, as outgoing area president of the FHA, assisted in installing the new state officers. Named to another position of responsibility, Kathy was selected to participate in the State Attorney General's Youth Conference to be held in July.

In recognition of their superior progress in homemaking, Linda Tooley and Lou Ann Witkowski won the trip to Austin to receive the State Degree of Achievement—a special certificate—and torch pin guard, the symbol of the award.

Mrs. J. J. Durham, homemaking sponsor, Mrs. Jay Boston and Mrs. Shirley Garrison also accompanied Mrs. Prowell and the 11 girls to the state meet.

Other FHA girls who represented the high school were Kaki Barnard, Royce Ann Gilliland, Patsy Stone, Jana Cole, Cindy Loerwald, Shirley Simpson, Sharon Garrison, and Christa Holz.

The band has fun!

Youngsters in the band have more friends, get healthy exercise. They learn coordination. They learn self-confidence. They learn that they can do something and do it well. They belong to the band — and they belong to the wonderful world of music. They learn to appreciate the things money can't buy. A child develops respect for fine things, a respect for accomplishment. He develops his own abilities. The band has fun today. In the tomorrows to come, your child will find inner happiness and outer success by being part of the band.

Thanks, Folks!

I am indeed grateful for the vote of confidence that you gave me in Saturday's Democratic Primary Election. I will do my best in the future as in the past, to represent all the people and do the job to the best of my ability. Again, may I say "Thanks". Your support was very much appreciated.

the house for many more years. I want to put it in a museum in Hereford where it will do the most good for our kids. I have museums in New York, Los Angeles, Bay Pauls, Mich., and Spokane call me very often wanting this stuff. "Over 6,000 pieces of my stuff are at the Texas Christian University Museum. I don't have any children or grandchildren in Deaf Smith County, but I feel real close to all the kids here and I want them to get the educational value which can be derived from this material." Elliston studied at Texas Christian University for two years. His main interests at that

time were geology and archeology. He was born in the Cherokee Strip in Oklahoma in 1885, near Enid, Okla. He began collecting relics and arrowheads when he was 7 years old. "I saved some of the stuff my mother gave me, which I saw very little value in then. One of the items was a quilt which has more than 10,000 pieces in it. Another item was a chair which was brought from Kentucky in 1838 by my grandfather," Elliston continued. "I have four or five arrowheads which are valued at more than \$1,000 each and some of the other stuff may be more valuable than that." "I wouldn't even try to set the value on all of my collection, their but I know even a 'poor old horse thief' I am, I wouldn't take \$20,000 for it." "I just don't want this collection, or any other collection, to leave Hereford. I don't think anyone should be dollar-minded about this when the educational aspects of our children are involved. Let's all get busy and find out what we have in this county and see if we can't put it some place," Byrle concluded.

not effect those who are already receiving water and sewer service. The commission voted unanimously to annex Crestlawn Addition and they approved the plat and field notes and voted unanimously to annex Northdale Addition. In other business the commission approved the purchase of a tapping machine to allow water taps to be made on 8 inch water lines in the city. At present the city is using the Amarillo machine and operators at a cost of \$50 per tap. This operation can only be done on Saturday due to the availability of the machine. The cost of the machine is approximately \$1700. The commission authorized Mayor Cowser to advertise for bidders to install heating and air conditioning units for the second floor of City Hall. The commission considered the possibility of raising trash-pick-up rates within the city and the discussion was tabled, pending further study by the city. The problem of controlling the dumping of trash at the city dump ground was discussed in length, but no action was taken by the commission. The first item of business was to canvass the election returns for the recent election held for city commissioners. The annual water department report was received by the city and the text of the report was explained by City Manager Dudley Bayne. The complete list of the equipment used by the water department was listed in the report. The wells, their location, capacity and the dates they were drilled are listed in the report. Another portion of the report shows a comparative listing of prices charged for water in other Panhandle cities and Hereford charges one of the lower rates. Newly elected Commissioner Albert Maxwell attended his first meeting in that capacity Monday evening. Commissioners Lloyd Sharrp, Gid Brown and W. L. Davis Jr. attended the meeting. Mayor Cowser, Manager Bayne and City Attorney Earnest Langley were all in attendance.

The first item of business was to canvass the election returns for the recent election held for city commissioners. Sandi Says...

By Sandi Thomas

Well, last weekend seemed to be a pretty big one as far as out-of-town events go!

Jo Poarch went to Guymon, Okla., for a double-header in rodeos. Last Thursday night, she won a belt buckle for first place in the Little Britches Rodeo. In the other rodeo, Jo split a third and fourth in the first go-round, split a third in the second go, and split a second in the third go. About this splitting, Jo!!!

At the Adrian Junior Rodeo, Hereford "sacked 'em up and wiped 'em out!!!" Dan Thomas came home with a second in the average in both bull riding and bareback riding. He won the second go-round in the barebacks. Debbie Thomas won the average as well as the second all in pole bending. Edward Allison placed first in the second go and won the average in ribbon roping. David Hill won the average in tie-down roping. Also entered there were Karen Blackwell, Stan Sigman, Mike Moore, Jackie Andrews, Mike O'Conner, Dick Lookingbill, and Yours Truly.

Our own HHS band did an outstanding job last weekend in Enid, Okla. The brass sextet, composed of Jerry McCathern, Pat Maxwell, David Marcontell, Joel Williamson, Jack Aikin, and Lonnie Coker, rated a "T". Roger Suttle, Tim Jones, Patsy Stoy, and Kay Reeves, making up the clarinet quartet, rated "T". The horn quartet, made up of Doris Parsons, Barbara Moody, Virgil Barber, and Kerry Thomp-

Calliopian Club Names Officers Hears Reports

Calliopian Study Club held its April 23 meeting in the home of Barbara Beene. Elizabeth McDowell presided at the business meeting for the reading of the constitution and by-laws, the presentation of committees' annual reports, and the election of new officers.

In a brief program Elizabeth McDowell then read excerpts from "Light From Many Lamps."

Other members present were Audine Dettman, Laura Milburn, Margie Mims, Marye Frazer, Wilma Nobles, Ina Mae Gilbreath, Teddy Alexander, Zella Mae Crump, Kitty Gault, Gerry Grubbs, Sue James, Helen Langley, Hazel Messick, and Vida Owen.

For the closing social of the year, the club will meet Thursday in the home of Elizabeth McDowell.

son, rated "T".

In the solos, Pat Maxwell, Jack Aikin, Kerry Thompson, Lonnie Coker and Roger Suttle all made ones. Steve Thornton, Jerry McCathern, and Steve Knox were rated twos. On the whole, the band was given an "Outstanding" trophy in concert as well as street parade marching in Class A. They were rated a "T" in marching and a "II" in sight-reading. Good work, people!!! While at Enid, they saw the sights and listened to concerts. At the Grand Concert, they were honored to listen to the world premier of *To This Our Country*, written and directed by Frank Ericson of New York.

Last Friday night, Sharon Tinnin was the hostess of a surprise birthday party for Nancy Tyler. Those surprising Nancy and then going out to eat were Sharon, Barbara Langley, Cynthia Leasure, Sid Bayne, Debbie Beene, Cheryl Edmonson, Donna Williams, Judy McCarver, Janice Hagans, and Linda Hart. Happy Birthday, Nance!!!

Jerry McCathern is the proud owner of a new '64 Dodge Dart. It's a classy red with a black interior. Beautiful, no ?!?! Last Thursday, FHA girls left

for the state meeting in Austin. Going as high point girls were Kathy Boston and Royce Ann Gilliland. Others who went were Kaki Barnard, Patsy Stone, Cindy Loerwald, Jana Cole, Linda Tooley, Lou Ann Witkowski, Sharon Garrison, Shirley Simpson, and Christa Holz.

Last Monday night, the officers of Chapter I and Royal Rose chapter were installed. The formal installation took place at the First Methodist Church.

Last Saturday the baseball team played Clovis to defeat them by a score of 15 to 7. Gary Stagner, Steve Hodges, Eugene Green, and Lynn Cook all hit home runs. Good game, boys!

At the Red Cross talent show last Tuesday, Suzanne Seigler won first place with her song. Neal Lueb was master of ceremonies. Second place went to "The Scavengers", composed of Joel Lytal, Richie Albracht, Stan Kropff, and Jim Haney. LaReece Askew won third with a reading. I must admit, there was a great amount of talent!!!

In the ping pong tournament Tuesday, April 28, Mandi Moore won first in the girls' singles; Carol Skypala won second. In the boys' singles, Keith Betzen came in first; Steve Elliot, second. First place in the mixed doubles went to Roger Owen and Mandi. Second in the mixed doubles were Linda Hart and Mike

Ferguson. Gayle Newell and Carol Skypala won first in the girls' doubles. Second in the girls' doubles went to Linda Hart and Barbie Rhodes. First in the boys' doubles went to Mike Ferguson and Danny Cates. Jimmy Young and Roger Owen won second.

That's it for this week!

Homemakers Plan 'College' Course

By Argen Draper
The School of Home Economics at Texas Tech and the Extension Service has planned a Homemakers College for young homemakers in Lubbock. This will be a five-day course with

young homemakers who are 35 years of age or under and who are members of the Texas Association of Young Homemakers or Texas Home Demonstration Clubs.

The emphasis on topics are "Buying and Using Present-Day Fabrics"; "Housing for Family Living"; "Nutrition of Family Health"; "Understanding Children"; "Planning the Use of Family Money"; and "Simplifying Household Tasks".

Ideas and inspiration will come from experienced teachers but with no exams and no grades; young homemakers can be college students for a week. This is a fine opportunity for young women and it is hoped that a large number of folks can attend. Call the Extension Office, the homemaker teachers or Mrs. Kenneth DeHart for details. There is a sheet with the information and a registration form.

This is Soil Stewardship Week. The opening statement of the leaflet given at the local churches Sunday: In the great society of mankind, each

of us has a God-given purpose for being. In our time each among us fulfills a mission in the long procession toward the ultimate design of our Maker. To each among us, God has assigned a share in the expanding brotherhood of stewards. It is a membership of service, dedicated to the husbandry of lands and water, forests and ranges, and the fish and game He has placed at our disposal.

The leaflet on Soil Stewardship Week is really good for everyone to read and meditate.

Home Demonstration clubs are meeting this month with two fine programs.

Home Management and Health and Safety are the programs. There are two business papers. I wish were in the possession of every person in Deaf Smith County. One is a birth certificate and the other a will. Having both would put family business in better condition. Some of the clubs are having guests for programs on Traffic Safety.

It's time to store winter clothing and covers for the summer. Proper cleaning, labeling and storage will assure that garments will be in good condition and easy to locate when the first norther comes next fall. If storage space is limited, you may want to consider taking all woolen items to a professional firm for cleaning and storage. Near-zero temperature will destroy clothes moths in all stages of their development.

Make a list and jot down the items stored and the value—one should be for your file and one for the cleaner. If it is stored at a cleaning establishment, you may give your own woolen clothing the cold treatment if you have enough space in your home freezer. First, clean the garments, seal them in heavy paper, and store in the freezer for 24 hours. Then store in a closet, being sure the seal remains unbroken. All clothing should be cleaned before storing—whatever the fabric. The storage space should be clean, free from all dust and sprayed for protection from household insects.

Woolen blankets or other woolen covers should be cleaned and sprayed with a moth spray, if not previously moth-proofed. There are many good sprays on the market but read the labels carefully before buying and using the moth spray.

A release from College Station: Research shows that a high percentage of boys and girls have troublesome foot defects by the time they graduate from high school. This word comes from Dr. Graham Hard, Extension clothing specialist at Texas A & M University, who says that many of these defects

NEW WINDOWS — New windows being installed on the second floor of the city hall went up rapidly this week. This window is in the chief of police's office. The new windows will allow the building to be centrally heated and air conditioned at less expense. (Brand Staff Photo)

could be avoided if children wore shoes and hosiery that fit properly and were of the correct type.

Recent studies by the National Foot Health Council show that 85 per cent of the girls and 65 per cent of the boys develop these foot defects by the time they finish school. The foot is not completely formed until after age 18, therefore, it is not just the very young who can easily damage their feet, Dr. Hard says.

Most foot troubles are caused by wearing improper and poorly fitting hosiery. The next most frequent cause of foot ailments is the wearing of outgrown shoes. Results are that children develop deformities of

the toes, weak feet, and large joints.

Hosiery, important to foot health since the shoe cannot generally be laundered or cleaned, should be of a yarn that has a three-fold capacity of high absorbency and is at the same time adequately porous to allow air to circulate around the feet. Also, seamless hose bind fit as seamless hose tend to crawl to the heel. For women who have tired feet full-fashioned hose are more comfortable.

TURBO JET AUTOMATIC CAR WASH (coin operated)

TURBO JET CO., INC. has revolutionized the car wash industry in developing a new type coin-operated car wash. The factory has developed a three-in-one combination machine that soaps, rinses and dries off an automobile while the car stands still. It is the only ceiling suspension automatic car washer of its type in the world. We install the machine in such places as super markets, parking lots, shopping centers, discount stores, large apartment buildings, super gas stations and motels. We have a firm commitment for the installation of these machines on the premises of the leading motel chain in the country. These franchises are now available in your local or regional area. Previous experience is unnecessary. We install the equipment and help provide good locations in high volume areas, local city or statewide franchises are available at this time. However, some major cities in your area may have already been franchised.

If you are sincerely interested in a money-making business the amount of investment required is from \$4,000.00 up. As for city and statewide distributors, financing would be available. The manufacturer of these machines has been in business almost 40 years. Only high quality individuals or companies need apply. Write our company and give a brief resume of yourself. We will arrange for a personal interview in the very near future.

FOOD BUYS

All that we are and all that we hope to be we owe to our shopping mothers. And inasmuch as Sunday is Mother's Day, we're expressing our thanks to them with storewide special values to ease Mom's budget, please her purse and serve her purpose. In fact, this is the way we say "Happy Mother's Day" every day of the year - and that's why so many happy mothers shop here for all their family's favorite foods.

MOM WON'T HAVE TO WASH AS MUCH
With The **ALL NEW Norge 14** FLEXI-LOAD

NOW! WASH A 14-LB. HAMPERFUL OR A 2-LB. HANDFUL WITHOUT EXTRA SMALL LOAD ATTACHMENTS!

The largest tub of any washer gives plenty of room for 10 full size sheets to turn and tumble, get really clean. With Norge Flexi-Load the water level is adjustable for any load from 2 to 14 lbs. - you use only the water you need.

This extra-big agitator is the "heart" of the new Norge 14. It gives a superior washing action that assures you of a cleaner wash even with biggest loads. Specially designed agitator vanes save wear on your clothes.

New slanted control panel and big, easy-to-read dials let you make settings without bending or squinting. And a new tub light completely illuminates the inside of the tub. Dirty socks can't hide.

With the Norge 14 there's a bigger and better lint filter; a timer that lets you pick a regular, gentle or soak cycle; three wash water temperature choices and two for rinses. A new side-opening lid gives you extra working space. Better see the Norge right away.

Prices Start At **\$209⁹⁵**

God's Soil

...and it's time to conserve it... time to save it! It is evident, when we witness the increased destruction of timber lands, national cover crops and wide-spread erosion. *America needs a national Save-The-Soil-Week.* It is urgent that we treat Mother Earth with greater respect and appreciation. We must give back to her as much as we take away. There's no better time than during National Save-The-Soil-Week, to come to a full realization that "The earth is the Lord's and the fullness thereof." We are stewards, appointed by God, to look after the earth He gave us. It is time to renew your faith in God and the Good Earth.

PTO Honors Faculty At Central School

Central School Faculty were honored with an appreciation dinner by the Parent-Teacher Organization at the school on Thursday, April 23.

Philip Shook, principal, awarded service pins (for 10-25 years)

to the following teachers: Mrs. Mary Carter, Miss Lucy Givens, Mrs. Helen Coffman, Mrs. Lucille Smith, Mrs. Frances Shaw, Mrs. Hazel Bruner, and Miss Mary Brady.

Mrs. Hattie Fore was presented a service pin for 10 years' service in Central Cafeteria. Special resolutions of appreciation went to Miss Mary Brady and L. C. Thomas, past principal at Central.

All these awards were made on behalf of the school board for the teachers' continuous service in the Hereford school system.

Mrs. A. E. Hodges presided at the election of new officers for next year. To be installed are Mrs. Clark Andrews, president; Mrs. M. C. Adams, vice-president; Mrs. Julian Johnson, 2nd vice-president; Mrs. Avis Northcutt, corresponding secretary; Mrs. Billy G. Cotton, treasurer; Mrs. Clinton Ward, recording secretary; Mrs. A. E. Hodges, parliamentary; Mrs. Bud Cawthon, historian; and Mrs. Arthur Fuston, reporter.

About 100 parents and children enjoyed this occasion and the dinner music by Jo Ellen Hamilton.

The Chicago Bears led National Football League teams in interceptions last season with 36.

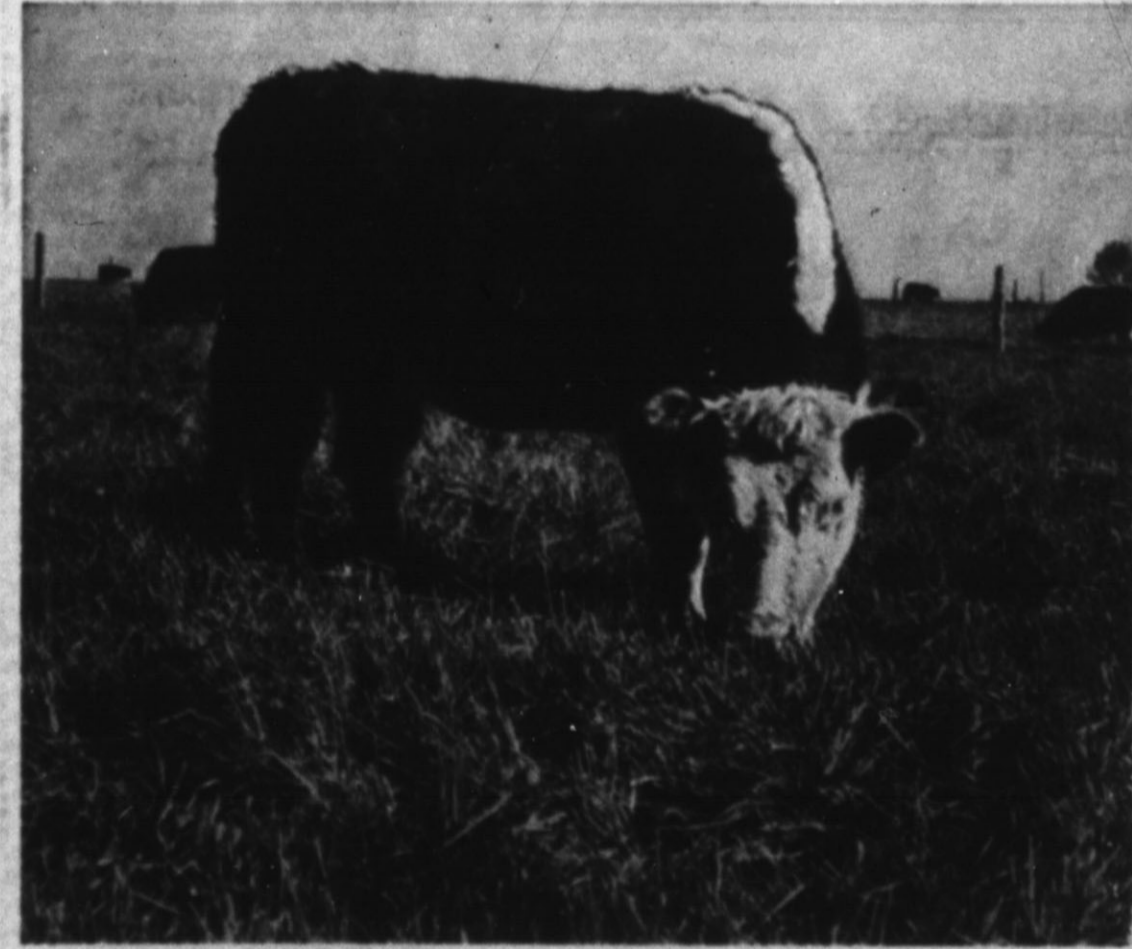

TEACHERS HONORED.—Members of Central School Staff who received pin awards for 10-25 years continuous service to Hereford School System are, front row left to right, Mrs. Hattie Fore, Mrs. Lucille Smith, Mrs. Frances Shaw, Mrs. Mary Brady, back row, 10-25 years continuous service to Hereford School System are, front row left to right, Helen Coffman, and Mrs. Mary Carter.

TOPDRESS PASTURES WITH "MR. GREEN" 30-10-0 AND GROW YOUR OWN FEED!

Would you like to double the forage yield of your pastures? The chances are good that you can do it with just one application of fertilizer!

This time of year it is important to see that your grasses have plenty of nitrogen, and a little phosphorus to boot. That's why we recommend an application of Spencer "Mr. Green" 30-10-0. Contains 30% nitrogen and 10% phosphorus. Top-dress your pastures with 300 pounds per acre, and see the results.

Tests at state experiment stations show that cattle grazed on well-fertilized forage alone have gained weight at a cost of less than 10¢ a pound. Drylot feeding often costs 2½ times that much!

That's why we say, "Grow your own feed with Spencer 'Mr. Green'!" See us for further details about pasture topdressing.

Citizens Need To Use Their Opportunities

Editor's Note: Members of the Dawn Boys 4-H club have been writing essays on citizenship. This one, which was written by 14-year-old Tommy Betzen, deals with the opportunities which a citizen should take advantage of in our country.

A country is as strong as its citizens. The duties of a citizen are described as: loyal compliance with the laws of the country, its support by taxes, and in time of war, military service. These duties can be described more fully.

We can be good citizens by developing ourselves physically, mentally and morally. We should build strong bodies with whole-

some food, healthful exercise, and proper rest.

We should develop our minds by learning as much as possible of what is presented to us at school by our teachers, at home by our parents, and through good reading and listening.

We should always be reliable so our word is our bond. We must be honest in all practices whether or not this honesty will be observed. For a person to acquire citizenship by naturalization, he must be of good moral character.

This is just as important for natural born citizens, so that immorality never saps our nation's strength.

We must be industrious. We are a favored generation. Our forefathers had to fight for freedom, leave their homes, and tame a wild country, and here it is for us to enjoy and profit by.

We should use our youth, health, and opportunities to acquire what we desire and not feel that the world owes us a living. We should also remember that things of culture and beauty are as important as things of monetary value.

We must be thrifty. Resources are here for us to use, but never to waste, even if we feel there are more natural resources than we will need in our lifetime. It is our duty to conserve what we don't need for future generations.

Where possible, such as with forests, we must replenish what we use. Most of us as young farmers already have the opportunity to not waste irrigation water and fertile top soil. We should appreciate the privilege of being born citizens of the greatest country in the world. We should have pride in our country, respect for its officials, and love for our flag.

A person who acquired citizenship by the process of naturalization is very proud and appreciative. We should not take the gift of citizenship for granted.

If we each, as individual citizens, live up to the ideals described, we will be serving our country well. A nation made up of this type of individuals will always remain strong.

Aquatic duckweed plants, submerged in water, rise to the surface in springtime by filling themselves with buoyant gas.

Wild chimpanzees maintain very close family ties.

Legal Notice

NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR THE PURCHASE OF CERTAIN ROAD MACHINERY AND TO ISSUE TIME WARRANTS TO EVIDENCE THE INDEBTEDNESS TO BE CREATED THEREFOR.

SEALED PROPOSALS addressed to HON. H. C. WILLIAMS, County Judge of Deaf

Legal Notice

MONITION
IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF TEXAS UNITED STATES CIVIL 2-155. An article of hazardous substance consisting of 120 gallon cans, more or less, and 22 five gallon cans, more or less, of an article labeled in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Tyzor Organic Titanate D and G R *** Wilmington Chemical Corp., Chicago 30, Illinois ***"

In obedience to a Warrant of Seizure to me directed, in the above-entitled cause, I have seized and taken into my possession the following-described merchandise to-wit: 138 one-gallon cans and 21 five gallon cans of an article labeled in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Organic Titanate D and G R."

For the causes set forth in the libel now pending in the U. S. District Court for the Northern District of Texas, at Amarillo, I hereby give notice to all persons claiming the said described merchandise, or knowing or having anything to say why the same should not be condemned and forfeited, and the proceeds thereof distributed according to the prayer of the libel, that they be and appear before the said Court, to be held in and for the Northern District of Texas, at the United States Court Room, in the City of Amarillo on the 8th day of May 1964, at 10:00 o'clock on the forenoon of that day, if the same shall be a day of jurisdiction, otherwise on the next day of jurisdiction thereafter, then and there to interpose a claim for the same, and to make their allegations in that behalf.

ROBERT L. NASH
U. S. Marshal NORTHERN DIST. of TEXAS
By GLEN R. BEVERS Deputy.
T-38-4e

Smith County, at Hereford Texas, will be received at the Office of the County Judge until ten o'clock A.M. on the 18th day of May, 1964, for the purchase of the following road machinery for the maintenance and improvement of the roads in and for said County, to-wit:

Three new diesel-powered motor graders, not less than 115 horsepower, fully enclosed cab, rain cap, heater, 14-ft. blade, with 2 ft. extension, 13.00-24 ply tires on all wheels, booster steering, fully equipped, ready for operation, hour meter and lights.

SUCH PROPOSALS will at said time be publicly opened and read before the Commissioners' Court.

A CERTIFIED CHECK or CASHIER'S check in the amount of five per cent (5%) of the amount of the bid must accompany each bid.

IT IS THE INTENTION of the Commissioners' Court to pay all or a portion of the purchase price of such road machinery by the issuance of and delivery to the proper contractor or contractors the legally issued time warrants of said County, bearing interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, which said warrants shall not exceed the principal sum of THIRTY THOUSAND DOLLARS (\$30,000.00) and the principal of said warrants shall be payable serially, the maximum maturity date to be not later than December 31, 1966. The County has made arrangements for the contractor to dispose of such warrants here-in mentioned at par value thereof, and all bidders shall be governed accordingly.

THE COUNTY reserves the

right to reject any or all bids and to award contract to that bidder who, in the opinion of the Commissioners' Court offers the proposal to the best interest of the County, and the right is further reserved to waive all technicalities.

ALL BIDS will be retained by the County and will not be returned to the bidders.

County Judge, Deaf Smith County, Texas.

Ethel Waters

Ethel Waters Plans Concert In Lubbock

Ethel Waters, internationally known Gospel singer, will be featured in a sacred concert Saturday, May 9, at the Lubbock Municipal Auditorium. Miss Waters, who has appeared in many movies and on television, is making this special appearance at the invitation of the sponsor, Second Baptist Church of Lubbock.

No woman singer in this century has so captivated the hearts of her listeners as has Ethel Waters. She sings the spirituals with such a depth of feeling that listening to her is a deep religious experience.

Two separate concerts are scheduled for Saturday, May 9, one at 2 p.m. and another at 7:30 p.m. The Chancel Choir of Second Baptist Church will assist in the one hour sacred concert. There will be no admission charge, but a free offering will be taken to defray expenses.

Rev. Arthur O. Kaul

Lutherans Plan Sunday School Workshop Here

The Rev. Arthur O. Kaul, director of Concordia Tract Mission, will speak Sunday morning at Immanuel Lutheran Church here for the First Annual Mission Sunday observance, it was announced Wednesday by the Rev. Fred Beversdorf, pastor.

He also will speak Sunday afternoon at a Sunday School teachers' workshop of the Panhandle Zone of the Lutheran Church on the subject, "Leading Children to Know Jesus Christ." The workshop this year is sponsored by the Sunday School teachers of Immanuel, in Hereford, and Redeemer in Friona.

Mr. Kaul is pastor of Christ Lutheran Church, Austin, and is a graduate of St. Paul's College, Concordia, Mo. He was graduated from Concordia Seminary, St. Louis, and served as pastor at Carrollton, Ill. From there he served parishes at White Hall and Kampsville, Ill.

The tract mission is engaged in mailing tracts, published in many languages, throughout the world. It also published a paper, Worldwide Evangelist. Mr. Kaul became director of Concordia Tract Mission in 1958. He has been lecturing extensively around the country on the subject, "The Power and Mission of the Printed Word."

The bird population of the Everglades National Park has decreased over the last few years.

By Melvin Young

Newcomers to this part of the country might think the dirt blows, but of course the folks that have lived here the longest know better. That's West Texas rain!

In this part of the country folks first realize it's spring when the politicians begin coming out of the woods to

Cowan Jewelry

"The House of Insurance" POOL-SIGMAN AGENCY 801 S. 25 Mile Ave. EM 4-0758

the write-in votes."

Of course, no one is trying to say that you can't write in another candidate when you're unhappy with the one running, and no one is attempting to deny the right; but in the absence of a serious write-in campaign, it seems rather futile. The election judges ask your cooperation in holding down the number of such write-ins.

On the other hand, if all precincts had the eager beaver counters that voting box 2 has, then the results would probably be tabulated shortly after the polls close. Write-ins or no write-ins.

Lloyd Pool was so eager to serve that he arrived at 5:45 ready to go to work. His instructions had been to be there at 6:45 . . . 15 minutes before the polls opened, but Lloyd just couldn't wait.

Actually, the counters and elections judges did a marvelous job this year in tabulating the results of the election. We were through at the paper well before mid-night, and voting box 2 was one of the first to report. It is also the largest box in the county, having just slightly more voters than boxes 11 and 1.

Another sure sign of spring is the beginning of the Little League season. However, this year League play is in danger of being delayed if the backers of the program do not get a little more help in moving and setting-up the playing field. Mrs. Dennis Lomas called to ask that we make a last minute plea to the interested citizens for manpower in getting the job done.

"We realize that many men cannot take off the time necessary to help," said Mrs. Lomas, "but these same people might be willing to make a cash donation so that we can hire a little help." Either way, interested parties should contact Charles Duvall, principal of Northwest Elementary, for further information. Little League play is scheduled to begin Monday.

Want to know how the current

GRADUATE DIVER — Fred W. Welch, son of Mr. and Mrs. Fred B. Welch, has been graduated from the Coastal Deep Sea Diving school in Oakland, Calif., after completing a 13-weeks' course under the G.I. bill. His greatest depth (and greatest thrill) came when he descended to 185 feet. Welch attended Hereford High School and Texas Tech and has served in the Army. He plans to be a professional diver.

movies are rated? That is, whether they are for adults, mature young people or family type? George Phillips, manager of the local theatres, as a new service bulletin called the "Green Sheet" issued monthly which gives a pretty good run-down on current movies.

If you're interested in getting this information so that you can better screen the movies your children attend, then leave your name and address at the theatre. He'll fix it up for there.

Actually it's a pretty good deal. The bulletin is prepared by a committee made up of some ten organizations; some within, but most are outside the movie industry. As far as we can tell it's a very good synopsis of current movies. Might be worth your while to get on the mailing list.

One of the nicest affairs we have attended lately was the Camp Fire Girls father-daughter banquet held Monday night. The attendance at the event rivals that usually racked-up for the annual Chamber of Commerce banquet.

It's a fine program . . . one that merits the support of all Hereford citizens. And, we might add, the mothers who serve as leaders should be commended for their efforts. It takes a lot of time and hard work to be a Camp Fire leader.

We have been told that if a girl really likes a man, money doesn't make any difference—unless he doesn't have any.

There is nothing technically difficult about the climb up Mount Kilimanjaro.

HD Club Hears Foods' Program; Reports Given

Nutritional values of fruits and vegetables and the preparation and storing of foods for use in emergencies and disasters formed the program of the West Hereford Home Demonstration Club in its regular meeting April 28.

Presenting special reports at the Pioneer Natural Gas Flame Room were Mrs. Artie Frost, Mrs. Mabel Vaughn and Mrs. Alice Swegart.

Mrs. E. B. Moseley presided, and Mrs. Pearl Gass was hostess to the following members: Mrs. Verna Schroeder, Mrs. Alice Bradley, Mrs. Myrtle Witherspoon, Mrs. Jewel Awtry, Miss Evelyn Bell, Mrs. Lola Manasco, Mrs. Blanche Hardin, Mrs. Vida Jacobsen, Mrs. Treacia Shirley.

Miss Bell conducted the recreation, and Mrs. Witherspoon won the hostess gift.

At the next meeting May 12, Mrs. Shirley and Mrs. Swegart will present the program on traffic safety.

CARD OF THANKS

I wish to thank my many friends who came to see me during my stay in the hospital, and especially the nurses who were so sweet and kind, and the several doctors; also those who brought flowers, etc. God bless you all.

Mrs. Gertrude Probasco

Delta Xi Winds Up Year's Work With Farwell Coffee

Delta Xi Chapter of Delta Kappa Gamma closed the year's work with a coffee in the Home-making Cottage of Farwell High School Saturday morning, May 2. Farwell members were hostesses.

Presiding at the business meeting was Miss Della Stagner, president. Mrs. Mozelle Neill gave the annual treasurer's report.

With "Our Founders" as program theme, Mrs. Opal Bookout paid tribute to Dr. Annie Webb Blanton, founder of Delta Kappa Gamma. Her courage, wisdom, and energy spurred professional leadership among women teachers.

"Our founders," Mrs. Bookout said, "were faithful, dedicated women teachers who envisioned school systems such as we have today."

Speaking on "Founders We Delight to Honor," Mrs. Faun Welker used Enoch Holden's book, "Our Heritage." Tracing the history of Delta Kappa Gamma, she noted the recent death of Founder Lilla M. Odom, Austin. She recalled that Mrs. Odom, with her silver shovel, began the ground-breaking ceremonies for the new Delta Kappa Gamma building in Austin. Mrs. Bookout then took her listeners on a pictorial tour of the organization's headquarters.

"Invocation" and "Our Founders" were sung by the Delta Xi singers—Mrs. Bookout, Mrs. Caudie Oa Brown, Mrs. Neill, Mrs. Leta Kaul, and Miss Lucille Park—accompanied by Mrs. Walker.

Mrs. Alice Cowen, Dimmitt, conducted a spirited Constitution Quiz. Then Mrs. Kaul read the tribute of Mrs. Helen Richardson of Dimmitt commemorating Delta Xi's birthday, April 21, 1956. Mrs. Kaul said, "We review our accomplishments with pride but lift our eyes beyond where new goals await, prayerfully hoping that we may prove mentally fit, physically able, and spiritually strong to meet the opportunities for teaching service; that we may be a lasting credit to our profession, our Honor Society, and to the purposes for which we stand organized."

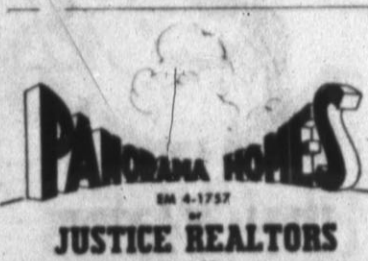

city, and to the purposes for which we stand organized."

Mrs. Claude McDouglas installed officers for the next two years. Miss Stagner paid tribute to chapter members having perfect attendance records for this year's meetings: Mrs. Bookout, Mrs. Mollie Grisham, Mrs. Welker, Mrs. Pearl McLean, Mrs. Kaul, Mrs. Cleo Forson, Mrs. Hattie Boling, Mrs. J. D. Neill, Miss Stagner and Miss Park.

Farwell hostesses at this coffee were Mrs. Boling, Mrs. Helen Coffey, Mrs. Lloyd Gain, Mrs. Frances Clark, and Mrs. Alice Williams.

Delta Kappa Gamma members attending from Hereford included Miss Stagner, Miss Park, Miss Erma Walker, Mrs. Bookout, Mrs. Brown, Mrs. Alice Christman, Mrs. Kaul, Mrs. McDougal, Mrs. Johnnie Morris, Mrs. Neill, Mrs. Sophie Snavre, Mrs. Gladys Legg, Mrs. S. R.

DACTHAL...the proven herbicide

FOR COTTON Developed to control weeds and annual grasses, DACTHAL is the most effective pre-emergence herbicide on the market today . . . proven by many years of extensive testing at experiment stations and commercial use on thousands of acres.

- Only one application is needed for complete control for a full season.
- Excellent crop tolerance in either a pre-emergence or layby treatment.
- Safety-tested to insure against foliar damage, or stand or yield reduction.
- One crop life of DACTHAL permits a two crop system without damage or stand reduction to the rotating or second crop.
- Increased yields have been demonstrated up to 200 lbs. of lint cotton per acre over other chemical treatments or cultivated checks.

School 'Ready' To Offer First Series of Bonds

"Paper work" for Hereford school board's offering of \$750,000 bonds for school building and remodeling projects, is ready. Assistant Superintendent Kendall Williams said Wednesday the "tedious preliminary" work of getting the bonds ready to offer to New York bond buyers next Monday has been completed. "Actually," Williams said, "it's just like preparing a financial statement for any business firm when it seeks to secure a loan or a financing program."

He said the figures which board members and Superintendent Paul Stevens will take to New York Monday, "include just about everything of a financial nature dealing with the school—our indebtedness, our tax rate, our tax collections, valuation and even a projected look into future finances," he explained. All this material is necessary before bond buyers will make their offers, he said. "It's like an individual credit check, but on a bigger scale." The first series to be offered cover Phase I of a \$2.4 million bond issue, approved by voters of Hereford School District May 26. The figures provided were for new structures and remodeling recommended by a citizens' committee which spent four weeks studying the critical housing situation here. The bonds were approved by a vote of 720 to 250. Bonds are to be sold as the work is scheduled, the \$750,000 in Phase I including funds for a new elementary school, remodeling of Central Elementary, additions to Aikman Elementary, junior and senior high, paving and other miscellaneous items. Board members who are making the bond-selling trip will be Ivan Block, president; Bill Gentry, Olin Farris and Larry Ballard. Stevens also will accompany the group. They are to meet Monday with Moody Investors and with Standard & Poor to discuss bond sales. The bonds will be sold to the firm that makes the better interest proposition.

HERE ARE THE CANDY SELLERS — These Bluebirds sold the most candy of any Bluebird group in the history of Hereford's Camp Fire group. The girls were recognized at the organization's annual father-daughter banquet Monday night at the Bull Barn. They are, front row, Greta Short, Darlene Harding, Gaye Bennett, Kim Wilson, Susan Higgins, Layne Young, Cynthia Hairgrove, and Doris Kelly. Back row, Pamela Smith, Jane Self, Suzanne Smith, Judy Leatherman, and Debbie Guynes. (Brand Staff Photo)

Teens' 'Rodeo' Plans Complete

The Jaycee Safe Driving Rodeo which is scheduled for Saturday is going to be held in the Bull Barn as was previously planned, according to Carl Carlisle, chairman of the project. The winner of the local Rodeo will travel to Dallas to the State Rodeo and the winner there will go to Washington, D.C. where he will compete for a \$2000 scholarship and a new Comet Caliente. "Anyone is eligible, who possesses a valid driver's license and has not received a moving traffic violation within the last

six months. Also they cannot be 19 years of age before August 1, 1964," Carlisle said. The local Rodeo is sponsored by the Hereford Jaycees in cooperation with Stephens-Hudson (Continued on page 18)

Chamber Urges Care in Giving To Solicitors

Residents of Hereford and Deaf Smith County may be interested to learn that, according to a service bulletin of the National Better Business Bureau, a Federal Grand Jury has indicted two men doing business as WESTERN STATES CLAIM ADJUSTORS, INC., on 29 counts of mail fraud. This was pointed out Saturday by the Deaf Smith County Chamber of Commerce.

Chamber Group Studies Freight

Chamber of Commerce's Rail and Motor Freight committee met this week to "study problems in the area." They decided that communications also enter into the rail and motor freight studies. Primarily the committee is studying motor freight service, and the committee decided to ask major freight users to help by writing to the committee and outlining their problems. Chamber Manager Bill Thompson said the reason for requesting that such matter be put into writing "is in order that we may have something specific to offer the carriers when they meet with us to work out problems." He explained that the committee, after it has received these written expressions from users, will meet with representatives of both motor and rail freight lines "to discuss improving service in this area."

Democrats...

(Continued from page 1) votes. And in the race for court of civil appeals, associate justice, Ernest O. Northcutt got 1573 votes in Deaf Smith County to Herbert C. Martin's 816. Candidates who were unopposed include Nell Miller for tax collector-assessor; Bruce Miller, for county attorney; William Hunter, for district attorney; Walter Rogers, U. S. representative, 18th district; Robert S. Calvert, for comptroller of public accounts; Ben Ramsey, for railroad commissioner; Ruel C. Walker, for supreme court, place 2; K. K. Woodley, court of criminal appeals; Robert W. Hamilton, for supreme court, place 3 and Bill Clayton, for state representative.

(Continued from page 1) votes. And in the race for court of civil appeals, associate justice, Ernest O. Northcutt got 1573 votes in Deaf Smith County to Herbert C. Martin's 816. Candidates who were unopposed include Nell Miller for tax collector-assessor; Bruce Miller, for county attorney; William Hunter, for district attorney; Walter Rogers, U. S. representative, 18th district; Robert S. Calvert, for comptroller of public accounts; Ben Ramsey, for railroad commissioner; Ruel C. Walker, for supreme court, place 2; K. K. Woodley, court of criminal appeals; Robert W. Hamilton, for supreme court, place 3 and Bill Clayton, for state representative.

Chamber Urges Care in Giving To Solicitors

Residents of Hereford and Deaf Smith County may be interested to learn that, according to a service bulletin of the National Better Business Bureau, a Federal Grand Jury has indicted two men doing business as WESTERN STATES CLAIM ADJUSTORS, INC., on 29 counts of mail fraud. This was pointed out Saturday by the Deaf Smith County Chamber of Commerce.

Chamber Group Studies Freight

Chamber of Commerce's Rail and Motor Freight committee met this week to "study problems in the area." They decided that communications also enter into the rail and motor freight studies. Primarily the committee is studying motor freight service, and the committee decided to ask major freight users to help by writing to the committee and outlining their problems. Chamber Manager Bill Thompson said the reason for requesting that such matter be put into writing "is in order that we may have something specific to offer the carriers when they meet with us to work out problems." He explained that the committee, after it has received these written expressions from users, will meet with representatives of both motor and rail freight lines "to discuss improving service in this area."

REP. ROGERS WRITES

Rogers Entertains Texas' Top Cook

Miss Martha Diane Toles, a happy young lady from Happy, Texas, was in Washington this week to be honored as the Texas winner in the annual Betty Crocker Search for the "American Homemaker of Tomorrow." With 50 other girls (the winners from the 49 other States and the District of Columbia), Miss Toles was feted at a reception in the Senate Office Building where I was privileged to visit with her and her charming faculty advisor, Mrs. Karlene Moore, a teacher at Happy High School.

I told Martha Diane that the honor she'd received (accompanied by a \$1,500 scholarship from General Mills) should permit her to be graduated from Happy High School without further study, class attendance, or examinations.

But she told me that she'd have to study all the harder to keep up with her classmates after having taken time to go on the Homemaker of Tomorrow tour to Williamsburg, Washington, and New York City.

The objective of the Betty Crocker Search is to assist schools in their important work of inspiring in our young people a deeper awareness and understanding of the American home in our society and economy and to increase the prestige and acceptance of homemaking as a career. Martha Diane Toles is a grand representative of these high ideals and I greatly enjoyed visiting with her.

Records are being set in Washington this spring for the number of tourists and visitors. This is a lovely time of year here; the azaleas and dogwood are in bloom, the grass is green from prolonged April rains, and shirt-sleeve weather has arrived. School groups from as far away as California have come by bus.

Teens'...

(Continued from page 13) Ford Company. Stephens-Hudson will furnish the automobiles for the local Rodeo, according to Carlile.

"This is an opportunity for all teenagers to demonstrate to themselves and to their community that they are interested in increasing their knowledge of traffic laws and improving their driving ability," Carlile said.

Phillips Announces Wide Distribution Of "Green Sheet" In Community

A new film information service has been announced by George Phillips, Manager of the Star Theatre. Mr. Phillips stated that he is now distributing a quantity of the well-known film publication, THE GREEN SHEET, which contains the composite review of ten prominent organizations represented on The Film Estimate Board of National Organizations.

Mr. Phillips will provide free copies of THE GREEN SHEET to regular patrons, to organization leaders, to schools, to religious leaders and to other interested citizens. Anyone wishing to receive THE GREEN SHEET regularly may leave his name and address at the boxoffice of the Star Theatre.

Representatives of the following organizations serve on The Film Estimate Board: American Jewish Committee, American Library Association, Federation of Motion Picture Councils, General Federation of Women's Club, National Congress of Parents and Teachers, National Council of Women of the U.S.A., National Federation of Music Clubs, Daughters of the American Revolution, Protestant Motion Picture Council and Schools Motion Picture Committee.

to see the Capital's attractions. Cars parked around the Capitol display license plates from virtually every state. Two weeks ago, I attempted to obtain a hotel reservation for an Amarillo couple who wanted to stay one more day than they had planned, but every hotel in downtown Washington was filled to capacity and all had lists of persons hoping for cancelled reservations.

I believe there are two special reasons for the unusual number of visitors to the Capital this spring. One is that many Americans want to take the opportunity to pay their personal respects to the late President John F. Kennedy at his grave in Arlington National Cemetery. An almost constant procession of Americans files past the grave each day, and I know that for many visitors to Washington this call to Arlington takes priority over any other plans. The other reason, I think, for the large throng is that the New York World's Fair has opened and Washington is included in the itineraries of many fair-bound visitors.

President Kennedy's grave is a solid bank of flowers by the end of each day. Last Sunday, as the line of respectful visitors lengthened so that the last persons in line would not pass the grave for an hour, a bus arrived containing school children from a town in Pennsylvania.

Stepping off the bus, the children as a group presented to the soldiers of the honor guard a wreath to be placed on the grave. The children were blind.

Here on Capitol Hill, past visitors records are surpassed each week. On April 2, men were posted at each door of the United States Capitol building to determine the exact number of visitors. On that one day, 30,851 persons came to the Capitol, including 7,700 visitors in 124 groups who were given half-hour tours of this most fascinating national edifice. Capitol Hill's attractions include, in addition to the Capitol itself, the House and Senate office buildings (and every visitor is always welcome in the office of his Congressman and Senators), the Supreme Court, and the Library of Congress.

Large crowds and heavy traffic are inconveniences in Washington, but they won't spoil the pleasure of a visit here. The problem of great potential danger to residents and visitors alike is the high crime rate in Washington. Young hoodlums, some of them roving in gangs, present a serious menace after dark in many sections of the city. Because of the danger of armed robbery, many taxicab drivers refuse to work at night. Washington city streets should be avoided after darkness falls.

Recent visitor: Dick Plank of Hereford.
